Rulings— Bills—Appropriation Bills—Adjournment of consideration— Rule (67)— A motion for the adjournment of the consideration of the Appropriation Bill is ruled out of order, as under rule 67, the discussion of the Bill must commence and close on the day fixed for the purpose by the Governor	591
Bills—Appropriation Bills—Restriction on discussion (Art. 204 of the Constitution)— An amendment that the bonus sanctioned to the loyal Non- Gazetted Officers who did not participate in the strike should be distributed to all the Non-Gazetted Officers, is ruled out of order, as the recommendation should be to the Assembly and not to the Government	591
Discussion of an Appropriation Bill should be confined to the items of grants included in the Bill and not be in the nature of a general discussion of the Budget dealing with all matters of administration	600

Rulings—cont.

Bills—Appropriation Bills—Restriction on discussion (Art. 204 of
the Constitution)—cont.

Discussion about the sources of revenue and the structure of
taxation may be avoided while discussing the Appropriation
Bill, as it deals only with matters of expenditure

615

Bills—Money Bills—Certificate by the Speaker—Third reading stage
(Art. 199 of the Constitution)—

Questions raised—

(1) Whether the Madras City Municipal, District Municipalities
and Local Boards (Amendment) Bill, dealing with the levy by
the local bodies of a duty on certain transfers of immovable
property can be called a Money Bill, in the light of Art. 199
(2) of the Constitution which says that a Bill shall not be
deemed to be a Money Bill by reason that it provides for the
imposition or regulation of any tax by any local
authority or body for local purposes?

666

(2) When a Bill is transmitted to the Legislative Council with
the certificate of the speaker of the Legislative Assembly that
it is a Money Bill endorsed on it under Art. 199 (4), whether
it is open to the Legislative Council (which is the House most
affected by the Speaker's Certificate) to raise the question
referred to in Art. 199 (3) whether the Bill is a Money Bill or
not, especially when the question had not been specifically
raised before in the Assembly or the Chairman of the Council
consulted by the Speaker before he issued the certificate?

669-670,
674, 676

(3) Whether a Money Bill which is accepted by the Council
in toto and to which the Council has no amendments to
recommend to the Assembly, should be returned to the
Assembly, after a third reading on a formal motion that the
Bill be passed into law? Ruled that there should be a third
reading stage on a motion that the House approves of the
Bill as passed by the Assembly

690-691,
692, 693

Bills—Pending Bills continued in a new session—Rule 3 (b)—

When the discussion of a motion that the Bill be taken into
consideration is not concluded in one session, and the Bill is
taken up in a subsequent session, the motion for the considera-
tion of the Bill should be moved again

77

Governor's address to the Legislature—Restriction on discussion—

Discussion on the Governor's Address should be confined to the
policy of the Government underlying the legislative programme
outlined in the Address

75

There should be a clear-cut division in the speeches of Members—
The Members of the Government Party should explain and
support the Government Policy while the Members of the
Opposition are free to criticise the same
