Rulings—		
Amendment(s)—		
— proposed by His Excellency the Governor to a Bill passed by the Council are exceptional in character	XVIII	421
— relating to different land tenures of different districts cannot be moved to a motion pertaining to a particular district	XVI	552
Council's right to move — exhausts itself when once it passes a Bill. Member, in seconding a motion, cannot move an — to the motion	XVIII	420
Member, in seconding a motion, cannot move an — to the motion	XVI	551
Blocking motion—		
When a — fails, Members should not try other extraordinary expedients	XVIII	420
Budget—		
Motions for reappropriation are really supplemental additional grants	XV	442
Motions for reappropriation made by Members of Government are to be treated as recommendations of the Governor duly communicated to the Council through the Members concerned	"	456-461
Budget motion—		
Members to particularize their point in a — and indicate the extent of the cut that they propose	XVII	900
Communications to the Council—		
Secretary to the Council can address the Chair when placing — on the table	"	981-982
Council—		
— though a permanent entity, can still be regarded as acquiring a new lease of life after each general election	XVIII	421
Debate—		
Member who does not speak when called on by the President cannot claim to be called again	"	332
Members cannot speak after polling has begun	XVII	914
Termination of — when Government Member does not choose to reply, is left to the discretion of the President	XVI	542
When two Members rise, he who has got the President's permission is entitled to speak first	"	189
Decorum—		
Members should not leave the House or rise in their places when the President is on his feet	XVII	1820
President is on his feet	XVIII	326
Members should stand up and address the Chair	XV	59
Demand(s) for grants—		
Amount asked for in a supplementary grant having been paid already need not concern the Council when discussing it	XVIII	161-162
— not discussed within the allotted time can be put to vote on the last day	XVII	1319
Rejection of an item in a grant does not preclude its being brought forward in the form of a supplementary demand	XVI	459-460
Separate — should be moved successively and where a period is fixed for all of them together, it is open to the House to adjust the discussion within the allotted time	XVII	898-900
