MEMORANDUM.

IN the record of the Services of Officers the period of Absence from Regimental or other duty (excepting on *privilege leave*) whether on Furlough or Sick Certificate to Europe or in India or elsewhere is shewn, under the head "period passed on leave."

This arrangement exhibits what period an Officer has passed in the actual performance of Duty and what portion of his Service has been passed on leave, but not the exact time an Officer is entitled to count as Service for Retirement. Owing to unavoidable circumstances it has not been found practicable to insert the services of the whole of the Officers of the Army, those only are now given which are complete in themselves.

The Services completed of all Regiments will be duly given.

** * This being an official publication, and the Press having consequently no power to make alterations in it, it is requested that communications of a suggestive or corrective character may be forwarded to the Adjutant General of the Army.*

The words subscribed under the title of Regiments as "Peninsula," "Waterloo" &c., denote the Honorary Distinctions permitted to be borne on their Colours and Appointments in commemoration of their Service.

New Furlough Regulations.

FORT ST. GEORGE, 5th December 1854.

No. 288 of 1854.—The following General Order by the Most Noble the Governor General of India in Council, is republished for the information of the Army.

GENERAL ORDER BY THE MOST NOBLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Fort William, 17th November 1854.

No. 1150 of 1854.—The Hon'ble the Court of Directors having transmitted to the Government of India further explanatory instructions regarding the Furlough Regulations published in Government General Order, No. 110 of the 1st of February 1854, the Most Noble the Governor General in Council is pleased to cancel that General Order, and to promulgate in a connected form the Rules which have been laid down by the Hon'ble Court for regulating Furloughs and Leaves of Absence.

With the view of adapting the Regulations to the present increased facilities of communication, and to correct, as far as possible, any tendency in them, to deter Officers from resorting to the places which may be most conducive to the restoration of their health, when a change of climate is required for that purpose, the following Rules are established, and are to have effect from the 1st February 1854:—

- G. O. C. C. 9th Dec. 1854, No. 98.
- With reference to para. 1. 1854, No. 36, is cancelled and (as required by para. 1, G. O. G. 5th December 1854, No. 288.) Regimental Officers who were in the Service on the 1st February 1854, wishing to abide by the old Furlough regulations must signify their wish on the first occasion of applying for leave either on private affairs or on medical certificate and whether within or out of India.
- In the event of an Officer applying for leave, omitting to signify his wish as above, he will be considered as having made election of the Furlough regulations of 1854.
- His Excellency the Commander-in-Chief is pleased to direct that in all future applications for leave by Commissioned Officers whether on private affairs or medical certificate, a N. B. to the following effect shall be inserted at the foot of the application,
- N. B.—“This being the first occasion of applying for leave since the publication of G. O. C. C. 9th December 1854, No. 98, Captain A. B. makes choice of the old furlough regulations,” or (of the regulations of 1854,) as the case may be.
- Or
- N. B.—“Captain A. B. has on a prior occasion made election of the old furlough regulations,” or the regulations of 1854 as the case may be.
- G. O. C. C. 7th Feb. 1855, No. 6.
1. All Officers, Staff as well as Regimental, M. C. No. 2702, 20th Oct. 1856, must declare their choice of rules on the first occasion of taking leave, whether the leave be in India or elsewhere, and, if the leave applied for be in India under the local rules, Staff Officers may make choice of the Old Regulations, still retaining their Staff Appointments, but after having elected the Old Regulations, they vacate their appointments on embarking for Europe or the Cape or elsewhere beyond Sea, except for short periods not exceeding three months under rule 39.
2. An Officer having made election of the Old Furlough Regulations while doing Regimental duty, cannot change to the Regulations of 1854 on subsequently obtaining a Staff Appointment.
- G. O. C. C. 18th Nov. 1855, No. 92.
1. All Regimental Officers in the Service on the 1st February 1854, who prefer retaining what may be considered the advantages of the Old Regulations, may do so, provided they signify their wish to that effect when they next apply for Furlough or leave of absence, without any limitation whether such leave be in India or elsewhere; and Officers who once make their election will not be entitled to any other choice, but will be afterwards subject to the New or Old Regulations according to their decisions.
2. † Staff Officers, as such, have not the above option allowed them, but they may retain the advantages of the Old Regulations by giving up their appointments, which, in such cases, will be considered vacated from the date of embarkation.
3. To those Officers who adopt them, the New Regulations will apply retrospectively in respect of Furlough and leave of absence beyond sea, and in computing their time of service for retirement, so that their Furloughs or leaves of absence, whether under the Old or the New Rules, and whether on private affairs or sick certificate within or beyond India, will count for service to the authorized extent only, in computing the time for retirement on full pay.
4. Officers who have availed themselves of the option of the Old Rules, are allowed to re-consider the question under the modifications now sanctioned.
5. Officers who have not taken leave subsequent to the publication of the New Rules on the 1st February 1854, and who consequently may not have been called upon to declare whether they would abide by the Old or the New Regulations, will, on retirement from the Service, be entitled to take full advantage of the privileges given by the New Regulations.

Furloughs on Private Affairs.

6. Every Officer will be allowed a Furlough to Europe, or elsewhere, beyond sea, for a period of two years at the expiration of ten years' service, and for a second period of two years after twenty years' service in India.
- With reference to para. 6. G. O. G. 18th March 1856, No. 482.* The Right Honorable the Governor General of India in Council directs that the following paragraph of a Military Letter from the Honorable the Court of Directors to the Government of India, No. 8, dated 23d January 1856, be published in General Orders.
- Para. 8. We have to state in reply to your enquiry, that an Officer proceeding on leave to England for six months, retaining his appointment or otherwise, is not to be considered as having taken his authorized Furlough after ten or twenty years, as the case may be, but may, with your permission, be allowed at any time to take the remainder of the two years authorized Furlough on private affairs.*
- Letter No. 213, dated 29th Sept. 1855.* Government forward correspondence relative to certain questions connected with the new Furlough Regulations and request to be informed as to claims of an Officer to the residue of his Furlough on private affairs when he has been already absent on leave to England on private affairs for six months.
- G. O. G. 1st April 1856, No. 102.*
- With reference to paras. 6 and 7. G. O. G. 16th June 1856, No. 859.* The Right Honorable the Governor General of India in Council is pleased to notify that the Honorable the Court of Directors, in their letter No. 56, of the 25th April 1856, have communicated the following decisions regarding the new Furlough Rules, published in Government General Order, No. 1150, dated the 17th Nov. 1854:
- Referring to Rule 6, 7.—Officers who take their first Furlough after twenty years' service in India, may take their second furlough after an additional service of five years from the date of their last return to duty.*
- Referring to Rule 9.—Absence for six months under this Rule does not preclude an Officer from taking his Furlough to Europe after ten years' service.*
- With reference to paras. 6, 7 & 8. M. C. No. 1411, 10th May 1855.* 3. An Officer of upwards of 20 years' service, but who before completing that period has enjoyed a furlough on private affairs to Europe, for say four years, for 3 of which he drew pay, has a claim to a second furlough of one year with pay, on the completion of 10 years from the date of his return to duty—but, if subsequently to his return from furlough, he has taken leave out of India on S. C. his second furlough on private affairs will not be claimable till the expiration of six years from return to duty from such sick leave as well as 10 years from the date of return to duty from furlough on private affairs.
- N. B.—This Rule is not applicable to an Officer who takes his first Furlough out of India after completing 20 years' service; vide para. 4 of this order.*
- With reference to para. 6. M. C. No. 2702, 20th Oct. 1856.* 4. Officers who have proceeded on sick leave to Europe after a period of 20 years' service, it being the first time of their quitting India, can, as in the case of Officers who take their furlough after the same period, take a furlough on private affairs after 5 years from the date of their return to duty.
- With reference to paras. 9 and 13. M. C. No. 2630, 25th Sept. 1856.* 5. An Officer on the Staff removed from one appointment to another is not allowed to retain his new appointment after quitting India, unless he has assumed charge of it.
10. All Officers, whether Staff or Regimental, while on Furlough on private affairs, will be entitled to "Furlough pay" only.
- Leave of Absence on Sick Certificate.*
11. Leave of absence on sick certificate will be granted for a term not exceeding eighteen months, whether it be at any place in Europe or elsewhere out of India.
12. Extensions of such leave may be granted, as at present, on production of Medical certificates, for further period not exceeding eighteen months in the whole.

* Vide margin of rule 21.

- With reference to para. 13. Calcutta Gazette, 4th April 1856. Notification in Foreign Department.* No. 1884.—The grant of leave of absence to Staff Officers, on Medical Certificate, with half Staff Allowances, for six months, and with the privilege of returning to their Offices, if their absence from India be not prolonged beyond fifteen months, is bestowed by the Honorable Court, in order to enable such Officers to regain their health, and in the expectation that they will be thereby qualified to render additional service to the Government. But if leave of absence be taken merely to run out a prescribed period of service, and without any intention of returning to duty, the principle on which the rule is founded is infringed, and the indulgence of the Honorable Court is abused; wherefore the Right Honorable the Governor General in Council hereby notifies for general information, that, if there be an avowed intention on the part of an Officer not to return to duty, or if the Government have valid grounds for concluding that the Officer has no intention to return to duty, the indulgence of leave on sick certificate, retaining Office, will not be granted in future.
- The foregoing was declared in a Notification, No. 2129, dated 16th April 1856, republished in G. O. G. 2d May 1856, No. 139, to be applicable to all Military Officers holding Political or Civil appointments, either under the Government of India or under any of the Subordinate Governments.*
- With reference to paras. 13 and 16. M. C. No. 2702, 20th October 1856.* 6. If an Officer, having proceeded on leave in India on Medical Certificate and enjoyed the indulgence to the full extent, proceeds on leave on Medical Certificate out of India without having returned to duty, the existing Regulation which precludes receipt of Indian allowances for a longer period than two years of continuous absence from duty, is a bar to his drawing Indian allowances for the first six months or for any part of his fresh leave.
14. An Officer's claim to half Staff Salary for six months, as sanctioned in the preceding Rule, will not be affected by his subsequently retiring from the Service in Europe or elsewhere.
15. No portion of Command Allowance, Medical Staff Salary or other similar allowance, which under the Old Rules was inadmissible to Officers absent from their Corps or Stations at the Cape or elsewhere, will be allowed to absent Officers under these Regulations.
16. † All Officers, whether Staff or Regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian Pay and Allowances as was allowed under the Old Regulations to Officers proceeding to the Cape on medical certificate, and for the remaining period of their leave they will receive Furlough pay only.
17. If the leave on sick certificate be extended, Furlough pay will be continued but under no circumstances for a longer period than three years altogether from the commencement of the absence.
- Staff Officers.*
18. The term Staff Officer applies to all Officers holding Staff or Detached appointments, Military (General or Regimental), Political or Civil, also to General Officers commanding Divisions, Members of the Medical Board, Superintending Surgeons, and others who, under the Old Rules, were entitled to draw half Staff allowance when absent at the Cape.
- With reference to para. 19. G. O. G. 4th Sept. 1855, No. 904.* The following paragraph of a Military letter, from the Honorable the Court of Directors to the Government of India, No. 84, dated 27th June 1855, is published for general information:—
- Letter dated 5th April 1855, No. 82.* 7. Staff Officers applying for leave in India are not required, by the new Furlough Rules, to vacate their Staff appointments. We therefore approve and confirm the view you have taken of this question.
- With reference to para. 19.* 1. The Commander-in-Chief directs it to be notified that under a decision of the Government of India, the new furlough regulations are held, not to affect the rules heretofore in force with respect to leave in India, and that consequently a Staff Officer obtaining leave of absence in India on private affairs for six months, or on medical certificate for two years, retains during such absence a moiety of his Staff salary as sanctioned by the regulations for the grant of leave in India which are still in force.
2. A Staff, as well as a Regimental Officer is required, when first applying for leave, whether in or out of India, to declare by which of the furlough regulations he wishes to abide. A Staff Officer having made his election can take his leave in India as above stated, and should he afterwards require to proceed to England, the retention or otherwise of his appointment will depend upon which of the rules he first elected, and from which he cannot afterwards change.
3. In the event of a Staff Officer electing the new furlough regulations and taking leave in India, the whole of the leave he has previously enjoyed from the date of his entering the Service, excepting the periods allowed by those rules to reckon as service, must be reckoned against his period of service for retirement.
19. † Staff Officers, absent on leave beyond the periods stated in Rules 9 and 13 respectively, cannot retain their appointments and allowances except on special grounds, to be sanctioned by the Government of the Presidency. Any such special grant of leave is to be reported at once to the Hon'ble the Court of Directors, with the reasons for it, and to be subject to their approbation.
- G. O. G. 15th April 1856, No. 119.*
- G. O. C. C. 18th November 1856, No. 92.*
- G. O. G. 18th September 1855, No. 237.*
- G. O. C. C. 3d October 1856, No. 73.*

* Vide margin of rule 9. † Vide margin of rule 13. ‡ Vide margin of rule 2.

20. The privilege of retaining Staff appointments during leave of absence on sick certificate, or on Furlough on private affairs, will not be available a second time, if the fresh leave is on sick certificate, until an Officer has been three years, or if on private affairs, until he has been six years in the discharge of the duties of his appointment, from the date of last return to it.

2d July 1856,
No. 34.

With reference to para. 21. His Excellency the Commander-in-Chief directs it to be published in General Orders for the information of the Army, that the Government of India has fixed three (3) months as the maximum period which is to be understood by the terms "short leaves" and "leaves for brief periods," used in rules 7 and 21 of the new furlough regulations.

21. This Rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs in India, or for brief periods to Ceylon, the Mauritius, or other places out of India.

22. Officers commanding Troops of Horse Artillery and Light Field Batteries, and Officers generally in employment, will be allowed leave out of India under the same Rules with respect to allowances and tenure of Command or Office as regulated the grant of leave to the Cape to such Officers under the Old Regulations, except as to the duration of those advantages, the time for their continuance being subject to the provisions of the New Regulations.

Date of Furlough and Advances of Pay.

23. The period of Furlough on private affairs, or leave of absence on sick certificate, is to be calculated from the date of the departure from India of the ship in which the Officer proceeds.

18th Nov. 1856,
No. 92.

With reference to para. 24. M. C. No. 652, 27th Feb. 1855.

7. It is not imperative on Officers to draw advances under this para:—option is allowed either to take the advance or to draw pay and allowances in arrears in England.

24. Advances of Pay and Allowances, Staff and Regimental, to Officers proceeding on leave of absence on sick certificate, who may be entitled to them, will be made in India for three months from date of embarkation. Payments in continuation will be made in England at the rates of exchange fixed annually for re-payment of advances made on account of Her Majesty's Government. Furlough pay will continue to be issued in advance for six months when required by Officers obtaining Furlough on private affairs.

25. The existing Regulations regarding Passage Money to Officers are not affected by these Rules.

With reference to paras. 26 and 31. The Right Honorable the Governor in Council is pleased to publish the following General Order by the Honorable the President of the Council of India in Council, dated 10th April 1855, No. 430, and that by the Commander-in-Chief in India therein referred to—and to declare their provisions applicable to Officers proceeding to this Presidency or to Head Quarters of Divisions, for the purpose of undergoing an examination in the Native languages.

GENERAL ORDER BY THE HONORABLE THE PRESIDENT OF THE COUNCIL OF INDIA IN COUNCIL.

Fort William, 10th April 1855.

No. 430 of 1855.—The Honorable the President of the Council of India in Council is pleased to notify for general information, that Officers who have proceeded on leave to the Presidency for the purpose of undergoing examination in the Native languages before the Examiners of the late College of Fort William, or the present Board of Examiners, in any of the tests laid down for Military Officers, will be allowed to reckon the period of their absence, to the extent of six months only, as on duty, in the same manner as

No. 265.

1. With the sanction of Government, the following decision of the Government of India, having reference to rule 26 of the New Furlough Regulations, is published to the Army:—

"Short leaves on private affairs for periods not exceeding 30 days, which have been granted to Officers in General Orders, previously to 6th December 1854, are to be counted 'as privileged,' provided they do not exceed an aggregate of 30 days in each half year."

The Right Honorable the Governor in Council is pleased to direct the publication of the following Bengal rule, and to sanction its extension to the Officers of this Presidency.

"Should an Officer who is on privilege leave not rejoin his Corps, but be absent in continuation, on not more than five months' leave on private affairs, or one year and eleven months' leave on Medical Certificate, he will retain his full salary or allowances for the thirty days of privilege leave, which will also count as service, but he will, nevertheless, forfeit all Military Allowances on completing six months or two years' absence, (as the case may be) reckoned from the date that he quitted his Corps and station."

13th June 1856,
No. 193.

With reference to paras. 26 & 31. M. C. No. 514, 28th Feb. 1856.

8. In calculating the period of an Officer's absence on furlough in India, the day of departure from a Regiment or appointment is to be reckoned as one of leave, and the day of return thereto as one of duty. In like manner as respects Furlough beyond India, the date on which the vessel conveying the Officer from India puts out to Sea, is to be reckoned as one of Furlough and the day on which he returns to his Presidency as one of duty.

With reference to paras. 26 & 31. M. C. No. 901, 18th April 1856.

9. An Officer entering the Service and obtaining leave to visit a station not the Head Quarters of his Regiment and to join the Corps to which he is posted, and who actually does join within the period sanctioned by Regulation for the purpose of joining by the direct route, is allowed to reckon such leave as service for pension.

The principle of this rule is applicable to Officers who on return from leave out of India are allowed to visit a Station out of the direct route to the Station to which they belong.

10. Leave for one month, granted to Officers in Civil employ under Section XI (amended) old Civil Service Absentee Regulations, is not to be deducted from Service, it being considered in the same light as one month in 6 privilege leave granted to Military Officers.

With reference to paras. 26 & 31. M. C. No. 314, 4th February 1856.

11. The period during which Officers may have been or may hereafter be absent on leave for the purpose of accompanying Insane or Sick Officers is allowed to count as service for pension.

With reference to paras. 26 & 31. M. C. No. 2702, 20th Oct. 1856.

12. If an Officer is placed on duty while on leave of absence whether on Medical Certificate or private affairs he will be allowed to count as service for pension the whole period he may be so employed, i. e., from the date of the order nominating him to such duty to the date of the order relieving him, both inclusive.

Officers of H. M.'s Service.

27. Officers of Her Majesty's Service in India, whether employed Regimentally or in Staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

28. In the case of Officers of Her Majesty's Service on Furlough or sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

on medical certificate. This information is necessary in order that no difficulty may arise in the Pay Department of the India House in adjusting the several payments which may be

With reference to para. 29. 13. An Officer returning from Europe or Sea is allowed to count as service one month for preparation at the port of debarkation and marching distance to his Corps or Department in addition.

With reference to para. 29. 14. An Officer going to Europe or Sea is allowed to count as service in addition to marching distance to the Presidency or nearest port of embarkation, the same period for preparation prior to embarkation as allowed to Officers returning from Europe, viz. one month.

With reference to para. 29. 15. Officers obtaining leave preparatory to final leave out of India, but who after arriving at the Presidency or other port of embarkation abandon their intention of leaving the country, cannot reckon as service the period they may have been absent from duty on such preparatory leave which then assumes the nature of ordinary leave in India.

With reference to para. 29. 16. An Officer who proceeds on Furlough to the Presidency or other port, (not preparatory to applying for leave to proceed to Europe or elsewhere) and while there obtains a Sick Certificate to Europe or other place out of India, is not entitled to count as service the period allowed by Regulation for proceeding from the Station of his Regiment or appointment to the port of embarkation; but he can reckon as service the period of one month allowed at the Presidency or port of embarkation preparatory to embarkation.

With reference to para. 29. 17. If instead of being at the port of embarkation, he is at another port, or at an inland station, when he obtains the Sick Certificate to quit India, he will be allowed the time authorized for travelling from the station at which he may be when he obtains his Sick Certificate, to the port of embarkation.

With reference to para. 29. 18. If an Officer while absent on ordinary Sick Certificate in India, quits India on Sick Certificate, or, who having proceeded on ordinary leave on private affairs in India obtains a Furlough out of India, he is entitled to count as service the period allowed for proceeding from the place at which he may be when he obtains leave to quit India, to the port where he ultimately embarks.

With reference to 19. An Officer who has served 20 or 24 years and not more is only entitled to reckon two years' absence as service. Rule 33 gives the minimum period of service which entitles an Officer so situated to retire on the Pension of a Captain or Major; but an Officer who has served beyond those periods is entitled to the benefit of Rule 30 by which extended periods of absence are allowed to reckon, regulated by the length of the Officer's service. For instance, an Officer who has served 20 years, and no more, and had only 3 years' leave must still perform one year's duty before he can retire as a Captain; whereas an Officer whose aggregate service is 30 years out of which he has enjoyed leave for 14 years and no more, can retire as a Captain at once.

With reference G.O.G.G. No. 1113 of 1857. The following Extract, Paras 18 and 19, of a Military Letter, from the Honorable the Court of Directors to the Government of India, No. 126, dated 22d July 1857, are published for general information:—

Periods of absence allowed to be counted as Service for Retiring Pensions.

29. In order that all Officers quitting India on Furlough, or sick certificate, may be placed on an exact equality as regards loss of time, the period allowed by Regulation for proceeding to the Presidency or to the nearest port of embarkation, as well as the time to enable Officers to rejoin their corps or station after their return to India, will be considered as time counting for service for the Retiring Pension.

30. No Furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years' aggregate service, three years in twenty-five years' service, and four years in thirty years' service, shall be allowed to count as service for the Retiring Pension; and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or out of India, or whether the leave be on sick certificate or on private affairs.

31. In the term "Leave of Absence as announced in General Orders" is to be included all leave of absence except the period allowed in Rule 29, and the ordinary indulgence of one month's leave in six months, as authorized by the existing Regulations, and which are in all cases, whether of Regimental or Staff Officers, to be allowed to count as service for the pension. All leave to a greater extent, granted by Political and other authorities, which may not hitherto have been published in General Orders must be so announced hereafter.

32. Officers to be entitled to retire on the full pay of their Regimental rank (under the Regulation of 1796,) must have served twenty-two years in India, out of which leaves of absence for two years in the aggregate, and not more, will be allowed to count as service for the Retiring Pension.

33. Officers to be entitled to retire on the full pay of Captain and Majors (under the Regulations of 1836-7,) must have served twenty and twenty-four years respectively, out of which time leaves of absence for two years in the aggregate, and not more, will be allowed to count as service.

34. Officers to be entitled to retire as Lieutenant-Colonels must have served twenty-eight years, out of which leaves of absence for three years in the aggregate, and not more, will be allowed to count as service.

18. By the Regulations established for the promotion of Lieutenant-Colonels to the rank of Colonel after three years' service, it is provided that no longer period than one month in each year, or a total of three months in three years, or six months in six years shall be allowed to reckon as service for pension both under the old and new Regulations.

Request Court's decision on the question whether leave of absence in or beyond India taken in consequence of wounds received in action shall be allowed to reckon as service for pension both under the old and new Regulations. except in cases of wounds or illness contracted by service in the Field, duly certified by a Medical Board, when each case will be separately considered with reference to the time to be allowed.

19. In reply to the question now put to us, we have much satisfaction in stating that we are prepared to extend the benefits of the exception above specified to the time required for retirement on full pay. Every claim to the benefit of this exception must be duly certified by a Medical Board, and be forwarded to us for our decision, accompanied by the opinion thereon of the Government and Commander-in-Chief of the Presidency to which the Officer belongs.

35. The scale, for Medical Officers and Veterinary Surgeons, of privileged Furlough, and leave of absence, as counting for the Retiring Pension, will be as follows:—

Years.	Months.	
1	8	in 17 and under 20 years' service.
2	0	in 20 " " 25 " "
3	0	in 25 " " 30 " "
4	0	in 30 and upwards.

37. It is to be distinctly understood, that under no circumstances whatever will an Officer be permitted to retire on full pay, until he has completed the full time of service above specified, whether he be in England at the close of his service or elsewhere.
38. The privileged time of absence may, with the permission of the local Government, be taken at any time subject to these Regulations. If therefore, at the end of twenty years' service, of which eighteen had been passed on to actual duty in India, an Officer should be on Furlough, or sick certificate in Europe, or elsewhere, he will be entitled to retire on the full pay of a Captain without returning to India, and so in the other terms of service for the higher pensions. In like manner a Medical Officer on Furlough, or sick certificate in Europe, or elsewhere, at the end of seventeen years' service, fifteen years and four months of which had been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pension.
39. These Rules do not in any way affect the existing Regulations regarding the grant of leave in India, or for short periods to sea, whether on private affairs or on sick certificate, except as to the periods of such absence being taken into calculation in the time allowed to count as service for retirement on full pay.

GENERAL ORDERS BY THE MOST NOBLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Fort William, 18th May 1854.

No. 531 of 1854.—The Most Noble the Governor General of India in Council is pleased to direct that the following para. of Military letter from the Honorable the Court of Directors to the Governor of the Presidency of Fort William in Bengal, No. 27, dated 15th March 1854, be published in General Orders:

Letter dated 25th November 1853, No. 301.

Application from Asst. Commissary of Ordnance G. Forrest, soliciting that Warrant Officers may be placed, as regards Furlough, on the same footing as Commissioned Officers. Government think that the occasional and not large expense which the grant of Furlough would cause, would be more than counterbalanced by the advantages of the measure, which they strongly recommend for adoption.

Para. 13.—Upon the grounds stated by your Government and the Commander-in-Chief, we sanction the grant of Furloughs to Warrant Officers upon the same terms as those already sanctioned for unattached Officers, and Officers granted Commissions on the Veteran Establishment, viz., after six years' service as Warrant Officers and fifteen years' service in India.

No. 44.—The Provincial Commander-in-Chief directs the publication of the following decisions by the Government of India.

A Warrant Officer on the Veteran Establishment is entitled, without loss of Warrant, to the same absentee allowance as if on leave in India, for the first six months of sick furlough, but thereafter, as well as when on furlough superior emolument.

A Warrant Officer holding a Commission on the Veteran Establishment has a footing in the Effective Army in India rather than in the Staff appointment of an European Officer, is not forfeited by any furlough which may be granted him, even if it exceed six months on private affairs or 15 months on medical certificate under the new Rules.

Invalid Establishment.

Fort St. George, 10th July 1857.

No. 819 of 1857.—The Right Hon'ble the Governor General of India in Council is pleased, under instructions from the Hon'ble the Court of Directors, to promulgate the following Rules to be observed at the three Presidencies for the transfer to the Invalid Establishment of Officers who may be declared to be unfit for further service:

1. The Invalid Establishment will consist of

1st.—The Invalid Battalion.

For Officers who, although disqualified for further active service, are still equal to the discharge of garrison duties.

2d.—The Invalid Pension List.

For Officers disqualified for both active and Garrison duties.

2. Officers who, from age, wounds, or decline of health, become unfit for active service, are eligible for transfer to the Invalid Establishment, provided their conduct and habits are such as not to affect the character of that Institution, which is designed as an honorable retreat for the worn-out or disabled, but deserving Officer.

3. Officers who may be desirous of being transferred to the Invalid Establishment, will be required to appear before the Standing Medical Committee at the Head Quarters of the Division, presided over by the Superintending Surgeon, or in his absence by the Senior Surgeon, furnished with a statement of their case prepared by the Medical Officer by whom they may have been attended. The Committee is to enquire rigidly into each case, and should it be satisfied of the unfitness of the Officer, it is, in recording its opinion, to certify either that the applicant is "permanently disqualified for the performance of further active service but is still equal to the discharge of Garrison duties," or that he is "permanently disqualified for the performance of both active and garrison duties," as the case may be.

4. The applicant, if reported equal to the discharge of garrison duties, will then be required to proceed to the Presidency to be finally examined by a Medical Officer to be specially appointed for the purpose, or by a special Medical Committee, as may from time to time be ordered.

5. After this final examination, the Report on each case, accompanied by the Certificates hereafter specified, is to be forwarded in the usual manner to Army Head Quarters, to be submitted to Government with the opinion of the Commander-in-Chief.

6. In the event of the Commander-in-Chief being led to believe that any Officer's health is so thoroughly lost as to preclude all hope of his being able to perform further active service in India, such Officer shall be directed to appear before the Standing Medical Committee at the Head Quarters of the Division. If the Committee is of opinion that the Officer is permanently disqualified for active Military duties in India, and this opinion is confirmed at the final examination at the Presidency, the Government on receiving a Report on the case, which is to be prepared and submitted as directed in paras. 3 to 5, will place the Officer on the Invalid Establishment, notwithstanding that he may not himself have applied to be transferred from the Effective List. Such transfer will, however, be subject to the approval of the Hon'ble the Court of Directors and until the receipt of such approval, no promotions will be made in succession to the Officer so placed on the Invalid Establishment.

7. All Officers of and below the Regimental rank of Lieutenant-Colonel, whether they may or may not have served the prescribed period for retirement on full pay, may be compulsorily removed to the Invalid Pension List when they may become wholly unfit for any further service, effective and garrison. The examination of Officers in such cases will be conducted in the manner laid down in Para. 6.

8. In the event of an Officer failing, from any cause, whether it be Leave on Sick Certificate in India or otherwise, to join an Invalid Battalion, or other Military duty on which he may be ordered, within two years of his transfer to the Invalid Establishment, except he be absent on Furlough on sick leave to Europe, or be nominated to some other public duty, he will, at the expiration of that time, be required to appear before the Medical Committee at the Head Quarters of the Division in which he may be residing, for the purpose of being examined as to his continued fitness for garrison duty. If found unfit at such examination, or at any subsequent examination, which is to be repeated at the end of every two years, he will be transferred to the Invalid Pension List.

9. The Pay and Allowances of Officers hereafter transferred to the Invalid Battalion will be—

	Pay and Indian Allowances.			House Rent.	Total.		
Lieutenant-Colonel.....	547	14	0	100	647	14	0
Major.....	410	14	6	80	490	14	6

Ensign.....	107	1	11	25	132	1	11

Extra batta will in no case be allowed, whether the Officer be employed within or beyond 200 miles of the Presidency.

10. Officers on the Invalid Pension List will draw the following consolidated allowance:—

	Per mensem.	Rupees
Lieutenant-Colonel.....	200	
Major.....	170	
Captain.....	130	
Lieutenant and Ensign.....	100	

Or the rate of full pay pension to which they are entitled at the time of their transfer to the Invalid Pension List

11. The above rates will be issued as long as the Officers are resident in India. If granted Furlough or sick leave out of India, their allowances will be regulated by the Rules they may have adopted, but their Furlough pay will be according to their rank and for the ordinary duration of such Furlough as at present authorized.

12. Officers on the Invalid Establishment are allowed the distinction of wearing the Military Uniform.

13. Officers on the Invalid Establishment will retain the rank they held when on the Effective strength of the Army, but their transfer will be made only in the rank they held in their Regiments. After removal to the Invalid Establishment, they have no further claim to promotion, but on retirement on full pay, those who may be of, and above, the rank of Captain will receive one step of Brevet rank.

14. Officers on the Invalid Pension List are permitted to reside at any place in India they may choose.
