Rulings—	
Bills—Concurrent Legislative List—	
Point of order raised that the Industrial Disputes (Amendment) Bill,	
1949, being an amendment to the Central Act could not be	
introduced in the local Legislature, but only in the Central Legisla-	
ture. The objection was withdrawn when it was pointed out that	
the matter was in the Concurrent Legislative List, on which the	
Provincial Legislature could pass legislation under certain	
conditions	638
Joint Select Committee—	
On a motion for concurrence of the Council in the appointment of a	
Joint Select Committee on a Bill, the general principles of the Bill	
may be discussed, but in view of the fact that the Council can,	
under Rule 105, discuss these principles, when the Bills come before	
it after being passed by the Assembly, the discussion need not be	
elaborate, but only to the extent necessary for the motion before	
it	26
To a motion for the concurrence of the Council for the appointment	
of a Joint Select Committee, an amendment that the legislation be	
deferred till after fresh elections cannot be ruled out on the ground	
that it is merely negative in character	28
Debate—	
Allegation of Corruption—	
Hon. Members should be careful in making allegations of corrup-	
tion against individual officers, for they may be called upon to	
prove them	306
Interruptions and Personal Explanations—	
No member should interrupt another member while speaking, but	
with the permission of the Chair he can speak on a point of per-	
sonal explanation and not argue with Ministers	502
