APPENDIX. (COMPILED IN THE ADJUTANT GENERAL'S OFFICE.)

Old Retiring Regulations.

1. The rules under which the period of service required to entitle Officers to the retiring Regulations is calculated are as follow:
2. Officers appointed *direct*, count service from the date of arrival within the limits of the Madras Presidency—unless specially authorized by the Court of Directors to embark in a Ship bound for another Presidency.
3. Officers appointed from Addiscombe subsequently to the 22nd November 1837 to the Cavalry, Artillery, or Infantry, count service as above, with the addition of the period passed at Addiscombe after attaining the age of sixteen.

G. O. G. 11th June 1850,
No. 120.

4. Officers of Engineers count service from the date of arrival of the first Artillery or Infantry Cadet of the same examination, with the addition of the Addiscombe period as above. In the event of there being no such Artillery or Infantry Cadet they count service from the expiration of 4½ months from date of examination.

G. O. G. 10th June 1852,
No. 33.

5. Officers appointed in India, count service from the date on which they take the oath of allegiance.

6. Medical Officers and Veterinary Surgeons count service from the date of arrival within the limits of the Madras Presidency.

G. O. G. G. No. 1073 of 26th November 1861.—The following paragraphs of a Military Letter from the Right Honorable the Secretary of State for India, No. 388, dated 8th October 1861, are published for general information:—

1.—“I have received and considered in Council your Despatch No. 158, dated 8th August, respecting the amount of leave on furlough or private affairs which Officers under the old Furlough Rules are permitted to count as service for Pension, such leave being beyond the limits of their own Presidency.”

2.—“I concur in the opinion given by you that, in the case of Regiments serving beyond the limits of their own Presidency, Officers should not incur a forfeiture of service to the extent of all leave on private affairs in excess of three months, except taken in their own Presidency, and I approve of your so far modifying the present Rule as to permit all leave taken by Officers of any Presidency in any other Presidency in which they may be serving to count as service towards pension in the same manner as leave taken within the limits of the Presidency to which they belong. The modification of the former Rule will only affect Officers placed under the old Furlough Rules.”

8. But all Officers quitting India on leave of absence on account of sickness or of private affairs, who shall proceed to Europe without having returned to India, shall be considered as on furlough to Europe from the dates on which they shall have respectively left India.

G. O. G. G. No. 1329 of 23d September 1859.—The following paragraph of a Military letter from the Right Honorable the Secretary of State for India, No. 262, of the 4th August 1859, is published for general information:—

In reference to the question raised by the Government of Bombay, it has been decided that Lieutenant Colonels of Artillery and Engineers, under the new organization retiring after twenty-two years' service under the Regulations of 1796 and Section XXXII of the new Furlough Regulations shall be entitled to retiring Pension of the rank corresponding with the pay which they are entitled to draw at the date of retirement; thus a Lieutenant Colonel retiring while in receipt of Major's pay will be restricted to the retiring Pension of a Major.

Submit for decision a question raised by the Government of Bombay, whether all Lieut. Colonels of Arty. and Engineers under the new organization, are entitled to the Pension of their rank after twenty-five years' service, twenty-two of which have been passed in India.

G. O. G. 11th October 1852,
No. 95.

G. O. G. No. 153 of 19th April 1859.—With reference to Government General Order No. 193, dated 5th October 1836, His Excellency the Governor General in Council is pleased to direct, that the following Military Letter from the Right Honorable the Secretary of State for India, No. 58, dated 16th February 1859, be published in General Orders:—

7. Absence on sick certificate within the limits of India for periods not exceeding two years, successively, as also leave on private affairs beyond the limits of this Presidency, if for periods not exceeding three successive months, are counted in the time of service requisite to entitle to retiring Pay.

9. Every Officer who has completed twenty-two years service in India is allowed to retire with the pay of the rank to which he has attained.

10. All Effective Officers, without reference to their actual rank, are allowed to retire.

After twenty years' service in India, on the pay of Captains.

After twenty-four years' service in India, on the pay of Majors.

After twenty-eight years' service in India, on the pay of Lieutenant Colonels.

And after thirty-two years' service in India, on the pay of Colonels.

Military, No. 58.
TO HIS EXCELLENCY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

MY LORD,

Great difficulty having been experienced in dealing with claims advanced by Officers of short periods of service to retire on half pay, under the clause of the Retiring Regulations established by the late Court of Directors of the East India Company, by their Despatch to the Governor General of India, dated 11th May 1836, No. 3, as quoted in the margin, I have resolved, with the concurrence of the Council of India, to recommend to Her Majesty the substitution of the following modified Rule, which Her Majesty has been pleased to sanction:—

"Officers on producing the prescribed Medical Certificates, countersigned by the Commanding Officer, that they are compelled to quit the service by wounds received in action, or by ill-health contracted on active service, or on Detachment or out-post, or any Military duty in notoriously unhealthy localities, after three years' service in India, are permitted to retire on the half pay of their Rank."

I have, &c.,

(Signed) STANLEY.

INDIA OFFICE, London, 16th February 1859.

12. Officers who may be compelled to quit India on sick certificate and who may not be entitled to retire on full pay are to try the effects of a temperate climate for the usual term of furlough before they can be allowed to establish their claim to retire from the service upon half pay. If Officers so circumstanced, proceed to New South Wales, or some other Colony, and apply thence, at a proper time, for permission to retire, satisfactory evidence from the Medical Staff Officer, or other undoubted Medical testimony on the spot, to prove that the applicant is incapable from ill health to the performance of Military duty in India is necessary.
13. Members of the Medical Board *actually in the service, on the 16th July 1842, and appointed to the Board at any time within ten years from that date, have, provided they have completed twenty years' service in India (including three years furlough) the option of retiring upon pensions either according to the general scale (para. 14) for length of service in India established on the above date or upon the following scale:*

Hereafter, a Medical Officer who has passed a tour of duty in the highest appointments will, if he is still fit for the Service, be permitted to return to the performance of other Medical duties, until he shall have completed thirty-five years' service, and so be enabled to qualify for the highest rate of Retiring Pension.

When an Officer in charge of cash or stores applies for leave on Medical Certificate, he shall be required to furnish a Certificate from the Officer taking charge of his duties, that as far as can be ascertained, after careful examination, nothing irregular nor any known demands against him remain unadjusted in his Office.

Officers applying for leave beyond Sea, on private affairs, shall be required, as at present, to furnish No Demand Certificates.

Officers, on leave, on Medical Certificate, intending to retire from the Service, are to give the earliest intimation thereof to the Accountant General through the Pay Master, so that the requisite No Demand Certificate may be prepared, as no retirement is permitted without such Certificate is furnished.

In re-publishing the following General Order by the Right Honorable the Commander-in-Chief in India, dated Head Quarters, Simla, 14th June 1859, the Commander-in-Chief calls the attention of Officers thereto.

SIR,—With reference to a communication from this Department No. 142 dated 4th February 1856, I am directed to acquaint you for the information of the Right Honorable the Governor in Council that the Right Honorable the Governor General of India in Council is pleased to determine that the decision of Government conveyed to the Secretary to Government Military Department, Bombay, in letter from this Department No. 141 dated 4th February 1856, by which it is ruled that the day of departure from Regiment or appointment is one of leave, and the day of return thereto, one of duty, shall likewise be held applicable to privilege leave—thus an Officer proceeding on privilege leave on the 5th August for thirty days and rejoining on the 4th September will have been absent full thirty days only having rejoined on the 31st day, which is one of duty, and an Officer proceeding on the 5th August on 60 days' privilege leave and rejoining on the 4th October, will have been absent full 60 days only.

"Should an Officer who is on privilege leave not rejoin his Corps, but be absent in continuation, on not more than five months' leave on private affairs, or one year and eleven months' leave on Medical Certificate, he will retain his full salary or allowances for the thirty days of privilege leave, which will also count as Service, but he will, nevertheless, forfeit all Military Allowances on completing six months or two years absence, (as the case may be) reckoned from the date that he quitted his Corps and station."

Para 3.—The periods for which leave may be granted are limited as follows; including day of departure and day of return both which dates are in each case to be noted in muster rolls and abstracts.

By Officers Commanding Regiments subject to the control of Officers Commanding Stations.

For periods not exceeding 3 days in the calendar month (between Musters) within the Division or District and limited to an aggregate of 10 days in 6 months, between the 1st January and 1st July and vice versa.

N. B.—Leave granted under the foregoing clauses to Officers serving in the Centre Division sanctions their visiting the Presidency.

By Officers Commanding Divisions or Forces.

To the aggregate extent of 30 days in six months between the 1st January and 1st July and vice versa (irrespective of Musters) to go wherever the Officer wishes, the Presidency included, and exclusive of leave granted by Officers Commanding Regiments and Stations.

No. 466 of 1857.—Under the authority of the Hon'ble the Court of Directors, the Right Hon'ble the Governor General in Council is pleased to extend to Officers generally, at the three Presidencies, the privilege granted to Officers at Mooltan and Peshawar of being allowed, when the demands of the Service will permit, temporary leave, without pecuniary loss or loss of service, for sixty days consecutively, in the course of each year, or of thirty days consecutively in each half year, as may be preferred.

The following Extract from a Despatch from the Honorable the Court of Directors to the Government of India, is published in General Orders.

Extract from a Despatch from the Honorable the Court of Directors addressed to the Government of India in the Financial Department No. 10 of 1858, dated the 16th February.

Para 13. The privilege of two consecutive Months' indulgence leave originally granted to Military Officers on Staff employ in the Peshawar Valley, on account of the distance of the District from the Presidency or any Sanitarium has been extended, for the same reason to the Trans Indus Territories; we do not however think it advisable that this privilege should be allowed to any Military Officer in Civil employ who while holding Civil appointments must abide by the regulations of the Civil Service in this respect.

Letter from dated 8th June 1857. No. 82. Reports Proceedings of the Government of India in the Financial Department for the 4th Quarter of 1856.

Paras. 111 and 112. Under the circumstances represented by the Chief Commissioner of the Punjab have sanctioned the rule, by which Military Officers on staff employ, Trans Indus, are allowed two months' indulgence leave consecutively, being made applicable to Military Officers in Civil employ in the Trans Indus Territories.

The following General Orders by the Right Honorable the Governor General of India in Council, are republished.

Fort William, 2d August 1859.—No. 1099 of 1856.—The following Notification, from the Financial Department, is published in General Orders.

No. 63.
EXTRACT FROM THE PROCEEDINGS OF THE GOVERNMENT OF INDIA, IN THE FINANCIAL DEPARTMENT, DATED 12TH JULY 1859.

Extract from a Despatch from the Right Honorable the Secretary of State for India, No. 45 of 1859, dated the 19th May.

Letter dated 18th January 1859, No. 6. Transmit, in continuation of Despatch, dated 20th December 1858, No. 30, copy of an Office Memo., requesting further information in regard to privilege leave to Military Officers in Civil employ.

Para. 7. As stated in paragraph 8 of my Despatch in this Department, dated the 21st April 1859, No. 33, you had rightly decided that the admission of Military Officers holding Civil appointments, to "the indulgence of three months' cumulative leave after thirty-three months' continuous service," had reference only to the period for which leave might be granted, and not to the allowances of the absentee. This rule must be adhered to.

8. The full period of three months' absence may, however, count as service for Pension, but if an extension of leave be applied for by a Military Officer, who has taken privilege leave under the Civil Rules, it must be subject to the Military Rules in regard to reduction of salary after the first two months' absence.

G. O. G. G. No. 91 of 26th January 1860.—The following Notifications, from the Foreign Department, are published in General Orders:—

No. 250, Fort William, the 23rd January 1860.—Notification.—The following Resolution, passed by the Hon'ble the President in Council, in the Financial Department, under date the 6th instant, is published for general information:

RESOLUTION.—The Officiating Civil Auditor, Fort William, enquires, with advertence to the case of Major Bouverie, Political Agent at Bhurtpore, whether, in the case of a Military Officer entering upon Civil employ, his score for privilege leave under the Civil Rules

No. 67.

Para 4. The Leaves of absence authorized by the foregoing paras may one and all be enjoyed by an Officer during the one and same period of 6 months above specified, without any loss of allowances; provided that in every case the Officer rejoins at the expiration of the particular leave obtained that is to say that an Officer cannot be absent at one time for more than 3 days on Regimental, 10 days on Station or 30 days on division leave. But it is to be clearly understood that no consolidated salary, command, Staff or contract allowance, shall in any instance, be drawn for two Officers for the same period, and that the State be not put to any additional expense thereby; and in the case of Staff and Medical Officers and Veterinary Surgeons, that they make approved arrangements for the performance of their duties during their absence.

Para 5. The fact of an Officer having very recently returned to his post from general leave does not debar him from the privilege of obtaining leave under Paras. 3 and 4.

Para 6. An Officer unavoidably overstaying the leave granted him under paras 3 and 4 will not be liable to forfeiture of Command or Staff allowances, except for the actual period in excess of the leave granted him by either of the above authorities. But it is always competent for the superior Station or Divisional authority to grant extension of such leave, on sufficient cause being shewn to avoid even this forfeiture. For instance an Officer unavoidably overstaying Regimental leave may have it converted into Station or Division leave, and in like manner Station leave can be changed into Division leave provided always the prescribed aggregate extent of leave which the different authorities are respectively permitted to grant is in no case exceeded. When an Officer, under the above circumstances, exceeds the 60 days allowed in each half year it will rest with the Commander-in-Chief to grant him an extension of leave to prevent forfeiture of pay and allowances for the period he may have overstayed his original leave.

must commence from the date of joining his Civil appointment, or whether it must be calculated by the usual reckoning of 11, 22, or 33 months of uninterrupted service, irrespective of the Department (Civil or Military) in which such service may have been rendered.

2. Referring to this question, the President in Council observes that, when it was laid down that two or three months' accumulated privilege leave could be granted, under the Civil Rules, to Military Officers in Civil employ, it was intended that such leave should be earned by continuous service of the required number of months in the Civil Department alone.

The following Extract of a letter from the Officiating Secretary to the Government of India, Military Department, to the Secretary to Government Military Department, Fort St. George, dated 3rd April 1860, No. 62, is published.

"With reference to your Letter No. 616, dated the 10th February last, I am directed to state for the information of the Honorable the Governor in Council, that His Excellency the Governor General is of opinion that the Military Secretariat to Government is certainly a Civil Department and that the Military Secretaryship to the Governor or to the Governor General, is as certainly a Military appointment. Accordingly the Civil Rules for privilege leave are alone applicable to the former, and the Military Rules exclusively to the latter."

The Governor in Council is pleased to authorize the Principal Inspector General, Medical Department, to grant privilege leave to Medical Officers in Civil employ at the Presidency, the same being notified in every case in the Official Gazette. Leave to Medical Officers in Military employ will, however, continue to be granted as heretofore.

The Governor in Council directs that the following rule, contained in G. O. by His Excellency the Commander-in-Chief in India dated Simla, 12th July 1859, be extended to this Presidency.

Leave of absence, preparatory to furlough, whether on private affairs or on sick certificate, must always be general, and not privilege leave.

With reference to G. O. G. No. 53, dated 3d February 1860, the Governor in Council directs that, in future, in accordance with the practice in Bengal, leave of absence preparatory to retiring from the service shall always be general, and not privilege leave.

The following Extracts from a Military letter from the Government of India, No. 930, dated 23rd November 1861, are published for general information:—

"Though an Officer taking privilege leave may proceed wherever he may desire, he cannot proceed to such a distance as must preclude the possibility of his rejoining within the period of such leave. Thus as privilege leave, under Military rules, is limited to 60 days, and it is impossible, under existing arrangements for transit, to visit Europe and return thence within that period, an Officer cannot go to England on privilege leave on Military rules."

"Government alone can grant an Officer leave to visit Europe."

Para. 64.—Should an Officer on leave under Paras. 3 and 4 be put on duty by the Commander-in-Chief at a station at a distance from his own, on a date which, with reference to such distance, would admit of his rejoining, by any mode of travelling within the period of his leave, he will be entitled to compensation for loss of allowances for the period of his detention beyond the expiration of his leave, but if put on duty at a time and place from which he could not with reference to distance rejoin within the period of his leave by any mode of travelling, he will not be entitled to compensation for any period of absence from his Regiment.

Para 7.—The above rules are applicable to Divisions and Forces, both within and beyond the Frontier. By order of His Excellency the Commander-in-Chief.

W. G. WOODS, Lieutenant Colonel,
Adjutant General of the Army.

next apply for Furlough or leave of absence, without any limitation whether such leave be in India or elsewhere; and Officers who once make their election will not be entitled to any other choice, but will be afterwards subject to the New or Old Regulations according to their decisions.

2. Staff Officers, as such, have not the above option allowed them, but they may retain the advantages of the Old Regulations by giving up their appointments, which, in such cases will be considered vacated from the date of embarkation.

3. To those Officers who adopt them, the New Regulations will apply retrospectively in respect of Furlough and leave of absence beyond sea, and in computing their time of service for retirement, so that their Furloughs or leaves of absence, whether under the Old or the New Rules, and whether on private affairs or sick certificate within or beyond India, will count for service to the authorized extent only, in computing the time for retirement on full pay.

5. Officers who have not taken leave subsequent to the publication of the New Rules on the 1st February 1854, and who consequently may not have been called upon to declare whether they would abide by the Old or the New Regulations, will, on retirement from the Service, be entitled to take full advantage of the privileges given by the New Regulations.

Para. 8. We have to state in reply to your enquiry, that an Officer proceeding on leave to England for six months, retaining his appointment or otherwise, is not to be considered as having taken his authorized Furlough after ten or twenty years, as the case may be, but may, with your permission, be allowed at any time to take the remainder of the two years authorized Furlough on private affairs.

With reference to paras. 6 and 7. The Right Honorable the Governor General of India in Council is pleased to notify that the Honorable the Court of Directors, in their letter No. 56, of the 25th April 1856, have communicated the following decisions regarding the New Furlough Rules, published in Government General Order, No. 1150, dated the 17th Nov. 1854:

G. O. G.
1st July 1856,
No. 311.

Referring to Rule 6, 7.—Officers who take their first Furlough after twenty years' service in India, may take their second furlough after an additional service of five years from the date of their last return to duty.

Referring to Rule 2.—Absence for six months under this Rule does not preclude an Officer from taking his Furlough to Europe after ten years' service.

3. An Officer of upwards of 20 years' service, but who before completing that period has enjoyed a furlough on private affairs to Europe, for say four years, for 3 of which he drew pay, has a claim to a second furlough of one year with pay, on the completion of 10 years from the date of his return to duty—but, if subsequently to his return from furlough, he has taken leave out of India on S. C. his second furlough on private affairs will not be claimable till the expiration of six years from return to duty from such sick leave as well as 10 years from the date of return to duty from furlough on private affairs.

at the expiration of ten years'

service, and for a second period

of two years after twenty

years' service in India.

7. * The second Furlough of

two years will only be grant-

ed after ten years' service in

India, from the date of the

return to duty after the first

Furlough of two years. These

Furloughs are not to be cu-

mulative, under any circum-

stances, but are limited to

two years. Officers who have

taken leave of absence on

sick certificate to Europe or

elsewhere, beyond sea, will

be ineligible to a furlough

on private affairs until they

have served six years from

their last return to duty.

This rule does not apply to

short leave to sea.

8. All grants of Furlough on private affairs are subject to the exigencies of the Public Service, and to the Regulations framed for the preservation of the efficiency of each Regiment by limiting the number of absentees.

N. R.—This Rule is not applicable to an Officer who takes his first Furlough out of India after completing 25 years' service; vide para. 4 of this order.

With reference to para. 6, M. C. No. 2702, 20th Oct. 1856. Officers who have proceeded on sick leave to Europe after a period of 20 years' service, it being the first time of their quitting India, can, as in the case of Officers who take their furlough after the same period, take a furlough on private affairs after 5 years from the date of their return to duty.

G. O. G.
28th March 1861, No. 115.

4. A number of Recruits having been enlisted for the Royal Artillery, for service in India, it has been deemed expedient that a certain proportion of Officers of the Bengal, Madras, and Bombay Artillery should be appointed to do duty with them at the Royal Artillery Depot at Woolwich, until the next season of embarkation, and that some of these Officers should then proceed with the drafts to India.

These Officers will be entitled to count the time passed at Woolwich as service in India, and if they proceed with Recruits, the period occupied by the voyage. The Officers returning with Recruits will be allowed to count the period passed by them on duty at Woolwich, and on the voyage, as part of the qualifying period necessary for them to serve in India before they are again entitled to a furlough to Europe.

In such cases the absent Officer will not, till he resumes charge of his duties, have any claim to the salary of the higher office, which will be drawn by the Acting-Officer.

(Signed) R. J. H. BIRCH, Major General,
Secy. to the Govt. of India.

Fort William, the 1st October 1861.

No. 874 of 1861.—The following paragraphs of a Military letter from the Right Hon'ble the Secretary of State for India, No. 304, dated 2nd August 1861, are published for general information:—

G. O. G.
15th Oct. 1861,
No. 360.

1. Your letter dated 3rd June last forwards an application from Lieutenant D. MacIntyre, 2nd in Command Birmoor Battalion, that the leave of absence granted him to visit Europe on private affairs may be extended to eighteen months on the same account, with retention of his appointment under the 33rd paragraph of your General Order, dated 10th April last.

2. The privilege of retaining appointments during periods of absence not exceeding twenty months, as announced in my Despatch, dated 18th January last, applies only to Officers returning to this country on Medical Certificate. It was intended as an extension of the privilege of fifteen months' leave allowed by the new Furlough Regulations to Staff Officers quitting India on account of the state of their health. With this exception Officers of the Staff Corps, it was stated, would be under the new Furlough Regulations. By these Regulations, Furlough on private affairs with retention of staff appointment is restricted to six months.

3. The Furlough on private affairs of the Officers of the Staff Corps, with the right of retaining appointments, is to be limited to the same period.

4. The application of Lieutenant MacIntyre cannot therefore be complied with.

10. All Officers, whether Staff or Regimental, while on Furlough on private affairs, will be entitled to "Furlough pay" only.

Leave of absence on Sick Certificate.

11. Leave of absence on sick certificate will be granted for a term not exceeding eighteen months, whether it be to any place in Europe or elsewhere out of India.

12. Extensions of such leave may be granted, as at present, on production of Medical certificates for further periods not exceeding eighteen months in the whole.

9. Officers holding Staff or other detached appointments may be allowed Furlough for a period of six months without losing their appointments; but during that period, they will not be entitled to any portion of their Staff Salary, which will be drawn in full by the Officers officiating for them.

G. O. G.
15th April 1856,
No. 119.

With reference to para. 13. No. 1884.—The grant of leave of absence to Staff Officers, on Medical Certificate, with half Staff Allowances, for six months, and with the privilege of returning to their Offices, if their absence from India be not prolonged beyond fifteen months, is bestowed by the Honorable Court, in order to enable such Officers to regain their health, and in the expectation, that they will be thereby qualified to render additional service to the Government. But if leave of absence be taken merely to run out a prescribed period of service, and without any intention of returning to duty, the principle on which the rule is founded is infringed, and the indulgence of the Honorable Court is abused; wherefore the Right Honorable the Governor General in Council hereby notifies for general information, that, if there be an avowed intention on the part of an Officer not to return to duty, or if the Government have valid grounds for concluding that the Officer has no intention to return to duty, the indulgence of leave on sick certificate, retaining Office, will not be granted in future.

The foregoing was declared in a Notification, No. 2129, dated 16th April 1856, republished in G. O. G. 2d May 1856, No. 139, to be applicable to all Military Officers holding Political or Civil appointments, either under the Government of India or under any of the Subordinate Governments.

18th Nov. 1856,
No. 92.

6. If an Officer, having proceeded on leave in India on Medical Certificate and enjoyed the indulgence to the full extent, proceeds on leave on Medical Certificate out of India without having returned to duty, the existing Regulation which precludes receipt of Indian allowances for a longer period than two years of continuous absence from duty, is a bar to his drawing Indian allowances for the first six months or for any part of his fresh leave.

The following Orders by the Lieutenant-Governor, North Western Provinces, are republished in General Orders.

Extract from a letter from the Honorable the Court of Directors, to the Government of India, No. 171, dated 15th October 1856.

G. O. G.
18th Sept. 1859,
No. 360.

Letter dated 4th April 1856, No. 129. The New Furlough Regulations made no alteration in the old rules governing the resumption of Staff Allowances on return to duty. Under those rules an Officer who had ceased, prior to his return, to be entitled to Staff Allowances, could not draw any portion of them from an earlier date than that of his resumption of his Staff duties. We think it undesirable to make any change in this respect.

89. In the same (55th) paragraph of your Despatch, you express an opinion that the boon of twenty months' leave on Sick Certificate, with retention of appointment, granted to Officers of the Staff Corps, may be extended to all Officers of the other branches of the Service. I have much pleasure in acceding to this recommendation, and I authorize you to give it effect immediately in the three Presidencies. I have no objection to extending this boon to Officers now on Furlough in all cases in which you may think it desirable to recommend it.

G. O. G.
1st Oct. 1861,
No. 334.

14. An Officer's claim to half Staff Salary for six months, as sanctioned in the preceding Rule, will not be affected by his subsequently retiring from the service in Europe or elsewhere.

15. No portion of Command Allowance, Medical Staff Salary or other similar allowance, which under the Old Rules was inadmissible to Officers absent from their Corps or Stations at the Cape or elsewhere, will be allowed to absent Officers under these Regulations.

16. † All Officers, whether Staff or Regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian Pay and Allowances as was allowed under the Old Regulations to Officers proceeding to the Cape on medical certificate, and for the remaining period of their leave they will receive Furlough pay only.

17. If the leave on sick certificate be extended, Furlough pay will be continued but under no circumstances for a longer period than three years altogether from the commencement of the absence.

Staff Officers.

18. The term Staff Officer applies to all Officers holding Staff or Detached appointments, Military (General or Regimental), Political or Civil, also to General Officers commanding Divisions, Members of the Medical Board, Superintending Surgeons, and others who, under the Old Rules, were entitled to draw half Staff allowance when absent at the Cape.

† Vide margin of rule 13.

† Vide margin of rule 9.

13. *An Officer holding a Staff or other detached appointment will be allowed to be absent on sick certificate in England or elsewhere, beyond sea for a period of fifteen months, without losing his appointment; and, during the first six months only of such absence, he will be entitled to draw half the Staff Salary of his appointment, the Officer officiating for him drawing the remaining half salary during the first six months, and the whole salary during the remainder of the time.

- With reference to para. 19. The following paragraph of a Military letter, from the Honorable the Court of Directors to the Government of India, No. 84, dated 27th June 1855, is published for general information:—
- Letter dated 5th April 1855, No. 52.*
1. Staff Officers applying for leave in India are not required, by the New Furlough Rules, to vacate their Staff appointments and confirm the view you have taken of this question.
2. A Staff, as well as a Regimental Officer is required, when first applying for leave, whether in or out of India, to declare by which of the furlough regulations he wishes to abide. A Staff Officer having made his election can take his leave in India as above stated, and should he afterwards require to proceed to England, the retention or otherwise of his appointment will depend upon which of the rules he first elected, and from which he cannot afterwards change.
3. In the event of a Staff Officer electing the new furlough regulations and taking leave in India, the whole of the leave he has previously enjoyed from the date of his entering the Service, excepting the periods allowed by those rules to reckon as service, must be reckoned against his period of service for retirement.
- The following Extracts from a Military Despatch from the Honorable the Court of Directors, are published.
- Letter dated 16th June 1858, No. 95.*
- To Court Letter dated 11th February 1858, No. 25.
1. Extension of leave without loss of appointment to Surgeon James Shaw Superintendent of the Eye Infirmary.
2. This is the third instance within a very short time in which the privilege of continued tenure of Staff appointment has been recommended merely on the ground of a continuation of the Medical Certificates. If this system were admitted, the Rule which limits absence to the privilege of fifteen months' absence on medical certificate must necessarily be abandoned.
3. You will have seen by our letters of the dates noted in the margin that we have declined to sanction the retention of Staff appointments beyond the term of 15 months recommended on the ground of continued sickness. The Regulations state that such retention of Office can be only sanctioned on "special grounds," to be reported to us and subject to our approbation.

5. Regulations state that such retention of Office can be only sanctioned on "special grounds," to be reported to us and subject to our approbation.
6. No. 151 of 1859.—The Governor in Council directs the publication of the following Extract from a letter from the Secretary to the Government of India, Military Department, dated 30th March 1859, No. 1416, in reply to an application for the services of certain Officers on Staff and detached employ whose absence in Europe on medical certificate, had exceeded the period of 15 months.
7. "I am directed to acquaint you, for the information of the Right Honorable the Governor in Council, that it has not been the practice to place Officers who exceed the authorized period of absence, during which they retain their Staff situations, at the disposal of the Commander in Chief or of the Government of the Presidency to which they belong.
8. "An Officer exceeding the period of authorized leave, has, I am to add, no Staff employ, unless re-appointed, and he reverts to his Regimental duties."
9. No. 213 of 1859.—With reference to G. O. G. 20th July 1858, No. 275, the following despatch from the Right Honorable the Secretary of State for India is published.
10. *Letter dated 21st April 1859, No. 58.*
11. Having considered in Council your despatch, No. 25, dated 11th February 1859, soliciting instructions as to what may be admitted as special grounds for permitting a Staff Officer, absent on medical certificate, to retain his appointment for any period beyond 15 months, I have to express the desire of Her Majesty's Government that this indulgence should be very rarely granted, and only in cases where it is important on public grounds to retain an Officer's services in a particular appointment, or where the distinguished services of an Officer may entitle him to special consideration.
12. The Right Hon'ble the Governor-General of India in Council is pleased, with the concurrence of the Right Hon'ble the Secretary of State for India, to modify to the following extent such of the new Furlough Regulations as are applicable to General Officers on the Staff.
13. The concession of leave to Europe in the case of a General Officer is to be considered the exception and not the Rule; and, as ground for obtaining such leave, it must be shown that the Officer has contracted illness from the effects of climate, or of wounds received on service in India, or that the nature of the Private Affairs taking him from India is of a very urgent nature.
14. * Staff Officers, absent on leave beyond the periods stated in Rules 9 and 18 respectively, cannot retain their appointments and allowances except on special grounds, to be sanctioned by the Government of the Presidency. Any such special grant of leave is to be reported at once to the Hon'ble the Court of Directors, with the reasons for it, and to be subject to their approbation.

* Vide margin of rule 2.

- No. 962. 23d Oct. 1861.
- Leave on Medical Certificate will be restricted to six months, and on Private Affairs to four months, the penalty of exceeding such period being the vacation of the Command, and in no case will a General Officer be allowed more than one grant of leave out of India during his tour on the Staff.
- The position of Brigadiers being considered analogous to that of General Officers on the Staff, the principle upon which the indulgence of leave is to be granted will hereafter be the same in both cases.
- GENERAL ORDERS BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA IN COUNCIL. *Fort William, the 2d February 1863.*
- No. 89 of 1863.—The following paragraph of a Military Letter from the Right Hon'ble the Secretary of State for India, No. 459, dated 16th December last, is published for general information:—
- Para. 12.—In future when Officers holding Staff appointments are granted leave of absence on Sick Certificate for any term short of twenty months, I shall extend their leave to that period, on their producing the required certificate, with the retention of their appointments, without requiring them to apply to your Government on the subject.
20. The privilege of retaining Staff appointments during leave of absence on sick certificate, or on Furlough on private affairs, will not be available a second time, if the fresh leave is on sick certificate, until an Officer has been three years, or if on private affairs, until he has been six years in the discharge of the duties of his appointment, from the date of last return to it.
- With reference to para. 21. His Excellency the Commander-in-Chief directs it to be published in General Orders for the information of the Army, that the Government of India has fixed three (3) months as the maximum period which is to be understood by the terms "short leaves" and "leaves for brief periods," used in rules 7 and 21 of the New Furlough Regulations.
21. This Rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs in India, or for brief periods to Ceylon, the Mauritius, or other places out of India.
22. Officers commanding Troops of Horse Artillery and Light Field Batteries, and Officers generally in employment, will be allowed leave out of India under the same Rules with respect to allowances and tenure of Command or Office as regulated the grant of leave to the Cape to such Officers under the Old Regulations, except as to the duration of those advantages, the time for their continuance being subject to the provisions of the New Regulations.
- Date of Furlough and Advances of Pay.*
23. The period of Furlough on private affairs, or leave of absence on sick certificate, is to be calculated from the date of the departure from India of the ship in which the Officer proceeds.
- No. 329 of 1862.—The following General Order by the Government of Bombay, is republished at this Presidency:—
- MILITARY DEPARTMENT.
- GENERAL ORDER BY HIS EXCELLENCY THE GOVERNOR IN COUNCIL. *Bombay Castle, 6th August 1862.*
- No. 457 of 1862.—The following extract, paragraph 11 of a Despatch from the Secretary of State for India, No. 86, dated 2nd July 1862, is published for general information:—
- Para. 11. When an Officer is granted permission to return to his duty by a particular ship, it is equivalent to granting him an extension of leave until the arrival of that ship in India."
7. It is not imperative on Officers to draw advances under this para:—option is allowed either to take the advance or to draw pay and allowances in arrears in England.
24. Advances of Pay and Allowances, Staff and Regimental, to Officers proceeding on leave of absence on sick certificate, who may be entitled to them, will be made in India for three months from date of embarkation. Payments in continuation will be made in England at the rates of exchange fixed annually for re-payment of advances made on account of Her Majesty's Government. Furlough pay will continue to be issued in advance for six months when required by Officers obtaining Furlough on private affairs.
- Fort William, the 22d April 1862.*
- No. 447 of 1862.—The Right Honorable the Secretary of State for India having represented that much inconvenience is caused by Officers proceeding on Furlough to Europe unprovided with last Pay Certificates, His Excellency the Governor General of India in Council is pleased to lay down the following rules for the guidance of the Officers of the Pay Department and of Officers proceeding Home on Furlough:—
- 1st.—It is the duty of an Officer before leaving India to obtain his last Pay Certificate; he should therefore at the time of applying for leave address the Deputy Pay Master in whose Circle of payment he may be, with a request that his accounts may be adjusted, and at the port of embarkation he should apply at the Pay Office for a last Pay Certificate. In the event of his not being able from any cause to obtain this Certificate, he should address the Military Accountant on the subject, and that Officer will investigate the circumstances of the case and submit a report thereon to the Military Finance Department for transmission to Government.
- 2nd.—In cases in which Officers return Home "for Residue of Furlough," the period remaining unexpired should be stated in their papers by the Pay Department.
- 3rd.—The Right Honorable the Secretary of State for India having observed, in his letter No. 497, dated the 31st December 1861, paragraph 10, that "the final settlement of all pay and allowances issued to an Officer prior to his quitting India, whether in an advance or otherwise, is invariably left to the Authorities in India," it will not be necessary for the Officers of the Pay Department in future to call upon Officers on Furlough in England, who, on promotion, may apply to India for an adjustment of pay (for the period issued to them prior to their leaving this country) to furnish a Certificate under the signature of the Authorities at the India Office to the effect that no such adjustment has been made by them.
- 4th.—This order is applicable to the three Presidencies, and will have effect from this date.

Fort William, the 1st August 1862.

No. 750 of 1862.—His Excellency the Governor General in Council is pleased to extend to Officers on leave the Rule which permits Officers of one Presidency, when absent on duty, to draw their Pay and Allowances from the Pay Authorities of any other Presidency at which they may be residing, and to lay down the following Rules for future guidance:—

Officers of one Presidency may draw advances on account of their pay and allowances which have become due from Pay-Masters at any other Presidency at which they may be residing, whether on duty or on leave on Medical Certificate or private affairs.

Officers so situated must furnish, with their Bills, a last Pay Certificate from their own Presidencies, shewing specifically the sums to be deducted and the amount to which entitled, and also indicate the General Order or other authority under which they are absent.

These Rules are also applicable to cases of Officers embarking for Europe from any other than their own Presidencies, and who may be entitled, under the Furlough Regulations, to advances of Pay and Allowances.

In cases of Staff Officers so situated their last Pay Certificates are to specify clearly the amount of half Staff salary to which they may be entitled during their leave.

In case of emergency, when last Pay Certificates cannot be produced, advances on account of unadjusted arrears of pay may be made on good Security for the amount being furnished.

Bills for any admissible passage money are to be supported by a sufficient Guarantee from the Agents of the Ship or other parties, that half the passage money will be refunded in the event of the Officer dying after engagement of his passage, or before the Vessel puts to Sea.

Pay-Masters making advances under these Rules are invariably to record the same on the back of the last Pay Certificate, and will make the necessary communication to the Pay-taken, it is also to be noted on the Pay Certificate.

If proof be forthcoming that an Officer has already furnished Security at his own Presidency for any demands on the part of Government which may arise, fresh Security is not to be required by Pay-Masters of any other Presidencies.

All over-drawings or short charges will always be adjusted by the Pay Authorities of the Presidency to which the Drawing Officers may belong.

All other orders on this subject at the three Presidencies are hereby superseded.

25. The existing Regulations regarding Passage Money to Officers are not affected by these Rules.

With reference to paras. 26 and 31. The Right Honorable the Governor in Council is pleased to publish the following General Order by the Honorable the President of the Council of India in Council, dated 10th April 1855, No. 430, and that by the Commander-in-Chief in India therein referred to—and to declare their provisions applicable to Officers proceeding to this Presidency or to Head Quarters of Divisions, for the purpose of undergoing an examination in the Native languages.

G. O. G. G. No. 430 of 10th April 1855.—The Honorable the President of the Council of India in Council is pleased to notify for general information, that derailing examination in the Native languages before the Examiners of the late College of Fort William, or the present Board of Examiners, in any of the tests laid down for Military Officers, will be allowed to reckon the period of their absence, to the extent of six months only, as on duty, in the same manner as Officers proceeding to the Head Quarters of the Division in which they are serving for a like purpose, are now considered as absent on duty.

G. O. C. C. I. dated Head Quarters: Simla, 28th September 1854.

The Commander-in-Chief is pleased to notify that, with the sanction of the Most Noble the Governor General in Council, Officers proceeding to Head Quarters of the Division in which they are serving, to undergo an examination in the Native languages before the Half-yearly Committees, will for the future be considered as absent from their Regiments on duty and such absence will not interfere with their enjoyment of temporary leave under the order marginally cited.

G. O. G. G. 20th March 1851.

2. Officers Commanding Divisions will be held responsible that this indulgence is not abused by Officers absenting themselves from their Corps for longer periods than may be actually necessary to enable them to accomplish the object in view.

No. 20.

The Commander-in-Chief directs it to be notified that leave granted under the provisions of G. O. G. No. 116, dated 24th April 1855, to Officers who may fail to shew that they have made good progress in their studies will be converted into general leave counting against service for pension.

With reference to paras. 26 and 31. The following Extract from General Orders by His Excellency the Commander-in-Chief of the Bombay Army is published at this Presidency.

26. The certificates issued to Officers who are granted Furloughs on private affairs, or leave of absence on sick certificate, are to specify the time each Officer has been absent on leave within Indian limits, as well as the time of his previous absence in Europe; but will not include the periods allowed for proceeding to the Presidency or port of embarkation, and to enable Officers to rejoin their Regi-

19th Oct. 1855,
No. 265.

1. With the sanction of Government, the following decision of the Government of India, having reference to rule 26 of the New Furlough Regulations, is published to the Army:—

"Short leaves on private affairs for periods not exceeding 30 days, which have been granted to Officers in General Orders, previously to 6th December 1854, are to be counted as 'privileged,' provided they do not exceed an aggregate of 30 days in each half year."

The Right Honorable the Governor in Council is pleased to direct the publication of the following Bengal rule, and to sanction its extension to the Officers of this Presidency.

G. O. G.
13th June 1856,
No. 193.

"Should an Officer who is on privilege leave not rejoin his Corps, but be absent in continuation, on not more than five months' leave on private affairs, or one year and eleven months' leave on Medical Certificate, he will retain his full salary or allowances for the thirty days of privilege leave, which will also count as service, but he will, nevertheless, forfeit all Military Allowances on completing six months or two years' absence, (as the case may be) reckoned from the date that he quitted his Corps and station."

With reference to paras. 26 & 31. M. C. No. 514, 26th Feb. 1856. 8. In calculating the period of an Officer's absence on furlough in India, the day of departure from a Regiment or appointment is to be reckoned as one of leave, and the day of return thereto as one of duty. In like manner as respects Furlough beyond India, the date on which the vessel conveying the Officer from India puts out to Sea, is to be reckoned as one of Furlough and the day on which he returns to his Presidency as one of duty.

With reference to paras. 26 & 31. M. C. No. 901, 18th April 1856. 9. An Officer entering the Service and obtaining leave to visit a station not the Head Quarters of his Regiment and to join the Corps to which he is posted, and who actually does join within the period sanctioned by Regulation for the purpose of joining by the direct route, is allowed to reckon such leave as service for pension.

The principle of this rule is applicable to Officers who on return from leave out of India are allowed to visit a Station out of the direct route to the Station to which they belong.

No. 52.

With reference to paras. 26 & 31. M. C. No. 2702, 20th Oct. 1856. 10. Leave for one month, granted to Officers in Civil employ under Section XI (amended) Old Civil Service Absentee Regulations, is not to be deducted from same light as one month in six privilege leave granted to Military Officers.

With reference to paras. 26 & 31. M. C. No. 3144, 4th February 1856. 11. The period during which Officers may have been or may hereafter be absent on leave for the purpose of accompanying Insane or Sick Officers is allowed to count as service for pension.

With reference to paras. 26 & 31. M. C. No. 2702, 20th Oct. 1856. 12. If an Officer is placed on duty while on leave of absence whether on Medical Certificate or private affairs he will be allowed to count as service for pension the whole period he may be so employed, i. e., from the date of the order nominating him to such duty to the date of the order relieving him, both inclusive.

Officers of H. M.'s Services.

27. Officers of Her Majesty's Service in India, whether employed Regimentally or in Staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

28. In the case of Officers of Her Majesty's Service on Furlough, on sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

With reference to para. 29. M. C. No. 2702, 20th October 1856. 13. An Officer returning from Europe or Sea is allowed to count as service one month for preparation at the port of debarkation and marching distance to his Corps or Department in addition.

With reference to para. 29. M. C. No. 2702, 20th October 1856. 14. An Officer going to Europe or Sea is allowed to count as service in addition to marching distance to the Presidency or nearest port of embarkation, the same period for preparation prior to embarkation as allowed to Officers returning from Europe, viz. one month.

With reference to para. 29. M. C. No. 901, 18th April 1856. 15. Officers obtaining leave preparatory to final leave out of India, but who after arriving at the Presidency or other port of embarkation abandon their intention of leaving the country, cannot reckon as service the period they may have been absent from duty on such preparatory leave which then assumes the nature of ordinary leave in India.

The last pay certificate of all Officers proceeding to England on sick certificate is to specify the rate of Regimental pay and allowances and Staff salary to which they would have been entitled under the Old Regulations if proceeding to sea on medical certificate.

This information is necessary in order that no difficulty may arise in the Pay Department of the India House in adjusting the several payments which may be due.

Periods of absence allowed to be counted as Service for Retiring Pensions.

With reference to para. 29. M. C. No. 2702, 20th October 1856. 16. An Officer who proceeds on Furlough to the Presidency or other port, (not preparatory to applying for leave to proceed to Europe or elsewhere) and while there obtains a Sick Certificate to Europe or other place out of India, is not entitled to count as service the period allowed by Regulation for proceeding from the Station of his Regiment or appointment to the port of embarkation; but he can reckon as service the period of one month allowed at the Presidency or port of embarkation preparatory to embarkation.

With reference to para. 29. M. C. No. 2702, 20th October 1856. 17. If instead of being at the port of embarkation, he is at another port, or at an inland station, when he obtains the Sick Certificate to quit India, he will be allowed the time authorized for travelling from the station at which he may be when he obtains his Sick Certificate, to the port of embarkation.

With reference to para. 29. M. C. No. 2702, 20th October 1856. 18. If an Officer while absent on ordinary Sick Certificate in India, quits India on Sick Certificate, or, who having proceeded on ordinary leave on private affairs in India obtains a Furlough out of India, he is entitled to count as service the period allowed for proceeding from the place at which he may be when he obtains leave to quit India, to the port where he ultimately embarks.

No. 53.

The Governor in Council directs that the following rule, contained in G.O., by His Excellency the Commander-in-Chief in India, dated Simla, 12th July 1859, be extended to this Presidency.

Leave of absence, preparatory to furlough, whether on private affairs or on sick certificate, must always be *general*, and not *privilege* leave.

5th March 1861.
No. 80.

With reference to G. O. G. No. 53, dated 3d February 1860, the Governor in Council directs that, in future, in accordance with the practice in Bengal, leave of absence preparatory to retiring from the service shall always be *general*, and not *privilege* leave.

G. O. C. C.
1st Mar. 1862.
No. 22.

It is notified for general information that under a recent decision of the Government of India, an Officer who had elected (or who, not having before elected, might on his entering the Staff Corps desire to elect) the old Furlough Regulations, carries with him into the Staff Corps so much of his service (authorized leave included) as had been passed in Indian limits and no more; and that to entitle him to retire on the pension of any particular rank he must serve so many more years as would with that service complete the full period of service prescribed for such pension, with the liberty of availing himself, after his entry into the Staff Corps, of the privileged periods* of absence allowed in paragraph 30 of the new Furlough Regulations.

For instance a Captain who, on entering the Staff Corps on the 18th February 1861, had served twenty-four years counting as service for retirement under the old rules, and had been absent six years on leave to Europe, would enter the Staff Corps with a capital of service of twenty-four years only; and, before he could retire on the pension of a Lieutenant Colonel, he would have to serve four years longer, of which three years might be passed on leave.

2. With reference to the foregoing, Officers who at date of entering the Staff Corps had not made election of Furlough Regulations are requested now to report under which Furlough Regulations they wish to be governed, so that their service to that date may be calculated.

GENERAL ORDERS BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA IN COUNCIL:
Fort William, the 12th May 1862.

No. 520 of 1862.—The following Rule which has received the sanction of the Right Hon'ble the Secretary of State for India for calculating the service of Officers who, formerly under the old Furlough Regulations, have joined the Staff Corps, and whose service from date of joining that Corps is to be reckoned under the new Furlough Regulations, is published for general information and guidance:—

G. O. G.
27th May 1862.
No. 212.

1. Officers having elected (or who not having before elected might, on their entering the Staff Corps, desire to elect), the old Furlough Regulations will carry with them into the Staff Corps so much of their service (authorized leave included) as may have been passed within Indian limits and no more. Before they can retire on the pension of any particular rank they will be required to serve for such further period as will, with that service, complete the full period prescribed for the pension of any particular rank, with the liberty of availing themselves, after their entry into the Staff Corps, of the privileged periods* of absence allowed by paragraph 30 of the new Furlough Regulations.

* 2 Years' absence in 20 years' service.
3 " " 25 " "
4 " " 30 " "

loss of time, the period allowed by Regulation for proceeding to the Presidency or to the nearest port of embarkation, as well as the time to enable Officers to rejoin their corps or station after their return to India, will be considered as time counting for service for the retiring Pension.

G. O. C. C.
18th Nov. 1856.
No. 92.

With reference to para. 30, 33, 34 and 35. M. C. No. 2981, 2d Nov. 1855, and No. 919, 18th April 1856. 19. An Officer who has served 20 or 24 years and not more is only entitled to reckon two years' absence as service. Rule 33 gives the minimum period of service which entitles an Officer so situated to retire on the Pension of a Captain or Major; but an Officer who has served beyond those periods is entitled to the benefit of Rule 30 by which extended periods of absence are allowed to reckon, regulated by the length of the Officer's service. For instance, an Officer who has served 20 years, and no more, and had only 3 years' leave must still perform one year's duty before he can retire as a Captain; whereas an Officer whose aggregate service is 30 years out of which he has enjoyed leave for 14 years and no more, can retire as a Captain at once.

With reference to para. 31. G. O. G. G. No. 1113 of 1857.—The following Extract, Paras 18 and 19, of a Military Letter, from the Honorable the Court of Directors to the Government of India, No. 126, dated 22d July 1857, are published for general information:—

18. By the Regulations established for the promotion of Lieutenant Colonels to the rank of Colonel after three years' service, it is provided that no longer period than one month in each year, or a total of three months in three years, or six months in six years shall be allowed to reckon in action shall be allowed to reckon as service for pension both under the old and new Regulations.

G. O. G.
15th Sept. 1857.
No. 290.

Request Court's decision on the question whether leave of absence in or beyond India taken in consequence of wounds received in action shall be allowed to reckon as service for pension both under the old and new Regulations.

19. In reply to the question now put to us, we have much satisfaction in stating that we are prepared to extend the benefits of the exception above specified to the time required for retirement on full pay. Every claim to the benefit of this exception must be duly certified by a Medical Board, and be forwarded to us for our decision, accompanied by the opinion thereon of the Government and Commander-in-Chief of the Presidency to which the Officer belongs.

No. 32.—With reference to G. O. G. 15th September 1857, No. 290, the Commander-in-Chief desires it to be notified that the privilege of reckoning the time of absence in the period of service required for retirement on full pay is authorized "in cases of wounds or illness contracted by Service in the Field, duly certified by a Medical Board, when each case will be separately considered with reference to the time to be allowed."

G. O. C. C.
21st Mar. 1859.

In all such cases a specific description is to be given in a report by a Medical Board of the nature of the illness and of the grounds upon which it is considered that the illness has been contracted by Service in the Field.

All such grants of leave should be made in accordance with the Regulations of 1836-7, and not be extended if necessary beyond the period of 18 months.

No. 10.—Applications for permission to retire on full pay for Retiring Pension under the provisions of G. O. G. No. 290 of 15th September 1857, the period of absence on leave occasioned by wounds or illness contracted by Service in the Field are required to specify the particulars of the Field Service on which the Officer was engaged.

† REGULATION OF 1796.
G. O. G. No. 1113 of 1857.
The Right Honorable the Governor in Council is pleased to publish in General Orders to the Army the following Extracts of a letter received from the Honorable the Court of Directors, under date the 7th of March 1857.
Para. 61st. In regard to the second point mentioned in the Commander-in-Chief's margin, Officers who have served twenty-two years in India (to be computed from the date of their entry into the Staff Corps) and who are to be full pay of their rank—but if after serving that time they come to Europe on leave, they are to be subject to the regulations prescribed in our letter of the 21st of March 1857, relative to Officers wishing to retire, while on Furlough.

† REGULATION OF 1835-7.
G. O. G. No. 13 of 19th January 1835.—The following General Order, by the Honorable the President in Council, under date the 29th December 1837, No. 258, is published for the information of the Army.
G. O. G. No. 258 of 29th December 1837.—The Honorable the President in Council has much pleasure in publishing to the Army, the following Extract (Paragraphs 2 to 5) of a letter from the Honorable the Court of Directors, to the Government of India, No. 5, dated 20th September 1837, announcing the grant of additional advantages to the senior Officers of the Army in respect of Retiring Pensions.

30. No Furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years' aggregate service, three years in twenty-five years' service, and four years in thirty years' service, shall be allowed to count as service for the Retiring Pension; and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or out of India, or whether the leave be on sick certificate or on private affairs.

31.* In the term "Leave of Absence as announced in General Orders" is to be included all leave of absence except the period allowed in Rule 29, and the ordinary indulgence of one month's leave in six months, as authorized by the existing Regulations, and which are in all cases, whether of Regimental or Staff Officers, to be allowed to count as service for the pension. All leave to a greater extent, granted by Political and other authorities, which may not hitherto have been published in General Orders must be so announced hereafter.

32. Officers to be entitled to retire on the full pay of their Regimental rank (under the Regulation, of 1796,†) must have served twenty-two years in India, out of which leaves of absence for two years in the aggregate and not more, will be allowed to count as service for the Retiring Pension.

33. Officers to be entitled to retire on the full pay of Captains and Majors (under the Regulations of 1836-7,‡) must have served twenty years in India, out of which leaves of absence for two years in the aggregate and not more, will be allowed to count as service.

The following Extracts from Military Despatches from the Right Hon'ble the Secretary of State for India, are published.
Despatch dated 30th September 1859, No. 148.

Letter dated 29th June 1859, No. 123.
Submit letter from the Adjutant General forwarding one from Captain J. MacVicar, 41st N. No. 70.—The following Extract from a Despatch from the Secretary of State for India is published for general information and guidance, with reference to retiring pension periods of leave occasioned by Wounds or illness contracted by service in the Field.
"Applications for this boon, should not be submitted in cases where the sickness has not been such as to render the absence of the Officer on sick certificate immediately necessary."

G. O. G. G. No. 103 of 12th February 1861.—Under the authority of the Right Honorable the Secretary of State for India, it is hereby notified that, when Officers who have not volunteered allowed to count as Indian service the difference of time occupied on the voyage round the Cape and that by the Red Sea.
This rule is applicable to the three Presidencies.

36. The scale, for Medical Officers and Veterinary Surgeons, of privileged Furlough, and leave of absence as counting for the Retiring Pension, will be as follows:—

Years.	Months.	
1	8	in 17 and under 20 years' service.
2	0	in 20 " " 25 " "
3	0	in 25 " " 30 " "
4	0	in 30 and upwards.

37. It is to be distinctly understood, that under no circumstances whatever will an Officer be permitted to retire on full pay, until he has completed the full time of service above specified, whether he be in England at the close of his service or elsewhere.

38. The privileged time of absence may, with the permission of the local Government, be taken at any time subject to these Regulations. If therefore, at the end of twenty-years' service, of which eighteen had been passed on actual duty in India, an Officer should be on Furlough, or sick certificate in Europe, or at the other terms of service for the higher pensions. In like manner a Medical Officer on Furlough, or months of which had been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pension.

"Para. 2. In our Letter of the 23d December 1835, we announced to you that as we considered it hopeless to expect that any Military Retiring Fund could be successfully formed, we have thought it right so far as we could feel justified in doing so to provide for the object contemplated in schemes of that nature by an enlargement of the Retiring Regulations, and that we had consequently resolved to grant the full pay of Captain to every Officer who should have served in India 25 years (3 years Furlough included) whether he had attained that rank Regimentally or not, and the full pay of each of the superior ranks of Major, Lieutenant Colonel and Colonel after the completion of an additional period of 5 years service for each of those ranks in succession, viz.

For Major's pay.....	25 years service, including 3 years for a furlough.
For Lieutenant Colonel's pay....	38 do. do. do.
For Colonel's pay.....	58 do. do. do.

3. Being now of opinion that some additional advantage in respect to the periods of retirement may properly be granted to the Senior Officers who would have been more especially the immediate objects of benefit from a Retiring Fund, had such a Fund been established, we have resolved that the period of service, to qualify an Officer for the pay of each advanced rank after that of Captain, shall be reduced from five to four years, the periods of service in India required for each rank being consequently hereafter as follows, viz.

Every Officer who shall have served 23 years (3 years furlough included) shall be allowed to retire on the Pay of a Captain whether he shall have attained that rank Regimentally or not.
Every Officer who shall have served 27 years (3 years furlough included) shall be allowed to retire on the Pay of a Major whether he shall have attained that rank or not.
Every Officer who shall have served 31 years (3 years furlough included) shall be allowed to retire on the Pay of a Lieutenant Colonel whether he shall have attained that rank or not.
Every Officer who shall have served 35 years (3 years furlough included) shall be allowed to retire on the Pay of a Colonel whether he shall have attained that rank or not.

4. These arrangements to have effect without prejudice to any claims arising out of the Retiring Regulations as established in the year 1795.

5. We desire that it may be distinctly understood that the present is a final measure. You will accordingly please to forward to us any application which may have in view a further extension of the Regulations now established with regard to the retirement of our Military Servants.

4. Officers to be entitled to retire as Lieutenant-Colonels must have served twenty-eight years, out of which leaves of absence for three years in the aggregate, and not more, will be allowed to count as service.

35. Officers to be entitled to retire as Colonels, must have served thirty-two years, out of which leaves of absence for four years in the aggregate, and not more, will be allowed to count as service.

39. These Rules do not in any way affect the existing Regulations regarding the grant of leave in India, or for short periods to sea, whether on private affairs or on sick certificate, except as to the periods of such absence being taken into calculation in the time allowed to count as service for retirement on full pay.

Unattached and Warrant Officers.

GENERAL ORDERS BY THE HON'BLE THE PRESIDENT OF THE COUNCIL OF INDIA IN COUNCIL.
Fort William, 6th June 1851.

No. 322 of 1851.—The following paragraph of a Military letter No. 37, from the Honorable the Court of Directors to the Governor of the Presidency of Fort William in Bengal dated 9th April 1851 is published for general information.

Unattached officers are entitled to the benefits of the general retiring regulations counting from the dates of their first promotion to Commissions. To provide for the claims of such of these officers as may, in consequence of the length of their previous service, be compelled to retire at earlier dates than are specified, in those regulations, we have resolved to adopt the following additional scale, viz:

Unattached Ensigns and Lieutenants, compelled by ill health to retire from the service,
If under 5 years service as commissioned officers.....2 s. 6 d. per diem.
If above 5, and under 7 years service in India as commissioned officers.....3 s. per diem.
If above 7, and under 12 years service in India, as ditto.....4 s. per diem.
If above 7, and under 12 years service in India, as commissioned officer, after 20 years total service in India.....5 s. per diem.
If above 12 years service in India as commissioned officer, after 30 years total service in India, with an unqualified right to retire.....6 s. per diem.

Despatch dated 14th April 1862, No. 36.

6. The cases of Warrant Officers, promoted on the Veteran Establishment, who applied to retire from the Service, have, until recently, been specially considered, and in almost, if not in every case, the full pay of the Commissioned Rank has been granted on retirement.

7. When considering an application from an Officer on the Veteran Establishment, now in this country, I observed that, although there were rules for the retirement of Officers holding unattached Commissions (G. O. G. G. No. 322 of 6th June 1851) there were no rules for the retirement of Officers on the Veteran Establishment. I accordingly decided that to entitle an Officer on the Veteran Establishment to retire on the full pay of his Commissioned Rank, he must have served the time which he would have required under the provisions of the retiring Regulations, had he remained in the Warrant grade, to entitle him to the full pay of his former rank in that grade.

G. O. G. G. No. 385 of 6th March 1856.—The Right Hon'ble the Governor General of India in Council is pleased to direct, that the following paragraphs of a Military Letter from the Hon'ble the Court of Directors to the Government of India, No. 2, dated 2d January 1856, be published in General Orders:—

Letter dated 3d September 1855, No. 201.

G. O. G. No. 250 of
15th August 1856.

Letter from Captain Skinner, transferred from the Nizam's Army to an unattached Commission in the Company's Service, requesting information as to the amount of pension he will be entitled to on retirement. The Auditor General's views on the subject recapitulated by Government:

Enquiry as to how the new Furlough Rules are to apply to Captain Skinner, and other unattached Officers.

8. All unattached Officers are entitled to the benefit of the New Furlough Regulations from the date of their first commissions.

G. O. C. C., 27th April 1857, No. 16.—The Commander-in-Chief directs it to be notified that by a recent decision of the Government of India, unattached Officers of the Veteran Establishment are allowed the benefit of the New Furlough Regulations, and these Officers can take leave in India on the same terms as they did prior to the publication of the New Furlough Rules.

G. O. C. C., 29th August 1857, No. 44.—The Provincial Commander-in-Chief directs the publication of the following decisions by the Government of India:

A Warrant Officer on the Veteran Establishment is entitled, without loss of Warrant, to the same absolute allowance as if on leave in India, for the first six months of sick furlough, but thereafter, as well as when on furlough on private affairs he is restricted to the furlough pay of his Commission or of his warrant, whichever may be the superior emolument.

A Warrant Officer holding a Commission on the Veteran Establishment has a footing in the Effective Army in virtue of his Warrant rather than of his Commission and his Warrant being analogous to the Regimental Commission rather than to the Staff appointment of an European Officer, is not forfeited by any furlough which may be granted him, even if it exceed six months on private affairs or 15 months on medical certificate under the New Rules.

G. O. G. G. No. 1559 of 1857.—The following Extract para. 11 of a Military Letter from the Hon'ble the Court of Directors to the Government of India, No. 195, of the 14th October 1857, is published for general information:—

11. Warrant Officers are allowed the same privilege of Furlough as Unattached Ensigns and Lieutenants and as Officers promoted to Commissions on the Veteran Establishment, viz after six years' service as Commissioned or Warrant Officers, and fifteen years' service in India. It is now recommended that, in consequence of slowness of promotion, the time required to be served in the Warrant Grade may be reduced, in order that those who have served twenty years and upwards in India may be thereby rendered eligible for Furlough to Europe. In compliance with your recommendation and that of the above mentioned.

G. O. G. G. No. 777 of 18th May 1858.—The following Extracts of a Military Letter from the Honorable the Court of Directors to the Government of India, No. 71, dated 28d March 1858, are published for general information:—

Letter dated 3d August 1857, No. 207.

G. O. G. No. 214 of 4th June 1858.

4. Question raised by the Madras Government as to the extent to which the Warrants or Staff appointments of Officers having Unattached Commissions or on the Veteran Establishment are affected by the New Furlough Rules decided.

5. The Rule now laid down by the Government of India is that a Warrant Officer allowances as if on leave in India for the 1st six months of Sick Furlough, and thereafter, as well as when absent on private affairs, to the Furlough pay of his Commission or Warrant, whichever may be best for him, and that as the appointment he holds is in virtue of Furlough.

6. This decision appears to be quite correct and has our sanction.

Non-Commissioned Officers.

G. O. G. 15th May 1860.

No. 226 of 1860.—The following Extract of a Military despatch from the Right Honorable the Secretary of State for India, is published in General Orders:—

Despatch dated 7th April 1860, No. 62.

1. "With reference to the General Order in Council of India, No. 2, dated the 6th June last, relative to the grant of Furlough to Europe to well conducted and deserving Non-Commissioned Officers, I have to request that the particular attention of the Commander-in-Chief, may be directed to the opinion of His Majesty's Government on the subject, as expressed in paras. 29 @ 31 of my Despatch* to India, No. 873 dated 30th October last, Copy of which is herewith forwarded for your information and guidance, and to desire that the Furlough granted be strictly limited to the few special cases contemplated in para. 80 of that Despatch.

* G. O. G. No. 518 of 1854.

† G. O. G. No. 531 of 1854.

2. "Her Majesty's Government have established for such cases the following Rules.
"The leave of those men whose state of health may render a change of climate advisable, who are considered deserving of the indulgence, and who may be fit to do duty with Invalids and discharged Men on the voyage from India, is to be limited to a short leave to visit their friends in Europe.

"The Furlough granted under Medical Certificate as absolutely necessary, will expire in England at the period of one year from the date of quitting India.

"Every Man whose state of health has not sufficiently recovered at the period when he is called upon to return, will undergo a Medical Examination as to the probability, within a reasonable period, of his being fit for further duty in India.

"Those Men who may be reported unequal to further service with the Regiment, or Department, to which they belong, will not be permitted to return to duty, but will be dealt with under the Regulations, and in no case will any Man be allowed to return to India with a view to his being placed upon the Invalid Establishment in that Country.

"No period of leave passed by any Man out of India will be allowed to reckon as Service for Pension.

"It is to be distinctly understood that no Man enlisted under the limited Service act be allowed to come to England during his first period of service.

"The only allowance to be paid to Men who obtain leave of absence, will be the rate of pay for the time being for Men of the same rank, in Her Majesty's British Army, and Good Conduct Pay, when in possession of that reward.

3. "With reference to the Extract from a General Order by the Commander-in-Chief at Bombay, dated 30th July last, quoted in the margin, I have to state that, in conceding the grant of Furlough, with a free passage to and from Europe, to deserting Non-Commissioned Officers of Her Majesty's Indian Army whose health requires a change of climate, it is not the intention of Her Majesty's Government that passage at the public expense should also be provided for the wives or families of those Men; but with the view of assisting such married Men as may desire to bring their wives and families with them, you are authorized to grant them an allowance of Twenty pounds (£ 20)."

G. O. G. 17th August 1860, No. 876.—With reference to G. O. G. No. 226, dated 15th May 1860, the Governor in Council directs that the following Form of Furlough Certificate for Non-Commissioned Officers of Her Majesty's Indian Military Forces, approved by the Government of India, be adopted hereafter in this Presidency.

2. With reference to the foregoing, it is hereby notified that the sum of £ (20) twenty is the total amount that will in any case be allowed for both the passage to Europe and the return voyage to India for the families of Non-Commissioned Officers who may be granted Furlough to Europe.

GENERAL ORDERS BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Fort William, the 20th May 1862.

Letter from, No. 297 of 1861, dated 15th November.

Proposal that the Rule granting half Staff allowance during Furlough to Non-Commissioned Officers of the Public Works Department may be considered applicable to Non-Commissioned Officers of all Departments, and further, that the men acting may be granted the full allowances of appointments during the absence of the permanent incumbents.

PUBLIC WORKS CODE, SECTION III.

Persons in the Military Service.

Para. 10.—Non-Commissioned Officers and Soldiers employed in the Public Works Department may be allowed leave of absence, by the Local Government, for any period not exceeding two years, on Medical Certificate, provided that no such leave be granted within two years after return from a previous leave. The Local Government may also grant leave on private affairs for any period not exceeding six months after six years' service, provided the exigencies of the public service admit of it.

Men obtaining leave as above will be allowed half their Staff salaries, together with their Military Pay and Batta, but no travelling allowances.

Their allowances will be drawn by the Executive Engineer of the Division to which they are attached.

Para. 9.—In the cases of Non-Commissioned Officers of the Public Works Department, who may be entitled to half Staff allowance during Furlough, the amount which they are entitled to receive on this account is always to be specified in the last Pay Certificates given to men on their embarkation.

* Furlough to Europe of Non-Commissioned Officers.

1. It has not been the practice hitherto to issue in this country to Non-Commissioned Officers or Soldiers of the Department Public Works, while on furlough to Europe, any portion of their Staff salary, as the Rule in the Code of Regulations of that Department applicable to such men does not recognize the grant which clearly was intended to apply only to leave taken in India, as the allowances of men so absent are to be drawn by the Executive Engineer of the Division to which they are attached.

2. I am desirous that deserving men, not only of the Department of Public Works but of every other Department of the public service, should have the benefit of a liberal interpretation of the Rules which govern the Department in which they are employed, and as under paragraph 9 of the General Order by the Commander-in-Chief,* dated 19th April last, Non-Commissioned Officers of the Department of Public Works will doubtless infer that they are entitled to half Staff salary while on Furlough to Europe, I shall not withhold that indulgence but must restrict the issue in accordance with the Rules which govern the absence of Commissioned Officers to the period of six months and the grant will be extended to all Non-Commissioned Officers and Soldiers of the Public Works as well as every other Department who may obtain Furlough to Europe on Medical Certificate.

3. The allowance to all Departmental Non-Commissioned Officers and Soldiers after that period will be strictly confined to that issued to Regimental Non-Commissioned Officers on Furlough to Europe, viz., the British rate of pay of the rank and arm of the Service to which they belong.

4. The Staff salary of a locum tenens must be restricted during the first six months to the half allowance forfeited by the absentees.

Invalid Establishment.

PORT ST. GEORGE, 10th July 1857.

No. 819 of 1857.—The Right Hon'ble the Governor General of India in Council is pleased, under instructions from the Hon'ble the Court of Directors, to promulgate the following Rules to be observed at the three Presidencies for the transfer to the Invalid Establishment, of Officers who may be declared to be unfit for further service:

1. The Invalid Establishment will consist of

1st—The Invalid Battalion.

For Officers who, although disqualified for further active service, are still equal to the discharge of garrison duties.

2d—The Invalid Pension List.

For Officers disqualified for both active and Garrison duties.

2. Officers who, from age, wounds, or decline of health, become unfit for active service, are eligible for transfer to the Invalid Establishment, provided their conduct and habits are such as not to affect the character of that Institution, which is designed as an honorable retreat to the worn out or disabled, but deserving Officers.

G. O. C. C.
1st June 1858.
No. 59.

The Commander-in-Chief directs it to be notified, that applications from Officers for transfer at their own request to the Invalid Battalion or to the Invalid Pension List, under the provisions of para. 3 of G. O. G. No. 819 of 1857, (republished in G. O. G. No. 210 of 10th July 1857,) are required to be addressed under their signature to the Right Honorable the Governor in Council in the manner prescribed in para. 3, Section XXI, General Regulations of the Army.

3. Officers who may be desirous of being transferred to the Invalid Establishment, will be required to appear before the standing Medical Committee at the Head Quarters of the Division, presided over by the Superintending Surgeon, or in his absence by the Senior Surgeon, furnished with a statement of their case prepared by the Medical Officer by whom they may have been attended. The Committee is to enquire rigidly into each case, and should it be satisfied of the unfitness of the Officer, it is, in recording its opinion, to certify either that the applicant is "permanently disqualified for the performance of further active service but is still equal to the discharge of Garrison duties," or that he is "permanently disqualified for the performance of both active and garrison duties," as the case may be.

4. The applicant, if reported equal to the discharge of garrison duties, will then be required to proceed to the Presidency to be finally examined by a Medical Officer to be specially appointed for the purpose, or by a special Medical Committee, as may from time to time be ordered.

5. After this final examination, the Report on each case, accompanied by the Certificates hereafter specified, is to be forwarded in the usual manner to Army Head Quarters, to be submitted to Government with the opinion of the Commander-in-Chief.

6. In the event of the Commander-in-Chief being led to believe that any Officer's health is so thoroughly lost as to preclude all hope of his being able to perform further active service in India, such Officer shall be directed to appear before the Standing Medical Committee at the Head Quarters of the Division. If the Committee is of opinion that the Officer is permanently disqualified for active Military duties in India, and this opinion is confirmed at the final examination at the Presidency, the Government on receiving a Report on the case, which is to be prepared and submitted as directed in paras. 3 to 5, will place the Officer on the Invalid Establishment, notwithstanding that he may not himself have applied to be transferred from the Effective List. Such transfer will, however, be subject to the approval of the Hon'ble the Court of Directors; and until the receipt of such approval, no promotions will be made in succession to the Officer so placed on the Invalid Establishment.

Promotion of Officers

G. O. G. No. 740 of 20th May 1859.—His Excellency the Governor General in Council is pleased to direct the publication in General Orders of the following Royal Warrant, received with a letter from the Right Honorable the Secretary of State for India, No. 119, of the 7th April 1859, prescribing Rules under which Combatant Officers are to be recommended for promotion in Her Majesty's Indian Military Forces:—

Whereas, we have judged it expedient to revise those parts of Our Royal Warrants of the 6th day of October 1854, and 8d day of November 1854, which regulate the promotion and retirement of Combatant Officers in Our Army and Ordnance Corps, Our will and pleasure is, that from the date of this Our Royal Warrant Our Governor General in Council shall govern himself by these Our rules in recommending Combatant Officers for promotion in Our Indian Military Forces.

PROMOTION.

1. That the rank of Field-Marshal be given without reference to seniority.
2. That there shall be a fixed establishment of General Officers, viz.:—

Generals.....	25
Lieutenant-Generals.....	50
Major-Generals.....	145

3. That Colonels may be appointed, without regard to seniority, to command as Major-Generals, with temporary rank; and if they shall have conducted themselves to our satisfaction, such temporary rank, after having been held for five years in peace, or for any shorter period in war, may, upon the recommendation of Our Governor General in Council, be made permanent. That the temporary rank of General and Lieutenant-General may also be given, whenever the convenience of the Service requires it, and may be made permanent in a similar manner.

4. That every vacancy on the fixed establishment of General Officers shall be filled by the promotion of the Senior Colonel qualified to succeed to the rank of Major General and to be placed on the fixed establishment, under the regulations now in force; or by a supernumerary Major General, as provided in Clause 6.

5. That, in addition to the Colonels promoted by Seniority to be Major-Generals and those promoted after having held temporary rank under the Regulation in Clause 8, Colonels shall be eligible for promotion to the rank of Major-General, and Major-Generals to the rank of Lieutenant-General, and Lieutenant-Generals to the rank of General, for distinguished services in the Field.

In the case of Officers promoted to the rank of General Officers, as a reward for distinguished service in war, the recommendation, in which the service of the Officers shall be detailed, shall be published in the General Orders of Our Indian Military Forces, and in the *London Gazette*.

6. That all Colonels promoted to be Major Generals after five years' employment in responsible commands with the temporary rank of Major General under the provisions in Clause 8, and all Colonels promoted to be Major Generals for distinguished service in the Field, shall be placed on a supernumerary list of Major-Generals, and shall not be reckoned as part of the fixed establishment until the time when they would have attained the rank of Major-General by seniority; that is to say, until the Colonel who originally stood next senior on the Colonels' list to the Officer promoted out of his turn has become a Major-General, after which the next vacancy will be filled by the transfer of the supernumerary Major General to the fixed establishment. The Major Generals who have already been promoted out of their turn, and would not yet have succeeded to that rank by seniority, shall be considered as coming under this rule.

The Supernumerary Major Generals, when absorbed into the fixed establishment, shall preserve the seniority which they acquired when, after a period of qualifying service with temporary rank they were first confirmed as permanent Major Generals on the Supernumerary list, and shall rise by that seniority to be Lieutenant Generals in succession. General Officers promoted for distinguished service in the field will take their seniority from the date of their promotion, as stated in the *London Gazette*.

7. That three separate lists of General Officers be inserted in the Army List of Our Indian Military Forces, the first containing the names of those on the fixed establishment; the second, those who, having been promoted out of their regular turn, are supernumerary to the fixed establishment; and the third, those who have retired from the service with the honorary rank of General Officers.

8. That the rank of Colonel be given to Officers, after serving for five years with the rank of Lieutenant Colonel, in the actual command of Regiments, or for the same period as second Lieutenant Colonels of Regiments, or on the Staff, in the following situations:—viz., Adjutant-General, Quarter-Master General, Deputy Adjutant-General, Deputy Quarter Master General, Secretaries to the Government of India in the Military and Public Works Department, Secretaries in the Military Department to the Governments of Madras and Bombay, to the Chief Commissioner of the Punjab, the Commissioner in Mysore, and the Resident at Hyderabad; Judge Advocate General, Commissary General, Deputy Commissary General, Inspector General of Ordnance, Superintendent of the Ordnance Manufacturing Department, Chief Engineer, Superintending Engineer, Surveyor-General of India, subject always to the approval of the Governor in Council and Commander-in-Chief of the Presidency to which the Officer belongs.

9. That Regimental Majors, who are Brevet Lieutenant-Colonels, falling into the Command of Regiments in the absence of the Lieutenant-Colonel, shall on attaining the rank of Regimental Lieutenant-Colonel, reckon the period commencing from the completion of the first month of such temporary command, of part of the five years required to qualify for the rank of Colonel.

10. That the rank of Colonel be given to Officers who obtain the rank of Brevet Lieutenant-Colonel for services in the Field, after eight years of actual service with that rank.

11. That in cases where a Regiment may be so divided as to constitute two distinct commands, and one portion may be under the command of the Regimental Major, who is also a Brevet Lieutenant-Colonel, and in cases where a Brevet Lieutenant-Colonel may be in command of a mixed force of different Corps, a discretionary power shall be vested in our Commander-in-Chief in India, subject to the approval of Our Governor General of India in Council, to allow such service, or portions of such service, to count as part of the qualifying period for promotion to the rank of Colonel.

12. That Lieutenant-Colonels appointed to Civil Situations under Government on or after the date of this Our Royal Warrant shall be promoted to the rank of Colonel after eight years' service in the former rank, provided the nature of the Civil appointment be considered by our Governor General of India in Council and Commander-in-Chief in India calculated to give the Officer such practical experience as may afterwards prove advantageous to the Corps or Service to which he belongs.

13. That Field Officers, commissioned as such before the 20th June 1854, be allowed to rise by Brevet from the rank of Lieutenant Colonel to that of Colonel, otherwise than by five or eight years' service in the former rank, as provided in Clause 8, or as a reward for distinguished service, or by appointment to be Queen's Aide-de-Camp—except under the special provisions in Clauses 9, 10, 11 and 12.

14. Lieutenant-Colonels, who held that rank prior to the 20th of June 1854, shall be promoted by a special Brevet to the rank of Colonel,--commissions to bear date the 28th November 1854; and such of the said Lieutenant-Colonels as have been passed over by Officers who have attained the rank of Colonel, in conformity with the provisions of Our Royal Warrants of the 6th October and 3d November 1854, shall be restored to the respective places which they would have occupied as Colonels, had they been promoted in ordinary succession under the system of periodical Brevets.

15. That promotions shall be made from Captain to Major, and from Major to Lieutenant-Colonel, in succession, as vacancies occur in the Major-General's fixed establishment.

16. That any Captain, Major, or Lieutenant-Colonel may be rewarded by Brevet promotion for distinguished services in the Field.

17. That the commands of General Officers, and other situations on the Staff both at home and abroad, shall not be held for more than five years, unless by re-appointment under special circumstances.

Given at Our Court at Windsor, this thirty-first day of January 1859, in the Twenty-second Year of Our Reign.

STANLEY.

G. O. G. No. 168 of 17th Apr. 1860.
G. O. G. No. 358 of 30th March 1860.—The Honorable the President in Council is pleased to direct the publication of the following Military Letter from the Right Honorable the Secretary of State for India, No. 53, of the 14th ultimo, and of the revised Royal Warrant therein referred to:—

MILITARY.
No. 53.

INDIA OFFICE, London, 14th February 1860.

TO HIS EXCELLENCY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.
MY LORD,—Your Military Letter No. 76, dated 11th June 1859, forwarding Memorials from certain Members of the Medical Service, and an appeal from the head of the Medical Department in Bengal against the provisions of the Royal Warrant of 1st February 1859, has received my attentive consideration.

2. In compliance with your urgent request, I have undertaken the revision of the Royal Warrant above referred to, the promulgation of which in India has been deferred by your Government pending the present reference; but the subject required very careful consideration, and involved correspondence with other Departments of Her Majesty's Government, and hence a considerable delay has unavoidably occurred in replying to your letter.

3. I have now, however, the gratification to announce to you that Her Majesty, being desirous, as far as possible, to assimilate the designations and ranks in all branches of the Military Medical Service, has been pleased to issue a fresh Warrant, equalizing in all respects the rank of the Medical Officers of the Indian Armies with that fixed for the British Medical Service in the Royal Warrant of 1st October 1858.

4. The grades of Assistant Surgeon, Surgeon Major, Deputy Inspector General and Inspector General are now on precisely the same footing as to designation and relative rank in both Services.

5. But the designation of the Officers now styled "Directors General of the Medical Department" in each of the three Presidencies is changed to "Principal Inspectors General," and the Officers holding these appointments will, in accordance with the practice in British Service, take Army rank as Inspectors General, according to their standing in that rank.

6. The retention of the designation now held by these Officers is strongly advocated in your Despatch, but after mature consideration, Her Majesty's Government have decided, that it is inexpedient to continue the same title which designates the Officer selected to control the whole Medical Department of the British Army in all parts of the World.

7. Before entering on the discussion of the other subjects of complaint brought forward by the Medical Officers of the Indian Service, I must observe that the object of the Royal Warrant of the 1st February 1859 was not to regulate the pay or retiring allowances of the Medical Department, but to fix the rank and precedence relatively to those of the British Army. This object has now been attained, in a manner which will, I trust, be satisfactory to the Indian Medical Service, to every grade of which it has secured additional relative rank.

As I proceed to notice in detail the subjects brought forward in the letter addressed to you by Dr. Beaton, the Principal Inspector General of Bengal:—

1st. It is observed that your Government have offered no recommendation on the various subjects connected with promotion, effective allowances, furlough pay, and retiring pension, brought forward in the Memorials. The consideration of these subjects is deferred for the present, but will be taken up in connection with the question of the re-organization of the Army.

His propositions were—
1st. "That the Medical Officers of Her Majesty's Indian Forces may be placed, in point of all advantages of relative rank, furlough pay and retiring allowances, and in all other respects, upon a perfect equality with those of Her Majesty's British Forces serving in India."

2ndly. "That the Director General of the Medical Department and the Inspector General of Hospitals may retain their present designations; that the Director General shall rank as Major General for appointment; that the Inspector General shall rank as Colonel; that the Superintending Surgeon shall receive the designation of Deputy Inspector General, ranking on appointment with Lieutenant Colonel and with the Deputy Inspector General of Her Majesty's British Army after five years' service in India in this rank as Colonel."

3rdly. "That in cases of distinguished service, Assistant Surgeons may be promoted to the substantive rank of Surgeon, as in Her Majesty's British Army, without reference to seniority."

4th. In accordance with the sanction conveyed in Lord Stanley's Despatch No. 189, dated 1st June 1859, (paragraphs 18 and 19,) the two years of Medical practice in the rank of Surgeon, qualifying for promotion to a higher grade, may be performed either in the Civil or Military branch of the Service.

5th. "That Medical Officers now in the Service may be at liberty to retire, either upon the existing rates of pension, or upon those laid down in the Warrant of 1st October 1858, for the Medical Officers of Her Majesty's British Army."

6th. On this subject I would refer to my remarks under the first head.

9. 150 Copies of the revised Warrant* are transmitted to your Government by the present Mail.

* Dated 13th January 1860.

VICTORIA R.

Whereas, we have taken into Our consideration the recommendation of the Commissioners appointed by Our authority to inquire into the Regulations affecting the sanitary condition of Our Military Forces and the Medical treatment of the sick and wounded of Our Army; Our will and Pleasure is, that from and after the date of this Warrant, the following Rules shall be established for the future admission, promotion, and relative rank and allowances of the Medical Officers of Our Indian Military Forces, and that by these rules Our Governor-General in Council, and the Governors in Council of Madras and Bombay respectively, shall be governed.

With reference to General Order by His Excellency the Governor General of India, No. 10A, dated 26th December 1860, the following paragraphs of a Military Letter from the Right Hon'ble the Secretary of State for India, No. 386, dated 30th September 1861, are published for general information:—

Para. 1. I have received and considered in Council the 11th paragraph of your Military Letter No. 81 of the 22nd May, submitting the application of Surgeon Beaton, M.D., that certain leave of absence may be allowed to count towards the period qualifying for promotion, and certain other leave as service for pension.

2. Dr. Beaton took leave to Europe in March 1856, and elected to go under the old Furlough Rules, with a view of securing a three years' residence in Europe, which he thought might be rendered necessary by a protracted treatment of his case.

3. The leave is, under the operation of the Rule laid down in my Despatch No. 397 of 31st October 1860, deducted from the service qualifying for promotion to the rank of Surgeon-Major.

4. Upon a re-consideration of the subject, I observe that the Rule thus laid down bears unequally upon the Officers according as they may be under the old or new Furlough Rules, and I have resolved, therefore, that Medical Officers, under whatever Furlough Rules they may be placed, shall be allowed to count, towards promotion to the rank of Surgeon-Major, two years of their Furlough in Europe (in addition to all leave in India).

5. The Rule is to take retrospective effect from the date of receipt in India my Despatch No. 397 of 31st October 1860.

6. Dr. Beaton's request to be allowed to count as service for pension his leave to Simla, taken in 1846 and 1847, cannot be complied with.

GENERAL ORDER BY HIS EXCELLENCY THE GOVERNOR
GENERAL OF INDIA.

Camp Mungooa, the 26th December 1860.

No. 10 A.—The following Extracts from a Military Letter from the Right Honorable the Secretary of State for India No. 897 of the 31st October 1860, respecting the application of the Royal Warrant for the Medical Department of the Indian Army, dated 18th January 1860, are published for general information.

8. For the reasons stated in the 4th and 5th Paras. of your Despatch, Her Majesty's Government consent to relax the rule in Clause 3, requiring two years Regimental duty as Asst. Surgeon to qualify for promotion to the rank of Surgeons in favor of Asst. Surgeons now near their promotion who, having been employed on Civil or other duties, have not completed the requisite service. They desire that this rule be carefully observed in future and that the rule in Clause 3 of the Royal Warrant be observed strictly in the case of all Asst. Surgeons whose turn for promotion under the old rule may come after two years from the date of publication of this decision in Calcutta.

Extract Paras. 4 and 5 of Letter No. 174, dated 17th July 1860.
"It is pointed out by the Principal Inspector General Medical Department that there are many Assistant Surgeons whose promotion is close at hand, who have been serving in Extra Regimental posts which have heretofore been considered equivalent to Regimental service, but who will not come under the provisions of Clause 3 if it be literally acted on and that there are others who from the exigencies of the service, have been employed at Civil Stations without having performed the prescribed Military duty, who are in like manner ineligible for promotion."

"In favor of these Mr. Forsyth advocates an exception; and we beg to recommend that the Assistant Surgeons so situated may, notwithstanding their disqualification, be allowed the promotion, but that the rule in the Royal Warrant be enforced strictly in the case of all Assistant Surgeons whose tenure for promotion may be arrived at in periods beyond two years from the date of publication of the decision of Her Majesty's Government on this reference."

Letter dated 3d April 1862, No. 104.
31. I concur in the opinion expressed by your Government that Assistant Surgeons are entitled to reckon as service qualifying for promotion the periods during which they may do duty in the Indian Navy or may hold Medical charge of an Irregular Force, but that service with a Police Corps should not count in like manner.

G. O. G. No. 497 of 4th June 1861.—The following paragraphs of a Military Letter from the Right Honorable the Secretary of State for India, No. 172 of the 24th April 1861, are published for general information:—

1. I have received and considered in Council your Excellency's separate Despatches, Nos. 3, and 4, dated 21st January 1861, regarding the application to the Indian Medical Department of certain Clauses of the Royal Warrant of the 13th January 1860.

2. In my Despatch No. 326, dated 22nd August 1860, with reference to the objections which had been made to the 8th Clause of the Warrant under which all Medical Officers below the rank of Deputy Inspector-General will be placed on the Retired List when they shall have obtained the age of 55 years, I expressed my willingness to consider any plan that your Government might suggest for reconciling the efficiency of the Public service (which must be the primary object) with a consideration of the claims of the Medical Department.

3. The plan which appears to your Excellency best suited to protect the Public interests and the claims, at the same time, of Medical Officers is that of relaxing the rule embodied in the 8th Clause of the Warrant, in cases where superior Medical Authorities certify the perfect competency and fitness of the Medical Officer, who has completed the age of 55 years without having obtained the rank of Deputy Inspector-General.

4. I am willing to assent to the adoption of this plan in regard to the Medical Officers who entered the Service prior to the promulgation of the Royal Warrant, provided that the perfect competency and fitness of the Medical Officers be, in all cases, certified by a Board consisting of two Medical Officers, one

8. With a view to maintain the efficiency of the Service, all Medical Officers of the rank of Surgeon Major Surgeon, or Assistant Surgeon, shall be placed on the Retired List when they shall have attained the age of 55 years, and all Inspectors General and Deputy Inspectors General when they shall have attained the age of 65 years.

9. The relative rank of the Medical Officers of our Indian Military Forces shall be as follows:—

Staff or Regimental Assistant Surgeon as a Lieutenant, according to the date of his Commission and after six years' service in India as Captain according to the date of the completion of such service.

Staff or Regimental Surgeon as Major, according to the date of his Commission; and Surgeon Major as Lieutenant Colonel, but junior of that rank.

Deputy Inspector General as Lieutenant

of whom must be an Inspector-General or Deputy Inspector-General, and the Commanding Officer, or Senior Civil Officer, under whom the Medical Officer may have been serving.

5. The Certificate of efficiency granted by such a Board may hold good for three years, but in no case will a Medical Officer under the rank of Deputy Inspector-General be permitted to remain on the Effective List after he shall have attained the age of 60 years.

G. O. G. No. 497
of 4th June 1861.

6. A Medical Officer who may be unable to obtain the Certificate of competency above referred to will be placed on the Retired List, receiving, as recommended by Government, the rate of Pension next above that to which his period of service in India may entitle him, provided that he be not already entitled to retire on the higher rate, viz., £700 a year.

7. A similar course may be pursued with respect to Medical Officers employed on unprofessional duties on their attaining the age of 55 years.

8. Your General Order of the 26th December, giving effect to the instructions conveyed in my Despatch No. 397 of the 31st October 1860, regulating the amount of leave of absence allowed to reckon as service towards the qualification for the rank of Surgeon-Major, is approved.

9. With reference to the modification of the Pension Rules of the Medical Service, suggested by Doctor Forsyth, I have to inform you that the whole question of the re-organization of the Indian Medical Service is now under consideration, and that the determination of Her Majesty's Government thereon will be communicated to you hereafter.

10. Such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds [except as regards the Presidency of Courts martial, where Our Will and Pleasure is, that the senior combatant Officer be always President], and shall regulate the choice of quarters, forage, and prize-money. But manding, though he be junior in rank to such Medical Officer is entitled to a preference in the choice of quarters.

11. Medical Officers shall be entitled to all the allowances granted to Our Indian Military Forces on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

12. Their families shall, in like manner, be entitled to all the allowances granted, under existing regulations, to the families of combatant Officers holding the same relative ranks.

13. Medical Officers shall be held entitled to the same honors as the other Officers of Our Army of equal relative rank.*

14. A Medical Officer, retiring after a service in India of twenty-five years and upwards, may, if recommended for the same by the Head of his Department, receive a step of honorary rank, but without any consequent increase of Pay.

15. Six of the most meritorious Medical Officers of the Army shall be named Honorary Physicians, and six My Honorary Surgeons.

Given at Our Court at Windsor, this Thirteenth day of January 1860, in the Twenty third year of Our Reign.

By Her Majesty's Command,
CHARLES WOOD.

The following General Orders by His Excellency the Governor General of India in Council are republished:—

GENERAL ORDERS BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Fort William, the 19th August 1861.

No. 723 of 1861.—The following paragraphs of a Military letter from the Right Hon'ble the Secretary of State for India, No. 278 of the 8th July 1861, are published for general information:—

"1. Since the date of my Despatch* No. 233, I have received a communication from the Secretary of State for War, enclosing a letter from the Principal Veterinary Surgeon, Woolwich, who, with reference to the doubt expressed in your Military letter No. 41, dated 2nd April last, as to the practicability of examining Veterinary Surgeons in India, in order to test their fitness for promotion, expresses an opinion that it is very desirable that if the Royal Warrant of 1st July 1859 be adopted, it should be fully carried out, and states that no difficulty was encountered in doing so, in the cases of the 2d and 6th Dragoon Guards, both in India, the examinations being written and carried on confidentially between the Officer in Command of the Regiment and himself.

"2. Lord Herbert concurs in the opinion that no sufficient ground has been shewn for a modification of Clause 3 of the Warrant requiring Veterinary Surgeons to be examined as applied to India.

"3. Under the new organization of the Army in India, there will henceforth be no Regimental employment for Veterinary Surgeons of the Local Service, but those now in the service may be promoted under the Royal Warrant of 1st July 1859, their examinations being conducted by means of written questions prepared by the Principal Veterinary Surgeon in this country, in the mode above described.

"4. In carrying out this arrangement, a list of the Veterinary Surgeons, who have served the required periods for promotion, should be sent Home from time to time, in order that the examination questions may be prepared and transmitted to India."

This cancels the decision communicated in letter from the Right Hon'ble the Secretary of State for India, dated 7th June last, published in Government General Order No. *625, of the 15th July 1861.

* Madras G. O. G. 30th July 1861, No. 250.

the good of the service renders such alteration necessary, it shall be competent for Our Secretary for War to shorten the several periods of Service abovementioned in such manner as he shall deem fit and expedient.

6. Promotion from one rank to another shall not necessarily be given by seniority, but by selection for professional ability and meritorious conduct.

15. The relative rank of the Veterinary Officers of Our Army shall be as follows:—
Veterinary Surgeon on appointment, as Subaltern.
Veterinary Surgeon of the First Class on promotion, as Captain.
Staff Veterinary Surgeon on promotion, as Major, but junior of that rank.

16. Such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds (except as regards the Presidency of Courts Martial, and of all Military Courts, Committees, and Boards of Inquiry, where Our will and pleasure is that the Senior combatant Officer be always President and except further any Military command whatever), and shall regulate the choice of quarters, rates of lodging money, field allowances, forage, servants, fuel and light, or allowances in their stead, detention, and prize money. But when a Veterinary Officer is serving with a Regiment, Corps, or Detachment, the Officer Commanding, though he be junior in rank to such Veterinary Officer, shall be entitled to a preference in the choice of quarters.

17. Veterinary Officers shall be entitled to all the allowances granted—on account of wounds and injuries received in action, as combatant officers holding the same relative ranks.

18. Their families shall, in like manner, be entitled to all the allowances granted—to the families of combatant Officers holding the same relative ranks.

19. Veterinary Officers shall be held entitled to the same honours as other Officers of Our Army of equal relative rank. This does not, however, extend to the compliments to be paid by Garrison or Regimental Guards, as laid down in the Regulations of Our Army.

3. No Veterinary Surgeon shall be eligible for promotion until he shall have passed such examination as Our Principal Secretary of State for War may require, and shall have served on full pay, with the Commission of Veterinary Surgeon, for 5 years.

4. A Veterinary Surgeon of the First Class must have served fifteen years in the Army, with the Commission on full pay, before he will be eligible for promotion to the rank of Staff Veterinary Surgeon.

UNIVERSAL LIFE ASSURANCE SOCIETY.

ESTABLISHED IN 1834.

Empowered by Special Act of Parliament.

Invested Capital exceeds £730,000, a large proportion of which is held by the Indian Branch.

Head Office, No. 1, King William Street, E. C. London.

MADRAS BRANCH.

Directors.

BENJAMIN CARDOZO, Esq.
REV. ALFRED R. SYMONDS,

ROBERT WRIGHT NORFOR, Esq.
REV. GEORGE HALL & J. MILLER, Esq.

Surgeon.

H. W. PORTEOUS, Esq.

THE UNIVERSAL was the first Assurance Society that secured to Residents in India fixed rates and the advantages enjoyed by those in Great Britain.

Separate Tables of the Civil and Military Services were originally framed with the utmost care from the records of the India House, and valuable Statistical Returns accessible to this Society alone. To test their adaptation to the present time and to ascertain whether any reduction could be safely made, they have recently undergone a minute and laborious investigation by two eminent London Actuaries, whose report has established their soundness and accuracy.

After the operations of a quarter of a century, the Directors invite with great confidence the attention of the public to the marked success which has attended this Society and to the strong claims it possesses to the confidence and support of all classes desirous of effecting Assurances on lives combining the advantages of a Mutual and a Proprietary Company, and without attempting a rash competition with other Offices, it has pursued a steady progressive course, affording all the benefits which consistently with security to Assurers and Assured can possibly be given.

Notwithstanding the extraordinary Mortality occasioned by the late Mutiny, the success of the Society's operations enabled the Directors to announce a reduction in the premiums on all participating Policies, of 40 per cent. at the annual valuation in May 1860, and of 45 per cent. at the annual valuations in May 1861 and the present year.

Assurances can be effected with or without a Participation of Profits on ascending or descending scales: or for a limited number of Payments.

The following Table shows the rates of Premium for whole Life Policies entitled to participate in Profits, and the return to be allowed on Premium on Policies taken out previous to Annual Meeting in May 1857.

RETIRING PROVISIONS COMBINED WITH LIFE ASSURANCE.

THE closing of the "MILITARY FUND" renders it necessary for Military Officers to make some other provision for the support of their surviving families; and one of the best arrangements for this purpose, will be found in the adoption of either of the following Tables, A or B, which have been specially calculated for the use of this Institution, and which will enable them to effect their object (at an early period of life) with little more expense than that of an ordinary Life Assurance.

These Tables present the means of effecting Assurances, which are payable either to the Holder of the Policy on his attaining 55 or 60 years of age, or to his representatives at his death if happening previously. Thus the Holder of a Policy may, upon the same becoming payable in his life time, either invest the sum assured in a Government Annuity, for the benefit of himself or for any member or members of his family, or otherwise dispose of it if he thinks proper.

The payment of a **fixed sum**, instead of an **annuity**, is considered by the Company the safest and the best mode of assurance, as it leaves the holder entirely at liberty to select that mode of provision for himself or for his family which he may consider most advantageous.

Similar Assurances may be effected at lower Rates of Premium on the lives of CIVIL SERVANTS and others not exposed to Military Risks.

EXTRACTS FROM REPORT FOR 1861.

FIRE BRANCH.

IN THE FIRE DEPARTMENT of this Company the amount of increase of ANNUAL REVENUE is again surprisingly large, exceeding indeed the average of the preceding five years, although the accumulated advance of that period reached the hitherto UNPRECEDENTED SUM OF

£132,917.

THE FIRE PREMIUMS OF THE YEAR 1861

AMOUNT IN FACT TO

£292,402. 19s. 11d.

BEING AN INCREASE IN THAT SINGLE YEAR ALONE OF £29,425.

THE TOTAL INCREASE OF THE LAST SIX YEARS

IS THUS SHOWN TO BE UPWARDS OF

£160,000.

an advance of Revenue probably without parallel in magnitude within so short a period, excepting where two or more Companies have occasionally amalgamated their respective businesses into one.

The remarkable increase of the Company's business in the United Kingdom, as marked by the unerring test of the Parliamentary Returns of duty, has more than once been noticed in these Reports as showing incontestibly that no Insurance Office has even distantly approached the ratio of advance which has been accorded by the confidence of the public to this Company.

The Return which has been ordered by the House of Commons to be printed once again places the ROYAL INSURANCE OFFICE far in advance of all other Companies in the additions made to its business for another year.

OAKES AND CO., AGENTS, MADRAS.

LIFE BRANCH.

The most prominent feature to notice in this Branch is, without doubt, the rapidity with which it has arrived at a point of magnitude in its new Business which places it on a level with the largest and most successful Companies in this Country.

ITS SUMS ASSURED ON NEW POLICIES FOR THE YEAR AMOUNTS TO

£521,101 17s.

exceeding by upwards of £70,000 the Sum Assured for the year 1860, although this last-named year had produced the largest results which the Company had hitherto experienced.

It adds greatly to the importance of the statement now made to announce that the sum assured referred to has been obtained after the most careful investigation of the eligibility of each Life for Assurance. No clearer evidence of this assertion could be afforded than the mere statement of the fact that no less than 222 Lives have been rejected as ineligible during the same year, the total sum proposed for assurance thereon showing an aggregate of £104,970. The entire amount, therefore, actually offered for assurance in the year considerably exceeded £800,000.

After debiting every claim, and paying every expense incurred on this Branch during the year, it is found that the Balance shows an increase to the Life Fund of £81,107 9s., an amount equal to more than 70 per cent. of the Premiums received for the period.

What has now been recorded fully justifies the assertion that, taking Fire and Life Business together, no Company can shew a success, almost simultaneously arrived at in both Departments, even approaching in extent to that of the ROYAL INSURANCE COMPANY.

The Directors feel, therefore, that they cannot more appropriately close this Report than by stating to the Proprietors, that a full review of the prospects of the Company leads them to believe, that the high position which it has reached will be fully and effectually maintained.

1,000 Yards Book-binders' Calico.

And proportionate quantities of other Goods usually considered as "General Stationery," as also of Books and cheap Music, are also periodically shipped to **J. D. H.**'s address.

The above Goods are **positively ordered**, are **duly arriving**, and **must be as positively and duly sold**, spite of all the competition that can exist. In calculating the above quantities, **J. D. H.** has merely taken as his guide, the entire transactions of the Madras Market. He believes that as **Wholesale Importer of his own Goods in his own exclusive Line of Business**, he can profitably direct his attention to its advancement and thorough development, by noting, and studiously providing for, the recurring wants of his Customers.

Respecting his Prices, it may be presumed that he would scarcely import so extensively if they would not bear comparison with others in the Market. Private Importers will do well to ascertain how far they may profit by his arrangements.

A large Stock of Goods is constantly on hand; but a saving to Buyers may be effected giving in their Orders **for transmission to England on their own account**, just of buying from the Stock on hand.

J. D. H. takes the present opportunity offered by this Publication of bringing the foregoing announcement to the notice, as he hopes, among others, of many Dealers and Agents at Out-Stations, who may with advantage communicate with him. They would find Goods—as Stationery, Cheap Books, &c., with which he can supply them, to be both saleable and profitable.

A Catalogue of 62 pages 8vo.,—of Books, Music, and Stationery with Retail Prices all is available to the Public generally.

8, Broadway (next door to Messrs. Oakes and Co.)

J. D. H. hopes to have, early in the year, his arrangements completed for the supplying also of PRINTING PRESSES, TYPES, &c.
