LIST OF HER MAJESTY'S COVENANTED CIVIL SERVANTS ON THE MADRAS ESTABLISHMENT.

Corrected up to the 30th June 1868.

The Rank of Civil Servants commences from the date of arrival at Madras of the first Civil Servant appointed in Europe, of the same season of which they are Civil Servants; and, being thus determined, all Civil Servants belong, during the first four years, to Class V I;—from the fifth to the end of the eighth year, to Class V;—from the ninth to the end of the twelfth year, to Class IV;—from the thirteenth to the end of the twentieth year, to Class III;—from the twenty-first to the end of the thirty-fifth year, to Class II;—and from and after the thirty-fifth year, to Class I.

The letters **A, B, C, D**, prefixed to the names denote respectively that the parties have not passed either of the two Standards of Qualification; that the first or lower Standard has been passed; that the Servant is entitled to Full-pay, and that he cannot take Special leave.

M prefixed to a name denotes that the Servant though not having passed by the 2nd Standard, nor holding an appointment superior to that of Assistant is invested permanently with the full powers of a Magistrate.

Column 2, Capitals distinguish high proficiency. Column 7, Absence shown in italics counts as Residence to the extent of one year.

5th.—The Children of European and East Indian Fathers in the Military and Medical Services transferred to the Invalid and Pension Establishments, whose subsistence may be so small as to render their Children objects of charity. The number of this class shall in future be limited to fifty, and no boys of this class shall be admitted under 7 years of age.

6th.—At all times when the number of boys in the School shall be below 250 it shall be lawful for the Executive Committee, or a General Meeting of the Governors to admit into the Institution as extraordinary cases, destitute and deserving boys, sons of persons connected with the Army, notwithstanding such boys may not be eligible under any of the above rules, provided that the number of such admissions shall not exceed *ten* in any one year.

The term East Indian is restricted to the Children of European Fathers by Native or East Indian Mothers, or of East Indian Fathers and Mothers, both of whom are the children of European Fathers.

Para. 28. Legitimate children only are admissible into the Institution on the above Rules. The case of illegitimate Orphan Children will be dealt with specially by the Board of Governors and application for their admittance must be forwarded separately.

Para. 29. Applications for admission on the foundation of the Asylum, must be signed by the Officers Commanding the Corps, to which the Father of the boy was or is attached, or by some other official person, competent by a knowledge of the child's parents and circumstances to make such recommendation.

Para. 30. Applications shall be made in the form set out at the end of this regulation, and be accompanied by a Medical Certificate, that the boy is free from mental and bodily disease, and also by certificates of the parents' marriage and child's Baptism; and further if the child is in the receipt of orphan allowance, all papers connected therewith to be forwarded to the Secretary, on the boy being admitted into the Institution.

Para. 31. As the institution, is for the support of destitute orphans it can only provide for others so far as their own means are insufficient, and therefore all monies belonging to those admitted on the foundation should be forwarded to the Secretary who is the guardian of all such lads.

Para. 32. No boy shall be admitted into the Asylum under the age of five years nor above 13, and no boy shall be kept on the foundation after he has attained the age of 16, with the exception of a few, who are to be allowed to remain until they have attained the age of 18, for the purpose of being employed as Teachers, or of completing their knowledge of any trade they may have been bound to, and the Secretary may, at his discretion, supply each boy on leaving the Asylum with a Bible and Prayer Book and a complete set of clothes.

"6. In further recognition of their claims to the consideration of Her Majesty's Government, I have to inform your Excellency that I have resolved on the adoption of the following rule in preference to the one suggested by you, viz. :—

"I.—That all Warrant Officers of the Indian Army who are compelled by sickness to take leave to Europe, shall be granted passages to England and back to India at the expense of Government, either in the troop ships, if accommodation is available, or in sailing vessels.

"If they be accompanied by their wives and families, they will be required to pay in the former case the messing rates laid down in the Royal Passage Warrant on their account. If proceeding by sailing ship, they must make their own arrangements for their families.

"7. The second rule proposed by your Government appears judicious, and I approve it accordingly.

"II.—That Warrant Officers taking furlough to Europe on private affairs shall be required to lodge the full amount of return passage money, or to give approved security for the payment of the amount, in the event of being unable to make arrangements for their return themselves, in which case a Government return passage will be provided.

"8. These arrangements may be published as an addition to the Draft General Order approved in my Despatch No. 372, dated 9th December 1867, and will take effect from the 1st January 1868, applying to all such Warrant Officers as may now be on leave in this country."

READ Circular, dated 18th June 1864, No. 941, issued from the Home Department, calling attention to the Rules of the Electric Telegraph Department applicable to service messages.

RESOLUTION.—His Excellency the Governor-General in Council observes that these Rules are very far from being strictly observed; and as some time has elapsed since they were first promulgated, it appears necessary to call the attention of all Government servants, Civil and Military, to their existence.

His Excellency in Council accordingly resolves that the Circular cited above be re-published in the *Gazette of India*, and that copies be sent to all Departments, Governments, and Administrations, with a request that the orders may be extensively circulated among all Government Officers; and that it may be intimated to all concerned that all messages regarding leave, pay, promotion, or appointment, or other matters of a private character, must be paid for by the person sending them, unless it is perfectly clear that the interests of the public service will be injuriously affected, unless the particular message in question be sent by Telegraph.

The Military Department will also be asked to furnish copies to the Commanders-in-Chief in the three Presidencies for communication to the Commanding Officers.

Circular from E. C. BAYLEY, Esq., Secretary to the Government of India, HOME DEPARTMENT, to the Local Governments and Administrations.—(No. 941, dated Simla, 18th June 1864).

The Governor General in Council finds it necessary again to call attention to the Rules of the Electric Telegraph Department applicable to service messages.

2. The periodical inspection of service messages undertaken in Calcutta shows that it is still a common practice on the part of Secretaries to Government, Heads of Departments, Officers Commanding Regiments, and other public Officers, to communicate regarding applications for leave of absence and applications for appointments by Telegraph on the public service.

3. Such communications are in fact very rarely required in the interests of the public service. In nine cases out of ten they are made for the private convenience of the party concerned, and therefore the messages ought not to be sent at the public expense.

4. If an Officer seeking leave or applying for an appointment desires to receive a reply by Telegraph, he should pay for the reply himself, for no such message can properly be sent at the Public expense, unless it be so sent, because it is in good faith believed that the interests of the public service require it.

5. The extent of the evil which results from the irregular practice above noted may not readily strike an individual public Officer who may perhaps only send one or two such messages in a month. The evil, however, is in reality a very great one, for the irregularity is found to be prevalent throughout India wherever Telegraphic communication is available, and thus probably not a day passes that private messages which have been paid for and messages which are really on the public service are not delayed in transit by the passage of some of these unpaid private messages improperly sent on the public service.

6. The difference between the Post Office and the Telegraph in this matter is obvious, though there is reason to suppose that it is not always borne in mind. No one communicating with Government or with any public functionary is entitled to expect a reply by Telegraph. The Telegraph is an extraordinary means of communication which is not intended to be used in the transaction of public business except on urgent and important occasions, and when the saving of time effected by the Telegraph is of real importance to the public interests; and it is of the utmost consequence to the interests of the general public, and also as regards the economical working of the Telegraph, that this rule should be rigidly observed by all public Officers and especially by those who hold posts of authority.

7. Another common and very serious evil in communicating by Telegraph on the public service is the entire absence of any care to express the messages in the fewest possible words. It should be always borne in mind that a message should consist of as few words as are consistent with a clear rendering of its meaning. It cannot be too strongly impressed on public Officers that communications by Telegraph must be conveyed in a style altogether different from that which is usual in postal communications. Brevity next to clearness must be considered the most important consideration in telegraphic messages.

No. 215 of 1868.—The following Extracts from General Orders by the Government of India, are re-published :—

Simla, the 23rd May 1868.

Abyssinia—Complimentary Order.—His Excellency the Viceroy and Governor-General of India in Council has the highest satisfaction in directing the re-publication of a General Order issued by His Excellency Lieutenant-General Sir Robert Napier, G.C.B., G.C.S.I., to the Soldiers and Sailors of the Army of Abyssinia, in which His Excellency congratulates them upon their successes, and thanks them for their great exertions and endurance.

The Viceroy in Council can add nothing to what is so justly said by Sir R. Napier in praise of his Force, but His Excellency desires to express his admiration at the whole conduct of the expedition, and to record his opinion that no Army could have been led with more ability, energy, and forethought under circumstances of peculiar difficulty, than have been displayed by Sir R. Napier in this Campaign.

The troops were worthy of their Commander, and the Viceroy in Council has especial pride in knowing that the British and Native Soldiers, composing the Expeditionary Force, were detached from the Armies of Her Majesty belonging to the three Presidencies in India, whose reputation they have maintained and increased.

The success has been most complete, and will not fail to be highly appreciated, not only in Great Britain, but throughout the civilised world.

His Excellency in Council has much pleasure in acknowledging the very great exertions made by the Government of Bombay and the various Departments of that Presidency in fitting out and supplying the greater part of the Expeditionary Force, in accordance with the orders of Her Majesty's Government in England, and His Excellency has to thank the Punjab Government for the very satisfactory and successful efforts made under the orders of His Honor the Lieutenant-Governor to provide Mules, Drivers, and Camel-men for service in Abyssinia.

The Viceroy in Council also owes acknowledgment to the Government of Madras for the ready share taken by that Presidency in the arrangements connected with the Expedition.

The thanks of the Governor-General in Council are further greatly due to His Excellency the Commander-in-Chief in India, and to the various Departments and Officers in Bengal, by whose efforts the Force that proceeded from this Presidency was despatched in a most perfect state of equipment.

A Royal Salute has already been fired from the Ramparts of Fort William in honor of the capture of Magdala and release of the captives.

ABYSSINIAN EXPEDITIONARY FORCE.

GENERAL ORDERS BY HIS EXCELLENCY THE COMMANDER-IN-CHIEF.

Adjutant General's Office, Head Quarters, Camp Delanta Plain, 20th April 1868.

CCLXXXIX.—"SOLDIERS AND SAILORS OF THE ARMY OF ABYSSINIA."

The Queen and the People of England entrusted to you a very arduous and difficult Expedition,—to release our countrymen from a long and painful captivity, and to vindicate the honor of our country, which had been outraged by Theodore, King of Abyssinia.

I congratulate you, with all my heart, on the noble way in which you have fulfilled the Commands of our Sovereign:

You have traversed, often under a tropical sun, or amidst storms of rain and sleet, four hundred miles of mountainous and rugged country.

You have crossed ranges of mountains (many steep and precipitous) more than ten thousand feet in altitude, where your supplies could not keep pace with you.

In four days you passed the formidable Chasm of the Beshilo, and, when within reach of your enemy, though with scanty food, and some of you even for many hours without either food or water, you defeated the Army of Theodore, which poured down upon you from its lofty Fortress in full confidence of victory.

A host of many thousands have laid down their arms at your feet.

You have captured and destroyed upwards of thirty pieces of Artillery, many of great weight and efficiency, with ample stores of ammunition.

You have stormed the almost inaccessible Fortress of Magdala, defended by Theodore and a desperate remnant of His Chiefs and Followers.

After you forced the entrance to his Fortress, Theodore, who himself never showed mercy, distrusted the offer of it held out to him by me, and died by his own hand.

You have released, not only the British Captives, but those of other friendly Nations.

You have unloosed the chains of more than ninety of the principal Chiefs of Abyssinia.

Magdala, on which so many victims have been slaughtered, has been committed to the flames, and now remains only a scorched rock.

Our complete and rapid success is due, *firstly*, to the Mercy of God, whose Hand, I feel assured, has been over us in a just cause; *secondly*, to the high spirit with which you have been inspired!

Indian soldiers have forgotten the prejudices of race and creed to keep pace with their European comrades.

Never did an Army enter on a War with more honorable feelings than yours. This it is that has carried you through so many fatigues and difficulties; your sole anxiety has been for the moment to arrive when you could close with your enemy.

The remembrance of your privations will pass away quickly: your gallant exploit will live in history.

The Queen and the people of England will appreciate and acknowledge your services; on my part, as your Commander, I thank you for your devotion to your duty, and the good discipline you have maintained throughout.

Not a single complaint has been made against a Soldier, of fields injured, or villagers wilfully molested, either in person or property.

We must not, however, forget what we owe to our comrades who have been laboring for us in the sultry climate of Zoolla, the Pass of Koomaylee, or in the monotony of the posts which maintained our communications. One and all would have given everything they possessed to be with us: they deserve our gratitude.

I shall watch over your safety to the moment of your re-embarkation; and shall, to the end of my life, remember with pride that I have commanded you.

R. NAPIER, Lieutenant-General,
Commander-in-Chief, Abyssinia.

Gratuitous issue of Medicines.—No. 231 of 1868.—The Right Honorable the Governor in Council is pleased to notify that, under the instructions of the Government of India, all Officers in Military Staff employ, with the exception of those serving at the Presidency, are entitled to the gratuitous issue of medicines.

No. 232 of 1868.—The following Extracts from General Orders by the Government of India, are re-published:—

No. 46,* dated 16th January 1868, the following paragraph of a Military letter from the Right Hon'ble the Secretary of State for India No. 130, dated 23rd April 1868, is published for general information:—

Para. 4.—Referring to my Despatch No. 365, dated 9th December 1867, I have to inform you that the rule that an Officer exchanging for service out of India counts the whole time of such service for Indian pension, applies to Officers of the Artillery, as well as to Officers of Engineers.

General Officers—Service—Pensions.—No. 529 of 1868.—The following Military letter from the Right Hon'ble the Secretary of State for India, is published for general information :—

MILITARY.

No. 140.

INDIA OFFICE,
London, 30th April 1868.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—It has been brought to my notice that Officers of the Indian Service promoted to the rank of General Officer, and frequently thrown out of active employment for a season by such promotion, are, if residing unemployed in India, entitled to count such residence as service for pension, but if residing out of India, they come under the rules applicable in this respect to Officers on leave.

2. I do not consider, under the altered circumstances of the Indian service, that this distinction should be maintained, and I have determined therefore, that Officers on attaining to the rank of Major General shall reckon the whole of their service on the effective list, whether employed or unemployed, as service for pension, wherever they may choose to reside.

3. This ruling will take retrospective effect in the case of Officers retiring from the service hereafter.

I have, &c.,

(Signed) STAFFORD H. NORTHCOTE.

Military Funds—Future Management.—No. 532 of 1868.—Government having accepted

1. Military and Orphan Funds, Bombay.
2. Military and Orphan Funds, Madras.
3. Military Fund, Bengal.
4. Military Orphan Fund, Bengal.
5. Medical Retiring Fund, Bengal.

the liabilities and assumed the assets of the Service Funds at the three Presidencies, as specified in the margin, the Right Hon'ble the Governor General in Council is pleased to direct that the business of these Funds shall, until further orders, be administered under the general supervision of the Military Account Department in the following manner :—

2. In Bengal, the present Secretaries to the Military and Orphan Funds, who are in future to be respectively designated *Examiner and Assistant Examiner of Fund Accounts*, will carry on the duties connected with these Funds,—and with the Bengal Medical Retiring Fund,—comprising the individual accounts with members of the Funds, the payments to them under the rules, the recoveries from them, &c.,—subject to the supervision of the Controller of Military Accounts, through whom all orders of Government will be communicated and all accounts submitted.

3. In Madras, the Secretary to the Military and Orphan Funds will, in like manner, conduct the duties as heretofore, subject to the orders of the Controller of Military Accounts, through whom all orders of the Madras Government will be communicated and all accounts submitted.

4. In Bombay, the present Secretary to the Military and Orphan Funds will similarly administer the Funds under the orders of the Bombay Government, communicated through the Controller of Military Accounts, through whom also all accounts should be submitted.

5. In pursuance of these arrangements, the Boards of Directors of General Management, who hitherto presided over and controlled the affairs of these Institutions, are now abolished, but the Directors of the Military Orphan Fund in Bengal are solicited to act for the present as a standing Committee, for the purpose of aiding Government with their opinions and recommendations on points connected with the Orphan Fund, which may arise, until it can be finally determined what modification of the existing system and arrangements will be most expedient.

6. It will, however, be unnecessary to appoint any new members to this Committee, unless the number should fall below three, or unless the Government should see fit.

7. The charges for the Secretaries of the Funds and for the Office Establishments, which it may be found necessary to retain, will appear in the Military Estimates and Accounts; the remaining charges, including all payments from the Funds, as well as the receipts or subscriptions that may be realized, will appear in the Civil Estimates and be adjusted in the Civil Accounts.

8. Funds for the payments will be provided by the Civil Department, but the responsibility for promptly realizing subscriptions and donations will rest with the Officers more directly charged with the conduct of the duties of the Military Funds Department, who will be required to submit annually to the respective Governments, through the Controllers of Military Accounts, a report on the out-standings, distinguishing such as may be unduly in arrear.

9. On an Officer proceeding to England, the Last Pay Certificate granted to him by the Military Account Department will be required to exhibit the state of his Account with the Funds to which he subscribes.

The 5th June 1868.

Engineer Officers—Exchanges.—No. 548 of 1868.—The following paragraphs of a Military letter from the Right Hon'ble the Secretary of State for India, No. 141, dated 30th April 1868, are published for general information :—

Para. 1.—On receipt of your letter No. 78, dated 22nd February last, I submitted for the opinion of His Royal Highness the Field Marshal Commanding-in-Chief, the views of your Government upon the subject of exchanges between Captains of the late Indian Engineer Corps and Royal Engineer Officers of the same rank who have not been employed for any considerable time in India, and at the same time requested to be informed, with reference to the future employment of Engineer Officers in that country, whether it is proposed to limit their service in India to a term of seven years absolutely, or whether it will be optional with them to remain longer, if required to do so by the Local Government.

2. In reply, I have been informed that His Royal Highness concurs in your views that such exchanges should not be in future permitted.

3. Further, with reference to the employment of Engineer Officers on the Imperial list in India that, under the conditions of General Corps Order, No. 462, dated 1st July 1862, "subject to the approval of the Commander-in-Chief, they will be allowed a tour of home duty after seven years' service in that country; but it will be optional with them whether they return to England, or remain in India, after that period of service."

Warrant Officers—Leave in England—Pensions.—No. 549 of 1868.—The Right Hon'ble the Governor General in Council is pleased to notify that the Right Hon'ble the Secretary of State for India has ruled that a Warrant Officer on leave in

* Deputy Commissary	£ 180	four-fifths=£144
Assistant	£ 120	" =£ 96
Depy. Asst.	£ 90	" =£ 72
Conductor	£ 75	" =£ 60
Sub-Conductor	£ 60	" =£ 48

England, who may, from the state of his health, be declared unfit to return to India, but who has not served the prescribed periods in India or departmentally to entitle him to the retiring pension of his rank, shall, if he has served half those periods, be invalided on an allowance equal to four-fifths of such pension.*

2. Should his service be less than half the prescribed periods, he will receive the reduced allowance now sanctioned for the next lower grade.

3. In such case, a Sub-Conductor will be allowed four-fifths of the pension of a Serjeant Major.

Subordinate Medical Department—Revised Pay and Pensions.—No. 550 of 1868.—With the sanction of Her Majesty's Government, His Excellency the Governor-General in Council is pleased to authorize certain modifications in the organization of the Subordinate Medical Department in Her Majesty's Indian Service, and to lay down a revised and enhanced scale of pay and pensions for that Department.

2. The system heretofore existing in the Bengal and Bombay Presidencies, under which the purveying duties were performed by the Medical Subordinates, will cease; and these duties will be undertaken, as has heretofore been the practice in the Madras Presidency, by the Commissariat Department, through the agency of a body of Hospital Purveyors.

3. The grade of Hospital Steward, which was constituted for the purveying duties, will be abolished. All the existing members of that grade, who have passed or may be able within six months to pass the examination to qualify them for the grade of Apothecary, will be admitted into the latter grade if they desire it.

4. Those who are unable to qualify themselves by passing the prescribed examination within the given time, or who may not desire to enter the Apothecary grade, will be allowed the retiring pension of their grade, as Hospital Steward, without reference to their length of service; or if they have served fifteen years, the invalid pay of their grade, should they prefer remaining in India.

5. The body of Hospital Purveyors will be divided into three classes in the following proportions, and on the scale of pay specified :—

The 1st Class, one-eighth of the total number at Rs. 45 per mensem.

2nd Class, three-eighths of the total number, at Rs. 30 per mensem.

3rd Class, one-half of the total number, at Rs. 20 per mensem.

6. The Subordinate Medical Establishments at the three Presidencies will be divided into two classes,—

The first to be designated the "Apothecary" class for general employment with European Troops, Hospitals, Depôts, &c., including the Subordinate Medical Department in Bengal, the corresponding portion of the Medical Establishment in Madras, and the Warrant Medical Officers and Apprentices in Bombay.

The second to be designated the "Hospital Assistant" class for general duty with Native Troops and Native Civil Hospitals, including the present "Native Doctors" in Bengal, "Dressers in Madras, and "Hospital Assistants" in Bombay.

7. The "Apothecary" class will consist of—

Senior Apothecaries, in the proportion of one-tenth of the effective establishment of Apothecaries. But for the next ten years the number now allowed to each Presidency will not, under any circumstances, be reduced.

Apothecaries. { 1st Class (after 5 years' service as Apothecary.)
 { 2nd Class (below 5 years' service as Apothecary.)

Assistant Apothecaries. { 1st Class (after 5 years' service as Assistant Apothecary.)
 { 2nd Class (below 5 years' service as Assistant Apothecary.)

Passed Hospital Apprentices.

Hospital Apprentices.

8. All these grades, with the exception of the Hospital Apprentices, will hold the rank of Warrant Officers, and receive warrants, which will give them a rank above all Non-Commissioned Officers.

9. Passed Hospital Apprentices, when in Subordinate Medical charge of a body of troops, will have temporary warrant rank as Assistant Apothecaries whilst so employed.

10. The grade of Honorary Assistant Surgeon will form no portion of the regular Medical Subordinate Establishment, but will continue to be given specially to those deemed worthy of the distinction.

33. The regular establishment will comprise the number requisite for, and employed on military duties, or on those connected with the Indian Marine and Telegraph Departments, together with a margin of 15 per cent. to meet extra and temporary duties and absentees. All the members of this branch required for civil or miscellaneous duties, will be extra to the regular establishment, and will be *seconded*, their names being borne in italics on the list.

34. The grade of Sub-Assistant Surgeon will not be considered as forming a portion of the regular establishment of the "Hospital Assistant" class; but, when by their conduct and attainments they can prove themselves well qualified for advancement, a certain number of Hospital Assistants may, if specially recommended, be allowed—the exigencies of the service permitting—to attend the Medical College of their Presidency for a period not exceeding two years, with a view to their qualifying for the grade of Sub-Assistant Surgeon.—See paragraph 47.

35. The establishments requisite for military purposes will be as follows:—

For a Native Regiment of Infantry or Cavalry, or a Native Depot or Detachment of greater numerical strength than a Wing,—

2 Hospital Assistants.

For a Native Battery of Artillery, a detached Company of Sappers, or a detachment of Native Infantry or Cavalry less than a Wing,—

1 Hospital Assistant.

For a station or Detail Native Hospital or Lock Hospital,—

1 Hospital Assistant.

For a Regiment of British Cavalry, a Brigade or Division of Royal Artillery, or a detached Battery of Horse, Field, or Heavy Artillery,—

1 Hospital Assistant.

36. The monthly pay of this branch will also be consolidated, and on the following scale:—

	For those qualified in the English language.	For those not qualified in the English language.
	Rs.	Rs.
1st Class Hospital Assistants of above 14 years' service.....	60	40
2nd Class do. of above 7 years' service.....	40	30
3rd Class do. under 7 years' service.....	25	20
Native Medical pupil, 1st year.....	7	5
Native Medical pupil, 2nd year.....	8	6
Native Medical pupil in College or Medical School, 1st year.....	9	7
Native Medical pupil in College or Medical School, 2nd year.....	10	8
Passed Medical pupils.....	16	12

The foregoing allowance to medical pupils includes ration money.

Hospital Assistants will draw as field batta—those of the 1st class Rupees 10, and the rest Rupees 5 per mensem, when marching, in the field, or on foreign service. When on general or sick leave, they will forfeit one-fourth of their salaries.

37. Accommodation will be furnished for medical pupils in Hospital and also in College, if required. One suit of uniform clothing will likewise be supplied to them annually.

38. The scale of pension for the Hospital Assistants will be,—

One-third of the average pay of preceding 5 years after 15 years' service, and one-half after 25 years' service as Hospital Assistants if invalidated by a competent Medical Committee, counting from the date of their passing for the grade of Hospital Assistant.

After 30 years' service, one-half of the average pay of preceding 5 years, without the necessity of producing a medical certificate.

If invalidated on account of wounds or injuries received on service, they will be allowed,—

One-third of the average pay of preceding 5 years, if under 15 years' service; one-half, if above 15 years' service as Hospital Assistants; and the full amount after 25 years' service.

39. Hospital Assistants who have been advanced to the grade of Sub-Assistant Surgeon, will be entitled to retire after completing the requisite service under the Uncovenanted Service Rules, counting their service from the date of passing their examination as Hospital Assistants.

40. Hospital Assistants will hold rank below all Native Commissioned and above all Native Non-Commissioned Officers.

Training and Education.

41. With a view to ensure a certain amount of professional training, independent of hospital practice, all Hospital Apprentices and Native medical pupils will, subject to the exigencies of the service be required to pass a given period at one of the Medical Colleges of their respective Presidencies, and attend a regular course of lectures. They will, moreover, be required to pass a standard examination in such College, before they can obtain promotion to the grade of Assistant Apothecary, or Hospital Assistant, respectively.

42. Both classes will, as heretofore, be required to pass a preliminary examination prior to entrance into the service under the existing rules. Hospital Apprentices will then join a European Regimental

Hospital, and Native Medical pupils, a Native Regimental Hospital or Civil Dispensary. After 2 years' employment in these capacities, if favorably reported on, they will be allowed to join the Medical College, where Hospital Apprentices will be required to serve 3, and medical pupils 2 years.

43. Hospital Apprentices, after passing the requisite examination, will receive the designation and pay of "passed Hospital Apprentice," and will revert to regimental employ or join General or Station Hospitals, until promoted to the grade of Assistant Apothecary.

44. In like manner, Native medical pupils will, on completing their College career, and passing the prescribed examination, receive the designation and pay of "passed Medical Pupils," unless or until they are promoted to the grade of 3rd Class Hospital Assistant. In such case they also will join a military or civil hospital, as subordinates, until they receive promotion.

45. On proceeding to and from the Medical College, both classes will receive free passages or a travelling allowance.

46. In order to afford junior members of the "Apothecary" class of undoubted ability and good character, an opening to further advancement, a limited number of Assistant Apothecaries after having served 5 years in that grade may, if they are specially recommended as likely to profit by the measure, and if the exigencies of the service permit, be allowed to attend the Medical College for a further period not exceeding 2 years, to qualify themselves for the grade of Sub-Assistant Surgeon. On appointment to that grade, they will be struck off the establishment of the hospital class, and join the civil body of Sub-Assistant Surgeons under the usual conditions.

47. A limited number of Hospital Assistants will also be allowed to return to the Medical College for a like purpose. A previous service of 7 years in the grade of Hospital Assistant is indispensable, as likewise is a competent practical knowledge of the English language. This opportunity of advancement will only be extended to such members of the service as are reported specially deserving by their general conduct and qualifications, and who have kept up their professional knowledge by the study of English works on Medicine and Surgery, and who are likely to be able to pass the requisite examination within the prescribed period of 2 years.

Order of British India.—No. 551 of 1868.—The following paragraphs of a Military letter from the Right Hon'ble the Secretary of State for India, No. 144, dated 30th April 1868, are published for information and guidance:—

Para. 1.—I have received and considered in Council your letter No. 27 of 23rd January last, upon the subject of the Order of British India, and the supposed intention of the Court of Directors of the late East India Company in its institution.

2. You observe there can be little doubt that it was desired the reward in question should be enjoyed, and the decorations belonging to it be worn, chiefly by those on the effective list, who would thus present to the eyes of their comrades, in all grades of the service, a perpetual incentive to behave so as to merit similar distinction in their turn.

* In letter from Adjutant General, to the Secretary to Government, Military Department, Bombay, dated 29th August 1867.

5. With a view, however, of providing a remedy for the defect pointed out by you in the present system, I authorize you, should you see no objection, to carry out the plan suggested* by His Excellency the Commander-in-Chief at Bombay, viz.,—

1. That one effective Member of the Order of British India be given for every two Members who become non-effective.

2. Casualties amongst the non-effective Members to lapse, so long as the total numbers of the effective and non-effective lists exceed the established number.

Staff Employ—British Officers.—No. 572 of 1868.—With the sanction of the Right Hon'ble the Secretary of State for India, His Excellency the Governor General in Council is pleased to lay down the following rules relating to the retention by Officers of British Regiments of their appointments in one Presidency when their Corps may have been removed in course of relief to another Presidency:—

Officers of the General Staff of the Army holding appointments demanding the usual qualification for Staff employment, may continue to hold their appointments until their tenure has expired.

Officers in command of any description of depôts will at once vacate on their Regiments quitting the Presidency in which the depôt may be situated.

Officers who are probationers for the Staff Corps will be permitted to serve out their probation without reference to their Regiments being in the mean time moved to another Presidency.

Depôts—Commands.—No. 573 of 1868.—Under instructions from the Right Hon'ble the Secretary of State for India, and in view to the adoption of one uniform rule, in the three Presidencies, in regard to the command of depôts for European troops, it is hereby notified that no command of a depôt is to be held for more than five, while that of a convalescent depôt is invariably to be restricted to a period of two years.

Family Allowances—Non-Commissioned Staff.—No. 588 of 1868.—With reference to the limit assigned by G. O. P. C. No. 667* dated 31st December 1850, which renders subsistence allowance or wives or children inadmissible to Non-Commissioned Officers and Soldiers whose allowances, consolidated or otherwise, exceed a given amount, the Right Hon'ble the Governor General in Council is pleased to extend that limit from Rupees 75 to Rupees 100 per mensem.

2. This decision will have retrospective effect as regards any Non-Commissioned Officers or soldiers whose aggregate pay and allowances were raised above the former limit of Rupees 75 by the additional pay sanctioned in G. G. O. No. 1035† of 1st November 1867, but in no other cases.

3. This order is applicable to the three Presidencies.

MILITARY FURLOUGH RULES.

Fort St. George, 1st July 1868.

No. 246 of 1868.—The following Extract from General Orders by the Government of India, is re-published:—

Simla, the 19th June 1868.

No. 613 of 1868.—Under sanction from the Right Hon'ble the Secretary of State for India, the following Rules relative to the absence of Military Officers on leave are substituted for those hitherto in force, and will be applicable to all Officers who elect to adopt them and who belong to the several Indian Staff Corps and to the Indian Army as well as to those Officers of Her Majesty's British Forces in India, who are holding permanent Staff appointments not of a regimental nature.*

Her Majesty's Government will be requested to decide how far the Rules may be considered to apply to other Officers of Her Majesty's British Forces serving in India.

I. The distinction with respect to allowances hitherto drawn between Furlough on Private Affairs and Sick Leave is abolished, both kinds of leave being included under the general term Furlough, provision, however, being made for the obtaining of Furlough, under Medical Certificate, without all the restrictions applicable to Furlough, when taken without Medical Certificate.

II. Leave taken under the Rules now prescribed will not involve forfeiture of appointment, except in the cases herein specially provided for.

III. The Rules now prescribed do not affect the provisions of Act XXXIII of George III, Chapter 52, Section 70; but an Absentee cannot retain his appointment, and draw absentee allowances, except under the Rules now prescribed.† Nor do they affect the regulations by which General Officers can only obtain limited periods of leave without forfeiting their commands.

IV. Leave of Absence will, in future, be of three kinds, viz.:

I.—Furlough in or out of India.

II.—General Leave on Private Affairs or Sick Certificate in India or short leave to sea.

III.—Privilege Leave.

CHAPTER I.

Furlough.

V. An Officer drawing Staff Pay in addition to pay of rank, proceeding on Furlough, will be allowed pay at the rate of 50 per cent. of the salary of his substantive office. But an Officer on Civil employ or drawing consolidated salary will be allowed 50 per cent. of the average salary drawn by him for three years prior to his proceeding on Furlough. No absentee shall in either case draw more than £1,200, or less than £250 per annum. The term salary will signify the total amount drawn by an Officer, whether as consolidated pay or Staff allowances in addition to pay, but will not include any extra or special allowances. It is to be clearly understood that an Officer absent on Furlough, who may be transferred to another Office, during his absence, shall be entitled, for the entire period of his Furlough, to pay at the rate sanctioned to him when leaving India, provided that an Officer whose term of office shall lapse, during

* NOTE 1.—The provision in Rule XI by which Furlough Pay is to be given to Officers absent on Furlough on urgent private affairs not having been before the Secretary of State, is to be considered to be altogether subject to his approval.

† NOTE 2.—The Section referred to is quoted below:—

Section 70.—“And be it further enacted, That no Person who shall have held any Civil or Military Station whatever in India, in the service of the said United Company, being under the Rank or Degree of a Member of Council or Commander-in-Chief of the Forces, and who, having departed from India by Leave of the Governor-General in Council, shall not return to India within the space of five years next after such Departure, shall be entitled to any rank or Restoration of Office, or be capable of again serving in India, either in the European or Native Corps of Troops or in the Civil Line of the Company's Service, unless in the case of any Civil Servant of the Company, it shall be proved to the satisfaction of the Court of Directors, that such absence was occasioned by Sickness or Infirmary, or unless such Person be permitted to return with his Rank to India by a Vote or Resolution passed by way of Ballot, by three parts in four of the Proprietors assembled in General Court, specially convened for that purpose whereof eight days' previous notice of the time and purpose of such meeting shall be given in *The London Gazette*, or unless in the case of any Military Officer, it shall be proved to the satisfaction of the said Court of Directors, and the Board of Commissioners for the affairs of India, that such absence was occasioned by Sickness or Infirmary, or some inevitable accident.”

his Furlough, shall cease to draw his half Staff salary from the date of such lapse. An Officer will also be entitled to the benefit of his promotion to a higher Staff Corps or Regimental rank whilst on Furlough, subject to the maximum limit.

Officers not in Staff employ will receive half the Indian pay of their rank, provided that in no case will an Officer entitled to Furlough receive less than the above minimum of £250 per annum.

NOTE.—The annual allowance of £50 heretofore granted in certain cases to Subalterns will cease to be drawn with reference to the amount fixed as the *minimum* of Furlough Pay.

VI. All grants of Furlough on Private Affairs are subject to the exigencies of the Public Service, of which exigency the Government is to be exclusively the judge, and to any regulations that may be found necessary for limiting the number of Absentees.

VII. The maximum amount of Furlough on Private Affairs to be taken at any one time, carrying pay and retention of appointment, will be two years.

VIII. A period of at least three years' service after return from last Furlough of not less than one year's duration must be completed before Furlough can again be taken unless obtained under medical certificate (see Rules XIII and XIV.)

IX. An Officer will be eligible for two years' Furlough on the completion of eight years' actual service in India, for a third year after six years' actual service from the date of his return to duty, and for a fourth or fifth year after similar intervals of six years. The grant of Furlough to an Officer eligible for it, will be subject only to the conditions specified in Rule VI. The fact of having taken Furlough on Medical Certificate will not affect the grant of these Furloughs, except as to the condition laid down in Rules VIII, XIII and XVI.

X. An Officer eligible for Furlough need not take the whole amount to which his service entitles him, but may apply for any portion thereof as an instalment; and in that case the balance will remain at his credit in any future computation of the amount of Furlough to which he may be entitled.

Illustrations.

(1).—An Officer who has served nine years in India is entitled to two years' Furlough. He takes only one year, and after his return remains in India for five years. He is then eligible for two years' Furlough as follows:—

Total Service in India.....	14 years.
Furlough date on that Service.....	3 "
Furlough already taken.....	1 year.
Balance for which he is eligible.....	2 years.

(2).—An Officer who has served 20 years in India without taking Furlough is entitled to four years' Furlough. He can only take, however, two years at one time carrying pay, the balance remaining at his credit in any future computation of Furlough to which he may be entitled. He can take that balance after completing three years' service from the date of his return from the first instalment.

XI. Furlough on urgent Private Affairs for six months with pay equivalent to the British regimental pay of his rank to be extended to a year, if necessary, may be granted, when the Officer is not eligible for ordinary Furlough. The said period may form part of the periods of eight and six years referred to in Rule IX.

XII. Subject to State considerations, there will be no restriction as to the places to which an Officer may resort during Furlough.

XIII. Absence on Medical Certificate for a longer period than two years at one time, or departure on such Furlough within three years of the date of return from a previous Furlough of not less than one year, will involve forfeiture of appointment. Such Furlough may, however, be extended to a third year on English pay.

XIV. An Officer not entitled to Furlough, whose health may necessitate his taking it, may under the usual Medical Certificate, obtain such amount as may be duly certified to be necessary for the restoration of his health, but will only receive English Furlough Pay.

XV. An Officer entitled to Furlough, whose health may necessitate his absence from India, will be compelled to take leave as Furlough under Rule IX, but without forfeiting any special advantages of passage money, &c., to which he would be entitled now, if proceeding on Medical Certificate. Any extension of this Furlough, beyond the period to which he may be entitled under Rule IX, will be regarded in all respects, as Furlough on Medical Certificate. Such extension will not be allowed to take effect until the Officer shall have exhausted the entire amount of his available Furlough on Private Affairs.

XVI. The aggregate amount of Furlough with Pay and retention of appointment, whether on Private Affairs or on Medical Certificate, that may be granted to an Officer during his service, will be limited to eight years.

XVII. If taken in India, Furlough will be reckoned from the date of the Absentee quitting his station to the date of his return thereto: if taken out of India, from the date of the sailing of the vessel in which he may have embarked to the date of his disembarkation in India.

XVIII. Preparatory leave to embark for Europe or elsewhere on Furlough, will be granted for any period not ordinarily exceeding 30 days. Leave to the same limit, to enable him to rejoin on his return from Furlough, will be granted from the date of his disembarkation in India.

XIX. Furlough allowances shall be payable monthly if payment is taken in India; and quarterly, if payment is taken in England.

XX. Advances of Furlough Pay will continue to be made in India to those Officers who desire it, for three months from date of embarkation. Payments in continuation will be made in England on the expiration of six months from that date.

XXI. The Last Pay Certificate issued to each Officer who may be granted Furlough, whether on Private Affairs, or on Medical Certificate, will specify the rate of the pay and Staff salary of his last substantive appointment, and the rate to which he will be entitled in Europe in virtue of Rule V.

XXII. An Officer acting in India for an Absentee will be restricted for the entire period of such acting to the half Staff salary of the appointment in which he may be acting, in addition to the full pay of his rank, and the half Staff salary of his own appointment if he possess one. The Staff salary granted to an Acting Officer will, however, in no such case be less than Rupees 100 per mensem.

Years.	Years.	XXIII. The privilege heretofore granted to Military Officers of counting the proportion of leave noted in the margin as service for Pension, is retained. The periods of service qualifying for Pension remain unaltered.

XXIV. In computing the Furlough on Private Affairs to which an Officer who has already enjoyed some portion of such Furlough will be entitled under these Rules, it will be necessary to deduct the total amount of the Furlough on Private Affairs of which he may have availed himself during his service, from the total periods to which under Rule IX, he can lay claim. The balance will represent the leave to which he will be entitled on the expiration of not less than three years from his last return to duty.

Illustration.

(1).—An Officer who had obtained under the existing Rules, two years' Furlough after ten years' service, returns to India on the date on which this order is promulgated. He accepts its conditions, and serves four years longer in India. On the expiration of that term, he can take one year's Furlough, thus—

CHAPTER II.

General Leave on Private Affairs and Sick Certificate in India.

XXV. An Officer will be eligible, as at present, to take leave on Private Affairs or Sick Certificate in India, for any period not exceeding six months, at the discretion of His Excellency the Commander-in-Chief, or of the Government under which he may be serving. During the entire period of his absence on this account, the Officer will be entitled, as at present, to his full pay, and a moiety of his Staff salary. Leave taken under this Rule will form no part of the eight years' aggregate Furlough. If this indulgence should be taken advantage of for a third year consecutively, the Officer will lose his Staff appointment.

XXVI. Leave on Sick Certificate for a period exceeding six months, capable of extension, under renewed Medical Certificate, to a limit of one year, may be granted to any Officer who, in the opinion of a Medical Board, may require it. Leave of this nature, taken after the promulgation of these Rules, will be held to constitute a part of the maximum period of eight years' leave of absence to which an Officer is entitled in his entire period of service, but will not be regarded as Furlough, nor will it effect the intervals entitling to furlough laid down in Rule IX. During this leave the Absentee will draw a moiety of his Staff salary in addition to the pay of his rank.

XXVII. Short leave not exceeding three months on private affairs or sick certificate, may also be taken to sea, on the above condition, but absence from India for any longer period will be treated as furlough.

XXVIII. All general leave taken in India counts as part of the leave reckoning against service for Pension.

CHAPTER III.

Privilege Leave.

XXIX. Privilege Leave may be granted, as at present, for sixty days in each year, to all Officers in Military employ, without deduction from the salaries and emoluments drawn by them. General Leave, in extension of Privilege Leave, can only be granted on the ground of sickness, or some other serious emergency which could not have been foreseen when the Officer proceeded on Privilege Leave. Privilege Leave may, however, be converted into General Leave with the sanction of the Commander-in-Chief or the Government.

XXXI. An Officer is at liberty to proceed wherever he may desire on Privilege Leave, provided he can ensure his return before the expiration of his leave.

XXXII. Privilege Leave cannot be taken in continuation of Furlough, nor can Furlough be obtained in continuation of Privilege Leave. If Furlough be obtained by an Officer while absent on Privilege Leave, the Privilege Leave will be converted into General Leave, the Officer for that period sacrificing a moiety of his Staff salary.

Military Officers in Civil Employ.

XXXIII. Military Officers in Civil or Political employ taking leave in India come, as respects periods of leave obtainable and amount of pay to be granted, under the Civil Leave Rules. When they take leave out of India, they come under the Military Leave Rules.

Subsidiary Rule.

XXXIV. Officers of the Indian Military and Medical Services will be required generally to notify their intention to accept these Rules, or to adhere to those now existing, on the first occasion of their taking Furlough or General Leave after the publication of this Order. Officers who may determine to abide by existing Rules, will be allowed to proceed on Furlough on the conditions laid down in Rules VII, VIII and XIII to the extent to which they may be entitled under the Furlough Regulations of 1851, and on the rates of pay contemplated in those Regulations, but retaining their appointments. The principle laid down in Rule XV must, however, be applied in those cases.

The foregoing Rules will take effect from the 1st July 1868, as respects retention of appointments and terms under which leave will be granted, but half Staff allowances will not be available for Officers now on leave in cases where the acting Officer has already come into receipt of the full Staff salary.

"Having laid before the Government of India your letter No. 213E, dated 2nd instant, I am directed to acquaint you, for the information of the Commander-in-Chief, that in accordance with His Excellency's recommendation, the Right Hon'ble the Governor-General in Council approves of the proposal that no refund of the extra pay they have received should be required from any men who at the time of their irregular enlistment (counting their boy-service, which has been since disallowed,) were entitled, or who have since that date become entitled, to renew their service, and have done so."

† Madras G. O. C. C., 21st January 1868, page 15.

"2. Nor does His Excellency desire any refund of the bounty paid at the time of their irregular re-engagement to such men as are not yet entitled to renew their service, if they record their willingness to re-engage at the proper time without any further bounty. The extra pay also, received by these men between the date of their irregular re-engagement and that of its cancellation, should not, His Excellency in Council thinks, be recovered.

"3. Those however who, being circumstanced as the men adverted to in the preceding paragraph, now decline to re-engage, should be placed at once under the regulated stoppages, until the bounty and extra pay shall have been recovered.

"4. The Governor-General in Council quite admits the principle set forth in paragraph 12 of your letter; but he thinks it will be better to let the retrenchments be held over Regimental Paymasters and Officers Commanding Batteries, so as to mark their responsibility for due care in recovering the amount, which may be liquidated gradually, as recoveries are made from the men.

"5. Any loss caused by any of the men dying, &c., before the recoveries can be effected, and not in consequence of any negligence on the part of the Officers concerned, will, of course, be at once written off, and the retrenchments on those men's account finally adjusted."

Adjutant General's Office, Head Quarters, Ferozepore, 21st 1868.

No. 98.

Establishments—British Regiments.—With reference to the modification in the Establishments of British Regiments contained in G. O. 280 of 1866, the Commander-in-Chief, with the sanction of Government, directs that when Her Majesty's British Regiments fall below their establishment, the number of Non-Commissioned Officers at Head Quarters is to be restricted to the proportion due to the number of Privates actually present in India, viz :—

In Cavalry Regiments.

1 Sergeant and 1 Corporal to every 19 Privates.

In Infantry Regiments.

1 Sergeant and 1 Corporal to every 19 Privates.

Attention is called to the 2nd para. of G. O. C. C. 4th July 1859, which directs that no reductions of Non-Commissioned Officers, who hold that position, shall be made on a falling off of the number of Privates; but the excess of Sergeants and Corporals is to be absorbed by promotions being stopped on vacancies occurring, until the regulated proportion is attained.

This cancels G. O. C. C. dated 16th May 1864 (page 251.)

Musketry.—No. 49.—With the sanction of Government, the Commander-in-Chief directs that the Bengal General Order, dated 20th February 1865, (adopting for the Native Army the new system of Rifle or Musketry Instruction) be made applicable with some modifications to this Army :—

2. Each Company will, in its turn, be struck off duty, and go through a course of Preliminary Drills, under the supervision of the Wing Officers, which will occupy Preliminary Drill. 2 (two) days, for drilled Soldiers and 4 (four) days for Recruits, being employed each day thus—

Adjutant,
— Regiment N. I.

EXAMINED.

- Figure of Merit. 11. The figure of merit is to be determined by the total averages obtained in the Individual and Volley Firings.
12. The Havildar of the best Shooting Company, provided every Company of the Battalion has been exercised through the Annual Course, will be entitled to wear a badge of cross muskets worked in worsted, to be obtained from the Clothing Department annually.
- Good Shooting Badges.
13. Spare Ammunition arising from men absent and sick is to be expended by 2nd class shots, according to the table above given, who should be previously put through a course of Recruits' Preliminary Drill. No Return of this practice, or of that made by Recruits, is required to be furnished by the Regiment; but the Commanding Officer will be good enough to require that the result of these practices, should invariably be reported to him.
- Spare Ammunition how to be expended.
14. Forty Points obtained in individual firing will pass a man into the 1st Class.
- Classification.
15. The result of the Annual Practice of the Native Army will be published in General Orders, at the same time as the result of the practice made by the European Army, Corps being shown in order of merit.
- Result to be published in General Orders.
16. The men are to be questioned occasionally as to the distances of men and other objects, and the effect of different lights and back-grounds have on the appearance of the objects, is to be explained by the European and Native Officers.—No record of this practice need be kept.
- Judging Distances.
17. A copy of the latest edition of the Musketry Regulations, dated 1st February 1867, is to be in the possession of every European Officer of Native Infantry, and the spirit of these regulations is to be strictly adhered to in carrying on the Musketry instruction, and superintending the practice.
- Musketry Regulations.
18. District Inspectors of Musketry may, if at same station, be consulted by General or Commanding Officers, and their advice and opinion acted upon in matters affecting the drill and practice of Native Troops, if it does not interfere with their other duties, but no written reports or documents are to be required.
- Inspectors of Musketry.
19. The expenditure of the profits arising from the collection of expended lead and caps will be entirely in the hands of the Commanding Officer, who will give all necessary orders for the collection thereof.
- Lead and Cap Fund.
20. From this Fund, Iron Targets and Butts will be kept in order, the original construction of the latter being provided for under instructions from the Quarter Master General, working parties from the Regiment receiving pay in the first instance, (for construction) but not afterwards, viz., for repair.

- Transfer of Targets.
24. European Officers with Native Infantry Regiments, if not already acquainted with the Musketry Regulations, may be directed under divisional arrangements, on the application of Commanding Officers, to go through a complete course of Musketry instruction with a British Regiment, so that they may thoroughly understand the spirit under which the practice of the Native Troops is to be conducted.
- European Officers.

25. Adjutants of Native Infantry Regiments should take advantage of every opportunity to make themselves thoroughly acquainted with the subject, and their qualification in this respect should be reported on by Commanding Officers, when Officers apply for this appointment.
- Adjutants.
26. On the supervision generally exercised by the Commanding Officer, will the result of the Practice mainly depend; and it should be borne in mind that unless the preliminary instruction be undertaken in a pains-taking and investigating spirit to ascertain that every man holds his musket firmly, in the proper position, and is able to aim correctly at all the distances at which he is to practice, the result of the Practice will be bad.
- Supervision by Commanding Officer.
27. There being no elevating back sight, the men must be taught by raising the eye from the bottom of the notch of the back sight, without losing the alignment, to give additional elevation, as the distances increase, to the axis of the piece.

Telegraph—Service Messages.—No. 67.—The following General Order by Government, is re-published for information and guidance :—

Fort St. George, 5th May 1868.

No. 188 of 1868.—The following Extract from Notifications from the *Gazette of India*, is re-published :—

Fort William, Telegraph, the 30th April 1868.

No. 419.

The following Resolution is published for general information :—

No. 418, dated 30th April 1868.

READ Circular, dated 18th June 1864, No. 941, issued from the Home Department, calling attention to the Rules of the Electric Telegraph Department applicable to service messages.

RESOLUTION.—His Excellency the Governor-General in Council observes that these Rules are very far from being strictly observed; and as some time has elapsed since they were first promulgated, it appears necessary to call the attention of all Government servants, Civil and Military, to their existence.

His Excellency in Council accordingly resolves that the Circular cited above be re-published in the *Gazette of India*, and that copies be sent to all Departments, Governments and Administrations, with a request that the orders may be extensively circulated among all Government Officers; and that it may be intimated to all concerned that all messages regarding leave, pay, promotion, or appointment, or other matters of a private character, must be paid for by the person sending them, unless it is perfectly clear that the interests of the public service will be injuriously affected, unless the particular message in question be sent by Telegraph.

The Military Department will also be asked to furnish copies to the Commanders-in-Chief in the three Presidencies for communication to the Commanding Officers.

Circular from E. C. BAYLEY, Esq., Secretary to the Government of India, HOME DEPARTMENT, to the Local Governments and Administrations.—(No. 941, dated Simla, 18th June 1864).

The Governor General in Council finds it necessary again to call attention to the Rules of the Electric Telegraph Department applicable to service messages.

2. The periodical inspection of service messages undertaken in Calcutta shows that it is still a common practice on the part of Secretaries to Government, Heads of Departments, Officers Commanding Regiments, and other public Officers, to communicate regarding applications for leave of absence and applications for appointments by Telegraph on the public service.

3. Such communications are in fact very rarely required in the interests of the public service. In nine cases out of ten they are made for the private convenience of the party concerned, and therefore the messages ought not to be sent at the public expense.

4. If an Officer seeking leave or applying for an appointment desires to receive a reply by Telegraph, he should pay for the reply himself, for no such message can properly be sent at the Public expense, unless it be so sent, because it is in good faith believed that the interests of the public service require it.

5. The extent of the evil which results from the irregular practice above noted may not readily strike an individual public Officer who may perhaps only send one or two such messages in a month. The evil, however, is in reality a very great one, for the irregularity is found to be prevalent throughout India wherever Telegraphic communication is available, and thus probably not a day passes that private messages which have been paid for and messages which are really on the public service are not delayed in transit by the passage of some of these unpaid private messages improperly sent on the public service.

6. The difference between the Post Office and the Telegraph in this matter is obvious, though there is reason to suppose that it is not always borne in mind. No one communicating with Government or with any public functionary is entitled to expect a reply by Telegraph. *The Telegraph is an extraordinary means of communication which is not intended to be used in the transaction of public business except on urgent and important occasions, and when the saving of time effected by the Telegraph is of real importance to the public interests*; and it is of the utmost consequence to the interests of the general public, and also as regards the economical working of the Telegraph, that this rule should be rigidly observed by all public Officers and especially by those who hold posts of authority.

7. Another common and very serious evil in communicating by Telegraph on the public service is the entire absence of any care to express the messages in the fewest possible words. It should be always borne in mind that a message should consist of as few words as are consistent with a clear rendering of its meaning. It cannot be too strongly impressed on public Officers that communications by Telegraph must be conveyed in a style altogether different from that which is usual in postal communications. Brevity next to clearness must be considered the most important consideration in telegraphic messages.

Recruiting.—The following letter from the Government of India, in the Military Department, to the Government of Madras, No. 787, dated the 20th April 1868, is published for information :—

Having laid before the Government of India your letter No. 669, dated 17th February last, and its enclosures, I am directed in reply, to acquaint you, for the information of the Right Honorable the Governor in Council, that the Right Honorable the Governor General in Council concurs in the opinion of His Excellency the Commander-in-Chief in India, that, looking to the great advantage of picking up good recruits in this country, there should be no let or hindrance to Commanding Officers of British Regiments in entertaining men merely because the particular Regiment may happen to be over its established strength, as the recruits so obtained must be too limited in number ever to raise the strength of the British Force in India above its established complement.

2. Of course none but thoroughly fit men should be enlisted.

Staff Corps.—Promotion.—In continuation of the General Orders cited in the margin, His Excellency the Commander-in-Chief is pleased to publish, for the information of the Army in India, the following letter from the Military Secretary to the Horse Guards to his address, dated 8th April 1868, together with the Memo. which accompanied it :—

"With reference to my telegram of the 1st Instant, requesting you to be good enough to 'make no more provisional promotions in succession to Staff Corps Probationers,' I am directed by the Field Marshal Commanding-in-Chief to transmit herewith a Memorandum on the subject, which His Royal Highness wishes your Excellency to promulgate in General Orders to the Army serving under your command.

"Your Excellency will observe that in order to carry out the Regulations contained in the enclosed Memorandum, and avoid complications, it will be necessary to limit provisional promotions to be announced in your General Orders to such vacancies as are caused by the transfer of British Officers to the Staff Corps, with more than four years' service on full pay from the date of first commission, and which vacancies will, as heretofore, continue to be filled up without purchase, provisionally, in India.

"In the twelve Regiments of the Line, in which the purchase system does not exist, your Excellency will of course continue to carry out in your Local Orders provisional promotions without purchase in succession to Officers transferred to the Staff Corps, irrespective of their length of service, as these latter will not be entitled to receive the value of their commissions on appointment to the Staff Corps."

Memorandum, dated Horse Guards, 1st April 1868.

"His Royal Highness the Field Marshal Commanding-in-Chief is pleased to notify that, with the concurrence of the Secretary of State for War, and the Secretary of State for India in Council, it has been decided that Officers of Line Regiments, in which the purchase system is in force, whose permanent appointment to the Indian Staff Corps shall appear in the General Orders of one of the Local Governments of India, on a date subsequent to the 18th March 1868, and who, on the date of such permanent appointment (being the date of appointment as Probationers for the Staff Corps), shall not have exceeded four years' service on full pay, from the date of first commission, shall receive, on their names appearing in the *London Gazette* as finally transferred to the Staff Corps, the exact sum such Officers would have received, under War Office Regulations, had they retired from the service by the sale of their commissions at the time of joining the Staff Corps as Probationers.

"Promotions in succession to vacancies caused by transfers to the Indian Staff Corps will, in future, be by purchase instead of without purchase as heretofore, when the Officers so transferred are entitled to receive the value of their commissions."

11. 12. Lists of the clothing and necessaries in possession of each Volunteer will accompany him to his new Regiment, in charge of the Officer Commanding the party to which he belongs.

13. General Officers Commanding the Divisions will, under instructions from the Quarter Master General, forward the Volunteers to their new Regiments, directing the usual reports to be made to Head Quarters and to Stations en-route.

14. Bounty, as also gratuity in the case of Volunteers for Highland Regiments, who must be natives of North Britain, will be paid to the men on joining their new Regiments.

15. The Commanding Officer of the 101st Regiment will, without loss of time, place himself in communication with Departmental Officers under whom any of the men of the Regiment on the Unattached List may be serving, in view to the decisions of those men being recorded, for remaining in India on the condition specified in para. 14 of G. G. O., No. 695 of 1863, or rejoining their Regiment. In the former case their transfer documents will be forwarded at once from their present Regiment to the Officer Commanding that for which they may elect; or, in the event of their wishing to remain in their present Regiment, they will be withdrawn from detached employ immediately. In either case a report will be made by the Commanding Officer to the Adjutant General of the elections of these men.

Men on the Unattached List may volunteer to Regiments serving in the Bengal Presidency only, with the exceptions noted in para. 1, and those electing for Highland Regiments must be natives of North Britain.

Rations.—Commanding Officers are informed that Government have authorized the issue of dhall to European Troops, in lieu of vegetables, whenever the latter cannot be procured, or a change is considered desirable for the health of the men.

2. The vegetable ration is 1 lb. and 1 oz. of dhall is the equivalent of 4 oz. of vegetables.

3. Whenever part dhall and part vegetables are issued, the latter should never, if practicable, be in less proportion than 8 oz.

4. When dhall is substituted entirely for vegetables, a special report of the cause is to be made to the Adjutant General for the information of the Commander-in-Chief.

Head Quarters, Madras, 29th June 1868.

Water-proof Kit-bag—Native Army.—No. 79.—The Commander-in-Chief directs it to be notified that Government have sanctioned the issue to the Native Army at the Public cost, of a Water-proof Kit-bag, to be supplied in the first instance to the three Regiments next proceeding beyond Sea.

The adoption generally of the proposed pattern is subject to report after due trial, prior to any further issue, of which notice will be given.

RULES REGARDING LEAVE OF ABSENCE TO COVENANTED CIVIL SERVANTS.

FINANCIAL DEPARTMENT.—NOTIFICATION.—SIMLA, the 16th June 1868.—No. 533.

Subject to confirmation by the Right Hon'ble the Secretary of State, the Governor General in Council is pleased to promulgate the following Rules regarding Leave of Absence to Covenanted Civil Servants, in supersession of all previous Rules and Orders on the subject.

The Rules will take effect from the 1st day of July 1868.

The Rules are not intended to apply to Covenanted Civil Servants who are members of the Councils of the Governor General, or of the Governors of Bombay and Madras, or who are Judges of a High Court.

DEFINITIONS.

I.—In the following Rules:

"Actual Service" includes the period during which an Officer is on duty, also periods spent on Privilege and Subsidiary Leave, and periods during which an Officer not on leave, may be out of employ on subsistence allowance in India.

"Extraordinary Leave" means any leave granted otherwise than under these Rules.

"Long Extraordinary Leave" means extraordinary leave extending beyond a period of three months.

"Long Furlough" means furlough extending beyond a period of three months.

"Salary" includes acting allowances.

An Officer's "Station" means that station to which he stands appointed, or such other place as the Government to which he is subordinate may determine.

CHAPTER I.—FURLOUGH.

II.—The maximum period of furlough which can be granted to any Officer during the whole period of his service is limited to six years.

III.—Subject to the above limit, one year's furlough shall be placed to the credit of each Officer for every four years of actual service.

IV.—No furlough shall be taken before the completion of eight years' actual service, except under Rule VIII.

V.—Furlough shall not be repeated until three years from the date of the last return from long extraordinary leave, or long furlough, except under Rule VIII. Leave taken under Chapters II and III, but no other leave shall be reckoned as part of the said three years.

VI.—The maximum term of furlough to be taken at any one time, shall be two years.

VII.—Except as hereinafter provided, an Officer when on furlough shall retain a lien on his substantive appointment, or on an appointment of similar character and not less salary, and he shall be granted allowances at the rate of 50 per cent. of his average salary for the previous three years, or for the period which has elapsed since his last return from long furlough, or long extraordinary leave, if that period be less than three years.

In calculating such average, the time spent and the allowances drawn under any Leave, excepting privilege leave under Chapter II, shall be omitted.

Provided that no Officer on furlough shall draw more than £1,200, or less than £300 per annum.

VIII.—Under Medical Certificate—

(a).—Furlough may be taken on the above-mentioned conditions, without reference to the amount at credit under Rule III.

(b).—Furlough for a period not exceeding one year may be taken, even if less than three years have elapsed since the last return from long extraordinary leave or long furlough. When on furlough under this clause, an Officer will not retain a lien on his appointment, and will be entitled only to subsistence allowance, unless he has completed six months' actual service since his last return from long extraordinary leave or long furlough, and there remain some leave to his credit under Rule III, in which case the Officer will retain a lien on his appointment, and will draw allowances as calculated under Rule VII, until that credit be exhausted, but in no case for a period exceeding one year.

(c).—Furlough taken without Medical Certificate, or under clause (a) of this Rule, may be extended beyond two years for a period not exceeding one year. When on furlough under this clause, an Officer will not retain a lien on his appointment, and will be entitled only to subsistence allowance.

IX.—Furlough taken or extended under Rule VIII is subject to the provision of Rule II.

X.—Furlough taken in India will be reckoned from the date of the Officer quitting his station to the date of his return thereto. Furlough taken out of India will be reckoned from the date of embarkation to the date of return.

In the event of the furlough being taken partly in India and partly out of India, the commencement and termination of the furlough will be determined by the above Rules, according as the furlough begins or ends in or out of India.

XL.—For the interval elapsing between departure from his station and the commencement of furlough, and between the termination of furlough and the re-arrival at his station, an Officer shall be allowed subsidiary leave not ordinarily exceeding in each case thirty days. During those periods, his allowances will be calculated in the same way as his furlough allowances, but without limitation as to maximum and minimum. Provided that, if the Officer has, under these Rules, lost his lien on his appointment, he shall draw subsistence allowance of his rank. Subsidiary leave shall count as service and residence.

XII.—Applications for furlough will in all cases be submitted to the Government to which the applicant is subordinate, and will be dealt with in such manner as the Governor-General of India in Council may from time to time prescribe.

XIII.—Subject to the exigencies of the service, both as regards the number of furloughs available at any one time, and as regards individual applications, of which exigencies the Government of India, Madras, or Bombay, as the case may be, shall be exclusively the judge, furloughs will be granted under these Rules.

XIV.—All applications for furlough under Medical Certificate, in accordance with these Rules, will be granted without restriction.

XV.—If, owing to the exigencies of the service, it may be necessary to place any limit on the number of Officers who may be absent on furlough at the same time, applications not supported by Medical Certificate will be granted in the following order:—

The applicant, to whose credit the greatest amount of furlough remains under Rule III, shall have the preference.

If two or more applicants are on an equality in this respect, the preference shall be given to the applicant whose actual service in India is longest, reckoning in the case of an Officer who has not taken long extraordinary leave or long furlough, from the date of his arrival in India, and in the case of an Officer who has taken long extraordinary leave or long furlough, from the date of his last return from such leave or furlough.

If two or more applicants are equal in both respects, the preference shall be given to the senior in the Gradation List.

XVI.—The term of residence qualifying for pension shall be 21 years, but no leave, except privilege leave and subsidiary leave, shall count as residence.

XVII.—The term of service qualifying for pension shall be 35 years.

CHAPTER II.—PRIVILEGE LEAVE.

XVIII.—Subject to the exigencies of the State, an Officer who has completed eleven months' continuous duty may take privilege leave for one month without deduction from his salary, retaining a lien on his appointment, whether substantive or officiating. Provided that, in the case of his holding an officiating appointment, such lien and his acting allowance will cease on the resumption of charge by the Officer to whom the substantive appointment belongs.

XIX.—In the same manner, and under the same conditions, two or three months' privilege leave may be taken when an Officer has completed continuous duty of twenty-two or thirty-three months' respectively.

XX.—Privilege Leave may, at the discretion of the Local Government, be taken in separate instalments. No second instalment shall be taken until after the completion of six months' continuous duty from the expiry of the first instalment. In this case the eleven months qualifying for fresh privilege leave will be reckoned from the expiry of the first instalment, the period of the second instalment being omitted from the calculation.

Provided that the whole privilege leave taken at any one time shall not exceed three months, and that no accumulation of privilege leave beyond that period shall be admitted.

XXI.—If an Officer shall overstay his privilege leave, he shall forfeit all salary during the time of his remaining so absent; and if he shall so continue absent for more than one week, his office shall become vacant.

XXII.—Privilege Leave shall be reckoned as residence and service.

CHAPTER III.—SPECIAL LEAVE.

XXIII.—Special leave, on urgent private affairs, may be granted at the discretion of the Local Government for a period not exceeding six months. In respect of retention of a lien on appointment, of allowances drawn during the leave, and of subsidiary leave, the conditions of special leave shall be the same as those prescribed for furlough special leave shall not be reckoned as residence.

XXIV.—Rule XXI shall, *mutatis mutandis*, apply to an Officer overstaying special leave.

XXV.—Special leave may be repeated without allowances after intervals of at least six years' actual service.

CHAPTER IV.—GENERAL.

XXVI.—Furlough, privilege leave, and special leave shall not be taken as such in continuation of each other; but if an Officer absent on one of these classes of leave be allowed to change it for another, the whole period of his absence shall be held to be under the class of leave for which it was changed.

XXVII.—Subject to considerations of State, there will be no restriction as to the places where an Officer may reside when on leave.

XXVIII.—Leave allowance shall be payable monthly, if payment is taken in India; and quarterly, if payment is taken in England.

CHAPTER V.—TEMPORARY RULES.

XXIX.—Whatever aggregate amount out of the three years' furlough and three years' sick leave, under the Rules until now in force, at present remains to be taken by an Officer under the said Rules, shall remain to be taken by him under Rules now promulgated.

XXX.—Any Officer now in the service shall, when next proceeding on Furlough, elect whether he will draw allowances at the higher minimum rate of £500 per annum (not exceeding his total salary at the time). If he shall so elect he will, in any future furlough, be limited as to allowance, to the lower maximum rate of £1,000 per annum.

XXXI.—Any Officer now absent on leave, who has no appointment, may, on his return and until he again holds an appointment carrying equal pay to that of the substantive appointment which he last held, draw the subsistence allowance of his rank, together with 75 per cent. of the pay of any appointment in which he shall officiate. Provided that the total salary so drawn by him shall not exceed the pay of the appointment in which he is officiating. This Rule shall apply to any Officer who may have already returned from Furlough.

XXXII.—Any Officer now absent on furlough, or under medical certificate, may elect whether the remainder of his leave shall be taken under these Rules from the date of their promulgation. If he shall so elect, Rule XXX shall not apply to him.

No. 534.

The Governor General in Council is pleased to promulgate the following order, authorizing revised rates of acting allowances for Covenanted Civil Officers in supercession of all previous rules on the subject.

The Revised rates will take effect from 1st July 1868.

RULES REGARDING ACTING ALLOWANCES.

I. An Officer holding a substantive appointment and officiating in an appointment of a higher grade or class shall draw acting allowance, calculated at 30 per cent. on the first Rupees 2,000, and 20 per cent. on the remainder of the pay of the appointment in which he is officiating.

Provided that if the acting allowance so calculated do not amount to two-thirds of the difference between the pay of the two appointments, it shall be raised to two-thirds.

Provided, further, that in no case shall the whole salary so drawn exceed the pay of the appointment in which the Officer is officiating.

II. An officer holding no substantive, but only an officiating appointment, shall, subject to the provisions in Rule I, draw, in addition to the subsistence allowance of his rank, 50 per cent. of the pay of the appointment in which he is officiating.

III. In the case of an Officer officiating in an appointment, the pay of which is progressive, his acting allowances shall be calculated on the mean pay to the said appointment, provided that the whole salary so drawn shall not exceed the minimum pay of the said appointment.

LIST OF HER MAJESTY'S COVENANTED CIVIL SERVANTS ON THE MADRAS ESTABLISHMENT,

Corrected up to the 30th September 1868.

The Rank of Civil Servants commences from the date of arrival at Madras of the first Civil Servant appointed in Europe, of the same season of which they are Civil Servants; and, being thus determined, all Civil Servants belong, during the first four years, to Class VI;—from the fifth to the end of the eighth year, to Class V;—from the ninth to the end of the twelfth year, to Class IV;—from the thirteenth to the end of the twentieth year, to Class III;—from the twenty-first to the end of the thirty-fifth year, to Class II;—and from and after the thirty-fifth year, to Class I.

The letters A, B, C, prefixed to the names denote respectively that the parties have not passed either of the two Standards of Qualification; that the first or lower Standard has been passed; that the Servant cannot take Special leave.

The Actual Service shown in Column 8 is calculated in accordance with Rule I, and is the period of Residence qualifying for Pension, under Rule XVI of 1868.

M prefixed to a name denotes that the Servant though not having passed by the 2nd Standard, nor holding an appointment superior to that of Assistant is invested permanently with the full powers of a Magistrate.

(Column 2, Capitals distinguish high proficiency.

AFFECTING

Retiring Regulations.

1. The rules under which the period of service required to entitle Officers to the retiring Regulations is calculated, are as follow:—

2. Officers appointed direct, count service from the date of arrival within the limits of the Madras Presidency, unless specially authorized by the Court of Directors to embark in a Ship bound for another Presidency.

3. Officers appointed from Addiscombe subsequently to the 22nd November 1837 to the Cavalry Artillery, or Infantry, count service as above, with the addition of the period passed at Addiscombe after attaining the age of sixteen.

4. Officers of Engineers count service from the date of arrival of the first Artillery or Infantry Cadet of the same examination, with the addition of the Addiscombe period as above. In the event of there being no such Artillery or Infantry Cadet they count service from the expiration of 4½ months from date of examination.

G. O. G., 11th June 1850,
No. 120.

G. O. G., 10th June 1852,
No. 33.

5. Officers appointed in India, count service from the date on which they take the oath of allegiance.

6. Medical Officers and Veterinary Surgeons count service from the date of arrival within the limits of the Madras Presidency.

7. Absence on sick certificate within the limits of India for periods not exceeding two years, successively, as also leave on private affairs beyond the limits of this Presidency, if for periods not exceeding three successive months, are counted in the time of service requisite to entitle to retiring Pay. Officers however serving in other than their own Presidency, may count as service towards pension leave taken within the limits of the former equally as taken within the latter.—Vide G. O. G., 10th December 1861, No. 437.

8. But all Officers quitting India on leave of absence on account of sickness or of private affairs, who shall proceed to Europe without having returned to India, shall be considered as on furlough to Europe from the dates on which they shall have respectively left India.

9. Every Officer who has completed twenty-two years' service in India is allowed to retire with the pay of the rank to which he has attained, except Lieutenant Colonels of Artillery and Engineers, who being in the receipt of Major's pay are restricted to pension of latter rank.—G. O. G., 11th October 1852, No. 95.

10. All effective Officers, without reference to their actual rank, are allowed to retire,

After twenty years' service in India, on the pay of Captains.

After twenty-four years' service in India, on the pay of Majors.

After twenty-eight years' service in India, on the pay of Lieutenant Colonels.

And after thirty-two years' service in India, on the pay of Colonels.

Officers on producing the prescribed Medical Certificates, countersigned by the Commanding Officer, that they are compelled to quit the service by wounds received in action, or by ill-health contracted on active service, or on detachment or out-post, or any Military duty in notoriously unhealthy localities, after three years' service in India, are permitted to retire on the half pay of their rank.

This indulgence, however, can be granted only in England.—G. O. G., 19th April 1859, No. 153.

12. Officers who may be compelled to quit India on sick certificate and who may not be entitled to retire on full pay are to try the effects of a temperate climate for the usual term of furlough before they can be allowed to establish their claim to retire from the service upon half pay. If Officers so circumstanced, proceed to New South Wales, or some other Colony, and apply thence, at a proper time, for permission to retire, satisfactory evidence from the Medical Staff Officer, or other undoubted Medical testimony on the spot, to prove that the applicant is incapable from ill health to the performance of Military duty in India is necessary.

13. Veterinary Surgeons who have actually served seventeen years in India, or twenty years including a furlough of three years, may retire on 7s. per diem, twenty-five years including a furlough of three years on 8s. per diem, thirty years including a furlough of three years on 9s. per diem. If health permit them to continue their service in India, they are permitted to retire after ten years in India, or thirteen years including a furlough of three years on 5s. and 6d. per diem, or after six years' actual service in India on 4s. and 6d. per diem.

Vide G. O. G., 6th June 1861, No. 108.

In lieu of the above scale of retiring pensions, the following rates are authorized:—
Veterinary Surgeons in the service shall not be deprived of the benefit of the present Regulations.

After 3 years' service if compelled by wounds received in action, 3s. per diem.

After 6 years' service if from ill health unable to continue to serve in India, 3s. per diem.

.. 17 do. 6s. 6d. per diem.

.. 22 do. 10s. per diem.

20. Officers retiring in England when on authorised furlough are allowed the benefit of the rank they may hold at the expiration of two and a half years from their quitting India.—G. O. G., 3rd May 1861, No. 153

21. Officers retiring in England from the service shall be considered to have retired from the date of their application for leave to retire, or from the expiration of two years and a half from the date of the commencement of their furlough, whichever shall first happen, from which dates respectively promotion caused thereby will be made.—G. O. G., 6th July 1859, No. 298.

Promotions in succession to casualties, by death in England, shall have effect from the date following that of decease, or from the expiration of three years' absence from India, whichever shall happen first.—G. O. G., 9th February 1864, No. 53.

It is to be distinctly understood that no additional expense is to be occasioned by this arrangement.

22. Applications from Officers to retire from the service in India, are to be addressed to the Right Honorable the Governor in Council under the signature of the parties, and to specify the date, which must be a prospective one, from which the applicant wishes his retirement to have effect; and from the date so specified they, in the event of the decision of Government on their case not having been previously received, will, pending such decision, be exempted from the performance of all Military duty. Each application to be transmitted through the ordered channel of correspondence accompanied by a certificate of service from the Adjutant General, and certificate of no demands from the Military Accountant.

23. The pay accounts of Officers serving in the Tenasserim Provinces, Straits Settlements, &c. applying for permission to retire are to be kept separate; and Officers so situated are not to sign the Abstract of their Troop or Company, but will not on that account be deprived of Command allowance.

24. In the cases contemplated in the preceding para., Officers Commanding Stations will send all Abstracts of previous charges to Madras for audit at the same time the individual's application to retire is forwarded.

25. The rates of full pension and half pay allowed to all Officers, whether of Cavalry, Artillery, Engineers, or Infantry, are as under:—

Good Service Pensions.

His Excellency the Governor General in Council has much satisfaction in publishing the following extracts from a Despatch from the Right Hon'ble the Secretary of State for India, No. 388, dated India Office, London, the 9th December 1864, sanctioning the establishment of good-service pensions in the Indian Army, as rewards for distinguished or meritorious services.

PARA. 1. I have considered in Council your Military Letter, No. 286, dated 13th August 1864, in which you suggest the establishment of a system of good-service pensions for Officers of the Indian Army, based upon that which has been adopted in Her Majesty's British Service.

2. The proposal of your Government is, that fifty such pensions of £100 per annum be given to the Indian Army, under certain conditions.

7. Her Majesty's Government, therefore, sanction the introduction of a system of good-service pensions in the Indian Army, under the following regulations:—

I. Fifty good-service pensions of £100 per annum will be distributed among the Officers of the several Staff Corps and of Her Majesty's Indian Army at the three Presidencies.

II. Officers of all ranks will be considered eligible for the pensions on the recommendation of the Government of the Presidency to which they belong, supported by that of the Government of India; but, except under very special circumstances, the grant will be restricted to Officers above the rank of Lieutenant.

III. The good-service pension will be given up by an Officer on resignation of the service, or on coming into the receipt of the Colonel's allowance; but an Officer placed on half-pay, or retiring upon full or half pay pension, will retain the good-service pension in addition to such half-pay or pension.

IV. Ordinarily the good-service pension will be conferred upon Officers of the effective list; but Officers who may have been placed on half-pay, or who may have retired from the service on full or half-pay pension, will also be considered eligible for them.

V. On the nomination of any Officer to a good-service pension being sanctioned by the Secretary of State for India in Council, a Notification to that effect will be published in the "Gazette of India," specifying the Military services of the Officer.

Applications for Leave.

The attention of Officers Commanding Regiments is called to G. O. C. C. No. 21, date 13th May 1857, requiring a note to the following effect to be entered at the foot of all applications for final or preparatory leave to Europe for Officers under their command:—

"The above Officer is considered qualified to take Command of drafts of European Recruits,

or
" — to do duty with European Recruits,"

or
" — is not qualified to command or do duty with European Recruits."

2. On all occasions of Officers absent from their Regiments on ordinary leave of absence in India, or on Staff employ obtaining final or preparatory leave in General Orders to proceed to Europe, an immediate report of their qualifications to command or do duty with European Recruits on return to India, is to be made in one or other of the above terms by the Officer Commanding their Regiment, to the Adjutant General of the Army.

On all occasions of Officers being passed by the Presidency Board of Medical Officers for leave to Europe on sick certificate, a N. B. is to be entered at the foot of the proceedings, stating whether the Officer's state of health will admit of his being detailed for duty with Troops proceeding to England. And Officers who obtain leave on medical certificate are warned not to engage a passage to England privately until they ascertain that their services will not be required on public duty.

It having been brought to the notice of Government, that instances have recently occurred in which Military and Medical Officers in Civil employ have obtained leave to Europe through the Civil Department, the Governor in Council desires to call the attention of all Officers, to para. 10, Section XVIII of the General Regulations, and to G. O. G. dated 18th August 1854, No. 191, requiring all applications for leave to Europe to be submitted through His Excellency the Commander-in-Chief.

The Right Honorable the Governor in Council is pleased, in supersession of existing rules regarding the production of certificates of "No Demand" by Military Officers when about to proceed on leave beyond Sea, to promulgate the following rules for general observance:—

Military Officers in Civil employ, from the Accountants of the Government under which they are employed.

Officers of the Public Works Department, from the Chief Engineer, Department Public Works.

Officers of the Stud and Commissariat Department, from the Auditor of Commissariat Accounts.

Officers of the Ordnance Department, from the Inspector General of Ordnance and Magazines.

Regimental and other Military Officers, from the Divisional Paymasters, countersigned in all practicable cases by the Military Accountant.

1. Every Military Officer whether Staff, Regimental, or in Civil employ, on applying for leave beyond Sea, whether to Europe or elsewhere, (leave under G. O. C. C. 2d July 1856, No. 34, excepted) will be required to submit with his application for leave, a report from one of the Officers noted in the margin, according to his Department, stating whether, with reference to the information before him, there is reason to require security as a special case on account of any doubtful items outstanding against the applicant, or because of any thing suspicious or extraordinary in the state of the applicant's accounts.

2. The reporting Officer must not delay his report in ordinary cases, by references to local Officers, as with a proper system of despatch and proper vigilance on his part, he ought, in all ordinary cases, to have the means of judging in his own office.

3. All Officers are reminded of the necessity of using every means in their power for the settlement of their accounts, in order to obviate inconvenience to themselves from any delay in the issue of the reports by the several Departments concerned.

Fort William, 17th July 1860.

No. 755 of 1860.—The following rules will have effect in modification of the existing Regulations on the subject:—

Officers proceeding on leave, on medical certificate, shall not be required to furnish No Demand Certificates or Security.

When an Officer in charge of cash or stores applies for leave on medical certificate, he shall be required to furnish a certificate from the Officer taking charge of his duties, that as far as can be ascertained, after careful examination, nothing irregular nor any known demands against him remain unadjusted in his office.

Officers applying for leave beyond Sea, on private affairs, shall be required, as at present, to furnish No Demand Certificates.

Officers, on leave, on medical certificate, intending to retire from the service, are to give the earliest intimation thereof to the Military Accountant through the Paymaster, so that the requisite No Demand Certificate may be prepared, as no retirement is permitted without such certificate is furnished.

In re-publishing the following General Order by the Right Honorable the Commander-in-Chief in India, dated Head Quarters, Simla, 14th June 1859, the Commander-in-Chief calls the attention of Officers thereto.

No. 42.—The Provincial Commander-in-Chief directs that whenever any Officer, (whether at the time serving with his Regiment or on Staff or other employ.) obtains leave to proceed to Europe, or to retire from the service, a statement in the subjoined form shall be forwarded without delay, by the Officer Commanding his Regiment through the Divisional Commanding Officer to the Adjutant General's Office at the Presidency.

Privilege Leave.

G. C. C. C.
No. 44,
17th Jan. 1956.

(With reference to paras. 26 and 31 of the New Furlough Regulations, the Commander-in-Chief, with the sanction of Government, directs the following rules with respect to the grant of leave *on private affairs* to all Officers under His Excellency's orders serving under their respective Commands, to be substituted for paras. 3, 4, 5, 6, 6^a and 7, Section XVIII of the General Regulations, para. 42 of which Section is cancelled. Books to be corrected accordingly.

Para. 3.—The periods for which leave may be granted are limited as follows: including day of departure and day of return, both which dates are in each case to be noted in muster rolls and abstracts.

By Officers Commanding Regiments subject to the control of Officers Commanding Stations.
For periods not exceeding three days in the calendar month (between Muster Districts and limited to an aggregate of ten days in the calendar month).

For periods not exceeding ten days in the calendar month (between Muster) within the Division or District and limited to an aggregate of twenty days in six months, between the 1st January and 1st July and vice versa.

By Officers Commanding Stations subject to the control of Officers Commanding Divisions or Forces.
For periods not exceeding ten days in the calendar month (between Masters) within the Division or District and limited to an aggregate of twenty days in six months, (between the 1st January and 1st July and vice versa exclusive of leave granted by Officers Commanding Regiments.

N. B.—Leave granted under the foregoing clauses to Officers serving in the Centre Division sanctioned by the Right Honorable the Governor-in-Council.

The Right Honorable the Governor-in-Council is pleased to direct the publication of the following Bengal rule, and to sanction its extension to the Officers of this Presidency.

*By Officers Commanding Divisions
or Forces.*

G. O. G.
No. 193 of
13th June 1856.

"Should an Officer who is on privilege leave not rejoin his Corps, but be absent in continuation, on more than three months' leave on private affairs, or one year, and eleven months' leave on medical certificate, he will retain his full salary or allowances if the thirty days of privilege leave, which will also count as service, but he will, nevertheless, forfeit all Military allowances on completing six months or two years absence, as the case may be reckoned from the date that he quitted his Corps and station."

To the aggregate extent of thirty days in six months between the 1st January and 1st July and *vice versa* irrespective of Masters; to go wherever the Officer wishes, the Presidency included, and *exclusive* of leave granted by Officers Commanding Regiments and Stations.

Para. 4. The leaves of absence authorized by the foregoing paras. may *one and all* be enjoyed by an Officer during the one and same period of six months above specified, without any loss of allowances; provided that in every case the Officer rejoins at the expiration of the particular leave obtained that is to say that an Officer cannot be absent at one time for more than three days, on Regimental, ten days on Station, or thirty days on Division leave. But it is to be clearly understood that no consolidated salary, command, staff or contract allowance, shall in any instance, be drawn for two Officers for the same period, and that the Staff Surgeons, that they make approved arrangements for the absence of the Staff and Medical Officers.

Para. 5. The fact of an Officer having very recently returned to his post from general leave does not debar him from the privilege of obtaining leave under paras. 3 and 4.

Para. 6. An Officer unavoidably overstayring the leave granted him under paras. 3 and 4 will not be liable to forfeiture of Command or Staff allowances, except for the actual period in excess of the leave granted him by either of the above authorities. But it is always competent for the superior Station or Divisional authority to grant extension of such leave, on sufficient cause being shown to warrant such extension. In any instance an Officer unavoidably overstayring Regimental leave may have it converted into Station or Division leave, and in like manner Station leave can be changed into Division leave provided always the prescribed aggregate extent of leave which the different authorities are permitted to grant is in no case exceeded. When an Officer, under the above circumstances, exceeds the days allowed in leave a year it will rest with the Commander-in-Chief to grant him an extension of leave to prevent forfeiture of pay and allowances for the period he may have overstayed his original leave.

Para. 6). Should an Officer on leave under paras. 3 and 4 be put on duty by the Commander in Chief at a station at a distance from his own, on a date which, with reference to such distance, would admit of his rejoining, by any mode of travelling within the period of his leave, he will be entitled to compensation for loss of allowances for the period of his detention beyond the expiration of his leave, but if put on duty at a time and place from which he could not with reference to distance rejoin within the period of his leave by any mode of travelling, he will not be entitled to compensation for any period of absence from his Regiment.

Para. 7. Officers not in Civil employ are allowed, when the demands of the service will permit, to take leave, without pecuniary loss or loss of service for sixty days consecutively in each year or consecutively in each half year as may be preferred.—G. O. G., No. 101 of 9th April 1857.

Para. 8. The above rules are applicable to Divisions and Forces, both within and beyond the Frontier. The existing rule, under which an Officer cannot be absent on privilege leave on the 1st January, is abolished, and all that will be required is, that no Officer be allowed privilege leave for more than sixty days at one time or more than sixty days altogether between the 1st January and 31st December of each year. - Vide G. O. G., No. 179, 5th May 1865.

N. B.—In calculating the above leaves of absence the day of departure from Regiment or Appointment is one of leave and day of return thereto one of duty.

and day of return thereto one of duty.

(G. O. G. G. No. 91 of 26th January 1860.—The following Notifications, from the Foreign Department, are published in General Orders:—

No. 250. Fort William, the 23rd January 1860.—*Notification*.—The following Resolution passed by the Hon'ble the President in Council in the Financial Department, under date the 6th instant, is published for general information :—

RESOLUTION.—The Officiating Civil Auditor, Fort William, enquires, with advertece to the case of Major Bonavia, Political Agent at Bhurtpore, whether, in the case of a Military Officer entering upon Civil employ, his score for privilege leave under the Civil rules must commence from the date of joining his Civil appointment, or whether it must be calculated by the usual reckoning of 11, 22, or 33 months of uninterrupted service, irrespective of the Department (Civil or Military) in which such service may have been rendered.

2. Referring to this question, the President in Council observes that, when it was laid down that two or three months' accumulated privilege-leave could be granted, under the Civil rules, to Military Officers in Civil employ, it was intended that such leave should be earned by continuous service of the required number of months in the *Civil* Department alone.

The following Extract of a letter from the Officiating Secretary to the Government of India, Military Department, to the Secretary to Government, Military Department, Fort St. George, dated 3rd April 1860, No. 62, is published : —

"With reference to your letter No. 616, dated the 10th February last, I am directed to state for the information of the Honorable the Governor in Council, that His Excellency the Governor General is of opinion that the Military Secretariat to Government is certainly a Civil Department and that the Military Secretaryship to the Governor or to the Governor General, is as certainly a Military appointment. Accordingly the Civil rules for privilege leave are alone applicable to the former, and the Military rules exclusively to the latter."

The Governor in Council is pleased to authorize the Principal Inspector General Medical Department, to grant privilege leave to Medical Officers in Civil employ at the Presidency, the same being notified in every case in the Official Gazette. Leave to Medical Officers in Military employ will, however, continue to be granted as heretofore.

The Governor-in-Council directs that the following rule, contained in G. O. by His Excellency the Commander-in-Chief in India, dated Simla, 12th July 1859, be extended to this Presidency.

Leave of absence, preparatory to furlough, whether on private affairs or on sick certificate, must always be *general*, and not *privilege leave*.

With reference to G. O. G., No. 53, dated 3d February 1860, the Governor in Council directs that, in future, in accordance with the practice in Bengal, leave of absence preparatory to retiring from the service shall always be *general*, and not *privilege* leave.

The following Extracts from a Military letter from the Government of India, No. 930, dated 23rd November 1961, are published for general information:—

Though an Officer taking privilege leave may proceed wherever he may desire, he cannot proceed to such a distance as must preclude the possibility of his rejoining within the period of such leave. Thus as privilege leave, under Military rules, is limited to sixty days, and it is impossible, under existing arrangements for transit, to visit Europe and return thence within that period, an Officer cannot go to England on privilege leave on Military rules."

By order of His Excellency the Commander-in-Chief,

W. G. WOODS, Lieut. Col., *Adjutant General of the Army.*

Under instructions from the Government of India, the Right Honorable the Governor in Council directs the discontinuance from this date of the practice in this Presidency of granting privilege and general leave originally and that in assimilation with the practice in the Bengal and Bombay Presidencies, no extension of leave, whether on private affairs or medical certificates be granted to an Officer already on privilege leave except when unexpected circumstances render such extension either *very desirable or necessary*. In such cases the absence will not forfeit any of the advantages of his privilege leave.

Furlough Regulations of 1854.

1. All Officers, Staff as well as Regimental, also Military Officers in Civil employ, must declare their choice of rules on the first occasion of taking leave, whether the leave be in India or elsewhere, and if the leave applied for be in India under the local rules, Staff Officers may make choice of the old Regulations, still retaining their Staff appointments, but, after having elected the Old Regulations, they vacate their appointments on embarking for Europe or the Cape or elsewhere beyond Sea, except for short periods not exceeding three months under rule 39. Note.—Applications for leave to have a N. B. to the following effect.

N. B.—This being the first occasion of applying for leave since the publication of G. O. C. C. 9th December 1854, No. 98, Captain A. B. makes choice of the Old Furlough Regulations, "or (of the regulations of 1854,) as the case may be.

Or

N. B.—"Captain A. B. has on a prior occasion made election of the Old Furlough Regulations," or the regulations of 1854 as the case may be.

2. An Officer having made election of the Old Furlough Regulations while doing Regimental duty, cannot change to the Regulations of 1854 on subsequently obtaining a Staff appointment, G. O. C. C. 18th November 1856, No. 92.

3. To those Officers who adopt them, the New Regulations will apply retrospectively in respect of furlough and leave of absence beyond Sea, and in computing their time of service for retirement, so that their furloughs or leaves of absence, whether under the old or the new rules, and whether on private affairs or sick certificate within or beyond India, will count for service to the authorized extent only, in computing the time for retirement on full pay.

4. Officers who have availed themselves of the option of the old rules, are allowed to re-consider the question under the modifications now sanctioned.

5. Officers who have not taken leave subsequent to the publication of the new rules on the 1st February 1854, and who consequently may not have been called upon to declare whether they would abide by the old or the new Regulations, will, on retirement from the service, be entitled to take full advantage of the privileges given by the new Regulations.

Furloughs on Private Affairs.

6. Every Officer will be allowed a furlough to Europe, or elsewhere, beyond Sea, for a period of two years, at the expiration of ten years' service, and for a second period of two years after twenty years' service in India. (Period passed at Addiscombe College not to count.) An Officer proceeding on leave to England for six months, retaining his appointment or otherwise, is not to be considered as having taken his authorized furlough after ten or twenty years, as the case may be, but may, with permission of Government G. O. G. 1st April 1856, No. 102.

7. The second furlough of two years will only be granted after ten years' service in India, from the date of the return to duty after the first furlough of two years. These furloughs are not to be cumulative, under any circumstances, but are limited to two years. Officers who have taken leave of absence on sick certificate to Europe or elsewhere beyond Sea, will be ineligible to a furlough on private affairs until they have served six years from their last return to duty. This rule does not apply to short leave to sea. Officers who take their first furlough after twenty years' service in India, may take their second furlough after an additional service of five years from the date of their last return to duty.—G. O. G. 1st July 1856, No. 211.

An Officer of upwards of 20 years' service, but who before completing that period has enjoyed a furlough on private affairs to Europe, for say four years, for three of which he drew pay, has a claim to a second furlough of one year with pay, on the completion of ten years from the date of his return to duty, but, if subsequently to his return from furlough, he has taken leave out of India on S. C. his second furlough on private affairs will not be claimable till the expiration of six years from return to duty from such sick leave as well as ten years from the date of return to duty from furlough on private affairs.

N. B.—This rule is not applicable to an Officer who takes his first furlough out of India after completing twenty years' service.

Officers who have proceeded on sick leave to Europe after a period of twenty years' service, it being the first time of their quitting India, can, as in the case of Officers who take their furlough after the same period, take a furlough on private affairs after five years from the date of their return to duty.—G. O. C. C., 18th November 1856, No. 92.

Fort William, the 29th January 1866.

No. 102 of 1866.—The following Military letter from the Right Hon'ble the Secretary of State for India, No. 362, dated 8th December 1865, is published for general information:—

MILITARY.

No. 362.

INDIA OFFICE,
London, 8th December 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.
SIR,—In your Military letter dated 20th September last, No. 493, you refer for my decision a question what has arisen whether leave taken on private affairs without pay out of India, counts as part of the 6 years required before an Officer can obtain furlough after return to duty.

2. From the case which gives rise to the enquiry, I presume the question relates only to Clause 7 of the Furlough Rules, published in Orders by your Government on 17th November 1854, part of which is as follows:—

"Officers who have taken leave of absence on sick certificate to Europe or elsewhere beyond sea, will be ineligible to a furlough on private affairs until they shall have served six years from their last return to duty. This rule does not apply to short leaves sea."

G. O. G.
20th Feb. 1866.
No. 66.

8. Clause 6 of the same rules states that every Officer will be allowed a furlough to Europe or elsewhere beyond sea for a period of two years at the expiration of ten years' service, and, or a second period of two years after twenty years' service in India.

4. w decided by the Court of Directors in the year 1856, that an Officer who had proceeded on leave to England for six months was not to be considered as having taken his authorized furlough after ten or twenty years, as the case might be; but that he might, with the permission of Government, take at any time the remainder of the two years' authorized furlough on private affairs.

5. The Court of Directors also ruled that absence for six months under Clause 9 did not preclude an Officer from taking his furlough to Europe after ten years' service.

6. It appears to me that the principle of these decisions may be applied to the present question; and absence to Europe on private affairs for six months, and all extensions of such leave granted in that country under special circumstances and without pay, may be permitted to reckon as part of the six years required to be served after return from leave on medical certificate to entitle an Officer to his furlough on private affairs.

8. All grants of furlough on private affairs are subject to the exigencies of the Public Service, and to the Regulations framed for the preservation of the efficiency of each Regiment by limiting the number of absentees.

9. Officers holding Staff or other detached appointments may be allowed furlough for a period of six months without losing their appointments; but during that period, they will not be entitled to any portion of their Staff salary, which will be drawn in full by the Officers officiating for them. Absence for six months under this rule does not preclude an Officer from taking his furlough to Europe after ten years' service.—G. O. G. 1st July 1856, No. 211.

No. 246.
9. Officers who have come to this country on duty with discharged Troops, and have been granted extensions, (not exceeding six months) of their privilege leave on medical certificate, or on private affairs, shall not be considered to have vitiated their claim to Furlough at the end of ten years' service, though they may not have been six years in India since their return from this country.

Para. 4. I have to inform you that it has been decided that those Officers who have been allowed to count their leave on sick certificate, as service for pension, will be ineligible to a furlough on private affairs, until they have served six years in India from the date of their return to duty. Vide Rule 7.

G. O. G. 28th
March 1861, No.
115.
N. B.—A number of Recruits having been enlisted for the Royal Artillery, for service in India, it has been deemed expedient that a certain proportion of Officers of the Bengal, Madras, and Bombay Artillery should be appointed to do duty with them at the Royal Artillery Depot at Woolwich, until the next season of embarkation, and that some of these Officers should then proceed with the drafts to India.

These Officers will be entitled to count the time passed at Woolwich as service in India, and if they proceed with Recruits, the period occupied by the voyage. The Officers returning with Recruits will be allowed to count the period passed by them on duty at Woolwich, and on the voyage, as part of the qualifying period necessary for them to serve in India before they are again entitled to a furlough to Europe.

No. 565 of 1861.—His Excellency the Governor General in Council is pleased to resolve that absence from India, on authorized leave within the periods allowed by the new furlough Regulations, shall not debar an Officer whose efficiency has been proved and certified to the full satisfaction of the Governor in Council from Departmental promotion, temporary or permanent.

No. 232.
In such cases the absent Officer will not, till he resumes charge of his duties, have any claim to the salary of the higher office, which will be drawn by the acting Officer.

Your Military letter dated 29th February, No. 73, transmits, with your favorable recommendation, correspondence relative to an application from Lieutenant Colonel J. McK. Taylor, Commanding 2nd Regiment, Bombay Light Cavalry, praying that the furlough Regulations may be so far modified as to allow Officers who have taken only one furlough during twenty-seven years' service to take a second furlough, after the expiration of that time, without being compelled to serve ten years from date of return to duty.

2. Under a decision of the Court of Directors, under date the 25th April 1856, No. 56, Officers who take their first furlough after twenty years' service in India, may take a second furlough after a service of five years, from date of last return to duty, or, on completion of twenty-seven years' service in India.

G. O. G.
21st June 1864,
No. 231.
3. In the present case, it appears that Lieutenant Colonel Taylor took his first furlough after a service of eighteen and a half years. Under present rules he cannot obtain a second furlough until the expiration of ten years, from date of return to duty, by which time he will have completed a service of upwards of thirty years.

4. I have no objection to the modification of the Furlough Regulations suggested by your Government in favor of Lieutenant Colonel Taylor and other Officers similarly circumstanced, on the understanding, however, that this is not to affect the Rule under which an Officer who takes his first furlough after twenty years' service, or upwards, must serve a period of five years, from date of last return to duty, before he is to be held entitled to a second furlough.

G. O. G.
No. 360,
15th Oct. 1861.
2. The privilege of retaining appointments during periods of absence not exceeding twenty months, as announced in my Despatch, dated 18th January last, applies only to Officers returning to this country on medical certificate. It was intended as an extension of the privilege of fifteen months' leave allowed by the new furlough Regulations to Staff Officers quitting India on account of the state of their health. With this exception Officers of the Staff Corps, it was stated, would be under the new furlough Regulations. By these Regulations, furlough on private affairs with retention of Staff appointments is restricted to six months.

3. The furlough on private affairs of the Officers of the Staff Corps, with the right of retaining appointments, is to be limited to the same period.

An Officer must have served ten years in India to entitle him to return to this country on private affairs for six months, retaining his appointment and drawing furlough pay.

An Officer who has taken the furlough to Europe for two years, after ten years' service, must show a service in India from date of return of ten years, to entitle him to return to Europe on private affairs for six months, retaining his appointment and drawing furlough pay.

G. O. G.
14th April 1863,
No. 127.

An Officer having taken shorter leaves of absence as a Staff Officer (six months on private affairs fifteen or twenty months on sick certificate) with retention of appointment may take a second leave of absence, retaining his appointment on sick certificate after he has been three years, or on private affairs, after he has been six years in his discharge of the duties of his appointment, from the date of last return to it.

This decision should not be allowed to interfere with the practice which has been followed under the Regulations of 1854, and those in force previously, for permitting Officers in certain cases of emergency to return to this country on private affairs for short periods without pay, and that a Staff Corps Officer permitted to return to Europe under such circumstances should be allowed to hold his appointment for a period not exceeding six months. In fact, this has already been authorized in Question and Answer No. 121, which states that the Government may grant leave of absence for six months on urgent private affairs without pay and allowance to a Staff Corps Officer, with retention of appointment, on being satisfied of the urgency of the case.

I am of opinion also that Staff Officers not members of the Staff Corps should be allowed a similar indulgence under like circumstances.

G. O. G.
28th Aug. 1863,
No. 304.

Regarding the mode of reckoning the service of an Officer of the Staff Corps formerly under the old furlough Regulations, as regards future furloughs such Officers will be under the operations of Clause 7 of the furlough rules of 1854.

10. All Officers, whether Staff or Regimental, while on furlough on private affairs, will be entitled to "furlough pay" only.

Leave of absence on Sick Certificate.

11. Leave of absence on sick certificate will be granted for a term not exceeding twenty months, whether it be to any place in Europe or elsewhere out of India.

12. Extensions of such leave may be granted, as at present, on production of medical certificates for further periods not exceeding sixteen months in the whole.

With reference to para. 13. No. 1884. — The grant of leave of absence to Staff Officers, on medical certificate, with half Staff allowances, for six months, and with the privilege of returning to their offices, if their absence from India be not prolonged beyond fifteen months, is bestowed by the Honorable Court, in order that they will be thereby qualified to render additional service to the Government. But if leave of absence be taken merely to run out a prescribed period of service, and without any intention of returning to duty, the principle on which the rule is founded is infringed, and the indulgence of the Honorable Court is abused; wherefore the Right Honorable the Governor General in Council hereby notifies for general information, that if there be an avowed intention on the part of an Officer not to return to duty, or if the Government have valid grounds for concluding that the Officer has no intention to return to duty, the indulgence of leave on sick certificate, retaining office, will not be granted in future.

G. O. G.
15th April 1856,
No. 119.

The foregoing was declared in a Notification, No. 2,129, dated 16th April 1856, republished in G. O. G. 2d May 1856, No. 139, to be applicable to all Military Officers holding Political or Civil appointments, other under the Government of India or under any of the Subordinate Governments.

With reference to paras. 13 and 16. M. C. No. 2,702, 20th October 1856. — If an Officer, having proceeded on leave in India on medical certificate and enjoyed the indulgence to the full extent, proceeds on leave on medical certificate out of India without having returned to duty, the existing Regulation which precludes receipt of Indian allowances for a longer period than two years of continuous absence from duty, is a bar to his drawing Indian allowances for the first six months or for any part of his fresh leave.

G. O. C. C.
18th Nov. 1856,
No. 92.

3. The new furlough Regulations made no alteration in the old rules governing the resumption of Staff allowances on return to duty. Under those rules an Officer who had ceased, prior to his return, to be entitled to Staff allowances, could not draw any portion of them from an earlier date than that of his resumption of his Staff duties. We think it undesirable to make any change in this respect.

G. O. G.
16th Sept. 1859,
No. 360.

14. An Officer's claim to half Staff salary for six months, as sanctioned in the preceding rule, will not be affected by his subsequently retiring from the service in Europe or elsewhere.

15. No portion of Command allowance, Medical Staff salary or other similar allowance, which under the old rules was inadmissible to Officers absent from their Corps or Stations at the Cape or elsewhere, will be allowed to absent Officers under these Regulations.

16. All Officers, whether Staff or Regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian Pay and Allowances as was allowed under the old Regulations to Officers proceeding to the Cape on medical certificate, and for the remaining period of their leave they will receive furlough pay only.

• Vide margin of Rule 9.

17. If the leave on sick certificate be extended, furlough pay will be continued, but under no circumstances for a longer period than three years altogether from the commencement of the absence.

Staff Officers.

18. The term Staff Officer applies to all Officers holding Staff or Detached appointments, Military, (General or Regimental,) Political or Civil, also to General Officers Commanding Divisions, Inspectors or Deputy Inspectors General of Hospitals and others who, under the old rules, were entitled to draw half Staff allowance when absent at the Cape.

19. Staff Officers, absent on leave beyond the periods stated in Rules 9 and 13 respectively, cannot retain their appointments and allowances except on special grounds, to be sanctioned by the Government.

With reference to para. 19.

G. O. C. C.
3d October 1856,
No. 73.

1. The new furlough Regulations are held, not to affect the rules heretofore in force with respect to leave in India, and consequently a Staff Officer obtaining leave of absence in India on private affairs for six months, or on medical certificate for two years, retains during such absence a moiety of his Staff salary as sanctioned by the Regulations for the grant of leave in India which are still in force.

2. A Staff, as well as a Regimental Officer is required, when first applying for leave, whether in or out of India, to declare by which of the furlough Regulations he wishes to abide. A Staff Officer having made his election can take his leave in India as above stated, and should he afterwards require to proceed to England, the retention or otherwise of his appointment will depend upon which of the rules he first elected, and from which he cannot afterwards change.

3. In the event of a Staff Officer electing the new furlough Regulations and taking leave in India, the whole of the leave he has previously enjoyed from the date of his entering the service, excepting the periods allowed by those rules to reckon as service, must be reckoned against his period of service for retirement.

G. O. G.
31st May 1859.

Having considered in Council your Despatch, No. 25, dated 11th February 1859, solidifying instructions as to what may be admitted as special grounds for permitting a Staff Officer, absent on medical certificate, to retain his appointment for any period beyond twenty (20) months, I have to express the desire of Her Majesty's Government that this indulgence should be very rarely granted, and only in cases where it is important on public grounds to retain an Officer's services in a particular appointment, or where the distinguished services of an Officer may entitle him to special consideration.

The concession of leave to Europe in the case of a General Officer is to be considered the exception and not the rule; and, as ground for obtaining such leave, it must be shown that the Officer has contracted illness from the effects of climate, or of wounds received on service in India, or that the nature of the private affairs taking him from India is of a very urgent nature.

Leave on medical certificate will be restricted to six months, and on private affairs to four months, the penalty of exceeding such period being the vacation of the Command, and in no case will a General Officer be allowed more than one grant of leave out of India during his tour on the Staff.

The position of Brigadiers being considered analogous to that of General Officers on the Staff, the principle upon which the indulgence of leave is to be granted will hereafter be the same in both cases.

No. 89 of 1863. — The following paragraph of a Military letter from the Right Hon'ble the Secretary of State for India, No. 459, dated 16th December last, is published for general information:—

Para. 12. — In future when Officers holding Staff appointments are granted leave of absence on sick certificate for any term short of twenty months, I shall extend their leave to that period, on their producing the required certificate, with the retention of their appointments, without requiring them to apply to your Government on the subject.

20. The privilege of retaining Staff appointments during leave of absence on sick certificate, or on furlough on private affairs, will not be available a second time, if the fresh leave is on sick certificate, until an Officer has been three years, or if on private affairs, until he has been six years in the discharge of the duties of his appointment, from the date of last return to it.

"An Officer who has once returned to Europe, retaining his appointment under the new rules, cannot be allowed that privilege a second time, no matter whether it be the same or another appointment, unless he has served the prescribed period since his last return to duty."

"An Officer who has returned from Europe or from Sea, but not as a Staff Officer, i. e., who did not proceed to Europe as a Staff Officer with the attendant privileges, and is subsequently nominated to a Staff situation, and in less than three years from the date of his last return to duty, proceeds on such leave to Europe or to Sea, would not be required to vacate his appointment, with advertence to para. 20 of the new furlough Regulations."

The following Military letter from the Right Hon'ble the Secretary of State for India, is published for general information:—

MILITARY, No. 140. INDIA OFFICE, London, 30th April 1868.

To His Excellency the Right Hon'ble the Governor General of India in Council.
SIR.—It has been brought to my notice that Officers of the Indian Service promoted to the rank of General Officers, and frequently thrown out of active employment for a season by such promotion, are, if residing unemployed in India, entitled to count such residence as service for pension, but if residing out of India, they come under the rules applicable in this respect to Officers on leave.

2. I do not consider, under the altered circumstances of the Indian Service, that this distinction should be maintained, and I have determined therefore, that Officers on attaining to the rank of Major General shall reckon the whole of their service on the effective list, whether employed or unemployed, as service for pension, wherever they may choose to reside.

3. This ruling will take retrospective effect in the case of Officers retiring from the service hereafter.

I have, &c.,
Signed: STAFFORD H. NORTHCOTE.

21. This rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs in India, or for brief periods not exceeding three months, to Ceylon, the Mauritius, or other places out of India.

22. Officers Commanding Troops of Horse Artillery and Light Field Batteries, and Officers generally in employment, will be allowed leave out of India under the same rules with respect to allowances and Regulations, except as to the duration of those advantages, the time for their continuance being subject to the provisions of the new Regulations.

Date of Furlough and Advances of Pay.

23. The period of furlough on private affairs, or leave of absence on sick certificate, is to be calculated from the date of the departure from India of the ship in which the Officer proceeds.

N. B.—When an Officer is granted permission to return to his duty by a particular ship, it is equivalent to granting him an extension of leave until the arrival of that ship in India.

24. Advances of pay and allowances, Staff and Regimental, to Officers proceeding on leave of absence on sick certificate, who may be entitled to them, will be made if desired in India for three months from date of embarkation. Payments in continuation will be made in England at the rates of exchange fixed annually for re-payment of advances made on account of Her Majesty's Government. Furlough pay will continue to be issued in advance for six months when required by Officers obtaining furlough on private affairs.

1st.—It is the duty of an Officer before leaving India to obtain his last Pay Certificate; he should therefore at the time of applying for leave address the Deputy Paymaster in whose Circle of payment he may be, with a request that his accounts may be adjusted, and at the port of embarkation he should apply at the Pay Office for a last Pay Certificate. In the event of his not being able from any cause to obtain this certificate, he should address the Military Accountant on the subject, and that Officer will investigate the circumstances of the case and submit a report thereon to the Military Finance Department for transmission to Government.

2nd.—In cases in which Officers return Home "for Residue of furlough," the period remaining unexpired should be stated in their papers by the Pay Department.

3rd.—The Right Honorable the Secretary of State for India having observed, in his letter No. 497, dated the 31st December 1861, paragraph 10, that "the final settlement of all pay and allowances issued to an Officer prior to his quitting India, whether in advance or otherwise, is invariably left to the authorities in India, & will not be necessary for the Officers of the Pay Department in future to call upon Officers on furlough in England, who, on promotion, may apply to India for an adjustment of pay (for the period issued to them prior to their leaving this country) to furnish a certificate under the period issued to them at the India Office to the effect that no such adjustment has been made by them."

4th.—This order is applicable to the three Presidencies, and will have effect from this date.

No. 750 of 1862.—His Excellency the Governor General in Council is pleased to extend to Officers on leave the rule which permits Officers of one Presidency, when absent on duty, to draw their pay and allowances from the Pay authorities of any other Presidency at which they may be residing, and to lay down the following rules for future guidance:

Officers of one Presidency may draw advances on account of their pay and allowances which have become due from Paymasters at any other Presidency at which they may be residing, whether on duty or on leave on medical certificate or private affairs.

Officers so situated must furnish, with their Bills, a last Pay Certificate from their own Presidencies, showing specifically the sum to be deducted and the amount to which entitled, and also indicate the General Order or other authority under which they are absent.

These rules are also applicable to cases of Officers embarking for Europe from any other than their own Presidencies, and who may be entitled, under the furlough Regulations, to advances of pay and allowances.

In cases of Staff Officers so situated their last Pay Certificates are to specify clearly the amount of half Staff salary to which they may be entitled during their leave.

In case of emergency, when last Pay Certificates cannot be procured, advances on account of unadjusted arrears of pay may be made on good security for the amount being furnished.

Bills for any admissible passage money are to be supported by a sufficient guarantee from the Agents of the Ship or other parties, that half the passage money will be refunded in the event of the Officer dying after engagement of his passage, or before the vessel puts to sea.

Paymasters making advances under these rules are invariably to receive the signature of the master of the last Pay Certificate, and will make the necessary remittance to the Paymaster of the other Presidency concerned with the least possible delay, and if Security be taken, it is also to be noted on the Pay Certificate.

If proof be forthcoming that an Officer has already furnished Security at his own Presidency for any demands on the part of Government which may arise, such Security is not to be required by Paymasters of any other Presidencies.

All over-drawings or short charges will always be adjusted by the Pay authorities of the Presidency to which the Drawing Officers may belong.

All other orders on this subject at the three Presidencies are hereby superseded.

25. The existing Regulations regarding Passage Money to Officers are not affected by these rules.

G. O. G. No. 1009 of 3rd December 1863.—With the view of encouraging the study of the Native languages, it is hereby notified, for general information, that extended periods of leave to visit the Presidency, without loss of service, will be granted under the following conditions to Officers of the Army who pass successful examinations in the tests prescribed in Government General Order, No. 734 of 1861:

1st.—Officers who pass an examination according to the second standard will be allowed to reckon as duty the period of their absence to the extent of (6) six months.

2d.—The certificates issued to Officers who are granted furloughs on private affairs,

G. O. G.
21st Dec. 1866
No. 492.

2nd.—To Officers who pass a successful examination in the languages defined in Rule VIII of the Government General Order quoted, above, a further period of six months' leave will be granted without loss of service.

3rd.—Candidates who may obtain certificates of High Proficiency, under the operation of Rule XII, will be allowed leave of absence to the extent of 18 months in the aggregate.

4th.—And candidates who obtain Degrees of Honor, under the terms prescribed in Rule XV, shall be permitted to reckon as service the period of their absence to the extent of two years.

2. To insure, however, that the time of the candidates is not misapplied, it must be clearly understood that they shall pass successful examinations according to the different tests within the prescribed periods.

3.—The foregoing rules are to be in supersession of all previous regulations on this subject.

G. O. G. No. 90 of 23rd January 1867.—In modification of Government General Order, No. 941 of 1861, His Excellency the Governor General in Council is pleased to prescribe the following Rules, under which Officers may draw pay and allowances through their Agents in India when on leave beyond the limits of their own Presidencies:—

I. Officers proceeding on leave for any period under the old furlough rules, beyond the limits of their own Presidencies, will be permitted to draw their pay and allowances through their Agents, on the latter furnishing a satisfactory guarantee for the refund of over-payments.

II. The guarantee must be attached to the application of the Officer for permission to draw his pay in India, which must be submitted through the Pay Master, to be forwarded to the Controller of Military Accounts, who will grant the authority to the Agent to draw the pay monthly as it becomes due.

III. The guarantee is to be in the following form, and must bear a stamp according to the scale noted at the foot thereof, in order to cover any possible amount to be retrenched:—

Form of Guarantee to be furnished by Agents of Officers proceeding on leave beyond the limits of their own Presidency, to accompany applications of Officers to draw their pay and allowances in India during absence.

We, _____ Agents of _____

do hereby engage, in the event of our being permitted to draw the pay and allowances of our constituent during his authorized absence from the Presidency, to repay such part of the amount as he may not be entitled to in case of death, as also such sums, with retrospective effect, as our constituent may become liable for, by his bringing himself upon furlough pay from the date of quitting his own Presidency by any of the following acts:—

1. by overstaying the leave to sea for two years on medical certificate, or for six months on private affairs, which he may have obtained under the old furlough rules.

2. By proceeding to England from the leave aforesaid under the old furlough rules, without having returned to his own Presidency.

"Short leaves on private affairs for periods not exceeding thirty days, which have been granted to officers in General Orders, previously to 6th December 1854, are to be counted as 'privileged,' provided they do not exceed an aggregate of thirty days in each half year."

"Should an Officer who is on privilege leave not rejoin his Corps, but be absent in continuation, on not more than five months' leave on private affairs, or on one year and eleven months' leave on medical certificate, he will retain his full salary or allowances for the thirty days of privilege leave, which will also count as service, but he will, nevertheless, forfeit all Military allowances on completing six months or two years' absence, (as the case may be) reckoned from the date that he quitted his Corps and station."

3. In calculating the period of an Officer's absence on furlough in India, the day of departure from a Regiment or appointment is to be reckoned as one of leave, and the day of return thereto as one of duty. In like manner as respects furlough beyond India, the date on which the vessel conveying the Officer from India puts out to sea, is to be reckoned as one of furlough and the day on which he returns to his Presidency as one of duty.

4. An Officer entering the service and obtaining leave to visit a station not the Head Quarters of his Regiment and to join the Corps to which he is posted, and who actually does join within the period sanctioned by Regulation for the purpose of joining by the direct route, is allowed to reckon such leave as service for pension.

The principle of this rule is applicable to Officers who on return from leave out of India are allowed to visit a station out of the direct route to the station to which they belong.

5. With reference to paras 26 & 31, M. C. No. 2702, 20th Oct. 1856.

6. With reference to paras 26 & 31, M. C. No. 3144, 4th February 1856.

or leave of absence on sick certificate, are to specify the time each Officer has been absent on leave within Indian limits, as well as the

time of his previous absence in Europe; but will not include the periods allowed for

proceeding to the Presidency or port of embarkation, and to enable Officers to rejoin their Regiments or stations, after their return to India,

nor the leave of one month's absence in six months as authorized by the Regulations.

The last Pay Certificate of all Officers proceeding to England on sick certificate is to specify the rate of Regimental pay and allowances and Staff salary to which they would have been entitled under the old Regulations if proceeding to Sea on medical certificate.

This information is necessary in order that no difficulty may arise in the Pay Department of the India House in adjusting the several payments which may be due.

10. Leave for one month, granted to officers in civil employ under Section XI amended old Civil Service Absentee Regulations, is not to be deducted from same light as one month in six privilege

11. The period during which Officers may have been or may hereafter be absent on leave for the purpose of accompanying Insane or Sick Officers is allowed to count as service for pension.

12. If an Officer is placed on duty while on leave of absence whether on medical certificate or private affairs he will be allowed to count as service for pension the whole period he may be so employed, i. e., from the date of the order nominating him to such duty to the date of the order relieving him, both inclusive.

APPENDIX.

G. O. G.
2nd Feb. 1864,
No. 45.

4. In accordance with the principle laid down in the 65th paragraph of the General Order of the 10th April 1861, Officers of the new Brigades of Artillery and new Line Regiments ordered to do duty at the Regimental Depot, or with Drafts on the voyage to India, will reckon such duty as service in India for retiring pension. Those doing duty under any other circumstances in this country, will reckon such service in the proportion of one year for two.

Officers of H. M.'s Services.

27. Officers of Her Majesty's Service in India, whether employed Regimentally or in Staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

28. In the case of Officers of Her Majesty's Service on furlough on sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

With reference to para. 29.
M. C. No. 2702, 20th October 1856.

13. An Officer returning from Europe or Sea is allowed to count as service 15 days for preparation at the port of debarkation and marching distance to his Corps or Department in addition.

With reference to para. 29.
M. C. No. 2702, 20th October 1856.

14. An Officer going to Europe or Sea is allowed to count as service in addition to marching distance to the Presidency or nearest port of embarkation, the same period for preparation prior to embarkation as allowed to Officers returning from Europe, viz. 15 days.

With reference to para. 29.
M. C. No. 901, 18th April 1856.

15. Officers obtaining leave preparatory to final leave out of India, but who after arriving at the Presidency or other port of embarkation abandon their intention of leaving the country, cannot reckon as service the period they may have been absent from duty on such preparatory leave which then assumes the nature of ordinary leave in India.

With reference to para. 29.
M. C. No. 2702, 20th October 1856.

16. An Officer who proceeds on furlough to the Presidency or other port (not preparatory to applying for leave to proceed to Europe or elsewhere) and while there obtains a sick certificate to Europe or other place out of India, is not entitled to count as service the period allowed by Regulation for proceeding from the station of his Regiment or appointment to the port of embarkation; but he can reckon as service the period of 15 days allowed at the Presidency or port of embarkation preparatory to embarkation.

With reference to para. 29.
M. C. No. 2702, 20th October 1856.

17. If instead of being at the port of embarkation, he is at another port, or at an inland station, when he obtains the sick certificate to quit India, he will be allowed the time authorized for travelling from the station at which he may be when he obtains his sick certificate, to the port of embarkation.

With reference to para. 29.
M. C. No. 2702, 20th October 1856.

18. If an Officer while absent on ordinary sick certificate in India, quits India on sick certificate, or, who having proceeded on ordinary leave on private affairs in India obtains a furlough out of India, he is entitled to count as service the period allowed for proceeding from the place at which he may be when he obtains leave to quit India, to the port where he ultimately embarks.

Simla, 22nd September 1864.

No. 774 of 1864.—Having taken into consideration the existing facilities for travelling, which are steadily increasing, His Excellency the Governor General in Council is of opinion, that the rules now in force for regulating the periods allowed to Officers and others proceeding, in ordinary course, from one station to another, are no longer suitable or adapted to meet the interests of the service or the general convenience of Officers.

2. G. O. G. No. 770 of 14th September 1853 is therefore cancelled, and the following rules will be observed from the 1st November next:—

3. Officers returning from furlough to Europe or leave beyond sea, or Officers removed from a regiment, appointment, or station, at their own request, or on regimental preparation from the date of arrival, or being struck off duty. On special grounds, this period may be extended to thirty days by the Officer Commanding the Division, District, or Garrison.

4. Every Officer, at the expiration of the period allowed for preparation, is required to join his corps, station, or appointment, by the most expeditious available mode of travelling, and without unnecessary delay on the road.

5. Officers who may be unavoidably delayed by sickness or other circumstances, must report the cause and period of such delay, furnishing medical or other certificates to the Officer Commanding the Station, at or nearest to which such delay may have occurred.

Periods of absence allowed to be counted as Service for Retiring Pensions.

29. In order that all Officers quitting India on furlough, or sick certificate, may be placed on an exact equality as regards loss of time, the period allowed by Regulation for proceeding to the Presidency or to the nearest port of embarkation, as well as the time to enable Officers to rejoin their corps or station after their return to India, will be considered as time counting for service for the retiring pension.

APPENDIX.

6. In very special cases, Officers Commanding Divisions may sanction a slower mode of travelling, either for a part or for the whole of the journey; but any such indulgence, and the reasons for granting it, must be reported at once to His Excellency the Commander-in-Chief, or to the Government, according to the nature of the Officer's employment.

7. This ruling is to be made applicable to all three Presidencies.

Leave of absence, preparatory to furlough, whether on private affairs or on sick certificate, must always be *general*, and not *privilege* leave.

With reference to G. O. G. No. 53, dated 3d February 1860, the Governor in Council directs that, in future, in accordance with the practice in Bengal, leave of absence preparatory to retiring from the service shall always be *general*, and not *privilege* leave.

It is hereby notified that, under a recent ruling of the Government of India, Officers, whose leave may expire after the commencement of General Holidays, will, notwithstanding such Holidays, be required to report, as heretofore, their return to duty on the termination of their leave.

It is notified for general information that under a recent decision of the Government of India, an Officer who had elected (or who, not having before elected, might on his entering the Staff Corps desire to elect) the old furlough Regulations, carries with him into the Staff Corps so much of his service (authorized leave included) as had been passed in Indian limits and no more; and that to

entitle him to retire on the pension of any particular rank he must serve so many more years as would with that service complete the full period of service prescribed for such pension, with the liberty of availing himself, after his entry into the Staff Corps, of the privileged periods* of absence allowed in paragraph 30 of the new furlough Regulations.

For instance a Captain who, on entering the Staff Corps on the 18th February 1861, had served twenty-four years counting as service for retirement under the old rules, and had been absent six years on leave to Europe, would enter the Staff Corps with a capital of service of twenty-four years only; and, before he could retire on the pension of a Lieut. Colonel he would have to serve four years longer, of which three years might be passed on leave.

2. With reference to the foregoing, Officers who at date of entering the Staff Corps had not made election of furlough Regulations are requested now to report under which furlough Regulations they desire that their service to that date may be calculated.

GENERAL ORDERS BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA IN COUNCIL.
Fort William, the 12th May 1862.

No. 520 of 1862.—The following rule which has received the sanction of the Right Hon'ble the Secretary of State for India for calculating the service of Officers who, formerly under the old furlough Regulations, have joined the Staff Corps, and whose service from date of joining that Corps is to be reckoned under the new furlough Regulations, is published for general information and guidance:—

1. Officers having elected (or who not having before elected might, on their entering the Staff Corps, desire to elect,) the old furlough Regulations will carry with them into the Staff Corps so much of their service (authorized leave included) as may have been passed within Indian limits and no more. Before they can retire on the pension of any particular rank they will be required to serve for such further period as will, with that service, complete the full period prescribed for the pension of any particular rank, with the liberty of availing themselves, after

their entry into the Staff Corps, of the privileged periods* of absence allowed by paragraph 30 of the new furlough Regulations.

With reference to paras. 30, 33, 34 and 35, M. C. No. 2961, 2d Nov. 1855, and No. 919, 18th April 1856.

19. An Officer who has served twenty or twenty-four years and not more is only entitled to reckon two years' absence as service. Rule 33 gives the minimum period of service which entitles an Officer so situated to retire on the pension of a Captain or Major; but an Officer who has served beyond those periods is entitled to the benefit of Rule 30 by which extended periods of absence are allowed to reckon, regulated by the length of the Officer's service. For instance, an Officer who has served twenty years, and no more, and had only three years' leave must still perform one year's duty before he can retire as a Captain; whereas an Officer whose aggregate service is thirty years, out of which he has enjoyed leave for fourteen years and no more, can retire as a Captain at once.

out of India, or whether the leave be on sick certificate or on private affairs.

31. With reference to para. G. O. G. No. 1113 of 1857.—The following Extract, paras 18 and 19, of a Military letter, from the Honorable the Court of Directors to the Government of India, No. 126, dated 22d July 1857, are published for general information:—

18. By the Regulations established for the promotion of Lieutenant Colonels to the rank of Colonel after three years' service, it is provided that no longer period than one month in each year, or a total of three months in three years, or six months in six years shall be allowed to reckon, whether the leave shall have been spent in India or out of the country, except in cases of wounds or illness contracted by service in the Field, when each case will be separately considered with reference to the time to be allowed.

Request Court's decision on the question whether leave of absence in or beyond India taken in consequence of wounds received in action shall be allowed to reckon as service for pension both under the old and new Regulations.

In reply to the question now put to us, we have much satisfaction in stating that we are prepared to extend the benefits of the exception above specified to the time required for retirement on full pay. Every claim to the benefit of this exception must be duly certified by a Medical Board, and be forwarded to us for our decision, accompanied by the opinion thereon of the Government and Commander-in-Chief of the Presidency to which the Officer belongs.

No. 32.—With reference to G. O. G. 15th September 1857, No. 290, the Commander-in-Chief desires it to be notified that the privilege of reckoning the time of absence in the period of service required for retirement on full pay is authorized in cases of wounds or illness contracted by service in the Field, duly certified by a Medical Board, when each case will be separately considered with reference to the time to be allowed.

21st Mar. 1859.

In all such cases a specific description is to be given in a report by a Medical Board of the nature of the illness, and of the grounds upon which it is considered that the illness has been contracted by service in the Field.

All such grants of leave should be made for periods not exceeding eighteen months to be extended if necessary.

No. 95.—With the sanction of the Right Hon'ble the Secretary of State for India, His Excellency the Governor General in Council is pleased to notify that, where an aggravation or reproduction of an illness originally produced by service in the field, to such an extent as to necessitate leave of absence, is clearly attributable to exposure or other cause attendant on subsequent active service in the field, such leave may be held to come within the provisions of Government General Order, No. 1113, * dated 1st Sep-tember 1857.

35. Officers to be entitled to retire as Colonels, must have served thirty-two years, out of which leaves of absence for four years in the aggregate, and not more, will be allowed to count as service.

No. 70.—The following Extract from a Despatch from the Right Honorable the Secretary of State for India is published for general information and guidance, with reference to G. O. G. No. 290, dated 15th September 1857, permitting Officers to count as service for retiring pension periods of leave occasioned by wounds or illness contracted by service in the Field.

"Applications for this boon, should not be submitted in cases where the sickness has not been such as to render the absence of the Officer on sick certificate immediately necessary."

The following Military letter from the Right Hon'ble the Secretary of State for India is published for general information:—

MILITARY, No. 193.

INDIA OFFICE, London, 14th June 1868.

To His Excellency the Right Hon'ble the Governor General of India in Council.

Sir.—In accordance with the recommendation contained in your letter, dated the 4th April 1868, No. 139, I authorize you to announce that, in future, all Officers who may be on duty with troops on the voyage to or from India, will be allowed to count the whole of the period during which they may be employed on such duty as service for pension.

I have, &c.

36. The scale for Medical Officers and Veterinary Surgeons, of privileged furlough, and leave of absence as counting for the retiring pension, will be as follows:—

Years.	Months.	
1	8	in 17 and under 20 years' service.
2	9	in 20 " " 25 " "
3	0	in 25 " " 30 " "
4	9	in 30 and upward.

ry indulgence of one month's leave in six months, as authorized by the existing Regulations, and which are in all cases, whether of Regimental or Staff Officers, to be allowed to count as service for the pension. All leave to a greater extent granted by Political and other authorities, which may not hitherto have been published in General Orders must be so announced hereafter.

32. Officers to be entitled to retire on the full pay of their Regimental rank (under the Regulation of 1796,) must have served twenty-two years in India, out of which leaves of absence for two years in the aggregate and not more, will be allowed to count as service for the retiring pension.

33. Officers to be entitled to retire on the full pay of Captains and Majors (under the Regulations of 1835-7,) must have served twenty and twenty-four years respectively, out of which time leaves of absence for two years in the aggregate and not more, will be allowed to count as service.

34. Officers to be entitled to retire as Lieutenant-Colonels must have served twenty-eight years, out of which leaves of absence for three years in the aggregate, and not more, will be allowed to count as service.

35. Officers to be entitled to retire as Colonels, must have served thirty-two years, out of which leaves of absence for four years in the aggregate, and not more, will be allowed to count as service.

36. The scale for Medical Officers and Veterinary Surgeons, of privileged furlough, and leave of absence as counting for the retiring pension, will be as follows:—

37. It is to be distinctly understood, that under no circumstances whatever will an Officer be permitted to retire on full pay, until he has completed the full time of service above specified, whether he be in England at the close of his service or elsewhere.

38. The privileged time of absence may, with the permission of the local Government, be taken at any time subject to these Regulations. If therefore, at the end of twenty-years' service, of which eighteen had been passed on actual duty in India, an Officer should be on furlough, or sick certificate in Europe, or elsewhere, he will be entitled to retire on the full pay of a Captain without returning to India, and so in the other terms of service for the higher pensions. In like manner a Medical Officer on furlough, or sick certificate in Europe, or elsewhere, at the end of seventeen years' service, fifteen years and four months of which had been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pension.

39. These rules do not in any way affect the existing Regulations regarding the grant of leave in India, or for short periods to Sea, whether on private affairs or on sick certificate, except as to the periods of such absence being taken into calculation in the time allowed to count as service for retirement on full pay.

Under instructions from the Government of India, the Governor in Council is pleased to declare that the grant of leave to Officers on medical certificate in India, shall, for the future, be limited, under ordinary circumstances, to one year, subject to extension on fresh Medical Report.

Furlough Regulations of 1868.

Fort St. George, 1st July 1868.

No. 246 of 1868.—The following Extract from General Orders by the Government of India, is re-published:—

Sindia, the 19th June 1868.

No. 613 of 1868.—Under sanction from the Right Hon'ble the Secretary of State for India, the following Rules relative to the absence of Military Officers on leave are substituted for those hitherto in force, and will be applicable to all Officers who elect to adopt them and who belong to the several Indian Staff Corps and to the Indian Army as well as to those Officers of Her Majesty's British Forces in India, who are holding permanent Staff appointments not of a regimental nature.*

Her Majesty's Government will be requested to decide how far the Rules may be considered to apply to other Officers of Her Majesty's British Forces serving in India.

I. The distinction with respect to allowances hitherto drawn between Furlough on Private Affairs and Sick Leave is abolished, both kinds of leave being included under the general term Furlough, provision, however, being made for the obtaining of Furlough, under Medical Certificate, without all the restrictions applicable to Furlough, when taken without Medical Certificate.

II. Leave taken under the Rules now prescribed will not involve forfeiture of appointment, except in the cases herein specially provided for.

III. The Rules now prescribed do not affect the provisions of Act XXXIII of George III, Chapter 52, Section 70: but an Absentee cannot retain his appointment, and draw absentee allowances, except under the Rules now prescribed.† Nor do they affect the regulations by which General Officers can only obtain limited periods of leave without forfeiting their commands.

IV. Leave of Absence will, in future, be of three kinds, viz.:—

I.—Furlough in or out of India.

II.—General Leave on Private Affairs or Sick Certificate in India or short leave to sea.

III.—Privilege Leave.

* NOTE I.—The provision in Rule XI by which Furlough Pay is to be given to Officers absent on Furlough on urgent private affairs not having been before the Secretary of State, is to be considered to be altogether subject to his approval.

† NOTE 2.—The Section referred to is quoted below:—

Section 70.—"And be it further enacted, That no Person who shall have held any Civil or Military Station whatever in India, in the Service of the said United Company, being under the Rank or Degree of a Member of Council or Commander-in-Chief of the Forces, and who, having departed from India by Leave of the Governor-General in Council, shall not return to India within the space of five years next after such Departure, shall be entitled to any rank or Restoration of Office, or be capable of again serving in India, either in the European or Native Corps of Troops or in the Civil Line of the Company's Service, unless in the case of any Civil Servant of the Company, it shall be proved to the satisfaction of the Court of Directors, that such absence was occasioned by Sickness or Infirmary, or unless such Person be permitted to return with his Rank to India by a Vote or Resolution passed by way of Ballot, by three parts in four of the Proprietors assembled in General Court, specially convened for that purpose whereof eight days' previous notice of the time and purpose of such meeting shall be given in The London Gazette, or unless in the case of any Military Officer, it shall be proved to the satisfaction of the said Court of Directors, and the Board of Commissioners for the affairs of India, that such absence was occasioned by Sickness or Infirmary, or some inevitable accident."

CHAPTER I.

Furlough.

V. An Officer drawing Staff Pay in addition to pay of rank, proceeding on Furlough, will be allowed pay at the rate of 50 per cent. of the salary of his substantive office. But an Officer on Civil employ or drawing consolidated salary will be allowed 50 per cent. of the average salary drawn by him for three years prior to his proceeding on Furlough. No absentee shall in either case draw more than £1,200, or less than £250 per annum. The term salary will signify the total amount drawn by an Officer, whether as consolidated pay or Staff allowances in addition to pay, but will not include any extra or special allowances. It is to be clearly understood that an Officer absent on Furlough, who may be transferred to another Office, during his absence, shall be entitled, for the entire period of his Furlough, to pay at the rate sanctioned to him when leaving India, provided that an Officer whose term of office shall lapse, during his Furlough, shall cease to draw his half Staff salary from the date of such lapse. An Officer will also be entitled to the benefit of his promotion to a higher Staff Corps or Regimental rank whilst on Furlough, subject to the maximum limit.

Officers not in Staff employ will receive half the Indian pay of their rank, provided that in no case will an Officer entitled to Furlough receive less than the above minimum of £250 per annum.

NOTE.—The annual allowance of £50 heretofore granted in certain cases to Subalterns will cease to be drawn with reference to the amount fixed as the minimum of Furlough Pay.

VI. All grants of Furlough on Private Affairs are subject to the exigencies of the Public Service, of which exigency the Government is to be exclusively the judge, and to any regulations that may be found necessary for limiting the number of Absentees.

VII. The maximum amount of Furlough on Private Affairs to be taken at any one time, carrying pay and retention of appointment, will be two years.

VIII. A period of at least three years' service after return from last Furlough of not less than one year's duration must be completed before Furlough can again be taken unless obtained under medical certificate (see Rules XIII and XIV.)

IX. An Officer will be eligible for two years' Furlough on the completion of eight years' actual service in India, for a third year after six years' actual service from the date of his return to duty, and for a fourth or fifth year after similar intervals of six years. The grant of Furlough to an Officer eligible for it, will be subject only to the conditions specified in Rule VI. The fact of having taken Furlough on Medical Certificate will not affect the grant of these Furloughs, except as to the condition laid down in Rules VIII, XIII and XVI.

X. An Officer eligible for Furlough need not take the whole amount to which his service entitles him, but may apply for any portion thereof as an instalment; and in that case the balance will remain at his credit in any future computation of the amount of Furlough to which he may be entitled.

Illustrations.

(1).—An Officer who has served nine years in India is entitled to two years' Furlough. He takes only one year, and after his return remains in India for five years. He is then eligible for two years' Furlough as follows:—

Total Service in India.....	14 years.
Furlough due on that Service.....	3 "
Furlough already taken.....	1 year.
Balance for which he is eligible.....	2 years.

(2).—An Officer who has served 20 years in India without taking Furlough is entitled to four years' Furlough. He can only take, however, two years at one time carrying pay, the balance remaining at his credit in any future computation of Furlough to which he may be entitled. He can take that balance after completing three years' service from the date of his return from the first instalment.

XI. Furlough on urgent Private Affairs for six months with pay equivalent to the British regimental pay of his rank to be extended to a year, if necessary, may be granted, when the Officer is not eligible for ordinary Furlough. The said period may form part of the periods of eight and six years referred to in Rule IX.

XII. Subject to State considerations, there will be no restriction as to the places to which an Officer may resort during Furlough.

XIII. Absence on Medical Certificate for a longer period than two years at one time, or departure on such Furlough within three years of the date of return from a previous Furlough of not less than one year, will involve forfeiture of appointment. Such Furlough may, however, be extended to a third year on English pay.

XIV. An Officer not entitled to Furlough, whose health may necessitate his taking it, may under the usual Medical Certificate, obtain such amount as may be duly certified to be necessary for the restoration of his health, but will only receive English Furlough Pay.

XV. An Officer entitled to Furlough, whose health may necessitate his absence from India, will be compelled to take leave as Furlough under Rule IX, but without forfeiting any special advantages of passage money, &c., to which he would be entitled now, if proceeding on Medical Certificate. Any extension of this Furlough, beyond the period to which he may be entitled under Rule IX, will be regarded in all respects, as Furlough on Medical Certificate. Such extension will not be allowed to take effect until the Officer shall have exhausted the entire amount of his available Furloughs on Private Affairs.

XVI. The aggregate amount of Furlough with Pay and retention of appointment, whether on Private Affairs or on Medical Certificate, that may be granted to an Officer during his service, will be limited to eight years.

XVII. If taken in India, Furlough will be reckoned from the date of the Absentee quitting his station to the date of his return thereto; if taken out of India, from the date of the sailing of the vessel in which he may have embarked to the date of his disembarkation in India.

XVIII. Preparatory leave to embark for Europe or elsewhere on Furlough, will be granted for any period not ordinarily exceeding 30 days. Leave to the same limit, to enable him to rejoin on his return from Furlough, will be granted from the date of his disembarkation in India.

XIX. Furlough allowances shall be payable monthly if payment is taken in India; and quarterly, if payment is taken in England.

XX. Advances of Furlough Pay will continue to be made in India to those Officers who desire it, for three months from date of embarkation. Payments in continuation will be made in England on the expiration of six months from that date.

XXI. The Last Pay Certificate issued to each Officer who may be granted Furlough, whether on Private Affairs, or on Medical Certificate, will specify the rate of the pay and Staff salary of his last substantive appointment, and the rate to which he will be entitled in Europe in virtue of Rule V.

XXII. An Officer acting in India for an Absentee will be restricted for the entire period of such acting to the half Staff salary of the appointment in which he may be acting, in addition to the full pay of his rank, and the half Staff salary of his own appointment if he possess one. The Staff salary granted to an Acting Officer will, however, in no such case be less than Rupees 100 per mensem.

Years.	Years.	XXIII. The privilege heretofore granted to Military Officers of counting the proportion of leave noted in the margin as service for Pension, is retained. The periods of service qualifying for Pension remain unaltered.

XXIV. In computing the Furlough on Private Affairs to which an Officer who has already enjoyed some portion of such Furlough will be entitled under these Rules, it will be necessary to deduct the total amount of the Furlough on Private Affairs of which he may have availed himself during his service, from the total periods to which under Rule IX, he can lay claim. The balance will represent the leave to which he will be entitled on the expiration of not less than three years from his last return to duty.

Illustration.

(1).—An Officer who had obtained under the existing Rules, two years' Furlough after ten years' service, returns to India on the date on which this order is promulgated. He accepts its conditions, and serves four years longer in India. On the expiration of that term, he can take one year's Furlough thus—

Total Service in India.....	14 years.

(2).—An Officer of two years' service has proceeded on Sick Certificate to England for twenty months, extended afterwards to two years. He returns, serves six years in India, takes two years' Furlough, and returns to India about the time of the promulgation of these Rules, which he accepts. He must serve six years before he can take an additional years' Furlough, thus—

Total Service up to return from Furlough.....	12 years.
Total Service in India.....	8 "

Further period of Service to entitle him to one year's Furlough.....	6 "

CHAPTER II.

General Leave on Private Affairs and Sick Certificate in India.

XXV. An Officer will be eligible, as at present, to take leave on Private Affairs or Sick Certificate in India, for any period not exceeding six months, at the discretion of His Excellency the Commander-in-Chief, or of the Government under which he may be serving. During the entire period of his absence on this account, the Officer will be entitled, as at present, to his full pay, and a moiety of his Staff salary. Leave taken under this Rule will form no part of the eight years' aggregate Furlough. If this indulgence should be taken advantage of for a third year consecutively, the Officer will lose his Staff appointment.

XXVI. Leave on Sick Certificate for a period exceeding six months, capable of extension, under renewed Medical Certificate, to a limit of one year, may be granted to any Officer who, in the opinion of a Medical Board, may require it. Leave of this nature, taken after the promulgation of these Rules, will be held to constitute a part of the maximum period of eight years' leave of absence to which an Officer is entitled in his entire period of service, but will not be regarded as Furlough, nor will it effect the intervals entitling to furlough laid down in Rule IX. During this leave the Absentee will draw a moiety of his Staff salary in addition to the pay of his rank.

XXVII. Short leave not exceeding three months on Private Affairs or Sick Certificate, may also be taken to sea, on the above condition, but absence from India for any longer period will be treated as Furlough.

XXVIII. All general leave taken in India counts as part of the leave reckoning against service for Pension.

CHAPTER III.

Privilege Leave.

XXIX. Privilege Leave may be granted, as at present, for sixty days in each year, to all Officers in Military employ, without deduction from the salaries and emoluments drawn by them. General Leave, in extension of Privilege Leave, can only be granted on the ground of sickness, or some other serious emergency which could not have been foreseen when the Officer proceeded on Privilege Leave. Privilege Leave may, however, be converted into General Leave with the sanction of the Commander-in-Chief or the Government.

XXX. In the case of the Stations noted in the margin, Privilege Leave may, as at present, be granted for ninety days to Officers of local Corps, or of Corps which are usually employed in one or other of the Districts named.

Assam	Bunnoo
Shillong	Dera Ismael Khan
Erinpoora	Dera Ghazee Khan
Deolee	Rajanpore
Khairwara	Jacobabad.
Khotra	

XXXI. An Officer is at liberty to proceed wherever he may desire on Privilege Leave, provided he can ensure his return before the expiration of his leave.

XXXII. Privilege Leave cannot be taken in continuation of Furlough, nor can Furlough be obtained in continuation of Privilege Leave. If Furlough be obtained by an Officer while absent on Privilege Leave, the Privilege Leave will be converted into General Leave, the Officer for that period sacrificing a moiety of his Staff salary.

Military Officers in Civil Employ.

XXXIII. Military Officers in Civil or Political employ taking leave in India come, as respects periods of leave obtainable and amount of pay to be granted, under the Civil Leave Rules. When they take leave out of India, they come under the Military Leave Rules.

Subsidiary Rule.

XXXIV. Officers of the Indian Military and Medical Services will be required generally to notify their intention to accept these Rules, or to adhere to those now existing, on the first occasion of their taking Furlough or General Leave after the publication of this Order. Officers who may determine to abide by existing Rules, will be allowed to proceed on Furlough on the conditions laid down in Rules VII, VIII and XIII to the extent to which they may be entitled under the Furlough Regulations of 1854, and on the rates of pay contemplated in those Regulations, but retaining their appointments. The principle laid down in Rule XV must, however, be applied in those cases.

The foregoing Rules will take effect from the 1st July 1868, as respects retention of appointments and terms under which leave will be granted, but half Staff allowances will not be available for Officers now on leave in cases where the acting Officer has already come into receipt of the full Staff salary.

Unattached and Warrant Officers.

GENERAL ORDERS BY THE HON'BLE THE PRESIDENT OF THE COUNCIL OF INDIA IN COUNCIL.

Fort William, 6th June 1851.

No. 322 of 1851.—The following paragraph of a Military letter No. 37, from the Honorable the Court of Directors to the Governor of the Presidency of Fort William in Bengal, dated 9th April 1851, is published for general information:—

Reply to letter dated 20th September 1850, No. 159, with reference to former correspondence, forward papers relating to an inquiry made by Ensign (unattached) J. Donnan, as to the rate of retiring pension to which he will be entitled, and request Court's early decision on the question.

Unattached Officers are entitled to the benefits of the general retiring regulations counting from the dates of their first promotion to Commissions. To provide for the claims of such of these Officers as may, in consequence of the length of their previous service, be compelled to retire at earlier dates than are specified in those Regulations, we have resolved to adopt the following additional scale, viz:—

Unattached Ensigns and Lieutenants, compelled by ill health to retire from the service,	
If under 3 years' service as Commissioned Officers.....	2s. 6d. per diem.
If above 3, and under 7 years' service in India as Commissioned Officers.....	3s. per diem.
If above 7, and under 12 years' service in India, as ditto.....	4s. per diem.
If above 7, and under 12 years' service in India, as Commissioned Officers, after 20 years' total service in India.....	5s. per diem.
If above 12 years' service in India as Commissioned Officers, after 30 years' total service in India, with an unqualified right to retire.....	6s. per diem.

Despatch dated 14th April 1862, No. 86.

6. The cases of Warrant Officers, promoted on the Veteran Establishment, who applied to retire from the service, have, until recently, been specially considered, and in almost, if not in every case, the full pay of the Commissioned rank has been granted on retirement.

G. O. G. No. 233.
10th June 1862.

7. When considering an application from an Officer on the Veteran Establishment, now in this country, I observed that, although there were rules for the retirement of Officers holding unattached Commissions (G. O. G. No. 322 of 6th June 1851) there were no rules for the retirement of Officers on the Veteran Establishment. I accordingly decided that to entitle an Officers on the Veteran Establishment to retire on the full pay of his Commissioned rank, he must have served the time which he would have required under the provisions of the retiring Regulations, had he remained in the Warrant grade, to entitle him to the full pay of his former rank in that grade.

G. O. G. No. 385 of 6th March 1856.—The Right Hon'ble the Governor General of India in Council is pleased to direct, that the following paragraphs of a Military letter from the Hon'ble the Court of Directors to the Government of India, No. 2, dated 2d January 1856, be published in General Orders:—

Letter dated 3d September 1855, No. 261.

G. O. G. No. 230
of 15th August
1856.

Letter from Captain Skinner, transferred from the Nizam's Army to an unattached Commission in the Company's Service, requesting information as to the amount of pension he will be entitled to on retirement. The Auditor General's views on the subject recapitulated by Government.

Also No. 266.

Enquiry as to how the new furlough rules are to apply to Captain Skinner, and other unattached Officers.

Para 2.—We concur with the views on this subject which are expressed in the Military Auditor General's Report of the 18th July 1855. Capt. Skinner will be accordingly entitled to count his service for retirement from the date of his first Commission in the Army of His Highness the Nizam. He will be also entitled to the benefits of the new furlough Regulations as an Officer of that standing in the Service.

3. All unattached Officers are entitled to the benefit of the new furlough Regulations from the date of their first commissions.

G. O. C. C. 27th April 1857, No. 16.—The Commander-in-Chief directs it to be notified that by a recent decision of the Government of India, unattached Officers of the Veteran Establishment are allowed the benefit of the new furlough Regulations, and these Officers can take leave in India on the same terms as they did prior to the publication of the new furlough rules.

G. O. C. C., 29th August 1857, No. 44.—The Provincial Commander-in-Chief directs the publication of the following decisions by the Government of India.

A Warrant Officer on the Veteran Establishment is entitled, without loss of Warrant, to the same absentee allowance as if on leave in India, for the first six months of sick furlough, but thereafter, as well as when on furlough on private affairs he is restricted to the furlough pay of his Commission or of his Warrant, whichever may be the superior emolument.

A Warrant Officer holding a Commission on the Veteran Establishment has a footing in the Effective Army in virtue of his Warrant rather than of his Commission and his Warrant being analogous to the Regimental Commission rather than to the Staff appointment of an European Officer, is not forfeited by any furlough which may be granted him, even if it exceed six months on private affairs or fifteen months on medical certificate under the new rules.

G. O. G. G. No. 1559 of 1857.—The following Extract para. 11 of a Military letter from the Honorable the Court of Directors to the Government of India, No. 195, of the 14th October 1857, is published for general information:—

11. Warrant Officers are allowed the same privilege of furlough as Unattached Ensigns and Lieutenants and as Officers promoted to Commissions on the Veteran Establishment, viz., after six years' service as Commissioned or Warrant Officers, and fifteen years' service in India.

Letter dated 15th May 1857, No. 154.

G. O. G. 24th
Dec. 1857, No.
414.

Memorial from Mr. Conductor A. B. Fox, of the Army Commissariat Department, soliciting that modification may be made in the furlough Regulations for Warrant Officers, to meet the cases of those who obtained their Warrant after a lengthened service on the Non-Commissioned grade.

It is now recommended that, in consequence of slowness of promotion, the time required to be served in the Warrant grade may be reduced, in order that those who have served twenty years and upwards in India may be thereby rendered eligible for furlough to Europe. In compliance with your recommendation and that of the late

Commander-in-Chief, we sanction this change as applicable to the several classes above-mentioned.

G. O. G. G. No. 777 of 18th May 1858.—The following Extracts of a Military letter from the Honorable the Court of Directors to the Government of India, No. 71, dated 23d March 1858, are published for general information:—

Letter dated 3d August 1857, No. 267.

G. O. G. No. 214
of 4th June
1859.

4. Question raised by the Madras Government as to the extent to which the Warrants or Staff appointments of Officers having Unattached Commissions or on the Veteran Establishment are affected by the new furlough rules decided.

4. In the year 1854, we sanctioned a rule,* that Unattached Ensigns and Lieutenants should be allowed furlough after six years' service as a Commissioned Officer, and fifteen years' service in India, and that Warrant Officers granted Commissions on the Veteran Establishment should be included in the arrangement. The same advantage was subsequently extended to Warrant Officers.†

5. The rule now laid down by the Government of India is that a Warrant Officer on furlough is entitled, without loss of Warrant, to the same absentee allowance as if on leave in India for the first six months of sick furlough, and thereafter, as well as when absent on private affairs, to the furlough pay of his Commission or Warrant, whichever may be best for him, and that as the appointment he holds is in virtue of his Warrant, not of his Commission, the appointment will not be forfeited by absence on furlough.

6. This decision appears to be quite correct and has our sanction.

The Governor in Council sanctions the indulgence of privilege leave, as granted to Commissioned Officers,* being extended to all Warrant Officers, at this Presidency, excepting those below mentioned, provided their Departmental superiors be satisfied that proper arrangements are made for the performance of their duties during their absence, and that no additional expense to the State is incurred thereby.

2. Warrant Officers of the Public Works Department come under the following rules of that Department:—

G. O. G.
4th Aug. 1863.
No. 273.

G. O. G., 3d February 1857, No. 29, para. 8. "All persons employed in the Public Works Department, may be allowed one month's leave of absence in the calendar year without loss of salary, provided it can be granted without inconvenience to the public service."

3. Medical Warrant Officers employed in the Civil Departments will be granted privilege leave according to the subjoined rule applicable to Uncovenanted Civil Servants.

Revised Rules for leave of absence to Uncovenanted Civil Servants published in *FOUR ST. GEORGE GAZETTE*, 26th June 1863, Supplement.

Para. 16. "Privilege leave, when it can be granted without injury to the Public Service, and without additional expense to the State, may be allowed for not more than one month, in each calendar year—to be taken either in one period or in not more than two instalments. This leave is not allowed to accumulate, and will therefore lapse if not taken within the year."

Invalid Establishment.

Fort St. George, 10th July 1857.

No. 819 of 1857.—The Right Hon'ble the Governor General of India in Council is pleased, under instructions from the Hon'ble the Court of Directors, to promulgate the following rules to be observed at the for further service:—

1. The Invalid Establishment will consist of

1st—The Invalid Battalion.

For Officers who, although disqualified for further active service, are still equal to the discharge of garrison duties.

2d—The Invalid Pension List.

For Officers disqualified for both active and garrison duties.

2. Officers who, from age, wounds, or decline of health, become unfit for active service, are eligible for transfer to the Invalid Establishment, provided their conduct and habits are such as not to affect the character of that Institution, which is designed as an honorable retreat to the worn out or disabled, but deserving Officers.

G. O. C. C.
1st June 1858,
No. 59.

The Commander-in-Chief directs it to be notified, that applications from Officers for transfer at their own request to the Invalid Battalion or to the Invalid Pension List, under the provisions of para. 3 of G. O. G. No. 819 of 1857, (republished in G. O. G. No. 210 of 10th July 1857,) are required to be addressed under their signature to the Right Honorable the Governor in Council in the manner prescribed in para. 3, Section XXI, General Regulations of the Army.

3. Officers who may be desirous of being transferred to the Invalid Establishment, will be required to appear before the Standing Medical Committee at the Head Quarters of the Division, presided over by the Senior Surgeon, or in his absence by the case prepared by the Medical Officer by whom they may have been attended. The Committee is to enquire rigidly into each case, and should it be satisfied of the unfitness of the Officer, it is, in recording its opinion, to certify either that the applicant is "permanently disqualified for the performance of further garrison duties," or that he is "permanently disqualified for the performance of both active and garrison duties," as the case may be.

4. The applicant, if reported equal to the discharge of garrison duties, will then be required to proceed to the Presidency to be finally examined by a Medical Officer to be specially appointed for the purpose, or by a special Medical Committee, as may from time to time be ordered.

5. After this final examination, the report on each case, accompanied by the certificates hereafter specified, is to be forwarded in the usual manner to Army Head Quarters, to be submitted to Government with the opinion of the Commander-in-Chief.

6. In the event of the Commander-in-Chief being led to believe that any Officer's health is so thoroughly lost as to preclude all hope of his being able to perform further active service in India, such Officer shall be directed to appear before the Standing Medical Committee at the Head Quarters of the Division. If the Committee is of opinion that the Officer is permanently disqualified for active Military duties in India, and this opinion is confirmed at the final examination at the Presidency, the Government on receiving a report on the case, which is to be prepared and submitted as directed in paras. 3 to 5, will place the

Officer on the Invalid Establishment, notwithstanding that he may not himself have applied to be transferred from the Effective List. Such transfer will, however, be subject to the approval of the Honorable the Court of Directors; and until the receipt of such approval, no promotions will be made in succession to the Officer so placed on the Invalid Establishment.

No. 52 of 1859.—The following Extract from a Military Despatch from the Right Honorable the Secretary of State for India, is published in General Orders:—

Despatch dated 22d December 1858, No. 47.

Para. 1. It being established by the required medical testimony that Lieutenant Dewar is permanently disqualified for the performance of both active and garrison duties, his removal from the effective List from the date of his embarkation for England is hereby authorized.

G. O. G.
1st Feb. 1859.

Report on the state of health of Lieutenant G. T. Dewar, 50th N. I., and authority requested to transfer him to the Invalid Pension List, from the date of his embarkation for England on sick certificate. Lieut. Dewar's time of service, fourteen months and five days, does not entitle him to retiring half pay. On establishing his claim to the benefit of Lord Clive's Fund, he will be admitted to that advantage.

2. You will understand from this decision that no Officer not entitled to a pension under existing Regulations, should be transferred to the Invalid Pension List.

7. All Officers of and below the Regimental rank of Lieutenant-Colonel, whether they may or may not have served the prescribed period for retirement on full pay, may be compulsorily removed to the Invalid Pension List when they may become wholly unfit for any further service, effective and garrison. The examination of Officers in such cases will be conducted in the manner laid down in para. 6.

8. In the event of an Officer failing, from any cause, whether it be leave on sick certificate in India or otherwise, to join an Invalid Battalion, or other Military duty on which he may be ordered, within two years of his transfer to the Invalid Establishment, except he be absent on furlough on sick leave to Europe, or be nominated to some other public duty, he will, at the expiration of that time, be required to appear before the Medical Committee at the Head Quarters of the Division in which he may be residing, for the purpose of being examined as to his continued fitness for garrison duty. If found unfit at such examination, or at any subsequent examination, which is to be repeated at the end of every two years, he will be transferred to the Invalid Pension List.

9. The Pay and Allowances of Officers hereafter transferred to the Invalid Battalion will be—

	Pay and Indian Allowances.	House Rent.	Total.
Lieutenant Colonel.....	517 14 0	100	617 14 0
Major.....	410 14 6	80	490 14 6
Captain.....	249 1 0	50	299 1 0
Lieutenant.....	145 12 0	30	175 12 0
Ensign.....	107 1 11	25	132 1 11

Extra batta will in no case be allowed, whether the Officer be employed within or beyond 200 miles of the Presidency.

10. Officers on the Invalid Pension List will draw the following consolidated allowance:—

	Per mensem.
Lieutenant Colonel.....	Rupees 200
Major.....	" 170
Captain.....	" 130
Lieutenant and Ensign.....	" 100

Or the rate of full pay pension to which they are entitled at the time of their transfer to the Invalid Pension List.

11. The above rates will be issued as long as the Officers are resident in India. If granted furlough or sick leave out of India, their allowances will be regulated by the rules they may have adopted, but their furlough pay will be according to their rank and for the ordinary duration of such furlough as at present authorized.

12. Officers on the Invalid Establishment are allowed the distinction of wearing the Military uniform.

13. Officers on the Invalid Establishment will retain the rank they held when on the effective strength of the Army, but their transfer will be made only in the rank they held in their Regiments. After removal to the Invalid Establishment, they have no further claim to promotion, but on retirement on full pay, those who may be of, and above, the rank of Captain will receive one step of Brevet rank.

14. Officers on the Invalid Pension List are permitted to reside at any place in India they may choose.

No. 132 of 1858.—With reference to G. O. G. No. 810, 10th July 1857, regarding the transfer to the Invalid Establishment of Officers declared "unfit for further service," the Honorable the Governor in Council, with the sanction of the Government of India, and with adherence to para. 15 of the above G. O. G., is pleased to direct that such Subaltern Officers as may have joined their Battalions, shall receive Passage Money on the terms regulating the allowance to Subalterns of effective Corps.

G. O. G.
1st April 1859.

2. Subalterns on the Invalid Pension List shall receive Passage Money only when proceeding to England on retirement from the service, or for the purpose of retiring from the service.

15. Officers on the Invalid Establishment are eligible to furlough and sick leave out of India, under the new or old Rules, whichever they may have adopted; and leave in India will be granted to Officers of the Invalid Battalion under the same rules as are applicable to effective Officers.

16. Officers on the Invalid Establishment are eligible to hold situations under Government.

17. Officers of the Invalid Battalion may retire on the pension of their rank after the prescribed period of service, or on the pension to which they were entitled on their removal to the Invalid Establishment. Officers on the Invalid Pension List may retire upon the rate of pension to which they were entitled when they joined that Establishment.

The above rules are not to be applied to Officers on the present Invalid Establishment of the three Presidencies.

Promotion of Officers.

G. O. G. No. 740 of 20th May 1859.—His Excellency the Governor General in Council is pleased to direct the publication in General Orders of the following Royal Warrant, received with a letter from the Right Honorable the Secretary of State for India, No. 119, of the 7th April 1859, prescribing rules under which Combatant Officers are to be recommended for promotion in Her Majesty's Indian Military Forces:—
G. O. G. No. 222 of 3d June 1859. Whereas, we have judged it expedient to revise those parts of Our Royal Warrants of the 6th day of October 1854, and 3d day of November 1854, which regulate the promotion and retirement of Combatant Officers in Our Army and Ordnance Corps, Our will and pleasure is, that from the date of this Our Royal Warrant Our Governor General in Council shall govern himself by these Our rules in recommending Combatant Officers for promotion in Our Indian Military Forces.

PROMOTION.

1. That the rank of Field-Marshal be given without reference to seniority.
2. That there shall be a fixed establishment of General Officers, viz.:—

Generals.....	25
Lieutenant-Generals.....	50
Major-Generals.....	145

3. That Colonels may be appointed, without regard to seniority, to command as Major-Generals, with temporary rank; and if they shall have conducted themselves to our satisfaction, such temporary rank, after having been held for five years in peace, or for any shorter period in war, may, upon the recommendation of Our Governor General in Council, be made permanent. That the temporary rank of General and Lieutenant-General may also be given, whenever the convenience of the service requires it, and may be made permanent in a similar manner.

4. That every vacancy on the fixed establishment of General Officers shall be filled by the promotion of the senior Colonel qualified to succeed to the rank of Major-General and to be placed on the fixed establishment, under the regulations now in force; or by a supernumerary Major-General, as provided in Clause 6,

5. That, in addition to the Colonels promoted by seniority to be Major-Generals and those promoted after having held temporary rank under the Regulation in Clause 3, Colonels shall be eligible for promotion to the rank of Major-General, and Major-Generals to the rank of Lieutenant-General, and Lieutenant-Generals to the rank of General, for distinguished services in the Field.

In the case of Officers promoted to the rank of General Officers, as a reward for distinguished service in war, the recommendation, in which the service of the Officers shall be detailed, shall be published in the General Orders of Our Indian Military Forces, and in the *London Gazette*.

6. That all Colonels promoted to be Major-Generals after five years' employment in responsible commands with the temporary rank of Major-General under the provisions in Clause 3, and all Colonels promoted to be Major-Generals for distinguished service in the Field, shall be placed on a supernumerary list of Major-Generals, and shall not be reckoned as part of the fixed establishment until the time when they would have attained the rank of Major-General by seniority; that is to say, until the Colonel who originally stood next senior on the Colonels' list to the Officer promoted out of his turn has become a Major-General, after which the next vacancy will be filled by the transfer of the supernumerary Major-General to the fixed establishment. The Major-Generals who have already been promoted out of their turn, and would not yet have succeeded to that rank by seniority, shall be considered as coming under this rule.

The supernumerary Major-Generals, when absorbed into the fixed establishment, shall preserve the seniority which they acquired when, after a period of qualifying service with temporary rank they were first confirmed as permanent Major-Generals on the supernumerary list, and shall rise by that seniority to be Lieutenant-Generals in succession. General Officers promoted for distinguished service in the field will take their seniority from the date of their promotion, as stated in the *London Gazette*.

7. That three separate lists of General Officers be inserted in the Army List of Our Indian Military Forces, the first containing the names of those on the fixed establishment; the second, those who, having been promoted out of their regular turn, are supernumerary to the fixed establishment; and the third, those who have retired from the service with the honorary rank of General Officers.

8. That the rank of Colonel be given to Officers, after serving for five years with the rank of Lieutenant Colonel, in the actual command of Regiments, or for the same period as second Lieutenant Colonels of Regiments, or on the Staff, in the following situations:—viz., Adjutant-General, Quarter-Master General, Deputy Adjutant-General, Deputy Quarter-Master General, Secretaries to the Government of India in the Military and Public Works Department, Secretaries in the Military Department to the Governments of Madras and Bombay, to the Chief Commissioner of the Punjab, the Commissioner in Mysore, and the Resident at Hyderabad; Judge Advocate General, Commissary General, Deputy Commissary General, Inspector General of Ordnance, Superintendent of the Ordnance Manufacturing Department, Chief Engineer, Superintending Engineer, Surveyor-General of India, subject always to the approval of the Governor in Council and Commander-in-Chief of the Presidency to which the Officer belongs.

9. That Regimental Majors, who are Brevet Lieutenant-Colonels, falling into the Command of Regiments in the absence of the Lieutenant-Colonel, shall on attaining the rank of Regimental Lieutenant-Colonel, reckon the period commencing from the completion of the first month of such temporary command, of part of the five years required to qualify for the rank of Colonel.

10. That the rank of Colonel be given to Officers who obtain the rank of Brevet Lieutenant-Colonel for services in the Field, after eight years of actual service with that rank.

11. That in cases where a Regiment may be so divided as to constitute two distinct commands, and one portion may be under the command of the Regimental Major, who is also a Brevet Lieutenant-Colonel, and in cases where a Brevet Lieutenant-Colonel may be in command of a mixed force of different Corps, a discretionary power shall be vested in our Commander-in-Chief in India, subject to the approval of Our Governor General of India in Council, to allow such service, or portions of such service, to count as part of the qualifying period for promotion to the rank of Colonel.

12. That Lieutenant-Colonels appointed to Civil situations under Government on or after the date of this Our Royal Warrant shall be promoted to the rank of Colonel after eight years' service in the former rank, provided the nature of the Civil appointment be considered by our Governor General of India in Council and Commander-in-Chief in India calculated to give the Officer such practical experience as may afterwards prove advantageous to the Corps or Service to which he belongs.

13. That Field Officers, commissioned as such before the 20th June 1854, be allowed to rise by Brevet as heretofore; but no Officer promoted to the rank of Field Officer on or after that date, is hereafter to rise from the rank of Lieutenant Colonel to that of Colonel, otherwise than by five or eight years' service in the former rank, as provided in Clause 8, or as a reward for distinguished service, or by appointment to be Queen's Aide-de-Camp—except under the special provisions in Clauses 9, 10, 11 and 12.

14. Lieutenant-Colonels, who held that rank prior to the 20th of June 1854, shall be promoted by a special Brevet to the rank of Colonel,—commissions to bear date the 28th November 1854; and such of the said Lieutenant-Colonels as have been passed over by Officers who have attained the rank of Colonel, in conformity with the provisions of Our Royal Warrants of the 6th October and 3d November 1854, shall be restored to the respective places which they would have occupied as Colonels, had they been promoted in ordinary succession under the system of periodical Brevets.

15. That promotions shall be made from Captain to Major, and from Major to Lieutenant-Colonel, in succession, as vacancies occur in the Major-General's fixed establishment.

16. That any Captain, Major, or Lieutenant-Colonel may be rewarded by Brevet promotion for distinguished services in the Field.

17. That the commands of General Officers, and other situations on the Staff both at home and abroad, shall not be held for more than five years, unless by re-appointment under special circumstances.

Given at Our Court at Windsor, this thirty-first day of January 1859, in the Twenty-second Year of Our Reign.

By Her Majesty's Command,

STANLEY.

G. O. G. G. No. 1537 of 15th November 1859.—The following paragraphs of a Military letter from the Right Honorable the Secretary of State for India, No. 279 of the 19th August 1859, are published for general information:—

Having submitted to the General Commanding-in-Chief certain questions as raised by your Government in view to ascertain the practice in such cases in Her Majesty's British Army, I have received the following replies:—

Question.

1st. Whether the period occupied by a Lieutenant-Colonel in joining his Regiment or appointment after his return from leave beyond sea should be reckoned in the qualifying period.

"Several similar cases have occurred in Her Majesty's British Army, and it has been ruled that an Officer so circumstanced must serve other two years to complete the period of five years prescribed in the Warrant of October 1858, and no allowance of time is conceded with reference to the near completion of the three years under the Warrant of October 1854, when the new Warrant came into operation."

2. The practice in promoting Officers to the rank of Colonel in Her Majesty's Indian Forces must be regulated accordingly.

G. O. G. G. No. 1698 of 23d December 1859.—The following paragraph of a Military letter from the Right Hon'ble the Secretary of State for India, No. 374, of the 20th October 1859, is published for general information:—

2. The phrases "Superintendent of the Ordnance Manufactory Department" and "Military Superintendents of the Manufacturing Departments of the Army" in the 8th Clause of the Royal Warrant, dated 31st January 1859, are intended to include, and any other similar appointments, except Superintendent of Army Clothing.

Letter dated 24th June 1859, No. 92. Requesting instructions on certain points connected with new Warrant regarding promotion, dated 31st January 1859.

Supt. of Gun Foundry, Agent for manufacture of Gun Powder, Agent for Gun arriages, and any other similar appointments, except Superintendent of Army Clothing.

G. O. G. G., *Camp Poonceput, the 9th January 1860.*—The following Extract from Despatch, No. 419, dated the 24th of November 1859, from the Right Honorable the Secretary of State for India, is published for general information:—

"Her Majesty's Government have decided that the appointment of Assistant Adjutant General of the Army and of Assistant Adjutant General of Artillery shall be added to the list of Officers enumerated in the 8th Clause of the Royal Warrant of 31st January 1859, as qualifying Lieutenant-Colonels for promotion to the rank of Colonel in Her Majesty's Indian Forces."

No. 161.—Under the authority of the Right Hon'ble the Secretary of State for India, concurred in by His Royal Highness the Field Marshal Commanding-in-Chief and the Secretary of State for War, His Excellency the Governor General in Council is pleased to add to the situations specified in the 8th Clause of the Royal Warrant* of the 31st January 1859, the appointment of Military Secretary to the Viceroy and Governor General of India, as qualifying for the promotion of Lieutenant-Colonels to the rank of Colonel in the Army.

G. O. G. G., *Camp Dinanuggur, 21st March 1860.*—Under instructions from the Right Hon'ble the Secretary of State for India, His Excellency the Governor General is pleased to announce for general information, that the orders requiring Staff appointments to be vacated after five years' tenure, are not intended to apply to Officers serving with Irregular or Regimental duties.

Under the same authority, the operation of the rule requiring the vacation of appointments is altogether suspended until further orders.

G. O. G. G. No. 225 of 10th March 1861.—With reference to the Government General Orders noted in the margin, the following Military letter from the Right Honorable the Secretary of State for India, is published for general information and guidance:—

No. 940, dated 18th September 1860. No. 118, dated 18th February 1864.

From H. M.'s Secretary of State for India, to the Right Hon'ble the Governor General of India in Council, No. 27, dated 30th January 1864.

Sir,—Referring to my Despatch dated 31st December 1863, No. 446, on the subject of promotion to the rank of Colonel under the 8th Clause of the Royal Warrant of the 31st January 1859, I have to inform you, that a communication now received from the Horse Guards states that the Secretary of State for War has brought to the notice of the Field Marshal Commanding-in-Chief that the qualifying period in the rank of Lieutenant-Colonel previously to obtaining the rank of Colonel was extended from three to five years, with the express view that no deductions from that period were to be made on account of leave of absence. His Royal Highness in consequence sees the necessity of rectifying the position of all Colonels promoted since October 1858, who may have had their promotion retarded by the practice of limiting the leave of absence to fifteen months in the five years.

2. A similar course is to be adopted by your Government with respect to all Colonels of Her Majesty's Indian Forces promoted under the Royal Warrant of 31st January 1859, whose promotion may have been retarded, under the restriction with regard to leave of absence published in General Order, dated 18th September 1860, No. 940.

G. O. G. 1st April 1861, No. 130.

Under instructions from the Right Hon'ble the Secretary of State for India, concurred in by His Royal Highness the Field Marshal Commanding-in-Chief, His Excellency the Governor General in Council is pleased to notify, with reference to Government General Order, No. 740, dated 20th May 1859, that the time passed by a Major and Brevet Lieutenant-Colonel in proceeding from the command of one regiment to that of another, the removal having been ordered on public grounds, is to count in full for promotion to the rank of Colonel, under Clause 9, of the Royal Warrant of the 31st January 1859.

No. 797 of 1868.—The following Military letter from the Right Hon'ble the Secretary of State for India, is published for general information:—

MILITARY, No. 254. INDIA OFFICE, London, 16th July 1868.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—I have submitted, for the opinion of His Royal Highness the Field Marshal Commanding-in-Chief, your letter No. 113 of 23rd March last, and its enclosures, relative to a representation from of the Madras Staff Corps, against the post-dating of his Commission as Colonel, and those of Officers similarly situated, with reference to Despatch No. 115 of 31st May 1866, which declared that the period during which an Officer not a substantive Lieutenant-Colonel is absent from his Command on any account whatever, can only be allowed to reckon as qualifying for the rank of Colonel under the eight years' rule.

2. I have been informed by His Royal Highness in reply, with reference to the provision of the Royal Warrant upon that point, that, in the case of a Major and Brevet Lieutenant-Colonel holding a qualifying staff appointment, it has been ruled that temporary leave of absence shall reckon toward his Colonelcy under the five years' rule, but that, in the case of an Officer of the rank of Major and Brevet Lieutenant-Colonel whilst absent from a Regimental Command, such period of absence is not allowed to reckon under the five years' rule.

I have, &c., (Signed) STAFFORD H. NORTHCOTE.

G. O. G. G. No. 954 of 21st September 1860. The following paragraph of a Military letter from the Right Honorable the Secretary of State for India, No. 360, of the 16th ultimo, is published in General Orders:—

"A reference on the subject having been made to the General Commanding-in-Chief, it has been ruled that leave of absence taken by a Brevet Lieutenant-Colonel who has obtained that rank for service in the Field, is to reckon as part of the eight years' service required under the Royal Warrant of the 31st January 1859, to qualify for the rank of Colonel."

No. 11 of 1863.—The following Military letter from the Right Honorable the Secretary of State for India, No. 436, dated 25th November 1862, is published for general information and guidance:—

Military. INDIA OFFICE, LONDON, 25th November 1862.

TO HIS EXCELLENCY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL. MY LORD,—The provisions of the Circular Memorandum from the Horse Guards, dated 24th August 1860, No. 61, quoted in the margin, are to be in future adopted for Officers in the Indian Armies. Your Government will accordingly issue a Notification to this effect in General Orders.

Horse Guards, S. W., 24th August 1860.

"It has been directed by the Secretary of State for War, with the concurrence of His Royal Highness the General Commanding-in-Chief, that Captains having Brevet rank as Field Officers, at present holding 'staff situations as pointed out by the 5th Clause of the Royal Warrant of the 14th October 1858, are permitted to count their services in those 'situations towards the rank of Colonel, but no Captain holding Brevet rank of Field Officer, who may in future be appointed to such situations, will be allowed to count his services in them towards the rank of Colonel."

I have, &c., (Signed) C. WOOD.

Fort William, 7th January 1864.

No. 14 of 1864.—The following paragraphs of a Military letter from the Right Honorable the Secretary of State for India, No. 408 of the 30th November 1863, are published for general information:—

I have received and considered in Council the Military letter from the Governor General dated 29th August last, No. 89 A, on the subject of the adoption, as regards Major-Generals of the Staff Corps, of the provisions of the Royal Warrant of 5th November 1860, which modifies, in favor of Officers promoted for service in the field, Clause 27 of the Royal Promotion Warrant of the 14th October 1858.

2. Previously to the receipt of his Lordship's letter, I had determined that the time passed by an Officer on leave of absence, rendered necessary by ill-health contracted on service, or in consequence of a wound received in action, shall be allowed to count towards the six years' service in the substantive rank of Field Officer required by the rule laid down in my Despatch dated 3rd December 1861, No. 467 (19), to entitle an Officer of the rank of Major-General to the unattached pay of that rank. Colonel C. Read, C. B., Aide-de-Camp to the Queen, is to have the benefit of this alteration.

3. I now authorize you to introduce the rule sanctioned in the Royal Warrant of 5th November 1860, and to declare an Officer of the Staff Corps who has been, or shall be hereafter, promoted to the rank of Field Officer by brevet for service in the field, who shall continue to serve uninterruptedly, on full pay, from the date of his promotion by brevet to the date of his obtaining the rank of Major-General, to be entitled to the unattached pay of that rank, notwithstanding he may not have served six years with the regimental rank of Field Officer with a Regiment, or in one of the situations specified in Clause 8 of the Royal Warrant of 31st January 1859.

G. O. G. 26th Jan. 1864, No. 31.

Fort William, the 10th February 1864.

No. 117 of 1864.—The following Military letter from the Right Honorable the Secretary of State for India is published for general information :—

From Her Majesty's Secretary of State for India, to the Right Hon'ble the Governor General of India in Council, No. 445, dated 31st December 1863.

SIR,—I have received and considered in Council your Excellency's Military letter* No. 56A, dated 29th July 1863, forwarding applications from the Officers Commanding the Guide Corps, 1st and 2nd Punjab Cavalry, and 2nd Punjab Infantry, soliciting that the period passed in command of Regiments of the Punjab Irregular Force may be considered as qualifying an Officer for promotion in the rank of Colonel, in like manner as such command counts in Native Regiments of any description under the orders of His Excellency the Commander-in-Chief.

2. My attention has been already drawn to this subject by your proceedings in the Military Department, Nos. 214 and 215 of the 5th March last, wherein it appears that the claim of a Lieutenant Colonel of the Bombay Army to promotion under the Warrant was considered subject to the inquiry as to whether the Regiment he commanded was or was not under the orders of the Commander-in-Chief; and I was, prior to the receipt of the Governor General's letter now under acknowledgment, in communication with His Royal Highness the Commanding-in-Chief on the subject.

3. I observe that the wording of my reply to the inquiry contained in the 7th paragraph of your letter, No. 83 of 17th June 1859, may have led to a misapprehension of the intention of Her Majesty's Government, and of His Royal Highness the Field Marshal Commanding-in-Chief, upon this point.

4. In the paragraph referred to, your Government desired "to be informed whether the command of Irregular and Local Regiments is to be still considered as qualifying for promotion to the rank of Colonel;" and a reference having been made to the General Commanding-in-Chief on this subject, it was stated in reply "That His Royal Highness considers that the command of Local or Irregular Regiments, if held by an Officer with the rank of Lieut.-Colonel, may qualify for the rank of Colonel under the provisions of the Warrant."

5. There were, however, two descriptions of Native Forces, with a Regimental organization, viz., the 1st Military, consisting of Regiments employed on duties of a strictly Military character; and 2nd, the Police, consisting of Irregular bodies, which, though having a Military organization, were ordinarily employed upon Civil and Police duties.

6. It was not intended that the command of a Corps of the latter description should qualify for promotion under the 8th Clause of the Royal Warrant, and it was with a view of drawing a distinction between the two descriptions of Force to which I have referred, that the words "under the orders of the Commander-in-Chief," which did not occur either in your letter or in that of the Military Secretary to His Royal Highness, but which were adopted as expressing in a few words the distinction which it was intended to make, were inserted in my reply to your reference.

7. While the object of the distinction was to exclude Officers of Police Battalions from the operation of the 8th Clause of the Warrant, it was not intended to exclude from the privilege conferred by it, Officers Commanding Regiments of a strictly Military character, whether serving directly under the Commander-in-Chief, or placed, for reasons of State policy, under the Civil Government.

8. I request, therefore, that the terms of your Order No. 39 of 1859, which would seem to exclude from the benefit of Clause 8 of the Royal Warrant, Officers Commanding Regiments or Forces of the latter description, may be modified, and that the rule, as now explained, may be applied, with retrospective effect, to such Officers as may be already entitled to promotion to the rank of Colonel under its provisions.

9. Under the operation of this order, the Punjab Force, the Hyderabad Contingent, and all such bodies of Troops will be considered as forming a portion of the Standing Army, and Officers serving with those Forces will be entitled to all the privileges regarding promotion granted to the Officers of the Army at large, by the usage of the service, or under the provision of the Royal Warrant.

No. 118 of 1864.—The following Military letter from the Right Honorable the Secretary of State for India is published for general information :—
From Her Majesty's Secretary of State for India, to the Right Hon'ble the Governor General of India in Council, No. 416, dated 31st December 1863.

SIR.—With reference to my Despatch, No. 436 of 25th November 1862, I have to inform you that the rule laid down in a Circular from the Horse Guards, No. 61 of the 24th August 1860, extends to all Officers holding the rank of Captain regimentally with the Brevet rank of Lieutenant Colonel, who may be serving in positions qualifying for promotion to the rank of Colonel, under the 8th Clause of the Royal Warrant of 31st January 1859.

2. It is therefore to be considered as applying to Officers of that rank holding the command of Regiments in the Indian Army.

3. A Captain and Brevet Lieutenant Colonel appointed to the command of a Regiment before the publication in General Order of the Horse Guards' Circular of the 24th August 1860, count his period of command as qualifying service for the rank of Colonel, but a Captain and Brevet Lieutenant Colonel appointed to a similar Command subsequent to the publication, would not so count it.

No. 58 of 1865.—The following Military Letter from the Right Hon'ble the Secretary of State for India, No. 377, dated the 25th November 1861, and the Abstract of Rulings therein referred to, are published for general information :—

The principle of the Rules will apply to Officers of the Indian Army holding qualifying appointments as well as to Officers of the Staff Corps, similarly situated and whose

promotion to the rank of Colonel is not provided for under paragraph 2 of the Staff Corps Warrant :—

SIR,—With reference to my Despatch, No. 27, dated 30th January 1864, I have to acquaint you that as it has been determined that no deduction from the period of five years' service qualifying for the rank of Colonel is to be made on account of leave of absence taken by Lieutenant Colonels generally, the same rule is to be made to apply to the promotion of Lieutenant Colonels of the Staff Corps, under the Royal Warrant of 16th January 1861.

No. 1074, 26th Nov. 1861.
No. 494, 2nd May 1862.

From H. M.'s Secretary of State for India, to the Right Honorable Governor General of India in Council, No. 26, dated 30th January 1864.

SIR,—My letter dated 8th October 1861, No. 389, informed you that it had been determined that Officers holding the rank of Colonel and Lieutenant Colonel regimentally in the Royal Artillery were not, in future, to be seconded when holding Civil situations. My Despatch of the 24th March 1862, No. 124, further informed you that the Supernumerary vacancies occurred, and directed that a similar rule should be established with regard to the Indian Brigades.

2. Circumstances have hitherto prevented the carrying out this intention in the Royal Artillery, and the measure has, in consequence, been suspended, as respects the Indian Artillery also.

3. I am now informed that it is determined that the absorption of the Supernumerary Field Officers of the old Brigades shall commence on the 1st April next, and that with this prospect in view, the Field Marshal Commanding-in-Chief has commenced the discontinuance of the practice of placing Field Officers of Artillery on the Supernumerary list.

4. The absorption of the Field Officers in the new Brigades will not be commenced until the process is completed in the old Brigades, but no Field Officers of either Brigade will be placed on the Supernumerary list after this date.

5. It is understood that the absorption of the Field Officers will be effected in the manner indicated in my letter, dated 24th March 1862, No. 124, by making only one promotion for every three vacancies.

The following Extract from General Orders by the Government of India, is re-published:—

PROMOTION TO COLONEL.—QUALIFYING SERVICE.

No. 586 of 1867.—The following Despatch from the Right Hon'ble the Secretary of State for India, is published for general information:—

MILITARY,
No. 119.

INDIA OFFICE.
London, the 25th April 1867.
To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR.—Para. 1. With your Military letter No. 39, dated 28th February, paragraph 2, you transmit correspondence relative to qualifying service for promotion of Majors and Brevet Lieutenant-Colonels under the Royal Warrant of 31st January 1859.

2. As the Commander-in-Chief considers the point raised open to question, you state you are desirous of being informed whether the decision contained in your Officer-at-Arms's letter No. 539, dated 11th February, is accurate, viz., that no portion of the time passed on leave by a Major and Brevet Lieutenant-Colonel (for field service) Commanding a Regiment, can count as qualifying service for promotion to Colonel under the provisions of Clause 10 of the Royal Warrant of 31st January 1859.

3. The clause referred to is as follows:—
"That the rank of Colonel be given to Officers who obtain the rank of Brevet Lieutenant-Colonel for services in the field after eight years of actual service with that rank."

4. When the period qualifying the Lieutenant-Colonel for the rank of Colonel which had been fixed by the Royal Warrant of 31st January 1859, was respectively raised by the Warrant of 1859, the period of 8 years and 1 year, it was understood that no deductions from the entire period were to be made on account of leaves of absence. It was subsequently determined, however, that in respect of Lieuten-

nant-Colonels in India, a limit should be placed "on the period of absence to be reckoned as part of the five years qualifying for promotion to Colonel; and that fifteen months, being one-fourth of the whole period of five years, will be the term allowed, exclusive of leave obtained on medical certificate in consequence of wounds received in action."

5. This Regulation was to apply both to Her Majesty's British and Indian Forces serving in India.

6. Very shortly afterwards your Government were informed that, on a reference to the General Commanding-in-Chief, it had been ruled that leave of absence taken by a Brevet Lieutenant-Colonel who had obtained that rank for service in the field, was to reckon as part of the eight years' service required, under the Warrant of 31st January 1859, to qualify for the rank of Colonel. This decision was published in orders by your Government on the 21st September 1860.

7. You were informed recently that the practice under which leave of absence had been deducted from the five years' qualifying period, was to cease; and that the Field Marshal Commanding-in-Chief had seen the necessity of rectifying the position of all Colonels promoted since October 1858, who might have had their promotion retarded by the practice of limiting the leave of absence to fifteen months in the five years.

8. Your Government were directed to adopt a similar course in respect to the Colonels of Her Majesty's Indian Forces.

9. Your Government will thus observe that, although a limit was at one time placed on the leave of absence to be taken by a Lieutenant-Colonel qualifying under the five years rule, it has at no time been intended that any deduction on account of leave of absence should be made from the service of the Brevet Lieutenant-Colonel qualifying under the eight years rule, under Clause 10 of the Royal Warrant. The only qualification required under this Clause is, that an Officer should continue to serve on full pay for the period of eight years from the date on which he obtained the rank of Lieutenant-Colonel for service in the field.

10. The questions put by Sir William Mansfield to your Government, were as follow:—

1st.—Whether the period passed on leave by a Major and Brevet Lieutenant-Colonel Commanding a Native Regiment, is to be reckoned under Clause 10 of the Royal Warrant of 31st January 1859?

2nd.—Whether leave of absence, which has been allowed to count as service for pension, is to be deducted from the qualifying service of Captains and Majors holding command of regiments with the army rank of Lieutenant-Colonel?

11. With regard to these questions I have to remark as follows:—

12. Under the decision communicated to your Government on the dates noted in the margin, the command of Native Regiments held by substantive Majors being Brevet Lieutenant-Colonels, is to qualify for promotion to the rank of Colonel under the

five years rule, in accordance with the provisions of Clause 9 of the Royal Warrant. Under the rulings of the Secretary of State for War, published in Orders in India on 13th January 1865, in respect to Clause 9, a regimental Major being a Brevet Lieutenant-Colonel, can only count the period he actually held command of a regiment towards the five years. On ceasing to exercise the command, he would, if a Brevet Lieutenant-Colonel for service in action, be in the same position as the Captain and Brevet Lieutenant-Colonel referred to in Sir Charles Wood's Despatch of 17th November 1864, No. 356, paragraph 5, that is, he would revert to the 10th Clause of the Warrant whilst on leave. The decision of the Field Marshal Commanding-in-Chief to this effect was communicated to you in Lord de Grey's Despatch dated 31st May 1866, No. 115. In this Despatch you were informed that, by the rules which govern the promotion of officers of the British Service, the period during which an Officer, not a substantive Lieutenant-Colonel, is absent from his command on any account whatever, can only be allowed to reckon as qualifying for the rank of Colonel under the eight years rule.

13. The privilege under which leave of absence is, in certain cases, allowed to count as service for pension, relates to retirement on full pay only, and has no bearing on promotion under the Royal Warrants.

I have, &c.,
(Signed) STAFFORD H. NORTHCOTE.

Under instructions from the Right Honorable the Secretary of State for India, and in accordance with the rule which obtains in the British Army, mixed qualifying periods of service for promotion to the rank of Colonel when there happen to be fractions of days will be computed as follows:—

The five years will be considered as completed if the number of days, together with the fractions of days, amount to more than 1,825 days, but another day's service will be required if the fraction in the total is only equal to, or less than, half a day.

Royal Warrant.

G. O., para. 101. 5. Officers of the Staff Corps holding Military appointments will take Military command according to their Army rank; but Officers whilst holding only Civil appointments will not be entitled to assume such command.

By Her Majesty's Command.

(Signed) CHARLES WOOD.

Staff Corps.

66. The organization and regulations of the Staff Corps to be formed in the several Presidencies are given in full detail in the Royal Warrant and the Despatch No. 27, now published.

Royal Warrant, Clause 1, Despatch 27, para. 6. The object of forming the Staff Corps is to supply a body of Officers for service in India, by whom various offices and appointments, hitherto held by Officers borne on the strength of the several Corps of Indian Forces, shall in future be held; it having been resolved that the practice of withdrawing Officers for such employment, while remaining on the strength of their Regiments, be discontinued, and that ultimately all Officers selected for such employment be transferred to Staff Corps.

67. These Corps will be denominated the Bengal, Madras and Bombay Staff Corps respectively, and will consist of such Officers as may be required for employment therein, and may be selected by the Governments of the several Presidencies, with the approbation of the Secretary of State for India in Council.

Royal Warrant, Clause 1, Despatch 27, para. 6. 68. Officers of the British and Indian Armies now or Staff employ in India, not having the substantive rank of Colonel, are eligible for admission to the Staff Corps; and Officers of either Service under the rank of Field Officer, not now on the Staff, may, now or hereafter, become candidates.

69. Officers at present holding Civil and Political appointments of every description, and appointments in all Public Offices and Departments; Officers holding Military appointments on the General and Personal Staff, and the appointments of Commandant, second in Command, and Adjutant of Irregular and Local Corps; of Adjutant and Interpreter and Quarter Master of existing Local European and Native Regiments; will be held to be now on

Staff employ, and will be eligible, under the conditions hereafter noted, to have their names placed on the list of the Staff Corps; but Officers doing duty with Irregular and Local Regiments will not be regarded as being now in Staff employ.

70. So soon as the proposed changes in the organization of the Regular Native Regiments shall have come into operation, the whole of the Officers who will be permanently attached to them will be held to be on Staff employ.

Despatch 27, para. 6. 71. There will then be, as at present, two great divisions of employment for Officers of the Staff Corps:—

1st. Purely Military, as in Regiments of the Native Army.

2nd. Various Civil appointments, as Political, Public Works, &c.

There will also be practically many sub-divisions of employment, for each of which there will be, as at present, separate Departmental Lists.

72. Officers of the Indian Army now holding Staff appointments of any description, will have the option of joining the Staff Corps if they do not possess the substantive rank of Colonel, or of continuing in Staff employment, whatever their Regimental rank, without joining the Staff Corps; and in the latter case they will not, as heretofore, be required to vacate their appointments on the attainment of a certain Regimental rank. This paragraph does not affect the provisions of paragraph 45.

73. Officers of the Indian Army not now on the Staff, nor having the substantive rank of Colonel, but who within the last three years, or who, at the commencement of their present unexpired furlough, may have served permanently on the Staff, and who may make application within the next six months, will be considered eligible to join the Staff Corps on the same terms as those now on Staff employ; provided always that they have passed the prescribed examination in Hindiostance, and that they did not lose their appointments through misconduct, and are not otherwise disqualified.

Royal Warrant, Clause 2, Despatch 27, para. 26. 74. Officers of the British Army, now in Staff employment, will have the option of declaring their desire to be transferred to the Staff Corps, with the consent of the Commander-in-Chief in India, within six months from the date of the notification of the Royal Warrant in India; or of retaining their appointments on their present footing, if their services are required by Government, for the unexpired portion of a period of five years from the date of their appointment, unless the Regiments to which they belong shall be previously removed from the Indian Establishment.

75. Those whose tenure of Staff appointments, at the time of transfer to the Staff Corps, shall have exceeded one year, will not be subjected to probation, or to any introductory test other than those already prescribed for any department in which they may be serving; but Officers who may have held their appointments for less than one year will not be transferred permanently to the Staff Corps unless they possess the requisite qualifications, to be hereafter laid down, and shall have completed the period of probation to be prescribed. The option of joining the Staff Corps will be open to those Officers only who may be considered by the Governments under which they are serving to be in all respects fit for the Staff Corps.

Despatch 27, para. 16. 76. Appointments on the General Staff of the Army specified in the margin, can only be held for five years; they may be held by Officers of the Staff Corps, or by other Officers of either Army, but will be subject henceforward to the limitations as to rank, which are laid down in "the Queen's Regulations and Orders for the Army," in Clauses 30 to 33 of the Section entitled "Duties of General and other Officers employed upon the Staff of the Army."

Despatch 27, para. 15. 77. Officers now holding such appointments will not be required to vacate them for a period of two years from this date, or a period of seven years from the date of their appointment.

78. Officers not having the substantive rank of Colonel, now holding appointments on the Staff, as defined in paragraph 68, will at once be called upon to declare whether or not they desire to join the Staff Corps, to enable such Officers to avail themselves of the advantages in the way of promotion, notified in paragraphs 84 and 85, they must communicate their decision to the Adjutant General within six months of the date of the publication of the Royal Warrant in India.

Despatch 27, para. 26. 79. The selection of Officers hereafter, for the Staff Corps, will rest with the Governments in India, but no Officer serving with any Regiment will be admitted on probation without the consent of the Commander-in-Chief, or without a certificate from the Commanding Officer of his Regiment, that he has efficiently performed his Regimental duty for the period prescribed in paragraph 80.

Despatch 27, para. 20. 80. For the future, Officers not on the Staff will not be eligible for the Staff Corps unless they be below the rank of Regimental Field Officer, and have served three years with a Regiment, of which two must have been in India, and have passed the prescribed examination in Hindiostance. They will not be permanently appointed to the Staff Corps, unless, after due probation, they shall pass the prescribed tests for the branch of the Indian Service for which they may be selected. This rule applies equally to Officers of the British and Indian Armies.

Royal Warrant, Clause 2, Despatch 27, paras. 19, 20. 81. A subsequent notification will prescribe the period of probation and the tests of qualification in the several Departments.

Despatch 27, para. 20. 82. The promotion of Officers while on probation will go on in their respective Regiments.

Despatch 27, para. 21. 83. Officers of the British Army when permanently transferred to the Staff Corps will be removed from the strength of the Regiment to which they belonged.

Despatch 27, para. 21. 84. The promotion of Officers of the Staff Corps will be regulated as follows:—

Royal Warrant, Clause 3, paras. 1 and 2. Ensigns, when permanently transferred to the Staff Corps, will have the rank of Lieutenant. Other Officers will have the rank which they may hold in their Regiments.

Officers of twelve years' service, of which four must have been in the Staff Corps, will become Captains. After twenty years' service, of which six must have been in the Staff Corps, they will become Majors. After twenty-six years' service, of which eight must have been in the Staff Corps, they will become Lieutenant-Colonels.

Five years' service in the Staff Corps as Lieutenant-Colonel, will entitle the Officer so employed to the Brevet rank of Colonel.

85. Officers now in Staff employment will be allowed to count, to the extent laid down in the Royal Warrant, as noted in the preceding paragraph, their past service towards promotion, as if it had been performed in the Staff Corps. One step of rank will be given to every Officer whose period of service would qualify him for it according to the above rules, an interval of two years at least must intervene between each succeeding step. But these privileges will be restricted to those Officers who, whether now in India, or on leave out of India, may declare their desire to be transferred to the Staff Corps within six months of the date of the notification of the Warrant in India.

Royal Warrant, Clause 2, Despatch 27, para. 26. 86. The Officers referred to in paragraph 73, will also be allowed this privilege, should they be permitted to join the Staff Corps.

87. The past service on the Staff, counting for promotion in the Staff Corps, will include any service of a permanent nature which an Officer now on the Staff may, from the date of his first arrival in India, have passed on the Staff.

Despatch 27, para. 26. 88. The past service on the Staff, counting for promotion in the Staff Corps, will include any service of a permanent nature which an Officer now on the Staff may, from the date of his first arrival in India, have passed on the Staff.

Royal Warrant, Clause 3, para. 3.

88. Officers of the Staff Corps under the substantive rank of Field Officer, will be allowed to exchange with Regimental Officers of the Line of the same rank, on the recommendation of the Governments of the several Presidencies, with the concurrence of the Government of India and the Commander-in-Chief in India, and subject to the confirmation of Her Majesty. But it is to be understood that the Regimental Officer entering the Staff Corps by exchange will not necessarily assume the Staff appointment held by the Officer with whom he exchanges. He will merely enter the Staff Corps on being found qualified for the exchanging into a Regiment, will become the Juniors of their Regimental rank.
89. An Officer of the Staff Corps whose name is borne on the Cadre of an Indian Regiment, exchanging from the Staff Corps with an Officer of a British Regiment other than the new Line Regiments about to be formed, will give an effective step in the Cadre of his former Regiment.
90. It will be discretionary with the Governments in India, as at present, to employ the Officers of the Staff Corps, in such manner as they may think best, in the situations for which their respective qualifications may render them most fitted. The appointments and promotions in the several Departments will rest, as at present, with the Government, and will be made irrespective of the rank which the Officer may hold in the Staff Corps. Those appointments, promotions, and recommendations now in the gift of the Commander-in-Chief, remain as heretofore.
91. Officers of the Staff Corps of one Presidency may, with the sanction of the Government of India, be employed in any other Presidency.
92. Unattached Officers of the Indian Service are eligible for the Staff Corps on the same terms as other Indian Officers.
93. Officers of the Staff Corps while on furlough will draw the pay of their rank, as laid down in the Clause of the Royal Warrant for Officers out of India, and in case of sickness will have the privilege of drawing for six months the allowances of Officers on sick leave in India.
94. They will be allowed to retain their appointments during short periods of leave, not exceeding twenty months, during which time they will only receive the unemployed Regulations of the Indian Army.
95. A certain proportion of the Senior Officers of the Staff Corps will receive Colonels' allowance.
96. The number will be fixed in the proportion of one for every thirty Officers on the Staff Corps, but this number can only be filled up as the establishment of Colonels on the old footing diminishes, so that the aggregate number of Officers receiving Colonels' allowance at one time shall never exceed the regulated number of Colonels' allowance for each Presidency.
97. Officers of Her Majesty's Indian Forces joining the Staff Corps, will be entitled to pensions under the Regulations of the Indian Service. Officers of the British Army, entering the Staff Corps, will be allowed to retire on the following scale of pension, provided that not less than half of the required periods of service shall have been passed in the Staff Corps:
- | Period of service in India. | £. | s. | d. |
|-----------------------------------|-----|----|----|
| After 20 years' service in India. | 101 | 12 | 0 |
| " 24 " " | 202 | 0 | 0 |
| " 28 " " | 365 | 0 | 0 |
| " 32 " " | 456 | 5 | 0 |
- These periods of service will include the proportions of leave of absence in India or elsewhere laid down in the New Furlough Regulations, viz:—
- | Period of service | 2 years in 20 years' service |
|-------------------|------------------------------|
| 3 " " | 25 " " |
| 4 " " | 30 " " |
98. All Officers of the Staff Corps in England who may not wish to retire, but are unable to return to India, and Officers removed from the effective list of the Staff Corps who may not be entitled to retire on the above scale of pension, may, provided they have served three years in India in the Staff Corps, be placed on a half-pay list, on the same rate of half-pay and on the same conditions as Officers of a similar rank in the British Army. Officers belonging to the Indian Forces who may avail themselves of this privilege to effective service, either in the Staff Corps or in Regiments of the Line, will not be restored to their old Cadres.
99. Officers placed on half-pay will be eligible to return to the Staff Corps. In the former case their names will be restored to the Staff Corps, who is not required by the Governments in India to remain there, will be allowed to receive pay for more than four years, of which one year may be on the Indian scale, and three years on the scale fixed for Officers "out of India," after which period they will be placed on half-pay.
100. The pay of Officers of the Staff Corps whilst unemployed has been fixed at the following rates:—
- | Rank | Whilst required to remain in India. | Out of India. |
|--|-------------------------------------|---------------|
| General Officers. | Per Mensem. | Per Diem. |
| Brevet-Colonel and Lieutenant-Colonel. | Rs. 1,295 5 0 | £1 5 0 |
| Major. | 827 14 0 | 1 0 0 |
| Captain. | 640 14 0 | 0 16 0 |
| Lieutenant. | 374 1 6 | 0 10 4 |
| 100. The pay and allowances to be established for the several Staff appointments, in all departments of Staff employ, will be announced in a subsequent notification, and meanwhile the Staff salary and other allowances of all appointments will remain unchanged. | 225 12 0 | 0 6 6 |
101. Officers of the Staff Corps are eligible for Brevet Rank, and will take their places on the General Gradation List in common with the rest of the Army. Those holding Military appointments will take Military Command according to their Army Rank, but Officers whilst holding only Civil appointments will not be entitled to assume such command. Civil appointments are those in any Civil Branch of the Army, or under the Civil administration of Government.
102. Officers of the Staff Corps will succeed to Colonels' allowance according to their seniority as Lieutenant-Colonels in the Staff Corps. Lieutenant-Colonels entering the Staff Corps on its first establishment will take rank for Colonels' allowance according to the dates of their Commissions as substantive Lieutenant-Colonels. All Officers entering the Staff Corps will take with them the substantive rank they held at the time of joining it. Should two Officers of the same rank enter the Staff Corps, and be promoted on the same day, they will stand in the Corps according to the dates of their previous substantive Commissions. But Officers of the Staff Corps will take precedence and exercise command among each other according to their Army Rank.

103. All promotions in the Staff Corps, in the case of Officers who were in the Staff Corps within six months of the publication of the Royal Warrant, will be subject to the 10th paragraph of the Warrant in India.
104. The power of removing Officers from the effective list of the Staff Corps will be exercised by Her Majesty through the Secretary of State for India.
105. The provisions of paragraph 90 are also applicable to appointments in the Ordnance, Survey, and Public Works Department.

(Signed) R. J. H. BIRCH, Major General, Secretary to the Govt. of India.

No. 825 of 1861.—The following paragraphs of a Military Letter from the Right Hon'ble the Secretary of State for India, No. 818, dated 10th August 1861, are published for general information:—

Para. 1.—It appears to me that paragraph 90 of your General Order does not accurately express the intentions of Her Majesty's Government, and is liable to misapprehensions on the part of the Officers of the Army. The words "Officers of the Staff Corps, under the rank of Major-General, whom the Governments of India may not see fit to employ in any capacity," used in the paragraph, would appear to contemplate Officers whom the Indian Governments, in point of fact, considered to be unfit for employment. Such Officers ought to be removed from the Staff Corps under the authority specified in the 7th paragraph of the Staff Warrant, and placed upon half-pay or pension under the provisions of the 10th paragraph of the same Warrant.

2. The directions contained in paragraph 33 of my Despatch No. 27 of January 1861, were intended to apply not to Officers unfit for employment, "whom the Governments of India may not see fit to employ in any capacity," but to Officers who are perfectly fit for employment, but who, from circumstances of one kind or another, may be out of employment, for example, such as those who, in consequence of having overstayed the prescribed limit of absence, with retention of appointment, may find themselves, on their return to India, out of employment.

3. I proceed, therefore, to give you more precise directions on this subject.

4. Such Officers are, on their return to India, to be placed on the rate of pay specified, for their respective ranks, in the Staff Warrant for Officers "while required to remain in India," and they will retain this rate of pay for a year, before the expiration of which I expect that you will have an opportunity of placing them in some suitable situation. This it will be your duty to do at the earliest period, so that the revenues of India may not be charged for more unemployed Officers than is inevitable under the circumstances at the time.

5. If, however, no opportunity should occur within the year of placing such an Officer in a situation that you consider suited to him, you are authorized to continue such allowance until a suitable opening can be found.

6. I desire, however, that every such case shall be forthwith reported to me, and, that a quarterly list of all such unemployed Officers in India, at the date of their return to India, may be punctually transmitted to me.

7. You will modify the 98th paragraph of your General Order in accordance herewith.

No. 826 of 1861.—With reference to the foregoing Despatch, paragraph 98 of the General Order, No. 882, dated 10th of April 1861, is cancelled, and the following is substituted for it:—

98. Officers of the Staff Corps under the rank of Major-General, who may be considered unfit for employment, will be removed from the Staff Corps under the authority specified in the 7th paragraph of the Royal Warrant, and placed upon half-pay or pension under the provisions of the 10th paragraph of the same Warrant.

Officers who are perfectly fit for employment, but who, from any circumstances, as, for example, from having exceeded the prescribed limit of leave of absence, with retention of appointment, may be out of employment, will, on their return to India, be placed on the rates of pay specified in the Royal Warrant for Officers respectively "while required to remain in India," and such rates of pay they will retain for one year, within which time it will be the duty of the Government of India to find suitable employment for them if possible, but failing in this, the allowances above noted will be continued until an opening for employing them can be found.

No. 469 of 1866.—The following Extract from General Orders by the Government of India, is published:—

Fort William, the 15th December 1866.

No. 1062 of 1866.—Under the authority of the Right Honorable the Secretary of State for India, His Excellency the Governor General in Council is pleased to notify that Officers joining the Staff Corps under Government General Order No. 806* of the 26th September 1866, will not be liable to be placed on half-pay under Government General Order No. 826† of 17th September 1861, upon any grounds other than such as would have justified their removal from the effective strength of the Army had they not joined the Staff Corps.

Revised Table of Staff Salaries.

No. 392 of 1863.—The following Extracts from General Orders by the Government of India, are published:—

Simla, the 13th October 1863.

No. 156 A of 1863.—Under the authority and direction of the Right Hon'ble the Secretary of State for India, as conveyed in his Despatch No. 311, dated the 31st August last, a revised Table of Staff salaries for the three Presidencies is published, and the Extracts of Sir Charles Wood's Despatch on the subject, as given below, are promulgated for general information.

2. Officers whose appointments are not specified in the Table of revised salaries will draw pay as at present, and further orders will hereafter be issued with respect to the Office Establishment of those Staff Officers who have hitherto drawn an Office allowance, such as Assistants Adjutant General of Divisions and Majors of Brigade.

Military Despatch, No. 160, May 22nd 1863.

Para. 1.—"Your several letters noted in the margin, relating to the salaries to be attached to Offices held by Military Officers in India, have been under my consideration in Council, and I have now to communicate to your Lordship the decision which, after an attentive perusal of the several papers which accompanied your letter, Her Majesty's Government have arrived at upon this subject.

2. The Committee of Secretaries appointed by your Government to consider the subject, have gone very carefully into the whole question, and have submitted a very valuable Report, which has greatly tended to facilitate and simplify the consideration of this important matter.

3. They observe of the Royal Warrant for the formation of the Staff Corps in India that, after fixing the scale of pay to be received by Officers attached to them while in India, and when out of India, it further provides that every Officer when in active employment will also receive, in addition to the above pay, such a sum as will make his total pay and allowances up to the sum assigned by the Government of India, with the approval of the Secretary of State for India in Council, as the consolidated pay of the office which he may hold.

4. Having consulted the several Governments, as well as the Chief Political and Military Officers of the Government, the Committee propose for adoption the following principles:—

1st.—That the salaries of Military Officers holding appointments connected with the Civil administration of the country should be consolidated and fixed without reference to the rank of the incumbent.

2nd.—That in the case of Military Officers in Staff employ, a certain salary should be fixed for every appointment, and that the incumbent should receive such fixed salary in addition to the Staff Corps pay of his rank.

3rd.—That this latter principle should apply to the Department of Public Works.

5. I concur generally in the principles here laid down, with some exceptions to be hereafter pointed out, as regards the Officers in Military Staff employ.

10. I have considered it necessary to deviate in some respects from the rates of salary proposed by the Committee, and I now forward, for the information of your Government, a Table of salaries which Her Majesty's Government have resolved upon, for the several offices enumerated in their report.

11. You will observe from the Table that, while adhering generally to the principle of allotting a Staff salary in addition to Staff Corps pay, it has been determined to fix the salaries of some few of the higher offices at a consolidated sum.

12. In the case of the other appointments it is to be understood that the Staff salary now fixed, plus the Staff Corps pay due to the Officer's rank, will constitute the maximum amount to be drawn by an Officer of that rank holding the office in question, whether such Officer belong to the Staff Corps or not. In the case of appointments held by Officers belonging to Her Majesty's British Forces, such maximum amount will include any pay or half-pay that may be paid to them in England.

13. I approve of the rule proposed by the Committee that in all cases where any allowance for "Office" is made, as in the case of Assistants Adjutant General, Brigade Majors, and others, it should be distinctly understood that the allowance is to be drawn only by Officers actually discharging the duties of the appointment, and that no further charge can be allowed for providing an office.

14. It is desirable that, whenever possible, the Public Offices should be located in public buildings, and proper authority, that no public building was available for such Office.

15. I am of opinion, however, that Office Establishment should, as a general rule, be maintained according to a regulated scale, and should be paid on abstracts, supported by the usual monthly Muster Roll.

16. The principle laid down in the 4th Clause of the same paragraph has, you will perceive, been observed in the rate of salary allotted to the heads and subordinate members of Departments at the several Presidencies; but I have extended to the Deputies of the Army Department at Head Quarters in Bengal the benefit of the Rule which gives to the Chief of those Departments a higher rate of salary than at Madras or Bombay.

19. In the 2nd Clause of the 10th paragraph, the Committee observe "that, referring generally to the 'expensive rates of living in Presidency Towns, we think that the principle of allowing house rent may be generally adopted at the rates marginally shown, and we would recommend that it should be made applicable to the Presidency Town of Madras, as well as to Calcutta and Bombay."

20. I approve of the proposed scale, which will apply to officers at each Presidency not drawing consolidated salaries.

29. The scale of salaries now sanctioned, will be brought into operation and made to apply in all cases where there is no reduction in the present aggregate salary, on the payment due on the first of the month succeeding the receipt of this order.

30. Reduction of salaries effected by this order are not to be made to effect present permanent incumbents, or those who are officiating for such permanent incumbents, being temporarily absent from their duties.

4. Separate orders will be issued regarding the Staff salaries to be allowed to officers serving with Native Corps.

The Secretary of State's Despatch having been received on the 14th December 1863, increased pay, where granted by this order, is claimable for the month of December.

No. 157 A of 1863.—His Excellency the Governor General is pleased to publish the following extracts of a Despatch from the Right Hon'ble the Secretary of State for India, No. 311, dated 31st August 1863, regarding the absence and acting allowances of Military Officers in Civil employ, the provisions of which are applicable to all the Presidencies.

Para. 31.—With your Despatch, No. 23, in the Financial Department, you forward a further Report from the Committee of Secretaries regarding the absence and acting allowances of Military Officers in Civil employ, with a note thereon by your Financial Secretary.

Para. 32.—You concur generally in the recommendations of the Secretaries, with the amendments noted by the Financial Secretary, and propose the adoption of the following principles:—

1st.—That every Military Officer in Civil employ when on leave should draw pay under the Military Rules; and 2nd.—That every Military Officer when acting in any Civil appointment should draw his Civil pay under the Civil Rules.

Para. 33.—Upon these two principles you propose the following Rules for the Officer on leave:—
A Military Officer in Civil employ on leave, either in India or in England, shall draw precisely the pay which he would be entitled to draw under the Military Leave Rules, except when on privilege leave as hereafter specially provided.

Such pay shall be provided from the Civil Department excepting only in cases where the allowances so drawn would exceed the entire Civil pay of the appointment, when the excess will be paid by the Military Department. The Staff salary of any Officer shall be held to be the difference between the Indian pay and allowances of his rank and the full salary of his permanent appointment.

Para. 34.—For the Acting Officer your Government proposed the following Rules:—

A Military Officer acting for another in Civil employ shall draw deputation allowance under the rule by which the allowance is granted to Covenanted Civil Servants.

If the Officer be in Military Staff employ, such deputation allowance will be given in addition to his Military pay and allowances, plus half the Staff pay of his substantive appointment.

If the Officer hold no substantive Staff appointment, Civil or Military, it will be given in addition to his Military pay and allowances.

A Military Officer in Civil employ performing the duties of his substantive appointment, and at the same time officiating in another, is entitled to his substantive salary, and in addition to a deputation allowance of 20 and 10 per cent. on the Staff salary of the appointment in which he is officiating, provided the pay of the substantive appointment, with the addition of the deputation allowance, does not exceed the pay of the higher appointment.

A subordinate acting for his principal or for any other Officer at the same Station, is not entitled to deputation allowance for the first month while so acting, unless he is required to act on two occasions within a brief period (say twelve months), in which case he draws deputation allowance for the whole period during which he may have held the appointment in excess of one month as if he had acted continuously.

A Military Officer proceeding from one Civil appointment to another, shall be allowed to draw, during the authorized period of transit, out of the salary of the office he is about to join, a sum equal to that of his previous situation. This Rule to be preceded by an Order making the Civil Rules for joining time applicable to Military Officers in Civil employ.

A Military Officer in Civil employ can take three months' cumulative privilege leave (under the Civil Rules only) but he must earn it by thirty-three months' continuous service in the Civil Department alone.

Para. 35.—These several Rules are approved of.

CAMP MEEAN MEER, THE 29TH OCTOBER 1863.

No. 161 A of 1863.—In continuation of General Order No. 156 A of the 13th instant, the annexed scale of Staff salaries hereafter to be allowed to Officers serving with Native Regiments under the new organization is published for general information, and with reference to this scale an extract (paragraphs 23, 24, 25, 26, 27, 28, 29, and 30) of Sir Charles Wood's Despatch, No. 311 of the 31st August last, is also published for information and guidance.

2. Detailed instructions will be issued by His Excellency the Commander-in-Chief for the guidance of Officers serving with Native Corps under the new organization, and the present system of payment of Troops and Companies and for repair of Arms, &c., will continue until a further order is issued by Government on the subject, the same Officers as at present drawing any allowances now authorized for the payment of Companies and the repair of Arms.

The new system of placing European Officers in charge of Squadrons and Wings will, in all other respects, be brought into operation as soon as His Excellency the Commander-in-Chief can issue the necessary subsidiary order.

3. The Despatch of the Secretary of State having been received by the Right Honble the Governor General on the 30th ultimo, increased pay is claimable from 1st September by Commandants, Adjutants, and Doing Duty Officers, as well as Seconds in Command of Cavalry; but when higher pay may accrue from Seconds in Command or others obtaining new appointments, as Wing or Squadron Officers or Quarter-Masters, such increased pay will only become due from the date of Officers assuming charge of the duties of such new appointments under the orders of the Commander-in-Chief.

4. With reference to paragraph 26 of Sir Charles Wood's Despatch, instructions will hereafter be issued as to the Scale of Office Establishment to be maintained by Adjutants. Meanwhile the allowance of Rupees 50 per mensem will be passed.

5. The pay now authorized is to be drawn in addition to Staff Corps pay only.

6. The rules now laid down are applicable to such Corps under their Excellencies the Commanders-in-Chief of the Bengal and Bombay Armies as now are or may hereafter be placed on the new organization, and to the Punjab Irregular Force.

In other Irregular Corps no alteration is made in the Establishment, position or duties of Officers, but Commandants, Adjutants, Seconds in Command, and Doing Duty Officers are entitled to the increased pay.

7. The Corps of Regular Infantry on the Bengal Establishment will, under the orders of the Commander-in-Chief, be placed on the new organization from the 1st January next.

Future Establishment of Officers for Corps of Native Cavalry and Infantry on the new organization.

Extract, Secretary of State's letter, No. 311, dated 31st August 1863, paragraphs 23 to 30.

Para. 23. I have given much and careful consideration to these proposals.

24. I am of opinion that the salaries attached to these Regimental appointments should be such as to place them at least on a footing of equality with the average of the Staff appointments commonly held by Officers of similar rank and standing in the service, and while they should not be so far superior to the latter as to induce those to seek them whose natural tastes and qualifications might not otherwise incline them to this important branch of the Service, it is important, on the other hand, that young Officers, who, on first joining the Staff Corps, are frequently employed with Native Troops, should not, if naturally fitted for Military Service, be tempted to leave it by the attraction of superior emoluments of other staff employments.

25. With these principles in view, and making due allowance for the advantage enjoyed by Staff Corps Officers in regard to promotion, and the comparatively early period at which they will attain the pay for the higher ranks, I am willing to sanction the scale of Staff allowance proposed by your Government for the Officers serving in different capacities with Native Regiments, which, though liberal, will probably not be found excessive.

26. In the case of the Regimental Adjutant, however, I suppose desirable that an Office Establishment should be prescribed, which should be maintained and paid upon Abstracts supported by the usual Master Rolls.

27. I enclose your Despatch No. 10, dated 2nd January 1863, that you have completed the Native Regiments in Bengal to the regularity attached and paid European Officers; exclusive of the Medical Officers, as announced in your General Order of the 15th December 1862, it being distinctly understood that the appointments made under that decision are held subject to such modifications as may be found necessary on receipt of my further instructions on the general question, and that you have authorized the Government of Bombay to extend the rule to such Regiments as that Presidency as are formed and officered according to the new organization.

28. I approve of these proceedings and shall await the result of your reference to the Government of Madras upon the introduction of the new system into the Army, of that Presidency.

29. The scale of salaries now sanctioned will be brought into operation and made to apply in all cases where there is no reduction in the present aggregate salary on the payment due on the 1st of the month succeeding the receipt of this Order.

30. Reductions of salaries effected by this Order are not to be made to affect present permanent incumbents, or those who are officiating for such permanent incumbents being temporarily absent from their duties.

European Commissioned and Warrant Officers are permitted to make Family Remittances to Europe to the following extent, for the benefit only of their Parents, Wives, Children, Brothers and Sisters Fathers or Mothers-in-law, Brothers or Sisters-in-law:—

During the 2nd quarter, more than half the amount, provided he may not have already remitted for the 1st quarter. During the 3rd quarter, more than three-fourths of the amount, provided also that he may have not remitted for the two previous quarters, and during the 4th quarter, more than the established amount under the above proviso, and no arrears of remittances can be allowed beyond the official year.

In conformity with a recent ruling of the Government of India, it is hereby notified that the restriction imposed in para. 2 of G. O. G. No. 198, dated 7th May 1867, in regard to the Home Remittances of Officers, is withdrawn, and such Remittances may hereafter be made to the full amount within the annual limit of the Officer's rank, in one sum, or by instalments, at any time within the official year.

Medical Department.

- The grades of Medical Officers in Our Indian Military Forces shall be four in number, viz:—
 - Inspector General.
 - Deputy Inspector-General of Hospitals.
 - Staff or Regimental Surgeon; who after twenty years' service in India in any rank, shall be styled Surgeon-Major.
 - Staff or Regimental Assistant-Surgeon.

2. No Candidate shall be admitted to the competitive examination for a Commission in the Medical Department of Our Army who does not possess such a certificate or certificates as would qualify a civilian to practice Medicine and Surgery.

3. No Assistant Surgeon shall be eligible for promotion to the rank of Surgeon until he shall have passed such examination as Our Principal Secretary of State for India in Council may require, and shall have served in India with the Commission of Assistant Surgeon for five years, of which two shall have been passed in or with a Regiment.

4. A Surgeon, whether on the Staff or attached to Regiments, must have served ten years in India, of which two must have been passed, with the rank of Surgeon, in or with a Regiment, or as a Civil Surgeon, before he will be eligible for promotion to the rank of Deputy Inspector-General of Hospitals.

5. A Deputy Inspector-General of Hospitals must have served three years in India before he shall be eligible for promotion to the rank of Inspector-General.

In cases, however, of emergency, or when the good of the service renders such alteration desirable, it shall be competent for the Governor-General in Council to shorten the several periods of service above-mentioned, in such manner as he shall deem fit and expedient.

6. Assistant Surgeons shall, as a general rule, be promoted to the rank of Surgeon in the order of their seniority in the service, unless unfit for the discharge of their duties from physical or professional incompetence or misconduct. In cases of distinguished service, however, an Assistant Surgeon may be promoted by Brevet, without reference to seniority, and in such cases, with a view to insure the responsibility attaching to an appointment made out of the regular course of promotion, the recommendation in which the services of the Officer shall be detailed shall be published in the General Orders of Our Indian Military Forces, and in the Gazette in which his promotion appears.

Relative rank shall carry with it all precedence and advantages attaching to the Military rank with which it corresponds, and shall regulate the rates of lodging money, number of servants, rations of fuel and light, or allowances in their stead, except for Officers and others to whom special rates have been assigned, detention and Prize Money, according to the regulations, and upon the conditions, in force, from time to time; but such relative rank shall not entitle the holder to Military command of any kind whatsoever, nor to the Presidency of Courts Martial, Courts of Enquiry, Committees, or Boards of Survey, but when the President of such Courts, Committees, or Boards shall be junior to the Officer of the Civil Department then such Member of the Civil Department shall attend as a witness, and not as a member.

Choice of quarters shall be regulated by relative rank according to date of Commission; except in the case of the Commanding Officers' quarters, and in cases in which special quarters shall be permanently appropriated, with the approval of the Secretary of State for War.

Relative rank shall not entitle the holder to salutes from Ships or Fortresses, nor to the turning out of Guards; but it shall entitle him, if Commissioned, to salutes by sentries, or by individual Soldiers.

Honorary rank of Paymasters shall carry with it all the privileges and advantages attaching to relative rank of corresponding degree.

All Commissioned Officers, serving with the Troops, shall be entitled to Funeral Honours, according to their relative Military rank.—Vide G. O. G., 18th March 1864, No. 104.

3. The plan which appears to your Excellency best suited to protect the public interests and the claims, at the same time, of Medical Officers is that of relaxing the rule embodied in the 8th Clause of the Warrant, in cases where superior Medical authorities certify the perfect competency and fitness of the Medical Officer, who has completed the age of fifty-five years without having obtained the rank of Deputy Inspector-General.

4. I am willing to assent to the adoption of this plan in regard to the Medical Officers who entered the service prior to the promulgation of the Royal Warrant, provided that the perfect competency and fitness of the Medical Officers be, in all cases, certified by a Board consisting of two Medical Officers, one of whom must be an Inspector-General or Deputy Inspector-General, and the Commanding Officer, or Senior Civil Officer, under whom the Medical Officer may have been serving.

5. The certificate of efficiency granted by such a Board may hold good for three years, but in no case will a Medical Officer under the rank of Deputy Inspector-General be permitted to remain on the effective list after he shall have attained the age of sixty years.

6. A Medical Officer who may be unable to obtain the certificate of competency above referred to will be placed on the Retired List, receiving, as recommended by Government, the rate of pension next above that to which his period of service in India may entitle him, provided that he be not already entitled to retire on the higher rate, viz., £700 a year.

7. A similar course may be pursued with respect to Medical Officers employed on unprofessional duties on their attaining the age of fifty-five years.

11. Medical Officers shall be entitled to all the allowances granted to our Indian Military Forces on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

12. Their families shall, in like manner, be entitled to all the allowances granted, under existing regulations, to the families of combatant Officers holding the same relative ranks.

13. Medical Officers shall be held entitled to the same honors as the other Officers of our Army of equal relative ranks.

14. A Medical Officer, retiring after a service in India of twenty-five years and upwards, may, if recommended for the same by the Head of his Department, receive a step of honorary rank, but without any consequent increase of pay.

15. Six of the most meritorious Medical Officers of the Army shall be named Honorary Physicians, and six My Honorary Surgeons.—Vide G. O. G., No. 206, 18th June 1861.

6. The establishment of Medical Officers above the rank of Assistant Surgeon in the three Presidencies will, so long as there are Officers enough remaining on the old lists to complete these numbers be fixed:—

In Bengal... 152

Madras... 86

Bombay... 69

7. With a view of removing all cause of complaint and misunderstanding, on the part of the Officers of the Indian Medical Service, on the subject of their promotion to the rank of Surgeon Major, under the Royal Warrant of 13th January 1860, Her Majesty's Government have determined to give retrospective effect to that Warrant, and to cause all promotions made under its authority to be dated from the 1st October 1858, being the date of the Royal Warrant for the British Medical Department, and it has been further determined to modify the instructions conveyed to you in my Despatches, No. 397, dated 31st October 1860, and No. 386, dated 30th September 1861, and to permit the period of service, qualifying Surgeons for the rank of Surgeon-Major under that Warrant, to be calculated from date of first commission, including all leave of absence of whatever kind.

8. It has been further resolved, that the following change in the mode of payment of Officers serving in India, whether of the British or Indian Medical Department, shall be introduced from the date of the receipt of this Despatch.

* And after five years' service in India as Deputy Inspector General, as Colonel, according to the date of the completion of such service.

† This Clause does not extend to the compliments to be paid by Garrison or Regimental Guards as laid down in pages 29 and 30 of the Queen's Regulations for the Army

7. All promotion from the rank of Surgeon to that of Deputy Inspector, and from the rank of Deputy Inspector to that of Inspectors, shall be given by selection for ability and merit; and the grounds for such selection shall be stated to us in writing, and recorded in the office of the Secretary of State for India in Council, the selection for the grades of Deputy Inspector being made from the whole rank of Surgeons, whether styled Surgeons or Surgeons-Major.

8. With a view to maintain the efficiency of the service, all Medical Officers of the rank of Surgeon Major, Surgeon, or Assistant Surgeon, shall be placed on the Retired List when they shall have attained the age of fifty-five years, and all Inspectors General and Deputy Inspectors General when they shall have attained the age of sixty-five years.

9. The relative rank of the Medical Officers of our Indian Military Forces shall be as follows:—

Staff or Regimental Assistant Surgeon as a Lieutenant, according to the date of his Commission, and after six years' service in India as Captain according to the date of the completion of such service.

Staff or Regimental Surgeon as Major, according to the date of his Commission; and Surgeon Major as Lieutenant Colonel, but junior of that rank.

Deputy Inspector General as Lieut. Colonel, according to the date of his appointment.*

Inspector General of Hospitals as Brigadier General, according to the date of his appointment; if with an army in the field, or after three years service in India as Inspector General, as a Major General, from the date of his joining such army in the field, or according to the date of the completion of such service.

9. From that date, the allowance of head money, as well as that for medical charge of British Regiments and Brigades, will be discontinued, excepting in the case of Assistant Surgeons, who will receive while in actual charge of British Regiments or Brigades of Artillery, a special allowance of Rupees 150 per mensem in addition to their pay.

10. The following will be the rate of pay for Officers of the several grades in the Medical Department, below that of Inspector and Deputy Inspector General, who receive special salaries, whether belonging to the British or the local service:—

Rank.	Years' Service.	Relative Rank.	Half Batta.			Full Batta.		
			RS.	A.	P.	RS.	A.	P.
Surgeon Major	25	Lieut. Colonel	888	12	0	1,098	2	0

Ditto	5	Lieutenant	304	14	2	335	2	2
Ditto	under	Ditto	286	10	0	317	8	0

11. Surgeons of Her Majesty's Service, not being Surgeon Majors, who may be in medical charge of Regiments or Brigades, at the date of publication of the Order, will not be affected by this rule, but will continue to receive their pay and allowances while attached to such Regiments, as heretofore.

12. Officers of the British Medical Department attached to Brigades of Horse Artillery and Regiments of British Cavalry will draw, in addition to the rate of pay above laid down, horse allowance at the following rate:—

Rank.	Years' Service.	Relative Rank.	Additional Horse Allowance, when attached to a British Cavalry Regt.
Surgeon Major	25	Lieut. Colonel	Rupees 90 per mensem.
Ditto	20	Ditto	
Surgeon	15	Major

Assistant Surgeon	10	Captain	Rupees 60 per mensem.

13. Officers of the Indian Medical Service will receive pay, while on furlough in Europe, according to the following scale:—

Rank.	After 30 years' Service on full pay.	After 25 years' Service on full pay.	After 20 years' Service on full pay.	After 15 years' Service on full pay.	After 12 years' Service on full pay.	After 10 years' Service on full pay.	After 5 years' Service on full pay.	Under 5 years' Service on full pay.

Asst. Surgeon	...	...	...	...	...	...	...	...

14. The rule regarding pension, at present applicable to the Officers of the Indian Medical Service, will remain in force with the following modification:—

15. Officers compelled to leave the service on account of ill health, and entitled to half pay pension under present Regulations, will be allowed the half pay of their relative rank, as laid down in the Royal Warrant, dated the 1st October 1858. This rule will apply to all Officers retiring upon half pay pension from a date subsequent to the receipt of this Despatch.—Vide G. O. G., 12th July 1864, No. 261.

3. My Despatch dated 16th May last, No. 152, stated that Officers compelled to leave the service on account of ill health, and entitled to half pay pensions under present Regulations, would, in future, be allowed the half pay of their relative rank.

4. Under these circumstances, I am of opinion that in respect to retirement on half pay, the Assistant Surgeon, after a service of six years, should be treated as an Officer having the Regimental rank of Captain has hitherto been treated; that is, without being required to show any qualifying period of service, he should be permitted to retire on the half pay of Captain, on showing sufficient proof of disqualification for further service.

5. Medical Officers under six years' service having the rank of Lieutenant, will continue, in respect to retirement on account of ill health, subject to the Regulations applicable to Subaltern Officers.—Vide G. O. G., 24th March 1865, No. 117.

ASSISTANT SURGEONS—IN MEDICAL CHARGES.

No. 266 of 1867.—The following Military Letter from the Right Hon'ble the Secretary of State for India, No. 266, dated 7th December 1866, is published for general information:—

MILITARY.
No. 266.

INDIA OFFICE;
London, the 7th December 1866.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—I have considered in Council your Military Letter No. 248, dated 21st September 1866, transmitting correspondence regarding the title of an Assistant Surgeon in medical charge of a British Regiment or Brigade of Artillery during the absence of a Surgeon on "privilege leave" to the special remuneration of Rupees 150 per mensem laid down in paragraph 9* of Sir Charles Wood's Despatch, No. 152, dated 16th May 1864.

G. O. G.
No. 136, 29th
March 1867.

2. In reply I have to inform you that the special grant of Rupees 150 referred to was sanctioned to Assistant Surgeons of Her Majesty's service in India who might, by the exigency of the service, be placed temporarily in medical charge of a British Regiment.

3. It should be allowed, therefore, in all cases of an Assistant Surgeon succeeding to the temporary charge on the death, removal, or absence on medical certificate of the Surgeon, but it was not intended that any such extra charge should be incurred as a consequence of the Regimental Surgeon being absent on private leave and for his own convenience.

I have, &c.

INDIAN MEDICAL DEPARTMENT—ADMINISTRATIVE STAFF.

No. 657 of 1867.—With reference to G. O. No. 456, dated 5th May 1865, the following letter from the Right Hon'ble the Secretary of State for India, is published for general information:—

MILITARY.
No. 144.

INDIA OFFICE;
London, the 24th May 1867.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—Para. 1. In your Military letters, dated 8th and 23rd March last, Nos. 47 and 72, you submit for decision a question which you state has arisen with adavance to the order which allows officiating service "on full pay in the rank of Deputy Inspector General of Hospitals," to reckon towards the additional pension granted to an Officer of that rank after five years' service therein, including only six months on medical certificate, whether the period of five years to which the tenure of that appointment, as well as that of Inspector General of Hospitals, is restricted, should be inclusive or exclusive of such officiating service.

G. O. G.
12th July 1867,
No. 296.

2. It appears to me that, if officiating service on full salary of appointment is to count towards the additional pension, it must necessarily count likewise as part of the five years' tenure of the appointment both of Inspector and Deputy Inspector General of Hospitals. The term of five years to which the appointment is limited, should I think, be regulated as follows:—

It should include any period during which an Officer may have acted as Inspector or Deputy Inspector on full allowances before his permanent appointment. On his permanent appointment, his tenure would be held to expire at the end of five years, including the period of such officiating service, whether after his permanent appointment he may have taken leave of absence or not.

3. A Deputy Inspector General of Hospitals who may, under these circumstances, fail to complete the required service for the additional pension of £250 a year, may, if he shall subsequently be appointed Inspector General, and shall not serve long enough in that grade to entitle him to the pension of £350 a year, reckon his service as Inspector General in addition to that as Deputy Inspector General, towards the period required for the additional pension of the latter grade.

I have, &c.,

(Signed) STAFFORD H. NORTHCOTE.

No. 332.

Letter from the Deputy Accountant General, Bengal, No. 753, dated the 27th June 1867, enquiring whether, during the journey of a Medical Officer from one civil appointment to another, his allowances should be treated as a civil charge and be limited to the amount of the unattached pay of his rank, "or be regulated by the salary attached to the station in which he last served."

* Or on promotion, should these periods of service not be already completed.

Endorsement from the Military Department, No. 322, dated the 12th ultimo, forwarding a copy of correspondence regarding an enquiry whether the allowances of a Medical Officer in civil employ should be debited to the Civil or the Military Department during his absence on leave, or while he is in transit from one civil appointment to another.

RESOLUTION.—The Governor General in Council observes that, under the orders of the 4th and 25th April 1867 mentioned above, the salaries of Military Medical Officers in medical charge of Civil Stations are consolidated, and is accordingly pleased to rule that, in common with Military and other Medical Officers in civil employ on consolidated salaries, they shall, during periods of transit from one civil appointment to another, which are to be limited by the civil rules for joining time, draw the salary of the lower paid appointments of the two, and that such salary as well as the allowances admissible to these Officers during absence on leave, shall be disbursed in and charged to the Civil Department.

Secretary to Government.

MEDICAL OFFICERS—RATES OF PAY.

FORT WILLIAM, the 26th November 1864.—No. 953 of 1864.—There being considerable misunderstanding with respect to the pay and allowances to be drawn by Medical Officers under the instructions contained in the Despatch of the Secretary of State published in Government General Order No. 507,* of the 20th June 1864, the following Rules are laid down for observance in the three Presidencies, with effect from the date laid down in Government General Order, No. 508,† of the same day, and pending further reference to the Secretary of State.

I. All Medical Officers, whether of the British or Indian Forces, who were in receipt of consolidated salaries at the date of publication of the General Order, or who may have subsequently succeeded or may hereafter succeed to situations the salaries of which are consolidated, will draw such consolidated salary and no more.

When so situated as to be entitled to draw only half Staff salary, such Officers will draw the pay of their rank according to para. 10 of the Despatch of the Secretary of State, and half the difference between that sum and the amount of the consolidated salary.

In such case the Officer acting will also draw the new rate of pay for his rank and the half difference remaining undrawn by the permanent incumbent.

II. Surgeon Majors serving with British Regiments will draw pay according to length of service as laid down in para. 10, with the addition of the Horse allowance sanctioned in para. 11, if attached to Regiments of Cavalry or to Brigades of Horse Artillery, and of Rupees 30, if attached to Brigades of Field Artillery.

III. Surgeons of British Regiments who were in Medical charge of Regiments of British Cavalry and Infantry on the 20th June 1864, will be allowed to continue to receive the pay and allowances then drawn.

Their claim to the old rate will not be invalidated by their proceeding on leave in India and ceasing for a time to draw Staff salary or Head money. During such period they will draw the new rates of pay of their rank and on return to their Corps receive their old emoluments.

When promoted to Surgeon-Major, they will draw only the pay of that grade.

IV. Surgeons of British Regiments who were not in charge of Corps on the 20th June 1864, are only entitled to the new rates of pay of their grade whether absent or present, with the prescribed Horse allowance if attached to Cavalry or Horse Artillery, and Rupees 30 Horse allowance if attached to Field Artillery.

V. Assistant Surgeons of the British Service will in all cases receive the pay of their standing as laid down in para. 10, with an addition of Rupees 150 if in Medical charge of a Regiment of Cavalry or Infantry or Brigade of Artillery, or a permanent Depot, besides Rupees 60 per mensem Horse allowance if with Cavalry or Horse Artillery, and Rupees 30 if attached to Field Artillery.

VI. Medical Officers of the Indian Service who do not come under the provisions of Clause I of this Order, will draw the same pay and allowances as before the issue of the Order, unless it is below the pay assigned to their rank in para. 10, in which case they will be permitted to draw the higher rate of pay. In the latter case they will draw Horse allowance at the prescribed rates if with Cavalry, Horse Artillery or Field Artillery.

VII. Medical Officers drawing pay under the old Rules will receive any advantages to which they would become entitled by these rules in consequence of promotion or having completed five, six or ten years' service as Assistant Surgeons.

VIII. Medical Officers, whether of the British or Indian Service holding Staff appointments, and in receipt of Staff or half Staff salaries, will, until further orders, draw the present rates of Staff salary in addition to the old scale of pay, receiving any increase in the latter to which they would have become entitled by promotion, unless the aggregate shall be less than the pay of their grade under para. 10, of the Secretary of State's Despatch, in which case they will receive the latter only. When on leave they will draw the new rates of pay without Staff salary, the acting incumbent drawing the Staff salary with the old rate of pay, or the new rates without Staff pay, as may be most advantageous.

IX. Conveyance allowance will not be admissible to Assistant Surgeons on the new rates of pay.

X. The authorized allowance for the Medical charge of the Staff of Divisions or Brigades, will be passed in addition to pay and allowances whether on the old or new scale. The foregoing is in substitution of any orders or decisions on the subject that may have previously been given.

* Madras G. O. G. 12th July 1864. No. 261.

Fort William, the 23rd December 1864.

No. 1060 of 1864.—The following Military Letter from the Right Hon'ble the Secretary of State for India, No. 340 of the 7th November 1864, is published for general information:—

15. Her Majesty's Government have therefore determined that the duties of the Medical Officers of the British Army serving in India shall, in future, be kept wholly distinct from those of the Medical Officers of the Indian establishment, and that there shall be a separate administrative establishment for each.

16. Under these circumstances, it will be necessary that the administrative establishments in the several Presidencies should be revised, and the duties of the several Medical Officers of the higher grades re-distributed, and I request that you will take the subject into early consideration, with a view of determining the numbers of Inspectors General and Deputy Inspectors General of each service that will be required to conduct the administrative duties of the respective services in each Presidency.

17. In my Despatch No. 152, I authorized your augmenting the number of Officers above the rank of Assistant Surgeon

In Bengal to..... 152
" Madras to..... 86
" Bombay to..... 69

leaving the aggregate establishment of Medical Officers in each Presidency the same as before.

18. That establishment is at present as follows:—

Bengal..... 425
Madras..... 243
Bombay..... 193

19. You were informed, in my Despatch No. 291, dated 8th August 1863, that the War Office would take measures for relieving, as soon as possible, the Assistant Surgeons of the Indian Army from the Brigades of Artillery and new Line Regiments, and the same course will hereafter be adopted as a necessary consequence of the transfer of those Regiments to the British Army, in regard to the Surgeons. A reduction in the establishment of Medical Officers required for service in India will necessarily follow, and I request that the subject of the number likely to be required henceforward in the several Presidencies, may receive your early consideration.

20. In making this calculation you will, of course, take into account the several situations which may be properly filled up by uncovenanted members of the Medical profession.

21. It is believed that, in consequence of all appointments to the local service having ceased during the last three years, the aggregate number of Medical Officers at present borne on the strength of the several Presidencies will be, if anything, below the prospective wants of the service; but I shall make arrangements without delay for filling up vacancies as they may occur on your revised establishment.

22. The promotion of Assistant Surgeons who may hereafter enter the Indian Army will be regulated by length of service, and not, as heretofore, by succession to vacancies in a fixed establishment of Officers of the higher grades.

23. Assistant Surgeons of 12 years' service from the date of first Commission (of which two years shall have been passed in charge of a Native Regiment,) who shall have passed the prescribed examination in professional subjects, will be promoted to the rank of Surgeon.

24. The benefit of this rule is to be extended to all Assistant Surgeons now in the Indian Service, but Officers now in the service who may be so promoted will be considered supernumeraries to the establishment of Surgeons as recently laid down, so that no promotion by seniority will take place until such supernumeraries are absorbed.

25. You will make the promotions consequent upon this concession from the date of receipt of this Despatch.

26. In the Despatch above referred to, I informed you that you were authorized to introduce certain changes in the mode of payment of Officers of the Medical Department serving in India, and you were informed that, pending a further communication upon the subject, Officers of the British or Indian Medical Service, holding Staff appointments, the salaries of which are consolidated, will continue to draw their salaries as at present; and all Officers of the Indian Medical Department in the receipt of Staff salaries, including such as are in Medical charge of Native Regiments, will continue to draw the aggregate amount of pay and Staff allowances they now receive, provided it be not less than the rate of pay laid down in the above table for Officers of their rank and standing in the service.

27. I have now to inform you that it has been determined that in future all employment on the part of Medical Officers of the Indian Service involving the receipt of special Staff salary shall be considered as Staff employment, the salaries being in all cases consolidated; and that all appointments, whether Civil or Military, held in future by Officers of the present Indian Medical Service below the rank of Deputy Inspector General, will be alike tenable by Surgeon Majors, Surgeons, and Assistant Surgeons.

28. The salaries of the principal administrative and Military appointments are fixed at the following consolidated sums:—

Inspector General.....	2,500	whether of the British or Indian Medical
Deputy Inspector General.....	1,800	Service.
Surgeon Major in charge of Native Regiments.....	1,000	with Rupees 50 horse allowance in Cavalry
		Regiments.
Surgeon in charge of ditto.....	800	with Rupees 90 ditto ditto.
Assistant Surgeon above 5 years' full pay service in charge of Native Regiments.....	600	with Rupees 60 ditto ditto.
Assistant Surgeon under 5 years' ditto.....	450	with Rupees 60 ditto ditto.

But Officers now in the Indian service will receive the pay due to their rank as laid down in para. 19 of my Despatch No. 152 of 16th May 1864, when such pay is in excess of the consolidated salaries above mentioned.

29. Officers who may hereafter be appointed to the Indian Medical Service will receive pay when unemployed in India according to the following scale:—

RANK.	Years' Service.	Unemployed Pay.		
		Rs.	A.	P.
Surgeon Major.....	25	888	12	0
Ditto.....	20	852	3	7
Surgeon.....	15	677	6	11
Ditto.....	12	640	14	6
Assistant Surgeon.....	10	410	9	5
Ditto.....	6	392	5	2
Ditto.....	5	304	14	2
Ditto.....	under 5	286	10	0

30. The salaries of other Medical appointments in the Civil and Military Departments will be revised with reference to the above, and fixed at a consolidated sum, and I request that a report may be made to me upon the subject with as little delay as possible. In the meantime, the aggregate sums at present received in each case will continue to be drawn.

31. With a view of promoting the efficiency of the service, it has been further determined that the tenure of office by a Deputy Inspector General of the Indian Service shall, as in the case of Inspectors General, be limited to five years; Officers being, however, if not disqualified by age, eligible either for employment for a second tour of duty in the same grade, or for employment in the higher grade of Inspector General by promotion thereto.

32. You will follow, in the cases of Officers now holding the office of Deputy Inspector General, the same course which your Government adopted in 1861, in regard to combatant Officers holding certain Staff appointments, and permit all such to hold their offices for two years longer, irrespective of the periods they may severally have served in them. Should any Officer have served up to the present time less than five years, he will be allowed to complete a full period of seven years.

33. The rank of Inspector General and Deputy Inspector General conferred upon Officers of the Indian Medical Service under the Royal Warrant of the 15th January 1860, is to be considered as substantive rank.

These Officers, on vacating office at the expiration of the five years' tour of duty, will be permitted in future to draw respectively an unemployed salary of Rs. 1,200 per mensem in the former, and Rs. 900 in the latter case, for a period of six months from the date of their vacating office, after which they will be placed, while unemployed, on the rate of pay laid down in my Despatch of the 16th May 1864 for Officers of corresponding rank in Europe. These sums, deducted from the consolidated salary, will regulate the moiety of Staff salary to be drawn by Officers of those grades during absence on sick certificate. The decision reported in the 3rd paragraph of your letter No. 242 of 1861 will cease to operate from the date of publication of the present Despatch.

34. With a view to improving the position and prospects of Officers of the Indian Medical Service it has been resolved to introduce prospectively the following revised pension rules.

35. Officers of the Indian Medical Service will be allowed to retire on the following scale of pension, on completion of the required periods for service:—

	£
After 30 years' service in India	550
" 27 " " " "	456
" 24 " " " "	365
" 21 " " " "	292
" 17 " " " "	220

36. An Inspector General, after five years' active employment in India in that grade, will be entitled to retire upon a pension of £350 per annum, in addition to that to which he may be entitled under the above scale.

37. A Deputy Inspector General will, after five years' active employment in India in that grade, be entitled to retire upon a pension of £250 per annum, in addition to the pension to which he may be entitled under the above scale.

38. In each of the above cases, six months' absence on medical certificate will be allowed to count towards actual service in those grades.

39. Officers now in the Indian Medical Service will, on retirement, have the option of pension according to the above rules, or according to those now in force.

40. My attention has been directed on this occasion to the rule regarding the qualification of an Assistant Surgeon for promotion to the rank of Surgeon required under Clause III of the Royal Warrant, dated 13th January 1860. There can be no doubt that this rule, which has been again brought to notice by a recent Despatch from your Government, requiring a service of two years in or with a regiment, bears very hardly on many Officers, the nature of whose employment precludes their showing the required qualification, and who, on entering the service, had no reason to suppose that such a regulation would be adopted.

41. These considerations have induced me to consent to exempt from the operation of the clause of the Royal Warrant all the Assistant Surgeons who entered the service prior to its date. It is to be understood, however, that the rule is to be strictly enforced in the case of all Medical Officers who entered the service after January 1860.

42. In my Despatch No. 152 of 16th May 1864, para. 7, I informed you that Her Majesty's Government had determined to modify the instructions given in my Despatches of the 31st October 1860 and 30th September 1861, and to permit the period of service qualifying Surgeons for the rank of Surgeon Major, under that Warrant, to be calculated from date of first Commission, including all leave of absence of whatever kind.

43. I have now to inform you that the same principle is to be observed with respect to the grant of honorary rank on retirement, under the clause 14 of the Royal Warrant, and that the 25 years' service qualifying for a step of honorary rank, the requirements of the clause in other respects being fulfilled, shall be inclusive of all leave of absence.

44. I have further to inform you that it has been determined, as in the case of combatant Officers of the Indian Army, to confer upon the Medical Officers of that service Royal Commissions in substitution for those which they now hold conferring rank in Her Majesty's Service in any part of the world. The Medical Officers of Her Majesty's Indian Service will not, however, be required to serve out of India, except with their own consent.

45. I have, lastly, to inform your Excellency that Assistant Surgeons appointed to Her Majesty's Indian Service in future will not be called upon to become subscribers to any Military or Medical Funds, and that Her Majesty's Government have determined to guarantee to present incumbents on and subscribers to the several Medical Funds the annuities and pensions to which they are, or to which they, their widows and children may become entitled from those Funds, according to the regulations now in force, and at the present rates of subscription. But this guarantee must be regarded as conditional on the absolute transfer of the assets of the Fund to the Government, and must not be construed as conveying to any Fund, or to any member of it, benefits which are not actually provided for in the regulations as at present in force.

46. The widows and children of Medical Officers hereafter appointed to Her Majesty's Indian Service will be granted pensions not less than those to which they would be entitled under the provisions of the Royal Warrant of June 15th, 1855.

47. The above measures, which obviously tend greatly to improve the condition and prospects of the Medical Service in India, cannot be carried out, as your Government will at once perceive, without a heavy expense to the State. It is hoped, however, that the result will be at once to diffuse a spirit of satisfaction and contentment among the Officers now in the service, and to secure for the future a certain supply of Medical Officers of good social position, liberal education, and professional ability for Her Majesty's Service in India.—Vide G. O. G., 6th January 1865, No. 9.

INDIA OFFICE,
London, 25th January 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—With your letter dated 5th November last, No. 376, you submit a question which has been raised regarding the rate of pension to which Medical Officers, who to be held to be entitled, with reference to the General Order No. 507, of 20th June 1864, which notified that Medical Officers entitled to half-pay pension, under present Regulations, are eligible for the same according to their relative Army rank, as fixed by Royal Warrant,

2. By the Royal Warrant of 13th January 1860, an Assistant Surgeon, after six years' service as such, is to have relative rank as Captain. The same Warrant declares that "such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds."

3. My Despatch dated 16th May last, No. 152, stated that Officers compelled to leave the service on account of ill health, and entitled to half-pay pensions under present Regulations, would, in future, be allowed the half-pay of their relative rank.

4. Under these circumstances, I am of opinion that in respect to retirement on half pay, the Assistant Surgeon, after a service of six years, should be treated as an Officer having the Regimental rank of Captain has hitherto been treated; that is, without being required to show any qualifying period of service, he should be permitted to retire on the half pay of Captain, on showing sufficient proof of disqualification for further service.

5. Medical Officers under six years' service having the rank of Lieutenant, will continue, in respect to retirement on account of ill health, subject to the Regulations applicable to Subaltern Officers.

INDIA OFFICE,
London, 28th February 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—With your letter dated 6th January, No. 13, you transmit papers relative to a question raised by Dr. F. Anderson, Deputy Inspector General of Hospitals, as to whether an Officer of the Indian Medical Service can retire on half pay under the same conditions as are necessary in the case of an Officer of the British Medical Department, i.e., without residing in a temperate climate for the usual term of a furlough.

2. My Despatch dated 16th May last, (No. 152, paragraph 15) out of which this question has arisen, referred to Officers compelled to leave the service on account of ill health, and entitled to half pay pension under present Regulations. By those Regulations an Officer is precluded from retiring from the service on half pay pension in India. Under these circumstances, the view taken by your Government is quite correct, viz., that my Despatch referred to merely altered the rate of pension, and did not affect the rule of the service, which requires an Officer, to entitle him to half pay pension, first to try the effects of a temperate climate.

INDIA OFFICE,
London, the 24th March 1865

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—The Military letter from your Government, dated 21st January, No. 36, submits two questions with regard to the retirement of Medical Officers, arising out of the late alterations with respect to the Medical Service. With regard to the first, it appears to you that all service on the full pay of the appointment in the case of Inspectors and Deputy Inspectors General of Hospitals, should reckon towards the 5 years' service in those grades qualifying for the additional pension; and that the aggregate period of "service in India," noted in para. 35 of my Despatch dated 7th November last, No. 36, is to include the periods of leave hitherto allowed to reckon under the new furlough rules as service for pension.

2. This is quite in accordance with the intentions of Her Majesty's Government.

3. With regard to the second point, you apprehend that the six months' leave on medical certificate, referred to in para. 38 of my Despatch, applies only to the tenure of the appointments of Inspector General and Deputy Inspector General, and not to the time of pension under para. 35.

4. This view is also quite correct; the tenure of appointment referred to being that which is to entitle Officers of these grades to the additional pensions after five years' active employment in India.

Fort William, 3d April 1860.

No. 364 of 1860.—Under instructions from Her Majesty's Secretary of State for India, the portions of Her Majesty's Warrant of the 1st of July 1859, which refer to relative rank and precedence of Veterinary Surgeons of Her Majesty's Indian Forces, are declared to be applicable to Veterinary Surgeons of Her Majesty's Indian Forces.

It has not been considered expedient at present to alter the existing Regulations affecting the pay and allowances or the condition of Invaliding and retirement of this class of Officers.

Extracts from Her Majesty's Warrant of 1st July 1859, which are declared applicable to Veterinary Surgeons of Her Majesty's Indian Forces.

1.—The Grades of Veterinary Surgeons in Our Army shall be three in number, viz.:—

1. Staff Veterinary Surgeon.
2. Veterinary Surgeon of the 1st Class.
3. Veterinary Surgeon.

The following General Orders by His Excellency the Governor General of India in Council are republished:—

GENERAL ORDERS BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Fort William, the 19th August 1861.

No. 722 of 1861.—The following paragraphs of a Military letter from the Right Hon'ble the Secretary of State for India, No. 278 of the 6th July 1861, are published for general information:—

"1. Since the date of my Despatch No. 233, I have received a communication from the Secretary of State for War, enclosing a letter from the Principal Veterinary Surgeon, Woolwich, who, with reference to the doubt expressed in your Military letter No. 41, dated 2nd April last, as to the practicability of examining Veterinary Surgeons in India, in order to test their fitness for promotion, expresses an opinion that it is very desirable that if the Royal Warrant of 1st July 1859 be adopted, it should be fully carried out, and states that no difficulty was encountered in doing so, in the cases of the 2d and 6th Dragoon Guards, both in India, the examinations being written and carried on confidentially between the Officer in Command of the Regiment and himself.

"2. Lord Herbert is now in the opinion that no sufficient ground has been shown for a modification of Clause 3 of the Warrant requiring Veterinary Surgeons to be examined as applied to India.

"3. Under the new organization of the Army in India, there will henceforth be no Regimental employment for Veterinary Surgeons of the Local Service, but those now in the service may be promoted under the Royal Warrant of 1st July 1859, their examinations being conducted by means of written questions prepared by the Principal Veterinary Surgeon in this country, in the mode above described.

"4. In carrying out this arrangement, a list of the Veterinary Surgeons, who have served the required periods for promotion, should be sent Home from time to time, in order that the examination questions may be prepared and transmitted to India."

This cancels the decision communicated in letter from the Right Hon'ble the Secretary of State for India, dated 7th June last, published in Government General Order No. 723, of the 16th July 1861.

Madras G. O. G. 30th July 1861, No. 250.

the good of the service renders such alteration necessary, it shall be competent for Our Secretary for War to shorten the several periods of service above mentioned in such manner as he shall deem fit and expedient.

3. No Veterinary Surgeon shall be eligible for promotion until he shall have passed such examination as Our Principal Secretary of State for War may require, and shall have served on full pay, with the Commission of Veterinary Surgeon, for five years.

4. A Veterinary Surgeon of the First Class must have served fifteen years in the Army, with the Commission on full pay, before he will be eligible for promotion to the rank of Staff Veterinary Surgeon.

5. In cases however of emergency, or when

6. Promotion from one rank to another shall not necessarily be given by seniority, but by selection for professional ability and meritorious conduct.

15. The relative rank of the Veterinary Officers of Our Army shall be as follows:—

Veterinary Surgeon on appointment, as Subaltern.

Veterinary Surgeon of the First Class on promotion, as Captain.

Staff Veterinary Surgeon on promotion, as Major, but junior of that rank.

16. Such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds (except as regards the Presidency of Courts Martial, and of all Military Courts, Committees, and Boards of Inquiry, where Our will and pleasure is that the senior combatant Officer be always President, and except further any Military command whatever), and shall regulate the choice of quarters, rates of lodging money, field allowances, forage, servants, fuel and light, or allowances in their stead, detention, and prize money. But when a Veterinary Officer is serving with a Regiment, Corps, or Detachment, the Officer Commanding, though he be junior in rank to such Veterinary Officer, shall be entitled to a preference in the choice of quarters.

17. Veterinary Officers shall be entitled to all the allowances granted—on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

18. Their families shall, in like manner, be entitled to all the allowances granted—to the families of combatant Officers holding the same relative ranks.

19. Veterinary Officers shall be held entitled to the same honours as other Officers of Our Army of equal relative rank. This does not, however, extend to the compliments to be paid by Garrison or Regimental Guards, as laid down in the Regulations of Our Army.

SIR,—I have been in communication with the Secretary of State for War on the questions raised

in the letters of the dates noted in the margin, regarding the position of the Veterinary Surgeons of the Indian Service who may declare for general service in Her Majesty's Army.

2. I stated that it appeared to me that such of these Veterinary Surgeons as might volunteer for general service would become an integral part of the Veterinary Surgeons in that Army; that they would be considered to have terminated all connection with their former service; and that they would be allowed to reckon their past service towards pay, promotion, and half-pay on retirement under the provisions of the Royal Warrant of the 1st July 1859.

3. The Secretary of State for War has expressed his concurrence in these views.

4. This decision should now be communicated for the information of the Veterinary Surgeons of the Local Forces at the three Presidencies, and a return of the Veterinary Surgeons desirous, on such conditions, to enter Her Majesty's general service, should be transmitted to me for communication to the Secretary of State for War.

5. The connection with the respective Military Funds of such of the Veterinary Surgeons of the Local Forces as may volunteer for, and be accepted for, Her Majesty's general service, will depend upon the regulations of the Funds of their respective Presidencies.

Whereas it hath been represented to Us that it is expedient to raise the position and rank of the Veterinary Surgeons of Our Army, and to increase the pay and half-pay of the Officers of that service; and Our will and pleasure is, that from and after the date of this Our Royal Warrant, the following Rules shall be established for the admission, promotion, and retirement, and for the pay, half-pay, relative rank and allowances of the Veterinary Surgeons of Our Army, and that by these Rules Our Commander-in-Chief shall be governed in recommending Officers for admission, promotion, and retirement

1. The grades of Veterinary Surgeons in Our Army shall be three in number, viz:—

1. Staff Veterinary Surgeon.
2. Veterinary Surgeon of the First Class.
3. Veterinary Surgeon.

2. No candidate shall be admitted into the Veterinary Department of the Army until he shall have satisfactorily passed an examination before a Board of Military Veterinary Surgeons.

3. No Veterinary Surgeon shall be eligible for promotion until he shall have passed such examination as Our Principal Secretary of State for War may require, and shall have served on full pay with the Commission of Veterinary Surgeon for five years.

6. Promotion from one rank to another shall not necessarily be given by seniority, but by selection for professional ability and meritorious conduct; such selection to be made by Our Principal Veterinary Surgeon; and the ground of such selection shall be stated to Us in writing, and recorded in the Office of Our Commander-in-Chief, together with the recommendation of the Principal Veterinary Surgeon.

7. The rates of pay of the Veterinary Officers of Our Army shall be in accordance with the following schedule:—

	SERVICE ON FULL PAY.

Veterinary Surgeons who entered Our service prior to the date of this Warrant.....	17s. 6d.	15s.	14s.	13s.	11s. 6d.	10s.

8. It is to be clearly understood that all increase of pay from length of service is to be granted subject to a Veterinary Surgeon having discharged his duties with zeal and ability.

9. After the date of this Our Warrant, every Veterinary Officer placed on half-pay by reduction of establishment, or on the report of a Medical Board, in consequence of being incapacitated by reason of ill-health, caused by wounds or brought on by the discharge of his duties, shall be allowed the half-pay which his period of full-pay service may entitle him to, according to the following schedule:—

	After 25 years.	After 20 years.	After 15 years.	After 10 years.	After 5 years.	After 3 years.	Under 3 years.
Staff Veterinary Surgeon.....	15s.	14s.	The half-pay of his former rank.				
Veterinary Surgeon, 1st Class.....	13s. 6d.	11s. 6d.	10s. 6d.	9s. 6d.	The half-pay of his former rank.		
Veterinary Surgeon.....	...	...	9s. 6d.	8s. 6d.	7s.	4s.	Temporary half-pay at 4s. a day, for a period equal to that for which the Officer has served on full pay.
Veterinary Surgeons who entered Our service prior to the date of this Warrant.....	10s.	9s. 6d.	9s. 6d.	8s. 6d.	7s.	4s.	

10. With a view to maintain the efficiency of the Service, all Officers of the rank of Veterinary Surgeons and Veterinary Surgeons of the First Class shall be placed on the Retired List when they shall have attained the age of 55 years; and all Staff Veterinary Surgeons when they shall have attained the age of 65 years.

11. Officers thus superannuated shall be entitled to the rate of half-pay, stated in the preceding schedule.

12. Every Veterinary Officer who shall have served upon full pay for 25 years and upwards shall have the right to retire upon half-pay, at the rate of two-thirds of the daily pay he was in receipt of when thus retiring, provided he shall have served three years in the rank from which he retires, or shall have served in any rank for ten years in the Colonies, or five years with an army in the field. But if he shall not have complied with any one of these conditions, he shall be entitled only to half-pay at the rate of two-thirds of the daily pay he was in receipt of before his last promotion.

13. Every Veterinary Officer thus claiming to retire must give six months' notice to the head of his Department of his intention to claim this right, prior to his being allowed to retire; and no Veterinary Officer shall be entitled to give such notice after he shall be under orders to proceed to any foreign station, until he shall have served at such station for one month.

14. If a Veterinary Officer be placed on half-pay from any other cause than those hereinbefore mentioned, he shall only be allowed a temporary rate of half-pay, not exceeding the rates stated in Clause 9 for such period and at such rate as shall be assigned to him by Our Secretary of State for War, on a consideration of the length and character of the services rendered by such Veterinary Officer.

15. The relative rank of the Veterinary Officers of Our Army shall be as follows:—

Veterinary Surgeon, on appointment, as Subaltern.

Veterinary Surgeon of the First Class, on promotion, as Captain.

Staff Veterinary Surgeon, on promotion, as Major, but junior of that rank.

16. Such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds (except as regards the Presidency of Courts Martial, and of all Military Courts, Committees, and Boards of Inquiry, where Our will and pleasure is, that the senior combatant Officer be always President, and except, further, any military command whatever), and shall regulate

the choice of quarters, rates of lodging money, field allowances, forage, servants, fuel, and light, or allowances in their stead, detention and prize money. But when a Veterinary Officer is serving with a regiment, corps, or detachment, the Officer commanding, though he be junior in rank to such Veterinary Officer, shall be entitled to preference in the choice of quarters.

17. Veterinary Officers shall be entitled to all the allowances granted by Our Warrant of 13th July 1857, on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

18. Their families shall, in like manner, be entitled to all the allowances granted by Our Warrant of 15th June 1855, to the families of combatant Officers holding the same relative ranks.

19. Veterinary Officers shall be held entitled to the same honors as other Officers of Our Army, of equal relative rank. This does not, however, extend to the compliments to be paid by garrison or regimental guards, as laid down in the Regulations of our Army.

Given at Our Court of St. James' this first day of July 1859, in the twenty-third Year of Our Reign.

By Her Majesty's Command,

SIDNEY HERBERT.

FORT ST. GEORGE, 13TH JUNE 1865.

No. 224 1865.—The following Extract from General Orders by the Government of India, are re-published :—

Simla, the 22nd May 1865.

VETERINARY SURGEONS.—PAY AND ALLOWANCES.

No. 504 of 1865.—With reference to G. G. O. Nos. 363 and 364,* dated 30th March 1860, the Right Hon'ble the Governor General in Council is pleased to direct the publication of the following paragraphs of a letter from the Right Hon'ble the Secretary of State for India, No. 109, dated 7th April 1865, and to notify that the increased allowances therein authorized are to have effect from the 1st May 1865 :—

Para. 1. With my letter dated 24th November 1859, No. 412, I transmitted to you copies of a Royal Warrant, dated 1st July 1859, regulating the rank, pay, promotion, and retirement of Veterinary Surgeons of Her Majesty's British Forces; and I directed that such parts of this Warrant as related to relative rank and precedence should be made applicable to the Veterinary Surgeons of Her Majesty's Indian Forces. At that time, it was not considered expedient to alter the existing regulations affecting the pay and allowances, or the conditions of invaliding and retirement, of this class of Officers.

2. Consequent on the recent extension to Medical Officers of the benefits of the rates of pay and allowances fixed by the Royal Warrant of 1st October 1858, for the Medical Officers of the Army, I have had under my consideration in Council the subject of the allowances drawn in India by Veterinary Surgeons of the British and Indian Forces respectively.

3. Your letter dated 21st December last, No. 470, also draws my attention to the present scale of pay to Veterinary Surgeons in India, which is stated to be relatively much less than that granted in England and the Colonies.

4. It appears to me that the time has now arrived at which other provisions of the Royal Warrant of 1st July 1859 may be introduced into India, in addition to those specified in my letter of the 24th November 1859, above referred to.

5. It has been accordingly resolved that the rate of pay laid down in the Royal Warrant, with the Indian allowances of the relative rank of the Officer, shall, for the future, be adopted as the scale of pay for Veterinary Surgeons of the British and Indian Forces. From the date of commencement of these allowances, all extra allowance of whatever description will cease.

6. The rate of pay of Veterinary Surgeons of both services will then be as follows :—

Rank.	Years' Service.	Relative Rank.	Full Batta.	Rank.	Years' Service.	Relative Rank.	Full Batta.

7. Veterinary Surgeons of the Indian Service will hereafter receive pay while on furlough according to the following scale :—

Rank.	After 25 Years' Service on Full Pay.	After 20 Years' Service on Full Pay.	After 15 Years' Service on Full Pay.	After 10 Years' Service on Full Pay.	After 5 Years' Service on Full Pay.	On Appointment.

Veterinary Surgeons.....	14 0	14 0	14 0	13 0	11 6	10 0

8. Veterinary Surgeons compelled to leave the service on account of ill health, and entitled to half-pay Pensions under present regulations, will be allowed the Indian rates of half-pay of their relative rank, as laid down in the Royal Warrant of 1st July 1859.

9. Veterinary Surgeons of the Indian Medical Service will be allowed to retire on the following scale of pension, on completion of the required periods of service, viz :—

	£
After 20 years.....	200 a year.
" 25 "	250 "
" 30 "	300 "

10. The amalgamation of the Veterinary Surgeons of the British and Indian Forces being contemplated, no further alteration in regard to the position on retirement of the Veterinary Surgeons of the latter Forces appears to me to be at present called for.

11. The other advantages held out by the Royal Warrant to Veterinary Surgeons and their families, are to be adopted and declared applicable to India, as far as the differences of the service will admit.

12. Such Veterinary Surgeons of the local forces as have expressed their desire to volunteer for general service, should be allowed to reconsider their decision on your receipt of this Despatch.

Para. 2.—I have at the same time to inform you that, having considered in Council your letters No. 303 of 31st of October 1866, and No. 91 of 8th April 1867, I have resolved, with the concurrence of the Secretary of State for War, and of His Royal Highness the Field Marshal Commanding-in-Chief, who has issued the necessary notification to the Army, that Officers of Line Regiments in which the purchase system is in force, whose permanent appointment to the Indian Staff Corps shall appear in the General Orders of one of the Local Governments in India, on a date subsequent to the 18th March 1868, and who on the date of such permanent appointment (being the date of appointment as probationer for the Staff Corps) shall not have exceeded four years' service on full pay from the date of first Commission, shall receive, on their names appearing in the *London Gazette* as finally transferred to the Staff Corps, the exact sum such Officers would have received under War Office Regulations, had they retired from the service by the sale of their commissions at the time of joining the Staff Corps as probationers.

British Officers—(Late Indian Service)—Passage Allowances.—No. 607 of 1868.—The following Financial Despatch from the Right Hon'ble the Secretary of State for India, No. 179, dated the 23rd April 1868, is published for general information :—

FINANCIAL (MILITARY FUND).

No. 179.

INDIA OFFICE ;

London, 23rd April 1868.

To His Excellency the Right Hon'ble the Governor-General of India in Council.

SIR,—I have considered in Council the position of those Officers now of the British and lately of the Indian Service, who being now provided with passage allowances from Government, under G. G. O. of 31st July 1863,† are debarred by the regulations of the Military Funds from drawing an allowance for that purpose, although the sum they could have claimed would, in most instances have been larger than that allowed by Government.

2. Certain Officers of the Royal Artillery having represented that they are entitled, under the Parliamentary guarantee, to all the existing privileges of the Funds, notwithstanding any order that may be made to the contrary, I have decided that all those Officers who, under the rules of the several Military Funds, would have been entitled to a larger sum than £87, shall receive the amount allowed to them by Government, and draw the difference between that and the larger sum from the Military

* Madras G. G. O., 21st April 1868, No. 158.

† Madras G. G. O., 18th August 1863, No. 293.

Funds, as well as a sum sufficient to pay the deductions made from them on account of messing during their voyage.

3. In cases, however, when such Officers, instead of receiving a money allowance, are provided with a free passage, they will be considered, in accordance with the rules of the Military Fund, not entitled to any allowance whatever, beyond re-payment of the usual deduction made on account of messing, under the terms of the Royal Passage Warrant of 1865.

4. I request that this decision may be notified to the Army in General Orders.

I have, &c.,

INDIA OFFICE ;
London, 21st May 1868.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—Having considered in Council your letter No. 103 of 16th March last, forwarding a memorandum from Veterinary Surgeon R. H. U. Holloway, of the Madras Establishment, requesting promotion, and at the same time submitting the views of your Government with respect to the Local Veterinary Service, I accede to your recommendation that in Bengal six, and in Madras three, of those Officers may be of the 1st Class, and also that one of those, of not less than 15 years' service, be promoted to Staff Veterinary Surgeon, and be considered eligible, if selected as Inspecting Veterinary Surgeon.

Good Conduct Pay.—No. 629 of 1868.—The Right Hon'ble the Governor General in Council is pleased to direct that, in conformity with the procedure authorized by the Royal Warrant of 3rd February 1866, all claims to good conduct pay preferred in India within one year of the time at which they become due, shall be adjusted at once without special authority ; and further that such good conduct pay shall be issued at the time it becomes due, although no claim may be made by the soldier.

2. In the absence of any claim or issue within the prescribed period of one year, the good conduct pay will be forfeited ; Commanding Officers are therefore directed to take measures to prevent such forfeiture in all possible cases.

No. 635 of 1868.—The following Despatch from the Right Hon'ble the Secretary of State for India, is published for general information :—

MILITARY.
No. 184.

INDIA OFFICE ;
London, 28th May 1868.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—I have considered in Council your letter No. 61 of 22nd February last, enquiring whether the period of probation in a Military appointment required to qualify an Officer for admission to the Staff Corps, is, or is not, to include leave in India (privilege leave excepted), also whether the circumstance of an Officer going on such leave, if it be excluded, should affect the date from which he would otherwise be gazetted to the Corps.

2. As observed by you, the term of probation is intended both to enable the Officer to acquire a knowledge of the service or department in which it is passed, and to test his general fitness for it.

3. I therefore concur with your Government in opinion that all leave, except privilege leave, be excluded from the year's probation required for admission to the Staff Corps, but that the date of final admission to the Corps need not be affected on that account.

I have, &c.,

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—In accordance with the recommendation contained in your letter, dated the 6th April 1868, No. 139, I authorize you to announce that, in future, all Officers who may do duty with troops on the voyage to or from India, will be allowed to count the whole of the period during which they may be employed on such duty as service for pension.

Officers and Medl. Officers.—Indian Allowances on first arrival.—No. 649 of 1868.—The following Military letter from the Right Hon'ble the Secretary of State for India, is published for general information :—

MILITARY.
No. 192.

INDIA OFFICE ;
London, 4th June 1868.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—Your letter dated 8th February 1868, No. 46, submits for decision the question whether the provisions of the Despatch No. 113 of 16th April 1867, permitting Officers to draw allowances from the date of their arrival at whatever port they may disembark on return to duty, apply to Officers on their first arrival in India.

2. Officers in this position may be either those of British Regiments who have been ordered out to join their Corps, or Officers appointed to the Indian Medical Service. I am of opinion that the first named should receive Indian allowances on their arrival at the port to which they may have been ordered, whether it be situated within the Presidency where their Regiments are stationed or not, but that the Medical Officers have no claim to the allowances until they arrive within the limits of the Presidency to which they stand appointed.

I have, &c.,

2. Horse allowance for the number of chargers assigned is to be considered as included in the consolidated or staff salary of the appointment, the division of which, in case of absence, is not however to be thereby affected.

Despatch from Sir Robert Napier, of the Capture of Magdala.—No. 295 of 1868.—The following Extract from the *London Gazette* of the 16th June 1868, pages 3360 to 3369, is published for general information :—

India Office, June 13th, 1868.

The following Despatch from Lieutenant General Sir Robert Napier, G.C.B., G.C.S.I., has been this day received at the India Office :—

From Lieutenant General Sir Robert Napier, G.C.B., G.C.S.I., Commanding the Expeditionary Force in Abyssinia, to the Secretary of State for India.

Commander-in-Chief's Office, Head Quarters, Camp Antala, May 12th, 1868.

RIGHT HON'BLE SIR,—On the 3rd April when encamped on the Waddela Plateau, I received information from the Chiefs of Dalanta that Theodore, having removed from Magdala, and encamped on the plain of Arogie, was preparing for an expedition; letters from the captives also warned me to be on my guard.

Between the British Force and the plain of Dalanta lay the Jedda ravine, 3,400 feet deep. As that passage of this formidable obstacle, so easily defensible, could not have been effected in the face of an enemy, without serious loss, I made a forced march of 18 miles, crossed the Jedda, and established myself on the plain of Dalanta. The mere distance in miles gives little idea of the labor and fatigue of the march, the excessively steep descent and ascent, and the great heat were very distressing for troops heavily weighed.

† Madras G. O. G., 4th October 1867, No. 423.

‡ Madras G. O. G., 3rd June 1859, No. 222.

Theodore, however, did not cross the Bashilo, but plundered and burnt the villages between the river and Magdala which has always been faithful to and trusted him.

From the edge of the Dalanta plain, I obtained a distant but clear view of the position of Magdala and its approaches. I was able, with a good telescope, to appreciate the formidable character of the whole position, and became aware that I should require all the Infantry that I could possibly collect to make the attack effective, and that every Cavalry soldier that I could bring forward would be necessary for the investment. Even with all the force that I could hope to gather up, I felt I could not complete the investment by sending a column to close the Kaffir Burr or southern gate of Magdala, but I deputed an Officer of the Intelligence Department, Meer Akbar Ali, to "Mustale," the Queen of the Woolla Gallas, to engage her to bring every man she could muster to close all escape on that side. Meer Akbar Ali's report will be forwarded, and will show how effectually he accomplished his mission.

Reluctant as I was to incur any delay so near to Magdala, these considerations and the necessity of having supplies sufficient to carry me through the operations against that fortress, obliged me to defer crossing the Bashilo for several days.

I had not overlooked the probability of the unstable Abyssinian people despising the small postal detachments, and the pacific demeanour of our troops, but the various difficulties of our transport and scarcity of our supplies, kept me without sufficient troops to make the posts of communication as strong as the circumstances required. Each day, however, was bringing forward some accession of strength, and in the meantime I had endeavoured by liberality, and every means of conciliation, to engage the petty chiefs between Antalo and the Tacassie river, to maintain their friendly assistance in forwarding native convoys of supplies. It was the only course that gave chance of success; unfortunately it succeeded but partially.

Relieved from the pressure of our main force, the Chiefs commenced to interfere with the Abyssinian carriers of our supplies, and to make attacks on our posts and convoys; the local carriage, which had enabled me to advance from Antalo, was suspended just at the time when its maintenance was most important; thus it happened that on the 4th of April I had only five days' supplies to depend upon.

The force had left all its baggage at Lat, one hundred miles in rear, taking on merely the clothes in which they marched, and carrying great coats, blankets, and waterproof sheets; they had no other incumbrance than a bell tent for twelve officers or twenty soldiers; the daily storins which we experienced renders this shelter indispensable; the carriage so released was sent back for provisions to the points where native transport was doubtful, and gave me sure hope of ultimate relief from my Commissariat difficulties, but the immediate urgency was pressing.

On the 2nd Instant, I deputed Brigadier General Merewether to the Tacassie to arrange with the Chiefs there to bring in supplies of flour.

Major Grant was directed to return to Lat, and Captain Moore to Lake Ashangie, to remove obstructions which had arisen at those places, Captain Speedy and Mr. Munzinger proceeded, the former to Daount, the latter to the borders of Dalanta that had been ravaged by Theodore, and through the exertions of these officers, I was enabled to feed my cattle, and to obtain flour enough for eleven days' supply at 8 ozs. for each soldier. The native followers received wheat in the grain instead of flour.

Relying on the admirable spirit of my force, I was prepared to commit myself against Magdala with these means.

Besides the view which I had obtained of Magdala and its approaches, I received most valuable information from a Chief named Beitwuddun Hailo, who had recently deserted from Magdala; having engaged in some intrigues with Menelek, King of Shoa, he knew well that his lot would be instant death on his master's arrival.

It is difficult to give by description alone a sufficient idea of the formidable position which we were about to assail. The fortress of Magdala is about twelve miles from the right bank of the Bashilo, but the great altitude and the purity of the atmosphere exhibited the whole outline distinctly.

The centre of the position is the Rock of Selassie, elevated more than 9,000 feet above the sea, and standing on a plateau called Islamgie, which is divided into several extensive terraces, with perpendicular scarps of basalt. A saddle connects these terraces with the hill called Fahla. Fahla is a gigantic natural bastion, level on the top, entirely open, and commanded by Islamgie. It is completely at an elevation of 1,200 feet over all approaches to Islamgie; the sides appeared precipitous, and the summit surrounded by a natural scarp of rock, accessible only in a few places, and from eighteen to twenty feet in height.

Nearly concealed from view by Selassie and Fahla, the top of Magdala was partially visible.

The road to Magdala winds up the steep side of Fahla, subject to its fire, and to the descent of rocks and stones. One part of the road is so steep that few horses, except those bred in the country, could carry their riders up or down it. The whole road is flanked by the end of Selassie, and the character of its outworks exceeded anything which we could possibly have anticipated from the faint description of the position which had reached us.

The refuge Chief Beitwuddun Hailo was very anxious that I should try the south side, at the Kaffir Burr (gate), from the opposite range, called "Janta," saying, "If you want to take Selassie, go from hence; but if you want Magdala, you must go from Janta." This, however, would have been impossible. I had not force enough to divide, and I could not place this vast combination of natural fortresses between me and my direct line of communication. I also perceived that the real point

to be taken was not Magdala but Islamgie, where Theodore had taken post with all his guns, and that Fahla was the key to the whole.

On the 7th I descended to the bed of the Bashilo, and reconnoitered the crossing.

The ordinary approach to Magdala is by the Arogie ravine, which commences under Islamgie, and is bounded on its right by a spur which extends from Islamgie, in a serrated ridge, to the Bashilo. A similar spur from Fahla stretches to the water of the Bashilo, and bounds the ravine on its left.

The highest point of this ridge is about 2,000 feet above the bed of the Arogie ravine.

The grand features of the ground rendered it impossible for me, with my small force of Infantry, to hold both sides of the ravine. I considered Fahla the key of the position, and determined to occupy the ridge, bearing in different parts the names of Gunborgi and Affjo, which leads to that imposing outwork. Established on this ridge, I could operate on either side of Fahla, as might seem expedient on closer examination.

Between the 4th and 9th Instant, my force was increased by six Companies of the 45th Regiment, under Lieutenant Colonel Parish, which, though long delayed for want of carriage, had marched from Zoulla in twenty-five days. A wing of the 3rd Bombay Native Infantry, under Lieutenant Colonel Campbell, was detained seven marches in rear, owing to the urgent want of carriage, and I thus lost the services of an able Officer and an excellent body of soldiers, on whom I had calculated for the attack.

On the 9th the whole force concentrated on the edge of the plateau overlooking the Bashilo, which flows 3,900 feet below it.

Major Chamberlain, with the 23rd Punjab Pioneers, supported by a Wing of the Beloochees, occupied the bed of the Bashilo, and repaired Theodore's road.

The signallers of the 10th Company Royal Engineers maintained communications.

The Royal Engineers and the Madras and Bombay Sappers, under Captain Goodfellow, made up the necessary provision of sand-bags, scaling-ladders, and bags filled with powder, for the demolition of gates, stockades, &c.

As the only supply of water between the Bashilo and Magdala was under the enemy's fire, all the water carriers of the force were organized under command of Captain Bainbridge, Transport Corps, with two subalterns; Lieutenant Mortimer, Transport Corps; and Lieutenant Ramsbottom, Transport Corps, for the purpose of carrying forward regular supplies of water from the Bashilo.

The bandsmen and a party of Punjab Muleteers were also organized under command of Captain Griffith, aided by Lieutenant Gascelee, Transport Corps, and furnished with stretchers, for the removal of wounded men from the field.

ACTION OF THE 10TH APRIL.

All preparations having been completed, I placed the Cavalry* under Colonel Graves to hold the Bashilo, but ready to advance, and moved the remainder of the force across the river under the immediate command of Sir Charles Staveley.

The Second Brigade,† under Brigadier General Wilby, to remain in the bed of the Bashilo in support, the first Brigade,‡ under Brigadier General Schneider, to occupy the Gunborgi spur and advance to a suitable place for encampment, and also to cover a reconnaissance, by the Deputy Quarter Master General, of the enemy's position.

The Deputy Quarter Master General reported that the ascent to Gunborgi was extremely steep and difficult, and that the King's road up the Arogie ravine was easy and secure for the mountain-guns and baggage; they were, therefore, ordered to take that route.

When the leading part of the column had reached Affjo, I arrived at the front.

The King's road emerges from the Arogie pass, at a distance of 1,200 yards from Affjo, and 700 feet below it.

I ordered Major Chamberlain's Punjab Pioneers§ to be sent immediately to cover the head of the Pass, and the remainder of the Brigade to be closed up as soon as possible.

The men were greatly distressed by the heat, the severe ascent and want of water.

Shortly after Major Chamberlain had taken up his position, the Naval Rocket Brigade, under Captain Fellowes, appeared, rising from the pass, followed by Lieutenant Colonel Penn's steel battery, escorted by detachments of Infantry.

At this time the enemy opened his guns from Fahla and Islamgie, making good practice at the Punjabees and at the position of Affijo.

Notwithstanding the distance, which was more than 3,000 yards, the enemy's shot ranged well into the positions, owing to the great command and probably to excessive charges of powder; but the fire being a plunging one, no casualties ensued. Almost simultaneously with the opening of the enemy's artillery, a large force was seen pouring down from Islamgie and the sides of Fahla, descending at speed the steep road and the faces of the mountains, until they filled the whole plain of Arogie.

Many of the enemy were dressed in red, and almost bore the appearance of our own troops in the distance. About 500, principally Chiefs, were mounted.

The Naval Brigade hastened up the road to Affijo, and as each rocket tube came into position, it opened on the advancing masses of the enemy, who were startled, checked, and driven back at some points, but only to press forward at others.

I directed Sir Charles Staveley to bring forward the remaining Infantry, which by this time had closed up to repel the attack.

The 4th K. O. Regiment, under Lieutenant-Colonel Cameron, closely followed by Beville's Beloochees and the Royal Engineers, commanded by Major Pritchard, and the Bombay Sappers, under Captain MacDonnell, R.E., descended rapidly the steep path leading down to the Arogie plain, with unrestrained expressions of delight at having at last their enemy before them.

Opening into skirmishing order, they ascended a suitable slope which separated them from the plain of Arogie, and immediately came in contact with the enemy, drove them back in spite of the efforts of their leaders, in masses, on which the fire of the Snider told with terrible effect.

Several gallant attempts were made by the Abyssinians to rally, but many of their chiefs fell, and they were driven down the slopes of Arogie towards the ravines on our left front.

A portion of them withdrew up the sides of Fahla, and taking cover in a thicket of cactus trees, opened a teasing fire on Staveley's right, causing some casualties.

Captain Fellowes having maintained the fire of his rockets until masked by the advance of the Infantry, had been sent to support Sir Charles Staveley.

The fire of the rockets, together with some volleys from Beville's Beloochees and the Royal Engineers, supported by two of Penn's guns under Lieutenant Taylor, cleared Staveley's flank from further annoyance.

The rockets were then turned on the summit of Fahla; they were well directed, and as I subsequently learned, produced a very great effect.

A party of the enemy attempted to pass round the sides of Affijo to turn our right, but were checked by a few rockets, and dispersed by the K. Company, Madras Sappers, under Major Prendergast, V. C.; Lieutenant-Colonel Loch, with a detachment of the 3rd Bombay Cavalry, accompanied the Infantry in support.

Towards the left, Colonel Milward ascended from the Arogie Pass with Penn's Battery, escorted by detachments of the 4th King's Own Regiment under Captain Kittoe, and the 23rd Pioneers under Captain Paterson at the time when the guns opened from Fahla and Islamgie.

On perceiving the Troops of Theodore descending from Islamgie, Colonel Milward took up a strong position and opened fire from Penn's Battery. Major Chamberlain, who was holding the Pioneers in hand to cover the head of the Pass, moved to his left and joined Colonel Milward.

A considerable body of Abyssinians bore down upon Milward's position. Notwithstanding the evident effect of Penn's guns, they continued to advance with much determination and order.

Chamberlain with his Pioneers met their attack in the most prompt and spirited manner, driving them with great slaughter into the ravines to his left front, not, however, without gallant resistance on the part of the Abyssinians, who closed fearlessly with the Punjabees; the spear wounds received bore witness to the closeness of the conflict.

On the extreme left, the enemy pressed in large numbers towards the head of the Arogie ravine where the baggage had arrived.

The Baggage Master, Lieutenant Sweeney, King's Own Regiment, with great readiness massed the baggage in a safe position, and the baggage guard, consisting of two Companies of the 4th King's Own Regiment, and one of the 10th Native Infantry, under Captain Roberts, of the former corps, until disabled and subsequently under Lieutenants Abadie (11th Hussars) and Sweeney, were brought forward and most effectually checked the attempt of the enemy to penetrate into the Arogie ravine.

Arrested at the head of the ravine and driven back by the baggage guard; closed in upon by Chamberlain's Pioneers and two Companies of the 4th King's Own Regiment, whom Sir Charles Staveley had wheeled on to their flank; the enemy suffered most severely; large numbers were seen to fall from the admirably directed fire of the mountain guns.

Theodore's troops had advanced with the full confidence of men accustomed to victory; they had cast themselves off from their starting ground to which there was no return.

They had been promised by Theodore that they should be enriched by the spoils of the English, and it was not without a stout resistance that they were finally driven off the field.

A heavy rain continued during the greater part of the action. The troops, thoroughly wet and tired, but highly elated with their victory, bivouacked, for the night, covering the road to Arogie Pass, and before daylight had re-occupied their commanding position on Affijo, from which they had descended to meet the enemy.

The wounded were promptly attended to, under the direction of Dr. Currie, C.B., Inspector General of Hospitals.

Many wounded Abyssinians were also carried off the field by our troops, and were carefully attended to in our hospitals.

The 2nd Brigade, which came up in the night, occupied the ground which had been held after the action by the 1st Brigade.

According to the best information, the probable number of the enemy was not less than 5,000, of whom at least 3,000 were the regular musketeers, and the remainder less efficiently armed. Theodore distributed new arms to his troops on the day preceding the battle.

The loss of the enemy cannot be correctly estimated; three hundred and forty-nine dead were buried in front of the left of our position alone, and exclusive of those who fell in Staveley's first attack, thirty were badly wounded. Abyssinians were carried to our hospital.

Theodore's Lieutenant, Fetarace Gabsie, and many chiefs of note were amongst the slain.

Nearly all night the calls of the Abyssinians to their wounded friends were heard, and the greater number of the latter were carried from the field. We saw a large number of wounded when Theodore's army surrendered.

The British loss was only twenty wounded, two mortally; this disparity of loss resulted from the determined and persistent attack of the Abyssinians against a better disciplined and better armed force, not better armed, however, as regarded the 23rd Pioneers, whose smooth bore is hardly equal to the double-barrelled percussion gun of the Abyssinians.

There was no hasty flight; the enemy returned again and again to the attack whenever the ground favored them.

I issued orders to provide against the pursuit being carried too far up the hill, which could only have ended by our retiring and giving renewed confidence to the enemy.

On the morning of the 11th, Lieutenant Prideaux and Mr. Flad arrived in my camp, accompanied by Dejach Alema, a son-in-law and confidential chief of Theodore, with a request for peace.

I replied that if Theodore would bring all the European captives to my camp, and submit to the Queen of England, I would promise honorable treatment for himself and his family.

Lieutenant Prideaux returned to Magdala with the letter containing these terms. In the course of the forenoon, he returned again to the British camp with Mr. Flad, but without Dejach Alema; he brought a letter without seal or signature from Theodore refusing my terms. My letter was returned.

I sent back Lieutenant Prideaux and Mr. Flad to intimate that no other terms would be granted.

I considered that a fuller atonement than the surrender of the captives when they could be retained no longer, was absolutely required, and must be exacted; and painful as was the thought of the possible consequences to the captives if Theodore's rage should become excited, I relied for their safety on the apprehension of a renewal of the conflict which demoralized Theodore's troops, and from which Theodore himself was not free, as was involuntarily betrayed by Dejach Alema. I relied also on my threat, which I impressed on Dejach Alema of unrelenting pursuit and punishment of all who might in any way be concerned in the ill treatment of the European captives. I pointed out how the power of Great Britain had already reached Magdala, that no corner of Abyssinia, however remote, could screen any one whom we wished to punish.

Lieutenant Prideaux was met on his return to Magdala by Mr. Rassam, and the remainder of the British prisoners and several of those of other nations, all of whom arrived in my camp before evening.

My further conditions were not complied with. At the request of Dejach Alema, I had promised to abstain from hostilities for twenty-four hours. After the lapse of forty-eight hours, Theodore had not surrendered himself; reliable information reached me that his army was recovering from their defeat, that many soldiers who had been unable to return to Magdala on the night of the 10th had since rejoined their ranks, that fresh defensive arrangements were being made, and that Theodore and his Chiefs even contemplated a night attack on the 2nd Brigade encamped on the lower ground. I, therefore, prepared to attack the enemy's position.

I had originally intended first to assault Fahla from the side which fronted our camp, and was screened from the fire of Islamgie and Selassie. But under the altered condition of the enemy, Theodore having by death, wounds, and desertion, lost half of his army and his bravest Chiefs, I determined to attack Islamgie by the King's road.

All arrangements for this had been considered, and the positions for the Artillery reconnoitred and fixed upon, when information was brought to me that Theodore had left Magdala, and that many of the Chiefs with their followers wished to surrender.

I agreed to accept their submission, and ordered Sir Charles Staveley to advance on Islamgie, relaxing no precautions that I had considered necessary for the attack.

The scarcity of water rendered it impossible to retain any considerable body of Cavalry before Magdala; my personal escort, under a native officer, only remained, and with a few details of other corps was sent under command of Lieutenant Scott, A.D.C., to watch the west side of Magdala, where they took up a good position, until the arrival of the Cavalry under Colonel Graves,* who completed the investment up to the Kaffir Burr Gate, which was watched by the Gallas.

The Bashilo was held by the Head Quarter Detachment of the Sind Horse, under Major Briggs, and detachments of the 3rd Dragoon Guards, 3rd and 12th Cavalry, under Major Miller, to secure that point and provide against the escape of the enemy in that direction by the Minjerra ravine.

A detachment of the Beloochees, under Lieutenant Beville, ascended by the spurs of Fahla, and occupied that important position where they were reinforced from the 2nd Brigade by the Head Quarters Wing of the 10th Native Infantry, under Colonel Field.

The Artillery was placed in position, and the troops advanced, proceeded by Captain Speedy, of the Intelligence Department, with a small escort of the 3rd Light Cavalry, under Lieutenant-Colonel Loch, to communicate with the Chiefs who wished to surrender, and to prevent any misunderstanding.

No resistance was offered.

Sir Charles Staveley effected an entrance to Islamgie and Selassie through a difficult crevice in the rocky scarp.

It would be impossible to arrive at any correct estimate, either of the numbers of the armed men who laid down their weapons, or of the masses of people, men, women, and children whom we found on Islamgie.

It was necessary to collect and guard the arms that were surrendered.

It was also necessary to send down all the disarmed soldiers and the miscellaneous multitude that followed them to the plain below, before I could proceed actively against Magdala.

Theodore himself having abandoned his attempt to escape, was making preparations for defence, and offering us defiance in front of Magdala.

By three o'clock the Abyssinians having nearly all cleared away from Islamgie, I ordered the attack of Magdala to be at once carried out.

The entrance of Magdala is 300 feet above the terraplain of Islamgie, and the ascent is by an extremely steep and rugged path.

Viewing the very difficult nature of the approach, I made the attack as strong as possible, and massed the whole of my Artillery+ fire to cover it, in order to overpower the enemy's resistance and prevent the heavy casualties which I should otherwise have incurred.

The assaulting force consisted of the 2nd Brigade, led by the 33rd Duke of Wellington's Regiment, accompanied by detachments of the Royal Engineers and Madras and Bombay Sappers and Miners, with means of clearing away obstacles.

The 1st Brigade to be in close support.

I concentrated the fire of the Artillery on the gateway and the north end of the fort, which were crowded with the houses of the soldiers, avoiding as much as possible the higher part of the interior occupied by the Abyssinian prisoners and non-combatants.

The enemy carefully concealed themselves from view, so that the place seemed almost deserted, although, when entered by our troops, it was found to be thronged with soldiers, who had thrown away their arms, released prisoners, and the numerous voluntary and involuntary followers of Theodore's fortunes.

The artificial defences consisted of stone walls, loop-holed and surmounted by strong and thick barricades of thorny stakes, with narrow stone gateways. The lower one built up in the interior, the higher one being seventy feet above the lower, and approached by a very steep narrow path winding amongst the soldiers' huts.

The attack was ably conducted by Sir Charles Staveley, whose report is annexed, and gallantly carried out by the troops. Fortunately the defences were very unscientifically constructed, and though the attack was met by a sharp fire from the enemy, yet they could not direct it on the head of the storming party without exposing themselves to the rapid and fatal fire of the Snider rifle, and our loss was in consequence very small.

The Royal Engineers and Sappers and leading sections of the 33rd Regiment were long before they could force an entrance, and during that time nine officers and men of the Royal Engineers and Sappers received wounds or contusions.

At length an entrance was found by means of the ladders, near the gate and by the leading men

* 3rd Dragoon Guards (173), Lieutenant-Colonel Tower; 3rd Bombay Cavalry (183), Captain Macnaughten; 12th Bengal Cavalry (96), Major Gough, V. C.

+ Four 12-pounder Armstrong guns of the G. Battery, 14th Brigade, under Captain Murray; 2 8-inch mortars, manned by detachment of 5th Battery, 25th Brigade, under Brevet Major Hills, V. C.; 12 7-pounder steel mountain guns of the A and B Batteries, 21st Brigade, under Brevet Lieutenant Colonel Penn and Captain Twiss; 4 rocket tubes attached to the Steel Battery; 12 rocket tubes, Naval Brigade, under Captain Fellows.

of the 33rd, who scaled a rock and turned the defences of the gateway, the enemy was driven to the second barricade, and when that was carried, all resistance ceased.

Amongst the dead near the outer gateway were found several of Theodore's most devoted Chiefs; one of them, Dejach Enjeda, had urged Theodore to massacre all the prisoners, a course from which he was dissuaded by others; close to the second gateway lay the body of Theodore.

At the moment when the barricade was forced by the 33rd, Theodore fell, as I have since learned, by his own hand; his troops immediately fled some by the Kaffir Burr Gate, which was found choked with arms that had been cast away in their flight.

Of these fugitives, the greater part fell into the hands of the Gallas, and the remainder, seeing the fate of their comrades, and hearing the taunting invitations of the Gallas, returned to Magdala and surrendered.

The command of Magdala was entrusted to Brigadier General Wilby, who held it with the 33rd and Wing of the 45th Regiments.

So thickly was the fortress inhabited, and so great was the crowd of people, that it was no easy matter to establish order.

Guards were placed at the gates and such place as required protection.

The family of Theodore were committed to the care of Mr. Rassam, who was requested to do all that was in his power for their comfort and protection.

The Abyssinian prisoners were released from their chains, and the very numerous body of Abyssinians, whose histories and condition it was impossible at the time to investigate, were collected in an open space in the centre of the fortress, where they could be protected, and where they quickly threw up small huts for themselves, and remained until their final departure.

On the 15th, the 4th King's Own Regiment relieved the 33rd in Magdala, and the 45th were moved to Islamgie to reinforce the detachment of the 10th Native Infantry under Colonel Field, for the protection of the captured arms and ordnance, and to furnish working parties for their destruction.

The inhabitants of Magdala were collected at Arogie, where great vigilance was necessary to protect them from the Gallas who were lying in wait, both day and night, for opportunities of plundering and destroying them.

Notwithstanding the friendly relations with the Queens of the Gallas, their people were so little under restraint that it was frequently necessary to fire upon them to drive them from molesting our water-parties and carrying off the mules. A party of them in search of plunder even dared to make their way into Magdala, where they were captured by the guard of the 33rd Regiment.

On the 15th and 16th the disarmed soldiers and people of Magdala made their exodus from Arogie.

Every consideration was shown them, and they were allowed to take all their property.

The Arogie defile was guarded by Infantry, and their possession, after crossing the Bashilo, was guarded by Cavalry patrols until they reached Waddeba.

No doubt many of these people deserved little mercy at the hands of the peasants of Dalanta, who had suffered so much misery from Theodore's troops; but having surrendered to the British force, it was incumbent on us to protect them until they reached a point of safety, from whence they could go to their native districts.

On the morning of the 17th, orders were issued to clear every one out of Magdala by 4 p. m. At that hour the whole of the captured ordnance having been destroyed, the gates of Magdala were blown up, and the whole of the buildings were committed to the flames.

The wounded Abyssinians, who had no friends to take charge of them, were conveyed into our hospitals.

The elephants and heavier ordnance having been sent in advance on the 15th, on the 15th of April the force re-crossed the Bashilo on its return to the coast.

I have the honor to enclose plans and photographs to illustrate the course of the operation.

I regret that I have not been able to complete my despatch earlier, but owing to the marching in a difficult country, which has occupied the greater part of the days, and the many demands on my time, it has been quite out of my power.

By the next mail I hope to submit the conclusion of my despatch, which will include the re-embarkation of the greater part of the force, and I shall then have the satisfaction to represent for the favorable consideration of Her Majesty's Government the services of the officers and men of the force which I have had the honour to command, of which it is impossible for me to write in too high terms, and to which I could not now do adequate justice.

I have, &c,

R. NAPIER, Lieut-General, Commander-in-Chief.

From Major General Sir Charles Staveley, K. C. B., Commanding the 1st Division of the Abyssinian Expeditionary Force, to the Deputy Adjutant General.

HEAD QUARTERS, CAMP BEFORE MAGDALA,
14th April 1868.

SIR,—Having been directed by His Excellency the Commander-in-Chief to report on the disposition made of the Division under my command for the attack of Magdala on the 13th Instant, a brief description of the place will first be necessary.

The defences consist of three very steep mountains, named Fahla, Selassie and Magdala, each being surrounded at the top by steep and precipitous scarps. Fahla and Magdala are joined to Selassie by saddles, and are nearly at right angles to it. A tolerably good, but in some places very steep, road leads from the British camp up the north side of Fahla, over the saddle along the south of Selassie, and over the next saddle called Islamgie, into Magdala. A pathway branches off this road at the Fahla saddle to the left, along the foot of the Selassie scarp for some distance, and then turns up a zigzag to the top; another pathway leads direct up to Selassie from the Fahla saddle. Neither of these paths were found practicable for mules, although we had been informed that they were. The summits of Fahla and Magdala are flat, that of Selassie slopes upwards from the scarp to the centre and commands the other two mountains.

On the morning of the 13th Instant, at seven o'clock, a detail of 50 sabres of the 3rd Light Cavalry (Bombay) and 12th Bengal Cavalry, under Lieutenant Colonel Loch, of the 3rd Light Cavalry, was sent up to the Fahla saddle, and placed at the disposal of Captain Speedy, of the Intelligence Department, to communicate with those of the King's Troops who had surrendered.

On the advance being ordered at half-past eight A. M., according to instructions received from the Commander-in-Chief, the G 14, R. A., under Captain Murray, and the two 8-inch mortars under Captain Hills, R. A., were placed under Colonel Wallace, R. H. A., in a position covering the troops with Selassie in front and Fahla on the right, the A 21 Mountain Battery, under Lieutenant-Colonel Penn, having ascended a short distance with the column, was placed in position on a spur to the left of the road to cover the head of the ascent, whilst the B 21 R. A., under Captain Twiss, followed next in rear of the leading Battalion of Infantry.

The 3rd Dragoon Guards, under Lieutenant-Colonel Tower, the 3rd Light Cavalry, under Captain Moore, and the 12th Bengal Cavalry, under Major Gough, V. C., the whole under the command of Colonel Graves, of the 3rd Bombay Light Cavalry, were sent round to the south and below the mountain to prevent the escape of the Magdala garrison in that direction.

The Division moved up the road, the 2nd Brigade, with a ladder party of Sappers, leading. A Company of the Belooch Battalion was sent up the first accessible spur on the right into Fahla, and two Companies of the 10th Regiment Native Infantry up the next spur.

On arriving at the saddle, the advance guard of two Companies of the 33rd Regiment were sent up the direct path to Selassie, and the remainder of the 2nd Brigade, and B 21, R. A., by the pathway above described to the left. The path up the zigzag was so bad that, although practicable for Infantry, only three mountain guns could be passed up, and those by hand. The first Brigade moved along the high road to the south of Selassie, followed now by Captain Murray's Battery, the two 8-inch mortars, and the Naval Rocket Brigade.

The 2nd Brigade crowned Selassie before the 1st Brigade had moved along its southern side. I mention this because Mr. Waldemar, one of the released European prisoners and my guide on the occasion, informed me afterwards, from information he had received, that King Theodore imagined we should advance by the High Road along the south of Selassie, without first occupying Selassie, and had arranged accordingly to fall on our troops from the heights overlooking that part of the road, so far, for reasons which it is unnecessary for me to explain, no opposition was offered to our advance.

The 2nd Brigade having occupied Selassie, the King's troops were ordered to lay down their arms, and retire to the plain below; the first order was immediately carried out, and thousands of men, women, and children left the mountain so soon as the narrow exit permitted.

Some of the enemy, and amongst them the King, being observed on the Islamie saddle, below Selassie, a Company of the 23rd Regiment under Captain Campbell was pushed down the slope to the saddle, and the Cavalry, under Lieutenant-Colonel Loch, advanced along the road; these parties were fired on by the enemy, but the fire being returned, and some of the King's guns being turned on him, by order of Lieutenant-Colonel Loch, he soon retired into Magdala.

I now received the orders of His Excellency the Commander-in-Chief to make the following dispositions for the assault of Magdala by the 2nd Brigade supported by the 1st.

The 33rd Regiment, ten Companies strong, to advance across Islamie, two Companies skirmishing, and two in support, the remaining six Companies, under Major Cooper, commanding the Regiment, headed by a detachment of the Royal Engineers, under Major Pritchard, and the K Company, Madras Sappers and Miners, under Captain Elliot, with powder bags, crow-bars, and ladders to form the storming party.

Two Companies of Bombay Sappers and Miners, under Captain Leslie and Lieutenant Leacock, to follow in rear of 33rd Regiment.

On nearing the steep ascent to Magdala gate, the skirmishers to halt, and be reinforced by the supports, and keep off a fire at the gate and defences during the ascent of the storming party.

The 45th Regiment, under the command of Lieutenant-Colonel Parish, to advance in line in rear of the 33rd Regiment, and the 1st Brigade in column some distance in rear in reserve, except the Punjab Pioneers, left with two Companies of the 10th Bombay Native Infantry to guard the camp.

Two Companies of the 10th Native Infantry, under Colonel Field, to remain on Selassie to guard the arms, and clear the Abyssinians off the mountain.

The two Mountain and the Naval Rocket Batteries, under Lieutenant-Colonel Milward, to be placed on the north end of Islamie, to cover the advance and keep up a fire at Magdala gate.

The G 14 R. A., and two 8-inch mortars, under Lieutenant-Colonel Wallace, now arrived on elephants from below, to advance along the main road south of Selassie as far as practicable, and also cover the advance of the troops.

I leave it to His Excellency how far these dispositions were carried out.

There were two lines of defence, with a gate in each, at the head of the very steep and strong ascent of the point of attack; the first gate had a porch 15 feet deep, filed up as high as 12 feet with large stones. From this line of defence, the enemy kept up a fire through the loop-holes of a wall topped with a strong fence, and a passage for the column could not be effected here until a ladder had been passed over a wall to the right of the gate.

In the meantime, some men of the 33rd Regiment scrambled up a cliff to the right, and succeeding with much difficulty in surmounting the wall and fence, turned the enemy at the gate, and with the head of the column drove him to the second line of defence above; this being comparatively weak, no further resistance was offered.

On entering the second, the body of King Theodore was found shot through the head by his own hand.

The only two gates by which the garrison might have moved out being watched, the one to the south by our Cavalry, and the other to the east by the Gallas, the men laid down their arms, and begged for mercy; this was accorded, and not a man was injured.

I enclose a return of our wounded, all of whom were taken the night of the assault to the field hospital, 2nd Brigade, where they received every attention from Surgeon-Major Wyllie, the Medical Officer in charge.

I also enclose a return, showing the number of rank and file of the corps who took part in the attack, and a return of the ordnance found on the three mountains and destroyed; also a photograph of the attack on Magdala, from a sketch by Major Baigrie, Assistant Quarter Master General.

I wish to bring the names of the following officers to the notice of His Excellency:—

Brigadier General Wilby, who commanded the 2nd Brigade and led it to the assault. He mentions the very effective service rendered him by Captain Hicks, his Brigade Major, Captain James, Deputy Assistant Quarter Master General, and Captain Capel, 12th Bengal Cavalry, A. D. C.

Major Pritchard, R. E. (who was wounded), the senior officer with the Royal Engineers and Sappers, and who mentions the able assistance he received from Captain Elliott, commanding K Company, Madras Sappers.

Captain Foord, Lieutenant Bird, Cornet Dalrymple, and Surgeon Pearl, of the Madras Sappers; Sergeants Harrold and Dean, R. E., Corporal McDonagh, and Sapper Bailey.

Major Cooper, commanding 33rd Regiment, who led his regiment to and over the gate, and I beg here to bring especially to notice No. 3691, Drummer Michael Magner, and No. 949, Private James Bergin, 33rd Regiment, the two men who first forced an entrance to the extreme and turned the gate.

Captain Elliott, who commanded the Madras Sappers.

Lieutenant A. LeMessurier, Royal Engineers; Captain Leslie and Lieutenant Leacock, Bombay Sappers; Captain Bainbridge, Land Transport Corps; who had the very difficult duty of providing water for the troops throughout the operations since leaving the Bashilo river.

Captains Ross and Griffiths and Twentyman, 20th Hussars, commanding Divisions, Land Transport Corps; Major Mignon, Assistant Commissary General, 1st Division, whose difficulties are well known to the Commander-in-Chief; Major Bardin, Assistant Commissary General, 1st Brigade, and Major Goldworthy, Brigade Major of Cavalry, acting as Assistant Commissary General, 2nd Brigade; Dr. Mahaffy, Principal Medical Officer, 1st Division, whose arrangements for the field hospitals were all that could be desired.

Surgeon-Major Wyllie, in charge of the Field Hospitals, 2nd Brigade.

I desire also to bring to notice the Officers of my Staff:—

Lieutenant-Colonel Wood, Assistant Adjutant General, Major Baigrie, Quarter Master General; Lieutenant Saunders, 20th Hussars, A. D. C., and Captain George Arbuthnot, extra A. D. C.

MILITARY.

No. 253.

INDIA OFFICE;

London, the 8rd July 1868.

To His Excellency the Right Hon'ble the Governor-General of India in Council.

SIR,—Intelligence of the complete and most satisfactory termination of the campaign in Abyssinia having been received and submitted to Her Majesty, I am commanded to convey to your Excellency's Government the deep sense which Her Majesty entertains of the service which has been rendered to the Empire by the Government and Army of India.

2. The highly efficient manner in which the force was organised, equipped, and forwarded to the seat of operations, and the gallantry, perseverance, and good discipline exhibited by the troops when in the field have contributed to the attainment of a success of no ordinary character.

3. It is with especial gratification that I find myself charged with the duty of conveying through your Excellency Her Majesty's thanks to the gallant Army of India, and I am commanded to desire that those thanks may be communicated in the most public manner to the entire service.

4. I have separately addressed the Governments of Madras and Bombay on the share which the Armies of those Presidencies have borne in the campaign; and I take occasion to request your Excellency to express to the Commander-in-Chief in India and to the Army of Bengal the high sense entertained by Her Majesty of the very efficient manner in which the Bengal Contingent was equipped and despatched to the Red Sea.

5. I take this opportunity of forwarding to your Excellency a copy of a letter, dated the 1st Instant, which, in accordance with the commands of Her Majesty, I have addressed to Lieutenant General Sir Robert Napier on the termination of the operations of the Abyssinian Expeditionary Force.

I have, &c.,

(Signed) STAFFORD H. NORTHCOTE.

From the Right Hon'ble Sir STAFFORD H. NORTHCOTE, Her Majesty's Secretary of State for India, to His Excellency the Right Hon'ble the Governor in Council, Fort St. George,—(Military), No. 70, dated 3rd July 1868.

I transmit for the information of your Lordship's Government a copy of a despatch,* which, in accordance with the commands of Her Majesty, I have this day addressed to the Governor-General in Council, conveying to the Government and the Army of India the thanks of Her Majesty for the service rendered by them in the conduct of the operations in Abyssinia, the termination of which in the most satisfactory manner has been recently reported to Her Majesty's Government.

2. In making this communication, I take the opportunity of conveying to your Lordship the hearty thanks of Her Majesty's Government for the promptitude with which the demands of the Governor-General in Council and of the Government of Bombay were met by the Madras Government and for the cordial spirit of co-operation evinced by the several departments concerned in carrying your Lordship's instructions into effect.

3. I especially desire to record the high sense which Her Majesty's Government entertain of the zeal and alacrity displayed in the despatch of the detachment of the Madras Sappers and Miners to take part in the Expedition and of the excellent service rendered by that body of men during the campaign, in the course of which they well maintained the high reputation of the Madras Army, no less than of the distinguished Corps which they represented.

From the Right Hon'ble Sir STAFFORD H. NORTHCOTE, Her Majesty's Secretary of State for India, to His Excellency the Right Hon'ble the Governor in Council, Bombay,—(Military), No. 123, dated 3rd July 1868.

I transmit, for the information of your Excellency in Council, a copy of a despatch† which I have this day addressed, by Her Majesty's commands, to the Government of India, on receiving the intelligence of the complete and most satisfactory termination of the campaign in Abyssinia.

2. In doing so, I take the opportunity of tendering to your Excellency the cordial thanks of Her Majesty's Government for the exertions on the part of the Government of Bombay which have so largely contributed to this important result.

3. The energetic and able measures taken by you on the receipt of the instructions which I had the honor to communicate to you in my several telegraphic messages of the 1st, 13th, and 14th of August last, and in my Secret Despatch of the 16th of the same month, rendered it possible for the Expeditionary Force to take the field in sufficient time to accomplish the object of the campaign within the season during which active military operations could be carried on in Abyssinia.

4. I notice that, in your Excellency's telegraphic message of the 29th July, you stated, in answer to a question which I had addressed to you, that "the operations ought to commence by January in order to be finished in one season," and that you "could have the force ready in time, provided only that you could obtain animals, which should be collected immediately."

5. The authority to collect transport animals was conveyed to you by my telegraphic message of the 1st August, and the result was that Sir Robert Napier was enabled to land at Zoula and to assume the command of the Expeditionary Force on the 3rd of January.

6. The precision with which the plans laid for the conduct of the Expedition were carried into execution has been throughout one of its most remarkable characteristics.

7. Her Majesty's Government have not failed to notice and to appreciate your Excellency's personal and indefatigable exertions in the conduct of these preparations. They desire also to acknowledge the great zeal and efficiency displayed by the several departments in carrying out the instructions of your Excellency's Government and of the admirable behaviour of the troops of the Bombay Presidency, both European and Native.

From the Right Hon'ble Sir STAFFORD H. NORTHCOTE, Her Majesty's Secretary of State for India, to His Excellency Lieutenant General Sir ROBERT NAPIER, G. C. B., G. C. S. I.,—No. 3,712A, dated 1st July 1868.

I have the honor to acknowledge the receipt of your Excellency's Despatches, dated the 12th of May and 1st of June, reporting the complete success of the Abyssinian Expedition, the return of the whole force in safety to the coast, and the re-embarkation of the greater portion of it.

2. I have received Her Majesty's gracious commands to convey to you Her cordial congratulations, and to tender to your Excellency and your gallant Army Her Majesty's warm thanks for the service which you have rendered to the country.

3. The foresight evinced in your arrangements, the precision with which you have executed them, the combined promptitude and caution which you have displayed throughout the campaign, the skill with which you have conducted your communications with the Native Chiefs, and the admirable spirit which you have infused into your troops, have enabled your Excellency to carry to a successful issue operations of an almost unparalleled character, overcoming physical difficulties such as few Armies in modern times have encountered, and such as probably no Army has ever surmounted with fewer casualties and a smaller loss of life.

4. Her Majesty has observed with special pleasure the care which has been taken to provide for the wants of the sick and wounded; and, while rejoicing to learn that, under the blessing of God, the losses sustained in the campaign have been but trifling, desires me to convey to your Excellency Her thanks for this foresight, and at the same time to express Her gratification at hearing of the satisfactory progress of the wounded towards recovery.

5. Throughout the campaign, your Excellency has been well and ably supported by the divisional and other Officers under your command, to whom, as well as to the officers employed in the Political Department, I am commanded to express Her Majesty's warmest acknowledgments.

6. Her Majesty desires me to convey to the troops, both European and Native, Her hearty thanks for the zeal, good humour, patience, and fortitude with which they have supported the severe labors and privations of the campaign; for the admirable discipline which has distinguished the entire force; and for the gallantry displayed by those who took part in the final struggle.

7. It is with peculiar gratification that I find myself charged with the duty of conveying these acknowledgments to the Native portion of the Army. They have taken a worthy place by the side of their English fellow soldiers in an operation on which the attention of Europe has been fixed, and have given the world a striking proof of the extent to which India contributes to the power of the British Empire.

8. Her Majesty has observed with much satisfaction the cordiality with which the naval duties of the Expedition have been conducted by Commodore Heath, R. N., and the officers and men of the Royal Navy. The records of your proceedings show to how very great an extent the success of the Expedition has depended on this co-operation.

9. I have submitted to Her Majesty's Government your Excellency's recommendation that a pecuniary grant should be made to the troops in consideration of the gallantry they have displayed and the hardship and losses which they have endured; and I have the pleasure to acquaint you that they have resolved on granting six months' donation batta to the Naval and Military Forces.

By order of His Excellency the Viceroy and Governor General of India in Council.

H. W. NORMAN, Colonel,

Secretary to the Government of India.

With reference to para. 2 of the foregoing G. O. G. G., His Excellency the Commander-in-Chief is requested to cause the despatch in question to be similarly read to the Troops of this Presidency.

Fort St. George, 14th August 1868.

Simla, the 29th July 1868.

No. 726 of 1868.—The following paragraph of a Military letter from the Right Hon'ble the Secretary of State for India, No. 214, dated 25th June 1868, is published for general information:—

PARA. 1.—Having considered in Council your telegram dated Simla, 30th May, inquiring whether an Officer of Cavalry or Infantry may receive compensation, under Despatch No. 160 of 8th August 1866, for sums paid for line steps, I have resolved that such sums may be taken into consideration in estimating the claims of Officers to compensation.

No. 314 of 1868.—The following Extract from Notifications in the Gazette of India, is re-published:—

Financial Department, Simla, the 30th July 1868.

No. 1,490.

Allowances of Military Officers in Acting Civil Appointments.—Read letter from the Deputy Accountant General, Central Provinces, No. 1,146, dated 25th June 1868, enquiring whether deputation allowances to Military Officers in Civil employ acting in appointments the salary of which is consolidated, are to be regulated according to the Rules for Covenanted Civil Servants.

Letter from Accountant General, British Burmah, No. 1,541, dated 7th July 1868, on the same subject.

Read again—

Orders in this Department, No. 534, dated the 16th June 1868, authorizing revised rates of acting allowances for Covenanted Civil Officers.

OBSERVATIONS.—The Governor-General in Council observes that Civil appointments held by Military Officers are of two kinds:—

1st.—Those of which the salary is consolidated.

2nd.—Those which carry staff allowances.

A Military Officer acting in either of these kinds of appointments may substantively be himself in one of the three following positions:—

1st.—Simply a Regimental or Staff Corps Officer out of employ, and drawing only the pay of his rank.

2nd.—In staff employ, Civil or Military, drawing staff allowances in addition to the pay of his rank.

3rd.—Holding an appointment, of which the pay is consolidated.

The Governor-General in Council is of opinion that Military Officers when acting in Civil appointments the pay of which is consolidated, should draw acting allowances, so far as possible, under Civil Rules; and that when acting in Civil appointments carrying a staff salary, they should draw acting allowances as if acting in a Military appointment carrying a staff salary.

RESOLUTION.—The following Rules regulating the acting allowances of Military Officers acting in Civil appointments shall be adopted with effect from the 1st July 1868:—

I.—A Military Officer acting in a Civil appointment the salary of which is consolidated, shall, in respect of acting allowances, be subject to the Rules promulgated in Orders No. 534 of the Financial Department, dated the 16th June 1868, regarding the acting allowances of Covenanted Civil Officers. If such Officer hold a substantive appointment carrying staff allowances, and not consolidated, he will lose half the staff allowance of that appointment.

II.—The subsistence allowance referred to in Rule II of the said Rules shall be the Indian pay and allowances of the rank of the Officer. Provided that in no case shall a Military Officer draw under that Rule a greater or smaller salary than would be drawn by a Covenanted Civil Servant of the corresponding grade as noted in the margin.

Captains and Subalterns correspond with Covenanted Civil Servants of less than 8 years' standing.

Majors correspond with Covenanted Civil Servants of 8 years less than 12 years' standing.

Officers above the rank of Majors correspond with Covenanted Civil Servants of 12 or more years' standing.

III.—A Military Officer acting in a Civil appointment, for which staff allowances are attached and are not consolidated, shall, in respect of acting allowances, be subject to the Rules which govern the acting allowances of Military Officers acting in Military appointments, to which staff allowances are attached.

IV.—If a Military Officer acting in a Civil appointment hold a substantive appointment, the salary of which is consolidated, the difference between the Indian pay and allowance of his rank, and the salary of his substantive appointment, shall, for the purposes of Rule III, be held to be his staff salary.

ORDERED, that the above Resolution be published in the *Gazette of India*, and communicated to all Accountants General and Deputy Accountants General in independent charge, and to the Comptroller General of Accounts.

Allowances—Command—Troops and Companies.—No. 318 of 1868.—The Right Hon'ble the Governor in Council is pleased to declare the following provisions of the Bengal Pay Code of 1849, applicable to the Madras Presidency.

Para. 9. Officers in command of Troops and Companies, whether in their own right or otherwise, are entitled to the Command Money of such Troops and Companies, together with the allowance for writing and stationery, which latter to facilitate adjustment, is fixed at ten Rupees, leaving ten Rupees per month as the contract allowance for repairs of arms. When succeeding to the command of their Corps, and unavoidably retaining charge of their Troops or Companies, the Command Money Rupees 80, is to be withheld, but not the contract allowances, which are to be passed in full.

Para. 12. The several contract allowances for repair of Arms and Accoutrements, of Saddlery and Harness, Shoeing Horses, &c., will invariably be drawn in abstract in the same manner as the Command Money of Troops and Companies, and Commanding Officers of Corps will be held responsible that the said allowances or portions of them, are paid to the Officers entitled thereto.

Para. 13. Captains and Subalterns holding charge of Troops and Companies in their own right, are allowed, during occasional absences, to retain the contract allowances, the necessary expenditure being made by Officers in temporary charge under the general superintendence of Commanding Officers, and the balance accounted for to the absent Officers, or the excess demanded from them as the circumstances of the case may require. The above Officers, namely, those holding charge of Troops and Companies in their own right, forfeit the contract allowances mentioned: 1st, when proceeding to Europe or on leave to Sea, from date of quitting* the Post;—2ndly, when nominated to a Staff situation or detached employ to which an allowance is attached from date of relinquishing charge;—and 3rdly, affairs from date of termination of those periods.

Simla, the 3rd August 1868.

No. 748 of 1868.—The following paragraph of a Military Letter from the Right Hon'ble the Secretary of State for India, No. 228, dated 30th June 1868, is published for general information:—

Para. 5.—I shall not object, however, to an Officer of the Indian Army, who has practically passed a year's probation by service in a Staff appointment, being admitted to the Staff Corps without further probation, on the understanding that he produces all the certificates required by the regulations for such appointment, including those respecting health and conduct, and that his admission dates from the General Order appointing him, subject to the approval of Her Majesty's Government.

FINANCIAL.

No. 290.

INDIA OFFICE;

London, 9th July 1868.

To His Excellency the Right Hon'ble the Governor-General of India in Council.

SIR,—I have considered in Council your Military Letter, dated the 9th March last, No. 96, submitting a recommendation from the Bombay Government that Major Raitt, Superintendent of the House of Correction at Bombay, should be exempted from the operation of the rule which requires that Military pensions shall merge in Civil salaries, and you state that that Officer's case affords a striking illustration of the hardship of the rule, which you earnestly trust Her Majesty's Government may see fit to relax.

* In the Madras Presidency, from date of embarkation.

2. In accordance with your recommendation and that of the Government of Bombay, I will not object to Major Raitt drawing his pension of £341-12 per annum, in addition to the salary of Rs. 300 per month payable to the appointment he is now holding.

I am also willing, in accordance with your strong recommendation, to authorize the following modification of the rule. When an Officer who has retired on a pension obtained not on medical certificate, but after a prescribed period of service, is subsequently employed in any public capacity, he shall be permitted to draw the pension, in addition to the salary of the office to which he may be appointed; but in the event of a Military Officer resigning the service, after he has been appointed to a Civil office, he must at the same time vacate that office. He may, however, be re-appointed to the office, not as a matter of course, but only in the event of your considering it decidedly for the benefit of the public service.

I have, &c.,

(Signed) STAFFORD H. NORTHCOTE.

ORDERED, that the above be communicated to the Foreign, Home, Military, and Public Works Departments; the several Local Governments and Administrations; the Comptroller-General of Accounts, and the several Accountants General and Deputy Accountants General in independent charge.

Also, that it be published in the *Gazette of India*.

No. 2.

From Lieutenant-General Sir R. NAPIER, to the Military Secretary, India Office.

PARIS, July 1st, 1868.

Warrant Officers.—License Tax.—No. 341 of 1868.—The following Extract from Notifications in the *Gazette of India*, is re-published :—

Financial Department, Simla, the 13th August 1868.

No. 1754.—Read letter from the Accountant General, Madras, No. 654, dated the 25th June 1868, enquiring whether paragraph 2 of the letter of this Government, No. 3,527, dated the 1st November 1867, to the Government of Bombay, was intended to supersede the orders conveyed in letter No. 1854, dated 9th August 1867, addressed to the Government of Madras.

Read again Proceedings in this Department of August 1867, Nos. 20 to 22, and of November 1867, Nos. 3 & 4.

OBSERVATIONS.—The Governor-General in Council observes that the orders, dated 9th August 1867, were in wider terms than those dated 1st November 1867, since, under the former, Medical Warrant Officers were absolutely exempted from assessment under the License Tax Act, whether employed in the Civil or Military Department, while, under the later orders, the exemption was limited to Medical Warrant Officers serving in the Civil Department (without any special salary) on the pay which they would have received in the Military Department.

By Act IX of 1868, all Military Officers whose pay and allowances do not exceed Rs. 6,000 per annum, and who are not in Civil employment other than in the Police, are exempted from taxation, and this must be held to include Warrant Officers.

Also by the same Act, all Non-Commissioned Officers and Privates, whose pay and allowances do not exceed Rs. 6,000, are exempt, without any reservation as to the nature of their employment. But there is in the Act no exemption of Warrant Officers in Civil employ other than the Police.

The Governor-General in Council is of opinion that Warrant Officers should not, in this respect, be on a worse footing than Non-Commissioned Officers or Soldiers.

Although by the Act, Non-Commissioned Officers and Soldiers are exempted if their pay and allowances do not exceed Rs. 6,000, practically no Non-Commissioned Officer or Soldier draws higher pay and allowances than Rs. 300 per mensem.

RESOLUTION.—The Governor-General in Council, under the powers reserved to him in Section 4 of Act IX of 1868, hereby cancels the above quoted orders of August and November 1867 in respect of the said Act, and is pleased to declare that all Warrant Officers in Civil employ other than the Police, whose pay and allowances do not exceed Rs. 300 per mensem, shall be exempted from the operation of Act IX of 1868 in respect of such pay and allowance.

If the pay and allowances of any Warrant Officer in Civil employ other than the Police, exceed Rs. 300 per mensem, but do not exceed the sum he would have received in the Military Department, such pay and allowances shall likewise be exempt from assessment under Act IX of 1868 up to the limit of Rs. 6,000 per annum.

ORDERED, that the foregoing Resolution be communicated to the other departments of the Government of India ; the several Local Governments and Administrations ; the Comptroller General of Accounts ; the several Accountants General and the Deputy Accountants General in independent charge.

Also that it be published in the *Gazette of India*.

Inspection of Necessaries—Reliefs.—No. 346 of 1868.—Adverting to G. O. by His Excellency the Commander-in-Chief in India dated Head Quarters, Peshawur, 8th April 1868, No. 121,* the following Extracts from a Military Despatch from the Right Honorable the Secretary of State for India and its enclosures are published:—

Despatch, dated 21st May 1868, No. 54.

Paragraph 1. I forward, herewith, copy of a correspondence with the War Department, on the subject of the inspection and disposal of Regimental Letter to War Office, dated 28th February 1868. necessities brought home by troops from India.

2. Having agreed to the arrangements proposed in the letter from the War Office, of the 27th March 1868, I have to request that a return of the kind thereby required, showing the quantity, condition, and prices (at Indian rates), of the articles taken from India, may be prepared in duplicate by a Board of Survey at your Presidency, prior to the embarkation of each Regiment and detachment, and sent home in every case by the same ship that conveys the troops; also, that you will give instructions for the transmission of one copy of the return, immediately on the arrival of the ship, to the Under-Secretary of State for India, in order that it may be forwarded to the Inspecting Officer representing this Department in the examination of the stores in England.

From the Under-Secretary of State for India, India Office, London, 28th February 1868, No. 1; to the Under-Secretary of State for War.

I am directed by the Secretary of State for India in Council to request that you will draw the attention of the Secretary of State for War, to the subject of the arrangements for the inspection of necessities brought home by troops from India.

Under the present system, agreed upon in 1865, between this Office and the War Department, necessities are not inspected, like other stores brought home from India, by a Committee of Survey, in which the Imperial and Indian Governments are equally represented, but by a Board composed solely of Officers of the Regiment.

It does not appear to Sir Stafford Northcote that sufficient security is afforded in this manner, against the undue condemnation of the stores, or any means of checking the issues made during the voyage and obtaining credit for their value.

The present arrangement was assented to on the part of this office, under the impression that although the articles were paid for in the first instance out of public funds, they were regarded as the property of the Regiment but it is concluded from your letter of the 11th ultimo, No. 52, General No. 1709, that since the abolition of the three per cent. fund, they have been looked upon in the light of public property, and, if so, they should, in Sir Stafford Northcote's opinion, be treated like other Government stores when brought back to this country.

I am directed, therefore, to propose for the concurrence of the Secretary of State for War, that Regimental necessities brought home by troops from India, instead of being surveyed by a Regimental Board, should, in future, be submitted to the inspection of the same Committee which is charged with the survey of clothing, arms, and other stores in possession of Regiments returning from India.

From the Under-Secretary of State for War, War Office, 27th March 1868, No. 2; to the Under-Secretary of State for India.

With reference to your letter of the 28th ultimo, relative to the arrangements for the inspection of necessities brought home by troops from India, and to your proposition, that such necessities should, in lieu of being surveyed by a Regimental Board, in future be submitted to the inspection of the Committee charged with the survey of clothing and other stores taken to and brought home from India by Regiments, I am directed by Secretary Sir John Pakington to request that you will submit to the Secretary of State for India in Council the following arrangements, which have been framed with the view of meeting the requirements of your letter under reply.

1. That, prior to the embarkation of a Regiment from India for this country, a separate return, in duplicate, of all articles of necessities in the Regimental store, which will be taken from India, shall be prepared by the Board of Survey which at present deals with clothing and other stores at the port of embarkation in India, and that such return shall show the quantity and condition of each article and the Indian rates for the same.

2. That the return shall be signed by the Officer Commanding the Corps, who shall retain one copy; the other being forwarded by the Board of Survey to the Under-Secretary of State for India.

3. That, immediately on the arrival of the Corps at its station in this country, the necessities in store shall be examined by the Regimental Board, a copy of whose proceedings, showing any issues that may have been made since the examination of the stores in India, and explanatory of any discrepancy between the two returns, shall then be forwarded to the Under-Secretary of State for War, for the guidance of the Inspecting Officer who represents this Department.

6. That the Inspecting Officers shall examine the actual quantities of the necessities brought home, and shall report thereon for the information of the Secretary of State for War, giving a summary of the Regimental explanations of any deterioration or deficiency which may have been discovered on comparing the actual state of the stock with the report of the Indian Board of Survey.

7. That the Inspecting Officers furnish a valuation statement, based, as regard rates on the War Office Necessaries' Price Circular in force at the time of their inspection, of the articles of necessities brought from India which will be retained by the Corps, in order that the value of such articles may be passed to the credit of the Indian Government.

I am further to state that all articles finally rejected by the Survey Committee will be forwarded to the India Store Department, and that Officers Commanding will be called upon to account for the value of all necessities which may remain chargeable to the Corps under the original Indian Survey Report, but which may not have been reported by the Inspecting Officers in this country as either,—

MILITARY.—No. 254.

INDIA OFFICE; London, 16th July 1868.

To His Excellency the Right Hon'ble the Governor-General of India in Council.

SIR,—I have submitted, for the opinion of His Royal Highness the Field Marshal Commanding-in-Chief, your letter No. 113 of 23rd March last, and its enclosures, relative to a representation from

of the Madras Staff Corps, against the post-dating of his Commission as Colonel, and those of Officers similarly situated, with reference to Despatch No. 115 of 31st May 1866, which declared that the period during which an Officer not a substantive Lieutenant-Colonel is absent from his Command on any account whatever, can only be allowed to reckon as qualifying for the rank of Colonel under the eight years' rule.

2. I have been informed by His Royal Highness in reply, with reference to the provision of the Royal Warrant upon that point, that, in the case of a Major and Brevet Lieutenant-Colonel holding a qualifying staff appointment, it has been ruled that temporary leave of absence shall reckon toward his Colonelcy under the five years' rule, but that, in the case of an Officer of the rank of Major and Brevet Lieutenant-Colonel whilst absent from a regimental Command, such period of absence is not allowed to reckon under the five years' rule.

I have, &c., (Signed) STAFFORD H. NORTHCOTE.

2. G. O. C. C. No. 90, dated 2nd November 1863, and G. O. C. C. No. 46, dated 16th May 1864, on the subject of Gardens for the Soldiers of the Native Army, and seeds for the same, remain undisturbed, by the orders now published:—

REVISED RULES REGARDING SOLDIERS' GARDENS.

[In supersession of G. O. C. C. dated 5th July 1864, and emendations subsequently issued.]

His Excellency the Commander-in-Chief is pleased, with the sanction of Government, to publish the following revised rules on the subject of Soldiers' Gardens, in supersession of G. O. C. C. dated 5th July 1864, and emendations subsequently issued:—

Description of Soldiers' Gardens.

Two kinds of Soldiers' Gardens.

1. Soldiers' Gardens are of two kinds.

I. Regimental—worked by the men entirely, at fixed rates, or by natives under regimental supervision, and supplying vegetables for the Commissariat Department or local market; these should be at a convenient distance from the Barracks.

II. Company, or small plots in the immediate vicinity of the Barracks—worked solely by the men themselves for their own amusement and benefit.

Distinctions to be observed in correspondence. 2. These distinctions, "Regimental" and "Company," will be observed in all correspondence.

Formation of Garden Fund and Committee.

3. In each regiment of Cavalry or Infantry, and in each division of Artillery, and at each Convalescent Depot where a regimental Garden is worked,

Formation of Garden Fund and Garden Fund Committee.

a Garden Fund shall be established under the management of a Committee of three Officers. In batteries of Artillery or in small detachments of Cavalry or Infantry, the Fund will be under the management of any one Officer the Commanding Officer may appoint.

Accounts and Reports.

4. All monies realized by the sale of the produce of a Regimental Garden will be paid into the Garden Fund on the 1st of each month; a Debtor and Creditor statement of the accounts of the Fund will be prepared, and each Soldier who worked in the garden will be remunerated according to his skill and diligence agreeably to a scale to be fixed by the Garden Fund Committee, care being taken to retain a sufficient balance to defray all incidental expenses, such as repairs of tools, carriage of seeds, repair of enclosing wall or fence, and all such charges, as will not be paid for by Government.

5. On the 1st of April in each year an abstract of the accounts for the past twelve months will be transmitted to the Quartermaster General, accompanied by the Report of the Committee giving full information regarding the working of the gardens, number of men employed, effect on character, &c. A report by Officer in medical charge, stating the effect gardening has had on the men's health, will be attached.

6. The Annual Reports will be submitted to Army Head Quarters by Commands collectively, accompanied by a compiled abstract, and the opinion of the General Officer Commanding on the subject.

Medical Officers' Report.

Selection of sites and preparation of the ground.

7. In order to prevent any future objections being raised, either by Medical Officers or Officers of the Public Works Department, to the sites selected for gardens, they are to be chosen by the Cantonment Committee; and the Executive Engineer must state on the report whether there is any Departmental objection to the site or sites.

Report to be submitted for sanction of Commander-in-Chief.

8. The report, accompanied by a sketch of the site and adjoining buildings, will be submitted for the approval and sanction of the Commander-in-Chief.

9. Sanction having been obtained, it will be the duty of the Barrack Department, under the authority of a station order, to have the soil turned up and the site enclosed. The soil must be turned up to a sufficient depth, one foot at least, so that all stones, bricks, or refuse material, which may have become imbedded in the soil when the barracks were being built, may be removed.

It is absolutely necessary that the enclosures to be provided shall be constructed in the most economical manner possible; they may be either a light fencing, or mud wall, 2½ feet high and 1 foot thick at the top.

Enclosures to be inexpensive.

10. The Barrack Master's bill for the work done, to which must be attached the certificate of the Officer Commanding the regiment or detachment that the work has been properly executed, will be paid by the Regimental Paymaster.

11. The expense of turning up the soil and making an enclosure on the first formation of a garden will only be defrayed once by the State.

12. The cultivators of Company Gardens will be responsible for their own enclosures or fences, but all repairs to the fence or wall of the Regimental Garden, or turning up any fresh ground that may be afterwards added, must be effected at the expense of the Garden Fund.

13. Whenever moveable column bearers are not required for other purposes, they are to be made available to assist in the Regimental Garden, or to bring manure from the Government cattle sheds.

Water Supply, repairs of Wells, Gear, &c.

14. The Public Works Department will make all necessary arrangements for maintaining a sufficient water supply for the irrigation of the Company and Regimental Gardens according to local circumstances, either by the construction of narrow surface water courses (covered over when crossed by a road,) from the nearest wash-house or well, to the Garden; and the establishment of one or more masonry reservoirs in convenient situations; or if found less expensive or more convenient, by the construction of one small well with a reservoir attached for each Company Garden; but in either case the wells must be properly fitted by the Public Works Department with efficient means to enable the water to be drawn either by hand or by bullock, or other draught: Persian wheels, where used, will also be supplied complete in the first instance, by the Department Public Works.

15. The repairs to wells, reservoirs, and masonry water courses, both for Company and Regimental Gardens, will be made by the Public Works Department, on the requisition of Commanding Officers.

Repairs to wells, &c.

ropes supplied, in the same manner as they are when provided for baths, and wash-houses; but when used exclusively for Company Gardens no expense on account of renewals or repairs to gear, &c., will be borne by the State.

When used for Company Gardens.

17. The gear of wells worked by chursahs and used exclusively for Regimental or Company Gardens, will be provided in the first instance by the Barrack Department, but no renewals or of repairs to, chursahs, pulleys, ropes, or the fittings of any well, exclusively used for watering Company Gardens, will be borne by the State.

Chursahs and drag ropes, used in watering Regimental Gardens, will not be renewed at the expense of the State oftener than once year. Chursahs and drag ropes will be supplied by the Commissariat Department on Barrack Master's indents.

18. On the 1st of January in each year a Special Committee will assemble at each station to decide upon the number of pairs of bullocks that will be required for the working of the wells kept up for watering Regimental and Company Gardens; and in order that the requirements of the regiment may be fairly considered, a member of one of the Garden Fund Committees in the station will be a member of the Committee.

19. Government bullocks are to be supplied when available; and when these cannot be spared, hired cattle are to be furnished by the Commissariat Department for drawing water. In the event of the sudden withdrawal of the Government cattle, the Commissariat Officer will arrange for supplying hired cattle with the least possible delay. The cost of hired cattle will, in all cases, be defrayed by the Regimental Paymaster.

Supply and repair of Tools.

20. Garden implements are supplied agreeably to the following proportions:—

Proportion of Tools allowed.

Hoes.....	5
Rakes.....	3
Spades.....	24
Watering Pots.....	4
Wheelbarrows.....	3

The above is the maximum proportion allowed (to a battery, troop or company,) but Commanding Officers will indent for such quantities only as may be actually necessary.

21. The tools are to be procured from the Barrackmaster; but should he not be able to supply them from his stock, he will at once submit indents on the Commissariat Department for wheelbarrows, and on the Ordnance Department for the other articles.

The tools will be placed under charge of the Regimental Quartermaster like barrack furniture, who will be answerable for them until returned into store or made over to the relieving regiment or battery through the Barrack Master.

22. Prior to the issue of any new implements, the Barrackmaster must apply for a Committee to survey them, and report whether, with proper care, they are likely to last the prescribed period, viz., wheel barrows five years, other articles each two years.

In the event of the Committee deciding that any of the articles are not likely to last the prescribed time, the condemned ones are to be at once returned to the supplying Department, with a copy of the Committee report.

Repairs to tools how to be effected.

Regimental Gardens.

Company Gardens.

23. Where Garden Funds exist, all repairs from time to time required, are to be effected at the expense of the fund; any proved wilful damage to be made good according to the authorized system of assessing barrack damages. Where there is no Garden Fund the tools issued for Company Gardens will be repaired entirely under Regimental arrangements.

Supply of Seeds.

24. Annual indents for flower and vegetable seeds are to be submitted by the regimental authorities, through Commanding Officers of stations, to the Officer of the Quartermaster General's Department at the Head Quarters of the Division or District by the 20th of February in each year, or

in case of a regiment being on the move in relief, as soon after as possible, to enable the necessary indents on England to be despatched before the 1st April.

25. A form of Indent is hereto annexed. The strength of the corps or detachment for which the seeds are required must be shown in the place allotted, and the separate areas intended to be cultivated as flower and vegetable gardens carefully calculated and entered, as well as a list of the seeds required, and the estimated quantity of each kind.

Form of Indent.

26. The Officer of the Quartermaster General's Department, after satisfying himself that the indents contain the requisite information, will countersign and at once transmit them to the Superintendent of the Government Botanical Gardens, North-Western Provinces, Saharanpur, for corps serving in the Peshawur, Lahore, Sirhind, Oude and Meerut Division; Rohilcund and Gwalior Districts; and to the Superintendent, Government Botanical Gardens, Calcutta, for the remaining Divisions and Districts of the Army.

Examination of Indent.

27. The Superintendent will cause the indents to be checked, and make the necessary arrangements for complying with them at the proper season, noting on the cover of each packet, previous to distribution, the name and quantity of the seeds they respectively contain, as well as the month in which they should be sown; and the whole supply on each Regimental Indent, well packed, is to be addressed to the Indenting Officer, and forwarded either by Dak Baghy or Bullock Train, bearing, or by other available means of transport, where there is no Bullock Train.

28. Whenever the Superintendent Government Gardens cannot arrange for the supply of the seeds required, he will, after checking the quantity, note on the back of the indent his inability to do so, and transmit it for compliance and despatch as above directed to the Secretary of the Agri-Horticultural Society at Lahore or Calcutta, as the case may be; the Secretaries of those Societies forwarding their bills for payment of the cost of the seeds, packing and other necessary charges, together with the original indent and the receipt of the Indenting Officer for the seeds thus supplied, to the Superintendent of the Botanical Gardens applying for the same, who, with the sanction of Government, will arrange for the payment of the charges incurred.

29. Potatoe seed will be procured by Commanding Officers of regiments by indents on the Executive Commissariat Officer, the quantity indented for being regulated by the amount of ground indented to be sown, which will be shown by the certificate under the signature of the Commanding Officer attached to the indent.

30. Potatoe seeds, if small, are sown whole, and in quantity from 122 to 220 seeds per acre; but if large seeds are used, they are generally divided into two or three sets, depending on the number of eyes, and the quantity shown per acre ranges from 220 to 275 seeds. The yield is generally from 80 to 220 maunds per acre, according to the condition of the land.

31. Regiments to bear the cost of carriage of seeds, where there is not a Regimental Garden Fund capable of sustaining the cost.

Supply of Produce to Commissariat Department.

32. As a first step towards the provision of vegetables for the Troops, recourse is to be had to Regimental Gardens, it being the desire of Government to give these gardens every reasonable encouragement.

33. In furtherance of this object, Executive Commissariat Officers will, in the first week of January of each year, furnish Officers commanding stations with a memorandum, showing the probable quantity of vegetables that will be daily required for European troops during the ensuing official year.

34. On receipt of this memorandum, Commanding Officers will ascertain from Officers commanding European Corps, the extent to which the gardens are likely to furnish the quantity required; the several kinds of vegetables that can be supplied in each month of the year, and the price at which, in their opinion, payment should be made.

* In substitution for the rest of this para. read "to the Local Executive Commissariat Officer."

† Read "The Commissariat Officer."

‡ Read "The Commissariat Officer."

§ Insert "through the Commissary General."

Formation and assembly of Committees.

To be composed as follows:—

Head Quarters Stations.

Deputy Inspector General of Hospitals or Senior Medical Officer H. M.'s Forces.

Executive Commissariat Officer.

A Field Officer or Captain.

Out-Posts.

A Field Officer or Captain.

An Officer in charge of a Troop or Company.

A Medical Officer.

36. If it shall appear that these gardens are capable of supplying only a portion of the vegetables required, or that the gardens cannot be depended on to supply any, Committees will determine what description and quantities of each kind, reported to be obtainable from other sources during each season, should be issued in the several months.

Proceedings of the Committee to be forwarded to the Executive Commissariat Officer.

35. On the above information being obtained, Commanding Officers of stations will assemble Committees to determine the articles that should be taken from the gardens during each month of the year, and to fix the prices to be paid for the vegetables; due consideration being given by the Committee to the interests of the Soldier, and to the prices locally prevailing for the description of articles recommended by the Committee.

37. The proceedings of Committees, on being closed, are to be made over to Executive Commissariat Officers, who will arrange for the supply of the articles recommended by Committees to complete the quantities which the Soldiers' Gardens may be unable to supply.

Prizes, &c.

38. Special Committees will assemble once a year, at such time as the local authorities may deem best, so as to allow of the several descriptions of gardens, flower and vegetable, being properly inspected, and the prizes for the year awarded.

The reports to be prepared in duplicate; one copy being retained for record in the Brigade or Station Staff Office.

Competition to whom restricted and scale of prizes.

For a Regiment of British Cavalry or Infantry, or Division of Artillery of three or more batteries:—

1st. Prize for the best garden in every respect, whether cultivated by one or more Soldiers..... Rs. 25.

2nd. Prize for second best garden, whether cultivated by one or more Soldiers..... Rs. 20.

For a detached wing of British Cavalry or Infantry, or division of Artillery of two batteries:—

1st. Prize for best garden in every respect, whether cultivated by one or more Soldiers..... Rs. 20.

For competition by each battery of a division, or each troop or company of a regiment, or each Convalescent Depot of less strength than 150 men:—

1 Prize of Rs. 15.

1 Prize of Rs. 10.

1 Prize of Rs. 5.

40. It is to be discretionary with Committees to award these prizes in full or in part, according as they may consider the exertions of the men deserve; and in the event of any battery, troop, or company having been unusually industrious and another the reverse, they may transfer the prizes either in part or whole, from the one to the other; but no one man is to receive more than Rupees 15, unless he shall have won either the 1st or 2nd general prizes, in which case he cannot compete for the other Prizes.

Discretionary powers invested in Committee.

41. The best garden of reasonable size in the regiment, cultivated entirely by any one man, will be considered the unit as regards any extent, in awarding prizes to plots cultivated by two or more men.

Restrictions under which Regimental Non-Commissioned Officers may compete for prizes.

42. Regimental Non-Commissioned Staff are not eligible to compete for the prizes, unless it can be certified that the gardens are *bona fide* the work of their own hands, in which case they may compete for the general prizes only.

Garden plots at Family and Band Barracks.

43. The gardens of married men and Bandmen will be taken into consideration in connection with the troops or companies to which the men may belong.

44. In order that the prizes may be paid on the spot to the winners, Presidents of Committees may obtain from the Regimental Paymasters, under a Station Order, an advance to the full extent of the amount allowed for prizes, and in the event of the Committee not awarding the whole sum, the balance will be re-paid to the Paymaster.

45. As soon as practicable after the proceedings of Committee have terminated, a Contingent bill in detail will be forwarded by the President to the Officer of the Quarter Master General's Department attached to the Division or District, for the amount actually presented as prizes, and after having been countersigned by the Officer Commanding the Division or District, it will be returned for delivery to the Regimental Paymaster, who advanced the money, to enable him to settle his accounts.

46. It is desirable that the distribution of prizes should be considered as a Fête for the regiment, and be a holiday for the men at large, the Band playing at the place of distribution, and the Regimental School children attending.

Transfer, &c.

47. In cases of transfer in relief, the relieving regiment will not be required to purchase more than the fruit trees, and the crops which may be in the ground, and which will be ready for the market within two months from the date of the relieved regiment quitting the station.

Conditions of transfer.

48. The Committee, ordered in paras. 1 and 2, Section VII of G. O. C. C., 2nd July 1865, to report upon Canteen property, will also examine and report upon the state of the gardens, Regimental and Company, noticing the following points:—

1st.—The surrounding wall or fence, and implements supplied by Government must be carefully examined, and those reported to be in bad condition must be repaired at the expense of the Garden Fund, or under regimental arrangements, before the gardens are made over to the relieving regiment.

2nd.—The Committee must fix a price upon each description of crop in the ground in both Regimental and Company gardens, provided it be sufficiently far advanced to be reaped within two months.

49. In the event of relieved regiment not leaving the station until the arrival of the relieving regiment, the latter will at once take over the gardens, and on the sale of the crops, the value fixed by the Committee, and not the amount realized, must be remitted to the relieved regiment.

50. When a regiment quits a station before the arrival of a relieving regiment, a selected Non-Commissioned Officer or Soldier will be left in charge of the gardens, but under the orders of the Barrack-master or Station Staff Officer, who will sell the produce as it becomes ready for the market, remitting the amount to the relieved regiment, after deducting the amount of all expenses incurred, such as repairs of tools, well, gear, and the enclosing wall or fence.

51. If the barracks be occupied temporarily by a detachment of not more than three companies, the course laid down in the foregoing para. is to be followed; but the men of the detachment will be permitted to work in the gardens under such restrictions as the Officer Commanding the Station may think necessary to protect the interests of the relieved regiment.

52. A week before the march of a regiment or battery, a Station Order will be issued directing the Barrack-master* to entertain a sufficient number of native gardeners, number and rate of pay to be stated, to assist in keeping up the gardens; and a week after the arrival of the new corps, they will be discharged under similar authority.

The wages of these men will be paid by the Commissariat Department on the Barrack-master's bill, and copy of the station order.

53. Immediately on the arrival of a relieving corps a Committee will assess the value of the produce then remaining in the ground and sufficiently far advanced to be reaped in two months. The gardens will then be at once taken over by the Garden Fund Committee, who will arrange for their cultivation prior to the discharge of the native gardeners, and remit from time to time to the relieved regiment the value of the crops as fixed by the Committee on the arrival of the regiment.

* Add "or Officer directly in charge of Barracks."

A copy of the Committee's report, with a detailed account of the receipts and disbursements up to the date of the transfer of the garden, will be sent to the relieved regiment for information.

Channel of correspondence.

54. All correspondence on the subject of Soldiers' Gardens will be conducted in the Quarter-master General's Department.
