Any selected candidate who does not pass at the further examination of December, 1858, will be struck off the list of selected candidates.

The selected candidates who, at the further examination, shall be found to have a competent knowledge of the subjects specified in Regulation 10, shall be adjudged to have passed, and to be entitled to be appointed to the Civil Service of the East-India Company in the Presidency of Bengal.

The seniority in the Civil Service of the East-India Company of the selected candidates shall be determined by the date of the further examination at which they shall be adjudged to have passed; and, as between those who passed at the same further examination, their seniority shall be determined according to the order in which they stand on the list resulting from the examination of July.

No person will, even after passing the further examination, be allowed to proceed to India unless he shall comply with the regulations in force at the time for the Civil Service of the East-India Company, and shall be of sound bodily health and good moral character.

The Civil Service Commissioners will require such further evidence on these points as they may deem necessary.

All papers relating to the above-mentioned examination are to be addressed to the Secretary to the Civil Service Commission, Dean's Yard, Westminster.

Memo.—All persons appointed to the Civil Service will be required to attend at the Secretary's Office, East-India House, to make the necessary arrangements for entering into covenant, and for giving a bond for £1,000 jointly with two sureties for the due fulfilment of the same.

* Candidates will be expected to understand the principal rules of the grammar, and to be able to read and translate an easy passage.

TERMS OF ADMISSION.

Conditions and Qualifications for a Candidate.

1. No candidate can be admitted under the age of fifteen, or above the age of eighteen, years.

2. No candidate will be admitted without a certificate, signed by two practising surgeons, that he has no mental or bodily defect whatever to disqualify him for military service, and a declaration that he has had the small-pox, or has been vaccinated.

3. Every candidate must produce a certificate of good conduct from the master under whom he has last studied.

4. Every candidate must deliver the names and addresses of two persons residing in London, or its vicinity, who engage to receive him, on application to that effect by the Lieutenant-Governor.

5. It is an indispensable qualification that the candidate write a good legible hand; and that he write English well from dictation.

6. No candidate will be admitted who cannot construe and parse *Cæsar's Commentaries*.

7. No candidate will be admitted who shall not be found to possess a correct knowledge of all the rules of arithmetic usually taught in schools, viz., the rule of three, compound proportion, practice, interest, vulgar and decimal fractions, and the extraction of the square root.

8. The qualifications above mentioned are all that are absolutely requisite for the admission of a cadet into the Military College. Parents and guardians are however informed, that it will be of great advantage to a cadet in his future studies at this establishment if, before being admitted, he make himself well acquainted with the following portions of the fourth edition of Cape's "Course of Mathematics," viz.

1. Algebra. Part I.

2. Geometry. Chaps. I. II. III. and VII.

3. The use of Logarithms.

4. Trigonometry. Chaps. I. II. and III.

5. Statics. Chaps. I. III. and IV.

6. Dynamics. Chaps. I. II. III. IV. and V.

7. Hydrostatics and Hydrodynamics.

It is also very desirable that a cadet on joining the College be able to draw with facility in pencil, and shade with Indian ink.

9. No person who has been dismissed, or obliged to retire, from the Army or Navy, the Royal Military College at Sandhurst, the Royal Military Academy at Woolwich, or from any other public institution, will be appointed to the College.

10. Every cadet upon his admission is considered a *Proba-*

tionary pupil for the first six months; at the termination of which time the public examiner reports to the committee on the probability of his being able to pass for the artillery or infantry at the public examination of his fourth term of residence. Should this appear improbable, either from want of talent or diligence, the cadet is then returned to his friends.

11. Every candidate must produce a certificate of his birth taken from the parish register, and signed by the minister, and countersigned by the churchwardens; or, if born in Scotland, by the session's clerk and two elders, accompanied by a declaration from his father, mother, or nearest of kin, the forms of which may be had at the Cadet-office, East-India House. In the event of there being no register of his birth or baptism, the candidate will be furnished with the form of a declaration to be taken by him previously to his being appointed.

FINANCIAL, &c.—The parents or guardians of the gentleman cadet are required to pay £50 per term in advance towards defraying the expense of his board, lodging, and education; also an entrance subscription of £2. 2s. to the public library.

They are also required to pay the cost of his uniform clothing,* averaging £15. 5s. 6d. per annum, and of the books required for his use; also pocket-money, at the authorized rates, viz. 2s. 6d. a week, with 1s. additional to censors, and 2s. 6d. additional to sub-officers.

A cadet is chargeable with the full payment for a half-year, however short a portion of it he may be in actual residence.

A cadet resigning, or being dismissed during a term, cannot lay claim to a return of a portion of the payment.

Cadets are chargeable for loss, damage, and destruction of books and other property.

No portion of their pocket-money may be paid in advance to the cadets.

No person belonging to the college may take charge of money for the private use of the cadets.

The payment for clothes, pocket-money, and books for the preceding term, is to be made previous to the cadet's return to the College.

Previous to the cadet's admission, his parents or guardians shall furnish him with the following articles, viz.

Two combs and a brush, twelve shirts (including three night-shirts), twelve pair of stockings, six towels, eight pocket-handkerchiefs, one pair of white trousers, a flannel jacket and pair of flannel trousers (to be worn when playing at football or cricket), a tooth brush, a Bible and Prayer-book, a case of mathematical instruments of an approved pattern. Each article of dress must be marked with the owner's name in full.

No cadet will be allowed to bring to the College more than one portmanteau or trunk, and one carpet-bag.

* *Viz.* Jackets, waistcoats, stocks, foraging caps, trousers, half-boots, gloves, together with a proportionate share of the expense of any other periodical supplies, and the repairs of the same.

The portmanteau or trunk not to exceed 2 feet 4 inches in length, 1 foot 3 inches in width, and 12 inches in depth.

PROHIBITION.—The cadet must not join the seminary with a greater sum in his possession than one guinea, and a further supply from any of his relations during his term may subject him to dismission.

The following class-books will be provided at the public expense, the mutilation or destruction of which to be chargeable to the cadets, *viz.*

Shakespear's Hindustani, and Latin Dictionary.

The Cadets will, on their first joining Addiscombe, be supplied with the following books, the cost of which will be charged to their parents or guardians, *viz.*

Cape's Mathematics and Logarithms,	Prosateurs et Poètes Français,
Straith's Treatise on Fortification,	Scriptores Romani,
Shakespear's Hindustani Grammar and Hindu Selections,	Jackson's Military Surveying,
Contanseau's French Dictionary, French Grammar, Guide to French Translation, and	Ansted's Elementary Course of Geology,
	Penley's Treatises on Water Colours and Perspective,
	Syllabus of Chemistry.

VACATIONS.—Midsummer commences about the middle of June, ends 31st July.

Christmas commences about the middle of December, ends 31st January.

Before the close of every vacation, the cadet must apply at the Cadet Office for an order for his re-admission, and all sums then due to the Company must be paid up. This order will express that he is only to be re-admitted upon his returning with the books and instruments which he took home with him, that his linen is put into proper repair, and that he is in a fit state of health to renew his studies.

Notice to Parents and Guardians.

The friends of every cadet are hereby informed, that provision being made for furnishing him with every requisite, he cannot really want a supply of money to be placed at his disposal while at the seminary; and if they do, notwithstanding, think proper to furnish him with money, they put it in his power to commit irregularities, which must always retard his studies, and may eventually lead to his removal from the institution.

The parents and friends are further particularly desired not to attend to any application from the cadet for money, under the pretence of his having incurred any debts at Croydon, or elsewhere, or for the purpose of subscribing to the public charities, or any other pretence whatever.

It having become known that cadets have been in the habit of writing to their friends for money, under the pretence that there were so many stoppages from their weekly allowance that they had scarcely any money left, the Committee have ascertained that these stoppages have arisen, not only from wilful and

wanton destruction of public property, but in a considerable degree from the postage of letters, and the carriage of parcels addressed to the cadets. It has in consequence been ordered, that no letter or parcel shall be admitted into the College unless the postage or carriage of such letter or parcel shall have been previously paid. It has also been ordered that every parcel shall be opened in the presence of one of the orderly officers and the cadet to whom it is sent; that should it contain wine, or any thing prohibited in the regulations, the parcel, upon the first offence, will be returned to the person sending the same; and that upon the second offence, the cadet will be ordered home, and will not be re-admitted until a written apology has been sent to the Committee by the person who has committed a breach of this regulation.

It is forbidden that any cadet, or the parents or friends of any cadet, shall give or offer to any person belonging to the College, any pecuniary present or consideration, on any pretence whatever.

MEMORANDA.

The gentlemen cadets educated at the Military College are eligible for the corps of engineers, artillery, and infantry. Admission to the two first of these branches, viz. the engineers and artillery, is only to be obtained by these cadets, none others being eligible. Those who are most distinguished are selected for the engineers, according to the vacancies in that branch. Those immediately following in order of succession are promoted to the artillery.

Cadets who at public examinations are reported qualified for the engineers or artillery, but for whom there may be no vacancy in those branches of the service respectively, are presented by the Court of Directors with honorary certificates of their qualifications and meritorious conduct, are permitted to select the presidency to which they shall be posted as artillery or infantry officers, and their names are communicated by the Court for the observation of the Government of India, and for publication in General Orders to the army. Cadets who are not so reported, but who have attained proficiency in one or more branches of instruction, may be granted certificates to that effect, at the discretion of the public examiner.

In order that the gentlemen cadets may have the full advantage of any qualifications they may possess before they enter the College, it is not required of them to remain in it a longer time than one year, as they are eligible to be candidates for commissions in the engineers at the first public examination that takes place after a year's residence, and, if found qualified, are appointed accordingly.

The cadets educated at this institution take rank in the army above all other cadets who are appointed from the commencement of three months previously to the date of the College cadets being reported qualified; and all the time passed by them at the institution after they attain the age of sixteen counts as so much time passed in India, in calculating their period of service for retiring pensions on full pay, provided they pass within the prescribed period of four terms.

PERSONS who may be NOMINATED DIRECT CADETS.

A candidate must have attained the age of sixteen years. He is not eligible to be appointed a cadet after having attained the age of twenty-two years, unless he shall have been, for the space of one year at least, a commissioned officer in Her Majesty's Service, or in the Militia or Fencible Corps when embodied, and hath been called into actual service, or shall have been in the Company of Cadets of the Royal Regiment of Artillery. Such persons are eligible for the appointment of cadet in the Company's service, provided their age does not exceed twenty-five years. [A commission in the Guernsey Militia, or in any other corps similarly circumstanced, is not a qualification. (Resolution of Court, 3rd April, 1844).]

A candidate who has been so employed must produce his commission, together with a certificate from the War Office or Commanding Officer of his regiment, of his having actually joined and done duty with the regiment for the full term of one year and upwards; and that he was neither dismissed nor resigned his regiment in consequence of any misconduct.

No person who has been dismissed or obliged to retire from the Army or Navy, the Royal Military College at Sandhurst, the Royal Military Academy of Woolwich, or from any other Public Institution, on account of immoral or ungentlemanly conduct, can be appointed a cadet.

The following are the points upon which Candidates are to be examined before they are passed as cadets:—

1. Each candidate will be required to write English correctly from dictation.
2. He should possess a competent knowledge of the ordinary Rules of Arithmetic, including the Rule of Three, Compound Proportion, Simple and Compound Interest, Vulgar and Decimal Fractions, and the extraction of the Square Root. He should also have read the first three books of Euclid.

In languages he should be able to translate into English, passages from Cæsar's Commentaries, or from the first four Books of Virgil's *Æneid*, and he will be further expected to parse, and show his knowledge of Grammar and Syntax.

The candidate will be required to translate from French into English, an extract from one of the following works, viz., *Telemachus*, Voltaire's *Charles the XII.*, and *Peter the Great*. But the candidate will have the option of being examined in the Hindustani, in lieu of the French language, and in that case he will be required to translate from Hindustani into English an extract from one of the following works, viz.: *Bagh-o-Buhar*, *Tota Kuhauce*.

4. In History he should be prepared to pass an examination in Keightley's *Histories of Greece and Rome*, in Gleig's *History of England*, and in the *History of British India*, contained in Vols. 1 and 2 of the *Edinburgh Cabinet Library*.

5. In Geography, he should possess a competent knowledge of the modern divisions of the world; the principal nations in Europe and Asia; the names of the capital of each nation in Europe, and of the chief cities of Hindostan; and the names and situations of the principal rivers and mountains in the world.

6. In Fortification, he should have read some elementary work on the subject (Strait's *Introductory Essay to the Study of Fortification*, or Macaulay's *Field Fortification*), and have received some instruction in drawing.

The examination of the candidates will take place before the Board of Examiners to be convened for that purpose at the Military College at Addiscombe, near Croydon.

If not found qualified on their first examination, they may be allowed a second trial within the next ensuing twelve months; and if not then found qualified, their nominations will revert to their patron.

If the candidate has been confirmed as a member of the Church of England, he will be required to make a declaration to that effect. If not so confirmed, or if not a member of the Church of England, he will be required to produce a certificate from a minister, stating that he has been well instructed in the principles of the religion in which he has been brought up.

The candidate will also be required to produce testimonials for good moral conduct, under the hand of the Principal or Superior authority of the College or Public institution in which he may have been educated, or under the hand of the private instructor to whose care he may have been confided,—and the said testimonials shall have reference to his conduct during the two years immediately preceding his presentation for admission.

All direct cadets, appointed or sworn in between the 10th March and 10th June, or between 10th Sept. and 10th Dec. (or the days which may be fixed on for the public examination of the College Cadets) do rank after the College Cadets who may pass their said examinations, provided the latter sail for their respective destinations within three months after passing said examination.

All cadets who may be appointed between the dates of public examination at Addiscombe and the 10th of March or 10th of September, will be allowed to rank from the date of their sailing, provided this takes place within three months after their being passed and sworn.

N.B. The forms of certificate required to be produced are to be obtained on application at the Cadet Office.

Unless the whole of the said certificates are delivered in by the cadet, he will not be passed.

If no parish register can be found, it is provided as follows, viz. :—

“That if no register can be found, a declaration, pursuant to the Act passed in the 5th and 6th year of his late Majesty William the Fourth, of that circumstance, shall be made by the party himself, with his information and belief, that his age is not under sixteen years, and doth not exceed twenty-two years” (Act of the 33 Geo. III.). Forms of the Declaration may be had at Cadet Office.

All cadets are required to subscribe to the Military Funds at their respective presidencies.

Cadets who shall fail to apply for their orders within three months from the date of their being passed and sworn, or shall not actually proceed under such orders, will be considered as having forfeited their appointments, unless special circumstances shall justify the Court's departure from this regulation.

When the Cadet is ready to proceed, he must apply for a certificate of his appointment.

ASSISTANT SURGEONS.

Regulations for their Admission into Company's Service.

All natural-born subjects of her Majesty may be candidates for admission into the service of the East-India Company as assistant surgeons. They must, however, be between twenty-two and twenty-eight years of age, and of sound bodily health.

They must subscribe and send in to Dr. Scott, physician to the East-India Company, ten days before the period fixed for each examination, a declaration to the following effect :—

“I (Christian and surname at full length), a candidate for employment as an Assistant-surgeon in the service of the East-India Company, do hereby declare that I was years of age on the day of last, and that I labour under no constitutional disease or physical disability that can interfere with the due discharge of the duties of a medical officer; and I also attest my readiness to proceed on duty to India within three months of receiving my appointment.”

This declaration must be accompanied by the following documents :—

1. Proof of age, either by extract from the register of the parish in which the candidate was born, or by his own declaration, pursuant to the Act 5 & 6 William IV., cap. 62.

2. A certificate of moral character from a magistrate, or a minister of the religious denomination to which the candidate belongs, who has personally known him for at least two preceding years.

3. A diploma in surgery; or a degree in medicine, provided an examination in surgery be required for such degree, from some body competent by law to grant or confer such diploma or degree.

4. A certificate of having attended two courses of lectures, of six months each, on the practice of physic, and of having attended for six months the practice and clinical instruction of the physicians at some Hospital, containing at least, on an average, one hundred in-patients, or of having attended one course of lectures, of six months, on the practice of physic, and clinical instruction for twelve months.

5. A certificate of having attended for three months the practical instruction given at one of the public Asylums for the treatment of the Insane.

6. A certificate of having attended for three months one of the institutions or wards of an Hospital especially devoted to the treatment of ophthalmic disease.

Candidates who may not have been able to attend the practice of an asylum for the insane, or of an ophthalmic hospital, for three months previous to their offering themselves for examination, will not be excluded from examination, but will, if successful in obtaining recommendation for appointments, be required to produce certificates of having attended such practice during the interval between the examination and the time of proceeding to India.

7. A certificate of having attended a course of lectures on Midwifery, and of having conducted, at least, six labours

8. A certificate of having acquired a practical knowledge of Cupping.

Candidates may also, at their option, send in certificates of attendance at any Hospitals, or on any courses of lectures in addition to the above. Attendance on a course of Military Surgery and the practical study of surgical operations on the dead body are recommended.

The examination will include the following subjects.—

1. Surgery in all its departments.
2. Medicine, including the diseases of women and children, therapeutics, pharmacy, and hygiene.
3. Anatomy and physiology, including comparative anatomy.
4. Natural history, including botany and zoology.

Lindley's School Botany.

Lindley's Elements of Botany.

The examination will be conducted—

1. By means of written questions and answers.
2. By object examinations and experiments, when the subject admits of such tests.
3. By practical examination at the bedside of the patient, and by dissections and operations on the dead body.
4. By *visû voce* examination.

The persons who shall be pronounced by the examiners to be the best qualified in all respects will be appointed to fill the requisite number of appointments as assistant surgeons in the East India Company's service, and so far as the requirements of the service will permit, they will have the choice of the Presidency in India to which they shall be appointed, according to the order of merit in which they stand on the list resulting from such examination.

All assistant surgeons are required to subscribe to the Military or Medical, and Medical Retiring Funds at the Presidencies to which they may be respectively appointed, and to the Military Orphan Society also if appointed to Bengal.

All assistant surgeons who shall neglect or refuse to proceed to India under the orders of the Court of Directors, within three months from the date of their appointment, will be considered as having forfeited it, unless special circumstances shall justify a departure from this regulation.

A copy of these Regulations; and any further information, may be obtained on application to the Secretary of the Military Department, East-India House.

The Examinations will take place in the months of January and July in each year, and due notice will be given by public advertisement of the days appointed, and of the probable number of Candidates to be selected.

Resolution of Court of Directors, 9th August, 1809, to prevent the purchase of Appointments.

That any person who shall, in future, be nominated to a situation, either civil or military, in the service of the Company, and who shall have obtained such nomination in consequence of purchase, or agreement to purchase, or of any corrupt pretence whatever, either direct or indirect, by himself or by any other person, with or without his privity, shall be rejected from the service of the Company, and ordered back to England, if he shall have proceeded to India before a discovery of such corrupt practice be made; and if such situation shall have been so corruptly procured by himself, or with his privity, he shall be rendered incapable of holding that, or any other situation whatever, in the said service. *Provided always*, that if a fair disclosure of any corrupt transaction or practice, of the nature before described, wherein any Director has been concerned, shall be voluntarily made by the party or parties engaged in the same with such Director, the appointment thereby procured shall be confirmed by the Court.

CIVIL FURLOUGH REGULATIONS.

1855.

RULES FOR SICK LEAVE.

Sec. IV. Upon application duly made, the Government may grant leave of absence on medical certificate to any civil servant to any place in India, in Europe, or elsewhere, as he may consider most conducive to the restoration of his health, without any restrictions whatever as to the places to which he may resort.

Sec. VI. The following conditions will in future attach to leaves of absence granted to civil servants, who may be declared by a sufficient medical certificate to require such leave for the recovery of their health:—

Firstly. The total period of absence, with the privileges here-

XXXVI CIVIL FURLOUGH REGULATIONS.

henceforward provided, shall not (save as specially excepted in clause 5 of this section, and in section VII. of these rules) exceed eighteen months in the whole, nor shall it exceed fifteen months on any one occasion.

Secondly. The office of the absentee will be considered to be vacated if he shall be absent beyond eighteen months altogether, or beyond fifteen months at any one time, unless he shall obtain leave under clause 5 of this section, such absence to be computed, if he shall proceed to a sanitarium within the presidency, from the date of his arrival thereat to the date of his quitting the sanitarium; if to any place beyond the presidency, but within the continent of India, from the date of his leaving the frontier of his own presidency to the date of his return thereto; and if he shall proceed to sea, from the date of the sailing of the vessel on which he may have embarked, from any port in India which is not more distant from his station than the ports of his own presidency, to the date of his arrival at any port within the presidency to which he belongs, or at any other port which is not more distant from his station than the ports of his own presidency.

Thirdly. The absentee will be entitled to draw a moiety of his salary, and the same will be paid to him during such period of absence, provided that he shall in no case draw a larger sum than Rs. 10,000 (£1,000) per annum, during that period. In cases in which the emolument of the absentee's office does not exceed Rs. 5,000 per annum, no deduction therefrom shall be made for the period of eighteen months, nor shall such a deduction be made in other cases as shall reduce the allowance below Rs. 5,000 (£500) per annum. In cases in which the salary of the absentee may not be of that amount, the full salary will be granted.

Fourthly. For the interval elapsing between departure from station to the commencement of reckoning absence, or between the end of reckoning absence and re-arrival at station, the absentee will be allowed a special leave for an additional period of one month, two months, or three months, according to the distance to be travelled, as prescribed in section XX. of these rules; and during this additional period the absentee will be entitled to draw the same salary as is allowed by clause 3 of this section.

Fifthly. If the absentee shall apply under medical certificate to remain absent for a longer period than eighteen months, or fifteen months at any one time, and it shall appear to the Honourable Court of Directors to be absolutely necessary, after examination by their medical officer in England, that he should do so; the leave which may have been granted in India will, under the orders of the Honourable Court, be extended to the limit of two years, with permission to retain office, and half salary within the limits enjoined, during such extension. If the absentee be in India, the leave may be extended to the limit aforesaid, under the orders of the Government of India or the subordinate Governments, upon the certificate of a board of medical officers, to be summoned to report on the state of the absentee's health.

Sixthly. If the absentee be compelled by the state of his health, under due medical certificate, to remain absent for a

longer period than eighteen months, or fifteen months at any one time, or beyond two years in the case of an extension under clause 5, he will, as before stated, vacate his appointment, but he will be permitted to receive an allowance at the rate of £500 per annum, if above ten years' standing at the time when the leave was granted, or of £250, if not above ten years' standing at the time when the leave was granted, for such further period of absence as shall not exceed the entire term of three years in the whole. At the expiration of that term, all allowance must cease until he reports his return to his presidency.

Sec. VII. If a civil servant of more than fifteen years' service, after having been absent on sick leave for eighteen months in the whole, or for fifteen months at one time, at whatever period of his service such sick leave shall have been taken, shall be again compelled by the same cause to apply for leave of absence, the Government of India and the subordinate Governments may, on special grounds, grant leave of absence for one further period not exceeding six months, during which the absentee may retain his office and half his salary, under the limits above enjoined.

Sec. VIII. If a civil servant, after fifteen years' service, shall be compelled by ill-health to apply for further leave of absence, he may be permitted on special grounds to obtain it, but his absence will involve the loss of office and salary; the Government of India, and the subordinate Governments, will, however, respectively exercise a discretionary power to grant, in such last-mentioned cases, a sick absentee allowance, not exceeding Rs. 5,000, or £500, per annum, for a further period not exceeding twelve months.

Sec. IX. A civil servant, who has taken sick leave under the rules of 17th May, 1843, will not be debarred by that circumstance from taking such leave again under the above rules, with the privilege of retaining office, provided the leave be not granted till three years have expired after his return from his leave, under the rules of the 17th May, 1843.

Sec. X. None of the above-mentioned rules will be applicable to members of council. Each member may, however, with the special sanction of the Government, be permitted to be absent, under medical certificate, for a period not exceeding six months, retaining his office and receiving half his salary, which shall be paid to him during such absence, but if his absence shall exceed six months, his office will be vacated.

Sec. XI. Civil servants who may desire to draw their allowances, while absent on account of sickness, under the above rules, will be required to give security in such amount and form as may be fixed by the Government, for the refund of any excess that may be drawn, either by the agents at the presidency or by themselves, in case of their coming under retrenchment.

RULES FOR SHORT LEAVE ON PRIVATE AFFAIRS.

Sec. XII. The Government may grant to civil servants leave of absence to any place in India, Europe, or elsewhere, without any restrictions whatever as to the place to which they may resort, for one month in each calendar year, without deduction from the salaries and emoluments drawn by such servants; such leave,

XXxviii CIVIL FURLOUGH REGULATIONS.

however, will only be granted when the Government is satisfied that no inconvenience will arise from the departure of the officer seeking it. No second leave can be granted under this rule until the completion of eleven months from the expiration of the last leave; if taken at one time, or from the date of return from any sick leave, or until the completion of six months from the expiration of the last instalment of a leave, if it has been divided. Servants not availing themselves of the indulgence in any one year, may obtain, under the like conditions, leave of absence for two successive months, to commence at or after the expiration of twenty-two months from the termination of their former leave; and if two years elapse without enjoyment of the privilege, leave for three months may, in like manner, be granted at the expiration of thirty-three months from the termination of the last preceding leave; but no leave shall be granted under this rule for any period exceeding three months. If an officer shall not return at the expiration of the period of leave granted him under this rule, he shall forfeit all pay and allowances during the time of his remaining so absent without leave, and if he shall so continue absent for more than one month beyond the term granted, his office shall become vacant.

Civil servants absent from their stations under medical certificate cannot be admitted to leave under this rule in continuation of their sick leave; and if, while absent under this rule, they be granted extended leave under medical certificate, they shall be considered liable to the rules applicable to leave of absence on medical certificate for the whole period of their absence.

Civil servants who have been absent on medical certificate during any portion of a calendar year, are not entitled to leave under this rule during that year, nor can leave under this rule be taken in connection with or continuation of leave granted under sec. xiv, cl. i.

Sec. XIII. As a general rule, when leave is granted under sec. xii., such leave will be in one period only, whether for a whole month or less, and not in detached portions to complete one month; but as an exception to this rule, it shall be discretionary with the several local governments, where good cause is shown for the indulgence, and it is attended with no public inconvenience, to sanction leave of absence under this rule to such parties as may not have occasion to apply for the whole at once, in two instalments only, which are not to exceed in the aggregate one month within the calendar year.

Sec. XIV., clause I. The Government may, on sufficient cause being shown, grant to a civil servant special leave of absence on private affairs for six months, to any place in India, Europe, or elsewhere, without any restrictions whatever as to the places to which he may resort, provided, however, that the absentee shall draw no more than one-half of his salary and allowances. After an absence of six months any office held by the absentee shall become vacant.

Clause II. The leave granted under this section, if taken in India, will be computed from the date of the absentee's quitting his station to the date of his return thereto, and if taken in Europe, or beyond Indian limits, from the date of the sailing of

the vessel on which he may have embarked, from the port nearest to his station, to the date of his arrival at the same on his return to duty. A second leave of the same description cannot be taken till the expiration of six years from the date of return to duty from a former leave. No portion of the half salary allowed to be drawn will be claimable till the absentee shall have returned to his duty. For the interval elapsing, in the case of leave taken to Europe, or beyond Indian limits, between departure from station to arrival at the port of embarkation, or between return to port and re-arrival at station, the Government may grant, on the same terms and conditions as the special leave, such an additional period of leave as may be considered to be absolutely required to enable the absentee to reach the port of embarkation, or to return from the port of debarkation to his station.

Clause III. It will be understood that leave under this section is not to be granted as a matter of course to every applicant, but that it will be the duty of the Government to consider and determine whether the grounds of the application are sufficiently urgent to justify the concession of the leave.

FURLOUGHS ON PRIVATE AFFAIRS.

Sec. XV. In the place of the period of three years (in one term) for which furlough has hitherto been granted, civil servants will be allowed the option of taking a furlough of three years as at present, or of dividing the furlough into three periods of one year each, to be taken after successive periods of seven years' service, or into two periods, which may either be of one or two years respectively, or of eighteen months each, provided that, in every case, the civil servant shall declare, on taking his furlough, whether he intends it to be for twelve, eighteen, twenty-four, or thirty-six months, in order that the Government may make its arrangements accordingly. In case of a division into two periods, the first furlough must be taken after a residence of not less than ten years, and the second furlough after a further residence in India of ten years from the date of return from the first furlough; but civil servants returning on furlough to Europe will continue, as at present, to vacate their offices.

Sec. XVI. The furlough allowance granted during the periods mentioned in the last section will be at the rate of £500 per annum, and the receipt of it will not, on any grounds whatever, be permitted for any longer period than three years.

Sec. XVII. Civil servants who may have been compelled by sickness to quit their duty under medical certificate, before completing seven years' residence in India, will be entitled to receive during their furlough on private affairs, taken subsequently to their completion of that period of residence, the ordinary furlough allowance of £500 per annum, for three years.

Sec. XVIII, Clause I. In applying the foregoing rules in substitution of those before existing, periods of absence to the limit of three years will count as service in India, in the twenty-five years entitling to the annuity, the present qualification of twenty-two years' residence being retained.

Clause II. Absence on medical certificate to the extent of one

year will reckon as service and residence in India, and be so computed in addition to the three years of absence which, under the clause next preceding, are allowed to be reckoned as Indian service. All periods of short leave of absence on private affairs taken under sections xii. and xiv. of these rules will also count as service and residence.

Sec. XIX. Military officers employed in the civil department will be subject to the rules laid down in General Orders, No. 1150, dated 17th November, 1854, for the grant of leave of absence and furlough to officers holding military staff appointments.

NOTE.—Civil servants who have taken leave of absence, on sick certificate to Europe, or elsewhere beyond sea, will be ineligible to furlough, on private affairs, until they have served six years from their last return to duty. This rule does not apply to short leaves to sea.

RULES FOR LIMITING THE PERIOD OF SERVICE.

Sec. XXIX. After thirty-five years' service no civil servant shall be appointed to any new office, nor be permitted to retain an office which he has held for a period of five years and upwards, except in special cases, which are to be referred for the decision of the Honourable the Court of Directors. This rule will be applicable to every civil servant appointed to office after its promulgation, and to the case of every other civil servant to whom it relates, at the close of five years from the 25th August, 1854.

RULES FOR THE GRANT OF LEAVE OF ABSENCE TO LAW OFFICERS.

Sec. XXX. The East-India Company's law officers may obtain sick leave and short leave on private affairs under the conditions prescribed in the case of civil servants, both as respects the periods of absence and the limitation of allowances during such absence. Leave will, however, only be granted at the convenience of the Government, and no additional expense will on any consideration be incurred by the Government on account thereof.

If any law officer shall quit his duty, save on leave under medical certificate, or on short leave on private affairs, he will be considered to have vacated his appointment.

RULES FOR CHAPLAINS AND ASSISTANT CHAPLAINS.

Sec. XXXI. Chaplains and assistant chaplains may take furlough on private affairs and on medical certificate, also privilege leave, and leave for short periods on private affairs and on medical certificate in or out of India, on the same terms and conditions as military officers, with the following modifications:—

First. Chaplains being allowed to retire after twenty years' service, the period of furlough on private affairs is in their case limited to the present term of three years. The furlough may, however, either be taken in one period or be divided into two periods, whether of eighteen months each or of two years and one year respectively; and if divided, the first furlough may be taken, as at present, after seven years' residence, and the second furlough after a further residence of ten years in India. As respects chaplains and assistant chaplains appointed before the

11th January, 1854, when the period of service was only eighteen years, their second furlough, if they should exercise the option of taking furlough in two periods, will be available after a second residence in India for a term of eight years.

Secondly. No furlough or leave of absence, whether on private affairs or on sick certificate, taken in Europe or elsewhere, in excess of three years, will be allowed to count as service in India, in the twenty years which qualifies chaplains for their retiring pensions. Periods of "privilege" leave, and of short leave of absence on private affairs, will, however, count as service and residence.

Sec. XXXII. The furlough pay of chaplains will remain as at present. With regard to their allowance during sick leave to any place out of India, they shall receive salary (but at a rate not exceeding £600 per annum) for the first six months of absence, and for the remaining twelve months, an allowance equal to the furlough pay of their standing. If the leave be extended, an allowance equal to furlough pay may be drawn for a further period of eighteen months.

Note.—It has also been determined that Chaplains and Assistant Chaplains, when absent in India under medical certificate, shall receive, within the limit of one year, their full salaries, subject to a reduction of one-third for the whole term of regulated absence; save and except that, if the salary be not more than Rs. 500 per month, no deduction shall be made; and if it be only so much more than Rs. 500 that the prescribed deduction of one-third would reduce the allowance below that sum, only the excess beyond Rs. 500 shall be deducted.

OLD MILITARY FURLOUGH REGULATIONS.*

Officers (of whatever rank) must be ten years in India before they can be entitled (except in case of certified sickness, and as hereafter specified) to their rotation to be absent on furlough, and the same rule is applicable to assistant surgeons and veterinary surgeons. The furlough to be granted by the commander-in-chief at each presidency, with the approbation of the respective governments.

Officers who have not served ten years in India, but whose presence in England is required by urgent private affairs, may be allowed a furlough for one year without pay.

Officers coming to England on furlough are required immediately to report their arrival by letter to the secretary, with their address, forwarding at the same time the certificates they received in India.

The period of furlough is three years, reckoning from its date to the day of the return of the officer to his presidency.

Officers are required to join the establishment to which they belong at the expiration of the three years' furlough, unless they shall have obtained an extension of leave from the court, six months before the expiration of that period. No furlough will be extended, except in cases of sickness, certified in the manner here-

* These Regulations do not apply to officers who entered the service after the February, 1854.—*Vide New Military Furlough Regulations, page xlv.*

after mentioned; or in cases in which it shall be proved to the court that a further residence in Europe is indispensably necessary.

All officers finding it necessary to solicit a further leave of absence on account of sickness, must, if resident in London or its vicinity, appear before the Company's examining physician, Dr. John Scott, 13, Stratton-street, who will report to the Court of Directors his opinion on the state of such officer's health. And if resident in the country in any part of the United Kingdom, they must transmit with their letter of application for such leave, a certificate according to the following form, signed by at least two gentlemen, eminent in the medical profession, viz.—

I hereby certify, that I have carefully examined (state the nature of the case, as well as the name of the party), and I declare, upon my honour, that, according to the best of my judgment and belief, _____ is at present unfit for military duty, and that it is absolutely necessary, for the recovery of his health, that he should remain at least _____ longer in this country.

Also, previously to such extension of furlough being granted, such further proof shall be adduced by personal examination, or by such other evidence as shall be deemed satisfactory.

Officers abroad in any part of Europe, applying to remain a further time from their duty on account of sickness, are to furnish a certificate of two eminent physicians, in the above form, with the attestation of a magistrate, that the persons who signed the certificate are physicians.

Officers having obtained an extension of furlough to a given period, must at its expiration apply for permission, either to return to their duty or to reside a further time in England.

In every case in which an officer has had his furlough extended beyond the prescribed period on the ground of his health not being sufficiently restored, and shall apply for permission to return to his duty, he shall produce a certificate from the examining physician that his health is completely re-established, and that there is every probability of his being able to perform the active duties of his profession in India.

No officer who has failed to obtain an extension of furlough will be considered eligible to return to the service after five years' absence, under the Act of 33 Geo. III. cap. 52, sect. 70.

Every officer upon leaving India will receive a printed copy of the General Order on this subject, published agreeably to the court's instruction, and the plea of ignorance of the regulations will not be admitted as any justification of the breach of them; officers, therefore, who shall come home on furlough and who shall not in due time apply, so as to effect their return to the presidency to which they belong within the period of three years from the commencement of their furlough, will subject themselves to the loss of the service, unless they shall be permitted by the court to remain a further time in Europe.

No officer on furlough can receive pay for more than two years and a half from the period of his quitting India until he returns, excepting colonels of regiments, and those of the rank of lieutenant-colonel regimentally, when promoted to that of major-general; the latter are then allowed to draw the pay of their brevet rank beyond the above period.

NEW MILITARY FURLOUGH REGULATIONS.

G. O. 17 November, 1854.

RULES FOR REGULATING FURLONGHS AND LEAVES OF ABSENCE.

With the view of adapting the regulations to the present increased facilities of communication, and to correct, as far as possible, any tendency in them to deter officers from resorting to the places which may be most conducive to the restoration of their health, when a change of climate is required for that purpose, the following rules are established, and are to have effect from the 1st February, 1854:—

1. All regimental officers in the service on the 1st February, 1854, who prefer retaining what may be considered the advantages of the old regulations, may do so, provided they signify their wish to that effect when they next apply for furlough or leave of absence, without any limitation, whether such leave be in India or elsewhere; and officers who once make their election will not be entitled to any other choice, but will be afterwards subject to the new or old regulations according to their decisions.

2. Staff officers, as such, have not the above option allowed them, but they may retain the advantages of the old regulations by giving up their appointments, which, in such cases, will be considered vacated from the date of embarkation.

3. To those officers who adopt them, the new regulations will apply retrospectively in respect of furlough and leave of absence beyond sea, and in computing their time of service for retirement, so that their furloughs or leaves of absence, whether under the old or the new rules, and whether on private affairs or sick certificate within or beyond India, will count for service to the authorized extent only, in computing the time for retirement on full pay.

4. Officers who have availed themselves of the option of the old rules are allowed to re-consider the question under the modifications now sanctioned.

5. Officers who have not taken leave subsequent to the publication of the new rules on the 1st of February, 1854, and who, consequently, may not have been called upon to declare whether they would abide by the old or the new regulations, will, on retirement from the service, be entitled to take full advantage of the privileges given by the new regulations.

FURLONGHS ON PRIVATE AFFAIRS.

6. Every officer will be allowed a furlough to Europe, or elsewhere beyond sea, for a period of two years at the expiration of ten years' service, and for a second period of two years after twenty years' service in India.

7. The second furlough of two years will only be granted after ten years' service in India, from the date of the return to duty after the first furlough of two years. These furloughs are not to be cumulative, under any circumstances, but are limited to two years. Officers who have taken leave of absence on sick certi-

ficate to Europe, or elsewhere beyond sea, will be ineligible to a furlough on private affairs until they have served six years from their last return to duty. This rule does not apply to short leaves to sea.

Officers who take their first furlough after twenty years' service in India may take their second furlough after an additional service of five years from the date of their last return to duty. (G.O. 16 June, 1856.)

8. All grants of furlough on private affairs are subject to the exigencies of the public service, and to the regulations framed for the preservation of the efficiency of each regiment by limiting the number of absentees.

9. Officers holding staff or other detached appointments may be allowed furlough for a period of six months without losing their appointments; but, during that period, they will not be entitled to any portion of their staff salary, which will be drawn in full by the officers officiating for them.

Absence for six months under this rule does not preclude an officer from taking his furlough to Europe after ten years' service. (G.O. 16 June, 1856.)

10. All officers, whether staff or regimental, while on furlough on private affairs, will be entitled to "Furlough Pay" only.

LEAVE OF ABSENCE ON SICK CERTIFICATE.

11. Leave of absence on sick certificate will be granted for a term not exceeding eighteen months, whether it be to any place in Europe, or elsewhere out of India.

12. Extensions of such leave may be granted, as at present, on production of medical certificates, for further periods not exceeding eighteen months in the whole.

13. An officer holding a staff or other detached appointment will be allowed to be absent on sick certificate in England, or elsewhere beyond sea, for a period of fifteen months, without losing his appointment; and, during the first six months only of such absence, he will be entitled to draw half the staff salary of his appointment, the officer officiating for him drawing the remaining half salary during the first six months, and the whole salary during the remainder of the time.

14. An officer's claim to half staff salary for six months, as sanctioned in the preceding rule, will not be affected by his subsequently retiring from the service in Europe or elsewhere.

15. No portion of command allowance, medical staff salary, or other similar allowance, which under the old rules was inadmissible to officers absent from their corps or stations, at the Cape or elsewhere, will be allowed to absent officers under these regulations.

16. All officers, whether staff or regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian pay and allowances as was allowed under the old regulations to officers proceeding to the Cape on medical certificate, and for the remaining period of their leave they will receive furlough pay only.

17. If the leave on sick certificate be extended, furlough pay will be continued; but under no circumstances for a longer period than three years altogether, from the commencement of the absence.

STAFF OFFICERS.

18. The term staff officer applies to all officers holding staff or detached appointments, military (general or regimental), political, or civil; also to general officers commanding divisions, members of the Medical Board, superintending surgeons, and others who, under the old rules, were entitled to draw half staff allowance when absent at the Cape.

19. Staff officers absent on leave beyond the periods stated in Rules 9 and 13 respectively, cannot retain their appointments and allowances except on special grounds, to be sanctioned by the Government of the Presidency. Any such special grant of leave is to be reported at once to the Honourable the Court of Directors, with the reasons for it, and to be subject to their approbation.

20. The privilege of retaining staff appointments during leave of absence on sick certificate, or on furlough on private affairs, will not be available a second time, if the fresh leave is on sick certificate, until an officer has been three years, or if on private affairs, until he has been six years, in the discharge of the duties of his appointment, from the date of last return to it.

21. This rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs in India, or for brief periods to Ceylon, the Mauritius, or other places out of India.

22. Officers commanding troops of Horse Artillery and Light Field Batteries, and officers generally in employment, will be allowed leave out of India under the same rules with respect to allowance and tenure of command or office as regulated the grant of leave to the Cape to such officers under the old regulations, except as to the duration of those advantages, the time for their continuance being subject to the provisions of the new regulations.

DATE OF FURLOUGH AND ADVANCES OF PAY.

23. The period of furlough on private affairs, or leave of absence on sick certificate, is to be calculated from the date of the departure from India of the ship in which the officer proceeds.

24. Advances of pay and allowances, staff and regimental, to officers proceeding on leave of absence on sick certificate, who may be entitled to them, will be made in India for three months from date of embarkation. Payments in continuation will be made in England at the rates of exchange fixed annually for repayment of advances made on account of Her Majesty's Government. Furlough pay will continue to be issued in advance for six months when required by officers obtaining furlough on private affairs.

25. The existing regulations regarding passage-money to officers are not affected by these rules.

26. The certificates issued to officers who are granted furloughs on private affairs, or leave of absence on sick certificate, are to specify the time each officer has been absent on leave within Indian limits, as well as the time of his previous absence in Europe; but will not include the periods allowed for proceeding to the Presidency or port of embarkation, and to enable officers to rejoin their regiments or stations after their return to India, nor the leave of one month's absence in six months as authorized by the regulations. The last pay certificate of all officers proceeding to England on sick certificate is to specify the rate of regimental pay and allowances and staff salary to which they would have been entitled under the old regulations if proceeding to sea on medical certificate. This information is necessary in order that no difficulty may arise in the Pay department of the India House in adjusting the several payments which may be due.

OFFICERS OF H.M.'S SERVICE.

27. Officers of her Majesty's service in India, whether employed regimentally or in staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

28. In the case of officers of her Majesty's service on furlough or sick certificate, in England or elsewhere, who may retire or exchange into regiments not on the Indian establishment, the grant to these officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

PERIODS OF ABSENCE ALLOWED TO BE COUNTED AS SERVICE FOR RETIRING PENSIONS.

29. In order that all officers quitting India on furlough or sick certificate may be placed on an exact equality as regards loss of time, the period allowed by regulation for proceeding to the Presidency, or to the nearest port of embarkation, as well as the time to enable officers to rejoin their corps or station after their return to India, will be considered as time counting for service for the retiring pension.

30. No furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years' aggregate service, three years in twenty-five years' service, and four years in thirty years' service, shall be allowed to count as service for the retiring pension; and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or out of India, or whether the leave be on sick certificate or on private affairs.

31. In the term "Leave of Absence as announced in General Orders" is to be included all leave of absence, except the period allowed in Rule 29, and the ordinary indulgence of one month's leave in six months, as authorized by the existing regulations, and which are, in all cases, whether of regimental or staff officers, to be allowed to count as service for the pension. All leave to a greater extent, granted by political and other authorities, which

may not hitherto have been published in General Orders, must be so announced hereafter.

32. Officers to be entitled to retire on the full pay of their regimental rank (under the regulations of 1796), must have served twenty-two years in India, out of which leaves of absence for two years in the aggregate, and not more, will be allowed to count as service for the retiring pension.

33. Officers to be entitled to retire on the full pay of captains and majors (under the regulations of 1835-7), must have served twenty and twenty-four years respectively; out of which time leaves of absence for two years in the aggregate, and not more, will be allowed to count as service.

34. Officers to be entitled to retire as lieutenant-colonels must have served twenty-eight years; out of which leaves of absence for three years in the aggregate, and not more, will be allowed to count as service.

35. Officers to be entitled to retire as colonels must have served thirty-two years; out of which leaves of absence for four years in the aggregate, and not more, will be allowed to count as service.

36. The scale for medical officers and veterinary surgeons of privileged furlough and leave of absence as counting for the retiring pension will be as follows:—

Years.	Months.	
1	8	in 17 and under 20 years' service.
2	0	in 20 " " 25 " "
3	0	in 25 " " 30 " "
4	0	in 30 and upwards.

37. It is to be distinctly understood, that under no circumstances whatever will an officer be permitted to retire on full pay until he has completed the *full time of service* above specified, whether he be in England at the close of his service or elsewhere.

38. The privileged time of absence may, with the permission of the local government, be taken at any time, subject to these regulations. If, therefore, at the end of twenty years' service, of which eighteen had been passed on actual duty in India, an officer should be on furlough or sick certificate in Europe or elsewhere, he will be entitled to retire on the full pay of a captain without returning to India, and so in the other terms of service for the higher pensions. In like manner, a medical officer on furlough or sick certificate, in Europe or elsewhere, at the end of seventeen years' service, fifteen years and four months of which have been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pension.

39. These rules do not in any way affect the existing regulations regarding the grant of leave in India, or for short periods to sea, whether on private affairs or on sick certificate, except as to the periods of such absence being taken into calculation in the time allowed to count as service for retirement on full pay.

BENGAL CIVIL SERVICE ANNUITY FUND.

*Regulations as sanctioned by the Honourable the Court of Directors.**Managers of the Fund. (Elected 6 Jan. 1858.)*

E. Currie	<i>Ex officio</i>
H. B. Harrington	Chief Secretary.
R. P. Harrison	Accountant General.
E. F. Harrison	Sub-Treasurer.
S. Waachope	Civil Auditor.

Secretary, J. W. Dalrymple.

1st. The subscribers to the Bengal Civil Service Annuity Fund are the covenanted civil servants upon the Bengal establishment. They shall continue as long as they remain in the service, to contribute for the purposes of the Fund, four per cent. of their salaries and all other public emoluments whatever (travelling allowance alone excepted).

2nd. The annuities are fixed at 10,000 sicca rupees payable in India, or £1,000 sterling payable in England. In discharge of each annuity payable in England, the sum of £1,000 sterling shall be paid to the annuitant through the Company's treasury in London, the managers of the Fund undertaking to pay over to the Government of Bengal 10,000 sicca rupees for every year's annuity so paid.

3rd. Those subscribers only shall be qualified for annuities of the amount aforesaid, who have served in the civil service twenty-five years, and actually resided twenty-two years in India.

4th. The annuities at each year shall commence with the 1st of May, and shall be payable quarterly at the close of each quarter, and to the date of the annuitant's decease.

5th. The number of annuities assignable on account of each year from the 1st of May, 1851, shall be ten, and they shall be available, subject to the provisions of the following rule, to all qualified subscribers, according to their seniority in the gradation list of the service as fixed by the Court of Directors. But if any subscriber having become qualified for an annuity, shall retire from the service before the option of an annuity may devolve upon him, he shall nevertheless be entitled to the same in his turn, as though his name had remained upon the gradation list of the service.

6th. On the 1st of November of every year, the ten annuities that are to become available on the following 1st of May, shall be assigned to those qualified subscribers in order of seniority, from whom applications for annuities shall have been received before the said 1st of November. After the 1st of November, any of the said ten annuities which shall not have been assigned

under the preceding clause, shall be assignable to all qualified subscribers in order of application.

7th. As soon as possible after the 1st of May of every year, the managers shall notify in the Calcutta Gazette, the number of annuities of that year which remain unassigned, and also the number of annuities (if any), which remain not taken from previous years, and these annuities shall be assignable at any subsequent period to all qualified subscribers in order of application. But for the year in which any such annuity may be assigned, a rateable portion only of the annuity shall be payable, calculated from the date on which it is taken.

8th. Every subscriber to whom an annuity shall be assigned, shall be required, in order to entitle him to the full annuity fixed by Art. II., to pay on or before the date from which the annuity is to commence, the difference between one half of the value of the annuity and the accumulated amount of his contributions, whenever the latter shall be less than the former.

The value of an annuity on the life of any subscriber shall be determined by such table of valuation as may be sanctioned by the Honourable Court of Directors, and to determine the accumulated amount of a subscriber's contributions, a separate account shall be kept for each subscriber, and the account shall be made up annually, with interest at the rate of 6 per cent. calculated on the subscriber's contributions as allowed by the Court of Directors.

9th. Any subscriber who shall decline to pay the difference defined in the foregoing article, shall be entitled to an annuity of a reduced amount, to be calculated in the following manner, viz.: he shall receive an annuity of 5,000 sicca rupees or of £500 sterling, increased by such additional amount as his contributions may suffice to purchase, according to the table of valuation in force.

10th. The acceptance of the resignation of the Honourable Company's service is an essential condition to entitle a subscriber to an annuity, and annuitants will not be permitted by the Court of Directors to return to the service. Any subscriber, therefore, to whom an annuity shall have been assigned under Articles VI. or VII., who shall fail to tender his resignation of the Hon. Company's service, on or before the 1st of May following, shall not only forfeit his right to the annuity so assigned, but shall also forfeit a sum of ten thousand rupees, to be paid by the subscriber within one week from the said 1st of May, or in the event of non-payment by the subscriber, to be deducted from his allowances by the civil auditor in such instalments, not exceeding one-half, nor being less than one-third of his total official receipts, as the managers may direct; and in the latter case, interest shall be charged at the rate which the Fund would have received had the amount of the fine been paid by the subscriber within the prescribed term of one week from the 1st of May.

No subscriber who shall incur the above penalty shall be deemed entitled to an annuity, until the amount of such penalty, together with all interest which may become due thereon, shall have been fully paid.

11th. Any subscriber not having served twenty-five years, and actually resided twenty-two years, who may be compelled to retire from the Honourable Company's service by sickness, duly certified as below provided, shall be entitled to receive either a donation or an invalid pension of reduced amount as follows:—

If he shall not have completed ten years' residence, a donation of	Sa.Rs. 5,000
Or	£500
If he shall have completed ten years' residence, but less than fifteen years, a pension of	Sa.Rs. 2,500
Or	£250
If he shall have completed fifteen years' residence, a pension of	Sa.Rs. 5,000
Or	£500

12th. The grant of invalid pensions shall be made in all respects upon the same principles as are prescribed in Articles VIII. and IX. of the Rules; that is to say, in order to entitle a subscriber to an invalid pension of £500 a year or £250 a year, as the case may be, it will be necessary for him to make good one half of the value of such pension, but it will be optional with him, in the event of his subscriptions not being equal to the half value, to take a reduced pension of £250 or £125 a year, increased by such additional amount as his contributions may suffice to purchase according to the table of valuation in force.

13th. It will be necessary for every subscriber applying for an invalid pension to furnish to the managers of the Fund a certificate from his usual medical attendant, countersigned either by the Medical Board in Calcutta or by a special committee of medical officers, to consist of not fewer than three members, convened by the Honourable the Lieutenant-Governor of the North-Western Provinces, certifying that he is, from some permanent cause or complaint, incapable of rendering service in the climate of India; and it will further be necessary that such certificate be confirmed by the examining physician of the Honourable Court of Directors, after the subscriber shall have resided one year in England.

14th. The value of every annuity or pension which is granted, shall be passed to a separate account under the head of "Appropriated Funds," and to the debit of that account shall be entered all payments in satisfaction of annuities.

15th. At the close of every third year, the managers shall calculate, according to the table of valuation then in force, the values of the existing annuities and pensions, and shall compare the total of their values with the assets of the "Appropriated Funds." If the amount of these assets shall exceed the said

Abstract of Act 53 Geo. III. cap. 155, sec. 84.

Whereas inconvenience to the Military Service of the East-India Company has been found to arise in certain cases from the provisions of the Act 33 Geo. Extract Regulations.

ART. I. The object of the Bengal Civil Fund shall henceforth
be to provide for the widows and children of deceased members,
without reference to any property they may possess or acquire.

ART. VIII. First. Subscribers who may hereafter retire from
the service on annuities of the Civil Service Annuity Fund, wishing
to secure to their widows and children the full benefits of the
fund, must, on retirement, make up the amount of their subscrip-
tions with interest to twenty-five thousand rupees, and must also
continue their contributions at the same rates on their annuities
as those levied from subscribers in the service on their allowances,
and under the same conditions in regard to minimum payments
and liability to increase or decrease of rates; an option being
allowed to each subscriber of paying up, once for all, either at the
time of resigning the service, or at any subsequent period, the full
value of his contributions, according to the tables of mortality
which, on the advice of an actuary, may be adopted by the
managers. This commutation will be calculated at five percent.,
in the following manner: Ordinary subscriptions, on the life of
the subscriber alone, additional subscriptions on the joint lives of
husband and wife, and extra contributions for children on the
joint lives of father and child. But such settlement will be open
to re-adjustment, if the necessities of the fund should be found to
require an enhanced rate of subscription; and every retired sub-
scriber will also be liable to pay, in the same manner for each child

afterwards born, and in case of subsequent marriage, the additional premium as a married subscriber.

Second. But subscribers hereafter *so retiring* from the service may, at their option, by making up the amount of their subscriptions with interest, *either* to twelve thousand five hundred rupees, or to six thousand two hundred and fifty rupees, and by continuing or compounding for, their contributions at the same rates on their annuities as those levied from subscribers in the service on their allowances, secure to their families, on the same conditions as above, in the former case one-half, and in the latter one-quarter of the amount of pensions and other allowances granted to the family of a subscriber dying in the service, or of an annuitant who has made up on retirement the full amount of twenty-five thousand rupees.

ART. XXVI. The widow of every subscriber who may die on or after the 1st January, 1850, and by whom the additional subscription levied from that date from married subscribers has been paid, shall, on furnishing a certificate of baptism, or a declaration, on honour, of her age, together with a certificate of marriage, and of the death of her husband, with the date of his decease, be entitled to receive, subject to the deduction provided for in Articles VII. and VIII., a pension of £300 (three hundred pounds sterling) a year, if residing in Europe, or of rupees 300 (three hundred rupees) a month if residing in India.

ART. XXVII. No widow shall be entitled to the benefits of the fund who may have been separated under a legal decision from her husband for misconduct on her part, or who may be known to have been living in a state of adultery, though not divorced or separated from him by law.

ART. XXVIII. One-half of the pension of a widow shall cease upon her re-marriage, the amount of deduction to complete the minimum payment prescribed by Article VII. remaining unaltered.

ART. XXIX. A widow admitted to the benefit of the fund, and losing a moiety of her allowance by marriage, shall be entitled, on again becoming a widow, to receive from the fund the same allowance that she received previous to her last marriage. If her last husband be a subscriber to the fund, she becomes again entitled to the benefit of the fund as his widow. But in no case shall a widow receive from the fund more than one full pension of three hundred pounds a year in England, or three hundred rupees a month in India.

ART. XXX. On the death of any member of the fund, on or after the 1st January, 1850, leaving a daughter or daughters born in lawful wedlock, for whom the additional subscription of one-fourth per cent. indicated in Article V. has been paid, an allowance shall be made to every such daughter from the fund, to be paid in England or India, as circumstances may require (without any reference to property), at the following rates:—Till five years of age, thirty rupees a month in India, or thirty pounds a year in England; from the commencement of the sixth year to

N.B. The period of service under this article is calculated by certificate of admission, to be furnished from the Adjutant-General's office. Officers embracing the privilege granted by this rule must comply with all its provisions, calculated through each grade of service.

9. Subscribers may redeem by a single payment the periodical subscription exigible under Art. 7, the equivalent sum being determined on this principle.

Members in Europe to redeem at Europe rates: in India at Indian rates: calculated by two tables of different values of an annuity, one adopted for Europe (as the Northampton tables), the other for India (as the Indian tables), receiving back, or paying the difference of premium, according to residence in one or other country. Parties visiting Europe on furlough, or for a temporary residence not exceeding 3 years, not to receive the difference, nor parties revisiting India to pay it, if the temporary residence does not exceed 1 year. The value to be taken from tables, of which the following is a specimen.

On promotion, the subscriber will be liable to pay the donation, and to pay or redeem difference of subscription.

Members who may redeem their periodical subscriptions by a single payment are precluded the benefit of passage money and equipment allowance.

Subscribers paying donation by instalments pay interest at 8 per cent. per annum upon all unpaid balances until the whole is liquidated.

Donations are considered to be due on the occurrence of marriages, and the commencement of increased risk to the fund, and when payment is deferred, parties are liable to interest at 8 per cent. per annum. Widowers may revert to the unmarried grade after the expiry of the month in which they become such, on their apprising the secretary of their wish to be transferred to the list of unmarried subscribers.

Members marrying who entered the service before subscription was compulsory, and whose cases are not otherwise specially provided for in the remaining clauses of this article, if desirous that their widows should possess claims to the eventual benefits of the fund, are required to inform the secretary and paymaster (if in India) and the agent (if in Europe) of their marriage. An unmarried subscriber to the fund marrying a person who has borne him children, or with whom he may have been cohabiting, shall not be transferred to the married list, unless he furnishes a health certificate, of the form laid down in the regulation, and pays up the prescribed marriage donation and subscription, with interest, calculated half-yearly at 8 per cent. per annum, for five years, commencing in the rank he then held, and paying the difference through each successive rank he may have attained by regimental promotion, and, unless the payment of the additional donation be made within six months after such marriage, the subscribers shall be required to pay the amount with interest at 8 per cent. per annum, calculated from date of marriage, and furnish a health certificate, as required by Art. 2, clause 1; and no claim for pension on the part of the widow of an officer, not subscribing as a married member at the time of his decease, shall be admissible.

Arrears which may be due to the fund by a married subscriber at the time of his death, will, if not discharged by the paymaster of the corps to which the deceased was attached, or by the president of the committee of adjustment, or by his executors, or agents, be deducted from the pension of the widow, and the whole donation and arrear to be paid, although the subscriber should become a widower before completing the full payment. In all cases when the difference of age of the husband exceeds that of the wife fifteen years, the donation to be increased 10 per cent.; when twenty years, 15 per cent.; when twenty-five years, 20 per cent.; when thirty years, 25 per cent.; when thirty-five years, 30 per cent.; when forty years 35 per cent.; and thereafter in a similar proportion in every grade of promotion.

N.B. A member marrying is required to furnish his marriage certificate, and to state his own and his wife's age. All members re-marrying to pay the prescribed marriage donation of their rank as on their first marriage. A subscriber withdrawing his

name from the married list during the lifetime of his wife, and afterwards wishing to be again placed in the same position for her benefit, shall pay a second time to the marriage donation, and furnish a health certificate of the form laid down in the regulation.

Art. 14. Subscribers who may be prevented from drawing pay from a temporary cause over which they had no control, such as captivity, or furlough extended on medical certificate, shall, during such period, be exempted from the payment of monthly subscription, without forfeiture of the rights of the subscription; but on the removal of such incapacity, and upon the receipt of pay, the arrears are to be made good within six months, with interest at 8 per cent. per annum for any time beyond that period. But if the incapacity to pay proceed from any other cause, dependent upon the choice or conduct of the individual, such as furlough extended on private affairs, or any penal suspension from rank and pay, not only shall the arrears so accumulated be paid within the above term, but compound interest charged at 8 per cent. per annum on the amount.

Section III.—Benefits derivable from the Bengal Military Fund.

Art. 15. The benefits derivable from the Military Fund are twofold.

1st. Such as are granted by the regulations to subscribers while living.

2d. Such as are granted to widows of deceased subscribers.

Art. 16. The benefits granted to subscribers while alive are considered personal, and subject to the decision of the directors for the time being, who will be guided in their decision on each claim by the regulations of the fund, except when they have reason to entertain doubts with respect to any such claim; it will in such cases be their duty to call for further information from the claimant; and if this information should not be satisfactory to the directors, they are authorized to withhold the payment of the claim.

Art. 17. A subscriber, not being of the rank and standing of a regimental major, or in receipt, at the period of going on furlough, or within six months of that time, of emoluments equal to the regimental pay and allowances of a major of infantry on half-batta, who may proceed to Europe on sick certificate, and who may not be allowed passage-money from Government, shall be authorized to apply to the Military Fund, if unmarried, for the sum of rupees 800, or, if married, for that of rupees 400, towards the expense of his passage, provided his application be accompanied by a declaration that he does not possess the sum of rupees 5,000, or property of any description to that amount; and also shall be entitled on his return to India to receive, towards the outward passage, if unmarried, the sum of £60, or if married, the sum of £40, on production of a declaration that he neither possesses, nor has at any time possessed, £500 sterling, or property of any description to that amount (exclusive of pay) during the period he has been in receipt of English pay

on furlough, and likewise proving, to the satisfaction of the agent of the fund in England, that his services are not required to proceed with, or in charge of, recruits to India.

All applications from subscribers for passage-money from the fund, whether proceeding to or returning from Europe, must be accompanied by a guarantee (Form VI.) on the part of the agents of the ship, or other respectable party, that they will be responsible for a moiety of the passage-money allowed by the fund being returned, in case of death previous to the pilot quitting the vessel on which the claimant's passage may have been taken.

Art. 18. A subscriber not coming, as regards rank or emoluments, within the exception mentioned in the preceding article, so proceeding to England on sick certificate, shall be authorized to apply, if unmarried, for the further sum of rupees 300, or, if married, for that of rupees 150, for his equipment, his application being accompanied by a declaration that he does not possess the sum of rupees 2,000, or property of any description to that amount; but no allowance will in any case be made for equipment to a subscriber returning to India.

N.B. The benefits held out in the two preceding articles should be applied for when claimable; and no claim will be admitted, which is not preferred within twelve months from date of furlough.

Art. 19. Subaltern officers proceeding to England on sick certificate who shall make a declaration that they do not possess property from any source (exclusive of pay and pension for wounds) that will enable them to expend £50 per annum, if unmarried, shall be allowed that sum, or if married, be allowed a moiety of that sum, annually during the period of receiving English pay on furlough. The declaration to be renewed annually.

N.B. The possession of Company's rupees 1,500, or £150, precludes all claim to the above allowance.

Art. 20. It having, however, been deemed necessary to set limits to the claims for gratuitous passage-money, equipment allowance, and income to subscribers proceeding to England on sick certificate, no subscriber who has received the benefits he is entitled to at any one time, shall receive a second indulgence until the expiration of eight years, reckoning from the renewal of Indian subscription. And every unmarried subscriber who may draw such benefits subsequent to the 1st January, 1856, shall, in the event of his marrying, be required to refund a moiety of their amount, to place him on a footing with married subscribers, who are restricted to half the rates paid him.

N.B. A subscriber who shall have received these benefits before he has served eight years in India, will not be entitled to a second indulgence until he shall have been (exclusive of first furlough) 16 years in the service.

21. Subscribers proceeding to England from any place not under the presidency of Bengal, shall be entitled to the personal benefits

SECTION V.

Fund.

Art. 1. The object of the Institution and Fund are fourfold :

1st. To provide for those members who are obliged by ill health to leave India for a time the means of doing so, in case their furlough allowance and passage-money, when entitled to them from Government, or their private fortunes, are inadequate to the expense.

2ndly. To provide for those members who, by unavoidable accident or misfortune, are compelled to renounce the service.

3rdly. To provide for the widows and children of deceased members. And,

4thly. To give all those members who have served in the civil service twenty-five years, and actually resided twenty-two years of that period in India, or if compelled by ill health to quit India before completing that period, after a residence of fifteen or ten years, as the case may be, annuities on their retiring from the service.

SECTION VIII.

Members Retiring from India.

Art. 1. Annuity of 1,000*l.* wishing to secure to their widows and children the benefits of the provident branch of the institution, may continue their contributions at the same rates on their annuities as those levied from members in the service on their allowances, and under the same conditions in regard to minimum payments and liability to increase of rates, and option being allowed to each annuitant to pay up, at the period of

resigning the service, in lieu of all claims on account of contributions to the provident branch, a sum equal to the rate of percentage levied from the service for widow and children, calculated according to the value of an annuity on the joint lives of husband and wife, and of father and child, at 8 per cent., but the settlement being open to future adjustment in the event of the necessities of the Fund requiring an enhanced rate of contribution, and the annuitant being liable to pay up in the same manner for each child subsequently born, and the additional premium as a married member, in case of subsequent marriage.

Art. 2. These contributions are to be paid annually, at the close of each year, to the treasurer and collector to the Fund, and are not claimable on the amount due for the broken period of the year in which the annuitant may die, and for which the full premium has been paid.

Art. 3. A member, not an annuitant, retiring from India, and ceasing to draw any allowance from the Company, or if receiving the smaller annuity of 250*l.* or 500*l.*, or if reverting to the old fund, with the relinquishment of the subscriptions paid to the provident branch, may continue his contributions, to secure to himself and his family the benefits of the provident branch of the institution.

Art. 4. If he die in such retirement, his widow and children shall be entitled to the benefit of the Fund, the same as those of a member continuing in India, in the event of his having paid to the Fund a monthly contribution to the provident branch of 15, 20, 30, or 40 rupees, according to rank; or, in direct contribution, the sum of 5,000 rupees, inclusive of subscriptions previously paid. If he be in the receipt of the smaller annuity, he may, after paying the amount prescribed for non-annuitants in direct contribution, continue his subscription on his annuity in the manner laid down for the large annuities, the optional subscription for children being equally available to him.

Art. 5. The resumption of the payment of contributions, as provided in the preceding article, is to commence from the close of the third year from the date of the member quitting India, or from the commencement of the smaller annuity, if the latter period be earlier.

Art. 6. If a member or smaller annuitant die in such retirement, having ceased to subscribe to the Fund, and not having contributed the sum of 5,000 rupees to the provident branch, it shall be at the option of the subscribers at large to admit his family to the benefit of the Fund, or otherwise, all right and title thereto having, by such omission of payment, lapsed.

Art. 7. If the member return to the service in India, he shall be entitled to be re-admitted a member, as matter of right, on his complying with the regulations herein contained.

Art. 8. Annuity and members removing from India, and continuing their subscriptions, must nominate an agent in India to adjust their account with the Fund, all payments and contributions being necessarily receivable in this country.

SECTION X.

Personal Privileges of Members.

Art. 1. A member of the Fund who may be compelled by sickness or infirmity to proceed to Europe for the recovery of his health, and who, having already received the furlough allowance, or, not being entitled to any provision from the Government, shall not be possessed of sufficient means to pay for his passage to Europe, and to support himself and family while he is there, shall, on his making a solemn declaration to that effect, on oath, and the committee being satisfied of the facts, upon his producing a certificate of necessity from the surgeon who has attended him, countersigned by a member of the medical Board, and the permission of the Government for him to proceed to Europe, be entitled to receive from the Fund such aid as may appear necessary for the purpose, not exceeding the sum of 2,000 rupees, in the first instance, as a loan, to be repaid without interest, and for each year that he may be absent, not exceeding in the whole three years, absolute grant or donation not exceeding 200*l.*, if he be a writer or a factor, and an unmarried man; but if he be of higher rank in the service than a factor, or if he be married, then not exceeding 300*l.*

Art. 2. If such member shall possess property, but not amounting to the donation mentioned in the preceding article, then such allowance only shall be made as, taken together with the annual income arising from such property, to be estimated according to the provisions of sections XV. and XVI., shall make up the sum intended hereby to be granted for the support of a member compelled to return to Europe for the recovery of his health.

Art. 3. The first donation of 200*l.* or 300*l.*, as the case may be, shall be paid in advance before his embarkation, and each of the two subsequent donations in like manner at the commencement of each of the succeeding years.

Art. 4. Under no circumstances whatever shall such or any other donations or relief be extended beyond the third year.

Art. 5. Should any member proceeding to Europe on sick certificate, and with the furlough allowance granted by the Government, not be possessed of sufficient means to pay for his passage, he shall be entitled to receive a sum, not exceeding 2,000 rupees, from the Fund, as a loan, to be repaid without interest.

Art. 6. Should any member on returning from sick furlough in Europe to India be unable to pay for his passage out, the agents for the Fund in London, on his making oath to this effect, and on their being satisfied as to the fact, shall advance him on loan, without interest, to be repaid as provided in the following article of this section, such aid as may appear necessary for the purpose, not exceeding the sum of 250*l.* sterling.

Art. 7. All sums granted on loan under the provisions of this article shall be repaid on the return of the party to the service,

by a deduction of 20 per cent., exclusive of the established monthly contribution upon his allowances, on succeeding to an office the emoluments of which amount to 700 rupees per mensem.

Art. 8. In case any member shall unhappily lose his sight, or be deprived of his mental faculties, or meet with any other personal misfortune which shall render him unable to retain his situation in the service, and he shall on that account retire and withdraw himself altogether from the service in India, such member shall, from the day of his retiring and withdrawing himself altogether from the service, be entitled to receive from the Fund, during the remainder of his life, 300*l.* sterling per annum, to be paid to him in advance yearly, and every year, in India or in England, according as he may choose his future residence.

Art. 9. But should the member requiring aid on this account possess property yielding an annual income, but not to the amount of 300*l.*, then such allowance only shall be made as, taken together with the annual income arising from such property, to be estimated according to the provisions of sections XV. and XVI., shall come up to that amount.

Art. 10. A member of the Fund who may possess annual income of 300*l.* or upwards is not entitled to any allowance whatever under the two preceding articles.

SECTION XI.

Privileges of Widows.

Art. 1. The widow of every member of the Annuity and Provident Fund, by whom the additional subscription, levied from the 1st January, 1830, has been paid, dying, shall be entitled to receive, subject to the deduction for the minimum payment, an allowance or pension of 300*l.* sterling per annum.

Art. 2. Her title to this pension shall not be barred, nor in any way affected, by her possession of property, to whatever amount, left by her husband, or obtained from other sources.

Art. 3. The benefit of the foregoing article shall be further extended to those widows at present on the Fund whose husbands were alive and in the service on the 1st January, 1830, provided the enhanced rate of subscription was paid by them, enforcement of the deduction for the minimum payment, prescribed by section VII., article 5, being delayed until the advantages from the withdrawal of the restriction in regard to property are claimed.

Art. 4. The claims of all widows to whom the provisions of this revised code do not extend, will be considered under the regulations which were in force on the 30th April, 1825.

Art. 10. Widows who may be in India when admitted to the benefit of this Fund, and shall be desirous of going to England,

if they have no other means of defraying the expenses of their passage, shall be entitled to a grant, not to exceed 300*l.* sterling.

Or, married before she shall have attained the age of eighteen, then the donation of 500*l.* shall be payable to herself or to her husband, her claim on the Fund ceasing.

Or, at the age of sixteen, an option shall be allowed to each daughter of receiving, in lieu of all other annuity and donation, an annuity of 60*l.* sterling, so long as she may remain unmarried.

Art. 3. On the death of any member of the Fund leaving a child or children born in lawful wedlock, for whom no additional subscription has been paid, an allowance shall be made from the Fund, to be paid in England or in India, as circumstances may require, according to the following rates:—

Till such child shall have attained the age of five years, 30 rupees per mensem in India, or 30*l.* sterling in England.

From five until it shall have attained the age of eight years, 40 rupees per mensem in India, or 60*l.* sterling per annum in England.

Art. 4. In the case set forth in the two first articles of this section, the pensions and *doucars* to which the children are entitled shall not be reduced by reason of any property which their parents may have possessed, or to which they may be entitled from any other source. In the case set forth in article 3, the allowance to each child is liable to be curtailed in proportion to the property left by the deceased member, or otherwise inherited, as specified in the following articles.

Art. 5. If the child or children have a mother at the time of

the death of its or their father, and her income shall exceed 500*l*. sterling a year, then and in such case such allowance only shall be made as, taken together with the overplus above the income specified, shall make up the sum hereby intended to be provided for the maintenance and education of the child or children. The same deductions from the sums hereinbefore named and intended to be provided shall be made, in case the father of such child or children, or any other person, shall have made any provision for it or them, by will or otherwise, which shall not amount to the sum hereby intended to be provided for such child or children.

Art. 6. And it is specially to be understood, that no pension whatever is to be made for any child or children by whose father the additional subscription has not been paid, the amount of whose income, derived from whatever source, exceeds the allowances to be provided by this section; and if, at any time after the death of its or their father, provision shall be made for such child or children from any other source, exceeding, or not equaling, the amounts hereby intended to be given, that then and in such case the provisions hereby intended to be made shall cease, or be proportionably abated.

Art. 7. In estimating the income of a child or children,—

1st. Legacies and bequests to the widow; and her separate property, of any kind, shall not be considered as forming part of the income of the children; but the property left by a deceased member is to be considered as the property of the widow and children collectively, in settling their claims on the Fund.

2nd. In case the income shall consist wholly in annuities, for lives or for years, the value of such annuity shall be taken at the fair price such annuity would be worth if exposed for public sale.

3rd. The income shall be calculated in the manner defined in sections XV. and XVI.

Art. 10. Any child who may hereafter be a pensioner on the Fund under article 3 of this section, and subject to the restriction in regard to property, who may from blindness, insanity, or such-like infirmity, be totally incapable of earning a subsistence, shall, at the age of sixteen years, have the option of receiving a donation of 500*l*., on accepting which, all further claim upon the Fund shall cease; or such child may, by him or herself, or guardians, waive all claim to the donation of 500*l*., and shall then be allowed an annuity of 60*l*. during the continuance of such incapacity.

Art. 3. The annuities to boys shall cease on the completion of their eighteenth year, at which time the guardians of each of them shall receive from the fund the sum of £225.

Art. 4. On application being made, and on sufficient reasons being assigned, the above sum of £225 may be paid previous to the child's (boy or girl) completing its eighteenth year; but in all cases the payment of this sum shall extinguish all claim to a continuance of the annuity.

Art. 5. But the annuities of females for whom donations have been paid shall continue (on their giving up their claim to portion) until their marriage or death.

Art. 6. A child born within ten months after the death of its father, shall be entitled to admission to the benefits of the Fund, on payment on its account of the regulated donation, within twelve months after its birth, no payment of annuity being made, however, until the donation is liquidated.

Fund; their annuities continuing, in like manner with those of other female children annuitants, until their marriage or death.

Art. 9. Widows who are annuitants on the fund, and who may hereafter marry, are allowed to retain *one-half* of the annuity formerly granted to them; and if her second husband be a subscriber, on her again becoming a widow, she may claim the annuity prescribed for the rank of either the first or second husband; but she is not to receive more than one full annuity.

Art. 10. Annuities shall be payable to widows or guardians of children, or to their constituted agents in London or Bombay alone, if payable in London, at the rate of 2s. 3d. per rupee.

Art. 11. All widows on leaving India shall be entitled to receive the passage-money at Rs. 1,200, whatever the rank of the husband.

Art. 12. All children admitted to the benefits of the fund shall be entitled to receive the sum of 400 rupees to defray the expense of their passage to England, if accompanied by their mother, or 525 rupees if proceeding alone, without reference to their age or the rank of their father at the period of his decease.

Art. 13. Articles 12, 13, 14, 16, latter part 17, and 18 of section four of the regulations dated 1819 were rescinded by the decision on the 5th proposition of the 36th circular; but as this resolution was not to have a retrospective effect, as all annuitants on the fund previous to the 23d September 1824 remain subject to the former regulations, and consequently such widow annuitants shall continue to furnish, every half-year, declarations, specifying whether they possess any property or not, and in the former case its actual amount, and drawn up in the form in the Appendix marked A.

Benefits to Married and Unmarried Subscribers.

Art. 14. A married subscriber shall be entitled to receive, on his personal security, a loan not exceeding twenty months' net pay of his rank, for the purpose of sending his wife or children to England, provided that the said loan be repaid by instalments within twenty months from the date of its advance, with interest at 8 per cent. per annum; viz.—Colonel, Rs. 6,000; Lieut.-Colonel, Rs. 4,800; Major, Rs. 3,600; Captain, Rs. 2,400; Lieutenant, Rs. 1,200; and Ensign, Rs. 960.

Art. 17. An advance on loan will be granted to married men proceeding as above with their families of one-half, in addition to the above loan, to be repaid in the same instalments.

Art. 18. One-half of the advance prescribed in Art. 16, and on the same terms, will be granted to a subscriber who may send his family to the Cape of Good Hope or New South Wales, although he should not proceed thither.

Art. 19. No fresh loan can be granted to any subscriber while any former loan, or any part of such, with the interest thereon, remains unpaid.

Art. 20. Personal benefits, viz. passage-money (homeward and outward); income allowance, to subscribers on sick certificate, cannot be claimed a second time until the expiration of 8 years, reckoning from the renewal of Indian subscription; and in the case of a subscriber who shall have received these benefits before he has served 8 years in India, he will not be entitled to a second indulgence until he shall have been (exclusive of first furlough) 16 years in India.

Art. 21. Personal benefits being granted for specific purposes, any omission to claim them at the proper periods involves their entire forfeiture, unless the omission can be explained to the satisfaction of the Directors.

Art. 23. Field officers, who proceed to Europe on sick certificate, and who are not furnished with a passage by Government, shall, on making application to the Directors, through the secretary, be entitled to receive for that purpose the sum of Rs. 1,200, as homeward passage-money, on loan, to be refunded, with interest at 8 per cent. per annum from date of advance, within twelve months after the expiration of three years from the date of receipt or return to India.

Art. 24. SECTION IV.

Causes of Exclusion from the Benefits of the Fund.

Art. 1. A subscriber, prior to the orders of the Hon. Court (17th November, 1823) withdrawing from the fund, forfeits, *ipso facto*, all claims to the benefits derivable from it, as also the amount of his donation and subscription, and all other sums which he may have paid up to the period of secession.

Art. 2. The non-payment of donation, subscription, or any other sum demanded from them in conformity to the regulations, shall exclude subscribers *from all the benefits* derivable from the fund.

Art. 3. The non-compliance with any regulation of the Military Fund, or the bringing under litigation any decision which has been passed in conformity to these regulations.

Art. 4. All income derived from the Bombay Military Fund is declared to be *inalienable*, and the fact of attempting the alienation of such income in any manner, or under any pretence, shall be deemed in itself a forfeiture of all future benefits from the fund.

Art. 5. The widow of a subscriber who shall have been legally divorced or separated from her husband, or who shall at the time of his death have quitted his protection, or shall be living in a state of adultery, though not legally separated or divorced, shall not be entitled to any benefit from the fund under any circumstances whatever.

Art. 6. If, after the widow of a subscriber shall have been admitted to the benefits of the fund, it shall at any time appear to the satisfaction of the directors that she is living in a state of incontinence, or in a manner discreditable to the memory of her

husband, she shall forfeit all claims to the benefits derivable from the fund, and shall in future be deprived of her annuity.

SECTION V.

Eventual Benefits of the Fund.

Art. 1. Independent of the benefits which have been recited, the Bombay Military Fund is considered as holding out the prospect of eventual benefits under the following circumstances.

Art. 2. If at any future period it shall be found that the funds of the institution afford a considerable surplus, after providing for the actual and probable applications for relief under the preceding articles, it shall then, and not otherwise, be competent for the directors of the institution, provided the permission of the Hon. Court of Directors be obtained, to afford the aid of the fund in the following cases:

First. To subscribers compelled by ill-health to abandon the country after ten years' service, before they are entitled to retire on full pay, the regulated passage-money of their rank, and an annuity which shall render their total income, from whatever source derived, equal to the full pay of their rank.

Second. To officers who may have served twenty-two years in India, and may be compelled by ill-health to retire from the service, without having obtained the rank of major, the regulated passage-money of their rank, and such assistance from the fund as will render their whole income, from whatever source, equal to the pay of major; and, as in the case of widows, the possession of an income not exceeding half the pay of a major of infantry, shall not occasion an abatement from the provision to be made from the fund.

Third. In the event of a still further surplus, it shall be competent for the directors of the Military Fund, at their discretion, to assist officers retiring from the service on full pay in limited circumstances, with a sum equal to the regulated passage-money of their rank, provided always that the resignation of such officer shall actually have been accepted previously to emigration.

Fourth. Should the fund, however, at any period fall short of the demands upon it, so that the annual income will not defray the amount of the annuities and other claims, then it shall be in the power of the directors to make a proportionate deduction from the annuity of each annuitant, and from the payments to other claimants above the rank of subaltern, until the state of the fund shall afford the means of complete payment; when, if a surplus income exists, the arrears shall be made good from the amount of surplus, but not otherwise.

to such female children as at present receive annuities, provide that the increased donation be deducted from the amount payable by the Fund, by instalments of one-fourth the amount of pension; the same benefit to all boys on the same terms.

Art. 8. On the same condition, a child born within ten months after the death of its father shall be entitled to the increased annuity, on the necessary affidavit being made by the widow, and transmitted to the secretary.

Art. 9. Females for whom additional donation shall have been paid, and who have attained the age of eighteen previous to the death of their fathers, shall nevertheless be entitled to admission on the Fund, their annuities continuing in like manner with those of other female children (annuitants) until their marriage or death.

Art. 10. The guardians of female annuitants shall declare, six months previous to their attaining the age of twenty-one years, whether they wish to receive the final portion, or to continue as annuitants; and the receiving any annuity after that age forfeits all right to the payment of portion.

Art. 11. Donations shall be paid by subscribers within one year of the birth of each child, of Rs. 100 for a son, and Rs. 200 for a daughter; but such donations shall not be considered as forming a part of the minimum required to entitle subscribers to the full benefits of the Fund.

Art. 12. It shall be imperative upon the parents of all children born after the 1st January, 1852, to comply with the above rules.

Art. 13. It shall be optional with parents of children born prior to the 1st January, 1852, either to avail themselves of the increased annuities by payments of the donation for all sons then living under eighteen years of age, and for all unmarried daughters, or to remain on the former footing; but the children of such subscribers as may not avail themselves of this rule within six months of its establishment, shall not be entitled, under any circumstances, to the higher scale of benefits.

Art. 14. Notice of the birth of each child shall be given to the secretary in India, or the agents in London, within three months after its occurrence. In failure of such intimation, and unless it shall have been proved to the satisfaction of the directors that the delay arose from unavoidable circumstances, the parent of such child shall pay double donation, or Rs. 200 if a son, and Rs. 400 if a daughter,—such double donation is not to form any portion of the minimum required to entitle subscribers to the full benefits of the Fund.

Art. 15. Persons becoming members of the Fund, and having children for whom they may desire to pay the additional donation, shall, on giving immediate information thereof, be required to pay the prescribed sums with compound interest at 6 per cent., calculated from one year after the date of the birth of each child, or from the establishment of this regulation, viz., the 1st January, 1852; and, in the event of their having lost any children by death between either of the above dates and that of their becoming

members, they shall also pay the additional donation on their account.

Art. 16. Widows who are annuitants on the Fund, and who may hereafter marry, are allowed to retain one half of the annuity formerly granted to them; and if the second husband be a subscriber, it shall become optional with the widow to claim the annuity prescribed for the rank of either the first or second husband; but she is not to receive more than one full annuity.

Art. 17. The annuities to children for whom additional donations shall not have been paid under Art. 11, shall cease to sons, without reservation, on the completion of their sixteenth year; and to daughters on the completion of their sixteenth year, if their mother shall be living, or on their being settled in life; in case of the death of both parents, the annuity (if the death of the parent occurs subsequently to their attaining their eighteenth year) to commence from the date of the death of the last surviving parent. On the sons completing their sixteenth year, and the daughters being settled in life, the guardians of each of them shall claim from the Fund the sum of 100*l.*, to assist in his or her establishment in life.

Art. 18. The grant of annuities to the daughters, for whom additional donations shall not have been paid under Art. 11, shall, in case of the death of both parents, after their attaining their eighteenth year, be subject to the deduction of any yearly income beyond half the amount of pension which they may derive from any other source; and in case such other income shall amount to 90*l.* per annum, the annuity granted from the Fund shall cease and terminate. The guardians, in claiming the gratuity allowed on the settlement in life of each child, shall satisfy the directors of the justice of the claim; but in all cases the payment of the sum shall be a virtual resignation of any claim to a continuance of the annuity.

Art. 19. All widows of subscribers who do not possess such amount of property as excludes them from the benefit of Lord Clive's Fund, and who are not provided with a passage to England by Government, shall be entitled to receive (for one passage only) the sum of 1,500 rupees, to defray the same.

Art. 22. The children of a deceased subscriber, without reference to their age, or the rank of their parents, shall be entitled to receive as follows, to defray the expense of their passage to England,

For a single child	Rs. 200
For the second do.	500

Art. 23. A married subscriber shall be entitled to receive, on his personal security, a loan equal to twelve months' nett pay of the rank he holds, for the purpose of sending his wife or children to England; provided that the said loan be repaid, with interest, by instalments, within twenty-four months from the date

of its advance. A similar loan, on the same terms and conditions, shall be granted to a married subscriber for the purpose of bringing his family from England, provided that all loans formerly advanced to him shall have been duly discharged.

Art. 24. Widows, annuitants on the Fund, shall furnish, every half-year, an affidavit of the names and number of children then alive for whom such annuitant claims a pension, according to the regulations.

Art. 25. In the same manner, the next of kin, or guardians of children, annuitants on the Fund, shall furnish a half-yearly affidavit to the same effect.

Art. 26. A married lieutenant and purser (or widower of that rank with offspring), at home on sick certificate, being married at the date of his departure from India, shall be entitled to receive from the Fund 20*l.* per annum for his wife, and 10*l.* for each of his children, if the number does not exceed two, during the period of his receiving pay in England; but the total sum so payable for wife and children shall not exceed 40*l.* per annum.

Benefits to Unmarried Subscribers.

Art. 27. Subscribers below the rank of a lieutenant, proceeding to England on sick certificate, shall be entitled to receive from the Fund 20*l.* per annum, during the period of their receiving pay in England.

Art. 28. Subscribers of the rank of captain or commander, who may proceed to Europe on sick certificate, and who are not furnished with a passage by Government, shall be entitled to receive, for that purpose, a sum, not exceeding 1,500 rupees, to defray the same, on loan, to be paid, with interest, within twenty-four months after their return to India.

Art. 29. Subscribers, of whatever rank, who may have proceeded to Europe on sick certificate, and subscribers who may have proceeded thither on furlough, and may be compelled to remain after the expiration of such furlough on account of certified ill health, shall be entitled to receive from the agents in England (as a loan only), for a captain or commander, 150*l.*; for lieutenant or purser, 120*l.*; for a midshipman or clerk, 60*l.*, to defray their passage outward; the same to be repaid, with interest, wholly by captains and commanders, and half the amount only by officers below that rank, after their arrival in India, by instalments not exceeding twenty-four. A second loan must be all repaid without interest.

Art. 30. Subscribers proceeding to England from any other place than Bombay, on sick certificate, duly obtained according to the regulations, shall be entitled to the same benefits (by bills on the directors of the Fund), giving the secretary the necessary information.

Art. 31. All widows of subscribers, or guardians claiming the benefit of the Fund in behalf of children, shall sign a declaration on application for such benefit.

Art. 32. Subscribers below the rank of a commander, return-

ing to India from furlough, shall be entitled to receive from the agents in England (as a loan only) the sum of 60*l.*, the same to be repaid, with interest thereon, after their arrival in India, by instalments, not exceeding twelve.

Art. 33. Pursers proceeding to England on sick certificate, not being allowed passage-money by Government, shall be entitled to receive 1,200 rupees from the Fund, on loan, half of which to be paid back, with interest, in twenty-four months after their return to India.

Causes of Exclusion from the Benefits of the Fund.

Art. 1. A subscriber withdrawing from the Fund, or neglecting to pay up his donation and subscription (unless it shall be made to appear to the directors that such omission was occasioned by unavoidable circumstances), shall forfeit, *ipso facto*, all claims, as also the amount of donation and subscription, and all other sums which he may have paid.

Art. 2. The nonpayment of donation, subscription, or any other sum demanded in conformity with the regulations.

Art. 3. The non-compliance with any regulation of the Fund, or the bringing under litigation any decision which has been passed.

Art. 4. All income derived from the Fund is declared to be unalienable; and the fact of attempting the alienation of such income in any manner shall be deemed a cause of exclusion.

Art. 5. A widow of a subscriber legally divorced or separated from her husband, or who shall at the time of his death have quitted his protection, or be living in a state of adultery, though not legally separated or divorced, shall be excluded.

Art. 6. The widow of a subscriber admitted to the benefit of the Fund, appearing to the satisfaction of the directors to be living in a state of incontinence, or in a manner discreditable to the memory of her husband, shall forfeit all claims to the benefit derivable from the Fund.

Eventual Benefits of the Fund.

Art. 1. Independent of the benefits which have been recited, the Indian Navy Fund is considered as holding out the prospect of eventual benefits, under the following circumstances.

Art. 2. If, at any future period, it shall be found that the funds of the Institution afford a considerable surplus, after providing for the actual and probable applications for relief under the preceding articles; it shall then, and not otherwise, be competent for the directors of the Institution, provided the permission of the Honourable Court of Directors be obtained, to afford the aid of the Fund in the following cases:—

1. To subscribers compelled by ill-health to abandon the country after ten years' service, and before they are entitled to retire on full pay, the regulated passage-money, and an annuity which shall render their total income, from whatever source derived, equal to the pay of their rank.

2. To officers who may have served twenty-two years in India, and be obliged by ill-health to retire from the service without having obtained the rank of commander, the regulated passage-money, and such assistance from the Fund as will render their whole income, from whatever source, equal to the pay of a commander.

3. In the event of a still further surplus, it shall be competent for the directors of the Fund to assist officers retiring from the service on full pay in limited circumstances, with a sum equal to the regulated passage-money; provided always, that the resignation of such officer shall have been accepted previously to his embarkation.

Art. 3. Should the Fund, however, at any period, fall short of the demands upon it, so that the annual income will not defray the amount of the annuities and other claims, then it shall be in the power of the directors to make a proportionate deduction from the annuity of each annuitant, and from the payments to other claimants above the rank of a junior lieutenant, until the state of the Fund shall afford the means of complete payments, when, if a surplus income exists, the arrears shall be made good from the amount of surplus, but not otherwise.

ADVANTAGES OFFERED BY THIS SOCIETY.

Particular attention is requested to the Rates, which, being founded on the most accurate observations of the duration of human life, are as moderate as is consistent with perfect security.

Proposals are received for Assurances, either on a Scale entitling the Assured to participate in the Profits of the Society, or at a lower rate of premium on the non-participating scale; likewise on ascending and descending scales, and for a limited number of payments; also for the purchase of Reversions and Interests dependent on Lives, or for granting Loans thereon.

The Assured have the option of appropriating their Profits to the immediate reduction of their Premiums, or as a Bonus to the Sum Assured.

The Society will purchase any Policy, for the whole term of Life, on which not fewer than five Annual Payments have been made; or, if required, nine-tenths of its calculated value will be advanced by way of Loan.

At the period of the last annual valuation, the Assets of the Society were ascertained to be upwards of 650,000l. The amount of Policies in force exceeds 2,000,000l., and the Annual Income, arising from Premiums thereon, and Interest on the Invested Capital, above 190,000l.

Universal Life Assurance Society—continued.

INDIAN BRANCHES

ESTABLISHED AT

CALCUTTA, MADRAS, AND BOMBAY.

The UNIVERSAL LIFE ASSURANCE SOCIETY was established in the early part of the year 1834, for the purpose of imparting to residents in India, as well as to those in British Possessions elsewhere, the same advantages of Life Assurance which it furnishes to those residing in Great Britain.

The Parent Institution being in London, with Establishments at the three Presidencies of India for granting Policies, gives the opportunity of effecting Assurances in either Country, as may best suit the convenience of the parties.

Thus, while the holder of a Policy has the advantage of the extensive knowledge of Indian affairs possessed by the local Boards in India, and the benefit of their vigilant superintendence of the concerns of the Society, he has also the advantage of participating in the profits of the European Branch, and of the stability of an English as well as an Indian proprietary, to guarantee the due payment of Claims.

Particular attention is requested to the very moderate rates charged by this Office for Indian Risks, both Military and Civil; but more especially to the advantage offered to Indian Assurers, whose Premiums are reduced on their return to Europe to the English rates corresponding with the age when the Policy was originally effected, without reference to the state of health when they arrive in this country.

The Tables of Rates for India have been accurately calculated from the records of the East-India Government, showing the true risk of life during residence in India, and after retirement from Foreign Service.

Policies taken out in England may be continued in India, or those taken out in India may be continued in England, and Premiums and Claims may be paid in either country, on definite and equitable terms.

All further Particulars may be obtained at the Office in London, or of the

THRESHER & GLENNY, EAST-INDIA AND GENERAL OUTFITTERS.

To the Governor-General of India, the Governor of Madras, the Governor of Bombay, the Governor of Ceylon, the Governor of Hong-Kong, &c. &c.

152, STRAND, LONDON.

OUTFITS both for **LADIES** and **GENTLEMEN**, suitable to all circumstances and appointments, are supplied at the lowest Wholesale Prices, and are prepared, packed, and shipped, without trouble to the parties. And Lists of the Articles required, with Prices, &c., will be forwarded on application.

Messrs. THRESHER & GLENNY beg to call particular attention to the following articles, which are manufactured exclusively by them, and can only be procured at their establishment. All orders, therefore, whether from England, India, or elsewhere, must be sent direct to **Thresher and Glenny**, next door to Somerset House, Strand, London.

THRESHER'S INDIA GAUZE WAISTCOATS.—These most necessary articles of clothing for warm climates are strongly recommended by medical men, as the most effectual preventive of the many diseases arising from check of perspiration. They possess all the advantages without the inconvenience of flannel waistcoats, and are light, soft, durable, and perfectly free from every irritating or disagreeable quality.

THRESHER'S KASHMIR FLANNEL SHIRTS.—This article manufactured from Silk and Wool, is much lighter and softer than the ordinary coloured Flannels, and being equally strong, are especially adapted for India.

THRESHER'S COLOURED FLANNEL SHIRTS.—These Shirts, so universally worn and approved, were manufactured by **Thresher and Glenny** as long since as 1833, and from that period have been supplied by them in all varieties and colours.

THRESHER'S KASHMIR HALF-HOSE.—Especially adapted for summer wear and for warm climates, being softer, lighter, stronger, and more agreeable to the feet, than any other material, and very elastic.

GLENNY'S BALBRIGGAN HOSIERY.—Awarded the Prize Medals of Paris, London, and Dublin, and patronised by the Queen, Prince Albert, &c. This celebrated Irish manufacture is superior to every other make of Hosiery for elasticity and durability, and never shrinks by washing.

(Continued.)

Thresher & Co.'s Outfitting—continued.

THRESHER'S MILITARY SHIRTS.—Cut expressly for uniform, and made up quite plain, without any plaits or doubling, and consequently fit better, and are more comfortable under uniform than any other make of shirt.

THRESHER'S INDIA TWEED.—This article is manufactured entirely of wool of various mixed colours, for Trousers and Morning Coats; very light, strong, and elastic, and particularly adapted for warm climates.

THRESHER'S REGISTERED CABIN BAG.—Manufactured by authority of the Peninsular and Oriental Company for the Cabins of their Steamers, and particularly adapted to Continental travelling, and used as Pettaraks in India.

THRESHER'S REGULATION OVERLAND TRUNK.—Manufactured by direction of the Egyptian Transit Administration, expressly for the Overland Route to India, and recommended by the following—

**Firman of His Highness the Pasha of Egypt,
Land of Egypt, Regob, 1267.**

[Translation.]

“We, the undersigned Khair-ed-deen Pasha, Director-in-chief of the Transit Administration throughout Egypt, by order of his Highness Abbas Pasha, Viceroy of Egypt, hereby declare that the Trunks made by Messrs. **Thresher and Glenny**, of 152, Strand, London, are the Trunks best adapted for the Overland Journey through Egypt of Travellers going to or returning from the East Indies. We moreover recommend all those whose intention it is to travel by this route, to provide themselves with the Trunks in question, which are most convenient for their small size, lightness, and durability. They are most adapted for easy and safe conveyance across the Desert between Suez and Cairo, and for this cause are of greater security than any other Trunks.

“Under Seal and Signature of Khair-ed-deen Pasha, Director-in-chief of the Transit Administration throughout Egypt.”

**SOLD ONLY BY THRESHER AND GLENNY,
NEXT DOOR TO SOMERSET HOUSE, STRAND.**

Mr. Hutton on Thuggee.

A POPULAR ACCOUNT OF THE THUGS AND DACOITS, the Hereditary Garotters and Gang-Robbers of India. By JAMES HUTTON. Post 8vo. cloth, price 5s.

"Mr. Hutton's work contains many very interesting and curious particulars of the manners, superstitions, and predatory practices of these tribes (the Thugs) now happily extinct, or compelled by the strong hand of power to follow more humane pursuits."—*Morning Advertiser*.

"The information is ample, and it is conveyed in so pleasant and popular a manner, that the majority of readers will find no other fault with the volume than that it is too short."—*Overland Mail*.

"To those who have never read the extraordinary history of Thugghiam, this will be an acceptable and deeply-interesting volume."—*Critic*.

"A curious insight into human character."—*Leeds Times*.

"A 'History of the Thugs and Dacoits,' by Mr. Hutton, a gentleman well known for his intimate acquaintance with India, and his observation of social customs, is an entertaining, lively, and curious volume, and we regret we have no space to offer our readers a specimen of its style, or of the singular information with which it abounds."—*Press*.

Race, religion, education, finance, civil service, army, roads, canals, agriculture, and all kinds of public works, and last of all government, are all expounded in turn; and an immense quantity of useful information, accompanied by a map and statistics, offered to the public. * * * We do not hesitate to recommend it as a general household manual."—*Press*.

Comprehends every class of information valuable to the traveller, the student, and those whose business or inclination may carry them to India. It embraces a brief history of British India, its productions, manufactures, and commerce; its animal and vegetable kingdom; coins, weights, and measures; the usages of Anglo-Indian society; the sports, institutions, colleges, and religious societies; the mode of travelling by land, sea and river; description of the armies, civil services, navy, and ecclesiastical establishments; the requisite outfit of writers, cadets, ladies, &c.; the various routes to India; an itinerary of the principal places, such as Calcutta, Madras, Bombay, Agra, Delhi, Hyderabad, Dacca, Cawnpore, the Punjab, the Eastern Islands, Ceylon, Kashmir, and all the Hill Stations; the progress of improvement in railways, canals, and the electric telegraph; together with a vast variety of miscellaneous information, the result of much research and personal experience; nor are the important considerations of pay and allowances, fuel, and retiring rates omitted; and great pains have been taken to convey an accurate notion of the relative qualities of the climates of different localities, by citing the thermometrical and barometrical registers.

Mr. Stoeckeler's Military Encyclopædia.

THE MILITARY ENCYCLOPÆDIA; a Technical, Biographical, and Historical Dictionary, referring exclusively to the Military Sciences, the Memoirs of distinguished Soldiers, and the Narratives of Remarkable Battles. By J. H. STOECKER, Esq. 8vo. cloth, price 12s.

"Mr. Stoeckeler's former works, and his well-known proficiency in the Military Sciences, will insure a favourable reception for this very useful book, which possesses the advantage of compressing into one portable volume a vast mass of information on military subjects, arranged especially for reference. No one could be better qualified than Mr. Stoeckeler for such a task, and certainly he has accomplished it in a very able manner. In a volume which occupies but little room, the officer and soldier may here command at a glance, the cream of many valuable works, and obtain information on almost any point of interest. This work, indeed, forms for the camp and barracks, what Maundrell's 'Treasury of Knowledge' represents in the counting-house; and we cannot doubt that it will obtain corresponding success."—*United Service Magazine*.

Mr. Thornton's Gazetteer of India.

A GAZETTEER OF THE TERRITORIES UNDER THE Government of the East-India Company, and of the Native States on the Continent of India. By EDWARD THORNTON, Esq., Author of the "History of the British Empire in India." In One large volume 8vo., with Map, price £1. 1s.

The work has been compiled by the authority of the Court of Directors, and though comprised within a single volume, it will be found to contain the great mass of information comprehended in the four volumes of the "Gazetteer of India," published by the same author in 1834. This result has been obtained by retrenching some few redundancies, and by adopting an enlarged page and distributing the matter into two separate columns. By these means space has been also acquired for the insertion of much new matter, rendered necessary by the political and territorial changes which have more recently taken place within our Eastern Possessions.

On the character of the work a few remarks will be sufficient. Its chief objects are,—

- 1st. To fix the relative position of the various cities, towns, and villages with as much precision as possible, and to exhibit with the greatest practicable brevity all that is known respecting them; and
- 2ndly. To note the various countries, provinces, or territorial divisions, and to describe the physical characteristics of each, together with their statistical, social, and political circumstances.

To these are added minute descriptions of the principal rivers and chains of mountains; thus presenting to the Reader, within a brief compass, a mass of information which cannot otherwise be obtained, except from a multiplicity of volumes and manuscript records. The volume, in short, may be regarded as an epitome of all that has yet been written and published respecting the territories under the government or political superintendence of the British power in India. Its merits have been frequently discussed in the General Courts of the East-India Company, where successive Chairmen have borne ample testimony to the utility of the publication, and where it has been characterized by the best-informed among the Proprietors, as "a complete history of India, untainted in any degree by political bias."

Mr. Thornton's History of India.

HISTORY OF THE BRITISH EMPIRE IN INDIA TO 1844.

Illustrated by Maps, showing the Possessions of the East-India Company at various periods. By EDWARD THORNTON, Esq. 6 vols. 8vo. cloth, £2. 8s.

"Mr. Thornton is master of a style of great perspicuity and vigour, always interesting, and frequently rising into eloquence. His power of painting character, and of bringing before the eye of the reader the events which he relates, is remarkable; and if the knowledge of India can be made popular, we should say his is the pen to effect it."—*Times*.

"Mr. Thornton in this history presents such a mass of valuable and authentic information, respecting the origin, government, and resources of our Indian territories as to be found in no other publication. He has produced what may be truly designated a national work, the details of which, in whatever point of view they may be considered, whether in a political, a statistical, or a commercial one, bear the impress of more extensive knowledge, greater impartiality, and sounder discrimination, than have been displayed by any previous writer on this important subject."—*United Service Gazette*.

"If any work can make Indian History popular in England, it will be Thornton's."—*Conservative Journal*.

Mr. Thornton's Gazetteer of the North-West Provinces.

A GAZETTEER OF THE PUNJAB, SCINDE, AFGHANISTAN, Beloochistan, and Neighbouring States. Compiled chiefly from Documents in the possession of the East-India Company. By E. THORNTON, Esq. 2 vols. 8vo. with large Map, £1. 5s.

Colonel Hodgson on the Indian Army.

OPINIONS ON THE INDIAN ARMY. Originally published

at Meerut in 1850, under the title of "Musings on Military Matters." By Colonel JOHN STUBBOLME HODGSON, Bengal Army, Brigadier, late commanding the Punjab Irregular Force. Post 8vo. cloth, price 5s.

"We have no hesitation in recommending Col. Hodgson's 'Opinions' to the serious consideration of all who are interested in the stability and duration of the British empire in the East. From his lengthened and manifold experience he is enabled to offer the most valuable suggestions for the future, and to warn the ignorant or incautious of the treacherous rocks that lie close beneath the surface."—*Indian Mail*.

"Whoever will trace the terrible events which now chiefly occupy the attention of reflecting men in all countries, to their sources, will find himself compelled to have recourse to the work of which the above is the title, and which is at once elegant in style and profound in matter."—*Morning Advertiser*.

"Had men of Brigadier Hodgson's stamp been listened to in high places, the Bengal mutiny (as will be admitted by all who peruse this volume) need never have occurred."—*Indian News*.

"His (Brigadier Hodgson's) proposals are well worth studying in reference to those changes which must now take place."—*Spectator*.
