NOMINATION OF STUDENTS.

Regulations and Preparatory Instructions.

No Candidate for the College can be nominated thereto, whose age is less than *seventeen* or above *twenty-one* years. And no person who has been dismissed from the Army or Navy, or expelled from any place of education, will be nominated to the College.

The parents or guardian of every candidate for the college will be required to address the following letter to the nominating Director:—

Sir:—I beg to assure you, on my honour, that my ———, to whom you have been so good as to give a nomination to the college, has not been dismissed from the Army or the Navy, and that he never has been expelled from any place of education.
I have the honour to be, &c.

Candidates for the college must produce the undermentioned documents, previously to their being nominated as students.

An extract from the parish register of their birth or baptism, properly signed by the minister, churchwarden, or elders; and, in addition thereto,

A certificate, agreeably to the following form, signed by the parent, guardian, or near relation.

I do hereby certify, that the foregoing extract from the register of baptisms of the parish of ———, in the county of ———, contains the date of the birth of my ———, who is the bearer of this, and presented for a nomination as a student at the East-India College, by ———, Esq.; and I do further declare, that I received the said presentation for my ——— gratuitously, and that no money or other valuable consideration has been or is to be paid, either directly or indirectly, for the same, and that I will not pay or cause to be paid, either by myself, by my ———, or by the hands of any other person, any pecuniary or valuable consideration whatsoever, to any person or persons who have interested themselves in procuring the said presentation for my ———, from the director above mentioned.
Witness my hand, this ——— day of ———, in the year of our Lord ———

In the event of no parish register existing or to be found, a declaration of such circumstance is to be made before a magistrate to the following effect, viz.

I, ———, presented as a student for the East-India College by ———, do declare, that I have caused search to be made for a parish register whereby to ascertain my age, but am unable to produce the same, there being none to be found; and, further, I declare, that from the information of my parents (and other relations), which information I verily believe to be true, that I was born in the parish of ———, in the county of ———, on ———, in the year ———, and that I am not at this time under the age of sixteen, or above twenty-one years.

Witness my hand, this ——— day of ———, in the year of our Lord ———.

The parent, guardian, or near relation, must then add his certificate as to the truth of the declaration, which must be similar to that ordered to be annexed to the extract from the parish register.

The above-mentioned certificate (and declaration, in cases where a declaration shall be required) are to be annexed to the petition to be written by the candidate, and they are to sign a declaration thereon, that they have read these printed instructions. The same declaration is to be signed by the parent, guardian, or near relation of the candidates respectively.

Candidates will be interrogated in an open Committee as to their character, connexions, and qualifications, conformably to the General Court's resolution of the 6th July 1809. The nature of this interrogation may be known on application to the Clerk of the College department. And the following Rules and Regulations are to be observed with respect to the examination of Candidates:

Each candidate shall produce testimonials of good moral conduct, under the hand of the principal or superior authority of the college or public institution in which he may have been educated, or under the hand of the private instructor to whose care he may have been confided; and the said testimonials shall have reference to his conduct during the *two years immediately preceding his presentation for admission*.

Each candidate shall be examined in the Four Gospels of the Greek Testament, and shall not be deemed duly qualified for admission to Haileybury College, unless he be found to possess a competent knowledge thereof; nor unless he be able to render into English some portion of the works of one of the following Greek authors:—Homer, Herodotus, Xenophon, Thucydides, Sophocles, and Euripides; nor unless he can render into English some portion of the works of one of the following Latin authors:—Livy, Terence, Cicero, Tacitus, Virgil, and Horace; and this part of the examination will include questions in ancient history, geography, and philosophy.

Each candidate shall also be examined in English history and geography, and in the elements of mathematical science, including the common rules of arithmetic, vulgar and decimal fractions, and the first four books of Euclid. He shall also be examined in the first part of Paley's Evidences of Christianity.

It is, however, to be understood, that superior attainments in one of the departments of literature or science, comprised in the foregoing plan of examination, shall, at the discretion of the Examiners, be considered to compensate for comparative deficiency in other qualifications.

The examinations are held at the East-India House, half-yearly, in the months of *January* and *July*.

A student publicly expelled the college will not be admitted into the Company's civil or military service in India, or into the Company's Military Seminary.

On a student's appointment to be a Member of the Civil Service he will be required to attend at the Secretary's Office, East-India House, to make the necessary arrangements for entering into covenant, and for giving a bond for £1000 jointly with two sureties for the due fulfilment of the same, and a legal instrument is to be entered into by some one person (to be approved by the Court of Directors) binding himself to pay the sum of £3000, as liquidated damages, to the Company, for breach of a covenant to be entered into that the student's nomination hath not been in any way bought, or sold, or exchanged for any thing convertible into a pecuniary benefit.

The rank of students leaving the college is determined by the certificate of the Principal, which is granted with reference to the industry, proficiency, and general good behaviour of the students.

Such rank to take effect only in the event of the students proceeding to India within six months after they are so ranked whether they proceed *via* Egypt or the Cape of Good Hope.

Chaplains are required to enter into covenant, and to give a bond for £500 jointly with two sureties for the due fulfilment of the same.

Under the Deed of Covenant, Chaplains are required to subscribe to the Military Fund at the Presidency to which they may be attached.

Chaplains must proceed to their destination within Six Months from the Date of the Court's Resolution by which they were nominated; and in failure thereof, without leave obtained from the Court, their appointments will lapse.

ASSISTANT SURGEONS.

Regulations for their Admission into Company's Service.

AGE. The assistant surgeon must not be under twenty-two years, in proof of which he must produce an extract from the register of the parish in which he was born, or his own declaration pursuant to the act of the 5th and 6th Gulielmi IV., cap. 62, and other certificates, agreeably to forms to be obtained in the office for cadets and assistant surgeons.

QUALIFICATION IN SURGERY. The assistant surgeon, upon receiving a nomination, will be furnished with a letter to the Court of Examiners of the Royal College of Surgeons, to be examined in Surgery, and their certificate will be deemed a satisfactory testimonial of his qualification: but should the assistant surgeon be previously in possession of a diploma from the Royal College of Surgeons of London, or of the Colleges of Surgeons of Dublin or Edinburgh, or of the College and University of Glasgow, or of the Faculty of Physicians and Surgeons of Glasgow, either of them will be deemed satisfactory as to his knowledge of Surgery, without any further examination. He is also required to produce a certificate from the Copper of a Public Hospital in London, of having acquired and being capable of practising, with proper dexterity, the art of cupping.

QUALIFICATION IN PHYSIC. The assistant surgeon will also be required to pass an examination by the Company's examining

physician in the practice of physic, in which examination will be included as much anatomy and physiology as is necessary for understanding the causes and treatment of internal diseases, as well as the art of prescribing and compounding medicines, and Dr. Scott will then require him to produce satisfactory proof of his having attended at least two courses of lectures on the practice of physic, and above all, that he should produce a certificate of having attended diligently the practice of the physicians at some general Hospital in London for six months; or at some general Hospital in the country (within the United Kingdom) for six months, provided such provincial Hospital contain at least, on an average, one hundred in-Patients, and have attached to it a regular establishment of physicians as well as surgeons. No attendance on the practice of a physician at any *Dispensary* will be admitted.

The assistant surgeon is also required, as a condition to his appointment, to subscribe to the military or medical retiring fund at his respective presidency, and also to the military orphan society if appointed to Bengal.

The assistant surgeon is required, by resolution of Court of the 21st of May 1828, to apply at the Cadet-office, and actually proceed within three months from the date of being passed and sworn before the Military Committee; he will then be furnished with an order to obtain the certificate of his appointment, signed by the Secretary, for which he will pay a fee of £5 in the Secretary's Office.

CAVALRY or INFANTRY CADETS.

Cadets nominated for either of the above corps must be 16 years of age, and under 22, unless they have held a commission in her Majesty's service for one year, or in the militia or fencibles when embodied and have been called into actual service, or from the company of cadets in the royal regiment of artillery, they are then eligible if not more than 25 years of age; and they must procure similar certificates and vouchers to those prescribed for cadets entering the seminary.

No person who has been dismissed the Army or Navy, the Royal Military College at Sandhurst, the Royal Military Academy at Woolwich, or who has been obliged to retire from any public institution for immoral or ungentlemanly conduct, will be appointed a cadet direct for India.

No person will be appointed a cadet direct for India, without producing to the Military Committee a certificate, signed by two practising surgeons, that he has no mental or bodily defect whatever to disqualify him for military service.

N.B. Candidates for Military Appointments whose age may exceed 22 years are *not eligible* for the Company's service in consequence of their having held a commission for twelve months and upwards in the Guernsey Militia, or in other corps similarly circumstanced, granted after the 31d April, 1844, the date of the Court's resolution to this effect.

CADETS and ASSISTANT SURGEONS.

At a Court of Directors, held on Friday, the 27th Feb. 1818 :—**RESOLVED**, That cadets and assistant surgeons be in future ranked according to the seniority of the Directors nominating them, from the date of sailing of the several ships from Gravesend, by Lloyd's list, and that those who may embark at any of the out-ports be likewise ranked upon the same principle from the date of the ship's departure from such out-ports by Lloyd's list.

At a Court of Directors held 21st May 1828 :—**RESOLVED**, That all the cavalry and infantry cadets and assistant surgeons who shall fail to apply at the Cadet Department for their orders within three months from the date of their being passed and sworn before the Committee, or shall not actually proceed under such orders, be considered as having forfeited their appointments, unless special circumstances shall justify the Court's departure from this regulation.

By a Resolution of Court of the 4th Dec. 1833, all direct Cadets appointed or sworn in between the 10th March and 10th June, or between 10th Sept. and 10th Dec. (or the days which may be fixed on for the public examination of the Seminary Cadets) do rank after the Seminary Cadets who may pass their said examinations, provided the latter sail for their respective destinations within three months after passing said examinations.

Resolution of Court of Directors, 9th August, 1809, to prevent the Purchase of Appointments.

That any person who shall, in future, be nominated to a situation, either civil or military, in the service of the Company, and who shall have obtained such nomination in consequence of purchase, or agreement to purchase, or of any corrupt pretence whatever, either direct or indirect, by himself or by any other person, with or without his privity, shall be rejected from the service of the Company, and ordered back to England, if he shall have proceeded to India before a discovery of such corrupt practice be made: and if such situation shall have been so corruptly procured by himself, or with his privity, he shall be rendered incapable of holding that, or any other situation whatever, in the said service. Provided always, that if a fair disclosure of any corrupt transaction or practice, of the nature before described, wherein any Director has been concerned, shall be voluntarily made by the party or parties engaged in the same with such Director, the appointment thereby procured shall be confirmed by the Court.

FURLOUGH REGULATIONS.

CIVIL.

Civil Servants coming to England under the absentee regulations, or on special leave, shall, immediately on their arrival, report themselves with their address by letter to the Secretary, forwarding at the same time the certificates which they received in India.

That in all cases of leave, civil servants be required to join the establishment to which they belong at the expiration of the term for which leave may have been granted, unless they shall have obtained an extension of it from the Court six months before the expiration of the said leave.

That extensions of leave be not in future granted except in cases of sickness, certified to the Court's satisfaction, or in cases in which it shall be proved that a further residence in Europe is indispensably necessary.

That when under any such circumstances a civil servant shall have obtained an extension of leave to a given period, he must, at the expiration thereof, apply for and obtain permission either to return to his duty or to reside a further time in Europe; failing in which, he shall be liable to be struck off the list of civil servants.

That the Act of the 33d Geo. 3, cap. 52, sec. 70, as it respects civil servants, applies only to cases of sickness or infirmity, and that no civil servant be hereafter considered eligible to return to the service after five years' absence under that enactment, who has failed to obtain, agreeably to the foregoing regulations, an extension of leave under the circumstances referred to in the Act.

ABSENTEE ALLOWANCE.

That after an actual residence in India in the civil service of ten years or upwards, a covenanted civil servant of the Company, upon either of the establishments of Bengal, Madras, or Bombay, shall be entitled, whether on account of ill-health or from any other cause, and without reference to his private fortune, to come once to Europe, on leave for three years, and to receive for that period from the Company's cash an allowance of £500 per annum, provided that in no case shall a greater number of servants come home under this regulation, annually, than seventeen from Bengal, nine from Madras, and six from Bombay; nor shall a larger number of servants who may have come home under this regulation be absent in the whole at one time than fifty-one from Bengal, twenty-seven from Madras, and eighteen from Bombay, and that the preference shall be given first to servants producing medical certificates upon oath, that a visit to Europe is indispensably necessary for the restoration of health; and then to servants in their order of seniority, according to the rank assigned to them by the Court of Directors on the gradation list of the service.

That in cases of civil servants compelled by illness, certified upon oath, to come to Europe previous to their completion of an actual residence in the civil service of ten years, such covenanted servants shall each be presented with the sum of 2,000 sicca rupes as passage money, and shall be entitled, for a period not exceeding three years, to an allowance from the Company's cash of £250 per annum; but that servants having received this indulgence, shall not, in the event of their again coming to Europe, after having completed a residence of ten years or upwards, be entitled to any allowance under the first regulation, except their return be again occasioned by illness, to be in like manner certified upon oath, and then only to the difference between what they have before drawn in the shape of absentee allowance, exclusive of passage money, and that of £500 per annum for three years.

That if the absence of a civil servant coming to Europe upon private affairs (previous to the completion of a residence of ten years) shall exceed one year, the excess of absence shall be deducted from the period during which the furlough allowance when it is granted to him would otherwise be enjoyed.

That servants coming in the first instance to the Cape of Good Hope for the benefit of their health, and being compelled from the same cause to come from thence to Europe without previously returning to India, shall be considered as entitled to the benefit of the foregoing regulations.

That in all cases, as well in those of servants coming in the first instance to the Cape, as well as of those coming direct from India, the said allowances be considered as commencing from the date of leaving India, and terminating at the expiration of three years from that date, or at the time of arrival in India, whichever may first happen.

That the same be paid quarterly in Europe; that, on no account or plea whatsoever, the allowances in question be extended beyond the period of three years; and

That any servant being in the receipt of absentee allowance from a civil fund, shall not be entitled to receive, during the same period of absence, the allowances prescribed by these regulations beyond such amount as may bring the total of his annual receipts from both sources to the sum hereby limited.

Assay Masters and Deputy Assay Masters, compelled by ill-health, duly certified, to come to Europe, shall be permitted to receive the furlough allowance of Surgeon, £191 12s. 6d., Assistant Surgeon, £118 12s. 6d. respectively for the prescribed period of three years, when it is to cease, whether they may be allowed to resume office in India or not.

MILITARY.

Officers (of whatever rank) must be ten years in India before they can be entitled (except in case of certified sickness, and as hereafter specified) to their rotation to be absent on furlough, and the same rule is applicable to assistant surgeons and veterinary surgeons. The furlough to be granted by the commander-in-chief at each presidency, with the approbation of the respective governments.

Officers who have not served ten years in India, but whose presence in England is required by urgent private affairs, may be allowed a furlough for one year without pay.

A chaplain (appointed previously to the 1st September 1836), after seven years' residence in India, is allowed to come home on furlough and receive the pay of major, £292 per annum. Should he come home from sickness prior to this period of service, he is allowed the pay of captain only, viz. £191 12s. 6d. per annum.

If appointed subsequently to that date, after seven years' residence in India, the pay of captain, viz. £191 12s. per annum; and if compelled by ill-health to come home prior to this period of service, the half-pay of captain, or £127 15s. per annum.

A conductor of stores is allowed furlough pay only in case of coming home from sickness.

Officers coming to England on furlough are required immediately to report their arrival by letter to the secretary, stating the name of the ship in which they came, and their address, forwarding at the same time the certificates they received in India.

The period of furlough is three years, reckoning from its date to the day of the return of the officer to his presidency.

Officers are required to join the establishment to which they belong at the expiration of the three years' furlough, unless they shall have obtained an extension of leave from the court, six months before the expiration of that period. No furlough will be extended, except in cases of sickness, certified in the manner hereafter mentioned; or in cases, in which it shall be proved to the court that a further residence in Europe is indispensably necessary.

All officers finding it necessary to solicit a further leave of absence on account of sickness, must, if resident in London or its vicinity, appear before the Company's examining physician, Dr. John Scott, 13, Stratton-street, who will report to the Court of Directors his opinion on the state of such officer's health. And if resident in the country in any part of the United Kingdom, they must transmit with their letter of application for such leave, a certificate according to the following form, signed by at least two gentlemen, eminent in the medical profession, viz.—

I hereby certify, that I have carefully examined (state the nature of the case, as well as the name of the party), and I declare, upon my honour, that, according to the best of my judgment and belief, _____ is at present unfit for military duty, and that it is absolutely necessary, for the recovery of his health, that he should remain at least _____ longer in this country.

Also, previously to such extension of furlough being granted, such further proof shall be adduced by personal examination, or by such other evidence as shall be deemed satisfactory.

Officers abroad in any part of Europe, applying to remain a further time from their duty on account of sickness, are to furnish a certificate of two eminent physicians, in the above form, with the attestation of a magistrate, that the persons who signed the certificate are physicians.

Officers having obtained an extension of furlough to a given period, must at its expiration apply for permission, either to return to their duty or to reside a further time in England.

In every case in which an officer has had his furlough extended beyond the prescribed period on the ground of his health not being sufficiently restored, and shall apply for permission to return to his duty, he shall produce a certificate from the examining physician that his health is completely re-established, and that there is every probability of his being able to perform the active duties of his profession in India.

No officer who has failed to obtain an extension of furlough will be considered eligible to return to the service after five years' absence, under the Act of 33 Geo. III. cap. 52, sect. 70.

Every officer upon leaving India will receive a printed copy of the General Order on this subject, published agreeably to the court's instruction, and the plea of ignorance of the regulations will not be admitted as any justification of the breach of them; officers, therefore, who shall come home on furlough and who shall not in due time apply, so as to effect their return to the presidency to which they belong within the period of three years from the commencement of their furlough, will subject themselves to the loss of the service, unless they shall be permitted by the court to remain a further time in Europe.

No officer on furlough can receive pay for more than two years and a half from the period of his quitting India until he returns, excepting colonels of regiments, and those of the rank of lieutenant colonel regimentally, when promoted to that of major general; the latter are then allowed to draw the pay of their brevet rank beyond the above period.

CIVIL AND MILITARY SERVANTS.

Abstract of Act 33 Geo. III. cap. 52, sec. 70, precluding the Return to their Duty of Civil and Military Servants after an Absence of Five Years.

And be it further enacted, that no person who shall have held any civil or military station whatever, in India, in the service of the said United Company, being under the rank or degree of a member of council or commander-in-chief of the forces, and who, having departed from India by leave of the Governor-general in council, or Governor in council, shall not return to India within the space of five years next after such departure, shall be entitled to any rank or restoration of office, or be capable of again serving in India, either in the European or native corps of troops, or in the civil line of the Company's service; unless, in the case of any civil servant of the Company, it shall be proved, to the satisfaction of the Court of Directors, that such absence was occasioned by sickness or infirmity, or unless such person be permitted to return with his rank to India, by a vote or resolution passed by way of ballot, by three parts in four of the proprietors assembled in general court, specially convened for that purpose, whereof eight days' previous notice of the time and purpose of such meeting shall be given in the London Gazette, or unless, in the case of any military officer, it shall be proved, to the satisfaction of the said Court of Directors and the Board of Commissioners for the Affairs of India, that such absence was occasioned by sickness or infirmity, or some inevitable accident.

Abstract of Act 58 Geo. III. cap. 155, sec. 84.

Whereas inconvenience to the Military Service of the East India Company has been found to arise in certain cases from the provisions of the Act 33 Geo. III. cap. 52, sec. 70,—“Be it therefore enacted, that it shall and may be lawful for the said Court of Directors, with the approbation of the said Board of Commissioners, to permit any military officer being of the rank of a general officer, or colonel commanding a regiment, or being a lieutenant colonel commandant of a regiment, who, having departed from India with such leave as aforesaid, shall not have returned to India within five years from the time of such departure, to have his rank and to be capable of again serving in India, although such absence may not have been occasioned by sickness or infirmity, or any inevitable accident; any thing in the said Act contained to the contrary notwithstanding.”

OFFICERS RETURNING TO INDIA.*Regulations as to the Charge of Recruits.*

Whenever a detachment of Company's recruits, to the extent of thirty men, shall be embarked on any one ship, they be placed in charge of the senior Company's officer, not exceeding the rank of a field officer, who shall have obtained permission to return to his duty on the ship, within at least seven days of the period fixed for embarkation:—That the officer proceed with the men from the depot:—That, as a remuneration for this service, he be granted the passage-money of his rank:—payable to the commander of the ship.

OFFICERS RETIRING FROM SERVICE.*Regulations respecting Military and other Officers retiring from the Company's Service.*

Officers who have served less than three years in India, and have lost their health there, are entitled to an allowance from Lord Clive's Fund, if the Court of Directors shall adjudge them to be proper objects of that bounty, to the extent of:

If a 2d lieutenant, cornet, or ensign, two shillings a-day, or £36 10s. a-year; if a lieutenant, two shillings and sixpence a-day, or £45 12s. 6d. a-year; provided they are not possessed of, or entitled to, real or personal property, to the extent of, if an ensign, £750, if a lieutenant, £1,000.

Officers who are compelled to quit the service by wounds received in action, or by ill-health contracted on duty after three years' service in India, are permitted to retire on the half-pay of their rank, *viz.*

If a second lieutenant, cornet, or ensign, three shillings a-day, or £54 15s. per annum; if a lieutenant, four shillings a-day, or £73 per annum.

A subaltern officer, or assistant surgeon, having served six years in India, is permitted to retire on the *half-pay of ensign*, if his constitution should be so impaired as to prevent the possibility of his continuing in India.

A lieutenant having served thirteen, or a second lieutenant, cornet, or ensign, nine years in India (including three years for a furlough), may retire on the *half-pay* of his rank, in case his health shall not permit him to serve in India.

Regimental captains, majors, and lieutenant-colonels, who have not served sufficiently long in India to entitle them to retire on full pay, and whose ill state of health renders it impossible for them to continue to serve in India, are allowed to retire from the service on the half-pay of their respective ranks, *viz.*

Captains, seven shillings a-day, or £127 15s. per annum; major, nine shillings and sixpence a-day, or £173 7s. 6d. per annum; lieutenant-colonel, eleven shillings a-day, or £200 15s. per annum.

All officers who have actually served twenty-two years in India, or twenty-five years, including three years for a furlough, are allowed to retire on the full pay of their respective ranks.

Officers are also allowed to retire on the following pensions without reference to the rank they may have attained, if they have served for the undermentioned periods, *viz.*

After twenty-three years' service in India, including three years for a furlough, on the full pay of captain, *viz.* £191 12s. 6d. per annum; after twenty-seven years' service in India, including three years for a furlough, on the full pay of major, £292 per annum; after thirty-one years' service in India, including three years for a furlough, on the full pay of lieutenant-colonel, £365 per annum; after thirty-five years' service in India, including three years for a furlough, on the full pay of colonel, £456 5s. per annum.

Superintending surgeons, who have been in that station not less than two years, and whose period of service has been not less than twenty years, including three years for one furlough, are permitted to retire from the service, and allowed £300 per annum; or in the event of ill-health, they may retire on that pension after any period of service as superintending surgeon. members of the Medical Board, to pensions of £500 and £700 a year, according to period of service in those ranks respectively, will cease to be the rule of the service for medical officers, after the date of the introduction of the new arrangement; but individuals then in the service, and who may be appointed to the offices of superintending surgeon and member of the board within ten years from that date, will be allowed the option of retiring upon pensions upon the old scale of length of service in those ranks, instead of the new scale of length of service in India.

When officers on furlough retire upon the pay or half-pay of their rank, they are only entitled to claim the benefit of the rank held by them at the expiration of one year from the date of their landing in the United Kingdom.

J. J. Harvey,	Chief Secretary.
R. Torrens	Accountant General.
E. M. Gordon	Sub-Treasurer.
B. J. Colvin	Civil Auditor.

Secretary and accountant, George Adams

1st. The subscribers shall, from the 1st of May 1825, contribute, for the purposes of the fund, four per cent. of their salaries, and all other public emoluments, however denominated; compensation for travelling expenses excepted.

2d. Should any subscriber be engaged in India on private business, and thereby voluntarily exclude himself from public employ, his subscriptions to the fund shall cease, and in the event of his hereafter relinquishing such private business, and resuming employ in the service, his subscriptions may be resumed, but the intervening period shall not be reckoned in the time necessary to qualify him to become an annuitant: and this rule shall be equally applicable to all persons now in the service who may have been, or may be engaged in private business.

3d. The annuities are fixed at 10,000 rupees each, payable in England at two shillings the rupee, being £1,000 sterling.—(See modified Rule 39.)

4th. The annuities shall be tendered to subscribers having served in the civil service twenty-five years, and actually resided twenty-two years of that period in India, according to their seniority on the gradation list of the service, as fixed by the Court of Directors, and the right of preference shall not be barred by refusal in a preceding year.

5th. The annuities shall commence with the 1st of May in each year, beginning with the year 1826; that is to say, shall fall due at the end of the said official year; and in like manner, the succeeding annuities shall commence on the first day of the following official years, and fall due at the close of each year respectively.—(See modified Rules 33, 34, 40.)

6th. At a convenient period before the close of each year, the managers of the fund shall require, according to seniority, a sufficient number of subscribers to signify their willingness, or otherwise, to retire on the annuity to be granted by the fund; and in case of the absence from India of members, such requisition shall be made to their constituted agents in Calcutta. It will, of course, be incumbent on members duly qualified to become annui-

tauts, previous to leaving India, to empower one or more persons in Calcutta to act on their behalf, and to communicate to the managers the names of such agents.

7th. The following members shall be regarded as having virtually intimated, for the time being, their unwillingness to retire on the annuity; *viz.* those to whom a requisition may be made as above provided, and on whose part no reply may be received, on or before the first day of the year, with which the annuities intended to be granted may commence; and those who may have quitted India, and failed to empower any resident in Calcutta to act for them during their absence.

8th. The number of annuities offered shall not be more than may complete nine per annum from the 1st of May 1826.

9th. The actual value of annuities tendered and accepted as above shall be passed to a separate account on the books of the institution, under the head of Appropriated Funds; and to the debit of this account shall be entered all payments in satisfaction of annuities.

10th. Should any subscriber, having resided in India in the civil service not less than twenty-two years, and been a member of it the full period of twenty-five years, retire from the service before the option of an annuity may devolve on him, he shall be entitled to the same in his proper turn, without any payment to the fund, save what may be claimable under the following rule.

11th. Any subscriber who may accept the tender of an annuity shall be required, to entitle him to such annuity, to pay to the institution, previous to the date to which the annuity is to commence, the difference between one-half of the actual value of the annuity on his life and the accumulated value of his previous contribution, in case the latter quantity shall be less than the former; these values shall be determined as below provided.

12th. Any member so choosing may decline paying the difference defined in the foregoing rule, and shall, in such case, be entitled to an annuity diminished in proportion to the sum by which the accumulated value of his contributions is less than one-half of the actual value of an annuity on his life.

13th. Any subscriber who may be dismissed from the Honourable Company's service shall forfeit all right to benefit by the institution, and be entitled to no re-fund of payments which he may have made.

14th. The interest of any subscriber who may be suspended from the Honourable Company's service shall be in abeyance, but shall revive on his restoration. If he be permitted (whether the permission be granted at the time of, or during his suspension, or at the time of his restoration) to draw salary for the period of his suspension, then his contributions to the fund for that period shall be claimable, and the intervening time shall be reckoned as actual service; but if he be not allowed salary for the period of his suspension, then no contribution shall be claimable from him for that period, and which in that case is not to be computed in

the term of service necessary to qualify him for the acceptance of an annuity.

15th. The resignation of the Honourable Company's services is an essential condition to entitle an individual to an annuity from the institution, and annuitants will not be permitted by the court to return to the service: it is therefore provided, that should any member fail, on or before the first of July of the year with which an annuity accepted by him may commence, to comply with the said condition, he shall be considered to have forfeited his right to an annuity from the institution for that year. It is likewise provided, that when a member, accepting an annuity, shall resign the service before the first day of July, but after the first day of the year with which the said annuity is made to commence, he shall, in such case, at the close of that year, only draw the annuity from the date of his resignation, a sum proportionate to the time intervening between the first day of the year and that date being deducted for the benefit of the institution.

16th. The fund is open for the subscriptions of all covenanted civil servants upon the Bengal establishment, including such as may be in England, and who have not either finally resigned the service, or protracted their absence from India beyond the prescribed term of five years; each civil servant now residing in India shall be specially invited to join the institution, as shall those subsequently arriving, whether they be returning to the service, or newly appointed to the same; and the following shall be excluded from ever becoming members of the institution, *viz.* those residing in India, who may fail to signify in writing their consent to join the institution on or before the first of May 1826, next; and those returning to, or for the first time arriving in the country, subsequent to the present date, who may commit a similar default within six months from the date of their return, or arrival in the country, respectively; provided, however, that no person, not in India, nor on his passage thither upon the first of May 1825, shall be entitled, on subsequently returning to the country from England, to receive an annuity under the rules of this institution, except after residence in the country for a period of five years from the date of such subsequent arrival.

17th. The affairs of the institution shall be managed by a committee of nine, of whom four shall be ex-officio, the chief secretary to government, the accountant-general, the sub-treasurer, and the civil auditor. The other five shall be subscribers, and elected at a general meeting. The members of the committee shall be also the trustees for the funds of the institution.

18th. The sub-treasurer of the government shall, with the permission of the Governor General in Council, be requested to act as treasurer to the institution, and the funds, as well those set apart for the payment of annuities as those arising from the accumulation of capital, shall be deposited in the public treasury, subject to the direction and control of the trustees and managers of the fund.

19th. For the management in England of such affairs as the members cannot personally conduct, an agent or agents shall be appointed by the managers and trustees in India, if such shall still be the wish of the service.

20th. The committee of managers, or the majority of those present at a meeting of five or more, or if less than five be present, any three members of the committee, who may concur in opinion, shall be competent to decide in the first instance upon all matters relative to the receipts and disbursements of the fund, as well as generally upon all subjects connected with the management of the fund, and the due execution of the rules established for it, which, by such rules, may not have been expressly reserved for determination by the general meeting of the subscribers to the fund.

21st. But the decision of the committee of managers, in all cases, shall be liable to revision and control by the resolution of the subscribers duly passed at a regular general meeting.

22d. The committee of managers, who may be appointed in the first instance, shall be authorized to appoint a secretary and accountant to the fund, and to fix such allowance for him, payable from the fund, as they may consider adequate to his services. The officers so appointed shall act under the direction of the committee of managers, and shall also attend the general meetings of the subscribers, the proceedings of which, and of the committee of managers, and generally all papers appertaining to this institution, which may not be intrusted to the treasurer in India, or to the agents in England, shall be kept under the charge of the secretary and accountant to the fund, and shall, by application to him, or the committee of managers, be open to the inspection of any of the subscribers to the fund.

23d. All future appointments to the office of secretary and accountant to the fund, as well as the appointment of any other person whom the managers may find it necessary to employ for the due execution of the trust committed to them, shall, in like manner, be made, and their allowances fixed by the committee of managers, subject, as in all other cases, to the control of the general meetings of the subscribers.

24th. In the event of any of the five managers who may be elected annually being subsequently removed from the presidency, without any intention of returning to it during the year of their election, it shall be communicated to the subscribers at the next general meeting; and in such instances, as well as in all instances of vacancy in the situation of manager, by death or otherwise, a new election, if it appears necessary, shall take place for the unexpired part of the current year.

25th. A general meeting of the subscribers shall be held at the Town Hall in Calcutta, on the first Monday of the second month of every year (or as soon afterwards as the accounts can be made up and prepared for inspection), to receive and audit the accounts of the preceding year, and to decide on any questions which may arise

or be referred. The committee of managers, or any nine members of the institution, may also convene a special general meeting at the presidency, by public notice in the Government Gazette, if at any time there shall be found occasion for it, provided that the days fixed for holding such special meetings, and the object of them, be advertised at least six weeks before the same are held, for the general information of subscribers.

26th. All questions proposed at the general meeting, whether annual or special, shall be determined by a majority of three-fourths of the members who may either be present at such general meetings, or vote thereat by proxy; but the concurrent voices of nine members, at least, shall be requisite to determine upon any question whatever; and upon all general questions involving any increase or diminution of the rate of contributions now fixed, or any essential addition to, or alteration in, the original rules and principles of the institution, which are now established, all subscribers in India who may not be able to attend the meeting in person, shall be allowed to deliver their sentiments and votes by a written communication, to be signed by them, and addressed to the chairman of the meeting; provided always, that no decision upon such question shall be valid, or have any effect, until sanctioned and approved by the Court of Directors of the East-India Company, to whom all parties, considering themselves aggrieved by such decision, shall have a right of appeal, and the decision of the Court of Directors shall, in all cases, be final.

27th. In discharge of each annuity of 10,000 rupees granted by the fund, the sum of £1,000 sterling shall be paid to the annuitant through the Company's treasury in London, at the close of the year in which the annuity may commence, the managers of the fund undertaking, at that period, to pay over to the Government of Bengal the sum of 10,000 rupees for each annuity so payable, under the principles upon which the Company's contribution to the fund is to be regulated.

28th. The right of an annuitant to receive the annuity for any particular year shall depend on his having survived that year.—(See modified Rules 33, 34, 40.)

29th. The actual value of an annuity on the life of any subscriber shall be determined by the table annexed hereto. The rates exhibited by this table shall be revised and altered by a decision of a general meeting, should experience and the fluctuation of interest suggest the necessity of such an arrangement; provided always, that any alteration therein shall not take effect until it has been sanctioned and confirmed by the Court of Directors of the East-India Company, whose decision shall be final.

30th. To determine the accumulated value of the contributions of any subscriber, the accountant shall keep separate accounts for each member, and these accounts shall be annually made up with the rate of interest allowed by the Company.

31st. At the close of every third year the managers shall, according to the next table, calculate the actual values of the pend-

ing annuities, and shall then compare the total of their values with the assets belonging to the appropriated funds of the institution; should those assets exceed in value the said total, the difference shall be carried to the credit of the unappropriated funds of the society, and be available for the purposes of the institution; on the other hand, should the value of the said assets be less than the total aforesaid, the deficiency shall be supplied by a transfer from the latter fund to the former.

32d. An annuitant, upon becoming such, shall be furnished with a formal certificate declaratory of his admission to the annuity, under the hands of not less than three of the managers of the fund. A duplicate of the certificates must be furnished to the Bengal Government and forwarded to the Court of Directors in London.

33d. In modification of the 28th Rule of the Institution it is hereby provided, that from and after the 30th April next ensuing, annuities will be granted to retiring members of the service, entitled to and claiming the same, payable to the date of decease, on their entering into a written engagement, binding themselves to pay, if so required by the Honourable the Court of Directors, a sum equal to half the value of the benefit derived under this condition. The computation of the said value will be made according to the annexed Table, unless otherwise ordered by the Honourable Court of Directors, to whose correction the calculations are subject.

For every annuity made payable to the date of decease under the above rule a sum equal to the discount value of the additional payment stipulated, as entered in the table annexed, or in any corrected table that may be substituted for the same if the Court of Directors shall direct such substitution, shall be transferred in the accounts of the Institution to the head of appropriated assets, in order to cover the additional charge to the Fund arising from such payment.—(See Table II.)

34th. In further modification of the 28th Rule above referred to, it is hereby provided, that from and after the 30th April 1835, annuities will, at the option of retiring servants, be given, payable either as at present at the close of the year, or quarterly after each three months of the year. Provided, however, that for every annuity made payable quarterly, an additional sum equivalent to this advantage, computed according to the table annexed, shall be transferred to the head of appropriated Funds in the accounts of the Institution, in order to cover the additional charge to it from this alteration in the mode of payment.—(See further modification in Rule 40.)

35th. On the 1st May 1836, the managers of the Institution shall declare and publish the number of unaccepted annuities remaining up to that date, and the value thereof, which value shall be computed by assuming for the unaccepted annuities of each year since the Annuity Fund Institution was established, a value calculated for the average age of the servants who retired in that year. Two-thirds of the aggregate amount of such valuation shall be declared to be a fund available to provide for three years from

that date, annuities at a quarter value to retiring civil servants duly qualified. The other third of the above valuation shall be forthwith carried to account as part of the fixed balance of the fund. In like manner, on the 1st of May of every succeeding year, the managers shall declare and publish the number and value of the unaccepted annuities of the preceding year—that is to say, the number of the nine annuities at half value available annually for retiring servants which have not been claimed and taken within the year, and the same shall be valued according to the average of the ages of the servants who retired in the year upon such annuities; or if there be none of these taken in any year, then upon the assumption of the age of forty-five years, for the value of each annuity. Two-thirds of the aggregate value of such unaccepted annuities shall be declared and published, as above, to be the fund available to provide for three years thereafter annuities at a quarter value to retiring seniors, the remaining third being added to the fixed balance of the fund, as above provided.

36th. Civil servants *duly qualified by service and residence*, who may be willing to retire on annuities to be granted upon payment of an amount equal to one-quarter of the value thereof, are required to make application for the same within three months from the date of the above declaration being made and published by the managers of the fund. So far as the surplus available shall permit, annuities on the terms stated shall be given to the senior servants so applying, in the order of their seniority; and if the subscriptions of any servant, to whom such an annuity may be awarded, shall have exceeded in amount one-quarter of the value of the annuity, the excess shall be refunded to him out of the surplus declared. If the subscriptions be not equal in amount to one-quarter of the value of the annuity, the retiring servant shall make good the deficit before obtaining the certificate entitling him thereto. If he do so before the 1st May and shall have then retired from the service, his annuity will commence from that date. If he complete his payments and retire at any subsequent date of the same year, the value of the annuity will still be calculated as from 1st May, but the retiring servant will receive only the fractional portion of the annuity for the first year, calculated from the date of such payment and retirement, and his subscriptions after the 1st August shall not be credited in his account, but shall accrue to the fund, together with the unpaid portion of the annuity. If the applicants within three months, as above, do not by their annuities and by the refunds stated consume the entire declared surplus, the remainder shall be available to furnish annuities to any qualified senior servant who may apply for the same at any time within three years from the date of the declaration, and such annuities shall be given to applicants for the same in the order of application until the entire declared surplus is appropriated. For every annuity granted, an equivalent sum to the value thereof, according to the tables of the fund, shall be written off from the declared surplus and credited to the appropriated funds of the Institution; and if, at the end of three years from the date of declaration,

ration, there shall remain any part of the declared surplus still unappropriated, such remainder shall lapse and be added to the fixed unappropriated balance of the fund.

37th. Civil servants who may not have completed the full period of twenty-two years' residence in India, and twenty-five years of service, but who may be compelled to retire from the service by sickness, duly certified as below provided, shall be entitled to receive from out of the declared value of the unclaimed annuities of any given year before the appropriation of the two-thirds and one-third are made under the above rule, as follows:—

If they have not completed ten years of residence, a donation of	Sa. Rs. 5,000
Or	£500
If they have completed ten years of residence, but not more than fifteen, an annuity of	£250
Or	Sa. Rs. 2,500
per annum, on payment, including the amount of their subscriptions, of one-half of the value thereof, according to the tables and rules of the fund.	
If they have completed fifteen years, an annuity of	£500
Or	Sa. Rs. 5,000
on the same terms.	

To entitle a junior to the above benefits, it will be necessary for him before leaving India to furnish to the managers of the fund a certificate from his medical attendant, countersigned by a member of the medical board in Calcutta, certifying that he is, from some permanent cause or complaint, incapable of rendering further service in the climate of India; and this certificate must, in each instance of retirement, be confirmed in England by the examining physician of the Honourable Court of Directors, after the servant so retiring has resided at least one year in England.

39th. In modification of the third rule of the regulations of the fund, it is provided, that it shall be competent to any servant, duly qualified by residence and service, to receive the annuity, whether granted to him at half or at a quarter value, either in India or in England, subject only to the condition of previous resignation of the service, and of the acceptance of such resignation by the Government or by the Court of Directors.

40th. In modification of the rules adopted by the service on the 7th March 1834, it is hereby provided, in conformity with the instructions of the Honourable Court of Directors, that annuitants desirous to have their annuities paid to the date of decease, or to have them paid quarterly, will be entitled to these advantages upon payment, in addition to the half or quarter value of the annuity, as the case may be, of the full value stated for the same in the Table annexed to the said rules; but no annuitant shall be permitted to take the quarterly payment alone without at the same time taking the benefit of the rule for obtaining payment to the date of decease.

REVISED RULES

Passed at the Annual General Meeting of Subscribers, on the 1st January, 1842, and approved by the Honourable Court of Directors, under date 31st August, 1842.

RULE 35.—On the 30th of April, 1842, the managers shall compute the excess of balance of the unappropriated funds of the Institution above the balance estimated for the same period in the prospective calculation upon which the Fund was formed. One-half of the amount of such excess shall be considered to be a capital available for the purposes of the Fund, namely, for the improvement of the rate at which the annuities accruing under Rules 8 and 11, on the 1st of May, 1842, are to be granted, to the extent of the income derivable, at the rate of 6 per cent., from the said half excess of balance. In like manner, on the 30th of April of every succeeding year, the managers shall compute the excess of actual balance over the estimated prospective balance at the same date, and shall appropriate the income arising therefrom to the improvement of the purchase rate of the nine annuities accruing on the 1st of the following May. Provided, however, that in no instance shall any annuity be granted under this rule at a rate less than a quarter of the value thereof. And in case of the annual sum to be distributed amongst the nine yearly accruing annuities, in the manner provided in the following rule, being at any time in excess of the proportions required to make up, with the balance of the subscription accounts of the retirees thereon, the half value of each of the said nine annuities, such excess shall be reserved and be made available in the succeeding year, in addition to the income accruing from the half of the excess balance of the year, towards the reduction of the rate of premium, at half value, payable for the said annuities, under the provisions and limitations above specified.

And it is further provided, that in the event of any of the nine annuities of any year remaining untaken on the 1st of May of such year, the proportionate share of the annual sum distributed amongst the nine annuities of that date, which shall have been set to such untaken annuity, shall remain reserved for the benefit of the qualified subscriber, who may at any subsequent date claim and retire on such untaken annuity.

RULE 36.—FIRST. After the above computation shall have been made the managers shall make the distribution of the annual sum which may be found available for the improvement of the rate at which each of the nine yearly annuities may be granted, in the manner following. The aggregate sum available on the 1st of May of every year shall be divided into equal shares for apportionment equally amongst the nine annuities accruing on that date, according to the statement above cited. The amount of fine which a retiring member will have to pay shall be such an amount as, with the balance of his subscription account and the sum apportioned

to the annuity reserved for him, as above provided, on the 1st of May of such year, will make up the half of the value of the annuity, according to his age. And it is provided, that in the event of the balance of the retiree's account alone amounting to a sum equal to the half value of his annuity, the share or sum apportioned to the annuity reserved for him shall be taken and distributed equally amongst the other annuities of the same year, in further diminution of the fines at half value, which may be required from the retirees on these. In like manner, if the balance of any retiree's account, as aforesaid, together with the sum or sums which may have been apportioned to the annuity reserved for him, amount to a sum in excess of the half value of his annuity, such excess shall be taken and divided amongst the other annuitants of the same year whose balances, with the sums apportioned to them as above, may fall short of the half value of annuity.— And it is further provided, that in the event of any overplus remaining out of the sum found available in any year under Rule 35, after due distribution amongst the nine annuities of such year, as above provided, to the extent of making up, with the balances, the half value of each of the annuities, such remaining overplus shall be held available for distribution in the next succeeding year under the general terms of this Rule.

And Rule 37, above entered, will be read in its first sentence thus :

“ Civil servants who may not have completed the full period of twenty-two years' residence in India and twenty-five years of service, but who may be compelled to retire from the service by sickness, duly certified as below ; provided, shall be entitled to remain from out of the portions of the excess balance available for the purposes of the Fund, under the above Rules (now 36 and 37), as follows,” &c. &c.

At a Special General Meeting held 28th May, 1842, the following clause was proposed to be added to Rule 15 as a part thereof, to carry out the Honourable Court's letter of 1st February, 1842, and the same was carried and adopted by the subscribers, at their meeting of 30th July, 1842.

“ In substitution of the rule requiring the declaration upon honour, it is hereby further provided, that if any subscriber to whom an annuity shall have been reserved, under his application and declaration to resign the service, as above, shall subsequently withdraw or retract his application or declaration ; or if he shall continue in the service beyond the time (viz. 1st July) limited by the foregoing rule, he shall, unless for special reasons, be exempted by the managers, subject to an appeal to the service by the individual in question, or by any member of the Fund, forfeit the sum of Co.'s Rupees (10,000) ten thousand, to be at once deducted from his subscription account with the Fund. Extract Regulations.

ART. I. THE object of the civil fund is to provide for the maintenance of the widows and children of such of the subscribers as may not, at their deaths, leave property sufficient for the subsistence and education of their families.

ART. XXI. On the death of any subscriber to the fund, who may not be possessed of property sufficient to provide for his family, and may leave a wife cohabiting with, or maintained by him, or living under his protection at the period of his decease, without an adequate provision for her support as hereafter specified, if, on the information which may be submitted by her, or in her behalf to the managers of the fund, it shall appear to the satisfaction of a general meeting of the subscribers that she is a proper object of the fund, a pension shall be assigned to her from the fund, under the provisions and with the limitations stated in the following article: provided that nothing contained therein, or in any part of the rules of this institution, shall be considered to entitle to the benefits of it, any widow who may have been separated under a legal decision from her husband for misconduct on her part, or who may be known to have been living in a state of adultery, though not divorced or separated from him by law.

ART. XXII. First. If the widow, at the time of her husband's death, be resident in India, and be left without an income exceeding one hundred Company's rupees per mensem, a pension

shall be assigned to her from the fund of three hundred Company's rupees per mensem during her residence in India. If the widow be not resident in India at the time of her husband's death, or shall afterwards quit India, and her income, from her husband's estate or otherwise, shall not exceed one hundred pounds sterling per annum, the pension to be assigned to her from the fund shall be three hundred pounds sterling per annum.

Secondly. If the income of the widow, resident in India at the death of her husband, be more than one hundred Company's rupees per mensem, but shall not exceed four hundred per mensem during her residence in India, or if the widow be not resident in India at the time of her husband's death, or shall afterwards quit India, and her income be more than one hundred pounds sterling per annum, but shall not exceed four hundred pounds sterling per annum, the pension to be assigned to her from the fund shall be such as will make up her income to four hundred Company's rupees per mensem during her residence in India, or four hundred pounds sterling per annum in Europe or elsewhere.

Thirdly. In the event of a widow, to whom a pension may have been assigned from the fund, acquiring subsequently by inheritance, bequest, or otherwise, any property or income which, with the property left on her husband's decease, and the pension received by her from the fund, may render her total income, including her pension from the fund, more than four hundred Company's rupees per mensem, during her residence in India, or more than four hundred pounds sterling per annum in Europe, or elsewhere, her pension from the fund shall be liable to abatement in proportion to the excess of her entire income, including the pension, above the sum specified; or to be altogether discontinued, in the event of her property or income, exclusive of the pension assigned to her from the fund, being equal to the full sum of four hundred Company's rupees per mensem in India, or four hundred pounds sterling per annum in Europe, or elsewhere.

Fourthly. All pensions to widows shall be discontinued on their re-marriage. But in the event of their being again left in a state of widowhood without an adequate provision for their support, and of their appearing to be proper objects of this fund, they may be again admitted to the benefits of it under the same provisions and limitations as on their original admission.

Fifthly. The pensions to widows, who may be admitted to the benefits of the fund, shall be paid in advance half-yearly to themselves, or to their authorized agents, but the acknowledgment of the widow herself shall be taken for all sums paid on her behalf, and shall contain a solemn declaration that her entire income, including the pension received by her, does not exceed the sum of four hundred Company's rupees per mensem if she be resident in India, or four hundred pounds sterling per annum if she reside in Europe, or elsewhere. And it shall be incumbent on the managers to suspend the payment of the pension of any widows who may refuse to make such declaration, reporting the case for the decision of a general meeting of the subscribers.

ART. XXIII. If any subscriber to the fund shall die without the means of providing for his family, and shall consequently leave a child or children, born in wedlock, without an adequate provision for their maintenance and education, and if on the information, documents, or evidence which may be submitted on their behalf to the managers of the fund, it shall appear to the satisfaction of a general meeting of the subscribers that they are proper objects of the fund, an allowance for their maintenance and education shall be assigned from the fund under the provisions and limitations contained in the following article.

ART. XXIV. First. If the child or children of the deceased subscriber shall be left without any provision from his estate or otherwise, the allowance for the education and maintenance of each child to be granted from the fund in India, or in Europe, shall be according to the age of the child, as follows, *viz.*—Till five years of age, thirty Company's rupees per mensem in India, or thirty pounds sterling per annum in Europe; from the commencement of the sixth year, to the end of the eighth year, forty Company's rupees per mensem in India, or sixty pounds sterling per annum in Europe; from the commencement of the ninth year, to the end of the eleventh year, fifty Company's rupees per mensem in India, or eighty pounds sterling per annum in Europe; from the commencement of the twelfth year, sixty Company's rupees per mensem in India, or one hundred pounds sterling per annum in Europe.

Secondly. If any provision be left by a subscriber for his child or children, or if after his death such child or children shall at any time become possessed of any property or income by inheritance, bequest, or otherwise, but not such as to afford the sums specified for their education and maintenance, the allowance to be granted from the fund shall be such as, in addition to the property or income possessed by them, will make up the several sums above specified, according to their respective ages, and as they may be resident in India or in Europe.

Thirdly. In the event of the property or income left to the child or children of a subscriber, at his death, or which may subsequently devolve to, or be in any wise acquired by them, being such as to afford the amount specified for their education and maintenance, they will not be entitled to any allowance from the fund; and any allowances which may have been granted before such accession of property or income shall be discontinued.

Fourthly. The allowances granted from the fund, for the maintenance and education of children, shall be paid in advance half-yearly, to their guardians, or relatives having the care of them, or to such persons as may be intrusted with the disbursement of the sums allotted for them, either by the managers of the fund in India, or by the agents to the fund in England.

Fifthly. The provision so made from the fund, for the maintenance and education of female children, shall cease on their marriage, and the provision for male children shall cease on their being settled in any profession, or employment, or on their attaining the age of twenty-one years, whichever shall first happen.

ART. XXV. No family becoming hereafter dependent on the fund shall receive from the fund an allowance exceeding in all six hundred pounds sterling per annum, or in India six hundred Company's rupees per mensem, and the reduction shall be made rateably.

ART. XXXIII. If a subscriber to the fund who has served twenty-two years in India retires from the service, or if, having served ten years in India, he retires from ill health, and at the time of retirement, as above stated, shall have contributed by his previous payments to the fund, including interest, the sum of twenty-five thousand Company's rupees, or if, on his quitting the service, he shall pay to the fund what may be wanting to complete his contribution to that amount, such contribution shall entitle the family of such subscriber on his death to the benefits of the institution, under the several provisions herein-before stated, or such as may hereafter be established, in like manner as if his death had taken place during his residence and actual subscription to the fund in India. The family of any subscriber to the fund who may die during his temporary absence from India on leave shall be considered entitled to the benefits of the fund under the existing rules. Subscribers in India who may cease to receive any public allowances shall be considered as having retired from the service from the date of their allowances ceasing. In all cases, not expressly provided for, it shall be at the option of the subscribers at large to admit or reject the claim of any subscriber or his family, and such decision, duly passed, shall be final and conclusive.

2d. Medical officers and veterinary officers may subscribe as colonels after 27 years' service, as lieutenant-colonels after 22 years, as majors after 17 years, and after ten years as captains.

3d. Chaplains may subscribe after 15 years as lieutenant-colonels, after 20 years as colonels.

4th. Admission to subscribe in the next higher rank, to which his service may render an officer eligible, shall depend on the payment of the increased donation within the period prescribed by regulation 2. Further, the claim must be made to the managers, within three months, if he be in India, or if at home, within twelve months from the completion of the qualifying service.

5th. If the privilege to subscribe in the next higher rank be not embraced within the above periods, the application, whenever subsequently made, must be accompanied by a health certificate; and compound interest at 8 per cent. per annum shall be charged upon the additional donation and arrears of subscription accumulated half-yearly (as by article 2 of the existing rules) from the date of these rules taking effect, or from the completion of the qualifying service.

6th. Retired officers are entitled to enter the higher classes of subscription under the above conditions, on the expiration of the several periods which, had they remained in the service, would have given them the same privilege. This rule is applicable to subscribers under article 5.

N.B. The period of service under this article is calcu-

lated by certificate of admission, to be furnished from the Adjutant-General's office. Officers embracing the privilege granted by this rule must comply with all its provisions, calculated through each grade of service.

9. Subscribers may redeem by a single payment the periodical subscription exigible under Art. 7, the equivalent sum being determined on this principle.

Members in Europe to redeem at Europe rates: in India at Indian rates; calculated by two tables of different values of an annuity, one adopted for Europe (as the Northampton tables), the other for India (as the Indian tables), receiving back, or paying the difference of premium, according to residence in one or other country. Parties visiting Europe on furlough, or for a temporary residence not exceeding 3 years, not to receive the difference, nor parties revisiting India to pay it, in the temporary residence does not exceed 1 year. The value to be taken from tables, of which the following is a specimen.

On promotion, the subscriber will be liable to pay the donation, and to pay or redeem difference of subscription.

Members who may redeem their periodical subscriptions by a single payment are precluded the benefit of passage money and equipment allowance.

10. Subscribers on promotion shall pay the donation of their increased rank, as married or unmarried, agreeably to the rates specified in Table No. 1, whether in India or Europe. If in Europe, the exchange to be calculated at 2s. 6d. per Company's rupee.

11. The donation may be paid at once, or by monthly instalments, not exceeding twelve, at the option of the subscriber, in failure of which all claims shall be forfeited upon the fund, either for himself or widow, unless the amount be paid with interest at 8 per cent. per annum from the day of admission. Subscribers paying donation by instalments pay interest at 8 per cent. per annum upon all unpaid balances until the whole is liquidated.

12. Monthly subscriptions of subscribers shall be paid within four months after they become due, or 8 per cent. per annum be charged on all arrears accumulated beyond that period, and in every occasion; if payment be then refused, the name to be struck off, if the party entered the service before subscription was made compulsory.

13. All members marrying, and who may be desirous that their widows should possess claims to the eventual benefits of the fund, are required to inform the secretary, if in India, and the agents if in Europe, of their marriage; and, unless the payment of the additional donation be made within six months after such marriage, the subscribers shall be required to pay the amount with interest at 8 per cent. per annum, calculated from date of marriage, and furnish a health certificate, as required by Art 2, clause 1; and no claim for pension on the part of the widow of an officer, not subscribing as a married member at the time of his decease, shall be admissible.

Arrears which may be due to the fund by a married subscriber at the time of his death, will, if not discharged by the paymaster of the corps to which the deceased was attached, or by the president of the committee of adjustment, or by his executors, or agents, be deducted from the pension of the widow, and the whole donation and arrear to be paid, although the subscriber should become a widower before completing the full payment. In all cases when the difference of age of the husband exceeds that of the wife fifteen years, the donation to be increased 10 per cent.; when twenty years, 15 per cent.; when twenty-five years, 20 per cent.; when thirty years, 25 per cent.; when thirty-five years, 30 per cent.; when forty years 35 per cent.; and thereafter in a similar proportion in every grade of promotion.

N.B. A member marrying is required to furnish his marriage certificate, and to state his own and his wife's age. All members re-marrying to pay the prescribed marriage donation of their rank as on their first marriage. A subscriber withdrawing his name from the married list during the lifetime of his wife, and afterwards wishing to be again placed in the same position for her benefit, shall pay a second time to the marriage donation, and furnish a health certificate of the form laid down in the regulation.

Art. 14. Subscribers who may be prevented from drawing pay from a temporary cause over which they had no control, such as captivity, or furlough extended on medical certificate, shall, during such period, be exempted from the payment of monthly subscription, without forfeiture of the rights of the subscription; but on the removal of such incapacity, and upon the receipt of pay, the arrears are to be made good within six months, with interest at 8 per cent. per annum for any time beyond that period. But if the incapacity to pay proceed from any other cause, dependant upon the choice or conduct of the individual, such as furlough extended on private affairs, or any penal suspension from rank and pay, not only shall the arrears so accumulated be paid within the above term, but compound interest charged at 8 per cent. per annum on the amount.

Section III.—Benefits derivable from the Bengal Military Fund.

Art. 15. The benefits derivable from the Military Fund are twofold.

1st. Such as are granted by the regulations to subscribers while living.

2d. Such as are granted to widows of deceased subscribers.

Art. 17. A subscriber of whatever rank, who may proceed to Europe on sick certificate, and who may not be allowed passage-money from Government, shall be authorized to apply to the Military Fund for the sum of sicca rupees 1,200 to defray the expense, if he does not possess the sum of rupees 5,000, or property of any description to that amount; and also shall be entitled on his return to India to receive from the agents in England the sum of £110 for the outward passage, if he neither possesses, nor has at any time possessed, £500 sterling, exclusive of pay, during the period he has been in receipt of English pay on furlough.

Art. 18. A subscriber so proceeding to England on sick certificate shall be authorized to apply for the further sum of rupees 300 for his equipment, if he does not possess the sum of rupees 2,000, or property of any description to that amount; but no allowance will in any case be made for equipment to a subscriber returning to India.

N.B. The benefits held out in the two preceding articles should be applied for when claimable; and no claim will be admitted, which is not preferred within twelve months from date of furlough.

Art. 19. Subaltern officers proceeding to England on sick certificate who shall make a declaration that they do not possess property from any source (exclusive of pay and pension for wounds) that will enable him to expend £50 per annum, shall be allowed that sum annually during the period of receiving English pay on furlough. The declaration to be renewed annually.

N.B. The possession of Company's rupees 1,500, or £150, precludes all claim to the above allowance.

Art. 20. It having, however, been deemed necessary to set limits to the claims for gratuitous passage-money, equipment allowance, and income to subscribers proceeding to England on sick certificate, no subscriber who has received the benefits he is entitled to at any one time, shall receive a second indulgence until the expiration of eight years, reckoning from the renewal of Indian subscription.

N.B. A subscriber who shall have received these benefits before he has served eight years in India, will not be entitled to a second indulgence until he shall have been (exclusive of first furlough) 16 years in the service.

21. Subscribers proceeding to England from any place not under the presidency of Bengal, shall be entitled to the personal benefits which have been above enumerated, provided they shall have complied with the local regulations, and shall make immediate communication of the circumstances to the directors of the fund.

22. The second class of benefits, namely, those granted to widows of deceased subscribers, are absolute, not dependent on the decision of the directors, but controlled solely by the regulations of the institution.

23. The widows of deceased subscribers shall be entitled to receive the annuities specified in the annexed table.

Provided that nothing contained herein, or in any other part of these rules of the institution, shall be considered to entitle to the benefits of it any widow who may have been legally divorced or separated from her husband for adultery, or who, at the period of her husband's demise, may have quitted his protection, and be living in a state of notorious adultery, though not divorced or separated from him by law, or who subsequent to her husband's decease may be living in a notorious state of incontinence.

24. If a widow pensioner on the fund marries, her pension is to cease during her coverture; but in the event of her again becoming a widow, she shall be re-admitted to all the benefits she may have enjoyed from the fund during her first widowhood, in like manner as if she had not re-married, but subject of course to all the limitations and conditions prescribed by the regulations in the first instance. If the second husband shall also have been a subscriber to the fund, the widow will receive, however, only one annuity, taking that which may be the greatest; that is to say, according to the rank of the first or second husband, whichever may be the higher.

25. Every widow benefiting by the Military Fund, and not provided with a passage to Europe at the expense of Government, shall be entitled (for one passage only) to an allowance of rupees 1,200, the claim to be determined by the following rule:—

If the money possessed by a widow exceed the sum of 12,000 rupees, the same being available for immediate expenditure and entirely at her disposal, she shall not be entitled to the benefit of passage-money. In like manner, although not immediately available, nor at her disposal, if the yearly interest of such money exceed the sum of £68 8 9, the claim to passage-money will be disallowed. Widows in Europe at the time of their husband's death, are not entitled to passage money on returning to India, or again visiting Europe.

N.B. In proportion as a widow's pensions from the Military and Lord Clive's Funds are, by the levy of income tax, reduced to the amount admissible as private income, will be increased in a corresponding ratio beyond the present maximum of £68. 8s. 9d., without debarring her of the claim to passage-money.

Regulations for the Admission of Orphans.

That no child possessed of any property shall be admitted, unless the amount shall be lodged for its use and benefit in the society's funds.

That no child of any subscriber, dying intestate, shall be admitted, if on inquiry there shall appear to have been (after payment of lawful debts, an adequate provision made for the mother) property remaining to the estate, equal to making a provision for, and which might have been bequeathed to, such a child.

In any case when an officer may die, leaving a natural born child or children, and possessed of property not sufficient to preclude the children from the benefits of the institution, and such officer shall not by will make such reasonable provision for these children as his circumstances may enable him, such children shall not be entitled to the benefits of the institution.

That when, in the will of any subscriber, part only of his children are provided for, and others either excluded by name, or otherwise not noticed in its provisions, such omission arising manifestly out of the intention of the testator, such exclusion or omission shall be considered to invalidate the claims of all the children on the institution.

That all cases of capricious or unequal provision, which by favouring the mother preferably to the children, or one child in preference to another, shall appear calculated to throw all or any part of a subscriber's family on the fund, shall be considered to invalidate the claims of all.

That any provision by will or settlement for the widow of a subscriber greater than 3-5ths (three-fifths) of the property to be devised when there shall be only one child; $\frac{1}{2}$ (one-half) where

there shall be two, and 1-3d (one-third) where there shall be any greater number of children than two; the remainder being in all cases considered the property of the child, or (in equal portions) of the children, shall be considered unequal, agreeably to the two foregoing articles, and invalidate the claims of the children accordingly. Provided always, that a provision for the widow, to the amount of 12,000 sicca rupees (sicca rupees twelve thousand), shall not be held to invalidate the claims of the child or children, although such sum may be more than three-fifths, one-half, or one-third of the property devised. The widow may likewise possess a further sum of 12,000 sicca rupees if derived from other sources than property left by her husband, as from her own parents, father, brother, &c., or the subscription of her friends; and in case that less than 12,000 rupees should be left by her husband, such sum as shall not exceed in all the amount of 24,000 rupees, without the claim of the orphans upon the fund being thereby affected.

That in all cases of children born not in wedlock, any provision for the mother exceeding sicca rupees 30 (sicca rupees thirty), if a native; if European, sicca rupees 50 (sicca rupees fifty), per month, the principal of such sum in all cases to be secured to the child or children, shall be considered in the same light as the above, and invalidate all claims upon the foundation.

That subscriptions for the families of deceased subscribers are in all cases to be regarded as available sources of relief to the funds of the society, and in that view are to be considered of, and judged by the foregoing rules, in the same manner as any other disposable property; with this only exception, that, whereas such subscriptions are for a joint benefit, and lodged in the hands of trustees, it shall not be indispensable that the orphans' portions (estimated as above) be paid as capital sums into the society's funds; but it shall be sufficient that the interest upon them be from time to time duly paid by the said trustees into the society's treasury, so long as the orphans continue an expense to the institution, to be appropriated to their maintenance, whether in Europe or in India.

That should such children be allowed to remain with parent or friend, the interest on their said portions will be calculated in part payment of the regulated monthly allowance, the society regularly paying or receiving the balance; but should they be placed at Kidderpore, or under the management in England, the amount of interest on their several shares (calculated as above) must be paid into the funds of the society, on failure of which payment during a period exceeding 12 months, the said orphans shall be liable to be struck off the books of the institution.

That the marriage portion to female orphans shall in no case exceed sicca rupees 2,000; and if the ward claiming the dowry has property to an amount exceeding sicca rupees 3,000, the society will advance a sum that shall increase the amount to sicca rupees 5,000.

BOMBAY CIVIL FUND.

Agents in England.

Messrs. Crawford, Colvin, and Co., 71, Broad Street.

SECTION V.

Fund.

Art. 1. The object of the Institution and Fund are fourfold :

1st. To provide for those members who are obliged by ill health to leave India for a time the means of doing so, in case their furlough allowance and passage-money, when entitled to them from Government, or their private fortunes, are inadequate to the expense.

2ndly. To provide for those members who, by unavoidable accident or misfortune, are compelled to renounce the service.

3rdly. To provide for the widows and children of deceased members. And,

4thly. To give all those members who have served in the civil service twenty-five years, and actually resided twenty-two years of that period in India, or if compelled by ill health to quit India before completing that period, after a residence of fifteen or ten years, as the case may be, annuities on their retiring from the service.

SECTION VIII.

Members Retiring from India.

Art. 1. Annuityants of 1,000*l.* wishing to secure to their widows and children the benefits of the provident branch of the Institution, may continue their contributions at the same rates on their annuities as those levied from members in the service on their allowances, and under the same conditions in regard to minimum payments and liability to increase of rates, and option being allowed to each annuityant to pay-up, at the period of

resigning the service, in lieu of all claims on account of contributions to the provident branch, a sum equal to the rate of percentage levied from the service for widow and children, calculated according to the value of an annuity on the joint lives of husband and wife, and of father and child, at 2 per cent., but the settlement being open to future adjustment in the event of the necessities of the Fund requiring an enhanced rate of contribution, and the annuitant being liable to pay up in the same manner for each child subsequently born, and the additional premium as a married member, in case of subsequent marriage.

Art. 2. These contributions are to be paid annually, at the close of each year, to the treasurer and collector to the Fund, and are not claimable on the amount due for the broken period of the year in which the annuitant may die, and for which the full premium has been paid.

Art. 3. A member, not an annuitant, retiring from India, and ceasing to draw any allowance from the Company, or if receiving the smaller annuity of 250*l.* or 500*l.*, or if reverting to the old fund, with the relinquishment of the subscriptions paid to the provident branch, may continue his contributions, to secure to himself and his family the benefits of the provident branch of the institution.

Art. 4. If he die in such retirement, his widow and children shall be entitled to the benefit of the Fund, the same as those of a member continuing in India, in the event of his having paid to the Fund a monthly contribution to the provident branch of 15, 20, 30, or 40 rupees, according to rank; or, in direct contribution, the sum of 5,000 rupees, inclusive of subscriptions previously paid. If he be in the receipt of the smaller annuity, he may, after paying the amount prescribed for non-annuitants in direct contribution, continue his subscription on his annuity in the manner laid down for the large annuities, the optional subscription for children being equally available to him.

Art. 5. The resumption of the payment of contributions, as provided in the preceding article, is to commence from the close of the third year from the date of the member quitting India, or from the commencement of the smaller annuity, if the latter period be earlier.

Art. 6. If a member or smaller annuitant die in such retirement, having ceased to subscribe to the Fund, and not having contributed the sum of 5,000 rupees to the provident branch, it shall be at the option of the subscribers at large to admit his family to the benefit of the Fund, or otherwise, all right and title thereto having, by such omission of payment, lapsed.

Art. 7. If the member return to the service in India, he shall be entitled to be re-admitted a member, as matter of right, on his complying with the regulations herein contained.

Art. 8. Annuitants and members removing from India, and continuing their subscriptions, must nominate an agent in India to adjust their account with the Fund, all payments and contributions being necessarily receivable in this country.

SECTION X.

Personal Privileges of Members.

Art. I. A member of the Fund who may be compelled by sickness or infirmity to proceed to Europe for the recovery of his health, and who, having already received the furlough allowance, or not being entitled to any provision from the Government, shall not be possessed of sufficient means to pay for his passage to Europe, and to support himself and family while he is there, shall, on his making a solemn declaration to that effect, on oath, and the committee being satisfied of the facts, upon his producing a certificate of necessity from the surgeon who has attended him, countersigned by a member of the medical board, and the permission of the Government for him to proceed to Europe, be entitled to receive from the Fund such aid as may appear necessary for the purpose, not exceeding the sum of 2,000 rupees, in the first instance, as a loan, to be repaid without interest, and for each year that he may be absent, not exceeding in the whole three years, absolute grant or donation not exceeding 200*l.*, if he be a writer or a factor, and an unmarried man; but if he be of higher rank in the service than a factor, or if he be married, then not exceeding 300*l.*

Art. 2. If such member shall possess property, but not amounting to the donation mentioned in the preceding article, then such allowance only shall be made as, taken together with the annual income arising from such property, to be estimated according to the provisions of sections XV. and XVI., shall make up the sum intended hereby to be granted for the support of a member compelled to return to Europe for the recovery of his health.

Art. 3. The first donation of 200*l.* or 300*l.*, as the case may be, shall be paid in advance before his embarkation, and each of the two subsequent donations in like manner at the commencement of each of the succeeding years.

Art. 4. Under no circumstances whatever shall such or any other donations or relief be extended beyond the third year.

Art. 5. Should any member proceeding to Europe on sick certificate, and with the furlough allowance granted by the Government, not be possessed of sufficient means to pay for his passage, he shall be entitled to receive a sum, not exceeding 2,000 rupees, from the Fund, as a loan, to be repaid without interest.

Art. 6. Should any member on returning from sick furlough in Europe to India be unable to pay for his passage out, the agents for the Fund in London, on his making oath to this effect, and on their being satisfied as to the fact, shall advance him on loan, without interest, to be repaid as provided in the following article of this section, such aid as may appear necessary for the purpose, not exceeding the sum of 250*l.* sterling.

Art. 7. All sums granted on loan under the provisions of this article shall be repaid on the return of the party to the service,

by a deduction of 20 per cent., exclusive of the established monthly contribution upon his allowances, on succeeding to an office, the emoluments of which amount to 700 rupees per mensem.

Art. 8. In case any member shall unhappily lose his sight, or be deprived of his mental faculties, or meet with any other personal misfortune which shall render him unable to retain his situation in the service, and he shall on that account retire and withdraw himself altogether from the service in India, such member shall, from the day of his retiring and withdrawing himself altogether from the service, be entitled to receive from the Fund, during the remainder of his life, 300*l.* sterling per annum, to be paid to him in advance yearly, and every year, in India or in England, according as he may choose his future residence.

Art. 9. But should the member requiring aid on this account possess property yielding an annual income, but not to the amount of 300*l.*, then such allowance only shall be made as, taken together with the annual income arising from such property, to be estimated according to the provisions of sections XV. and XVI., shall come up to that amount.

Art. 10. A member of the Fund who may possess annual income of 300*l.* or upwards is not entitled to any allowance whatever under the two preceding articles.

SECTION XI.

Privileges of Widows.

Art. 1. The widow of every member of the Annuity and Provident Fund, by whom the additional subscription, levied from the 1st January 1830, has been paid, dying, shall be entitled to receive, subject to the deduction for the minimum payment, an allowance or pension of 300*l.* sterling per annum.

Art. 2. Her title to this pension shall not be barred, nor in any way affected, by her possession of property, to whatever amount, left by her husband, or obtained from other sources.

Art. 3. The benefit of the foregoing article shall be further extended to those widows at present on the Fund whose husbands were alive and in the service on the 1st January, 1830, provided the enhanced rate of subscription was paid by them, enforcement of the deduction for the minimum payment, prescribed by section VII., article 5, being delayed until the advantages from the withdrawal of the restriction in regard to property are claimed.

Art. 4. The claims of all widows to whom the provisions of this revised code do not extend, will be considered under the regulations which were in force on the 30th April, 1825.

Art. 10. Widows who may be in India when admitted to the benefit of this Fund, and shall be desirous of going to England,

if they have no other means of defraying the expenses of their passage, shall be entitled to a grant, not to exceed 300*l.* sterling.

SECTION XII.

Privileges of Children.

Art. 1. SECTION IV.

Causes of Exclusion from the Benefits of the Fund.

Art. 1. A subscriber, prior to the orders of the Hon. Court, withdrawing from the fund, forfeits, *ipso facto*, all claims to the benefits derivable from it, as also the amount of his donation and subscription, and all other sums which he may have paid up to the period of his secession.

Art. 2. The non-payment of donation, subscription, or any other sum demanded from them in conformity to the regulations, shall exclude subscribers from all the benefits derivable from the fund.

Art. 3. The non-compliance with any regulation of the Military

Fund, or the bringing under litigation any decision which has been passed in conformity to these regulations.

Art. 4. All income derived from the Bombay Military Fund is declared to be *unalienable*, and the fact of attempting the alienation of such income in any manner, or under any pretence, shall be deemed in itself a forfeiture of all future benefits from the fund.

Art. 5. The widow of a subscriber who shall have been legally divorced or separated from her husband, or who shall at the time of his death have quitted his protection, or shall be living in a state of adultery, though not legally separated or divorced, shall not be entitled to any benefit from the fund under any circumstances whatever.

Art. 6. If, after the widow of a subscriber shall have been admitted to the benefits of the fund, it shall at any time appear to the satisfaction of the Directors that she is living in a state of incontinence, or in a manner discreditable to the memory of her husband, she shall forfeit all claims to the benefits derivable from the fund, and shall in future be deprived of her annuity.

SECTION V.

Eventual Benefits of the Fund.

Art. 1. Independent of the benefits which have been recited, the Bombay Military Fund is considered as holding out the prospect of eventual benefits under the following circumstances.

Art. 2. If at any future period it shall be found that the funds of the institution afford a considerable surplus, after providing for the actual and probable applications for relief under the preceding articles, it shall then, and not otherwise, be competent for the directors of the institution, provided the permission of the Hon. Court of Directors be obtained, to afford the aid of the fund in the following cases:

First. To subscribers compelled by ill-health to abandon the country after ten years' service, and before they are entitled to retire on full pay, the regulated passage-money of their rank, and an annuity which shall render their total income, from whatever source derived, equal to the full pay of their rank.

Second. To officers who may have served twenty-two years in India, and may be compelled by ill-health to retire from the service, without having obtained the rank of major, the regulated passage-money of their rank, and such assistance from the fund as will render their whole income, from whatever source, equal to the pay of major; and, as in the case of widows, the possession of an income not exceeding half the pay of a major of infantry, shall not occasion an abatement from the provision to be made from the fund.

Third. In the event of a still further surplus, it shall be competent for the directors of the Military Fund, at their discretion, to assist officers retiring from the service on full pay in limited

circumstances, with a sum equal to the regulated passage-money of their rank, provided always that the resignation of such officer shall actually have been accepted previously to embarkation.

Fourth. Should the fund, however, at any period fall short of the demands upon it, so that the annual income will not defray the amount of the annuities and other claims, then it shall be in the power of the directors to make a proportionate deduction from the annuity of each annuitant, and from the payments to other claimants above the rank of subaltern, until the state of the fund shall afford the means of complete payment; when, if a surplus income exists, the arrears shall be made good from the amount of surplus, but not otherwise.

Art. 18. All widows of subscribers, or guardians claiming the benefit of the Fund in behalf of children, shall sign a declaration on application for such benefit.

Art. 19. Subscribers below the rank of a commander, returning to India from furlough, shall be entitled to receive from the agents in England (as a loan only) the sum of 60*l.*, the same to be repaid, with interest thereon, after their arrival in India, by instalments, not exceeding twelve.

Art. 20. Pursers proceeding to England on sick certificate, not being allowed passage-money by Government, shall be entitled to receive 1,200 rupees from the Fund, on loan, half of which to be paid back, with interest, in twenty-four months after their return to India.

Eventual Benefits of the Fund.

Art. 1. Independent of the benefits which have been recited, the Indian Navy Fund is considered as holding out the prospect of eventual benefits, under the following circumstances.

Art. 2. If, at any future period, it shall be found that the funds of the Institution afford a considerable surplus, after providing for the actual and probable applications for relief under the preceding articles; it shall then, and not otherwise, be competent for the directors of the Institution, provided the permission of the Honourable Court of Directors be obtained, to afford the aid of the Fund in the following cases:—

1. To subscribers compelled by ill-health to abandon the country after ten years' service, and before they are entitled to retire on full pay, the regulated passage-money, and an annuity which shall render their total income, from whatever source derived, equal to the pay of their rank.

2. To officers who may have served twenty-two years in India, and be obliged by ill-health to retire from the service without having obtained the rank of commander, the regulated passage-money, and such assistance from the Fund as will render their whole income, from whatever source, equal to the pay of a commander.

3. In the event of a still further surplus, it shall be competent for the directors of the Fund to assist officers, retiring from the service on full pay, in limited circumstances, with a sum equal to the regulated passage-money; provided always, that the resignation of such officer shall have been accepted previously to his embarkation.

Art. 3. Should the Fund, however, at any period, fall short of the demands upon it, so that the annual income will not defray the amount of the annuities, and other claims, then it shall be in the power of the directors to make a proportionate deduction from the annuity of each annuitant, and from the payments to other claimants above the rank of a junior lieutenant, until the state of the Fund shall afford the means of complete payments, when, if a surplus income exists, the arrears shall be made good from the amount of surplus, but not otherwise.

Life Assurance Companies may be placed amongst the most useful institutions of modern times, and their increase shows that their value is daily becoming more appreciated. A very large proportion of the property of this kingdom is comprised in entailed estates, estates held by persons as tenants for life, church property, pensions, annuities, money receivable under wills, &c.; all showing the importance of these Societies to the more opulent classes; while, in the middle ranks of society, there are now but few whose means of supporting their families depend upon their own personal exertions, or are derived from incomes which cease at their deaths, who do not gladly seize upon the means thus afforded them of leaving some provision for the future maintenance of their surviving dependents,—in short, there are but few situations in life in which it is not desirable, at some period, to enter into a contract for Assurance.

(Continued.)

Universal Life Assurance Society—continued.

ONE FIFTH of the ascertained profits of the five preceding years is divided between the policy-holders and share-holders; three-fourths to the former, and one-fourth to the latter. The remaining four-fifths are set apart to enter into the average of the succeeding years, and thus to provide against unforeseen contingencies.

The annual reduction of the Premiums arising from a participation in the Profits of the Society has averaged considerably above 40 per cent., and in no one year has it fallen below that amount.

The following Table will shew the operation of the reduction made by the Society on those Policies upon which Six Annual Premiums have been paid:—

Age when Policy was issued.	Sum assured.	Original Premium.	Reduced Annual Premium for the current Year.
20	£1,000	£. s. d. 19 6 8	£. s. d. 11 12 0
30	1,000	24 8 4	14 13 0
40	1,000	31 10 0	18 18 0
50	1,000	42 13 0	25 13 0
60	1,000	66 11 8	39 19 0

Thus it will be seen that the benefits arising from the Division of Profits will be experienced by each whole Life Assurer on the payment of his Seventh Annual Premium.

This system of reduction in the premiums affords immediate benefit to the assured, or enables them to secure a considerable bonus by effecting a new policy.

Policies are granted in London, and by resident Committees at Calcutta, Madras, and Bombay, on Indian risks, at very advantageous rates, calculated from extensive data and tables, exclusively in the possession of this Society, to shew the true risk of life during residence in India, and after retirement from foreign service.

(Next Door to Somerset House.)

MESSRS. THRESHER & GLENNY, in announcing the particulars of their Establishment, beg respectfully to name, that long experience in business, general and intimate connexion with India, and perfect acquaintance with every requisite for that climate, give them great advantages in executing orders; while the saving derived from manufacturing their own goods, and attending personally to every branch of the business, enable them to supply the best description of articles at the lowest wholesale prices: parties may, therefore, feel assured of having their orders executed with the greatest care and attention, and that the strictest economy which a due regard to the various stations and appointments will admit of, will be invariably practised in the arrangement of all outfits.

THRESHER'S INDIA GAUZE WAISTCOATS.

Manufactured expressly for India, and strongly recommended by medical men as the most effectual preventive of the many diseases arising from check of perspiration, to which the residents in warm climates are so particularly liable. This manufacture possesses all the advantages, without the inconvenience, of flannel-waistcoats; the texture is light, soft, and delicate, perfectly free from all irritating or disagreeable qualities, and a very superior absorbent, consequently, the very best description of under-waistcoat that can be worn in India. The valuable qualities of *Thresher's India Gauze Waistcoats* are well known, and have been long tested in India, and the very general approval, and consequent demand for them, have given rise to many inferior imitations. Messrs. THRESHER and GLENNY, therefore, beg most particularly to impress upon all parties the necessity of applying direct to their Establishment, 152, STRAND, LONDON, for any they may require, and also most especially to caution the public against purchasing any article of the kind except those which are marked *Thresher's India Gauze*, as none others can be depended upon.

These Waistcoats are made both for Ladies and Gentlemen, and Messrs. THRESHER and GLENNY undertake to forward them, in dozens or half-dozens, to any part of England, and the principal towns of Ireland and Scotland, carriage free, at the following prices: Gentlemen's 78s. per dozen, and Ladies' 66s. per dozen; and also to pack and forward them, free of expense, to any agent in India, by the overland route, at the following additional rates, viz., 12s. per dozen to Calcutta, Madras, and Ceylon, and 18s. per dozen to Bombay.

TO GENTLEMEN

IN THE

CIVIL, MILITARY, OR NAVAL DEPARTMENTS,
LADIES AND FAMILIES, WRITERS, CADETS,
AND ASSISTANT-SURGEONS.

MAYNARD & HARRIS, MILITARY OUTFITTERS AND GENERAL AGENTS

126, Leadenhall-street, Opposite the India-House,
Removed from 27, Poultry.

Respectfully announce to LADIES and GENTLEMEN going abroad, that the arrangements at their Warehouse embrace every article necessary for an Outfit on the most extended, or on a limited and inexpensive scale, including the **Military Equipments** and **Cabin Furniture**, the whole of which may be supplied, where expedition is requisite, at twenty-four hours' notice. They invite a comparison of prices and quality with any similar Establishment, the utmost economy being carried into every part, so as to render each article on the very lowest terms.

The frequent disappointments experienced by officers in getting their UNIFORMS and MILITARY Appointments made up precisely according to the new Regulations, have induced **Maynard and Harris** to give particular attention to this branch, by consulting the first authorities, and by correspondence from Head-quarters in India. They are employing the first Artists and Cutters in all the details, and by working up the best materials, produce articles of a very superior character. **M. and Co.** with confidence throw themselves upon the support of the Honourable Company's Service, which a large number of Staff and other Officers, who have already honoured this Establishment with their patronage, will, they trust, fully justify; whilst by combining the Military with the general and personal Outfit, they are enabled to complete the whole in equal style with the first Military Houses, at a saving of full 20 per cent.

Regimental and Mess Supplies of every description for Officers and Privates, Saddlery and Horse Furniture, General Clothing, Plate, China, Glass, Musical Instruments, Guns, Sporting equipments, &c. forwarded to India.

MAYNARD'S Camp Couch, serving alternately as Field Bed, a Palkee, or a Swing Cot at sea, has now received the test of twelve years' experience, and is recommended by officers, as indispensable for a Military Outfit.

AGENTS FOR PASSAGES.

At this Establishment, Plans and Terms of every SHIP and all information relative to the Overland Passage may be obtained, the Commanders met with, and PASSAGES advantageously engaged, free of charge. INSURANCES are effected, Servants provided for the Voyage, Letters and Packets forwarded.

Dictionary, Hindustani and English; to which is added, a reversed part, English and Hindustani. By Duncan Forbes, LL.D., royal 8vo. cloth £2. 12s. 6d.

. By the use of a small, but distinct type, the Author has been enabled to compress, into one volume, of a portable size, more useful information than is to be found in any dictionary of the Hindustani language as yet published.

"Dr. Forbes, by his Grammars and other works on the Hindustani and Persian Languages, has heretofore conferred an invaluable boon on all the students of oriental literature; but this Dictionary crowns the series of his *magnum opus*, for a great work we have no hesitation in pronouncing it, whether we regard its vast utility to the learner, or consider the immense amount of labour and practical skill brought to bear upon it by the author." —*Calcutta Review*, No. 19.

Hindustani Grammar, in the Oriental and Roman characters, with numerous Copperplate Illustrations of the Persian and Devanagari Systems of Alphabetic Writing. To which is added, a copious Selection of Easy Extracts for Reading in the Persi-Arabic and Devanagari Characters, forming a complete Introduction to the Bagh-o-Bahar; together with a Vocabulary and explanatory Notes. By Duncan Forbes, LL.D. 8vo. cloth, 12s.

The Bagh-o-Bahar; consisting of Entertaining Tales in the Hindustani Language. A new edition, carefully collated with original MSS., having the essential vowel points and punctuation marked throughout. To which is added, a Vocabulary of the Words occurring in the Work. By Duncan Forbes, LL.D. Royal 8vo. cloth 15s.

. The Bagh-o-Bahar is the text-book in which Cadets and Assistant Surgeons have to pass an examination in India. This edition was prepared under the authority of the Honourable the East-India Company.

Hindustani Manual; a Pocket Companion for those who visit India in any capacity; intended to facilitate the essential attainments of conversing with fluency, and composing with accuracy, in the most useful of all the languages spoken in our Eastern empire.—In Two Parts.

PART I.—A compendious Grammar of the Language, with Exercises on its more prominent peculiarities, together with a Selection of Useful Phrases, Dialogues, and Subjects for Translation into English.

PART II.—A Vocabulary of Useful Words, English and Hindustani, showing at the same time the difference of Idiom between the two Languages.

By Duncan Forbes, LL.D. Second Edition, considerably improved, 18mo. bound, 5s. 6d.

"This Work can be honestly recommended to all who are desirous of acquiring the Elements of the Hindustani Language, or of making themselves understood among the people of this country. We have seldom, if ever, seen such a small pocket companion with such a variety of useful instruction. The language of the Vocabulary and of the Dialogues appears quite unexceptionable. Any one acquainted with Hindustani will at once recognize its idiomatic accuracy, and cheerfully recommend it to the notice of all those who desire to come out to India not altogether unprepared to convey their own wishes to those who surround them."—*Friend of India*, published at Serampore.
