LATEST GENERAL ORDERS AND DESPATCHES

AFFECTING

Retiring and Furlough Regulations of 1796.

1. The rules under which the period of service required to entitle Officers to the retiring Regulations is calculated, are as follow:—
2. Officers appointed *direct*, count service from the date of arrival within the limits of the Madras Presidency, unless specially authorized by the Court of Directors to embark in a Ship bound for another Presidency.
3. Officers appointed from Addiscombe subsequently to the 22nd November 1837 to the Cavalry, Artillery, or Infantry, count service as above, with the addition of the period passed at Addiscombe after attaining the age of sixteen.
4. Officers of Engineers count service from the date of arrival of the first Artillery or Infantry Cadet of the same examination, with the addition of the Addiscombe period as above. In the event of there being no such Artillery or Infantry Cadet they count service from the expiration of 4½ months from date of examination.
5. Officers appointed in India, count service from the date on which they take the oath of allegiance.
6. Medical Officers and Veterinary Surgeons count service from the date of arrival within the limits of the Madras Presidency.
7. Absence on sick certificate within the limits of India for periods not exceeding two years, successively, as also leave on private affairs beyond the limits of this Presidency, if for periods not exceeding three successive months, are counted in the time of service requisite to entitle to retiring Pay. Officers however serving in other than their own Presidency, may count as service towards pension leave taken within the limits of the former equally as taken within the latter.—Vide G. O. G., 10th December 1861, No. 437.
8. But all Officers quitting India on leave of absence on account of sickness or of private affairs, who shall proceed to Europe without having returned to India, shall be considered as on furlough to Europe from the dates on which they shall have respectively left India.
9. Every Officer who has completed twenty-two years' service in India is allowed to retire with the pay of the rank to which he has attained, except Lieutenant Colonels of Artillery and Engineers, who being in the receipt of Major's pay are restricted to pension of latter rank.—G. O. G., 11th October 1852, No. 95.
10. All effective Officers, without reference to their actual rank, are allowed to retire.
 - After twenty years' service in India, on the pay of Captains.
 - After twenty-four years' service in India, on the pay of Majors.
 - After twenty-eight years' service in India, on the pay of Lieutenant Colonels.
 - And after thirty-two years' service in India, on the pay of Colonels.
11. Officers on producing the prescribed Medical Certificates, countersigned by the Commanding Officer, that they are compelled to quit the service by wounds received in action, or by ill-health contracted on active service, or on detachment or out-post, or any Military duty in notoriously unhealthy localities, after three years' service in India, are permitted to retire on the half pay of their rank. This indulgence, however, can be granted only in England.—G. O. G., 19th April 1859, No. 158.
12. Officers who may be compelled to quit India on sick certificate and who may not be entitled to retire on full pay are to try the effects of a temperate climate for the usual term of furlough before they can be allowed to establish their claim to retire from the service upon half pay. If Officers so circumstanced, proceed to New South Wales, or some other Colony, and apply thence, at a proper time, for permission to retire, satisfactory evidence from the Medical Staff Officer, or other undoubted Medical testimony on the spot, to prove that the applicant is incapable from ill health to the performance of Military duty in India is necessary.
13. Veterinary Surgeons who have actually served seventeen years in India, or twenty years including a furlough of three years, may retire on 7s. per diem, — twenty-five years including a furlough of three years on 8s. per diem, thirty years including a furlough 12s. per diem. If health do not permit them to continue their service in India, they are permitted to retire after ten years in India, or thirteen years including a furlough of three years on 5s. and 6d. per diem or after six years' actual service in India on 4s. and 6d. per diem.

In lieu of the above scale of retiring pensions, the following rates are authorized:—

Veterinary Surgeons in the service will not be deprived of the benefit of the present Regulations.	
After 3 years' service if compelled by wounds received in action or by ill-health contracted on duty in India to retire.....	3s. per diem
After 6 years' service if from ill-health unable to continue to serve in India.....	3 "
After 10 years' service if do. do.	4 "
" 17 do.	6-6 "
" 22 do.	10-6 "
" 27 do.	£ 250 per annum.
" 32 do.	£ 300 do.

19. Officers who have completed the prescribed period of service, are allowed to retire either in England or in India.

20. Officers retiring in England when on authorised furlough are allowed the benefit of the rank they hold at the expiration of two and a half years from their quitting India.—G. O. G., 3rd May 1861, No. 153

21. Officers retiring in England from the service shall be considered to have retired from the date of their application for leave to retire, or from the expiration of two years and a half from the date of the commencement of their furlough, whichever shall first happen, from which dates respectively promotion caused thereby will be made.—G. O. G., 6th July 1859, No. 298.

Promotions in succession to casualties, by death in England, shall have effect from the date following that of decease, or from the expiration of three years' absence from India, whichever shall happen first.—G. O. G., 9th February 1864, No. 53.

It is to be distinctly understood that no additional expense is to be occasioned by this arrangement.

22. Applications from Officers to retire from the service in India, are to be addressed to the Right Honorable the Governor in Council under the signature of the parties, and to specify the date, which must be a prospective one, from which the applicant wishes his retirement to have effect; and from the date so specified they, in the event of the decision of Government on their case not having been previously received, will, pending such decision, be exempted from the performance of all Military duty. Each application to be transmitted through the ordered channel of correspondence accompanied by a certificate of service from the Adjutant General, and certificate of no demands from the Military Accountant.

23. The pay accounts of Officers serving in the Tenasserim Provinces, Straits Settlements, &c. applying for permission to retire are to be kept separate; and Officers so situated are not to sign the Abstract of their Troop or Company, but will not on that account be deprived of Command allowance.

24. In the cases contemplated in the preceding para., Officers Commanding Stations will send all Abstracts of previous charges to Madras for audit at the same time the individual's application to retire is forwarded.

25. The rates of full pension and half pay allowed to all Officers, whether of Cavalry, Artillery, Engineers, or Infantry, are as under:—

The following Extract from General Orders by the Government of India is re-published:—

Fort William, the 10th March 1866, No. 255.

Good Service Pensions.

His Excellency the Governor General in Council has much satisfaction in publishing the following extracts from a Despatch from the Right Hon'ble the Secretary of State for India, No. 388, dated India Office, London, the 9th December 1864, sanctioning the establishment of good-service pensions in the Indian Army, as rewards for distinguished or meritorious services.

PARA. 1. I have considered in Council your Military Letter, No. 286, dated 18th August 1864, in which you suggest the establishment of a system of good-service pensions for Officers of the Indian Army, based upon that which has been adopted in Her Majesty's British Service.

2. The proposal of your Government is, that fifty such pensions of £100 per annum be given to the Indian Army, under certain conditions.

7. Her Majesty's Government, therefore, sanction the introduction of a system of good-service pensions in the Indian Army, under the following regulations:—

I. Fifty good-service pensions of £100 per annum will be distributed among the Officers of the several Staff Corps and of Her Majesty's Indian Army at the three Presidencies.

II. Officers of all ranks will be considered eligible for the pensions on the recommendation of the Government of the Presidency to which they belong, supported by that of the Government of India; but, except under very special circumstances, the grant will be restricted to Officers above the rank of Lieutenant.

III. The good-service pension will be given up by an Officer on resignation of the service, or on coming into the receipt of the Colonel's allowance; but an Officer placed on half-pay, or retiring upon full or half-pay pension, will retain the good-service pension in addition to such half-pay or pension.

IV. Ordinarily the good-service pension will be conferred upon Officers of the effective list; but Officers who may have been placed on half-pay, or who may have retired from the service on full or half-pay pension, will also be considered eligible for them.

V. On the nomination of any Officer to a good-service pension being sanctioned by the Secretary of State for India in Council, a Notification to that effect will be published in the "Gazette of India," specifying the Military services of the Officer.

(Signed) C. WOOD.

Applications for Leave.

The attention of Officers Commanding Regiments is called to G. O. C. C. No. 21, dated 18th May 1857, requiring a note to the following effect to be entered at the foot of all applications for final or preparatory leave to Europe for Officers under their command:—

"The above Officer is considered qualified to take Command of drafts of European Recruits, or

" — to do duty with European Recruits," or

" — is not qualified to command or do duty with European Recruits."

2. On all occasions of Officers absent from their Regiments on ordinary leave of absence in India, or on Staff employ obtaining final or preparatory leave in General Orders to proceed to Europe, an immediate report of their qualifications to command or do duty with European Recruits on return to India, is to be made in one or other of the above terms by the Officer Commanding their Regiment, to the Adjutant General of the Army.

On all occasions of Officers being passed by the Presidency Board of Medical Officers for leave to Europe on sick certificate, a N. B. is to be entered at the foot of the proceedings, stating whether the Officer's state of health will admit of his being detailed for duty with Troops proceeding to England. And Officers who obtain leave on medical certificate are warned not to engage a passage to England privately until they ascertain that their services will not be required on public duty.

It having been brought to the notice of Government, that instances have recently occurred in which Military and Medical Officers in Civil employ have obtained leave to Europe through the Civil Department, the Governor in Council desires to call the attention of all Officers, to para. 10, Section XVIII of the General Regulations, and to G. O. G. dated 18th August 1854, No. 191, requiring all applications for leave to Europe to be submitted through His Excellency the Commander-in-Chief.

The Right Honorable the Governor in Council is pleased, in supercession of existing rules regarding the production of certificates of "No Demand" by Military Officers when about to proceed on leave beyond Sea, to promulgate the following rules for general observance:—

1. Every Military Officer whether Staff, Regimental, or in Civil employ, on applying for leave beyond Sea, whether to Europe or elsewhere, (leave under G. O. C. C. 2d July 1856, No. 34, excepted) will be required to submit with his application for leave, a report from one of the Officers noted in the margin, according to his Department, stating whether, with reference to the information before him, there is reason to require security as a special case on account of any doubtful items outstanding against the applicant, or because of any thing suspicious or extraordinary in the state of the applicant's accounts.

2. The reporting Officer must not delay his report in ordinary cases, by references to local Officers, as with a proper system of despatch and proper vigilance on his part, he ought, in all ordinary cases, to have the means of judging in his own office.

3. All Officers are reminded of the necessity of using every means in their power for the settlement of their accounts, in order to obviate inconvenience to themselves from any delay in the issue of the reports by the several Departments concerned.

Fort William, 17th July 1860.

No. 755 of 1860.—The following rules will have effect in modification of the existing Regulations on the subject:—

Officers proceeding on leave, on medical certificate, shall not be required to furnish No Demand Certificates or Security.

When an Officer in charge of cash or stores applies for leave on medical certificate, he shall be required to furnish a certificate from the Officer taking charge of his duties, that as far as can be ascertained, after careful examination, nothing irregular nor any known demands against him remain unadjusted in his office.

Officers applying for leave beyond Sea, on private affairs, shall be required, as at present, to furnish No Demand Certificates.

Officers, on leave, on medical certificate, intending to retire from the service, are to give the earliest intimation thereof to the Military Accountant through the Paymaster, so that the requisite No Demand Certificate may be prepared, as no retirement is permitted without such certificate is furnished.

No. 992 of 1868.—His Excellency the Governor General in Council is pleased to notify that, when Military Officers in civil employ shall apply for leave beyond India on medical certificate, the Accountant General of the Province in which they may be serving, and not the relieving Officer, will, on application, furnish the certificate prescribed in the 2nd paragraph of Government General Order No. 755, dated 17th July 1860, an extract from which is subjoined for facility of reference:—"When an Officer in charge of cash or stores applies for leave on medical certificate, he shall be required to furnish a certificate from the Officer taking charge of his duties, that, as far as can be ascertained after careful examination, nothing irregular nor any known demands against him remain unadjusted in his office."

Madras G. O. G., 27th July 1860, No. 346.

The following Extracts from General Orders by the Government of India are re-published:—

Fort William, the 11th January 1869.

No. 34 of 1869.—With the view of preventing the inconvenience which frequently results from the irregular manner in which applications for furlough to Europe from Officers serving under the several Local Governments and Administrations are submitted for the sanction of the Government of India, and from their being unaccompanied by the statements of service and certificates required by the regulations, the following rules are published for the guidance of all concerned.

2. The Local Government or Administration, or Department, under which the Officer is serving will forward the application in duplicate for furlough to Europe on private affairs to the Adjutant General for submission to the Government of India in the Military Department, and on sanction being accorded, an intimation to that effect, or an extract General Order, will be sent by the Military Department to the Local Government or Government Department, which will then grant the usual preparatory leave to the port of embarkation. Officers serving out of their own Presidencies will submit their applications for furlough on private affairs to the Government of their own Presidency, through the Government or Administration under which they may be serving.

3. Officers are recommended not to defer submitting their applications to the last moment, as they are on no account to be permitted to leave their stations until they have been officially informed that the furlough has been sanctioned.

4. Care is to be taken that applications are accompanied by the prescribed documents, in duplicate, as specified below:—

I. A certificate of no-demands from the Presidency Paymaster, countersigned by the Military Accountant, or by a guarantee from some respectable person or Agent. Officers should, as early as possible, apply to the Presidency Paymaster for the necessary "no-demand" certificate, countersigned by the proper authorities, at the same time furnishing that Officer with a similar certificate from the Paymaster by whom they were last paid, without which the Presidency Paymaster cannot grant his no-demand certificate.

The following is the form of guarantee required in lieu of a no-demand certificate:—
To the Secretary to the Government of India, Military Department.
Sir,—In lieu of the prescribed no-demand certificate, I (or we) hold myself (or ourselves) responsible to the Government for any public demand or demands that may arise against (name and corps) in the event of his being permitted to proceed to (place of leave or furlough).

In the case of an Officer serving in the Public Works Department, the no-demand certificate will be furnished by the Public Works Controller of Accounts of the province in which he may be serving. G. G. O. No. 891, dated 24th October 1866.

In addition to the no-demand certificate, an Officer in Civil or Political employ must produce an acquittance from the Civil Branch of the Office of Account of the Presidency, or Local Government under which he may be serving, or to which he may be responsible.
II. A Statement of leave since entering the service—and Statements of service—in the subjoined forms A, B, C, D (to be prepared by the applicant himself).

- G. O. G. 3d Feb. 1860, No. 53. The Governor in Council directs that the following rule, contained in G. O. by His Excellency the Commander-in-Chief in India, dated Simla, 12th July 1859, be extended to this Presidency.
- G. O. G. 8th March 1861, No. 86. Leave of absence, preparatory to furlough, whether on private affairs or on sick certificate, must always be *general*, and not *privilege* leave.
- G. O. G. 10th Dec. 1861, No. 436. With reference to G. O. G., No. 53, dated 3d February 1860, the Governor in Council directs that, in future, in accordance with the practice in Bengal, leave of absence preparatory to retiring from the service shall always be *general*, and not *privilege* leave.
- G. O. G. 12th June 1866, No. 239. The following Extracts from a Military letter from the Government of India, No. 930, dated 23rd November 1861, are published for general information:—
 "Though an Officer taking privilege leave may proceed wherever he may desire, he cannot proceed to such a distance as must preclude the possibility of his rejoining within the period of such leave. Thus as privilege leave, under Military rules, is limited to sixty days, and it is impossible, under existing arrangements for transit, to visit Europe and return thence within that period, an Officer cannot go to England on privilege leave on Military rules."
 "Government alone can grant an Officer leave to visit Europe."
 By order of His Excellency the Commander-in-Chief.
- Under instructions from the Government of India, the Right Honorable the Governor in Council directs the discontinuance from this date of the practice in this Presidency of granting privilege and general leave conjointly; and that in assimilation with the practice in the Bengal and Bombay Presidencies, no extension of leave, whether on private affairs or medical certificate, be granted to an Officer already on privilege leave except when unexpected circumstances render such extension either *very desirable* or *necessary*. In such cases the absentee will not forfeit any of the advantages of his privilege leave.

Furlough Regulations of 1854.

1. All Officers, Staff as well as Regimental, also Military Officers in Civil employ, must declare their choice of rules on the first occasion of taking leave, whether the leave be in India or elsewhere, and if the leave applied for be in India under the local rules, Staff Officers may make choice of the old Regulations, still retaining their Staff appointments, but, after having elected the Old Regulations, they vacate their appointments on embarking for Europe or the Cape or elsewhere beyond Sea, except for short periods not exceeding three months under rule 39. Note.—Applications for leave to have a N. B. to the following effect.

N. B.—"This being the first occasion of applying for leave since the publication of G. O. C. C. 9th December 1854, No. 98, Captain A. B. makes choice of the Old Furlough Regulations," or (of the regulations of 1854,) as the case may be.

Or
 N. B.—"Captain A. B., has on a prior occasion made election of the Old Furlough Regulations," or the regulations of 1854 as the case may be.

2. An Officer having made election of the Old Furlough Regulations while doing Regimental duty, cannot change to the Regulations of 1854 on subsequently obtaining a Staff appointment, G. O. C. C. 18th November 1856, No. 92.

3. To those Officers who adopt them, the New Regulations will apply retrospectively in respect of furlough and leave of absence beyond Sea, and in computing their time of service for retirement, so that their furloughs or leaves of absence, whether under the old or the new rules, and whether on private affairs or sick certificate within or beyond India, will count for service to the authorized extent only, in computing the time for retirement on full pay.

4. Officers who have availed themselves of the option of the old rules, are allowed to re-consider the question under the modifications now sanctioned.

5. Officers who have not taken leave subsequent to the publication of the new rules on the 1st February 1854, and who consequently may not have been called upon to declare whether they would abide by the old or the new Regulations, will, on retirement from the service, be entitled to take full advantage of the privileges given by the new Regulations.

Furloughs on Private Affairs.

6. Every Officer will be allowed a furlough to Europe, or elsewhere, beyond Sea, for a period of two years, at the expiration of ten years' service, and for a second period of two years after twenty years' service in India. (Period passed at Addiscombe College not to count.) An Officer proceeding on leave to England for six months, retaining his appointment or otherwise, is not to be considered as having taken his authorized furlough after ten or twenty years, as the case may be, but may, with permission of Government be allowed at any time to take the remainder of the two years authorized furlough on private affairs.—G. O. G. 1st April 1856, No. 102.

7. The second furlough of two years will only be granted after ten years' service in India, from the date of the return to duty after the first furlough of two years. These furloughs are not to be cumulative, under any circumstances, but are limited to two years. Officers who have taken leave of absence on sick certificate to Europe or elsewhere beyond Sea, will be ineligible to a furlough on private affairs until they have served six years from their last return to duty. This rule does not apply to short leave to sea. Officers who take their first furlough after twenty years' service in India, may take their second furlough after an additional service of five years from the date of their last return to duty.—G. O. G. 1st July 1856, No. 211.

An Officer of upwards of 20 years' service, but who before completing that period has enjoyed a furlough on private affairs to Europe, for say four years, for three of which he drew pay, has a claim to a second furlough of one year with pay, on the completion of ten years from the date of his return to duty, but, if subsequently to his return from furlough, he has taken leave on private affairs will not be claimable till the expiration of six years from return to duty from such sick leave as well as ten years from the date of return to duty from furlough on private affairs.

N. B.—This rule is not applicable to an Officer who takes his first furlough out of India after completing twenty years' service.

* Madras G. O. G., 5th May 1865, No. 170.

Officers who have proceeded on sick leave to Europe after a period of twenty years' service, it being the first time of their quitting India, can, as in the case of Officers who take their furlough after the same period, take a furlough on private affairs after five years from the date of their return to duty.—G. O. C. C. 18th November 1856, No. 92.

Fort William, the 29th January 1866.

No. 102 of 1866.—The following Military letter from the Right Hon'ble the Secretary of State for India, No. 362, dated 8th December 1865, is published for general information:—

MILITARY.

No. 362.

INDIA OFFICE,
 London, 8th December 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.

Sir,—In your Military letter dated 20th September last, No. 403, you refer for my decision a question what has arisen whether leave taken on private affairs without pay out of India, counts as part of the 6 years required before an Officer can obtain furlough after return to duty.

2. From the case which gives rise to the enquiry, I presume the question relates only to Clause 7 of the Furlough Rules, published in Orders by your Government on 17th November 1854, part of which is as follows:—

"Officers who have taken leave of absence on sick certificate to Europe or elsewhere beyond sea, will be ineligible to a furlough on private affairs until they shall have served six years from their last return to duty. This rule does not apply to short leaves to sea."

3. Clause 6 of the same rules states that every Officer will be allowed a furlough to Europe or elsewhere beyond sea for a period of two years at the expiration of ten years' service, and or a second period of two years after twenty years' service in India.

4. It was decided by the Court of Directors in the year 1856, that an Officer who had proceeded on leave to England for six months was not to be considered as having taken his authorized furlough after ten or twenty years, as the case might be; but that he might, with the permission of Government, take at any time the remainder of the two years' authorized furlough on private affairs.

5. The Court of Directors also ruled that absence for six months under Clause 9 did not preclude an Officer from taking his furlough to Europe after ten years' service.

6. It appears to me that the principle of these decisions may be applied to the present question; and absence to Europe on private affairs for six months, and all extensions of such leave granted in that country under special circumstances and without pay, may be permitted to reckon as part of the six years required to be served after return from leave on medical certificate to entitle an Officer to his furlough on private affairs.

No. 1244 of 1869, Fort William, the 15th December 1869.—In continuation of G. O. O.

Regulations of 1854—G. O. O. No. 1150 of 1854, paragraph 7.
 Regulations of 1868—G. O. O. No. 1064 of 1868, Rule VIII.

under the authority of the Right Honourable the Secretary of State for India, it is hereby notified that the rules laid down in the furlough regulations specified in the margin, which in the former require a period of ten or six years, and in the latter a period of three years, to be completed after return from last furlough before an Officer can be held eligible to a fresh furlough on private affairs, do not apply to the case of a General Officer of the Staff Corps or of the local service who may be unemployed.—* Madras G. O. G. 15th December 1868, No. 450.

8. All grants of furlough on private affairs are subject to the exigencies of the Public Service, and to the Regulations framed for the preservation of the efficiency of each Regiment by limiting the number of absentees.

9. Officers holding Staff or other detached appointments may be allowed furlough for a period of six months without losing their appointments; but during that period, they will not be entitled to any portion of their Staff salary, which will be drawn in full by the Officers officiating for them. Absence for six months under this rule does not preclude an Officer from taking his furlough to Europe after ten years' service.—G. O. G. 1st July 1856, No. 211.

10. Officers who have come to this country on duty with discharged Troops, and have been granted extensions, (not exceeding six months) of their privilege leave on medical certificate, or on private affairs, shall not be considered to have vitiated their claim to Furlough at the end of ten years' service, though they may not have been six years in India since their return from this country.

Para. 4. I have to inform you that it has been decided that those Officers who have been allowed to count their leave on sick certificate, as service for pension, will be ineligible to a furlough on private affairs, until they have served six years in India from the date of their return to duty. Vide Rule 7.

N. B.—A number of Recruits having been enlisted for the Royal Artillery, for service in India, it has been deemed expedient that a certain proportion of Officers of the Bengal, Madras, and Bombay Artillery should be appointed to do duty with them at the Royal Artillery Depot at Woolwich, until the next season of embarkation, and that some of these Officers should then proceed with the drafts to India.

These Officers will be entitled to count the time passed at Woolwich as service in India, and if they proceed with Recruits, the period occupied by the voyage. The Officers returning with Recruits will be allowed to count the period passed by them on duty at Woolwich, and on the voyage, as part of the qualifying period necessary for them to serve in India (before they are again entitled to a furlough to Europe).

G. O. G.
12th July 1861,
No. 232.

No. 565 of 1861.—His Excellency the Governor General in Council is pleased to resolve that absence from India, on authorized leave within the periods allowed by the new furlough Regulations, shall not debar an Officer whose efficiency has been proved and certified to the full satisfaction of the Governor in Council from Departmental promotion, temporary or permanent.

In such cases the absent Officer will not, till he resumes charge of his duties, have any claim to the salary of the higher office, which will be drawn by the acting Officer.

Your Military letter dated 20th February, No. 73, transmits, with your favorable recommendation, correspondence relative to an application from Lieutenant Colonel J. McK. Taylor, Commanding 2nd Regiment, Bombay Light Cavalry, praying, that the furlough Regulations may be so far modified as to allow Officers who have taken only one furlough during twenty-seven years' service to take a second furlough, after the expiration of that time, without being compelled to serve ten years from date of return to duty.

2. Under a decision of the Court of Directors, under date the 25th April 1856, No. 56, Officers who take their first furlough after twenty years' service in India, may take a second furlough after a service of five years, from date of last return to duty, or, on completion of twenty-seven years' service in India.

G. O. G.
21st June 1864,
No. 231.

3. In the present case, it appears that Lieutenant Colonel Taylor took his first furlough after a service of eighteen and a half years. Under present rules he cannot obtain a second furlough until the expiration of ten years, from date of return to duty, by which time he will have completed a service of upwards of thirty years.

4. I have no objection to the modification of the Furlough Regulations suggested by your Government in favor of Lieutenant Colonel Taylor and other Officers similarly circumstanced, on the understanding, however, that this is not to affect the Rule under which an Officer who takes his first furlough after twenty years' service, or upwards, must serve a period of five years, from date of last return to duty, before he is to be held entitled to a second furlough.

G. O. G.,
No. 360,
15th Oct. 1861.

2. The privilege of retaining appointments during periods of absence not exceeding twenty months, as announced in my Despatch, dated 18th January last, applies only to Officers returning to this country on medical certificate. It was intended as an extension of the privilege of fifteen months' leave allowed by the new furlough Regulations to Staff Officers quitting India on account of the state of their health. With this exception Officers of the Staff Corps, it was stated, would be under the new furlough Regulations. By these Regulations, furlough on private affairs with retention of Staff appointments is restricted to six months.

3. The furlough on private affairs of the Officers of the Staff Corps, with the right of retaining appointments, is to be limited to the same period.

An Officer must have served ten years in India to entitle him to return to this country on private affairs for six months, retaining his appointment and drawing furlough pay.

An Officer who has taken the furlough to Europe for two years, after ten years' service, must show a service in India from date of return of ten years, to entitle him to return to Europe on private affairs for six months, retaining his appointment and drawing furlough pay.

An Officer having taken shorter leaves of absence as a Staff Officer (six months on private affairs fifteen or twenty months on sick certificate) with retention of appointment may take a second leave of absence, retaining his appointment on sick certificate after he has been three years, or on private affairs, after he has been six years in his discharge of the duties of his appointment, from the date of last return to it.

This decision should not be allowed to interfere with the practice which has been followed under the Regulations of 1854, and those in force previously, for permitting Officers in certain cases of emergency to return to this country on private affairs for short periods without pay, and that a Staff Corps Officer permitted to return to Europe under such circumstances should be allowed to hold his appointment for a period not exceeding six months. In fact, this has already been authorized in Question and Answer No. 121, which states that the Government may grant leave of absence for six months on urgent private affairs without pay and allowance to a Staff Corps Officer, with retention of appointment, on being satisfied of the urgency of the case.

I am of opinion also that Staff Officers not members of the Staff Corps should be allowed a similar indulgence under like circumstances.

Regarding the mode of reckoning the service of an Officer of the Staff Corps formerly under the old furlough Regulations, as regards future furloughs such Officers will be under the operations of Clause 7 of the furlough rules of 1854.

G. O. G.
30th Aug. 1863,
No. 304.

10. All Officers, whether Staff or Regimental, while on furlough on private affairs, will be entitled to "furlough pay" only.

Leave of absence on Sick Certificate.

11. Leave of absence on sick certificate will be granted for a term not exceeding twenty months, whether it be to any place in Europe or elsewhere out of India.

12. Extensions of such leave may be granted, as at present, on production of medical certificates for further periods not exceeding sixteen months in the whole.

With reference to para. 13. No. 1884.—The grant of leave of absence to Staff Officers, on medical certificate, with half Staff allowances, for six months, and with the privilege of returning to their offices, if their absence from India be not prolonged beyond fifteen months, is bestowed by the Honorable Court, in order to enable such Officers to regain their health, and in the expectation, that they will be thereby qualified to render additional service to the Government. But if leave of absence be taken merely to run out a prescribed

period of service, and without any intention of returning to duty, the principle on which the rule is founded is infringed, and the indulgence of the Honorable Court is abused; wherefore the Right Honorable the Governor General in Council hereby notifies for general information, that, if there be an avowed intention on the part of an Officer not to return to duty, or if the Government have valid grounds for concluding that the Officer has no intention to return to duty, the indulgence of leave on sick certificate, retaining office, will not be granted in future.

The foregoing was declared in a Notification, No. 2,129, dated 16th April 1856, republished in G. O. G. 2d May 1856, No. 139, to be applicable to all Military Officers holding Political or Civil appointments, either under the Government of India or under any of the Subordinate Governments.

G. O. C. C.
18th Nov. 1856,
No. 92.

With reference to paras. 13 and 16. 6. If an Officer, having proceeded on leave in India on medical certificate and enjoyed the indulgence to the full extent, proceeds on leave on medical certificate out of India without having returned to duty, the existing Regulation which precludes receipt of Indian allowances for a longer period than two years of continuous absence from duty, is a bar to his drawing Indian allowances for the first six months or for any part of his fresh leave.

G. O. G.
14th Sept. 1859,
No. 360.

8. The new furlough Regulations made no alteration in the old rules governing the resumption of Staff allowances on return to duty. Under those rules an Officer who had ceased, prior to his return, to be entitled to Staff allowances, could not draw any portion of them from an earlier date than that of his resumption of his Staff duties. We think it undesirable to make any change in this respect.

14. An Officer's claim to half Staff salary for six months, as sanctioned in the preceding rule, will not be affected by his subsequently retiring from the service in Europe or elsewhere.

15. No portion of Command allowance, Medical Staff salary or other similar allowance, which under the old rules was inadmissible to Officers absent from their Corps or Stations at the Cape or elsewhere, will be allowed to absent Officers under these Regulations.

16. * All Officers, whether Staff or Regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian Pay and Allowances as was allowed under the old Regulations to Officers proceeding to the Cape on medical certificate, and for the remaining period of their leave they will receive furlough pay only.

17. If the leave on sick certificate be extended, furlough pay will be continued, but under no circumstances for a longer period than three years altogether from the commencement of the absence.

Staff Officers.

18. The term Staff Officer applies to all Officers holding Staff or Detached appointments, Military, (General or Regimental,) Political or Civil, also to General Officers Commanding Divisions, Inspectors or Deputy Inspectors General of Hospitals and others who, under the old rules, were entitled to draw half Staff allowance when absent at the Cape.

19. Staff Officers, absent on leave beyond the periods stated in Rules 9 and 13 respectively, cannot retain their appointments and allowances except on special grounds, to be sanctioned by the Government of the Presidency.

With reference to para. 19. 1. The new furlough Regulations are held, not to affect the rules heretofore in force with respect to leave in India, and consequently a Staff Officer obtaining leave of absence in India on private affairs for six months, or on medical certificate for two years, retains during such absence a moiety of his Staff salary as sanctioned by the Regulations for the grant of leave in India which are still in force.

2. A Staff, as well as a Regimental Officer is required, when first applying for leave, whether in or out of India, to declare by which of the furlough Regulations he wishes to abide. A Staff Officer having made his election can take his leave in India as above stated, and should he afterwards require to proceed to England, the retention or otherwise of his appointment will depend upon which of the rules he first elected, and from which he cannot afterwards change.

3. In the event of a Staff Officer electing the new furlough Regulations and taking leave in India, the whole of the leave he has previously enjoyed from the date of his entering the service, excepting the periods allowed by those rules to reckon as service, must be reckoned against his period of service for retirement.

Having considered in Council your Despatch, No. 25, dated 11th February 1859, soliciting instructions as to what may be admitted as special grounds for permitting a Staff Officer, absent on medical certificate, to retain his appointment for any period beyond twenty (20) months, I have to express the desire of Her Majesty's Government that this indulgence should be very rarely granted, and only in cases where it is important on public grounds to retain an Officer's services in a particular appointment, or where the distinguished services of an Officer may entitle him to special consideration.

The concession of leave to Europe in the case of a General Officer is to be considered the exception and not the rule; and, as ground for obtaining such leave, it must be shown that the Officer has contracted illness from the effects of climate, or of wounds received on service in India, or that the nature of the private affairs taking him from India is of a very urgent nature.

Leave on medical certificate will be restricted to six months, and on private affairs to four months, the penalty of exceeding such period being the vacation of the Command, and in no case will a General Officer be allowed more than one grant of leave out of India during his tour on the Staff.

The position of Brigadiers being considered analogous to that of General Officers on the Staff, the principle upon which the indulgence of leave is to be granted will hereafter be the same in both cases.

where, beyond Sea for a period of twenty months, without losing his appointment; and, during the first six months only of such absence, he will be entitled to draw half the Staff salary of his appointment, the Officer officiating for him drawing the remaining half salary during the first six months, and the whole salary during the remainder of the time.

SIR,—As it appears from recent circumstances that an impression exists in India that Officers Commanding Divisions and Brigades whose leave of absence on sick certificate with retention of appointment is limited to six months, and who may come to this country for that period, are not required to produce evidence of physical fitness for duty before being allowed to return to India, I request that you will notify to the Army at large that all Officers, however employed, and whatever may be the amount of leave granted them, who leave India on sick certificate, are required to produce a certificate of fitness for duty before they can be allowed to return.

I have, &c.,

No. 306.

"An Officer who has returned from Europe or from Sea, but not as a Staff Officer, i. e., who did not proceed to Europe as a Staff Officer with the attendant privileges, and is subsequently nominated to a Staff situation, and in less than three years from the date of his last return to duty, proceeds on such leave to Europe or to Sea, would not be required to vacate his appointment, with advertence to para. 20 of the new furlough Regulations."

20. The privilege of retaining Staff appointments during leave of absence on sick certificate, or on furlough on private affairs, will not be available a second time, if the fresh leave is on sick certificate, until an Officer has been three years, or if on private affairs, until he has been six years in the discharge of the duties of his appointment, from the date of last return to it.

The following Military letter from the Right Hon'ble the Secretary of State for India, is published for general information:—

INDIA OFFICE, London, 30th April 1868.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—It has been brought to my notice that Officers of the Indian Service promoted to the rank of General Officers, and frequently thrown out of active employment for a season by such promotion, are, if residing unemployed in India, entitled to count such residence as service for pension, but if residing out of India, they come under the rules applicable in this respect to Officers on leave.

G. O. G.
19th June 1868.
No. 232.

2. I do not consider, under the altered circumstances of the Indian Service, that this distinction should be maintained, and I have determined therefore, that Officers on attaining to the rank of Major General shall reckon the whole of their service on the effective list, whether employed or unemployed, as service for pension, wherever they may choose to reside.

3. This ruling will take retrospective effect in the case of Officers retiring from the service hereafter.

I have, &c.,
(Signed) STAFFORD H. NORTHCOTE.

21. This rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs in India, or for brief periods not exceeding three months, to Ceylon, the Mauritius, or other places out of India.

22. Officers Commanding Troops of Horse Artillery and Light Field Batteries, and Officers generally in employment, will be allowed leave out of India under the same rules with respect to allowances and tenure of command or office as regulated the grant of leave to the Cape to such Officers under the old Regulations, except as to the duration of those advantages, the time for their continuance being subject to the provisions of the new Regulations.

Date of Furlough and Advances of Pay.

23. The period of furlough on private affairs, or leave of absence on sick certificate, is to be calculated from the date of the departure from India of the ship in which the Officer proceeds.

N. B.—"When an Officer is granted permission to return to his duty by a particular ship, it is equivalent to granting him an extension of leave until the arrival of that ship in India." G. O. G. 15th August 1862.

24. Advances of pay and allowances, Staff and Regimental, to Officers proceeding on leave of absence on sick certificate, who may be entitled to them, will be made if desired in India for three months from date of embarkation. Payments in continuation will be made in England at the rates of exchange fixed annually for re-payment of advances made on account of Her Majesty's Government. Furlough pay will continue to be issued in advance for six months when required by Officers obtaining furlough on private affairs.

1st.—It is the duty of an Officer before leaving India to obtain his last Pay Certificate; he should therefore at the time of applying for leave address the Deputy Paymaster in whose Circle of payment he may be, with a request that his accounts may be adjusted, and at the port of embarkation he should apply at the Pay Office for a last Pay Certificate. In the event of his not being able from any cause to obtain this certificate, he should address the Military Accountant on the subject, and that Officer will investigate the circumstances of the case and submit a report thereon to the Military Finance Department for transmission to Government.

2nd.—In cases in which Officers return Home "for Residue of furlough," the period remaining unexpired should be stated in their papers by the Pay Department.

3rd.—The Right Honorable the Secretary of State for India having observed, in his letter No. 497, dated the 31st December 1861, paragraph 10, that "the final settlement of all pay and allowances issued to an Officer prior to his quitting India, whether in advance or otherwise, is invariably left to the authorities in India, it will not be necessary for the Officers of the Pay Department in future to call upon Officers on furlough in England, who, on promotion, may apply to India for an adjustment of pay (for the period issued to them prior to their leaving this country) to furnish a certificate under the signature of the authorities at the India Office to the effect that no such adjustment has been made by them.

4th.—This order is applicable to the three Presidencies, and will have effect from this date.

No. 750 of 1862.—His Excellency the Governor General in Council is pleased to extend to Officers on leave the rule which permits Officers of one Presidency, when absent on duty, to draw their pay and allowances from the Pay authorities of any other Presidency at which they may be residing, and to lay down the following rules for future guidance:—

Officers of one Presidency may draw advances on account of their pay and allowances which have become due from Paymasters at any other Presidency at which they may be residing, whether on duty or on leave on medical certificate or private affairs.

Officers so situated must furnish, with their Bills, a last Pay Certificate from their own Presidencies, showing specifically the sum to be deducted and the amount to which entitled, and also indicate the General Order or other authority under which they are absent.

These rules are also applicable to cases of Officers embarking for Europe from any other than their own Presidencies, and who may be entitled, under the furlough Regulations, to advances of pay and allowances.

In cases of Staff Officers so situated their last Pay Certificates are to specify clearly the amount of half Staff salary to which they may be entitled during their leave.

In case of emergency, when last Pay Certificates cannot be produced, advances on account of unadjusted arrears of pay may be made on good security for the amount being furnished.

Bills for any admissible passage money are to be supported by a sufficient Guarantee from the Agents of the Ship or other parties, that half the passage money will be refunded in the event of the Officer dying after engagement of his passage, or before the vessel puts to sea.

Paymasters making advances under these rules are invariably to record the same on the back of the last Pay Certificate, and will make the necessary communication to the Paymaster of the other Presidency concerned with the least possible delay, and if Security be taken, it is also to be noted on the Pay Certificate.

If proof be forthcoming that an Officer has already furnished Security at his own Presidency for any demands on the part of Government which may arise, fresh Security is not to be required by Paymasters of any other Presidencies.

All over-drawings or short charges will always be adjusted by the Pay authorities of the Presidency to which the Drawing Officers may belong.

All other orders on this subject at the three Presidencies are hereby superseded.

The existing Regulations regarding Passage Money to Officers are not affected by these rules.

G. O. G. G., No. 1009 of 3rd December 1866.—With the view of encouraging the study of the Native languages, it is hereby notified, for general information, that extended periods of leave to visit the Presidency, without loss of service, will be granted under the following conditions to Officers of the Army who pass successful examinations in the tests prescribed in Government General Order, No. 734 of 1863:—

1st.—Officers who pass an examination according to the second standard will be allowed to reckon as duty the period of their absence to the extent of (a) six months.

2nd.—To Officers who pass a successful examination in the languages defined in Rule VIII of the Government General Order quoted, above, a further period of six months' leave will be granted without loss of service.

3rd.—Candidates who may obtain certificates of High Proficiency, under the operation of Rule XII, will be allowed leave of absence to the extent of 18 months in the aggregate.

4th.—And candidates who obtain Degrees of Honor, under the terms prescribed in Rule XV, shall be permitted to reckon as service the period of their absence to the extent of two years.

2. To insure, however, that the time of the candidates is not misapplied, it must be clearly understood that they shall pass successful examinations according to the different tests within the prescribed periods.

3.—The foregoing rules are to be in supersession of all previous regulations on this subject.

G. O. G. G., No. 90 of 23rd January 1867.—In modification of Government General Order, No. 911 of 1861, His Excellency the Governor General in Council is pleased to prescribe the following Rules, under which Officers may draw pay and allowances through their Agents in India when on leave beyond the limits of their own Presidencies:—

1. Officers proceeding on leave for any period under the old furlough rules, beyond the limits of their own Presidencies, will be permitted to draw their pay and allowances through their Agents, on the latter furnishing a satisfactory guarantee for the refund of over-payments.

26. The certificates issued to Officers who are granted furloughs on private affairs, or leave of absence on sick certificate, are to specify the time each Officer has been absent on leave within Indian limits, as well as the time of his previous absence in Europe; but will not include the periods allowed for proceeding to

II. The guarantee must be attached to the application of the Officer for permission to draw his pay in India, which must be submitted through the Pay Master, to be forwarded to the Controller of Military Accounts, who will grant the authority to the Agent to draw the pay monthly as it becomes due.

III. The guarantee is to be in the following form, and must bear a stamp according to the scale noted at the foot thereof, in order to cover any possible amount to be retrenched:—

Form of Guarantee to be furnished by Agents of Officers proceeding on leave beyond the limits of their own Presidency, to accompany applications of Officers to draw their pay and allowances in India during absence.

We Agents of _____ do hereby engage, in the event of our being permitted to draw the pay and allowances of our constituent during his authorized absence from the Presidency, to repay such part of the amount as he may not be entitled to in case of death, as also such sums, with retrospective effect, as our constituent may become liable for, by his bringing himself upon furlough pay from the date of quitting his own Presidency by any of the following acts:—

1. By overstaying the leave to sea for two years on medical certificate, or for six months on private affairs, which he may have obtained under the old furlough rules.

2. By proceeding to England from the leave aforesaid under the old furlough rules, without having returned to his own Presidency.

3. "Short leaves on private affairs for periods not exceeding thirty days, which have been granted to Officers in General Orders, previously to 6th December 1854, are to be counted as 'privileged,' provided they do not exceed an aggregate of thirty days in each half year."

4. "Should an Officer who is on privilege leave not rejoin his Corps, but be absent in continuation, on not more than five months' leave on private affairs, or one year and eleven months' leave on medical certificate, he will retain his full salary or allowances for the thirty days of privilege leave, which will also count as service, but he will, nevertheless, forfeit all Military allowances on completing six months or two years' absence, (as the case may be) reckoned from the date that he quitted his Corps and station."

5. In calculating the period of an Officer's absence on furlough in India, the day of departure from a Regiment or appointment is to be reckoned as one of duty. In like manner as respects furlough beyond India, the date on which the vessel conveying the Officer from India puts out to sea, is to be reckoned as one of furlough and the day on which he returns to his Presidency as one of duty.

6. An Officer entering the service and obtaining leave to visit a station not the Head Quarters of his Regiment and to join the Corps to which he is posted, and who actually does join within the period sanctioned by Regulation for the purpose of joining by the direct route, is allowed to reckon such leave as service for pension.

7. The principle of this rule is applicable to Officers who on return from leave out of India are allowed to visit a station out of the direct route to the station to which they belong.

8. Leave for one month, granted to Officers in Civil employ under Section XI (amended) old Civil Service Absentee Regulations, is not to be deducted from same light as one month in six privilege service, it being considered in the leave granted to Military Officers.

9. The period during which Officers may have been or may hereafter be absent on leave for the purpose of accompanying Insane or Sick Officers is allowed to count as service for pension.

10. If an Officer is placed on duty while on leave of absence whether on medical certificate or private affairs he will be allowed to count as service for pension the whole period he may be so employed, i. e., from the date of the order nominating him to such duty to the date of the order relieving him, both inclusive.

11. In accordance with the principle laid down in the 65th paragraph of the General Order of the 10th April 1861, Officers of the new Brigades of Artillery and new Line Regiments ordered to do duty at the Regimental Depot, or with Drafts on the voyage to India, will reckon such duty as service in India for retiring pension. Those doing duty under any other circumstances in this country, will reckon such service in the proportion of one year for two.

12. Officers of Her Majesty's Service in India, whether employed Regimentally or in Staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

13. In the case of Officers of Her Majesty's Service on furlough on sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

14. Officers of Her Majesty's Service in India, whether employed Regimentally or in Staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

15. In the case of Officers of Her Majesty's Service on furlough on sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

16. In the case of Officers of Her Majesty's Service on furlough on sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

17. In the case of Officers of Her Majesty's Service on furlough on sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

18. In the case of Officers of Her Majesty's Service on furlough on sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

19. In the case of Officers of Her Majesty's Service on furlough on sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

20. In the case of Officers of Her Majesty's Service on furlough on sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

21. In the case of Officers of Her Majesty's Service on furlough on sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

22. In the case of Officers of Her Majesty's Service on furlough on sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

23. In the case of Officers of Her Majesty's Service on furlough on sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

24. In the case of Officers of Her Majesty's Service on furlough on sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

25. In the case of Officers of Her Majesty's Service on furlough on sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

26. In the case of Officers of Her Majesty's Service on furlough on sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

27. In the case of Officers of Her Majesty's Service on furlough on sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

28. In the case of Officers of Her Majesty's Service on furlough on sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

29. In the case of Officers of Her Majesty's Service on furlough on sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

The last Pay Certificate of all Officers proceeding to England on sick certificate is to specify the rate of Regimental pay and allowances and Staff salary to which they would have been entitled under the old Regulations if proceeding to Sea on medical certificate.

This information is necessary in order that no difficulty may arise in the Pay Department of the India House in adjusting the several payments which may be due.

With reference to para. 29. 13. An Officer returning from Europe or Sea is allowed to count as service 15 days for preparation at the port of embarkation and marching distance to his Corps or Department in addition.

With reference to para. 29. 14. An Officer going to Europe or Sea is allowed to count as service in addition to marching distance to the Presidency or nearest port of embarkation, the same period for preparation prior to embarkation as allowed to Officers returning from Europe, viz. 15 days.

With reference to para. 29. 15. Officers obtaining leave preparatory to final leave out of India, but who after arriving at the Presidency or other port of embarkation abandon their intention of leaving the country, cannot reckon as service the period they may have been absent from duty on such preparatory leave which then assumes the nature of ordinary leave in India.

With reference to para. 29. 16. An Officer who proceeds on furlough to the Presidency or other port, (not preparatory to applying for leave to proceed to Europe or elsewhere) and while there obtains a sick certificate to Europe or other place out of India, is not entitled to count as service the period allowed by Regulation for proceeding from the station of his Regiment or appointment to the port of embarkation; but he can reckon as service the period of 15 days allowed at the Presidency or port of embarkation preparatory to embarkation.

With reference to para. 29. 17. If instead of being at the port of embarkation, he is at another port, or at an inland station, when he obtains the sick certificate to quit India, he will be allowed the time authorized for travelling from the station at which he may be when he obtains his sick certificate, to the port of embarkation.

With reference to para. 29. 18. If an Officer while absent on ordinary sick certificate in India, quits India on sick certificate, or, who having proceeded on ordinary leave on private affairs in India obtains a furlough out of India, he is entitled to count as service the period allowed for proceeding from the place at which he may be when he obtains leave to quit India, to the port where he ultimately embarks.

Simla, 22nd September 1864.

No. 774 of 1864.—Having taken into consideration the existing facilities for travelling, which are steadily increasing, His Excellency the Governor General in Council is of opinion, that the rules now in force for regulating the periods allowed to Officers and others proceeding, in ordinary course, from one station to another, are no longer suitable or adapted to meet the interests of the service or the general convenience of Officers.

2. G. O. C. No. 770 of 14th September 1853 is therefore cancelled, and the following rules will be observed from the 1st November next:—

3. Officers returning from furlough to Europe or leave beyond sea, or Officers removed from a regiment, appointment, or station, at their own request, or on regimental or departmental promotion, or to join a new appointment, will be allowed fifteen days for preparation from the date of arrival, or being struck off duty. On special grounds, this period may be extended to thirty days by the Officer Commanding the Division, District, or Garrison.

4. Every Officer, at the expiration of the period allowed for preparation, is required to join his corps, station, or appointment, by the most expeditious available mode of travelling, and without unnecessary delay on the road.

5. Officers who may be unavoidably delayed by sickness or other circumstances must report the cause and period of such delay, furnishing medical or other certificates to the Officer Commanding the Station, at or nearest to which such delay may have occurred.

6. In very special cases, Officers Commanding Divisions may sanction a slower mode of travelling, either for a part or for the whole of the journey; but any such indulgence, and the reasons for granting it, must be reported at once to His Excellency the Commander-in-Chief, or to the Government, according to the nature of the Officer's employment.

7. This ruling is to be made applicable to all three Presidencies.

Leave of absence, preparatory to furlough, whether on private affairs or on sick certificate, must always be general, and not privilege leave.

With reference to G. O. G. No. 53, dated 3d February 1860, the Governor in Council directs that, in future, in accordance with the practice in Bengal, leave of absence preparatory to retiring from the service shall always be general, and not privilege leave.

It is hereby notified that, under a recent ruling of the Government of India, Officers, whose leave may expire after the commencement of General Holidays, will, notwithstanding such Holidays, be required to report, as heretofore, their return to duty on the termination of their leave.

Periods of absence allowed to be counted as Service for Retiring Pensions.

29. In order that all Officers quitting India on furlough, or sick certificate, may be placed on an exact equality as regards loss of time, the period allowed by Regulation for proceeding to the Presidency or to the nearest port of embarkation, as well as the time to enable Officers to rejoin their corps or station after their return to India, will be considered as time counting for service for the retiring pension.

It is notified for general information that under a recent decision of the Government of India, an Officer who had elected (or who, not having before elected, might on his entering the Staff Corps desire to elect) the old furlough Regulations, carries with him into the Staff Corps so much of his service (authorized leave included) as had been passed in Indian limits and no more; and that to entitle him to retire on the pension of any particular rank he must serve so many more years as would with that service complete the full period of service prescribed for such pension, with the liberty of availing himself, after his entry into the Staff Corps, of the privileged periods* of absence allowed in paragraph 30 of the new furlough Regulations.

G. O. C. C.
1st Mar. 1862,
No. 22.

For instance a Captain who, on entering the Staff Corps on the 18th February 1861, had served twenty-four years counting as service for retirement under the old rules, and had been absent six years on leave to Europe, would enter the Staff Corps with a capital of service of twenty-four years only; and, before he could retire on the pension of a Lieut. Colonel he would have to serve four years longer, of which three years might be passed on leave.

* 2. With reference to the foregoing, Officers who at date of entering the Staff Corps had not made election of furlough Regulations are requested now to report under which furlough Regulations they desire that their service to that date may be calculated.

GENERAL ORDERS BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Fort William, the 12th May 1862.

No. 520 of 1862.—The following rule which has received the sanction of the Right Hon'ble the Secretary of State for India for calculating the service of Officers who, formerly under the old furlough Regulations, have joined the Staff Corps, and whose service from date of joining that Corps is to be reckoned under the new furlough Regulations, is published for general information and guidance:—

G. O. G.
27th May 1862,
No. 212.

1. Officers having elected (or who not having before elected might, on their entering the Staff Corps, desire to elect,) the old furlough Regulations will carry with them into the Staff Corps so much of their service (authorized leave included) as may have been passed within Indian limits and no more. Before they can retire on the pension of any particular rank they will be required to serve for such further period as will, with that service, complete the full period prescribed for the pension of any particular rank, with the liberty of availing themselves, after their entry into the Staff Corps, of the privileged periods* of absence allowed by paragraph 30 of the new furlough Regulations.

19. An Officer who has served twenty or twenty-four years, and not more is only entitled to reckon two years' absence as service. Rule 33 gives the minimum period of service which entitles an Officer so situated to retire on the pension of a Captain or Major; but an Officer who has served beyond those periods is entitled to the benefit of Rule 30 by which extended periods of absence are allowed to reckon, regulated by the length of the Officer's service. For instance, an Officer who has served twenty years, and no more, and had only three years' leave must still perform one year's duty before he can retire as a Captain; whereas an Officer whose aggregate service is thirty years, out of which he has enjoyed leave for fourteen years and no more, can retire as a Captain at once.

With reference to para. 31. G. O. G. No. 1113 of 1857.—The following Extract, paras 18 and 19, of a Military letter, from the Honorable the Court of Directors to the Government of India, No. 126, dated 22d July 1857, are published for general information:—

18. By the Regulations established for the promotion of Lieutenant Colonels to the rank of Colonel after three years' service, it is provided that no longer period than one month in each year, or a total of three months in three years, or six months in six years shall be allowed to reckon, whether the leave shall have been spent in India or out of the country, except in cases of wounds or illness contracted by service in the Field, duly certified by a Medical Board, when each case will be separately considered with reference to the time to be allowed.

No. 290.

Request Court's decision on the question whether leave of absence in or beyond India taken in consequence of wounds received in action shall be allowed to reckon as service for pension both under the old and new Regulations.

30. No Furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years aggregate service, three years in twenty-five years' service, and four years in thirty years' service, shall be allowed to count as service for the retiring pension; and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or out of India, or whether the leave be on sick certificate or on private affairs

31. In the term "Leave of Absence as announced in General Orders" is to be included all leave of absence except the period allowed in Rule 29, and the ordinary indulgence of one month's leave in six months, authorized by the existing Regulations, and which are in all cases, whether of Regimental or Staff Officers, to be allowed to count as service for the pension. All leave to a greater extent granted by Political and other authorities, which may not hitherto have been published in General Orders must be so announced hereafter.

No. 22.—With reference to G. O. G. 15th September 1857, No. 290, the Commander-in-Chief desires it to be notified that the privilege of reckoning the time of absence in the period of service required for retirement on full pay is authorized "in cases of wounds or illness contracted by service in the Field, duly certified by a Medical Board, when each case will be separately considered with reference to the time to be allowed."

In all such cases a specific description is to be given in a report by a Medical Board of the nature of the illness and of the grounds upon which it is considered that the illness has been contracted by service in the Field.

All such grants of leave should be made for periods not exceeding eighteen months to be extended if necessary.

37. It is to be distinctly understood, that under no circumstances whatever will an Officer be permitted to retire on full pay, until he has completed the full time of service above specified, whether he be in England or elsewhere, or on leave of absence.

G. O. G. 17th July 1864,
No. 276.

38. The privileged time of absence may, with the permission of the local Government, be taken at any time subject to these Regulations. If therefore, at the end of twenty-years' service, of which eighteen had been passed on actual duty in India, an Officer should be on furlough, or sick certificate in Europe, or elsewhere, he will be entitled to retire on the full pay of a Captain without returning to India; and so in the other terms of service for the higher pensions. In like manner a Medical Officer on furlough, or sick certificate in Europe, or elsewhere, at the end of seventeen years' service, fifteen years and four months of which had been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pensions.

Under instructions from the Government of India, the Governor in Council is pleased to declare that the grant of leave to Officers on medical certificate in India, shall, for the future, be limited, under ordinary circumstances, to one year, subject to extension on fresh Medical Report.

39. These rules do not in any way affect the existing Regulations regarding the grant of leave in India, or the periods to Sea, or the periods of such absence being taken into calculation in the time allowed to count as service for retirement on full pay.

Furlough Regulations of 1868, Revised.

No. 434 of 1868.—The following Extract from General Orders by the Government of India, is re-published :—
Fort S. George, 1st December 1868.
Sinla, 10th November 1868.

No. 1064 of 1868. The Right Hon'ble the Secretary of State for India having, with certain modifications, approved generally of the rules relative to the absence on leave of Military Officers, published in Government General Order No. 613, dated 19th June 1868, the following revised rules are published in substitution of those contained in the order above referred to.

G. O. G.,
 19th Oct. 1869,
 No. 348.

No. 996 of 1869, *Sinla, the 28th September 1869.* With a view to regulating the grant of furlough under the regulations of 1868, as published in G. G. O. No. 1064,* dated 10th November 1868, the Right Honorable the Governor General in Council is pleased to direct that Officers obtaining furlough on private affairs are to understand that the grant of the furlough only holds good for three months from the date of the General Order notifying it. This period of three months is inclusive of the thirty days' preparatory leave allowed to reach the port of embarkation.

In the case of an Officer not embarking within the prescribed period, the order granting it will cease to have effect.—* Madras G. O. G. 1st December 1868, No. 434.

The question of the application of these rules to the Officers generally of Her Majesty's British Forces serving in India is still under the consideration of Her Majesty's Government.

To obviate confusion or misconception as to the rules referred to, those previously in existence in those now sanctioned will be severally designated as the Furlough Rules of 1796 of 1854, or of 1868.

The term "Furlough Pay" having now a changed and two-fold signification, in all future orders and references "Furlough Pay" will be understood as the half Indian salary within the prescribed limits, specified in paragraph 5 of the rules, converted at the exchange of 2 shillings for the rupee, whilst "English Furlough Pay" will represent the rates heretofore allowed to the several grades as English pay under the rules of 1796 and 1854.

No. 614 of 14th June 1873.—The following Military letter from the Right Honorable the Secretary of State for India, is published for general information :—

MILITARY.
 No. 105.

INDIA OFFICE,
 London, 26th April 1870.

To His Excellency the Right Honorable the Governor-General of India in Council.

MY LORD.—Paragraph 5 of your Despatch No. 367, dated 18th November 1869, reports your having decided that Officers of the Royal Engineers on the Imperial Establishment employed in the Public Works Department, will be considered entitled to the benefits of the Indian Furlough Rules, as forming part of the Civil Administration of the country, counting service from date of arrival in India; but that Officers joining the Sappers and Miners from England, who are not inclined to enter the Public Works Department, will enjoy only such leave as is conceded, under Her Majesty's Regulations, to Officers of British Regiments.

2. I presume it to be intended that the Officers with the Sappers and Miners, forming the fixed establishment receiving a staff salary, as referred to in the Despatch No. 47 of 15th February 1867, will be considered as Staff Officers; and that, although Officers merely attached to the Sappers will, while so employed, be considered as performing ordinary regimental duty, they will, should they afterwards accept staff employ, be entitled to count their service for furlough from date of arrival in India.

3. On this understanding I approve your decision.

II. Leave taken under the Rules now prescribed will not involve forfeiture of appointment, except in the cases herein specially provided for.

III. The Rules now prescribed do not affect the provisions of Act XXXIII of George III, Chapter 52, Section 70; but an Absentee cannot retain his appointment, and draw absentee allowances, except under the Rules now prescribed.* Nor do they affect the regulations by which General Officers Commanding Divisions and Brigades can only obtain limited periods of leave without forfeiting their commands.

* Note 2.—The Section referred to is quoted below :—

Section 70.—And be it further enacted, That no Person who shall have held any Civil or Military Station whatever in India, in the Service of the said United Company, being under the Rank or Degree of a Member of Council or Commander-in-Chief of the Forces, and who, having departed from India after such Departure, shall be entitled to any rank or Restoration of Office, or be capable of again serving in India, either in the European or Native Corps of Troops or in the Civil Line of the Company's Service, unless in the case of any Civil Servant of the Company, it shall be proved to the satisfaction of the Court of Directors, that such absence was occasioned by Sickness or Infirmary, or unless such Person be permitted to return with his Rank to India by a Vote or Resolution passed by way of Ballot, by three parts in four of the Proprietors assembled in General Court, specially convened for that purpose whereof eight days' previous notice of the time and purpose of such meeting shall be given in *The London Gazette*, or unless in the case of any Military Officer, it shall be proved to the satisfaction of the said Court of Directors, and the Board of Commissioners for the affairs of India, that such absence was occasioned by Sickness or Infirmary or some inevitable accident.

These rules will be applicable to all Officers who may elect to adopt them belonging to the several Indian Staff Corps or to the Indian Army, and in regard to the period of leave of absence during which appointments may be held, and in regard to the increased allowances they will also be applicable to Officers of the Royal Artillery and Royal Engineers, late of the Indian Army, holding permanent staff appointments not of a regimental nature.

I. The distinction with respect to allowances hitherto drawn between Furlough on

Private Affairs and Sick Leave

is abolished, both kinds of

leave being included under

the general term Furlough,

provision however, being

made for the obtaining of

Furlough, under Medical

Certificate, without all the

restrictions applicable to Fur-

lough, when taken without

Medical Certificate.

IV. Leave of Absence will, in future, be of three kinds, viz. :—

I.—Furlough in or out of India.

II.—General Leave on Private Affairs or Sick Certificate in India or short leave to sea.

III.—Privilege Leave.

CHAPTER I.

Furlough.

The following Notification by the Government of India in the Financial Department, is republished :—

G. O. G.,
 8th Mar. 1870,
 No. 75.

No. 3292, dated 17th December 1869.—In continuation of the Notification of this Department, No. 2527, dated the 7th August 1869, and in amendment of Rule V of the Military Leave Rules of 1868, the Governor-General in Council is pleased to declare that the furlough allowance of any Military Officer in Civil employ, who may after, this date be granted furlough, shall not exceed Rs. 833-5-4 per mensem, or £1,000 per annum.

No absentee shall in either case draw more than £1,200, or less than £250 per annum. The term salary will signify the total amount drawn by an Officer, whether as consolidated pay or Staff allowances in addition to pay, but will not include any extra or special allowances. It is to be clearly understood that an Officer absent on Furlough, who may be transferred to another Office, during his absence, shall be entitled, for the entire period of his Furlough, to pay at the rate sanctioned to him when leaving India, provided that an Officer whose term of office shall lapse, during his Furlough, shall cease to draw his half Staff salary from the date of such lapse. An Officer will also be entitled to the benefit of his promotion to a higher Staff Corps or Regimental rank whilst on Furlough, subject to the maximum limit.

Officers not in Staff employ will receive half the Indian pay of their rank, provided that in no case will an Officer entitled to Furlough receive less than the above minimum of £250 per annum.

NOTE.—Officers who may be entitled to income allowance from the Military Fund during absence in Europe, will draw their half salary or minimum absentee allowance under the foregoing clause, subject to a deduction equivalent to the amount of such income allowance.

VI. All grants of Furlough on Private Affairs are subject to the exigencies of the Public Service, of which exigency the Government is to be exclusively the judge, and to any regulations that may be found necessary for limiting the number of Absentees.

VII. The maximum amount of Furlough on Private Affairs to be taken at any one time, carrying pay and retention of appointment, will be two years.

No. 1214 of 1869, *Fort William, the 15th December 1869.* In continuation of G. G. O. No. 1131* of the 1st December 1868, and under the authority of

Regulations of 1854—G. G. O. the Right Honourable the

No. 1150 of 1851, paragraph 7. Secretary of State for India,

Regulations of 1868—G. G. O. it is hereby notified that the

No. 1064 of 1868, Rule VIII. rules laid down in the fur-

lough regulations specified

in the margin, which in the former require a period of ten or six

years, and in the latter a period of three years, to be completed

after return from last furlough before an Officer can be held

eligible to a fresh furlough on private affairs, do not apply to the

case of a General Officer of the Staff Corps or of the local service

who may be unemployed.—* Madras G. O. G. 15th December 1868, No. 450.

IX. An Officer will be eligible for two years' Furlough on the completion of eight years' actual service in India, for a third year after a further period of six years' actual service and for a fourth and fifth year after similar intervals of six years. The grant of Furlough to an Officer eligible for it, will be subject only to the conditions specified in Rules VI and VII. The fact of having taken Furlough on Medical Certificate will not affect the grant of these Furloughs, except as to the conditions laid down in Rules XIII and XVI.

X. An Officer eligible for Furlough need not take the whole amount to which his service entitles him, but may apply for any portion thereof as an instalment; and in that case the balance will remain at his credit in any future computation of the amount of Furlough to which he may be entitled.

Illustrations.

(1).—An Officer who has served nine years in India is entitled to two years' Furlough. He takes only one year, and after his return remains in India for five years. He is then eligible for two years' Furlough as follows :—

Total Service in India.....	14 years.
Furlough due on that Service.....	3 "
Furlough already taken.....	1 year.
Balance for which he is eligible.....	2 years.

(2).—An Officer who has served 20 years in India without taking Furlough is entitled to four years' Furlough. He can only take, however, two years at one time carrying pay, the balance remaining at his credit in any future computation of Furlough to which he may be entitled. He can take that balance after completing three years' service from the date of his return from the first instalment.

No. 97 of 1870, 20th January 1870. Under the orders of the Right Hon'ble the Secretary of State for India, conveyed in Despatches Nos. 215 and 370 of 18th August and 14th December 1869, respectively, it is notified that in future leave under Clause XI of the Furlough Rules of 1868 will not be extended by the Right Hon'ble the Secretary of State, except on medical certificate, in which case the whole of the leave will be considered as if taken under Clause XIV. of those rules.

G. O. G., 1st
 Feb. 1870, No.
 83.

XI. Furlough on urgent Private Affairs for six months with pay equivalent to the British regimental pay of his rank to be extended to a year, if necessary, may be granted, when the Officer is not eligible for ordinary Furlough. The said period may form part of the periods of either eight and six years referred to in Rule IX.

Financial Department, Leave and Allowances, Simla, the 10th May 1870.

G. O. G.,
24th May 1870,
No. 162.

No. 323.—The Governor-General in Council is pleased to notify that furlough on urgent private affairs, with pay equivalent to the British Regimental pay of rank under Section 11 of the Rules published in the General Order of the Government of India in the Military Department, No. 1064, dated the 10th November 1868, may be granted as often as it is applied for: provided that the authority granting it is satisfied of the urgency which leads to the application, and that the applicant is not at the time eligible for ordinary furlough. There is no other limit to the granting of this species of leave.

2. His Excellency in Council is also pleased to notify that the words "pay equivalent to the British Regimental pay of his rank" in the section above referred to, mean, in the case of a Staff Corps Officer, the "out-of-India" rate of pay as shown below:—

	E.	s.	d.	
General Officer	1	5	0	
Brevet-Colonel and Lieutenant-Colonel	1	0	0	
Major	0	16	0	Per diem.
Captain	0	10	6	
Lieutenant	0	6	6	

XII. Subject to State considerations, there will be no restriction as to the places to which an Officer may resort during Furlough.

XIII. Absence on Medical Certificate for a longer period than two years at one time, or departure on such Furlough within three years of the date of return from a previous Furlough, except Furlough under Rule XI will involve forfeiture of appointment. Such Furlough may, however, be extended to a third year on English Furlough pay.

In the event of an Officer not being able to return to his duty after an absence of three years, it will rest with the Right Hon'ble the Secretary of State for India in Council to order him to appear before a Medical Board, with a view to placing him on the retired list, if entitled to pension, or on the half-pay list. Should the circumstances of the case warrant a further extension of leave, it can only be granted without pay.

No. 627, 17th June 1870.—In explanation of Rule XIII of the Furlough Regulations of 1868, published in G. O. G., No. 1064 of the 10th November 1868, it is hereby notified that an Officer who has any balance of furlough due to him, although he may not have served three years from date of last return to duty, will, on obtaining furlough on medical certificate, be entitled to receive half the Indian pay of his rank for the entire period not exceeding two years, but will forfeit any appointment he may be holding, as already laid down in the Rule above referred to. Such furlough may be extended to a third year on English furlough pay.

2. It is further notified, with reference to Rule XIV., that it is intended that an Officer who has not any balance of furlough to his credit, but who has served three years from date of last return to duty, should, on obtaining furlough on medical certificate, receive the prescribed 50 per cent. of his emoluments and retain his appointment.

* Madras G. O. G., 1st Dec. 1868, No. 431.
No. 22, 6th January 1870.—Under the authority of the Right Hon'ble the Secretary of State for India, it is hereby notified that an Officer who has been not less than three years in the Staff Corps, will, on the production of a medical certificate, be allowed to take his first furlough (although he may not have completed eight years' actual service in India,) with retention of his appointment and allowances prescribed in Rule V of the Furlough Regulations of 1868; such leave will reckon as part of the aggregate of eight years allowed by Rule XVI, and the lapse of three years before furlough can again be taken as laid down in Rule VIII will be required in the case of Officers availing themselves of this concession.

* Madras G. O. G., 15th January 1870, No. 17.

No. 724 of 1871. Under instructions from the Right Hon'ble the Secretary of State for India, the Right Hon'ble the Governor-General in Council is pleased to notify, that an officer entitled to furlough who has taken it on medical certificate may, on being declared fit for duty, take out on private affairs any balance due to him, provided that, on being declared fit for duty, he is not in excess of the established proportion of absentees.

An officer who, on his return to India, reports himself in ordinary course of that port of delation as having returned from furlough, will be considered to have returned to duty.

There is no restriction as to the country in which this leave may be taken, but an officer desiring to change from the place to which his leave on Medical Certificate was originally granted, must obtain permission to do so from the Government of his Presidency in India, or from the Secretary of State for India in England, as the case may be.

On landing on such leave in England or in India, he must report his arrival accordingly to the India Office, or to the Military Department of his own Presidency, forwarding with his report a copy of the permission granted him to change his destination.

This order is of general application.

Rule XVII.—You will have observed from Orders No. 447, dated 15th January 1869, published at page 114 of the *Gazette of India*, that the Military Department have ruled that Rule II applies to an Officer taking furlough on medical certificate for the first time before the completion of eight years' actual service, both as to retention of his appointment and amount of furlough allowances.

XIV. An Officer not entitled to Furlough, whose health may necessitate his taking it within three years from the date of last return may, under the usual Medical Certificate, obtain such amount as may be duly certified to be necessary for the restoration of his health, but will only receive English Furlough Pay and must vacate any appointment he may be holding.

XV. An Officer entitled to Furlough, whose health may necessitate his absence from India, will be compelled to take leave as Furlough under Rule IX, but without forfeiting any passage money, to which he may be entitled under Military Fund Rules, or if a Subaltern, by Regulation when proceeding on Medical Certificate.

Any extension of this Furlough, beyond the period to which he may be entitled under Rule IX, will be regarded in all respects, as Furlough on Medical Certificate. Such extension will not be allowed

to take effect until the Officer shall have exhausted the entire amount of his available Furlough on Private Affairs. If the aggregate of two years' leave is exceeded, the Officer will after that date come under the provisions of Rule XIV.

No. 39 of 1869.—The following Extract from a communication from the Government of India, dated 21st January 1869, No. 1064, is published:—

The following will not form part of the aggregate of eight years of furlough on private affairs and medical certificate with pay and retention of appointment, to which an Officer who may elect the Furlough Rules of 1868, is restricted by Rule XVI:—

- I. All leave taken as local leave (not being furlough) in India.
- II. All leave necessitated by wounds received in action, or by sickness contracted on field service, which may have been, or may be, allowed to reckon as service for pension under the provisions of Government General Order No. 1113 of 1857.
- III. All leave duly granted to England, or extensions of furlough or leave on medical certificate granted in England, if without pay.
- IV. All sick leave to England that may have been taken under the Rules of 1796, on the old rates of furlough pay.
- V. All sick leave granted to the colonies eastward of the Cape of Good Hope under the Rules of 1796.

2. But the following will form part of the eight years referred to:—
I. Furlough with pay on private affairs, under whatever rules it may have been taken.
II. Leave to England on medical certificate with pay under the Furlough Rules of 1868.

No. 22 of 1870, 6th Jan. 1870.—Under the authority of the Right Hon'ble the Secretary of State for India, it is hereby notified that an Officer who has been not less than three years in the Staff Corps, will, on the production of a medical certificate, be allowed to take his first furlough (although he may not have completed eight years' actual service in India,) with retention of his appointment and allowances prescribed in Rule V of the Furlough Regulations of 1868; such leave will reckon as part of the aggregate of eight years allowed by Rule XVI, and the lapse of three years before furlough can again be taken as laid down in Rule VIII will be required in the case of Officers availing themselves of this concession.

G., No. 103 of the 26th January 1869, it is hereby notified that Officers of the Madras Army serving in Bengal, who have obtained furlough to Europe on private affairs or medical certificate, will, if they desire to proceed via Madras, instead of from Calcutta or Bombay, be allowed to reckon such furlough from date of embarkation at Madras, provided that the preparatory leave of thirty days allowed under existing regulations is not exceeded at the time of embarkation.

XVIII. Preparatory leave to embark for Europe or elsewhere on Furlough, will be granted for any period not ordinarily exceeding 30 days. Leave to the same limit, to enable him to rejoin on his return from Furlough, will be granted from the date of his disembarkation in India.

XIX. Furlough allowances shall be payable monthly if payment is taken in India; and quarterly, if payment is taken in England.

XX. Advances of Furlough Pay will continue to be made in India to those Officers who desire it, for three months from date of embarkation. Payments in continuation will be made in England on the expiration of six months from that date.

XXI. The Last Pay Certificate issued to each Officer who may be granted Furlough, whether on Private Affairs, or on Medical Certificate, will specify the rate of the pay and Staff salary of his last substantive appointment, and the rate to which he will be entitled in Europe in virtue of Rule V.

XXII. An Officer acting in India for an Absentee will be restricted for the entire period of such acting to the half Staff salary of the appointment in which he may be acting, in addition to the full pay of his rank, and the half Staff salary of his own appointment if he possess one. 12th Jan. 1871, No. 1.
No. 235, 18th Nov. 1870.—With reference to G. O. C. No. 358 of 1868, it is hereby notified for general information, that the Government have ruled that an Officer taking leave (other than privilege leave) on private affairs or sick leave in India, for any period, for three years consecutively, will, under Rule XXV of the Furlough Regulations of 1868, be liable to forfeiture of his appointment. * Madras G. O. G., 1st Dec, 1868, p. 248.

XXVI. Leave on Sick Certificate for a period exceeding six months, capable of extension, under renewed Medical Certificate, to a limit of one year, may be granted to any Officer who, in the opinion of a Medical Board, may require it. Leave of this nature, taken after the promulgation of these Rules, will be held to constitute a part of the maximum period of eight years' leave of absence to which an Officer is entitled in his entire period of service, but will not be regarded as Furlough, nor will it effect the intervals entitling to furlough laid down in Rule IX. During this leave the Absentee will draw a moiety of his Staff salary in addition to the pay of his rank.

No. 237, 5th Sept. 1870.—The following letter, from the Government of India in the Military Department, to the Adjutant General, No. 691, dated 25th August 1870, is published for general information:—
"In reply to the questions referred to in your despatch, No. 1479E, dated 1st August 1870, I am directed to acquaint you, for the information of the Right Honorable the Commander-in-Chief, that an Officer cannot be permitted to visit England, on short leave, authorized under Clause XXVII of the Furlough Rules of 1868, and that preparatory leave is not allowable to an Officer availing himself of the leave under that clause."

Rule XXVII.—The 'condition' referred to is that leave granted under this rule will not be reckoned as furlough, and that the absentee will draw a moiety of his staff salary. The leave will not be included in the maximum period of eight years prescribed in Rule XVI, unless it be extended beyond three months.

CHAPTER III.

Privilege Leave.

XXIX. Privilege Leave may be granted, as at present, for sixty days in each year, to all Officers in Military employ, without deduction from the salaries and emoluments drawn by them. General Leave, in extension of Privilege Leave, can only be granted on the ground of sickness, or some other serious

emergency which could not have been foreseen when the Officer proceeded on Privilege Leave. Privilege Leave may, however, be converted into General Leave with the sanction of the Commander-in-Chief or the Government.

The following Extract from a letter from the Secretary to the Government of India, Military Department, to the Adjutant General, Bengal, dated Simla, 27th July 1870, No. 511, is published:—

With reference to your letter No. 1359 E of the 16th July 1870, inquiring G. O. C. C., 24th February 1865, with reference to the orders marginally cited, whether G. O. C. C., No. 931 of 1867, Clause XXXI of the furlough rules of 1868, Indian service is at liberty to proceed anywhere beyond Indian limits on privilege leave, provided he can return to duty within the period of such leave, I am directed to acquaint you, for the information of His Excellency the Commander-in-Chief, that, under Clause XXXI of the furlough rules quoted, an Officer is at liberty to proceed wherever he may desire on privilege leave, provided he can ensure his return before the expiration of his leave; but if an Officer proceeds to a place from which he cannot ensure return within the term of his privilege leave, he will be liable to the consequences of overstaying such leave; and authorities should not sanction an Officer's proceeding on privilege leave, if there should be any ground to suppose that he cannot return within the prescribed period.

XXXI. An Officer is at liberty to proceed wherever he may desire on Privilege Leave, provided he can ensure his return before the expiration of his leave.

XXXII. Privilege Leave cannot be taken in continuation of Furlough, nor can Furlough be obtained in continuation of Privilege Leave. If Furlough be obtained by an Officer while absent on Privilege Leave, the Privilege Leave will be converted into General Leave, the Officer for that period sacrificing a moiety of his Staff salary.

Military Officers in Civil Employ.

XXXIII. Military Officers in Civil or Political employ taking leave in India come, as respects periods of leave obtainable and amount of pay to be granted, under the Civil Leave Rules. When they take leave out of India, they come under the Military Leave Rules.

Subsidiary Rule.

XXXIV. Officers of the Indian Military and Medical Services will be required generally to notify their intention to accept these Rules, or to adhere to those now existing, on the first occasion of their taking Furlough or General Leave after the publication of this Order. Such election must be considered final, and under no plea whatever will an Officer be subsequently relieved from the Choice thus made.

Officers who may determine to abide by existing Rules, will be allowed to proceed on Furlough on the conditions laid down in Rules VII, VIII and XIII to the extent to which they may be entitled under the Furlough Regulations of 1854, and on the rates of pay contemplated in those Regulations, but retaining their appointments. The principle laid down in Rule XV must, however, be applied in those cases.

If an Officer under the Furlough Rules of 1796 elects the present Rules, his service for pension will be reckoned under the former Rules, up to 1st July 1868, and thenceforward under the Rules of 1868.

The foregoing Rules will take effect from the 1st July 1868, as respects retention of appointments and terms under which leave will be granted, but half Staff allowances will not be available for Officers now on leave in cases where the acting Officer has already come into receipt of the full Staff salary. Nor can Officers who have vacated appointments which have since been permanently filled up, have any claim to be restored to them.

No. 207 of 1869.—The following Military letter from the Right Hon'ble the Secretary of State for India, No. 8, dated 13th January 1869, is published for general information:—

MILITARY. No. 8. INDIA OFFICE, London, 13th January 1869.

To His Excellency the Right Hon'ble the Governor General of India in Council.
SIR.—Your despatch, dated 18th August 1868, No. 313, relates to the question whether the furlough regulations of 1868 shall be made applicable to the Warrant Officers, and to certain other questions connected with the pay and allowances of those Officers.

2. Having considered the suggestions made by you, I have decided—
1st.—That the furlough rules of 1868 shall apply to all Warrant Officers holding veteran or honorary commissions, the period of service qualifying for furlough being calculated from the date of the attainment of the commission. These Officers will receive, during furlough, half their total receipts, without any reference to a minimum or maximum rate.

2d.—That Conductors and Sub-Conductors shall only be entitled to a furlough on sick certificate. The furlough will be for two years, and half of aggregate Indian allowances will be drawn during that period. Any leave on sick certificate, not exceeding one year, granted in extension of the two years, or leave taken within less than three years from date of last return to duty, will be on English furlough pay only.

3. I approve of the proposal that Warrant Officers appointed to act for those of a higher grade who may be on furlough, shall receive the half of the aggregate allowances of the absentees, added to half the aggregate of their own allowances.

4. I approve also of permanent Conductors, who have hitherto been in receipt of the old Staff salary of Rs. 75 a month, being still allowed to draw that amount.

5. Your letter has no reference to the Officers of the Subordinate Medical Department, but should your Government propose to include them, it is desirable that they should be expressly mentioned in the General Order which will be issued on the receipt of this despatch.

I have, &c., ARGYLL.

Under the authority conveyed in paragraph 5 of the foregoing letter, it is hereby notified that the provisions of the rules now notified will be equally applicable to Warrant Officers and those holding the honorary rank of Assistant Surgeons in the Subordinate Medical Department.

Unattached and Warrant Officers.

GENERAL ORDERS BY THE HON'BLE THE PRESIDENT OF THE COUNCIL OF INDIA IN COUNCIL.

Fort William, 6th June 1851.

No. 322 of 1851.—The following paragraph of a Military letter No. 37, from the Honorable the Court of Directors to the Governor of the Presidency of Fort William in Bengal, dated 9th April 1851, is published for general information:—

Reply to letter dated 20th September 1850, No. 158, with reference to former correspondence, forward papers relative to an inquiry made by Ensign (unattached) J. Donavan, as to the rate of retiring pension to which he will be entitled, and request Court's early decision on the question.

Unattached Officers are entitled to the benefits of the general retiring regulations counting from the dates of their first promotion to Commissions. To provide for the claims of such of these Officers as may, in consequence of the length of their previous service, be compelled to retire at earlier dates than are specified, in those Regulations, we have resolved to adopt the following additional scale, viz:—

Unattached Ensigns and Lieutenants, compelled by ill health to retire from the service,
If under 3 years' service as Commissioned Officers.....2s. 6d. per diem.
If above and under 7 years' service in India as Commissioned Officers.....3s. per diem.
If above and under 12 years' service in India, as ditto.....4s. per diem.
If above 7, and under 12 years' service in India, as Commissioned Officers, after 20 years' total service in India.....5s. per diem.
If above 12 years' service in India as Commissioned Officers, after 30 years' total service in India, with an unqualified right to retire.....6s. per diem.

Despatch dated 14th April 1862, No. 36.

6. The cases of Warrant Officers, promoted on the Veteran Establishment, who applied to retire from the service, have, until recently, been specially considered, and in almost, if not in every case, the full pay of the Commissioned rank has been granted on retirement.

G. O. G. No. 233.
10th June 1862.

7. When considering an application from an Officer on the Veteran Establishment now in this country, I observed that, although there were rules for the retirement of Officers holding unattached Commissions (G. O. G. No. 322 of 6th June 1851) there were no rules for the retirement of Officers on the Veteran Establishment. I accordingly decided that to entitle an Officers on the Veteran Establishment to retire on the full pay of his Commissioned rank, he must have served the time which he would have required under the provisions of the retiring Regulations, had he remained in the Warrant grade, to entitle him to the full pay of his former rank in that grade.

G. O. G. No. 385 of 6th March 1856.—The Right Hon'ble the Governor General of India in Council is pleased to direct, that the following paragraphs of a Military letter from the Hon'ble the Court of Directors to the Government of India, No. 2, dated 2d January 1856, be published in General Orders:—

Letter dated 3d September 1855, No. 201.

Letter from Captain Skinner, transferred from the Nizam's Army to an unattached Commission in the Company's Service, requesting information as to the amount of pension he will be entitled to on retirement. The Auditor General's views on the subject recapitulated by Government.

G. O. G. No. 250
of 15th August 1856.

Also No. 206.

Enquiry as to how the new furlough rules are to apply to Captain Skinner, and other unattached Officers.

Para 2.—We concur with the views on this subject which are expressed in the Military Auditor General's Report of the 18th July 1855. Capt. Skinner will be accordingly entitled to count his service for retirement from the date of his first Commission in the Army of His Highness the Nizam. He will be also entitled to the benefits of the new furlough Regulations as an Officer of that standing in the Service.

3. All unattached Officers are entitled to the benefit of the new furlough Regulations from the date of their first commissions.

G. O. C. C. 27th April 1857, No. 16.—The Commander-in-Chief directs it to be notified that by a recent decision of the Government of India, unattached Officers of the Veteran Establishment are allowed the benefit of the new furlough Regulations, and these Officers can take leave in India on the same terms as they did prior to the publication of the new furlough rules.

G. O. C. C., 29th August 1857, No. 44.—The Provincial Commander-in-Chief directs the publication of the following decisions by the Government of India.

A Warrant Officer on the Veteran Establishment is entitled, without loss of Warrant, to the same absentee allowance as if on leave in India, for the first six months of sick furlough, but thereafter, as well as when on furlough on private affairs he is restricted to the furlough pay of his Commission or of his Warrant, whichever may be the superior emolument.

A Warrant Officer holding a Commission on the Veteran Establishment has a footing in the Effective Army in virtue of his Warrant rather than of his Commission and his Warrant being analogous to the Regimental Commission rather than to the Staff appointment of an European Officer, is not forfeited by any furlough which may be granted him, even if it exceed six months on private affairs or fifteen months on medical certificate under the new rules.

G. O. G. No. 1559 of 1857.—The following Extract para. 11 of a Military letter from the Honorable the Court of Directors to the Government of India, No. 195, of the 14th October 1857, is published for general information:—

11. Warrant Officers are allowed the same privilege of furlough as Unattached Ensigns and Lieutenants and as Officers promoted to Commissions on the Veteran Establishment, viz:—

Letter dated 15th May 1857, No. 154.
Memorial from Mr. Conductor A. B. Fox of the Army Commissariat Department, soliciting that modification may be made in the furlough Regulations for Warrant Officers, to meet the cases of those who obtained their Warrant after a lengthened service on the Non-Commissioned grade.

after six years' service as Commissioned or Warrant Officers, and fifteen years' service in India. It is now recommended that, in consequence of slowness of promotion, the time required to be served in the Warrant grade may be reduced, in order that those who have served twenty years and upwards in India may be thereby rendered

eligible for furlough to Europe. In compliance with your recommendation and that of the late Commander-in-Chief, we sanction this change as applicable to the several classes abovementioned.

G. O. G. No. 777 of 18th May 1858.—The following Extracts of a Military letter from the Honorable the Court of Directors to the Government of India, No. 71, dated 23d March 1858, are published for general information:—

Letter dated 3d August 1857, No. 207.

4. Question raised by the Madras Government as to the extent to which the Warrants or Staff appointments of Officers having Unattached Commissions or on the Veteran Establishment are affected by the new furlough rules decided.

G. O. G. No. 214
of 4th June 1858.

4. In the year 1854, we sanctioned a rule,* that Unattached Ensigns and Lieutenants should be allowed furlough after six years' service as a Commissioned Officer, and fifteen years' service in India, and that Warrant Officers granted Commissions on the Veteran Establishment should be included in the arrangement. The same advantage was subsequently extended to Warrant Officers.†

5. The rule now laid down by the Government of India is that a Warrant Officer on the Veteran Establishment is entitled, without loss of Warrant, to the same absentee allowances as if on leave in India for the first six months of sick furlough, and thereafter, as well as when absent on private affairs, to the furlough pay of his Commission or Warrant, whichever may be best for him, and that as the appointment he holds is in virtue of his Warrant, not of his Commission, the appointment will not be forfeited by absence on furlough.

6. This decision appears to be quite correct and has our sanction. The Governor in Council sanctions the indulgence of privilege leave, as granted to Commissioned Officers,* being extended to all Warrant Officers, at this Presidency, excepting those below mentioned, provided their Departmental superiors be satisfied that proper arrangements are made for the performance of their duties during their absence, and that no additional expense to the State is incurred thereby.

2. Warrant Officers of the Public Works Department come under the following rules of that Department:—

G. O. G., 3d February 1857, No. 29, para. 8. "All persons employed in the Public Works Department, may be allowed one month's leave of absence in the calendar year without loss of salary, provided it can be granted without inconvenience to the public service."

3. Medical Warrant Officers employed in the Civil Departments will be granted privilege leave according to the subjoined rule applicable to Uncovenanted Civil Servants.

Revised Rules for leave of absence to Uncovenanted Civil Servants published in FORR ST. GEORGE GAZETTE, 26th June 1863, Supplement.

Para. 16. "Privilege leave, when it can be granted without injury to the Public Service, and without additional expense to the State, may be allowed for not more than one month, in each calendar year—to be taken either in one period or in not more than two instalments. This leave is not allowed to accumulate, and will therefore lapse if not taken within the year."

Invalid Establishment.

FORT ST. GEORGE, 10th July 1857.

No. 819 of 1857.—The Right Hon'ble the Governor General of India in Council is pleased, under instructions from the Hon'ble the Court of Directors, to promulgate the following rules to be observed at the three Presidencies for the transfer to the Invalid Establishment, of Officers who may be declared to be unfit for further service:—

1. The Invalid Establishment will consist of
1st—The Invalid Battalion.
For Officers who, although disqualified for further active service, are still equal to the discharge of garrison duties.

2d—The Invalid Pension List.
For Officers disqualified for both active and garrison duties.
2. Officers who, from age, wounds, or decline of health, become unfit for active service, are eligible for transfer to the Invalid Establishment, provided their conduct and habits are such as not to affect the character of that Institution, which is designed as an honorable retreat to the worn out or disabled, but deserving Officers.

The Commander-in-Chief directs it to be notified, that applications from Officers for transfer at their own request to the Invalid Battalion or to the Invalid Pension List, under the provisions of para. 3 of G. O. G. No. 819 of 1857, (republished in G. O. G. No. 210 of 10th July 1857), are required to be addressed under their signature to the Right Honorable the Governor in Council in the manner prescribed in para. 3, Section XXI, General Regulations of the Army.

3. Officers who may be desirous of being transferred to the Invalid Establishment, will be required to appear before the Standing Medical Committee at the Head Quarters of the Division, presided over by the Superintending Surgeon, or in his absence by the Senior Surgeon, furnished with a statement of their case prepared by the Medical Officer by whom they may have been attended. The Committee is to enquire rigidly into each case, and should it be satisfied of the unfitness of the Officer, it is, in recording its opinion, to certify either that the applicant is "permanently disqualified for the performance of further service but is still equal to the discharge of garrison duties," or that he is "permanently disqualified for the performance of both active and garrison duties," as the case may be.

G. O. G. No. 518 of 1864.

† G. O. G. No. 531 of 1854.

4. The applicant, if reported equal to the discharge of garrison duties, will then be required to proceed to the Presidency to be finally examined by a Medical Officer to be specially appointed for the purpose, or by a special Medical Committee, as may from time to time be ordered.

5. After this final examination, the report on each case, accompanied by the certificates hereafter specified, is to be forwarded in the usual manner to Army Head Quarters, to be submitted to Government with the opinion of the Commander-in-Chief.

6. In the event of the Commander-in-Chief being led to believe that any Officer's health is so thoroughly lost as to preclude all hope of his being able to perform further active service in India, such Officer shall be directed to appear before the Standing Medical Committee at the Head Quarters of the Division. If the Committee is of opinion that the Officer is permanently disqualified for active Military duties in India, and this opinion is confirmed at the final examination at the Presidency, the Government on receiving a report on the case, which is to be prepared and submitted as directed in paras. 3 to 5, will place the Officer on the Invalid Establishment, notwithstanding that he may not himself have applied to be transferred from the Effective List. Such transfer will, however, be subject to the approval of the Honorable the Court of Directors; and until the receipt of such approval, no promotions will be made in succession to the Officer so placed on the Invalid Establishment.

No. 52 of 1859.—The following Extract from a Military Despatch from the Right Honorable the Secretary of State for India, is published in General Orders:—

Despatch dated 22d December 1858, No. 47.

Para. 1. It being established by the required medical testimony that Lieutenant Dewar is permanently disqualified for the performance of both active and garrison duties, his removal from the effective List from the date of his embarkation for England is hereby authorized.

Report on the state of health of Lieutenant G. T. Dewar, 50th N. I., and authority requested to transfer him to the Invalid Pension List, from the date of his embarkation for England on sick certificate. Lieut. Dewar's time of service, fourteen months and five days, does not entitle him to retiring half pay. On establishing his claim to the benefit of Lord Clive's Fund, he will be admitted to that advantage.

2. You will understand from this decision that no Officer not entitled to a pension under existing Regulations, should be transferred to the Invalid Pension List.

8. In the event of an Officer failing, from any cause, whether it be leave on sick certificate in India or otherwise, to join an Invalid Battalion, or other Military duty on which he may be ordered, within two years of his transfer to the Invalid Establishment, except he be absent on furlough on sick leave to Europe, or be nominated to some other public duty, he will, at the expiration of that time, be required to appear before the Medical Committee at the Head Quarters of the Division in which he may be residing, for the purpose of being examined as to his continued fitness for garrison duty. If found unfit at such examination, or at any subsequent examination, which is to be repeated at the end of every two years, he will be transferred to the Invalid Pension List.

9. The Pay and Allowances of Officers hereafter transferred to the Invalid Battalion will be—

	Pay and Indian Allowances.	House Rent.	Total.
Lieutenant Colonel.....	547 11 0	100	647 11 0
Major.....	410 14 6	80	490 14 6
Captain.....	249 1 0	50	299 1 0
Lieutenant.....	145 12 0	30	175 12 0
Ensign.....	107 1 11	25	132 1 11

Extra batta will in no case be allowed, whether the Officer be employed within or beyond 200 miles of the Presidency.

10. Officers on the Invalid Pension List will draw the following consolidated allowance:—

	Per mensem.	Per mensem.
Lieutenant Colonel.....	Rupees 200	Captain..... Rupees 130
Major.....	" 170	Lieutenant and Ensign..... " 100

Or the rate of full pay pension to which they are entitled at the time of their transfer to the Invalid Pension List.

11. The above rates will be issued as long as the Officers are resident in India. If granted furlough or sick leave out of India, their allowances will be regulated by the rules they may have adopted, but their furlough pay will be according to their rank and for the ordinary duration of such Furlough as at present authorized.

12. Officers on the Invalid Establishment are allowed the distinction of wearing the Military uniform.

13. Officers on the Invalid Establishment will retain the rank they held when on the effective strength of the Army, but their transfer will be made only in the rank they held in their Regiments. After removal to the Invalid Establishment, they have no further claim to promotion, but on retirement on full pay, those who may be of, and above, the rank of Captain will receive one step of Brevet rank.

14. Officers on the Invalid Pension List are permitted to reside at any place in India they may choose

7. All Officers of and below the Regimental rank of Lieutenant-Colonel, whether they may or may not have served the prescribed period for retirement on full pay, may be compulsorily removed to the Invalid Pension List when they may become wholly unfit for any further service, effective and garrison. The examination of Officers in such cases will be conducted in the manner laid down in para. 6.

No. 132 of 1859.—With reference to G. O. G. No. 810, 10th July 1857, regarding the transfer to the Invalid Establishment of Officers declared "unfit for further service," the Honorable the Governor in Council, with the sanction of the Government of India, and with adherence to para. 15 of the above G. O. G., is pleased to direct that such Subaltern Officers as may have joined their Battalions, shall receive Passage Money on the terms regulating the allowance to Subalterns of effective Corps.

2. Subalterns on the Invalid Pension List shall receive Passage Money only when proceeding to England on retirement from the service, or for the purpose of retiring from the service.

15. Officers on the Invalid Establishment are eligible to furlough and sick leave out of India, under the new or old Rules, whichever they may have adopted; and leave in India will be granted to Officers of the Invalid Battalion under the same rules as are applicable to effective Officers.

G. O. G. 1st April 1859.

16. Officers on the Invalid Establishment are eligible to hold situations under Government.

17. Officers of the Invalid Battalion may retire on the pension of their rank after the prescribed period of service, or on the pension to which they were entitled on their removal to the Invalid Establishment. Officers on the Invalid Pension List may retire upon the rate of pension to which they were entitled when they joined that Establishment.

The above rules are not to be applied to Officers on the present Invalid Establishment of the three Presidencies.

Promotion of Officers.

G. O. G. G. No. 740 of 20th May, 1859.—His Excellency the Governor General in Council is pleased to direct the publication in General Orders of the following Royal Warrant, received with a letter from the Right Honorable the Secretary of State for India, No. 119, of the 7th April 1859, prescribing rules under which Combatant Officers are to be recommended for promotion in Her Majesty's Indian Military Forces:—

G. O. G. No. 222 of 24 June 1859.

Whereas, we have judged it expedient to revise those parts of Our Royal Warrants of the 6th day of October 1854, and 3d day of November 1854, which regulate the promotion and retirement of Combatant Officers in Our Army and Ordnance Corps, Our will and pleasure is, that from the date of this Our Royal Warrant Our Governor General in Council shall govern himself by these Our rules in recommending Combatant Officers for promotion in Our Indian Military Forces.

PROMOTION.

1. That the rank of Field-Marshal be given without reference to seniority.

2. That there shall be a fixed establishment of General Officers, viz:—

Generals..... 25 Lieutenant-Generals..... 50 Major-Generals..... 145

3. That Colonels may be appointed, without regard to seniority, to command as Major-Generals, with temporary rank; and if they shall have conducted themselves to our satisfaction, such temporary rank, after having been held for five years in peace, or for any shorter period in war, may, upon the recommendation of Our Governor General in Council, be made permanent. That the temporary rank of General and Lieutenant-General may also be given, whenever the convenience of the service requires it, and may be made permanent in a similar manner.

4. That every vacancy on the fixed establishment of General Officers shall be filled by the promotion of the senior Colonel qualified to succeed to the rank of Major-General and to be placed on the fixed establishment, under the regulations now in force; or by a supernumerary Major-General, as provided in Clause 6.

5. That, in addition to the Colonels promoted by seniority to be Major-Generals and those promoted after having held temporary rank under the Regulation in Clause 3, Colonels shall be eligible for promotion to the rank of Major-General, and Major-Generals to the rank of Lieutenant-General, and Lieutenant-Generals to the rank of General, for distinguished services in the Field.

In the case of Officers promoted to the rank of General Officers, as a reward for distinguished service in war, the recommendation, in which the service of the Officers shall be detailed, shall be published in the General Orders of Our Indian Military Forces, and in the *London Gazette*.

6. That all Colonels promoted to be Major-Generals after five years' employment in responsible commands with the temporary rank of Major-General under the provisions in Clause 3, and all Colonels promoted to be Major-Generals for distinguished service in the Field, shall be placed on a supernumerary list of Major-Generals, and shall not be reckoned as part of the fixed establishment until the time when they would have attained the rank of Major-General by seniority; that is to say, until the Colonel who originally stood next senior on the Colonels' list to the Officer promoted out of his turn has become a Major-General, after which the next vacancy will be filled by the transfer of the supernumerary Major-General to the fixed establishment. The Major-Generals who have already been promoted out of their turn, and would not yet have succeeded to that rank by seniority, shall be considered as coming under this rule.

The supernumerary Major-Generals, when absorbed into the fixed establishment, shall preserve the seniority which they acquired when, after a period of qualifying service with temporary rank they were first confirmed as permanent Major-Generals on the supernumerary list, and shall rise by that seniority to be Lieutenant-Generals in succession. General Officers promoted for distinguished service in the field will take their seniority from the date of their promotion, as stated in the *London Gazette*.

7. That three separate lists of General Officers be inserted in the Army List of Our Indian Military Forces, the first containing the names of those on the fixed establishment; the second, those who, having been promoted out of their regular turn, are supernumerary to the fixed establishment; and the third, those who have retired from the service with the honorary rank of General Officers.

8. That the rank of Colonel be given to Officers, after serving for five years with the rank of Lieutenant Colonel, in the actual command of Regiments, or for the same period as second Lieutenant Colonels of Regiments, or on the Staff, in the following situations:—viz., Adjutant-General, Quarter-Master General, Deputy Adjutant-General, Deputy Quarter-Master General, Secretaries to the Government of India in the Military and Public Works Department, Secretaries in the Military Department to the Governments of Madras and Bombay, to the Chief Commissioner of the Punjab, the Commissioner in Mysore, and the Resident at Hyderabad; Judge Advocate General, Commissary General, Deputy Commissary General, Inspector General of Ordnance, Superintendent of the Ordnance Manufacturing Department, Chief Engineer, Superintending Engineer, Surveyor-General of India, subject always to the approval of the Governor in Council and Commander-in-Chief of the Presidency to which the Officer belongs.

9. That Regimental Majors, who are Brevet Lieutenant-Colonels, falling into the Command of Regiments in the absence of the Lieutenant-Colonel, shall on attaining the rank of Regimental Lieutenant-Colonel, reckon the period commencing from the completion of the first month of such temporary command, of part of the five years required to qualify for the rank of Colonel.

10. That the rank of Colonel be given to Officers who obtain the rank of Brevet Lieutenant-Colonel for services in the Field, after eight years of actual service with that rank.

11. That in cases where a Regiment may be so divided as to constitute two distinct commands, and one portion may be under the command of the Regimental Major, who is also a Brevet Lieutenant-Colonel, and in cases where a Brevet Lieutenant-Colonel may be in command of a mixed force of different Corps, a discretionary power shall be vested in our Commander-in-Chief in India, subject to the approval of Our Governor General of India in Council, to allow such service, or portions of such service, to count as part of the qualifying period for promotion to the rank of Colonel.

12. That Lieutenant-Colonels appointed to Civil situations under Government on or after the date of this Our Royal Warrant shall be promoted to the rank of Colonel after eight years' service in the former rank, provided the nature of the Civil appointment be considered by our Governor General of India in Council and Commander-in-Chief in India calculated to give the Officer such practical experience as may afterwards prove advantageous to the Corps or Service to which he belongs.

13. That Field Officers, commissioned as such before the 20th June 1854, be allowed to rise by Brevet as heretofore; but no Officer promoted to the rank of Field Officer on or after that date, is heretofore to rise from the rank of Lieutenant Colonel to that of Colonel, otherwise than by five or eight years' service in the former rank, as provided in Clause 8, or as a reward for distinguished service, or by appointment to be Queen's Aide-de-Camp—except under the special provisions in Clauses 9, 10, 11 and 12.

14. Lieutenant-Colonels, who held that rank prior to the 20th of June 1854, shall be promoted by a special Brevet to the rank of Colonel,—commissions to bear date the 28th November 1854; and such of the said Lieutenant-Colonels as have been passed over by Officers who have attained the rank of Colonel, in conformity with the provisions of Our Royal Warrants of the 6th October and 3d November 1854, shall be restored to the respective places which they would have occupied as Colonels, had they been promoted in ordinary succession under the system of periodical Brevets.

15. That promotions shall be made from Captain to Major, and from Major to Lieutenant-Colonel, in succession, as vacancies occur in the Major-General's fixed establishment.

16. That any Captain, Major, or Lieutenant-Colonel may be rewarded by Brevet promotion for distinguished services in the Field.

17. That the commands of General Officers, and other situations on the Staff both at home and abroad, shall not be held for more than five years, unless by re-appointment under special circumstances. Given at Our Court at Windsor, this thirty-first day of January 1859, in the Twenty-second Year of Our Reign.

By Her Majesty's Command,

STANLEY.

G. O. G. G. No. 1537 of 15th November 1859.—The following paragraphs of a Military letter from the Right Honorable the Secretary of State for India, No. 279 of the 19th August 1859, are published for general information:—

Having submitted to the General Commanding-in-Chief certain questions as raised by your Government in view to ascertain the practice in such cases in Her Majesty's British Army, I have received the following replies:—

Letter from —, dated 3d May 1859, No. 61, paragraphs 1 to 10 relative to the promotion of Officers to the rank of Colonel under the operation of the Royal Warrants, dated 7th October 1854 and 14th October 1858.

Question.

1st. Whether the period occupied by a Lieutenant-Colonel in joining his Regiment or appointment after his return from leave beyond sea should be reckoned in the qualifying period.

"Several similar cases have occurred in Her Majesty's British Army, and it has been ruled that an Officer so circumstanced must serve other two years to complete the period of five years prescribed in the Warrant of October 1858, and no allowance of time is conceded with reference to the near completion of the three years under the Warrant of October 1854, when the new Warrant came into operation."

2. The practice in promoting Officers to the rank of Colonel in Her Majesty's Indian Forces must be regulated accordingly.

In requesting you to move His Excellency the Commander-in-Chief to cause the decision of His Royal Highness the Field Marshal, Commanding-in-Chief, submitted with your No. 73C, dated 4th instant, in regard to the application of the term "temporary leave of absence" (in paragraph 2 of the Secretary of State's No. 254* dated the 16th July 1868,) to be published in His Excellency's General Orders, I am desirous to suggest that, in order to prevent any misapprehension, it should be at the same time pointed out that the furlough to Europe, reckons as service for the rank of Colonel under the five years' rule only when the Major and Brevet Lieutenant-Colonel holds a qualifying Staff appointment, and not when he is in Command of a Regiment.

Having submitted to the Field Marshal Commanding-in-Chief your letter of the 26th September last, I am directed to intimate to your Excellency that His Royal Highness considers that the term "temporary leave of absence," used in the Secretary of State's Despatch quoted by you should be held to include "Furlough to Europe," in calculating the service for Colonel of a Major and Brevet Lieutenant-Colonel holding a qualifying Staff appointment.

From H. M.'s Secretary of State for India, to the Right Hon'ble the Governor General of India in Council, No. 27, dated 30th January 1864.

Sir,—Referring to my Despatch dated 31st December 1863, No. 446, on the subject of promotion to the rank of Colonel under the 8th Clause of the Royal Warrant of the 31st January 1859, I have to inform you, that a communication now received from the Horse Guards states that the Secretary of State for War has brought to the notice of the Field Marshal Commanding-in-Chief that the qualifying period in the rank of Lieutenant Colonel previously to obtaining the rank of Colonel was extended from three to five years, with the express view that no deductions from that period were to be made on account of leave of absence. His Royal Highness in consequence sees the necessity of rectifying the position of all Colonels promoted since October 1858, who may have had their promotion retarded by the practice of limiting the leave of absence to fifteen months in the five years.

2. A similar course is to be adopted by your Government with respect to all Colonels of Her Majesty's Indian Forces promoted under the Royal Warrant of 31st January 1859, whose promotion may have been retarded, under the restriction with regard to leave of absence published in General Order, dated 18th September 1860, No. 940.

Under instructions from the Right Hon'ble the Secretary of State for India, concurred in by His Royal Highness the Field Marshal Commanding-in-Chief, His Excellency the Governor General in Council is pleased to notify, with reference to Government General Order, No. 740, dated 20th May 1859, that the time passed by a Major and Brevet Lieutenant Colonel in proceeding from the command of one regiment to that of another, the removal having been ordered on public grounds, is to count in full for promotion to the rank of Colonel, under Clause 9, of the Royal Warrant of the 31st January 1859.

To His Excellency the Right Hon'ble the Governor General of India in Council.
Sir,—I have submitted, for the opinion of His Royal Highness the Field Marshal Commanding-in-Chief, your letter No. 113 of 23rd March last, and its enclosures, relative to a representation from * * * of the Madras Staff Corps, against the post-dating of his Commission as Colonel, and those of Officers similarly situated, with reference to Despatch No. 115 of 31st May 1866, which declared that the period during which an Officer not a substantive Lieutenant-Colonel is absent from his Command on any account whatever, can only be allowed to reckon as qualifying for the rank of Colonel under the eight years' rule.

2. I have been informed by His Royal Highness in reply, with reference to the provision of the Royal Warrant upon that point, that, in the case of a Major and Brevet Lieutenant-Colonel holding a qualifying staff appointment, it has been ruled that temporary leave of absence shall reckon toward his Colonelcy under the five years' rule, but that, in the case of an Officer of the rank of Major and Brevet Lieutenant-Colonel whilst absent from a Regimental Command, such period of absence is not allowed to reckon under the five years' rule.

INDIA OFFICE, LONDON, 25th November 1862.

TO HIS EXCELLENCY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

MY LORD,—The provisions of the Circular Memorandum from the Horse Guards, dated 24th August 1860, No. 61, quoted in the margin, are to be in future adopted for Officers in the Indian Armies. Your Government will accordingly issue a Notification to this effect in General Orders.

Horse Guards, S. W., 24th August 1860.
"It has been directed by the Secretary of State for War, with the concurrence of His Royal Highness the General Commanding-in-Chief, that Captains having Brevet rank as Field Officers, at present holding staff situations as pointed out by the 8th Clause of the Royal Warrant of the 14th October 1858, are permitted to count their services in those situations towards the rank of Colonel, but no Captain holding Brevet rank of Field Officer, who may in future be appointed to such situations, will be allowed to count his services in them towards the rank of Colonel."

Fort William, 7th January 1864.

No. 14 of 1864.—The following paragraphs of a Military letter from the Right Honorable the Secretary of State for India, No. 408 of the 30th November 1863, are published for general information:—

I have received and considered in Council the Military letter from the Governor General dated 29th August last, No. 80 A, on the subject of the adoption, as regards Major-Generals of the Staff Corps, of the provisions of the Royal Warrant of 5th November 1860, which modifies, in favor of Officers promoted for service in the field, Clause 27 of the Royal Promotion Warrant of the 14th October 1858.

2. Previously to the receipt of his Lordship's letter, I had determined that the time passed by an Officer on leave of absence, rendered necessary by ill-health contracted on service, or in consequence of a wound received in action, shall be allowed to count towards the six years' service in the substantive rank of Field Officer required by the rule laid down in my Despatch dated 3rd December 1861, No. 467 (19), to entitle an Officer of the rank of Major-General to the unattached pay of that rank. Colonel C. Read, C. B., Aide-de-Camp to the Queen, is to have the benefit of this alteration.

3. I now authorize you to introduce the rule sanctioned in the Royal Warrant of 5th November 1860, and to declare an Officer of the Staff Corps who has been, or shall be hereafter, promoted to the rank of Field Officer by brevet for service in the field, who shall continue to serve uninterruptedly, on full pay, from the date of his promotion by brevet to the date of his obtaining the rank of Major-General, to be entitled to the unattached pay of that rank, notwithstanding he may not have served six years with the regimental rank of Field Officer with a Regiment, or in one of the situations specified in Clause 8 of the Royal Warrant of 31st January 1859.

Fort William, the 10th February 1864.

No. 117 of 1864.—The following Military letter from the Right Honorable the Secretary of State for India is published for general information:—

From Her Majesty's Secretary of State for India, to the Right Hon'ble the Governor General of India in Council, No. 445, dated 31st December 1863.

Sir,—I have received and considered in Council your Excellency's Military letter* No. 56A, dated 29th July 1863, forwarding applications from the Officers Commanding the Guide Corps, 1st and 2nd Punjab Cavalry, and 2nd Punjab Infantry, soliciting that the period passed in command of Regiments of the Punjab Irregular Force may be considered as qualifying an Officer for promotion in the rank of Colonel, in like manner as such command counts in Native Regiments of any description under the orders of His Excellency the Commander-in-Chief.

2. My attention has been already drawn to this subject by your proceedings in the Military Department, Nos. 214 and 215 of the 5th March last, wherein it appears that the claim of a Lieutenant Colonel of the Bombay Army to promotion under the Warrant was considered subject to the inquiry as to whether the Regiment he commanded was or was not under the orders of the Commander-in-Chief; and I was, prior to the receipt of the Governor General's letter now under acknowledgment, in communication with His Royal Highness the Commander-in-Chief on the subject.

3. I observe that the wording of my reply to the inquiry contained in the 7th paragraph of your letter, No. 83 of 17th June 1859, may have led to a misapprehension of the intention of Her Majesty's Government, and of His Royal Highness the Field Marshal Commanding-in-Chief upon this point.

4. In the paragraph referred to, your Government desired "to be informed whether the command of Irregular and Local Regiments is to be still considered as qualifying for promotion to the rank of Colonel;" and a reference having been made to the General Commanding-in-Chief on this subject, it was stated in reply "That His Royal Highness considers that the command of Local or Irregular Regiments, if held by an Officer with the rank of Lieutenant-Colonel, may qualify for the rank of Colonel under the provisions of the Warrant."

5. There were, however, two descriptions of Native Forces, with a Regimental organization, viz., the 1st Military, consisting of Regiments employed on duties of a strictly Military character; and 2nd, the Police, consisting of Irregular bodies, which, though having a Military organization, were ordinarily employed upon Civil and Police duties.

6. It was not intended that the command of a Corps of the latter description should qualify for promotion under the 8th Clause of the Royal Warrant, and it was with a view of drawing a distinction between the two descriptions of Force to which I have referred, that the words "under the orders of the Commander-in-Chief" which did not occur either in your letter or in that of the Military Secretary to His Royal Highness, but which were adopted as expressing in a few words the distinction which it was intended to make, were inserted in my reply to your reference.

7. While the object of the distinction was to exclude Officers of Police Battalions from the operation of the 8th Clause of the Warrant, it was not intended to exclude from the privilege conferred by it, Officers Commanding Regiments of a strictly Military character, whether serving directly under the Commander-in-Chief, or placed, for reasons of State policy, under the Civil Government.

8. I request, therefore, that the terms of your Order No. 39 of 1859, which would seem to exclude from the benefit of Clause 8 of the Royal Warrant, Officers Commanding Regiments, or Forces of the latter description, may be modified, and that the rule, as now explained, may be applied, with retrospective effect, to such Officers as may be already entitled to promotion to the rank of Colonel under its provisions.

9. Under the operation of this order, the Punjab Force, the Hyderabad Contingent, and all such bodies of Troops will be considered as forming a portion of the Standing Army, and Officers serving with those Forces will be entitled to all the privileges regarding promotion granted to the Officers of the Army at large, by the usage of the service, or under the provision of the Royal Warrant.

No. 118 of 1864.—The following Military letter from the Right Honorable the Secretary of State for India is published for general information :—
From Her Majesty's Secretary of State for India, to the Right Hon'ble the Governor General of India in Council, No. 416, dated 31st December 1863.

Sir,—With reference to my Despatch, No. 436 of 25th November 1862, I have to inform you that the rule laid down in a Circular from the Horse Guards, No. 61 of the 24th August 1860, extends to all Officers holding the rank of Captain regimentally with the Brevet rank of Lieutenant Colonel, who may be serving in positions qualifying for promotion to the rank of Colonel, under the 8th Clause of the Royal Warrant of 31st January 1859.

2. It is therefore to be considered as applying to Officers of that rank holding the command of Regiments in the Indian Army.

3. A Captain and Brevet Lieutenant Colonel appointed to the command of a Regiment before the publication in General Order of the Horse Guards' Circular of the 24th August 1860, count his period of command as qualifying service for the rank of Colonel, but a Captain and Brevet Lieutenant Colonel appointed to a similar Command subsequent to the publication, would not so count it.

No. 58 of 1865.—The following Military Letter from the Right Hon'ble the Secretary of State for India, No. 377, dated the 25th November 1864, and the Abstract of Rulings therein referred to, are published for general information :—

The principle of the Rules will apply to Officers of the Indian Army holding qualifying appointments as well as to Officers of the Staff Corps, similarly situated and whose promotion to the rank of Colonel is not provided for under paragraph 2 of the Staff Corps Warrant :—

Sir,—With reference to my Despatch, No. 27, dated 30th January 1864, I have to acquaint you that as it has been determined that no deduction from the period of five years' service qualifying for the rank of Colonel is to be made on account of leave of absence taken by Lieutenant Colonels generally, the same rule is to be made to apply to the promotion of Lieutenant Colonels of the Staff Corps, under the Royal Warrant of 16th January 1861.

From H. M.'s Secretary of State for India, to the Right Honorable Governor General of India in Council, No. 28, dated 30th January 1864.

Sir,—My letter dated 8th October 1861, No. 389, informed you that it had been determined that Officers holding the rank of Colonel and Lieutenant Colonel regimentally in the Royal Artillery were not, in future, to be seconded when holding Civil situations. My Despatch of the 24th March 1862, No. 124, further informed you that the Supernumerary Lieutenant Colonels of the Royal Artillery were to be absorbed into the Regiment as vacancies occurred, and directed that a similar rule should be established with regard to the Indian Brigades.

2. Circumstances have hitherto prevented the carrying out this intention in the Royal Artillery, and the measure has, in consequence, been suspended, as respects the Indian Artillery also.

3. I am now informed that it is determined that the absorption of the Supernumerary Field Officers of the old Brigades shall commence on the 1st April next, and that with this prospect in view, the Field Marshal Commanding-in-Chief has commenced the discontinuance of the practice of placing Field Officers of Artillery on the Supernumerary list.

4. The absorption of the Field Officers in the new Brigades will not be commenced until the process is completed in the old Brigades, but no Field Officers of either Brigade will be placed on the Supernumerary list after this date.

5. It is understood that the absorption of the Field Officers will be affected in the manner indicated in my letter, dated 24th March 1862, No. 124, by making only one promotion for every three vacancies.

London, the 25th April 1867.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR.—Para. 1. With your Military letter No. 39, dated 28th February, paragraph 2, you transmit correspondence relative to qualifying service for promotion of Majors and Brevet Lieutenant-Colonels under the Royal Warrant of 31st January 1859.

2. As the Commander-in-Chief considers the point raised open to question, you state you are desirous of being informed whether the decision contained in your Officializing Secretary's letter No. 339, dated 11th February, is accurate, viz., that no portion of the time passed on leave by a Major and Brevet Lieutenant-Colonel (for field service) Commanding a Regiment, can count as qualifying service for promotion to Colonel, under the provisions of Clause 10 of the Royal Warrant of 31st January 1859.

3. The clause referred to is as follows:—

"That the rank of Colonel be given to Officers who obtain the rank of Brevet Lieutenant-Colonel for services in the field after eight years of actual service with that rank."

4. When the period qualifying the Lieutenant-Colonel for the rank of Colonel, which had been fixed by the Royal Warrant of 1854 at three and six years respectively, was raised by the Warrant of 1858 to the periods of five and eight years, it was understood that no deductions from the extended periods were to be made on account of leaves of absence. It was subsequently determined (July 1860) that in respect of Lieutenant-Colonels in India, a limit should be placed "on the period of absence to be reckoned as part of the five years qualifying for promotion to Colonel; and that fifteen months, being one-fourth of the whole period of five years, will be the term allowed, exclusive of leave obtained on medical certificate in consequence of wounds received in action."

5. This Regulation was to apply both to Her Majesty's British and Indian Forces serving in India.

6. Very shortly afterwards your Government were informed that, on a reference to the General Commanding-in-Chief, it had been ruled that leave of absence taken by a Brevet Lieutenant-Colonel who had obtained that rank for service in the field, was to reckon as part of the eight years' service required, under the Warrant of 31st January 1859, to qualify for the rank of Colonel. This decision was published in orders by your Government on the 21st September 1860.

7. You were informed recently that the practice under which leave of absence had been deducted from the five years' qualifying period, was to cease; and that the Field Marshal Commanding-in-Chief had seen the necessity of rectifying the position of all Colonels promoted since October 1858, who might have had their promotion retarded by the practice of limiting the leave of absence to fifteen months in the five years.

8. Your Government were directed to adopt a similar course in respect to the Colonels of Her Majesty's Indian Forces.

9. Your Government will thus observe that, although a limit was at one time placed on the leave of absence to be taken by a Lieutenant-Colonel qualifying under the five years rule, it has at no time been intended that any deduction on account of leave of absence should be made from the service of the Brevet Lieutenant-Colonel qualifying under the eight years rule, under Clause 10 of the Royal Warrant. The only qualification required under this Clause is, that an Officer should continue to serve on full pay for the period of eight years from the date on which he obtained the rank of Lieutenant-Colonel for service in the field.

10. The questions put by Sir William Mansfield to your Government, were as follow:—

1st.—Whether the period passed on leave by a Major and Brevet Lieutenant-Colonel Commanding a Native Regiment, is to be reckoned under Clause 10 of the Royal Warrant of 31st January 1859?

2nd.—Whether leave of absence, which has been allowed to count as service for pension, is to be deducted from the qualifying service of Captains and Majors holding command of regiments with the army rank of Lieutenant-Colonel?

11. With regard to these questions I have to remark as follows:—

12. Under the decision communicated to your Government on the dates noted in the margin, the command of Native Regiments held by substantive Majors being Brevet Lieutenant-Colonels, is to qualify for promotion to the rank of Colonel under the provisions of Clause 9 of the Royal Warrant.

Under the rulings of the Secretary of State for War, published in Orders in India on 18th January 1865, in respect to Clause 9, a regimental Major being a Brevet Lieutenant-Colonel, can only count the period he actually held command of a regiment towards the five years. On ceasing to exercise the command, he would, if a Brevet Lieutenant-Colonel for service in action, be in the same position as the Captain and Brevet Lieutenant-Colonel referred to in Sir Charles Wood's Despatch of 17th November 1864, No. 356, paragraph 5, that is, he would revert to the 10th Clause of the Warrant whilst on leave. The decision of the Field Marshal Commanding-in-Chief to this effect was communicated to you in Lord de Grey's Despatch dated 31st May 1866, No. 115. In this Despatch you were informed that, by the rules which govern the promotion of Officers of the British Service, the period during which an Officer, not a substantive Lieutenant-Colonel, is absent from his command on any account whatever, can only be allowed to reckon as qualifying for the rank of Colonel under the eight years rule,

No. 250.

13. The privilege under which leave of absence is, in certain cases, allowed to count as service for pension, relates to retirement on full pay only, and has no bearing on promotion under the Royal Warrants.

No. 10.

Under instructions from the Right Honorable the Secretary of State for India, and in accordance with the rule which obtains in the British Army, mixed qualifying periods of service for promotion to the rank of Colonel when there happen to be fractions of days will be computed as follows:—

The five years will be considered as completed if the number of days, together with the fractions of days, amount to more than 1,825½ days, but another day's service will be required if the fraction in the total is only equal to, or less than, half a day.

Royal Warrant.

VICTORIA R.

Whereas it is expedient to provide a body of Officers for Our service in India, by whom various offices and appointments hitherto held by Officers borne on the strength of the several Corps or Regiments of Our Forces in India shall in future be held; and whereas Our Secretary of State for India in Council has resolved to charge upon the revenues of India the sum necessary to provide the pay, half-pay, and pensions of such body of Officers on the scale hereinafter contained. Our will and pleasure is that a Corps be formed in each of the Presidencies of Our Indian dominions, to be denominated the Bengal, Madras and Bombay Staff Corps, respectively, to consist of such Officers as may be required for such employment, and are selected for such purpose by Our Governments in India, with the approbation of Our Secretary of State for India in Council.

It is also Our will and pleasure, that all Officers now holding, or who immediately before the commencement of their present unexpired furlough may have held such appointments and in future Officers belonging to any of Our land forces serving in India, under the rank of Regimental Field Officer, who shall have served three years with a Regiment, of which two shall have been in India, shall be eligible to enter such Staff Corps; but such Officer will not be permanently transferred to the Staff Corps, unless fully qualified, and until they shall have passed such periods of probation as may be determined on for the branch of the Indian Service for which they may be selected. Officers will receive commissions in the Staff Corps on their names being submitted to Us by Our Secretary of State for India.

It is Our further will and pleasure that the promotion and pay of the Staff Corps shall be regulated as follows:—

1. Ensigns, when permanently transferred to the Staff Corps, to have the rank of Lieutenant. Other Officers to have the rank which they may hold in their Regiments.

2. Promotion in the Staff Corps to be governed by length of service. Officers after twelve years' service, of which four must have been in the Staff Corps, to become Captains. Officers of which six must have been in the Staff Corps, to become Majors.

After twenty-six years' service, of which eight must have been in the Staff Corps, to become Lieut. Colonels. Five years' service in the Staff Corps as Lieutenant Colonel to entitle the Officer so employed to the Brevet rank of Colonel.

3. Officers now in Staff employment in India, joining the Staff Corps on its formation, shall count their previous Staff service towards promotion to the following extent:—

One step of rank will be given to every Officer whose period of service would qualify him for it, according to the above rules. An interval of two years at least must intervene between each succeeding step.

4. Officers in the Staff Corps will be eligible for Brevet rank in common with the rest of the Army.

5. Officers of the Staff Corps holding Military appointments will take Military command according to their Army rank; but Officers whilst holding only Civil appointments will not be entitled to assume such command.

6. Exchanges may be allowed between Officers of the Staff Corps under the substantive rank of Field Officer and Regimental Officers of the same rank on the recommendation of the Indian Governments. Officers of the Staff Corps exchanging into a Regiment will become the Juniors of their Regimental rank.

7. The power of removing Officers from the Effective List of the Staff Corps will be exercised by Us through Our Secretary of State for India.

8. Officers of the Staff Corps will receive pay according to the following scale:—

	rs.	s.	d.	per mensem.	per diem.
General Officers.....	1,295	5	0		1 5 0
Brevet Colonel & Lieut. Colonel....	827	11	0		1 0 0
Major.....	610	11	0		0 16 0
Captain.....	374	1	6		0 10 6
Lieutenant.....	225	12	0		0 6 6

Every Officer when in active employment will also receive, in addition to the above pay, such a sum as will make his total pay and allowances up to the sum assigned by the Governments in India, with the approval of the Secretary of State for India in Council, as the consolidated pay of the office which he may hold. Eventually a certain proportion of this senior Officers of the Staff Corps will receive Colonels' allowance.

9. Officers of the Staff Corps will be allowed to retire on the following scale of Pension, provided that not less than half of the required periods of service shall have been passed in the Staff Corps:—

	£.	s.	d.	per annum.
After 20 years' service in India.....	191	12	0	
" 24 " " ".....	292	0	0	
" 28 " " ".....	365	0	0	
" 32 " " ".....	456	5	0	

Officers of Her Majesty's Indian Forces joining the Staff Corps will be entitled to Pensions under the Regulations of the Indian Service.

10. Officers of the Staff Corps in England who may not wish to retire, but who are unable to return to India, and Officers removed from the Effective List who may not be entitled to retire on the above scale of Pension, will be placed on a Half-pay List, provided they have served three years in India in the Staff Corps, on the same rate of Half-pay and on the same conditions as Officers of a similar rank in Our Army.

G. O. G.,
para. 96.

11. It is also Our will and pleasure that this Warrant shall be administered and interpreted by Our Secretary of State for India in Council, who shall be the sole and standing authority upon the matters therein contained, Given at Our Court at Windsor, this Sixteenth day of January 1861, in the Twenty-fourth year of Our Reign.
By Her Majesty's Command.

(Signed) CHARLES WOOD.

Staff Corps.

66. The organization and regulations of the Staff Corps to be formed in the several Presidencies are given in full detail in the Royal Warrant and the Despatch No. 27, now published. The object of forming the Staff Corps is to supply a body of Officers for service in India, by whom various offices and appointments, hitherto held by Officers borne on the strength of the several Corps of Indian Forces, shall in future be held; it having been resolved that the practice of withdrawing Officers for such employment, while remaining on the strength of their Regiments, be discontinued, and that ultimately all Officers selected for such employment be transferred to Staff Corps.
67. These Corps will be denominated the Bengal, Madras and Bombay Staff Corps respectively, and will consist of such Officers as may be required for employment therein, and may be selected by the Governments of the several Presidencies, with the approbation of the Secretary of State for India in Council.
68. Officers of the British and Indian Armies now on Staff employ in India, not having the substantive rank of Colonel, are eligible for admission to the Staff Corps; and Officers of either Service under the rank of Field Officer, not now on the Staff, may, now or hereafter, become candidates.
69. Officers at present holding Civil and Political appointments of every description, and appointments in all Public Offices and Departments; Officers holding Military appointments on the General and Personal Staff, and the appointments of Commandant, second in Command, and Adjutant of Irregular and Local Corps; of Adjutant and Interpreter and Quarter Master of existing Local European and Native Regiments;—will be held to be now on Staff employ, and will be eligible, under the conditions hereafter noted, to have their names placed on the list of the Staff Corps; but Officers doing duty with Irregular and Local Regiments will not be regarded as being now in Staff employ.
70. So soon as the proposed changes in the organization of the Regular Native Regiments shall have come into operation, the whole of the Officers who will be permanently attached to them will be held to be on Staff employ.
71. There will then be, as at present, two great divisions of employment for Officers of the Staff Corps:—
1st. Purely Military, as in Regiments of the Native Army.
2nd. Various Civil appointments, as Political, Public Works, &c.
There will also be practically many sub-divisions of employment, for each of which there will be, as at present, separate Departmental Lists.
72. Officers of the Indian Army now holding Staff appointments of any description, will have the option of joining the Staff Corps if they do not possess the substantive rank of Colonel, or of continuing in Staff employment, whatever their Regimental rank, without joining the Staff Corps; and in the latter case they will not, as heretofore, be required to vacate their appointments on the attainment of a certain Regimental rank. This paragraph does not affect the provisions of paragraph 45.
73. Officers of the Indian Army now not on the Staff, nor having the substantive rank of Colonel, but who within the last three years, or who, at the commencement of their present unexpired Furlough, may have served permanently on the Staff, and who may make application within the next six months, will be considered eligible to join the Staff Corps on the same terms as those now on Staff employ; provided always that they have passed the prescribed examination in Hindoostanee, and that they did not lose their appointments through misconduct, and are not otherwise disqualified.
74. Officers of the British Army, now in Staff employ, will have the option of declaring their desire to be transferred to the Staff Corps, with the consent of the Commander-in-Chief in India; within six months from the date of the notification of the Royal Warrant in India; or of retaining their appointments on their present footing, if their services are required by Government, for the unexpired portion of a period of five years from the date of their appointment, unless the Regiments to which they belong shall be previously removed from the Indian Establishment.
75. Those whose tenure of Staff appointments, at the time of transfer to the Staff Corps, shall have exceeded one year, will not be subjected to probation, or to any introductory test other than those already prescribed for any department in which they may be serving; but Officers who may have held their appointments for less than one year will not be transferred permanently to the Staff Corps unless they possess the requisite qualifications, and shall have completed the period of probation to be prescribed. The option of joining the Staff Corps will be open to those Officers only who may be considered by the Governments under which they are serving to be in all respects fit for the Staff Corps.
76. Appointments on the General Staff of the Army specified in the margin, can only be held for five years; they may be held by Officers of the Staff Corps, or by other Officers of either Army, but will be subject henceforward to the limitations as to rank, which are laid down in "the Queen's Regulations and Orders for the Army," in Clauses 30 to 33 of the Section entitled "Duties of General and other Officers employed upon the Staff of the Army."
77. Officers now holding such appointments will not be required to vacate them for a period of two years from this date, or a period of seven years from the date of their appointment.
78. Officers not having the substantive rank of Colonel, now holding appointments on the Staff, as defined in paragraph 69, will at once be called upon to declare whether or not they desire to join the Staff Corps, to enable such Officers to avail themselves of the advantages in the way of promotion, notified in paragraphs 84 and 85, they must communicate their decision to the Adjutant General within six months of the date of the publication of the Royal Warrant in India.
79. The selection of Officers hereafter, for the Staff Corps, will rest with the Governments in India, but no Officer serving with any Regiment will be admitted on probation without the consent of the Commander-in-Chief, or without a certificate from the Commanding Officer of his Regiment, that he has efficiently performed his Regimental duty for the period prescribed in paragraph 80.
80. For the future, Officers not on the Staff will not be eligible for the Staff Corps unless they be below the rank of Regimental Field Officer, and have served three years with a Regiment, of which two must have been in India, and have past the prescribed examination in Hindoostanee. They will not be permanently appointed to the Staff Corps, unless, after due probation, they shall pass the prescribed tests for the branch of the Indian Service for which they may be selected. This rule applies equally to Officers of the British and Indian Armies.
81. A subsequent notification will prescribe the period of probation and the tests of qualification in the several Departments.

82. The promotion of Officers while on probation will go on in their respective Regiments.
83. Officers of the British Army when permanently transferred to the Staff Corps will be removed from the strength of the Regiment to which they belonged.
84. The promotion of Officers of the Staff Corps will be regulated as follows:—
Royal Warrant, Clause 3, Lieutenant. Other Officers will have the rank which they may hold in their Regiments.
85. Officers of twelve years' service, of which four must have been in the Staff Corps, will become Captains. After twenty years' service, of which six must have been in the Staff Corps, they will become Majors. After twenty-six years' service, of which eight must have been in the Staff Corps, they will become Lieutenant-Colonels. Five years' service in the Staff Corps as Lieutenant-Colonel, will entitle the Officer so employed to the Brevet rank of Colonel.
86. Officers now in Staff employment will be allowed to count, to the extent laid down in the Royal Warrant, as noted in the preceding paragraph, their past service towards promotion, as if it had been performed in the Staff Corps. One step of rank will be given to every Officer whose period of service would qualify him for it according to the above rules, an interval of two years at least must intervene between each succeeding step. But these privileges will be restricted to those Officers who, whether now in India, or on leave out of India, may declare their desire to be transferred to the Staff Corps within six months of the date of the notification of the Warrant in India.
87. The Officers referred to in paragraph 73, will also be allowed this privilege, should they be permitted to join the Staff Corps.
88. The past service on the Staff, counting for promotion in the Staff Corps, will include any service of a permanent nature which an Officer now on the Staff may, from the date of his first arrival in India, have passed on the Staff.
89. Officers of the Staff Corps under the substantive rank of Field Officer, will be allowed to exchange with Regimental Officers of the Line of the same rank, on the recommendation of the Governments of the several Presidencies, with the concurrence of the Government of India and the Commander-in-Chief in India, and subject to the confirmation of Her Majesty. But it is to be understood that the Regimental Officer entering the Staff Corps by exchange will not necessarily assume the Staff appointment held by the Officer with whom he exchanges. He will merely enter the Staff Corps on being found qualified for the Department of the Staff on which the Government may desire to employ him. Officers of the Staff Corps exchanging into a Regiment, will become the Juniors of their Regimental rank.
90. An Officer of the Staff Corps whose name is borne on the Cadre of an Indian Regiment, exchanging from the Staff Corps with an Officer of a British Regiment other than the new Line Regiments about to be formed, will give an effective step in the Cadre of his former Regiment.
91. It will be discretionary with the Governments in India, as at present, to employ the Officers of the Staff Corps, in such manner as they may think best, in the situations for which their respective qualifications may render them most fitted. The appointments and promotions in the several Departments will rest, as at present, with the Government. Those appointments, promotions, and recommendations now in the gift of the Commander-in-Chief, remain as heretofore.
92. Officers of the Staff Corps of one Presidency may, with the sanction of the Government of India, be employed in any other Presidency.
93. Unattached Officers of the Indian Service are eligible for the Staff Corps on the same terms as other Indian Officers.
94. Officers of the Staff Corps while on furlough will draw the pay of their rank, as laid down in the Clause of the Royal Warrant for Officers out of India, and in case of sickness will have the privilege of drawing for six months the allowances of Officers on sick leave in India. They will be allowed to retain their appointments during short periods of leave, not exceeding twenty months, during which time they will only receive the unemployed Regulations of the Indian Army.
95. A certain proportion of the Senior Officers of the Staff Corps will receive Colonels' allowance. Eventually the number will be fixed in the proportion of one for every thirty Officers on the Staff Corps, but this number can only be filled up as the establishment of Colonels on the old footing diminishes, so that the aggregate number of Officers receiving Colonels' allowance at one time shall never exceed the regulated number of Colonels' allowance for each Presidency.
96. Officers of Her Majesty's Indian Forces joining the Staff Corps, will be entitled to pensions under the Regulations of the Indian Service. Officers of the British Army, entering the Staff Corps, will be allowed to retire on the following scale of pension, provided that not less than half of the required periods of service shall have been passed in the Staff Corps:—
- | SCALE. | £. | s. | d. |
|-----------------------------------|-----|----|--------------|
| After 20 years' service in India. | 121 | 12 | 0 per annum. |
| " 24 " | 232 | 0 | " |
| " 28 " | 365 | 0 | " |
| " 32 " | 456 | 5 | 0 " |
- These periods of service will include the proportions of leave of absence in India or elsewhere laid down in the New Furlough Regulations, viz:—
- | 2 years in 20 years' service |
|------------------------------|
| 3 " 25 " |
| 4 " 30 " |
97. All Officers of the Staff Corps in England who may not wish to retire, but are unable to return to India, and Officers removed from the effective list of the Staff Corps who may not be entitled to retire on the above scale of pension, may, provided they have served three years in India in the Staff Corps, be placed on a half-pay list, on the same rate of half-pay and on the same conditions as Officers of a similar rank in the British Army. Officers belonging to the Indian Forces who may avail themselves of this privilege will give an effective step in the Cadres of their Regiments. Officers placed on half-pay will be eligible to return to effective service, either in the Staff Corps or in Regiments of the Line. In the former case their names will not be restored to their old Cadres.
98. No unemployed General Officer of the Staff Corps, who is not required by the Governments in India to remain there, will be allowed to receive pay on the Indian scale for a longer period than three years. At the expiration of that period he will be restricted to the pay fixed for Officers of his rank "out of India." This rule in no way affects the Colonels' allowance.
99. No unemployed General Officer of the Staff Corps, who is not required by the Governments in India to remain there, will be allowed to receive pay on the Indian scale for a longer period than three years. At the expiration of that period he will be restricted to the pay fixed for Officers of his rank "out of India." This rule in no way affects the Colonels' allowance.

98. Officers of the Staff Corps under the rank of Major-General, whom the Government of India may not see fit to employ in any capacity, will not be allowed to draw pay for more than four years, of which one year may be on the Indian scale, and three years on the scale fixed for Officers "out of India," after which period they will be placed on half-pay, or on pension according to the scale of their rank, if entitled thereto.

Despatch 27, para. 33.
Royal Warrant, Clause 8.
Despatch 27, para. 25.

99. The pay of Officers of the Staff Corps whilst unemployed has been fixed at the following rates:—

	Whilst required to remain in India. Per Mensem.	Out of India. Per Diem.
General Officers.....	Rs 1,205 5 0	£1 5 0
Brevet-Colonel and Lieutenant-Colonel.....	827 12 0	1 0 0
Major.....	640 14 0	0 16 0
Captain.....	374 1 6	0 10 6
Lieutenant.....	225 12 0	0 6 6

100. The pay and allowances to be established for the several Staff appointments, in all departments of Staff employ, will be announced in a subsequent notification, and meanwhile the Staff salary and other allowances of all appointments will remain unchanged.

Despatch 27, para. 23.

101. Officers of the Staff Corps are eligible for Brevet Rank, and will take their places on the General Gradation List in common with the rest of the Army. Those holding Military appointments will take Military Command according to their Army Rank, but Officers whilst holding only Civil appointments will not be entitled to assume such command. Civil appointments are those in any Civil branch of the Army, or under the Civil administration of Government.

Royal Warrant, Clause 3,
paras. 4, 5.

102. Officers of the Staff Corps will succeed to Colonels' allowance according to their seniority as Lieutenant-Colonels in the Staff Corps. Lieutenant-Colonels entering the Staff Corps on its first establishment will take rank for Colonels' allowance according to the dates of their Commissions as substantive Lieutenant-Colonels. All Officers entering the Staff Corps will take with them the substantive rank they held at the time of joining it. Should two Officers of the same rank enter the Staff Corps, and be promoted on the same day, they will stand in the Corps according to the dates of their previous substantive Commissions. But Officers of the Staff Corps will take precedence and exercise command among each other according to their Army Rank.

103. All promotions in the Staff Corps, in the case of Officers who may join the Staff Corps within six months of the publication of the Royal Warrant, will take effect from the 15th February 1861, the date of the receipt of the Warrant in India.

Royal Warrant, Clause 7. 104. The power of removing Officers from the effective list of the Staff Corps will be exercised by Her Majesty through the Secretary of State for India.

105. The provisions of paragraph 90 are also applicable to appointments in the Ordnance, Survey, and Public Works Department.

(Signed) R. J. H. BIRCH, Major General, Secretary to the Govt. of India.

No. 825 of 1861.—The following paragraphs of a Military Letter from the Right Hon'ble the Secretary of State for India, No. 318, dated 10th August 1861, are published for general information:—

Para. 1.—It appears to me that paragraph 98 of your General Order does not accurately express the intentions of Her Majesty's Government, and is liable to misapprehensions on the part of the Officers of the Army. The words "Officers of the Staff Corps, under the rank of Major-General, whom the Government of India may not see fit to employ in any capacity," used in the paragraph, would appear to contemplate Officers whom the Indian Governments, in point of fact, considered to be unfit for employment. Such Officers ought to be removed from the Staff Corps under the authority specified in the 7th paragraph of the Staff Warrant, and placed upon half-pay or pension under the provisions of the 10th paragraph of the same Warrant.

2. The directions contained in paragraph 23 of my Despatch No. 27 of January 1861, were intended to apply not to Officers unfit for employment, "whom the Governments of India may not see fit to employ in any capacity," but to Officers who are perfectly fit for employment, but who, from circumstances of one kind or another, may be out of employment, for example, such as those who, in consequence of having overstayed the prescribed limit of absence, with retention of appointment, may find themselves, on their return to India, out of employment.

3. I proceed, therefore, to give you more precise directions on this subject.

4. Such Officers are, on their return to India, to be placed on the rate of pay specified, for their respective ranks, in the Staff Warrant for Officers "while required to remain in India," and they will retain this rate of pay for a year, before the expiration of which I expect that you will have an opportunity of placing them in some suitable situation. This it will be your duty to do at the earliest period, so that the revenues of India may not be charged for more unemployed Officers than is inevitable under the circumstances at the time.

5. If, however, no opportunity should occur within the year of placing such an Officer in a situation that you consider suited to him, you are authorized to continue such allowance until a suitable opening can be found.

6. I desire, however, that every such case shall be forthwith reported to me, and that a quarterly list of all such unemployed Officers in India, at the date of their return to India, may be punctually transmitted to me.

7. You will modify the 98th paragraph of your General Order in accordance herewith.

No. 826 of 1861.—With reference to the foregoing Despatch, paragraph 98 of the General Order, No. 382, dated 10th of April 1861, is cancelled, and the following is substituted for it:—

98. Officers of the Staff Corps under the rank of Major-General, who may be considered unfit for employment, will be removed from the Staff Corps under the authority specified in the 7th paragraph of the Royal Warrant, and placed upon half-pay or pension under the provisions of the 10th paragraph of the same Warrant.

Officers who are perfectly fit for employment, but who, from any circumstances, as, for example, from having exceeded the prescribed limit of leave of absence, with retention of appointment, may be out of

employment, will, on their return to India, be placed on the rates of pay specified in the Royal Warrant for Officers respectively "while required to remain in India," and such rates of pay they will retain for one year, within which time it will be the duty of the Government of India to find suitable employment for them if possible, but failing in this, the allowances above noted will be continued until an opening for employing them can be found.

No. 469 of 1866.—The following Extract from General Orders by the Government of India, is re-published:—

Fort William, the 15th December 1866.

No. 1062 of 1866.—Under the authority of the Right Honorable the Secretary of State for India, His Excellency the Governor General in Council is pleased to notify that Officers joining the Staff Corps under Government General Order No. 898* of the 26th September 1866, will not be liable to be placed on half-pay under Government General Order No. 826 of 17th September 1861, upon any grounds other than such as would have justified their removal from the effective strength of the Army had they not joined the Staff Corps.

Revised Table of Staff Salaries.

Fort Saint George, 6th November 1863.

No. 392 of 1863.—The following Extracts from General Orders by the Government of India, are re-published:—

Simla, the 13th October 1863.

No. 158 A of 1863.—Under the authority and direction of the Right Hon'ble the Secretary of State for India, as conveyed in his Despatch No. 311, dated the 31st August last, a revised Table of Staff salaries for the three Presidencies is published, and the Extracts of Sir Charles Wood's Despatch on the subject, as given below, are promulgated for general information.

2. Officers whose appointments are not specified in the Table of revised salaries will draw pay as at present, and further orders will hereafter be issued with respect to the Office Establishment of those Staff Officers who have hitherto drawn an Office allowance, such as Assistants Adjutant General of Divisions and Majors of Brigade.

3. With reference to paragraph 29 of Sir C. Wood's Despatch, it is announced that the Despatch was received by His Excellency the Governor General on the 30th September. Increased pay, were granted by this order is therefore claimable for the month of September.

Para. 1.—"Your several letters noted in the margin, relating to the salaries to be attached to Offices held by Military Officers in India, have been under my consideration in Council, and I have now to communicate to your Lordship the decision which, after an attentive perusal of the several papers which accompanied your letter, Her Majesty's Government have arrived at upon this subject.

2. The Committee of Secretaries appointed by your Government to consider the subject, have gone very carefully into the whole question, and have submitted a very valuable Report, which has greatly tended to facilitate and simplify the consideration of this important matter.

3. They observe of the Royal Warrant for the formation of the Staff Corps in India that, after fixing the scale of pay to be received by Officers attached to them while in India, and when out of India, it further provides that every Officer when in active employment will also receive, in addition to the above pay, such a sum as will make his total pay and allowances up to the sum assigned by the Government of India, with the approval of the Secretary of State for India in Council, as the consolidated pay of the office which he may hold.

4. Having consulted the several Governments, as well as the Chief Political Officers of the Government, the Committee propose for adoption the following principles:

1st.—That the salaries of Military Officers holding appointments connected with the Civil administration of the country should be consolidated and fixed without reference to the rank of the incumbent.

2nd.—That in the case of Military Officers in Staff employ, certain salary should be fixed for every appointment, and that the incumbent should receive such fixed salary in addition to the Staff Corps pay of his rank.

3rd.—That this latter principle should apply to the Department of Public Works.

5. I concur generally in the principles here laid down, with some exceptions to be hereafter pointed out as regards the Officers in Military Staff employ.

10. I have considered it necessary to deviate in some respects from the rates of salary proposed by the Committee, and I now forward, for the information of your Government, a Table of salaries which Her Majesty's Government have resolved upon, for the several offices enumerated in their report.

11. You will observe from the Table that, while adhering generally to the principle of allowing a fixed salary in addition to Staff Corps pay, it has been determined to fix the salaries of some few of the other offices at a consolidated sum.

12. In the case of the other appointments it is to be understood that the Staff salary is to be added, plus the Staff Corps pay due to the Officer's rank, will constitute the maximum amount to be drawn by an Officer of that rank holding the office in question, whether such Officer belongs to the Staff Corps or not. In the case of appointments held by Officers belonging to Her Majesty's British Forces, such maximum amount will include any pay or half-pay that may be paid to them in England.

13. I approve of the rule proposed by the Committee that in all cases where any allowance for "Office" is made, as in the case of Assistants Adjutant General, Brigade Majors, and others, it should be distinctly understood that the allowance is to be drawn only by Officers actually discharging the duties of the appointment, and that no further charge can be allowed for providing an office.

Extract, Secretary of State's letter, No. 311, dated 31st August 1863, paragraphs 23 to 30.

Para. 23. I have given much and careful consideration to these proposals.

24. I am of opinion that the salaries attached to these Regimental appointments should be such as to place them at least on a footing of equality with the average of the Staff appointments commonly held by Officers of similar rank and standing in the service, and while they should not be so far superior to the latter as to induce those to seek them whose natural tastes and qualifications might not otherwise incline them to this important branch of the Service, it is important, on the other hand, that young Officers, who, on first joining the Staff Corps, will frequently be employed with Native Troops, should not, if naturally fitted for Military Service, be tempted to relinquish it by the attraction of superior emoluments of other staff employments.

25. With these principles in view, and making due allowance for the advantages enjoyed by Staff Corps Officers in regard to promotion, and the comparatively early period at which they will attain the pay for the higher ranks, I am willing to sanction the scale of Staff allowance proposed by your Government for the Officers serving in different capacities with Native Regiments, which, though liberal, will probably not be found excessive.

26. In the case of the Regimental Adjutant, however, it appears desirable that an Office Establishment should be prescribed, which should be maintained and paid upon Abstracts supported by the usual Muster Rolls.

27. I learn from your Despatch No. 10, dated 3rd January 1863, that you have completed the Native Regiments in Bengal to six regularly attached and paid European Officers, exclusive of the Medical Officers, as announced in your General Order of the 12th December 1862, it being distinctly understood that the appointments made under that decision are held subject to such modifications as may be found necessary on receipt of my further instructions on the general question, and that you have authorized the Government of Bombay to extend the rule to such Regiments in that Presidency as are formed and officered according to the new organization.

28. I approve of these proceedings and shall await the result of your reference to the Government of Madras upon the introduction of the new system into the Army, of that Presidency.

29. The scale of salaries now sanctioned will be brought into operation and made to apply in all cases where there is no reduction in the present aggregate salary on the payment due on the 1st of the month succeeding the receipt of this Order.

30. Reductions of salaries effected by this Order are not to be made to affect present permanent incumbents, or those who are officiating for such permanent incumbents being temporarily absent from their duties.

Medical Department.

1. The grades of Medical Officers in Our Indian Military Forces shall be four in number, viz:—

No. 941 of 1868.—The following Military letter from the Right Hon'ble the Secretary of State for India is published for general information:—

MILITARY
No. 941.

INDIA OFFICE;

London, 31st August 1868.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR.—In the Royal Warrant of 1866, regulating the pay and promotion of Officers and Soldiers of Her Majesty's British Service elsewhere than in India, it is ruled, by Clause 287, that "a Surgeon of less than twenty years' full-pay service may be promoted to the rank of Surgeon-Major for distinguished service."

2. Her Majesty's Government have determined that this regulation shall be held applicable to the Indian Medical Service. It is to be remembered that this promotion is not brevet, but substantive, and that it will carry with it the advantages of increased pay, &c., which appertain to the rank of Surgeon-Major.

3. You will observe that, by the enclosed extract of the Royal Warrant above mentioned, it is necessary that "the recommendation detailing the services for which the Officer is proposed for promotion for distinguished services shall be published in the General Orders of the Army and in the Gazette in which such promotion shall appear."

I have, &c.,

(Signed) STAFFORD H. NORTHCOTE.

Extract from the Royal Warrant, 1866, Part 1—Pay.

Clause 287.—A Surgeon after twenty years' service in any rank shall be styled Surgeon-Major, but a Surgeon of less than twenty years' full-pay service may be promoted to the rank of Surgeon-Major for distinguished service. The recommendation detailing the services for which the Officer is proposed for promotion for distinguished services shall be published in the General Orders of the Army and in the Gazette in which such promotion shall appear.

2. No Candidate shall be admitted to the competitive examination for a Commission in the Medical Department of Our Army who does not possess such a certificate or certificates as would qualify a civilian to practice Medicine and Surgery.

3. No Assistant Surgeon shall be eligible for promotion to the rank of Surgeon until he shall have passed such examination as Our Principal Secretary of State for India in Council may require, and shall have served in India with the Commission of Assistant Surgeon for five years, of which two shall have been passed in or with a Regiment.

4. A Surgeon, whether on the Staff or attached to Regiments, must have served ten years in India, of which two must have been passed, with the rank of Surgeon, in or with a Regiment, or as a Civil Surgeon, before he will be eligible for promotion to the rank of Deputy Inspector-General of Hospitals.

5. A Deputy Inspector-General of Hospitals must have served three years in India before he shall be eligible for promotion to the rank of Inspector-General.

In cases, however, of emergency, or when the good of the service renders such alteration desirable, it shall be competent for the Governor-General in Council to shorten the several periods of service above mentioned, in such manner as he shall deem fit and expedient.

6. Assistant Surgeons shall, as a general rule, be promoted to the rank of Surgeon in the order of their seniority in the service, unless unfit for the discharge of their duties from physical or professional incompetence or misconduct. In cases of distinguished service, however, an Assistant Surgeon may be promoted by Brevet, without reference to seniority, and in such cases, with a view to insure the responsibility attaching to an appointment made out of the regular course of promotion, the recommendation in which the services of the Officer shall be detailed shall be published in the General Orders of Our Indian Military Forces, and in the Gazette in which his promotion appears.

Relative rank shall carry with it all precedence and advantages attaching to the Military rank with which it corresponds, and shall regulate the rates of lodging money, number of servants, rations of fuel and light, or allowances in their stead, except for Officers and others to whom special rates have been assigned, detention and Prize Money, according to the regulations, and upon the conditions, in force, from time to time; and such relative rank shall not entitle the holder to Military command of any kind whatsoever, nor to the Presidency of Courts Martial, Courts of Inquiry, Committees, or Boards of Survey, but when the President of such Courts, Committees, or Boards shall be Junior to the Officer of the Civil Department then such Member of the Civil Department shall attend as a witness, and not as a member.

Options of quarters shall be regulated by relative rank according to the Commission; except in the case of the Commanding Officers' quarters, and in cases in which special quarters shall be permanently allotted, with the approval of the Secretary of State for War.

7. All promotion from the rank of Surgeon to that of Deputy Inspector-General of Hospitals shall be by Brevet, without reference to seniority, and in such cases, with a view to insure the responsibility attaching to an appointment made out of the regular course of promotion, the recommendation in which the services of the Officer shall be detailed shall be published in the General Orders of Our Indian Military Forces, and in the Gazette in which his promotion appears.

Relative rank shall not entitle the holder to salutes from Ships or Fortresses, nor to the turning out of Guards; but it shall entitle him, if Commissioned, to salutes by sentries, or by individual soldiers.

Honorary rank of Paymasters shall carry with it all the privileges and advantages attaching to relative rank of corresponding degree.

All Commissioned Officers, serving with the Troops, shall be entitled to Funeral Honours, according to their relative Military rank.—Vide G. O. G., 16th March 1864, No. 104.

3. The plan which appears to your Excellency best suited to protect the public interests and the claims, at the same time, of Medical Officers is that of relaxing the rule embodied in the 8th Clause of the Warrant, in cases where superior Medical authorities certify the perfect competency and fitness of the Medical Officer, who has completed the age of fifty-five years without having obtained the rank of Deputy Inspector-General.

4. I am willing to assent to the adoption of this plan in regard to the Medical Officers who entered the service prior to the promulgation of the Royal Warrant, provided that the perfect competency and fitness of the Medical Officers be, in all cases, certified by a Board consisting of two Medical Officers, one of whom must be an Inspector-General or Deputy Inspector-General, and the Commanding Officer, or Senior Civil Officer, under whom the Medical Officer may have been serving.

5. The certificate of efficiency granted by such a Board may hold good for three years, but in no case will a Medical Officer under the rank of Deputy Inspector-General be permitted to remain on the effective list after he shall have attained the age of sixty years.

6. A Medical Officer who may be unable to obtain the certificate of competency above referred to will be placed on the Retired List, receiving, as recommended by Government, the rate of pension next above that to which his period of service in India may entitle him, provided that he be not already entitled to retire on the higher rate, viz., £700 a year.

7. A similar course may be pursued with respect to Medical Officers employed on unprofessional duties on their attaining the age of fifty-five years.

11. Medical Officers shall be entitled to all the allowances granted to Our Indian Military Forces on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

12. Their families shall, in like manner, be entitled to all the allowances granted, under existing regulations, to the families of combatant Officers holding the same relative ranks.

13. Medical Officers shall be held entitled to the same honors as the other Officers of Our Army of equal relative ranks.

14. A Medical Officer, retiring after a service in India of twenty-five years and upwards, may, if recommended for the same by the Head of his Department, receive a step of honorary rank, but without any consequent increase of pay.

15. Six of the most meritorious Medical Officers of the Army shall be named Honorary Physicians, and six My Honorary Surgeons.—Vide G. O. G., No. 206, 18th June 1861.

No. 1209 of 1868.—The following paragraph of a Military letter from the Right Hon'ble the Secretary of State for India, No. 283, dated 26th August 1868, is published for general information:—

Para. 4.—Having forwarded, for the consideration of the Field Marshal Commanding-in-Chief, the papers relating to the claim of Deputy Inspector General of Hospitals * * * to count towards the relative rank of Colonel the period during which he officiated on the full pay of a Deputy Inspector General, His Royal Highness has informed me that in the British service a Deputy Inspector General of Substantive rank alone can claim the relative rank of Colonel, and that only from the actual date of the Gazette in which his appointment is notified, and that under no circumstances does a merely officiating appointment so qualify. As recommended by His Royal Highness, the same rule should be observed in the Indian service.

6. The establishment of Medical Officers above the rank of Assistant Surgeon in the three Presidencies will, so long as there are Officers enough remaining on the old lists to complete these numbers be fixed:—

In Bengal... 152

Madras... 86

Bombay... 69

7. With a view of removing all cause of complaint and misunderstanding, on the part of the Officers of the Indian Medical Service, on the subject of their promotion to the rank of Surgeon Major, under the Royal Warrant of 13th January 1860, Her Majesty's Government have determined to give retrospective effect to that Warrant, and to cause all promotions made under its authority to be dated from the 1st October 1858, being the date of the Royal Warrant for the British Medical Department, and it has been further determined to modify the instructions conveyed to you in my Despatches, No. 397, dated 31st October 1860, and No. 386, dated 30th September 1861, and to permit the period of service, qualifying Surgeons for the rank of Surgeon-Major under that Warrant, to be calculated from date of first commission, including all leave of absence of whatever kind.

8. It has been further resolved, that the following change in the mode of payment of Officers serving in India, whether of the British or Indian Medical Department, shall be introduced from the date of the receipt of this Despatch.

9. From that date, the allowance of head money, as well as that for medical charge of British Regiments and Brigades, will be discontinued, excepting in the case of Assistant Surgeons, who will receive while in actual charge of British Regiments or Brigades of Artillery, a special allowance of Rupees 100 per mensem in addition to their pay.

* And after five years' service in India as Deputy Inspector General, as Colonel, according to the date of the completion of such service.

† This Clause does not extend to the compliments to be paid by Garrison or Regimental Guards as laid down in pages 29 and 80 of the Queen's Regulations for the Army.

and from the rank of Deputy Inspector to that of Inspectors, shall be given by selection for ability and merit; and the grounds for such selection shall be stated to us in writing, and recorded in the office of the Secretary of State for India in Council, the selection for the grades of Deputy Inspector being made from the whole rank of Surgeons, whether styled Surgeons or Surgeons-Major.

8. With a view to maintain the efficiency of the service, all Medical Officers of the rank of Surgeon Major, Surgeon, or Assistant Surgeon, shall be placed on the Retired List when they shall have attained the age of fifty-five years, and all Inspectors General and Deputy Inspectors General when they shall have attained the age of sixty-five years.

9. The relative rank of the Medical Officers of our Indian Military Forces shall be as follows:—

Staff or Regimental Assistant Surgeon as a Lieutenant, according to the date of his Commission, and after six years' service in India as Captain according to the date of the completion of such service.

Staff or Regimental Surgeon as Major, according to the date of his Commission; and Surgeon Major as Lieutenant Colonel, but junior of that rank.

Deputy Inspector General as Lieut. Colonel, according to the date of his appointment.*

Inspector General of Hospitals as Brigadier General, according to the date of his appointment; if with an army in the field, or after three years' service in India as Inspector General, as a Major General, from the date of his joining such army in the field, or according to the date of the completion of such service.

10. The following will be the rate of pay for Officers of the several grades in the Medical Department, below that of Inspector and Deputy Inspector General, who receive special salaries, whether belonging to the British or the local service:—

Rank.	Years' Service.	Relative Rank.	Half Batta.			Full Batta.		
			RS.	A.	P.	RS.	A.	P.
Surgeon Major	25	Lieut. Colonel	888	12	0	1,093	2	0

Ditto	5	Lieutenant	304	14	2	335	12	2
Ditto	under	Ditto	286	10	0	317	8	0

11. Surgeons of Her Majesty's Service, not being Surgeon Majors, who may be in medical charge of Regiments or Brigades, at the date of publication of the Order, will not be affected by this rule, but will continue to receive their pay and allowances while attached to such Regiments, as heretofore.

12. Officers of the British Medical Department attached to Brigades of Horse Artillery and Regiments of British Cavalry will draw, in addition to the rate of pay above laid down, horse allowance at the following rate:—

Rank.	Years' Service.	Relative Rank.	Additional Horse Allowance, when attached to a British Cavalry Regt.
Surgeon Major	25	Lieut. Colonel	Rupees 90 per mensem.
Ditto	20	Ditto

Assistant Surgeon	10	Captain

13. Officers of the Indian Medical Service will receive pay, while on furlough in Europe, according to the following scale:—

Rank.	After 30 years' Service on full pay.	After 25 years' Service on full pay.	After 20 years' Service on full pay.	After 15 years' Service on full pay.	After 12 years' Service on full pay.	After 10 years' Service on full pay.	After 5 years' Service on full pay.	Under 5 years' Service on full pay.

Surgeon	...	...	...	18 0	15 0			
Asst. Surgeon	...	...	...	...	...	13 0	11 6	10 0

14. The rule regarding pension, at present applicable to the Officers of the Indian Medical Service, will remain in force with the following modification:—

15. Officers compelled to leave the service on account of ill health, and entitled to half pay pension under present Regulations, will be allowed the half pay of their relative rank, as laid down in the Royal Warrant, dated the 1st October 1858. This rule will apply to all Officers retiring upon half pay pension from a date subsequent to the receipt of this Despatch.—Vide G. O. G., 12th July 1864, No. 261.

Para. 15. My Despatch dated 16th May last, No. 152, stated that Officers compelled to leave the service on account of ill health, and entitled to half pay pensions under present Regulations, would, in future, be allowed the half pay of their relative rank.

4. Under these circumstances, I am of opinion that in respect to retirement on half pay, the Assistant Surgeon, after a service of six years, should be treated as an Officer having the Regimental rank of Captain has hitherto been treated; that is, without being required to show any qualifying period of service, he should be permitted to retire on the half pay of Captain, on showing sufficient proof of disqualification for further service.

5. Medical Officers under six years' service having the rank of Lieutenant, will continue, in respect to retirement on account of ill health, subject to the Regulations applicable to Subaltern Officers.—Vide G. O. G., 24th March 1865, No. 117.

ASSISTANT SURGEONS—IN MEDICAL CHARGES.

No. 288 of 1867.—The following Military Letter from the Right Hon'ble the Secretary of State for India, No. 268, dated 7th December 1866, is published for general information:—

MILITARY.
No. 268.

INDIA OFFICE:
London, the 7th December 1866.

To His Excellency the Right Hon'ble the Governor General of India in Council.
Sir,—I have considered in Council your Military Letter No. 248, dated 21st September 1866, transmitting correspondence regarding the title of an Assistant Surgeon

G. O. G.
No. 136, 29th
March 1867.

in medical charge of a British Regiment or Brigade of Artillery during the absence of a Surgeon on "privilege leave" to the special remuneration of Rupees 150 per mensem laid down in paragraph 9* of Sir Charles Wood's Despatch, No. 152, dated 16th May 1864.

2. In reply I have to inform you that the special grant of Rupees 150 referred to was sanctioned to Assistant Surgeons of Her Majesty's service in India who might, by the exigency of the service, be placed temporarily in medical charge of a British Regiment.

3. It should be allowed, therefore, in all cases of an Assistant Surgeon succeeding to the temporary charge on the death, removal, or absence on medical certificate of the Surgeon, but it was not intended that any such extra charge should be incurred as a consequence of the Regimental Surgeon being absent on private leave and for his own convenience.

I have, &c.,
(Signed) CRANBORNE.

INDIAN MEDICAL DEPARTMENT—ADMINISTRATIVE STAFF.

No. 657 of 1867.—With reference to G. O. G., No. 456, dated 5th May 1865, the following letter from the Right Hon'ble the Secretary of State for India, is published for general information:—

MILITARY.

No. 144.

INDIA OFFICE;
London, the 24th May 1867.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—Para. 1. In your Military letters, dated 8th and 23rd March last, Nos. 47 and 72, you submit for decision a question which you state has arisen with advertence to the order which allows officiating service "on full pay in the rank of Deputy Inspector General of Hospitals," to reckon towards the additional pension granted to an Officer of that rank after five years' service therein, including only six months on medical certificate, whether the period of five years to which the tenure of that appointment, as well as that of Inspector General of Hospitals, is restricted, should be inclusive or exclusive of such officiating service.

G. O. G.
12th July 1867,
No. 296.

2. It appears to me that, if officiating service on full salary of appointment is to count towards the additional pension, it must necessarily count likewise as part of the five years' tenure of the appointment both of Inspector and Deputy Inspector General of Hospitals. The term of five years to which the appointment is limited, should I think, be regulated as follows:—

It should include any period during which an Officer may have acted as Inspector or Deputy Inspector on full allowances before his permanent appointment. On his permanent appointment, his tenure would be held to expire at the end of five years, including the period of such officiating service, whether after his permanent appointment he may have taken leave of absence or not.

3. A Deputy Inspector General of Hospitals who may, under these circumstances, fail to complete the required service for the additional pension of £250 a year, may, if he shall subsequently be appointed Inspector General, and shall not serve long enough in that grade to entitle him to the pension of £350 a year, reckon his service as Inspector General in addition to that as Deputy Inspector General, towards the period required for the additional pension of the latter grade.

I have, &c.,

(Signed) STAFFORD H. NORTHCOTE.

Endorsement from the Military Department, No. 322, dated the 12th ultimo, forwarding a copy of correspondence regarding an enquiry whether the allowances of a Medical Officer in civil employ should be debited to the Civil or the Military Department during his absence on leave, or while he is in transit from one civil appointment to another.

* Or on promotion, should these periods of service not be already completed.

RESOLUTION.—The Governor General in Council observes that, under the orders of the 4th and 25th April 1867 mentioned above, the salaries of Military Medical Officers in medical charge of Civil Stations are consolidated, and is accordingly pleased to rule that, in common with Military and other Medical Officers in civil employ on consolidated salaries, they shall, during periods of transit from one civil appointment to another, which are to be limited by the civil rules for joining time, draw the salary of the lower paid appointments of the two, and that such salary as well as the allowances admissible to these Officers during absence on leave, shall be disbursed in and charged to the Civil Department.

(Signed) H. MARSHALL, Major-General,

Secretary to Government.

MEDICAL OFFICERS—RATES OF PAY.

* FORT WILLIAM, the 26th November 1864.—No. 953 of 1864.—There being considerable misunderstanding with respect to the pay and allowances to be drawn by Medical Officers under the instructions contained in the Despatch of the Secretary of State published in Government General Order No. 507,* of the 20th June 1864, the following Rules are laid down for observance in the three Presidencies, with effect from the date laid down in Government General Order, No. 508, of the same day, and pending further reference to the Secretary of State.

I. All Medical Officers, whether of the British or Indian Forces, who were in receipt of consolidated salaries at the date of publication of the General Order, or who may have subsequently succeeded or may hereafter succeed to situations the salaries of which are consolidated, will draw such consolidated salary and no more.

When so situated as to be entitled to draw only half Staff salary, such Officers will draw the pay of their rank according to para. 10 of the Despatch of the Secretary of State, and half the difference between that sum and the amount of the consolidated salary.

In such case the Officer acting will also draw the new rate of pay for his rank and the half difference remaining undrawn by the permanent incumbent.

II. Surgeon Majors serving with British Regiments will draw pay according to length of service as laid down in para. 10, with the addition of the Horse allowance sanctioned in para. 11, if attached to Regiments of Cavalry or to Brigades of Horse Artillery, and of Rupees 30, if attached to Brigades of Field Artillery.

III. Surgeons of British Regiments who were in Medical charge of Regiments of British Cavalry and Infantry on the 20th June 1864, will be allowed to continue to receive the pay and allowances then drawn.

Their claim to the old rate will not be invalidated by their proceeding on leave in India and ceasing for a time to draw Staff salary or Head money. During such period they will draw the new rates of pay of their rank and on return to their Corps receive their old emoluments.

When promoted to Surgeon-Major, they will draw only the pay of that grade.

IV. Surgeons of British Regiments who were not in charge of Corps on the 20th June 1864, are only entitled to the new rates of pay of their grade whether absent or present, with the prescribed Horse allowance if attached to Cavalry or Horse Artillery, and Rupees 80 Horse allowance if attached to Field Artillery.

V. Assistant Surgeons of the British Service will in all cases receive the pay of their standing as laid down in para. 10, with an addition of Rupees 150 if in Medical charge of a Regiment of Cavalry or Infantry or Brigade of Artillery, or a permanent Depot, besides Rupees 60 per mensem Horse allowance if with Cavalry or Horse Artillery, and Rupees 80 if attached to Field Artillery.

VI. Medical Officers of the Indian Service who do not come under the provisions of Clause I of this Order, will draw the same pay and allowances as before the issue of the Order, unless it is below the pay assigned to their rank in para. 10, in which case they will be permitted to draw the higher rate of pay. In the latter case they will draw Horse allowance at the prescribed rates if with Cavalry, Horse Artillery or Field Artillery.

VII. Medical Officers drawing pay under the old Rules will receive any advantages to which they would become entitled by these rules in consequence of promotion or having completed five, six or ten years' service as Assistant Surgeons.

VIII. Medical Officers, whether of the British or Indian Service holding Staff appointments, and in receipt of Staff or half Staff salaries, will, until further orders, draw the present rates of Staff salary in addition to the old scale of pay, receiving any increase in the latter to which they would have become entitled by promotion, unless the increase shall be less than the pay of their grade under para. 10, of the Secretary of State's Despatch, in which case they will receive the latter only. When on leave they will draw the new rates of pay without Staff salary, the acting incumbent drawing the Staff salary with the old rate of pay, or the new rates without Staff pay, as may be most advantageous.

IX. Conveyance allowance will not be admissible to Assistant Surgeons on the new rates of pay.

X. The authorized allowance for the Medical charge of the Staff of Divisions or Brigades, will be passed in addition to pay and allowances whether on the old or new scale. The foregoing is in substitution of any orders or decisions on the subject that may have previously been given.

* Madras G. O. G. 12th July 1864, No. 261.

Fort William, the 23rd December 1864.

No. 1060 of 1864.—The following Military Letter from the Right Hon'ble the Secretary of State for India, No. 340 of the 7th November 1864, is published for general information:—

15. Her Majesty's Government have therefore determined that the duties of the Medical Officers of the British Army serving in India shall, in future, be kept wholly distinct from those of the Medical Officers of the Indian establishment, and that there shall be a separate administrative establishment for each.

16. Under these circumstances, it will be necessary that the administrative establishments in the several Presidencies should be revised, and the duties of the several Medical Officers of the higher grades re-distributed, and I request that you will take the subject into early consideration, with a view of determining the numbers of Inspectors General and Deputy Inspectors General of each service that will be required to conduct the administrative duties of the respective services in each Presidency.

17. In my Despatch No. 152, I authorized your augmenting the number of Officers above the rank of Assistant Surgeon

In Bengal to.....	152
„ Madras to.....	86
„ Bombay to.....	69

leaving the aggregate establishment of Medical Officers in each Presidency the same as before.

18. That establishment is at present as follows:—

Bengal.....	425
Madras.....	243
Bombay.....	193

19. You were informed, in my Despatch No. 291, dated 8th August 1863, that the War Office would take measures for relieving, as soon as possible, the Assistant Surgeons of the Indian Army from the Brigades of Artillery and new Line Regiments, and the same course will hereafter be adopted as a necessary consequence of the transfer of those Regiments to the British Army, in regard to the Surgeons. A reduction in the establishment of Medical Officers required for service in India will necessarily follow, and I request that the subject of the number likely to be required henceforward in the several Presidencies, may receive your early consideration.

20. In making this calculation you will, of course, take into account the several situations which may be properly filled up by uncovenanted members of the Medical profession.

21. It is believed that, in consequence of all appointments to the local service having ceased during the last three years, the aggregate number of Medical Officers at present borne on the strength of the several Presidencies will be, if anything, below the prospective wants of the service; but I shall make arrangements without delay for filling up vacancies as they may occur on your revised establishment.

22. The promotion of Assistant Surgeons who may hereafter enter the Indian Army will be regulated by length of service, and not, as heretofore, by succession to vacancies in a fixed establishment of Officers of the higher grades.

23. Assistant Surgeons of 12 years' service from the date of first Commission (of which two years shall have been passed in charge of a Native Regiment,) who shall have passed the prescribed examination in professional subjects, will be promoted to the rank of Surgeon.

24. The benefit of this rule is to be extended to all Assistant Surgeons now in the Indian Service, but Officers now in the service who may be so promoted will be considered supernumeraries to the establishment of Surgeons as recently laid down, so that no promotion by seniority will take place until such supernumeraries are absorbed.

25. You will make the promotions consequent upon this concession from the date of receipt of this Despatch.

26. In the Despatch above referred to, I informed you that you were authorized to introduce certain changes in the mode of payment of Officers of the Medical Department serving in India, and you were informed that, pending a further communication upon the subject, Officers of the British or Indian Medical Service, holding Staff appointments, the salaries of which are consolidated, will continue to draw their salaries as at present; and all Officers of the Indian Medical Department in the receipt of Staff salaries, including such as are in Medical charge of Native Regiments, will continue to draw the aggregate amount of pay and Staff allowances they now receive, provided it be not less than the rate of pay laid down in the above table for Officers of their rank and standing in the service.

27. I have now to inform you that it has been determined that in future all employment on the part of Medical Officers of the Indian Service involving the receipt of special Staff salary shall be considered as Staff employment, the salaries being in all cases consolidated; and that all appointments, whether Civil or Military, held in future by Officers of the present Indian Medical Service below the rank of Deputy Inspector General, will be alike tenable by Surgeon Majors, Surgeons, and Assistant Surgeons.

28. The salaries of the principal administrative and Military appointments are fixed at the following consolidated sums:—

Inspector General.....	2,500	whether of the British or Indian Medical Service.
Deputy Inspector General.....	1,800	
Surgeon Major in charge of Native Regiments.....	1,000	
Surgeon in charge of ditto.....	800	with Rupees 90 horse allowance in Cavalry Regiments.
Assistant Surgeon above 5 years' full pay service in charge of Native Regiments.....	600	with Rupees 90 ditto ditto.
Assistant Surgeon under 5 years' ditto.....	450	with Rupees 60 ditto ditto.
		with Rupees 60 ditto ditto.

But Officers now in the Indian service will receive the pay due to their rank as laid down in para. 10 of my Despatch No. 152 of 16th May 1864, when such pay is in excess of the consolidated salaries above-mentioned.

29. Officers who may hereafter be appointed to the Indian Medical Service will receive pay when unemployed in India according to the following scale:—

RANK.	Years' Service.	Unemployed Pay.		
		RS.	A.	P.
Surgeon Major.....	25	888	12	0
Ditto.....	20	852	8	7
Surgeon.....	15	677	6	11
Ditto.....	12	640	14	6
Assistant Surgeon.....	10	410	9	5
Ditto.....	6	392	5	2
Ditto.....	5	304	14	2
Ditto.....	under 5	286	10	0

30. The salaries of other Medical appointments in the Civil and Military Departments will be revised with reference to the above, and fixed at a consolidated sum, and I request that a report may be made to me upon the subject with as little delay as possible. In the meantime, the aggregate sums at present received in each case will continue to be drawn.

31. With a view of promoting the efficiency of the service, it has been further determined that the tenure of office by a Deputy Inspector General of the Indian Service shall, as in the case of Inspectors General, be limited to five years; Officers being, however, if not disqualified by age, eligible either for employment for a second tour of duty in the same grade, or for employment in the higher grade of Inspector General by promotion thereto.

32. You will follow, in the cases of Officers now holding the office of Deputy Inspector General, the same course which your Government adopted in 1861, in regard to combatant Officers holding certain Staff appointments, and permit all such to hold their offices for two years longer, irrespective of the period they may severally have served in them. Should any Officer have served up to the present time less than five years, he will be allowed to complete a full period of seven years.

33. The rank of Inspector General and Deputy Inspector General conferred upon Officers of the Indian Medical Service under the Royal Warrant of the 13th January 1860, is to be considered as substantive rank.

These Officers, on vacating office at the expiration of the five years' tour of duty, will be permitted in future to draw respectively an unemployed salary of Rs. 1,200 per mensem in the former, and Rs. 800 in the latter case, for a period of six months from the date of their vacating office, after which they will be placed, while unemployed, on the rate of pay laid down in my Despatch of the 16th May 1864 for Officers of corresponding rank in Europe. These sums, deducted from the consolidated salary, will regulate the duty of Staff salary to be drawn by Officers of those grades during absence on sick certificates. The decision reported in the 3rd paragraph of your letter No. 242 of 1864 will cease to operate from the date of publication of the present Despatch.

34. With a view to improving the position and prospects of Officers of the Indian Medical Service it has been resolved to introduce prospectively the following revised pension rules.

35. Officers of the Indian Medical Service will be allowed to retire on the following scale of pension on completion of the required periods for service:—

After 30 years' service in India	£ 550
" 27 " " "	450
" 24 " " "	365
" 21 " " "	292
" 17 " " "	220

36. An Inspector General, after five years' active employment in India in that grade, will be entitled to retire upon a pension of £350 per annum, in addition to that to which he may be entitled under the above scale.

Simla, the 21st September 1868.

No. 602 of 1868.—The following Military letter from the Right Hon'ble the Secretary of State for India, is published for general information:—

MILITARY.

INDIA OFFICE:
London, 20th August 1868.

To His Excellency the Right Hon'ble the Governor General of India in Council.
SIR.—I have considered in Council your letter No. 180 of 20th May last, inquiring how a Deputy Inspector General of Hospitals, who may be compelled by ill health to take leave to England beyond six months during his five years' tenure of office, is to become entitled to the special pension of £250.

In reply I have to observe that, although an active service in India of five years, including six months' leave on medical certificate, is required in that rank for the pension to be granted, and although on the expiration of five years' service on full pay, inclusive of leave, as an acting or permanent Deputy Inspector General of Hospitals, an Officer is appointed, such Officer is, under the regulations of the service, eligible for appointment for a second tour of duty, at the discretion of Government, if not disqualified by age.

If disqualified from this or any other cause, and if he has not served the full five years required for the extra pension, his claim to that pension will be forfeited.

I have, &c.,

(Signed) STAFFORD H. NORTHGOTE.

37. A Deputy Inspector General, after five years' active employment in India in that grade, be entitled to retire upon a pension of £250 per annum, in addition to the pension to which he may be entitled under the above scale.

38. In each of the above cases, six months' absence on medical certificate will be allowed to count towards actual service in those grades.

39. Officers now in the Indian Medical Service will, on retirement, have the option of pension according to the above rules, or according to those now in force.

40. My attention has been directed on this occasion to the rule regarding the qualification of an Assistant Surgeon for promotion to the rank of Surgeon required under Clause III of the Royal Warrant, dated 13th January 1860. There can be no doubt that this rule, which has been again brought to notice by a recent Despatch from your Government, requiring a service of two years in or with a regiment, bears very hardly on many Officers, the nature of whose employment precludes their showing the required qualification, and who, on entering the service, had no reason to suppose that such a regulation would be adopted.

41. These considerations have induced me to consent to exempt from the operation of the clause of the Royal Warrant all the Assistant Surgeons who entered the service prior to its date. It is to be understood, however, that the rule is to be strictly enforced in the case of all Medical Officers who entered the service after January 1860.

42. In my Despatch No. 152 of 16th May 1861, para. 7, I informed you that Her Majesty's Government had determined to modify the instructions given in my Despatches of the 31st October 1860 and 30th September 1861, and to permit the period of service qualifying Surgeons for the rank of Surgeon Major, under that Warrant, to be calculated from date of first Commission, including all leave of absence of whatever kind.

43. I have now to inform you that the same principle is to be observed with respect to the grant of honorary rank on retirement, under the clause 14 of the Royal Warrant, and that the 25 years' service qualifying for a step of honorary rank, the requirements of the clause in other respects being fulfilled, shall be inclusive of all leave of absence.

44. I have further to inform you that it has been determined, as in the case of combatant Officers of the Indian Army, to confer upon the Medical Officers of that service Royal Commissions in substitution for those which they now hold conferring rank in Her Majesty's Service in any part of the world. The Medical Officers of Her Majesty's Indian Service will not, however, be required to serve out of India, except with their own consent.

45. I have, lastly, to inform your Excellency that Assistant Surgeons appointed to Her Majesty's Indian Service in future will not be called upon to become subscribers to any Military or Medical Funds, and that Her Majesty's Government have determined to guarantee to present incumbents on and subscribers to the several Medical Funds the annuities and pensions to which they are, or to which they, their widows and children may become entitled from those Funds, according to the regulations now in force, and at the present rates of subscription. But this guarantee must be regarded as conditional on the absolute transfer of the assets of the Fund to the Government, and must not be construed as conveying to any Fund, or to any member of it, benefits which are not actually provided for in the regulations as at present in force.

46. The widows and children of Medical Officers hereafter appointed to Her Majesty's Indian Service will be granted pensions not less than those to which they would be entitled under the provisions of the Royal Warrant of June 15th, 1855.

47. The above measures, which obviously tend greatly to improve the condition and prospects of the Medical Service in India, cannot be carried out, as your Government will at once perceive, without a heavy expense to the State. It is hoped, however, that the result will be at once to diffuse a spirit of satisfaction and contentment among the Officers now in the service, and to secure for the future a certain supply of Medical Officers of good social position, liberal education, and professional ability for Her Majesty's Service in India.—Vide G. O. G., 6th January 1865, No. 9.

INDIA OFFICE,

London, 25th January 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—With your letter dated 5th November last, No. 376, you submit a question which has been raised regarding the rate of pension to which Medical Officers, who may be compelled to retire from sickness or accident after a service of six years, are to be held to be entitled, with reference to the General Order No. 507, of 20th June 1864, which notified that Medical Officers entitled to half-pay pension, under present Regulations, are eligible for the same according to their relative Army rank, as fixed by Royal Warrant.

2. By the Royal Warrant of 13th January 1860, an Assistant Surgeon, after six years' service as such, is to have relative rank as Captain. The same Warrant declares that "such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds."

3. My Despatch dated 16th May last, No. 152, stated that Officers compelled to leave the service on account of ill health, and entitled to half-pay pensions under present Regulations, would, in future, be allowed the half-pay of their relative rank.

4. Under these circumstances, I am of opinion that in respect to retirement on half pay, the Assistant Surgeon, after a service of six years, should be treated as an Officer having the Regimental rank of Captain has hitherto been treated; that is, without being required to show any qualifying period of service, he should be permitted to retire on the half pay of Captain, on showing sufficient proof of disqualification for further service.

5. Medical Officers under six years' service having the rank of Lieutenant, will continue, in respect to retirement on account of ill health, subject to the Regulations applicable to Subaltern Officers.

INDIA OFFICE,

London, 26th February 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—With your letter dated 6th January, No. 13, you transmit papers relative to a question raised by Dr. F. Anderson, Deputy Inspector General of Hospitals, as to whether an Officer of the Indian Medical Service can retire on half pay under the same conditions as are necessary in the case of an Officer of the British Medical Department, i.e., without residing in a temperate climate for the usual term of a furlough.

2. My Despatch dated 16th May last, (No. 152, paragraph 15) out of which this question has arisen, referred to Officers compelled to leave the service on account of ill health, and entitled to half pay pension under present Regulations. By those Regulations an Officer is precluded from retiring from the service on half pay pension in India. Under these circumstances, the view taken by your Government is quite correct, viz., that my Despatch referred to merely altered the rate of pension, and did not affect the rule of the service, which requires an Officer, to entitle him to half pay pension, first to try the effects of a temperate climate.

No. 91.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—The Military letter from your Government, dated 21st January, No. 36, submits two questions with regard to the retirement of Medical Officers, arising out of the late alterations with respect to the Medical Service. With regard to the first, it appears to you that all service on the full pay of the appointment in the case of Inspectors and Deputy Inspectors General of Hospitals, should reckon towards the 5 years' service in those grades qualifying for the additional pension; and that the aggregate period of "service in India," noted in para. 35 of my Despatch dated 7th November last, No. 36, is to include the periods of leave hitherto allowed to reckon under the new furlough rules as service for pension.

2. This is quite in accordance with the intentions of Her Majesty's Government.

3. With regard to the second point, you apprehend that the six months' leave on medical certificate, referred to in para. 38 of my Despatch, applies only to the tenure of the appointments of Inspector General and Deputy Inspector General, and not to the time of pension under para. 35.

4. This view is also quite correct; the tenure of appointment referred to being that which is to entitle Officers of these grades to the additional pensions after five years' active employment in India.

Fort William, 3d April 1860.

No. 864 of 1860.—Under instructions from Her Majesty's Secretary of State for India, the portions of Her Majesty's Warrant of the 1st of July 1859, which refer to relative rank and precedence of Veterinary Surgeons of Her Majesty's British Forces, are declared to be applicable to Veterinary Surgeons of Her Majesty's Indian Forces.

It has not been considered expedient at present to alter the existing Regulations affecting the pay and allowances or the condition of invaliding and retirement of this class of Officers. Extracts from Her Majesty's Warrant of 1st July 1859, which are declared applicable to Veterinary Surgeons of Her Majesty's Indian Forces.

1.—The Grades of Veterinary Surgeons in Our Army shall be three in number, viz.:

1. Staff Veterinary Surgeon.
2. Veterinary Surgeon of the 1st Class.
3. Veterinary Surgeon.

The following General Orders by His Excellency the Governor General of India in Council are republished:—

GENERAL ORDERS BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Fort William, the 19th August 1861.

No. 722 of 1861.—The following paragraphs of a Military letter from the Right Hon'ble the Secretary of State for India, No. 278 of the 8th July 1861, are published for general information:—

"1. Since the date of my Despatch No. 233, I have received a communication from the Secretary of State for War, enclosing a letter from the Principal Veterinary Surgeon, Woolwich, who, with reference to the doubt expressed in your Military letter No. 41, dated 2nd April last, as to the practicability of examining Veterinary Surgeons in India, in order to test their fitness for promotion, expresses an opinion that it is very desirable that if the Royal Warrant of 1st July 1859 be adopted, it should be fully carried out, and states that no difficulty was encountered in doing so, in the cases of the 2d and 6th Dragoon Guards, both in India, the examinations being written and carried on confidentially between the Officer in Command of the Regiment and himself.

Fort St. George,
28th Sept. 1861.
No. 207 of 1861.

3. No Veterinary Surgeon shall be eligible for promotion until he shall have passed such examination as the Principal Secretary of State for War may require, and shall have served on full pay, with the Commission of Veterinary Surgeon, for five years.

"2. Lord Herbert concurs in the opinion that no sufficient ground has been shown for a modification of Clause 3 of the Warrant requiring Veterinary Surgeons to be examined as applied to India.

"3. Under the new organization of the Army in India, there will henceforth be no Regimental employment for Veterinary Surgeons of the Local Service, but those now in the service may be promoted under the Royal Warrant of 1st July 1859, their examinations being conducted by means of written questions prepared by the Principal Veterinary Surgeon in this country, in the mode above described.

"4. In carrying out this arrangement, a list of the Veterinary Surgeons, who have served the required periods for promotion, should be sent Home from time to time, in order that the examination questions may be prepared and transmitted to India."

This cancels the decision communicated in letter from the Right Hon'ble the Secretary of State for India, dated 7th June last, published in Government General Order No. 625, of the 16th July 1861.

* Madras G. O. G. 30th July 1861, No. 250.

the good of the service renders such alteration necessary it shall be competent for Our Secretary for War to shorten the several periods of service abovementioned in such manner as he shall deem fit and expedient.

6. Promotion from one rank to another shall not necessarily be given by seniority, but by selection for professional ability and meritorious conduct.

15. The relative rank of the Veterinary Officers of Our Army shall be as follows:—

Veterinary Surgeon on appointment, as Subaltern.

Veterinary Surgeon of the First Class on promotion, as Captain.

Staff Veterinary Surgeon on promotion, as Major, but junior of that rank.

16. Such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds (except as regards the Presidency of Courts Martial, and of all Military Courts, Committees, and Boards of Inquiry, where Our will and pleasure is that the senior combatant Officer be always President, and except further any Military command whatever), and shall regulate the choice of quarters, rates of lodging money, field allowances, forage, servants, fuel and light, or allowances in their stead, detention, and prize money. But when a Veterinary Officer is serving with a Regiment, Corps, or Detachment, the Officer Commanding, though he be junior in rank to such Veterinary Officer, shall be entitled to a preference in the choice of quarters.

17. Veterinary Officers shall be entitled to all the allowances granted——on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

18. Their families shall, in like manner, be entitled to all the allowances granted——to the families of combatant Officers holding the same relative ranks.

19. Veterinary Officers shall be held entitled to the same honours as other Officers of Our Army of equal relative rank. This does not, however, extend to the compliments to be paid by Garrison or Regimental Guards, as laid down in the Regulations of Our Army.

SIR,—I have been in communication with the Secretary of State for War on the questions raised

G. O. G., No. 124, 31st March 1865.	15th April 1864, No. 167.	in the letters of the dates noted in the margin, regarding the position of the Veterinary Surgeons of the Indian Service who may declare for general service in Her Majesty's Army.

	19th Sept. " " 332.	
	5th May " " 10	
	31st " " 31	
	22nd June " " 45	2. I stated that it appeared to me that such of these Veterinary Surgeons as might volunteer for general service would become an integral part of

Her Majesty's Army, and hold the same position as the Veterinary Surgeons in that Army; that they would be considered to have terminated all connection with their former service; and that they would be allowed to reckon their past service towards pay, promotion, and half-pay on retirement under the provisions of the Royal Warrant of the 1st July 1859.

3. The Secretary of State for War has expressed his concurrence in these views.

4. This decision should now be communicated for the information of the Veterinary Surgeons of the Local Forces at the three Presidencies, and a return of the Veterinary Surgeons desirous, on such conditions, to enter Her Majesty's general service, should be transmitted to me for communication to the Secretary of State for War.

5. The connection with the respective Military Funds of such of the Veterinary Surgeons of the Local Forces as may volunteer for, and be accepted for, Her Majesty's general service, will depend upon the regulations of the Funds of their respective Presidencies.

7. The rates of pay of the Veterinary Officers of Our Army shall be in accordance with the following schedule:—

8. It is to be clearly understood that all increase of pay from length of service is to be granted subject to a Veterinary Surgeon having discharged his duties with zeal and ability.

9. After the date of this Our Warrant, every Veterinary Officer placed on half-pay by reduction of establishment, or on the report of a Medical Board, in consequence of being incapacitated by reason of ill-health, caused by wounds or brought on by the discharge of his duties, shall be allowed the half-pay which his period of full-pay service may entitle him to, according to the following schedule:—

10. With a view to maintain the efficiency of the Service, all Officers of the rank of Veterinary Surgeons and Veterinary Surgeons of the First Class shall be placed on the Retired List when they shall have attained the age of 55 years; and all Staff Veterinary Surgeons when they shall have attained the age of 65 years.

11. Officers thus superannuated shall be entitled to the rate of half-pay, stated in the preceding schedule.

12. Every Veterinary Officer who shall have served upon full pay for 25 years and upwards shall have the right to retire upon half-pay, at the rate of two-thirds of the daily pay he was in receipt of when thus retiring, provided he shall have served three years in the rank from which he retires, or shall have served in any rank for ten years in the Colonies, or five years with an army in the field. But if he shall not have complied with any one of these conditions, he shall be entitled only to half-pay at the rate of two-thirds of the daily pay he was in receipt of before his last promotion.

13. Every Veterinary Officer thus claiming to retire must give six months' notice to the head of his Department of his intention to claim this right, prior to his being allowed to retire; and no Veterinary Officer shall be entitled to give such notice after he shall be under orders to proceed to any foreign station, until he shall have served at such station for one month.

14. If a Veterinary Officer be placed on half-pay from any other cause than those hereinbefore mentioned, he shall only be allowed a temporary rate of half-pay, not exceeding the rates stated in Clause 9 for such period and at such rate as shall be assigned to him by Our Secretary of State for War, on a consideration of the length and character of the services rendered by such Veterinary Officer.

15. The relative rank of the Veterinary Officers of Our Army shall be as follows:—

Veterinary Surgeon, on appointment, as Subaltern.

Veterinary Surgeon of the First Class, on promotion, as Captain.

Staff Veterinary Surgeon, on promotion, as Major, but junior of that rank.

16. Such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds (except as regards the Presidency of Courts Martial, and of all Military Courts, Committees, and Boards of Inquiry, where Our will and pleasure is, that the senior combatant Officer be always President, and except, further, any military command whatever), and shall regulate the choice of quarters, rates of lodging money, field allowances, forage, servants, fuel, and light, or allowances in their stead, detention and prize money. But when a Veterinary Officer is serving with a regiment, corps, or detachment, the Officer commanding, though he be junior in rank to such Veterinary Officer, shall be entitled to preference in the choice of quarters.

17. Veterinary Officers shall be entitled to all the allowances granted by Our Warrant of 13th July 1857, on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

18. Their families shall, in like manner, be entitled to all the allowances granted by Our Warrant of 15th June 1855, to the families of combatant Officers holding the same relative ranks.

19. Veterinary Officers shall be held entitled to the same honors as other Officers of Our Army, of equal relative rank. This does not, however, extend to the compliments to be paid by garrison or regimental guards, as laid down in the Regulations of our Army.

Given at Our Court of St. James' this first day of July 1859, in the twenty-third Year of Our Reign.

By Her Majesty's Command,

SIDNEY HERBERT.

FORT ST. GEORGE, 13TH JUNE 1865.

No. 224 1865.—The following Extract from General Orders by the Government of India, are re-published:—

Simla, the 22nd May 1865,

VETERINARY SURGEONS.—PAY AND ALLOWANCES.

No. 504 of 1865.—With reference to G. G. O. Nos 363 and 364,* dated 30th March 1860, the Right Hon'ble the Governor General in Council is pleased to direct the publication of the following paragraphs of a letter from the Right Hon'ble the Secretary of State for India, No. 109, dated 7th April 1865, and to notify that the increased allowances therein authorized are to have effect from the 1st May 1865:—

Para. 1. With my letter dated 24th November 1859, No. 412, I transmitted to you copies of a Royal Warrant, dated 1st July 1859, regulating the rank, pay, promotion, and retirement of Veterinary Surgeons of Her Majesty's British Forces; and I directed that such parts of this Warrant as related to relative rank and precedence should be made applicable to the Veterinary Surgeons of Her Majesty's Indian Forces. At that time, it was not considered expedient to alter the existing regulations affecting the pay and allowances, or the conditions of invaliding and retirement, of this class of Officers.

2. Consequent on the recent extension to Medical Officers of the benefits of the rates of pay and allowances fixed by the Royal Warrant of 1st October 1858, for the Medical Officers of the Army, I have had under my consideration in Council the subject of the allowances drawn in India by Veterinary Surgeons of the British and Indian Forces respectively.

* Madras G. O. G., 17th April 1860, No. 168,

3. Your letter dated 21st December last, No. 470, also draws my attention to the present scale of pay to Veterinary Surgeons in India, which is stated to be relatively much less than that granted in England and the Colonies.

4. It appears to me that the time has now arrived at which other provisions of the Royal Warrant of 1st July 1859 may be introduced into India, in addition to those specified in my letter of the 24th November 1859, above referred to.

5. It has been accordingly resolved that the rate of pay laid down in the Royal Warrant, with the Indian allowances of the relative rank of the Officer, shall, for the future, be adopted as the scale of pay for Veterinary Surgeons of the British and Indian Forces. From the date of commencement of these allowances, all extra allowance of whatever description will cease.

6. The rate of pay of Veterinary Surgeons of both services will then be as follows:—

Rank.	Years' Service.	Relative Rank.	Full Batta.	Rank.	Years' Service.	Relative Rank.	Full Batta.

7. Veterinary Surgeons of the Indian Service will hereafter receive pay while on furlough according to the following scale:—

8. Veterinary Surgeons compelled to leave the service on account of ill health, and entitled to half-pay Pensions under present regulations, will be allowed the Indian rates of half-pay of their relative rank, as laid down in the Royal Warrant of 1st July 1859.

9. Veterinary Surgeons of the Indian Medical Service will be allowed to retire on the following scale of pension, on completion of the required periods of service, viz:—

After 20 years.....	200 a year.
" 25 ".....	250 "
" 30 ".....	300 "

10. The amalgamation of the Veterinary Surgeons of the British and Indian Forces being contemplated, no further alteration in regard to the position on retirement of the Veterinary Surgeons of the latter Forces appears to me to be at present called for.

11. The other advantages held out by the Royal Warrant to Veterinary Surgeons and their families, are to be adopted and declared applicable to India, as far as the differences of the service will admit.

12. Such Veterinary Surgeons of the local forces as have expressed their desire to volunteer for general service, should be allowed to reconsider their decision on your receipt of this Despatch.

LIST OF HER MAJESTY'S COVENANTED CIVIL SERVANTS ON THE MADRAS ESTABLISHMENT, Corrected up to the 30th September 1871.

The Rank of Civil Servants commences from the date of arrival at Madras of the first Civil Servant appointed in Europe, of the same season of which they are Civil Servants; and, being thus determined, all Civil Servants belong, during the first four years, to Class VI;—from the fifth to the end of the eighth year, to Class V;—from the ninth to the end of the twelfth year, to Class IV;—from the thirteenth to the end of the twentieth year, to Class III;—from the twenty-first to the end of the thirty-fifth year, to Class II;—and from and after the thirty-fifth year, to Class I.

The letters **A, B, C**, prefixed to the names denote respectively that the parties have not passed either of the two Standards of Qualification; that the first or lower Standard has been passed; that the Servant cannot take Special leave.

M prefixed to a name denotes that the Servant though not having passed by the 2nd Standard, nor holding an appointment superior to that of Assistant is invested permanently with the full powers of a Magistrate.

Column 2, Capitals distinguish high proficiency. Small Roman letters show that the languages were studied in England by Civilians under the new system. Italic Capitals denote that the Civilian has passed the Honors Test under the Rules of 1868.

Column 7, Italics show "Dies non" G. I. Resolutions, 5th Nov. and 21st Dec. 1868, Nos. 3,477 and 3,727, Financial. Roman Capitals show Special Leave. Antique letters indicate a year of Sick Leave taken under rules in force before 1st July 1868, with reference to G. I. Res., 18th Feb. 1869, No. 1,092, Financial.

Column 8, The Actual Service shown is calculated in accordance with Section I, and is the period of Residence qualifying for Pension under Section XVI, of the Rules of 1868.

GENERAL ORDERS BY GOVERNMENT.

21

HOSPITAL DIETS.

G. O. G., No. 157 of 27th June 1871.—The following alterations are sanctioned in the scale of Diets authorized for European Military Hospitals in G. O. G., 5th December 1865, No. 422.

I. Coffee may be issued in lieu of Tea, in any diet, at the discretion of the Medical Officer, in the proportion of 1½ oz. of the former article for ½ oz. of the latter.

II. Oatmeal may be substituted for Soojee or Arrowroot or milk diets.

III. Indigenous fruits, such as Oranges and Plantains, may be ordered as Extras to patients on Spoon, Tea and Beef-tea Diets, but not to exceed 4 Oranges per diem per patient, or a corresponding amount in value of Plantains or other indigenous fruits obtainable at the time.

IV. Chicken Soup may be substituted, when considered necessary by the Medical Officer, either entirely or in part for the milk allowed on Infant diet.

V. The Soup to be made according to the scale laid down, viz., 10 ounces of Chicken with bone, to each pint of Soup.

MEDICAL OFFICERS—TRANSFER ON PUBLIC GROUNDS—PAY.

G. O. G., No. 159 of 1871.—The following General Orders by the Government of India, are re-published:—

Simla, 14th June 1871, No. 530.—His Excellency the Governor-General in Council is pleased to notify that a medical officer transferred from one regiment to another on public grounds, but not otherwise, is entitled, while in transit, if he joins without delay, to a continuance of his consolidated charge pay, which will be passed to him on a certificate that the transfer was made solely in the interests of the Public Service.

2. When a medical officer is so transferred on public grounds, the officer who succeeds him will be allowed the consolidated charge pay, or the additional charge allowance, as the case may be; and the medical officer of the regiment, to which the transferred officer is proceeding, will continue to draw the same allowance he was in receipt of at the date of the transfer until he is relieved.

LEAVE AND ALLOWANCES TO OFFICERS IN CIVIL EMPLOY.

No. 531 of 1871.—The following notification in the Financial Department is re-published for general information:—

No. 414, dated Simla, the 16th May 1871.

LEAVE AND ALLOWANCES.

The Governor-General in Council is pleased to direct the following alterations in the Covenanted Civil Service Leave Code:—

1. The following rule is to be substituted for Rule 3 under Section XI:

"3.—If an officer overstays subsidiary leave prefixed to furlough, his furlough will be held to have commenced in India; and under the operation of Section X it will be reckoned from the date of his quitting his station. This rule is not meant to interfere with cases dealt with under Rule 2 above.

"This rule applies in analogous cases to all officers in Civil employ."

2. The following rule is to be added as Rule 3 under Section XXVI:

"3.—When privilege leave is on medical certificate retrospectively commuted to furlough out of India, so much of the leave passed before embarkation may be treated as subsidiary leave, as the officer would have been entitled to count as subsidiary leave, if he had originally obtained furlough and not privilege leave."

"This rule applies generally."

OFFICERS—STAFF ALLOWANCES ON DETACHED DUTY.

No. 532 of 1871.—Doubts having arisen on the point, it is notified for general information, that the rule which regulates the allowances to be drawn by a staff officer ordered on any separate duty, whilst proceeding to and returning from such duty, as laid down in Articles 4 and 5, Section XXXI of the Pay and Audit Regulations of the Bengal Presidency, is applicable to the case of an officer on staff employ who may be temporarily withdrawn from his appointment on field service, viz., that if the amount of staff salary which the officer will draw in virtue of the temporary appointment is not greater than the staff salary of his substantive appointment, he will be allowed, whilst proceeding to, and returning from the temporary appointment, a moiety of his own staff salary with the pay of his rank, or pay and allowances, as the case may be; but if the staff salary which he draws in the temporary appointment be greater than that of his substantive appointment, he will be restricted to the pay of his rank (or pay and allowances, as the case may be), whilst going and returning.

The above ruling does not affect the provisions of G. O. G., No. 494 of 1869, in respect to the allowances to be drawn by the officer who may be appointed to act for one so detached.

This order is applicable to the three Presidencies.

ANNUITIES AND GRATUITIES TO NON-COMMISSIONED OFFICERS AND SOLDIERS.

G. O. G., No. 165 of 4th July 1871.—The following General Orders by the Government of India, are re-published:—

Simla, 21st June 1871, No. 549.—In supersession of all previous orders on the subject, the Governor-General in Council is pleased to fix the following sums to be disbursed annually in the three Presidencies on account of annuities and gratuities to Non-commissioned Officers and Soldiers, both of the late Local Service and of the British Army on the Unattached List, and who are performing duties equivalent to regimental duties, viz:—

Annuities.	
Bengal	£40 per 100 Serjeants eligible in each Presidency.
Madras	
Bombay	
Gratuities.	
Bengal	£45
Madras	£50
Bombay	£12

These awards are to be distributed according to the existing Good Conduct Regulations.

2. The class of soldiers who will be eligible to share in them will include European Non-Commissioned Officers of Native Regiments, of Garrisons and Depôts, and of the Vicroy's Band; Provost-Serjeants, Royal Engineer and other European Non-Commissioned Officers serving with the Sappers and Miners; Non-Commissioned Officers and men of the European Invalid Battalion present with their corps, and Drummers, Fifers and Buglers of European parentage serving with Native Regiments; but Barrack Serjeants, Conservancy Serjeants, Embarkation or Transport Serjeants, Library Serjeants, and Road Serjeants, attached to Garrisons and Depôts will have no claim to such awards.

3. If at any time the sums above fixed should prove inadequate to actual requirements, it will be open to His Excellency the Commander-in-Chief in India, and the Governments of Madras and Bombay respectively, to submit an application on well-ascertained data for an additional grant.

ADDITION IN PAY CODE.

G. O. G., No. 169 of 11th July 1871.—The Right Honorable the Governor in Council is pleased to direct the following addition to be made to para. 71, Section XIX of the Pay Code:—

"These allowances are also payable when, in the opinion of His Excellency the Commander-in-Chief, it may be expedient to appoint an Officer on the spot to conduct the proceedings of a General Court Martial assembled at a considerable distance from the Head Quarters of a Command."

RICE COMPENSATION CERTIFICATES.

G. O. G., No. 175 of 18th July 1871.—The Right Honorable the Governor in Council is pleased to cancel so much of para. 2 of G. O. G., No. 107 of 17th March 1865, as requires a certificate, showing that no grain was issued, to be attached to abstracts in which compensation is drawn for dearth of rice, and directs that the certificate referred to, be furnished by the Commissariat Department only to Circle Paymasters, District Civil Authorities, and the Pay Examiner on the last day of each month.

COMMISSIONS—STAMP DUTY.

No. 176 of 1871.—The Right Honorable the Governor in Council is pleased to notify for general information that the Stamp Duty on an Officer's Commission is, under instructions from the Secretary of State, recoverable on promulgation of promotion in the *London Gazette*, irrespective of the receipt of the Commission, which will be forwarded in due course by the Military Accountant, on its reaching his Office.

FIELD BATTERY OF ARTILLERY—RELIEFS—CAMELS.

No. 177 of 1871.—The following General Order by the Government of Bombay, dated 12th November 1870, is declared applicable to this Presidency.

No. 762 of 1870.—The Government of India have sanctioned the provision, by the Commissariat Department, of 10 camels to each Field Battery of Royal Artillery, moving in course of relief, for the carriage of horse blankets, stable gear, &c., formerly carried on the 2nd Line of Waggons.

FURLOUGH PAY—RATE OF EXCHANGE.

No. 180 of 1871.—The following General Orders by the Government of India are re-published:—

Simla, 1st July 1871, No. 588.—The following despatch from the Right Honorable the Secretary of State for India is published for general information and guidance:—

To His Excellency the Right Honorable the Governor-General of India in Council.

INDIA OFFICE; London, the 27th April 1871; MILITARY—No. 114.

MY LORD,—In the letter from the Government of India, dated the 23rd of June 1868, No. 239, it was recommended in the 22nd paragraph, that all payments of the equivalent of Indian pay to Officers on furlough at Home should be made at the exchange of two Shillings for the Rupee.

2. In the reply dated the 26th of August 1869, No. 297, Sir Stafford Northcote observed in the 16th paragraph that, "in accordance with the present practice," payments of that character would be made at the proposed rate of exchange.

3. Accordingly, in the General Order issued by the Government of India on the 10th November 1868, No. 1064,* publishing the revised Furlough Rules of 1868, it was stated that furlough pay in all future orders and references would be understood as the half Indian salary, within the prescribed limits, converted at the exchange of two Shillings for the Rupee.

4. It is not clear whether it was intended by this order that furlough pay issued to Officers under the Rules of 1854, should also be issued at the fixed rate.

5. As the rate of exchange has not varied since 1860-61 until the present financial year, for which it has been fixed at one Shilling eleven Pence, it is only on the question at what rate furlough pay for the current quarter should be issued that my attention has been specially drawn to the point, although the order was sanctioned in my Despatch dated the 31st of March 1869, No. 93.

6. On a careful consideration of the matter, it appears to me that there is no reason why the pay of Officers in this country should be issued at a different rate from that at which those in India are allowed to remit a portion of their salary to England.

7. I have accordingly to request that your Lordship will at once issue an order cancelling so much of that of the 10th of November 1868, No. 1064, as fixed the uniform rate of two Shillings, and announcing that all payments of furlough pay will be made at the current rate of exchange fixed for the official year.

8. Until the date of the General Order which you will issue under these instructions, payments of furlough pay will be made to Officers under whatever rules they may be, at the rate of two Shillings for the Rupee.

I have, &c.,

(Signed) ARGYLL.

With reference to the above, the Right Honorable the Governor-General in Council is pleased to notify, with the sanction of the Right Honorable the Secretary of State for India, that Officers who have embarked for England on furlough before this date, will be exempted from the operation of this Order for the period of their present furloughs.

NON-COMMISSIONED OFFICERS' FURLOUGH.

Simla, 5th July 1871, No. 589.—With the sanction of Her Majesty's Government, the Right Honorable the Governor-General in Council is pleased to notify that Non-Commissioned Officers who, though they have not completed their first term of service, have re-engaged on the completion of two-thirds of the period of service for which they first enlisted to complete twenty-one years' service, are not excluded from furlough under the provisions of G. O. G., No. 540 of 1860.

HOSPITAL APPRENTICES' FURLOUGH.

Simla, 6th July 1871, No. 595.—With the sanction of the Right Honorable the Secretary of State for India in Council, the Right Honorable the Governor-General of India in Council is pleased to notify that the indulgence of furlough is extended to passed Hospital Apprentices under the following conditions:—

- 1st.—The indulgence of furlough will only be granted to men of certified good character and prudent habits, and under circumstances in which the Government may consider it advisable.
- 2nd.—Each application is to be accompanied by a certificate from a Medical Committee, to the effect that the state of health of the passed Hospital Apprentice renders a change of climate highly desirable.
- 3rd.—The services of men to whom furlough may be granted, are always when the state of their health allows it, to be made available for duty with invalids or discharged men on the voyage from India.
- 4th.—With every application for the indulgence, a descriptive roll in the form annexed is to be furnished, and applications are not to be forwarded on account of passed Hospital Apprentices of less than one year's service in that grade, except in cases where the necessity for furlough is caused by wounds received in action.
- 5th.—Furlough will invariably, in the first instance, be limited to the period of one year from date of quitting India. Men whose state of health, when that period has expired, does not admit of their return to duty in India, will be subjected to medical examination, in view to the leave being extended for a period not exceeding eight months, on discharge being effected if reported unfit for further service.
- 6th.—No portion of the furlough will be allowed to reckon as service for pension.

* Madras G. O. G., 1st December 1864, No. 434.

7th.—A free passage to and from England will be provided by the State for passed Hospital Apprentices granted furlough, but not for their wives or families; but to assist them in taking Home and bringing out their families, an allowance of £20 will be granted as allowed to Non-Commissioned Officers by G. G. O., No. 961 of 1861. Should the services of a Hospital Apprentice be dispensed with on being reported unfit for further service while on furlough, he will, if he should desire it, be provided with a free passage to India.

8th.—The furlough pay will be 50 per cent. of the monthly rate of pay laid down in paragraph 19 of G. G. O., No. 550 of 1868.

Descriptive Roll of a Hospital Apprentice recommended for the indulgence of furlough to Europe.

ORPHAN CHILDREN—SUBSISTENCE ALLOWANCE, &c.

Simla, 7th July 1871, No. 598.—The Right Honorable the Governor-General in Council is pleased to notify that the orphan children of Non-Commissioned Officers and Soldiers, when taken to the Lawrence Asylum or other orphanages in India, or when quitting such institutions to return to England, will be entitled, until they reach the port of embarkation, to a subsistence allowance of six Annas per diem, or Rupees 12 per mensem. A daily allowance of eight Annas will be granted as remuneration to the person who may be in charge of the children while in transit to their destination.

2. The same allowance will be granted to children of Non-Commissioned Officers and Soldiers who have left India when they quit such institutions to proceed to England.

3. When practicable, and as a preferable arrangement, a suitable ration in kind is to be issued in lieu of the subsistence allowance authorized above, the grant of which is to be confined to cases where it may not be practicable or convenient to supply the ration in kind.

4. An allowance as per margin will also be granted for the outfit and care during the voyage Home of such children when they are sent to England from the Lawrence Asylum or other orphanages in India, under instructions from the Secretary of State or other competent authority.

5. The outfit allowance will be drawn by the Commanding Officer of the Station, or the nearest military authority, and expended in the provision of a suitable outfit for the children before they quit the institutions to join the embarkation depot for the purpose of returning to England.

6. This order is in substitution of G. G. O., No. 1080* of 18th November 1870, and is applicable to the three Presidencies.

MADRAS MILITARY FUND.

G. O. G., No. 184 of 25th July 1871.—The following Extract from a Financial (Military Fund's) Despatch from the Right Honorable the Secretary of State for India, is published:—

Despatch dated 22nd June 1871, No. 49, para. 1.—I have considered in Council your Military Letters noted in the margin,* with their several enclosures, relating to the Madras Medical Fund, together with the report of Mr. Samuel Brown, the Actuary, on the state of that Fund.

* Military Letters from Madras,
Dated 25th March 1867, No. 73.
" 15th June 1869, No. 191.
" 8th February 1870, No. 23.
" 14th March 1870, No. 41.
" 16th August 1870, No. 147.
" 31st August 1870, No. 164.
" 13th September 1870, No. 172.

2. I have also considered the several points brought to notice by the Trustees of the Fund, and the representations of retired Subscribers in the country respecting the claims of the Charity Branch, and I have now to communicate to you the decision of Her Majesty's Government with respect to the benefits to be allowed to the Subscribers to the Fund.

3. The Trustees requested that a Member of the Fund might be appointed to the Consulting Committee in this country, and I selected Superintending Surgeon Thomas Key, a gentleman well acquainted with the working and management of the Fund, for that post, for a period of one year.

* Madras G. O. G., 29th November 1870, No. 325.

4. The main points referred to by the Trustees were, first, the state of the Fund on the 1st April 1870, and the benefits which might have been granted to the Members on that date, if the influx of new Subscribers had continued; and, secondly, the prospects of the Fund, and the surplus accumulations, which would have become available for distribution, if the periodical valuations had been continued as heretofore, as they assumed they would be, in accordance with the Regulations.

5. It is clear that the continuance of those valuations would have rendered the amount of the pensions, and the number of the Annuities granted, liable to fluctuation, and would have necessitated the retention of a different system of accounts, and the adoption of a different arrangement in regard to the Madras Medical Fund to that which has been carried out in the other Funds which have been transferred to Government under the provisions of the Act XXIX, Vict., Cap. 18.

6. As the objections to such a course of proceeding are apparent, I have, after mature deliberation, decided to discontinue all valuations of the Annuity and Charity Branches of the Fund, respectively, and to grant to the Subscribers, from 1st April 1870, benefits equivalent to the estimated surpluses at such valuations, had the management remained in their hands.

7. I have therefore adopted generally the Estimates of Mr. Brown as to the total assets which were available for distribution on the 1st April 1870. Those assets include the reserve capital of the Annuity Branch, as well as the estimated value of the Subscriptions, and of future surpluses in both branches after providing for the payment of the Annuities and the Pensions, and I have determined to grant the following benefits to the Subscribers, by which the total capital will, it is estimated, be absorbed when the claims of the last Annuitant will be liquidated.

8. The increase of 5 per cent. made in January 1869 to the pensions of Widows, and of Daughters over age, will be continued, and a further increase of 23 per cent. on the rates of 1868, will be made to those pensions from the date of the valuation.

9. The pensions of Sons and Daughters under age will be increased to 28 per cent. from the date of the valuation, to make the increase equal in amount to that granted to Widows, and to Daughters over age.

10. Five large Annuities and one small will be annually granted from 1870, and one small extra Annuity will be granted biennially from 1871 to provide for the risk of retirements from the Service being more rapid in future than they have hitherto been.

11. A grant will also be allowed, equivalent to the value of ten large Annuities for allotment to expectant and small Annuitants in adjustment of arrears to 1st April 1870.

12. The Regulations of the Fund respecting the redemption of subscriptions to the Charity Branch will remain unaltered, and the allowances to which Subscribers are entitled from the Sick Allowance Branch will be paid to them according to the Regulations.

13. In granting these concessions, I have been influenced by a strong desire to make a final settlement of all claims arising out of the present position and prospects of this Fund, on such terms as will preclude the possibility of any doubt being entertained as to the liberal recognition and adjustment by Her Majesty's Government of the reasonable expectations of the Subscribers.

14. You will make the necessary communication to the Trustees of the Fund on the subject.

PAY OF SOLDIERS OF UNATTACHED LIST SELECTED FOR THE THOMASON COLLEGE, ROORKEE.

G. O. G., No. 186 of 25th July 1871.—The following General Orders by the Government of India are re-published:—

Simla, 10th July 1871, No. 599.—The Right Honorable the Governor-General in Council is pleased to notify for general information that, in future, soldiers of the Unattached List who are selected for the Thomason College, Roorkee, will be required to resign their positions on that list, and revert to the regimental pay and allowances of the rank which they held previous to their transfer.

MEDICAL FURLOUGH PAY—INSPECTOR OR DEPUTY INSPECTOR-GENERAL OF HOSPITALS.

No. 600 of 1871.—With reference to G. G. O., Nos. 1,437,* dated 8th December 1867, and 344,† dated 18th April 1871, the following Despatch from the Right Honorable the Secretary of State for India, India Office, London, the 31st May 1871, No. 142; to His Excellency the Right Honorable the Governor-General of India in Council, is published for general information:—

Mr. LOWN.—Your Letter No. 89, dated 15th March 1871, relates to the pay to be drawn while on furlough by an Officer of the rank of Inspector or Deputy Inspector-General of Hospitals, who has completed his tour of service.

2. I concur with your Government in the decision that an Officer so situated who may take furlough within Indian limits under the Rules of 1796 is entitled to receive his unemploy pay for that period as he would have received it if resident in India.

* Madras G. O. G., 17th December 1867, No. 518.
† Madras G. O. G., 2nd May 1871, No. 110.

3. With regard, however, to the Officer who may take furlough under 1868 Rules you will have observed from my Despatch No. 55 of 23rd February 1871 (paragraph 13.) that I do not consider that the unemployed pay which can only be received in India for six months can be taken as a basis for the calculation of furlough pay under these rules, and that Officers who have completed their tour taking furlough under the 1868 Rules are to receive the British* furlough pay of their rank and standing.

* Para. 13 of Despatch of Secretary of State, No. 152, 16th May 1864.

4. This of course in no way affects the cases of Officers taking sick leave under the Rules of 1854, which are governed by the Despatch No. 297 of 24th October 1867.

I have, &c.,

(Signed) ARGYLL.

FURLOUGH—MILITARY OFFICERS IN CIVIL EMPLOY.

Simla, 14th July 1871, No. 613.—In modification of the provisions of G. O., No. 630,* dated 9th June 1869, the Right Honorable the Governor-General in Council is pleased to empower Local Governments and Departments of the Governments of the three Presidencies, to grant to Military Officers in civil employ under them leave in India for any period not exceeding three months, as furlough, without reference to the Government or Commander-in-Chief of the Presidency to which the officer belongs, provided that, in each case, the authority granting the leave shall first satisfy itself that furlough to that amount is due to the officer concerned.

2. In the event of there being no furlough due to the officer, the leave may be granted as if it were furlough (in India) under the provisions of Rule XI of the Military Furlough Rules of 1868, provided the urgency of the case, whether on the ground of sickness or from any other cause, is such as, in the opinion of the Local Government, or Department of Government, to justify the exceptional indulgence.

3. It is not considered necessary to prescribe any fixed intervals within which a repetition of the indulgence cannot be permitted; but the Governor-General in Council looks to the Local Governments and Departments of Government, to see that such leave is not granted too frequently, or without sufficient grounds.

4. As all leave so taken in India will reckon as part of the eight years to which an officer's total furlough is restricted by Rule XVI, it will be necessary that a copy of the order granting the leave shall in every case be forwarded to the Military Department of the Government of the Presidency to which the officer belongs.

5. Officers obtaining leave under paragraph 1 of this Order, will be entitled during the period of their absence on it, to furlough pay, as laid down in Rule V of the Military Furlough Rules of 1868. Those who obtain leave under paragraph 2 of this Order, will be restricted to the English furlough pay of their rank as follows:—

	£	s.	d.
General Officer (Staff Corps) ...	1	5	0 a day.
Colonel of Royal Engineers of Royal Artillery of the local Service (and Lieutenant-Colonels, Staff Corps, if receiving the Colonel's allowance) ...	1	5	0 "
Lieutenant-Colonel (with the exception mentioned above) ...	1	0	0 "
Major ...	0	16	0 "
Captain ...	0	10	6 "
Lieutenant ...	0	6	6 "

6. If an Officer exceeds the period of leave granted to him under the provisions of this Order, he will forfeit his appointment, and can only be re-appointed, as a special case, with the sanction of the Government of the Presidency to which the appointment appertains. Should he desire an extension of it as furlough, he can obtain it in the Military Department of his own Presidency to such extent as he may be entitled under the rules.

7. No leave as furlough out of India, can be granted by any authority excepting the Government (in the Military Department) of the Presidency under which the officer may be serving.

BONUS COMPENSATION COMMITTEE—CORRESPONDENCE.

G. O. G., No. 193 of 9th August 1871.—The appointment of Secretary to the Bonus Compensation Committee having been abolished, all applications for, and correspondence regarding, compensation for loss of Bonus should be addressed to the President of the Committee.

* Madras G. O. G., 29th June 1869, No. 255.

PASSAGE MONEY—BILLS.

G. O. G., No. 197 of 12th August 1871.—With reference to para. 143, page 418, of the Pay and Audit Regulations, the Right Honorable the Governor in Council is pleased to direct that Bills for Passage money, incurred on account of Officers, Troops, &c., at Outposts, be discharged on the countersignature of the Master Attendant at Madras, who is responsible for the rates, &c., and to whom the Bills will be forwarded direct, accompanied by Embarkation Certificates. Unauthorized charges on account of individuals, erroneously provided with passage, will be subsequently recovered by the Pay Department, from the Officer who granted the passage, on the Bills being "approved" in the Office of the Quarter Master-General and finally audited by the Pay Examiner.

2. This ruling is not applicable to the Pegu Division.

BAGGAGE—RAILWAY.

No. 198 of 1871.—The Right Honorable the Governor in Council is pleased to direct that the following modified paras. and Warrant Form A, be substituted for those in G. O. G., No. 45, dated 13th February 1857.

25. Any quantity of baggage in excess of the rate allowed in para. 23 is to be paid for on the spot to the Railway Company by the Officer Commanding, or it will be rejected. If this excess baggage be conveyed on the Train with the Troops (which is to be avoided if possible) it will be charged for as Passenger's baggage; if by the Goods Train, it must be paid for as Goods, according to the classification. To prevent delay in this matter, it will be indispensable that Regimental or public property of every description, the cost of which is to be charged to Government should be weighed separately from that of the Officers, Mess and Men. The cost of the carriage of the surplus can then be divided Regimentally among Officers and Men or followers, and may be adjusted by them at any subsequent period.

REMITTANCES—EXCHANGE.

G. O. G., No. 200 of 12th August 1871.—The following General Orders by the Government of India are re-published :—
 Simla, 4th August 1871, No. 669.—The following Financial Notification, No. 2,116, dated 21st July 1871, is published for general information :—

ACCOUNTS.

ACCOUNTS.

Simla, 21st July 1871, No. 2,116.—Under instructions from the Right Honorable the Secretary of State for India, the Governor-General in Council is pleased to notify that the rate of exchange fixed in the Financial Notification, No. 836, dated 10th February 1871, for officers' remittances and effects, viz., 1s. 11d. per rupee for the year 1871-72, shall be adopted in the recovery in India, from Civil Engineers, Mechanics and others, of the portions of their salaries which have been made payable to their families in England.

2. The privilege of making family allotments in England will, for the future, as a general rule, be strictly confined to the class of mechanics, boiler-makers, &c., who would probably find it very difficult to make remittances through ordinary channels. Special cases, however, will be considered by the Directors of the Bank and decided on their merits.

3. The remittances to England of any Civil Officers who enjoy the privilege, and of the Administrators-General and Official Trustees in each of the three Presidencies, will be adjusted from the current year, 1861-62, at the rate fixed for Officers' remittances.

PASSAGES—MESSING.

No. 670.—The Right Honorable the Governor-General in Council is pleased to notify that the provisions of G. G. O., No. 1,225* of 22nd December 1868, prescribing a revised scale of messing contribution to be recovered from Officers provided with a free passage on board sea-going vessels from port to port in India, shall in future be applicable to all cases of sea passages provided to officers from port to port in India, whether under the circumstances authorized in G. G. O., No. 317† of 8th April 1864, or in the case of those Officers who, having no Regiment or Department to join, on return from furlough on medical certificate, are provided with sea passages to proceed to any stations to which they may be ordered.

2. This Order is applicable to the three Presidencies.

PASSAGES—OFFICERS' SERVANTS.

Simla, 4th August 1871, No. 677.—In continuation of General Order by His Excellency the Governor-General of India in Council, No. 471‡ of 1865, regarding the passages and passage allowances of Officers of Her Majesty's British Forces proceeding to or returning from India, the following Clause of Army Circulars, dated War Office, 1st September 1870, is published for general information:—

Royal Warrant.—Passages, Officers' Servants.

VICTORIA, R.

Clause 136.—Whereas we deem it expedient to revise the provisions contained in our Royal Warrant of 2nd January 1865 for the grant of free passages to Officers' servants:—

Our Will and Pleasure is, that in future passages to India shall not be provided at the public expense for the male servants of Officers below the rank of General Officer. General Officers shall be entitled to a passage for one male and one female servant.

All married Officers above the rank of Subaltern embarking for India with their wives and families, shall be allowed a passage for one female servant at the public expense.

Given at our Court at Osborne, this 10th day of August 1870, in the thirty-fourth year of our reign.

By Her Majesty's Command,

(Signed) EDWARD CARDWELL.

With reference to the foregoing, the Right Honorable the Governor-General in Council is pleased to notify that the provisions of the above Circular are equally applicable to homeward passages, and that a married Officer above the rank of Subaltern proceeding to England on duty otherwise than by Her Majesty's troop ships, is entitled to a free passage, or the cost of a passage for a female servant, and that messing allowance at two shillings a day is to be deducted from Officers who proceed otherwise than by troopship for each servant for whom passage money is drawn, which will follow the rate for Officers proceeding to India, as laid down in the Royal Warrant now published.

ALLOWANCE—OFFICERS ON OTHER DUTY.

G. O. G., No. 205 of 17th August 1871.—In assimilation with the practice obtaining in Bengal, the Right Honorable the Governor in Council is pleased to direct the substitution, from this date, of the following rule for para. 8, page 463, Section XIX, Pay and Audit Regulations:—

"A Staff Officer, or an Officer holding an appointment in a Native Regiment, during absence from his Detachment, Corps, or Station, or any duty for which he is not remunerated, is entitled to the full personal staff salary of his permanent appointment, but ceases to have claim to all office allowances including horse allowance. The Officer who may be ordered to do his duty will be allowed half staff pay, as if the principal were on leave, with the horse and office allowances, if any be attached to the appointment."

ARMY REGULATIONS.

No. 206.—The Right Honorable the Governor in Council directs that the following Rule be added to Section 23, Part VI, of the Madras Army Regulations, under the head of "Passages":—

Para. 1894.—Troops and Details moving in British Burmah in Vessels belonging to the Irrawaddy Flotilla will be provisioned by the Commissariat Department, except when the detail shall only consist of 12 or under, when they will be provisioned by the Commander of the Vessel at the rate of Rupees 2 a head per diem. In all other respects, viz., as regards allotment of space, quantity of baggage, number of servants, rates of Table Money, &c., the same Regulations will be applicable to Officers and others embarking in the Irrawaddy Flotilla, as for the British India Company's Sea-going Vessels.

ECCLESIASTICAL—PAY—TRAVELLING ALLOWANCES.

* G. O., No. 309 of 1869.

No. 44.—With reference to the General Order noted in the margin, the following rulings of Government are published for general information and guidance :—

Rules for the guidance of disbursing Officers of the Military Account Department in admitting the pay and travelling allowance of Roman Catholic Bishops and Priests, Lighting and Establishment allowance of Chapels.

I.—An allowance of Rupees 500 per mensem is authorized for each of four Bishops of the Roman Catholic Church in India, viz., for one in each of the presidencies of Madras and Bombay, and for one in each Division of the Bengal Presidency, in consideration of the labour imposed on them in furnishing ecclesiastical returns for transmission to England.

Pay.

II.—Wherever two or more European Regiments are quartered together, two Priests are allowed on salaries of Rupees 200 and Rupees 150 per mensem respectively.

III.—Wherever more than one European Regiment, but less than two is stationed, one Priest is allowed on a salary of Rupees 200 per mensem.

IV.—A Priest on a salary of Rupees 200 per mensem is allowed at the seat of a local Government, irrespective of the number of European Regiments located there.

V.—When a Priest is allowed for European Troops, a separate Priest for the civil station is not authorized. The only advantage that a Priest with European Troops derives from service at a station, which is the seat of Government, is the title to the maximum pay of Rupees 200 per mensem, irrespective of the number of European Troops stationed there.

VI.—A Priest on a salary of Rupees 150 per mensem is allowed where there may be one European Regiment, or Detachments of different Corps equal in the aggregate to the strength of a regiment, or where, though there may be no European Regiment, there are at least 100 British-born Roman Catholics, natives of Great Britain and Ireland, resident and in the service of Government.

VII.—At any other station to which a Priest may be appointed by Government, the pay will be Rupees 150 per mensem.

VIII.—The salary of Rupees 200 per mensem will be reduced to Rupees 150 on the reduction of the European Troops at a station to one regiment, but not until such reduction shall have lasted for six months consecutively.

IX.—In like manner the salary of Rupees 150 per mensem will be discontinued if a reduction in the number of Roman Catholics, of the prescribed class, at a station where a Priest is serving, shall have existed for six months consecutively.

X.—The pay of a Priest will not be affected by the two preceding articles, notwithstanding a reduction shall have existed for six months, if the *bond fide* established strength of the garrison entitles it to the services of a Priest, i. e., the pay will be passed not with reference to the actual, but to the *bond fide* established strength of the garrison.

XI.—In the event of the British Troops being permanently withdrawn from a station, and the number of Roman Catholic residents of the prescribed class falling below one hundred, the salary of the Priest will be discontinued from the last day of the month in which the troops leave.

XII.—A Priest transferred from one station to another by order of his ecclesiastical superior, is not entitled to pay, unless the transfer is authorized by Government.

XIII.—A Priest is not entitled to salary except for services actually rendered to the troops. But so long as the sanction of the Officer Commanding, on an application rendered with the approval of the Priest's ecclesiastical superior, is obtained to the absence of the Priest, and arrangements are made for the performance of his duties during his absence, no objection will be taken to the passing of the sanctioned salary.

XIV.—Roman Catholic Priests forfeit their salaries during any leave of absence.

XV.—The full amount of salary is payable to the Priest appointed by the Bishop to perform their duties of the absentee.

XVI.—Roman Catholic Chaplains or Priests are subject to Income Tax on the amount of their salaries.

XVII.—A deputation allowance of Rupees 5 per diem is authorized for a Priest not in the service of Government, who may be deputed by a competent Government Officer to visit an out-station, owing to a salaried Priest not being available for the duty.

Deputation allowance.

The order authorizing the visit must state that such is the case.

* Madras G. O. C. C., 18th January 1870.

XVIII.—Travelling allowance at the rate of twelve annas a mile by road and three annas a mile by rail, is allowed to a Priest sent on a periodical visit to an out-station provided he proceeds further than five miles, if in receipt, at his own request, of conveyance allowance, or further than three miles, if not in receipt of that allowance.

XIX.—Travelling allowance under the preceding article is also admissible to a Priest in receipt of a salary from Government, when deputed by competent Government authority to visit a civil station at which there are, at least, twenty British-born Roman Catholics, natives of Great Britain and Ireland, resident and in the service of Government, but not when deputed to a civil station at which there are not twenty of the above class of Government servants, though there may be a large number of Government servants of that persuasion not natives of Great Britain and Ireland; such visits are to be limited by the local Governments to three, four, six, eight or twelve a year, according to the distance or facility of communication between the two stations.

XX.—A Priest when proceeding to minister to a British soldier or his family in sickness is allowed his actual necessary travelling expenses. If the journey or any portion of it can be performed by rail, a free pass must be given to the Priest there and back, and for such portion as must be travelled by dāk, &c., the Priest has to submit a contingent bill for the sum actually expended, vouched by a certified copy of the Division or Station Order and the receipt of the Dāk Company or person supplying the conveyance.

XXI.—When any necessity arises for a Priest to visit an out-station to minister to a British soldier or his family in severe sickness, the officer commanding the station must address the Officer commanding the division or station at which the Priest resides, stating clearly the circumstances, when, if the latter officer considers the necessity made out, he may authorize the Priest's proceeding on the requisition, at the Government expense, by the issue of a division or station order to that effect. Should in any case the requisition be sent by the person requiring his services, to the Priest, the latter, if he considers it an occasion requiring his attendance, must on receiving it, at once apply to the officer commanding the division or station, if he is on the spot, who must use his own discretion in complying with the application or not.

XXII.—A Detachment of 200 European Soldiers or more is allowed one or more visitations a month by a Priest, provided the amount payable as travelling allowance does not exceed Rupees 100 a month, or Rupees 1,200 a year.

XXIII.—A Detachment of less than 200, but not less than 50 European Soldiers, may be visited in the same manner, provided the expense does not exceed Rupees 50 a month or Rupees 600 a year.

XXIV.—Cumulative payments to the same Priest, under the two preceding articles, are limited to Rupees 150 a month, or Rupees 1,800 a year.

XXV.—A special allowance of Rupees 5 per diem is authorized for a Priest serving with troops in the field to meet the extra expense of living and moving ; but in such cases travelling allowance will not be granted.

XXVI.—A Priest transferred from one station to another by order of his ecclesiastical superior, is not entitled to travelling allowance, unless the transfer is authorized by Government.

XXVII.—The order directing a Priest to visit an out-station must invariably state the strength of the detachment to be visited, and a copy of the order whether issued by Government or by the Officer Commanding a division or station, is to be furnished to the Priest as a voucher to his claim for travelling allowance.

XXVIII.—Claims to travelling allowance must be submitted monthly ; all the charges incurred during the month being included in one bill.

XXIX.—Horse allowance at the rate of Rupees 30 per mensem is granted only in special cases under the authority of Government, when it can be satisfactorily shown that the duties of Roman Catholic Chaplains at any station require them to visit places far apart.

Horse allowance.

Establishment, &c.

XXX.—The following establishment is authorized for a Roman Catholic Chapel at a station where there is a resident Priest :

1	Parash who will take care of the chapel and furniture,	Rs. 5	per mensem.
1	Sweeper	3	"
	Lighting	10	"
	Contingencies	5	"
		<u>Rs. 23</u>	

XXXI.—An allowance in all of Rupees 10 per mensem is authorized for out-posts which are periodically visited by a Roman Catholic Priest, to provide for lighting and all other expenses, the chapel being required to be kept open daily.

PAY AND ALLOWANCES—HORSES—DOING DUTY.

Head Quarters, Camp, 3rd April 1871, No. 55.—The following letter from the Secretary to the Government of India, Military Department, to the Controller of Military Accounts, is published for information :—

No. 171, dated 4th March 1871.—“ With reference to your letter, No. 1804G, dated 16th February 1871, I am directed to acquaint you that, as horse allowance was included in the old rate of Infantry pay at half batta stations, of which Staff Corps pay is the equivalent, it must be held now to be included in the consolidated Staff Corps pay of all Field Officers, who may, therefore, properly be required to keep up chargers even though holding no appointment.”

G. O. C. C., No. 79 of 17th July 1871.—Casting Committees under the provisions of G. O. C. C., 3rd July 1863, No. 43, for the examination of Horses considered unfit for further service are to be assembled by Officers Commanding Divisions, Forces, Brigades and Districts on the 15th August 1871 in all Mounted Corps.

3. Measures should be taken to insure a careful and discriminating performance of their duty by the Committee.

4. The practice of transferring horses unfit for one branch of the service to another is forbidden, and a horse is not to be cast for being under the prescribed standard if serviceable in other respects.

5. The number of horses required to complete the authorized establishment is to be immediately notified by Officers Commanding Regiments and Batteries by Telegram to the Agent for Remounts as soon as the Proceedings are closed.

ARMS INSPECTION.

G. O. C. C., No. 85 of 1st August 1871.—The following General Orders by His Excellency the Commander-in-Chief in India, are re-published:—

Simla, 7th June 1871.—The following instructions for the guidance of Viewers appointed to attend the Annual Inspection of Arms in possession of the troops in the several districts in Great Britain and Ireland, are published for the guidance of Chief Civil Master Armors attending annual boards of survey on arms of British regiments in India, in supersession of Instructions 2, 3 and 4, published in Adjutant-General's Circular Memo., dated 2nd January 1868:—

Instructions for the guidance of Viewers appointed to attend the Annual Inspection of Arms in possession of the troops in the several Districts in Great Britain and Ireland.

1. Examine the exterior of the arm for general appearance, as in the case of an upright view. Should the arm exhibit appearances of rust at the barrel edge, lock, or other parts, it must be stripped and carefully examined.

2. Examine the action of every arm most carefully, and ascertain that the moving parts work freely, and fit firmly and soundly. See that the face of the block has not been injured by the striking of the cock when open, and that it has not been smoothed or polished; any attempt on the part of the Armorer Serjeant to touch the face of the block with a file, or emery paper, should be at once checked.

The pistons to be carefully tested as to their working freely; and a few should be taken out to see that they, as well as the springs, are cleaned, slightly oiled, and free from dirt.

Although a flat guage of .015 inch is given to every Viewer to examine the amount of play in the block with, yet it does not follow that an arm which admits of the guage, should be condemned, as the ammunition is much stronger than it was at the time when that guage was established.

All arms, however, which are complained of for cutting the cartridges, or for difficulty in extraction, are to be put on one side for close examination and repair.

3. Examine the lock by pulling up the cock, to ascertain that it works freely. If found to be sluggish, the lock to be removed from the stock, cleaned, and carefully examined. The bedding in the stock also to be examined, to see whether it shows an appearance of being wood bound.

At least 10 per cent. of all locks to be taken out of the stocks. The Viewer will exercise his judgment, from general appearances, as to the necessity for removing a larger proportion.

4. Examine the bores of the barrels to ascertain that they are not injured or neglected, but kept clean and in a proper state.

No notice need be taken of stains or slight scratches arising from fair wear.

The '577 plug is to be occasionally used and passed through the barrels in all cases of doubt or appearance of obstructions.

Only in cases of complaints of bad shooting or where barrels exhibit distinct appearances of excessive wear from improper cleaning or other causes, and where the shooting is also complained of, should the Viewer use the '580 plug, as it is always to be borne in mind that accurate shooting does not depend upon the exact adherence to the gauge of the bore '577.

Straitness of the barrel is of much more importance for correct shooting, than slight variations in the diameter of the bore.

The Viewer will, of course, pay more particular attention to those arms which are specifically complained of, and will endeavour in every way to arrive at a correct judgment upon the cause of the complaint, which may arise from a combination of several defects and injuries.

He will never condemn, or place on one side for exchange, any arm which merely takes the '580 plug either wholly, or in part, unless the arm is proved to have shot badly at a special trial, according to Horse Guards' Circular of 6th October 1863, General No. 276.

5. In the general examination of the arm, the trigger should be carefully tested, as to its working freely and pull-off.

In all cases where found to be stiff, the guard and trigger plate must be removed and carefully examined.

A percentage of the arms under view (to be settled by the Viewer after their general condition has been ascertained) should be completely stripped and carefully examined. This percentage should not be less than 10 per cent.

Lastly, the Viewer must carefully note the general way in which the Armorer Sergeants and Sergeant Instructors of Reserve Forces have performed their duties as Armorers, together with the nature of all repairs, and how executed.

BEDDING—SCHOOLS.

No. 136.—Under instructions from the Government of India, the following addition is to be made to General Order No. 273 of 1870:—

"And not being in receipt of any of the privileges of Warrant Officers."

O., No. 3,101, dated 5th October 1864, it is hereby notified that *Bentham's Theory of Legislation* (published by Messrs. This change will take effect at the expiration of twelve months from the publication of the order in the *Gazette of India*.

SCHOOLS.

No. 138.—The Right Honorable the Commander-in-Chief is pleased to notify, that on the number of grown girls and infants attending a regimental school, reaching that for which pay of a mistress is authorized (Military Regulations, Section LVII, para. 46.) the appointment of a mistress may be made by the Commanding Officer in communication with the Superintendent of Army Schools.

It will suffice to send to the Superintendent's Office an extract of the Regimental Order making the appointment, with the following particulars:—

Age;—standard of reading, dictation and arithmetic, as per last examination:—and a statement that the mistress will continue to be taught daily with the other children by the Schoolmaster, or by the Schoolmistress, in cases where the grown girls are instructed by the latter.

SCHOOLS.

No. 139.—As some misapprehension appears to exist regarding the appointment of acting Schoolmistresses to fill temporary vacancies in British Corps, the Right Honorable the Commander-in-Chief in India desires it to be understood, that the charge of Infant and Industrial schools should always, when practicable, be held by trained Schoolmistresses.

* Madras G. O. C. C., 7th November 1870, p. 352.

† Madras G. O. C. C., 25th October 1864, p. 641.

His Excellency therefore directs that, whenever a vacancy occurs, application be at once made to the Superintendent of Army Schools for the services of a trained Schoolmistress, temporary arrangements being made under the orders of the officer commanding the corps, by an acting appointment.

The above order is applicable to all corps to which a trained Schoolmistress has not been appointed. Should there be any special grounds for retaining the services of any particular untrained Schoolmistress, an application, stating fully the reasons, should be forwarded at once to Head Quarters for the consideration of the Commander-in-Chief in India.

Indian Establishment of the corps, allowance being made for any Non-commissioned Officers whose discharge by invaliding will probably be effected during the ensuing cold season. Staff Serjeants may volunteer in the rank of Serjeant.

II. Serjeants and Corporals will be allowed to volunteer to particular corps in the proportion of 1 Serjeant and 1 Corporal to every 19 men of their regiment who volunteer for such corps; 1 Serjeant and 1 Corporal will also be allowed to select a particular corps for any fraction of 19 exceeding 9 going to it.

III. Should the number of Non-commissioned Officers eligible to volunteer under Rule I, exceed the numbers who may select particular corps under Rule II, Serjeants and Corporals to the extent of the difference will be allowed to volunteer to remain in India, provided they are willing to be transferred to any corps in which their services are required. The posting of these Non-commissioned Officers will be made at Head Quarters in India, and as far as possible in accordance with the wishes of the Non-commissioned Officers, which should be recorded.

IV. Non-commissioned Officers volunteering under Rule II, will retain their rank and pay.

V. Non-commissioned Officers volunteering under Rule III, will be allowed to retain their rank, but it must be understood that they will revert to the pay of a Private until vacancies occur in the establishment of the regiments to which they are posted. No promotions will be made in such regiments until the Non-commissioned Officers received by volunteering have been advanced to the pay of their rank.

6. Field Officers of British Regiments are to be appointed to superintend the volunteering, and Medical Boards convened for the examination of the volunteers under the orders of the General Officers commanding. Neither the Field Officers nor the Presidents of the Boards will belong to the regiments concerned.

7. The Superintending Field Officers will be careful that men of bad character are excluded from the privilege of volunteering. The Commander-in-Chief will hold them personally responsible for any neglect of this instruction. (a) Vide G. O. C. C., 13th September 1865, page 206, S. O. A careful inspection of the Defaulters' Books, more especially those of the last three years, must be made with reference to para. 8 of G. G. O., No. 691(a) of 1863, and the preference given to the best conducted men. Any soldier, who during the abovenamed period is found to have been guilty of repeated acts of drunkenness, or of any act of theft or other disgraceful conduct; or who has been twice punished for insubordination or disrespect to his superiors, will be rejected.

8. Officers commanding Divisions and Districts, in which detachments, or individuals, not being Invalids of the 1-19th, 38th and 104th Regiments, may be quartered, will, if necessary, immediately on receipt of this order, arrange for the volunteering of such men, in conformity to the above instructions which do not however relate to men on the Unattached List for whose volunteering special instructions are given in para. 15. The volunteering at out-stations, Jubbulpore and Pachmurree excepted, will be permitted without a restriction as to the number that may be received by any particular corps. The volunteering of the wing of the 1-19th at Saugor will be first carried out, and the Superintending Field Officer will then proceed without delay to Jubbulpore and Pachmurree.

9. A report of the result, with the name of the Field Officer who superintending the volunteering will be made without delay to the Head Quarters of the regiment in the accompanying Form :-

The Commanding Officer will further report to the General Officer commanding the Division or District the date on which these documents have been forwarded to the several corps.

Officers commanding Regiments receiving volunteers will, immediately on receipt of those documents, report to the Adjutant-General, Simla, whether they are in all respects satisfactory or otherwise.

14. Bounty, as also gratuity in the case of volunteers for Highland Regiments, who must be natives of North Britain, will be paid to the men on joining their new regiments.

15. Commanding Officers of Regiments giving volunteers will, without loss of time, place themselves in communication with departmental officers under whom any of the men of their regiments on the Unattached List (or on probation for the Unattached List) may be serving, in view to the decisions of those men being recorded for remaining in India on the conditions specified in para. 14 of G. G. O., 695 of 1863, (e) G. O., 390 of 1868, (f) and G. O., 284 of 1870, (g), or for rejoining their regiment. In either case a report will be made by the Commanding Officer to the Adjutant-General of the elections of these men on the Form annexed. Any difficulty in obtaining the necessary information in particular cases, is to be brought to notice at once, but the submission of the Returns should not be delayed :-

BOOKS.

Simla, 14th June 1871, No. 114.—The attention of Commanding Officers is invited to G. O., No. 376† of 1869, para. 3, laying down that indents for religious books are to be submitted through the Office of the Adjutant-General.

HOME ORDERS—SCHOOL ASSISTANTS—DRILL AND INSTRUCTION.

No. 118.—Horse Guards' General Order, No. 21 (Schools) of 1871, is re-published for information.

The Commander-in-Chief directs, with reference to this order, that no school assistant is to be appointed until he has become a thoroughly drilled soldier :—

"The frequent and necessary withdrawal of school assistants from their duties at the regimental school, being calculated to give rise to much inconvenience in carrying on the instruction, it is essential that a limit should be put to their absence, which, in future, is to be required only for the following purposes, viz. : attendance during musketry drill, and at one parade a week, and on occasions when they are absolutely wanted for some urgent regimental duty.

"The Schoolmaster will record in his register every occasion on which a soldier assistant is absent from the School."

CORRESPONDENCE.

No. 121.—The following extract of a letter, No. 431, dated 27th May 1871, from the Secretary to the Government of India, is published for general information :—

"I am also to take this opportunity of soliciting attention to the orders marginally noted, which, with other similar instructions, have from time to time been issued by the Commander-in-Chief and the Government of India, with the view both of reducing the bulk of official correspondence when this can be done, and, especially, of facilitating to the utmost the consideration of any cases submitted for orders by placing them properly before the authority with whom the decision rests.

"It is evidently the bounden duty of the officer who has to submit any representation to His Excellency the Commander-in-Chief, or to the Government, to make himself first of all thoroughly acquainted with the circumstances of the case ; which he will therefore be in a position, and may reasonably be expected properly to explain, and, by doing so, to lighten very considerably in many cases the labor of the office he addresses, by rendering unnecessary a repetition there of the labor he has had himself to undergo, in collating the facts and forming a clear conception of what they represent."

* Madras G. O. C. C., 11th August 1870.

† Madras G. O. C. C., 16th February 1870, page 44.

"The Governor-General in Council therefore desires that, whenever any officer has to submit any correspondence to the Commander-in-Chief or to Government, he may be required to see that the whole case is clearly and succinctly stated in one communication ; in the margin of which reference by number and date should be made to each enclosure of importance, opposite the statement or opinion which is based upon or supported by it. When more than a few enclosures or annexures are submitted, they should, for greater convenience, be conspicuously numbered or lettered ; and in all cases the submission of unnecessary enclosures should be carefully avoided.

"It is needless to point out how desirable and even necessary it is that the above course should be adopted in submitting cases to Government, to enable it to deal satisfactorily and promptly with this very numerous questions, which,--sometimes in an unnecessarily confused state,--come before it, and the disposal of which the want of such method tends materially to retard."

2. With reference to the above extract, the Commander-in-Chief directs that the above quoted Orders, which have in many recent instances been lost sight of, may be strictly adhered to in future.

See also Adjutant-General's Circular, No. 26 of 1868.

Ditto, No. 44 of 1869.

Ditto, No. 79 of 1869.

3. When the whole or any portion of a previous letter is referred to, its distinctive mark must be entered in the margin.

4. All correspondence which may not be submitted to Head Quarters in strict accordance with the above instructions will be returned.

Simla, 24th June 1871, No. 122.—The following letter from the Officiating Secretary to the Government of India in the Military Department, to the Secretary to the Government of Fort St. George, No. 268, dated the 9th June 1871, is published for information :—

"I am directed to acknowledge receipt of your letter, No. 817, dated 7th March 1871, enquiring what practice obtains in the Bengal Presidency as regards the grant of horse allowance to an Officer of Cavalry when appointed a Station Staff Officer.

"2. In reply, I am to state, for the information of the Madras Government, that the Right Honorable the Governor-General in Council has decided that a Cavalry Officer holding such an appointment need not forfeit his regimental horse allowance while so employed."

2. The available kits of these men will accompany them to the prison to which they are committed, (War Office Form 219 being altered accordingly, when necessary,) and Commanding Officers of the Regiments or Batteries to which they belong will, in communication with the Commanding Officers of the Corps to which they may be attached under G. O., No. 52 of 1869, ascertain that they are in possession, before commencing their march, of at least the following kit:—

1 Great Coat (condemned).	2 pairs Socks.

The foregoing is the minimum; larger kits will accompany the men if available, but in every case, the kits, tied up in separate bundles, with full lists in duplicate, will be handed to the officer in command of the party with which they proceed to the port of embarkation, who will give receipts.

4. The Officer in command of the party will place these bundles and one list in charge of the guard, retaining the other list in his own possession, and will direct changes to be issued as may be required; he will be responsible that every precaution is taken to prevent their being surreptitiously disposed of.

5. If any man, sentenced to discharge with ignominy and attached to a regiment or battery under the operation of (e) G. O., 52 of 1869, and (f) G. Actuary.

A. H. BAILEY, Esq., of the London Assurance Corporation.

The chief characteristics of this Society are:—

Mutual Assurance.

Policies for terms of years issued at largely reduced rates without participation in Surpluses.

Premiums payable half yearly, on 1st January and 1st July.

Life Policies having a duration of three years are purchased by the Society.

Claims paid immediately after satisfactory proof of death. An official Notice of death in any of Her Majesty's Government Gazettes is a sufficient proof.

Claims can be adjusted, and premiums can be paid in London, if desired by the Policy holder.

Surrender Values allowed for Life Policies issued at fixed rates of premium which have paid three years premiums.

The Society's funds must be invested in Indian Government Securities or in other guaranteed Indian Securities.

Quinquennial valuations, by a London Actuary, of Assets and Liabilities. The reduction for the Quinquennium 1871—75 is at the rate of 60 per cent. of premiums paid during 1866-70.

Assurances granted on the lives of Europeans, East Indians or Eurasians, and Parsees.

Past experience leads the Directors to anticipate that the retention of the "Mutual" principle and the Quinquennial distributions of Surpluses, will bring down the cost of Assurance by this office for Life, to the lowest possible point.

The Medical Examiner sees Applicants for Assurance at the General Hospital, every day of the week, between the hours of 7 and 9 A. M.

ESTABLISHED 1840.

CHURCH OF ENGLAND

Life and Fire Assurance,

TRUST AND ANNUITY INSTITUTION.

HEAD OFFICE—KING STREET, CHEAPSIDE, LONDON.

EMPOWERED BY SPECIAL ACT OF PARLIAMENT.

CAPITAL—ONE MILLION.

The distinguished success which attended the establishment of the Church of England Assurance Company, in England, Scotland and Ireland, induced the Directors, many years ago, to open Branch Offices of the Company at Calcutta, Madras, Colombo and Singapore, with a view of extending the peculiar advantages of this establishment to Europeans residing in those parts.

The Directors have the gratification of being enabled to state that this extension of the business of the Institution has been attended with complete success.

The high credit enjoyed by the Company in Europe, and the connection of many of its Proprietors with men of eminence and influence in India, have enabled the Company to proceed in a continued career of prosperity such as to satisfy the most sanguine expectations of all persons interested in its welfare.

In every Institution of this kind, the three main objects of Policy-holders are Security, Economy and Convenience.

The security of Policy-holders is made complete by the large subscribed Capital of the Company, guaranteed by a numerous and influential body of Proprietors, a list of whom is periodically registered in the Court of Chancery, pursuant to the provisions of the Special Act of Parliament (4 and 5 Vict., cap. xcii), empowering this Institution.

The highest attainable economy has been afforded to Policy-holders by means of an entirely new set of Tables computed for the especial use of the Indian branches of this Institution. No labor or expense has been spared in the construction of these Tables; and the Directors have much gratification in directing attention to them; being confident that they will meet the views and satisfy the expectations of the Assuring classes in India.

The convenience of Policy-holders has been especially provided for, by the variety of Tables which have been computed, and by the adaptation of such Tables to suit the objects and circumstances of different parties.

"Short Term" and "Whole Life" Assurances are granted at rates of premium as shown below in Tables I and II.

The Advertiser.

In addition to the ordinary Insurances, this Company issues Policies by which the sums assured are made payable to the Policy-holder himself on his attaining a specified age, or to his representatives in the event of his previous death. By this means, Officers and others may both provide for their families and secure "Retiring Provisions" for themselves.

Table III gives the rates payable for this description of Insurance.

"Free Policies" or ten year premium "Assurances."

These Assurances are for the whole of life although the premiums are payable during ten years only; that is to say, the premiums are all paid up in the course of ten years, and thenceforth the policy is free from any further payment.

Also each premium as it is paid, frees one-tenth of the sum assured, so that the policy to that extent can never lapse from future non-payment of the premium. For example, if a policy has been effected on this system for Rupees 10,000, and when the second year's premium becomes due, the Assurer is unable or unwilling to pay the same, he will not lose the benefit of the first year's premium already paid, as the policy will continue in force for Rupees 1,000 free of all further payment whatever. So if the premiums were discontinued after the second year, the Assurance would remain in force for Rupees 2,000, if after the third year for Rupees 3,000 and soon as many tenth of the sum assured being rendered free as there have been yearly premiums paid.

The system of Assurance has the advantage of converting each premium into an independent investment which is not exposed to any diminution or loss by the failure to keep up future payments.

The Indian rates of premium for this system of Assurances are given in Table IV.

The "Clergy Rates" in Table V, have been recently prepared to enable Clergymen and Ministers of all denominations to assure their Lives in this Institution upon more favorable terms than in any other Office.

The premiums may be paid either annually, half-yearly or quarterly; and Policies, which have become forfeited by non-payment of the premiums, may be revived within twelve months, upon satisfactory proof being given that the party continues in good health, and of sober and temperate habits.

***Thirty days' grace are allowed for the payment of the Renewal Premiums. The validity of the Policy will, in every case, be maintained, by payment of the premium within the stipulated period, notwithstanding the death of the Assured may have occurred before such premium shall have been received.

Upon their arrival in Europe, Policy-holders will be entitled to a reduction in their premiums corresponding to the difference between the Indian and European risk,—such reduction to take effect from the next period of renewal, after the receipt by the Office of notice of their arrival.

No addition to the premium will in any case be made for sea risk, in passing from any one part of India (including Ceylon and Singapore) to another; or in passing to or from the Cape of Good Hope, or England, either by the Overland or sea route.

Policies effected by parties on their own lives, and assigned as a *bonâ fide* security to others, will not be rendered void in the event of death by suicide, duelling, or the hands of justice. Claims will become payable within three months after satisfactory proof of death.

The Advertiser.

The Medical Officer sees applicants for Assurance at his residence, Royapuram, on Wednesdays and Saturdays, between the hours of 9 and 10 A. M.

By appointment to His Excellency the Viceroy and Governor General of India,

AND TO

H. R. H. THE DUKE OF EDINBURGH.

BILLIARD TABLES.

C. LAZARUS & CO., as manufacturers, would invite particular attention to their large stock of full-sized Billiard Tables. One of the chief desiderata in a Billiard Table is to secure such an arrangement as will admit of a Ball being struck so as to attain the highest speed without its jumping. This, it need scarcely be said, depends entirely upon the arrangement of the cushions. C. L. & Co., in mentioning this fact, would state that the subject has largely occupied their attention, and after repeated experiments and close consideration, they have discovered a principle in the manufacture of cushions which answers admirably the end desired. Since the manufacture of their cushions on this new principle, C. L. & Co. have received testimonials from some of the first Clubs in India speaking to the merits of the same. To secure truth with speed, that is to say, the maximum of speed compatible with preventing the Ball jumping, is the object which C. L. & Co. have had in view, and which at length they have successfully attained. At the same time, the cushions, it should be stated, are quite as durable, or even more durable, under the new principle of making up than under the old. With a view to the maintenance of the high character of their workmanship, C. L. & Co. have secured for this branch of their business especially, the services of a gentleman who for many years was foreman to the eminent makers, Messrs. Burroughes and Watts, whose experience is a guarantee of the highest possible excellence in the manufacture of Billiard Tables, and of everything connected with that department of their business.

THE ALEXANDRA BILLIARD TABLE.

C. LAZARUS & CO. beg to state that, with a view to secure for India one of the latest Home Novelties, they have made up a number of the new "Alexandra" Billiard Tables, so commonly patronised in Fashionable Circles at this time in England.

The "Alexandra" Table, or that which has received the distinguishing epithet of the "Ladies' Table," and most in favor with the fair sex, is, in every respect, adapted to develop the fullest resources of the Game. The size of these Tables is six feet by three. The height is so regulated and the cues and other requisites are specially arranged, as to admit of easy and graceful manipulation by a Lady.

B. B. B.

In accordance with their established practice of introducing Novelties to the Indian Public, C. LAZARUS & CO. have pleasure in announcing that they have made arrangements to supply the latest novelty in social and family amusement by importing the popular B. B. B. Tables. The peculiarity of these is, that on the one table the three favorite Games of BILLIARD, BATTUE and BAGATTELLE may be played, thus affording a pleasing variety of amusements, concentrated on a single board, at little more than the cost of one. Anticipating that the demand for these Tables will be large, C. L. & Co. are prepared to supply them on very favorable terms, it being a principle of their business to furnish the best and most approved articles of every kind at the lowest rates, consistent with excellence of quality and a fair trading profit.

IMPORTANT TO MESSES AND BILLIARD CLUBS.

Throughout India, China, Burmah, Ceylon and the Straits.

Consequent on the numerous applications that C. LAZARUS & CO. have lately had from parties residing at a distance from Calcutta to have their Billiard Tables re-cushioned on C. L. & Co.'s new principle, and, as sending the old cushions to Calcutta for that purpose is attended with great delay, occasioning much inconvenience, C. L. & Co. have been induced to keep a stock of cushions on their new principle always on hand, which can be fitted to any Table, the accurate length and width of the Cushion being only being required.

Up-country Messes and Clubs can, by thus securing a spare set of cushions, ensure the constant use of the Table, a desideratum C. L. & Co. are satisfied they will not be slow to appreciate, as the inconvenience hitherto felt by the Table being unavailable for play during such time as the old cushions are under repair, has been admittedly very great.

New Cushions fitted to old Tables on the new principle.
