Military Male Orphan Asylum Press.

THE Superintendent is desirous of bringing the claims of the Military Male Orphan Asylum Press before Gentlemen of H. M.'s Services and the Public in general.

The Press was established so far back as 1799, for the express purpose of affording help to the Madras Military Male Orphan Asylum. Receiving for a long series of years extensive patronage both from the Government and the Public, it was enabled abundantly to answer this purpose and materially to increase the resources of the Asylum.

For some years past, however, several causes have tended to diminish the patronage which this Press so long enjoyed. The Government have withdrawn their custom, having established a Press of their own. Madras Society has changed, friends and supporters have left the country, and others ignorant of the charitable object of the Press have replaced them. Indeed there is reason to believe that an erroneous impression exists that the Press is either entirely a Government Institution or largely aided by it. To remove this impression and to attract custom, is the object of this Appeal.

The Superintendent begs to inform the Public that the Press is well supplied with the necessary materials for executing Card-printing, Book-binding in all its branches, and all descriptions of Book and Miscellaneous Printing. He pledges himself to give untiring efforts to render satisfaction to all who employ the Press. He confidently solicits, especially from the Civil and Military Services, such support and patronage as will enable the Press to give extended assistance to the Fatherless and Orphan Children of the British Soldiers of this Presidency.

All orders will be thankfully received and carefully executed by

WM. THOMAS,

LIST OF HER MAJESTY'S COVENANTED CIVIL SERVANTS ON THE MADRAS ESTABLISHMENT,

Corrected up to the 30th September 1867.

The Rank of Civil Servants commences from the date of arrival at Madras of the first Civil Servant appointed in Europe, of the same season of which they are Civil Servants; and, being thus determined, all Civil Servants belong, during the first four years, to Class VI;—from the fifth to the end of the eighth year, to Class V;—from the ninth to the end of the twelfth year, to Class IV;—from the thirteenth to the end of the twentieth year, to Class III;—from the twenty-first to the end of the thirty-fifth year, to Class II;—and from and after the thirty-fifth year, to Class I.

The letters **A, B, C, D,** *prefixed to the names denote respectively that the parties have not passed either of the two Standards of Qualification; that the first or lower Standard has been passed; that the Servant is entitled to Furlough, and that he cannot take Special leave.*

M *prefixed to a name denotes that the Servant though not having passed by the 2nd Standard, nor holding an appointment superior to that of Assistant is invested permanently with the full powers of a Magistrate.*

AFFECTING

Retiring Regulations.

1. The rules under which the period of service required to entitle Officers to the retiring Regulations is calculated, are as follow:—

2. Officers appointed *direct*, count service from the date of arrival within the limits of the Madras Presidency, unless specially authorized by the Court of Directors to embark in a Ship bound for another Presidency.

3. Officers appointed from Addiscombe subsequently to the 22nd November 1837 to the Cavalry Artillery, or Infantry, count service as above, with the addition of the period passed at Addsicombe after attaining the age of sixteen.

4. Officers of Engineers count service from the date of arrival of the first Artillery or Infantry Cadet of the same examination, with the addition of the Addiscombe period as above. In the event of there being no such Artillery or Infantry Cadet they count service from the expiration of 4½ months from date of examination.

G. O. G. 11th June 1850, No. 120.

G. O. G. 10th June 1852, No. 33.

5. Officers appointed in India, count service from the date on which they take the oath of allegiance.

6. Medical Officers and Veterinary Surgeons count service from the date of arrival within the limits of the Madras Presidency.

7. Absence on sick certificate within the limits of India for periods not exceeding two years, successively, as also leave on private affairs beyond the limits of this Presidency, if for periods not exceeding three successive months, are counted in the time of service requisite to entitle to retiring Pay. Officers however serving in other than their own Presidency, may count as service towards pension leave taken within the limits of the former equally as taken within the latter.—Vide G. O. G., 10th December 1861. No. 437.

8. But all Officers quitting India on leave of absence on account of sickness or of private affairs, who shall proceed to Europe without having returned to India, shall be considered as on furlough to Europe from the dates on which they shall have respectively left India.

9. Every Officer who has completed twenty-two years' service in India is allowed to retire with the pay of the rank to which he has attained, except Lieutenant Colonels of Artillery and Engineers, who being in the receipt of Major's pay are restricted to pension of latter rank.—G. O. G., 11th October 1852, No. 95.

This indulgence, however, can be granted only in England.—G. O. G., 19th April 1859, No. 153.

12. Officers who may be compelled to quit India on sick certificate and who may not be entitled to retire on full pay are to try the effects of a temperate climate for the usual term of furlough before they can be allowed to establish their claim to retire from the service upon half pay. If Officers so circumstanced, proceed to New South Wales, or some other Colony, and apply thence, at a proper time, for permission to retire, satisfactory evidence from the Medical Staff Officer, or other undoubted Medical testimony on the spot, to prove that the applicant is incapable from ill health to the performance of Military duty in India is necessary.

18. Veterinary Surgeons who have actually served seventeen years in India, or twenty years including a furlough of three years, may retire on 7*s.* per diem,—twenty-five years including a furlough of three years on 8*s.* per diem, thirty years including a furlough 12*s.* per diem. 21. Officers retiring in England from the service shall be considered to have retired from the date of their application for leave to retire, or from the expiration of two years and a half from the date of the commencement of their furlough, whichever shall first happen, from which dates respectively promotion caused thereby will be made.—G. O. G., 6th July 1859, No. 298.

Promotions in succession to casualties, by death in England, shall have effect from the date following that of decease, or from the expiration of three years' absence from India, whichever shall happen first.—G. O. G., 9th February 1864, No. 53.

It is to be distinctly understood that no additional expense is to be occasioned by this arrangement.

22. Applications from Officers to retire from the service in India, are to be addressed to the Right Honorable the Governor in Council under the signature of the parties, and to specify the date, *which must be a prospective one*, from which the applicant wishes his retirement to have effect; and from the date so specified they, in the event of the decision of Government on their case not having been previously received, will, pending such decision, be exempted from the performance of all Military duty. Each application to be transmitted through the ordered channel of correspondence accompanied by a certificate of service from the Adjutant General, and certificate of no demands from the Military Accountant.

G. O. C. C., 15th July 1859, No. 42.

23. The pay accounts of Officers serving in the Tenasserim Provinces, Straits Settlements, &c. applying for permission to retire are to be kept separate; and Officers so situated are not to sign the Abstract of their Troop or Company, but will not on that account be deprived of Command allowance.

24. In the cases contemplated in the preceding para., Officers Commanding Stations will send all Abstracts of previous charges to Madras for audit at the same time the individual's application to retire is forwarded.

25. The rates of full pension and half pay allowed to all Officers, whether of Cavalry, Artillery, Engineers, or Infantry, are as under:—

Applications for Leave.

The attention of Officers Commanding Regiments is called to G. O. C. C. No. 21, dated 13th May 1857, requiring a note to the following effect to be entered at the foot of all applications for final or preparatory leave to Europe for Officers under their command:—

"The above Officer is considered qualified to take Command of drafts of European Recruits,

or

"—— to do duty with European Recruits,"

or

"—— is not qualified to command or do duty with European Recruits."

G. O. C. C. No. 102, 12th Oct. 1859.

2. On all occasions of Officers absent from their Regiments *on ordinary leave of absence in India, or on Staff employ* obtaining final or preparatory leave in General Orders to proceed to Europe, an immediate report of their qualifications to command or do duty with European Recruits on return to India, is to be made in one or other of the above terms by the *Officer Commanding their Regiment*, to the Adjutant General of the Army.

On all occasions of Officers being passed by the Presidency Board of Medical Officers for leave to Europe on sick certificate, a N. B. is to be entered at the foot of the proceedings, stating whether the Officer's state of health will admit of his being detailed for duty with Troops proceeding to England. And Officers who obtain leave on medical certificate are warned not to engage a passage to England privately until they ascertain that their services will not be required on public duty.

G. O. C. C. 4th May 1860, No. 59.

It having been brought to the notice of Government, that instances have recently occurred in which Military and Medical Officers in Civil employ have obtained leave to Europe through the Civil Department, the Governor in Council desires to call the attention of all Officers, to para. 10, Section XVIII of the General Regulations, and to G. O. G. dated 18th August 1854, No. 191, requiring all applications for leave to Europe to be submitted through His Excellency the Commander-in-Chief.

G. O. G. 4th Sept. 1860, No. 404.

The Right Honorable the Governor in Council is pleased, in supercession of existing rules regarding the production of certificates of "No Demand" by Military Officers when about to proceed on leave beyond Sea, to promulgate the following rules for general observance:—

Military Officers in Civil employ, from the Accountants of the Government under which they are employed.
Officers of the Public Works Department, from the Chief Engineer, Department Public Works.
Officers of the Stud and Commissariat Department, from the Auditor of Commissariat Accounts.
Officers of the Ordnance Department, from the Inspector General of Ordnance and Magazines.
Regimental and other Military Officers, from the Divisional Paymasters, countersigned in all practicable cases by the Military Accountant.

1. Every Military Officer whether Staff, Regimental, or in Civil employ, on applying for leave beyond Sea, whether to Europe or elsewhere, (leave under G. O. C. C. 2d July 1856, No. 34, excepted) will be required to submit with his application for leave, a report from one of the Officers noted in the margin, according to his Department, stating whether, with reference to the information before him, there is reason to require security as a special case on account of any doubtful items outstanding against the applicant, or because of any thing suspicious or extraordinary in the state of the applicant's accounts.

G. O. G. No. 501 of 21st Dec. 1858.

2. The reporting Officer must not delay his report in ordinary cases, by references to local Officers, as with a proper system of despatch and proper vigilance on his part, he ought, in all ordinary cases, to have the means of judging in his own office.

3. All Officers are reminded of the necessity of using every means in their power for the settlement of their accounts, in order to obviate inconvenience to themselves from any delay in the issue of the reports by the several Departments concerned.

Fort William, 17th July 1860.

No. 755 of 1860.—The following rules will have effect in modification of the existing Regulations on the subject:—

Officers proceeding on leave, on medical certificate, shall not be required to furnish No Demand Certificates or Security.

When an Officer in charge of cash or stores applies for leave on medical certificate, he shall be required to furnish a certificate from the Officer taking charge of his duties, that as far as can be ascertained, after careful examination, nothing irregular nor any known demands against him remain unadjusted in his office.

G. O. G. No. 345, 5th July 1860.

Officers applying for leave beyond Sea, on private affairs, shall be required, as at present, to furnish No Demand Certificates.

Officers, on leave, on medical certificate, intending to retire from the service, are to give the earliest intimation thereof to the Military Accountant through the Paymaster, so that the requisite No Demand Certificate may be prepared, as no retirement is permitted without such certificate is furnished.

In re-publishing the following General Order by the Right Honorable the Commander-in-Chief in India, dated Head Quarters, Simla, 14th June 1859, the Commander-in-Chief calls the attention of Officers thereto.

G. C. C. G. No. 44, 17th Jan. 1856.

With reference to paras. 26 and 31 of the New Furlough Regulations, the Commander-in-Chief, with the sanction of Government, directs the following rules with respect to the grant by Officers Commanding Regiments, Stations and Divisions or Forces of leave of absence *on private affairs* to all Officers under His Excellency's orders serving under their respective Commands, to be substituted for paras. 3, 4, 5, 6, 6½ and 7, Section XVIII of the General Regulations, para. 42 of which Section is cancelled. Books to be corrected accordingly.

Para. 3.—The periods for which leave may be granted are limited as follows; including day of departure and day of return, both which dates are in each case to be noted in muster rolls and abstracts.

By Officers Commanding Regiments subject to the control of Officers Commanding Stations.

For periods not exceeding three days in the calendar month (between Musters) *within the Division or District* and limited to an aggregate of ten days in six months, between the 1st January and 1st July and *vice versâ*.

By Officers Commanding Stations subject to the control of Officers Commanding Divisions or Forces.

For periods not exceeding ten days in the calendar month (between Musters) *within the Division or District* and limited to an aggregate of twenty days in six months, between the 1st January and 1st July and *vice versâ exclusive* of leave granted by Officers Commanding Regiments.

N. B.—Leave granted under the foregoing clauses to Officers serving in the Centre Division sanctions their visiting the Presidency.

G. O. G. No. 183 of 13th June 1856.

The Right Honorable the Governor in Council is pleased to direct the publication of the following Bengal rule, and to sanction its extension to the Officers of this Presidency.

"Should an Officer who is on privilege leave not rejoin "his Corps, but be absent in continuation, on not more "than five months' leave on private affairs, or one year "and eleven months' leave on medical certificate, he will "retain his full salary or allowances for the thirty days of "privilege leave, which will also count as service, but he "will, nevertheless, forfeit all Military allowances on "completing six months or two years absence, (as the case "may be) reckoned from the date that he quitted his Corps "and station."

By Officers Commanding Divisions or Forces.

To the aggregate extent of thirty days in six months between the 1st January and 1st July and *vice versâ* (irrespective of Musters) to go wherever the Officer wishes, the Presidency included, and *exclusive* of leave granted by Officers Commanding Regiments and Stations.

Para. 4. The leaves of absence authorized by the foregoing paras. may *one and all* be enjoyed by an Officer during the one and same period of six months above specified, without any loss of allowances; provided that in every case the Officer rejoins at the expiration of the particular leave obtained that is to say that an Officer cannot be absent at one time for more than three days on Regimental, ten days on Station, or thirty days on Division leave. But it is to be clearly understood that no consolidated salary, command, staff or contract allowance, shall in any instance, be drawn for two Officers for the same period, and that the State be not put to any additional expense thereby; and in the case of Staff and Medical Officers and Veterinary Surgeons, that they make approved arrangements for the performance of their duties during their absence.

Para. 5. The fact of an Officer having very recently returned to his post from general leave does not debar him from the privilege of obtaining leave under paras. 3 and 4.

Para. 6. An Officer unavoidably overstaying the leave granted him under paras. 3 and 4 will not be liable to forfeiture of Command or Staff allowances, except for the actual period in excess of the leave granted him by either of the above authorities. But it is always competent for the superior Station or Divisional authority to grant extension of such leave, on sufficient cause being shown to avoid even this forfeiture. For instance an Officer unavoidably overstaying Regimental leave may have it converted into Station or Division leave, and in like manner Station leave can be changed into Division leave provided always the prescribed aggregate extent of leave which the different authorities are respectively permitted to grant is in no case exceeded. When an Officer, under the above circumstances, exceeds the sixty days allowed in each half year it will rest with the Commander-in-Chief to grant him an extension of leave to prevent forfeiture of pay and allowances for the period he may have overstayed his original leave.

Para. 6½. Should an Officer on leave under paras. 3 and 4 be put on duty by the Commander-in-Chief at a station at a distance from his own, on a date which, with reference to such distance, would admit of his rejoining, by any mode of travelling within the period of his leave, he will be entitled to compensation for loss of allowances for the period of his detention beyond the expiration of his leave, but if put on duty at a time and place from which he could not with reference to distance rejoin within the period of his leave by any mode of travelling, he will not be entitled to compensation for any period of absence from his Regiment.

Para. 7. Officers not in Civil employ are allowed, when the demands of the service will permit temporary leave, without pecuniary loss or loss of service for sixty days consecutively in each year or thirty days consecutively in each half year as may be preferred.—G. O. G., No. 101 of 9th April 1857.

Para. 8. The above rules are applicable to Divisions and Forces, both within and beyond the Frontier.

The existing rule, under which an Officer cannot be absent on privilege leave on the 1st January is abolished, and all that will be required is, that no Officer be allowed privilege leave for more than sixty days at one time or more than sixty days altogether between the 1st January and 31st December of each year.—Vide G. O. G., No. 170, 5th May 1865.

N. B.—In calculating the above leaves of absence the day of departure from Regiment or Appointment and one of leave and day of return thereto one of duty.

G. O. G. No. 91 of 26th January 1860.—The following Notifications, from the Foreign Department, are published in General Orders:—

* * *

No. 250, *Fort William, the* 23*rd January* 1860.—*Notification.*—The following Resolution passed by the Hon'ble the President in Council, in the Financial Department, under date the 6th instant, is published for general information:—

G. O. G. 6th Feb. 1860, No. 67.

Resolution.—The Officiating Civil Auditor, Fort William, enquires, with advertence to the case of Major Bouverie, Political Agent at Bhurtpore, whether, in the case of a Military Officer entering upon Civil employ, his score for privilege leave under the Civil rules must commence from the date of joining his Civil appointment, or whether it must be calculated by the usual reckoning of 11, 22, or 33 months of uninterrupted service, irrespective of the Department (Civil or Military) in which such service may have been rendered.

2. Referring to this question, the President in Council observes that, when it was laid down that two or three months' accumulated privilege leave could be granted, under the Civil rules, to Military Officers in Civil employ, it was intended that such leave should be earned by continuous service of the required number of months in the *Civil* Department alone.

G. O. G. th April 1860, No. 170.

The following Extract of a letter from the Officiating Secretary to the Government of India, Military Department, to the Secretary to Government, Military Department, Fort St. George, dated 3rd April 1860, No. 62, is published:—

"With reference to your letter No. 616, dated the 10th February last, I am directed to state for the information of the Honorable the Governor in Council, that His Excellency the Governor General is of opinion that the Military Secretariat to Government is certainly a Civil Department and that the Military Secretaryship to the Governor or to the Governor General, is as certainly a Military appointment. Accordingly the Civil rules for privilege leave are alone applicable to the former, and the Military rules exclusively to the latter."

G. O. G. 7th July 1860, No. 344.

The Governor in Council is pleased to authorize the Principal Inspector General Medical Department, to grant privilege leave to Medical Officers in Civil employ at the Presidency, the same being notified in every case in the Official Gazette. Leave to Medical Officers in Military employ will, however, continue to be granted as heretofore.

G. O. G. d. Feb. 1860, No. 53.

The Governor in Council directs that the following rule, contained in G. O. by His Excellency the Commander-in-Chief in India, dated Simla, 12th July 1859, be extended to this Presidency.

Leave of absence, preparatory to furlough, whether on private affairs or on sick certificate, must always be *general*, and not *privilege* leave.

G. O. G. h March 1861, No. 89.

With reference to G. O. G., No. 53, dated 3d February 1860, the Governor in Council directs that, in future, in accordance with the practice in Bengal, leave of absence preparatory to retiring from the service shall always be *general*, and not *privilege* leave.

G. O. G. 4th Dec. 1861, No. 436.

The following Extracts from a Military letter from the Government of India, No. 930, dated 23rd November 1861, are published for general information:—

"Though an Officer taking privilege leave may proceed wherever he may desire, he cannot proceed to such a distance as must preclude the possibility of his rejoining within the period of such leave. Thus as privilege leave, under Military rules, is limited to sixty days, and it is impossible, under existing arrangements for transit, to visit Europe and return thence within that period, an Officer cannot go to England on privilege leave on Military rules."

"Government alone can grant an Officer leave to visit Europe."

By order of His Excellency the Commander-in-Chief.

W. G. WOODS, Lieut. Col., *Adjutant General of the Army.*

G. O. G., th June 1866, No. 229.

Under instructions from the Government of India, the Right Honorable the Governor in Council directs the discontinuance from this date of the practice in this Presidency of granting privilege and general leave conjointly; and that in assimilation with the practice in the Bengal and Bombay Presidencies, no extension of leave, whether on private affairs or medical certificate, be granted to an Officer already on privilege leave except when unexpected circumstances render such extension either *very desirable or necessary.* In such cases the absentee will not forfeit any of the advantages of his privilege leave.

New Furlough Regulations.

1. All Officers, Staff as well as *Regimental*, also Military Officers in Civil employ, must declare their choice of rules on the first occasion of taking leave, whether the leave be in India or elsewhere, and if the leave applied for be in India under the local rules. Staff Officers may make choice of the old Regulations, still retaining their Staff appointments, but, after having elected the Old Regulations, they vacate their appointments on embarking for Europe or the Cape or elsewhere beyond Sea, except for short periods not exceeding three months under rule 39. Note.—Applications for leave to have a N. B. to the following effect.

N. B.—"This being the first occasion of applying for leave since the publication of G. O. C. C. 9th "December 1854, No. 98, Captain A. B. makes choice of the Old Furlough Regulations," or (of the regulations of 1854,) as the case may be.

Or

N. B.—"Captain A. B., has on a prior occasion made election of the Old Furlough Regulations," or the regulations of 1854 as the case may be.

2. An Officer having made election of the Old Furlough Regulations while doing Regimental duty, cannot change to the Regulations of 1854 on subsequently obtaining a Staff appointment, G. O. C. C. 18th November 1856, No. 92.

3. To those Officers who adopt them, the New Regulations will apply retrospectively in respect of furlough and leave of absence beyond Sea, and in computing their time of service for retirement, so that their furloughs or leaves of absence, whether under the old or the new rules, and whether on private affairs or sick certificate within or beyond India, will count for service to the authorized extent only, in computing the time for retirement on full pay.

4. Officers who have availed themselves of the option of the old rules, are allowed to re-consider the question under the modifications now sanctioned.

5. Officers who have not taken leave subsequent to the publication of the new rules on the 1st February 1854, and who consequently may not have been called upon to declare whether they would abide by the old or the new Regulations, will, on retirement from the service, be entitled to take full advantage of the privileges given by the new Regulations.

Furloughs on Private Affairs.

6. Every Officer will be allowed a furlough to Europe, or elsewhere, beyond Sea, for a period of two years, at the expiration of ten years' service, and for a second period of two years after twenty years' service in India. (Period passed at Addiscombe College not to count.) An Officer proceeding on leave to England for six months, retaining his appointment or otherwise, is not to be considered as having taken his authorized furlough after ten or twenty years, as the case may be, but may, with permission of Government be allowed at any time to take the remainder of the two years authorized furlough on private affairs.—G. O. G. 1st April 1856, No. 102.

7. The second furlough of two years will only be granted after ten years' service in India, from the date of the return to duty after the first furlough of two years. These furloughs are not to be cumulative, under any circumstances, but are limited to two years. Officers who have taken leave of absence on sick certificate to Europe or elsewhere beyond Sea, will be ineligible to a furlough on private affairs until they have served six years from their last return to duty. This rule does not apply to short leave to sea. Officers who take their first furlough after twenty years' service in India, may take their second furlough after an additional service of five years from the date of their last return to duty.—G. O. G. 1st July 1856, No. 211.

An Officer of upwards of 20 years' service, but who before completing that period has enjoyed a furlough on private affairs to Europe, for say four years, for three of which he drew pay, has a claim to a second furlough of one year with pay, on the completion of ten years from the date of his return to duty, but, if subsequently to his return from furlough, he has taken leave out of India on S. C. his second furlough on private affairs will not be claimable till the expiration of six years from return to duty from such sick leave as well as ten years from the date of return to duty from furlough on private affairs.

With reference to paras. 6, 7 & 8. *M. C. No.* 1411, *10th May* 1855.

N. B.—This rule is not applicable to an Officer who takes his first furlough out of India after completing twenty years' service.

Officers who have proceeded on sick leave to Europe after a period of twenty years' service, it being the first time of their quitting India, can, as in the case of Officers who take their furlough after the same period, take a furlough on private affairs after five years from the date of their return to duty.—G. O. C. C., 18th November 1856, No. 92.

Fort William, the 29th January 1866.

No. 102 of 1866.—The following Military letter from the Right Hon'ble the Secretary of State for India, No. 362, dated 8th December 1865, is published for general information:—

MILITARY. INDIA OFFICE,
No. 362. *London, 8th December* 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—In your Military letter dated 20th September last, No. 403, you refer for my decision a question what has arisen whether leave taken on private affairs without pay out of India, counts as part of the 6 years required before an Officer can obtain furlough after return to duty.

2. From the case which gives rise to the enquiry, I presume the question relates only to Clause 7 of the Furlough Rules, published in Orders by your Government on 17th November 1854, part of which is as follows:—

"Officers who have taken leave of absence on sick certificate to Europe or elsewhere beyond sea, will be ineligible to a furlough on private affairs until they shall have served six years from their last return to duty. This rule does not apply to short leaves sea."

G. O. G. 20th Feb. 1866. No. 65.

3. Clause 6 of the same rules states that every Officer will be allowed a furlough to Europe or elsewhere beyond sea for a period of two years at the expiration of ten years' service, and or a second period of two years' after twenty years' service in India.

4. ...w decided by the Court of Directors in the year 1856, that an Officer who had proceeded on leave to England for six months was not to be considered as having taken his authorized furlough after ten or twenty years, as the case might be; but that he might, with the permission of Government, take at any time the remainder of the two years' authorized furlough on private affairs.

5. The Court of Directors also ruled that absence for six months under Clause 9 did not preclude an Officer from taking his furlough to Europe after ten years' service.

6. It appears to me that the principle of these decisions may be applied to the present question; and absence to Europe on private affairs for six months, and all extensions of such leave granted in that country under special circumstances and without pay, may be permitted to reckon as part of the six years required to be served after return from leave on medical certificate to entitle an Officer to his furlough on private affairs.

...ants of furlough on private affairs are subject to the exigencies of the Public Service, and to ...as framed for the preservation of the efficiency of each Regiment by limiting the number of

...rs holding Staff or other detached appointments may be allowed furlough for a period of six ...t losing their appointments; but during that period, they will not be entitled to any portion ...salary, which will be drawn in full by the Officers officiating for them. Absence for six this rule does not preclude an Officer from taking his furlough to Europe after ten years' ser-... 1st July 1856, No. 211.

9. Officers who have come to this country on duty with discharged Troops, and have been granted extensions, (not exceeding six months) of their privilege leave on medical certificate, or on private affairs, shall not be considered to have vitiated their claim to Furlough at the end of ten years' service, though they may not have been six years in India since their return from this country.

Para. 4. I have to inform you that it has been decided that those Officers who have been allowed to count their leave on sick certificate, as service for pension, will be ineligible to a furlough on private affairs, until they have served six years in India from the date of their return to duty. Vide Rule 7.

N. B.—A number of Recruits having been enlisted for the Royal Artillery, for service in India, it has been deemed expedient that a certain proportion of Officers of the Bengal, Madras, and Bombay Artillery should be appointed to do duty with them at the Royal Artillery Depôt at Woolwich, until the next season of embarkation, and that some of these Officers should then proceed with the drafts to India.

These Officers will be entitled to count the time passed at Woolwich as service in India, and if they proceed with Recruits, the period occupied by the voyage. The Officers returning with Recruits will be allowed to count the period passed by them on duty at Woolwich, and on the voyage, as past of the qualifying period necessary for them to serve in India before they are again entitled to a furlough to Europe.

No. 565 of 1861.—His Excellency the Governor General in Council is pleased to resolve that absence from India, on authorized leave within the periods allowed by the new furlough Regulations, shall not debar an Officer whose efficiency has been proved and certified to the full satisfaction of the Governor in Council from Departmental promotion, temporary or permanent.

In such cases the absent Officer will not, till he resumes charge of his duties, have any claim to the salary of the higher office, which will be drawn by the acting Officer.

Your Military letter dated 20th February, No. 73, transmits, with your favorable recommendation, correspondence relative to an application from Lieutenant Colonel J. McK. Taylor, Commanding 2nd Regiment, Bombay Light Cavalry, praying, that the furlough Regulations may be so far modified as to allow Officers who have taken only one furlough during twenty-seven years' service to take a second furlough, after the expiration of that time, without being compelled to serve ten years from date of return to duty.

2. Under a decision of the Court of Directors, under date the 25th April 1856, No. 56, Officers who take their first furlough after twenty years' service in India, may take a second furlough after a service of five years, from date of last return to duty, or, on completion of twenty-seven years' service in India.

3. In the present case, it appears that Lieutenant Colonel Taylor took his first furlough after a service of eighteen and a half years. Under present rules he cannot obtain a second furlough until the expiration of ten years, from date of return to duty, by which time he will have completed a service of upwards of thirty years.

4. I have no objection to the modification of the Furlough Regulations suggested by your Government in favor of Lieutenant Colonel Taylor and other Officers similarly circumstanced, on the understanding, however, that this is not to affect the Rule under which an Officer who takes his first furlough after twenty years' service, or upwards, must serve a period of five years, from date of last return to duty, before he is to be held entitled to a second furlough.

2. The privilege of retaining appointments during periods of absence not exceeding twenty months, as announced in my Despatch, dated 18th January last, applies only to Officers returning to this country on medical certificate. It was intended as an extension of the privilege of fifteen months' leave allowed by the new furlough Regulations to Staff Officers quitting India on account of the state of their health. With this exception Officers of the Staff Corps, it was stated, would be under the new furlough Regulations. By these Regulations, furlough on private affairs with retention of Staff appointments is restricted to six months.

3. The furlough on private affairs of the Officers of the Staff Corps, with the right of retaining appointments, is to be limited to the same period.

An Officer must have served ten years in India to entitle him to return to this country on private affairs for six months, retaining his appointment and drawing furlough pay.

An Officer who has taken the furlough to Europe for two years, after ten years' service, must show a service in India from date of return of ten years, to entitle him to return to Europe on private affairs for six months, retaining his appointment and drawing furlough pay.

An Officer having taken shorter leaves of absence as a Staff Officer (six months on private affairs fifteen or twenty months on sick certificate) with retention of appointment may take a second leave of absence, retaining his appointment on sick certificate after he has been three years, or on private affairs, after he has been six years in his discharge of the duties of his appointment, from the date of last return to it.

G. O. G. 14th April 1863, No. 127.

This decision should not be allowed to interfere with the practice which has been followed under the Regulations of 1854, and those in force previously, for permitting Officers in certain cases of emergency to return to this country on private affairs for short periods without pay, and that a Staff Corps Officer permitted to return to Europe under such circumstances should be allowed to hold his appointment for a period not exceeding six months. In fact, this has already been authorized in Question and Answer No. 121, which states that the Government may grant leave of absence for six months on urgent private affairs without pay and allowance to a Staff Corps Officer, with retention of appointment, on being satisfied of the urgency of the case.

I am of opinion also that Staff Officers not members of the Staff Corps should be allowed a similar indulgence under like circumstances.

G. O. G. 28th Aug. 1863, No. 304.

Regarding the mode of reckoning the service of an Officer of the Staff Corps formerly under the old furlough Regulations, as regards future furloughs such Officers will be under the operations of Clause 7 of the furlough rules of 1854.

10. All Officers, whether Staff or Regimental, while on furlough on private affairs, will be entitled to "furlough pay" only.

Leave of absence on Sick Certificate.

11. Leave of absence on sick certificate will be granted for a term not exceeding twenty months, whether it be to any place in Europe or elsewhere out of India.

12. Extensions of such leave may be granted, as at present, on production of medical certificates for further periods not exceeding sixteen months in the whole.

With reference to para. 13. *Calcutta Gazette, 4th April* 1856. *Notification in Foreign Department.*

No. 1284.—The grant of leave of absence to Staff Officers, on medical certificate, with half Staff allowances, for six months, and with the privilege of returning to their offices, if their absence from India be not prolonged beyond fifteen months, is bestowed by the Honorable Court, in order to enable such Officers to regain their health, and in the expectation, that they will be thereby qualified to render additional service to the Government. But if leave of absence be taken merely to run out a prescribed period of service, and without any intention of returning to duty, the principle on which the rule is founded is infringed, and the indulgence of the Honorable Court is abused; wherefore the Right Honorable the Governor General in Council hereby notifies for general information, that, if there be an avowed intention on the part of an Officer not to return to duty, or if the Government have valid grounds for concluding that the Officer has no intention to return to duty, the indulgence of leave on sick certificate, retaining office, will not be granted in future.

G. O. G. 15th April 1856, No. 119.

The foregoing was declared in a Notification, No. 2,129, *dated* 16*th April* 1856, *republished in G. O. G. 2d May* 1856, *No.* 139, *to be applicable to all Military Officers holding Political or Civil appointments, either under the Government of India or under any of the Subordinate Governments.*

With reference to paras. 13 and 16, *M. C. No.* 2,702, 20*th October* 1856.

6. If an Officer, having proceeded on leave in India on medical certificate and enjoyed the indulgence to the full extent, proceeds on leave on medical certificate out of India without having returned to duty, the existing Regulation which precludes receipt of Indian allowances for a longer period than two years of continuous absence from duty, is a bar to his drawing Indian allowances for the first six months or for any part of his fresh leave.

G. O. C. C. 18th Nov. 1856, No. 92.

3. The new furlough Regulations made no alteration in the old rules governing the resumption of Staff allowances on return to duty. Under those rules an Officer who had ceased, prior to his return, to be entitled to Staff allowances, could not draw any portion of them from an earlier date than that of his resumption of his Staff duties. We think it undesirable to make any change in this respect.

G. O. G. 16th Sept. 1859, No. 380.

13. An Officer holding a Staff or other detached appointment will be allowed to be absent on sick certificate in England or elsewhere, beyond Sea for a period of twenty months, without losing his appointment; and, during the first six months only of such absence, he will be entitled to draw half the Staff salary of his appointment, the Officer officiating for him drawing the remaining half salary during the first six, months, and the whole salary during the remainder of the time.

14. An Officer's claim to half Staff salary for six months, as sanctioned in the preceding rule, will not be affected by his subsequently retiring from the service in Europe or elsewhere.

15. No portion of Command allowance, Medical Staff salary or other similar allowance, which under the old rules was inadmissible to Officers absent from their Corps or Stations at the Cape or elsewhere, will be allowed to absent Officers under these Regulations.

16. * All Officers, whether Staff or Regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian Pay and Allowances as was allowed under the old Regulations to Officers proceeding to the Cape on medical certificate, and for the remaining period of their leave they will receive furlough pay only.

* Vide margin of Rule 9.

17. If the leave on sick certificate be extended, furlough pay will be continued, but under no circumstances for a longer period than three years altogether from the commencement of the absence.

Staff Officers.

18. The term Staff Officer applies to all Officers holding Staff or Detached appointments, Military, (General or Regimental,) Political or Civil, also to General Officers Commanding Divisions, Inspectors or Deputy Inspectors General of Hospitals and others who, under the old rules, were entitled to draw half Staff allowance when absent at the Cape.

19. Staff Officers, absent on leave beyond the periods stated in Rules 9 and 13 respectively, cannot retain their appointments and allowances except on special grounds, to be sanctioned by the Government of the Presidency. Any such special grant of leave is to be reported at once to the Secretary of State for India with the reasons for it, and to be subject to his approbation.

With reference to para. 19.

1. The new furlough Regulations are held, not to affect the rules heretofore in force with respect to leave in India, and consequently a Staff Officer obtaining leave of absence in India on private affairs for six months, or on medical certificate for two years, retains during such absence a moiety of his Staff salary as sanctioned by the Regulations for the grant of leave in India which are still in force.

2. A Staff, as well as a Regimental Officer is required, when first applying for leave, whether in or out of India, to declare by which of the furlough Regulations he wishes to abide. A Staff Officer having made his election can take his leave in India as above stated, and should he afterwards require to proceed to England, the retention or otherwise of his appointment will depend upon which of the rules he first elected, and from which he cannot afterwards change.

G. O. C. C. 3d October 1856, No. 73.

3. In the event of a Staff Officer electing the new furlough Regulations and taking leave in India, the whole of the leave he has previously enjoyed from the date of his entering the service, excepting the periods allowed by those rules to reckon as service, must be reckoned against his period of service for retirement.

Having considered in Council your Despatch, No. 25, dated 11th February 1859, soliciting instructions as to what may be admitted as special grounds for permitting a Staff Officer, absent on medical certificate, to retain his appointment for any period beyond twenty (20) months, I have to express the desire of Her Majesty's Government that this indulgence should be very rarely granted, and only in cases where it is important on public grounds to retain an Officer's services in a particular appointment, or where the distinguished services of an Officer may entitle him to special consideration.

G. O. G. 31st May 1859.

The concession of leave to Europe in the case of a General Officer is to be considered the exception and not the rule; and, as ground for obtaining such leave, it must be shown that the Officer has contracted illness from the effects of climate, or of wounds received on service in India, or that the nature of the private affairs taking him from India is of a very urgent nature.

G. O. G. 5th Nov. 1861, No. 391.

Leave on medical certificate will be restricted to six months, and on private affairs to four months, the penalty of exceeding such period being the vacation of the Command, and in no case will a General Officer be allowed more than one grant of leave out of India during his tour on the Staff.

G. O. G. G. No. 972, 22d Oct. 1861.

The position of Brigadiers being considered analogous to that of General Officers on the Staff, the principle upon which the indulgence of leave is to be granted will hereafter be the same in both cases.

No. 89 of 1863.—The following paragraph of a Military letter from the Right Hon'ble the Secretary of State for India, No. 459, dated 16th December last, is published for general information:—

G. O. G. 17th Feb. 1863, No. 58.

Para. 12.—In future when Officers holding Staff appointments are granted leave of absence on sick certificate for any term short of twenty months, I shall extend their leave to that period, on their producing the required certificate, with the retention of their appointments, without requiring them to apply to your Government on the subject.

20. The privilege of retaining Staff appointments during leave of absence on sick certificate, or on furlough on private affairs, will not be available a second time, if the fresh leave is on sick certificate, until an Officer has been three years, or if on private affairs, until he has been six years in the discharge of the duties of his appointment, from the date of last return to it.

"An Officer who has once returned to Europe, retaining his appointment under the new rules, cannot be allowed that privilege a second time, no matter whether it be the same or another appointment, unless he has served the prescribed period since his last return to duty."

"An Officer who has returned from Europe or from Sea, but not as a Staff Officer, i. e., who did not proceed to Europe as a Staff Officer with the attendant privileges, and is subsequently nominated to a Staff situation, and in less than three years from the date of his last return to duty, proceeds on such leave to Europe or to Sea, would not be required to vacate his appointment, with advertence to para. 20 of the new furlough Regulations."

G. O. G. 10th Nov. 1863, No. 396.

21. This rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs in India, or for brief periods not exceeding three months, to Ceylon, the Mauritius, or other places out of India.

22. Officers Commanding Troops of Horse Artillery and Light Field Batteries, and Officers generally in employment, will be allowed leave out of India under the same rules with respect to allowances and tenure of command or office as regulated the grant of leave to the Cape to such Officers under the old Regulations, except as to the duration of those advantages, the time for their continuance being subject to the provisions of the new Regulations.

Date of Furlough and Advances of Pay.

23. The period of furlough on private affairs, or leave of absence on sick certificate, is to be calculated from the date of the departure from India of the ship in which the Officer proceeds.

N. B.—"When an Officer is granted permission to return to his duty by a particular ship, it is equivalent to granting him an extension of leave until the arrival of that ship in India."—G. O. G. 15th August 1862.

24. Advances of pay and allowances, Staff and Regimental, to Officers proceeding on leave of absence on sick certificate, who may be entitled to them, will be made if desired in India for three months from date of embarkation. Payments in continuation will be made in England at the rates of exchange fixed annually for re-payment of advances made on account of Her Majesty's Government. Furlough pay will continue to be issued in advance for six months when required by Officers obtaining furlough on private affairs.

1st.—It is the duty of an Officer before leaving India to obtain his last Pay Certificate; he should therefore at the time of applying for leave address the Deputy Paymaster in whose Circle of payment he may be, with a request that his accounts may be adjusted, and at the port of embarkation he should apply at the Pay Office for a last Pay Certificate. In the event of his not being able from any cause to obtain this certificate, he should address the Military Accountant on the subject, and that Officer will investigate the circumstances of the case and submit a report thereon to the Military Finance Department for transmission to Government.

2nd.—In cases in which Officers return Home "for Residue of furlough," the period remaining unexpired should be stated in their papers by the Pay Department.

G. O. G. 8th May 1862, No. 181.

3rd.—The Right Honorable the Secretary of State for India having observed, in his letter No. 497, dated the 31st December 1861, paragraph 10, that "the final settlement of all pay and allowances issued to an Officer prior to his quitting India, whether in advance or otherwise, is invariably left to the authorities in India, it will not be necessary for the Officers of the Pay Department in future to call upon Officers on furlough in England, who, on promotion, may apply to India for an adjustment of pay (for the period issued to them prior to their leaving this country) to furnish a certificate under the signature of the authorities at the India Office to the effect that no such adjustment has been made by them.

4th.—This order is applicable to the three Presidencies, and will have effect from this date.

No. 750 of 1862.—His Excellency the Governor General in Council is pleased to extend to Officers on leave the rule which permits Officers of one Presidency, when absent on duty, to draw their pay and allowances from the Pay authorities of any other Presidency at which they may be residing, and to lay down the following rules for future guidance:—

Officers of one Presidency may draw advances on account of their pay and allowances which have become due from Paymasters at any other Presidency at which they may be residing, whether on duty or on leave on medical certificate or private affairs.

Officers so situated must furnish, with their Bills, a last Pay Certificate from their own Presidencies, showing specifically the sum to be deducted and the amount to which entitled, and also indicate the General Order or other authority under which they are absent.

These rules are also applicable to cases of Officers embarking for Europe from any other than their own Presidencies, and who may be entitled, under the furlough Regulations, to advances of pay and allowances.

In cases of Staff Officers so situated their last Pay Certificates are to specify clearly the amount of half Staff salary to which they may be entitled during their leave.

G. O. G. 15th August 1862, No. 227.

In case of emergency, when last Pay Certificates cannot be produced, advances on account of unadjusted arrears of pay may be made on good security for the amount being furnished.

Bills for any admissible passage money are to be supported by a sufficient Guarantee from the Agents of the Ship or other parties, that half the passage money will be refunded in the event of the Officer dying after engagement of his passage, or before the vessel puts to sea.

Paymasters making advances under these rules are invariably to record the same on the back of the last Pay Certificate, and will make the necessary communication to the Paymaster of the other Presidency concerned with the least possible delay, and if Security be taken, it is also to be noted on the Pay Certificate.

If proof be forthcoming that an Officer has already furnished Security at his own Presidency for any demands on the part of Government which may arise, fresh Security is not to be required by Paymasters of any other Presidencies.

All over-drawings or short charges will always be adjusted by the Pay authorities of the Presidency to which the Drawing Officers may belong.

All other orders on this subject at the three Presidencies are hereby superseded.

25. The existing Regulations regarding Passage Money to Officers are not affected by these rules.

G. O. G. G., No. 1069 of 3rd December 1863.—With the view of encouraging the study of the Native languages, it is hereby notified, for general information, that extended periods of leave to visit the Presidency, without loss of service, will be granted under the following conditions to Officers of the Army who pass successful examinations in the tests prescribed in Government General Order, No. 734 of 1864:—

1st.—Officers who pass an examination according to the second standard will be allowed to reckon as duty the period of their absence to the extent of (6) six months.

2nd.—To Officers who pass a successful examination in the languages defined in Rule VIII of the Government General Order quoted above, a further period of six months' leave will be granted without loss of service.

G. O. G., 21st Dec. 1866 No. 432.

3rd.—Candidates who may obtain certificates of High Proficiency, under the operation of Rule XII, will be allowed leave of absence to the extent of 18 months in the aggregate.

4th.—And candidates who obtain Degrees of Honor, under the terms prescribed in Rule XV, shall be permitted to reckon as service the period of their absence to the extent of two years.

2. To insure, however, that the time of the candidates is not misapplied, it must be clearly understood that they shall pass successful examinations according to the different tests within the prescribed periods.

3.—The foregoing rules are to be in supersession of all previous regulations on this subject.

26. The certificates issued to Officers who are granted furloughs on private affairs, or leave of absence on sick certificate, are to specify the time each Officer has been absent on leave within Indian limits, as well as the time of his previous absence in Europe; but will not include the periods allowed for proceeding to the Presidency or port of embarkation, and to enable Officers to rejoin their Regiments or stations, after their return to India, nor the leave of one month's absence in six months as authorized by the Regulations. The last Pay Certificate of all Officers proceeding to England on sick certificate is to specify the rate of Regimental pay and allowances and Staff salary to which they would have been entitled under the old Regulations if proceeding to Sea on medical certificate. This information is necessary in order that no difficulty may arise in the Pay Department of the India House in adjusting the several payments which may be due.

G. O. G., 8th Feb. 1867, No. 59.

G. O. G. G., No. 30 of 23rd January 1867.—In modification of Government General Order, No. 941 of 1861, His Excellency the Governor General in Council is pleased to prescribe the following Rules, under which Officers may draw pay and allowances through their Agents in India when on leave beyond the limits of their own Presidencies:—

I. Officers proceeding on leave for any period under the old furlough rules, beyond the limits of their own Presidencies, will be permitted to draw their pay and allowances through their Agents, on the latter furnishing a satisfactory guarantee for the refund of over-payments.

II. The guarantee must be attached to the application of the Officer for permission to draw his pay in India, which must be submitted through the Pay Master, to be forwarded to the Controller of Military Accounts, who will grant the authority to the Agent to draw the pay monthly as it becomes due.

III. The guarantee is to be in the following form, and must bear a stamp according to the scale noted at the foot thereof, in order to cover any possible amount to be retrenched:—

Form of Guarantee to be furnished by Agents of Officers proceeding on leave beyond the limits of their own Presidency, to accompany applications of Officers to draw their pay and allowances in India during absence.

We _____

Agents of _____

do hereby engage, in the event of our being permitted to draw the pay and allowances of our constituent during his authorized absence from the Presidency, to repay such part of the amount as he may not be entitled to in case of death, as also such sums, with retrospective effect, as our constituent may become liable for, by his bringing himself upon furlough pay from the date of quitting his own Presidency by any of the following acts:—

1. By overstaying the leave to sea for two years on medical certificate, or for six months on private affairs, which he may have obtained under the old furlough rules.

2. By proceeding to England from the leave aforesaid under the old furlough rules, without having returned to his own Presidency.

G. O. G. 19th Oct. 1855, No. 265.

"Short leaves on private affairs for periods not exceeding thirty days, which "have been granted to Officers in General Orders, previously to 6th December "1854, are to be counted as 'privileged,' provided they do not exceed an aggre- "gate of thirty days in each half year."

G. O. G. 13th June 1856, No. 193.

"Should an Officer who is on privilege leave not rejoin his Corps, but be absent in continuation, on not more than five months' leave on private affairs, "or one year and eleven months' leave on medical certificate, he will retain "his full salary or allowances for the thirty days of privilege leave, which will "also count as service, but he will, nevertheless, forfeit all Military allowances on completing six months or two years' absence, (as the case may be) "reckoned from the date that he quitted his Corps and station."

8. In calculating the period of an Officer's absence on furlough in India, the day of departure from a Regiment or appointment is to be reckoned as one of leave, and the day of return thereto as one of duty. In like manner as respects furlough beyond India, the date on which the vessel conveying the Officer from India puts out to sea, is to be reckoned as one of furlough and the day on which he returns to his Presidency as one of duty.

With reference to paras. 25 & 31, *M. C. No. 511, 26th Feb. 1856.*

9. An Officer entering the service and obtaining leave to visit a station not the Head Quarters of his Regiment and to join the Corps to which he is posted, and who actually does join within the period sanctioned by Regulation for the purpose of joining by the direct route, is allowed to reckon such leave as service for pension.

With reference to paras. 26 & 31, *M. C. No. 901, 18th April 1856.*

G. O. C. C. 8th Nov. 1856, No. 92.

The principle of this rule is applicable to Officers who on return from leave out of India are allowed to visit a station out of the direct route to the station to which they belong.

10. Leave for one month, granted to Officers in Civil employ under Section XI (amended) old Civil Service Absentee Regulations, is not to be deducted from same light as one month in six privilege service, it being considered in the leave granted to Military Officers.

With reference to paras. 26 & 31, *M. C. No. 2702, 29th Oct. 1856.*

11. The period during which Officers may have been or may hereafter be absent on leave for the purpose of accompanying Insane or Sick Officers is allowed to count as service for pension.

With reference to paras. 26 & 31, *M. C. No. 3144, 4th February 1856.*

12. If an Officer is placed on duty while on leave of absence whether on medical certificate or private affairs he will be allowed to count as service for pension the whole period he may be so employed, i. e., from the date of the order nominating him to such duty to the date of the order relieving him, both inclusive.

With reference to paras. 26 & 31, *M. C. No. 2702, 29th Oct. 1856.*

G. O. G. 2nd Feb. 1861, No. 45.

4. In accordance with the principle laid down in the 65th paragraph of the General Order of the 10th April 1861, Officers of the new Brigades of Artillery and new Line Regiments ordered to do duty at the Regimental Depôt, or with Drafts on the voyage to India, will reckon such duty as service in India for retiring pension. Those doing duty under any other circumstances in this country, will reckon such service in the proportion of one year for two.

Officers of H. M.'s Services.

27. Officers of Her Majesty's Service in India, whether employed Regimentally or in Staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

28. In the case of Officers of Her Majesty's Service on furlough on sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

Periods of absence allowed to be counted as Service for Retiring Pensions.

29. In order that all Officers quitting India on furlough, or sick certificate, may be placed on an exact equality as regards loss of time, the period allowed by Regulation for proceeding to the Presidency or to the nearest port of embarkation, as well as the time to enable Officers to rejoin their corps or station after their return to India, will be considered as time counting for service for the retiring pension.

With reference to para. 29. *M. C. No.* 2762, *20th October* 1856.

13. An Officer returning from Europe or Sea is allowed to count as service 15 days for preparation at the port of debarkation and marching distance to his Corps or Department in addition.

With reference to para. 29. *M. C. No.* 2762, *20th October* 1856.

14. An Officer going to Europe or Sea is allowed to count as service in addition to marching distance to the Presidency or nearest port of embarkation, the same period for preparation prior to embarkation as allowed to Officers returning from Europe, viz. 15 days.

With reference to para. 29. *M. C. No.* 901, *18th April* 1856.

15. Officers obtaining leave preparatory to final leave out of India, but who after arriving at the Presidency or other port of embarkation abandon their intention of leaving the country, cannot reckon as service the period they may have been absent from duty on such preparatory leave which then assumes the nature of ordinary leave in India.

G. O. C. C. 6th Nov. 1856, No. 92.

With reference to para. 29. *M. C. No.* 2762, *20th October* 1856.

16. An Officer who proceeds on *furlough* to the Presidency or other port, (not preparatory to applying for leave to proceed to Europe or elsewhere) and while there obtains a *sick certificate* to Europe or other place out of India, is *not* entitled to count as service the period allowed by Regulation for proceeding from the station of his Regiment or appointment to the port of embarkation; but he can reckon as service the period of 15 days allowed at the Presidency or port of embarkation preparatory to embarkation.

With reference to para. 29. *M. C. No.* 2762, *20th October* 1856.

17. If instead of being at the port of embarkation, he is at another port, or at an inland station, when he obtains the sick certificate to *quit India*, he will be allowed the time authorized for travelling from the station at which he may be when he obtains his sick certificate, to the port of embarkation.

With reference to para. 29. *M. C. No.* 2762, *20th October* 1856.

18. If an Officer while absent on ordinary sick certificate in India, quits India on sick certificate, or, who having proceeded on ordinary leave on private affairs in India obtains a furlough out of India, he is entitled to count as service the period allowed for proceeding from the place at which he may be when he obtains leave to quit India, to the port where he ultimately embarks.

Simla, 22nd September 1864.

No. 771 of 1864.—Having taken into consideration the existing facilities for traveling, which are steadily increasing, His Excellency the Governor General in Council is of opinion, that the rules now in force for regulating the periods allowed to Officers and others proceeding, in ordinary course, from one station to another, are no longer suitable or adapted to meet the interests of the service or the general convenience of Officers.

2. G. G. O. No. 770 of 14th September 1853 is therefore cancelled, and the following rules will be observed from the 1st November next:—

3. Officers returning from furlough to Europe or leave beyond sea, or Officers removed from a regiment, appointment, or station, at their own request, or on regimental or departmental promotion, or to join a new appointment, will be allowed fifteen days for preparation from the date of arrival, or being struck off duty. On special grounds, this period may be extended to thirty days by the Officer Commanding the Division, District, or Garrison.

G. O. G. 11th Oct. 1864, No. 401.

4. Every Officer, at the expiration of the period allowed for preparation, is required to join his corps, station, or appointment, by the most expeditious available mode of travelling, and without unnecessary delay on the road.

5. Officers who may be unavoidably delayed by sickness or other circumstances must report the cause and period of such delay, furnishing medical or other certificates to the Officer Commanding the Station, at or nearest to which such delay may have occurred.

6. In very special cases, Officers Commanding Divisions may sanction a slower mode of travelling, either for a part or for the whole of the journey; but any such indulgence, and the reasons for granting it, must be reported at once to His Excellency the Commander-in-Chief, or to the Government, according to the nature of the Officer's employment.

7. This ruling is to be made applicable to all three Presidencies.

G. O. G. 3d Feb. 1860, No. 53.

Leave of absence, preparatory to furlough, whether on private affairs or on sick certificate, must always be *general*, and not *privilege* leave.

G. O. G. 8th March 1861, No. 80.

With reference to G. O. G. No. 53, dated 3d February 1860, the Governor in Council directs that, in future, in accordance with the practice in Bengal, leave of absence preparatory to retiring from the service shall always be *general*, and not *privilege* leave.

G. O. G. 13th Mar. 1866, No. 109.

It is hereby notified that, under a recent ruling of the Government of India, Officers, whose leave may expire after the commencement of General Holidays, will, notwithstanding such Holidays, be required to report, as heretofore, their return to duty on the termination of their leave.

G. O. C. C. 1st Mar. 1862, No. 22.

It is notified for general information that under a recent decision of the Government of India, an Officer who had elected (or who, not having before elected, might on his entering the Staff Corps desire to elect) the old furlough Regulations, carries with him into the Staff Corps so much of his service (authorized leave included) as had been passed in Indian limits and no more; and that to entitle him to retire on the pension of any particular rank he must serve so many more years as would with that service complete the full period of service prescribed for such pension, with the liberty of availing himself, after his entry into the Staff Corps, of the privileged periods* of absence allowed in paragraph 30 of the new furlough Regulations.

* 2 years'	absence in 20 years'	service.	
3	do.	25	do.
4	do.	30	do.

For instance a Captain who, on entering the Staff Corps on the 18th February 1861, had served twenty-four years counting as service for retirement under the old rules, and had been absent six years on leave to Europe, would enter the Staff Corps with a capital of service of twenty-four years only; and, before he could retire on the pension of a Lieut. Colonel he would have to serve four years longer, of which three years might be passed on leave.

2. With reference to the foregoing, Officers who at date of entering the Staff Corps had not made election of furlough Regulations are requested now to report under which furlough Regulations they desire that their service to that date may be calculated.

GENERAL ORDERS BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Fort William, the 12th May 1862.

No. 520 of 1862.—The following rule which has received the sanction of the Right Hon'ble the Secretary of State for India for calculating the service of Officers who, formerly under the old furlough Regulations, have joined the Staff Corps, and whose service from date of joining that Corps is to be reckoned under the new furlough Regulations, is published for general information and guidance:—

G. O. G. 27th May 1862, No. 212.

1. Officers having elected (or who not having before elected might, on their entering the Staff Corps, desire to elect,) the old furlough Regulations will carry with them into the Staff Corps so much of their service (authorized leave included) as may have been passed within Indian limits and no more. Before they can retire on the pension of any particular rank they will be required to serve for such further period as will, with that service, complete the full period prescribed for the pension of any particular rank, with the liberty of availing themselves, after their entry into the Staff Corps, of the privileged periods* of absence allowed by paragraph 30 of the new furlough Regulations.

* 2 Years'	absence in 20 years'	service.	
3	"	" 25	"
4	"	" 30	"

G. O. C. C. 18th Nov. 1856, No. 92.

With reference to paras. 30, 33, 34 and 35, *M. C. No.* 2961, *2d Nov.* 1855, *and No.* 919, *18th April* 1856.

19. An Officer who has served twenty or twenty-four years and *not more* is only entitled to reckon two years' absence as service. Rule 33 gives the minimum period of service which entitles an Officer so situated to retire on the pension of a Captain or Major; but an Officer who has served beyond those periods is entitled to the benefit of Rule 30 by which extended periods of absence are allowed to reckon, regulated by the length of the Officer's service. For instance, an Officer who has served twenty years, and no more, and had only three years' leave must still perform one year's duty before he can retire as a Captain; whereas an Officer whose aggregate service is thirty years, out of which he has enjoyed leave for fourteen years and no more, can retire as a Captain at once.

30. No Furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years' aggregate service, three years in twenty-five years' service, and four years in thirty years' service, shall be allowed to count as service for the retiring pension; and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or out of India, or whether the leave be on sick certificate or on private affairs.

31.* In the term "Leave of Absence as announced in General Orders" is to be included all leave of absence except the period allowed in Rule 29, and the ordinary indulgence of one month's leave in six months, as authorized by the existing Regulations, and which are in all cases, whether of Regimental or Staff Officers, to be allowed to count as service for the pension. All leave to a greater extent granted by Political and other authorities, which may not hitherto have been published in General Orders must be so announced hereafter.

With reference to para. 31.

G. O. G. G. No. 1113 of 1857.—The following Extract, paras 18 and 19, of a Military letter, from the Honorable the Court of Directors to the Government of India, No. 126, dated 22d July 1857, are published for general information:—

G. O. G. 15th Sept. 1857, No. 290.

18. By the Regulations established for the promotion of Lieutenant Colonels to the rank of Colonel after three years' service, it is provided that no longer period than one month in each year, or a total of three months in three years, or six months in six years shall be allowed to reckon, whether the leave shall have been spent in India or out of the country, except in cases of wounds or illness contracted by service in the Field, duly certified by a Medical Board, when each case will be separately considered with reference to the time to be allowed.

Letter dated 6th March 1857, *No.* 82.

Request Court's decision on the question whether leave of absence in or beyond India taken in consequence of wounds received in action shall be allowed to reckon as service for pension both under the old and new Regulations.

19. In reply to the question now put to us, we have much satisfaction in stating that we are prepared to extend the be-

nefits of the exception above specified to the time required for retirement on full pay. Every claim to the benefit of this exception must be duly certified by a Medical Board, and be forwarded to us for our decision, accompanied by the opinion thereon of the Government and Commander-in-Chief of the Presidency to which the Officer belongs.

G. O. C. C. 21st Mar. 1859.

No. 32.—With reference to G. O. G. 15th September 1857, No. 290, the Commander-in-Chief desires it to be notified that the privilege of reckoning the time of absence in the period of service required for retirement on full pay is authorized "in cases of wounds or illness contracted by service in the "Field, duly certified by a Medical Board, when each case will "be separately considered with reference to the time to be "allowed."

In all such cases a specific description is to be given in a report by a Medical Board of the nature of the illness and of the grounds upon which it is considered that the illness has been contracted by service in the Field.

All such grants of leave should be made for periods not exceeding eighteen months to be extended if necessary.

G. O. C. C. 29th Jan. 1861.

No. 10.—Applications for permission to count as service for retiring pension under the provisions of G. O. G. No. 290 of 15th September 1857, the period of absence on leave occasioned by wounds or illness contracted by service in the Field are required to specify the particulars of the Field service on which the Officer was engaged.

Vide Margin of Para 9, Old Retiring Regulations.

32. Officers to be entitled to retire on the full pay of their Regimental rank (under the Regulation of 1796,) must have served twenty-two years in India, out of which leaves of absence for two years in the aggregate and not more, will be allowed to count as service for the retiring pension.

33. Officers to be entitled to retire on the full pay of Captains and Majors (under the Regulations of 1835—7,) must have served twenty and twenty-four years respectively, out of which time leaves of absence for two years in the aggregate and not more, will be allowed to count as service.

G. O. G. 9th Feb 1860, No. 54.

No. 95.—With the sanction of the Right Hon'ble the Secretary of State for India, His Excellency the Governor General in Council is pleased to notify that, where an aggravation or reproduction of an illness originally produced by service in the field, to such an extent as to necessitate leave of absence, is clearly attributable to exposure or other causes attendant on subsequent active service in the field, such leave may be held to come within the provisions of Government General Order, No. 1,113,* dated 1st September 1857.

G. O. G. 8th Nov. 1856, No. 428.

Para 2. It was not the intention of the late Court of Directors to give retrospective effect to the privilege granted in July 1857, to Officers wounded or losing their health on active service, to count as service forretiring pension their leave of absence on medical certificate.

34. Officers to be entitled to retire as Lieutenant-Colonels must have served twenty-eight years, out of which leaves of absence for three years in the aggregate, and not more, will be allowed to count as service.

35. Officers to be entitled to retire as Colonels, must have served thirty-two years, out of which leaves of absence for four years in the aggregate, and not more, will be allowed to count as service.

G. O. C. C. 1st October 1862

No. 70.—The following Extract from a Despatch from the Right Honorable the Secretary of State for India is published for general information and guidance, with reference to G. O. G. No. 290, dated 15th September 1857, permitting Officers to count as service for retiring pension periods of leave occasioned by wounds or illness contracted by service in the Field.

"Applications for this boon, should not be submitted in cases where the sickness has "not been such as to render the absence of the Officer on sick certificate immediately "necessary."

G. O. G. 26th Feb. 1861, No. 65.

G. O. G. G. No. 103 of 12th February 1861.—Under the authority of the Right Honorable the Secretary of State for India, it is hereby notified that, when Officers who have not volunteered for the duty are ordered to proceed to England in charge of Troops round the Cape, they will be allowed to count as Indian service the difference of time occupiedon the voyage round the Cape and that by the Red Sea.

This rule is applicable to the three Presidencies.

36. The scale for Medical Officers and Veterinary Surgeons, of privileged furlough, and leave of absence as counting for the retiring pension, will be as follows:—

Years.	Months.	
1	8	in 17 and under 20 years' service.
2	0	in 20 „ „ 25 „ „
3	0	in 25 „ „ 30 „ „
4	0	in 30 and upwards.

37. It is to be distinctly understood, that under no circumstances whatever will an Officer be permitted to retire on full pay, until he has completed the *full time of service* above specified, whether he be in England at the close of his service or elsewhere.

38. The privileged time of absence may, with the permission of the local Government, be taken at any time subject to these Regulations. If therefore, at the end of twenty-years' service, of which eighteen had been passed on actual duty in India, an Officer should be on furlough, or sick certificate in Europe, or elsewhere, he will be entitled to retire on the full pay of a Captain without returning to India, and so in the other terms of service for the higher pensions. In like manner a Medical Officer on furlough, or sick certificate in Europe, or elsewhere, at the end of seventeen years' service, fifteen years and four months of which had been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pension.

G. O. G. 34 Nov. 1863, No. 387.

Under instructions from the Government of India, the Governor in Council is pleased to declare that the grant of leave to Officers on medical certificate *in India*, shall, for the future, be limited, under ordinary circumstances, to *one year*, subject to extension on fresh Medical Report.

39. These rules do not in any way affect the existing Regulations regarding the grant of leave in India, or for short periods to Sea, whether on private affairs or on sick certificate, except as to the periods of such absence being taken into calculation in the time allowed to count as service for retirement on full pay.

Unattached and Warrant Officers.

GENERAL ORDERS BY THE HON'BLE THE PRESIDENT OF THE COUNCIL OF INDIA IN COUNCIL.

Fort William, 6th June 1851.

No. 322 of 1851.—The following paragraph of a Military letter No. 37, from the Honorable the Court of Directors to the Governor of the Presidency of Fort William in Bengal, dated 9th April 1851, is published for general information:—

Reply to letter dated 20th September 1850, No. 158, with reference to former correspondence, forward papers relative to an inquiry made by Ensign (unattached) J. Donavan, as to the rate of retiring pension to which he will be entitled, and request Court's early decision on the question.

Unattached Officers are entitled to the benefits of the general retiring regulations counting from the dates of their first promotion to Commissions. To provide for the claims of such of these Officers as may, in consequence of the length of their previous service, be compelled to retire at earlier dates than are specified, in those Regulations, we have resolved to adopt the following additional scale, viz:—

Unattached Ensigns and Lieutenants, compelled by ill health to retire from the service,

If under 3 years' service as Commissioned Officers.....2*s.* 6*d.* per diem.

If above 3, and under 7 years' service in India as Commissioned Officers.....3*s.* per diem.

If above 7, and under 12 years' service in India, as ditto.....4*s.* per diem.

If above 7, and under 12 years' service in India, as Commissioned Officers, after 20 years' total service in India.....5*s.* per diem.

If above 12 years' service in India as Commissioned Officers, after 30 years' total service in India, with an unqualified right to retire.....6*s.* per diem.

G. O. G. 16th June 1862. No. 233.

Despatch dated 14th April 1862, *No.* 36.

6. The cases of Warrant Officers, promoted on the Veteran Establishment, who applied to retire from the service, have, until recently, been specially considered, and in almost, if not in every case, the full pay of the Commissioned rank has been granted on retirement.

7. When considering an application from an Officer on the Veteran Establishment now in this country, I observed that, although there were rules for the retirement of Officers holding unattached Commissions (G. O. G. G. No. 322 of 6th June 1851) there were no rules for the retirement of Officers on the Veteran Establishment. I accordingly decided that to entitle an Officers on the Veteran Establishment to retire on the full pay of his Commissioned rank, he must have served the time which he would have required under the provisions of the retiring Regulations, had he remained in the Warrant grade, to entitle him to the full pay of his former rank in that grade.

G. O. G. No. 250 of 15th August 1856.

G. O. G. G. No. 385 of 6th March 1856.—The Right Hon'ble the Governor General of India in Council is pleased to direct, that the following paragraphs of a Military letter from the Hon'ble the Court of Directors to the Government of India, No. 2, dated 2d January 1856, be published in General Orders:—

Letter dated 3d September 1855, *No.* 201.

Letter from Captain Skinner, transferred from the Nizam's Army to an unattached Commission in the Company's Service, requesting information as to the amount of pension he will be entitled to on retirement. The Auditor General's views on the subject recapitulated by Government.

Also No. 206.

Enquiry as to how the new furlough rules are to apply to Captain Skinner, and other unattached Officers.

Para 2.—We concur with the views on this subject which are expressed in the Military Auditor General's Report of the 18th July 1855. Capt. Skinner will be accordingly entitled to count his service for retirement from the date of his first Commission in the Army of His Highness the Nizam. He will be also entitled to the benefits of the new furlough Regulations as an Officer of that standing in the Service.

3. All unattached Officers are entitled to the benefit of the new furlough Regulations from the date of their first commissions.

G. O. C. C. 27th April 1857, No. 16.—The Commander-in-Chief directs it to be notified that by a recent decision of the Government of India, unattached Officers of the Veteran Establishment are allowed the benefit of the new furlough Regulations, and these Officers can take leave in India on the same terms as they did prior to the publication of the new furlough rules.

G. O. C. C., 29th August 1857, No. 44.—The Provincial Commander-in-Chief directs the publication of the following decisions by the Government of India.

A Warrant Officer on the Veteran Establishment is entitled, without loss of Warrant, to the same absentee allowance as if on leave in India, for the first six months of sick furlough, but thereafter, as well as when on furlough on private affairs he is restricted to the furlough pay of his Commission or of his Warrant, whichever may be the superior emolument.

A Warrant Officer holding a Commission on the Veteran Establishment has a footing in the Effective Army in virtue of his Warrant rather than of his Commission and his Warrant being analogous to the Regimental Commission rather than to the Staff appointment of an European Officer, is not forfeited by any furlough which may be granted him, even if it exceed six months on private affairs or fifteen months on medical certificate under the new rules.

G. O. G. G. No. 1559 of 1857.—The following Extract para. 11 of a Military letter from the Honorable the Court of Directors to the Government of India, No. 195, of the 14th October 1857, is published for general information:—

11. Warrant Officers are allowed the same privilege of furlough as Unattached Ensigns and Lieutenants and as Officers promoted to Commissions on the Veteran Establishment, viz., after six years' service as Commissioned or Warrant Officers, and fifteen years' service in India. It is now recommended that, in consequence of slowness of promotion, the time required to be served in the Warrant grade may be reduced, in order that those who have served twenty years and upwards in India may be thereby rendered eligible for furlough to Europe. In compliance with your recommendation and that of the late Commander-in-Chief, we sanction this change as applicable to the several classes above-mentioned.

Letter dated 15th May 1857, No. 154.

G. O. G. 24th Dec. 1857, No. 414.

Memorial from Mr. Conductor A. B. Fox, of the Army Commissariat Department, soliciting that modification may be made in the furlough Regulations for Warrant Officers, to meet the cases of those who obtained their Warrant after a lengthened service on the Non-Commissioned grade.

G. O. G. G. No. 777 of 18th May 1858.—The following Extracts of a Military letter from the Honorable the Court of Directors to the Government of India, No. 71, dated 23d March 1858, are published for general information:—

Letter dated 3d August 1857, No. 207.

4. Question raised by the Madras Government as to the extent to which the Warrants or Staff appointments of Officers having Unattached Commissions or on the Veteran Establishment are affected by the new furlough rules decided.

G. O. G. No. 214 of 4th June 1858.

4. In the year 1854, we sanctioned a rule,* that Unattached Ensigns and Lieutenants should be allowed furlough after six years' service as a Commissioned Officer, and fifteen years' service in India, and that Warrant Officers granted Commissions on the Veteran Establishment should be included in the arrangement. The same advantage was subsequently extended to Warrant Officers. †

5. The rule now laid down by the Government of India is that a Warrant Officer on the Veteran Establishment is entitled, without loss of Warrant, to the same absentee allowances as if on leave in India for the first six months of sick furlough, and thereafter, as well as when absent on private affairs, to the furlough pay of his Commission or Warrant, whichever may be best for him, and that as the appointment he holds is in virtue of his Warrant, not of his Commission, the appointment will not be forfeited by absence on furlough.

6. This decision appears to be quite correct and has our sanction.

The Governor in Council sanctions the indulgence of privilege leave, as granted to Commissioned Officers,* being extended to all Warrant Officers, at this Presidency, excepting those below mentioned, provided their Departmental superiors be satisfied that proper arrangements are made for the performance of their duties during their absence, and that no additional expense to the State is incurred thereby.

* Thirty days in each half year from 1st January to 30th June and from 1st July to 31st December; or sixty days in the course of each calendar year.

2. Warrant Officers of the Public Works Department come under the following rules of that Department:—

G. O. G. 4th Aug. 1863. No. 273.

G. O. G., 3d February 1857, No. 29, para. 8. "All persons employed in the Public Works Department, may be allowed one month's leave of absence in the calendar year without loss of salary, provided it can be granted without inconvenience to the public service."

3. Medical Warrant Officers employed in the Civil Departments will be granted privilege leave according to the subjoined rule applicable to Uncovenanted Civil Servants.

Revised Rules for leave of absence to Uncovenanted Civil Servants published in Fort St. George Gazette, 26th June 1863, Supplement.

Para. 16. "Privilege leave, when it can be granted without injury to the Public Service, and without additional expense to the State, may be allowed for not more than one month, in each calendar year—to be taken either in one period or in not more than two instalments. This leave is not allowed to accumulate, and will therefore lapse if not taken within the year."

Invalid Establishment.

Fort St. George, 10th July 1857.

No. 819 of 1857.—The Right Hon'ble the Governor General of India in Council is pleased, under instructions from the Hon'ble the Court of Directors, to promulgate the following rules to be observed at the three Presidencies for the transfer to the Invalid Establishment, of Officers who may be declared to be unfit for further service:—

1. The Invalid Establishment will consist of

1st—The Invalid Battalion.

For Officers who, although disqualified for further active service, are still equal to the discharge of garrison duties.

2d—The Invalid Pension List.

For Officers disqualified for both active and garrison duties.

* G. G. O. No. 518 of 1854. † G. G. O. No. 531 of 1854.

2. Officers who, from age, wounds, or decline of health, become unfit for active service, are eligible for transfer to the Invalid Establishment, provided their conduct and habits are such as not to affect the character of that Institution, which is designed as an honorable retreat to the worn out or disabled, but deserving Officers.

G. O. C. C. 1st June 1858, No. 59.

The Commander-in-Chief directs it to be notified, that applications from Officers for transfer at their own request to the Invalid Battalion or to the Invalid Pension List, under the provisions of para. 3 of G. O. G. G. No. 819 of 1857, (republished in G. O. G. No. 210 of 10th July 1857,) are required to be addressed under their signature to the Right Honorable the Governor in Council in the manner prescribed in para. 3, Section XXI, General Regulations of the Army.

3. Officers who may be desirous of being transferred to the Invalid Establishment, will be required to appear before the Standing Medical Committee at the Head Quarters of the Division, presided over by the Superintending Surgeon, or in his absence by the Senior Surgeon, furnished with a statement of their case prepared by the Medical Officer by whom they may have been attended. The Committee is to enquire rigidly into each case, and should it be satisfied of the unfitness of the Officer, it is, in recording its opinion, to certify either that the applicant is "permanently disqualified for the performance of further active service but is still equal to the discharge of garrison duties," or that he is "permanently disqualified for the performance of both active and garrison duties," as the case may be.

4. The applicant, if reported equal to the discharge of garrison duties, will then be required to proceed to the Presidency to be finally examined by a Medical Officer to be specially appointed for the purpose, or by a special Medical Committee, as may from time to time be ordered.

5. After this final examination, the report on each case, accompanied by the certificates hereafter specified, is to be forwarded in the usual manner to Army Head Quarters, to be submitted to Government with the opinion of the Commander-in-Chief.

6. In the event of the Commander-in-Chief being led to believe that any Officer's health is so thoroughly lost as to preclude all hope of his being able to perform further active service in India, such Officer shall be directed to appear before the Standing Medical Committee at the Head Quarters of the Division. If the Committee is of opinion that the Officer is permanently disqualified for active Military duties in India, and this opinion is confirmed at the final examination at the Presidency, the Government on receiving a report on the case, which is to be prepared and submitted as directed in paras. 3 to 5, will place the Officer on the Invalid Establishment, notwithstanding that he may not himself have applied to be transferred from the Effective List. Such transfer will, however, be subject to the approval of the Honorable the Court of Directors; and until the receipt of such approval, no promotions will be made in succession to the Officer so placed on the Invalid Establishment.

No. 52 of 1859.—The following Extract from a Military Despatch from the Right Honorable the Secretray of State for India, is published in General Orders:—

Despatch dated 22d December 1858, No. 47.

Reply to Military letter, dated 31st August 1858, No. 165.

G. O. G. 1st Feb. 1859.

Para. 1. It being established by the required medical testimony that Lieutenant Dewar is permanently disqualified for the performance of both active and garrison duties, his removal from the effective List from the date of his embarkation for England is hereby authorized.

Report on the state of health of Lieutenant G. T. Dewar, 50th N. I., and authority requested to transfer him to the Invalid Pension List, from the date of his embarkation for England on sick certificate.

Lieut. Dewar's time of service, fourteen months and five days, does not entitle him to retiring half pay. On establishing his claim to the benefit of Lord Clive's Fund, he will be admitted to that advantage.

2. You will understand from this decision that no Officer not entitled to a pension under existing Regulations, should be transferred to the Invalid Pension List.

7. All Officers of and below the Regimental rank of Lieutenant-Colonel, whether they may or may not have served the prescribed period for retirement on full pay, may be compulsorily removed to the Invalid Pension List when they may become wholly unfit for any further service, effective and garrison. The examination of Officers in such cases will be conducted in the manner laid down in para. 6.

8. In the event of an Officer failing, from any cause, whether it be leave on sick certificate in India or otherwise, to join an Invalid Battalion, or other Military duty on which he may be ordered, within two years of his transfer to the Invalid Establishment, except he be absent on furlough on sick leave to Europe, or be nominated to some other public duty, he will, at the expiration of that time, be required to appear before the Medical Committee at the Head Quarters of the Division in which he may be residing, for the purpose of being examined as to his continued fitness for garrison duty. If found unfit at such examination, or at any subsequent examination, which is to be repeated at the end of every two years, he will be transferred to the Invalid Pension List.

9. The Pay and Allowances of Officers hereafter transferred to the Invalid Battalion will be—

Promotion of Officers.

G. O. G. No. 222 of 3d June 1859. G. O. G. G. No. 740 of 20th May 1859.—His Excellency the Governor General in Council is pleased to direct the publication in General Orders of the following Royal Warrant, received with a letter from the Right Honorable the Secretary of State for India, No. 119, of the 7th April 1859, prescribing rules under which Combatant Officers are to be recommended for promotion in Her Majesty's Indian Military Forces:—

Whereas, we have judged it expedient to revise those parts of Our Royal Warrants of the 6th day of October 1854, and 3d day of November 1854, which regulate the promotion and retirement of Combatant Officers in Our Army and Ordnance Corps, Our will and pleasure is, that from the date of this Our Royal Warrant Our Governor General in Council shall govern himself by these Our rules in recommending Combatant Officers for promotion in Our Indian Military Forces.

PROMOTION.

1. That the rank of Field-Marshal be given without reference to seniority.
2. That there shall be a fixed establishment of General Officers, viz.:—

Generals	25
Lieutenant-Generals	50
Major-Generals	145

3. That Colonels may be appointed, without regard to seniority, to command as Major-Generals, with temporary rank; and if they shall have conducted themselves to our satisfaction, such temporary rank, after having been held for five years in peace, or for any shorter period in war, may, upon the recommendation of our Governor General in Council, be made permanent. That the temporary rank of General and Lieutenant-General may also be given, whenever the convenience of the service requires it, and may be made permanent in a similar manner.

4. That every vacancy on the fixed establishment of General Officers shall be filled by the promotion of the senior Colonel qualified to succeed to the rank of Major-General and to be placed on the fixed establishment, under the regulations now in force; or by a supernumerary Major General, as provided in Clause 6.

5. That, in addition to the Colonels promoted by seniority to be Major-Generals and those promoted after having held temporary rank under the Regulation in Clause 3, Colonels shall be eligible for promotion to the rank of Major-General, and Major-Generals to the rank of Lieutenant-General, and Lieutenant-Generals to the rank of General, for distinguished services in the Field.

In the case of Officers promoted to the rank of General Officers, as a reward for distinguished service in war, the recommendation, in which the service of the Officers shall be detailed, shall be published in the General Orders of Our Indian Military Forces, and in the *London Gazette*.

6. That all Colonels promoted to be Major Generals after five years' employment in responsible commands with the temporary rank of Major General under the provisions in Clause 3, and all Colonels promoted to be Major Generals for distinguished service in the Field, shall be placed on a supernumerary list of Major-Generals, and shall not be reckoned as part of the fixed establishment until the time when they would have attained the rank of Major-General by seniority; that is to say, until the Colonel who originally stood next senior on the Colonels' list to the Officer promoted out of his turn has become a Major-General, after which the next vacancy will be filled by the transfer of the supernumerary Major-General to the fixed establishment. The Major-Generals who have already been promoted out of their turn, and would not yet have succeeded to that rank by seniority, shall be considered as coming under this rule.

The supernumerary Major-Generals, when absorbed into the fixed establishment, shall preserve the seniority which they acquired when, after a period of qualifying service with temporary rank they were first confirmed as permanent Major-Generals on the supernumerary list, and shall rise by that seniority to be Lieutenant-Generals in succession. General Officers promoted for distinguished service in the field will take their seniority from the date of their promotion, as stated in the *London Gazette*.

7. That three separate lists of General Officers be inserted in the Army List of Our Indian Military Forces, the first containing the names of those on the fixed establishment; the second, those who, having been promoted out of their regular turn, are supernumerary to the fixed establishment; and the third, those who have retired from the service with the honorary rank of General Officers.

8. That the rank of Colonel be given to Officers, after serving for five years with the rank of Lieutenant Colonel, in the actual command of Regiments, or for the same period as second Lieutenant Colonels of Regiments, or on the Staff, in the following situations:—viz., Adjutant-General, Quarter-Master General, Deputy Adjutant-General, Deputy Quarter-Master General, Secretaries to the Government of India in the Military and Public Works Department, Secretaries in the Military Department to the Governments of Madras and Bombay, to the Chief Commissioner of the Punjaub, the Commissioner in Mysore, and the Resident at Hyderabad; Judge Advocate General, Commissary General, Deputy Commissary General, Inspector General of Ordnance, Superintendent of the Ordnance Manufacturing Department, Chief Engineer, Superintending Engineer, Surveyor-General of India, subject always to the approval of the Governor in Council and Commander-in-Chief of the Presidency to which the Officer belongs.

9. That Regimental Majors, who are Brevet Lieutenant-Colonels, falling into the Command of Regiments in the absence of the Lieutenant-Colonel, shall on attaining the rank of Regimental Lieutenant-Colonel, reckon the period commencing from the completion of the first month of such temporary command, of part of the five years required to qualify for the rank of Colonel.

10. That the rank of Colonel be given to Officers who obtain the rank of Brevet Lieutenant-Colonel for services in the Field, after eight years of actual service with that rank.

11. That in cases where a Regiment may be so divided as to constitute two distinct commands, and one portion may be under the command of the Regimental Major, who is also a Brevet Lieutenant-Colonel, and in cases where a Brevet Lieutenant-Colonel may be in command of a mixed force of different Corps, a discretionary power shall be vested in our Commander-in-Chief in India, subject to the approval of Our Governor General of India in Council, to allow such service, or portions of such service, to count as part of the qualifying period for promotion to the rank of Colonel.

12. That Lieutenant-Colonels appointed to Civil situations under Government on or after the date of this Our Royal Warrant shall be promoted to the rank of Colonel after eight years' service in the former rank, provided the nature of the Civil appointment be considered by our Governor General of India in Council and Com-

mander-in-Chief in India calculated to give the Officer such practical experience as may afterwards prove advantageous to the Corps or Service to which he belongs.

13. That Field Officers, commissioned as such before the 20th June 1851, be allowed to rise by Brevet as heretofore; but no Officer promoted to the rank of Field Officer on or after that date, is hereafter to rise from the rank of Lieutenant Colonel to that of Colonel, otherwise than by five or eight years' service in the former rank, as provided in Clause 8, or as a reward for distinguished service, or by appointment to be Queen's Aide-de-Camp—except under the special provisions in Clauses 9, 10, 11 and 12.

14. Lieutenant-Colonels, who held that rank prior to the 20th of June 1854, shall be promoted by a special Brevet to the rank of Colonel,—commissions to bear date the 28th November 1854; and such of the said Lieutenant-Colonels as have been passed over by Officers who have attained the rank of Colonel, in conformity with the provisions of Our Royal Warrants of the 6th October and 3d November 1854, shall be restored to the respective places which they would have occupied as Colonels, had they been promoted in ordinary succession under the system of periodical Brevets.

15. That promotions shall be made from Captain to Major, and from Major to Lieutenant-Colonel, in succession, as vacancies occur in the Major-General's fixed establishment.

16. That any Captain, Major, or Lieutenant-Colonel may be rewarded by Brevet promotion for distinguished services in the Field.

17. That the commands of General Officers, and other situations on the Staff both at home and abroad, shall not be held for more than five years, unless by re-appointment under special circumstances.

Given at Our Court at Windsor, this thirty-first day of January 1859, in the Twenty-second Year of Our Reign.

By Her Majesty's Command,
STANLEY.

G. O. G. G. No. 1537 of 15th November 1859—The following paragraphs of a Military letter from the Right Honorable the Secretary of State for India, No. 279 of the 19th August 1859, are published for general information:—

Having submitted to the General Commanding-in-Chief certain questions as raised by your Government in view to ascertain the practice in such cases in Her Majesty's British Army, I have received the following replies:—

Letter from —, dated 3d May 1859, No. 61, paragraphs 1 to 10 relative to the promotion of Officers to the rank of Colonel under the operation of the Royal Warrants, dated 7th October 1854 and 14th October 1858.

Question.

G. O. G., No. 459 of 29th Nov. 1859.

1st. Whether the period occupied by a Lieutenant-Colonel in joining his Regiment or appointment after his return from leave beyond sea should be reckoned in the qualifying period.

"It is allowed that no deduction is made on account of leaves of absence during the five years required to qualify a Lieutenant-Colonel for the promotion.

"Several similar cases have occurred in Her Majesty's British Army, and it has been ruled that an Officer so circumstanced must serve other two years to complete the period of five years prescribed in the Warrant of October 1858, and no allowance of time is conceded with reference to the near completion of the three years under the Warrant of October 1854, when the new Warrant came into operation."

2nd. Lieutenant-Colonel Leith of the Bombay Army completed three years in that rank on the 8th November 1858. He has been omitted from the promotions recently made in India, because the Warrant of October 1854 ceased to be in force after the 14th October 1858, the date of the new Warrant.

2. The practice in promoting Officers to the rank of Colonel in Her Majesty's Indian Forces must be regulated accordingly.

G. O. G. G. No. 1698 of 23d December 1859.—The following paragraph of a Military letter from the Right Hon'ble the Secretary of State for India, No. 374, of the 20th October 1859, is published for general information:—

2. The phrases "Superintendent of the Ordnance Manufactory Department" and "Military Superintendents of the Manufacturing Departments of the Army" in the 8th Clause of the Royal Warrant, dated 31st January 1859, are intended to include.

G. O. G. G., *Camp Panesput, the 9th January* 1860.—The following Extract from Despatch, No. 419, dated the 24th of November 1859, from the Right Honorable the Secretary of State for India, is published for general information:—

G. O. G., No. 43 of 31st January 1860.

"Her Majesty's Government have decided that the appointment of Assistant Adjutant General of the Army and of Assistant Adjutant General of Artillery shall be added to the list of Officers enumerated in the 8th Clause of the Royal Warrant of 31st January 1859, as qualifying Lieutenant-Colonels for promotion to the rank of Colonel in Her Majesty's Indian Forces."

No. 161.—Under the authority of the Right Hon'ble the Secretary of State for India, concurred in by His Royal Highness the Field Marshal Commanding-in-Chief and the Secretary of State for War, His Excellency the Governor General in Council is pleased to add to the situations specified in the 8th Clause of the Royal Warrant* of the 31st January 1859, the appointment of Military Secretary to the Viceroy and Governor General of India, as qualifying for the promotion of Lieutenant Colonels to the rank of Colonel in the Army.

*Published in Government General Order, No. 749 of the 20th May 1859.

G. O. G. G., *Camp Dinnanugger, 21st March* 1860.—Under instructions from the Right Hon'ble the Secretary of State for India, His Excellency the Governor General is pleased to announce for general information, that the orders requiring Staff appointments to be vacated after five years' tenure, are not intended to apply to Officers serving with Irregular or Local Corps, who though detached from their own Regiments, are nevertheless performing Regimental duties.

G. O. G., No. 49 of 5th April 1860.

Under the same authority, the operation of the rule requiring the vacation of appointments is altogether suspended until further orders.

G. O. G. G. No. 225 of 10th March 1864.—With reference to the Government General Orders noted in the margin, the following Military letter from the Right Honorable the Secretary of State for India, is published for general information and guidance:—

No. 940, dated 18th September 1860.
No. 118, dated 18th February 1864.

From H. M.'s Secretary of State for India, to the Right Hon'ble the Governor General of India in Council, No. 27, dated 30th January 1864.

Sir,—Referring to my Despatch dated 31st December 1863, No. 446, on the subject of promotion to the rank of Colonel under the 8th Clause of the Royal Warrant of the 31st January 1859, I have to inform you, that a communication now received from the Horse Guards states that the Secretary of State for War has brought to the notice of the Field Marshal Commanding-in-Chief that the qualifying period in the rank of Lieutenant Colonel previously to obtaining the rank of Colonel was extended from three to five years, with the express view that no deductions from that period were to be made on account of leave of absence. His Royal Highness in consequence sees the necessity of rectifying the position of all Colonels promoted since October 1858, who may have had their promotion retarded by the practice of limiting the leave of absence to fifteen months in the five years.

G. O. G. 1st April 1864, No. 130.

2. A similar course is to be adopted by your Government with respect to all Colonels of Her Majesty's Indian Forces promoted under the Royal Warrant of 31st January 1859, whose promotion may have been retarded, under the restriction with regard to leave of absence published in General Order, dated 18th September 1860, No. 940.

G. O. G. G. No. 954 of 21st September 1860. The following paragraph of a Military letter from the Right Honorable the Secretary of State for India, No. 500, of the 16th ultimo, is published in General Orders:—

"A reference on the subject having been made to the General Commanding-in-Chief, it has been ruled that leave of absence taken by a Brevet Lieutenant Colonel who has obtained that rank for service in the Field, is to reckon as part of the eight years' service required under the Royal Warrant of the *31st January 1859, to qualify for the rank of Colonel."

INDIA OFFICE, LONDON, *25th November* 1862.

TO HIS EXCELLENCY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

MY LORD,—The provisions of the Circular Memorandum from the Horse Guards, dated 24th August 1860, No. 61, quoted in the margin, are to be in future adopted for Officers in the Indian Armies. Your Government will accordingly issue a Notification to this effect in General Orders.

G. O. G. 16th Jan. 1863, No. 15.

Horse Guards, S. W., 24th August 1860.

"It has been directed by the Secretary of State for War, with the "concurrence of His Royal Highness the General Commanding-in-Chief, "that Captains having Brevet rank as Field Officers, at present holding "staff situations as pointed out by the 8th Clause of the Royal Warrant "of the 14th October 1858, are permitted to count their services in those "situations towards the rank of Colonel, but no Captain holding Brevet "rank of Field Officer, who may in future be appointed to such situations, "will be allowed to count his services in them towards the rank of Colonel."

No. 14 of 1864.—The following paragraphs of a Military letter from the Right Honorable the Secretary of State for India, No. 408 of the 30th November 1863, are published for general information:—

I have received and considered in Council the Military letter from the Governor General dated 29th August last, No. 80 A, on the subject of the adoption, as regards Major-Generals of the Staff Corps, of the provisions of the Royal Warrant of 5th November 1860, which modifies, in favor of Officers promoted for service in the field, Clause 27 of the Royal Promotion Warrant of the 14th October 1858.

2. Previously to the receipt of his Lordship's letter, I had determined that the time passed by an Officer on leave of absence, rendered necessary by ill-health contracted on service, or in consequence of a wound received in action, shall be allowed to count towards the six years' service in the substantive rank of Field Officer required by the rule laid down in my Despatch dated 3rd December 1861, No. 467 (19), to entitle an Officer of the rank of Major-General to the unattached pay of that rank. Colonel C. Read, C. B., Aide-de-Camp to the Queen, is to have the benefit of this alteration.

G. O. G. 26th Jan. 1864, No. 31.

3. I now authorize you to introduce the rule sanctioned in the Royal Warrant of 5th November 1860, and to declare an Officer of the Staff Corps who has been, or shall be hereafter, promoted to the rank of Field Officer by brevet for service in the field, who shall continue to serve uninterruptedly, on full pay, from the date of his promotion by brevet to the date of his obtaining the rank of Major-General, to be entitled to the unattached pay of that rank, notwithstanding he may not have served six years with the regimental rank of Field Officer with a Regiment, or in one of the situations specified in Clause 8 of the Royal Warrant of 31st January 1859.

Fort William, the 10th February 1864.

No. 117 of 1864.—The following Military letter from the Right Honorable the Secretary of State for India is published for general information :—

From Her Majesty's Secretary of State for India, to the Right Hon'ble the Governor General of India in Council, No. 445, dated 31st December 1863.

SIR,—I have received and considered in Council your Excellency's Military letter* No. 56A, dated 29th July 1863, forwarding applications from the Officers Commanding the Guide Corps, 1st and 2nd Punjab Cavalry, and 2nd Punjab Infantry, soliciting that the period passed in command of Regiments of the Punjab Irregular Force may be considered as qualifying an Officer for promotion in the rank of Colonel, in like manner as such command counts in Native Regiments of any description under the orders of His Excellency the Commander-in-Chief.

* Separate.

2. My attention has been already drawn to this subject by your proceedings in the Military Department, Nos. 214 and 215 of the 5th March last, wherein it appears that the claim of a Lieutenant Colonel of the Bombay Army to promotion under the Warrant was considered subject to the inquiry as to whether the Regiment he commanded was or was not under the orders of the Commander-in-Chief; and I was, prior to the receipt of the Governor General's letter now under acknowledgment, in communication with His Royal Highness the Commanding-in-Chief on the subject.

3. I observe that the wording of my reply to the inquiry contained in the 7th paragraph of your letter, No. 83 of 17th June 1859, may have led to a misapprehension of the intention of Her Majesty's Government, and of His Royal Highness the Field Marshal Commanding-in-Chief upon this point.

4. In the paragraph referred to, your Government desired "to be informed whether the command of Irregular and Local Regiments is to be still considered as qualifying for promotion to the rank of Colonel;" and a reference having been made to the General Commanding-in-Chief on this subject, it was stated in reply "That His Royal Highness considers that the command of Local or Irregular Regiments, if held by an Officer with the rank of Lieut.-Colonel, may qualify for the rank of Colonel under the provisions of the Warrant."

5. There were, however, two descriptions of Native Forces, with a Regimental organization, viz., the 1st Military, consisting of Regiments employed on duties of a strictly Military character; and 2nd, the Police, consisting of Irregular bodies, which, though having a Military organization, were ordinarily employed upon Civil and Police duties.

G. O. G. 4th March 1864, No. 88.

6. It was not intended that the command of a Corps of the latter description should qualify for promotion under the 8th Clause of the Royal Warrant, and it was with a view of drawing a distinction between the two descriptions of Force to which I have referred, that the words "under the orders of the Commander-in-Chief," which did not occur either in your letter or in that of the Military Secretary to His Royal Highness, but which were adopted as expressing in a few words the distinction which it was intended to make, were inserted in my reply to your reference.

7. While the object of the distinction was to exclude Officers of Police Battalions from the operation of the 8th Clause of the Warrant, it was not intended to exclude from the privilege conferred by it, Officers Commanding Regiments of a strictly Military character, whether serving directly under the Commander-in-Chief, or placed, for reasons of State policy, under the Civil Government.

8. I request, therefore, that the terms of your Order No. 39 of 1859, which would seem to exclude from the benefit of Clause 8 of the Royal Warrant, Officers Commanding Regiments or Forces of the latter description, may be modified, and that the rule, as now explained, may be applied, with retrospective effect, to such Officers as may be already entitled to promotion to the rank of Colonel under its provisions.

9. Under the operation of this order, the Punjab Force, the Hyderabad Contingent, and all such bodies of Troops will be considered as forming a portion of the Standing Army, and Officers serving with those Forces will be entitled to all the privileges regarding promotion granted to the Officers of the Army at large, by the usage of the service, or under the provision of the Royal Warrant.

No. 118 of 1864.—The following Military letter from the Right Honorable the Secretary of State for India is published for general information :—

From Her Majesty's Secretary of State for India, to the Right Hon'ble the Governor General of India in Council, No. 446, dated 31st December 1863.

SIR,—With reference to my Despatch, No. 436 of 25th November 1862, I have to inform you that the rule laid down in a Circular from the Horse Guards, No. 61 of the 24th August 1860, extends to all Officers holding the rank of Captain regimentally with the Brevet rank of Lieutenant Colonel, who may be serving in positions qualifying for promotion to the rank of Colonel, under the 8th Clause of the Royal Warrant of 31st January 1859.

2. It is therefore to be considered as applying to Officers of that rank holding the command of Regiments in the Indian Army.

3. A Captain and Brevet Lieutenant Colonel appointed to the command of a Regiment before the publication in General Order of the Horse Guards' Circular of the 24th August 1860, count his period of command as qualifying service for the rank of Colonel, but a Captain and Brevet Lieutenant Colonel appointed to a similar Command subsequent to the publication, would not so count it.

No. 58 of 1865.—The following Military Letter from the Right Hon'ble the Secretary of State for India, No. 377, dated the 25th November 1864, and the Abstract of Rulings therein referred to, are published for general information :—

The principle of the Rules will apply to Officers of the Indian Army holding qualifying appointments as well as to Officers of the Staff Corps, similarly situated and whose

promotion to the rank of Colonel is not provided for under paragraph 2 of the Staff Corps Warrant :—

MILITARY, No. 377. INDIA OFFICE, *London, 25th November* 1864.

TO HIS EXCELLENCY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

SIR,—The Secretary of State for War has recently determined on a revision of the computations of qualifying service upon which Officers of Her Majesty's Service have obtained promotion to the rank of Colonel under the Royal Warrant of 1858.

2. An Abstract of the Rulings of the Secretary of State for War, in interpretation of the Warrant, which have governed the revisions in the cases of British Officers is herewith transmitted, in order that a similar course may be adopted in reference to Officers of Her Majesty's Indian Forces under the Warrant applicable to them.

Captain or Major with rank of Brevet Lieutenant Colonel in Command of a mixed force amounting to 400 men for a period exceeding one calendar month at a time, unless the Officer in temporary command shall be in receipt of the pay of the command owing to the death or removal of the Commandant when the period (short of one calendar month) for which he receives the pay will be admitted as service of a qualifying nature under Clause 11.

Notes on foregoing.

Officers appointed to Staff situations at home (not commissioned) will reckon service from date of taking up the Staff duties, and Officers selected for similar appointments abroad will reckon service from date of embarkation to the station until date of disembarkation when returning home. Officers *acting* in Staff appointments which qualify for the rank of Colonel are not permitted to reckon such service unless confirmed in the appointment.

SIR,—With reference to my Despatch, No. 27, dated 30th January 1864, I have to acquaint you that as it has been determined that no deduction from the period of five years' service qualifying for the rank of Colonel is to be made on account of leave of absence taken by Lieutenant Colonels generally, the same rule is to be made to apply to the promotion of Lieutenant Colonels of the Staff Corps, under the Royal Warrant of 16th January 1861.

From H. M.'s Secretary of State for India, to the Right Honorable Governor General of India in Council, No. 26, dated 30th January 1861.

G. C. G. 1st April 1861, No. 120.

SIR,—My letter dated 8th October 1861, No. 389, informed you that it had been determined that Officers holding the rank of Colonel and Lieutenant Colonel regimentally in the Royal Artillery were not, in future, to be seconded when holding Civil situations. My Despatch of the 24th March 1862, No. 124, further informed you that the Supernumerary Lieutenant Colonels of the Royal Artillery were to be absorbed into the Regiment as vacancies occurred, and directed that a similar rule should be established with regard to the Indian Brigades.

2. Circumstances have hitherto prevented the carrying out this intention in the Royal Artillery, and the measure has, in consequence, been suspended, as respects the Indian Artillery also.

3. I am now informed that it is determined that the absorption of the Supernumerary Field Officers of the old Brigades shall commence on the 1st April next, and that with this prospect in view, the Field Marshal Commanding-in-Chief has commenced the discontinuance of the practice of placing Field Officers of Artillery on the Supernumerary list.

4. The absorption of the Field Officers in the new Brigades will not be commenced until the process is completed in the old Brigades, but no Field Officers of either Brigade will be placed on the Supernumerary list after this date.

5. It is understood that the absorption of the Field Officers will be affected in the manner indicated in my letter, dated 24th March 1862, No. 124, by making only one promotion for every three vacancies.

PROMOTION TO COLONEL—QUALIFYING SERVICE.

No. 586 of 1867.—The following Despatch from the Right Hon'ble the Secretary of State for India, is published for general information :—

MILITARY. INDIA OFFICE;
No. 119. *London, the 25th April* 1867.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—Para 1. With your Military letter No. 39, dated 28th February, paragraph 2, you transmit correspondence relative to qualifying service for promotion of Majors and Brevet Lieutenant-Colonels under the Royal Warrant of 31st January 1859.

2. As the Commander-in-Chief considers the point raised open to question, you state you are desirous of being informed whether the decision contained in your Officiating Secretary's letter No. 339, dated 11th February, is accurate, *viz.*, that no portion of the time passed on leave by a Major and Brevet Lieutenant-Colonel (for field service) Commanding a Regiment, can count as qualifying service for promotion to Colonel, under the provisions of Clause 10 of the Royal Warrant of 31st January 1859.

3. The clause referred to is as follows :—

"That the rank of Colonel be given to Officers who obtain the rank of Brevet Lieutenant-Colonel for services in the field after eight years of actual service with that rank."

4. When the period qualifying the Lieutenant-Colonel for the rank of Colonel, which had been fixed by the Royal Warrant of 1854 at three and six years respectively, was raised by the Warrant of 1858 to the periods of five and eight years, it was understood that no deductions from the extended periods were to be made on account of leaves of absence. It was subsequently determined (July 1859) that in respect of Lieutenant-Colonels in India, a limit should be placed on the period of absence to be reckoned as part of the five years qualifying for promotion to Colonel; and that fifteen months, being one-fourth of the whole period of five years, will be the term allowed, exclusive of leave obtained on medical certificate in consequence of wounds received in action."

5. This Regulation was to apply both to Her Majesty's British and Indian Forces serving in India.

6. Very shortly afterwards your Government were informed that, on a reference to the General Commanding-in-Chief, it had been ruled that leave of absence taken by a Brevet Lieutenant-Colonel who had obtained that rank for service in the field, was to reckon as part of the eight years' service required, under the Warrant of 31st January 1859, to qualify for the rank of Colonel. This decision was published in orders by your Government on the 21st September 1869.

7. You were informed recently that the practice under which leave of absence had been deducted from the five years' qualifying period, was to cease; and that the Field Marshal Commanding-in-Chief had seen the necessity of rectifying the position of all Colonels promoted since October 1858, who might have had their promotion retarded by the practice of limiting the leave of absence to fifteen months in the five years.

G. O. G. 14th June 1867, No. 250.

8. Your Government were directed to adopt a similar course in respect to the Colonels of Her Majesty's Indian Forces.

9. Your Government will thus observe that, although a limit was at one time placed on the leave of absence to be taken by a Lieutenant-Colonel qualifying under the five years rule, it has at no time been intended that any deduction on account of leave of absence should be made from the service of the Brevet Lieutenant-Colonel qualifying under the eight years rule, under Clause 10 of the Royal Warrant. The only qualification required under this Clause is, that an Officer should continue to serve on full pay for the period of eight years from the date on which he obtained the rank of Lieutenant-Colonel for service in the field.

10. The questions put by Sir William Mansfield to your Government, were as follow :—

1*st.*—Whether the period passed on leave by a *Major* and Brevet Lieutenant-Colonel Commanding a Native Regiment, is to be reckoned under Clause 10 of the Royal Warrant of 31st January 1859?

2*nd.*—Whether leave of absence, which has been allowed to count as service for pension, is to be deducted from the qualifying service of Captains and Majors holding command of regiments with the army rank of Lieutenant-Colonel?

11. With regard to these questions I have to remark as follows :—

12. Under the decision communicated to your Government on the dates noted in the margin, the command of Native Regiments held by substantive Majors being Brevet Lieutenant-Colonels, is to qualify for promotion to the rank of Colonel under the five years rule, in accordance with the provisions of Clause 9 of the Royal Warrant. Under the rulings of the Secretary of State for War, published in Orders in India on 13th January 1865, in respect to Clause 9, a regimental Major being a Brevet Lieutenant-Colonel, can only count the period he actually held command of a regiment towards the five years. On ceasing to exercise the command, he would, if a Brevet Lieutenant-Colonel for service in action, be in the same position as the Captain and Brevet Lieutenant-Colonel referred to in Sir Charles Wood's Despatch of 17th November 1864, No. 356, paragraph 5, that is, he would revert to the 10th Clause of the Warrant whilst on leave. The decision of the Field Marshal Commanding-in-Chief to this effect was communicated to you in Lord de Grey's Despatch dated 31st May 1866, No. 115. In this Despatch you were informed that, by the rules which govern the promotion of Officers of the British Service, the period during which an Officer, not a substantive Lieutenant-Colonel, is absent from his command on any account whatever, can only be allowed to reckon as qualifying for the rank of Colonel under the eight years rule.

27th October 1859, No. 380.
31st December 1863, No. 445.

13. The privilege under which leave of absence is, in certain cases, allowed to count as service for pension, relates to retirement on full pay only, and has no bearing on promotion under the Royal Warrants.

I have, &c.,

Staff Corps.

66. The organization and regulations of the Staff Corps to be formed in the several Presidencies are given in full detail in the Royal Warrant and the Despatch No. 27, now published. The

Royal Warrant, Clause 1, Despatch 27, para. 6. object of forming the Staff Corps is to supply a body of Officers for service in India, by whom various offices and appointments, hitherto held by Officers borne on the strength of the several Corps of Indian Forces, shall in future be held; it having been resolved that the practice of withdrawing Officers for such employment, while remaining on the strength of their Regiments, be discontinued, and that ultimately all Officers selected for such employment be transferred to Staff Corps.

67. These Corps will be denominated the Bengal, Madras and Bombay Staff Corps respectively, and will consist of such Officers as may be required for employment therein, and may be selected

Royal Warrant, Clause 1. by the Governments of the several Presidencies, with the approbation of the Secretary of State for India in Council.

Royal Warrant, Clause 2, Despatch 27, para. 6. 68. Officers of the British and Indian Armies now on Staff employ in India, not having the substantive rank of Colonel, are eligible for admission to the Staff Corps; and Officers of either Service under the rank of Field Officer, not now on the Staff, may, now or hereafter, become candidates.

69. Officers at present holding Civil and Political appointments of every description, and appointments in all Public Offices and Departments; Officers holding Military appointments on the General and Personal Staff, and the appointments of Commandant, second in Command, and Adjutant of Irregular and Local Corps; of Adjutant and Interpreter and Quarter Master of existing Local European and Native Regiments;—will be held to be now on Staff employ, and will be eligible, under the conditions hereafter noted, to have their names placed on the list of the Staff Corps; but Officers doing duty with Irregular and Local Regiments will not be regarded as being now in Staff employ.

70. So soon as the proposed changes in the organization of the Regular Native Regiments shall have come into operation, the whole of the Officers who will be permanently attached to them will be held to be on Staff employ.

Despatch 27, para. 6. 71. There will then be, as at present, two great divisions of employment for Officers of the Staff Corps:—

1st. Purely Military, as in Regiments of the Native Army.

2nd. Various Civil appointments, as Political, Public Works, &c.

There will be practically many sub-divisions of employment, for each of which there will be, as at present, separate Departmental Lists.

72. Officers of the Indian Army now holding Staff appointments of any description, will have the option of joining the Staff Corps if they do not possess the substantive rank of Colonel, or of

Royal Warrant, Clause 2, Despatch 27, paras. 13, 17. continuing in Staff employment, whatever their Regimental rank, without joining the Staff Corps; and in the latter case they will not, as heretofore, be required to vacate their appointments on the attainment of a certain Regimental rank. This paragraph does not affect the provisions of paragraph 15.

73. Officers of the Indian Army not now on the Staff, nor having the substantive rank of Colonel, but who within the last three years, or who, at the commencement of their present unexpired

Royal Warrant, Clause 2, Despatch 27, para. 26. Furlough, may have served permanently on the Staff, and who may make application within the next six months, will be considered eligible to join the Staff Corps on the same terms as those now on Staff employ; provided always that they have passed the prescribed examination in Hindoostanee, and that they did not lose their appointments through misconduct, and are not otherwise disqualified.

74. Officers of the British Army, now in Staff employment, will have the option of declaring their desire to be transferred to the Staff Corps, with the consent of the Commander-in-Chief in India,

Despatch 27, para. 16. within six months from the date of the notification of the Royal Warrant in India; or of retaining their appointments on their present footing, if their services are required by Government, for the unexpired portion of a period of five years from the date of their appointment, unless the Regiments to which they belong shall be previously removed from the Indian Establishment.

75. Those whose tenure of Staff appointments, at the time of transfer to the Staff Corps, shall have exceeded one year, will not be subjected to probation, or to any introductory test other than

Royal Warrant, Clause 2, Despatch 27, paras. 18, 19. those already prescribed for any department in which they may be serving; but Officers who may have held their appointments for less than one year will not be transferred *permanently* to the Staff Corps unless they possess the requisite qualifications, to be hereafter laid down, and shall have completed the period of probation to be prescribed. The option of joining the Staff Corps will be open to those Officers only who may be considered by the Governments under which they are serving to be in all respects fit for the Staff Corps.

Despatched 27, para. 15. Adjutant General's Dept. Quarter Mr. Genl.'s Dept. Brigade Majors and Fort Adjutants. Personal Staff. 76. Appointments on the General Staff of the Army specified in the margin, can only be held for five years; they may be held by Officers of the Staff Corps, or by other Officers of either Army, but will be subject henceforward to the limitations as to rank, which are laid down in "the Queen's Regulations and Orders for the Army," in Clauses 39 to 43 of the Section entitled "Duties of General and other Officers employed upon the Staff of the Army."

77. Officers now holding such appointments will not be required to vacate them for a period of two years from this date, or a period of seven years from the date of their appointment.

78. Officers not having the substantive rank of Colonel, now holding appointments on the Staff, as defined in paragraph 69, will at once be called upon to declare whether or not they desire to

Despatch 27, para. 26. join the Staff Corps, to enable such Officers to avail themselves of the advantages in the way of promotion, notified in paragraphs 84 and 85, they must communicate their decision to the Adjutant General within six months of the date of the publication of the Royal Warrant in India.

79. The selection of Officers hereafter, for the Staff Corps, will rest with the Governments in India, but no Officer serving with any Regiment will be admitted on probation without the con-

Despatch 27, para. 20. sent of the Commander-in-Chief, or without a certificate from the Commanding Officer of his Regiment, that he has efficiently performed his Regimental duty for the period prescribed in paragraph 80.

80. For the future, Officers not on the Staff will not be eligible for the Staff Corps unless they be below the rank of Regimental Field Officer, and have served three years with a Regiment, of

Royal Warrant, Clause 2. which two must have been in India, and have past the prescribed examination in

Despatch 27, paras. 19, 20. Hindoostanee. They will not be permanently appointed to the Staff Corps, unless, after the probation, they shall pass the prescribed tests for the branch of the Indian Service for which they may be selected. This rule applies equally to Officers of the British and Indian Armies.

Despatch 27, para. 20. 81. A subsequent notification will prescribe the period of probation and the tests of qualification in the several Departments.

Despatch 27, para. 21. 82. The promotion of Officers while on probation will go on in their respective Regiments.

Despatch 27, para. 24. 83. Officers of the British Army when permanently transferred to the Staff Corps will be removed from the strength of the Regiment to which they belonged.

84. The promotion of Officers of the Staff Corps will be regulated as follows:—

Royal Warrant, Clause 3, paras. 1 and 2. Ensigns, when permanently transferred to the Staff Corps, will have the rank of Lieutenant. Other Officers will have the rank which they may hold in their Regiments.

Officers of twelve years' service, of which four must have been in the Staff Corps, will become Captains. After twenty years' service, of which six must have been in the Staff Corps, they will become Majors. After twenty-six years' service, of which eight must have been in the Staff Corps, they will become Lieutenant-Colonels.

Five years' service in the Staff Corps as Lieutenant-Colonel, will entitle the Officer so employed to the Brevet rank of Colonel.

85. Officers now in Staff employment will be allowed to count, to the extent laid down in the Royal Warrant, as noted in the preceding paragraph, their past service towards promotion, as if it

Royal Warrant, Clause 3. had been performed in the Staff Corps. One step of rank will be given to every Officer whose period of service would qualify him for it according to the above rules, an

Despatch 27, para. 25. interval of two years at least must intervene between each succeeding step. But these privileges will be restricted to those Officers who, whether now in India, or on leave out of India, may declare their desire to be transferred to the Staff Corps within six months of the date of the notification of the Warrant in India.

Royal Warrant, Clause 2. 86. The Officers referred to in paragraph 73, will also be allowed this privilege, should they be permitted to join the Staff Corps.

Despatch 27, para. 26. Royal Warrant, Clause 3, para. 3. 87. The past service on the Staff, counting for promotion in the Staff Corps, will include any service of a permanent nature which an Officer now on the Staff may, from the date of his first arrival in India, have passed on the Staff.

88. Officers of the Staff Corps under the substantive rank of Field Officer, will be allowed to exchange with Regimental Officers of the Line of the same rank, on the recommendation of the

Despatch 27, para. 27. Royal Warrant, Clause 3, para. 6. Governments of the several Presidencies, with the concurrence of the Government of India and the Commander-in-Chief in India, and subject to the confirmation of Her Majesty. But it is to be understood that the Regimental Officer entering the Staff Corps by exchange will not necessarily assume the Staff appointment held by

the Officer with whom he exchanges. He will merely enter the Staff Corps on being found qualified for the Department of the Staff on which the Government may desire to employ him. Officers of the Staff Corps exchanging into a Regiment, will become the Juniors of their Regimental rank.

89. An Officer of the Staff Corps whose name is borne on the Cadre of an Indian Regiment, exchanging from the Staff Corps with an Officer of a British Regiment other than the new Line Regiments about to be formed, will give an effective step in the Cadre of his former Regiment.

90. It will be discretional with the Governments in India, as at present, to employ the Officers of the Staff Corps, in such manner as they may think best, in the situations for which their respective qualifications may render them most fitted. The appointments and promotions in the several Departments will rest, as at present, with the Governments in India, and will be made irrespectively of the rank which the Officer may hold in the Staff Corps. Those appointments, promotions, and recommendations now in the gift of the Commander-in-Chief, remain as heretofore.

Despatch 27, para. 22.

Despatch 27, para. 23.

91. Officers of the Staff Corps of one Presidency may, with the sanction of the Government of India, be employed in any other Presidency.

92. Unattached Officers of the Indian Service are eligible for the Staff Corps on the same terms as other Indian Officers.

93. Officers of the Staff Corps while on furlough will draw the pay of their rank, as laid down in the Clause of the Royal Warrant for Officers out of India, and in case of sickness will have the privilege of drawing for six months the allowances of Officers on sick leave in India. They will be allowed to retain their appointments during short periods of leave, not exceeding twenty months, during which time they will only receive the unemployed pay of their rank. With the above exceptions, the Officers of the Staff Corps will be under the New Furlough Regulations of the Indian Army.

Royal Warrant, Clause 8.
Despatch 27, para. 32.

94. A certain proportion of the Senior Officers of the Staff Corps will receive Colonels' allowance. Eventually the number will be fixed in the proportion of one for every thirty Officers on the Staff Corps, but this number can only be filled up as the establishment of Colonels on the old footing diminishes, so that the aggregate number of Officers receiving Colonels' allowance at one time shall never exceed the regulated number of Colonels' allowance for each Presidency.

Despatch 27, para. 30.

95. Officers of Her Majesty's Indian Forces joining the Staff Corps, will be entitled to pensions under the Regulations of the Indian Service. Officers of the British Army, entering the Staff Corps, will be allowed to retire on the following scale of pension, provided that not less than half of the required periods of service shall have been passed in the Staff Corps:—

Royal Warrant, Clause 3, para. 9.
Despatch 27, para. 29.

Scale.	£.	s.	d.	
After 20 years' service in India.	191	12	0	per annum.
„ 24 „ „	292	0	0	„
„ 28 „ „	365	0	0	„
„ 32 „ „	456	5	0	„

These periods of service will include the proportions of leave of absence in India or elsewhere laid down in the New Furlough Regulations, viz.:—

2 years in 20 years' service
3 „ 25 „
4 „ 30 „

96. All Officers of the Staff Corps in England who may not wish to retire, but are unable to return to India, and Officers removed from the effective list of the Staff Corps who may not be entitled to retire on the above scale of pension, may, provided they have served three years in India in the Staff Corps, be placed on a half-pay list, on the same rate of half-pay and on the same conditions as Officers of a similar rank in the British Army. Officers belonging to the Indian Forces who may avail themselves of this privilege will give an effective step in the Cadres of their Regiments. Officers placed on half-pay will be eligible to return to effective service, either in the Staff Corps or in Regiments of the Line. In the former case their names will not be restored to their old Cadres.

Royal Warrant, Clause 3, para. 10.
Despatch 27, para. 31.

97. No unemployed General Officer of the Staff Corps, who is not required by the Governments in India to remain there, will be allowed to receive pay on the Indian scale for a longer period than three years. At the expiration of that period he will be restricted to the pay fixed for Officers of his rank "out of India." This rule in no way affects the Colonels' allowance.

Despatch 27, para. 33.
Cancelled—Vide page 27.

98. Officers of the Staff Corps under the rank of Major-General, whom the Government of India may not see fit to employ in any capacity, will not be allowed to draw pay for more than four years, of which one year may be on the Indian scale, and three years on the scale fixed for Officers "out of India," after which period they will be placed on half-pay, or on pension according to the scale of their rank, if entitled thereto.

Despatch 27, para. 33.

99. The pay of Officers of the Staff Corps whilst unemployed has been fixed at the following rates:—

Royal Warrant, Clause 8.
Despatch 27, para. 23.

	Whilst required to remain in India. Per Mensem.	*Out of India.* Per Diem.

100. The pay and allowances to be established for the several Staff appointments, in all departments of Staff employ, will be announced in a subsequent notification, and meanwhile the Staff salary and other allowances of all appointments will remain unchanged.

Despatch 27, para. 23.

101. Officers of the Staff Corps are eligible for Brevet Rank, and will take their places on the General Gradation List in common with the rest of the Army. Those holding Military appointments will take Military Command according to their Army Rank, but Officers whilst holding only Civil appointments will not be entitled to assume such command. Civil appointments are those in any Civil branch of the Army, or under the Civil administration of Government.

Royal Warrant, Clause 3, paras. 4, 5.

102. Officers of the Staff Corps will succeed to Colonels' allowance according to their seniority as Lieutenant-Colonels in the Staff Corps. Lieutenant-Colonels entering the Staff Corps on its first establishment will take rank for Colonels' allowance according to the dates of their Commissions as substantive Lieutenant-Colonels. All Officers entering the Staff Corps will take with them the substantive rank they held at the time of joining it. Should two Officers of the same rank enter the Staff Corps, and be promoted on the same day, they will stand in the Corps according to the dates of their previous substantive Commissions. But Officers of the Staff Corps will take precedence and exercise command among each other according to their Army Rank.

103. All promotions in the Staff Corps, in the case of Officers who may join the Staff Corps within six months of the publication of the Royal Warrant, will take effect from the 18th February 1861, the date of the receipt of the Warrant in India.

Royal Warrant, Clause 7.

104. The power of removing Officers from the effective list of the Staff Corps will be exercised by Her Majesty through the Secretary of State for India.

105. The provisions of paragraph 90 are also applicable to appointments in the Ordnance, Survey, and Public Works Department.

(Signed) R. J. H. BIRCH, Major General,
Secretary to the Govt. of India.

No. 825 of 1861.—*The following paragraphs of a Military Letter from the Right Hon'ble the Secretary of State for India, No. 318, dated 10th August 1861, are published for general information:—*

Para. 1.—It appears to me that paragraph 98 of your General Order does not accurately express the intentions of Her Majesty's Government, and is liable to misapprehensions on the part of the Officers of the Army. The words "Officers of the Staff Corps, under the rank of Major-General, whom the Governments of India may not see fit to employ in any capacity," used in the paragraph, would appear to contemplate Officers whom the Indian Governments, in point of fact, considered to be unfit for employment. Such Officers ought to be removed from the Staff Corps under the authority specified in the 7th paragraph of the Staff Warrant, and placed upon half-pay or pension under the provisions of the 10th paragraph of the same Warrant.

2. The directions contained in paragraph 33 of my Despatch No. 27 of January 1861, were intended to apply not to *Officers unfit for employment*, "*whom* the Governments of India may not see fit to employ in any capacity," but to Officers who are perfectly fit for employment, but who, from circumstances of one kind or another, may be out of employment, for example, such as those who, in consequence of having overstayed the prescribed limit of absence, with retention of appointment, may find themselves, on their return to India, out of employment.

3. I proceed, therefore, to give you more precise directions on this subject.

4. Such Officers are, on their return to India, to be placed on the rate of pay specified, for their respective ranks, in the Staff Warrant for Officers "while required to remain in India," and they will retain this rate of pay for a year, before the expiration of which I expect that you will have an opportunity of placing them in some suitable situation. This it will be your duty to do at the earliest period, so that the revenues of India may not be charged for more unemployed Officers than is inevitable under the circumstances at the time.

5. If, however, no opportunity should occur within the year of placing such an Officer in a situation that you consider suited to him, you are authorized to continue such allowance until a suitable ing can be found.

6. I desire, however, that every such case shall be forthwith reported to me, and that a quarterly of all such unemployed Officers in India, at the date of their return to India, may be punctually transed to me.

7. You will modify the 98th paragraph of your General Order in accordance herewith.

No. 826 of 1861.—With reference to the foregoing Despatch, paragraph 98 of the General Order, 352, dated 19th of April 1861, is cancelled, and the following is substituted for it:—

98. Officers of the Staff Corps under the rank of Major-General, who may be considered unfit for loyment, will be removed from the Staff Corps under the authority specified in the 7th paragraph of Royal Warrant, and placed upon half-pay or pension under the provisions of the 10th paragraph of same Warrant.

Officers who are perfectly fit for employment, but who, from any circumstances, as, for example, from ing exceeded the prescribed limit of leave of absence, with retention of appointment, may be out of loyment, will, on their return to India, be placed on the rates of pay specified in the Royal Warrant Officers respectively "while required to remain in India," and such rates of pay they will retain for year, within which time it will be the duty of the Government of India to find suitable employment h if possible, but failing in this, the allowances above noted will be continued until an opening for loying them can be found.

No. 469 of 1866.—*The following Extract from General Orders by the Government of India, is ublished:—*

2. *Officers whose appointments are not specified in the Table of revised salaries will draw pay as at pre-t, and further orders will hereafter be issued with respect to the Office Establishment of those Staff cers who have hitherto drawn an Office allowance, such as Assistants Adjutant General of Divisions and jors of Brigade.*

Military Despatch, No. 160, May 22nd 1863.

Para. 1.—"Your several letters noted in the margin, relating to the salaries to be attached to Offices held by Military Officers in India, have been under my consideration in Council, and I have now to communicate to your Lordship the decision which, after an attentive perusal of the several papers which accompanied your letter, Her Majesty's Government have arrived at upon this subject.

2. The Committee of Secretaries appointed by your Government to consider the subject, have gone very carefully into the whole question, and have submitted a very valuable Report, which has greatly tended to facilitate and simplify the consideration of this important matter.

3. They observe of the Royal Warrant for the formation of the Staff Corps in India that, after fixing the scale of pay to be received by Officers attached to them while in India, and when out of India, it further provides that every Officer when in active employment will also receive, in addition to the above pay, such a sum as will make his total pay and allowances up to the sum assigned by the Government of India, with the approval of the Secretary of State for India in Council, as the consolidated pay of the office which he may hold.

4. Having consulted the several Governments, as well as the Chief Political and Military Officers of the Government, the Committee propose for adoption the following principles:—

1st.—That the salaries of Military Officers holding appointments connected with the Civil administration of the country should be consolidated and fixed without reference to the rank of the incumbent.

2nd.—That in the case of Military Officers in Staff employ, a certain salary should be fixed for every appointment, and that the incumbent should receive such fixed salary in addition to the Staff Corps pay of his rank.

3rd.—That this latter principle should apply to the Department of Public Works.

5. I concur generally in the principles here laid down, with some exceptions to be hereafter pointed out, as regards the Officers in Military Staff employ.

10. I have considered it necessary to deviate in some respects from the rates of salary proposed by the Committee, and I now forward, for the information of your Government, a Table of salaries which Her Majesty's Government have resolved upon, for the several offices enumerated in their report.

11. You will observe from the Table that, while adhering generally to the principle of allotting a Staff salary in addition to Staff Corps pay, it has been determined to fix the salaries of some few of the higher offices at a consolidated sum.

12. In the case of the other appointments it is to be understood that the Staff salary now fixed, plus the Staff Corps pay due to the Officer's rank, will constitute the maximum amount to be drawn by an Officer of that rank holding the office in question, whether such Officer belong to the Staff Corps or not. In the case of appointments held by Officers belonging to Her Majesty's British Forces, such maximum amount will include any pay or half-pay that may be paid to them in England.

13. I approve of the rule proposed by the Committee that in all cases where any allowance for "Office" is made, as in the case of Assistants Adjutant General, Brigade Majors, and others, it should be distinctly understood that the allowance is to be drawn only by Officers actually discharging the duties of the appointment, and that no further charge can be allowed for providing an office.

14. It is desirable that, whenever possible, the Public Offices should be located in public buildings, and it should be a standing Rule that all bills for Office allowance should be supported by a Certificate from the proper authority, that no public building was available for such Office.

15. I am of opinion, however, that Office Establishment should, as a general rule, be maintained according to a regulated scale, and should be paid on abstracts, supported by the usual monthly Muster Roll.

16. The principle laid down in the 4th Clause of the same paragraph has, you will perceive, been observed in the rate of salary allotted to the heads and Subordinate members of Departments at the several Presidencies; but I have extended to the Deputies of the Army Department at Head Quarters in Bengal the benefit of the Rule which gives to the Chief of those Departments a higher rate of salary than at Madras or Bombay.

	Rs.
Colonel	125
Major	100
Captain	75
Lieutenant	40

19. In the 2nd Clause of the 10th paragraph, the Committee observe "that, referring generally to the "expensive rates of living in Presidency Towns, we "think that the principle of allowing house rent may be "generally adopted at the rates marginally shown, and "we would recommend that it should be made applicable "to the Presidency Town of Madras, as well as to Cal-"cutta and Bombay."

20. I approve of the proposed scale, which will apply to officers at each Presidency not drawing consolidated salaries.

29. The scale of salaries now sanctioned, will be brought into operation and made to apply in all cases where there is no reduction in the present aggregate salary, on the payment due on the first of the month succeeding the receipt of this order.

30. Reduction of salaries effected by this order are not to be made to effect present permanent incumbents, or those who are officiating for such permanent incumbents, being temporarily absent from their duties.

4. Separate orders will be issued regarding the Staff salaries to be allowed to officers serving with Native Corps.

The Secretary of State's Despatch having been received on the 14th December 1863, increased pay, where granted by this order, is claimable for the month of December.

No. 157 *A of* 1863.—His Excellency the Governor General is pleased to publish the following extracts of a Despatch from the Right Hon'ble the Secretary of State for India, No. 311, dated 31st August 1863, regarding the absentee and acting allowances of Military Officers in Civil employ, the provisions of which are applicable to all the Presidencies.

Para. 31.—With your Despatch, No. 23, in the Financial Department, you forward a further Report from the Committee of Secretaries regarding the absentee and acting allowances of Military Officers in Civil employ, with a note thereon by your Financial Secretary.

Para. 32.—You concur generally in the recommendations of the Secretaries, with the amendments noted by the Financial Secretary, and propose the adoption of the following principles:—

1st.—That every Military Officer in Civil employ when on leave should draw pay under the Military Rules; and

2nd.—That every Military Officer when acting in any Civil appointment should draw his Civil pay under the Civil Rules.

Para. 33.—Upon these two principles you propose the following Rules for the Officer on leave:—

A Military Officer in Civil employ on leave, either in India or in England, shall draw precisely the pay which he would be entitled to draw under the Military Leave Rules, except when on privilege leave as hereafter specially provided.

Such pay shall be provided from the Civil Department excepting only in cases where the allowances so drawn would exceed the entire Civil pay of the appointment, when the excess will be paid by the Military Department. The Staff salary of any Officer shall be held to be the difference between the Indian pay and allowances of his rank and the full salary of his permanent appointment.

Para. 34.—For the Acting Officer your Government proposed the following Rules:—

A Military Officer acting for another in Civil employ shall draw deputation allowance under the rule by which the allowance is granted to Covenanted Civil Servants.

If the Officer be in Military Staff employ, such deputation allowance will be given in addition to his Military pay and allowances, plus half the Staff pay of his substantive appointment.

If the Officer hold no substantive Staff appointment, Civil or Military, it will be given in addition to his Military pay and allowances.

A Military Officer in Civil employ performing the duties of his substantive appointment, and at the same time officiating in another, is entitled to his substantive salary, and in addition to a deputation allowance of 20 and 10 per cent. on the Staff salary of the appointment in which he is officiating, provided the pay of the substantive appointment, with the addition of the deputation allowance, does not exceed the pay of the higher appointment.

A subordinate acting for his principal or for any other Officer at the same Station, is not entitled to deputation allowance for the first month while so acting, unless he is required to act on two occasions within a brief period (say twelve months), in which case he draws deputation allowance for the whole period during which he may have held the appointment in excess of one month as if he had acted continuously.

A Military Officer proceeding from one Civil appointment to another, shall be allowed to draw, during the authorized period of transit, out of the salary of the office he is about to join, a sum equal to that of his previous situation. This Rule to be preceded by an Order making the Civil Rules for joining time applicable to Military Officers in Civil employ.

A Military Officer in Civil employ can take three months' cumulative privilege leave (under the Civil Rules only) but he must earn it by thirty-three months' continuous service in the Civil Department alone.

Para. 35.—These several Rules are approved of.

CAMP MEEAN MEER, THE 29TH OCTOBER 1863.

No. 161 of 1863.—In continuation of General Order No. 156 A of the 13th instant, the annexed scale of Staff salaries hereafter to be allowed to Officers serving with Native Regiments under the new organization is published for general information, and with reference to this scale an extract (paragraphs 23, 24, 25, 26, 27, 28, 29, and 30) of Sir Charles Wood's Despatch, No. 311 of the 31st August last, is also published for information and guidance.

2. Detailed instructions will be issued by His Excellency the Commander-in-Chief for the guidance of Officers serving with Native Corps under the new organization, and the present system of payment of Troops and Companies and for repair of Arms, &c., will continue until a further order is issued by Government on the subject, the same Officers as at present drawing any allowances now authorized for the payment of Companies and repair of Arms.

The new system of placing European Officers in charge of Squadrons and Wings will, in all other respects, be brought into operation as soon as His Excellency the Commander-in-Chief can issue the necessary subsidiary order.

3. The Despatch of the Secretary of State having been received by the Right Hon'ble the Governor General on the 30th ultimo, increased pay is claimable from 1st September by Commandants, Adjutants, and Doing Duty Officers, as well as Seconds in Command of Cavalry; but when higher pay may accrue from Seconds in Command or others obtaining new appointments, as Wing or Squadron Officers or Quarter-Masters, such increased pay will only become due from the date of Officers assuming charge of the duties of such new appointments under the orders of the Commander-in-Chief.

4. With reference to paragraph 26 of Sir Charles Wood's Despatch, instructions will hereafter be issued as to the Scale of Office Establishment to be maintained by Adjutants. Meanwhile the allowance of Rupees 50 per mensem will be passed.

5. The pay now authorized is to be drawn in addition to Staff Corps pay only.

6. The rules now laid down are applicable to such Corps under their Excellencies the Commanders-in-Chief of the Bengal and Bombay Armies as now are or may hereafter be placed on the new organization, and to the Punjaub Irregular Force.

In other Irregular Corps no alteration is made in the Establishment, position or duties of Officers, but Commandants, Adjutants, Seconds in Command, and Doing Duty Officers are entitled to the increased pay.

7. The Corps of Regular Infantry on the Bengal Establishment will, under the orders of the Commander-in-Chief, be placed on the new organization from the 1st January next.

Extract, Secretary of State's letter, No. 311, dated 31st August 1863, paragraphs 23 to 30.

Para. 23. I have given much and careful consideration to these proposals.

24. I am of opinion that the salaries attached to these Regimental appointments should be such as to place them at least on a footing of equality with the average of the Staff appointments commonly held by Officers of similar rank and standing in the service, and while they should not be so far superior to the latter as to induce those to seek them whose natural tastes and qualifications might not otherwise incline them to this important branch of the Service, it is important, on the other hand, that young Officers, who, on first joining the Staff Corps, will frequently be employed with Native Troops, should not, if naturally fitted for Military Service, be tempted to relinquish it by the attraction of superior emoluments of other staff employments.

25. With these principles in view, and making due allowance for the advantages enjoyed by Staff Corps Officers in regard to promotion, and the comparatively early period at which they will attain the pay for the higher ranks, I am willing to sanction the scale of Staff allowance proposed by your Government for the Officers serving in different capacities with Native Regiments, which, though liberal, will probably not be found excessive.

26. In the case of the Regimental Adjutant, however, it appears desirable that an Office Establishment should be prescribed, which should be maintained and paid upon Abstracts supported by the usual Muster Rolls.

27. I learn from your Despatch No. 10, dated 3rd January 1863, that you have completed the Native Regiments in Bengal to six regularly attached and paid European Officers; exclusive of the Medical Officers, as announced in your General Order of the 12th December 1862, it being distinctly understood that the appointments made under that decision are held subject to such modifications as may be found necessary on receipt of my further instructions on the general question, and that you have authorized the Government of Bombay to extend the rule to such Regiments in that Presidency as are formed and officered according to the new organization.

28. I approve of these proceedings and shall await the result of your reference to the Government of Madras upon the introduction of the new system into the Army, of that Presidency.

29. The scale of salaries now sanctioned will be brought into operation and made to apply in all cases where there is no reduction in the present aggregate salary on the payment due on the 1st of the month succeeding the receipt of this Order.

30. Reductions of salaries effected by this Order are not to be made to affect present permanent incumbents, or those who are officiating for such permanent incumbents being temporarily absent from their duties.

Medical Department.

1. The grades of Medical Officers in Our Indian Military Forces shall be four in number, *viz*:—

i. Inspector General.

ii. Deputy Inspector-General of Hospitals.

iii. Staff or Regimental Surgeon; who after twenty years' service in India in any rank, shall be styled Surgeon-Major.

iv. Staff or Regimental Assistant-Surgeon.

2. No Candidate shall be admitted to the competitive examination for a Commission in the Medical Department of Our Army who does not possess such a certificate or certificates as would qualify a civilian to practice Medicine and Surgery.

3. No Assistant Surgeon shall be eligible for promotion to the rank of Surgeon until he shall have passed such examination as Our Principal Secretary of State for India in Council may require, and shall have served in India with the Commission of Assistant Surgeon for five years, of which two shall have been passed in or with a Regiment.

4. A Surgeon, whether on the Staff or attached to Regiments, must have served ten years in India, of which two must have been passed with the rank of Surgeon, in or with a Regiment, or as a Civil Surgeon, before he will be eligible for promotion to the rank of Deputy Inspector-General of Hospitals.

5. A Deputy Inspector-General of Hospitals must have served three years in India before he shall be eligible for promotion to the rank of Inspector-General.

In cases, however, of emergency, or when the good of the service renders such alteration desirable, it shall be competent for the Governor-General in Council to shorten the several periods of service abovementioned, in such manner as he shall deem fit and expedient.

6. Assistant Surgeons shall, as a general rule, be promoted to the rank of Surgeon in the order of their seniority in the service, unless unfit for the discharge of their duties from physical or professional incompetence or misconduct. In cases of distinguished service, however, an Assistant Surgeon may be promoted by Brevet, without reference to seniority, and in such cases, with a view to insure the responsibility attaching to an appointment made out of the regular course of promotion, the recommendation in which the services of the Officer shall be detailed shall be published in the General Orders of Our Indian Military Forces, and in the *Gazette* in which his promotion appears.

Relative rank shall carry with it all precedence and advantages attaching to the Military rank with which it corresponds, and shall regulate the rates of lodging money, number of servants, rations of fuel and light, or allowances in their stead, except for Officers and others to whom special rates have been assigned, detention and Prize Money, according to the regulations, and upon the conditions, in force, from time to time; but such relative rank shall not entitle the holder to Military command of any kind whatsoever, nor to the Presidency of Courts Martial, Courts of Enquiry, Committees, or Boards of Survey, but when the President of such Courts, Committees, or Boards shall be junior to the Officer of the Civil Department then such Member of the Civil Department shall attend as a witness, and not as a member.

Choice of quarters shall be regulated by relative rank according to date of Commission; except in the case of the Commanding Officers' quarters, and in cases in which special quarters shall be permanently appropriated, with the approval of the Secretary of State for War.

Relative rank shall not entitle the holder to salutes from Ships or Fortresses, nor to the turning out of Guards; but it shall entitle him, if Commissioned, to salutes by sentries, or by individual Soldiers.

Honorary rank of Paymasters shall carry with it all the privileges and advantages attaching to relative rank of corresponding degree.

All Commissioned Officers, serving with the Troops, shall be entitled to Funeral Honours, according to their relative Military rank.—Vide G. O. G., 16th March 1861, No. 104.

3. The plan which appears to your Excellency best suited to protect the public interests and the claims, at the same time, of Medical Officers is that of relaxing the rule embodied in the 8th Clause of the Warrant, in cases where superior Medical authorities certify the perfect competency and fitness of the Medical Officer, who has completed the age of fifty-five years without having obtained the rank of Deputy Inspector-General.

4. I am willing to assent to the adoption of this plan in regard to the Medical Officers who entered the service prior to the promulgation of the Royal Warrant, provided that the perfect competency and fitness of the Medical Officers be, in all cases, certified by a Board consisting of two Medical Officers, one of whom must be an Inspector-General or Deputy Inspector-General, and the Commanding Officer, or Senior Civil Officer, under whom the Medical Officer may have been serving.

5. The certificate of efficiency granted by such a Board may hold good for three years, but in no case will a Medical Officer under the rank of Deputy Inspector General be permitted to remain on the effective list after he shall have attained the age of sixty years.

7. All promotion from the rank of Surgeon to that of Deputy Inspector, and from the rank of Deputy Inspector to that of Inspectors, shall be given by selection for ability and merit; and the grounds for such selection shall be stated to us in writing, and recorded in the office of the Secretary of State for India in Council, the selection for the grades of Deputy Inspector being made from the whole rank of Surgeons, whether styled Surgeons or Surgeons-Major.

8. With a view to maintain the efficiency of the service, all Medical Officers of the rank of Surgeon Major, Surgeon, or Assistant Surgeon, shall be placed on the Retired List when they shall have attained the age of fifty-five years, and all Inspectors General and Deputy Inspectors General when they shall have attained the age of sixty-five years.

9. The relative rank of the Medical Officers of our Indian Military Forces shall be as follows:—

Staff or Regimental Assistant Surgeon as a Lieutenant, according to the date of his Commission, and after six years' service in India as Captain according to the date of the completion of such service.

6. A Medical Officer who may be unable to obtain the certificate of competency above referred to will be placed on the Retired List, receiving, as recommended by Government, the rate of pension next above that to which his period of service in India may entitle him, provided that he be not already entitled to retire on the higher rate, *viz.*, £760 a year.

7. A similar course may be pursued with respect to Medical Officers employed on unprofessional duties on their attaining the age of fifty-five years.

11. Medical Officers shall be entitled to all the allowances granted to Our Indian Military Forces on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

12. Their families shall, in like manner, be entitled to all the allowances granted, under existing regulations, to the families of combatant Officers holding the same relative ranks.

13. Medical Officers shall be held entitled to the same honors as the other Officers of Our Army of equal relative ranks.†

14. A Medical Officer, retiring after a service in India of twenty-five years and upwards, may, if recommended for the same by the Head of his Department, receive a step of honorary rank, but without any consequent increase of pay.

15. Six of the most meritorious Medical Officers of the Army shall be named Honorary Physicians, and six My Honorary Surgeons.—Vide G. O. G., No. 266, 18th June 1861.

6. The establishment of Medical Officers above the rank of Assistant Surgeon in the three Presidencies will, so long as there are Officers enough remaining on the old lists to complete these numbers be fixed:—

In Bengal... 152 | Madras... 86 | Bombay... 69

7. With a view of removing all cause of complaint and misunderstanding, on the part of the Officers of the Indian Medical Service, on the subject of their promotion to the rank of Surgeon Major, under the Royal Warrant of 13th January 1860, Her Majesty's Government have determined to give retrospective effect to that Warrant, and to cause all promotions made under its authority to be dated from the 1st October 1858, being the date of the Royal Warrant for the British Medical Department, and it has been further determined to modify the instructions conveyed to you in my Despatches, No. 397, dated 31st October 1860, and No. 386, dated 30th September 1861, and to permit the period of service, qualifying Surgeons for the rank of Surgeon-Major under that Warrant, to be calculated from date of first commission, including all leave of absence of whatever kind.

8. It has been further resolved, that the following change in the mode of payment of Officers serving in India, whether of the British or Indian Medical Department, shall be introduced from the date of the receipt of this Despatch.

9. From that date, the allowance of head money, as well as that for medical charge of British Regiments and Brigades, will be discontinued, excepting in the case of Assistant Surgeons, who will receive while in actual charge of British Regiments or Brigades of Artillery, a special allowance of Rupees 150 per mensem in addition to their pay.

10. The following will be the rate of pay for Officers of the several grades in the Medical Department, below that of Inspector and Deputy Inspector General, who receive special salaries, whether belonging to the British or the local service:—

Rank.	Years' Service.	Relative Rank.	Half Batta.			Full Batta.

Ditto ...	5	Lieutenant ...	304	14	2	335	12	2
Ditto ...	under	Ditto ...	286	10	0	317	8	0

11. Surgeons of Her Majesty's Service, not being Surgeon Majors, who may be in medical charge of Regiments or Brigades, at the date of publication of the Order, will not be affected by this rule, but will continue to receive their pay and allowances while attached to such Regiments, as heretofore.

12. Officers of the British Medical Department attached to Brigades of Horse Artillery and Regiments of British Cavalry will draw, in addition to the rate of pay above laid down, horse allowance at the following rate:—

Rank.	Years' Service.	Relative Rank.	Additional Horse Allowance, when attached to a British Cavalry Regt.

Deputy Inspector General as Lieut. Colonel, according to the date of his appointment.*

Inspector General of Hospitals as Brigadier General, according to the date of his appointment; if with an army in the field, or after three years service in India as Inspector General, as a Major General, from the date of his joining such army in the field, or according to the date of the completion of such service.

* And after five years' service in India as Deputy Inspector General, as Colonel, according to the date of the completion of such service.

† This Clause does not extend to the compliments to be paid by Garrison or Regimental Guards as laid down in pages 29 and 30 of the Queen's Regulations for the Army

13. Officers of the Indian Medical Service will receive pay, while on furlough in Europe, according to the following scale:—

Rank.	After 30 years' Service on full pay.	After 25 years' Service on full pay.	After 20 years' Service on full pay.	After 15 years' Service on full pay.	After 12 years' Service on full pay.	After 10 years' Service on full pay.	After 5 years' Service on full pay.	Under 5 years Service on full pay.

Asst. Surgeon ...	...	...	...	...	...	13 0	11 6	10 0

14. The rule regarding pension, at present applicable to the Officers of the Indian Medical Service, will remain in force with the following modification:—

15. Officers compelled to leave the service on account of ill health, and entitled to half pay pension under present Regulations, will be allowed the half pay of their relative rank, as laid down in the Royal Warrant, dated the 1st October 1858. This rule will apply to all Officers retiring upon half pay pension from a date subsequent to the receipt of this Despatch.—Vide G. O. G., 12*th July* 1864, No. 261.

Para. 15. 3. My Despatch dated 16th May last, No. 152, stated that Officers compelled to leave the service on account of ill health, and entitled to half pay pensions under present Regulations, would, in future, be allowed the half pay of their relative rank.

4. Under these circumstances, I am of opinion that in respect to retirement on half pay, the Assistant Surgeon, after a service of six years, should be treated as an Officer having the Regimental rank of Captain has hitherto been treated; that is, without being required to show any qualifying period of service, he should be permitted to retire on the half pay of Captain, on showing sufficient proof of disqualification for further service.

5. Medical Officers under six years' service having the rank of Lieutenant, will continue, in respect to retirement on account of ill health, subject to the Regulations applicable to Subaltern Officers.—Vide G. O. G., 24th March 1865, No. 117.

ASSISTANT SURGEONS—IN MEDICAL CHARGES.

No. 288 of 1867.—The following Military Letter from the Right Hon'ble the Secretary of State for India, No. 266, dated 7th December 1866, is published for general information:—

G. O. G. No. 136, 29th March 1867.

MILITARY. No. 266. INDIA OFFICE; *London, the 7th December* 1866.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—I have considered in Council your Military Letter No. 243, dated 21st September 1866, transmitting correspondence regarding the title of an Assistant Surgeon in medical charge of a British Regiment or Brigade of Artillery during the absence of a Surgeon on "privilege leave" to the special remuneration of Rupees 150 per mensem laid down in paragraph 9* of Sir Charles Wood's Despatch, No. 152, dated 16th May 1864.

* Government General Order No. 507 of 1864.

2. In reply I have to inform you that the special grant of Rupees 150 referred to was sanctioned to Assistant Surgeons of Her Majesty's service in India who might, by the exigency of the service, be placed temporarily in medical charge of a British Regiment.

3. It should be allowed, therefore, in all cases of an Assistant Surgeon succeeding to the temporary charge on the death, removal, or absence on medical certificate of the Surgeon, but it was not intended that any such extra charge should be incurred as a consequence of the Regimental Surgeon being absent on private leave and for his own convenience.

I have, &c

INDIAN MEDICAL DEPARTMENT—ADMINISTRATIVE STAFF.

No. 657 of 1867.—With reference to G. G. O., No. 456, dated 5th May 1865, the following letter from the Right Hon'ble the Secretary of State for India, is published for general information:—

MILITARY. No. 144. INDIA OFFICE; *London, the 24th May* 1867.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—Para. 1. In your Military letters, dated 8th and 23rd March last, Nos. 47 and 72, you submit for decision a question which you state has arisen with advertence to the order which allows officiating service "*on full pay* in the rank of Deputy Inspector General of Hospitals," to reckon towards the additional pension granted to an Officer of that rank after five years' service therein, including only six months on medical certificate, whether the period of five years to which the tenure of that appointment, as well as that of Inspector General of Hospitals, is restricted, should be inclusive or exclusive of such officiating service.

* Or on promotion, should these periods of service not be already completed.

G. O. G. 1 July 1867. No. 296.

2. It appears to me that, if officiating service on full salary of appointment is to count towards the additional pension, it must necessarily count likewise as part of the five years' tenure of the appointment both of Inspector and Deputy Inspector General of Hospitals. The term of five years to which the appointment is limited, should I think, be regulated as follows:—

It should include any period during which an Officer may have acted as Inspector or Deputy Inspector on full allowances before his permanent appointment. On his permanent appointment, his tenure would be held to expire at the end of five years, including the period of such officiating service, whether after his permanent appointment he may have taken leave of absence or not.

3. A Deputy Inspector General of Hospitals who may, under these circumstances, fail to complete the required service for the additional pension of £250 a year, may, if he shall subsequently be appointed Inspector General, and shall not serve long enough in that grade to entitle him to the pension of £350 a year, reckon his service as Inspector General in addition to that as Deputy Inspector General, towards the period required for the additional pension of the latter grade.

I have, &c.,

GOVERNMENT OF INDIA—FINANCIAL DEPARTMENT—No. 1,909.

LEAVE AND ALLOWANCES.

Read the undermentioned papers:—

Letter from the Comptroller General of Accounts, No. 213, dated the 6th June 1867, suggesting, with reference to the above, "that the pay of Civil Assistant Surgeons "should, during transfer from one appointment to another, be charged to the Civil "Department."

Letter from the Deputy Accountant General, Bengal, No. 753, dated the 27th June 1867, enquiring whether, during the journey of a Medical Officer from one civil appointment to another, his allowances should be treated as a civil charge and be limited to the amount of the unattached pay of his rank, "or be regulated by the salary attached to the station in which he last served."

G. O. G. 10th Sept. 1867, No. 382.

Endorsement from the Military Department, No. 322, dated the 12th ultimo, forwarding a copy of correspondence regarding an enquiry whether the allowances of a Medical Officer in civil employ should be debited to the Civil or the Military Department during his absence on leave, or while he is in transit from one civil appointment to another.

RESOLUTION.—The Governor General in Council observes that, under the orders of the 4th and 25th April 1867 mentioned above, the salaries of Military Medical Officers in medical charge of Civil Stations are consolidated, and is accordingly pleased to rule that, in common with Military and other Medical Officers in civil employ on consolidated salaries, they shall, during periods of transit from one civil appointment to another, which are to be limited by the civil rules for joining time, draw the salary of the lower paid appointments of the two, and that such salary as well as the allowances admissible to these Officers during absence on leave, shall be disbursed in and charged to the Civil Department.

Secretary to Government.

MEDICAL OFFICERS—RATES OF PAY.

FORT WILLIAM, *the 26th November* 1864.—No. 953 of 1864.—There being considerable misunderstanding with respect to the pay and allowances to be drawn by Medical Officers under the instructions contained in the Despatch of the Secretary of State published in Government General Order No. 507,* of the 20th June 1864, the following Rules are laid down for observance in the three Presidencies, with effect from the date laid down in Government General Order, No. 508,† of the same day, and pending further reference to the Secretary of State.

I. All Medical Officers, whether of the British or Indian Forces, who were in receipt of consolidated salaries at the date of publication of the General Order, or who may have subsequently succeeded or may hereafter succeed to situations the salaries of which are consolidated, will draw such consolidated salary and no more.

When so situated as to be entitled to draw only half Staff salary, such Officers will draw the pay of their rank according to para. 10 of the Despatch of the Secretary of State, and half the difference between that sum and the amount of the consolidated salary.

In such case the Officer acting will also draw the new rate of pay for his rank and the half difference remaining undrawn by the permanent incumbent.

II. Surgeon Majors serving with British Regiments will draw pay according to length of service as laid down in para. 10, with the addition of the Horse allowance sanctioned in para. 11, if attached to Regiments of Cavalry or to Brigades of Horse Artillery, and of Rupees 30, if attached to Brigades of Field Artillery.

* Madras G. O. G. 12th July 1861, No. 261.

G. O. G. 7th Dec. 1861, No. 370.

III. Surgeons of British Regiments who were in Medical charge of Regiments of British Cavalry and Infantry on the 20th June 1864, will be allowed to continue to receive the pay and allowances then drawn.

Their claim to the old rate will not be invalidated by their proceeding on leave in India and ceasing for a time to draw Staff salary or Head money. During such period they will draw the new rates of pay of their rank and on return to their Corps receive their old emoluments.

When promoted to Surgeon-Major, they will draw only the pay of that grade.

IV. Surgeons of British Regiments who were not in charge of Corps on the 20th June 1864, are only entitled to the new rates of pay of their grade whether absent or present, with the prescribed Horse allowance if attached to Cavalry or Horse Artillery, and Rupees 30 Horse allowance if attached to Field Artillery.

V. Assistant Surgeons of the British Service will in all cases receive the pay of their standing as laid down in para. 10, with an addition of Rupees 150 if in Medical charge of a Regiment of Cavalry or Infantry or Brigade of Artillery, or a permanent Depôt, besides Rupees 60 per mensem Horse allowance if with Cavalry or Horse Artillery, and Rupees 30 if attached to Field Artillery.

VI. Medical Officers of the Indian Service who do not come under the provisions of Clause I of this Order, will draw the same pay and allowances as before the issue of the Order, unless it is below the pay assigned to their rank in para. 10, in which case they will be permitted to draw the higher rate of pay. In the latter case they will draw Horse allowance at the prescribed rates if with Cavalry, Horse Artillery or Field Artillery.

VII. Medical Officers drawing pay under the old Rules will receive any advantages to which they would become entitled by these rules in consequence of promotion or having completed five, six or ten years' service as Assistant Surgeons.

VIII. Medical Officers, whether of the British or Indian Service holding Staff appointments, and in receipt of Staff or half Staff salaries, will, until further orders, draw the present rates of Staff salary in addition to the old scale of pay, receiving any increase in the latter to which they would have become entitled by promotion, unless the aggregate shall be less than the pay of their grade under para. 10, of the Secretary of State's Despatch, in which case they will receive the latter only. When on leave they will draw the new rates of pay without Staff salary, the acting incumbent drawing the Staff salary with the old rate of pay, or the new rates without Staff pay, as may be most advantageous.

IX. Conveyance allowance will not be admissible to Assistant Surgeons on the new rates of pay.

X. The authorized allowance for the Medical charge of the Staff of Divisions or Brigades, will be passed in addition to pay and allowances whether on the old or new scale.

The foregoing is in substitution of any orders or decisions on the subject that may have previously been given.

Fort William, the 23rd December 1864.

No. 1060 of 1864.—The following Military Letter from the Right Hon'ble the Secretary of State for India, No. 340 of the 7th November 1864, is published for general information:—

15. Her Majesty's Government have therefore determined that the duties of the Medical Officers of the British Army serving in India shall, in future, be kept wholly distinct from those of the Medical Officers of the Indian establishment, and that there shall be a separate administrative establishment for each.

16. Under these circumstances, it will be necessary that the administrative establishments in the several Presidencies should be revised, and the duties of the several Medical Officers of the higher grades re-distributed, and I request that you will take the subject into early consideration, with a view of determining the numbers of Inspectors General and Deputy Inspectors General of each service that will be required to conduct the administrative duties of the respective services in each Presidency.

17. In my Despatch No. 152, I authorized your augmenting the number of Officers above the rank of Assistant Surgeon

In Bengal to	152
,, Madras to	86
,, Bombay to	69

leaving the aggregate establishment of Medical Officers in each Presidency the same as before.

18. That establishment is at present as follows:—

Bengal	425
Madras	243
Bombay	193

19. You were informed, in my Despatch No. 291, dated 8th August 1863, that the War Office would take measures for relieving, as soon as possible, the Assistant Surgeons of the Indian Army from the Brigades of Artillery and new Line Regiments, and the same course will hereafter be adopted as a necessary consequence of the transfer of those Regiments to the British Army, in regard to the Surgeons. A reduction in the establishment of Medical Officers required for service in India will necessarily follow, and I request that the subject of the number likely to be required henceforward in the several Presidencies, may receive your early consideration.

20. In making this calculation you will, of course, take into account the several situations which may be properly filled up by uncovenanted members of the Medical profession.

21. It is believed that, in consequence of all appointments to the local service having ceased during the last three years, the aggregate number of Medical Officers at present borne on the strength of the several Presidencies will be, if anything, below the prospective wants of the service: but I shall make arrangements without delay for filling up vacancies as they may occur on your revised establishment.

22. The promotion of Assistant Surgeons who may hereafter enter the Indian Army will be regulated by length of service, and not, as heretofore, by succession to vacancies in a fixed establishment of Officers of the higher grades.

23. Assistant Surgeons of 12 years' service from the date of first Commission (of which two years shall have been passed in charge of a Native Regiment,) who shall have passed the prescribed examination in professional subjects, will be promoted to the rank of Surgeon.

24. The benefit of this rule is to be extended to all Assistant Surgeons now in the Indian Service, but Officers now in the service who may be so promoted will be considered supernumeraries to the establishment of Surgeons as recently laid down, so that no promotion by seniority will take place until such supernumeraries are absorbed.

25. You will make the promotions consequent upon this concession from the date of receipt of this Despatch.

26. In the Despatch above referred to, I informed you that you were authorized to introduce certain changes in the mode of payment of Officers of the Medical Department serving in India, and you were informed that, pending a further communication upon the subject, Officers of the British or Indian Medical Service, holding Staff appointments, the salaries of which are consolidated, will continue to draw their salaries as at present; and all Officers of the Indian Medical Department in the receipt of Staff salaries, including such as are in Medical charge of Native Regiments, will continue to draw the aggregate amount of pay and Staff allowances they now receive, provided it be not less than the rate of pay laid down in the above table for Officers of their rank and standing in the service.

27. I have now to inform you that it has been determined that in future all employment on the part of Medical Officers of the Indian Service involving the receipt of special Staff salary shall be considered as Staff employment, the salaries being in all cases consolidated; and that all appointments, whether Civil or Military, held in future by Officers of the present Indian Medical Service below the rank of Deputy Inspector General, will be alike tenable by Surgeon Majors, Surgeons, and Assistant Surgeons.

28. The salaries of the principal administrative and Military appointments are fixed at the following consolidated sums:—

Inspector General	2,500	whether of the British or Indian Medical Service.
Deputy Inspector General	1,800	
Surgeon Major in charge of Native Regiments	1,000	with Rupees 90 horse allowance in Cavalry Regiments.
Surgeon in charge of ditto	800	with Rupees 90 ditto ditto.
Assistant Surgeon above 5 years' full pay service in charge of Native Regiments	600	with Rupees 60 ditto ditto.
Assistant Surgeon under 5 years' ditto.	450	with Rupees 60 ditto ditto.

But Officers now in the Indian service will receive the pay due to their rank as laid down in para. 10 of my Despatch No. 152 of 16th May 1864, when such pay is in excess of the consolidated salaries above-mentioned.

29. Officers who may hereafter be appointed to the Indian Medical Service will receive pay when unemployed in India according to the following scale:—

Rank.	Years' Service.	Unemployed Pay. Rs.	A.	P.
Surgeon Major	25	888	12	0
Ditto	20	852	3	7
Surgeon	15	677	6	11
Ditto	12	640	14	6
Assistant Surgeon	10	410	9	5
Ditto	6	392	5	2
Ditto	5	304	14	2
Ditto	under 5	286	10	0

30. The salaries of other Medical appointments in the Civil and Military Departments will be revised with reference to the above, and fixed at a consolidated sum, and I request that a report may be made to me upon the subject with as little delay as possible. In the meantime, the aggregate sums at present received in each case will continue to be drawn.

31. With a view of promoting the efficiency of the service, it has been further determined that the tenure of office by a Deputy Inspector General of the Indian Service shall, as in the case of Inspectors General, be limited to five years; Officers being, however, if not disqualified by age, eligible either for employment for a second tour of duty in the same grade, or for employment in the higher grade of Inspector General by promotion thereto.

32. You will follow, in the cases of Officers now holding the office of Deputy Inspector General, the same course which your Government adopted in 1861, in regard to combatant Officers holding certain Staff appointments, and permit all such to hold their offices for two years longer, irrespective of the periods they may severally have served in them. Should any Officer have served up to the present time less than five years, he will be allowed to complete a full period of seven years.

33. The rank of Inspector General and Deputy Inspector General conferred upon Officers of the Indian Medical Service under the Royal Warrant of the 13th January 1860, is to be considered as substantive rank.

These Officers, on vacating office at the expiration of the five years' tour of duty, will be permitted in future to draw respectively an unemployed salary of Rs. 1,200 per mensem in the former, and Rs. 900 in the latter case, for a period of six months from the date of their vacating office, after which they will be placed, while unemployed, on the rate of pay laid down in my Despatch of the 16th May 1864 for Officers of corresponding rank in Europe. These sums, deducted from the consolidated salary, will regulate the moiety of Staff salary to be drawn by Officers of those grades during absence on sick certificate. The decision reported in the 3rd paragraph of your letter No. 242 of 1864 will cease to operate from the date of publication of the present Despatch.

34. With a view to improving the position and prospects of Officers of the Indian Medical Service it has been resolved to introduce prospectively the following revised pension rules.

35. Officers of the Indian Medical Service will be allowed to retire on the following scale of pension, on completion of the required periods for service:—

	£
After 30 years' service in India	550
" 27 " " "	456
" 24 " " "	365
" 21 " " "	292
" 17 " " "	220

36. An Inspector General, after five years' active employment in India in that grade, will be entitled to retire upon a pension of £350 per annum, in addition to that to which he may be entitled under the above scale.

37. A Deputy Inspector General will, after five years' active employment in India in that grade, be entitled to retire upon a pension of £250 per annum, in addition to the pension to which he may be entitled under the above scale.

38. In each of the above cases, six months' absence on medical certificate will be allowed to count towards actual service in those grades.

39. Officers now in the Indian Medical Service will, on retirement, have the option of pension according to the above rules, or according to those now in force.

40. My attention has been directed on this occasion to the rule regarding the qualification of an Assistant Surgeon for promotion to the rank of Surgeon required under Clause III of the Royal Warrant, dated 13th January 1860. There can be no doubt that this rule, which has been again brought to notice by a recent Despatch from your Government, requiring a service of two years in or with a regiment, bears very hardly on many Officers, the nature of whose employment precludes their showing the required qualification, and who, on entering the service, had no reason to suppose that such a regulation would be adopted.

41. These considerations have induced me to consent to exempt from the operation of the clause of the Royal Warrant all the Assistant Surgeons who entered the service prior to its date. It is to be understood, however, that the rule is to be strictly enforced in the case of all Medical Officers who entered the service after January 1860.

42. In my Despatch No. 152 of 16th May 1864, para. 7, I informed you that Her Majesty's Government had determined to modify the instructions given in my Despatches of the 31st October 1860 and 30th September 1861, and to permit the period of service qualifying Surgeons for the rank of Surgeon Major, under that Warrant, to be calculated from date of first Commission, including all leave of absence of whatever kind.

43. I have now to inform you that the same principle is to be observed with respect to the grant of honorary rank on retirement, under the clause 14 of the Royal Warrant, and that the 25 years' service qualifying for a step of honorary rank, the requirements of the clause in other respects being fulfilled, shall be inclusive of all leave of absence.

44. I have further to inform you that it has been determined, as in the case of combatant Officers of the Indian Army, to confer upon the Medical Officers of that service Royal Commissions in substitution for those which they now hold conferring rank in Her Majesty's Service in any part of the world. The Medical Officers of Her Majesty's Indian Service will not, however, be required to serve out of India, except with their own consent.

45. I have, lastly, to inform your Excellency that Assistant Surgeons appointed to Her Majesty's Indian Service in future will not be called upon to become subscribers to any Military or Medical Funds, and that Her Majesty's Government have determined to guarantee to present incumbents on and subscribers to the several Medical Funds the annuities and pensions to which they are, or to which they, their widows and children may become entitled from those Funds, according to the regulations now in force, and at the present rates of subscription. But this guarantee must be regarded as conditional on the absolute transfer of the assets of the Fund to the Government, and must not be construed as conveying to any Fund, or to any member of it, benefits which are not actually provided for in the regulations as at present in force.

46. The widows and children of Medical Officers hereafter appointed to Her Majesty's Indian Service will be granted pensions not less than those to which they would be entitled under the provisions of the Royal Warrant of June 15th, 1855.

47. The above measures, which obviously tend greatly to improve the condition and prospects of the Medical Service in India, cannot be carried out, as your Government will at once perceive, without a heavy expense to the State. It is hoped, however, that the result will be at once to diffuse a spirit of satisfaction and contentment among the Officers now in the service, and to secure for the future a certain supply of Medical Officers of good social position, liberal education, and professional ability for Her Majesty's Service in India.—Vide G. O. G., 6th January 1865, No. 9.

MILITARY. INDIA OFFICE,

No. 11. *London, 25th January* 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—With your letter dated 5th November last, No. 376, you submit a question which has been raised regarding the rate of pension to which Medical Officers, who may be compelled to retire from sickness or accident after a service of six years, are to be held to be entitled, with reference to the General Order No. 507, of 20th June 1864, which notified that Medical Officers entitled to half-pay pension, under present Regulations, are eligible for the same according to their relative Army rank, as fixed by Royal Warrant.

2. By the Royal Warrant of 13th January 1860, an Assistant Surgeon, after six years' service as such, is to have relative rank as Captain. The same Warrant declares that "such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds."

G. O. G. 24th March 1865, No. 117.

3. My Despatch dated 16th May last, No. 152, stated that Officers compelled to leave the service on account of ill health, and entitled to half-pay pensions under present Regulations, would, in future, be allowed the half-pay of their relative rank. Para. 15.

4. Under these circumstances, I am of opinion that in respect to retirement on half pay, the Assistant Surgeon, after a service of six years, should be treated as an Officer having the Regimental rank of Captain has hitherto been treated; that is, without being required to show any qualifying period of service, he should be permitted to retire on the half pay of Captain, on showing sufficient proof of disqualification for further service.

5. Medical Officers under six years' service having the rank of Lieutenant, will continue, in respect to retirement on account of ill health, subject to the Regulations applicable to Subaltern Officers.

MILITARY. INDIA OFFICE,

No. 54. *London, 28th February* 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—With your letter dated 6th January, No. 13, you transmit papers relative to a question raised by Dr. F. Anderson, Deputy Inspector General of Hospitals, as to whether an Officer of the Indian Medical Service can retire on half pay under the same conditions as are necessary in the case of an Officer of the British Medical Department, i. e., without residing in a temperate climate for the usual term of a furlough.

G. O. G. 21st April 1865, No. 152.

2. My Despatch dated 16th May last, (No. 152, paragraph 15) out of which this question has arisen, referred to Officers compelled to leave the service on account of ill health, and entitled to half pay pension under present Regulations. By those Regulations an Officer is precluded from retiring from the service on half pay pension in India. Under these circumstances, the view taken by your Government is quite correct, viz., that my Despatch referred to merely altered the rate of pension, and did not affect the rule of the service, which requires an Officer, to entitle him to half pay pension, first to try the effects of a temperate climate.

MILITARY. INDIA OFFICE,

No. 91. *London, the 24th March* 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—The Military letter from your Government, dated 21st January, No. 36, submits two questions with regard to the retirement of Medical Officers, arising out of the late alterations with respect to the Medical Service. With regard to the first, it appears to you that all service on the full pay of the appointment in the case of Inspectors and Deputy Inspectors General of Hospitals, should reckon towards the 5 years' service in those grades qualifying for the additional pension; and that the aggregate period of "service in India," noted in para. 35 of my Despatch dated 7th November last, No. 36, is to include the periods of leave hitherto allowed to reckon under the new furlough rules as service for pension.

G. O. G. 19th May 1865, No. 194.

2. This is quite in accordance with the intentions of Her Majesty's Government.

3. With regard to the second point, you apprehend that the six months' leave on medical certificate, referred to in para. 38 of my Despatch, applies only to the tenure of the appointments of Inspector General and Deputy Inspector General, and not to the time of pension under para. 35.

4. This view is also quite correct; the tenure of appointment referred to being that which is to entitle Officers of these grades to the additional pensions after five years' active employment in India.

Fort William, 3d April 1860.

No. 364 of 1860.—Under instructions from Her Majesty's Secretary of State for India, the portions of Her Majesty's Warrant of the 1st of July 1859, which refer to relative rank and precedence of Veterinary Surgeons of Her Majesty's British Forces, are declared to be applicable to Veterinary Surgeons of Her Majesty's Indian Forces.

It has not been considered expedient at present to alter the existing Regulations affecting the pay and allowances or the condition of Invaliding and retirement of this class of Officers.

Extracts from Her Majesty's Warrant of 1st July 1859, *which are declared applicable to Veterinary Surgeons of Her Majesty's Indian Forces.*

1.—The Grades of Veterinary Surgeons in Our Army shall be three in number, viz.:—

1. Staff Veterinary Surgeon.
2. Veterinary Surgeon of the 1st Class.
3. Veterinary Surgeon.

The following General Orders by His Excellency the Governor General of India in Council are republished:—

Fort St. George, 6th Sept. 1861, No. 301 of 1861.

GENERAL ORDERS BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Fort William, the 19th August 1861.

No. 722 of 1861.—The following paragraphs of a Military letter from the Right Hon'ble the Secretary of State for India, No. 278 of the 8th July 1861, are published for general information:—

"1. Since the date of my Despatch* No. 233, I have received a communication from the Secretary of State for War, enclosing a letter from the Principal Veterinary Surgeon, Woolwich, who, with reference to the doubt expressed in your Military letter No. 41, dated 2nd April last, as to the practicability of examining Veterinary Surgeons in India, in order to test their fitness for promotion, expresses an opinion that it is very desirable that if the Royal Warrant of 1st July 1859 be adopted, it should be fully carried out, and states that no difficulty was encountered in doing so, in the cases of the 2d and 6th Dragoon Guards, both in India, the examinations being written and carried on confidentially between the Officer in Command of the Regiment and himself. 7th June 1861.

"2. Lord Herbert concurs in the opinion that no sufficient ground has been shown for a modification of Clause 3 of the Warrant requiring Veterinary Surgeons to be examined as applied to India.

"3. Under the new organization of the Army in India, there will henceforth be no Regimental employment for Veterinary Surgeons of the Local Service, but those now in the service may be promoted under the Royal Warrant of 1st July 1859, their examinations being conducted by means of written questions prepared by the Principal Veterinary Surgeon in this country, in the mode above described.

"4. In carrying out this arrangement, a list of the Veterinary Surgeons, who have served the required periods for promotion, should be sent Home from time to time, in order that the examination questions may be prepared and transmitted to India."

This cancels the decision communicated in letter from the Right Hon'ble the Secretary of State for India, dated 7th June last, published in Government General Order No. *625, of the 16th July 1861.

* Madras G. O. G. 30th July 1861, No. 250.

3. No Veterinary Surgeon shall be eligible for promotion until he shall have passed such examination as Our Principal Secretary of State for War may require, and shall have served on full pay, with the Commission of Veterinary Surgeon, for five years.

4. A Veterinary Surgeon of the First Class must have served fifteen years in the Army, with the Commission on full pay, before he will be eligible for promotion to the rank of Staff Veterinary Surgeon.

5. In cases however of emergency, or when the good of the service renders such alteration necessary, it shall be competent for Our Secretary for War to shorten the several periods of service abovementioned in such manner as he shall deem fit and expedient.

6. Promotion from one rank to another shall not necessarily be given by seniority, but by selection for professional ability and meritorious conduct.

15. The relative rank of the Veterinary Officers of Our Army shall be as follows:—
Veterinary Surgeon on appointment, as Subaltern.
Veterinary Surgeon of the First Class on promotion, as Captain.
Staff Veterinary Surgeon on promotion, as Major, but junior of that rank.

16. Such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds (except as regards the Presidency of Courts Martial, and of all Military Courts, Committees, and Boards of Inquiry, where Our will and pleasure is that the senior combatant Officer be always President, and except further any Military command whatever), and shall regulate the choice of quarters, rates of lodging money, field allowances, forage, servants, fuel and light, or allowances in their stead, detention, and prize money. But when a Veterinary Officer is serving with a Regiment, Corps, or Detachment, the Officer Commanding, though he be junior in rank to such Veterinary Officer, shall be entitled to a preference in the choice of quarters.

17. Veterinary Officers shall be entitled to all the allowances granted———on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

18. Their families shall, in like manner, be entitled to all the allowances granted———to the families of combatant Officers holding the same relative ranks.

19. Veterinary Officers shall be held entitled to the same honours as other Officers of Our Army of equal relative rank. This does not, however, extend to the compliments to be paid by Garrison or Regimental Guards, as laid down in the Regulations of Our Army.

SIR,—I have been in communication with the Secretary of State for War on the questions raised in the letters of the dates noted in the margin, regarding the position of the Veterinary Surgeons of the Indian Service who may declare for general service in Her Majesty's Army.

2. I stated that it appeared to me that such of these Veterinary Surgeons as might volunteer for general service would become an integral part of Her Majesty's Army, and hold the same position as the Veterinary Surgeons in that Army; that they would be considered to have terminated all connection with their former service; and that they would be allowed to reckon their past service towards pay, promotion, and half-pay on retirement under the provisions of the Royal Warrant of the 1st July 1859.

3. The Secretary of State for War has expressed his concurrence in these views.

4. This decision should now be communicated for the information of the Veterinary Surgeons of the Local Forces at the three Presidencies, and a return of the Veterinary Surgeons desirous, on such conditions, to enter Her Majesty's general service, should be transmitted to me for communication to the Secretary of State for War.

5. The connection with the respective Military Funds of such of the Veterinary Surgeons of the Local Forces as may volunteer for, and be accepted for, Her Majesty's general service, will depend upon the regulations of the Funds of their respective Presidencies.

VICTORIA R. 8

Whereas it hath been represented to Us that it is expedient to raise the position and rank of the Veterinary Surgeons of Our Army, and to increase the pay and half-pay of the Officers of that service; Our will and pleasure is, that from and after the date of this Our Royal Warrant, the following Rules shall be established for the admission, promotion, and retirement, and for the pay, half-pay, relative Rank and allowances of the Veterinary Surgeons of Our Army, and that by these Rules Our Commander-in-Chief shall be governed in recommending Officers for admission, promotion, and retirement.

1. The grades of Veterinary Surgeons in Our Army shall be three in number, viz :—

1. Staff Veterinary Surgeon.
2. Veterinary Surgeon of the First Class.
3. Veterinary Surgeon.

2. No candidate shall be admitted into the Veterinary Department of the Army until he shall have satisfactorily passed an examination before a Board of Military Veterinary Surgeons.

3. No Veterinary Surgeon shall be eligible for promotion until he shall have passed such examination as Our Principal Secretary of State for War may require, and shall have served on full pay with the Commission of Veterinary Surgeon for five years.

4. A Veterinary Surgeon of the First Class must have served 15 years in the Army with a Commission on full pay before he will be eligible for promotion to the rank of Staff Veterinary Surgeon.

5. In cases, however, of emergency, or when the good of the Service renders such alteration necessary, it shall be competent for Our Secretary of State for War to shorten the several periods of service abovementioned in such manner as he shall deem fit and expedient.

6. Promotion from one rank to another shall not necessarily be given by seniority, but by selection for professional ability and meritorious conduct; such selection to be made by Our Principal Veterinary Surgeon; and the ground of such selection shall be stated to Us in writing, and recorded in the Office of Our Commander-in-Chief, together with the recommendation of the Principal Veterinary Surgeon.

7. The rates of pay of the Veterinary Officers of Our Army shall be in accordance with the following schedule:—

	Service on Full Pay.					
	After 25 years.	After 20 years.	After 15 years.	After 10 years.	After 5 years.	On appointment.

9. After the date of this Our Warrant, every Veterinary Officer placed on half-pay by reduction of establishment, or on the report of a Medical Board, in consequence of being incapacitated by reason of ill-health, caused by wounds or brought on by the discharge of his duties, shall be allowed

the half-pay which his period of full-pay service may entitle him to, according to the following schedule :—

10. With a view to maintain the efficiency of the Service, all Officers of the rank of Veterinary Surgeons and Veterinary Surgeons of the First Class shall be placed on the Retired List when they shall have attained the age of 55 years; and all Staff Veterinary Surgeons when they shall have attained the age of 65 years.

11. Officers thus superannuated shall be entitled to the rate of half-pay, stated in the preceding schedule.

12. Every Veterinary Officer who shall have served upon full pay for 25 years and upwards shall have the right to retire upon half-pay, at the rate of two-thirds of the daily pay he was in receipt of when thus retiring, provided he shall have served three years in the rank from which he retires, or shall have served in any rank for ten years in the Colonies, or five years with an army in the field. But if he shall not have complied with any one of these conditions, he shall be entitled only to half-pay at the rate of two-thirds of the daily pay he was in receipt of before his last promotion.

13. Every Veterinary Officer thus claiming to retire must give six months' notice to the head of his Department of his intention to claim this right, prior to his being allowed to retire; and no Veterinary Officer shall be entitled to give such notice after he shall be under orders to proceed to any foreign station, until he shall have served at such station for one month.

14. If a Veterinary Officer be placed on half-pay from any other cause than those hereinbefore mentioned, he shall only be allowed a temporary rate of half-pay, not exceeding the rates stated in Clause 9 for such period and at such rate as shall be assigned to him by Our Secretary of State for War, on a consideration of the length and character of the services rendered by such Veterinary Officer.

15. The relative rank of the Veterinary Officers of Our Army shall be as follows :—

Veterinary Surgeon, on appointment, as Subaltern.

Veterinary Surgeon of the First Class, on promotion, as Captain.

Staff Veterinary Surgeon, on promotion, as Major, but junior of that rank.

16. Such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds (except as regards the Presidency of Courts Martial, and of all Military Courts, Committees, and Boards of Inquiry, where Our will and pleasure is, that the senior combatant Officer be always President, and except, further, any military command whatever), and shall regulate the choice of quarters, rates of lodging money, field allowances, forage, servants, fuel, and light, or allowances in their stead, detention and prize money. But when a Veterinary Officer is serving with a regiment, corps, or detachment, the Officer commanding, though he be junior in rank to such Veterinary Officer, shall be entitled to preference in the choice of quarters.

17. Veterinary Officers shall be entitled to all the allowances granted by Our Warrant of 13th July 1857, on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

18. Their families shall, in like manner, be entitled to all the allowances granted by Our Warrant of 15th June 1855, to the families of combatant Officers holding the same relative ranks.

19. Veterinary Officers shall be held entitled to the same honors as other Officers of Our Army, of equal relative rank. This does not, however, extend to the compliments to be paid by garrison or regimental guards, as laid down in the Regulations of our Army.

Given at Our Court of St. James' this first day of July 1859, in the twenty-third Year of Our Reign.

By Her Majesty's Command,

SIDNEY HERBERT.

FORT ST. GEORGE, 13TH JUNE 1865.

No. 224 1865.—The following Extract from General Orders by the Government of India, are re-published :—

Simla, the 22nd May 1865.

VETERINARY SURGEONS.—PAY AND ALLOWANCES.

No. 504 of 1865.—With reference to G. G. O. Nos. 363 and 364,* dated 30th March 1860, the Right Hon'ble the Governor General in Council is pleased to direct the publication of the following paragraphs of a letter from the Right Hon'ble the Secretary of State for India, No. 109, dated 7th April 1865, and to notify that the increased allowances therein authorized are to have effect from the 1st May 1865 :—

Para. 1. With my letter dated 24th November 1859, No. 412; I transmitted to you copies of a Royal Warrant, dated 1st July 1859, regulating the rank, pay, promotion, and retirement of Veterinary Surgeons of Her Majesty's British Forces ; and I directed that such parts of this Warrant as related to relative rank and precedence should be made applicable to the Veterinary Surgeons of Her Majesty's Indian Forces. At that time, it was not considered expedient to alter the existing regulations affecting the pay and allowances, or the conditions of invaliding and retirement, of this class of Officers.

2. Consequent on the recent extension to Medical Officers of the benefits of the rates of pay and allowances fixed by the Royal Warrant of 1st October 1858, for the Medical Officers of the Army, I have had under my consideration in Council the subject of the allowances drawn in India by Veterinary Surgeons of the British and Indian Forces respectively.

3. Your letter dated 21st December last, No. 470, also draws my attention to the present scale of pay to Veterinary Surgeons in India, which is stated to be relatively much less than that granted in England and the Colonies.

4. It appears to me that the time has now arrived at which other provisions of the Royal Warrant of 1st July 1859 may be introduced into India, in addition to those specified in my letter of the 24th November 1859, above referred to.

5. It has been accordingly resolved that the rate of pay laid down in the Royal Warrant, with the Indian allowances of the relative rank of the Officer, shall, for the future, be adopted as the scale of pay for Veterinary Surgeons of the British and Indian Forces. From the date of commencement of these allowances, all extra allowance of whatever description will cease.

6. The rate of pay of Veterinary Surgeons of both services will then be as follows :—

7. Veterinary Surgeons of the Indian Service will hereafter receive pay while on furlough according to the following scale :—

8. Veterinary Surgeons compelled to leave the service on account of ill health, and entitled to half-pay Pensions under present regulations, will be allowed the Indian rates of half-pay of their relative rank, as laid down in the Royal Warrant of 1st July 1859.

* Madras G. O. G., 17th April 1860. No. 168

9. Veterinary Surgeons of the Indian Medical Service will be allowed to retire on the following ale of pension, on completion of the required periods of service, *viz.* :—

	£
After 20 years.....	200 a year.
„ 25 „	250 „
„ 30 „	300 „

10. The amalgamation of the Veterinary Surgeons of the British and Indian Forces being contemplated, no further alteration in regard to the position on retirement of the Veterinary Surgeons of e latter Forces appears to me to be at present called for.

11. The other advantages held out by the Royal Warrant to Veterinary Surgeons and their milies, are to be adopted and declared applicable to India, as far as the differences of the service will mit.

12. Such Veterinary Surgeons of the local forces as have expressed their desire to volunteer for neral service, should be allowed to reconsider their decision on your receipt of this Despatch.

This rule is subject to modification hereafter, when circumstances may render it no longer necessary or desirable to grant to the Officers of the Madras Army a higher pecuniary reward for passing the full examination in the 2nd standard than is given to Officers of the other Presidencies.

II. The full pecuniary reward of Rupees 360, will be given to Officers passing the H. S. examination in Hindustani only.

III. Officers who have already passed, or who may pass the H. S. examination in Hindustani only, will be allowed to hold appointment and to draw Staff Salary for 12 months, reckoned from the 29th May 1867, within which they will be required to qualify in the second language.

IV. At the expiration of the period abovementioned—the 29th May 1868—no Officer unqualified under the Examination Rules in force prior to 1st February 1865 will either be appointed to, or be allowed to retain a paid Staff appointment, who has not fulfilled the requirements of the higher or second standard, by having passed in Hindustani and Hindi, or in some other language in lieu of Hindi.

V. In cases where the formation of a Committee for examination in any second Vernacular is certified to be impracticable, Officers proceeding for the first time will be allowed their travelling expenses, to and from the nearest station at which it is found possible to assemble a Committee. The grant of this indulgence is however to cease on the 29th May 1868.

VI. An Officer, who having passed the H. S. in Hindustani may select and pass in another language in lieu of Hindi, will be considered to have fulfilled the requirements of the Higher Standard and be eligible for Staff employment in any part of India.

2. Rules I, V and VI, will have retrospective effect from the 1st February 1865.

No. 250 of 1867.—The following Extracts from General Orders by the Government of India, are re-published :—

Simla, the 30th May 1867.

Public Quarters—Presidency Towns.—No. 579 of 1867.—In continuation of G. G. O., No. 859, dated 11th October 1866,* His Excellency the Governor General in Council is pleased to notify, under instructions from the Right Honorable the Secretary of State for India, that whenever Staff Officers, for whom public quarters are not generally provided, and who, when stationed at Presidency Towns, are entitled to the superior or Presidency rate of house-rent, may occupy public quarters (which, when available, they should be required to do), they are to forfeit Presidency house-rent in full payment of the rent of such quarters.

The 31st May 1867.

Artillery Officers—Depot Service.—No. 585 of 1867.—With the sanction of the Right Hon'ble the Secretary of State for India, His Excellency the Governor General of India in Council is pleased to notify that all Officers of the late Indian Brigades of Artillery, who may have served or who may hereafter serve at the Depôts in England, shall be allowed to count as service for pension, the whole time they may have so served, provided they are not in excess of the authorized Establishments of those Depôts.

Promotion to Colonel—Qualifying Service.—No. 586 of 1867.—The following Despatch from the Right Hon'ble the Secretary of State for India, is published for general information :—

MILITARY. INDIA OFFICE ;
No. 119. *London, the 25th April* 1867.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—Para. 1. With your Military letter No. 39, dated 28th February, paragraph 2, you transmit correspondence relative to qualifying service for promotion of Majors and Brevet Lieutenant-Colonels under the Royal Warrant of 31st January 1859.

2. As the Commander-in-Chief considers the point raised open to question, you state you are desirous of being informed whether the decision contained in your Officiating Secretary's letter No. 339, dated 11th February, is accurate, *viz.*, that no portion of the time passed on leave by a Major and Brevet Lieutenant-Colonel (for field service) Commanding a Regiment, can count as qualifying service for promotion to Colonel, under the provisions of Clause 10 of the Royal Warrant of 31st January 1859.

3. The Clause referred to is as follows :—

"That the rank of Colonel be given to Officers who obtain the rank of Brevet Lieutenant-Colonel for services in the field after eight years of actual service with that rank."

---

* Madras G. O. G., 11th December 1866, No. 460.

4. When the period qualifying the Lieutenant-Colonel for the rank of Colonel, which had been fixed by the Royal Warrant of 1854 at three and six years respectively, was raised by the Warrant of 1858 to the periods of five and eight years, it was understood that no deductions from the extended periods were to be made on account of leaves of absence. It was subsequently determined (July 1860) that in respect of Lieutenant-Colonels in India, a limit should be placed "on the period of absence to be reckoned as part of the five years qualifying for promotion to Colonel; and that fifteen months, being one-fourth of the whole period of five years, will be the term allowed, exclusive of leave obtained on medical certificate in consequence of wounds received in action."

5. This Regulation was to apply both to Her Majesty's British and Indian Forces serving in India.

6. Very shortly afterwards your Government were informed that, on a reference to the General Commanding-in-Chief, it had been ruled that leave of absence taken by a Brevet Lieutenant-Colonel who had obtained that rank for service in the field, was to reckon as part of the eight years' service required, under the Warrant of 31st January 1859, to qualify for the rank of Colonel. This decision was published in Orders by your Government on the 21st September 1860.

7. You were informed recently that the practice under which leave of absence had been deducted from the five years' qualfying period, was to cease; and that the Field Marshal Commanding-in-Chief had seen the necessity of rectifying the position of all Colonels promoted since October 1858, who might have had their promotion retarded by the practice of limiting the leave of absence to fifteen months in the five years.

8. Your Government were directed to adopt a similar course in respect to the Colonels of Her Majesty's Indian Forces.

9. Your Government will thus observe that, although a limit was at one time placed on the leave of absence to be taken by a Lieutenant-Colonel qualifying under the five years' rule, it has at no time been intended that any deduction on account of leave of absence should be made from the service of the Brevet Lieutenant-Colonel qualifying under the eight years' rule, under Clause 10 of the Royal Warrant. The only qualification required under this Clause is, that an Officer should continue to serve on full pay for the period of eight years from the date on which he obtained the rank of Lieutenant-Colonel for service in the field.

10. The questions put by Sir William Mansfield to your Government, were as follows:—

1*st*.—Whether the period passed on leave by a *Major* and Brevet Lieutenant-Colonel Commanding a Native Regiment, is to be reckoned under Clause 10 of the Royal Warrant of 31st January 1859?

2*nd*.—Whether leave of absence, which has been allowed to count as service for pension, is to be deducted from the qualifying service of Captains and Majors holding command of Regiments with the Army rank of Lieutenant-Colonel?

11. With regard to these questions I have to remark as follows:—

12. Under the decision communicated to your Government on the dates noted in the margin, the command of Native Regiments held by substantive Majors being Brevet Lieutenant-Colonels, is to qualify for promotion to the rank of Colonel under the five years' rule, in accordance with the provisions of Clause 9 of the Royal Warrant. Under the rulings of the Secretary of State for War, published in Orders in India on 13th January 1865, in respect to Clause 9, a Regimental Major being a Brevet Lieutenant-Colonel, can only count the period he actually held command of a Regiment towards the five years. On ceasing to exercise the Command, he would, if a Brevet Lieutenant-Colonel for service in action, be in the same position as the Captain and Brevet Lieutenant-Colonel referred to in Sir Charles Wood's Despatch of 17th November 1864, No. 356, paragraph 5, that is, he would revert to the 10th Clause of the Warrant whilst on leave. The decision of the Field Marshal Commanding-in-Chief to this effect was communicated to you in Lord de Grey's Despatch dated 31st May 1866, No. 115. In this Despatch you were informed that, by the rules which govern the promotion of Officers of the British Service, the period during which an Officer, not a substantive Lieutenant-Colonel, is absent from his Command on any account whatever, can only be allowed to reckon as qualifying for the rank of Colonel under the eight years' rule.

27th October 1859, No. 380.
31st December 1863, No. 445.

13. The privilege under which leave of absence is, in certain cases, allowed to count as service for pension, relates to retirement on full pay only, and has no bearing on promotion under the Royal Warrants.

I have, &c.,

Indian Army—Purchase System—Compensation Claims.—No. 607 of 1867.—In G. O., No. 212,† dated the 25th February 1867, rules were laid down for the grant of compensation for loss of sums subscribed by Officers of the late Indian Army for the purpose of assisting their seniors to retire.

2. These rules were issued under the authority of Lord Cranborne's Despatch No. 160 of the 8th August 1866, published in G. O., No. 808 of the 26th September last; but, inasmuch as it appeared to the Government of India that a literal adherence to the terms of paragraphs 12 to 17 of that Despatch would be contrary to the spirit of the Despatch, and in fact lead, save in very rare cases, to no payments at all, a departure from the precise letter of the instructions was decided on, and without

* Madras G. O. G., 28th April 1867, No. 171.
† Madras G. O. G., 12th March 1867, No. 106.

going into minute and often almost impracticable investigations as to all the payments made by Officers in each rank and grade, and as to the benefits received in consequence of those payments, the Government settled to pay in full whatever sum an Officer had disbursed towards the purchase of steps in the rank he held on the 18th February 1861, subject only to the deductions ordered in paragraphs 13 and 17 of Lord Cranborne's Despatch No. 160 of the 8th August 1866.

3. The Government of India was advised that "it was more to the interests of the Officers "concerned to give them the full benefit of any sums they may have paid in the grade they held at the "date of re-organization, than to investigate the claim of each from the date of his entering into the "service, and accord him the balance in his favor on the general account;" and that "a very few could "submit the requisite details or substantiate their claims;" and further, that "it is believed that "of those few a very small percentage would be able to show any balance in their favor."

4. The Government of India acted on this view in the General Order of the 25th February last, in the 6th paragraph of which, the terms on which payment was to be made were laid down; but it was also notified, in the same paragraph, that "very exceptional cases" (in which, in fact, a claim might not be met by the rule then laid down) "would be specially considered."

5. Copy of a Despatch from the Secretary of State for India, No. 124 of the 2nd May 1867, is published for general information, from which it will be seen that Her Majesty's Government, while not objecting to the rule laid down in paragraph 6 of the General Order by which an actual payment can, under certain circumstances, be received by an Officer without reference to advantages gained, still desire that the payments in previous grades be also calculated, as well as the advantages gained by such payments.

6. In pursuance of these orders the payments due under paragraph 6 of the General Order will still be made in full, irrespective of any account of the sums paid in ranks below that which an Officer held on the 18th February 1861.

7. At the same time each Officer's claim on account of payments made while in a lower rank will be investigated, and if a balance appears in his favor after the deductions made under paragraphs 13 and 17 of the Despatch of 8th August, No. 160, it will be credited to him; but in no case will any debit that may appear against him in consequence of such investigation, be deducted from a payment due under the preceding paragraph.

8. The burden of proof of payment must, in each case, rest with the Officer preferring a claim; and it will remain with the Committee already appointed in each Presidency, to decide on the sufficiency of the evidence brought forward by Officers as to the different payments they may have made for the purpose of assisting their seniors to retire; and to carry out the provisions of paragraph 7 of this order, the money gained by each step so purchased will be debited against the sums proved to have been paid in ranks lower than that held on the 18th February 1861.

For instance, a Lieutenant who purchased one step, and by this became a Captain ten months earlier than he otherwise would have attained the rank, will be debited with a sum equal to ten months' difference of pay between Lieutenant and Captain; while an Officer who had aided in purchasing three steps while in the rank of Lieutenant, and thereby became a Captain three years earlier, would have to be debited with three years' difference of pay between Lieutenant and Captain.

9. In making these calculations the Committee will not take into account any deaths of Officers, subsequent to retirement, as affording a claim to a credit, on the ground that the purchase of the step had not produced the full benefit anticipated, but will simply estimate the money value of each step purchased, according to the earlier promotion *to the next higher rank* thus gained.

10. No sums paid to Officers transferred to the Invalid Establishment can, under the orders of the Secretary of State, be credited to an Officer under any circumstances; and in all cases deductions from sums due under paragraphs 6 or 7 of this Order, must be made to the extent of any amount the retired or retiring Officer may have received, or may receive, from the juniors of his regiment or cadre, or from his Regimental Retiring Fund, and also on account of the value of any special annuity a retired Officer may have received in addition to his regulated pension.

11. Applications for compensation will continue to be submitted as directed in G. O., No. 212 of the 25th February last; but amended *forms* of application will now be used,—copies of which will be supplied on application to the Secretaries of the several Compensation Committees.

12. The Governments of Madras and Bombay, and the President of the Compensation Committee in Bengal, will forward to the Secretary to the Government of India in the Military Department, on the 1st of each month, a statement of claims submitted, and of the decisions thereon which have been arrived at.

2. The general principles which, on the recommendation of the Committee of Officers in Bengal, you have laid down for the guidance of the Committees at the three Presidences, are calculated to simplify and facilitate the investigation of Officers' claims. I do not consider, however, that the adoption of the general rule proposed by your Government, will carry out so fully the intentions of Her Majesty's Government in this respect as the more particular investigation of each case, contemplated by the instructions conveyed in the 13th paragraph of Lord Cranborne's Despatch No. 160 of 8th August 1866, and in the first paragraph of that of the 15th December last, No. 284.

3. To the rule laid down in paragraph 6, so far as it concedes compensation in full to Officers for sums paid in the regimental rank which they held at the date of the re-organization of the Army, I have no objection; but it appears to me that the denial, save in very exceptional cases, of all compensation for sums paid in previous grades, is inconsistent with the instructions contained in those Despatches.

4. The actual investigation of each Officer's claim will, no doubt, as you observe, be attended with difficulty, but the difficulty is not insuperable; and it is most desirable that the intention of Her Majesty's Government, expressed in the above Despatches, should be borne in mind, *viz.*, that each Officer concerned should, as far as possible, be secured from absolute loss upon the money he has actually paid throughout his entire service with a view to the purchase of promotion; and it seems to me that this object cannot be sufficiently attained in any other manner than that described in the Despatch of the 8th August last, *viz.*, considering each case upon its own merits.

5. I should wish, therefore, that you should take such steps as may appear to you to be necessary to give full effect to the intentions expressed in Lord Cranborne's Despatches of the 8th August and the 15th December.

I have, &c.,

(Signed) STAFFORD H. NORTHCOTE.

Fort St. George, 25th June 1867.

No. 269 of 1867.—The following Extract from a General Order by the Government of India, is re-published, and the rules contained therein are declared applicable to this Presidency :—

Simla, the 6th June 1867.

Medical Department, Rules.—Circles and Stations.—No. 603 of 1867.—With reference to G. G. O. No. 901* of the 26th October 1866, His Excellency the Governor General in Council is pleased to notify that the circles of Medical Superintendence attached to the British and Indian Medical Services will henceforth, or until further orders, comprise the Stations detailed below :—

* * * *

2. The Barrackpore, Benares, and Sealkote Circles are abolished, and the stations on the Arracan Coast are transferred to the Pegu Circle of Medical Superintendence.

3. The arrangements now notified will have effect from the dates on which the Deputy Inspectors General may assume charge of their respective circles.

4. With advertence to paragraphs 7 and 13 of the General Order of the 26th October 1866, the distribution of duties between the Deputy Inspectors General of the two services, will be regulated as follows :—

I.—Duties strictly connected with the British Troops, whether professional, economic, or sanitary, will be vested solely in the Administrative or Senior Officers of the British Medical Service; and those connected with the Native Army and bodies of men belonging to it in the Senior Medical Officers of the Indian Service.

No returns or reports connected with such duties, will consequently be required by Officers of one service from those of the other, excepting those referred to in Rule VIII below.

II.—The Senior Medical Officers of the two services on the spot, whatever their rank may be, will act as the sanitary Officers and advisers of the Officer Commanding the station, in all matters relating to their respective departments, or duties, as above indicated; and they will have the entire superintendence of the sanitation of the lines, bazaars, and establishments attached to them, of the regiments belonging to their respective services.

III.—Questions relating to the general health of the station as a whole, or those in regard to which there is any doubt as to the jurisdiction, should be considered and reported on by the Cantonment Board of Health, of which the Senior Medical Officers present of the two services, should be *ex-officio* members; or, if the question be a purely medical one, it may be considered by a Board of Medical Officers of both services, the senior presiding.

IV. The President of any Medical Board, or Officers or Soldiers of either service *always*, if practicable,—and the members also of such Boards as far as can conveniently be arranged,—should belong to that service.

V.—The arrangements for hospital servants for British Troops will be carried out by the Deputy Inspector General, or Senior Medical Officer, British Service, in communication with the Commissariat Department, under the rules which have hitherto guided the Deputy Inspectors General of the Indian Army in similar matters.

---

* Madras G. O. G., 13th November 1866, No. 421.

VI.—The Subordinate Medical Department will be, as heretofore, under the control of the Inspector General of Hospitals* Indian Service, Calcutta, who will at once transfer to the control of the Inspector General of Hospitals, British Service, all who are now employed with British Troops; and also place at his disposal, from time to time, such numbers of each grade as may be necessary to meet actual requirements, including one or two to be available for emergencies in each circle.

* Hitherto designated Principal Inspector General, Medical Department.

VII.—When a medical subordinate is nominated by the Inspector General, Indian Service, Calcutta, for duty with British Troops, the Deputy Inspector General, or Senior Medical Officer, British Service, of the Division or District in which the individual may be serving, should either himself or by a Board of Medical Officers, ascertain his fitness for the duties expected of him; and all Medical Subordinates, when once placed at the disposal of the Medical Department of the British Service, will be entirely under the control of the Deputy Inspector General, or Senior Medical Officer of that service in whose circle they may be serving. They will not be removed without previous reference to the Inspector General of Hospitals, British Service, who should be at the same time informed how those removed will be re-placed.

VIII.—Returns of all these medical subordinates will be regularly rendered by the Deputy Inspectors General, to the Inspector General of Hospitals, Indian Service, Calcutta, (as well as to the head of their own Department), and be accompanied by full information as to the conduct, merits, and professional capacity of each individual.

5. Military. India Office :

No. 144. *London, the 24th May* 1867.

To His Excellency the Right Hon'ble the Governor General of India in Council.

Sir,—Para. 1. In your Military letters, dated 8th and 23rd March last, Nos. 47 and 72, you submit for decision a question which you state has arisen with advertence to the order which allows

officiating service "*on full pay* in the rank of Deputy Inspector General of Hospitals," to reckon towards the additional pension granted to an Officer of that rank after five years' service therein, including only six months on medical certificate, whether the period of five years to which the tenure of that appointment, as well as that of Inspector General of Hospitals, is restricted, should be inclusive or exclusive of such officiating service.

2. It appears to me that, if officiating service on full salary of appointment is to count towards the additional pension, it must necessarily count likewise as part of the five years' tenure of the appointment both of Inspector and Deputy Inspector General of Hospitals. The term of five years to which the appointment is limited, should, I think, be regulated as follows :—

It should include any period during which an Officer may have acted as Inspector or Deputy Inspector on full allowances before his permanent appointment. On his permanent appointment, his tenure would be held to expire at the end of five years, including the period of such officiating service, whether after his permanent appointment he may have taken leave of absence or not.

3. A Deputy Inspector General of Hospitals who may, under these circumstances, fail to complete the required service for the additional pension of £250 a year, may, if he shall subsequently be appointed Inspector General, and shall not serve long enough in that grade to entitle him to the pension of £350 a year, reckon his service as Inspector General in addition to that as Deputy Inspector General, towards the period required for the additional pension of the latter grade.

I have, &c.,

(Signed) STAFFORD H. NORTHCOTE.

No. 782 of 1867.—With reference to G. G. O. No. 733,* dated 17th July 1867, the following letter from the Right Hon'ble the Secretary of State for India, is published for general information :—

MILITARY, No. 173.

INDIA OFFICE, *London, the 24th June* 1867.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—I have received and considered in Council the Military letter from your Government, dated 8th April 1867, No. 88, transmitting, for the decision of Her Majesty's Government, a communication from the General Prize Committee at Calcutta regarding the claims of Colonel Maxwell's column in the Doab, and Brigadier Smith's force at Gwalior, to share in the Prize Money taken by the Central India Field Force.

2. I concur in the opinion arrived at by the General Prize Committee in the case of the claim of Colonel Maxwell's column.

3. The property captured by the Central India Field Force at Jhansi, Calpee and Gwalior, having been incorporated by the Royal Warrant into one General Fund, to be distributed to the Commanding Officers and Men engaged in the operations, that portion of Colonel Maxwell's column, and that portion only, which crossed the Jumna and took part in the reduction of Calpee, must be held to have established a right to share in the United Prize Fund.

4. For the same reasons I am of opinion that the Brigade of General Smith, which was despatched from the Rajapootana Field Force under the command of Major-General Roberts to the assistance of Sir Hugh Rose, and not only co-operated with his division but took a very active part in the capture of Gwalior, must also be held to be entitled to share in the Central India Prize Money, which includes the property captured at Gwalior.

5. This decision has been communicated to the Lords Commissioners of Her Majesty's Treasury as required by the Royal Warrant authorizing the distribution of the Prize Money.

I have, &c.,

(Signed) STAFFORD H. NORTHCOTE.

With advertance to the above, all claimants who have not yet submitted their claims should send them in at once.

Royal Engineers—Sappers and Miners—Working Pay.—No. 787 of 1867.—A new rate of working pay having been sanctioned for the Artificers of the corps of Royal Engineers, the same rates will be made applicable to the European Artificers of the several corps of Sappers and Miners in India, from the 1st August 1867.

2. From that date the designation and daily rates of working pay will be as follows :—

1st rate—2 shillings, or 1 Rupee.	4th rate—0 shilling 9 pence, or 6 Annas.
2nd „ 1 shilling 6 pence, or 12 Annas.	5th „ 0 „ 6 „ 4 „
3rd „ 1 „ 0 „ 8 „	

* Madras G. O. G., 2nd August 1867, No. 327.

3. As heretofore, the working day will be considered equal to eight hours. For shorter or longer periods, the proportion of working pay will be—

For less than 2 hours' labor, *nil.*	For 10 hours' labor, 1¼ days' working pay.
For 2 hours' labor, ¼ day's working pay.	For 12 „ 1½ days' „
From 2 to 4 hours' labor, ½ day's „	For 14 „ 1¾ days' „
From 4 to 6 hours' labor, ¾ day's „	For 16 „ double working pay.
From 6 to 8 hours' labor, a full day's pay.	

Working parties employed in water will be allowed at the rate of a day and a quarter's pay for one day's work.

4. The first rate is only to be given to those capable of producing work of a superior kind, and no man is to be placed in this class without a strict investigation into his qualifications by a Regimental Committee.

5. Serjeants, Corporals and second Corporals may receive the first rate of working pay when employed in situations of trust, or in superintendence of works, without being brought before a Regimental Committee. On ceasing to occupy such positions, they will revert to the second rate of working pay, unless pronounced by a Regimental Committee fully qualified for the first rate as artificers.

6. Lance-Corporals and Sappers are never to be placed on the first rate, either as specially employed men of superior attainments, or as artificers, until they have been fully tested and found qualified for it by a Regimental Committee.

7. The second rate is the ordinary rate of working pay for all full Non-Commissioned Officers when not eligible for the first rate. It is also the ordinary rate for men of other ranks who are good artificers, and likewise for those possessing superior attainments who are not artificers and not actually employed as miners or laborers.

8. The lower rates of working pay are intended for miners and laborers—these classes, when so employed, are never to be placed on either the first or second rate of working pay. The fifth rate, as a rule, should be reserved for those mechanics or laborers who are habitual drunkards, or bad characters.

9. When full Non-Commissioned Officers, Lance-Corporals, or Sappers, are placed on the first rate as artificers, they continue on that rate at all times without reference to the nature of the employment, unless reduced for misconduct. This rule will also apply to all ranks of artificers on the second rate.

10. Non-Commissioned Officers and men of superior attainments, when specially employed as draftsmen, surveyors, telegraphists, photographers, &c., will, while so employed, be eligible for the first rate of working pay, but will revert to the second rate when the special employment ceases, should they, if Lance-Corporals of Sappers, then be employed as miners or laborers they will only be eligible for the third rate.

11. Although the third rate is to be the maximum rate of working pay for miners and laborers when so employed, this rule is not to be regarded as precluding such men from being mustered as artificers, and receiving the higher rates of working pay, if they acquire a competent practical knowledge of any of the trades required in the corps.

12. The classification of men for the working pay will rest with the Officer commanding the corps of Sappers and Miners at each Presidency, who, at such time as may be convenient, will convene a Regimental Committee of Officers, who, after taking the fullest evidence as to the capabilities, and inspecting the work of each individual brought before them, will record their opinion as to his eligibility or otherwise for advancement to the first rate of working pay. In all cases a portion of the work must, if possible, be executed in the presence of the Committee. The final decision and responsibility of placing such men on this scale, will rest entirely with the Officer Commanding the corps.

13. General zeal and activity displayed by each individual whilst on work, will be considered as special elements of qualification for advancement to a higher rate of working pay.

14. A register should be kept of all Non-Commissioned Officers and men placed on the first rate of working pay at the head-quarters of the corps, and also by the Controller of Military Accounts at the Presidency, to whom the names of all so graded will be forwarded by the Commanding Officer.

15. Non-Commissioned Officers and men at present receiving working pay at 1*s.* 6*d*, a day under the provisions of G. G. O. No. 1,182, dated 10th August 1858, are to be advanced to the first rate of working pay now specified, without undergoing further examination : provided in all cases that they are employed on the same description of work as that upon which they were originally placed on Class A. If not so employed, they will be dealt with under the conditions specified in paragraph 7.

16. A sentence to forfeiture of working pay, or reduction to a lower rate, is not to affect the good conduct pay of men of the corps.

17. Sentences of forfeiture, or of reduction of rates of working pay, are only to be applied to such offences, excepting acts of drunkenness, as are committed by the men while employed on the works, and may constitute the whole or a part of the punishment.

18. Acts of drunkenness committed on or off the works may be punished by reduction to a lower rate of working pay, added to any other punishment.

19. When the Commanding Officer deems it necessary, under existing orders, to inflict the punishment of reduction to the next lower rate of working pay, such reduction will not be for a greater or less

period than two months, reckoning from the date of termination of any other punishment that may have been awarded at the same time; and if no other punishment be given, the two months will then reckon from the date on which the sentence was ordered. The entry in the Defaulters' Book of any crime or crimes committed while on the works, or of drunkenness off the works, during the two months, will prolong the reduction for a further period of two clear months from the date of the last entry, or the termination of punishment awarded.

20. When in very bad cases it may be necessary, as an example, to reduce men more than one rate at a time, the period on the lowest rate specified by the Commanding Officer, will be for two months (reckoning as mentioned in the preceding paragraph), and a like period will also be passed on each of the intermediate rates, until the men regain that from which they were reduced. The entry in the Defaulters' Book of any crime or crimes committed while on the works, or of drunkenness off the works, during the two months the men are on the lowest rate reduced to, will prolong the reduction to that rate for two clear months from the date of the last entry, or termination of punishment awarded; and in like manner, if the record of offences takes place after the men have been raised to one or more of the intermediate rates (but have not regained the particular rate from which they were reduced by the sentence), such record will prolong the probationary period on the intermediate rate then received for two clear months from the date of last entry, or termination of punishment awarded.

21. A conviction by Court Martial will not affect the rate of working pay, unless the crime be "Desertion," in which case the offender will, on first joining after his conviction, be placed on the lowest rate of working pay for two months, and likewise pass a period of two months on each of the intermediate rates, until he regains that which he held at the time of his desertion. Pending his attainment of that rate, he will be liable to the penalties consequent upon crimes committed on the works, or of drunkenness off the works, being recorded against him in the Defaulters' Book, as specified in paragraphs 19 and 20.

22. A register of the rate of working pay to which each man is entitled, is to be kept on the inside of the cover of his pocket ledger, and care is to be taken that every change in the rate of working pay is, with the date, to be correctly entered in the register by the Officer in charge of the Company or Detachment, who will verify each entry by his signature in the proper column. The entry of the first rate is invariably to be signed by the Officer Commanding the corps.

23. The working pay of men of the corps will not appear in their ledger accounts, neither will it be liable to stoppage or deduction on account of company debts. The men may, however, make voluntary instalment payments from their working pay towards liquidating those debts.

24. This order is applicable to the three Presidencies, and is in supersession of all previous orders on the subject.

Madras Military Fund.—No. 363 of 1867.—The following Extract from a Despatch from Her Majesty's Government to the Government of India, is published :—

Despatch, Financial (Military Fund), dated India Office, 7th June 1867, *No.* 218.

Para. 1.—I have had under consideration in Council the correspondence which passed with your Government in the years 1863 and 1864, on the subject of the request made by the Directors of the Madras Military Fund, as to the estimated surplus in the assets of that fund, and the mode of appropriating it, together with your Military Letter, dated the 8th March last, No. 43, which forwarded a copy of a communication from the Government of Madras, and the Proceedings of the final meeting of the Directors, and I have referred to the report of Messrs. Brown and Hardy, and Colonel Smith in the year 1863, on the state of the fund.

2. The several ameliorations which were adverted to in the letter from Colonel Smith to the Directors of the fund in the year 1863, in connection with the report by Messrs. Brown, Hardy and Colonel Smith, were :—

1. The reduction of 10 per cent. extra subscriptions and donation imposed in 1844.
2. Reduction of the extra donation for daughters, from Rupees 282 to Rupees 200.
3. Reduction of the donation of widowers with offspring to bachelors' rates.
4. The abolition of all demands on account of minimum.
5. Allowing daughters "hereafter born" to revert to their pensions on becoming widows.
6. The addition of 10 per cent. to all the widows' pensions; and it was estimated that the cost of those benefits would be about £2,05,373.

3. The discontinuance of the increased 10 per cent. on subscriptions and donations, which has been imposed in 1844, was authorized in the Financial Despatch to your Government, dated the 24th March 1864, No. 65.

4. According to the calculations of the Actuaries, the surplus assets of the fund, in excess of its liabilities, would, if no change had been made in the constitution of the Army, have amounted, on the 30th April 1863, to about £1,70,000, and the value of the reduction of the 10 per cent. extra subscription and donation already conceded was estimated at £60,743.

5. The amount of the surplus assets, as estimated, is not equal to the value of the full benefits referred to in the report of the Actuaries, but, as Her Majesty's Government are desirous of granting to the subscribers to the fund and their families whatever benefits the surplus may appear to justify, have resolved to sanction the grant of the following further concessions, viz. :—

That the extra donation for daughters be reduced from Rupees 282 to Rupees 200.
That the donations of widowers with offspring be reduced to bachelors' rate.
That all demands on account of minimum be abolished.
That daughters hereafter born be allowed to revert to their pensions on becoming widows.
That an addition of 8 per cent. be made to all widows' pensions.
These alterations will take effect from the date of this Despatch, and will absorb the whole amount of the estimated surplus balance.

6. It can hardly be necessary for me to remind you that no alteration can be made in the Rules of the Fund, but that these changes must be regarded as a direct concession from the Government.

Staff Corps,—Civil and Political.—Text Book.—No. 377 of 1867.—The following Extract from a letter from the Officiating Under Secretary to the Government of India, Home Department, to the Secretary to the Government of the Punjaub, is published :—

I am directed to acknowledge the receipt, by transfer from the Military Department, of your letter, No. 1339, dated the 22nd of May, suggesting the necessity for prescribing some definite text-book of Indian History for the examination of Military Officers seeking admission to the Staff Corps in the Civil and Political Departments.

2. In reply, I am directed to inform you that the Governor General in Council considers that the new Edition of Marshman's History of India will, perhaps, better than any other, meet the purpose, and is pleased to direct its adoption.

Passages—Officers Messing.—No. 379 of 1867.—It is hereby notified that the Government of India have intimated that the new rates of deduction for messing on boardship, as prescribed in the Royal Passage Warrant published in Government General Order No. 471* of 1865, apply to passages to England by any vessel, and to passages by the new steam transports to intermediate ports; but do not affect Officers proceeding from port to port in India, who should be required to contribute according to the Indian scale.

MILITARY. No. 183. INDIA OFFICE, *9th London, the July* 1867.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—Para 1. Having learned from the Secretary of State for War that it has been decided, with the concurrence of His Royal Highness the Field Marshal Commanding-in-Chief, to discontinue the practice of removing Regimental Colonels of the old Royal Artillery and Engineers to the Supernumerary List when employed in the manufacturing departments of the Army, or holding other quasi-military appointments, I have to inform your Excellency that the same arrangement will be carried out in the Indian Brigades of Royal Artillery, and that the existing Supernumerary Regimental Colonels thus employed will be absorbed in the manner provided for in Sir Charles Wood's Despatch* of 16th May 1864, No. 153, *viz.*, the rate of one absorption for every three vacancies.

2. This arrangement, it is stated, is not intended to interfere with the Regimental Colonels of the Royal Artillery or Royal Engineers accepting *civil* employment, who, as heretofore, will continue to be conded under the special regulations applicable to Officers so circumstanced.

Staff Corps—Colonel's Allowance.—No. 818 of 1867.—With reference to the Government General Orders noted in the margin, the following Despatch from the Right Hon'ble the Secretary of State for India, is published for general information :—

No. 36, dated 10th January 1862.
No. 808, dated 26th September 1866.

MILITARY.

INDIA OFFICE,

No. 184.

London, the 9th July 1867.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—Para. 1. In Sir Charles Wood's Despatch to the Government of India, No. 467, dated the 31st December 1861, it was stated that Her Majesty's Government had decided that Colonel's allowance should at once be assigned to the several Staff Corps, in the proportion of one to every thirty Officers who had actually joined the Staff Corps.*

* Paragraph 12.

2. In Lord Cranborne's Despatch No. 159, dated 8th August 1866, in which certain measures were authorized with a view to meeting the complaints of Officers of the Indian Army, the following rule* was laid down :—"All Officers now in the several Staff Corps, and all who may join them under the terms of this Despatch, will be entitled to the Colonel's allowance after twelve years' service in the grade of substantive Lieutenant-Colonel, without reference to any fixed establishment of Colonels with Colonel's allowance, the brevet rank of Lieutenant-Colonel attained to under the Regulations published in General Order by your Government, No. 632, dated 4th August 1864, being however considered a substantive rank for this purpose and allowed to count towards the above period."

* Para. 61, Clause 5.

3. Now that the admission of Officers to the several Staff Corps under the terms of the latter Despatch has terminated, I consider it right that the mode of succession to the Colonel's allowance applicable to Officers joining the Staff Corps subsequent to the date of that Despatch, and not under its conditions, should be repeated and clearly defined.

4. I desire, therefore, that it may be notified to the service that the proper establishment of Colonels with Colonel's allowance, is to be fixed at a strength equal to one in every thirty Officers of the aggregate strength of the Corps when brought to its normal condition.

5. On the last Officer succeeding to the Colonel's allowance, who is entitled thereto under Clause 5, paragraph 61 of the Despatch of the 8th August 1866,* an establishment of Colonels with Colonel's allowance will be at once fixed in each Presidency, and thenceforward promotion to the allowance will be made in succesison to vacancies only.

* No. 159.

6. As there can be no doubt of there being at that time a number of Officers in receipt of Colonel's allowance considerably in excess of the establishment as then fixed, it will be necessary to take such measures as may then seem expedient for the gradual absorption of supernumeraries.

I have &c.,

Furloughs.—No. 821 of 1867.—The following Despatch from the Right Honorable the Secretary of State for India, is published for general information :—

MILITARY.

INDIA OFFICE,

No. 198.

London, the 10th July 1867.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—Para. 1. I learn by a letter from the Government of———, dated 11th April last, No. 94, that Lieutenant————, of the————Native Infantry, who entered the service in 1857, and has had leave of absence to the extent of four and half years, has been granted an ordinary furlough for two years under the new Regulations, being considered entitled to the indulgence under the spirit of the ruling contained in Sir Charles Wood's Despatch, dated 8th December 1865, No. 362.*

* Published in G. G. O., No. 102 of 1866.

2. In this Despatch it was stated that absence to Europe on private affairs for six months, and all extensions of such leave granted in this country under special circumstances and without pay, might be permitted to reckon as part of the six years required under Clause 7 of the Furlough Regulations of 1854, to be served after return from leave on medical certificate to entitle an Officer to his furlough on private affairs.

3. This ruling did not apply to the case of Lieutenant_____ because this was not a question of the six years required to elapse between absence beyond sea on medical certificate, and the regular furlough; and, if it had been such a question, the admission of the extensions granted to him in England on medical certificate, would have been irregular.

4. The grant of furlough to Lieutenant————has been, therefore, altogether irregular, as that Officer had not served in India the prescribed period of ten years required before he became entitled to such furlough;

* * *

* * *

5. As some of the decisions upon the grant of furlough on private affairs appear liable to misconception, I have considered it proper to address your Government upon the subject.

6. Although it may be admitted that there is some degree of ambiguity in the terms of the communications* of the Court of Directors referred to in Sir Charles Wood's Despatch of 8th December 1865, yet it is clear from the correspondence forwarded by your Government on which the decisions of the Court were passed, that they were intended to apply to short furloughs with pay, and therefore to the cases of those Officers only who had earned a right by completing the requisite period of service in India to the grant of a furlough on private affairs, but had chosen to take only a part of such furlough.

* Dated 23rd January 1856, No. 8, para. 8; and 25th April 1856, No. 56, para. 4.

7. On the other hand, as stated in Sir Charles Wood's Despatch, dated 9th February 1863, No. 61,† Officers have been allowed under the Regulations of 1796 and 1854, in certain urgent cases, to return to this country on private affairs for short periods without pay, without reference to their length of service. This advantage was extended by that Despatch, and by question and answer No. 121, to Officers of the Staff Corps and others holding staff appointments with the privilege, during six months of their leave, of retaining their appointments.‡

† Published in G. G. O. No. 17A. of 1863.

‡ Published in G. G. O. No. 913 of 1861.

8. It should, however be clearly understood that all Officers, whether holding staff appointments or not, to whom such special leave is granted on their return to duty, are not to be held to be entitled to a furlough with the benefit of furlough pay, until they have completed the full period of service in India prescribed by the Regulations for that advantage.

9. The only exception to the Regulations which has been sanctioned, is that allowed under Sir Charles Wood's Despatch of 8th December 1865, under which, absence to Europe on private affairs for six months, and all extensions of such leave granted in this country under special circumstances, and without pay,—short extensions on urgent affairs being alone contemplated,—are permitted to reckon as part of the qualifying period of six years which an Officer is required to serve after return to duty from sick leave, to enable him to avail himself of the ordinary furlough to Europe with pay which the new furlough Regulations grant, under paragraph 6, to all Officers who may have completed a service in India of ten years, or twenty years as the case may be.

Notification No. 2294, issued from this Department on the 25th April 1867, publishing a General Order of the Military Department, No. 370 of the 4th idem, prescribing a scale of consolidated salaries for Medical Officers.

I

Letter from the Comptroller General of Accounts, No. 243, dated the 6th June 1867, suggesting, with reference to the above, "that the pay of Civil Assistant Surgeons should, during transfer from one "appointment to another, be charged to the Civil Department."

Letter from the Deputy Accountant General, Bengal, No. 753, dated the 27th June 1867, enquiring whether, during the journey of a Medical Officer from one Civil appointment to another, his allowances should be treated as a civil charged and be limited to the amount of the unattached pay of his rank, "or be regulated by the salary attached to the station in which he last served."

Endorsement from the Military Department, No. 322, dated the 12th ultimo, forwarding a copy of correspondence regarding an enquiry whether the allowances of a Medical Officer in civil employ should be debited to the Civil or the Military Department during his absence on leave, or while he is in transit from one civil appointment to another.

Resolution.—The Governor General in Council observes that, under the orders of the 4th and 25th April 1867 mentioned above, the salaries of Military Medical Officers in Medical charge of Civil Stations are consolidated, and is accordingly pleased to rule that, in common with Military and other Medical Officers in civil employ on consolidated salaries, they shall, during periods of transit from one civil appointment to another, which are to be limited by the civil rules for joining time, draw the salary of the lower paid appointments of the two, and that such salary as well as the allowances admissible to these Officers during absence on leave, shall be disbursed in and charged to the Civil Department.

Military Fund.—Colonel's Donations, &c.—No. 833 of 1867.—The Right Hon'ble the Governor General in Council is pleased to publish, for general information, the following Financial Despatch to the Government of Bombay, from the Right Hon'ble the Secretary of State for India :—

FINANCIAL. INDIA OFFICE,
(*Military Fund.*) *London, the 16th July* 1867.

No. 98.

To His Excellency the Right Hon'ble the Governor in Council, Bombay.

SIR,—Para. 1. I have received and considered in Council your Military letter dated 26th March 1867, No. 23, and its accompanying papers, relating to the claim preferred against Major-General Skinner, of the Bombay Staff Corps, for payment of the donation and subscription of a Colonel to the Military Fund of your Presidency on his promotion to the rank of Major-General of the Staff Corps, and bringing to my notice the disproportionate increase of donations and subscriptions payable by a married subscriber on promotion to Colonel.

2. After a careful consideration of the whole case, I have arrived at the conclusion that Major-General Skinner does not hold the rank of a substantive Colonel, and should not, therefore, be compelled to pay the donation and increased subscription of an Officer of that rank, which have never been made obligatory on Officers holding brevet rank.

3. The donation and increased subscription of Colonel will in future be paid by Officers attaining Colonel's allowances, who will be considered for Fund purposes as then, and not till then, attaining to the rank of full Colonel.

4. I come now to the part of your letter in which you state that your attention has been drawn to the disproportionate increase of donations and subscriptions payable by a married subscriber on promotion to Colonel ; but this payment, although it may appear large, does not seem to me unjust or out of proportion to the difference of pay received, as shown by Major Chitty in his letter to your Government, of 25th March last ; and it must be borne in mind that when the Secretary of State for India in Council accepted the liability and management of the Military Funds, it was under an express engagement that the rules then in force should be maintained, and I cannot entertain any proposal for their alteration.

MILITARY. INDIA OFFICE,

No. 215. *London, the 31st July* 1867.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—Para. 1. With reference to paragraph 12 of your Despatch No. 78, dated 8th April 1867, your decision that an Officer on succession to the Colonel's allowance should vacate the command of a Native Regiment, is approved.

2. I consider the position of an Officer in receipt of that allowance to be incompatible with the command of a Regiment.

General List Officers—Promotion.—No. 866 of 1867.—In continuation of G. G. O. No. 516 dated 15th May 1867, the Right Hon'ble the Governor General in Council is pleased to publish, for general information the following extract from a Despatch from the Right Hon'ble the Secretary of State for India, No. 222, dated 2nd August 1867:—

Para. 1. I have received and considered in Council your letter dated 16th May last, No. 128, forwarding copy of a General Order which you have issued in accordance with the instructions contained in my Despatch No. 95 of the 30th March 1867, regarding the line promotion of Officers of the Indian Army, belonging to cadres, who have decided not to join the Staff Corps.

2. In that Despatch I referred to the position of the younger Officers on the General Lists of the three Presidencies, and expressed an opinion, although I did not desire to interfere with the immediate prospects of these Officers in the matter of promotion, that it would be fair and reasonable to introduce some rule with a view to regulating their rise to the higher grades in such manner as to secure the Officers of other branches of the service from supersession to any serious extent.

4. I have determined that the Officers of the General Lists of Cavalry and Infantry in the three Presidencies, shall remain on the General List, and shall rise to the substantive grade of Captain under present Regulations; but that their promotion to the higher grades shall be regulated by length of service under the Staff Corps Rules, without reference to any special Staff service. These Officers, however, will continue to be eligible for appointment to the Staff Corps under the ordinary rules.

No. 90.

Regimental Paymasters.—Instances having occurred of deficiencies in Paymaster's Chests of British Regiments, which have been spread over many years, the Commander-in-Chief in India desires that precautions may be henceforth taken by the Commanding Officers of Her Majesty's British Regiments serving in India to verify the balances from time to time. It is therefore ordered that from henceforth, in the second week of January, April, July and October, the amount in the Regimental Chests be counted according to the several balances held by Regimental Paymasters, under the separate heads of account.

Secretary of State for India in Council has decided, that to obviate the inconvenience to the service caused by the absence of Officers of British Regiments of Cavalry and Infantry, whilst employed as probationers for the Staff Corps, promotion may be made in their room without waiting for such Officers to be permanently transferred to the Staff Corps, and I am accordingly to inform you that the Regimental succession to the Officers who are probationers for the Staff Corps, will be submitted to Her Majesty, and the promotion published in an early Gazette. Their names will, however, be retained in italics in the Army List, until their appointment to the Staff Corps shall have been confirmed by the Secretary of State for India in the *London Gazette*.

"I am moreover to request that on an Officer of a British Regiment serving in India being accepted by the Government of that country as a probationer for the Staff Corps, your Excellency will be good enough in future to make promotion without purchase in his room, announcing the same in your General Orders in the usual manner as subject to confirmation by Her Majesty, and as being made in succession to an Officer,—"Probationer for the Indian Staff Corps."

IV. All men recommended to be sent toEngland, are to remain at their respective stations, until they receive orders to proceed to the port of embarkation, with the exception of those at Bellary, St. Thomas' Mount, and in Burmah.

V. Men at Bellary recommended to be sent to England, will proceed to Bangalore and be attached to a Regiment of their own branch of the service, until ordered to the port of embarkation with the invalids, &c., of that station.

RETIRING PROVISIONS

COMBINED WITH LIFE ASSURANCE.

THE closing of the "MILITARY FUND" renders it necessary for Military Officers to make some other provision for the support of their surviving families; and one of the best arrangements for this purpose, will be found in the adoption of either of the following Tables, A or B, which have been specially calculated for the use of this Institution, and which will enable them to effect their object (at an early period of life) with little more expense than that of an ordinary Life Assurance.

These Tables present the means of effecting Assurances, which are payable either *to the Holder of the Policy on his attaining* 55 *or* 60 *years of age, or to his representatives at his death if happening previously.* Thus the Holder of a Policy may, upon the same becoming payable in his life time, either invest the sum assured in a Government Annuity, for the benefit of himself or for any member or members of his family, or otherwise dispose of it if he thinks proper.

The payment of a **fixed sum,** instead of an **annuity,** is considered by the Company the safest and the best mode of assurance, as it leaves the holder entirely at liberty to select that mode of provision for himself or for his family which he may consider most advantageous.

Similar Assurances may be effected at *lower Rates* of Premium on the lives of CIVIL SERVANTS and others not exposed to *Military Risks.*

Bishop Cotton's School.

STATEMENT CONNECTED WITH ITS ESTABLISHMENT AND MANAGEMENT, FOR GENERAL INFORMATION.

BISHOP COTTON'S SCHOOL was established at Bangalore, April 1865, in accordance with a general scheme framed by the Lord Bishop of Calcutta, and approved of by the Supreme Government. [The principles of the scheme are published in the *Calcutta Gazette* of the 3rd January 1861.]

II. The design of the School is to impart a sound English education on Church of England principles, to the children of both sexes of Europeans and Eurasians in Bangalore and the surrounding districts.

III. The School is under the direct supervision of an Executive Committee (with the Chaplain of the district as Secretary), who are assisted in the Girls' Department by a Committee of Lady Visitors. The two departments for boys and girls are entirely separate —the girls being under the immediate care of a resident Governess, who teaches the elder pupils and superintends the studies generally. Government assists by a Grant-in-aid, which secures proper attention to the educational work of the Institution.

IV. The School is not designed alone for the children of the residents of Bangalore, but presents to Madras and out-stations, by means of Boarding Establishments, the means of obtaining a sound and religious education at a moderate cost, and in a most healthy and temperate climate; its success is therefore a matter of deep interest to all European and East Indian communities in the south of India.

V. The course of instruction pursued in this School includes the following subjects :—

I. Holy Scripture and Catechism.
II. English Grammar and Composition.
III. The Greek, Latin & French languages.
IV. General and Physical Geography.
V. Mental and Slate Arithmetic.
VI. Reading, Writing, Spelling.
VII. Book-keeping, Mensuration.
VIII. Euclid, Algebra, Trigonometry.
IX. History, Ancient and Mod[ern].
X. Landscape, Plan Drawing, [Sur]veying.
XI. Vocal and Instrumen[tal] Music.
XII. Needle-work.

VI. All applications for admission are to be made to the Rev. The Principal, who will furnish any information required. The Finance departm[ent] under the control of Lieut.-Colonel Hill, R. E., Honorary Treasurer, to whom all [School] fees are to be paid, and who alone is empowered to grant receipts on account of [the] School.

VII. The Committee desire to bring under notice the [neces]sity of regular attendance on the part of the pupils. Much of the success of the [stud]ies of the Day Pupils depends upon this, and they take this opportunity of reminding Parents and G[uardians] that this influence being made *auxiliary* to the the progress of their children is dependent *on ho[me]* exertions of the Master.

VIII. The Committee have also to be[g that] Parents and Guardians will see that all home lessons are *thoroughly and carefully prepared*, as neglected this duty must necessarily interfere with the progress [not] only of the scholar himself, but greatly retard the advancement of his class.
