LIST OF HER MAJESTY'S COVENANTED CIVIL SERVANTS ON THE MADRAS ESTABLISHMENT,

Corrected up to the 30th September 1866.

The Rank of Civil Servants commences from the date of arrival at Madras of the first Civil Servant appointed in Europe, of the same season of which they are Civil Servants; and, being thus determined, all Civil Servants belong, during the first four years, to Class VI;—from the fifth to the end of the eighth year, to Class V;—from the ninth to the end of the twelfth year, to Class IV;—from the thirteenth to the end of the twentieth year, to Class III;—from the twenty-first to the end of the thirty-fifth year, to Class II;—and from and after the thirty-fifth year, to Class I.

The letters A, B, C, D, prefixed to the names denote respectively that the parties have not passed either of the two Standards of Qualification; that the first or lower Standard has been passed; that the Servant is entitled to Furlough, and that he cannot take Special leave.

It is preferred to a name denoted that the Servant though not having passed by the 2nd Standard, nor holding an appointment superior to that of an Assistant, is invested permanently with the full powers of a Magistrate.

Column 2, Capitals distinguish high proficiency. Column 3, Absence shown in Italics counts as Residence to the extent of one year.

AFFECTING

Retiring Regulations

1. The rules under which the period of service required to entitle Officers to the benefit of the present Regulations is calculated, are as follow:—
2. Officers appointed direct, count service from the date of arrival within the limits of the Madras Presidency, unless specially authorized by the Court of Directors to embark in a ship bound for another Presidency.
3. Officers appointed from Addiscombe subsequently to the 22nd November 1861, to the Cavalry, Artillery, or Infantry, count service as above, with the addition of the period passed at Addiscombe, after attaining the age of sixteen.
4. Officers of Engineers count service from the date of arrival of the first Artillery or Infantry Cadet of the same examination, with the addition of the Addiscombe period as above. In the event of there being no such Artillery or Infantry Cadet they count service from the expiration of 44 months from date of examination.
5. Officers appointed in India, count service from the date on which they take the oath of allegiance.
6. Medical Officers and Veterinary Surgeons count service from the date of arrival within the limits of the Madras Presidency.
7. Absence on sick certificate within the limits of India for periods not exceeding two years, successively, as also leave on private affairs beyond the limits of this Presidency, if for periods not exceeding three successive months, are counted in the time of service requisite to entitle to retiring Pay. Officers however serving in other than their own Presidency, may count as service towards pension leave taken within the limits of the former equally as taken within the latter.—Vide G. O. G., 10th December 1861, No. 437.
8. But all Officers quitting India on leave of absence on account of sickness or of private affairs, who shall proceed to Europe without having returned to India, shall be considered as on furlough to Europe from the dates on which they shall have respectively left India.
9. Every Officer who has completed twenty-two years' service in India is allowed to retire with the pay of the rank to which he has attained, except Lieutenant Colonels of Artillery and Engineers, who being in the receipt of Major's pay are restricted to pension of latter rank.—G. O. G., 11th October 1862, No. 95.
10. All effective Officers, without reference to their actual rank, are allowed to retire.
 - After twenty years' service in India, on the pay of Captains.
 - After twenty-four years' service in India, on the pay of Majors.
 - After twenty-eight years' service in India, on the pay of Lieutenant Colonels.
 - And after thirty-two years' service in India, on the pay of Colonels.
11. Officers on producing the prescribed Medical Certificates, countersigned by the Commanding Officer, that they are compelled to quit the service by wounds received in action, or by ill-health contracted on active service, or on detachment or out-post, or any Military duty in notoriously unhealthy localities, after three years' service in India, are permitted to retire on the half pay of their rank. This indulgence, however, can be granted only in England.—G. O. G., 15th April 1859, No. 153.
12. Officers who may be compelled to quit India on sick certificate and who may not be entitled to retire on full pay are to try the effects of a temperate climate for the usual term of furlough before they can be allowed to establish their claim to retire from the service upon half pay. If Officers so circumstanced, proceed to New South Wales, or some other Colony, and apply thence, at a proper time, for permission to retire, satisfactory evidence from the Medical Staff Officer, or other undoubted Medical testimony on the spot, to prove that the applicant is incapable from ill health to the performance of Military duty in India is necessary.
13. Veterinary Surgeons who have actually served seventeen years in India, or twenty years including a furlough of three years, may retire on 7s. per diem, twenty-five years including a furlough of three years on 8s. per diem, thirty years including a furlough of three years on 12s. per diem. If health do not permit them to continue their service in India, they are permitted to retire after ten years in India, or thirteen years including a furlough of three years on 6s. and 6d. per diem or after six years' actual service in India on 4s. and 6d. per diem.
14. In lieu of the above scale of retiring pensions, the following rates are authorized:—

Veterinary Surgeons in the service will not be deprived of the benefit of the present Regulations.			
After 3 years' service if compelled by wounds received in action or by ill-health contracted on duty in India to retire	8s. per diem.		
After 6 years' service if from ill-health unable to continue to serve in India	3	"	
After 10 years' service if " " " "	4	"	
" " " "	6-6	"	
" 22 " "	10-6	"	
" 27 " "	£ 250 per annum.		
" 32 " "	£ 300 do.		
15. Officers who have completed the prescribed period of service, are allowed to retire either in England or in India.
16. Officers retiring in England when on authorised furlough are allowed the benefit of the rank they may hold at the expiration of two and a half years from their quitting India.—G. O. G., 3rd May 1861, No. 158.
17. Officers retiring in England from the service shall be considered to have retired from the date of their application for leave to retire, or from the expiration of two years and a half from the date of the commencement of their furlough, whichever shall first happen, from which dates respectively promotion caused thereby will be made.—G. O. G., 6th July 1859, No. 298.

If proof be forthcoming that an Officer has already furnished Security at his own Presidency for any demands on the part of Government which may arise, fresh Security is not to be required by Paymasters of any other Presidencies.

All over-drawings or short charges will always be adjusted by the Pay authorities of the Presidency to which the Drawing Officers may belong.

All other orders on this subject at the three Presidencies are hereby superseded.

25. The existing Regulations regarding Passage Money to Officers are not affected by these rules.

G. O. G. No. 430 of 10th April 1855.—The Honorable the President of the Council of India in Council is pleased to notify for general information that Officers who have proceeded on leave to the Presidency for the purpose of undergoing examination in the Native languages before the Examiners of the late College of Fort William, or the present Board of Examiners, in any of the tests laid down for Military Officers, will be allowed to reckon the period of their absence, to the extent of six months only, as on duty, in the same manner as Officers proceeding to the Head Quarters of the Division in which they are serving for a like purpose, are now considered as absent on duty.

G. O. C. C. 1. dated Head Quarters, Simla, 28th September 1854.
The Command-in-Chief is pleased to notify that, with the sanction of the Most Noble the Governor General in Council, Officers proceeding to Head Quarters of the Division in which they are serving, to undergo an examination in the Native languages before the Half-yearly Committees, will for the future be considered as absent from their Regiments on duty and such absence will not interfere with their enjoyment of temporary leave under the order marginally cited.

2. Officers Commanding Divisions will be held responsible that this indulgence is not used by Officers absents themselves from their Corps for longer periods than may be actually necessary to enable them to accomplish the object in view.

The Command-in-Chief directs it to be notified that leave granted under the provisions of G. O. G. No. 116, dated 24th April 1855, to Officers who may fail to show that they have made good progress in their studies will be converted into general leave counting against service for pension.

"Short leaves on private affairs for periods not exceeding thirty days, which have been granted to Officers in General Orders, previously to 6th December 1854, are to be counted as 'privileged,' provided they do not exceed an aggregate of thirty days in each half year."
"Should an Officer who is on privilege leave not rejoin his Corps, but be absent in continuation, on not more than five months' leave on private affairs, or on one year and eleven months' leave on medical certificate, he will retain his full salary or allowances for the thirty days of privilege leave, which will also count as service, but he will, nevertheless, forfeit all Military allowances on completing six months or two years' absence, (as the case may be) reckoned from the date that he quitted his Corps and station."

13th June 1855,
No. 193.

3. In calculating the period of an Officer's absence on furlough in India, the day of departure from a Regiment or appointment is to be reckoned as one of duty. In like manner as respects furlough beyond India, the date on which the vessel conveying the Officer from India puts out to sea, is to be reckoned as one of furlough and the day on which he returns to his Presidency as one of duty.

4. An Officer entering the service and obtaining leave to visit a station not the Head Quarters of his Regiment and to join the Corps to which he is posted, and who actually does join within the period sanctioned by Regulation for the purpose of joining by the direct route, is allowed to reckon such leave as service for pension.

G. O. C. C.
Nov. 1855,
No. 92.

The principle of this rule is applicable to Officers who on return from leave out of India are allowed to visit a station out of the direct route to the station to which they belong.

5. Leave for one month, granted to Officers in Civil employ under Section XI (amended) old Civil Service Absentee Regulations, is not to be deducted from annual leave as one month in six privilege service, it being considered in the leave granted to Military Officers.

6. The period during which Officers may have been or may hereafter be absent on leave for the purpose of accompanying Insane or Sick Officers as allowed to count as service for pension.

7. If an Officer is placed on duty while on leave of absence, whether on medical certificate or private affairs he will be allowed to count as service for pension the whole period he may be so employed, i. e., from the date of the order nominating him to such duty to the date of the order relieving him, both inclusive.

India House in adjusting the several payments which may be due.

8. The certificates issued to Officers who are granted furloughs on private affairs, or leave of absence on sick certificate, are to specify the time each Officer has been absent on leave within Indian limits, as well as the time of his previous absence in Europe; but will not include the period allowed for proceeding to the Presidency or port of embarkation, and to enable Officers to rejoin their Regiments or stations after their return to India, nor the leave of one month's absence in six months as authorized by the Regulations.

9. The last Pay Certificate of all Officers proceeding to England on sick certificate is to specify the rate of Regimental pay and allowances and Staff salary to which they would have been entitled under the old Regulations if proceeding to Sea on medical certificate.

4. In accordance with the principle laid down in the 65th paragraph of the General Order of the 10th April 1861, Officers of the new Brigades of Artillery and new Line Regiments ordered to do duty at the Regimental Depot, or with drafts on the voyage to India, will reckon such duty as service in India for retiring pension. Those doing duty under any other circumstances in this country, will reckon such service in the proportion of one year for two.

Officers of H. M.'s Services.

27. Officers of Her Majesty's Service in India, whether employed Regimentally or in Staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

28. In the case of Officers of Her Majesty's Service on furlough on sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

13. An Officer returning from Europe or Sea is allowed to count as service 15 days for preparation at the port of debarkation and marching distance to his Corps or Department in addition.

14. An Officer going to Europe or Sea is allowed to count as service in addition to marching distance to the Presidency or nearest port of embarkation, the same period for preparation prior to embarkation as allowed to Officers returning from Europe, viz. 15 days.

15. Officers obtaining leave preparatory to final leave out of India, but who after arriving at the Presidency or other port of embarkation abandon their intention of leaving the country, cannot reckon as service the period they may have been absent from duty on such preparatory leave which then assumes the nature of ordinary leave in India.

G. O. C. C.
25th Nov. 1855,
No. 92.

16. An Officer who proceeds on furlough to the Presidency or other port, (not preparatory to applying for leave to proceed to Europe or elsewhere) and while there obtains a sick certificate to Europe or other place out of India, is not entitled to count as service the period allowed by Regulation for proceeding from the station of his Regiment or appointment to the port of embarkation; but he can reckon as service the period of 15 days allowed at the Presidency or port of embarkation preparatory to embarkation.

17. If instead of being at the port of embarkation, he is at another port, or at an inland station, when he obtains the sick certificate to quit India, he will be allowed the time authorized for travelling from the station at which he may be when he obtains his sick certificate, to the port of embarkation.

18. If an Officer while absent on ordinary sick certificate in India, quits India on sick certificate, or, who having proceeded on ordinary leave on private affairs in India obtains a furlough out of India, he is entitled to count as service the period allowed for proceeding from the place at which he may be when he obtains leave to quit India, to the port where he ultimately embarks.

Simla, 22nd September 1864.

No. 774 of 1864.—Having taken into consideration the existing facilities for travelling, which are steadily increasing, His Excellency the Governor General in Council is of opinion, that the rules now in force for regulating the periods allowed to Officers and others proceeding, in ordinary course, from one station to another, are no longer suitable or adapted to meet the interests of the service or the general convenience of Officers.

2. G. O. G. No. 770 of 14th September 1853 is therefore cancelled, and the following rules will be observed from the 1st November next:—

3. Officers returning from furlough to Europe or deave beyond sea, or Officers removed from a regiment, appointment, or station, at their own request, or on regimental or departmental promotion, or to join a new appointment, will be allowed fifteen days for preparation from the date of arrival, or being struck off duty. On special grounds, this period may be extended to thirty days by the Officer Commanding the Division, District, or Garrison.

4. Every Officer, at the expiration of the period allowed for preparation, is required to join his corps, station, or appointment, by the most expeditious available mode of travelling, and without unnecessary delay on the road.

5. Officers who may be unavoidably delayed by sickness or other circumstances must report the cause and period of such delay, furnishing medical or other certificates to the Officer Commanding the Station, at or nearest to which such delay may have occurred.

G. O. G.
11th Oct. 1864,
No. 401.

6. In very special cases, Officers Commanding Divisions may sanction a slower mode of travelling, either for a part or for the whole of the journey; but any such indulgence, and the reasons for granting it, must be reported at once to His Excellency the Commander-in-Chief, or to the Government, according to the nature of the Officer's employment.

7. This ruling is to be made applicable to all three Presidencies.

Leave of absence, preparatory to furlough, whether on private affairs or on sick certificate, must always be *general*, and not *privilege* leave.

With reference to G. O. G. No. 13, dated 3d February 1860, the Governor in Council directs that in future, in accordance with the practice in Bengal, leave of absence preparatory to retiring from the service shall always be *general*, and not *privilege* leave.

It is hereby notified that, under a recent ruling of the Government of India, Officers, whose leave may expire after the commencement of General Holidays, will, notwithstanding, such Holidays, be required to report, as heretofore, their return to duty on the termination of their leave.

It is notified for general information that, under a recent decision of the Government of India, an Officer who had elected (or who, not having before elected, might on his entering the Staff Corps desire to elect) the old furlough Regulations, carries with him into the Staff Corps so much of his service (authorized leave included) as had been passed in Indian limits and no more; and that to entitle him to retire on the pension of any particular rank he must serve as many more years as would with that service complete the full period of service prescribed for such pension, with the liberty of availing himself, after his entry into the Staff Corps, of the privileged periods of absence allowed in paragraph 30 of the new furlough Regulations.

For instance a Captain who, on entering the Staff Corps on the 18th February 1861, had served twenty-four years counting as service for retirement under the old rules, and had been absent six years on leave to Europe, would enter the Staff Corps with a capital of service of twenty-four years only; and, before he could retire on the pension of a Lieutenant Colonel he would have to serve four years longer, of which three years might be passed on leave.

2. With reference to the foregoing, Officers who at date of entering the Staff Corps had not made election of furlough Regulations are requested now to report under which furlough Regulations they desire that their service to that date may be calculated.

GENERAL ORDERS BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Port William, the 12th May 1862.

No. 590 of 1862. The following rule which has received the sanction of the Right Hon'ble the Secretary of State for India for calculating the service of Officers who, formerly under the old furlough Regulations, have joined the Staff Corps, and whose service from date of joining that Corps is to be reckoned under the new furlough Regulations, is published for general information and guidance:—

1. Officers having elected (or who not having before elected might, on their entering the Staff Corps, desire to elect) the old furlough Regulations will carry with them into the Staff Corps so much of their service (authorized leave included) as may have been passed within Indian limits and no more. Before they can retire on the pension of any particular rank they will be required to serve for such further period as will, with that service, complete the full period prescribed for the pension of any particular rank, with the liberty of availing themselves, after their entry into the Staff Corps, of the privileged periods of absence allowed by paragraph 30 of the new furlough Regulations.

2. With reference to the foregoing, Officers who at date of entering the Staff Corps had not made election of furlough Regulations are requested now to report under which furlough Regulations they desire that their service to that date may be calculated.

37. It is to be distinctly understood, that under no circumstances whatever will an Officer be permitted to retire on full pay, until he has completed the full time of service above specified, whether he be in England at the close of his service or elsewhere.

38. The privileged time of absence may, with the permission of the local Government, be taken at any time subject to these Regulations. If therefore, at the end of twenty years' service, of which eighteen had been passed on actual duty in India, an Officer should be on furlough, or sick certificate in Europe, or elsewhere, he will be entitled to retire on the full pay of a Captain without returning to India, and so in the other

gemental or Staff Officers, to be allowed to count as service for the pension. All leave to a greater extent granted by Political and other authorities, which may not hitherto have been published in General Orders must be so announced hereafter.

32. Officers to be entitled to retire on the full pay of their Regimental rank (under the Regulation of 1796) must have served twenty-two years in India, out of which leaves of absence for two years in the aggregate and not more, will be allowed to count as service for the retiring pension.

33. Officers to be entitled to retire on the full pay of Captains and Majors (under the Regulations of 1835-7) must have served twenty and twenty-four years respectively, out of which time leaves of absence for two years in the aggregate and not more, will be allowed to count as service.

34. Officers to be entitled to retire as Lieutenants, Colonels must have served twenty-eight years, out of which leaves of absence for three years in the aggregate, and

35. Officers to be entitled to retire as Colonels, must have served thirty-two years, of which leaves of absence for four years in the aggregate, and not more, will be allowed to count as service.

No. 70.—The following Extract from a Despatch from the Right Hon'ble the Secretary of State for India is published for general information and guidance, with reference to G. O. G. No. 299, dated 15th September 1857, permitting Officers to count as service for retiring pension periods of leave occasioned by wounds or illness contracted by service in the Field.

Applications for this leave should not be submitted in cases where the sickness has "not been such as to render the absence of the Officer on sick certificate immediately necessary."

G. O. G. G. No. 103 of 12th February 1861.—Under the authority of the Right Hon'ble the Secretary of State for India, it is hereby notified that, when Officers who have not volunteered for the duty are ordered to proceed to England in charge of troops round the Cape, they will be allowed to count as Indian service the difference of time occupied on the voyage round the Cape, and that by the Red Sea.

This rule is applicable to the three Presidencies.

In like manner a Medical Officer on furlough, or sick certificate in Europe, or elsewhere, at the end of seventeen years' service, fifteen years and four months of which had been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pension.

Unattached and Warrant Officers.

GENERAL ORDERS BY THE HON'BLE THE PRESIDENT OF THE COUNCIL OF INDIA, IN COUNCIL.

Fort William, 6th June 1851.

No. 322 of 1851.—The following paragraph of a Military letter No. 37, from the Honorable the Court of Directors to the Governor of the Presidency of Fort William in Bengal, dated 9th April 1851, is published for general information:—

Reply to letter dated 20th September 1850, No. 158, with reference to former correspondence, forwarded papers relative to an inquiry made by Ensign (unattached) J. Donavan, as to the rate of retiring pension to which he will be entitled, and request Court's early decision on the question.

Unattached Ensigns and Lieutenants, compelled by ill health to retire from the service, viz:—
If under 30 years' service as Commissioned Officers.....2s. 6d. per diem.
If above 3, and under 7 years' service in India as Commissioned Officers.....3s. per diem.
If above 7, and under 12 years' service in India, as ditto.....4s. per diem.
If above 7, and under 12 years' service in India, as Commissioned Officers, after 20 years' total service in India.....5s. per diem.
If above 12 years' service in India as Commissioned Officers, after 30 years' total service in India, with an unqualified right to retire.....6s. per diem.

Despatch dated 14th April 1862, No. 36.

6. The cases of Warrant Officers, promoted on the Veteran Establishment, who applied to retire from the service, have, until recently, been specially considered, and in almost, if not in every case, the full pay of the Commissioned rank has been granted on retirement.

G. O. G. No. 23.
10th June 1852.

7. When considering an application from an Officer on the Veteran Establishment now in this country, I observed that, although there were rules for the retirement of Officers holding unattached Commissions (G. O. G. No. 322 of 6th June 1851) there were no rules for the retirement of Officers on the Veteran Establishment. I accordingly decided that to entitle an Officer on the Veteran Establishment to retire on the full pay of his Commissioned rank, he must have served the time which he would have required under the provisions of the retiring Regulations, had he remained in the Warrant grade, to entitle him to the full pay of his former rank in that grade.

G. O. G. No. 385 of 6th March 1856.—The Right Hon'ble the Governor General of India in Council is pleased to direct that the following paragraphs of a Military letter from the Hon'ble the Court of Directors to the Government of India, No. 2, dated 2d January 1856, be published in General Orders:—

Letter dated 3d September 1855, No. 201.

G. O. G. No. 250 of 15th August 1856.

Letter from Captain Skinner, transferred from the Nizam's Army to an unattached Commission in the Company's Service, requesting information as to the amount of pension he will be entitled to on retirement. The Auditor General's views on the subject recapitulated by Government.

Is. No. 206.

Enquiry as to how the new furlough rules are to apply to Captain Skinner, and other unattached Officers.

Para 2.—We concur with the views on this subject which are expressed in the Military Auditor General's Report of the 18th July 1855. Capt. Skinner will be accordingly entitled to count his service for retirement from the date of his first Commission in the Army of His Highness the Nizam. He will be also entitled to the benefits of the new furlough Regulations as an Officer standing in the Service.

3. All unattached Officers are entitled to the benefit of the new furlough Regulations from the date of their first commissions.

G. O. C. O. 27th April 1857, No. 16.—The Commander-in-Chief directs it to be notified that by a recent decision of the Government of India, unattached Officers of the Veteran Establishment are allowed the benefit of the new furlough Regulations, and these Officers can take leave in India on the same terms as they did prior to the publication of the new furlough rules.

G. O. C. C. 29th August 1857, No. 44.—The Provincial Commander-in-Chief directs the publication of the following decisions by the Government of India.

A Warrant Officer on the Veteran Establishment is entitled, without loss of Warrant, to the same absentee furlough on private affairs as if on leave in India, for the first six months of sick furlough, but thereafter, as well as when on all ranks as if on leave in India, the first six months of sick furlough, but thereafter, as well as when on may be the superior and alone.

A Warrant Officer holding a Commission of the Veteran Establishment has a footing in the Effective Army in virtue of his Warrant rather than of his Commission and his Warrant being analogous to the Regimental Commission rather than to the Staff appointment of an European Officer, is not forfeited by any furlough which may be granted him, even if it exceed six months on private affairs or fifteen months on medical certificate under the new rules.

G. O. G. G. No. 1559 of 1857.—The following Extract, para. 11 of a Military letter from the Honorable the Court of Directors to the Government of India, No. 195, of the 14th October 1855, is published for general information:—

11. Warrant Officers are allowed the same privilege of furlough as Unattached Ensigns and Lieutenants and as Officers promoted to Commissions in the Veteran Establishment, viz., after six years' service as Commissioned or Warrant Officers, and fifteen years' service in India.

Letter dated 15th May 1857, No. 154.
Memorial from Mr. Conductor A. B. Fox, of the Army Commissariat Department, soliciting that modification may be made in the furlough Regulations for Warrant Officers, to meet the cases of those who obtained their Warrant after a lengthened service on the Non-Commissioned grade.

G. O. G. 24th Dec. 1857. No. 414.

It is now recommended that, in consequence of slowness of promotion, the time required to be served in the Warrant grade may be reduced, in order that those who have served twenty years and upwards in India, may be rendered eligible for furlough to Europe. In compliance with your recommendation, and that of the late Commander-in-Chief, we sanction this change as applicable to the several classes above-mentioned.

G. O. G. G. No. 777 of 15th May 1858.—The following Extracts of a Military letter from the Honorable the Court of Directors to the Government of India, No. 71, dated 23d March 1858, are published for general information:—

Letter dated 3d August 1857, No. 207.

4. Question raised by the Madras Government as to the extent to which the Warrants of Staff appointments of Officers having Unattached Commissions or on the Veteran Establishment are affected by the new furlough rules decided.

G. O. G. No. 214 of 4th June 1858.

5. The rule now laid down by the Government of India, that a Warrant Officer on the Veteran Establishment is entitled, without loss of Warrant, to the same absentee allowances as if on leave in India for the first six months of sick furlough, and thereafter, as well as when absent on private affairs, to the furlough pay of his Commission or Warrant, whichever may be best for him, and that as the appointment he holds is in virtue of his Warrant, not of his Commission, the appointment will not be forfeited by absence on furlough.

6. This decision appears to be quite correct and has our sanction.

The Governor in Council sanctions the indulgence of privilege leave, as granted to Commissioned Officers, being extended to all Warrant Officers, at this Presidency, to 30th June and from 1st July to 31st December; of sixty days in the course of each calendar year, excepting those below mentioned, provided their Departments' superiors be satisfied that proper arrangements are made for the performance of their duties during their absence, and that no additional expense to the State is incurred thereby.

2. Warrant Officers of the Public Works Department come under the following rules of that Department:—

G. O. G. 4th Aug. 1858, No. 273.

G. O. G. 8d February 1857, No. 29, para. 8. "All persons employed in the Public Works Department, may be allowed one month's leave of absence in the calendar year without loss of salary, provided it can be granted without inconvenience to the public service."

3. Medical Warrant Officers employed in the Civil Departments will be granted privilege leave according to the subjoined rule applicable to Uncommissioned Civil Servants.

Revised Rules for leave of absence to Uncommissioned Civil Servants published in Fort St. George Gazette, 26th June 1863, Supplement.

Para. 16. "Privilege leave, when it can be granted without injury to the Public Service, and without additional expense to the State, may be allowed for not more than one month, in each calendar year to be taken either in one period or in not more than two instalments. This leave is not allowed to accumulate, and will therefore lapse if not taken within the year."

Invalid Establishments.

Fort St. George, 10th July 1857.

No. 319 of 1857.—The Right Hon'ble the Governor General of India in Council is pleased, under instructions from the Hon'ble the Court of Directors, to promulgate the following rules to be observed at the three Presidencies for the transfer to the Invalid Establishment, of Officers who may be declared to be unfit for further service:—

1. The Invalid Establishment will consist of—
1st—The Invalid Battalion.

For Officers who, although disqualified for further active service, are still equal to the discharge of garrison duties.

2d—The Invalid Pension List.
For Officers disqualified for both active and garrison duties.

G. O. G. No. 518 of 1854.

G. O. G. No. 321 of 1854.

2. Officers who, from age, wounds, or decline of health, become unfit for active service, are eligible for transfer to the Invalid Establishment, provided their conduct and habits are such as not to affect the character of that Institution, which is designed as an honorable retreat to the worn out or disabled, but deserving Officers.

G. O. C. C.
1st June 1858,
No. 59.

The Commander-in-Chief directs it to be notified, that applications from Officers for transfer at their own request to the Invalid Battalion or to the Invalid Pension List, under the provisions of para. 3 of G. O. C. C. No. 819 of 1857, (republished in G. O. C. C. No. 210 of 10th July 1857,) are required to be addressed under their signature to the Right Honorable the Governor in Council in the manner prescribed in para. 3, Section XXI, General Regulations of the Army.

3. Officers who may be desirous of being transferred to the Invalid Establishment, will be required to appear before the Standing Medical Committee at the Head Quarters of the Division, presided over by the Superintendent Surgeon, or in his absence by the Senior Surgeon, furnished with a statement of their case prepared by the Medical Officer by whom they may have been attended. The Committee is to enquire rigidly into each case, and should it be satisfied of the unfitness of the Officer, it is, in recording its opinion, to certify either that the applicant is "permanently disqualified for the performance of further active service," or that he is "permanently disqualified for the performance of both active and garrison duties," as the case may be.

4. The applicant, if reported equal to the discharge of garrison duties, will then be required to proceed to the Presidency to be finally examined by a Medical Officer to be specially appointed for the purpose, or by a special Medical Committee, as may from time to time be ordered.

5. After this final examination, the report on each case, accompanied by the certificates hereafter specified, is to be forwarded in the usual manner to Army Head Quarters, to be submitted to Government with the opinion of the Commander-in-Chief.

6. In the event of the Commander-in-Chief being led to believe that any Officer's health is so thoroughly lost as to preclude all hope of his being able to perform further active service in India, such Officer shall be directed to appear before the Standing Medical Committee at the Head Quarters of the Division. If the Committee is of opinion that the Officer is permanently disqualified for active Military duties in India, and this opinion is confirmed at the final examination at the Presidency, the Government on receiving a report on the case, which is to be prepared and submitted as directed in paras. 3 & 4, will place the Officer on the Invalid Establishment, notwithstanding that he may not himself have applied to be transferred from the Effective List. Such transfer will, however, be subject to the approval of the Honorable the Court of Directors; and until the receipt of such approval, no promotions will be made in succession to the Officer placed on the Invalid Establishment.

No. 52 of 1859.—The following Extract from a Military Despatch from the Right Honorable the Secretary of State for India, is published in General Orders:—

Despatch dated 22d December 1858, No. 47.

Para. 1. It being established by the required medical testimony that Lieutenant Dewar is permanently disqualified for the performance of both active and garrison duties, his removal from the effective List from the date of his embarkation for England is hereby authorized.

Report on the state of health of Lieutenant G. F. Dewar, 50th N. I., and authority requested to transfer him to the Invalid Pension List, from the date of his embarkation for England on sick certificate.

2. Five days does not entitle him to retiring half pay. On establishing his claim to the benefit of Lord Clive's Regulation, he will be admitted to that advantage.

2. You will understand from this decision that no Officer not entitled to a pension under existing Regulations should be transferred to the Invalid Pension List.

8. In the event of an Officer failing, from any cause, whether it be leave on sick certificate in India or otherwise, to join an Invalid Battalion, or other Military duty or which he may be ordered, within two years of his transfer to the Invalid Establishment, except he be absent on furlough on sick leave to Europe, or be nominated to some other public duty, he will, at the expiration of that time, be required to appear before the Medical Committee at the Head Quarters of the Division in which he may be residing, for the purpose of being examined as to his continued fitness for garrison duty. If found unfit at such examination, or at any subsequent examination, which is to be repeated at the end of every two years, he will be transferred to the Invalid Pension List.

9. The Pay and Allowances of Officers hereafter transferred to the Invalid Battalion will be—

	Pay and Indian Allowances.	House Rent.	Total.
Lieutenant Colonel.....	547 14 6	100	647 14 0
Major.....	416 14 6	80	496 14 6
Captain.....	249 1 0	50	299 1 0
Lieutenant.....	145 12 0	30	175 12 0
Ensign.....	107 0 0	25	132 0 0

Extra batta will in no case be allowed, whether the Officer be employed within or beyond 200 miles of the Presidency.

10. Officers on the Invalid Pension List will draw the following consolidated allowance:—

	Per mensem.
Lieutenant Colonel.....	Rupees 200
Major.....	170
Captain.....	130
Lieutenant and Ensign.....	100

Or the rate of full pay pension to which they are entitled at the time of their transfer to the Invalid Pension List.

11. The above rates will be issued as long as the Officers are resident in India. If granted furlough or sick leave out of India, their allowances will be regulated by the rules they may have adopted, but their furlough pay will be according to their rank and for the ordinary duration of such furlough as at present authorized.

12. Officers on the Invalid Establishment are allowed the distinction of wearing the Military uniform.

13. Officers on the Invalid Establishment will retain the rank they held when on the effective strength of the Army, but their transfer will be made only in the rank they held in their Regiments. After removal to the Invalid Establishment, they have no further claim to promotion, but on retirement at full pay, those who may be of, and above, the rank of Captain will receive one step of Brevet rank.

14. Officers on the Invalid Pension List are permitted to reside at any place in India they may choose.

No. 935 of 1859.—With reference to G. O. C. C. No. 819 of July 1857, regarding the transfer to the Invalid Establishment of Officers declared "unfit for further service," the Honorable the Governor in Council, with the sanction of the Government of India, and with advenience to para. 15 of the above G. O. C. C. is pleased to direct that such Subaltern Officers as may have joined their Battalions, shall receive Passage Money on the terms regulating the allowance to Subalterns of effective Corps.

2. Subalterns on the Invalid Pension List shall receive Passage Money only when proceeding to England on retirement from the service, or for the purpose of retiring from the service.

16. Officers on the Invalid Establishment are eligible to hold situations under Government.

17. Officers of the Invalid Battalion may retire on the pension of their rank after the prescribed period of service, or on the pension to which they were entitled on their removal to the Invalid Establishment. Officers on the Invalid Pension List may retire upon the rate of pension to which they were entitled when they joined that Establishment.

The above rules are not to be applied to Officers on the present Invalid Establishment of the three Presidencies.

Promotion of Officers.

G. O. G. No. 740 of 20th May 1859.—His Excellency the Governor General in Council is pleased to direct the publication in General Orders of the following Royal Warrant, received with a letter from the Right Honorable the Secretary of State for India, No. 119, of the 7th April 1859, prescribing rules under which Combatant Officers are to be recommended for promotion in Her Majesty's Indian Military Forces:—

G. O. G. No. 222
of 3d June 1859.

Whereas, we have judged it expedient to revise those parts of Our Royal Warrants of the 6th day of October, 1854, and 3d day of November 1854, which regulate the promotion and retirement of Combatant Officers in Our Army and Ordnance Corps, Our will and pleasure is, that from the date of this Our Royal Warrant Our Governor General in Council shall govern him by these Our rules in recommending Combatant Officers for promotion in Our Indian Military Forces.

PROMOTIONS.

1. That the rank of Field-Marshal be given without reference to seniority.
2. That there shall be a fixed establishment of General Officers, viz.:

Generals.....	25
Lieutenant-Generals.....	50
Major-Generals.....	145

3. That Colonels may be appointed, without regard to seniority, to command as Major-Generals, with temporary rank; and if they shall have conducted themselves to our satisfaction, such temporary rank, after having been held for five years in peace, or for any shorter period in war, &c., or the recommendation of Our Governor General in Council, be made permanent. That the temporary rank of General and Lieutenant-General may also be given, where the convenience of the service requires it, and may be made permanent in a similar manner.

4. That every vacancy on the fixed establishment of General Officers shall be filled by the promotion of the senior Colonel qualified to succeed to the rank of Major-General and to be placed on the fixed establishment, under the regulations now in force; or by a supernumerary Major-General, as provided in Clause 6.

5. That, in addition to the Colonels promoted by seniority to be Major-Generals and those promoted after having held temporary rank under the Regulation in Clause 3, Colonels shall be eligible for promotion to the rank of Major-General, and Major-Generals to the rank of Lieutenant-General, and Lieutenant-Generals to the rank of General, for distinguished services in the Field.

In the case of Officers promoted to the rank of General Officers, as a reward for distinguished service in war, the recommendation, in which the service of the Officers shall be detailed, shall be published in the General Orders of Our Indian Military Forces, and in the *London Gazette*.

That all Colonels promoted to be Major-Generals after five years' employment in responsible commands with the temporary rank of Major-General under the provisions in Clause 3, and all Colonels promoted to be Major-Generals for distinguished service in the Field, shall be placed on a supernumerary list of Major-Generals, and shall not be reckoned as part of the fixed establishment until the time when they shall have attained the rank of Major-General by seniority; that is to say, until the Colonel who originally stood next senior on the Colonels' list to the Officer promoted out of his turn has become a Major-General, after which the next vacancy will be filled by the transfer of the supernumerary Major-General to the fixed establishment. The Major-Generals who have already been promoted out of their turn, and would not yet have succeeded to that rank by seniority, shall be considered as coming under this rule.

The supernumerary Major-Generals, when absorbed into the fixed establishment, shall preserve the seniority which they acquired when, after a period of qualifying service with temporary rank they were first proclaimed as permanent Major-Generals on the supernumerary list, and shall rise by that seniority to be Lieutenant-Generals in succession. General Officers promoted for distinguished service in the field will take their seniority from the date of their promotion, as stated in the *London Gazette*.

7. That three separate lists of General Officers be inserted in the Army List of Our Indian Military Forces, the first containing the names of those on the fixed establishment; the second, those who, having been promoted out of their regular turn, are supernumerary to the fixed establishment; and the third, those who have retired from the service with the honorary rank of General Officers.

8. That the rank of Colonel be given to Officers, after serving for five years with the rank of Lieutenant Colonel, in the actual command of Regiments, or for the same period as second Lieutenant Colonels of Regiments, or on the Staff, in the following situations:—viz., Adjutant-General, Quarter-Master General, Deputy Adjutant-General, Deputy Quarter-Master General, Secretaries to the Government of India in the Military and Public Works Department, Secretaries in the Military Department to the Governments of Madras and Bombay, to the Chief Commissioner of the Punjab, the Commissioner in Mysore, and the Resident at Hyderabad; Judge Advocate General, Commissary General, Deputy Commissary General, Inspector General of Ordnance, Superintendent of the Ordnance Manufacturing Department, Chief Engineer, Superintending Engineer, Surveyor-General of India, subject always to the approval of the Governor in Council and Commander-in-Chief of the Presidency to which the Officer belongs.

9. That Regimental Majors, who are Brevet Lieutenant-Colonels, falling into the Command of Regiments in the absence of the Lieutenant-Colonel, shall on attaining the rank of Regimental Lieutenant-Colonel, reckon the period commencing from the completion of the first month of such temporary command as part of the five years required to qualify for the rank of Colonel.

10. That the rank of Colonel be given to Officers who obtain the rank of Brevet Lieutenant-Colonel for services in the Field, after eight years of actual service with that rank.

11. That in cases where a Regiment may be so divided as to constitute two distinct commands, and one portion may be under the command of the Regimental Major, who is also a Brevet Lieutenant-Colonel, and in cases where a Brevet Lieutenant-Colonel may be in command of a mixed force of different Corps, a discretionary power shall be vested in our Commander-in-Chief in India, subject to the approval of the Governor General of India in Council, to allow such service, or portions of such service, to count as part of the qualifying period for promotion to the rank of Colonel.

12. That Lieutenant-Colonels appointed to Civil situations under Government on or after the date of this Our Royal Warrant shall be promoted to the rank of Colonel after eight years' service in the former rank, provided the nature of the Civil appointment be considered by our Governor General of India in Council and Com-

mander-in-Chief in India calculated to give the Officer such practical experience as may afterwards prove advantageous to the Corps or Service to which he belongs.

13. That Field Officers, commissioned as such before the 20th June 1854, be allowed to rise by Brevet as heretofore; but no Officer promoted to the rank of Field Officer on or after that date, is hereafter to rise from the rank of Lieutenant Colonel to that of Colonel, otherwise than by five or eight years' service in the former rank, as provided in Clause 8, or as a reward for distinguished service, or by appointment to be Queen's Aide-de-Camp—except under the special provisions in Clauses 9, 10, 11 and 12.

14. G. O. G. No. 1537 of 15th November 1859.—The following paragraphs of a Military letter from the Right Honorable the Secretary of State for India, No. 279 of the 19th August 1859, are published for general information:—

Having submitted to the General Commanding-in-Chief certain questions as raised by your Government in view to ascertain the practice in such cases in Her Majesty's British Army, I have received the following replies:—

Questions.

1st. Whether the period occupied by a Lieutenant-Colonel in joining a Regiment or appointment, after his return from leave beyond sea should be reckoned in the qualifying period.

"Several similar cases have occurred" in Her Majesty's British Army, and it has been held that an Officer so circumstanced must serve out the two years to complete the period of five years prescribed in the Warrant of October 1858, and no allowance of time is conceded with reference to the near completion of the three years under the Warrant of October 1854, when the new Warrant came into operation.

2. The practice in promoting Officers to the rank of Colonel in Her Majesty's Indian Forces must be regulated accordingly.

G. O. G. No. 1695 of 20th December 1859.—The following paragraph of a Military letter from the Right Honorable the Secretary of State for India, No. 374, of the 20th October 1859, is published for general information:—

2. The phrases "Superintendent of the Ordnance Manufactory Department" and "Military Superintendents of the Manufacturing Departments of the Army" in the 8th Clause of the Royal Warrant, dated 31st January 1859, are intended to include.

Superintendent of Gun Foundry,

Agent for manufacture of Gun Powder,

Agent for Gun Carriages,

and any other similar appointments, except Superintendent of Arms and Clothing.

G. O. G. No. 1695 of 20th December 1859.—The following extract from Despatch, No. 419, dated the 24th of November 1859, from the Right Honorable the Secretary of State for India, is published for general information:—

"Her Majesty's Government have decided that the appointment of Assistant Adjutant General of the Army and of Assistant Adjutant General of Artillery shall be added to the list of Officers enumerated in the 8th Clause of the Royal Warrant of 31st January 1859, as qualifying Lieutenant-Colonels for promotion to the rank of Colonel in Her Majesty's Indian Forces."

No. 161.—Under the authority of the Right Honorable the Secretary of State for India, concurred in by His Royal Highness the Field Marshal Commanding-in-Chief and the Secretary of State for War, His Excellency the Governor General in Council is pleased to add to the situations specified in the 8th Clause of the Royal Warrant of the 31st January 1859, the appointment of Military Secretary to the Viceroy and Governor General of India, as qualifying for the promotion of Lieutenant Colonels to the rank of Colonel in the Army.

G. O. G. G., *Camp Dinnenugger, 21st March 1860.*—Under instructions from the Right Hon'ble the Secretary of State for India, His Excellency the Governor General is pleased to announce for general information, that the orders requiring Staff appointments to be vacated after five years' tenure, are not intended to apply to Officers serving with Irregular or Local Corps, who though detached from their own Regiments, are nevertheless performing Regimental duties.

Sir,—Referring to my Despatch dated 31st December 1859, No. 448, on the subject of promotion to the rank of Colonel under the 8th Clause of the Royal Warrant of the 31st January 1859, I have to inform you, that a communication now received from the Horse Guards states that the Secretary of State for War has brought to the notice of the Field Marshal Commanding-in-Chief that the qualifying period for the rank of Lieutenant Colonel previously bearing the rank of Colonel was extended from three to five years, with the express view that deductions from that period were to be made on account of leave of absence. His Royal Highness in consequence sees the necessity of rectifying the position of all Colonels promoted since October 1858, who may have had their promotion retarded by the practice of limiting the leave of absence to fifteen months in the five years.

2. A similar course is to be adopted by your Government with respect to all Colonels of Her Majesty's Indian Forces promoted under the Royal Warrant of 31st January 1859, whose promotion may have been retarded, under the restriction with regard to leave of absence published in General Order, dated 18th September 1860, No. 94.

G. O. G. G. No. 964 of 21st September 1860. The following paragraph of a Military letter from the Right Honorable the Secretary of State for India, No. 360, of the 16th ultimo, is published in General Orders:—

"A reference on the subject having been made to the General Commanding-in-Chief, it has been ruled that leave of absence taken by a Brevet Lieutenant Colonel who has obtained that rank for service in the Field, is to reckon as part of the eight years' service required under the Royal Warrant of the 31st January 1859, to qualify for the rank of Colonel."

No. 11 of 1863.—The following Military letter from the Right Honorable the Secretary of State for India, No. 436, dated 25th November 1862, is published for general information and guidance:—

Military. INDIA OFFICE, LONDON, 25th November 1862.

TO HIS EXCELLENCY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Sir,—The provisions of the Circular Memorandum from the Horse Guards, dated 24th August 1860, No. 61, quoted in the margin, are to be in future adopted for Officers in the Indian Armies. Your Government will accordingly issue a Notification to this effect in General Orders.

"It has been directed by the Secretary of State for War, with the concurrence of His Royal Highness the General Commanding-in-Chief, that Captains having Brevet rank as Field Officers, at present holding staff situations as pointed out by the 8th Clause of the Royal Warrant of the 14th October 1858, are permitted to count such services in those situations towards the rank of Colonel, but no Captain holding Brevet rank of Field Officer, who may in future be appointed to such situations, will be allowed to count his services in them towards the rank of Colonel."

No. 14 of 1864.—The following paragraphs of a Military letter from the Right Honorable the Secretary of State for India, No. 408 of the 30th November 1863, are published for general information:—

I have received and considered in Council the Military letter from the Governor General dated 29th August last, No. 80 A, on the subject of the adoption, as regards Major-Generals of the Staff Corps, of the provisions of the Royal Warrant of 5th November 1860, which modifies in favor of Officers promoted for service in the field, Clause 27 of the Royal Promotion Warrant of the 14th October 1858.

2. Previously to the receipt of his Lordship's letter, I had determined that the time passed by an Officer on leave of absence, rendered necessary by ill-health contracted on service, or in consequence of a wound received in action, shall be allowed to count towards the six years' service in the substantive rank of Field Officer required by the rule laid down in my Despatch dated 3rd December 1861, No. 467 (19), to entitle an Officer of the rank of Major-General to the unattached pay of that rank. Colonel C. Read, C. B., Aide-de-Camp to the Queen, is to have the benefit of this alteration.

3. I now authorize you to introduce the rule sanctioned in the Royal Warrant of 5th November 1860, and to declare an Officer of the Staff Corps who has been, or shall be hereafter, promoted to the rank of Field Officer by brevet for service in the field, who shall continue to serve uninterruptedly, on full pay, from the date of his promotion by brevet to the date of his obtaining the rank of Major-General, to be entitled to the unattached pay of that rank, notwithstanding he may not have served six years with the regimental rank of Field Officer with a Regiment, or in one of the situations specified in Clause 8 of the Royal Warrant of 31st January 1859.

Fort William, the 10th February 1864.

No. 117 of 1864.—The following Military letter from the Right Honorable the Secretary of State for India is published for general information:—

From Her Majesty's Secretary of State for India, to the Right Hon'ble the Governor General of India in Council, No. 443, dated 31st December 1863.

Sir,—I have received and considered in Council your Excellency's Military letter No. 56A, dated 29th July 1863, forwarding applications from the Officers Commanding the Guide Corps, 1st and 2nd Punjab Cavalry, and 2nd Punjab Infantry, soliciting that the period passed in command of Regiments of the Punjab Irregular Forces may be considered as qualifying an Officer for promotion in the rank of Colonel, in like manner as such command counts in Native Regiments of any description under the orders of His Excellency the Commander-in-Chief.

2. My attention has been already drawn to this subject by your proceedings in the Military Department, Nos. 214 and 215 of the 5th March last, wherein it appears that the claim of a Lieutenant Colonel of the Bombay Army to promotion under the Warrant was considered subject to the inquiry as to whether the Regiment he commanded was or was not under the orders of the Commander-in-Chief; and I was, prior to the receipt of the Governor General's letter, how under acknowledgment, in communication with His Royal Highness the Commanding-in-Chief on the subject.

3. I observe that the wording of my reply to the inquiry contained in the 7th paragraph of your letter, No. 83 of 17th June 1859, may have led to a misapprehension of the intention of Her Majesty's Government, and of His Royal Highness the Field Marshal Commanding-in-Chief upon this point.

4. In the paragraph referred to, your Government desired "to be informed whether the command of Irregular and Local Regiments is to be still considered as qualifying for promotion to the rank of Colonel;" and a reference having been made to the General Commanding-in-Chief on this subject, it was stated in reply "That His Royal Highness considers that the command of Local or Irregular Regiments, if held by an Officer with the rank of Lieutenant Colonel, may qualify for the rank of Colonel under the provisions of the Warrant."

5. There were, however, two descriptions of Native Forces, with a Regimental organization, viz., the 1st Military, consisting of Regiments employed on duties of a strictly Military character; and 2nd, the Police, consisting of Irregular bodies, which, though having a Military organization, were ordinarily employed upon Civil and Police duties.

6. It was not intended that the command of a Corps of the latter description should qualify for promotion under the 8th Clause of the Royal Warrant, and it was with a view of drawing a distinction between the two descriptions of Force to which I have referred, that the words "under the orders of the Commander-in-Chief," which did not occur either in your letter or in that of the Military Secretary to His Royal Highness, but which were adopted as expressing in a few words the distinction which it was intended to make, were inserted in my reply to your reference.

7. While the object of the distinction was to exclude Officers of Police Battalions from the operation of the 8th Clause of the Warrant, it was not intended to exclude from the privilege conferred by it, Officers Commanding Regiments of a strictly Military character, whether serving directly under the Commander-in-Chief, or placed, for reasons of State policy, under the Civil Government.

8. I request, therefore, that the terms of your Order No. 39 of 1859, which would seem to exclude from the benefit of Clause 8 of the Royal Warrant, Officers Commanding Regiments, or Forces of the latter description, may be modified, and that the rule, as now explained, may be applied, with retrospective effect, to such Officers as may be already entitled to promotion to the rank of Colonel under its provisions.

9. Under the operation of this order, the Punjab Force, the Hyderabad Contingent, and all such bodies of Troops will be considered as forming a portion of the Standing Army, and Officers serving with those Forces will be entitled to all the privileges regarding promotion granted to the Officers of the Army at large, by the usage of the service, or under the provision of the Royal Warrant.

No. 118 of 1864.—The following Military letter from the Right Honorable the Secretary of State for India is published for general information:—

From Her Majesty's Secretary of State for India, to the Right Hon'ble the Governor General of India in Council, No. 445, dated 31st December 1863.

Sir,—With reference to my Despatch, No. 436 of 25th November 1862, I have to inform you that the rule laid down in a Circular from the Horse Guards, No. 61 of the 24th August 1860, extending to all Officers holding the rank of Captain, the privilege of the Brevet rank of Lieutenant Colonel, who may be serving in positions qualifying for promotion to the rank of Colonel, under the 8th Clause of the Royal Warrant of 31st January 1859.

2. It is therefore to be considered as applying to Officers of that rank holding the command of Regiments in the Indian Army.

3. A Captain and Brevet Lieutenant Colonel appointed to the command of a Regiment before the publication in General Order of the Horse Guards' Circular of the 24th August 1860, cannot his period of command as qualifying service for the rank of Colonel, but a Captain and Brevet Lieutenant Colonel appointed to a similar Command subsequent to the publication, would not so count it.

No. 58 of 1865.—The following Military letter from the Right Hon'ble the Secretary of State for India, No. 377, dated the 25th November 1864, and the Abstract of Rulings therein referred to, are published for general information:—

The principle of the Rules will apply to Officers of the Indian Army holding qualifying appointments as well as to Officers of the Staff Corps, similarly situated and whose

promotion to the rank of Colonel is not provided for under paragraph 2 of the Staff Corps Warrant :-

1st April 1864.
No. 120.

Sir,--My letter dated 8th October 1861, No. 389, informed you that it had been determined that Officers holding the rank of Colonel and Lieutenant Colonel, regimentally in the Royal Artillery, were not, in future, to be seconded when being Civil situations. My Despatch of the 24th March 1862, No. 124, further informed you that the Supernumerary Lieutenant Colonels of the Royal Artillery were to be absorbed into the Regiment as vacancies occurred, and directed that a similar rule should be established with regard to the Indian Brigades.

2. Circumstances have hitherto prevented the carrying out this intention in the Royal Artillery, and the measure has, in consequence, been suspended, as respects the Indian Artillery also.

3. I am now informed that it is determined that the absorption of the Supernumerary Field Officers of the old Brigades shall commence on the 1st April, next, and that, with this prospect in view, the Field Marshal Commanding-in-Chief has commenced the discontinuance of the practice of placing Field Officers of Artillery on the Supernumerary list.

4. The absorption of the Field Officers in the new Brigades will not be commenced until the process is completed in the old Brigades, but no Field Officers of either Brigade will be placed on the Supernumerary list after this date.

5. It is understood that the absorption of the Field Officers will be effected in the manner indicated in my letter, dated 24th March 1862, No. 124, by making only one promotion for every three vacancies.

Staff Corps.

66. The organization and regulations of the Staff Corps to be formed in the several Presidencies are given in full detail in the Royal Warrant and the Despatch No. 27, now published. The object of forming the Staff Corps is to supply a body of Officers for service in India, by whom various offices and appointments, hitherto held by Officers borne on the strength of the several Corps of Indian Forces, shall in future be held; it having been resolved that the practice of withdrawing Officers for such employment, while remaining on the strength of their Regiments, be discontinued, and that ultimately all Officers selected for such employment be transferred to Staff Corps.

67. These Corps will be denominated the Bengal, Madras and Bombay Staff Corps respectively, and will consist of such Officers as may be required for employment therein, and may be selected by the Governments of the several Presidencies, with the approbation of the Secretary of State for India in Council.

68. Officers of the British and Indian Armies now on Staff employ in India, not having the substantive rank of Colonel, are eligible for admission to the Staff Corps; and Officers of either Service under the rank of Field Officer, not now on the Staff, may, now and hereafter, become candidates.

69. Officers at present holding Civil and Political appointments of every description, and appointments in all Public Offices and Departments; Officers holding Military appointments on the General and Personal Staff, and the appointments of Commandant, second in Command, and Adjutant of Irregular and Local Corps; of Adjutant and Quarter Master of existing Local European and Native Regiments;—will be held to be not on Staff employ, and will be eligible, under the conditions hereafter noted, to have their names placed on the list of the Staff employ; but Officers doing duty with Irregular and Local Regiments will not be regarded as being now in Staff employ.

70. So soon as the proposed changes in the organization of the Regular Native Regiments shall have come into operation, the whole of the Officers who will be permanently attached to them will be held to be on Staff employ.

71. There will then be, as at present, two great divisions of employment:—

1st. Purely Military, as in Regiments of the Native Army.
2nd. Various Civil appointments, as Political, Public Works, &c.
These will also be practicable many sub-divisions of employment, in each of which there will be, as at present, separate Departmental Lists.

Officers of the Indian Army now holding Staff appointments of any description, will have the option of joining the Staff Corps if they do not possess the substantive rank of Colonel, or of continuing in Staff employment, whatever their Regimental rank, without joining the Staff Corps; and in the latter case they will not, as heretofore, be required to vacate their appointments on the attainment of a certain Regimental rank. This paragraph does not affect the provisions of paragraph 45.

73. Officers of the Indian Army not now on the Staff, nor having the substantive rank of Colonel, but who within the last three years, or who, at the commencement of their present unexpired Royal Warrant, Clause 2, Furlough, may have served permanently on the Staff, and who may make application within the next six months, will be considered eligible to join the Staff Corps on the same terms as those now on Staff employ; provided always that they have passed the prescribed examination in Hindoostanee, and that they did not lose their appointments through misconduct, and are not otherwise disqualified.

74. Officers of the British Army, now in Staff employment, will have the option of declaring their desire to be transferred to the Staff Corps, with the consent of the Commander-in-Chief in India, within six months from the date of the notification of the Royal Warrant in India; or of retaining their appointments on their present footing, if their services are required by Government, for the unexpired portion of a period of five years from the date of their appointment, unless the Regiments to which they belong shall be previously removed from the Indian Service.

75. Those whose tenure of Staff appointments, at the time of transfer to the Staff Corps, shall have exceeded one year, will not be subjected to probation, or to any introductory test other than that already prescribed for a department in which they may be serving; but Officers who may have held their appointments for less than one year will not be transferred permanently to the Staff Corps unless they possess the requisite qualifications, to be hereafter laid down, and shall have completed the period of probation to be prescribed. The option of joining the Staff Corps will be open to those Officers only who may be considered by the Governments under which they are serving to be in all respects fit for the Staff Corps.

76. Appointments on the General Staff of the Army specified in the margin, can only be held for five years; they may be held by Officers of the Staff Corps, or by other Officers of either Army, but will be subject henceforward to the limitations as to rank, which are laid down in the Queen's Regulations and Orders for the Army in Clauses 30 to 33 of the Section entitled "Titles of General and other Officers employed upon the Staff of the Army."

77. Officers now holding such appointments will not be required to vacate them for a period of two years from this date, or a period of seven years from the date of their appointment.

78. Officers not having the substantive rank of Colonel, now holding appointments on the Staff, as defined in paragraph 69, will at once be called upon to declare, whether they desire to join the Staff Corps, to enable such Officers to avail themselves of the advantages in the way of promotion, notified in paragraphs 84 and 85, they must communicate their decision to the Adjutant General, within six months of the date of the publication of the Royal Warrant in India.

79. The selection of Officers hereafter, for the Staff Corps, will rest with the Governments in India, but no Officer serving with any Regiment will be admitted on probation without the consent of the Commander-in-Chief, or without a certificate from the Commanding Officer of his Regiment, that he has efficiently performed his Regimental duty for the period prescribed in paragraph 80.

80. For the future, Officers not on the Staff will not be eligible for the Staff Corps unless they be below the rank of Regimental Field Officer, and have served three years with a Regiment, of which two must have been in India, and have passed the prescribed examination in Hindoostanee. They will not be permanently appointed to the Staff Corps, unless, after due probation, they shall pass the prescribed tests for the rank of the Indian Service for which they may be selected. This rule applies equally to Officers of the British and Indian Armies.

81. A subsequent notification will prescribe the period of probation and the tests of qualification in the several Departments.

82. The promotion of Officers while on probation will go on in their respective Regiments.

83. Officers of the British Army when permanently transferred to the Staff Corps will be removed from the strength of the Regiment to which they belonged.

84. The promotion of Officers of the Staff Corps will be regulated as follows:—

Ensigns, when permanently transferred to the Staff Corps, will have the rank of Lieutenant. Other Officers will have the rank which they may hold in their Regiments.

Officers of twelve years' service, of which four must have been in the Staff Corps, will become Captains. After twenty years' service, of which six must have been in the Staff Corps, they will become Majors. After twenty-six years' service, of which eight must have been in the Staff Corps, they will become Lieutenant-Colonels.

Five years' service in the Staff Corps as Lieutenant-Colonel, will entitle the Officer so employed to the Brevet rank of Colonel.

85. Officers now in Staff Employment will be allowed to count, to the extent laid down in the Royal Warrant, as noted in the preceding paragraph, their past service towards promotion, as if it had been performed in the Staff Corps. One step of rank will be given to every Officer whose period of service would qualify him for it according to the above rules, an interval of two years at least must intervene between each succeeding step. But these privileges will be restricted to those Officers who, whether now in India, or on leave out of India, may declare their desire to be transferred to the Staff Corps within six months of the date of the notification of the Warrant in India.

86. The Officers referred to in paragraph 73, will also be allowed this privilege, should they be permitted to join the Staff Corps.

87. The past service on the Staff, counting for promotion in the Staff Corps, will include any service of a permanent nature which an Officer now on the Staff may, from the date of his first arrival in India, have passed on the Staff.

88. Officers of the Staff Corps under the substantive rank of Field Officer, will be allowed to exchange with Regimental Officers of the Line of the same rank, on the recommendation of the Governments of the several Presidencies, with the concurrence of the Government of India and the Commander-in-Chief in India, and subject to the confirmation of Her Majesty. But it is to be understood that the Regimental Officer entering the Staff Corps by exchange will not necessarily assume the Staff appointment held by the Officer with whom he exchanges. He will merely enter the Staff Corps on being found qualified for the Department of the Staff on which the Government may desire to employ him. Officers of the Staff Corps exchanging into a Regiment, will become the Juniors of their Regimental rank.

89. An Officer of the Staff Corps whose name is borne on the Cadre of an Indian Regiment, exchanging from the Staff Corps with an Officer of a British Regiment other than the new Line Regiment about to be formed, will give an effective step in the Cadre of his former Regiment.

90. It will be discretionary with the Governments in India, as at present, to employ the Officers of the Staff Corps in such manner as they may think best, in the situations for which their respective qualifications may render them most fitted. The appointments and promotions in the several Departments will rest, as at present, with the Governments in India, and will be made irrespectively of the rank which the Officer may hold in the Staff Corps. Those appointments, promotions, and recommendations now in the gift of the Commander-in-Chief, remain as heretofore.

91. Officers of the Staff Corps of one Presidency may, with the sanction of the Government of India, be employed in any other Presidency.

92. Unattached Officers of the Indian Service are eligible for the Staff Corps on the same terms as other Indian Officers.

93. Officers of the Staff Corps while on furlough will draw the pay of their rank, as laid down in the Clause of the Royal Warrant, Clause 3. Officers out of India, and in case of sickness will have the privilege of drawing for six months the allowances of Officers on sick leave in India. They will be allowed to retain their appointments during short periods of leave, not exceeding twenty months, during which time they will only receive the unemployed Regulations of the Indian Army.

94. A certain proportion of the Senior Officers of the Staff Corps will receive Colonels' allowance. Eventually the number will be fixed in the proportion of one for every thirty Officers on the Staff Corps, but this number can only be filled up as the establishment of Colonels on the old footing diminishes, so that the aggregate number of Officers receiving Colonels' allowance at one time shall never exceed the regulated number of Colonels' allowance for each Presidency.

95. Officers of Her Majesty's Indian Forces joining the Staff Corps, will be entitled to pensions under the Regulations of the Indian Service. Officers of the British Army, entering the Staff Corps, will be allowed to retire on the following scale of pension, provided that not less than half of the required periods of service shall have been passed in the Staff Corps:—

SCALE.	£.	s.	d.	per annum.
After 20 years' service in India.	191	12	0	
" 24 "	292	0	0	
" 28 "	365	0	0	
" 32 "	458	5	0	

These periods of service will include the proportions of leave of absence in India or elsewhere laid down in the New Furlough Regulations, viz:—

2 years in 20 years' service
3 " 25 "
4 " 30 "

96. All Officers of the Staff Corps in England who may not wish to retire, but are unable to return to India, and Officers removed from the effective list of the Staff Corps who may not be entitled to retire on the above scale of pension, may, provided they have served three years in India in the Staff Corps, be placed on a half-pay list, on the same rate of half-pay and on the same conditions as Officers of a similar rank in the British Army. Officers belonging to the Indian Forces who may avail themselves of this privilege will give an effective step in the Cadres of their Regiments. Officers placed on half-pay will be eligible to return to active service, either in the Staff Corps or in Regiments of the Line. In the former case their names will not be restored to their old Cadres.

97. No unemployed General Officer of the Staff Corps, who is not required by the Governments in India to remain there, will be allowed to receive pay on the Indian scale for a longer period than three years. At the expiration of that period he will be restricted to the pay fixed for Officers of his rank "out of India." This rule in no way affects the Colonels' allowance.

98. Officers of the Staff Corps under the rank of Major-General, whom the Government of India may not see fit to employ in any capacity, will not be allowed to draw pay for more than four years, of which one year may be on the Indian scale, and three years on the scale fixed for Officers "out of India," after which period they will be placed on half-pay, or on pension according to the scale of their rank, if entitled thereto.

99. The pay of Officers of the Staff Corps whilst unemployed has been fixed at the following rates:—

	Whilst required to remain in India.	Out of India.
	Per Mensem.	Per Diem.
General Officers.....	Rs 1,355 5 0	£1 5 0
Brevet-Colonel and Lieutenant-Colonel.....	827 14 0	1 0 0
Major.....	640 14 0	0 16 0
Captain.....	374 1 0	0 10 6
Lieutenant.....	225 12 0	0 6 6

100. The pay and allowances to be established for the several Staff appointments, in all Departments of Staff employ, will be announced in a subsequent notification, and meanwhile the Staff salary and other allowances of all appointments will remain unchanged.

101. Officers of the Staff Corps are eligible for Brevet Rank, and will take their places on the General Gradation List in common with the rest of the Army. Those holding Military appointments will take Military Command according to their Army Rank, but Officers whilst holding only Civil appointments will not be entitled to assume such command. Civil appointments are those in any Civil branch of the Army, or under the Civil administration of Government.

102. Officers of the Staff Corps will succeed to Colonels' allowance according to their seniority as Lieutenant-Colonels in the Staff Corps. Lieutenant-Colonels entering the Staff Corps on its first establishment will take rank for Colonels' allowance according to the dates of their Commissions as substantive Lieutenant-Colonels. All Officers entering the Staff Corps will take with them the substantive rank they held at the time of joining it. Should two Officers of the same rank enter the Staff Corps, and be promoted on the same day, they will stand in the Corps according to the dates of their previous substantive Commissions. But Officers of the Staff Corps will take precedence and exercise command among each other according to their Army Rank.

103. All promotions in the Staff Corps, in the case of Officers who may join the Staff Corps within six months of the publication of the Royal Warrant, will take effect from the 1st February 1861, the date of the receipt of the Warrant in India.

104. The power of removing Officers from the effective list of the Staff Corps will be exercised by Her Majesty through the Secretary of State for India.

105. The provisions of paragraph 90 are also applicable to appointments in the Ordnance, Survey, and Public Works Department.

(Signed) R. J. H. BIRCH, Major General,
Secretary to the Govt. of India.

FORT SAINT GEORGE, 21st November 1860.

No. 392 of 1863. The following Extracts from General Orders of the Government of India, are published:—

Simla, the 13th October 1863.

No. 156 A of 1863.—Under the authority and direction of the Right Hon'ble the Secretary of State for India, as conveyed in his Despatch No. 311, dated the 31st August last, a revised Table of Staff salaries for the three Presidencies is published, and the Extracts of Sir Charles Wood's Despatch on the subject, as given below, are promulgated for general information.

2. Officers whose appointments are not specified in the Table of revised salaries will draw pay as at present, and further orders will hereafter be issued with respect to the Office Establishment of those Staff Officers who have hitherto drawn an Office allowance, such as Assistants Adjutant General of Divisions and Majors of Brigade.

3. With reference to paragraph 29 of Sir C. Wood's Despatch, it is announced that the Despatch was received by His Excellency the Governor General on the 30th September. Increased pay, were granted by this order, is therefore claimable for the month of September.

Military Despatch, No. 10, January 3rd, 1863.
Military Despatch, No. 34, January 15th, 1863.
Financial Despatch, No. 23, February 15th, 1863.
Military Despatch, No. 160, May 22nd 1863.

Para. 1.—Your several letters noted in the margin, relating to the salaries to be attached to Offices held by Military Officers in India, have been under my consideration in Council, and I have now to communicate to you, Lordship, the decision which, after attentive perusal of the several papers which accompanied your letter, Her Majesty's Government have arrived at upon this subject.

2. The Committee of Secretaries appointed by your Government to consider the subject, have gone very carefully into the whole question, and have submitted a very valuable Report, which has greatly tended to facilitate and simplify the consideration of this important matter.

3. They observe of the Royal Warrant for the formation of the Staff Corps in India that, after fixing the scale of pay to be received by Officers attached to them while in India, and when out of India, it further provides that every Officer when in active employment will also receive, in addition to the above pay, such a sum as will make his total pay and allowances up to the sum assigned by the Government of India, with the approval of the Secretary of State for India in Council, as the consolidated pay of the office which he may hold.

4. Having consulted the several Governments, as well as the Chief Political and Military Officers of the Government, the Committee propose for adoption the following principles:—

1st.—That the salaries of Military Officers holding appointments connected with the Civil administration of the country should be consolidated and fixed without reference to the rank of the incumbent.

2nd.—That in the case of Military Officers in Staff employ, a certain salary should be fixed for every appointment, and that the incumbent should receive such fixed salary in addition to the Staff Corps pay of his rank.

3rd.—That this latter principle should apply to the Department of Public Works.

5. I concur generally in the principles here laid down, with some exceptions to be hereafter pointed out, as regards the Officers in Military Staff employ.

10. I have considered it necessary to deviate in some respects from the rates of salary proposed by the Committee, and I now forward, for the information of your Government, a Table of salaries which Her Majesty's Government have resolved upon, for the several offices enumerated in their report.

11. You will observe from the Table that, while adhering generally to the principle of allotting a Staff salary in addition to Staff Corps pay, it has been determined to fix the salaries of some few of the higher offices at a consolidated sum.

12. In the case of the other appointments it is to be understood that the Staff salary now fixed, plus the Staff Corps pay due to the Officer's rank, will constitute the maximum amount to be drawn by an Officer of that rank holding the office in question, whether such Officer belong to the Staff Corps or not. In the case of appointments held by Officers belonging to Her Majesty's British Forces, such maximum amount will include any pay or half-pay that may be paid to them in England.

13. I approve of the rule proposed by the Committee that in all cases where any allowance for "Office" is made, as in the case of Assistants Adjutant General, Brigade Majors, and others, it should be distinctly understood that the allowance is to be drawn only by Officers actually discharging the duties of the appointment, and that no further charge can be allowed for providing an office.

14. It is desirable that, whenever possible, the Public Offices should be located in public buildings, and it should be a standing Rule that all bills for Office allowance should be supported by a Certificate from the proper authority, that no public building was available for such Office.

A Military Officer in Civil employ can take three months' cumulative privilege leave (under the Civil Rules only) but he must earn it by thirty-three months' continuous service in the Civil Department alone.

Para. 35.—These several Rules are approved of.

CAMP MEEAG MEER, THE 29TH OCTOBER 1863.

No. 161 of 1863.—1. continuation of General Order No. 156 A of the 13th instant, the annexed scale of Staff salaries hereafter to be allowed to Officers serving with Native Regiments under the new organization is published for general information, and with reference to this scale an extract (paragraphs 23, 24, 25, 26, 27, 28, 29, and 30) of Sir Charles Wood's Despatch, No. 311 of the 31st August last, is also published for information and guidance.

2. Detailed instructions will be issued by His Excellency the Commander-in-Chief for the guidance of Officers serving with Native Corps under the new organization, and the present system of payment of Troops and Companies for repair of Arms, &c., will continue until a further order is issued by Government on the subject, the same Officers at present drawing any allowances now authorized for the payment of Companies and repair of Arms.

The new system of placing European Officers in charge of Squadrons and Wings will, in all other respects, be brought into operation as soon as His Excellency the Commander-in-Chief can issue the necessary subsidiary order.

3. The Despatch of the Secretary of State having been received by the Right Hon'ble the Governor General on the 30th ultimo, increased pay is claimable from 1st September by Commandants, Adjutants, and Doing Duty Officers, as well as Seconds in Command of Cavalry; but when higher pay may accrue from Seconds in Command or others obtaining new appointments, as Wing or Squadron Officers or Quarter-Masters, such increased pay will only become due from the date of Officers assuming charge of the duties of such new appointments under the orders of the Commander-in-Chief.

4. With reference to paragraph 26 of Sir Charles Wood's Despatch, instructions will hereafter be issued as to the scale of Office Establishment to be maintained by Adjutants. Meanwhile the allowance of Rupees 50 per mensem will be passed.

5. The pay now authorized is to be drawn in addition to Staff Corps pay only.

6. The rules now laid down are applicable to such Corps under their Excellencies the Commanders-in-Chief of the Bengal and Bombay Armies as now are or may hereafter be placed on the new organization, and to the Punjab Irregular Force.

In other (irregular) Corps, no alteration is made in the Establishment, position or duties of Officers, but Commandants, Adjutants, Seconds in Command, and Doing Duty Officers are entitled to the increased pay.

7. The Corps of Regular Infantry of the Bengal Establishment will, under the orders of the Commander-in-Chief, be placed on the new organization from the 1st January next.

Extract, Secretary of State's letter, No. 311, dated 31st August 1863, paragraphs 23 to 30.

Para. 23. I have given much and careful consideration to these proposals.

24. I am of opinion that the salaries attached to these Regimental appointments should be such as to place them at least on a footing of equality with the average of the Staff appointments commonly held by Officers of similar rank and standing in the service, and while they should not be so far superior to the latter as to induce those to seek them whose natural tastes and qualifications might not otherwise incline them to this important branch of the Service; it is important, on the other hand, that young Officers, who, on first joining the Staff Corps, will frequently be employed with Native Troops, should not, if naturally fitted for Military Service, be tempted to relinquish it by the attraction of superior emoluments of other Staff employments.

25. With these principles in view, and making due allowance for the advantages enjoyed by Staff Corps Officers in regard to promotion, and the comparatively early period at which they will attain the pay for the higher ranks, I am willing to sanction the scale of Staff Allowance proposed by your Government for the Officers serving in different capacities with Native Regiments, which, though liberal, will probably not be found excessive.

26. In the case of the Regimental Adjutant, however, it appears desirable that an Office Establishment should be prescribed, which should be maintained and paid upon Abstracts supported by the usual Muster Rolls.

27. I learn from your Despatch No. 10, dated 3rd January 1863, that you have completed the new Regiments in Bengal to six regularly attached and paid European Officers; exclusive of the Medical Officers, as announced in your General Order of the 12th December 1862, it being distinctly understood that the appointments made under that decision are held subject to such modifications as may be found necessary on receipt of my further instructions on the general question, and that you have authorized the Government of Bombay to extend the rule to such Regiments in that Presidency as are formed and officered according to the new organization.

28. I approve of these proceedings, and shall await the result of your reference to the Government of Madras upon the introduction of the new system into the Army, of that Presidency.

29. The scale of salaries now sanctioned will be brought into operation and made to apply in all cases where there is no reduction in the present aggregate salary on the payment due on the 1st of the month succeeding the receipt of this Order.

30. Reductions of salaries effected by this Order are not to be made to affect present permanent incumbents, or those who are negotiating for such permanent incumbents being temporarily absent from their duties.

Medical Department.

1. The grades of Medical Officers in Our Indian Military Forces shall be four in number, viz:—

- Inspector General.
- Deputy Inspector-General of Hospitals.
- Staff or Regimental Surgeon; who after twenty years' service in India in any rank, shall be styled Surgeon-Major.
- Staff or Regimental Assistant Surgeon.

2. No Candidate shall be admitted to the competitive examination for a Commission in the Medical Department of Our Army who does not possess such a certificate or certificates as would qualify a civilian to practice Medicine and Surgery.

3. No Assistant Surgeon shall be eligible for promotion to the rank of Surgeon until he shall have passed such examination as Our Principal Secretary of State for India in Council may require, and shall have served in India with the Commission of Assistant Surgeon for five years, of which two shall have been passed in or with a Regiment.

4. A Surgeon, whether on the Staff or attached to Regiments, must have served ten years in India, of which two must have been passed, with the rank of Surgeon, in or with a Regiment, or as a Civil Surgeon, before he will be eligible for promotion to the rank of Deputy Inspector-General of Hospitals.

5. A Deputy Inspector-General of Hospitals must have served three years in India before he shall be eligible for promotion to the rank of Inspector-General.

In cases, however, of emergency, or when the good of the service renders such alteration desirable, it shall be competent for the Governor-General in Council to shorten the several periods of service above-mentioned, in such manner as he shall deem fit and expedient.

6. Assistant Surgeons shall, as a general rule, be promoted to the rank of Surgeon in the order of their seniority in the service, unless unfit for the discharge of their duties from physical or professional incompetence or misconduct. In cases of distinguished service, however, an Assistant Surgeon may be promoted by Brevet, without reference to seniority, and in such cases, with a view to insure the responsibility attaching to an appointment made out of the regular course of promotion, the recommendation in which the services of the Officer shall be detailed shall be published in the General Orders of Our Indian Military Forces, and in the Gazette in which his promotion appears.

Relative rank shall carry with it all precedence and advantages attaching to the Military rank with which it corresponds, and shall regulate the rates of lodging, money, number of servants, rations of fuel and light, or allowances in their stead, except for Officers and others to whom special rates have been assigned, detention and Prize Money, according to the regulations, and upon the conditions, in force, from time to time; but such relative rank shall not entitle the holder to Military command of any kind whatsoever, nor to the Presidency of Courts Martial, Courts of Enquiry, Committees, or Boards of Survey, but when the President of such Courts, Committees, or Boards shall be junior to the Officer of the Civil Department then such Member of the Civil Department shall attend as a witness, and not as a member.

Choice of quarters shall be regulated by relative rank according to date of Commission; except in the case of the Commanding Officers' quarters, and in cases in which special quarters shall be permanently appropriated, with the approval of the Secretary of State for War.

Relative rank shall not entitle the holder to salutes from Ships or Fortresses, nor to the turning out of Guards; but it shall entitle him, if Commissioned, to salutes by sentries, or by individual Soldiers.

Honorary rank of Paymasters shall carry with it all the privileges and advantages attaching to relative rank of corresponding degree.

All Commissioned Officers, serving with the Troops, shall be entitled to Pensions, according to their relative Military rank.—Vide G. O. G., 16th March 1864, No. 1.

The plan which appears to your Excellency best suited to protect the public interests and the claims, at the same time, of Medical Officers is that of relaxing the rule embodied in the 8th Clause of the Warrant, in cases where superior Medical authorities certify the perfect competency and fitness of the Medical Officer, who has completed the age of fifty-five years without having obtained the rank of Deputy Inspector-General.

I am willing to assent to the adoption of this plan in regard to the Medical Officers who entered the service prior to the promulgation of the Warrant, provided that the perfect competency and fitness of the Medical Officers be, in all cases, certified by a Board consisting of two Medical Officers, one of whom must be an Inspector-General or Deputy Inspector-General, and the Commanding Officer, or Senior Civil Officer, under whom the Medical Officer may have been serving.

The certificate of efficiency granted by such a Board may hold good for three years, but in no case will a Medical Officer under the rank of Deputy Inspector-General be permitted to remain on the effective list after he shall have attained the age of sixty years.

A Medical Officer who may be unable to obtain the certificate of competency above referred to will be placed on the Retired List, receiving, as recommended by Government, the rate of pension next above that to which his period of service in India may entitle him; provided that he be not already entitled to retire on the higher rate, viz., £700 a year.

A similar course may be pursued with respect to Medical Officers employed on unprofessional duty, on their attaining the age of fifty-five years.

Medical Officers shall be entitled to all the allowances granted to our Indian Military Forces on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

Their families shall, in like manner, be entitled to all the allowances granted, under existing regulations, to the families of combatant Officers holding the same relative ranks.

Medical Officers shall be held entitled to the same honors as the other Officers of our Army of equal relative ranks.

A Medical Officer, retiring after a service in India of twenty-five years and upwards, may, if recommended for the same by the Head of his Department, receive a step of honorary rank, but without any consequent increase of pay.

Six of the most meritorious Medical Officers of the Army shall be named Honorary Physicians, and six Honorary Surgeons.—Vide G. O. G., No. 206, 16th June 1861.

The establishment of Medical Officers above the rank of Assistant Surgeon in the three Presidencies will, so long as there are Officers enough remaining on the old lists to complete these numbers be fixed:—

In Bengal.....	152
Madras.....	86
Bombay.....	69

With a view of removing all cause of complaint and misunderstanding, on the part of the Officers of the Indian Medical Service, on the subject of their promotion to the rank of Surgeon Major, under the Royal Warrant of 13th January 1860, Her Majesty's Government have determined to give retrospective effect to that Warrant, and to cause all promotions made under its authority to be dated from the 1st October 1858, being the date of the Royal Warrant for the British Medical Department, and it has been further determined to modify the instructions conveyed to you in my Despatches, No. 387, dated 31st October 1860, and No. 386, dated 30th September 1861, and to permit the period of service, qualifying Surgeons for the rank of Surgeon-Major under that Warrant, to be calculated from date of first commission, including all leave of absence of whatever kind.

And after five years' service in India as Deputy Inspector-General, as Colonel, according to the date of the completion of such service.

This Clause does not extend to the compliments to be paid by Garrison or Regimental Guards as laid down in pages 29. and 30 of the Queen's Regulations for the Army.

All promotion from the rank of Surgeon to that of Deputy Inspector, and from the rank of Deputy Inspector to that of Inspectors, shall be given by selection for ability and merit; and the grounds for such selection shall be stated to us in writing, and recorded in the office of the Secretary of State for India in Council, the selection for the grades of Deputy Inspector being made from the whole rank of Surgeons, whether styled Surgeons or Surgeons-Majors.

With a view to maintain the efficiency of the service, all Medical Officers of the rank of Surgeon Major, Surgeon, or Assistant Surgeon, shall be placed on the Retired List when they shall have attained the age of fifty-five years, and all Inspectors General and Deputy Inspectors General when they shall have attained the age of sixty-five years.

The relative rank of the Medical Officers of our Indian Military Forces shall be as follows:—

Staff or Regimental Assistant Surgeon as a Lieutenant, according to the date of his Commission, and after six years' service in India as Captain according to the date of the completion of such service.

Staff or Regimental Surgeon as Major, according to the date of his Commission; and Surgeon Major as Lieutenant Colonel, but junior of that rank.

Deputy Inspector General as Lieut. Colonel, according to the date of his appointment.

Inspector General of Hospitals as Brigadier General, according to the date of his appointment; if with an army in the field, or after three years' service in India as Inspector General, as a Major General, from the date of his joining such army in the field, or according to the date of the completion of such service.

It has been further resolved, that the following change in the mode of payment of Officers serving in India, whether of the British or Indian Medical Department, shall be introduced from the date of the receipt of this Despatch.

From that date, the allowance of head money, as well as that for medical charge of British Regiments and Brigades, will be discontinued, excepting in the case of Assistant Surgeons, who will receive while in actual charge of British Regiments or Brigades of Artillery, a special allowance of Rupees 150 per mensem in addition to their pay.

The following will be the rate of pay for Officers of the several grades in the Medical Department, below that of Inspector, and Deputy Inspector General, who receive special salaries, whether belonging to the British or the local service:—

Surgeons of Her Majesty's Service, not being Surgeon Majors, who may be in medical charge of Regiments or Brigades, at the date of publication of the Order, will not be affected by this rule, but will continue to receive their pay and allowances while attached to such Regiments, as heretofore.

Officers of the British Medical Department attached to Brigades of Horse Artillery and Regiments of British Cavalry will draw, in addition to the rate of pay above laid down, horse allowance at the following rate:—

The rule regarding pension, at present applicable to the Officers of the Indian Medical Service, will remain in force with the following modification:—

Officers compelled to leave the service on account of ill health, and entitled to half pay pension under present Regulations, will be allowed the half pay of their relative rank, as laid down in the Royal Warrant, dated the 1st October 1858. This rule will apply to all Officers retiring upon half pay pension from a date subsequent to the receipt of this Despatch.—Vide G. O. G., 12th July 1864, No. 261.

My Despatch dated 16th May last, No. 152, stated that Officers compelled to leave the service on account of ill health, and entitled to half pay pensions under present Regulations, would, in future, be allowed the half pay of their relative rank.

Under these circumstances, I am of opinion that in respect to retirement on half pay, the Assistant Surgeon, after a service of six years, should be treated as an Officer having the Regimental rank of Captain has hitherto been treated; that is, without being required to show any qualifying period of service, he should be permitted to retire on the half pay of Captain, on showing sufficient proof of disqualification for further service.

Or on promotion, should these periods of service not be already completed.

5. Medical Officers under six years' service having the rank of Lieutenant, will continue, in respect to retirement on account of ill health, subject to the Regulations applicable to Subaltern Officers.—Vide G. O. G., 24th March, 1865, No. 117.

MEDICAL OFFICERS—RATES OF PAY.

FORT WILLIAM, the 26th November 1864.—No. 953 of 1864.—There being considerable misunderstanding with respect to the pay and allowances to be drawn by Medical Officers under the instructions contained in the Despatch of the Secretary of State published in Government General Order No. 507,* of the 20th June 1864, the following Rules are laid down for observance in the three Presidencies, with effect from the date laid down in Government General Order, No. 508,† of the same day, and pending further reference to the Secretary of State.

I. All Medical Officers, whether of the British or Indian Forces, who were in receipt of consolidated salaries at the date of publication of the General Order, or who may have subsequently succeeded or may hereafter succeed to situations the salaries of which are consolidated, will draw such consolidated salary and no more. When so situated as to be entitled to draw only half Staff salary, such Officers will draw the pay of their rank according to para. 10 of the Despatch of the Secretary of State, and half the difference between that sum and the amount of the consolidated salary.

K. Such as the Officer acting will also draw the new rate of pay for his rank and the half difference, remaining undrawn by the permanent incumbent.

H. Surgeon-Majors serving with British Regiments will draw pay according to length of service as laid down in para. 10, with the addition of the Horse allowance sanctioned in para. 11, if attached to Regiments of Cavalry or to Brigades of Horse Artillery, and of Rupees 30, if attached to Brigades of Field Artillery.

III. Surgeons of British Regiments who were in Medical charge of Regiments of British Cavalry and Infantry on the 20th June 1864, will be allowed to continue to receive the pay and allowances then drawn.

Their claim to the old rate will not be invalidated by their proceeding on leave in India and ceasing for a time to draw Staff salary or Head money. During such period they will draw the new rates of pay of their rank and on return to their Corps receive their old emoluments.

When promoted to Surgeon-Major, they will draw only the pay of that grade.

J. Surgeons of British Regiments who were not in charge of Corps on the 20th June 1864, are only entitled to the new rates of pay of their grade whether absent or present, with the prescribed Horse allowance if attached to Cavalry or Horse Artillery, and Rupees 30 Horse allowance if attached to Field Artillery.

V. Assistant Surgeons of the British Service will in all cases receive the pay of their standing as laid down in para. 10, with an addition of Rupees 150 if in Medical charge of a Regiment of Cavalry or Infantry or Brigade of Artillery, or a permanent Depot, besides Rupees 60 per annum Horse allowance if with Cavalry or Horse Artillery, and Rupees 30 if attached to Field Artillery.

VI. Medical Officers of the Indian Service who do not come under the provisions of Clause I of this Order, will draw the same pay and allowances as before the issue of the Order, unless it is below the pay assigned to their rank in para. 10, in which case they will be permitted to draw the higher rate of pay. In the latter case they will draw Horse allowance at the prescribed rates if with Cavalry, Horse Artillery or Field Artillery.

VII. Medical Officers drawing pay under the old Rules will receive any advantages to which they would become entitled by these rules in consequence of promotion or having completed five, six or ten years' service as Assistant Surgeons.

VIII. Medical Officers, whether of the British or Indian Service holding Staff appointments, and in receipt of Staff or half Staff salaries, will until further orders, draw the present rates of Staff salary in addition to the old scale of pay, receiving any increase in the latter to which they would have become entitled by promotion, unless the aggregate shall be less than the pay of their grade under para. 10, of the Secretary of State's Despatch, in which case they will receive the latter only. When on leave they will draw the new rates of pay without Staff salary, the acting incumbent drawing the Staff salary with the old rate of pay, or the new rates without Staff pay, as may be most advantageous.

IX. Conveyance allowance will not be admissible to Assistant Surgeons on the new rates of pay.

X. The authorized allowance for the Medical charge of the Staff of Divisions or Brigades, will be passed in addition to pay and allowances whether on the old or new scale.

The foregoing is in substitution of any orders or decisions on the subject that may have previously been given.

Fort William, the 28th December 1864.

No. 953 of 1864.—The following Military Letter from the Right Hon'ble the Secretary of State for India, No. 240 of the 7th November 1864, is published for general information:—

15. Her Majesty's Government have therefore determined that the duties of the Medical Officers of the British Army serving in India shall, in future, be kept wholly distinct from those of the Medical

Madras G. O. G. 12th July 1864, No. 261.

Officers of the Indian establishment, and that there shall be a separate administrative establishment for each.

16. Under these circumstances, it will be necessary that the administrative establishments in the several Presidencies should be revised, and the duties of the several Medical Officers of the higher grades re-distributed, and I request that you will take the subject into early consideration, with a view of determining the numbers of Inspectors General and Deputy Inspectors General of each service that will be required to conduct the administrative duties of the respective services in each Presidency.

17. In my Despatch No. 152, I authorized your augmenting the number of Officers above the rank of Assistant Surgeon

In Bengal to.....	152
„ Madras do.....	86
„ Bombay to.....	69

leaving the aggregate establishment of Medical Officers in each Presidency the same as before.

18. That establishment is at present as follows:—

Bengal.....	45
Madras.....	22
Bombay.....	19

19. You were informed, in my Despatch No. 291, dated 8th August 1863, that the War Office would take measures for relieving, as soon as possible, the Assistant Surgeons of the Indian Army from the Brigades of Artillery and new Line Regiments, and the same course will hereafter be adopted as a necessary consequence of the transfer of those Regiments to the British Army, in regard to the Surgeons. A reduction in the establishment of Medical Officers required for service in India will necessarily follow, and I request that the subject of the number likely to be required henceforward in the several Presidencies, may receive your early consideration.

20. In making this calculation you will, of course, take into account the several situations which may be properly filled up by unconnected members of the Medical profession.

21. It is believed that, in consequence of all appointments to the local service having ceased during the last three years, the aggregate number of Medical Officers at present borne on the strength of the several Presidencies will be, if anything, below the prospective wants of the service; but shall make arrangements without delay for filling up vacancies as they may occur on your revised establishment.

22. The promotion of Assistant Surgeons who may hereafter enter the Indian Army will be regulated by length of service, and not, as heretofore, by succession to vacancies in a fixed establishment of Officers of the higher grades.

23. Assistant Surgeons of 12 years' service from the date of first Commission (of which two years shall have been passed in charge of a Native Regiment,) who shall have passed the prescribed examination in professional subjects, will be promoted to the rank of Surgeon.

24. The benefit of this rule is to be extended to all Assistant Surgeons now in the Indian Service, but Officers now in the service who may be so promoted will be considered supernumeraries to the establishment of Surgeons as recently laid down, so that no promotion by seniority will take place until such supernumeraries are absorbed.

25. You will make the promotions consequent upon this concession from the date of receipt of this Despatch.

26. In the Despatch above referred to, I informed you that you were authorized to introduce certain changes in the mode of payment of Officers of the Medical Department serving in India, and you were informed that, pending a further communication upon the subject, Officers of the British or Indian Medical Service, holding Staff appointments, the salaries of which are consolidated, will continue to draw their salaries as at present; and all Officers of the Indian Medical Department in the receipt of Staff salaries, including such as are in Medical charge of Native Regiments, will continue to draw the aggregate amount of pay and Staff allowances they now receive, provided it be not less than the rate of pay laid down in the above table for Officers of their rank and standing in the service.

27. I have now to inform you that it has been determined that in future all employment on the part of Medical Officers of the Indian Service involving the receipt of special Staff salary shall be considered as Staff employment, the salaries being in all cases consolidated; and that all appointments, whether Civil or Military, held in future by Officers of the present Indian Medical Service below the rank of Deputy Inspector General, will be alike tenable by Surgeon Majors, Surgeons, and Assistant Surgeons.

28. The salaries of the principal administrative and Military appointments are fixed at the following consolidated sums:—

Inspector General.....	2,500	whether of the British or Indian Medical Service.
Deputy Inspector General.....	1,800	
Surgeon Major in charge of Native Regiments...	1,000	with Rupees 90 horse allowance in Cavalry Regiments.
Surgeon in charge of ditto.....	800	with Rupees 90 ditto ditto.
Assistant Surgeon above 5 years' full pay service in charge of Native Regiments.....	600	with Rupees 60 ditto ditto.
Assistant Surgeon under 5 years' ditto.....	450	with Rupees 60 ditto ditto.

But Officers now in the Indian service will receive the pay due to their rank as laid down in para. 10 of my Despatch No. 152 of 26th May 1864, when such pay is in excess of the consolidated salaries above mentioned.

2. This compensation will be passed at English rates on the following scale :

	For Tunics.	For Trowsers.
Staff Serjeants.....	Rs. 15 2 0	Rs. 5 4 0
Serjeants.....	5 0 0	3 12 0
Privates.....	4 4 0	2 10 0

Highland Regiments not being supplied with serge clothing, are not affected by this arrangement ; but they will, on arrival in India, receive compensation at English rates for any articles of their annual issue not supplied at home during the year of their embarkation.

3. In years during which the biennial issue of a pair of Serge or Tartan Trowsers is due to Infantry Regiments of the line, Rifle Regiments and Highland Regiments wearing the Trows, these Corps, if they receive no cloth and only one pair of Serge Tartan Trowsers, will be entitled to an additional compensation at the following rates :—

Regiments of the Line and Rifle Regiments.	Highland Regiments wearing Trows.
Staff Serjeants.....	Rs. 6 0 0
Serjeants.....	4 2 0
Privates.....	3 6 0

Discharges—Penal Servitude.—In continuation of G. O. C. C., No. 96, dated 23rd May 1866, which applies only to the case of Soldiers sentenced to imprisonment or corporal punishment, &c., and ordered to be discharged with ignominy, the following rule is laid down in supersession of the 2nd para. of G. O. C. C. 25th May 1865.

When a recommendation for discharge with ignominy is made, in addition to a sentence of Penal Servitude, and this recommendation has been approved by the Commander-in-Chief, the Discharge Papers, Descriptive Return, and Copy of Charge, Finding, Sentence, and Confirmation, are to be at once prepared and forwarded to the Adjutant General.

It is not necessary in cases of this class to await instructions from the House Guards.

Embarkations—Store Accounts, &c.—No. 79.—Under instructions from Government, the Commander-in-Chief directs the attention of Officers Commanding Regiments and Batteries to the General Orders noted in the margin, regarding the closing of all accounts of Stores, &c., prior to embarkation, and desires to impress upon Officers their personal responsibility in the matter, and that ignorance on their part of the steps to be taken when there are proper Departmental Offices to which they can apply for any information they may require—will not be held to excuse any remissness in closing their accounts.

2. They should make a timely report, clearly explanatory of the circumstances, whenever there is any reason to doubt whether their accounts can be finally balanced before the Regiment or Battery embarks, and they should clearly understand that, in the event of its being necessary to detain the Officer concerned in India in order to such settlement, owing to his having failed properly to exert himself to adjust his accounts in time, he will not only be held responsible for any deficiencies, but will be restricted to British pay from the date of the embarkation of the Regiment.

2. Officers Commanding Stations will be careful to see that they are fulfilled in every particular. But as there are one or two clauses in the latest Leases, not contained in previous Forms, they should satisfy themselves that they are not enforcing conditions, not actually contained in the Lease held by any individual.

4. Applications for land in Cantonments are sometimes made for other purposes than for building on. It is hereby notified that except for Officers' Quarters, or for shops intended for the convenience of Residents, all others are disallowed.

Madras G. O. C. C., 24th June 1867, page 40.

The total new business of the Company is progressing at the rate of about £ 30,000, or Three Lacs of Rupees per annum in Premiums. The last division of Profits as at 31st December 1861, resulted in a cash appropriation to participating Policy Holders of £ 50,000. The next Division will apply to all "Participating" Policies in force on the 31st December 1866.

RETIRING PROVISIONS

COMBINED WITH LIFE ASSURANCE.

THE closing of the "MILITARY FUND" renders it necessary for Military Officers to make some other provision for the support of their surviving families; and one of the best arrangements for this purpose, will be found in the adoption of either of the following Tables, A or B, which have been specially calculated for the use of this Institution, and which will enable them to effect their object (at an early period of life) with little more expense than that of an ordinary Life Assurance.

These Tables present the means of effecting Assurances, which are payable either to the Holder of the Policy on his attaining 55 or 60 years of age, or to his representatives at his death if happening previously. Thus the Holder of a Policy may, upon the same becoming payable in his lifetime, either invest the sum assured in a Government Annuity, for the benefit of himself or for any member or members of his family, or otherwise dispose of it if he thinks proper.

The payment of a fixed sum, instead of an annuity, is considered by the Company the safest and the best mode of assurance, as it leaves the holder entirely at liberty to select that mode of provision for himself or for his family which he may consider most advantageous.

Similar Assurances may be effected at lower Rates of Premium on the lives of SERVANTS and others not exposed to Military Risks.
