FROM

LATEST GENERAL ORDERS AND DESPATCHES

AFFECTING

Retiring and Furlough Regulations of 1796.

1. The rules under which the period of service required to entitle Officers to the retiring Regulations is calculated, are as follow:—
2. Officers appointed *direct*, count service from the date of arrival within the limits of the Madras Presidency, unless specially authorized by the Court of Directors to embark in a Ship bound for another Presidency.
3. Officers appointed from Addiscombe subsequently to the 22nd November 1837 to the Cavalry Artillery, or Infantry, count service as above, with the addition of the period passed at Addiscombe after attaining the age of sixteen.
4. Officers of Engineers count service from the date of arrival of the first Artillery or Infantry Cadet of the same examination, with the addition of the Addiscombe period as above. In the event of there being no such Artillery or Infantry Cadet they count service from the expiration of 4½ months from date of examination.
- G. O. G. 11th June 1850, No. 120.
- G. O. G. 10th June 1852, No. 33.
5. Officers appointed in India, count service from the date on which they take the oath of allegiance.
6. Medical Officers and Veterinary Surgeons count service from the date of arrival within the limits of the Madras Presidency.
7. Absence on sick certificate within the limits of India for periods not exceeding two years, successively, as also leave on private affairs beyond the limits of this Presidency, if for periods not exceeding three successive months, are counted in the time of service requisite to entitle to retiring Pay. Officers however serving in other than their own Presidency, may count as service towards pension leave taken within the limits of the former equally as taken within the latter.—Vide G. O. G., 10th December 1861, No. 437.
8. But all Officers quitting India on leave of absence on account of sickness or of private affairs, who shall proceed to Europe without having returned to India, shall be considered as on furlough to Europe from the dates on which they shall have respectively left India.
9. Every Officer who has completed twenty-two years' service in India is allowed to retire with the pay of the rank to which he has attained, except Lieutenant Colonels of Artillery and Engineers, who being in the receipt of Major's pay are restricted to pension of latter rank.—G. O. G., 11th October 1852, No. 95.
10. All effective Officers, without reference to their actual rank, are allowed to retire.

G. O. G., 12th October 1866, No. 374, para. 61.	After twenty years' service in India, on the pay of Captains. After twenty-four years' service in India, on the pay of Majors. After twenty-eight years' service in India, on the pay of Lieutenant Colonels. And after thirty-two years' service in India, on the pay of Colonels. After thirty-five years' service £600 per annum. After thirty-eight years' service £750 per annum.
---	---
11. Officers on producing the prescribed Medical Certificates, countersigned by the Commanding Officer, that they are compelled to quit the service by wounds received in action, or by ill-health contracted on active service, or on detachment or out-post, or any Military duty in notoriously unhealthy localities, after three years' service in India, are permitted to retire on the half pay of their rank. This indulgence, however, can be granted only in England.—G. O. G., 19th April 1859, No. 153.
12. Officers who may be compelled to quit India on sick certificate and who may not be entitled to retire on full pay are to try the effects of a temperate climate for the usual term of furlough before they can be allowed to establish their claim to retire from the service upon half pay. If Officers so circumstanced, proceed to New South Wales, or some other Colony, and apply thence, at a proper time, for permission to retire, satisfactory evidence from the Medical Staff Officer, or other undoubted Medical testimony on the spot, to prove that the applicant is incapable from ill health to the performance of Military duty in India is necessary.
13. Veterinary Surgeons who have actually served seventeen years in India, or twenty years including a furlough of three years, may retire on 7s. per diem,—twenty-five years including a furlough of three years on 8s. per diem, thirty years including a furlough of three years on 12s. per diem. If health do not permit them to continue their service in India, they are permitted to retire after ten years in India, or thirteen years including a furlough of three years on 5s. and 6d. per diem or after six years' actual service in India on 4s. and 6d. per diem.
14. *Vide* G. O. G. 6th June 1861, No. 108.

In lieu of the above scale of retiring pensions, the following rates are authorized:—

Good Service Pensions.

His Excellency the Governor General in Council has much satisfaction in publishing the following extracts from a Despatch from the Right Hon'ble the Secretary of State for India, No. 388, dated India Office, London, the 9th December 1864, sanctioning the establishment of good-service pensions in the Indian Army, as rewards for distinguished or meritorious services.

Para. 1. I have considered in Council your Military Letter, No. 286, dated 18th August 1864, in which you suggest the establishment of a system of good-service pensions for Officers of the Indian Army, based upon that which has been adopted in Her Majesty's British Service.

2. The proposal of your Government is, that fifty such pensions of £100 per annum be given to the Indian Army, under certain conditions.

7. Her Majesty's Government, therefore, sanction the introduction of a system of good-service pensions in the Indian Army, under the following regulations:—

I. Fifty good-service pensions of £100 per annum will be distributed among the Officers of the several Staff Corps and of Her Majesty's Indian Army at the three Presidencies.

II. Officers of all ranks will be considered eligible for the pensions on the recommendation of the Government of the Presidency to which they belong, supported by that of the Government of India; but, except under very special circumstances, the grant will be restricted to Officers above the rank of Lieutenant.

III. The good-service pension will be given up by an Officer on resignation of the service, or on coming into the receipt of the Colonel's allowance; but an Officer placed on half-pay, or retiring upon full or half-pay pension, will retain the good-service pension in addition to such half-pay or pension.

IV. Ordinarily the good-service pension will be conferred upon Officers of the effective list; but Officers who may have been placed on half-pay, or who may have retired from the service on full or half-pay pension, will also be considered eligible for them.

V. On the nomination of any Officer to a good-service pension being sanctioned by the Secretary of State for India in Council, a Notification to that effect will be published in the "Gazette of India," specifying the Military services of the Officer.

APPENDIX.

Applications for Leave.

The attention of Officers Commanding Regiments is called to G. O. C. C. No. 21, dated 13th May 1857, requiring a note to the following effect to be entered at the foot of all applications for final or preparatory leave to Europe for Officers under their command:—

"The above Officer is considered qualified to take Command of drafts of European Recruits, or

" — to do duty with European Recruits," or

" — is not qualified to command or do duty with European Recruits."

2. On all occasions of Officers absent from their Regiments on ordinary leave of absence in India, or on Staff employ obtaining final or preparatory leave in General Orders to proceed to Europe, an immediate report of their qualifications to command or do duty with European Recruits on return to India, is to be made in one or other of the above terms by the Officer Commanding their Regiment, to the Adjutant General of the Army.

On all occasions of Officers being passed by the Presidency Board of Medical Officers for leave to Europe on sick certificate, a N. B. is to be entered at the foot of the proceedings, stating whether the Officer's state of health will admit of his being detailed for duty with Troops proceeding to England. And Officers who obtain leave on medical certificate are warned not to engage a passage to England privately until they ascertain that their services will not be required on public duty.

It having been brought to the notice of Government, that instances have recently occurred in which Military and Medical Officers in Civil employ have obtained leave to Europe through the Civil Department, the Governor in Council desires to call the attention of all Officers, to para. 10, Section XVIII of the General Regulations, and to G. O. G. dated 18th August 1854, No. 191, requiring all applications for leave to Europe to be submitted through His Excellency the Commander-in-Chief.

The Right Honorable the Governor in Council is pleased, in supercession of existing rules regarding the production of certificates of "No Demand" by Military Officers when about to proceed on leave beyond Sea, to promulgate the following rules for general observance:—

Military Officers in Civil employ, from the Accountants of the Government under which they are employed. Officers of the Public Works Department, from the Chief Engineer, Department Public Works. Officers of the Stud and Commissariat Department, from the Auditor of Commissariat Accounts.

Officers of the Ordnance Department, from the Inspector General of Ordnance and Magazines. Regimental and other Military Officers, from the Divisional Paymasters, countersigned in all practicable cases by the Military Accountant.

1. Every Military Officer whether Staff, Regimental, or in Civil employ, on applying for leave beyond Sea, whether to Europe or elsewhere, (leave under G. O. C. C. 2d July 1856, No. 34, excepted) will be required to submit with his application for leave, a report from one of the Officers noted in the margin, according to his Department, stating whether, with reference to the information before him, there is reason to require security as a special case on account of any doubtful items outstanding against the applicant, or because of any thing suspicious or extraordinary in the state of the applicant's accounts.

2. The reporting Officer must not delay his report in ordinary cases, by references to local Officers, as with a proper system of despatch and proper vigilance on his part, he ought, in all ordinary cases, to have the means of judging in his own office.

3. All Officers are reminded of the necessity of using every means in their power for the settlement of their accounts, in order to obviate inconvenience to themselves from any delay in the issue of the reports by the several Departments concerned.

Fort William, 17th July 1860.

No. 755 of 1860.—The following rules will have effect in modification of the existing Regulations on the subject:—

Officers proceeding on leave, on medical certificate, shall not be required to furnish No Demand Certificates or Security.

When an Officer in charge of cash or stores applies for leave on medical certificate, he shall be required to furnish a certificate from the Officer taking charge of his duties, that as far as can be ascertained, after careful examination, nothing irregular nor any known demands against him remain unadjusted in his office.

Officers applying for leave beyond Sea, on private affairs, shall be required, as at present, to furnish No Demand Certificates.

Officers, on leave, on medical certificate, intending to retire from the service, are to give the earliest intimation thereof to the Military Accountant through the Paymaster, so that the requisite No Demand Certificate may be prepared, as no retirement is permitted without such certificate is furnished.

No. 992 of 1868.—His Excellency the Governor General in Council is pleased to notify that, when Military Officers in civil employ shall apply for leave beyond India on medical certificate, the Accountant General of the Province in which they may be serving, and not the relieving Officer, will, on application, furnish the certificate prescribed in the 2nd paragraph of Government General Order No. 755, dated 17th July 1860, an extract from which is subjoined for facility of reference:—"When an Officer in charge of cash or stores applies for leave on medical certificate, he shall be required to furnish a certificate from the Officer taking charge of his duties, that, as far as can be ascertained after careful examination, nothing irregular nor any known demands against him remain unadjusted in his office."

APPENDIX.

The following Extracts from General Orders by the Government of India are re-published:—

Fort William, the 11th January 1869.

No. 34 of 1869.—With the view of preventing the inconvenience which frequently results from the irregular manner in which applications for furlough to Europe from Officers serving under the several Local Governments and Administrations are submitted for the sanction of the Government of India, and from their being unaccompanied by the statements of service and certificates required by the regulations, the following rules are published for the guidance of all concerned.

2. The Local Government or Administration, or Department, under which the Officer is serving will forward the application in duplicate for furlough to Europe on private affairs to the Adjutant General for submission to the Government of India in the Military Department, and on sanction being accorded, an intimation to that effect, or an extract from the General Order, will be sent by the Military Department to the Local Government or Government Department, which will then grant the usual preparatory leave to the port of embarkation. Officers serving out of their own Presidencies will submit their applications for furlough on private affairs to the Government of their own Presidency, through the Government or Administration under which they may be serving.

3. Officers are recommended not to defer submitting their applications to the last moment, as they are on no account to be permitted to leave their stations until they have been officially informed that the furlough has been sanctioned.

4. Care is to be taken that applications are accompanied by the prescribed documents, in duplicate, as specified below:—

I. A certificate of no-demands from the Presidency Paymaster, countersigned by the Military Accountant, or by a guarantee from some respectable person or Agent. Officers should, as early as possible, apply to the Presidency Paymaster for the necessary "no-demand" certificate, countersigned by the proper authorities, at the same time furnishing that Officer with a similar certificate from the Paymaster by whom they were last paid, without which the Presidency Paymaster cannot grant his no-demand certificate. The following is the form of guarantee required in lieu of a no-demand certificate:—

To the Secretary to the Government of India, Military Department.
Sir,—In lieu of the prescribed no-demand certificate, I (or we) hold myself (or ourselves) responsible to the Government for any public demand or demands that may arise against (name and corps) in the event of his being permitted to proceed to (place of leave or furlough).

(Place and date.)

In the case of an Officer serving in the Public Works Department, the no-demand certificate will be furnished by the Public Works Controller of Accounts of the province in which he may be serving. G. O. No. 891, dated 24th October 1866.

In addition to the no-demand certificate, an Officer in Civil or Political employ must produce an acquittance from the Civil Branch of the Office of Account of the Presidency, or Local Government under which he may be serving, or to which he may be responsible.

II. A Statement of leave since entering the service—and Statements of service—in the subjoined forms A, B, C, D (to be prepared by the applicant himself).

No. 193 of
3th June 1856.

"Should an Officer who is on privilege leave not rejoin his Corps, but be absent in continuation, on not more than five months' leave on private affairs, or one year and eleven months' leave on medical certificate, he will retain his full salary or allowances for the thirty days of privilege leave, which will also count as service, but he will, nevertheless, forfeit all Military allowances on completing six months or two years absence, (as the case may be) reckoned from the date that he quitted his Corps and station."

By Officers Commanding Divisions or Forces.

To the aggregate extent of thirty days in six months between the 1st January and 1st July and vice versa (irrespective of Musters) to go wherever the Officer wishes, the Presidency included, and exclusive of leave granted by Officers Commanding Regiments and Stations.

Para. 4. The leaves of absence authorized by the foregoing paras. may one and all be enjoyed by an Officer during the one and same period of six months above specified, without any loss of allowances; provided that in every case the Officer rejoins at the expiration of the particular leave obtained that is to say that an Officer cannot be absent at one time for more than three days on Regimental, ten days on Station, or thirty days on Division leave. But it is to be clearly understood that no consolidated salary, command, staff or contract allowance, shall in any instance, be drawn for two Officers for the same period, and that the State be not put to any additional expense thereby; and in the case of Staff and Medical Officers and Veterinary Surgeons, that they make approved arrangements for the performance of their duties during their absence.

Para. 5. The fact of an Officer having very recently returned to his post from general leave does not debar him from the privilege of obtaining leave under paras. 3 and 4.

Para. 6. An Officer unavoidably overstaying the leave granted him under paras. 3 and 4 will not be liable to forfeiture of Command or Staff allowances, except for the actual period in excess of the leave granted him by either of the above authorities. But it is always competent for the superior Station or Divisional authority to grant extension of such leave, on sufficient cause being shown to avoid even this forfeiture. For instance an Officer unavoidably overstaying Regimental leave may have it converted into Station or Division leave, and in like manner Station leave can be changed into Division leave provided always the prescribed aggregate extent of leave which the different authorities are respectively permitted to grant is in no case exceeded. When an Officer, under the above circumstances, exceeds the sixty days allowed in each half year it will rest with the Commander-in-Chief to grant him an extension of leave to prevent forfeiture of pay and allowances for the period he may have overstayed his original leave.

Para. 6A. Should an Officer on leave under paras. 3 and 4 be put on duty by the Commander-in-Chief at a station at a distance from his own, on a date which, with reference to such distance, would admit of his rejoining, by any mode of travelling within the period of his leave, he will be entitled to compensation for loss of allowances for the period of his detention beyond the expiration of his leave, but if put on duty at a time and place from which he could not with reference to distance rejoin within the period of his leave by any mode of travelling, he will not be entitled to compensation for any period of absence from his Regiment.

Para. 7. Officers not in Civil employ are allowed, when the demands of the service will permit temporary leave, without pecuniary loss or loss of service for sixty days consecutively in each year or thirty days consecutively in each half year as may be preferred.—G. O. G., No. 101 of 9th April 1857.

Para. 8. The above rules are applicable to Divisions and Forces, both within and beyond the Frontier. The existing rule, under which an Officer cannot be absent on privilege leave on the 1st January is abolished, and all that will be required is, that no Officer be allowed privilege leave for more than sixty days at one time or more than sixty days altogether between the 1st January and 31st December of each year.—Vide G. O. G., No. 170, 5th May 1863.

N. B.—In calculating the above leaves of absence the day of departure from Regiment or Appointment is one of leave and day of return thereto one of duty.

G. O. G. G. No. 91 of 26th January 1860.—The following Notifications, from the Foreign Department, are published in General Orders:—

No. 250, Fort William, the 23rd January 1860.—Notification.—The following Resolution passed by the Hon'ble the President in Council, in the Financial Department, under date the 6th instant, is published for general information:—

RESOLUTION.—The Officiating Civil Auditor, Fort William, enquires, with advertence to the case of Major Bouverie, Political Agent at Bhurtpore, whether, in the case of a Military Officer entering upon Civil employ, his score for privilege leave under the Civil rules must commence from the date of joining his Civil appointment, or whether it must be calculated by the usual reckoning of 11, 22, or 33 months of uninterrupted service, irrespective of the Department (Civil or Military) in which such service may have been rendered.

2. Referring to this question, the President in Council observes that, when it was laid down that two or three months' accumulated privilege leave could be granted, under the Civil rules, to Military Officers in Civil employ, it was intended that such leave should be earned by continuous service of the required number of months in the Civil Department alone.

The following Extract of a letter from the Officiating Secretary to the Government of India, Military Department, to the Secretary to Government, Military Department, Fort St. George, dated 3rd April 1860, No. 62, is published:—

"With reference to your letter No. 616, dated the 10th February last, I am directed to state for the information of the Honorable the Governor in Council, that His Excellency the Governor General is of opinion that the Military Secretariat to Government is certainly a Civil Department and that the Military Secretaryship to the Governor or to the Governor General, is as certainly a Military appointment. Accordingly the Civil rules for privilege leave are alone applicable to the former, and the Military rules exclusively to the latter."

No. 344.

The Governor in Council is pleased to authorize the Principal Inspector General Medical Department, to grant privilege leave to Medical Officers in Civil employ at the Presidency, the same being notified in every case in the Official Gazette. Leave to Medical Officers in Military employ will, however, continue to be granted as heretofore.

G. O. G. 3d Feb. 1860, No. 53. The Governor in Council directs that the following rule, contained in G. O. by His Excellency the Commander-in-Chief in India, dated Simla, 12th July 1859, be extended to this Presidency.

G. O. G. 8th March 1861, No. 80. Leave of absence, preparatory to furlough, whether on private affairs or on sick certificate, must always be *general*, and not *privilege* leave.

G. O. G. 10th Dec. 1861, No. 436. With reference to G. O. G., No. 53, dated 3d February 1860, the Governor in Council directs that, in future, in accordance with the practice in Bengal, leave of absence preparatory to retiring from the service shall always be *general*, and not *privilege* leave.

The following Extracts from a Military letter from the Government of India, No. 930, dated 23rd November 1861, are published for general information:—
"Though an Officer taking privilege leave may proceed wherever he may desire, he cannot proceed to such a distance as must preclude the possibility of his rejoining within the period of such leave. Thus as privilege leave, under Military rules, is limited to sixty days, and it is possible, under existing arrangements for transit, to visit Europe and return thence within that period, an Officer cannot go to England on privilege leave on Military rules."
"Government alone can grant an Officer leave to visit Europe."
By order of His Excellency the Commander-in-Chief.

W. G. WOODS, Lieut. Col., *Adjutant General of the Army*.
Under instructions from the Government of India, the Right Honourable the Governor in Council directs the discontinuance from this date of the practice in this Presidency of granting privilege and general leave conjointly; and that in assimilation with the practice in the Bengal and Bombay Presidencies, no extension of leave, whether on private affairs or medical certificate, be granted to an Officer already on privilege leave except when unexpected circumstances render such extension either *very desirable* or *necessary*.
In such cases the absentee will not forfeit any of the advantages of his privilege leave.

Furlough Regulations of 1854.

1. All Officers, Staff as well as Regimental, also Military Officers in Civil employ, must declare their choice of rules on the first occasion of taking leave, whether the leave be in India or elsewhere, and if the leave applied for be in India under the local rules, Staff Officers may make choice of the old Regulations, still retaining their Staff appointments, but, after having elected the Old Regulations, they vacate their appointments on embarking for Europe or the Cape or elsewhere beyond Sea, except for the short periods not exceeding three months under rule 39. Note.—Applications for leave to have a N. B. to the following effect.

N. B.—"This being the first occasion of applying for leave since the publication of G. O. C. C. 9th December 1854, No. 98, Captain A. B. makes choice of the Old Furlough Regulations," or (of the regulations of 1854) as the case may be.

N. B.—"Captain A. B. has on a prior occasion made election of the Old Furlough Regulations," or cannot change to the Regulations of 1854 on subsequently obtaining a Staff appointment, G. O. C. C. 18th November 1856, No. 92.

2. To those Officers who adopt them, the New Regulations will apply retrospectively in respect of furlough and leave of absence beyond Sea, and in computing their time of service for retirement, so that their furloughs or leaves of absence, whether under the old or the new rules, and whether on private affairs or sick certificate within or beyond India, will count for service to the authorized extent only, in computing the time for retirement on full pay.

3. Officers who have availed themselves of the option of the old rules, are allowed to re-consider the question under the modifications now sanctioned.

4. Officers who have not taken leave subsequent to the publication of the new rules on the 1st February 1854, and who consequently may not have been called upon to declare whether they would abide by the old or the new Regulations, will, on retirement from the service, be entitled to take full advantage of the privileges given by the new Regulations.

5. Every Officer will be allowed a furlough to Europe, or elsewhere, beyond Sea, for a period of two years, at the expiration of ten years' service, and for a second period of two years after twenty years' service in India. (Period passed at Addiscombe College not to count.) An Officer proceeding on leave to England for six months, retaining his appointment or otherwise, is not to be considered as having taken his authorized furlough after ten or twenty years, as the case may be, but may, with permission of Government be allowed at any time to take the remainder of the two years authorized furlough on private affairs.—G. O. G. 1st April 1856, No. 102.

6. The second furlough of two years will only be granted after ten years' service in India, from the date of the return to duty after the first furlough of two years. These furloughs are not to be cumulative, under any circumstances, but are limited to two years. Officers who have taken leave of absence on sick certificate to Europe or elsewhere beyond Sea, will be ineligible to a furlough on private affairs until they have served six years from their last return to duty. This rule does not apply to short leave to sea. Officers who take their first furlough after twenty years' service in India, may take their second furlough after an additional service of five years from the date of their last return to duty.—G. O. G. 1st July 1856, No. 211.

7. An Officer of upwards of 20 years' service, but who before completing that period has enjoyed a furlough on private affairs to Europe, for say four years, for three of which he drew pay, has a claim to a second furlough of one year with pay, on the completion of ten years from the date of his return to duty, but, if subsequently to his return from furlough, he has taken leave out of India on S. C. his second furlough on private affairs will not be claimable till the expiration of six years from return to duty from such sick leave as well as ten years from the date of return to duty from furlough on private affairs.

8. N. B.—This rule is not applicable to an Officer who takes his first furlough out of India after completing twenty years' service.

* Madras G. O. G. 5th May 1865, No. 170.

Officers who have proceeded on sick leave to Europe after a period of twenty years' service, it being the first time of their quitting India, can, as in the case of Officers who take their furlough after the same period, take a furlough on private affairs after five years from the date of their return to duty.—G. O. C. C. 18th November 1856, No. 32.

Fort William, the 29th January 1866.

No. 102 of 1866.—The following Military letter from the Right Hon'ble the Secretary of State for India, No. 362, dated 8th December 1865, is published for general information:—

MILITARY.
No. 862.

INDIA OFFICE,
London, 8th December 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.
Sir,—In your Military letter dated 20th September last, No. 403, you refer for my decision a question what has arisen whether leave taken on private affairs without pay out of India, counts as part of the 6 years required before an Officer can obtain furlough after return to duty.

2. From the case which gives rise to the enquiry, I presume the question relates only to Clause 7 of the Furlough Rules, published in Orders by your Government on 17th November 1854, part of which is as follows:—

"Officers who have taken leave of absence on sick certificate to Europe or elsewhere beyond sea, will be ineligible to a furlough on private affairs until they shall have served six years from their last return to duty. This rule does not apply to short leaves to sea."

3. Clause 6 of the same rules states that every Officer will be allowed a furlough to Europe or elsewhere beyond sea for a period of two years at the expiration of ten years' service, and or a second period of two years after twenty years' service in India.

4. It was decided by the Court of Directors in the year 1856, that an Officer who had proceeded on leave to England for six months was not to be considered as having taken his authorized furlough after ten or twenty years, as the case might be; but that he might, with the permission of Government, take at any time the remainder of the two years' authorized furlough on private affairs.

5. The Court of Directors also ruled that absence for six months under Clause 9 did not preclude an Officer from taking his furlough to Europe after ten years' service.

6. It appears to me that the principle of these decisions may be applied to the present question; and absence to Europe on private affairs for six months, and all extensions of such leave granted in that country under special circumstances and without pay, may be permitted to reckon as part of the six years required to be served after return from leave on medical certificate to entitle an Officer to his furlough on private affairs.

No. 1244 of 1869, Fort William, the 15th December 1869.—In continuation of G. O. G. No. 1131* of the 1st December 1868 and under the authority of the Right Honourable the Secretary of State for India, it is hereby notified that the rules laid down in the furlough regulations specified in the margin, which in the former require a period of ten or six years, and in the latter a period of three years, to be completed after return from last furlough before an Officer can be held eligible to a fresh furlough on private affairs, do not apply to the case of a General Officer of the Staff Corps or of the local service who may be unemployed.—* Madras G. O. G. 15th December 1868, No. 450.

Regulations of 1854—G. O. G. No. 1150 of 1854, paragraph 7.
Regulations of 1868—G. O. G. No. 1064 of 1868, Rule VIII.

G. O. G. 28th Dec. 1869, No. 423.

8. All grants of furlough on private affairs are subject to the exigencies of the Public Service, and to the Regulations framed for the preservation of the efficiency of each Regiment by limiting the number of absentees.

9. Officers holding Staff or other detached appointments may be allowed furlough for a period of six months without losing their appointments; but during that period, they will not be entitled to any portion of their Staff salary, which will be drawn in full by the Officers officiating for them. Absence for six months under this rule does not preclude an Officer from taking his furlough to Europe after ten years' service.—G. O. G. 1st July 1856, No. 211.

10. Officers who have come to this country on duty with discharged Troops, and have been granted extensions, (not exceeding six months) of their privilege leave on medical certificate, or on private affairs, shall not be considered to have vitiated their claim to Furlough at the end of ten years' service, though they may not have been six years in India since their return from this country.

Para. 4. I have to inform you that it has been decided that those Officers who have been allowed to count their leave on sick certificate, as service for pension, will be ineligible to a furlough on private affairs, until they have served six years in India from the date of their return to duty. Vide Rule 7.

N. B.—A number of Recruits having been enlisted for the Royal Artillery, for service in India, it has been deemed expedient that a certain proportion of Officers of the Bengal, Madras, and Bombay Artillery should be appointed to do duty with them at the Royal Artillery Depot at Woolwich, until the next season of embarkation, and that some of these Officers should then proceed with the drafts to India.

These Officers will be entitled to count the time passed at Woolwich as service in India, and if they proceed with Recruits, the period occupied by the voyage. The Officers returning with Recruits will be allowed to count the period passed by them on duty at Woolwich, and on the voyage, as past of the qualifying period necessary for them to serve in India before they are again entitled to a furlough to Europe.

APPENDIX.

No. 565 of 1861.—His Excellency the Governor General in Council is pleased to resolve that absence from India, on authorized leave within the periods allowed by the new furlough Regulations, shall not debar an Officer whose efficiency has been proved and certified to the full satisfaction of the Governor in Council from Departmental promotion, temporary or permanent.

In such cases the absent Officer will not, till he resumes charge of his duties, have any claim to the salary of the higher office, which will be drawn by the acting Officer.

Your Military letter dated 20th February, No. 73, transmits, with your favorable recommendation, correspondence relative to an application from Lieutenant Colonel J. McK. Taylor, Commanding 2nd Regiment, Bombay Light Cavalry, praying, that the furlough Regulations may be so far modified as to allow Officers who have taken only one furlough during twenty-seven years' service to take a second furlough, after the expiration of that time, without being compelled to serve ten years from date of return to duty.

2. Under a decision of the Court of Directors, under date the 25th April 1856, No. 56, Officers who take their first furlough after twenty years' service in India, may take a second furlough after a service of five years, from date of last return to duty, or, on completion of twenty-seven years' service in India.

3. In the present case, it appears that Lieutenant Colonel Taylor took his first furlough after a service of eighteen and a half years. Under present rules he cannot obtain a second furlough until the expiration of ten years, from date of return to duty, by which time he will have completed a service of upwards of thirty years.

4. I have no objection to the modification of the Furlough Regulations suggested by your Government in favor of Lieutenant Colonel Taylor and other Officers similarly circumstanced, on the understanding, however, that this is not to affect the Rule under which an Officer who takes his first furlough after twenty years' service, or upwards, must serve a period of five years, from date of last return to duty, before he is to be held entitled to a second furlough.

2. The privilege of retaining appointments during periods of absence not exceeding twenty months, as announced in my Despatch, dated 18th January last, applies only to Officers returning to this country on medical certificate. It was intended as an extension of the privilege of fifteen months' leave allowed by the new furlough Regulations to Staff Officers quitting India on account of the state of their health. With this exception Officers of the Staff Corps, it was stated, would be under the new furlough Regulations. By these Regulations, furlough on private affairs with retention of Staff appointments is restricted to six months.

3. The furlough on private affairs of the Officers of the Staff Corps, with the right of retaining appointments, is to be limited to the same period.

An Officer must have served ten years in India to entitle him to return to this country on private affairs for six months, retaining his appointment and drawing furlough pay.

An Officer who has taken the furlough to Europe for two years, after ten years' service, must show a service in India from date of return of ten years, to entitle him to return to Europe on private affairs for six months, retaining his appointment and drawing furlough pay.

An Officer having taken shorter leaves of absence as a Staff Officer (six months on private affairs fifteen or twenty months on sick certificate) with retention of appointment may take a second leave of absence, retaining his appointment on sick certificate after he has been three years, or on private affairs, after he has been six years in his discharge of the duties of his appointment, from the date of last return to it.

This decision should not be allowed to interfere with the practice which has been followed under the Regulations of 1854, and those in force previously, for permitting Officers in certain cases of emergency to return to this country on private affairs for short periods without pay, and that a Staff Corps Officer permitted to return to Europe under such circumstances should be allowed to hold his appointment for a period not exceeding six months. In fact, this has already been authorized in Question and Answer No. 121, which states that the Government may grant leave of absence for six months on urgent private affairs without pay and allowance to a Staff Corps Officer, with retention of appointment, on being satisfied of the urgency of the case.

I am of opinion also that Staff Officers not members of the Staff Corps should be allowed a similar indulgence under like circumstances.

Regarding the mode of reckoning the service of an Officer of the Staff Corps formerly under the old furlough Regulations, as regards future furloughs such Officers will be under the operations of Clause 7 of the furlough rules of 1854.

10. All Officers, whether Staff or Regimental, while on furlough on private affairs, will be entitled to "furlough pay" only.

11. Leave of absence on sick certificate will be granted for a term not exceeding twenty months, whether it be to any place in Europe or elsewhere out of India.

12. Extensions of such leave may be granted, as at present, on production of medical certificates for further periods not exceeding sixteen months in the whole.

With reference to para. 13. No. 1884.—The grant of leave of absence to Staff Officers, on medical certificate, with half Staff allowances, for six months, and with the privilege of returning to their offices, if their absence from India be not prolonged beyond fifteen months, is bestowed by the Honorable Court, in order to enable such Officers to regain their health, and in the expectation, that they will be thereby qualified to render additional service to the Government. But if leave of absence be taken merely to run out a prescribed

18. An Officer holding a Staff or other detached appointment will be allowed to be absent on sick certificate in England or elsewhere, beyond Sea for a period of twenty months, without losing his appointment; and, during the first six months only of such absence, he will be entitled to draw half the Staff salary of his appointment, the Officer officiating for him drawing the remaining half salary during the first six months, and the whole salary during the remainder of the time.

period of service, and without any intention of returning to duty, the principle on which the rule is founded is infringed, and the indulgence of the Honorable Court is abused; wherefore the Right Honorable the Governor General in Council hereby notifies for general information, that, if there be an avowed intention on the part of an Officer not to return to duty, or if the Government have valid grounds for concluding that the Officer has no intention to return to duty, the indulgence of leave on sick certificate, retaining office, will not be granted in future.

The foregoing was declared in a Notification, No. 2,129, dated 16th April 1856, republished in G. O. G. 2d May 1856, No. 139, to be applicable to all Military Officers holding Political or Civil appointments, either under the Government of India or under any of the Subordinate Governments.

With reference to paras. 13 and 16. 6. If an Officer, having proceeded on leave in India on medical certificate and enjoyed the indulgence to the full extent, proceeds on leave on medical certificate out of India without having returned to duty, the existing Regulation which precludes receipt of Indian allowances for a longer period than two years of continuous absence from duty, is a bar to his drawing Indian allowances for the first six months or for any part of his fresh leave.

8. The new furlough Regulations made no alteration in the old rules governing the resumption of Staff allowances on return to duty. Under those rules an Officer who had ceased, prior to his return, to be entitled to Staff allowances, could not draw any portion of them from an earlier date than that of his resumption of his Staff duties. We think it undesirable to make any change in this respect.

14. An Officer's claim to half Staff salary for six months, as sanctioned in the preceding rule, will not be affected by his subsequently retiring from the service in Europe or elsewhere.

15. No portion of Command allowance, Medical Staff salary or other similar allowance, which under the old rules was inadmissible to Officers absent from their Corps or Stations at the Cape or elsewhere, will be allowed to absent Officers under these Regulations.

16. * All Officers, whether Staff or Regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian Pay and Allowances as was allowed under the old Regulations to Officers proceeding to the Cape on medical certificate, and for the remaining period of their leave they will receive furlough pay only.

17. If the leave on sick certificate be extended, furlough pay will be continued, but under no circumstances for a longer period than three years altogether from the commencement of the absence.

Staff Officers.

18. The term Staff Officer applies to all Officers holding Staff or Detached appointments, Military, (General or Regimental), Political or Civil, also to General Officers Commanding Divisions, Inspectors or Deputy Inspectors General of Hospitals and others who, under the old rules, were entitled to draw half Staff allowance when absent at the Cape.

19. Staff Officers, absent on leave beyond the periods stated in Rules 9 and 13 respectively, cannot retain their appointments and allowances except on special grounds, to be sanctioned by the Government of the Presidency.

With reference to para. 19. 1. The new furlough Regulations are held, not to affect the rules heretofore in force with respect to leave in India, and consequently a Staff Officer obtaining leave of absence in India on private affairs for six months, or on medical certificate for two years, retains during such absence a moiety of his Staff salary as sanctioned by the Regulations for the grant of leave in India which are still in force.

2. A Staff, as well as a Regimental Officer is required, when first applying for leave, whether in or out of India, to declare by which of the furlough Regulations he wishes to abide. A Staff Officer having made his election can take his leave in India as above stated, and should he afterwards require to proceed to England, the retention or otherwise of his appointment will depend upon which of the rules he first elected, and from which he cannot afterwards change.

3. In the event of a Staff Officer electing the new furlough Regulations and taking leave in India, the whole of the leave he has previously enjoyed from the date of his entering the service, excepting the periods allowed by those rules to reckon as service, must be reckoned against his period of service for retirement.

Having considered in Council your Despatch, No. 25, dated 11th February 1859, soliciting instructions as to what may be admitted as special grounds for permitting a Staff Officer, absent on medical certificate, to retain his appointment for any period beyond twenty (20) months, I have to express the desire of Her Majesty's Government that this indulgence should be very rarely granted, and only in cases where it is important on public grounds to retain an Officer's services in a particular appointment, or where the distinguished services of an Officer may entitle him to special consideration.

The concession of leave to Europe in the case of a General Officer is to be considered the exception and not the rule; and, as ground for obtaining such leave, it must be shown that the Officer has contracted illness from the effects of climate, or of wounds received on service in India, or that the nature of the private affairs taking him from India is of a very urgent nature.

Leave on medical certificate will be restricted to six months, and on private affairs to four months, the penalty of exceeding such period being the vacation of the Command, and in no case will a General Officer be allowed more than one grant of leave out of India during his tour on the Staff.

The position of Brigadiers being considered analogous to that of General Officers on the Staff, the principle upon which the indulgence of leave is to be granted will hereafter be the same in both cases.

Sir,—As it appears from recent circumstances that an impression exists in India that Officers Commanding Divisions and Brigades whose leave of absence on sick certificate for that period, are not required to produce evidence of physical fitness for duty before being allowed to return to India, I request that you will notify to the Army at large that all Officers, however employed, and whatever may be the amount of leave granted them, who leave India on sick certificate, are required to produce a certificate of fitness for duty before they can be allowed to return.

20. The privilege of retaining Staff appointments during leave of absence on sick certificate, or on furlough on private affairs, will not be available a second time, if the fresh leave is on sick certificate, until an Officer has been three years, or if on private affairs, until he has been six years in the discharge of the duties of his appointment, from the date of last return to it.

Military, No. 140,

To His Excellency the Right Hon'ble the Governor General of India in Council.
Sir,—It has been brought to my notice that Officers of the Indian Service promoted to the rank of General Officers, and frequently thrown out of active employment for a season as service for pension, but if residing out of India, entitled to count such residence in this respect to Officers on leave.

2. I do not consider, under the altered circumstances of the Indian Service, that this distinction should be maintained, and I have determined therefore, that Officers on attaining to the rank of Major General shall reckon the whole of their service on the effective list, whether employed or unemployed, as service for pension, wherever they may choose to reside.

3. This ruling will take retrospective effect in the case of Officers retiring from the service hereafter.

I have, &c.,
(Signed) STAFFORD H. NORTHCOTE.

21. This rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs in India, or for brief periods not exceeding three months, to Ceylon, the Mauritius, or other places out of India.

22. Officers Commanding Troops of Horse Artillery and Light Field Batteries, and Officers generally in employment, will be allowed leave out of India under the same rules with respect to allowances and tenure of command or office as regulated the grant of leave to the Cape to such Officers under the old Regulations, except as to the duration of those advantages, the time for their continuance being subject to the provisions of the new Regulations.

Date of Furlough and Advances of Pay.

23. The period of furlough on private affairs, or leave of absence on sick certificate, is to be calculated from the date of the departure from India of the ship in which the Officer proceeds.

N. B.—When an Officer is granted permission to return to his duty by a particular ship, it is equivalent to granting him an extension of leave until the arrival of that ship in India.—G. O. G. 15th August 1862.

24. Advances of pay and allowances, Staff and Regimental, to Officers proceeding on leave of absence on sick certificate, who may be entitled to them, will be made if desired in India for three months from date of embarkation. Payments in continuation will be made in England at the rates of exchange fixed annually for re-payment of advances made on account of Her Majesty's Government. Furlough pay will continue to be issued in advance for six months when required by Officers obtaining furlough on private affairs.

1st.—It is the duty of an Officer before leaving India to obtain his last Pay Certificate; he should therefore at the time of applying for leave address the Deputy Paymaster in whose Circle of payment he may be, with a request that his accounts may be adjusted, and at the port of embarkation he should apply at the Pay Office for a last Pay Certificate. In the event of his not being able from any cause to obtain this certificate, he should address the Military Accountant on the subject, and that Officer will investigate the circumstances of the case and submit a report thereon to the Military Finance Department for transmission to Government.

2nd.—In cases in which Officers return Home "for Residue of furlough," the period remaining unexpired should be stated in their papers by the Pay Department.

3rd.—The Right Honorable the Secretary of State for India having observed, in his letter No. 497, dated the 31st December 1861, paragraph 10, that "the final settlement of all pay and allowances issued to an Officer prior to his quitting India, whether in advance or otherwise, is invariably left to the authorities in India, it will not be necessary for the Officers of the Pay Department in future to call upon Officers on furlough in England, who, on promotion, may apply to India for an adjustment of pay (for the period issued to them prior to their leaving this country) to furnish a certificate under the signature of the authorities at the India Office to the effect that no such adjustment has been made by them."

4th.—This order is applicable to the three Presidencies, and will have effect from this date.

No. 750 of 1862.—His Excellency the Governor General in Council is pleased to extend to Officers on leave the rule which permits Officers of one Presidency, when absent on duty, to draw their pay and allowances from the Pay authorities of any other Presidency at which they may be residing, and to lay down the following rules for future guidance:—

Officers of one Presidency may draw advances on account of their pay and allowances which have become due from Paymasters at any other Presidency at which they may be residing, whether on duty or on leave on medical certificate or private affairs.

Officers so situated must furnish, with their Bills, a last Pay Certificate from their own Presidencies, showing specifically the sum to be deducted and the amount to which entitled, and also indicate the General Order or other authority under which they are absent.

These rules are also applicable to cases of Officers embarking for Europe from any other than their own Presidencies, and who may be entitled, under the furlough Regulations, to advances of pay and allowances.

In cases of Staff Officers so situated their last Pay Certificates are to specify clearly the amount of half Staff salary to which they may be entitled during their leave.

In case of emergency, when last Pay Certificates cannot be produced, advances on account of unadjusted arrears of pay may be made on good security for the amount being furnished.

Bills for any admissible passage money are to be supported by a sufficient Guarantee from the Agents of the Ship or other parties, that half the passage money will be refunded in the event of the Officer dying after engagement of his passage, or before the vessel puts to sea.

Paymasters making advances under these rules are invariably to record the same on the back of the last Pay Certificate, and will make the necessary communication to the Paymaster of the other Presidency concerned with the least possible delay, and if Security be taken, it is also to be noted on the Pay Certificate.

If proof be forthcoming that an Officer has already furnished Security at his own Presidency for any demands on the part of Government which may arise, fresh Security is not to be required by Paymasters of any other Presidencies.

All over-drawings or short charges will always be adjusted by the Pay authorities of the Presidency to which the Drawing Officers may belong.

All other orders on this subject at the three Presidencies are hereby superseded.

25. The existing Regulations regarding Passage Money to Officers are not affected by these rules.

G. O. G. G., No. 1009 of 3rd December 1866.—With the view of encouraging the study of the Native languages, it is hereby notified, for general information, that extended periods of leave to visit the Presidency, without loss of service, will be granted under the following conditions to Officers of the Army who pass successful examinations in the tests prescribed in Government General Order, No. 734 of 1864:—

1st.—Officers who pass an examination according to the second standard will be allowed to reckon as duty the period of their absence to the extent of (6) six months.

2nd.—To Officers who pass a successful examination in the languages defined in Rule VIII of the Government General Order quoted, above, a further period of six months' leave will be granted without loss of service.

3rd.—Candidates who may obtain certificates of High Proficiency, under the operation of Rule XII, will be allowed leave of absence to the extent of 18 months in the aggregate.

4th.—And candidates who obtain Degrees of Honor, under the terms prescribed in Rule XV, shall be permitted to reckon as service the period of their absence to the extent of two years.

2. To insure, however, that the time of the candidates is not misapplied, it must be clearly understood that they shall pass successful examinations according to the different tests within the prescribed periods.

3.—The foregoing rules are to be in supersession of all previous regulations on this subject.

G. O. G. G., No. 90 of 23rd January 1867.—In modification of Government General Order, No. 941 of 1861, His Excellency the Governor General in Council is pleased to prescribe the following Rules, under which Officers may draw pay and allowances through their Agents in India when on leave beyond the limits of their own Presidencies:—

1. Officers proceeding on leave for any period under the old furlough rules, beyond the limits of their own Presidencies, will be permitted to draw their pay and allowances through their Agents, on the latter furnishing a satisfactory guarantee for the refund of over-payments.

26. The certificates issued to Officers who are granted furloughs on private affairs, or leave of absence on sick certificate, are to specify the time each Officer has been absent on leave within Indian limits, as well as the time of his previous absence in Europe; but will not include the periods allowed for proceeding to

II. The guarantee must be attached to the application of the Officer for permission to draw his pay in India, which must be submitted through the Pay Master, to be forwarded to the Controller of Military Accounts, who will grant the authority to the Agent to draw the pay monthly as it becomes due.

III. The guarantee is to be in the following form, and must bear a stamp according to the scale noted at the foot thereof, in order to cover any possible amount to be refurnished:—

Form of Guarantee to be furnished by Agents of Officers proceeding on leave beyond the limits of their own Presidency, to accompany applications of Officers to draw their pay and allowances in India during absence.

We, Agents of _____ do hereby engage, in the event of our being permitted to draw the pay and allowances of our constituent during his authorized absence from the Presidency, to repay such part of the amount as he may not be entitled to in case of death, as also such sums, with retrospective effect, as our constituent may become liable for, by his bringing himself upon furlough pay from the date of quitting his own Presidency by any of the following acts:—

1. By overstaying the leave to sea for two years on medical certificate, or for six months on private affairs, which he may have obtained under the old furlough rules.

2. By proceeding to England from the leave aforesaid under the old furlough rules, without having returned to his own Presidency.

3. "Short leaves on private affairs for periods not exceeding thirty days, which have been granted to Officers in General Orders, previously to 6th December 1854, are to be counted as 'privileged,' provided they do not exceed an aggregate of thirty days in each half year."

4. "Should an Officer who is on privilege leave not rejoin his Corps, but be absent in continuation, on not more than five months' leave on private affairs, or one year and eleven months' leave on medical certificate, he will retain his full salary or allowances for the thirty days of privilege leave, which will also count as service, but he will, nevertheless, forfeit all Military allowances on completing six months or two years' absence, (as the case may be) reckoned from the date that he quitted his Corps and station."

5. In calculating the period of an Officer's absence on furlough in India, the day of departure from a Regiment or appointment is to be reckoned as one of duty. In like manner, as regards furlough beyond India, the date on which the vessel conveying the Officer from India puts out to sea, is to be reckoned as one of furlough and the day on which he returns to his Presidency as one of duty.

6. An Officer entering the service and obtaining leave to visit a station not the Head Quarters of his Regiment and to join the Corps to which he is posted, and for pension.

7. The principle of this rule is applicable to Officers who on return from leave out of India are allowed to visit a station out of the direct route to the station to which they belong.

8. Leave for one month, granted to Officers in Civil employ under Section XI (amended) old Civil Service Absentee Regulations, is not to be deducted from the same light as one month in six privilege.

9. The period during which Officers may have been or may hereafter be absent on leave for the purpose of accompanying Insane or Sick Officers is allowed to count as service for pension.

10. If an Officer is placed on duty while on leave of absence whether on medical certificate or private affairs he will be allowed to count as service for pension the whole period he may be so employed, i. e., from the date of the order nominating him to such duty to the date of the order relieving him, both inclusive.

11. In accordance with the principle laid down in the 65th paragraph of the General Order of the 10th April 1861, Officers of the new Brigades of Artillery and new Line Regiments ordered to do duty at the Regimental Depot, or with Drafts on the voyage to India, will reckon such duty as service in India for retiring pension. Those doing duty under any other circumstances in this country, will reckon such service in the proportion of one year for two.

Officers of H. M.'s Services.

21. Officers of Her Majesty's Service in India, whether employed Regimentally or in Staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

22. In the case of Officers of Her Majesty's Service on furlough on sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

the Presidency or port of embarkation, and to enable Officers to rejoin their Regiments or stations, after their return to India, nor the leave of one month's absence in six months as authorized by the Regulations. The last Pay Certificate of all Officers proceeding to England on sick certificate is to specify the rate of Regimental pay and allowances and Staff salary to which they would have been entitled under the old Regulations if proceeding to Sea on medical certificate.

This information is necessary in order that no difficulty may arise in the Pay Department of the India House in adjusting the several payments which may be due.

With reference to para. 29. M. C. No. 2702, 20th October 1856. 13. An Officer returning from Europe or Sea is allowed to count as service 15 days for preparation at the port of debarkation and marching distance to his Corps or Department in addition.

With reference to para. 29. M. C. No. 2702, 20th October 1856. 14. An Officer going to Europe or Sea is allowed to count as service in addition to marching distance to the Presidency or nearest port of embarkation, the same period for preparation prior to embarkation as allowed to Officers returning from Europe, viz. 15 days.

With reference to para. 29. M. C. No. 901, 18th April 1856. 15. Officers obtaining leave preparatory to final leave out of India, but who after arriving at the Presidency or other port of embarkation abandon their intention of leaving the country, cannot reckon as service the period they may have been absent from duty on such preparatory leave which then assumes the nature of ordinary leave in India.

With reference to para. 29. M. C. No. 2702, 20th October 1856. 16. An Officer who proceeds on furlough to the Presidency or other port, (not preparatory to applying for leave to proceed to Europe or elsewhere) and while there obtains a sick certificate to Europe or other place out of India, is not entitled to count as service the period allowed by Regulation for proceeding from the station of his Regiment or appointment to the port of embarkation; but he can reckon as service the period of 15 days allowed at the Presidency or port of embarkation preparatory to embarkation.

With reference to para. 29. M. C. No. 2702, 20th October 1856. 17. If instead of being at the port of embarkation, he is at another port, or at an inland station, when he obtains the sick certificate to quit India, he will be allowed the time authorized for travelling from the station at which he may be when he obtains his sick certificate, to the port of embarkation.

With reference to para. 29. M. C. No. 2702, 20th October 1856. 18. If an Officer while absent on ordinary sick certificate in India, quits India on sick certificate, or, who having proceeded on ordinary leave on private affairs in India obtains a furlough out of India, he is entitled to count as service the period allowed for proceeding from the place at which he may be when he obtains leave to quit India, to the port where he ultimately embarks.

Simla, 22nd September 1864.

No. 774 of 1864.—Having taken into consideration the existing facilities for travelling, which are steadily increasing, His Excellency the Governor General in Council is of opinion, that the rules now in force for regulating the periods allowed to Officers and others proceeding, in ordinary course, from one station to another, are no longer suitable or adapted to meet the interests of the service or the general convenience of Officers.

2. G. O. G. No. 770 of 14th September 1853 is therefore cancelled, and the following rules will be observed from the 1st November next:—

3. Officers returning from furlough to Europe or leave beyond sea, or Officers removed from a regiment, appointment, or station, at their own request, or on regimental or departmental promotion, or to join a new appointment, will be allowed fifteen days for preparation from the date of arrival, or being struck off duty. On special grounds, this period may be extended to thirty days by the Officer Commanding the Division, District, or Garrison.

4. Every Officer, at the expiration of the period allowed for preparation, is required to join his corps, station, or appointment, by the most expeditious available mode of travelling, and without unnecessary delay on the road.

5. Officers who may be unavoidably delayed by sickness or other circumstances must report the cause and period of such delay, furnishing medical or other certificates to the Officer Commanding the Station, at or nearest to which such delay may have occurred.

6. In very special cases, Officers Commanding Divisions may sanction a slower mode of travelling, either for a part or for the whole of the journey; but any such indulgence, and the reasons for granting it, must be reported at once to His Excellency the Commander-in-Chief, or to the Government, according to the nature of the Officer's employment.

7. This ruling is to be made applicable to all three Presidencies.

Leave of absence, preparatory to furlough, whether on private affairs or on sick certificate, must always be *general*, and not *privilege* leave.

With reference to G. O. G. No. 53, dated 3d February 1860, the Governor in Council directs that, in future, in accordance with the practice in Bengal, leave of absence preparatory to retiring from the service shall always be *general*, and not *privilege* leave.

It is hereby notified that, under a recent ruling of the Government of India, Officers, whose leave may expire after the commencement of General Holidays, will, notwithstanding such Holidays, be required to report, as heretofore, their return to duty on the termination of their leave.

It is notified for general information that under a recent decision of the Government of India, an Officer who had elected (or who, not having before elected, might on his entering the Staff Corps desire to elect) the old furlough Regulations, carries with him into the Staff Corps so much of his service (authorized leave included) as had been passed in Indian limits and no more; and that to entitle him to retire on the pension of any particular rank he must serve so many more years as would with that service complete the full period of service prescribed for such pension, with the liberty of availing himself, after his entry into the Staff Corps, of the privileged periods* of absence allowed in paragraph 80 of the new furlough Regulations.

Colonel he would have to serve four years longer, of which three years might be passed on leave.

GENERAL ORDERS BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA IN COUNCIL.
Fort William, the 12th May 1862.

No. 520 of 1862.—The following rule which has received the sanction of the Right Hon'ble the Secretary of State for India for calculating the service of Officers who, formerly under the old furlough Regulations, have joined the Staff Corps, and whose service from date of joining that Corps is to be reckoned under the new furlough Regulations, is published for general information and guidance:—

No. 212.

1. Officers having elected (or who not having before elected might, on their entering the Staff Corps, desire to elect,) the old furlough Regulations will carry with them into the Staff Corps so much of their service (authorized leave included) as may have been passed within Indian limits and no more. Before they can retire on the pension of any particular rank they will be required to serve for such further period as will, with that service, complete the full period prescribed for the pension of any particular rank, with the liberty of availing themselves, after their entry into the Staff Corps, of the privileged periods* of absence allowed by paragraph 80 of the new furlough Regulations.

With reference to paras. 34, 33, 34 and 35, M. C. No. 2961, 2d Nov. 1855, and No. 519, 18th April 1856.

19. An Officer who has served twenty or twenty-four years and not more is only entitled to reckon two years' absence as service. Rule 33 gives the minimum period of service which entitles an Officer so situated to retire on the pension of a Captain or Major; but an Officer who has served beyond those periods is entitled to the benefit of Rule 30 by which extended periods of absence are allowed to reckon, regulated by the length of the Officer's service. For instance, an Officer who has served twenty years, and no more, and had only three years' leave must still perform one year's duty before he can retire as a Captain; whereas an Officer whose aggregate service is thirty years, out of which he has enjoyed leave for fourteen years and no more, can retire as a Captain at once.

In all such cases a specific description is to be given in a report by a Medical Board of the nature of the illness and of the grounds upon which it is considered that the illness has been contracted by service in the Field.

MILITARY, No. 193.

To His Excellency the Right Hon'ble the Governor General of India in Council.

Sir.—In accordance with the recommendation contained in your letter, dated the 6th April 1863, No. 189, I authorize you to announce that, in future, all Officers who may do duty with troops on the voyage to or from India, will be allowed to count the whole of the period during which they may be employed on such duty as service for pension.

I have, &c.

(Signed) STAFFORD H. NORTHCOTE.

36. The scale for Medical Officers and Veterinary Surgeons, of privileged furlough, and leave of absence as counting for the retiring pension, will be as follows:—

Yrs. Mths.		Yrs. Mths.	
1	8	3	0
2	0	4	0
in 17 and under 20 years' service.		in 25 and under 30 years' service.	
in 20 " " 25 "		in 30 and upwards.	

37. It is to be distinctly understood, that under no circumstances whatever will an Officer be permitted to retire on full pay, until he has completed the full time of service above specified, whether he be in England at the close of his service or elsewhere.

38. The privileged time of absence may, with the permission of the local Government, be taken at any time subject to these Regulations. If therefore, at the end of twenty-years' service, of which eighteen had been passed on actual duty in India, an Officer should be on furlough, or sick certificate in Europe, or elsewhere, he will be entitled to retire on the full pay of a Captain without returning to India, and so in the other terms of service for the higher pensions. In like manner a Medical Officer on furlough, or sick certificate in Europe, or elsewhere, at the end of seventeen years' service, fifteen years and four months of which had been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pension.

Under instructions from the Government of India, the Governor in Council is pleased to declare that the grant of leave to Officers on medical certificate in India, shall, for the future, be limited, under ordinary circumstances, to one year, subject to extension on fresh Medical Report.

Furlough Regulations of 1868, Revised.

No. 434 of 1668.—The following Extract from General Orders by the Government of India, is re-published:—

Simla, 10th November 1868.

No. 1064 of 1868. The Right Hon'ble the Secretary of State for India having, with certain modifications, approved generally of the rules relative to the absence on leave of Military Officers, published in Government General Order No. 613, dated 19th June 1868, the following revised rules are published in substitution of those contained in the order above referred to.

No. 996 of 1869. *Sindia*, the 28th September 1869. With a view to regulating the grant of furlough under the regulations of 1868, as published in G. G. O. No. 1064,* dated 10th November 1868, the Right Honorable the Governor General in Council is pleased to direct that Officers obtaining furlough on private affairs are to understand that the grant of the furlough only holds good for three months from the date of the General Order notifying it. This period of three months is inclusive of the thirty days' preparatory leave allowed to reach the port of embarkation.

In the case of an Officer not embarking within the prescribed period, the order granting it will cease to have effect.—* Madras G. G. O. 1st December 1868. No. 444.

These rules will be applicable to all Officers who may elect to adopt them belonging to the several Indian Staff Corps or to the Indian Army, and in regard to the period of leave of absence during which appointments may be held, and in regard to the increased allowances they will also be applicable to Officers of the Royal Artillery and Royal Engineers, late of the Indian Army, holding permanent staff appointments not of a regimental nature.

The question of the application of these rules to the Officers generally of Her Majesty's British Forces serving in India is still under the consideration of Her Majesty's Government.

The term "Furlough Pay" having now a changed and a two-fold signification, in all future orders and references "Furlough Pay" will be understood as the half Indian salary within the prescribed limits, specified in paragraph 5 of the rules, converted at the exchange of 2 shillings for the rupee, whilst "English Furlough Pay" will represent the rates heretofore allowed to the several grades as English pay under the rules of 1796 and 1854.

I. The distinction with respect to allowances hitherto drawn between Furlough on Private Affairs and Sick Leave is abolished, both kinds of leave being included under the general term Furlough, provisions however, being made for the obtaining of Furlough, under Medical Certificate, without all the restrictions applicable to Furlough, when taken without Medical Certificate.

II. Leave taken under the Rules now prescribed with not a Medical Certificate, without all the cases herein specially provided for.

II. Leave taken under the general term Furlough, provided the cases herein specially provided for.

III. The Rules now prescribed do not affect the provisions of Act XXXIII of George III, Chapter 52, Section 70; but an Absentee cannot retain his appointment, and draw absentee allowance, until the Rules now prescribed.* Nor do they affect the regulations for the appointment of Absentees in Divisions and Brigades can only obtain the same as those prescribed in the Rules now prescribed.

IV. Leave of Absence will, in future, be of three kinds:—

Section 70. — And be it further enacted, That no Person who shall have held any Civil or Military Station whatever in India, in the Service of the said United Company, being under the Rank or Degree of a Member of Council or Commander-in-Chief of the Forces, and who, having departed from India by Leave of the Governor-General in Council, shall not return to India within the space of five years next after such Departure, shall be entitled to any rank or Restoration of Office, or be capable of again serving in India, either in the European or Native Corps of Troops or in the Civil Line of the Company's Service, unless in the case of any Civil Servant of the Company, it shall be proved to the satisfaction of the Court of Directors, that such absence was occasioned by Sickness or Infirmity, or unless such Person be permitted to return with his Rank to India by a Vote or Resolution passed by way of Ballot, by three parts in four of the Proprietors assembled in General Court, specially convened for that purpose whereof eight days' previous notice of the time and purpose of such meeting shall be given in *The London Gazette*, or unless in the case of any Military Officer, it shall be proved to the satisfaction of the said Court of Directors, and the Board of Commissioners for the affairs of India, that such absence was occasioned by Sickness or Infirmit

salary drawn by him for three years prior to his proceeding on Furlough. No absentee shall in either case draw more than £1,200, or less than £250 per annum. The term salary will signify the total amount drawn by an Officer, whether as consolidated pay or Staff allowances in addition to pay, but will not include any extra or special allowances. It is to be clearly understood that an Officer absent on Furlough, who may be transferred to another Office, during his absence, shall be entitled, for the entire period of his Furlough, to pay at the rate sanctioned to him when leaving India, provided that an Officer whose term of office shall lapse, during his Furlough, shall cease to draw his half Staff salary from the date of such lapse. An Officer will also be entitled to the benefit of his promotion to a higher Staff Corps or Regimental rank whilst on Furlough, subject to the maximum limit.

Officers not in Staff employ will receive half the Indian pay of their rank, provided that in no case will an Officer entitled to Furlough receive less than the above minimum of £250 per annum.

NOTE.—Officers who may be entitled to income allowance from the Military Fund during absence in Europe, will draw their half salary or minimum absentee allowance under the foregoing clause, subject to a deduction equivalent to the amount of such income allowance.

VI. All grants of Furlough on Private Affairs are subject to the exigencies of the Public Service, of which exigency the Government is to be exclusively the judge, and to any regulations that may be found necessary for limiting the number of Absentees.

VII. The maximum amount of Furlough on Private Affairs to be taken at any one time, carrying pay and retention of appointment, will be two years.

pay and retention of appointment, will be the same as in the case of the 1st December 1868, and under the authority of the Right Honourable the Secretary of State for India, it is hereby notified that the rules laid down in the following regulations specified in the Schedule which in the former require a period of ten or six months, shall be applicable to the 1st December 1868.

No. 1244 of 1869, *Fort William, the 15th December 1869.* In continuation of G. G. O. No. 1131* of the 1st December 1868.

Regulations of 1854—G. G. O. No. 1150 of 1854, paragraph 7.

Regulations of 1868—G. G. O. No. 1064 of 1868, Rule VIII.

G. G. O., 28th Dec. 1869, No. 423.

VIII. A period of at least three years' service after return from last Furlough, except Furlough under Rule XI, must be completed before Furlough can again be taken unless obtained under medical certificate (see Rules XIII and XIV.)

IX. An Officer will be eligible for two years' Furlough on the completion of eight years' actual service in India, for a third year after a further period of six years' actual service and for a fourth and fifth year after similar intervals of six years. The grant of Furlough to an Officer eligible for it, will be subject only to the conditions specified in Rules VI and VII. The fact of having taken Furlough on Medical Certificate will not affect the grant of these Furloughs, except as to the conditions laid down in Rules XIII and XVI.

X. An Officer eligible for Furlough need not take the whole amount to which his service entitles him, but may apply for any portion thereof as an instalment; and in that case the balance will remain at his credit in any future computation of the amount of Furlough to which he may be entitled.

Illustrations.

(1).—An Officer who has served nine years in India is entitled to two years' Furlough. He takes only one year, and after his return remains in India for five years. He is then eligible for two years' Furlough as follows:—

Total Service in India.....	14 years.
Furlough due on that Service.....	3 "
Furlough already taken.....	1 year.
Balance for which he is eligible.....	2 years.

(2).—An Officer who has served 20 years in India without taking Furlough is entitled to four years' Furlough. He can only take, however, two years at one time carrying pay, the balance remaining at his credit in any future computation of Furlough to which he may be entitled. He can take that balance by availing himself of three years' service from the date of his return from the first instalment.

No. 97 of 1870, 20th January 1870. Under the orders of the Right Hon'ble the Secretary of State for India, conveyed in Despatches Nos. 215 and 370 of 18th August and 14th December 1869, respectively, it is notified that in future leave under Clause XI, of the Furlough Rules of 1868 will not be extended by the Right Hon'ble the Secretary of State, except on medical certificate, in which case the whole of the leave will be considered as if taken under Clause XIV. of those rules.

XI. Furlough on urgent Private Affairs for six months with pay equivalent to the British regimental pay of his rank to be extended to a year, if necessary, may be granted, when the Officer is not eligible for ordinary Furlough. The said period may form part of the periods of either eight and six years referred to in Rule IX.

XII. Subject to State considerations, there will be no restriction as to the places to which an Officer may resort during Furlough.

XIII. Absence on Medical Certificate for a longer period than two years at one time, or departure on such Furlough within three years of the date of return from a previous Furlough, except Furlough under Rule XI will involve forfeiture of appointment. Such Furlough may, however, be extended to a third year on English Furlough pay.

In the event of an Officer not being able to return to his duty after an absence of three years, it will rest with the Right Hon'ble the Secretary of State for India in Council to order him to appear before a Medical Board, with a view to placing him on the retired list, if entitled to pension, or on the half-pay list.

Should the circumstances of the case warrant a further extension of leave, it can only be granted with-
out pay.

XIV. An Officer not entitled to Furlough, whose health may necessitate his taking it within three years

Rule XIV.—You will have observed from Orders No. 447, dated 19th January 1869, published at page 114 of the *Gazette of India*, that the Military Department have ruled that Rule II applies to an Officer taking furlough on medical certificate for the first time before the completion of eight years' actual service, both as to retention of his appointment and amount of furlough allowances.

health, but will only receive English Furlough Pay and must vacate any appointment he may be holding.

XV. An Officer entitled to Furlough, whose health may necessitate his absence from India, will be compelled to take leave as Furlough under Rule IX, but without forfeiting any passage money, to which he may be entitled under Military Fund Rules, or, if a Subaltern, by Regulation when proceeding on Medical Certificate.

Any extension of this Furlough, beyond the period to which he may be entitled under Rule IX, will be regarded in all respects, as Furlough on Medical Certificate. Such extension will not be allowed to take effect until the Officer shall have exhausted the entire amount of his available Furlough on Private Affairs. If the aggregate of two years' leave is exceeded, the Officer will after that date come under the provisions of Rule XIV.

No. 39 of 1869.—The following Extract from a communication from the Government of India, dated 21st January 1869, No. 1004, is published:—
The following will not form part of the aggregate of eight years of furlough on private affairs and medical certificate with pay and retention of appointment, to which an Officer who may elect the Furlough Rules of 1868, is restricted by Rule XVI:—

I. All leave taken as local leave (not being furlough) in India.

II. All leave necessitated by wounds received in action, or by sickness contracted on field service, which may have been, or may be, allowed to reckon as service for pension under the provisions of Government General Order No. 1113 of 1857.

III. All leave duly granted to England, or extensions of furlough or leave on medical certificate granted in England, if without pay.

IV. All sick leave granted to England that may have been taken under the Rules of 1796, on the old rates of furlough pay.

V. All sick leave granted to the colonies eastward of the Cape of Good Hope under the Rules of 1796.

2. But the following will form part of the eight years referred to:—
I. Furlough with pay on private affairs, under whatever rules it may have been taken.

II. Leave to England on medical certificate with pay under the Furlough Rules of 1868.

No. 22 of 1870, 6th Jan. 1870.—Under the authority of the Right Hon'ble the Secretary of State for India, it is hereby notified that an Officer who has been not less than three years in the Staff Corps, will, on the production of a medical certificate, be allowed to take his first furlough (although he may not have completed eight years' actual service in India), with retention of his appointment and allowances prescribed in Rule V. of the Furlough Regulations of 1868; such leave will reckon as part of the aggregate of eight years allowed by Rule XVI, and the lapse of three years before furlough can again be taken as laid down in Rule VIII will be required in the case of Officers availing themselves of this concession.

XVII. If taken in India, Furlough will be reckoned from the date of the Absentee quitting his station to the date of his return thereto: if taken out of India, from the date of the sailing of the vessel in which he may have embarked to the date of his disembarkation in India.

XVIII. Preparatory leave to embark for Europe or elsewhere on Furlough, will be granted for any period not ordinarily exceeding 30 days. Leave to the same limit, to enable him to rejoin on his return from Furlough, will be granted from the date of his disembarkation in India.

XIX. Furlough allowances shall be payable monthly if payment is taken in India; and quarterly, if payment is taken in England.

XX. Advances of Furlough Pay will continue to be made in India to those Officers who desire it, for three months from date of embarkation. Payments in continuation will be made in England on the expiration of six months from that date.

XXI. The Last Pay Certificate issued to each Officer who may be granted Furlough, whether on Private Affairs, or on Medical Certificate, will specify the rate of the pay and Staff salary of his last substantive appointment, and the rate to which he will be entitled in Europe in virtue of Rule V.

XXII. An Officer acting in India for an Absentee will be restricted for the entire period of such acting to the half Staff salary of the appointment in which he may be acting, in addition to the full pay of his rank, and the half Staff salary of his own appointment if he possess one. The of his own appointment if he possess one. The in no such case be less than Rupees 100 per annum.

Rule XXII.—The minimum staff salary of Rupees 100 per annum granted to an acting officer includes the half staff of his own appointment, if he have one.

Staff salary granted to an Acting Officer will, however, in no such case be less than Rupees 100 per annum.

XXIII. The privilege heretofore granted to Military Officers of counting the proportion of leave noted in the margin as service for Pension, is retained. The periods of service qualifying for Pension remain unaltered.

XXIV. In computing the Furlough on Private Affairs to which an Officer who has already enjoyed some portion of such Furlough will be entitled under these Rules, it will be necessary to deduct the total amount of the Furlough on Private Affairs of which he may have availed himself during his service, from the total periods to which under Rule IX, he can lay claim. The balance will represent the leave to which he will be entitled on the expiration of not less than three years from his last return to duty.

Illustration.

(1).—An Officer who had obtained under the existing Rules, two years' Furlough after ten years' service, returns to India on the date on which this order is promulgated. He accepts its conditions, and serves four years longer in India. On the expiration of that term, he can take one year's Furlough thus—

(2).—An Officer of four years' service has proceeded on Sick Certificate to England for twenty months, extended afterwards to two years. He returns, serves six years in India, takes two years' Furlough, and returns to India about the time of the promulgation of these Rules, which he accepts. He must serve four years before he can take an additional year's Furlough, thus—

Total Service up to return from Furlough.....	14 years.
Total Service in India.....	10 "
Furlough enjoyed on that Service.....	2 "

CHAPTER II.

General Leave on Private Affairs and Sick Certificate in India.

XXV. An Officer will be eligible, as at present, to take leave on Private Affairs or Medical Certificate in India, for any period not exceeding six months, at the discretion of His Excellency the Commander-in-Chief, or of the Government under which he may be serving. During the entire period of his absence on this account, the Officer will be entitled, as at present, to his full pay, and a moiety of his Staff salary. Leave taken under this Rule will form no part of the eight years' aggregate Furlough. If this indulgence should be taken advantage of for a third year consecutively, the Officer will lose his Staff appointment.

XXVI. Leave on Sick Certificate for a period exceeding six months, capable of extension, under renewed Medical Certificate, to a limit of one year, may be granted to any Officer who, in the opinion of a Medical Board, may require it. Leave of this nature, taken after the promulgation of these Rules, will be held to constitute a part of the maximum period of eight years' leave of absence to which an Officer is entitled in his entire period of service, but will not be regarded as Furlough, nor will it effect the intervals entitling to furlough laid down in Rule IX. During this leave the Absentee will draw a moiety of his Staff salary in addition to the pay of his rank.

XXVII. Short leave not exceeding three months on Private Affairs or Sick Certificate, may also be taken to sea, on the above condition, but absence from India for any longer period will be treated as Furlough.

Rule XXVII.—The 'condition' referred to is that leave granted under this rule will not be reckoned as furlough, and that the absentee will draw a moiety of his staff salary. The leave will not be included in the maximum period of eight years prescribed in Rule XVI, unless it be extended beyond three months.

XXVIII. All general leave taken in India counts as part of the leave reckoning against service for Pension.

CHAPTER III.

Privilege Leave.

XXIX. Privilege Leave may be granted, as at present, for sixty days in each year, to all Officers in Military employ, without deduction from the salaries and emoluments drawn by them. General Leave, in extension of Privilege Leave, can only be granted on the ground of sickness, or some other serious emergency which could not have been foreseen when the Officer proceeded on Privilege Leave. Privilege Leave may, however, be converted into General Leave with the sanction of the Commander-in-Chief or the Government.

XXX. In the case of the Stations noted in the margin, Privilege Leave may, as at present, be granted for ninety days to Officers of local Corps, or of Corps which are usually employed in one or other of the Districts named.

Assam Bunnoo
Shillong Dera Ismael Khan
Erinpore Dera Ghazee Khan
Deolee Rajanpore
Khalwara Jacobabad.
Khotra

XXXI. An Officer is at liberty to proceed wherever he may desire on Privilege Leave, provided he can ensure his return before the expiration of his leave.

XXXII. Privilege Leave cannot be taken in continuation of Furlough, nor can Furlough be obtained in continuation of Privilege Leave. If Furlough be obtained by an Officer while absent on Privilege Leave, the Privilege Leave will be converted into General Leave, the Officer for that period sacrificing a moiety of his Staff salary.

XXXIII. Military Officers in Civil or Political employ taking leave in India come, as respects periods of leave obtainable and amount of pay to be granted, under the Civil Leave Rules. When they take leave out of India, they come under the Military Leave Rules.

XXXIV. Officers of the Indian Military and Medical Services will be required generally to notify their intention to accept these Rules, or to adhere to those now existing, on the first occasion of their taking Furlough or General Leave after the publication of this Order. Such election must be considered final, and under no plea whatever will an Officer be subsequently relieved from the Choice thus made. Officers who may determine to abide by existing Rules, will be allowed to proceed on Furlough on the conditions laid down in Rules VII, VIII and XIII to the extent to which they may be entitled under the Furlough Regulations of 1854, and on the rates of pay contemplated in those Regulations, but retaining their appointments. The principle laid down in Rule XV must, however, be applied in those cases. If an Officer under the Furlough Rules of 1796 elects the present Rules, his service for pension will be reckoned under the former Rules, up to 1st July 1868, and thenceforward under the Rules of 1868. The foregoing Rules will take effect from the 1st July 1868, as respects retention of appointments and terms under which leave will be granted, but half Staff allowances will not be available for Officers now on leave in cases where the acting Officer has already come into receipt of the full Staff salary. Nor can Officers who have vacated appointments which have since been permanently filled up, have any claim to be restored to them.

No. 207 of 1869.—The following Military letter from the Right Hon'ble the Secretary of State for India, No. 8, dated 13th January 1869, is published for general information:—

INDIA OFFICE,
London, 13th January 1869.

To His Excellency the Right Hon'ble the Governor General of India in Council.
SIR,—Your despatch, dated 18th August 1868, No. 313, relates to the question whether the furlough regulations of 1868 shall be made applicable to the Warrant Officers, and to certain other questions connected with the pay and allowances of those Officers.
2. Having considered the suggestions made by you, I have decided—
1st.—That the furlough rules of 1868 shall apply to all Warrant Officers holding veteran or honorary commissions, the period of service qualifying for furlough being calculated from the date of the attainment of the commission. These Officers will receive, during furlough, half their total receipts, without any reference to a minimum or maximum rate.
2d.—That Conductors and Sub-Conductors shall only be entitled to a furlough on sick certificate. The furlough will be for two years, and half of aggregate Indian allowances will be drawn during that period. Any leave on sick certificate, not exceeding one year, granted in extension of the two years, or leave taken within less than three years from date of last return to duty, will be on English furlough pay only.
3. I approve of the proposal that Warrant Officers appointed to act for those of a higher grade who may be on furlough, shall receive the half of the aggregate allowances of the absentees, added to half the aggregate of their own allowances.
4. I approve also of permanent Conductors, who have hitherto been in receipt of the old Staff salary of Rs. 75 a month, being still allowed to draw that amount.
5. Your letter has no reference to the Officers of the Subordinate Medical Department, but should your Government propose to include them, it is desirable that they should be expressly mentioned in the General Order which will be issued on the receipt of this despatch.

Under the authority conveyed in paragraph 5 of the foregoing letter, it is hereby notified that the provisions of the rules now notified will be equally applicable to Warrant Officers and those holding the honorary rank of Assistant Surgeons in the Subordinate Medical Department.

I have, &c.,
ARGYLL.

Unattached and Warrant Officers.

GENERAL ORDERS BY THE HON'BLE THE PRESIDENT OF THE COUNCIL OF INDIA IN COUNCIL.
Fort William, 6th June 1851.

No. 322 of 1851.—The following paragraph of a Military letter No. 37, from the Honorable the Court of Directors to the Governor of the Presidency of Fort William in Bengal, dated 9th April 1851, is published for general information:—

Reply to letter dated 20th September 1850, No. 158, with reference to former correspondence, forward papers relative to an inquiry made by Ensign (unattached) J. Donovan, as to the rate of retiring pension to which he will be entitled, and request Court's early decision on the question.

Unattached Ensigns and Lieutenants, compelled by ill health to retire from the service, are entitled to the benefits of the general retiring regulations counting from the dates of their first promotion to Commissions. To provide for the claims of such of these Officers as may, in consequence of the length of their previous service, be compelled to retire at earlier dates than are specified in those Regulations, we have resolved to adopt the following additional scale, viz:—
If above 3 years' service as Commissioned Officers.....2s. 6d. per diem.
If above 3, and under 7 years' service in India as Commissioned Officers.....3s. per diem.
If above 7, and under 12 years' service in India, as ditto.....4s. per diem.

If above 7, and under 12 years' service in India, as Commissioned Officers, after 20 years' total service in India.....5s. per diem.
If above 12 years' service in India as Commissioned Officers, after 30 years' total service in India, with an unqualified right to retire.....6s. per diem.
Despatch dated 14th April 1862, No. 36.

6. The cases of Warrant Officers, promoted on the Veteran Establishment, who applied to retire from the service, have, until recently, been specially considered, and in almost, if not in every case, the full pay of the Commissioned rank has been granted on retirement.

7. When considering an application from an Officer on the Veteran Establishment now in this country, I observed that, although there were rules for the retirement of Officers holding unattached Commissions (G. O. G. G. No. 322 of 6th June 1851) there were no rules for the retirement of Officers on the Veteran Establishment. I accordingly decided that to entitle an Officers on the Veteran Establishment to retire on the full pay of his Commissioned rank, he must have served the time which he would have required under the provisions of the retiring Regulations, had he remained in the Warrant grade, to entitle him to the full pay of his former rank in that grade.

G. O. G. G. No. 385 of 6th March 1856.—The Right Hon'ble the Governor General of India in Council is pleased to direct, that the following paragraphs of a Military letter from the Hon'ble the Court of Directors to the Government of India, No. 2, dated 2d January 1856, be published in General Orders:—

Letter dated 3d September 1855, No. 201.

Letter from Captain Skinner, transferred from the Nizam's Army to an unattached Commission in the Company's Service, requesting information as to the amount of pension he will be entitled to on retirement. The Auditor General's views on the subject recapitulated by Government.

Also No. 206.

Enquiry as to how the new furlough rules are to apply to Captain Skinner, and other unattached Officers.

Para 2.—We concur with the views on this subject which are expressed in the Military Auditor General's Report of the 18th July 1855. Capt. Skinner will be accordingly entitled to count his service for retirement from the date of his first Commission in the Army of His Highness the Nizam. He will be also entitled to the benefits of the new furlough Regulations as an Officer of that standing in the Service.

8. All unattached Officers are entitled to the benefit of the new furlough Regulations from the date of their first commissions.

G. O. C. C. 27th April 1857, No. 16.—The Commander-in-Chief directs it to be notified that by a recent decision of the Government of India, unattached Officers of the Veteran Establishment are allowed the benefit of the new furlough Regulations, and these Officers can take leave in India on the same terms as they did prior to the publication of the new furlough rules.

G. O. C. C., 29th August 1857, No. 44.—The Provincial Commander-in-Chief directs the publication of the following decisions by the Government of India.

A Warrant Officer on the Veteran Establishment is entitled, without loss of Warrant, to the same absentee allowance as if on leave in India, for the first six months of sick furlough, but thereafter, as well as when on furlough on private affairs he is restricted to the furlough pay of his Commission or of his Warrant, whichever may be the superior emolument.

A Warrant Officer holding a Commission on the Veteran Establishment has a footing in the Effective Army in virtue of his Warrant rather than of his Commission and his Warrant being analogous to the Regimental Commission rather than to the Staff appointment of an European Officer, is not forfeited by any furlough which may be granted him, even if it exceed six months on private affairs or fifteen months on medical certificate under the new rules.

G. O. G. G. No. 1559 of 1857.—The following Extract para. 11 of a Military letter from the Honorable the Court of Directors to the Government of India, No. 195, of the 14th October 1857, is published for general information:—

11. Warrant Officers are allowed the same privilege of furlough as Unattached Ensigns and Lieutenants and as Officers promoted to Commissions on the Veteran Establishment, viz., after six years' service as Commissioned or Warrant Officers, and fifteen years' service in India.

It is now recommended that, in consequence of slowness of promotion, the time required to be served in the Warrant grade may be reduced, in order that those who have served twenty years and upwards in India may be thereby rendered eligible for furlough to Europe. In compliance with your recommendation and that of the late Commander-in-Chief, we sanction this change as applicable to the several classes above-mentioned.

G. O. G. G. No. 777 of 18th May 1858.—The following Extracts of a Military letter from the Honorable the Court of Directors to the Government of India, No. 71, dated 28d March 1858, are published for general information:—

Letter dated 3d August 1857, No. 207.

4. Question raised by the Madras Government as to the extent to which the Warrants or Staff appointments of Officers having Unattached Commissions or on the Veteran Establishment are affected by the new furlough rules decided.

4. In the year 1854, we sanctioned a rule,* that Unattached Ensigns and Lieutenants should be allowed furlough after six years' service as a Commissioned Officer, and fifteen years' service in India, and that Warrant Officers granted Commissions on the Veteran Establishment should be included in the arrangement. The same advantage was subsequently extended to Warrant Officers. †

5. The rule now laid down by the Government of India is that a Warrant Officer on the Veteran Establishment is entitled, without loss of Warrant, to the same absentee allowances as if on leave in India for the first six months of sick furlough, and thereafter, as well as when absent on private affairs, to the furlough pay of his Commission or Warrant, whichever may be best for him, and that as the appointment he holds is in virtue of his Warrant, not of his Commission, the appointment will not be forfeited by absence on furlough.

6. This decision appears to be quite correct and has our sanction.

The Governor in Council sanctions the indulgence of privilege leave, as granted to Commissioned Officers,* being extended to all Warrant Officers, at this Presidency, excepting those below mentioned, provided their Departmental superiors be satisfied that proper arrangements are made for the performance of their duties during their absence, and that no additional expense to the State is incurred thereby.

2. Warrant Officers of the Public Works Department come under the following rules of that Department:—

G. O. G.
4th Aug. 1863,
No. 273.

G. O. G., 3d February 1857, No. 29, para. 8. "All persons employed in the Public Works Department, may be allowed one month's leave of absence in the calendar year vice."

3. Medical Warrant Officers employed in the Civil Departments will be granted privilege leave according to the subjoined rule applicable to Uncovenanted Civil Servants.

Fort St. George, 10th July 1857.

No. 819 of 1857.—The Right Hon'ble the Governor General of India in Council is pleased, under instructions from the Hon'ble the Court of Directors, to promulgate the following rules to be observed at the three Presidencies for the transfer to the Invalid Establishment, of Officers who may be declared to be unfit for further service:

1. The Invalid Establishment will consist of

1st—The Invalid Battalion.

For Officers who, although disqualified for further active service, are still equal to the discharge of garrison duties.

2d—The Invalid Pension List.

For Officers disqualified for both active and garrison duties.

2. Officers who, from age, wounds, or decline of health, become unfit for active service, are eligible for transfer to the Invalid Establishment, provided their conduct and habits are such as not to affect the character of that Institution, which is designed as an honorable retreat to the worn out or disabled, but deserving Officers.

G. O. C. C.
1st June 1858,
No. 59.

The Commander-in-Chief directs it to be notified, that applications from Officers for transfer at their own request to the Invalid Battalion or to the Invalid Pension List, under the provisions of para. 3 of G. O. G. No. 819 of 1857, (republished in G. O. G. No. 210 of 10th July 1857,) are required to be addressed under their signature to the Right Honorable the Governor in Council in the manner prescribed in para. 3, Section XXI, General Regulations of the Army.

3. Officers who may be desirous of being transferred to the Invalid Establishment, will be required to appear before the Standing Medical Committee at the Head Quarters of the Division, presided over by the Senior Surgeon, furnished with a statement of their case prepared by the Medical Officer by whom they may have been attended. The Committee is to enquire rigidly into each case, and should it be satisfied of the unfitness of the Officer, it is, in recording its opinion, to certify either that the applicant is "permanently disqualified for the performance of further active service but is still equal to the discharge of garrison duties," or that he is "permanently disqualified for the performance of both active and garrison duties," as the case may be.

4. The applicant, if reported equal to the discharge of garrison duties, will then be required to proceed to the Presidency to be finally examined by a Medical Officer to be specially appointed for the purpose, or by a special Medical Committee, as may from time to time be ordered.

5. After this final examination, the report on each case, accompanied by the certificates hereafter specified, is to be forwarded in the usual manner to Army Head Quarters, to be submitted to Government with the opinion of the Commander-in-Chief.

6. In the event of the Commander-in-Chief being led to believe that any Officer's health is so thoroughly lost as to preclude all hope of his being able to perform further active service in India, such Officer shall be directed to appear before the Standing Medical Committee at the Head Quarters of the Division. If the Committee is of opinion that the Officer is permanently disqualified for active Military duties in India, and this opinion is confirmed at the final examination at the Presidency, the Government on receiving a report on the case, which is to be prepared and submitted as directed in paras. 3 & 4.

Officer on the Invalid Establishment, notwithstanding that he may not himself have applied to be transferred from the Effective List. Such transfer will, however, be subject to the approval of the Honorable the Court of Directors; and until the receipt of such approval, no promotions will be made in succession to the Officer so placed on the Invalid Establishment.

No. 52 of 1859.—The following Extract from a Military Despatch from the Right Honorable the Secretary of State for India, is published in General Orders:—

Despatch dated 22d December 1858, No. 47.

Para. 1. It being established by the required medical testimony that Lieutenant Dewar is permanently disqualified for the performance of both active and garrison duties, his removal from the effective List from the date of his embarkation for England is hereby authorized.

G. O. G.
1st Feb. 1859.

Report on the state of health of Lieutenant G. T. Dewar, 50th N. I., and authority requested to transfer him to the Invalid Pension List, from the date of his embarkation for England on sick certificate.

Lieut. Dewar's time of service, fourteen months and five days, does not entitle him to retiring half pay. On establishing his claim to the benefit of Lord Clive's Fund, he will be admitted to that advantage.

2. You will understand from this decision that no Officer not entitled to a pension under existing Regulations, should be transferred to the Invalid Pension List.

8. In the event of an Officer failing, from any cause, whether it be leave on sick certificate in India or otherwise, to join an Invalid Battalion, or other Military duty on which he may be ordered, within two years of his transfer to the Invalid Establishment, except he be absent on furlough on sick leave to Europe, or be nominated to some other public duty, he will, at the expiration of that time, be required to appear before the Medical Committee at the Head Quarters of the Division in which he may be residing, for the purpose of being examined as to his continued fitness for garrison duty. If found unfit at such examination, or at any subsequent examination, which is to be repeated at the end of every two years, he will be transferred to the Invalid Pension List.

9. The Pay and Allowances of Officers hereafter transferred to the Invalid Battalion will be—

	Pay and Indian Allowances.	House Rent.	Total.
Lieutenant Colonel.....	547 14 0	100	647 14 0
Major.....	410 14 6	80	490 14 6

Lieutenant.....	145 12 0	30	175 12 0
Ensign.....	107 1 11	25	132 1 11

Extra batia will in no case be allowed, whether the Officer be employed within or beyond 200 miles of the Presidency.

10. Officers on the Invalid Pension List will draw the following consolidated allowance:—

	Per mensem.	Per mensem.
Lieutenant Colonel.....	Rupees 200	Captain..... Rupees 130
Major.....	170	Lieutenant and Ensign..... " 100

Or the rate of full pay pension to which they are entitled at the time of their transfer to the Invalid Pension List.

11. The above rates will be issued as long as the Officers are resident in India. If granted furlough or sick leave out of India, their allowances will be regulated by the rules they may have adopted, but their furlough pay will be according to their rank and for the ordinary duration of such Furlough as at present authorized.

12. Officers on the Invalid Establishment are allowed the distinction of wearing the Military uniform.

13. Officers on the Invalid Establishment will retain the rank they held when on the effective strength of the Army, but their transfer will be made only in the rank they held in their Regiments. After removal to the Invalid Establishment, they have no further claim to promotion, but on retirement on full pay, those who may be of, and above, the rank of Captain will receive one step of Brevet rank.

14. Officers on the Invalid Pension List are permitted to reside at any place in India they may choose.

No. 132 of 1859.—With reference to G. O. G. No. 819, 10th July 1857, regarding the transfer to the Invalid Establishment of Officers declared "unfit for further service," the Honorable the Governor in Council, with the sanction of the Government of India, and with adherence to para. 15 of the above G. O. G., is pleased to direct that such Subaltern Officers as may have joined their Battalions, shall receive Passage Money on the terms regulating the allowance to Subalterns of effective Corps.

2. Subalterns on the Invalid Pension List shall receive Passage Money only when proceeding to England on retirement from the service, or for the purpose of retiring from the service.

15. Officers on the Invalid Establishment are eligible to furlough and sick leave out of India, under the new or old Rules, whichever they may have adopted; and leave in India will be granted to Officers of the Invalid Battalion under the same rules as are applicable to effective Officers.

16. Officers on the Invalid Establishment are eligible to hold situations under Government.

17. Officers of the Invalid Battalion may retire on the pension of their rank after the prescribed period of service, or on the pension to which they were entitled on their removal to the Invalid Establishment. Officers on the Invalid Pension List may retire upon the rate of pension to which they were entitled when they joined that Establishment.

The above rules are not to be applied to Officers on the present Invalid Establishment of the three Presidencies.

Promotion of Officers.

G. O. G. No. 740 of 20th May 1859.—His Excellency the Governor General in Council is pleased to direct the publication in General Orders of the following Royal Warrant, received with a letter from the Right Honorable the Secretary of State for India, No. 119, of the 7th April 1859, prescribing rules under which Combatant Officers are to be recommended for promotion in Her Majesty's Indian Military Forces:—
Whereas, we have judged it expedient to revise those parts of Our Royal Warrants of the 6th day of October 1854, and 3d day of November 1854, which regulate the promotion and retirement of Combatant Officers in Our Army and Ordnance Corps, Our will and pleasure is, that from the date of this Our Royal Warrant Our Governor General in Council shall govern himself by these Our rules in recommending Combatant Officers for promotion in Our Indian Military Forces.

PROMOTION.

1. That the rank of Field-Marshal be given without reference to seniority.
2. That there shall be a fixed establishment of General Officers, viz:—

Generals..... 25 Lieutenant-Generals..... 50 Major-Generals..... 145

3. That Colonels may be appointed, without regard to seniority, to command as Major-Generals, with temporary rank; and if they shall have conducted themselves to our satisfaction, such temporary rank, after having been held for five years in peace, or for any shorter period in war, may, upon the recommendation of Our Governor General in Council, be made permanent. That the temporary rank of General and Lieutenant-General may also be given, whenever the convenience of the service requires it, and may be made permanent in a similar manner.

4. That every vacancy on the fixed establishment of General Officers shall be filled by the promotion of the senior Colonel qualified to succeed to the rank of Major-General and to be placed on the fixed establishment, under the regulations now in force; or by a supernumerary Major General, as provided in Clause 6.

5. That, in addition to the Colonels promoted by seniority to be Major-Generals and those promoted after having held temporary rank under the Regulation in Clause 3, Colonels shall be eligible for promotion to the rank of Major-General, and Major-Generals to the rank of Lieutenant-General, and Lieutenant-Generals to the rank of General, for distinguished services in the Field.

In the case of Officers promoted to the rank of General Officers, as a reward for distinguished service in war, the recommendation, in which the service of the Officers shall be detailed, shall be published in the General Orders of Our Indian Military Forces, and in the *London Gazette*.

6. That all Colonels promoted to be Major Generals after five years' employment in responsible commands with the temporary rank of Major General under the provisions in Clause 3, and all Colonels promoted to be Major Generals for distinguished service in the Field, shall be placed on a supernumerary list of Major-Generals, and shall not be reckoned as part of the fixed establishment until the time when they would have attained the rank of Major-General by seniority; that is to say, until the Colonel who originally stood next senior on the Colonel's list to the Officer promoted out of his turn has become a Major-General, after which the next vacancy will be filled by the transfer of the supernumerary Major-General to the fixed establishment. The Major-Generals who have already been promoted out of their turn, and would not yet have succeeded to that rank by seniority, shall be considered as coming under this rule.

The supernumerary Major-Generals, when absorbed into the fixed establishment, shall preserve the seniority which they acquired when, after a period of qualifying service with temporary rank they were first confirmed as permanent Major-Generals on the supernumerary list, and shall rise by that seniority to be Lieutenant-Generals in succession. General Officers promoted for distinguished service in the field will take their seniority from the date of their promotion, as stated in the *London Gazette*.

7. That three separate lists of General Officers be inserted in the Army List of Our Indian Military Forces, the first containing the names of those on the fixed establishment; the second, those who, having been promoted out of their regular turn, are supernumerary to the fixed establishment; and the third, those who have retired from the service with the honorary rank of General Officers.

8. That the rank of Colonel be given to Officers, after serving for five years with the rank of Lieutenant Colonel, in the actual command of Regiments, or for the same period as second Lieutenant Colonels of Regiments, or on the Staff, in the following situations:—viz., Adjutant-General, Quarter-Master General, Deputy Adjutant-General, Deputy Quarter-Master General, Secretaries to the Government of India in the Military and Public Works Department, Secretaries in the Military Department to the Governments of Madras and Bombay, to the Chief Commissioner of the Punjab, the Commissioner in Mysore, and the Resident at Hyderabad; Judge Advocate General, Commissary General, Deputy Commissary General, Inspector General of Ordnance, Superintendent of the Ordnance Manufacturing Department, Chief Engineer, Superintending Engineer, Surveyor-General of India, subject always to the approval of the Governor in Council and Commander-in-Chief of the Presidency to which the Officer belongs.

9. That Regimental Majors, who are Brevet Lieutenant-Colonels, falling into the Command of Regiments in the absence of the Lieutenant-Colonel, shall on attaining the rank of Regimental Lieutenant-Colonel, reckon the period commencing from the completion of the first month of such temporary command, of part of the five years required to qualify for the rank of Colonel.

10. That the rank of Colonel be given to Officers who obtain the rank of Brevet Lieutenant-Colonel for services in the Field, after eight years of actual service with that rank.

11. That in cases where a Regiment may be so divided as to constitute two distinct commands, and one portion may be under the command of the Regimental Major, who is also a Brevet Lieutenant-Colonel, and in cases where a Brevet Lieutenant-Colonel may be in command of a mixed force of different Corps, a discretionary power shall be vested in our Commander-in-Chief in India, subject to the approval of Our Governor General of India in Council, to allow such service, or portions of such service, to count as part of the qualifying period for promotion to the rank of Colonel.

12. That Lieutenant-Colonels appointed to Civil situations under Government on or after the date of this Our Royal Warrant shall be promoted to the rank of Colonel after eight years' service in the former rank, provided the nature of the Civil appointment be considered by our Governor General of India in Council and Commander-in-Chief in India calculated to give the Officer such practical experience as may afterwards prove advantageous to the Corps or Service to which he belongs.

13. That Field Officers, commissioned as such before the 20th June 1854, be allowed to rise by Brevet as heretofore; but no Officer promoted to the rank of Field Officer on or after that date, is hereafter to rise from the rank of Lieutenant Colonel to that of Colonel, otherwise than by five or eight years' service in the former rank, as provided in Clause 8, or as a reward for distinguished service, or by appointment to be Queen's Aide-de-Camp—except under the special provisions in Clauses 9, 10, 11 and 12.

14. Lieutenant-Colonels, who held that rank prior to the 20th of June 1854, shall be promoted by a special Brevet to the rank of Colonel,—commissions to bear date the 28th November 1854; and such of the said Lieutenant-Colonels as have been passed over by Officers who have attained the rank of Colonel, in conformity with the provisions of Our Royal Warrants of the 6th October and 3d November 1854, shall be restored to the respective places which they would have occupied as Colonels, had they been promoted in ordinary succession under the system of periodical Brevets.

15. That promotions shall be made from Captain to Major, and from Major to Lieutenant-Colonel, in succession, as vacancies occur in the Major-General's fixed establishment.

16. That any Captain, Major, or Lieutenant-Colonel may be rewarded by Brevet promotion for distinguished services in the Field.

17. That the commands of General Officers, and other situations on the Staff both at home and abroad, shall not be held for more than five years, unless by re-appointment under special circumstances.

Given at Our Court at Windsor, this thirty-first day of January 1859, in the Twenty-second Year of Our Reign.

By Her Majesty's Command,

STANLEY.

Having submitted to the General Commanding-in-Chief certain questions as raised by

your Government in view to ascertain the practice in such cases in Her Majesty's British Army, I have received the following replies:—

Question.

1st. Whether the period occupied by a Lieutenant-Colonel in joining his Regiment or appointment after his return from leave beyond sea should be reckoned in the qualifying period.

Several similar cases have occurred in Her Majesty's British Army, and it has been ruled that an Officer so circumstanced must serve other two years to complete the period of five years prescribed in the Warrant of October 1858, and no allowance of time is conceded with reference

G. O. G. No. 459 of 29th Nov. 1859.

to the near completion of the three years under the Warrant of October 1854, when the new Warrant came into operation."

2. The practice in promoting Officers to the rank of Colonel in Her Majesty's Indian Forces must be regulated accordingly.

Having submitted to the Field Marshal Commanding-in-Chief your letter of the 26th September last, I am directed to intimate to your Excellency that His Royal Highness considers that the term "temporary leave of absence," used in the Secretary of State's Despatch quoted by you should be held to include "Furlough to Europe," in calculating the service for Colonel of a Major and Brevet Lieutenant-Colonel holding a qualifying staff appointment.

Sir,—Referring to my Despatch dated 31st December 1863, No. 446, on the subject of promotion to the rank of Colonel under the 8th Clause of the Royal Warrant of the 31st January 1859, I have to inform you, that a communication now received from the Horse Guards states that the Secretary of State for War has brought to the notice of the Field Marshal Commanding-in-Chief that the qualifying period in the rank of Lieutenant Colonel previously to obtaining the rank of Colonel was extended from three to five years; with the express view that no deductions from that period were to be made on account of leave of absence. His Royal Highness in consequence sees the necessity of rectifying the position of all Colonels promoted since October 1858, who may have had their promotion retarded by the practice of limiting the leave of absence to fifteen months in the five years.

2. A similar course is to be adopted by your Government with respect to all Colonels of Her Majesty's Indian Forces promoted under the Royal Warrant of 31st January 1859, whose promotion may have been retarded, under the restriction with regard to leave of absence published in General Order, dated 18th September 1860, No. 340.

MILITARY, INDIA OFFICE, London, 16th July 1868.

To His Excellency the Right Hon'ble the Governor General of India in Council.

Sir,—I have submitted, for the opinion of His Royal Highness the Field Marshal Commanding-in-Chief, your letter No. 113 of 23rd March last, and its enclosures, relative to a representation from * * * of the Madras Staff Corps, against the post-dating of his Commission as Colonel, and those of Officers similarly situated, with reference to Despatch No. 115 of 31st May 1866, which declared that the period during which an Officer not a substantive Lieutenant-Colonel is absent from his Command on any account whatever, can only be allowed to reckon as qualifying for the rank of Colonel under the eight years' rule.

2. I have been informed by His Royal Highness in reply, with reference to the provision of the Royal Warrant upon that point, that, in the case of a Major and Brevet Lieutenant-Colonel holding a qualifying staff appointment, it has been ruled that temporary leave of absence shall reckon toward his Colonelcy under the five years' rule, but that, in the case of an Officer of the rank of Major and Brevet Lieutenant-Colonel whilst absent from a Regimental Command, such period of absence is not allowed to reckon under the five years' rule.

No. 14 of 1864.—The following paragraphs of a Military letter from the Right Honorable the Secretary of State for India, No. 408 of the 30th November 1863, are published for general information:—

I have received and considered in Council the Military letter from the Governor General dated 29th August last, No. 80 A, on the subject of the adoption, as regards Major-Generals of the Staff Corps, of the provisions of the Royal Warrant of 5th November 1860, which modifies, in favor of Officers promoted for service in the field, Clause 27 of the Royal Promotion Warrant of the 14th October 1858.

2. Previously to the receipt of his Lordship's letter, I had determined that the time passed by an Officer on leave of absence, rendered necessary by ill-health contracted on service, or in consequence of a wound received in action, shall be allowed to count towards the six years' service in the substantive rank of Field Officer required by the rule laid down in my Despatch dated 3rd December 1861, No. 467 (19), to entitle an Officer of the rank of Major-General to the unattached pay of that rank. Colonel C. Read, c. B., Aide-de-Camp to the Queen, is to have the benefit of this alteration.

3. I now authorize you to introduce the rule sanctioned in the Royal Warrant of 5th November 1860, and to declare an Officer of the Staff Corps who has been, or shall be hereafter, promoted to the rank of Field Officer by brevet for service in the field, who shall continue to serve uninterruptedly, on full pay, from the date of his promotion by brevet to the date of his obtaining the rank of Major-General, to be entitled to the unattached pay of that rank, notwithstanding he may not have served six years with the regimental rank of Field Officer with a Regiment, or in one of the situations specified in Clause 8 of the Royal Warrant of 31st January 1859.

G. O. G. 26th Jan. 1864, No. 31.

Fort William, the 10th February 1864.

No. 117 of 1864.—The following Military letter from the Right Honorable the Secretary of State for India is published for general information :—
From Her Majesty's Secretary of State for India, to the Right Hon'ble the Governor General of India in Council, No. 443, dated 31st December 1863.

Sir,—I have received and considered in Council your Excellency's Military letter* No. 56A, dated 29th July 1863, forwarding applications from the Officers Commanding the Guide Corps, 1st and 2nd Punjab Cavalry, and 2nd Punjab Infantry, soliciting that the period passed in command of Regiments of the Punjab Irregular Force may be considered as qualifying an Officer for promotion in the rank of Colonel, in like manner as such command counts in Native Regiments of any description under the orders of His Excellency the Commander-in-Chief.

2. My attention has been already drawn to this subject by your proceedings in the Military Department, Nos. 214 and 215 of the 5th March last, wherein it appears that the claim of a Lieutenant Colonel of the Bombay Army to promotion under the Warrant was considered subject to the inquiry as to whether the Regiment he commanded was or was not under the orders of the Commander-in-Chief; and I was, prior to the receipt of the Governor General's letter now under acknowledgment, in communication with His Royal Highness the Commanding-in-Chief on the subject.

3. I observe that the wording of my reply to the inquiry contained in the 7th paragraph of your letter, No. 83 of 17th June 1859, may have led to a misapprehension of the intention of Her Majesty's Government, and of His Royal Highness the Field Marshal Commanding-in-Chief upon this point.

4. In the paragraph referred to, your Government desired "to be informed whether the command of Irregular and Local Regiments is to be still considered as qualifying for promotion to the rank of Colonel;" and a reference having been made to the General Commanding-in-Chief on this subject, it was stated in reply "That His Royal Highness considers that the command of Local or Irregular Regiments, if held by an Officer with the rank of Lieut.-Colonel, may qualify for the rank of Colonel under the provisions of the Warrant."

5. There were, however, two descriptions of Native Forces, with a Regimental organization, viz., the 1st Military, consisting of Regiments employed on duties of a strictly Military character; and 2nd, the Police, consisting of Irregular bodies, which, though having a Military organization, were ordinarily employed upon Civil and Police duties.

6. It was not intended that the command of a Corps of the latter description should qualify for promotion under the 8th Clause of the Royal Warrant, and it was with a view of drawing a distinction between the two descriptions of Force to which I have referred, that the words "under the orders of the Commander-in-Chief," which did not occur either in your letter or in that of the Military Secretary to His Royal Highness, but which were adopted as expressing in a few words the distinction which it was intended to make, were inserted in my reply to your reference.

7. While the object of the distinction was to exclude Officers of Police Battalions from the operation of the 8th Clause of the Warrant, it was not intended to exclude from the privilege conferred by it, Officers Commanding Regiments of a strictly Military character, whether serving directly under the Commander-in-Chief, or placed, for reasons of State policy, under the Civil Government.

8. I request, therefore, that the terms of your Order No. 39 of 1859, which would seem to exclude from the benefit of Clause 8 of the Royal Warrant, Officers Commanding Regiments or Forces of the latter description, may be modified, and that the rule, as now explained, may be applied, with retrospective effect, to such Officers as may be already entitled to promotion to the rank of Colonel under its provisions.

9. Under the operation of this order, the Punjab Force, the Hyderabad Contingent, and all such bodies of Troops will be considered as forming a portion of the Standing Army, and Officers serving with those Forces will be entitled to all the privileges regarding promotion granted to the Officers of the Army at large, by the usage of the service, or under the provision of the Royal Warrant.

No. 118 of 1864.—The following Military letter from the Right Honorable the Secretary of State for India is published for general information :—
From Her Majesty's Secretary of State for India, to the Right Hon'ble the Governor General of India in Council, No. 446, dated 31st December 1863.

Sir,—With reference to my Despatch, No. 336 of 25th November 1862, I have to inform you that the rule laid down in a Circular from the Horse Guards, No. 61 of the 24th August 1860, extends to all Officers holding the rank of Captain regimentally with the Brevet rank of Lieutenant Colonel, who may be serving in positions qualifying for promotion to the rank of Colonel, under the 8th Clause of the Royal Warrant of 31st January 1859.

2. It is therefore to be considered as applying to Officers of that rank holding the command of Regiments in the Indian Army.

3. A Captain and Brevet Lieutenant Colonel appointed to the command of a Regiment before the publication in General Order of the Horse Guards' Circular of the 24th August 1860, count his period of command as qualifying service for the rank of Colonel, but a Captain and Brevet Lieutenant Colonel appointed to a similar Command subsequent to the publication, would not so count it.

No. 58 of 1865.—The following Military Letter from the Right Hon'ble the Secretary of State for India, No. 377, dated the 25th November 1864, and the Abstract of Rulings therein referred to, are published for general information :—
The principle of the Rules will apply to Officers of the Indian Army holding qualifying appointments as well as to Officers of the Staff Corps, similarly situated and whose

promotion to the rank of Colonel is not provided for under paragraph 2 of the Staff Corps Warrant :—

Sir,—With reference to my Despatch, No. 27, dated 30th January 1864, I have to acquaint you that as it has been determined that no deduction from the period of five years' service qualifying for the rank of Colonel is to be made on account of leave of absence taken by Lieutenant Colonels generally, the same rule is to be made to apply to the promotion of Lieutenant Colonels of the Staff Corps, under the Royal Warrant of 16th January 1861.

G. O. G. No. 222 of 15th March 1864.—With reference to Government General Orders noted in the margin, the following Military letter from the Right Honorable the Secretary of State for India is published for general information:—

From H. M.'s Secretary of State for India, to the Right Honorable Governor General of India in Council, No. 26, dated 30th January 1864.
Sir,—My letter dated 8th October 1861, No. 389, informed you that it had been determined that Officers holding the rank of Colonel and Lieutenant Colonel regimentally in the Royal Artillery were not, in future, to be seconded when holding Civil situations. My Despatch of the 24th March 1862, No. 124, further informed you that the Supernumerary vacancies occurred, and directed that a similar rule should be established with regard to the Indian Brigades.

2. Circumstances have hitherto prevented the carrying out this intention in the Royal Artillery, and the measure has, in consequence, been suspended, as respects the Indian Artillery also.

3. I am now informed that it is determined that the absorption of the Supernumerary Field Officers of the old Brigades shall commence on the 1st April next, and that with this prospect in view, the Field Marshal Commanding-in-Chief has commenced the discontinuance of the practice of placing Field Officers of Artillery on the Supernumerary list.

4. The absorption of the Field Officers in the new Brigades will not be commenced until the process is completed in the old Brigades, but no Field Officers of either Brigade will be placed on the Supernumerary list after this date.

5. It is understood that the absorption of the Field Officers will be affected in the manner indicated in my letter, dated 24th March 1862, No. 124, by making only one promotion for every three vacancies.

Para. 1.—Referring to the Despatch to your Government, dated 25th November 1864, No. 377, and to the General Order* issued by you, in consequence, on the 13th January 1865,† I have to inform you that it is stated in a letter now received from the Horse Guards that it has been decided that the command of the mixed force of different corps, referred to in No. 17 of the rulings notified in your General Order, must be held "in the field," to entitle a Brevet Lieutenant-Colonel to reckon such command under the five years' rule.

PROMOTION TO COLONEL—QUALIFYING SERVICE.
No. 586 of 1867.—The following Despatch from the Right Hon'ble the Secretary of State for India, is published for general information:—

MILITARY.
No. 119.
To His Excellency the Right Hon'ble the Governor General of India in Council.
London, the 25th April 1867.

Sir,—Para 1. With your Military letter No. 39, dated 28th February, paragraph 2, you transmit correspondence relative to qualifying service for promotion of Majors and Brevet Lieutenant-Colonels under the Royal Warrant of 31st January 1859.
2. As the Commander-in-Chief considers the point raised open to question, you state you are desirous of being informed whether the decision contained in your Official Secretary's letter No. 339, dated 11th February, is accurate, viz., that no portion of the time passed on leave by a Major and Brevet Lieutenant-Colonel (for field service) Commanding a Regiment, can count as qualifying service for promotion to Colonel, under the provisions of Clause 10 of the Royal Warrant of 31st January 1859.
3. The clause referred to is as follows:—
"That the rank of Colonel be given to Officers who obtain the rank of Brevet Lieutenant-Colonel for services in the field after eight years of actual service with that rank."

4. When the period qualifying the Lieutenant-Colonel for the rank of Colonel which had been fixed by the Royal Warrant of 1854 at three and six years respectively was raised by the Warrant of 1858 to the periods of five and eight years, it was understood that no deductions from the extended periods were to be made on account of leaves of absence. It was subsequently determined (July 1860) that in respect of Lieuten-

nant-Colonels in India, a limit should be placed "on the period of absence to be reckoned as part of the five years qualifying for promotion to Colonel; and that fifteen months, being one-fourth of the whole period of five years, will be the term allowed, exclusive of leave obtained on medical certificate in consequence of wounds received in action."

5. This Regulation was to apply both to Her Majesty's British and Indian Forces serving in India.

6. Very shortly afterwards your Government were informed that, on a reference to the General Commanding-in-Chief, it had been ruled that leave of absence taken by a Brevet Lieutenant-Colonel who had obtained that rank for service in the field, was to reckon as part of the eight years' service required, under the Warrant of 31st January 1859, to qualify for the rank of Colonel. This decision was published in orders by your Government on the 21st September 1860.

7. You were informed recently that the practice under which leave of absence had been deducted from the five years' qualifying period, was to cease; and that the Field Marshal Commanding-in-Chief had seen the necessity of rectifying the position of all Colonels promoted since October 1858, who might have had their promotion retarded by the practice of limiting the leave of absence to fifteen months in the five years.

8. Your Government were directed to adopt a similar course in respect to the Colonels of Her Majesty's Indian Forces.

9. Your Government will thus observe that, although a limit was at one time placed on the leave of absence to be taken by a Lieutenant-Colonel qualifying under the five years rule, it has at no time been intended that any deduction on account of leave of absence should be made from the service of the Brevet Lieutenant-Colonel qualifying under the eight years rule, under Clause 10 of the Royal Warrant. The only qualification required under this Clause is, that an Officer should continue to serve on full pay for the period of eight years from the date on which he obtained the rank of Lieutenant-Colonel for service in the field.

10. The questions put by Sir William Mansfield to your Government, were as follow:—

1st.—Whether the period passed on leave by a Major and Brevet Lieutenant-Colonel Commanding a Native Regiment, is to be reckoned under Clause 10 of the Royal Warrant of 31st January 1859?

2nd.—Whether leave of absence, which has been allowed to count as service for pension, is to be deducted from the qualifying service of Captains and Majors holding command of regiments with the army rank of Lieutenant-Colonel?

11. With regard to these questions I have to remark as follows:—

12. Under the decision communicated to your Government on the dates noted in the margin, the command of Native Regiments held by substantive Majors being Brevet Lieutenant-Colonels, is to qualify for promotion to the rank of Colonel under the five years rule, in accordance with the provisions of Clause 9 of the Royal Warrant.

Under the rulings of the Secretary of State for War, published in Orders in India on 13th January 1865, in respect to Clause 9, a regimental Major being a Brevet Lieutenant-Colonel, can only count the period he actually held command of a regiment towards the five years. On ceasing to exercise the command, he would, if a Brevet Lieutenant-Colonel for service in action, be in the same position as the Captain and Brevet Lieutenant-Colonel referred to in Sir Charles Wood's Despatch of 17th November 1864, No. 356, paragraph 5, that is, he would revert to the 10th Clause of the Warrant whilst on leave. The decision of the Field Marshal Commanding-in-Chief to this effect was communicated to you in Lord de Grey's Despatch dated 31st May 1866, No. 115. In this Despatch you were informed that, by the rules which govern the promotion of Officers of the British Service, the period during which an Officer, not a substantive Lieutenant-Colonel, is absent from his command on any account whatever, can only be allowed to reckon as qualifying for the rank of Colonel under the eight years rule.

13. The privilege under which leave of absence is, in certain cases, allowed to count as service for pension, relates to retirement on full pay only, and has no bearing on promotion under the Royal Warrants.

I have, &c.,

(Signed) STAFFORD H. NORTHCOTE.

Under instructions from the Right Honorable the Secretary of State for India, and in accordance with the rule which obtains in the British Army, mixed qualifying periods of service for promotion to the rank of Colonel when there happen to be fractions of days will be computed as follows:—

The five years will be considered as completed if the number of days, together with the fractions of days, amount to more than 1,825½ days, but another day's service will be required if the fraction in the total is only equal to, or less than, half a day.

Royal Warrant.

VICTORIA R.

Whereas it is expedient to provide a body of Officers for Our service in India, by whom various offices and appointments hitherto held by Officers borne on the strength of the several Corps or Regiments of Our Forces in India shall in future be held; and whereas Our Secretary of State for India in Council has resolved to charge upon the revenues of India the sum necessary to provide the pay, half-pay, and pensions of such body of Officers on the scale hereinafter contained. Our will and pleasure is that a Corps be formed in each of the Presidencies of Our Indian dominions, to be denominated the Bengal, Madras and Bombay Staff Corps, respectively, to consist of such Officers as may be required for such employment, and are selected for such purpose by Our Governments in India, with the approbation of Our Secretary of State for India in Council.

It is also Our will and pleasure, that all Officers now holding, or who immediately before the commencement of their present unexpired furlough may have held such appointments and in future Officers belonging to any of Our land forces serving in India, under the rank of Regimental Field Officer, who shall have served three years with a Regiment, of which two shall have been in India, shall be eligible to enter such Staff Corps; but each Officer will not be permanently transferred to the Staff Corps, unless fully qualified, and passed such periods of probation as may be determined on for the branch of the Indian Service for which they may be selected. Officers will receive commissions in the Staff Corps on their names being submitted to Us by Our Secretary of State for India.

It is Our further will and pleasure that the promotion and pay of the Staff Corps shall be regulated as follows:—

G. O., para. 84. 1. Ensigns, when permanently transferred to the Staff Corps, to have the rank of Lieutenant. Other Officers to have the rank which they may hold in their Regiments.

G. O., para. 84. 2. Promotion in the Staff Corps to be governed by length of service. Officers after twelve years' service, of which four must have been in the Staff Corps, to become Captains.

After twenty years' service, of which six must have been in the Staff Corps, to become Majors.

After twenty-six years' service, of which eight must have been in the Staff Corps, to become Lieut. Colonels.

Five years' service in the Staff Corps as Lieutenant Colonel, to entitle the Officer so employed to the Brevet rank of Colonel.

3. Officers now in Staff employment in India, joining the Staff Corps on its formation, shall count their previous Staff service towards promotion to the following extent:—

G. O., para. 85. One step of rank will be given to every Officer whose period of service would qualify him for it, according to the above rules. An interval of two years at least must intervene between each succeeding step.

G. O., para. 101. 4. Officers in the Staff Corps will be eligible for Brevet rank in common with the rest of the Army.

G. O., para. 101. 5. Officers of the Staff Corps holding Military appointments will take Military command according to their Army rank; but Officers whilst holding only Civil appointments will not be entitled to assume such command.

G. O., para. 93. 6. Exchanges may be allowed between Officers of the Staff Corps under the substantive rank of Field Officer and Regiments. Officers of the Staff Corps exchanging into a Regiment will become the juniors of their Regimental rank.

G. O., para. 104. 7. The power of removing Officers from the Effective List of the Staff Corps will be exercised by Us through Our Secretary of State for India.

G. O., paras. 31, 99. 8. Officers of the Staff Corps will receive pay according to the following scale:—

	Rs.	A.	P.	Out of India.
General Officers.....	1,295	5	0	per mensem.
Brevet Colonel & Lieut. Colonel.....	827	14	0	1 5 0 per diem.

Lieutenant.....	225	12	0	0 10 6 "
				0 6 6 "

Every Officer when in active employment will also receive, in addition to the above pay, such a sum as will make his total pay and allowances up to the sum assigned by the Governments in India, with the approval of the Secretary of State for India in Council, as the consolidated pay of the office which he may hold. Eventually a certain proportion of the dated pay of the office which he may hold.

G. O., para. 95. 9. Officers of the Staff Corps will be allowed to retire on the following scale of Pension, provided that not less than half of the required periods of service shall have been passed in the Staff Corps:—

	£.	s.	d.
After 20 years' service in India.....	191	12	0 per annum.
" 24 " " ".....	292	0	0
" 28 " " ".....	365	0	0
" 32 " " ".....	456	5	0

Officers of Her Majesty's Indian Forces joining the Staff Corps will be entitled to Pensions under the Regulation of the Indian Service.

10. Officers of the Staff Corps in England who may not wish to retire, but who are unable to return to India and Officers removed from the Effective List who may not be entitled to retire on the above scale of Pension, will be placed on a Half-pay List, provided they have served three years in India in the Staff Corps, on the same rate of Half-pay and on the same conditions as Officers of a similar rank in Our Army.

11. It is also Our will and pleasure that this Warrant shall be administered and interpreted by Our Secretary of State for India in Council, who shall be the sole and standing authority upon the matters therein contained, Given at Our Court at Windsor, this Sixteenth day of January 1861, in the Twenty-fourth year of Our Reign.

By Her Majesty's Command.

Staff Corps.

66. The organization and regulations of the Staff Corps to be formed in the several Presidencies are given in full detail in the Royal Warrant and the Despatch No. 27, now published. The object of forming the Staff Corps is to supply a body of Officers for service in India by whom various offices and appointments, hitherto held by Officers borne on the strength of the several Corps of Indian Forces, shall in future be held; it having been resolved that the practice of withdrawing Officers for such employment, while remaining on the strength of their Regiments, be discontinued, and that ultimately all Officers selected for such employment be transferred to Staff Corps.

67. These Corps will be denominated the Bengal, Madras and Bombay Staff Corps respectively, and will consist of such Officers as may be required for employment therein, and may be selected by the Governments of the several Presidencies, with the approbation of the Secretary of State for India in Council.

68. Officers of the British and Indian Armies now on Staff employ in India, no having the substantive rank of Colonel, are eligible for admission to the Staff Corps, and Officers of either Service under the rank of Field Officer, not now on the Staff may, now or hereafter, become candidates.

69. Officers at present holding Civil and Political appointments of every description, and appointments in all Public Offices and Departments, Officers holding Military appointments on the General and Personal Staff, and the appointments of Commandant, second in Command, and Adjutant of Irregular and Local Corps; of Adjutant and Interpreter and Quarter Master of existing Local European and Native Regiments;—will be held to be now on Staff employ, and will be eligible, under the conditions hereafter noted, to have their names placed on the list of the Staff Corps, but Officers doing duty with Irregular and Local Regiments will not be regarded as being now in Staff employ.

70. So soon as the proposed changes in the organization of the Regular Native Regiments shall have come into operation, the whole of the Officers who will be permanently attached to them will be held to be on Staff employ.

Despatch 27, para. 6. 71. There will then be, as at present, two great divisions of employment for Officers of the Staff Corps:—

1st. Purely Military, as in Regiments of the Native Army.

2nd. Various Civil appointments, as Political, Public Works, &c. There will also be practically many sub-divisions of employment, for each of which there will be, as at present, separate Departmental Lists.

72. Officers of the Indian Army now holding Staff appointments of any description, will have the option of joining the Staff Corps if they do not possess the substantive rank of Colonel, or of continuing in Staff employment, whatever their Regimental rank, without joining the Staff Corps; and in the latter case they will not, as heretofore, be required to vacate their appointments on the attainment of a certain Regimental rank. This paragraph does not affect the provisions of paragraph 45.

Royal Warrant, Clause 2, Despatch 27, paras. 13, 17. 73. Officers of the Indian Army now holding Staff appointments, nor having the substantive rank of Colonel, but who within the last three years, or who, at the commencement of their present unexpired furlough, may have served permanently on the Staff, and who may make application within the next six months, will be considered eligible to join the Staff Corps on the same terms as those now on Staff employ; provided always that they have passed the prescribed examination in Hindoostanee, and that they did not lose their appointments through misconduct, and are not otherwise disqualified.

Royal Warrant, Clause 2, Despatch 27, para. 26. 74. Officers of the British Army, now in Staff employment, will have the option of declaring their desire to be transferred to the Staff Corps, with the consent of the Commander-in-Chief in India, within six months from the date of the notification of the Royal Warrant in India; or of retaining their appointments on their present footing, if their services are required by Government, for the unexpired portion of a period of five years from the date of their appointment, unless the Regiments to which they belong shall be previously removed from the Indian Establishment.

75. Those whose tenure of Staff appointments, at the time of transfer to the Staff Corps, shall have exceeded one year, will not be subjected to probation, or to any introductory test other than those already prescribed for any department in which they may be serving; but Officers who may have held their appointments for less than one year will not be transferred permanently to the Staff Corps unless they possess the requisite qualifications, to be hereafter laid down, and shall have completed the period of probation to be prescribed. The option of joining the Staff Corps will be open to those Officers only who may be considered by the Governments under which they are serving to be in all respects fit for the Staff Corps.

Despatch 27, para. 16. 76. Appointments on the General Staff of the Army specified in the margin, can only be held for five years; they may be held by Officers of the Staff Corps, or by other Officers of either Army, but will be subject henceforward to the limitations as to rank, which are laid down in the Queen's Regulations and Orders for the Army, in Clauses 30 to 33 of the Section entitled "Duties of General and other Officers employed upon the Staff of the Army."

Royal Warrant, Clause 2, Despatch 27, paras. 18, 19. 77. Officers now holding such appointments will not be required to vacate them for a period of two years from this date, or a period of seven years from the date of their appointment.

78. Officers not having the substantive rank of Colonel, now holding appointments on the Staff, as defined in paragraph 69, will at once be called upon to declare whether or not they desire to join the Staff Corps, to enable such Officers to avail themselves of the advantages in the way of promotion, notified in paragraphs 84 and 85, they must communicate their decision to the Adjutant General within six months of the date of the publication of the Royal Warrant in India.

Despatch 27, para. 26. 79. The selection of Officers hereafter, for the Staff Corps, will rest with the Governments in India, but no Officer serving with any Regiment will be admitted on probation without the consent of the Commander-in-Chief, or without a certificate from the Commanding Officer of his Regiment, that he has efficiently performed his Regimental duty for the period prescribed in paragraph 80.

80. For the future, Officers not on the Staff will not be eligible for the Staff Corps unless they be below the rank of Regimental Field Officer, and have served three years with a Regiment, of which two must have been in India, and have past the prescribed examination in Hindoostanee. They will not be permanently appointed to the Staff Corps, unless, after due probation, they shall pass the prescribed tests for the branch of the Indian Service for which they may be selected. This rule applies equally to Officers of the British and Indian Armies.

Despatch 27, para. 20. 81. A subsequent notification will prescribe the period of probation and the tests of qualification in the several Departments.

Despatch 27, para. 21. 82. The promotion of Officers while on probation will go on in their respective Regiments.

Despatch 27, para. 21. 83. Officers of the British Army when permanently transferred to the Staff Corps will be removed from the strength of the Regiment to which they belonged.

84. The promotion of Officers of the Staff Corps will be regulated as follows:—

Royal Warrant, Clause 3, Despatch 27, paras. 1 and 2. Ensigns, when permanently transferred to the Staff Corps, will have the rank of Lieutenant. Other Officers will have the rank which they may hold in their Regiments.

Officers of twelve years' service, of which four must have been in the Staff Corps, will become Captains. After twenty years' service, of which six must have been in the Staff Corps, they will become Majors. After twenty-six years' service, of which eight must have been in the Staff Corps, they will become Lieutenant-Colonels.

Five years' service in the Staff Corps as Lieutenant-Colonel, will entitle the Officer so employed to the Brevet rank of Colonel.

85. Officers now in Staff employment will be allowed to count, to the extent laid down in the Royal Warrant, as noted in the preceding paragraph, their past service towards promotion, as if it had been performed in the Staff Corps. One step of rank will be given to every Officer whose period of service would qualify him for it according to the above rules, an interval of two years at least must intervene between each succeeding step. But these privileges will be restricted to those Officers who, whether now in India, or on leave out of India, may declare their desire to be transferred to the Staff Corps within six months of the date of the notification of the Warrant in India.

Royal Warrant, Clause 2, Despatch 27, para. 26. 86. The Officers referred to in paragraph 73, will also be allowed this privilege, should they be permitted to join the Staff Corps.

Despatch 27, para. 26. 87. The past service on the Staff, counting for promotion in the Staff Corps, will include any service of a permanent nature which an Officer now on the Staff may, from the date of his first arrival in India, have passed on the Staff

APPENDIX.

88. Officers of the Staff Corps under the substantive rank of Field Officer, will be allowed to exchange with Regiments of the Line of the same rank, on the recommendation of the Government of India and the Commander-in-Chief in India, and subject to the confirmation of Her Majesty. But it is to be understood that the Regimental Officer entering the Staff Corps by exchange will not necessarily assume the Staff appointment held by the Officer with whom he exchanges. He will merely enter the Staff Corps on being found qualified for the Department of the Staff on which the Government may desire to employ him. Officers of the Staff Corps exchanging into a Regiment, will become the Juniors of their Regimental rank.

89. An Officer of the Staff Corps whose name is borne on the Cadre of an Indian Regiment, exchanging from the Staff Corps with an Officer of a British Regiment other than the new Line Regiments about to be formed, will give an effective step in the Cadre of his former Regiment.

90. It will be discretionary with the Governments in India, as at present, to employ the Officers of the Staff Corps, in such manner as they may think best, in the situations for which their respective qualifications may render them most fitted. The appointments and promotions in the several Departments will rest, as at present, with the Government. Those appointments, promotions, and recommendations now in the gift of the Commander-in-Chief, remain as heretofore.

91. Officers of the Staff Corps of one Presidency may, with the sanction of the Government of India, be employed in any other Presidency.

92. Unattached Officers of the Indian Service are eligible for the Staff Corps on the same terms as other Indian Officers.

93. Officers of the Staff Corps while on furlough will draw the pay of their rank, as laid down in the Clause of the Royal Warrant for Officers out of India, and in case of sickness will have the privilege of drawing for six months the allowances of Officers on sick leave in India.

94. They will be allowed to retain their appointments during short periods of leave, not exceeding twenty months, during which time they will only receive the unemployed Regulations of the Indian Army.

95. A certain proportion of the Senior Officers of the Staff Corps will be under the New Furlough pay of their rank. With the above exceptions, the Officers of the Staff Corps will be under the New Furlough Regulations of the Indian Army.

96. The number will be fixed in the proportion of one for every thirty Officers on the Staff Corps, but this number can only be filled up as the establishment of Colonels on the old footing diminishes, so that the aggregate number of Officers receiving Colons' allowance at one time shall never exceed the regulated number of Colonels' allowance for each Presidency.

97. Officers of Her Majesty's Indian Forces joining the Staff Corps, will be entitled to pensions under the Regulations of the Indian Service. Officers of the British Army, entering the Staff Corps, will be allowed to retire on the following scale of pension, provided that not less than half of the required periods of service shall have been passed in the Staff Corps:—

SCALE.
After 20 years' service in India. £. s. d.
" 24 " " " 131 12 0 per annum.
" 28 " " " 292 0 0
" 32 " " " 365 0 0
" 36 " " " 456 5 "

These periods of service will include the proportions of leave of absence in India or elsewhere laid down in the New Furlough Regulations, viz:—

2 years in 20 years' service
3 " 25 " " " 30 " " "

98. All Officers of the Staff Corps in England who may not wish to retire, but are unable to return to India, and Officers removed from the effective list of the Staff Corps who may not be entitled to retire on the above scale of pension, may, provided they have served three years in India in the Staff Corps, be placed on a half-pay list, on the same rate of half-pay and on the same conditions as Officers of a similar rank in the British Army.

Officers belonging to the Indian Forces who may avail themselves of this privilege will give an effective step in the Cadres of their Regiments. Officers placed on half-pay will be eligible to return to effective service, either in the Staff Corps or in Regiments of the Line. In the former case their names will not be restored to their old Cadres.

99. No unemployed General Officer of the Staff Corps, who is not required by the Governments in India to remain there, will be allowed to receive pay on the Indian scale for a longer period than three years. At the expiration of that period he will be restricted to the Colons' allowance.

100. Officers of the Staff Corps under the rank of Major-General, whom the Government of India may not see fit to employ in any capacity, will not be allowed to draw pay for more than four years, of which one year may be on the Indian scale, and three years on the scale fixed for Officers "out of India," after which period they will be placed on half-pay, or on pension according to the scale of their rank, if entitled thereto.

101. The pay of Officers of the Staff Corps whilst unemployed has been fixed at the following rates:—

Whilst required to remain in India. Per Mensem. Out of India. Per Diem.

General Officers. Rs 1,295 5 0 £1 5 0
Brevet-Colonel and Lieutenant-Colonel. " 827 14 0 " 1 0 0
Major. " 640 14 0 " 1 0 0
Captain. " 374 1 6 " 0 16 0
Lieutenant. " 225 12 0 " 0 10 0

102. The pay and allowances to be established for the several Staff appointments, in all departments of Staff employ, will be announced in a subsequent notification, and meanwhile the Staff salary and other allowances of all appointments will remain unchanged.

103. Officers of the Staff Corps are eligible for Brevet Rank, and will take their places on the General Gradation List in common with the rest of the Army. Those holding Military appointments will take Military Command according to their Army Rank, but Officers whilst holding only Civil appointments will not be entitled to assume such command. Civil appointments are those in any Civil branch of the Army, or under the Civil administration of Government.

104. Lieutenant-Colonels entering the Staff Corps on its first establishment will take rank as Lieutenant-Colonels in the Staff Corps. Lieutenant-Colonels entering the Staff Corps as substantive Lieutenant-Colonels. All Officers entering the Staff Corps will take with them the substantive rank they held at the time of joining it. Should two Officers of the same rank enter the Staff Corps, and be promoted on the same day, they will stand in the Corps according to the dates of their previous substantive Commissions. But Officers of the Staff Corps will take precedence and exercise command among each other according to their Army Rank.

105. All promotions in the Staff Corps, in the case of Officers who may join the Staff Corps within six months of the publication of the Royal Warrant, will take effect from the 18th February 1861, the date of the receipt of the Warrant in India.

106. The power of removing Officers from the effective list of the Staff Corps will be exercised by Her Majesty through the Secretary of State for India.

107. The provisions of paragraph 90 are also applicable to appointments in the Ordnance, Survey, and Public Works Department.

(Signed) R. J. H. BIRCH, Major General, Secretary to the Govt. of India.

No. 826 of 1861.—The following paragraphs of a Military Letter from the Right Hon'ble the Secretary of State for India, No. 318, dated 10th August 1861, are published for general information:—

Para. 1.—It appears to me that paragraph 98 of your General Order does not accurately express the intentions of Her Majesty's Government, and is liable to misapprehensions on the part of the Officers of the Army. The words "Officers of the Staff Corps, under the rank of Major-General, whom the Government of India may not see fit to employ in any capacity," used in the paragraph, would appear to contemplate Officers whom the Indian Governments, in point of fact, considered to be unfit for employment. Such Officers ought to be removed from the Staff Corps under the authority specified in the 7th paragraph of the Staff Warrant, and placed upon half-pay or pension under the provisions of the 10th paragraph of the same Warrant.

2. The directions contained in paragraph 33 of my Despatch No. 27 of January 1861, were intended to apply not to Officers unfit for employment, "whom the Governments of India may not see fit to employ in any capacity," but to Officers who are perfectly fit for employment, but who, from circumstances of one kind or another, may be out of employment, for example, such as those who, in consequence of having overstayed the prescribed limit of absence, with retention of appointment, may find themselves, on their return to India, out of employment.

3. I proceed, therefore, to give you more precise directions on this subject.

4. Such Officers are, on their return to India, to be placed on the rate of pay specified, for their respective ranks, in the Staff Warrant for Officers "while required to remain in India," and they will retain this rate of pay for a year, before the expiration of which I expect that you will have an opportunity of placing them in some suitable situation. This it will be your duty to do at the earliest period, so that the revenues of India may not be charged for more unemployed Officers than is inevitable under the circumstances at the time.

5. If, however, no opportunity should occur within the year of placing such an Officer in a situation that you consider suited to him, you are authorized to continue such allowance until a suitable opening can be found.

6. I desire, however, that every such case shall be forthwith reported to me, and that a quarterly list of all such unemployed Officers in India, at the date of their return to India, may be punctually transmitted to me.

7. You will modify the 98th paragraph of your General Order in accordance herewith.

No. 826 of 1861.—With reference to the foregoing Despatch, paragraph 98 of the General Order, No. 332, dated 10th of April 1861, is cancelled, and the following is substituted for it:—

98. Officers of the Staff Corps under the rank of Major-General, who may be considered unfit for employment, will be removed from the Staff Corps under the authority specified in the 7th paragraph of the Royal Warrant, and placed upon half-pay or pension under the provisions of the 10th paragraph of the same Warrant.

Officers who are perfectly fit for employment, but who, from any circumstances, as, for example, from having exceeded the prescribed limit of leave of absence, with retention of appointment, may be out of employment, will, on their return to India, be placed on the rates of pay specified in the Royal Warrant for Officers respectively "while required to remain in India," and such rates of pay they will retain for one year, within which time it will be the duty of the Government of India to find suitable employment for them if possible, but failing in this, the allowances above noted will be continued until an opening for employing them can be found.

No. 469 of 1866.—The following Extract from General Orders by the Government of India, is re-published:—

Fort William, the 15th December 1866.

No. 1062 of 1866.—Under the authority of the Right Honorable the Secretary of State for India, His Excellency the Governor General in Council is pleased to notify that Officers joining the Staff Corps under Government General Order No. 808* of the 26th September 1866, will not be liable to be placed on half-pay under Government General Order No. 826† of 17th September 1861, upon any grounds other than such as would have justified their removal from the effective strength of the Army had they not joined the Staff Corps.

If the Officer hold no substantive Staff appointment, Civil or Military, it will be given in addition to his Military pay and allowances.

A Military Officer in Civil employ performing the duties of his substantive appointment, and at the same time officiating in another, is entitled to his substantive salary, and in addition to a deputation allowance of 20 and 10 per cent. on the Staff salary of the appointment in which he is officiating, provided the pay of the substantive appointment, with the addition of the deputation allowance, does not exceed the pay of the higher appointment.

A subordinate acting for his principal or for any other Officer at the same Station, is not entitled to deputation allowance for the first month while so acting, unless he is required to act on two occasions within a brief period (say twelve months), in which case he draws deputation allowance for the whole period during which he may have held the appointment in excess of one month as if he had acted continuously.

A Military Officer proceeding from one Civil appointment to another, shall be allowed to draw, during the authorized period of transit, out of the salary of the office he is about to join, a sum equal to that of his previous situation. This Rule to be preceded by an Order making the Civil Rules for joining time applicable to Military Officers in Civil employ.

A Military Officer in Civil employ can take three months' cumulative privilege leave (under the Civil Rules only) but he must earn it by thirty-three months' continuous service in the Civil Department alone.

Para. 35.—These several Rules are approved of.

CAMP MEEAN MEER, THE 29TH OCTOBER 1863.

No. 161 A of 1863.—In continuation of General Order No. 156 A of the 13th instant, the annexed scale of Staff salaries hereafter to be allowed to Officers serving with Native Regiments under the new organization is published for general information, and with reference to this scale an extract (paragraphs 23, 24, 25, 26, 27, 28, 29, and 30) of Sir Charles Wood's Despatch, No. 311 of the 31st August last, is also published for information and guidance.

2. Detailed instructions will be issued by His Excellency the Commander-in-Chief for the guidance of Officers serving with Native Corps under the new organization, and the present system of payment of Troops and Companies and for repair of Arms, &c., will continue until a further order is issued by Government on the subject, the same Officers as at present drawing any allowances now authorized for the payment of Companies and repair of Arms.

The new system of placing European Officers in charge of Squadrons and Wings will, in all other respects, be brought into operation as soon as His Excellency the Commander-in-Chief can issue the necessary subsidiary order.

3. The Despatch of the Secretary of State having been received by the Right Hon'ble the Governor General on the 30th ultimo, increased pay is claimable from 1st September by Commandants, Adjutants, and Doing Duty Officers, as well as Seconds in Command of Cavalry; but when higher pay may accrue from Seconds in Command or others obtaining new appointments, as Wing or Squadron Officers or Quarter-Masters, such increased pay will only become due from the date of Officers assuming charge of the duties of such new appointments under the orders of the Commander-in-Chief.

4. With reference to paragraph 26 of Sir Charles Wood's Despatch, instructions will hereafter be issued as to the Scale of Office Establishment to be maintained by Adjutants. Meanwhile the allowance of Rspees 50 per mensem will be passed.

5. The pay now authorized is to be drawn in addition to Staff Corps pay only.

6. The rules now laid down are applicable to such Corps under their Excellencies the Commanders-in-Chief of the Bengal and Bombay Armies as now are or may hereafter be placed on the new organization, and to the Punjab Irregular Force.

7. The Corps of Regular Infantry on the Bengal Establishment will, under the orders of the Commander-in-Chief, be placed on the new organization from the 1st January next.

Extract, Secretary of State's letter, No. 311, dated 31st August 1863, paragraphs 23 to 30.

Para. 23. I have given much and careful consideration to these proposals.

24. I am of opinion that the salaries attached to these Regimental appointments should be such as to place them at least on a footing of equality with the average of the Staff appointments commonly held by Officers of similar rank and standing in the service, and while they should not be so far superior to the latter as to induce those to seek them whose natural tastes and qualifications might not otherwise incline them to this important branch of the Service, it is important, on the other hand, that young Officers, who, on first joining the Staff Corps, will frequently be employed with Native Troops, should not, if naturally fitted for Military Service, be tempted to relinquish it by the attraction of superior emoluments of other staff employments.

25. With these principles in view, and making due allowance for the advantages enjoyed by Staff Corps Officers in regard to promotion, and the comparatively early period at which they will attain the pay for the higher ranks, I am willing to sanction the scale of Staff allowance proposed by your Government for the Officers serving in different capacities with Native Regiments, which, though liberal, will probably not be found excessive.

26. In the case of the Regimental Adjutant, however, it appears desirable that an Office Establishment should be prescribed, which should be maintained and paid upon Abstracts supported by the usual Muster Rolls.

27. I learn from your Despatch No. 10, dated 3rd January 1863, that you have completed the Native Regiments in Bengal to six regularly attached and paid European Officers; exclusive of the Medical Officers, as announced in your General Order of the 12th December 1862, it being distinctly understood that the appointments made under that decision are held subject to such modifications as may be found necessary on receipt of my further instructions on the general question, and that you have authorized the Government of Bombay to extend the rule to such Regiments in that Presidency as are formed and officered according to the new organization.

28. I approve of these proceedings and shall await the result of your reference to the Government of Madras upon the introduction of the new system into the Army, of that Presidency.

29. The scale of salaries now sanctioned will be brought into operation and made to apply in all cases where there is no reduction in the present aggregate salary on the payment due on the 1st of the month succeeding the receipt of this Order.

30. Reductions of salaries effected by this Order are not to be made to affect present permanent incumbents, or those who are officiating for such permanent incumbents being temporarily absent from their duties.

No. 19, dated 7th May 1867, in regard to the Home Remittances of Officers, is withdrawn, and such Remittances may hereafter be made to the full amount within the annual limit of the Officer's rank, in one sum, or by instalments, at any time within the official year.

1. The grades of Medical Officers in our Indian Military Forces shall be four in number, viz:—

No. 941 of 1868.—The following Military Order from the Right Hon'ble the Secretary of State for India is published for general information.

MILITARY No. 5. i. Inspector General.

To His Excellency the Right Hon'ble the Governor-General in Council. ii. Deputy Inspector-General of Hospitals.

SIR.—In the Royal Warrant of 1866, regulating the pay and promotion of Officers and Soldiers of Her Majesty's British Service elsewhere than in India, it is ruled, by Clause 287, that "a Surgeon of less than twenty years' full-pay service may be promoted to the rank of Surgeon-Major for distinguished service."

2. Her Majesty's Government have determined that this regulation shall be held applicable to the Indian Medical Service. It is to be remembered that this promotion is not brevet, but substantive, and that it will carry with it the advantages of increased pay, &c., which appertain to the rank of Surgeon-Major.

3. You will observe that, by the enclosed extract of the Royal Warrant above mentioned, it is necessary that "the recommendation detailing the services for which the Officer is proposed for promotion for distinguished services shall be published in the General Orders of the Army and in the Gazette in which such promotion shall appear."

India in any rank, shall be so promoted.

Clause 287. i. Staff or Regimental Surgeon; who after twenty years' service in India in any rank, shall be so promoted.

I have, &c. (Signed) STAFFORD H. NORTHCOTE.

Extract from the Royal Warrant, 1866, Part 1—Pay.

Clause 287.—A Surgeon after twenty years' service in any rank shall be styled Surgeon-Major, but a Surgeon of less than twenty years' full-pay service may be promoted to the rank of Surgeon-Major for distinguished service. The recommendation detailing the services for which the Officer is proposed for promotion for distinguished services shall be published in the General Orders of the Army and in the Gazette in which such promotion shall appear.

iv. Staff or Regimental Assistant-Surgeon.

2. No Candidate shall be admitted to the competitive examination for a Commission in the Medical Department of Our Army who does not possess such a certificate or certificates as would qualify a civilian to practice Medicine and Surgery.

3. No Assistant Surgeon shall be eligible for promotion to the rank of Surgeon until he shall have passed such examination as Our Principal Secretary of State for India in Council may require, and shall have served in India with the Commission of Assistant Surgeon for five years, of which two shall have been passed in or with a Regiment.

4. A Surgeon, whether on the Staff or attached to Regiments, must have served ten years in India, of which two must have been passed, with the rank of Surgeon, in or with a Regiment, or as a Civil Surgeon, before he will be eligible for promotion to the rank of Deputy Inspector-General of Hospitals.

5. A Deputy Inspector-General of Hospitals must have served three years in India before he shall be eligible for promotion to the rank of Inspector-General.

In cases, however, of emergency, or when the good of the service renders such alteration desirable, it shall be competent for the Governor-General in Council to shorten the several periods of service above-mentioned, in such manner as he shall deem fit and expedient.

6. Assistant Surgeons shall, as a general rule, be promoted to the rank of Surgeon in the order of their seniority in the service, unless unfit for the discharge of their duties from physical or professional incompetence or misconduct. In cases of distinguished service, however, an Assistant Surgeon may be promoted by Brevet, without reference to seniority, and in such cases, with a view to insure the responsibility attaching to an appointment made out of the regular course of promotion, the recommendation in which the service of the Officer shall be detailed shall be published in the General Orders of Our Indian Military Forces, and in the Gazette in which his promotion appears.

Relative rank shall carry with it all precedence and advantages attaching to the Military rank with which it corresponds, and shall regulate the rates of lodging money, number of servants, rations of fuel and light, or allowances in their stead, except for Officers and others to whom special rates have been assigned, detention and Prize Money, according to the regulations, and upon the conditions, in force from time to time; but such relative rank shall not entitle the holder to Military command of any kind whatsoever, nor to the Presidency of Courts Martial, Courts of Enquiry, Committees, or Boards of Survey, but when the President of such Courts, Committees, or Boards shall be junior to the Officer of the Civil Department then such Member of the Civil Department shall attend as a witness, and not as a member.

Choice of quarters shall be regulated by relative rank according to date of Commission; except in the case of the Commanding Officers' quarters, and in cases in which special quarters shall be permanently appropriated, with the approval of the Secretary of State for War.

Relative rank shall not entitle the holder to salutes from Ships or Fortresses, nor to the turning out of Guards; but it shall entitle him, if Commissioned, to salutes by sentries, or by individual Soldiers.

Honorary rank of Paymasters shall carry with it all the privileges and advantages attaching to relative rank of corresponding degree.

All Commissioned Officers, serving with the Troops, shall be entitled to Funeral Honours, according to their relative Military rank.—Vide G. O. G. 16th March 1861, No. 101.

2. The plan which appears to your Excellency best suited to protect the public interests and the claims, at the same time, of Medical Officers in cases where superior Medical authorities certify the perfect competency and fitness of the Medical Officer, who has completed the age of fifty-five years without having obtained the rank of Deputy Inspector-General.

4. I am willing to assent to the adoption of this plan in regard to the Medical Officers who entered the service prior to the promulgation of the Royal Warrant, provided that the perfect competency and fitness of the Medical Officers be, in all cases, certified by a Board consisting of two Medical Officers, one of whom must be an Inspector-General or Deputy Inspector-General, and the Commanding Officer, or Senior Civil Officer, under whom the Medical Officer may have been serving.

5. The certificate of efficiency granted by such a Board may hold good for three years, but in no case will a Medical Officer under the rank of Deputy Inspector-General be permitted to remain on the effective list after he shall have attained the age of sixty years.

6. A Medical Officer who may be unable to obtain the certificate of competency above referred to will be placed on the Retired List, receiving, as recommended by Government, the rate of pension next above that to which his period of service in India may entitle him, provided that he be not already entitled to retire on the higher rate, viz., £700 a year.

7. A similar course may be pursued with respect to Medical Officers employed on unprofessional duties on their attaining the age of fifty-five years.

11. Medical Officers shall be entitled to all the allowances granted to Our Indian Military Forces on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

12. Their families shall, in like manner, be entitled to all the allowances granted, under existing regulations, to the families of combatant Officers holding the same relative ranks.

13. Medical Officers shall be held entitled to the same honors as the other Officers of Our Army of equal relative ranks.

14. A Medical Officer, retiring after a service in India of twenty-five years and upwards, may, if recommended for the same by the Head of his Department, receive a step of honorary rank, but without any consequent increase of pay.

15. Six of the most meritorious Medical Officers of the Army shall be named Honorary Physicians, and six My Honorary Surgeons.—Vide G. O. G. No. 266, 18th June 1861.

No. 1069 of 1868.—The following paragraph of a Military letter from the Right Hon'ble the Secretary of State for India, No. 283, dated 26th August 1868, is published for general information:—

Para. 4.—Having forwarded, for the consideration of the Field Marshal, and after five years' service in India as Deputy Inspector General as Inspector General of Hospitals as

† This Clause does not extend to the compliments to be paid by Garrison or Regimental Guards as laid down in pages 29 and 30 of the Queen's Regulations for the Army.

7. All promotion from the rank of Surgeon to that of Deputy Inspector, and from the rank of Deputy Inspector to that of Inspectors, shall be given by selection for ability and merit; and the grounds for such selection shall be stated to us in writing, and recorded in the office of the Secretary of State for India in Council, the selection for the grades of Deputy Inspector being made from the whole rank of Surgeons, whether styled Surgeons or Surgeons-Major.

8. With a view to maintain the efficiency of the service, all Medical Officers of the rank of Surgeon Major, Surgeon, or Assistant Surgeon, shall be placed on the Retired List when they shall have attained the age of fifty-five years, and all Inspectors General and Deputy Inspectors General when they shall have attained the age of sixty-five years.

9. The relative rank of the Medical Officers of our Indian Military Forces shall be as follows:—

Staff or Regimental Assistant Surgeon as a Lieutenant, according to the date of his Commission, and after six years' service in India as Captain according to the date of the completion of such service.

Staff or Regimental Surgeon as Major, according to the date of his Commission; and Surgeon Major as Lieutenant Colonel, but junior of that rank.

Deputy Inspector General as Lieutenant Colonel, according to the date of his appointment.*

Inspector General of Hospitals as

shal Commanding-in-Chief, the papers relating to the claim of Deputy Inspector General of Hospitals * * * to count towards the relative rank of Colonel the period during which he officiated on the full pay of a Deputy Inspector General. His Royal Highness has informed me that in the British service a Deputy Inspector General of substantive rank alone can claim the relative rank of Colonel, and that only from the actual date of the Gazette in which his appointment is notified, and that under no circumstances does a merely officiating appointment so qualify. As recommended by His Royal Highness, the same rule should be observed in the Indian service.

Brigadier General, according to the date of his appointment; if with an army in the field, or after three years service in India as Inspector General, as a Major General, from the date of his joining such army in the field, or according to the date of the completion of such service.

6. The establishment of Medical Officers above the rank of Assistant Surgeon in the three Presidencies will, so long as there are Officers enough remaining on the old lists to complete these numbers be fixed:—

In Beugal... 152 | Madras... 86 | Bombay... 69

7. With a view of removing all cause of complaint and misunderstanding, on the part of the Officers of the Indian Medical Service, on the subject of their promotion to the rank of Surgeon Major, under the Royal Warrant of 13th January 1860, Her Majesty's Government have determined to give retrospective effect to that Warrant, and to cause all promotions made under its authority to be dated from the 1st October 1858, being the date of the Royal Warrant for the British Medical Department, and it has been further determined to modify the instructions conveyed to you in my Despatches, No. 397, dated 31st October 1860, and No. 386, dated 30th September 1861, and to permit the period of service, qualifying Surgeons for the rank of Surgeon-Major under that Warrant, to be calculated from date of first commission, including all leave of absence of whatever kind.

8. It has been further resolved, that the following change in the mode of payment of Officers serving in India, whether of the British or Indian Medical Department, shall be introduced from the date of the receipt of this Despatch.

9. From that date, the allowance of head money, as well as that for medical charge of British Regiments and Brigades, will be discontinued, excepting in the case of Assistant Surgeons, who will receive while in actual charge of British Regiments or Brigades of Artillery, a special allowance of Rupees 150 per mensem in addition to their pay.

10. The following will be the rate of pay for Officers of the several grades in the Medical Department, below that of Inspector and Deputy Inspector General, who receive special salaries, whether belonging to the British or the local service:—

Rank.	Years' Service.	Relative Rank.	Half Batta.			Full Batta.

11. Surgeons of Her Majesty's Service, not being Surgeon Majors, who may be in medical charge of Regiments or Brigades, at the date of publication of the Order, will not be affected by this rule, but will continue to receive their pay and allowances while attached to such Regiments, as heretofore.

12. Officers of the British Medical Department attached to Brigades of Horse Artillery and Regiments of British Cavalry will draw, in addition to the rate of pay above laid down, horse allowance at the following rate:—

Rank.	Years' Service.	Relative Rank.	Additional Horse Allowance, when attached to a British Cavalry Regt.

13. Officers of the Indian Medical Service will receive pay, while on furlough in Europe, according to the following scale:—

Surgeon	...	...	...	18 0	15 0			
Asst. Surgeon	...	...	...	...	...	13 0	11 6	10 0

14. The rule regarding pension, at present applicable to the Officers of the Indian Medical Service, will remain in force with the following modification :—
15. Officers compelled to leave the service on account of ill health, and entitled to half pay pension under present Regulations, will be allowed the half pay of their relative rank, as laid down in the Royal Warrant, dated the 1st October 1858. This rule will apply to all Officers retiring upon half pay pension from a date subsequent to the receipt of this Despatch.—Vide G. O. G., 12th July 1864, No. 261.
- Para. 15. 3. My Despatch dated 16th May last, No. 152, stated that Officers compelled to leave the service on account of ill health, and entitled to half pay pensions under present Regulations, would, in future, be allowed the half pay of their relative rank.
4. Under these circumstances, I am of opinion that in respect to retirement on half pay, the Assistant Surgeon, after a service of six years, should be treated as an Officer having the Regimental rank of vice, he should be permitted to retire on the half pay of Captain, on showing sufficient proof of disqualification for further service.
5. Medical Officers under six years' service having the rank of Lieutenant, will continue, in respect to retirement on account of ill health, subject to the Regulations applicable to Subaltern Officers.—Vide G. O. G., 24th March 1865, No. 117.

ASSISTANT SURGEONS—IN MEDICAL CHARGES.

No. 288 of 1867.—The following Military Letter from the Right Hon'ble the Secretary of State for India, No. 266, dated 7th December 1866, is published for general information :—

MILITARY.
No. 266.

INDIA OFFICE;
London, the 7th December 1866.

To His Excellency the Right Hon'ble the Governor General of India in Council.
Sir,—I have considered in Council your Military Letter No. 243, dated 21st September 1866, transmitting correspondence regarding the title of an Assistant Surgeon in medical charge of a British Regiment or Brigade of Artillery during the absence of a Surgeon on "privilege leave" to the special remuneration of Rupees 150 per mensem laid down in paragraph 9* of Sir Charles Wood's Despatch, No. 152, dated 16th May 1864.

G. O. G.
No. 136, 29th
March 1867.

2. In reply I have to inform you that the special grant of Rupees 150 referred to was sanctioned to Assistant Surgeons of Her Majesty's service in India who might, by the exigency of the service, be placed temporarily in medical charge of a British Regiment.

3. It should be allowed, therefore, in all cases of an Assistant Surgeon succeeding to the temporary charge on the death, removal, or absence on medical certificate of the Surgeon, but it was not intended that any such extra charge should be incurred as a consequence of the Regimental Surgeon being absent on private leave and for his own convenience.

I have, &c.

INDIAN MEDICAL DEPARTMENT—ADMINISTRATIVE STAFF.

No. 657 of 1867.—With reference to G. O. G., No. 456, dated 5th May 1865, the following letter from the Right Hon'ble the Secretary of State for India, is published for general information :—

MILITARY.
No. 141.

INDIA OFFICE;
London, the 24th May 1867.

To His Excellency the Right Hon'ble the Governor General of India in Council.
Sir,—Para. 1. In your Military letters, dated 8th and 23rd March last, Nos. 47 and 72, you submit for decision a question which you state has arisen with advertence to the order which allows officiating service "on full pay in the rank of Deputy Inspector General of Hospitals," to reckon towards the additional pension granted to an Officer of that rank after five years' service therein, including only six months on medical certificate, whether the period of five years to which the tenure of that appointment, as well as that of Inspector General of Hospitals, is restricted, should be inclusive or exclusive of such officiating service.

G. O. G.
12th July 1867,
No. 296.

2. It appears to me that, if officiating service on full salary of appointment is to count towards the additional pension, it must necessarily count likewise as part of the five years' tenure of the appointment both of Inspector and Deputy Inspector General of Hospitals. The term of five years to which the appointment is limited, should I think, be regulated as follows :—

It should include any period during which an Officer may have acted as Inspector or Deputy Inspector on full allowances before his permanent appointment. On his permanent appointment, his tenure would be held to expire at the end of five years, including the period of such officiating service, whether after his permanent appointment he may have taken leave of absence or not.

3. A Deputy Inspector General of Hospitals who may, under these circumstances, fail to complete the required service for the additional pension of £250 a year, may, if in that grade he be appointed Inspector General, and shall not serve long enough to entitle him to the pension of £350 a year, reckon his service as Inspector General in addition to that as Deputy Inspector General, towards the period required for the additional pension of the latter grade.

I have, &c.,
(Signed) STAFFORD H. NORTHCOTE.

* Or on promotion, should these periods of service not be already completed.

The following Resolution of the Government of India, is published for general information :—

GOVERNMENT OF INDIA—FINANCIAL DEPARTMENT—No. 1,909.

LEAVE AND ALLOWANCES.

Simla the 9th August 1867.

Read the undermentioned papers :—

Notification No. 2,294, issued from this Department on the 25th April 1867, publishing a General Order of the Military Department, No. 370 of the 4th idem, prescribing a scale of consolidated salaries for Medical Officers.

Letter from the Comptroller General of Accounts, No. 213, dated the 6th June 1867, suggesting, with reference to the above, "that the pay of Civil Assistant Surgeons should, during transfer from one appointment to another, be charged to the Civil Department."

Letter from the Deputy Accountant General, Bengal, No. 753, dated the 27th June 1867, enquiring whether, during the journey of a Medical Officer from one civil appointment to another, his allowances should be treated as a civil charge and be limited to the amount of the unattached pay of his rank, "or be regulated by the salary attached to the station in which he last served."

Endorsement from the Military Department, No. 322, dated the 12th ultimo, forwarding a copy of correspondence regarding an enquiry whether the allowances of a Medical Officer in civil employ should be debited to the Civil or the Military Department during his absence on leave, or while he is in transit from one civil appointment to another.

RESOLUTION.—The Governor General in Council observes that, under the orders of the 4th and 25th April 1867 mentioned above, the salaries of Military Medical Officers in medical charge of Civil Stations are consolidated, and is accordingly pleased to rule that, in common with Military and other Medical Officers in civil employ on consolidated salaries, they shall, during periods of transit from one civil appointment to another, which are to be limited by the civil rules for joining time, draw the salary of the lower paid appointments of the two, and that such salary as well as the allowances admissible to these Officers during absence on leave, shall be disbursed in and charged to the Civil Department.

(Signed) H. MARSHALL, Major-General,
Secretary to Government.

MEDICAL OFFICERS—RATES OF PAY.

FORT WILLIAM, the 26th November 1864.—No. 953 of 1864.—There being considerable misunderstanding with respect to the pay and allowances to be drawn by Medical Officers under the instructions contained in the Despatch of the Secretary of State published in Government General Order No. 507,* of the 20th June 1864, the following Rules are laid down for observance in the three Presidencies, with effect from the date laid down in Government General Order, No. 508, of the same day, and pending further reference to the Secretary of State.

I. All Medical Officers, whether of the British or Indian Forces, who were in receipt of consolidated salaries at the date of publication of the General Order, or who may have subsequently succeeded or may hereafter succeed to situations the salaries of which are consolidated, will draw such consolidated salary and no more.

When so situated as to be entitled to draw only half Staff salary, such Officers will draw the pay of their rank according to para. 10 of the Despatch of the Secretary of State, and half the difference between that sum and the amount of the consolidated salary.

In such case the Officer acting will also draw the new rate of pay for his rank and the half difference remaining undrawn by the permanent incumbent.

II. Surgeon Majors serving with British Regiments will draw pay according to length of service as laid down in para. 10, with the addition of the Horse allowance sanctioned in para. 11, if attached to Regiments of Cavalry or to Brigades of Horse Artillery, and of Rupees 30, if attached to Brigades of Field Artillery.

III. Surgeons of British Regiments who were in Medical charge of Regiments of British Cavalry and Infantry on the 20th June 1864, will be allowed to continue to receive the pay and allowances then drawn.

Their claim to the old rate will not be invalidated by their proceeding on leave in India and ceasing for a time to draw Staff salary or Head money. During such period they will draw the new rates of pay of their rank and on return to their Corps receive their old emoluments.

When promoted to Surgeon-Major, they will draw only the pay of that grade.

IV. Surgeons of British Regiments who were not in charge of Corps on the 20th June 1864, are only entitled to the new rates of pay of their grade whether absent or present, with the prescribed Horse allowance if attached to Cavalry or Horse Artillery, and Rupees 30 Horse allowance if attached to Field Artillery.

V. Assistant Surgeons of the British Service will in all cases receive the pay of their standing as laid down in para. 10, with an addition of Rupees 150 if in Medical charge of a Regiment of Cavalry or Infantry or Brigade of Artillery, or a permanent Depot, besides Rupees 60 per mensem Horse allowance if with Cavalry or Horse Artillery, and Rupees 30 if attached to Field Artillery.

G. O. G.
5th Dec. 1864
No. 370.

* Madras G. O. G. 12th July 1864, No. 261.

VI. Medical Officers of the Indian Service who do not come under the provisions of Clause I of this Order, will draw the same pay and allowances as before the issue of the Order, unless it is below the pay assigned to their rank in para. 10, in which case they will be permitted to draw the higher rate of pay. In the latter case they will draw Horse allowance at the prescribed rates if with Cavalry, Horse Artillery or Field Artillery.

VII. Medical Officers drawing pay under the old Rules will receive any advantages to which they would become entitled by these rules in consequence of promotion or having completed five, six or ten years' service as Assistant Surgeons.

VIII. Medical Officers, whether of the British or Indian Service holding Staff appointments, and in receipt of Staff or half Staff salaries, will, until further orders, draw the present rates of Staff salary in addition to the old scale of pay, receiving any increase in the latter to which they would have become entitled by promotion, unless the aggregate shall be less than the pay of their grade under para. 10, of the Secretary of State's Despatch, in which case they will receive the latter only. When on leave they will draw the new rates of pay without Staff salary, the acting incumbent drawing the Staff salary with the old rate of pay, or the new rates without Staff pay, as may be most advantageous.

IX. Conveyance allowance will not be admissible to Assistant Surgeons on the new rates of pay.

X. The authorized allowance for the Medical charge of the Staff of Divisions or Brigades, will be passed in addition to pay and allowances whether on the old or new scale. The foregoing is in substitution of any orders or decisions on the subject that may have previously been given.

Fort William, the 23rd December 1864.

No. 1060 of 1864.—The following Military Letter from the Right Hon'ble the Secretary of State for India, No. 340 of the 7th November 1864, is published for general information:—

15. Her Majesty's Government have therefore determined that the duties of the Medical Officers of the British Army serving in India shall, in future, be kept wholly distinct from those of the Medical Officers of the Indian establishment, and that there shall be a separate administrative establishment for each.

16. Under these circumstances, it will be necessary that the administrative establishments in the several Presidencies should be revised, and the duties of the several Medical Officers of the higher grades re-distributed, and I request that you will take the subject into early consideration, with a view of determining the numbers of Inspectors General and Deputy Inspectors General of each service that will be required to conduct the administrative duties of the respective services in each Presidency.

17. In my Despatch No. 152, I authorized your augmenting the number of Officers above the rank of Assistant Surgeon

In Bengal to..... 152
" Madras to..... 86
" Bombay to..... 69

18. That establishment is at present as follows:—

Bengal..... 425
Madras..... 243
Bombay..... 193

19. You were informed, in my Despatch No. 291, dated 8th August 1863, that the War Office would take measures for relieving, as soon as possible, the Assistant Surgeons of the Indian Army from the duties of Artillery and new Line Regiments, and the same course will hereafter be adopted as a necessary consequence of the transfer of those Regiments to the British Army. In regard to the Surgeons. A reduction in the establishment of Medical Officers required for service in India will necessarily follow, and I request that the subject of the number likely to be required henceforward in the several Presidencies, may receive your early consideration.

20. In making this calculation you will, of course, take into account the several situations which may be properly filled up by uncovenanted members of the Medical profession.

21. It is believed that, in consequence of all appointments to the local service having ceased during the last three years, the aggregate number of Medical Officers at present borne on the strength of the several Presidencies will be, if anything, below the prospective wants of the service; but I shall make arrangements without delay for filling up vacancies as they may occur on your revised establishment.

22. The promotion of Assistant Surgeons who may hereafter enter the Indian Army will be regulated by length of service, and not, as heretofore, by succession to vacancies in a fixed establishment of Officers of the higher grades.

23. Assistant Surgeons of 12 years' service from the date of first Commission (of which two years shall have been passed in charge of a Native Regiment,) who shall have passed the prescribed examination in professional subjects, will be promoted to the rank of Surgeon.

24. The benefit of this rule is to be extended to all Assistant Surgeons now in the Indian Service, but Officers now in the service who may be so promoted will be considered supernumeraries to the establishment of Surgeons as recently laid down, so that no promotion by seniority will take place until such supernumeraries are absorbed.

25. You will make the promotions consequent upon this concession from the date of receipt of this Despatch.

26. In the Despatch above referred to, I informed you that you were authorized to introduce certain changes in the mode of payment of Officers of the Medical Department serving in India, and you were informed that, pending a further communication upon the subject, Officers of the British or Indian Medical Service, holding Staff appointments, the salaries of which are consolidated, will continue to draw their

salaries as at present; and all Officers of the Indian Medical Department in the receipt of Staff salaries, including such as are in Medical charge of Native Regiments, will continue to draw the aggregate amount of pay and Staff allowances they now receive, provided it be not less than the rate of pay laid down in the above table for Officers of their rank and standing in the service.

27. I have now to inform you that it has been determined that in future all employment on the part of Medical Officers of the Indian Service involving the receipt of special Staff salary shall be considered as Staff employment, the salaries being in all cases consolidated; and that all appointments, whether Civil or Military, held in future by Officers of the present Indian Medical Service below the rank of Deputy Inspector General, will be alike tenable by Surgeon Majors, Surgeons, and Assistant Surgeons.

28. The salaries of the principal administrative and Military appointments are fixed at the following consolidated sums:—

Inspector General.....	2,500	whether of the British or Indian Medical Service.
Deputy Inspector General.....	1,800	
Surgeon Major in charge of Native Regiments...	1,000	with Rupees 90 horse allowance in Cavalry Regiments.
Surgeon in charge of ditto	800	with Rupees 90 ditto ditto.
Assistant Surgeon above 5 years' full pay service in charge of Native Regiments.....	600	with Rupees 60 ditto ditto.
Assistant Surgeon under 5 years' ditto	450	with Rupees 60 ditto ditto.

But Officers now in the Indian service will receive the pay due to their rank as laid down in para. 10 of my Despatch No. 152 of 16th May 1864, when such pay is in excess of the consolidated salaries above-mentioned.

29. Officers who may hereafter be appointed to the Indian Medical Service will receive pay when unemployed in India according to the following scale:—

RANK.	Years' Service.	Unemployed Pay.		
		RS.	A.	P.
Surgeon Major.....	25	888	12	0
Ditto	20	852	3	7
Surgeon	15	677	6	11
Ditto	12	640	14	6
Assistant Surgeon.....	10	410	9	5
Ditto	6	392	5	2
Ditto	5	304	14	2
Ditto	under 5	286	10	0

30. The salaries of other Medical appointments in the Civil and Military Departments will be revised with reference to the above, and fixed at a consolidated sum, and I request that a report may be made to me upon the subject with as little delay as possible. In the meantime, the aggregate sums at present received in each case will continue to be drawn.

31. With a view of promoting the efficiency of the service, it has been further determined that the tenure of office by a Deputy Inspector General of the Indian Service shall, as in the case of Inspectors General, be limited to five years; Officers being, however, if not disqualified by age, eligible either for employment for a second tour of duty in the same grade, or for employment in the higher grade of Inspector General by promotion thereto.

32. You will follow, in the cases of Officers now holding the office of Deputy Inspector General, the same course which your Government adopted in 1861, in regard to combatant Officers holding certain Staff appointments, and permit all such to hold their offices for two years longer, irrespective of the periods they may severally have served in them. Should any Officer have served up to the present time less than five years, he will be allowed to complete a full period of seven years.

33. The rank of Inspector General and Deputy Inspector General conferred upon Officers of the Indian Medical Service under the Royal Warrant of the 13th January 1860, is to be considered as substantive rank.

These Officers, on vacating office at the expiration of the five years' tour of duty, will be permitted in future to draw respectively an unemployed salary of Rs. 1,200 per mensem in the former, and Rs. 900 in the latter case, for a period of six months from the date of their vacating office, after which they will be placed, while unemployed, on the rate of pay laid down in my Despatch of the 16th May 1864 for Officers of corresponding rank in Europe. These sums, deducted from the consolidated salary, will regulate the moiety of Staff salary to be drawn by Officers of those grades during absence on sick certificate. The decision reported in the 3rd paragraph of your letter No. 242 of 1864 will cease to operate from the date of publication of the present Despatch.

34. With a view to improving the position and prospects of Officers of the Indian Medical Service it has been resolved to introduce prospectively the following revised pension rules.

35. Officers of the Indian Medical Service will be allowed to retire on the following scale of pension on completion of the required periods for service:—

After 30 years' service in India ...	£ 550
" 27 " " " "	456
" 24 " " " "	365
" 21 " " " "	292
" 17 " " " "	220

36. An Inspector General, after five years' active employment in India in that grade, will be entitled to retire upon a pension of £350 per annum, in addition to that to which he may be entitled under the above scale.

Simla, the 21st September 1868.

No. 203 of 1868.—The following Military letter from the Right Hon'ble the Secretary of State for India, is published for general information:—

MILITARY.
No. 208.

INDIA OFFICE;

London, 20th August 1868.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—I have considered in Council your letter No. 180 of 20th May last, inquiring how a Deputy Inspector General of Hospitals, who may be compelled by ill health to take leave to England beyond six months during his five years' tenure of office, is to become entitled to the special pension of £250.

2. In reply I have to observe that, although an active service in India of five years, including six months' leave on medical certificate, is required in that rank for the pension in question, and although on the expiration of five years' service on full pay, inclusive of all leave, as an acting or permanent Deputy Inspector General of Hospitals, an Officer vacates the appointment, such Officer is, under the regulations of the service, eligible for re-appointment for a second tour of duty, at the discretion of Government, if not disqualified by age.

3. If disqualified from this or any other cause, and if he has not served the full five years' required for the extra pension, his claim to that pension will be forfeited.

I have, &c.,

(Signed) STAFFORD H. NORTHCOTE.

39. Officers now in the Indian Medical Service will, on retirement, have the option of pension according to the above rules, or according to those now in force.

40. My attention has been directed on this occasion to the rule regarding the qualification of an Assistant Surgeon for promotion to the rank of Surgeon required under Clause III of the Royal Warrant, dated 13th January 1860. There can be no doubt that this rule, which has been again brought to notice by a recent Despatch from your Government, requiring a service of two years in or with a regiment, bears very hardly on many Officers, the nature of whose employment precludes their showing the required qualification, and who, on entering the service, had no reason to suppose that such a regulation would be adopted.

41. These considerations have induced me to consent to exempt from the operation of the clause of the Royal Warrant all the Assistant Surgeons who entered the service prior to its date. It is to be understood, however, that the rule is to be strictly enforced in the case of all Medical Officers who entered the service after January 1860.

42. In my Despatch No. 152 of 16th May 1864, para. 7, I informed you that Her Majesty's Government had determined to modify the instructions given in my Despatches of the 31st October 1860 and 30th September 1861, and to permit the period of service qualifying Surgeons for the rank of Surgeon Major, under that Warrant, to be calculated from date of first Commission, including all leave of absence of whatever kind.

43. I have now to inform you that the same principle is to be observed with respect to the grant of honorary rank on retirement, under the clause 14 of the Royal Warrant, and that the 25 years' service qualifying for a step of honorary rank, the requirements of the clause in other respects being fulfilled, shall be inclusive of all leave of absence.

44. I have further to inform you that it has been determined, as in the case of combatant Officers of the Indian Army, to confer upon the Medical Officers of that service Royal Commissions in substitution for those which they now hold conferring rank in Her Majesty's Service in any part of the world. The Medical Officers of Her Majesty's Indian Service will not, however, be required to serve out of India, except with their own consent.

45. I have, lastly, to inform your Excellency that Assistant Surgeons appointed to Her Majesty's Indian Service in future will not be called upon to become subscribers to any Military or Medical Funds, and that Her Majesty's Government have determined to guarantee to present incumbents and subscribers to the several Medical Funds the annuities and pensions to which they are, or to which they, their widows and children may become entitled from those Funds, according to the regulations now in force, and at the present rates of subscription. But this guarantee must be regarded as conditional on the absolute transfer of the assets of the Fund to the Government, and must not be construed as conveying to any Fund, or to any member of it, benefits which are not actually provided for in the regulations as at present in force.

46. The widows and children of Medical Officers hereafter appointed to Her Majesty's Indian Service will be granted pensions not less than those to which they would be entitled under the provisions of the Royal Warrant of June 13th, 1855.

47. The above measures, which obviously tend greatly to improve the condition and prospects of the Medical Service in India, cannot be carried out, as your Government will at once perceive, without a heavy expense to the State. It is hoped, however, that the result will be at once to diffuse a spirit of satisfaction and contentment among the Officers now in the service, and to secure for the future a certain supply of Medical Officers of good social position, liberal education, and professional ability for Her Majesty's Service in India.—Vide G. O. G., 6th January 1865, No. 2.

INDIA OFFICE,

London, 25th January 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—With your letter dated 5th November last, No. 376, you submit a question which has been raised regarding the rate of pension to which Medical Officers, who may be compelled to retire from sickness or accident after a service of six years, are to be held to be entitled, with reference to the General Order No. 507, of 20th June 1864, which notified that Medical Officers entitled to half-pay pension, under present Regulations, are eligible for the same according to their relative Army rank, as fixed by Royal Warrant.

37. A Deputy Inspector General will, after five years' active employment in India in that grade, be entitled to retire upon a pension of £250 per annum, in addition to the pension to which he may be entitled under the above scale.

38. In each of the above cases, six months' absence on medical certificate will be allowed to count towards actual service in those grades.

G. O. G.
24th March 1865.
No. 117.

2. By the Royal Warrant of 13th January 1860, an Assistant Surgeon, after six years' service as such, is to have relative rank as Captain. The same Warrant declares that "such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds."

3. My Despatch dated 16th May last, No. 152, stated that Officers compelled to leave the service on account of ill health, and entitled to half-pay pensions under present Regulations, would, in future, be allowed the half-pay of their relative rank.

4. Under these circumstances, I am of opinion that in respect to retirement on half pay, the Assistant Surgeon, after a service of six years, should be treated as an Officer having the Regimental rank of Captain has hitherto been treated; that is, without being required to show any qualifying period of service, he should be permitted to retire on the half pay of Captain, on showing sufficient proof of disqualification for further service.

5. Medical Officers under six years' service having the rank of Lieutenant, will continue, in respect to retirement on account of ill health, subject to the Regulations applicable to Subaltern Officers.

INDIA OFFICE,

London, 28th February 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—With your letter dated 6th January, No. 13, you transmit papers relative to a question raised by Dr. F. Anderson, Deputy Inspector General of Hospitals, as to whether an Officer of the Indian Medical Service can retire on half pay under the same conditions as are necessary in the case of an Officer of the British Medical Department, i.e., without residing in a temperate climate for the usual term of a furlough.

2. My Despatch dated 16th May last, (No. 152, paragraph 15) out of which this question has arisen, referred to Officers compelled to leave the service on account of ill health, and entitled to half pay pension under present Regulations. By those Regulations an Officer is precluded from retiring from the service on half pay pension in India. Under these circumstances, the view taken by your Government is quite correct, viz., that my Despatch referred to merely altered the rate of pension, and did not affect the rule of the service, which requires an Officer, to entitle him to half pay pension, first to try the effects of a temperate climate.

INDIA OFFICE,

London, the 24th March 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—The Military letter from your Government, dated 21st January, No. 96, submits two questions with regard to the retirement of Medical Officers, arising out of the late alterations with respect to the Medical Service. With regard to the first, it appears to you that all service on the full pay of the appointment in the case of Inspectors and Deputy Inspectors General of Hospitals, should reckon towards the 5 years' service in those grades qualifying for the additional pension; and that the aggregate period of "service in India," noted in para. 35 of my Despatch dated 7th November last, No. 36, is to include the periods of leave hitherto allowed to reckon under the new furlough rules as service for pension.

2. This is quite in accordance with the intentions of Her Majesty's Government.

3. With regard to the second point, you apprehend that the six months' leave on medical certificate, referred to in para. 39 of my Despatch, applies only to the tenure of the appointments of Inspector General and Deputy Inspector General, and not to the time of pension under para. 35.

4. This view is also quite correct; the tenure of appointment referred to being that which is to entitle Officers of these grades to the additional pensions after five years' active employment in India.

No. 364 of 1860.—Under instructions from Her Majesty's Secretary of State for India, the portions of Her Majesty's Warrant of the 1st of July 1859, which refer to relative rank and precedence of Veterinary Surgeons of Her Majesty's British Forces, are declared to be applicable to Veterinary Surgeons of Her Majesty's Indian Forces.

It has not been considered expedient at present to alter the existing Regulations affecting the pay and allowances or the condition of Invaliding and retirement of this class of Officers.

Extracts from Her Majesty's Warrant of 1st July 1859, which are declared applicable to Veterinary Surgeons of Her Majesty's Indian Forces.

The following General Orders by His Excellency the Governor General of India in Council are republished:—

GENERAL ORDERS BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Fort William, the 10th August 1861.

No. 722 of 1861.—The following paragraphs of a Military letter from the Right Hon'ble the Secretary of State for India, No. 278 of the 8th July 1861, are published for general information:—

"1. Since the date of my Despatch No. 233, I have received a communication from the Secretary of State for War, enclosing a letter from the Principal Veterinary Surgeon, Woolwich, who, with reference to the doubt expressed in your Military letter No. 41, dated 2nd April last as to the practicability of examining Veterinary Surgeons in India, in order to test their fitness for promotion, expresses an opinion that it is very desirable that if the Royal Warrant of 1st July 1859 be adopted, it should be fully carried out, and states that no difficulty was encountered in doing so, in the cases of the 2d and 8th Dragoon Guards, both in India, the examinations being written and carried on confidentially between the Officer in Command of the Regiment and himself.

"2. Lord Herbert concurs in the opinion that no sufficient ground has been shown for a modification of Clause 3 of the Warrant requiring Veterinary Surgeons to be examined as applied to India.

"3. Under the new organization of the Army in India, there will henceforth be no Regimental employment for Veterinary Surgeons of the Local Service, but those now in the service may be promoted under the Royal Warrant of 1st July 1859, their examinations being conducted by means of the written questions prepared by the Principal Veterinary Surgeon in this country, in the mode above described.

"4. In carrying out this arrangement, a list of the Veterinary Surgeons, who have served the required periods for promotion, should be sent Home from time to time, in order that the examination questions may be prepared and transmitted to India."

This cancels the decision communicated in letter from the Right Hon'ble the Secretary of State for India, dated 7th June last, published in Government General Order No. 625, of the 16th July 1861.

* Madras G. O. G. 30th July 1861, No. 250.

the good of the service renders such alteration necessary, it shall be competent for Our Secretary for War to shorten the several periods of service abovementioned in such manner as he shall deem fit and expedient.

6. Promotion from one rank to another shall not necessarily be given by seniority, but by selection for professional ability and meritorious conduct.

15. The relative rank of the Veterinary Officers of Our Army shall be as follows:—

Veterinary Surgeon on appointment, as Subaltern.

Veterinary Surgeon of the First Class on promotion, as Captain.

16. Such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds (except as regards the Presidency of Courts Martial, and of all Military Courts, Committees, and Boards of Inquiry, where Our will and pleasure is that the senior combatant Officer be always President, and except further any Military command whatever), and shall regulate the choice of quarters, rates of lodging money, field allowances, forage, servants, fuel and light, or allowances in their stead, detention, and prize money. But when a Veterinary Officer is serving with a Regiment, Corps, or Detachment, the Officer Commanding, though he be junior in rank to such Veterinary Officer, shall be entitled to a preference in the choice of quarters.

17. Veterinary Officers shall be entitled to all the allowances granted—on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

18. Their families shall, in like manner, be entitled to all the allowances granted—to the families of combatant Officers holding the same relative ranks.

19. Veterinary Officers shall be held entitled to the same honours as other Officers of Our Army of equal relative rank. This does not, however, extend to the compliments to be paid by Garrison or Regimental Guards, as laid down in the Regulations of Our Army.

Sir,—I have been in communication with the Secretary of State for War on the questions raised

15th April 1864, No. 167. in the letters of the dates noted in the margin, regarding the position of the Veterinary Surgeons of the Indian Service who may declare for general service in Her Majesty's Army.

30th August " 311. 19th Sept. " 332. 5th May " 10. 31st " " 31. 22nd June " 45. 2. I stated that it appeared to me that such of these Veterinary Surgeons as might volunteer for general service would become an integral part of the Veterinary Surgeons in that Army; that they would be allowed to reckon their past service towards pay, promotion, and half-pay on retirement under the provisions of the Royal Warrant of the 1st July 1859.

3. The Secretary of State for War has expressed his concurrence in these views.

4. This decision should now be communicated for the information of the Veterinary Surgeons of the Local Forces at the three Presidencies, and a return of the Veterinary Surgeons desirous, on such conditions, to enter Her Majesty's general service, should be transmitted to me for communication to the Secretary of State for War.

Whereas it hath been represented to Us that it is expedient to raise the position and rank of the Veterinary Surgeons of Our Army, and to increase the pay and half-pay of the Officers of that service; Our will and pleasure is, that from and after the date of this Our Royal Warrant, the following Rules shall be established for the admission, promotion, and retirement, and for the pay, half-pay, relative Rank and allowances of the Veterinary Surgeons of Our Army, and that by these Rules Our Commander-in-Chief shall be governed in recommending Officers for admission, promotion, and retirement

1. The grades of Veterinary Surgeons in Our Army shall be three in number, viz:—

1. Staff Veterinary Surgeon.
2. Veterinary Surgeon of the First Class.
3. Veterinary Surgeon.

2. No candidate shall be admitted into the Veterinary Department of the Army until he shall have satisfactorily passed an examination before a Board of Military Veterinary Surgeons.

4. A Veterinary Surgeon of the First Class must have served 15 years in the Army with a Commission on full pay before he will be eligible for promotion to the rank of Staff Veterinary Surgeon.

6. Promotion from one rank to another shall not necessarily be given by seniority, but by selection for professional ability and meritorious conduct; such selection to be made by Our Principal Veterinary Surgeon; and the ground of such selection shall be stated to Us in writing, and recorded in the Office of Our Commander-in-Chief, together with the recommendation of the Principal Veterinary Surgeon.

7. The rates of pay of the Veterinary Officers of Our Army shall be in accordance with the following schedule:—

9. After the date of this Our Warrant, every Veterinary Officer placed on half-pay by reduction of establishment, or on the report of a Medical Board, in consequence of being incapacitated by reason of ill-health, caused by wounds or brought on by the discharge of his duties, shall be allowed the half-pay which his period of full-pay service may entitle him to, according to the following schedule:—

10. With a view to maintain the efficiency of the Service, all Officers of the rank of Veterinary Surgeons and Veterinary Surgeons of the First Class shall be placed on the Retired List when they shall have attained the age of 55 years; and all Staff Veterinary Surgeons when they shall have attained the age of 65 years.

11. Officers thus superannuated shall be entitled to the rate of half-pay, stated in the preceding schedule.

12. Every Veterinary Officer who shall have served upon full pay for 25 years and upwards shall have the right to retire upon half-pay, at the rate of two-thirds of the daily pay he was in receipt of when thus retiring, provided he shall have served three years in the rank from which he retires, or shall have served in any rank for ten years in the Colonies, or five years with an army in the field. But if he shall not have complied with any one of these conditions, he shall be entitled only to half-pay at the rate of two-thirds of the daily pay he was in receipt of before his last promotion.

13. Every Veterinary Officer thus claiming to retire must give six months' notice to the head of his Department of his intention to claim this right, prior to his being allowed to retire; and no Veterinary Officer shall be entitled to give such notice after he shall be under orders to proceed to any foreign station, until he shall have served at such station for one month.

14. If a Veterinary Officer be placed on half-pay from any other cause than those hereinbefore mentioned, he shall only be allowed a temporary rate of half-pay, not exceeding the rates stated in Clause 9 for such period and at such rate as shall be assigned to him by Our Secretary of State for War, on a consideration of the length and character of the services rendered by such Veterinary Officer.

15. The relative rank of the Veterinary Officers of Our Army shall be as follows:—

Veterinary Surgeon, on appointment, as Subaltern.

Veterinary Surgeon of the First Class, on promotion, as Captain.

Staff Veterinary Surgeon, on promotion, as Major, but junior of that rank.

16. Such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds (except as regards the Presidency of Courts Martial, and of all Military Courts, Committees, and Boards of Inquiry, where Our will and pleasure is, that the senior combatant Officer be always President, and except, further, any military command whatever), and shall regulate the choice of quarters, rates of lodging money, field allowances, forage, servants, fuel, and light, or allowances in their stead, detention and prize money. But when a Veterinary Officer is serving with a regiment, corps, or detachment, the Officer commanding, though he be junior in rank to such Veterinary Officer, shall be entitled to preference in the choice of quarters.

17. Veterinary Officers shall be entitled to all the allowances granted by Our Warrant of 13th July 1857, on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

18. Their families shall, in like manner, be entitled to all the allowances granted by Our Warrant of 15th June 1855, to the families of combatant Officers holding the same rank, attaching to them.

19. Veterinary Officers shall be held entitled to the same honors as official, and of all Military, of equal relative rank. This does not, however, extend to the compliments at the senior combatant, regimental guards, as laid down in the Regulations of our Army.

Given at Our Court of St. James' this first day of July 1859, in the presence of such Veterinary Officers as shall be serving with a Regiment.

By Her Majesty's Command,

No. 224 1865.—The following Extract from General Orders by the Government of India, are re-published:—

VETERINARY SURGEONS.—PAY AND ALLOWANCES.

No. 504 of 1865.—With reference to G. G. O. Nos. 363 and 364,* dated 30th March 1860, the Right Hon'ble the Governor General in Council is pleased to direct the publication of the following paragraphs of a letter from the Right Hon'ble the Secretary of State for India, No. 109, dated 7th April 1865, and to notify that the increased allowances therein authorized are to have effect from the 1st May 1865:—

Para. 1. With my letter dated 24th November 1859, No. 412, I transmitted to you copies of a Royal Warrant, dated 1st July 1859, regulating the rank, pay, promotion, and retirement of Veterinary Surgeons of Her Majesty's British Forces; and I directed that such parts of this Warrant as related to Indian Forces. At that time, it was not considered expedient to alter the existing regulations affecting the pay and allowances, or the conditions of invaliding and retirement, of this class of Officers.

2. Consequent on the recent extension to Medical Officers of the benefits of the rates of pay and allowances fixed by the Royal Warrant of 1st October 1858, for the Medical Officers of the Army,

* Madras G. O. G. 17th April 1860, No. 168

I have had under my consideration in Council the subject of the allowances drawn in India by Veterinary Surgeons of the British and Indian Forces respectively.

3. Your letter dated 21st December last, No. 470, also draws my attention to the present scale of pay to Veterinary Surgeons in India, which is stated to be relatively much less than that granted in England and the Colonies.

4. It appears to me that the time has now arrived at which other provisions of the Royal Warrant of 1st July 1859 may be introduced into India, in addition to those specified in my letter of the 24th November 1859, above referred to.

5. It has been accordingly resolved that the rate of pay laid down in the Royal Warrant, with the Indian allowances of the relative rank of the Officer, shall, for the future, be adopted as the scale of pay for Veterinary Surgeons of the British and Indian Forces. From the date of commencement of these allowances, all extra allowance of whatever description will cease.

6. The rate of pay of Veterinary Surgeons of both services will then be as follows:—

7. Veterinary Surgeons of the Indian Service will hereafter receive pay while on furlough according to the following scale:—

Rank.	After 25 Years' Service on Full Pay.	After 20 Years' Service on Full Pay.	After 15 Years' Service on Full Pay.	After 10 Years' Service on Full Pay.	After 5 Years' Service on Full Pay.	On Appointment.

8. Veterinary Surgeons compelled to leave the service on account of ill health, and entitled to half-pay Pensions under present regulations, will be allowed the Indian rates of half-pay of their relative rank, as laid down in the Royal Warrant of 1st July 1859.

9. Veterinary Surgeons of the Indian Medical Service will be allowed to retire on the following scale of pension, on completion of the required periods of service, viz:—

After 20 years.....	200 a year.
" 25 ".....	250 "
" 30 ".....	300 "

10. The amalgamation of the Veterinary Surgeons of the British and Indian Forces being contemplated, no further alteration in regard to the position on retirement of the Veterinary Surgeons of the latter Forces appears to me to be at present called for.

11. The other advantages held out by the Royal Warrant to Veterinary Surgeons and their families, are to be adopted and declared applicable to India, as far as the differences of the service will admit.

12. Such Veterinary Surgeons of the local forces as have expressed their desire to volunteer for general service, should be allowed to reconsider their decision on your receipt of this Despatch.

**LIST OF HER MAJESTY'S COVENANTED CIVIL SERVANTS ON THE MADRAS ESTABLISHMENT,
Corrected up to the 31st March 1870.**

The Rank of Civil Servants commences from the date of arrival at Madras of the first Civil Servant appointed in Europe, of the same season of which they are Civil Servants ; and, being thus determined, all Civil Servants belong, during the first four years, to Class VI ;—from the fifth to the end of the eighth year, to Class V ;—from the ninth to the end of the twelfth year, to Class IV ;—from the thirteenth to the end of the twentieth year, to Class III ;—from the twenty-first to the end of the thirty-fifth year, to Class II ;—and from and after the thirty-fifth year, to Class I.

The letters **A, B, C**, prefixed to the names denote respectively that the parties have not passed either of the two Standards of Qualification ; that the first or lower Standard has been passed ; that the Servant cannot take Special leave.

M prefixed to a name denotes that the Servant though not having passed by the 2nd Standard, nor holding an appointment superior to that of Assistant is invested permanently with the full powers of a Magistrate.

Column 2, Capitals distinguish high proficiency. Small Roman letters show that the languages were studied in England by Civilians under the new system. *Italic Capitals* denote that the Civilian has passed the Honors Test under the Rules of 1868.

Column 7, *Italics* show “ Dies non ” G. I. Resolutions, 5th Nov. and 21st Dec. 1868, Nos. 3,477 and 3,727, Financial. Roman Capitals show Special leave. Antique letters indicate a year of Sick Leave taken under rules in force before 1st July 1868, with reference to G. I. Res., 18th Feb. 1869, No. 1,692, Financial.

Column 8, The Actual Service shown is calculated in accordance with Section I, and is the period of Residence qualifying for Pension under Section XVI, of the Rules of 1868.

QUARTER MASTERS—NATIVE REGIMENTS.

G. O. G., No. 26 of 25th January 1870.—The following Extract from General Orders by the Government of India, is re-published.

No. 41 of 10th January 1870.—Under the authority of Her Majesty's Secretary of State for India, it is hereby notified that Officers holding the post of Quarter Master in a Regiment, who

* Madras G. O. G., 8th June 1869, No. 206.

possess special qualifications, and are recommended by their Commanding Officers, will be allowed to continue in such appointments after promotion to the rank of Captain, each case being specially considered. The appointment must be vacated by an Officer so situated, if he proceeds on furlough, whether in or out of India.

The rule which precludes the appointment to such situations of Officers already holding the rank of Captain will continue still in force.

MADRAS MEDICAL FUND.

G. O. G., No. 32 of 1st February 1870.—The following Extract from a Financial (Military Fund) Despatch from the Right Hon'ble the Secretary of State for India, dated 9th December 1869, No. 101, is published:—

Para. 1. I have considered in Council your Military Letter, dated 15th June 1869, No. 191, with which you forwarded a letter from the Secretary to the Madras Medical Fund, reporting the results of the vote of the subscribers on the proposition for the transfer of the assets, liabilities, and management of that Fund to Her Majesty's Government, under the guarantee referred to in the Act 29 Vict., Cap. 18, and in Financial Despatch, dated 24th March 1865, No. 22.

2. The condition of transfer under which this vote was taken was that Her Majesty's Government would guarantee to present incumbents on and subscribers to the Fund the pensions and allowances to which they are entitled according to the regulations now in force, and at the present rates of subscription; but that such a guarantee was not to be construed as conveying to the Fund, or to any member of it, benefits which were not actually provided for in the regulations as at present in force.

3. On these conditions, Her Majesty's Government are prepared to accept the assets, liabilities, and management of the Madras Medical Fund, and I have fixed the 1st April 1870 as the date for the formal transfer of the Fund, both in India and in England.

4. The necessary instructions should accordingly be transmitted by the Trustees of the Fund to the Agents in this country for handing over the Fund records, &c., to the Director of Military Funds at this office on the 1st April next, and for affording full information to that Officer respecting the past management of the Fund.

5. As it is not desirable that two separate Fund Departments should any longer exist at your Presidency, I request that you will take the necessary measures for incorporating the office of the Madras Medical Fund with the present Government Fund Department.

6. Having reference, however, to the remarks of the Trustees of the Fund, in which the amalgamation of the office Establishment of the Medical Fund with that of the Military is deprecated, on the ground of the dissimilarity which exists in the constitution of the two institutions, I am of opinion that in the selections of the staff which will be required in the Government Fund Department for the future conduct of the business of the Medical Fund, the services of the persons at present employed in the Medical Fund Office should be retained to such an extent as may be necessary.

7. In communicating the decision of Her Majesty's Government to the Trustees of the Medical Fund, I request that you will inform them that the important points which have been brought to notice in the letter from the Secretary to the Fund, dated 19th May 1869, respecting the financial position and prospects of the annuity, sick allowance, and charity branches of the Fund, as well as the report of the Actuary, will receive my consideration in Council as soon as may be practicable after the formal transfer of the Fund to Her Majesty's Government.

102ND ROYAL MADRAS FUSILIERS—COMPLIMENTARY ORDER.

G. O. G., No. 33 of 1st February 1870.—The following Extracts from General Orders by the Government of India, are re-published:—

Fort William, No. 79 of 17th January 1870.—In 1868, the Right Hon'ble the Viceroy and Governor General in Council published a farewell order on the occasion of the approaching departure for England, for the first time, of the 101st Regiment Royal Bengal Fusiliers.

The 102nd Royal Madras Fusiliers proceeds to England during this cold season, and much that was said in 1868 by His Excellency in Council in bidding farewell to the 101st Fusiliers, is applicable to the 102nd Regiment; while, on the other hand, there are peculiarities in the career of the 102nd quite different from those which characterize the services of the 101st Regiment.

When the order of 30th October 1868 was issued, the 101st Regiment was quitting its own Presidency, where it was very well known; while the 102nd Regiment is leaving a Presidency to which it did not belong as a corps of the Indian Army, though its services in Bengal and in concert with Bengal troops had made its name and reputation at various times, and especially in 1857, almost as well known in this Presidency as if it had been a Bengal Regiment.

The Government of the Presidency of Fort St. George detailed the services of the 1st Madras European Regiment now 102nd (Royal Madras Fusiliers) in a General Order of the 12th March 1841, when the motto “*Spectamus Agendo*” was conferred upon the Regiment, and when it was allowed to bear numerous names of actions and services in which it had been engaged upon its colors.

His Excellency the Governor General in Council feels that he cannot do better than here give a copy of that order, honorable as it is to the 102nd Regiment, through the mere record of names gives

no adequate idea of the arduous struggles in which the Regiment was engaged during a period of a hundred years, not only with Natives but also against French troops led by distinguished Commanders.

General Order by the Right Hon'ble the Governor in Council, Fort St George, 12th March 1841.
G. O. G., No. 48 of 1841.—“The Right Hon'ble the Governor in Council having had under consideration the many honorable services of the 1st Madras European Regiment, whose career is to be traced through the most eventful periods of the military history of British India, has been pleased to order that, in commemoration of its victories under Lawrence, Clive, Sir Eyre Coote, Lord Cornwallis, and other distinguished Generals, it shall bear emblazoned upon its colors the motto “*Spectamus Agendo*,” and the names of the following battles and expeditions in which it has borne part :—

“Arcot, which it successfully defended under Lord Clive in 1751 ;
“Plassey, to which place it accompanied Lord Clive in 1756, and assisted in the victory gained on the 23rd June 1757 ;
“Condore, where it greatly distinguished itself under Colonel Ford in December 1758 ;
“Wandewash, for the victory on the 20th January 1760 ;
“Sholinghur, where it fought with success on the 27th September 1781 ;
“Nundy-Droog, which it assisted to capture in 1791, and for which his Lordship in Council is pleased to permit it also to bear a Royal Tiger on the colors and appointments ;
“Amboyna, Ternate, Banda, to which islands the Regiment proceeded with the expeditions in 1796 and 1809-10 ;
“Pondicherry, the corps having been employed at the sieges and reduction in 1761, 1778, and 1793.
“In reviewing the services of this gallant Regiment, the Right Hon'ble the Governor in Council has had before him various records of its employment in the early wars of the Carnatic and in Southern India, of which the present brief notice gives but a general indication, and for which it is but necessary to refer to the Military operations at different times near Trichinopoly, from the year 1746 to 1761, to its share in the resistance against the French under Lally, Conflans, Bussy, Law, and other enterprising Commanders ; its various engagement in the Northern Circars and Cuttack, and its service in Ceylon in 1795-96.

“The 1st European Regiment was actively employed throughout the campaigns against Hyder Ally and Tippoo ; during the latter it assisted in the storming of Bangalore, and in the engagement near the walls of Seringapatam under the command of Lord Cornwallis ; and already does it bear on its colors testimonials of the last Mahratta war, in which it was present at the sieges of Talneir, Malligaum, and the Asseerghur, and of the bravery and devotedness which were so conspicuous in Burmah.

“The Right Hon'ble the Governor in Council feels that in conferring these distinctions upon the 1st Madras European Regiment, he does but accord a tribute of well-merited honor to the Army of Fort St. George ; and His Lordship is assured that the decorated banners of its oldest corps, while exhibiting a proud memorial of past achievements, will never cease to waive over soldiers whose good conduct in garrison and bravery in the field will well maintain what has been so nobly won by their predecessors in arms.”

Since the issue of the above order by the Governor in Council of Fort St. George, the Regiment has been employed in the following services :—

Second Burmese war in 1852, 1853 and 1854, and present at the capture of Pegu, relief of Pegu, investment of Pegu, and operations in its vicinity. A portion of the Regiment was in the expedition from Rangoon to Toungthoo and capture of that place. A detachment at the entering of Beeling by escalade, and another employed in clearing rebels and dacoits from around Beeling in 1854. A detachment subsequently employed with the Special Commissioner for marking the Boundary had several encounters with the Burmese.

Ten Officers and one hundred and eighteen men of the Regiment were killed or died of wounds or disease in this second Burmese war.

In March 1857 the Regiment embarked for Persia, but was shortly after recalled as the war had terminated.

Called to Bengal in consequence of the critical state of affairs in that Presidency, the Regiment landed in Calcutta on the 23rd May 1857, under Colonel Neill, and was at once pushed towards the North-West.

A detachment was present at the suppression of the mutiny at Benares, and at the clearing of the rebels from Allahabad in June 1857.

The Regiment advanced from Allahabad and formed part of General Havelock's force at the actions of Futtelpore, Aoung, Pandoo Nuddce, Cawnpore, Oonao, Busseerutunge, Burrakee Chowkee, Bihoor, Mungliwar, and Allumbaugh, and in the relief of the Residency of Lucknow on the 25th September 1857. Present from that date at the defence of Lucknow (including several sorties) till the 22nd November 1857.

A detachment served with Lord Clyde's force at the final relief of Lucknow, including the storming of the Secunderbaugh and Shah Nujeeb.

The Regiment was with Sir J. Outram's force at the Allumbaugh from November 1857 till March 1858, at the capture of Lucknow, and subsequently in various affairs in Oudh until the end of the year 1858.

In this war seven officers were killed or died of wounds, two died of disease, six were wounded and 352 men were killed or died of wounds or disease.

The Regiment on reaching Calcutta in February 1859, on its way back to its own Presidency, was received with the highest honors, and was addressed by the Viceroy in the following terms :—

“Colonel Galwey, Officers and Soldiers of the Madras Fusiliers,—I am glad to have the opportunity of thanking you publicly, in the name of the Government of India, for the great services which you have rendered to the State.

“More than twenty months have passed since you landed in Calcutta. The time has been an eventful one, full of labors and perils, and in these you have largely shared.

“Yours was the first British Regiment which took assistance to the Central Provinces, and gave safety to the important posts of Benares and Allahabad.

“You were a part of that brave band which first pushed forward to Cawnpore, and forced its way to Lucknow, where so many precious lives and interests were at stake.

“From that time you have, with little intermission, been in the front of danger.

“You are now returning to your Presidency, your ranks thinned by war and sickness, but you return covered with honor, carrying with you the high opinion of every Commander who has led you in the field, the respect of your fellow-soldiers in that great English Army in which from the beginning you have maintained a foremost place, and the gratitude of the whole community of your fellow-countrymen of every class.

“Further, you have the satisfaction of knowing that you do not leave behind you a single spot of ground, upon which you have set your feet, where peace and order have not been restored.

“When you reach Madras tell your comrades of the Madras Army that the name of the 1st Fusiliers will never be forgotten on this side of India.

“Tell them, that the recollection of all that is due to your courage, constancy, and forwardness will never be effaced from the mind of the Government under whose orders you have served.

“Tell them especially, that the memory of your late distinguished leader is cherished and honored by every Englishman amongst us, and that though many heroic spirits have passed away since the day when he fell in front of you in the streets of Lucknow, not one has left a nobler reputation than General Neill.

“I now bid you farewell, Fusiliers, and I wish you a speedy and prosperous voyage to your own Presidency. You are indeed an honor to it.”

The Regiment subsequently landed at Fort St. George under a royal Salute.

The Right Hon'ble the Viceroy and Governor General in Council now wishes this distinguished Corps a hearty farewell and every good fortune in its future career out of India, and entertains no doubt that in other countries it will maintain as the 102nd Regiment the high reputation it has won throughout its long and varied service in India as the Madras European Regiment and 1st Madras Fusiliers.

VOLUNTEER CORPS.—ADJUTANTS.—INSTRUCTORS OF MUSKETRY.

G. O. G., No. 85 of 18th January 1870.—The following Military letter from the Right Hon'ble the Secretary of State for India, No. 362, 14th December 1869, is published for general information :—

MY LORD,—I have considered your letter, No. 270, dated 19th August 1869, in which, with reference to previous correspondence, you recommend that the Adjutancies of the Volunteer Corps at the three Presidencies, the Instructorship of Musketry to the Madras Volunteer Guards, and the Adjutancy to the East Indian Railway Corps, may be considered Staff appointments entitling the incumbents during leave to a portion of their Staff salaries. You further recommend that the tenure of these offices be limited to five years.

2. These arrangements are approved.

3. The appointments being tenable by Officers of British Regiments as well as of the Staff Corps, this despatch has been submitted to His Royal Highness the Field Marshal Commanding-in-Chief, who has expressed his concurrence.

INDIA MEDAL FOR BHOOTAN AND HAZARA CAMPAIGNS.

G. O. G., No. 86 of 1870.—His Excellency the Governor-General in Council has much satisfaction in publishing for general information the following Military letter from the Right Hon'ble the Secretary of State for India, No. 372, dated 14th December 1867 :—

MY LORD,—PARA. 1.—I have had under my consideration in Council your Lordship's letter dated the 26th of August 1869, No. 289, recommending the grant of the India Medal to the troops employed in the Bhootan war of 1864 to 1866, and the Hazara Campaign of 1868.

2. Her Majesty's Government fully concur in the encomiums passed by your Lordship on the spirit and gallantry displayed by the troops employed on these occasions, in operations which were frequently of a peculiarly arduous and harassing nature, involving much privation, and calling for the display of great endurance, skill and courage.

3. I have much pleasure, therefore, in conveying to your Lordship the information that Her Majesty has been graciously pleased to sanction the proposal, and to command that it be carried into effect.

4. The India Medal of 1854, with a bar of "Bhootan" will be conferred on all the Officers, Non-Commissioned Officers, and men, who served in any part of the operations in that war, and formed part of the force in position before the enemy, whether in presence or not, those who have already been granted the medal receiving the bar only on this occasion.

5. In the case of the Hazara Campaign, the medal, with a clasp for the "North-West Frontier," will be conferred on those who actually took part in the advance under Major-General Wilde, including the force under the command of Colonel Rothney, which was previously engaged with the enemy at Oghee, but it will not be granted to the troops that remained in support and observation at Abbotabad, Nowshera or Derbund. Those to whom the medal has already been awarded will now receive the clasp alone, and those who have already obtained the "North-West Frontier" clasp will not receive any further decoration on account of the Hazara Campaign.

To War Office, October 29th, 1869, (5182-1004W).

From War Office, November 30th, 1869.

6. With reference to the foregoing, His Excellency the Commander-in-Chief is requested to adopt early measures for furnishing the rolls of the Officers and Soldiers of Corps who are entitled to the decorations now authorized by Her Majesty.

observance of the following rules regarding the future position and prospects of Native Medical Subordinates:—

1. Native Medical Subordinates placed at the disposal of Local Governments and Administrations may be employed by them at such places and in such posts as may be considered desirable without any further reference to the Government of India or to the Governments of Madras and Bombay, as the case may be, by whom, however, the first appointment of men to the several establishments, and their subsequent promotion therein, will continue to be made as heretofore.

2. All Native Doctors, Hospital Assistants, or equivalent grades now on the Medical Subordinate Establishment at any of the three Presidencies, who having passed the requisite examination at any of the Medical Colleges or recognized Institutions have been admitted by Government into the service in either civil or military employ, and all those, who having passed the prescribed local examinations, may have been admitted into the service in General Orders by the Commander-in-Chief, will be eligible for transfer to the establishment of Hospital Assistants, and will be graded as such, according, in the first instance, to their present standing, their further promotion being dependent on length of service and tested professional qualifications.

3. Other Native Doctors, including all in purely local or temporary employ, will continue to bear that designation, and their employment will be confined to subordinate civil duties. If in future it be found necessary to employ such men temporarily in appointments to which staff pay is attached, they will be so employed on the same footing and under the same conditions as heretofore.

4. Native Doctors transferred to the Establishment of Hospital Assistants will receive the lower rate of pay prescribed in G. O. G., No. 550 of 5th June 1869, until it shall be certified in each case that the individual possesses the qualifications in English, laid down in G. O. G., No. 945* of 7th October 1868, when the higher rate of pay granted in the former G. O. will be passed to him. Any allowance previously drawn for qualification in English will be considered as merged in the lower rate of grade pay now sanctioned for Hospital Assistants, but those at present drawing higher aggregate allowances will be secured from loss.

5. All future appointments to the grade of Hospital Assistants must be made from that of passed medical pupils, as provided in G. O. G., No. 550 of 5th June 1868, and all members of the establishment referred to in that order will be enlisted for, and will be liable to, military duty if required, although their ordinary employment may be purely civil.

6. Hospital Assistants in civil employ, when holding independent charges of peculiar importance and unusual responsibility, and Hospital Assistants, whether in civil or military employ, when the number of those constituting the charge amounts to more than 750 men, will be allowed an extra charge allowance in addition to the new scale of grade pay, but this indulgence should be carefully restricted to cases of the nature specified. As regards the exact amount of such allowances, and the precise nature of the charge that will entitle to it, general regulations will hereafter be laid down.

7. This order is applicable to all three Presidencies.

23rd February 1870, No. 1297.—The Governor-General in Council is pleased to direct that Covenanted and Uncovenanted Civil Servants proceeding on sick leave to Europe *via* Bombay from other Presidencies, are to take with them three copies of their medical certificates and the medical statements of their cases, one for their own use to be taken by them to Europe, one for the Standing Medical Committee before whom they appear, and the third for submission to Government.

HILL STATIONS—TRAVELLING EXPENSES.

24th February 1870, No. 1317.—The Governor-General in Council is pleased to rule that, whenever a Public Officer is permitted for his own comfort or convenience to conduct the duties of his Office temporarily at a hill station at which his services are not required by the Government to which he is subordinate, the permission must be understood to be given on the condition that it entails no extra expense on the State in the way of travelling or deputation allowances to Clerks or otherwise.

WARRANT OFFICERS—ALLOWANCES—LEAVE.

G. O. G., No. 84 of 1870.—The following Extracts from General Orders by the Government of India, are re-published :—

Fort William, 3rd March 1870, No. 265.—It is hereby notified that the allowances of Warrant Officers of all Departments, whether holding Honorary Commissions or not, who may be absent on leave in India, as also the allowances of those acting for such absentees, will be regulated by the rules applicable to Commissioned Officers.

ARMY—TENTS.

Fort William, 4th March 1870, No. 266.—In consideration of the superior description of the tents now supplied for the public service, and the extension of railways, by which the wear and tear of these tents is considerably diminished, the Right Hon'ble the Governor-General in Council is pleased to direct, with reference to G. O. G., No. 526, dated 16th May 1854, that the minimum period of five years laid down for the duration of army tents shall be extended to seven years.

GENERAL ORDERS BY GOVERNMENT.

But tents are not to be condemned at the expiry of that period until they have been surveyed by a Committee of experienced Officers and found unfit for further service.

Tents in possession of Regiments are only to be brought into use under authority of a station order, in which are to be entered the number of tents to be used and the purpose which renders their use necessary.

This order is to be considered applicable to the three Presidencies.

COMPASSIONATE ALLOWANCE—GOVERNMENT SERVANTS.

G. O. G., No. 100 of 29th March 1870.—The following Extract from the *Calcutta Gazette* of the 16th March 1870, is re-published :—

Financial Department, Pensions and Gratuities, the 14th March 1870, No. 1795—Read—

The orders of this Department, Nos. 517 and 3272, dated respectively the 22nd January and 25th November 1868, authorizing the grant of compassionate allowance to Government servants in inferior grades who may be thrown out of employment on reduction of establishment after completing thirty years' service, or pronounced by competent medical authorities to be unfit for further work after a service of 35 years.

RESOLUTION.—The Governor General in Council observes that the compassionate allowance prescribed in the abovementioned order being fixed at Rupees 4 a month as the *maximum*, it is not intended that that amount should be assigned in all cases. Grants within the *maximum*, however, should be made on some fixed principle, and the claims of the majority being of an ordinary nature, His Excellency in Council thinks that, in such cases, it will be sufficient to assign an allowance of not more than one-half of pay. Accordingly the Governor General in Council is pleased to rule that ordinarily the grant of compassionate allowance under the orders of 22nd January and 25th November 1868 shall not, within the maximum of Rupees 4 a month, exceed one-half of the pay in substantive post last held by the servant. Cases which may seem to merit more than the ordinary indulgence should be referred by the Local Government or Administration concerned to the Government of India for consideration and orders.

APPOINTMENTS—55 YEARS' RULE.

Financial Department, 17th March 1870, No. 1880—Read the undermentioned papers :—

Resolution of the Home Government, No. 794, dated 25th January 1865, in which it has been ruled that "after the age of 55 years, no Military or Naval Officer, or Uncovenanted Servant" (holding a gazetted appointment and receiving such appointment direct from Government) "shall be appointed to a new office in Civil employment, or shall be permitted to retain any such office which he has held for five years and upwards, except in special cases, which are to be referred for the decision of the Right Hon'ble the Secretary of State."

Resolution of the Financial Department, No. 3035, dated 7th December 1869, in which it has been ruled that "in the cases of classified Officers of the Financial Department and all Officers similarly situated, promotion to a new class shall, for the purposes of the rule quoted above, be considered equivalent to a new office."

RESOLUTION.—The Governor General in Council is pleased to decide that the term "office" used in the Resolution of the 25th January 1865 shall be held to refer not only to a substantive appointment, but to include an acting appointment as well. Necessarily the term "promotion" in the Resolution of the 7th December 1869 shall be held to include acting promotion.

RAIL—DISCIPLINE.

G. O. C. C., No. 1 of 12th January 1870.—It having been brought to notice that certain Soldiers of a Detachment, recently proceeding by rail to Beypore, misconducted themselves towards the Railway employes, and more than once endangered the safety of the Passengers and Train by throwing missiles at the Pointsmen while holding the Points. The Commander-in-Chief desires that Officers and Non-Commissioned Officers proceeding in Command or in charge of Detachments, be reminded that they are responsible for the conduct of the men while travelling by Rail, and His Excellency will seriously notice any neglect of this duty which may hereafter be reported.

Officers Commanding Divisions and Forces are requested to see that all Officers and Non-Commissioned Officers proceeding with Troops by Rail, are made acquainted with this order.

Simla, 20th May 1869, No. 133.—The Commander-in-Chief in India has approved of the patent cork helmet, as manufactured by Messrs. Hawkes and Co., 14, Piccadilly, London, being adopted as the head dress for the General and Divisional Staff serving in the Bengal(*) Presidency, and His Excellency desires that Officers concerned will take immediate steps to procure the same.

The sole ornament on the helmet will be a brass spike on the top, and a brass curb-chain pattern chin strap will be attached.

As regards the description of Puggry to be worn with the helmet, the Commander-in-Chief has no objection to Officers commanding Divisions and Districts deciding upon the pattern for the Officers under their command.

Strict uniformity, however, as to color, length, width and fold must be insisted upon.

(*) Madras.

Simla, 5th July 1869, No. 200.—General Order, No. 133, dated 20th May last, laying down the cork helmet as the future head dress for General Staff, applies to the Brigade Staff as well as to the Divisional Staff.

DITTO.

Calcutta, 14th December 1869, No. 352.—The Commander-in-Chief in India has been pleased to decide that the new pattern staff helmet shall in future take the place of the cocked hat for all out-of-door parades or other duties. It will accordingly be worn, with either full or undress, on all occasions when the troops themselves parade in helmets.

The cocked hat will be reserved exclusively for levees, drawing rooms, and other full dress entertainments which do not entail exposure to the sun.

"In reply to your letter, No. 5,923, dated 27th November last, I am directed to acquaint you, for the information of the Right Hon'ble the Governor in Council, that, in this Presidency, when any necessity arises at an out-station for a Roman Catholic Priest to visit the latter, to minister to a British soldier or his family in sickness, the Officer commanding the station must address the circumstances; when, if manding the division or station at which the Priest resides, stating clearly the circumstances; when, if the latter Officer considers the necessity made out, he authorises the Priest's proceeding on the requisition, at the Government expense, by the issue of a Division or Station Order to that effect.

"2. If the journey (or any portion of it) can be performed by rail, a free pass must be given the Priest there and back; and, for such portion as must be travelled by dāk, &c., the Priest has to submit a contingent bill for the sum actually expended, vouched by a certified copy of the Division or Station Order, and the receipt of the Dāk Company or person supplying the conveyance.

"3. As in some cases the requisition may be sent by the persons requiring his services direct to the Priest, the latter, if he considers it an occasion requiring his attendance, should, on receiving it, at once apply for the order to the Officer commanding the Station (or Division if he is on the spot), who must use his own discretion in complying with the application or not.

"4. The dignitaries of the Roman Catholic Church in this Presidency have recently been called on to impress on the Priests within their respective jurisdictions the necessity of strictly observing the course above laid down.

REGIMENTAL INSTITUTIONS—WORKSHOPS.

No. 338.—The annexed Forms of Regimental Workshops Reports (D and E) are to be adopted in supersession of those laid down in G. O., No. 276,* dated 20th November 1866, and Commanding Officers are directed to furnish the next Annual Report for the year 1869 in these Forms.

2. Commanding Officers must closely examine the accounts at the end of the year before signing the certificate at the foot of the Form (D), verify all the items, and take care that the value of the tools, plant, and stock is not over-estimated.

3. A separate account should be kept under each of the following heads, viz :—

Cash (Form A.)

Stock (Form B.)

Canteen Fund (or Mr. A. B or Messrs. C. D. & Co., or Ferozepore Arsenal, &c., &c.,† (Form C.)

4. All sums of money received are to be debited, and those disbursed credited in the Cash Account.

If the Balance thereof be Creditor, the amount is chargeable to the General Workshop's Fund. But if Debtor it is an asset in favor of the Fund.

5. All materials, tools, plant, &c., received are to be shewn on the Dr. side of the "Stock" Account, those expended being entered in detail on the Cr. side, care being taken that the value of the stores received corresponds with the disbursement entries in the "Cash" Account.

6. It should be observed that the balance of the Stock Account can never be Cr.; for, as the issue of materials cannot of course be in excess of the quantity actually in store (as shown on the Dr. side of the Account), the balance (if any) represents the quantity and value of those remaining on hand. It is of no consequence whether such stock has not been paid for; as in such a case, the amount due would stand to the credit of the account of the person, or firm or institution from whom the Articles were purchased, (see Form C.) and in that way would become a charge against the General Workshops' Fund.

7. In the case of loans received, as well as in all credit transactions, a separate Account (Form C.) must be opened with each party; all such receipts whether in cash or material being shown on the Dr. side, and all payments on the Cr. side of the Account; the balance of which is to be treated similarly to that of the "Cash" Account.

8. The Balances of the abovementioned accounts form the items of the Balance Sheet (Form D.) forwarded to Army Head Quarters with the Annual Regimental Report (Form E.); the Balance Cr. of each Account being placed on the Dr. side of the Balance Sheet, and the Balance Dr. of each on the Cr. side. Although it may occasionally happen that debts due to the Workshops become irrecoverable on "bad debts," yet the amount thereof must not form a distinct item under that designation, in the balance sheet, inasmuch as it will have been already included in the separate account of the person from whom it is due, and the balance of such account entered in the Balance Sheet with those of other accounts as above described. It is obvious, however, that such "bad debts," being necessarily shown as assets, the balance of the Balance Sheet must be fictitious to that extent, in which case the true balance can only be deduced by placing the amount of that debt as a counter-charge on the Dr. side of the Balance Sheet. It is only necessary to add that when such "bad debts" are thus disposed of in the Annual Balance Sheet, they must not re-appear in any subsequent account, unless indeed they may be afterwards recovered when they would as a matter of course be brought to credit.

9. It is to be understood that at the close of any given period, whether a month or a year, the balances of these several accounts, Balance Sheet excepted, must be "brought forward" in the corresponding accounts of the succeeding period. In the case of the Balance Sheet, however, that account is final in its character, as exhibiting in the aggregate the financial condition of the workshops; and the balance thereof is consequently not transferable to any succeeding Balance Sheet.

WARRANT OFFICERS—DISCIPLINE—PAY.

No. 340.—The following letter from the Secretary to the Government of India, Military Department, to the Commander-in-Chief, Madras, dated 24th October 1867, is published for general information, in continuation of the General Orders quoted in the margin :—

"With reference to your letter No. 1184F, dated 30th September 1869, I am directed to acquaint you that a Warrant Officer under arrest, whose emoluments it has been decided by Government to reduce for the period of such arrest, should be allowed net warrant pay and allowances only, minus the staff pay proper of rank, which is all that can be escheated unless by decree of a competent court."

HORSES.

No. 342.—The sentence in Clause I. G. O., No. 207† of 1869, regarding the shoeing of horses from the words "The foot" to "required," is amended as follows :—

"The foot being quite free from any defects, it is only necessary to remove the old shoe, rasp a even bed for the new one, shortening the foot with the rasp to the desired length and a place for the clip being made with the point of the knife. The shoe fitted, nailed on, ends of nails twisted off, and the clenches battened down, no further use of the knife or rasp is required."

ARMY REGULATIONS.

G. O. C. C., No. 11 of 5th February 1870.—With the sanction of Government, the following alterations are made in Madras Army Regulations—Books to be corrected accordingly :—

Para. 521 is cancelled and the following substituted :—

Para 521—A Conviction by Court-martial, shall render any Soldier not already in receipt of Good Conduct pay, ineligible for the reward, for 2 years from date of the offence.

a.—But if a Soldier be in receipt of Good Conduct pay, on conviction by Court-martial, the whole of the rates cease, and the period of deprivation before again obtaining the lower rate, is to be 1 year.

A second offence recorded in Regimental Defaulter's Book within 12 months, renders 2 years of uninterrupted Good Conduct necessary to obtain a restoration of the rate first forfeited, reckoned from date of last offence.

b.—A Non-Commissioned Officer reduced to the ranks by sentence of a Court-martial, is entitled by length of service to Good Conduct pay, forfeits his claim to it—and the period of forfeiture before obtaining the lower rate will be one year.

c.—A Soldier shall not be advanced to the higher rate of Good Conduct pay, unless he shall have been in the uninterrupted receipt of the lower rate for two years preceding his claim.

Para. 511.—The scale of minor punishments constituting a man, a Regimental Defaulter is cancelled—and the following is substituted :—

G. O. No. 296, 27th December 1866. (a) No. 375.—In continuation of the orders marginally noted, the following letter, No. 853, dated, 20th December 1869, from the Government of India in the Military Department, is published for general information:—

"With reference to your Memo. No. 2107E, of the 9th October 1869, I am desired to acquaint you, for the information of the Commander-in-Chief, that by the decision of the Right Hon'ble the Secretary of State, as notified in Government General Order, No. 747 of the 14th June last, the Government of India understand that it is open to all Officers of the British Army holding permanent staff appointments in India other than regimental, to elect the Furlough Rules of 1868, provided they are eligible for furlough or leave of absent under the restrictions which govern those rules in regard to the length of service qualifying for furlough, and the intervals which must elapse between successive furloughs, &c.

"2. The terms 'Officers of the British Army holding permanent staff appointments in India,' will include Officers of Artillery and Engineers formerly in the Indian Army now holding permanent staff appointments under the Government of India, and such Officers of the Engineers of the Imperial establishment as are permanently employed on the staff in India.

"3. The rules will also apply to Officers of the British Army holding staff appointments the tenure of which is limited to five years, to the extent of allowing them the pecuniary benefits of the new rules when absent on leave on medical certificate, in substitution for the absentee allowance they can now claim under the Rules of 1854.

"4. But the rules of 1868 are not applicable to the regimental Officers generally of Her Majesty's British Service, whether formerly belonging to the Indian Army and now in the Royal Artillery, Royal Engineers and new Line Regiments, or on the old Line establishment.

"5. I am to add, that the provisions of Government General Order, No. 1072, of the 19th December 1866, under which Officers holding staff appointments in India, but not on the strength of regiments on the Indian establishment, are restricted to six months' leave on sick certificate with Indian allowances and half staff salary, and on private affairs to four months' leave without pay, are still in force.

"6. Cases of Officers of the British Service proceeding on furlough will be dealt with under the decision laid down in this communication, which will be reported for the confirmation of Her Majesty's Government."

The Secretary of State for War has informed me that the Authorities at the Horse Guards have expressed their opinion that the arrangement recently agreed to, that new Great Coats should be issued to drafts proceeding to India, is undesirable, inasmuch as the recruit during the voyage is exposed to the force of the elements, and rendered for a time utterly helpless and incapable of taking care of anything and also perpetually in contact with salt-water, tar, tallow, and other greasy substances.

"2. I have therefore agreed that part-worn Great Coats should be taken by recruits on the outward voyage, care being had that the Officer Commanding the draft should be furnished with a detailed statement showing the period each Coat has been worn, and the further wear required by the Regulations.

G. O., No. 97, Embarkations—New Form of Nominal Mess Rolls of Troops embarking.

(11th September 1869.)

The form of "nominal mess roll" (W. O. Form 1122) which has hitherto been in use for troops embarking at home for foreign service having been materially altered, commanding officers at home stations are directed to obtain a supply of the new forms at once from the War Office, and to comply with the instructions given on the fourth page thereof.

The form bears the same number as before—1122.

G. O., No. 98, Embarkations of Soldiers' Wives near their confinement. (11th September 1869.)

Considerable expense and inconvenience having been occasioned by soldiers' wives being confined while on board the vessel in which they are embarked, women near their confinement are not in future to be embarked in mail or contract steamers or other vessels on short voyages, such as to or from the Mediterranean, West Indies, British North America, &c., and the husbands of such women are to be detained with them.

This rule will also apply when troops are ordered to or from India and other stations by the overland route, but not when they are proceeding between this country and India, via the Cape, or on other long voyages.

VETERINARY DEPARTMENT.

Calcutta, 24th January 1870, No. 18.—The following procedure will be observed in future on occasions when Inspecting Veterinary Surgeons visit regiments of Cavalry, or batteries of Artillery, for the purpose of Veterinary Inspection :—

G. O., 248 and 299 of 1866.
(Madras G. O. G., 18th December 1866, page 226.)

The Inspecting Veterinary Surgeon on arrival at a station will wait officially on the Brigadier General or other Officer Commanding, in order that the day and hour for his inspection may be published in station orders.

The Veterinary Surgeon in charge of the horses of the corps concerned will accompany the Inspecting Veterinary Surgeon during his inspection. Officers in command of troops and batteries will invariably be present on these occasions.

As a general rule, Commanding Officers of regiments or batteries should be present when the inspection is being carried out, in order that the enquiries and observations of the Inspecting Veterinary Surgeon may be carefully noted; and the Commander-in-Chief in India would beg to impress on them the importance of the responsible duty which, under the orders of Government, devolves upon Inspecting Veterinary Surgeons, and the good results which must accrue from harmonious action between themselves and those Officers. When the presence of the Commanding Officer himself is inconvenient or impossible, he should order the Second in Command to take his place.

Inspecting Veterinary Surgeons must take the utmost care to afford to Commanding Officers every information which may be useful in improving the health or condition of the horses; and they should invariably, without hesitation, point out any defects which they may observe in the stable management, and mention the steps it would seem desirable to take to remedy them.

Before leaving, Inspecting Veterinary Surgeons will forward to the officer commanding the station a short précis of the result of their inspection, being careful to note in it all unfavorable remarks, if any, which they feel compelled to enter in their official report.

Para. 2. "It was never contemplated that the appointment of Wing Subaltern should ordinarily be held by Officers of the rank of Captain, and it has only been allowed because it has been deemed preferable to dispose off unemployed Captains in this manner, than to leave them entirely without duty when appointments suitable to their rank are available. They should, however, vacate when proceeding on furlough or on leave other than privilege leave."

BHOOTAN AND HAZARA MEDAL ROLLS.

No. 24.—The following General Order by His Excellency the Commander-in-Chief in India, is re-published:—

Calcutta, 18th February 1870.—In re-publishing to the Army the General Order by the Government of India, noted in the margin, the Commander-in-Chief in India directs the submission to the Adjutant General* of the Medal Rolls for the Officers, Non-Commissioned Officers and men entitled to the decorations for Bhootan and Hazara respectively.

2. In regard to Bhootan, the Rolls will include all troops belonging to the Bhootan Field Force who were in position before the enemy, whether actually engaged or not.

3. In the case of the Hazara campaign, those troops who were at Oghee prior to Major General Wilde's advance, as well as those who formed part of the advance from that place, will be included in the Rolls; but the troops that remained in support and observation at Abbottabad, Manserah, or Derbund, will not be entitled to the decoration.

4. Those who have already received the Indian War Medal of 1854 will receive clasps only for Bhootan and the North-West Frontier, according to the service. Should the clasp for the North-West Frontier have already been earned by prior service, no fresh application under the present order will be made.

5. The rolls will be prepared in duplicate in the following form:—

ROLL of Officers, Non-Commissioned Officers and men entitled to the Indian Medal for the Military operations in Bhootan, or on the North-West Frontier of India, under G. G. O., No. 86 of 1870.

Rank and Name.	Regimental No. and Rank at the period the Decorations were earned.	Record of services in the Field in Bhootan, or on the North-West Frontier.	Whether entitled to the clasp for Bhootan.	Whether now entitled to the clasp for the North-West Frontier, no previous application for the same having been made under G. G. O. C. C., dated 19th Nov. 1869. (Madras G. O. C. C., 10th Dec. 1869.)	Whether in possession of the Indian Medal of 1854 for service in Burmah or Persia, or entitled to the same for service on the North-West Frontier of India, between 1849 & 1863.	Remarks.

(Place and date.)

(Signature of the Commanding Officer,
or individual furnishing the Roll.)

Certified that the individuals named in this Roll were actually present on the occasion for which the decoration is claimed.

(Signature of the Commanding, or other Officer actually cognizant of the services of the applicant.)

6. In the 3rd column of the Roll must be stated in each case, in the terms of paras. 2 and 3 above the service which entitles the individual to the decoration claimed.

7. The Rolls are (when practicable) to be signed, or countersigned, by the head of the department or Commanding Officer under whom the claimant served.

(* Fort Saint George.)

8. If the Commanding Officer of the corps in which the applicant is serving is not personally cognizant of his services, the signature to the certificate at foot, of an Officer who is able to make the declaration, must be obtained.

9. In the case of individual Officers furnishing their own rolls the certificate of a Commanding, Staff, or other Officer cognizant of the applicant's services, should be procured to the certificate at foot.

10. If the claimant has left the service, the Rolls after verification may be transmitted direct to the Adjutant General.

11. When the services of the claimant cannot be verified by any Officer actually cognizant of them, a certificate from the claimant himself may be appended, together with explanation of the circumstances under which the prescribed certificate cannot be procured.

12. The Commander-in-Chief desires that transmitting authorities will be good enough to scrutinize the Rolls and to return them for correction when necessary with a view to their being forwarded in correct form to Army Head Quarters. Great delay is frequently caused by a neglect of the orders for the preparation of Medal Rolls.

The following General Order by the Government of India in the Military Department, is re-published:—

No 86, dated 18th January 1870.—His Excellency the Governor-General in Council has much satisfaction in publishing for general information, the following Military letter from the Right Hon'ble the Secretary of State for India, No 372, dated 14th December 1869:—

To His Excellency the Right Hon'ble the Governor-General of India in Council.

My Lord,—Para. 1.—I have had under my consideration in Council your Lordship's letter dated the 26th August 1869, No. 289, recommending the grant of the India medal to the troops employed in the Bhootan war of 1864 to 1866, and the Hazara Campaign of 1868.

2. Her Majesty's Government fully concur in the encomiums passed by your Lordship on the spirit and gallantry displayed by the troops employed on these occasions, in operations which were frequently of a peculiarly arduous and harassing nature, involving much privation, and calling for the display of great endurance, skill and courage.

3. I have much pleasure, therefore in conveying to your Lordship the information that Her Majesty has been graciously pleased to sanction the proposal, and to command that it be carried into effect.

4. The India medal of 1854, with a bar for "Bhootan" will be conferred on all the Officers, Non-Commissioned Officers, and men who served in any part of the operations in that war, and formed part of the force in position before the enemy, whether in reserve or not; those who have already been granted the medal receiving the bar only on this occasion.

5. In the case of the Hazara Campaign, the medal, with a clasp for the "North-West Frontier," will be conferred on those who actually took part in the advance under Major-General Wilde, including the forces under the Command of Colonel Rothney, which was previously engaged with the enemy at Oghee, but it will be granted to the troops that remained in support and observation at Abbottabad, Nowshera or Derbund. Those to whom the medal has already been awarded will now receive the clasp alone, and those who have already obtained the "North-West Frontier" clasp will not receive any further decoration on account of the Hazara Campaign.

6. A copy of the correspondence which has taken place with the War Office is transmitted for the information of your Lordship, and I have to request that you will give the necessary instructions for the announcement of Her Majesty's Commands in General Orders and for the preparation of returns in the usual prescribed manner.

ARGYLL.

With reference to the foregoing, His Excellency the Commander-in-Chief is requested to adopt early measures for furnishing the rolls of the Officers and Soldiers of Corps who are entitled to the decorations now authorized by Her Majesty.

MADRAS EQUITABLE ASSURANCE SOCIETY,

SUCCESSOR TO THE MADRAS LAUDABLE SOCIETY, ESTABLISHED IN 1829.

Regulated by Act No. VI of 1869, of the Legislative Council of Fort Saint George.

Head Office in Madras and no Branches.

BOARD OF DIRECTORS.

The Hon. W. R. ARBUTHNOT, (Arbuthnot & Co.)	A. F. BROWN, Esq. (Parry & Co.)
W. SCOTT, Esq. (Binny & Co.)	R. C. WALKER, Esq. (C. Shand & Co.)
H. G. FRICHARD, Esq. (Govt. Solicitor.)	

Acting Medical Examiner.

W. H. HARRIS, Esq., M. D.

Secretaries and Treasurers.

MEASRS. ARBUTHNOT AND CO.

The chief characteristics of this Society are:—

Mutual Assurance.

Policies for a term of years issued at reduced rates without participation in surpluses.

Premiums payable half yearly, on 1st January and 1st July.

Claims paid immediately after satisfactory proof of death. Announcement of death in the Fort Saint George Gazette, sufficient in the case of the members of the Civil and Military Services.

No entry money.

Medical fees paid by the Society on all proposals.

Policies issued free of charge for Stamp Duty.

Persons assured may reside in any part of the world so long as they continue to pay the original rate of Premium stipulated in their Policies.

This Society being founded on the sound principle of Mutual Assurance, divides all its surpluses, or so much thereof as the Directors deem expedient, amongst the members, or Life Policy-holders by deductions from premiums, and does not work for the benefit of a separate Proprietary body.

The members of the Society consist of all persons who hold Policies of Assurance upon their own lives, or upon the lives of others, for the duration of life.

The Directors of the Society must be residents at Madras, and are elected by the members.

The Society's funds can be invested only in securities of the Government of India, or in securities, the interest of which is guaranteed by the Government of India, or by the Secretary of State for India in Council.

All Investments are made in the joint names of three of the Directors of the Society.

Annual General Meetings of the members of the Society are held at Madras not later than the last day of the month of March in every year.

An Annual Audit is made of the accounts of the Society, and the reports of the Auditors submitted at the Annual General Meetings.

Quinquennial valuations, made by a London Actuary, of all the Assets and liabilities of the Society.

Attention is specially drawn to the fact that new Assurances for the whole term of life effected previously to the 31st December 1870 will be entitled to participate in the surplus fund found to exist on that date, rateably with the aggregate of the premiums paid during any portion of the quinquennium then ended. Persons intending to assure for life should therefore take up policies without delay.

The returns made to the Policy-holders from the formation of the Society in January 184 up to June 1869 inclusive, (in addition to the accumulation of a considerable reserve,) have averaged 47 per cent. upon the premiums paid half yearly.

The past experience of the Society leads the Directors to anticipate that the retention of the "Mutual" principle and the quinquennial distributions of surpluses, will bring down the cost of Assurance in this office for life to the lowest possible point.

The Medical Examiner sees applicants for assurance, at his residence, Nungumbankur adjoining the Observatory, on Wednesdays, between the hours of 11 and 12 A. M., and on Saturdays at 4 P. M.

C. LAZARUS & CO.,
 CABINET MAKERS, UPHOLSTERERS,
 BILLIARD AND BAGATELLE TABLE MANUFACTURERS,
 49, 54, 55 & 56, *BENTINCK STREET, CALCUTTA.*
 By appointment to His Excellency the Viceroy and Governor General of India.

BILLIARD TABLES.

C. LAZARUS & CO., as Manufacturers, invite particular attention to their large stock of full-sized Billiard Tables, the cushions of which are constructed on an entirely new principle, similar to those supplied by C. L. & Co., and now in use at the Bengal Club, and in various other Clubs of the three Presidencies.

THE ALEXANDRA BILLIARD TABLE.

C. LAZARUS & CO. beg to state that, with a view to secure for India one of the latest Home Novelties, they have made up a number of the new "Alexandra" Billiard Tables, so commonly patronised in Fashionable Circles at this time in England.

The "Alexandra" Table, or that which has received the distinguishing epithet of the "Ladies' Table," and most in favor with the fair sex, is, in every respect, adapted to develop the fullest resources of the Game. The size of these Tables is six feet by three. The height is so regulated and the cues and other requisites are specially arranged, as to admit of easy and graceful manipulation by a Lady. Whilst the exclusiveness that has hitherto attended the play of Billiards, on the full-sized Table, is obviated, the interest and excitement of the game is not in any way diminished by the introduction of the new Board, as the latter is susceptible of all the fertile resources of art to which the skilful player resorts. From these considerations, the "Alexandra Table" has secured a large measure of favor with the Ladies of India, and has become as permanent a favorite within their domestic circles as it is in the first families of the British Aristocracy.

IMPORTANT TO MESSES AND BILLIARD CLUBS,

Throughout India, China, Burmah, Ceylon and the Straits.

Consequent on the numerous applications that C. LAZARUS & CO. have lately had from parties residing at a distance from Calcutta, to have their Billiard Tables re-cushioned on C. L. and Co.'s new principle, and as sending the Tables to Calcutta for that purpose is attended with great delay, occasioning much inconvenience, C. L. and Co. have been induced to keep a stock of cushions on their new principle always on hand, which can be fitted to any Table, the accurate length and width of the Slate Bed only being required.

Messes and Clubs can, by thus securing a spare set of cushions, ensure the constant use of the Table, a desideratum C. L. and Co. are satisfied they will not be slow to appreciate, as the inconvenience hitherto felt by the Table being unavailable for play during such time as the old cushions are under repair, has been admittedly very great.

New Cushions fitted to old Tables on the new principle.

CHURCH OF ENGLAND

Life and Fire Assurance,

TRUST AND ANNUITY INSTITUTION.

HEAD OFFICE—KING STREET, CHEAPSIDE, LONDON.

EMPOWERED BY SPECIAL ACT OF PARLIAMENT.

CAPITAL—ONE MILLION.

The distinguished success which attended the establishment of the Church of England Assurance Company, in England, Scotland and Ireland, induced the Directors, many years ago, to open Branch Offices of the Company at Calcutta, Madras, Colombo and Singapore, with a view of extending the peculiar advantages of this establishment to Europeans residing in those parts.

The Directors have the gratification of being enabled to state that this extension of the business of the Institution has been attended with complete success.

The high credit enjoyed by the Company in Europe, and the connection of many of its Proprietors with men of eminence and influence in India, have enabled the Company to proceed in a continued career of prosperity such as to satisfy the most sanguine expectations of all persons interested in its welfare.

In every Institution of this kind, the three main objects of Policy-holders are Security, Economy and Convenience.

The security of Policy-holders is made complete by the large subscribed Capital of the Company, guaranteed by a numerous and influential body of Proprietors, a list of whom is periodically registered in the Court of Chancery, pursuant to the provisions of the Special Act of Parliament (4 and 5 Vict., cap. xcii), empowering this Institution.

The highest attainable economy has been afforded to Policy-holders by means of an entirely new set of Tables computed for the especial use of the Indian branches of this Institution. No labor or expense has been spared in the construction of these Tables; and the Directors have much gratification in directing attention to them, being confident that they will meet the views and satisfy the expectations of the Assuring classes in India.

The convenience of Policy-holders has been especially provided for, by the variety of Tables which have been computed, and by the adaptation of such Tables to suit the objects and circumstances of different parties.

"Short Term" and "Whole Life" Assurances are granted at rates of premium as shown below in Tables I and II.

The Advertiser.

In addition to the ordinary Insurances, this Company issues Policies by which the sums assured are made payable to the Policy-holder himself on his attaining a specified age, or to his representatives in the event of his previous death. By this means, Officers and others may both provide for their families and secure "Retiring Provisions" for themselves.

Table III gives the rates payable for this description of Insurance.

"Free Policies" or ten year premium "Assurances."

These Assurances are for the whole of life although the premiums are payable during ten years only; that is to say, the premiums are all paid up in the course of ten years, and thenceforth the policy is free from any further payment.

Also each premium as it is paid, frees one-tenth of the sum assured, so that the policy to that extent can never lapse from future non-payment of the premium. For example, if a policy has been effected on this system for Rupees 10,000, and when the second year's premium becomes due, the Assurer is unable or unwilling to pay the same, he will not lose the benefit of the first year's premium already paid, as the policy will continue in force for Rupees 1,000 free of all further payment whatever. So if the premiums were discontinued after the second year, the Assurance would remain in force for Rupees 2,000, if after the third year for Rupees 3,000 and soon as many tenths of the sum assured being rendered free as there have been yearly premiums paid.

The system of Assurance has the advantage of converting each premium into an independent investment which is not exposed to any diminution or loss by the failure to keep up further payments.

The Indian rates of premium for this system of Assurances are given in Table IV.

The "Clergy Rates" in Table V, have been recently prepared to enable Clergymen and Ministers of all denominations to assure their Lives in this Institution upon more favorable terms than in any other Office.

The premiums may be paid either annually, half-yearly or quarterly; and Policies, which have become forfeited by non-payment of the premiums, may be revived within twelve months, upon satisfactory proof being given that the party continues in good health, and of sober and temperate habits.

* * Thirty days' grace are allowed for the payment of the Renewal Premiums. The validity of the Policy will, in every case, be maintained, by payment of the Premium within the stipulated period, notwithstanding the death of the Assured may have occurred before such premium shall have been received.

Upon their arrival in Europe, Policy-holders will be entitled to a reduction in their Premiums corresponding to the difference between the Indian and European risk,—such reduction to take effect from the next period of renewal, after the receipt by the Office of notice of their arrival.

No addition to the premium will in any case be made for sea risk, in passing from any one part of India (including Ceylon and Singapore) to another; or in passing to or from the Cape of Good Hope, or England, either by the Overland or sea route.

Policies effected by parties on their own lives, and assigned as a *bonâ fide* security to others, will not be rendered void in the event of death by suicide, duelling, or the hands of justice. Claims will become payable within three months after satisfactory proof of death.

The Medical Officer sees applicants for Assurance at his residence, Royapuram, on Wednesdays and Saturdays, between the hours of 9 and 10 A. M.
