5. Being now of opinion that some additional advantage in respect to the periods of retirement may properly be granted to the Senior Officers who would have been more especially the immediate objects of benefit from a Retiring Fund, had such a Fund been established, we have resolved that the period of service, to qualify an Officer for the pay of each advanced rank after that of Captain, shall be reduced from five to four years, the periods of service in India required for each rank being consequently hereafter as follows, viz.

Every Officer who shall have served 21 years (3 years furlough included) shall be allowed to retire on the pay of a Captain whether he shall have attained that rank Regimentally or not.

Every Officer who shall have served 27 years (3 years furlough included) shall be allowed to retire on the pay of a Major whether he shall have attained that rank or not.

Every Officer who shall have served 31 years (3 years furlough included) shall be allowed to retire on the pay of a Lieutenant Colonel whether he shall have attained that rank or not.

Every Officer who shall have served 35 years (3 years furlough included) shall be allowed to retire on the full pay of a Colonel whether he shall have attained that rank or not.

4. These arrangements to have effect without prejudice to any claims arising out of the Retiring Regulations as established in the year 1796.

5. The desire that it may be distinctly understood that the present is a final measure. You will accordingly decline to forward to us any application which may have in view a further extension of the Regulations now established with regard to the retirement of our Military Servants."

TESTIMONIES OF THE LOCAL PRESS:

Extremely well got up—a really excellent and meritorious volume.—SPECTATOR.

The appearance and getting up is very creditable to the Asylum Press, and we strongly recommend it as containing every kind of information requisite in such a book of reference.—UNION BRASSIER GAZETTE.

In every respect deserving of public patronage, as well for the superior manner in which it has been got up, as for the variety and large amount of valuable information it contains.—EXAMINER.

Does not come behind any of its predecessors, although the price of the work has been considerably reduced, and this really valuable manual may now be had for the sum of rupees four, instead of six. In the Companion to the Calendar there is much of no less useful than highly entertaining information; and we are glad to perceive a most striking improvement in the Ecclesiastical portion of the work.—CHRISTIAN HERALD.

Displays much care and attention in the compilation—the reference parts cannot possibly be more correct—the book altogether abounds with much which is not ordinarily found in a slight volume.—CIRCULATOR.
