APPENDIX.

(COMPILED IN THE ADJUTANT GENERAL'S OFFICE.)

Old Retiring Regulations.

- The rules under which the period of service required to entitle Officers to the retiring Regulations is calculated are as follow:
- Officers appointed direct, count service from the date of arrival within the limits of the Madras Presidency—unless specially authorized by the Court of Directors to embark in a Ship bound for another Presidency.
- Officers appointed from Addiscombe subsequently to the 22nd November 1837 to the Cavalry, Artillery, or Infantry, count service as above, with the addition of the period passed at Addiscombe after attaining the age of sixteen.

G. O. G. 11th June 1850.
No. 120.

G. O. G. 10th June 1852.
No. 33.

- Officers of Engineers count service from the date of arrival of the first Artillery or Infantry Cadet of the same examination, with the addition of the Addiscombe period as above. In the event of there being no such Artillery or Infantry Cadet they count service from the expiration of 4½ months from date of examination.
- Officers appointed in India, count service from the date on which they take the oath of allegiance.

- Medical Officers and Veterinary Surgeons count service from the date of arrival within the limits of the Madras Presidency.

G. O. G. G. No. 1073 of 26th November 1861.—The following paragraphs of a Military Letter from the Right Honorable the Secretary of State for India, No. 388, dated 8th October 1861, are published for general information:—

1.—“I have received and considered in Council your Despatch No. 158, dated 8th August, respecting the amount of leave on furlough or private affairs which Officers under the old Furlough Rules are permitted to count as service for Pension, such leave being beyond the limits of their own Presidency.”

2.—“I concur in the opinion given by you that, in the case of Regiments serving beyond the limits of their own Presidency, Officers should not incur a forfeiture of service to the extent of all leave on private affairs in excess of three months, except taken in their own Presidency, and I approve of your so far modifying the present Rule as to permit all leave taken by Officers of any Presidency in any other Presidency in which they may be serving to count as service towards pension in the same manner as leave taken within the limits of the Presidency to which they belong. The modification of the former Rule will only affect Officers placed under the old Furlough Rules.”

- But all Officers quitting India on leave of absence on account of sickness or of private affairs, who shall proceed to Europe without having returned to India, shall be considered as on furlough to Europe from the dates on which they shall have respectively left India.

G. O. G. G. No. 1329 of 23d September 1859.—The following paragraph of a Military letter from the Right Honorable the Secretary of State for India, No. 282, of the 4th August 1859, is published for general information:—

In reference to the question raised by the Government of Bombay, it has been decided that Lieutenant Colonels of Artillery and Engineers, under the new organization requiring after twenty-two years' service under the Regulations of 1796 and Section XXXII of the new Furlough Regulations shall be entitled to retiring Pension of the rank corresponding with the pay which they are entitled to draw at the date of retirement: thus a Lieutenant Colonel retiring while in receipt of Major's pay will be restricted to the retiring Pension of a Major.

G. O. G. 11th Octo-ber 1852, No. 98. Submit for decision a question raised by the Government of Bombay, whether all Lieut. Colonels of Arty. and Engineers under the new organization, are entitled to the Pension of their rank after twenty-five years' service, twenty-two of which have been passed in India.

G. O. G. No. 188 of 18th April 1853. With reference to Government General Order No. 193, dated 5th October 1836, His Excellency the Governor General in Council is pleased to direct, that the following Military Letter from the Right Honorable the Secretary of State for India, No. 58, dated 18th February 1853, be published in General Orders:—

- Absence on sick certificate within the limits of India for periods not exceeding two years, successively, as also leave on private affairs beyond the limits of this Presidency, if for periods not exceeding three successive months, are counted in the time of service requisite to entitle to retiring Pay.

- Every Officer who has completed twenty-two years service in India is allowed to retire with the pay of the rank to which he has attained.

- All Effective Officers, without reference to their actual rank, are allowed to retire.

After twenty years' service in India, on the pay of Captains.

After twenty-four years' service in India, on the pay of Majors.

After twenty-eight years' service in India, on the pay of Lieutenant Colonels.

And after thirty-two years' service in India, on the pay of Colonels.

Military, No. 58.
To His EXCELLENCY THE RIGHT HONORABLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Great difficulty having been experienced in dealing with claims advanced by Officers of short periods of service to retire on half pay, under the clause of the Retiring Regulations established by the late Court of Directors of the East India Company, by their Despatch to the Governor General of India, dated 11th May 1836, No. 3, as quoted in the margin, I have resolved, with the concurrence of the Council of India, to recommend to Her Majesty the substitution of the following modified Rule, which Her Majesty has been pleased to sanction—

Officers on producing the prescribed Medical Certificate, countersigned by the Commanding Officer, that they are compelled to quit the service by wounds received in action, or by ill-health contracted on active service, or Detachment or out-post, or any Military duty in notoriously unhealthy localities, after three years' service in India, are permitted to retire on the half pay of their Rank.

I have, &c.,
 INDIA OFFICE, London, 16th February 1859. (Signed) STANLEY.

12. Officers who may be compelled to quit India on sick certificate and who may not be entitled to retire on full pay are to try the effects of a temperate climate for the usual term of furlough before they can be allowed to establish their claim to retire from the service upon half pay. If Officers so circumstanced, proceed to New South Wales, or some other Colony, and apply thence, at a proper time, for permission to retire, satisfactory evidence from the Medical Staff Officer, or other undoubted Medical testimony on the spot, to prove that the applicant is incapable from ill health to the performance of Military duty in India is necessary.

13. Members of the Medical Board actually in the service, on the 16th July 1842, and appointed to the Board at any time within ten years from that date, have, provided they have completed twenty years' service in India (including three years furlough) the option of retiring upon pensions either according to the general scale (para. 14) for length of service in India established on the above date or upon the following scale:

After serving in the Medical Board of not less than	Two years.....	Per annum.....
	Five years.....	£500.....
		£700.....

and in cases of certified sickness, rendering immediate return to Europe necessary, are permitted to retire in India or Europe, at any period after becoming Members of the Board on the first of those pensions, or at any time after the completion of three years' service in the Board on the second.

G. O. G. 31st July 1857, No. 964.
 1. By existing Regulations, a Medical Officer holding the appointment of Member of the Medical Board, is required absolutely to retire from the Service after he has served five years in that appointment. Hereafter, a Medical Officer who has passed a tour of duty in the highest appointments will, if he is still fit for the Service, be permitted to return to the performance of other Medical duties, until he shall have completed thirty-five years' service, and so be enabled to qualify for the highest rate of Retiring Pension.

15. Superintending Surgeons actually in the service on the 16th July 1842, and appointed to the office of Superintending Surgeon at any time within ten years from that date, have, provided they have completed twenty years' service in India (including three years furlough) the option of retiring upon pensions either according to the general scale (para. 14) for length of service in India established on the above date or upon the following scale:

After service, as Superintending Surgeon, of not less than	Two years.....	Per annum.....
	Five years.....	£900.....
		£865.....

and in cases of certified sickness, rendering immediate return to Europe necessary, are permitted to retire in India or Europe, at any period after becoming Superintending Surgeons on the first of those pensions, or at any time after the completion of three years' service as Superintending Surgeon on the second.

16. Members of the Medical Board and Superintending Surgeons compelled by sickness to return to Europe will be permitted to retire from the service upon their respective pensions of £900 and £865 at any period anterior to two years' service as required by paragraphs 13 and 15, and if after having served three years then upon the full pension of £700 and £500.

17. All other Surgeons and Assistant Surgeons attached to the Army are permitted to retire from the Service on the pay of their rank on the completion of seventeen years' service in India.

11. Officers who may be compelled to quit the service by wounds received in action or by ill-health contracted on duty, after three years' service in India, will be permitted to retire on the half pay of their rank, on the production of the usual certificates that their health will not permit them to serve in India. This indulgence, however, can be granted only in England, by the Court of Directors.

The following Extract from a Military Letter from the Right Honorable the Secretary of State for India, is published:

Letter dated 30th March 1851, No. 54.

I have had under my consideration in Council, the Regulation of the year 1801, under which Officers of H. M.'s Indian Army, who retire in this country, can only claim the benefit of the rank held by them at the expiration of one year from the date of their leaving in the United Kingdom, and being of opinion that the rule in question is not applicable to present circumstances, have resolved, that, in future, Officers retiring in this country, shall be allowed, during a period of two years and a half from their quitting India, when on authorized furlough, the benefit of the Regimental Rank they may have respectively attained, up to the date of their retirement.

No. 993 of 1859. Under instructions from the Right Honorable the Secretary of State for India, the following is substituted for Government General Order No. 106, of the 14th May 1836:

Officers retiring in England from the Service shall be considered to have retired from the date of their application for leave to retire, or from the expiration of two years and a half from the date of the commencement of their furlough, whichever shall first happen.

Promotions in succession to casualties, by death in England, shall have effect from the date of decease, or from the expiration of three years' absence from India, whichever shall first happen.

Vide Madras G. O. G. 13th May 1836, No. 105.

22. Applications from Officers to retire from the service in India, are to be addressed to the Right Honorable the Governor in Council under the signature of the parties and to specify the date, which must be a prospective one, from which the applicant wishes his retirement to have effect; and from the date so specified they, in the event of the decision of Government on their case not having been previously received, will, pending such decision, be exempted from the performance of all Military duty. Each application to be transmitted through the ordered channel of correspondence accompanied by a certificate of service from the Adjutant General, and certificate of no demands from the Accountant General.

23. The pay accounts of Officers serving in the Tanasserim Provinces, Straits Settlements, &c. applying for permission to retire are to be kept separate; and Officers so situated are not to sign the Abstract of their Troop or Company, but will not on that account be deprived of Command allowance.

24. In the cases contemplated in the preceding para., Officers Commanding Stations will send all Abstracts of previous charges to Madras for audit at the same time the individual's application to retire is forwarded.

25. The rates of Full Pension and Half Pay allowed to all Officers, whether of Cavalry, Artillery, Engineers, or Infantry, are as under:

Para. 8. We have to state in reply to your enquiry, that an Officer proceeding on leave to England for six months, retaining his appointment or otherwise, is not to be considered as having taken his authorized Furlough after ten or twenty years, as the case may be, but may, with your permission, be allowed at any time to take the remainder of the two years authorized Furlough on private affairs.

With reference to paras. 6 and 7. The Right Honorable the Governor General of India in Council is pleased to notify that the Honorable the Court of Directors, in their letter No. 56, of the 25th April 1856, have communicated the following decisions regarding the New Furlough Rules, published in Government General Order, No. 1186, dated the 17th Nov. 1854:

Referring to Rule 6, 1.—Officers who take their first Furlough after twenty years' service in India, may take their second Furlough after an additional service of five years from the date of their last return to duty.

Referring to Rule 7.—Absence for six months, under this Rule does not preclude an Officer from taking his Furlough to Europe after ten years' service.

3. An Officer of upwards of 20 years' service, but who before completing that period has enjoyed a furlough on private affairs to Europe for say four years, for 3 of which he drew pay, has a claim to a second furlough of one year with pay, on the completion of his years from the date of his return to duty—but, if subsequent to his return from furlough, he has taken leave on full pay, or S. C. his second furlough on private affairs will not be considered as an extension of his years' service from the date of return to duty from furlough on private affairs.

4. All grants of Furlough on private affairs are subject to the exigencies of the Public Service, and to the Regulations framed for the preservation of the efficiency of each Regiment by limiting the number of absentees.

G. O. G. 15th Nov. 1856, No. 92.

N. R.—This Rule is not applicable to an Officer who takes his first Furlough out of India after completing 20 years' service, and para. 1 of this Rule.

With reference to para. 8. Officers who have proceeded on sick leave to Europe after a period of 20 years' service, it being the first time of their quitting India, can, as in the case of Officers who take their furlough after the same period, take a furlough on private affairs after 5 years from the date of their return to duty.

9. I have to inform you that it has been decided that those Officers who have come to this Country on duty with discharged Troops, and have been granted extensions, (not exceeding six months) of their privilege leave on medical certificate, or on private affairs, shall not be considered to have violated their claim to Furlough at the end of ten years' service, though they may not have been six years in India since their return from this country.

Para. 4. I have to inform you that it has been decided that those Officers who have been allowed to count their leave on sick certificate, as service for pension, will be ineligible to a furlough on private affairs, until they have served six years in India from the date of their return to duty.

G. O. G. 28th March 1861, No. 116.

4. A number of Recruits having been enlisted for the Royal Artillery, for service in India, it has been deemed expedient that a certain proportion of Officers of the Bengal, Madras, and Bombay Artillery should be appointed to do duty with them at the Royal Artillery Depot at Woolwich, until the next season of embarkation, and that some of these Officers should then proceed with the drafts to India.

These Officers will be entitled to count the time passed at Woolwich as service in India, and if they proceed with Recruits, the period occupied by the voyage. The Officers returning with Recruits will be allowed to count the period passed by them on duty at Woolwich, and on the voyage, as part of the qualifying period necessary for them to serve in India before they are again entitled to a furlough to Europe.

G. O. G. 12th July 1861, No. 232.

No. 565 of 1861.—His Excellency the Governor General in Council is pleased to resolve that absence from India, on authorized leave within the periods allowed by the new Furlough Regulations, shall not debar an Officer whose efficiency has been proved and certified to the full satisfaction of the Governor in Council from Departmental promotion, temporary or permanent.

In such cases the absent Officer will not, till he resumes charge of his duties, have any claim to the salary of the higher office, which will be drawn by the Acting Officer.

No. 874 of 1861.—The following paragraphs of a Military letter from the Right Hon'ble the Secretary of State for India, No. 804, dated 2nd August 1861, are published for general information:—

G. O. G. 15th Oct. 1861, No. 360.

1. Your letter dated 3rd June last forwards an application from Lieutenant D. MacIntyre, 2nd in Command Sirmoor Battalion, that the leave of absence for six months granted him to visit Europe on private affairs may be extended to eighteen months on the same account, with retention of his appointment under the 93rd paragraph of your General Order, dated 10th April last.

2. The privilege of retaining appointments during periods of absence not exceeding twenty months, as announced in my Despatch, dated 18th January last, applies only to Officers returning to this country on Medical Certificate. It was intended as an extension of the privilege of fifteen months' leave allowed by the new Furlough Regulations to Staff Officers quitting India on account of the state of their health. With this exception Officers of the Staff Corps, it was stated, would be under the new Furlough Regulations. By these Regulations, Furlough on private affairs with retention of staff appointment is restricted to six months.

3. The Furlough on private affairs of the Officers of the Staff Corps, with the right of retaining appointments, is to be limited to the same period.

4. The application of Lieutenant MacIntyre cannot therefore be complied with.

No. 17A. of 1863.—The following copy of a Military Despatch from the Right Hon'ble the Secretary of State for India, No. 61 of the 9th February 1863, is published for general information:—

MILITARY.
No. 61.

To His EXCELLENCY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.
MY LORD.—Your letter No. 44, dated 3d November 1862, in which you bring to notice questions which have arisen with regard to the Furlough Rules of 1854, so far as they relate to the right of Officers to retain their Staff appointments during absence in Europe, in certain cases, has been under my consideration in Council.

Officers holding Staff or other detached appointments may be allowed Furlough for a period of six months without losing their appointments; but during that period, they will not be entitled to any portion of their Staff Salary, which will be drawn in full by the Officers officiating for them.

G. O. G. 14th April 1863, No. 121.

2. It appears to me that the interpretation put by your Government on the portion of the Furlough Rules referred to is proper, and that it should accordingly be laid down as a rule for the guidance of the respective Governments.

That an Officer must have served ten years in India to entitle him to return to this country on private affairs for six months, retaining his appointment and drawing Furlough pay.

That an Officer who has taken the Furlough to Europe for two years, after ten years' service, must show a service in India from date of return of ten years, to entitle him to return to Europe on private affairs for six months, retaining his appointment and drawing Furlough pay.

That an Officer having taken shorter leaves of absence as a Staff Officer (six months on private affairs, fifteen or twenty months on sick certificate) with retention of appointment may take a second leave of absence, retaining his appointment on sick certificate after he has been three years, or on private affairs, after he has been six years in the discharge of the duties of his appointment, from the date of last return to it.

3. I am of opinion, however, that this decision should not be allowed to interfere with the practice which has been followed under the Regulations of 1854, and those in force previously, for permitting Officers in certain cases of emergency to return to this country on private affairs for short periods without pay, and that a Staff Corps Officer permitted to return to Europe under such circumstances should be allowed to hold his appointment for a period not exceeding six months. In fact, this has already been authorized in Question and Answer No. 121, which states that the Government may grant leave of absence for six months on urgent private affairs without pay, and allowance to a Staff Corps Officer, with retention of appointment, on being satisfied of the urgency of the case.

4. I am of opinion also that Staff Officers not Members of the Staff Corps should be allowed a similar indulgence under like circumstances.

Allowances, for six months, and with the privilege of returning to their Offices, if their absence from India be not prolonged beyond fifteen months, is bestowed by the Honorable Court, in order to enable such Officers to regain their health, and in the expectation, that they will be thereby qualified to render additional service to the Government. But if leave of absence be taken merely to run out a prescribed period of service, and without any intention of returning to duty, the principle on which the rule is founded is infringed, and the indulgence of the Honorable Court is abused; wherefore the Right Honorable the Governor General in Council hereby notifies for general information, that, if there be an avowed intention on the part of an Officer not to return to duty, or if the Government have valid grounds for concluding that the Officer has no intention of returning to duty, the indulgence of leave on sick certificate, retaining Office, will not be granted in future.

The full period of three months' absence may, however, count as service for Pension, but if an extension of leave be applied for by a Military Officer, who has taken privilege leave under the Civil Rules, it must be subject to the Military Rules in regard to reduction of salary after the first two months' absence.

G. O. G. G. No. 91 of 26th January 1860.—The following Notifications, from the Foreign Department, are published in General Orders:—

No. 260, Fort William, the 23rd January 1860.—Notification.—The following Regulations, passed by the Hon'ble the President in Council, in the Financial Department, under the 5th instant, is published for general information:

RESOLUTION.—The Officiating Civil Auditor, Fort William, enquire, with advantage to the case of Major Bourville, Political Agent at Bassein, whether, in the case of a Military Officer entering upon Civil employ, his score for privilege leave under the Civil Rules

Para 4. The Leaves of absence enjoyed by the foregoing paras may be enjoyed by an Officer during the one and same period of 6 months above specified, without any loss of allowances; provided that in every case the Officer rejoins at the expiration of the particular leave obtained that it to say that an Officer cannot be absent at one time for more than 3 days on Regimental, 10 days on Station or 30 days on division leave. But it is to be clearly understood that no consolidated salary, command, Staff or contract allowance, shall in any instance, be drawn for two Officers for the same period, and that the State be not put to any additional expense thereby; and in the case of Staff and Medical Officers and Veterinary Surgeons, that they make approved arrangements for the performance of their duties during their absence.

Para 5. The fact of an Officer having very recently returned to his post from general leave does not debar him from the privilege of obtaining leave under Paras. 3 and 4.

Para 6. An Officer unavoidably overstaying the leave granted him under paras 3 and 4 will not be liable to forfeiture of Command or Staff allowances, except for the actual period in excess of the leave granted him by either of the above authorities. But it is always competent for the superior Station or Divisional authority to grant extension of such leave, on sufficient cause being shown to avoid even this forfeiture. For instance an Officer unavoidably overstaying Regimental leave may have it converted into Station or Division leave, and in like manner Station leave can be changed into Division leave provided always the prescribed aggregate extent of leave which the different authorities are respectively permitted to grant is in no case exceeded. When an Officer, under the above circumstances, exceeds the 60 days allowed in each half year, he will rest with the Commander-in-Chief to grant him an extension of leave to prevent forfeiture of pay; and allowances for the period, he may have overstayed his original leave.

Para 7. As stated in paragraph 3 of my Despatch in this Department, dated the 21st April 1866, No. 33, you had rightly decided that the admission of Military Officers holding Civil appointments, to "the indulgence of three months' continuous service," had reference only to the period for which leave might be granted, and not to the allowances of the absence. This rule must be adhered to.

3. The full period of three months' absence may, however, count as service for Pension, but if an extension of leave be applied for by a Military Officer, who has taken privilege leave under the Civil Rules, it must be subject to the Military Rules in regard to reduction of salary after the first two months' absence.

must commence from the date of joining his Civil appointment, or whether it must be calculated by the usual reckoning as 12, 24, or 36 months of uninterrupted service, irrespective of the Department (Civil or Military) in which such service may have been rendered.

2. Referring to this question, the President in Council observes that, when it was laid down that two or three months' accumulated privilege leave could be granted, under the Civil Rules, to Military Officers in Civil employ, it was intended that such leave should be earned by continuous service of the required number of months in the Civil Department alone.

The following Extract of a letter from the Officiating Secretary to the Government of India, Military Department, to the Secretary to Government Military Department, Fort St. George, dated 3rd April 1860, No. 62, is published.

"With reference to your Letter No. 616, dated the 10th February last, I am directed to state for the information of the Honorable the Governor in Council, that His Excellency the Governor General is of opinion that the Military Secretariat to Government is certainly a Civil Department and that the Military Secretaryship to the Governor or to the Governor General, is as certainly a Military appointment. Accordingly the Civil Rules for privilege leave are alone applicable to the former, and the Military Rules exclusively to the latter."

The Governor in Council is pleased to authorize the Principal Inspector General, Medical Department, to grant privilege leave to Medical Officers in Civil employ at the Presidency, the same being notified in every case in the Official Gazette. Leave to Medical Officers in Military employ will, however, continue to be granted as heretofore.

The Governor in Council directs that the following rule, contained in G. O. by His Excellency the Commander-in-Chief in India dated Simla, 12th July 1859, be extended to this Presidency.

Leave of absence, preparatory to furlough, whether on private affairs or on sick certificate, must always be general, and not privilege leave.

With reference to G. O. G. No. 53, dated 3d February 1860, the Governor in Council directs that, in future, in accordance with the practice in Bengal, leave of absence preparatory to retiring from the service shall always be general, and not privilege leave.

The following Extracts from a Military letter from the Government of India, No. 330, dated 23rd November 1861, are published for general information:—

"Though an Officer taking privilege leave may proceed wherever he may desire, he cannot proceed to such a distance as must preclude the possibility of his rejoining within the period of such leave. Thus as privilege leave, under Military rules, is limited to 60 days, and it is impossible under existing arrangements for transit, to visit Europe and return thence within that period, an Officer cannot go to England on privilege leave on Military rules."

Government alone can grant an Officer leave to visit Europe."

Para 6.—Should an Officer on leave under Paras. 3 and 4 be put on duty by the Commander-in-Chief at a station at a distance from his own, on a date which, with reference to such distance, would admit of his rejoining, by any mode of travelling within the period of his leave, he will be entitled to compensation for loss of allowances for the period of his detention beyond the expiration of his leave, but if put on duty at a time and place from which he could not with reference to distance rejoin within the period of his leave by any mode of travelling, he will not be entitled to compensation for any period of absence from his Regiment.

Para 7.—The above rules are applicable to Divisions and Forces, both within and beyond the Frontier. By order of His Excellency the Commander-in-Chief.

Adjutant General of the Army.

With the view of adapting the Regulations to the present increased facilities of communication, and to correct, as far as possible, any tendency in them, to deter Officers from resorting to the places which may be most conducive to the restoration of their health, when a change of climate is required for that purpose, the following Rules are established, and are to have effect from the 1st February 1854:—

G. O. G. C. 19th May 1854, No. 34, is cancelled and (as required by para. 1, G. O. G. 5th December 1854, No. 286.) Regimental Officers who were in the Service on the 1st February 1854, wishing to abide by the Old Furlough regulations, must signify their wish, on the first occasion of applying for leave, whether on private affairs or on medical certificate, and whether within or out of India.

In the event of an Officer applying for leave omitting to signify his wish as above, he will be considered as having accepted the new Regulations of 1854.

1. All Regimental Officers in the Service on the 1st February 1854 who prefer retaining what may be considered the advantages of the Old Regulations, may do so, provided, they signify their wish to that effect when they

Para 13. The privilege of two consecutive Months' indulgence leave originally granted to Military Officers on Staff employ in the Peshawar Valley, on account of the distance of the District from the Presidency or any Sanitarium has been extended, for the same reason to the Trans-Indus Territories: we do not however think it advisable that this privilege should be allowed to any Military Officer in Civil employ who while holding Civil appointments must abide by the regulations of the Civil Service in this respect.

New Furlough Regulations.

Fort St. George, 5th December 1854.

288 of 1854.—The following General Order by the Most Noble the Governor General of India in Council, is republished for the information of the Army.

GENERAL ORDER BY THE MOST NOBLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Fort William, 17th November 1854.

No. 1160 of 1854.—The Hon'ble the Court of Directors having transmitted to the Government of India further explanatory instructions regarding the Furlough Regulations published in Government General Order, No. 110 of the 1st of February 1854, the Most Noble the Governor General in Council is pleased to cancel that General Order, and to promulgate in a connected form the Rules which have been laid down by the Hon'ble Court for regulating Furloughs and Leaves of Absence.

With the view of adapting the Regulations to the present increased facilities of communication, and to correct, as far as possible, any tendency in them, to deter Officers from resorting to the places which may be most conducive to the restoration of their health, when a change of climate is required for that purpose, the following Rules are established, and are to have effect from the 1st February 1854:—

G. O. G. C. 19th May

1854, No. 34, is cancelled and (as required by para. 1, G. O. G. 5th December 1854, No. 288.) Regimental Officers who were in the Service on the 1st February 1854, wishing to abide by the Old Furlough regulations must signify their wish on the first occasion of applying for leave either on private affairs or on medical certificate, and whether within or out of India.

In the event of an Officer applying for leave, omitting to signify his wish as above, he will be considered as having made election of the Furlough regulations of 1854.

1. All Regimental Officers in the Service on the 1st February 1854 who prefer retaining what may be considered the advantages of the Old Regulations, may do so, provided they signify their wish to that effect when they

The following Orders by the Lieutenant-Governor, North Western Provinces, are republished in General Orders.

Extract from a letter from the Honorable the Court of Directors, to the Government of India, No. 171, dated 15th October 1855.

Letter dated 4th April 1855, No. 129.

2. Government have decided that Staff Officers returning from leave beyond Sea, under the New Furlough Rules, are entitled to half Staff salary from the date of their return to India, and that the acting incumbents revert to half Staff Allowances from the same date.

Under those rules an Officer who had ceased, prior to his return, to be entitled to Staff Allowances, could not draw any portion of them from an earlier date than that of his resumption of his Staff duties. We think it undesirable to make any change in this respect.

39. In the same (55th) paragraph of your Despatch, you express an opinion that the boon of twenty months' leave on Sick Certificate, with retention of appointment, granted to Officers of the Staff Corps, may be extended to all Officers of the other branches of the Service. I have much pleasure in acceding to this recommendation, and I authorize you to give it effect immediately in the three Presidencies. I have no objection to extending this boon to Officers now on Furlough in all cases in which you may think it desirable to recommend it.

14. An Officer's claim to half Staff Salary for six months, as sanctioned in the preceding Rule, will not be affected by his subsequently retiring from the service in Europe or elsewhere.

15. No portion of Command Allowance, Medical Staff Salary or other similar allowance, which under the Old Rules was inadmissible to Officers absent from their Corps or Stations at the Cape or elsewhere, will be allowed to absent Officers under these Regulations.

16. All Officers, whether Staff or Regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian Pay and Allowances as was allowed under the Old Regulations to Officers proceeding to the Cape on medical certificate, and for the remaining period of their leave they will receive Furlough pay only.

17. If the leave on sick certificate be extended, Furlough pay will be continued but under no circumstances for a longer period than three years altogether from the commencement of the absence.

18. The term Staff Officer applies to all Officers holding Staff or Detached appointments; Military (General or Regimental), Political or Civil, also to General Officers commanding Divisions, Members of the Medical Board, Superintending Surgeons, and others who, under the Old Rules, were entitled to draw half Staff allowance when absent at the Cape.

With reference to para. 19. The following paragraph of a Military Letter from the Honorable the Court of Directors to the Government of India, No. 84, dated 27th June 1855, is published for general information:—

Letter dated 5th April 1855, No. 82.

7. Staff Officers applying for leave in India are not required, by the New Furlough Rules, to vacate their Staff appointments. We therefore approve and confirm the view you have taken of this question.

With reference to para. 19. The Commander-in-Chief directs it to be notified that under a decision of the Government of India, the new Furlough regulations are held not to affect the rules heretofore in force with respect to leave in India, and that consequently a Staff Officer obtaining leave of absence in India on private affairs for six months, or on medical certificate for two years, retains during such absence a moiety of his Staff salary as sanctioned by the regulations for the grant of leave in India which are still in force.

2. A Staff, as well as a Regimental Officer is required, when first applying for leave, whether in or out of India, to declare by which of the Furlough regulations he wishes to abide. A Staff Officer having made this declaration can take all leave in India as above stated, and should he afterwards require to proceed

his appointment; and,

the first six

months only of such

absence, he will be en-

titled to draw half the

Staff Salary of his ap-

pointment, the Officer

ing the remaining half

salary during the first six

months, and the whole

salary during the remain-

der of the time.

to England, the retention or otherwise of his appointment will depend upon which of the rules he first elected, and from which he cannot afterwards change.

3. In the event of a Staff Officer electing the new furlough regulations, and taking leave in India, the whole of the leave he has previously enjoyed from the date of his entering the Service, excepting the periods allowed by those rules to reckon as service, must be reckoned against his period of service for retirement.

The following Extracts from a Military Despatch from the Honorable the Court of Directors, are published.

privilege of fifteen months' absence on medical certificate must necessarily be abandoned.

29. You will have seen by our letters of the dates noted in the margin that we have declined to sanction the retention of Staff appointments beyond the term of 15 months recommended on the ground of continued sickness. The Regulations state that such retention of Office can be only sanctioned on "special grounds," to be reported to us and subject to our approbation.

No. 151 of 1855.—The Governor in Council directs the publication of the following Extract from a letter from the Secretary to the Government of India, Military Department, dated 30th March 1855, No. 1416, in reply to an application for the services of certain Officers on Staff and de-

"I am directed to acquaint you, for the information of the Right Honorable the Governor in Council, that it has not been the practice to place Officers who exceed the authorized period of absence, during which they retain their Staff situation, at the disposal of the Commander in Chief, or of the Government of the Presidency to which they belong."

"An Officer exceeding the period of authorized leave, has, I am to add, no Staff employ, unless re-appointed, and he reverts to his Regimental duties."

No. 213 of 1855.—With reference to G. O. G. 20th July 1855, No. 275, the following dispatch from the Right Honorable the Secretary of State for India is published.

Letter dated 21st April 1855, No. 58.

Having considered in Council your dispatch, No. 25, dated 11th February 1855, soliciting instructions as to what may be admitted as special grounds for permitting a Staff Officer, absent on medical certificate, to retain his appointment for any period beyond 15 months, I have to express the desire of Her Majesty's Government that this indulgence should be very rarely granted, and only in cases where it is important on public grounds to retain an Officer's services in a particular appointment, or where the distinguished services of an Officer may entitle him to special consideration.

The Right Hon'ble the Governor-General of India in Council is pleased, with the concurrence of the Right Hon'ble the Secretary of State for India, to modify to the following extent such of the new Furlough Regulations as are applicable to General Officers on the Staff.

The concession of leave to Europe in the case of a General Officer is to be considered the exception and not the Rule; and, as ground for obtaining such leave, it must be shown that the Officer has contracted illness from the effects of climate, or of wounds received on service in India, or that the nature of the Private Affairs taking him from India is of a very urgent nature.

Leave on Medical Certificate will be restricted to six months, and on Private Affairs to four months, the penalty of exceeding such period being the vacation of the Command, and in no case will a General Officer be allowed more than one grant of leave out of India during his tour on the Staff.

The position of Brigadiers being considered analogous to that of General Officers on the Staff, the principle upon which the indulgence of leave is to be granted will hereafter be the same in both cases.

GENERAL ORDERS BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA IN COUNCIL, Fort William, the 2d February 1863.

No. 89 of 1863.—The following paragraph of a Military Letter from the Right Hon'ble the Secretary of State for India, No. 459, dated 16th December last, is published for general information:—

Para. 12.—In future when Officers holding Staff appointments are granted leave of absence on Sick Certificate for any term short of twenty months, I shall extend their leave to that period, on their producing the required certificate, with the retention of their appointments, without requiring them to apply to your Government on the subject.

20. The privilege of retaining Staff appointments during leave of absence on sick certificate, or on Furlough on private affairs, will not be available a second time, if the fresh leave is on sick certificate, until an Officer has been three years, or if on private affairs, until he has been six years in the discharge of the duties of his appointment, from the date of last return to it.

With reference to para. 21. His Excellency the Commander-in-Chief directs it to be published in General Orders for the information of the Government of India that the Government of India has fixed three (3) months as the maximum period which is to be understood by the terms "short leave" and "leave for brief periods," used in rules 7 and 21 of the New Furlough Regulations.

21. This Rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs in India, or for brief periods to Ceylon, the Mauritius, or other places out of India.

With reference to para. 1. His Excellency, the Commander-in-Chief is pleased to direct that in all future applications for leave by Commissioned Officers whether on private affairs or medical certificate, a N. B. to the following effect shall be inserted at the foot of the application.

N. B.—“This being the first occasion of applying for leave since the publication of G. O. C. C. 35th December 1854, No. 28, Captain A. B. makes choice of the Old Furlough regulations,” or (of the regulations of 1854,) as the case may be.

Or
N. B.—“Captain A. B. has on a prior occasion made election of the old furlough regulations,” or the regulations of 1854 as the case may be.

With reference to paras. 1 and 2. as well as Regimental, M. C. No. 2702, 20th Oct. 1856, must declare their choice of rules on the first occasion of taking leave, whether the leave be in India or elsewhere, and, if the leave applied for be in India under the local rules, Staff Officers may make choice of the Old Regulations, still retaining their Staff Appointments, but, after having elected the Old Regulations, they vacate their appointments on embarking for Europe or the Cape or elsewhere beyond Sea, except for short periods not exceeding three months under rule 39.

G. O. C. C.
18th Nov. 1856,
No. 92.

1. All Officers, Staff as well as Regimental, must declare their choice of rules on the first occasion of taking leave, whether the leave be in India or elsewhere, and, if the leave applied for be in India under the local rules, Staff Officers may make choice of the Old Regulations, still retaining their Staff Appointments, but, after having elected the Old Regulations, they vacate their appointments on embarking for Europe or the Cape or elsewhere beyond Sea, except for short periods not exceeding three months under rule 39.

2. An Officer having made election of the Old Furlough Regulations while doing Regimental duty, cannot change to the Regulations of 1854 on subsequently obtaining a Staff Appointment.

The following letter from the Government of India, dated 23d April 1860, No. 952, and the enclosure therein referred to, are published for general information.

I am directed to transmit to you, for the information of the Honorable the Governor in Council, the annexed copy of a letter from the Adjutant General of the Army, No. 298 A, dated 6th instant, drawing attention to Military Officers in Civil employ occasionally obtaining leave of absence from the Civil authorities, without declaring the Regulations under which the leave is taken, and stating that the Commander-in-Chief is of opinion that all Officers in Civil, or Military employ, should be put on the same footing in respect to leave, whether in or out of India.

No. 234.

From Lieutenant-Colonel W. MAYHEW, Adjutant General of the Army, to the Officiating Secretary to Government of India, Military Department,—(No. 298 A, dated Camp Kurreelee, the 6th April 1860.)

Sir,—I am directed by the Commander-in-Chief to request you will be good enough to draw the attention of the Government to the fact that Military Officers, in Civil employ, occasionally obtain leave of absence from the Civil authorities, without declaring the Regulations under which the leave is taken, whereas those in Military employ are without exception obliged, on the first occasion of taking leave, to elect either the Old or the New Rules.

2. The Commander-in-Chief is of opinion that all Officers in Civil or Military employ should be put on the same footing in respect to leave, whether in or out of India.

The following Notifications from the *Calcutta Gazette*, are published in General Orders:—

(Signed) F. D. ATKINSON, Major, Offg. Secy. to the Govt. of India.

Ordered, that the letter from the Adjutant General of the Army to the Officiating Secretary to Government in the Military Department, No. 298 A, dated 6th April 1860, (a copy of which has been forwarded to this Department, with the Report from the Military Department, dated 19th January 1861, and the Resolution, dated 19th January 1861, be published in the *Calcutta Gazette* for general information and guidance in supercession of the orders noted in the margin.

next apply for Furlough or leave of absence, without any limitation whether such leave be in India or elsewhere; and Officers who once make their election will not be entitled to any other choice, but will be afterwards subject to the New or Old Regulations according to their decisions.

2. Staff Officers, as such, have not the above option allowed them, but they may retain the advantages of the Old Regulations by giving up their appointments, which, in such cases will be considered vacated from the date of embarkation.

The following Extracts from Military Despatches from the Right Honorable the Secretary of State for India, are published:—

Despatch dated 9th October 1860, No. 154.

Para. 17. “In reply to the inquiry contained in this letter, I have to inform you that the period passed by a Gentleman Cadet at the Royal Indian Military College, Addiscombe, after attaining the age of sixteen years, should be allowed to reckon as Service for retirement on full pay only, and give no claim to anticipate the period fixed for furlough to Europe.”

With reference to para. 8. The Right Honorable the Governor General of India in Council directs that the following paragraph of a Military Letter from the Honorable the Court of Directors to the Government of India, No. 8, dated 23d January 1856, be published in General Orders.

Para. 8. We have to state in reply to your enquiry, that an Officer proceeding on leave to England for six months, retaining his appointment or otherwise, is not to be considered as having taken his authorized Furlough after ten or twenty years, as the case may be, but may, with your permission, be allowed at any time to take the remainder of the two years authorized Furlough on private affairs.

Government forward correspondence relative to certain questions connected with the new Furlough Regulations and request to be informed as to claims of an Officer to the residue of his Furlough on private affairs when he has been already absent on leave to England on private affairs for six months.

With reference to paras. 6 and 7. The Right Honorable the Governor General of India in Council is pleased to notify that the Honorable the Court of Directors, in their letter No. 56, of the 25th April 1856, have communicated the following decisions regarding the New Furlough Rules, published in Government General Order, No. 1180, dated the 17th Nov. 1854:—

Referring to Rule 1.—Officers who take their first Furlough after twenty years' service in India, may take their second furlough after an additional service of five years from the date of their last return to duty.

Referring to Rule 2.—Absence for six months under this Rule does not preclude an Officer from taking his Furlough to Europe after ten years' service.

3. An Officer of upwards of 30 years' service, but who before completing that period has enjoyed a furlough on private affairs to Europe, for say four years, for 3 of which he drew pay, has a claim to a second furlough of one year with pay, on the completion of 10 years from the date of his return to duty—but, if subsequently to his return from furlough, he has taken leave out of India on S. C. his second furlough on private affairs will not be commuted till the expiration of six years from return to duty—Officers such as these, as well as 10 years from the date of return to duty from furlough on private affairs.

at the expiration of ten years'

service, and for a second period

of two years after twenty

years' service in India.

7. * The second Furlough of

two years will only be granted

after ten years' service in

India, from the date of the

return to duty after the first

Furlough of two years. These

Furloughs are not to be cumulative,

under any circumstances, but are limited to

two years. Officers who have

taken leave of absence on

sick certificate to Europe or

elsewhere beyond sea, will

be ineligible to a Furlough

on private affairs until they

have served six years from

their last return to duty.

This rule does not apply to

short leave to sea.

8. All grants of Furlough on

private affairs are subject to

the exigencies of the Public

Service, and to the Regulations

framed for the preservation

of the efficiency of each

Regiment, by limiting the

number of absentees.

* Vide margin of rule 21.

G. O. C. C. 18th Nov. 1856, No. 92.

N. B.—This Rule is not applicable to an Officer who takes his first Furlough out of India after completing 30 years' service; vide para. 4 of this order.

With reference to para. 6. M. C. No. 2702, 26th Oct. 1856. Officers who have proceeded on sick leave to Europe after a period of 20 years' service, it being the first time of their quitting India, can, as in the case of Officers who take their furlough after the same period, take a furlough on private affairs after 5 years from the date of their return to duty.

9. Officers holding Staff or other detached appointments may be allowed Furlough for a period of six months without losing their appointments; but during that period, they will not be entitled to any portion of their Staff Salary, which will be drawn in full by the Officers officiating for them.

The following Extract of a Military Despatch from the Right Honorable the Secretary of State for India, is published:—

Despatch dated 24th April 1860, No. 73.

G. O. G. 26th May 1860, No. 246.

9. I have to inform you that it has been decided that those Officers who have come to this Country on duty with discharged Troops, and have been granted extensions, (not exceeding six months) of their privilege leave on medical certificate, or on private affairs, shall not be considered to have vitiated their claim to Furlough at the end of ten years' service, though they may not have been six years in India since their return from this country.

The following Extract from a Military Despatch from the Right Honorable the Secretary of State for India, is published in General Orders:—

Despatch dated 25th May 1860, No. 87.

G. O. G. 26th June 1860, No. 290.

Para. 4. I have to inform you that it has been decided that those Officers who have been allowed to count their leave on sick certificate, as service for pension, will be ineligible to a furlough on private affairs, until they have served six years in India from the date of their return to duty.

4. A number of Recruits having been enlisted for the Royal Artillery, for service in India, it has been deemed expedient that a certain proportion of Officers of the Bengal, Madras, and Bombay Artillery should be appointed to do duty with them at the Royal Artillery Depot at Woolwich, until the next season of embarkation, and that some of these Officers should then proceed with the drafts to India.

G. O. G. 28th March 1861, No. 115.

These Officers will be entitled to count the time passed at Woolwich as service in India, and if they proceed with Recruits, the period occupied by the voyage. The Officers returning with Recruits will be allowed to count the period passed by them on duty at Woolwich, and on the voyage, as part of the qualifying period necessary for them to serve in India before they are again entitled to a furlough to Europe.

No. 565 of 1861.—His Excellency the Governor General in Council is pleased to resolve that absence from India, on authorized leave within the periods allowed by the new Furlough Regulations, shall not debar an Officer whose efficiency has been proved and certified to the full satisfaction of the Governor in Council from Departmental promotion, temporary or permanent.

G. O. G. 12th July 1861, No. 232.

In such cases the absent Officer will not, till he resumes charge of his duties, have any claim to the salary of the higher office, which will be drawn by the Acting Officer.

No. 874 of 1861.—The following paragraphs of a Military letter from the Right Hon'ble the Secretary of State for India, No. 304, dated 2nd August 1861, are published for general information:—

G. O. G. No. 360. 15th Oct. 1861.

1. Your letter dated 3rd June last forwards an application from Lieutenant D. MacIntyre, 2nd in Command Sirmoor Battalion, that the leave of absence for six months granted him to visit Europe on private affairs may be extended to eighteen months on the same account, with retention of his appointment under the 93rd paragraph of your General Order, dated 10th April last.

2. The privilege of retaining appointments during periods of absence not exceeding twenty months, as announced in my Despatch, dated 18th January last, applies only to Officers returning to this country on Medical Certificate. It was intended as an extension of the privilege of fifteen months' leave allowed by the new Furlough Regulations to Staff Officers quitting India on account of the state of their health. With this exception Officers of the Staff Corps, it was stated, would be under the new Furlough Regulations. By these Regulations, Furlough on private affairs with retention of staff appointment is restricted to six months.

3. The Furlough on private affairs of the Officers of the Staff Corps, with the right of retaining appointments, is to be limited to the same period.

4. The application of Lieutenant MacIntyre cannot therefore be complied with.

No. 17A. of 1863.—The following copy of a Military Despatch from the Right Hon'ble the Secretary of State for India, No. 61 of the 9th February 1863, is published for general information:—

MILITARY. No. 61.

TO HIS EXCELLENCY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL. MY LORD.—Your letter No. 414, dated 3d November 1862, in which you bring to notice questions which have arisen with regard to the Furlough Rules of 1854, so far as the relate to the right of Officers to retain their Staff appointments during absence in Europe in certain cases, has been under my consideration in Council.

2. It appears to me that the interpretation put by your Government on the portion of the Furlough Rules referred to is proper, and that it should accordingly be laid down as a rule for the guidance of the respective Governments.

That an Officer must have served ten years in India to entitle him to return to this country on private affairs for six months, retaining his appointment and drawing Furlough pay.

That an Officer who has taken the Furlough to Europe for two years, after ten years' service, must show a service in India from date of return of ten years, to entitle him to return to Europe on private affairs for six months, retaining his appointment and drawing Furlough pay.

That an Officer having taken shorter leaves of absence as a Staff Officer (six months on private affairs, fifteen or twenty months on sick certificate) with retention of appointment may take a second leave of absence, retaining his appointment on sick certificate after he has been three years, or on private affairs, after he has been six years in the discharge of the duties of his appointment, from the date of last return to it.

3. I am of opinion, however, that this decision should not be allowed to interfere with the practice which has been followed under the Regulations of 1854, and those in force previously, for permitting Officers in certain cases of emergency to return to this country on private affairs for short periods without pay, and that a Staff Corps Officer permitted to return to Europe under such circumstances should be allowed to hold his appointment for a period not exceeding six months. In fact, this has already been authorized in Question and Answer No. 121, which states that the Government may grant leave of absence for six months on urgent private affairs without pay and allowance to a Staff Corps Officer, with retention of appointment, on being satisfied of the urgency of the case.

4. I am of opinion also that Staff Officers not Members of the Staff Corps should be allowed a similar indulgence under like circumstances.

I have, &c.

But if leave of absence be taken merely to run out a prescribed period of service, and without any intention of returning to duty, the principle on which the rule is founded is infringed, and the indulgence of the Honorable Court is abused; wherefore the Right Honorable the Governor General in Council hereby notifies for general information, that, if there be an avowed intention on the part of an Officer not to return to duty, or if the Government have valid grounds for concluding that the Officer has no intention to return to duty, the indulgence of leave on sick certificate, retaining Office, will not be granted in future.

The following Order by the Lieutenant-Governor, North Western Provinces, are republished in General Orders.

Extract from a letter from the Honorable the Court of Directors, to the Government of India, No. 171, dated 15th October 1855.

Letter dated 4th April 1855, No. 128.

2. Government have decided that Staff Officers returning from leave beyond Sea, under the New Furlough Rules, are entitled to half Staff salary from the date of their return to India, and that the acting incumbents revert to half Staff Allowances from the same date.

Under those rules an Officer who had ceased, prior to his return, to be entitled to Staff Allowances, could not draw any portion of them from an earlier date than that of his resumption of his Staff duties.

We think it undesirable to make any change in this respect.

39. In the same (55th) paragraph of your Despatch, you express an opinion that the boon of twenty months' leave on Sick Certificate, with retention of appointment, granted to Officers of the Staff Corps, may be extended to all Officers of the other branches of the Service. I have much pleasure in acceding to this recommendation, and I authorize you to give it effect immediately in the three Presidencies. I have no objection to extending this boon to Officers now on Furlough in all cases in which you may think it desirable to recommend it.

14. An Officer's claim to half Staff Salary for six months, as sanctioned in the preceding Rule, will not be affected by his subsequently retiring from the service in Europe or elsewhere.

15. No portion of Command Allowance, Medical Staff Salary or other similar allowance, which under the Old Rules was inadmissible to Officers absent from their Corps or Stations at the Cape or elsewhere, will be allowed to absent Officers under these Regulations.

16. All Officers, whether Staff or Regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian Pay and Allowances as was allowed under the Old Regulations to Officers proceeding to the Cape on medical certificate; and for the remaining period of their leave they will receive Furlough pay only.

17. If the leave on sick certificate be extended, Furlough pay will be continued but under no circumstances for a longer period than three years altogether from the commencement of the absence.

18. The term Staff Officer applies to all Officers holding Staff or Detached appointments, Military (General or Regimental), Political or Civil, also to General Officers commanding Divisions, Members of the Medical Board, Superintending Surgeons, and others who, under the Old Rules, were entitled to draw half Staff allowance when absent at the Cape.

With reference to para. 19. The following paragraph of a Military letter from the Honorable the Court of Directors to the Government of India, No. 84, dated 27th June 1855, is published for general information:

Letter dated 5th April 1855, No. 82.

Submit the question whether as Officers are, on their first application for leave of absence on Furlough, to declare whether they will abide by the Old or accept the New Furlough Rules, Staff Officers who apply for leave to the Hills or elsewhere in India are to vacate their Offices like those who take leave to the Cape or elsewhere beyond sea.

Government observe, that if this were so, the Rule would have the effect of debarring such Officers from all leave, however short, in excess of the privileged leave of one month in six.

With reference to para. 19. The Commander-in-Chief directs it to be notified that under a decision of the Government of India, the new Furlough regulations are held not to affect the rules heretofore in force with respect to leave in India, and that consequently a Staff Officer obtaining leave of absence in India on private affairs for six months, or on medical certificate for two years, retains during such absence a moiety of his Staff salary as sanctioned by the regulations for the grant of leave in India which are still in force.

2. A Staff, as well as a Regimental Officer is required, when first applying for leave, whether in or out of India, to declare by which set of Furlough regulations he wishes to abide. A Staff Officer having made this declaration may take leave in India as above stated, and should be afterwards required to proceed

to England, the retention or otherwise of his appointment will depend upon which of the rules he first elected, and from which he cannot afterwards change.

3. In the event of a Staff Officer electing the new Furlough regulations and taking leave in India, the whole of the leave he has previously enjoyed from the date of his entering the Service, excepting the periods allowed by those rules to reckon as service, must be reckoned against his period of service for retirement.

The following Extracts from a Military Despatch from the Honorable the Court of Directors, are published.

Letter dated 16th June 1855, No. 95.

To Court. Letter dated 11th February 1855, No. 25.

1. Extension of leave without loss of appointment to Surgeon James Shaw Superintendent of the Eye Infirmary.

28. This is the third instance within a very short time in which the privilege of continued tenure of Staff appointment has been recommended merely on the ground of a continuation of the Medical Certificates. If this system were admitted, the Rule which limits absentees to the privilege of fifteen months' absence on medical certificate must necessarily be abandoned.

29. You will have seen by our letters of the dates noted in the margin that we have declined to sanction the retention of Staff appointments beyond the term of 15 months recommended on the ground of continued sickness. The Regulations state that such retention of Office can be only sanctioned on "special grounds," to be reported to us and subject to our approbation.

No. 151 of 1855.—The Governor in Council directs the publication of the following Extract from a letter from the Secretary to the Government of India, Military Department, dated 30th March 1855, No. 1416, in reply to an application for the services of certain Officers on Staff and detached employ whose absence in Europe on medical certificate, had exceeded the period of 15 months.

"I am directed to acquaint you, for the information of the Right Honorable the Governor in Council, that it has not been the practice to place Officers who exceed the authorized period of absence, during which they retain their Staff situations, at the disposal of the Commander in Chief, or of the Government of the Presidency to which they belong."

"An Officer exceeding the period of authorized leave, has, I am to add, no Staff employ, unless re-appointed, and he reverts to his Regimental duties."

No. 213 of 1855.—With reference to G. O. G. 20th July 1855, No. 275, the following dispatch from the Right Honorable the Secretary of State for India is published.

Letter dated 21st April 1855, No. 58.

Having considered in Council your dispatch, No. 25, dated 11th February 1855, soliciting instructions as to what may be admitted as special grounds for permitting a Staff Officer, absent on medical certificate, to retain his appointment for any period beyond 15 months, I have to express the desire of Her Majesty's Government that this indulgence should be very rarely granted, and only in cases where it is important on public grounds to retain an Officer's services in a particular appointment, or where the distinguished services of an Officer may entitle him to special consideration.

The Right Hon'ble the Governor-General of India in Council is pleased, with the concurrence of the Right Hon'ble the Secretary of State for India, to modify to the following extent such of the new Furlough Regulations as are applicable to General Officers on the Staff.

The concession of leave to Europe in the case of a General Officer is to be considered the exception and not the Rule; and, as ground for obtaining such leave, it must be shown that the Officer has contracted illness from the effects of climate, or of wounds received on service in India, or that the nature of the Private Affairs taking him from India is of a very urgent nature.

Leave on Medical Certificate will be restricted to six months, and on Private Affairs to four months, the penalty of exceeding such period being the vacation of the Command, and in no case will a General Officer be allowed more than one grant of leave out of India during his tour on the Staff.

The position of Brigadiers being considered analogous to that of General Officers on the Staff, the principle upon which the indulgence of leave is to be granted will hereafter be the same in both cases.

GENERAL ORDERS BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA IN COUNCIL, Fort William, the 2d February 1863.

No. 89 of 1863.—The following paragraph of a Military Letter from the Right Hon'ble the Secretary of State for India, No. 459, dated 16th December last, is published for general information:—

Para. 12.—In future when Officers holding Staff appointments are granted leave of absence on Sick Certificate for any term short of twenty months, I shall extend their leave to that period, on their producing the required certificate, with the retention of their appointments, without requiring them to apply to your Government on the subject.

20. The privilege of retaining Staff appointments during leave of absence on sick certificate, or on Furlough on private affairs, will not be available a second time, if the fresh leave is on sick certificate, until an Officer has been three years, or if on private affairs, until he has been six years in the discharge of the duties of his appointment, from the date of last return to it.

With reference to para. 21. His Excellency the Commander-in-Chief directs it to be published in (General Orders for the information of the Government of India) that the Government of India has fixed three (3) months as the maximum period which is to be understood by the terms "short leave" and "leave for brief periods" used in rules 7 and 21 of the New Furlough Regulations.

21. This Rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs in India, or for brief periods to Ceylon, the Mauritius, or other places out of India.

appointment; and,

during the first six months only of such

absence, he will be entitled to draw half the

Staff Salary of his appointment, the Officer officiating for him drawing the remaining half

salary during the first six months, and the whole

salary during the remainder of the time.

3. The New Furlough Regulations made no alteration in the old rules governing the resumption of Staff Allowances on return to duty.

Under those rules an Officer who had ceased, prior to his return, to be entitled to Staff Allowances, could not draw any portion of them from an earlier date than that of his resumption of his Staff duties.

We think it undesirable to make any change in this respect.

39. In the same (55th) paragraph of your Despatch, you express an opinion that the boon of twenty months' leave on Sick Certificate, with retention of appointment, granted to Officers of the Staff Corps, may be extended to all Officers of the other branches of the Service. I have much pleasure in acceding to this recommendation, and I authorize you to give it effect immediately in the three Presidencies. I have no objection to extending this boon to Officers now on Furlough in all cases in which you may think it desirable to recommend it.

14. An Officer's claim to half Staff Salary for six months, as sanctioned in the preceding Rule, will not be affected by his subsequently retiring from the service in Europe or elsewhere.

15. No portion of Command Allowance, Medical Staff Salary or other similar allowance, which under the Old Rules was inadmissible to Officers absent from their Corps or Stations at the Cape or elsewhere, will be allowed to absent Officers under these Regulations.

16. All Officers, whether Staff or Regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian Pay and Allowances as was allowed under the Old Regulations to Officers proceeding to the Cape on medical certificate; and for the remaining period of their leave they will receive Furlough pay only.

17. If the leave on sick certificate be extended, Furlough pay will be continued but under no circumstances for a longer period than three years altogether from the commencement of the absence.

18. The term Staff Officer applies to all Officers holding Staff or Detached appointments, Military (General or Regimental), Political or Civil, also to General Officers commanding Divisions, Members of the Medical Board, Superintending Surgeons, and others who, under the Old Rules, were entitled to draw half Staff allowance when absent at the Cape.

With reference to para. 19. The following paragraph of a Military letter from the Honorable the Court of Directors to the Government of India, No. 84, dated 27th June 1855, is published for general information:

Letter dated 5th April 1855, No. 82.

Submit the question whether as Officers are, on their first application for leave of absence on Furlough, to declare whether they will abide by the Old or accept the New Furlough Rules, Staff Officers who apply for leave to the Hills or elsewhere in India are to vacate their Offices like those who take leave to the Cape or elsewhere beyond sea.

Government observe, that if this were so, the Rule would have the effect of debarring such Officers from all leave, however short, in excess of the privileged leave of one month in six.

With reference to para. 19. The Commander-in-Chief directs it to be notified that under a decision of the Government of India, the new Furlough regulations are held not to affect the rules heretofore in force with respect to leave in India, and that consequently a Staff Officer obtaining leave of absence in India on private affairs for six months, or on medical certificate for two years, retains during such absence a moiety of his Staff salary as sanctioned by the regulations for the grant of leave in India which are still in force.

2. A Staff, as well as a Regimental Officer is required, when first applying for leave, whether in or out of India, to declare by which set of Furlough regulations he wishes to abide. A Staff Officer having made this declaration may take leave in India as above stated, and should be afterwards required to proceed

to England, the retention or otherwise of his appointment will depend upon which of the rules he first elected, and from which he cannot afterwards change.

3. In the event of a Staff Officer electing the new Furlough regulations and taking leave in India, the whole of the leave he has previously enjoyed from the date of his entering the Service, excepting the periods allowed by those rules to reckon as service, must be reckoned against his period of service for retirement.

To Court. Letter dated 11th February 1855, No. 25.

1. Extension of leave without loss of appointment to Surgeon James Shaw Superintendent of the Eye Infirmary.

28. This is the third instance within a very short time in which the privilege of continued tenure of Staff appointment has been recommended merely on the ground of a continuation of the Medical Certificates. If this system were admitted, the Rule which limits absentees to the privilege of fifteen months' absence on medical certificate must necessarily be abandoned.

29. You will have seen by our letters of the dates noted in the margin that we have declined to sanction the retention of Staff appointments beyond the term of 15 months recommended on the ground of continued sickness. The Regulations state that such retention of Office can be only sanctioned on "special grounds," to be reported to us and subject to our approbation.

No. 151 of 1855.—The Governor in Council directs the publication of the following Extract from a letter from the Secretary to the Government of India, Military Department, dated 30th March 1855, No. 1416, in reply to an application for the services of certain Officers on Staff and detached employ whose absence in Europe on medical certificate, had exceeded the period of 15 months.

"I am directed to acquaint you, for the information of the Right Honorable the Governor in Council, that it has not been the practice to place Officers who exceed the authorized period of absence, during which they retain their Staff situations, at the disposal of the Commander in Chief, or of the Government of the Presidency to which they belong."

"An Officer exceeding the period of authorized leave, has, I am to add, no Staff employ, unless re-appointed, and he reverts to his Regimental duties."

No. 213 of 1855.—With reference to G. O. G. 20th July 1855, No. 275, the following dispatch from the Right Honorable the Secretary of State for India is published.

Letter dated 21st April 1855, No. 58.

Having considered in Council your dispatch, No. 25, dated 11th February 1855, soliciting instructions as to what may be admitted as special grounds for permitting a Staff Officer, absent on medical certificate, to retain his appointment for any period beyond 15 months, I have to express the desire of Her Majesty's Government that this indulgence should be very rarely granted, and only in cases where it is important on public grounds to retain an Officer's services in a particular appointment, or where the distinguished services of an Officer may entitle him to special consideration.

The Right Hon'ble the Governor-General of India in Council is pleased, with the concurrence of the Right Hon'ble the Secretary of State for India, to modify to the following extent such of the new Furlough Regulations as are applicable to General Officers on the Staff.

The concession of leave to Europe in the case of a General Officer is to be considered the exception and not the Rule; and, as ground for obtaining such leave, it must be shown that the Officer has contracted illness from the effects of climate, or of wounds received on service in India, or that the nature of the Private Affairs taking him from India is of a very urgent nature.

Leave on Medical Certificate will be restricted to six months, and on Private Affairs to four months, the penalty of exceeding such period being the vacation of the Command, and in no case will a General Officer be allowed more than one grant of leave out of India during his tour on the Staff.

The position of Brigadiers being considered analogous to that of General Officers on the Staff, the principle upon which the indulgence of leave is to be granted will hereafter be the same in both cases.

GENERAL ORDERS BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA IN COUNCIL, Fort William, the 2d February 1863.

No. 89 of 1863.—The following paragraph of a Military Letter from the Right Hon'ble the Secretary of State for India, No. 459, dated 16th December last, is published for general information:—

Para. 12.—In future when Officers holding Staff appointments are granted leave of absence on Sick Certificate for any term short of twenty months, I shall extend their leave to that period, on their producing the required certificate, with the retention of their appointments, without requiring them to apply to your Government on the subject.

20. The privilege of retaining Staff appointments during leave of absence on sick certificate, or on Furlough on private affairs, will not be available a second time, if the fresh leave is on sick certificate, until an Officer has been three years, or if on private affairs, until he has been six years in the discharge of the duties of his appointment, from the date of last return to it.

With reference to para. 21. His Excellency the Commander-in-Chief directs it to be published in (General Orders for the information of the Government of India) that the Government of India has fixed three (3) months as the maximum period which is to be understood by the terms "short leave" and "leave for brief periods" used in rules 7 and 21 of the New Furlough Regulations.

21. This Rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs in India, or for brief periods to Ceylon, the Mauritius, or other places out of India.

GENERAL ORDERS BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA IN COUNCIL, Fort William, the 2d February 1863.

No. 89 of 1863.—The following paragraph of a Military Letter from the Right Hon'ble the Secretary of State for India, No. 459, dated 16th December last, is published for general information:—

Para. 12.—In future when Officers holding Staff appointments are granted leave of absence on Sick Certificate for any term short of twenty months, I shall extend their leave to that period, on their producing the required certificate, with the retention of their appointments, without requiring them to apply to your Government on the subject.

20. The privilege of retaining Staff appointments during leave of absence on sick certificate, or on Furlough on private affairs, will not be available a second time, if the fresh leave is on sick certificate, until an Officer has been three years, or if on private affairs, until he has been six years in the discharge of the duties of his appointment, from the date of last return to it.

With reference to para. 21. His Excellency the Commander-in-Chief directs it to be published in (General Orders for the information of the Government of India) that the Government of India has fixed three (3) months as the maximum period which is to be understood by the terms "short leave" and "leave for brief periods" used in rules 7 and 21 of the New Furlough Regulations.

21. This Rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs in India, or for brief periods to Ceylon, the Mauritius, or other places out of India.

22. A Staff, as well as a Regimental Officer is required, when first applying for leave, whether in or out of India, to declare by which set of Furlough regulations he wishes to abide. Letter dated 16th June 1855, No. 95.

22. Officers commanding Troops of Horse, Artillery and Light Field Batteries, and Officers generally in employment, will be allowed leave out of India, under the same Rules with respect to allowances and tenure of Command or Office as regulated the grant of leave to the Cape to such Officers under the Old Regulations, except as to the duration of those advantages, the time for their continuance being subject to the provisions of the New Regulations.

Date of Furlough and Advances of Pay.

23. The period of Furlough on private affairs, or leave of absence on sick certificate, is to be calculated from the date of the departure from India of the ship in which the Officer proceeds.

Fort William, the 22d April 1862.

No. 447 of 1862.—The Right Honorable the Secretary of State for India having represented that much inconvenience is caused by Officers proceeding on Furlough to Europe unprovided with last Pay Certificates, His Excellency the Governor General of India in Council is pleased to lay down the following rules for the guidance of the Officers of the Pay Department and of Officers proceeding Home on Furlough:—

1st.—It is the duty of an Officer before leaving India to obtain his last Pay Certificate; he should therefore at the time of applying for leave address the Deputy Pay Master in whose Circle of payment he may be, with a request that his accounts may be adjusted, and at the port of embarkation he should apply at the Pay Office for a last Pay Certificate. In the event of his not being able from any cause to obtain this Certificate, he should address the Military Accountant on the subject, and that Officer will investigate the circumstances of the case and submit a report thereon to the Military Finance Department for transmission to Government.

2nd.—In cases in which Officers return Home "for Residue of Furlough," the period remaining unexpired should be stated in their papers by the Pay Department.

3rd.—The Right Honorable the Secretary of State for India having observed, in his letter No. 497, dated the 31st December 1861, paragraph 10, that "the final settlement of all pay and allowances issued to an Officer prior to his quitting India, whether in an advance or otherwise, is invariably left to the Authorities in India," it will not be necessary for the Officers of the Pay Department in future to call upon Officers on Furlough in England, who, on promotion, may apply to India for an adjustment of pay (for the period issued to them prior to their leaving this country) to furnish a Certificate under the signature of the Authorities at the India Office to the effect that no such adjustment has been made by them.

4th.—This order is applicable to the three Presidencies, and will have effect from this date.

Fort William, the 1st August 1862.

No. 750 of 1862.—His Excellency the Governor General in Council is pleased to extend to Officers on leave the Rule which permits Officers of one Presidency, when absent on duty, to draw their Pay and Allowances from the Pay Authorities of any other Presidency at which they may be residing, and to lay down the following Rules for future guidance:—
Officers of one Presidency may draw advances on account of their pay and allowances which have become due from Pay-Masters at any other Presidency at which they may be residing, whether on duty or on leave on Medical Certificate or private affairs.

Officers so situated must furnish, with their Bills, a last Pay Certificate from their own Presidencies, shewing specifically the sums to be deducted and the amount to which entitled, and also indicate the General Order or other authority under which they are absent.

These Rules are also applicable to cases of Officers embarking for Europe from any other than their own Presidencies, and who may be entitled, under the Furlough Regulations, to advances of Pay and Allowances.

In cases of Staff Officers so situated their last Pay Certificates are to specify clearly the amount of half Staff salary to which they may be entitled during their leave.

In case of emergency, when last Pay Certificates cannot be produced, advances on account of unadjusted arrears of pay may be made on good Security for the amount being furnished.

Bills for any admissible passage money are to be supported by a sufficient Guarantee from the Agents of the Ship or other parties, that half the passage money will be refunded in the event of the Officer dying after engagement of his passage, or before the Vessel puts to Sea.

G. O. G.
15th August
1862.

Pay-Masters making advances under these Rules are invariably to record the same on the back of the last Pay Certificate, and will make the necessary communication to the Pay-Master of the other Presidency concerned with the least possible delay, and if Security be taken, it is also to be noted on the Pay Certificate.

If proof be forthcoming that an Officer has already furnished Security at his own Presidency for any demands on the part of Government which may arise, fresh Security is not to be required by Pay-Masters of any other Presidencies.

All over-drawings or short charges will always be adjusted by the Pay Authorities of the Presidency to which the Drawing Officers may belong.

All other orders on this subject at the three Presidencies are hereby superseded.

25. The existing Regulations regarding Passage Money to Officers are not affected by these Rules.

With reference to paras. 26 and 31. The Right Honorable the Governor in Council is pleased to publish the following General Order by the Honorable the President of the Council of India in Council, dated 10th April 1855, No. 430, and that by the Commander-in-Chief in India therein referred to—and to declare their provisions applicable to Officers proceeding to this Presidency or to Head Quarters of Divisions, for the purpose of undergoing an examination in the Native languages.

G. O. G. G. No. 430 of 10th April 1855.—The Honorable the President of the Council of India in Council is pleased to notify for general information, that Officers who have proceeded on leave to the Presidency for the purpose of undergoing examination in the Native languages before the Examiners of the late College of Fort William, or the present Board of Examiners, in any of the tests laid down for Military Officers, will be allowed to reckon the period of their absence, to the extent of six months only, as on duty, in the same manner as Officers proceeding to the Head Quarters of the Division in which they are serving for a like purpose, are now considered as absent on duty.

With reference to paras. 26 & 31. M. C. No. 514, 26th Feb. 1856.

8. In calculating the period of an Officer's absence on furlough in India, the day of departure from a Regiment or appointment is to be reckoned as one of leave, and the day of return thereto as one of duty. In like manner if respects Furlough beyond India, the date on which the vessel conveying the Officer from India puts out to Sea, is to be reckoned as one of Furlough and the day on which he returns to his Presidency as one of duty.

G. O. C. C. 5th Nov. 1856, No. 92. The principle of this rule is applicable to Officers who on return from leave out of India are allowed to visit a Station out of the direct route to the Station to which they belong.

10. Leave for one month, granted to Officers in Civil employ under Section XI (amended) Old Civil Service Absentee Regulations, is not to be deducted from same light as one month in six privilege Service, it being considered in the leave granted to Military Officers.

With reference to G. O. G. No. 43, dated 3d February 1860, the Governor in Council directs that, in future, in accordance with the practice in Bengal, leave of absence preparatory to retirement from the service shall always be general, and not privilege leave.

30. In order that all Officers quitting India on Furlough, or sick certificate, may be placed on an exact equality as regards loss of time, the period allowed by Regulation for proceeding to the Presidency or to the nearest port of embarkation, as well as the time to enable Officers to rejoin their corps or station after their return to India, will be considered as time counting for service for the retiring Pension.

31. The period during which Officers may have been or may hereafter be absent on leave for the purpose of accompanying Insane or Sick Officers is allowed to count as service for pension.

32. If an Officer is placed on duty while on leave of absence whether on Medical Certificate or private affairs he will be allowed to count as service for pension the whole period he may be so employed, i. e., from the date of the order nominating him to such duty to the date of the order relieving him, both inclusive.

33. An Officer returning from Europe or Sea is allowed to count as service one month for preparation at the port of debarkation and marching distance to his Corps or Department in addition.

34. An Officer going to Europe or Sea is allowed to count as service in addition to marching distance to the Presidency or nearest port of embarkation, the same period for preparation prior to embarkation as allowed to Officers returning from Europe, viz. one month.

35. Officers obtaining leave preparatory to final leave out of India, but who after arriving at the Presidency or other port of embarkation abandon their intention of leaving the country, cannot reckon as service the period they may have been absent from duty on such preparatory leave which then assumes the nature of ordinary leave in India.

36. An Officer who proceeds on Furlough to the Presidency or other port, (not preparatory to applying for leave to proceed to Europe or elsewhere) and while there obtains a Sick Certificate to Europe or other place out of India, is not entitled to count as service the period allowed by Regulation for proceeding from the Station of his Regiment or appointment to the port of embarkation; but he can reckon as service the period of one month allowed at the Presidency or port of embarkation preparatory to embarkation.

37. If instead of being at the port of embarkation, he is at another port, or at an inland station, when he obtains the Sick Certificate to quit India, he will be allowed the time authorized for travelling from the station at which he may be when he obtains his Sick Certificate, to the port of embarkation.

38. If an Officer while absent on ordinary Sick Certificate in India, quits India on Sick Certificate, or, who having proceeded on ordinary leave on private affairs in India obtains a Furlough out of India, he is entitled to count as service the period allowed for proceeding from the place at which he may be when he obtains leave to quit India, to the port where he ultimately embarks.

titled under the Old Regulations if proceeding to sea on medical certificate.

This information is necessary in order that no difficulty may arise in the Pay Department of the India House in adjusting the several payments which may be due.

It is notified for general information that under a recent decision of the Government of India, an Officer who had elected (or who, not having before elected, might on his entering the Staff Corps desire to elect) the old Furlough Regulations, carries with him into the Staff Corps so much of his service (authorized leave included) as had been passed in Indian limits and no more; and that to entitle him to retire on the pension of any particular rank he must serve so many more years as would with that service complete the full period of service prescribed for such pension, with the liberty of availing himself, after his entry into the Staff Corps, of the privileged periods* of absence allowed in paragraph 30 of the new Furlough Regulations.

For instance a Captain who, on entering the Staff Corps on the 18th February 1861, had served twenty-four years counting as service for retirement under the old rules, and had been absent six years on leave to Europe, would enter the Staff Corps with a capital of service of twenty-four years only; and, before he could retire on the pension of a Lieut. Col. he would have to serve four years longer, of which three years might be passed on leave.

2. With reference to the foregoing, Officers who at date of entering the Staff Corps had not made election of Furlough Regulations are requested now to report under which Furlough Regulations they desire that their service to that date may be calculated.

GENERAL ORDERS BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA IN COUNCIL. Fort William, the 12th May 1862.

No. 520 of 1862.—The following Rule which has received the sanction of the Right Hon'ble the Secretary of State for India for calculating the service of Officers who, formerly under the old Furlough Regulations, have joined the Staff Corps, and whose service from date of joining that Corps is to be reckoned under the new Furlough Regulations, is published for general information and guidance:—

1. Officers having elected (or who not having before elected might, on their entering the Staff Corps, desire to elect,) the old Furlough Regulations will carry with them into the Staff Corps so much of their service (authorized leave included) as may have been passed within Indian limits and no more. Before they can retire on the pension of any particular rank they will be required to serve for such further period as will, with that service, complete the full period prescribed for the pension of any particular rank, with the liberty of availing themselves, after their entry into the Staff Corps, of the privileged periods* of absence allowed by paragraph 30 of the new Furlough Regulations.

2. With reference to paras. 30, 33, 34 and 35. M. C. No. 2961, 2d Nov. 1856, and No. 919, 16th April 1856. Rule 33 gives the minimum period of service which entitles an Officer so situated to retire on the Pension of a Captain or Major; but an Officer who has served beyond those periods is entitled to the benefit of Rule 30 by which extended periods of absence are allowed to reckon, on regulated by the length of the Officer's service. For instance, an Officer who has served 20 years, and no more, and had only 3 years' leave must still perform one year's duty before he can retire as a Captain; whereas an Officer whose aggregate service is 30 years out of which he has enjoyed leave for 14 years and no more, can retire as a Captain at once.

3. No Furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years' aggregate service, three years in twenty-five years' service, and four years in thirty years' service, shall be allowed to count as service for the Retiring Pension; and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or out of India, or whether the leave be on sick certificate or on private affairs.

31. In the term "Leave of Absence as announced in General Orders" is to be included all leave of absence except the period allowed in Rule 29, and the ordinary indulgence of one month's leave in six months, as authorized by the existing Regulations, and which are in all cases, whether of Regimental or Staff Officers, to be allowed to count as service for the pension. All leave to a greater extent, granted by Political and other authorities, which may not hitherto have been published in General Orders must be so announced hereafter.

18. By the Regulations established for the promotion of Lieutenant Colonels to the rank of Colonel after three years' service, it is provided that no longer period than one month in each year, or a total of three months in three years, or six months in six years, shall be allowed to reckon, on whether the leave shall have been spent in India or out of the country, except in cases of wounds or illness contracted by service in the Field, duly certified by a Medical Board, when each case will be separately considered with reference to the time to be allowed.

Para 2. It was not the intention of the late Court of Directors to give retrospective effect to the privilege granted in July 1857, to Officers wounded or losing their health on active service, to count as service for retiring pension their leave of absence on medical certificate.

32. Officers to be entitled to retire on the full pay of their Regimental rank (under the Regulation, of 1796,*) must have served twenty-two years in India, out of which leaves of absence for two years in the aggregate and not more, will be allowed to count as service for the Retiring Pension.

33. Officers to be entitled to retire on the full pay of Captains and Majors (under the Regulations of 1835-7,†) must have served twenty and twenty-four years respectively, out of which time leaves of absence for two years in the aggregate and not more, will be allowed to count as service.

* REGULATION OF 1796.

G. O. G. 29th December 1800.

The Right Honorable the Governor in Council is pleased to publish in General Orders to the Army the following Extracts of a letter received from the Honorable the Court of Directors, under date the 7th of May last.

Para. 61st. In regard to the second point mentioned in the Commander-in-Chief's minute, all Officers who have served twenty-two years in India (to be computed from the periods before-mentioned) are permitted to retire on the full pay of their rank—but if after serving that time successively they come to Europe on furlough, they are to be subject to the regulations prescribed in our letter of the 8th January 1796, relative to Officers wishing to retire, while on furlough.

† REGULATION OF 1835-7.

G. O. G. No. 13 of 19th January 1838.—The following General Order by the Honorable the President in Council, under date the 29th December 1837, No. 258, is published for the information of the Army.

G. O. G. No. 258 of 29th December 1837.—The Honorable the President in Council has much pleasure in publishing to the Army, the following Extract (Paragraphs 2 to 5) of a letter from the Honorable the Court of Directors, to the Government of India, No. 5, dated 20th September 1837, announcing the grant of additional advantages to the senior Officers of the Army in respect of Retiring Pensions.

"Para. 2. In our Letter of the 23d December 1835, we announced to you that as we considered it hopeless to expect that any Military Retiring Fund could be successfully formed, we have thought it right so far as we could feel justified in doing so to provide for the object contemplated in schemes of that nature by an enlargement of the should have served in India 23 years (3 years furlough included) whether he had attained that rank Regimentally or not, and the full pay of each of the superior ranks of Major, Lieutenant Colonel and Colonel after the completion of an additional period of 5 years service for each of those ranks in succession, viz.

For Major's pay.....28 years service, including 3 years for a furlough.
For Lieutenant Colonel's pay.....33 do. do. do.
For Colonel's pay.....38 do. do. do.

3. Being now of opinion that some additional advantage in respect to the periods of retirement may properly be granted to the Senior Officers who would have been more especially the immediate objects of benefit from a Retiring Fund, had such a Fund been established, we have resolved that the period of service, to qualify an Officer for in India required for each rank being consequently hereafter as follows, viz.

Every Officer who shall have served 23 years (3 years furlough included) shall be allowed to retire on the Pay of a Captain whether he shall have attained that rank Regimentally or not.

Every Officer who shall have served 27 years (3 years furlough included) shall be allowed to retire on the Pay of a Major whether he shall have attained that rank or not.

Every Officer who shall have served 31 years (3 years furlough included) shall be allowed to retire on the Pay of a Lieutenant Colonel whether he shall have attained that rank or not.

Every Officer who shall have served 35 years (3 years furlough included) shall be allowed to retire on the full Pay of a Colonel whether he shall have attained that rank or not.

These arrangements to have effect without prejudice to any claims arising out of the Retiring Regulations as established in the year 1796.

We desire that it may be distinctly understood that the present is a final measure. You will accordingly decline to forward to us any application which may have in view a further extension of the Regulations now established with regard to the retirement of our Military Servants.

and request to know whether the provisions contained in the 18th and 19th paras of the late Court of Directors' despatch to the Government of India dated 22d July 1857, No. 128, are to have retrospective effect.

No. 70.—The following Extract from a Despatch from the Right Honorable the Secretary of State for India is published for general information and guidance, with reference to G. O. G. No. 290, dated 15th September 1857, permitting Officers to count as service for retiring pension periods of leave occasioned by Wounds or illness contracted by service in the Field.

G. O. G. No. 103 of 12th February 1861.—Under the authority of the Right Honorable the Secretary of State for India, it is hereby notified that, when Officers who have not volunteered for the duty are ordered to proceed to England in charge of Troops round the Cape, they will be allowed to count as Indian service the difference of time occupied on the voyage round the Cape and that by the Red Sea.

This rule is applicable to the three Presidencies.

36. The scale, for Medical Officers and Veterinary Surgeons, of privileged Furlough, and leave of absence as counting for the Retiring Pension, will be as follows:—

Years.	Months.	
1	8	in 17 and under 20 years' service.
2	0	in 20 " " 25 " "
3	0	in 25 " " 30 " "
4	0	in 30 and upwards.

37. It is to be distinctly understood, that under no circumstances whatever will an Officer be permitted to retire on full pay, until he has completed the full time of service above specified, whether he be in England at the close of his service or elsewhere.

38. The privileged time of absence may, with the permission of the local Government, be taken at any time subject to these Regulations. If therefore, at the end of twenty-years' service, of which eighteen had been passed on actual duty in India, an Officer should be on Furlough, or sick certificate in Europe, or elsewhere, he will be entitled to retire on the full pay of a Captain without returning to India, and so in the other terms of service for the higher pensions. In like manner a Medical Officer on Furlough, or sick certificate in Europe, or elsewhere, at the end of seventeen years' service, fifteen years and four months of which had been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pension.

39. These Rules do not in any way affect the existing Regulations regarding the grant of leave in India, or for short periods to sea, whether on private affairs or on sick certificate, except as to the periods of such absence being taken into calculation in the time allowed to count as service for retirement on full pay.

GENERAL ORDERS BY THE HON'BLE THE PRESIDENT OF THE COUNCIL OF INDIA IN COUNCIL.

Fort William, 6th June 1851.

No. 322 of 1851.—The following paragraph of a Military letter No. 37, from the Honorable the Court of Directors to the Governor of the Presidency of Fort William in Bengal dated 9th April 1851 is published for general information.

Reply to Letter dated 20th September 1850 No. 158, With reference to former correspondence, forward papers relative to an enquiry, made by Ensign (unattached) J. Dumas, as to the rate of retiring pension to which he will be entitled and request Court's early decision on the question.

Unattached officers are entitled to the benefits of the general retiring regulations counting from the dates of their first promotion to Commissions. To provide for the claims of such of these officers as may, in consequence of the length of their previous service, be compelled to retire at earlier dates than are specified, in those regulations, we have resolved to adopt the following additional scale, viz:

Unattached Ensigns and Lieutenants, compelled by ill health to retire from the service, if above 6 years service as commissioned officers.....2 s. 6 d. per diem.
 If above 6, and under 7 years service in India as commissioned officers.....3 s. per diem.
 If above 7, and under 12 years service in India, as ditto.....4 s. per diem.
 If above 7, and under 12 years service in India, as commissioned officer, after 20 years total service in India.....5 s. per diem.
 If above 12 years service in India as commissioned officer, after 30 years total service in India, with an unqualified right to retire.....6 s. per diem.

Despatch dated 14th April 1862, No. 36.

6. The cases of Warrant Officers, promoted on the Veteran Establishment, who applied to retire from the Service, have, until recently, been specially considered, and in almost, if not in every case, the full pay of the Commissioned Rank has been granted on retirement.

No. 233.

7. When considering an application from an Officer on the Veteran Establishment, now in this country, I observed that, although there were rules for the retirement of Officers holding unattached Commissions (G. O. G. No. 322 of 6th June 1851) there were no rules for the retirement of Officers on the Veteran Establishment. I accordingly decided that to entitle an Officer on the Veteran Establishment to retire on the full pay of his Commissioned Rank, he must have served the time which he would have required under the provisions of the retiring Regulations, had he remained in the Warrant grade, to entitle him to the full pay of his former rank in that grade.

G. O. G. No. 385 of 6th March 1856.—The Right Hon'ble the Governor General of India in Council is pleased to direct, that the following paragraphs of a Military Letter from the Hon'ble the Court of Directors to the Government of India, No. 2, dated 2d January 1856, be published in General Orders:—

Letter dated 3d September 1855, No. 201.

G. O. G. No. 250 of
16th August 1856.

Letter from Captain Skinner, transferred from the Nizam's Army to an unattached Commission in the Company's Service, requesting information as to the amount of pension he will be entitled to on retirement. The Auditor General's views on the subject recapitulated by Government:

Also No. 206.

Enquiry as to how the new Furlough Rules are to apply to Captain Skinner, and other unattached Officers.

Para 2.—We concur with the views on this subject which are expressed in the Military Auditor General's Report of the 18th July 1855—Capt. Skinner will be accordingly entitled to count his service for retirement from the date of his first commission in the Army of His Highness the Nizam. He will be also entitled to the benefits of the New Furlough Regulations as an Officer of that standing in the Service.

3. All unattached Officers are entitled to the benefit of the New Furlough Regulations from the date of their first commissions.

G. O. C. C., 27th April 1857, No. 16.—The Commander-in-Chief directs it to be notified that by a recent decision of the Government of India, unattached Officers of the Veteran Establishment are allowed the benefit of the New Furlough Regulations, and these Officers can take leave in India on the same terms as they did prior to the publication of the New Furlough Rules.

G. O. C. C., 29th August 1857, No. 44.—The Provincial Commander-in-Chief directs the publication of the following decisions by the Government of India.

A Warrant Officer on the Veteran Establishment is entitled, without loss of Warrant, to the same absentee allowance as if on leave in India, for the first six months of sick furlough, but thereafter, as well as when on furlough on private affairs he is restricted to the furlough pay of his Commission or of his warrant, whichever may be the superior emolument.

A Warrant Officer holding a Commission on the Veteran Establishment has a footing in the Effective Army in virtue of his Warrant rather than of his Commission and his Warrant being analogous to the Regimental Commission rather than to the Staff appointment of an European Officer, is not forfeited by any furlough which may be granted him, even if it exceed six months on private affairs or 15 months on medical certificate under the New Rules.

G. O. G. G. No. 1559 of 1837.—The following Extract para. 11 of a Military Letter from the Hon'ble the Court of Directors to the Government of India, No. 195, of the 14th October 1837, is published for general information:—

G. O. G. G. No. 777 of 18th May 1858.—The following Extracts of a Military Letter from the Honorable the Court of Directors to the Government of India, No. 71, dated 20 March 1858, are published for general information:—

4. Question raised by the Madras Government as to the extent to which the Warrants or Staff appointments of Officers having Unattached Commissions or on the Veteran Establishment are affected by the New Furlough Rules decided.

G. O. G. No. 204 of
6th June 1858.

5. The Rule now laid down by the Government of India is that a Warrant Officer on the Veteran Establishment is entitled, without loss of Warrant, to the same Absentee allowances as if on leave in India for the 1st six months of Sick Furlough, and thereafter, as well as when absent on private affairs, to the Furlough pay of his Commission or Warrant, whichever may be best for him, and that as the appointment he holds is in virtue of his Warrant, not of his Commission, the appointment will not be forfeited by absence on Furlough.

6. This decision appears to be quite correct and has our sanction.

The Governor in Council sanctions the indulgence of privilege leave, as granted to

* Thirty days in each half year from 1st January to 30th June and from 1st July to 31st December; or sixty days in the course of each calendar year.

Commissioned Officers,* being extended to all Warrant Officers, at this Presidency, excepting those below mentioned, provided their Departmental Superiors be satisfied that proper arrangements are made for the performance of their duties during their absence, and that no additional expense to the State is incurred thereby.

No. 273.

G. O. G., 3d February 1857, No. 29, para. 8. "All persons employed in the Public Works Department, may be allowed one month's leave of absence in the calendar year without loss of salary, provided it can be granted without inconvenience to the public service."

3. Medical Warrant Officers employed in the Civil Departments will be granted privilege leave according to the subjoined rule applicable to Uncovenanted Civil Servants.

Revised Rules for leave of absence to Uncovenanted Civil Servants published in FOR ST. GEORGE GAZETTE 26th June 1863, Supplement.

Para. 16. "Privilege leave, when it can be granted without injury to the Public Service, and without additional expense to the State, may be allowed for not more than one month, in each calendar year—to be taken either in one period or in not more than two instalments. This leave is not allowed to accumulate, and will therefore lapse if not taken within the year."

Invalid Establishment.

FORT ST. GEORGE, 10th July 1857.

No. 819 of 1857.—The Right Hon'ble the Governor General of India in Council is pleased, under instructions from the Hon'ble the Court of Directors, to promulgate the following Rules to be observed at the three Presidencies for the transfer to the Invalid Establishment, of Officers who may be declared to be unfit for further service:

1. The Invalid Establishment will consist of

1st—The Invalid Battalion.

For Officers who, although disqualified for further active service, are still equal to the discharge of garrison duties.

2d—The Invalid Pension List.

For Officers disqualified for both active and Garrison duties.
 2. Officers who, from age, wounds, or decline of health, become unfit for active service, are eligible for transfer to the Invalid Establishment, provided their conduct and habits are such as not to affect the character of that Institution, which is designed as an honorable retreat to the worn out or disabled, but deserving Officers.

The Commander-in-Chief directs it to be notified, that applications from Officers for transfer at their own request to the Invalid Battalion or to the Invalid Pension List, under the provisions of para. 3 of G. O. G. G. No. 819 of 1857, (republished in G. O. G. G. No. 210 of 10th July 1857,) are required to be addressed under their signature to the Right Honorable the Governor in Council in the manner prescribed in para. 3, Section XXI, General Regulations of the Army.

G. O. C. C.
1st June 1858,
No. 59.

3. Officers who may be desirous of being transferred to the Invalid Establishment, will be required to appear before the standing Medical Committee at the Head Quarters of the Division, presided over by the Superintending Surgeon, or in his absence by the Senior Surgeon, furnished with a statement of their case prepared by the Medical Officer by whom they may have been attended. The Committee is to enquire rigidly into each case, and should it be satisfied of the unfitness of the Officer, it is, in recording its opinion, to certify either that the applicant is "permanently disqualified for the performance of further active service but is still equal to the discharge of Garrison duties," or that he is "permanently disqualified for the performance of both active and garrison duties," as the case may be.

* G. O. G. No. 518 of 1854.

† G. O. G. No. 531 of 1854.

4. The applicant, if reported equal to the discharge of garrison duties, will then be required to proceed to the Presidency to be finally examined by a Medical Officer to be specially appointed for the purpose, or by a special Medical Committee, as may from time to time be ordered.

5. After this final examination, the Report on each case, accompanied by the Certificates hereafter specified, is to be forwarded in the usual manner to Army Head Quarters, to be submitted to Government with the opinion of the Commander-in-Chief.

6. In the event of the Commander-in-Chief being led to believe that any Officer's health is so thoroughly lost as to preclude all hope of his being able to perform further active service in India, such Officer shall be directed to appear before the Standing Medical Committee at the Head Quarters of the Division. If the Committee is of opinion that the Officer is permanently disqualified for active Military duties in India, and this opinion is confirmed at the final examination at the Presidency, the Government on receiving a Report on the case, which is to be prepared and submitted as directed in paras. 8 to 5, will place the Officer on the Invalid Establishment, notwithstanding that he may not himself have applied to be transferred from the Effective List. Such transfer will, however, be subject to the approval of the Hon'ble the Court of Directors; and until the receipt of such approval, no promotions will be made in succession to the Officer so placed on the Invalid Establishment.

No. 52 of 1859.—The following Extract from a Military Despatch from the Right Honorable the Secretary of State for India, is published in General Orders.

Despatch dated 22d December 1858, No. 47.

Para. 1. It being established by the required medical testimony that Lieutenant Dewar is permanently disqualified for the performance of both Active and Garrison duties, his removal from the effective List from the date of his embarkation for England on sick certificate.

G. O. G.
1st Feb. 1859.

Report on the state of health of Lieutenant G. T. Dewar, 50th N. I. and authority requested to transfer him to the Invalid Pension List, from the date of his embarkation for England on sick certificate. Lieutenant Dewar's time of service, 14 months and five days, does not entitle him to retiring half pay. On establishing his claim to the benefit of Lord Clive's Fund, he will be admitted to that advantage.

2. You will understand from this decision that no Officer not entitled to a pension under existing Regulations, should be transferred to the Invalid Pension List.

7. All Officers of and below the Regimental rank of Lieutenant-Colonel, whether they may or may not have served the prescribed period for retirement on full pay, may be compulsorily removed to the Invalid Pension List when they may become wholly unfit for any further service, effective and garrison. The examination of Officers in such cases will be conducted in the manner laid down in Para. 6.

8. In the event of an Officer failing, from any cause, whether it be Leave on Sick Certificate in India or otherwise, to join an Invalid Battalion, or other Military duty on which he may be ordered, within two years of his transfer to the Invalid Establishment, except he be absent on Furlough on sick leave to Europe, or be nominated to some other public duty, he will, at the expiration of that time, be required to appear before the Medical Committee at the Head Quarters of the Division in which he may be residing, for the purpose of being examined as to his continued fitness for garrison duty. If found unfit at such examination, or at any subsequent examination, which is to be repeated at the end of every two years, he will be transferred to the Invalid Pension List.

9. The Pay and Allowances of Officers hereafter transferred to the Invalid Battalion will be—

	Pay and Indian Allowances.	House Rent.	Total.
Lieutenant Colonel.....	547 14 0	100	647 14 0
Major.....	410 14 6	80	490 14 6

Lieutenant.....	145 12 0	80	175 12 0
Ensign.....	107 1 11	25	132 1 11

Extra batta will in no case be allowed, whether the Officer be employed within or beyond 200 miles of the Presidency.

10. Officers on the Invalid Pension List will draw the following consolidated allowance:—

	Per mensem. Rupees
Lieutenant Colonel.....	200
Major.....	170
Captain.....	130
Lieutenant and Ensign.....	100

Or the rate of full pay pension to which they are entitled at the time of their transfer to the Invalid Pension List.

11. The above rates will be issued as long as the Officers are resident in India. If granted Furlough or leave out of India, their allowances will be regulated by the Rules they may have adopted, but their Furlough pay will be according to their rank and for the ordinary duration of such Furlough as at present authorized.

12. Officers on the Invalid Establishment are allowed the distinction of wearing the Military Uniform.

13. Officers on the Invalid Establishment will retain the rank they held when on the Effective strength of the Army, but their transfer will be made only in the rank they held in their Regiments. After removal to the Invalid Establishment, they have no further claim to promotion, but on retirement on full pay, those who may be of, and above, the rank of Captain will receive one step of Brevet rank.

14. Officers on the Invalid Pension List are permitted to reside at any place in India they may choose.

No. 132 of 1859.—With reference to G. O. G. No. 810, 10th July 1857, regarding the transfer to the Invalid Establishment of Officers declared "unfit for further service," the Honorable the Governor in Council, with the sanction of the Government of India, and with advenience to para. 15 of the above G. O. G., is pleased to direct that such Subaltern Officers as may have joined their Battalions, shall receive Passage Money on the terms regulating the Allowance to Subalterns of Effective Corps.

G. O. G.
1st April 1859.

2. Subalterns on the Invalid Pension List shall receive Passage Money only when proceeding to England on retirement from the service, or for the purpose of retiring from the service.

15. Officers on the Invalid Establishment are eligible to Furlough and Sick leave out of India, under the new or old Rules, whichever they may have adopted; and leave in India will be granted to Officers of the Invalid Battalion under the same Rules as are applicable to Effective Officers.

16. Officers on the Invalid Establishment are eligible to hold situations under Government.

17. Officers of the Invalid Battalion may retire on the pension of their rank after the prescribed period of service, or on the pension to which they were entitled on their removal to the Invalid Establishment. Officers on the Invalid Pension List may retire upon the rate of pension to which they were entitled when they joined that Establishment.

The above rules are not to be applied to Officers on the present Invalid Establishment of the three Presidencies.

Promotion of Officers

G. O. G. No. 740 of 20th May 1859.—His Excellency the Governor General in Council is pleased to direct the publication in General Orders of the following Royal Warrant, received with a letter from the Right Honorable the Secretary of State for India, No. 119, of the 7th April 1859, prescribing Rules under which Combatant Officers are to be recommended for promotion in Her Majesty's Indian Military Forces:—

G. O. G. No. 222 of 3d June 1859.

Whereas, we have judged it expedient to revise those parts of Our Royal Warrant of the 6th day of October 1854, and 3d day of November 1854, which regulate the promotion and retirement of Combatant Officers in Our Army and Ordnance Corps, Our will and pleasure is, that from the date of this Our Royal Warrant Our Governor General in Council shall govern himself by these Our rules in recommending Combatant Officers for promotion in Our Indian Military Forces.

PROMOTION.

1. That the rank of Field-Marshal be given without reference to seniority.
2. That there shall be a fixed establishment of General Officers, viz.:—

Generals.....	25
Lieutenant-Generals.....	50
Major-Generals.....	145

3. That Colonels may be appointed, without regard to seniority, to command as Major-Generals, with temporary rank; and if they shall have conducted themselves to our satisfaction, such temporary rank, after having been held for five years in peace, or for any shorter period in war, may, upon the recommendation of Our Governor General in Council, be made permanent. That the temporary rank of General and Lieutenant-General may also be given, whenever the convenience of the Service requires it, and may be made permanent in a similar manner.

4. That every vacancy on the fixed establishment of General Officers shall be filled by the promotion of the Senior Colonel qualified to succeed to the rank of Major General and to be placed on the fixed establishment, under the regulations now in force; or by a supernumerary Major General, as provided in Clause 6.

5. That, in addition to the Colonels promoted by Seniority to be Major Generals and those promoted after having held temporary rank under the Regulation in Clause 3, Colonels shall be eligible for promotion to the rank of Major-General, and Major-Generals to the rank of Lieutenant-General, and Lieutenant-Generals to the rank of General, for distinguished services in the Field.

In the case of Officers promoted to the rank of General Officers, as a reward for distinguished service in war, the recommendation, in which the service of the Officers shall be detailed, shall be published in the General Orders of Our Indian Military Forces, and in the *London Gazette*.

6. That all Colonels promoted to be Major Generals after five years' employment in responsible commands with the temporary rank of Major General under the provisions in Clause 3, and all Colonels promoted to be Major Generals for distinguished service in the Field, shall be placed on a supernumerary list of Major-Generals, and shall not be reckoned as part of the fixed establishment until the time when they would have attained the rank of Major-General by seniority; that is to say, until the Colonel who originally stood next senior on the Colonels' list to the Officer promoted out of his turn has become a Major-General, after which the next vacancy will be filled by the transfer of the supernumerary Major General to the fixed establishment. The Major Generals who have already been promoted out of their turn, and would not yet have succeeded to that rank by seniority, shall be considered as coming under this rule.

The Supernumerary Major Generals, when absorbed into the fixed establishment, shall preserve the seniority which they acquired when, after a period of qualifying service with temporary rank they were first confirmed as permanent Major Generals on the Supernumerary list, and shall rise by that seniority to be Lieutenant Generals in succession. General Officers promoted for distinguished service in the field will take their seniority from the date of their promotion, as stated in the *London Gazette*.

7. That three separate lists of General Officers be inserted in the Army List of Our Indian Military Forces, the first containing the names of those on the fixed establishment; the second, those who, having been promoted out of their regular turn, are supernumerary to the fixed establishment; and the third, those who have retired from the service with the honorary rank of General Officers.

8. That the rank of Colonel be given to Officers, after serving for five years with the rank of Lieutenant Colonel, in the actual command of Regiments, or for the same period as second Lieutenant Colonels of Regiments, or on the Staff, in the following situations:—viz., Adjutant-General, Quarter-Master General, Deputy Adjutant-General, Deputy Quarter Master General, Secretaries to the Government of India in the Military and Public Works Department, Secretaries to the Government of India in the Madras and Bombay, to the Chief Commissioner of the Punjab, the Commissioner in Mysore, and the Resident at Hyderabad; Judge Advocate General, Commissary General, Deputy Commissary General, Inspector General of Ordnance, Superintendent of the Ordnance Manufacturing Department, Chief Engineer, Superintending Engineer, Surveyor-General of India, subject always to the approval of the Governor in Council and Commander-in-Chief of the Presidency to which the Officer belongs.

9. That Regimental Majors, who are Brevet Lieutenant-Colonels, falling into the Command of Regiments in the absence of the Lieutenant-Colonel, shall on attaining the rank of Regimental Lieutenant-Colonel, reckon the period commencing from the completion of the first month of such temporary command, as part of the five years required to qualify for the rank of Colonel.

10. That the rank of Colonel be given to Officers who obtain the rank of Brevet Lieutenant-Colonel for services in the Field, after eight years of actual service with that rank.

11. That in cases where a Regiment may be so divided as to constitute two distinct commands, and one portion may be under the command of the Regimental Major, who is also a Brevet Lieutenant-Colonel, and in cases where a Brevet Lieutenant-Colonel may be in command of a mixed force of different Corps, a discretionary power shall be vested in our Commander-in-Chief in India, subject to the approval of Our Governor General of India in Council, to allow such service, or portions of such service, to count as part of the qualifying period for promotion to the rank of Colonel.

12. That Lieutenant-Colonels appointed to Civil Situations under Government on or after the date of this Our Royal Warrant shall be promoted to the rank of Colonel after eight years' service in the former rank, provided the nature of the Civil appointment be considered by our Governor-General of India in Council and Commander-in-Chief in India calculated to give the Officer such practical experience as may afterwards prove advantageous to the Corps or Service to which he belongs.

provided the nature of the Civil appointment be considered by our Governor-General of India in Council and Commander-in-Chief in India calculated to give the Officer such practical experience as may afterwards prove advantageous to the Corps or Service to which he belongs.

13. That Field Officers, commissioned as such before the 20th June 1854, be allowed to rise by Brevet as heretofore; but no Officer promoted to the rank of Field Officer on or after that date, is hereafter to rise from the rank of Lieutenant Colonel to that of Colonel, otherwise than by five or eight years' service in the former rank, as provided in Clause 8, or as a reward for distinguished service, or by appointment to be Queen's Aide-de-Camp—except under the special provisions in Clauses 9, 10, 11 and 12.

14. Lieutenant-Colonels, who held that rank prior to the 20th of June 1854, shall be promoted by a special Brevet to the rank of Colonel,--commissions to bear date the 28th November 1854; and such of the said Lieutenant-Colonels as have been passed over by Officers who have attained the rank of Colonel, in conformity with the provisions of Our Royal Warrants of the 6th October and 3d November 1854, shall be restored to the respective places which they would have occupied as Colonels, had they been promoted in ordinary succession under the system of periodical Brevets.

15. That promotions shall be made from Captain to Major, and from Major to Lieutenant-Colonel, in succession, as vacancies occur in the Major-General's fixed establishment.

16. That any Captain, Major, or Lieutenant-Colonel may be rewarded by Brevet promotion for distinguished services in the Field.

17. That the commands of General Officers, and other situations on the Staff both at home and abroad, shall not be held for more than five years, unless by re-appointment under special circumstances.

Given at Our Court at Windsor, this thirty-first day of January 1859, in the Twenty-second Year of Our Reign.

By Her Majesty's Command,
STANLEY.

G. O. G. No. 1537 of 15th November 1859 --The following paragraphs of a Military letter from the Right Honorable the Secretary of State for India, No. 279 of the 19th August 1859, are published for general information:—

Having submitted to the General Commanding-in-Chief certain questions as raised by your Government in view to ascertain the practice in such cases in Her Majesty's British Army, I have received the following replies:—

Letter from —, dated 3d May 1859. No. 61, paragraph 1 to 10 relative to the promotion of Officers to the rank of Colonel under the operation of the Royal Warrants, dated 7th October 1854 and 14th October 1858.

Question.

1st. Whether the period occupied by a Lieutenant-Colonel in joining his Regiment or appointment after his return from leave beyond Sea should be reckoned in the qualifying period.

"It is allowed that no deduction is made on account of leaves of absence during the five years required to qualify a Lieutenant-Colonel for the promotion.

"Several similar cases have occurred in Her Majesty's British Army, and it has been ruled that an Officer so circumstanced must serve other two years to complete the period of five years prescribed in the Warrant of October 1858,

2nd. Lieutenant-Colonel Leith of the Bombay Army completed three years in that rank on the 8th November 1858. He has been omitted from the promotions recently made in India, because the Warrant of October 1854 ceased to be in force after the 14th October 1858, the date of the new Warrant.

and no allowance of time is conceded with reference to the near completion of the three years under the Warrant of October 1854, when the new Warrant came into operation."

2. The practice in promoting Officers to the rank of Colonel in Her Majesty's Indian Forces must be regulated accordingly.

G. O. G. No. 1698 of 23d December 1859.—The following paragraph of a Military letter from the Right Hon'ble the Secretary of State for India, No. 374, of the 30th October 1859, is published for general information:—

2. The phrases "Superintendent of the Ordnance Manufactory Department" and "Military Superintendents of the Manufacturing Departments of the Army" in the 8th Clause of the Royal Warrant, dated 31st Jan. 1859, are intended to include.

G. O. G. No. 48 of 31st January 1860.

"Her Majesty's Government have decided that the appointment of Assistant Adjutant General of the Army and of Assistant Adjutant General of Artillery shall be added to the List of Officers enumerated in the 8th Clause of the Royal Warrant of 31st January 1859, as qualifying Lieutenant-Colonels for promotion to the rank of Colonel in Her Majesty's Indian Forces."

G. O. G. No. 149 of 5th April 1860. *G. O. G. G. Camp Dinnanugger, 21st March 1860.*—Under instructions from the Right Hon'ble the Secretary of State for India, His Excellency the Governor General is pleased to announce for general information, that the orders requiring Staff appointments to be vacated after five years' tenure, are not intended to apply to Officers serving with Irregular or Local Corps, who though detached from their own Regiments, are nevertheless performing Regimental duties.

Under the same authority, the operation of the Rule requiring the vacation of appointments is altogether suspended until further orders.

G. O. G. G. No. 940 of 18th September 1860. — With reference to Government General Order No. 1587 of the 15th November 1859,* in which it was announced that no deduction was to be made on account of leaves of absence taken during the five years required to qualify a Lieutenant-Colonel for promotion under the Royal Warrant of 31st October 1858, His Excellency the Governor General in Council is pleased, under instructions from the Right Hon'ble the Secretary of State for India, to Notify that, in cases of Officers in Command of Regiments serving in India, or holding equivalent appointments, who may proceed Home on Furlough for periods varying from one to three years, it has been determined to place a limit on the period of absence to be reckoned as part of the five years, qualifying for promotion to Colonel, and that fifteen months, being one-fourth of the whole period of five years, will be the term allowed, exclusive of leave obtained on Medical Certificate in consequence of wounds received in action.

This Regulation, it has been intimated, will apply to both Her Majesty's British and Indian Forces serving in India.

G. O. G. G. No. 954 of 21st September 1860.—The following paragraph of a Military Letter from the Right Hon'ble the Secretary of State for India, No. 800, of the 16th ultimo, is published in General Orders:—

"A reference on the subject having been made to the General Commanding-in-Chief, it has been ruled that leave of absence taken by a Brevet Lieutenant Colonel who has obtained that Rank for service in the Field, is to reckon as part of the eight years' service required under the Royal Warrant of the 31st January 1859, to qualify for the Rank of Colonel."

G. O. G. No. 188 of 17th Apr. 1860. G. O. G. G. No. 353 of 30th March 1860.—The Honorable the President in Council is pleased to direct the publication of the following Military Letter from the Right Honorable the Secretary of State for India, No. 53, of the 14th ultimo, and of the revised Royal Warrant therein referred to:—

MILITARY.
No. 53.

INDIA OFFICE, London, 14th February 1860.

TO HIS EXCELLENCY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

MY LORD,—Your Military Letter No. 76, dated 11th June 1859, forwarding Memorials from certain Members of the Medical Service, and an appeal from the head of the Medical Department in Bengal against the provisions of the Royal Warrant of 1st February 1859, has received my attentive consideration.

2. In compliance with your urgent request, I have undertaken the revision of the Royal Warrant above referred to, the promulgation of which in India has been deferred by your Government pending the present reference; but the subject required very careful consideration, and involved correspondence with other Departments of Her Majesty's Government, and hence a considerable delay has unavoidably occurred in replying to your letter.

3. I have now, however, the gratification to announce to you that Her Majesty, being desirous, as far as possible, to assimilate the designations and ranks in all branches of the Military Medical Service, has been pleased to issue a fresh Warrant, equalizing in all respects the rank of the Medical Officers of the Indian Armies with that fixed for the British Medical Service in the Royal Warrant of 1st October 1858.

4. The grades of Assistant Surgeon, Surgeon Major, Deputy Inspector General and Inspector General are now on precisely the same footing as to designation and relative rank in both Services.

5. But the designation of the Officers now styled "Directors General of the Medical Department" in each of the three Presidencies is changed to "Principal Inspectors General," and the Officers holding these appointments will, in accordance with the practice in British Service, take Army rank as Inspectors General, according to their standing in that rank.

6. The retention of the designation now held by these Officers is strongly advocated in your Despatch, but after mature consideration, Her Majesty's Government have decided, that it is inexpedient to continue to the three Officers at the head of the Medical Departments of the Armies of Bengal, Madras and Bombay, the same title which designates the Officer selected to control the whole Medical Department of the British Army in all parts of the World.

7. Before entering on the discussion of the other subjects of complaint brought forward by the Medical Officers of the Indian Service, I must observe that the object of the Royal Warrant of the 1st February 1859 was not to regulate the pay or retiring allowances of the Medical Department, but to fix the rank and precedence relatively to those of the British Army. This object has now been attained, in a manner which will, I trust, be satisfactory to the Indian Medical Service, to every grade of which it has secured additional relative rank.

8. I proceed to notice in detail the subjects brought forward in the letter addressed to you by Dr. Fereyth, the Principal Inspector General of Bengal:—

1st. It is observed that your Government have offered no recommendation on the various subjects connected with promotion, effective allowances, furlough pay, and retiring pension, brought forward in the Memorials. The consideration of these subjects is deferred for the present, but will be taken up in connection with the question of the re-organization of the Army.

His propositions were—
1st. "That the Medical Officers of Her Majesty's Indian Forces may be placed, in point of all advantages of relative rank, furlough pay and retiring allowances, and in all other respects, upon a perfect equality with those of Her Majesty's British Forces serving in India."

2ndly. "That the Director General of the Medical Department and the Inspector General of Hospitals may retain their present designations; that the Director General shall rank as Major General for appointment; that the Inspector General shall rank as Colonel; that the Superintending Surgeon shall receive the designation of Deputy Inspector General, ranking on appointment with Lieutenant Colonel and with the Deputy Inspector General of Her Majesty's British Army after five years' service in India in this rank as Colonel."

2d. This subject has been disposed of in the earlier paragraphs of this Despatch.

3d. In Lord Stanley's Despatch, dated 1st June 1859, No. 187, paragraph 21, you have been informed that Her Majesty's Government are disinclined to alter, in this respect, the provisions of the Warrant. So long as seniority is the invariable rule of promotion to substantive rank in the other branches of the Service, it is considered desirable to maintain the same principle in the Medical Department, distinguished services being rewarded, in all branches alike, by Brevet promotion and the Order of the Bath.

3rdly. "That in cases of distinguished service, Assistant Surgeons may be promoted to the substantive rank of Surgeon, as in Her Majesty's British Army, without reference to seniority."

4th. In accordance with the sanction conveyed in Lord Stanley's Despatch, No. 189, dated 1st June 1859, (paragraphs 18 and 19,) the two years of Medical practice in the rank of Surgeon, qualifying for promotion to a higher grade, may be performed either in the Civil or Military branch of the Service.

4thly. "That two years of exclusive Military duty in the rank of Surgeon may not be required to qualify a Medical Officer of that rank for promotion."

5thly. "That Medical Officers now in the Service may be at liberty to retire, either upon the existing rates of pension, or upon those laid down in the Warrant of 1st October 1858, for the Medical Officers of Her Majesty's British Army."

* Dated 13th January 1860.

5th. On this subject I would refer to my remarks under the first head.

9. 150 Copies of the revised Warrant* are transmitted to your Government by the present Mail.

Whereas, we have taken into Our consideration the recommendation of the Commissioners appointed by Our authority to inquire into the Regulations affecting the sanitary condition of Our Military Forces and the Medical treatment of the sick and wounded of Our Army; Our will and Pleasure is, that from and after the date of this Warrant, the following Rules shall be established for the future admission, promotion, and relative rank and allowances of the Medical Officers of Our Indian Military Forces, and that by these rules Our Governor-General in Council, and the Governors in Council of Madras and Bombay respectively, shall be governed.

With reference to General Order by His Excellency the Governor General of India, No. 10A, dated 26th December 1860, the following paragraphs of a Military Letter from the Right Hon'ble the Secretary of State for India, No. 386, dated 30th September 1861, are published for general information:—

Para. 1. I have received and considered in Council the 11th paragraph of your Military Letter No. 81 of the 22nd May, submitting the application of Surgeon Beatson, M.D., that certain leave of absence may be allowed to count towards the period qualifying for promotion, and certain other leave as service for pension.

2. Dr. Beatson took leave to Europe in March 1856, and elected to go under the old Furlough Rules, with a view of securing a three years' residence in Europe, which he thought might be rendered necessary by a protracted treatment of his case.

3. The leave is, under the operation of the Rule laid down in my Despatch No. 397 of 31st October 1860, deducted from the service qualifying for promotion to the rank of Surgeon-Major.

4. Upon a re-consideration of the subject, I observe that the Rule thus laid down bears unequally upon the Officers according as they may be under the old or new Furlough Rules, and I have resolved, therefore, that Medical Officers, under whatever Furlough Rules they may be placed, shall be allowed to count, towards promotion to the rank of Surgeon-Major, two years of their Furlough in Europe (in addition to all leave in India).

5. The Rule is to take retrospective effect from the date of receipt in India of my Despatch No. 397 of 31st October 1860.

6. Dr. Beatson's request to be allowed to count as service for pension his leave to Simla, taken in 1846 and 1847, cannot be complied with.

MILITARY.

INDIA OFFICE, London, the 10th June 1863.

No. 214.

TO HIS EXCELLENCY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.
MY LORD,—Para. 1. In a letter* lately received from the Government of Madras the inquiry is made whether any limit is to be placed to the tenure of the office of Inspector General of Hospitals.

* No 43, dated 5th March.

2. The Government of Madras point out that, under paragraph 8 of the Royal Warrant of the 13th January 1860, Inspector Generals and Deputy Inspector Generals are placed on the Retired List, on attaining the age of sixty-five years.

3. With reference to the General Order by the Governor General No. 964, 31st July 1857, they observe that, if an Officer is allowed now to hold the office of Inspector General until retirement, the interests of other Medical Officers must be injuriously affected; while, on the other hand, it does not appear to them how an Inspector General of Hospitals, with substantive rank under the Warrant, but of short service, can revert to other duties to qualify for the highest rates of pension, as provided by paragraph 9 of the General Order by the Governor General.

4. They are of opinion, however, that the interests of the Public Service will be best promoted by limiting the tenure of the appointment of Inspector General to five years.

G. O. G.
18th Aug. 1863,
No. 293.

5. Under the instructions conveyed in the Despatch from the Court of Directors, No. 92 of 10th June 1857, the tenure of Office by the Director General and Inspector General was limited to five years.

6. The several Inspector Generals, under the operation of the Royal Warrant of 18th January 1860, hold the offices styled under the former organization "Director General" and "Inspector General," and I consider that the Rule limiting their tenure of office to five years should be made still applicable to these Officers.

7. An Officer holding the rank of Inspector General, who may be removed from his appointment under the Rule, will be eligible, at the discretion of the Government, for employment for a further similar period, subject always to the operation of Clause 8 of the Royal Warrant of 13th January 1860.

8. The Deputy Inspector Generals of Her Majesty's Indian Service represent the Superintending Surgeons of the former organization; and I do not consider it necessary, pending the settlement of the question of the amalgamation of the British and Indian Medical

Services, to apply any limit beyond that laid down in Clause 8 of the Royal Warrant to the tenure of appointment by these Officers—Superintending Surgeons, under the former organization, not having been subjected to any rule of this nature.

9. With regard to the difficulty suggested by the Government of Madras as to the manner in which an Officer of the rank of Inspector General, but of short service, can revert to other duties to qualify for higher rates of pension, I believe such occasions will be rare.

10. The circumstances of such Officers having been preferred to their Seniors in the Service for promotion would probably induce the Government to re-employ them on a vacancy occurring in a higher position; in the meantime, if not in a position to retire from the Service, they must remain unemployed.

I have, &c.,

GENERAL ORDER BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA.

Camp Mungooa, the 26th December 1860.

No. 10 A.—The following Extracts from a Military Letter from the Right Honorable the Secretary of State for India No. 397 of the 31st October 1860, respecting the application of the Royal Warrant for the Medical Department of the Indian Army, dated 13th January 1860, are published for general information.

3. For the reasons stated in the 4th and 5th Paras. of your Despatch, Her Majesty's Government consent to relax the rule in Clause 3, requiring two years Regimental duty as Asst. Surgs.

Extract Paras. 4 and 5 of Letter No. 174, dated 17th July 1860.

"It is pointed out by the Principal Inspector General Medical Department that there are many Assistant Surgeons whose promotion is close at hand, who have been serving in Extra Regimental posts which have heretofore been considered equivalent to Regimental service, but who will not come under the provisions of Clause 3 if it be literally acted on and that there are others who from the exigencies of the service, have been employed at Civil Stations without having performed the prescribed Military duty, who are in like manner ineligible for promotion."

"In favor of these Mr. Forsyth advocates an exception; and we beg to recommend that the Assistant Surgeons so situated may, notwithstanding their disqualification, be allowed the promotion, but that the rule in the Royal Warrant be enforced strictly in the case of all Assistant Surgeons whose tenure for promotion may be arrived at in periods beyond two years from the date of publication of the decision of Her Majesty's Government on this reference."

4. The situations named in the margin* may, as heretofore, be considered equivalent to Regimental duty for the above purpose.

Letter dated 3d April 1862, No. 104.

31. I concur in the opinion expressed by your Government that Assistant Surgeons are entitled to reckon as service qualifying for promotion the periods during which they may do duty in the Indian Navy or may hold Medical charge of an Irregular Force, but that service with a Police Corps should not count in like manner.

No. 843 of 1862.—The following paragraph of a Military Letter from the Right Honorable the Secretary of State for India, No. 252, dated 16th July 1862, is published for general information:—

Letter No. 105, dated 3d April 1862.

32. The time passed on the voyage to India by a Medical Officer in Medical charge of Troops may be allowed to count as service towards promotion to the rank of Surgeon Major.

This General Order is applicable to the three Presidencies.

(Signed) R. J. H. BIRCH, Major General,
Secretary to the Government of India,
with the Governor General.

1. The grades of Medical Officers in Our Indian Military Forces shall be four in number, viz:—

i. Inspector General.

ii. Deputy Inspector-General of Hospitals.

iii. Staff or Regimental Surgeon; who after twenty years' service in India in any rank, shall be styled Surgeon-Major.

iv. Staff or Regimental Assistant-Surgeon.

2. No Candidate shall be admitted to the competitive examination for a Commission in the Medical Department of Our Army who does not possess such a certificate or certificates as would qualify a Civilian to practice Medicine and Surgery.

3. No Assistant Surgeon shall be eligible for promotion to the rank of Surgeon until he shall have passed such examination as Our Principal Secretary of State for India in Council may require, and shall have served in India with the Commission of Assistant-Surgeon for five years, of which two shall have been passed in or with a Regiment.

It has not been considered expedient at present to alter the existing Regulations affecting the pay and allowances or the condition of Invaliding and retirement of this class of Officers.

Extracts from Her Majesty's Warrant of 1st July 1859, which are declared applicable to Veterinary Surgeons of Her Majesty's Indian Forces.

The following General Orders by His Excellency the Governor General of India in Council are republished:—

GENERAL ORDERS BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Fort William, the 18th August 1861.

No. 722 of 1861.—The following paragraphs of a Military letter from the Right Hon'ble the Secretary of State for India, No. 278 of the 8th July 1861, are published for general information:—

"1. Since the date of my Despatch No. 233, I have received a communication from the Secretary of State for War, enclosing a letter from the Principal Veterinary Surgeon, Woolwich, who, with reference to the doubt expressed in your Military letter No. 41, dated 2nd April last, as to the practicability of examining Veterinary Surgeons in India, in order to test their fitness for promotion, expresses an opinion that it is very desirable that if the Royal Warrant of 1st July 1859 be adopted, it should be fully carried out, and states that no difficulty was encountered in doing so, in the cases of the 2d and 6th Dragoon Guards, both in India, the examinations being written and carried on confidentially between the Officer in Command of the Regiment and himself.

"2. Lord Herbert concurs in the opinion that no sufficient ground has been shewn for a modification of Clause 3 of the Warrant requiring Veterinary Surgeons to be examined as applied to India.

"3. Under the new organization of the Army in India, there will henceforth be no Regimental employment for Veterinary Surgeons of the Local Service, but those now in the service may be promoted under the Royal Warrant of 1st July 1859, their examinations being conducted by means of written questions prepared by the Principal Veterinary Surgeon in this country, in the mode above described.

"4. In carrying out this arrangement, a list of the Veterinary Surgeons, who have served the required periods for promotion, should be sent Home from time to time, in order that the examination questions may be prepared and transmitted to India."

This cancels the decision communicated in letter from the Right Hon'ble the Secretary of State for India, dated 7th June last, published in Government General Order No. 625, of the 16th July 1861.

* Madras G. O. G. 30th July 1861, No. 250.

the good of the service renders such alteration necessary, it shall be competent for Our Secretary for War to shorten the several periods of Service abovementioned in such manner as he shall deem fit and expedient.

15. The relative rank of the Veterinary Officers of Our Army shall be as follows:—

Veterinary Surgeon on appointment, as Subaltern.

Veterinary Surgeon of the First Class on promotion, as Captain.

Staff Veterinary Surgeon on promotion, as Major, but junior of that rank.

16. Such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds (except as regards the Presidency of Courts Martial, and of all Military Courts, Committees, and Boards of Inquiry, where Our will and pleasure is that the Senior combatant Officer be always President and except further any Military command whatever), and shall regulate the choice of quarters, rates of lodging money, field allowances, forage, servants, fuel and light, or allowance in their stead, detention, and prize money. But when a Veterinary Officer is serving with a Regiment, Corps, or Detachment, the Officer Commanding, though he be junior in rank to such Veterinary Officer, shall be entitled to a preference in the choice of quarters.

17. Veterinary Officers shall be entitled to all the allowances granted on account of wounds and injuries received in action, as combatant officers, holding the same relative ranks.

18. Their families shall, in like manner, be entitled to all the allowances granted to the families of combatant Officers holding the same relative ranks.

19. Veterinary Officers shall be held entitled to the same honours as other Officers of Our Army of equal relative rank. This does not, however, extend to the compliments to be paid by Garrison or Regimental Guards, as laid down in the Regulations of Our Army.

3. No Veterinary Surgeon shall be eligible for promotion until he shall have passed such examination as Our Principal Secretary of State for War may require, and shall have served on full pay, with the Commission of Veterinary Surgeon, for 5 years.

4. A Veterinary Surgeon of the First Class must have served fifteen years in the Army, with the Commission on full pay, before he will be eligible for promotion to the rank of Staff Veterinary Surgeon.

1. I have received and considered in Council your Excellency's separate Despatches, Nos. 3, and 4, dated 21st January 1861, regarding the application to the Indian Medical Department of certain Clauses of the Royal Warrant of the 13th January 1860.

2. In my Despatch No. 326, dated 22nd August 1860, with reference to the objections which had been made to the 8th Clause of the Warrant under which all Medical Officers below the rank of Deputy Inspector-General will be placed on the Retired List when they shall have attained the age of 55 years, I expressed my willingness that the Government, for the purpose of carrying out the intention of Clause 8 of the Warrant, should subject always to the operation of Clause 8 of the Warrant, the rank of Deputy Inspector-General of Hospitals to the rank of Surgeon in the order of their seniority in the Service, unless unfit for the discharge of their duties from physical or professional incompetence or misconduct.

I do not consider it necessary to press the question of the amalgamation of the British and Indian Medical

List when they shall

have attained the age

of 55 years, and all

Deputy Inspectors Ge-

neral when they shall

have attained the age

of 65 years.

9. The relative rank

of the Medical Officers

of our Indian Military

Forces shall be as fol-

lows:—

Staff or Regimental

Assistant Surgeon

a Lieutenant, according

to the date of his Com-

mission and after six

years' service in India

as Captain according to

the Government, for em-

ployment in the Indian

Medical Service.

2. The plan which appears to your Excellency best suited to protect the Public interests and the claims, at the same time, of Medical Officers is that of relaxing the rule embodied in the 8th Clause of the Warrant, in cases where superior Medical Authorities certify the perfect competency and fitness of the Medical Officer, who has completed the age of 55 years without having obtained the rank of Deputy Inspector-General.

4. I am willing to assent to the adoption of this plan in regard to the Medical Officers who entered the Service prior to the promulgation of the Royal Warrant, provided that the perfect competency and fitness of the Medical Officers be, in all cases, certified by a Board consisting of two Medical Officers, one of whom must be an Inspector-General or Deputy Inspector-General, and the Commanding Officer, or Senior Civil Officer, under whom the Medical Officer may have been serving.

5. The Certificate of efficiency granted by such a Board may hold good for three years, but in no case will a Medical Officer under the rank of Deputy Inspector-General be permitted to remain on the Effective List after he shall have attained the age of 60 years.

6. A Medical Officer who may be unable to obtain the Certificate of competency above referred to will be placed on the Retired List, receiving, as recommended by Government, the rate of Pension next above that to which his period of service in India may entitle him, provided that he be not already entitled to retire on the higher rate, viz., £700 a year.

7. A similar course may be pursued with respect to Medical Officers employed on unprofessional duties on their attaining the age of 55 years.

8. Your General Order of the 26th December, giving effect to the instructions conveyed in my Despatch No. 397 of the 31st October 1860, regulating the amount of leave of absence allowed to reckon as service towards the qualification for the rank of Surgeon-Major, is approved.

9. With reference to the modification of the Pension Rules of the Medical Service, suggested by Doctor Forsyth, I have to inform you that the whole question of the re-organization of the Indian Medical Service is now under consideration, and that the determination of Her Majesty's Government thereon will be communicated to you hereafter.

10. Such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds [except as regards the Presidency of Courts martial, where Our Will and Pleasure is, that the senior combatant Officer be always President], and shall regulate the choice of quarters, forage, and prize-money. But when a Medical Officer is serving with a Regiment or Detachment, the Officer Commanding, though he be junior in rank to such Medical Officer is entitled to a preference in the choice of quarters.

11. Medical Officers shall be entitled to all the allowances granted to Our Indian Military Forces on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

12. Their families shall, in like manner, be entitled to all the allowances granted, under existing regulations, to the families of combatant Officers holding the same relative ranks.

13. Medical Officers shall be held entitled to the same honors as the other Officers of Our Army of equal relative rank.

14. A Medical Officer, retiring after a service in India of twenty-five years and upwards, may, if recommended for the same by the Head of his Department, receive a step of honorary rank, but without any consequent increase of Pay.

15. Six of the most meritorious Medical Officers of the Army shall be named Honorary Physicians, and six My Honorary Surgeons.

Given at Our Court at Windsor, this Thirteenth day of January 1860, in the Twenty third year of Our Reign.

UNIVERSAL LIFE ASSURANCE SOCIETY

OF

LONDON, CALCUTTA, MADRAS, BOMBAY.

ESTABLISHED IN 1834.

Empowered by Special Act of Parliament.

Subscribed Capital £500,000 in 5,000 shares of £100 each.

Invested Capital £750,000, of which one half is held by the Indian Branches.

Head Office, No. 1, King William Street, E. C., London.

MADRAS BRANCH.

Directors.

BENJAMIN CARDOZO, Esq.
REV. ALFRED R. SYMONDS.

EYRE B. POWELL, Esq.
JOHN SHAW, Esq.

Surgeon.

H. W. PORTEOUS, Esq.

THE UNIVERSAL is not only based on Sound Principles as to its rates and possesses a large invested Capital, but also offers all other advantages compatible with perfect security which could be sought for in any Assurance Office by a prudent Assurer.

A most laborious investigation into the rates of this Society has been going on during the last three years, founded on the superintendence of two of the most eminent Actuaries in London.

After proceeding minutely into the subject by tracing out from the Records of the East India Company the individual movements of each person, commencing with his first leaving England, his return on leave, and his again visiting India, up to the time of his final retirement from that Country, and also minutely working out the results of the UNIVERSAL's own twenty-eight years' experience, it has been found that the existing rates of the UNIVERSAL would not bear any material modification. This result is highly satisfactory, inasmuch as it fully confirms the accuracy of the existing rates, founded so far back as the year 1834, and shows the stability of the office.

Lower Rates adopted by other offices more recently established, are PROVED to be unprofitable, it being now found that, on the recent valuations of such offices, there are no profits whatever to divide among the Assurers, in reduction of their premiums. The UNIVERSAL, instead of entering into a ruinous race of competition, has adhered to its steady and prudent course, and the result shows that, it was enabled to declare at the annual valuation in 1862, a reduction of premium of 45 per cent. and in 1863 a reduction of 47 per cent. The following examples show the reduction on policies taken out previous to May 1858.

The Advertiser

Civil.						Military or Naval.				
Age.	Date of Policy.	Sum Assured.	Amount of Premium.	Reduction after 6 years.	Reduced Premium.	Age 12th May 1856.	Amount Assured.	Amount of Premium.	Reduction after 6 years.	Reduced Premium.
	12th May 1858.	Rs.	Rs.	Rs.	Rs.		Rs.	Rs.	Rs.	Rs.
20	"	10,000	420	199 $\frac{1}{2}$	220 $\frac{1}{2}$	20	10,000	470	223 $\frac{1}{4}$	246 $\frac{3}{4}$
30	"	10,000	480	228	252	30	10,000	540	256 $\frac{1}{2}$	283 $\frac{1}{2}$
40	"	10,000	590	280 $\frac{1}{2}$	309 $\frac{1}{2}$	40	10,000	630	299 $\frac{1}{4}$	330 $\frac{3}{4}$
50	"	10,000	740	351 $\frac{1}{2}$	388 $\frac{1}{2}$	50	10,000	770	365 $\frac{3}{4}$	404 $\frac{1}{4}$

This large return to the Policy holders, the Board confidently hope, will not only be maintained but if the support of the Indian community is freely accorded, be materially increased.

In all Assurance operations, the first and paramount object is SECURITY, on which may depend the ultimate happiness or misery of thousands: and it must be borne in mind that Assurers are not too highly rated by the UNIVERSAL to obtain this, to them, essential object, inasmuch as, if their subscriptions prove more than adequate to cover the general risks, THE EXCESS IS RETURNED to them (when entitled to participate in profits) ANNUALLY, IN THE SHAPE OF PROFITS, without having to wait, as in other offices, for the subsequent periodical return of five years before another valuation takes place; an advantage of vital importance in a country like India, where so many of the Assured may not outlive such subsequent periods of expectation.

The profits are declared in each year on the second Wednesday in May, from which date all persons who may have assured for the whole term of Life on the participating scale, and on whose Policies six complete annual, or twelve complete half-yearly original premiums have been paid, are entitled to participate in the profits of succeeding years in either of the modes provided by the Deed of Settlement, viz.: by a reduction of the annual or half-yearly premiums as they fall due, or by an equivalent addition on the sum assured by way of a bonus. Each assurer on his becoming entitled to participate in the profits, has the option of selecting either of the following methods, and three months from the date of declaration of the profits is allowed for his making that selection, which however, when once determined on, cannot be altered in any manner.

Notes for the Agents.
On return of Assured to Europe their Premiums are reduced to the English rates both on participating and non-participating Scales.

The Society makes a natural distinction between persons exposed to the hazards of Military and Maritime occupations, and those whose occupations are of a Civil nature; but Members of the Military Service holding offices purely Civil, and subject to no extra risk, will be charged the Civil rate of premium only while engaged in duties purely Civil. It will be in the discretion of the Directors in each particular instance to say whether the higher or the lower rate of Premium shall be chargeable, and that discretion will be regulated by the particular circumstances of the case.

When application is made for assuring a life subject to more than ordinary hazard, an augmented Premium will be charged proportionate to the increased risk, the rate of which will be regulated by the strictest attention to justice between the Society and the Assured, according to circumstances.

All Policies becoming claims on the Society will be discharged within three months after satisfactory proof of the death, and cause of death of the Assured, shall have been furnished to the Directors.

The Directors of the Indian Branches of the Society are empowered to treat for the purchase of Policies for the whole term of life on which Premiums shall have been paid for a period of not less than five years, or to advance, if required, on such Policies by way of loan, two-thirds of the estimated value.

No fees or stamps charged on Policies. Medical referees are remunerated by the Society by a fee of 16 Rupees on proposals for Assurance above Co.'s Rs. 2,500, and by a fee of 10 Rupees on proposals below that amount.

The Tables, Blank Forms, and other particulars, requisite to enable persons to effect Assurances may be had on application to

1st October 1883.

CHURCH OF ENGLAND

Life and Fire Assurance,

TRUST AND ANNUITY INSTITUTION.

MADRAS BRANCH.

AGENTS—MESSRS. PARRY AND CO.

RETIRING PROVISIONS COMBINED WITH LIFE ASSURANCE.

THE closing of the "MILITARY FUND" renders it necessary for Military Officers to make some other provision for the support of their surviving families; and one of the best arrangements for this purpose, will be found in the adoption of either of the following Tables, A or B, which have been specially calculated for the use of this Institution, and which will enable them to effect their object (at an early period of life) with little more expense than that of an ordinary Life Assurance.

These Tables present the means of effecting Assurances, which are payable either to the Holder of the Policy on his attaining 55 or 60 years of age, or to his representatives at his death if happening previously. Thus the Holder of a Policy may, upon the same becoming payable in his life time, either invest the sum assured in a Government Annuity, for the benefit of himself or for any member or members of his family, or otherwise dispose of it if he thinks proper.

The payment of a **fixed sum**, instead of an **annuity**, is considered by the Company the safest and the best mode of assurance, as it leaves the holder entirely at liberty to select that mode of provision for himself or for his family which he may consider most advantageous.

Similar Assurances may be effected at lower Rates of Premium on the lives of CIVIL SERVANTS and others not exposed to Military Risks.

THIS Company has been projected for the purpose of purchasing the valuable stock, interest and good will of the long established business of Messrs. TAYLOR and Co., on the Mount Road, and of Messrs. GOODCHILD & Co., near the Madras Club. The same to be conducted under a local Board of Directors.

There are few better opportunities for the investment of Capital than the present. The stock has been examined and valued by a Gentleman well acquainted with the value of such property, and who has himself taken a large number of shares in the Company—thus offering a good guarantee, that the shareholders are only paying a fair price for a bona fide stock. Besides which, the proprietors of these establishments will take an active part in the management of the business, and they have taken a large number of shares in the Company, offering a further guarantee for the success of the undertaking.

The Company will carry on the business of Horse dealing, Hacking, Mail contracting, and all other branches connected therewith, on the Premises No. 176, Mount Road, where their principal office is located, and which has been engaged on a monthly Rent, and taken on a lease for three years, with the option of renewal on the same terms, or the purchase within that period.

The profitable character of a business of this nature is well known, and is admitted to offer a desirable and safe investment for capital. At a moderate calculation it is estimated that the profits of the Company will not be less than 20 per cent. per annum, and as the Company extends its operations, by the undertaking of Mail contracts for the several Mail Lines in this Presidency, and the establishment of branches of their business in Vepery, and in Black Town, there is no doubt that the dividend will reach a considerably higher figure.

This Company enters into a business already in working operation. It differs very materially from one which requires to be made—the only outlay being for a stock which is immediately remunerative, as it is one that has for many years past been well supported by the general public, and has given very favourable returns. Under private management the establishments purchased have met with the greatest success, and it is not too much to expect that when owned by a large proprietary much greater results will follow, when the executive will be under the superintendence of a local and ever watchful Board of Directors.

For Prospectuses and forms of application of shares apply to the Secretary of the Company, 176, Mount Road.

The following are a few of the advantages of this Company.

It enters on a business well Established, and in active operation.

The Stock has been examined and valued by a competent valuator and by one in no manner connected with the old Business, but very much interested as a large Shareholder in the Company.

The whole of the Stock is immediately remunerative.

The Company starts free of all encumbrances being in no way responsible for the liabilities of the old Business—the working Stock alone being the property of the Company.
