# MOST HONORABLE MILITARY ORDER OF THE BATH.

INSTITUTED 1399; REVISED 1735; EXTENDED 1815.

Motto, *Tria Juncta in Uno*—Riband, Red.

By statute, Jan. 3, 1815, it is ordained, "for the purpose of commemorating the auspicious termination of the long and arduous contest in which this Empire has been engaged," that the order shall be composed of three classes, viz.

**1st CLASS.**—To consist of Knights Grand Crosses, number not to exceed seventy-two, exclusive of the Sovereign and Princes of the Blood Royal; twelve of the number may be appointed for Civil and Diplomatic Services. This dignity not to be conferred upon any Officer (except the above twelve) who shall not have attained the rank of Major General in the Army, or Rear Admiral in the Navy, and must have been previously appointed to the second class.

**2d CLASS.**—Knights Commanders, number not to exceed, upon the first Institution, one hundred and eighty, exclusive of foreign Officers, holding British Commissions, of whom not exceeding ten may be admitted as honorary Knights Commanders; in the event of actions of signal distinction, or of future wars, the number of this class may be increased. To be entitled to the distinctive appellation of Knighthood; to have the same rights and privileges as Knights Bachelors, but to take precedence of them; to wear the badge, &c. pendant by a red riband round the neck, the star embroidered on the left side. No person is now eligible to this Class under the rank of Major General in the Army, or Rear Admiral in the Navy.

**3d CLASS.**—Companions of the Order; not limited in number; they are to take precedence of Esquires, but not entitled to the appellation, style, &c. of Knights Bachelors. To wear the badge assigned to the third Class, pendant by a narrow red riband to the button-hole. No officer can be nominated unless he shall have received a medal, or other badge of honor, or shall have been especially mentioned in dispatches in the Gazette, as having distinguished himself in action.

The new badge for the military classes of the order, is a gold Maltese Cross, of eight points, enamelled argent in the four angles, a lion passant, guardant, or in the centre, the rose, thistle, and shamrock, issuant from a sceptre between three imperial crowns, or, within a circle, gules, thereon the motto of the order, surrounded by two branches of laurel, proper, issuing from an oval azure, inscribed *Ich Dien* in letters of gold, worn by the Grand Crosses pendant from a red riband across the right shoulder. The collar is of gold, weighing thirty ounces of troy weight, and is composed of nine imperial crowns, and eight roses, thistle and shamrock, issuing from a sceptre, enamelled in their proper colours, tied, or linked together with seventeen gold knots, enamelled white, having the badge of the order pendant thereto. The star of the Military Grand Cross is formed of rays or flames of silver, thereon a gold Maltese Cross, and in the centre, within the motto branches of laurel, issuant as above described, three imperial crowns of gold, and is worn on the left side.

The Civil Knights Grand Crosses retain the old badge and star of the order.

No Knight can wear the collar before his installation.

The Star of the Commanders is in the form of a Cross-patee of Silver, having the same centre as the Grand Crosses, but no gold Maltese Cross thereon.
