Adjournment of meeting —		
Standing Orders do not provide when a sitting should terminate on a particular day and so President may conclude day's sitting at any time.. .. .	XXXV	1066
Adjournment motions —		
Mover of — has no right of reply	"	1265
— should relate to a matter of urgent public importance — that the budget has been passed and the expenditure is likely to be incurred is a sufficient ground to constitute urgency	"	1029
— must not revive discussion on a matter which has been discussed in the same session. Mere references previously made to the subject matter, e.g., in questions and answers or a general discussion on it during the general discussion on the budget does not preclude an adjournment motion being made on the matter.	"	1029
Adjournment motions are not intended only for raising discussion but may also culminate in a vote	"	1021

Irenical references not allowed	XXXIII	37
Demand for grants—		
The House has got a right to vote down items of a grant	XXXV	146
Motions on — must be relevant to the demand. A motion, e.g., for the release of prisoners, a subject within the portfolio of the Law Member cannot be moved on a demand <i>re</i> jails which is within the portfolio of the Home Member	XXXV	645
Demand for supplementary grants—		
A token motion asking for a nominal amount for a scheme in order to obtain the approval of the House for the scheme, is in order. In a —, two questions are concerned, i.e., the amount and the sanction for the scheme	XXXIII	71
Motions on — must relate to the items actually comprised in — and no general debate on matters relating to the whole grant or raising questions of policy is allowed	"	71
Policy of Government not to be discussed under a —	XXXV	1032
	XXXIV	78
Farther demands for grants—		
— have to be disposed of on the day allotted and no dilatory motion under S.O. 34 can be made	XXXV	1966
The practice of bringing — though not covered by the rules is in consonance with the parliamentary practice but whether the guillotine should be applied as in the case of the demands for grants is a matter which has to be examined	"	1070
Members of Government cannot avoid the responsibility of answering questions put in the vernacular by Members who are not fluent in English	XXXIII	244
Personal explanations <i>re</i> matters discussed on the previous day are, as a matter of practice, permitted by the President after he receives previous notice thereof	"	199

Point of order—		
The term 'at any time' in rule 15 (2) means that a point of order can be raised at any period when a matter is under discussion, and before the question is put, but not at any time indefinitely. President to decide the nature of a question	XXXIII	122
	"	185
Questions—		
— should not call for an opinion	XXXIII	107
— may be put to Member of Government or if he so wants, to his official spokesman in the House	XXXV	281
Member of Government answering on behalf of another or Secretary answering on behalf of Member of Government should state that he has been authorised or asked to do so by Member concerned. No point of order can arise on —	"	186, 515
On a question <i>re</i> staff of demonstrators, a supplementary question <i>re</i> their travelling allowance is not relevant	"	615
Supplementary — should not be prefaced with any statements	XXXIV	1300
— suggesting action of a very complicated kind are not admissible, but plain and brief questions suggesting action of a simple definite kind are admissible, and have to be answered. Government can answer orally — received by them at short notice. Quotation from a document may be made by a private member without getting the document placed before the House	XXXIII	234
Supplementary questions—Argumentative explanations cannot be introduced in —	"	101, 185
