MARY BAND INSTRUMENTS.

RUDALL, ROSE, CARTE, & CO.

(KEY, RUDALL, & CO.)

20, CHANCERY CROSS LONDON,

(CORNER OF CRAIG'S COURT.)

Manufacturers for Her Majesty's Government of the Patterns for the New Regulation Instruments for the Army, Patentees of the Cylinder Flutes, of the Clarionets without Thumb-hole, the New Brass Instruments, and Open Side Drums, beg to draw attention to their improvements in Flutes, Clarionets, and Brass Instruments, for which the Prize Medal of the International Exhibition, 1862, was awarded to them.

The first improvement consists in a novel arrangement of mechanism, by means of which a superior facility of manipulation is obtained on Boehm's Cylinder Flute, which instrument (patented in England and France by Messrs. RUDALL, ROSE, CARTE, & Co.) was honoured with the Council and Prize Medals of the Exhibitions of 1851 and 1862, and was referred to by the Jurors of 1862 as the universally acknowledged standard of excellence as to tone and intonation in Flutes.

The second improvement referred to in the award consists in securing a facility of fingering certain combinations of notes hitherto not playable, and others of difficult execution, upon the Clarionet, and at the same time strengthening the tone of notes hitherto weak upon this instrument. The old fingering is also retained.

The third improvement is the application to brass instruments of Finger Slides, in lieu of the ordinary Pistons, of great simplicity, forming part of the main tube of the instrument. In these instruments the pistons are altogether done away with, their functions being performed by three slides (acted on by the fingers), which singly and combined give the six positions of the Slide Trombone. Every note of the chromatic scale on these instruments is an open note, as the finger slides are within and form part of the main tube of the instrument, so that the notes are equal in quality. The tone is remarkably rich and free, there is no change in fingering, and the action is shorter and lighter than in the instruments of the old régime. Not the least of the advantages of this system is the extraordinary lightness of the larger instruments. This system is applied to Cornets, Trumpets, Trombones, Horns, Euphoniums, Bombardons, and all valve brass instruments.

CIVIL SERVICE OF INDIA.

REGULATIONS FOR THE OPEN COMPETITION OF 1869.*

1. On Tuesday, March 16th, 1869, and following days, an examination of candidates will be held in London. At this examination not fewer than Candidates will be selected, if so many shall be found duly qualified. Of these, will be selected for the Presidency of Bengal, (for the Upper Provinces, and for the Lower Provinces), and for that of Madras, and for that of Bombay.†—Notice will hereafter be given of the days and place of examination.

2. Any natural-born subject of Her Majesty, who shall be desirous of entering the Civil Service of India, will be entitled to be examined at such examination, provided he shall, on or before the 1st of February, 1869, have transmitted to the Civil Service Commissioners, London, S.W.:

(a) A certificate of his birth, showing that his age on the 1st March, 1869, will be above seventeen years and under twenty-one years;

(b) A certificate, signed by a physician or surgeon, of his having no disease, constitutional affection, or bodily infirmity, unfitting him for the Civil Service of India;

(c) Satisfactory proof of good moral character.

(d) A statement of those of the branches of knowledge hereinafter enumerated in which he desires to be examined.‡

3. In any case in which a doubt may arise as to the eligibility of a Candidate in respect of age, health, or character, such inquiries as may be necessary will be instituted by the Civil Service Commissioners.

4. The examination will take place only in the following branches of knowledge:—

	Marks.
English Composition	500
History of England—including that of the Laws and Constitution	500
English Language and Literature	500
Language, Literature, and History of Greece	750

* The Regulations are liable to be altered in future years.

† The number of appointments to be made, and the number in each Presidency, &c., will be announced hereafter.

‡ Evidence of health and character must bear date not earlier than the 1st January, 1869.

§ It should be understood that Candidates are at liberty to name, at their pleasure, any or all of these branches of knowledge, and that no subjects are obligatory.

	Marks.
Language, Literature and History of Rome	750
Ditto France	375
Ditto Germany	375
Ditto Italy	375
Mathematics (pure and mixed)	1250
Natural Science; that is, (1.) Chemistry, including heat, (2.) Electricity and Magnetism, (3.) Geology and Mineralogy, (4.) Zoology, (5.) Botany	1000

Moral Sciences; that is, Logic, Mental and Moral Philosophy 500
Sanskrit Language and Literature 500
Arabic Language and Literature 500

5. The merit of the persons examined will be estimated by marks, and the number set opposite to each branch in the preceding regulation denotes the greatest number of marks that can be obtained in respect of it.

6. No Candidate will be allowed any marks in respect of any subject of examination, unless he shall be considered to possess a competent knowledge of that subject.

7. The examination will be conducted by means of printed questions and written answers, and by viva voce examination, as may be deemed necessary.

8. The marks obtained by each Candidate in respect of each of the subjects in which he shall have been examined will be added up; and the names of the Candidates who shall have obtained a greater aggregate number of marks than any of the remaining Candidates will be set forth in order of merit; and such Candidates shall be deemed to be selected Candidates for the Civil Service of India, provided they are in other respects duly qualified; and shall be permitted to choose, according to the order in which they stand, as long as a choice remains, the Presidency (and in Bengal the Division of the Presidency) to which they shall be appointed.

† Nothing can be further from our wish than to hold out premiums for knowledge of wide surface and of small depth. We are of opinion that a Candidate ought to be allowed no credit at all for taking up a subject in which he is a mere student.—Report of Committee of 1854.

‡ This right must be exercised immediately after the result of the examination is announced, on such day as may be fixed by the Civil Service Commissioners.

9. Selected Candidates, before proceeding to India, will be on probation for two years, during which time they will be examined periodically, with the view of testing their progress, in the following subjects:—

(2) The History and Geography of India	350
(3) Law	1250
(4) Political Economy	350

In these examinations, as in the open competition, the merit of the Candidates examined will be estimated by marks, and the number set opposite to each subject denotes the greatest number of marks that can be obtained in respect of it at any one examination. The examination will be conducted by means of printed questions and written answers, and by *visu voce* examination, as may be deemed necessary. The last of these examinations will be held at the close of the second year of probation, and will be called the "Final Examination," at which it will be decided whether a selected Candidate is qualified for the Civil Service of India.

10. Any candidate who, at any of the periodical Examinations, shall appear to have wilfully neglected his studies, or to be physically incapacitated for pursuing the prescribed course of training, will be liable to have his name removed from the list of selected candidates.

11. No Candidate will be permitted to proceed to India before he shall have passed the final examination, and received a certificate of qualification from the Civil Service Commissioners, or after he shall have attained the age of twenty-four years.

12. The selected Candidates who, at the

* Full instructions as to the course of study to be pursued will be issued to the successful Candidates as soon as possible after the result of the open competition is declared.

† Including, besides the languages prescribed for the several Presidencies, such other languages as may, with the approval of the Commissioners, be taken up as subjects of examination.

final examination, shall be found to have a competent knowledge of the subject specified in Regulation 9, shall be adjudged to have passed, and to be entitled to be appointed to the Civil Service of India; provided they shall comply with the regulations in force at the time for the Civil Service of India, and shall be of sound bodily health and good moral character. The Civil Service Commissioners will require such further evidence on these points as they may deem necessary before granting their certificate of qualification.

13. The seniority in the Civil Service of India of the selected Candidates shall be determined according to the order in which they stand on the list resulting from the final examination.

14. Applications from persons desirous to be admitted as candidates are to be addressed to the Secretary to the Civil Service Commissioners, London, S.W.

NOTE 1.—The Secretary of State for India in Council has authorized the Civil Service Commissioners to state, that it is his intention to allow the sum of £100 after the first year of probation, and £250 after the second year, to each selected Candidate who shall have passed the required examinations to the satisfaction of the Commissioners, and shall have complied with such rules as may be laid down for the guidance of selected Candidates.

NOTE 2.—All selected Candidates will be required, after having passed the second periodical examination, to attend at the India Office for the purpose of entering into an agreement binding themselves, amongst other things, to refund in certain cases the amount of their allowance in the event of their failing to proceed to India. For a candidate under age a surety will be required.

NOTE 3.—After passing the Final Examination each candidate will be required to attend again at the India Office, with the view of entering into covenants and giving a bond for £1000 jointly with two sureties for the due fulfilment of the same. The stamps payable by civilians on these documents amount to £3 10s.

NOTE 4.—Candidates rejected at the final examination of 1871 will in no case be allowed to present themselves for re-examination.

This declaration must be accompanied by the following documents:—

(d) Degrees, diplomas, licences, and certificates of their registration in accordance with the Medical Act of 1858, must be lodged at the India Office, for examination and registry, at least one fortnight before the candidate appears for examination.

3. On producing the foregoing qualifications, the candidate will be examined by the Examining Board at Chelsea Hospital in the following subjects:—

Anatomy and Physiology.

Surgery.

Medicine, including Therapeutics, the Diseases of women and children, Chemistry and Pharmacy, and a practical knowledge of Drugs. (The examination in medicine and surgery will be in part practical, and will include operations on the dead body, the application of surgical apparatus, and the examination of medical and surgical patients at the bedside.)

4. The eligibility of each candidate for the Indian Medical Service will be determined by the result of the examinations in these subjects only.

5. Candidates, who desire it, will be

examined in Comparative Anatomy, Zoology, and Botany, with special reference to Materia Medica, and the number of marks gained in these subjects will be added to the total number of marks obtained in the obligatory part of the examination by candidates who shall have been found qualified for admission, and whose position on the list of successful competitors will thus be improved in proportion to their knowledge of these branches of science.

The subjects for this part of the examination will be taken from the following books:—

(1) "Animal Kingdom," by W. S. Dallas, F.L.S.

(2) "Outlines of the Structure and Functions of the Animal Kingdom," by RYMER JONES; or "Cours Élémentaire d'Histologie Naturelle," par MILNE EDWARDS.

(2) "Physical Geography," by Mrs. SOMERVILLE.

7. The Examiners in London will prepare a list in order of merit, with the marks affixed in the different subjects, to be transmitted to the Director-General and communicated to the Professors of the Army Medical School. If any Candidate is found to be deficient in any particular subject, this shall be stated, in order that he may receive special instruction on the point at Netley.

8. After passing his preliminary examination, every candidate will be required to attend one entire course of practical instruction at the Army Medical School, before being admitted to his examination for a commission, on—

(1) Hygiene.

(2) Clinical and Military Medicine.

(3) Clinical and Military Surgery.

(4) Pathology of Diseases and Injuries incident to Military Service.

These courses are to be of not less than four months' duration.

9. At their conclusion, the candidate will be required to pass an examination on the subjects taught in the school. The examination will be conducted by the professors of the school.

The Director-General, or any medical officer deputed by him, may be present and take part in the examination. If the candidate give satisfactory evidence of being qualified for the practical duties of an Army Medical Officer, he will be eligible for a commission as Assistant Surgeon. The commissions of Assistant Surgeons bear date from the day of joining at the Army Medical School.

10. During the period of his residence at the Army Medical School, each candidate will receive an allowance of 5s. per diem, with quarters, or 7s. per diem without quarters; and he will be required to provide himself with uniform (*viz.* the regulation undress uniform of an assistant surgeon of the British service, but without the sword).

11. All candidates will be required to conform to such rules of discipline as the Senate may, from time to time, enact.

The persons who shall be pronounced by the Examiners to be the best qualified in all respects will be appointed to fill the requisite number of appointments as Assistant Surgeons in Her Majesty's Indian Army. Their position on the list of Assis-

tant Surgeons will be determined by the combined results of the preliminary and of the final examinations, and, so far as the requirements of the service will permit, they will have the choice of Presidency in India, according to their position on that list.

12. All Assistant Surgeons who shall neglect or refuse to proceed to India under the orders of the Secretary of State for India within two months from the date of their appointment will be considered as having forfeited it, unless special circumstances shall justify a departure from this regulation.

13. The physical fitness of candidates will be determined previous to examination, at Chelsea Hospital, by a Board of Medical Officers, who are required to certify that the candidate's vision is sufficiently good to enable him to perform any surgical operation without the aid of glasses. A moderate degree of Myopia would not be considered a disqualification, provided it did not necessitate the use of glasses during the performance of operations, and that no organic disease existed.

Every candidate must also be free from organic disease of other organs, and from constitutional weakness, or other disability likely to unfit him for Military Service in India.

CIVIL SERVICE FURLOUGH AND ABSENTEE RULES, 1864.

CHAPTER I.

FURLOUGH.

1. Furlough will be granted for a period of three years during the whole term of service. Civil servants will have the option of taking the three years at one time, after an actual residence in India of ten years, or of dividing the furlough into three periods of one year each, which may be taken after successive intervals of not less than seven years' residence, or into two periods which may either be of one and two years, or of one year and a half respectively, provided that no furlough exceeding one year be taken until after the completion of ten years' residence in India, and that an interval of not less than seven years' residence shall occur between the first and second periods. In every case it is imperative that a civil servant, when taking his furlough, shall declare whether it is for one, one and a half, two, or three years, and the term can only be altered with the permission of the Local Government. Civil servants taking furlough will vacate their offices. These grants of furlough are subject to the condition that in no case shall a greater number of servants be absent from India on furlough at one time than 10 per cent. of the number on the list of each presidency, and that, in granting furloughs, the preference shall be given, first to servants producing medical certificates in the form prescribed in the Appendix to these Rules, that a visit to Europe is indispensably necessary for the restoration of health, and then to servants in their order of seniority, according to the rank assumed to them on the gradation list of the service. Civil servants who produce medical certificates in support of applications for furlough, and who are admitted preferentially thereto, are subject to all the conditions applicable to furlough.

2. The furlough allowance granted during the periods specified will be at the rate of £500 per annum, and it will not on any grounds whatever be continued for more than three years.

3. For the interval elapsing between departure from station and the commencement of reckoning absence on furlough, and between the end of reckoning absence on furlough and re-arrival at station, the absentee shall be allowed special leave, calculated at the rate of one day for every ten miles to be travelled, except when railways or steamboats be available, when one day for every 100 miles only will be allowed (or the time

actually occupied in the voyage, when its duration exceeds the time calculated at the rate of 100 miles a day), with seven days at the port of embarkation, provided that a period of three months shall in no case be exceeded, and that the time claimed shall have been spent *bona fide* in progress between the place of departure and the place of destination; and during that period the absentee will be entitled to draw a moiety of his allowances.

4. Civil servants who have taken leave of absence on medical certificate, being at the time eligible to a three years' furlough, cannot be admitted to furlough, except in cases of illness duly certified, until they have served four years from their last return to duty, and, if not eligible to a three years' furlough when the leave was taken, until they have served two years from their last return to duty, with the same exception as to certified illness. This rule will not apply to leave on medical certificate taken for a period not exceeding three months.

5. An absentee who may obtain leave in continuation of furlough will not be entitled to any allowance during the extension.

CHAPTER II.

LEAVE ON PRIVATE AFFAIRS.

6. The Government may grant to civil servants leave of absence for one month in each calendar year, without deduction from the salaries and emoluments drawn by such servants; such leave, however, will only be granted when the Government is satisfied that no inconvenience will arise from the departure of the officer seeking it. No second leave can be granted under this rule until the completion of 11 months from the expiration of the last leave; if taken at one time, or from the date of return from any sick leave, or until the completion of six months from the expiration of the last instalment of a leave, if it has been divided. Servants not availing themselves of the indulgence in any one year, may obtain, under the like conditions, leave for two successive months, to commence at or after the expiration of 22 months from the expiration of their former leave; and, if two years elapse without enjoyment of the privilege, leave for three months may, in like manner, be granted at the expiration of 22 months from the termination of the last preceding leave; but no leave shall be granted under this rule for any period exceeding three months. If an officer shall not return at the expiration of the period of leave granted him under

this rule, he shall forfeit all pay and allowances during the time of his remaining so absent without leave, and, if he shall so continue absent for more than one week beyond the term granted, his office shall become vacant.

7. Civil servants absent from their stations under medical certificate cannot be admitted to leave under this rule in continuation of their sick leave; and if, while absent under this rule, they be granted extended leave under medical certificate, they shall be considered liable to the rules applicable to leave on medical certificate for the whole period of their absence.

8. As a general rule, when leave is granted under Section 6, such leave will be in one period only, whether for a whole month or less, and not in detached portions to complete one month; but, as an exception to this rule, it shall be discretionary with the several Local Governments, where good cause is shown for the indulgence, and if it is attended with no public inconvenience, to sanction leave of absence under this rule to such parties as may not have occasion to apply for the whole at once. In two instances only, which are not to exceed in the aggregate one month within the calendar year. Civil servants to whom an accumulation of short leave may be due, and who make take a portion thereof, may, at the discretion of the several Local Governments, be allowed to take the remainder at a subsequent time.

9. In cases of very urgent private affairs, when leave can be granted without detriment to the public interests, the Government, on being satisfied of the urgency alleged, may grant special leave of absence for six months on private affairs; provided, however, that for the period of such absence the absentee shall draw no more than half his salary. The leave granted under this section will be computed, if taken in India, from the date of the absentee quitting his station to the date of his return thereto; and if taken to Europe or beyond Indian limits, from the date of the sailing of the vessel on which he may have embarked from the port nearest* to his station to the date of his arrival at the same on his return to duty. For the interval elapsing between departure from station and the commencement of reckoning this leave, and between the end of reckoning this leave and re-arrival at station, special leave may be granted in the same manner as is authorized with regard to furlough (see Section 3). No portion of the half salary will be allowed to be drawn

until the absentee shall have returned to his duty. After an absence of six months, any office held by the absentee will become vacant. If this leave be extended on medical certificate, the whole period of absence will be subject to the rules applicable to leave on medical certificate. No second leave can be granted under this rule.

CHAPTER III.

LEAVE OF ABSENCE ON MEDICAL CERTIFICATE.

11. Upon application duly made, the Government may grant leave of absence on medical certificate to a civil servant for any period not exceeding 15 months, without restriction as to the places to which he may resort. During such period the absentee will be allowed to retain his office and to draw a moiety of his salary, provided that such moiety shall not exceed rupees 10,000 (£1,500) per annum, which is to be the maximum drawn as absence allowance. In cases in which the emoluments of the absentee's office shall not exceed rupees 5,000 (£500) per annum, no deduction therefrom shall be made for the period of 15 months, nor shall any such deduction be made in other cases as would reduce the absentee's allowance below rupees 5,000 (£500) per annum. In cases in which the salary shall be less than £500 per annum, the full salary shall be allowed.

12. In the event of the absentee being compelled by the state of his health to apply for an extension of the leave so granted, his application must be supported by a certificate in the form prescribed in the Appendix to these rules. Upon applications so made, extensions of leave may be granted for any period not exceeding six months at one time; and, until the total period of absence shall have exceeded 20 months, the absentee may retain his office and half salary within the limits above specified. After 20 months' absence his office will be vacated; but he will be permitted to draw a sick absentee allowance of £500 per annum if he be above 10 years standing, and of £250 per annum if not above 10 years' standing. After an absence of three years all allowances will cease.

13. The period for which a civil servant will be granted leave of absence on medical certificate, with allowance, is limited to three years (with the exception of the additional leave hereafter provided for by Sections 15 and 16) during the whole of his service. In the event of his returning to his duty within three years, and being, any time after the expiration of two years from the date of his return, compelled again to apply to be absent on medical certificate, he may be granted leave for 1

months, if so much of his three years shall remain unexpired, or for such shorter time as would complete the three years. He will be allowed for any such period to retain his office and half salary, and extensions of this leave may be granted in the same manner as is authorized by Section 12; provided, however, that in no case shall the absentee retain office and half salary for more than 20 months at one time, or for more than two years and a half during the whole period of service.

14. Leave of absence on medical certificate, with allowances, can only be granted in one or two periods, excepting only the additional leave sanctioned by Section 15.

15. Civil servants who may have been absent for three years on medical certificate with allowances before the publication of these rules, and who may be compelled by ill health, after completing 15 years' total service, to apply for further leave of absence, may be permitted on special grounds to obtain it, but their absence will involve loss of office and salary: the Government of India and subordinate Governments will, however, exercise a discretionary power to grant to them an allowance not exceeding rupees 3,000 or £500 per annum for any period not exceeding 12 months.

16. Civil servants who may have taken sick leave under the rules of May 11th, 1873, which involved loss of appointment, will not be thereby debarred from taking leave again under Sections 11 and 12 of these rules.

17. The period of absence granted under this chapter will be computed, if the absentee shall proceed to a sanitarium within the presidency, from the date of his arrival thereat to the date of his quitting the sanitarium; if to any place beyond the presidency, but within the continent of India, from the date of his leaving the frontier of his own presidency, to the date of his return thereto; and, if he shall proceed to sea, from the date of the sailing of the vessel on which he may have embarked from any port in India, which is not more distant* from his station than the principal port of his own presidency, to the date of his arrival at any port within the presidency to which he belongs, or at any other port which is not more distant from his station than the principal port of his own presidency.

18. For the interval elapsing between departure from station and the commencement of reckoning absence on sick leave, or between the end of reckoning absence on sick leave and re-arrival at station, the

absentee shall be allowed special leave, calculated in the same manner as is authorized with regard to furlough (see Sec. 3), and during that period he will be entitled to draw the same salary as is allowed by Section 11.

19. Furlough to the extent of three years will count as service, and absence on medical certificate to the extent of one year will reckon as service and residence in India in qualifying for an annuity, the period of 25 years' service and 22 years' residence being retained.

MEMBERS OF COUNCIL AND JUDGES OF THE HIGH COURT.

20. These rules are not applicable to ordinary Members of Council, to whom, under section 26 of Act 24 and 25 Vict. cap. 67, leave of absence may be granted, under medical certificate, for a period not exceeding six months with half salary, which is only payable on return to duty. Nor do they apply to Judges of the High Court, for whom special rules have been framed.

MILITARY OFFICERS.

21. Military officers employed in the civil department will be subject to the military furlough regulations.

APPENDIX.

The medical certificate to be furnished by an applicant for furlough or sick leave shall be in the following form:—

I, A.B., surgeon at (or of) do hereby certify that C.D., of the Civil Service, is in a bad state of health, and I solemnly and sincerely declare that, according to the best of my judgment, a change of air is essentially necessary to his recovery, and do therefore recommend that he may be permitted to proceed to sea (or to such place as the surgeon may think proper, expressing it in the certificate).

The following form shall be observed by the principal medical authority at the nearest principal station, in countersigning the surgeon's certificate:—

We (or I) do hereby certify that, according to the best of our (or my) professional judgment, after careful personal examination of the case, we (or I) consider the state of health of C.D. to be such as to render leave of absence for a period of

absolutely necessary for his recovery.

If the applicant for an extension of leave on medical certificate be residing within 20 miles of London, he must produce a certificate from the medical board attached to the India Office, showing the necessity for such extension. If residing beyond that distance from London, certificates in the second of the above forms must be produced from two medical practitioners.

* Note.—“Nearest” is intended to have reference not only to distance, but to time occupied in travel.

* Vide Note. Sec. 9.

xviii MILITARY FURLOUGH REGULATIONS.

RULES FOR CHAPLAINS AND ASSISTANT CHAPLAINS, 1855.

Sec. XXXI. Chaplains and Junior chaplains may take furlough on private affairs and on medical certificate, also privilege leave, and leave for short periods on private affairs, and on medical certificate, in or out of India, on the same terms and conditions as military officers, with the following modifications:—

First. Chaplains being allowed to retire after twenty years' service, the period of furlough on private affairs is in their case limited to the present term of three years. The furlough may, however, either be taken in one period or be divided into two periods, whether of eighteen months each or of two years and one year, respectively; and if divided, the first furlough may be taken, as at present, after seven years' residence, and the second furlough after a further residence of ten years in India. As respects chaplains and junior chaplains appointed before the 11th January, 1854, when the period of service was only eighteen years, their second furlough, if they should exercise the option of taking furlough in two periods, will be available after a second residence in India for a term of eight years.

Secondly. No furlough or leave of absence, whether on private affairs or on sick certificate, taken in Europe or elsewhere, in excess of three years, will be allowed to count as service in India in the twenty years which qualifies chaplains for their retiring pensions. Periods of "privilege" leave, and of short leave of absence on private affairs, will, however, count as service and residence.

NOTE.—The term "residence" in Sec. XXXI. must be construed as "residence in actual service;" consequently, a chaplain will not be entitled to the higher rate of furlough allowance till he has completed seven years of actual service, computed from the date of his arrival in India; nor will he be entitled to pension on retirement until he has completed an actual service either of fifteen years, if appointed before 11th January, 1854, or of seventeen years if appointed subsequently to that date. The time of absence passed on the ordinary privilege leave is, however, permitted to rank as time spent on service.

Sec. XXXII. The furlough pay of chaplains will remain as at present. With regard to their allowance during sick leave to any place out of India, they shall receive salary (but at a rate not exceeding £300 per annum) for the first six months of absence, and for the remaining twelve months, an allowance equal to the furlough pay of their standing. If the leave be extended, an allowance equal to furlough pay may be drawn for a further period of eighteen months.

NOTE.—It has been determined that chaplains and junior chaplains, when absent in India under medical certificate, shall receive, within the limit of one year, their full salaries, subject to a reduction of one-third for the whole term of regulated absence; save and except that, if the salary be not more than Rs. 500 per month, no deduction shall be made; and if it be only so much more than Rs. 500 that the prescribed deduction of one-third would reduce the allowance below that sum, only the excess beyond Rs. 500 shall be deducted.

OLD MILITARY FURLOUGH REGULATIONS.*

Officers (of whatever rank) must be seven years in India before they can be entitled (except in cases of certified sickness, and as hereafter specified) to their rotation to be absent on furlough, and the same rule is applicable to assistant surgeons and veterinary surgeons. The furlough to be granted by the commander-in-chief at each presidency, with the approbation of the respective governments.

Officers who have not served ten years in India, but whose presence in England is required by urgent private affairs, may be allowed a furlough for one year without pay.

* These Regulations do not apply to officers who entered the service after the 1st of February, 1854.—Vide New Military Furlough Regulations, p. 33.

Officers coming to England on furlough are required immediately to report their arrival by letter, with their address, forwarding at the same time the certificates they received in India.

The period of furlough is three years, reckoning from its date to the day of the return of the officer to his presidency.

Officers are required to join the establishment to which they belong at the expiration of the three years' furlough, unless they shall have obtained an extension of leave, six months before the expiration of that period. No furlough will be extended, except in cases of sickness, certified in the manner hereafter mentioned; or in cases in which it shall be proved that a further residence in Europe is indispensably necessary.

All officers finding it necessary to solicit

a further leave of absence on account of sickness, must, if resident in London or its vicinity, appear before the Medical Board appointed for that purpose, who will report their opinion on the state of such officer's health. And if resident in the country in any part of the United Kingdom, they must transmit with their letter of application for such leave, a certificate according to the following form, signed by at least two gentlemen, eminent in the medical profession, viz:—

I hereby certify, that I have carefully examined (state the nature of the case, as well as the name of the party), and I declare, upon my honour, that, according to the best of my judgment and belief, is at present unfit for military duty, and that it is absolutely necessary, for the recovery of his health, that he should remain at least longer in this country.

Also, previously to such extension of furlough being granted, such further proof shall be adduced by personal examination, or by such other evidence as shall be deemed satisfactory.

Officers abroad in any part of Europe, applying to remain a further time from their duty on account of sickness, are to furnish a certificate of two eminent physicians, in the above form, with the attestation of a magistrate, that the persons who signed the certificate are physicians.

Officers having obtained an extension of furlough to a given period, must at its expiration apply for permission either to return to their duty or to reside a further time in England.

In every case in which an officer has had

his furlough extended beyond the prescribed period on the ground of his health not being sufficiently restored, and shall apply for permission to return to his duty, he shall produce a certificate from the examining physician that his health is completely re-established, and that there is every probability of his being able to perform the active duties of his profession in India.

No officer who has failed to obtain an extension of furlough will be considered eligible to return to the service after five years' absence, under the Act of 23 Geo. III. cap. 52, sec. 70.

Every officer upon leaving India will receive a printed copy of the General Order on this subject, published agreeably to the instruction of the Secretary of State for India in Council, and the plea of ignorance of the regulations will not be admitted as any justification of the breach of them; officers, therefore, who shall come home on furlough, and who shall not in due time apply, so as to effect their return to the Presidency to which they belong within the period of three years from the commencement of their furlough, will subject themselves to the loss of the service, unless they shall be permitted to remain a further time in Europe.

No officer on furlough can receive pay for more than two years and a half from the period of his quitting India until he returns, excepting colonels of regiments and general officers; the latter are then allowed to draw the pay of their brevet rank beyond the above period.

NEW MILITARY FURLOUGH REGULATIONS.—Nov. 17, 1854.

With the view of adapting the regulations to the present increased facilities of communication, and to correct, as far as possible, any tendency in them to deter officers from resorting to the places which may be most conducive to the restoration of their health, when a change of climate is required for that purpose, the following rules are established, and are to have effect from the 1st February, 1854:—

1. All regimental officers in the service on the 1st February, 1854, who prefer retaining what may be considered the advantages of the old regulations, may do so, provided they signify their wish to that effect when they next apply for furlough or leave of absence, without any limitation whether such leave be in India, or elsewhere; and officers who once make their election will not be entitled to any other

choice, but will be afterwards subject to the new or old regulations, according to their decisions.

2. Staff officers, as such, have not the above option allowed them, but they may retain the advantages of the old regulation by giving up their appointments, which, in such cases, will be considered vacated from the date of embarkation.

3. For those officers who adopt them, the new regulations will apply retrospectively in respect of furlough and leave of absence beyond sea, and in computing their time of service for retirement, so that their furloughs or leaves of absence, whether under the old or the new rules, and whether on private affairs or sick certificate, within or beyond India, will count for service to the authorized extent only, in computing the time for retirement on full pay.

xxi MILITARY FURLOUGH REGULATIONS.

4. Officers who have availed themselves of the option of the old rules are allowed to consider the question under the modifications now sanctioned.

5. Officers who have not taken leave subsequent to the publication of the new rules on the 1st February, 1854, and who, consequently, may not have been called upon to declare whether they would abide by the old or the new regulations, will, on retirement from the service, be entitled to take full advantage of the privileges given by the new regulations.

FURLOUGHS ON PRIVATE AFFAIRS.

6. Every officer will be allowed a furlough to Europe, or elsewhere beyond sea, for a period of two years at the expiration of two years' service, and for a second period of two years after twenty years' service in India.

7. The second furlough of two years will only be granted after ten years' service in India, from the date of the return to duty after the first furlough of two years. These furloughs are not to be cumulative, under any circumstances, but are limited to two years. Officers who have taken leave of absence on sick certificate to Europe, or elsewhere beyond sea, will be ineligible to a furlough on private affairs until they have served six years from their last return to duty. This rule does not apply to short leaves to sea.

Officers who take their first furlough after twenty years' service in India, may take their second furlough after an additional service of five years from the date of their first return to duty. (G.O. 16 June, 1856.)

8. All grants of furlough on private affairs are subject to the exigencies of the public service, and to the regulations framed for the preservation of the efficiency of each regiment by limiting the number of absentees.

9. Officers holding staff or other detached appointments, may be allowed furlough for a period of six months without losing their appointments; but, during that period, they will not be entitled to any portion of their staff salary, which will be drawn in full by the officers officiating for them.

Absence for six months under this rule does not preclude an officer from taking his furlough to Europe after ten years' service. (G.O. 16 June, 1856.)

10. All officers, whether staff or regimental, while on furlough on private affairs, will be entitled to "Furlough Pay" only.

LEAVE OF ABSENCE ON SICK CERTIFICATE.

11. Leave of absence on sick certificate will be granted for a term not exceeding eighteen months, whether it be in any place in Europe, or elsewhere out of India.

12. Extensions of such leave may be

granted, as at present, on production of medical certificates, for further periods not exceeding eighteen months in the whole.

13. An officer holding a staff or other detached appointment, will be allowed to be absent on sick certificate in England, or elsewhere beyond sea, for a period of twenty months, without losing his appointment; and, during the first six months only of such absence, he will be entitled to draw half the staff salary of his appointment, the officer officiating for him drawing the remaining half salary during the first six months, and the whole salary during the remainder of the time.

14. An officer's claim to half staff salary for six months, as sanctioned in the preceding rule, will not be affected by his subsequently retiring from the service in Europe or elsewhere.

15. No portion of command allowance, medical staff salary, or other similar allowance, which under the old rules was inadmissible to officers absent from their corps or stations, at the Cape or elsewhere, will be allowed to absent officers under these regulations.

16. All officers, whether staff or regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian pay and allowances as was allowed under the old regulations to officers proceeding to the Cape on medical certificate, and for the remaining period of their leave they will receive furlough pay only.

17. If the leave on sick certificate be extended, furlough pay will be continued; but under no circumstances for a longer period than three years altogether, from the commencement of the absence.

STAFF OFFICERS.

18. The term, "staff officers," applies to all officers holding staff or detached appointments, military (general or regimental), political, or civil; also to general officers commanding divisions, members of the Medical Board, superintending surgeons, and others who, under the old rules, were entitled to draw half staff allowance when absent at the Cape.

19. Staff officers absent on leave beyond the periods stated in Rules 9 and 13 respectively, cannot retain their appointments and allowances except on special grounds to be sanctioned by the Government of the presidency. Any such special grant of leave is to be reported at once, with the reasons for it, and to be subject to approbation.

20. The privilege of retaining staff appointments during leave of absence on sick certificate, or on furlough on private affairs, will not be available a second time, if the

fresh leave is on sick certificate, until an officer has been three years, or, if on private affairs, until he has been six years, in the discharge of the duties of his appointment, from the date of last return to it.

21. This rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs, in India, or for brief periods to Ceylon, the Mauritius, or other places out of India.

22. Officers commanding troops of Horse Artillery and Light Field Batteries, and officers generally in employment, will be allowed leave out of India under the same rules with respect to allowances and tenure of command or office, as regulated by the grant of leave to the Cape to such officers under the old regulations, except as to the duration of those advantages, the time for their continuance being subject to the provisions of the new regulations.

DATE OF FURLOUGH AND ADVANCES OF PAY.

23. The period of furlough on private affairs, or leave of absence on sick certificate, is to be calculated from the date of the departure from India of the ship in which the officer proceeds.

24. Advances of pay and allowances, staff and regimental, to officers proceeding on leave of absence on sick certificate, who may be entitled to them, will be made in India for three months from date of embarkation. Payments in continuation will be made in England at the rates of exchange fixed annually for repayment of advances made on account of Her Majesty's Government. Furlough pay will continue to be issued in advance for six months when required by officers obtaining furlough on private affairs.

25. The existing regulations regarding passage-money to officers are not affected by these rules.

26. The certificates issued to officers who are granted furloughs on private affairs, or leave of absence on sick certificate, are to specify the time each officer has been absent on leave within Indian limits, as well as the time of his previous absence in Europe, but will not include the periods allowed for proceeding to the presidency or port of embarkation, and to enable officers to rejoin their regiments or stations after their return to India, nor the leave of one month's absence in six months, as authorized by the regulations. The last pay certificate of all officers proceeding to England on sick certificate is to specify the rate of regimental pay and allowances and staff salary to which they would have been entitled under the old regulations if proceeding to sea on medical certificate. This information is necessary in order that no difficulty may arise in the Pay Department

of the India Office in adjusting the several payments which may be due.

OFFICERS OF H.M.'S SERVICE.

27. Officers of Her Majesty's service in India, whether employed regimentally or in staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

28. In the case of officers of Her Majesty's service on furlough or sick certificate, in England or elsewhere, who may retire or exchange into regiments not on the Indian establishment, the grant to these officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

PERIODS OF ABSENCE ALLOWED TO BE COUNTED AS SERVICE FOR RETIRING PENSIONS.

29. In order that all officers quitting India on furlough or sick certificate may be placed on an exact equality as regards loss of time, the period allowed by regulation for proceeding to the presidency, or to the nearest port of embarkation, as well as the time to enable officers to rejoin their corps or station after their return to India, will be considered as time counting for service for the retiring pension.

30. No furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years' aggregate service, three years in twenty-five years' service, and four years in thirty years' service, shall be allowed to count as service for the retiring pension; and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or out of India, or whether the leave be on sick certificate or on private affairs.

31. In the term "Leave of Absence as announced in General Orders," is to be included all leave of absence, except the period allowed in Rule 29, and the ordinary indulgence of one month's leave in six months, as authorized by the existing regulations, and which are, in all cases, whether of regimental or staff officers, to be allowed to count as service for the pension. All leave to a greater extent, granted by political and other authorities, which may not hitherto have been published in General Orders, must be so announced hereafter.

32. Officers to be entitled to retire on the full pay of their regimental rank (under the regulations of 1749), must have served twenty-two years in India, out of which leaves of absence for two years in the aggregate, and not more, will be allowed to count as service for the retiring pension.

33. Officers to be entitled to retire on the full pay of captains and majors (under the regulations of 1835-37), must have served

twenty and twenty-four years respectively: out of which those leaves of absence for two years in the aggregate, and not more, will be allowed to count as service.

34. Officers to be entitled to retire as lieutenant-colonels must have served twenty-eight years; out of which leaves of absence for three years in the aggregate, and not more, will be allowed to count as service.

35. Officers to be entitled to retire as colonels must have served thirty-four years; out of which leaves of absence for four years in the aggregate, and not more, will be allowed to count as service.

36. The scale for medical officers and veterinary surgeons of privileged furlough and leave of absence as counting for the retiring pension, will be as follows:—

Years. Months.

1	3	in 17 & under 20 yrs.' service
2	0	in 20 " " 25 "
3	0	in 25 " " 30 "
4	0	in 30 and upwards "

37. It is to be distinctly understood, that under no circumstances whatever will an officer be permitted to retire on full pay until he has completed the full time of service above specified, whether he be in England at the close of his service or elsewhere.

MILITARY OFFICERS RETIRING.*

Officers who have served less than three years in India, and have lost their health there, are entitled to an allowance from the Fund of the late Lord Clive, if they shall be adjudged to be proper objects of that bounty, to the extent of:—

2nd Lieuts., Cornets, or Ensigns,	2s. a day, or £30 10s. a year;
Lieuts.,	2s. 6d. a day, or £45 12s. 6d. a year;
provided they are not possessed of, or entitled to, real or personal property, to the extent of, if an ensign, £750; if a lieutenant, £1000.	

Officers, on producing the prescribed medical certificate, countersigned by the commanding officer, that they are compelled to quit the service by wounds received in action, or by ill-health contracted on active service, or on detachment, outpost, or any military duty; unobscuredly unhealthy localities, after 2 years' service in India, are permitted to retire on the half pay of their rank, viz.:—
2nd Lieuts., Cornets, or Ensigns, 3s. a day, or £51 15s. a year.
Lieutenants, 4s. a day, or £73 a year.

* When officers on furlough retire upon the pay or half-pay of their rank, they are allowed, during a period of two years and a half from their quitting India, when on authorized furlough, the benefit of the regimental rank they may have respectively attained up to the date of their retirement.

38. The privileged time of absence may, with the permission of the local government, be taken at any time, subject to these regulations. If, therefore, at the end of twenty years' service, of which eighteen had been passed on actual duty in India, an officer should be on furlough or sick certificate in Europe or elsewhere, he will be entitled to retire on the full pay of a captain without returning to India, and so in the other terms of service for the higher pensions. In like manner, a medical officer on furlough or sick certificate, in Europe or elsewhere, at the end of seventeen years' service, fifteen years and four months of which have been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pension.

39. These rules do not in any way affect the existing regulations regarding the grant of leave in India, or for short periods to sea, whether on private affairs or on sick certificate, except as to the periods of such absence being taken into calculation in the time allowed to count as service for retirement on full pay.

A subaltern officer, having served six years in India, is permitted to retire on the half-pay of ensign, if his constitution should be so impaired as to prevent the possibility of his continuing in India.

A lieutenant having served ten, or a second lieutenant, cornet, or ensign, six years in India, may retire on the half-pay of his rank, in case his health shall not permit him to serve in India.

Regimental captains, majors, and lieutenant-colonels, whose ill state of health renders it impossible for them to continue to serve in India, are allowed to retire on the half-pay of their rank, viz.:—

Captains,	7s. a day, or £127 15s. a year.
Majors,	6s. 6d. a day, or £173 7s. 6d. a year.
Lieut.-colonels,	11s. a day, or £200 15s. a year.

All officers who have actually served twenty-two years in India, are allowed to retire on the full pay of their respective ranks. This does not apply to officers of the Staff Corps.

Officers retiring from the service will be considered to have retired from the date of their application for leave to retire; or from the expiration of two years and a half from their quitting India, whichever shall happen first.

Officers are also allowed to retire without reference to the rank they may have attained, as follows, viz. :—

ROYAL WARRANT

FOR THE FORMATION OF THE STAFF CORPS.

VICTORIA R.

WHEREAS it is expedient to provide a body of Officers for Our Service in India, by whom various offices and appointments hitherto held by Officers borne on the strength of the several Corps or Regiments of Our Forces in India shall in future be held; and whereas Our Secretary of State for India in Council has resolved to charge upon the Revenues of India the sum necessary to provide the pay, half-pay, and pensions of such body of Officers on the scale hereinafter contained, Our will and pleasure is that a Corps be formed in each of the Presidencies of Our Indian Dominions, to be denominated the Bengal, Madras, and Bombay Staff Corps respectively, to consist of such Officers as may be required for such employment, and are selected for such purposes by Our Governments in India, with the approbation of Our Secretary of State for India in Council.
