Old Retiring Regulations.

The rules under which the period of service required to entitle Officers to the retiring Regulations is calculated are as follow:

Officers appointed *direct*, count service from the date of arrival within the limits of the Madras Presidency—unless specially authorized by the Court of Directors to embark in a Ship bound for another Presidency.

Officers appointed from Addiscombe subsequently to the 22nd November 1837 to the Cavalry, Artillery, or Infantry, count service as above, with the addition of the period passed at Addiscombe after attaining the age of sixteen.

G. O. G. 11th June 1850, No. 120. 4. Officers of Engineers count service from the date of arrival of the first Artillery or Infantry Cadet of the same examination, with the addition of the Addiscombe period as above. In the event of there being no such Artillery or Infantry Cadet they count service from the expiration of 4½ months from date of examination.

G. O. G. 10th June 1852, No. 33. 5. Officers appointed in India, count service from the date on which they take the oath of allegiance.

Medical Officers and Veterinary Surgeons count service from the date of arrival within the limits of the Madras Presidency.

Absence on sick certificate within the limits of India for periods not exceeding two years, successively, as also leave on private affairs beyond the limits of this Presidency, if for periods not exceeding three successive months, are counted in the time of service requisite to entitle to retiring Pay.

But all Officers quitting India on leave of absence on account of sickness or of private affairs, who shall proceed to Europe without having returned to India, shall be considered as on furlough to Europe from the dates on which they shall have respectively left India.

Every Officer who has completed twenty-two years' service in India is allowed to retire with the pay of the rank to which he has attained.

0. All Effective Officers, without reference to their actual rank, are allowed to retire.

After twenty years' service in India, on the pay of Captains.

After twenty-four years' service in India, on the pay of Majors.

After twenty-eight years' service in India, on the pay of Lieutenant Colonels.

And after thirty-two years' service in India, on the pay of Colonels.

1. Officers who may be compelled to quit the service by wounds received in action or by ill-health contracted on duty, after three years' service in India, will be permitted to retire on the half-pay of their rank, on the production of the usual certificates that their health will not permit them to serve in India. This indulgence however, can be granted only in England, by the Court of Directors.

2. Officers who may be compelled to quit India on sick certificate and who may not be entitled to retire on full pay are to try the effects of a temperate climate for the usual term of furlough before they can be allowed to establish their claim to retire from the service upon half pay. If Officers so circumstanced, proceed to New South Wales, or some other Colony, and apply thence, at a proper time, for permission to retire, satisfactory evidence from the Medical Staff Officer, or other undoubted Medical testimony on the spot, to prove that the applicant is incapable from ill health to the performance of Military duty in India is necessary.

3. Members of the Medical Board *actually in the service, on the 16th July 1842, and appointed to the Board at any time within ten years from that date*, have, provided they have completed twenty years' service in India (including three years furlough) the option of retiring upon pensions either according to the general scale (para. 14) for length of service in India established on the above date or upon the following scale:

After serving in the Medical Board of not less than	Two years.....	Per annum. £500
	Five years.....	£700

and in cases of certified sickness, rendering immediate return to Europe necessary, are permitted to retire in India or Europe, at any period after becoming Members of the Board on the first of those pensions, or at any time after the completion of three years' service in the Board on the second.

4. Pensions in the Medical Service superior to those of Surgeon (Captains full pay after 17 years' service in India) are granted according to length of service, upon the following scale:

	Five years	£365

and in cases of certified sickness, rendering immediate return to Europe necessary are permitted to retire in India or Europe, at any period after becoming Superintending Surgeons on the first of those Pensions, or at any time after the completion of three years' service as Superintending Surgeon on the second.

16. Members of the Medical Board and Superintending Surgeons compelled by sickness to return to Europe will be permitted to retire from the service upon their respective pensions of £500 and £300 at any period anterior to two years' service as required by paragraphs 13 and 15, and if after having served three years then upon the full pension of £700 and £365.
17. All other Surgeons and Assistant Surgeons attached to the Army are permitted to retire from the service on the pay of their rank on the completion of seventeen years' service in India.
18. Veterinary Surgeons who have actually served 17 years in India, or 20 years including a furlough of three years, may retire on 7s. per diem.—25 years including a furlough of three years on 12s. per diem. 19. Officers who have completed the prescribed period of service, are allowed to retire either in England or in India.
20. Officers retiring in England are allowed the benefit of the rank they may hold at the expiration of twelve months from their arrival in Europe.
21. Officers retiring from the service in England will be considered to have retired from the date of their application, or from the expiration of two years and a half from the date of the commencement of their furloughs whichever may first happen.
22. Applications from Officers to retire from the service in India, are to be addressed to the Right Honorable the Governor in Council under the signature of the parties and to specify the date, which must be a prospective one, from which the applicant wishes his retirement to have effect; and from the date so specified they, in the event of the decision of Government on their case not having been previously received, will, pending such decision, be exempted from the performance of all Military duty. Each application to be transmitted through the ordered channel of correspondence accompanied by a certificate of service from the Adjutant General, and certificate of no demands from the Accountant General.
- G. O. C. C. 15th July 1850, No. 42.
23. The pay accounts of Officers serving in the Tenasserim Provinces, Straits Settlements, &c. applying for permission to retire are to be kept separate; and Officers so situated are not to sign the Abstract of their Troop or Company, but will not on that account be deprived of Command allowance.

FORT ST. GEORGE, 5th December 1854.

No. 288 of 1854.—The following General Order by the Most Noble the Governor General of India in Council, is republished for the information of the Army.

GENERAL ORDER BY THE MOST NOBLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Fort William, 17th November 1854.

No. 1150 of 1854.—The Hon'ble the Court of Directors having transmitted to the Government of India further explanatory instructions regarding the Furlough Regulations published in Government General Order,* No. 110 of the 1st of February 1854, the Most Noble the Governor General in Council is pleased to cancel that General Order, and to promulgate in a connected form the Rules which have been laid down by the Hon'ble Court for regulating Furloughs and Leaves of Absence.

With the view of adapting the Regulations to the present increased facilities of communication, and to correct, as far as possible, any tendency in them, to deter Officers from resorting to the places which may be most conducive to the restoration of their health, when a change of climate is required for that purpose, the following Rules are established, and are to have effect from the 1st February 1854:—

- G. O. C. C. 19th May 1854, No. 36, is cancelled and (as required by para. 1, G. O. G. 5th December 1854, No. 288,) Regimental Officers who were in the Service on the 1st February 1854, wishing to abide by the old Furlough regulations must signify their wish on the first occasion of applying for leave either on private affairs or on medical certificate and whether within or out of India.
- In the event of an Officer applying for leave, omitting to signify his wish as above, he will be considered as having made election of the Furlough regulations of 1854.
- His Excellency the Commander-in-Chief is pleased to direct that in all future applications for leave by Commissioned Officers whether on private affairs or medical certificate, a N. B. to the following effect shall be inserted at the foot of the application.
- N. B.—“This being the first occasion of applying for leave since the publication of G. O. C. C. 9th December 1854, No. 88, Captain A. B. makes choice of the old furlough regulations,” or (of the regulations of 1854,) as the case may be.
- Or
- N. B.—“Captain A. B. has on a prior occasion made election of the old furlough regulations,” or the regulations of 1854 as the case may be.
- With reference to paras. 1 and 2, as well as Regimental, M. C. No. 2702, 20th Oct. 1856, must declare their choice of rules on the first occasion of taking leave, whether the leave be in India or elsewhere, and, if the leave applied for be in India under the local rules, Staff Officers may make choice of the Old Regulations, still retaining their Staff Appointments, but, after having elected the Old Regulations, they vacate their appointments on embarking for Europe or the Cape or elsewhere beyond Sea, except for short periods not exceeding three months under rule 39.
2. An Officer having made election of the Old Furlough Regulations while doing Regimental duty, cannot change to the Regulations of 1854 on subsequently obtaining a Staff Appointment.
1. All Regimental Officers in the Service on the 1st February 1854, who prefer retaining what may be considered the advantages of the Old Regulations, may do so, provided they signify their wish to that effect when they next apply for Furlough or leave of absence, without any limitation whether such leave be in India or elsewhere; and Officers who once make their election will not be entitled to any other choice, but will be afterwards subject to the New or Old Regulations according to their decisions.
2. † Staff Officers, as such, have not the above option allowed them, but they may retain the advantages of the Old Regulations by giving up their appointments, which, in such cases, will be considered vacated from the date of embarkation.
3. To those Officers who adopt them, the New Regulations will apply retrospectively in respect of Furlough and leave of absence beyond sea, and in computing their time of service for retirement, so that their Furloughs or leaves of absence, whether under the Old or the New Rules, and whether on private affairs or sick certificate within or beyond India, will count for service to the authorized extent only, in computing the time for retirement on full pay.
4. Officers who have availed themselves of the option of the Old Rules, are allowed to re-consider the question under the modifications now sanctioned.
5. Officers who have not taken leave subsequent to the publication of the New Rules on the 1st February 1854, and who consequently may not have been called upon to declare whether they would abide by the Old or the New Regulations, will, on retirement from the Service, be entitled to take full advantage of the privileges given by the New Regulations.

ment of India, No. 8, dated 23d January 1856, be pub-

mission, be allowed at any time to take the remainder of the two years authorized Furlough on private affairs.

respondence relative to cer-
tain questions connected with
the new Furlough Regula-
tions and request to be in-
formed as to claims of an
Officer to the residue of his
Furlough on private affairs
when he has been already
absent on leave to England
on private affairs for six
months.

With reference to paras. 6 and 7. The Right Honorable the Governor General of India in Council is pleased to notify that
G. O. G. 16th June 1856, No. 859.
the Honorable the Court of Directors, in their letter No. 56, of the 25th April 1856, have communicated the following decisions regarding the new Furlough Rules, published in Government General Order, No. 1160, dated the 17th Nov. 1854 :

Referring to Rule 6, 7.—Officers who take their first Fur-
lough after twenty years' service in India, may take their
second furlough after an additional service of five years from
the date of their last return to duty.

Referring to Rule 9.—Absence for six months under this
Rule does not preclude an Officer from taking his Furlough
to Europe after ten years' service.

With reference to paras. 6, 7 & 8. 3. An Officer of up-
wards of 20 years' ser-
vice, but who before
completing that period
has enjoyed a furlough on private affairs to Europe, for say
four years, for 3 of which he drew pay, has a claim to a
second furlough of one year with pay, on the completion of
10 years from the date of his return to duty—but, if subse-
quently to his return from furlough, he has taken leave out
of India on S. C. his second furlough on private affairs will
not be claimable till the expiration of six years from return
to duty from such sick leave as well as 10 years from the
date of return to duty from furlough on private affairs.

N. B.—This Rule is not applicable to an Officer who takes
his first Furlough out of India after completing 20 years'
service; vide para. 4 of this order.

With reference to para. 6. 4. Officers who have
proceeded on sick leave
to Europe after a pe-
riod of 20 years' ser-
vice, it being the first time of their quitting India, can, as
in the case of Officers who take their furlough after the
same period, take a furlough on private affairs after 5 years
from the date of their return to duty.

With reference to paras. 9 and 13. 5. An Officer on the
Staff removed from one
appointment to another
is not allowed to retain
his new appointment after quitting India, unless he has
assumed charge of it.

10. All Officers, whether Staff or Regimental, while on Furlough on private affairs, will be entitled to "Furlough pay" only.

Leave of Absence on Sick Certificate.

11. Leave of absence on sick certificate will be granted for a term not exceeding eighteen months, whether it be to any place in Europe or elsewhere out of India.
12. Extensions of such leave may be granted, as at present, on production of Medical certificates for further periods not exceeding eighteen months in the whole.

* Vide margin of rule 21.

expiration of ten years' service, and for a second period of two years after twenty years' service in India.

7. * The second Furlough of two years will only be granted after ten years' service in India, from the date of the return to duty after the first Furlough of two years. These Furloughs are not to be cumulative, under any circumstances, but are limited to two years. Officers who have taken leave of absence on sick certificate to Europe or else-
where beyond sea, will be ineli-
gible to a Furlough on private affairs until they have served six years from their last return to duty. This rule does not apply to short leave to sea.

8. All grants of Furlough on pri-
vate affairs are subject to the exi-
gencies of the Public Service,
and to the Regulations framed
for the preservation of the effi-
ciency of each Regiment by limit-
ing the number of absentees.

9. Officers holding Staff or other
detached appointments may be
allowed Furlough for a period of
six months without losing their
appointments; but during that
period, they will not be entitled
to any portion of their Staff Sa-
lary, which will be drawn in full
by the Officers officiating for
them.

G. O. G. 15th April 1856, No. 119.

With reference to para. 13. No. 1884.—The grant of
Calcutta Gazette, 4th April 1856. leave of absence to Staff
Officers, on Medical Cer-
tificate, with half Staff
Allowances, for six months, and with the privilege of return-
ing to their Offices, if their absence from India be not pro-
longed beyond fifteen months, is bestowed by the Honorable
Court, in order to enable such Officers to regain their health,
and in the expectation that they will be thereby qualified to
render additional service to the Government. But if leave of
absence be taken merely to run out a prescribed period of ser-
vice, and without any intention of returning to duty, the prin-
ciple on which the rule is founded is infringed, and the indul-
gence of the Honorable Court is abused; wherefore the Right
Honorable the Governor General in Council hereby notifies
for general information, that, if there be an avowed intention
on the part of an Officer not to return to duty, or if the Gov-
ernment have valid grounds for concluding that the Officer has
no intention to return to duty, the indulgence of leave on sick
certificate, retaining Office, will not be granted in future.

The foregoing was declared in a Notification, No. 2129, dated
16th April 1856, republished in G. O. G. 2d May 1856, No. 139,
to be applicable to all Military Officers holding Political or Civil
appointments, either under the Government of India or under
any of the Subordinate Governments.

6. If an Officer, having
proceeded on leave in In-
dia on Medical Certificate
and enjoyed the indul-
gence to the full extent, proceeds on leave on Medical Certificate
out of India without having returned to duty, the existing Reg-
ulation which precludes receipt of Indian allowances for a
longer period than two years of continuous absence from duty, is
a bar to his drawing Indian allowances for the first six months
or for any part of his fresh leave.

G. O. C. C. 18th November 1856, No. 92.

14. An Officer's claim to half Staff Salary for six months, as sanctioned in the preceding Rule, will not be affected by his subsequently retiring from the Service in Europe or elsewhere.
15. No portion of Command Allowance, Medical Staff Salary or other similar allowance, which under the Old Rules was inadmissible to Officers absent from their Corps or Stations at the Cape or elsewhere, will be allowed to absent Officers under these Regulations.
16. † All Officers, whether Staff or Regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian Pay and Allowances as was allowed under the Old Regulations to Officers proceeding to the Cape on medical certificate, and for the remaining period of their leave they will receive Furlough pay only.
17. If the leave on sick certificate be extended, Furlough pay will be continued but under no circumstances for a longer period than three years altogether from the commencement of the absence.

Staff Officers.

18. The term Staff Officer applies to all Officers holding Staff or Detached appointments, Military (General or Regi-
mental), Political or Civil, also to General Officers commanding Divisions, Members of the Medical Board, Su-
perintending Surgeons, and others who, under the Old Rules, were entitled to draw half Staff allowance when
absent at the Cape.

With reference to para. 19. The following paragraph of a Milita-
ry letter, from the Honorable the Court
of Directors to the Government of India,
No. 84, dated 27th June 1855, is published for general information:—

Letter dated 5th April 1855, No. 82.

Submit the question whether as Officers are, on their
first application for leave of absence on Furlough, to de-
clare whether they will abide by the old or accept the new
Furlough Rules, Staff Officers who apply for leave to the
Hills or elsewhere in India are to vacate their Offices like
those who take leave to the Cape or elsewhere beyond sea.
Government observe, that if this were so, the Rule would
have the effect of debarring such Officers from all leave,
however short, in excess of the privileged leave of one
month in six.

G. O. G. 18th September 1855, No. 237.

With reference to para. 19. 1. The Commander-in-Chief directs it
to be notified that under a decision of
the Government of India, the new furlough regulations are held, not to affect
the rules heretofore in force with respect to leave in India, and that conse-
quently a Staff Officer obtaining leave of absence in India on private affairs for
six months, or on medical certificate for two years, retains during such ab-
sence a moiety of his Staff salary as sanctioned by the regulations for the grant
of leave in India which are still in force.

G. O. C. C. 3d October 1856, No. 73.

2. A Staff, as well as a Regimental Officer is required, when first applying
for leave, whether in or out of India, to declare by which of the furlough regu-
lations he wishes to abide. A Staff Officer having made his election can take
his leave in India as above stated, and should he afterwards require to proceed
to England, the retention or otherwise of his appointment will depend upon
which of the rules he first elected, and from which he cannot afterwards change.

3. In the event of a Staff Officer electing the new furlough regulations
and taking leave in India, the whole of the leave he has previously enjoyed
from the date of his entering the Service, excepting the periods allowed by
those rules to reckon as service, must be reckoned against his period of service
for retirement.

13. * An Officer holding a Staff
or other detached ap-
pointment will be allow-
ed to be absent on sick
certificate in England or
elsewhere, beyond sea
for a period of fifteen
months, without losing
his appointment; and,
during the first six
months only of such
absence, he will be en-
titled to draw half the
Staff Salary of his ap-
pointment, the Officer
officiating for him draw-
ing the remaining half
salary during the first six
months, and the whole
salary during the remain-
der of the time.

cers, absent

19th January 1853, No. 9, para. 20. 18th May 1853, No. 84, para. 14.

Regulations state that such retention of Office can be only sanctioned on "special grounds," to be reported to us and subject to our approbation.

20. The privilege of retaining Staff appointments during leave of absence on sick certificate, or on Furlough on private affairs, will not be available a second time, if the fresh leave is on sick certificate, until an Officer has been three years, or if on private affairs, until he has been six years in the discharge of the duties of his appointment, from the date of last return to it.

G. O. C. C. 2d July 1856, No. 34.

With reference to para. 21. His Excellency the Commander-in-Chief directs it to be published in General Orders for the information of the Army, that the Government of India has fixed three (3) months as the maximum period which is to be understood by the terms "short leaves" and "leaves for brief periods," used in rules 7 and 21 of the new furlough regulations.

22. Officers commanding Troops of Horse Artillery and Light Field Batteries, and Officers generally in employment, will be allowed leave out of India under the same Rules with respect to allowances and tenure of Command or Office as regulated the grant of leave to the Cape to such Officers under the Old Regulations, except as to the duration of those advantages, the time for their continuance being subject to the provisions of the New Regulations.

Date of Furlough and Advances of Pay.

23. The period of Furlough on private affairs, or leave of absence on sick certificate, is to be calculated from the date of the departure from India of the ship in which the Officer proceeds.

G. O. C. C. 18th Nov. 1856, No. 92.

With reference to para. 24. M. C. No. 652, 27th Feb. 1855. 7. It is not imperative on Officers to draw advances under this para:—option is allowed either to take the advance or to draw pay and allowances in arrears in England.

Continuation will be made in England at the rates of exchange fixed annually for re-payment of advances made on account of Her Majesty's Government. Furlough pay will continue to be issued in advance for six months when required by Officers obtaining Furlough on private affairs.

25. The existing Regulations regarding Passage Money to Officers are not affected by these Rules.

With reference to paras. 26 and 31. The Right Honorable the Governor in Council is pleased to publish the following General Order by the Honorable the President of the Council of India in Council, dated 10th April 1855, No. 430, and that by the Commander-in-Chief in India therein referred to—and to declare their provisions applicable to Officers proceeding to this Presidency or to Head Quarters of Divisions, for the purpose of undergoing an examination in the Native languages.

GENERAL ORDER BY THE HONORABLE THE PRESIDENT OF THE COUNCIL OF INDIA IN COUNCIL.

Fort William, 10th April 1855.

No. 430 of 1855.—The Honorable the President of the Council of India in Council is pleased to notify for general information, that Officers who have proceeded on leave to the Presidency for the purpose of undergoing examination in the Native languages before the Examiners of the late College of Fort William, or the present Board of Examiners, in any of the tests laid down for Military Officers, will be allowed to reckon the period of their absence, to the extent of six months only, as on duty, in the same manner as

G. O. G. 24th April 1855, No. 116.

Vide G. O. C. C. 28th Sept. 1854. Officers proceeding to the Head Quarters of the Division in which they are serving for a like purpose, are now considered as absent on duty.

GENERAL ORDER BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

Head Quarters: Simla, 28th September 1854.

The Commander-in-Chief is pleased to notify that, with the sanction of the Most Noble the Governor General in Council, Officers proceeding to Head Quarters of the Division in which they are serving, to undergo an examination in the Native

languages before the Half-yearly Committees, will for the future be considered as absent from their Regiments on duty and such absence will not interfere with their enjoyment of temporary leave under the order marginally cited.

2. Officers Commanding Divisions will be held responsible that this indulgence is not abused by Officers absenting themselves from their Corps for longer periods than may be actually necessary to enable them to accomplish the object in view.

28. This is the third instance within a very short time in which the privilege of continued tenure of Staff appointment has been recommended merely on the ground of a continuation of the Medical Certificates. If this system were admitted, the Rule which limits absentees to the Medical Certificates must necessarily be abandoned.

29. You will have seen by our letters of the dates noted in the margin that we have declined to sanction the retention of Staff appointments beyond the term of 15 months recommended on the ground of continued sickness. The Regulations state that such retention of Office can be only sanctioned on "special grounds," to be reported to us and subject to our approbation.

21. This Rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs in India, or for brief periods to Ceylon, the Mauritius, or other places out of India.

24. Advances of Pay and Allowances, Staff and Regimental, to Officers proceeding on leave of absence on sick certificate, who may be entitled to them, will be made in India for three months from date of embarkation. Payments in continuation will be made in England at the rates of exchange fixed annually for re-payment of advances made on account of Her Majesty's Government. Furlough pay will continue to be issued in advance for six months when required by Officers obtaining Furlough on private affairs.

26. The certificates issued to Officers

who are granted Furloughs on

private affairs, or leave of absence

on sick certificate, are to specify

the time each Officer has been absent

on leave within Indian limits,

as well as the time of his previous

absence in Europe; but will not

include the periods allowed for

proceeding to the Presidency or

port of embarkation, and to enable

officers to rejoin their Regiments

or Stations, after their return to

India, nor the leave of one month's

absence in six months as authorized

by the Regulations. The last

pay certificate of all Officers proceeding

to England on sick certificate

is to specify the rate of Regimental

pay and allowances and Staff salary

to which they would have been entitled

under the Old Regulations if proceeding to sea

The following Extract from General Orders by His Excellency the Commander-in-Chief of the Bombay Army is published at this Presidency.

HEAD QUARTERS, AHMEDNUGGER, 17th Sept. 1855.

G. O. G. 17th Oct. 1855, No. 265.

1. With the sanction of Government, the following decision of the Government of India, having reference to rule 26 of the New Furlough Regulations, is published to the Army:—

"Short leaves on private affairs for periods not exceeding 30 days, which have been granted to Officers in General Orders, previously to 6th December 1854, are to be counted as 'privileged,' provided they do not exceed an aggregate of 30 days in each half year."

G. O. G. 11 June 1856, No. 193.

The Right Honorable the Governor in Council is pleased to direct the publication of the following Bengal rule, and to sanction its extension to the Officers of this Presidency.

"Should an Officer who is on privilege leave not rejoin his Corps, but be absent in continuation, on not more than five months' leave on private affairs, or one year and eleven months' leave on Medical Certificate, he will retain his full salary or allowances for the thirty days of privilege leave, which will also count as service, but he will, nevertheless, forfeit all Military Allowances on completing six months' or two years' absence, (as the case may be) reckoned from the date that he quitted his Corps and station."

8. In calculating the period of an Officer's absence on furlough in India, the day of departure from a Regiment or appointment is to be reckoned as one of leave, and the day of return thereto as one of duty. In like manner as respects Furlough beyond India, the date on which the vessel conveying the Officer from India puts out to sea, is to be reckoned as one of Furlough and the day on which he returns to his Presidency as one of duty.

9. An Officer entering the Service and obtaining leave to visit a station not the Head Quarters of his Regiment and to join the Corps to which he is posted, and who actually does join within the period sanctioned by Regulation for the purpose of joining by the direct route, is allowed to reckon such leave as service for pension.

With reference to paras. 26 & 31. M. C. No. 901, 18th April 1856.

The principle of this rule is applicable to Officers who on return from leave out of India are allowed to visit a Station out of the direct route to the Station to which they belong.

10. Leave for one month, granted to Officers in Civil employ under Section XI (amended) old Civil Service Absentee Regulations, is not to be deducted from Service, it being considered in the same light as one month in a privilege leave granted to Military Officers.

11. The period during which Officers may have been or may hereafter be absent on leave for the purpose of accompanying Insane or Sick Officers is allowed to count as service for pension.

12. If an Officer is placed on duty while on leave of absence whether on Medical Certificate or private affairs he will be allowed to count as service for pension the whole period he may be so employed, i. e., from the date of the order nominating him to such duty to the date of the order relieving him, both inclusive.

With reference to paras. 26 & 31. M. C. No. 314, 4th February 1856.

With reference to paras. 26 & 31. M. C. No. 2702, 20th Oct. 1856.

With reference to paras. 26 & 31. M. C. No. 2702, 20th Oct. 1856.

Officers of H. M.'s Service.

Officers of Her Majesty's Service in India, whether employed Regimentally or in Staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

In the case of Officers of Her Majesty's Service on Furlough or sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

on medical certificate. This information is necessary in order that no difficulty may arise in the Pay Department of the India House in adjusting the several payments which may be due.

- With reference to para. 29. M. C. No. 2702, 20th October 1856. 13. An Officer returning from Europe or Sea is allowed to count as service one month for preparation at the port of debarkation and marching distance to his Corps or Department in addition.
- With reference to para. 29. M. C. No. 2702, 20th October 1856. 14. An Officer going to Europe or Sea is allowed to count as service in addition to marching distance to the Presidency or nearest port of embarkation, the same period for preparation prior to embarkation as allowed to Officers returning from Europe, viz. one month.
- With reference to para. 29. M. C. No. 901, 18th April 1856. 15. Officers obtaining leave preparatory to final leave out of India, but who after arriving at the Presidency or other port of embarkation abandon their intention of leaving the country, cannot reckon as service the period they may have been absent from duty on such preparatory leave which then assumes the nature of ordinary leave in India.
- With reference to para. 29. M. C. No. 2702, 20th October 1856. 16. An Officer who proceeds on Furlough to the Presidency or other port, (not preparatory to applying for leave to proceed to Europe or elsewhere) and while there obtains a Sick Certificate to Europe or other place out of India, is not entitled to count as service the period allowed by Regulation for proceeding from the Station of his Regiment or appointment to the port of embarkation; but he can reckon as service the period of one month allowed at the Presidency or port of embarkation preparatory to embarkation.
- With reference to para. 29. M. C. No. 2702, 20th October 1856. 17. If instead of being at the port of embarkation, he is at another port, or at an inland station, when he obtains the Sick Certificate to quit India, he will be allowed the time authorized for travelling from the station at which he may be when he obtains his Sick Certificate, to the port of embarkation.
- With reference to para. 29. M. C. No. 2702, 20th October 1856. 18. If an Officer while absent on ordinary Sick Certificate in India, quits India on Sick Certificate, or, who having proceeded on ordinary leave on private affairs in India obtains a Furlough out of India, he is entitled to count as service the period allowed for proceeding from the place at which he may be when he obtains leave to quit India, to the port where he ultimately embarks.
- With reference to paras. 30, 33, 34 & 35. M. C. No. 2961, 2d Nov. 1856, and No. 919, 18th April 1856. 19. An Officer who has served 20 or 24 years and not more is only entitled to reckon two years' absence as service. Rule 33 gives the minimum period of service which entitles an Officer so situated to retire on the Pension of a Captain or Major; but an Officer who has served beyond those periods is entitled to the benefit of Rule 30 by which extended periods of absence are allowed to reckon, regulated by the length of the Officer's service. For instance, an Officer who has served 20 years, and no more, and had only 3 years' leave must still perform one year's duty before he can retire as a Captain; whereas an Officer whose aggregate service is 30 years out of which he has enjoyed leave for 14 years and no more, can retire as a Captain at once.
20. No Furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years' aggregate service, three years in twenty-five years' service, and four years in thirty years' service, shall be allowed to count as service for the Retiring Pension; and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or out of India, or whether the leave be on sick certificate or on private affairs.
- 31.* In the term "Leave of Absence as announced in General Orders" is to be included all leave of absence except the period allowed in Rule 29, and the ordinary indulgence of one month's leave in six months, as authorized by the existing Regulations, and which are in all cases, whether of Regimental or Staff Officers, to be allowed to count as service for the pension. All leave to a greater extent, granted by Political and other authorities, which may not hitherto have been published in General Orders must be so announced hereafter.
32. Officers to be entitled to retire on the full pay of their Regimental rank (under the Regulation, of 1796,†) must have served twenty-two years in India, out of which leaves of absence for two years in the aggregate, and not more, will be allowed to count as service for the Retiring Pension.

† REGULATION OF 1796.

FORT SAINT GEORGE, 29th December 1800.

G. O. by Government.

The Right Honorable the Governor in Council is pleased to publish in General Orders to the Army the following Extracts of a letter received from the Honorable the Court of Directors, under date the 7th of May last.

Para. 61st. In regard to the second point mentioned in the Commander-in-Chief's minute, all Officers who have served twenty-two years in India (to be computed from the periods before-mentioned) are permitted to retire on the full pay of their rank—but if after serving that time successively they come to Europe on furlough, they are to be subject to the regulations prescribed in our letter of the 8th January 1796, relative to Officers wishing to retire, while on furlough.

- With reference to para. 31. G.O.G.G. No. 1113 of 1857.—The following Extract, Paras 18 and 19, of a Military Letter, from the Honorable the Court of Directors to the Government of India, No. 126, dated 22d July 1857, are published for general information:—
18. By the Regulations established for the promotion of Lieutenant Colonels to the rank of Colonel after three years' service, it is provided that no longer period than one month in each year, or a total of three months in three years, or six months in six years shall be allowed to reckon, whether the leave shall have been spent in India or out of the country, except in cases of wounds or illness contracted by service in the Field, duly certified by a Medical Board, when each case will be separately considered with reference to the time to be allowed.
19. In reply to the question now put to us, we have much satisfaction in stating that we are prepared to extend the benefits of the exception above specified to the time required for retirement on full pay. Every claim to the benefit of this exception must be duly certified by a Medical Board, and be forwarded to us for our decision, accompanied by the opinion thereon of the Government and Commander-in-Chief of the Presidency to which the Officer belongs.
33. Officers to be entitled to retire on the full pay of Captains* and Majors (under the Regulations of 1835-7,†) must have served twenty and twenty-four years respectively, out of which time leaves of absence for two years in the aggregate, and not more, will be allowed to count as service.
34. Officers to be entitled to retire as Lieutenant-Colonels must have served twenty-eight years, out of which leaves of absence for three years in the aggregate, and not more, will be allowed to count as service.
35. Officers to be entitled to retire as Colonels, must have served thirty-two years, out of which leaves of absence for four years in the aggregate, and not more, will be allowed to count as service.

† REGULATION OF 1835-7.

No. 13 of 1833.—The following General Order by the Honorable the President in Council, under date the 29th December 1837, No. 258, is published for the information of the Army.

GENERAL ORDERS BY THE HONORABLE THE PRESIDENT IN COUNCIL.

Fort William, 29th December 1837.
No. 258 of 1837.—The Honorable the President in Council has much pleasure in publishing to the Army, the following Extract (Paragraphs 2 to 5) of a letter from the Honorable the Court of Directors, to the Government of India, No. 5, dated 20th September 1837, announcing the grant of additional advantages to the Senior Officers of the Army in respect of Retiring Pensions.

"Para. 2. In our Letter of the 23d December 1835, we announced to you that as we considered it hopeless to expect that any Military Retiring Fund could be successfully formed, we have thought it right so far as we could feel justified in doing so to provide for the object contemplated in schemes of that nature by an enlargement of the Retiring Regulations, and that we had in consequence resolved to grant the full pay of Captain to every Officer who should have served in India 23 years (3 years furlough included) whether he had attained that rank Regimentally or not, and the full pay of each of the superior ranks of Major, Lieutenant Colonel and Colonel after the completion of an additional period of 5 years service for each of those ranks in succession, viz.

For Major's pay.....	28 years service, including 3 years for a furlough.
For Lieutenant Colonel's pay..	33 do. do. do.
For Colonel's pay.....	38 do. do. do.

3. Being now of opinion that some additional advantage in respect to the periods of retirement may properly be granted to the Senior Officers who would have been more especially the immediate objects of benefit from a Retiring Fund, had such a Fund been established, we have resolved that the period of service, to qualify an Officer for the pay of each advanced rank after that of Captain, shall be reduced from five to four years, the periods of service in India required for each rank being consequently hereafter as follows, viz.

Every Officer who shall have served 23 years (3 years furlough included) shall be allowed to retire on the Pay of a Captain whether he shall have attained that rank Regimentally or not.

Every Officer who shall have served 27 years (3 years furlough included) shall be allowed to retire on the Pay of a Major whether he shall have attained that rank or not.

Every Officer who shall have served 31 years (3 years furlough included) shall be allowed to retire on the Pay of a Lieutenant Colonel whether he shall have attained that rank or not.

Every Officer who shall have served 35 years (3 years furlough included) shall be allowed to retire on the full Pay of a Colonel whether he shall have attained that rank or not.

4. These arrangements to have effect without prejudice to any claims arising out of the Retiring Regulations as established in the year 1796.

5. We desire that it may be distinctly understood that the present is a final measure. You will accordingly decline to forward to us any application which may have in view a further extension of the Regulations now established with regard to the retirement of our Military Servants."

36. The scale, for Medical Officers and Veterinary Surgeons, of privileged Furlough, and leave of absence, as counting for the Retiring Pension, will be as follows:—

Years.	Months.	
1	8	in 17 and under 20 years' service.
2	0	in 20 " " 25 " "
3	0	in 25 " " 30 " "
4	0	in 30 and upwards.

37. It is to be distinctly understood, that under no circumstances whatever will an Officer be permitted to retire on full pay, until he has completed the full time of service above specified, whether he be in England at the close of his service or elsewhere.
38. The privileged time of absence may, with the permission of the local Government, be taken at any time subject to these Regulations. If therefore, at the end of twenty years' service, of which eighteen had been passed on actual duty in India, an Officer should be on Furlough, or sick certificate in Europe, or elsewhere, he will be entitled to retire on the full pay of a Captain without returning to India, and so in the other terms of service for the higher pensions. In like manner a Medical Officer on Furlough, or sick certificate in Europe, or elsewhere, at the end of seventeen years' service, fifteen years and four months of which had been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pension.
39. These Rules do not in any way affect the existing Regulations regarding the grant of leave in India, or for short periods to sea, whether on private affairs or on sick certificate, except as to the periods of such absence being taken into calculation in the time allowed to count as service for retirement on full pay.

GENERAL ORDER BY THE MOST NOBLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Fort William, 12th May 1854.

No. 518 of 1854.—The Most Noble the Governor General of India in Council is pleased to direct that the following paragraphs of a Military letter from the Honorable the Court of Directors to the Governor of the Presidency of Fort William in Bengal, No. 28, dated 15th March 1854, be published in General Orders:

Letter dated 24th October 1853, No. 274.—14 to 16. Proposed grant of Furlough to Europe, on private affairs, to unattached Lieuts. Stephen Douglas and W. Sheffield.

Para 7. We fully approve your Resolutions in behalf of unattached Lieutenants Douglas and Sheffield.

8. We also sanction the adoption of the Regulation suggested by the Military Auditor General, viz. that unattached Ensigns and Lieutenants shall be allowed the privilege of Furlough after six years' Service as Commissioned Officers, and fifteen years' Service in India. Warrant Officers granted Commission on the Veteran Establishment should be included in this arrangement.

GENERAL ORDERS BY THE MOST NOBLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Fort William, 18th May 1854.

No. 531 of 1854.—The Most Noble the Governor General of India in Council is pleased to direct that the following para. of Military letter from the Honorable the Court of Directors to the Governor of the Presidency of Fort William in Bengal, No. 27, dated 15th March 1854, be published in General Orders:

Letter dated 25th November 1853, No. 301. Application from Asst. Commissary of Ordnance G. Forrest, soliciting that Warrant Officers may be placed, as regards Furlough, on the same footing as Commissioned Officers. Government think that the occasional and not large expense which the grant of Furlough would cause, would be more than counterbalanced by the advantages of the measure, which they strongly recommend for adoption.

Para. 13.—Upon the grounds stated by your Government and the Commander-in-Chief, we sanction the grant of Furloughs to Warrant Officers upon the same terms as those already sanctioned for unattached Officers, and Officers granted Commissions on the Veteran Establishment, viz., after six years' service as Warrant Officers and fifteen years' service in India.

FORT ST. GEORGE, 15TH AUGUST 1856.

No. 260 of 1856.—The following General Orders by the Right Honorable the Governor General of India in Council, are re-published for the information of the Army.

GENERAL ORDERS BY THE RIGHT HONORABLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Fort William, the 6th of March 1856.

No. 385 of 1856.—The Right Hon'ble the Governor General of India in Council is pleased to direct, that the following paragraphs of a Military Letter from the Hon'ble the Court of Directors to the Government of India, No. 2, dated 2d January 1856, be published in General Orders:—

Letter dated 3d September 1855, No. 201.

Letter from Captain Skinner, transferred from the Nizam's Army to an unattached Commission in the Company's Service, requesting information as to the amount of pension he will be entitled to on retirement. The Auditor General's views on the subject recapitulated by Government:

Also No. 206.

Enquiry as to how the new Furlough Rules are to apply to Captain Skinner, and other unattached Officers.

Para. 2.—We concur with the views on this subject which are expressed in the Military Auditor General's Report of the 18th July 1855.—Capt Skinner will be accordingly entitled to count his service for retirement from the date of his first commission in the Army of His Highness the Nizam. He will be also entitled to the benefits of the New Furlough Regulations as an Officer of that standing in the Service.

3. All unattached Officers are entitled to the benefit of the New Furlough Regulations from the date of their first commissions.

G. O. C. C., 27th April 1857.

No. 16.—The Commander-in-Chief directs it to be notified that by a recent decision of the Government of India, unattached Officers of the Veteran Establishment are allowed the benefit of the new furlough regulations, and these Officers can take leave in India on the same terms as they did prior to the publication of the new furlough rules.

G. O. C. C., 29th August 1857.

No. 44.—The Provincial Commander-in-Chief directs the publication of the following decisions by the Government of India.

A Warrant Officer on the Veteran Establishment is entitled, without loss of Warrant, to the same absentee allowance as if on leave in India, for the first six months of sick furlough, but thereafter, as well as when on furlough on private affairs he is restricted to the furlough pay of his Commission or of his Warrant, whichever may be the superior emolument.

A Warrant Officer holding a Commission on the Veteran Establishment has a footing in the Effective Army in virtue of his Warrant rather than of his Commission and his Warrant being analogous to the Regimental Commission rather than to the Staff appointment of an European Officer, is not forfeited by any furlough which may be granted him, even if it exceed six months on private affairs or 15 months on medical certificate under the new Rules.

FORT ST. GEORGE, 4TH JUNE 1858.

No. 214 of 1858.—The following General Orders by the Honorable the President of the Council of India in Council, are re-published for the information of the Army.

GENERAL ORDERS BY THE HONORABLE THE PRESIDENT OF THE COUNCIL OF INDIA IN COUNCIL.

Fort William, 18th May 1858.

No. 777 of 1858.—The following Extracts of a Military Letter from the Honorable the Court of Directors to the Government of India, No. 71, dated 23d March 1858, are published for general information:—

Letter dated 3d August 1857, No. 207.

4. Question raised by the Madras Government as to the extent to which the Warrants or Staff appointments of Officers having Unattached Commissions or on the Veteran Establishment are affected by the new Furlough Rules decided.

4. In the year 1854, we sanctioned a Rule,* that Unattached Ensigns and Lieutenants should be allowed Furlough after six years' Service as a Commissioned Officer, and fifteen years' Service in India, and that Warrant Officers granted Commissions on the Veteran Establishment should be included in the arrangement. The same advantage was subsequently extended to Warrant Officers.†

5. The Rule now laid down by the Government of India is that a Warrant Officer on the Veteran Establishment is entitled, without loss of Warrant, to the same Absentee allowances as if on leave in India for the first six months of Sick Furlough, and thereafter, as well as when absent on private affairs, to the Furlough pay of his Commission or Warrant, whichever may be best for him, and that as the appointment he holds is in virtue of his Warrant, not of his Commission, the appointment will not be forfeited by absence on Furlough.

6. This decision appears to be quite correct and has our sanction.

Invalid Establishment.

FORT ST. GEORGE, 10th July 1857.

No. 819 of 1857.—The Right Hon'ble the Governor General of India in Council is pleased, under instructions from the Hon'ble the Court of Directors, to promulgate the following Rules to be observed at the three Presidencies for the transfer to the Invalid Establishment of Officers who may be declared to be unfit for further service:

1. The Invalid Establishment will consist of

1st.—The Invalid Battalion.

For Officers who, although disqualified for further active service, are still equal to the discharge of garrison duties.

2d.—The Invalid Pension List.

For Officers disqualified for both active and Garrison duties.

2. Officers who, from age, wounds, or decline of health, become unfit for active service, are eligible for transfer to the Invalid Establishment, provided their conduct and habits are such as not to affect the character of that Institution, which is designed as an honorable retreat to the worn-out or disabled, but deserving Officer.

G. O. C. C. 1st
June 1858,
No. 58.

The Commander-in-Chief directs it to be notified, that applications from Officers for transfer at their own request to the Invalid Battalion or to the Invalid Pension List, under the provisions of para. 3 of G. O. C. G. No. 819 of 1857, (republished in G. O. C. No. 210 of 10th July 1857,) are required to be addressed under their signature to the Right Honorable the Governor in Council in the manner prescribed in para. 3, Section XXI, General Regulations of the Army.

3. Officers who may be desirous of being transferred to the Invalid Establishment, will be required to appear before the Standing Medical Committee at the Head Quarters of the Division, presided over by the Superintending Surgeon, or in his absence by the Senior Surgeon, furnished with a statement of their case prepared by the Medical Officer by whom they may have been attended. The Committee is to enquire rigidly into each case, and should it be satisfied of the unfitness of the Officer, it is, in recording its opinion, to certify either that the applicant is "permanently disqualified for the performance of further active service but is still equal to the discharge of Garrison duties," or that he is "permanently disqualified for the performance of both active and garrison duties," as the case may be.

4. The applicant, if reported equal to the discharge of garrison duties, will then be required to proceed to the Presidency to be finally examined by a Medical Officer to be specially appointed for the purpose, or by a special Medical Committee, as may from time to time be ordered.

5. After this final examination, the Report on each case, accompanied by the Certificates hereafter specified, is to be forwarded in the usual manner to Army Head Quarters, to be submitted to Government with the opinion of the Commander-in-Chief.

6. In the event of the Commander-in-Chief being led to believe that any Officer's health is so thoroughly lost as to preclude all hope of his being able to perform further active service in India, such Officer shall be directed to appear before the Standing Medical Committee at the Head Quarters of the Division. If the Committee is of opinion that the Officer is permanently disqualified for active Military duties in India, and this opinion is confirmed at the final examination at the Presidency, the Government on receiving a Report on the case, which is to be prepared and submitted as directed in paras. 3 to 5, will place the Officer on the Invalid Establishment, notwithstanding that he may not himself have applied to be transferred from the Effective List. Such transfer will, however, be subject to the approval of the Hon'ble the Court of Directors; and until the receipt of such approval, no promotions will be made in succession to the Officer so placed on the Invalid Establishment.

7. All Officers of and below the Regimental rank of Lieutenant-Colonel, whether they may or may not have served the prescribed period for retirement on full pay, may be compulsorily removed to the Invalid Pension List when they may become wholly unfit for any further service, effective and garrison. The examination of Officers in such cases will be conducted in the manner laid down in Para. 8.

8. In the event of an Officer failing, from any cause, whether it be Leave on Sick Certificate in India or otherwise, to join an Invalid Battalion, or other Military duty on which he may be ordered, within two years of his transfer to the Invalid Establishment, except he be absent on Furlough on sick leave to Europe, or be nominated to some other public duty, he will, at the expiration of that time, be required to appear before the Medical Committee at the Head Quarters of the Division in which he may be residing, for the purpose of being examined as to his continued fitness for garrison duty. If found unfit at such examination, or at any subsequent examination, which is to be repeated at the end of every two years, he will be transferred to the Invalid Pension List.

9. The Pay and Allowances of Officers hereafter transferred to the Invalid Battalion will be—

	Pay and Indian Allowances.	House Rent.	Total.
Lieutenant-Colonel.....	547 14 0	100	647 14 0
Major.....	410 14 6	80	490 14 6
Captain.....	249 1 0	50	299 1 0
Lieutenant.....	148 12 0	30	178 12 0
Ensign.....	107 1 11	25	132 1 11

Extra batta will in no case be allowed, whether the Officer be employed within or beyond 200 miles of the Presidency.

10. Officers on the Invalid Pension List will draw the following consolidated allowance:—

	Per mensem.
Lieutenant-Colonel.....	Rupees 200
Major.....	175
Captain.....	130
Lieutenant and Ensign.....	100

Or the rate of full pay pension to which they are entitled at the time of their transfer to the Invalid Pension List.

11. The above rates will be issued as long as the Officers are resident in India. If granted Furlough or sick leave out of India, their allowances will be regulated by the Rules they may have adopted, but their Furlough pay will be according to their rank and for the ordinary duration of such Furlough as at present authorized.

12. Officers on the Invalid Establishment are allowed the distinction of wearing the Military Uniform.

13. Officers on the Invalid Establishment will retain the rank they held when on the Effective strength of the Army, but their transfer will be made only in the rank they held in their Regiments. After removal to the Invalid Establishment, they have no further claim to promotion, but on retirement on full pay, those who may be of, and above, the rank of Captain will receive one step of Brevet rank.

14. Officers on the Invalid Pension List are permitted to reside at any place in India they may choose.

15. Officers on the Invalid Establishment are eligible to Furlough and Sick leave out of India, under the new or old Rules, whichever they may have adopted; and leave in India will be granted to Officers of the Invalid Battalion under the same Rules as are applicable to Effective Officers.

16. Officers on the Invalid Establishment are eligible to hold situations under Government.

17. Officers of the Invalid Battalion may retire on the pension of their rank after the prescribed period of service, or on the pension to which they were entitled on their removal to the Invalid Establishment. Officers on the Invalid Pension List may retire upon the rate of pension to which they were entitled when they joined that Establishment.

The above rules are not to be applied to Officers on the present Invalid Establishment of the three Presidencies.

A LAWRENCE ASYLUM, on the Neilgherry Hills to afford to Madras
European Soldiers the advantages already enjoyed by those of Bengal and
Bombay has long been a confessed desideratum.

The presence of about twelve thousand British Troops in this part of India,
with the increasing number of families of European Soldiers now being poured
in renders such an Institution indispensable; while the unprecedented amount
of sympathy universally expressed towards the British Soldier guarantees a
certainty of success.

The Founders of the Institution have adopted the Rules of the Lawrence
Asylum at Mount Abo in all their Integrity.

As the number of children to be entertained must be proportionate to the
amount of Subscriptions promised, the friends of this enterprise are requested to
be liberal at the outset, with a view to render permanent the efforts already
made, and with a hope of such support as will soon be commensurate with the
wants of this Presidency.

The position of Ootacamund, not only in relation to the Madras Presiden-
cy, but as regards the whole of India, gives it advantages over any other
Station. It will in a short time be within five days of Calcutta and three days
of Bombay.

The Salubrity of the climate is so great as to allow of Europeans and their
descendants labouring in the open air. With a healthful gymnasium, wholesome
diet, and salutary discipline, there is little doubt that the children of our brave
Soldiers, instead of pining and perishing in the Plains, may be fitted for honor-
able and useful employments in the Railway, Telegraph and other Departments.

It is to be hoped that an Institution of so excellent a kind will enlist a wide
support, and that high and low will become, according to their ability, regular
Subscribers.

OOTACAMUND LAWRENCE ASYLUM.

With the money already collected and in the confidence of further public sympathy and support a temporary Asylum has been opened and several children, sons of British Soldiers, have been admitted to its benefits. Applications from the relations and guardians of many others have been received, but it has not been deemed prudent to entertain any large number till it is known whether the public support will justify such a step. It is manifest the present amount of Subscriptions and Donations is quite inadequate to the due maintenance of the Institution on such a scale as will answer the end intended—that of affording in the trying climate of the Presidency of Madras a healthy happy Home to the children of our poorer fellow countrymen, the British Soldiers.

RULES OF THE ABOO LAWRENCE ASYLUM

ADOPTED AS THOSE OF THE OOTACAMUND LAWRENCE ASYLUM.

1. The object of the Institution is to provide, for the Orphans and other children of Soldiers (ATTACHED TO THE MADRAS PRESIDENCY) a refuge from the debilitating effects of a tropical climate, and the demoralising influence of barrack life; to furnish an Asylum, in a bracing climate, wherein a plain, practical education, adapted to the condition of its inmates, may be obtained, and where, by Divine blessing, Soldiers' children may be trained to become useful and intelligent members of Society, and above all consistent Christians.
2. Children of pure European parentage, as being more likely to suffer from the climate of the plains than those of mixed parentage, to take precedence in the consideration of applications by the Committee.

RESOLUTION OF THE COMMITTEE OF MANAGEMENT OF THE OOTACAMUND LAWRENCE ASYLUM, RECORDED ON THE 6TH SEPTEMBER 1858.

The Committee having learnt that doubts are entertained by a portion of the Public interested in the Ootacamund Lawrence Asylum as to the Principles on which it is proposed that Instruction shall be given in this Institution, it is resolved that the following Explanations on this important subject arrived at by the Committee be recorded, and that they be forwarded to the Public Journals with a view to placing the matter in the clearest possible light, viz.

1. That the Rules of the Aboo Lawrence Asylum, which have been adopted as those of the Ootacamund Institution, render it absolutely necessary that the Instruction given in the Ootacamund Asylum shall be entirely on a Scriptural Basis.
2. That the Ootacamund Asylum, under the Aboo Rules, will be opened to Children of all classes and all Denominations of the Christian Religion; and that it is also a Fundamental Principle, and one strictly in accordance with the late Sir Henry Lawrence's mind on the subject, that the Authorized Protestant Version of the Bible shall be read by, and taught to, all the Children in the Asylum, daily.

3. That the businesses of each day shall be opened by Prayer, at which all the Children in the Asylum shall attend.

OOTACAMUND LAWRENCE ASYLUM

4. That Children of the Roman Catholic Religion shall be permitted on the Lord's day, to attend their own Religious services, in their own places of worship, if the Pastors of that persuasion wish it, and will, for the purpose, then take charge of them; and that such Pastors shall have free access to the Children of their own Creed in the Institution in case of Sickness or Affliction.
