MILITARY MALE ORPHAN ASYLUM PRESS

THE Superintendent is desirous of bringing the claims of the Military Male Orphan Asylum Press before Gentlemen of H. M.'s Services and the Public in general.

The Press was established so far back as 1799, for the express purpose of affording help to the Madras Military Male Orphan Asylum. Receiving for a long series of years extensive patronage both from the Government and the Public, it was enabled abundantly to answer this purpose and materially to increase the resources of the Asylum.

For some years past, however, several causes have tended to diminish the patronage which this Press so long enjoyed. The Government have withdrawn their custom, having established a Press of their own. Madras Society has changed, friends and supporters have left the country, and others ignorant of the charitable object of the Press have replaced them. Indeed there is reason to believe that an erroneous impression exists that the Press is either entirely a Government Institution or largely aided by it. To remove this impression and to attract custom, is the object of this Appeal.

The Superintendent begs to inform the Public that the Press is well supplied with the necessary materials for executing Card-printing, Book-binding in all its branches, and all descriptions of Book and Miscellaneous Printing. He pledges himself to give untiring efforts to render satisfaction to all who employ the Press. He confidently solicits, especially from the Civil and Military Services, such support and patronage as will enable the Press to give extended assistance to the Fatherless and Orphan Children of the British Soldiers of this Presidency.

All orders will be thankfully received and carefullyⁿ executed by

Uniform in size with the Vol. previously published from 1848 to 1858.
Royal 8vo. 756 pages, strongly bound.

Price 17 Rupees.

THIS Volume comprehends a period during which many and important changes were effected in the Statute Law of the country, and may be regarded as Lawyer's *vade mecum*, as containing those Acts which both Judge and Practitioner have occasion frequently to refer to. Among its contents are the Penal Code—the Civil and Criminal Procedure Codes—the Mofussil Police Acts—the Small Cause Court Acts—the Law of Limitation—the Articles of War of the Native Army—the Merchant Seaman's Act—the Emigration to French Colonies Acts—the Passengers Act—the Income Tax Act—the Joint Stock Banking Companies Act and the new Stamp Act, all of which, more or less, bear on cases continually before the Courts.

To candidates for the special test Government Examinations, also this volume will be of great service.

(COMPILED IN THE ADJUTANT GENERAL'S OFFICE.)

Old Retiring Regulations.

1. The rules under which the period of service required to entitle Officers to the retiring Regulations is calculated, are as follow:—
2. Officers appointed *direct*, count service from the date of arrival within the limits of the Madras Presidency, unless specially authorized by the Court of Directors to embark in a Ship bound for another Presidency.
3. Officers appointed from Addiscombe subsequently to the 22nd November 1837 to the Cavalry, Artillery, or Infantry, count service as above, with the addition of the period passed at Addiscombe after attaining the age of sixteen.

G. O. G. 11th June 1850.
No. 120.

4. Officers of Engineers count service from the date of arrival of the first Artillery or Infantry Cadet of the same examination, with the addition of the Addiscombe period as above. In the event of there being no such Artillery or Infantry Cadet they count service from the expiration of $4\frac{1}{2}$ months from date of examination.

G. O. G. 10th June 1852.
No. 33.

5. Officers appointed in India, count service from the date on which they take the oath of allegiance.

G. O. G. No. 1073 of 26th November 1861. The following paragraphs of a Military letter from the Right Honorable the Secretary of State for India, No. 388, dated 8th October 1861, are published for general information:—

1.—“I have received and considered in Council your Despatch No. 158, dated 8th August, respecting the amount of leave on furlough or private affairs which Officers under the old Furlough Rules are permitted to count as service for pension, such leave being beyond the limits of their own Presidency.

2.—I concur in the opinion given by you that, in the case of Regiments serving beyond the limits of their own Presidency, Officers should not incur a forfeiture of service to the extent of all leave on private affairs in excess of three months, except taken in their own Presidency, and I approve of your so far modifying the present rule as to permit all leave taken by Officers of any Presidency in any other Presidency in which they may be serving to count as service towards pension in the same manner as leave taken within the limits of the Presidency to which they belong. The modification of the former rule will only affect Officers placed under the old Furlough Rules.”

7. Absence on sick certificate within the limits of India for periods not exceeding two years, successively, as also leave on private affairs beyond the limits of this Presidency, if for periods not exceeding three successive months, are counted in the time of service requisite to entitle to retiring Pay.

8. But all Officers quitting India on leave of absence on account of sickness or of private affairs, who shall proceed to Europe without having returned to India, shall be considered as on furlough to Europe from the dates on which they shall have respectively left India.

G. O. G. No. 1329 of 23d September 1859.—The following paragraph of a Military letter from the Right Honorable the Secretary of State for India, No. 262, of the 4th August 1859, is published for general information:—

In reference to the question raised by the Government of Bombay, it has been decided that Lieutenant Colonels of Artillery and Engineers, under the new organization retiring after twenty-two years' service under the Regulations of 1796 and Section XXXII of the new Furlough Regulations shall be entitled to retiring pension of the rank corresponding with the pay which they are entitled to draw at the date of retirement; thus a Lieutenant Colonel retiring while in receipt of Major's pay will be restricted to the retiring pension of a Major.

Submit for decision a question raised by the Government of Bombay, whether all Lieut. Colonels of Artillery and Engineers under the new organization, are entitled to the pension of their rank after twenty-five years' service, twenty-two of which have been passed in India.

a Lieutenant Colonel retiring while in receipt of Major's pay will be restricted to the retiring pension of a Major.

G. O. G. No. 454 of 5th April 1859.—With reference to Government General Order, No. 193, dated 5th October 1836, His Excellency the Governor General in Council is pleased to direct, that the following Military letter from the Right Honorable the Secretary of State for India, No. 58, dated 16th February 1859, be published in General Orders:—

9. Every Officer who has completed twenty-two years' service in India is allowed to retire with the pay of the rank to which he has attained.
10. All effective Officers, without reference to their actual rank, are allowed to retire. After twenty years' service in India, on the pay of Captains. After twenty-four years' service in India, on the pay of Majors. After twenty-eight years' service in India, on the pay of Lieutenant Colonels. And after thirty-two years' service in India, on the pay of Colonels.

Military, No. 58.

To HIS EXCELLENCY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

MY LORD,

Great difficulty having been experienced in dealing with claims advanced by Officers of short periods of service to retire on half pay, under the clause of the Retiring Regulations established by the late Court of Directors of the East India Company, by their Despatch to the Governor General of India, dated 11th May 1836, No. 3, as quoted in the margin, I have resolved, with the concurrence of the Council of India, to recommend to Her Majesty the substitution of the following modified rule, which Her Majesty has been pleased to sanction:—

"Officers on producing the prescribed Medical Certificates, countersigned by the Commanding Officer, that they are compelled to quit the service by wounds received in action, or by ill-health contracted on active service, or on detachment or out-post, or any Military duty in notoriously unhealthy localities, after three years' service in India, are permitted to retire on the half pay of their rank."

I have, &c.,

INDIA OFFICE, London, 16th February 1859. (Signed) STANLEY.

12. Officers who may be compelled to quit India on sick certificate and who may not be entitled to retire on full pay are to try the effects of a temperate climate for the usual term of furlough before they can be allowed to establish their claim to retire from the service upon half pay. If Officers so circumstanced, proceed to New South Wales, or some other Colony, and apply thence, at a proper time, for permission to retire, satisfactory evidence from the Medical Staff Officer, or other undoubted Medical testimony on the spot, to prove that the applicant is incapable from ill health to the performance of Military duty in India is necessary.

13. Members of the Medical Board *actually in the service, on the 16th July 1842, and appointed to the Board at any time within ten years from that date*, have, provided they have completed twenty years' service in India (including three years furlough) the option of retiring upon pensions either according to the general scale (para. 14) for length of service in India established on the above date or upon the following scale:—

		Per annum.
After serving in the Medical Board of not less than	Two years.....	£500
	Five years.....	£700

and in cases of certified sickness, rendering immediate return to Europe necessary, are permitted to retire in India or Europe, at any period after becoming Members of the Board on the first of those pensions, or at any time after the completion of three years' service in the Board on the second.

G. O. G. 31st July 1857, No. 964.

7. By existing Regulations, a Medical Officer holding the appointment of Member of the Medical Board, is required absolutely to retire from the service after he has served five years in that appointment. Hereafter, a Medical Officer who has passed a tour of duty in the highest appointments will, if he is still fit for the service, be permitted to return to the performance of other Medical duties, until he shall have completed thirty-five years' service, and so be enabled to qualify for the highest rate of retiring pension.

G. O. G. No. 260, 18th Aug. 1857.

14. Pensions in the Medical Service superior to those of Surgeon (Captain's full pay after seventeen years' service in India) are granted according to length of service, upon the following scale:—

		Per annum.
After 17 years' service,	£191 12 6	
	" 21... ..	£250 0 0
	" 25... ..	£300 0 0
	" 29... ..	£365 0 0
	" 32... ..	£500 0 0
" 35... ..		£700 0 0

16. Superintending Surgeons *actually in the service on the 16th July 1842, and appointed to the office of Superintending Surgeon at any time within ten years from that date*, have, provided they have completed twenty years' service in India (including three years' furlough), the option of retiring upon pensions either according to the general scale (para. 14) for length of service in India established on the above date or upon the following scale:—

		Per annum.
After service, as Superintending Surgeon, of not less than	Two years.....	£300
	Five years.....	£365

and in cases of certified sickness, rendering immediate return to Europe necessary, are permitted to retire in India or Europe, at any period after becoming Superintending Surgeons, on the first of those pensions, or at any time after the completion of three years' service as Superintending Surgeon on the second.

16. Members of the Medical Board and Superintending Surgeons compelled by sickness to return to Europe will be permitted to retire from the service upon their respective pensions of £500 and £300 at any period anterior to two years' service as required by paragraphs 13 and 15, and if after having served three years, then upon the full pension of £700 and £365.

17. All other Surgeons and Assistant Surgeons attached to the Army are permitted to retire from the service on the pay of their rank on the completion of seventeen years' service in India.

11. C. 2d July 1856, No. 34, excepted) will be required to submit with his application for leave, a report from one of the Officers noted in the margin, according to his Department, stating whether, with reference to the information before him, there is reason to require security as a special case on account of any doubtful items outstanding against the applicant, or because of any thing suspicious or extraordinary in the state of the applicant's accounts.

2. The reporting Officer must not delay his report in ordinary cases, by references to local Officers, as with a proper system of despatch and proper vigilance on his part, he ought, in all ordinary cases, to have the means of judging in his own office.

To the Secretary to Government, Military Department, Fort St. George.

SIR,—With reference to a communication from this Department, No. 142, dated 4th February 1856, I am directed to acquaint you, for the information of the Right Honorable the Governor in Council, that the Right Honorable the Governor General of India in Council is pleased to determine that the decision of Government conveyed to the Secretary to Government, Military Department, Bombay, in letter from this Department, No. 41, dated 4th February 1856, by which it is ruled that the day of departure from Regiment or appointment is one of leave, and the day of return thereto, one of duty, shall likewise be held applicable to privilege leave—thus an officer proceeding on privilege leave on the 5th August or thirty days and rejoining on the 4th September will have been absent full thirty days only having rejoined on the 31st day, which is one of duty, and an officer proceeding on the 5th August on 60 days' privilege leave and rejoining on the 4th October, will have been absent full 60 days only.

COUNCIL CHAMBER.

FORT WILLIAM.

17th January 1867.

The Right Honorable the Governor in Council is pleased to direct the publication of the following Bengal rule, and to sanction its extension to the Officers of this Presidency.

G. O. G.
No. 193 of
31st June 1856.

"Should an Officer who is on privilege leave not rejoin his Corps, but be absent in continuation, on not more than five months' leave on private affairs, or one year and eleven months' leave on medical certificate, he will retain his full salary or allowances for the thirty days of privilege leave, which will also count as service, but he will, nevertheless, forfeit all Military allowances on completing six months or two years absence, (as the case may be) reckoned from the date that he quitted his Corps and station."

Para. 3.—The periods for which leave may be granted are limited as follows; including day of departure and day of return, both which dates are in each case to be noted in muster rolls and abstracts.

By Officers Commanding Regiments subject to the control of Officers Commanding Stations.

For periods not exceeding three days in the calendar month (between Musters) within the Division or District and limited to an aggregate of ten days in six months, between the 1st January and 1st July and vice versa.

By Officers Commanding Stations subject to the control of Officers Commanding Divisions or Forces.

For periods not exceeding ten days in the calendar month (between Musters) within the Division or District and limited to an aggregate of twenty days in six months, between the 1st January and 1st July and vice versa exclusive of leave granted by Officers Commanding Regiments.

N. B.—Leave granted under the foregoing clauses to Officers serving in the Centre Division sanctions their visiting the Presidency.

By Officers Commanding Divisions or Forces.

To the aggregate extent of thirty days in six months between the 1st January and 1st July and vice versa (irrespective of Musters) to go wherever the Officer wishes, the Presidency included, and exclusive of leave granted by Officers Commanding Regiments and Stations.

The following General Order by the Right Honorable the Governor General of India in Council, is republished for the information of the Army :—

Fort William, 27th March 1857.—No. 466 of 1857.—Under the authority of the Hon'ble the Court of Directors, the Right Hon'ble the Governor General in Council is pleased to extend to Officers generally, at the three Presidencies, the privilege granted to Officers at Mooltan and Peshawar of being allowed, when the demands of the service will permit, temporary leave, without pecuniary loss or loss of service, for sixty days consecutively, in the course of each year, or of thirty days consecutively in each half year, as may be preferred.

The following Extract from a Despatch from the Honorable the Court of Directors to the Government of India, is published in General Orders :—

Para. 13. The privilege of two consecutive months' indulgence leave originally granted to Military Officers on Staff employ in the Peshawar Valley, on account of the distance of the District from the Presidency or any Sanitarium has been extended, for the same reason to the Trans Indus Territories; we do not however think it advisable that this privilege should be allowed to any Military Officer in Civil employ who, while holding Civil appointments, must abide by the regulations of the Civil Service in this respect.

Letter from dated 4th June 1857, No. 82. Reports Proceedings of the Government of India in the Financial Department for the 4th Quarter of 1856. Paras. 111 and 112. The following General Orders by the Right Honorable the Governor General of India in Council, are republished. Fort William, 2d August 1859.—No. 1099 of 1856.—The following Notification, from the Financial Department, is published in General Orders :—

No. 63. EXTRACT FROM THE PROCEEDINGS OF THE GOVERNMENT OF INDIA, IN THE FINANCIAL DEPARTMENT, DATED 12TH JULY 1859.

Extract from a Despatch from the Right Honorable the Secretary of State for India, No. 45 of 1859, dated the 19th May.

G. O. G.
No. 330 of
19th Aug. 1859.

Letter dated 18th January 1859, No. 6. Transmitted, in continuation of Despatch, dated 20th December 1858, No. 30, copy of an Office Memo., requesting further information in regard to the privilege leave to Military Officers in Civil employ.

Para. 7. As stated in paragraph 8 of my Despatch in this Department, dated the 21st April 1859, No. 33, you had rightly decided that the admission of Military Officers holding Civil appointments, to "the indulgence of three months' cumulative leave after thirty-three months' continuous service," had reference only to the period for which leave might be granted, and not to the allowances of the absence. This rule must be adhered to.

8. The full period of three months' absence may, however, count as service for pension, but if an extension of leave be applied for by a Military Officer, who has taken privilege leave under the Civil rules, it must be subject to the Military rules in regard to reduction of salary after the first two months' absence.

No. 67.

No. 250, Fort William, the 23rd January 1860.—Notification.—The following Resolution, passed by the Hon'ble the President in Council, in the Financial Department, under date the 6th instant, is published for general information :—

RESOLUTION.—The Officiating Civil Auditor, Fort William, enquires, with advertence to the case of Major Bouverie, Political Agent at Bhurtpore, whether, in the case of a Military Officer entering upon Civil employ, his score for privilege leave under the Civil rule

Para. 4. The leaves of absence authorized by the foregoing paras. may one and all be enjoyed by an Officer during the one and same period of six months above specified, without any loss of allowances; provided that in every case the Officer rejoins at the expiration of the particular leave obtained that is to say that an Officer cannot be absent at one time for more than three days on Regimental, ten days on Station, or thirty days on Division leave. But it is to be clearly understood that no consolidated salary, command, staff or contract allowance, shall in any instance, be drawn for two Officers for the same period, and that the State be not put to any additional expense thereby; and in the case of Staff and Medical Officers and Veterinary Surgeons, that they make approved arrangements for the performance of their duties during their absence.

Para. 5. The fact of an Officer having very recently returned to his post from general leave does not debar him from the privilege of obtaining leave under paras. 3 and 4.

Para. 6. An Officer unavoidably overstaying the leave granted him under paras. 3 and 4 will not be liable to forfeiture of Command or Staff allowances, except for the actual period in excess of the leave granted him by either of the above authorities. But it is always competent for the superior Station or Divisional authority to grant extension of such leave, on sufficient cause being shown to avoid even this forfeiture. For instance an Officer unavoidably overstaying Regimental leave may have it converted into Station or Division leave, and in like manner Station leave can be changed into Division leave provided always the prescribed aggregate extent of leave which the different authorities are respectively permitted to grant is in no case exceeded. When an Officer, under the above circumstances, exceeds the sixty days allowed in each half year it will rest with the Commander-in-Chief to grant him an extension of leave to prevent forfeiture of pay and allowances for the period he may have overstayed his original leave.

must commence from the date of joining his Civil appointment, or whether it must be calculated by the usual reckoning of 11, 22, or 33 months of uninterrupted service, irrespective of the Department (Civil or Military) in which such service may have been rendered.

2. Referring to this question, the President in Council observes that, when it was laid down that two or three months' accumulated privilege leave could be granted, under the Civil rules, to Military Officers in Civil employ, it was intended that such leave should be earned by continuous service of the required number of months in the Civil Department alone.

The following Extract of a letter from the Officiating Secretary to the Government of India, Military Department, to the Secretary to Government, Military Department, Fort St. George, dated 3rd April 1860, No. 62, is published :—

G. O. G.
17th April 1860,
No. 170.

"With reference to your letter No. 616, dated the 10th February last, I am directed to state for the information of the Honorable the Governor in Council, that His Excellency the Governor General is of opinion that the Military Secretariat to Government is certainly a Civil Department and that the Military Secretaryship to the Governor or to the Governor General, is as certainly a Military appointment. Accordingly the Civil rules for privilege leave are alone applicable to the former, and the Military rules exclusively to the latter."

G. O. G.
27th July 1860,
No. 344.

The Governor in Council is pleased to authorize the Principal Inspector General Medical Department, to grant privilege leave to Medical Officers in Civil employ at the Presidency, the same being notified in every case in the Official Gazette. Leave to Medical Officers in Military employ will, however, continue to be granted as heretofore.

No. 53.

The Governor in Council directs that the following rule, contained in G. O. by His Excellency the Commander-in-Chief in India, dated Simla, 12th July 1859, be extended to this Presidency.

Leave of absence, preparatory to furlough, whether on private affairs or on sick certificate, must always be general, and not privilege leave.

5th March 1861,
No. 80.

With reference to G. O. G., No. 53, dated 3d February 1860, the Governor in Council directs that, in future, in accordance with the practice in Bengal, leave of absence preparatory to retiring from the service shall always be general, and not privilege leave.

G. O. G.
10th Dec. 1861,
No. 436.

The following Extracts from a Military letter from the Government of India, No. 930, dated 23rd November 1861, are published for general information :—

"Though an Officer taking privilege leave may proceed wherever he may desire, he cannot proceed to such a distance as must preclude the possibility of his rejoining within the period of such leave. Thus as privilege leave, under Military rules, is limited to sixty days, and it is impossible, under existing arrangements for transit, to visit Europe and return thence within that period, an Officer cannot go to England on privilege leave on Military rules."

"Government alone can grant an Officer leave to visit Europe."

Para. 6½.—Should an Officer on leave under paras. 3 and 4 be put on duty by the Commander-in-Chief at a station at a distance from his own, on a date which, with reference to such distance, would admit of his rejoining, by any mode of travelling within the period of his leave, he will be entitled to compensation for loss of allowances for the period of his detention beyond the expiration of his leave, but if put on duty at a time and place from which he could not with reference to distance rejoin within the period of his leave by any mode of travelling, he will not be entitled to compensation for any period of absence from his Regiment.

Para. 7.—The above rules are applicable to Divisions and Forces, both within and beyond the Frontier. By order of His Excellency the Commander-in-Chief.

W. G. WOODS, Lieutenant Colonel,
Adjutant General of the Army.

With the view of adapting the Regulations to the present increased facilities of communication, and to correct, as far as possible, any tendency in them, to deter Officers from resorting to the places which may be most conducive to the restoration of their health, when a change of climate is required for that purpose, the following rules are established, and are to have effect from the 1st February 1854 :—

Sir,—I am directed by the Commander-in-Chief to request you will be good enough to draw the attention of the Government to the fact that Military Officers in Civil employ occasionally obtain leave of absence from the Civil Authorities without declaring the Regulations under which the leave is taken, whereas those in Military employ are, without exception, obliged on the first occasion of taking leave, to elect either the old or the new rules.

2. The Commander-in-Chief is of opinion that all Officers in Civil or Military employ should be put on the same footing in respect to leave whether in or out of India.

- To those Officers who adopt them, the New Regulations will apply retrospectively in respect of furlough and leave of absence beyond Sea, and in computing their time of service for retirement, so that their furloughs or leaves of absence, whether under the old or the new rules, and whether on private affairs or sick certificate within or beyond India, will count for service to the authorized extent only, in computing the time for retirement on full pay.
- Officers who have availed themselves of the option of the old rules, are allowed to re-consider the question under the modifications now sanctioned.
- Officers who have not taken leave subsequent to the publication of the new rules on the 1st February 1854, and who consequently may not have been called upon to declare whether they would abide by the old or the new Regulations, will, on retirement from the service, be entitled to take full advantage of the privileges given by the new Regulations.

Furloughs on Private Affairs.

The following Extracts from Military Despatches from the Right Honorable the Secretary of State for India, are published:—

Despatch dated 9th October 1860, No. 154.
Para. 17. "In reply to the inquiry contained in this letter, I have to inform you that the period passed by a Gentleman Cadet at the Royal Indian Military College, Addiscombe, after attaining the age of sixteen years, should be allowed to reckon as service to entitle him to Furlough on full pay only, and gives no claim to anticipate the period fixed for furlough to Europe."

With reference to para. 6. The Right Honorable G. O. G. 18th March 1856, the Governor General of India in Council directs that the following paragraph of a Military letter from the Honorable the Court of Directors to the Government of India, No. 8, dated 23d January 1856, be published in General Orders.

Letter No. 213, dated 29th Sept. 1855. Para. 8. We have to state in reply to your inquiry, that an Officer proceeding on leave to England for six months, retaining his appointment or otherwise, is not to be considered as having taken his authorized furlough after ten or twenty years, as the case may be, but may, with your permission, be allowed at the time to take the remainder of the two years authorized furlough on private affairs.

With reference to paras. 6 and 7. The Right Honorable G. O. G. 16th June 1856, No. 859. The Governor General of India in Council is pleased to notify that the Honorable the Court of Directors, in their letter No. 56, of the 25th April 1856, have communicated the following decisions regarding the new furlough rules, published in Government General Order, No. 1150, dated the 17th Nov. 1854:—

Referring to Rules 6, 7.—Officers who take their first furlough after twenty years' service in India, may take their second furlough after an additional service of five years from the date of their last return to duty.

Referring to Rule 9.—Absence for six months under this rule does not preclude an Officer from taking his furlough to Europe after ten years' service.

With reference to paras. 6, 7 & 8. 3. An Officer of upwards of 20 years' service, but who before completing that period has enjoyed a furlough on private affairs to Europe, for say four years, for three of which he drew pay, has a claim to a second furlough of one year with pay, on the completion of ten years from the date of his return to duty; but, if subsequently to his return from furlough, he has taken leave out of India on S. C. his second furlough on private affairs will not be claimable till the expiration of six years from return to duty from such sick leave as well as ten years from the date of return to duty from furlough on private affairs.

N. B.—This rule is not applicable to an Officer who takes his first furlough out of India after completing twenty years' service; vide para. 4 of this order.

With reference to para. 6. 4. Officers who have proceeded on sick leave to Europe after a period of twenty years' service, it being the first time of their quitting India, can, as in the case of Officers who take their furlough after the same period, take a furlough on private affairs after five years from the date of their return to duty.

6. Every Officer will be allowed a furlough to Europe, or elsewhere, beyond Sea, for a period of two years, at the expiration of ten years' service, and for a second period of two years after twenty years' service in India.

7. * The second furlough of two years will only be granted after ten years' service in India, from the date of the return to duty after the first furlough of two years. These furloughs are not to be cumulative, under any circumstances, but are limited to Officers who have

absent on sick certificate to Europe or elsewhere beyond Sea will be ineligible to a furlough on private affairs until they have served six years from their last return to duty. This rule does not apply to short leave to sea.

8. All grants of furlough on private affairs are subject to the exigencies of the Public Service, and to the Regulations framed for the preservation of the efficiency of each Regiment by limiting the number of absentees.

9. Officers holding Staff or other detached appointments may be allowed furlough for a period of six months without losing their appointments; but during that period, they will not be entitled to any portion of their Staff salary, which will be drawn in full by the Officers officiating for them.

No. 246.

9. I have to inform you that it has been decided that those Officers who have come to this Country on duty with discharged Troops, and have been granted extensions, (not exceeding six months) of their privilege leave on medical certificate, or on private affairs, shall not be considered to have vitiated their claim to Furlough at the end of ten years' service, though they may not have been six years in India since their return from this country.

The following Extract from a Military Despatch from the Right Honorable the Secretary of State for India, is published in General Orders :—

No. 290.

Para. 4. I have to inform you that it has been decided that those Officers who have been allowed to count their leave on sick certificate, as service for pension, will be ineligible to a furlough on private affairs, until they have served six years in India from the date of their return to duty.

4. A number of Recruits having been enlisted for the Royal Artillery, for service in India, it has been deemed expedient that a certain proportion of Officers of the Bengal, Madras, and Bombay Artillery should be appointed to do duty with them at the Royal Artillery Depot at Woolwich, until the next season of embarkation, and that some of these Officers should, then proceed with the drafts to India.

G. O. G. 28th
March 1861, No.
115.

These Officers will be entitled to count the time passed at Woolwich as service in India, and if they proceed with Recruits, the period occupied by the voyage. The Officers returning with Recruits will be allowed to count the period passed by them on duty at Woolwich, and on the voyage, as part of the qualifying period necessary for them to serve in India before they are again entitled to a furlough to Europe.

No. 565 of 1861.—His Excellency the Governor General in Council is pleased to resolve that absence from India, on authorized leave within the periods allowed by the new furlough Regulations, shall not debar an Officer whose efficiency has been proved and certified to the full satisfaction of the Governor in Council from Departmental promotion, temporary or permanent.

No. 232.

In such cases the absent Officer will not, till he resumes charge of his duties, have any claim to the salary of the higher office, which will be drawn by the acting Officer.

Secy. to the Govt. of India.

Fort William, the 1st October 1861.

No. 874 of 1861.—The following paragraphs of a Military letter from the Right Honorable the Secretary of State for India, No. 304, dated 2nd August 1861, are published for general information :—

1. Your letter dated 3rd June last forwards an application from Lieutenant D. MacIntyre, 2nd Command Sirmoor Battalion, that the leave of absence for six months granted him to Europe on private affairs may be extended to eighteen months on the same account, with retention of his appointment under the 93rd paragraph of your General Order, dated 10th April last.

G. O. G.
No. 360,
15th Oct. 1861.

2. The privilege of retaining appointments during periods of absence not exceeding twenty months, as announced in my Despatch, dated 18th January last, applies only to Officers returning to this country on medical certificate. It was intended as an extension of the privilege of fifteen months' leave allowed by the new furlough Regulations to Staff Officers quitting India on account of the state of their health. With this exception Officers of the Staff Corps, it was stated, would be under the new furlough Regulations. By these Regulations, furlough on private affairs with retention of Staff appointments is restricted to six months.

3. The furlough on private affairs of the Officers of the Staff Corps, with the right of retaining appointments, is to be limited to the same period.

4. The application of Lieutenant MacIntyre cannot therefore be complied with.

No. 17 A of 1863.—The following copy of a Military Despatch from the Right Honorable the Secretary of State for India, No. 61 of the 9th February 1863, is published for general information :—

MILITARY.
No. 61.

To HIS EXCELLENCY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.
MY LORD—Your letter No. 414, dated 3d November 1862, in which you bring to notice questions which have arisen with regard to the furlough rules of 1854, so far as they relate to the right of Officers to retain their Staff appointments during absence in Europe, in certain cases, has been under my consideration in Council.

2. It appears to me that the interpretation put by your Government on the portion of the furlough rules referred to is proper; and that it should accordingly be laid down as a rule for the guidance of the respective Governments.

That an Officer must have served ten years in India to entitle him to return to this country on private affairs for six months, retaining his appointment and drawing furlough pay.

G. O. G.
14th April 1863,
No. 127.

That an Officer who has taken the furlough to Europe for two years, after ten years' service, must show a service in India from date of return of ten years, to entitle him to return to Europe on private affairs for six months, retaining his appointment and drawing furlough pay.

That an Officer having taken shorter leaves of absence as a Staff Officer (six months on private affairs fifteen or twenty months on sick certificate) with retention of appointment may take a second leave of absence, retaining his appointment on sick certificate after he has been three years, or on private affairs, after he has been six years in his discharge of the duties of his appointment, from the date of last return to it.

3. I am of opinion, however, that this decision should not be allowed to interfere with the practice which has been followed under the Regulations of 1854, and those in force previously, for permitting Officers in certain cases of emergency to return to this country on private affairs for short periods without pay, and that a Staff Corps Officer permitted to return to Europe under such circumstances should be allowed to hold his appointment for a period not exceeding six months. In fact, this has already been authorized in Question and Answer No. 121, which states that the Government may grant leave of absence for six months on urgent private affairs without pay and allowance to a Staff Corps Officer, with retention of appointment, on being satisfied of the urgency of the case.

4. I am of opinion also that Staff Officers not members of the Staff Corps should be allowed a similar indulgence under like circumstances.

I have, &c.

HIS EXCELLENCY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.
MY LORD,—Referring to my Despatch* dated 31st March 1862, regarding the mode of reckoning the service of an

* No. 134.

Officer of the Staff Corps formerly under the old furlough Regulations, I have to inform you that as regards future furloughs such Officers will be under the operations of Clause 7 of the furlough rules of 1854 quoted in the margin.

G. O. G.
28th Aug. 1863,
No. 304.

"The second furlough of two years will only be granted after ten years' service in India from the date of the return to duty after the first furlough of two years.
"These furloughs are not to be cumulative under any circumstances, but are limited to two years. Officers who have taken leave of absence, on sick certificate, to Europe or elsewhere, beyond Sea, will be ineligible to a furlough on private affairs until they have served six years from their last return to duty. This rule does not apply to short leaves to sea."

I have, &c.,

(Signed) C. WOOD.

10. All Officers, whether Staff or Regimental, while on furlough on private affairs, will be entitled to "furlough pay" only.

Leave of absence on Sick Certificate.

11. Leave of absence on sick certificate will be granted for a term not exceeding eighteen months, whether it be to any place in Europe or elsewhere out of India.

12. Extensions of such leave may be granted, as at present, on production of medical certificates for further periods not exceeding eighteen months in the whole.

With reference to para. 13. No. 1884.—The grant of leave of absence to Staff Officers, on medical certificate, with half Staff allowances, for six months, and with the privilege of returning to their offices, if their absence from India be not prolonged beyond fifteen months, is bestowed by the Honorable Court, in order to enable such Officers to regain their health, and in the expectation, that they will be thereby qualified to render additional service to the Government. But if leave of absence be taken merely to run out a prescribed period of service, and without any intention of returning to duty, the principle on which the rule is founded is infringed, and the indulgence of the Honorable Court is abused; wherefore the Right Honorable the Governor General in Council hereby notifies for general information, that, if there be an avowed intention on the part of an Officer not to return to duty, or if the Government have valid grounds for concluding that the Officer has no intention to return to duty, the indulgence of leave on sick certificate, retaining office, will not be granted in future.

Calcutta Gazette, 4th April 1856. Notification in Foreign Department.
The foregoing was declared in a Notification, No. 2,129, dated 16th April 1856, republished in G. O. G. 2d May 1856, No. 139, to be applicable to all Military Officers holding Political or Civil appointments, either under the Government of India or under any of the Subordinate Governments.
With reference to paras. 13 and 16. 6. If an Officer, having proceeded on leave in India on medical certificate and enjoyed the indulgence of leave on medical certificate out of India without having returned to duty, the existing Regulation which precludes receipt of Indian allowances for a longer period than two years of continuous absence from duty, is a bar to his drawing Indian allowances for the first six months or for any part of his fresh leave.

13. An Officer holding a Staff or other detached appointment will be allowed to be absent on sick certificate in England or elsewhere, beyond Sea for a period of fifteen months, without losing his appointment; and, during the first six months only of such absence, he will be entitled to draw half the Staff salary of his appointment.

The following Orders by the Lieutenant-Governor, North Western Provinces, are republished in General Orders:—

G. O. G.
16th Sept. 1859.
No. 350.

1. The new furlough Regulations made no alteration in the old rules governing the resumption of Staff allowances on return to duty. Under those rules an Officer who had ceased prior to his return, to be entitled to Staff allowances, could not draw any portion of them from an earlier date than that of his resumption of his Staff duties. We think it undesirable to make any change in this respect.

G. O. G.
No. 334,
1st Oct. 1861.

30. In the same (55th) paragraph of your Despatch, you express an opinion that the boon of twenty months' leave on sick certificate, with retention of appointment, granted to Officers of the Staff Corps, may be extended to all Officers of the other branches of the service. I have much pleasure in acceding to this recommendation, and I authorize you to give it effect immediately in the three Presidencies. I have no objection to extending this boon to Officers now on furlough in all cases in which you may think it desirable to recommend it.

14. An Officer's claim to half Staff salary for six months, as sanctioned in the preceding rule, will not be affected by his subsequently retiring from the service in Europe or elsewhere.
15. No portion of Command allowance, Medical Staff salary or other similar allowance, which under the old rules was inadmissible to Officers absent from their Corps or Stations at the Cape or elsewhere, will be allowed to absent Officers under these Regulations.
16. * All Officers, whether Staff or Regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian Pay and Allowances as was allowed under the old Regulations to Officers proceeding to the Cape on medical certificate, and for the remaining period of their leave they will receive furlough pay only.
17. If the leave on sick certificate be extended, furlough pay will be continued, but under no circumstances for a longer period than three years altogether from the commencement of the absence.

Staff Officers.

18. The term Staff Officer applies to all Officers holding Staff or Detached appointments, Military (General or Regimental), Political or Civil, also to General Officers Commanding Divisions, Members of the Medical Board, Superintending Surgeons, and others who, under the old rules, were entitled to draw half Staff allowance when absent at the Cape.

With reference to para. 19. The following paragraph of a Military G. O. G. 4th Sept. 1855, No. 904. ry letter, from the Honorable the Court of Directors to the Government of India, No. 84, dated 27th June 1855, is published for general information:—

No. 237.

7. Staff Officers applying for leave in India are not required, by the new furlough rules, to vacate their Staff appointments. We therefore approve and confirm the view you have taken of this question.

With reference to para. 19. 1. The Commander-in-Chief directs it to be notified that under a decision of the Government of India, the new furlough Regulations are held not to affect the rules heretofore in force with respect to leave in India, and that consequently a Staff Officer obtaining leave of absence in India on private affairs for six months, or on medical certificate for two years, retains during such absence a moiety of his Staff salary as sanctioned by the Regulations for the grant of leave in India which are still in force.

G. O. C. C.
2d October 1855,
No. 73.

2. A Staff, as well as a Regimental Officer is required, when first applying for leave, whether in or out of India, to declare by which of the furlough Regulations he wishes to abide. A Staff Officer having made his election can take his leave in India as above stated, and should he afterwards require to proceed to England, the retention or otherwise of his appointment will depend upon which of the rules he first elected, and from which he cannot afterwards change.

3. In the event of a Staff Officer electing the new furlough Regulations and taking leave in India, the whole of the leave he has previously enjoyed from the date of his entering the service, excepting the periods allowed by those rules to reckon as service, must be reckoned against his period of service for retirement.

28. This is the third instance within a very short time in which the privilege of continued tenure of Staff appointment has been recommended merely on the ground of a continuation of the medical certificates. If this system were admitted, the rule which limits absentees to the privilege of fifteen months' absence on medical certificate must necessarily be abandoned.

29. You will have seen by our letters of the dates noted in the margin that we have declined to sanction the retention of Staff appointments beyond the term of fifteen months recommended on the ground of continued sickness. The Regulations state that such retention of office can be only sanctioned on "special grounds," to be reported to us and subject to our approbation.

No. 151 of 1859.—The Governor in Council directs the publication of the following Extract from a letter from the Secretary to the Government of India, Military Department, dated 30th March 1859, No. 1,416, in reply to an application for the services of certain Officers on Staff and detached employ whose absence in Europe on medical certificate, had exceeded the period of fifteen months.

With reference to para. 19. "I am directed to acquaint you, for the information of the Right Honorable the Governor in Council, that it has not been the practice to place Officers who exceed the authorized period of absence, during which they retain their Staff situations, at the disposal of the Commander-in-Chief, or of the Government of the Presidency to which they belong."

"An Officer exceeding the period of authorized leave, has, I am to add, no Staff employ, unless re-appointed, and he reverts to his Regimental duties."

No. 213 of 1859.—With reference to G. O. G. 20th July 1858, No. 275, the following Despatch from the Right Honorable the Secretary of State for India is published:—

Letter dated 21st April 1859, No. 58.

G. O. G.
31st May 1859.

Having considered in Council your Despatch, No. 25, dated 11th February 1859, soliciting instructions as to what may be admitted as special grounds for permitting a Staff Officer, absent on medical certificate, to retain his appointment for any period beyond fifteen months, I have to express the desire of Her Majesty's Government that this indulgence should be very rarely granted, and only in cases where it is important on public grounds to retain an Officer's services in a particular appointment, or where the distinguished services of an Officer may entitle him to special consideration.

The Right Hon'ble the Governor-General of India in Council is pleased, with the concurrence of the Right Hon'ble the Secretary of State for India, to modify to the following extent such of the new furlough Regulations as are applicable to General Officers on the Staff.

The concession of leave to Europe in the case of a General Officer is to be considered the exception and not the rule; and, as ground for obtaining such leave, it must be shown that the Officer has contracted illness from the effects of climate, or of wounds received on service in India, or that the nature of the private affairs taking him from India is of a very urgent nature.

Leave on medical certificate will be restricted to six months, and on private affairs to four months, the penalty of exceeding such period being the vacation of the Command, and in no case will a General Officer be allowed more than one grant of leave out of India during his tour on the Staff.

The position of Brigadiers being considered analogous to that of General Officers on the Staff, the principle upon which the indulgence of leave is to be granted will hereafter be the same in both cases.

he should therefore at the time of applying for leave address the Deputy Paymaster in
whose Circle of payment he may be, with a request that his accounts may be adjusted,
and at the port of embarkation he should apply at the Pay Office for a last Pay Certificate.
In the event of his not being able from any cause to obtain this certificate, he should ad-
dress the Military Accountant on the subject, and that Officer will investigate the circum-
stances of the case and submit a report thereon to the Military Finance Department for
transmission to Government.

2nd.—In cases in which Officers return Home "for Residue of furlough," the period
remaining unexpired should be stated in their papers by the Pay Department.

3rd.—The Right Honorable the Secretary of State for India having observed, in his
letter No. 497, dated the 31st December 1861, paragraph 10, that "the final settlement of
all pay and allowances issued to an Officer prior to his quitting India, whether in advance
or otherwise, is invariably left to the authorities in India, it will not be necessary for the
Officers of the Pay Department in future to call upon Officers on furlough in England, who,
on promotion, may apply to India for an adjustment of pay (for the period issued to them
prior to their leaving this country) to furnish a certificate under the signature of the autho-
rities at the India Office to the effect that no such adjustment has been made by them.

4th.—This order is applicable to the three Presidencies, and will have effect from this date.

Fort William, the 1st August 1862.

No. 750 of 1862.—His Excellency the Governor General in Council is pleased to extend
to Officers on leave the rule which permits Officers of one Presidency, when absent on duty,
to draw their pay and allowances from the Pay authorities of any other Presidency at which
they may be residing, and to lay down the following rules for future guidance:—

Officers of one Presidency may draw advances on account of their pay and allowances
which have become due from Paymasters at any other Presidency at which they may be
residing, whether on duty or on leave on medical certificate or private affairs.

Officers so situated must furnish, with their Bills, a last Pay Certificate from their own
Presidencies, showing specifically the sum to be deducted and the amount to which entitled,
and also indicate the General Order or other authority under which they are absent.

These rules are also applicable to cases of Officers embarking for Europe from any
other than their own Presidencies, and who may be entitled, under the furlough Regula-
tions, to advances of pay and allowances.

In cases of Staff Officers so situated their last Pay Certificates are to specify clearly the
amount of half Staff salary to which they may be entitled during their leave.

In case of emergency, when last Pay Certificates cannot be produced, advances on
account of unadjusted arrears of pay may be made on good security for the amount being
furnished.

Bills for any admissible passage money are to be supported by a sufficient Guarantee
from the Agents of the Ship or other parties, that half the passage money will be refunded
in the event of the Officer dying after engagement of his passage, or before the vessel puts
to sea.

Paymasters making advances under these rules are invariably to record the same on
the back of the last Pay Certificate, and will make the necessary communication to the Pay-
master of the other Presidency concerned with the least possible delay, and if Security be
taken, it is also to be noted on the Pay Certificate.

If proof be forthcoming that an Officer has already furnished Security at his own Pre-
sidency for any demands on the part of Government which may arise, fresh Security is not
to be required by Paymasters of any other Presidencies.

All over-drawings or short charges will always be adjusted by the Pay authorities of
the Presidency to which the Drawing Officers may belong.

All other orders on this subject at the three Presidencies are hereby superseded.

20. The existing Regulations regarding Passage Money to Officers are not affected by these rules.

With reference to paras. 26 and 31. The Right Honorable the Governor in
Council is pleased to publish the following
General Order by the Honorable the President of the Council of India in Coun-
cil, dated 10th April 1855, No. 430, and that by the Commander-in-Chief in India
therein referred to—and to declare their provisions applicable to Officers pro-
ceeding to this Presidency or to Head Quarters of Divisions, for the pur-
pose of undergoing an examination in the Native languages.

G. O. G. G. No. 430 of 10th April 1855.—The Honorable the President of the
Council of India in Council is pleased to notify for general information, that
Officers who have proceeded on leave to the Presidency for the purpose of un-
dergoing examination in the Native languages before the Examiners of the late
College of Fort William, or the present Board of Examiners, in any of the tests
laid down for Military Officers, will be allowed to reckon the period of their
absence, to the extent of six months only, as on duty, in the same manner as
Officers proceeding to the Head Quarters
of the Division in which they are serving
for a like purpose, are now considered as
absent on duty.

G. O. G.
24th April 1855,
No. 116.

G. O. C. C. 1., dated Head Quarters, Simla, 28th September 1854.

The Commander-in-Chief is pleased to notify that, with the sanction of
the Most Noble the Governor General in Council, Officers proceeding to
Head Quarters of the Division in which they are serving, to undergo an ex-
amination in the Native languages before
the Half-yearly Committees, will for the
future be considered as absent from their
Regiments on duty and such absence will not interfere with their enjoyment of
temporary leave under the order marginally cited.

G. O. G. G. 20th March 1851.
2. Officers Commanding Divisions will be held responsible that this indul-
gence is not abused by Officers absenting themselves from their Corps for
longer periods than may be actually necessary to enable them to accomplish the
object in view.

No. 20.

The Commander-in-Chief directs it to be notified that leave granted
under the provisions of G. O. G. No. 116, dated 24th April 1855, to Officers
who may fail to show that they have made good progress in their studies will
be converted into general leave counting against service for pension.

The following Extract from General Or-
ders by His Excellency the Commander-
in-Chief of the Bombay Army is publish-
ed at this Presidency:—

No. 265.

1. With the sanction of Government, the following decision of the Go-
vernment of India, having reference to Rule 26 of the new furlough Regu-
lations, is published to the Army:—

"Short leaves on private affairs for periods not exceeding thirty days, which
"have been granted to Officers in General Orders, previously to 6th December
"1854, are to be counted as 'privileged,' provided they do not exceed an aggre-
"gate of thirty days in each half year."

The Right Honorable the Governor in
Council is pleased to direct the publication
of the following Bengal rule, and to
sanction its extension to the Officers of this Presidency.

G. O. G.
13th June 1856,
No. 193.

"Should an Officer who is on privilege leave not rejoin his Corps, but be ab-
"sent in continuation, on not more than five months' leave on private affairs,
"or one year and eleven months' leave on medical certificate, he will retain
"his full salary or allowances for the thirty days of privilege leave, which will
"also count as service, but he will, nevertheless, forfeit all Military allow-
"ances on completing six months or two years' absence, (as the case may be)
"reckoned from the date that he quitted his Corps and station."

8. In calculating the period of an Offi-
cer's absence on furlough in India, the
day of departure from a Regiment or
appointment is to be reckoned as one of
leave, and the day of return thereto as one of duty. In like manner as re-
spect furlough beyond India, the date on which the vessel conveying the Offi-
cer from India puts out to sea, is to be reckoned as one of furlough and the
day on which he returns to his Presidency as one of duty.

9. An Officer entering the service and
obtaining leave to visit a station not the
Head Quarters of his Regiment and to
join the Corps to which he is posted, and
who actually does join within the period sanctioned by Regulation for the pur-
pose of joining by the direct route, is allowed to reckon such leave as service
for pension.

The principle of this rule is applicable to Officers who on return from leave
out of India are allowed to visit a station out of the direct route to the station
to which they belong.

10. Leave for one month, granted to
Officers in Civil employ under Section XI
(amended) old Civil Service Absentee
Regulations, is not to be deducted from
service, it being considered in the same light as one month in six privilege
leave granted to Military Officers.

26. The certi-
ficates issued to
Officers who
are granted
furloughs on
private affairs,
or leave of ab-
sence on sick
certificate, are
to specify the
time each Of-
ficer has been
absent on

as well as the
time of his pre-
vious absence
in Europe; but

clude the peri-

ficers to rejoin

thorized by

of Regimental
pay and allow-
ances and Staff
salary to which
they would
have been en-
titled under
the old Regu-
lations if pro-
ceeding to Sea
on medical
certificate.

With reference to paras. 26 & 31. M. C. No. 3144, 4th February 1856. 11. The period during which Officers may have been or may hereafter be absent on leave for the purpose of accompanying Insane or Sick Officers is allowed to count as service for pension.

With reference to paras. 26 & 31. M. C. No. 2702, 20th Oct. 1856. 12. If an Officer is placed on duty while on leave of absence whether on medical certificate or private affairs he will be allowed to count as service for pension the whole period he may be so employed, i. e., from the date of the order nominating him to such duty to the date of the order relieving him, both inclusive.

This information is necessary in order that no difficulty may arise in the Pay Department of the

India House in adjusting the several payments which may be due.

G. O. G. 2nd Feb. 1861, No. 45.

4. In accordance with the principle laid down in the 65th paragraph of the General Order of the 10th April 1861, Officers of the new Brigades of Artillery and new Line Regiments ordered to do duty at the Regimental Depot, or with Drafts on the voyage to India, will reckon such duty as service in India for retiring pension. Those doing duty under any other circumstances in this country, will reckon such service in the proportion of one year for two.

Officers of H. M.'s Services.

27. Officers of Her Majesty's Service in India, whether employed Regimentally or in Staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

28. In the case of Officers of Her Majesty's Service on furlough on sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

With reference to para. 29. M. C. No. 2702, 20th October 1856. 13. An Officer returning from Europe or Sea is allowed to count as service one month for preparation at the port of debarkation and marching distance to his Corps or Department in addition.

With reference to para. 29. M. C. No. 2702, 20th October 1856. 14. An Officer going to Europe or Sea is allowed to count as service in addition to marching distance to the Presidency or nearest port of embarkation, the same period for preparation prior to embarkation as allowed to Officers returning from Europe, viz. one month.

With reference to para. 29. M. C. No. 901, 18th April 1856. 15. Officers obtaining leave preparatory to final leave out of India, but who after arriving at the Presidency or other port of embarkation abandon their intention of leaving the country, cannot reckon as service the period they may have been absent from duty on such preparatory leave which then assumes the nature of ordinary leave in India.

G. O. C. C. 8th Nov. 1856, No. 92.

With reference to para. 29. M. C. No. 2702, 20th October 1856. 16. An Officer who proceeds on furlough to the Presidency or other port, (not preparatory to applying for leave to proceed to Europe or elsewhere) and while there obtains a sick certificate to Europe or other place out of India, is not entitled to count as service the period allowed by Regulation for proceeding from the station of his Regiment or appointment to the port of embarkation; but he can reckon as service the period of one month allowed at the Presidency or port of embarkation preparatory to embarkation.

With reference to para. 29. M. C. No. 2702, 20th October 1856. 17. If instead of being at the port of embarkation, he is at another port, or at an inland station, when he obtains the sick certificate to quit India, he will be allowed the time authorized for travelling from the station at which he may be when he obtains his sick certificate, to the port of embarkation.

With reference to para. 29. M. C. No. 2702, 20th October 1856. 18. If an Officer while absent on ordinary sick certificate in India, quits India on sick certificate, or, who having proceeded on ordinary leave on private affairs in India obtains a furlough out of India, he is entitled to count as service the period allowed for proceeding from the place at which he may be when he obtains leave to quit India, to the port where he ultimately embarks.

G. O. G. 3d Feb. 1860, No. 53.

The Governor in Council directs that the following rule, contained in G. O., by His Excellency the Commander-in-Chief in India, dated Simla, 12th July 1859, be extended to this Presidency.

Leave of absence, preparatory to furlough, whether on private affairs or on sick certificate, must always be general, and not privilege leave.

G. O. G. 2d March 1861, No. 50.

With reference to G. O. G. No. 53, dated 3d February 1860, the Governor in Council directs that, in future, in accordance with the practice in Bengal, leave of absence preparatory to retiring from the service shall always be general, and not privilege leave.

It is notified for general information that under a recent decision of the Government of India, an Officer who had elected (or who, not having before elected, might on his entering the Staff Corps desire to elect) the old furlough Regulations, carries with him into the Staff Corps so much of his service (authorized leave included) as had been passed in Indian limits and no more; and that to

entitle him to retire on the pension of any particular rank he must serve so many more years as would with that service complete the full period of service prescribed for such pension, with the liberty of availing himself, after his entry into the Staff Corps, of the privileged periods* of absence allowed in paragraph 30 of the new furlough Regulations.

For instance a Captain who, on entering the Staff Corps on the 18th February 1861, had served twenty-four years counting as service for retirement under the old rules, and had been absent six years on leave to Europe, would enter the Staff Corps with a capital of service of twenty-four years only; and, before he could retire on the pension of a Lieut. Colonel he would have to serve four years longer, of which three years might be passed on leave.

2. With reference to the foregoing, Officers who at date of entering the Staff Corps had not made election of furlough Regulations are requested now to report under which furlough Regulations they desire that their service to that date may be calculated.

GENERAL ORDERS BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA IN COUNCIL. Fort William, the 12th May 1862.

No. 520 of 1862.—The following rule which has received the sanction of the Right Hon'ble the Secretary of State for India for calculating the service of Officers who, formerly under the old furlough Regulations, have joined the Staff Corps, and whose service from date of joining that Corps is to be reckoned under the new furlough Regulations, is published for general information and guidance:—

G. O. G. 27th May 1862, No. 212.

1. Officers having elected (or who not having before elected might, on their entering the Staff Corps, desire to elect), the old furlough Regulations will carry with them into the Staff Corps so much of their service (authorized leave included) as may have been passed within Indian limits and no more. Before they can retire on the pension of any particular rank they will be required to serve for such further period as will, with that service, complete the full period prescribed for the pension of any particular rank, with the liberty of availing themselves, after

their entry into the Staff Corps, of the privileged periods* of absence allowed by paragraph 30 of the new furlough Regulations.

With reference to paras. 30, 33, 34 and 35. M. C. No. 2961, 2d Nov. 1855, and No. 919, 18th April 1856. 19. An Officer who has served twenty or twenty-four years and not more is only entitled to reckon two years' absence as service. Rule 33 gives the minimum period of service which entitles an Officer so situated to retire on the pension of a Captain or Major; but an Officer who has served beyond those periods is entitled to the benefit of Rule 30 by which extended periods of absence are allowed to reckon, regulated by the length of the Officer's service. For instance, an Officer who has served twenty years, and no more, and had only three years' leave must still perform one year's duty before he can retire as a Captain; whereas an Officer whose aggregate service is thirty years, out of which he has enjoyed leave for fourteen years and no more, can retire as a Captain at once.

out of India, or whether the leave be on sick certificate or on private affairs.

G. O. G. 15th Sept. 1857, No. 29.

With reference to para. 31. G. O. G. No. 1113 of 1857.—The following Extract, paras 18 and 19, of a Military letter, from the Honorable the Court of Directors to the Government of India, No. 126, dated 22d July 1857, are published for general information:—

19. By the Regulations established for the promotion of Lieutenant Colonels to the rank of Colonel after three years' service, it is provided that no longer period than one month in each year, or a total of three months in three years, or six months in six years shall be allowed to reckon, on whether the leave shall have been spent in India or out of the country, except in cases of wounds or illness contracted by service in the Field.

Request Court's decision on the question whether leave of absence in or beyond India taken in consequence of wounds received in action shall be allowed to reckon as service for pension both under the old and new Regulations. 20. In reply to a Medical Board, when each case will be separately considered with reference to the time to be allowed.

19. In reply to the question now put to us, we have much satisfaction in stating that we are prepared to extend the benefit of the Regulations to the cases of leave of absence in or beyond India taken in consequence of wounds received in action.

30. No Furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years' aggregate service, three years in twenty-five years' service, and four years in thirty years' service, shall be allowed to count as service for the retiring pension; and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or

31. In the term "Leave of Absence as announced in General Orders" is to be included all leave of absence except the period allowed in Rule 29, and the ordinary indulgence of one month's leave in six months, as authorized by the existing Regulations, and which are in all cases, whether of Regimental or Staff Officers, to be allowed to count as service for the pension. All leave to a greater extent, granted by Political and other authorities, which may not hitherto have been published in General Orders must be so announced hereafter.

benefits of the exception above specified to the time required for retirement on full pay. Every claim to the benefit of this exception must be duly certified by a Medical Board, and be forwarded to us for our decision, accompanied by the opinion thereon of the Government and Commander-in-Chief of the Presidency to which the Officer belongs.

No. 32.—With reference to G. O. G. 15th September 1857, No. 290, the Commander-in-Chief desires it to be notified that the privilege of reckoning the time of absence in the period of service required for retirement on full pay is authorized "in cases of wounds or illness contracted by service in the Field, duly certified by a Medical Board, when each case will be separately considered with reference to the time to be allowed."

In all such cases a specific description is to be given in a report by a Medical Board of the nature of the illness and of the grounds upon which it is considered that the illness has been contracted by service in the Field.

All such grants of leave should be made for periods not exceeding eighteen months to be extended if necessary.

* REGULATION OF 1796.

G. O. G. 29th December 1800.

The Right Honorable the Governor in Council is pleased to publish in General Orders to the Army the following Extracts of a letter received from the Honorable the Court of Directors, under date the 7th of May last.

Para. 61st. In regard to the second point mentioned in the Commander-in-Chief's minute, all Officers who have served twenty-two years in India (to be computed from the periods before-mentioned) are permitted to retire on the full pay of their rank; but if after serving that time successively they come to Europe on furlough, they are to be subject to the regulations prescribed in our letter of the 8th January 1796, relative to Officers wishing to retire, while on furlough.

† REGULATION OF 1835-7.

G. O. G. No. 13 of 16th January 1838.—The following General Order by the Honorable the President in Council, under date the 29th December 1837, No. 258, is published for the information of the Army.

G. O. G. No. 258 of 29th December 1837.—The Honorable the President in Council has much pleasure in publishing to the Army, the following Extract (paragraphs 2 to 5) of a letter from the Honorable the Court of Directors, to the Government of India, No. 5, dated 20th September 1837, announcing the grant of additional advantages to the senior Officers of the Army in respect of retiring pensions.

"Para. 2. In our letter of the 23d December 1835, we announced to you that as we considered it hopeless to expect that any Military Retiring Fund could be successfully formed, we have thought it right so far as we could feel justified in doing so to provide for the object contemplated in schemes of that nature by an enlargement of the Retiring Regulations, and that we had in consequence resolved to grant the full pay of Captain to every Officer who should have served in India twenty-three years (three years furlough included) whether he had attained that rank Regimentally or not, and the full pay of each of the superior ranks of Major, Lieutenant Colonel and Colonel after the completion of an additional period of five years' service for each of those ranks in succession, viz:—

For Major's pay.....	28 years service, including 3 years for a furlough.
For Lieutenant Colonel's pay....	33 do. do. do.
For Colonel's pay.....	38 do. do. do.

3. Being now of opinion that some additional advantage in respect to the periods of retirement may properly be granted to the senior Officers who would have been more especially the immediate objects of benefit from a Retiring Fund, had such a Fund been established, we have resolved that the period of service, to qualify an Officer for the pay of each advanced rank after that of Captain, shall be reduced from five to four years, the periods of service in India required for each rank being consequently hereafter as follows, viz:—

Every Officer who shall have served twenty-three years (three years furlough included) shall be allowed to retire on the pay of a Captain whether he shall have attained that rank Regimentally or not.

Every Officer who shall have served twenty-seven years (three years furlough included) shall be allowed to retire on the pay of Major whether he shall have attained that rank or not.

Every Officer who shall have served thirty-one years (three years furlough included) shall be allowed to retire on the pay of a Lieutenant Colonel whether he shall have attained that rank or not.

Every Officer who shall have served thirty-five years (three years furlough included) shall be allowed to retire on the full pay of a Colonel whether he shall have attained that rank or not.

4. These arrangements to have effect without prejudice to any claims arising out of the Retiring Regulations as established in the year 1796.

5. We desire that it may be distinctly understood that the present is a final measure. You will accordingly decline to forward to us any application which may have in view a further extension of the Regulations now established with regard to the retirement of our Military servants.

and request to know whether the provisions contained in the 18th and 19th paras. of the late Court of Directors' Despatch to the Government of India, dated 22d July 1857, No. 126, are to have retrospective effect.

3. The claim of Captain MacVicar to this indulgence must be disallowed.

served thirty-two years, out of which leaves of absence for four years in the aggregate, and not more, will be allowed to count as service.

1st October 1862

No. 70.—The following Extract from a Despatch from the Right Honorable the Secretary of State for India is published for general information and guidance, with reference to G. O. G. No. 290, dated 15th September 1857, permitting Officers to count as service for retiring pension periods of leave occasioned by wounds or illness contracted by service in the Field.

"Applications for this boon, should not be submitted in cases where the sickness has not been such as to render the absence of the Officer on sick certificate immediately necessary."

G. O. G. G. No. 103 of 12th February 1861.—Under the authority of the Right Honorable the Secretary of State for India, it is hereby notified that, when Officers who have not volunteered for the duty are ordered to proceed to England in charge of Troops round the Cape, they will be allowed to count as Indian service the difference of time occupied on the voyage round the Cape and that by the Red Sea.

This rule is applicable to the three Presidencies.

36. The scale for Medical Officers and Veterinary Surgeons, of privileged furlough, and leave of absence as counting for the retiring pension, will be as follows:—

Years. Months.

1	8	in 17 and under 20 years' service.
2	0	in 20 " " 25 " "
3	0	in 25 " " 30 " "
4	0	in 30 and upwards.

37. It is to be distinctly understood, that under no circumstances whatever will an Officer be permitted to retire on full pay, until he has completed the full time of service above specified, whether he be in England at the close of his service or elsewhere.

38. The privileged time of absence may, with the permission of the local Government, be taken at any time subject to these Regulations. If therefore, at the end of twenty-years' service, of which eighteen had been passed on actual duty in India, an Officer should be on furlough, or sick certificate in Europe, or elsewhere, he will be entitled to retire on the full pay of a Captain without returning to India, and so in the other terms of service for the higher pensions. In like manner a Medical Officer on furlough, or the other terms of service for the higher pensions. In like manner a Medical Officer on furlough, or sick certificate in Europe, or elsewhere, at the end of seventeen years' service, fifteen years and four months of which had been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pension.

No. 387.

Under instructions from the Government of India, the Governor in Council is pleased to declare that the grant of leave to Officers on medical certificate in India, shall, for the future, be limited, under ordinary circumstances, to one year, subject to extension on fresh Medical Report.

39. These rules do not in any way affect the existing Regulations regarding the grant of leave in India, or for short periods to Sea, whether on

private affairs or on sick certificate, except as to the periods of such absence being taken into calculation in the time allowed to count as service for retirement on full pay.

Unattached and Warrant Officers.

GENERAL ORDERS BY THE HON'BLE THE PRESIDENT OF THE COUNCIL OF INDIA IN COUNCIL.
Fort William, 6th June 1851.

No. 322 of 1851.—The following paragraph of a Military letter No. 37, from the Honorable the Court of Directors to the Governor of the Presidency of Fort William in Bengal, dated 9th April 1851, is published for general information:—

Reply to letter dated 20th September 1850, No. 188, with reference to former correspondence, forward papers relative to an inquiry made by Ensign (unattached) J. Donavan, as to the rate of retiring pension to which he will be entitled, and request Court's early decision on the question.

Unattached Officers are entitled to the benefits of the general retiring regulations counting from the dates of their first promotion to Commissions. To provide for the claims of such of these Officers as may, in consequence of the length of their previous service, be compelled to retire at earlier dates than are specified, in those Regulations, we have resolved to adopt the following additional scale, viz:—

Unattached Ensigns and Lieutenants, compelled by ill health to retire from the service,
 If under 8 years' service as Commissioned Officers.....2s. 6d. per diem.
 If above 3, and under 7 years' service in India as Commissioned Officers.....3s. per diem.
 If above 7, and under 12 years' service in India, as ditto.....4s. per diem.
 If above 7, and under 12 years' service in India, as Commissioned Officers, after
 20 years' total service in India.....5s. per diem.
 If above 12 years' service in India as Commissioned Officers, after 30 years'
 total service in India, with an unqualified right to retire.....6s. per diem.

Despatch dated 14th April 1862, No. 36.

6. The cases of Warrant Officers, promoted on the Veteran Establishment, who applied to retire from the service, have, until recently, been specially considered, and in almost, if not in every case, the full pay of the Commissioned rank has been granted on retirement.

G. O. G.
10th June 1862,
No. 233.

7. When considering an application from an Officer on the Veteran Establishment now in this country, I observed that, although there were rules for the retirement of Officers holding unattached Commissions (G. O. G. No. 322 of 6th June 1851) there were no rules for the retirement of Officers on the Veteran Establishment. I accordingly decided that to entitle an Officers on the Veteran Establishment to retire on the full pay of his Commissioned rank, he must have served the time which he would have required under the provisions of the retiring Regulations, had he remained in the Warrant grade, to entitle him to the full pay of his former rank in that grade.

G. O. G. No. 385 of 6th March 1856.—The Right Hon'ble the Governor General of India in Council is pleased to direct, that the following paragraphs of a Military letter from the Hon'ble the Court of Directors to the Government of India, No. 2, dated 2d January 1856, be published in General Orders:—

Letter dated 3d September 1855, No. 201.

G. O. G. No. 250
of 15th August
1856.

Letter from Captain Skinner, transferred from the Nizam's Army to an unattached Commission in the Company's Service, requesting information as to the amount of pension he will be entitled to on retirement. The Auditor General's views on the subject recapitulated by Government.

Also No. 206.

Enquiry as to how the new furlough rules are to apply to Captain Skinner, and other unattached Officers.

Para 2.—We concur with the views on this subject which are expressed in the Military Auditor General's Report of the 18th July 1855. Capt. Skinner will be accordingly entitled to count his service for retirement from the date of his first Commission in the Army of His Highness the Nizam. He will be also entitled to the benefits of the new furlough Regulations as an Officer of that standing in the Service.

3. All unattached Officers are entitled to the benefit of the new furlough Regulations from the date of their first commissions.

G. O. C. C. 27th April 1857, No. 16.—The Commander-in-Chief directs it to be notified that by a recent decision of the Government of India, unattached Officers of the Veteran Establishment are allowed the benefit of the new furlough Regulations, and these Officers can take leave in India on the same terms as they did prior to the publication of the new furlough rules.

G. O. C. C., 29th August 1857, No. 44.—The Provincial Commander-in-Chief directs the publication of the following decisions by the Government of India.

A Warrant Officer on the Veteran Establishment is entitled, without loss of Warrant, to the same absentee allowance as if on leave in India, for the first six months of sick furlough, but thereafter, as well as when on furlough on private affairs he is restricted to the furlough pay of his Commission or of his Warrant, whichever may be the superior emolument.

A Warrant Officer holding a Commission on the Veteran Establishment has a footing in the Effective Army in virtue of his Warrant rather than of his Commission and his Warrant being analogous to the Regimental Commission rather than to the Staff appointment of an European Officer, is not forfeited by any furlough which may be granted him, even if it exceed six months on private affairs or fifteen months on medical certificate under the new rules.

G. O. G. G. No. 1559 of 1857.—The following Extract para. 11 of a Military letter from the Honorable the Court of Directors to the Government of India, No. 195, of the 14th October 1857, is published for general information:—

11. Warrant Officers are allowed the same privilege of furlough as Unattached Ensigns and Lieutenants and as Officers promoted to Commissions on the Veteran Establishment, viz., after six years' service as Commissioned or Warrant Officers, and fifteen years' service in India. It is now recommended that, in consequence of slowness of promotion, the time required to be served in the Warrant grade may be reduced, in order that those who have served twenty years and upwards in India may be thereby rendered eligible for furlough to Europe. In compliance with your recommendation and that of the late

Commander-in-Chief, we sanction this change as applicable to the several classes above-mentioned.

G. O. G. 24th
Dec. 1857, No.
414.

G. O. G. G. No. 777 of 18th May 1858.—The following Extracts of a Military letter from the Honorable the Court of Directors to the Government of India, No. 71, dated 23d March 1858, are published for general information:—

Letter dated 3d August 1857, No. 207.

G. O. G. No. 214
of 4th June
1858.

4. Question raised by the Madras Government as to the extent to which the Warrants or Staff appointments of Officers having Unattached Commissions or on the Veteran Establishment are affected by the new furlough rules decided.

4. In the year 1854, we sanctioned a rule,* that Unattached Ensigns and Lieutenants should be allowed furlough after six years' service as a Commissioned Officer, and fifteen years' service in India, and that Warrant Officers granted Commissions on the Veteran Establishment should be included in the arrangement. The same advantage was subsequently extended to Warrant Officers.†

5. The rule now laid down by the Government of India is that a Warrant Officer on the Veteran Establishment is entitled, without loss of Warrant, to the same absentee allowances as if on leave in India for the first six months of sick furlough, and thereafter, as well as when absent on private affairs, to the furlough pay of his Commission or Warrant, whichever may be best for him, and that as the appointment he holds is in virtue of his Warrant, not of his Commission, the appointment will not be forfeited by absence on furlough.

6. This decision appears to be quite correct and has our sanction.

The Governor in Council sanctions the indulgence of privilege leave, as granted to Commissioned Officers,* being extended to all Warrant Officers, at this Presidency, excepting those below mentioned, provided their Departmental superiors be satisfied that proper arrangements are made for the performance of their duties during their absence, and that no additional expense to the State is incurred thereby.

2. Warrant Officers of the Public Works Department come under the following rules of that Department:—

G. O. G.
4th Aug. 1863,
No. 273.

G. O. G., 3d February 1857, No. 29, para. 8. "All persons employed in the Public Works Department, may be allowed one month's leave of absence in the calendar year without loss of salary, provided it can be granted without inconvenience to the public service."

3. Medical Warrant Officers employed in the Civil Departments will be granted privilege leave according to the subjoined rule applicable to Uncovenanted Civil Servants published in Fort St. George Gazette, 26th June 1863, Supplement.

Para. 16. "Privilege leave, when it can be granted without injury to the Public Service, and without additional expense to the State, may be allowed for not more than one month, in each calendar year—to be taken either in one period or in not more than two instalments. This leave is not allowed to accumulate, and will therefore lapse if not taken within the year."

Invalid Establishment.

Fort St. George, 10th July 1857.

No. 819 of 1857.—The Right Hon'ble the Governor General of India in Council is pleased, under instructions from the Hon'ble the Court of Directors, to promulgate the following rules to be observed at the three Presidencies for the transfer to the Invalid Establishment, of Officers who may be declared to be unfit for further service:—

1. The Invalid Establishment will consist of

1st—The Invalid Battalion.

For Officers who, although disqualified for further active service, are still equal to the discharge of garrison duties.

2d—The Invalid Pension List.

For Officers disqualified for both active and garrison duties.

2. Officers who, from age, wounds, or decline of health, become unfit for active service, are eligible for transfer to the Invalid Establishment, provided their conduct and habits are such as not to affect the character of that Institution, which is designed as an honorable retreat to the worn out or disabled, but deserving Officers.

G. O. C. C.
1st June 1858,
No. 59.

The Commander-in-Chief directs it* to be notified, that applications from Officers for transfer at their own request to the Invalid Battalion or to the Invalid Pension List, under the provisions of para. 3 of G. O. G. No. 819 of 1857, (republished in G. O. G. No. 210 of 10th July 1857,) are required to be addressed under their signature to the Right Honorable the Governor in Council in the manner prescribed in para. 3, Section XXI, General Regulations of the Army.

3. Officers who may be desirous of being transferred to the Invalid Establishment, will be required to appear before the Standing Medical Committee at the Head Quarters of the Division, presided over by the Superintending Surgeon, or in his absence by the Senior Surgeon, furnished with a statement of their case prepared by the Medical Officer by whom they may have been attended. The Committee is to enquire rigidly into each case, and should it be satisfied of the unfitness of the Officer, it is, in recording its opinion, to certify either that the applicant is "permanently disqualified for the performance of further active service but is still equal to the discharge of garrison duties," or that he is "permanently disqualified for the performance of both active and garrison duties," as the case may be.

G. G. O. No. 518 of 1854.

† G. G. O. No. 531 of 1854.

4. The applicant, if reported equal to the discharge of garrison duties, will then be required to proceed to the Presidency to be finally examined by a Medical Officer to be specially appointed for the purpose, or by a special Medical Committee, as may from time to time be ordered.

5. After this final examination, the report on each case, accompanied by the certificates hereafter specified, is to be forwarded in the usual manner to Army Head Quarters, to be submitted to Government with the opinion of the Commander-in-Chief.

6. In the event of the Commander-in-Chief being led to believe that any Officer's health is so thoroughly lost as to preclude all hope of his being able to perform further active service in India, such Officer shall be directed to appear before the Standing Medical Committee at the Head Quarters of the Division. If the Committee is of opinion that the Officer is permanently disqualified for active Military duties in India, and this opinion is confirmed at the final examination at the Presidency, the Government on receiving a report on the case, which is to be prepared and submitted as directed in paras. 3 to 5, will place the Officer on the Invalid Establishment, notwithstanding that he may not himself have applied to be transferred from the Effective List. Such transfer will, however, be subject to the approval of the Honorable the Court of Directors; and until the receipt of such approval, no promotions will be made in succession to the Officer so placed on the Invalid Establishment.

No. 52 of 1858.—The following Extract from a Military Despatch from the Right Honorable the Secretary of State for India, is published in General Orders:—

Despatch dated 22d December 1858, No. 47.

Para. 1. It being established by the required medical testimony that Lieutenant Dewar is permanently disqualified for the performance of both active and garrison duties, his removal from the effective List from the date of his embarkation for England is hereby authorized. Lieut. Dewar's time of service, fourteen months and five days, does not entitle him to retiring half pay. On establishing his claim to the benefit of Lord Clive's Fund, he will be admitted to that advantage.

2. You will understand from this decision that no Officer not entitled to a pension under existing Regulations, should be transferred to the Invalid Pension List.

8. In the event of an Officer failing, from any cause, whether it be leave on sick certificate in India or otherwise, to join an Invalid Battalion, or other Military duty on which he may be ordered, within two years of his transfer to the Invalid Establishment, except he be absent on furlough on sick leave to Europe, or be nominated to some other public duty, he will, at the expiration of that time, be required to appear before the Medical Committee at the Head Quarters of the Division in which he may be residing, for the purpose of being examined as to his continued fitness for garrison duty. If found unfit at such examination, or at any subsequent examination, which is to be repeated at the end of every two years, he will be transferred to the Invalid Pension List.

9. The Pay and Allowances of Officers hereafter transferred to the Invalid Battalion will be—

	Pay and Indian Allowances.	House Rent.	Total.
Lieutenant Colonel.....	547 14 0	100	647 14 0
Major.....	410 14 6	80	490 14 6
Captain.....	249 1 0	50	299 1 0
Lieutenant.....	145 12 0	30	175 12 0
Ensign.....	107 1 11	25	132 1 11

Extra batta will in no case be allowed, whether the Officer be employed within or beyond 200 miles of the Presidency.

10. Officers on the Invalid Pension List will draw the following consolidated allowance:—

	Per mensem.
Lieutenant Colonel.....	Rupces 200
Major.....	" 170
Captain.....	" 130
Lieutenant and Ensign.....	" 100

Or the rate of full pay pension to which they are entitled at the time of their transfer to the Invalid Pension List.

11. The above rates will be issued as long as the Officers are resident in India. If granted furlough or sick leave out of India, their allowances will be regulated by the rules they may have adopted, but their furlough pay will be according to their rank and for the ordinary duration of such furlough as at present authorized.

12. Officers on the Invalid Establishment are allowed the distinction of wearing the Military uniform.

7. All Officers of and below the Regimental rank of Lieutenant-Colonel, whether they may or may not have served the prescribed period for retirement on full pay, may be compulsorily removed to the Invalid Pension List when they may become wholly unfit for any further service, effective and garrison. The examination of Officers in such cases will be conducted in the manner laid down in para. 6.

13. Officers on the Invalid Establishment will retain the rank they held when on the effective strength of the Army, but their transfer will be made only in the rank they held in their Regiments. After removal to the Invalid Establishment, they have no further claim to promotion, but on retirement on full pay, those who may be of, and above, the rank of Captain will receive one step of Brevet rank.

14. Officers on the Invalid Pension List are permitted to reside at any place in India they may choose.

No. 132 of 1858.—With reference to G. O. G. No. 810, 10th July 1857, regarding the transfer to the Invalid Establishment of Officers declared "unfit for further service," the Honorable the Governor in Council, with the sanction of the Government of India, and with advertence to para. 15 of the above G. O. G., is pleased to direct that such Subaltern Officers as may have joined their Battalions, shall receive Passage Money on the terms regulating the allowance to Subalterns of effective Corps.

G. O. G.
1st April 1859.

2. Subalterns on the Invalid Pension List shall receive Passage Money only when proceeding to England on retirement from the service, or for the purpose of retiring from the service.

15. Officers on the Invalid Establishment are eligible to furlough and sick leave out of India, under the new or old Rules, whichever they may have adopted; and leave in India will be granted to Officers of the Invalid Battalion under the same rules as are applicable to effective Officers.

16. Officers on the Invalid Establishment are eligible to hold situations under Government.

17. Officers of the Invalid Battalion may retire on the pension of their rank after the prescribed period of service, or on the pension to which they were entitled on their removal to the Invalid Establishment. Officers on the Invalid Pension List may retire upon the rate of pension to which they were entitled when they joined that Establishment.

The above rules are not to be applied to Officers on the present Invalid Establishment of the three Presidencies.

Promotion of Officers.

G. O. G. No. 740 of 20th May 1859.—His Excellency the Governor General in Council is pleased to direct the publication in General Orders of the following Royal Warrant, received with a letter from the Right Honorable the Secretary of State for India, No. 119, of the 7th April 1859, prescribing rules under which Combatant Officers are to be recommended for promotion in Her Majesty's Indian Military Forces:—

G. O. G. No. 222
of 3d June 1859.

Whereas, we have judged it expedient to revise those parts of Our Royal Warrants of the 6th day of October 1854, and 3d day of November 1854, which regulate the promotion and retirement of Combatant Officers in Our Army and Ordnance Corps, Our will and pleasure is, that from the date of this Our Royal Warrant Our Governor General in Council shall govern himself by these Our rules in recommending Combatant Officers for promotion in Our Indian Military Forces.

PROMOTION.

1. That the rank of Field-Marshal be given without reference to seniority.
2. That there shall be a fixed establishment of General Officers, viz.:—

Generals.....	25
Lieutenant-Generals.....	50
Major-Generals.....	145

3. That Colonels may be appointed, without regard to seniority, to command as Major-Generals, with temporary rank; and if they shall have conducted themselves to our satisfaction, such temporary rank, after having been held for five years in peace, or for any shorter period in war, may, upon the recommendation of Our Governor General in Council, be made permanent. That the temporary rank of General and Lieutenant-General may also be given, whenever the convenience of the service requires it, and may be made permanent in a similar manner.

4. That every vacancy on the fixed establishment of General Officers shall be filled by the promotion of the senior Colonel qualified to succeed to the rank of Major-General and to be placed on the fixed establishment, under the regulations now in force; or by a supernumerary Major-General, as provided in Clause 6.

5. That, in addition to the Colonels promoted by seniority to be Major-Generals and those promoted after having held temporary rank under the Regulation in Clause 3, Colonels shall be eligible for promotion to the rank of Major-General, and Major-Generals to the rank of Lieutenant-General, and Lieutenant-Generals to the rank of General, for distinguished services in the Field.

In the case of Officers promoted to the rank of General Officers, as a reward for distinguished service in war, the recommendation, in which the service of the Officers shall be detailed, shall be published in the General Orders of Our Indian Military Forces, and in the *London Gazette*.

6. That all Colonels promoted to be Major-Generals after five years' employment in responsible commands with the temporary rank of Major-General under the provisions in Clause 3, and all Colonels promoted to be Major-Generals for distinguished service in the Field, shall be placed on a supernumerary list of Major-Generals, and shall not be reckoned as part of the fixed establishment until the time when they would have attained the rank of Major-General by seniority; that is to say, until the Colonel who originally stood next senior on the Colonels' list to the Officer promoted out of his turn has become a Major-General, after which the next vacancy will be filled by the transfer of the supernumerary Major-General to the fixed establishment. The Major-Generals who have already been promoted out of their turn, and would not yet have succeeded to that rank by seniority, shall be considered as coming under this rule.

The supernumerary Major-Generals, when absorbed into the fixed establishment, shall preserve the seniority which they acquired when, after a period of qualifying service with temporary rank they were first confirmed as permanent Major-Generals on the supernumerary list, and shall rise by that seniority to be Lieutenant-Generals in succession. General Officers promoted for distinguished service in the field will take their seniority from the date of their promotion, as stated in the *London Gazette*.

7. That three separate lists of General Officers be inserted in the Army List of Our Indian Military Forces, the first containing the names of those on the fixed establishment; the second, those who, having been promoted out of their regular turn, are supernumerary to the fixed establishment; and the third, those who have retired from the service with the honorary rank of General Officers.

8. That the rank of Colonel be given to Officers, after serving for five years with the rank of Lieutenant Colonel, in the actual command of Regiments, or for the same period as second Lieutenant Colonels of Regiments, or on the Staff, in the following situations:—viz., Adjutant-General, Quarter-Master General, Deputy Adjutant-General, Deputy Quarter-Master General, Secretaries to the Government of India in the Military and Public Works Department, Secretaries in the Military Department to the Governments of Madras and Bombay, to the Chief Commissioner of the Punjab, the Commissioner in Mysore, and the Resident at Hyderabad; Judge Advocate General, Commissary General, Deputy Commissary General, Inspector General of Ordnance, Superintendent of the Ordnance Manufacturing Department, Chief Engineer, Superintending Engineer, Surveyor-General of India, subject always to the approval of the Governor in Council and Commander-in-Chief of the Presidency to which the Officer belongs.

9. That Regimental Majors, who are Brevet Lieutenant-Colonels, falling into the Command of Regiments in the absence of the Lieutenant-Colonel, shall on attaining the rank of Regimental Lieutenant-Colonel, reckon the period commencing from the completion of the first month of such temporary command, of part of the five years required to qualify for the rank of Colonel.

10. That the rank of Colonel be given to Officers who obtain the rank of Brevet Lieutenant-Colonel for services in the Field, after eight years of actual service with that rank.

11. That in cases where a Regiment may be so divided as to constitute two distinct commands, and one portion may be under the command of the Regimental Major, who is also a Brevet Lieutenant-Colonel, and in cases where a Brevet Lieutenant-Colonel may be in command of a mixed force of different Corps, a discretionary power shall be vested in our Commander-in-Chief in India, subject to the approval of Our Governor General of India in Council, to allow such service, or portions of such service, to count as part of the qualifying period for promotion to the rank of Colonel.

12. That Lieutenant-Colonels appointed to Civil situations under Government on or after the date of this Our Royal Warrant shall be promoted to the rank of Colonel after eight years' service in the former rank, pro-

vided the nature of the Civil appointment be considered by our Governor General of India in Council and Commander-in-Chief in India calculated to give the Officer such practical experience as may afterwards prove advantageous to the Corps or Service to which he belongs.

13. That Field Officers, commissioned as such before the 20th June 1854, be allowed to rise by Brevet as heretofore; but no Officer promoted to the rank of Field Officer on or after that date, is hereafter to rise from the rank of Lieutenant Colonel to that of Colonel, otherwise than by five or eight years' service in the former rank, as provided in Clause 8, or as a reward for distinguished service, or by appointment to be Queen's Aide-de-Camp—except under the special provisions in Clauses 9, 10, 11 and 12.

14. Lieutenant-Colonels, who held that rank prior to the 20th of June 1854, shall be promoted by a special Brevet to the rank of Colonel,—commissions to bear date the 28th November 1854; and such of the said Lieutenant-Colonels as have been passed over by Officers who have attained the rank of Colonel, in conformity with the provisions of Our Royal Warrants of the 6th October and 3d November 1854, shall be restored to the respective places which they would have occupied as Colonels, had they been promoted in ordinary succession under the system of periodical Brevets.

15. That promotions shall be made from Captain to Major, and from Major to Lieutenant-Colonel, in succession, as vacancies occur in the Major-General's fixed establishment.

16. That any Captain, Major, or Lieutenant-Colonel may be rewarded by Brevet promotion for distinguished services in the Field.

17. That the commands of General Officers, and other situations on the Staff both at home and abroad, shall not be held for more than five years, unless by re-appointment under special circumstances.

Given at Our Court at Windsor, this thirty-first day of January 1859, in the Twenty-second Year of Our Reign.

By Her Majesty's Command,
STANLEY.

1860.

G. O. G. G., *Camp Dinnamugger*, 21st March 1860.—Under instructions from the Right Hon'ble the Secretary of State for India, His Excellency the Governor General is pleased to announce for general information, that the orders requiring Staff appointments to be vacated after five years' tenure, are not intended to apply to Officers serving with Irregular or Local Corps, who though detached from their own Regiments, are nevertheless performing Regimental duties.

Under the same authority, the operation of the rule requiring the vacation of appointments is altogether suspended until further orders.

G. O. G. G. No. 225 of 10th March 1864.—With reference to the Government General Orders noted in the margin, the following Military letter from the Right Honorable the Secretary of State for India, is published for general information and guidance:—

April 1864, No.
130.

Sir,—Referring to my Despatch dated 31st December 1863, No. 446, on the subject of promotion to the rank of Colonel under the 8th Clause of the Royal Warrant of the 31st January 1859, I have to inform you, that a communication now received from the Horse Guards states that the Secretary of State for War has brought to the notice of the Field Marshal Commanding-in-Chief that the qualifying period in the rank of Lieutenant Colonel previously to obtaining the rank of Colonel was extended from three to five years, with the express view that no deductions from that period were to be made on account of leave of absence. His Royal Highness in consequence sees the necessity of rectifying the position of all Colonels promoted since October 1858, who may have had their promotion retarded by the practice of limiting the leave of absence to fifteen months in the five years.

2. A similar course is to be adopted by your Government with respect to all Colonels of Her Majesty's Indian Forces promoted under the Royal Warrant of 31st January 1859, whose promotion may have been retarded, under the restriction with regard to leave of absence published in General Order, dated 18th September 1860, No. 940.

G. O. G. G. No. 954 of 21st September 1860. The following paragraph of a Military letter from the Right Honorable the Secretary of State for India, No. 360, of the 16th ultimo, is published in General Orders:—

"A reference on the subject having been made to the General Commanding-in-Chief, it has been ruled that leave of absence taken by a Brevet Lieutenant Colonel who has obtained that rank for service in the Field, is to reckon as part of the eight years' service required under the

* Government General Order, No. 740 of 1859. Royal Warrant of the 31st January 1859, to qualify for the rank of Colonel."

No. 11 of 1863.—The following Military letter from the Right Honorable the Secretary of State for India, No. 436, dated 25th November 1862, is published for general information and guidance:—

INDIA OFFICE, LONDON, 25th November 1862.

TO HIS EXCELLENCY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

MY LORD,—The provisions of the Circular Memorandum from the Horse Guards, dated 24th August 1860, No. 61, quoted in the margin, are to be in future adopted for Officers in the Indian Armies. Your Government will accordingly issue a Notification to this effect in General Orders.

"It has been directed by the Secretary of State for War, with the concurrence of His Royal Highness the General Commanding-in-Chief, that Captains having Brevet rank as Field Officers, at present holding staff situations as pointed out by the 8th Clause of the Royal Warrant of the 14th October 1858, are permitted to count their services in those situations towards the rank of Colonel, but no Captain holding Brevet rank of Field Officer, who may in future be appointed to such situations, will be allowed to count his services in them towards the rank of Colonel."

No. 14 of 1864.—The following paragraphs of a Military letter from the Right Honorable the Secretary of State for India, No. 408 of the 30th November 1863, are published for general information:—

I have received and considered in Council the Military letter from the Governor General dated 29th August last, No. 80 A, on the subject of the adoption, as regards Major-Generals of the Staff Corps, of the provisions of the Royal Warrant of 5th November 1860, which modifies, in favor of Officers promoted for service in the field, Clause 27 of the Royal Promotion Warrant of the 14th October 1858.

2. Previously to the receipt of his Lordship's letter, I had determined that the time passed by an Officer on leave of absence, rendered necessary by ill-health contracted on service, or in consequence of a wound received in action, shall be allowed to count towards the six years' service in the substantive rank of Field Officer required by the rule laid down in my Despatch dated 3rd December 1861, No. 467 (19), to entitle an Officer of the rank of Major-General to the unattached pay of that rank. Colonel C. Read, C. B., Aide-de-Camp to the Queen, is to have the benefit of this alteration.

3. I now authorize you to introduce the rule sanctioned in the Royal Warrant of 5th November 1860, and to declare an Officer of the Staff Corps who has been, or shall be hereafter, promoted to the rank of Field Officer by brevet for service in the field, who shall continue to serve uninterruptedly, on full pay, from the date of his promotion by brevet to the date of his obtaining the rank of Major-General, to be entitled to the unattached pay of that rank, notwithstanding he may not have served six years with the regimental rank of Field Officer with a Regiment, or in one of the situations specified in Clause 8 of the Royal Warrant of 31st January 1859.

No. 117 of 1864.—The following Military letter from the Right Honorable the Secretary of State for India is published for general information:—
From Her Majesty's Secretary of State for India, to the Right Hon'ble the Governor General of India in Council, No. 445, dated 31st December 1863.

SIR,—I have received and considered in Council your Excellency's Military letter*

* Separate. No. 56A, dated 29th July 1863, forwarding applications from the Officers Commanding the Guide Corps, 1st and 2nd Punjab Cavalry, and 2nd Punjab Infantry, soliciting that the period passed in command of Regiments of the Punjab Irregular Force may be considered as qualifying an Officer for promotion in the rank of Colonel, in like manner as such command counts in Native Regiments of any description under the orders of His Excellency the Commander-in-Chief.

2. My attention has been already drawn to this subject by your proceedings in the Military Department, Nos. 214 and 215 of the 5th March last, wherein it appears that the claim of a Lieutenant Colonel of the Bombay Army to promotion under the Warrant was considered subject to the inquiry as to whether the Regiment he commanded was or was not under the orders of the Commander-in-Chief; and I was, prior to the receipt of the Governor General's letter now under acknowledgment, in communication with His Royal Highness the Commanding-in-Chief on the subject.

3. I observe that the wording of my reply to the inquiry contained in the 7th paragraph of your letter, No. 83 of 17th June 1859, may have led to a misapprehension of the intention of Her Majesty's Government, and of His Royal Highness the Field Marshal Commanding-in-Chief upon this point.

4. In the paragraph referred to, your Government desired "to be informed whether the command of Irregular and Local Regiments is to be still considered as qualifying for promotion to the rank of Colonel;" and a reference having been made to the General Commanding-in-Chief on this subject, it was stated in reply "That His Royal Highness considers that the command of Local or Irregular Regiments, if held by an Officer with the rank of Lieut.-Colonel, may qualify for the rank of Colonel under the provisions of the Warrant."

5. There were, however, two descriptions of Native Forces, with a Regimental organization, viz., the 1st Military, consisting of Regiments employed on duties of a strictly Military character; and 2nd, the Police, consisting of Irregular bodies, which, though having a Military organization, were ordinarily employed upon Civil and Police duties.

6. It was not intended that the command of a Corps of the latter description should qualify for promotion under the 8th Clause of the Royal Warrant, and it was with a view of drawing a distinction between the two descriptions of Force to which I have referred, that the words "under the orders of the Commander-in-Chief" which did not occur either in your letter or in that of the Military Secretary to His Royal Highness, but which were adopted as expressing in a few words the distinction which it was intended to make, were inserted in my reply to your reference.

7. While the object of the distinction was to exclude Officers of Police Battalions from the operation of the 8th Clause of the Warrant, it was not intended to exclude from the privilege conferred by it, Officers Commanding Regiments of a strictly Military character, whether serving directly under the Commander-in-Chief, or placed, for reasons of State policy, under the Civil Government.

8. I request, therefore, that the terms of your Order No. 39 of 1859, which would seem to exclude from the benefit of Clause 8 of the Royal Warrant, Officers Commanding Regiments or Forces of the latter description, may be modified, and that the rule, as now explained, may be applied, with retrospective effect, to such Officers as may be already entitled to promotion to the rank of Colonel under its provisions.

9. Under the operation of this order, the Punjab Force, the Hyderabad Contingent, and all such bodies of Troops will be considered as forming a portion of the Standing Army, and Officers serving with those Forces will be entitled to all the privileges regarding promotion granted to the Officers of the Army at large, by the usage of the service, or under the provision of the Royal Warrant.

No. 118 of 1864.—The following Military letter from the Right Honorable the Secretary of State for India is published for general information:—
From Her Majesty's Secretary of State for India, to the Right Hon'ble the Governor General of India in Council, No. 446, dated 31st December 1863.

SIR,—With reference to my Despatch, No. 436 of 25th November 1862, I have to inform you that the rule laid down in a Circular from the Horse Guards, No. 61 of the 24th August 1860, extends to all Officers holding the rank of Captain regimentally with the Brevet rank of Lieutenant Colonel, who may be serving in positions qualifying for promotion to the rank of Colonel, under the 8th Clause of the Royal Warrant of 31st January 1859.

2. It is therefore to be considered as applying to Officers of that rank holding the command of Regiments in the Indian Army.

3. A Captain and Brevet Lieutenant Colonel appointed to the command of a Regiment before the publication in General Order of the Horse Guards' Circular of the 24th August 1860, count his period of command as qualifying service for the rank of Colonel, but a Captain and Brevet Lieutenant Colonel appointed to a similar Command subsequent to the publication, would not so count it.

G. O. G. G. No. 222 of 15th March 1864.—With reference to Government General Orders noted in the margin, the following Military letter from the Right Honorable the Secretary of State for India is published for general information:—

No. 1074, 26th Nov. 1861.
No. 494, 2nd May 1862.

From H. M.'s Secretary of State for India, to the Right Honorable Governor General of India in Council, No. 26, dated 30th January 1864.

Sir,—My letter dated 8th October 1861, No. 389, informed you that it had been determined that Officers holding the rank of Colonel and Lieutenant Colonel regimentally in the Royal Artillery were not, in future, to be seconded when holding Civil situations. My Despatch of the 24th March 1862, No. 124, further informed you that the Supernumerary Lieutenant Colonels of the Royal Artillery were to be absorbed into the Regiment as vacancies occurred, and directed that a similar rule should be established with regard to the Indian Brigades.

2. Circumstances have hitherto prevented the carrying out this intention in the Royal Artillery, and the measure has, in consequence, been suspended, as respects the Indian Artillery also.

3. I am now informed that it is determined that the absorption of the Supernumerary Field Officers of the old Brigades shall commence on the 1st April next, and that with this prospect in view, the Field Marshal Commanding-in-Chief has commenced the discontinuance of the practice of placing Field Officers of Artillery on the Supernumerary list.

4. The absorption of the Field Officers in the new Brigades will not be commenced until the process is completed in the old Brigades, but no Field Officers of either Brigade will be placed on the Supernumerary list after this date.

5. It is understood that the absorption of the Field Officers will be effected in the manner indicated in my letter, dated 24th March 1862, No. 124, by making only one promotion for every three vacancies.

Medical Department.

G. O. G. No. 353 of 30th March 1860.—The Honorable the President in Council is pleased to direct the publication of the following Military letter from the Right Honorable the Secretary of State for India, No. 53, of the 14th ultimo, and of the revised Royal Warrant therein referred to:—

MILITARY, No. 53.

INDIA OFFICE, LONDON, 14th February 1860.

TO HIS EXCELLENCY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

MY LORD,—Your Military letter, No. 76, dated 11th June 1859, forwarding Memorials from certain members of the Medical Service, and an appeal from the head of the Medical Department in Bengal against the provisions of the Royal Warrant of 1st February 1859, has received my attentive consideration.

2. In compliance with your urgent request, I have undertaken the revision of the Royal Warrant above referred to, the promulgation of which in India has been deferred by your Government pending the present reference; but the subject required very careful consideration, and involved correspondence with other Departments of Her Majesty's Government, and hence a considerable delay has unavoidably occurred in replying to your letter.

3. I have now, however, the gratification to announce to you that Her Majesty being desirous, as far as possible, to assimilate the designations and ranks in all branches of the Military Medical Service, has been pleased to issue a fresh Warrant, equalizing in all respects the rank of the Medical Officers of the Indian Armies with that fixed for the British Medical Service in the Royal Warrant of 1st October 1858.

4. The grades of Assistant Surgeon, Surgeon Major, Deputy Inspector General and Inspector General are now on precisely the same footing as to designation and relative rank in both services.

5. But the designation of the Officers now styled "Directors General of the Medical Department" in each of the three Presidencies is changed to "Principal Inspectors General," and the Officers holding these appointments will, in accordance with the practice in British Service, take Army rank as Inspectors General, according to their standing in that rank.

6. The retention of the designation now held by these Officers is strongly advocated in your Despatch; but after mature consideration, Her Majesty's Government have decided, that it is inexpedient to continue to the three Officers at the head of the Medical Departments of the Armies of Bengal, Madras and Bombay, the same title which designates the Officer selected to control the whole Medical Department of the British Army in all parts of the world.

7. Before entering on the discussion of the other subjects of complaint brought forward by the Medical Officers of the Indian Service, I must observe that the object of the Royal Warrant of the 1st February 1859 was not to regulate the pay or retiring allowances of the Medical Department, but to fix the rank and precedence relatively to those of the British Army. This object has now been attained in a manner which will, I trust, be satisfactory to the Indian Medical Service, to every grade of which it has secured additional relative rank.

8. I proceed to notice in detail the subjects brought forward in the letter addressed to you by Dr. Forsyth, the Principal Inspector General of Bengal.

1st. It is observed that your Government have

His propositions were—

1st. "That the Medical Officers of Her Majesty's Indian Forces may be placed, in point of all advantages of relative rank, furlough pay, and retiring allowances, and in all other respects, upon a perfect equality with those of Her Majesty's British Forces serving in India."

2ndly. "That the Director General of the Medical Department and the Inspector General of Hospitals may retain their present designations; that the Director General shall rank as Major General for appointment; that the Inspector General shall rank as Colonel; that the Superintendent Surgeon shall receive the designation of Deputy Inspector General, ranking on appointment with Lieutenant Colonel and with the Deputy Inspector General of Her Majesty's British Army after five years' service in India in this rank as Colonel."

offered no recommendation on the various subjects connected with promotion, effective allowances, furlough pay, and retiring pension, brought forward in the Memorials. The consideration of these subjects is deferred for the present, but will be taken up in connection with the question of the re-organization of the Army.

2d. This subject has been disposed of in the earlier paragraphs of this Despatch.

3d. In Lord Stanley's Despatch, dated 1st June 1859, No. 187, paragraph 21, you have been informed that Her Majesty's Government are disinclined to alter, in this respect, the provisions of the Warrant. So long as seniority is the invariable rule of promotion to substantive rank in the other branches of the service, it is considered desirable to maintain the same principle in the Medical Department, distinguished services being rewarded, in all branches alike, by Brevet promotion and the Order of the Bath.

4th. In accordance with the sanction conveyed in Lord Stanley's Despatch, No. 189, dated 1st June 1859, (paragraphs 18 and 19,) the two years of Medical practice in the rank of Surgeon, qualifying for promotion to a higher grade, may be performed either in the Civil or Military branch of the Service.

5thly. "That Medical Officers now in the service may be at liberty to retire, either upon the existing rates of pension, or upon those laid down in the Warrant of 1st October 1858, for the Medical Officers of Her Majesty's British Army."

5th. On this subject I would refer to my remarks under the first head.

9. One hundred and fifty Copies of the revised Warrant* are transmitted to your Government by the present Mail.

I have, &c.,

VICTORIA R.

Whereas, we have taken into Our consideration the recommendation of the Commissioners appointed by Our authority to inquire into the Regulations affecting the sanitary condition of Our Military Forces and the Medical treatment of the sick and wounded of Our Army; Our will and Pleasure is, that from and after the date of this Warrant, the following rules shall be established for the future admission, promotion, and relative rank and allowances of the Medical Officers of Our Indian Military Forces, and that by these rules Our Governor-General in Council, and the Governors in Council of Madras and Bombay respectively, shall be governed.

With reference to General Order by His Excellency the Governor General of India, No. 10A, dated 26th December 1860, the following paragraphs of a Military letter from the Right Honorable the Secretary of State for India, No. 386, dated 30th September 1861, are published for general information:—

Para. 1. I have received and considered in Council the 11th paragraph of your Military letter, No. 81 of the 22nd May, submitting the application of Surgeon Beatson, M. D., that certain leave of absence may be allowed to count towards the period qualifying for promotion, and certain other leave as service for pension.

2. Dr. Beatson took leave to Europe in March 1856, and elected to go under the old furlough rules, with a view of securing a three years' residence in Europe, which he thought might be rendered necessary by protracted treatment of his case.

3. The leave is, under the operation of the rule laid down in my Despatch, No. 397 of 31st October 1860, deducted from the service qualifying for promotion to the rank of Surgeon-Major.

4. Upon a re-consideration of the subject, I observe that the rule thus laid down bears unequally upon the Officers according as they may be under the old or new furlough rules, and I have resolved, therefore, that Medical Officers, under whatever furlough rules they may be placed, shall be allowed to count, towards promotion to the rank of Surgeon-Major, two years of their furlough in Europe (in addition to all leave in India.)

5. The rule is to take retrospective effect from the date of receipt in India of my Despatch No. 397 of 31st October 1860.

6. Dr. Beatson's request to be allowed to count as service for pension his leave to Simla, taken in 1846 and 1847, cannot be complied with.

No. 115A of 1863.—The following copy of a Military Despatch from the Right Hon'ble the Secretary of State for India, No. 214, dated 10th June 1863, is published for general information:—

INDIA OFFICE, LONDON, the 10th June 1863.

MILITARY.

No. 214.

TO HIS EXCELLENCY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

MY LORD,—Para. 1. In a letter* lately received from the Government of Madras the inquiry is made whether any limit is to be placed to the tenure of the office of Inspector General of Hospitals.

No. 43, dated 5th March. The Government of Madras point out that, under paragraph 8 of the Royal Warrant of the 13th January 1860, Inspector Generals and Deputy Inspector Generals are placed on the Retired List, on attaining the age of sixty-five years.

3. With reference to the General Order by the Governor General, No. 964, 31st July 1857, they observe that, if an Officer is allowed now to hold the office of Inspector General until retirement, the interests of other Medical Officers must be injuriously affected; while, on the other hand, it does not appear to them how an Inspector General of Hospitals, with substantive rank under the Warrant, but of short service, can revert to other duties to qualify for the highest rates of pension, as provided by paragraph 9 of the General Order by the Governor General.

4. They are of opinion, however, that the interests of the public service will be best promoted by limiting the tenure of the appointment of Inspector General to five years.

G. O. G.
18th Aug. 1863,
No. 293.

5. Under the instructions conveyed in the Despatch from the Court of Directors, No. 92 of 10th June 1857, the tenure of office by the Director General and Inspector General was limited to five years.

6. The several Inspectors General, under the operation of the Royal Warrant of 13th January 1860, hold the offices styled under the former organization "Director General" and "Inspector General," and I consider that the rule limiting their tenure of office to five years should be made still applicable to these Officers.

7. An Officer holding the rank of Inspector General, who may be removed from his appointment under the rule, will be eligible, at the discretion of the Government, for employment for a further similar period, subject always to the operation of Clause 8 of the Royal Warrant of 13th January 1860.

8. The Deputy Inspectors General of Her Majesty's Indian Service represent the Superintending Surgeons of the former organization; and I do not consider it necessary, pending the settlement of the question of the amalgamation of the British and Indian Medical Services, to apply any limit beyond that laid down in Clause 8 of the Royal Warrant to the tenure of appointment by these Officers--Superintending Surgeons, under the former organization, not having been subjected to any rule of this nature.

9. With regard to the difficulty suggested by the Government of Madras as to the manner in which an Officer of the rank of Inspector General, but of short service, can avert to other duties to qualify for higher rates of pension, I believe such occasions will be rare.

10. The circumstances of such Officers having been preferred to their seniors in the service for promotion would probably induce the Government to re-employ them on a vacancy occurring in a higher position; in the meantime, if not in a position to retire from the Service, they must remain unemployed.

I have, &c.,

GENERAL ORDER BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA.

Camp Mungow, the 26th December 1860.

No. 10 A.—The following Extracts from a Military letter from the Right Honorable the Secretary of State for India, No. 397 of the 31st October 1860, respecting the application of the Royal Warrant for the Medical Department of the Indian Army, dated 13th January 1860, are published for general information.

3. For the reasons stated in the 4th and 5th paras. of your Despatch, Her Majesty's Government consent to relax the rule in Clause 3, requiring two years Regimental duty as Asst. Surgeons to qualify for promotion to the rank of Surgeons in favor of Asst. Surgeons now near their promotion who, having been employed, on Civil or other duties, have not completed the requisite service. They desire that this rule be carefully observed in future and that the rule in Clause 3 of the Royal Warrant be observed strictly in the case of all Asst. Surgeons whose turn for promotion under the old rule may come after two years from the date of publication of this decision in Calcutta.

Extract paras. 4 and 5 of Letter No. 174, dated 17th July 1860.
"It is pointed out by the Principal Inspector General Medical Department that there are many Assistant Surgeons whose promotion is closest at hand, who have been serving in extra Regimental posts which have heretofore been considered equivalent to Regimental service, but who will not come under the provisions of Clause 3 if it be literally acted on and that there are others who from the exigencies of the service, have been employed at Civil Stations without having performed the prescribed Military duty, who are in like manner ineligible for promotion."

"In favor of these Mr. Forsyth advocates an exception; and we beg to recommend that the Assistant Surgeons so situated may, notwithstanding their disqualification, be allowed the promotion, but that the rule in the Royal Warrant be enforced strictly in the case of all Assistant Surgeons whose tenure for promotion may be arrived at in periods beyond two years from the date of publication of the decision of Her Majesty's Government on this reference."

4. The situations named in the margin

Assistant Surgeons of General Hospitals.	Secretary to Principal Inspector General.
Assistant Garrison Surgeons.	Superintendent of Eye Infirmary.
Medical Storekeepers.	

may, as heretofore, be considered equivalent to Regimental duty for the above purpose.

No. 842 of 1862.—The following paragraph of a Military letter from the Right Honorable the Secretary of State for India, No. 252, dated 16th July 1862, is published for general information:—

Letter dated 3d April 1862, No. 104.

31. I concur in the opinion expressed by your Government that Assistant Surgeons are entitled to reckon as service qualifying for promotion the periods during which they may do duty in the Indian Navy or may hold Medical charge of an Irregular Force, but that service with a Police Corps should not count in like manner.

Letter No. 105, dated 3d April 1862.

32. The time passed on the voyage to India by a Medical Officer in Medical charge of Troops may be allowed to count as service towards promotion to the rank of Surgeon Major.

This General Order is applicable to the three Presidencies.

(Signed) R. J. H. BIRCH, Major General,
Secretary to the Government of India,
with the Governor General.

4. A Surgeon, whether on the Staff or attached to Regiments, must have served ten years in India, of which two must have been passed, with the rank of Surgeon, in or with a Regiment, or as a Civil Surgeon, before he will be eligible for promotion to the rank of Deputy Inspector-General of Hospitals.

5. A Deputy Inspector-General of Hospitals must have served three years in India before he shall be eligible for promotion to the rank of Inspector-General.

In cases, however, of emergency, or when the good of the service renders such alteration desirable, it shall be competent for the Governor-General in Council to shorten the several periods of service above-mentioned, in such manner as he shall deem fit and expedient.

6. Assistant Surgeons shall, as a general rule, be promoted to the rank of Surgeon in the order of their seniority in the service, unless unfit for the discharge of their duties from physical or professional incompetence or misconduct. In cases of distinguished service, however, an Assistant Surgeon may be promoted by Brevet, without reference to seniority, and in such cases, with a view to insure the responsibility attaching to an appointment made out of the regular course of promotion, the recommendation in which the services of the Officer shall be detailed shall be published in the General Orders of Our Indian Military Forces, and in the Gazette in which his promotion appears.

No. 157 of 1864.—With reference to Government General Order No. 540 of the 18th June 1861, the following paragraph of a Military letter from the Right Honorable the Secretary of State for India, No. 300 of the 24th August last, and the Royal Warrant therein referred to, are published in General Orders:—

1. With reference to my Despatch, dated 9th May 1861, No. 193, I now transmit to you a Royal Warrant dated 9th May 1863, cancelling the Royal Warrant of 28th March 1861,* which assigns the relative rank of Junior Major to Staff and Regimental Surgeons. The arrangements sanctioned in the revised Warrant, so far as they are applicable to the Indian Service, are to be adopted for Surgeons of Her Majesty's Indian Forces.

Circular No. 825.—(Relative Rank.)

VICTORIA R. HOME AND FOREIGN.

WHEREAS, We have judged it expedient to cancel Our Royal Warrant of 28th March 1861, which assigns the relative rank of Junior Major to certain Staff and Regimental Surgeons of Our Army, and revise those parts of the several other Royal Warrants now in force, prescribing the privileges attaching to relative rank Officers of the Civil Departments and Non-Combatant Officers of the Military Departments of Our Army; Our will and pleasure is that such privileges shall, from the date of this Our Royal Warrant, be regulated as follows:—

Relative rank shall carry with it all precedence and advantages attaching to the Military rank with which it corresponds, and shall regulate the rates of lodging money, number of servants, rations of fuel and light, or allowances in their stead, except for Officers and others to whom special rates have been assigned, detention and Prize Money, according to the regulations, and upon the conditions, in force, from time to time; but such relative rank shall not entitle the holder to Military command of any kind whatsoever, nor to the Presidency of Courts Martial, Courts of Enquiry, Committees, or Boards of Survey, but when the President of such Courts, Committees, or Boards shall be junior to the Officer of the Civil Department then such Member of the Civil Department shall attend as a witness, and not as a member.

Choice of quarters shall be regulated by relative rank according to date of Commission; except in the case of the Commanding Officers' quarters, and in cases in which special quarters shall be permanently appropriated, with the approval of the Secretary of State for War.

Relative rank shall not entitle the holder to salutes from Ships or Fortresses, nor to the turning out of Guards; but it shall entitle him, if Commissioned, to salutes by sentries, or by individual Soldiers.

Honorary rank of Paymasters shall carry with it all the privileges and advantages attaching to relative rank of corresponding degree.

All Commissioned Officers, serving with the Troops, shall be entitled to Funeral Honours, according to their relative Military rank.

Given at our Court at James's, this First day of May 1863, in the Twenty-sixth year of Our Reign.

By Her Majesty's Command,
DE GREY AND RIPCIN

7. All promotion from the rank of Surgeon to that of Deputy Inspector, and from the rank of Deputy Inspector to that of Inspector, shall be given by selection for ability and merit; and the grounds for such selection shall be stated to us in writing, and recorded in the office of the Secretary of State for India in Council, the selection for the grades of Deputy Inspector being made from the whole rank of Surgeons, whether styled Surgeons or Surgeons-Major.

of 4th June 1861.

G. O. G. No. 497 of 4th June 1861.—The following paragraphs of a Military letter from the Right Honorable the Secretary of State for India, No. 172 of the 21st April 1861, are published for general information:—

1. I have received and considered in Council your Excellency's separate Despatches, Nos. 3 and 4, dated 21st January 1861, regarding the application to the Indian Medical Department of certain Clauses of the Royal Warrant of the 13th January 1860.

2. In my Despatch No. 326, dated 22nd August 1860, with reference to the objections which had been made to the 8th Clause of the Warrant under which all Medical Officers below the rank of Deputy Inspector-General will be placed on the Retired List when they shall have obtained the age of fifty-five years, I expressed my willingness to consider any plan that your Government might suggest for reconciling the efficiency of the public service (which must be the primary object) with a consideration of the claims of the Medical Department.

3. The plan which appears to your Excellency best suited to protect the public interests and the claims, at the same time, of Medical Officers is that of relaxing the rule embodied in the 8th Clause of the Warrant, in cases where superior Medical authorities certify the perfect competency and fitness of the Medical Officer, who has completed the age of fifty-five years without having obtained the rank of Deputy Inspector-General.

4. I am willing to assent to the adoption of this plan in regard to the Medical Officers who entered the service prior to the promulgation of the Royal Warrant, provided that the perfect competency and fitness of the Medical Officers be, in all cases, certified by a Board consisting of two Medical Officers, one of whom must be an Inspector-General or Deputy Inspector-General, and the Commanding Officer, or Senior Civil Officer, under whom the Medical Officer may have been serving.

5. The certificate of efficiency granted by such a Board may hold good for three years, but in no case will a Medical Officer under the rank of Deputy Inspector-General be permitted to remain on the effective list after he shall have attained the age of sixty years.

6. A Medical Officer who may be unable to obtain the certificate of competency above referred to will be placed on the Retired List, receiving, as recommended by Government, the rate of pension next above that to which his period of service in India may entitle him, provided that he be not already entitled to retire on the higher rate, viz., £700 a year.

7. A similar course may be pursued with respect to Medical Officers employed on unprofessional duties on their attaining the age of fifty-five years.

8. Your General Order of the 26th December, giving effect to the instructions conveyed in my Despatch, No. 397 of the 31st October 1860, regulating the amount of leave of absence allowed to reckon as service towards the qualification for the rank of Surgeon-Major, is approved.

9. With reference to the modification of the Pension Rules of the Medical Service, suggested by Doctor Forsyth, I have to inform you that the whole question of the re-organization of the Indian Medical Service is now under consideration, and that the determination of Her Majesty's Government thereon will be communicated to you hereafter.

10. Such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds (except as regards the Presidency of Courts Martial, where Our Will and Pleasure is, that that the Senior combatant Officer be always President), and shall regulate the choice of quarters, forage, and prize-money. But when a Medical Officer is serving with a Regiment or Detachment, the Officer Commanding, though he be junior in rank to such Medical Officer is entitled to a preference in the choice of quarters.

11. Medical Officers shall be entitled to all the allowances granted to Our Indian Military Forces on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

12. Their families shall, in like manner, be entitled to all the allowances granted, under existing regulations, to the families of combatant Officers holding the same relative ranks.

13. Medical Officers shall be held entitled to the same honours as the other Officers of Our Army of equal relative ranks.

14. A Medical Officer, retiring after a service in India of twenty-five years and upwards, may, if recommended for the same by the Head of his Department, receive a step of honorary rank, but without any consequent increase of pay.

15. Six of the most meritorious Medical Officers of the Army shall be named Honorary Physicians, and six My Honorary Surgeons.

Given at Our Court at Windsor, this Thirteenth day of January 1860, in the Twenty-third year of Our Reign.

By Her Majesty's Command,
CHARLES WOOD.

* And after five years' service in India as Deputy Inspector General, as Colonel, according to the date of the completion of such service.

† This Clause does not extend to the compliments to be paid by Garrison or Regimental Guards as laid down in pages 23 and 30 of the Queen's Regulations for the Army.

GENERAL ORDERS BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Fort William, the 13th August 1861.

No. 722 of 1861.—The following paragraphs of a Military letter from the Right Hon'ble the Secretary of State for India, No. 278 of the 8th July 1861, are published for general information:—

"1. Since the date of my Despatch No. 233, I have received a communication from the Secretary of State for War, enclosing a letter from the Principal Veterinary Surgeon, Woolwich, who, with reference to the doubt expressed in your Military letter No. 41, dated 2nd April last, as to the practicability of examining Veterinary Surgeons in India, in order to test their fitness for promotion, expresses an opinion that it is very desirable that if the Royal Warrant of 1st July 1859 be adopted, it should be fully carried out, and states that no difficulty was encountered in doing so, in the cases of the 2d and 6th Dragoon Guards, both in India, the examinations being written and carried on confidentially between the Officer in Command of the Regiment and himself.

"2. Lord Herbert concurs in the opinion that no sufficient ground has been shown for a modification of Clause 3 of the Warrant requiring Veterinary Surgeons to be examined as applied to India.

"3. Under the new organization of the Army in India, there will henceforth be no Regimental employment for Veterinary Surgeons of the Local Service, but those now in the service may be promoted under the Royal Warrant of 1st July 1859, their examinations being conducted by means of written questions prepared by the Principal Veterinary Surgeon in this country, in the mode above described.

"4. In carrying out this arrangement, a list of the Veterinary Surgeons, who have served the required periods for promotion, should be sent Home from time to time, in order that the examination questions may be prepared and transmitted to India."

This cancels the decision communicated in letter from the Right Hon'ble the Secretary of State for India, dated 7th June last, published in Government General Order No. 625, of the 16th July 1861.

* Madras G. O. G. 30th July 1861, No. 250.

the good of the service renders such alteration necessary, it shall be competent for Our Secretary for War to shorten the several periods of service abovementioned in such manner as he shall deem fit and expedient.

6. Promotion from one rank to another shall not necessarily be given by seniority, but by selection for professional ability and meritorious conduct.

15. The relative rank of the Veterinary Officers of Our Army shall be as follows:—
Veterinary Surgeon on appointment, as Subaltern.
Veterinary Surgeon of the First Class on promotion, as Captain.
Staff Veterinary Surgeon on promotion, as Major, but junior of that rank.

16. Such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds (except as regards the Presidency of Courts Martial, and of all Military Courts, Committees, and Boards of Inquiry, where Our will and pleasure is that the senior combatant Officer be always President, and except further any Military command whatever), and shall regulate the choice of quarters, rates of lodging money, field allowances, forage, servants, fuel and light, or allowances in their stead, detention, and prize money. But when a Veterinary Officer is serving with a Regiment, Corps, or Detachment, the Officer Commanding, though he be junior in rank to such Veterinary Officer, shall be entitled to a preference in the choice of quarters.

17. Veterinary Officers shall be entitled to all the allowances granted—on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

18. Their families shall, in like manner, be entitled to all the allowances granted—to the families of combatant Officers holding the same relative ranks.

19. Veterinary Officers shall be held entitled to the same honours as other Officers of Our Army of equal relative rank. This does not, however, extend to the compliments to be paid by Garrison or Regimental Guards, as laid down in the Regulations of Our Army.

3. No Veterinary Surgeon shall be eligible for promotion until he shall have passed such examination as Our Principal Secretary of State for War may require, and shall have served on full pay, with the Commission of Veterinary Surgeon, for five years.

4. A Veterinary Surgeon of the First Class must have served fifteen years in the Army, with the Commission on full pay, before he will be eligible for promotion to the rank of Staff Veterinary Surgeon.

They must in all cases be signed either by Commanding Officers concerned, or by other public functionaries who may be in a position to make the required recommendations.

v.—The Secretary having first examined the applications and ascertained that they afford all the information required, will submit them to the Ladies' Quarterly Committee. If approved of by the Directresses, and there should be vacancies, the Secretary will communicate to the Superintendent the necessary authority for the admission of the girls. Should there be no vacancies, the girls' names will be entered in a Roll of Candidates for admission, in order of application, as vacancies may occur.

viii.—Admissions in excess of such establishment are to be authorized only by the Governors, and are to be restricted to cases of proved urgency.

The whole of the Funds of the Indian Branch amounting to upwards of £ 200,000, invested in Government, Real, and Indian Securities.

THE PROFITS.—Are divisible every three years, a proportion equal to four-fifths or Eighty per cent. of the whole profits being at the option of the Assured, payable in Cash, added to the Policy or applied in reduction of future premiums.
The last division of Profits as at 21st December 1861, resulted in a cash appropriation to participating Policy Holders of £ 50,000.
The next Investigation will apply to "Participating" Policies in force on, and issued previous to, the 31st December 1864.

GENERAL ADVANTAGES.

A few of these not already noticed may be briefly enumerated as follows:—
There is no charge for Entry Money, Policies, or Stamps.
Premiums may be paid in one sum, or by yearly, half-yearly, quarterly, or monthly payments.
Civil rates charged on the lives of Military Officers holding Civil appointments (Police and Constabulary Corps excepted) for the term of such appointments.
Immediate reduction to English rates on the assured proceeding to Europe or any other part of the world which the Directors may consider equally healthy, whether for a permanent or temporary residence.

THE PREMIUMS

Will be found generally lower than the rates of any other Company.

On receiving the necessary instructions from Applicants for Assurance, the Company will, if desired, Telegraph the result of proposals to any part of India to which the lines may extend, within at least twelve hours after receipt in Madras of the papers completed, the cost of Message being borne by Applicants.
Full particulars, together with Forms and Instructions to parties wishing to effect Assurances, or to purchase Annuities or Endowments, will be forwarded free to any part of India, on application being made to any of the Agents of the Company or to

RETIRING PROVISIONS COMBINED WITH LIFE ASSURANCE.

THE closing of the "MILITARY FUND" renders it necessary for Military Officers to make some other provision for the support of their surviving families; and one of the best arrangements for this purpose, will be found in the adoption of either of the following Tables, A or B, which have been specially calculated for the use of this Institution, and which will enable them to effect their object (at an early period of life) with little more expense than that of an ordinary Life Assurance.

These Tables present the means of effecting Assurances, which are payable either to the Holder of the Policy on his attaining 55 or 60 years of age, or to his representatives at his death if happening previously. Thus the Holder of a Policy may, upon the same becoming payable in his life time, either invest the sum assured in a Government Annuity, for the benefit of himself or for any member or members of his family, or otherwise dispose of it if he thinks proper.

The payment of a **fixed sum**, instead of an **annuity**, is considered by the Company the safest and the best mode of assurance, as it leaves the holder entirely at liberty to select that mode of provision for himself or for his family which he may consider most advantageous.

Similar Assurances may be effected at *lower Rates* of Premium on the lives of **CIVIL SERVANTS** and others not exposed to *Military Risks*.
