FORT ST. GEORGE, 19th January 1838.

No. 13 of 1834.—The following General Order by the Honorable the President in Council, under date the 29th December 1837, No. 258, is published for the information of the Army.

GENERAL ORDERS by the Honorable the President in Council.

Fort William, 20th December 1837.

No. 258 of 1837.—The Honorable the President in Council has much pleasure in publishing to the Army, the following Extract, (Paragraphs 2 to 5) of a letter from the Honorable the Court of Directors, to the Government of India, No. 5, dated 20th September 1837, announcing the grant of additional advantages to the Senior Officers of the Army in respect of Retiring Pension.

" Para. 2. In our Letter of the 23d December 1835, we announced to you that as we considered it expedient to permit every Military Retiring Fund to be successful, we have thought it right so far as we could, to feel justified in doing so to provide for the object contemplated in schemes of that nature by the enlargement of the Retiring Regulations, and that we had in consequence resolved to grant the full pay of Captain to every Officer who should have served in India 23 years, (3 years forough included) whether he had attained that rank Regimentally or not, and the full pay of each of the superior ranks of Major, Lieutenant Colonel and Colonel after the completion of an additional period of 5 years service for each of those ranks in succession, viz.

For Major's pay	28 years service, including 3 years for a furlough.
For Lieut. Colonel's pay	33.....do.....do.....do.....do
For Colonel's pay	38.....do.....do.....do.....do

3. Being now of opinion that some additional advantage in respect to the periods of retirement may properly be granted to the Senior Officers who would have been more especially the immediate objects of benefit from a Retiring Fund, had such a Fund been established, we have resolved that the period of service to qualify an Officer for the pay of each advanced rank after that of Captain, shall be reduced from five to four years, the periods of service in India required for each rank being consequently hereafter as follows, viz.

Every Officer who shall have served 23 years (3 years furlough included) shall be allowed to retire on the pay of a Captain whether he shall have attained that rank Regimentally or not.

Every Officer who shall have served 27 years (2 years furlough included) shall be allowed to retire on the Pay of a Major whether he shall have attained that rank or not.

Every Officer who shall have served 31 years (2 years furlough included) shall be allowed to retire on the Pay of a Lieutenant Colonel whether he shall have attained that rank or not.

Every Officer who shall have served 35 years (3 years furlough included) shall be allowed to retire on the full Pay of a Colonel whether he shall have attained that rank or not.

4. These arrangements to have effect without prejudice to any claims arising out of the Retiring Regulations as established in the year 1796.

5. The desire that it may be distinctly understood that the present is a final measure. You will accordingly decline to forward to us any application which may have in view a further extension of the Regulations now established with regard to the retirement of our Military Servants."

(Signed) J. STUART, *Lieut. Colonel,*

TESTIMONIES OF THE LOCAL PRESS.

The *Madras Almanac and Compendium of Intelligence for 1842* just issued from the Asylum Press, is well calculated to keep up the reputation of its predecessors, teeming as it does with sound and useful information.—SPECTATOR.

The *Madras Almanac and Compendium of Intelligence for 1842*, is equal if not superior, to any of its predecessors; and does great credit to the Compiler, both in the judicious selections that he has made, and the clearness of their arrangement.—UNITED SERVICE GAZETTE.

Superior as was the Almanac for 1841—the one now under notice will be found to contain much additional and useful matter, and the whole has been put together with much care and attention.—EXAMINER.

The Compiler of the *Madras Almanac* has certainly improved, with steam rate velocity, the character of this Annual, issued from the Male Asylum Press. The one now lying before us, is really a most creditable turn out. The paper and printing are very superior, the arrangement simple and judicious, and as an Almanac, not to be surpassed for comprehensiveness; and withal, we have seldom seen a book got up in India, more free from error of the pen or the press.—CIRCULATOR.

LOCAL TESTIMONY.

The *Madras Pocket Calendar* for the year 1842, which has just been issued from the Asylum Press deserves notice as a neat and useful pocket companion, well adapted for notes and memoranda throughout the year, while containing a *multum in parvo* of useful information. In addition to an Almanac for the year, it is stored with a great variety of useful and local information, as tables of exchange, conversion, &c. palm-quin carriers regulations, distance of stations, bandy and cooly hire, Madras residences, *Stanger's* guide, &c. &c. It is altogether very neatly got up, and a copious space is devoted to ruled memoranda for each day in the year.—SPECTATOR.
