COVENANTED SERVANTS—2D CLASS.

LIST OF HER MAJESTY'S COVENANTED CIVIL SERVANTS ON THE MADRAS ESTABLISHMENT,

Corrected up to the 31st December 1870.

The Rank of Civil Servants commences from the date of arrival at Madras of the first Civil Servant appointed in Europe, of the same season of which they are Civil Servants; and, being thus determined, all Civil Servants belong, during the first four years, to Class VI;—from the fifth to the end of the eighth year, to Class V;—from the ninth to the end of the twelfth year, to Class IV;—from the thirteenth to the end of the twentieth year, to Class III;—from the twenty-first to the end of the thirty-fifth year, to Class II;—and from and after the thirty-fifth year, to Class I.

The letters **A, B, C**, prefixed to the names denote respectively that the parties have not passed either of the two Standards of Qualification; that the first or lower Standard has been passed; that the Servant cannot take Special leave.

**M** prefixed to a name denotes that the Servant though not having passed by the 2nd Standard, nor holding an appointment superior to that of Assistant is invested permanently with the full powers of a Magistrate.

Column 2, Capitals distinguish high proficiency. Small Roman letters show that the languages were studied in England by Civilians under the new system. Italic Capitals denote that the Civilian has passed the Honors Test under the Rules of 1868.

Column 7, Italics show "Dies interit." 1. Resolutions, 5th Nov. and 21st Dec. 1868, Nos. 3,477 and 3,727, Financial. Roman Capitals show Special Leave. Antique letters indicate a year of Sick Leave taken under rules in force before 1st July 1868, with reference to G. I. Res. 18th Feb. 1869, No. 1,092, Financial.

Column 8, The Actual Service done is calculated in accordance with Section I, and is the period of Residence qualifying for Pension under Section XVI, of the Rules of 1868.

The European Officers now attached to the Guard, in excess of the future Establishment, will retain their present position and pay until absorbed or otherwise provided for.

It is the desire of the Governor-General in Council that the Viceroy's Body Guard shall be composed of men of long and honorable service, who have distinguished themselves in the field and otherwise.

In order to give effect to this decision, Officers Commanding Regiments of Native Cavalry in all three Presidencies will, with the permission of the Governments of Fort St. George and Bombay and the Commander-in-Chief in India, forward to the Military Secretary to the Viceroy, Quarterly Returns and Descriptive Rolls of any Soldiers under their command who may desire to transfer their services to the Body Guard.

Horses, arms, clothing, and equipments will be supplied by the State, and the troopers will, if they have served upwards of ten years in the Army, receive Rupees 15 per mensem, and, if below ten years, Rupees 12 per mensem, in addition to good conduct pay, and pension on discharge on the terms and at the rates issued to the Sowars of the Bengal Cavalry.

Men transferred to the Body Guard from Regiments of Native Cavalry on the Sillidar system, will receive back the full Chunda Fund Subscriptions, &c., from their former regiments as on discharge.

The medical charge of the Body Guard will devolve on the Surgeon to the Viceroy; and, during his absence, this duty will be assigned as an additional charge to a Medical Officer at the Presidency.

The reduction in the grades of Native Commissioned and Non-Commissioned Officers and men will be carried into effect under instructions, which will be conveyed to the Officer Commanding.

#### ALLOWANCES—GENERAL OFFICERS OF DIVISIONAL STAFF.

No. 1,030 of 1870.—With the sanction of the Right Honorable the Secretary of State for India, the Right Honorable the Governor-General in Council is pleased to lay down, in supersession of all previous orders on the subject, the following rules for determining the date from which General Officers appointed to the Divisional Staff are entitled to draw the allowances; it being clearly understood that under no circumstances is the aggregate sum allowed for the established number of divisional commands to be exceeded:—

2. A General Officer who may be in India when appointed permanently to a full vacancy in the Divisional Staff of any Presidency, will draw the full consolidated allowance from the date of the General Order gazetted the appointment.

3. A General Officer appointed in England to the Divisional Staff in India will draw the full consolidated allowance from the date of arrival in India, if the command to which he may be originally or subsequently nominated is permanently vacant on his arrival.

4. Subject to the above rule, a General Officer prospectively appointed either in England or in India to the Divisional Staff, will commence to draw the full consolidated allowance from the date on which his predecessor ceases to receive it.

5. A divisional command is considered permanently vacant under the following circumstances:—

1st.—When the General Officer holding the command completes his regulated tour of service and is not specially ordered to retain the command, it is vacant from the date on which the tour is completed.

2nd.—When the Major-General holding the command is promoted to the rank of Lieutenant General, it is vacant from the date on which the order for such promotion is received at divisional head-quarters.

3rd.—In the event of the Major-General being removed from his command, it is vacant from the date of the receipt of the official order at divisional head-quarters.

4th.—When the Major-General having already had during the period of his command six months' leave of absence, takes further leave of any kind, other than privilege leave, it becomes vacant from the date of his making over the command of the division consequent on such leave, whether it be preparatory or other, although he may not have completed the five years' tenure of his command.

6. In all such cases the command of the vacant division will, unless other special arrangements are ordered, be exercised by the Senior Officer serving in the division, who will retain the command of his brigade, if holding one. His extra allowances for such command will be regulated by the amount available, but he will draw nothing additional from the date on which the General Officer appointed to succeed permanently to the vacancy, comes into the allowances under the foregoing rules.

7. In the event of a divisional command being temporarily vacant, consequent on the absence on leave or other duty of the permanent incumbent, an officer will be nominated to the command. If the officer thus nominated is in the exercise of a brigade command he will relinquish, but will retain a lien on half the staff allowance, and will draw the available half staff allowance for the divisional command.

8. He will enter upon the allowances from the date of assuming command in the division, and will cease to draw them when relieved by the return of the permanent incumbent, or by the appointment of a permanent successor.

9. Should an officer be specially nominated to the temporary command of a permanently vacant division, he will be subject to the same rules, but will be entitled to the full consolidated allowance while actually exercising the command.

HEAD BARRACK DEPARTMENT, CHAPTER XXI.

### Section VIII—Establishments for Troops.

Para. 2. "Committees, to settle the requirements in punkah establishments for the ensuing year, are to assemble annually, a few days before the establishments are discharged, and while the punkahs are hanging. A report in Form No. 165 is required for each set of lines, in duplicate. They will be submitted by the Quarter Master General for the sanction of Government.

3. The Committees are to base their recommendations for punkaha, upon existing arrangements, and not on any modification which they may suggest."

5. "On sanction being conveyed, Officers Commanding Regiments and Detachments must be furnished with an abstract of the Committee's Report on the punkah requirements of the buildings in the lines occupied by the troops under their command, and it should be fully impressed on them, that where, owing to reductions in strength &c., they can dispense with any of the Punkah Coolies, they are to employ only the actual number required, and that on no account are they to exceed the recommendations of the Committee, either in the matter of numbers, or in the rates of pay, without due authority.

6 When any excess is required, the Standing Barrack Committee should be assembled to enquire into the Commanding Officer's representations, and, if approved, no time should be lost in submitting, in duplicate, to the Quarter Master General, for the sanction of Government, a revised report, in the proper form, fully explaining the reason why the increase is considered necessary.

### Soldiers' Workshops.

7. Punkah-pullers are not allowed to be paid by Government for Soldiers' Workshops.

8. Coolies for pulling punkahs and watering tatties of Churches and Roman Catholic and Presbyterian Chapels will be supplied from the Regimental Establishments, whether they are the property of Government or not, arrangements being made between the station and Regimental authorities for detailing the requisite number from each Regiment or Troop when the Soldiers are ordered to attend Service.

Quarter Masters' Offices.

9. Regimental Quarter Masters' Offices are not to have punkahs pulled at the public expense.

Canteens.

10. The cost of punkabs and establishments for pulling them, in Canteens, is to be borne by Canteen Funds.

### Staff Sergeants.

11. Staff Serjeants with Native Corps, or on detached Departmental employ, are not entitled to Punkah Coolies.

13. "At stations where moveable column bearers are kept up, they will be employed in pulling punkahs, in proportions fixed by the Military Accounts Branch.

Date of entertainment, &amp;c.

19. "The date of entertainment and discharge of Establishment for pulling punkahs and watering tattiees, should be notified in Station Order."

## GENERAL ORDERS BY GOVERNMENT.

## FURLOUGH RULES—LEAVE—PENSION.

G. O. G., No. 335 of 13th December 1870.—The following General Orders by the Government of India, are re-published :—

Fort William, 2nd December 1870, No. 1,118.—The following Military letter from the Right Hon'ble the Secretary of State for India, dated India Office; London, 26th October 1870, No. 264; to His Excellency the Right Hon'ble the Governor-General of India in Council, is published for general information :—

I have considered your letter, No. 154, dated 10th June 1870, forwarding an application from Lieutenant-Colonel \* \* \* Bengal Infantry, which raises the question whether an Officer who, up to his election of the Furlough Rules of 1868, had abided by those of 1796, can claim the benefit of Clause 23 of the Rules of 1868, which allows a certain proportion of leave to count as service for pension.

2.—The Clause in question certainly speaks of retaining a privilege heretofore granted, and Officers under the Rules of 1796 had not the privilege referred to, but it was intended to lay down a general principle applicable to all Officers accepting the new rules, as is shown by the Subsidiary Rule, Section 34, page 3, Lieutenant-Colonel \* \* \* therefore (who has, I observe, elected the 1868 Rules) will, on completing an "aggregate service" of 20 years, computed according to the method which has been

adopted\* for counting service partly under one set of rules and partly under another, be entitled to count two years of leave taken since July 1868 as service for pension.

*Extract from a Military letter from the Right Hon'ble the Secretary of State for India, No. 276, dated the 15th of December 1866, paragraphs 3 and 4.*

Para. 3.—Brevet Major \* \* \*, of the Madras Cavalry, in reply to an enquiry, has been informed that, should he join the Staff Corps under the recent despatch of the 8th August, he will not be required to give up any portion of his present furlough, unless his services are urgently required in India, and that he will be allowed to draw pay for the full period of such furlough. Should he take the full period of three years' furlough granted him, he will of course be only entitled to a further furlough hereafter, with pay of one year.

4. On joining the Staff Corps, and becoming subject to the new Furlough Rules, he carries with him into the Corps so much service for pension as he is entitled to count under the old rules, i. e., all the time he has actually passed in India, or within Indian limits. This period, added to the time he may serve in the Staff Corps, will be his "aggregate service," and he will be entitled to count as service for pension a portion of such of this time as may have passed on leave subsequent to joining the Corps, agreeably to the scale laid down in the new Furlough Rules.

## LEAVE—GENERAL OFFICERS—DIVISIONAL COMMAND.

No. 1,127 of 1870.—In modification of G. G. O., No. 1080\* of 1870, and in order to prevent any misapprehension, it is hereby notified that Clause 4, paragraph 5 of that Order, which lays down the circumstances under which a Divisional Command is considered vacant, is not intended to refer to leave taken by a General Officer in India under the ordinary rules of the service, but only to the leave out of India or in India, preparatory to such leave when in excess of the periods laid down in G. G. O., No. 952† of 1861.

## OFFICERS' INDIAN ARMY CONSOLIDATED PAY.

Fort William, 8th December 1870, No. 1,137.—The Right Hon'ble the Governor-General in Council is pleased to extend to Officers of Her Majesty's Indian Army, who do not belong to the Staff Corps, the provisions of Clause 2 of G. G. O., No. 1,168,§ dated 10th December 1868, by which, in any exceptional case when the consolidated pay of an Officer in Civil or Staff employ of any description is less than his substantive Military pay, the difference will be paid to him and treated as a Military charge.

## SOLDIERS' DISCHARGE DOCUMENTS—INSTRUCTIONS.

G. O. C. C., No. 118 of 24th October 1870.—The following General Orders by His Excellency the Commander-in-Chief in India is re-published :—

Simla, 10th September 1870.—The Commander-in-Chief has directed the publication of the following instructions regarding the discharge and the preparation of the discharge documents of soldiers of the British Forces. A copy will be placed before all Discharge Boards.

2. A Schedule, drawn up for the sake of convenience in the form of "Nominal Return" is attached ; it prescribes the documents to be prepared for each man and for each party proceeding to the ports of embarkation, and the foot-notes indicate what papers are to be forwarded to the Adjutant-General's Office\* at Simla† and the Regimental Depôt. The instructions are intended to assist Commanding Officers in complying with the Regulations and to draw attention to the matters in which experience has shown that mistakes most frequently occur.

3. A Discharge Depôt has been formed at Chichester for the purpose of carrying out, with the least possible delay, the discharge of men (with the exception of invalids, who go to Netley,) arriving from abroad ; and it is of the utmost importance that men should arrive with their documents in such a state as to effect the object for which this depôt was established.

4. The following section and paragraphs of the Queen's Regulations are to be carefully consulted and followed, excepting in such matters as are specially provided for by local orders :—

Queen's Regulations, paras. 445, ‡511, 517, 1324, ‡1408, 1510 and 1511 ; and section 28.

The War Office Forms named are invariably to be used unless they have not been introduced, and are consequently not procurable. In the latter case a note to this effect must be made on the return sent. No return is to be made out on less than a half-sheet of foolscap.

5. The embarkation of all soldiers for discharge out of India is effected between the 15th October and the 15th March, and no soldier is to be despatched from his regiment unless he can reach the port of embarkation by the latter date.

6. All men (not recommended for the long sea route) whose destination is the United Kingdom, and who are entitled to a passage at the public expense, will be sent to Bombay for embarkation under instructions from the Quartermaster-General.

7. All Invalids recommended for the long sea route will be sent to Chinsurah¶ under instructions from the Quartermaster-General.

\* In forwarding to Head Quarters, for confirmation, the Discharge documents of men who have proceeded to Chinsurah, the fact of their having left the regiment should be stated, that their parchment Certificates may be sent accordingly.

¶ Poornamallee.

8. All men proceeding to the Colonies, or who have to pay their own passages, will be sent to Chinsurah\* Depôt after direct communication with the General Officer commanding the Presidency District in regard to their passages.†

9. All soldiers, not being convicts in irons, who have been sentenced to undergo a term of imprisonment and on the expiry thereof to be discharged with ignominy, are to be sent to England by the overland service.

Insanes and military convicts in irons are not permitted to embark in Her Majesty's Indian Troopships, but will be sent via Calcutta,‡ to England by long sea route. The kits of insanes will be sent to the Commandant of the Chinsurah‡ Depôt. These kits will be available for the use of the men when embarked for England. Lists of kits forwarded will accompany the other discharge documents, (see G. O., 244 of 1869.) Madras G. O. C. C., 5th October 1869.

10. All men for embarkation for England, whose period of service will be completed before the 15th March in each year, may be forwarded to Bombay, and may be embarked for England before their term of service has actually expired; but if proceeding to the Colonies, they must complete their term in this country, their final discharge being effected before they leave India at the Chinsurah\* Depôt.

11. In the same manner men who will become eligible for a free discharge before the 15th March, the requisite authority for discharge having been obtained, may, if necessary, be embarked from Bombay for England before the time entitling them to a free discharge is actually completed, but as a rule such term should have expired before embarkation, as the loss of a good conduct badge may cause them to forfeit their title at the last moment.

12. The importance of submitting the applications for authority for discharge at a sufficiently early period, is apparent from the foregoing instructions, and it will be seen that in the case of men who will become eligible for free discharge at a late period of the season, the prospective authority is necessarily conditional on the soldier conducting himself properly, and thus fulfilling the conditions of discharge. Commanding Officers of regiments and depôts are authorized to detain men who, by the loss of a badge or by not obtaining one, are ineligible for free discharge which has been sanctioned. In such cases a report will be made to Head Quarters in order that the authority may be cancelled.

13. Again, in the case of discharges by purchase if the application is not submitted in proper time, the men may be detained another season in India, as it may be too late to admit of the men reaching the port of embarkation before the 15th March. (See G. O., 215 of 1868.) Madras G. O. C. C., 15th July 1868, page 170.

14. Regimental Discharge Boards will be assembled at such times as may be most convenient, but in cases where authority is necessary, such authority must have been previously received.

15. All claims of men for discharge must be investigated, and, if possible, settled before the men leave their regiments. If settlement is impracticable, the fullest particulars of the case must be transmitted with them, and reference made to the proper quarter. No claims can be entertained at the embarkation depôts, unless they have been previously preferred at the Head Quarters of regiments, or have arisen after departure from the regiments.

16. The discharge documents, with the exception of the Company Defaulter Sheets, Medical History Sheets, Ledger Sheet (W. O. F., 338) and No. 1 Report (Bengal Form No. 40,) of men proceeding to

\* Poonamallee.

† The object of the reference is to provide against men whose service must expire before they are embarked or for whom passages cannot be readily found, being detained at the depôt for unnecessarily long periods.

‡ Madras,

the ports of embarkation will be despatched by post and packed in wax cloth,\* to the depôt direct from the regiment on or before the day of departure of the party, and addressed to the Commandant or Paymaster as indicated in the schedule. The only exception to this rule is when the corps is stationed so near the depôt in point of time, that there is no probability of the packets by post being delivered before the arrival of the party itself, and in this case the papers will be sent in charge of the Officer Commanding the party. The No. 1 Report, as above, Ledger Sheet, Company Defaulter Sheets and Medical History Sheets will invariably accompany the men and be handed to the officers in military and medical charge respectively.

17. In the case of men at Convalescent depôts any documents requiring the soldier's signature will be forwarded by the Regiment for the same, and will be returned to the Regiment for despatch to the embarkation depôt, so soon as a report is received of the soldier's departure to the port of embarkation.

18. Each packet containing documents sent by post is to be registered and a list of enclosures put up in the packet. †

19. The list above referred to is to record the documents in the same order in which they are placed in the accompanying schedule, and the documents of each man are to be attached together in the upper left hand corner by a loop of silk or strong thread, and folded lengthwise, the board's proceedings being the inner document in the series and not outside the others.

20. The officer commanding the party will be furnished with a list in duplicate of the documents he has in possession (see para. 16.) These lists will be receipted by the officer commanding the depôt. One copy to be given to the officer who commanded the party, and the other sent to the corps for record.

21. Officers proceeding in charge of parties are to be instructed that the non-effective accounts of men who die en-route to the depôt are to be handed to the Paymaster of the depôt on arrival and not forwarded to the Paymaster of the corps.

22. The Commandants of depôts, whether at the ports of embarkation, or elsewhere, are empowered to address themselves direct to Commanding Officers, and His Excellency desires that all communications from these officers, concerning the discharge documents or matters connected with them, may be regarded in the light of instructions transmitted by Staff Officers. The Commander-in-Chief further desires to impress upon Commanding Officers the necessity of paying prompt and strict attention to all such communications, as the greatest inconvenience and delay must arise from any neglect in this respect.

23. Officers commanding embarkation depôts will forward, without fail on the day after the troopship sails, to Commanding Officers of regiments and batteries a report of the embarkation, not only of detachments but of individuals (including prisoners, see Circular 87 of 1869.)—Madras Circular, 3,924 of 9th November 1869, accompanied by a nominal list, with regimental numbers attached, of the men referred to.

24. Commanding Officers will, on receipt of the above reports, correct the rolls of their corps and send the requisite advices home, in continuation of the returns previously transmitted to England (see G. O., 39 of 1869 and G. O., 171 of 1870)—Madras G. O. C. C., No. 34 of 1869 and 24th August 1870.)

\* To be sent with the officers proceeding in charge of the Party in the Madras Presidency.

† This list when compared and checked with the documents received will be returned to the corps duly receipted by the officer commanding the depôt.

## GENERAL ORDERS BY COMMANDER-IN-CHIEF.

## NON-COMMISSIONED OFFICERS—PROMOTION, SOLDIERS—SCHOOLS.

No. 278.—With reference to para. 460, Queen's Regulations, the Right Honorable the Commander-in-Chief considers it very desirable, that Non-Commissioned Officers of British regiments should be in possession of school certificates, and His Lordship desires that Commanding Officers will bear this in mind when making their selections for promotions in the Non-Commissioned ranks. It is highly desirable that Serjeants should be in possession of a 2nd class and Corporals of a 3rd class certificate.

Commanding Officers may use their discretion in promoting men without certificates, but such men should be required to attend school, when duty permits, until they have obtained them.

This rule may however be relaxed at the discretion of Commanding Officers, in the cases of men of inferior educational abilities, whom it may be considered desirable to promote for peculiar qualifications or merit.

## CLOTHING—INVALIDS—DISCHARGE—EFFECTS.

Simla, 5th October 1870, No. 279.—G. O., 105\* of 1870 is cancelled and the following substituted :—

With reference to G. G. O., No. 918† of 24th September 1870, re-published herewith, the following rules are laid down for the settlement of claims on account of clothing and for the preparation of clothing and compensation returns of corps, of detachments, of invalids, of time-expired and other men proceeding to England, of men for discharge in India, and of deceased men, all previous orders on the subject being considered cancelled.

A separate Clothing Return in duplicate is to be prepared in the form prescribed in G. G. O., No. 918† of 1870, for each soldier proceeding to England invalided or for discharge.

The Commanding Officers who sign these Returns will be held strictly responsible for their correctness, and will be liable for any double payment which may occur through inaccuracies.

These Returns in the case of regiments are to be made up to the end of the month prior to the date of their embarkation; and in that of invalids, time-expired men, &c., to the date of quitting their corps, and they will be forwarded by the Commanding Officers to the Examiner of Clothing Accounts in sufficient time to admit of verification and transmission; one copy to the Commanding Officer of the Embarkation Depot to which the men are proceeding, to be made over to the Commanding Officer of the Corps, or of the Detachment of Invalids or Time-expired men, as the case may be, to take with him to England. The other copy will be sent direct from the Examiner's Office for transmission through the Military Department to the India Office.

The sums due to the men as shown in the Returns are to be credited in their account, and are to be charged by the Paymaster in the next Pay list supported by a verified copy of the Return.

In the Returns of Corps the name of every soldier going home must be entered whether compensation is due to him or not, a note being inserted in the latter case that no compensation is due.

When a soldier dies, compensation for clothing up to date of his demise is to be credited with his other effects in the Casualty Return, the amount being charged in the next Pay list; and in the case of discharge at the Head Quarters of Regiment, the amount is also to be charged in the Pay list. When a man is discharged after quitting his regiment with the view of residing in India, or proceeding to the colonies, compensation will be paid him up to actual date of discharge and delivery to him of his parchment certificate, and the amount charged by the officer commanding the depot in his Pay list or in a separate bill as the case may require.

"With reference to the correspondence marginally cited, I am directed to acquaint you, for the information of the Right Honorable the Governor in Council, that the Government of India is pleased to admit the claim of \* \* \* \* \* to travelling expenses when proceeding to join his battery on return from leave on private affairs, which he obtained on arrival in England on duty with invalids, &c., in November 1868.

"2. It being considered desirable that some limits should be fixed to leave taken in England after their arrival in that country, by officers ordered to proceed there on duty, the Right Hon'ble the Governor-General in Council is pleased to rule that such leave shall not exceed a period of three months, and that those officers who require longer leave, must necessarily forego their claim to a return passage at the public expense."

#### CLOTHING.

G. O. C. C., 11th November 1870, No. 127.—With the sanction of Government, the following General Order by His Excellency the Commander-in-Chief in India, is re-published :—

Simla, 22nd July 1870, No. 187.—The following letter from the Assistant Secretary to the Government of India, Military Department, No. 51, dated 1st July 1870, to the Superintendent and Agent, Army Clothing, is published for general information, with reference to G. O., No. 130 of 1868 :—

"I am directed to acknowledge your Memo. No. 3,440, dated 9th February 1870, submitting for orders a question raised by the Officer Commanding \* \* \* as regards the recovery of the value of Serge Frocks issued in advance to a draft recently arrived from England, in the event of any of the men becoming non-effective prior to April 1871.

"2. In reply, I am to observe that the issue of the Clothing in advance is a concession, which was made in lieu of any money payment being demanded for such Clothing, and that the value of the Clothing in question would therefore be recoverable, when practicable, from the men who may become non-effective before the period of the regular issue falls due.

"3. In some instances, however, the value of such Clothing might not be recoverable, in which case, the charge would have to be borne by Government; but such instances will, it is believed, be comparatively few."

## COMMISSARIAT DEPARTMENT—STAFF, SOLDIERS—QUARTERS—PAY.

G. O. C. C., No. 134 of 16th December 1870.—The following General Orders by His Excellency the Commander-in-Chief in India are re-published:—

G. O., No. 48 of 1867, (Madras G. O. G., 1st March 1867, 290.—The following letter from the Military Department, No. 672, dated 29th August 1870, is published for information:—

"With reference to your letters Nos. 2,092 and 647, dated 14th April and 1st August 1870, submitting the cases of Non-Commissioned Officers of the Commissariat Department who were deprived of house-rent while temporarily detached from their stations. I am directed to state that the General Order by the Commander-in-Chief, No. 48 of 1867, had reference to the continuance of the grant of house-rent to departmental Non-Commissioned Officers when detached on duty, who were already drawing it instead of being furnished with quarters; but the grant of house-rent is exceptional, and departmental Non-Commissioned Officers for the most part are, and should generally be, supplied with public quarters.

"2. When detached on duty and furnished with camp equipage and carriage, or when allowed any equivalent travelling or marching allowance, they have no claim to house-rent and no lien on their quarters, if required for other purposes, in so far as they are themselves concerned. Government, however undertakes to provide shelter for their families, and if these are left behind when the Non-Commissioned Officer is detached, he has a lien on their account upon his temporarily vacated quarters, or, if these are required, to an equivalent allowance to enable him to provide suitable shelter for his family, which may be regulated on the usual house-rent of grade.

"3. Under this ruling, Serjeant \* \* \* may be allowed his house-rent for the period during which his family were not supplied with quarters.

"4. I am, however, to request that, in all possible cases, the detached Non-Commissioned Officer's family may not be moved out of any quarters they may occupy."

He relinquishes all claim to the staff pay of any intermediate grades or appointments in which he may have temporarily acted."

2. His Excellency the Commander-in-Chief however desires to urge upon all medical officers the necessity of using sound judgment and discretion in the issue of extra articles of diet during prevalence of cholera, and directs that a statement of all such issues, showing the grounds upon which they were made, shall in all cases be forwarded, through the Inspector-General of Hospitals, for the information of Government.

ting the cases of Non-Commissioned Officers of the Commissariat Department who were deprived of house-rent while temporarily detached from their stations, I am directed to state that the General Order by the Commander-in-Chief, No. 48 of 1867, had reference to the continuance of the grant of house-rent to departmental Non-Commissioned Officers when detached on duty, who were already drawing it, instead of being furnished with quarters, but the grant of house-rent is exceptional, and departmental Non-Commissioned Officers for the most part are, and should generally be, supplied with public quarters.

#### QUARTERS—COMPENSATION—MEDICAL DEPARTMENT, SUB.

No. 300.—With reference to paras. 5 and 18 of G. G. O., No. 550 of 1868, and Public Works Department Circular, No. 109 of 1868, the Government of India is pleased to sanction the grant of compensation at the rate of Rs. 10, 7 and 5 per mensem, respectively, to Hospital Purveyors of the 1st, 2nd and 3rd class, when suitable quarters cannot be provided for them, and its adjustment as a charge against the Public Works' budget grant.

Under instructions from Government, this ruling is applicable to the three Presidencies.

#### COLONELS' ALLOWANCES—LEAVE—STAFF.

(a) G. G. O., No. 36 of 1862, paras. 15 and 16. Simla, 28th October 1870, No. 319.—The following letter from the Government of India, in the Military Department, to the Controller of Military Accounts, No. 545, dated 19th October 1870, is published for general information :—

"I am directed to acknowledge your letter No. 995F, dated 6th September 1869, submitting certain questions affecting officers who succeed to Colonel's allowance, and in reply to acquaint you, with reference to the first point raised, that an officer succeeding to that allowance will, from the date of succession thereto, be held as vacating his appointment if absent on furlough.

2. As regards the second question, I am to observe that it is obvious that in the case of an officer succeeding to Colonel's allowance while present at his staff duties, he would cease to draw staff salary only from the date of his being relieved, under the orders of Government or of the Right Hon'ble the Commander-in-Chief, when he would be regarded as having vacated his appointment."

#### TAXES.

Tikaree, 4th November 1870, No. 324.—The following correspondence, defining the class of Presidency house-rent liable to the Income Tax, is re-published for information, in continuation of G. O., No. 180 of 1869 :—

From Colonel F. D. Atkinson, Controller of Military Accounts, to the Secretary to the Government of India, Military Department, No. 332G, dated Calcutta, the 31st May 1870.

I have the honor to enquire whether presidency house-rent, when drawn as a separate item by staff officers at the presidency, in addition to their staff corps pay and staff salary, is to be exempt from income tax, in the same manner as horse allowance when not included in military pay and allowances.—Financial Resolution, No. 143 of the 15th May 1869.

No. 1,665, Government of India, Financial Department, Simla, the 30th June 1870.

RESOLUTION.—The Governor-General in Council is of opinion that if presidency house-rent is an allowance which is paid irrespective of the fact of the officer being at the presidency, and therefore irrespective of his incurring a charge for house-rent at the presidency, it is subject to the tax. But if

this allowance be not paid unless the disbursing officer is certified that a charge on account of presidency house-rent is incurred, then it is exempt from taxation.

Office Memorandum from Colonel H. K. Burne, Secretary to the Government of India, Military Department, to the Secretary to the Government of India, Financial Department, No. 437, dated Simla, the 20th August 1870.

The Secretary in the Military Department is directed to enquire of the Financial Department, whether the resolution, marginally cited, means that any officer living at the presidency, and drawing presidency house-rent, to secure exemption from income tax on house-rent, is required to produce a certificate of his paying some charge for rent.

Office Memorandum from R. H. Hollingbery, Esq., Assistant Secretary to the Government of India, Financial Department, to the Secretary to the Government of India, Military Department, No. 3,183, dated Simla, the 31st August 1870.

In reply to the Office Memorandum from the Military Department, No. 437, dated 20th August 1870, the Assistant Secretary in the Financial Department is directed to state that the exemption or non-exemption of presidency house-rent from Income Tax depends on the nature of the allowance.

If it is an allowance made whether the charge is incurred or not, then it is assessable, whether the charge is incurred or not. If it is an allowance only made when the charge is incurred, then it is not assessable.

Accordingly, the Financial Resolution of 30th June 1870, does not require the production of any certificate, which is dispensed with in passing presidency house-rent.

#### INSPECTIONS—VETERINARY DEPARTMENT.

No. 325—G. O., Nos. 18\* and 275\* of 1870 are cancelled, and the following substituted :—

The following procedure will be observed in future on occasions when Inspecting Veterinary Surgeons visit regiments of British and Native Cavalry, or batteries of Artillery, for the purpose of veterinary inspection.

2. The Inspecting Veterinary Surgeon on arrival at a station will wait officially on the Brigadier General or other Officer Commanding, in order that the day and hour for his inspection may be published in Station Orders.

3. When there is a Veterinary Surgeon in charge of the horses of the corps concerned, he will accompany the Inspecting Veterinary Surgeon during his inspection. Officers in command of squadrons, troops or batteries will invariably be present on these occasions, and will afford every facility for a thorough examination of the horses, as regards all subjects connected with their clothing and stable management, in order to enable the Inspecting Veterinary Surgeon to prepare the report required by Government.

4. ## MADRAS, EQUITABLE ASSURANCE SOCIETY,

SUCCESSOR TO THE MADRAS LAUDABLE SOCIETY, ESTABLISHED IN 1824

*Regulated by Act No. VI of 1869, of the Legislative Council of Fort Saint George.*

### BOARD OF DIRECTORS.

THE HON'BLE W. R. ARBUTHNOT, (ARBUTHNOT AND CO.) CHAIRMAN.

W. SCOTT, Esq. .... (Binny & Co.) | A. F. BROWN, Esq. .... (Parry & Co.)  
H. G. PRICHARD, Esq. .... (Govt. Solicitor.) | R. C. WALKER, Esq. .... (C. Shand & Co.)

*Acting Medical Examiner.*

W. H. HARRIS, Esq., M. D.

*The chief characteristics of this Society are:—*

Mutual Assurance.

Policies for terms of years issued at largely reduced rates without participation in Surpluses.

Premiums payable half yearly, on 1st January and 1st July.

Life Policies having a duration of three years are purchased by the Society.

*Claims paid immediately after satisfactory proof of death.* An official Notice of death in any of Her Majesty's Government Gazettes is a sufficient proof.

This Society being founded on the sound principle of Mutual Assurance, divides its Surpluses, amongst the Members, or Life Policy-holders, by deductions from premiums, and does not work for the benefit of a separate Proprietary body.

The Society's funds can be invested only in Securities of the Government of India, or in other guaranteed Indian Securities.

Quinquennial valuations, by a London Actuary, of Assets and Liabilities. The next valuation will be made as from 31st December 1875. The reduction of premium to extend over the Quinquennium 1871-75 will be declared as soon as the Surplus has been ascertained.

The returns made to the Policy-holders from the formation of the Society up to June 1869, have averaged 47 per cent. upon the premiums paid.

Past experience leads the Directors to anticipate that the retention of the "Mutual" principle and the Quinquennial distributions of Surpluses, will bring down the cost of Assurance in this office for Life to the lowest possible point.

The Medical Examiner sees Applicants at his Residence, adjoining the Observatory, on Wednesdays, between the hours of 11 and 12 A. M., and on Saturdays at 4 P. M.

## C. LAZARUS & CO.,

CABINET MAKERS, UPHOLSTERERS,

BILLIARD AND BAGATTELLE TABLE MANUFACTURERS,

49, 54, 55 & 56, BENTINCK STREET, CALCUTTA.

By appointment to His Excellency the Viceroy and Governor General of India.

### BILLIARD TABLES.

C. LAZARUS & CO., as Manufacturers, invite particular attention to their large stock of full-sized Billiard Tables, the cushions of which are constructed on an entirely new principle, similar to those supplied by C. L. & Co., and now in use at the Bengal Club, and in various other Clubs of the three Presidencies.

#### THE ALEXANDRA BILLIARD TABLE.

C. LAZARUS & CO. beg to state that, with a view to secure for India one of the latest Home Novelties, they have made up a number of the new "Alexandra" Billiard Tables, so commonly patronised in Fashionable Circles at this time in England.

The "Alexandra" Table, or that which has received the distinguishing epithet of the "Ladies' Table," and most in favor with the fair sex, is, in every respect, adapted to develop the fullest resources of the Game. The size of these Tables is six feet by three. The height is so regulated and the cues and other requisites are specially arranged, as to admit of easy and graceful manipulation by a Lady. Whilst the exclusiveness that has hitherto attended the play of Billiards, on the full-sized Table, is obviated, the interest and excitement of the game is not in any way diminished by the introduction of the new Board, as the latter is susceptible of all the fertile resources of art to which the skilful player resorts. From these considerations, the "Alexandra Table" has secured a large measure of favor with the Ladies of India, and has become as permanent a favorite within their domestic circles as it is in the first families of the British Aristocracy.

#### IMPORTANT TO MESSES AND BILLIARD CLUBS,

Throughout India, China, Burmah, Ceylon and the Straits.

Consequent on the numerous applications that C. LAZARUS & CO. have lately had from parties residing at a distance from Calcutta, to have their Billiard Tables re-cushioned on C. L. and Co.'s new principle, and as sending the Tables to Calcutta for that purpose is attended with great delay, occasioning much inconvenience, C. L. and Co. have been induced to keep a stock of cushions on their new principle always on hand, which can be fitted to any Table, the accurate length and width of the Slate Bed only being required.

Messes and Clubs can, by thus securing a spare set of cushions, ensure the constant use of the Table, a desideratum C. L. and Co. are satisfied they will not be slow to appreciate, as the inconvenience hitherto felt by the Table being unavailable for play during such time as the old cushions are under repair, has been admittedly very great.

New Cushions fitted to old Tables on the new principle.

#### JACQUES' BILLIARD AND POOL BALLS.

Billiard Cloth, Cues, Billiard and Pool-marking Boards, Tips, Chalks, and every requisite for the Billiard Table.
