

Military Male Orphan Asylum Press.

The Superintendent is desirous of bringing the claims of the Military Male Orphan Asylum Press before Gentlemen of H. M.'s Services and the Public in general.

The Press was established so far back as 1799, for the press purpose of affording help to the Madras Military Male Orphan Asylum. Receiving for a long series of years extensive patronage both from the Government and the Public, it was enabled abundantly to answer this purpose and materially to increase the resources of the Asylum.

For some years past, however, several causes have tended to diminish the patronage which this Press so long enjoyed. The Government have withdrawn their custom, having established a Press of their own. Madras Society has changed, friends and supporters have left the country, and others ignorant of the charitable object of the Press have replaced them. Indeed there is reason to believe that a erroneous impression exists that the Press is either solely a Government Institution or largely aided by it. To remove this impression and to attract custom, is the object of this Appeal.

The Superintendent begs to inform the Public that the Press is well supplied with the necessary materials for executing Card-printing, Book-binding in all its branches, and all descriptions of Book and Miscellaneous Printing. He pledges himself to give untiring efforts to render satisfaction to all who employ the Press. He confidently solicits, especially from the Civil and Military Services, such support and patronage as will enable the Press to give extended assistance to the Fatherless and Orphan Children of the Soldiers of this Presidency.

All orders will be thankfully received and carefully executed by

W.M. THOMAS,

Supt. M. M. O. Press

LIST OF HER MAJESTY'S COVENANTED CIVIL SERVANTS ON THE MADRAS ESTABLISHMENT,

Corrected up to the 31st December 1867.

The Rank of Civil Servants commences from the date of arrival at Madras of the first Civil Servant appointed in Europe, of the same season of which they are Civil Servants ; and, being thus determined, all Civil Servants belong, during the first four years, to Class VI ;—from the fifth to the end of the eighth year, to Class V ;—from the ninth to the end of the twelfth year, to Class IV ;—from the thirteenth to the end of the twentieth year, to Class III ;—from the twenty-first to the end of the thirty-fifth year, to Class II ;—and from and after the thirty-fifth year, to Class I.

The letters A, B, C, D, prefixed to the names denote respectively that the parties have not passed either of the two Standards of Qualification ; that the first or lower Standard has been passed ; that the Servant is entitled to Furlough, and that he cannot take Special leave.

M prefixed to a name denotes that the Servant though not having passed by the 2nd Standard, nor holding an appointment superior to that of Assistant is invested permanently with the full powers of a Magistrate.

Column 2, Capitals distinguish high proficiency. Column 7, Absence shown in italics counts as Residence to the extent of one year.

Extract from the Proceedings of the Government of India in the Financial Department, (No. 2638, dated Simla, the 20th September 1867.)

Read the following correspondence :—

Letter No. 528, dated 20th June 1867, forwarding a copy of Proceedings of the Government of Fort Saint George, dated 14th June, in which it is ruled that the General Superintendent of Vaccination is entitled to retain, during absence on tour in the interior of the Presidency, the house-rent which is admissible to him at the Presidency under Financial Notification No. 2294, dated 25th April 1867.

Endorsement to the Military Department's No. 1553, dated 22nd July 1867, enquiring whether under the rules of that Department house-rent would be continued in a similar case during temporary absence from the Presidency.

Military Department's reply No. 400, dated 23rd August 1867, stating that, under existing rule, Presidency house-rent is given to an Officer whilst at the Presidency; but that as Officers cannot give up and re-engage houses at short notice, it is expedient to continue the house-rent during temporary absence, unless the period of absence exceeds two months, exclusive of the months of departure and return.

RESOLUTION.—The Governor General in Council sanctions the modification of the existing rule which is proposed by the Military Department, but on the understanding that house-rent, under the modified rule, shall be continued only to those Officers in receipt of the allowance, who may certify that their previous rate of expenditure for house at the Presidency continued during their temporary absence on duty.

2. The allowance of house-rent to the General Superintendent of Vaccination, Madras, should be regulated by this rule in future.

ORDERED that a copy of this Resolution be sent to the Home, Military, and Public Works Departments; the Comptroller General of Accounts; the several Accountants General, and to the Deputy Accountants General in independent charge.

(Signed) E. H. LUSHINGTON, Secretary to the Government of India.

This Order is applicable to the three Presidencies.

Cantonments—Building Advances.—No. 985 of 1867.—With the sanction of the Right Hon'ble the Secretary of State for India, His Excellency the Governor General in Council is pleased to notify that, in future, on the formation of new Cantonments, or when suitable accommodation is not obtainable in existing Military Stations at reasonable rents, advances will be made by Government to enable Officers to erect or purchase houses for their own accommodation, under the following conditions :—

2. All such advances must be *bond fide* required for the purpose of building or purchasing suitable houses for the personal residence of the Officers concerned; and, if more is advanced than shall be actually expended for the purpose, the surplus shall be refunded to Government.

3. The limits of such advances will not exceed three years' tentage of Regimental rank, viz. :—

For a Colonel	Rupees 7,200
" Lieutenant-Colonel.....	" 5,400
" Major	" 4,320
" Captain	" 2,700
" Subaltern	" 1,800

Medical and other Commissioned Officers, according to their relative rank.

4. Re-payment of such advances will be made by Regimental or Circle Paymasters deducting monthly instalments equal to the amount of the Officer's tentage, the higher rate being deducted on promotion; such instalments to commence from the second issue of pay after the receipt of the advance.

5. In order to secure Government from loss consequent on an Officer dying or quitting the service prior to complete re-payment of the advance, the house so built or purchased must be mortgaged to Government, by whom the mortgage will be released when the full amount of the advance has been liquidated.

6. In the event of an Officer quitting the service, or of his decease, before the whole advance has been liquidated, the house so built or purchased will become the property of Government, except in the cases following :—The Officer may, within one month after his retirement in India, or within six months after his retirement in Europe, or his Executors or Administrators, in the event of his decease in the service, may, within six months after his death, submit a request that the house may be put up for sale at an upset price sufficient to cover the balance due. Thereupon the house will be put up for sale, the amount required being specified in the Advertisement of sale. The Officer or his representatives must undertake to bear all the expenses of sale, Advertisement &c. Any proceeds realized over the amount remaining due, will be paid to the Officer or his representatives.

7. Any Officer quitting, or removed from, the station where he has built or purchased a house, before the whole amount of the advance has been liquidated, will continue liable to the deduction of his monthly instalment until the advance has been re-paid; but, with the special sanction of Government, he may be allowed to dispose of the house, provided he is thereby enabled to clear off the whole amount due at once, or to transfer it to any Officer of his own or higher rank. The future deductions will be made from the tentage of such Officer.

8. No Officer will, under any circumstances, be allowed a second advance whilst any amount remains due on a previous one.

9. All applications for such advances must be made through the Officer Commanding the Station, who will record his opinion as to the necessity for the assistance solicited. The Officer must certify that the sum is to be expended in building or purchasing only, and that, should there be any surplus funds after the house is completed or purchased, they will be at once refunded to Government; and the application must be countersigned by the Commanding Officer of the Regiment, or the Head of the Department to which the applicant may belong.

10. Two Officers of the grade of Captain or Subaltern may each obtain the advance of their rank for the purpose of building or purchasing a house for their *bond fide* joint occupation, on condition of their being jointly and severally responsible to Government for the whole amount of their joint advances.

11. The last pay certificate granted to Officers under advances must specify the original amount of such advance, the amount re-paid, and the balance remaining due.

12. A Form of mortgage bond, with necessary instructions for executing it, will be issued to Officers who may wish to avail themselves of the advance.

‡ A proper supply of Disinfecting Fluid is to be provided for use in the Hold, in addition to the above quantity of Chloride of Zinc.

§ This quantity is to be increased at the discretion of the authorities at the Port, in the event Porter not being procurable in sufficient quantity as an article of Ration.

NOTES.

Boys of 10 years and under 14 years of age to receive the Woman's ration, but without Porter. Boys of 14 years of age, or upwards, to receive the Man's ration, but without Porter. Girls of 10 years of age or upwards, to receive the Woman's ration, but without Porter.

Boys and Girls of 17 years of age, or upwards, are to be considered in all respects as Adults.

Temperance Men not receiving Porter (or Spirit as a substitute) are each to be allowed, daily, one ounce of Sugar, and quarter of an ounce of Tea, in addition to the quantities of those articles specified in the Scale of Rations; those men who do not receive these additional quantities, will be credited in office with a penny a day.

Temperance Women not receiving Porter, and other Women to whom it may not be practicable to supply Porter, are to be granted a similar additional allowance of Sugar and Tea.

Neither Porter nor Spirit is to be issued to Prisoners or "Punishment men," except under Medical advice, and with the sanction of the Military Commanding Officer.

Preserved Meat is to consist of Beef and Mutton, which are to be provided in equal quantities, and to be issued alternately.

Fresh Meat and Fresh Vegetables are to be issued, whenever practicable, 1 lb. Fresh Meat being considered equal to 1 lb. Salt Meat; but 8 ozs. of Fresh Vegetables are to be the Ration for Men, Women, or Children. When Fresh Vegetables are not procurable, Preserved Potatoes (uncooked) 2 ozs., or Compressed Mixed Vegetables one ounce are to be issued in lieu.

Fresh Vegetables are to be issued whenever procurable, with Salt or Preserved Meat, in lieu of the Flour, Suet, Raisins, Peas, Compressed Vegetables, Preserved Potatoes or Rice, specified in the Scales.

Fresh Meat and Fresh Vegetables are also to be obtained, for 2 days' consumption after leaving Port should the weather admit of their keeping sweet.

In cases in which it may be impossible to provide Fresh Bread, Biscuit is to be issued as the Ration in the proportions shown in the respective Scales for Men, Women and Children. The Commanding Officer of the Troops will report to the Military Authorities, on his arrival in Port, if he should consider that Biscuit has at any time been improperly or unnecessarily substituted for Fresh Bread.

Any Articles in the foregoing Scales of Rations may be stopped or changed, but only in individual cases upon the special requisition of the Medical Officer.

The Scales of Rations are to be regarded as generally applicable to Invalids, as well as to persons in health; Invalids are, however, to be provided with Fresh Bread, every day. In Ships engaged the conveyance of Invalids, there is also to be provided a liberal proportion of Live-stock, (Oxen, Sheep and Poultry, but not pigs), with provender and water for their subsistence. The extent and nature of the supplies are to be, in each case, at the discretion of the Naval or other Government Authorities at the Port; and they are to be replenished as far as may be practicable at any Ports at which the Ship may touch. Issues of Poultry are to be made at the discretion of the Surgeon.

WATER.

When there is a distilling apparatus on board, water is to be issued on the most liberal scale possible; but the minimum daily allowance of water (distilled or filtered), is to be for each individual embarked including the crew of the ship, 6 pints when out of the tropics, and one gallon when within the tropics, which quantities are to suffice them for all purposes.

SCALE OF SUBSTITUTES.

The above Scales of Rations being sufficiently varied for health, are to be adhered to, except as regards the substitution of fresh for salted or preserved provisions, when practicable, in the proportions shown below. In order, however, to meet cases in which it may be actually necessary to depart from the Scale, a list of equivalents is appended:—

Fresh Bread 1 lb.	To be esteemed equal to $\frac{1}{2}$ lb. biscuit.	Fresh vegetables $\frac{1}{2}$ lb.	To be esteemed equal to $\frac{1}{2}$ lb. salt meat.	Flour $\frac{1}{2}$ lb. Coffee (roasted and ground). 1 oz.	To be esteemed equal to $\frac{1}{2}$ oz. tea.									
Chocolate 1 oz.										

SCALE OF FORAGE, &c., FOR HORSES.

	Oats.	Hay.	Bran.	Water.	Vinegar.	Nitre.
For each Horse daily	6 lbs.	10 lbs.	$\frac{1}{2}$ peck, or 2 $\frac{1}{2}$ lb.	6 gallons.	Such quantities as may be required for daily use.	

NOTE.—An increased quantity of Bran, not exceeding an additional quarter peck per day, may be issued in lieu of a portion of the Oats or Hay, whenever it may be deemed expedient by the Military Commanding Officer. The full quantities of the daily Ration should not be issued, unless, in the opinion of the Military Commanding Officer, they are actually required.

All the Articles are to be served out by full Imperial Weights or Measures.

A copy of this Sheet is to be hung up in a conspicuous situation between Decks, and contiguous to where the provisions may be served out, in order that all Troops or Passengers embarked may be ware of the Rations to which they are entitled.

"Our Will and Pleasure, therefore, is, that the pay of all ranks of Non-Commissioned Officers and of the Private men of Our Regiments and Corps after-mentioned, that is to say,—

"Given at Our Court at St. James', this Twenty-ninth day of June in the Thirty-first year of Our Reign.

Remount Chargers—Return Prices.—No. 483 of 1867.—The Right Honorable the Governor in Council is pleased to publish the following Rules regarding the return of Officers' Remount Chargers into the ranks, in supersession of those in the Pay Code as per margin.

If an Officer dies before the price has been recovered, and his Charger is re-admitted to the Corps, the Paymaster will make good to the Estate the sum which has been deducted; but if the horse cannot, in conformity with Regulations, be taken back into the ranks, it must be sold under the orders of the Commanding Officer, who will make over to the Paymaster the balance due to Government, and any remainder to the Estate.

An Officer who, after a lapse of six and within twelve months after selection, is allowed to return a Charger to the ranks, is entitled to receive back whatever sum he may have paid.

When Officers quitting their Corps sell their Chargers in the Regiment, or are allowed to return them to the ranks, the prices are to be regulated as follows:—If six years old, full price; if above six but not exceeding twelve years, a deduction is to be made at the rate of 10 per cent. per annum for the period in excess of six years.

To His Excellency the Right Honorable the Governor General of India in Council.

SIR,—I have considered in Council your letter dated the 2nd July last, No. 164, regarding the retirement of Veterinary Surgeons of the Indian Service, who have attained a certain age, on a plan similar to that provided by the Royal Warrant of the 1st July 1859, for Veterinary Surgeons of the British Troops, and I approve of your proposition that Officers of that grade, now in the Indian Service, who have attained the age of 55, should be called upon to retire within a period of five years, unless, in the meantime, they attain the rank of Staff Veterinary Surgeon.

I have, &c.,

Arrest—Stoppages.—No. 506 of 1867.—The following Extract from a letter from the Secretary to the Government of India, Military Department, to the Adjutant General of the Army in Bengal, dated 25th September 1867, No. 880, is published, and the decision therein contained made applicable to this Presidency:—

"I am directed to inform you, with reference to the deductions to be made from the pay of a Warrant Officer while under arrest, that the Right Hon'ble the Governor General in Council is pleased to decide that for the future no stoppages are to be made from the pay and allowances of a Warrant Officer, except under the sentence of a competent Court, unless any portion of his emoluments be in the nature of Staff pay, when it will rest with the Government to decide whether that portion shall be withheld under the rules which apply to a Commissioned Officer."

Family Allowance. Half Ration—Half Subsistence.—No. 1103 of 1867.—With the view of alleviating the pressure on the married European Soldier, caused by the high prices of food, which from time to time prevail at different stations in the three Presidencies, and which the fixed subsistence allowance granted by the State to aid him in maintaining his wife and children but imperfectly meets, the Right Hon'ble the Governor General in Council is pleased to decide that whenever, and for so long as, the actual cost to the Commissariat Department of the Soldier's ration in any station shall exceed Rupees 14 a month, the Soldier shall have the option of drawing, in lieu of half the subsistence allowance which he receives for his wife and children respectively, a half ration for the former, and a quarter ration for each of the latter above one year old.

2. The required rations must be duly notified and drawn and the recovery effected under Regimental arrangements, and, on each occasion in which the arrangement is found necessary, a report must be made for the information of the Government of India.

3. At all times the wives of Soldiers shall be allowed to purchase, for the *bond fide* consumption of themselves and their children, any articles of Commissariat supply at the Agency or contract rates, payments being made in "Cash," or secured by Regimental arrangements.

No. 1107 of 1867.—His Excellency the Governor General in Council is pleased to make the following appointment:—

PUNJAB FRONTIER FORCE.—1st Punjab Infantry.

Lieutenant T. Higginson, of the Madras Staff Corps, Officiating Wing Officer, to be 2nd Wing Subaltern, but to continue to officiate as Wing Officer of the Regiment until the return from sick leave to Europe of Lieutenant Colonel Keyes, C. B., or until further orders.

Military Fund—Paymaster Currie.—No. 1115 of 1867.—The following extract (paragraphs 1 to 3) of a Financial letter from the Right Hon'ble the Secretary of State for India, No. 382, dated 18th October 1867, is published for general information:—

PARA. 1.—I have considered in Council your Military letter No. 211 of 1867, dated 3rd August, transmitting copy of a communication from the Directors of the Bengal Military Fund, respecting the case of Lieutenant Currie, a subscriber to the Fund, who had rendered himself liable to the payment of Indian rates of subscription under Article 5 of the Regulations,* by the resignation of his commission in the 5th Europeans.

* Article 5.—"Subscribers not in ill health retiring from the Service before they are entitled to the full pension of their rank, shall not forfeit all claims on the institution, provided they continue to pay the Indian rates of subscription of their respective ranks."

2. Sir Charles Wood's Military Despatch No. 92 of the 28th February 1863, decided that Commissioned and Warrant Officers accepting the appointment of Paymasters in new Line Regiments must retire from the Indian Service. The case of Lieutenant Currie cannot therefore be regarded as a mere transfer from one branch of the service to another, but as a retirement from the Indian Service.

3. In consideration, however, of the circumstance that Lieutenant Currie has taken up the appointment of Paymaster in one of Her Majesty's Regiments, and that prior to taking this step, he was obliged to resign his former commission, I have determined to accede to the recommendation of the Directors of the Fund, and to extend to Paymaster Currie, and all Officers similarly situated, the benefits conceded to Officers transferred from the Indian to the British Military Forces by General Order No. 899 of the 25th October 1866. Lieutenant Currie will therefore be entitled to all the benefits granted by the Bengal Military Fund, and will subscribe at Indian rates, if drawing Indian Allowances, and at Europe rates, if not drawing Indian Allowances.

Overland Route—Officers' Baggage.—No. 1116 of 1867.—Doubts having arisen as to the quantity of Baggage for which free conveyance can be claimed by Officers arriving in India by the Overland route, when entitled themselves to passage at the expense of Government, the Right Hon'ble the Governor General in Council is pleased to declare, with the view of obviating misconception on this point, that all Officers arriving by the Overland route, who are entitled to free passage or passage money under the Royal Warrant* of 1865, are permitted

† Government General Order, No. 471† of 11th May 1865.

to take the quantity of baggage, prescribed in that Warrant according to their rank, and to draw a contingent bill duly supported by the necessary vouchers for the freight throughout, and transit charges through Egypt, of any such baggage that may be in excess of the quantity allowed by the Regulations in force in the vessel on which they may take their passage, provided the aggregate does not exceed the limit fixed by the Royal Warrant.

* Madras, G. O. G., 2nd June 1865, No. 209.

Command—Brigadiers General on promotion.—No. 1119 of 1867.—It is hereby notified that when a Brigadier General is promoted to the rank of Major General, he will, unless otherwise specially ordered, retain his command, until the arrival of his regularly appointed successor.

Fort St. George, 13th December 1867.

Soldiers' Widows—Travelling Expenses.—No. 512 of 1867.—The Government of India have decided that, whenever Soldiers' Widows desire to remain permanently in India, and there is no obvious objection to their doing so, a free passage by Rail, or travelling expenses, may be granted to them and their Children, if any, to the Station they may elect to reside at, on the condition, however, that they forfeit all claim to a passage to England at any future period.

Treasury Warrant—Postage.—No. 524 of 1867.—The following Extracts from Notifications in the Fort Saint George Gazette, are re-published:—

The following Despatch from the Right Honorable the Secretary of State for India, to His Excellency the Right Honorable the Governor in Council, Fort Saint George; dated India Office, London, 8th November 1867, No. 41, is published for general information:—

I herewith forward, for the information of your Excellency in Council, and for dissemination in your Presidency, a copy of a Minute, dated the 27th September last, by the Commissioners of Her Majesty's Treasury, by which, under the special Rules contained in the 8th and 9th Articles of the same, the postage of the correspondence of Officers of the Army in India is to be reduced, from the 1st of January next, to six pence the half ounce.

TREASURY WARRANT

Whereas by an Act of Parliament, passed in the fourth year of the reign of Her present Majesty, intituled "An Act for the regulation of the duties of postage," power is given to the Postmaster General to remit any of the rates of British postage for the time being payable by law on the transmission of post letters, newspapers, or other printed papers, to such extent as the Lords of the Treasury shall from time to time direct; and power is also given to the Commissioners of Her Majesty's Treasury from time to time, by Warrant under their hands, to alter and fix any of the rates of British or inland postage payable by law on the transmission by the post of Foreign or Colonial letters or newspapers, or any other printed papers, and to subject the same to rates of postage according to the weight thereof, and a scale of weight to be contained in such Warrant, and from time to time, by Warrant as aforesaid, to alter or repeal any such altered rates, and make and establish any new or other rates in lieu thereof, and from time to time, by Warrant as aforesaid, to appoint at what time the rates which may be payable are to be paid.

And whereas by another Act of Parliament, passed in the eleventh year of the reign of Her present Majesty, intituled "An Act for giving further facilities for the transmission of letters by post, and for the regulating the duties of postage thereon, and for other purposes relating to the Post Office," further powers are given to the Commissioners of Her Majesty's Treasury; and power is also given to the Postmaster General (amongst other things) to collect and receive the Foreign and Colonial postage charged or chargeable on any letters sent by the post, and also, with the consent of the Commissioners of Her Majesty's Treasury, to require the postage of British, Colonial, or Foreign, of any letters sent by the post to be prepaid, either in money or in stamps as he might think fit, on the same being put into the Post Office, and also, with such consent, to abolish or restrict the pre-payment in money of postage on letters sent by the post, either altogether or on certain letters; and to require the pre-payment thereof to be in stamps, and also to refuse to receive or send by the post any letters tendered contrary to any regulations thereby made; and power is also given to the Postmaster General, and any Officer of the Post Office, to detain any letters which should be posted or sent by the post contrary to the regulations therein mentioned, and to open such letters, and either to return them to the senders thereof, or to forward them to the places of their destination, charged in either case with such rates of postage as the Postmaster General, with the consent of the Commissioners of Her Majesty's Treasury, should from time to time direct.

And whereas it is expedient that regulations should be made for the transmission by the post at certain reduced rates of postage of the letters hereinafter mentioned.

Now we, the Commissioners of Her Majesty's Treasury, in exercise of the power of authority in us for such purpose, vested in and by the said recited Acts, or either of them, and of all other powers enabling us in this behalf, do, by this Warrant (under the hands of two of us, the said Commissioners, by the authority of the statute in that case made and provided), order and direct as follows—that is to say:—

1. That on every letter not exceeding half an ounce in weight, posted in, or addressed to any part of, the United Kingdom, and sent to or by any Commissioned Officer in the Army whilst actually employed in Her Majesty's Service, in any of Her Majesty's Colonies, and transmitted by the post between any place in the United Kingdom and any such Colony direct, or through any other Colony, or any foreign country, there shall be charged and taken, in lieu of any rates of postage now payable by law on such letters, an uniform rate of postage (British and Colonial combined) of six pence.

2. On every such letter, transmitted, under the authority of this Warrant to or from the East Indies, Australia, or New Zealand, exceeding half an ounce in weight, there shall be charged, taken, and paid progressive and additional rates of postage as follows—that is to say:—

On every such letter exceeding half an ounce in weight, and not exceeding one ounce in weight, two rates of postage.

On every such letter exceeding one ounce, and not exceeding two ounces in weight, four rates of postage.

On every such letter exceeding two ounces, and not exceeding three ounces in weight, six rates of postage.

And for every ounce in weight above the weight of three ounces, there shall be charged and taken two additional rates of postage, and every fraction of an ounce above the weight of three ounces, shall be charged as one additional ounce, and each progressive and additional rate chargeable under this clause shall be estimated and charged at the sum which any such letter would be charged with under this Warrant if not exceeding half an ounce in weight.

3. On every such letter transmitted under the authority of this Warrant to or from any of Her Majesty's Colonies other than the East Indies, Australia, or New Zealand, exceeding half an ounce in weight, there shall be charged, taken, and paid progressive and additional rates of postage as follows—that is to say:—

On every such letter exceeding half an ounce in weight, and not exceeding one ounce in weight, two rates of postage.

On every such letter exceeding one ounce, and not exceeding one ounce and the half of another ounce in weight, three rates of postage.

On every such letter exceeding one ounce and the half of another ounce, and not exceeding two ounces in weight, four rates of postage.

And for every additional half of an ounce in weight of any such letter above the weight of one ounce, there shall be charged and taken one additional rate of postage, and every fractional part of such additional half of an ounce shall be charged as an additional half of an ounce in weight, and each progressive and additional rate chargeable under this clause shall be estimated and charged at the sum which any such letter would be charged with under this Warrant, if not exceeding one-half of an ounce in weight.

4. All letters which shall be sent by the post under the regulations of this Warrant shall be subject, in addition to the rates hereby fixed, to the payment of any foreign postage which shall be chargeable thereon.

5. The postage of every letter posted for transmission by the post, under the provisions of this Warrant, shall be paid at the time of the same being posted, either in money or by being duly stamped with the proper postage stamp or stamps being affixed thereto, which stamp or stamps shall, in every case, be affixed or appear on the outside of every such letter near the address, and shall be of the value or amount of the postage duty payable thereon.

6. If any letter shall be posted in the United Kingdom for transmission by the post, under the authority of this Warrant, to any Colony to which ordinary unpaid or insufficiently paid letters may be forwarded from the United Kingdom without any postage having been paid thereon, or with a postage paid thereon less in amount than the rate or rates of postage to which the same would be liable under or by virtue of this Warrant, every such letter shall be charged with the deficient postage, together with a further and additional rate of postage of sixpence.

7. If any letter shall be posted in any Colony from which ordinary unpaid or insufficiently paid letters may be forwarded to the United Kingdom, for transmission by the post, under the authority of this Warrant, to the United Kingdom, without any postage having been paid thereon, or with postage paid thereon less in amount than the rate or rates of postage to which the same would be liable under or by virtue of this Warrant, every such letter shall be charged with the amount of deficient postage, together with a further and additional rate of postage of sixpence.

8. Every letter sent to any Commissioned Officer under the authority of this Warrant shall be directed to such Officer, and shall specify on the superscription thereof his rank and the Regiment, Corps, or Detachment in which he is serving, or the Department to which he belongs.

9. Every letter sent by any Commissioned Officer under the authority of this Warrant shall have the signature of such Officer superscribed thereon, together with the signature of the Commanding Officer of the Regiment, Corps, or Detachment in which such Commissioned Officer is serving, or the signature of the head of the department to which such Commissioned Officer belongs; and such Commanding Officer or head of department, respectively, as the case may be, shall also specify on the superscription of every such letter the name of such Regiment, Corps, Detachment, or Department.

10. Nothing herein contained shall be construed to extend to the transmission of letters private ships.

11. The several terms and expressions used in this Warrant shall be construed to have the meaning in all respects as they would have had if inserted in the said recited Act passed in the fourth year of the reign of Her present Majesty.

12. The Commissioners for the time being of Her Majesty's Treasury may, by Warrant under their hands, or the hands of any two of them, at any time hereafter, alter, repeal, or revoke any of the rates of postage hereby fixed or altered, or any of the orders, directions, regulations and conditions hereby made, and may make and establish any new or other rates, orders, directions, regulations, and conditions in lieu thereof, and from time to time appoint at what time the rates which may be payable are to be paid.

13. This Warrant shall come into operation on the first day of January one thousand eight hundred and sixty-eight.

Whitehall Treasury Chambers, the twenty-seventh day of September one thousand eight hundred and sixty-seven.

Orders and Medals—Foreign.—The Right Hon'ble the Viceroy and Governor-General pleased to publish for general information and guidance the orders of Her Majesty the Queen regard Foreign Orders and Medals.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force :—

Regulations respecting Foreign Orders.

1. No subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign-Manual.
2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the enemy, either at Sea, or in the Field, or unless he shall have been actually and entirely employed, beyond Her Majesty's Possessions, in the Service of the Foreign Sovereign by whom the Order is conferred.
3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited to the Court of such Foreign Sovereign, or through his Minister accredited at the Court of Her Majesty.
4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.
If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.
5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from Naval or Military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.
A similar reference shall also be made to the Commander-in-Chief if the application relates to an Officer in the Army, or to the Lords of the Admiralty if it relates to an Officer in the Navy.
6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favor it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.
When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the *Gazette* stating the service for which the Foreign Order has been conferred.
7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.
8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's license and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.
9. When a British subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honor strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.
10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV and King William IV, on whose heads the Crowns of Great Britain and of Hanover were united.
Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favors bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Applications for permission to accept and wear Medals which, not being the Decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy for Military or for Naval Services, should be addressed, as the case may be, to the Commander-in-Chief, the Master General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formality.
2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for Military or Naval Services performed by the Command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

No. 117.—The following Extracts from General Orders by His Excellency the Commander-in-Chief in India, are re-published :—

Head Quarters, Simla, 9th September 1867.

No. 201.

Discharge—Passages.—Doubts having arisen as to the meaning of para. 1, G. O., Her Majesty's British Forces, 20th January 1863,* (page 34 of Standing Orders) and G. O. No. 79 of 1st May 1866, it is notified that Soldiers, whose period of service will expire on or before the 15th March in each year, may be sent to the ports of embarkation during the current cold season, those who complete their term after that date must be detained with their Regiments until the ensuing season. Soldiers are not necessarily to be kept at the port of embarkation in India until their term has actually expired. Their embarkation will take place under orders from the Quarter Master General's Department, at any period of the cold weather during which they are permitted to return to England. But time-expired men proceeding to the Colonies, who are finally discharged in India, are not to be embarked until their contracted service has actually expired, and their confirmed parchment certificates been handed to them.

No. 212.

When reduction is contemplated, the sentence of the Court should be one of reversion to the station and pay of a Gunner, or Driver, in the case of Trumpeters of the Royal Artillery, and of a Private Trooper in the case of men belonging to British Cavalry Regiments.

No. 48 of June 1867, and the new edition of the "Field Exercise and Evolutions of the Infantry," therein directed to be brought into use, and to page 71 of the revised "Musketry Regulations," dated the 1st February 1867, substituting "Independent" for "File" firing, the Commander-in-Chief directs that the troops still armed with muzzle-loaders continue to be guided in the loading motions of the *Platoon Exercise* by the 1862 Edition of the last quoted order; but in all the motions of the "Present," and in the different modes of firing the New or 1867 Edition is to be exclusively attended to in all drills, exercises and practices by European and Native Troops, who are to be at once carefully drilled and instructed in the same by squads.

In Independent Firing with muzzle-loaders, the loaded man of a file is not to come to the "Present" until his comrade is about to "cap."

2. In convening these Committees, Officers will keep in view the great importance of carefully selecting Officers to compose the Committees on account of their special knowledge of Horses, and their ability to judge correctly respecting their qualities.

Indian Troop Ships—Discharge Documents.—No. 125.—The Commander-in-Chief directs the following Extracts from General Orders by the Commander-in-Chief in India to be published especially with reference to G. O. C. C., No. 94, dated Ootacamund, 10th August 1867.

Head Quarters, Simla, 24th August 1867.

The Commander-in-Chief has had under his consideration the great inconvenience that has hitherto been caused by the incompleteness or absence of documents ordered to accompany Invalids and Time-expired men, &c.

It has frequently been found necessary to detain the men ordered for embarkation, pending a reference to their regiments for necessary information; and in some instances to delay taking up tonnage until the documents had been completed.

Under the new transport rules no such practice can be pursued; the detachments for each vessel are all previously detailed, and no change can be made in the detail without the greatest inconvenience even if such were possible.

It is therefore indispensable that all documents should be in such a state as to render detention or reference unnecessary.

This result cannot be attained unless Commanding Officers of regiments and Staff Officers are careful that all orders on the subject of documents are carefully and punctually attended to.

In order to afford every facility to these Officers, the accompanying Schedule, showing the disposal of the papers in all cases of men, whether for discharge in England, or in India, or in the Colonies, together with a précis of instructions for preparing the principal Discharge documents, has been drawn up.

All claims of men for discharge must be investigated, and if possible settled, before the men leave their regiments. If settlement is impracticable, the fullest particulars of the case must be transmitted with them, and reference made to the proper quarter. No claims can be entertained at the depôts unless they have been previously preferred at Head Quarters of regiments, or have arisen after departure from the regiments.

Commanding Officers of Convalescent Depôts will place themselves in early communication with the Commanding Officers of regiments with a view to the due preparation of the documents of men for discharge, settlement of claims, &c.

The Commander-in-Chief desires to impress upon Commanding Officers the necessity of paying prompt and strict attention to the communications of the Commandants of Depôts at the ports of embarkation. The greatest inconvenience and delay must arise from any neglect in this respect.

The Commandants are empowered to address themselves direct to Commanding Officers, and His Excellency desires that all communications from these Officers, concerning the documents of parties for discharge, may be regarded in the light of instructions transmitted by his Staff Officers.

It is to be borne in mind that men claiming their discharge with passage to England or the Colonies cannot be sent from their regiments during the ensuing cold season, unless their period of service will expire on or before the 15th of March 1868.

Inconvenience has been felt at the embarkation Depôts owing to the irregular transmission of the authorised Canteen Donation for men entitled to it.

By order of His Excellency the Commander-in-Chief.

J. M. PRIMROSE, Colonel,

Adjutant General.

"I have it in command to acquaint you that His Royal Highness is of opinion, that the duties of Subaltern Officers of Horse and Field Artillery Brigades render it necessary to exempt them from ordinary garrison duties, but that, where the number of Subaltern Officers of Garrison Brigades and Batteries is sufficient to admit of their performing garrison duties without detriment to their Regimental duties, His Royal Highness sees no objection to their sharing with Officers of other branches of the service, the duties of the garrison in which they may be serving."

The above ruling is to be held to be applicable to the three Presidencies.

Commander-in-Chief.—No. 138.—Lieutenant-General McCleverty in assuming the command of the Madras Army again renews associations he enjoyed with it at different periods of his Military Service. He refers with pride to the devotion, gallantry and loyalty of that Army, conspicuous in these attributes through many arduous field services extending beyond the limits of the Presidency. From the earliest period of British rule in India, the history of the Coast Army is a record of splendid achievements performed by Officers and men of which all classes in the Madras Presidency may be gratefully proud.

The Lieutenant-General commanded the Centre Division when was inaugurated the amalgamation of the Military Services, which the progress of time and events rendered it advisable to introduce—Organic changes, affecting the personal interests of large bodies, may be attended with individual cases of hardship, but, the Lieutenant-General believes there are few of these as regards the Officer and none as regards the Soldier. The introduction of the new system has been beneficial to every Officer of the Indian Forces as regards promotion and increased pay to an extent un hoped for a few years ago : these previous to 1861 were dependent on uncertain contingencies ; now they are dependent on length of Service. In all Armies the public interest is the paramount consideration ; the traditions of the Coast or Madras Army evidence its devotion to that consideration. The bond of attachment between Officers and men maintained a high state of discipline and faithful adherence to their colors, especially manifested during the Mutiny, in the suppression of which this Army largely assisted.

The Lieutenant-General will endeavour as much as is consistent with the requirements of the public service to smooth the difficulties attendant on individual cases, and congratulates himself on his connection with the British and Indian Forces of the Madras Presidency, to the Command of which Her Most Gracious Majesty has been pleased to appoint him.

"Having laid before the Government of India your letter No. 2682, dated the 2nd ultimo, I am directed in reply to acquaint you, for the information of the Right Honorable the Governor in Council

that on a reconsideration of the question, the Right Honorable the Governor General in Council is unable to see any grounds for granting free conveyance, at the public expense to an Officer who may have no regiment or department to join, on his returning from furlough on medical certificate and whose services may be required at a distant station, any more than to a Regimental Officer so situated, whose regiment may happen to be at such a station.

"2. In either case the Officer may fairly be expected to proceed, where his duty may be, at his own expense."

"3. In cases, however, in which the Officer may be obliged to proceed to the station in question by Sea, the Governor General in Council has no objection to the grant of a passage under the provisions of paragraph 4, of Government General Order No. 317, dated 8th April 1864, the full charge of table money (namely, 8 Rupees a day) being recovered by the Pay Department."

No. 216.

Enlistment.—The following War Office Circular, dated 21st June 1867, is published for general information and guidance, and is to be read in connection with the Army Enlistment Act, 1867, promulgated in Government General Order No. 857* of the 3rd instant.

Commanding Officers will proceed under the Act from the date of their receiving copies thereof, and of the War Office Circular now published.

War Office Circular, dated 21st June 1867.

Orders will be issued hereafter as regards Enlistments or Re-engagements, under the Army Service Act of 1847, made between the 20th June 1867 and the date of receipt of the new Act.

"I am directed by the Secretary of State for War to transmit herewith a copy of the Army Enlistment Act, 1867, also the revised forms of attestation and declaration, re-engagement documents, and duplicate of attestation, and to acquaint you that, from and after this date, recruits for all arms of the Service are (for the first term of service) to be enlisted and attested for a period of not less than twelve years, and that any soldier who now has, or may hereafter have, completed at least two-thirds of the first term of his limited service, may at any time thereafter, with the approbation of his Commanding Officer or other competent military authority be re-engaged for such a period as shall complete a total of twenty-one years in Her Majesty's Service.

"The periods of enlistment prescribed by the 10th and 11th Victoria, cap. 37, and 12th and 13th Victoria, cap. 73, are therefore wholly repealed as to such persons and soldiers who enlist or re-engage after this date.

"Under the Act of 1847, a Commanding Officer at a Foreign Station could prolong the service of a soldier two years, but under the present Act for only twelve months.

"I have further to point out that recruits raised under this Act are not to be enlisted unless they are capable of bearing arms, as they will be allowed to reckon service towards the completion of their limited engagement from the date of attestation; instead of as heretofore from their attaining the age of 18 years.

"Boys of 14 years of age and upwards, who are enlisted and attested for twelve years under special authority, shall reckon the whole of their service towards discharge, but shall count only such portion of their service towards pension as they may render after they shall have attained the age of 17 years.

"And every person who enlists under this Act for the Cavalry or Infantry, shall be at liberty to declare and state the particular regiment in which he desires to serve; and he shall accordingly be attested, and remain in such regiment; but if at the time of enlistment or attestation the recruit shall not declare his desire, or elect to serve in any particular regiment or corps as above stated, then he shall

be attested for general service in the arm or branch of the service in which he enlisted; and it shall be lawful for the military authorities, within twelve months after such attestation, to attach him to such regiment as to them shall seem to be most fitting and convenient for Her Majesty's Service.

"The War Office Circular of 22nd June 1847, and the Horse Guards Circular Memorandum of the same date, are hereby cancelled.

"2. I do hereby declare that I will, if possible, rejoin my regiment, at or before the expiration of the leave that may now be granted me; and that I will not apply for an extension of it, except under circumstances of extreme urgency. 2. Cholera Encampments after being ploughed up are not, except when unavoidable, to be re-occupied within twelve months.

3. The ground, especially Latrine trenches and such like, within the limits of an Encampment, is not to be disturbed during occupation, but all refuse, &c., is to be buried at a distance of at least five hundred yards.

5. Whenever it is necessary to inter a Corpse in any Encamping ground, immediate notice should be given by the Commanding Officer to the Chief Civil authority of the District, and to those on the spot; and Government will be requested to provide for such grounds being at once neatly enclosed by a good edge, or other fence, as may be most convenient with reference to the locality—with a wicket for entrance; and also for the ground and its enclosure being thenceforward properly cared for.
