Retiring Pension Regulations.

FORT ST. GEORGE, 19th January 1838.

No. 13 of 1833.—The following General Order by the Honorable the President in Council, under date the 20th December 1837, No. 253, is published for the information of the Army.

GENERAL ORDERS by the Honorable the President in Council.

Fort William, 20th December 1837.

No. 253 of 1837.—The Honorable the President in Council has much pleasure in publishing to the Army, the following Extract. (Paragraphs 2 to 5) of a letter from the Honorable the Court of Directors, to the Government of India, No. 5, dated 20th September 1837, announcing the grant of additional advantages to the Senior Officers of the Army in respect of Retiring Pension.

"Para. 2. In our Letter of the 23d December 1835, we announced to you that as we considered it hopeless to expect that any Military Retiring Fund could be successfully formed, we have thought it right so far as we could feel justified in doing so to provide for the object contemplated in schemes of that nature by an enlargement of the Retiring Regulations, and that we had in consequence resolved to grant the full pay of Captain to every Officer who should have served in India 23 years, 3 years furlough included: whether he had attained that rank Regimentally or not, and the full pay of each of the superior ranks of Major, Lieutenant Colonel and Colonel after the completion of an additional period of 5 years service for each of those ranks in succession, viz.

For Major's pay,	23 years service, including 3 years for a furlough.
For Lieut. Colonel's pay	33.....do.....do.....do.....do.....do
For Colonel's pay	38.....do.....do.....do.....do.....do

1. Being now of opinion that some additional advantage in respect to the periods of retirement may properly be granted to the Senior Officers who would have been more especially the immediate objects of benefit from a Retiring Fund, had such a Fund been established, we have resolved that the period of service, to qualify an Officer for the pay of each advanced rank after that of Captain, shall be reduced from five to four years, the periods of service in India required for each rank being consequently hereafter as follows, viz.

Every Officer who shall have served 23 years (3 years furlough included) shall be allowed to retire on the pay of a Captain whether he shall have attained that rank Regimentally or not.

Every Officer who shall have served 27 years (3 years furlough included) shall be allowed to retire on the Pay of a Major whether he shall have attained that rank or not.

Every Officer who shall have served 31 years (3 years furlough included) shall be allowed to retire on the Pay of a Lieutenant Colonel whether he shall have attained that rank or not.

Every Officer who shall have served 35 years (3 years furlough included) shall be allowed to retire on the full Pay of a Colonel whether he shall have attained that rank or not.

4. These arrangements to have effect without prejudice to any claims arising out of the Retiring Regulations as established in the year 1796.

5. We desire that it may be distinctly understood that the present is a final measure: You will accordingly decline to forward to us any application which may have in view a further extension of the Regulations now established with regard to the retirement of our Military Servants."

Preface to the above Work.

HORSE GUARDS, 1st AUGUST, 1798.

¶ The original of the following work, written by a German Officer of distinction and much military experience, has been perused by His ROYAL HIGHNESS the COMMANDER-IN-CHIEF, and found to contain many excellent rules and observations, adapted to the usual modes of carrying on active Service in the field, and much useful instruction to young Officers not familiarized by practice to the arduous duties to be performed in the face of an enterprising enemy. His ROYAL HIGHNESS has, therefore, been pleased to give directions for its being translated into English, in order that the Officers of the Army at large, and particularly those who may not have had the advantage of much personal experience in the field, may, by a studious attention to the various examples therein stated, and to the useful lessons given for their conduct, imitate that degree of military skill and information, which will enable them to discharge their duty to the satisfaction of their superiors, and their own honour, on the most trying occasions.

WILLIAM FAWCET, Adjutant General.
