LIST OF HER MAJESTY'S COVENANTED CIVIL SERVANTS ON THE MADRAS ESTABLISHMENT.

Corrected up to the 30th June 1868.

The Rank of Civil Servants commences from the date of arrival at Madras of the first Civil Servant appointed in Europe, of the same season of which they are Civil Servants; and, being thus determined, all Civil Servants belong, during the first four years, to Class VI;—from the fifth to the end of the eighth year, to Class V;—from the ninth to the end of the twelfth year, to Class IV;—from the thirteenth to the end of the twentieth year, to Class III;—from the twenty-first to the end of the thirty-fifth year, to Class II;—and from and after the thirty-fifth year, to Class I.

The letters **A, B, C, D**, prefixed to the names denote respectively that the parties have not passed either of the two Standards of Qualification; that the first or lower Standard has been passed; that the Servant is entitled to Furlough, and that he cannot take Special leave.

M prefixed to a name denotes that the Servant though not having passed by the 2nd Standard, nor holding an appointment superior to that of Assistant is invested permanently with the full powers of a Magistrate.

Column 2, Capitals distinguish high proficiency. Column 7, Absence shown in italics counts as Residence to the extent of one year.

"6. In further recognition of their claims to the consideration of Her Majesty's Government, I have to inform your Excellency that I have resolved on the adoption of the following rule in preference to the one suggested by you, viz. :—

"I.—That all Warrant Officers of the Indian Army who are compelled by sickness to take leave to Europe, shall be granted passages to England and back to India at the expense of Government, either in the troop ships, if accommodation is available, or in sailing vessels.

"If they be accompanied by their wives and families, they will be required to pay in the former case the messing rates laid down in the Royal Passage Warrant on their account. If proceeding by sailing ship, they must make their own arrangements for their families.

"7. The second rule proposed by your Government appears judicious, and I approve it accordingly.

"II.—That Warrant Officers taking furlough to Europe on private affairs shall be required to lodge the full amount of return passage money, or to give approved security for the payment of the amount, in the event of being unable to make arrangements for their return themselves, in which case a Government return passage will be provided.

"8. These arrangements may be published as an addition to the Draft General Order approved in my Despatch No. 372, dated 9th December 1867, and will take effect from the 1st January 1868, applying to all such Warrant Officers as may now be on leave in this country."

No. 215 of 1868.—The following Extracts from General Orders by the Government of India, are re-published :—

Simla, the 23rd May 1868.

Abyssinia—Complimentary Order.—His Excellency the Viceroy and Governor-General of India in Council has the highest satisfaction in directing the re-publication of a General Order issued by His Excellency Lieutenant-General Sir Robert Napier, G.C.B., G.C.S.I., to the Soldiers and Sailors of the Army of Abyssinia, in which His Excellency congratulates them upon their successes, and thanks them for their great exertions and endurance.

The Viceroy in Council can add nothing to what is so justly said by Sir R. Napier in praise of his Force, but His Excellency desires to express his admiration at the whole conduct of the expedition, and to record his opinion that no Army could have been led with more ability, energy, and forethought under circumstances of peculiar difficulty, than have been displayed by Sir R. Napier in this Campaign.

The troops were worthy of their Commander, and the Viceroy in Council has especial pride in knowing that the British and Native Soldiers, composing the Expeditionary Force, were detached from the Armies of Her Majesty belonging to the three Presidencies in India, whose reputation they have maintained and increased.

The success has been most complete, and will not fail to be highly appreciated, not only in Great Britain, but throughout the civilised world.

His Excellency in Council has much pleasure in acknowledging the very great exertions made by the Government of Bombay and the various Departments of that Presidency in fitting out and supplying the greater part of the Expeditionary Force, in accordance with the orders of Her Majesty's Government in England, and His Excellency has to thank the Punjab Government for the very satisfactory and successful efforts made under the orders of His Honor the Lieutenant-Governor to provide Mules, Drivers, and Camel-men for service in Abyssinia.

The Viceroy in Council also owes acknowledgment to the Government of Madras for the ready share taken by that Presidency in the arrangements connected with the Expedition.

The thanks of the Governor-General in Council are further greatly due to His Excellency the Commander-in-Chief in India, and to the various Departments and Officers in Bengal, by whose efforts the Force that proceeded from this Presidency was despatched in a most perfect state of equipment.

A Royal Salute has already been fired from the Ramparts of Fort William in honor of the capture of Magdala and release of the captives.

COMMAND AND EXTRA DUTY PAY (MIXED DETACHMENTS ON BOARDSHIP).

CLAUSE 74.

Command Pay.

1. Command pay at the rate of 1 shilling 6 pence a day will in future be allowed to the Officer Commanding a mixed force on boardship proceeding to or from a foreign station, provided the strength of such Detachment shall not be less than 250, including Non-Commissioned Officers and Rank and File.

3. Extra duty pay will also be allowed to the men at the following daily rates, under the circumstances specified below :—

- (a) To the Non-Commissioned Officer acting as Serjeant Major, Quarter Master Serjeant, or Provost Serjeant, to a mixed Detachment of various Corps on boardship proceeding to, or returning from, a foreign station, provided that in no case the total emoluments exceed the rate of pay affixed to the Regimental rank :—

When the strength of such Detachment shall not be less than 250, including Non-Commissioned Officers and Rank and File, 6d.

When the Detachment shall consist of less than 250, but not less than 150 Non-Commissioned Officers and Men, 4d.

- (b) To the Acting Hospital Serjeant, or Acting or Temporary Orderly, to a mixed Detachment of various Corps on boardship proceeding to, or returning from, a foreign station, provided that the Detachment shall consist of not less than 150 Non-Commissioned Officers and Men, 4d.

- (c) In the case of drafts proceeding to or from India, when the proportion of Serjeants and Corporals, calculated on the total strength of the mixed Detachments, does not amount to one in thirty of each grade, soldiers may be appointed to act temporarily in the above capacities to complete the said proportion, and their pay may be made up to that of the grades in which they act.

4. In the case of a voyage from this country, one claim for all the command of extra duty pay admissible under these regulations will be submitted by the Officer Commanding the Detachments, to the General or other Officer Commanding at the stations where the Detachments disembark, who will authorize some one Accountant on the station to issue the amount sanctioned by regulation, and to debit the same against the proper head of service in the next Pay List rendered to this Department.

5. The charge will be vouched by a Certificate of the numbers of men on board, the necessary statement of particulars, the authority of the General Officer and proof of payment.

6. Should the Detachments disembark in India, the amount of the charge will be deducted from the total of the next Remittance Return forwarded to this Office, but it will be vouched as prescribed in paragraph 5.

7. A notification of the amount authorized will be made by the General Officer to the Secretary of State for War.

8. In the case of a homeward voyage, a single claim will be preferred for all the command and extra-duty pay admissible for the voyage, and such claim will be made on board the ship, at the termination of the voyage, by the Officer in Command of the Detachments (whether of Time-expired men or Invalids), and will be forwarded by him to the War Office through the Commandant at Netley.

Telegraph Department—Service Messages.—No. 188 of 1868.—The following Extract from Notification from the Gazette of India, is re-published :—

Fort William, Telegraph, the 30th April 1868.

No. 419.

The following Resolution is published for general information :—

No. 418, dated 30th April 1868.

READ Circular, dated 18th June 1864, No. 941, issued from the Home Department, calling attention to the Rules of the Electric Telegraph Department applicable to service messages.

RESOLUTION.—His Excellency the Governor-General in Council observes that these Rules are very far from being strictly observed; and as some time has elapsed since they were first promulgated, it appears necessary to call the attention of all Government servants, Civil and Military, to their existence.

His Excellency in Council accordingly resolves that the Circular cited above be re-published in the Gazette of India, and that copies be sent to all Departments, Governments, and Administrations, with a request that the orders may be extensively circulated among all Government Officers; and that it may be intimated to all concerned that all messages regarding leave, pay, promotion, or appointment, or other matters of a private character, must be paid for by the person sending them, unless it is perfectly clear that the interests of the public service will be injuriously affected, unless the particular message in question be sent by Telegraph.

The Military Department will also be asked to furnish copies to the Commanders-in-Chief in the three Presidencies for communication to the Commanding Officers.

Circular from E. C. BAYLEY, Esq., Secretary to the Government of India, HOME DEPARTMENT, to the Local Governments and Administrations, (No. 941, dated Simla, 18th June 1864).

The Governor General in Council finds it necessary again to call attention to the Rules of the Electric Telegraph Department applicable to service messages.

2. The periodical inspection of service messages undertaken in Calcutta shows that it is still a common practice on the part of Secretaries to Government, Heads of Departments, Officers Commanding Regiments, and other public Officers, to communicate regarding applications for leave of absence and applications for appointments by Telegraph on the public service.

3. Such communications are in fact very rarely required in the interests of the public service. In nine cases out of ten they are made for the private convenience of the party concerned, and therefore the messages ought not to be sent at the public expense.

4. If an Officer seeking leave or applying for an appointment desires to receive a reply by Telegraph, he should pay for the reply himself, for no such message can properly be sent at the Public expense, unless it be so sent, because it is in good faith believed that the interests of the public service require it.

5. The extent of the evil which results from the irregular practice above noted may not readily strike an individual public Officer who may perhaps only send one or two such messages in a month. The evil, however, is in reality a very great one, for the irregularity is found to be prevalent throughout India wherever Telegraphic communication is available, and thus probably not a day passes that private messages which have been paid for and messages which are really on the public service are not delayed in transit by the passage of some of these unpaid private messages improperly sent on the public service.

6. The difference between the Post Office and the Telegraph in this matter is obvious, though there is reason to suppose that it is not always borne in mind. No one communicating with Government or with any public functionary is entitled to expect a reply by Telegraph. The Telegraph is an extraordinary means of communication which is not intended to be used in the transaction of public business except on urgent and important occasions, and when the saving of time effected by the Telegraph is of real importance to the public interests; and it is of the utmost consequence to the interests of the general public, and also as regards the economical working of the Telegraph, that this rule should be rigidly observed by all public Officers and especially by those who hold posts of authority.

7. Another common and very serious evil in communicating by Telegraph on the public service is the entire absence of any care to express the messages in the fewest possible words. It should be always borne in mind that a message should consist of as few words as are consistent with a clear rendering of its meaning. It cannot be too strongly impressed on public Officers that communications by Telegraph must be conveyed in a style altogether different from that which is usual in postal communications. Brevity next to clearness must be considered the most important consideration in telegraphic messages.

GENERAL ORDERS BY GOVERNMENT.

ABYSSINIAN EXPEDITIONARY FORCE.

GENERAL ORDERS BY HIS EXCELLENCY THE COMMANDER-IN-CHIEF.

Adjutant General's Office, Head Quarters, Camp Delanta Plain, 20th April 1868.

CCLXXXIX.—"SOLDIERS AND SAILORS OF THE ARMY OF ABYSSINIA."

The Queen and the People of England entrusted to you a very arduous and difficult Expedition,—to release our countrymen from a long and painful captivity, and to vindicate the honor of our country, which had been outraged by Theodore, King of Abyssinia.

I congratulate you, with all my heart, on the noble way in which you have fulfilled the Commands of our Sovereign.

You have traversed, often under a tropical sun, or amidst storms of rain and sleet, four hundred miles of mountainous and rugged country.

You have crossed ranges of mountains (many steep and precipitous) more than ten thousand feet in altitude, where your supplies could not keep pace with you.

In four days you passed the formidable Chasm of the Beshilo, and, when within reach of your enemy, though with scanty food, and some of you even for many hours without either food or water, you defeated the Army of Theodore, which poured down upon you from its lofty Fortress in full confidence of victory.

A host of many thousands have laid down their arms at your feet.

You have captured and destroyed upwards of thirty pieces of Artillery, many of great weight and efficiency, with ample stores of ammunition.

You have stormed the almost inaccessible Fortress of Magdala, defended by Theodore and a desperate remnant of His Chiefs and Followers.

After you forced the entrance to his Fortress, Theodore, who himself never showed mercy, distrusted the offer of it held out to him by me, and died by his own hand.

You have released, not only the British Captives, but those of other friendly Nations.

You have unloosed the chains of more than ninety of the principal Chiefs of Abyssinia.

Magdala, on which so many victims have been slaughtered, has been committed to the flames, and now remains only a scorched rock.

Our complete and rapid success is due, *firstly*, to the Mercy of God, whose Hand, I feel assured, has been over us in a just cause; *secondly*, to the high spirit with which you have been inspired!

Indian soldiers have forgotten the prejudices of race and creed to keep pace with their European comrades.

Never did an Army enter on a War with more honorable feelings than yours. This it is that has carried you through so many fatigues and difficulties; your sole anxiety has been for the moment to arrive when you could close with your enemy.

The remembrance of your privations will pass away quickly: your gallant exploit will live in history.

The Queen and the people of England will appreciate and acknowledge your services; on my part, as your Commander, I thank you for your devotion to your duty, and the good discipline you have maintained throughout.

Not a single complaint has been made against a Soldier, of fields injured, or villagers willfully molested, either in person or property.

We must not, however, forget what we owe to our comrades who have been laboring for us in the sultry climate of Zoolla, the Pass of Koomaylee, or in the monotony of the posts which maintained our communications. One and all would have given everything they possessed to be with us: they deserve our gratitude.

I shall watch over your safety to the moment of your re-embarkation; and shall, to the end of my life, remember with pride that I have commanded you.

R. NAPIER, Lieutenant-General,
Commander-in-Chief, Abyssinia.

Artillery and Engineer Officers—Exchanges—Pensions.—No. 528 of 1868.—In continuation of G. O. No. 46, dated 16th January 1868, the following paragraph of a Military letter from the Right Hon'ble the Secretary of State for India No. 130, dated 23rd April 1868, is published for general information:—

Para. 4.—Referring to my Despatch No. 365, dated 9th December 1867, I have to inform you that the rule that an Officer exchanging for service out of India counts the whole time of such service for Indian pension, applies to Officers of the Artillery, as well as to Officers of Engineers.

General Officers—Service—Pensions.—No. 529 of 1868.—The following Military letter from the Right Hon'ble the Secretary of State for India, is published for general information :—

MILITARY.

No. 140.

INDIA OFFICE,

London, 30th April 1868.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—It has been brought to my notice that Officers of the Indian Service promoted to the rank of General Officer, and frequently thrown out of active employment for a season by such promotion, are, if residing unemployed in India, entitled to count such residence as service for pension, but if residing out of India, they come under the rules applicable in this respect to Officers on leave.

2. I do not consider, under the altered circumstances of the Indian service, that this distinction should be maintained, and I have determined therefore, that Officers on attaining to the rank of Major General shall reckon the whole of their service on the effective list, whether employed or unemployed, as service for pension, wherever they may choose to reside.

3. This ruling will take retrospective effect in the case of Officers retiring from the service hereafter.

I have, &c.,

(Signed) STAFFORD H. NORTHGOTE.

Military Funds—Future Management.—No. 532 of 1868.—Government having accepted the liabilities and assumed the assets of the Service Funds at the three Presidencies, as specified in the margin, the Right Hon'ble the Governor General in Council is pleased to direct that the business of these Funds shall, until further orders, be administered under the general supervision of the Military Account Department in the following manner :—

1. Military and Orphan Funds, Bombay.
2. Military and Orphan Funds, Madras.
3. Military Fund, Bengal.
4. Military Orphan Fund, Bengal.
5. Medical Retiring Fund, Bengal.

2. In Bengal, the present Secretaries to the Military and Orphan Funds, who are in future to be respectively designated *Examiner* and *Assistant Examiner of Fund Accounts*, will carry on the duties connected with these Funds,—and with the Bengal Medical Retiring Fund—comprising the individual accounts with members of the Funds, the payments to them under the rules, the recoveries from them, &c.,—subject to the supervision of the Controller of Military Accounts, through whom all orders of Government will be communicated and all accounts submitted.

3. In Madras, the Secretary to the Military and Orphan Funds will, in like manner, conduct the duties as heretofore, subject to the orders of the Controller of Military Accounts, through whom all orders of the Madras Government will be communicated and all accounts submitted.

4. In Bombay, the present Secretary to the Military and Orphan Funds will similarly administer the Funds under the orders of the Bombay Government, communicated through the Controller of Military Accounts, through whom also all accounts should be submitted.

5. In pursuance of these arrangements, the Boards of Directors or General Management, who hitherto presided over and controlled the affairs of these Institutions, are now abolished, but the Directors of the Military Orphan Fund in Bengal are solicited to act for the present as a standing Committee, for the purpose of aiding Government with their opinions and recommendations on points connected with the Orphan Fund, which may arise, until it can be finally determined what modification of the existing system and arrangements will be most expedient.

6. It will, however, be unnecessary to appoint any new members to this Committee, unless the number should fall below three, or unless the Government should see fit.

7. The charges for the Secretaries of the Funds and for the Office Establishments, which it may be found necessary to retain, will appear in the Military Estimates and Accounts; the remaining charges, including all payments from the Funds, as well as the receipts or subscriptions that may be realized, will appear in the Civil Estimates and be adjusted in the Civil Accounts.

8. Funds for the payments will be provided by the Civil Department, but the responsibility for promptly realizing subscriptions and donations will rest with the Officers more directly charged with the conduct of the duties of the Military Funds Department, who will be required to submit annually to their respective Governments, through the Controllers of Military Accounts, a report on the out-standings, distinguishing such as may be unduly in arrear.

9. On an Officer proceeding to England, the Last Pay Certificate granted to him by the Military Account Department will be required to exhibit the state of his Account with the Funds to which he subscribes.

The 5th June 1868.

Engineer Officers—Exchanges.—No. 548 of 1868.—The following paragraphs of a Military letter from the Right Hon'ble the Secretary of State for India, No. 141, dated 30th April 1868, are published for general information :—

Para. 1.—On receipt of your letter No. 78, dated 22nd February last, I submitted for the opinion of His Royal Highness the Field Marshal Commanding-in-Chief, the views of your Government upon the subject of exchanges between Captains of the late Indian Engineer Corps and Royal Engineer Officers of the same rank who have not been employed for any considerable time in India, and at the same time requested to be informed, with reference to the future employment of Engineer Officers in that country, whether it is proposed to limit their service in India to a term of seven years absolutely, or whether it will be optional with them to remain longer, if required to do so by the Local Government.

2. In reply, I have been informed that His Royal Highness concurs in your view that such exchanges should not be in future permitted.

3. Further, with reference to the employment of Engineer Officers on the Imperial list in India that, under the conditions of General Corps Order, No. 462, dated 1st July 1862, "subject to the approval of the Commander-in-Chief, they will be allowed a tour of home duty after seven years' service in that country; but it will be optional with them whether they return to England, or remain in India, after that period of service."

Warrant Officers—Leave in England—Pensions.—No. 549 of 1868.—The Right Hon'ble the Governor General in Council is pleased to notify that the Right Hon'ble the Secretary of State for India has ruled that a Warrant Officer on leave in

* Deputy Commissary	£ 180 four-fifths	=£ 144	England, who may, from the state of his health, be declared unfit to return to India, but who has not served the prescribed periods in India or departmentally to entitle him to the retiring pension of his rank, shall, if he has served half those periods, be invalided on an allowance equal to four-fifths of such pension.*
Assistant	£ 120	=£ 96	
Depy. Asst.	£ 90	=£ 72	
Conductor	£ 75	=£ 60	
Sub-Conductor	£ 60	=£ 48	

2. Should his service be less than half the prescribed periods, he will receive the reduced allowance now sanctioned for the next lower grade.

3. In such case, a Sub-Conductor will be allowed four-fifths of the pension of a Serjeant Major.

Subordinate Medical Department—Revised Pay and Pensions.—No. 550 of 1868.—With the sanction of Her Majesty's Government, His Excellency the Governor-General in Council is pleased to authorize certain modifications in the organization of the Subordinate Medical Department in Her Majesty's Indian Service, and to lay down a revised and enhanced scale of pay and pensions for that Department.

2. The system heretofore existing in the Bengal and Bombay Presidencies, under which the purveying duties were performed by the Medical Subordinates, will cease; and these duties will be undertaken, as has heretofore been the practice in the Madras Presidency, by the Commissariat Department, through the agency of a body of Hospital Purveyors.

3. The grade of Hospital Steward, which was constituted for the purveying duties, will be abolished. All the existing members of that grade, who have passed or may be able within six months to pass the examination to qualify them for the grade of Apothecary, will be admitted into the latter grade if they desire it.

4. Those who are unable to qualify themselves by passing the prescribed examination within the given time, or who may not desire to enter the Apothecary grade, will be allowed the retiring pension of their grade, as Hospital Steward, without reference to their length of service; or if they have served fifteen years, the invalid pay of their grade, should they prefer remaining in India.

5. The body of Hospital Purveyors will be divided into three classes in the following proportions, and on the scale of pay specified :—

The 1st Class, one-eighth of the total number at Rs. 45 per mensem.

2nd Class, three-eighths of the total number, at Rs. 30 per mensem.

3rd Class, one-half of the total number, at Rs. 20 per mensem.

6. The Subordinate Medical Establishments at the three Presidencies will be divided into two classes :—

The first to be designated the "Apothecary" class for general employment with European Troops, Hospitals, Depôts, &c., including the Subordinate Medical Department in Bengal, the corresponding portion of the Medical Establishment in Madras, and the Warrant Medical Officers and Apprentices in Bombay.

The second to be designated the "Hospital Assistant" class for general duty with Native Troops and Native Civil Hospitals, including the present "Native Doctors" in Bengal, "Dressers in Madras, and "Hospital Assistants" in Bombay.

7. The "Apothecary" class will consist of—

Senior Apothecaries, in the proportion of one-tenth of the effective establishment of Apothecaries. But for the next ten years the number now allowed to each Presidency will not, under any circumstances, be reduced.

Apothecaries.	{ 1st Class (after 5 years' service as Apothecary.)
	{ 2nd Class (below 5 years' service as Apothecary.)
Assistant Apothecaries.	{ 1st Class (after 5 years' service as Assistant Apothecary.)
	{ 2nd Class (below 5 years' service as Assistant Apothecary.)
Passed Hospital Apprentices.	
Hospital Apprentices.	

8. All these grades, with the exception of the Hospital Apprentices, will hold the rank of Warrant Officers, and receive warrants, which will give them a rank above all Non-Commissioned Officers.

9. Passed Hospital Apprentices, when in Subordinate Medical charge of a body of troops, will have temporary warrant rank as Assistant Apothecaries whilst so employed.

10. The grade of Honorary Assistant Surgeon will form no portion of the regular Medical Subordinate Establishment, but will continue to be given specially to those deemed worthy of the distinction.

tion as heretofore. When a Medical Warrant Officer attains this honorary rank, he will no longer be employed as a medical subordinate with a regiment, or corresponding body of European Troops, and will be supernumerary to the fixed establishment.

11. The strength of the "Apothecary" class at the several Presidencies will be fixed by the respective Governments, subject to the approval of the Government of India on the following basis:—

12. The effective strength will comprise the numbers of the several grades actually necessary for the duties with European Troops regimentally, and in Station Hospitals, with depôts, sanitarium, and medical store depôts, as also with the Indian Marine and Telegraph Departments, together with an additional margin of 15 per cent. in each grade to provide for detachments and other temporary duties, and for absentees on general or sick leave.

13. All who may be employed in civil or miscellaneous duties, other than military or those above specified, will be extra to the regular establishment, and will be *seconded*, their names being borne in the Army Lists in *italic*. In the event of a senior Apothecary being so *seconded*, a promotion will be made in his room.

14. The regimental and other military establishments in the three Presidencies will be the same, viz:—

For a European Regiment of Cavalry or Infantry, a Brigade of Artillery or a large Depôt, or Sanitarium equal to a regiment,—

- 1 Apothecary.
- 1 Assistant Apothecary.
- 1 Passed Apprentice.
- 1 Hospital Apprentice at least, and more if available.

For a detached Battery of Artillery, or a small Depôt or Sanitarium,—

- 1 Assistant Apothecary.

For a Garrison or Cantonment Hospital, or Presidency Medical Store Depôt,—

- 1 Apothecary,
- 1 Assistant Apothecary.

For the Head Quarters of the Corps of Sappers and Miners,—

- 1 Apothecary or Assistant Apothecary.

For Provincial Medical Store Depôts,—

- 1 Apothecary.

15. The grade of second Apothecary at Madras will be abolished, the members being merged in that of Apothecary.

16. The practice obtaining at Bombay of maintaining a separate establishment for the Medical Store Depôts, will also be discontinued, the members so employed joining the regular establishments according to their standing.

17. The future pay of the members of the "Apothecary" class will be a consolidated sum, to cover all expenses, except those specially noted below.

18. When on regimental or corresponding duty, all subordinates will be supplied with free quarters, or, when marching, with camp equipage. Hospital Apprentices will also receive a ration allowance of Rupees 10 per mensem, when not dieted in the hospital to which they may be attached, or in the Medical College. This latter grade will further be provided with the necessary barrack furniture, the usual allowance of bedding, and three suits of uniform clothing annually,—one for cold weather, and two for summer wear, free of cost.

19. The consolidated monthly rates of pay will be,—

	Rupees

20. In addition to the ordinary rates of pay, a field allowance of Rupees 30 per mensem will be granted to all the Medical Warrant Grades, when marching or in the field.

21. A similar amount will be granted, as a staff or employed allowance, to those grades when senior with or in subordinate medical charge of the Hospital of a British Regiment or detachment of British Troops, or of a Battery of Artillery, or a Depôt or Sanitarium, or when attached to a General Hospital or Medical Store Depôt.

22. The furlough pay, retiring, invalid and wound pensions of the several grades will be as follows:—

23. These retiring and invalid pensions are inclusive of any pension, which as Warrant Officers, the recipients may be entitled to from Lord Clive's Fund.

24. Members of the "Apothecary" class, who have completed 25 years' service, exclusive of the period passed in the grade of Hospital Apprentice, will, on retirement, be granted the honorary rank of Assistant Surgeon, if specially recommended for that distinction.

25. Medical Warrant Officers will not be entitled to retire until they have served 30 years in the Department, exclusive of the period served as Hospital Apprentice, unless they are reported by a Medical Committee to be unfit for further effective duty.

26. If invalided in India they must have served 15 years, exclusive of the period passed as Hospital Apprentice, to entitle them to the benefits of the invalid pension, unless they are invalided in consequence of wounds or injuries received, or disorders contracted on service or in the execution of their duties, when their individual cases will be specially considered.

"If invalided in England they will receive invalid pensions in accordance with the G. G. O., No. 549, of 5th June 1868, at the following rates, should they have served 15 and less than 30 years:—

"Honorary Assistant Surgeon.....	£ 120 per annum.

"Should their services be under 15 years they will receive the English Invalid Pension of the next lower grade, a Second Class Apothecary in such case being allowed £ 36."

27. The following pensions will be granted to the widows of the Medical Subordinate Department:—

28. Honorary Assistant Surgeons and other members of the "Apothecary" class, when employed in the independent medical charge of civil stations will receive pay according to the scale laid down in Financial Department's Notification No. 2295, dated 25th April 1867, viz:—

Under 5 years' service in independent civil charge.....	Rs. 350 per mensem.

Length of service to count from the date of entry on the pay of such appointment.

29. No Honorary Assistant Surgeon or member of the "Apothecary" class will hereafter be permanently appointed to the charge of a civil station, who has not gone through the regulated course of study in a Medical College.

30. In the event of an Honorary Assistant Surgeon or member of the "Apothecary" class being placed in temporary independent medical charge of a Native Regiment, or a detachment of European or Native Troops, constituting the ordinary charge of a covenanted Medical Officer, he will, if he holds a diploma, be entitled to a salary of Rupees 450 per mensem, or, if he has no diploma, to an addition of Rupees 50 per mensem to his departmental pay, together with any additional staff or marching allowance to which he may be entitled.

31. Should an Honorary Assistant Surgeon or other member of the "Apothecary" class holding a diploma, be allowed to retain independent medical charge of a Native Corps for upwards of 5 years, his salary will be increased to Rupees 600.

"Hospital Assistant" Class.

32. This branch of the Subordinate Medical Department will consist of 1st, 2nd and 3rd Class Hospital Assistants, the classes being regulated by length of service and of medical pupils.

83. The regular establishment will comprise the number requisite for, and employed on military duties, or on those connected with the Indian Marine and Telegraph Departments, together with a margin of 15 per cent. to meet extra and temporary duties and absentees. All the members of this branch required for civil or miscellaneous duties, will be extra to the regular establishment, and will be *seconded*, their names being borne in italics on the list.

84. The grade of Sub-Assistant Surgeon will not be considered as forming a portion of the regular establishment of the "Hospital Assistant" class; but, when by their conduct and attainments they can prove themselves well qualified for advancement, a certain number of Hospital Assistants may, if specially recommended, be allowed—the exigencies of the service permitting—to attend the Medical College of their Presidency for a period not exceeding two years, with a view to their qualifying for the grade of Sub-Assistant Surgeon.—See paragraph 47.

85. The establishments requisite for military purposes will be as follows:—

For a Native Regiment of Infantry or Cavalry, or a Native Depot or Detachment of greater numerical strength than a Wing,—

2 Hospital Assistants.

For a Native Battery of Artillery, a detached Company of Sappers, or a detachment of Native Infantry or Cavalry less than a Wing,—

1 Hospital Assistant.

For a station or Detail Native Hospital or Look Hospital,—

1 Hospital Assistant.

For a Regiment of British Cavalry, a Brigade or Division of Royal Artillery, or a detached Battery of Horse, Field, or Heavy Artillery,—

1 Hospital Assistant.

86. The monthly pay of this branch will also be consolidated, and on the following scale:—

	For those qualified in the English language.	For those not qualified in the English language.
1st Class Hospital Assistants of above 14 years' service.....	Rs. 60	Rs. 40
2nd Class do. of above 7 years' service.....	40	30
3rd Class do. under 7 years' service.....	25	20
Native Medical pupil, 1st year.....	7	5
Native Medical pupil, 2nd year.....	8	6
Native Medical pupil in College or Medical School, 1st year.....	9	7
Native Medical pupil in College or Medical School, 2nd year.....	10	8
Passed Medical pupils.....	16	12

The foregoing allowance to medical pupils includes ration money.

Hospital Assistants will draw as field batta—those of the 1st class Rupees 10, and the rest Rupees 5 per mensem, when marching, in the field, or on foreign service. When on general or sick leave, they will forfeit one-fourth of their salaries.

87. Accommodation will be furnished for medical pupils in Hospital and also in College, if required. One suit of uniform clothing will likewise be supplied to them annually.

88. The scale of pension for the Hospital Assistants will be,—

One-third of the average pay of preceding 5 years after 15 years' service, and one-half after 25 years' service as Hospital Assistants if invalidated by a competent Medical Committee, counting from the date of their passing for the grade of Hospital Assistant.

After 30 years' service, one-half of the average pay of preceding 5 years, without the necessity of producing a medical certificate.

If invalidated on account of wounds or injuries received on service, they will be allowed,—

One-third of the average pay of preceding 5 years, if under 15 years' service; one-half, if above 15 years' service as Hospital Assistants; and the full amount after 25 years' service.

89. Hospital Assistants who have been advanced to the grade of Sub-Assistant Surgeon, will be entitled to retire after completing the requisite service under the Uncovenanted Service Rules, counting their service from the date of passing their examination as Hospital Assistants.

90. Hospital Assistants will hold rank below all Native Commissioned and above all Native Non-Commissioned Officers.

Training and Education.

91. With a view to ensure a certain amount of professional training, independent of hospital practice, all Hospital Apprentices and Native medical pupils will, subject to the exigencies of the service be required to pass a given period at one of the Medical Colleges of their respective Presidencies, and attend a regular course of lectures. They will, moreover, be required to pass a standard examination in such College, before they can obtain promotion to the grade of Assistant Apothecary, or Hospital Assistant, respectively.

92. Both classes will, as heretofore, be required to pass a preliminary examination prior to entrance into the service under the existing rules. Hospital Apprentices will then join a European Regimental

Hospital, and Native Medical pupils, a Native Regimental Hospital or Civil Dispensary. After 2 years' employment in these capacities, if favorably reported on, they will be allowed to join the Medical College, where Hospital Apprentices will be required to serve 3, and medical pupils 2 years.

43. Hospital Apprentices, after passing the requisite examination, will receive the designation and pay of "passed Hospital Apprentice," and will revert to regimental employ or join General or Station Hospitals, until promoted to the grade of Assistant Apothecary.

44. In like manner, Native medical pupils will, on completing their College career, and passing the prescribed examination, receive the designation and pay of "passed Medical Pupils," unless or until they are promoted to the grade of 3rd Class Hospital Assistant. In such case they also will join a military or civil hospital, as subordinates, until they receive promotion.

45. On proceeding to and from the Medical College, both classes will receive free passages or a travelling allowance.

46. In order to afford junior members of the "Apothecary" class of undoubted ability and good character, an opening to further advancement, a limited number of Assistant Apothecaries after having served 5 years in that grade may, if they are specially recommended as likely to profit by the measure, and if the exigencies of the service permit, be allowed to attend the Medical College for a further period not exceeding 2 years, to qualify themselves for the grade of Sub-Assistant Surgeon. On appointment to that grade, they will be struck off the establishment of the hospital class, and join the civil body of Sub-Assistant Surgeons under the usual conditions.

47. A limited number of Hospital Assistants will also be allowed to return to the Medical College for a like purpose. A previous service of 7 years in the grade of Hospital Assistant is indispensable, as likewise is a competent practical knowledge of the English language. This opportunity of advancement will only be extended to such members of the service as are reported specially deserving by their general conduct and qualifications, and who have kept up their professional knowledge by the study of English works on Medicine and Surgery, and who are likely to be able to pass the requisite examination within the prescribed period of 2 years.

Order of British India.—No. 551 of 1868.—The following paragraphs of a Military letter from the Right Hon'ble the Secretary of State for India, No. 144, dated 30th April 1868, are published for information and guidance:—

Para. 1.—I have received and considered in Council your letter No. 27 of 23rd January last, upon the subject of the Order of British India, and the supposed intention of the Court of Directors of the late East India Company in its institution.

2. You observe there can be little doubt that it was desired the reward in question should be enjoyed, and the decorations belonging to it be worn, chiefly by those on the effective list, who would thus present to the eyes of their comrades, in all grades of the service, a perpetual incentive to behave so as to merit similar distinction in their turn.

* In letter from Adjutant General, to the Secretary to Government, Military Department, Bombay, dated 29th August 1867.

5. With a view, however, of providing a remedy for the defect pointed out by you in the present system, I authorize you, should you see no objection, to carry out the plan suggested* by His Excellency the Commander-in-Chief at Bombay, viz.,—

1. That one effective Member of the Order of British India be given for every two Members who become non-effective.

2. Casualties amongst the non-effective Members to lapse, so long as the total numbers of the effective and non-effective lists exceed the established number.

Staff Employ—British Officers.—No. 572 of 1868.—With the sanction of the Right Hon'ble the Secretary of State for India, His Excellency the Governor General in Council is pleased to lay down the following rules relating to the retention by Officers of British Regiments of their appointments in one Presidency when their Corps may have been removed in course of relief to another Presidency :—

Officers of the General Staff of the Army holding appointments demanding the usual qualifications for Staff employment, may continue to hold their appointments until their tenure has expired.

Officers in command of any description of depôts will at once vacate on their Regiments quitting the Presidency in which the depôt may be situated.

Officers who are probationers for the Staff Corps will be permitted to serve out their probation without reference to their Regiments being in the mean time moved to another Presidency.

Depôts—Commands.—No. 573 of 1868.—Under instructions from the Right Hon'ble the Secretary of State for India, and in view to the adoption of one uniform rule, in the three Presidencies, in regard to the command of depôts for European troops, it is hereby notified that no command of a depôt is to be held for more than five, while that of a convalescent depôt is invariably to be restricted to a period of two years.

Family Allowances—Non-Commissioned Staff.—No. 588 of 1868.—With reference to the limit assigned by G. O. P. C. No. 667* dated 31st December 1850, which renders subsistence allowance for wives or children inadmissible to Non-Commissioned Officers and Soldiers whose allowances, consolidated or otherwise, exceed a given amount, the Right Hon'ble the Governor General in Council is pleased to extend that limit from Rupees 75 to Rupees 100 per mensem.

2. This decision will have retrospective effect as regards any Non-Commissioned Officers or Soldiers whose aggregate pay and allowances were raised above the former limit of Rupees 75 by the additional pay sanctioned in G. G. O. No. 1035† of 1st November 1867, but in no other cases.

3. This order is applicable to the three Presidencies.

MILITARY FURLOUGH RULES.

Fort St. George, 1st July 1868.

No. 246 of 1868.—The following Extract from General Orders by the Government of India, is re-published :—

Simla, the 19th June 1868.

No. 618 of 1868.—Under sanction from the Right Hon'ble the Secretary of State for India, the following Rules relative to the absence of Military Officers on leave are substituted for those hitherto in force, and will be applicable to all Officers who elect to adopt them and who belong to the several Indian Staff Corps and to the Indian Army as well as to those Officers of Her Majesty's British Forces in India, who are holding permanent Staff appointments not of a regimental nature.*

Her Majesty's Government will be requested to decide how far the Rules may be considered to apply to other Officers of Her Majesty's British Forces serving in India.

I. The distinction with respect to allowances hitherto drawn between Furlough on Private Affairs and Sick Leave is abolished, both kinds of leave being included under the general term Furlough, provision, however, being made for the obtaining of Furlough, under Medical Certificate, without all the restrictions applicable to Furlough, when taken without Medical Certificate.

II. Leave taken under the Rules now prescribed will not involve forfeiture of appointment, except in the cases herein specially provided for.

III. The Rules now prescribed do not affect the provisions of Act XXXIII of George III, Chapter 52, Section 70; but an Absentee cannot retain his appointment, and draw absentee allowances, except under the Rules now prescribed.† Nor do they affect the regulations by which General Officers can only obtain limited periods of leave without forfeiting their commands.

IV. Leave of Absence will, in future, be of three kinds, viz. :—

I.—Furlough in or out of India.

II.—General Leave on Private Affairs or Sick Certificate in India or short leave to sea.

III.—Privilege Leave.

CHAPTER I.

Furlough.

V. An Officer drawing Staff Pay in addition to pay of rank, proceeding on Furlough, will be allowed pay at the rate of 50 per cent. of the salary of his substantive office. But an Officer on Civil employ or drawing consolidated salary will be allowed 50 per cent. of the average salary drawn by him for three years prior to his proceeding on Furlough. No absentee shall in either case draw more than £1,200, or less than £250 per annum. The term salary will signify the total amount drawn by an Officer, whether as consolidated pay or Staff allowances in addition to pay, but will not include any extra or special allowances. It is to be clearly understood that an Officer absent on Furlough, who may be transferred to another Office, during his absence, shall be entitled, for the entire period of his Furlough, to pay at the rate sanctioned to him when leaving India, provided that an Officer whose term of office shall lapse, during

* NOTE 1.—The provision in Rule XI by which Furlough Pay is to be given to Officers absent on Furlough on urgent private affairs not having been before the Secretary of State, is to be considered to be altogether subject to his approval.

† NOTE 2.—The Section referred to is quoted below :—

Section 70.—“ And be it further enacted, That no Person who shall have held any Civil or Military Station whatever in India, in the Service of the said United Company, being under the Rank or Degree of a Member of Council or Commander-in-Chief of the Forces, and who, having departed from India by Leave of the Governor-General in Council, shall not return to India within the space of five years next after such Departure, shall be entitled to any rank or Restoration of Office, or be capable of again serving in India, either in the European or Native Corps of Troops or in the Civil Line of the Company's Service, unless in the case of any Civil Servant of the Company, it shall be proved to the satisfaction of the Court of Directors, that such absence was occasioned by Sickness or Infirmary, or unless such Person be permitted to return with his Rank to India by a Vote or Resolution passed by way of Ballot, by three parts in four of the Proprietors assembled in General Court, specially convened for that purpose whereof eight days' previous notice of the time and purpose of such meeting shall be given in *The London Gazette*, or unless in the case of any Military Officer, it shall be proved to the satisfaction of the said Court of Directors, and the Board of Commissioners for the affairs of India, that such absence was occasioned by Sickness or Infirmary, or some inevitable accident.

his Furlough, shall cease to draw his half Staff salary from the date of such lapse. An Officer will also be entitled to the benefit of his promotion to a higher Staff Corps or Regimental rank whilst on Furlough, subject to the maximum limit.

Officers not in Staff employ will receive half the Indian pay of their rank, provided that in no case will an Officer entitled to Furlough receive less than the above minimum of £250 per annum.

NOTE.—The annual allowance of £50 heretofore granted in certain cases to Subalterns will cease to be drawn with reference to the amount fixed as the minimum of Furlough Pay.

VI. All grants of Furlough on Private Affairs are subject to the exigencies of the Public Service, of which exigency the Government is to be exclusively the judge, and to any regulations that may be found necessary for limiting the number of Absentees.

VII. The maximum amount of Furlough on Private Affairs to be taken at any one time, carrying pay and retention of appointment, will be two years.

VIII. A period of at least three years' service after return from last Furlough of not less than one year's duration must be completed before Furlough can again be taken unless obtained under Medical Certificate (see Rules XIII and XIV.)

IX. An Officer will be eligible for two years' Furlough on the completion of eight years' actual service in India, for a third year after six years' actual service from the date of his return to duty, and for a fourth or fifth year after similar intervals of six years. The grant of Furlough to an Officer eligible for it, will be subject only to the conditions specified in Rule VI. The fact of having taken Furlough on Medical Certificate will not affect the grant of these Furloughs, except as to the condition laid down in Rules VIII, XIII and XVI.

X. An Officer eligible for Furlough need not take the whole amount to which his service entitles him, but may apply for any portion thereof as an instalment; and in that case the balance will remain at his credit in any future computation of the amount of Furlough to which he may be entitled.

Illustrations.

(1).—An Officer who has served nine years in India is entitled to two years' Furlough. He takes only one year, and after his return remains in India for five years. He is then eligible for two years' Furlough as follows:—

Total Service in India.....14 years.
Furlough date on that Service..... 3 "
Furlough already taken..... 1 year.
Balance for which he is eligible..... 2 years.

(2).—An Officer who has served 20 years in India without taking Furlough is entitled to four years' Furlough. He can only take, however, two years at one time carrying pay, the balance remaining at his credit in any future computation of Furlough to which he may be entitled. He can take that balance after completing three years' service from the date of his return from the first instalment.

XI. Furlough on urgent Private Affairs for six months with pay equivalent to the British regimental pay of his rank to be extended to a year, if necessary, may be granted, when the Officer is not eligible for ordinary Furlough. The said period may form part of the periods of eight and six years referred to in Rule IX.

XII. Subject to State considerations, there will be no restriction as to the places to which an Officer may resort during Furlough.

XIII. Absence on Medical Certificate for a longer period than two years at one time, or departure on such Furlough within three years of the date of return from a previous Furlough of not less than one year, will involve forfeiture of appointment. Such Furlough may, however, be extended to a third year on English pay.

XIV. An Officer not entitled to Furlough, whose health may necessitate his taking it, may under the usual Medical Certificate, obtain such amount as may be duly certified to be necessary for the restoration of his health, but will only receive English Furlough Pay.

XV. An Officer entitled to Furlough, whose health may necessitate his absence from India, will be compelled to take leave as Furlough under Rule IX, but without forfeiting any special advantages of pension of this Furlough, beyond the period to which he may be entitled under Rule IX, will be regarded in all respects, as Furlough on Medical Certificate. Such extension, will not be allowed to take effect until the Officer shall have exhausted the entire amount of his available Furlough on Private Affairs.

XVI. The aggregate amount of Furlough with Pay and retention of appointment, whether on Private Affairs or on Medical Certificate, that may be granted to an Officer during his service, will be limited to eight years.

XVII. If taken in India, Furlough will be reckoned from the date of the Absentee quitting his station to the date of his return thereto: if taken out of India, from the date of the sailing of the vessel in which he may have embarked to the date of his disembarkation in India.

XVIII. Preparatory leave to embark for Europe or elsewhere on Furlough, will be granted for any period not ordinarily exceeding 30 days. Leave to the same limit, to enable him to rejoin on his return from Furlough, will be granted from the date of his disembarkation in India.

XIX. Furlough allowances shall be payable monthly if payment is taken in India; and quarterly, if payment is taken in England.

XX. Advances of Furlough Pay will continue to be made in India to those Officers who desire it, for three months from date of embarkation. Payments in continuation will be made in England on the expiration of six months from that date.

XXI. The Last Pay Certificate issued to each Officer who may be granted Furlough, whether on Private Affairs, or on Medical Certificate, will specify the rate of the pay and Staff salary of his last substantive appointment, and the rate to which he will be entitled in Europe in virtue of Rule V.

XXII. An Officer acting in India for an Absentee will be restricted for the entire period of such acting to the half Staff salary of the appointment in which he may be acting, in addition to the full pay of his rank, and the half Staff salary of his own appointment if he possess one. The Staff salary granted to an Acting Officer will, however, in no such case be less than Rupees 100 per mensem.

XXIII. The privilege heretofore granted to Military Officers of counting the proportion of leave noted in the margin as service for Pension, is retained. The periods of service qualifying for Pension remain unaltered.

XXIV. In computing the Furlough on Private Affairs to which an Officer who has already enjoyed some portion of such Furlough will be entitled under these Rules, it will be necessary to deduct the total amount of the Furlough on Private Affairs of which he may have availed himself during his service, from the total periods to which under Rule IX, he can lay claim. The balance will represent the leave to which he will be entitled on the expiration of not less than three years from his last return to duty.

Illustration.

(1).—An Officer who had obtained under the existing Rules, two years' Furlough after ten years' service, returns to India on the date on which this order is promulgated. He accepts its conditions, and serves four years longer in India. On the expiration of that term, he can take one year's Furlough, thus—

Total Service in India..... 14 years.
Leave to which that Service entitles him..... 3 "

(2).—An Officer of two years' service has proceeded on Sick Certificate to England for twenty months, extended afterwards to two years. He returns, serves six years in India, takes two years' Furlough, and returns to India about the time of the promulgation of these Rules, which he accepts. He must serve six years before he can take an additional years' Furlough, thus—

Total Service up to return from Furlough..... 12 years.
Total Service in India..... 8 "
Furlough enjoyed on that Service..... 2 "
Further period of Service to entitle him to one year's Furlough..... 6 "

CHAPTER II.

General Leave on Private Affairs and Sick Certificate in India.

XXV. An Officer will be eligible, as at present, to take leave on Private Affairs or Sick Certificate in India, for any period not exceeding six months, at the discretion of His Excellency the Commander-in-Chief, or of the Government under which he may be serving. During the entire period of his absence on this account, the Officer will be entitled, as at present, to his full pay, and a moiety of his Staff salary. Leave taken under this Rule will form no part of the eight years' aggregate Furlough. If this indulgence should be taken advantage of for a third year consecutively, the Officer will lose his Staff appointment.

XXVI. Leave on Sick Certificate for a period exceeding six months, capable of extension, under renewed Medical Certificate, to a limit of one year, may be granted to any Officer who, in the opinion of a Medical Board, may require it. Leave of this nature, taken after the promulgation of these Rules, will be held to constitute a part of the maximum period of eight years' leave of absence to which an Officer is entitled in his entire period of service, but will not be regarded as Furlough, nor will it effect the intervals entitling to furlough laid down in Rule IX. During this leave the Absentee will draw a moiety of his Staff salary in addition to the pay of his rank.

XXVII. Short leave not exceeding three months on private affairs or sick certificate, may also be taken to sea, on the above condition, but absence from India for any longer period will be treated as furlough.

XXVIII. All general leave taken in India counts as part of the leave reckoning against service for Pension.

CHAPTER III.

Privilege Leave.

XXIX. Privilege Leave may be granted, as at present, for sixty days in each year, to all Officers in Military employ, without deduction from the salaries and emoluments drawn by them. General Leave, in extension of Privilege Leave, can only be granted on the ground of sickness, or some other serious emergency which could not have been foreseen when the Officer proceeded on Privilege Leave. Privilege Leave may, however, be converted into General Leave with the sanction of the Commander-in-Chief or the Government.

XXX. In the case of the Stations noted in the margin, Privilege Leave may, as at present, be granted for ninety days to Officers of local Corps, or of Corps which are usually employed in one or other of the Districts named.

XXXI. An Officer is at liberty to proceed wherever he may desire on Privilege Leave, provided he can ensure his return before the expiration of his leave.

XXXII. Privilege Leave cannot be taken in continuation of Furlough, nor can Furlough be obtained in continuation of Privilege Leave. If Furlough be obtained by an Officer while absent on Privilege Leave, the Privilege Leave will be converted into General Leave, the Officer, for that period sacrificing a moiety of his Staff salary.

Military Officers in Civil Employ.

XXXIII. Military Officers in Civil or Political employ taking leave in India come, as respects periods of leave obtainable and amount of pay to be granted, under the Civil Leave Rules. When they take leave out of India, they come under the Military Leave Rules.

Subsidiary Rule.

XXXIV. Officers of the Indian Military and Medical Services will be required generally to notify their intention to accept these Rules, or to adhere to those now existing, on the first occasion of their taking Furlough or General Leave after the publication of this Order. Officers who may determine to abide by existing Rules, will be allowed to proceed on Furlough on the conditions laid down in Rules VII, VIII and XIII to the extent to which they may be entitled under the Furlough Regulations of 1854, and on the rates of pay contemplated in those Regulations, but retaining their appointments. The principle laid down in Rule XV must, however, be applied in those cases.

The foregoing Rules will take effect from the 1st July 1868, as respects retention of appointments and terms under which leave will be granted, but half Staff allowances will not be available for Officers now on leave in cases where the acting Officer has already come into receipt of the full Staff salary.

"Having laid before the Government of India your letter No. 215E, dated 2nd instant, I am directed to acquaint you, for the information of the Commander-in-Chief, that, in accordance with His Excellency's recommendation, the Right Hon'ble the Governor-General in Council approves of the proposal that no refund of the extra pay they have received should be required from any men who at the time of their irregular enlistment (counting their boy-service, which has been since disallowed,) were entitled, or who have since that date become entitled, to renew their service, and have done so."

* Vide G. G. O., 531 of 1864, re-published in Madras G. O. G., 276 of 22nd July 1864, page 457.
† Madras G. O. C. C., 21st January 1868, page 15.

"2. Nor does His Excellency desire any refund of the bounty paid at the time of their irregular re-engagement to such men as are not yet entitled to renew their service, if they record their willingness to re-engage at the proper time without any further bounty. The extra pay also, received by these men between the date of their irregular re-engagement and that of its cancellation, should not, His Excellency in Council thinks, be recovered.

"3. Those however who, being circumstanced as the men adverted to in the preceding paragraph, now decline to re-engage, should be placed at once under the regulated stoppages, until the bounty and extra pay shall have been recovered.

"4. The Governor-General in Council quite admits the principle set forth in paragraph 12 of your letter, but he thinks it will be better to let the retrenchments be held over Regimental Paymasters and Officers Commanding Batteries, so as to mark their responsibility for due care in recovering the amount, which may be liquidated gradually, as recoveries are made from the men.

"5. Any loss caused by any of the men dying, &c., before the recoveries can be effected, and not in consequence of any negligence on the part of the Officers concerned, will, of course, be at once written off, and the retrenchments on those men's account finally adjusted."

No. 188 of 1868.—The following Extract from Notifications from the Gazette of India, is re-published :—

Fort William, Telegraph, the 30th April 1868.

No. 419.

The following Resolution is published for general information :—

No. 418, dated 30th April 1868.

READ Circular, dated 18th June 1864, No. 941, issued from the Home Department, calling attention to the Rules of the Electric Telegraph Department applicable to service messages.

RESOLUTION.—His Excellency the Governor-General in Council observes that these Rules are very far from being strictly observed ; and as some time has elapsed since they were first promulgated, it appears necessary to call the attention of all Government servants, Civil and Military, to their existence.

His Excellency in Council accordingly resolves that the Circular cited above be re-published in the Gazette of India, and that copies be sent to all Departments, Governments and Administrations, with a request that the orders may be extensively circulated among all Government Officers ; and that it may be intimated to all concerned that all messages regarding leave, pay, promotion, or appointment, or other matters of a private character, must be paid for by the person sending them, unless it is perfectly clear that the interests of the public service will be injuriously affected, unless the particular message in question be sent by Telegraph.

The Military Department will also be asked to furnish copies to the Commanders-in-Chief in the three Presidencies for communication to the Commanding Officers.

Circular from E. C. BAYLEY, Esq., Secretary to the Government of India, HOME DEPARTMENT, to the Local Governments and Administrations,—(No. 941, dated Simla, 18th June 1864).

The Governor General in Council finds it necessary again to call attention to the Rules of the Electric Telegraph Department applicable to service messages.

2. The periodical inspection of service messages undertaken in Calcutta shows that it is still a common practice on the part of Secretaries to Government, Heads of Departments, Officers Commanding Regiments, and other public Officers, to communicate regarding applications for leave of absence and applications for appointments by Telegraph on the public service.

3. Such communications are in fact very rarely required in the interests of the public service. In nine cases out of ten they are made for the private convenience of the party concerned, and therefore the messages ought not to be sent at the public expense.

4. If an Officer seeking leave or applying for an appointment desires to receive a reply by Telegraph, he should pay for the reply himself, for no such message can properly be sent at the Public expense, unless it be so sent, because it is in good faith believed that the interests of the public service require it.

5. The extent of the evil which results from the irregular practice above noted may not readily strike an individual public Officer who may perhaps only send one or two such messages in a month. The evil, however, is in reality a very great one, for the irregularity is found to be prevalent throughout India wherever Telegraphic communication is available, and thus probably not a day passes that private messages which have been paid for and messages which are really on the public service are not delayed in transit by the passage of some of these unpaid private messages improperly sent on the public service.

6. The difference between the Post Office and the Telegraph in this matter is obvious, though there is reason to suppose that it is not always borne in mind. No one communicating with Government by any public functionary is entitled to expect a reply by Telegraph. The Telegraph is an extraordinary means of communication which is not intended to be used in the transaction of public business except on urgent and important occasions, and when the saving of time effected by the Telegraph is of real importance to the public interests ; and it is of the utmost consequence to the interests of the general public, and also as regards the economical working of the Telegraph, that this rule should be rigidly observed by all public Officers and especially by those who hold posts of authority.

7. Another common and very serious evil in communicating by Telegraph on the public service is the entire absence of any care to express the messages in the fewest possible words. It should be always borne in mind that a message should consist of as few words as are consistent with a clear rendering of its meaning. It cannot be too strongly impressed on public Officers that communications by Telegraph must be conveyed in a style altogether different from that which is usual in postal communications. Brevity next to clearness must be considered the most important consideration in telegraphic messages.

Having laid before the Government of India your letter No. 669, dated 17th February last, and its enclosures, I am directed in reply, to acquaint you, for the information of the Right Honorable the Governor in Council, that the Right Honorable the Governor General in Council concurs in the opinion of His Excellency the Commander-in-Chief in India, that, looking to the great advantage of picking up good recruits in this country, there should be no let or hindrance to Commanding Officers of British Regiments in entertaining men merely because the particular Regiment may happen to be over its established strength, as the recruits so obtained must be too limited in number ever to raise the strength of the British Force in India above its established complement.

2. Of course none but thoroughly fit men should be enlisted.

Excellency the Commander-in-Chief is pleased to publish, for the information of the Army in India, the following letter from the Military Secretary to the Horse Guards to his address, dated 8th April 1868, together with the Memo. which accompanied it :—

"With reference to my telegram of the 1st Instant, requesting you to be good enough to 'make no more provisional promotions in succession to Staff Corps Probationers,' I am directed by the Field Marshal Commanding-in-Chief to transmit herewith a Memorandum on the subject, which His Royal Highness wishes your Excellency to promulgate in General Orders to the Army serving under your command.

"Your Excellency will observe that in order to carry out the Regulations contained in the enclosed Memorandum, and avoid complications, it will be necessary to limit provisional promotions to be announced in your General Orders to such vacancies as are caused by the transfer of British Officers to the Staff Corps, with more than four years' service on full pay from the date of first commission, and which vacancies will, as heretofore, continue to be filled up without purchase, provisionally, in India.

"In the twelve Regiments of the Line, in which the purchase system does not exist, your Excellency will of course continue to carry out in your Local Orders provisional promotions without purchase in succession to Officers transferred to the Staff Corps, irrespective of their length of service, as these latter will not be entitled to receive the value of their commissions on appointment to the Staff Corps."

Memorandum, dated Horse Guards, 1st April 1868.

"His Royal Highness the Field Marshal Commanding-in-Chief is pleased to notify that, with the concurrence of the Secretary of State for War, and the Secretary of State for India in Council, it has been decided that Officers of Line Regiments, in which the purchase system is in force, whose permanent appointment to the Indian Staff Corps shall appear in the General Orders of one of the Local Governments of India, on a date subsequent to the 18th March 1868, and who, on the date of such permanent appointment (being the date of appointment as Probationers for the Staff Corps), shall not have exceeded four years' service on full pay, from the date of first commission,—shall receive, on their names appearing in the London Gazette as finally transferred to the Staff Corps, the exact sum such Officers would have received, under War Office Regulations, had they retired from the service by the sale of their commissions at the time of joining the Staff Corps as Probationers.

"Promotions in succession to vacancies caused by transfers to the Indian Staff Corps will, in future, be by purchase instead of without purchase as heretofore, when the Officers so transferred are entitled to receive the value of their commissions."

11. The Commanding Officer will further report to the Adjutant General the date on which these documents have been forwarded to the several Corps.

Officers Commanding Regiments receiving Volunteers will immediately on receipt of those documents, similarly report whether they are in all respects satisfactory or otherwise.

14. Bounty, as also gratuity in the case of Volunteers for Highland Regiments, who must be natives of North Britain, will be paid to the men on joining their new Regiments.

15. The Commanding Officer of the 101st Regiment will, without loss of time, place himself in communication with Departmental Officers under whom any of the men of the Regiment on the Unattached List may be serving, in view to the decisions of those men being recorded, for remaining in India on the condition specified in para. 14 of G. G. O., No. 695 of 1863, or rejoining their Regiment. In the former case their transfer documents will be forwarded at once from their present Regiment to the Officer Commanding that for which they may elect; or, in the event of their wishing to remain in their present Regiment, they will be withdrawn from detached employ immediately. In either case a report will be made by the Commanding Officer to the Adjutant General of the elections of these men.

RULES REGARDING LEAVE OF ABSENCE TO COVENANTED CIVIL SERVANTS.

FINANCIAL DEPARTMENT.—NOTIFICATION.—SIMLA, the 16th June 1868.—No. 533.

Subject to confirmation by the Right Hon'ble the Secretary of State, the Governor General in Council is pleased to promulgate the following Rules regarding Leave of Absence to Covenanted Civil Servants, in supersession of all previous Rules and Orders on the subject.

The Rules will take effect from the 1st day of July 1868.

The Rules are not intended to apply to Covenanted Civil Servants who are members of the Councils of the Governor General, or of the Governors of Bombay and Madras, or who are Judges of a High Court.

DEFINITIONS.

I.—In the following Rules

"Actual Service" includes the period during which an Officer is on duty, also periods spent on Privilege and Subsidiary Leave, and periods during which an Officer not on leave, may be out of employ on subsistence allowance in India.

"Extraordinary Leave" means any leave granted otherwise than under these Rules.

"Long Extraordinary Leave" means extraordinary leave extending beyond a period of three months.

"Long Furlough" means furlough extending beyond a period of three months.

"Salary" includes acting allowances.

An Officer's "Station" means that station to which he stands appointed, or such other place as the Government to which he is subordinate may determine.

CHAPTER I.—FURLOUGH.

II.—The maximum period of furlough which can be granted to any Officer during the whole period of his service is limited to six years.

III.—Subject to the above limit, one year's furlough shall be placed to the credit of each Officer for every four years of actual service.

IV.—No furlough shall be taken before the completion of eight years' actual service, except under Rule VIII.

V.—Furlough shall not be repeated until three years from the date of the last return from long extraordinary leave, or long furlough, except under Rule VIII. Leave taken under Chapters II and III, but no other leave shall be reckoned as part of the said three years.

VI.—The maximum term of furlough to be taken at any one time, shall be two years.

VII.—Except as hereinafter provided, an Officer when on furlough shall retain a lien on his substantive appointment, or on an appointment of similar character and not less salary, and he shall be granted allowances at the rate of 50 per cent. of his average salary for the previous three years, or for the period which has elapsed since his last return from long furlough, or long extraordinary leave, if that period be less than three years.

In calculating such average, the time spent and the allowances drawn under any Leave, excepting privilege leave under Chapter II, shall be omitted.

Provided that no Officer on furlough shall draw more than £1,200, or less than £300 per annum.

VIII.—Under Medical Certificate—

(a).—Furlough may be taken on the above-mentioned conditions, without reference to the amount at credit under Rule III.

(b).—Furlough for a period not exceeding one year may be taken, even if less than three years have elapsed since the last return from long extraordinary leave or long furlough. When on furlough under this clause, an Officer will not retain a lien on his appointment, and will be entitled only to subsistence allowance, unless he has completed six months' actual service since his last return from long extraordinary leave or long furlough, and there remain some leave to his credit under Rule III, in which case the Officer will retain a lien on his appointment, and will draw allowances as calculated under Rule VII, until that credit be exhausted, but in no case for a period exceeding one year.

(c).—Furlough taken without Medical Certificate, or under clause (a) of this Rule, may be extended beyond two years for a period not exceeding one year. When on furlough under this clause, an Officer will not retain a lien on his appointment, and will be entitled only to subsistence allowance.

IX.—Furlough taken or extended under Rule VIII is subject to the provision of Rule II.

X.—Furlough taken in India will be reckoned from the date of the Officer quitting his station to the date of his return thereto. Furlough taken out of India will be reckoned from the date of embarkation to the date of return.

In the event of the furlough being taken partly in India and partly out of India, the commencement and termination of the furlough will be determined by the above Rules, according as the furlough begins or ends in or out of India.

XI.—For the interval elapsing between departure from his station and the commencement of furlough, and between the termination of furlough and the re-arrival at his station, an Officer shall be allowed subsidiary leave not ordinarily exceeding in each case thirty days. During those periods, his allowances will be calculated in the same way as his furlough allowances, but without limitation as to maximum and minimum. Provided that, if the Officer has, under these Rules, lost his lien on his appointment, he shall draw subsistence allowance of his rank. Subsidiary leave shall count as service and residence.

XII.—Applications for furlough will in all cases be submitted to the Government to which the applicant is subordinate, and will be dealt with in such manner as the Governor-General of India in Council may from time to time prescribe.

XIII.—Subject to the exigencies of the service, both as regards the number of furloughs available at any one time, and as regards individual applications, of which exigencies the Government of India, Madras, or Bombay, as the case may be, shall be exclusively the judge, furloughs will be granted under these Rules.

XIV.—All applications for furlough under Medical Certificate, in accordance with these Rules, will be granted without restriction.

XV.—If, owing to the exigencies of the service, it may be necessary to place any limit on the number of Officers who may be absent on furlough at the same time, applications not supported by Medical Certificate will be granted in the following order:—

The applicant, to whose credit the greatest amount of furlough remains under Rule III, shall have the preference.

If two or more applicants are on an equality in this respect, the preference shall be given to the applicant whose actual service in India is longest, reckoning in the case of an Officer who has not taken long extraordinary leave or long furlough, from the date of his arrival in India, and in the case of an Officer who has taken long extraordinary leave or long furlough, from the date of his last return from such leave or furlough.

If two or more applicants are equal in both respects, the preference shall be given to the applicant in the Gradation List.

XVI.—The term of residence qualifying for pension shall be 21 years, but no leave, except privilege leave and subsidiary leave, shall count as residence.

XVII.—The term of service qualifying for pension shall be 35 years.

CHAPTER II.—PRIVILEGE LEAVE.

XVIII.—Subject to the exigencies of the State, an Officer who has completed eleven months' continuous duty may take privilege leave for one month without deduction from his salary, retaining a lien on his appointment, whether substantive or officiating. Provided that, in the case of his holding an officiating appointment, such lien and his acting allowance will cease on the resumption of service by the Officer to whom the substantive appointment belongs.

XIX.—In the same manner, and under the same conditions, two or three months' privilege leave may be taken when an Officer has completed continuous duty of twenty-two or thirty-three months respectively.

XX.—Privilege Leave may, at the discretion of the Local Government, be taken in separate instalments. No second instalment shall be taken until after the completion of six months' continuous duty from the expiry of the first instalment. In this case the eleven months qualifying for fresh privilege leave will be reckoned from the expiry of the first instalment, the period of the second instalment being omitted from the calculation.

XXI.—That the whole privilege leave taken at any one time shall not exceed three months, and that no accumulation of privilege leave beyond that period shall be admitted.

XXII.—If an Officer shall overstay his privilege leave, he shall forfeit all salary during the time of his remaining so absent; and if he shall so continue absent for more than one week, his office shall become vacant.

XXIII.—Privilege Leave shall be reckoned as residence and service.

CHAPTER III.—SPECIAL LEAVE.

XXIV.—Special leave, on urgent private affairs, may be granted at the discretion of the Local Government for a period not exceeding six months. In respect of retention of a lien on appointment, of allowances drawn during the leave, and of subsidiary leave, the conditions of special leave shall be the same as those prescribed for furlough special leave shall not be reckoned as residence.

XXV.—Rule XXI shall, *mutatis mutandis*, apply to an Officer overstaying special leave.

XXVI.—Special leave may be repeated without allowances after intervals of at least six years' actual service.

CHAPTER IV.—GENERAL.

XXVII.—Furlough, privilege leave, and special leave shall not be taken as such in continuation of each other; but if an Officer absent on one of these classes of leave be allowed to change it for another, the whole period of his absence shall be held to be under the class of leave for which it was changed.

XXVIII.—Subject to considerations of State, there will be no restriction as to the places where an Officer may reside when on leave.

XXIX.—Leave allowance shall be payable monthly, if payment is taken in India; and quarterly, if payment is taken in England.

CHAPTER V.—TEMPORARY RULES.

XXX.—Whatever aggregate amount out of the three years' furlough and three years' sick leave, under the Rules until now in force, at present remains to be taken by an Officer under the said Rules, shall remain to be taken by him under Rules now promulgated.

XXXI.—Any Officer now in the service shall, when next proceeding on Furlough, elect whether he will draw allowances at the higher minimum rate of £500 per annum (not exceeding his total salary at the time). If he shall so elect he will, in any future furlough, be limited as to allowance, to the lower maximum rate of £1,000 per annum.

XXXII.—Any Officer now absent on leave, who has no appointment, may, on his return and until he holds an appointment carrying equal pay to that of the substantive appointment which he last held, draw the subsistence allowance of his rank, together with 75 per cent. of the pay of any appointment in which he shall officiate. Provided that the total salary so drawn by him shall not exceed the pay of the appointment in which he is officiating. This Rule shall apply to any Officer who may have already returned from Furlough.

XXXIII.—Any Officer now absent on furlough, or under medical certificate, may elect whether the remainder of his leave shall be taken under these Rules from the date of their promulgation. If he shall so elect, Rule XXX shall not apply to him.

No. 534.

Provided that if the acting allowance so calculated do not amount to two-thirds of the difference between the pay of the two appointments, it shall be raised to two-thirds.

Provided, further, that in no case shall the whole salary so drawn exceed the pay of the appointment in which the Officer is officiating.

II. An officer holding no substantive, but only an officiating appointment, shall, subject to the provisions in Rule I, draw, in addition to the subsistence allowance of his rank, 50 per cent. of the pay of the appointment in which he is officiating.
