POONAMALLEE ROAD, MADRAS,

Respectfully beg to notify for the information of their Constituents and the Public that their Firm hitherto styled V. APPASAWMY MOODELLIAR and Co., in future be carried on by W. T. MOOROOGASA MOODELLIAR AND Co., the sole Proprietor.

All communications, money orders, and orders connected with their business, and all balance due to the former firm, are to be addressed and remitted in future to W. T. M. & Co., Army Suppliers, *Poonamallee Road, Madras.*

W. T. M. & Co. in returning thanks for all past favors, solicit the further patronage of their Constituents, and the Public, and W. T. M. & Co. trust they have hitherto rendered general satisfaction in the due fulfilment of all orders favored them by their zeal and careful attention to neatness, workmanship and punctuality, thus avoiding inconvenience to their Constituents, and they now have the pleasure to inform their Constituents, that they have obtained valuable Testimonials and letter of gratification from several of their Constituents, and an order of Government, these and a few others expected, will be put in print in due course.

W. T. M. & Co. have with great expense and trouble, improved the process of manufacturing Waterproof Cloth, Linen and Canvass, and they are glad they have attained such experience that they can confidently affirm that their process is superior to any other production in the Madras Presidency; they consequently hope to procure a *Patent* in due course.

The Government having concurred with the favorable mention made by His Excellency the Commander-in-Chief of the Waterproof articles submitted by W. T. M. & Co., after a severe test in the Grand Arsenal, Fort Saint George, have been pleased to extend their patronage to our Firm, as per Proceedings of

., dated 10th May 1870, No. 1,325. The Inspector General of Ordnance and Magazines, a gentleman of considerable experience, has also given the Government in favorable terms of the quality and make of Colonel Pattern Kit Bags, manufactured by W. T. M. & Co., and they now have the patronage of all Officers Commanding Corps, both European and Native Public in general.

W. T. M. & Co., have in their former advertisement referred to Colonel B. TRAVERS, Depy. Adj. Genl., Col. J. G. TOUCH, Examiner Pay Dept., T. DYER, then Brigade Major Fort St. George, now of Ceded District, and J. E. ROBERTSON, Adj. General, for their good workmanship and punctuality, and they have since obtained the good will of Brigadier General W. GOSWAM, C.S.I., Officer Comdg. Ceded District, and Colonel P. B. ROSE, Adj. Genl. were satisfied with the zealous manner in which the business of our firm is carried on.

T. M. & Co., had the honor of being promised by the Clothing Department, on their obtaining sanction of Government, for all such work in future for the supply of H. M.'s. British Forces.

W. T. M. & Co., will be most happy to undertake orders to execute the undermentioned articles for the use of H. M.'s. European and Native Regiments:

LIST OF HER MAJESTY'S COVENANTED CIVIL SERVANTS ON THE MADRAS ESTABLISHMENT,

Corrected up to the 30th June 1870.

The Rank of Civil Servants commences from the date of arrival at Madras of the first Civil Servant appointed in Europe, of the same season of which they are Civil Servants; and, being thus determined, all Civil Servants belong, during the first four years, to Class VI;—from the fifth to the end of the eighth year, to Class V;—from the ninth to the end of the twelfth year, to Class IV;—from the thirteenth to the end of the twentieth year, to Class III;—from the twenty-first to the end of the thirty-fifth year, to Class II;—and from and after the thirty-fifth year, to Class I.

The letters **A, B, C**, prefixed to the names denote respectively that the parties have not passed either of the two Standards of Qualification; that the first or lower Standard has been passed; that the Servant cannot take Special leave.

M prefixed to a name denotes that the Servant though not having passed by the 2nd Standard, nor holding an appointment superior to that of Assistant is invested permanently with the full powers of a Magistrate.

Column 2, Capitals distinguish high proficiency. Small Roman letters show that the languages were studied in England by Civilians under the new system. Italic Capitals denote that the Civilian has passed the Honors Test under the Rules of 1868.

Column 7, Italics show “Dies non” G. I. Resolutions, 5th Nov. and 21st Dec. 1868, Nos. 3,477 and 3,727, Financial. Roman Capitals show Special Leave. Antique letters indicate a year of Sick Leave taken under rules in force before 1st July 1868, with reference to G. I. Res., 18th Feb. 1869, No. 1,092, Financial.

Column 8, The Actual Service shown is calculated in accordance with Section I, and is the period of Residence qualifying for Pension under Section XVI, of the Rules of 1868.

COLONELS' ALLOWANCES.

Fort William, No. 361 of 1870.—The following Military letter from the Right Hon'ble the Secretary of State for India, No. 53, dated 24th February 1870, is published for general information:—

My LORD,—I have received and considered in Council your Military letter No. 347, dated 4th October 1869, on the question as to the amount of Colonels' allowances which should be passed to Regimental Colonels residing in India but only drawing English pay.

2. In reply I have to inform you that I approve of your recommendation that the rate of Colonel's allowance fixed as the accompaniment of English pay should be drawn at the rate of 2s. 0½d. per rupee, thus placing all Colonels on leave in England or in India on exactly the same footing.

No. 362 of 1870.—The following Military letter from the Right Hon'ble the Secretary of State for India, No. 51, dated India Office, London, 24th February 1870, is published for general information:—

My LORD,—I have considered in Council your letter, No. 419 of 21st December last, submitting correspondence regarding the claim of an Officer of the Indian Service, when Commander-in-Chief of any Presidency, to the Colonel's allowance, in addition to his emoluments as Commander-in-Chief.

2. In reply I have to state that, with respect to the appointment of Commander-in-Chief in India, in the event of its being filled by an Officer of that Service, I am of opinion that such Officer is clearly precluded by Act of Parliament from receiving any allowance during his tenure beyond the salary of the appointment, unless some special provision be otherwise made by Parliament.

3. With respect to the Chief Command at Madras or Bombay, I authorize the issue to an Indian Officer, when holding such Command, of the amount of his Colonel's allowance, in addition to the salary of the appointment.

4. This is in accordance with the decision of the Secretary of State for War in the case of an Officer of Her Majesty's British Service, when holding such Command.

SERJEANT COOKS.

No. 373 of 1870.—The Right Hon'ble the Secretary of State for India having intimated that no more appointments of Serjeant Cooks to Regiments serving in or under orders to come out to India, will be made, it is notified that the provisions of Government General Order, No. 623,* dated 13th June 1867, and of paragraph 29 of the Secretary of State's Despatch, No. 143 of 1869, published in the Commander-in-Chief's Standing Orders, No. 247, dated 23rd August 1869, are hereby cancelled.

His Excellency in Council has been pleased to select Major-General A. Huyshe, Royal Artillery, as the Inspector of Artillery, and Captain Sir W. Hamilton, *Bart.*, Royal Artillery, as the Brigade Major, to be retained under the new arrangements.

PAY—LIEUTENANT-COLONEL—STAFF CORPS.

Simla, 12th May 1870, No. 504.—The following Military letter from the Right Honorable the Secretary of State for India, to His Excellency the Right Honorable the Governor-General of India in Council, India Office, London, 31st March 1870, No. 91, is published for general information :—

My Lord,—I have considered in Council your Lordship's letter, dated the 8th of February, No. 33, respecting the rate of pay to be passed to a Lieutenant-Colonel of the Staff Corps who is in receipt of the Colonel's allowance and residing in India.

2. I approve of your Lordship's suggestion that such Officers, after having been brought down to the English scale of allowances, should be treated, in the matter of pay, as if they were in England, and that they should be permitted to draw the same aggregate pay and allowances as Officers of Infantry of the Indian Army holding the rank of Regimental Colonel (25s. a day) with the Colonel's allowance.

SPECIAL DUTY WHEN TO BE COUNTED AS SERVICE.

Simla, No. 507 of 1870.—The following Military letter from the Right Honorable the Secretary of State for India, to His Excellency the Right Honorable the Governor-General of India in Council, India Office, London, 31st March 1870, No. 89, is published for general information :—

My Lord.—Your Despatch No. 360, dated 18th October 1869, relates to a question which has been raised with special reference to the case of Colonel F. P. Layard, whether periods of absence from India of Officers on special duty are to be considered as full Indian Service.

2. I have no objection to its being understood that, as a general rule, absence from India on special duty, such as that on which Colonel Layard is employed, shall count as “full Indian Service.” It will, however, be requisite that, as in the case of Officers who apply to count as service leave taken on sick certificate, each case should be separately and specially reported.

I forward, for the information and guidance of your Government, copy of an Order of Her Majesty in Council, dated the 7th August 1869, on the subject of the Flags to be used by the different branches of Her Majesty's Service.

At the Court at Osborne House, Isle of Wight, the 7th day of August 1869.

PRESENT:

THE QUEEN'S MOST EXCELLENT MAJESTY IN COUNCIL.

Whereas there was this day read at the Board a Memorial from the Right Honorable the Lords Commissioners of the Admiralty, dated the thirty-first of July, one thousand eight hundred and sixty-nine, in the words following, viz:—

“The Union Jack having been established by Your Majesty's Regulations for the Naval Service as the distinguishing Flag to be borne by the Admiral of the Fleet,—and whereas great inconvenience has at times been experienced by the Union Jack having been carried in boats and other vessels by Governors of Colonies, Military Authorities, Diplomatic Officers, and Consular Agents when embarked,—We have deemed it expedient to place ourselves in communication on this subject with the Commander-in-Chief of Your Majesty's Forces and the Principal Secretaries of State for Foreign Affairs, for the Colonies and for War, and with their concurrence we must humbly submit that Your Majesty may be graciously pleased by Your Order in Council to prescribe and direct that in future the Union Jack to be displayed by the Military Branch of Your Majesty's Service on such occasions shall bear in the centre thereof as a distinguishing mark the Royal Initials surrounded by a Garland on a Blue Shield and surmounted by the Crown,—that the Union Jack to be used by Your Majesty's Diplomatic Servants, Ministers Plenipotentiary, Chargés d'Affaires, &c., shall bear the Royal Arms in the centre thereof on a White Shield, whilst Consuls and Consular Agents, &c., shall be limited to the use of the Blue Ensign with the Royal Arms in the fly thereof. We further submit that Governors of Your Majesty's Dominions in Foreign Ports, and Governors of all ranks and denominations administering the Governments of the British Colonies and Dependencies, be authorized to fly the Union Jack with the Arms or Badge of the Colony emblazoned in the centre thereof.

“A drawing of the Union Jack, with the proposed distinguishing devices, is transmitted herewith for Your Majesty's approval.”

Her Majesty having taken the said memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honorable the Lords Commissioners of the Admiralty, the Right Honorable the Earl of Clarendon, the Right Honorable the Earl Granville, the Most Noble the Duke of Argyll, and the Right Honorable Edward Cardwell are to give the necessary directions herein accordingly.

ARTHUR HELPS.

PENSION—WARRANT OFFICERS.

Simla, 3rd June 1870, No. 598.—With the approval of the Right Honorable the Secretary of State for India, the Right Honorable the Governor-General in Council directs that the rates of invalid pay for Warrant Officers who elect to reside in India, after ceasing to belong to the effective list, will, as in the case of the Invalid Establishment, in future be only granted to those Warrant Officers whose disqualification for active service has not been occasioned by intemperance or irregular habits, which must be certified to by the medical attendant, the officer under whom the applicant may be serving, the head of his department, and the medical invaliding committee.

The same rule will be applicable to the members of the Medical Subordinate Department in regard to their invalid pension.

In the event of Warrant Officers or Members of the Medical Subordinate Department being considered disqualified by conduct or habits for the invalid scale of pay or pension, they will be restricted to a scale of pension equivalent to the retiring pension of their rank and length of service converted into Indian currency.

The following will be the rates of retiring pension in India:—

	RS.	AS.	P.	
Deputy Commissary	150	0	0	per mensem.
Assistant Commissary	100	0	0	„
Deputy Assistant Commissary	75	0	0	„
Conductor	62	8	0	„
Sub-Conductor	50	0	0	„
Honorary Assistant Surgeon	125	0	0	„
Senior Apothecary	83	5	4	„
Apothecary, 1st Class	66	10	8	„
Ditto, 2nd „	50	0	0	„
Assistant Apothecary	30	0	0	„

Warrant Officers, who have not served in India or departmentally half the prescribed period to entitle them to retiring pensions, will only receive the scale of pension prescribed for the next lower rank: the pension of a Sub-Conductor in such case being that of a Serjeant-Major. Should any Warrant Officer not have served fourteen years altogether, his case will be specially considered with reference to the amount of pension, if any, to be awarded.

In like manner, Medical Warrant Officers will only receive the scale of pension for the next lower grade, if they have not served three years in the grade from which they are pensioned, and if they have served less than fifteen years, their claim to any pension will be specially considered.

ROYAL ENGINEER OFFICERS—FURLOUGH RULES.

G. O. G., No. 199 of 28th June 1870.—The following extracts from General Orders by the Government of India, are re-published:—

Simla, 14th June 1870, No. 614.—The following Military letter from the Right Honorable the Secretary of State for India, to His Excellency the Right Hon'ble the Governor-General of India in Council, India Office, London, 20th April 1870, No. 105, is published:—

MY LORD,—Paragraph 5 of your Despatch No. 367, dated 16th November 1869, reports your having decided that Officers of the Royal Engineers on the Imperial Establishment employed in the Public Works Department, will be considered entitled to the benefits of the Indian Furlough Rules, as forming part of the Civil Administration of the country, counting service from date of arrival in India; but that Officers joining the Sappers and Miners from England, who are not inclined to enter the Public Works Department, will enjoy only such leave as is conceded, under Her Majesty's Regulations, to Officers of the British Regiments.

2. I presume it to be intended that the Officers with the Sappers and Miners, forming the fixed establishment receiving a staff salary, as referred to in the Despatch No. 47 of 15th February 1867, will be considered as Staff Officers; and that, although Officers merely attached to the Sappers will, while so employed, be considered as performing ordinary regimental duty, they will, should they afterwards accept staff employ, be entitled to count their service for furlough from date of arrival in India.

3. On this understanding I approve your decision.

The manner in which the several articles have been dealt with should be noted in the Survey Report, a copy of which should be forwarded to the Principal Inspector-General, Medical Department.

III. Officers of the Commissariat Department should, if required, grant a detailed receipt for the articles and numbers made over to them.

In submitting applications for general leave to Cashmere, Officers will be required to append to the ordinary applications the usual certificate agreeing to conform to the Rules prescribed, and will afterwards acknowledge the receipt of the Rules before availing themselves of the leave granted, such receipts to be kept for record in Staff Offices, and the Rules themselves retained by Divisional and District Staff Officers at the conclusion of the leave season.

3. The Rules are first to be allotted to Officers whose leave has appeared in G. O. and a sufficient number retained for Officers immediately proceeding on privilege leave; any excess number of Rules to be returned to this Office, to meet further requirements of other Divisions or Districts. General Officers are therefore requested to return any copies of the Rules, or to make further application for additional copies by the 1st May at latest.

4. The word "Rules" is to be substituted for that of "Passes" in G. O., No. 23 of 1868. (Madras G. O. C. C., 13th February 1868, page 36.)

(17).—Similarly, District Superintendents of Police may obtain local postage tickets for the use of assistants stationed in the interior of the district.

E.—MISCELLANEOUS.

(18).—Officers in charge of Telegraph Offices, when posting telegraph messages for onward transmission by post, are entitled to get receipts for them. Such receipts must be presented ready written in the form ordinarily used by the Telegraph Offices when delivering telegraph messages to the addressees. The Postmaster will compare the receipt so presented with the address of the cover accompanying it, and if correct, will affix the Post Office Stamp in acknowledgment of receipt. All covers for which receipts are claimed under this rule must be superscribed with the word "Telegram." Telegraph messages so sent are liable to the ordinary rates of postage, which must be pre-paid in full by means of postage stamps.* If telegraph messages are sent registered, the usual registration fee must likewise be pre-paid by postage stamps.*

* See Rule 22.

(19).—Complaints against the Post Office, certified as such under the full signature and address of the sender, and addressed to any officer of the Postal Department, are not chargeable with any postage.

(20).—Official communications addressed to Government Offices "on Her Majesty's Service" under Rule (4), (8), or (9), or "Service Bearing" under Rule (11) or (12), are not liable to additional postage on account of re-direction.

(21).—Government Officers are bound to receive and pay any postage which may be due on covers addressed to them under the superscription "On Her Majesty's Service" or "Service Bearing." If the charge of postage results from any irregularity or omission on the part of the sender, his faults should be represented to the proper authority.

(22).—Postage Stamps required for official correspondence should be purchased at the Government Treasury, or other local stamp dépôt. The stamps issued to official applicants for official purposes will be marked with the word "Service," and when used in payment of postage must be supported by the superscription on the cover "On Her Majesty's Service only," under the full signature and official designation of the Government Officer who sends the cover. The superscription and signature should be entered in the form marginally given. Service stamps affixed to a cover without the abovementioned superscription will not be recognized by the Post Office in payment of postage. Treasury Officers are enjoined not to issue service stamps to any but Government Officers.

Service.	Labels.	On H. M.'s service only.
To (Here enter address). (Signature of sender). (Official designation).		

(23).—Covers posted by a privileged office under Rule 4, but not enclosed in the official bag, will be treated as if posted by an unprivileged office, i. e., charged in the account of the receiving office if it be privileged, and charged with postage at pre-paid rates if addressed otherwise than to a privileged office. Covers sent by an unprivileged office under Rule 4, but without stamps, will be charged with postage on delivery at pre-paid rates, and if the stamps affixed be insufficient, the deficiency will be charged. Any other irregularity or incompleteness of the address or superscription will render the cover liable to be treated as an ordinary unpaid cover.

(24).—Government Officers when on leave, and those who have retired from the service of Government, can correspond only as private individuals.

(25).—The limits of weight and size, in respect of official letters or packets, are the same as those prescribed for ordinary packets; a cover exceeding those limits can only be forwarded as a banghy parcel, and all banghy parcels must either be pre-paid by postage stamps† by the sender, or paid for in cash by the addressee. Receipts for such banghy parcels when presented ready written will be returned stamped with the Post Office stamp. Service banghy parcels are exempted from the rule requiring them to be packed in wax-cloth or tin, and sealed at intervals along the lines of sewing, but they must be securely packed.

(26).—In order to afford to public offices the means of checking the postage accounts kept against them in the Post Office, reasonable opportunity will be given under the orders of the Postmaster-General, for the inspection of the Post Office account by an officer deputed for the purpose from any public office.

(27).—The Director-General of the Post Office is authorized to make annual arrangements with the Money Order Department for the conveyance of its correspondence without actual payment at a contract rate. Similar arrangements may be made in other cases in which they may be practicable.

F.—OFFICIAL CORRESPONDENCE WITH PLACES ABROAD OR BETWEEN INDIAN POST OFFICES WHEN CONVEYED BY BRITISH OR FRENCH MAIL PACKETS.

(28).—The rules contained in the preceding sections relate exclusively to official inland correspondence, i. e., correspondence conveyed between one Indian Post Office and another by Her Majesty's Indian Post.

(29).—Official correspondence with places abroad or between Indian Post Offices, when conveyed by British or French mail packets (e. g., between Calcutta and Madras, or between Bombay and Aden), is governed by the same rules as ordinary private correspondence, and must either be pre-paid by stamps* or (where pre-payment is optional) be forwarded as unpaid, subject to the levy of postage on delivery.

* See Rule 22.

(30).—The only exception to the preceding rule has reference to official correspondence sent by British packet to or from the public functionaries or departments in London which have special accounts for overland postage with the London Post Office. Official covers intended for such offices need not be pre-paid if superscribed as on Her Majesty's Service under the full signature and official designation of the sender. The public functionaries or departments in London which have accounts with the London Post Office are—Adjutant-General's Office, Admiralty, Audit Office, Board of Trade, Chancellor (Lord), Charity Commissioners, Chelsea Hospital, Civil Service Commissioners, Coast Guard Office, Colonial Office, Colonial Land and Emigration Commissioners, Commander-in-Chief's Office, Council Office, Court of Probate, Custom House, East India House, Foreign Office, Home Office, Inland Revenue Office, Irish Office, Merchant Seamen's Office, Military Secretary, Horse Guards, Ordnance Office, Paymaster-General's Office, Poor Law Commissioners, Post Office, Quarter Master-General's Office, Science and Art Office, Stationery Office, Tithe Commissioners, The Queen, Treasury, Registrar General's Office, War Office, Woods and Forests' Office, Work, Buildings, &c., Office.

(31).—Official covers addressed to private individuals or unprivileged offices in the United Kingdom may be sent paid by stamps;† if sent unpaid, or insufficiently paid, they will be charged on delivery in England with deficient postage and fine, under the same rules as govern the treatment in this respect of ordinary unpaid correspondence.

Memorandum by the Director-General of the Post Offices of India, dated 19th February 1870.

The accompanying rules regarding the treatment of official correspondence will come into force on the 1st April 1870, and it is necessary, therefore, to draw attention to the main alterations of system and to give instructions respecting the keeping of accounts of official postage.

2. Under the new rules the previously existing exemption in favor of what is called local official correspondence (i. e., official correspondence which does not pass beyond the limits of the district or zillah in which it is posted) has been withdrawn; and in future all official correspondence will either be paid for (by service stamps or otherwise), or charged in account against a privileged office.

3. It will be observed from Rule 4 that all official covers posted by a privileged office will be charged against it. These should be stamped by the office in which posted with the dated stamp in red ink on the face (i. e.,

address side) just over the signature of the franking officer.

4. The only covers to be charged in the account of the receiving privileged office will be those posted (under Rule 8) by a non-privileged office. Such covers should be stamped, as heretofore, by the office in which posted, with the dated stamp in red ink on the back.

5. Special attention must be given to the different way of stamping covers described in the two preceding paragraphs. The only guide which the office of delivery will have as to what covers have been charged by the posting office in the account of the sender will be the stamp of the posting office affixed above the franking signature on the face of the cover; and it will be necessary, therefore, to enjoin strict attention to the rule that covers charged by the posting office in account with the sender must be so stamped, all others being stamped as heretofore on the back of the cover.

6. A new list of privileged offices is attached to the rules, each having a distinguishing number. These numbers will be preserved, future additions to the list being indicated by intermediate numbers.

7. The accounts of privileged offices will be kept in the annexed form marked "A Account," which contains the necessary instructions. The total of each "A Account" will, as noted on the form, be transferred at the close of the month to "Register D," of which a form is annexed, and a copy of each month's Register will be sent to the Compiler direct.

8. In preparing A Accounts, the Postmaster should be careful to enter in the appropriate place at the top the proper official designation of the office for which the account is kept. The designations in all Presidencies and Provinces are not precisely the same. For instance a district officer (Entry No. 23) is in some parts of the country designated "Deputy Commissioner," and in others "Magistrate and Collector," and in all such cases the Postmaster should be careful to give the proper designation by which the office is known, applying, if necessary, for this purpose to the privileged officer himself.

9. The frank of a privileged office can be recognized only at the Post Office which keeps its accounts, i. e., the Post Office situated at its head quarters (or temporary residence); and no other office can recognize it except under the authority of a tour ticket. For instance, a cover bearing the frank of the Commissioner of the Allahabad Division will be recognized by the Allahabad Post Office if posted there, but if the cover be posted at any other office, it can only be recognized on the authority of a tour ticket signed by the Allahabad Postmaster. I find that in some cases privileged offices have resorted to the practice of distributing franked covers among their subordinates. This is very irregular, and will be put a stop to by this rule.

10. Privileged officers, removing for a season to another station, as in the case of the Government Offices going to a hill station for the summer, should have separate accounts opened with them at their temporary residence. This will be more convenient than treating such officers as on tour.

11. Rules 13 and 14 provide for the grant of tour postage tickets to privileged officers proceeding on tour. A form for such tickets marked "Tour B Ticket" is annexed, and contains the necessary instructions. The object of these tickets is to acquaint Post Offices visited by a privileged officer on tour with the official designation of such officer, the fact of his being privileged and the name of the Post Office where his account is kept. Any Post Office at which a "Tour B Ticket" is presented, will copy the necessary entries on a "Tour B Account" sheet (form annexed), and then return the ticket, the official correspondence of the ticket-holder being entered in this account, which, as directed in the form, must be sent in original at the close of the month to the office which granted the ticket.

12. Rules 16 and 17 provide for the grant of local postage tickets to subordinates of a district officer or District Superintendent of Police, the object being to allow such subordinates the privilege of a postage account for local correspondence, the amount being chargeable in the account kept against the superior officer. A form for such ticket marked "Local C Ticket" is annexed, and contains the necessary instructions. A Post Office at which such a ticket is deposited will open with the official named therein an account of the form marked "Local C Account," which, as directed in the form is to be forwarded monthly in original to the Post Office which granted the ticket.

13. The terms "Assistants" and "Deputies" used in Rules 16 and 17 may be allowed to include Local subordinates in charge of sub-divisions or pergunnahs or talooks, whatever be their actual designations; but it is not intended that local postage ticket should be issued to any but principal subordinates of the class indicated, service stamps being used in all cases where correspondence cannot be included in the account of a privileged officer, or of a subordinate officer privileged under a local ticket.

14. Post Offices receiving supplementary accounts arising out of tickets (B or C) granted by them will transfer the results of each such account as received to the Abstract on the back of the A Account appertaining to the privileged office to which the supplementary account belongs.

15. It will not be necessary to require covers posted by, or delivered to, offices privileged under Local C Tickets to be enclosed in official bags.

16. The Rules 10 to 12, respecting correspondence superscribed "Service Bearing," do not seem to call for any explanatory remarks. Such covers will be treated like private covers, payment of cash being required on delivery, the only difference being that the charge will be at prepaid or forward rates instead of at double rates, as in the case of ordinary bearing letters.

17. It will be observed that under paragraph 25 of the new rules, official banghy parcels must be separately paid for and not included in the account; and that any official cover exceeding the prescribed limits of weight or size can only be forwarded as a banghy parcel.

18. Under Rule 22 service stamps may be used for any class of official correspondence (inland or overland), as service stamp supported by the required superscription and signature, being in fact equivalent in every respect to an ordinary postage stamp.

Rules and Experimental Tariff relating to the despatch of Telegraph Messages in India, British Burmah and Ceylon, published in supersession of the Telegraph Notification, dated Simla, the 20th September 1868.

General.

I. The accuracy of messages is not guaranteed, and the sender and receiver must accept all risks arising from non-delivery, errors, or delays.

II. Telegraph Stations are divided into three classes—1st, those performing permanent day and night duty; 2nd, those performing full day duty; and 3rd, those of limited day duty.

- Office hours. Except on the days stated in Clause III, stations in the 1st class are open day and night for the reception and transmission of messages.
- Stations of the 2nd class are open from 7 A.M. till 9 P.M.
- Stations of the 3rd class are open from 10 A.M. till 5 P.M., and on Sundays and the holidays enumerated in the next Clause from 7 A.M. to 8 A.M., and from 4 P.M. to 6 P.M.
- III. All Offices will be closed to the public between the hours of 8 and 16 (4 P.M.) local time on Sunday, Christmas Day, New Year's Day, Good Friday, and the Queen's Birthday.
- Hours of business limited on Sundays and Holidays.
- IV. In cases of life and death, or of extraordinary political emergency, a message countersigned by the chief civil authority at a station, or by any of the authorities empowered to "clear the line" (see paragraph XLVI), can be sent from any Office at any time.
- Exemptions in favor of emergent telegrams signed by competent authority.
- V. No message or messages of more than 200 words in all can be sent at any one time by any private individual or firm, and no second message by the same individual or firm till after the lapse of three hours, unless the line be free and not required by any one else.
- Limit to length of a message.
- VI. Senders of messages are advised to write their messages in an unmistakable and distinct hand, and to use the shortest and most familiar words they can select. The more intelligible the message, the greater is the probability of its being correctly transmitted.
- Messages should be legibly written and clearly expressed.
- Acceptance of messages for transmission. Messages must be written in the Roman character.
- Form to be followed.
- Full address necessary.
- IX. The address must contain all the information necessary to ensure the delivery of the message at its destination. The sender in all cases supports the consequences of insufficiency of address. After the message is once sent he can neither complete nor rectify it, except by sending a new despatch.
- X. Messages may be written in the ordinary English language, in cipher, in words of concealed meaning, commonly called "Code," or in any foreign language written in the Roman character.
- Ordinary, cipher, Code, and foreign messages.
- Ordinary messages can contain only standard English dictionary words.
- Cipher messages are those which consist wholly or in part of groups of figures or letters not forming words.
- Code messages are those in which a number of recognised words, but of concealed meaning follow each other without forming sense.
- No unusual combinations or abbreviations permitted.
- Authentication of corrections necessary.
- Verification of private messages may be insisted upon.
- XIII. Messages from places where there is no Telegraph Station should be addressed to the nearest Government Telegraph Office by Post registered, together with Telegraph Stamps sufficient for their payment, or, if Telegraph Stamps be not procurable, Such messages are charged at the day rate.
- Postage Stamps at the rate of seventeen annas per rupee, at whatever time they may reach the Telegraph Station.
- XIV. In the case of a message sent by Post to a Telegraph Station with an insufficient number of stamps, the message and stamps will be returned "bearing" to the sender, who should in all cases give his full address.
- Treatment of messages received by Post for transmission insufficiently stamped.

"Bearing" messages.

XV. With the following exception all charges for messages must be prepaid in cash or in stamps :—

Messages are sent "bearing" from sea-ports when received by mail steamers or other vessels for despatch, but no such message "prepaid" or "bearing" will be received for transmission until the name of the vessel has been made known. "Bearing" messages will not be delivered to the addressees until payment has been obtained.

XVI. Telegraph Masters are required to refuse to transmit a message which may be of a decidedly objectionable or alarming character. Should the character of the message be disputed, the matter may be referred to a Secretary to Government if the dispute occur at the seat of Government, or to the Chief Civil Officer if at a provincial station.

XVII. The charge for a message in ordinary English language between any two stations in India or Burmah will be one rupee for every ten words. A message can be sent from any Government Telegraph Station to any Railway Telegraph Station, or vice versa, at the same rate.

CHARGES.

Messages in ordinary language.

XVIII. The charge for a message in cipher, in words of concealed meaning, or in a foreign language, will be two rupees for every ten words. These messages are always repeated back by the Receiving Office to ensure the greatest possible accuracy.

XIX. Messages between any stations in Ceylon and Calcutta, or places west of Calcutta, are charged one rupee for 20 words or less, in addition to the Indian charge.

Messages to and from Ceylon.

Messages between Ceylon and places east of Calcutta are charged two rupees for 20 words or less, in addition to the Indian charge.

The local rates in Ceylon are one rupee for 20 words for any description of message between any two stations not exceeding 200 miles apart, with eight annas for every additional ten words. For distances greater than 200 miles, these charges are doubled. Double charges are levied on messages sent after hours or on holidays, the same as in India.

XX. A double charge will be levied upon all messages tendered for transmission between the hours of 6 P.M. and 6 A.M. (local time), also on Sundays and the following holidays :—Christmas Day, New Year's Day, Good Friday, and the Queen's Birthday.

XXI. In the address of a message (meaning thereby the stations from and to which a message is despatched, the name of the sender and the addressee, and the latter's address) three words will be reckoned as one word; the remainder is less than three words, being also counted as one.

XXII. Words joined by a hyphen are counted as so many separate words.

XXIII. Words separated by an apostrophe are counted as so many separate words.

XXIV. Proper names of towns and persons, names of places, streets, ships, titles, Christian names, prefixes and qualifications, are counted for the number of words employed to express them.

XXV. Every separate character, whether letter or figure, is counted as a word. The same applies to an underline.

XXVI. Signs which the instruments express by a single signal (signs of punctuation, hyphens, apostrophes, inverted commas, parenthesis, fresh paragraph) are not counted. But decimal points, commas, and bars of division, used with figures, are each counted as a figure.

* The words "from" and "to" prefixed to the names of sender and receiver, and sending and receiving station, in the address of a message, are not counted.

Signs used to separate groups in cipher messages are counted each as a figure or letter, unless the sender expressly desires that they be not transmitted.

XXVII. When numbers are expressed in figures in ordinary messages, each group of five or fewer figures is counted as a word; letters added to figures to form ordinal numbers are each counted as a figure.

Charges for figures.

XXVIII. In cipher messages, the parts in cipher must consist exclusively of Arabic figures or of letters of the alphabet, and be placed between parenthesis, separating them from the rest of the message. All the characters, figures, letters, or signs employed in the cipher text are added together, the total divided by five, and the quotient, plus one for the remainder, if there be any, gives the number of words the ciphers represent.

Method of counting cipher messages.

XXIX. All that the sender writes in his message to be transmitted is included in the cost, but in the address of a message, as defined in Rule XXI, three words will be charged as one word.

All words to be transmitted charged for.

XXX. The day, hour, and minute of receipt of a message into a Telegraph Office for despatch are in every instance added by the department, and telegraph free of charge. Senders may, however, date their messages if they think fit; but the sender's date, if given, will be charged for, and, to avoid confusion with that given by the department, will, if written at the beginning, be transferred to the end of the message.

XXXI. A message addressed to several persons, or to the same person in localities where delivery is to be effected by different offices, is charged for as so many separate messages.

Multiple messages charged as separate messages.

XXXII. A message addressed to several persons in one locality, or to the same person at several places of residence in one locality, with or without retransmission by Post, is charged for as a single message, but a copying fee of four annas, independently of postage, if any, is charged for each destination after the first.

Registration of messages.

XXXIII. The sender of any message has the power of registering it.

Charge for registration.

XXXIV. The charge for registering is equal to the charge for the message. A registered message is indicated by the word "recommandée," which, to ensure the greatest accuracy, is telegraphed both in the official instructions and as the first word of the text of the message. The former is sent free, the latter charged for.

XXXV. When a message is registered, the different stations employed in its transmission collate it as it passes by, repeating it to each other integrally, and the terminal station, immediately after the delivery of the message, despatches a telegram to the sender announcing the exact time at which it reached its destination. If the message cannot be delivered, the return telegram indicates the circumstances which prevented delivery, and, if possible, gives the information necessary to enable the sender to cause his message to reach its destination.

Treatment of registered messages.

despatches a telegram to the sender announcing the exact time at which it reached its destination. If the message cannot be delivered, the return telegram indicates the circumstances which prevented delivery, and, if possible, gives the information necessary to enable the sender to cause his message to reach its destination.

Priority of return message.

The return message can be sent to any station.

The words necessary to convey these instructions will be considered as part of the message and charged for accordingly.

XXXVIII. The sender of a message can prepay a reply. He must add the words "reply paid" or "answer paid." These must form the concluding words of the message and will be signalled and charged for. The sender can add to the words "reply paid" or "answer paid," the cost to which he wishes the reply to be limited on paying the corresponding amount. When the words "reply paid" alone or given without any specified amount, it will be understood that one rupee only has been prepaid. The terminal station pays to the receiver in Telegraph Stamps the amount prepaid, leaving it to him to send his answer how and when he pleases, or not to send one at all. The reply is considered in every respect as a fresh message.

Prepaid replies.

sender can add to the words "reply paid" or "answer paid," the cost to which he wishes the reply to be limited on paying the corresponding amount. When the words "reply paid" alone or given without any specified amount, it will be understood that one rupee only has been prepaid. The terminal station pays to the receiver in Telegraph Stamps the amount prepaid, leaving it to him to send his answer how and when he pleases, or not to send one at all. The reply is considered in every respect as a fresh message.

XXXIX. No unpaid messages, except those specified in the Departmental Regulations, shall on any account be transmitted. A violation of this rule will subject the Signaller or Telegraph Master in charge of the station from which a message is improperly sent to dismissal from the public service.

No unpaid message to be despatched under penalty.

XL. Peons will deliver messages free of charge at any place within five miles of a Telegraph Station. Beyond this distance messages will be sent by Post, or by such other means as the sender may arrange and pay for.

DELIVERY.

Free delivery within five miles of a Telegraph Station.

XXI. Any additional words that may be necessary to explain the delivery of a message when its destination is more than five miles beyond the nearest Telegraph Station, will be considered as part of the message and charged for accordingly.

Words necessary to explain delivery are charged for.

XLII. Should the addressee of a message leave the station to which it is addressed, and it be sent on by Telegraph to some other station, an additional charge of one rupee for every ten words of message in ordinary English language, and of two rupees for every ten words of message not in ordinary English language, must be paid by the addressee for every extra address before the telegram is delivered to him.

Charge for re-addressing a message.

XLIII. Messages can be addressed to places where there are no Telegraph Stations. In such cases, the sender must state from what Telegraph Station the message should be posted.

Messages addressed to non-telegraph stations.

Example:—To Kalka, "Post Umballa," or Kalka, "Post Kussowlie." To Gudduck, "Post Dharwar," or Gudduck, "Post Bellary." These extra words will be charged for, but no charge will be made for inland postage, the cost of which is defrayed by the Telegraph Administration.

If the sender of a message that has to be delivered by Inland Post wishes it to be sent to destination by registered Post, he must prepay the postal registration fee of four annas, and intimate that this has been done by placing the words "Post registered," instead of "Post," before the name of the Telegraph Station which is to post the message. These words will be charged for.

XLIV. Service messages from all public functionaries must be paid* for in cash or in stamps prior to despatch: the rates are the same for service messages as those charged to private individuals.

Charges on service messages.

XLV. Service messages have no right of precedence and take their turn of despatch with private messages, except in cases of pressing public emergency and importance, when priority may be claimed on special grounds.

Service messages take their turn for despatch with private messages.

XLVI. On certain emergent occasions of great importance, the public functionaries named below have the power of "clearing the line," that is, to suspend the receipt and despatch of all other messages, until the one for which the line is "cleared" is passed on:—

"Clear the line" messages.

- (1) The Governor-General of India.
- (2) The Governors of Madras, Bombay and Ceylon.
- (3) Commanders-in-Chief, India, Madras and Bombay.
- (4) Lieutenant-Governors of Bengal, North-Western Provinces and the Punjab.
- (5) Secretaries to the Government of India.
- (6) Secretaries to the Governments of Madras, Bombay, Bengal, North-Western Provinces and Punjab.
- (7) Chief Commissioners of Oudh, the Central Provinces, British Burmah, Mysore and Coorg.
- (8) Agents to the Governor-General, Rajpootana and Central India.
- (9) Commissioners of Sindh and Peshawar.
- (10) Director-Generals of Telegraphs in India.
- (11) The Resident at Hyderabad (Deccan).

The messages so sent are, however, to be paid for in cash or in stamps as other service messages.

* No. XLIV.—The only exceptions to this rule are enumerated in special printed instructions issued to each Office.

XLVII. No refund will be made for a message delivered wholly or partially in an unintelligible state (or for late delivery, mis-delivery, or non-delivery of a message) unless it be registered (*recommandée*). Applications for refunds, as also all complaints respecting messages, should be addressed to the Telegraph Check Office, Calcutta.

REFUNDS.
Under no circumstance is a refund given for a non-registered message.

XLVIII. If a registered message be delayed or mutilated to such an extent as to be manifestly unable to fulfil its object, the whole charge made for it will be returned to the sender.

XLIX. If the sender of a message wishes to cancel it before transmission has commenced he can do so; but the charges upon it will not be returned when once the stamps are obliterated. If the message is in course of transmission, or has already been despatched, it can only be cancelled by a paid message from the sender to the Telegraph Master of the terminal station. If in addition the sender wishes to be informed by Telegraph in what manner his request has been acted upon, he must deposit the cost of the return telegram.

L. To secure secrecy as much as possible, all persons, including officers of the department not actually on duty, strictly prohibited from entering the signal-room. Breach of the regulation renders an offender liable to a fine of one hundred rupees under Act VIII of 1860.

LI. Violation of secrecy on the part of any person in the department will be punished by dismissal from office, forfeiture of arrears of pay, and a declaration in the official Gazette of the incapacity of the delinquent to serve the Government in any capacity. Breach of this rule renders the offender liable to the further punishment of fine, or to imprisonment with or without labor not exceeding two years, or to both. It is a violation of secrecy to mention the fact that a message has been received or despatched by any particular person or firm.

LII. The sender and receiver have a right to be furnished with certified true copies of the messages sent or received by them: a fixed charge of four annas is made for every copy furnished.

As no Telegraph Office keeps copies of messages longer than three days, application for copies required after that time has elapsed should be made to the Telegraph Check Office, Calcutta.

Applications for copies must be made within 18 months of the date of the message. At the expiration of that period all message drafts are destroyed.

On anna must be enclosed for postage of the reply, failing which it will be sent "bearing."

Messages in a foreign language, which must be written in the Roman character, are treated in the same manner as the Code Messages. The number of words in the text of the message and in the address are added together and the total charged at the rate of two rupees for ten words (Rule XVIII.)

The only point requiring explanation is the action of Rule XXIII, by which words separated by an apostrophe, such as d'Argent, d'Escompte, l'Avenir, &c., are counted as two words. This rule should be borne in mind in writing foreign words.

English nouns in the possessive case, in which an apostrophe is employed, such as brother's, General's, Charles', &c., are not chargeable as two words on that account.

It should be distinctly understood that it is not compulsory on the addressee to send a reply. The duty of the Telegraph Department consists simply in paying to him the amount deposited, leaving him at liberty to do what he pleases with it. Should it be impossible to effect delivery of a message, the terminal station sends a telegram to that effect to the sender, and this telegram takes the place of the return message for which a reply has been prepaid.

The Rules which regulate the despatch of Indo-European messages differ in several small particulars from these now published, which apply to Inland and Ceylon messages only.

The most important difference is that in Indo-European telegrams every word is counted and charged for in the usual way, whether in the address or in the body of a message, the name of the original Telegraph Station only being transmitted free.

No. 48.—On a Regiment marching into a Station, the Quartermaster or other Commissioned Officer deputed to receive the authorized articles of Barrack and Hospital furniture from the Barrack Department, is invariably to record in

writing any observations he may desire to offer regarding the condition, &c., of the articles made over to the Corps or Battery. These remarks, countersigned by the Commanding Officer, with such others as he may feel inclined to record, are to be forwarded, through the regular channel, to the Quartermaster General, Army Head Quarters.

ROYAL ARTILLERY—INSPECTIONS—DRILL.

No. 61.—The annexed letter from the Inspector, Royal Artillery, Northern Division, dated 11th March 1870, relating to a recent accident at a field day, by which a Gunner of the Royal Horse Artillery was killed, together with Sir William Mansfield's remarks thereon, is published for general information :—

"As the battery of Horse Artillery, to which the enclosed paragraph alludes, has only recently left my division, I wish to report, for the information of His Excellency the Commander-in-Chief, that it has been my constant practice, at every Inspection I have held, to condemn as strongly as possible the very reckless pace so often customary in the batteries of Horse Artillery in this country.

"I can see no advantage whatever in this very rapid system of moving; it endangers the lives and limbs of the men, and it is destructive to the horses and matériel of the battery.

"As a means of instruction, it is, I consider, the very reverse of useful, coolness, steadiness, and that quiet but prompt deliberation which should be the characteristics of good Gunners, are lost in it; whips and spurs are put in motion, and loud shouting, noise and confusion, with a hurried scrambling coming into action at the end, are its only results.

"Practically it is wrong, for if the ground is at all broken or full of holes, instead of opening fire with the guns complete, it is more than probable that one or more are disabled before the position for coming into action is reached.

"In the quietest drill of a battery of Horse Artillery there is always galloping enough in the formation into line from column when the battery is moving at a trot.

"I trust His Excellency the Commander-in-Chief will not think I go beyond the strict line of my duty in noticing the subject and writing this letter."

Extract.

"A serious accident is reported to have occurred at Morar, on the morning of the 17th February last, during a field day at that station, by which a Gunner of B Battery, F Brigade, Royal Horse Artillery, was killed on the spot, and several men and horses of No. 5 Gun left half battery, more or less injured. On getting on to the broad road, the detachment somehow fell into confusion, and a horse of one of the mounted gunners came down on its side. Two of the guns going at full speed passed over the fallen men and his charger, some of the Artillery horses being thrown down by the collision. The poor fellow was killed almost instantaneously, and several others were much hurt."

Remarks by His Excellency Sir William Mansfield.

"This may be published in General Orders for the guidance of Officers in command of brigades and batteries of Artillery.

"I quite concur in Major-General Fitzmayer's views.

CLOTHING AND NECESSARIES—DISCHARGES—PRISONERS.

No. 66.—In order to prevent the possibility of prisoners, proceeding to England for discharge with ignominy, making away with their kits on the march to Bombay, Commanding Officers will cause the kit of each man to be tied up in bundles, and given over to the guard in charge of the men, with a list of the same, which must be signed by the Officer or Non-Commissioned Officer in charge.

The prisoners are on no account to have access to their bundles, either on the march, or on board-ship, but when any article of kit is required to be re-placed, it will be issued to the men, and that for which it is exchanged is to be resumed.

On arrival in England, the kits should be handed over to the authorities who receive charge of the prisoners.

PASSAGES—ROYAL ENGINEERS.

* G. O., No. 267 of 1869.

No. 71.—The following decision by the Government of India in the Military Department, No. 1056, dated 22nd March 1870, addressed to the Government, Fort Saint George, is published for information :—

"I am directed to acknowledge your letter No. 2205, dated 11th June 1869, referring the question, whether Engineer Officers of the Imperial list who came to India under the conditions of the Royal Engineer General Corps Order of the 1st July 1862, No. 462, are, on the completion of seven years' Indian service, entitled to a passage to England under the Royal Passage Warrant of 1865.

"2. In reply, I am to acquaint you that Royal Engineer Officers, who came to India under the provisions of the order referred to, are allowed the option of returning to England on the expiration of their tour of service in this country. Such Officers when electing to return to England on completing the prescribed tour of duty, virtually vacate their appointments, and on so doing are entitled to a passage under the provisions of the Royal Passage Warrant of 1865."

" " 31 of 1867.

Copy of a letter from the Military Department, Government of India, to the Military Department, Bombay, No. 881, dated 18th March 1870.

"I am directed to acknowledge the receipt of your letter No. 1098, dated 6th March 1869, conveying the recommendation of the Government of Bombay that soldiers and their families who are debarred from drawing bedding on the 1st October, owing to their being under orders for England, shall be allowed compensation in lieu, if they are detained in India for any considerable time before embarking.

"2. In reply, I am to acquaint you, for the information of the Government of Bombay, that the Right Honorable the Governor-General in Council has been pleased to decide that in all cases where the detention is for less than three months, no compensation is admissible; that when the period exceeds three but is less than six months, one-fourth value of the annual bedding shall be granted, and half value when the period exceeds six months.

"3. The annual value of the bedding, I am to state, should be calculated not on the issue of the particular year in which the compensation is given, but on the average cost of the three years' issue, as shown in the annexed statement.

"4. In the case of invalids, however, it should, His Excellency in Council is of opinion, be left to the discretion of Commanding Officers to apply for compensation or for the issue of the quilt, as may appear most advisable for the health of the men, with reference to the state of the bedding in their possession at the time."

The posting of these Non-commissioned Officers will be made at Head Quarters in India, and as far as possible, in accordance with the wishes of the Non-commissioned Officers, which should be recorded.

IV. Non-commissioned Officers volunteering under Rule II, will retain their rank and pay

V. Non-commissioned Officers volunteering under Rule III, will be allowed to retain their rank, but it must be understood that they will revert to the pay of a Private until vacancies occur in the establishment of the regiments to which they are posted. Field Officers of British regiments are to be appointed to superintend the volunteering, and Medical Boards convened for the examination of the Volunteers under the orders of the General Officer commanding the Meerut Division. Neither the Field Officers nor the Presidents of the Boards will belong to the regiments concerned.

The Commander-in-Chief will hold them personally responsible for any neglect of this instruction. (*Vide* G. O. C. C., 13th September 1865, (h) page 206, S. O.) A careful inspection of the Defaulters' Book must be made, with reference to para. 8 of G. G. O., No. 695 of 1863, and the preference given to the best conducted men.

8. Officers commanding Divisions and Districts in which detachments, or individuals, not being invalids of the 88th and 103rd Regiments, may be quartered, will, if necessary, immediately on receipt of this order, arrange for the volunteering of such men, in conformity to the above instructions, which do not however, relate to men on the Unattached List, for whose volunteering special instructions are given in para. 15. The volunteering at out-stations, Delhi excepted, will be permitted without a restriction as to the number that may be received by any particular corps. The names of the Field Officers who superintend the volunteering at each station will be given in this Report.

11. G. G. O., No. 496 of 1864, (i) page 115, S. O., and G. O., No. 244 (j) of 1868, will be carefully explained to all men on volunteering, and Commanding Officers of Regiments receiving Volunteer, will see that they are carried into effect.

12. Volunteers will be struck off the rolls of the Regiment from the end of the month in which the volunteering takes place, or in the case of Non-Commissioned Officers whose posting is made at Head Quarters, from the end of the month in which the posting is received.

The transfer documents of Volunteers will be prepared and sent by post to the Regiments into which the men have volunteered, in accordance with the Queen's Regulations, para. 445, with the exception of the Company Defaulter Sheets, which will accompany the men. The Commanding Officer will further report to the Adjutant-General the date on which these documents have been forwarded to the several corps.

Officers Commanding Regiments receiving Volunteers will, immediately on receipt of those documents, similarly report whether they are in all respects satisfactory or otherwise.

14. Bounty, as also gratuity in the case of Volunteers for Highland Regiments, who must be natives of North Britain, will be paid to the men on joining their new Regiments.

15. Commanding Officers of Regiments giving Volunteers will, without loss of time, place themselves in communication with Departmental Officers under whom any of the men of their Regiments on the Unattached List may be serving, in view to the decisions of those men being recorded for remaining in India on the conditions specified in para. 14 of G. MADRAS EQUITABLE ASSURANCE SOCIETY,

SUCCESSOR TO THE MADRAS LAUDABLE SOCIETY, ESTABLISHED IN 1829.

Regulated by Act No. VI of 1869, of the Legislative Council of Fort Saint George.
Head Office in Madras and no Branches.

BOARD OF DIRECTORS.

THE HON'BLE W. R. ARBUTHNOT, (ARBUTHNOT AND CO.) CHAIRMAN.
W. SCOTT, Esq. (Binny & Co.) | A. F. BROWN, Esq. (Parry & Co.)
H. G. PRICHARD, Esq. (Govt. Solicitor.) | R. C. WALKER, Esq. (C. Shand & Co.)

Acting Medical Examiner.

W. H. HARRIS, Esq., M. D.

Secretaries and Treasurers.

MESSRS. ARBUTHNOT AND CO.

The chief characteristics of this Society are:—

Mutual Assurance.

Policies for terms of years issued at reduced rates without participation in Surpluses.

Premiums payable half yearly, on 1st January and 1st July.

Claims paid immediately after satisfactory proof of death. Announcement of death in the Fort Saint George Gazette, sufficient in the case of the members of the Civil and Military Services.

This Society being founded on the sound principle of Mutual Assurance, divides all its Surpluses, or so much thereof as the Directors deem expedient, amongst the members, or Life Policy-holders, by deductions from premiums, and does not work for the benefit of a separate Proprietary body.

The members of the Society consist of all persons who hold Policies of Assurance upon their own lives, or upon the lives of others, for the duration of life.

The Directors of the Society must be residents at Madras, and are elected by the members.

The Society's funds can be invested only in Securities of the Government of India, or in Securities, the interest of which is guaranteed by the Government of India, or by the Secretary of State for India in Council.

All Investments are made in the joint names of three of the Directors of the Society.

Annual General Meetings of the Members of the Society are held at Madras not later than the last day of the month of March in every year.

An Annual Audit is made of the accounts of the Society, and the reports of the Auditors submitted at the Annual General Meetings.

Quinquennial valuations, by a London Actuary, of all the Assets and Liabilities of the Society.

Attention is specially drawn to the fact that new Assurances for the whole term of life effected previously to the 31st December 1870. will be entitled to participate in the surplus funds found to exist on that date, rateably with the aggregate of the premiums paid during any portion of the quinquennium then ended. Persons intending to assure for life should therefore take out policies without delay.

The returns made to the Policy-holders from the formation of the Society in January 1842 up to June 1869 inclusive, (in addition to the accumulation of a considerable reserve,) have averaged 47 per cent. upon the premiums paid half yearly.

The past experience of the Society leads the Directors to anticipate that the retention of the "Mutual" principle and the quinquennial distributions of surpluses, will bring down the cost of Assurance in this office for life to the lowest possible point.

The Medical Examiner sees applicants for assurance, at his residence, Nungumbaukum, adjoining the Observatory, on Wednesdays, between the hours of 11 and 12 A. M., and on Saturdays at 4 P. M.

BILLIARD TABLES.

C. LAZARUS & CO., as Manufacturers, invite particular attention to their large stock of full-sized Billiard Tables, the cushions of which are constructed on an entirely new principle, similar to those supplied by C. L. & Co., and now in use at the Bengal Club, and in various other Clubs of the three Presidencies.

THE ALEXANDRA BILLIARD TABLE.

C. LAZARUS & CO. beg to state that, with a view to secure for India one of the latest Home Novelties, they have made up a number of the new "Alexandra" Billiard Tables, so commonly patronised in Fashionable Circles at this time in England.

The "Alexandra" Table, or that which has received the distinguishing epithet of the "Ladies' Table," and most in favor with the fair sex, is, in every respect, adapted to develop the fullest resources of the Game. The size of these Tables is six feet by three. The height is so regulated and the cues and other requisites are specially arranged, as to admit of easy and graceful manipulation by a Lady. Whilst the exclusiveness that has hitherto attended the play of Billiards, on the full-sized Table, is obviated, the interest and excitement of the game is not in any way diminished by the introduction of the new Board, as the latter is susceptible of all the fertile resources of art to which the skilful player resorts. From these considerations, the "Alexandra Table" has secured a large measure of favor with the Ladies of India, and has become as permanent a favorite within their domestic circles as it is in the first families of the British Aristocracy.

IMPORTANT TO MESSES AND BILLIARD CLUBS.

Throughout India, China, Burmah, Ceylon and the Straits.

Consequent on the numerous applications that C. LAZARUS & CO. have lately had from parties residing at a distance from Calcutta, to have their Billiard Tables re-cushioned on C. L. and Co.'s new principle, and as sending the Tables to Calcutta for that purpose is attended with great delay, occasioning much inconvenience, C. L. and Co. have been induced to keep a stock of cushions on their new principle always on hand, which can be fitted to any Table, the accurate length and width of the Slate Red only being required.

Messes and Clubs can, by thus securing a spare set of cushions, ensure the constant use of the Table, a desideratum C. L. and Co. are satisfied they will not be slow to appreciate, as the inconvenience hitherto felt by the Table being unavailable for play during such time as the old cushions are under repair, has been admittedly very great.

New Cushions fitted to old Tables on the new principle.
