MOST HONORABLE MILITARY ORDER OF THE BATH.

*Instituted 1330; Revised 1725; Extended 1815.
Motto; Tria Juncta in Uno.—Riband Red.*

By statute, Jan. 2, 1815, it is ordained "for the purpose of commemorating the auspicious termination of the long and arduous contest in which this Empire has been engaged," that the order shall be composed of three classes, viz.—
1st Class.—To consist of Knights Grand Crosses, number not to exceed seventy two, exclusive of the Sovereign and Princes of the Blood Royal; twelve of the number may be appointed from the Civil and Diplomatic Services. This dignity not to be conferred upon any Officer (except the above twelve) who shall not have attained the rank of Major General in the Army, or Rear Admiral in the Navy, and must have been previously appointed to the second Class.

2d Class.—Knights Commanders, number not to exceed upon the first Institution, one hundred and eighty, exclusive of Foreign Officers holding British Commissions, of whom not exceeding ten may be admitted as Honorary Knights Commanders; in the event of action of signal distinction, or of future wars, the number of this class may be increased. To be entitled to the distinctive appellation of Knighthood; to have the same rights and privileges as Knights Bachelors, but to take precedence of them, to wear the badge, &c., pendant by a red riband round the neck, the Star embroidered on the left side. No person is now eligible to this class under the rank of Major General in the Army, or Rear Admiral in the Navy.

3d Class.—Companions of the Order not limited in number, they are to take precedence of Esquires, but not entitled to the appellation, style, &c. of Knights Bachelors. To wear the badge assigned to the third class, pendant by a narrow riband to the button hole. No Officer can be nominated unless he shall have received a medal or other badge of honour, or shall have been specially mentioned in dispatches in the Gazette, as having distinguished himself in action.

The new badge for the Military Classes of the Order, is a gold Maltese Cross of eight points, enamelled argent in the four angles a lion passant, guardant, or, in the centre, the rose, thistle, and shamrock, issuant from a sceptre between three imperial crowns, or, within the circle, gules—thereon the motto of the Order—sur-ich Dien in letters of gold, worn by the Grand Crosses pendant from a red riband across the right shoulder. The collar is of gold, weighing thirty ounces of troy weight, and is composed of nine imperial crowns and eight roses, thistle and shamrock, with seven or eight gold knots, enamelled in their proper colours tied, or linked together pendant thereon. The Star of the Military Grand Crosses is formed of rays or flames of silver, thereon a gold Maltese Cross, and in the centre, within the rays to branches of laurel, issuant as above described three imperial crowns of gold and is worn on the left side.

The Civil Knights Grand Crosses retain the old badge and Star of the Order. No Knight can wear the collar before his installation.
The Star of the Commanders is in the form of a Cross pattee of silver having the same centre as the Grand Crosses, but no gold Maltese Cross thereon.

RETIRING PENSION REGULATIONS.

Fort St. George, 19th January 1838.

No 13 of 1837.—The following General Order by the Honorable the President in Council, under date the 20th December 1837, No. 258, is published for the information of the Army.

General Orders by the Honorable the President in Council.

Fort William, 24th December 1837.

No. 258 of 1837.—The Honorable the President in Council has much pleasure in publishing to the Army, the following Extract, Paragraphs 2 to 5 of a letter from the Honorable the Court of Directors, to the Government of India, No. 5, dated 29th September 1837, announcing the grant of additional advantages to the Senior Officers of the Army in respect of Retiring Pension.

"Para. 3. In our Letter of the 23d December 1835, we announced to you that as we considered it hopeless to expect that any Military Retiring Fund could be successfully formed, we have thought it right so far as we could feel justified in doing so to provide for the object contemplated in schemes of that nature by an enlargement of the Retiring Regulations, and that we had in consequence resolved to grant the full pay of Captain to every Officer who should have served in India 23 years, 3 years furlough included, whether he had attained that rank Regimentally or not, and the full pay of each of the superior ranks of Major, Lieutenant Colonel and Colonel after the completion of an additional period of 5 years service for each of those ranks in succession, viz.

For Major's pay	28 years service, including 3 years for a furlough.
For Lieut Colonel's pay	33.....do.....do.....do
For Colonel's pay	38.....do.....do.....do

3. Being now of opinion that some additional advantage in respect to the periods of retirement may properly be granted to the Senior Officers who would have been more especially the immediate objects of benefit from a Retiring Fund, had such a Fund been established, we have resolved that the period of service, to qualify an Officer for the pay of each advanced rank after that of Captain, shall be reduced from five to four years, the periods of service in India required for each rank being consequently hereafter as follows, viz.

Every Officer who shall have served 23 years (3 years furlough included) shall be allowed to retire on the pay of a Captain whether he shall have attained that rank Regimentally or not.

Every Officer who shall have served 27 years (3 years furlough included) shall be allowed to retire on the pay of a Major whether he shall have attained that rank or not.

Every Officer who shall have served 31 years (2 years furlough included) shall be allowed to retire on the pay of a Lieutenant Colonel whether he shall have attained that rank or not.

Every Officer who shall have served 35 years (3 years furlough included) shall be allowed to retire on the full pay of a Colonel whether he shall have attained that rank or not.

4. These arrangements to have effect without prejudice to any claims arising out of the Retiring Regulations as established in the year 1796.

5. The desire that it may be distinctly understood that the present is a final measure. You will accordingly decline to forward to us any application which may have in view a further extension of the Regulations now established with regard to the retirement of our Military Servants."

N. B.—In preparing and passing through the Press, the Almanac now advertised, the Compiler has taken the utmost pains to *preserve it from errors*, and to make it, in all its Departments, *as perfect as possible*. Whilst nothing in keeping with the design of such a publication has been overlooked, much additional matter of an interesting description, and not usually found in works of its class, has been selected for the present periodical. As the entire work has received the *closest personal examination and revision of the Compiler*, in its passage through the Press, he ventures to hope, it is free, in a great measure, from typographical inaccuracies, with which Indian periodicals so generally abound. The ALMANAC has been printed with new type upon fine English paper, and bound in a greater and more durable manner to any of its predecessors. The Maps and other illustrations, with which it is furnished, have been prepared with the greatest care, in the office of the Chief Engineer, and executed in the most finished style at the Government Lithographic Press. Though got up at a considerably increased expense, the ALMANAC of 1840 is offered without additional charge, in the hope that, by an enlarged measure of public patronage, the outlay incurred will be fully met.

Applications are respectfully solicited to be sent as early as convenient, to Mr. MARSDEN, Superintendent of the Asylum Press.
