Payment of certificates before maturity

Sec. 509. (a) The Administrator of Veterans' Affairs is authorized and directed to pay to any veteran to whom an adjusted-service certificate has been issued, upon application by him and surrender of the certificate and all rights thereunder (with or without the consent of the beneficiary thereof), the amount of the face value of the certificate as computed in accordance with section 501.

(b) No payment shall be made under this section until the certificate is in the possession of the Veterans' Administration nor until all obligations for which the certificate was held as security have been paid or otherwise discharged.

(c) If at the time of application to the Administrator of Veterans' Affairs for payment under this section the principal and interest on or in respect of any loan upon the certificate have not been paid in full by the veteran (whether or not the loan has matured), then, on request of the veteran, the Administrator shall (1) pay or otherwise discharge such unpaid principal and so much of such unpaid interest (accrued or to accrue) as is necessary to make the certificate available for payment under this section, and (2) deduct from the amount of the face value of the certificate the amount of such principal and so much of such interest, if any, as accrued prior to October 1, 1931.

(d) Upon payment under this section the certificate and all rights thereunder shall be canceled.

(e) A veteran may receive the benefits of this section by application therefor, filed with the Administrator of Veterans' Affairs. Such application may be made and filed at any time before the maturity of the certificate, (1) personally by the veteran, or (2) in case physical or mental incapacity prevents the making or filing of a personal application, then by such representative of the veteran and in such manner as may be by regulations prescribed. An application made by a person other than a representative authorized by such regulations, or not filed on or before the maturity of the certificate, shall be held void.

(f) If the veteran dies after the application is made and before it is filed it may be filed by any person. If the veteran dies after the application is made, it shall be valid if the Administrator of Veterans' Affairs finds that it bears the bona fide signature of the applicant, discloses an intention to claim the benefit of this section on behalf of the veteran, and is filed before the maturity of the certificate, whether or not the veteran is alive at the time it is filed. If the death occurs after the application is made but before the negotiation of the check in payment, payment shall be made to the estate of the veteran irrespective of any beneficiary designation, if the application is filed (1) before the death occurs, or (2) after the death occurs, but before the mailing of the check in payment to the beneficiary under section 501.

(g) Where the records of the Veterans' Administration show that an application, disclosing an intention to claim the benefits of this section, has been filed before the maturity of the certificate, and the application cannot be found, such application shall be presumed, in the absence of affirmative evidence to the contrary, to have been valid when originally filed.

Sec. 510. If, at the time this section takes effect, a veteran entitled to receive an adjusted-service certificate has not made application therefor he shall be entitled, upon application made under section 302, to receive at his option either the certificate under section 501 or payment of the amount of the face value thereof under section 509.

Sec. 511. The Administrator of Veterans' Affairs, in the exercise of his powers to make regulations for payment under section 509 shall to the fullest extent practicable provide a method by which veterans may present their applications and receive payment in close proximity to the places of their residence.

Sec. 2. (a) Payment of the face value of adjusted-service certificates under section 509 or 510 of the World War Adjusted Compensation Act, as amended, shall be made in United States notes not bearing interest. The Secretary of the Treasury is hereby authorized and directed to issue such notes in such amount as may be required to make such payment, and of the same wording, form, size, and denominations as United States notes issued under existing law, except that the wording thereon shall conform to the provisions of this act. The Administrator of Veterans' Affairs and the Secretary of the Treasury are hereby authorized and directed jointly to prescribe rules and regulations for the delivery of such notes in payment under section 509 or 510 of the World War Adjusted Compensation Act, as amended.

(b) United States notes issued pursuant to the provisions of this act shall be lawful money of the United States and shall be maintained at a parity of value with the standard unit of value fixed by law. Such notes shall be legal tender in payment of all debts and dues, public and private, and shall be receivable for customs, taxes, and all public dues, and when so received shall be reissued. Such notes, when held by any national banking association or Federal Reserve bank, may be counted as a part of its lawful reserve. The provisions of sections 1 and 2 of the act of March 14, 1900, as amended (U.S.C., title 31, secs. 314 and 408), and section 26 of the Federal Reserve Act, as amended (U.S.C., title 31, sec. 409), are hereby made applicable to such notes in the same manner and to the same extent as such provisions apply to United States notes.

Sec. 3. (a) Whenever the index number of the wholesale all-commodity prices rises above the index number of such prices for the years 1921 to 1929, as computed by the Bureau of Labor Statistics of the Department of Labor, notwithstanding any provisions of law to the contrary, the following methods for contracting the issues of currency in the United States shall be in force and effect, in the manner and to the extent prescribed in subsection (b) of this section:

(1) Abolishment of the circulation privilege extended to certain bonds of the United States under the provisions of section 29 of the Federal Home Loan Bank Act, and retirement of such bonds as security for circulating notes as rapidly as practicable.

(2) Termination of the issuance and reissuance of national-bank circulating notes, and the retirement of such notes from circulation as rapidly as practicable.

(3) Termination of the issuance and reissuance of Federal Reserve notes secured by direct obligations of the United States.

(4) Termination of the issuance and reissuance of Federal Reserve notes secured only by gold or gold certificates.

(5) Termination of the issuance and reissuance of Federal Reserve notes secured by notes, drafts, bills of exchange, acceptances, or bankers' acceptances which are not issued in direct benefit of commerce, industry, or agriculture.

(b) Any such method of contracting currency issues shall be applicable when the Secretary of the Treasury finds that its application is necessary in order to maintain the index number of wholesale all-commodity prices at the approximate level of the index number of such prices for the years 1921 to 1929 and issues an order setting forth such finding. Each such order shall prescribe such rules and regulations as are necessary and appropriate to carry out the provisions of this section with respect to the method of contraction made applicable in the order. The Secretary shall make such methods applicable only in the order in which they are set forth in subsection (a) of this section, but he shall make such methods applicable as rapidly as may be necessary to carry out the purposes of this section. When any such order is issued with respect to Federal Reserve notes, the Federal Reserve Board shall take such action as may be necessary to facilitate the enforcement of the order.

Sec. 4. Section 505 (authorizing annual appropriations ending with the year 1946 for the payment of adjusted-service certificates) of the World War Adjusted Compensation Act, as amended, except the first sentence thereof, is hereby repealed.—Amounts in the adjusted-service certificate fund are hereby authorized to be made available for the expenses of printing and engraving United States notes issued under this act, for paying fractional parts of a dollar which cannot be paid in United States notes issued under the provisions of this act, and for paying the principal and interest on or in respect of loans pursuant to the provisions of subsection (c) of section 509 of the World War Adjusted Compensation Act, as amended.

Sec. 8. Schedule A of title VIII of the Revenue Act of 1926, as amended (relating to stamp taxes), is amended by adding at the end thereof a new subdivision to read as follows:

"10. Silver, and so forth, sales and transfers.—On all transfers of any interest in silver bullion, if the price for which such interest is or is to be transferred exceeds the total of the cost thereof and allowed expenses, 50 per centum of the amount of such excess. On every such transfer there shall be made and delivered by the transferor to the transferee a memorandum to which there shall be affixed lawful stamps in value equal to the tax thereon. Every such memorandum shall show the date thereof, the names and addresses of the transferor and transferee, the interest in silver bullion to which it refers, the price for which such interest is or is to be transferred and the cost thereof and the allowed expenses. Any person liable for payment of tax under this subdivision (or anyone who acts in the matter as agent or broker for any such person) who is a party to any such transfer, or who in pursuance of any such transfer delivers any silver bullion or interest therein, without a memorandum stating truly and completely the information herein required, or who delivers any such memorandum without having the proper stamps affixed thereto, with intent to evade the foregoing provisions, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall pay a fine of not exceeding $1,000 or be imprisoned not more than six months, or both. Stamps affixed under this subdivision shall be canceled (in lieu of the manner provided in section 804) by such officers and in such manner as regulations under this subdivision shall prescribe. Such officers shall cancel such stamps only if it appears that the proper tax is being paid, and when stamps with respect to any transfer are so canceled, the transferor and not the transferee shall be liable for any additional tax found due or penalty with respect to such transfer.

The Commissioner shall abate or refund, in accordance with regulations issued hereunder, such portion of any tax hereunder as he finds to be attributable to profits (1) realized in the course of the transferor's regular business of furnishing silver bullion for industrial, professional, or artistic use and (a) not resulting from a change in the market price of silver bullion, or (b) offset by contemporaneous losses incurred in transactions in interests in silver bullion determined, in accordance with such regulations, to have been specifically related hedging transactions; or (2) offset by contemporaneous losses attributable to changes in the market price of silver bullion and incurred in transactions in silver foreign exchange determined, in accordance with such regulations, to have been hedged specifically by the interest in silver bullion transferred. The provisions of this subdivision shall extend to all transfers in the United States of any interest in silver bullion, and to all such transfers outside the United States if either party thereto is a resident of the United States or is a citizen of the United States who has been a resident thereof within three months before the date of the transfer or if such silver bullion or interest therein is situated in the United States; and shall extend to transfers to the United States Government (the tax in such cases to be payable by the transferor), but shall not extend to transfers of silver bullion by deposit or delivery at a United States mint under proclamation by the President or in compliance with any Executive order issued pursuant to section 7 of the Silver Purchase Act of 1934. The tax under this subdivision on transfers enumerated in subdivision 4 shall be in addition to the tax under such subdivision. This subdivision shall apply (1) with respect to all transfers of any interest in silver bullion after the enactment of the Silver Purchase Act of 1934, and (2) with respect to all transfers of any interest in silver bullion on or after May 15, 1934, and prior to the enactment of the Silver Purchase Act of 1934, except that in such cases it shall be paid by the transferor in such manner and at such time as the Commissioner, with the approval of the Secretary of the Treasury, may by regulations prescribe, and the requirement of a memorandum of such transfer shall not apply.

As used in this subdivision—

The term "cost" means the cost of the interest in silver bullion to the transferor, except that (a) in case of silver bullion produced from materials containing silver which has not previously entered into industrial, commercial, or monetary use, the cost to a transferor who is the producer shall be deemed to be the market price at the time of production determined in accordance with regulations issued hereunder; (b) in the case of an interest in silver bullion acquired by the transferor otherwise than for valuable consideration, the cost shall be deemed to be the cost thereof to the last previous transferor by whom it was acquired for a valuable consideration; and (c) in the case of any interest in silver bullion acquired by the transferor (after April 15, 1934) in a wash sale, the cost shall be deemed to be the cost to him of the interest transferred by him in such wash sale, but with proper adjustment, in accordance with regulations under this subdivision, when such interests are in silver bullion for delivery at different times.

The term "transfer" means a sale, agreement of sale, agreement to sell, memorandum of sale or delivery of, or transfer, whether made by assignment in blank or by any delivery, or by any paper or agreement or memorandum or any other evidence of transfer or sale; or means to make a transfer as so defined.

The term "interest in silver bullion" means any title or claim to, or interest in, any silver bullion or contract therefor.

The term "allowed expenses" means usual and necessary expenses actually incurred in holding, processing, or transporting the interest in silver bullion as to which an interest is transferred (including storage, insurance, and transportation charges but not including interest, taxes, or charges in the nature of overhead), determined in accordance with regulations issued hereunder.

The term "memorandum" means a bill, memorandum, agreement, or other evidence of a transfer.

The term "wash sale" means a transaction involving the transfer of an interest in silver bullion and, within thirty days before or after such transfer, the acquisition by the same person of an interest in silver bullion. Only so much of the interest so acquired as does not exceed the interest so transferred, and only so much of the interest so transferred as does not exceed the interest so acquired, shall be deemed to be included in the wash sale.

The term "silver bullion" means silver which has been melted, smelted, or refined and is in such state or condition that its value depends primarily upon the silver content and not upon its form.

Mr. McNary raised a question as to the presence of a quorum;

Whereupon

The Vice President directed the roll to be called;

When

Ninety-one Senators answered to their names, as follows:

Mr. Johnson submitted a parliamentary inquiry as to the procedure to be followed in the case of amendments that may be proposed to a provision of the pending bill legislative in character, citing, in this connection, a decision by Vice President Marshall on July 15, 1916, holding that where the House of Representatives incorporated legislation in a general appropriation bill the Senate could offer amendments thereto.

The Vice President made the following ruling: "The Chair understands the philosophy of the rule and has examined the precedent to which the Senator from California referred. The rules of the House and of the Senate provide that a legislative provision may not be added as an amendment to an appropriation bill. Sometimes in the House a special rule is brought in and legislation is placed on an appropriation bill. When such a bill comes to the Senate and the Senate has it under consideration and reaches the legislative provision, any amendment germane to that legislative provision is in order; but unless it is germane it is not in order. That is the ruling of the Chair."

Mr. Cutting having inquired whether the question of germaneness was to be decided by the Chair or the Senate,

The Vice President said: "Ordinarily, the Chair may decide a point of order or he may submit it to the Senate. Every ruling of the Chair is subject to supervision of the Senate. However, paragraph 4 of rule XVI provides that if the question of germaneness of an amendment is raised, it must be submitted to the Senate and be decided without debate. The present occupant of the chair is willing to take his responsibility, but the rule expressly provides that the Senate shall pass upon the matter of germaneness in the first instance."

The reported amendments in part were agreed to, and in part amended, and, as amended, agreed to.

On the question of agreeing to the following reported amendment, viz, on page 52, after line 9, insert the following:

Inter-American Highway: To meet such expenses as the President in his discretion may deem necessary to enable the United States to cooperate with the several Governments, members of the Pan American Union, in connection with the survey and construction of the proposed Inter-American Highway, $5,000,000, to remain available until expended.

Mr. Dickinson raised a question of order, viz, that the amendment was not authorized by law and violated rule XVI, paragraph 1.

Pending debate, by unanimous consent,

Mr. McNary raised a question as to the presence of a quorum;

Whereupon

The Presiding Officer (Mr. King in the chair) directed the roll to be called;

When

Ninety-one Senators answered to their names, as follows:

Adams, Ashurst, Austin, Bachman, Bailey, Bankhead, Barbour, Barkley, Black, Bone, Borah, Brown, Bulkley, Bulow, Byrd, Byrnes, Capper, Caraway, Carey, Clark, Connally, Coolidge, Copeland, Costigan, Couzens, Cutting, Davis, Dickinson, Dieterich, Dill, Duffy, Erickson, Fess, Fletcher, Frazier, George, Gibson, Glass, Goldsborough, Gore, Hale, Harrison, Hastings, Hatch, Hatfield, Hayden, Hebert, Johnson, Kean, King, La Follette, Lewis, Logan, Lonergan, Long, McCarran, McGill, McKellar, McNary, Metcalf, Murphy, Neely, Norbeck, Norris, Nye, O'Mahoney, Overton, Patterson, Pittman, Pope, Reynolds, Robinson of Arkansas, Robinson of Indiana, Russell, Schall, Sheppard, Shipstead, Smith, Steiwer, Stephens, Thomas of Oklahoma, Thomas of Utah, Thompson, Townsend, Tydings, Vandenberg, Wagner, Walcott, Walsh, Wheeler, and White.

A quorum being present,

After debate,

The Presiding Officer, in the following language overruled the point of order:

"The Chair is not called upon to announce a policy or to approve or disapprove the policy either of the committee or of the Congress or of either branch of Congress.

"The argument of the Senator from Iowa goes rather to the question of policy than to the question of a proper interpretation of the rule. The Senator has invited attention to an act of Congress approved March 4, 1929. I am not quite clear as to the interpretation which the Senator places upon it, but if the Senator contends that it is a restriction upon the authority of the Senate to pass a measure of the nature of the amendment under consideration, the present occupant of the chair is compelled to disagree with him.

"The Senator from Wisconsin [Mr. La Follette] I believe properly interpreted the rule by which the Chair must be guided. There is no law or treaty, so far as the Chair has been advised, which would be contravened by the enactment of the proposed amendment. Therefore the Chair resorts to rule XVI for guidance in passing upon the question involved. The amendment comes under this provision of the rule, the pertinent part of which is as follows:

"'Or unless the same be moved by direction of a standing or select committee of the Senate, or proposed in pursuance of an estimate submitted in accordance with law.'

"The appropriation is initiated by a standing committee of the Senate. It has been approved, as the Chair is advised, by the Budget Director and an estimate has been submitted by him.

"Under the interpretation the Chair places upon the rule, the Chair is constrained to overrule the point of order."

From the decision of the Chair, Mr. Dickinson appealed to the Senate.

The Presiding Officer stated the question to be, Shall the decision of the Chair stand as the judgment of the Senate?

On motion by Mr. Byrnes to lay Mr. Dickinson's appeal on the table,

Mr. Dickinson raised a question as to the presence of a quorum;

Whereupon

The Presiding Officer directed the roll to be called;

When

Eighty-four Senators answered to their names, as follows:

Adams, Ashurst, Austin, Bachman, Bankhead, Barbour, Barkley, Black, Bone, Borah, Brown, Bulow, Byrd, Byrnes, Capper, Caraway, Carey, Clark, Connally, Coolidge, Costigan, Couzens, Cutting, Davis, Dickinson, Dieterich, Dill, Duffy, Erickson, Fess, Fletcher, Frazier, George, Gibson, Glass, Goldsborough, Gore, Hale, Harrison, Hastings, Hatch, Hatfield, Hayden, Hebert, Kean, King, La Follette, Logan, Lonergan, Long, McCarran, McGill, McKellar, McNary, Metcalf, Murphy, Neely, Norris, Nye, O'Mahoney, Overton, Patterson, Pittman, Pope, Reynolds, Robinson of Arkansas, Robinson of Indiana, Russell, Schall, Sheppard, Shipstead, Smith, Stephens, Thomas of Oklahoma, Thomas of Utah, Thompson, Townsend, Tydings, Vandenberg, Wagner, Walcott, Walsh, Wheeler, and White.

A quorum being present,

The question being taken on agreeing to the motion of Mr. Byrnes to lay Mr. Dickinson's appeal on the table,

It was determined in the affirmative, {Yeas---------- 52 / Nays---------- 24}

On motion by Mr. Dickinson,

The yeas and nays being desired by one-fifth of the Senators present,

Senators who voted in the affirmative are—

Adams, Ashurst, Bachman, Bankhead, Barkley, Black, Brown, Bulkley, Bulow, Byrd, Byrnes, Caraway, Clark, Connally, Coolidge, Cutting, Dieterich, Erickson, Fletcher, Frazier, George, Gibson, Glass, Harrison, Hatch, Hayden, La Follette, Logan, Lonergan, Long, McGill, McKellar, Murphy, Neely, Nye, Overton, Pittman, Pope, Reynolds, Robinson of Arkansas, Russell, Sheppard, Shipstead, Smith, Stephens, Thomas of Oklahoma, Thomas of Utah, Thompson, Vandenberg, Wagner, Walsh, and Wheeler.

Austin, Barbour, Borah, Capper, Carey, Couzens, Davis, Dickinson, Dill, Fess, Goldsborough, Gore, Hale, Hastings, Hatfield, Kean, Metcalf, Norris, O'Mahoney, Patterson, Robinson of Indiana, Schall, Townsend, and White.

SEC. 305. The Administrator shall have power to provide for the periodic examination of the affairs of every national mortgage association and shall have power to terminate the existence of any such association and order its liquidation and the winding up of its affairs in any case in which the Administrator finds that the association is violating any provisions of this title or any rule or regulation thereunder, or in any case in which he finds that the association is conducting its business in an unsafe and unbusinesslike manner. In any case in which the Administrator finds, upon examination of the affairs of any such association, that the capital of such association is substantially impaired, and if, within thirty days after the Administrator has notified the association of the existence of such impairment, the capital is not restored to the satisfaction of the Administrator, he shall terminate the existence of such association and shall order the liquidation and winding up of its affairs. The expenses of examination of any such association shall be assessed upon and paid for by the association in such manner and under such rules and regulations as the Administrator shall prescribe. Nothing herein shall be construed to exempt the real property of such associations from taxation by any State or political subdivision thereof, to the same extent, according to its value, as other real property is taxed.

DEPOSITARIES OF PUBLIC MONEYS

SEC. 308. When designated for that purpose by the Secretary of the Treasury any national mortgage association shall be a depositary of public money, except receipts from customs, under such regulations as may be prescribed by said Secretary; and it may also be employed as a financial agent of the Government; and it shall perform all such reasonable duties as a depositary of public money and financial agent of the Government as may be required of it. MORATORIUM ON FARM MORTGAGE FORECLOSURES

Mr. Nye submitted a parliamentary inquiry whether, in view of the fact that a motion having been previously entered by Mr. Metcalf to reconsider the vote on the passage of the bill (S. 3580) to amend an act entitled "An act to establish a uniform system of bankruptcy throughout the United States", approved July 1, 1898, and acts amendatory thereof and supplementary thereto, and an accompanying motion to request the House of Representatives to return the said bill to the Senate having been decided in the negative, the motion subsequently entered by Mr. Lonergan to reconsider the vote on the passage of the said bill was in order.

The President pro tempore made the following ruling:

"It is the opinion of the Chair that the motion of the Senator from Connecticut was not in order under paragraph 2 of rule XIII, which states, referring to such a motion when first made:

"'Which last motion shall be acted upon immediately and without debate, and if determined in the negative shall be a final disposition of the motion to reconsider.'

"That action was taken finally before the second motion was entered by the Senator from Connecticut."

Mr. Nye thereupon made the point of order that Mr. Lonergan's motion was not in order.

The President pro tempore sustained the point of order.

Purposes

Sec. 2. (a) For the purpose of providing adequately for the satisfactory retirement of aged employees and promoting efficiency and safety in interstate transportation, and to make possible greater employment opportunity and more rapid advancement of employees in the service of carriers, there is hereby established a railroad retirement system; and it is made the duty of all carriers and employees subject to this act to perform and fulfill the obligations imposed thereby. This act shall be administered and construed with the intent and to the purpose of providing the greatest practicable amount of relief from unemployment and the greatest possible use of resources available for said purpose and for the payment of annuities for the relief of superannuated employees.

Special report

(b) Not later than four years from the effective date, the Board, in a special report to the President of the United States to be submitted to Congress, shall make specific recommendations for such changes in the retirement system hereby created as shall assure the adequacy and permanency of said retirement system on the basis of its experience and all information and experience then available. For this purpose the Board shall from time to time make such investigations and actuarial studies as shall provide the fullest information practicable for such report and recommendations.

Annuities

Sec. 3. Each employee having attained the age of sixty-five years, or having completed a service period of thirty years, shall be paid an annuity, to begin on a date specified in a written application, which date shall not be more than sixty days before the making of the application. No annuity shall begin less than six months after the effective date. Such annuity shall be based upon the service period of the employee and shall be the sum of the amounts determined by multiplying the number of years of service, not exceeding thirty years, by the following percentages of the monthly compensation: 2 per centum of the first $50; 1½ per centum of the next $100; and 1 per centum of the compensation in excess of $150. The "monthly compensation" shall be the average of the monthly compensation paid to the employee by the carrier, except that where applicable for service before the effective date the monthly compensation shall be the average of the monthly compensation for all pay-roll periods for which the employee has received compensation from any carrier out of eight consecutive calendar years of such services ending December 31, 1931. No part of any monthly compensation in excess of $300 shall be recognized in determining any annuity for any employee contribution. The annuity shall be reduced by one-fifteenth of such annuity for each year the employee is less than sixty-five years of age at the time of the first annuity payment. No such reduction shall be made if the Board shall determine that the carrier has retired the employee because of physical or mental inability to continue in active service. Upon death of an employee before or after retirement an amount, equal at his death to a computation, with interest at 3 per centum compounded annually, of the accumulation from his payments less any annuity payments received by him, shall be paid as he may have designated or to his legal representative. Any employee who upon retirement shall be entitled to an annuity with a value determined by the Board of less than $300 shall be paid such value in a lump sum.

Retirement

Sec. 4. Retirement shall be compulsory upon employees who, on the effective date, have attained or thereafter shall attain the age of sixty-five years. The carrier and the employee may, by an agreement in writing filed with the Board, extend the time for retirement as to such employee for one year and for successive periods of one year each, but not beyond the age of seventy years. Until five years from the effective date, the compulsory retirement shall not apply to an employee who from and after the effective date occupies an official position in the service of a carrier.

Contribution

Sec. 5. Each employee shall pay an employee contribution in a percentage upon his compensation. Each carrier shall pay a carrier contribution equal to twice the contributions of each employee of such carrier. The employee compensation shall be the compensation for service paid to such employee by the carrier excluding compensation in excess of $300 per month. The contribution percentage shall be determined by the Board from time to time, and shall be such as to produce from the combined employee and carrier contributions, with a reasonable margin for contingencies, the amount necessary to pay the annuities, other disbursements, and the expenses becoming payable from time to time. Until the Board shall determine on a different percentage the employee contribution percentage shall be 2 per centum. Employee contributions shall be deducted by the carrier from the compensation of its employees and shall be paid by the carrier, together with the carrier contributions, into the Treasury of the United States quarterly or at such other times as ordered by the Board.

Existing pension systems

Sec. 6. The Board shall have the power to provide by appropriate rules and regulations for substituting the provisions for annuities and other benefits to employees under this act, for any obligation for prior service or for any existing provisions for the voluntary payment of pensions to employees subject to this act by a carrier or any employees subject to this act, so as to relieve such carrier from its obligations for age retirement benefits under its existing pension systems and to transfer such obligations to the retirement system herein established. If the fulfillment of any such transferred obligation shall require additional contributions or larger payments than would otherwise be required under the provisions of this act, then such additional contributions shall be made by the carrier originally responsible for the creation of such obligation or for the excess amount of such payments over those which would be required under the provisions of this act. In the event that the Board is unable to make satisfactory arrangements with any carrier for the substitution of the provisions under this act for its existing pension system, then, and in that event, the provisions of this act shall be applied to said carrier and its employees without regard to any conflict or duplication in the operation of such an existing pension system and the operation and effect of the provisions of this act: Provided, That the Board, at its option, shall have power, in lieu of the foregoing provisions of this section, to order that all former employees of carriers, who prior to the effective date have become separated from the service at the age of seventy years or over and who may or may not be receiving age retirement benefits, shall be entitled to the benefits of this act.

Employee representatives

Sec. 7. Any representative of an employee organization who is included within the definition of "employee" in paragraph (b), section 1, of this act shall have the option, but shall not be required, to continue or to become a beneficiary under the provisions of this act. If he shall elect to continue or to become such a beneficiary he shall pay all voluntary contributions.

For the purposes of this section the requirements of section 4 of this act shall not apply. Service rendered to an employee organization shall be included in computing the total service period of such representatives.

For such representative who shall elect to become a beneficiary under this act, the basic compensation upon which contributions shall be made and benefits calculated shall be that compensation paid by the carrier for service rendered in the position to which the rights of such representative would entitle him for the period defined in section 3 of this act: Provided, That if no definite and specific rights obtain, the average compensation paid to the four employees whose last date of entry in the service is nearest the date of entry in the service of the same carrier by such representative, shall be his basic compensation to be determined for the period defined in section 3 of this act. When a question arises as to rights under this provision the Board shall investigate and determine rights of such representative.

For such representative who elects to continue as a beneficiary under the provisions of this act, his basic compensation shall be the average monthly compensation paid to him by the carrier during the last twelve months of active service with such carrier.

Retirement Fund

Sec. 8. All moneys paid into the Treasury under the provisions of this act, all interest, and other receipts, and all refunds of moneys paid out under this act shall constitute and be kept in a separate fund in the Treasury to be known as the "railroad retirement fund." At the request and direction of the Board, the Treasurer of the United States, with the approval of the Secretary of the Treasury, is authorized to invest such funds as are not immediately required for disbursements in interest-bearing bonds, notes, or other obligations of the United States, and to collect the principal and interest of such securities and to sell and dispose of the same as in the judgment of the Board shall be in the interest of said fund. There is hereby appropriated such sums not in excess of the amounts in said fund as may be necessary to pay all annuities, other disbursements, and the expenses of administration of this act.

Retirement Board

Sec. 9. (a) Personnel.—There is hereby established as an independent agency in the executive branch of the Government a Railroad Retirement Board, to be composed of three members appointed by the President, by and with the advice and consent of the Senate. Each member shall hold office for a term of five years, except that any member appointed to fill a vacancy occurring prior to the expiration of the term for which his predecessor was appointed, shall be appointed for the remainder of the term and the terms of office of the members first taking office after the date of enactment of this act shall expire, as designated by the President, one at the end of two years, one at the end of three years, and one at the end of four years, after the date of enactment of this act. One member shall be appointed from recommendations made by representatives of the employees and one member shall be appointed from recommendations made by representatives of the carriers, in both cases as the President shall direct, so as to provide representation on the Board satisfactory to the largest number, respectively, of employees and carriers concerned. One member, who shall be the chairman of the Board, shall be appointed, initially, for a term of two years, without recommendation by either carriers or employees and shall not be in the employment of or be pecuniarily or otherwise interested in any carrier or organization of employees. Vacancies in the Board shall not impair the powers nor affect the duties of the Board nor of the remaining members of the Board of whom a majority of those in office shall constitute a quorum for the transaction of business. Each of said members shall receive a salary of $10,000 per year, together with necessary traveling expenses and subsistence expenses, or per diem allowance in lieu thereof, while away from the principal office of the Board on duties required by this act. The members and employees of the Board shall be included as employees under this act and together with employees receiving annuities shall be furnished free transportation in the same manner as such transportation is furnished to employees.

(b) Duties.—The Board shall have and exercise all the duties and powers necessary to administer this act. The Board shall receive and take such steps and institute and prosecute such proceedings and actions as may be necessary to enforce the payments and obligations required under the act, make and certify awards and payments, and account for all moneys and funds necessary thereto. The Board may require such advances upon the payments of carriers as necessary to put this act into operation. The Board shall establish and promulgate rules and regulations and provide for the adjustment of all controversial matters, with power as a Board or through any member or subordinate designated therefor, to require and compel the attendance of witnesses, administer oaths, take testimony, and make all necessary investigations in any matter involving annuities or other payments, and shall maintain such offices, provide such equipment, furnishings, supplies, services, and facilities, and employ such persons and provide for their compensation and expenses, as may be necessary to the proper discharge of its functions. All rules, regulations, or decisions of the Board shall require the approval of at least two members and shall be entered upon the records of the Board and shall be a public record. The Board shall gather, keep, compile, and publish in convenient form such records and data as may be necessary, and at intervals of not more than two years shall cause to be made actuarial surveys and analyses, to determine from time to time the payments to be required to provide for all annuities, other disbursements and expenses, and to assure proper administration and the adequacy and permanency of the retirement system hereby established. The Board shall have power to require all carriers and employees and any officer, board, commission, or other agency of the United States to furnish such information and records as shall be necessary for the administration of this act. The Board shall make an annual report to the President of the United States to be submitted to Congress. Witnesses summoned before the Board shall be paid the same fees and mileage that are paid witnesses in the courts of the United States.

Court jurisdiction

Sec. 10. The several district courts of the United States and the Supreme Court of the District of Columbia shall have jurisdiction to entertain an application and to grant appropriate relief in the following cases which may arise under the provisions of this act:

(a) An application by the Board to compel an employee or other person residing within the jurisdiction of said court, or a carrier subject to service of process within said jurisdiction, to comply with any obligations imposed on said employee, other person, or carrier under the provisions of this act.

(b) An application by an employee or carrier to the Supreme Court of the District of Columbia or to the district court of any district wherein the Board maintains an office or has designated an agent authorized to accept service in its behalf, to compel the Board to set aside on action or decision claimed to be in violation of a legally enforceable right

of the applicant, or to take an action, or to make a decision necessary for the enforcement of a legal right of the applicant, when the applicant shall establish his right to a judicial review upon the jurisdictional ground that, unless he is granted a judicial review of the action or decision, or failure of the Board to act or to decide, of which he complains, he will be deprived of a constitutional right to obtain a judicial determination of his alleged right.

(c) The jurisdiction herein specifically conferred upon the said Federal courts shall not be held exclusive of any jurisdiction otherwise possessed by said courts to entertain actions at law or suits in equity in aid of the enforcement of rights or obligations arising under the provisions of this act.

Exemption

Sec. 11. No annuity or death payment shall be assignable or be subject to any tax or to garnishment, attachment, or other legal process under any circumstances whatsoever.

Penalty—Carrier

Sec. 12. On the failure of any carrier to make any payment when due under the provisions of this act, such carrier, unless excused by order of the Board, shall pay an additional 1 per centum of the amount of such payment for each month such payment is delayed.

Others

Sec. 13. Any employee, other person, officer, or agent of a carrier subject to this act who shall willfully fail or refuse to make any report or furnish any information required by the Board in the administration of this act or who shall willfully fail or refuse to make any accounting required under this act, or who shall knowingly make any false or fraudulent statement or report required for the purpose of this act, or who shall knowingly make or aid in making any false or fraudulent statement or claim for the purpose of receiving any award or payment under this act shall be punished by a fine of not less than $100 nor more than $10,000 or by imprisonment not exceeding one year.

Separability

Sec. 14. If any provision of this act, or the application thereof to any person or circumstances, is held invalid, the remainder of the act or application of such provision to other persons or circumstances shall not be affected thereby.

DEVELOPMENT OF INDIAN LANDS AND RESOURCES

Mr. Wheeler submitted the following conference report:

The committee of conference on the disagreeing votes of the two Houses on the amendment of the House to the bill (S. 3645) to conserve and develop Indian lands and resources; to establish a credit system for Indians; to provide for higher education for Indians; to extend toward Indians the right to form business and other organizations; and for other purposes, having met, after full and free conference, have agreed to recommend and do recommend to their respective Houses as follows:

That the Senate recede from its disagreement to the amendment of the House and agree to the same with an amendment as follows: In lieu of the matter proposed to be inserted by the House amendment insert the following:

That hereafter no land of any Indian reservation, created or set apart by treaty or agreement with the Indians, act of Congress, Executive order, purchase, or otherwise, shall be allotted in severalty to any Indian.

Sec. 2. The existing periods of trust placed upon any Indian lands and any restriction on alienation thereof are hereby extended and continued until otherwise directed by Congress.

Sec. 3. The Secretary of the Interior, if he shall find it to be in the public interest, is hereby authorized to restore to tribal ownership the remaining surplus lands of any Indian reservation heretofore opened, or authorized to be opened, to sale, or any other form of disposal by Presidential proclamation, or by any of the public-land laws of the United States: Provided, however, That valid rights or claims of any persons to any lands so withdrawn existing on the date of the withdrawal shall not be affected by this act: Provided further, That this section shall not apply to lands within any reclamation project heretofore authorized in any Indian reservation: Provided further, That the order of the Department of the Interior signed, dated, and approved by Honorable Ray Lyman Wilbur, as Secretary of the Interior, on October 28, 1932, temporarily withdrawing lands of the Papago Indian Reservation in Arizona from all forms of mineral entry or claim under the public land mining laws, is hereby revoked and rescinded, and the lands of the said Papago Indian Reservation are hereby restored to exploration and location, under the existing mining laws of the United States, in accordance with the express terms and provisions declared and set forth in the Executive orders establishing said Papago Indian Reservation: Provided further, That damages shall be paid to the Papago Tribe for loss of any improvements on any land located for mining in such a sum as may be determined by the Secretary of the Interior but not to exceed the cost of said improvements: Provided further, That a yearly rental not to exceed five cents per acre shall be paid to the Papago Tribe for loss of the use or occupancy of any land withdrawn by the requirements of mining operations, and payments derived from damages or rentals shall be deposited in the Treasury of the United States to the credit of the Papago Tribe: Provided further, That in the event any person or persons, partnership, corporation, or association, desires a mineral patent, according to the mining laws of the United States, he or they shall first deposit in the Treasury of the United States to the credit of the Papago Tribe the sum of $1.00 per acre in lieu of annual rental, as hereinbefore provided, to compensate for the loss or occupancy of the lands withdrawn by the requirements of mining operations: Provided further, That patentee shall also pay into the Treasury of the United States to the credit of the Papago Tribe damages for the loss of improvements not heretofore paid in such a sum as may be determined by the Secretary of the Interior, but not to exceed the cost thereof; the payment of $1.00 per acre for surface use to be refunded to patentee in the event that patent is not acquired.

Nothing herein contained shall restrict the granting or use of permits for easements or rights-of-way; or ingress or egress over the lands for all proper and lawful purposes; and nothing contained herein, except as expressly provided, shall be construed as authority for the Secretary of the Interior, or any other person, to issue or promulgate a rule or regulation in conflict with the Executive order of February 1, 1917, creating the Papago Indian Reservation in Arizona or the act of February 21, 1931 (46 Stat. 1202).

Sec. 4. Except as herein provided, no sale, devise, gift, exchange, or other transfer of restricted Indian lands or of shares in the assets of any Indian tribe or corporation organized hereunder, shall be made or approved: Provided, however, That such lands or interests may, with the approval of the Secretary of the Interior, be sold, devised, or otherwise transferred to the Indian tribe in which the lands or shares are located or from which the shares were derived or to a

successor corporation; and in all instances such lands or interests shall descend or be devised, in accordance with the then existing laws of the State, or Federal laws where applicable, in which said lands are located or in which the subject matter of the corporation is located, to any member of such tribe or of such corporation or any heirs of such member: Provided further, That the Secretary of the Interior may authorize voluntary exchanges of lands of equal value and the voluntary exchange of shares of equal value whenever such exchange, in his judgment, is expedient and beneficial for or compatible with the proper consolidation of Indian lands and for the benefit of cooperative organizations.

Sec. 5. The Secretary of the Interior is hereby authorized, in his discretion, to acquire through purchase, relinquishment, gift, exchange, or assignment, any interest in lands, water rights or surface rights to lands, within or without existing reservations, including trust or otherwise restricted allotments whether the allottee be living or deceased, for the purpose of providing land for Indians.

For the acquisition of such lands, interests in lands, water rights, and surface rights, and for expenses incident to such acquisition, there is hereby authorized to be appropriated, out of any funds in the Treasury not otherwise appropriated, a sum not to exceed $2,000,000 in any one fiscal year: Provided, That no part of such funds shall be used to acquire additional land outside of the exterior boundaries of Navajo Indian Reservation for the Navajo Indians in Arizona and New Mexico, in the event that the proposed Navajo boundary extension measures now pending in Congress and embodied in the bills (S. 2499 and H.R. 8927) to define the exterior boundaries of the Navajo Indian Reservation in Arizona, and for other purposes, and the bills (S. 2531 and H.R. 8982) to define the exterior boundaries of the Navajo Indian Reservation in New Mexico and for other purposes, or similar legislation, become law.

The unexpended balances of any appropriations made pursuant to this section shall remain available until expended.

Title to any lands or rights acquired pursuant to this act shall be taken in the name of the United States in trust for the Indian tribe or individual Indian for which the land is acquired, and such lands or rights shall be exempt from State and local taxation.

Sec. 6. The Secretary of the Interior is directed to make rules and regulations for the operation and management of Indian forestry units on the principle of sustained-yield management, to restrict the number of livestock grazed on Indian range units to the estimated carrying capacity of such ranges, and to promulgate such other rules and regulations as may be necessary to protect the range from deterioration, to prevent soil erosion, to assure full utilization of the range, and like purposes.

Sec. 7. The Secretary of the Interior is hereby authorized to proclaim new Indian reservations on lands acquired pursuant to any authority conferred by this act, or to add such lands to existing reservations: Provided, That lands added to existing reservations shall be designated for the exclusive use of Indians entitled by enrollment or by tribal membership to residence at such reservations.

Sec. 8. Nothing contained in this act shall be construed to relate to Indian holdings of allotments or homesteads upon the public domain outside of the geographic boundaries of any Indian reservation now existing or established hereafter.

Sec. 9. There is hereby authorized to be appropriated, out of any funds in the Treasury not otherwise appropriated, such sums as may be necessary, but not to exceed $250,000 in any fiscal year, to be expended at the order of the Secretary of the Interior, in defraying the expenses of organizing Indian chartered corporations or other organizations created under this act.

Sec. 10. There is hereby authorized to be appropriated, out of any funds in the Treasury not otherwise appropriated, the sum of $10,000,000 to be established as a revolving fund from which the Secretary of the Interior, under such rules and regulations as he may prescribe, may make loans to Indian chartered corporations for the purpose of promoting the economic development of such tribes and of their members, and may defray the expenses of administering such loans. Repayment of amounts loaned under this authorization shall be credited to the revolving fund and shall be available for the purposes for which the fund is established. A report shall be made annually to Congress of transactions under this authorization.

Sec. 11. There is hereby authorized to be appropriated, out of any funds in the United States Treasury not otherwise appropriated, a sum not to exceed $250,000 annually, together with any unexpended balances of previous appropriations made pursuant to this section, for loans to Indians for the payment of tuition and other expenses in recognized vocational and trade schools: Provided, That not more than $50,000 of such sum shall be available for loans to Indian students in high schools and colleges. Such loans shall be reimbursable under rules established by the Commissioner of Indian Affairs.

Sec. 12. The Secretary of the Interior is directed to establish standards of health, age, character, experience, knowledge, and ability for Indians who may be appointed, without regard to civil-service laws, to the various positions maintained, now or hereafter, by the Indian Office, in the administration of functions or services affecting any Indian tribe. Such qualified Indians shall hereafter have the preference to appointment to vacancies in any such positions.

Sec. 13. The provisions of this act shall not apply to any of the Territories, colonies, or insular possessions of the United States, except that sections 9, 10, 11, 12, and 16, shall apply to the Territory of Alaska: Provided, That sections 2, 4, 7, 16, 17, and 18 of this act shall not apply to the following-named Indian tribes, the members of such Indian tribes, together with members of other tribes affiliated with such named tribes located in the State of Oklahoma, as follows: Cheyenne, Arapaho, Apache, Comanche, Kiowa, Caddo, Delaware, Wichita, Osage, Kaw, Otoe, Tonkawa, Pawnee, Ponca, Shawnee, Ottawa, Quapaw, Seneca, Wyandotte, Iowa, Sac and Fox, Kickapoo, Pottawatomi, Cherokee, Chickasaw, Choctaw, Creek, and Seminole. Section 4 of this act shall not apply to the Indians of the Klamath Reservation in Oregon.

Sec. 14. The Secretary of the Interior is hereby directed to continue the allowance of the articles enumerated in section 17 of the act of March 2, 1889 (23 Stat.L. 894), or, their commuted cash value under the act of June 10, 1896 (29 Stat.L. 334), to all Sioux Indians who would be eligible, but for the provisions of this act, to receive allotments of lands in severalty under section 19 of the act of May 29, 1908 (25 Stat.L. 451), or under any prior act, and who have the prescribed status of the head of a family or single person over the age of eighteen years, and his approval shall be final and conclusive, claims therefor to be paid as formerly from the permanent appropriation made by said section 17 and carried on the books of the Treasury for this purpose. No person shall receive in his own right more than one allowance of the benefits, and application must be made and approved during the lifetime of the allottee or the right shall lapse. Such benefits shall continue to be paid upon such reservation until such time as the lands available therein for allotment at the time of the passage of this act would have been exhausted by the award to each person receiving such benefits of an allotment of eighty acres of such land.

Sec. 15. Nothing in this act shall be construed to impair or prejudice any claim or suit of any Indian tribe against the United States. It is hereby declared to be the intent of Congress that no expenditures for the benefit of Indians made out of appropriations authorized by this act shall be considered as offsets in any suit brought to recover upon any claim of such Indians against the United States.

Sec. 16. Any Indian tribe, or tribes, residing on the same reservation, shall have the right to organize for its common welfare, and may adopt an appropriate constitution and bylaws, which shall become effective when ratified by a majority vote of the adult members of the tribe, or of the adult Indians residing on such reservation, as the case may be, at a special election authorized and called by the Secre-

tary of the Interior under such rules and regulations as he may prescribe. Such constitution and bylaws when ratified as aforesaid and approved by the Secretary of the Interior shall be revocable by an election open to the same voters and conducted in the same manner as hereinabove provided. Amendments to the constitution and bylaws may be ratified and approved by the Secretary in the same manner as the original constitution and bylaws.

In addition to all powers vested in any Indian tribe or tribal council by existing law, the constitution adopted by said tribe shall also vest in such tribe or its tribal council the following rights and powers: To employ legal counsel, the choice of counsel and fixing of fees to be subject to the approval of the Secretary of the Interior; to prevent the sale, disposition, lease, or encumbrance of tribal lands, interests in lands, or other tribal assets without the consent of the tribe; and to negotiate with the Federal, State, and local Governments. The Secretary of the Interior shall advise such tribe or its tribal council of all appropriation estimates or Federal projects for the benefit of the tribe prior to the submission of such estimates to the Bureau of the Budget and the Congress.

Sec. 17. The Secretary of the Interior may, upon petition by at least one-third of the adult Indians, issue a charter of incorporation to such tribe: Provided, That such charter shall not become operative until ratified at a special election by a majority vote of the adult Indians living on the reservation. Such charter may convey to the incorporated tribe the power to purchase, take by gift, or bequest, or otherwise, own, hold, manage, operate, and dispose of property of every description, real and personal, including the power to purchase restricted Indian lands and to issue in exchange therefor interests in corporate property, and such further powers as may be incidental to the conduct of corporate business, not inconsistent with law, but no authority shall be granted to sell, mortgage, or lease for a period exceeding ten years any of the land included in the limits of the reservation. Any charter so issued shall not be revoked or surrendered except by act of Congress.

Sec. 18. This act shall not apply to any reservation wherein a majority of the adult Indians, voting at a special election duly called by the Secretary of the Interior, shall vote against its application. It shall be the duty of the Secretary of the Interior, within one year after the passage and approval of this act, to call such an election, which election shall be held by secret ballot upon thirty days' notice.

Sec. 19. The term "Indian" as used in this act shall include all persons of Indian descent who are members of any recognized Indian tribe now under Federal jurisdiction, and all persons who are descendants of such members who were, on June 1, 1934, residing within the present boundaries of any Indian reservation, and shall further include all other persons of one-half or more Indian blood. For the purpose of this act, Eskimos and other aboriginal peoples of Alaska shall be considered Indians. The term "tribe" wherever used in this act shall be construed to refer to any Indian tribe, organized band, pueblo, or the Indians residing on one reservation. The words "adult Indians" wherever used in this act shall be construed to refer to Indians who have attained the age of twenty-one years.

And the House agree to the same.

That the Senate recede from its disagreement to the amendment of the House to the title of the bill and agree to the same.

Preference shall be given in the issuance of grazing permits to those within or near a district who are landowners engaged in the livestock business, bona fide occupants or settlers, or owners of water or water rights, as may be necessary to permit the proper use of lands, water or water rights owned, occupied, or leased by them, except that until July 1, 1935, no preference shall be given in the issuance of such permits to any such owner, occupant, or settler, whose rights were acquired between January 1, 1934, and December 31, 1934, both dates inclusive, except that no permittee complying with the rules and regulations laid down by the Secretary of the Interior shall be denied the renewal of such permits if such denial will impair the value of the grazing unit of the permittee when such unit is pledged as security for any bona fide loan. Such permits shall be for a period of not more than ten years, subject to the preference right of the permittees to renewal in the discretion of the Secretary of the Interior, who shall specify from time to time numbers of stock and seasons of use. During periods of range depletion due to severe drought or other natural causes, or in case of a general epidemic of disease, during the life of the permit, the Secretary of Interior is hereby authorized, in his discretion, to remit, reduce, refund in whole or in part, or authorize postponement of payments of grazing fees for such depletion period so long as the emergency exists.

INVESTIGATION OF CONDITIONS IN THE PHILIPPINES

The Vice President laid before the Senate the following communication from the President of the United States; which, with the accompanying concurrent resolution, was ordered to lie on the table:

THE WHITE HOUSE,
Washington, June 16, 1934.

MY DEAR MR. VICE PRESIDENT: I am transmitting herewith a copy of a concurrent resolution adopted by the Philippine Legislature on May 2, 1934. You will observe that this resolution requests me to appoint a committee, including an economic expert, to conduct hearings and investigations in the Philippine Islands, in accordance with my message to Congress of March 2, 1934.

It does not seem to be appropriate that I should appoint such a committee at this time, since the constitution which may be adopted under the provisions of the independence act has not yet been ratified. Since, however, the Congress has been giving close attention to the relations between this Government and the Philippine Islands, it has occurred to me that the Senate and the House of Representatives might consider it useful and opportune at this moment to appoint a committee consisting of probably three of the members of each branch of the Legislature for the purpose of investigating the present conditions in the Philippines and reporting to the Congress thereon. It is therefore to the end that any action which may be deemed appropriate in the premises may be taken by the Congress that I am transmitting to you a copy of the resolution aforementioned.

I am communicating in the same sense to the Speaker of the House of Representatives.

Very sincerely yours,

FRANKLIN D. ROOSEVELT.

The VICE PRESIDENT,
United States Senate.

The Vice President stated that the leader of the majority and the leader of the minority, whom he had consulted, were of the opinion that such a committee could be appointed without additional action of the Senate; and

He thereupon appointed Mr. Tydings, Mr. Hayden, Mr. McKellar, and Mr. Gibson as the members of the committee on the part of the Senate.

Ordered, That the Secretary notify the House of Representatives thereof.

SEIZURE OF VESSELS AND AIRCRAFT VIOLATING LAWS

Mr. Ashurst, by unanimous consent, from the Committee on the Judiciary, to whom was referred the bill (S. 3646) to amend section 938 of the Revised Statutes to vest the courts with discretion to refuse to order the return of vessels seized for violation of any law of the United States; and to amend subsection (b) of section 7 of the Air Commerce Act of 1926, as amended, to provide for the forfeiture of aircraft used in violation of the customs laws, reported it without amendment and submitted a report (No. 1454) thereon.

The Senate proceeded, by unanimous consent, to consider the said bill; and no amendment being made,

Ordered, That it be engrossed and read a third time.

The said bill was read the third time.

Resolved, That it pass, and that the title thereof be as aforesaid.

Ordered, That the Secretary request the concurrence of the House of Representatives therein.

REGULATION OF LIFE-INSURANCE BUSINESS IN DISTRICT OF COLUMBIA

On motion by Mr. King, and by unanimous consent,

The Senate proceeded to consider the bill (H.R. 9178) to regulate the business of life insurance in the District of Columbia; and no amendment being made,

Ordered, That it pass to a third reading.

The said bill was read the third time.

Resolved, That it pass.

Ordered, That the Secretary notify the House of Representatives thereof.

DUTY ON COFFEE IMPORTED INTO PUERTO RICO

On motion by Mr. Tydings, and by unanimous consent,

The bill (H.R. 9946) providing for the ratification of Joint Resolution No. 59 of the Legislature of Puerto Rico, approved by the Governor May 5, 1930, imposing an import duty on coffee imported into Puerto Rico, this day received from the House of Representatives for concurrence, was read the first and second times by unanimous consent, and considered; and no amendment being made,

Ordered, That it pass to a third reading.

The said bill was read the third time by unanimous consent.

Resolved, That it pass.

Ordered, That the Secretary notify the House of Representatives thereof.

On motion by Mr. Tydings,

Ordered, That the bill (S. 3799) for an act to ratify Joint Resolution No. 59 of the Legislature of Puerto Rico, approved by the Governor May 5, 1930, imposing an import duty on coffee imported into Puerto Rico, be postponed indefinitely.

AMENDMENT OF BANKING ACT OF 1933 AND FEDERAL RESERVE ACT

The Senate resumed the consideration of the bill (S. 3748) to amend certain sections of the Banking Act of 1933 and the Federal Reserve Act, and for other purposes; and

The said bill was amended on the motion of Mr. Bulkley, the motion of Mr. Russell, the motion of Mr. Kean, and the motion of Mr. Dieterich.

On motion by Mr. Black to further amend the bill by striking out section 18,

Pending debate,

FEDERAL RESERVE BANK LOANS FOR INDUSTRIAL PURPOSES

Mr. Glass submitted the following conference report:

The committee of conference on the disagreeing votes of the two Houses on the amendment of the House to the bill (S. 3487) relating to direct loans for industrial purposes by Federal Reserve banks, and for other purposes, having met, after full and free conference, have agreed to recommend and do recommend to their respective Houses as follows:

That the Senate recede from its disagreement to the amendment of the House and agree to the same with an amendment as follows: In lieu of the matter proposed to be inserted by the House amendment insert the following:

That the Federal Reserve Act, as amended, is amended by adding after section 13a thereof a new section reading as follows:

"Sec. 13b. (a) In exceptional circumstances, when it appears to the satisfaction of a Federal Reserve bank that an established industrial or commercial business located in its district is unable to obtain requisite financial assistance on a reasonable basis from the usual sources, the Federal Reserve bank, pursuant to authority granted by the Federal Reserve Board, may make loans to, or purchase obligations of, such business, or may make commitments with respect thereto, on a reasonable and sound basis, for the purpose of providing it with working capital, but no obligation shall be acquired or commitment made hereunder with a maturity exceeding five years.

"(b) Each Federal Reserve bank shall also have power to discount for, or purchase from, any bank, trust company, mortgage company, credit corporation for industry, or other financing institution operating in its district, obligations having maturities not exceeding five years, entered into for the purpose of obtaining working capital for any such established industrial or commercial business; to make loans or advances direct to any such financing institution on the security of such obligations; and to make commitments with regard to such discount or purchase of obligations or with respect to such loans or advances on the security thereof, including commitments made in advance of the actual undertaking of such obligations. Each such financing institution shall obligate itself to the satisfaction of the Federal Reserve bank for at least 20 per centum of any loss which may be sustained by such bank upon any of the obligations acquired from such financing institution, the existence and amount of any such loss to be determined in accordance with regulations of the Federal Reserve Board: Provided, That in lieu of such obligation against loss any such financing institution may advance at least 20 per centum of such working capital for any established industrial or commercial business without obligating itself to the Federal Reserve bank against loss on the amount advanced by the Federal Reserve bank: Provided, however, That such advances by the financing institution and the Federal Reserve bank shall be considered as one advance, and repayment shall be made pro rata under such regulations as the Federal Reserve Board may prescribe.

"(c) The aggregate amount of loans, advances, and commitments of the Federal Reserve banks outstanding under this section at any one time, plus the amount of purchases and discounts under this section held at the same time, shall not exceed the combined surplus of the Federal Reserve banks as of July 1, 1934, plus all amounts paid to the Federal Reserve banks by the Secretary of the Treasury under subsection (e) of this section, and all operations of the Federal Reserve banks under this section shall be subject to such regulations as the Federal Reserve Board may prescribe.

"(d) For the purpose of aiding the Federal Reserve banks in carrying out the provisions of this section, there is hereby established in each Federal Reserve district an industrial advisory committee, to be appointed by the Federal Reserve bank subject to the approval and regulations of the Federal Reserve Board, and to be composed of not less than three nor more than five members as determined by the Federal Reserve Board. Each member of such committee shall be actively engaged in some industrial pursuit within the Federal Reserve district in which the committee is established, and each such member shall serve without compensation but shall be entitled to receive from the Federal Reserve bank of such district his necessary expenses while engaged in the business of the committee, or a per diem allowance in lieu thereof to be fixed by the Federal Reserve Board. Each application for any such loan, advance, purchase, discount, or commitment shall be submitted to the appropriate committee and, after an examination by it of the business with respect to which the application is made, the application shall be transmitted to the Federal Reserve bank, together with the recommendation of the committee.

"(e) In order to enable the Federal Reserve banks to make the loans, discounts, advances, purchases, and commitments provided for in this section, the Secretary of the Treasury, upon the date this section takes effect, is authorized, under such rules and regulations as he shall prescribe, to pay to each Federal Reserve bank not to exceed such portion of the sum of $139,299,557 as may be represented by the par value of the holdings of each Federal Reserve bank of Federal Deposit Insurance Corporation stock, upon the execution by each Federal Reserve bank of its agreement (to be endorsed on the certificate of such stock) to hold such stock unencumbered and to pay to the United States all dividends, all payments on liquidation, and all other proceeds of such stock, for which dividends, payments, and proceeds the United States shall be secured by such stock itself up to the total amount paid to each Federal Reserve bank by the Secretary of the Treasury under this section. Each Federal Reserve bank, in addition, shall agree that, in the event such dividends, payments, and other proceeds in any calendar year do not aggregate 2 per centum of the total payment made by the Secretary of the Treasury under this section, it will pay to the United States in such year such further amount, if any, up to 2 per centum of the said total payment, as shall be covered by the net earnings of the bank for that year derived from the use of the sum so paid by the Secretary of the Treasury, and that for said amount so due the United States shall have a first claim against such earnings and stock, and further that it will continue such payments until the final liquidation of said stock by the Federal Deposit Insurance Corporation. The sum so paid to each Federal Reserve bank by the Secretary of the Treasury shall become a part of the surplus fund of such Federal Reserve bank within the meaning of this section. All amounts required to be expended by the Secretary of the Treasury in order to carry out the provisions of this section shall be paid out of the miscellaneous receipts of the Treasury created by the increment resulting from the reduction of the weight of the gold dollar under the President's proclamation of January 31, 1934; and there is hereby appropriated, out of such receipts, such sum as shall be required for such purpose."

Sec. 2. Section 5202 of the Revised Statutes of the United States, as amended, is hereby amended by adding at the end thereof the following new paragraph:

"Tenth. Liabilities incurred under the provisions of section 13b of the Federal Reserve Act."

Sec. 3. Section 22 of the Federal Reserve Act is amended by adding at the end thereof the following new paragraphs:

"(h) Whoever makes any material statement, knowing it to be false, or whoever willfully overvalues any security, for the purpose of influencing in any way the action of a Federal Reserve bank upon any application, commitment, advance, discount, purchase, or loan, or any extension thereof by renewal, deferment of action, or otherwise, or the acceptance, release, or substitution of security therefor, shall be punished by a fine of not more than $5,000 or by imprisonment for not more than two years, or both.

"(i) Whoever, being connected in any capacity with a Federal Reserve bank (1) embezzles, abstracts, purloins, or willfully misapplies any moneys, funds, securities, or other things of value, whether belonging to it or pledged or otherwise entrusted to it, or (2) with intent to defraud any Federal Reserve bank, or any other body politic or corporate, or any individual, or to deceive any officer, auditor, or examiner, makes any false entry in any book, report, or statement of or to a Federal Reserve bank, or, without being duly authorized, draws any order or issues, puts forth, or assigns any note, debenture, bond, or other obligation, or draft, mortgage, judgment, or decree shall be punished by a fine of not more than $10,000 or by imprisonment for not more than five years, or both.

"(j) The provisions of sections 112, 113, 114, 115, 116, and 117 of the Criminal Code of the United States, insofar as applicable, are extended to apply to contracts or agreements of any Federal Reserve bank under this act, which, for the purposes hereof, shall be held to include advances, loans, discounts, purchase and repurchase agreements; extensions and renewals thereof; and acceptances, releases, and substitutions of security therefor.

"(k) It shall be unlawful for any person to stipulate for or give or receive, or consent or agree to give or receive, any fee, commission, bonus, or thing of value for procuring or endeavoring to procure from any Federal Reserve bank any advance, loan, or extension of credit or discount or purchase of any obligation or commitment with respect thereto, either directly from such Federal Reserve bank or indirectly through any financing institution, unless such fee, commission, bonus, or thing of value and all material facts with respect to the arrangement or understanding therefor shall be disclosed in writing in the application or request for such advance, loan, extension of credit, discount, purchase, or commitment. Any violation of the provisions of this paragraph shall be punishable by imprisonment for not more than one year or by a fine of not exceeding $5,000, or both. If a director, officer, employee, or agent of any Federal Reserve bank shall knowingly violate this paragraph, he shall be held liable in his personal and individual capacity for any loss or damage sustained by such Federal Reserve bank in consequence of such violation."

Sec. 4. Section 10 of the Federal Reserve Act, as amended, is further amended by changing the period at the end of the third paragraph thereof to a comma and inserting thereafter the following: "and such assessments may include amounts sufficient to provide for the acquisition by the Board in its own name of such site or building in the District of Columbia as in its judgment alone shall be necessary for the purpose of providing suitable and adequate quarters for the performance of its functions. After approving such plans, estimates, and specifications as it shall have caused to be prepared, the Board may, notwithstanding any other provision of law, cause to be constructed on the site so acquired by it a building suitable and adequate in its judgment for its purposes and proceed to take all such steps as it may deem necessary or appropriate in connection with the construction, equipment, and furnishing of such building. The Board may maintain, enlarge, or remodel any building so acquired or constructed and shall have sole control of such building and space therein."

Sec. 5. That the Reconstruction Finance Corporation Act, as amended (U.S.C., Supp. VII, title 15, ch. 14), is amended by inserting before section 6 thereof the following new section:

For the purpose of maintaining and increasing the employment of labor, when credit at prevailing bank rates for the character of loans applied for is not otherwise available at banks, the Corporation is authorized and empowered to make loans to any industrial or commercial business, which shall include the fishing industry, established prior to January 1, 1934. Such loans shall in the opinion of the board of directors of the Corporation be adequately secured, may be made directly, or in cooperation with banks or other lending institutions, or by the purchase of participations, shall have maturities not to exceed five years, shall be made only when deemed to offer reasonable assurance of continued or increased employment of labor, shall be made only when, in the opinion of the board of directors of the Corporation, the borrower is solvent, shall not exceed $300,000,000 in aggregate amount at any one time outstanding, and shall be subject to such terms, conditions, and restrictions as the board of directors of the Corporation may determine. The aggregate amount of loans to any one borrower under this section shall not exceed $500,000.

"The power to make loans given herein shall terminate on January 31, 1935, or on such earlier date as the President shall by proclamation fix; but no provision of law terminating any of the functions of the Corporation shall be construed to prohibit disbursement of funds on loans and commitments, or agreements to make loans, made under this section prior to January 31, 1935, or such earlier date."

Sec. 6. (a) Section 882 of the Revised Statutes (U.S.C., title 28, sec. 661) is amended to read as follows:

"Sec. 882. (a) Copies of any books, records, papers, or other documents in any of the executive departments, or of any corporation all of the stock of which is beneficially owned by the United States, either directly or indirectly, shall be admitted in evidence equally with the originals thereof, when duly authenticated under the seal of such department or corporations, respectively.

"(b) Books or records of account in whatever form, and minutes (or portions thereof) of proceedings, of any such executive department or corporation, or copies of such books, records, or minutes authenticated under the seal of such department or corporation, shall be admissible as evidence of any act, transaction, occurrence, or event as a memorandum of which such books, records, or minutes were kept or made.

"(c) The seal of any such executive department or corporation shall be judicially noticed."

(b) Section 4 of the Reconstruction Finance Corporation Act, as amended (U.S.C., Supp. VII, title 15, sec. 604), is amended by inserting immediately before the semicolon following the words "corporate seal" a comma and the words "which shall be judicially noticed."

Sec. 7. Section 1001 of the Revised Statutes, as amended (U.S.C., title 28, sec. 870), is amended by inserting immediately after the word "Government" the following: "or any corporation all the stock of which is beneficially owned by the United States, either directly or indirectly."

Sec. 8. The Reconstruction Finance Corporation Act, as amended (U.S.C., Supp. VII, title 15, ch. 14), is further amended by inserting after section 5a thereof the following new section:

"Sec. 5b. Nothwithstanding any other provision of law—

"(1) The maturity of drafts or bills of exchange which may be accepted by the Corporation under section 5a of this act, and the period for which the Corporation may make loans or advances under sections 201 (c) and 201 (d) of the Emergency Relief and Construction Act of 1932, as amended, and under section 5 of this act, may be five years, or any shorter period, from February 1, 1935: Provided, That in respect of loans or advances under such section 5 to railroads, railways, and receivers or trustees thereof, the Corporation may require as a condition of making any such loan or advance for a period longer than three years that such arrangements be made for the reduction or amortization of the indebtedness of the railroad or railway, either in whole or in part, as may be approved by the Corporation after the prior approval of the Interstate Commerce Commission.

"(2) The Corporation may at any time, or from time to time, extend, or consent to the extension of, the time of payment of any loan or advance made by it, through renewal, substitution of new obligations, or otherwise, but the time for such payment shall not be extended beyond five years from February 1, 1935: Provided, That the time of payment of loans or advances to railroads, railways, and receivers or trustees thereof, shall not be so extended except with the prior approval of the Interstate Commerce Commission, and, in the case of a loan to a railroad or railway, with the prior certification of the Interstate Commerce Commission that the

Sec. 9. Section 301 of the National Industrial Recovery Act (U.S.C., Supp. VII, title 40, sec. 412) is amended by inserting before the period at the end thereof a colon and the following: "Provided further, That in connection with any loan or contract or any commitment to make a loan entered into by the Reconstruction Finance Corporation prior to June 26, 1933, to aid in financing part or all of the construction cost of projects pursuant to section 201 (a) (1) of the Emergency Relief and Construction Act of 1932, as amended, the Corporation may make such further loans and contracts for the completion of any such project, or for improvements, additions, extensions, or equipment which are necessary or desirable for the proper functioning of any such project, or which will materially increase the assurance that the borrower will be able to repay the entire investment of the Corporation in such project, including such improvements, additions, extensions, or equipment; and the Corporation may disburse funds to the borrower thereunder, at any time prior to January 23, 1939, notwithstanding any provisions to the contrary contained in this section or in section 201 (h) of the Emergency Relief and Construction Act of 1932, as amended: Provided further, That any such further loans shall be made subject to all the terms and conditions set forth in the Emergency Relief and Construction Act of 1932, as amended, with respect to the loans authorized by section 201 (a) (1) of said Act."

Sec. 10. Notwithstanding any limitations on its power, the Reconstruction Finance Corporation, upon request of any borrower under section 201 (a) of the Emergency Relief and Construction Act of 1932, as amended, may adjust the maturities of any obligations of such borrower now held by it, or hereafter acquired by it under lawful commitments, to such periods as may in the discretion of the Reconstruction Finance Corporation be proper, but such adjustment shall not extend any such maturity to more than twenty years from the advancing of the sum or sums evidenced thereby.

Sec. 11. Section 36 of the Emergency Farm Mortgage Act of 1933, as amended (U.S.C., Supp. VII, title 43, sec. 403), is amended as follows:

When application therefor shall have been made by any such district, political subdivision, company, or association any loan authorized by this section may be made either to such district, political subdivision, company, or association or to the holders or representatives of the holders of their existing indebtedness, and such loans may be made upon promissory notes collateraled by the obligations of such district, political subdivision, company, or association or through the purchase of securities issued or to be issued by such district, political subdivision, company, or association."

Sec. 12. (a) Sections 2 and 3 of the act entitled "An act to authorize the Reconstruction Finance Corporation to subscribe for preferred stock and purchase the capital notes of insurance companies, and for other purposes", approved June 10, 1933, as amended (U.S.C., Supp. VII, title 15, secs. 605f and 605g), are amended to read as follows:

"Sec. 3. The Reconstruction Finance Corporation shall not subscribe for or purchase any preferred stock or capital notes of any applicant insurance company, (1) until the applicant shows to the satisfaction of the Corporation that it has unimpaired capital, or that it will furnish new capital which will be subordinate to the preferred stock or capital notes to be subscribed for or purchased by the Corporation, equal to the amount of said preferred stock or capital notes so subscribed for or purchased by the Corporation: Provided, That the Corporation may make loans upon said preferred stock or capital notes, or other form or forms of indebtedness permitted by the laws of the State under which said applicant is organized, if, in its opinion, such loans will be adequately secured by said stock or capital notes or other form or forms of indebtedness and/or such other forms of security as the Corporation may require, (2) if at the time of such subscription, purchase, or loan any officer, director, or employee of the applicant is receiving total compensation in a sum in excess of $17,500 per annum from the applicant and/or any of its affiliates, and (3) unless at such time, the insurance company agrees to the satisfaction of the Corporation that while any part of the preferred stock, notes, bonds, or debentures (or, in the case of a mutual insurance company, other form or forms of indebtedness permitted by the laws of the State under which the company is organized) of such insurance company is held by the Corporation, the insurance company, except with the consent of the Corporation, will not (a) increase the compensation received by any of its officers, directors, or employees from the insurance company and/or any of its affiliates, and in no event increase any such compensation to an amount exceeding $17,500 per annum, or (b) retire any of its stock, notes, bonds, debentures, or other forms of indebtedness issued for capital purposes. IMPROVEMENT OF HOUSING STANDARDS AND CONDITIONS

Mr. Bulkley submitted the following conference report:

The committee of conference on the disagreeing votes of the two Houses on the amendments of the Senate to the bill (H.R. 9620) to improve housing conditions; to provide employment; to provide for the insurance of mortgages; to insure the savings in savings and loan associations and similar institutions; to amend the Federal Home Loan Bank Act, Home Owners' Loan Act of 1933, the Federal Reserve Act, and the Farm Credit Act of 1933; and for other purposes, having met, after full and free conference have agreed to recommend and do recommend to their respective Houses as follows:

That the House recede from its disagreement to the amendment of the Senate and agree to the same with an amendment as follows: In lieu of the matter proposed to be inserted by the Senate amendment insert the following:

That this act may be cited as the "National Housing Act."

Title I—Housing Renovation and Modernization

Creation of Federal Housing Administration

Section 1. The President is authorized to create a Federal Housing Administration, all of the powers of which shall be exercised by a Federal Housing Administrator (hereinafter referred to as the "Administrator"), who shall be appointed by the President, by and with the advice and consent of the Senate, shall hold office for a term of four years, and shall receive compensation at the rate of $10,000 per annum. In order to carry out the provisions of this title and titles II and III, the Administrator may establish such agencies, accept and utilize such voluntary and uncompensated services, utilize such Federal officers and employees, and, with the consent of the State, such State and local officers and employees, and appoint such other officers and employees as he may find necessary, and may prescribe their authorities, duties, responsibilities, and tenure and fix their compensation, without regard to the provisions of other laws applicable to the employment or compensation of officers or employees of the United States. The Administrator may delegate any of the functions and powers conferred upon him under this title and titles II and III to such officers, agents, and employees as he may designate or appoint, and may make such expenditures (including expenditures for personal services and rent at the seat of government and elsewhere, for law books and books of reference, and for paper, printing, and binding) as are necessary to carry out the provisions of this title and titles II and III, without regard to any other provisions of law governing the expenditure of public funds. All such compensation, expenses, and allowances shall be paid out of funds made available by this act.

Insurance of financial institutions

Sec. 2. The Administrator is authorized and empowered, upon such terms and conditions as he may prescribe, to insure banks, trust companies, personal finance companies, mortgage companies, building and loan associaions, installment lending companies, and other such financial institutions, which are approved by him as eligible for credit insurance, against losses which they may sustain as a result of loans and advances of credit, and purchases of obligations representing loans and advances of credit, made by them subsequent to the date of enactment of this act and prior to January 1, 1936, or such earlier date as the President may fix by proclamation, for the purpose of financing alterations, repairs, and improvements upon real property. In no case shall the insurance granted by the Administrator under this section to any such financial institution exceed 20 per centum of the total amount of the loans, advances of credit, and purchases made by such financial institution for such purpose; and the total liability incurred by the Administrator for such insurance shall in no case exceed in the aggregate $200,000,000. No insurance shall be granted under this section to any such financial institution with respect to any obligation representing any such loan, advance of credit, or purchase by it the face amount of which exceeds $2,000; nor unless the obligation bears such interest, has such maturity, and contains such other terms, conditions, and restrictions, as the Administrator shall prescribe.

Loans to financial institutions

Sec. 3. The Administrator is further authorized and empowered to make loans to institutions which are insured under section 2, and to enter into loan agreements with such institutions, upon the security of obligations which meet the requirements prescribed under section 2. Such loans or agreements may be made for the full face value of the obligations offered as security, and shall be at such rates and upon such terms and conditions as the Administrator shall determine.

Allocation of funds

Sec. 4. For the purposes of carrying out the provisions of this title and titles II and III, the Reconstruction Finance Corporation shall make available to the Administrator such funds as he may deem necessary, and the amount of notes, debentures, bonds, or other such obligations which the Corporation is authorized and empowered to have outstanding at any one time under existing law is hereby increased by an amount sufficient to provide such funds: Provided, That the President, in his discretion, is authorized to provide such funds or any portion thereof by allotment to the Administrator from any funds that are available, or may hereafter be made available, to the President for emergency purposes.

Annual report

Sec. 5. The Administrator shall make an annual report to the Congress as soon as practicable after the 1st day of January in each year of his activities under this title and title II and III of this act.

Title II—Mutual Mortgage Insurance

Definitions

Section 201. As used in this title—

(a) The term "mortgage" means a first mortgage on real estate in fee simple or on a leasehold (1) under a lease for not less than ninety-nine years which is renewable, or (2) under a lease having a period of not less than fifty years to run from the date the mortgage was executed, upon which there is located a dwelling for not more than four families which is used in whole or in part for residential purposes, irrespective of whether such dwelling has a party wall or is otherwise physically connected with another dwelling; and the term "first mortgage" means such classes of first liens as are commonly given to secure advances on, or the unpaid purchase price of, real estate under the laws of the State in which the real estate is located, together with the credit instruments, if any, secured thereby.

(b) The term "mortgagee" includes the original lender under a mortgage, and his successors and assigns approved by the Administrator; and the term "mortgagor" includes the original borrower under a mortgage and his successors and assigns.

Mutual Mortgage Insurance Fund

Sec. 202. There is hereby created a Mutual Mortgage Insurance fund (hereinafter referred to as the "fund"), which shall be used by the Administrator as a revolving fund for carrying out the provisions of this title as hereinafter provided, and there shall be allocated immediately to such fund the sum of $10,000,000 out of funds made available to the Administrator for the purposes of this title.

Insurance of mortgages

Sec. 203. (a) The Administrator is authorized, upon application by the mortgagee, to insure as hereinafter provided any mortgage offered to him within one year from the date of its execution which is eligible for insurance as hereinafter provided, and, upon such terms as the Administrator may prescribe, to make commitments for the insuring of such mortgages prior to the date of their execution or disbursement thereon: Provided, That, except with the approval of the President, (1) the aggregate principal obligation of all mortgages on property and low-cost housing projects existing on the date of enactment of this act and insured under this title shall not exceed $1,000,000,000, and (2) the insurance of mortgages on property and low-cost housing projects constructed after the passage of this act shall be limited to a similar amount.

(b) To be eligible for insurance under this section a mortgage shall—

(1) Have, or be held by, a mortgagee approved by the Administrator as responsible and able to service the mortgage properly.

(2) Involve a principal obligation (including such initial service charges and appraisal and other fees as the Administrator shall approve) in an amount not to exceed $16,000, and not to exceed 80 per centum of the appraised value of the property as of the date the mortgage is executed.

(3) Have a maturity satisfactory to the Administrator, but not to exceed twenty years.

(4) Contain complete amortization provisions satisfactory to the Administrator requiring periodic payments by the mortgagor not in excess of his reasonable ability to pay as determined by the Administrator.

(5) Bear interest (exclusive of premium charges for insurance) at not to exceed 5 per centum per annum on the amount of the principal obligation outstanding at any time, or not to exceed 6 per centum per annum if the Administrator finds that in certain areas or under special circumstances the mortgage market demands it.

(6) Provide, in a manner satisfactory to the Administrator, for the application of the mortgagor's periodic payments (exclusive of the amount allocated to interest and to the premium charge which is required for mortgage insurance as hereinafter provided) to amortization of the principal of the mortgage.

(7) Contain such terms and provisions with respect to insurance, repairs, alterations, payment of taxes, default reserves, delinquency charges, foreclosure proceedings, anticipation of maturity, additional and secondary liens, and other matters as the Administrator may in his discretion prescribe.

(c) The Administrator is authorized to fix a premium charge for the insurance of mortgages under this section (to be determined in accordance with the risk involved) which in no case shall be less than one-half of 1 per centum nor more than 1 per centum per annum of the original face value of the mortgage, and which shall be payable annually in advance by the mortgagee. If the Administrator finds upon the presentation of a mortgage for insurance and the tender of the initial premium charge that the mortgage complies with the provisions of this section, such mortgage may be accepted for insurance by endorsement or otherwise as the Administrator may prescribe; but no mortgage shall be accepted for insurance under this section unless the Administrator finds that the project with respect to which the mortgage is executed is economically sound.

(d) The Administrator is authorized and directed to make such rules and regulations as may be necessary to carry out the provisions of this section.

Payment of insurance

Sec. 204. (a) In any case in which the mortgagee under an insured mortgage shall have foreclosed and taken possession of the mortgaged property in accordance with regulations of, and within a period to be determined by, the Administrator, or shall, with the consent of the Administrator, have otherwise acquired such property from the mortgagor after default, the mortgagee shall be entitled, upon the prompt conveyance to the Administrator of title to such property satisfactory to him and the assignment to him of all claims of the mortgagee against the mortgagor arising out of the mortgage transaction or foreclosure proceedings, to receive the benefits of the insurance as hereinafter provided. Upon such conveyance and assignment the obligation of the mortgagee to pay the annual premium charges for insurance shall cease and the Administrator shall issue to the mortgagee debentures having a total face value equal to the value of the mortgage on the date of the delivery of the property to the Administrator, and a certificate of claim, as hereinafter provided. For the purposes of this subsection, the value of the mortgage shall be determined by adding to the amount of the principal of the mortgage which is unpaid on the date of such delivery, the amount of all payments which have been made by the mortgagee for taxes and insurance on the property mortgaged in accordance with rules and regulations prescribed by the Administrator.

(b) The debentures issued by the Administrator under this section to any mortgagee shall bear interest at a rate determined by the Administrator at the time the mortgage was offered for insurance, but not to exceed 3 per centum per annum, payable semiannually on the 1st day of January and the 1st day of July of each year, and shall mature three years after the 1st day of July following the maturity date of the mortgage in exchange for which the debentures were issued. All such debentures shall be subject only to such Federal, State, and local taxes as the mortgages in exchange for which they are issued would be subject to in the hands of the holder of the debentures and shall be a liability of the fund only; except that debentures issued in exchange for mortgages insured under this section prior to July 1, 1937, shall be fully guaranteed as to principal and interest by the United States. In the event that the amount in the fund is insufficient to pay upon demand, when due, the principal of or interest on any debentures so guaranteed, the Secretary of the Treasury shall pay to the holders the amount thereof which is hereby authorized to be appropriated out of any money in the Treasury not otherwise appropriated, and thereupon to the extent of the amount so paid the Secretary of the Treasury shall succeed to all the rights of the holders of such debentures.

(c) The certificate of claim issued by the Administrator to any mortgagee shall be for an amount which the Administrator determines to be sufficient, when added to the face value of the debentures issued to the mortgagee, to equal the amount which the mortgagee would have received if, at the time of the conveyance to the Administrator of the property covered by the mortgage, the mortgagor had redeemed the property and paid in full all obligations under the mortgage and those arising out of the foreclosure proceedings. Each such certificate of claim shall provide that there shall accrue to the holder of such certificate with respect to the face amount of such certificate an increment at the rate of 3 per centum per annum. The amount to which the holder of any such certificate shall be entitled shall be determined as provided in subsection (d).

(d) If the net amount realized from any property conveyed to the Administrator under this section and the claims assigned therewith, after deducting all expenses incurred by the Administrator in handling, dealing with, and disposing of such property and in collecting such claims, exceeds the face amount of the debentures issued in exchange for the mortgage covering such property plus all interest paid on such debentures, such excess shall be divided as follows:

(1) If such excess is greater than the total amount payable under the certificate of claim issued in connection with such property, the Administrator shall pay to the holder of such certificate the full amount so payable; and any excess remaining thereafter shall be paid to the mortgagor of such property.

(2) If such excess is equal to or less than the total amount payable under such certificate of claim, the Administrator shall pay to the holder of such certificate the full amount of such excess.

(e) Notwithstanding any other provision of law relating to the acquisition, handling, or disposal of real property by the United States, the Administrator shall have power to deal with, rent, renovate, modernize, or sell for cash or credit, in his discretion, any properties conveyed to him in exchange for debentures and certificates of claim as provided in this section; and notwithstanding any other provision of law, the Administrator shall also have power to pursue to final collection, by way of compromise or otherwise, all claims against mortgagors assigned by mortgagees to the Administrator as provided in this section.

(f) No mortgagee or mortgagor shall have, and no certificate of claim shall be construed to give to any mortgagee or mortgagor, any right or interest in any property conveyed to the Administrator or in any claim assigned to him; nor shall the Administrator owe any duty to any mortgagee or mortgagor with respect to the handling or disposal of any such property or the collection of any such claim.

Classification of mortgages and reinsurance fund

Sec. 205. (a) Mortgages accepted for insurance under this title shall be so classified into groups that the mortgages in any group shall involve substantially similar risk characteristics and have similar maturity dates. Premium charges received for the insurance of any mortgage, the receipts derived from the property covered by the mortgage, and claims assigned to the Administrator in connection therewith, and all earnings on the assets of the group account shall be credited to the account of the group to which the mortgage is assigned. The principal of and interest paid and to be paid on debentures issued in exchange for any mortgage, payments made or to be made to the mortgagee and the mortgagor as provided in section 204, and expenses incurred in the handling of the property covered by the mortgage and in the collection of claims assigned to the Administrator in connection therewith shall be charged to the account of the group to which such mortgage is assigned.

(b) The Administrator shall also provide, in addition to the several group accounts, a general reinsurance account, the credit in which shall be available to cover charges against such group accounts where the amounts credited to such accounts are insufficient to cover such charges. General expenses of operation of the Federal Housing Administration under this title may be allocated in the discretion of the Administrator among the several group accounts or charged to the general reinsurance account, and the amount allocated to the fund under section 202 shall be credited to the general reinsurance account.

(c) Whenever the credit balance in any group account exceeds the remaining unpaid principal of the then outstanding mortgages assigned to such group by an amount equal to 10 per centum of the total premium payments which have theretofore been credited to such account, the Administrator shall terminate the insurance as to that group of mortgages (1) by paying to each of the mortgagees holding an outstanding mortgage assigned to such group a sum sufficient, if such mortgage is in good standing, to pay off such mortgage in full, the payment in each case being for the benefit and account of the mortgagor, and (2) by transferring the remainder of such credit balance to the general reinsurance account provided for in subsection (b).

(d) If the credit balance in any group account fails to exceed, until the final year prior to the maturity date of the mortgages assigned to such group, the remaining unpaid principal of the then outstanding mortgages assigned to such group by an amount equal to 10 per centum of the total premium payments which have theretofore been credited to such account, the Administrator shall terminate the insurance as to that group of mortgages (1) by transferring to the general reinsurance account provided for in subsection (b) an amount equal to 10 per centum of the total premium charges theretofore credited to such group account, and (2) by distributing the remainder of such credit balance, if any, pro rata to the mortgagees for the benefit and account of the mortgagors of the mortgages assigned to such group.

(e) No mortgagor or mortgagee of any mortgage insured under this title shall have any vested right in the credit balance in any such account, and the determination of the Administrator as to the amount to be paid by him to any mortgagee or mortgagor under this title shall be final and conclusive.

(f) In the event that any mortgagee under an insured mortgage forecloses on the mortgaged property but does not convey such property to the Administrator in accordance with section 204, or in the event that the mortgagor pays the obligation under the mortgage in full prior to the maturity thereof, the obligation to pay the premium charge for insurance shall, upon due notice to the Administrator, cease, and all rights of the mortgagee and the mortgagor under section 204 shall likewise terminate. Thereupon the mortgagor shall be entitled to receive a share of the credit balance of the group account of the group to which the mortgage has been assigned, in such amount as the Administrator shall determine to be equitable and not inconsistent with the preservation of the solvency of the group account and of the fund.

Investment of funds

Sec. 206. Moneys in the fund not needed for the current operations of the Federal Housing Administration shall be deposited in the Treasury of the United States to the credit of the fund, or invested in bonds or other obligations of the United States. The Treasurer of the United States is hereby directed to pay interest semiannually on any amount so deposited at a rate not greater than the prevailing rate on long-term Government bonds, such rate to be computed on the average amount of such bonds outstanding during any such semiannual period. The Administrator may, with the approval of the Secretary of the Treasury, purchase, at not to exceed par, in the open market, debentures issued under the provisions of section 204. Debentures so purchased shall be canceled and not reissued, and the several group accounts to which such debentures have been charged shall be charged with the amounts used in making such purchases.

Low-cost housing insurance

Sec. 207. The Administrator may also insure first mortgages, other than mortgages defined in section 201 (a) of this title, covering property held by Federal or State instrumentalities, private limited dividend corporations, or municipal corporate instrumentalities of one or more States formed for the purpose of providing housing for persons of low income which are regulated or restricted by law or by the Administrator as to rents, charges, capital structure, rate of return, or methods of operation. Such mortgages shall contain terms, conditions, and provisions satisfactory to the Administrator but need not conform to the eligibility requirements of section 203. Subject to the right of the Administrator to impose a premium charge in excess of, or less than, the amount specified for mortgages defined in section 201 (a), the provisions of sections 204 and 205 shall be applicable to mortgages insured under this section: Provided, That the insurance with respect to any low-cost housing project shall not exceed $10,000,000.

Taxation provisions

Sec. 208. Nothing in this title shall be construed to exempt any real property acquired and held by the Administrator under this title from taxation by any State or political subdivision thereof, to the same extent, according to its value, as other real property is taxed.

Statistical and economic surveys

Sec. 209. The Administrator shall cause to be made such statistical surveys and legal and economic studies as he shall deem useful to guide the development of housing and the creation of a sound mortgage market in the United States, and shall publish from time to time the results of such surveys and studies. Expenses of such studies and surveys, and expenses of publication and distribution of the results of such studies and surveys, shall be charged as a general expense of the fund.

Title III—National Mortgage Associations

Creation and powers of national mortgage associations

Section 301. (a) The Administrator is further authorized and empowered to provide for the establishment of national mortgage associations as hereinafter provided, which shall be authorized, subject to rules and regulations to be prescribed by the Administrator, (1) to purchase and sell first mortgages and such other first liens as are commonly given to secure advances on real estate held in fee simple or under a lease for not less than ninety-nine years, under the laws of the State in which the real estate is located, together with the credit instruments, if any, secured thereby, such mortgages not to exceed 80 per centum of the appraised value of the property as of the date the mortgage is purchased; and

(2) to borrow money for such purposes through the issuance of notes, bonds, debentures, or other such obligations as hereinafter provided.

(b) Any number of natural persons, not less than five, may apply to the Administrator for authority to establish a national mortgage association, and at the time of such application shall transmit to the Administrator articles of association, signed and sealed by each of the incorporators and acknowledged before a judge of any court of record or a notary public, which shall contain (1) the name of the association, (2) the place where its principal office or place of business is to be located, and (3) such information, with respect to its capital stock as the Administrator may by regulation require. If the Administrator is of the opinion that the incorporators transmitting the articles of association are responsible persons and that such articles of association are satisfactory in all respects, he shall issue or cause to be issued to such incorporators a certificate of approval, and the association shall become, as of the date of issuance of such certificate, a body corporate by the name set forth in its articles of association.

(c) Each national mortgage association created under this section shall have succession from the date of its organization unless it is dissolved by act of its shareholders, or its franchise becomes forfeited by order of the Administrator as hereinafter provided, or it is dissolved by act of Congress, and shall have power—

(1) To adopt and use a corporate seal.

(2) To make contracts.

(3) To sue and be sued, complain and defend, in any court of law or equity, State or Federal.

(4) To conduct its business in any State of the United States or in the District of Columbia and to have one or more offices in such State or in the District of Columbia, one of which offices shall be designated at the time of organization as its principal office.

(5) To do all things as are necessary or incidental to the proper management of its affairs and the proper conduct of its business.

(d) No association shall transact any business except such as is incidental to its organization until it has been authorized to do so by the Administrator. Each such association shall have a capital stock of a par value of not less than $5,000,000, and no authorization to commence business shall be granted by the Administrator to any such association until he is satisfied that such capital stock has been subscribed for at not less than par and paid in full in cash or Government securities.

(e) Each national mortgage association, for the purpose of all actions by or against it, real, personal, or mixed, and all suits in equity, shall be deemed a citizen of the State in which its principal office is located.

(f) No individual, association, partnership, or corporation, except associations organized under this section, shall hereafter use the words "national mortgage association", or any combination of such words, as the name or a part thereof under which he or it shall do business. Every individual, partnership, association, or corporation violating this prohibition shall be guilty of a misdemeanor and shall be punished by a fine of not exceeding $100 or imprisonment not exceeding thirty days, or both, for each day during which such violation is committed or repeated. The provisions of section 5243 of the Revised Statutes shall not apply to associations created under this title.

Obligations of national mortgage associations

Sec. 302. Each national mortgage association is authorized to issue and have outstanding at any time notes, bonds, debentures, or other such obligations in an aggregate amount not to exceed (1) ten times the aggregate par value of its outstanding capital stock, and in no event to exceed (2) the current face value of mortgages held by it and insured under the provisions of title II of this Act, plus the amount of its cash on hand and on deposit and the amount of its investments in bonds or obligations of, or guaranteed as to principal and interest by, the United States. No national mortgage association shall borrow money except through the issuance of such notes, bonds, debentures, or other obligations, or issue any such notes, bonds, debentures, or other obligations, except with the approval of the Administrator and under such rules and regulations as he shall prescribe.

Investment of funds

Sec. 303. Moneys of any national mortgage association not invested in first mortgages or other liens as provided in section 301, or in operating facilities approved by the Administrator, shall be kept in cash on hand or on deposit, or invested in bonds or other obligations of, or guaranteed as to principal and interest by the United States; except that each such association shall keep and maintain such reserves as the Administrator shall by rules and regulations prescribe.

Management of acquired properties

Sec. 304. Subject to such rules and regulations as the Administrator shall prescribe, any national mortgage association shall have power to deal with, rent, renovate, modernize, or sell for cash or credit, or otherwise dispose of, with a view to assuring a maximum financial return to the association, any property acquired by it as a result of foreclosure proceedings.

Examinations and liquidation

Sec. 305. The Administrator shall have power to provide for the periodic examination of the affairs of every national mortgage association and shall have power to terminate the existence of any such association and order its liquidation and the winding up of its affairs in any case in which the Administrator finds that the association is violating any provisions of this title or any rule or regulation thereunder, or in any case in which he finds that the association is conducting its business in an unsafe and unbusinesslike manner. In any case in which the Administrator finds, upon examination of the affairs of any such association, that the capital of such association is substantially impaired, and if, within thirty days after the Administrator has notified the association of the existence of such impairment, the capital is not restored to the satisfaction of the Administrator, he shall terminate the existence of such association and shall order the liquidation and winding up of its affairs. The expenses of examination of any such association shall be assessed upon and paid for by the association in such manner and under such rules and regulations as the Administrator shall prescribe. For the purposes of this section, examiners appointed by the Administrator shall be subject to the same requirements, responsibilities, and penalties as are applicable to examiners under the national banking laws and the Federal Reserve Act, as amended, and, in the exercise of their functions, shall have the same powers and privileges as are vested in such examiners by law.

Rules and regulations

Sec. 306. The Administrator shall have power to provide by rules and regulations for the liquidation, reorganization, consolidation, or merger of national mortgage associations, including the power to appoint a conservator or a receiver to take charge of the affairs of any such association, to require an equitable readjustment of its capital structure, to release it from the control of a conservator or receiver, and to permit its further operation.

Taxation provisions

Sec. 307. National mortgage associations shall be subject to taxation to the same extent as State-chartered corporations, except that no State or political subdivision thereof shall impose any tax on any such association or its franchise, capital, reserves, surplus, loans, income, or stock, or its securities or the income therefrom, at a greater rate than that imposed by such State on corporations, domestic or foreign, engaged in similar business within the State. Nothing herein shall be construed to exempt the real property of such associations from taxation by any State or political subdivision thereof, to the same extent, according to its value, as other real property is taxed.

Depositaries of public moneys

Sec. 308. When designated for that purpose by the Secretary of the Treasury any national mortgage association shall

be a depositary of public money, except receipts from customs, under such regulations as may be prescribed by said Secretary; and it may also be employed as a financial agent of the Government; and it shall perform all such reasonable duties as a depositary of public money and financial agent of the Government as may be required of it. Any national mortgage association may act as agent for any other instrumentality of the United States when designated for that purpose by such instrumentality.

Title IV—Insurance of Savings and Loan Accounts

Definitions

Section 401. As used in this title—

(a) The term "insured institution" means an institution whose accounts are insured under this title.

(b) The term "insured member" means an individual, partnership, association, or corporation which holds an insured account.

(c) The term "insured account" means a share, certificate, or deposit account of a type approved by the Federal Savings and Loan Insurance Corporation which is held by an insured member in an insured institution and which is insured under the provisions of this title.

(d) The term "default" means an adjudication or other official determination of a court of competent jurisdiction or other public authority pursuant to which a conservator, receiver, or other legal custodian is appointed for an insured institution for the purpose of liquidation.

Creation of Federal Savings and Loan Insurance Corporation

Sec. 402. (a) There is hereby created a Federal Savings and Loan Insurance Corporation (hereinafter referred to as the "Corporation"), which shall insure the accounts of institutions eligible for insurance as hereinafter provided, and shall be under the direction of a board of trustees to be composed of five members and operated by it under such bylaws, rules, and regulations as it may prescribe for carrying out the purposes of this title. The members of the Federal Home Loan Bank Board shall constitute the board of trustees of the Corporation and shall serve as such without additional compensation. The principal office of the Corporation shall be in the District of Columbia.

(b) The Corporation shall have a capital stock of $100,000,000, which shall be divided into shares of $100 each. The total amount of such capital stock shall be subscribed for by the Home Owners' Loan Corporation which is hereby authorized and directed to subscribe for such stock and make payment therefor in bonds of the Home Owners' Loan Corporation. The Corporation shall issue to the Home Owners' Loan Corporation receipts for payment for or on account of such stock, which shall serve as evidence of the ownership thereof, and the Home Owners' Loan Corporation shall be entitled to the payment of dividends on such stock out of net earnings at a rate equal to the interest rate on such bonds, which dividends shall be cumulative.

(c) Upon the date of enactment of this act, the Corporation shall become a body corporate, and shall be an instrumentality of the United States, and as such shall have power—

(1) To adopt and use a corporate seal.

(2) To have succession until dissolved by act of Congress.

(3) To make contracts.

(4) To sue and be sued, complain and defend, in any court of law or equity, State or Federal.

(5) To appoint and to fix the compensation, by its board of trustees, of such officers, employees, attorneys, or agents, as shall be necessary for the performance of its duties under this title, without regard to the provisions of any other laws relating to the employment or compensation of officers or employees of the United States. Nothing in this title or any other provision of law shall be construed to prevent the appointment and compensation as an officer, attorney, or employee of the Corporation, of any officer, attorney, or employee of any board, corporation, commission, establishment, executive department, or instrumentality of the Government. The Corporation, with the consent of any board, corporation, commission, establishment, executive department, or instrumentality of the Government, including any field service thereof, may avail itself of the use of information, services, and facilities thereof in carrying out the provisions of this title.

(d) For the purposes of this title, the Corporation shall have power to borrow money, and to issue notes, bonds, debentures, or other such obligations upon such terms and conditions as the board of trustees may determine. Moneys of the Corporation not required for current operations shall be deposited in the Treasury of the United States, or upon the approval of the Secretary of the Treasury, in any Federal Reserve bank, or shall be invested in obligations of, or guaranteed as to principal and interest by, the United States. When designated for that purpose by the Secretary of the Treasury, the Corporation shall be a depositary of public money under such regulations as may be prescribed by the Secretary of the Treasury, and may also be employed as fiscal agent of the United States, and it shall perform all such reasonable duties as depositary of public money and fiscal agent as may be required of it.

(e) All notes, bonds, debentures, or other such obligations issued by the Corporation shall be exempt, both as to principal and interest, from all taxation (except surtaxes, estate, inheritance, and gift taxes) now or hereafter imposed by the United States, by any Territory, dependency, or possession thereof, or by any State, county, municipality, or local taxing authority. The Corporation, including its franchise, capital, reserves, surplus, and income, shall be exempt from all taxation now or hereafter imposed by the United States, by any Territory, dependency, or possession thereof, or by any State, county, municipality, or local taxing authority; except that any real property of the Corporation shall be subject to State, Territorial, county, municipal, or local taxation to the same extent according to its value as other real property is taxed.

(f) The Corporation shall make an annual report of its operations to the Congress as soon as practicable after the first day of January in each year.

(g) No individual, association, partnership, or corporation shall use the words "Federal Savings and Loan Insurance Corporation", or any combination of any of these words which would have the effect of leading the public in general to believe there was any connection, actually not existing, between such individual, association, partnership, or corporation and the Federal Savings and Loan Insurance Corporation, as the name under which he or it shall hereafter do business. No individual, association, partnership, or corporation shall advertise or otherwise represent falsely by any device whatsoever that his or its accounts are insured or in anywise guaranteed by the Federal Savings and Loan Insurance Corporation, or by the Government of the United States, or by any instrumentality thereof; and no insured member shall advertise or otherwise represent falsely by any device whatsoever the extent to which or the manner in which its accounts are insured by the Federal Savings and Loan Insurance Corporation. Every individual, partnership, association, or corporation violating this subsection shall be punished by a fine of not exceeding $1,000, or by imprisonment not exceeding one year, or both.

Insurance of accounts and eligibility provisions

Sec. 403. (a) It shall be the duty of the Corporation to insure the accounts of all Federal savings and loan associations, and it may insure the accounts of building and loan, savings and loan, and homestead associations and cooperative banks organized and operated according to the laws of the State, District, or Territory in which they are chartered or organized.

(b) Application for such insurance shall be made immediately by each Federal savings and loan association, and may be made at any time by other eligible institutions. Such applications shall be in such form as the Corporation shall prescribe, and shall contain an agreement (1) to pay the reasonable cost of such examinations as the Corporation shall deem necessary in connection with such insurance, and (2) if the insurance is granted, to permit and pay the cost of such examinations as in the judgment of the Corporation may from time to time be necessary for its protection and the protection of other insured institutions, to permit the Corporation to have access to any information or report with respect to any examination made by any public regulatory authority and to furnish any additional information with respect thereto as the Corporation may require, and to pay the premium charges for insurance as hereinafter provided. Each applicant for such insurance shall also file with its application an agreement that during the period that the insurance is in force it will not make any loans beyond fifty miles from its principal office except with the approval of, and pursuant to regulations of, the Corporation, but any applicant which, prior to the date of enactment of this act, has been permitted to make loans beyond such fifty-mile limit may continue to make loans within the territory in which the applicant is operating on such date; will not, after it becomes an insured institution, issue securities which guarantee a definite return or which have a definite maturity except with the specific approval of the Corporation, or issue any securities the form of which has not been approved by the Corporation; will not carry on any sales plan or practices, or any advertising, in violation of regulations to be made by the Corporation; will provide adequate reserves satisfactory to the Corporation, to be established in accordance with regulations made by the Corporation, before paying dividends to its insured members; but such regulations shall require the building up of reserves to 5 per centum of all insured accounts within a reasonable period, not exceeding ten years, and shall prohibit the payment of dividends from such reserves, or the payment of any dividends if any losses are chargeable to such reserves.

(c) The Corporation shall reject the application of any applicant if it finds that the capital of the applicant is impaired or that its financial policies or management are unsafe; and the Corporation may reject the application of any applicant if it finds that the character of the management of the applicant or its home financing policy is inconsistent with economical home financing or with the purposes of this title. Upon the approval of any application for insurance the Corporation shall notify the applicant, and upon the payment of the initial premium charge for such insurance, as provided in section 404, the Corporation shall issue to the applicant a certificate stating that it has become an insured institution. In considering applications for such insurance the Corporation shall give full consideration to all factors in connection with the financial condition of applicants and insured institutions, and shall have power to make such adjustments in their financial statements as the Corporation finds to be necessary.

(d) Any applicant which applies for insurance under this title after the first year of the operation of the Corporation, shall pay an admission fee based upon the reserve fund of the applicant which, in the judgment of the Corporation, is an equitable contribution.

Premiums on insurance

Sec. 404. (a) Each institution whose application for insurance is approved by the Corporation shall pay to the Corporation, in such manner as it shall prescribe, a premium charge for such insurance equal to one-fourth of one per centum of the total amount of all accounts of the insured members of such institution plus any creditor obligations of such institution. Such premium shall be paid at the time the certificate is issued by the Corporation under section 403, and thereafter annually until a reserve fund has been established by the Corporation equal to five per centum of all insured accounts and creditor obligations of all insured institutions; except that under regulations prescribed by the Corporation such premium charge may be paid semiannually. If at any time such reserve fund falls below such 5 per centum, the payment of such annual premium charge for insurance shall be resumed and shall be continued until the reserve is brought back to such 5 per centum. For the purposes of this subsection, the amount in all accounts of insured members and the amount of creditor obligations of any institution may be determined from adjusted statements made within one year prior to the approval of the application of such institution for insurance, or in such other manner as the Corporation may by rules and regulations prescribe.

(b) The Corporation is further authorized to assess against each insured institution additional premiums for insurance until the amount of such premiums equals the amount of all losses and expenses of the Corporation; except that the total amount so assessed in any one year against any such institution shall not exceed one-fourth of 1 per centum of the total amount of the accounts of its insured members and its creditor obligations.

Payment of insurance

Sec. 405. (a) Each institution whose application for insurance under this title is approved by the Corporation shall be entitled to insurance up to the full withdrawable or repurchasable value of the accounts of each of its members and investors (including individuals, partnerships, associations, and corporations) holding withdrawable or repurchasable shares, investment certificates, or deposits, in such institution; except that no member or investor of any such institution shall be insured for an aggregate amount in excess of $5,000.

(b) In the event of a default by any insured institution the Corporation shall promptly determine the insured members thereof and the amount of their insured accounts, and shall make available to each of them, after notice by mail at his last-known address as shown by the books of the insured institution, and upon surrender and transfer to the Corporation of his insured account, either (1) a new insured account in an insured institution not in default, in an amount equal to the insured account so transferred, or (2) at the option of the insured member, the amount of his account which is insured under this section, as follows: Not to exceed 10 per centum in cash, and 50 per centum of the remainder within one year, and the balance within three years, from the date of such default, in negotiable noninterest-bearing debentures of the Corporation. The Corporation shall furnish to all insured institutions a certificate stating that the insurance of accounts in such institution is to be paid in the manner described in this subsection.

Liquidation of insured institutions

Sec. 406. (a) In order to facilitate the liquidation of insured institutions, the Corporation is authorized (1) to contract with any insured institution with respect to the making available of insured accounts to the insured members of any insured institution in default, or (2) to provide for the organization of a new Federal savings and loan association for such purpose, subject to the approval of the Federal Home Loan Bank Board.

(b) In the event that a Federal savings and loan association is in default, the Corporation shall be appointed as conservator or receiver and is authorized as such (1) to take over the assets of and operate such association, (2) to take such action as may be necessary to put it in a sound and solvent condition, (3) to merge it with another insured institution, (4) to organize a new Federal savings and loan association to take over its assets, or (5) to proceed to liquidate its assets in an orderly manner, whichever shall appear to be to the best interests of the insured members of the association in default; and in any event the Corporation shall pay the insurance as provided in section 405 and all valid credit obligations of such association. The net proceeds which may arise from the orderly liquidation of the assets of any such association, after reimbursement of the Corporation of all amounts, paid by it for such insurance, shall be distributed pro rata among the shareholders of the association.

(c) In the event any insured institution other than a Federal savings and loan association is in default, the Corporation shall have authority to act as conservator, receiver, or other legal custodian of such insured institution, and the services of the Corporation are hereby tendered to the court or other public authority having the power of appointment. If the Corporation is so appointed, it shall have the same

powers and duties with respect to the insured institution in default as are conferred upon it under subsection (b) with respect to Federal savings and loan associations. If the Corporation is not so appointed it shall pay the insurance as provided in section 405, and shall have power (1) to bid for the assets of the insured institution in default, (2) to negotiate for the merger of the insured institution or the transfer of its assets, or (3) to make any other disposition of the matter as it may deem in the best interests of all concerned.

"(d) In connection with the liquidation of insured institutions in default, the Corporation shall have power to carry on the business of and to collect all obligations to the insured institutions, to settle, compromise, or release claims in favor of or against the insured institutions, and to do all other things that may be necessary in connection therewith, subject only to the regulation of the court or other public authority having jurisdiction over the matter.

"(e) The Corporation shall make an annual report to the Congress of the operation by it of insured institutions in default, and shall keep a complete record of the administration by it of the assets of such insured institutions which shall be subject to inspection by any officer of any such insured institution or by any other interested party, and, if any such insured institution is operated under the laws of any State, Territory, or possession of the United States, or of the District of Columbia, such annual report shall also be filed with the public authority which has jurisdiction over the insured institution.

Termination of insurance

Sec. 407. (a) Any institution which is insured under the provisions of this title may, upon not less than ninety days' written notice to the Corporation, terminate its status as an insured institution upon a majority vote of its shareholders entitled to vote, or upon a majority vote of its board of directors or other similar governing body which is authorized to act for the institution. Thereupon its status as an insured institution shall immediately cease and all rights of its insured members to insurance under this title shall immediately terminate; but the obligation of the institution to pay the premium charges for insurance shall continue for a period of three years after the date of such termination.

(b) The Corporation shall have power to terminate the insured status of any insured institution at any time, after ninety days' notice in writing for violation of any provision of this title, or of any rule or regulation made thereunder, or of any agreement made pursuant to section 403. In the event the insured status of any insured institution is so terminated it shall be unlawful thereafter for it to advertise or represent itself as an insured institution, but the insured accounts of its members existing on the date of such termination shall continue as such for a period of five years thereafter, and the institution shall be required to continue the payment of the premium charge for insurance during such five-year period.

"(1) If secured by a mortgage insured under the provisions of title II of the National Housing Act, the advance may be for an amount not in excess of 90 per centum of the unpaid principal of the mortgage loan.

"(2) If secured by a home mortgage given in respect of an amortized home mortgage loan which was for an original term of eight years or more, or in cases where shares of stock, which are pledged as security for such loan, mature in a period of eight years or more, the advance may be for an amount not in excess of 65 per centum of the unpaid principal of the home mortgage loan; but in no case shall the amount of the advance exceed 60 per centum of the value of the real estate securing the home mortgage loan.

"(3) If secured by a home mortgage given in respect of any other home mortgage loan, the advance shall not be for an amount in excess of 50 per centum of the unpaid principal of the home mortgage loan; but in no case shall the amount of such advance exceed 40 per centum of the value of the real estate securing the home mortgage loan."

Such advances shall not be subject to the provisions and restrictions of section 10 of this act, but shall be made upon the security of notes representing obligations incurred pursuant to, and insurable under, section 2 of the National Housing Act. Advances made under the terms of this section shall be at such rates of interest and upon such terms and conditions as shall be determined by the Federal Home Loan Bank Board."

Sec. 503. Section 11 of the Federal Home Loan Bank Act is amended to read as follows:

"(b) The Board may issue consolidated Federal home-loan bank debentures which shall be the joint and several obligations of all Federal home-loan banks organized and existing under this act, in order to provide funds for any such bank or banks, and such debentures shall be issued upon such terms and conditions as the Board may prescribe. No such debentures shall be issued at any time if any of the assets of any Federal home-loan bank are pledged to secure any debts or subject to any lien, and neither the Board nor any Federal home-loan bank shall have power to pledge any of the assets of any Federal home-loan bank, or voluntarily to permit any lien to attach to the same while any of such debentures so issued are outstanding.—The debentures issued under this section and outstanding shall at no time exceed five times the total paid-in capital of all the Federal home-loan banks as of the time of the issue of such debentures. It shall be the duty of the Board not to issue debentures under this section in excess of the notes or obligations of member institutions held and secured under section 10 (a) of this act by all the Federal home-loan banks.

"(c) At any time that no debentures are outstanding under this act, or in order to refund all outstanding consolidated debentures issued under this section, the board may issue consolidated Federal home-loan bank bonds which shall be the joint and several obligations of all the Federal home-loan banks, and shall be secured and be issued upon such terms and conditions as the Board may prescribe.

"(d) The Board shall have full power to require any Federal home-loan bank to deposit additional collateral or to make substitutions of collateral or to adjust equities between the Federal home-loan banks.

"(e) Each Federal home-loan bank shall have power to accept deposits made by members of such bank or by any other Federal home-loan bank or other instrumentality of the United States, upon such terms and conditions as the Board may prescribe, but no Federal home-loan bank shall transact any banking or other business not authorized by this act.

"(f) The Board is authorized and empowered to permit, or whenever in the judgment of at least four members of the Board an emergency exists requiring such action, to require, Federal home-loan banks, upon such terms and conditions as the Board may prescribe, to rediscount the discounted notes of members held by other Federal home-loan banks, or to make loans to, or make deposits with, such other Federal home-loan banks, or to purchase any bonds or debentures issued under this section.

"(h) Such part of the assets of each Federal home-loan bank (except reserves and amounts provided for in subsection (g)) as are not required for advances to members or nonmember borrowers, may be invested, to such extent as the bank may deem desirable and subject to such regulations, restrictions, and limitations as may be prescribed by the Board, in obligations of the United States and in such securities as fiduciary and trust funds may be invested in under the laws of the State in which the Federal home-loan bank is located."

Notes representing such loans shall be eligible for discount as commercial paper within the terms of the second paragraph of section 13 of the Federal Reserve Act, as amended, if accompanied by a valid and binding agreement to advance the full amount of the loan upon the completion of the building entered into by an individual, partnership, association, or corporation acceptable to the discounting bank."

DISAPPROVALS OF BILLS AND JOINT RESOLUTIONS

The President of the United States, on June 26, 1934, issued the following statement for the press, a copy of which he transmitted to the Secretary of the Senate:

The Constitution of the United States, with reference to bills presented to the President by the Congress, provides:

"If any Bill shall not be returned by the President within ten Days (Sundays excepted) after it shall have been presented to him, the Same shall be a Law, in like Manner as if he had signed it, unless the Congress by their Adjournment prevent its Return, in which Case it shall not be a Law."

In the past it has been customary in most cases involving vetoes for the President to withhold his signature, thereby, in effect, allowing the bill to die without becoming a law.

The President has desired, however, to take a more affirmative position than this, feeling that in the case of most legislation reasons for definite disapproval should be given. Therefore, he has written on the copy of each bill the words "Disapproved and signature withheld", and has appended in every case a brief statement giving the reason or reasons for disapproval.

The bills identified below have been vetoed by the President, and the reasons which lead to their disapproval are contained in the following statements:

H.R. 7711. "I disapprove H.R. 7711, entitled 'An act to permit postmasters to act as disbursing officers for the payment of traveling expenses of officers and employees of the Postal Service.'

"Section 4 of Executive order of June 10, 1933, No. 6166, relating to the organization of executive agencies, provides in part:

"'The function of disbursement of moneys of the United States exercised by any agency is transferred to the Treasury Department and, together with the office of disbursing clerk of that Department, is consolidated in a Division of Disbursement, at the head of which shall be a chief disbursing officer.'

"That consolidation of disbursing functions is now being perfected, subject to the provisions contained in Executive Orders Nos. 6727 and 6728, of May 29, 1934, and I am therefore not in favor of this bill, which would apparently invalidate, to the extent therein set forth, the consolidation of disbursing functions as provided in said Executive order of June 10, 1933."

S. 1358. "I disapprove Senate bill 1358 entitled 'An act to provide for the improvement of approaches to the National Cemetery and the Confederate Cemetery, Fayetteville, Ark.'

"This bill would require the Highway Department of the State of Arkansas to expend not to exceed $12,800 out of Public Works allocations, in the construction of an 18-foot concrete pavement on approaches to the National Cemetery and to the Confederate Cemetery at Fayetteville, Ark.

"The Government-owned approach road to the National Cemetery was conveyed to the city of Fayetteville by the Secretary of War on July 7, 1926, pursuant to the act of March 3, 1925 (43 Stat. 1104), and the city assumed the obligation to maintain that road.

"This bill would divert Public Works funds granted to the Highway Department of the State of Arkansas, which are required to be expended under the provisions of the Federal Highway Act, to the construction of streets in a city that are not part of the Federal highway system.

"The improvement of any particular road and the type of improvements which shall be made are engineering matters to be determined in the light of traffic conditions and the availability and suitability of materials. The policy of determining these matters and what roads shall be so improved under our Federal aid highway system has been wisely vested in the Secretary of Agriculture, and I am not in favor of departing from that policy as proposed in this bill."

H.R. 8587. An act to extend the benefits of the Employees' Compensation Act of September 7, 1916, to William Thomas.

"This bill is defectively drawn; and in addition the War Department has no record of the injury alleged."

H.R. 4957. An act for the relief of F. M. Peters and J. F. Akers.

"I cannot agree that reasonable care was exercised by these postmasters, and must, therefore, approve the recommendation of the Post Office Department."

H.R. 8728. An act authorizing the Secretary of War to lease or sell certain lands or buildings known as "Camp Eagle Pass, Tex.", to the city of Eagle Pass, Tex.

"I cannot approve this bill in its present form. The object is worthy, but the Government's rights are not sufficiently protected."

H.R. 363. An act for the relief of James Moffitt.

"It does not seem reasonable to believe that malaria and large doses of quinine prevented this man from knowing he was deserting, in view of the fact that he thereafter stayed in Chicago for a year and then went home without apparently trying in any way to clear his record."

H.R. 3161. "I disapprove House bill no. 3161, entitled 'An act for the relief of Henry Harrison Griffith.'

"The bill authorizes and directs the Employees' Compensation Commission to extend the benefits of the Employees' Compensation Act of September 7, 1916, to a former civil employee of the United States in the same manner and to the same extent as if application for such benefits had been made within the 1-year period required by sections 17 and 20 of the Compensation Act.

"The bill is objectionable because it does not limit the benefits to the date of the approval of the bill, and further, the bill as drawn does not authorize the Commission to examine into the merits of the claim."

H.R. 2632. An act for the relief of Wilson G. Bingham.

"Because this officer voluntarily resigned 4 years after the close of the World War, he should not now be reinstated and retired as a captain.

"I would approve a bill to extend to him the benefits of the Emergency Officers' Retirement Act."

H.R. 8517. An act to provide for needy blind persons of the District of Columbia.

"I am compelled to agree with the adverse reports on this bill made by the Commissioners of the District of Columbia and the Director of the Budget.

"I therefore reluctantly disapprove the bill."

S. 3446. An act to authorize the Postmaster General to receive, operate, and maintain for official purposes motor vehicles seized for violations of the customs laws.

"Disapproved because I do not wish to establish the habit of providing passenger automobiles for postal employees."

H.R. 3054. An act for the relief of Christopher Cott.

"Nothing in this record extenuates the circumstance of desertion except his service during the actual war period. The bill is therefore disapproved."

H.R. 5018. An act to correct the naval records of former employees of the crews of the revenue cutters *Algonquin* and *Onondaga*.

"This bill is disapproved because it stretches the imagination to declare men on a revenue cutter for 17 days on the Great Lakes in August 1898 to be entitled to all the privileges of Spanish War veterans."

H.R. 1766. An act to provide medical service after the retirement on annuity to former employees of the United States disabled by injuries sustained in the performance of their duties.

"I am disapproving this bill because I fear that if this principle is established it will grow and grow like war pensions, and that would be a pity for our children and grandchildren."

H.R. 5864. An act to authorize the payment of expenses of delegates of the Yakima Confederated Tribes of Indians while on a mission to represent such tribes before Congress and the executive departments at the seat of government, and for other purposes.

"I understand the established policy is to charge expenses of this character to tribal funds instead of to the Treasury. The bill is therefore disapproved."

On June 27, 1934, the following bills and joint resolutions were likewise disapproved:

H.R. 3595. An act for the relief of St. Ludgers Catholic Church of Germantown, Henry County, Mo.

"Seventy years have elapsed since the end of the Civil War. During this period no Congress has ever seen fit either to grant an award of this claim or to refer it to the Court of Claims. To approve this bill would open up many claims for damages alleged to have been caused by Union forces in the Civil War."

H.R. 8513. An act to authorize the coinage of 50-cent pieces in commemoration of the boyhood home of Gen. Thomas J. (Stonewall) Jackson.

"Although I have approved several bills to authorize issuing 50-cent pieces to commemorate anniversaries of the founding of States, I have announced that hereafter such coinage should be greatly limited.

"While the boyhood home of General Jackson is of great interest to all Americans, I do not believe that a special coinage of 50-cent pieces is justified."

H.R. 8644. An act to provide warrant officers of the Coast Guard parity of promotion with warrant officers of the Navy.

"The Treasury Department is definitely opposed to the approval of this measure. The question rests primarily on the need of the Coast Guard for additional warrant officers. The Secretary of the Treasury states categorically, 'If the bill was enacted the number of chief warrant officers appointed would far exceed the number needed for the proper conduct of the Coast Guard.' In view of this there is no question that disapproval is called for."

S. 1103. An act to authorize the Secretary of the Navy to proceed with certain public works at the naval air station, Pensacola, Fla.

"This bill authorizing an expenditure of over $5,000,000 for Navy aeronautical purposes is premature. Final decision as to priority of Navy flying developments has not yet been made. If it seems advisable to include Pensacola next winter, a request for an adequate appropriation and not merely an authorization will then be made."

S. 3626. An act referring the claims of the Turtle Mountain Band or Bands of Chippewa Indians of North Dakota to the Court of Claims for adjudication and settlement.

"While the purpose of this is good, it does not cure the objections raised by me in the veto of a similar bill, S. 326, on May 10, 1934."

S. 3780. An act for the relief of persons engaged in the fishing industry.

"This bill is unnecessary because the act authorizing loans to industries includes the fishing industry."

S. 3092. An act to confer jurisdiction upon the Court of Claims to hear, determine, and render judgment upon the

30108—s J—73-2——41

claim of the heirs of Jesse Taylor, deceased Cherokee Indian, for the value of certain lands now held by the United States.

"Disapproved because this bill ties the hands of the Court of Claims and prevents an equitable determination."

S. 854. An act for the relief of the Ingram-Day Lumber Co.

"Disapproved because no provision is made for the Government's counterclaim."

H.R. 5543. An act for the relief of T. Brooks Alford.

"A portion of this sum appears justifiable, but not the whole amount."

S. 1287. An act for the relief of Leonard Theodore Boice.

"The record is so clear in this case that it would not be just to attempt to change it by congressional action."

S. 3499. An act for the relief of Michael Ilitz.

"In spite of this man's excellent record as a soldier and civil employee, this bill would single him out for special reward. It must, therefore, be disapproved."

S. 1654. An act for the relief of George Yusko.

"I cannot feel that the circumstances disclosed are sufficiently extenuating to justify the approval of this bill."

S. 2810. An act for the relief of Alice F. Martin, widow, and two minor children.

"This bill is similar to H.R. 6246 and must be disapproved for the same reasons given in my veto message of June 16, 1934."

S. 1992. An act for the relief of Arthur R. Lewis.

"I cannot agree that the 'extenuating circumstances' mentioned in the committee report justify changing the record."

S. 3156. An act for the relief of Mary Angela Moert.

"This bill departs from a long-established, sound policy of the War Department."

S. 527. An act for the relief of Lillian Morden.

"There must have been thousands of similar cases of influenza during the World War. I cannot open up this broad field."

S. 2227. An act for the relief of Harold S. Shepardson.

"Disapproved because the statements do not seem to me to justify or condone the offense."

H.R. 3726. An act to grant a patent to Albert M. Johnson and Walter Scott.

"While I am in sympathy with the purpose of this bill, I must disapprove it because it does not properly safeguard the Government."

S. 3516. An act for the relief of the Morgan Decorating Co.

"Disapproved because I do not believe that an obligation of the Federal Government has been sufficiently established."

S. 60. An act for the relief of Richard J. Rooney.

"From a careful perusal of Senate Report 473, I cannot bring myself to the conclusion that this claim for $75 has sufficient merit."

S. 2744. An act for the relief of Anna Carroll Taussig.

"This case has been before Congress in the form of a relief bill for approximately 15 years. It never received favorable consideration. Most of the postal records in the case were destroyed by the authority of Congress as useless papers. I presume that former Congresses were convinced that the claims had no merit."

S. 3486. An act for the relief of George L. Rullson.

"This bill violates the general rule that no officer or employee can create a valid claim by incurring obligations which he is not legally required or authorized to incur."

S.J.Res. 106. Joint resolution authorizing loans to fruit growers for rehabilitation of orchards during the year 1934.

"There is no necessity for this bill because its purpose can be accomplished with funds appropriated for the relief of stricken agricultural areas and made available by me in the Farm Credit Administration."

H.R. 4554. An act to amend section 4808 of the Revised Statutes (U.S.C., title 24, sec. 3) to prevent discriminatory reductions in pay of the retired personnel of the Navy and Marine Corps.

"There is no more reason to relieve officers and men on the retired list from the assessment of 20 cents per month for the Naval Hospital fund than there would be to relieve those on the active list."

H.R. 4447. An act for the relief of Vertner Tate.

"This proposed bill is not desirable for the reason that it would set an unwise precedent."

S. 2672. An act for the relief of Mabel S. Parker.

"This bill is disapproved because it would create the precedent of granting relief upon the ground of ignorance of the law."

H.R. 8688. An act for the relief of Stella E. Whitmore.

"This bill is disapproved because relief can be granted upon proper application to the Treasury Department and also because of technical defects."

S. 1508. An act providing for the final enrollment of the Indians of the Klamath Indian Reservation in the State of Oregon.

"This bill improperly excludes certain Indians from existing rights."

S. 3185. An act to amend the Agricultural Adjustment Act, as amended, with respect to farm prices.

"This bill is disapproved because of the difficulties which have been pointed out in memoranda from the Department of Justice, the Department of Agriculture, and the Agricultural Adjustment Administration."

H.R. 9145. An act to authorize the attendance of the Marine Band at the National Encampment of the Grand Army of the Republic to be held at Rochester, N.Y., August 14, 15, and 16, 1934, and at the National Convention of the Disabled American Veterans of the World War, to be held at Colorado Springs, Colo., during the first week in July 1934.

"If we start to send the Marine Band to various conventions in different parts of the country, we will go beyond the scope of the duties contemplated for such bands and interfere with the opportunity of private bands to secure employment. The bill is, therefore, disapproved."

H.R. 9046. An act to discontinue administrative furloughs in the Postal Service.

"There is no valid reason why the Postal Service should be especially exempted from the provisions of law that apply to all of the other Government departments. Furthermore, the Postmaster General reports that the limitations proposed in the bill will have no present effect on the administration of the postal personnel. Finally, it appears to be an unnecessary limitation on the administrative authority customarily vested in the Executive."

On June 28, 1934, the following bills and joint resolution were likewise disapproved:

H.R. 4444. An act for the relief of Lt. James Floyd Terrell, Medical Corps, United States Navy.

"Disapproved because no negligence on the part of a Government employee is shown and because officers and men on duty at naval shore stations should protect their own property by insurance."

H.J.Res. 322. Joint resolution to provide for the disposal of smuggled merchandise, to authorize the Secretary of the Treasury to require imported articles to be marked in order that smuggled merchandise may be identified, and for other purposes.

"This bill is disapproved at the urgent solicitation of the Treasury Department. The whole subject of the disposal of smuggled merchandise is being studied, and it is hoped that a better method than the one provided in this bill can be evolved."

S. 2238. An act to provide for the payment of damages to certain residents of Alaska caused by reason of extending the boundaries of Mount McKinley National Park.

"Disapproved for the reason set forth on the report of the Secretary of Interior to the Chairman of the Committee on Claims."

S. 294. An act for the relief of Stanton & Jones.

"This claim has been tried on its merits by the Court of Claims and petition dismissed. The procedure now proposed is decidedly unfair to the Government, and I must, therefore, disapprove the bill."

S. 2156. An act for the relief of the American-La France & Foamite Corporation of New York.

"Because I am inclined to agree with the opposition of the present and former Secretaries of the Treasury to this bill, I must disapprove it."

S. 3741. An act to convey certain lands to the State of South Dakota for public park purposes, and for other purposes.

"I am disapproving this bill at the earnest request of the Department of Agriculture. I appreciate the desire of the State of South Dakota to add to its existing State park this large area of national-forest land lying north and south of it. Nevertheless, I do not think the time is ripe for a final determintion of the problem. So many changes are in process in the administration and development of Government-owned land, both State and National, that I think the final policy should become more clear and definite."

H.R. 9275. An act to provide for the protection and preservation of domestic sources of tin.

"The national policy concerning tin is now under examination by a committee especially empowered by the House of Representatives. It is undesirable at the present time to take partial action which may be inconsistent with the ultimate recommendations of this committee."

S. 3394. An act for the relief of the Grier-Lowrance Construction Co.

"It would be inconsistent with the whole record for me to approve this bill."
