INDIAN MEDICAL ASSOCIATION

TIRUCHY BRANCH

Annual Report For 1953-54.

FRIENDS,

On behalf of the Managing Committee I have great pleasure in presenting this, the 25th annual report of our association for the year ending 30th September 1954.

Before reviewing our activities during the year, I wish to bring to your notice a very painful fact. Dr. T. S. S. Rajan had been snatched away from our midst in October 1953. He was not only one of the founder members, but was a life member and the President of our association for many years. May his soul rest in peace.

We are very happy to record that in this year—our Silver Jubilee year—we have achieved our ambition of having a building of our own. We have also had the honour of meeting at Dinner on 8-1-54 Srimathi Maragatham Chandrasekar, Union Deputy Minister for Health, Govt. of India who laid the foundation stone of Dr. A. Mathuram Memorial Hall, and Rajkumari Amrit Kaur, Minister for Health, Govt. of India at Tea on 4-8-54.

Trichy Medical Association Buildings: The construction of the building under the able supervision of Dr. V. Subramanian was started on 29-6-53 and finished just in time for our Silver Jubilee Celebrations on 5th June 1954 when we had the opening of our buildings by Sri A. B. Shetty, Minister for

Health, Govt. of Madras. The accounts relating to the building fund is given in the audited statement of accounts. The donors are listed in appendix No. 1 of the report.

Here, I wish to place on record our indebtedness to the many members and non members alike who have so generously responded to our request for donations and helped to make our ambition come true. In particular, I must thank Mr. John Ponniah for his handsome donation of Rs. 2,000/- and our most benevolent donors Dr. Mathuram and Sons especially Dr. E. P. Mathuram and Dr. B. L. J. Mathuram who came forward and gave us this hall built as if with a magic wand. It might surprise you to know that this hall was built from foundation to completion just in three weeks' time.

This building has been assessed and the Municipal Tax for the half year ending September '54 had also been paid. The sanction for water tap has been obtained and in course of time we will have the connection.

Silver Jubilee Celebrations: The opening of the new buildings and the Silver Jubilee Celebrations held on 5th and 6th June 1954 were very well attended. A Civic Address was presented to the President and the members of Provincial Council of the Madras State Branch of the I. M. A. The opening of the building and the "Mathuram

ASSOCIATION NOTES

Hall by Sri A. B. Shetty, M.L.A., Minister for Health, Govt. of Madras and the opening of the "Rajan Hall" was by Sri V. Seshasayee, Trichy. The Silver Jubilee Celebrations were inaugurated by Dr. U. Krishna Rao, M.B.B.S., M.L.A., and the Scientific Session was inaugurated by Lt. Col. Sangham Lal, Director of Medical Services. Eminent men of the profession addressed us on that occasion. The details of the lectures and the firms who stood as hosts are shown in the summary of meetings held. Messrs. The South Indian Manufacturing Company, Mathurai decorated the meeting and the dining hall and liberally contributed for the electrical and pandal arrangements.

Meetings: During the year we held 13 clinical meetings and one was held at Vangal. For our clinical meetings it was possible to secure several distinguished speakers from outside. The association is greatly indebted to all the speakers who came long distances at their own expense to speak to us at the various meetings and I thank them all. A complete list of meetings held is shown in appendix No. III. During the year we held 23 Managing Committee and Building Jubilee Committee meetings and the work of the association was directed from time to time by the Committees.

Miscellany: The Miscellany, the official organ of the Madras State Branch is being run as usual by Dr. P. A. S. Raghavan the Managing Editor, in spite of heavy odds.

Other activities of our association: Our members are taking part in Hind Kusht Nivaran Sangh, District Health Association, Indian Red Cross Society and Guild of Service. The Blind Relief Work is carried on energetically by the Eye Specialists of our association and some of our members are taking keen interest in doing Rural Medical work at Rachandar Tirumala, village 12 miles off Tiruchy. Dr. A. B. Shetty, M.L.A., Minister for Health, Govt. of Madras and the opening of the "Rajan Hall" was by Sri V. Seshasayee, Trichy. The Silver Jubilee Celebrations were inaugurated by Dr. U. Krishna Rao, M.B.B.S., M.L.A., and the Scientific Session was inaugurated by Lt. Col. Sangham Lal, Director of Medical Services. Eminent men of the profession addressed us on that occasion. The details of the lectures and the firms who stood as hosts are shown in the summary of meetings held. Messrs. The South Indian Manufacturing Company, Mathurai decorated the meeting and the dining hall and liberally contributed for the electrical and pandal arrangements.

Indian Khadbi Exhibition held in July this year a free health check was done by our members to all who came.

Membership: The membership gone up by 5 since last year.

Membership as on 24-10-1953
New members during the year

Total ...
Resigned or removed from rolls during the year

Membership at the end of September 1954

Finance: The financial position of our association is depleted very much this year due to the construction of our building. It is proposed to buy more furniture, a compound wall to be put up, clerk's quarters put up, fans to be installed within the halls and to provide an up-to-date library and other amenities for the benefit of the members of this association. For this I want more money and I request members who have not yet contributed to contribute liberally, without which we cannot achieve the above aims.

Our aims: We still aim at improving our building so as to make it a real centre of medical activities in the District. We are badly in need of a good consulting library so as to benefit of latest discoveries to our patients and also recreational facilities to our members which alone will bring about extra professional social contact and effect as an antidote for professional misunderstandings.

Conclusion: Finally, I thank all lecturers who have responded to our invitation, the firms who stood as hosts at our last annual meeting and the Silver Jubilee Celebrations. My thanks are also due to the Principal, Heber High School, the Superintendent, Govt. Head Quarters Hospital, the Superintendent, Rajaji Sanatorium, for allowing their premises to be used for our association.

November 1954

ASSOCIATION NOTES

3

our meetings, to the Indian Red Cross Society and Messrs. S. M. E. S. C. Company for kindly lending their Mobile Van and Cinema Projector and Epiediascope respectively and to Messrs. Lederle Labs., Bombay for kindly lending their films. This year has been one of the increased activity and it was possible to carry on the activities only because of the unstinted cooperation extended by one and all of you to me and to the other office bearers. My grateful thanks to you all for the same. In this connection I have great pleasure in expressing my appreciation of the diligent and loyal work put up by our clerk Sri N. Rangarajan who worked day and night to make my work easier and to keep up a successful year of activity for our association.

My grateful thanks are due to the President, members of the Managing Committee, Building Committee and Silver Jubilee Committee and to the past Presidents in particular, for all their valuable advice at all times. I particularly thank our Hon'y. Treasurer Dr. A. Dharmarajan, but for whose whole hearted support in all enterprise, I would not have been able to discharge my duties. I will be failing in my duty if I do not convey our sincere thanks to Dr. V. Subramanyam our dear Pal Doctor who has exerted his utmost to see that we are all comfortably seated under a good roof.

Thank you friends.

T. V. RANGANATHAN

Hon'y. Secretary.

ASSOCIATION NOTES

THE SEVENTH ANNUAL REPORT OF THE NILGIRI DISTRICT BRANCH OF THE INDIAN MEDICAL ASSOCIATION

1953-54

On behalf of the Nilgiri District Medical Association I have great pleasure in presenting the annual report of the Association for the year 1953-54.

The Nilgiri District Medical Association was inaugurated in 1937. It was affiliated to the Indian Medical Association in 1947 after which it was renamed the Nilgiri District Branch of the Indian Medical Association.

Membership: At the commencement of the year we had 65 members including 3 direct members. 10 members joined and 8 left the association during the year due to their leaving the station on transfer or due to temporary absence on account of studies overseas, leaving a total of 68 members on the rolls at the close of the year.

We have great pleasure in welcoming the following new members to the membership of this branch:—Doctors Delemose, Thimmappaya, Dorairaj, (Mrs.) Chacko Mathew, U. Maruthy Rao, P. K. Anthony, G.H.F. Humphreys, Kader Sultan, N.S.K. Swamy and P.C. Vijayaraghavan Nambiar. We particularly welcome Dr. DeLemose and Mrs. Chacko Mathew, 2 of our old members who have now rejoined us on their being posted back to the district.

Meetings: The main activity of our Association has been its monthly scientific meetings. A medical practitioner is a perpetual student and it is therefore a welcome sign that our activities have been mainly concentrated in holding meetings for which we have been able to get distinguished members of our profession to address us on important subjects. 12 meetings were held during the year and the average attendance has been good. One meeting was held under the joint auspices of the Coimbatore and Nilgiri District

Medical Association at Dasaprakash, Ootacamund, the latter acting as hosts when we had the pleasure of welcoming such distinguished guests like Dr. U. Krishna Rao, Lt. Col. Sangam Lal and others besides the speakers of the evening Doctor Frimodt Moller and Major A. N. Rao.

The association is greatly indebted to all the speakers who were kind enough to address the various meetings. Special mention must be made of Doctors K. C. Nambiar, Paul Brand of Vellore, Col. Sangham Lal, P. Kutumbiah, V. R. Khanolkar and R. V. Rajam, who had come from distant place at considerable personal inconvenience to address our association meetings. Our thanks are also due to the following speakers for giving us very instructive and interesting talk:—

Dr. V. Ramalingaswamy, Lt. Col. A. G. Rangaraj, Dr. P. S. Venkatachalam, Dr. P. K. Doraiswamy, Col. J. C. Bharucha, Dr. C. Gopalan and Dr. (Mrs.) Chacko Mathew.

Library for General Practitioners: The Pasteur Institute library, one of the best of its kind in India is open to all medical practitioners. However it has been felt that a library containing books particularly useful to the general practitioner should be maintained by the association for the use of its members. At the meeting held on 9-10-1954 it has been decided to set apart a sum of Rs. 200/- out of the funds of the association to raise the nucleus of a library for general practitioners. In addition to the 'Indian Medical Journal' and 'Miscellany' which every member of the branch receives free, the association is continuing to subscribe to the 'Practitioner' of London and 'British Medical Journal.' They are

being circulated to all those members who have given their names for the [redacted] for circulation. Members who are not able to attend the meetings of the association due to distances are particularly requested to avail themselves of the advantages of the circulating journals and the library for general practitioner which will be started shortly.

At the monthly meeting of the association held on 19th December, 1953 at Lawley Institute, Ootacamund an appeal received from the President of the Defences' Flag Day Committee, Kotagiri for voluntary contributions from the members was read and a sum of Rs. 55/- was collected on the spot and sent to Dr. V. Govind, President of the Defences' Flag Day Committee.

Finances: The finances of the association are in safe hands. In Dr. Kappinipathy, we have a very efficient and competent Treasurer under whose care the funds of the association have increased even though the membership has gone down. I take this opportunity to thank him for the help he has given me as a Treasurer and also for stepping in my place when I was unable to carry out my duties.

Committee: The Committee met twice during the year for the transaction of official business. I have to place on record my sincere thanks to the President, the Vice-Presidents and the members of the Committee for the help and co-operation, I have received from them in the discharge of my duties. I will be failing in my duty if I do not particularly mention the names of Dr. N. Veeraraghavan and Dr. C. Gopalan but for whose help it would have been impossible for me to carry out my duties as Secretary.

Lastly, on behalf of the Association I want to thank Lt. Col. B. B. Choksi, Commanding and other officers, [redacted] Military Hospital for making such excellent arrangements for holding our annual meeting during last year

and for agreeing to to make all the necessary arrangements for holding the same this year also. Thanks are also due to the Director of the Pasteur Institute, the authorities of the Lawley Institute, and Dasaprakash, for permitting us the use of their premises for holding our meetings. To the staff of the Pasteur Institute I owe a debt of gratitude for the pains they have taken in providing us with excellent teas at economical rates.

In conclusion I wish the association all prosperity and success in the coming years.

JAI HIND!

K. S. P. Nambiar,
Hony. Secretary.

IMMEDIATE RELIEF FROM

COUGHS, COLDS, & BRONCHIAL AFFECTIONS

CHESTON

COUGH SYRUP

Some Indian herbs such as Vasaka, Gulbanafsha, Malethi and Hansraj are well known to the Medical Profession for their therapeutic value in coughs and bronchial affections. Among the Western remedies Pot. Sulpho-Guaiacolate, Terpene Hydrate, Sod. Benzoate and Codeine are most effective for the same purpose.

Cheston is a unique and judicious combination of these Indian herbs and Western chemicals put up in the form of a palatable syrup. The lightning effect of Cheston can be readily realised by administering Cheston in all types of coughs, colds, and bronchitis. The relief will be immediate.

Q-1-1-100018

After a rest of about half an hour, Dr. B. Ramamurthy, M.S., F.R.C.S., addressed the members on "NEURO SURGERY AND GENERAL PRACTITIONER." This was highly appreciated.

After Group Photo and Tea, Dr. D. S. Iyer, M.S., F.R.C.S. (Eng.), addressed the members on "SOME COMMON SURGICAL PROBLEMS." This was followed by an address by Dr. J. A. S. Masilamani, M.D., on "SOME THOUGHTS ON THE MANAGEMENT OF DIABETES MELLITUS." Both the lectures were highly appreciated.

After some discussion and a vote thanks the meeting ended.

In the night there was a dinner at the Beach Hotel when 65 members took part. The toast of the President was proposed by Dr. P. B. Menon, and the toast of the distinguished guests by Dr. C. V. Narayana Ayyar, Dr. Masilamani replied.

With three Cheers proposed by Dr. M. K. Mohamed Koya, the Secretary of the Association, the gala function came to a close.
