"Mr. Speaker, the Committee on Military Affairs directed me to make a favorable report to the House on H. R. 8305. "Mr. Speaker, the Committee on Military Affairs met in the regular committee room on Thursday, which was the regular meeting day of the committee.

"The committee for a period of years has held out Tuesdays and Thursdays as regular meeting days of the committee, and by mutual understanding of the membership these are our regular days, and that information is carried in various publications.

"The Congressional Directory lists a number of committees and states their regular meetings day, under the remark—

"Committees other than those mentioned meet upon the call of the chairman."

The Committee on Military Affairs also publishes a little pamphlet which contains the names of the members of the committee and the various subcommittees, and on the front page of the pamphlet appears the following under the head, 'Regular meetings':

"Tuesdays and Thursdays at 10.30 a. m. and on the call of the chairman."

"Accordingly, on Thursday last, the committee assembled in its committee room. A quorum was present and the chairman was absent. The ranking member of the committee called the meeting to order. I think it may be well for me at this place to read for the information of the Speaker the minutes of the committee. I read:

"The Committee on Military Affairs met in regular session Thursday, February 14, in the appointed committee room. The meeting was called to order by Mr. WURZBACH, the ranking majority member, presiding in the absence of the chairman. The roll was called, and the following members answered to their names:

"Mr. Wurzbach, Mr. Reece, Mr. Speaks, Mr. Wainwright, Mr. Hoffman, Mr. Quin, Mr. Fisher, Mr. Wright, Mr. Boylan (proxy), Mr. Garrett, Mr. McSwain, Mr. Hill, and Mr. Chapman.

"The chairman announced, 13 members having answered to their names, a quorum was present, and the meeting opened for the consideration of business.

"Mr. REECE was designated as acting secretary to record the proceedings of the meeting, the regular clerk being absent. On motion, a committee of three members was appointed to notify the chairman that a quorum was present in the committee room, this being the regular meeting day of the committee; that there was business to be transacted by the committee; and that the chairman be requested to preside. This committee reported, after repairing to the office of the chairman, that he was not there, but that his secretary was advised of the object of the committee's visit, and the chairman's secretary stated she would endeavor to get in communication with him. She later advised she had done so and that he was on his way to the office. The chairman did not appear in the committee room during the meeting.

"The following bills were favorably reported by unanimous vote:

"H. R. 15703, H. R. 11105, H. R. 17095, H. R. 16408, H. R. 17034, H. R. 12960, H. R. 15562, H. R. 14449, H. R. 12333, S. 4461, H. R. 15209, H. R. 9238, H. R. 12674, H. R. 13052, H. R. 13872, H. R. 14021, H. R. 14137, H. R. 14723, H. R. 15405, H. R. 15655, H. R. 15656, H. R. 15686, H. R. 16364, H. J. Res. 339, H. J. Res. 362, H. R. 16253, H. R. 16291, H. R. 16685, H. R. 16732, H. R. 17017, H. R. 4824, and H. R. 9520.

"Mr. WURZBACH then relinquished the chair to Mr. REECE, the next ranking majority member, and moved to reconsider the motion by Mr. HILL to report H. R. 8305, with the recently submitted recapture amendments, without recommendation, which had been adversely acted upon by the committee on February 7. The secretary called the roll. The following members voted "aye":

"Ayes, 11: Mr. Wurzbach, Mr. Reece, Mr. Speaks, Mr. Wainwright, Mr. Hoffman, Mr. Fisher, Mr. Wright, Mr. Garrett, Mr. Hill, Mr. Chapman, and Mr. Boylan (proxy).

"The following member voted "nay":

"Nay, 1: Mr. Quin.

"Whereupon the Chair declared the motion to reconsider had prevailed.

"Mr. QUIN then made the point of order that two-thirds were required to reconsider the motion. The Chair overruled the point of order. Mr. WURZBACH resumed the chair.

"Mr. REECE moved that the committee report H. R. 8305 with the amendments agreed upon by the Muscle Shoals subcommittee and the recently submitted recapture amendments, as amended, to the House with a favorable recommendation. The roll was called on Mr. REECE's motion, and the following members voted "aye":

"Ayes 11: Mr. Wurzbach, Mr. Reece, Mr. Speaks, Mr. Hoffman, Mr. Fisher, Mr. Wright, Mr. Garrett, Mr. McSwain, Mr. Hill, Mr. Chapman, and Mr. Boylan (proxy).

"The following members voted "nay":

"Nays 2: Mr. Wainwright and Mr. Quin.

"The Chair declared the motion carried.

"The committee directed Mr. REECE to submit the report on H. R. 8305 to the House.

"The committee, upon motion of Mr. WAINWRIGHT, voted to have hearings on H. R. 14088 and the war history bill by Mr. ANDREWS at its next regular meeting, Tuesday, February 19, at 10.30 o'clock. Thereupon the committee adjourned.

"B. CARROLL REECE,

"Acting Secretary."

"The above three pages is a correct report of the proceedings of the committee, and the original copy is signed by 11 of the 12 members present. The other member, I understand, agrees that the proceedings are correctly reported. * * *

"The custom has been for the clerk to send out notice of the meeting. I have one of the notices in my hand. The card which is sent out is captioned:

"Notice of meeting of the Committee on Military Affairs. The Committee on Military Affairs will meet at a certain hour on a certain day. By direction of the chairman."

"The card is signed by the clerk. That is not a call but merely a notice that the committee is going to meet on those days. * * *

"I would like to go on with my statement, and I will ask that I be permitted to do so. Strange to say there are few precedents on this question. There is one, however, of which doubtless the Speaker is aware, which is very nearly parallel to the situation presented here. This appears in Hinds' Precedents, Volume IV, paragraph 5488:

"On June 7, 1906, Mr. James A. Tawney, of Minnesota, proposed to report from the Committee on Appropriations a bill to supply a certain deficiency in an appropriation.

"Mr. John J. Fitzgerald, of New York, made the point of order that the report was not properly authorized.

"It appeared in debate, by the undisputed statement of Mr. Tawney, that the committee was not formally called together, but that a majority of the committee were present at the time and authorized the report.

"On this statement the Speaker overruled the point of order.

"Mr. Speaker Cannon was in the chair.

"Mr. Oscar W. Underwood, of Alabama, having appealed, the appeal was laid on the table."

"There are other precedents dealing with a report being submitted when some question of irregularity was charged, but so far as I have been able to ascertain the questions involved in these precedents are not on all fours with the one involved here. There is a drift in all the rulings toward permitting the report to be filed when it was authorized by a majority of the members of a committee meeting in the committee room."

After debate,

Mr. MORIN, chairman of the Committee on Military Affairs, made the following statement:

"Mr. Speaker, when my colleague began his statement I thought that the point was raised on the legality of the alleged meeting that met in the committee room on Thursday, but by the question propounded by the gentleman from New York [Mr. LA GUARDIA], referring to the meeting on Tuesday, I am compelled to make some explanation to the House as to what was done on that day.

"I appeared at the committee room at 10.30 Tuesday morning, for the reason that on Monday afternoon members of the committee had asked me on the floor of the House if we were to have a meeting on Tuesday. I informed them that there was no business that I knew of to bring before the committee, and therefore I did not see the necessity of calling the committee together on Tuesday. Later in the day, or in the evening, I heard that a member of the committee had called up other members by telephone and had told them that there would be a meeting on Tuesday. I decided then that while it was not called according to the established custom of 16 years, during which I have been a member of the committee, and notwithstanding that on the day previous Mr. GLYNN, chairman of one of the subcommittees, had made arrangements with the chairman of the Military Affairs Committee to use the committee room that day for a subcommittee meeting, I concluded that I would appear, and that if there were a quorum of members present I would telephone the remaining members, and if they desired a meeting I was willing to have it.

"There was no one present when I appeared in the room at 10.30 o'clock. I walked across the room to my private office, looked at a letter; then I return to the committee room. At 10.35 o'clock Mr. GLYNN came in. Mr. WURZBACH came in also. At a quarter of 11 I asked Mr. GLYNN if he had anything particular on his mind, and he said that he would like to have the committee room for a meeting of his subcommittee. I then said, 'Well, there is no quorum present, and it looks as though there will not be.' I then called the committee to order and requested the clerk of the committee to make a note of those who were present. As there was not a quorum present, I declared the committee adjourned and turned the room over to Mr. GLYNN for a meeting of his subcommittee. I had an appointment with the chairman of the Senate Committee on Military Affairs, to make arrangements for conferences on seven bills we had in conference. I went to see Senator REED and remained at his office until about 10 minutes of 12 o'clock. I then came back to the House, and after transacting some business in the House returned to my office and was informed that after I had left that morning another subcommittee had come in and held hearings. At 20 minutes of 12 the subcommittees concluded their work, and those present decided to organize a meeting of the committee with Mr. WURZBACH acting as chairman. At 15 minutes of 12 o'clock Mr. GLYNN, chairman of the subcommittee that had a large number of bills before it, left the room.

"I did not ask him whether there were any bills reported before he left or not. At 10 minutes of 12 Mr. CHAPMAN left the room. So the committee organized then in a few minutes, according to the minutes which the Speaker has in his hand.

and reported out 21 bills. At 5 minutes of 12 there was a discussion as to whether or not they would take the Muscle Shoals bill up at the next meeting, and the minutes will show that on motion of a member present they agreed to recess. The motion was made by Mr. WRIGHT that the meeting recess until 10:30 o'clock Wednesday morning. After the discussion of that motion Mr. WRIGHT amended his motion to have the committee meet at 10:30 o'clock Thursday morning.

"When I saw the minutes of the meeting I wrote to the Speaker making a formal protest against any of the bills reported by this meeting being placed on any calendar of the House. Now, as to the meeting on Thursday: No request was made to me by any member of the committee to have a meeting on Thursday, as has been the custom in the committee for the 16 years that I have been a member of that committee. I had knowledge of this meeting only as being a continuation of an illegal meeting by a group of committee members. I did not get to my office until about a quarter to 12 o'clock, having important matters to attend to elsewhere. In the belief that the meeting in the committee room was a continuation of the illegal meeting of Tuesday, of course, I decided not to appear in the committee room and take part in what I fully believed to be an illegal meeting.

"I have been a member of the Committee on Military Affairs for 16 years. There has never been a meeting of that committee except by the call of the chairman, regardless of what days are set for regular hearings. The gentleman stated it has been the custom to meet on regular meeting days, Tuesdays and Thursdays, for 10 or 12 years. I shall refer to the minutes of the meetings that run back for 10 or 12 years, having examined them carefully, and give this information to the House.

"In the Sixty-seventh Congress the regular meeting days were set for Tuesdays and Thursdays, and were not observed. In the second session of the Sixty-seventh Congress, beginning December 6, 1921, the chairman stated the committee would meet regularly and only meet on call. On December 7, 1922, in the Sixty-eighth Congress, it was agreed that the chairman should call all meetings. No meeting days were set, but we met always on the call of the chairman. In the Sixty-ninth Congress, when we organized the committee, and I became chairman, I presented some rules that I wished the committee to adopt by means of which I thought we might expedite business and have the members become more interested in the committee hearings. I shall refer to those later. At the first committee session in the Seventieth Congress no mention is made in the committee minutes of any fixed regular meeting days. When I became chairman of the committee at the first session of the Sixty-ninth Congress in December I outlined my policies to the committee and asked if they would not approve and adopt them, and I shall ask the Clerk to read the minutes of that meeting."

The SPEAKER. Without objection, the Clerk will read.

The Clerk read as follows: "FRIDAY, December 18, 1925.

"The first meeting of the Committee on Military Affairs of the House of Representatives in the Sixty-ninth Congress was held this date in the committee room. The committee was called to order by the new chairman, Hon. John M. Morin, of Pennsylvania, at 10:40, with all the members present with the exception of Mr. Hill of Maryland, Mr. Frothingham, and Mr. McSwain. The chairman made a short statement outlining his policy as chairman, and asking the cooperation of every member. He also stated each subcommittee would be given an opportunity to consider the bills referred to each one, and would be expected to take care of any bill reported to the House when it came up for consideration.

"H. F. Sedgwick was appointed clerk, William E. Murray, assistant clerk, and Raymond L. Franklin, janitor for the committee, on motion of Mr. Fisher and unanimous vote. The chairman of the various subcommittees were named, as follows: Mr. Morin, No. 1; Mr. James, No. 2; Mr. Ransley, No. 3; Mr. Hill of Maryland, No. 4; Mr. Frothingham, No. 5; Mr. Wurzbach, No. 6; Mr. Reece, No. 7; Mr. Speaks, No. 8; and Mr. Wainwright, No. 9.

"The chairman asked the members to notify the clerk of the committee ahead of time when it was expected to bring up any measure for consideration by the committee.

"It was agreed the committee should meet on Tuesdays and Thursdays at 10:30 o'clock, on call of the chairman. The motion was made by Mr. JAMES and carried unanimously.

"On motion of Mr. JAMES, agreed to by the committee, the following resolution regarding the reporting of private bills was adopted:

"Resolved, That private bills which were reported favorably by the Committee on Military Affairs and placed on the calendar during the Sixty-eighth Congress and failed to become law, and which have been reintroduced at the present session of the Con-

gress, be, and the same are hereby, again reported by the said committee, the new reports to be made by the members of the subcommittees having charge of private bills, and to be named by the chairman of the said subcommittee."

Mr. MORIN (continuing):

"For information of Members of the House I read from minutes of the present Congress beginning in December the number of committee meetings held and the days on which they were held.

"On the following regular meeting days of this session of Congress falling on a Tuesday or a Thursday no meetings were held by the Military Affairs Committee: December 4, December 6, December 13, December 18, January 3, January 5, January 15, and January 24—eight regular meeting days.

"On the following days of this session of Congress falling on a Tuesday or a Thursday meetings were held by the full committee on the call of the chairman: December 11, December 20, January 8, January 17, January 22, January 29, January 31, February 5, and February 7—nine so-called regular meeting days.

"On the following regular meeting days of this session of Congress falling on a Tuesday or a Thursday meetings were held by subcommittees of the Committee on Military Affairs: December 18, Subcommittees Nos. 3 and 5; January 15, Subcommittee No. 2; and January 24, Subcommittees Nos. 2 and 4.

"On the following days of this session of Congress meetings were held by the Committee on Military Affairs on the call of the chairman on January 11, January 25, February 1, February 2, February 4, and February 7, these dates not falling on a Tuesday or a Thursday.

"Now, the gentleman from Tennessee has referred to a call. The only evidence he seems to have that there are regular meeting days of this committee in the Seventieth Congress is the record of a previous Congress. Of course, that can not be relied upon, because the Congressional Directory of the Sixty-eighth Congress * * *.

"It is evident that it was just copied from some previous book. Before each issue of the directory is published the Joint Committee on Printing send a query to the clerk of each committee. So far as the Military Affairs Committee of the House is concerned, the clerk gives the meeting days as Tuesday and Thursday as a matter of form. As to the meeting days of the committee and the meeting days of the subcommittees in the Sixty-ninth Congress, the Congress in which we did designate Tuesdays and Thursdays on the call of the chairman, the regular meeting days are not stated except on the back: 'Regular meeting days on Tuesdays and Thursdays.'

"Now, as to the meeting held on Thursday, I will say to the Members of the House that no request was made of me to call a meeting on that day, or to have a meeting.

"If we follow the rules of the committee during the Sixty-ninth Congress, Tuesdays and Thursdays were agreed upon as regular meeting days, but by the call of the chairman; no regular meeting days were designated for the Seventieth Congress. There have been no meetings held and no group of members has attempted to have a meeting on Tuesday or Thursday except by call of the chairman until last Tuesday."

After further debate,

The SPEAKER said:

"The Chair has given a great deal of thought to this question, and he has had the advice and cooperation of a number of the leading parliamentarians of the House—the gentleman from Connecticut [Mr. TILSON], the gentleman from New York [Mr. SNELL], the gentleman from Tennessee [Mr. GARRETT], the gentleman from Georgia [Mr. CRISP], and others, and, of course, the advice and cooperation of our very competent parliamentarian, Mr. Deschler.

"It seems rather extraordinary that we have been unable to find any precedent directly in point. Apparently, this situation has not occurred in the last 100 years. There are some conflicting decisions, but none of them touch precisely the same point raised here.

"On Thursday of last week, at a meeting of the Military Affairs Committee, the legality of which is not in dispute, a motion was made to report the so-called Muscle Shoals bill to the House without recommendation; that motion failed. Now, it becomes significant, in view of the motion to reconsider made on Thursday of this week, as to whether that motion was legal or not. First, however, the Chair wants to lay down what he thinks is a sane and sensible rule—there being none in existence that the Chair knows of—as to the legal status of a meeting of a committee. The gentleman from Pennsylvania states that in his recollection there have been no meetings of the Committee on Military Affairs except those called by the chairman. The Chair would be very loth, though, to hold that

it is necessary for any legal meeting of a committee that it should be called by the chairman. The Chair believes there must be some other method of securing legality. Therefore the Chair would not want to take the extreme position of holding that a meeting of a committee to be legal must have been held at the call of the chairman; on the other hand, he would not want to accept the other horn of the dilemma as laid down in section 26 of Jefferson's Manual, which provides:

"A committee meet when and where they please, if the House has not ordered time and place for them, but they can only act when together, and not by separate consultation and consent—nothing being the report of the committee but what has been agreed to in committee actually assembled."

"The Chair would not want to hold that a committee might meet and transact business at any time or place.

"In this case the Chair understands it to have been for many years, at least 20, the practice to carry this language in the Congressional Directory, under the heading:

"Meeting days of House committees: Committees other than those mentioned meet upon call of the chairman."

"And there among other committees, it is stated that the meeting days of the Committee on Military Affairs are Tuesdays and Thursdays. In the pamphlet containing the subcommittees of the Committee on Military Affairs it appears, on the first page:

"Regular meetings, Tuesdays and Thursdays, at 10:30 a. m., and on call of the chairman."

"Query: If a majority of the committee assembled at 10:30, approximately, on Tuesday or Thursday morning and acted together as a committee—a quorum always being present—is their action legal or otherwise? There is no question in the Chair's mind about the illegality of the proceedings of the Committee on Military Affairs on last Tuesday. It appears that the chairman of the committee came to the committee room at approximately 10:30 a. m. He found only two other members present, and in about a quarter of an hour, having waited for a quorum, adjourned the meeting on the ground that there was no quorum present.

"The rest of the proceedings taken from that point on, in the opinion of the Chair, are entirely illegal, whether a quorum was in fact present or not. The Chair would think from the facts that a quorum was not present until the time when action was taken by that committee, but whether that be true or not, in the opinion of the Chair there could be no legal meeting of that committee following the adjournment for lack of a quorum.

"Now, we come to Thursday of this week. It seems to be undisputed that 12 members of that committee assembled in the regular committee room at 10:30, the time noted as being the regular time for a meeting on Thursday, and proceeded to do business. Query: Was their action legal or not? Now, another question comes in there, which is a little perplexing. Was the motion to reconsider the vote by which the Muscle Shoals bill failed to be approved in order on Thursday, a regular meeting day having occurred between? There is no rule the Chair can find governing the motion to reconsider in committees, and yet it can be conceived that it might be of very great importance. The Chair thinks that there being no rule the rule of the House should apply as to motions to reconsider in committees, and we all know that a motion in the House to reconsider must be entered either upon the day or the day following the legislation to which it refers. The Chair would think, applying by analogy to that a motion to reconsider must be made on the day of the committee meeting or the next committee meeting in order to be valid. Now, was Tuesday a day which should be counted in determining the days elapsing since the action by the committee?

"The Chair is not absolutely certain whether a motion to reconsider in this case was necessary and does not feel it incumbent upon him to decide the point; but for the purposes of the argument, the Chair proposes to assume that that motion was necessary in order to make in order the next proposition to report a bill favorably, as the committee did, a quorum being present in all legal form.

"The Chair thinks that so far as a business meeting was concerned, that the meeting on Tuesday was on a dies non—that it meant nothing. Had anybody been present who desired to make a motion to reconsider, he could not have done it, because there was not a quorum present.

"Therefore the Chair is of the opinion that Tuesday must not be counted as a day according to the rules in the House, but the motion to reconsider was valid on Thursday, although a meeting had been held between.

"Now, that motion having been legal, was the action taken by the committee, under those circumstances in reporting the

Muscle Shoals bill and other bills, legal? In the opinion of the Chair it was, as applied to last Thursday, of course.

"The precedents are conflicting. The decision cited by the gentleman from Tennessee [Mr. REECE] was specifically overruled some years later by Chairman Campbell, who held, on July 18, 1921, RECORD, 4016, that the majority members of a standing committee having met informally, a quorum of the committee having been present and authorized certain committee amendments, that since the meeting had not been regularly called, the action taken by the informal meeting was invalid.

"The Chair does not think that this is a sensible and sane way of solving the question of the legality of committee meetings of the House. The Chair does not think it is necessary that the meetings should be called by the chairman provided the custom of that committee has been for many years to fix a definite day or days for meeting and a time for meeting.

"The Chair would prefer to follow in this case the decision of Speaker Cannon, who overruled a motion to outlaw proceedings taken under those circumstances. He would prefer to follow this decision rather than the decision of Mr. Campbell, and the Chair is not quite certain that that decision is in direct point, because it occurred during the consideration of a tariff bill where the Ways and Means Committee was in perpetual session practically and was offering something like 200 committee amendments to the bill.

"So the Chair thinks that 12 members of the committee having assembled on a regular day at the regular time stated, were competent to act in this instance.

"Under the circumstances, the Chair will refer the bills reported on Thursday, the Muscle Shoals bill and the other bills, to the appropriate calendar, but the Chair will hold that all proceedings had on Tuesday were illegal and will not refer any of those bills to the calendar."

PENALTY FOR CERTAIN ALIENS ENTERING THE UNITED STATES

Pursuant to a unanimous-consent agreement agreed to on yesterday, and pursuant to House Resolution 318,

On motion of Mr. JOHNSON of Washington, the House resolved itself into the Committee of the Whole House on the state of the Union for the further consideration of the bill of the Senate (S. 5094) making it a felony with penalty for certain aliens to enter the United States of America under certain conditions in violation of law; and after some time spent therein.

The SPEAKER resumed the chair,

When Mr. BACON, Chairman, pursuant to said resolution, reported the bill back to the House with an amendment.

The previous question having been ordered by the said resolution on the amendment and on the bill to its passage or rejection,

The following amendment adopted in the Committee of the Whole House on the state of the Union was agreed to:

Strike out all after the enacting clause and insert:

That the following aliens shall, upon warrant of the Secretary of Labor, be taken into custody and deported in the manner provided in sections 19 and 20 of the immigration act of 1917 [United States Code, Title 8, secs. 155, 156], if the Secretary of Labor, after hearing, finds that such aliens are undesirable residents of the United States:

(1) An alien who hereafter violates or conspires to violate the white slave traffic act [United States Code, Title 18, secs. 397-404], or any law amendatory of, supplementary to, or in substitution for, such act.

(2) An alien who hereafter violates or conspires to violate any statute of the United States taxing, prohibiting, or regulating the manufacture, production, compounding, possession, use, sale, exchange, dispensing, giving away, transportation, importation, or exportation of opium, coca leaves, or any salt, derivative, or preparation of opium or coca leaves.

(3) An alien who hereafter willfully conceals or harbors, attempts to conceal or harbor, or aids, assists, or abets any other person to conceal or harbor any alien liable to deportation.

(4) An alien who hereafter willfully aids or assists any alien unlawfully to enter the United States.

(5) An alien who hereafter enters the United States at any time or place other than as designated by immigration officials, or eludes examination or inspection by immigration officials, or obtains entry to the United States by a willfully false or misleading representation or the willful concealment of a material fact.

(6) An alien who is convicted of any offense (committed after the enactment of this act and at any time after entry) for which he is sentenced to imprisonment for a term of one year or more, and who is thereafter convicted of the same or any other offense (committed after the enactment of this act and at any time after entry) for which he is sentenced to imprisonment for a term of one year or more.

(7) An alien who is convicted of any offense (committed after the enactment of this act and within ten years after entry) for which he is sentenced to imprisonment for a term which, when added to the terms to which sentenced under two or more previous convictions of the same or any other offense (committed after the enactment of this act), amounts to two years or more.

MOTION TO DISCHARGE A COMMITTEE

Mr. BLACK of New York moved to discharge the Committee on Banking and Currency from the further consideration of the resolution (H. Res. 213) requesting information from the Federal Reserve Board, and consider the same.

Mr. SNELL made the point of order that the motion was not privileged, and therefore not in order.

After debate,

The SPEAKER sustained the point of order, and said:

The Chair is prepared to rule.

"The question presented is, Is the motion of the gentleman from New York [Mr. BLACK] to discharge the Committee on Banking and Currency from consideration of a resolution addressed to the Federal Reserve Board in compliance with clause 5 of Rule XXII privileged as addressed to the head of a department?"

"The Chair thinks there is no question whatever about the rule. There is a number of precedents. The first one that the Chair recalls is found in Volume III, section 1863, of Hinds' Precedents:

"On February 4, 1904, Mr. Edgar D. Crumpacker, of Indiana, from the Committee on the Census, reported as privileged the following resolution:

"Resolved by the House of Representatives, That the Director of the Census be, and he is hereby, directed to inform the House, and so forth. * * *

"The resolution having been read, the Speaker said:

"The Chair desires to say that the Chair is of the opinion that this is not a matter of privilege. It is not in the language of the rule addressed to the head of an executive department. The Chair merely wants to call the attention of the gentleman to the fact."

Then the resolution was considered by unanimous consent.

In Hinds' Precedents, volume 5, section 7283, occurs the following sentence:

"The words 'heads of departments' is construed to mean the members of the President's Cabinet as is evident from the fact that in 1886 the House did not agree to a proposition to add such offices as the Commissioners of Patents, Internal Revenue, Pensions, etc."

The rule with regard to the privilege of the House floor is also very clear. It provides that among those entitled to the privilege of the House floor are heads of departments, and this has been repeatedly held to refer only to members of the Cabinet.

Under the circumstances, the rule being so absolutely clear and the precedents undeviating, the Chair sustains the point of order made by the gentleman from New York [Mr. SNELL].

Strike out all after the enacting clause and insert:

That in order to promote interstate commerce, improve the postal service, and provide for military and other purposes, E. T. Franks, his heirs, legal representatives, and assigns, be, and is hereby, authorized to construct, maintain, and operate a bridge and approaches thereto across the Ohio River, at a point suitable to the interests of navigation, approximately midway between the cities of Owensboro, Kentucky, and Rockport, Indiana, in accordance with the provisions of the act entitled "An act to regulate the construction of bridges over navigable waters," approved March 23, 1906, and subject to the conditions and limitations contained in this act.

Sec. 2. E. T. Franks, his heirs, legal representatives, and assigns, is authorized to construct, maintain, and operate such bridge and the necessary approaches thereto as a railroad bridge for the passage of railway trains or street cars, or both, or as a highway bridge for the passage of pedestrians, animals, and vehicles, adapted to travel on public highways, or as a combined railroad and highway bridge for all such purposes; and there is hereby conferred upon the said E. T. Franks, his heirs, legal representatives, and assigns, all such rights and powers to enter upon lands and to acquire, condemn, occupy, possess, and use real estate and other property needed for the location, construction, operation, and maintenance of such bridge and its approaches as are possessed by railroad corporations for railroad purposes or by bridge corporations for bridge purposes in the State in which such real estate or other property is situated, upon making just compensation therefor, to be ascertained and paid according to the laws of such State, and the proceedings therefor shall be the same as in the condemnation or appropriation of property for public purposes in such State.

Sec. 3. After the completion of such bridge as determined by the Secretary of War, if the same is constructed as a highway bridge only, either the State of Kentucky, the State of Indiana, any public agency or political subdivision of either of such States, within or adjoining which any part of such bridge is located, or any two or more of them jointly, may at any time acquire and take over all right, title, and interest in such bridge and its approaches, and any interest in real property necessary therefor, by purchase or by condemnation, in accordance with the laws of such State governing the acquisition of private property for public purposes by condemnation or expropriation. If at any time after the expiration of ten years after the completion of such bridge the same is acquired by condemnation or expropriation the amount of damages or compensation to be allowed shall not include good will, going value, or prospective revenues or profits, but shall be limited to the sum of (1) the actual cost of constructing such bridge and its approaches, less

a reasonable deduction for actual depreciation in value, (2) the actual cost of acquiring such interests in real property, (3) actual financing and promotion cost, not to exceed ten per cent of the sum of the cost of constructing the bridge and its approaches and acquiring such interests in real property, and (4) actual expenditures for necessary improvements.

Sec. 4. If such bridge shall at any time be taken over or acquired by the States or public agencies or political subdivisions thereof, or by either of them, as provided in section 3 of this act, and if tolls are thereafter charged for the use thereof, the rates of toll shall be so adjusted as to provide a fund sufficient to pay for the reasonable cost of maintaining, repairing, and operating the bridge and its approaches under economical management, and to provide a sinking fund sufficient to amortize the amount paid therefor, including reasonable interest and financing cost, as soon as possible under reasonable charges, but within a period of not to exceed twenty years from the date of acquiring the same. After a sinking fund sufficient for such amortization shall have been so provided, such bridge shall thereafter be maintained and operated free of tolls, or the rates of toll shall thereafter be so adjusted as to provide a fund of not to exceed the amount necessary for the proper maintenance, repair, and operation of the bridge and its approaches under economical management. An accurate record of the amount paid for acquiring the bridge and its approaches, the actual expenditures for maintaining, repairing, and operating the same, and of the daily tolls collected shall be kept and shall be available for the information of all persons interested.

Sec. 5. If such bridge is constructed as a combined railroad bridge for the passage of railway trains or street cars, and a highway bridge for the passage of pedestrians, animals, and vehicles, then the right of purchase and condemnation conferred by this act shall apply to a right of way thereover for the passage without cost of persons, animals, and vehicles adapted to travel on public highways; and if the right of purchase or condemnation shall be exercised as to such right of way over the bridge, then the measure of damages or compensation to be allowed or paid for such right of way shall be a sum equal to the difference between the actual fair cash value of such bridge determined in accordance with the provisions of section 3 of this act, and what its actual fair cash value so determined would have been if such bridge had been constructed as a railroad bridge only. If the right of purchase or condemnation conferred by this act shall be exercised as to the right of way over such bridge, then that part of the bridge which shall be purchased or condemned and shall be thereafter actually used for the passage of pedestrians, animals, or vehicles, shall be maintained, operated, and kept in repair by the purchaser thereof.

Sec. 6. E. T. Franks, his heirs, legal representatives, and assigns, shall, within ninety days after the completion of such bridge, file with the Secretary of War and with the highway departments of the States of Kentucky and Indiana a sworn itemized statement showing the actual original cost of constructing the bridge and its approaches, the actual cost of acquiring any interest in real property necessary therefor, and the actual financing and promotion costs. The Secretary of War may, and at the request of the highway department of either of such States shall, at any time within three years after the completion of such bridge, investigate such costs and determine the accuracy and the reasonableness of the costs alleged in the statement of costs so filed, and shall make a finding of the actual and reasonable costs of constructing, financing, and promoting such bridge. For the purpose of such investigation the said E. T. Franks, his heirs, legal representatives, and assigns, shall make available all records in connection with the construction, financing, and promotion thereof. The findings of the Secretary of War as to the reasonable costs of the construction, financing, and promotion of the bridge shall be conclusive for the purposes mentioned in section 3 of this act, subject only to review in a court of equity for fraud or gross mistake.

Sec. 7. E. T. Franks, his heirs, legal representatives, and assigns, is hereby authorized and empowered to fix and charge just and reasonable tolls for the passage of such bridge of pedestrians, animals, and vehicles adapted to travel on public highways, and the rates so fixed shall be the legal rates until the Secretary of War shall prescribe other rates of toll as provided in the act of March 23, 1906; and if said bridge is constructed as a railroad bridge, or a joint railroad and highway bridge, as provided in this act, the said E. T. Franks, his heirs, legal representatives, and assigns, is hereby authorized to fix by contract with any person or corporation desiring the use of the same for the passage of railway trains, or street cars, or for placing water or gas pipe lines or telephone or telegraph or electric light or power lines, or for any other such purpose, the terms, conditions, and rates of toll for such use; but in the absence of such contract, the terms and conditions, and rates

of toll for such use shall be determined by the Secretary of War as provided in said act of March 23, 1906.

Sec. 8. The right to sell, assign, transfer, and mortgage all the rights, powers, and privileges conferred by this act is hereby granted to the said E. T. Franks, his heirs, legal representatives, and assigns, and any corporation to which or any person to whom such rights, powers, and privileges may be sold, assigned, or transferred, or who shall acquire the same by mortgage foreclosure or otherwise, is hereby authorized and empowered to exercise the same as fully as though conferred herein directly upon such corporation or person.

Sec. 9. All contracts made in connection with the construction of the bridge authorized by this act and which shall involve the expenditure of more than \$5,000, shall be let by competitive bidding. Such contracts shall be advertised for a reasonable time in some newspaper of general circulation published in the States in which the bridge is located and in the vicinity thereof; sealed bids shall be required, and the contracts shall be awarded to the lowest responsible bidder. Verified copies or abstracts of all bids received and of the bid or bids accepted shall be promptly furnished to the highway departments of the States in which such bridge is located. A failure to comply in good faith with the provisions of this section shall render null and void any contract made in violation thereof, and the Secretary of War may, after hearings, order the suspension of all work upon such bridge until the provisions of this section shall have been fully complied with.

Sec. 10. The right to alter, amend, or repeal this act is hereby expressly reserved.

In lieu of the matter proposed to be inserted by said amendment, insert the following:

That section 1 of the act of Congress of March 3, 1921 (Forty-first Statutes at Large, page 1249), relating to the Osage Indians of Oklahoma, be, and the same is hereby, amended to read as follows:

"That all that part of the act of June 28, 1906 (Thirty-fourth Statutes at Large, page 539), entitled 'An act for the division of the lands and funds of the Osage Indians in Oklahoma, and for other purposes,' which reserves to the Osage Tribe the oil, gas, coal, or other minerals, covered by the lands for the selection and division of which provision is made in that act is hereby amended so that the oil, gas, coal, or other minerals, covered by said lands are reserved to the Osage Tribe, until the 8th day of April, 1958, unless otherwise provided by act of Congress, and all royalties and bonuses arising therefrom shall belong to the Osage Tribe of Indians, and shall be disbursed to members of the Osage Tribe or their heirs or assigns as now provided by law, after reserving such amounts as are now or may hereafter be authorized by Congress for specific purposes.

"The lands, moneys, and other properties now or hereafter held in trust or under the supervision of the United States for the Osage Tribe of Indians, the members thereof, or their heirs and assigns, shall continue subject to such trust and supervision until January 1, 1959, unless otherwise provided by act of Congress.

"The Secretary of the Interior and the Osage tribal council are hereby authorized and directed to offer for lease for oil, gas, and other mining purposes any unleased portion of said land in such quantities and at such times as may be deemed for the best interest of the Osage Tribe of Indians: Provided, That not less than twenty-five thousand acres shall be offered for lease for oil and gas mining purposes during any one year: Provided further, That as to all lands hereafter leased, the regulations governing same and the leases issued thereon shall contain appropriate provisions for the conservation of the natural gas for its economic use, to the end that the highest percentage of ultimate recovery of both oil and gas may be secured: Provided, however, That nothing herein contained shall be construed as affecting any valid existing lease for oil or gas or other minerals, but all such leases shall continue as long as gas, oil, or other minerals are found in paying quantities.

to the courts, without the consent of the Secretary of the Interior, in the event he is dissatisfied with the amount of damages awarded him. All claims for damages arising under this section shall be settled by arbitration under rules and regulations to be prescribed by the Secretary of the Interior; but either party shall have the right to appeal to the courts without consent of the Secretary of the Interior in the event he is dissatisfied with the award to or against him. The appeal herein authorized shall consist of filing an original action in any court of competent jurisdiction sitting at the county seat of Osage County, to enlarge, modify, or set aside the award, and in any such action, upon demand of either party, the issues, both of law and of fact shall be tried de novo before a jury upon the request of either party. Arbitration, or a bona fide offer in writing to arbitrate, shall constitute conditions precedent to the right to sue for such damages: Provided, That nothing herein contained shall preclude the institution of any such suit in a Federal court having jurisdiction thereof, or the removal to said court of any such suit brought in the State court, which under Federal law may be removed to the Federal court: Provided further, That nothing herein shall be construed to limit the time for any action to be filed to less than ninety days."

LOAD LINES FOR AMERICAN VESSELS

Mr. WHITE of Maine called up the following conference report:

The committee of conference on the disagreeing votes of the two Houses on the amendments of the House to the bill (S. 1781) to establish load lines for American vessels, and for other purposes, having met, after full and free conference have agreed to recommend and do recommend to their respective Houses as follows:

That the Senate recede from its disagreement to the amendments of the House numbered 1, 2, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31,

32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, and 46, and agree to the same.

Amendment numbered 3: That the Senate recede from its disagreement to the amendment of the House numbered 3, and agree to the same with an amendment as follows: Restore the word "foreign," and at the end of line 8, page 1, change the period to a comma and insert the words *the Great Lakes excepted*, and on page 2, at the end of line 3, change the period to a comma and insert the words *the Great Lakes excepted*; and the House agree to the same.

Amendment numbered 45: That the Senate recede from its disagreement to the amendment of the House numbered 45, and agree to the same with an amendment as follows: In lieu of the matter proposed to be inserted by said amendment insert the following:

Sec. 9. The Secretary of Commerce is directed to make a comprehensive study of load line legislation in the coastwise and intercoastal trade and the Great Lakes, and all types of vessels, and shall submit his report to the Houses of Congress in the month of December, 1929, accompanying such report with tentative draft of a bill to effectuate the recommendations embodied in said report.

And the House agree to the same.

WALLACE H. WHITE, JR.,
FREDERICK R. LEHLBACH,
A. M. FREE,
EWING L. DAVIS,
S. O. BLAND,

Managers on the part of the House.

W. L. JONES,
CHAS. L. McNARY,
JOS. E. RANSELL,

Managers on the part of the Senate.

Mr. ABERNETHY made the point of order that the conferees had exceeded their authority in making changes in the bill not in controversy.

After debate,

The SPEAKER sustained the point of order, and said:

"The Chair realizes the gravity of outlawing a conference report at this stage of the session, but the Chair is called upon to decide whether the conferees have exceeded their power in putting in the amendment referred to. Section 9 of the House amendment provides:

"Sec. 9. This act shall not apply to vessels operating exclusively on the Great Lakes or to barges otherwise coming within the provisions of this act or to lumber schooners operating to and from territory contiguous to the United States."

"The Senate disagreed to that.

"The conferees have brought in an amendment directing the Secretary of Commerce to make a comprehensive study of those lines. The Chair can not see in either the Senate bill or the House amendment any proposition that would direct the Secretary of Commerce to make an investigation. The House evidently never thought of it, and the Senate evidently never thought of it. While it might be vaguely germane to the purposes of the bill, the Chair thinks it is entirely new matter, never contemplated by either body. The Chair thinks the conferees exceeded their authority. Therefore the Chair feels constrained to sustain the point of order."

RADIO COMMUNICATION CENTER

On motion of Mr. MORIN, by unanimous consent, the bill (H. R. 13931) to authorize an appropriation for the construction of a building for a radio and communication center at Bolling Field, District of Columbia, with the following amendments of the Senate thereto, was taken from the Speaker's table:

Strike out all after the enacting clause and in lieu thereof insert the following:

That there is hereby authorized to be appropriated, out of any money in the Treasury not otherwise appropriated, not to exceed \$50,000, to be expended for the construction and installation of barracks and the necessary utilities and appurtenances thereto at Fort Wadsworth, New York.

Sec. 2. That there is hereby authorized to be appropriated not to exceed \$120,000, to be expended by the Secretary of War for the construction or purchase of three heavy seagoing Air Corps retrievers for use in Oahu, Philippine Islands, and Albrook Field, Canal Zone.

Amend the title so as to read: "An act to authorize appropriations for construction at military posts, and for other purposes."

When, on motion of Mr. MORIN, said Senate amendments were concurred in.

Ordered, That the Clerk notify the Senate thereof.

BATTLE FIELD OF MONOCACY

On motion of Mr. MORIN, by unanimous consent, the bill (H. R. 11722) to establish a national military park at the battle field of Monocacy, Md., with the following amendments of the Senate thereto, was taken from the Speaker's table:

Strike out all after the enacting clause and in lieu thereof insert the following:

That for the purpose of commemorating the Battle of Monocacy, Maryland, the Secretary of War is authorized and directed to (1) acquire not to exceed one acre of land, free of cost to the United States, at the above-named battle field, (2) fence the parcel of land so acquired, (3) build an approach to such parcel of land, and (4) erect a suitable marker on such parcel of land.

Sec. 2. There is authorized to be appropriated the sum of \$5,000, or so much thereof as may be necessary, to carry out the provisions of section 1 of this act.

Sec. 3. The parcel of land acquired under section 1 of this act shall be under the jurisdiction and control of the Secretary of War, and there is authorized to be appropriated for the maintenance of such parcel of land, fence, approach, and marker a sum not to exceed \$250 per annum.

Amend the title so as to read: "An act to provide for the commemoration of the Battle of Monocacy, Md."

When, on motion of Mr. MORIN, said Senate amendments were concurred in.

Ordered, That the Clerk notify the Senate thereof.

OUACHITA NATIONAL PARK

Mr. HILL of Washington called up from the Speaker's table the bill of the Senate (S. 675) to establish the Ouachita National Park in the State of Arkansas, a similar House bill being on the House Calendar.

Mr. COLTON made the point of order that the House bill was improperly on the House Calendar, and therefore the Senate bill was not privileged.

After debate,

The SPEAKER overruled the point of order, and said:

"The Chair is prepared to rule. Were it not for the decision cited by the gentleman from Tennessee [Mr. GARRETT] and others, wherein the House decided the question, the Chair would feel himself in some doubt about this bill, as he did on the bridge bill. With all due humility, the Chair still thinks that he was right in his decision in that case, although he bows, of course, to the combined wisdom of his colleagues in the House. The Chair believes that some day this decision of the House is going to come up to plague us, but for the time being he feels bound by it, and he feels that this case is on all fours with it.

"May the Chair revert for a moment to that bridge bill? In the first place, unlike any other bill the Chair has ever seen, the bridge was to be completed under the jurisdiction of three different Cabinet Secretaries. There was in it a provision as follows:

"The said Secretaries, acting jointly, are empowered and if requested to do so are directed to hold public hearings for full and complete determination of said precedent requirements."

"The Chair thought at that time, and he still thinks, that this provision shows on its face that certain charges on the Treasury were bound to follow from the passage of the bill. Of course, nobody contends now that these charges did not follow. A letter read into the Record by the gentleman from Oregon from the War Department called specific attention to the expenditure that would have to be made, but the decision of the House went to the full extent of holding that in determining whether a bill involves an expenditure the Chair is confined to the face of the bill itself, and not to facts which may have come to his knowledge from any other source, no matter how authentic.

"The Chair has before him a letter received to-day from the War Department, as follows:

WAR DEPARTMENT,
OFFICE OF THE CHIEF OF ENGINEERS,
Washington, February 26, 1929.

The SPEAKER OF THE HOUSE OF REPRESENTATIVES.

SIR: In reply to telephonic request, it is estimated that the expenses incurred in connection with the investigation of the Longview Bridge across the Columbia River amounted to \$1,650.

This estimate includes costs of hearings by representatives of joint commissions of the Departments of War, Agriculture, and Commerce at Portland, Oreg., and Longview, Wash., the hearing in Washington at the office of the Secretary of War, the travel expenses of engineers sent to bridge site to observe tests of foundations, incidental expenses, and miscellaneous office expenses at Portland, Oreg., and Washington, D. C. In addition to the above expenses, the cost of the services rendered by Government employees in this connection may be estimated at \$1,250.

Further additional expenses in connection with the investigation will probably not exceed \$25, and salaries for additional time to be spent on the investigation by Government employees are estimated at \$400.

Very sincerely,

HERBERT DEAKYNE,
Brigadier General, Acting Chief of Engineers.

"It appears to the Chair that this result was entirely obvious on the face of the bill itself. But under the decision of the House the Chair was not permitted to use such practical knowledge as he might have of the situation, no matter how authentic it might have been.

"The gentleman from Tennessee [Mr. GARRETT] in his argument at that time, after the Chair had stated that in his opinion it was obvious that that would cost money and that he knew from hearing a letter read from the Secretary of War that it would cost money, said:

"Mr. Speaker, take my own situation. The Chair speaks of the knowledge that the Chair has of the controversy. The Chair, I know, is perfectly familiar with it. Now, I am not. It may be that inasmuch as there have been various publications in the papers in connection with this bill that I ought to have known more of it, but all I know of the matter, except what has been developed here this morning, I derive from the reading of the bill itself and from the bill only, and I dare say that every Member of the House who has not had personal touch with the situation, such as naturally comes to the Chair, derives his information from the bill, and the bill does not show upon its face the fact that expenditures will be engendered."

"In other words, as the Chair understands, it was the position of the gentleman from Tennessee that ignorance upon his part, which would lead to a parliamentary conclusion such as he contended for, was better than information on the part of the Chair which might lead to a different conclusion. The Chair may be permitted an illustration rather more personal in its nature. If the Chair should receive a written invitation, say from the gentleman from Texas [Mr. GARNER] to indulge in a friendly game of cards, the gentleman from Tennessee [Mr. GARRETT] would not permit the Chair to make use of information gathered from sad experience in the past that a charge upon his personal treasury would inevitably follow. [Laughter.] That is the exact effect of the decision of the House heretofore rendered.

"The Chair thinks that he is bound by that decision, that he must examine the face of the bill alone, and not use any discretion or judgment or knowledge or information of any kind. The Chair, therefore, overrules the point of order."

Pending consideration of the bill,

On motion of Mr. HILL of Washington, by unanimous consent, Ordered, That Mr. HILL of Washington be permitted to yield one-half of the time for debate to Mr. COLTON without losing his rights; that at the conclusion of debate the previous question be considered as ordered on the bill to its passage or rejection.

The bill was then considered and read twice.
After debate,
The bill was ordered to be engrossed and read a third time, and was read a third time by title.
The question being put,
Will the House pass said bill?
On a division there appeared—yeas 164, nays 71.
So, the bill was passed.
A motion by Mr. HILL of Washington to reconsider the vote whereby said bill was passed was, on his motion and by unanimous consent, laid on the table.
Ordered, That the Clerk notify the Senate thereof.
By unanimous consent, the bill H. R. 5729, a similar House bill, was laid on the table.

WAR FINANCE CORPORATION

On motion of Mr. McFADDEN, by unanimous consent, the Committee of the Whole House on the state of the Union was discharged from the further consideration of the bill of the Senate (S. 5684) to amend the War Finance Corporation act, approved April 5, 1918, as amended, to provide for the liquidation of the assets and the winding up of the affairs of the War Finance Corporation after April 4, 1929, and for other purposes.

When said bill was considered, read twice, ordered to be read a third time, was read a third time by title, and passed.

Ordered, That the Clerk notify the Senate thereof.

COMMODITY STABILIZATION

On motion of Mr. McFADDEN, by unanimous consent, the current resolution (H. Con. Res. 37) providing for the printing of additional hearings during the Sixty-ninth Congress on the question of the stabilization of the price level of commodities, and concur in the Senate amendments, with the following amendments of the Senate thereto, was taken from the Speaker's table:

Page 1, line 6, strike out "three" and insert *five*.

FEDERAL FARM LOAN ACT—PORTO RICO

Mr. McFADDEN called up from the Speaker's table the bill of the Senate (S. 5302) to amend the second paragraph of section 4 of the Federal farm loan act, as amended, a similar bill having passed the House.

Mr. BLACK of Texas made the point of order that the House bill was not similar to the Senate bill, and therefore the Senate bill was not privileged.

After debate,
The SPEAKER sustained the point of order, and said:
"The question is as to whether those bills are substantially the same. It occurs to the Chair, although he is not familiar with the circumstances, that the limit of the loan is quite fundamental, and as there is the difference between \$25,000 as the limit in one bill and \$15,000 in another, the Chair feels that the bills are not substantially the same. The Chair sustains the point of order."

IMMIGRATION QUOTA

The SPEAKER laid before the House the message from the President, which was read, as follows:

To the Congress of the United States:

I transmit herewith for the information of the Congress a joint report by the Secretary of State, the Secretary of Commerce, and the Secretary of Agriculture, relating to immigration quotas on the basis of national origin.

When, on motion of Mr. ROBSON of Kentucky,
Resolved, That the House disagree to the amendments of the Senate and ask a conference with the Senate on the disagreeing votes of the two Houses thereon.

Thereupon the Speaker announced the appointment of Mr. KNUTSON, Mr. ROBSON of Kentucky, and Mr. HAMMER managers on the part of the House at said conference.

Strike out all after the enacting clause and insert:

That the Director of the United States Veterans' Bureau is authorized and directed to determine, in accordance with the provisions of the World War veterans' act, 1924, as amended, the degree of disability, if any, of Alonzo Durward Allen due to the aggravation of an attack of typhoid fever on or immediately after September 18, 1917, resulting from reporting at Memphis, Tennessee, for enrollment on said date, and to pay him compensation at the same rate, in the same manner, and subject to the same conditions and limitations as if such disability were the result of such aggravation in the line of duty in the military service of the United States during the World War.

When, on motion of Mr. STRONG of Kansas, said Senate amendment was concurred in.

Ordered, That the Clerk notify the Senate thereof.

SUPPLEMENTING NATURALIZATION LAWS

Mr. JOHNSON of Washington submitted a conference report (Rept. No. 2763) on the disagreeing votes of the two Houses on the amendments of the Senate to the bill (H. tion of its road and to secure the same by mortgage, and for other purposes," approved May 31, 1870; to declare forfeited to the United States certain claimed rights asserted by the Northern Pacific Railroad Co., or the Northern Pacific Railway Co.; to direct the institution and prosecution of proceedings looking to the adjustment of the grant, and for other purposes.

When said bill was considered, read twice, ordered to be engrossed and read a third time, and was read a third time by title.

The preambles were stricken out.

The question being put,

Will the House resolve itself into the Committee?

On a division there appeared—yeas 21, nays 105.

Mr. MORIN demanded that the vote be taken by the yeas and nays, which demand was not supported by one-fifth of the Members present, so the yeas and nays were refused.

So, the motion to go into the Committee was not agreed to.

PENALTIES FOR VIOLATION OF PROHIBITION LAW

Mr. SNELL, by direction of the Committee on Rules, under clause 45, Rule XI, called up the following resolution (H. Res. 343):

Resolved, That upon the adoption of this resolution it shall be in order to move that the House resolve itself into the Committee of the Whole House on the state of the Union for the consideration of S. 2901, an act to amend the national prohibition act, as amended and supplemented. That after general debate, which shall be confined to the act and shall continue not to exceed one hour, to be equally divided and controlled by those favoring and opposing the act, the act shall be read for amendment under the 5-minute rule. Mr. JOHNSON of South Dakota moved to suspend the rules and pass the bill (H. R. 16819) to amend the World War veterans' act, 1924, amended to read as follows:

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That section 16 of the World War veterans' act, 1924, as amended (section 442, title 38, United States Code), is hereby amended to read as follows:

"Sec. 16. All sums heretofore appropriated for the military and naval insurance appropriation and all premiums collected for the yearly renewable term insurance provided by the provisions of title 3 deposited and covered into the Treasury to the credit of this appropriation shall, where unexpended, be made available for the bureau. All premiums that may hereafter be collected for the yearly renewable term insurance provided by the provisions of title 3 hereof shall be deposited and covered into the Treasury for the credit of this appropriation. Such sum, including all premium payments, is made available for the payment of the liabilities of the United States incurred under contracts of yearly renewable term insurance made under the provisions of title 3, including the refund of premiums and such liabilities as shall have been or shall hereafter be reduced to judgment in a district court of the United States or in the Supreme Court of the District of Columbia. Payments from this appropriation shall be made upon and in accordance with the awards by the director."

Sec. 2. That section 19 of the World War veterans' act, 1924, as amended (section 445, title 38, United States Code), be hereby amended to read as follows:

"Sec. 19. In the event of disagreement as to claim, including claim for refund of premiums, under a contract of insurance between the bureau and any person or persons claiming thereunder, an action on the claim may be brought against the United States either in the Supreme Court of the District of Columbia or in the district court of the United States in and for the district in which such persons, or any one of them, resides, and jurisdiction is hereby conferred upon such courts to hear and determine all such controversies. The procedure in such suits shall be the same as that provided in sections 5 and 6 of the act entitled 'An act to provide for the bringing of suits against the Government of the United States,' approved March 3, 1887, and section 10 thereof in so far as applicable. All persons having or claiming to have an interest in such insurance may be made parties to such suit, and such as are not inhabitants of or found within the district in which suit is brought may be brought in by order of the court, to be served personally or by publication or in such other reasonable manner as the court may direct. In all cases where the bureau acknowledges the indebtedness of the United States upon any such contract of insurance and there is a dispute as to the person or persons entitled to payment, a suit in the nature of a bill of interpleader may be brought by the bureau in the name of the United States against all persons having or claiming to have any interest in such insurance in the Supreme Court of the District of Columbia or in the district court in and for the district in which any of such claimants reside: Provided, That not less than thirty days prior to instituting such suit the bureau shall mail a notice of such intention to each of the persons to be made parties to the suit. The circuit courts of appeal and the Court of Appeals of the District of Columbia shall, respectively, exercise appellate jurisdiction and, except as provided in sections 239 and 240 of the Judicial Code, the decrees of the circuit courts of appeal and the Court of Appeals of the District of Columbia shall be final. This section shall apply to all suits now pending against the United States under the provisions of the war risk insurance act, as amended, or of the World War veterans' act, 1924, and amendments thereto.

"No suit shall be allowed under this section unless the same shall have been brought within six years after the right accrued for which the claim is made, or within one year from the date of the approval of this amendatory act, whichever is the later date: Provided, That for the purposes of this section it shall be deemed that the right accrued on the happening of the contingency on which the claim is founded: Provided further, That this limitation is suspended for the period elapsing between the filing in the bureau of the claim sued upon and the denial of said claim by the director. Infants, insane persons, or persons under other legal disability, or persons rated as incompetent or insane by the bureau shall have three years in which to bring suit after the removal of their disability. If suit is seasonably begun and fails for defect in process, or for other reasons not affecting the

merits, a new action, if one lies, may be brought within a year, though the period of limitations has elapsed. Judgments heretofore rendered against the person or persons claiming under the contract of war-risk insurance on the ground that the claim was barred by the statute of limitations shall not be a bar to the institution of another suit on the same claim. No State or other statute of limitations shall be applicable to suits filed under this section. This section shall apply to all suits now pending against the United States under the provisions of this section.

"In any suit, action, or proceeding brought under the provisions of this act, subpoenas for witnesses who are required to attend a court of the United States in any district may run into any other district: Provided, That no writ of subpoena shall issue for witnesses living out of the district in which the court is held at a greater distance than one hundred miles from the place of holding the same without the permission of the court being first had upon proper application and cause shown. The word 'district' and the words 'district court' as used herein shall be construed to include the District of Columbia and the Supreme Court of the District of Columbia.

"Part-time and fee-basis employees of the bureau, in addition to their regular travel and subsistence allowance when ordered in writing by the director to appear as witnesses in suits under this section, may be allowed, within the discretion and under written orders of the director, a fee in an amount not to exceed \$20 per day."

Sec. 3. That section 28 of the World War veterans' act, 1924, as amended (section 453, title 38, United States Code), is hereby amended to read as follows:

"Sec. 28. There shall be no recovery of payments from any person who, in the judgment of the director, is without fault on his part, and where, in the judgment of the director, such recovery would defeat the purpose of benefits otherwise authorized or would be against equity and good conscience. No disbursing officer shall be held liable for any amount paid by him to any person where the recovery of such amount is waived under this section.

"When under the provisions of this section the recovery of a payment made from the United States Government life-insurance fund is waived, the United States Government life-insurance fund shall be reimbursed for the amount involved from the current appropriation for military and naval insurance.

"This section, as amended, shall be deemed to be in effect as of June 7, 1924."

"The insurance except as provided herein shall be payable in two hundred and forty equal monthly installments: Provided, That when the amount of an individual monthly payment is less than \$5, such amount may in the discretion of the director be allowed to accumulate without interest and be disbursed annually. Provisions for maturity at certain ages, for continuous installments during the life of the insured or beneficiaries, or both, for refund of premiums, cash, loan, paid-up, and extended values, dividends from gains and savings, and such other provisions for the protection and advantage of and for alternative benefits to the insured and the beneficiaries as may be found to be reasonable and practicable, may be provided for in the contract of insurance, or from time to time by regulations. All calculations shall be based upon the American Experience Table of Mortality and interest at 3½ per centum per annum, except that no deduction shall be made for continuous installments during the life of the insured in case his total and permanent disability continues more than two hundred and forty months. Subject to regulations, the insured shall at all times have the right to change the beneficiary or beneficiaries without the consent of such beneficiary or beneficiaries, but only within the classes herein provided."

Sec. 11. That section 311 of the World War veterans' act, 1924, as amended (title 38, United States Code), be hereby amended to read as follows:

"Sec. 311. The director is hereby authorized and directed to include in United States Government life (converted) insurance policies provision whereby an insured, who is totally disabled as a result of disease or injury for a period of three consecutive months or more, before attaining the age of 65 years and before default in payment of any premium, shall be paid disability benefits at the rate of \$5.75 monthly for each \$1,000 of converted insurance in force when total-disability benefits become payable. The amount of such monthly payment under the provisions of this section shall not be reduced because of payment of permanent and total disability benefits under the United States Government life (converted) insurance policy. Such payments shall be effective as of the date of beginning of total disability, and shall be made monthly during the continuance of such total disability. Such payments shall be concurrent with or independent of permanent total-disability benefits under

the United States Government life (converted) insurance policy. In addition to the monthly disability benefits the payment of premiums on the United States Government life (converted) insurance policy and for the total-disability benefits authorized by this section shall be waived during the continuance of such total disability. Regulations shall provide for reexaminations of beneficiaries under this section; and, in the event that it is found that an insured is no longer totally disabled, the waiver of premiums and payment of benefits shall cease and the United States Government life (converted) insurance policy, including the total-disability provision authorized by this section, may be continued by payment of premiums as provided in said policy and the total-disability provision authorized by this section. Neither the dividends nor the amount payable in any settlement under any United States Government life (converted) insurance policy shall be decreased because of disability benefits granted under the provisions of this section. The payment of total-disability benefits shall not prejudice the right of any insured, who is totally and permanently disabled, to total permanent disability benefits under his United States Government life (converted) insurance policy: Provided, That the provision authorized by this section shall not be included in any United States Government life (converted) insurance policy heretofore or hereafter issued except upon application, payment of premium by the insured, and proof of good health satisfactory to the director. The benefit granted under this section shall be on the basis of multiples of \$500, and not less than \$1,000 or more than the amount of United States Government life (converted) insurance in force at the time of application. The director shall determine the amount of the monthly premium to cover the benefits of this section, and in order to continue such benefits in force the monthly premiums shall be payable until the insured attains the age of 65 years or until the prior maturity of the policy. In all other respects such monthly premium shall be payable under the same terms and conditions as the regular monthly premium on the United States Government life (converted) insurance policy."

Strike out all after the enacting clause and insert:

That subdivision (i) of section 502 of the World War adjusted compensation act, as amended, is amended to read as follows:

"(i) The Director of the United States Veterans' Bureau is authorized, through such officers and at such regional offices, sub-offices, and hospitals of the United States Veterans' Bureau as he may designate, and out of the United States Government life insurance fund established by section 17 of the World War veterans' act, 1924, as amended, to make loans to veterans upon their adjusted-service certificates in the same amounts and upon the same terms and conditions as are applicable in the case of loans made under this section by a bank, and the provisions of this section shall be applicable to such loans; except that the rate of interest shall be 2 per centum per annum more than the rate charged at the date of the loan for the discount of ninety-day commercial paper under section 13 of the Federal reserve act by the Federal reserve bank for the Federal reserve district in which is located the regional office, suboffice, or hospital of the United States Veterans' Bureau at which the loan is made, but in no event shall the rate of interest exceed 6 per centum per annum."

Sec. 2. Section 705 of the World War adjusted compensation act, as amended, is amended to read as follows:

"Sec. 705. Whenever it appears to the director, by evidence clear and satisfactory to him, that any adjusted-service certificate has, without bad faith upon the part of the person entitled to payment thereon, been lost or destroyed, and such adjusted-service certificate is identified by number and description, he shall, under such regulations and with such restrictions as to time and retention for security or otherwise as he may prescribe, issue a duplicate thereof of like value in all respects to the original cer-

tificate and so marked as to show the original number of the certificate lost or destroyed and the date thereof. The lawful holder of such certificate who makes application for a duplicate shall file in the United States Veterans' Bureau a bond in a penal sum of the face value of such lost or destroyed certificate, with two good and sufficient sureties, residents of the United States, to be approved by the director, with condition to indemnify and save harmless the United States from any claim upon such lost or destroyed certificate; except that a duplicate certificate shall be issued without the requirement of a bond when it is shown to the satisfaction of the director that the original certificate, (1) before delivery to the veteran, has been lost, destroyed, wholly or in part, or so defaced as to impair its value, and (2) after delivery to the veteran, has, without bad faith upon the part of the person entitled to payment thereon, been partially destroyed or defaced so as to impair its value, is capable of identification, and is surrendered by such person to the Veterans' Bureau."

The bill, as amended, was ordered to be engrossed and read a third time, was read a third time by title, and passed.

The title was amended so as to read: "A bill to amend the World War adjusted compensation act, as amended, by reducing the rates of interest on loans made by the Veterans' Bureau upon the security of adjusted-service certificates, and for other purposes."

GENERAL PERMISSION TO EXTEND REMARKS

On motion of Mr. TILSON, by unanimous consent, all Members were granted permission until the last issue of the Record to extend their own remarks in the Record.

IMPEACHMENT OF JUDGE FRANCIS A. WINSLOW

Mr. LA GUARDIA rose to a question of high constitutional privilege, and said:

"On my responsibility as a Member of this House, by virtue of the duties vested in a Member of Congress by the Constitution, I now formally impeach Francis A. Winslow, a judge of the United States District Court for the Southern District of New York, and here charge him with the commission of high crimes and misdemeanors as herein set forth:

"1. That the said Francis A. Winslow, having been nominated by the President of the United States, confirmed by the Senate of the United States, duly qualified and commissioned, and while acting as a district judge for the southern district of New York, did on divers and various occasions so abuse the powers of his high office and so misconducted himself as he is charged with corruption, collusion, favoritism, oppression, and judicial misconduct whereby he has brought the administration of justice in said district in the court of which he is judge into disrepute by his aforesaid misconduct and acts and is guilty of misbehavior and misconduct, falling under the constitutional provisions as ground for impeachment and removal from office.

"2. That the said Francis A. Winslow did suffer one Marcus Helfand to represent himself as an intimate friend of the said Judge Winslow, able to obtain favorable judicial decisions, orders, and rulings and the said Marcus Helfand, with the knowledge, collusion, or connivance of the said Judge Winslow, did so represent himself to many members of the bar of the city of New York who had cases and litigation pending in the said southern district of New York, and did, as a result of said representation, and with the knowledge, collusion, or connivance of the said Judge Winslow, appear repeatedly before the said judge as counsel of record and as special counsel, and did repeatedly received favorable decisions, orders, and rulings, and all of such decisions, orders, and rulings are matters of record in the said court for the southern district of New York, all of which records are made part of these charges and impeachment as if herein fully set forth.

"3. That the said Marcus Helfand, with the knowledge, collusion, or connivance of the said Francis A. Winslow did actually obtain an unbroken line of favorable decisions, orders, and rulings, whereby the said Judge Winslow has brought the administration of justice in said district in the court of which he is a judge into disrepute.

"4. That the said Judge Winslow has made repeated appointments of a small group of men to receiverships and special masters, which group in turn appoint to other positions persons closely associated with said Judge Winslow either by ties of marriage, previous business relationship, or personal favor, constituting said group into a ring which through its commonly known connections and influence with said Judge Winslow, has harassed and damaged legitimate business and has depleted with excessive expenses and fees, all approved by said Judge Winslow, bankrupt estates, thereby preventing legitimate creditors from obtaining their just distributive share of the assets out of the various bankrupt estates.

"5. In the aforescribed ring of favored lawyers there is one David Steinhadt indicted for shortage in his accounts as receiver and for larceny, and who is now a fugitive from justice and who was repeatedly appointed by the said Francis A. Winslow as receiver notwithstanding that he had not properly accounted in no less than 16 estates previously intrusted to him, all of which was known to the said Judge Winslow at the time of such appointments.

"6. That the said Judge Francis A. Winslow, prompted by improper motives and considerations, among which was the sudden appearance as special counsel of the aforesaid Marcus Helfand after the completion of the trial and solely for the purpose of obtaining special consideration and favor, the said Judge Winslow imposed an unusually light sentence of 30 days in the city jail on one Walter Gutterson, convicted of having used the mails in a scheme to defraud; the said mild sentence having ostensibly been justified in open court on a promise of restitution to the extent of \$100,000 to the several persons, victims of the fraud, while the said Judge Winslow then and there denied the motion of the assistant district attorney to make such light sentence conditioned on the actual restitution of the money to the victims of the fraud; that the said Walter Gutterson and his special attorney, Marcus Helfand, did not intend, and as a matter of fact did not make any such restitu-

tion, all with the knowledge, connivance, or consent of the said Judge Winslow.

"7. That the said Judge Francis A. Winslow on divers occasions, improperly and for improper consideration, so conducted the trial of criminal cases as to prejudice the jury against the Government of the United States prosecuting said cases, so interjected himself in the examination of witnesses as to intimidate the witnesses or to confuse the issues, so abused and harassed the assistant district attorney charged with the trial of the case as to discredit him entirely to the jury, all with the improper purpose and intent of obtaining a verdict of acquittal for the said defendants on divers occasions on trial before him.

"8. That the said Marcus Helfand, with the knowledge, consent, or connivance of the said Judge Francis A. Winslow, did make an arrangement with one Meyer Kaplan whereby he, said Marcus Helfand, would obtain from the said Judge Winslow a suspension of sentence on the payment by the said Kaplan of a large sum of money; and conditioned further that another payment should be made before the expiration of the period of probation; and that when the said Meyer Kaplan was unable to make the said last payment to the said Helfand, the said Francis A. Winslow did commit the said Kaplan to the penitentiary at Atlanta for a term of 18 months.

"9. That subsequent to the introduction of House Resolution 320 on February 12, 1929, and subsequent to the issuance of a subpoena served upon one Harry J. Halperin to appear and testify before a Federal grand jury sitting in and for the southern district of New York, the said Marcus Helfand and others, with the knowledge, consent, or connivance of the said Judge Francis A. Winslow, did threaten, coerce, and otherwise improperly sought to induce the said Harry J. Halperin to testify falsely concerning the Kaplan case and particularly concerning his personal knowledge of the negotiations and details in the aforesaid matter of Meyer Kaplan as set forth in paragraph 8 herein.

"10. That one Stewart Eaton, related by marriage to the said Judge Winslow, together with one E. Bright Wilson, Bernard A. Grossman, Jr., and Stephen Goble, acting as trustees in bankruptcy for the Goody Shop, did with the knowledge, consent, or connivance of the said Judge Winslow, take from assets of the said bankrupt estate one Packard car and that the said Packard car has since been used by the said Stewart Eaton and the said Judge Winslow, its unlawful origin and unlawful possession being known by the said Judge Winslow.

"11. That the said Judge Francis A. Winslow, in collusion and connivance with the aforesaid Marcus Helfand and others, did misuse and abuse his high office in an equity cause known as the Manhattan Mortgage Corporation, complainant, v. Archer Builders (Inc.) (Equity Cause 41/252) pending in the said southern court of the southern district of New York; and as a result of such improper judicial conduct by the said Francis A. Winslow, the said Marcus Helfand and others, acting with the knowledge, consent, or connivance of the said Judge Winslow, did so misadminister said estate, improperly divert its assets, and commit other improper and unlawful acts as to cause large losses to the stockholders of the said Archer Builders (Inc.). Reference is particularly made to the papers, orders, decisions, and rulings in said case and other records now on file in said court for the southern district of New York as if fully set forth herein.

"12. That on divers occasions the said Francis A. Winslow, in consideration for privileges and favors granted by him in his judicial capacity to said Marcus Helfand, Stewart Eaton, E. Bright Wilson, and others, constituting a so-called bankruptcy ring, did improperly receive gratuities, presents, gifts, and things of value.

"All to the scandal and disrepute of said court and the administration of justice therein."

Mr. LA GUARDIA then submitted the following resolution, which was referred to the Committee on the Judiciary (H. Res. 347):

Resolved, That Francis A. Winslow, United States district judge for the southern district of New York be impeached of high crimes and misdemeanors in office as hereinbelow in part specifically set forth.

Sec. 2. There is hereby conferred upon Russell Thayer, his heirs, legal representatives, and assigns, all such rights and powers to enter upon lands and to acquire, condemn, occupy, possess, and use real estate and other property needed for the location, construction, operation, and maintenance of such tunnel or tunnels and approaches thereto as are possessed by railroad corporations for railroad purposes or by bridge corporations for bridge purposes in the State in which such real estate or other property is situated, upon making just compensation therefor, to be ascertained and paid according to the laws of such State, and the proceedings therefor shall be the same as in the condemnation or expropriation of property for public purposes in such State.

Sec. 3. The said Russell Thayer, his heirs, legal representatives, and assigns, is hereby authorized to fix and charge tolls for transit through such tunnel or tunnels, and the rates of toll so fixed shall be the legal rates until changed by the Secretary of War.

Sec. 4. After the completion of such tunnel or tunnels, as determined by the Secretary of War, either the Commonwealth of Pennsylvania, the State of New Jersey, any public agency or political subdivision of either of such States, within or adjoining which any part of such tunnel or tunnels is located, or any two or more of them jointly, may at any time acquire and take over all right, title, and interest in such tunnel or tunnels and the approaches thereto, and any interest in real property necessary therefor, by purchase or by condemnation or expropriation, in accordance with the laws of either of such States governing the acquisition of private property for public purposes by condemnation or expropriation. If at any time after the expiration of ten years after the completion of such tunnel or tunnels with approaches thereto the same are acquired by condemnation or expropriation, the amount of damages or compensation to be allowed shall not include good will, going value, or prospective revenues or profits, but shall be limited to the sum of (1) the actual cost of constructing such tunnel or tunnels with approaches thereto, less a reasonable deduction for actual depreciation in value; (2) the actual cost of acquiring such interests in real property; (3) actual financing and promotion costs, not to exceed 10 per centum of the sum of the cost of constructing the tunnel or tunnels with approaches thereto and acquiring such interests in real property; and (4) actual expenditures for necessary improvements.

If such tunnel or tunnels shall at any time be taken over or acquired by the States or public agencies or political subdivisions thereof, or by either of them, as provided in section 4 of this act, and if tolls are thereafter charged for the use thereof, the rates of toll shall be so adjusted as to provide a fund sufficient to pay for the reasonable cost of maintaining, repairing, and operating the tunnel or tunnels with approaches

thereto under economical management, and to provide a sinking fund sufficient to amortize the amount paid therefor, including reasonable interest and financing cost, as soon as possible under reasonable charges, but within a period of not to exceed twenty years from the date of acquiring the same. After a sinking fund sufficient for such amortization shall have been so provided, such tunnel or tunnels shall thereafter be maintained and operated free of tolls or the rates of tolls shall thereafter be so adjusted as to provide a fund of not to exceed the amount necessary for the proper maintenance, repair, and operation of the tunnel or tunnels with approaches thereto under economical management. An accurate record of the amount paid for acquiring the tunnel or tunnels with approaches thereto, the actual expenditures for maintaining, repairing, and operating the same, and of the daily tolls collected, shall be kept and shall be available for the information of all persons interested.

Sec. 6. Russell Thayer, his heirs, legal representatives, and assigns, shall, within ninety days after the completion of such tunnel or tunnels, file with the Secretary of War and with the highway departments of the Commonwealth of Pennsylvania and the State of New Jersey a sworn itemized statement showing the actual original cost of constructing the tunnel or tunnels with approaches thereto, the actual cost of acquiring any interest in real property necessary therefor, and the actual financing and promotion costs. The Secretary of War may, and upon request of the highway department of either of such States shall, at any time within three years after the completion of such tunnel or tunnels, investigate such costs and determine the accuracy and the reasonableness of the costs alleged in the statement of costs so filed, and shall make a finding of the actual and reasonable costs of constructing, financing, and promoting such tunnel or tunnels. For the purpose of such investigation the said Russell Thayer, his heirs, legal representatives, and assigns, shall make available all of his records in connection with the construction, financing, and promotion thereof. The findings of the Secretary of War as to the reasonable costs of the construction, financing, and promotion of the tunnel or tunnels shall be conclusive for the purposes mentioned in section 4 of this act, subject only to review in a court of equity for fraud or gross mistake.

Sec. 7. The right to sell, assign, transfer, and mortgage all the rights, powers, and privileges conferred by this act is hereby granted to Russell Thayer, his heirs, legal representatives, and assigns, and any corporation to which or any person to whom such rights, powers, or privileges may be sold, assigned, or transferred, or who shall acquire the same by mortgage foreclosure or otherwise, is hereby authorized and empowered to exercise the same as fully as though conferred herein directly upon such corporation or person.

Sec. 8. The authority granted by this act shall cease and be null and void unless the actual construction of the tunnel or tunnels hereby authorized is commenced within two years and completed within five years from the date of approval of this act.

Sec. 9. All contracts made in connection with the construction of the tunnel or tunnels authorized by this act and which shall involve the expenditure of more than \$5,000 shall be let by competitive bidding. Such contracts shall be advertised for a reasonable time in some newspaper of general circulation published in the States in which the tunnel is located and in the vicinity thereof; sealed bids shall be required and the contracts shall be awarded to the lowest responsible bidder. Verified copies or abstracts of all bids received and of the bid or bids accepted shall be promptly furnished to the highway departments of the States in which tunnel or tunnels are located. A failure to comply in good faith with the provisions of this section shall render null and void any contract made in violation thereof, and the Secretary of War may, after hearings, order the suspension of all work upon such tunnel or tunnels until the provisions of this section shall have been fully complied with.

4. If any Member, in speaking or otherwise, transgress the rules of the House, the Speaker shall, or any Member may, call him to order; in which case he shall immediately sit down, unless permitted, on motion of another Member, to explain, and the House shall, if appealed to, decide on the case without debate; if the decision is in favor of the Member called to order, he shall be at liberty to proceed, but not otherwise; and, if the case require it, he shall be liable to censure or such punishment as the House may deem proper.

5. If a Member is called to order for words spoken in debate, the Member calling him to order shall indicate the words excepted to, and they shall be taken down in writing at the Clerk's desk and read aloud to the House; but he shall not be held to answer, nor be subject to the censure of the House therefor, if further debate or other business has intervened.

6. No Member shall speak more than once to the same question without leave of the House, unless he be the mover, proposer, or introducer of the matter pending, in which case he shall be permitted to speak in reply, but not until every Member choosing to speak shall have spoken.

be added; and if there be two such Members from the same State, the whole name shall be called, and after the roll has been once called, the Clerk shall call in their alphabetical order the names of those not voting; and thereafter the Speaker shall not entertain a request to record a vote or announce a pair unless the Member's name has been noted under clause 3 of this rule.

2. In the absence of a quorum, 15 Members, including the Speaker, if there is one, shall be authorized to compel the attendance of absent Members, and in all calls of the House the doors shall be closed, the names of the Members shall be called by the Clerk, and the absentees noted; and those for whom no sufficient excuse is made may, by order of a majority of those present, be sent for and arrested, wherever they may be found, by officers to be appointed by the Sergeant at Arms for that purpose; and their attendance secured and retained; and the House shall determine upon what condition they shall be discharged. Members who voluntarily appear shall, unless the House otherwise directs, be immediately admitted to the Hall of the House, and they shall report their names to the Clerk to be entered upon the Journal as present.

On the demand of any Member, or at the suggestion of the Speaker, the names of Members sufficient to make a quorum in the Hall of the House who do not vote shall be noted by the Clerk and recorded in the Journal, and reported to the Speaker with the names of the Members voting, and be counted and announced in determining the presence of a quorum to do business.

4. Whenever a quorum fails to vote on any question, and a quorum is not present and objection is made for that cause, unless the House shall adjourn there shall be a call of the House, and the Sergeant at Arms shall forthwith proceed to bring in absent Members, and the yeas and nays on the pending question shall at the same time be considered as ordered. The Clerk shall call the roll, and each Member as he answers to his name may vote on the pending question, and, after the roll call is completed, each Member arrested shall be brought by the Sergeant at Arms before the House, whereupon he shall be noted as present, discharged from arrest, and given an opportunity to vote and his vote shall be recorded. If those voting on the question and those who are present and decline to vote shall together make a majority of the House, the Speaker shall declare that a quorum is constituted, and the pending question shall be decided as the majority of those voting shall appear. And thereupon further proceedings under the call shall be considered as dispensed with. At any time after the roll call has been completed, the Speaker may entertain a motion to adjourn, if seconded by a majority of those present, to be ascertained by actual count by the Speaker; and if the House adjourns, all proceedings under this section shall be vacated.

RULE XVI

4. When a question is under debate, no motion shall be received but to adjourn, to lay on the table, for the previous question (which motions shall be decided without debate), to postpone to a day certain, to refer, or to amend, or postpone indefinitely; which several motions shall have precedence in the foregoing order; and no motion to postpone to a day certain, to refer, or to postpone indefinitely being decided, shall be again allowed on the same day at the same stage of the question. After the previous question shall have been ordered on the passage of a bill or joint resolution, one motion to recommit shall be in order, and the Speaker shall give preference in recognition for such purpose to a Member who is opposed to the bill or joint resolution.

5. The hour at which the House adjourns shall be entered on the Journal.

6. On the demand of any Member, before the question is put, a question shall be divided if it includes propositions so distinct in substance that one being taken away a substantive proposition shall remain: *Provided*, That any motion or resolution to elect the members or any portion of the members of the

standing committees of the House and the joint standing committees shall not be divisible.

7. A motion to strike out and insert is indivisible, but a motion to strike out being lost shall neither preclude amendment nor motion to strike out and insert; and no motion or proposition on a subject different from that under consideration shall be admitted under color of amendment.

8. Pending a motion to suspend the rules, the Speaker may entertain one motion that the House adjourn; but after the result thereon is announced he shall not entertain any other motion till the vote is taken on suspension.

9. At any time after the reading of the Journal it shall be in order, by direction of the appropriate committees, to move that the House resolve itself into the Committee of the Whole House on the state of the Union for the purpose of considering bills raising revenue, or general appropriation bills.

The previous question may be asked and ordered upon a single motion, a series of motions allowable under the rules, or an amendment or amendments, or may be made to embrace all authorized motions or amendments and include the bill to its passage or rejection. It shall be in order, pending the motion for, or after the previous question shall have been ordered on its passage, for the Speaker to entertain and submit a motion to commit, with or without instructions, to a standing or select committee.

2. A call of the House shall not be in order after the previous question is ordered, unless it shall appear upon an actual count by the Speaker that a quorum is not present.

RULE XVIII

1. When a motion has been made and carried or lost, it shall be in order for any Member of the majority, on the same or succeeding day, to move for the reconsideration thereof, and such motion shall take precedence of all other questions except the consideration of a conference report or a motion to adjourn, and shall not be withdrawn after the said succeeding day without the consent of the House, and thereafter any Member may call it up for consideration: *Provided*, That such motion, if made during the last six days of a session, shall be disposed of when made.

2. No bill, petition, memorial, or resolution referred to a committee, or reported therefrom for printing and recommitment, shall be brought back into the House on a motion to reconsider; and all bills, petitions, memorials, or resolutions reported from a committee shall be accompanied by reports in writing, which shall be printed.

RULE XX

OF AMENDMENTS OF THE SENATE

1. Any amendment of the Senate to any House bill shall be subject to the point of order that it shall first be considered in the Committee of the Whole House on the state of the Union if, originating in the House, it would be subject to that point.

2. No amendment of the Senate to a general appropriation bill which would be in violation of the provisions of clause 2 of Rule XXI, if said amendment had originated in the House, nor any amendment of the Senate providing for an appropriation upon any bill other than a general appropriation bill, shall be agreed to by the managers on the part of the House unless specific authority to agree to such amendment shall be first

given by the House by a separate vote on every such amendment.

RULE XXI

ON BILLS

1. Bills and joint resolutions on their passage shall be read the first time by title and the second time in full, when, if the previous question is ordered, the Speaker shall state the question to be: Shall the bill be engrossed and read a third time? and, if decided in the affirmative, it shall be read the third time by title, unless the reading in full is demanded by a Member, and the question shall then be put upon its passage.

2. No appropriations shall be reported in any general appropriation bill, or be in order as an amendment thereto, for any expenditure not previously authorized by law, unless in continuation of appropriations for such public works and objects as are already in progress. Nor shall any provision in any such bill or amendment thereto changing existing law be in order, except such as being germane to the subject matter of the bill shall retrench expenditures by the reduction of the number and salary of the officers of the United States, by the reduction of the compensation of any person paid out of the Treasury of the United States, or by the reduction of amounts of money covered by the bill: *Provided*, That it shall be in order further to amend such bill upon the report of the committee or any joint commission authorized by law or the House Members of any such commission having jurisdiction of the subject matter of such amendment, which amendment being germane to the subject matter of the bill shall retrench expenditures.

3. No bill for the payment or adjudication of any private claim against the Government shall be referred, except by unanimous consent, to any other than the following-named committees, viz: To the Committee on Invalid Pensions, to the Committee on Pensions, to the Committee on Claims, to the Committee on War Claims, to the Committee on the Public Lands, and to the Committee on Accounts.

4. No bill or joint resolution carrying appropriations shall be reported by any committee not having jurisdiction to report appropriations, nor shall an amendment proposing an appropriation be in order during the consideration of a bill or joint resolution reported by a committee not having that jurisdiction. A question of order on an appropriation in any such bill, joint resolution, or amendment thereto may be raised at any time.

RULE XXII

OF PETITIONS, MEMORIALS, BILLS, AND RESOLUTIONS

1. Members having petitions or memorials or bills of a private nature to present may deliver them to the Clerk, indorsing their names and the reference or disposition to be made thereof; and said petitions and memorials and bills of a private nature, except such as, in the judgment of the Speaker, are of an obscene or insulting character, shall be entered on the Journal, with the names of the Members presenting them, and the Clerk shall furnish a transcript of such entry to the official reporters of debates for publication in the Record.

2. Any petition or memorial or private bill excluded under this rule shall be returned to the Member from whom it was received; and petitions and private bills which have been inappropriately referred may, by the direction of the committee having possession of the same, be properly referred in the manner originally presented; and an erroneous reference of a petition or private bill under this clause shall not confer jurisdiction upon the committee to consider or report the same.

3. All other bills, memorials, and resolutions may, in like manner, be delivered, indorsed with the names of Members introducing them, to the Speaker, to be by him referred, and the titles and references thereof and of all bills, resolutions, and documents referred under the rules shall be entered on the Journal and printed in the Record of the next day, and correction in case of error of reference may be made by the House, without debate, in accordance with Rule XI, on any day immediately after the reading of the Journal, by unanimous consent, or on motion of a committee claiming jurisdiction, or on the report of the committee to which the bill has been erroneously referred.

4. When a bill, resolution, or memorial is introduced "by request," these words shall be entered upon the Journal and printed in the Record.

5. All resolutions of inquiry addressed to the heads of executive departments shall be reported to the House within one week after presentation.

RULE XXIII

OF COMMITTEES OF THE WHOLE HOUSE

1. In all cases, in forming a Committee of the Whole House, the Speaker shall leave his chair after appointing a Chairman

to preside, who shall, in case of disturbance or disorderly conduct in the galleries or lobby, have power to cause the same to be cleared.

2. Whenever a Committee of the Whole House or of the Whole House on the state of the Union finds itself without a quorum, which shall consist of 100 Members, the Chairman shall cause the roll to be called, and thereupon the Committee shall rise, and the Chairman shall report the names of the absentees to the House, which shall be entered on the Journal; but if on such call a quorum shall appear, the Committee shall thereupon resume its sitting without further order of the House.

3. All motions or propositions involving a tax or charge upon the people; all proceedings touching appropriations of money, or bills making appropriations of money or property, or requiring such appropriations to be made, or authorizing payments out of appropriations already made, or releasing any liability to the United States for money or property, or referring any claim to the Court of Claims, shall be first considered in a Committee of the Whole, and a point of order under this rule shall be good at any time before the consideration of a bill has commenced.

4. In Committees of the Whole House business on their calendars may be taken up in regular order, or in such order as the Committee may determine, unless the bill to be considered was determined by the House at the time of going into Committee, but bills for raising revenue, general appropriation bills, and bills for the improvement of rivers and harbors shall have precedence.

5. When general debate is closed by order of the House, any Member shall be allowed five minutes to explain any amendment he may offer, after which the Member who shall first obtain the floor shall be allowed to speak five minutes in opposition to it, and there shall be no further debate thereon, but the same privilege of debate shall be allowed in favor of and against any amendment that may be offered to an amendment; and neither an amendment nor an amendment to an amendment shall be withdrawn by the mover thereof unless by the unanimous consent of the Committee.

6. The Committee may, by the vote of a majority of the Members present, at any time after the five minutes' debate has begun upon proposed amendments to any section or paragraph of a bill, close all debate upon such section or paragraph, or, at its election, upon the pending amendments only (which motion shall be decided without debate); but this shall not preclude further amendment, to be decided without debate.

7. A motion to strike out the enacting words of a bill shall have precedence of a motion to amend, and, if carried, shall be considered equivalent to its rejection. Whenever a bill is reported from a Committee of the Whole with an adverse recommendation and such recommendation is disagreed to by the House, the bill shall stand recommitted to the said Committee without further action by the House, but before the question of concurrence is submitted it is in order to entertain a motion to refer the bill to any committee, with or without instructions, and when the same is again reported to the House it shall be referred to the Committee of the Whole without debate.

8. The rules of proceeding in the House shall be observed in Committees of the Whole House so far as they may be applicable.

RULE XXIV

ORDER OF BUSINESS

1. The daily order of business shall be as follows:

- First. Prayer by the Chaplain.
- Second. Reading and approval of the Journal.
- Third. Correction of reference of public bills.
- Fourth. Disposal of business on the Speaker's table.
- Fifth. Unfinished business.

Sixth. The morning hour for the consideration of bills called up by committees.

Seventh. Motions to go into Committee of the Whole House on the state of the Union.

Eighth. Orders of the day.

2. Business on the Speaker's table shall be disposed of as follows:

Messages from the President shall be referred to the appropriate committee without debate. Reports and communications from heads of departments, and other communications addressed to the House, and bills, resolutions, and messages from the Senate may be referred to the appropriate committees in the same manner and with the same right of correction as public bills presented by Members; but House bills with Senate amendments which do not require consideration in a Committee of the Whole may be at once disposed of as the House may determine, as may also Senate bills substantially the same as House bills

already favorably reported by a committee of the House, and not required to be considered in Committee of the Whole, be disposed of in the same manner on motion directed to be made by such committee.

3. The consideration of the unfinished business in which the House may be engaged at an adjournment, except business in the morning hour, shall be resumed as soon as the business on the Speaker's table is finished, and at the same time each day thereafter until disposed of, and the consideration of all other unfinished business shall be resumed whenever the class of business to which it belongs shall be in order under the rules.

4. After the unfinished business has been disposed of, the Speaker shall call each standing committee in regular order, and then select committees, and each committee when named may call up for consideration any bill reported by it on a previous day and on the House Calendar, and if the Speaker shall not complete the call of the committees before the House passes to other business, he shall resume the next call where he left off, giving preference to the last bill under consideration: *Provided*, That whenever any committee shall have occupied the morning hour on two days, it shall not be in order to call up any other bill until the other committees have been called in their turn.

5. After one hour shall have been devoted to the consideration of bills called up by committees, it shall be in order, pending consideration or discussion thereof, to entertain a motion to go into Committee of the Whole House on the state of the Union, or, when authorized by a committee, to go into the Committee of the Whole House on the state of the Union to consider a particular bill, to which motion one amendment only, designating another bill, may be made; and if either motion be determined in the negative, it shall not be in order to make either motion again until the disposal of the matter under consideration or discussion.

6. On Friday of each week, after the disposal of such business on the Speaker's table as requires reference only, it shall be in order to entertain a motion for the House to resolve itself into Committee of the Whole House to consider business on the Private Calendar in the following order: On the second and fourth Fridays of each month preference shall be given to the consideration of private pension claims and bills removing political disabilities and bills removing the charge of desertion. On every Friday except the second and fourth Fridays the House shall give preference to the consideration of bills reported from the Committee on Claims and the Committee on War Claims, alternating between the two committees.

7. On Wednesday of each week no business shall be in order except as provided by paragraph 4 of this rule, unless the House by a two-thirds vote on motion to dispense therewith shall otherwise determine. On such a motion there may be debate not to exceed five minutes for and against. On a call of committees under this rule bills may be called up from either the House or the Union Calendar, excepting bills which are privileged under the rules; but bills called up from the Union Calendar shall be considered in Committee of the Whole House on the state of the Union. This rule shall not apply during the last two weeks of the session. It shall not be in order for the Speaker to entertain a motion for a recess on any Wednesday except during the last two weeks of the session.

Provided, That not more than two hours of general debate shall be permitted on any measure called up on Calendar Wednesday, and all debate must be confined to the subject matter of the bill, the time to be equally divided between those for and against the bill: *Provided further*, That whenever any committee shall have occupied two Wednesdays it shall not be in order, unless the House by a two-thirds vote shall otherwise determine, to consider any unfinished business previously called up by such committee, unless the previous question had been ordered thereon, upon any succeeding Wednesday until the other committees have been called in their turn under this rule.

8. The second and fourth Mondays in each month, after the disposal of such business on the Speaker's table as requires reference only, shall, when claimed by the Committee on the District of Columbia, be set apart for the consideration of such business as may be presented by said committee.

RULE XXV

PRIORITY OF BUSINESS

All questions relating to the priority of business shall be decided by a majority without debate.

RULE XXVI

UNFINISHED BUSINESS OF THE SESSION

All business before committees of the House at the end of one session shall be resumed at the commencement of the next

RULE XXX

READING OF PAPERS

When the reading of a paper other than one upon which the House is called to give a final vote is demanded, and the same is objected to by any Member, it shall be determined without debate by a vote of the House.

RULE XXXI¹

DRAWING OF SEATS

1. At the commencement of each Congress, immediately after the Members and Delegates are sworn in, the Clerk shall place in a box, prepared for that purpose, a number of small balls, of marble or other material, equal to the number of Members and Delegates, which balls shall be consecutively numbered and thoroughly intermingled, and at such hour as shall be fixed by the House for that purpose, by the hands of a page, draw said balls one by one from the box and announce the number as it is drawn, upon which announcement the Member or Delegate whose name on a numbered alphabetical list shall correspond with the number on the ball shall advance and choose his seat for the term for which he is elected.

2. Before said drawing shall commence each seat shall be vacated and so remain until selected under this rule, and any seat having been selected shall be deemed forfeited if left unoccupied before the call of the roll is finished; and whenever the seats of Members and Delegates shall have been drawn, no proposition for a second drawing shall be in order during that Congress.

RULE XXXII

HALL OF THE HOUSE

The Hall of the House shall be used only for the legislative business of the House and for the caucus meetings of its Members, except upon occasion where the House by resolution agree to take part in any ceremonies to be observed therein; and the Speaker shall not entertain a motion for the suspension of this rule.

RULE XXXIII

OF ADMISSION TO THE FLOOR

1. The persons hereinafter named, and none other, shall be admitted to the Hall of the House or rooms leading thereto, viz: The President and Vice President of the United States and their private secretaries, judges of the Supreme Court, Members of Congress and Members elect, contestants in election cases during the pendency of their cases in the House, the Secretary and Sergeant at Arms of the Senate, heads of departments, foreign ministers, governors of States, the superintendent of the Capitol Building and Grounds, the Librarian of Congress and his assistant in charge of the Law Library, the Resident Commissioner to the United States from Porto Rico, the Resident Commissioners from the Philippine Islands, such persons as have, by name, received the thanks of Congress, ex-Members of the House of Representatives who are not interested in any claim or directly in any bill pending before Congress, and clerks of committees when business from their committee is under consideration; and it shall not be in order for the Speaker to entertain a request for the suspension of this rule or to present from the chair the request of any Member for unanimous consent.

2. There shall be excluded at all times from the Hall of the House of Representatives and the cloakrooms all persons not entitled to the privilege of the floor during the session, except that until 15 minutes of the hour of the meeting of the House persons employed in its service, accredited members of the press entitled to admission to the press gallery, and other persons on request of Members, by card or in writing, may be admitted.

RULE XXXIV

OF ADMISSION TO THE GALLERIES

The Speaker shall set aside a portion of the west gallery for the use of the President of the United States, the members of his Cabinet, justices of the Supreme Court, foreign ministers and suites, and the members of their respective families, and shall also set aside another portion of the same gallery for the accommodation of persons to be admitted on the card of Members. The southerly half of the east gallery shall be assigned exclusively for the use of the families of Members of Congress, in which the Speaker shall control one bench, and on request of a Member the Speaker shall issue a card of admission to his family, which shall include their visitors, and no other persons shall be admitted to this section.

¹ Repealed by H. Res. 8, Sixty-third Congress.

session of the same Congress in the same manner as if no adjournment had taken place.

RULE XXVII

CHANGE OR SUSPENSION OF RULES

1. No rule shall be suspended except by a vote of two-thirds of the Members voting, a quorum being present; nor shall the Speaker entertain a motion to suspend the rules except on the first and third Mondays of each month, preference being given on the first Monday to individuals and on the third Monday to committees, and during the last six days of a session.

2. All motions to suspend the rules shall, before being submitted to the House, be seconded by a majority by tellers, if demanded.

3. When a motion to suspend the rules has been seconded, it shall be in order, before the final vote is taken thereon, to debate the proposition to be voted upon for 40 minutes, one-half of such time to be given to debate in favor of, and one-half to debate in opposition to, such proposition; and the same right of debate shall be allowed whenever the previous question has been ordered on any proposition on which there has been no debate.

4. A Member may present to the Clerk a motion in writing to instruct a committee to report within 15 days a public bill or resolution which has been referred to it 30 days prior thereto (but only one motion may be presented for each bill or resolution). The motion shall be placed in the custody of the Clerk, who shall arrange some convenient place for the signature of Members. A signature may be withdrawn by a Member in writing at any time before the motion is entered on the Journal. When a majority of the membership of the House shall have signed the motion it shall be entered on the Journal, printed with the signature thereto in the Congressional Record, and referred to the Calendar of Motions to Instruct Committees.

On the third Monday of each month, immediately after the approval of the Journal, any Member who has signed a motion to instruct which has been on the calendar at least seven days prior thereto, and seeks recognition, shall be recognized for the purpose of calling up the motion, and the House shall proceed to its consideration in the manner herein provided without intervening motion except one motion to adjourn. Recognition for the motions shall be in the order in which they have been entered.

When the motion shall be called up, the bill or resolution shall be read by title only prior to a second being ordered by tellers. After the reading of the bill by title the motion shall not be submitted to the House unless seconded by a majority of the membership of the House to be determined by tellers, and clause 4 of Rule XV shall not apply to such second; if such motion fails of a second, it shall immediately be stricken from the calendar and shall not be thereafter placed thereon.

If a second be ordered, debate on such motion shall be limited to 40 minutes, one-half thereof in favor of the proposition and one-half in opposition thereto. Such motions shall require for their adoption an affirmative vote of a majority of the membership of the House. Whenever such motion shall prevail the committee shall report said bill or resolution to the House within 15 days thereafter and said bill or resolution shall be referred to its appropriate calendar.

RULE XXVIII

CONFERENCE REPORTS

1a. The presentation of reports of committees of conference shall always be in order, except when the Journal is being read, while the roll is being called, or the House is dividing on any proposition.

1b. And there shall accompany every such report a detailed statement sufficiently explicit to inform the House what effect such amendments or propositions will have upon the measures to which they relate.

2. It shall not be in order to consider the report of a committee of conference until such report and the accompanying statement shall have been printed in the Record, except on either of the six days preceding the end of a session.

RULE XXIX

SECRET SESSION

Whenever confidential communications are received from the President of the United States, or whenever the Speaker or any Member shall inform the House that he has communications which he believes ought to be kept secret for the present, the House shall be cleared of all persons except the Members and officers thereof, and so continue during the reading of such communications, the debates, and proceedings thereon, unless otherwise ordered by the House.

RULE XXXV

2. Such portion of the gallery over the Speaker's chair as may be necessary to accommodate representatives of the press wishing to report debates and proceedings shall be set aside for their use, and reputable reporters and correspondents shall be admitted thereto under such regulations as the Speaker may from time to time prescribe; and the supervision of such gallery, including the designation of its employees, shall be vested in the standing committee of correspondents, subject to the direction and control of the Speaker; and the Speaker may assign one seat on the floor to Associated Press reporters, one to the Sun Press Association, one to the United Press Association, one to the National News Association, one to the Central News Association of America, and one to the New York Herald Syndicate, and regulate the occupation of the same. And the Speaker may admit to the floor, under such regulations as he may prescribe, one additional representative of each press association.

RULE XXXVI

PAY OF WITNESSES

The rule for paying witnesses subpoenaed to appear before the House or either of its committees shall be as follows: For each day a witness shall attend, the sum of \$2; for each mile he shall travel in coming to or going from the place of examination, the sum of 5 cents each way; but nothing shall be paid for traveling when the witness has been summoned at the place of trial.

RULE XXXVII

PAPERS

The clerks of the several committees of the House shall, within three days after the final adjournment of a Congress, deliver to the Clerk of the House all bills, joint resolutions, petitions, and other papers referred to the committee, together with all evidence taken by such committee under the order of the House during the said Congress and not reported to the House, and in the event of the failure or neglect of any clerk of a committee to comply with this rule the Clerk of the House shall, within three days thereafter, take into his keeping all such papers and testimony.

RULE XXXVIII

WITHDRAWAL OF PAPERS

No memorial or other paper presented to the House shall be withdrawn from its files without its leave, and if withdrawn

therefrom certified copies thereof shall be left in the office of the Clerk; but when an act may pass for the settlement of a claim, the Clerk is authorized to transmit to the officer in charge with the settlement thereof the papers on file in his office relating to such claim, or may loan temporarily to an officer or bureau of the executive departments any papers on file in his office relating to any matter pending before such officer or bureau, taking proper receipt therefor.

RULE XXXIX

BALLOT

In all cases of ballot a majority of the votes given shall be necessary to an election, and where there shall not be such a majority on the first ballot the ballots shall be repeated until a majority be obtained; and in all balloting blanks shall be rejected and not taken into the count in enumeration of votes or reported by the tellers.

RULE XL

MESSAGES

Messages received from the Senate and the President of the United States, giving notice of bills passed or approved, shall be entered in the Journal and published in the Record of that day's proceedings.

RULE XLI

EXECUTIVE COMMUNICATIONS

Estimates of appropriations and all other communications from the executive departments, intended for the consideration of any committees of the House, shall be addressed to the Speaker, and by him referred as provided by clause 2 of Rule XXIV.

RULE XLII

QUALIFICATIONS OF OFFICERS AND EMPLOYEES

No person shall be an officer of the House, or continue in its employment, who shall be an agent for the prosecution of any claim against the Government, or be interested in such claim otherwise than as an original claimant; and it shall be the duty of the Committee on Accounts to inquire into and report to the House any violation of this rule.

RULE XLIII

JEFFERSON'S MANUAL

The rules of parliamentary practice comprised in Jefferson's Manual shall govern the House in all cases to which they are applicable, and in which they are not inconsistent with the standing rules and orders of the House and joint rules of the Senate and House of Representatives.

QUESTIONS OF ORDER

DECIDED IN THE HOUSE OF REPRESENTATIVES AT THE SECOND SESSION OF THE SEVENTIETH CONGRESS

NICHOLAS LONGWORTH, OF OHIO, SPEAKER; WILLIAM TYLER PAGE, OF MARYLAND, CLERK

GERMANENESS

TO A BILL GIVING THE SECRETARY OF THE NAVY AUTHORITY TO ASSIGN THE CHIEF OF NAVAL OPERATIONS TO CERTAIN PUBLIC QUARTERS IN THE DISTRICT OF COLUMBIA, AN AMENDMENT PROPOSING THE CONSTRUCTION OF AN OFFICIAL RESIDENCE FOR THE SUPERINTENDENT OF THE NAVAL OBSERVATORY IN THE DISTRICT OF COLUMBIA WAS HELD NOT GERMANE. (DECEMBER 5, 1928.)

On December 5, 1928, on motion of Mr. HANCOCK, by unanimous consent, the bill of the Senate (S. 4402) authorizing the Secretary of the Navy to assign to the Chief of Naval Operations the public quarters originally constructed for the Superintendent of the Naval Observatory in the District of Columbia was taken from the Speaker's table, considered and read twice.

Mr. LAGUARDIA submitted the following amendment:

At the end of the Senate bill insert the following:

Sec. 2. That for the purpose of constructing an official residence for the Superintendent of the Naval Observatory in the District of Columbia, the sum of \$20,000 is hereby authorized to be appropriated.

Mr. BLACK of Texas made the point of order that the amendment was not germane to the bill.

After debate,

The SPEAKER sustained the point of order and said:

"The Chair thinks that the construction of a new residence is an entirely different subject and that an amendment providing for such construction is not germane. Therefore, the Chair sustains the point of order made by the gentleman from Texas."

TO A BILL AUTHORIZING AN APPROPRIATION FOR THE CONSTRUCTION OF CERTAIN BUILDINGS, AN AMENDMENT PROVIDING THAT PREVAILING WAGES OF THE LOCALITY SHALL BE PAID TO ALL SKILLED AND UNSKILLED WORKERS WAS HELD NOT GERMANE. (JANUARY 7, 1929.)

On January 7, 1929, the House, as in Committee of the Whole, was considering the bill (H. R. 14813) to authorize an appropriation for completing the new cadet mess hall, United States Military Academy.

When said bill was considered and read twice.

Mr. LAGUARDIA submitted the following amendment:

Page 1, line 7, strike out the period, insert a semicolon, and add:

Provided, That the prevailing rate of wages paid for similar work in the vicinity of West Point shall be paid to all skilled and unskilled workers employed for the purpose herein authorized.

Mr. BLACK of Texas made the point of order that the amendment was not germane to the bill.

After debate,

The SPEAKER sustained the point of order and said:

"The Chair thinks this bill merely authorizes an appropriation to complete a building already in course of construction. There is no question arising on the face of the bill with reference to labor, wages, or anything of the sort. The Chair thinks it is not germane, and sustains the point of order."

RECOMMIT

A MOTION TO RECOMMIT A SPECIAL RULE FROM THE COMMITTEE ON RULES IS NOT IN ORDER. (JANUARY 31, 1929.)

On January 31, 1929, the House was considering the resolution H. Res. 303.

Mr. CRISP arose and propounded the following parliamentary inquiry:

"Will it be in order to move to recommit this resolution to the Committee on Rules, with instructions to report back instantaneously with an amendment providing that this deficiency appropriation bill be taken from the Speaker's table, considered by the House in Committee of the Whole House, under the general

rules of the House which will give opportunity to consider each of the Senate amendments separately."

The SPEAKER in reply to the parliamentary inquiry said:

"The Chair is prepared to answer the parliamentary inquiry of the gentleman from Georgia [Mr. CRISP], to whom he listened, as he always does, with great respect for his logic and his knowledge of the rules of the House. The Chair, however, is not aware of any decision at any time which controverts the decision originally rendered by Mr. Speaker Crisp and by a number of his illustrious successors.

"The gentleman from Georgia has said, and with much persuasiveness, that the situation is not exactly what it was when those decisions were rendered, so far as the present rules of the House go, covering motions to recommit. However, the Chair does not think those changes in the rules, either in their letter or their spirit, have so changed the present rules of the House as to justify him in overruling all those decisions.

"Clause 4 of Rule XVI of the House with regard to the full liberty of the motion to recommit is as follows:

"After the previous question shall have been ordered on the passage of a bill or joint resolution one motion to recommit shall be in order, and the Speaker shall give preference in recognition for such purpose to a Member who is opposed to the bill or joint resolution."

"The Chair is prepared to concede that in so far as bills or joint resolutions are concerned the question of the motion to recommit is slightly different from what it was at the time those decisions were rendered, particularly the decision of the honored father of the gentleman from Georgia. But the present rules of the House make no change in regard to a House resolution. This is not a joint resolution. It is a House resolution. The Chair thinks it is precisely in the same status as at the time those decisions were rendered. Therefore in response to the parliamentary inquiry of the gentleman from Georgia the Chair thinks that a motion to recommit this resolution is not in order."

CONSENT CALENDAR

IN ORDER TO BE CALLED ON THE CONSENT CALENDAR, BILLS MUST BE ON THE PRINTED CALENDAR THREE LEGISLATIVE WORKING DAYS. IF THE HOUSE IS NOT IN SESSION ON SATURDAY, THAT DAY IS TREATED AS A HOLIDAY AND IN ORDER TO BE CALLED ON MONDAY THE BILL MUST HAVE BEEN PLACED ON THE CALENDAR ON THE PRECEDING WEDNESDAY. (FEBRUARY 1, 1929.)

On February 1, 1929, before the Speaker directed the Clerk to call the bills on the Consent Calendar, Mr. DENISON arose and propounded the following parliamentary inquiry:

"The Rules of the House provide that bills must be on the Consent Calendar for three days before they can be called up. I am informed that that means three days in which the House is in session. Is that the Speaker's interpretation of the rule?"

The SPEAKER in reply said:

"The Chair thinks that the phrase 'three days' means three legislative working days; that if the House is not in session it is not a legislative day, and that day, therefore, would not be included.

"The present occupant of the chair has held that a holiday was not a legislative day. The Chair thinks that a day when the House is not in session is a holiday to that extent.

"The attention of the Chair is called to the fact that the calendar is not printed on days when the House is not in session. Therefore it might be physically impossible to print in the calendar the bill which it is proposed to put on the Consent Calendar. Speaker Cannon ruled on December 20, 1909, that the better practice would be that bills should be upon the printed calendar for three days in order that they might be called on the Monday provided in the rule for the calling of the Consent

Calendar. (Cannon's Precedents, sec. 8117.) On February 7, 1910, Speaker Cannon again ruled as follows:

"The Chair in construing this rule has held that a bill on the Unanimous Consent Calendar shall be upon the printed calendar. Why? So that every Member of the House by consulting the calendar may be informed what bills are subject to unanimous consent upon that calendar."

"This decision may be found in Cannon's Precedents, section 8118. That being the case, the Chair thinks that the ruling with regard to holidays not counting as legislative days ought to be also applied to days when the House is not in session."

GERMANENESS

TO A BILL PROVIDING THAT THE SECRETARY OF THE INTERIOR MAY REDUCE THE AREA OF INDIAN LANDS TO BE OFFERED ANNUALLY FOR LEASE, A COMMITTEE AMENDMENT PROVIDING FOR A COLLECTION AGENCY OF THE GOVERNMENT TO FORCE THE INDIANS TO PAY THEIR ACCOUNTS WAS HELD TO BE NOT GERMANE. (FEBRUARY 6, 1929.)

On February 6, 1929, the House resumed consideration of the bill (S. 2360) to amend section 1 of the act of Congress of March 3, 1921 (41 Stat. L. 1249), entitled "An act to amend section 3 of the act of Congress of June 28, 1906," entitled "An act for the division of the lands and funds of the Osage Indians in Oklahoma, and for other purposes."

The Clerk read the following committee amendment:

Provided further, That when and where any Osage Indian of less than half Osage Indian blood shall owe debts and obligations for necessities of life, then and in that event the Secretary of the Interior is hereby directed to retain from and not pay out to such Osage Indian debtor 25 per cent of his quarterly dues, to be by the Secretary of the Interior paid in installments upon the now existing claims against such Indian for necessities of life, such as medicines, doctor bills, food, clothing, dry goods, and for implements and other materials required in the operation of the Indian's farm lands, against which claims the statute of limitations of Oklahoma has not run. But no money shall be retained out of the quarterly allowances due such Osage Indians by the Secretary of the Interior for any other purpose without the consent and approval of such Indians. The Secretary of the Interior shall determine such rules and regulations for the payment of said retained moneys of said Osage Indians upon such meritorious claims for necessities of life against which claims the statute of limitations of Oklahoma has not run. But the provisions herein made for payment of debts shall only apply to present existing meritorious claims against which the statute of limitations of Oklahoma has not run.

When Mr. CRAMTON made a point of order against the committee amendment on the ground that it was not germane to the bill.

The SPEAKER pro tempore (Mr. TILSON) ruled:

"The Chair is ready to rule. The Chair understands that the entire subject matter contained in this bill is clearly under the jurisdiction of the Committee on Indian Affairs. If the committee had chosen to bring in a bill covering the subject matter of this section 3, it would have been within the jurisdiction of the committee, and the bill would not have been subject to a point of order. Instead of doing this, however, the committee chose, in order to expedite the passage of the bill, as indicated by the chairman of the committee, to take a Senate bill, quite limited in its scope, and amend it by striking out all after the enacting clause and adding other subject matter which, as it seems to the Chair, is entirely outside of and beyond anything contained in the Senate bill. It is clear to the Chair that if the Committee on Indian Affairs had reported out the Senate bill just as it came from the Senate and section 3 of the committee amendment had been offered from the floor as an amendment, it would be subject to a point of order as not germane. If this be true, then it is subject to a point here because the Committee on Indian Affairs in this instance has no greater right than an individual Member has on the floor of the House. Therefore the Chair sustains the point of order."

TO A BILL PROVIDING THAT THE SECRETARY OF THE INTERIOR MAY REDUCE THE AREA OF INDIAN LANDS TO BE OFFERED ANNUALLY FOR LEASE, A COMMITTEE AMENDMENT PROVIDING THAT THE LANDS OF THE OSAGE INDIANS SHALL NOT BE SUBJECT TO FORCED SALE TO SATISFY ANY DEBT OR OBLIGATION WAS HELD TO BE NOT GERMANE. (FEBRUARY 6, 1929.)

On February 6, 1929, the House resumed consideration of the bill (S. 2360) to amend section 1 of the act of Congress of March 3, 1921 (41 Stat. L. 1249), entitled "An act to amend section 3 of the act of Congress of June 28, 1906," entitled "An act for the division of the lands and funds of the Osage Indians in Oklahoma, and for other purposes."

The Clerk read the following committee amendment:

Sec. 5. The restrictions concerning lands and funds of allotted Osage Indians, as provided in this act and all prior acts now in force, shall apply only to unallotted Osage Indians of one-half or more Osage Indian blood born since July 1, 1907, or after the passage of this act, and to their heirs of one-half or more Osage Indian blood, except that the provisions of section 6 of the act of Congress approved February 27, 1925, with reference to the validity of contracts for debt, shall not apply to any allotted or unallotted Osage Indian of less than one-half degree Indian blood: Provided, That the Osage lands and funds and any other property which has heretofore or which may hereafter be held in trust or under supervision of the United States for such Osage Indians of less than one-half degree Indian blood not having a certificate of competency shall not be subject to forced sale to satisfy any debt or obligation contracted or incurred prior to the issuance of a certificate of competency: Provided further, That the Secretary of the Interior is hereby authorized in his discretion to grant a certificate of competency to any unallotted Osage Indian when in the judgment of the said Secretary such member is fully competent and capable of transacting his or her own affairs.

When Mr. CRAMTON made a point of order against the committee amendment on the ground that it was not germane to the bill.

The SPEAKER ruled:

"It seems to the Chair that this language is not mentioned in the Senate bill and therefore clearly is not germane, and the Chair sustains the point of order, and the language will be stricken from the committee amendment."

TO A BILL PROVIDING THAT CERTAIN INDIANS MAY BRING SUIT IN THE COURT OF CLAIMS AND ALSO PROVIDING THAT ANY MONEYS RECOVERED BY SAID INDIANS SHALL BE DEPOSITED IN THE TREASURY OF THE UNITED STATES AND DRAW INTEREST AT THE RATE OF 4 PER CENT, AN AMENDMENT OFFERED AS A NEW SECTION TO THE BILL, PROVIDING THAT SUCH MONEYS WHEN RECOVERED SHALL BE USED FOR EDUCATIONAL, HEALTH, AND INDUSTRIAL PURPOSES, WAS HELD TO BE NOT GERMANE TO THE BILL. (FEBRUARY 6, 1929.)

On February 6, 1929, the House was considering the bill (S. 5149) to reserve 920 acres on the public domain for the use and benefit of the Kanosh Band of Indians residing in the vicinity of Kanosh, Utah.

Mr. CRAMTON submitted the following amendment:

At the end of the bill insert a new section to be known as section 7, and to read as follows:

Such proceeds shall be thereafter subject to appropriation by Congress for educational, health, and industrial and other purposes for the benefit of the said Indians, including the purchase of lands and building of homes, and no part of said judgment shall be paid out in per capita payments to said Indians.

Mr. SPROUL of Kansas made a point of order against the amendment on the ground that it was not germane to the bill.

The SPEAKER sustained the point of order and said:

"The trouble the Chair finds himself in as he reads the bill is that the bill merely creates a method of bringing a suit in the Court of Claims, and the only thing that the bill provides as to how those claims when collected shall be disposed of is that they shall be deposited and draw 4 per cent interest, and nothing in the bill refers to their use for the building of houses."

"Of course, with regard to attorneys' fees, it would naturally follow in any suit in the Court of Claims that the attorneys' fees should be paid. The only thing that strikes the Chair is that where this bill provides one and only one method of disposition of the net amount received by the claimant, namely, that it shall be deposited and draw 4 per cent interest, it is a new proposition to use it for the building of houses or for any other purpose, and the Chair can not escape that logic; and, therefore, sustains the point of order."

TO A SECTION OF A BILL PROVIDING THAT MONEYS RECOVERED FOR INDIANS SHALL BE DEPOSITED IN THE TREASURY OF THE UNITED STATES AND DRAW INTEREST AT THE RATE OF 4 PER CENT, AN AMENDMENT PROVIDING THAT THE MONEYS SHALL BE SUBJECT TO APPROPRIATION BY CONGRESS FOR EDUCATIONAL, HEALTH, AND INDUSTRIAL PURPOSES WAS HELD TO BE NOT GERMANE. (FEBRUARY 6, 1929.)

On February 6, 1929, the House was considering the bill (S. 5149) to reserve 920 acres on the public domain for the use and benefit of the Kanosh Band of Indians residing in the vicinity of Kanosh, Utah.

Mr. CRAMTON submitted the following amendment:

On page 10, line 4, strike out the period and insert: *and shall be thereafter subject to appropriation by Congress for educational, health, and industrial, and other purposes for the benefit of the said Indians, including the purchase of lands and building of homes, and no part of said judgment shall be paid out in per capita payments to said Indians.*

Mr. SPROUL of Kansas made a point of order against the amendment on the ground that it was not germane to the bill. The SPEAKER sustained the point of order and said:

"The Chair is ready to rule, although he has not had much opportunity to examine this question."

"The gentleman from Kansas makes the point of order that the amendment offered by the gentleman from Michigan is not germane to this section."

"So far as the Chair can see, all this section does is to provide that the proceeds of all amounts recovered for said Indians shall be deposited in the Treasury of the United States to the credit of the Indians and shall draw interest at the rate of 4 per cent."

"The amendment of the gentleman from Michigan [Mr. CRAMTON], it seems to the Chair, goes a good deal further than this and changes entirely the situation as to this fund. The amendment provides that it shall thereafter be subject to appropriation for various purposes, educational, health, industrial, and other purposes, including the purchase of land, and so forth."

"It seems to the Chair this is going much further and bringing in entirely different subjects for which the fund may be used and the Chair sustains the point of order."

RECOMMIT

IT IS NOT IN ORDER IN A MOTION TO RECOMMIT TO PROPOSE AS INSTRUCTIONS ANYTHING THAT MIGHT NOT BE PROPOSED DIRECTLY AS AN AMENDMENT.

A LIMITATION MUST BE CONFINED TO THE MONEY APPROPRIATED, AND ANY LANGUAGE ATTACHED TO THE AMENDMENT IN THE FORM OF A LIMITATION WHICH WOULD IMPOSE A DUTY UPON AN EXECUTIVE OFFICER OF THE GOVERNMENT TO ASCERTAIN WHETHER THERE WOULD BE A SAVING OF MONEY TO THE GOVERNMENT IS CONSIDERED LEGISLATION AND NOT IN ORDER. (FEBRUARY 8, 1929.)

On February 8, 1929, the bill (H. R. 16714) making appropriations for the Navy Department and the naval service had been ordered engrossed, and was read a third time.

When Mr. LA GUARDIA offered the following motion to recommit the bill to the Committee on Appropriations with instructions to that committee to report the same forthwith, with the following amendment to be added to the LaGuardia amendment:

On page 46, and that no part of the moneys herein appropriated for the Naval Establishment or herein made available therefor shall be used or expended under contract hereafter made for the repair, purchase, or acquisition, by or from any private contractor, of any naval vessel, machinery, article, or articles that at the time of the proposed repair, purchase, or acquisition can be repaired, manufactured, or produced in each or any of the Government navy yards or arsenals of the United States, when time and facilities permit, and when such repair, purchase, acquisition, or production would result in a saving in cost to the Government.

Mr. FRENCH made the point of order against the motion on the ground that it proposed legislation on an appropriation bill. The SPEAKER sustained the point of order and said:

"The Chair, after reading the amendment of the gentleman from New York [Mr. LA GUARDIA], finds that the only change made in the latter part of the section is that he strikes out the words 'in the judgment of the Secretary of the Navy,' and the words 'not involve an appreciable increase' are stricken out and the words 'result in a saving' are inserted. It was ruled out in the committee. Of course, it is conceded that the matter as carried in the bill is subject to a point of order. Now, the Chair is called upon to decide whether striking out the words 'Secretary of the Navy' and the substitution of the words 'result in a saving' in lieu of the words 'not involve an appreciable increase' do not make any change in the fact that on some official is imposed an additional duty of determining whether or not there is a saving."

"The Chair clearly thinks that the striking out of the words 'Secretary of the Navy' does not change the situation in that regard. The Chair sustains the point of order."

MEETINGS OF COMMITTEES

STANDING COMMITTEES OF THE HOUSE MEET ON CALL OF THE CHAIRMAN, OR IF NO CALL IS ISSUED, ON THE DAYS SPECIFIED IN THE CONGRESSIONAL DIRECTORY AS MEETING DAYS OF THE COMMITTEE.

A COMMITTEE MEETING BEING ADJOURNED BY THE CHAIRMAN FOR LACK OF A QUORUM, A MAJORITY OF THE MEMBERS OF THE COMMITTEE MAY NOT, WITHOUT THE CONSENT OF THE CHAIRMAN, CALL A MEETING OF THE COMMITTEE ON THE SAME DAY. THE MOTION TO RECONSIDER MAY BE USED IN STANDING COMMITTEES.

THE MOTION TO RECONSIDER MAY BE MADE ON THE SAME DAY ACTION IS TAKEN IN THE COMMITTEE OR ON THE NEXT DAY THE COMMITTEE SITS, UNLESS PREVENTED BY A LACK OF A QUORUM, WHEN THE MOTION MAY BE MADE ON THE NEXT OCCASION THAT A QUORUM OF THE COMMITTEE DEVELOPS. (FEBRUARY 16, 1929.)

On February 16, 1929, Mr. REECE, as a parliamentary inquiry, inquired of the Speaker why he had not referred to the calendars certain bills which had been reported out by the Committee on Military Affairs.

The SPEAKER in reply to the inquiry said:

"The Chair has given a great deal of thought to this question, and he has had the advice and cooperation of a number of the leading parliamentarians of the House—the gentleman from Connecticut [Mr. TILSON], the gentleman from New York [Mr. SNELL], the gentleman from Tennessee [Mr. GARRETT], the gentleman from Georgia [Mr. CRISP], and others, and, of course, the advice and cooperation of our very competent parliamentarian, Mr. Deschler."

"It seems rather extraordinary that we have been unable to find any precedent directly in point. Apparently, this situation has not occurred in the last 100 years. There are some conflicting decisions, but none of them touch precisely the same point raised here."

"On Thursday of last week, at a meeting of the Military Affairs Committee, the legality of which is not in dispute, a motion was made to report the so-called Muscle Shoals bill to the House without recommendation; that motion failed. Now, it becomes significant, in view of the motion to reconsider made on Thursday of this week, as to whether that motion was legal or not. First, however, the Chair wants to lay down what he thinks is a sane and sensible rule—there being none in existence that the Chair knows of—as to the legal status of a meeting of a committee. The gentleman from Pennsylvania states that in his recollection there have been no meetings of the Committee on Military Affairs except those called by the chairman. The Chair would be very loth, though, to hold that it is necessary for any legal meeting of a committee that it should be called by the chairman. The Chair believes there must be some other method of securing legality. Therefore, the Chair would not want to take the extreme position of holding that a meeting of a committee to be legal must have been held at the call of the chairman; on the other hand, he would not want to accept the other horn of the dilemma as laid down in section 26 of Jefferson's Manual, which provides:

"A committee meet when and where they please, if the House has not ordered time and place for them, but they can only act when together, and not by separate consultation and consent—nothing being the report of the committee but what has been agreed to in committee actually assembled."

"The Chair would not want to hold that a committee might meet and transact business at any time or place."

"In this case the Chair understands it to have been for many years, at least 20, the practice to carry this language in the Congressional Directory, under the heading:

"Meeting days of House committees: Committees other than those mentioned meet upon call of the chairman."

"And there, among other committees, it is stated that the meeting days of the Committee on Military Affairs are Tuesdays and Thursdays. In the pamphlet containing the subcommittees of the Committee on Military Affairs it appears, on the first page:

"Regular meetings, Tuesdays and Thursdays, at 10.30 a. m., and on call of the chairman."

"Query: If a majority of the committee assembled at 10.30, approximately, on Tuesday or Thursday morning and acted together as a committee—a quorum always being present—is their action legal or otherwise? There is no question in the Chair's mind about the illegality of the proceedings of the Committee on Military Affairs on last Tuesday. It appears that the chairman of the committee came to the committee room at approximately 10.30 a. m. He found only two other members present, and in about a quarter of an hour, having waited for a quorum, adjourned the meeting on the ground that there was no quorum present."

"The rest of the proceedings taken from that point on, in the opinion of the Chair, are entirely illegal, whether a quorum was in fact present or not. The Chair would think from the

facts that a quorum was not present until the time when action was taken by that committee, but whether that be true or not, in the opinion of the Chair there could be no legal meeting of that committee following the adjournment for lack of a quorum.

"Now, we come to Thursday of this week. It seems to be undisputed that 12 members of that committee assembled in the regular committee room at 10.30, the time noted as being the regular time for a meeting on Thursday, and proceeded to do business. Query: Was their action legal or not? Now, another question comes in there, which is a little perplexing. Was the motion to reconsider the vote by which the Muscle Shoals bill failed to be approved in order on Thursday, a regular meeting day having occurred between? There is no rule the Chair can find governing the motion to reconsider in committees, and yet it can be conceived that it might be of very great importance. The Chair thinks that there being no rule the rule of the House should apply as to motions to reconsider in committees, and we all know that a motion in the House to reconsider must be entered either upon the day or the day following the legislation to which it refers. The Chair would think, applying by analogy to that a motion to reconsider must be made on the day of the committee meeting or the next committee meeting in order to be valid. Now, was Tuesday a day which should be counted in determining the days elapsing since the action by the committee?

"The Chair is not absolutely certain whether a motion to reconsider in this case was necessary and does not feel it incumbent upon him to decide the point; but for the purposes of the argument, the Chair proposes to assume that that motion was necessary in order to make in order the next proposition to report a bill favorably, as the committee did, a quorum being present in all legal form.

"The Chair thinks that so far as a business meeting was concerned, that the meeting on Tuesday was on a dies non—that it meant nothing. Had anybody been present who desired to make a motion to reconsider, he could not have done it, because there was not a quorum present.

"Therefore the Chair is of the opinion that Tuesday must not be counted as a day according to the rules in the House, but the motion to reconsider was valid on Thursday, although a meeting had been held between.

"Now, that motion having been legal, was the action taken by the committee, under those circumstances in reporting the Muscle Shoals bill and other bills, legal? In the opinion of the Chair it was, as applied to last Thursday, of course.

"The precedents are conflicting. The decision cited by the gentleman from Tennessee [Mr. REECE] was specifically overruled some years later by Chairman Campbell, who held, on July 18, 1921, RECORD, 4016, that the majority members of a standing committee having met informally, a quorum of the committee having been present and authorized certain committee amendments, that since the meeting had not been regularly called, the action taken by the informal meeting was invalid.

"The Chair does not think that this is a sensible and sane way of solving the question of the legality of committee meetings of the House. The Chair does not think it is necessary that the meetings should be called by the chairman provided the custom of that committee has been for many years to fix a definite day or days for meeting and a time for meeting.

"The Chair would prefer to follow in this case the decision of Speaker Cannon, who overruled a motion to outlaw proceedings taken under those circumstances. He would prefer to follow this decision rather than the decision of Mr. Campbell, and the Chair is not quite certain that that decision is in direct point, because it occurred during the consideration of a tariff bill where the Ways and Means Committee was in perpetual session practically and was offering something like 200 committee amendments to the bill.

"So the Chair thinks that 12 members of the committee having assembled on a regular day at the regular time stated, were competent to act in this instance.

"Under the circumstances the Chair will refer the bills reported on Thursday, the Muscle Shoals bill and the other bills, to the appropriate calendar, but the Chair will hold that all proceedings had on Tuesday were illegal and will not refer any of those bills to the calendar."

RESOLUTIONS OF INQUIRY

RESOLUTIONS OF INQUIRY MUST BE ADDRESSED TO HEADS OF EXECUTIVE DEPARTMENTS TO BE PRIVILEGED.
"HEADS OF EXECUTIVE DEPARTMENTS" IS CONSTRUED TO MEAN MEMBERS OF THE PRESIDENT'S CABINET.

A RESOLUTION OF INQUIRY ADDRESSED TO THE CHAIRMAN OF THE FEDERAL RESERVE BOARD IS NOT PRIVILEGED. (FEBRUARY 18, 1929.)

On February 18, 1929, Mr. BLACK of New York moved to discharge the Committee on Banking and Currency from the further consideration of H. Res. 313, a resolution of inquiry addressed to the chairman of the Federal Reserve Board.

Mr. SNELL made the point of order that the resolution was not privileged, inasmuch as it was not addressed to the head of an executive department.

The SPEAKER sustained the point of order and said:

"The question presented is, Is the motion of the gentleman from New York [Mr. BLACK] to discharge the Committee on Banking and Currency from consideration of a resolution addressed to the Federal Reserve Board in compliance with clause 5 of Rule XXII privileged as addressed to the head of a department?

"The Chair thinks there is no question whatever about the rule. There are a number of precedents. The first one that the Chair recalls is found in Volume III, section 1863, of Hinds' Precedents:

"On February 4, 1904, Mr. Edgar D. Crumpacker, of Indiana, from the Committee on the Census, reported as privileged the following resolution:

"Resolved by the House of Representatives, That the Director of the Census be, and he is hereby, directed to inform the House," and so forth. * * *

"The resolution having been read, the Speaker said:

"The Chair desires to say that the Chair is of opinion that this is not a matter of privilege. It is not in the language of the rule addressed to the head of an executive department. The Chair merely wants to call the attention of the gentleman to the fact."

"Then the resolution was considered by unanimous consent.

"In Hinds' Precedents, volume 5, section 7283, occurs the following sentence:

"The words 'heads of departments' is construed to mean the members of the President's Cabinet as is evident from the fact that in 1886 the House did not agree to a proposition to add such offices as the Commissioners of Patents, Internal Revenue, Pensions, etc."

"The rule with regard to the privilege of the House floor is also very clear. It provides that among those entitled to the privilege of the House floor are heads of departments, and this has been repeatedly held to refer only to members of the Cabinet.

"Under the circumstances, the rule being so absolutely clear and the precedents undeviating, the Chair sustains the point of order made by the gentleman from New York [Mr. SNELL]."

RECOMMIT

IT IS NOT IN ORDER IN A MOTION TO RECOMMIT TO INSTRUCT A COMMITTEE TO STRIKE OUT AN AMENDMENT THAT HAS BEEN AGREED TO BY THE HOUSE. (FEBRUARY 21, 1929.)

On February 21, 1929, the bill (S. 1781) to establish load lines for American vessels, and for other purposes, had been ordered to be engrossed, and was read a third time.

When Mr. SCHAFER moved to recommit the bill to the Committee on Merchant Marine and Fisheries with instructions to report the bill back forthwith, with the following amendment: Strike out all of section 9.

Mr. BLAND made the point of order that section 9 was an amendment and had just been adopted by the House, and that it was not in order to strike out in a motion to recommit that which had just been adopted by the House.

The SPEAKER sustained the point of order.

POINTS OF ORDER

A POINT OF ORDER COMES TOO LATE AFTER A MEMBER HAS BEEN RECOGNIZED AND HAS MADE A MOTION FOR THE PREVIOUS QUESTION. (FEBRUARY 25, 1929.)

On February 25, 1929, the bill (H. R. 17223) making appropriations to supply deficiencies in certain appropriations for the fiscal year ending June 30, 1929, and prior fiscal years, to provide supplemental appropriations for the fiscal years ending June 30, 1929, June 30, 1930, and for other purposes, had been engrossed and read a third time.

When Mr. BYRNS offered the following motion:

Mr. BYRNS moves to recommit the bill to the Committee on Appropriations with instructions to report the same back forthwith, with the following amendment:

Strike out the Wood amendment on page 59 and insert in lieu thereof the following:

For the enforcement of the eighteenth amendment to the national prohibition act and supplementary acts, the tariff

acts, and all laws pertaining to the traffic in intoxicating liquor and narcotics, the sum of \$24,000,000, or such portion thereof as the President may deem useful to be expended in the discretion of the President through the Department of Justice, Coast Guard, Customs Bureau, Prohibition Bureau. And he may allot a sufficient sum or amount to the Civil Service Commission for the examination and investigation of eligibles for employment in the enforcement of such laws in the various agencies above mentioned, in accordance with existing law, and to remain available until June 30, 1930.

Mr. WOOD was recognized by the Chair and moved the previous question.

Mr. MAPES, after propounding a parliamentary inquiry, made a point of order against the motion to recommit on the ground that it was proposing legislation on an appropriation bill.

Mr. BANKHEAD made the point of order that the point of order of Mr. MAPES came too late inasmuch as Mr. WOOD had moved the previous question on the motion to recommit.

The SPEAKER pro tempore (Mr. TILSON) sustained the point of order made by Mr. BANKHEAD.

COMMITTEE OF THE WHOLE

TO REQUIRE CONSIDERATION IN THE COMMITTEE OF THE WHOLE HOUSE ON THE STATE OF THE UNION, A BILL MUST SHOW ON ITS FACE THAT IT WILL REQUIRE AN EXPENDITURE OF PUBLIC MONEY OR PROPERTY.

THE CHAIR MAY NOT USE ANY DISCRETION OR JUDGMENT OR KNOWLEDGE OR INFORMATION OF ANY KIND IN DECIDING WHETHER A BILL REQUIRES CONSIDERATION IN THE COMMITTEE OF THE WHOLE. HE IS CONFINED SOLELY TO THE FACE OF THE BILL AND UNLESS IT SHOWS CONCLUSIVELY OF ITS FACE THAT IT WILL REQUIRE EXPENDITURE OF MONEY OR PROPERTY OF THE GOVERNMENT, HE MUST PLACE IT ON THE HOUSE CALENDAR. (FEBRUARY 27, 1929.)

On February 27, 1929, Mr. HILL of Washington, by direction of the Committee on the Public Lands, called up from the Speaker's table (S. 675) a bill to establish the Ouachita National Park in the State of Arkansas, a similar House bill (H. R. 5729), having been previously reported and on the House Calendar.

Mr. COLTON made the point of order that the House bill (H. R. 5729), was improperly on the House Calendar and that the Senate bill (S. 675), required consideration in Committee of the Whole.

The SPEAKER overruled the point of order and said:

"The Chair is prepared to rule. Were it not for the decision cited by the gentleman from Tennessee [Mr. GARRETT] and others, wherein the House decided the question, the Chair would feel himself in some doubt about this bill, as he did on the bridge bill. With all due humility, the Chair still thinks that he was right in his decision in that case, although he bows, of course, to the combined wisdom of his colleagues in the House. The Chair believes that some day this decision of the House is going to come up to plague us, but for the time being he feels bound by it, and he feels that this case is on all fours with it.

"May the Chair revert for a moment to that bridge bill? In the first place, unlike any other bill the Chair has ever seen, the bridge was to be completed under the jurisdiction of three different Cabinet Secretaries. There was in it a provision as follows:

"The said Secretaries, acting jointly, are empowered and if requested to do so are directed to hold public hearings for full and complete determination of said precedent requirements."

"The Chair thought at that time, and he still thinks, that this provision shows on its face that certain charges on the Treasury were bound to follow from the passage of the bill. Of course, nobody contends now that these charges did not follow. A letter read into the RECORD by the gentleman from Oregon from the War Department called specific attention to the expenditure that would have to be made, but the decision of the House went to the full extent of holding that in determining whether a bill involves an expenditure the Chair is confined to the face of the bill itself, and not to facts which may have come to his knowledge from any other source, no matter how authentic.

"The Chair has before him a letter received to-day from the War Department, as follows:

WAR DEPARTMENT,
OFFICE OF THE CHIEF OF ENGINEERS,
Washington, February 26, 1929.

The SPEAKER HOUSE OF REPRESENTATIVES.

SIR: In reply to telephonic request, it is estimated that the expenses incurred in connection with the investigation of the Longview Bridge across the Columbia River amounted to \$1,650.

This estimate includes costs of hearings by representatives of joint commissions of the Departments of War, Agriculture, and Commerce at Portland, Oreg., and Longview, Wash., the hear-

ing in Washington at the office of the Secretary of War, the travel expenses of engineers sent to bridge site to observe tests of foundations, incidental expenses, and miscellaneous office expenses at Portland, Oreg., and Washington, D. C. In addition to the above expenses the cost of the services rendered by Government employees in this connection may be estimated at \$1,250.

Further additional expenses in connection with the investigation will probably not exceed \$25, and salaries for additional time to be spent on the investigation by Government employees are estimated at \$400.

Very sincerely,

HERBERT DEAKYNE,

Brigadier General, Acting Chief of Engineers.

"It appears to the Chair that this result was entirely obvious on the face of the bill itself. But under the decision of the House the Chair was not permitted to use such practical knowledge as he might have of the situation, no matter how authentic it might have been.

"The gentleman from Tennessee [Mr. GARRETT] in his argument at that time, after the Chair had stated that in his opinion it was obvious that that would cost money and that he knew from hearing a letter read from the Secretary of War that it would cost money, said:

"Mr. Speaker, take my own situation. The Chair speaks of the knowledge that the Chair has of the controversy. The Chair, I know, is perfectly familiar with it. Now, I am not. It may be that inasmuch as there have been various publications in the papers in connection with this bill that I ought to have known more of it, but all I know of the matter, except what has been developed here this morning, I derive from the reading of the bill itself and from the bill only, and I dare say that every Member of the House who has not had personal touch with the situation, such as naturally comes to the Chair, derives his information from the bill, and the bill does not show upon its face the fact that expenditures will be engendered."

"In other words, as the Chair understands, it was the position of the gentlemen from Tennessee that ignorance upon his part, which would lead to a parliamentary conclusion such as he contended for, was better than information on the part of the Chair which might lead to a different conclusion. The Chair may be permitted an illustration rather more personal in its nature. If the Chair should receive a written invitation, say, from the gentleman from Texas [Mr. GARNER] to indulge in a friendly game of cards, the gentleman from Tennessee [Mr. GARRETT] would not permit the Chair to make use of information gathered from sad experience in the past that a charge upon his personal treasury would inevitably follow. [Laughter.] That is the exact effect of the decision of the House heretofore rendered.

"The Chair thinks that he is bound by that decision, that he must examine the face of the bill alone, and not use any discretion or judgment or knowledge or information of any kind. The Chair, therefore, overrules the point of order."

CONFERENCE REPORTS

CONFEREES MAY NOT INCLUDE IN THEIR REPORT AN AMENDMENT ON A PROPOSITION THAT IS NOT IN DISAGREEMENT BETWEEN THE TWO HOUSES. (FEBRUARY 27, 1929.)

On February 27, 1929, Mr. WHITE of Maine called up a conference report on the bill (S. 1781) to establish load lines for American vessels and for other purposes.

The Clerk read the conference report.

Mr. ABERNETHY made the point of order that the report contained matter not the subject of difference between the two Houses.

The SPEAKER sustained the point of order and said:

"The Chair realizes the gravity of outlawing a conference report at this stage of the session, but the Chair is called upon to decide whether the conferees have exceeded their power in putting in the amendment referred to. Section 9 of the House amendment provides:

"Sec. 9. This act shall not apply to vessels operating exclusively on the Great Lakes or to barges otherwise coming within the provisions of this act or to lumber schooners operating to and from territory contiguous to the United States."

"The Senate disagreed to that.

"The conferees have brought in an amendment directing the Secretary of Commerce to make a comprehensive study of those lines. The Chair can not see in either the Senate bill or the House amendment any proposition that would direct the Secretary of Commerce to make an investigation. The House evidently never thought of it, and the Senate evidently never thought of it. While it might be vaguely germane to the purposes of the bill, the Chair thinks it is entirely new matter, never contemplated by either body. The Chair thinks the con-

feres exceeded their authority. Therefore the Chair feels constrained to sustain the point of order."

SENATE BILL

IN ORDER TO CONSIDER A SENATE BILL AS A MATTER OF RIGHT UNDER CLAUSE 2 OF RULE XXIV, A HOUSE BILL MUST BE REPORTED BY A COMMITTEE OF THE HOUSE AND BE ON THE HOUSE CALENDAR BEFORE THE SENATE BILL IS MESSAGED OVER, AND THE SENATE BILL MUST BE SUBSTANTIALLY THE SAME AS THE HOUSE BILL. IT WAS HELD THAT A HOUSE BILL ON THE HOUSE CALENDAR THAT PROVIDED THAT CERTAIN BRANCH BANKS MIGHT MAKE LOANS TO ANY ONE BORROWER NOT TO EXCEED \$15,000 WAS NOT SUBSTANTIALLY THE SAME AS A SENATE BILL IDENTICAL WITH THE HOUSE BILL WITH THE EXCEPTION THAT IT PROVIDED THAT THESE BRANCH BANKS MIGHT MAKE LOANS NOT IN EXCESS OF \$25,000. (FEBRUARY 27, 1929.)

On February 27, 1929, Mr. McFADDEN, by direction of the Committee on Banking and Currency, called up from the Speak-

er's table the bill (S. 5302) to amend the second paragraph of section 4 of the Federal farm loan act, as amended, and said that a similar House bill (H. R. 13936) had been reported and was on the House Calendar.

Mr. BLACK of Texas made the point of order that the Senate bill was not substantially the same as the House bill, inasmuch as the House bill provided that the loan limit that any one of the branch banks might make was not to exceed \$15,000, while the Senate bill increased the loan limit to \$25,000.

The SPEAKER sustained the point of order and said: "The question is as to whether those bills are substantially the same. It occurs to the Chair, although he is not familiar with the circumstances, that the limit of the loan is quite fundamental, and as there is the difference between \$25,000 as the limit in one bill and \$15,000 in another, the Chair feels that the bills are not substantially the same. The Chair sustains the point of order."
