A LAWRENCE ASYLUM, on the Neilgherry Hills to afford to Madras European Soldiers the advantages already enjoyed by those of Bengal and Bombay has long been a confessed desideratum.

The presence of about twelve thousand British Troops in this part of India with the increasing number of families of European Soldiers now being poured in renders such an Institution indispensable; while the unprecedented amount of sympathy universally expressed towards the British Soldier, guarantees a certainty of success.

The Founders of the Institution have adopted the published Rules of the Lawrence Asylum at Mount Aboo in all their Integrity.

As the number of children Male and Female to be entertained, must be proportionate to the amount of Subscriptions promised, the Friends of this enterprise are requested to be liberal at the outset, with a view to extend the usefulness of the Institution, and with a hope of such support as will soon be commensurate with the wants of this Presidency.

The position of Ootacamund, not only in relation to the Madras Presidency, but as regards the whole of India, gives it advantages over any other Station. In a short time be within five days of Calcutta and three days of Bombay.

The Salubrity of the climate is so great as to allow of Europeans and their descendants labouring in the open air. With a healthful gymnasium, wholesome diet, and salutary discipline, there is little doubt that the children of our brave Soldiers, instead of pining and perishing in the Plains, may be fitted for honorable and useful employments in the Railway, Telegraph and other Departments.

It is to be hoped that an Institution of so excellent a kind will enlist a wide support, and that high and low will become, according to their ability, regular Subscribers.

With the money already collected and in the confidence of further public sympathy and support, the Stonehouse estate at Ootacamund has been purchased for the Asylum, and 42 Children of British Soldiers, have been admitted to its benefits. Applications from the relations and guardians of many others have been received. It is manifest the present amount of Subscriptions and Donations is inadequate to the due maintenance of the Institution on such a scale as will answer the end intended—that of affording in the trying climate of the Presidency of Madras a healthy happy Home to the Children of our poorer fellow countrymen, the British Soldiers.

RULES OF THE ABOO LAWRENCE SCHOOL

ADOPTED AS THOSE OF THE OOTACAMUND LAWRENCE ASYLUM.

1. The object of the Institution is to provide, for the Orphans and other Children of Soldiers (ATTACHED TO THE MADRAS PRESIDENCY) a refuge from the debilitating effects of a tropical climate, and the demoralising influence of barrack life; to furnish an Asylum, in a bracing climate, wherein a plain, practical education, adapted to the condition of its inmates, may be obtained, and where, by Divine blessing, Soldiers' Children may be trained to become useful and intelligent members of Society, and, above all, consistent Christians.

2. Children of pure European parentage, as being more likely to suffer from the climate of the plains than those of mixed parentage, to take precedence in the consideration of applications by the Committee.

3. The following are the payments required from parents:—

Revised Rates of Subscription to the Aboo Lawrence School, for Soldiers' Children.

Memo.—In addition to the Government allowance (if any) of Rs. 2-8 as per mensem.

4. Applications for the admission of children to be addressed to the Secretary. The documents necessary to be produced are, a Certificate of the child's age and baptism, and a Nominal Roll, according to the Form specified,* stating the date of the last receipt of Government allowance.

5. Donors of Rs. 300, or Annual Subscribers of Rs. 40, to have the nomination of one child for admittance, and in like proportion for increased Donations or Subscriptions. Regiments or Detachments can club for nominations.

6. Children not in destitute circumstances are expected, on entering the School, to be provided with four changes of under clothing: should such children be removed within three (3) Calendar months, the clothing to be returned, otherwise to become the property of the School.

7. In all cases where Soldiers hold appointments by which their income is increased, they are to pay the rate of that rank, the allowances of which most nearly approximate to their actual income from all sources.

8. From Pensioned Soldiers, whose allowances are not equal to those of a private Soldier, no payment to be demanded; other Pensioners to pay according to the foregoing rules.

9. No child to be admitted under five years nor above twelve years, except in special cases to be decided by the Committee.

10. Parents or Guardians wishing to remove children from the School, to give fourteen (14) days' notice of their intention in writing to the Secretary, accompanied by a remittance of the amount due on account of the child to the date of removal.
