Military, No. 58.
TO HIS EXCELLENCY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF
INDIA IN COUNCIL.

MY LORD,

Great difficulty having been experienced in dealing with claims advanced by Officers of short periods of service to retire on half pay, under the clause of the Retiring Regulations established by the late Court of Directors of the East India Company, by their Despatch to the Governor General of India, dated 11th May 1838, No. 3, as quoted in the margin, I have resolved, with the concurrence of the Council of India, to recommend to Her Majesty the substitution of the following modified Rule, which Her Majesty has been pleased to sanction:—
"Officers on producing the prescribed Medical Certificates, countersigned by the Commanding Officer, that they are compelled to quit the service by wounds received in action, or by ill-health contracted on active service, or on Detachment or out-post, or any Military duty in notoriously unhealthy localities, after three years' service in India, are permitted to retire on the half pay of their Rank."

I have, &c.
INDIA OFFICE, London, 16th February 1859. (Signed) STANLEY.

12. Officers who may be compelled to quit India on sick certificate and who may not be entitled to retire on full pay are to try the effects of a temperate climate for the usual term of furlough before they can be allowed to establish their claim to retire from the service upon half pay. If Officers so circumstanced, proceed to New South Wales, or some other Colony, and apply thence, at a proper time, for permission to retire, satisfactory evidence from the Medical Staff Officer, or other undoubted Medical testimony on the spot, to prove that the applicant is incapable from ill health to the performance of Military duty in India is necessary.

13. Members of the Medical Board actually in the service, on the 16th July 1842, and appointed to the Board at any time within ten years from that date, have, provided they have completed twenty years' service in India (including three years' furlough) the option of retiring upon pensions either according to the general scale (para. 14) for length of service in India established on the above date, or upon the following scale:

After serving in the Medical Board of not less than	Two years.....	Per annum.....
	Five years.....	£500
		£700

and in cases of certified sickness, rendering immediate return to Europe necessary, are permitted to retire in India or Europe, at any period after becoming Members of the Board on the first of those pensions, or at any time after the completion of three years' service in the Board on the second.

No. 240
18th Aug. 1857.

7. By existing Regulations, a Medical Officer holding the appointment of Member of the Medical Board, is required absolutely to retire from the Service after he has served five years in that appointment. Hereafter, a Medical Officer who has passed a tour of duty in the highest appointments will, if he is still fit for the Service, be permitted to return to the performance of other Medical duties, until he shall have completed thirty-five years' service, and so be enabled to qualify for the highest rate of Retiring Pension.

15. Superintending Surgeons actually in the service on the 16th July 1842, and appointed to the office of Superintending Surgeon at any time within ten years from that date, have, provided they have completed twenty years' service in India (including three years' furlough) the option of retiring upon pensions either according to the general scale (para. 14) for length of service in India established on the above date or upon the following scale:

After service, as Superintending Surgeon, of not less than	Two years.....	Per annum.....
	Five years.....	£300
		£365

and in cases of certified sickness, rendering immediate return to Europe necessary are permitted to retire in India or Europe, at any period after becoming Superintending Surgeons on the first of those pensions, or at any time after the completion of three years' service as Superintending Surgeon on the second.

16. Members of the Medical Board and Superintending Surgeons compelled by sickness to return to Europe will be permitted to retire from the service upon their respective pensions of £500 and £300 at any period anterior to two years' service as required by paragraphs 13 and 15, and if after having served three years then upon the full pension of £700 and £365.

17. All other Surgeons and Assistant Surgeons attached to the Army are permitted to retire from the service on the pay of their rank on the completion of seventeen years' service in India.

11. Officers who may be compelled to quit the service by wounds received in action or by ill-health contracted on duty, after three years' service in India, will be permitted to retire on the half-pay of their rank, on the production of the usual certificates that their health will not permit them to serve in India. This indulgence, however, can be granted only in England, by the Court of Directors.

G. O. G. dated Simla, 17th May 1851.

The Most Noble the Governor General is pleased to publish the following paras. of a Military Despatch from the Honorable the Court of Directors, No. 7, dated 2d Ultimo.

7. We have also resolved to grant to Veterinary Surgeons, in lieu of the present scale of Retiring Pensions, the rates specified in the annexed paper.

8. Veterinary Surgeons in the Service will not be deprived of the benefit of the present Regulations.

19. Officers who have completed the prescribed period of service, are allowed to retire either in England or in India.

The following Extract from a Military Letter from the Right Honorable the Secretary of State for India, is published:—

Letter dated 30th March 1851, No. 54.

I have had under my consideration in Council, the Regulation of the year 1801, under which Officers of H. M.'s Indian Army, who retire in this country, can only claim the benefit of the rank held by them at the expiration of one year from the date of their landing in the United Kingdom, and being of opinion that the rule in question is not applicable to present circumstances, have resolved, that, in future, Officers retiring in this country, shall be allowed, during a period of two years and a half from their quitting India, when on authorized furlough, the benefit of the Regimental Rank they may have respectively attained, up to the date of their retirement.

No. 93 of 1859.—Under instructions from the Right Hon'ble the Secretary of State for India, the following is substituted for Government General Order* No. 106, of the 30th May 1836:—

Officers retiring in England from the Service shall be considered to have retired from the date of their application for leave to retire, or from the expiration of two years and a half from the date of the commencement of their Furlough, whichever shall first happen.

Promotions in succession to casualties, by death in England, shall have effect from the date of decease, or from the expiration of three years' absence from India, whichever shall first happen.

* Vide Madras G. O. G. 13th May 1836, No. 105.

22. Applications from Officers to retire from the service in India, are to be addressed to the Right Honorable the Governor in Council under the signature of the parties and to specify the date, which must be a prospective one, from which the applicant wishes his retirement to have effect; and from the date so specified they, in the event of the decision of Government on their case not having been previously received, will, pending such decision, be exempted from the performance of all Military duty. Each application to be transmitted through the ordered channel of correspondence accompanied by a certificate of service from the Adjutant General, and certificate of no demands from the Accountant General.

G. O. C. C. 15th July 1850,
No. 42.

23. The pay accounts of Officers serving in the Tenasserim Provinces, Straits Settlements, &c. applying for permission to retire are to be kept separate; and Officers so situated are not to sign the Abstract of their Troop or Company, but will not on that account be deprived of Command allowance.

24. In the cases contemplated in the preceding para., Officers Commanding Stations will send all Abstracts of previous charges to Madras for audit at the same time the individual's application to retire is forwarded.

25. The rates of Full Pension and Half Pay allowed to all Officers, whether of Cavalry, Artillery, Engineers, or Infantry, are as under:

	Full			Half		
	£.	s.	d.	£.	s.	d.
Colonel.....per diem...	1	5	0	0	0	0

Applications for Leave.

The attention of Officers Commanding Regiments, is called to G. O. C. C. No. 21, dated 18th May 1857, requiring a note to the following effect to be entered at the foot of all applications for final or preparatory leave to Europe for Officers under their command:

"The above Officer is considered qualified to take Command of drafts of European Recruits

G. O. C. C.
No. 103, 12th Oct. 1859.
" — to do duty with European Recruits " or
" — is not qualified to Command or do duty with European Recruits."

2. On all occasions of Officers absent from their Regiments on ordinary leave of absence in India, or on Staff employ obtaining final or preparatory leave in General Orders to proceed to Europe, an immediate report of their qualifications to Command or do duty with European Recruits on return to India, is to be made in one or other of the above terms by the Officer Commanding their Regiment, to the Adjutant General of the Army.

G. O. C. C.
5th May 1860,
No. 59.
On all occasions of Officers being passed by the Presidency Board of Medical Officers for leave to Europe on sick certificate, a N. B. is to be entered at the foot of the proceedings, stating whether the Officer's state of health will admit of his being detailed for duty with Troops proceeding to England. And Officers who obtain leave on medical certificate are warned not to engage a passage to England privately until they ascertain that their services will not be required on public duty.

G. O. C.
14th Sept. 1860,
No. 404.
It having been brought to the notice of Government, that instances have recently occurred in which Military and Medical Officers in Civil employ have obtained leave to Europe through the Civil Department, the Governor in Council desires to call the attention of all Officers, to para. 10, Section XVIII of the General Regulations and to G. O. G. dated 18th August 1854 No. 191, requiring all applications for leave to Europe to be submitted through His Excellency the Commander-in-Chief.

The Right Honorable the Governor in Council is pleased, in supercession of existing rules

regarding the production of Certificates of "No Demand" by Military Officers when about to proceed on leave beyond Sea, to promulgate the following Rules for general observance.

1. Every Military Officer whether Staff, Regimental, or in Civil employ, on applying for leave beyond Sea, whether to Europe or elsewhere, (leave under G. O. C. C. 2d July 1856, No. 34, excepted) will be required to submit with his application for Leave, a report from one of the Officers noted in the margin, according to his Department, stating whether, with reference to the information before him, there is reason to require security as a special case on account of any doubtful items outstanding against the applicant, or because of any thing suspicious or extraordinary in the state of the applicant's accounts.

2. The reporting Officer must not delay his report in ordinary cases, by references to local Officers, as with a proper system of despatch and proper vigilance on his part, he ought, in all ordinary cases, to have the means of judging in his own Office.

3. All Officers are reminded of the necessity of using every means in their power for the settlement of their accounts, in order to obviate inconvenience to themselves from any delay in the issue of the reports by the several Departments concerned.

Fort William, 17th July 1860.

No. 755 of 1860.—The following Rules will have effect in modification of the existing Regulations on the subject:—

Officers proceeding on leave, on Medical Certificate, shall not be required to furnish No Demand Certificates or Security.

When an Officer in charge of cash or stores applies for leave on Medical Certificate, he shall be required to furnish a Certificate from the Officer taking charge of his duties, that as far as can be ascertained, after careful examination, nothing irregular nor any known demands against him remain unadjusted in his Office.

Officers applying for leave beyond Sea, on private affairs, shall be required, as at present, to furnish No Demand Certificates.

Officers, on leave, on Medical Certificate, intending to retire from the Service, are to give the earliest intimation thereof to the Accountant General through the Pay Master, so that the requisite No Demand Certificate may be prepared, as no retirement is permitted without such Certificate is furnished.

In re-publishing the following General Order by the Right Honorable the Commander-in-Chief in India, dated Head Quarters, Simla, 14th June 1859, the Commander-in-Chief calls the attention of Officers thereto.

"Officers of Her Majesty's British Army, who may be serving on the Staff, or in detached employment of any description, under the orders of the Commander-in-Chief, save in the Departments exclusively appertaining to the Royal British Army, will submit applications for leave of absence of every description, through the superior Officers, under whom they are serving, to the Department of the Adjutant General of the Army."

No. 42.—The Provincial Commander-in-Chief directs that whenever any Officer, (whether at the time serving with his Regiment or on Staff or other employ,) obtains leave to proceed to Europe, or to retire from the service, a statement in the subjoined form, shall be forwarded without delay, by the Officer Commanding his Regiment through the Divisional Commanding Officer to the Adjutant General's Office at the Presidency.

2. In the case of an unposted Officer, the required statement is to be forwarded by the Officer Commanding the Regiment with which he may have been appointed to do duty.

To the Secretary to Government, Military Department, Fort St. George.

SIR.—With reference to a communication from this Department No. 142 dated 4th February 1856, I am directed to acquaint you for the information of the Right Honorable the Governor in Council that the Right Honorable the Governor General of India in Council is desirous to determine that the decision of Government conveyed to the Secretary to Government Military Department, Bombay, in letter from this Department No. 141 dated 4th February 1856, by which it is ruled that the day of departure from Regiment or appointment is one day of leave, and the day of return thereto, one of duty, shall likewise be held applicable to privilege leave—thus an Officer proceeding on privilege leave on the 5th August will have been absent full thirty days only having rejoined on the 31st day, which is one of duty, and an Officer proceeding on the 4th August on 60 days' privilege leave and rejoining on the 4th October, will have been absent full 60 days only.

Para 13. The privilege of two consecutive Months' indulgence leave originally granted to Military Officers on Staff employ in the Peshawar Valley, on account of the distance of the District from the Commissioner of the Punjab have sanctioned the rule, by which Military Officers on staff employ, Trans Indus, are allowed two months' indulgence leave consecutively, being made applicable to Military Officers in Civil employ in the Trans Indus Territories.

Paras: 111 and 112. Under the circumstances represented by the Chief Commissioner of the Punjab have sanctioned the rule, by which Military Officers on staff employ, Trans Indus, are allowed two months' indulgence leave consecutively, being made applicable to Military Officers in Civil employ in the Trans Indus Territories: we do not however think it advisable that this privilege should be allowed to any Military Officers in Civil employ who while holding Civil appointments must abide by the regulations of the Civil Service on this respect.

No. 83.
EXTRACT FROM THE PROCEEDINGS OF THE GOVERNMENT OF INDIA, IN THE FINANCIAL DEPARTMENT, DATED 12TH JULY 1859.

Extract from a Despatch from the Right Honorable the Secretary of State for India, No. 45 of 1859, dated the 19th May.

G. O. G.
No. 330 of
9th Aug. 1859.

Letter dated 18th January 1859, No. 6. As stated in paragraph 8 of my Despatch in this Department, dated 21st April 1859, No. 33, you had rightly decided that the admission of Military Officers holding Civil appointments, to "the indulgence of three months' cumulative leave after thirty-three months' continuous service," had reference only to the period for which leave might be granted, and not to the allowances of the absentee. This rule must be adhered to.

8. The full period of three months' absence may, however, count as service for Pension, but if an extension of leave be applied for by a Military Officer, who has taken privilege leave under the Civil Rules, it must be subject to the Military Rules in regard to reduction of salary after the first two months' absence.

No. 250, *Fort William, the 23rd January 1860.*—Notification.—The following Resolution, passed by the Hon'ble the President in Council, in the Financial Department, under date the 6th instant, is published for general information:

RESOLUTION.—The Officiating Civil Auditor, *Fort William*, enquires, with adverting to the case of Major Bouverie, Political Agent at Blurtport, whether, in the case of a Military Officer entering upon Civil employ, his score for privilege leave under the Civil Rules

Para 4. The Leaves of absence authorized by the foregoing paras may one and all be enjoyed by an Officer during the one and same period of 6 months above specified, without any loss of allowances; provided that in every case the Officer rejoins at the expiration of the particular leave obtained that is to say that an Officer cannot be absent at one time for more than 3 days on Regimental, 10 days on Station or 30 days on division leave. But it is to be clearly understood that no consolidated salary, command, Staff or contract allowance, shall in any instance, be drawn for two Officers for the same period, and that the state be not put to any additional expense thereby; and in the case of Staff and Medical Officers and Veterinary Surgeons, that they make approved arrangements for the performance of their duties during their absence.

Para 5. The fact of an Officer having very recently returned to his post from general leave does not debar him from the privilege of obtaining leave under Paras. 3 and 4.

Para 6. An Officer unavoidably overstaying the leave granted him under paras 3 and 4 will not be liable to forfeiture of Command or Staff allowances, except for the actual period in excess of the leave granted him by either of the above authorities. But it is always competent for the superior Station or Divisional authority to grant extension of such leave, on sufficient cause being shewn to avoid even this forfeiture. For instance an Officer unavoidably overstaying Regimental leave may have it converted into Station or Division leave, and in like manner Station leave can be changed into Division leave provided always the prescribed aggregate extent of leave which the different authorities are respectively permitted to grant is in no case exceeded. When an Officer, under the above circumstances, exceeds the 60 days allowed in each half year it will rest with the Commander-in-Chief to grant him an extension of leave to prevent forfeiture of pay and allowances for the period he may have overstayed his original leave.

must commence from the date of joining his Civil appointment, or whether it must be calculated by the usual reckoning of 11, 22, or 33 months of uninterrupted service, irrespective of the Department (Civil or Military) in which such service may have been rendered.

2. Referring to this question, the President in Council observes that, when it was laid down that two or three months' accumulated privilege leave could be granted, under the Civil Rules, to Military Officers in Civil employ, it was intended that such leave should be earned by continuous service of the required number of months in the Civil Department alone.

No. 110.

"With reference to your Letter No. 616, dated the 10th February last, I am directed to state for the information of the Honorable the Governor in Council, that His Excellency the Governor General is of opinion that the Military Secretariat to Government is certainly a Civil Department and that the Military Secretaryship to the Governor or to the Governor General, is as certainly a Military appointment. Accordingly the Civil Rules for privilege leave are alone applicable to the former, and the Military Rules exclusively to the latter."

G. O. G.

No. 344.

"The Governor in Council is pleased to authorize the Principal Inspector General, Medical Department, to grant privilege leave to Medical Officers in Civil employ at the Presidency, the same being notified in every case in the Official Gazette. Leave to Medical Officers in Military employ will, however, continue to be granted as heretofore."

No. 53.

The Governor in Council directs that the following rule, contained in G. O. by His Excellency the Commander-in-Chief in India, dated Simla, 12th July 1859, be extended to this Presidency.

Leave of absence, preparatory to furlough, whether on private affairs or on sick certificate, must always be general, and not privilege leave.

No. 80.

With reference to G. O. G. No. 53, dated 3d February 1860, the Governor in Council directs that, in future, in accordance with the practice in Bengal, leave of absence preparatory to retiring from the service shall always be general, and not privilege leave.

10th Dec. 1861,
No. 436.

The following Extracts from a Military letter from the Government of India, No. 930, dated 23rd November 1861, are published for general information:—

"Though an Officer taking privilege leave may proceed wherever he may desire, he cannot proceed to such a distance as must preclude the possibility of his rejoining within the period of such leave. Thus as privilege leave, under Military rules, is limited to 60 days, and it is impossible, under existing arrangements for transit, to visit Europe and return thence within that period, an Officer cannot go to England on privilege leave on Military rules."

"Government alone can grant an Officer leave to visit Europe."

Para. 61.—Should an Officer on leave under Paras. 3 and 4 be put on duty by the Commander-in-Chief at station at a distance from his own, on a date which, with reference to such distance, would admit of his rejoining, by any mode of travelling within the period of his leave, he will be entitled to compensation for loss of allowances for the period of his detention beyond the expiration of his leave, but if put on duty at a time and place from which he could not with reference to distance rejoin within the period of his leave by any mode of travelling, he will not be entitled to compensation for any period of absence from his Regiment.

Para 7.—The above rules are applicable to Divisions and Forces, both within and beyond the Frontier.

By order of His Excellency the Commander-in-Chief.

W. G. WOODS, Lieutenant Colonel,
Adjutant General of the Army.

With the view of adapting the Regulations to the present increased facilities of communication, and to correct, as far as possible, any tendency in them, to deter Officers from resorting to the places which may be most conducive to the restoration of their health, when a change of climate is required for that purpose, the following Rules are established, and are to have effect from the 1st February 1854:—

2. An Officer having made election of the Old Furlough Regulations while doing Regimental duty, cannot change to the Regulations of 1854 on subsequently obtaining a Staff Appointment.

next apply for Furlough or leave of absence, without any limitation whether such leave be in India or elsewhere; and Officers who once make their election will not be entitled to any other choice, but will be afterwards subject to the New or Old Regulations according to their decisions.

2. Staff Officers, as such, have not the above option allowed them, but they may retain the advantages of the Old Regulations by giving up their appointments, which, in such cases will be considered vacated from the date of embarkation.

3. To those Officers who adopt them, the New Regulations will apply retrospectively in respect of Furlough and leave of absence beyond sea, and in computing their time of service for retirement, so that their Furloughs or leaves of absence, whether under the Old or the New Rules, and whether on private affairs or sick certificate within or beyond India, will count for service to the authorized extent only, in computing the time for retirement on full pay.
4. Officers who have availed themselves of the option of the Old Rules, are allowed to re-consider the question under the modifications now sanctioned.
5. Officers who have not taken leave subsequent to the publication of the New Rules on the 1st February 1854, and who consequently may not have been called upon to declare whether they would abide by the Old or the New Regulations, will, on retirement from the Service, be entitled to take full advantage of the privileges given by the New Regulations.

With reference to para. 6. The Right Honorable the Governor General of India in Council directs that the following paragraph of a Military Letter from the Honorable the Court of Directors to the Government of India, No. 2, dated 23d January 1866, be published in General Orders.

Para. 8. We have to state in reply to your enquiry, that an Officer proceeding on leave to England for six months, retaining his appointment or otherwise, is not to be considered as having taken his authorized Furlough after ten or twenty years, as the case may be, but may, with your permission, be allowed at any time to take the remainder of the two years authorized Furlough on private affairs.

Government forward correspondence relative to certain questions connected with the new Furlough Regulations and request to be informed as to claims of an Officer to the residue of his Furlough on private affairs when he has been already absent on leave to England on private affairs for six months.

With reference to paras. 6 and 7. The Right Honorable the Governor General of India in Council is pleased to notify that the Honorable the Court of Directors, in their letter No. 56, of the 28th April 1858, have communicated the following decisions regarding the New Furlough Rules, published in Government General Order, No. 1754, dated the 17th Nov. 1854:

Referring to Rule 6, 7.—Officers who take their first Furlough after twenty years' service in India, may take their second furlough after an additional service of five years from the date of their last return to duty.

Referring to Rule 9.—Absence for six months under this Rule does not preclude an Officer from taking his Furlough to Europe after ten years' service.

3. An Officer of upwards of 20 years' service, but who before completing that period has enjoyed a furlough on private affairs to Europe, for say four years, for 2 of which he drew pay, has a claim to a second furlough of one year with pay, on the completion of 16 years from the date of his return to duty—but, if subsequently to his return from furlough, he has taken leave out of India on S. C. his second furlough on private affairs will not be claimable till the expiration of six years from return to duty from such sick leave, as well as 10 years from the date of return to duty from furlough on private affairs.

service, and for a second period

of two years after twenty

years' service in India.

7. * The second Furlough of

two years will only be grant-

ed after ten years' service in

India, from the date of the

return to duty after the first

Furlough of two years. These

Furloughs are not to be cum-

ulative, under any circum-

stances, but are limited to

on private affairs until they

have served six years from

their last return to duty.

This rule does not apply to

No. 92.

N. B.—This Rule is not applicable to an Officer who takes his first Furlough out of India after completing 20 years' service; vide para. 4 of this order.

With reference to para. 6. 4. Officers who have proceeded on sick leave M. C. No. 2702, 20th Oct. 1856, to Europe after a period of 20 years' service, it being the first time of their quitting India, can, as in the case of Officers who take their furlough after the same period, take a furlough on private affairs after 5 years from the date of their return to duty.

The following Extract of a Military Despatch from the Right Honorable the Secretary of State for India, is published:—

Despatch dated 24th April 1860, No. 73.

9. I have to inform you that it has been decided that those Officers who have come to this Country on duty with discharged Troops, and have been granted extensions, (not exceeding six months) of their privilege leave on medical certificate, or on private affairs, shall not be considered to have vitiated their claim to Furlough at the end of ten years service, though they may not have been six years in India since their return from this country.

The following Extract from a Military Despatch from the Right Honorable the Secretary of State for India, is published in General Orders:—

Despatch dated 25th May 1860, No. 87.

Para. 4. I have to inform you that it has been decided that those Officers who have been allowed to count their leave on sick certificate, as service for pension, will be ineligible to a furlough on private affairs, until they have served six years in India from the date of their return to duty.

4. A number of Recruits having been enlisted for the Royal Artillery, for service in India, it has been deemed expedient that a certain proportion of Officers of the Bengal, Madras, and Bombay Artillery should be appointed to do duty with them at the Royal Artillery Depot at Woolwich, until the next season of embarkation, and that some of these Officers should then proceed with the drafts to India.

These Officers will be entitled to count the time passed at Woolwich as service in India, and if they proceed with Recruits, the period occupied by the voyage. The Officers returning with Recruits will be allowed to count the period passed by them on duty at Woolwich, and on the voyage, as part of the qualifying period necessary for them to serve in India before they are again entitled to a furlough to Europe.

No. 565 of 1861—His Excellency the Governor General in Council is pleased to resolve that absence from India, on authorized leave within the periods allowed by the new Furlough Regulations, shall not debar an Officer whose efficiency has been proved and certified to the full satisfaction of the Governor in Council from Departmental promotion, temporary or permanent.

In such cases the absent Officer will not, till he resumes charge of his duties, have any claim to the salary of the higher office, which will be drawn by the Acting Officer.

(Signed) R. J. H. BIRCH, Major General.
Secy. to the Govt. of India.

Fort William, the 1st October 1861.

No. 874 of 1861.—The following paragraphs of a Military letter from the Right Hon'ble the Secretary of State for India, No. 304, dated 2nd August 1861, are published for general information:—

1. Your letter dated 3rd June last forwards an application from Lieutenant D. MacIntyre, 2nd in Command Sirmoor Battalion, that the leave of absence for six months granted him to visit Europe on private affairs may be extended to eighteen months on the same account, with retention of his appointment under the 93rd paragraph of your General Order, dated 10th April last.

2. The privilege of retaining appointments during periods of absence not exceeding twenty months, as announced in my Despatch, dated 18th January last, applies only to Officers returning to this country on Medical Certificate. It was intended as an extension of the privilege of fifteen months' leave allowed by the new Furlough Regulations to Staff Officers quitting India on account of the state of their health. With this exception Officers of the Staff Corps, it was stated, would be under the new Furlough Regulations. By these Regulations, Furlough on private affairs with retention of staff appointment is restricted to six months.

3. The Furlough on private affairs of the Officers of the Staff Corps, with the right of retaining appointments, is to be limited to the same period.

4. The application of Lieutenant MacIntyre cannot therefore be complied with.

10. All Officers, whether Staff or Regimental, while on Furlough on private affairs, will be entitled to "Furlough pay" only.

Leave of absence on Sick Certificate.

11. Leave of absence on sick certificate will be granted for a term not exceeding eighteen months, whether it be to any place in Europe or elsewhere out of India.

12. Extensions of such leave may be granted, as at present, on production of Medical certificates for further periods not exceeding eighteen months in the whole.

9. Officers holding Staff or other detached appointments may be allowed Furlough for a period of six months without losing their appointments; but during that period, they will not be entitled to any portion of their Staff Salary, which will be drawn in full by the Officers officiating for them.

G. O. C. C.
15th April 1856.
No. 112.

With reference to para. 13. No. 1884.—The grant of *Calcutta Gazette, 4th April 1856.* leave of absence to Staff Notification in Foreign Department. Officers, on Medical Certificate, with half Staff Allowances, for six months, and with the privilege of returning to their Offices, if their absence from India be not prolonged beyond fifteen months, is bestowed by the Honorable Court, in order to enable such Officers to regain their health, and in the expectation, that they will be thereby qualified to render additional service to the Government. But if leave of absence be taken merely to run out a prescribed period of service, and without any intention of returning to duty, the principle on which the rule is founded is infringed, and the indulgence of the Honorable Court is abused; wherefore the Right Honorable the Governor General in Council hereby notifies for general information, that, if there be an avowed intention on the part of an Officer not to return to duty, or if the Government have valid grounds for concluding that the Officer has no intention to return to duty, the indulgence of leave on sick certificate, retaining Office, will not be granted in future.

The foregoing was declared in a Notification, No. 2129, dated 16th April 1856, republished in G. O. G. 2d May 1856, No. 139, to be applicable to all Military Officers holding Political or Civil appointments, either under the Government of India or under any of the Subordinate Governments.

6. If an Officer, having With reference to paras. 13 and 16, proceeded on leave in India on Medical Certificate and enjoyed the indulgence to the full extent, proceeds on leave on Medical Certificate out of India without having returned to duty, the existing Regulation which precludes receipt of Indian allowances for a longer period than two years of continuous absence from duty, is a bar to his drawing Indian allowances for the first six months or for any part of his fresh leave.

The following Orders by the Lieutenant-Governor, North Western Provinces, are republished in General Orders.

Extract from a letter from the Honorable the Court of Directors, to the Government of India, No. 171, dated 15th October 1856.

3. The New Furlough Regulations made no alteration in the old rules governing the resumption of Staff Allowances on return to duty. Under those rules an Officer who had ceased, prior to his return, to be entitled to Staff Allowances, could not draw any portion of them from an earlier date than that of his resumption of his Staff duties. We think it undesirable to make any change in this respect.

39. In the same (55th) paragraph of your Despatch, you express an opinion that the boon of twenty months' leave on Sick Certificate, with retention of appointment, granted to Officers of the Staff Corps, may be extended to all Officers of the other branches of the Service. I have much pleasure in acceding to this recommendation, and I authorize you to give it effect immediately in the three Presidencies. I have no objection to extending this boon to Officers now on Furlough in all cases in which you may think it desirable to recommend it.

18th Oct. 1861.

14. An Officer's claim to half Staff Salary for six months, as sanctioned in the preceding Rule, will not be affected by his subsequently retiring from the service in Europe or elsewhere.

15. No portion of Command Allowance, Medical Staff Salary or other similar allowance, which under the Old Rules was inadmissible to Officers absent from their Corps or Stations at the Cape or elsewhere, will be allowed to absent Officers under these Regulations.

16. * † All Officers, whether Staff or Regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian Pay and Allowances as was allowed under the Old Regulations to Officers proceeding to the Cape on medical certificate, and for the remaining period of their leave they will receive Furlough pay only.

17. If the leave on sick certificate be extended, Furlough pay will be continued but under no circumstances for a longer period than three years altogether from the commencement of the absence.

Staff Officers.

18. The term Staff Officer applies to all Officers holding Staff or Detached appointments, Military (General or Regimental), Political or Civil, also to General Officers commanding Divisions, Members of the Medical Board, Superintending Surgeons, and others who, under the Old Rules, were entitled to draw half Staff allowance when absent at the Cape.

13. *An Officer holding a Staff or other detached appointment will be allowed to be absent on sick certificate in England or elsewhere, beyond sea for a period of fifteen months, without losing his appointment; and, during the first six months only of such absence, he will be entitled to draw half the Staff Salary of his appointment, the Officer officiating for him drawing the remaining half salary during the first six months, and the whole salary during the remainder of the time.

With reference to para. 19. The following paragraph of a Military Letter, from the Honorable the Court of Directors to the Government of India, No. 84, dated 27th June 1855, is published for general information:—

Letter dated 5th April 1855, No. 82.

No. 237.

Submit the question whether as Officers are, on their first application for leave of absence on Furlough, to declare whether they will abide by the Old or accept the New Furlough Rules. Staff Officers who apply for leave to the Hills or elsewhere in India are to vacate their Offices like those who take leave to the Cape or elsewhere beyond sea. Government observe, that if this were so, the Rule would have the effect of debarring such Officers from all leave, however short, in excess of the privileged leave of one month in six.

With reference to para. 19. 1. The Commander-in-Chief directs it to be notified that under a decision of the Government of India, the new furlough regulations are held not to affect the rules heretofore in force with respect to leave in India, and that consequently a Staff Officer obtaining leave of absence in India on private affairs for six months, or on medical certificates for two years, retains during such absence a moiety of his Staff salary as sanctioned by the regulations for the grant of leave in India which are still in force.

No. 73.

2. A Staff, as well as a Regimental Officer is required, when first applying for leave, whether in or out of India, to declare by which of the furlough regulations he wishes to abide. A Staff Officer having made his election can take his leave in India as above stated, and should he afterwards require to proceed to England, the retention or otherwise of his appointment will depend upon which of the rules he first elected, and from which he cannot afterwards change.

3. In the event of a Staff Officer electing the new furlough regulations and taking leave in India, the whole of the leave he has previously enjoyed from the date of his entering the Service, excepting the periods allowed by those rules to reckon as service, must be reckoned against his period of service for retirement.

1. Extension of leave without loss of appointment to Surgeon James Shaw Superintendent of the Eye Infirmary. 28. This is the third instance within a very short time in which the privilege of continued tenure of Staff appointment has been recommended merely on the ground of a continuation of the Medical Certificates. If this system were admitted, the Rule which limits absentees to the privilege of fifteen months' absence on medical certificate must necessarily be abandoned.

* 19th January 1855, No. 9, para. 20. 29. You will have seen by our letters of the dates noted in the margin that we have declined to sanction the retention of Staff appointments beyond the term of 15 months recommended on the ground of continued sickness. The Regulations state that such retention of Office can be only sanctioned on "special grounds," to be reported to us and subject to our approbation.

No. 151 of 1855.—The Governor in Council directs the publication of the following Extract from a letter from the Secretary to the Government of India, Military Department, dated 30th March 1855, No. 1416, in reply to an application for the services of certain Officers on Staff and detached employ whose absence in Europe on medical certificate, had exceeded the period of 15 months.

G. O. G.
19th April 1855.

"I am directed to acquaint you, for the information of the Right Honorable the Governor in Council, that it has not been the practice to place Officers who exceed the authorized period of absence, during which they retain their Staff situations, at the disposal of the Commander in Chief, or of the Government of the Presidency to which they belong.

"An Officer exceeding the period of authorized leave, has, I am to add, no Staff employ, unless re-appointed, and he reverts to his Regimental duties."

No. 215 of 1855.—With reference to G. O. G. 20th July 1855, No. 275, the following dispatch from the Right Honorable the Secretary of State for India is published.

Letter dated 21st April 1855, No. 58.

G. O. G.
31st May 1855.

Having considered in Council your dispatch, No. 25, dated 11th February 1855, soliciting instructions as to what may be admitted as special grounds for permitting a Staff Officer, absent on medical certificate, to retain his appointment for any period beyond 15 months, I have to express the desire of Her Majesty's Government that this indulgence should be very rarely granted, and only in cases where it is important on public grounds to retain an Officer's services in a particular appointment, or where the distinguished services of an Officer may entitle him to special consideration.

The Right Hon'ble the Governor-General of India in Council is pleased, with the concurrence of the Right Hon'ble the Secretary of State for India, to modify to the following extent such of the new Furlough Regulations as are applicable to General Officers on the Staff.

G. O. G.
5th Nov. 1851.
No. 391.
G. O. G. G.

The concession of leave to Europe in the case of a General Officer is to be considered the exception and not the Rule; and, as ground for obtaining such leave, it must be shown that the Officer has contracted illness from the effects of climate, or of wounds received on service in India, or that the nature of the Private Affairs taking him from India is of a very urgent nature.

19. * Staff Officers, absent on leave beyond the period stated in Rules 9 and 13 respectively, cannot retain their appointments and allowances except on special grounds, to be sanctioned by the Government of the Presidency. Any such special grant of leave is to be reported, at once to the Hon'ble the Court of Directors, with the reasons for it, and to be subject to their approbation.

No. 352.
22d Oct. 1861.

Leave on Medical Certificate will be restricted to six months, and on Private Affairs to four months, the penalty of exceeding such period being the vacation of the Command, and fit no case will a General Officer be allowed more than one grant of leave out of India during his tour on the Staff.

The position of Brigadiers being considered analogous to that of General Officers on the Staff, the principle upon which the indulgence of leave is to be granted will hereafter be the same in both cases.

20. The privilege of retaining Staff appointments during leave of absence on sick certificate, or on Furlough on private affairs, will not be available a second time, if the fresh leave is on sick certificate, until an Officer has been three years, or on private affairs, until he has been six years in the discharge of the duties of his appointment, from the date of last return to it.

No. 34.

With reference to para. 21. * His Excellency the Commander-in-Chief directs it to be published in General Orders for the Information of the Army, that the Government of India has fixed three (3) months as the maximum period which is to be understood by the terms "short leaves" and "leaves for brief periods," used in rules 7 and 21 of the New Furlough Regulations.

21. This Rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs in India, or for brief periods to Ceylon, the Mauritius, or other places out of India.

22. Officers commanding Troops of Horse Artillery and Light Field Batteries, and Officers generally in employment, will be allowed leave out of India under the same Rules with respect to allowances and tenure of Command or Office as regulated the grant of leave to the Cape to such Officers under the Old Regulations, except as to the duration of those advantages, the time for their continuance being subject to the provisions of the New Regulations.

Date of Furlough and Advances of Pay.

23. The period of Furlough on private affairs, or leave of absence on sick certificate, is to be calculated from the date of the departure from India of the ship in which the Officer proceeds.

7. It is not imperative on Officers to draw advances under this para:—option is allowed either to take the advance or to draw pay and allowances in arrears in England.

24. Advances of Pay and Allowances, Staff and Regimental, to Officers proceeding on leave of absence on sick certificate, who may be entitled to them, will be made in India for three months from date of embarkation. Payments in continuation will be made in England at the rates of exchange fixed annually for re-payment of advances made on account of Her Majesty's Government. Furlough pay will continue to be issued in advance for six months when required by Officers obtaining Furlough on private affairs.

25. The existing Regulations regarding Passage Money to Officers are not affected by these Rules.

With reference to paras. 26 and 21. The Right Honorable the Governor in Council is pleased to publish the following General Order by the Honorable the President of the Council of India in Council, dated 16th April 1855, No. 430, and that by the Commander-in-Chief in India thereina referred to—and to declare their provisions applicable to Officers proceeding to this Presidency or to Head Quarters of Divisions, for the purpose of undergoing an examination in the Native languages.

G. O. G. G. No. 430 of 10th April 1855.—The Honorable the President of the Council of India in Council is pleased to notify for general information, that Officers who have proceeded on leave to the Presidency for the purpose of undergoing examination in the Native languages before the Examiners of the late College of Fort William, or the present Board of Examiners, in any of the tests laid down for Military Officers, will be allowed to reckon the period of their absence, to the extent of six months only, as on duty, in the same manner as Officers proceeding to the Head Quarters of the Division in which they are serving for a like purpose, are now considered as absent on duty.

G. O. C. C. I. dated Head Quarters: Simla, 26th September 1854.

The Commander-in-Chief is pleased to notify that, with the sanction of the Most Noble the Governor General in Council, Officers proceeding to Head Quarters of the Division in which they are serving, to undergo an examination in the Native languages before the Half-yearly Committee, will for the future be considered as absent from their Regiments on duty and such absence will not interfere with their enjoyment of temporary leave under the order marginally cited.

2. Officers Commanding Divisions will be held responsible that this indulgence is not abused by Officers absenting themselves from their Corps for longer periods than may be actually necessary to enable them to accomplish the object in view.

The Commander-in-Chief directs it to be notified that leave granted under the provisions of G. O. G. No. 116, dated 24th April 1855, to Officers who may fail to shew that they have made good progress in their studies will be converted into general leave counting against service for pension.

26. The certificates issued to Officers who are granted Furloughs on private affairs, or leave of absence on sick certificate, are to specify the time each Officer has been absent on leave within Indian limits, as well as the time of his previous absence in Europe; but will not include the periods allowed for proceeding to the Presidency or port of embarkation, and

HEAD QUARTERS, AHMEDNUGUR, 17th Sept. 1855.

1. With the sanction of Government, the following decision of the Government of India, having reference to rule 26 of the New Furlough Regulations, is published to the Army:

"Short leaves on private affairs for periods not exceeding 30 days, which have been granted to Officers in General Orders, previously to 6th December 1854, are to be counted as 'privileged,' provided they do not exceed an aggregate of 30 days in each half year."

With reference to paras. 26 and 31. The Right Honorable the Governor in Council is pleased to direct the publication of the following Bengal rule, and to sanction its extension to the Officers of this Presidency.

"Should an Officer who is on privilege leave not rejoin his Corps, but be absent in continuation, on not more than five months' leave on private affairs, or one year and eleven months' leave on Medical Certificate, he will retain his full salary or allowances for the thirty days of privilege leave, which will also count as service, but he will, nevertheless, forfeit all Military Allowances on completing six months or two years' absence, (as the case may be) reckoned from the date that he quitted his Corps and station."

With reference to paras. 26 & 31. M. C. No. 514, 26th Feb. 1856. 8. In calculating the period of an Officer's absence on furlough in India, the day of departure from a Regiment or appointment is to be reckoned as one of duty. In like manner as respects Furlough beyond India, the date on which the vessel conveying the Officer from India puts out to Sea, is to be reckoned as one of Furlough and the day on which he returns to his Presidency as one of duty.

With reference to paras. 26 & 31. M. C. No. 901, 18th April 1856. 9. An Officer entering the Service and obtaining leave to visit a station not the Head Quarters of his Regiment and to join the Corps to which he is posted, and who actually does join within the period sanctioned by Regulation for the purpose of joining by the direct route, is allowed to reckon such leave as service for pension.

The principle of this rule is applicable to Officers who on return from leave out of India are allowed to visit a Station out of the direct route to the Station to which they belong.

With reference to paras. 26 & 31. M. C. No. 2702, 20th Oct. 1856. 10. Leave for one month, granted to Officers in Civil employ under Section XI (amended) Old Civil Service Absentee Regulations, is not to be deducted from same light as one month in six privilege Service, it being considered in the leave granted to Military Officers.

With reference to paras. 26 & 31. M. C. No. 3144, 4th February 1856. 11. The period during which Officers may have been or may hereafter be absent on leave for the purpose of accompanying Insane or Sick Officers is allowed to count as service for pension.

With reference to paras. 26 & 31. M. C. No. 2702, 20th Oct. 1856. 12. If an Officer is placed on duty while on leave of absence whether on Medical Certificate or private affairs he will be allowed to count as service for pension the whole period he may be so employed, i. e., from the date of the order nominating him to such duty to the date of the order relieving him, both inclusive.

Officers of H. M.'s Services.

27. Officers of Her Majesty's Service in India, whether employed Regimentally or in Staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

28. In the case of Officers of Her Majesty's Service on Furlough on sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

With reference to para. 29. M. C. No. 2702, 20th October 1856. 13. An Officer returning from Europe or Sea is allowed to count as service one month for preparation at the port of debarkation and marching distance to his Corps or Department in addition.

With reference to para. 29. M. C. No. 2702, 20th October 1856. 14. An Officer going to Europe or Sea is allowed to count as service in addition to marching distance to the Presidency or nearest port of embarkation, the same period for preparation prior to embarkation as allowed to Officers returning from Europe, viz. one month.

Presidency or other port of embarkation abandon their intention of leaving the country, cannot reckon as service the period they may have been absent from duty on such preparatory leave which then assumes the nature of ordinary leave in India.

With reference to para. 29. M. C. No. 2702, 20th October 1856. 16. An Officer who proceeds on Furlough to the Presidency or other port, (not preparatory to Europe or elsewhere) and while there obtains a Sick Certificate to Europe or other place out of India, is not entitled to count as service the period allowed by Regulation for proceeding from the Station of his Regiment or appointment to the port of embarkation; but he can reckon as service the period of one month allowed at the Presidency or port of embarkation preparatory to embarkation.

With reference to para. 29. M. C. No. 2702, 20th October 1856. 17. If instead of being at the port of embarkation, he is at another port, or at an inland station, when he obtains the Sick Certificate to quit India, he will be allowed the time authorized for travelling from the station at which he may be when he obtains his Sick Certificate, to the port of embarkation.

With reference to para. 29. M. C. No. 2702, 20th October 1856. 18. If an Officer while absent on ordinary Sick Certificate in India, quits India on Sick Certificate, or, who having proceeded on ordinary leave on private affairs in India obtains a Furlough out of India, he is entitled to count as service the period allowed for proceeding from the place at which he may be when he obtains leave to quit India, to the port where he ultimately embarks.

The Governor in Council directs that the following rule, contained in G.O., by His Excellency the Commander-in-Chief in India, dated Simla, 12th July 1859, be extended to this Presidency.

Leave of absence, preparatory to furlough, whether on private affairs or on sick certificate, must always be *general*, and not *privilege* leave.

With reference to G. O. G. No. 53, dated 3d February 1860, the Governor in Council directs that, in future, in accordance with the practice in Bengal, leave of absence preparatory to retiring from the service shall always be *general*, and not *privilege* leave.

With reference to paras. 30, 33, 34 and 35. M. C. No. 2961, ed 20 or 24 years and not more than 2d Nov. 1855, and No. 919, 18th April 1856. 19. An Officer who has served 20 or 24 years and not more than 2d Nov. 1855, and No. 919, 18th April 1856, is only entitled to reckon two years' absence as service.

Rule 33 gives the minimum period of service which entitles an Officer so situated to retire on the Pension of a Captain or Major; but an Officer who has served beyond those periods is entitled to the benefit of Rule 30 by which extended periods of absence are allowed to reckon, regulated by the length of the Officer's service. For instance, an Officer who has served 20 years, and no more, and had only 3 years' leave must still perform one year's duty before he can retire as a Captain; whereas an Officer whose aggregate service is 30 years out of which he has enjoyed leave for 14 years and no more, can retire as a Captain at once.

With reference to para. 31. G. O. G. No. 1113 of 1857. - The following Extract, Paras 18 and 19, of a Military Letter, from the Honorable the Court of Directors to the Government of India, No. 128, dated 22d July 1857, are published for general information:-

18. By the Regulations established for the promotion of Lieutenant Colonels to the rank of Colonel after three years' service, it is provided that no longer period than one month in each year, or a total of three months in three years, shall be allowed to reckon, on whether the leave shall have been spent in India or out of the country, except in cases of wounds or illness contracted by service in the Field, duly certified by a Medical Board, when each case will be separately considered with reference to the time to be allowed.

19. In reply to the question now put to us, we have much satisfaction in stating that we are prepared to extend the benefit of the Regulations to all cases of leave of absence, whether in India or out of India, which are authorized by the existing Regulations, and which are in all cases, whether of Regimental or Staff Officers, to be allowed to count as service for the pension. All leave to a greater extent, granted by Political and other authorities, which may not hitherto have been published in General Orders must be so announced hereafter.

certificate, may be placed on an exact equality as regards loss of time, the period allowed by Regulation for proceeding to the Presidency or to the nearest port of embarkation, as well as the time to enable Officers to rejoin their corps or station after their return to India, will be considered as time counting for service for the retiring Pension.

30. No Furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years' aggregate service, three years in twenty-five years' service, and four years in thirty years' service, shall be allowed to count as service for the Retiring Pension; and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or out of India, or whether the leave be on sick certificate or on private affairs.

31. In the term "Leave of Absence as announced in General Orders" is to be included all leave of absence except the period allowed in Rule 29, and the ordinary indulgence of one month's leave in six months, as authorized by the existing Regulations, and which are in all cases, whether of Regimental or Staff Officers, to be allowed to count as service for the pension. All leave to a greater extent, granted by Political and other authorities, which may not hitherto have been published in General Orders must be so announced hereafter.

Every claim to the benefit of this exception must be duly certified by a Medical Board, and be forwarded to us for our decision, accompanied by the opinion thereon of the Government and Commander-in-Chief of the Presidency to which the Officer belongs.

No. 32.—With reference to G. O. G. 18th September 1857, No. 290, the Commander-in-Chief desires it to be notified that the privilege of reckoning the time of absence in the period of Service required for retirement on full pay is authorised "in cases of wounds or illness contracted by Service in the Field, duly certified by a Medical Board, when each case will be separately considered with reference to the time to be allowed."

In all such cases a specific description is to be given in a report by a Medical Board of the nature of the illness and of the grounds upon which it is considered that the illness has been contracted by Service in the Field.

All such grants of leave should be made for periods not exceeding 18 months to be extended if necessary.

No. 10.—Applications for permission to count as service for Retiring Pension under the provisions of G. O. G. No. 290 of 18th September 1857, the period of absence on leave occasioned by wounds or illness contracted by Service in the Field are required to specify the particulars of the Field Service on which the Officer was engaged.

* REGULATION OF 1796.

G. O. G. 29th December 1800.

The Right Honorable the Governor in Council is pleased to publish in General Orders to the Army the following Extracts of a letter received from the Honorable the Court of Directors, under date the 17th of May last.

Para. 51st. In regard to the second point mentioned in the Commander-in-Chief's minute, all Officers who have served twenty-two years in India (to be computed from the periods before-mentioned) are permitted to retire on the full pay of their rank—but if after serving that time successively they come to Europe on furlough, they are to be subject to the regulations prescribed in our letter of the 8th January 1796, relative to Officers wishing to retire, while on furlough.

† REGULATION OF 1835-7.

G. O. G. No. 13 of 18th January 1838.—The following General Order by the Honorable the President in Council, under date the 25th December 1837, No. 258, is published for the information of the Army.

G. O. G. No. 258 of 29th December 1837.—The Honorable the President in Council has much pleasure in publishing to the Army, the following Extract (Paragraphs 2 to 5) of a letter from the Honorable the Court of Directors, to the Government of India, No. 5, dated 20th September 1837, announcing the grant of additional advantages to the senior Officers of the Army in respect of Retiring Pensions.

"Para. 2. In our Letter of the 23d December 1835, we announced to you that as we considered it hopeless to expect that any Military Retiring Fund could be successfully formed, we have thought it right so far as we could feel justified in doing so to provide for the object contemplated in schemes of that nature by an enlargement of the Retiring Regulations, and that we had in consequence resolved to grant the full pay of Captain to every Officer who should have served in India 23 years (3 years furlough included) whether he had attained that rank Regimentally or not, and the full pay of each of the superior ranks of Major, Lieutenant Colonel and Colonel after the completion of an additional period of 5 years service for each of those ranks in succession, viz.

For Major's pay.....28 years service, including 3 years for a furlough.
For Lieutenant Colonel's pay...33 do. do. do.
For Colonel's pay.....38 do. do. do.

3. Being now of opinion that some additional advantage in respect to the periods of retirement may properly be granted to the Senior Officers who would have been more especially the immediate objects of benefit from a Retiring Fund, had such a Fund been established, we have resolved that the period of service, to qualify an Officer for in India required for each rank being consequently hereafter as follows, viz.

Every Officer who shall have served 33 years (3 years furlough included) shall be allowed to retire on the Pay of a Captain whether he shall have attained that rank Regimentally or not.

Every Officer who shall have served 27 years (3 years furlough included) shall be allowed to retire on the Pay of a Major whether he shall have attained that rank or not.

Every Officer who shall have served 31 years (3 years furlough included) shall be allowed to retire on the Pay of a Lieutenant Colonel whether he shall have attained that rank or not.

Every Officer who shall have served 35 years (3 years furlough included) shall be allowed to retire on the full Pay of a Colonel whether he shall have attained that rank or not.

4. These arrangements to have effect without prejudice to any claims arising out of the Retiring Regulations established in the year 1796.

5. We desire that it may be distinctly understood that the present is a final measure. You will accordingly decline to forward to us any application which may have in view a further extension of the Regulations now established with regard to the retirement of our Military Servants.

medical certificate since 1842, and request to know whether the provisions contained in the 18th and 19th paras of the late Court of Directors' despatch to the Government of India dated 22d July 1857, No. 126, are to have retrospective effect.

3. The claim of Captain MacVicar to this indulgence must be disallowed.

No. 65.

G. O. G. No. 103 of 12th February 1861.—Under the authority of the Right Honorable the Secretary of State for India, it is hereby notified that, when Officers who have not volunteered for the duty are ordered to proceed to England in charge of Troops round the Cape, they will be allowed to count as Indian service the difference of time occupied on the voyage round the Cape and that by the Red Sea.

This rule is applicable to the three Presidencies.

36. The scale, for Medical Officers and Veterinary Surgeons, of privileged Furlough, and leave of absence, as counting for the Retiring Pension, will be as follows:—

Years.	Months.	
1	8	in 17 and under 20 years' service.
2	0	in 20 " " 25 " "
3	0	in 25 " " 30 " "
4	0	in 30 and upwards.

37. It is to be distinctly understood, that under no circumstances whatever will an Officer be permitted to retire on full pay, until he has completed the full time of service above specified, whether he be in England at the close of his service or elsewhere.

38. The privileged time of absence may, with the permission of the local Government, be taken at any time subject to these Regulations. If therefore, at the end of twenty-years' service, of which eighteen had been passed on actual duty in India, an Officer should be on Furlough, or sick certificate in Europe, or elsewhere, he will be entitled to retire on the full pay of a Captain without returning to India, and so in the other terms of service for the higher pensions. In like manner a Medical Officer on Furlough, or sick certificate in Europe, or elsewhere, at the end of seventeen years' service, fifteen years and four months of which had been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pension.

39. These Rules do not in any way affect the existing Regulations regarding the grant of leave in India, or for short periods to sea, whether on private affairs or on sick certificate, except as to the periods of such absence being taken into calculation in the time allowed to count as service for retirement on full pay.

GENERAL ORDERS BY THE HON'BLE THE PRESIDENT OF THE COUNCIL OF INDIA IN COUNCIL.

Fort William, 6th June 1851.

No. 322 of 1851.—The following paragraph of a Military letter No. 37, from the Honorable the Court of Directors to the Governor of the Presidency of Fort William in Bengal dated 9th April 1851 is published for general information.

Unattached officers are entitled to the benefits of the general retiring regulations counting from the dates of their first promotion to Commissions. To provide for the claims of such of these officers as may, in consequence of the length of their previous service, be compelled to retire at earlier dates than are specified, in those regulations, we have resolved to adopt the following additional scale, viz:

Unattached Ensigns and Lieutenants, compelled by ill health to retire from the service,
If under 3 years service as commissioned officers.....2 s. 6 d. per diem.
If above 3, and under 7 years service in India as commissioned officers.....8 s. per diem.
If above 7, and under 12 years service in India, as ditto.....4 s. per diem.
If above 7, and under 12 years service in India, as commissioned officer, after 20 years total service in India.....5 s. per diem.
If above 12 years service in India as commissioned officer, after 30 years total service in India, with an unqualified right to retire.....6 s. per diem.

G. O. G. G. No. 518 of 12th May 1854.—The Most Noble the Governor General of India in Council is pleased to direct that the following paragraphs of a Military letter from the Honorable the Court of Directors to the Governor of the Presidency of Fort William in Bengal, No. 26, dated 15th March 1854, be published in General Orders:

G. O. G. No. 126 of 26th May 1854. *Letter dated 24th October 1853, No. 274.—14 to 16.* Proposed grant of Furlough to Europe, on private affairs, to unattached Lieuts. Stephen Douglas and W. Sheffield.

Para 7. We fully approve your Resolutions in behalf of unattached Lieutenants Douglas and Sheffield.

8. We also sanction the adoption of the Regulation suggested by the Military Auditor General, viz. that unattached Ensigns and Lieutenants shall be allowed the privilege of Furlough after six years' Service as Commissioned Officers, and fifteen years' Service in India. Warrant Officers granted Commissions on the Veteran Establishment should be included in this arrangement.

G. O. G. G. No. 531 of 18th May 1854.—The Most Noble the Governor General of India in Council is pleased to direct that the following para. of Military letter from the Honorable the Court of Directors to the Governor of the Presidency of Fort William in Bengal, No. 27, dated 15th March 1854, be published in General Orders.

G. O. G. No. 134 of 9th June 1854. *Letter dated 25th November 1853, No. 301.* Application from Asst. Commissary of Ordnance G. Forrest, soliciting that Warrant Officers may be placed, as regards Furlough, on the same footing as Commissioned Officers. Government think that the occasional and not large expense which the grant of Furlough would cause, would be more than counterbalanced by the advantages of the measure, which they strongly recommend for adoption.

G. O. G. G. No. 385 of 6th March 1856.—The Right Hon'ble the Governor General of India in Council is pleased to direct, that the following paragraphs of a Military Letter from the Hon'ble the Court of Directors to the Government of India, No. 2, dated 2d January 1856, be published in General Orders:—

Letter dated 3d September 1855, No. 201.

G. O. G. No. 250 of 15th August 1856. *Letter from Captain Skinner, transferred from the Nizam's Army to an unattached Commission in the Company's Service, requesting information as to the amount of pension he will be entitled to on retirement. The Auditor General's views on the subject recapitulated by Government:*

Also No. 206.

Enquiry as to how the new Furlough Rules are to apply to Captain Skinner, and other unattached Officers.

8. All unattached Officers are entitled to the benefit of the New Furlough Regulations from the date of their first commissions.

G. O. C. C. 27th April 1857, No. 16.—The Commander-in-Chief directs it to be notified that by a recent decision of the Government of India, unattached Officers of the Veteran Establishment are allowed the benefit of the New Furlough Regulations, and these Officers can take leave in India on the same terms as they did prior to the publication of the New Furlough Rules.

G. O. C. C. 29th August 1857, No. 44.—The Provincial Commander-in-Chief directs the publication of the following decisions by the Government of India.

A Warrant Officer on the Veteran Establishment is entitled, without loss of Warrant, to the same absentee allowance as if on leave in India, for the first six months of sick furlough, but thereafter, as well as when on furlough on private affairs he is restricted to the furlough pay of his Commission or of his warrant, whichever may be the superior emolument.

A Warrant Officer holding a Commission on the Veteran Establishment has a footing in the Effective Army in virtue of his Warrant rather than of his Commission and his Warrant being analogous to the Regimental Commission rather than to the Staff appointment of an European Officer, is not forfeited by any furlough which may be granted him, even if it exceed six months on private affairs or 15 months on medical certificate under the New Rules.

G. O. G. G. No. 777 of 18th May 1858.—The following Extracts of a Military Letter from the Honorable the Court of Directors to the Government of India, No. 71, dated 23d March 1858, are published for general information:—

Letter dated 3d August 1857, No. 207.

4. Question raised by the Madras Government as to the extent to which the Warrants or Staff appointments of Officers having Unattached Commissions or on the Veteran Establishment are affected by the New Furlough Rules decided.

G. O. G. No. 214 of 4th June 1858.

5. The Rule now laid down by the Government of India is that a Warrant Officer on the Veteran Establishment is entitled, without loss of Warrant, to the same Absentee allowances as if on leave in India for the 1st six months of Sick Furlough, and thereafter, as well as when absent on private affairs, to the Furlough pay of his Commission or Warrant, whichever may be best for him, and that as the appointment he holds is in virtue of his Warrant, not of his Commission, the appointment will not be forfeited by absence on Furlough.

6. This decision appears to be quite correct and has our sanction.

Non-Commissioned Officers.

G. O. G. 15th May 1860.

No. 226 of 1860.—The following Extract of a Military despatch from the Right Honorable the Secretary of State for India, is published in General Orders:—

Despatch dated 7th April 1860, No. 62.

1. "With reference to the General Order in Council of India, No. 2, dated the 6th June last, relative to the grant of Furlough to Europe to well conducted and deserving Non-Commissioned Officers, I have to request that the particular attention of the Commander-in-Chief, may be directed to the opinion of Her Majesty's Government on the subject, as expressed in paras. 29 @ 31 of my Despatch* to India, No. 373, dated 30th October last, Copy of which is herewith forwarded for your information and guidance, and to desire that the Furlough granted be strictly limited to the few special cases contemplated in para. 30 of that Despatch.

2. "Her Majesty's Government have established for such cases the following Rules.

"The leave of those men whose state of health may render a change of climate advisable, who are considered deserving of the indulgence, and who may be fit to do duty with Invalids and discharged Men on the voyage from India, is to be limited to a short leave to visit their friends in Europe.

"The Furlough granted under Medical Certificate as absolutely necessary, will expire in England at the period of one year from the date of quitting India.

"Every Man whose state of health has not sufficiently recovered at the period when he is called upon to return, will undergo a Medical Examination as to the probability, within a reasonable period, of his being fit for further duty in India.

"Those Men who may be reported unequal to further service with the Regiment, or Department, to which they belong, will not be permitted to return to duty, but will be dealt with under the Regulations, and in no case will any Man be allowed to return to India with a view to his being placed upon the Invalid Establishment in that Country.

"No period of leave passed by any Man out of India will be allowed to reckon as Service for Pension.

"It is to be distinctly understood that no Man enlisted under the limited Service act be allowed to come to England during his first period of service.

"The only allowance to be paid to Men who obtain leave of absence, will be the rate of pay for the time being for Men of the same rank, in Her Majesty's British Army, and Good Conduct Pay, when in possession of that reward.

3. "With reference to the Extract from a General Order by the Commander-in-Chief at Bombay,

dated 30th July last, quoted in the margin, I have to state that, in conceding the grant of Furlough, with a free passage to and from Europe, to deserving Non-Commissioned Officers of Her Majesty's Indian Army whose health requires a change of climate, it is not the intention of Her Majesty's Government that passage at the public expense should also be provided for the wives or families of those Men; but with the view of assisting such married Men as may desire to bring their wives and families with them, you are authorized to grant them an allowance of Twenty pounds (£ 20)."

G. O. G. 17th August 1860, No. 376.—With reference to G. O. G. No. 226, dated 15th May 1860, the Governor in Council directs that the following Form of Furlough Certificate for Non-Commissioned Officers of Her Majesty's Indian Military Forces, approved by the Government of India, be adopted hereafter in this Presidency.

No. 376, dated 17th August 1860, publishing the Form of Furlough Certificate for Non-Commissioned Officers who obtain leave to Europe, the Commander-in-Chief directs that the following rules laid down by His Excellency the Commander-in-Chief in India on the subject be adopted in this Presidency:—

2. A Furlough Certificate of the Form prescribed in the above G. O. G. is to be furnished in the case of every Non-Commissioned Officer who may be granted leave to Europe.

3. These Certificates will be furnished from the Office of the Adjutant General of the Army on each occasion of Furlough being granted by the Commander-in-Chief.

5. One Copy for delivery at the India Office is to be given to the Non-Commissioned Officers when they embark; and the other is to be despatched, immediately the Men have been paid up and embarked, to the Office of the Adjutant General of the Army, at the Presidency, for transmission to England.

6. The General Orders relating to the settlement of claims of Men about to be discharged, are to be considered as applying equally to cases of furlough; and Heads of Departments in which Soldiers are employed are requested to enjoin the strictest observance of the Rules therein laid down, in order that Men may not leave the Country with accounts and claims unsettled.

The following paragraphs of a Military letter from the Right Hon'ble the Secretary of State for India, No. 371 of 14th September 1861, are published for general information:—

"PARA. 6.—A passage will be provided by the State for Non-Commissioned Officers granted furlough, but not for their wives or families, but to assist in taking Home their families an allowance of £20 is sanctioned by Government."

2. "In order to prevent any misconception with respect to the assistance to be afforded by the State towards the passages of the wives and families of such of those Non-Commissioned Officers as are married men, I consider it desirable that it should be distinctly notified that the sum of £ (20) twenty is the total amount to be allowed for both the passage to Europe and the return voyage to India, as stated in paragraph 1 of my Despatch, No. 442 of 1860."

With reference to the foregoing, it is hereby notified that the sum of £ (20) twenty is the total amount that will in any case be allowed for both the passage to Europe and the return voyage to India for the families of Non-Commissioned Officers who may be granted Furlough to Europe.

Invalid Establishment.

FORT ST. GEORGE, 10th July 1857.

No. 819 of 1857.—The Right Hon'ble the Governor General of India in Council is pleased, under instructions from the Hon'ble the Court of Directors, to promulgate the following Rules to be observed at the three Presidencies for the transfer to the Invalid Establishment, of Officers who may be declared to be unfit for further service:

1. The Invalid Establishment will consist of

1st—The Invalid Battalion.

For Officers who, although disqualified for further active service, are still equal to the discharge of garrison duties.

2d—The Invalid Pension List.

For Officers disqualified for both active and Garrison duties.

2. Officers who, from age, wounds, or decline of health, become unfit for active service, are eligible for transfer to the Invalid Establishment, provided their conduct and habits are such as not to affect the character of that Institution, which is designed as an honorable retreat to the worn out or disabled, but deserving Officers.

The Commander-in-Chief directs it to be notified, that applications from Officers for transfer at their own request to the Invalid Battalion or to the Invalid Pension List, under the provisions of para. 3 of G. O. G. No. 819 of 1857, (republished in G. O. G. No. 210 of 10th July 1857,) are required to be addressed under their signature to the Right Honorable the Governor in Council in the manner prescribed in para. 3, Section XXI, General Regulations of the Army.

G. O. C. C.
1st June 1858.
No. 92.

3. Officers who may be desirous of being transferred to the Invalid Establishment, will be required to appear before the standing Medical Committee at the Head Quarters of the Division, presided over by the Superintending Surgeon, or in his absence by the Senior Surgeon, furnished with a statement of their case prepared by the Medical Officer by whom they may have been attended. The Committee is to enquire rigidly into each case, and should it be satisfied of the unfitness of the Officer, it is, in recording its opinion, to certify either that the applicant is "permanently disqualified for the performance of further active service but is still equal to the discharge of Garrison duties," or that he is "permanently disqualified for the performance of both active and garrison duties," as the case may be.

4. The applicant, if reported equal to the discharge of garrison duties, will then be required to proceed to the Presidency to be finally examined by a Medical Officer to be specially appointed for the purpose, or by a special Medical Committee, as may from time to time be ordered.

5. After this final examination, the Report on each case, accompanied by the Certificates hereafter specified, is to be forwarded in the usual manner to Army Head Quarters, to be submitted to Government with the opinion of the Commander-in-Chief.

6. In the event of the Commander-in-Chief being led to believe that any Officer's health is so thoroughly lost as to preclude all hope of his being able to perform further active service in India, such Officer shall be directed to appear before the Standing Medical Committee at the Head Quarters of the Division. If the Committee is of opinion that the Officer is permanently disqualified for active Military duties in India, and this opinion is confirmed at the final examination at the Presidency, the Government on receiving a Report on the case, which is to be prepared and submitted as directed in paras. 5 to 5, will place the Officer on the Invalid Establishment, notwithstanding that he may not himself have applied to be transferred from the Effective List. Such transfer will, however, be subject to the approval of the Hon'ble the Court of Directors; and until the receipt of such approval, no promotions will be made in succession to the Officer so placed on the Invalid Establishment.

No. 52 of 1858.—The following Extract from a Military Despatch from the Right Honorable the Secretary of State for India, is published in General Orders.

Despatch dated 22d December 1858, No. 47.

Para. 1. It being established by the required medical testimony that Lieutenant Dewar is permanently disqualified for the performance of both Active and Garrison duties, his removal from the effective List from the date of his embarkation for England is hereby authorized.

Report on the state of health of Lieutenant G. T. Dewar, 50th N. I. List from the effective and authority requested to transfer him to the Invalid Pension List, from the date of his embarkation for England on sick certificate. Lieutenant Dewar's time of service, 14 months and five days, does not entitle him to retiring half pay. On establishing his claim to the benefit of Lord Clive's Fund, he will be admitted to that advantage.

2. You will understand from this decision that no Officer not entitled to a pension under existing Regulations, should be transferred to the Invalid Pension List.

7. All Officers of and below the Regimental rank of Lieutenant-Colonel, whether they may or may not have served the prescribed period for retirement on full pay, may be compulsorily removed to the Invalid Pension List when they may become wholly unfit for any further service, effective and garrison. The examination of Officers in such cases will be conducted in the manner laid down in Para. 6.

8. In the event of an Officer failing, from any cause, whether it be Leave on Sick Certificate in India or otherwise, to join an Invalid Battalion, or other Military duty on which he may be ordered, within two years of his transfer to the Invalid Establishment, except he be absent on Furlough on sick leave to Europe, or be nominated to some other public duty, he will, at the expiration of that time, be required to appear before the Medical Committee at the Head Quarters of the Division in which he may be residing, for the purpose of being examined as to his continued fitness for garrison duty. If found unfit at such examination, or at any subsequent examination, which is to be repeated at the end of every two years, he will be transferred to the Invalid Pension List.

9. The Pay and Allowances of Officers hereafter transferred to the Invalid Battalion will be—

	Pay and Indian Allowances.	House Rent.	Total.
Lieutenant Colonel.....	547 14 0	100	647 14 0
Major.....	410 14 6	80	490 14 6

Lieutenant.....	145 12 0	30	175 12 0

Extra batta will in no case be allowed, whether the Officer be employed within or beyond 200 miles of the Presidency.

10. Officers on the Invalid Pension List will draw the following consolidated allowance:—

	Per mensem.
Lieutenant Colonel.....	Rupees 200
Major.....	" 170
Captain.....	" 130
Lieutenant and Ensign.....	" 100

Or the rate of full pay pension to which they are entitled at the time of their transfer to the Invalid Pension List.

11. The above rates will be issued as long as the Officers are resident in India. If granted Furlough or sick leave out of India, their allowances will be regulated by the Rules they may have adopted, but their Furlough pay will be according to their rank and for the ordinary duration of such Furlough as at present authorized.

12. Officers on the Invalid Establishment are allowed the distinction of wearing the Military Uniform.

13. Officers on the Invalid Establishment will retain the rank they held when on the Effective strength of the Army, but their transfer will be made only in the rank they held in their Regiments. After removal to the Invalid Establishment, they have no further claim to promotion, but on retirement on full pay, those who may be of, and above, the rank of Captain will receive one step of Brevet rank.

14. Officers on the Invalid Pension List are permitted to reside at any place in India they may choose.

No. 132 of 1859. — With reference to G. O. G. No. 310, 10th July 1857, regarding the transfer to the Invalid Establishment of Officers declared "unfit for further service," the Honorable the Governor in Council, with the sanction of the Government of India, and with adherence to para. 15 of the above G. O. G., is pleased to direct, that such Subaltern Officers as may have joined their Battalions, shall receive Passage Money on the terms regulating the Allowance to Subalterns of Effective Corps.

G. O. G.
1st April 1859.

2. Subalterns on the Invalid Pension List shall receive Passage Money only when proceeding to England on retirement from the service, or for the purpose of retiring from the service.

15. Officers on the Invalid Establishment are eligible to Furlough and Sick leave out of India, under the new or old Rules, whichever they may have adopted; and leave in India will be granted to Officers of the Invalid Battalion under the same Rules as are applicable to Effective Officers.

16. Officers on the Invalid Establishment are eligible to hold situations under Government.

17. Officers of the Invalid Battalion may retire on the pension of their rank after the prescribed period of service, or on the pension to which they were entitled on their removal to the Invalid Establishment. Officers on the Invalid Pension List may retire upon the rate of pension to which they were entitled when they joined that Establishment.

The above rules are not to be applied to Officers on the present Invalid Establishment of the three Presidencies.

Promotion of Officers

G. O. G. No. 740 of 20th May 1859. — His Excellency the Governor General in Council is pleased to direct the publication in General Orders of the following Royal Warrant, received with a letter from the Right Honorable the Secretary of State for India, No. 119, of the 7th April 1859, prescribing Rules under which Combatant Officers are to be recommended for promotion in Her Majesty's Indian Military Forces:—

G. O. G. No. 222
of 3d June 1859.

Whereas, we have judged it expedient to revise those parts of Our Royal Warrants of the 6th day of October 1854, and 3d day of November 1854, which regulate the promotion and retirement of Combatant Officers in Our Army and Ordnance Corps, Our will and pleasure is, that from the date of this Our Royal Warrant Our Governor General in Council shall govern himself by these Our rules in recommending Combatant Officers for promotion in Our Indian Military Forces.

PROMOTION.

1. That the rank of Field-Marshal be given without reference to seniority.
2. That there shall be a fixed establishment of General Officers, viz. :—

Generals.....	25
Lieutenant-Generals.....	50
Major-Generals.....	145

3. That Colonels may be appointed, without regard to seniority, to command as Major-Generals, with temporary rank; and if they shall have conducted themselves to our satisfaction, such temporary rank, after having been held for five years in peace, or for any shorter period in war, may, upon the recommendation of Our Governor General in Council, be made permanent. That the temporary rank of General and Lieutenant-General may also be given, whenever the convenience of the Service requires it, and may be made permanent in a similar manner.

4. That every vacancy on the fixed establishment of General Officers shall be filled by the promotion of the Senior Colonel qualified to succeed to the rank of Major General and to be placed on the fixed establishment, under the regulations now in force; or by a supernumerary Major General, as provided in Clause 6.

5. That, in addition to the Colonels promoted by Seniority to be Major Generals and those promoted after having held temporary rank under the Regulation in Clause 3, Colonels shall be eligible for promotion to the rank of Major-General, and Major-Generals to the rank of Lieutenant-General, and Lieutenant-Generals to the rank of General, for distinguished services in the Field.

In the case of Officers promoted to the rank of General Officers, as a reward for distinguished service in war, the recommendation, in which the service of the Officers shall be detailed, shall be published in the General Orders of Our Indian Military Forces, and in the *London Gazette*.

6. That all Colonels promoted to be Major Generals after five years' employment in responsible commands with the temporary rank of Major General under the provisions in Clause 3, and all Colonels promoted to be Major Generals for distinguished service in the Field, shall be placed on a supernumerary list of Major-Generals, and shall not be reckoned as part of the fixed establishment until the time when they would have attained the rank of Major-General by seniority; that is to say, until the Colonel who originally stood next senior on the Colonels' list to the Officer promoted out of his turn has become a Major-General, after which the next vacancy will be filled by the transfer of the supernumerary Major General to the fixed establishment. The Major Generals who have already been promoted out of their turn, and would not yet have succeeded to that rank by seniority, shall be considered as coming under this rule.

The Supernumerary Major Generals, when absorbed into the fixed establishment, shall preserve the seniority which they acquired when, after a period of qualifying service with temporary rank they were first confirmed as permanent Major Generals on the Supernumerary list, and shall rise by that seniority to be Lieutenant Generals in succession. General Officers promoted for distinguished service in the field will take their seniority from the date of their promotion, as stated in the *London Gazette*.

7. That three separate lists of General Officers be inserted in the Army List of Our Indian Military Forces, the first containing the names of those on the fixed establishment; the second, those who, having been promoted out of their regular turn, are supernumerary to the fixed establishment; and the third, those who have retired from the service with the honorary rank of General Officers.

8. That the rank of Colonel be given to Officers, after serving for five years with the rank of Lieutenant Colonel, in the actual command of Regiments, or for the same period as second Lieutenant Colonels of Regiments, or on the Staff, in the following situations:—viz., Adjutant-General, Quarter-Master General, Deputy Adjutant-General, Deputy Quarter-Master General, Secretaries to the Government of India in the Military and Public Works Department, Secretaries in the Military Department to the Governments of Madras and Bombay, to the Chief Commissioner of the Panjab, the Commissioner in Mysore, and the Resident at Hyderabad; Judge Advocate General, Commissary General, Deputy Commissary General, Inspector General of Ordnance, Superintendent of the Ordnance Manufacturing Department, Chief Engineer, Superintending Engineer, Surveyor-General of India, subject always to the approval of the Governor in Council and Commander-in-Chief of the Presidency to which the Officer belongs.

9. That Regimental Majors, who are Brevet Lieutenant-Colonels, falling into the Command of Regiments in the absence of the Lieutenant-Colonel, shall on attaining the rank of Regimental Lieutenant-Colonel, reckon the period commencing from the completion of the first month of such temporary command, of part of the five years required to qualify for the rank of Colonel.

10. That the rank of Colonel be given to Officers who obtain the rank of Brevet Lieutenant-Colonel for services in the Field, after eight years of actual service with that rank.

11. That in cases where a Regiment may be so divided as to constitute two distinct commands, and one portion may be under the command of the Regimental Major, who is also a Brevet Lieutenant-Colonel, and in cases where a Brevet Lieutenant-Colonel may be in command of a mixed force of different Corps, a discretionary power shall be vested in our Commander-in-Chief in India, subject to the approval of Our Governor General of India in Council, to allow such service, or portions of such service, to count as part of the qualifying period for promotion to the rank of Colonel.

12. That Lieutenant-Colonels appointed to Civil Situations under Government on or after the date of this Our Royal Warrant shall be promoted to the rank of Colonel after eight years' service in the former rank, provided the nature of the Civil appointment be considered by our Governor General of India in Council and Commander-in-Chief in India calculated to give the Officer such practical experience as may afterwards prove advantageous to the Corps or Service to which he belongs.

13. That Field Officers, commissioned as such before the 20th June 1854, be allowed to rise by Brevet as heretofore; but no Officer promoted to the rank of Field Officer on or after that date, is hereafter to rise from the rank of Lieutenant Colonel to that of Colonel, otherwise than by five or eight years' service in the former rank, as provided in Clause 8, or as a reward for distinguished service, or by appointment to be Queen's Aide-de-Camp—except under the special provisions in Clauses 9, 10, 11 and 12.

14. Lieutenant-Colonels, who held that rank prior to the 20th of June 1854, shall be promoted by a special Brevet to the rank of Colonel,—commissions to bear date the 28th November 1854; and such of the said Lieutenant-Colonels as have been passed over by Officers who have attained the rank of Colonel, in conformity with the provisions of Our Royal Warrants of the 6th October and 3d November 1854, shall be restored to the respective places which they would have occupied as Colonels, had they been promoted in ordinary succession under the system of periodical Brevets.

15. That promotions shall be made from Captain to Major, and from Major to Lieutenant-Colonel, in succession, as vacancies occur in the Major-General's fixed establishment.

16. That any Captain, Major, or Lieutenant-Colonel may be rewarded by Brevet promotion for distinguished services in the Field.

17. That the commands of General Officers, and other situations on the Staff both at home and abroad, shall not be held for more than five years, unless by re-appointment under special circumstances.

Given at Our Court at Windsor, this thirty-first day of January 1859, in the Twenty-second Year of Our Reign.

"Several similar cases have occurred in Her Majesty's British Army, and it has been ruled that an Officer so circumstanced must serve other two years to complete the period of five years prescribed in the Warrant of October 1853, and no allowance of time is conceded with reference to the near completion of the three years under the Warrant of October 1854, when the new Warrant came into operation."

2. The practice in promoting Officers to the rank of Colonel in Her Majesty's Indian Forces must be regulated accordingly.

G. O. G. No. 168 of 17th Apr. 1860. is pleased to direct the publication of the following Military Letter from the Right Honorable the Secretary of State for India, No. 53, of the 14th ultimo, and of the revised Royal Warrant therein referred to:—

MILITARY.

No. 53.

INDIA OFFICE, London, 14th February 1860.

TO HIS EXCELLENCY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

1. Lord.—Your Military Letter No. 76, dated 11th June 1859, forwarding Memorials from certain Members of the Medical Service, and an appeal from the head of the Medical Department in Bengal against the provisions of the Royal Warrant of 1st February 1859, has received my attentive consideration.

2. In compliance with your urgent request, I have undertaken the revision of the Royal Warrant above referred to, the promulgation of which in India has been deferred by your Government pending the present reference; but the subject required very careful consideration, and involved correspondence with other Departments of Her Majesty's Government, and hence a considerable delay has unavoidably occurred in replying to your letter.

3. I have now, however, the gratification to announce to you that Her Majesty, being desirous, as far as possible, to assimilate the designations and ranks in all branches of the Military Medical Service, has been pleased to issue a fresh Warrant, equalizing in all respects the rank of the Medical Officers of the Indian Armies with that fixed for the British Medical Service in the Royal Warrant of 1st October 1858.

4. The grades of Assistant Surgeon, Surgeon Major, Deputy Inspector General and Inspector General are now on precisely the same footing as to designation and relative rank in both Services.

5. But the designation of the Officers now styled "Directors General of the Medical Department" in each of the three Presidencies is changed to "Principal Inspectors General," and the Officers holding these appointments will, in accordance with the practice in British Service, take Army rank as Inspectors General, according to their standing in that rank.

6. The retention of the designation now held by these Officers is strongly advocated in your Despatch, but after mature consideration, Her Majesty's Government have decided, that it is inexpedient to continue to the three Officers at the head of the Medical Departments of the Armies of Bengal, Madras and Bombay, the same title which designates the Officer selected to control the whole Medical Department of the British Army in all parts of the World.

7. Before entering on the discussion of the other subjects of complaint brought forward by the Medical Officers of the Indian Service, I must observe that the object of the Royal Warrant of the 1st February 1859 was not to regulate the pay or retiring allowances of the Medical Department, but to fix the rank and precedence relatively to those of the British Army. This object has now been attained, in a manner which will, I trust, be satisfactory to the Indian Medical Service, to every grade of which it has secured additional relative rank.

8. I proceed to notice in detail the subjects brought forward in the letter addressed to you by Dr. Forsyth, the Principal Inspector General of Bengal:—

1st. It is observed that your Government have

His propositions were—
1st. "That the Medical Officers of Her Majesty's Indian Forces may be placed, in point of all advantages of relative rank, furlough pay and retiring allowances, and in all other respects, upon a perfect equality with those of Her Majesty's British Forces serving in India."
2ndly. "That the Director General of the Medical Department and the Inspector General of Hospitals may retain their present designations; that the Director General shall rank as Major General for appointment; that the Inspector General shall rank as Colonel; that the Superintending Surgeon shall receive the designation of Deputy Inspector General, ranking on appointment with Lieutenant Colonel and with the Deputy Inspector General of Her Majesty's British Army after five years' service in India in this rank as Colonel."

3rdly. "That in cases of distinguished service, Assistant Surgeons may be promoted to the substantive rank of Surgeon, as in Her Majesty's British Army, without reference to seniority."

4th. In Lord Stanley's Despatch, dated 1st June 1859, No. 187, paragraph 21, you have been informed that Her Majesty's Government are disinclined to alter, in this respect, the provisions of the Warrant. So long as seniority is the invariable rule of promotion to substantive rank in the other branches of the Service, it is considered desirable to maintain the same principle in the Medical Department, distinguished services being rewarded, in all branches alike, by Brevet promotion and the Order of the Bath.

offered no recommendation on the various subjects connected with promotion, effective allowances, furlough pay, and retiring pension, brought forward in the Memorials. The consideration of these subjects is deferred for the present, but will be taken up in connection with the question of the re-organization of the Army.

2d. This subject has been disposed of in the earlier paragraphs of this Despatch.

4th. In accordance with the sanction conveyed in Lord Stanley's Despatch, No. 189, dated 1st June 1859, (paragraphs 18 and 19), the two years of Medical practice in the rank of Surgeon, qualifying for promotion to a higher grade, may be performed either in the Civil or Military branch of the Service.

5thly. "That Medical Officers now in the Service may be at liberty to retire, either upon the existing rates of pension, or upon those laid down in the Warrant of 1st October 1858, for the Medical Officers of Her Majesty's British Army."

5th. On this subject I would refer to my remarks under the first head.

9. 150 Copies of the revised Warrant* are transmitted to your Government by the present Mail.

Whereas, we have taken into Our consideration the recommendation of the Commissioners appointed by Our authority to inquire into the Regulations affecting the sanitary condition of Our Military Forces and the Medical treatment of the sick and wounded of Our Army; Our will and Pleasure is, that from and after the date of this Warrant, the following Rules shall be established for the future admission, promotion, and relative rank and allowances of the Medical Officers of Our Indian Military Forces, and that by these rules Our Governor-General in Council, and the Governors in Council of Madras and Bombay respectively, shall be governed.

With reference to General Order by His Excellency the Governor General of India, No. 10A, dated 26th December 1860, the following paragraphs of a Military Letter from the Right Hon'ble the Secretary of State for India, No. 386, dated 30th September 1861, are published for general information:—

Para. 1. I have received and considered in Council the 11th paragraph of your Military Letter No. 81 of the 22nd May, submitting the application of Surgeon Beaton, M.D., that certain leave of absence may be allowed to count towards the period qualifying for promotion, and certain other leave as service for pension.

2. Dr. Beaton took leave to Europe in March 1856, and elected to go under the old Furlough Rules, with a view of securing a three years' residence in Europe, which he thought might be rendered necessary by a protracted treatment of his case.

3. The leave is, under the operation of the Rule laid down in my Despatch No. 397 of 31st October 1860, deducted from the service qualifying for promotion to the rank of Surgeon-Major.

4. Upon a re-consideration of the subject, I observe that the Rule thus laid down bears unequally upon the Officers according as they may be under the old or new Furlough Rules, and I have resolved, therefore, that Medical Officers, under whatever Furlough Rules they may be placed, shall be allowed to count, towards promotion to the rank of Surgeon-Major, two years of their Furlough in Europe (in addition to all leave in India).

5. The Rule is to take retrospective effect from the date of receipt in India of my Despatch No. 397 of 31st October 1860.

6. Dr. Beaton's request to be allowed to count as service for pension his leave to Simla, taken in 1846 and 1847, cannot be complied with.

GENERAL ORDER BY HIS EXCELLENCY THE GOVERNOR

GENERAL OF INDIA.

Camp Mungowah, the 26th December 1860.

No. 10 A.—The following Extracts from a Military Letter from the Right Honorable the Secretary of State for India No. 397 of the 31st October 1860, respecting the application of the Royal Warrant for the Medical Department of the Indian Army, dated 13th January 1860, are published for general information.

3. For the reasons stated in the 4th and 5th Paras. of your Despatch, Her Majesty's Government consent to relax the rule in Clause 3, requiring two years Regimental duty as Asst. Surg. to qualify for promotion to the rank of Surgeons in favor of Asst. Surgs. now near their promotion who, having been employed on Civil or other duties, have not completed the requisite service. They desire that this rule be carefully observed in future and that the rule in Clause 3 of the Royal Warrant be observed strictly in the case of all Asst. Surgs. whose turn for promotion under the old rule may come after two years from the date of publication of this decision in Calcutta.

Extract Paras. 4 and 5 of Letter No. 174, dated 17th July 1860.
"It is pointed out by the Principal Inspector General Medical Department that there are many Assistant Surgeons whose promotion is close at hand, who have been serving in Extra Regimental posts which have heretofore been considered equivalent to Regimental service, but who will not come under the provisions of Clause 3 if it be literally acted on and that there are others who from the exigencies of the service, have been employed at Civil Stations without having performed the prescribed Military duty, who are in like manner ineligible for promotion."

"In favor of these Mr. Forsyth advocates an exception; and we beg to recommend that the Assistant Surgeons so situated may, notwithstanding their disqualification, be allowed the promotion, but that the rule in the Royal Warrant be enforced strictly in the case of all Assistant Surgeons whose tenure for promotion may be arrived at in periods beyond two years from the date of publication of the decision of Her Majesty's Government on this reference."

with the Governor General.

4. A Surgeon, whether on the Staff or attached to Regiments, must have served ten years in India, of which two must have been passed, with the rank of Surgeon, in or with a Regiment, or as a Civil Surgeon, before he will be eligible for promotion to the rank of Deputy Inspector-General of Hospitals.

5. A Deputy Inspector-General of Hospitals must have served three years in India before he shall be eligible for promotion to the rank of Inspector-General.

In cases, however, of emergency, or when the good of the Service renders such alteration desirable, it shall be competent for the Governor-General in Council to shorten the several periods of service above-mentioned, in such manner as he shall deem fit and expedient.

6. Assistant Surgeons shall, as a general rule, be promoted to the rank of Surgeon in the order of their seniority in the Service, unless unfit for the discharge of their duties from physical or professional incompetence or misconduct. In cases of distinguished service, however, an Assistant Surgeon may be promoted by Brevet, without reference to seniority; and in such cases, with a view to insure the responsibility attaching to an appointment made out of the regular course of promotion, the recommendation in which the services of the Officer shall be detailed shall be published in the General Orders of Our Indian Military Forces, and in the Gazette in which his promotion appears.

7. All promotion from the rank of Surgeon to that of Deputy Inspector, and from the rank of Deputy Inspector to that of Inspector, shall be given by selection for ability and merit; and the grounds of such selection shall be stated to Us in writing, and recorded in the office of the Secretary of State for India in Council, the selection for the grades of Deputy Inspector being made from the whole rank of Surgeons, whether styled Surgeons or Surgeons-Major.

G. O. G. No. 497 of 4th June 1861.—The following paragraphs of a Military Letter from the Right Honorable the Secretary of State for India, No. 172 of the 24th April 1861, are published for general information:—

1. I have received and considered in Council your Excellency's separate Despatches, Nos. 3, and 4, dated 21st January

8. With a view to maintain the efficiency of the Service, all Medical Officers of the rank of Surgeon Major, Surgeon, or Assistant Surgeon, shall be placed on the Retired List when they shall have attained the age of 55 years, and all Inspectors General and Deputy Inspectors General when they shall have attained the age of 65 years.

9. The relative rank of the Medical Officers of our Indian Military Forces shall be as follows:—

Staff or Regimental Assistant Surgeon as a Lieutenant, according

APPENDIX.

1861, regarding the application to the Indian Medical Department of certain Clauses of the Royal Warrant of the 18th January 1860.

2. In my Despatch No. 326, dated 22nd August 1860, with reference to the objections which had been made to the 8th Clause of the Warrant under which all Medical Officers below the rank of Deputy Inspector-General will be placed on the Retired List when they shall have obtained the age of 55 years, I expressed my willingness to consider any plan that your Government might suggest for reconciling the efficiency of the Public service (which must be the primary object) with a consideration of the claims of the Medical Department.

3. The plan which appears to your Excellency best suited to protect the Public interests and the claims, at the same time, of Medical Officers is that of relaxing the rule embodied in the 8th Clause of the Warrant, in cases where superior Medical Authorities certify the perfect competency and fitness of the Medical Officer, who has completed the age of 55 years without having obtained the rank of Deputy Inspector-General.

4. I am willing to assent to the adoption of this plan in regard to the Medical Officers who entered the Service prior to the promulgation of the Royal Warrant, provided that the perfect competency and fitness of the Medical Officers be, in all cases, certified by a Board consisting of two Medical Officers, one of whom must be an Inspector-General or Deputy Inspector-General, and the Commanding Officer, or Senior Civil Officer, under whom the Medical Officer may have been serving.

5. The Certificate of efficiency granted by such a Board may hold good for three years, but in no case will a Medical Officer under the rank of Deputy Inspector General be permitted to remain on the Effective List after he shall have attained the age of 60 years.

6. A Medical Officer who may be unable to obtain the Certificate of competency above referred to will be placed on the Retired List, receiving, as recommended by Government, the rate of Pension next above that to which his period of service in India may entitle him, provided that he be not already entitled to retire on the higher rate, viz., £700 a year.

7. A similar course may be pursued with respect to Medical Officers employed on unprofessional duties on their attaining the age of 55 years.

8. Your General Order of the 26th December, giving effect to the instructions conveyed in my Despatch No. 397 of the 31st October 1860, regulating the amount of leave of absence allowed to reckon as service towards the qualification for the rank of Surgeon-Major, is approved.

9. With reference to the modification of the Pension Rules of the Medical Service, suggested by Doctor Forsyth, I have to inform you that the whole question of the re-organization of the Indian Medical Service is now under consideration, and that the determination of Her Majesty's Government thereon will be communicated to you hereafter.

10. Such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds [except as regards the Presidency of Courts-martial, where Our Will and Pleasure is, that the senior combatant Officer be always President], and shall regulate the choice of quarters, forage, and prize-money. But when a Medical Officer is serving with a Regiment or Detachment, the Officer Commanding, though he be junior in rank to such Medical Officer is entitled to a preference in the choice of quarters.

11. Medical Officers shall be entitled to all the allowances granted to Our Indian Military Forces on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

12. Their families shall, in like manner, be entitled to all the allowances granted, under existing regulations, to the families of combatant Officers holding the same relative ranks.

13. Medical Officers shall be held entitled to the same honors as the other Officers of Our Army of equal relative rank.*

14. A Medical Officer, retiring after a service in India of twenty-five years and upwards, may, if recommended for the same by the Head of his Department, receive a step of honorary rank, but without any consequent increase of Pay.

* And after five years' service in India as Deputy Inspector General, as Colonel, according to the date of the completion of such Service.

† This Clause does not extend to the compliments to be paid by Garrison or Regimental Guards as laid down in pages 29 and 30 of the Queen's Regulations for the Army.

to the date of his Commission and after six years' service in India as Captain according to the date of the completion of such service.

Staff or Regimental Surgeon as Major, according to the date of his Commission; and Surgeon Majors Lieutenant Colonel, but junior of that rank.

Deputy Inspector General as Lieutenant Colonel, according to the date of his appointment.*

Inspector General of Hospitals as Brigadier General, according to the date of his appointment; if with an army in the field, or after three years service in India as Inspector General, as a Major General, from the date of his joining such army in the field, or according to the date of the completion of such service.

15. Six of the most meritorious Medical Officers of the Army shall be named Honorary Physicians, and six My Honorary Surgeons.

Given at Our Court at Windsor, this Thirteenth day of January 1860, in the third year of Our Reign.

By Her Majesty's Command,

GENERAL ORDERS BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Fort William, the 19th August 1861.

No. 722 of 1861.—The following paragraphs of a Military letter from the Right Hon'ble the Secretary of State for India, No. 278 of the 8th July 1861, are published for general information :—

"1. Since the date of my Despatch No. 233, I have received a communication from the Secretary of State for War, enclosing a letter from the Principal Veterinary Surgeon, Woolwich, who, with reference to the doubt expressed in your Military letter No. 41, dated 2nd April last, as to the practicability of examining Veterinary Surgeons in India, in order to test their fitness for promotion, expresses an opinion that it is very desirable that if the Royal Warrant of 1st July 1859 be adopted, it should be fully carried out, and states that no difficulty was encountered in doing so, in the cases of the 2d and 6th Dragoon Guards, both in India, the examinations being written and carried on confidentially between the Officer in Command of the Regiment and himself.

"2. Lord Herbert concurs in the opinion that no sufficient ground has been shewn for a modification of Clause 3 of the Warrant requiring Veterinary Surgeons to be examined as applied to India.

"3. Under the new organization of the Army in India, there will henceforth be no Regimental employment for Veterinary Surgeons of the Local Service, but those now in the service may be promoted under the Royal Warrant of 1st July 1859, their examinations being conducted by means of written questions prepared by the Principal Veterinary Surgeon in this country, in the mode above described.

"4. In carrying out this arrangement, a list of the Veterinary Surgeons, who have served the required periods for promotion, should be sent Home from time to time, in order that the examination questions may be prepared and transmitted to India."

This cancels the decision communicated in letter from the Right Hon'ble the Secretary of State for India, dated 7th June last, published in Government General Order No. *625, of the 16th July 1861.

the good of the service renders such alteration necessary, it shall be competent for Our Secretary for War to shorten the several periods of Service abovementioned in such manner as he shall deem fit and expedient.

6. Promotion from one rank to another shall not necessarily be given by seniority, but by selection for professional ability and meritorious conduct.

15. The relative rank of the Veterinary Officers of Our Army shall be as follows :—

- Veterinary Surgeon on appointment, as Subaltern.
- Veterinary Surgeon of the First Class on promotion, as Captain.
- Staff Veterinary Surgeon on promotion, as Major, but junior of that rank.

3. No Veterinary Surgeon shall be eligible for promotion until he shall have passed such examination as Our Principal Secretary of State for War may require, and shall have served on full pay, with the Commission of Veterinary Surgeon, for 5 years.

4. A Veterinary Surgeon of the First Class must have served fifteen years in the Army, with the Commission on full pay, before he will be eligible for promotion to the rank of Staff Veterinary Surgeon.

UNIVERSAL LIFE ASSURANCE SOCIETY.

ESTABLISHED IN 1834.

Empowered by Special Act of Parliament.

Invested Capital exceeds **£730,000**, a large proportion of which is held by the Indian Branch.

Head Office, No. 1, King William Street, E. C. London.

Directors.

BENJAMIN CARDOZO, Esq. | ROBERT WRIGHT NORFOR, Esq.
REV. ALFRED R. SYMONDS, | REV. GEORGE HALL & J. MILLER, Esq.

Surgeon.

H. W. PORTEOUS, Esq.

THE UNIVERSAL was the first Assurance Society that secured to Residents in India fixed rates and the advantages enjoyed by those in Great Britain.

Separate Tables of the Civil and Military Services were originally framed with the utmost care from the records of the India House, and valuable Statistical Returns accessible to this Society alone. To test their adaptation to the present time and to ascertain whether any reduction could be safely made, they have recently undergone a minute and laborious investigation by two eminent London Actuaries, whose report has established their soundness and accuracy.

After the operations of a quarter of a century, the Directors invite with great confidence the attention of the public to the marked success which has attended this Society and to the strong claims it possesses to the confidence and support of all classes desirous of effecting Assurances on lives combining the advantage of a Mutual and a Proprietary Company, and without attempting a rash competition with other Offices, it has pursued a steady progressive course, affording the benefits which consistently with security Assurers and Assured can possibly be given.

Notwithstanding the extraordinary Mortality occasioned by the late Mutiny the success of the Society's operations enabled the Directors to announce a reduction in the premiums on all participating Policies, of 40 per cent. at the annual valuation in May 1860, and of 45 per cent. at the annual valuations in May 1861 and the present year.

Assurances can be effected with or without a Participation of Profits ascending or descending scales: or for a limited number of Payments.
