Urgency of the matter to be discussed, Rule 37—	
An adjournment motion with regard to the failure of the Govern-

been prevailing for the past two months and another adjourn-	
ment motion with regard to the failure of the Government to	
take adequate steps to relieve distress in the Ceded districts	
caused by the failure of crops, were ruled out of order, firstly	
on the ground that the matters proposed to be discussed were	
not recent occurrences and that the fact that a grievance is	
continuing is not sufficient to make it urgent and secondly	
on the ground that the motions anticipated matters which	
would be brought before the House during the ensuing budget	1030-1031
session
