Rulings—		
Adjournment Motion—Rule of anticipation	42 (iv).	
An adjournment motion to discuss the policy of food procurement under which wholesale searches for foodgrains are made by procurement officials with the aid of the police is ruled out of order under Rule 42 (iv) as the food policy of the Government will be discussed shortly	244	
Bills—Legislative Competence—		
Question raised whether it is within the powers of the State Legislature to make a provision in the Madras City Municipal (Amendment) Bill, 1950, directing the Corporation of Madras to credit to the State Government 4/5 of the proceeds of the tax on tram cars, which the Corporation is empowered to increase from Rs. 100 to a maximum of Rs. 900.	269	
Bills—Third reading—		
The appropriate motion for the third reading of a Bill is 'that the Bill be read a third time and passed' and not '..... passed into law', because if the Bill comes to the Council from the other House, it does not become law unless it is assented to by the Governor, and if the Bill originates in the Council, it does not become law unless it is accepted by the Assembly and assented to by the Governor	124, 443, 552, 793.	
Money Bills—Procedure to be adopted—		
(1) In the case of Money Bills also as in the case of other Bills, there ought to be three readings.		
(2) If at the stage of second reading any recommendations or amendments to various clauses are approved by the House, the appropriate motion for the third reading will be as follows:— "I move that the Bill be returned to the Legislative Assembly with the following recommendations:—"		
(3) If there are no recommendations the appropriate motion for the third reading will be 'that the Bill be read a third time and passed.'		
(4) It is incumbent on the Government to take the Bill through all the three stages and make the appropriate motions if they want to proceed with the Bill. It will not be open to them to refuse to make the appropriate motion	254, 443	
Unparliamentary expressions—		
'Do, do, Basavanna'—Frequent repetition of the phrase to describe the Madras Government's acquiescence or submission to the dictates of the dictators at Delhi with regard to food policy, is not in keeping with the prestige and dignity of the House	218
