Retiring Pension Regulations.

Fort St. George, 19th January 1838.

No. 13 of 1835—The following General Order by the Honorable the President in Council, under date the 29th December 1837, No. 258, is published for the information of the Army.

GENERAL ORDERS by the Honorable the President in Council.

Fort William, 29th December 1837.

No. 258 of 1837—The Honorable the President in Council has much pleasure in publishing to the Army, the following Extract, (Paragraphs 2 to 5) of a letter from the Honorable the Court of Directors, to the Government of India, No. 5, dated 29th September 1837, announcing the grant of additional advantages to the Senior Officers of the Army in respect of Retiring Pension.

"Para. 2. In our Letter of the 23d December 1835, we announced to you that as we considered it hopeless to expect that any Military Retiring Fund could be successfully formed, we have thought it right so far as we could feel justified in doing so to provide for the object contemplated in schemes of that nature by an enlargement of the Retiring Regulations, and that we had in consequence resolved to grant the full pay of Captain to every Officer who should have served in India 23 years, 3 years furlough included; whether he had attained that rank Regimentally or not, and the full pay of each of the superior ranks of Major, Lieutenant Colonel and Colonel after the completion of an additional period of 5 years service for each of those ranks in succession, viz.

For Major's pay.	24 years service, including 3 years for a furlough.
For Lieut. Colonel's pay	33.....do.....do.....do
For Colonel's pay	38.....do.....do.....do

3. Being now of opinion that some additional advantage in respect to the periods of retirement may properly be granted to the Senior Officers who would have been more especially the immediate objects of benefit from a Retiring Fund, had such a Fund been established, we have resolved that the period of service, to qualify an Officer for the pay of each advanced rank after that of Captain, shall be reduced from five to four years, the periods of service in India required for each rank being consequently hereafter as follows, viz.

Every Officer who shall have served 23 years (3 years furlough included) shall be allowed to retire on the pay of a Captain whether he shall have attained that rank Regimentally or not.

Every Officer who shall have served 27 years (3 years furlough included) shall be allowed to retire on the Pay of a Major whether he shall have attained that rank or not.

Every Officer who shall have served 31 years (3 years furlough included) shall be allowed to retire on the Pay of a Lieutenant Colonel whether he shall have attained that rank or not.

Every Officer who shall have served 35 years (3 years furlough included) shall be allowed to retire on the full Pay of a Colonel whether he shall have attained that rank or not.

4. These arrangements to have effect without prejudice to any claims arising out of the Retiring Regulations as established in the year 1796.

5. We desire that it may be distinctly understood that the present is a final measure. You will accordingly decline to forward to us any application which may have in view a further extension of the Regulations now established with regard to the retirement of our Military Servants."

MOTTO: *Triâ Juncti in Uno.*—RIBBON Red.

By statute, Jan. 2, 1815, it is ordained "for the purpose of commemorating the auspicious termination of the long and arduous contest in which this Empire has been engaged," that the order shall be composed of three classes, viz.

1ST CLASS.—To consist of Knights Grand Crosses, number not to exceed seventy-two, exclusive of the Sovereign and Princes of the Blood Royal; twelve of the number may be appointed from the Civil and Diplomatic Services. This dignity not to be conferred upon any Officer (except the above twelve) who shall not have attained the rank of Major General in the Army, or Rear Admiral in the Navy, and must have been previously appointed to the second Class.

2D CLASS.—Knights Commanders, number not to exceed upon the first Institution, one hundred and eighty, exclusive of Foreign Officers holding British Commissions, of whom not exceeding ten may be admitted as Honorary Knights Commanders; in the event of action of signal distinction, or of future wars, the number of this class may be increased. To be entitled to the distinctive appellation of Knight Commander, to have the same rights and privileges as Knights Bachelors, but to take precedence of them, to wear the badge, &c., pendant by a red ribbon round the neck, the Star embroidered on the left side. No person is now eligible to this class under the rank of Major General in the Army, or Rear Admiral in the Navy.

3D CLASS.—Companions of the Order not limited in number, they are to take precedence of Esquires, but not entitled to the appellation, style, &c. of Knights Bachelors. To wear the badge assigned to the third class, pendant by a narrow ribbon to the button hole. No Officer can be nominated unless he shall have received a medal or other badge of honour, or shall have been specially mentioned in dispatches in the Gazette, as having distinguished himself in action.

The new badge for the Military Classes of the Order, is a gold Maltese Cross of eight points, enamelled argent in the four angles a lion passant, guardant, or, in the centre, the rose, thistle, and shamrock, issuant from a sceptre between three imperial crowns, or, within the circle, gules—thereon the motto of the Order surrounded by two branches of laurel proper issuing from an escrol azure inscribed *Ich Dien* in letters of gold, worn by the Grand Crosses pendant from a red ribbon across the right shoulder. The collar is of gold, weighing thirty ounces of troy weight, and is composed of nine imperial crowns and eight roses, thistle and shamrock, issuing from a sceptre, enamelled in their proper colours, tied, or linked together with seventeen gold knots, enamelled white, having the badge of the order pendant thereto. The Star of the Military Grand Crosses is formed of rays or flames of silver, thereon a gold Maltese Cross, and in the centre, within the motto branches of laurel, issuant as above described three imperial crowns of gold and is worn on the left side.

The Civil Knights Grand Crosses retain the old badge and Star of the Order. No Knight can wear the collar before his installation.

The Star of the Commanders is in the form of a Cross patee of silver having the same centre as the Grand Crosses, but no gold Maltese Cross thereon.
