The interest due to the respective depositors to be adjusted half yearly, namely on the 1st July and on the 1st January in each year, when the sums found due on that account will be added to the balance of the account of each depositor.

A chaplain after eighteen years' service on the Company's establishment in China, including three years' absence on furlough, is allowed to retire on a pension of £200 per annum.

A chaplain having served ten years in India or China, whose constitution will not admit of his continuing in the service, may retire on the half-pay of major; after seven years' on the half-pay of captain.

A commissary or deputy commissary of ordnance, not being a commissioned officer, is allowed to retire on full pay if he has served twenty-seven years in India, of which twelve must have been in the ordnance department; twenty-five years, fourteen of which in that department; or twenty-two years, seventeen years of which in the ordnance department.

A conductor of stores is allowed to retire on £60 per annum after twenty-five years actual service in India.

Every lieutenant-colonel, major, or captain, is allowed to retire with the half-pay of the rank to which he has attained, in case his health shall not permit him to serve in India, but he can only be allowed the pay of the rank he held at the expiration of twelve months from his arrival in Europe.

A lieutenant having served thirteen, or an ensign nine years in India, including three years for a furlough, may retire on the half-pay of his rank, in case his health shall not permit him to serve in India.

A subaltern officer, or military assistant surgeon, having served six years in India, is permitted to retire on the half-pay of ensign, if his constitution should be so impaired as to prevent the possibility of his continuing in India.

Every officer returning on furlough, and wishing to retire from the service, must make a declaration to that effect, within twelve months after his arrival in England; and in case of his neglecting so to do, he must at the expiration of his furlough, either return to India, or be held to have relinquished the service, and not be entitled to retire on pay, unless he has continued to serve in India, from his first arrival, for the space of twenty-two years, without having a furlough; in that case he is allowed two years before he shall be called upon to signify his intention of retiring, but he can only be allowed the pay of the rank he held at the expiration of twelve months from his arrival in Europe.

Officers retiring from the service, will be considered to have retired from the date of their application, for leave to retire; or from the expiration of two years from the date of their landing in England, whichever shall happen first.

FURLOUGH REGULATIONS.

Officers (of whatever rank) must be ten years in India, before they can be entitled (except in case of certified sickness, and as hereafter specified) to their rotation to be absent on furlough, and

the same rule is applicable to assistant military surgeons. The furlough to be granted by the commander-in-chief at each presidency, with the approbation of the respective governments.

Officers who have not served ten years in India, but whose presence in England is required by urgent private affairs, may be allowed a furlough for one year without pay.

A chaplain after seven years' residence in India is allowed to come home on furlough and receive the pay of major. Should he come home from sickness prior to this period of service, he is allowed the pay of captain only.

A conductor of stores is allowed furlough pay, only in case of coming home from sickness.

Officers coming to England on furlough, are required immediately to report their arrival by letter to the secretary, stating the name of the ship in which they came, and their address, forwarding at the same time the certificates they received in India.

The period of furlough is three years, reckoning from its date to the day of the return of the officer to his presidency.

Officers are required to join the establishment to which they belong at the expiration of the three years' furlough, unless they shall have obtained an extension of leave from the court, six months before the expiration of that period. No furlough will be extended, except in cases of sickness, certified in the manner hereafter mentioned; or in cases, in which it shall be proved to the Court that a further residence in Europe is indispensably necessary.

All officers finding it necessary to solicit a further leave of absence on account of sickness, must transmit with their letter of application for such leave, a certificate signed by at least two gentlemen, eminent in the medical profession, describing the nature of the applicant's complaint, and stating it to be their opinion that the circumstances of the case render a compliance with his request absolutely necessary. Also previously to such extension of furlough being granted, such further proof shall be adduced by personal examination, or by such other evidence as shall be deemed satisfactory.

Officers abroad in any part of Europe, applying to remain a further time from their duty on account of sickness, are to furnish a certificate of two eminent physicians, with the attestation of a magistrate, that the persons who signed the certificate are physicians.

Officers having obtained an extension of furlough to a given period, must at its expiration apply for permission, either to return to their duty or to reside a further time in England.

No officer who has failed to obtain an extension of furlough, will be considered eligible to return to the service after five years' absence under the Act of 33 Geo. III. cap. 52. sect. 70.

Every officer upon leaving India will receive a printed copy of the General Order on this subject, published agreeably to the court's instruction, and the plea of ignorance of the regulations will not be admitted as any justification of the breach of them, officer

therefore, who shall come home on furlough and who shall not in due time apply, so as to effect their return to the presidency to which they belong within the period of three years from the commencement of their furlough, will subject themselves to the loss of the service, unless they shall be permitted by the Court to remain a further time in Europe.

No officer on furlough can receive pay for more than two years and a half from the period of his quitting India, excepting colonels of regiments, and those of the rank of lieutenant colonel regimentally, when promoted to that of major general; the latter are then allowed to draw the pay of their brevet rank beyond the above period.

For the Retiring and Furlough Regulations of the St. Helena Establishment, see page 355.

patches, or on board the Company's pilot sloops or regular boats in the river Thames (Hoy master excepted), and has served therein the full term of ten-years, or has performed six complete voyages to and from India or China on board one of the Company's own or freighted ships, and has regularly contributed to the Fund, and shall in every respect appear to the Committee of Shipping to be a proper object for relief, shall be eligible to a pension, except as hereinafter-mentioned.

That no commander, officer, or petty officer, shall be allowed the amount of pension attached to his station, unless he shall have served one complete voyage to and from India or China in that capacity; nor shall the widows or children of those persons be allowed the pensions to which they would be entitled from their husband's or parent's rank, unless as before-mentioned.

That the time of service be ascertained from the periods each person shall appear to have been borne on the different ships' books, in any and every station whatsoever.

That any person who shall desert, or quit without leave, the ship on board which he had engaged to serve, shall forfeit all claim to a pension from the Fund; notwithstanding such person would, in other respects, have been eligible under these Regulations.

That any person who shall have ceased to be employed in the Company's sea service, five years previous to presenting a petition for relief, shall not be allowed a pension, unless recommended by the unanimous report of the seven members of the Committee of Shipping, and confirmed by eighteen out of the twenty four members of the Court of Directors.

That every person (commander excepted), on making application for relief, shall produce a certificate from the last commander with whom he sailed, or the next officer in rank who may be living and in England (in the event of the decease of the commander), of his being incapable of doing any further duty at sea, accompanied by a joint certificate from the Company's examining physician and surgeon to the same effect; and shall also produce satisfactory testimonials of good conduct when last employed in the Company's service.

That any person in the Company's sea-service who shall be maimed or wounded in the defence or in doing the duty of the ship, so as to be thereby rendered incapable of further service at sea, may be allowed the pension of his rank, at the discretion of the Committee of Shipping, without reference to his time of service.

That the widow of a commander, officer, seaman, or other person, who shall have served on board the ships and vessels mentioned in the first clause of these regulations the full term of eight years, or five complete voyages to and from India or China, and regularly contributed to the Fund, shall (except as hereinafter-mentioned) be eligible to a pension.

That the children of a person entitled to a pension, or whose widow is entitled to a pension, be each allowed a pension, in addition to that granted to the parent; except as hereinafter-mentioned.

That the children of a person whose father and mother are both deceased, or whose mother may be living and not entitled to a pension, and whose father was employed in the Company's sea service, either at the period of or within three years of his decease, and had in the whole been in actual service on board ships employed by the Company for the space of five years, shall be allowed a pension; except as hereinafter-mentioned.

XXVIII POPLAR FUND REGULATIONS.

annuities which would otherwise be allowed them: that is, if the captain of a regular ship has, either in right of himself or his wife, £100 per annum, he shall only derive from the Fund the difference between that sum and the regulated pension, namely, £50 per annum. That this rate shall apply to all claimants upon the Fund, whether commanders, officers, petty officers, seamen, surgeons and pursers, their widows and children; and that it shall not be departed from in any case, or on any pretence whatsoever.

That every person who shall be allowed a pension do annually, in the month of June, transmit an affidavit to the Committee of Shipping of the amount of his or her income, or value of his or her property, for the year preceding, arising from sources other than this Fund.

That any person who shall apply for relief, and shall be discovered to have produced a certificate, or other document, forged, counterfeited, or altered, by erasure or otherwise, with a view to impose upon the Committee of Shipping, in order to entitle him or her to a pension, such person shall be incapable of ever receiving any benefit whatever from the Fund.

That if any pensioner upon the Fund shall reside out of the kingdom of Great-Britain and Ireland, without the express permission of the Committee of Shipping, the pension shall cease.

That such pensioners as reside in London, or within ten miles of London, do attend in person at the East-India House to receive their respective pensions; and that no such pension be paid on the authority of a letter of attorney, or order from those persons, except in case of illness or infirmity, certified by medical gentlemen of respectability.

That the pensions of such persons as reside in London, or within ten miles of London, and who shall not attend in person at the East India House once in twelve months to receive the same, shall cease; unless the Committee of Shipping shall, for reasons which may appear to them proper, permit the pensions to be afterwards continued, which reasons shall be recorded on the minutes of the Committee.

That the pensions of such persons as reside at a greater distance than ten miles from London, with the permission of the Committee of Shipping, be allowed to be paid under the authority of letters of attorney, or orders; provided that certificates be produced to the paymaster, at Midsummer and Christmas in each year, signed by the minister and churchwarden, or minister and elders or churchwardens of the parishes in which the pensioners respectively reside, declaring that the pensioners are then alive, and resident in those parishes.

That orders be allowed to be in force for one quarterly payment only; and that they be deposited in the Pay office upon the pension being paid.

That in the event of any letter of attorney or order appearing to be intended to impose upon the Fund, the same be considered null and void, and the pension be not paid without the special order of the Committee of Shipping.

Abstract of Act, 33 Geo. III. cap. 52, sec. 70, precluding the Return to their Duty of Civil and Military Servants after an absence of Five Years.

And be it further enacted, that no person who shall have held any civil or military station whatever, in India, in the service of the said United Company, being under the rank or degree of a member of council or commander-in-chief of the forces, and who, having departed from India by leave of the Governor general in council, or Governor in council, shall not return to India within the space of five years next after such departure, shall be entitled to any rank or restoration of office, or be capable of again serving in India, either in the European or native corps of troops, or in the civil line of the Company's service; unless, in the case of any civil servant of the Company, it shall be proved, to the satisfaction of the court of Directors, that such absence was occasioned by sickness or infirmity, or unless such person be permitted to return with his rank to India, by a vote or resolution passed by way of ballot, by three parts in four of the proprietors assembled in general court, specially convened for that purpose, whereof eight days previous notice of the time and purpose of such meeting shall be given in the London Gazette, or unless, in the case of any military officer, it shall be proved, to the satisfaction of the said court of directors and the board of commissioners for the affairs of India, that such absence was occasioned by sickness or infirmity, or some inevitable accident.

NOMINATION OF STUDENTS.

Regulations and Preparatory Instructions.

No Candidate for the College can be nominated thereto, until he has completed the sixteenth year of his age. And no person who has been dismissed from the Army or Navy, or expelled from any place of education, will be nominated to the College.

The parents or guardian of every candidate for the college will be required to address the following letter to the nominating Director:—

“ Sir:—I beg to assure you, on my honour, that my ———, to whom you have been so good as to give a nomination to the college, has not been dismissed from the Army or the Navy, and that he never has been expelled from any place of education.
“ I have the honour, to be, &c.”

By the Act of the 33d of Geo. III. no person can be appointed a writer in the company's service, whose age exceeds twenty-two years; and by the Act of the 33d of Geo. III, all students for the college must remain there four terms—consequently, no person whose age exceeds twenty can be nominated as a student. All these terms are probationary, but the first is to be considered as such.

a particular sense; and if any student shall not, in the judgment of the college council, give satisfaction in that term, he will not be permitted to return to the college.

Candidates for the college must produce the undermentioned documents previously to their being nominated as students.

An extract from the parish register of their birth or baptism, properly signed by the minister, churchwarden, or elders; and, in addition thereto,

A certificate, agreeably to the following form, signed by the parent, guardian, or near relation.

"I do hereby certify, that the foregoing extract from the register of baptisms of the parish of _____, in the county of _____, contains the date of the birth of my son _____, who is the bearer of this, and presented for a nomination as a student at the East-India College, by _____ Esq.; and I do further declare, that I received the said presentation for my son _____ gratuitously, and that no money or other valuable consideration has been or is to be paid, either directly or indirectly, for the same; and that I will not pay or cause to be paid, either by myself, by my son, or by the hands of any other person, any pecuniary or valuable consideration whatsoever, to any person or persons who have interested themselves in procuring the said presentation for my son from the Director above mentioned."

"Witness my hand, this _____ day of _____, in the year of our Lord, _____."

In the event of no parish register existing or to be found, an affidavit of such circumstance is to be made before a magistrate, to the following effect, viz.

"I, _____, presented as a student for the East-India College by _____, do make oath and swear, that I have caused search to be made for a parish register, whereby to ascertain my age, but am unable to produce the same, there being none to be found; and, further, I make oath and swear, that from the information of my parents (and other relations), which information I verily believe to be true, that I was born in the parish of _____, in the county of _____, on _____, in the year of _____, and that I am not at this time under the age of sixteen, or above twenty years."

Sworn before me, } "Witness my hand, this _____ day
"this _____ of _____, in the year of our
"day of _____ Lord _____"

The parent, guardian, or near relation, must then add his certificate as to the truth of the affidavit, which must be similar to that ordered to be annexed to the extract from the parish register.

The above-mentioned certificate (and affidavit, in cases where an affidavit shall be required) are to be annexed to the petition to be written by the candidate, and they are to sign a declaration thereon, that they have read these printed instructions. The same declaration is to be signed by the parent, guardian, or near relation of the candidates respectively.

Candidates are to produce certificates from the person under

whom they have received their education, stating the nature of that education, and the proficiency they have made therein; and also certifying as to their mental ability, conduct, disposition, and character.

Candidates will be interrogated in an open Committee of College, as to their character, connexions, and qualifications, conformably to the General Court's resolution of the 6th July, 1809.

On a student's appointment to be a Writer, a legal instrument is to be entered into by some one person (to be approved by the Court of Directors) binding himself to pay the sum of £3000, as liquidated damages to the Company, for breach of a covenant to be entered into that the student's nomination hath not been in any way bought, or sold, or exchanged for any thing convertible into a pecuniary benefit.

Misconduct of students at college will be attended with expulsion therefrom; and those who do not pass with credit the final examination, will not be admitted into the civil service of the Company. A student expelled the college will not be admitted into any of the Company's civil establishments abroad, or into the Company's military seminary.

At a Court of Directors, held on Wednesday, the 9th August, 1809.

—Resolved, That any person who shall, in future, be nominated to a situation, either civil or military, in the service of the Company, and who shall have obtained such nomination in consequence of purchase, or agreement to purchase, or of any corrupt pretence whatever, either direct or indirect, by himself or by any other person, with or without his privacy, shall be rejected from the service of the Company, and ordered back to England, if he shall have proceeded to India before a discovery of such corrupt practice be made: and if such situation shall have been so corruptly procured by himself, or with his privacy, he shall be rendered incapable of holding that, or any other situation whatever, in the said service. Provided always, that if a fair disclosure of any corrupt transaction or practice, of the nature before described, wherein any Director has been concerned, shall be voluntarily made by the party or parties engaged in the same with such Director, the appointment thereby procured shall be confirmed by the Court.

At the close of every vacation, the cadet must apply at the Cadet Office at the East-India House for an order for his re-admission, and all sums then due to the Company must be paid up. At a Court of Directors, held on Wednesday the 16th July, 1823 :

Resolved, That with the view of removing the inconvenience which has hitherto been experienced from not being able to procure in proper time a regular and certain supply of qualified cadets, the following regulations be adopted, viz. :

First. That in future every cadet upon his admission into the seminary be considered a probationary pupil only for the first six months, at the end of which period the public examiner be required to report to the Seminary Committee the probability of his being able to pass for the artillery at the first public examination after his two years residence is expired ; but should this appear improbable, either from want of talent or diligence, the cadet be then returned to his friends, and the sum paid into the Company's treasury upon his admission, £53. 10s. 5d. be detained in liquidation of the expenses incurred on his account: but that if the cadet be reported fit and able to prosecute his studies, then the said sum be considered as covering his expenses at the seminary for the first year.

Secondly. That there be in future two examinations in the year, viz., at Christmas and Midsummer.

Thirdly. That those cadets only who shall really have gone through the course of study prescribed by the regulations for artillery service be brought forward for examination.

Fourthly. That the remainder of the class, of whom they may form a part, who are not found competent for examination at the expiration of their two years, be required to undergo a private examination by the public examiner, and that he do report specially on their attainments, and the probability of their being able to pass at the next examination, but should the public examiner report any of them as unlikely to pass at such subsequent examination, that then they be sent away at the termination of it two years.

At a Court of Directors held on Friday, the 27th Feb. 1810.
—**RESOLVED**, That Cadets and Assistant Surgeons be in future ranked according to the seniority of the Directors nominating them, from the date of sailing of the several ships from Gravesend (whether the Company's or Private Traders), by Lloyd's list, and that those who may embark at any of the out-ports, be likewise ranked upon the same principle from the date of the ship's departure from such outports by Lloyd's list.

ASSISTANT SURGEONS.

Regulations for their Admission into Company's Service.

AGE Not to be under twenty-two years: in proof of which he must produce an Extract from the Register of the Parish in which he was born, or his own Affidavit.

ASSISTANT SURGEONS.

QUALIFICATION. A Diploma from the Royal College of Surgeons of London, or of the Colleges of Surgeons of Dublin or Edinburgh, or of the College and University of Glasgow, or the Faculty of Physicians and Surgeons of Glasgow, is deemed satisfactory as to his knowledge of surgery. The above testimonials must be produced upon his receiving his nomination from a member of the Court of Directors. The Assistant Surgeon will then be sent to Dr. Chambers, the Company's examining Physician, with the undermentioned letter:

"Sir:—I have the commands of the Committee for passing Military appointments, to request you will please to examine Mr. _____, and certify whether he is now qualified in physic to serve as an Assistant Surgeon at any of the Company's Presidencies in the East-Indies; and if not, at what period you think he may be sufficiently qualified to obtain your certificate."

The following regulations have been resolved on by the Court, in reference to the examination by Dr. Chambers:

That every person nominated an Assistant Surgeon be required to pass an examination in the practice of physic, in which examination will be included as much anatomy and physiology as is necessary for understanding the causes and treatment of internal diseases, as well as the art of prescribing and compounding medicines.

That upon the Assistant Surgeon presenting himself to Dr. Chambers, he be required to produce to him satisfactory proof of his having attended at least one course of lectures on the practice of physic, and above all, of his having attended diligently the practice of the Physicians at some General Hospital in London, Edinburgh, Dublin, or Glasgow, for at least six months; and that unless he produce such proof, it be deemed a want of proper qualification, and be immediately reported as such by the examining Physician to the Committee for passing military appointments."

The Assistant Surgeon will likewise be required to attend one course of Dr. Gilchrist's Lectures in Hindoostanee, for admission to which he will have to pay not more than Three Guineas; and previous to his passing the Committee, he will be required to produce Dr. Gilchrist's certificate of his having so attended. Dr. Gilchrist's residence, 11, Clarges Street, Piccadilly.

The Assistant Surgeon will finally be required to execute covenants in the Secretary's Office, and find security in two persons to the extent of £500, jointly and severally, for the due performance of those covenants.—*Stamps and Fees, £15. 15s. 6d.*

At a Court of Directors, held on Wednesday, the 5th December, 1821:

Resolved, That advertising to the very early age at which midshipmen are permitted to enter into the service in the Company's own ships; the limited education, as well moral as nautical, which they can have attained in that time, their exposed situation, from associations which the performance of their duty must frequently occasion, and the important trusts which the service opens to them in future life; the commander, independently of the necessary attention to religious duties which the regulations enjoin, be required to give his best assistance towards carrying into effect a system of education for the midshipmen in his ship, and, for that purpose, to make such arrangements as will afford all practicable opportunities of improvement among those young persons, not only in their professional pursuits but in their general education.

That the commander shall, for this purpose, avail himself of the aid of all or any of the officers on board; and shall, on the conclusion of each voyage, report to the Committee of Shipping the names of such officers as shall by their endeavours have best promoted the objects of the Committee.

That all the midshipmen who are not particularly engaged in the duty of the ship do every morning after breakfast assemble in the cuddy, or some other convenient place which the commander may appoint, and there be instructed in navigation, &c. until noon.

That each midshipman do work his day's work and keep a journal, in which he is to enter the full work of each day; and that such journal be sent to the Shipping Office at the conclusion of each voyage, for the purpose of being laid before the Committee for their inspection.

That one watch of midshipmen do take observations for the latitude at noon every day; and that every other favourable opportunity be embraced to make them skilful in taking lunar observations, as well as finding the latitude and time by the stars.

POSTAGE, &c. OF LETTERS TO AND FROM INDIA.

Regulations by the General Post Office, 14th July 1819.

The statute of 55 Geo. III, Cap. 153, so far as relates to the postage and conveyance of letters, newspapers, printed prices current, and printed papers, to and from the Cape of Good Hope, Ceylon, the Mauritius, and the East-Indies, is repealed; in consequence of which, no more packet mails will be forwarded between Great-Britain and those parts.

By an Act of this session, all letters brought into Great-Britain by ships and vessels from the above parts, are liable to a sea postage of four-pence each, if not exceeding three ounces, and one shilling per ounce above that weight, in addition to the inland rates.

And all letters to the above places, which may be sent through the post office, are liable to a sea postage of two-pence each, under the weight of three ounces, and one shilling per ounce if above that weight, in addition to the inland rates.

New-papers, printed prices current, and printed papers, duly stamped, may be conveyed to the above places for one penny each packet, not exceeding one ounce, and one penny per ounce above that weight.

The postage of all such letters, packets, and printed papers, must be paid at the time they are put in the post office.

The Act allows letters and newspapers to be sent to the East-Indies "otherwise than through the post-office."

By Command of the Postmaster-General,

FRANCIS FREELING, Secretary.

Further Regulations respecting the Postage of Letters to and from India and St. Helena.

In consequence of the act of 4 Geo. IV, cap. 81, sec. 73, the following information and directions respecting postage of letters, transmitted to India, by the Court of Directors, in October 1823.

By the act of the 4th Geo. IV, cap. 81, sec. 73, seamen and soldiers in his Majesty's service, whilst actually employed in his Majesty's service, in the East-Indies and at St. Helena, and soldiers in the Company's service, may send, under certain regulations and restrictions, single letters, provided that the party in Great Britain or Ireland, receiving the same, shall pay one penny for the inland postage; and may receive single letters free of postage, except one penny to be paid for each single letter upon its being put into any post-office, in Great Britain or Ireland.

The regulations and restrictions referred to, in the before-mentioned act, are contained in the act 46th Geo. III, cap. 92, and prescribe, that upon all single letters, sent from soldiers, the name of the soldier, his rank (whether serjeant, corporal, trumpeter, drummer, fifer, or private), and the regiment, corps, or detachment, to which he belongs, shall be superscribed.

POST-OFFICE REGULATIONS.

That, upon all such single letters shall be written, in the hand-writing of, and signed by the officer in the actual command of the regiment, corps, or detachment, his name, rank, and the regiment, corps, or detachment commanded by him.

From A. B. of the Regiment.
To..... (Signed)—C. D. Commanding..... Regiment or Detachment.

It is to be clearly understood, that this indulgence is limited to single letters.

The act (of 46 Geo. III, cap. 169, before-mentioned), also directs, that if any officer, having the command of a regiment, corps, or detachment, shall wilfully and knowingly write his name upon any letter, that is not from such soldier, and upon his private concerns only, such commanding officer shall forfeit and pay the sum of five pounds.

That a similar penalty shall attach to any person, who shall (with an intent to evade the full rate of postage) obtain the signature of the officer commanding to letters not on the private concerns of soldiers.

Further—That if any officer, not having at the time, the command of the regiment, corps, or detachment, shall write his name upon a soldier's letter, he shall forfeit and pay the sum of five pounds.

As the indulgence in the present act (of 4th Geo. IV, cap. 81, sec. 73), extends to seamen in his Majesty's navy, whilst actually employed in his Majesty's service, subject to the same regulations and restrictions as before-mentioned, it is requisite that upon every letter to be sent, the name of the writer, and his class or description in the ship or vessel to which he shall belong, shall be superscribed, and that upon every such letter there shall be written in the hand-writing of, and signed by the officer, having at the time the command of the ship or vessel, his name and the name of the ship or vessel commanded by him.

The act does not extend to seamen in the Company's service.

That all letters from seamen and soldiers in his Majesty's service, and soldiers in the Company's service, in India, and at St. Helena, be sent to England in the Company's regular or extra freighted ships, or in such other ships only, in which Company's dispatches are forwarded, and not in any ships without Company's dispatches.

Memorandum: The superintendant ranks immediately above major generals, and the master attendant according to his standing in the marine establishment. The commodore has equal rank with colonels in the army; captains of vessels of 28 guns and upwards, with lieutenant-colonels; captains of vessels under 28 guns, with majors; first lieutenants with captains; second lieutenants with lieutenants. In all cases, the dates of the respective commissions are to regulate the precedence of the military or marine officers.

The relative Rank with the Commanders and Masters of the Company's Ships is as follows, viz.

Commodore
 Commanders of regular ships
 Captains in the marine
 Commanders of regular packets
 Masters of extra ships
 Lieutenants in the marine with the temporary rank of captains commanding vessels.
 Established captains in the service during their command of extra ships are to be considered as the junior commanders when sailing in company with the regular ships. 22d May 1804.

FURLOUGH AND RETIREMENT.

Regulations respecting.

Officers must have served ten years on the island (except in case of sickness, of which satisfactory proof will be required), before they can be allowed a furlough, the period of which is two years and a half, reckoning from the time of their leaving the island until their return to it. During this time they are allowed the pay of their rank.

Officers having served twenty-six years, including two years for one furlough, or twenty-four years without any furlough, are allowed to retire on the full pay of their rank.

The superintending surgeon, when on furlough, is to draw pay as lieutenant colonel; the head surgeon (having served twenty years) as major; surgeon as captain; and assistant surgeons as lieutenant. The pay of these officers on retirement also is regulated in the same manner. The period of servitude to entitle them to which, is twenty-two years, including one furlough.

A chaplain, after seven years service, is allowed to come home on furlough and receive the pay of major. Should he come home from sickness prior to this period of service he is allowed the pay of captain only.

A chaplain, after fifteen years' service, is allowed to retire on the pay of major. After ten years, if his health will not allow him to continue in the service, on the half-pay of major; and after seven years, if prevented by the same cause from continuing in the service, on the half pay of captain.

The Indian Cawney is in proportion to the English Acre as 1 is to 1,3223 or as 121 is to 160.

To reduce Indian Cawnies to English Acres; multiply the given number of Cawnies by 160, and divide the product by 121, the quotient will give the number of Acres, and the remainder by the fractional part of an Acre—Or multiply the Cawnies by 1,3223, and the product (cutting off 4 places to the right hand) will be the same, and the figures so cut off are the Decimal parts of an Acre.

The following Table is constructed according to this rule:

SILVER.

The old Bombay Rupee is the same as was coined at Surat under the Mogul Government.

It weighed 178,213 grains, and contained 1,24 per cent. of alloy. By an ancient agreement with the Nabob of Surat, the Rupee of both Governments was to circulate through both at an equal value; while they mutually pledged themselves to keep up the coin to its exact standard of fineness and weight. The Nabob however did not keep to this agreement, for his Rupees were found soon afterwards to contain, instead of 1,24 per cent. of alloy, no less than 10,12, and even 15 per cent. The consequence of this was, that all the Bombay Rupees were carried to Surat to be re-coined, this mint was entirely stopped in its silver coinage for more than 20 years, and the whole of the circulation of silver was occupied by the Surat Rupee.

In this situation of things, the merchants could not afford to coin their bullion here, and Bombay was long without a silver coinage of its own; when Government, in 1800, ordered the Surat Rupee to be struck in this mint, and since that time the Rupees have been kept at an equal value in both mints. In both, the silver Rupee weighs 179 grains, and contains 7,97 per cent. of alloy. *

GOLD.

In the year 1774 the gold Mohur was made of the same weight with the silver Rupee; it was ordered to be of the fineness of a Venetian, and to pass for 15 silver Rupees. In this coinage therefore 14,9 grains of silver represented one grain of gold; for such as the proportion between the quantity of gold in this gold Mohur and the silver in 15 old Bombay Rupees. When the Surat silver cur-

rency had occupied our circulation, this proportion, between gold and silver, was quite destroyed; so that gold coined according to the regulation of 1774, was now exchanged for no more than 13 times its weight of silver, and often for much less.

In order to remedy this, and to bring back the coins of gold and silver to nearly their ancient proportions, and their relative value in the market, it was ordered in 1800, that the gold Mohur should be of the same weight as the silver Rupee, that it should contain the same quantity of alloy, and that it should pass for 15 Rupees. At present, therefore, in our coins, 15 grains of silver represent one of gold.

Coins of gold have never circulated as a coin either at Surat or in the Mahratta states on this side of India. They are occasionally carried to those parts, but only as bullion.

The following Table was drawn from actual assays; the first column contains the alloy in one hundred parts of each of the different coins; the second column contains their weight in grains. From these two columns the value of the whole of the coins may easily and with perfect accuracy, be ascertained.

Table shewing the Centesimal parts of Alloy, in various Coins, and their Weight in Grains, &c.

Although the foregoing tables represent the commonly received standard of the gross weights at Bombay and Surat, it is not only impossible to lay down a rule whereby to judge what commodities in the market are separately governed by them; but there is a great variety of articles, too numerous to distinguish here, in the sale of which the foregoing relations do not obtain, particularly with respect to the *Surat Maund*, which, notwithstanding it is said to contain only 40 Seers, or 37 Pounds, 7 Ounces, and 6 Drams, is sometimes 41, 2, 3, through all the intermediate gradations up to 46 Seers: nor is the Candy uniformly confined to 20 Maunds: for example, Pepper and Sandalwood are sold by the *Bombay Candy* of 21 Maunds, and Cotton, the great staple commodity of their market, by the *Surat Candy* of 21 Maunds.

The finest gold among them is 100 touch, called Sycee, i. e. pure gold without alloy: so that if a shoe of gold touch 93, then it hath 93 parts of fine gold and 7 parts alloy.

Gold is bought by 10 tale weight, for upon that quantity they make their price in silver.

When gold is sold above or under touch, you must add to, or subtract from the touch. As if it touch 96, and is to be sold at 4 under touch, then from 96 take 4 the remainder is 92; then is 9, two-tenths of silver to be paid for one of that of gold. If gold is at 96 touch, and to be sold at 8 above touch, then add 8 to 96, the sum is 104; then are 10, four-tenths of silver to be paid for one of gold.

APPENDIX

BENGAL CIVIL FUND.

Instituted October, 1804.

Managers and Trustees.

H. Mackenzie, C. Lushington,

J. C. C. Sutherland

J. P. Larkins

H. T. Prinsep

The chief secretary to government, the accountant general, civil auditor and the sub-treasurer for the time being.

J. Dowling, *Secretary and Accountant.*

Managers in England.

Henry Stone

Henry Alexander

Messrs. Paxton and Co., *Agents in England.*

The object of this fund is to provide for the maintenance of the widows and children of such of the subscribers as may not, at their demise, leave property sufficient for the subsistence and education of their families; also to assist in maintaining such of the subscribers themselves as may be compelled by sickness or infirmity to return to Europe, without an adequate provision for their support.

It is at the option of the civil servants of this establishment, either to subscribe thereto, or otherwise.

The following are the rates of contribution :

If the salary or other public allowances of the subscriber be not more than 1000 sa. rs. per mensem, his monthly subscription to be	<i>Sicca rupees</i> 10
If more than 1000 and not above 2000	20
If more than 2000 and not above 3000	30
If more than 3000 and not above 4000	40
If more than 4000	50

The contribution payable by each subscriber is deducted from his monthly allowances by the sub-treasurer, collector, or other officer, paying the same, and transferred to the treasurer of the fund. The committee of managers may, in particular cases, admit a deviation from it, if a different mode of payment shall be desired by any subscriber.

All applications for admission to the benefits of the fund are to be made to the committee of managers; and to be accompanied with the necessary information, documents, and proofs, to enable the committee to ascertain the circumstances and situation of the party applying. The managers, after calling for any further information or evidence which may appear to them requisite, are to submit the whole case for the determination of the subscribers, at the next general meeting. In cases of emergency and distress,

CIVIL FUND.

BENGAL. 159

however, when the managers may consider the claim valid, they are authorised to advance such proportion of the fixed allowances hereafter specified as may appear to them indispensably requisite, until a determination can be passed by the subscribers.

Any subscriber to the fund who may be compelled by sickness or infirmity to proceed to Europe for the recovery of his health, and shall not be possessed of sufficient means to pay for his passage to Europe, and support himself and family during his necessary absence from India, on his making a declaration upon oath to this effect, of otherwise establishing the fact, and producing a certificate of the necessity of his return to Europe, solemnly attested by the surgeon who has attended him, and countersigned by a member of the medical board, with the consequent permission of government for his proceeding to Europe, will receive from the fund a donation, equivalent to the Company's allowance for a twelvemonth to a servant, of his rank when out of employ, viz. if he be a senior merchant, 4000 sicca rupees; if a junior merchant 3000 sicca rupees; if a factor or writer 2000 sicca rupees. At the expiration of one year if the party be in Europe, a further donation shall be made to him, on his application to the agents for the fund in England, equal to that advanced to him upon his embarkation from India; at the exchange rate of two shillings and sixpence for the sicca rupee, viz. £500, £375, or £250, according to his rank in the service at the time of his leaving India. Should the imperfect recovery of his health render it necessary to protract his stay in Europe beyond the second year; and, besides his own declaration upon oath to this effect, he shall produce to the agents for the funds in England, a certificate solemnly attested by a respectable physician, or other professional gentleman of established practice, that the state of his health has not admitted of his previous return to India, he will, at the commencement of the third year after his embarkation from India, receive, from the agents in England, a donation equal to a moiety of the amount paid to him in the preceding year, and another moiety on a similar declaration and certificate at the end of six months, viz. two years and a half after his embarkation from India, if he be still in Europe, which is to be considered to include all claims whatever upon the fund to the period of his return to India: passage money is granted, in cases appearing to require it, in addition to the sums above specified, and in such cases the amount is to be determined by a general meeting of the subscribers.

On the death of any subscriber to the civil fund, who may not be possessed of property sufficient to provide for his family, and may, consequently, leave a wife, cohabiting with him, or maintained by him and living under his protection to the period of his decease, without an adequate provision for her support, as hereafter specified; if, on the information, documents, and evidence, which may be submitted by her to the managers of the fund, it shall appear to the satisfaction of a general meeting of the

subscribers that she is a proper object, a pension is to be assigned to her, under the provisions and limitations stated in the following article. Provided that nothing contained therein, or in any other part of the rules for this institution, shall be considered to entitle her to the benefits of it, any widow, who may have been legally divorced or separated from her husband for adultery; or who, at the period of her husband's demise, may have quitted his protection, and be living in a state of notorious adultery, though not divorced or separated from him by law.

First. If the widow, at the time of her husband's death, be resident in India, and be left without an income exceeding one hundred rupees per mensem, a pension to be assigned to her of three hundred rupees per mensem, during her residence in India. If the widow be not resident in India at the time of her husband's death, or shall afterwards quit India, and her income, from her husband's estate or otherwise, shall not exceed one hundred pounds per annum, the pension to be assigned to her to be three hundred pounds per annum.

Secondly. If the income of the widow, resident in India at the death of her husband, be more than one hundred sicca rupees per mensem, but exceed not four hundred rupees, or if the widow be not resident in India at the time of her husband's demise, or shall afterwards quit India, and her income be more than one hundred pounds per annum, but shall not exceed four hundred pounds per annum, the pension to be assigned to her is to be such as will make up her income to four hundred rupees per mensem, during her residence in India, or four hundred pounds per annum in Europe, or elsewhere.

Thirdly. In the event of a widow, to whom a pension may have been assigned acquiring subsequently by inheritance, bequest, or otherwise, any property or income which, with the property left to her at her husband's decease, and the pension received by her, may render her total income, including her pension from the fund, more than five hundred rupees per mensem, during her residence in India, or more than five hundred pounds per annum in Europe, or elsewhere, her pension from the fund is liable to abatement, proportioned to the excess of her entire income, including the pension, above the sum specified; or to be altogether discontinued, in the event of her property or income, exclusive of the pension assigned to her from the fund, being equal to the full sum of five hundred rupees per mensem in India, or five hundred pounds per annum in Europe, or elsewhere.

Fourthly. All pensions of widows are also liable to discontinuance on their remarriage. But in the event of their being again left in a state of widowhood, without an adequate provision for their support, they may be again admitted to the benefits of the fund, under the same provisions and limitations as on their original admission.

Fifthly. The pensions to widows, who may be admitted to the benefits of the fund, are to be paid in advance half yearly to themselves or to their authorized agents. But the acknowledgment of

the widow herself shall be taken for all sums paid in her behalf; and shall contain a solemn declaration that her entire income including the pension received by her, does not exceed the sum limited above.

Widows are, if they have no means of paying for their passage to Europe, supplied from the fund with such sum as may appear requisite for that purpose.

If any subscriber to the fund shall die without the means of providing for his family, and shall consequently leave a child or children, born in wedlock, without an adequate provision for their maintenance; and on the information, documents, or evidence which may be submitted in their behalf to the managers of the fund, it shall appear to the satisfaction of a general meeting of the subscribers, that they are proper objects, an allowance for their maintenance and education shall be assigned from the fund, under the provisions and limitations contained in the following article.

First. If the child or children of the deceased subscriber be left without any provision, the allowance for the education and maintenance of each child, to be granted from the fund, in India or in Europe, is to be according to the age of the child, as follows, viz.

Till five years of age, thirty rupees per mensem in India; or thirty pounds per annum in Europe.

From the commencement of the sixth year, to the end of the eighth, forty rupees per mensem in India; or sixty pounds per annum in Europe.

From the commencement of the ninth year, to the end of the eleventh, fifty rupees per mensem in India; or eighty pounds per annum in Europe.

From the commencement of the twelfth year, sixty rupees per mensem in India; or one hundred pounds per annum in Europe.

Secondly. If any provision be left by a subscriber for his child or children; or if after his death they shall at any time become possessed of property or income by inheritance, bequest, or otherwise, but not such as to afford the sums specified for their education and maintenance; the allowances to be granted from the fund are to be such as, in addition to the property or income possessed by them, will make up the several sums above specified, according to their respective ages; and as they may be resident in India or in Europe.

Thirdly. In the event of the property or income left to the child or children, of a subscriber, at his demise, or which may subsequently devolve, or be in any wise acquired by them, being such as to afford the full amount specified for their education and maintenance, they are not considered entitled to any allowance from the fund; and any allowances which may have been granted before such accession of property or income are to be discontinued.

Fourthly. The allowances granted from the fund, for the maintenance and education of children, are to be paid in advance half yearly, to their guardians or relatives, or to such persons as

may be intrusted with the disbursement of the sums allotted for them, either by the managers of the fund in India, or by the agents to the fund in England; who from time to time are to adopt such measures as may appear necessary for the purpose of ascertaining any accession of property, which would render the allowances from the fund liable to abatements or discontinuance.

Fifthly. The provision so made from the fund, for the maintenance and education of female children, ceases on their marriage, or on their being settled in any profession or employment; and the provision for male children ceases on their being settled in any profession or employment or on their attaining the age of twenty-one years. But any requisite sum, not exceeding five hundred pounds, may be appropriated to the benefit of male or female children by the managers of the fund in India; or by the agents of the fund in England, at the time of their marriage, or of their being settled in any profession.

For children who may be in India when admitted to the fund, and who may be sent to England for their education, with the concurrence of the managers, passage money, if requisite, is to be supplied from the fund, not exceeding one thousand Sicca Rupees for each child. An allowance for passage money, not exceeding one hundred pounds, also to be granted if it appear necessary, for the return to India of any children admitted to the fund, who, after completing their education in Europe, may return to India.

In all cases of application being made to the fund for assistance to the family of a deceased subscriber, an authenticated copy of the will of the deceased, or if he shall have died intestate, a full authentic statement of any property left by him, and of the legal heirs thereto, must be submitted for the information of the managers and subscribers. A general meeting of subscribers has full power to reject the application for aid from the fund, where it may appear that a subscriber, leaving property, has made an improper devise of it, with a view to throw his family upon the fund, or has purposely neglected to make a disposition of his property for the benefit of his family.

Those who may arrive in India, and subscribe to the fund, are considered subscribers from the time of their arrival at Fort William, or from the commencement of any allowances receivable by them as civil servants of the Bengal establishment. But no civil servant of this presidency in India, who may not accept the invitation given to him by the preceding article, within six months after his arrival in India, shall be admitted to become a subscriber.

The contribution of every subscriber to the fund ceases upon his leaving India, to return to Europe; but in the event of his returning to India, and again receiving allowance from the Company, he is to renew his contribution from the commencement of such allowance.

If a subscriber to the fund, at the time of his retiring from the service to return to Europe, shall have contributed, by his previous monthly payments to the fund, the principal sum of five

thousand sicca rupees; or if, on his quitting the service, he shall pay to the fund what may be wanting to complete his contribution to that amount; such contribution shall entitle the family of the subscriber, on his demise, to the benefits of the institution, under the several provisions herein-stated, or such as may be hereafter established, in like manner as if his death had taken place during his residence and actual subscription to the fund in India. The family of any subscriber to the fund, who may die during his temporary absence from India for the recovery of his health, are also considered entitled to the benefits of the fund, under the existing rules of it, whether such subscriber may have contributed more or less than five thousand sicca rupees. In all other cases, if the deceased member of the institution shall not have been an actual subscriber to the fund at the time of his death, and shall not have contributed five thousand sicca rupees to the fund, it shall be at the option of the subscribers to admit his family to the benefits of the fund or otherwise.

If a subscriber to the fund shall be dismissed from the service, he shall cease to be entitled to the benefits of the institution, and his widow and children shall, in like manner, have no claim to the benefit of the institution.—But in such case the amount of his actual contribution to the fund shall be returned with interest, at the rate of ten per cent. per annum.

If a subscriber shall be suspended from the service, he shall, during the period of his suspension, cease to be entitled in his own person to the benefits of the institution: but in the event of his restoration, he shall be restored to his former rights.

A subscriber suspended from the service shall however have the option of receiving back the amount of contributions, in the same manner as in the case of persons finally dismissed from the service; but if he should take advantage of this clause, he shall cease to be entitled to the benefits of the institution, either for himself or family, as in the case of persons finally dismissed from the service.

If a subscriber, being suspended from the service, shall die during the period of suspension, his widow and children shall be entitled to the full benefits of the institution, excepting in the case of his receiving back the amount of his contribution.

EXTRACT FROM THE REGULATIONS.

2d. Officers in the Honorable Company's military service, chaplains and surgeons on the Bengal establishment, are alone admissible into the society.

3d. All commissioned officers, chaplains, and medical officers (whether attached to the military or civil branches, or to the list of assistant-surgeons who have given up promotion) are at liberty to subscribe to any of the ranks or classes of the fund; on paying the donation established for such rank, and in all respects complying with the existing rules of the institution, as laid down for such classes.

4th. The following are the rates of monthly payments to the fund from (unmarried) subscribers, and from (the married) members of the fund.

	Members.	Unmarried Subscribers.
Colonels.....	St. Rs. 60 per month.	St. Rs. 20 per month.

Majors, head surgeons, and chaplains	25	8
Captains and surgeons	16	5
Subalterns and assistant surgeons	9	3

5th. Officers who have not contributed to the fund by monthly subscriptions for five entire years, prior to their admission as members, shall pay the following donations:

RANK.	Under two years' subscription.	After two years.	After three years.	After four years.
Subaltern, &c.	450	300	150	75

Lieut. Col., &c.	1800	1200	600	300
Colonel	3000	2000	1000	600

6th. Five years' continued subscription in any rank, immediately preceding marriage, entitles an officer to admission as a member of that rank, without paying any donation; but in the event of promotion previous to becoming a member, the difference must be paid, and the aggregate amount, to equal five years' subscription of the rank in which the subscriber shall be admitted a member.

7th. Unmarried subscribers are not required to continue their subscriptions while on furlough, and by renewing them immediately upon their return, they resume their place in the institu-

tion with all the benefits which the preceding rules (3 and 6) confer upon the class of old subscribers.

8th. No married officer shall be admitted as a member whose wife is not actually in Bengal at the time he makes his application.

9th. All married officers who may wish to become members must signify their intentions to the directors through the secretary, within three months after their marriage, or, after the arrival of their wives in Bengal.

10th. Married officers, who may neglect to apply for admission within three months after their marriage, or after the arrival of their wives in Bengal, shall pay double the monthly subscription of members of their own rank, for the months which have elapsed since their marriage, or the arrival of their wives in Bengal; and also, in addition to the donations which they are liable to pay by the foregoing regulations, shall contribute as follows:

Colonels	Seven Rupees 1000
Lieutenant colonels and members of the medical board..	600
Majors, head surgeons, and chaplains	400
Captains and surgeons	250
Subalterns and assistant surgeons	150

11th. Officers and others already members of the fund, are permitted, now or at any future time, to become members of a higher class, on paying the prescribed donation; in rule 14, and on otherwise complying with the existing rules for such higher class, in all respects as if they were promoted to superior rank in ordinary course; provided always, that on every occasion of an officer desiring to subscribe to a higher class, and thereby to increase his premium and risk, he do furnish a fresh certificate of health in the prescribed form.

12th. Members to whom it may be inconvenient to continue high subscriptions, are at liberty to descend to a lower class in the scale, but should they wish to rise again to a higher class, they are to conform in every respect to articles 14th and 16th in regard to certificate and donation.

13th. Members subscribing to their own rank, shall pay the following sums on their admission to the next higher rank after promotion.

Subaltern to Captain, Seven Rs.	100
Captain to Major.....	150
Major to Lieutenant Colonel	200
Lieutenant Colonel to Colonel.....	400

14th. The following table shews the rates of donations payable by members who desire to subscribe in a rank higher than their own proportioned to the time that they have been members in the inferior rank.

	Under two years Subscription.	After two years.	After three years.	After four years.	After five years.
From Subaltern to Captain	300	250	200	150	100
— Captain to Major....	450	375	300	225	150
— Major to Lieut. Col.	600	500	400	300	200
— Lieut. Col. to Col. ..	1200	1000	800	600	400

Officers wishing to rise two steps at once, to pay the proportionate donation taken from the above table for the first step; and for the second step that in the *first* column, as they intend to pass at once through the intermediate ranks.—Thus a Lieutenant who has subscribed as a *Member* for three years, and who wishes to subscribe as major has to pay—200,450,650 Rupees.

15th. As the system of holding place in the classes of the fund, and of rising therein commensurately with promotion, is abolished in favor of the system of unlimited subscriptions in any rank, so henceforward, no member of one class will rise to a higher class as a matter of course, on his promotion in the line of his profession. He will retain his actual rank and place in the society, or move to a higher, according to his convenience; but together with *increased premium and to warrant the increased risk* on the part of the fund, he must furnish a fresh certificate for every rise of class. *See annexed Resolutions.*

16th. The stability and welfare of this fund, and of all associations for similar purposes mainly depending on the undoubted goodness of the lives which it covers, and the risks which it undertakes, it is essential to declare most distinctly, that no applications for *new* or *increased* risks can be granted when the individuals are on actual service, or serving in places notoriously unhealthy or under the influence of epidemic diseases. The directors are therefore compelled to reserve the fullest power of rejection; but they will state their reasons for the exercise of this power on their proceedings, and if desired to the party so rejected.

The following corrected forms of certificate are established for the future in lieu of those formerly in use, and is to be signed by two medical officers:

CERTIFICATE.

We the undersigned medical officers in the service of his Majesty or the Honourable East-India Company (as the case may

be), do hereby solemnly declare upon our honour, that we have carefully and personally examined into the state of A. B.—'s health, and that we pronounce him to be free from any bodily complaint of a dangerous tendency, and believe him to be a good life.

(Station and Date) E. D. { Rank, Corps and }
E. F. { Service. }

I. A. B. do hereby solemnly declare upon my honor, that the contents of the above certificate, are in all respects true, to the best of my knowledge and belief; that I have disclosed to Messrs. C. D. and E. F. every thing relating to my health and constitution; and that I do believe myself to be a perfectly good life.

A. B. [Rank, Corps, Station, and Date.]
Signed and declared in my presence, this day of 18—at [Station or Camp.] G. H. Rank,

Commanding at [Camp or Station.]

17th. Applications from married officers for admission into the Society must be accompanied with certificates of marriage, except when the marriage has not taken place in Bengal, in which case a reasonable time will be allowed for procuring certificates of marriage.

18th. Monthly subscriptions shall be paid within four months after they become due, on pain of exclusion from the society, or forfeiture of double the arrears of subscription, except satisfactory reasons can be assigned for the delay of payment. Officers authorizing their paymasters to deduct their subscriptions from their monthly pay, shall not be subject to the above penalty; but shall be responsible for the arrears, in case it shall appear that the paymaster has neglected to make the proper deductions; if payment be then refused the name to be struck off. Arrears which may be due to the fund by a member at the time of his death, will, if not discharged by the paymaster of the corps to which the deceased was attached, or by his executors or agents, be deducted from the pension of his widow.

19th. New members who shall have been four years subscribers shall pay their donations within three months; if three years, within four months; two years within eight months; and those who shall not have been two years, within twelve months, after admission, on pain of exclusion from the society, or forfeiture of interest on their donations, at the rate of twelve per cent. from the day of their becoming members of the society.

20th. Members retiring from the service, or returning to Europe, may continue, by their agents, their monthly subscriptions in Bengal; or be considered as permanent members, on paying, according to their rank, and the time during which they have been members in that rank the sums specified as follow:

YEARS.	From entering to 5	From 5 to 10	From 10 to 15	From 15 to 20	From 20 to 25	From 25 to 30	From 30 to 35
Colonel	4,670	4,310	3,880	3,360	2,770	2,180	1,550
Lt. Colonel.	3,260	3,040	2,780	2,470	2,100	1,690	1,290
Major.	2,210	2,100	1,970	1,830	1,630	1,450	1,200
Captain.....	1,530	1,480	1,410	1,330	1,250	1,140	1,020
Subaltern..	910	850	870	840	800	750	700

And those who retired as permanent members, on the terms laid down in the old regulations, shall be required to make up the difference between these sums and the sums paid by them; failing in which, in the event of their death, their widows will only be entitled to receive the following pensions.

Widows of colonels,	£200
lieutenant colonels,	100
major,	80
captains,	60
subalterns,	48

Permanent members promoted in Europe to a higher rank, without returning to India, shall be considered as still belonging to the rank in which they retired, and in the event of their death, their widows be entitled to the pension of that rank only.

21st. Members who have proceeded to Europe in the uncertainty of returning to Bengal, or retiring from the service, and who continue to pay their subscription in Bengal, may, in the event of their ultimately retiring from the service and desiring to pay up the number of years subscription, to entitle them to become permanent members of the society, have liberty so to do on paying up the stipulated sum at the rate of exchange of two shillings and sixpence the sicca rupee, into the hands of the agents of the society in London.

22d. Should any permanent member return to Bengal, and resume his station in the army, he shall then be at liberty to become a member in any higher rank upon furnishing the usual certificates of health, and paying the difference of donation prescribed by rules 13th and 14th, and also the difference of monthly subscription between his former and his new rank, from the first day of the month in which he applies to be so transferred to a higher rank.

And such member, on returning to Europe a second time, may become a permanent member in his new rank, by paying a sum which shall bear to the sum which he would have paid if then retiring for the first time (as exhibited in the table, article 20) the same proportion as his present monthly contribution bears to the entire contribution of his rank.—*vide annexed Resolutions.*

23d. If a member should become a widower, he shall still be considered as a member of the society, provided he continue to pay the monthly subscription of unmarried officers of the same rank; and should he marry again, will be entitled to re-enter the institution as a member in the rank to which he has been subscribing, on furnishing certificates of health and marriage. In the event of a widower proceeding on furlough, he is not, during absence, obliged to continue his subscription, and should he marry whilst on leave to Europe, and arrive with his wife in Bengal, he will on application within the time limited in the 9th article, be admitted a member in the rank he then holds on furnishing certificates of health and marriage, and on paying the difference of donation prescribed in article 13th, in the event of his having been promoted while on furlough.

24th. The property of the fund shall be vested in Company's paper, in the names of the president and directors of the fund, and lodged in the public treasury.

25th. The widows of members shall receive, from the day of their husband's decease, and during their continuance in widowhood, the following pension, as necessarily formed on the reduction of interest of government paper to 6 per cent.

Provided that nothing contained herein, or in any other part of the rules of this institution, shall be considered to entitle to the benefits of it, any widow who may have been legally divorced, or separated from her husband, for adultery; or, who, at the period of her husband's demise, may have quitted his protection and be living in a state of notorious adultery, though not divorced, or separated from him by law.

Should a widow entitled to a pension from the fund reside in any other country, her pension will be paid in London, to an attorney duly authorized by her, on the production of a certificate to the foregoing purport, signed by two persons in the character of parochial clergymen, or of magistrates, in the place where she resides.

31st. All those who are now either members or subscribers to the Bengal military widows' fund, as well as those who may in future become so, shall be at the liberty, at any time, to withdraw their names; relinquishing, at the same time, all claims to the benefit of the institution, and forfeiting to the fund all sums that may have been previously contributed by them, as well as what arrears are due to the period of their withdrawing.

Resolutions of General Meeting, 14th February 1822.

Resolved, That in compliance with the declared opinions of many old and respected members of the fund, as well as with a view to meet the understood wishes of the army at large, the following exception to the provisions of the 15th and 16th articles of the regulations, be enacted and declared—viz. that members who subscribe according to their regimental ranks be permitted to subscribe to the higher ranks on each step of promotion, in line or regimental succession, without fresh testimonials of health being required from them, and without reference to unhealthiness of climate, or to their being on service at the time; provided always, that each member so promoted in course of succession, do signify his wish to subscribe to the fund, fifteen days after the notification of his promotion shall have been received by him or publishing in orders at the station or place of his residence.

Resolved, That it be declared as the intent and meaning of the regulations, that on the death of a permanent member, his ac-

tual widow is and shall be entitled to her pension, whether she was the wife of such permanent member at the time of his admission or married to him subsequently; and without reference to her having been at any time in India; provided always, that full and sufficient proof of any such alleged subsequent marriage be furnished to the society directly or through its agents in London.

Regulations for the Admission of Orphans sanctioned by the Army, and ordered to have effect from the 1st February 1819, at a Meeting of the General Management, held the 24th December 1818.

I. That no child be admitted who shall be possessed by inheritance, bequest, or otherwise, of the sum of sicca rupees 7,000 (seven thousand), or an annuity yielding sicca rupees 420 (four hundred and twenty).

II. That no child possessed of any property less than the above sum shall be admitted, unless the amount shall be lodged for its use and benefit in the society's funds.

III. That no child of any subscriber, dying intestate, shall be admitted, if on inquiry there shall appear to have been (after payment of lawful debts, and adequate provision made for the mother) property remaining to the estate, equal to making a provision for, and which might have been bequeathed to such a child.

IV. In any case when an officer may die, leaving a natural born child or children, and possessed of property not sufficient to preclude the children from the benefits of the institution, and such officer shall not by will make such reasonable provision for these children as his circumstances may enable him, such children shall not be entitled to the benefits of the institution.

V. That when, in the will of any subscriber, part only of his children are provided for, and others either excluded by name, or otherwise not noticed in its provisions, such omission arising manifestly out of the intention of the testator, such exclusion or omission shall be considered to invalidate the claims of all the children on the institution.

VI. That all cases of capricious or unequal provision, which by

favouring the mother preferably to the children, or one child in preference to another, shall appear calculated to throw all or any part of a subscriber's family unnecessarily on the fund, shall in like manner, as in the foregoing article, be considered to invalidate the claims of all.

VII. That any provision by will for the widow of a subscriber greater than $\frac{3}{5}$ ths (three-fifths) of the property to be devised when there shall be only one child; $\frac{1}{2}$ (one-half) where there shall be two, and $\frac{1}{3}$ d (one-third) where there shall be any greater number of children than two; the remainder being in all cases considered the property of the child, or (in equal portions) of the children, shall be considered unequal, agreeably to the two foregoing Articles, and invalidate the claims of the children accordingly. Provided always, that a provision for the widow, to the amount of 12,000 sicca rupees (sicca rupees twelve thousand), shall not be held to invalidate the claims of the child or children, although such sum may be more than three-fifths, one-half, or one-third of the property devised.

VIII. That in all cases of children born not in wedlock, any provision for the mother exceeding sicca rupees 30 (sicca rupees thirty), if a native; if European, sicca rupees 50 (sicca rupees fifty) per month, the principal of such sum in all cases to be secured to the child or children, shall be considered in the same light as the above, and invalidate all claims upon the institution.

IX. That subscriptions for the families of deceased subscribers are in all cases to be regarded as available sources of relief to the funds of the society, and in that view are to be considered of, and judged by the foregoing rules, in the same manner as any other disposable property; with this only exception, that, whereas such subscriptions are for a joint benefit, and lodged in the hands of trustees, it shall not be indispensable that the orphan's portions (estimated as above) be paid as capital sums into the society's funds; but it shall be sufficient that the interest upon them be from time to time duly paid by the said trustees into the society's treasury, so long as the orphans continue an expense to the institution, to be appropriated to their maintenance, whether in Europe or in India.

X. That should such children be allowed to remain with parent or friend, the interest on their said portions will be calculated in part payment of the regulated monthly allowance, the society regularly paying or receiving the balance; but should they be placed at Kidderpore, or under the management in England, the amount of interest on their several shares (calculated as above) must be paid into the funds of the society, on failure of which payment during a period exceeding 12 months, the said orphans shall be liable to be struck off the books of the institution.

XI. That with a view to obtain the most correct information possible, as well on the foregoing as all other points affecting the interests of those children who may be offered to their guardianship, the general Management will and do expect (besides the cus-

tomary affidavit) the fullest information from executors and others, and an unreserved communication of testamentary and all other documents, of which nature of the specific cases may admit, and do reserve to themselves the entire right, conveyed to them by their original constitution, of rejecting orphans tendered without such information and documents; or if, on reference to them, there shall appear any evidence of design unnecessarily and intentionally to hurther the fund, by throwing on it those who might and ought to have been otherwise provided for.

XII. That the marriage portion to female orphans shall in no case exceed sicca rupees 2,000; and if the ward claiming the dowry has property to an amount exceeding sicca rupees 3,000, the society will advance a sum that shall increase the amount to sicca rupees 5,000.

EXTRACT FROM THE REVISED REGULATIONS.

Section I.—Admission of Subscribers.

ART. 1. THE following description of persons under the Presidency of Madras, and they alone, are eligible to become subscribers to the fund:—1st. Cadets and commissioned officers in the military service of the Hon. Company.—2d. The archdeacon and chaplains.—3d. Commissioned officers of the medical establishment.

2. Cadets or officers shall be amissible as subscribers without furnishing certificates of health, provided that they signify their wish to become subscribers within six months after their admission on the establishment.

3. Chaplains and medical officers, who may signify their wish to become subscribers within six months after the date of their admission on the establishment, shall be admitted on the same

terms as cadets and officers, provided they are not married, and have not any legitimate off-spring.* But chaplains or medical officers being married, or having legitimate off-spring, shall be required (provided their application be made within six months as above) to pay the donation and subscription of their actual rank, as married, with arrears of subscription, to be calculated from the date of their admission on the establishment, or from the date of the birth of the eldest surviving child, if the latter date be anterior, such arrears to be paid with interest accumulated half yearly.

4. Individuals of the descriptions enumerated in the 1st art. who may not have signified their wish to become subscribers within six months after their admission on the establishment, shall only be admitted as subscribers on the following conditions:—1st. That the application for admission be accompanied by the certificate of two surgeons, upon oath, that the person desiring to subscribe is then, to the best of their knowledge, in good health; this certificate being confirmed by the declaration to the same effect, also on oath, of the person so applying to be admitted.—2d. That the amount fixed in the annexed Table A. as the *Maximum* of their rank and condition be paid at once, or by instalments, within eighteen months from the date of their admission.

* This regulation has been introduced for the purpose of obtaining some equivalent from those subscribers who may enter the service at an advanced age with families, consequently is not applicable to cadets, who are not admissible to the service at an advanced age.

* * It has been resolved by the army, that with a view to induce such officers as are not at present subscribers to the fund to become so, they be allowed to come in on furnishing the prescribed certificates as to health, and on paying by instalments, in the course of three years, the minimum as fixed in the above table; provided, however, that their application be received within one year from the time that the new regulation may be published in India and England respectively.—This indulgence being only of a temporary nature, and expiring 15th Oct. 1823, is inserted here as not forming a part of the permanent regulations.

5. Cadets, assistant-surgeons and chaplains, on their first appointment, desirous of becoming members of the fund in England, will be admissible on payment to the secretary of the fund there, of the undermentioned sums as a donation.

6. Subscribers who may retire from the service, or who may return permanently to Europe, shall not forfeit their rights as subscribers to the benefits of the fund, provided they continue the payments prescribed in Section II.

7. A subscriber withdrawing from the fund, forfeits, *ipso facto*, all claim to its benefits, as also the amount of his donation and subscription, and all other sums which he may have paid, up to the period of his secession. Should he afterwards be desirous of again becoming a subscriber, he will be admissible on the same terms as a new subscriber, as described in the 4th article.

Section II.—Donations and Subscriptions.

1. The donations and subscriptions of all subscribers shall be regulated agreeably to the following Tables B. and C. The subscription being equal to one day's garrison infantry pay and allowances if unmarried, and the pay-allowances of one day and a half if married. Widowers having legitimate offspring to be considered and to pay as married. The donation and subscription of cadets to be calculated on the rank of ensigns, the subscription commencing from the date of their admission on the establishment.

2. The maximum and minimum laid down in Table A. Section I. is fixed as the maximum and minimum of aggregate contribution for all classes of subscribers, so that each subscriber, on the one hand, having paid a certain amount added up without interest in

either of the classes (or the *maximum*), shall be exempted from further contribution while he may continue in that class; and, on the other hand, that before the benefits issue in full from the fund, either to subscribers or to families, a certain amount calculated without interest also (or the *minimum*), shall be derived to the fund from the subscriber, or in the case of his death, from the amount payable to his family. In the latter instance, the rates of deductions for paying up the arrears of *minimum* due are to be regulated by the Table D.

3. The donation may be paid at once or by monthly instalments, not exceeding thirty-six, at the option of the subscriber. If the subscriber, however, be promoted during the payment of these instalments, he must pay all instalments subsequent to the date of that promotion, at the rate of the donation of the higher rank.

4. But although a period of eighteen months is also granted as an indulgence for the payment of the *maximum* by a person who may not have applied to subscribe to the fund within six months after his admission on the establishment, it is to be clearly understood, that any arrears of that maximum at the period of the death of such subscriber, or at the date of the sick certificate, on which he may have obtained leave to proceed to Europe, shall be deemed a forfeiture of all claims upon the fund, either for himself or family.

5. Nevertheless, on the death of any subscriber, whose family may be excluded from the benefit of the fund by the preceding paragraph, such family will be entitled to receive from the fund the full amount of subscription, with interest accumulated half-yearly, that may have been paid by the subscriber on whose behalf they claim, provided the subscription shall not have been previously forfeited under 9th article of this section.

6. Officers on their promotion or marriage will be required to pay up the difference between the amount of donation already paid by them, and the amount specified in the second and fourth columns of Table B., as the aggregate of each class and condition.

7. Donation is in no case to be returned.

8. All subscribers marrying after their admission into the fund, and who may be desirous that their widows or children shall possess claims to the benefits of the fund, are required to

inform the secretary of their marriage, and of the payment of the additional donation; and unless this information be given, and payment of the additional donation made within six months after such marriage, the subscriber shall be required to pay double the amount, with interest added half-yearly.*

9. Any arrear, not sanctioned by the 3d and 4th articles of this section, equal in amount to six months' subscription, shall subject the subscriber owing it to the payment of double the amount of the arrear (unless it shall be made to appear, to the satisfaction of the Directors, that such arrear arose from unavoidable accident), and in failure of the payment of the forfeitures specified in this and the preceding article within twelve months after it shall be demanded, to the exclusion of himself and family from the benefits of the fund.

10. Subscribers who may be in the actual receipt of any periodical aid from the fund, shall not, during such period, be exempted from the payment of monthly subscription.

11. Subscribers who may be prevented from drawing pay by a temporary cause, such as captivity, extended furlough, suspension from pay, or the like, shall during such period be exempted from the payment of monthly subscription without forfeiture of their rights; but upon the removal of such incapacity, and upon the receipt of pay, they shall be required to pay up all arrears due to the fund, or one-thirtieth part if unmarried, and one-twentieth if married, of any arrears of regimental garrison pay and allowances which they may so receive.

12. It is optional with married subscribers to pay a donation of 282 rupees or not, within one year after the birth of each daughter; the advantage resulting from such payment being, that the annuity which on the death of the subscriber becomes payable to such daughter, shall be continued to her until her marriage or death, in the manner prescribed; and in the event of its not being paid, the annuity to the daughter will cease on her attaining the age at which annuities to sons are discontinued. A posthumous daughter, or a daughter whose father may die before she be one year old, will be entitled to the advantages of the Regulation; but the prescribed donation for her will be deducted from her annuity at the rate specified in Table D.

13. Officers retired on half pay, or on Lord Clive's fund, shall pay full subscription notwithstanding, according to their rank and condition; and they are accordingly required to pay up their arrears, without interest, towards their respective maximum, within one year after the adoption of the regulation may be made known in England; or failing so to do, and preferring to continue the payment of half subscription only, their families at their death will be entitled only to half the benefits derivable from the fund.

Section III.—*Persons entitled to the Benefits of the Fund.*

1. The persons entitled to the benefits of the fund are:—1st. All subscribers to the fund, for such benefits as are personal, under

* This article is applicable to the marriage of widowers as well as to that of bachelors.

the restrictions prescribed by the regulations. 2d. All widows and legitimate children of those who were subscribers, and were married on the 1st April 1808, and the children of such previous marriages are entitled, without distinction, to the full benefits of the fund, either in quality of orphans, or in future as widows.

2. With regard to marriages contracted subsequent to the 1st April 1808, it shall be an indispensable qualification that both the parents of any and every claimant shall have been European, or of unmixed European blood, though born in other quarters of the world; four removes from an Asiatic or African being considered as European blood.

3. Legitimate children of those who were married subscribers on the 1st April 1808 (provided they be the offspring of such marriages), as also the legitimate descendants of those children, shall be entitled to the full benefits of the fund, either as orphans or hereafter as widows, notwithstanding the restriction contained in the preceding article.

4. Marriages, subsequent to the 1st April 1808, with persons of mixed blood (who may not be included in the third article), exclude the widow and children from the benefits of the fund; but subscribers contracting such marriage will continue to enjoy all the personal advantages of the fund, and will besides have the option of paying the additional donation on marriage; which payment, and the continuance of subscription, will entitle the widow and children of such subscriber to receive from the fund the amount of net subscription paid by him with compound interest, accumulated half-yearly, after deducting therefrom, with similar interest, the amount of any advances which he may have previously received from the fund on account of sickness or other cause.

Section IV.—Benefits derivable from the Fund.

1. The benefits derivable from the fund are two-fold. 1st. Such as are granted by the regulations to subscribers while living. 2d. Such as are granted to the widows and legitimate children of deceased subscribers.

2. The benefits granted to subscribers while alive are considered personal, and subject to the decision of the Directors for the time being; who will be guided in their decision on each claim by the regulations of the fund, except when they have reason to entertain doubts with respect to any such claim. It will, in such cases, be their duty to call for further information from the claimant; and if this information should not be satisfactory to the Directors, they are authorized to withhold the payment of the claim until the pleasure of the army at large be known, to whom the case will be immediately referred.

3. Subscribers who may have applied to the secretary for permission to subscribe within six months after their admission on the establishment, will be entitled at any time to the benefits of the fund.

4. A subscriber who may proceed to Europe on sick certificate, in conformity to the regulations of the army, and who may not be allowed passage money by Government, shall be entitled to the passage-money regulated for his rank, provided his application

shall be accompanied by a declaration on oath, that he does not possess the means of paying for his passage, and also shall be entitled on his return to India to receive from the secretary in England the sum regulated for passage, on the production of a similar affidavit.

5. A subscriber so proceeding to England on sick certificate shall be entitled for his equipment to a further sum not exceeding Rs. 400 if unmarried; or if married, in addition to the above sum, he will be allowed Rs. 200 for his wife, and Rs. 100 for each child, his application being accompanied by an affidavit of his not possessing funds for the purpose; but no allowance will, in any case, be made for equipment to a subscriber returning to India.

6. Subscribers, being subalterns proceeding to England on sick certificate, who shall make oath that they do not possess property which will produce an annual income, including their pay, equal to £140, shall be allowed such sum annually, as with their pay and other income, will make up £140, during the period of receiving English pay on furlough, as regulated by the Court of Directors.

7. Income allowance to sick subaltern officers at home will be increased to such officers as are married, or to widowers having offspring, as follows: £20 for his wife, and £10 per annum to each of his children. The latter allowance, however, to be reduced in the case of a plurality of children, in the manner prescribed by the 17th article of this section; provided, however, that such additional allowance for the whole family never exceed his own income allowance. A Captain, in like manner, being at home on sick certificate with a family will be entitled to a similar allowance for his family, provided he take the oath prescribed for subalterns; but such allowance is never to exceed that of a Lieutenant.

8. Subscribers proceeding to England on sick certificate conformably to the regulations, from any place not under the Presidency of Fort St. George, shall be entitled to the personal benefits which have been above enumerated, provided they shall have complied with the local regulations, and shall make immediate communication of the circumstances to the directors of the fund.

9. The second class of benefits (namely, those granted to widows and children of deceased subscribers), are absolute, not dependant on the decision of the directors, but controlled solely by the regulations of the institution.

10. The widows and legitimate children of deceased subscribers, admitted subsequent to the 15th October 1822, shall be entitled to receive the annuities specified in the annexed Table E., without reference to the amount of property such subscribers may have died possessed of, provided they shall have paid up, previous to their decease, the minimum of their rank; but in cases where the minimum may not have been paid up, the annuities of the widows and children will be subject to a deduction, in the proportion specified in Table D., until such minimum may have been made good, when the annuities will be paid in full.

11. The pension to boys may be anticipated by the parents or guardians at any time after such boys shall have attained their fifteenth year, at their then present value, as shewn in the following Table F., the parents or guardians granting a sufficient acquittance for the same; and such payment of anticipated pension will preclude any subsequent demand for pension, except when the pension may have been anticipated during the life-time of the mother, and that she dies afterwards before the boy has completed his 21st year, in which case he shall be entitled to the difference of the sums opposite his age at the time of his mother's death for the £40 or the £60 annuities, in India or in England respectively, as the case may be.*

N. B. The present value is invariably to be paid, under the circumstances of the case, as the boy may be in Europe or in India respectively; and if the boy die at intermediate periods between the calculated half years, the due proportion shall be allowed for the broken period.

* For instance, if a boy in India, while his mother is living, anticipates his annuity at the age of 16, he will receive £165. 18s. 2d. only; but if his mother die when he is 19, he will then have to receive the difference between £73. 2s. and £109. 13s., or £36. 11s., in addition to the sum before paid to him.

annuities, on production of the powers investing them with authority to act as guardians.

13. The pension payable to the widows of subscribers is in *all cases* to be subject to a deduction equal to the amount of Lord Clive's pension; accordingly an amount, equal to the pension payable by Lord Clive's fund, shall in *all cases* be deducted from the income which might otherwise be claimed from the military fund by the widow of a deceased subscriber.

14. If a widow pensioner on the fund marries, her pension is to cease during her coverture; but in the event of her becoming again a widow, she shall be re-admitted to all the benefits she may have enjoyed from the fund during her first widowhood, in like manner as if she had not re-married. If her second husband shall also have been a subscriber to the fund, the widow will receive, however, only one annuity, taking that which may be greatest, that is to say, according to the rank of the first or second husband, whichever may have been the highest; but the widow of a colonel, lieutenant-colonel, or major, marrying subsequent to the date of these regulations, and reverting again to the fund upon the decease of her husband, shall be entitled only to the annuity specified in Table E.

15. The applications of widows admitted subsequent to these regulations having effect, and who were not married on the 1st April 1808, are to be accompanied by an affidavit.

16. Widows who may be admitted to the benefits of the fund subsequent to the date of these regulations, shall not be entitled to passage-money, except in cases where it may be certified by two medical officers to be absolutely necessary for the recovery of their health, when they will be allowed the passage-money established for the rank of their deceased husbands for one passage only. Widows who may declare upon oath that they have not the means of defraying their passage, will receive *an advance* the amount allowed for the passage regulated for the rank of their deceased husbands; such advance to be repaid, with interest at 5 per cent., by instalments, at the rate fixed in Table D.

17. The passage-money for children admitted subsequent to the date of these regulations is fixed as follows, viz. £60 (or Rs. 525) for each child; but when more than one child go home together the allowance is to be reduced in the following ratio, viz. £3, £9, £18, £30, £45, as there may be 2, 3, 4, 5, or 6 children going together respectively, and in the same ratio for any greater number.

18. The half-yearly application of a widow for her annuity, admitted subsequent to the 15th Oct. 1822, is to be accompanied by an affidavit.

19. A widow having more than one child, shall have deducted from the aggregate of her children's annuity 1-20th part of one child's annuity (taken on the average of all their annuities) for the second child; 2-20th for the third child; 3-20th for the fourth, and so on for any number she may have above one, so that for instance, supposing a subscribing major to leave a widow and six children

(two in each class) she will have to receive from the fund for herself £180 11 3
For her six children £180 0 0
Less 15-20th of £30 or 22 10 0 • 157 10 • 6

* Total besides Lord Clive's bounty £338 1 3

But the aggregate of the children's annuities is in no case to exceed the amount of the widow's own annuity receivable from the fund.

Section V.—Eventual Benefits of the Fund.

1. Independent of the benefits which have been recited, the fund is considered as holding out the prospect of eventual benefits under the following circumstances.

2. If at any future period it shall be found that the funds of the institution afford a considerable surplus, after providing for the actual and probable applications for relief under the preceding articles, it shall then, and not otherwise, be competent for the Directors of the institution, as the permission of the Hon. Court of Directors has been obtained, to afford the aid of the fund in the following case, viz.; to subscribers compelled by ill health to abandon the country after ten years' service, and before they are entitled to retire on full pay, the regulated passage-money of their rank, and an annuity which shall render their total income, from whatever source derived, equal to the full pay of their rank.

3. If at any future period it shall be found that the funds of the institution afford a considerable surplus, after providing for the actual and probable applications for relief under the preceding articles, it shall then, and not otherwise, be competent for the directors of the institution, provided the permission of the Hon. Court of Directors be obtained, to afford the aid of the fund in the following cases.—1st. To officers who may have served twenty-two years in India, and may be obliged by ill health to retire from the service, without having obtained the rank of major, the regulated passage-money of their rank, and such assistance from the fund as will render their whole income, from whatever source, equal to the pay of major.—2d. In the event of a still further surplus, it shall be competent for the directors of the military fund, at their discretion, to assist officers retiring from the service on full pay in limited circumstances, with a sum equal to the regulated passage-money of their rank; provided always, that the resignation of such officer shall actually have been accepted previously to his embarkation.

Section VI.—Loans.

Subscribers who shall have subscribed to the fund for a period not less than eight years, shall be entitled to loans under the following circumstances.

1. A subscriber being desirous to send his wife and children, or either of them, to Europe shall be allowed, should the state of the funds admit it, a loan equal to the amount of 20 months' sub-

assistance of the rank he then holds, provided he shall have previously deposited with the directors an irrevocable order, engaging to repay the amount so borrowed, with interest at 8 per cent., within twenty-two months immediately succeeding the date of the advance. He shall also be required to deposit for the ultimate security of the fund, a personal bond, in which he shall be joined by two securities, to be approved by the directors, and assignment on any property he may possess.

2. In like manner, a similar loan will be allowed to a subscriber in India under the same conditions, whenever he may be desirous that his wife and children, or either of them, should return to him.

3. A subscriber who may be desirous to remit money to his wife or children in Europe, shall be allowed to receive an order on the secretary of the fund in England for any amount which he may have previously paid into the fund here, either by instalment or otherwise: provided always, that any loss by exchange or otherwise shall be borne by such subscriber.

4. A subscriber proceeding to England on sick certificate with his wife and children, shall be authorized to apply for the regulated passage-money for such wife and children, to be advanced by the military fund as a loan. Such loan, however, can only be advanced upon the personal bond of the subscriber, including two sureties to be approved by the directors. The amount to be repaid with interest at 8 per cent. within two years after the subscriber's return to India, provided he may have attained the rank of captain, otherwise within two years after he shall have attained that rank, and the sureties to be bound to make good any balance or deficiency, in the event of the subscriber's ceasing to be a member of the fund before the bond is discharged.

Section VI.—General Regulations.

9. When any new regulation shall appear to the directors to be advisable, such regulation shall be circulated to corps for consideration.

10. If any subscriber or claimant on the fund shall be desirous to appeal from the decision of the directors to that of the subscribers at large, upon any subject which may not be specifically defined by the regulations, such appeal, provided it be approved by three directors, shall be referred and decided upon in the manner prescribed in the preceding article, and the decision shall be final in all cases whatever, any further agitation of the question, by process of law or otherwise, being deemed in itself to be an absolute forfeiture of all claim on the Fund.

11. When a reference shall be made to the subscribers at large, respecting either a proposed regulation or an appeal, the result of such reference shall be communicated to corps for the information of subscribers.

12. In order to prevent litigation respecting the disposition of this institution, it shall be required that every application for the benefit of the fund shall be accompanied by an obligation of the party applying to conform and submit to the decision of the

directors, and of a majority of the army, in cases which admit a reference to the general suffrage.

13. Generally, all payments due from the fund are to be made half-yearly, on the 30th June and on the 31st December; but in cases, when pensioners or claimants on the fund are about to embark for Europe, all arrears are to be paid up to the latest date practicable.

14. Any arrear which may be due to the fund by a subscriber, or by an annuitant who may have received an over-payment, loan, or advance, shall in all cases be deducted from the first payments to be made from the fund to the person owing such arrear.

15. All income derived from the Madras Military Fund is declared to be unalienable; and the fact of attempting the alienation of such income, in any manner or under any pretence, shall be deemed in itself a forfeiture of all future benefits from the fund.

16. Dismission from the service shall be in all cases considered a forfeiture of all claims on the fund, and of all subscriptions already paid; but temporary suspension from rank or pay is not to be considered a forfeiture of such claims, provided the subscription be continued during such suspension; or if the subscription be discontinued, provided the arrears so arising, and interest on the amount, shall be paid up within a period equal to that of the suspension, and immediately succeeding it.

17. If a subscriber who may be dismissed from the service by a court martial or otherwise, shall afterwards be restored to the service, he shall be re-admissible to the fund, on payment of the arrears that may have accumulated, with interest thereon, in the same manner as if he had suffered only temporary suspension.

18. All property belonging to the military fund at any period, shall be invariably vested in the Hon. Company's securities.

19. When interest may be chargeable according to these regulations, on sums either receivable or payable by the military fund in account with subscribers to that fund, or their families or representatives, that interest shall be always calculated according to the highest rate which may be allowed on the Hon. Company's securities at this Presidency, at the time when such sum may be received or paid.

20. The existence of a military fund must be known to all persons entering the Madras service; and, in the course of six months, they must necessarily have various opportunities of learning the tenor of the regulations. It will nevertheless be the duty of the secretary to communicate to each cadet, officer, chaplain, or assistant surgeon, entering the service, the advantage of a speedy declaration of his intention to subscribe, and the penalty of his delaying it for more than six months. This communication is to be made immediately on the promulgation of the order admitting to the service any individual of the class abovementioned, and is to be repeated at the expiration of three months; but the mis-carriage or non-receipt of such communication will not be admitted in bar of any existing regulation.

21. The management of the affairs of the fund in England shall be conducted, as at present, by a secretary to be nominated

by the directors of the fund, and such secretary shall be required to furnish security in proportion to the extent of cash he may have in hand at one time. It shall be part of the duty of the secretary to furnish every cadet, assistant-surgeon, and chaplain, on his appointment to this Presidency, with a printed copy of the regulations of the fund, and every information requisite relative to the existence and objects of the institution.

22. With the view of securing the fund against decay and ultimate failure, the original intention in regard to donation shall be henceforward put in force and strictly adhered to, namely, that the donations paid by officers be "*for the purpose of forming a capital*," and that the subscriptions of officers, the Company's donation, the interest on the capital, and all other profits, be alone available to defray the expenses of the fund, and the books and accounts of the fund shall be kept to that effect.

23. Should the subscriptions of officers, the Company's donation, the interest on the capital, and all other profits available to defray the expenses of the fund, fall short of the demands upon it, so that the total amount of the former will not defray the amount of the annuities and other claims, then it shall be in the power of the directors to make a proportionate deduction, according to Table D., from the annuities of the widows of the four senior classes, from the annuities to all children, and from the payments to other claimants above the rank of subalterns, until the state of the fund shall afford the means of complete payment; when, if a surplus income exists, the arrears shall be made good from the amount of surplus, but not otherwise.*

24. The secretary shall lay before the directors, at the regular monthly meeting in November each year, an estimated state of the fund for the current year; and the directors having taken the same into consideration, shall declare what deduction, if any, may be required on annuities and claims for the ensuing year, on the principles of the preceding article.

25. Certificates, according to a prescribed form, shall be issued for the amount of every deduction to be made on the above principle, be numbered, dated, and registered progressively; and when it may be deemed advisable to put them in train of payment, the same shall be discharged to the parties holding them or their order, according to priority of date, and upon their granting a full and sufficient acquittance for the same on the back of the certificate, but no interest whatever will be paid on those certificates at any time.

* So long as there shall be on the fund widows belonging to the three senior classes, and children whose mothers are living, and which widows and children shall have been admitted thereto previously to the 15th Oct. 1822, the widows and children admitted since that period on the modified annuities shall not be subject to the deductions specified in the preceding articles, until the corresponding annuities of the former annuitants shall by such deduction have been reduced respectively to the standard of the new scale from which period they shall all be included in the provisions of the article to which this note refers.

MEDICAL FUND, &c. MADRAS. 489

26. None of these regulations shall affect the annuitants admitted on the fund prior the 15th Oct. 1822, regarding whom the previous regulations shall continue in force, except in such cases as are herein specially and otherwise provided.

The objects of the fund are:

To afford subsistence to the widows and legitimate children of medical officers (subscribers to the fund) dying in circumstances of indigence and distress.

To assist medical officers (subscribers) who are obliged to go to Europe in consequence of ill health.

And to afford to the senior officers of the Medical Establishment (subscribers) retiring from the service, annuities for life, under certain limitations, and depending on the state of the funds.

To the widows of all members, whether surgeons or assistant-surgeons, having subscribed prior to the 5th January 1815, who are in the circumstances entitling them to assistance, the Fund grants such sums as will make their income three hundred pounds sterling annually.

To the widows of all surgeons, the same as above.

And to the widows of assistant-surgeons who became members subsequent to the 5th of January 1815 (unless the deceased shall have been fifteen years an assistant surgeon), the Fund affords such assistance as will make their income two hundred pounds sterling per annum.

To the legitimate children of deceased subscribers, under circumstances entitling them to assistance from the fund, it is granted at the following rates.

To children under six years of age the income is made up to twenty pounds sterling per annum; but if a child have lost both its parents the sum is made up to thirty pounds sterling per annum, and in the latter case the trustees act as guardians to the orphan.

From the age of six to twelve years the sum is made up to forty pounds per annum, and from twelve years of age till marriage, or until the age of twenty-one years, to seventy pounds sterling per annum.

To subscribers who find it necessary from ill health to go to Europe, and who procure the necessary certificate to obtain the sanction of Government for that purpose, such assistance is afforded as shall enable a surgeon to expend the annual sum of three hundred pounds sterling, and an assistant surgeon the annual sum of two hundred pounds sterling, for a period not exceeding three years (vide Deed).

To the senior subscribers retiring from the service, if the

Widows, pensioners on the fund, marrying a second time, and thereby forfeiting their pensions, are, on becoming widows, a second time, entitled to assistance, on furnishing the required affidavits.

Printed copies of the Fund Deed are to be purchased at the office of the Madras Gazette, and information respecting the fund is to be obtained at the Secretary's Office (at the Medical Board Office), between the hours of eleven and three daily.

This fund, which has been recently instituted by the Honourable Company's army under this presidency, on similar principles

MILITARY FUND. BOMBAY.

to that, which has been so many years in successful operation in the army of Madras, has for its objects:—

To provide for the families of officers left by their death, destitute of an adequate maintenance, and to assist officers unprovided with aid by the regulations of the service, or from their own resources under such circumstances of urgent sickness, as renders a voyage to England necessary for the preservation of their lives, and to afford such further aid as the funds shall admit in cases of less urgent necessity.

This Institution holds out advantages of so superior a kind, that all the officers of the Bombay army, with a very few exceptions, are become members of it, it is also honoured by the support and patronage of the honourable Court of Directors.

Admission of Subscribers.

The following description of persons, and they alone, are eligible to become subscribers to the Bombay military fund.

- 1st. Officers or cadets in the military service of the Hon. Company under the presidency of Bombay.
- 2d. Chaplains of the Bombay establishment.
- 3d. Officers of the medical establishment under the presidency of Bombay.
- 4th. Officers of the Bombay establishment belonging to the senior list.

Chaplains and medical officers who may signify their wish of becoming subscribers within twelve months after the date of the general order admitting them on the establishment, shall be admissible on the same terms as cadets or officers, provided they are not married and have not any legitimate offspring.

But chaplains and medical officers being married and having legitimate offspring, shall be required (provided their application be made within twelve months as above) to pay the donation and subscription of their actual rank as married, with arrears to be calculated from the first of the month succeeding their arrival in India, from the date of the fund's establishment, or from the birth of the eldest surviving child, if subsequent to the latter and prior to the former date—such arrears to be paid with interest accumulated half yearly.

Donation and Subscriptions to be paid to the Bombay Military Fund.

All persons subscribing to the Bombay military fund shall pay a donation or premium on entering the fund agreeably to the rates specified in the accompanying Table No. 1., and shall also allot for the support of the fund, so long as they shall continue sub-

scribers, the monthly sums specified in Table No. 2., agreeably to their rank, whether in India or Europe.—Widowers having legitimate offspring to be considered and to pay as married. The donation and subscription of cadets to be calculated on the rank of ensign.*

* The subscription of general officers and colonels on the senior list to be the same as that of colonels.

The donation may be paid at once, or by monthly instalments not exceeding twelve, at the option of the subscriber.

* Note.—All sums due on account of the military fund should be paid over to the paymasters of divisions where the subscribers are respectively serving.

Subscribers who may have applied to the secretary for permission to subscribe within twelve months after their admission on the establishment will be entitled at any time to the benefits of the fund.

All subscribers marrying after their admission into the fund, and who may be desirous that their widows or children shall possess claims to the eventual benefits of the fund, are required to inform the secretary of their marriage, and unless this information be given and payment of the additional donation made within six months after such marriage, the subscriber shall be required to pay double the amount with interest added half yearly.

Subscribers who may have proceeded to Europe on sick certificate, or who may be in the receipt of any periodical aid, from the fund, shall, during such period, be exempted from the payment of monthly subscription.

Persons entitled to the benefits of the fund.

The persons entitled to claim the benefits of the Bombay military fund are,

1st. All subscribers to the fund, for such benefits as are personal, under the restrictions prescribed by the regulations.

2d. All widows and legitimate children of subscribers who were married on or before the 1st November 1816, and the children of such previous marriages, are entitled, without distinction, to the full benefit of the fund, either in quality of orphans, or in future as widows.

With regard to marriages contracted subsequent to the 1st November 1816, it shall be an indispensable qualification that both the parents of any and every claimant shall have been European, or of unmixed European blood, though born in other quarters of the world; four removes from an Asiatic or African being considered as European blood.

Benefits derivable from the Bombay Military Fund.

A subscriber, of whatever rank, who may proceed to Europe on sick certificate in conformity to the regulations of the army, and who may not be allowed passage money by government, shall be authorized to apply to the military fund for the passage money regulated for his rank—field officer rupees 2500, captain 2000, subaltern 1500, provided his application shall be accompanied by a declaration on oath, that he does not possess the means of paying for his passage; and also shall be entitled on his return to India to receive from the agents in England, the sum regulated for the outward passage on the production of a similar affidavit. (*vide Form No. 1.*)

A subscriber so proceeding to England on sick certificate shall be authorized to apply for the further sum of rupees 700 for his equipment, his application being accompanied by an affidavit of his not possessing funds for the purpose; but no allowance will in any case be made for equipment to a subscriber returning to India. (*vide Form No. 2.*)

Subaltern Officers proceeding to England on sick certificate who shall make oath that they do not possess property which will produce an income, including their pay, equal to £140, shall be allowed such amount annually as, with their pay and other income, will make up the above sum, during the period of receiving English pay on furlough as regulated by the Court of Directors.

The widows and legitimate children of deceased subscribers shall be entitled to receive the annuities specified in the annexed table; provided their claims be not effected by the amount of property possessed by such subscriber at his death, by the income they themselves derive from other sources, or by the disqualifications stated in the second article of the 3d section.

* The pension payable to the widows of subscribers is, in all cases, to be subject to a deduction equal to the amount of Lord Clive's pension. Accordingly an amount equal to the pension payable by Lord Clive's fund, shall be deducted from the income, which might otherwise be claimed from the Bombay military fund by the widow of a deceased subscriber.

The pensioned children of subscribers shall be entitled to receive from the fund a portion of £300 each, to assist their establishment in life, on the completion of their eighteenth year.

The portion of £300 may be advanced at an earlier period than the age of eighteen, on the application of guardians, if there be an immediate prospect of any eligible establishment in life; but in all cases the payment of the portion precludes any subsequent demand for pension.

The property possessed, from whatever source, by widows and children becoming claimants on the fund, will be ascertained on affidavit, and all income which may exceed the privilege of half the aggregate amount of pension in which they are entitled, shall form a deduction from their annuities, so that an income equal to one pension and an half, will wholly exclude them from all title to the benefits of the fund.

In calculating the annuities to be granted, and privilege to be allowed to families consisting of several persons, the following rules shall be observed.

1st. That in all instances half the aggregate amount be considered as privilege; deducting the excess of property possessed by the family beyond this sum, from that which they would otherwise collectively be entitled to claim from the fund.

2d. Property derived by any individual of the family, otherwise than from their husband or father, shall effect the claim of such individual alone.

If a widow, pensioner on the fund, marries, her pension is to cease during her coverture; but in the event of her becoming again a widow and not possessing property to the amount that would exclude her claim, she shall be re-admitted to all the benefits she may have enjoyed from the fund, during her first widowhood, in like manner as if she had not remarried; but subject of course to all the limitations and conditions prescribed by the regulations in the first instance. If the second husband shall also have been a subscriber to the fund, the widow will receive however only one annuity, taking that which may be greatest, that is to say, according to the rank of the first or second husband, whichever may have been the highest.

The application for the benefit of the fund, which may be made by a widow on behalf of herself and children, or by a guardian on behalf of children, shall be accompanied by an affidavit, sworn before a magistrate, specifying the full amount of the property of which the deceased husband or father died possessed, the proportion of such property which has been left by will or otherwise to the widow or children respectively, and the total amount of property possessed at the time by the persons on whose behalf application is made, or by either of them, or by any other person on their account.

In calculating the income possessed by persons applying for the benefit of the fund, real or personal property yielding income is

to be estimated at the rate of its actual produce; plate, jewels, or other moveable property (which may exceed a reasonable allowance for personal use according to the rank in life) is to be estimated as income, at the usual rate of interest in the country where it may be.

Therefore every half yearly application for the appointed annuity shall be accompanied by a fresh declaration on oath, specifying the actual property and income for the time being of the parties respectively, in whose behalf the application is made; and in the event of a variation from the former income, the circumstances which occasioned such variation are to be fully stated.—(Vide Forms, Nos. 3 and 4.)

Every widow benefiting by the military fund, and not provided with a passage to Europe at the expense of government, shall be entitled (for one passage only) to the allowance allotted for the rank of her husband, unless the property left by her husband shall exceed the amount which excludes a claimant from Lord Clive's fund; in which case there shall be no claim of the military fund, on the part of the widow for her passage.

The passage for children benefiting by the military fund is fixed at rupees 800 each, without reference to the age of the child or the rank of the parent.

General Regulations.

In order to prevent litigation respecting the disposition of this institution, it shall be required that every application for the benefit of the fund, shall be accompanied by an obligation of the party applying, to conform and submit to the decision of the Directors, and of a majority of the army in cases which admit a reference to the general suffrage. (Vide Form No. 5.)

Generally, all payments due from the fund are to be made half yearly, on the 31st October and 30th April; but in cases when pensioners or claimants on the fund are about to embark for Europe, all arrears are to be paid up to the latest date practicable.

All income derived from the Bombay military fund is declared to be unalienable, and the fact of attempting the alienation of such income in any manner, or under any pretence, shall be deemed in itself a forfeiture of all future benefits from the fund.

Eventual Benefits.

Independent of the benefits recited, the fund is considered a holding out the prospect of eventual benefits to subscribers on retirement from ill health, or length of service. As also of granting loans under certain circumstances, for the accommodation of subscribers.

Form of an obligation to accompany the application of all persons applying for the benefits of the fund.

(Form No. 5.)

Whereas certain persons belonging to the ecclesiastical, the military and the medical establishments, under the government of Bombay, have with the sanction of the said government, under the superior authority of the honourable the Court of Directors, constituted a fund for the purpose of granting assistance to subscribers, and of providing for the families of deceased subscribers, under certain circumstances which are specified in the regulations established for the management of the said fund, which is instituted the "Bombay Military Fund," and the founders of the said fund being desirous to obviate the inconveniences that might arise from the public litigation of any question respecting claims on the fund, which may hereafter be considered to admit of doubtful interpretation, have enacted (as one of the conditions admitted) that such applications shall be accompanied by a formal obligation

on the part of the persons applying to conform and submit to the decision of the Directors for the time being of the said fund, or of a majority of subscribers, to whom alone an appeal can be made.

Now I, J. K., Captain ——— battalion ——— regiment N. One thousand pounds Stock qualifies the proprietor to one vote ; two thousand qualifies for a director ; three thousand to two votes ; six thousand to three votes ; and ten thousand to four votes.

OATH

To be taken by the Proprietors previous to Balloting.

I, A. B., do swear, That the sum of one thousand pounds, or more, of the capital Stock of the *United Company of Merchants of England trading to the East-Indies*, standing in my name, doth at this time belong, and hath, for the space of twelve calendar months, actually belonged to me, in my own right, and not in trust for any person or persons whatsoever; and that I have been in the actual receipt of the dividends and profits thereof for my own use, freed and discharged of all incumbrances which can or may affect the same, for the said space of twelve calendar months; or that the same came to me, within the time aforesaid, by bequest, or by marriage, or by succession to an intestate's estate, or by the custom of the City of *London*, or by settlement; and that such Stock has not been transferred or made over to me fraudulently or collusively, on purpose to qualify me to give my vote; and that I have not before given my vote on this ballot.

So help me God.

HON. EAST-INDIA COMPANY.

The high encomium which has been paid to the management of this Establishment, in the late investigation into the state of Mad Houses by the House of Commons,* and the distinguished patronage of the HON. EAST-INDIA COMPANY, render it unnecessary to say any thing more in its favor. It will be sufficient therefore to add, that the number is limited, the Patients are select, the advantages are considerable, and the terms reasonable, and that *three-fourths of those already admitted have been restored to health and reason.*

Further particulars may be known by applying either at *Pembroke House* or in *Finsbury Square*, where Dr. Rees attends on Tuesday, Thursday, and Saturday Mornings, from Ten to Twelve.

Originally Compiled by the late William Milburn, Esq., of the Hon. East-India Company's Service. Abridged, improved, and brought down to the present time, by Thomas Thornton.*

"In the present Edition of this very valuable work, which has been for some time out of Print, every particle of Information is retained (augmented by M.S. Additions of the original Author) which can be requisite for the Guidance of the Merchant and Trader; and much Original Matter occasioned by Alterations abroad, and obtained from new sources of Intelligence, will be included. The bulk of the work has been reduced by the use of a more succinct style; but chiefly by excluding the Historical and Financial disquisitions, as well as many Tables, which, although deduced from official records, are calculated rather to mislead than inform.

The East-India Vade-Mecum, being a Complete Guide to Gentlemen proceeding to the East-Indies in either the Civil, Military, or Naval Service, or on other Pursuits; much improved from the work of the late Captain Williamson, being a condensed compilation of his and various other publications, and the result of personal observation. A Supplement to the Second Edition of the Universal Cambist, by P. KELLY, LL. D.

Being a Continuation of the Article EAST INDIES, and comprising an Addition of more than 100 Trading Places, of which nothing authentic had been previously published respecting their Weights, Measures, or Monies.

For this great accession of commercial knowledge the world is indebted to the Honourable Court of Directors, who, in 1821. transmitted an Order to their Agents in India (similar to the Circular issued by His Majesty's Government, in 1818, to the British Consuls in other countries), directing them to send home attested Specimens of the Weights and Measures of their respective Residencies, for the purpose of comparing them with English Standards at the London Mint.

This extensive operation, which is now fully executed, may be considered as completing the great System of Metrology, recommended to Government by the Board of Trade—that of “*comparing the Weights, Measures, and Monies of all Commercial Countries, by official Experiments on verified Standards.*”

The results of all these comparisons and verifications are incorporated in the Second Edition of the CAMBIST, with many new documents relating to Foreign Exchanges and other commercial regulations, as communicated in the dispatches of the British Consuls and Agents abroad, in obedience to their Circular Instructions.

. The Supplement will be delivered, free of expense, to the previous Purchasers of the Second Edition, on application to their respective Booksellers; but it cannot be used with the First Edition, being entirely adapted to the Second, by references and other illustrations.

A small but important Article on ENGLISH METROLOGY will be delivered with the Supplement; viz. “*AN ABSTRACT of the New Act of Parliament for ascertaining and establishing Uniformity of Weights and Measures*” (passed June 17, 1824), This is an Act, declaratory of the correctness and legality of existing Standards; and also, for equalizing Measures of Capacity. The Abstract is accompanied with Tables of Equalization, and other new Calculations.

. The CAMBIST is sold by the principal Booksellers at the original price (Four Guineas), including all Supplementary Matter.

Published on the first day of every month, price 2s. 6d.

La Belle Assemblée 286

OR, 530
COURT AND FASHIONABLE MAGAZINE.

On January 1, 1825, was published the first number of the *La Belle Assemblée*: of Court and Fashionable Magazine. Embellished with an Engraving, in Thompson's best style, of the Right Hon. Lady Elizabeth Belgrave, from a celebrated Painting by Sir Thomas Lawrence, P.R.A., in the Gallery, and by Permission, of the Most Noble the Marquis of Stafford.

Under circumstances of peculiar interest, the *Proprietors of La Belle Assemblée* renew their claims respectfully, yet confidently, on the Patronesses of literary and pictorial merit. *Chaste in its design, spirited, elegant, and beautiful in its execution; unique and splendid in its illustrations of Costume; La Belle Assemblée* has long been entitled to the "Glories of Fashion," of the *Belles-Lettres*, and of the Fine Arts. Sustained by the talents of distinguished writers, designers, and engravers, it is the first in rank, as well as the original periodical, devoted to the English Fair. It is the only publication in which it notices every new work, literary and musical, every production of the Arts, native and foreign—every dramatic and historical effort—every exhibition of taste, fashion, and general interest—it stands pre-eminently alone; and thus, unrivalled in all that regards the various pursuits of the *Fashionable World*, in all that appertains to the cultivation of elegant and polite accomplishments, in all that peculiarly belongs to the *Empire of Taste*, it forms an indispensable requisite for the *Drawing room*, the *Salon*, and the Library.

The objection, however, which is occasionally urged against purchasing the back volumes of an extensive work—the impossibility in the present instance of making up complete sets, even if that objection did not exist—and a desire to impart a yet higher degree of beauty and interest to this Miscellany, have induced its proprietors to commence

AN ENTIRELY NEW SERIES.

Their new Subscribers will thus enjoy the advantage of taking a work, new in its arrangements, yet organized upon a durable basis, and supported by writers and artists of established reputation; whilst their old Subscribers, meeting "an old friend with a new face," will be gratified by the accession of heightened merit and beauty.

In its New Series, *La Belle Assemblée* will progressively constitute a

COMPLETE PICTURE GALLERY

OF THE

FEMALE NOBILITY OF GREAT BRITAIN,

And of persons (chiefly Ladies) distinguished by Rank, Fashion, and Talents, throughout Europe.

To effect this magnificent object, each of its numbers will be enriched by a finely engraved Portrait, from the pencil of an eminent Artist. Thus the commencing number, for January, presented an exquisite Portrait of the Right Honourable Lady Elizabeth Belgrave, engraved by Thompson, from a celebrated painting by Sir Thomas Lawrence, P.R.A., in the collection and by permission of the Most Noble the Marquis of Stafford.—The number for February contains a Portrait of the Right Hon. the Countess of Denbigh, from the painting of Thos. Kirkby, Esq.—The respective Portraits are accompanied by Illustrative Memoirs.

Each number of *La Belle Assemblée* will also contain two whole-length Portrait Figures, in the newest Fashionable Costume, correctly coloured, and accompanied by such explanations, and General Remarks on Taste, Fashion, Costume, &c. in England and in France, as will enable those whose province it may be to superintend the arrangements for female decoration to execute their task in the most finished style of elegance and beauty.

Independently of its engravings, far exceeding in their value the cost of the work, the New Series of *La Belle Assemblée* will support its claim to literary distinction by Original Papers on the *Felices-Lettres*, *Noirellettes*, *Strictures on Passing Occurrences*, *Sketches of Society and Manners*, *Poetry*, &c. by the most popular writers of the day; also by its Early Notices, Reviews of New Publications, including New Music and other branches of the Fine Arts; Criticisms on the English, French, and Italian Theatres; Notices of Works in the Press, &c.

The Work is printed on superfine royal paper, with a handsome new type, and is got up, in all respects, in the best style of modern improvement. Price 3s.

Published by Geo. B. Whittaker, Ave-Maria Lane, London; Oliver and Boyd, Edinburgh; and to be had of all respectable Booksellers in the Kingdom.
