This indulgence, however, can be granted only in England, by the Court of Directors.

The following paras of a Military Letter No. 3, from the Honorable the Court of Directors to the Governor General of India in Council, dated 28th February 1844, establishing an increased rate of retiring Pension for Medical Officers, are published for General information:

NEW FURLOUGH REGULATIONS.

Fort St. George, 5th December 1854.

No. 288 of 1854.—The following General Order by the Most Noble the Governor General of India in Council, is republished for the information of the Army.

GENERAL ORDER BY THE MOST NOBLE THE GOVERNOR GENERAL
OF INDIA IN COUNCIL,

Fort William, 17th November 1854.

No. 1150 of 1854.—The Hon'ble the Court of Directors having transmitted to the Government of India further explanatory instructions regarding the Furlough Regulations published in Government General Order,* No. 110, of the 1st of February 1854, the Most Noble the Governor General in Council is pleased to cancel that General Order, and to promulgate in a connected form the Rules which have been laid down by the Hon'ble Court for regulating Furloughs and Leaves of Absence.

With the view of adapting the Regulations to the present increased facilities of communication, and to correct, as far as possible, any tendency in them, to deter Officers from resorting to the places which may be most conducive to the restoration of their health, when a change of climate is required for that purpose, the following Rules are established, and are to have effect from the 1st February 1854:—

1. All Regimental Officers in the Service on the 1st February 1854, who prefer retaining what may be considered the advantages of the Old Regulations, may do so, provided they signify their wish to that effect when they next apply for Furlough or leave of absence, without any

* Madras, G. O. G. 14th February 1854 No. 44.

limitation whether such leave be in India or elsewhere; and Officers who once make their election will not be entitled to any other choice, but will be afterwards subject to the New or Old Regulations according to their decisions.

2. Staff Officers, as such, have not the above option allowed them, but they may retain the advantages of the Old Regulations by giving up their appointments, which, in such cases, will be considered vacated from the date of embarkation.

3. To those Officers who adopt them, the New Regulations will apply retrospectively in respect of Furlough and leave of absence beyond sea, and in computing their time of service for retirement, so that their Furloughs or leaves of absence, whether under the Old or the New Rules, and whether on private affairs or sick certificate within or beyond India, will count for service to the authorized extent only, in computing the time for retirement on full pay.

4. Officers who have availed themselves of the option of the Old Rules, are allowed to re-consider the question under the modifications now sanctioned.

5. Officers who have not taken leave subsequent to the publication of the New Rules on the 1st February 1854, and who consequently may not have been called upon to declare whether they would abide by the Old or the New Regulations, will, on retirement from the Service, be entitled to take full advantage of the privileges given by the New Regulations.

Furloughs on Private Affairs.

6. Every Officer will be allowed a Furlough to Europe, or elsewhere, beyond sea, for a period of two years at the expiration of ten years' service, and for a second period of two years after twenty years' service in India.

7. The second Furlough of two years will only be granted after ten years' service in India from the date of the return to duty after the first Furlough of two years. These Furloughs are not to be cumulative, under any circumstances, but are limited to two years. Officers who have taken leave of absence on sick certificate to Europe or elsewhere beyond sea, will be ineligible to a Furlough on private affairs until they have served six years from their last return to duty. This rule does not apply to short leaves to sea.

8. All grants of Furlough on private affairs are subject to the exigencies of the Public Service, and to the Regulations framed for the preservation of the efficiency of each Regiment by limiting the number of absentees.

9. Officers holding Staff or other detached appointments may be allowed Furlough for a period of six months without losing their appointments; but during that period, they will not be entitled to any portion of their Staff Salary, which will be drawn in full by the Officers officiating for them.

10. All Officers, whether Staff or Regimental, while on Furlough on private affairs, will be entitled to "Furlough pay" only.

Leave of Absence on Sick Certificate.

11. Leave of Absence on sick certificate will be granted for a term not exceeding eighteen months, whether it be to any place in Europe or elsewhere out of India.

12. Extensions of such leave may be granted, as at present, on production of Medical certificates, for further periods not exceeding eighteen months in the whole.

13. An Officer holding a Staff or other detached appointment will be allowed to be absent on sick certificate in England or elsewhere, beyond sea, for a period of fifteen months, without losing his appointment; and, during the first six months only of such absence, he will be entitled to draw half the Staff Salary of his appointment, the Officer officiating for him drawing the remaining half salary during the first six months, and the whole salary during the remainder of the time.

14. An Officer's claim to half Staff Salary for six months, as sanctioned in the preceding Rule, will not be affected by his subsequently retiring from the Service in Europe or elsewhere.

15. No portion of Command Allowance, Medical Staff Salary or other similar allowance, which under the Old Rules was inadmissible to Officers absent from their Corps or Stations at the Cape or elsewhere, will be allowed to absent Officers under these Regulations.

16. All Officers, whether Staff or Regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian Pay and Allowances as was allowed under the Old Regulations to Officers proceeding to the Cape on Medical certificate, and for the remaining period of their leave they will receive Furlough pay only.

17. If the leave on sick certificate be extended, Furlough pay will be continued but under no circumstances for a longer period than three years although from the commencement of the absence.

Staff Officers.

18. The term Staff Officer applies to all Officers holding Staff or Detached appointments, Military (General or Regimental), Political or Civil, also to General Officers commanding Divisions, Members of the Medical Board, Superintending Surgeons, and others who, under the Old Rules, were entitled to draw half Staff allowance when absent at the Cape.

19. Staff Officers, absent on leave beyond the periods stated in Rules 9 and 13 respectively, cannot retain their appointments and allowances except on special grounds, to be sanctioned by the Government of the Presidency. Any such special grant of leave is to be reported at once to the Hon'ble the Court of Directors, with the reasons for it, and to be subject to their approbation.

20. The privilege of retaining Staff appointments during leave of absence on sick certificate, or on Furlough on private affairs, will not be available a second time, if the fresh leave is on sick certificate, until an Officer has been three years, or if on private affairs, until he has been six

years in the discharge of the duties of his appointment, from the date of last return to it.

21. This Rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs in India, or for brief periods to Ceylon, the Mauritius, or other places out of India.

22. Officers commanding Troops of Horse Artillery and Light Field Batteries, and Officers generally in employment, will be allowed leave out of India under the same Rules with respect to allowances and tenure of Command or Office as regulated the grant of leave to the Cape to such Officers under the Old Regulations, except as to the duration of those advantages, the time for their continuance being subject to the provisions of the New Regulations.

Date of Furlough and Advances of Pay.

23. The period of Furlough on private affairs, or leave of absence on sick certificate, is to be calculated from the date of the departure from India of the ship in which the Officer proceeds.

24. Advances of Pay and Allowances, Staff and Regimental, to Officers proceeding on leave of absence on sick certificate, who may be entitled to them, will be made in India for three months from date of embarkation. Payments in continuation will be made in England at the rates of exchange fixed annually for re-payment of advances made on account of Her Majesty's Government. Furlough pay will continue to be issued in advance for six months when required by Officers obtaining Furlough on private affairs.

25. The existing Regulations regarding Passage Money to Officers are not affected by these Rules.

26. The certificates issued to Officers who are granted Furloughs on private affairs, or leave of absence on sick certificate, are to specify the time each Officer has been absent on leave within Indian limits, as well as the time of his previous absence in Europe; but will not include the periods allowed for proceeding to the Presidency or port of embarkation, and to enable officers to rejoin their Regiments or Stations, after their return to India, nor the leave of one month's absence in six months as authorized by the Regulations. The last pay certificate of all Officers proceeding to England on sick certificate is to specify the rate of Regimental pay and allowances and Staff salary to which they would have been entitled under the Old Regulations if proceeding to Sea on Medical Certificate. This information is necessary in order that no difficulty may arise in the Pay Department of the India House in adjusting the several payments which may be due.

Officers of H. M.'s Service.

27. Officers of Her Majesty's Service in India, whether employed Regimentally or in Staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

28. In the case of Officers of Her Majesty's Service on Furlough or

Sick Certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

Periods of absence allowed to be counted as Service for Retiring Pensions.

29. In order that all Officers quitting India on Furlough, or Sick Certificate, may be placed on an exact equality as regards loss of time, the period allowed by Regulation for proceeding to the Presidency or to the nearest port of embarkation, as well as the time to enable Officers to rejoin their corps or station after their return to India, will be considered as time counting for service for the Retiring Pension.

30. No Furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years' aggregate service, three years in twenty-five years' service, and four years in thirty years' service, shall be allowed to count as service for the Retiring Pension; and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or out of India, or whether the leave be on sick certificate or on private affairs.

31. In the term "Leave of Absence as announced in General Orders" is to be included all leave of absence except the period allowed in Rule 29, and the ordinary indulgence of one month's leave in six months, as authorized by the existing Regulations, and which are in all cases, whether of Regimental or Staff Officers, to be allowed to count as service for the pension. All leave to a greater extent, granted by Political and other authorities, which may not hitherto have been published in General Orders, must be so announced hereafter.

32. Officers to be entitled to retire on the full pay of their Regimental rank (under the Regulation of 1796,) must have served twenty-two years in India, out of which leaves of absence for two years in the aggregate, and not more, will be allowed to count as service for the Retiring Pension.

33. Officers to be entitled to retire on the full pay of Captains and Majors (under the Regulations of 1835-7,) must have served twenty and twenty-four years respectively, out of which time leaves of absence for two years in the aggregate, and not more, will be allowed to count as service.

34. Officers to be entitled to retire as Lieutenant-Colonels must have served twenty-eight years, out of which leaves of absence for three years in the aggregate, and not more, will be allowed to count as service.

35. Officers to be entitled to retire as Colonels, must have served thirty-two years, out of which leaves of absence for four years in the aggregate, and not more, will be allowed to count as service.

36. The scale, for Medical Officers and Veterinary Surgeons, of pri-

privileged Furlough, and leave of absence, as counting for the Retiring Pension, will be as follows:—

Years.	Months.	
1	8	in 17 and under 20 years' service.
2	0	in 20 " " 25 " "
3	0	in 25 " " 30 " "
4	0	in 30 and upwards.

37. It is to be distinctly understood, that under no circumstances whatever will an Officer be permitted to retire on full pay, until he has completed the *full time of service* above specified, whether he be in England at the close of his service or elsewhere.

38. The privileged time of absence may, with the permission of the local Government, be taken at any time subject to these Regulations. If therefore, at the end of twenty years' service, of which eighteen had been passed on actual duty in India, an Officer should be on Furlough, or Sick Certificate in Europe, or elsewhere, he will be entitled to retire on the full pay of a Captain without returning to India, and so in the other terms of service for the higher pensions. In like manner a Medical Officer on Furlough, or Sick Certificate in Europe, or elsewhere, at the end of seventeen years' service, fifteen years and four months of which had been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pension.

39. These Rules do not in any way affect the existing Regulations regarding the grant of leave in India, or for short periods to sea, whether on private affairs or on Sick Certificate, except as to the periods of such absence being taken into calculation in the time allowed to count as service for retirement on full pay.
