2d CLASS.—Knights Commanders, number not to exceed upon the first Institution, one hundred and eighty, exclusive of foreign Officers, holding British Commissions, of whom not exceeding ten may be admitted as Honorary Knights Commanders ; in the event of actions of signal distinction, or of future wars, the number of this class may be increased. To be entitled to the distinctive appellation of Knighthood ; to have the same rights and privileges as Knights Bachelors, but to take precedence of them ; to wear the badge, &c. pendant by a red riband round the neck, the star embroidered on the left side. No Person is now eligible to this class under the rank of Major General in the Army, or Rear Admiral in the Navy.

3d CLASS.—Companions of the order not limited in number, they are to take precedence of Esqrs. but not entitled to the appellation, style, &c. of Knights Bachelors. To wear the badge assigned to the third class, pendant by a narrow riband to the button hole. No Officer can be nominated unless he shall have received a medal, or other badge of honor, or shall have been especially mentioned in dispatches in the Gazette, as having distinguished himself in action.

The new badge for the military classes of the order, is a gold Maltese cross of eight points, enamelled argent in the four angles, a lion passant, guardant, or, in the centre, the rose, thistle, and shamrock, issuant from a sceptre between three imperial crowns, or, within a circle, gules, thereon the motto of the order surrounded by two branches of laurel, proper, issuing from an escrol azure inscribed *Ich Dien* in letters of Gold, worn by the Grand crosses pendant from a red riband across the right shoulder.
