LIST OF HER MAJESTY'S COVENANTED CIVIL SERVANTS ON THE MADRAS ESTABLISHMENT,

Corrected up to the 30th June 1871.

The Rank of Civil Servants commences from the date of arrival at Madras of the first Civil Servant appointed in Europe, of the same season of which they are Civil Servants; and, being thus determined, all Civil Servants belong, during the first four years, to Class VI;—from the fifth to the end of the eighth year, to Class V;—from the ninth to the end of the twelfth year, to Class IV;—from the thirteenth to the end of the twentieth year, to Class III;—from the twenty-first to the end of the thirty-fifth year, to Class II;—and from and after the thirty-fifth year, to Class I.

The letters A, B, C, prefixed to the names denote respectively that the parties have not passed either of the two Standards of Qualification; that the first or lower Standard has been passed; that the Servant cannot take Special leave.

M prefixed to a name denotes that the Servant though not having passed by the 2nd Standard, nor holding an appointment superior to that of Assistant is invested permanently with the full powers of a Magistrate.

Column 2, Capitals distinguish high proficiency. Small Roman letters show that the languages were studied in England by Civilians under the new system. Italic Capitals denote that the Civilian has passed the Honors Test under the Rules of 1868.

Column 7, Italics show "Dies non" G. I. Resolutions, 5th Nov. and 21st Dec. 1868, Nos. 3,477 and 3,727, Financial. Roman Capitals show Special Leave. Antique letters indicate a year of Sick Leave taken under rules in force before 1st July 1868, with reference to G. I. Res.; 18th Feb. 1869, No. 1,092, Financial.

Column 8, The Actual Service shown is calculated in accordance with Section I, and is the period of Residence qualifying for Pension under Section XVI, of the Rules of 1868.

GENERAL ORDERS BY GOVERNMENT.

COMMAND OF THE ARMY.

G. O. G., No. 53 of 6th March 1871.—His Excellency Lieutenant-General William Anson McCleverty, having embarked for England, on the Steamer *Columbian*, on the 5th instant, the Right Honorable the Governor in Council directs it to be notified that, from that date, the Command of the Madras Army devolved on Major-General Richard Shubrick, the next Senior Officer on the Staff, as Provincial Commander-in-Chief.

UNEMPLOYED GENERAL OFFICERS—TEMPORARY APPOINTMENTS—EXTRA ALLOWANCES.

G. O. G., No. 55 of 7th March 1871.—The following General Orders by the Government of India, are re-published:—

Fort William, 22nd February 1871, No. 168.—The following Military letter from the Right Honorable the Secretary of State for India, No. 21, India Office, London, the 19th January 1871, is published for general information:—

MY LORD,—I have considered in Council your Lordship's letter, dated 7th of December last, No. 338, relative to a question raised as to the title of a Major-General of the Staff Corps who, while on the unemployed rate of Rs. 1,295-5, may be placed upon special duty of any description, to extra allowances when so employed.

2. The claim preferred by Major-Generals * and * appears to have arisen from a misconception of the meaning of the term "unemployed." It has been laid down that no unemployed General Officer of the Staff Corps, who is not required by the Governments in India to remain there, shall be allowed to receive pay on the Indian scale for a longer period than three years. This rule was intended to comprise all General Officers of that Corps who may not be holding specific staff appointments, and your Lordship very rightly informed the Commander-in-Chief that, while in receipt of Indian allowances, a General Officer, like all other unemployed Officer, is available for any ordinary duty suitable to his rank, without extra allowance, if no staff or special salary is attached to such duty.

3. With reference to your recommendation, that any period during which an unemployed Major-General of the Staff Corps may actually be employed on temporary duty of a special nature should be added to the three years for which the Indian allowances of his grade may be passed to him, I consider it advisable that this period should not be extended, except in the case of Officers who may, in the course of it, be nominated to some *bond fide* staff appointment, either of a permanent or temporary nature.

PAY OF INDIAN OFFICERS—CIVIL APPOINTMENTS.

G. O. G., No. 179 of 7th March 1871.—The following Notification from the Financial Department is re-published for general information:—

LEAVE AND ALLOWANCES.

Fort William, 16th February 1871, No. 1002.—"The Governor-General in Council is pleased to rule that an Officer of a Native Regiment joining the Civil Department on probation shall draw no portion of the staff pay of his Regimental appointment for the term of his probation."

CENSUS.

G. O. G., No. 68 of 15th March 1871.—The following Notification in the Public Department, dated 11th February 1871, is re-published in General Orders:—

"The Supreme Government having ordered that a Census shall be taken throughout India on 15th November 1871, and it being desirable that every facility should be afforded to the officials charged with the duty of conducting the Census in the Madras Presidency, the Right Honorable the Governor in Council hereby directs all Officers of Government to afford all aid in their power, subject to the supervision of the Collector of the District, for taking the Census on the 15th November 1871 if applied to, provided that such aid can be rendered without impeding the conduct of their more important duties."

EMPLOYMENT OF OFFICERS BY MUNICIPALITIES.

G. O. G., No. 79 of 28th March 1871.—The following General Order by the Government of India, is re-published:—

Fort William, the 14th March 1871, No. 249.—The following paragraphs of a Military Letter from the Right Honorable the Secretary of State for India, No. 8, dated the 12th January 1871, are published for general information:—

1.—I have under my consideration in Council your Lordship's letter in the Financial Department, dated the 23rd November last, No. 250, on the subject of the employment of Officers by Municipalities.

2.—In Sir Charles Wood's Military Despatch of the 30th of June 1865, No. 215, sanction was given to the acceptance of municipal employment by Officers while on authorized leave, provided that the time passed therein did not reckon as service for pension.

4.—You * * * solicit authority to place at the disposal of Municipal and similar Departments the services of Officers of the Staff Corps or local service, provided they are not required for Civil or Military employment under the Government, with the understanding that, if any Officer so employed desire to count the time thus passed as service for pension he may do so, on the condition that he or his employers must transfer to the Government of India six per cent. of the pay he draws a proportion which is estimated fully to cover the liability accepted by the Government.

5.—I am willing to give my sanction to the proposition of your Government, provided that in no case does the employment of an Officer in this manner render necessary, either directly or indirectly, the admission of another Officer to the Staff Corps.

RAILWAY CHARGES—SOLDIERS' DOGS.

G. O. G., No. 84 of 4th April 1871.—The Right Honorable the Governor in Council is pleased to direct that the following be added as para. 12 to the Rules prescribed experimentally in G. O. G., 30th November 1869, No. 395, and confirmed in G. O. G., 6th September 1870, No. 257.

"When Soldiers' Dogs are entered in the Government Warrant, despatch, order, or certificate, and travel in the custody of the men, and at their risk, they are to be charged for at the rate specified beneath, and this charge is to be entered in the Bill drawn against Government.

	R.	A.	P.
"For any distance up to 400 miles, each.....	0	8	0
"Above 400 up to 800 miles.....	0	12	0
"Above 800 miles.....	1	0	0

"It is to be distinctly understood that this order does not apply to Officers' Dogs, which are to be charged for at the public rate."

FURLOUGH PAY—OFFICERS VACATING CIVIL APPOINTMENTS.

No. 85 of 1871.—The following General Order by the Government of India, is re-published:—

Fort William, 22nd March 1871, No. 271.—Under the authority of the Right Honorable the Secretary of State for India, it is hereby notified that an Officer holding a Civil appointment with a consolidated salary, and who draws, under the Furlough Regulations of 1868, furlough pay based on the average of his receipts for three years, will, if he vacates his appointment during furlough revert at once to the furlough pay which he would draw in virtue of his rank, viz. (1), half his Indian pay and allowances, as laid down in Rule V of the Furlough Regulations of 1868.

CONDUCT OF 19TH REGIMENT NATIVE INFANTRY.

G. O. G., No. 89 of 10th April 1871.—The Right Honorable the Governor in Council has had under consideration the Proceedings of a Court of Inquiry held to investigate certain acts of misconduct and insubordination in the 19th Regiment Native Infantry, on the issue of pay to the Corps on the evening of the 11th February 1871.

2. From these Proceedings it appears that the Regiment was under orders to embark for service in the Straits Settlements, and that, on pay for the month of February and an advance of pay for the month of March being tendered to the men of the Regiment on parade, it was refused by some of them in an improper manner.

3. When the first man of No. 1 Company, who refused his pay, was ordered into confinement by his Wing Commandant, the whole of No. 1 Company followed the Prisoner to the Guard Room, called out, in a tumultuous manner, that if their Comrade were made a Prisoner they likewise must be confined. In consequence of the attitude of the men of the Company, the order to confine the Prisoner in question was at first carried out by the Native Officer charged with that duty.

4. When pay was offered to the men of the 8th Company, a similar refusal took place, and three men were ordered into confinement. These men were not at once secured by the Native Officer directed to do so.

5. The offenders having, on the reiterated orders of the European Officers, been placed in the Guard Room, the men of No. 1 Company continued to throng the verandahs and approaches in a tumultuous manner, and the Guard on duty failed to obey directions to clear the place and restore order.

6. Subsequently, when the Officer in Command arrived on Parade, the Regiment was ordered to fall in Column of Companies, and explanations regarding pay and allowances were made to the

7. After these explanations, the Commanding Officer ordered the Regiment to dismiss, but the men stood steady and a few spoke from the ranks and said that the advance tendered was not sufficient for them, and demanded the release of the Prisoners who had been confined for insubordinate conduct. In consequence of this demand, the Officer in Command of the Regiment, with a weakness which the Governor in Council considers altogether inexcusable, directed the Prisoners, first of Company No. 1 and then of Company No. 8 to be liberated and restored to their place in the ranks.

8. His Excellency in Council has perused the Report of these occurrences with the deepest regret and displeasure, for it is well known to every Native Soldier of this Army that a respectful remonstrance, through his Officers, against any real grievance will readily obtain for them redress, and that nothing can justify insubordination.

9. The men of the 19th Regiment, on the occasion referred to, were guilty of acts altogether inconsistent with discipline and incompatible with their duty as Soldiers, and the Right Honorable the Governor in Council deems it necessary to mark, in a manner which shall operate as a warning to the Native Army generally, the opinion which the Government entertain of such conduct, and their resolution to resist and punish every attempt to coerce the Government or its Officers by refractory behaviour and disobedience of orders.

10. His Lordship in Council therefore directs that No. 1 Company of the 19th Regiment, which committed graver acts of insubordination than the others, together with the Non-Commissioned Officer and men who composed the Quarter Guard of the 19th Regiment Native Infantry, on the evening of the 11th February 1871, and who failed to carry out orders given them, be sent back from the Straits Settlements to Madras for the purpose of being summarily dismissed the service.

11. His Excellency in Council is further constrained to observe that had greater care and forethought been exercised by the European Officers of the Regiment, the occurrences now noticed would, in all probability, never have taken place.

12. To mark his sense of their want of due consideration for the necessities of their men, His Lordship in Council directs that the Commandant, Wing Commandants and Adjutant, who were present with the Corps on the 11th February 1871, be deprived of their appointments as early as practicable.

13. The Provincial Commander-in-Chief will cause this order to be read, in Hindoostanee, Tamil and Telugu, at three successive Parades, to every Regiment of the Native Army, and will issue the necessary subsidiary orders for giving effect to it, and for replacing those dismissed, with drafts of men of good character from other Regiments.

MEDICAL DEPARTMENT SUBORDINATE—PASSAGES—EXAMINATION.

G. O. G., No. 91 of 1871.—The following General Orders by the Government of India, are re-published:—

Fort William, No. 293 of 28th March 1871.—The Right Honorable the Governor-General in Council is pleased to notify that whenever Members of the Subordinate Medical Department, including Hospital Assistants, Hospital Apprentices, and Native Medical Pupils, proceed to any other station than their own for the purpose of undergoing an examination for promotion to a higher grade, such movements shall be considered as "on duty" entitling them to free passages to their destination and a free return passage, if the examination be successfully passed. If they fail to pass, however, the candidates must defray their expenses of their passage back to the station whence they came.

When necessitated to march in the absence of any other mode of conveyance, these Medical Subordinates will be entitled to the field allowance and batta prescribed for their grades in G. O. G., No. 550* of 1869.

This order is applicable to the three Presidencies.

9. The Head of the Administration will consider the recommendation of the Committee, will decide whether the several candidates have or have not passed the required tests, and will report his decision to the Foreign Secretary within one month from date of examination. If, in his opinion, any Officer has passed "with credit" or "with great credit," he will state this in the report.

10. He will at the same time furnish a Statement of all Officers liable to examination in the following form :—

NAME OF CANDIDATE.	Date of appointment as Probationer in Civil Department of Staff Corps.	Number of half-yearly examinations since appointment as Probationer.	Remarks showing whether candidate has passed, and if not, whether, under Rule IV, of Notification No. 3101, dated 5th October 1864, he has any further period of grace.

11. As prescribed in paragraph 7 of Notification No. 3101, dated 5th October 1864, in Home Department, "every Officer in civil employment will, in addition to the above examination, and notwithstanding his appointment to the Staff Corps, be required to undergo the local and departmental examinations prescribed for Covenanted Civil Servants in the province in which he is serving."

Paragraph 8, Notification in Home Department No. 3101, dated 5th October 1864, and paragraph 4, Notification in Foreign Office No. 1484, dated 5th December 1864.

12. For the second of the two classes of Officers abovementioned, the tests are the same as above, and they are in addition required (under the Rules marginally noted) to pass an examination in—

(1.) *Wheaton's International Law.*

(2.) *Aitchison's Treatise*, more particularly those portions relating to the province in which the Officer is serving.

(3.) The Persian language.*

* "Under paragraph 4 of the above Notification, the production of a certificate to show that the candidate has elsewhere passed an examination in Persian will exempt him from examination therein.

In British Burmah the test will be the higher standard in Burmese.

13. For the examination in the first two of the above subjects, Rules 5, 6 and 7, above detailed, will apply.

14. For the Examination in Persian language two papers will be set :—

(1.) A passage of Persian to be translated into English.

(2.) A passage of English to be translated into Persian.

The candidate will also be required to hold with moderate fluency a conversation in Persian with some proficient in that language, to be appointed by the Committee. He will also be required to read a Persian manuscript with a fair amount of facility.

15. To each of the above four tests a maximum of 20 marks will be allotted, and the attainment of not less than 45 marks in the aggregate will entitle the candidate to pass.

16. For the rest, Rules 1 to 4 and 8 to 10 above specified, will, *mutatis mutandis*, apply to the examination of this class of Officers.

FURLOUGH RULES OF 1868—WARRANT OFFICERS.

G. O. G., No. 93 of 14th April 1871.—The following decisions of the Government of India, are re-published :—

"The letter from this Office No. 298, dated 14th June 1869, whilst it recognized the fact that the Furlough Rules of 1868 were applicable to Warrant Officers (including those holding Veteran "or Honorary" Commissions) to the extent notified in Government General Order No. 207* of 1869, was not intended to deprive them of the option of electing to abide under the rules which regulated their furlough previous to the publication of Government General Order No. 1064† dated 1st July 1868. The Right Honorable the Governor-General in Council has accordingly decided that all who may have become Warrant Officers before the date of Government General Orders No. 207 of 1869, viz., 19th February 1869, shall be required, when they next take leave out of India, to elect whether they will do so under the Furlough Rules of 1868, or not. Those who become Warrant Officers subsequent to that date can obtain leave out of India only under those rules."

All Officers and Soldiers on the establishment of Fort St. George will obey Lieutenant-General Frederick Paul Haines, as Commander-in-Chief, and all Returns are henceforth to be made to His Excellency accordingly.

VOLUNTEERS—GOVERNOR-GENERAL'S BODY GUARD.

G. O. G., No. 128 of 23rd May 1871.—The following General Orders by the Government of India, are re-published:—

Simla, 11th May 1871, No. 431.—With reference to G. O. G., No. 943* of the 30th September 1870 the Right Honorable the Governor-General in Council is pleased to determine that Volunteers for His Excellency's Body Guard must, in addition to the conditions laid down in that order, be also recommended by their Commanding Officers as being good Cavalry Soldiers in every respect.

ADJUSTMENT OF PAY AND ALLOWANCES TO GENERAL OFFICERS—(UNEMPLOYED.)

G. O. G., No. 134 of 30th May 1871.—The following General Orders by the Government of India, are re-published:—

Simla, 15th May 1871, No. 441.—The practice of notifying in General Orders the station at which an unemployed General Officer, or an Officer in receipt of Colonel's allowance, is permitted to reside, and the Pay Office at which he will draw his pay, will be discontinued, and hereafter the notification in General Order of the return of any such Officer to India will be sufficient authority for the issue of his pay in this country from any Military Pay Office on his producing his last pay certificate.

2. An Officer, who has drawn his pay in any pay circle, desiring to change his place of residence beyond the limits of such circle, must apply to the Pay Master for a last pay certificate, notifying at the same time the pay circle to which he desires to be transferred. The Pay Master, when issuing the last pay certificate, will communicate the transfer to the Pay Master of the circle to which the Officer is proceeding, and from whom he will obtain his next pay on production of the last pay certificate. Each Officer is required to report, on the 1st January, his place of residence, and to notify at once each change as it occurs to the Adjutant General.

3. A General Officer, wishing to reside in another Presidency, should apply to the Controller of Military Accounts of his own Presidency, in order to the issue of instructions regarding the adjustment of his pay and allowances, while he may continue to reside out of the Presidency to which he belongs.

PAY AND ALLOWANCES—LIEUTENANT-COLONELS.

G. O. G., No. 140 of 6th June 1871.—The following General Order by the Government of India, is re-published:—

Simla, 25th May 1871, No. 476.—The Right Honorable the Governor-General in Council is pleased to publish, for general information, the following extract from a despatch dated 20th April 1871, received from Her Majesty's Secretary of State for India:—

3. "The correspondence has, however, drawn my attention to the disadvantage at which a Lieutenant-Colonel of the Infantry or Cavalry is placed on promotion to the rank of Major-General, as compared with other unattached Lieutenant-Colonels, by being deprived of his tentage allowance.

4. Formerly the number of regimental Lieutenant-Colonels being limited to the number of regiments, and Officer of that rank, on becoming a Major-General, was removed from his regiment and placed on unemployed pay; and, with the rare exception of an Officer being deprived of his command for misconduct, these were the only regimental Lieutenant-Colonels unemployed, and thus relieved from the necessity of maintaining camp equipage.

5. At present, however, the system is different. Practically a large number of Lieutenant-Colonels are unemployed, although they are available for general duty; and it is an anomaly that such officers should be placed in a better position than those who have attained the army rank of Major-General by rapid promotion for distinguished service.

6. I have, accordingly, decided that for the future a regimental Lieutenant-Colonel of Cavalry or Infantry, who is a General Officer, shall be granted the same pay and allowances in India as he would receive if he had not attained that rank in the Army, and at the same time held no appointment. On furlough he will be granted the half of his pay and allowances with the exception of horse allowance; and, at the expiration of the period during which he is entitled to furlough, he will receive the unemployed furlough pay of a General Officer."

In accordance with the foregoing, His Excellency in Council notifies that, for the future, a regimental Lieutenant-Colonel of Cavalry or Infantry who is a General Officer shall be granted the same pay and allowances in India as he would receive if he had not attained that rank in the Army, and at

the same time held no appointment. On furlough he will be granted the half of his pay and allowances, with the exception of horse allowance; and, at the expiration of the period during which he is entitled to furlough, he will receive the unemployed furlough pay of a General Officer.

G., No. 145 of 13th June 1871.—When trained Armourer Serjeants are attached to the Head Quarters of a Brigade of Artillery stationed in this Presidency, the repair of the Arms of all Batteries at the same Station, whether of that, or other Brigades, will be made agreeably to the provisions of existing orders (a) on the subject, in respect to European Infantry Regiments; and the provisions of G. O. (b) by His Excellency the Commander-in-Chief in India, No. 35, dated 10th March 1870, will be applicable to such Batteries.

2. When there is no trained Armourer present, the repairs, when against the Battery will, if possible, be effected in the Battery, the cost of materials required being paid for by the Battery Officer. If the repairs are effected in an Ordnance Establishment, both labour and materials must be paid for.

3. The trained Armourers of Brigades will, from time to time, be detailed to inspect the Arms of the Batteries present at the same Station.

GENERAL ORDERS BY COMMANDER-IN-CHIEF.

CARRIAGE—WOMEN AND CHILDREN.

No. 39.—Government has been pleased to rule, that when for satisfactory reasons, a soldier's child is left in a station without its natural protectors, and it is necessary that it shall be sent under competent charge to its relatives in India, this may be done by the General Officer Commanding the Division and District, in a manner causing the least expense to the State.

CLOTHING—CONVALESCENT DEPOTS.

Camp, 24th March 1871, No. 46.—The attention of Commanding Officers is directed to the necessity of having all men, who are likely to be sent to Convalescent Depôts for change of climate, fitted with their new clothing and boots as early in each year as possible.

These articles should, whenever practicable, be issued to the men before they leave their corps.

TRANSPORT—STAFF SOLDIERS.

Military Department, letter No. 3, dated 1st March 1871, to Quartermaster General.

No. 47.—Government has been pleased to rule that Non-commissioned Officers of departments may be granted free conveyance by rail to the port of embarkation for themselves and their families, when they are proceeding to England on medical certificate.

2. Any charges incurred for their transport, other than by rail, is, as in the case of Warrant Officers similarly situated, to be defrayed by themselves.

DRILL AND INSTRUCTION—GREAT GUN DRILL.

Queen's Regulations, para. 182.
G. O., Queen's Troops, Calcutta, 15th July 1862, (p. 126 S. O.)—Queen's G. O., Head Quarters Bangalore, 13th August 1862, page 219.)
G. O. C. C., 15th October 1862.
" 17th August 1864, (p. 212 S. O.)

No. 49.—His Excellency the Commander-in-Chief invites the attention of General Officers in Command to the orders noted in the margin, the provisions of which, as shown by the quarterly returns of gun drill, have been in many instances overlooked.

In the greater number of stations, where regiments of British Infantry are quartered, the means of instruction are at hand in guns and appliances belonging to forts or heavy batteries, or placed specially at the disposal of the Officer commanding Royal Artillery for drill purposes.

With the view therefore of obtaining more satisfactory results, as regards this very desirable teaching of the Infantry, General Officers are requested to be good enough to consult with the Officers Commanding Royal Artillery serving under their command, and, with their co-operation, organize the amount of drills possible, according to the season of the year, and the number of drill instructors and appliances available.

The instruction of Infantry in Gunnery is a professional matter, which properly belongs to the department of the Officer Commanding Royal Artillery, who has a Staff to assist him in its execution. He should therefore inform the General Officer, whenever he has instructors and appliances at liberty. The drills will therefore be carried on under his superintendence and as they are completed a report from him of the result will be forwarded for the information of the Commander-in-Chief through the General Officer.

Regiments or Detachments quartered with field batteries, but not within reach of an arsenal or fort, where there is heavy artillery, must be instructed in field gun drill, (whatever the arm of the battery may be,) care being taken that the drills are fixed at a time the guns of the batteries are not required for the instruction of their own Non-commissioned Officers and men.

LEAVE—PAYMASTERS.

No. 50.—When submitting applications for leave from Paymasters of British Corps, Commanding Officers are requested to state therein, that the papers* required for transmission to the Military Secretary to the Commander-in-Chief have been forwarded direct by the

regiment concerned, in view to obviate delay in the disposal of such applications.

PRISONERS—CLOTHING.

No. 51.—Whenever a soldier is confined in the guard room of a corps or battery not his own, and his own bedding is not available, the Commander-in-Chief directs that two of the condemned great coats referred to in the order marginally noted, be supplied to him for temporary use, whilst in confinement.

"Numerous cases having recently occurred, in which officers arriving from India have stated, in reply to letters from this department, that they are not in possession of a copy of the local General Order under which they return home, and which they are required to transmit to the Adjutant-General when reporting their arrival in this country, I am desired by His Royal Highness the Field Marshal Commanding-in-Chief to request that your Lordship will give such instructions on this subject as shall enable them to comply with the orders contained in para. 692 of Her Majesty's Regulations and Orders for the Army.

Actuary.

A. H. BAILEY, Esq., of the London Assurance Corporation.

The chief characteristics of this Society are:—

Mutual Assurance.

Policies for terms of years issued at largely reduced rates without participation in Surpluses.

Premiums payable half yearly, on 1st January and 1st July.

Life Policies having a duration of three years are purchased by the Society.

Claims paid immediately after satisfactory proof of death. An official Notice of death in any of Her Majesty's Government Gazettes is a sufficient proof.

Surrender Values allowed for Life Policies issued at fixed rates of premium which have paid three years premiums.

The Society's funds must be invested in Indian Government Securities or in other guaranteed Indian Securities.

Quinquennial valuations, by a London Actuary, of Assets and Liabilities. The reduction for the Quinquennium 1871—75 is at the rate of 60 per cent. of premiums paid during 1866-70.

Assurances granted on the lives of Europeans, East Indians or Eurasians and Parsees.

Term Policies are issued at moderate, non-participating rates.

Past experience leads the Directors to anticipate that the retention of the "Mutual" principle and the Quinquennial distributions of Surpluses, will bring down the cost of Assurance by this office for Life, to the lowest possible point.

The Medical Examiner sees Applicants for Assurance at the General Hospital, every day of the week, between the hours of 7 and 9 A. M.

ESTABLISHED IN 1820.

C. LAZARUS & CO.,
INCORPORATED WITH
SHEARWOOD & CO.,
CABINET MAKERS, UPHOLSTERERS,
BILLIARD TABLE MANUFACTURERS,

By appointment to His Excellency the Viceroy and Governor General of India,
AND TO
H. R. H. THE DUKE OF EDINBURGH.
BILLIARD TABLES.

C. LAZARUS & CO., as manufacturers, would invite particular attention to their large stock of full-sized Billiard Tables. One of the chief desiderata in a Billiard Table is to secure such an arrangement as will admit of a Ball being struck so as to attain the highest speed without its jumping. This it need scarcely be said, depends entirely upon the arrangement of the cushions. C. L. & Co., in mentioning this fact, would state that the subject has largely occupied their attention, and after repeated experiments and close consideration, they have discovered a principle in the manufacture of cushions which answers admirably the end desired. Since the manufacture of their cushions on this new principle, C. L. & Co. have received testimonials from some of the first Clubs in India speaking to the merits of the same. To secure truth with speed, that is to say, the maximum of speed compatible with preventing the Ball jumping, is the object which C. L. & Co. have had in view, and which at length they have successfully attained. At the same time, the cushions, it should be stated, are quite as durable, or even more durable, under the new principle of making up than under the old. With a view to the maintenance of the high character of their workmanship, C. L. & Co. have secured for this branch of their business especially, the services of a gentleman who for many years was foreman to the eminent makers, Messrs. Burroughes and Watts, whose experience is a guarantee of the highest possible excellence in the manufacture of Billiard Tables, and of everything connected with that department of their business.

THE ALEXANDRA BILLIARD TABLE.

C. LAZARUS & CO. beg to state that, with a view to secure for India one of the latest Home Novelties, they have made up a number of the new "Alexandra" Billiard Tables, so commonly patronised in Fashionable Circles at this time in England.

The "Alexandra" Table, or that which has received the distinguishing epithet of the "Ladies Table," and most in favor with the fair sex, is, in every respect, adapted to develop the fullest resources of the Game. The size of these Tables is six feet by three. The height is so regulated and the cues and other requisites are specially arranged, as to admit of easy and graceful manipulation by a Lady.

B. B. B.

In accordance with their established practice of introducing Novelties to the Indian Public C. LAZARUS & Co. have pleasure in announcing that they have made arrangements to supply the latest novelty in social and family amusement by importing the popular B. B. B. Tables. The peculiarity of these is, that on the one table the three favorite Games of BILLIARD, BATTUE and BAGATELLE may be played, thus affording a pleasing variety of amusements, concentrated on a single board, at little more than the cost of one. Anticipating that the demand for these Tables will be large, C. L. & Co. are prepared to supply them on very favorable terms, it being a principle of their business to furnish the best and most approved articles of every kind at the lowest rates, consistent with excellence of quality and a fair trading profit.

IMPORTANT TO MESSES AND BILLIARD CLUBS.

Throughout India, China, Burmah, Ceylon and the Straits.

Consequent on the numerous applications that C. LAZARUS & Co. have lately had from parties residing at a distance from Calcutta to have their Billiard Tables re-cushioned on C. L. & Co.'s new principle, and as sending the old cushions to Calcutta for that purpose is attended with great delay occasioning much inconvenience, C. L. & Co. have been induced to keep a stock of cushions on the new principle always on hand, which can be fitted to any Table, the accurate length and width of the Slate Bed only being required.

Up-country Messes and Clubs can, by thus securing a spare set of cushions, ensure the constant use of the Table, a desideratum C. L. & Co. are satisfied they will not be slow to appreciate, as the inconvenience hitherto felt by the Table being unavailable for play during such time as the old cushion are under repair, has been admittedly very great.

New Cushions fitted to old Tables on the new principle.

BILLIARD AND POOL BALLS.

Billiard Cloth, Cues, Billiard and Pool-marking Boards, Tips, Chalks, and every requisite for a Billiard Table.
