CHAPLAINS.

REGULATIONS FOR THEIR ADMISSION.

Candidates for appointments as Assistant Chaplains must have been two years in Orders, and be under thirty-four years of age, and must, prior to appointment, produce their letters of Orders, Deacon, and Priest, as well as testimonial, signed by three beneficed clergymen; the appointments are made subject to the approval of

the Archbishop of Canterbury or the Bishop of London.

Chaplains must proceed to their destination within four months from the date of their nomination by the Secretary of State; and in failure thereof, without leave obtained from the Secretary of State for India in Council, their appointments will lapse.

CIVIL FURLOUGH REGULATIONS.—1855.

RULES FOR SICK LEAVE.

Sec. IV. Upon application duly made, the Government may grant leave of absence on medical certificate to any civil servant to any place in India, in Europe, or elsewhere, as he may consider most conducive to the restoration of his health, without any restrictions whatever as to the places to which he may resort.

Sec. VI. The following conditions will in future attach to leaves of absence granted to civil servants, who may be declared by a sufficient medical certificate to require such leave for the recovery of their health:—

First. The total period of absence, with

the privileges hereinafter provided, shall not (save as specially excepted in clause 5 of this section, and in section vii. of these rules) exceed eighteen months in the whole, nor shall it exceed fifteen months on any one occasion.

Secondly. The office of the absentee will be considered to be vacated if he shall be absent beyond eighteen months altogether, or beyond fifteen months at any one time, unless he shall obtain leave under clause 5 of this section, such absence to be computed, if he shall proceed to a sanatorium within the presidency, from the date of his arrival thereat to the date of his quitting the sana-

torium; if to any place beyond the presidency, but within the continent of India, from the date of his leaving the frontier of his own presidency to the date of his return thereto; and if he shall proceed to sea, from the date of the sailing of the vessel on which he may have embarked, from any port in India which is not more distant from his station than the ports of his own presidency, to the date of his arrival at any port within the presidency to which he belongs, or at any other port which is not more distant from his station than the ports of his own presidency.

Thirdly. The absentee will be entitled to draw a moiety of his salary, and the same will be paid to him during such period of absence, provided that he shall in no case draw a larger sum than Rs. 10,000 (£1,000) per annum during that period. In cases in which the emolument of the absentee's office does not exceed Rs. 5,000 per annum, no deduction therefrom shall be made for the period of eighteen months, nor shall such a deduction be made in other cases as shall reduce the allowance below Rs. 5,000 (£500) per annum. In cases in which the salary of the absentee may not be of that amount, the full salary will be granted.

Fourthly. For the interval elapsing between departure from station to the commencement of reckoning absence, or between the end of reckoning absence and re-arrival at station, the absentee will be allowed a special leave for an additional period of one month, two months, or three months, according to the distance to be travelled, as prescribed in Section XX. of these rules; and during this additional period the absentee will be entitled to draw the same salary as is allowed by clause 3 of this section.

Fifthly. If the absentee shall apply under medical certificate to remain absent for a longer period than eighteen months, or fifteen months at any one time, and it shall appear to be absolutely necessary, after examination by their medical officer in England, that he should do so, the leave which may have been granted in India will be extended to the limit of two years, with permission to retain office, and half salary within the limits enjoined, during such extension. If the absentee be in India, the leave may be extended to the limit aforesaid, under the orders of the Government of India, or the subordinate Governments, upon the certificate of a board of medical officers, to be summoned to report on the state of the absentee's health.

Sixthly. If the absentee be compelled by the state of his health, under due medical certificate, to remain absent for a longer period than eighteen months, or fifteen months at any one time, or beyond two years in the case of an extension under

clause 5, he will, as before stated, vacate his appointment, but he will be permitted to receive an allowance at the rate of £500 per annum, if above ten years' standing at the time when the leave was granted, or of £250, if not above ten years' standing at the time when the leave was granted, for such further period of absence as shall not exceed the entire term of three years in the whole. At the expiration of that term all allowance must cease until he reports his return to his presidency.

Sec. VII. If a civil servant of more than fifteen years' service, after having been absent on sick leave for eighteen months in the whole, or for fifteen months at one time, at whatever period of his service such sick leave shall have been taken, shall be again compelled by the same cause to apply for leave of absence, the Government of India and the subordinate Governments may, on special grounds, grant leave of absence for one further period not exceeding six months, during which the absentee may retain his office and half his salary, under the limits above enjoined.

Sec. VIII. If a civil servant, after fifteen years' service, shall be compelled by ill-health to apply for further leave of absence, he may be permitted on special grounds to obtain it, but his absence will involve the loss of office and salary: the Government of India, and the subordinate Governments, will, however, respectively exercise a discretionary power to grant, in such last-mentioned cases, a sick absentee allowance not exceeding Rs. 5,000, or £500, per annum, for a further period not exceeding twelve months.

Sec. IX. A civil servant, who has taken sick leave under the rules of 17th May, 1843, will not be debarred by that circumstance from taking such leave again under the above rules, with the privilege of retaining office, provided the leave be not granted till three years have expired after his return from his leave, under the rules of the 17th May, 1843.

Sec. X. None of the above-mentioned rules will be applicable to members of council. Each member may, however, with the special sanction of the Government, be permitted to be absent, under medical certificate, for a period not exceeding six months, retaining his office, and receiving half his salary, which shall be paid to him during such absence; but if his absence shall exceed six months, his office will be vacated.

Sec. XI. Civil servants who may desire to draw their allowances, while absent on account of sickness under the above rules, will be required to give security in such amount and form as may be fixed by the Government, for the refund of any excess that may be drawn, either by the agents at

CIVIL FURLOUGH REGULATIONS.—1855.

RULES FOR SICK LEAVE.

Sec. IV. Upon application duly made, the Government may grant leave of absence on medical certificate to any civil servant to any place in India, in Europe, or elsewhere, as he may consider most conducive to the restoration of his health, without any restrictions whatever as to the places to which he may resort.

Sec. VI. The following conditions will in future attach to leaves of absence granted to civil servants, who may be declared by a sufficient medical certificate to require such leave for the recovery of their health:—

First. The total period of absence, with

the privileges hereinafter provided, shall not (save as specially excepted in clause 5 of this section, and in section vii. of these rules) exceed eighteen months in the whole, nor shall it exceed fifteen months on any one occasion.

Secondly. The office of the absentee will be considered to be vacated if he shall be absent beyond eighteen months altogether, or beyond fifteen months at any one time, unless he shall obtain leave under clause 5 of this section, such absence to be computed, if he shall proceed to a sanatorium within the presidency, from the date of his arrival thereat to the date of his quitting the sana-

torium; if to any place beyond the presidency, but within the continent of India, from the date of his leaving the frontier of his own presidency to the date of his return thereto; and if he shall proceed to sea, from the date of the sailing of the vessel on which he may have embarked, from any port in India which is not more distant from his station than the ports of his own presidency, to the date of his arrival at any port within the presidency to which he belongs, or at any other port which is not more distant from his station than the ports of his own presidency.

Thirdly. The absentee will be entitled to draw a moiety of his salary, and the same will be paid to him during such period of absence, provided that he shall in no case draw a larger sum than Rs. 10,000 (£1,000) per annum during that period. In cases in which the emolument of the absentee's office does not exceed Rs. 5,000 per annum, no deduction therefrom shall be made for the period of eighteen months, nor shall such a deduction be made in other cases as shall reduce the allowance below Rs. 5,000 (£500) per annum. In cases in which the salary of the absentee may not be of that amount, the full salary will be granted.

Fourthly. For the interval elapsing between departure from station to the commencement of reckoning absence, or between the end of reckoning absence and re-arrival at station, the absentee will be allowed a special leave for an additional period of one month, two months, or three months, according to the distance to be travelled, as prescribed in Section XX. of these rules; and during this additional period the absentee will be entitled to draw the same salary as is allowed by clause 3 of this section.

Fifthly. If the absentee shall apply under medical certificate to remain absent for a longer period than eighteen months, or fifteen months at any one time, and it shall appear to be absolutely necessary, after examination by their medical officer in England, that he should do so, the leave which may have been granted in India will be extended to the limit of two years, with permission to retain office, and half salary within the limits enjoined, during such extension. If the absentee be in India, the leave may be extended to the limit aforesaid, under the orders of the Government of India, or the subordinate Governments, upon the certificate of a board of medical officers, to be summoned to report on the state of the absentee's health.

Sixthly. If the absentee be compelled by the state of his health, under due medical certificate, to remain absent for a longer period than eighteen months, or fifteen months at any one time, or beyond two years in the case of an extension under

clause 5, he will, as before stated, vacate his appointment, but he will be permitted to receive an allowance at the rate of £500 per annum, if above ten years' standing at the time when the leave was granted, or of £250, if not above ten years' standing at the time when the leave was granted, for such further period of absence as shall not exceed the entire term of three years in the whole. At the expiration of that term all allowance must cease until he reports his return to his presidency.

Sec. VII. If a civil servant of more than fifteen years' service, after having been absent on sick leave for eighteen months in the whole, or for fifteen months at one time, at whatever period of his service such sick leave shall have been taken, shall be again compelled by the same cause to apply for leave of absence, the Government of India and the subordinate Governments may, on special grounds, grant leave of absence for one further period not exceeding six months, during which the absentee may retain his office and half his salary, under the limits above enjoined.

Sec. VIII. If a civil servant, after fifteen years' service, shall be compelled by ill-health to apply for further leave of absence, he may be permitted on special grounds to obtain it, but his absence will involve the loss of office and salary; the Government of India, and the subordinate Governments, will, however, respectively exercise a discretionary power to grant, in such last-mentioned cases, a sick absentee allowance not exceeding Rs. 5,000, or £500, per annum, for a further period not exceeding twelve months.

Sec. IX. A civil servant, who has taken sick leave under the rules of 17th May, 1843, will not be debarred by that circumstance from taking such leave again under the above rules, with the privilege of retaining office, provided the leave be not granted till three years have expired after his return from his leave, under the rules of the 17th May, 1843.

Sec. X. None of the above-mentioned rules will be applicable to members of council. Each member may, however, with the special sanction of the Government, be permitted to be absent, under medical certificate, for a period not exceeding six months, retaining his office, and receiving half his salary, which shall be paid to him during such absence; but if his absence shall exceed six months, his office will be vacated.

Sec. XI. Civil servants who may desire to draw their allowances, while absent on account of sickness under the above rules, will be required to give security in such amount and form as may be fixed by the Government, for the refund of any excess that may be drawn, either by the agents at

the presidency or by themselves, in case of their coming under retrenchment.

RULES FOR SHORT LEAVE ON PRIVATE AFFAIRS.

Sec. XII. The Government may grant to civil servants leave of absence to any place in India, Europe, or elsewhere, without any restrictions whatever as to the place to which they may resort, for one month in each calendar year, without deduction from the salaries and emoluments drawn by such servants; such leave, however, will only be granted when the Government is satisfied that no inconvenience will arise from the departure of the officer seeking it. No second leave can be granted under this rule until the completion of eleven months from the expiration of the last leave, if taken at one time; or from the date of return from any sick leave, or until the completion of six months from the expiration of the last instalment of a leave, if it has been divided. Servants not availing themselves of the indulgence in any one year may obtain, under the like conditions, leave of absence for two successive months, to commence at or after the expiration of twenty-two months from the termination of their former leave; and if two years elapse without enjoyment of the privilege, leave for three months may, in like manner, be granted at the expiration of thirty-three months from the termination of the last preceding leave; but no leave shall be granted under this rule for any period exceeding three months. If an officer shall not return at the expiration of the period of leave granted him under this rule, he shall forfeit all pay and allowances during the time of his remaining so absent without leave; and if he shall so continue absent for more than one month beyond the term granted, his office shall become vacant.

Civil servants absent from their stations under medical certificate cannot be admitted to leave under this rule in continuation of their sick leave; and if, while absent under this rule, they be granted extended leave under medical certificate, they shall be considered liable to the rules applicable to leave of absence on medical certificate for the whole period of their absence.

Civil servants who have been absent on medical certificate during any portion of a calendar year, are not entitled to leave under this rule during that year, nor can leave under this rule be taken in connection with or continuation of leave granted under sec. xiv. cl. i.

Sec. XIII. As a general rule, when leave is granted under sec. xii., such leave will be in one period only, whether for a whole month or less, and not in detached portions to complete one month; but as an exception to this rule, it shall be discretionary with the several local Governments, where good cause is shown for the indulgence, and it is

attended with no public inconvenience, to sanction leave of absence under this rule to such parties as may not have occasion to apply for the whole at once, in two instalments only, which are not to exceed in the aggregate one month within the calendar year.

Sec. XIV. Clause I. The Government may, on sufficient cause being shown, grant to a civil servant special leave of absence on private affairs for six months, to any place in India, Europe, or elsewhere, without any restrictions whatever as to the places to which he may resort, provided, however, that the absentee shall draw no more than one-half of his salary and allowances. After an absence of six months any office held by the absentee shall become vacant.

Clause II. The leave granted under this section, if taken in India, will be computed from the date of the absentee's quitting his station to the date of his return thereto, and if taken in Europe, or beyond Indian limits, from the date of the sailing of the vessel on which he may have embarked, from the port nearest to his station, to the date of his arrival at the same on his return to duty. A second leave of the same description cannot be taken till the expiration of six years from the date of return to duty from a former leave. No portion of the half salary allowed to be drawn will be claimable till the absentee shall have returned to his duty. For the interval elapsing, in the case of leave taken to Europe, or beyond Indian limits, between departure from station to arrival at the port of embarkation, or between return to port and re-arrival at station, the Government may grant, on the same terms and conditions as the special leave, such an additional period of leave as may be considered to be absolutely required to enable the absentee to reach the port of embarkation, or to return from the port of disembarkation to his station.

Clause III. It will be understood that leave under this section is not to be granted as a matter of course to every applicant, but that it will be the duty of the Government to consider and determine whether the grounds of the application are sufficiently urgent to justify the concession of the leave.

FURLOUGHS ON PRIVATE AFFAIRS.

Sec. XV. In the place of the period of three years (in one term) for which furlough has hitherto been granted, civil servants will be allowed the option of taking a furlough of three years as at present, or of dividing the furlough into three periods of one year each, to be taken after successive periods of seven years' service, or into two periods, which may either be of one or two years respectively, or of eighteen months; provided that each,

In every case, the civil servant shall declare, on taking his furlough, whether he intends it to be for twelve, eighteen, twenty-four, or thirty-six months, in order that the Government may make its arrangements accordingly. In case of a division into two periods, the first furlough must be taken after a residence of not less than ten years, and the second furlough after a further residence in India of ten years from the date of return from the first furlough; but civil servants returning on furlough to Europe will continue, as at present, to vacate their offices.

Sec. XVI. The furlough allowance granted during the periods mentioned in the last section will be at the rate of £500 per annum, and the receipt of it will not, on any grounds whatever, be permitted for any longer period than three years.

Sec. XVII. Civil servants who may have been compelled by sickness to quit their duty under medical certificate, before completing seven years' residence in India, will be entitled to receive during their furlough on private affairs, taken subsequently to their completion of that period of residence, the ordinary furlough allowance of £500 per annum, for three years.

Sec. XVIII. Clause I. In applying the foregoing rules in substitution of those before existing, periods of absence to the limit of three years will count as service in India, in the twenty-five years entitling to the annuity, the present qualification of twenty-two years' residence being retained.

Clause II. Absence on medical certificate to the extent of one year will reckon as service and residence in India, and be so computed in addition to the three years of absence which, under the clause next preceding, are allowed to be reckoned as Indian service. All periods of short leave of absence on private affairs taken under sections xii. and xiv. of these rules will also count as service and residence.

Sec. XIX. Military officers employed in the civil department will be subject to the rules laid down in General Orders, No. 1150, dated 17th November, 1854, for the grant of leave of absence and furlough to officers holding military staff appointments.

NOTE.—Civil servants who have taken leave of absence on sick certificate to Europe, or elsewhere beyond sea, will be ineligible to furlough on private affairs until they have served six years from their last return to duty. This rule does not apply to short leaves to sea.

RULE FOR LIMITING THE PERIOD OF SERVICE.

Sec. XXIX. After thirty-five years' service no civil servant shall be appointed to any new office, or be permitted to retain

an office which he has held for a period of five years and upwards, except in special cases, which are to be referred for the decision of the Secretary of State for India in Council. This rule will be applicable to every civil servant appointed to office after its promulgation, and to the case of every other civil servant to whom it relates, at the close of five years from the 25th August, 1854.

RULES FOR THE GRANT OF LEAVE OF ABSENCE TO LAW OFFICERS.

Sec. XXX. The law officers may obtain sick leave, and short leave on private affairs, under the conditions prescribed in the case of civil servants, both as respects the periods of absence and the limitation of allowances during such absence. Leave will, however, only be granted at the convenience of the Government, and no additional expense will on any consideration be incurred by the Government on account thereof.

If any law officer shall quit his duty, *sans* on leave under medical certificate, or on short leave on private affairs, he will be considered to have vacated his appointment.

RULES FOR CHAPLAINS AND ASSISTANT CHAPLAINS.

Sec. XXXI. Chaplains and assistant chaplains may take furlough on private affairs, and on medical certificate, also privilege leave, and leave for short periods on private affairs, and on medical certificate, in or out of India, on the same terms and conditions as military officers, with the following modifications:—

First. Chaplains being allowed to retire after twenty years' service, the period of furlough on private affairs is in their case limited to the present term of three years. The furlough may, however, either be taken in one period or be divided into two periods, whether of eighteen months each or of two years and one year respectively; and if divided, the first furlough may be taken, as at present, after seven years' residence, and the second furlough after a further residence of ten years in India. As respects chaplains and assistant chaplains appointed before the 11th January, 1854, when the period of service was only eighteen years, their second furlough, if they should exercise the option of taking furlough in two periods, will be available after a second residence in India for a term of eight years.

Secondly. No furlough or leave of absence, whether on private affairs or on sick certificate, taken in Europe or elsewhere, in excess of three years, will be allowed to count as service in India in the

twenty years which qualifies chaplains for their retiring pensions. Periods of "privilege" leave, and of short leave of absence on private affairs, will, however, count as service and residence.

NOTE.—The term "residence" in Sec. XXXI. must be construed as "residence in actual service"; consequently, a chaplain will not be entitled to the higher rate of furlough allowance till he has completed seven years of actual service, computed from the date of his arrival in India; nor will he be entitled to pension on retirement until he has completed an actual service either of fifteen years, if appointed before 11th January, 1854, or of seventeen years if appointed subsequently to that date. The time of absence passed on the ordinary privilege leave is, however, permitted to rank as time spent on service.

Sec. XXXII. The furlough pay of chaplains will remain as at present. With regard to their allowance during sick

leave to any place out of India, they shall receive salary (but at a rate not exceeding £600 per annum) for the first six months of absence, and for the remaining twelve months, an allowance equal to the furlough pay of their standing. If the leave be extended, an allowance equal to furlough pay may be drawn for a further period of eighteen months.

NOTE.—It has been determined that chaplains and assistant chaplains, when absent in India under medical certificate, shall receive, within the limit of one year, their full salaries, subject to a reduction of one-third for the whole term of regulated absence; save and except that if the salary be not more than Rs. 500 per month, no deduction shall be made; and if it be only so much more than Rs. 500 that the prescribed deduction of one-third would reduce the allowance below that sum, only the excess beyond Rs. 500 shall be deducted.

OLD MILITARY FURLOUGH REGULATIONS.*

Officers (of whatever rank) must be ten years in India before they can be entitled (except in cases of certified sickness, and as hereafter specified) to their rotation to be absent on furlough, and the same rule is applicable to assistant surgeons and veterinary surgeons. The furlough to be granted by the commander-in-chief at each presidency, with the approbation of the respective governments.

Officers who have not served ten years in India, but whose presence in England is required by urgent private affairs, may be allowed a furlough for one year without pay.

Officers coming to England on furlough are required immediately to report their arrival by letter, with their address, forwarding at the same time the certificates they received in India.

The period of furlough is three years, reckoning from its date to the day of the return of the officer to his presidency.

Officers are required to join the establishment to which they belong at the expiration of the three years' furlough, unless they shall have obtained an extension of leave, six months before the expiration of that period. No furlough will be extended, except in cases of sickness, certified in the manner hereafter mentioned; or in cases in which it shall be proved that a further residence in Europe is indispensably necessary.

* These Regulations do not apply to officers who entered the service after the 1st of February, 1854.—Vide New Military Furlough Regulations, p. 23.

All officers finding it necessary to solicit a further leave of absence on account of sickness, must, if resident in London or its vicinity, appear before the examining physician, Sir J. H. Martin, who will report his opinion on the state of such officer's health. And if resident in the country in any part of the United Kingdom, they must transmit with their letter of application for such leave, a certificate according to the following form, signed by at least two gentlemen, eminent in the medical profession, viz.:

I hereby certify, that I have carefully examined (state the nature of the case, as well as the name of the party), and I declare, upon my honour, that, according to the best of my judgment and belief, he is at present unfit for military duty, and that it is absolutely necessary, for the recovery of his health, that he should remain at least longer in this country.

Also, previously to such extension of furlough being granted, such further proof shall be adduced by personal examination, or by such other evidence as shall be deemed satisfactory.

Officers abroad in any part of Europe, applying to remain a further time from their duty on account of sickness, are to furnish a certificate of two eminent physicians, in the above form, with the attestation of a magistrate, that the persons who signed the certificate are physicians.

Officers having obtained an extension of furlough to a given period, must at its expiration apply for permission either to return to their duty or to reside a further time in England.

In every case in which an officer has had

his furlough extended beyond the prescribed period on the ground of his health not being sufficiently restored, and shall apply for permission to return to his duty, he shall produce a certificate from the examining physician that his health is completely re-established, and that there is every probability of his being able to perform the active duties of his profession in India.

No officer who has failed to obtain an extension of furlough will be considered eligible to return to the service after five years' absence, under the Act of 33 Geo. III. cap. 52, sec. 70.

Every officer upon leaving India will receive a printed copy of the General Order on this subject, published agreeably to the instruction of the Secretary of State for India in Council, and the plea of ignorance

of the regulations will not be admitted as any justification of the breach of them; officers, therefore, who shall come home on furlough, and who shall not in due time apply, so as to effect their return to the Presidency to which they belong within the period of three years from the commencement of their furlough, will subject themselves to the loss of the service, unless they shall be permitted to remain a further time in Europe.

No officer on furlough can receive pay for more than two years and a half from the period of his quitting India until he returns, excepting colonels of regiments and general officers; the latter are then allowed to draw the pay of their brevet rank beyond the above period.

NEW MILITARY FURLOUGH REGULATIONS.—Nov. 17, 1854.

With the view of adapting the regulations to the present increased facilities of communication, and to correct, as far as possible, any tendency in them to deter officers from resorting to the places which may be most conducive to the restoration of their health, when a change of climate is required for that purpose, the following rules are established, and are to have effect from the 1st February, 1854:—

1. All regimental officers in the service on the 1st February, 1854, who prefer retaining what may be considered the advantages of the old regulations, may do so, provided they signify their wish to that effect when they next apply for furlough or leave of absence, without any limitation whether such leave be in India or else-

where; and officers who once make their election will not be entitled to any other choice, but will be afterwards subject to the new or old regulations, according to their decisions.

2. Staff officers, as such, have not the above option allowed them, but they may retain the advantages of the old regulations by giving up their appointments, which, in such cases, will be considered vacated from the date of embarkation.

3. To those officers who adopt them, the new regulations will apply retrospectively in respect of furlough and leave of absence beyond sea, and in computing their time of service for retirement, so that their furloughs or leaves of absence, whether under the old or the new rules, and whether on

private affairs or sick certificate, within or beyond India, will count for service to the authorized extent only, in computing the time for retirement on full pay.

4. Officers who have availed themselves of the option of the old rules are allowed to reconsider the question under the modifications now sanctioned.

5. Officers who have not taken leave subsequent to the publication of the new rules on the 1st February, 1854, and who, consequently, may not have been called upon to declare whether they would abide by the old or the new regulations, will, on retirement from the service, be entitled to take full advantage of the privileges given by the new regulations.

FURLOUGHS ON PRIVATE AFFAIRS.

6. Every officer will be allowed a furlough to Europe, or elsewhere beyond sea, for a period of two years at the expiration of ten years' service, and for a second period of two years after twenty years' service in India.

7. The second furlough of two years will only be granted after ten years' service in India, from the date of the return to duty after the first furlough of two years. These furloughs are not to be cumulative, under any circumstances, but are limited to two years. Officers who have taken leave of absence on sick certificate to Europe, or elsewhere beyond sea, will be ineligible to a furlough on private affairs until they have served six years from their last return to duty. This rule does not apply to short leaves to sea.

Officers who take their first furlough after twenty years' service in India, may take their second furlough after an additional service of six years from the date of their first return to duty. (G.O. 16 June, 1856.)

8. All grants of furlough on private affairs are subject to the exigencies of the public service, and to the regulations framed for the preservation of the efficiency of each regiment by limiting the number of absences.

9. Officers holding staff or other detached appointments, may be allowed furlough for a period of six months without losing their appointments; but, during that period, they will not be entitled to any portion of their staff salary, which will be drawn in full by the officers officiating for them.

Absence for six months under this rule does not preclude an officer from taking his furlough to Europe after ten years' service. (G.O. 16 June, 1856.)

10. All officers, whether staff or regimental, while on furlough on private affairs, will be entitled to "Furlough Pay" only.

LEAVE OF ABSENCE ON SICK CERTIFICATE.

11. Leave of absence on sick certificate

will be granted for a term not exceeding eighteen months, whether it be to any place in Europe, or elsewhere out of India.

12. Extensions of such leave may be granted, as at present, on production of medical certificates, for further periods not exceeding eighteen months in the whole.

13. An officer holding a staff or other detached appointment, will be allowed to be absent on sick certificate in England, or elsewhere beyond sea, for a period of twenty months, without losing his appointment; and, during the first six months only of such absence, he will be entitled to draw half the staff salary of his appointment, the officer officiating for him drawing the remaining half salary during the first six months, and the whole salary during the remainder of the time.

14. An officer's claim to half staff salary for six months, as sanctioned in the preceding rule, will not be affected by his subsequently retiring from the service in Europe or elsewhere.

15. No portion of command allowance, medical staff salary, or other similar allowance, which under the old rules was inadmissible to officers absent from their corps or stations, at the Cape or elsewhere, will be allowed to absent officers under these regulations.

16. All officers, whether staff or regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian pay and allowances as was allowed under the old regulations to officers proceeding to the Cape on medical certificate, and for the remaining period of their leave they will receive furlough pay only.

17. If the leave on sick certificate be extended, furlough pay will be continued; but under no circumstances for a longer period than three years altogether, from the commencement of the absence.

STAFF OFFICERS.

18. The term, "staff officers," applies to all officers holding staff or other detached appointments, military (general or regimental), political, or civil; also to general officers commanding divisions, members of the Medical Board, superintending surgeons, and others who, under the old rules, were entitled to draw half staff allowance while absent at the Cape.

19. Staff officers absent on leave beyond the periods stated in Rules 9 and 13 respectively, cannot retain their appointments and allowances except on special grounds to be sanctioned by the Government of the presidency. Any such special grant of leave is to be reported at once, with the reasons for it, and to be subject to approbation.

20. The privilege of retaining staff appointments during leave of absence on sick certificate, or on furlough on private affairs, will not be available a second time, if the fresh leave is on sick certificate, until an officer has been three years, or, if on private affairs, until he has been six years, in the discharge of the duties of his appointment, from the date of last return to it.

21. This rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs, in India, or for brief periods to Ceylon, the Mauritius, or other places out of India.

22. Officers commanding troops of Horse Artillery and Light Field Batteries, and officers generally in employment, will be allowed leave out of India under the same rules with respect to allowance and tenure of command or office, as regulated the grant of leave to the Cape to such officers under the old regulations, except as to the duration of those advantages, the time for their continuance being subject to the provisions of the new regulations.

DATE OF FURLOUGH AND ADVANCES OF PAY.

23. The period of furlough on private affairs, or leave of absence on sick certificate, is to be calculated from the date of the departure from India of the ship in which the officer proceeds.

24. Advances of pay and allowances, staff and regimental, to officers proceeding on leave of absence on sick certificate, who may be entitled to them, will be made in India for three months from date of embarkation. Payments in continuation will be made in England at the rates of exchange fixed annually for repayment of advances made on account of Her Majesty's Government. Furlough pay will continue to be issued in advance for six months when required by officers obtaining furlough on private affairs.

25. The existing regulations regarding passage-money to officers are not affected by these rules.

26. The certificates issued to officers who are granted furloughs on private affairs, or leave of absence on sick certificate, are to specify the time each officer has been absent on leave within Indian limits, as well as the time of his previous absence in Europe; but will not include the periods allowed for proceeding to the presidency or port of embarkation, and to enable officers to rejoin their regiments or stations after their return to India, nor the leave of one month's absence in six months, as authorized by the regulations. The last pay certificate of all officers proceeding to England on sick certificate is to specify the rate of regimental pay and allowances and staff salary to which they would have been en-

titled under the old regulations if proceeding to sea on medical certificate. This information is necessary in order that no difficulty may arise in the Pay Department of the India Office in adjusting the several payments which may be due.

OFFICERS OF H.M.'S SERVICE.

27. Officers of Her Majesty's service in India, whether employed regimentally or in staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

28. In the case of officers of Her Majesty's service on furlough or sick certificate, in England or elsewhere, who may retire or exchange into regiments not on the Indian establishment, the grant to these officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

PERIODS OF ABSENCE ALLOWED TO BE COUNTED AS SERVICE FOR RETIRING PENSIONS.

29. In order that all officers quitting India on furlough or sick certificate may be placed on an exact equality as regards loss of time, the period allowed by regulation for proceeding to the presidency, or to the nearest port of embarkation, as well as the time to enable officers to rejoin their corps or station after their return to India, will be considered as time counting for service for the retiring pension.

30. No furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years' aggregate service, three years in twenty-five years' service, and four years in thirty years' service, shall be allowed to count as service for the retiring pension; and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or out of India, or whether the leave be on sick certificate or on private affairs.

31. In the term "Leave of Absence" as announced in General Orders, "is to be included all leave of absence, except the period allowed in Rule 29, and the ordinary indulgence of one month's leave in six months, as authorized by the existing regulations, and which are, in all cases, whether of regimental or staff officers, to be allowed to count as service for the pension. All leave to a greater extent, granted by political and other authorities, which may not hitherto have been published in General Orders, must be so announced hereafter.

32. Officers to be entitled to retire on the full pay of their regimental rank (under the regulations of 1796), must have served twenty-two years in India, out of which leaves of absence for two years in the ag-

gregate, and not more, will be allowed to count as service for the retiring pension.

33. Officers to be entitled to retire on the full pay of captains and majors (under the regulations of 1835-37), must have served twenty and twenty-four years respectively; out of, which time leaves of absence for two years in the aggregate, and not more, will be allowed to count as service.

34. Officers to be entitled to retire as lieutenant-colonels must have served twenty-eight years; out of which leaves of absence for three years in the aggregate, and not more, will be allowed to count as service.

35. Officers to be entitled to retire as colonels must have served thirty-two years; out of which leaves of absence for four years in the aggregate, and not more, will be allowed to count as service.

36. The scale for medical officers and veterinary surgeons of privileged furlough and leave of absence as counting for the retiring pension, will be as follows:—

Years. Months.	
1 8	in 17 & under 20 yrs.' service
2 0	in 20 " 25 "
3 0	in 25 " 30 "
4 0	in 30 and upwards.

37. It is to be distinctly understood, that under no circumstances whatever will an officer be permitted to retire on full pay

until he has completed the full time of service above specified, whether he be in England at the close of his service or elsewhere.

38. The privileged time of absence may, with the permission of the local government, be taken at any time, subject to these regulations. If, therefore, at the end of twenty years' service, of which eighteen had been passed on actual duty in India, an officer should be on furlough or sick certificate in Europe or elsewhere, he will be entitled to retire on the full pay of a captain without returning to India, and so in the other terms of service for the higher pensions. In like manner, a medical officer on furlough or sick certificate, in Europe or elsewhere, at the end of seventeen years' service, fifteen years and four months of which have been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pension.

39. These rules do not in any way affect the existing regulations regarding the grant of leave in India, or for short periods to sea, whether on private affairs or on sick certificate, except as to the periods of such absence being taken into calculation in the time allowed to count as service for retirement on full pay.

MILITARY OFFICERS RETIRING.*

Officers who have served less than three years in India, and have lost their health there, are entitled to an allowance from Lord Clive's Fund, if they shall be adjudged to be proper objects of that bounty, to the extent of:—

2nd Lieuts., Cornets, or Ensigns, 2s. a day, or £36 10s. a year;

Lieuts. 2s. 6d. a day, or £45 12s. 6d. a year; provided they are not possessed of, or entitled to, real or personal property, to the extent of, if an ensign, £750; if a lieutenant, £1000.

Officers, on producing the prescribed medical certificate, countersigned by the commanding officer, that they are compelled to quit the service by wounds received in action, or by ill-health contracted on active service, or on detachment, outpost, or any military duty, in notoriously unhealthy localities, after three years' service in India, are permitted to retire on the half-pay of their rank, viz.:—

2nd Lieuts., Cornets, or Ensigns, 3s. a day, or £54 15s. a year.

* When officers on furlough retire upon the pay or half-pay of their rank, they are allowed, during a period of two years and a half from their quitting India, when on authorized furlough, the benefit of the regimental rank they may have respectively attained up to the date of their retirement.

Officers retiring from the service will be considered to have retired from the date of their application for leave to retire; or from the expiration of two years and a half from their quitting India, whichever shall happen first.

Officers are also allowed to retire without reference to the rank they may have attained, as follows, viz.:—

ROYAL WARRANT

FOR THE FORMATION OF THE STAFF CORPS.

VICTORIA R.

WHEREAS it is expedient to provide a body of Officers for Our Service in India, by whom various offices and appointments hitherto held by Officers borne on the strength of the several Corps or Regiments of Our Forces in India shall in future be held; and whereas Our Secretary of State for India in Council has resolved to charge upon the Revenues of India the sum necessary to provide the pay, half-pay, and pensions of such body of Officers on the scale hereinafter contained, Our will and pleasure is that a Corps be formed in each of the Presidencies of Our Indian Dominions, to be denominated the Bengal, Madras, and Bombay Staff Corps respectively, to consist of such Officers as may be required for such employment, and are selected for such purpose by Our Governments in India, with the approbation of Our Secretary of State for India in Council.

It is also Our will and pleasure that all Officers now holding, or who immediately before the commencement of their present unexpired furlough may have held such appointments, and in future Officers belonging to any of Our Land Forces serving in India, under the rank of Regimental Field Officer, who shall have served three years with a Regiment, of which two shall have been in India, shall be eligible to enter such Staff Corps; but such Officers will not be permanently transferred to the Staff Corps unless fully qualified, and until they shall have passed such periods of probation as may be determined on for the branch of the Indian Service for which they may be selected. Officers will receive Commissions in the Staff Corps on their names being submitted to us by Our Secretary of State for India.

It is Our further will and pleasure that the promotion and pay of the Staff Corps shall be regulated as follows:—

STAFF CORPS WARRANT.

1. Ensigns, when permanently transferred to the Staff Corps, to have the rank of Lieutenant. Other Officers to have the rank which they may hold in their Regiments.

2. Promotion in the Staff Corps to be governed by length of service. Officers after twelve years' service, of which four must have been in the Staff Corps, to become Captains.

After twenty years' service, of which six must have been in the Staff Corps, to become Majors.

After twenty-six years' service, of which eight must have been in the Staff Corps, to become Lieutenant-Colonels.

Five years' service in the Staff Corps as Lieutenant-Colonel to entitle the Officer so employed to the Brevet rank of Colonel.

3. Officers now in Staff employment in India, joining the Staff Corps on its formation, shall count their previous Staff service towards promotion to the following extent:—

One step of rank will be given to every Officer whose period of service would qualify him for it, according to the above Rules. An interval of two years at least must intervene between each succeeding step.

4. Officers in the Staff Corps will be eligible for Brevet rank in common with the rest of the Army.

5. Officers of the Staff Corps holding Military appointments will take Military Command according to their Army rank, but Officers whilst holding only Civil appointments will not be entitled to assume such Command.

6. Exchanges may be allowed between Officers of the Staff Corps under the substantive rank of Field Officer and Regimental Officers of the same rank on the recommendation of the Indian Governments. Officers of the Staff Corps exchanging into a Regiment will become the Juniors of their Regimental rank.

7. The power of removing Officers from the effective List of the Staff Corps will be exercised by us through Our Secretary of State for India.

8. Officers of the Staff Corps will receive pay according to the following scale:—

	Whilst required to remain in India.		Out of India.	
	Rs.	As. P.	£ s. d.	
General Officers * ..	1295	5	0	per mensem. 1 5 0 per diem.
Brevet-Colonel and Lieut.-Colonel ..	827	14	0	1 0 0 "
Major ..	640	14	0	0 16 0 "
Captain ..	374	1	6	0 10 6 "
Lieutenant ..	225	12	0	0 6 6 "

Every Officer when in active employment will also receive, in addition to the above pay, such a sum as will make his total pay and allowances up to the sum assigned by the Governments in India, with the approval of the Secretary of State for India in Council, as the consolidated pay of the office which he may hold. Eventually a certain proportion of the senior Officers of the Staff Corps will receive Colonel's allowance.

9. Officers of the Staff Corps will be allowed to retire on the following scale of pension, provided that not less than half of the required periods of service shall have been passed in the Staff Corps:—

	SCALE.	£ s. d.	
After 20 years' service in India ..		191	12 0 per annum.
" 24 ..		292	0 0 "
" 28 ..		393	0 0 "
" 32 ..		494	5 0 "

Officers of Her Majesty's Indian Forces joining the Staff Corps will be entitled to pension under the Regulations of the Indian Service.

10. Officers of the Staff Corps in England who may not wish to retire, but who are unable to return to India, and Officers removed from the effective List who may not be entitled to retire on the above scale of pension, will be placed on a half-pay list, provided they have served three years in India in the Staff Corps on the same rate of half-pay and on the same conditions as Officers of a similar rank in Our Army.

11. It is also Our will and pleasure that this Warrant shall be administered and interpreted by Our Secretary of State for India in Council, who shall be the sole and standing Authority upon the matters therein contained.

Given at Our Court at Windsor, this sixteenth day of January, 1811, in the Twenty-fourth year of Our Reign. By Her Majesty's Command, (Signed) CHARLES WOOD.

* NOTE.—In order to entitle a Staff Corps Officer of the rank of Major-General to the unexpired pay mentioned in the Royal Warrant for that rank, he must have actually served not less than six years in the substantive rank of Field Officer—the above six years being inclusive of any time he shall have been obliged to pass upon half-pay in consequence of ill-health contracted in the service (as established by a Board of Medical Officers), or in consequence of wounds received in action.

LIFE DEPARTMENT.

THIS CORPORATION has granted Assurances on Lives for a period EXCEEDING ONE HUNDRED AND FORTY YEARS, having issued its first Policy on the 7th June, 1721.

Two-thirds of the entire Profits, WITHOUT ANY DEDUCTION FOR EXPENSES OF MANAGEMENT, are allotted to the Assured. This arrangement will be found to be more advantageous to the Policy-holders than an apparently larger proportion of the Profits, subject to the expenses of management.

Assurances may be effected without Participation in Profits, at low rates of Premium, or with Participation in Profits, upon either of the following plans, viz.:

By an Annual Abatement of Premium in Policies of Five Years' standing and upwards. Upon this plan the abatement from the original Premium for the Year 1864, was at the rate of 40 per cent.

By appropriating the Profits at the end of every Five Years, either in increase of the Sum Assured, or as an immediate Cash payment.

Examples of the Bonus additions to the Sum Assured on Policies of Fifteen Years' standing, are subjoined.

COUGHS,

ASTHMA, AND

INCIPIENT

CONSUMPTION

ARE EFFECTUALLY CURED BY

KEATING'S COUGH LOZENGES.

JUDGED BY THE IMMENSE DEMAND, this UNIVERSAL REMEDY now stands the first in public favour and confidence; this result has been acquired by the test of fifty years' experience. These Lozenges may be found on sale in every British Colony, and throughout India and China they have been highly esteemed wherever introduced. For COUGHS, ASTHMA and all affections of the Throat and Chest, they are the most agreeable and efficacious remedy.

IMPORTANT TESTIMONIAL.

Sir,—The very excellent properties of your Lozenges induce me to trouble you with another testimonial on their behalf. All I can say is, that I have been more or less Consumptive for upwards of three years, and have tried a great number of Lozenges to abate the Cough, but from none have I found such relief as from yours—even one of them will check the most violent attack. They are invaluable, and I strongly recommend them to persons suffering from a Cough or Cold on the Chest. Pray make any use of this you please, if worth your while.

I am, Sir, your Obedient Servant,

ABRAHAM TURNER.
To Mr. KEATING. Prepared and sold in Boxes, 1s. 1½d., and Tins, 2s. 9d., 4s. 6d., and 10s. 6d. each, by THOMAS KEATING, Chemist, &c., 79, St. Paul's Churchyard, London. Retail by all Druggists and Patent Medicine Vendors in the World.

N.B.—To prevent spurious imitations, please to observe that the words "KEATING'S COUGH LOZENGES" are engraven on the Government Stamp of each Box, without which none are genuine.

CHILDREN'S WORM TABLETS (KEATING'S).

The great remedy for these disorders in children can now be administered in the form of a PURELY VEGETABLE SWEETMEAT, at once agreeable and effective.

Prepared and sold in Tins, 1s. 1½d. and 2s. 9d. each, by THOMAS KEATING, Chemist, &c., 79, St. Paul's Churchyard, London, E.C., and Retail by all Druggists and Patent Medicine Vendors in the World.

OBSERVE the Words "KEATING'S WORM TABLETS" are engraven on the Government Stamp of each Tin, without which none are genuine.

KEATING'S PERSIAN INSECT-DESTROYING POWDER,

For which a Prize Medal was awarded to the producer at the International Exhibition, 1862.

THIS POWDER IS QUITE HARMLESS TO ANIMAL LIFE, but is unrivalled in destroying Fleas, Bugs, Flies, Cockroaches, Beetles, Gnats, Mosquitoes, Moths in Furs, and every other species of Insect.

SPORTSMEN will find this an invaluable remedy for destroying FLEAS IN THEIR DOGS, as also Ladies for their Pet Dogs.

Being the Original Importer of this now invaluable article, which has found so great a sale that it has tempted others to vend a so-called article, the Public are therefore cautioned to observe that the Packets of the Genio Powder bear the autograph of THOMAS KEATING.

Sold in Packets, 1s., 2s. 6d., and 4s. 6d. each, or post free for 14 or 36 postage stamps, by THOMAS KEATING, Chemist, 79, St. Paul's Churchyard, London, E.C.

N.B.—Any of the above flutes made in Ebony, at a cost of two guineas extra. This material has been found to be one of the finest for tone, and is not affected by heat, cold, or moisture, and therefore the most economical. The joints never split, and require neither thread nor cork to fit them.

All the flutes are tried and proved by Mr. Benjamin Wells, who pronounces the Flutes A and C, with old fingerings, to be the best that can be purchased with old fingering. He attends daily to give instruction upon the new and old systems of fingering.

MILITARY BAND INSTRUMENTS.

RUDALL, ROSE, CARTE, & CO.

(KEY, RUDALL, & CO.),

20, CHARING CROSS, LONDON,

Manufacturers for Her Majesty's Government of the Patterns for the New Regulation Instruments for the Army, Patentees of the Cylinder Flutes, of the Clarionets without Thumb-hole, the New Brass Instruments, and Open Side Drums, beg to announce that

THE PRIZE MEDAL OF THE INTERNATIONAL EXHIBITION, 1862,

Has been awarded to them for Improvements in

Flutes, Clarionets, and Brass Instruments.

The first improvement consists in a novel arrangement of mechanism, by means of which a superior facility of manipulation is obtained on Boehm's Cylinder Flute, which instrument (patented in England and France by Messrs. RUDALL, ROSE, CARTE, & Co.) was honoured with the Council Medal at the Great Exhibition in 1851, and was referred to by the Jurors of 1862 as the universally acknowledged standard of excellence as to tone and intonation in Flutes.

The second improvement referred to in the award consists in securing a facility of fingering certain combinations of notes hitherto not playable, and others of difficult execution, upon the Clarionet, and at the same time strengthening the tone of notes hitherto weak upon this instrument. The old fingering is also retained.

The third improvement is the application to brass instruments of Finger Slides, in lieu of the ordinary Pistons, of great simplicity, forming part of the main tube of the instrument; the advantages being—1st, that the tone of the Piston notes is the same as that of the main tube or open notes; 2nd, that the intonation is more correct, owing to there being no small intervening lengths between the Pistons; 3rd, lighter action of the Pistons, and consequently greater facility of executing rapid divisions, shakes, &c.; 4th, less metal, making the instrument lighter; less work, each Piston having two instead of six holes; also less friction, and thus less liability to leak and get out of order.
