LIST OF HER MAJESTY'S COVENANTED CIVIL SERVANTS ON THE MADRAS ESTABLISHMENT, Corrected up to the 31st December 1869.

The Rank of Civil Servants commences from the date of arrival at Madras of the first Civil Servant appointed in Europe, of the same season of which they are Civil Servants; and, being thus determined, all Civil Servants belong, during the first four years, to Class VI;—from the fifth to the end of the eighth year, to Class V;—from the ninth to the end of the twelfth year, to Class IV;—from the thirteenth to the end of the twentieth year, to Class III;—from the twenty-first to the end of the thirty-fifth year, to Class II;—and from and after the thirty-fifth year, to Class I.

The letters A, B, C, prefixed to the names denote respectively that the parties have not passed either of the two Standards of Qualification; that the first or lower Standard has been passed; that the Servant cannot take Special Leave.

M prefixed to a name denotes that the Servant though not having passed by the 2nd Standard, nor holding an appointment superior to that of Assistant is invested permanently with the full powers of a Magistrate.

Column 2, Capitals distinguish high proficiency. Small roman letters show that the languages were studied in England by Civilians under the new system.

Column 7, Italics show "Dies non" G. I. Resolutions, 5th Nov. and 21st Dec. 1868, Nos. 3,477 and 3,727, Financial. Capitals show Special Leave.

Column 8, The Actual Service shown is calculated in accordance with Rule I, and is the period of Residence qualifying for Pension under Rule XVI, of 1868.

COVENANTED SERVANTS—1ST CLASS.

FIRST CLASS OF 35 YEARS' STANDING.

LIEUTENANT-COLONELS (LOCAL SERVICE)—FURLOUGH—COMMANDS.

No. 967 of 16th September 1869.—The following Military letter from the Right Hon'ble the Secretary of State for India, is published for general information:—

INDIA OFFICE;
London, the 10th August 1869.

His Excellency the Right Hon'ble the Governor General of India in Council.

My Lord,—I have had under my consideration in Council your Lordship's letter dated the 3d of June last, No. 171, requesting a decision on the question raised by the Government of Madras, whether Lieutenant-Colonels of the local service, who have elected the Furlough Rules of 1796, are entitled to resume the command of their regiments on their return to India from leave of absence.

2. According to the custom in the Indian Army under the former organization, a Lieutenant-Colonel commanding a regiment, when going on furlough under the Regulations of 1796, resigned his command; but, as a matter of course, on his return he was appointed to the command either of that corps, or of another to which he had been transferred in his absence.

3. By the new organization, however, if he were to resign the command of his regiment, another officer would be appointed thereto; and, on the return of the Lieutenant-Colonel, it might probably happen that there would be no vacancy to which he could be appointed.

4. To permit a local officer, under the Furlough Rules of 1796, to retain his command as if he were an officer of the staff corps, is no doubt open to the objection raised by the Commander-in-Chief, that it is giving him the benefit of both sets of Furlough Rules. It must, however, be borne in mind that two different matters are bound up in the choice of Furlough Rules, namely, the mode of computing furlough and pay while on leave, and the mode of reckoning service for pension. An officer who has elected the Rules of 1796 might be willing to come under the Regulations of 1868, so far as his furlough is concerned, and yet might be loath to do so, on account of the benefits as regards his service for pension, which he would forfeit by giving up the Rules of 1796.

5. Bearing in mind the difficulty in which such officers may thus be placed, and considering the comparatively small number to whom the Rules of 1796 are now applicable, I have no objection to permit an exception to be made, so far as to permit officers of the local service, appointed to be commanders of regiments, who have chosen to abide by the Furlough Rules of 1796 to retain their appointments during the period of furlough, and on the rates of pay sanctioned by those Rules.

I have, &c., (Signed) ARGYLL.

To His Excellency the Right Hon'ble the Governor General of India in Council.

From Horse Guards, 14th April 1869. My Lord,—I transmit, for the information of your Lordship, a copy of a correspondence which has taken place, respecting the measures about to be adopted for the reduction of the establishment of the non-purchase regiments of the line whilst serving in this country.

2. Your Lordship will observe that it has been decided that, whether there may be supernumeraries or not, promotion shall be given in the room of every Officer who may retire when the interests of any Officers, late of the Indian Army, would suffer by absorption. JUDGE ADVOCATE GENERAL'S DEPARTMENT IN INDIA—REORGANIZATION.

G. O. G., No. 357 of 26th October 1869.—The following Extracts from General Orders by the Government of India, are re-published:—

Simla, No. 1047 of 13th October 1869.—His Excellency the Governor-General in Council is pleased to direct the publication of the following paragraphs of a Military letter from Her Majesty's Secretary of State for India, No. 151, dated 17th June 1869:—

Para. 1. Your Excellency's letter No. 410, dated the 24th October last, forwarding copies of correspondence on the subject of the reorganization of the Judge Advocate General's Department in India, has been considered by me in Council.

* Madras G. O. G., 1st December 1868, No. 434.

GENERAL ORDERS BY GOVERNMENT.

In consideration, your Government have arrived at a decided opinion that there should be a Judicial Department for India, having for its head a specially selected Barrister as Judge (which has been prospectively sanctioned), who should be attached to the head of the Department, the Commander-in-Chief in India.

In each Presidency there should be a Deputy Judge Advocate General—a Military Officer—and departmental experience.

Officers should transact business personally with their respective Commanders-in-Chief, and be the local head of the Department in each Army, but all subordinate to, and in direct communication with, the Judge Advocate General for India.

The Deputy Divisional or District Officers should have the designation of "Deputy Judge Advocate," and be available for employment in any Presidency.

I fully approve of these arrangements, under which your Government anticipate that, when the system is brought into full operation, the number of Deputy Judge Advocates may be reduced, without impairing the efficiency of the Department.

I also approve of your proposal to allow a staff salary of Rs. 1,200 to the office of Deputy Judge Advocate General in Bengal, and Rs. 1,000 to the same office in Madras and Bombay, respectively.

No. 1048 of 1869. —With reference to General Order No. 1047 of this date, the Governor-General in Council is pleased to notify the following appointment:—

Mr. W. G. Romaine, Barrister-at-Law, to be Judge Advocate General in India, on a salary of £5,000 per annum, commencing from the date of his assuming charge of his office.

From the date of Mr. Romaine assuming charge of his office, the designation of the several Officers now at the head of the Department in the three Presidencies will be changed from that of Judge Advocate to Deputy Judge Advocate General, but the existing incumbents will retain their present salaries.

The appointment of Deputy Judge Advocate General at Army Head Quarters as now existing will cease, and the Officer now officiating in it will revert to his substantive position in the Department.

The General Officers Commanding in Chief in Madras and Bombay are empowered to submit to the Commander-in-Chief in India, for the opinion and advice of the Judge Advocate General, all proceedings of General Courts Martial on British Officers and Soldiers in the disposal of which they may experience difficulty or doubt.

After final disposal by the Local Commanders-in-Chief, the proceedings of all General Courts Martial on British Officers and Soldiers are to be forwarded for the information of the Judge Advocate General, and for such observation as they may appear to him to call for—a course similar to that which is followed in the ultimate transmission of proceedings of General Courts Martial to the Judge Advocate General in London.

POSTAGE.

Financial Department, Separate Revenue, Post Office, Fort William, the 26th November 1869, No. 2,755. (Regd.)

The undermentioned public despatch from the Right Honorable the Secretary of State for India, No. 87, dated 16th September 1869, and its enclosures, relative to the withdrawal from Officers serving on board Her Majesty's ships abroad, and from Officers of the Army serving abroad and in the colonies, of the privilege of sending and receiving, in certain cases, their letters at a reduced rate of postage after the 30th December next.

(Public) No. 87, dated 16th September 1869.

From the Secretary of State for India,

To the Government of India.

I forward herewith, for the information of your Excellency in Council, a copy of a letter addressed to this office by the desire of the Post Master General, together with the accompanying Treasury Warrant, from which your Excellency in Council will perceive that the privilege granted to Officers serving on board Her Majesty's ships abroad, and to Officers in the Army serving abroad and in the colonies of sending and receiving, in certain cases, their letters at a reduced rate of postage, will be withdrawn after the 31st of December next, and the Officers of both services placed from that date, as regards the postage of their letters, upon the same footing as the general public.

Dated 31st August 1869.

From Frank Ives Sendamore, Esq.,

To the Under-Secretary of State for India.

I am directed by the Post Master General to acquaint you, for the information of Her Majesty's Secretary of State for India in Council, that the Lords Commissioners of Her Majesty's Treasury have had under their consideration the question of retaining the privilege granted some years ago to Officers serving on board Her Majesty's ships abroad of sending and receiving their letters at a reduced rate of postage in those cases where the British rate exceeds six pence per single letter, and which privilege was subsequently extended to the letters of Officers in the Army serving abroad and in the colonies; and, advertent to the difficulties which have attended the arrangement, in the attempt to confine it to those persons for whom alone it was intended, their Lordships have come to the decision that it is not expedient to continue such privileges after the termination of the present year.

A Treasury Warrant, dated the 17th instant, has accordingly been issued, withdrawing the privileges in question after the 31st December next, from which date the Officers of both services will be placed, as regards the postage of their letters, upon the same footing as the general public.

This decision has been communicated by this Department to the Director General of the Post Office in India; and the Duke of Argyll will probably think it right to cause it to be also communicated to the Government of India.

TREASURY WARRANT.

Whereas by an Act of Parliament passed in the fourth year of the reign of Her Majesty, Chapter 96, for the regulation of the duties of postage, power is given to the Post Master General to remit any of the rates of British postage for the time being payable by law on the transmission of post letters, newspapers, or other printed papers to such extent as the Lords of the Treasury shall from time to time direct; and power is also given to the Commissioners of Her Majesty's Treasury, from time to time, by Warrant under their hands, to alter and fix any of the rates of British or inland postage payable by law on the transmission by the post of foreign or colonial letters or newspapers, or any other printed papers, and to subject the same to rates of postage according to the weight thereof, and a scale of weight to be contained in such Warrant, and from time to time, by Warrant as aforesaid, to alter or repeal any such altered rates.

And whereas further powers were given to the Commissioners of Her Majesty's Treasury by another Act of Parliament passed in the eleventh year of the reign of Her Majesty, Chapter 85, for giving further facilities for the transmission of letters by post, and for the regulating the duties of postage thereon, and for other purposes relating to the Post Office.

* Madras G. O. G., 23rd November 1869, No. 390.

And whereas the Commissioners of Her Majesty's Treasury have at various times, in pursuance and in exercise of the powers so reserved and given to them as aforesaid, by divers Warrants under their hands, made and given certain regulations, orders and directions whereby the several persons in such Warrants respectively mentioned and described, being commissioned and other Officers employed in the Military and Naval Services under Her Majesty, respectively mentioned in the said several Warrants, were authorized to send and receive letters transmitted by the post between the several places therein respectively mentioned, by the means and routes therein respectively mentioned and set forth at certain reduced rates of postage therein specified.

And whereas it is expedient that such Warrants and such regulations, orders, directions, and rates, of postage therein contained should be altered, repealed, and revoked, and that letters sent or received by such persons respectively should be made subject to the several rates of postage and regulations to which ordinary letters of the public are liable in respect of their transmission by the post.

Now we, the Commissioners of Her Majesty's Treasury, in exercise of the powers reserved to us in and by the said two before-mentioned Acts, or either of them, and of all other powers enabling us in this behalf, do, by this Warrant (under the hands of two of us the said Commissioners, by the authority of the Statute in that case made and provided) order and direct as follows:—

1. That the several Warrants, dated respectively the 16th day of May 1857, the 3rd day of October 1874, and the 27th day of September 1867, and so much of the Warrant dated the 1st day of May 1868, as relates to or affects letters sent to or by Superintending or First-Class Schoolmasters in Her Majesty's Army, and also so much of every Treasury Warrant now in force as saves or exempts from the operation thereof letters sent to or by the several persons mentioned in the said Warrants on the 16th day of May 1857, the 3rd day of October 1864, and the 27th day of September 1867, and hereby respectively repealed, revoked and annulled, and that from henceforth letters sent to or by such several persons respectively shall be liable, in respect of the transmission thereof by the post, to the same rates of postage, and to the same regulations, orders, directions, conditions, and restrictions respectively as are now or may at any time hereafter be in force, and applicable to ordinary letters sent and received by the post by the general public.

2. Nothing herein contained shall be construed to repeal, revoke, annul, or, in anywise affect the exemptions and privileges as to re-directed letters granted by or under a certain Warrant, dated the 22nd day of October 1860, which said Warrant and everything therein contained shall remain in full force and effect.

3. The several terms and expressions used in this Warrant shall be construed to have the like meaning in all respects as they would have had if inserted in the said firstly hereinbefore recited Act.

4. The Commissioners for the time being of Her Majesty's Treasury may, by Warrant under their hands, duly made at any time hereafter, alter, repeal, or revoke any of the orders or directions hereby made, and may make and establish other orders or directions in lieu thereof.

5. This Warrant shall come into operation on the first day of January one thousand eight hundred and seventy.

Endorsed by Home Department.

Transferred with the enclosures to the Financial Department.

Ordered, that the above despatch and enclosures be published in the *Gazette of India* for general information.

No. 2,756.—With reference to the public despatch from the Secretary of State, published in this day's *Gazette*, and in exercise of the powers conferred by Section 21 of Act XIV of 1866, (The Indian Post Office Act), the Governor General in Council directs that the privilege heretofore enjoyed by Military Officers serving in India in Military employ of receiving and sending their English letters at a reduced rate of postage shall be withdrawn after the 31st December 1869, and that all such Officers after that date shall be placed, in respect to the postage on their letters, upon the same footing as the general public.

SEPARATE REVENUE.

ASSESSED TAXES.

The 26th November 1869.

No. 2,785.—RESOLUTION.—In continuance of Resolution No. 1888, dated the 24th March 1869, the Governor General in Council is pleased to prescribe the following rules with reference to Act XXIII of 1869 (to enhance the duties leviable under the Indian Income Tax Act.)

1. The proviso in Section 3 of the new Act is meant to meet the case of persons assessable under Part II of Act IX of 1869, the rate of whose chargeable income is higher during the last four months of the year than it was in the previous two months. For instance, if an Officer of Government should return from furlough in Europe in the month of November or subsequently, his salary for November, December, January and February, chargeable in the respective succeeding months, would, under Section 2 of the new Act, be assessable at two and a half per cent. and this would in his case be the entire salary chargeable for the six months commencing on the 1st day of October, if his furlough

allowances were paid out of India. Hence, under Section 3, he would be entitled to a refund of the excess over two per cent. Similarly, an Officer promoted to higher salary in November or subsequently would be entitled to a refund under that Section.

2. It will be most convenient to make this refund by reducing the assessment in such cases on the salary payable in March 1870. The assessing Officer will then be able to ascertain the entire salary chargeable during the six months commencing on the first day of October 1869, and the amount of duty at two per cent. thereon. He will thus be able to adjust any excess over that amount by a diminution of the assessment in March, or, if necessary, by a repayment.

3. The second Clause of Section 2 is meant to provide for cases in which the assessments are made in December before the assessing Officer was informed of the provisions of the new Act.

4. The same remarks apply to annuities and pensions assessable under Part II.

5. The Collector should at once bring to the notice of the proper officer of every Company assessable under Part III that such Company is liable to a further duty equal to half the amount to which it was liable under that Part, and that this further duty is payable on the 1st December 1869.

6. Wherever a notice has been already served under Part IV, Section 16, the Collector will, under Section 6 of the new Act, serve a supplementary notice in the following form:—

Supplementary notice under Section 6, Act XXIII of 1869.

No. To
Date.

Whereas you were served with a notice under Section 16th of the Indian Income Tax Act, requiring you to pay Rs. ———, you are hereby required to take notice that under Section 5 of Act XXIII of 1869, you are liable to a further duty of Rs. ———, payable within 15 days of the service of the present notice. A receipt will be granted at (place) on (time) by (name of officer) to whom payment should be made.

(Collector's Signature).

7. If a notice has not been already served on any person liable under Part IV of the Indian Income Tax Act, the form of notice prescribed in the Resolution of the 24th March last will be used, care being taken to enter the enhanced amount in the 5th column of that form.

8. The form of receipt prescribed in the above quoted Resolution requires no alteration; but if in any case a receipt has already been granted, the term 'supplementary receipt' should be used.

9. A register of supplementary notices should be kept in the following form:—

Register of Supplementary notices under Section 6 of Act XXIII of 1869.

Number of supplementary notice, with date of service.	Number of original notice.	Name of person assessed, with name of trustee or agent, if any.	Amount of additional duty.	Amount of fine under Section 25 of Act IX of 1869, in respect of additional duty.	Date of payment of additional duty or fine, with number of receipt.
1	2	3	4	5	6

ORDERED, that the above Resolution be published for general information in the *Gazette of India*, and communicated to the several Departments, Governments and Administrations, and to the several Accountants General and Deputy Accountants General in independent charge, for information and guidance.

Also to the Comptroller General of Accounts for information and guidance.

DESERTERS.

G. O. C. C., Simla, 3rd September 1869, No. 250.—In G. O. No. 147, dated 25th May 1869, laying down the documents required to be forwarded in cases of Soldiers confessing themselves to be deserters, document 5, the word *opinion* is to be substituted for *proceedings*.

TRANSPORT—PASSAGES—CLOTHING.

G. O. C. C., Simla, No. 254 of 7th September 1869.—Instances having occurred in which the articles of clothing issued to Troops proceeding to England, via the Cape, for use during the voyage, have not, on disembarkation, been returned to the master of the ship, the following extract from a letter from the Secretary of State for India, to the Right Hon'ble the Governor in Council, Fort Saint George, No. 59, dated India Office, London, 24th June 1869, is under instructions from Government, published for information and guidance:—

"3. In view to prevent, as far as possible, any repetition of cases similar to the present, I request that Clause 24, Section 7 of the articles of agreement of all vessels which may be engaged for the conveyance of troops from your Presidency to this country, via the Cape of Good Hope, after the receipt of this despatch, may be so altered as to specify very distinctly that these articles of clothing are to be put on board, but that they are only for the use of the troops during the voyage.

"4. Care should also be taken to prevent the Government property which may be put on board for the use of the troops, being received and taken charge of by any other person than the master of the vessel, who alone is responsible for it under the terms of his articles of agreement.

"5. In communicating with the military authorities at the Horse Guards upon the subject, I requested with reference to the Horse Guards' Circular (Quartermaster General) of the 5th November 1862, No. 135, which was published in India in 1865, also to the General Orders noted in the margin, under which the clothing on the "Copenhagen" was supplied, that such instructions might be issued as will ensure compliance by Military Officers in Command of troops on the voyage home, with the terms of the abovementioned orders, and thus prevent losses being entailed upon the revenues of India."

RETURNS—SANITARY.

No. 13, dated 14th January 1868.(c) No. 255.—In continuation of the G. O., quoted in the margin, the following letter is published for information and guidance:—

Copy of letter from the Sanitary Commissioner with the Government of India, to the Officiating Deputy Secretary to the Government of India, Military Department, No. 695, dated Simla, 6th August 1869.

"With reference to Adjutant General's No. 1430, dated 30th ultimo, and enclosures, received with your endorsement No. 34 of the 4th instant, I have the honor to observe that the Returns to be supplied on leaving India, should, in the case of the new Cavalry and Infantry regiments, extend back to the date of their receiving their present designation.

"In order to suit the forms to corps which have never served out of India, the word "formation" should be substituted for "arrival" wherever it occurs, and instead of "who arrived with the regiment in India," the words "who originally formed the regiment in India" should take their place."

2. The above instructions are applicable also to the new Batteries of Royal Artillery.

3. The Sanitary Commissioner with the Government of India has also intimated that Returns in the case of the Artillery are not required to be prepared for a Brigade, but separately for each Battery as it embarks in course of relief.

GENERAL ORDERS BY COMMANDER-IN-CHIEF.

G. O. C. C., No. 135 of 9th October 1869.—The following General Order by His Excellency the Commander-in-Chief in India, Simla, 28th August 1869, is re-published:—

In continuation of G. O. C. C.,* dated 2nd July 1869, page 276, and Adjutant General's Circular, No. 46† of the 26th idem, Horse Guards' General Order, No. 60 (specially issued on the 14th May 1869,) and No. 62 (specially issued on the 21st May 1869,) are re-published (the former as subsequently amended) for general information and guidance:—

No. 60—Discipline.

The attention of General and Commanding Officers is called to the 167th Article of War, which empowers Courts of Inquiry, assembled to record the absence without leave of Soldiers, to take evidence upon oath respecting the deficiency of any articles of the absentee's kit, as well as to the fact of the man's absence.

The declaration of such Courts is to be entered in the Regimental Court Martial Book, and that record, or a copy thereof, purporting to bear the signature of the Officer having the custody of the Regimental Books, shall be admissible in evidence of the facts on the trial of the soldier.

But it is to be clearly understood, that the proceedings of the Court of Inquiry are not to be produced in evidence, or attached to the proceedings of Courts Martial.

With reference to the concluding paragraph of the 78th Article of War, Courts Martial in recording former instances of drunkenness will enter in their proceedings the number of such instances as approved by reference to the Regimental Defaulter's books. The evidence on this head is to be given by the Officer whose duty it is to prove former convictions, and in the following terms:—

"On reference to the Regimental Defaulter's book now laid before the Court, it appears that the prisoner's name has been recorded therein for the crime of drunkenness—, times since his enlistment."

No. 62—Discipline.

With reference to para. 747 of the Queen's Regulations and Orders for the Army, the attention of General and Commanding Officers is particularly called to the 78th Article of War, which prohibits the trial of private Soldiers by Regimental Courts Martial, for drunkenness not on duty. If therefore a Soldier commits that offence, in combination with some other crime for which it is intended to bring him to trial before a Regimental Court Martial, the act of drunkenness is not to be added to the charge on which he is to be arraigned; but, as it is necessary that the drunkenness should be recorded, in order to compute the fines which may have to be subsequently levied, Commanding Officers should award punishment for that offence before the prisoner is brought to trial on the other charge.

SOLDIERS—DISCHARGE DOCUMENTS—INSTRUCTIONS.

G. O. C. C., No. 136 of 12th October 1869.—The following General Orders by His Excellency the Commander-in-Chief in India, is re-published—especially with reference to G. O. C. C., No. 94, dated Ootacamund, 10th August 1867:—

Simla, 10th September 1869.—The Commander-in-Chief has directed the publication of the following instructions regarding the discharge and the preparation of the discharge documents of Soldiers of the British Forces.

2. The annexed Schedule, drawn up for the sake of convenience in the form of "Nominal Return," prescribes the documents to be prepared for each man and for each party proceeding to the ports of embarkation, and the foot-notes indicate what papers are to be forwarded to the Adjutant General's Office† at Simla,§ and to the Regimental Depot. The instructions are intended to assist Commanding Officers in complying with the Regulations and to draw attention to the matters in which experience has shown that mistakes most frequently occur.

3. The following Section and paragraphs of the Queen's Regulations are to be carefully consulted and followed, excepting in such matters as are specially provided for by local orders:—

Queen's Regulations, paras. 445, 511, 517, 1324, 1408, 1510 and 1511, and Section 28.

The War Office Forms named are invariably to be used unless they have not been introduced, and are consequently not procurable. In the latter case a note to this effect must be made on the return sent. No return is to be made out on less than a half-sheet of foolscap.

4. His Excellency desires the careful attention of all Officers concerned with the discharge of British Soldiers, to the provisions of this order, a copy of which is to be placed before all Discharge Boards.

5. The embarkation of all Soldiers for discharge out of India is effected during the cold season of the year, and as a rule between the 15th October and the 15th March. The despatch of the invalids

† Madras Circular, No. 2963 of 16th August 1869.

‡ In forwarding Discharge documents to Head Quarters for confirmation the embarkation, depot, to which the Soldier has proceeded, is invariably to be stated.

GENERAL ORDERS BY COMMANDER-IN-CHIEF.

And time-expired men to the several ports is conducted under instructions from the Quartermaster General. Soldiers for free discharge and discharge by purchase are to be sent to the ports of embarkation under Divisional arrangements, but no man is to be despatched from his regiment unless he can reach the port by the 15th of March; and it is to be understood that the authority for the discharge notified by the Adjutant General is conditional on the possibility of the embarkation being effected during the current season, and that if the embarkation does not take place within such period the authority is cancelled.

All Soldiers for discharge, excepting those entitled to passage at public expense to England (who are forwarded via Egypt), are to be sent to Calcutta (a) for embarkation. These men will ordinarily accompany the invalids for the Cape route when despatched from divisions, but there is no objection to their being despatched at any convenient date after the 15th October, after direct communication with the (b) General Officer Commanding the Presidency Division in regard to their passages.

6. All time-expired men, whose period of service will be completed before the 15th March in each year, may be forwarded to the several ports for embarkation to England and the Colonies during the current season, and the despatch from the regiment will be effected at such time as may be directed by the Quartermaster General. Time-expired men who have arrived at the port of embarkation may be embarked for England, before their term of service has actually expired, but if proceeding to the Colonies, they must complete their term at the port of embarkation, their final discharge being effected before they leave India.

7. In the same manner men who will become eligible for a free discharge before the 15th March, the requisite authority for discharge having been obtained, may, if necessary, be embarked for England before the time entitling them to a free discharge is actually completed, but, as a rule, such term should have expired before embarkation, as the loss of a Good Conduct Badge may cause them to forfeit their title at the last moment.

8. The importance of submitting the applications for authority for discharge at a sufficiently early period, is apparent from the foregoing instructions, and it will be seen that, in the case of men who will become eligible for free discharge at a late period of the season, the prospective authority is necessarily conditional on the Soldier conducting himself properly, and thus fulfilling the conditions of discharge. Commanding Officers of regiments and depôts are authorized to detain men who, by the loss of a badge or by not obtaining one, are ineligible for free discharge which has been sanctioned. In such cases a report will be made to Head Quarters in order that the authority may be cancelled.

9. If the authority is not submitted in proper time, it will be seen that the men may forfeit their passage, as no opportunity may occur to send them to the ports of embarkation after the receipt of the authority. (See G. O. No. 215 of 1868.) *Madras G. O. C. C., 15th July 1868, page 170.*

10. Regimental Discharge Boards will be assembled at such times as may be most convenient, but in cases where authority is necessary, such authority must have been previously received.

11. All claims of men for discharge must be investigated, and if possible settled, before the men leave their regiments. If settlement is impracticable, the fullest particulars of the case must be transmitted with them, and reference made to the proper quarter. No claims can be entertained at the embarkation depôts unless they have been previously preferred at the Head Quarters of regiments, or have arisen after departure from the regiments.

12. The discharge documents of men proceeding to the ports of embarkation will be despatched by post and packed in wax cloth* to the depôt direct from the regiment, on or before the day of the departure of the party, and addressed to the Commandant or Paymaster as indicated in the Schedule.† The only exception to this rule is when the corps is stationed so near the depôt in point of time that there is no probability of the packets by post being delivered before the arrival of the party itself. In this case the papers will be sent in charge of the Officer commanding the party, and in all cases the No. 1 Report, Company Defaulter Sheets and Medical History Sheets will accompany the men and be handed to the Officers in military and medical charge respectively.

13. Each packet containing documents sent by post is to be registered and a list of enclosures put up in the packet.

14. Separate lists of all papers sent for each man and party, indicating the date and method of despatch, viz., by post or accompanying the party, will also be sent in a separate cover by post to the Officer commanding and to the Paymaster of the depôt to which the men are proceeding.

15. Duplicates of these lists, addressed to the Officer commanding the depôt and to the Paymaster, will be given to the Officer commanding the party for delivery on arrival.

16. The lists above referred to are to record the documents in the same order in which they are placed in the schedule, and the documents required for each man are to be stitched together and folded lengthwise, the Board's Proceedings being the first document in the series and not round the others as heretofore. The Company Defaulter Sheet, and the Medical History Sheet will, however, accompany the men.

(a) Poonamallee.

(b) Commandant Depôt, Poonamallee.

* To be sent with the Officer proceeding in charge of the party in the Madras Presidency.

† With regard to the parties proceeding to Bombay via Jubulpore, further instructions will be given as to the address of the packets.

17. Officers proceeding in charge of parties are to be instructed that the non-effective account of men who die en-route to the depôt are to be handed to the Paymaster of the depôt on arrival, and not forwarded to the Paymaster of the corps.

18. The Commandants of depôts, whether at the ports of embarkation, or elsewhere, are empowered to address themselves direct to Commanding Officers, and His Excellency desires that all communications from these Officers, concerning the discharge documents or matters connected with them, may be regarded in the light of instructions transmitted by Staff Officers. The Commander-in-Chief further desires to impress upon Commanding Officers the necessity of paying prompt and strict attention to all such communications, as the greatest inconvenience and delay must arise from any neglect in this respect.

19. Officers Commanding embarkation depôts will forward to Commanding Officers of corps report of the embarkation, not only of detachments but of individuals accompanied by a nominal list with regimental numbers attached, of the men referred to.

20. Commanding Officers will, on receipt of the above reports, correct the rolls of their corps and send the requisite advices home in continuation of the returns previously transmitted to England (see G. O., 39 of 1869)—*Madras G. O. C. C., 24th March 1869, page 62.*

(a) Madras. (b) Adjutant General, Fort Saint George.

* Excepting when the application is for time-expired men or Invalids to remain in India or to proceed to the colonies, when a letter will be sufficient.

In such cases the letter must state the man's character and give the information detailed in paras 12 and 13.

† This does not apply to Soldiers enlisted in India.

‡ The production of the guarantee will not be enforced in the case of men who wish to retire on their pension in India, but the Commander-in-Chief desires that Commanding Officers will discourage such men from settling in this country unless they are satisfied that the men can obtain respectable and permanent employment or means of living.

GENERAL ORDERS BY COMMANDER-IN-CHIEF.

14. When men who have elected Indian pension rules apply for discharge to pension, a roll (see paras. 8 and 9, Sec. 44, Part I, Bengal Military Regulations,) is to accompany the application, and the election should be recorded in the letter, and also in the roll, (Vide Madras G. O. C., 1st November 1845, No. 65.)

15. Application for the discharge of a man for any other cause than his own request, or claim, made in the special Form (W. O. Form No. 432), (see Queen's Regulations, paras. 1451, 1452 and 1453)

BOARD'S PROCEEDINGS.

Note.—The Board is required to read to all soldiers who claim their discharge on the expiration of their first period of service, Horse Guards' G. O., No. 28 of 1869, Re-engagements (vide Madras Circular No. 2417 of 21st June 1869.)

16. When soldiers enlisted in India are brought before discharge Boards, whether as invalid, time-expired men, or for free discharge by indulgence, it is to be explained to them that, if they elect for passage and discharge out of India, they will have no claim for passage back to their place of enlistment on receiving their discharge according to their present election. Soldiers electing as above will accordingly be required to sign a certificate to the following effect, which is to be made out on separate half-sheet of paper and attached to the proceedings of the Board:—

"I do hereby elect for passage to _____, and fully understand that after leaving India, I am desirous of returning to it, I shall have no claim to be conveyed at the charge of the State." (See G. O., No. 183 of 1869.)

17. 1st Page.—The regimental number of the soldier in each corps in which he has served is to be recorded at the head of the page in the third line.

CONDITIONS OF DISCHARGE.

18. The conditions of discharge are to be accurately stated in the following terms, according to the nature of the case. Inconvenience frequently arises from this statement being made in indefinite terms.

V. For Incurable Conduct.—

In consequence of his incurable conduct and worthless character, (authority dated—.)

* Men who are prevented by disability from re-engaging after two-thirds of their service, are not to be brought before a Medical Board unless from their state of health they would have been invalided in the usual manner.

Men who present themselves for re-engagement and are not considered fit should, therefore, continue to serve until they are invalided as unfit for further service; or until their limited engagement is about to expire, in which latter case only they will be dealt with under paragraph 1416 of the Queen's Regulations.

† The words in brackets to be omitted in the parchment certificate.

‡ In all cases of discharge by indulgence of men in the second period of service or serving under a second enlistment, the following record will be added to the conditions of discharge:—

Re-engaged [or re-enlisted] prior [or subsequent to] the promulgation of the Royal Warrant of 23rd July 1864 (See G. O., No. 261 of 1868. Madras G. O. C. U., 1st October 1868, No. 123 page 239.)

STABLE GEAR—HORSES—RELIEFS.

G. O. C. C., No. 137 of 15th October 1869.—The following General Orders by His Excellency the Commander-in-Chief in India, are re-published:—

Simla, No. 236 of 23rd August 1869.—The Commander-in-Chief is pleased to notify that when a regiment of British Cavalry is leaving India, or makes over its horses to another regiment, the line gear which is the property of troop Officers shall be taken over by the relieving corps at a fair valuation.

When the gear is handed over a Station Committee will be appointed to fix its value.

SADDLERY—ORDNANCE STORES.

Simla, No. 260 of 7th September 1869.—With reference to Government General Order, No. 266 of 1863 (page 12, Standing Orders), the Commander-in-Chief, under instructions from the Government of India, desires that when articles of harness and saddlery, in use with regiments and batteries which have not served the regulated time, are found to be unserviceable, they are never to be finally condemned until they have been viewed by a Commissary of Ordnance specially deputed by the Inspector-General of Ordnance and Magazines for the purpose.

Commanding Officers will accordingly in the first instance make the necessary report of the unserviceable articles to the Inspector-General of Ordnance.

INVALIDS—DISCHARGE—DETACHMENTS.

G. O. C. C., No. 263 of 25th October 1869.—Simla, 14th September 1869.—The Commander-in-Chief has been pleased to promulgate the following rules for the guidance of General Officers in detailing Officers for duty with detachments proceeding to the ports of embarkation and to England:—

I. On every occasion of a party of invalids proceeding from a Division to the port of embarkation, an Officer who is ordered to England and who is entitled to a passage at the public expense is to be placed in immediate charge of the party, the documents ordered to accompany the men being handed over to him. This Officer will retain possession of all necessary papers, including those he receives at the embarkation depôts, during the entire transit and until he gives over charge of the detachment to the hospital. On no account is he to hand over the custody of the papers, or be removed from the immediate charge of his party en-route. It will be understood that the above rule is not to interfere with the regulations of the service, which require the senior Officer of the entire detachment to assume command and be responsible for discipline.

II. Officers ordered to England for duty at the regimental depôts will be detailed for duty with detachments proceeding by the overland route, whether consisting of invalids or men in health.

III. Officers of the British Service (* not employed upon the Staff) invalided to England are entitled to passages at the public expense and their services are to be utilised for duty with troops either by the overland or Cape route, when required, and when the certificate of the Medical Board does not declare them to be unfit for such duty. Other Officers entitled to public passages (as detailed in G. O., No. 471(a) 11th May 1865, page 73 S. O.) are also available for duty when required.

* See G. O., No. 187 of 1866, *Madras G. O. C. C.*, 3rd May 1867, page 101.

(a) *Madras G. O.*, 2nd June 1865, page 131.

GENERAL ORDERS BY COMMANDER-IN-CHIEF.

IV. If a sufficient number of Officers entitled to public passages, are not available, Officers proceeding home on their private affairs are to be attached to the parties; but these Officers must understand they will have no claim to embark with the troops, unless there shall be no Officers at the ports of embarkation with claims to free passages available to relieve them.

V. The following is the scale of Officers to be employed with detachments of troops embarking for England via the Cape : -

For detachments of 20 and under	60	...	1 Officer.
"	60	90	2 "
"	90	150	3 "
"	150	300	4 "
"	300	400	5 "
"	400	500	6 "

For the overland route the proportion is never to be less than two Officers per 100 men

The above scales are exclusive of Medical Officers.

In cases of emergency and when regiments and detachments embark together, Officers belonging to the former may be attached to the latter for duty during the voyage.

VI. When there is an insufficiency of Officers entitled to free passages at the ports of embarkation to make up the required complement, Officers of the British Service proceeding home on their private affairs shall be next detailed for the duty.

VII. When no Officers proceeding on leave are available, a special report must be at once made for the orders of the Commander-in-Chief of the Presidency (by telegraph if necessary,) who will give such instructions as the exigencies of the case may require.

VIII. The scales laid down in para. V. will be adhered to as far as possible by General Officers of Divisions in despatching the parties down-country for embarkation.

RATIONS—NATIVE—TROOPS.

No. 264.—It has been brought to the notice of the Government of India, that of late years a custom has grown up on the part of Commanding Officers of See G. O., No. 65 of 1868. brigades and regiments of sanctioning the free issue of spirits to the Native troops employed in active operations in the field.

There has been an increasing tendency to assume, that what are considered sanitary necessities for British troops, are equally required for Native Sepoys. This is obviously unreasonable, and it is opposed to the principle on which the Native troops are paid.

The Commander-in-Chief is accordingly instructed to notify that the Government of India declines to entertain demands which it believes to be not only unnecessary but mischievous to the morale of the troops. Commanding and Medical Officers of every degree, therefore, will understand the personal responsibility they incur, when they yield to these demands with a too great facility.

SANITARY--RETURNS WOMEN AND CHILDREN.

No. 266.—The Commander-in-Chief is pleased to direct that in future a General Monthly Return of Sickness and Mortality among the Women and Children of Her Majesty's British Troops serving in the (†) Bengal Presidency shall be rendered by the Medical Department of the British Forces, according to the following Form marked A, and, in order to enable the Inspector-General of Hospitals to prepare such a Return, Medical Officers in charge of batteries of Royal Artillery and regiments of Cavalry and Infantry will furnish the Statistical branch of his Office at (‡) Calcutta with a Return in the Form B.

2. These Returns will commence from the 1st September current, and Executive Medical Officers will transmit them through the Administrative Medical Officers of the circles in which they are quartered, within the first week of every following month.
