

Council Chamber

ASYLUM PRESS.

THE COMMITTEE OF MANAGEMENT OF THE ASYLUM PRESS, hitherto connected with the Military Male Orphan Asylum, desire to announce that consequent on the amalgamation of the Military Male Orphan Asylum with the Lawrence Asylum at Ootacamund, and under the orders of Government, the Asylum Press will, from this date, take the name of

THE LAWRENCE ASYLUM PRESS

and will be conducted for the benefit of the Lawrence Asylum. The business will continue as heretofore under the supervision of Mr. Wm. Thomas, and will be mainly worked by Orphans of the Asylum, of whom not less than twelve ordinarily are being taught the printing trade.

The COMMITTEE earnestly appeal to the PUBLIC for a continuance and increase of the support which has enabled the Press in recent years to be a most important and valuable auxiliary of the Asylum. Every effort will be made to sustain the high character of the Press, and provide for the efficient execution of all orders for *Printing, Ruling, Book-binding, Copper-plate and Lithographic Printing.*

All Accounts due by, or to, the Asylum Press, will be paid or collected by the Lawrence Asylum Press.

W. T. MOOROGASA MOODELLAR AND CO.

ARMY SUPPLIERS,

POONAMALLEE ROAD, MADRAS.

NEXT TO MESSRS. RUNGI PILLAY & CO., COACH BUILDERS.

In returning thanks for all past favors, **W. T. M. & Co.** solicit the favor of further patronage of their Constituents and the Public, for the current year 1872, and they trust that they have hitherto rendered general satisfaction in the due fulfillment of all orders favored them by their zeal and careful attention to neatness, workmanship and punctuality, thus avoiding inconvenience to their Constituents, and they now have the pleasure to inform their Constituents, that they have obtained valuable Testimonials and letters of gratification from several of their Constituents, and an *Order of Government*; these and a few others expected, will be put in print in due course.

W. T. M. & Co. have with great expense and trouble, improved the process of manufacturing *Waterproof Cloth, Linen and Canvass*, and they are glad they have attained such experience that they can confidently affirm that their process is superior to any other production in the Madras Presidency; they consequently hope to procure a *Patent* in due course.

The Government having concurred with the favorable mention made by His Excellency the Commander-in-Chief of the Waterproof articles submitted by **W. T. M. & Co.**, after a severe test in the *Grand Arsenal, Fort Saint George*, have been pleased to extend their patronage to our Firm, as per *Proceedings of Government*, dated 10th May 1870, No. 1,325. The *Inspector-General of Ordnance and Magazines*, a gentleman of considerable experience, reported to Government in favorable terms of the quality and make of **Travers' Pattern Kit Bags**, manufactured by **W. T. M. & Co.**, and they now solicit the patronage of all Officers Commanding Corps, both European and Native, and the Public in general.

W. T. M. & Co. have in their former Advertisement referred to Colonel **E. A. B. Travers**, late Depy. Adj. General, Colonel **J. G. Touch**, Examiner Pay Department, Major **T. Dyer**, Brigade Major, Fort Saint George, and late Colonel **J. E. Robertson**, Adjutant General, for their good workmanship and punctuality, and they have since obtained the good-will of Brigadier General **W. G. Woods**, C. S. I., Officer Commanding Ceded Districts, and Colonel **P. B. Roe**, the late Adjutant General, who were satisfied with the zealous manner in which the business of our Firm is carried on.

The Advertiser.

The Waterproof material used by **W. T. M. & Co.**, for the Waterproof Caps and Coats at *Army Clothing Department*, was approved after six months' trial in preference to English Supply, which do not withstand this climate satisfactorily, and consequently **W. T. M. & Co.** had the honor of being ordered by the Superintendent and Agent Army Clothing for the manufacturing of Waterproof Coats for the use of H. M.'s Corps.

W. T. M. & Co. will be most happy to undertake orders to execute the undermentioned articles at the rates specified; half the value being advanced for the use of H. M.'s European and Native Regiments.

1. The rules under which the period of service required to entitle Officers to the retiring Regulations is calculated, are as follow:—

3. Officers appointed from Addiscombe subsequently to the 22nd November 1837 to the Cavalry, Artillery, or Infantry, count service as above, with the addition of the period passed at Addiscombe after attaining the age of sixteen.

4. Officers of Engineers count service from the date of arrival of the first Artillery or Infantry Cadet of the same examination, with the addition of the Addiscombe period as above. In the event of there being no such Artillery or Infantry Cadet they count service from the expiration of 4½ months from date of examination.

G. O. G. 11th June 1850,
No. 120.

G. O. G. 10th June 1852,

5. Officers appointed in India, count service from the date on which they take the oath of allegiance.

6. Medical Officers and Veterinary Surgeons count service from the date of arrival within the limits of the Madras Presidency.

7. Absence on sick certificate within the limits of India for periods not exceeding two years, successively, as also leave on private affairs beyond the limits of this Presidency, if for periods not exceeding three successive months, are counted in the time of service requisite to entitle to retiring Pay. G., 10th December 1861, No. 437.

8. But all Officers quitting India on leave of absence on account of sickness or of private affairs, who shall proceed to Europe without having returned to India, shall be considered as on furlough to Europe from the dates on which they shall have respectively left India.

9. Every Officer who has completed twenty-two years' service in India is allowed to retire with the pay of the rank to which he has attained, except Lieutenant Colonels of Artillery and Engineers, who being in the receipt of Major's pay are restricted to pension of latter rank.—G. O. G., 11th October 1852, No. 95.

10. All effective Officers, without reference to their actual rank, are allowed to retire.

Officers on producing the prescribed Medical Certificates, countersigned by the Commanding Officer, that they are compelled to quit the service by wounds received in action, or by ill-health contracted on active service, or on detachment or out-post, or any Military duty in notoriously unhealthy localities, after three years' service in India, are permitted to retire on the half pay of their rank.

This indulgence, however, can be granted only in England.—G. O. G., 19th April 1859, No. 153.

12. Officers who may be compelled to quit India on sick certificate and who may not be entitled to retire on full pay are to try the effects of a temperate climate for the usual term of furlough before they can be allowed to establish their claim to retire from the service upon half pay. If Officers so circumstanced, proceed to New South Wales, or some other Colony, and apply thence, at a proper time, for permission to retire, satisfactory evidence from the Medical Staff Officer, or other undoubted Medical testimony on the spot, to prove that the applicant is incapable from ill health to the performance of Military duty in India is necessary.

13. Veterinary Surgeons who have actually served seventeen years in India, or twenty years including a furlough of three years, may retire on 7s. per diem,—twenty-five years including a furlough of three years on 8s. per diem, thirty years including a furlough 12s. per diem. 21. Officers retiring in England from the service shall be considered to have retired from the date of their application for leave to retire, or from the expiration of two years and a half from the date of the commencement of their furlough, whichever shall first happen, from which dates respectively promotion caused thereby will be made.—G. O. G., 6th July 1859, No. 298.

The following Extract from General Orders by the Government of India is re-published:—

Fort William, the 10th March 1863, No. 255.

Good Service Pensions.

His Excellency the Governor General in Council has much satisfaction in publishing the following extracts from a Despatch from the Right Hon'ble the Secretary of State for India, No. 388, dated India Office, London, the 9th December 1864, sanctioning the establishment of good-service pensions in the Indian Army, as rewards for distinguished or meritorious services.

PARA. 1. I have considered in Council your Military Letter, No. 286, dated 13th August 1864, in which you suggest the establishment of a system of good-service pensions for Officers of the Indian Army, based upon that which has been adopted in Her Majesty's British Service.

2. The proposal of your Government is, that fifty such pensions of £100 per annum be given to the Indian Army, under certain conditions.

7. Her Majesty's Government, therefore, sanction the introduction of a system of good-service pensions in the Indian Army, under the following regulations:—

I. Fifty good-service pensions of £100 per annum will be distributed among the Officers of the several Staff Corps and of Her Majesty's Indian Army at the three Presidencies.

II. Officers of all ranks will be considered eligible for the pensions on the recommendation of the Government of the Presidency to which they belong, supported by that of the Government of India; but, except under very special circumstances, the grant will be restricted to Officers above the rank of Lieutenant.

III. The good-service pension will be given up by an Officer on resignation of the service, or on coming into the receipt of the Colonel's allowance; but an Officer placed on half-pay, or retiring upon full or half-pay pension, will retain the good-service pension in addition to such half-pay or pension.

IV. Ordinarily the good-service pension will be conferred upon Officers of the effective list; but Officers who may have been placed on half-pay, or who may have retired from the service on full or half-pay pension, will also be considered eligible for them.

V. On the nomination of any Officer to a good-service pension being sanctioned by the Secretary of State for India in Council, a Notification to that effect will be published in the "Gazette of India," specifying the Military services of the Officer.

Applications for Leave.

The attention of Officers Commanding Regiments is called to G. O. C. C. No. 21, dated 13th May 1857, requiring a note to the following effect to be entered at the foot of all applications for final or preparatory leave to Europe for Officers under their command:—

"The above Officer is considered qualified to take Command of drafts of European Recruits, or

" — to do duty with European Recruits," or
" — is not qualified to command or do duty with European Recruits."

2. On all occasions of Officers absent from their Regiments on *ordinary leave of absence in India, or on Staff employ* obtaining final or preparatory leave in General Orders to proceed to Europe, an immediate report of their qualifications to command or do duty with European Recruits on return to India, is to be made in one or other of the above terms by the *Officer Commanding their Regiment*, to the Adjutant General of the Army.

On all occasions of Officers being passed by the Presidency Board of Medical Officers for leave to Europe on sick certificate, a N. B. is to be entered at the foot of the proceedings, stating whether the Officer's state of health will admit of his being detailed for duty with Troops proceeding to England. And Officers who obtain leave on medical certificate are warned not to engage a passage to England privately until they ascertain that their services will not be required on public duty.

It having been brought to the notice of Government, that instances have recently occurred in which Military and Medical Officers in Civil employ have obtained leave to Europe through the Civil Department, the Governor in Council desires to call the attention of all Officers, to para. 10, Section XVIII of the General Regulations, and to G. O. G. dated 15th August 1854, No. 191, requiring all applications for leave to Europe to be submitted through His Excellency the Commander-in-Chief.

The Right Honorable the Governor in Council is pleased, in supersession of existing rules regarding the production of certificates of "No Demand" by Military Officers when about to proceed on leave beyond Sea, to promulgate the following rules for general observance:—

1. Every Military Officer whether Staff, Regimental, or in Civil employ, on applying for leave beyond Sea, whether to Europe or elsewhere, (leave under G. O. C. C. 2d July 1856, No. 34, excepted) will be required to submit with his application for leave, a report from one of the Officers noted in the margin, according to his Department, stating whether, with reference to the information before him, there is reason to require security as a special case on account of any doubtful items outstanding against the applicant, or because of any thing suspicious or extraordinary in the state of the applicant's accounts.

2. The reporting Officer must not delay his report in ordinary cases, by references to local Officers, as with a proper system of despatch and proper vigilance on his part, he ought, in all ordinary cases, to have the means of judging in his own office.

3. All Officers are reminded of the necessity of using every means in their power for the settlement of their accounts, in order to obviate inconvenience to themselves from any delay in the issue of the reports by the several Departments concerned.

Fort William, 17th July 1860.—No. 755 of 1860.—The following rules will have effect in modification of the existing Regulations on the subject:—

Officers proceeding on leave, on medical certificate, shall not be required to furnish No Demand Certificates or Security.

When an Officer in charge of cash or stores applies for leave on medical certificate, he shall be required to furnish a certificate from the Officer taking charge of his duties, that as far as can be ascertained, after careful examination, nothing irregular nor any known demands against him remain unadjusted in his office.

Officers applying for leave beyond Sea, on private affairs, shall be required, as at present, to furnish No Demand Certificates.

Officers, on leave, on medical certificate, intending to retire from the service, are to give the earliest intimation thereof to the Military Accountant through the Paymaster, so that the requisite No Demand Certificate may be prepared, as no retirement is permitted without such certificate is furnished.

No. 992 of 1868.—His Excellency the Governor General in Council is pleased to notify that, when Military Officers in civil employ shall apply for leave beyond India on medical certificate, the Accountant General of the Province in which they may be serving, and not the relieving Officer, will, on application, furnish the certificate prescribed in the 2nd paragraph of Government General Order No. 755, dated 17th July 1860, an extract from which is subjoined for facility of reference:—

"When an Officer in charge of cash or stores applies for leave on medical certificate, he shall be required to furnish a certificate from the Officer taking charge of his duties, that, as far as can be ascertained after careful examination, nothing irregular nor any known demands against him remain unadjusted in his office."

Simla, the 20th October 1871.—No. 923 of 1871.—The Right Honorable the Governor-General in Council is pleased to decide that for the future, military officers in civil employ proceeding on leave of any description, will not be required to obtain No Demand Certificates from either the Civil or Military Account Department, but No Demand Certificates will, as heretofore, be required from officers in military employ applying for furlough or leave out of India on private affairs.

The following Extracts from General Orders by the Government of India are republished:—

Fort William, the 11th January 1869.

No. 34 of 1869.—With the view of preventing the inconvenience which frequently results from the irregular manner in which applications for furlough to Europe from Officers serving under the several Local Governments and Administrations are submitted for the sanction of the Government of India, and from their being unaccompanied by the statements of service and certificates required by the regulations, the following rules are published for the guidance of all concerned.

2. The Local Government or Administration, or Department, under which the Officer is serving will forward the application in duplicate for furlough to Europe on private affairs to the Adjutant General for submission to the Government of India in the Military Department, and on sanction being accorded, an intimation to that effect, or an extract General Order, will be sent by the Military Department to the Local Government or Government Department, which will then grant the usual preparatory leave to the port of embarkation. Officers serving out of their own Presidencies will submit their applications for furlough on private affairs to the Government of their own Presidency, through the Government or Administration under which they may be serving.

3. Officers are recommended not to defer submitting their applications to the last moment, as they are on no account to be permitted to leave their stations until they have been officially informed that the furlough has been sanctioned.

4. Care is to be taken that applications are accompanied by the prescribed documents, in duplicate, as specified below:—

1. A certificate of no-demands from the Presidency Paymaster, countersigned by the Military Accountant, or by a guarantee from some respectable person or Agent. Officers should, as early as possible, apply to the Presidency Paymaster for the necessary "no-demand" certificate, countersigned by the proper authorities, at the same time furnishing that Officer with a similar certificate from the Paymaster by whom they were last paid, without which the Presidency Paymaster cannot grant his no-demand certificate.

The following is the form of guarantee required in lieu of a no-demand certificate:—

To the Secretary to the Government of India, Military Department.

Sir,—In lieu of the prescribed no-demand certificate, I (or we) hold myself (or ourselves) responsible to the Government for any public demand or demands that may arise against (name and corps) in the event of his being permitted to proceed to (place of leave or furlough).

I (or we have, &c.)

(Place and date.)

Signature.

In the case of an Officer serving in the Public Works Department, the no-demand certificate will be furnished by the Public Works Controller of Accounts of the province in which he may be serving. G. O. G. No. 891, dated 24th October 1866.

In addition to the no-demand certificate, an Officer in Civil or Political employ must produce an acquittance from the Civil Branch of the Office of Account of the Presidency, or Local Government under which he may be serving, or to which he may be responsible.

- G. O. G. 8th March 1861, No. 50. Leave of absence, preparatory to furlough, whether on private affairs or on sick certificate, must always be *general*, and not *privilege* leave.
- G. O. G. 10th Dec. 1861, No. 436. With reference to G. O. G., No. 53, dated 3d February 1860, the Governor in Council directs that, in future, in accordance with the practice in Bengal, leave of absence preparatory to retiring from the service shall always be *general*, and not *privilege* leave.
- The following Extracts from a Military letter from the Government of India, No. 930, dated 23rd November 1861, are published for general information:—
- "Though an Officer taking privilege leave may proceed wherever he may desire, he cannot proceed to such a distance as must preclude the possibility of his rejoining within the period of such leave. This as privilege leave, under Military rules, is limited to sixty days, and it is impossible, under existing arrangements for transit, to visit Europe and return thence within that period, an Officer cannot go to England on privilege leave on Military rules."
- "Government alone can grant an Officer leave to visit Europe."
- By order of His Excellency the Commander-in-Chief,
- W. G. WOODS, Lieut. Col., *Adjutant General of the Army.*
- G. O. G. 12th June 1866, No. 229. Under instructions from the Government of India, the Right Honourable the Governor in Council directs the discontinuance from this date of the practice in this Presidency of granting privilege and general leave conjointly; and that in assimilation with the practice in the Bengal and Bombay Presidencies, no extension of leave, whether on private affairs or medical certificate, be granted to an Officer already on privilege leave except when unexpected circumstances render such extension either *very desirable* or *necessary*. In such cases the absentees will not forfeit any of the advantages of his privilege leave.

Furlough Regulations of 1854.

1. All Officers, Staff as well as Regimental, also Military Officers in Civil employ, must declare their choice of rules on the first occasion of taking leave, whether the leave be in India or elsewhere, and if the leave applied for be in India under the local rules, Staff Officers may make choice of the old Regulations, still retaining their Staff appointments, but, after having elected the Old Regulations, they vacate their appointments on embarking for Europe or the Cape or elsewhere beyond Sea, except for short periods not exceeding three months under rule 39. Note.—Applications for leave to have a N. B. to the following effect.

N. B.—This being the first occasion of applying for leave since the publication of G. O. C. C. 9th "December 1854, No. 98, Captain A. B. makes choice of the Old Furlough Regulations," or (of the regulations of 1854) as the case may be.

Or
N. B.—"Captain A. B. has on a prior occasion made election of the Old Furlough Regulations," or the regulations of 1854 as the case may be.

2. An Officer having made election of the Old Furlough Regulations while doing Regimental duty, cannot change to the Regulations of 1854 on subsequently obtaining a Staff appointment, G. O. C. C. 18th November 1856, No. 92.

3. To those Officers who adopt them, the New Regulations will apply retrospectively in respect of furlough and leave of absence beyond Sea, and in computing their time of service for retirement, so that their furloughs or leaves of absence, whether under the old or the new rules, and whether on private affairs or sick certificate within or beyond India, will count for service to the authorized extent only, in computing the time for retirement on full pay.

4. Officers who have availed themselves of the option of the old rules, are allowed to re-consider the question under the modifications now sanctioned.

5. Officers who have not taken leave subsequent to the publication of the new rules on the 1st February 1854, and who consequently may not have been called upon to declare whether they would abide by the old or the new Regulations, will, on retirement from the service, be entitled to take full advantage of the privileges given by the new Regulations.

Furloughs on Private Affairs.

6. Every Officer will be allowed a furlough to Europe, or elsewhere, beyond Sea, for a period of two years, at the expiration of ten years' service, and for a second period of two years after twenty years' service in India. (Period passed at Addiscombe College not to count.) An Officer proceeding on leave to England for six months, retaining his appointment or otherwise, is not to be considered as having taken his authorized furlough after ten or twenty years, as the case may be, but may, with permission of Government be allowed at any time to take the remainder of the two years authorized furlough on private affairs.—G. O. G. 1st April 1856, No. 102.

7. The second furlough of two years will only be granted after ten years' service in India, from the date of the return to duty after the first furlough of two years. These furloughs are not to be cumulative, under any circumstances, but are limited to two years. Officers who have taken leave of absence on sick certificate to Europe or elsewhere beyond Sea, will be ineligible to a furlough on private affairs until they have served six years from their last return to duty. This rule does not apply to short leave to sea. Officers who take their first furlough after twenty years' service in India, may take their second furlough after an additional service of five years from the date of their last return to duty.—G. O. G. 1st July 1856, No. 211.

An Officer of upwards of 20 years' service, but who before completing that period has enjoyed a furlough on private affairs to Europe, for say four years, for three of which he drew pay, has a claim to a second furlough of one year with pay, on the completion of ten years from the date of his return to duty, but, if subsequently to his return from furlough, he has taken leave out

of India on S. C. his second furlough on private affairs will not be claimable till the expiration of six years from return to duty from such sick leave as well as ten years from the date of return to duty from furlough on private affairs.

N. B.—This rule is not applicable to an Officer who takes his first furlough out of India after completing twenty years' service.

* Madras G. O. G., 5th May 1865, No. 170.

Officers who have proceeded on sick leave to Europe after a period of twenty years' service, it being the first time of their quitting India, can, as in the case of Officers who take their furlough after the same period, take a furlough on private affairs after five years from the date of their return to duty.—G. O. C. C., 18th November 1856, No. 92.

Fort William, the 29th January 1856.

No. 102 of 1866.—The following Military letter from the Right Hon'ble the Secretary of State for India, No. 362, dated 8th December 1865, is published for general information:—

MILITARY, No. 362. INDIA OFFICE, London, 8th December 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—In your Military letter dated 20th September last, No. 103, you refer for my decision a question what has arisen whether leave taken on private affairs without pay out of India, counts as part of the 6 years required before an Officer can obtain furlough after return to duty.

2. From the case which gives rise to the enquiry, I presume the question relates only to Clause 7 of the Furlough Rules, published in Orders by your Government on 17th November 1854, part of which is as follows:—

"Officers who have taken leave of absence on sick certificate to Europe or elsewhere beyond sea, will be ineligible to a furlough on private affairs until they shall have served six years from their last return to duty. This rule does not apply to short leaves to sea."

3. Clause 6 of the same rules states that every Officer will be allowed a furlough to Europe or elsewhere beyond sea for a period of two years at the expiration of ten years' service, and a second period of two years after twenty years' service in India.

4. It was decided by the Court of Directors in the year 1856, that an Officer who had proceeded on leave to England for six months was not to be considered as having taken his authorized furlough after ten or twenty years, as the case might be; but that he might, with the permission of Government, take at any time the remainder of the two years' authorized furlough on private affairs.

5. The Court of Directors also ruled that absence for six months under Clause 9 did not preclude an Officer from taking his furlough to Europe after ten years' service.

6. It appears to me that the principle of these decisions may be applied to the present question; and absence to Europe on private affairs for six months, and all extensions of such leave granted in that country under special circumstances and without pay, may be permitted to reckon as part of the six years required to be served after return from leave on medical certificate to entitle an Officer to his furlough on private affairs.

No. 1244 of 1869, Fort William, the 15th December 1869.—In continuation of G. O. G. No. 1131* of the 1st December 1868 and under the authority of the Right Honourable the Secretary of State for India, it is hereby notified that the rules laid down in the furlough regulations specified in the margin, which in the former require a period of ten

Regulations of 1854—G. O. G. No. 1150 of 1851, paragraph 7.

Regulations of 1868—G. O. G. No. 1064 of 1868, Rule VIII.

or six years, and in the latter a period of three years, to be completed after return from last furlough before an Officer can be held eligible to a fresh furlough on private affairs, do not apply to the case of a General Officer of the Staff Corps or of the local service who may be unemployed.—Madras G. O. G. 15th December 1868, No. 450.

8. All grants of furlough on private affairs are subject to the exigencies of the Public Service, and to the Regulations framed for the preservation of the efficiency of each Regiment by limiting the number of absentees.

9. Officers holding Staff or other detached appointments may be allowed furlough for a period of six months without losing their appointments; but during that period, they will not be entitled to any portion of their Staff salary, which will be drawn in full by the Officers officiating for them. Absence for six months under this rule does not preclude an Officer from taking his furlough to Europe after ten years' service.—G. O. G. 1st July 1856, No. 211.

G. O. G. 25th May 1860, No. 216. 9. Officers who have come to this country on duty with discharged Troops, and have been granted extensions, (not exceeding six months) of their privilege leave on medical certificate, or on private affairs, shall not be considered to have vitiated their claim to Furlough at the end of ten years' service, though they may not have been six years in India since their return from this country.

G. O. G. 26th June 1860, No. 250. Para. 4. I have to inform you that it has been decided that those Officers who have been allowed to count their leave on sick certificate, as service for pension, will be ineligible to a furlough on private affairs, until they have served six years in India from the date of their return to duty. Vide Rule 7.

N. B.—A number of Recruits having been enlisted for the Royal Artillery, for service in India, it has been deemed expedient that a certain proportion of Officers of the Bengal, Madras, and Bombay Artillery should be appointed to do duty with them at the Royal Artillery Depot at Woolwich, until the next season of embarkation, and that some of these Officers should then proceed with the drafts to India.

These Officers will be entitled to count the time passed at Woolwich as service in India, and if they proceed with Recruits, the period occupied by the voyage. The Officers returning with Recruits will be allowed to count the period passed by them on duty at Woolwich, and on the voyage, as part of the qualifying period necessary for them to serve in India before they are again entitled to a furlough to Europe.

No. 565 of 1861.—His Excellency the Governor General in Council is pleased to resolve that absence from India, on authorized leave within the periods allowed by the new furlough Regulations, shall not debar an Officer whose efficiency has been proved and certified to the full satisfaction of the Governor in Council from Departmental promotion, temporary or permanent.

In such cases the absent Officer will not, till he resume charge of his duties, have any claim to the salary of the higher office, which will be drawn by the acting Officer.

Your Military letter dated 20th February, No. 73, transmits, with your favorable recommendation, correspondence relative to an application from Lieutenant Colonel J. McK. Taylor, Commanding 2nd Regiment, Bombay Light Cavalry, praying that the furlough Regulations may be so far modified as to allow Officers who have taken only one furlough during twenty-seven years' service to take a second furlough, after the expiration of that time, without being compelled to serve ten years from date of return to duty.

2. Under a decision of the Court of Directors, under date the 25th April 1856, No. 58, Officers who take their first furlough after twenty years' service in India, may take a second furlough after a service of five years, from date of last return to duty, or, on completion of twenty-seven years' service in India.

G. O. G.
21st June 1864,
No. 231.

3. In the present case, it appears that Lieutenant Colonel Taylor took his first furlough after a service of eighteen and a half years. Under present rules he cannot obtain a second furlough until the expiration of ten years, from date of return to duty, by which time he will have completed a service of upwards of thirty years.

4. I have no objection to the modification of the Furlough Regulations suggested by your Government in favor of Lieutenant Colonel Taylor and other Officers similarly circumstanced, on the understanding, however, that this is not to affect the Rule under which an Officer who takes his first furlough after twenty years' service, or upwards, must serve a period of five years, from date of last return to duty, before he is to be held entitled to a second furlough.

G. O. G.,
No. 350,
15th Oct. 1861.

2. The privilege of retaining appointments during periods of absence not exceeding twenty months, as announced in my Despatch, dated 18th January last, applies only to Officers returning to this country on medical certificate. It was intended as an extension of the privilege of fifteen months' leave allowed by the new furlough Regulations to Staff Officers quitting India on account of the state of their health. With this exception Officers of the Staff Corps, it was stated, would be under the new furlough Regulations. By these Regulations, furlough on private affairs with retention of Staff appointments is restricted to six months.

3. The furlough on private affairs of the Officers of the Staff Corps, with the right of retaining appointments, is to be limited to the same period.

An Officer must have served ten years in India to entitle him to return to this country on private affairs for six months, retaining his appointment and drawing furlough pay.

An Officer who has taken the furlough to Europe for two years, after ten years' service, must show a service in India from date of return of ten years, to entitle him to return to Europe on private affairs for six months, retaining his appointment and drawing furlough pay.

G. O. G.
14th April 1863,
No. 127.

An Officer having taken shorter leaves of absence as a Staff Officer (six months on private affairs fifteen or twenty months on sick certificate) with retention of appointment may take a second leave of absence, retaining his appointment on sick certificate after he has been three years, or on private affairs, after he has been six years in his discharge of the duties of his appointment, from the date of last return to it.

This decision should not be allowed to interfere with the practice which has been followed under the Regulations of 1854, and those in force previously, for permitting Officers in certain cases of emergency to return to this country on private affairs for short periods without pay, and that a Staff Corps Officer permitted to return to Europe under such circumstances should be allowed to hold his appointment for a period not exceeding six months. In fact, this has already been authorized in Question and Answer No. 121, which states that the Government may grant leave of absence for six months on urgent private affairs without pay and allowance to a Staff Corps Officer, with retention of appointment, on being satisfied of the urgency of the case.

I am of opinion also that Staff Officers not members of the Staff Corps should be allowed a similar indulgence under like circumstances.

G. O. G.
28th Aug. 1863,
No. 304.

Regarding the mode of reckoning the service of an Officer of the Staff Corps formerly under the old furlough Regulations, as regards future furloughs such Officers will be under the operations of Clause 7 of the furlough rules of 1854.

10. All Officers, whether Staff or Regimental, while on furlough on private affairs, will be entitled to "furlough pay" only.

Leave of absence on Sick Certificate.

11. Leave of absence on sick certificate will be granted for a term not exceeding twenty months, whether it be to any place in Europe or elsewhere out of India.

12. Extensions of such leave may be granted, as at present, on production of medical certificates for further periods not exceeding sixteen months in the whole.

With reference to para. 13. No. 1884.—The grant of leave of absence to Staff Officers, on medical certificate, with half Staff allowances, for six months, and with the privilege of returning to their offices, if their absence from India be not prolonged beyond fifteen months, is bestowed by the Honorable Court, in order to enable such Officers to regain their health, and in the expectation, that they will be thereby qualified to render additional service to the Government. But if leave of absence be taken merely to run out a prescribed period of service, and without any intention of returning to duty, the principle on which the rule is founded is infringed, and the indulgence of the Honorable Court is abused; wherefore the Right Honorable the Governor General in Council hereby notifies for general information, that, if there be an avowed intention on the part of an Officer not to return to duty, or if the Government have valid grounds for concluding that the Officer has no intention to return to duty, the indulgence of leave on sick certificate, retaining office, will not be granted in future.

G. O. G.
15th April 1856,
No. 119.

The foregoing was declared in a Notification, No. 2123, dated 16th April 1856, republished in G. O. G. 2d May 1856, No. 133, to be applicable to all Military Officers holding Political or Civil appointments, either under the Government of India or under any of the Subordinate Governments.

13. An Officer holding a Staff or other detached appointment will be allowed to be absent on sick certificate in England or elsewhere, beyond Sea for a period of twenty months, without losing his appointment; and, during the first six months only of such absence, he will be entitled to

G. O. C. C.
18th Nov. 1856,
No. 72.

With reference to paras. 13 and 16. 6. If an Officer, having proceeded to India on medical certificate and enjoyed the indulgence to the full extent, proceeds on leave on medical certificate out of India without having returned to duty, the existing Regulation which precludes receipt of Indian allowances for a longer period than two years of continuous absence from duty, is a bar to his drawing Indian allowances for the first six months or for any part of his fresh leave.

G. O. G.
16th Sept. 1853,
No. 350.

3. The new furlough Regulations made no alteration in the old rules governing the resumption of Staff allowances on return to duty. Under those rules an Officer who had ceased, prior to his return, to be entitled to Staff allowances, could not draw any portion of them from an earlier date than that of his resumption of his Staff duties. We think it undesirable to make any change in this respect.

14. An Officer's claim to half Staff salary for six months, as sanctioned in the preceding rule, will not be affected by his subsequently retiring from the service in Europe or elsewhere.

15. No portion of Command allowance, Medical Staff salary or other similar allowance, which under the old rules was inadmissible to Officers absent from their Corps or Stations at the Cape or elsewhere, will be allowed to absent Officers under these Regulations.

16. * All Officers, whether Staff or Regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian Pay and Allowances as was allowed under the old Regulations to Officers proceeding to the Cape on medical certificate, and for the remaining period of their leave they will receive furlough pay only.

17. If the leave on sick certificate be extended, furlough pay will be continued, but under no circumstances for a longer period than three years altogether from the commencement of the absence.

Staff Officers.

18. The term Staff Officer applies to all Officers holding Staff or Detached appointments, Military, (General or Regimental,) Political or Civil, also to General Officers Commanding Divisions, Inspectors or Deputy Inspectors General of Hospitals and others who, under the old rules, were entitled to draw half Staff allowance when absent at the Cape.

19. Staff Officers, absent on leave beyond the periods stated in Rules 9 and 13 respectively, cannot retain their appointments and allowances except on special grounds, to be sanctioned by the Government.

G. O. C. C.
2d October 1856,
No. 72.

1. The new furlough Regulations are held, not to affect the rules heretofore in force with respect to leave in India, and consequently a Staff Officer obtaining leave of absence in India on private affairs for six months, or on medical certificate for two years, retains during such absence a moiety of his Staff salary as sanctioned by the Regulations for the grant of leave in India which are still in force.

2. A Staff, as well as a Regimental Officer is required, when first applying for leave, whether in or out of India, to declare by which of the furlough Regulations he wishes to abide. A Staff Officer having made his election can take his leave in India as above stated, and should he afterwards require to proceed to England, the retention or otherwise of his appointment will depend upon which of the rules he first elected, and from which he cannot afterwards change.

3. In the event of a Staff Officer electing the new furlough Regulations and taking leave in India, the whole of the leave he has previously enjoyed from the date of his entering the service, excepting the periods allowed by those rules to reckon as service, must be reckoned against his period of service for retirement.

Having considered in Council your Despatch, No. 25, dated 11th February 1859, soliciting instructions as to what may be admitted as special grounds for permitting a Staff Officer, absent on medical certificate, to retain his appointment for any period beyond twenty (20) months, I have to express the desire of Her Majesty's Government that this indulgence should be very rarely granted, and only in cases where it is important on public grounds to retain an Officer's services in a particular appointment, or where the distinguished services of an Officer may entitle him to special consideration.

The concession of leave to Europe in the case of a General Officer is to be considered the exception and not the rule; and, as ground for obtaining such leave, it must be shown that the Officer has contracted illness from the effects of climate, or of wounds received on service in India, or that the nature of the private affairs taking him from India is of a very urgent nature.

Leave on medical certificate will be restricted to six months, and on private affairs to four months, the penalty of exceeding such period being the vacation of the Command, and in no case will a General Officer be allowed more than one grant of leave out of India during his tour on the Staff.

The position of Brigadiers being considered analogous to that of General Officers on the Staff, the principle upon which the indulgence of leave is to be granted will hereafter be the same in both cases.

No. 1161 of 1868.—His Excellency the Governor General in Council is pleased to direct the publication, for general information and guidance, of the following Military letter from the Right Hon'ble the Secretary of State for India:—

INDIA OFFICE, London, 31st October 1868.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—As it appears from recent circumstances that an impression exists in India that Officers Commanding Divisions and Brigades whose leave of absence on sick certificate with retention of appointment is limited to six months, and who may come to this country for that period, are not required to produce evidence of physical fitness for duty before being allowed to return to India, I request that you will notify to the Army at large that all Officers, however employed, and whatever may be the amount of leave granted them, who leave India on sick certificate, are required to produce a certificate of fitness for duty before they can be allowed to return.

I have, &c., (Signed) STAFFORD H. NORTHCOTE.

* Vide margin of Rule 9.

No. 89 of 1863.—The following paragraph of a Military letter from the Right Hon'ble the Secretary of State for India, No. 439, dated 16th December last, is published for general information:—

G. O. G.
17th Feb. 1863,
No. 28.

Para. 12.—In future when Officers holding Staff appointments are granted leave of absence on sick certificate for any term short of twenty months, I shall extend their leave to that period, on their producing the required certificate, with the retention of their appointments, without requiring them to apply to your Government on the subject.

20. The privilege of retaining Staff appointments during leave of absence on sick certificate, or on furlough on private affairs, will not be available a second time, if the fresh leave is on sick certificate, until an Officer has been three years, or if on private affairs, until he has been six years in the discharge of the duties of his appointment, from the date of last return to it.

"An Officer who has returned from Europe or from Sea, but not as a Staff Officer, i. e. who did not proceed to Europe as a Staff Officer with the attendant privileges, and is subsequently nominated to a Staff situation, and in less than three years from the date of his last return to duty, proceeds on such leave to Europe or to Sea, would not be required to vacate his appointment, with advertence to para. 20 of the new furlough Regulations."

The following Military letter from the Right Hon'ble the Secretary of State for India, is published for general information:—
MILITARY, No. 119.

INDIA OFFICE, London, 30th April 1868.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR.—It has been brought to my notice that Officers of the Indian Service promoted to the rank of General Officers, and frequently thrown out of active employment for a season by such promotion, are, if residing unemployed in India, entitled to count such residence as service for pension, but if residing out of India, they come under the rules applicable in this respect to Officers on leave.

G. O. G.
19th June 1863,
No. 232.

2. I do not consider, under the altered circumstances of the Indian Service, that this distinction should be maintained, and I have determined therefore, that Officers on attaining to the rank of Major General shall reckon the whole of their service on the effective list, whether employed or unemployed, as service for pension, wherever they may choose to reside.

3. This ruling will take retrospective effect in the case of Officers retiring from the service hereafter.

I have, &c.,
(Signed) STAFFORD H. NORTHCOTE.

21. This rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs in India, or for brief periods not exceeding three months, to Ceylon, the Mauritius, or other places out of India.

22. Officers Commanding Troops of Horse Artillery and Light Field Batteries, and Officers generally in employment, will be allowed leave out of India under the same rules with respect to allowances and tenure of command or office as regulated the grant of leave to the Cape to such Officers under the old Regulations, except as to the duration of those advantages, the time for their continuance being subject to the provisions of the new Regulations.

Date of Furlough and Advances of Pay.

23. The period of furlough on private affairs, or leave of absence on sick certificate, is to be calculated from the date of the departure from India of the ship in which the Officer proceeds.

N. B.—When an Officer is granted permission to return to his duty by a particular ship, it is equivalent to granting him an extension of leave until the arrival of that ship in India.—G. O. G. 15th August 1862.

24. Advances of pay and allowances, Staff and Regimental, to Officers proceeding on leave of absence on sick certificate, who may be entitled to them, will be made if desired in India for three months from date of embarkation. Payments in continuation will be made in England at the rates of exchange fixed annually for re-payment of advances made on account of Her Majesty's Government. Furlough pay will continue to be issued in advance for six months when required by Officers obtaining furlough on private affairs.

1st.—It is the duty of an Officer before leaving India to obtain his last Pay Certificate; he should therefore at the time of applying for leave address the Deputy Paymaster in whose Circle of payment he may be, with a request that his accounts may be adjusted, and at the port of embarkation he should apply at the Pay Office for a last Pay Certificate. In the event of his not being able from any cause to obtain this certificate, he should address the Military Accountant on the subject, and that Officer will investigate the circumstances of the case and submit a report thereon to the Military Finance Department for transmission to Government.

2nd.—In cases in which Officers return Home "for Residue of furlough," the period remaining unexpired should be stated in their papers by the Pay Department.

3rd.—The Right Honorable the Secretary of State for India having observed, in his letter No. 497, dated the 31st December 1861, paragraph 10, that "the final settlement of all pay and allowances issued to an Officer prior to his quitting India, whether in advance or otherwise, is invariably left to the authorities in India, it will not be necessary for the Officers of the Pay Department in future to call upon Officers on furlough in England, who, on promotion, may apply to India for an adjustment of pay (for the period issued to them prior to their leaving this country) to furnish a certificate under the signature of the authorities at the India Office to the effect that no such adjustment has been made by them.

4th.—This order is applicable to the three Presidencies, and will have effect from this date.

G. O. G.
14th May 1862,
No. 191.

No. 750 of 1862.—His Excellency the Governor General in Council is pleased to extend to Officers on leave the rule which permits Officers of one Presidency, when absent on duty, to draw their pay and allowances from the Pay authorities of any other Presidency at which they may be residing, and to lay down the following rules for future guidance:—

Officers of one Presidency may draw advances on account of their pay and allowances which have become due from Paymasters at any other Presidency at which they may be residing, whether on duty or on leave on medical certificate or private affairs.

Officers so situated must furnish, with their Bills, a last Pay Certificate from their own Presidencies, showing specifically the sum to be deducted and the amount to which entitled, and also indicate the General Order or other authority under which they are absent.

These rules are also applicable to cases of Officers embarking for Europe from any other than their own Presidencies, and who may be entitled, under the furlough Regulations, to advances of pay and allowances.

In cases of Staff Officers so situated their last Pay Certificates are to specify clearly the amount of half Staff salary to which they may be entitled during their leave.

In case of emergency, when last Pay Certificates cannot be produced, advances on account of unadjusted arrears of pay may be made on good security for the amount being furnished.

Bills for any admissible passage money are to be supported by a sufficient Guarantee from the Agents of the Ship or other parties, that half the passage money will be refunded in the event of the Officer dying after engagement of his passage, or before the vessel puts to sea.

Paymasters making advances under these rules are invariably to record the same on the back of the last Pay Certificate, and will make the necessary communication to the Paymaster of the other Presidency concerned with the least possible delay, and if Security be taken, it is also to be noted on the Pay Certificate.

If proof be forthcoming that an Officer has already furnished Security at his own Presidency for any demands on the part of Government which may arise, fresh Security is not to be required by Paymasters of any other Presidencies.

All over-drawings or short charges will always be adjusted by the Pay authorities of the Presidency to which the Drawing Officers may belong.

All other orders on this subject at the three Presidencies are hereby superseded.

25. The existing Regulations regarding Passage Money to Officers are not affected by these rules.

G. O. G. No. 1069 of 3rd December 1866.—With the view of encouraging the study of the Native languages, it is hereby notified, for general information, that extended periods of leave to visit the Presidency, without loss of service, will be granted under the following conditions to Officers of the Army who pass successful examinations in the tests prescribed in Government General Order, No. 734 of 1864:—

1st.—Officers who pass an examination according to the second standard will be allowed to reckon as duty the period of their absence to the extent of (6) six months.

2nd.—To Officers who pass a successful examination in the languages defined in Rule VIII of the Government General Order quoted above, a further period of six months' leave will be granted without loss of service.

3rd.—Candidates who may obtain certificates of High Proficiency, under the operation of Rule XII, will be allowed leave of absence to the extent of 18 months in the aggregate.

4th.—And candidates who obtain Degrees of Honor, under the terms prescribed in Rule XV, shall be permitted to reckon as service the period of their absence to the extent of two years.

2. To insure, however, that the time of the candidates is not misapplied, it must be clearly understood that they shall pass successful examinations according to the different tests within the prescribed periods.

3.—The foregoing rules are to be in supersession of all previous regulations on this subject.

G. O. G. No. 29 of 23rd January 1867.—In modification of Government General Order, No. 941 of 1861, His Excellency the Governor General in Council is pleased to prescribe the following Rules, under which Officers may draw pay and allowances through their Agents in India when on leave beyond the limits of their own Presidencies:—

I. Officers proceeding on leave for any period under the old furlough rules, beyond the limits of their own Presidencies, will be permitted to draw their pay and allowances through their Agents, on the latter furnishing a satisfactory guarantee for the refund of over-payments.

II. The guarantee must be attached to the application of the Officer for permission to draw his pay in India, which must be submitted through the Pay Master, to be forwarded to the Controller of Military Accounts, who will grant the authority to the Agent to draw the pay monthly as it becomes due.

III. The guarantee is to be in the following form, and must bear a stamp according to the scale noted at the foot thereof, in order to cover any possible amount to be retrenched:—

Form of Guarantee to be furnished by Agents of Officers proceeding on leave beyond the limits of their own Presidency, to accompany applications of Officers to draw their pay and allowances in India during absence.

We, _____

Agents of _____

do hereby engage, in the event of our being permitted to draw the pay and allowances of our constituent during his authorized absence from the Presidency, to repay such part of the amount as he may not be entitled to in case of death, as also such sums, with retrospective effect, as our constituent may become liable for, by his bringing himself upon furlough pay from the date of quitting his own Presidency by any of the following acts:—

1. By overstaying the leave to sea for two years on medical certificate, or for six months on private affairs, which he may have obtained under the old furlough rules.

2. By proceeding to England from the leave aforesaid under the old furlough rules, without having returned to his own Presidency.

26. The certificates issued to Officers who are granted furloughs on private affairs, or leave of absence on sick certificate, are to specify the time each Officer has been absent on leave within Indian limits, as well as the time of his previous absence in Europe; but will not include the periods allowed for proceeding to the Presidency or port of embarkation, and to enable Officers to rejoin their Regiments or stations, after their return to India, nor the leave of one month's absence in six months as authorized by the Regulations. "Short leaves on private affairs for periods not exceeding thirty days, which have been granted to Officers in General Orders, previously to 1st December 1854, are to be counted as 'privileged,' provided they do not exceed an aggregate of thirty days in each half year."

"Should an Officer who is on privilege leave not rejoin his Corps, but be absent in continuation, on not more than five months' leave on private affairs, or one year and eleven months' leave on medical certificate, he will retain his full salary or allowances for the thirty days of privilege leave, which will also count as service, but he will, nevertheless, forfeit all Military allowances on completing six months or two years' absence, (as the case may be) reckoned from the date that he quitted his Corps and station."

5. In calculating the period of an Officer's absence on furlough in India, the day of departure from a Regiment or appointment is to be reckoned as one of leave, and the day of return thereto as one of duty. In like manner as respects furlough beyond India, the date on which the vessel conveying the Officer from India puts out to sea, is to be reckoned as one of furlough and the day on which he returns to his Presidency as one of duty.

9. An Officer entering the service and obtaining leave to visit a station not the Headquarters of his Regiment and to join the Corps to which he is posted, and who actually does join within the period sanctioned by Regulation for the purpose of joining by the direct route, is allowed to reckon such leave as service for pension.

G. O. C. C.
8th Nov. 1856,
No. 22.

The principle of this rule is applicable to Officers who on return from leave out of India are allowed to visit a station out of the direct route to the station to which they belong.

10. Leave for one month, granted to Officers in Civil employ under Section XI (amended) old Civil Service Absentee Regulations, is not to be deducted from service, it being considered in the leave granted to Military Officers.

11. The period during which Officers may have been or may hereafter be absent on leave for the purpose of accompanying Insane or Sick Officers is allowed to count as service for pension.

12. If an Officer is placed on duty while on leave of absence whether on medical certificate or private affairs he will be allowed to count as service for pension the whole period he may be so employed, i. e., from the date of the order nominating him to such duty to the date of the order relieving him, both inclusive.

G. O. G.
2nd Feb. 1861,
No. 45.

4. In accordance with the principle laid down in the 65th paragraph of the General Order of the 10th April 1861, Officers of the new Brigades of Artillery and new Line Regiments ordered to do duty at the Regimental Depot, or with Drafts on the voyage to India, will reckon such duty as service in India for retiring pension. Those doing duty under any other circumstances in this country, will reckon such service in the proportion of one year for two.

Officers of H. M.'s Services.

27. Officers of Her Majesty's Service in India, whether employed Regimentally or in Staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

28. In the case of Officers of Her Majesty's Service on furlough on sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

13. An Officer returning from Europe or Sea is allowed to count as service 15 days for preparation at the port of debarkation and marching distance to his Corps or Department in addition.

14. An Officer going to Europe or Sea is allowed to count as service in addition to marching distance to the Presidency or nearest port of embarkation, the same period for preparation prior to embarkation as allowed to Officers returning from Europe, viz. 15 days.

15. Officers obtaining leave preparatory to final leave out of India, but who after arriving at the Presidency or other port of embarkation abandon their intention of leaving the country, cannot reckon as service the period they may have been absent from duty on such preparatory leave which then assumes the nature of ordinary leave in India.

16. An Officer who proceeds on furlough to the Presidency or other port, (not preparatory to applying for leave to proceed to Europe or elsewhere) and while there obtains a sick certificate to Europe or other place out of India, is not entitled to count as service the pe-

ing to England on sick certificate is to specify the rate of Regimental pay and allowances and Staff salary to which they would have been entitled under the old Regulations if proceeding to Sea on medical certificate.

This information is necessary in order that no difficulty may arise in the Pay Department of the India House in adjusting the several payments which may be due.

Periods of absence allowed to be counted as Service for Retiring Pensions.

29. In order that all Officers quitting India on furlough, or sick certificate, may be placed on an exact equality as regards loss of time, the period allowed by Regulation for proceeding to the Presidency or to

the nearest port of embarkation, or appointment to the port of embarkation; but he can reckon as service the period of 15 days allowed at the Presidency or port of embarkation preparatory to embarkation.

17. If instead of being at the port of embarkation, he is at another port, or at an inland station, when he obtains the sick certificate to quit India, he will be allowed the time authorized for travelling from the station at which he may be when he obtains his sick certificate, to the port of embarkation.

18. If an Officer while absent on ordinary sick certificate in India, quits India on sick certificate, or, who having proceeded on ordinary leave on private affairs in India obtains a furlough out of India, he is entitled to count as service the period allowed for proceeding from the place at which he may be when he obtains leave to quit India, to the port where he ultimately embarks.

Simla, 22nd September 1864.

No. 774 of 1864.—Having taken into consideration the existing facilities for travelling, which are steadily increasing, His Excellency the Governor General in Council is of opinion, that the rules now in force for regulating the periods allowed to Officers and others proceeding, in ordinary course, from one station to another, are no longer suitable or adapted to meet the interests of the service or the general convenience of Officers.

2. G. O. No. 770 of 14th September 1853 is therefore cancelled, and the following rules will be observed from the 1st November next:—

3. Officers returning from furlough to Europe or leave beyond sea, or Officers removed from a regiment, appointment, or station, at their own request, or on regimental or departmental promotion, or to join a new appointment, will be allowed fifteen days for preparation from the date of arrival, or being struck off duty. On special grounds, this period may be extended to thirty days by the Officer Commanding the Division, District, or Garrison.

4. Every Officer, at the expiration of the period allowed for preparation, is required to join his corps, station, or appointment, by the most expeditious available mode of travelling, and without unnecessary delay on the road.

5. Officers who may be unavoidably delayed by sickness or other circumstances must report the cause and period of such delay, furnishing medical or other certificates to the Officer Commanding the Station, at or nearest to which such delay may have occurred.

6. In very special cases, Officers Commanding Divisions may sanction a slower mode of travelling, either for a part or for the whole of the journey; but any such indulgence, and the reasons for granting it, must be reported at once to His Excellency the Commander-in-Chief, or to the Government, according to the nature of the Officer's employment.

7. This ruling is to be made applicable to all three Presidencies.

Leave of absence, preparatory to furlough, whether on private affairs or on sick certificate, must always be *general*, and not *privilege* leave.

No. 50.

With reference to G. O. No. 53, dated 3d February 1860, the Governor in Council directs that, in future, in accordance with the practice in Bengal, leave of absence preparatory to retiring from the service shall always be *general*, and not *privilege* leave.

G. O. G.
13th Mar. 1860,
No. 100.

It is hereby notified that, under a recent ruling of the Government of India, Officers, whose leave may expire after the commencement of General Holidays, will, notwithstanding such Holidays, be required to report, as heretofore, their return to duty on the termination of their leave.

It is notified for general information that under a recent decision of the Government of India, an Officer who had elected (or who, not having before elected, might on his entering the Staff Corps desire to elect) the old furlough Regulations, carries with him into the Staff Corps so much of his service (authorized leave included) as had been passed in Indian limits and no more; and that to entitle him to retire on the pension of any particular rank he must serve so many more years as would with that service complete the full period of service prescribed for such pension, with the liberty of availing himself, after his entry into the Staff Corps, of the privileged periods* of absence allowed in paragraph 30 of the new furlough Regulations.

For instance a Captain who, on entering the Staff Corps on the 18th February 1861, had served twenty-four years counting as service for retirement under the old rules, and had been absent six years on leave to Europe, would enter the Staff Corps with a capital of service of twenty-four years only; and, before he could retire on the pension of a Lieut. Colonel he would have to serve four years longer, of which three years might be passed on leave.

2. With reference to the foregoing, Officers who at date of entering the Staff Corps had not made election of furlough Regulations are requested now to report under which furlough Regulations they desire that their service to that date may be calculated.

Furlough Regulations of 1868, Revised.

Fort St. George, 1st December 1868.

No. 431 of 1868.—The following Extract from General Orders by the Government of India, is published:—

Sindia, 10th November 1868.

No. 1061 of 1868. The Right Hon'ble the Secretary of State for India having, with certain modifications, approved generally of the rules relative to the absence on leave of Military Officers, published in Government General Order No. 613, dated 19th June 1868, the following revised rules are published in substitution of those contained in the order above referred to.

No. 996 of 1869, *Sindia*, the 28th September 1869. With a view to regulating the grant of furlough under the regulations of 1868, as published in G. O. No. 1061,* dated 10th November 1868, the Right Hon'ble the Governor General in Council is pleased to direct that Officers obtaining furlough on private affairs are to understand that the grant of the furlough only holds good for three months from the date of the General Order notifying it. This period of three months is inclusive of the thirty days' preparatory leave allowed to reach the port of embarkation.

In the case of an Officer not embarking within the prescribed period, the order granting it will cease to have effect.—* Madras G. O. G. 1st December 1868, No. 434.

The question of the application of these rules to the Officers generally of Her Majesty's British Forces in India is still under the consideration of Her Majesty's Government. To obviate confusion or misconception as to the rules referred to, those previously in existence in a now sanctioned will be severally designated as the Furlough Rules of 1796 of 1854, or of 1868.

The term "Furlough Pay" having now a changed and two-fold significance, in all future orders and sentences, "Furlough Pay" will be understood as the half Indian salary within the prescribed limits, defined in paragraph 5 of the rules, converted at the exchange of 2 shillings for the rupee, whilst "English Furlough Pay" will represent the rates heretofore allowed to the several grades as English pay for the rules of 1796 and 1854.

No. 614 of 11th June 1870.—The following Military letter from the Right Hon'ble the Secretary of State for India, is published for general information:—

MILITARY. INDIA OFFICE, London, 29th April 1870. To His Excellency the Right Hon'ble the Governor-General of India in Council.

MY LORD.—Paragraph 5 of your Despatch No. 267, dated 10th November 1868, reports your having decided that Officers of the Royal Engineers on the Imperial Establishment employed in the Public Works Department, will be considered entitled to the benefits of the Indian Furlough Rules, as forming part of the Civil Administration of the country, counting service from date of arrival in India; but that Officers joining the Sappers and Miners from England, who are not included to enter the Public Works Department, will enjoy only such leave as is conceded, under Her Majesty's Regulations, to Officers of British Regiments.

I presume it to be intended that the Officers with the Sappers and Miners, forming the fixed establishment receiving a staff salary, as referred to in the Despatch No. 47 of 15th February 1867, will be considered as Staff Officers; and that, although Officers merely attached to the Sappers will, while so employed, be considered as performing ordinary regimental duty, they will, should they afterwards accept staff employ, be entitled to count their service for furlough from date of arrival in India.

On this understanding I approve your decision. No. 614 of 1870.—The following Military letter from the Right Hon'ble the Secretary of State for India is published for general information:—

MILITARY. INDIA OFFICE, London, the 16th August 1871. To His Excellency the Right Hon'ble the Governor-General of India in Council.

MY LORD.—In framing the Military Furlough Rules of 1868, it was understood to be the desire and intention of the Government of India that all distinction between furlough on private affairs and that on medical certificate should, as far as possible, cease, and amongst the introductory clauses to those rules is the following:—"1.—The distinction with respect to allowances hitherto drawn between furlough on private affairs and sick leave is abolished, both kinds of leave being included under the general term 'furlough' provision, leave being made for the obtaining of furlough under medical certificate, being made for the obtaining of furlough when taken without medical certificate."

It appears to me, therefore, that the only occasions upon which any officer should be granted furlough on medical certificate

are—1st, when (as in the case of Subalterns) an officer entitled to furlough may, if compelled to take leave on account of ill health, be entitled, under the regulations, to certain privileges, as free passage to England;

2nd, when an officer is not entitled to furlough, but is obliged to take leave on medical certificate, a case for which provision is made in the rules.

These rules will be applicable to all Officers who may elect to adopt them belonging to the several Indian Staff Corps or to the Indian Army, and in regard to the period of leave of absence during which appointments may be held, and in regard to the increased allowances they will also be applicable to Officers of the Royal Artillery and Royal Engineers, late of the Indian Army, holding permanent staff appointments not of a regimental nature.

I. The distinction with respect to allowances hitherto drawn

between Furlough on Private Affairs and Sick

Leave is abolished, both

kinds of leave being

included under the general term Furlough, pro-

vision however, being

made for the obtainment of Furlough, under Medical Certificate, with-

out all the restrictions applicable to Furlough,

when taken without Medical Certificate.

II. Leave taken under the Rules now

prescribed will not involve forfeiture of ap-

pointment, except in the cases herein specially

provided for.

III. The Rules now

2ndly, when, in the interests of the service, an officer, although entitled to furlough, would only be granted leave on the production of a medical certificate.

3. Very recently applications for extension of furlough on private affairs on the part of officers who have come home on medical certificate, have been submitted to me and have been granted; but it is obviously desirable that I should be informed of the actual circumstances under which every officer claiming furlough upon medical certificate has had furlough granted to him, and I consider all officers entitled to furlough, whose services can be spared, should have the leave gazetted as "furlough," whether they produce a medical certificate or not.

4. With respect to the above three classes, it might be well to gazette the first to furlough, with a note to the effect that, being recommended by a Medical Board, they are entitled to a free passage, &c. With regard to the second, it would be sufficient to note the clause under which they take leave, and with regard to the third, it will be assumed in future, when an officer entitled to furlough is thus granted leave on medical certificate, that his services could not otherwise have been dispensed with, and no extension of his leave will be granted in this country except on medical certificate.

I have, &c., (Signed) ARGYLL.

IV. Leave of Absence will, in future, be of three kinds, viz:—

I.—Furlough in or out of India.

II.—General Leave on Private Affairs or Sick Certificate in India or short leave to sea.

III.—Privilege Leave.

CHAPTER I.—Furlough.

The following Notification by the Government of India in the Financial Department, is republished:—

G. O. G., 8th Mar. 1870, No. 75.

No. 3292, dated 17th December 1869.—In continuation of the Notification of this Department, No. 2527, dated the 7th August 1869, and in amendment of Rule V of the Military Leave Rules of 1868, the Governor-General in Council is pleased to declare that the furlough allowance of any Military Officer in Civil employ, who may after this date be granted furlough, shall not exceed Rs. 833-5-4 per mensem, or £1,996 per annum.

salary drawn by him for three years prior to his proceeding on Furlough. No absentee shall in either case draw more than £1,200, or less than £250 per annum. The term salary will signify the total amount drawn by an Officer, whether as consolidated pay or Staff allowances in addition to pay, but will not include any extra or special allowances. It is to be clearly understood that an Officer absent on Furlough, who may be transferred to another Office, during his absence, shall be entitled, for the entire period of his Furlough, to pay at the rate sanctioned to him when leaving India, provided that an Officer whose term of office shall lapse, during his Furlough, shall cease to draw his half Staff salary from the date of such lapse. An Officer will also be entitled to the benefit of his promotion to a higher Staff Corps or Regimental rank whilst on Furlough, subject to the maximum limit.

Officers not in Staff employ will receive half the Indian pay of their rank, provided that in no case will an Officer entitled to Furlough receive less than the above minimum of £250 per annum.

NOTE.—Officers who may be entitled to income allowance from the Military Fund during absence in Europe, will draw their half salary or minimum absentee allowance under the foregoing clause, subject to a deduction equivalent to the amount of such income allowance.

VI. All grants of Furlough on Private Affairs are subject to the exigencies of the Public Service, of which exigency the Government is to be exclusively the judge, and to any regulations that may be found necessary for limiting the number of Absentees.

VII. The maximum amount of Furlough on Private Affairs to be taken at any one time, carrying pay and retention of appointment, will be two years.

No. 1214 of 1869, *Fort William*, the 15th December 1869. In continuation of G. O. G. No. 1181* of the 1st December 1868, and under the authority of

Regulations of 1854—G. O. G. the Right Hon'ble the Secretary of State for India, Regulations of 1863—G. O. G. it is hereby notified that the rules laid down in the furlough regulations specified in the margin, which in the former require a period of ten or six years, and in the latter a period of three years, to be completed after return from last furlough before an Officer can be held eligible to a fresh furlough on private affairs, do not apply to the case of a General Officer of the Staff Corps or of the local service who may be unemployed.

" furlough being due to an officer, or his having a balance to his credit," it is understood that he has a balance of furlough computed in the mode shown in 'Rule X. of the Regulations of 1868, even though he may not be entitled to take it owing to his not having served three years since his last return to duty; and that by the term "India" is understood the territories under the Indian Government, including Cashmere, the Himalaya Hills, &c., but not Ceylon or the Straits Settlements.

(2).—An Officer who has served 20 years in India without taking Furlough is entitled to four years' Furlough. He can only take, however, two years at one time carrying pay, the balance remaining at his credit in any future computation of Furlough to which he may be entitled. He can take that balance after completing three years' service from the date of his return from the first instalment.

Under the orders of the Right Hon'ble the Secretary of State for India, conveyed in Despatches Nos. 215 and 370 of 18th August and 11th December 1869, respectively, it is notified that in future leave under Clause XI. of the Furlough Rules of 1868 will not be extended by the Right Hon'ble the Secretary of State, except on medical certificate, in which case the whole of the leave will be considered as if taken under Clause XIV. of those rules.

Financial Department, Leave and Allowances, Simla, the 16th May 1870.

No. 323.—The Governor-General in Council is pleased to notify that furlough on urgent private affairs, with pay equivalent to the British Regimental pay of rank under Section 11 of the Rules published in the General Order of the Government of India in the Military Department, No. 1064, dated the 10th November 1868, may be granted as often as it is applied for: provided that the authority granting it is satisfied of the urgency which leads to the application, and that the applicant is not at the time eligible for ordinary furlough. There is no other limit to the granting of this species of leave.

2. His Excellency in Council is also pleased to notify that the words "pay equivalent to the British Regimental pay of his rank" in the section above referred to, mean, in the case of a Staff Corps Officer, the "out-of-India" rate of pay as shown in the following Table:

General Officer	1000 0 0	per diem.
Brevet-Colonel and Lieutenant-Colonel	750 0 0	
Major	500 0 0	
Captain	350 0 0	
Lieutenant	250 0 0	

XII. Subject to State considerations, there will be no restriction as to the places to which an Officer may resort during Furlough.

XIII. Absence on Medical Certificate for a longer period than two years at one time, or departure on such Furlough within three years of the date of return from a previous Furlough, except Furlough under Rule XI will involve forfeiture of appointment. Such Furlough may, however, be extended to a third year on English Furlough pay.

In the event of an Officer not being able to return to his duty after an absence of three years, it will rest with the Right Hon'ble the Secretary of State for India in Council to order him to appear before a Medical Board, with a view to placing him on the retired list, if entitled to pension, or on the half-pay list. Should the circumstances of the case warrant a further extension of leave, it can only be granted without pay.

The grant of these Furloughs, except as to the conditions laid down in Rules XIII and XVI.

X. An Officer eligible for Furlough need not take the whole amount; to which his service entitles him, but may apply for any portion thereof as an instalment and in that case the balance will remain at his credit in any future computation of the amount of Furlough to which he may be entitled.

XI. Furlough on urgent Private Affairs for six months with pay equivalent to the British Regimental pay of his rank to be extended to a year, if necessary, may be granted, when the Officer is not eligible for ordinary Furlough. The said period may form part of the periods of either eight and six years referred to in Rule IX.

2. It is further notified, with reference to Rule XIV., that it is intended that an Officer who has not any balance of furlough to his credit, but who has served three years from date of last return to duty, should, on obtaining furlough on medical certificate, receive the prescribed 50 per cent. of his emoluments and retain his appointment.

No. 724 of 1871.—Under instructions from the Right Honorable the Secretary of State for India, the Right Honorable the Governor General in Council is pleased to notify, that an officer entitled to furlough who has taken it on medical certificate may, on being declared fit for duty, take out on private affairs any balance due to him, provided that, on being declared fit for duty, he is not in excess of the established proportion of absentees.

An officer who, on his return to India, reports himself in ordinary course of that port of debarkation as having returned from furlough, will be considered to have returned to duty.

There is no restriction as to the country in which this leave may be taken, but an officer desiring to change from the place to which his leave on Medical certificate was originally granted, must obtain permission to do so from the Government of his Presidency in India, or from the Secretary of State for India in England, as the case may be.

On landing on such leave in England or in India, he must report his arrival accordingly to the India Office, or to the Military Department of his own Presidency, forwarding with his report a copy of the permission granted him to change his destination.

This order is of general application.

to take effect until the Officer shall have exhausted the entire amount of his available Furlough on Private Affairs. If the aggregate of two years' leave is exceeded, the Officer will after that date come under the provisions of Rule XIV.

No. 528 of 10th May 1872.—The following paragraph of a Military Letter from the Right Honorable the Secretary of State for India, No. 70, dated 4th April 1872, is published for general information:—

Para. 5. I have therefore to request that you will re-publish Clause XV of the Furlough Rules of 1868, in the following terms:—

"If the aggregate of two years' furlough be exceeded, whether on medical certificate or private affairs, the Officer will vacate his appointment, such extension being, in the case of private affairs, without pay, and in that of medical certificate with English furlough pay for a third year only."

This is in supersession of the ruling in G. O., No. 1* of 2nd January 1872, and Order Books will be corrected accordingly.

No. 33 of 1869.—The following Extract from a communication from the Government of India, dated 21st January 1869, No. 1004, is published:—

The following will not form part of the aggregate of eight years of furlough on private affairs and medical certificate with pay and retention of appointment, to which an Officer who may elect the Furlough Rules of 1868, is restricted by Rule XVI:—

I. All leave taken as local leave (not being furlough) in India.

II. All leave necessitated by wounds received in action, or by sickness contracted on field service, which may have been, or may be, allowed to reckon as service for pension under the provisions of Government General Order No. 1113 of 1857.

III. All leave duly granted to England, or extensions of furlough or leave on medical certificate granted in England, if without pay.

IV. All sick leave to England that may have been taken under the Rules of 1790, on the old rates of furlough pay.

V. All sick leave granted to the colonies eastward of the Cape of Good Hope under the Rules of 1790.

Rule XIV.—You will have observed from Orders No. 437, dated 13th January 1869, published at page 114 of the *Gazette of India*, that the Military Department have ruled that Rule II applies to an Officer taking furlough on medical certificate for the first time before the completion of eight years' actual service, both as to retention of his appointment and amount of furlough allowances.

XIV. An Officer not entitled to Furlough, whose health may necessitate his taking it within three years from the date of last return may, under the usual Medical Certificate, obtain such amount as may be duly certified to be necessary for the restoration of his health, but will only receive English Furlough Pay and must vacate any appointment he may be holding.

XV. An Officer entitled to Furlough, whose health may necessitate his absence from India, will be compelled to take leave as Furlough under Rule IX, but without forfeiting any passage money, to which he may be entitled under Military Fund Rules, or if a Subaltern, by Regulation when proceeding on Medical Certificate.

Any extension of this Furlough, beyond the period to which he may be entitled under Rule IX, will be regarded in all respects, as Furlough on Medical Certificate. Such extension will not be allowed

No. 252, 25th March 1870.—With reference to G. G. O., No. 103 of the 26th January 1869, it is hereby notified that Officers of the Madras Army serving in Bengal, who have obtained furlough to Europe on private affairs or medical certificate, will, if they desire to proceed via Madras, instead of from Calcutta or Bombay, be allowed to reckon such furlough from date of embarkation at Madras, provided that the preparatory leave of thirty days allowed under existing regulations is not exceeded at the time of embarkation.

XVIII. Preparatory leave to embark for Europe or elsewhere on Furlough, will be granted for any period not ordinarily exceeding 30 days. Leave to the same limit, to enable him to rejoin on his return from Furlough, will be granted from the date of his disembarkation in India.

XIX. Furlough allowances shall be payable monthly if payment is taken in India; and quarterly, if payment is taken in England.

XX. Advances of Furlough Pay will continue to be made in India to those Officers who desire it, for three months from date of embarkation. Payments in continuation will be made in England on the expiration of six months from that date.

XXI. The Last Pay Certificate issued to each Officer who may be granted Furlough, whether on Private Affairs, or on Medical Certificate, will specify the rate of the pay and Staff salary of his last substantive appointment, and the rate to which he will be entitled in Europe in virtue of Rule V.

XXII. An Officer acting in India for an Absentee will be restricted for the entire period of such acting to the half Staff salary of the appointment in which he may be acting, in addition to the full pay of his rank, and the half Staff salary of his own appointment if he possess one. The Staff salary granted to an Acting Officer will, however, in no such case be less than Rs. 100 per mensem.

CHAPTER II.

General Leave on Private Affairs and Sick Certificate in India.

XXV. An Officer will be eligible, as at present, to take leave on Private Affairs or Medical Certificate in India, for any period not exceeding six months, at the discretion of His Excellency the Commander-in-Chief, or of the Government under which he may be serving. During the entire period of his absence on this account, the Officer will be entitled, as at present, to his full pay, and a moiety of his Staff salary. Leave taken under this Rule will form no part of the eight years' aggregate Furlough. If this indulgence should be taken advantage of for a third year consecutively, the Officer will lose his Staff appointment.

XXVI. Leave on Sick Certificate for a period exceeding six months, capable of extension, under renewed Medical Certificate, to a limit of one year, may be granted to any Officer who, in the opinion of a Medical Board, may require it. Leave of this nature, taken after the promulgation of these Rules, will be held to constitute a part of the maximum period of eight years' leave of absence to which an Officer is entitled in his entire period of service, but will not be regarded as Furlough, nor will it effect the intervals entitling to furlough laid down in Rule IX. During this leave the Absentee will draw a moiety of his Staff salary in addition to the pay of his rank.

No. 235, 5th Sept. 1870.—The following letter, from the Government of India in the Military Department, to the Adjutant General, No. 531, dated 25th August 1870, is published for general information:—
 "In reply to the questions referred to in your d. cket, No. 14792, dated 1st August 1870, I am directed to acquaint you, for the information of the Right Honorable the Commander-in-Chief, that an Officer cannot be permitted to visit England, on short leave, authorized under Clause XXVII of the Furlough Rules of 1868, and that preparatory leave is not allowable to an Officer availing himself of the leave under that clause."

Rule XXVII.—The 'condition' referred to is that leave granted under this rule will not be reckoned as furlough, and that the absentee will draw a moiety of his staff salary. The leave will not be included in the maximum period of eight years prescribed in Rule XVI, unless it be extended beyond three months.

CHAPTER III.

Privilege Leave.

XXIX. Privilege Leave may be granted, as at present, for sixty days in each year, to all Officers in Military employ, without deduction from the salaries and emoluments drawn by them. General Leave, in extension of Privilege Leave, can only be granted on the ground of sickness, or some other serious emergency which could not have been foreseen when the Officer proceeded on Privilege Leave. Privilege Leave may, however, be converted into General Leave with the sanction of the Commander-in-Chief or the Government.

XXX. In the case of the Stations noted in the margin, Privilege Leave may, as at present, be granted for ninety days to Officers of local Corps, or of Corps which are usually employed in one or other of the Districts named.

The following Extract from a letter from the Secretary to the Government of India, Military Department, to the Adjutant General, Bengal, dated Simla, 25th July 1870, No. 511, is published:—
 With reference to your letter No. 13592 of the 16th July 1870, inquiring with reference to the orders marginally cited, whether an Officer of the British or Indian service is at liberty to proceed anywhere beyond Indian limits on privilege leave, provided he can return to duty within the period of such leave, I am directed to acquaint you, for the information of His Excellency the Commander-in-Chief, that, under Clause XXXI of the furlough rules quoted, an Officer is at liberty to proceed wherever he may desire on privilege leave, provided he can ensure his return before the expiration of his leave; but if an Officer proceeds to a place from which he cannot ensure return within the term of his privilege leave, he will be liable to the consequences of overstaying such leave; and authorities should not sanction an Officer's proceeding on privilege leave, if there should be any ground to suppose that he cannot return within the prescribed period.

XXXI. An Officer is at liberty to proceed wherever he may desire on Privilege Leave, provided he can ensure his return before the expiration of his leave.

XXXII. Privilege Leave cannot be taken in continuation of Furlough, nor can Furlough be obtained in continuation of Privilege Leave. If Furlough be obtained by an Officer while absent on Privilege Leave, the Privilege Leave will be converted into General Leave, the Officer for that period receiving a moiety of his Staff salary.

Military Officers in Civil Employ.

XXXIII. Military Officers in Civil or Political employ taking leave in India come, as respects periods of leave obtainable and amount of pay to be granted, under the Civil Leave Rules. When they take leave out of India, they come under the Military Leave Rules.

Subsidiary Rule.

XXXIV. Officers of the Indian Military and Medical Services will be required generally to notify their intention to accept these Rules, or to adhere to those now existing, on the first occasion of their taking Furlough or General Leave after the publication of this Order. Such election must be considered final, and under no plea whatever will an Officer be subsequently relieved from the Choice thus made.

Officers who may determine to abide by existing Rules, will be allowed to proceed on Furlough on the conditions laid down in Rules VII, VIII and XIII to the extent to which they may be entitled under the Furlough Regulations of 1854, and on the rates of pay contemplated in those Regulations, but retaining their appointments. The principle laid down in Rule XV must, however, be applied in those cases.

If an Officer under the Furlough Rules of 1796 elects the present Rules, his service for pension will be reckoned under the former Rules, up to 1st July 1868, and thenceforward under the Rules of 1868.

The foregoing Rules will take effect from the 1st July 1868, as respects retention of appointments and terms under which leave will be granted, but half Staff allowances will not be available for Officers now on leave in cases where the acting Officer has already come into receipt of the full Staff salary. Nor can Officers who have vacated appointments which have since been permanently filled up, have any claim to be restored to them.

No. 207 of 1869.—The following Military letter from the Right Hon'ble the Secretary of State for India, No. 8, dated 13th January 1869, is published for general information:—

MILITARY. No. 8.

INDIA OFFICE, London, 13th January 1869.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR.—Your despatch, dated 18th August 1868, No. 313, relates to the question whether the furlough regulations of 1868 shall be made applicable to the Warrant Officers, and to certain other questions connected with the pay and allowances of those Officers.

2. Having considered the suggestions made by you, I have decided—

1st.—That the furlough rules of 1868 shall apply to all Warrant Officers holding veteran or honorary commissions, the period of service qualifying for furlough being calculated from the date of the attainment of the commission. These Officers will receive, during furlough, half their total receipts, without any reference to a minimum or maximum rate.

2d.—That Conductors and Sub-Conductors shall only be entitled to a furlough on sick certificate. The furlough will be for two years, and half of aggregate Indian allowances will be drawn during that period. Any leave on sick certificate, not exceeding one year, granted in extension of the two years, or leave taken within less than three years from date of last return to duty, will be on English furlough pay only.

3. I approve of the proposal that Warrant Officers appointed to act for those of a higher grade who may be on furlough, shall receive the half of the aggregate allowances of the absentees, added to half the aggregate of their own allowances.

4. I approve also of permanent Conductors, who have hitherto been in receipt of the old Staff salary of Rs. 75 a month, being still allowed to draw that amount.

5. Your letter has no reference to the Officers of the Subordinate Medical Department, but should your Government propose to include them, it is desirable that they should be expressly mentioned in the General Order which will be issued on the receipt of this despatch.

I have, &c., ARGYLL.

Under the authority conveyed in paragraph 5 of the foregoing letter, it is hereby notified that the provisions of the rules now notified will be equally applicable to Warrant Officers and those holding the honorary rank of Assistant Surgeons in the Subordinate Medical Department.

No. 898 of 23rd August 1872.—It having been announced in G. O. No. 207* of 1869, under the authority of the Right Hon'ble the Secretary of State, that the furlough rules of 1868 shall apply to all warrant officers holding veteran or honorary commissions, that Conductors or Sub-Conductors shall be entitled to furlough on sick certificate, and that corresponding furlough shall be granted to warrant officers in the Subordinate Medical Department, and to those holding the honorary rank of Assistant Surgeon, the Right Honorable the Governor-General in Council is further pleased, under the authority of Her Majesty's Secretary of State for India, to announce that those classes will be allowed to reckon the following periods of leave, whether taken in India or Europe, as service for pension:—

15 months in 12 years' departmental service.
20 " 14 " "
21 " 16 " "

2. Warrant officers holding that rank on this date may, should they elect to do so, continue on the rule hitherto in force, and reckon all leave in India as service and all leave out of India as against service. This option will not be given to men attaining warrant rank after this date.

3. Applications from warrant officers for leave to Europe must be accompanied by a duly certified statement of the applicant's service, and of the condition in respect to service for pension under which the furlough is taken.

1. The provisions of this Order will have effect from this date.

Unattached and Warrant Officers.

GENERAL ORDERS BY THE HON'BLE THE PRESIDENT OF THE COUNCIL OF INDIA IN COUNCIL.

Fort William, 6th June 1851.

No. 322 of 1851.—The following paragraph of a Military letter No. 37, from the Honorable the Court of Directors to the Governor of the Presidency of Fort William in Bengal, dated 9th April 1851, is published for general information:—

Unattached Officers are entitled to the benefits of the general retiring regulations counting from the dates of their first promotion to Commissions. To provide for the claims of such of these Officers as may, in consequence of the length of their previous service, be compelled to retire at earlier dates than are specified in these Regulations, we have resolved to adopt the following additional scale, viz:—

Unattached Ensigns and Lieutenants, compelled by ill health to retire from the service,	
If under 3 years' service as Commissioned Officers.....	2s. 6d. per diem.
If above and under 7 years' service in India as Commissioned Officers.....	3s. per diem.
If above and under 12 years' service in India, as ditto.....	4s. per diem.
If above 7, and under 12 years' service in India, as Commissioned Officers, after 20 years' total service in India.....	5s. per diem.
If above 12 years' service in India as Commissioned Officers, after 30 years' total service in India, with an unqualified right to retire.....	6s. per diem.

Despatch dated 14th April 1862, No. 35.

6. The cases of Warrant Officers, promoted on the Veteran Establishment, who applied to retire from the service, have, until recently, been specially considered, and in almost, if not in every case, the full pay of the Commissioned rank has been granted on retirement.

7. When considering an application from an Officer on the Veteran Establishment now in this country, I observed that, although there were rules for the retirement of Officers holding unattached Commissions (G. O. G. No. 322 of 6th June 1851) there were no rules for the retirement of Officers on the Veteran Establishment. I accordingly decided that to entitle an Officers on the Veteran Establishment to retire on the full pay of his Commissioned rank, he must have served the time which he would have required under the provisions of the retiring Regulations, had he remained in the Warrant grade, to entitle him to the full pay of his former rank in that grade.

G. O. G. No. 385 of 6th March 1856.—The Right Hon'ble the Governor General of India in Council is pleased to direct, that the following paragraphs of a Military letter from the Hon'ble the Court of Directors to the Government of India, No. 2, dated 2d January 1856, be published in General Orders:—

Letter dated 2d September 1855, No. 201.

Letter from Captain Skinner, transferred from the Nizam's Army to an unattached Commission in the Company's Service, requesting information as to the amount of pension he will be entitled to on retirement. The Auditor General's views on the subject recapitulated by Government.

G. O. G. No. 250
of 15th August
1856.

Also No. 206.

Enquiry as to how the new furlough rules are to apply to Captain Skinner, and other unattached Officers.

3. All unattached Officers are entitled to the benefit of the new furlough Regulations from the date of their first commissions.

G. O. C. C. 27th April 1857, No. 16.—The Commander-in-Chief directs it to be notified that by a recent decision of the Government of India, unattached Officers of the Veteran Establishment are allowed the benefit of the new furlough Regulations, and these Officers can take leave in India on the same terms as they did prior to the publication of the new furlough rules.

G. O. C. C., 29th August 1857, No. 41.—The Provincial Commander-in-Chief directs the publication of the following decisions by the Government of India.

A Warrant Officer on the Veteran Establishment is entitled, without loss of Warrant, to the same absentee allowance as if on leave in India, for the first six months of sick furlough, but thereafter, as well as when on furlough on private affairs he is restricted to the furlough pay of his Commission or of his Warrant, whichever may be the superior emolument.

A Warrant Officer holding a Commission on the Veteran Establishment has a footing in the Effective Army in virtue of his Warrant rather than of his Commission and his Warrant being analogous to the Regimental Commission rather than to the Staff appointment of an European Officer, is not forfeited by any furlough which may be granted him, even if it exceed six months on private affairs or fifteen months on medical certificate under the new rules.

G. O. G. G. No. 1559 of 1857.—The following Extract para. 11 of a Military letter from the Honorable the Court of Directors to the Government of India, No. 195, of the 14th October 1857, is published for general information:—

G. O. G. 21th
Dec. 1857, No.
414.

Letter dated 15th May 1857, No. 154.

Memorial from Mr. Conductor A. B. Fox, of the Army Commissariat Department, soliciting that modification may be made in the furlough Regulations for Warrant Officers, to meet the cases of those who obtained their Warrant after a lengthened service on the Non-Commissioned grade.

11. Warrant Officers are allowed the same privilege of furlough as Unattached Ensigns and Lieutenants and as Officers promoted to Commissions on the Veteran Establishment, viz., after six years' service as Commissioned or Warrant Officers, and fifteen years' service in India. It is now recommended that, in consequence of slowness of promotion, the time required to be served in the Warrant grade may be reduced, in order that those who have served twenty years and upwards in India may be thereby rendered

eligible for furlough to Europe, in compliance with your recommendation and that of the late Commander-in-Chief, also sanction this change as applicable to the several classes abovementioned.

G. O. C. G. No. 777 of 18th May 1858.—The following Extracts of a Military letter from the Honorable the Court of Directors to the Government of India, No. 71, dated 23d March 1858, are published for general information:—

Letter dated 12d August 1857, No. 201.

G. O. C. G. No. 214 of 4th June 1858.

4. Question raised by the Madras Government as to the extent to which the Warrants or Staff appointments of Officers having Unattached Commissions or on the Veteran Establishment are affected by the new furlough rules decided.

4. In the year 1851, we sanctioned a rule,* that Unattached Ensigns and Lieutenants should be allowed furlough after six years' service as a Commissioned Officer, and fifteen years' service in India, and that Warrant Officers granted Commissions on the Veteran Establishment should be included in the arrangement. The same advantage was subsequently extended to Warrant Officers.†

5. The rule now laid down by the Government of India is that a Warrant Officer on the Veteran Establishment is entitled, without loss of Warrant, to the same absentee allowances as if on leave in India for the first six months of sick furlough, and thereafter, as well as when absent on private affairs, to the furlough pay of his Commission or Warrant, whichever may be best for him, and that as the appointment he holds is in virtue of his Warrant, not of his Commission, the appointment will not be forfeited by absence on furlough.

6. This decision appears to be quite correct and has our sanction.

The Governor in Council sanctions the indulgence of privilege leave, as granted to Commissioned Officers,* being extended to all Warrant Officers, at this Presidency, excepting those below mentioned, provided their Departmental superiors be satisfied that proper arrangements are made for the performance of their duties during their absence, and that no additional expense to the State is incurred thereby.

Warrant Officers of the Public Works Department come under the following rules of that Department:—

G. O. C. G. No. 273 of 4th Aug. 1857.

G. O. C. G. No. 29, para. 8. "All persons employed in the Public Works Department, may be allowed one month's leave of absence in the calendar year without loss of salary, provided it can be granted without inconvenience to the public service."

3. Medical Warrant Officers employed in the Civil Departments will be granted privilege leave according to the subjoined rule applicable to Uncovenanted Civil Servants.

Revised Rules for leave of absence to Uncovenanted Civil Servants published in *Fort St. George Gazette*, 26th June 1853, Supplement.

Para. 16. "Privilege leave, when it can be granted without injury to the Public Service, and without additional expense to the State, may be allowed for not more than one month, in each calendar year—to be taken either in one period or in not more than two instalments. This leave is not allowed to accumulate, and will therefore lapse if not taken within the year."

Invalid Establishment.

Fort St. George, 10th July 1857.

No. 819 of 1857.—The Right Hon'ble the Governor General of India in Council is pleased, under instructions from the Hon'ble the Court of Directors, to promulgate the following rules to be observed at the three Presidencies for the transfer to the Invalid Establishment, of Officers who may be declared to be unfit for further service:—

1. The Invalid Establishment will consist of

1st—The Invalid Battalion.

For Officers who, although disqualified for further active service, are still equal to the discharge of garrison duties.

2d—The Invalid Pension List.

For Officers disqualified for both active and garrison duties.

2. Officers who, from age, wounds, or decline of health, become unfit for active service, are eligible for transfer to the Invalid Establishment, provided their conduct and habits are such as not to affect the character of that Institution, which is designed as an honorable retreat to the worn out or disabled, but deserving Officers.

The Commander-in-Chief directs it to be notified, that applications from Officers for transfer at their own request to the Invalid Battalion or to the Invalid Pension List, under the provisions of para. 3 of G. O. C. G. No. 819 of 1857, (re-published in G. O. C. G. No. 210 of 18th July 1857,) are required to be addressed under their signature to the Right Honorable the Governor in Council in the manner prescribed in para. 3, Section XXI, General Regulations of the Army.

G. O. C. G. No. 59 of 1st June 1858.

3. Officers who may be desirous of being transferred to the Invalid Establishment, will be required to appear before the Standing Medical Committee at the Head Quarters of the Division, presided over by the Superintending Surgeon, or in his absence by the Senior Surgeon, furnished with a statement of their case prepared by the Medical Officer by whom they may have been attended. The Committee is to enquire rigidly into each case, and should it be satisfied of the unfitness of the Officer, it is, in recording its opinion, to certify either that the applicant is "permanently disqualified for the performance of further active service but is still equal to the discharge of garrison duties," or that he is "permanently disqualified for the performance of both active and garrison duties," as the case may be.

G. O. C. G. No. 518 of 1851.

G. O. C. G. No. 531 of 1854.

4. The applicant, if reported equal to the discharge of garrison duties, will then be required to proceed to the Presidency to be finally examined by a Medical Officer to be specially appointed for the purpose, or by a special Medical Committee, as may from time to time be ordered.

5. After this final examination, the report on each case, accompanied by the certificates hereafter specified, is to be forwarded in the usual manner to Army Head Quarters, to be submitted to Government with the opinion of the Commander-in-Chief.

6. In the event of the Commander-in-Chief being led to believe that any Officer's health is so thoroughly lost as to preclude all hope of his being able to perform further active service in India, such Officer shall be directed to appear before the Standing Medical Committee at the Head Quarters of the Division. If the Committee is of opinion that the Officer is permanently disqualified for active Military duties in India, and this opinion is confirmed at the final examination at the Presidency, the Government on receiving a report on the case, which is to be prepared and submitted as directed in paras. 3 to 5, will place the Officer on the Invalid Establishment, notwithstanding that he may not himself have applied to be transferred from the Effective List. Such transfer will, however, be subject to the approval of the Honorable the Court of Directors; and until the receipt of such approval, no promotions will be made in succession to the Officer so placed on the Invalid Establishment.

No. 52 of 1859.—The following Extract from a Military Despatch from the Right Honorable the Secretary of State for India, is published in General Orders:—

Despatch dated 22d December 1858, No. 47.

Para. 1. It being established by the required medical testimony that Lieutenant Dewar is permanently disqualified for the performance of both active and garrison duties, his removal from the effective List from the date of his embarkation for England is hereby authorized.

G. O. C. G. No. 1st Feb. 1859.

Report on the state of health of Lieutenant G. T. Dewar, 56th N. I., requested to transfer him to the Invalid Pension List, from the date of his embarkation for England on sick certificate. Lieut. Dewar's time of service, fourteen months and five days, does not entitle him to retiring half pay. On establishing his claim to the benefit of Lord Clive's Fund, he will be admitted to that advantage.

2. You will understand from this decision that no Officer not entitled to a pension under existing Regulations, should be transferred to the Invalid Pension List.

8. In the event of an Officer failing, from any cause, whether it be leave on sick certificate in India or otherwise, to join an Invalid Battalion, or other Military duty on which he may be ordered, within two years of his transfer to the Invalid Establishment, except he be absent on furlough on sick leave to Europe, or be nominated to some other public duty, he will, at the expiration of that time, be required to appear before the Medical Committee at the Head Quarters of the Division in which he may be residing, for the purpose of being examined as to his continued fitness for garrison duty. If found unfit at such examination, or at any subsequent examination, which is to be repeated at the end of every two years, he will be transferred to the Invalid Pension List.

9. The Pay and Allowances of Officers hereafter transferred to the Invalid Battalion will be—

	Pay and Indian Allowances.			House Rent.	Total.		
Lieutenant Colonel.....	547	14	0	100	647	14	0
Major.....	410	14	6	80	490	14	6
Captain.....	219	1	0	50	269	1	0
Lieutenant.....	145	12	0	30	175	12	0
Ensign.....	107	1	11	25	132	1	11

Extra batta will in no case be allowed, whether the Officer be employed within or beyond 200 miles of the Presidency.

10. Officers on the Invalid Pension List will draw the following consolidated allowance:—

Per mensem.		Per mensem.	
Lieutenant Colonel.....	Rupees 200	Captain.....	Rupees 130
Major.....	" 170	Lieutenant and Ensign.....	" 100

Or the rate of full pay pension to which they are entitled at the time of their transfer to the Invalid Pension List.

11. The above rates will be issued as long as the Officers are resident in India. If granted furlough or sick leave out of India, their allowances will be regulated by the rules they may have adopted, but their furlough pay will be according to their rank and for the ordinary duration of such furlough as at present authorized.

12. Officers on the Invalid Establishment are allowed the distinction of wearing the Military uniform.

13. Officers on the Invalid Establishment will retain the rank they held when on the effective strength of the Army, but their transfer will be made only in the rank they held in their Regiments. After removal to the Invalid Establishment, they have no further claim to promotion, but on retirement on full pay, those who may be of, and above, the rank of Captain will receive one step of Brevet rank.

14. Officers on the Invalid Pension List are permitted to reside at any place in India they may choose.

No. 132 of 1859.—With reference to G. O. G. No. 810, 10th July 1857, regarding the transfer to the Invalid Establishment of Officers declared "unfit for further service," the Honorable the Governor in Council, with the sanction of the Government of India, and with adherence to para. 15 of the above G. O. G., is pleased to direct that such Subaltern Officers as may have joined their Battalions, shall receive Passage Money on the terms regulating the allowance to Subalterns of effective Corps.

G. O. G.
1st April 1859.

2. Subalterns on the Invalid Pension List shall receive Passage Money only when proceeding to England on retirement from the service, or for the purpose of retiring from the service.

15. Officers on the Invalid Establishment are eligible to furlough and sick leave out of India, under the new or old Rules, whichever they may have adopted; and leave in India will be granted to Officers of the Invalid Battalion under the same rules as are applicable to effective Officers.

16. Officers on the Invalid Establishment are eligible to hold situations under Government.

17. Officers of the Invalid Battalion may retire on the pension of their rank after the prescribed period of service, or on the pension to which they were entitled on their removal to the Invalid Establishment. Officers on the Invalid Pension List may retire upon the rate of pension to which they were entitled when they joined that Establishment.

The above rules are not to be applied to Officers on the present Invalid Establishment of the three Presidencies.

Promotion of Officers.

G. O. G. G. No. 740 of 20th May 1859.—His Excellency the Governor General in Council is pleased to direct the publication in General Orders of the following Royal Warrant, received with a letter from the Right Honorable the Secretary of State for India, No. 119, of the 7th April 1859, prescribing rules under which Combatant Officers are to be recommended for promotion in Her Majesty's Indian Military Forces:—

G. O. G. No. 222
of 2d June 1859.

Whereas, we have judged it expedient to revise those parts of Our Royal Warrants of the 6th day of October 1851, and 3d day of November 1851, which regulate the promotion and retirement of Combatant Officers in Our Army and Ordnance Corps, Our will and pleasure is, that from the date of this Our Royal Warrant Our Governor General in Council shall govern himself by these Our rules in recommending Combatant Officers for promotion in Our Indian Military Forces.

PROMOTION.

1. That the rank of Field-Marshal be given without reference to seniority.

2. That there shall be a fixed establishment of General Officers, viz.:

Generals..... 25 Lieutenant-Generals..... 50 Major-Generals..... 115

3. That Colonels may be appointed, without regard to seniority, to command as Major-Generals, with temporary rank; and if they shall have conducted themselves to our satisfaction, such temporary rank, after having been held for five years in peace, or for any shorter period in war, may, upon the recommendation of Our Governor General in Council, be made permanent. That the temporary rank of General and Lieutenant-General may also be given, whenever the convenience of the service requires it, and may be made permanent in a similar manner.

4. That every vacancy on the fixed establishment of General Officers shall be filled by the promotion of the senior Colonel qualified to succeed to the rank of Major-General and to be placed on the fixed establishment, under the regulations now in force; or by a supernumerary Major General, as provided in Clause 6.

5. That, in addition to the Colonels promoted by seniority to be Major-Generals and those promoted after having held temporary rank under the Regulation in Clause 3, Colonels shall be eligible for promotion to the rank of Major-General, and Major-Generals to the rank of Lieutenant-General, and Lieutenant-Generals to the rank of General, for distinguished services in the Field.

In the case of Officers promoted to the rank of General Officers, as a reward for distinguished service in war, the recommendation, in which the service of the Officers shall be detailed, shall be published in the General Orders of Our Indian Military Forces, and in the *London Gazette*.

6. That all Colonels promoted to be Major Generals after five years' employment in responsible commands with the temporary rank of Major General under the provisions in Clause 3, and all Colonels promoted to be Major Generals for distinguished service in the Field, shall be placed on a supernumerary list of Major-Generals, and shall not be reckoned as part of the fixed establishment until the time when they would have attained the rank of Major-General by seniority; that is to say, until the Colonel who originally stood next senior on the Colonels' list to the Officer promoted out of his turn has become a Major-General, after which the next vacancy will be filled by the transfer of the supernumerary Major-General to the fixed establishment. The Major-Generals who have already been promoted out of their turn, and would not yet have succeeded to that rank by seniority, shall be considered as coming under this rule.

The supernumerary Major-Generals, when absorbed into the fixed establishment, shall preserve the seniority which they acquired when, after a period of qualifying service with temporary rank they were first confirmed as permanent Major-Generals on the supernumerary list, and shall rise by that seniority to be Lieutenant-Generals in succession. General Officers promoted for distinguished service in the field will take their seniority from the date of their promotion, as stated in the *London Gazette*.

7. That three separate lists of General Officers be inserted in the Army List of Our Indian Military Forces, the first containing the names of those on the fixed establishment; the second, those who, having been promoted out of their regular turn, are supernumerary to the fixed establishment; and the third, those who have retired from the service with the honorary rank of General Officers.

8. That the rank of Colonel be given to Officers, after serving for five years with the rank of Lieutenant Colonel, in the actual command of Regiments, or for the same period as second Lieutenant Colonels of Regiments, or on the Staff, in the following situations:—viz., Adjutant-General, Quarter-Master General, Deputy Adjutant-General, Deputy Quarter-Master General, Secretaries to the Government of India in the Military and Public Works Department, Secretaries in the Military Department to the Governments of Madras and Bombay, to the Chief Commissioner of the Punjab, the Commissioner in Mysore, and the Resident at Hyderabad; Judge Advocate General, Commissary General, Deputy Commissary General, Inspector General of Ordnance, Superintendent of the Ordnance Manufacturing Department, Chief Engineer, Superintending Engineer, Surveyor-General of India, subject always to the approval of the Governor in Council and Commander-in-Chief of the Presidency to which the Officer belongs.

9. That Regimental Majors, who are Brevet Lieutenant-Colonels, falling into the Command of Regiments in the absence of the Lieutenant-Colonel, shall on attaining the rank of Regimental Lieutenant-Colonel, reckon the period commencing from the completion of the first month of such temporary command, of part of the five years required to qualify for the rank of Colonel.

10. That the rank of Colonel be given to Officers who obtain the rank of Brevet Lieutenant-Colonel for services in the Field, after eight years of actual service with that rank.

11. That in cases where a Regiment may be so divided as to constitute two distinct commands, and one portion may be under the command of the Regimental Major, who is also a Brevet Lieutenant-Colonel, and in cases where a Brevet Lieutenant-Colonel may be in command of a mixed force of different Corps, a discretionary power shall be vested in our Commander-in-Chief in India, subject to the approval of Our Governor General of India in Council, to allow such service, or portions of such service, to count as part of the qualifying period for promotion to the rank of Colonel.

12. That Lieutenant-Colonels appointed to Civil situations under Government on or after the date of this Our Royal Warrant shall be promoted to the rank of Colonel after eight years' service in the former rank, provided the nature of the Civil appointment be considered by our Governor General of India in Council and Commander-in-Chief in India calculated to give the Officer such practical experience as may afterwards prove advantageous to the Corps or Service to which he belongs.

13. That Field Officers, commissioned as such before the 20th June 1851, be allowed to rise by Brevet as heretofore; but no Officer promoted to the rank of Field Officer on or after that date, is hereafter to rise from the rank of Lieutenant Colonel to that of Colonel, otherwise than by five or eight years' service in the former rank, as provided in Clause 8, or as a reward for distinguished service, or by appointment to be Queen's Aide-de-Camp—except under the special provisions in Clauses 9, 10, 11 and 12.

14. Lieutenant-Colonels, who held that rank prior to the 20th of June 1851, shall be promoted by a special Brevet to the rank of Colonel,—commissions to bear date the 28th November 1854; and such of the said Lieutenant-Colonels as have been passed over by Officers who have attained the rank of Colonel, in conformity with the provisions of Our Royal Warrants of the 6th October and 3d November 1851, shall be restored to the respective places which they would have occupied as Colonels, had they been promoted in ordinary succession under the system of periodical Brevets.

15. That promotions shall be made from Captain to Major, and from Major to Lieutenant-Colonel, in succession, as vacancies occur in the Major-General's fixed establishment.

16. That any Captain, Major, or Lieutenant-Colonel may be rewarded by Brevet promotion for distinguished services in the Field.

17. That the commands of General Officers, and other situations on the Staff both at home and abroad, shall not be held for more than five years, unless by re-appointment under special circumstances.

Given at Our Court at Windsor, this thirty-first day of January 1859, in the Twenty-second Year of Our Reign.

By Her Majesty's Command,

STANLEY.

G. O. G. G. No. 1537 of 15th November 1859.—The following paragraphs of a Military letter from the Right Honorable the Secretary of State for India, No. 279 of the 19th August 1859, are published for general information:—

Having submitted to the General Commanding-in-Chief certain questions as raised by your Government in view to ascertain the practice in such cases in Her Majesty's British Army, I have received the following replies:—

Letter from —, dated 3d May 1859, No. 61, paragraphs 1 to 19 relative to the promotion of Officers to the rank of Colonel under the operation of the Royal Warrants, dated 7th October 1854 and 14th October 1858.

Question.

1st. Whether the period occupied by a Lieutenant-Colonel in joining his Regiment or appointment after his return from leave beyond sea should be reckoned in the qualifying period.

"Several similar cases have occurred in Her Majesty's British Army, and it has been ruled that an Officer so circumstanced must serve other two years to complete the period of five years prescribed in the Warrant of October 1858, and no allowance of time is conceded with reference to the near completion of the three years under the Warrant of October 1854, when the new Warrant came into operation."

2. The practice in promoting Officers to the rank of Colonel in Her Majesty's Indian Forces must be regulated accordingly.

Letter from the Secretary to the Government of India, Military Department, No. 1469 of 26th January 1859, to the Adjutant General.

In requesting you to move His Excellency the Commander-in-Chief to cause the decision of His Royal Highness the Field Marshal Commanding-in-Chief, submitted with your No. 732, dated 4th instant, in regard to the application of the term "temporary leave of absence" (in para. 2 of the Secretary of State's No. 234* dated the 16th July 1858, to be published in His Excellency's General Orders, I am desirous to suggest that, in order to prevent any misapprehension, it should be at the same time pointed out that the 'furlough to Europe' reckons as service for the rank of Colonel under the five years' rule only when the Major and Brevet Lieutenant-Colonel holds a qualifying Staff appointment, and not when he is in Command of a Regiment.

G. O. G. No. 197 of 19th August 1858.

Letter from the Military Secretary Horse Guards, dated 17th November 1858, to the Commander-in-Chief in India.

Having submitted to the Field Marshal Commanding-in-Chief your letter of the 25th September last, I am directed to intimate to your Excellency that His Royal Highness considers that the term 'temporary leave of absence,' used in the Secretary of State's Despatch quoted by you should be held to include 'Furlough to Europe,' in calculating the service for Colonel of a Major and Brevet Lieutenant-Colonel holding a qualifying Staff appointment.

From H. M.'s Secretary of State for India, to the Right Honorable the Governor General of India in Council, No. 27, dated 30th January 1861.

Sir,—Referring to my Despatch dated 31st December 1859, No. 446, on the subject of promotion to the rank of Colonel under the 8th Clause of the Royal Warrant of the 31st January 1859, I have to inform you, that a communication now received from the Horse Guards states that the Secretary of State for War has brought to the notice of the Field Marshal Commanding-in-Chief that the qualifying period in the rank of Lieutenant Colonel previously to obtaining the rank of Colonel was extended from three to five years, with the express view that no deductions from that period were to be made on account of leave of absence. His Royal Highness in consequence sees the necessity of rectifying the position of all Colonels promoted since October 1858, who may have had their promotion retarded by the practice of limiting the leave of absence to fifteen months in the five years.

2. A similar course is to be adopted by your Government with respect to all Colonels of Her Majesty's Indian Forces promoted under the Royal Warrant of 31st January 1859, whose promotion may have been retarded, under the restriction with regard to leave of absence published in General Order, dated 18th September 1860, No. 940.

Under instructions from the Right Honorable the Secretary of State for India, concurred in by His Royal Highness the Field Marshal Commanding-in-Chief, His Excellency the Governor General in Council is pleased to notify, with reference to Government General Order, No. 740, dated 20th May 1859, that the time passed by a Major and Brevet Lieutenant-Colonel in proceeding from the command of one regiment to that of another, the removal having been ordered on public grounds, is to count in full for promotion to the rank of Colonel, under Clause 9, of the Royal Warrant of the 31st January 1859.

No. 797 of 1868.—The following Military letter from the Right Honorable the Secretary of State for India, is published for general information:—

MILITARY, INDIA OFFICE, London, 16th July 1868, No. 231.

To His Excellency the Right Honorable the Governor General of India in Council.

Sir,—I have submitted, for the opinion of His Royal Highness the Field Marshal Commanding-in-Chief, your letter No. 113 of 23rd March last, and its enclosures, relative to a representation from * * * of the Madras Staff Corps, against the post-dating of his Commission as Colonel, and those of Officers similarly situated, with reference to Despatch No. 115 of 31st May 1866, which declared that the period during which an Officer not a substantive Lieutenant-Colonel is absent from his Command on any account whatever, can only be allowed to reckon as qualifying for the rank of Colonel under the eight years' rule.

2. I have been informed by His Royal Highness in reply, with reference to the provision of the Royal Warrant upon that point, that, in the case of a Major and Brevet Lieutenant-Colonel holding a qualifying staff appointment, it has been ruled that temporary leave of absence shall reckon toward his Colonelcy under the five years' rule, but that, in the case of an Officer of the rank of Major and Brevet Lieutenant-Colonel whilst absent from a Regimental Command, such period of absence is not allowed to reckon under the five years' rule.

"A reference on the subject having been made to the General Commanding-in-Chief, it has been ruled that leave of absence taken by a Brevet Lieutenant Colonel who has obtained that rank for service in the Field, is to reckon as part of the eight years' service required under the Royal Warrant of the 31st January 1859, to qualify for the rank of Colonel."

"It has been directed by the Secretary of State for War, with the concurrence of His Royal Highness the General Commanding-in-Chief, that Captains having Brevet rank as Field Officers, at present holding 'staff' situations as pointed out by the 8th Clause of the Royal Warrant of the 14th October 1858, are permitted to count their services in those situations towards the rank of Colonel, but no Captain holding Brevet rank of Field Officer, who may in future be appointed to such situations, will be allowed to count his services in them towards the rank of Colonel."

Fort William, 7th January 1861.

No. 14 of 1861.—The following paragraphs of a Military letter from the Right Honorable the Secretary of State for India, No. 408 of the 30th November 1863, are published for general information:—

I have received and considered in Council the Military letter from the Governor General dated 29th August last, No. 80 A, on the subject of the adoption, as regards Major-Generals of the Staff Corps, of the provisions of the Royal Warrant of 5th November 1860, which modifies, in favor of Officers promoted for service in the field, Clause 27 of the Royal Promotion Warrant of the 14th October 1858.

2. Previously to the receipt of his Lordship's letter, I had determined that the time passed by an Officer on leave of absence, rendered necessary by ill-health contracted on service, or in consequence of a wound received in action, shall be allowed to count towards the six years' service in the substantive rank of Field Officer required by the rule laid down in my Despatch dated 3rd December 1861, No. 467 (19), to entitle an Officer of the rank of Major-General to the unattached pay of that rank. Colonel C. Read, C. B., Aide-de-Camp to the Queen, is to have the benefit of this alteration.

3. I now authorize you to introduce the rule sanctioned in the Royal Warrant of 5th November 1860, and to declare an Officer of the Staff Corps who has been, or shall be hereafter, promoted to the rank of Field Officer by brevet for service in the field, who shall continue to serve uninterruptedly, on full pay, from the date of his promotion by brevet to the date of his obtaining the rank of Major-General, to be entitled to the unattached pay of that rank, notwithstanding he may not have served six years with the regimental rank of Field Officer with a Regiment, or in one of the situations specified in Clause 8 of the Royal Warrant of 31st January 1859.

Fort William, the 10th February 1864.

No. 117 of 1864.—The following Military letter from the Right Honorable the Secretary of State for India is published for general information:—

From Her Majesty's Secretary of State for India, to the Right Hon'ble the Governor General of India in Council, No. 445, dated 31st December 1863.

SIR,—I have received and considered in Council your Excellency's Military letter*

No. 56A, dated 29th July 1863, forwarding applications from the Officers Commanding the Guide Corps, 1st and 2nd Punjab Cavalry, and 2nd Punjab Infantry, soliciting that the period passed in command of Regiments of the Punjab Irregular Force may be considered as qualifying an Officer for promotion in the rank of Colonel, in like manner as such command counts in Native Regiments of any description under the orders of His Excellency the Commander-in-Chief.

2. My attention has been already drawn to this subject by your proceedings in the Military Department, Nos. 214 and 215 of the 5th March last, wherein it appears that the claim of a Lieutenant Colonel of the Bombay Army to promotion under the Warrant was considered subject to the inquiry as to whether the Regiment he commanded was or was not under the orders of the Commander-in-Chief; and I was, prior to the receipt of the Governor General's letter now under acknowledgment, in communication with His Royal Highness the Commanding-in-Chief on the subject.

3. I observe that the wording of my reply to the inquiry contained in the 7th paragraph of your letter, No. 83 of 17th June 1859, may have led to a misapprehension of the intention of Her Majesty's Government, and of His Royal Highness the Field Marshal Commanding-in-Chief upon this point.

4. In the paragraph referred to, your Government desired "to be informed whether the command of Irregular and Local Regiments is to be still considered as qualifying for promotion to the rank of Colonel;" and a reference having been made to the General Commanding-in-Chief on this subject, it was stated in reply "That His Royal Highness considers that the command of Local or Irregular Regiments, if held by an Officer with the rank of Lieut.-Colonel, may qualify for the rank of Colonel under the provisions of the Warrant."

5. There were, however, two descriptions of Native Forces, with a Regimental organization, viz., the 1st Military, consisting of Regiments employed on duties of a strictly Military character; and 2nd, the Police, consisting of Irregular bodies, which, though having a Military organization, were ordinarily employed upon Civil and Police duties.

6. It was not intended that the command of a Corps of the latter description should qualify for promotion under the 8th Clause of the Royal Warrant, and it was with a view of drawing a distinction between the two descriptions of Force to which I have referred, that the words "under the orders of the Commander-in-Chief," which did not occur either in your letter or in that of the Military Secretary to His Royal Highness, but which were adopted as expressing in a few words the distinction which it was intended to make, were inserted in my reply to your reference.

7. While the object of the distinction was to exclude Officers of Police Battalions from the operation of the 8th Clause of the Warrant, it was not intended to exclude from the privilege conferred by it, Officers Commanding Regiments of a strictly Military character, whether serving directly under the Commander-in-Chief, or placed, for reasons of State policy, under the Civil Government.

8. I request, therefore, that the terms of your Order No. 39 of 1859, which would seem to exclude from the benefit of Clause 8 of the Royal Warrant, Officers Commanding Regiments or Forces of the latter description, may be modified, and that the rule, as now explained, may be applied, with retrospective effect, to such Officers as may be already entitled to promotion to the rank of Colonel under its provisions.

9. Under the operation of this order, the Punjab Force, the Hyderabad Contingent, and all such bodies of Troops will be considered as forming a portion of the Standing Army, and Officers serving with those Forces will be entitled to all the privileges regarding promotion granted to the Officers of the Army at large, by the usage of the service, or under the provision of the Royal Warrant.

No. 118 of 1864.—The following Military letter from the Right Honorable the Secretary of State for India is published for general information:—

From Her Majesty's Secretary of State for India, to the Right Hon'ble the Governor General of India in Council, No. 446, dated 31st December 1863.

SIR,—With reference to my Despatch, No. 436 of 25th November 1862, I have to inform you that the rule laid down in a Circular from the Horse Guards, No. 61 of the 24th August 1860, extends to all Officers holding the rank of Captain regimentally with the Brevet rank of Lieutenant Colonel, who may be serving in positions qualifying for promotion to the rank of Colonel, under the 8th Clause of the Royal Warrant of 31st January 1859.

2. It is therefore to be considered as applying to Officers of that rank holding the command of Regiments in the Indian Army.

3. A Captain and Brevet Lieutenant Colonel appointed to the command of a Regiment before the publication in General Order of the Horse Guards' Circular of the 24th August 1860, count his period of command as qualifying service for the rank of Colonel, but a Captain and Brevet Lieutenant Colonel appointed to a similar Command subsequent to the publication, would not so count it.

No. 58 of 1865.—The following Military Letter from the Right Hon'ble the Secretary of State for India, No. 377, dated the 25th November 1864, and the Abstract of Rulings therein referred to, are published for general information:—

The principle of the Rules will apply to Officers of the Indian Army holding qualifying appointments as well as to Officers of the Staff Corps, similarly situated and whose promotion to the rank of Colonel is not provided for under paragraph 2 of the Staff Corps Warrant:—

INDIA OFFICE,

TO HIS EXCELLENCY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

SIR,—The Secretary of State for War has recently determined on a revision of the computations of qualifying service upon which Officers of Her Majesty's Service have obtained promotion to the rank of Colonel under the Royal Warrant of 1858.

2. An Abstract of the Rulings of the Secretary of State for War, in interpretation of the Warrant, which have governed the revisions in the cases of British Officers is herewith transmitted, in order that a similar course may be adopted in reference to Officers of Her Majesty's Indian Forces under the Warrant applicable to them.

SIR,—My letter dated 8th October 1861, No. 389, informed you that it had been determined that Officers holding the rank of Colonel and Lieutenant Colonel regimentally in the Royal Artillery were not, in future, to be seconded when holding Civil situations. My Despatch of the 24th March 1862, No. 124, further informed you that the Supernumerary Lieutenant Colonels of the Royal Artillery were to be absorbed into the Regiment as vacancies occurred, and directed that a similar rule should be established with regard to the Indian Brigades.

2. Circumstances have hitherto prevented the carrying out this intention in the Royal Artillery, and the measure has, in consequence, been suspended, as respects the Indian Artillery also.

3. I am now informed that it is determined that the absorption of the Supernumerary Field Officers of the old Brigades shall commence on the 1st April next, and that with this prospect in view, the Field Marshal Commanding-in-Chief has commenced the discontinuance of the practice of placing Field Officers of Artillery on the Supernumerary list.

4. The absorption of the Field Officers in the new Brigades will not be commenced until the process is completed in the old Brigades, but no Field Officers of either Brigade will be placed on the Supernumerary list after this date.

5. It is understood that the absorption of the Field Officers will be affected in the manner indicated in my letter, dated 24th March 1862, No. 124, by making only one promotion for every three vacancies.

PROMOTION TO COLONEL—QUALIFYING SERVICE.

No. 586 of 1867.—The following Despatch from the Right Hon'ble the Secretary of State for India, is published for general information:—

MILITARY.

No. 113.

INDIA OFFICE:

London, the 25th April 1867.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—Para. 1. With your Military letter No. 39, dated 28th February, paragraph 2, you transmit correspondence relative to qualifying service for promotion of Majors and Brevet Lieutenant-Colonels under the Royal Warrant of 31st January 1859.

2. As the Commander-in-Chief considers the point raised open to question, you state you are desirous of being informed whether the decision contained in your Officiating Secretary's letter No. 339, dated 11th February, is accurate, viz., that no portion of the time passed on leave by a Major and Brevet Lieutenant-Colonel (for field service) Commanding a Regiment, can count as qualifying service for promotion to Colonel, under the provisions of Clause 10 of the Royal Warrant of 31st January 1859.

3. The clause referred to is as follows:—

"That the rank of Colonel be given to Officers who obtain the rank of Brevet Lieutenant-Colonel for services in the field after eight years of actual service with that rank."

4. When the period qualifying the Lieutenant-Colonel for the rank of Colonel, which had been fixed by the Royal Warrant of 1854 at three and six years respectively, was raised by the Warrant of 1858 to the periods of five and eight years, it was understood that no deductions from the extended periods were to be made on account of leaves of absence. It was subsequently determined (July 1860) that in respect of Lieutenant-Colonels in India, a limit should be placed "on the period of absence to be reckoned as part of the five years qualifying for promotion to Colonel; and that fifteen months, being one-fourth of the whole period of five years, will be the term allowed, exclusive of leave obtained on medical certificate in consequence of wounds received in action."

5. This Regulation was to apply both to Her Majesty's British and Indian Forces serving in India.

6. Very shortly afterwards your Government were informed that, on a reference to the General Commanding-in-Chief, it had been ruled that leave of absence taken by a Brevet Lieutenant-Colonel who had obtained that rank for service in the field, was to reckon as part of the eight years' service required, under the Warrant of 31st January 1859, to qualify for the rank of Colonel. This decision was published in orders by your Government on the 21st September 1860.

7. You were informed recently that the practice under which leave of absence had been deducted from the five years' qualifying period, was to cease; and that the Field Marshal Commanding-in-Chief had seen the necessity of rectifying the position of all Colonels promoted since October 1858, who might have had their promotion retarded by the practice of limiting the leave of absence to fifteen months in the five years.

G. O. G.
14th June 1867,
No. 250.

8. Your Government were directed to adopt a similar course in respect to the Colonels of Her Majesty's Indian Forces.

9. Your Government will thus observe that, although a limit was at one time placed on the leave of absence to be taken by a Lieutenant-Colonel qualifying under the five years rule, it has at no time been intended that any deduction on account of leave of absence should be made from the service of the Brevet Lieutenant-Colonel qualifying under the eight years rule, under Clause 10 of the Royal Warrant. The only qualification required under this Clause is, that an Officer should continue to serve on full pay for the period of eight years from the date on which he obtained the rank of Lieutenant-Colonel for service in the field.

10. The questions put by Sir William Mansfield to your Government, were as follow:—

1st.—Whether the period passed on leave by a Major and Brevet Lieutenant-Colonel Commanding a Native Regiment, is to be reckoned under Clause 10 of the Royal Warrant of 31st January 1859?

2nd.—Whether leave of absence, which has been allowed to count as service for pension, is to be deducted from the qualifying service of Captains and Majors holding command of regiments with the army rank of Lieutenant-Colonel?

11. With regard to these questions I have to remark as follows:—

12. Under the decision communicated to your Government on the dates noted in the margin, the command of Native Regiments held by substantive Majors being Brevet Lieutenant-Colonels, is to qualify for promotion to the rank of Colonel under the

five years rule, in accordance with the provisions of Clause 9 of the Royal Warrant. Under the rulings of the Secretary of State for War, published in Orders in India on 13th January 1865, in respect to Clause 9, a regimental Major being a Brevet Lieutenant-Colonel, can only count the period he actually held command of a regiment towards the five years. On ceasing to exercise the command, he would, if a Brevet Lieutenant-Colonel for service in action, be in the same position as the Captain and Brevet Lieutenant-Colonel referred to in Sir Charles Wood's Despatch of 17th November 1864, No. 356, paragraph 5, that is, he would revert to the 10th Clause of the Warrant whilst on leave. The decision of the Field Marshal Commanding-in-Chief to this effect was communicated to you in Lord de Grey's Despatch dated 31st May 1866, No. 115. In this Despatch you were informed that, by the rules which govern the promotion of Officers of the British Service, the period during which an Officer, not a substantive Lieutenant-Colonel, is absent from his command on any account whatever, can only be allowed to reckon as qualifying for the rank of Colonel under the eight years rule.

13. The privilege under which leave of absence is, in certain cases, allowed to count as service for pension, relates to retirement on full pay only, and has no bearing on promotion under the Royal Warrants.

I have, &c.,

No. 10.

Under instructions from the Right Honorable the Secretary of State for India, and in accordance with the rule which obtains in the British Army, mixed qualifying periods of service for promotion to the rank of Colonel when there happen to be fractions of days will be computed as follows:—

The five years will be considered as completed if the number of days, together with the fractions of days, amount to more than 1,825½ days, but another day's service will be required if the fraction in the total is only equal to, or less than, half a day.

No. 231 of 6th March 1872.—The following paragraphs of a Military letter from the Right Hon'ble the Secretary of State for India, No. 11 of the 18th January 1872, and the Royal Warrant* therein referred to, are published for general information:—

Para. 1.—In your letter No. 311, dated 26th September 1871, you express your concurrence in the proposals made in my Despatch of 13th January 1869, for regulating the Army promotion of Officers of the local service from the time that the 19th and two following clauses of the Royal Warrant of 13th June 1864 should come into operation.

2. In order to carry these proposals into effect, a Royal Warrant, dated 21st December 1871, has been issued, 20 copies of which are forwarded herewith, as well as copy of correspondence* with the War Office on the subject. You will observe that opportunity has been taken to consolidate the various Regulations in existence with respect to the promotion of the Officers of Her Majesty's Indian Forces.

3. It will rest with your Government to keep the necessary lists, and to notify the promotions or removals of the names of Officers from rank to rank, as the case may be, in succession to vacancies caused by the deaths of General Officers, up to the rank of Lieutenant-Colonel. The promotions amongst the General Officers, and from the rank of Colonel to that of Major-General, will be made, as heretofore, in this country.

No. 75.

4. On occasions when no actual promotion in or to General rank takes place, but a name in italics is removed from one grade to another, no notification will be made in the *London Gazette*; but I consider it advisable that the fact should be published in your local Orders. For this purpose, you will be kept duly informed of all vacancies, and of the alterations in the list occasioned by them.

5. On the death of Lieutenant-General Sir G. I. Jameson on the 24th October 1871, clauses 10, 11, and 12 of the Warrant of 15th June 1864 came into operation. The Senior Colonel of the British Army became a Major-General, the Staff Corps Officers were transferred to the Imperial List,† and, under the provisions of the Warrant now forwarded, the name of Colonel

VICTORIA R.

Whereas it has been represented to Us that it is expedient to make further Regulations for governing the Promotion in the Army of the Officers of Our Indian Forces, Our will and pleasure is that the Regulations annexed to this Our Royal Warrant be established and be the sole Regulations under which the Promotion in the Army of such Officers shall be effected.

Given at Our Court at Windsor this 21st day of December 1871, in the Thirty-fifth Year of Our Reign.

By Her Majesty's Command.

ARGYLL.

REGULATIONS FOR THE PROMOTION OF INDIAN OFFICERS, SO FAR AS RELATES TO RANK IN THE ARMY.

1. Field Marshals shall be appointed at the will of the Sovereign, and the rank shall be conferred without reference to seniority.

2. The names of General Officers shall be borne upon three separate lists. The first shall contain the names of those on the fixed establishment; the second, those who having been promoted out of their regular turn are supernumerary to the fixed establishment; and the third, those who have retired from the service with the honorary rank of General Officers.

3. The fixed Establishment of General Officers shall be the following:—

Generals ..	...	...	...	...	33
Lieutenant-Generals ..	...	...	...	...	53
Major-Generals ..	...	...	...	...	87

TOTAL... 173

4. Promotion on the establishment from the rank of Lieutenant-General to that of General, and from the rank of Major-General to that of Lieutenant-General, shall be made as vacancies occur, according to seniority, subject, however, to the provision laid down in the last paragraph of clause 11.

5. Every vacancy on the establishment of General Officers shall be filled by the promotion of the Senior Colonel, subject to the provision in the last paragraph of clause 11, or by the transfer of a General Officer from the supernumerary list as provided in clause 8.

6. Temporary rank and command as General, Lieutenant-General, or Major-General, may, for the convenience of Our Service, be conferred, without regard to seniority, on Lieutenant-Generals, Major-Generals, or Colonels respectively; and if the Officer during the continuance of such temporary rank and command shall have conducted himself to Our satisfaction, the rank so held may, upon the recommendation of Our Governor-General in Council, be converted into permanent rank after having been held for five years in time of peace or for any shorter period in the field during war. A Colonel who shall vacate an appointment as temporary Major-General, and whose temporary rank shall not have been made permanent, may, upon the recommendation of Our Governor-General in Council, be made an honorary Major-General, and shall retain that rank until he succeeds to the establishment in virtue of his seniority on the list of Colonels.

7. Promotion may be conferred upon a Lieutenant-General, Major-General, or Colonel, without regard to seniority, for distinguished service in the field, and in such case the recommendation of Our Governor-General in Council, detailing the services for which the Officer is promoted, shall be published in the General Orders of Our Indian Military Forces, and in the *London Gazette*.

8. An Officer not below the rank of Colonel, promoted after temporary service in a higher rank, or for distinguished service in the field, shall be borne as supernumerary, and shall not be placed on the establishment in his new rank until the time when he would have attained such rank by seniority, that is to say, when the surviving Officer who stood next senior on the list to the Officer promoted under clause 6 or 7, shall have attained the same rank on the establishment, the next vacancy shall be filled by the transfer of the supernumerary General Officer to the establishment.

9. A supernumerary Major-General, who has been promoted after temporary service, and absorbed, under clause 8, into the establishment, shall have seniority according to the date of his permanent rank as Major-General, and shall rise to be Lieutenant-General and General, whether before or after his absorption into the establishment, in accordance with that seniority. A supernumerary General Officer who has been promoted for distinguished service in the field, and absorbed under clause 8, shall take his seniority from the date of his promotion as published in the *London Gazette*.

10. The Officers of the Staff Corps on the Indian list having been transferred to the General List of the British Army, according to the regulations contained in clause 39 of Our Royal Warrant of the 27th of December 1870, their names shall be retained on the Indian List in italics, until their death or retirement, for the purpose of regulating the promotion of the Officers below them on that list.

11. On the occurrence of a vacancy in the fixed number of General Officers on the Indian List, specified in clause 3 of this Warrant, whether among those who remain effective on that list, or among those whose names are merely retained in italics, and who shall be considered as forming part of the said fixed establishment, the name of the Senior Officer in each grade on the Indian list below that in which the vacancy

(may occur (with the exception of the grade of Lieutenant-Colonel,) shall be moved up to the next higher grade; but in the case of the Officers whose names remain in italics, there shall be no actual promotion, the arrangement being limited to the transfer of the names for the purpose of regulating the promotion of those Officers who remain effective on the Indian List; and the promotion of an effective Colonel on the Indian List to the rank of Major-General shall in no case be affected by casualties among the General Officers of the Staff Corps, until the number of General Officers to be added to the British Establishment under clause 24 of Our said Royal Warrant of the 27th of December 1870 shall be complete.

12. The rank of Brigadier-General shall be local or temporary only.

13. A Lieutenant-Colonel may attain the rank of Colonel—

Royal Warrant.

VICTORIA R.

Whereas it is expedient to provide a body of Officers for Our service in India, by whom various offices and appointments hitherto held by Officers borne on the strength of the several Corps or Regiments of Our Forces in India shall in future be held; and whereas Our Secretary of State for India in Council has resolved to charge upon the revenues of India the sum necessary to provide the pay, half-pay, and pensions of such body of Officers on the scale hereinafter contained. Our will and pleasure is that a Corps be formed in each of the Presidencies of Our Indian dominions, to be denominated the Bengal, Madras and Bombay Staff Corps, respectively, to consist of such Officers as may be required for such employment, and are selected for such purpose by Our Governments in India, with the approbation of Our Secretary of State for India in Council.

It is also Our will and pleasure, that all Officers now holding, or who immediately before the commencement of their present unexpired furlough may have held such appointments and in future Officers belonging to any of Our land forces serving in India, under the rank of Regimental Field Officer, who shall have served three years with a Regiment, of which two shall have been in India, shall be eligible to enter such Staff Corps; but such Officer will not be permanently transferred to the Staff Corps, unless fully qualified, and until they shall have passed such periods of probation as may be determined on for the branch of the Indian Service for which they may be selected. Officers will receive commissions in the Staff Corps on their names being submitted to Us by Our Secretary of State for India.

It is Our further will and pleasure that the promotion and pay of the Staff Corps shall be regulated as follows:—

1. Ensigns, when permanently transferred to the Staff Corps, to have the rank of Lieutenant. Other Officers to have the rank which they may hold in their Regiments.
2. Promotion in the Staff Corps to be governed by length of service. Officers after twelve years' service, of which four must have been in the Staff Corps, to become Captains.
- After twenty years' service, of which six must have been in the Staff Corps, to become Majors.
- After twenty-six years' service, of which eight must have been in the Staff Corps, to become Lieut. Colonels.
- Five years' service in the Staff Corps as Lieutenant Colonel to entitle the Officer so employed to the Brevet rank of Colonel.
3. Officers now in Staff employment in India, joining the Staff Corps on its formation, shall count their previous Staff service towards promotion to the following extent:—
One step of rank will be given to every Officer whose period of service would qualify him for it, according to the above rules. An interval of two years at least must intervene between each succeeding step.
4. Officers in the Staff Corps will be eligible for Brevet rank in common with the rest of the Army.
5. Officers of the Staff Corps holding Military appointments will take Military command according to their Army rank; but Officers whilst holding only Civil appointments will not be entitled to assume such command.
6. Exchanges may be allowed between Officers of the Staff Corps under the substantive rank of Field Officer and Regimental Officers of the same rank on the recommendation of the Indian Governments. Officers of the Staff Corps exchanging into a Regiment will become the Juniors of their Regimental rank.
7. The power of removing Officers from the Effective List of the Staff Corps will be exercised by Us through Our Secretary of State for India.
8. Officers of the Staff Corps will receive pay according to the following scale:—

	Rs. A. P.	£ s. d.
General Officers.....	1,225 5 0 per mensem.	1 5 0 per diem.
Brevet Colonel & Lieut. Colonel.....	827 14 0 "	1 0 0 "
Major.....	610 14 0 "	0 16 0 "
Captain.....	374 1 6 "	0 10 6 "
Lieutenant.....	225 12 0 "	0 6 6 "

Every Officer when in active employment will also receive, in addition to the above pay, such a sum as will make his total pay and allowances up to the sum assigned by the Governments in India, with the approval of the Secretary of State for India in Council, as the consolidated pay of the office which he may hold. Eventually a certain proportion of the senior Officers of the Staff Corps will receive Colonels' allowance.

9. Officers of the Staff Corps will be allowed to retire on the following scale of Pension, provided that not less than half of the required periods of service shall have been passed in the Staff Corps:—

	SCALE.	£ s. d.
After 20 years' service in India.....	121 12 0 per annum.	
" 24 " "	222 0 0 "	
" 28 " "	265 0 0 "	
" 32 " "	456 5 0 "	

Officers of Her Majesty's Indian Forces joining the Staff Corps will be entitled to Pensions under the Regulations of the Indian Service.

10. Officers of the Staff Corps in England who may not wish to retire, but who are unable to return to India, and Officers removed from the Effective List, who may not be entitled to retire on the above scale of Pension, will be placed on a Half-pay List, provided they have served three years in India in the Staff Corps, on the same rate of Half-pay and on the same conditions as Officers of a similar rank in Our Army.

11. It is also Our will and pleasure that this Warrant shall be administered and interpreted by Our Secretary of State for India in Council, who shall be the sole and standing authority upon the matters therein contained. Given at Our Court at Windsor, this Sixteenth day of January 1861, in the Twenty-fourth year of Our Reign.

By Her Majesty's Command.

(Signed) CHARLES WOOD.

Staff Corps.

66. The organization and regulations of the Staff Corps to be formed in the several Presidencies are given in full detail in the Royal Warrant and the Despatch No. 27, now published. The object of forming the Staff Corps is to supply a body of Officers for service in India, by whom various offices and appointments, hitherto held by Officers borne on the strength of the several Corps of Indian Forces, shall in future be held; it having been resolved that the practice of withdrawing Officers for such employment, while remaining on the strength of their Regiments, be discontinued, and that ultimately all Officers selected for such employment be transferred to Staff Corps.

67. These Corps will be denominated the Bengal, Madras and Bombay Staff Corps respectively, and will consist of such Officers as may be required for employment therein, and may be selected by the Governments of the several Presidencies, with the approbation of the Secretary of State for India in Council.

68. Officers of the British and Indian Armies now on Staff employ in India, not having the substantive rank of Colonel, are eligible for admission to the Staff Corps; and Officers of either Service under the rank of Field Officer, not now on the Staff, may, now or hereafter, become candidates.

69. Officers at present holding Civil and Political appointments of every description, and appointments in all Public Offices and Departments; Officers holding Military appointments on the General and Personal Staff, and the appointments of Commandant, second in Command, and Adjutant of Irregular and Local Corps; of Adjutant and Interpreter and Quarter Master of existing Local European and Native Regiments;—will be held to be now on Staff employ, and will be eligible, under the conditions hereafter noted, to have their names placed on the list of the Staff Corps; but Officers doing duty with Irregular and Local Regiments will not be regarded as being now in Staff employ.

70. So soon as the proposed changes in the organization of the Regular Native Regiments shall have come into operation, the whole of the Officers who will be permanently attached to them will be held to be on Staff employ.

71. There will then be, as at present, two great divisions of employment for Officers of the Staff Corps:—

- 1st. Purely Military, as in Regiments of the Native Army.
 - 2nd. Various Civil appointments, as Political, Public Works, &c.
- There will also be practically many sub-divisions of employment, for each of which there will be, as at present, separate Departmental Lists.

72. Officers of the Indian Army now holding Staff appointments of any description, will have the option of joining the Staff Corps if they do not possess the substantive rank of Colonel, or of continuing in Staff employment, whatever their Regimental rank, without joining the Staff Corps; and in the latter case they will not, as heretofore, be required to vacate their appointments on the attainment of a certain Regimental rank. This paragraph does not affect the provisions of paragraph 45.

73. Officers of the Indian Army not now on the Staff, nor having the substantive rank of Colonel, but who within the last three years, or who, at the commencement of their present unexpired furlough, may have served permanently on the Staff, and who may make application within the next six months, will be considered eligible to join the Staff Corps on the same terms as those now on Staff employ; provided always that they have passed the prescribed examination in Hindoostanee, and that they did not lose their appointments through misconduct, and are not otherwise disqualified.

74. Officers of the British Army, now in Staff employment, will have the option of declaring their desire to be transferred to the Staff Corps, with the consent of the Commander-in-Chief in India, within six months from the date of the notification of the Royal Warrant in India; or of retaining their appointments on their present footing, if their services are required by Government, for the unexpired portion of a period of five years from the date of their appointment, unless the Regiments to which they belong shall be previously removed from the Indian Establishment.

75. Those whose tenure of Staff appointments, at the time of transfer to the Staff Corps, shall have exceeded one year, will not be subjected to probation, or to any introductory test other than those already prescribed for any department in which they may be serving; but Officers who may have held their appointments for less than one year will not be transferred permanently to the Staff Corps unless they possess the requisite qualifications, to be hereafter laid down, and shall have completed the period of probation to be prescribed. The option of joining the Staff Corps will be open to those Officers only who may be considered by the Governments under which they are serving to be in all respects fit for the Staff Corps.

76. Appointments on the General Staff of the Army specified in the margin, can only be held for five years; they may be held by Officers of the Staff Corps, or by other Officers of either Army, but will be subject henceforward to the limitations as to rank, which are laid down in "The Queen's Regulations and Orders for the Army," in Clauses 39 to 33 of the Section entitled "Duties of General and other Officers employed upon the Staff of the Army."

77. Officers now holding such appointments will not be required to vacate them for a period of two years from this date, or a period of seven years from the date of their appointment.

78. Officers not having the substantive rank of Colonel, now holding appointments on the Staff, as defined in paragraph 69, will at once be called upon to declare whether or not they desire to join the Staff Corps, to enable such Officers to avail themselves of the advantages in the way of promotion, notified in paragraphs 84 and 85, they must communicate their decision to the Adjutant General within six months of the date of the publication of the Royal Warrant in India.

79. The selection of Officers hereafter, for the Staff Corps, will rest with the Governments in India, but no Officer serving with any Regiment will be admitted on probation without the consent of the Commander-in-Chief, or without a certificate from the Commanding Officer of his Regiment, that he has efficiently performed his Regimental duty for the period prescribed in paragraph 80.

80. For the future, Officers not on the Staff will not be eligible for the Staff Corps unless they be below the rank of Regimental Field Officer, and have served three years with a Regiment, of which two must have been in India, and have past the prescribed examination in Hindoostanee. They will not be permanently appointed to the Staff Corps, unless, after due probation, they shall pass the prescribed tests for the branch of the Indian Service for which they may be selected. This rule applies equally to Officers of the British and Indian Armies.

81. A subsequent notification will prescribe the period of probation and the tests of qualification in the several Departments.

Officers of twelve years' service, of which four must have been in the Staff Corps, will become Captains. After twenty years' service, of which six must have been in the Staff Corps, they will become Majors. After twenty-six years' service, of which eight must have been in the Staff Corps, they will become Lieutenant-Colonels.

Five years' service in the Staff Corps as Lieutenant-Colonel, will entitle the Officer so employed to the Brevet rank of Colonel.

85. Officers now in Staff employment will be allowed to count, to the extent laid down in the Royal Warrant, as noted in the preceding paragraph, their past service towards promotion, as if it had been performed in the Staff Corps. One step of rank will be given to every Officer whose period of service would qualify him for it according to the above rules, an interval of two years at least must intervene between each succeeding step. But these privileges will be restricted to those Officers who, whether now in India, or on leave out of India, may declare their desire to be transferred to the Staff Corps within six months of the date of the notification of the Warrant in India.

employment, will, on their return to India, be placed on the rates of pay specified in the Royal Warrant for Officers respectively "while required to remain in India," and such rates of pay they will retain for one year, within which time it will be the duty of the Government of India to find suitable employment for them if possible, but failing in this, the allowances above noted will be continued until an opening for employing them can be found.

No. 403 of 1866.—The following Extract from General Orders by the Government of India, is re-published:—

Fort William, the 15th December 1866.

No. 1062 of 1866.—Under the authority of the Right Honorable the Secretary of State for India, His Excellency the Governor General in Council is pleased to notify that Officers joining the Staff Corps under Government General Order No. 898* of the 26th September 1866, will not be liable to be placed on half-pay under Government General Order No. 826† of 17th September 1861, upon any grounds, other than such as would have justified their removal from the effective strength of the Army had they not joined the Staff Corps.

Revised Table of Staff Salaries.

FORT SAINT GEORGE, 6th November 1863.

No. 332 of 1863.—The following Extracts from General Orders by the Government of India, are re-published:—

Simla, the 13th October 1863.

No. 156 A of 1863.—Under the authority and direction of the Right Hon'ble the Secretary of State for India, as conveyed in his Despatch No. 311, dated the 31st August last, a revised Table of Staff salaries for the three Presidencies is published, and the Extracts of Sir Charles Wood's Despatch on the subject, as given below, are promulgated for general information.

2. Officers whose appointments are not specified in the Table of revised salaries will draw pay as at present, and further orders will hereafter be issued with respect to the Office Establishment of those Staff Officers who have hitherto drawn an Office allowance, such as Assistants Adjutant General of Divisions and Majors of Brigade.

3. With reference to paragraph 29 of Sir C. Wood's Despatch, it is announced that the Despatch was received by His Excellency the Governor General on the 30th September. Increased pay, were granted by this order is therefore claimable for the month of September.

Para. 1.—"Your several letters noted in the margin, relating to the salaries to be attached to Offices held by Military Officers in India, have been under my consideration in Council, and I have now to communicate to your Lordship the decision which, after an attentive perusal of the several papers which accompanied your letter, Her Majesty's Government have arrived at upon this subject.

Financial Despatch, No. 70, May 26th, 1862.
Military Despatch, No. 10, January 3rd, 1863.
Military Despatch, No. 31, January 18th, 1863.
Financial Despatch, No. 23, February 19th, 1863.
Military Despatch, No. 160, May 22nd 1863.

2. The Committee of Secretaries appointed by your Government to consider the subject, have gone very carefully into the whole question, and have submitted a very valuable Report, which has greatly tended to facilitate and simplify the consideration of this important matter.

3. They observe of the Royal Warrant for the formation of the Staff Corps in India that, after fixing the scale of pay to be received by Officers attached to them while in India, and when out of India, it further provides that every Officer when in active employment will also receive, in addition to the above pay, such a sum as will make his total pay and allowances up to the sum assigned by the Government of India, with the approval of the Secretary of State for India in Council, as the consolidated pay of the office which he may hold.

4. Having consulted the several Governments, as well as the Chief Political and Military Officers of the Government, the Committee propose for adoption the following principles:—

1st.—That the salaries of Military Officers holding appointments connected with the Civil administration of the country should be consolidated and fixed without reference to the rank of the incumbent.

2nd.—That in the case of Military Officers in Staff employ, a certain salary should be fixed for every appointment, and that the incumbent should receive such fixed salary in addition to the Staff Corps pay of his rank.

3rd.—That this latter principle should apply to the Department of Public Works.

5. I concur generally in the principles here laid down, with some exceptions to be hereafter pointed out, as regards the Officers in Military Staff employ.

10. I have considered it necessary to deviate in some respects from the rates of salary proposed by the Committee, and I now forward, for the information of your Government, a Table of salaries which Her Majesty's Government have resolved upon, for the several offices enumerated in their report.

11. You will observe from the Table that, while adhering generally to the principle of allotting a Staff salary in addition to Staff Corps pay, it has been determined to fix the salaries of some few of the higher offices at a consolidated sum.

12. In the case of the other appointments it is to be understood that the Staff salary now fixed, plus the Staff Corps pay due to the Officer's rank, will constitute the maximum amount to be drawn by an Officer of that rank holding the office in question, whether such Officer belong to the Staff Corps or not. In the case of appointments held by Officers belonging to Her Majesty's British Forces, such maximum amount will include any pay or half-pay that may be paid to them in England.

13. I approve of the rule proposed by the Committee that in all cases where any allowance for "Office" is made, as in the case of Assistants Adjutant General, Brigade Majors, and others, it should be distinctly understood that the allowance is to be drawn only by Officers actually discharging the duties of the appointment, and that no further charge can be allowed for providing an office.

* Madras G. O. G. 12th October 1866, No. 374.

† Do. do. 1st do. 1861, No. 111

14. It is desirable that, whenever possible, the Public Offices should be located in public buildings, and it should be a standing Rule that all bills for Office allowance should be supported by a Certificate from the proper authority, that no public building was available for such Office.

15. I am of opinion, however, that Office Establishment should, as a general rule, be maintained according to a regulated scale, and should be paid on abstracts, supported by the usual monthly Muster Roll.

16. The principle laid down in the 4th Clause of the same paragraph has, you will perceive, been observed in the rate of salary allotted to the heads and Subordinate members of Departments at the several Presidencies; but I have extended to the Deputies of the Army Department at Head Quarters in Bengal the benefit of the Rule which gives to the Chief of those Departments a higher rate of salary than at Madras or Bombay.

19. In the 2nd Clause of the 10th paragraph, the Committee observe "that, referring generally to the expensive rates of living in Presidency Towns, we think that the principle of allowing house rent may be generally adopted at the rates marginally shown, and we would recommend that it should be made applicable to the Presidency Town of Madras, as well as to Calcutta and Bombay."

20. I approve of the proposed scale, which will apply to officers at each Presidency not drawing consolidated salaries.

23. The scale of salaries now sanctioned, will be brought into operation and made to apply in all cases where there is no reduction in the present aggregate salary, on the payment due on the first of the month succeeding the receipt of this order.

30. Reduction of salaries effected by this order are not to be made to effect present permanent incumbents, or those who are officiating for such permanent incumbents, being temporarily absent from their duties.

4. Separate orders will be issued regarding the Staff salaries to be allowed to officers serving with Native Corps.

The Secretary of State's Despatch having been received on the 14th December 1863, increased pay, where applicable by this order, is claimable for the month of December.

21. 4 of 1863.—His Excellency the Governor General is pleased to publish the following extracts of a Despatch from the Right Hon'ble the Secretary of State for India, No. 311, dated 31st August 1863, regarding the acting allowances of Military Officers in Civil employ, the provisions of which are applicable to all Presidencies.

22.—With your Despatch, No. 23, in the Financial Department, you forward a further Report from the Secretary of State regarding the absentee and acting allowances of Military Officers in Civil employ, with a recommendation by your Financial Secretary.

23.—You concur generally in the recommendations of the Secretaries, with the amendments noted by the Secretary, and propose the adoption of the following principles:—

That every Military Officer in Civil employ when on leave should draw pay under the Military Rules; and that every Military Officer when acting in any Civil appointment should draw his Civil pay under the Civil Rules.

24.—Upon these two principles you propose the following Rules for the Officer on leave:—
A Military Officer in Civil employ on leave, either in India or in England, shall draw precisely the pay which he is entitled to draw under the Military Leave Rules, except when on privilege leave as hereafter specially provided.

25.—The pay shall be provided from the Civil Department excepting only in cases where the allowances so drawn exceed the entire Civil pay of the appointment, when the excess will be paid by the Military Department. The salary of any Officer shall be held to be the difference between the Indian pay and allowances of his rank and the salary of his permanent appointment.

26.—For the Acting Officer your Government proposed the following Rules:—

A Military Officer acting for another in Civil employ shall draw deputation allowance under the rule by which the allowance is granted to Government Civil Servants.

27.—The Officer be in Military Staff employ, such deputation allowance will be given in addition to his pay and allowances, plus half the Staff pay of his substantive appointment.

28.—If the Officer hold no substantive Staff appointment, Civil or Military, it will be given in addition to his pay and allowances.

29.—A Military Officer in Civil employ performing the duties of his substantive appointment, and at the same time officiating in another, is entitled to his substantive salary, and in addition to a deputation allowance of 20 and 10 per cent. on the Staff salary of the appointment in which he is officiating, provided the pay of his substantive appointment, with the addition of the deputation allowance, does not exceed the pay of his substantive appointment.

30.—An Officer acting for his principal or for any other Officer at the same Station, is not entitled to deputation allowance for the first month while so acting, unless he is required to act on two occasions within the period (say twelve months), in which case he draws deputation allowance for the whole period during which he has held the appointment in excess of one month as if he had acted continuously.

31.—A Military Officer proceeding from one Civil appointment to another, shall be allowed to draw, during the period of transit, out of the salary of the office he is about to join, a sum equal to that of his substantive situation. This Rule to be preceded by an Order making the Civil Rules for jointing time applicable to Military Officers in Civil employ.

32.—A Military Officer in Civil employ can take three months' cumulative privilege leave (under the Civil Rules) and must earn it by thirty-three months' continuous service in the Civil Department alone.

33.—These several Rules are approved of.

CAMP MEEAN MEER, THE 29TH OCTOBER 1863.

21. 4 of 1863.—In continuation of General Order No. 156A of the 13th instant, the annexed scale of salaries hereafter to be allowed to Officers serving with Native Regiments under the new organization is published for general information, and with reference to this scale an extract (paragraphs 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100) of Sir Charles Wood's Despatch, No. 311 of the 31st August last, is also published for information and guidance.

27.—The rules now laid down are applicable to such Corps under their Excellencies the Commanders-in-Chief of Bengal and Bombay Armies as now are or may hereafter be placed on the new organization, and to the Cavalry and Irregular Force.

28.—In other Irregular Corps no alteration is made in the Establishment, position or duties of Officers, but Commandants, Adjutants, Seconds in Command, and Doing Duty Officers are entitled to the increased pay.

Extract, Secretary of State's letter, No. 311, dated 31st August 1863, paragraphs 23 to 30.

Para. 23. I have given much and careful consideration to these proposals.

24. I am of opinion that the salaries attached to these Regimental appointments should be such as to place them at least on a footing of equality with the average of the Staff appointments commonly held by Officers of similar rank and standing in the service, and while they should not be so far superior to the latter as to induce those to seek them whose natural tastes and qualifications might not otherwise incline them to this important branch of the Service, it is important, on the other hand, that young Officers, who, on first joining the Staff Corps, will frequently be employed with Native Troops, should not, if naturally fitted for Military Service, be tempted to relinquish it by the attraction of superior emoluments of other staff employments.

25. With these principles in view, and making due allowance for the advantages enjoyed by Staff Corps Officers in regard to promotion, and the comparatively early period at which they will attain the pay for the higher ranks, I am willing to sanction the scale of Staff allowance proposed by your Government for the Officers serving in different capacities with Native Regiments, which, though liberal, will probably not be found excessive.

26. In the case of the Regimental Adjutant, however, it appears desirable that an Office Establishment should be prescribed, which should be maintained and paid upon Abstracts supported by the usual Muster Rolls.

27. I learn from your Despatch No. 10, dated 3rd January 1863, that you have completed the Native Regiments in Bengal to six regularly attached and paid European Officers; exclusive of the Medical Officers, as announced in your General Order of the 13th December 1862, it being distinctly understood that the appointments made under that decision are held subject to such modifications as may be found necessary on receipt of my further instructions on the general question, and that you have authorized the Government of Bombay to extend the rule to such Regiments in that Presidency as are formed and officered according to the new organization.

28. I approve of these proceedings and shall await the result of your reference to the Government of Madras upon the introduction of the new system into the Army, of that Presidency.

29. The scale of salaries now sanctioned will be brought into operation and made to apply in all cases where there is no reduction in the present aggregate salary on the payment due on the 1st of the month succeeding the receipt of this Order.

30. Reductions of salaries effected by this Order are not to be made to affect present permanent incumbents, or those who are officiating for such permanent incumbents being temporarily absent from their duties.

Medical Department.

1. The grades of Medical Officers in Our Indian Military Forces shall be four in number, viz:—

No. 311 of 1868.—The following Military letter from the Right Hon'ble the Secretary of State for India is published for general information:—

MILITARY INDIA OFFICE;
No. 305. London, 31st August 1863.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR.—In the Royal Warrant of 1866, regulating the pay and promotion of Officers and Soldiers of Her Majesty's British Service elsewhere than in India, it is ruled, by Clause 237, that "a Surgeon of less than twenty years' full-pay service may be promoted to the rank of Surgeon-Major for distinguished service."

2. Her Majesty's Government have determined that this regulation shall be held applicable to the Indian Medical service. It is to be remembered that this promotion is not brevet, but substantive, and that it will carry with it the advantages of increased pay, &c., which appertain to the rank of Surgeon-Major.

3. You will observe that, by the enclosed extract of the Royal Warrant above mentioned, it is necessary that "the recommendation detailing the services for which the Officer is proposed for promotion for distinguished service shall be published in the General Orders of the Army and in the Gazette in which such promotion shall appear."

I have, &c.,
(Signed) STAFFORD H. NORTHCOTE.

Extract from the Royal Warrant, 1866, Part 1.—Pay.

Clause 237.—A Surgeon after twenty years' service in any rank shall be styled Surgeon-Major, but a Surgeon of less than twenty years' full-pay service may be promoted to the rank of Surgeon-Major for distinguished service. The recommendation detailing the services for which the Officer is proposed for promotion for distinguished service shall be published in the General Orders of the Army and in the Gazette in which such promotion shall appear.

2. No Candidate shall be admitted to the competitive examination for a Commission in the Medical Department of Our Army who does not possess such a certificate or certificates as would qualify a civilian to practice Medicine and Surgery.

3. No Assistant Surgeon shall be eligible for promotion to the rank of Surgeon until he shall have passed such examination as Our Principal Secretary of State for India in Council may require, and shall have served in India with the Commission of Assistant Surgeon for five years, of which two shall have been passed in or with a Regiment.

4. A Surgeon, whether on the Staff or attached to Regiments, must have served ten years in India, of which two must have been passed, with the rank of Surgeon, in or with a Regiment, or as a Civil Surgeon, before he will be eligible for promotion to the rank of Deputy Inspector-General of Hospitals.

5. A Deputy Inspector-General of Hospitals must have served three years in India before he shall be eligible for promotion to the rank of Inspector-General.

In cases, however, of emergency, or when the good of the service renders such alteration desirable, it shall be competent for the Governor-General in Council to shorten the several periods of service above-mentioned, in such manner as he shall deem fit and expedient.

6. Assistant Surgeons shall, as a general rule, be promoted to the rank of Surgeon in the order of their seniority in the service, unless unit for the discharge of their duties from physical or professional incompetence or misconduct. In cases of distinguished service, however, an Assistant Surgeon may be promoted by Brevet, without reference to seniority, and in such cases, with a view to insure the responsibility attaching to an appointment made out of the regular course of promotion, the recommendation in which the services of the Officer shall be detailed shall be published in the General Orders of Our Indian Military Forces, and in the Gazette in which his promotion appears.

Relative rank shall carry with it all precedence and advantages attaching to the Military rank with which it corresponds, and shall regulate the rates of lodging money, number of servants, rations of fuel and light, or allowances in their stead, except for Officers and others to whom special rates have been assigned, detention and Prize Money, according to the regulations, and upon the conditions, in force, from time to time; but such relative rank shall not entitle the holder to Military command of any kind whatsoever, nor to the Presidency of Courts Martial, Courts of Enquiry, Committees, or Boards of Survey, but when the President of such Courts, Committees, or Boards shall be junior to the Officer of the Civil Department then such Member of the Civil Department shall attend as a witness, and not as a member.

Choice of quarters shall be regulated by relative rank according to date of Commission; except in the case of the Commanding Officers' quarters, and in cases in which special quarters shall be permanently appropriated, with the approval of the Secretary of State for War.

i. Inspector General.

ii. Deputy Inspector-General of Hospitals.

iii. Staff or Regimental Surgeon; who after twenty years' service in India in any rank, shall

be styled Surgeon-Major.

iv. Staff or Regimental Assistant-Surgeon.

Relative rank shall not entitle the holder to salutes from Ships or Fortresses, nor to the turning out of Guards; but it shall entitle him, if Commissioned, to salutes by sentries, or by individual Soldiers.

Honorary rank of Paymasters shall carry with it all the privileges and advantages attaching to relative rank of corresponding degree.

All Commissioned Officers, serving with the Troops, shall be entitled to Funeral Honours, according to their relative Military rank.—Vide G. O. G., 16th March 1864, No. 104.

3. The plan which appears to your Excellency best suited to protect the public interests and the claims, at the same time, of Medical Officers is that of relaxing the rule embodied in the 8th Clause of the Warrant, in cases where superior Medical authorities certify the perfect competency and fitness of the Medical Officer, who has completed the age of fifty-five years without having obtained the rank of Deputy Inspector-General.

4. I am willing to assent to the adoption of this plan in regard to the Medical Officers who entered the service prior to the promulgation of the Royal Warrant, provided that the perfect competency and fitness of the Medical Officers be, in all cases, certified by a Board consisting of two Medical Officers, one of whom must be an Inspector-General or Deputy Inspector-General, and the Commanding Officer, or Senior Civil Officer, under whom the Medical Officer may have been serving.

5. The certificate of efficiency granted by such a Board may hold good for three years, but in no case will a Medical Officer under the rank of Deputy Inspector-General be permitted to remain on the effective list after he shall have attained the age of sixty years.

6. A Medical Officer who may be unable to obtain the certificate of competency above referred to will be placed on the Retired List, receiving, as recommended by Government, the rate of pension next above that to which his period of service in India may entitle him, provided that he be not already entitled to retire on the higher rate, viz., £700 a year.

7. A similar course may be pursued with respect to Medical Officers employed on unprofessional duties on their attaining the age of fifty-five years.

11. Medical Officers shall be entitled to all the allowances granted to Our Indian Military Forces on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

12. Their families shall, in like manner, be entitled to all the allowances granted, under existing regulations, to the families of combatant Officers holding the same relative ranks.

13. Medical Officers shall be held entitled to the same honors as the other Officers of Our Army of equal relative ranks.

14. A Medical Officer, retiring after a service in India of twenty-five years and upwards, may, if recommended for the same by the Head of his Department, receive a step of honorary rank, but without any consequent increase of pay.

15. Six of the most meritorious Medical Officers of the Army shall be named Honorary Physicians, and six My Honorary Surgeons.—Vide G. O. G., No. 206, 18th June 1861.

No. 1009 of 1863.—The following paragraph of a Military letter from the Right Hon'ble the Secretary of State for India, No. 233, dated 26th August 1863, is published for general information:—

Para. 4.—Having forwarded, for the consideration of the Field Marshal Commanding-in-Chief, the papers relating to the claim of Deputy Inspector General of Hospitals * * * to count towards the relative rank of Colonel the period during which he officiated on the full pay of a Deputy Inspector General, His Royal Highness has informed me that in the British service a Deputy Inspector General of substantive rank alone can claim the relative rank of Colonel, and that only from the actual date of the Gazette in which his appointment is notified, and that under no circumstances does a merely officiating appointment so qualify. As recommended by His Royal Highness, the same rule should be observed in the Indian service.

6. The establishment of Medical Officers above the rank of Assistant Surgeon in the three Presidencies will, so long as there are Officers enough remaining on the old lists to complete these numbers be fixed:—

In Bengal... 152

Madras... 86

Bombay... 69

7. With a view of removing all cause of complaint and misunderstanding, on the part of the Officers of the Indian Medical Service, on the subject of their promotion to the rank of Surgeon Major, under the Royal Warrant of 13th January 1860, Her Majesty's Government have determined to give retrospective effect to that Warrant, and to cause all promotions made under its authority to be dated from the 1st October 1858, being the date of the Royal Warrant for the British Medical Department, and it has been further determined to modify the instructions conveyed to you in my Despatches, No. 397, dated 31st October 1860, and No. 386, dated 30th September 1861, and to permit the period of service, qualifying Surgeons for the rank of Surgeon-Major under that Warrant, to be calculated from date of first commission, including all leave of absence of whatever kind.

8. It has been further resolved, that the following change in the mode of payment of Officers serving in India, whether of the British or Indian Medical Department, shall be introduced from the date of the receipt of this Despatch.

9. From that date, the allowance of head money, as well as that for Medical charge of British Regiments and Brigades, will be discontinued, excepting in the case of Assistant Surgeons, who will receive while in actual charge of British Regiments or Brigades of Artillery, a special allowance of Rupees 150 per mensem in addition to their pay.

* And after five years' service in India as Deputy Inspector General, as Colonel, according to the date of the completion of such service.

† This Clause does not extend to the compliments to be paid by Garrison or Regimental Guards as aid down in pages 29 and 30 of the Queen's Regulations for the Army.

and from the rank of Deputy Inspector to that of Inspectors, shall be given by selection for ability and merit; and the grounds for such selection shall be stated to us in writing, and recorded in the office of the Secretary of State for India in Council, the selection for the grades of Deputy Inspector being made from the whole rank of Surgeons, whether styled Surgeons or Surgeons-Major.

8. With a view to maintain the efficiency of the service, all Medical Officers of the rank of Surgeon Major, Surgeon, or Assistant Surgeon, shall be placed on the Retired List when they shall have attained the age of fifty-five years, and all Inspectors General and Deputy Inspectors General when they shall have attained the age of sixty-five years.

9. The relative rank of the Medical Officers of our Indian Military Forces shall be as follows:—

Staff or Regimental Assistant Surgeon as a Lieutenant, according to the date of his Commission, and after six years' service in India as Captain according to the date of the completion of such service.

Staff or Regimental Surgeon as Major, according to the date of his Commission; and Surgeon Major as Lieutenant Colonel, but junior of that rank.

Deputy Inspector General as Lieutenant Colonel, according to the date of his appointment.*

Inspector General of Hospitals as Brigadier General, according to the date of his appointment; if with an army in the field, or after three years' service in India as Inspector General, as a Major General, from the date of his joining such army in the field, or according to the date of the completion of such service.

10. The following will be the rate of pay for Officers of the several grades in the Medical Department, below that of Inspector and Deputy Inspector-General, who receive special salaries, whether belonging to the British or the local service:—

Rank.	Years' Service.	Relative Rank.	Half Batta.			Full Batta.		
			RS.	A.	P.	RS.	A.	P.
Surgeon Major	25	Lieut. Colonel	888	12	0	1,093	2	0

Ditto	5	Lieutenant	304	14	2	335	12	2
Ditto	under	Ditto	286	10	0	317	8	0

11. Surgeons of Her Majesty's Service, not being Surgeon Majors, who may be in medical charge of Regiments or Brigades, at the date of publication of the Order, will not be affected by this rule, but will continue to receive their pay and allowances while attached to such Regiments, as heretofore.

12. Officers of the British Medical Department attached to Brigades of Horse Artillery and Regiments of British Cavalry will draw, in addition to the rate of pay above laid down, horse allowance at the following rate:—

Rank.	Years' Service.	Relative Rank.	Additional Horse Allowance, when attached to a British Cavalry Regt.
Surgeon Major	25	Lieut. Colonel	Rupees 90 per mensem.
Ditto	20	Ditto	
Surgeon	15	Major

Assistant Surgeon	10	Captain	
Ditto	6	Ditto	
Ditto	5	Lieutenant	Rupees 60 per mensem.

13. Officers of Indian Medical Service will receive pay, while on furlough in Europe, according to the following scale:—

Rank.	After 30 years' Service on full pay.	After 25 years' Service on full pay.	After 20 years' Service on full pay.	After 15 years' Service on full pay.	After 12 years' Service on full pay.	After 10 years' Service on full pay.	After 5 years' Service on full pay.	Under 5 years' Service on full pay.

Surgeon	...	...	...			13 0	11 16	10 0
Asst. Surgeon	...	...	...					

14. The rule regarding pension, at present applicable to the Officers of the Indian Medical Service, will remain in force with the following modification:—

15. Officers compelled to leave the service on account of ill health, and entitled to half pay pension under present Regulations, will be allowed the half pay of their relative rank, as laid down in the Royal Warrant, dated the 1st October 1858. This rule will apply to all Officers retiring upon half pay pension from a date subsequent to the receipt of this Despatch.—Vide G. O. G., 12th July 1864, No. 261.

2. My Despatch dated 16th May last, No. 152, stated that Officers compelled to leave the service on account of ill health, and entitled to half pay pensions under present Regulations, would, in future, be allowed the half pay of their relative rank.

4. Under these circumstances, I am of opinion that in respect to retirement on half pay, the Assistant Surgeon, after a service of six years, should be treated as an Officer having the Regimental rank of Captain has hitherto been treated; that is, without being required to show any qualifying period of service, he should be permitted to retire on the half pay of Captain, on showing sufficient proof of disqualification for further service.

5. Medical Officers under six years' service having the rank of Lieutenant, will continue, in respect to retirement on account of ill health, subject to the Regulations applicable to Subaltern Officers.—Vide G. O. G., 24th March 1865, No. 117.

ASSISTANT SURGEONS—IN MEDICAL CHARGES.

MILITARY.
No. 266.

To His Excellency the Right Hon'ble the Governor General of India in Council.
SIR,—I have considered in Council your Military Letter No. 243, dated 21st September 1866, transmitting correspondence regarding the title of an Assistant Surgeon

in medical charge of a British Regiment or Brigade of Artillery during the absence of a Surgeon on "privilege leave" to the special remuneration of Rupees 150 per mensem laid down in paragraph 9* of Sir Charles Wood's Despatch, No. 152, dated 16th May 1864.

2. In reply I have to inform you that the special grant of Rupees 150 referred to was sanctioned to Assistant Surgeons of Her Majesty's service in India who might, by the exigency of the service, be placed temporarily in medical charge of a British Regiment.

3. It should be allowed, therefore, in all cases of an Assistant Surgeon succeeding to the temporary charge on the death, removal, or absence on medical certificate of the Surgeon, but it was not intended that any such extra charge should be incurred as a consequence of the Regimental Surgeon being absent on private leave and for his own convenience.

INDIAN MEDICAL DEPARTMENT—ADMINISTRATIVE STAFF.

No. 657 of 1867.—With reference to G. O. G., No. 456, dated 5th May 1865, the following letter from the Right Hon'ble the Secretary of State for India, is published for general information:—

MILITARY.

No. 144.

INDIA OFFICE:

London, the 24th May 1867.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—Para. 1. In your Military letters, dated 8th and 23rd March last, Nos. 47 and 72, you submit for decision a question which you state has arisen with advenience to the order which allows officiating service "on full pay" in the rank of Deputy Inspector General of Hospitals, to reckon towards the additional pension granted to an Officer of that rank after five years' service therein, including only six months on medical certificate, whether the period of five years to which the tenure of that appointment, as well as that of Inspector General of Hospitals, is restricted, should be inclusive or exclusive of such officiating service.

2. It appears to me that, if officiating service on full salary of appointment is to count towards the additional pension, it must necessarily count likewise as part of the five years' tenure of the appointment both of Inspector and Deputy Inspector General of Hospitals. The term of five years to which the appointment is limited, should I think, be regulated as follows:—

It should include any period during which an Officer may have acted as Inspector or Deputy Inspector on full allowances before his permanent appointment. On his permanent appointment, his tenure would be held to expire at the end of five years, including the period of such officiating service, whether after his permanent appointment he may have taken leave of absence or not.

3. A Deputy Inspector General of Hospitals who may, under these circumstances, fail to complete the required service for the additional pension of £250 a year, may, if he shall subsequently be appointed Inspector General, and shall not serve long enough in that grade to entitle him to the pension of £350 a year, reckon his service as Inspector General in addition to that as Deputy Inspector General, towards the period required for the additional pension of the latter grade.

LEAVE AND ALLOWANCES.

Simla the 9th August 1867.

Read the undermentioned papers:—
Notification No. 2,294, issued from this Department on the 25th April 1867, publishing a General Order of the Military Department, No. 370 of the 4th idem, prescribing a scale of consolidated salaries for Medical Officers.

Letter from the Comptroller General of Accounts, No. 213, dated the 6th June 1867, suggesting, with reference to the above, "that the pay of Civil Assistant Surgeons should, during transfer from one appointment to another, be charged to the Civil Department."

Letter from the Deputy Accountant General, Bengal, No. 753, dated the 27th June 1867, enquiring whether, during the journey of a Medical Officer from one civil appointment to another, his allowances should be treated as a civil charge and be limited to the amount of the unattached pay of his rank, "or be regulated by the salary attached to the station in which he last served."

Endorsement from the Military Department, No. 322, dated the 12th ultimo, forwarding a copy of correspondence regarding an enquiry whether the allowances of a Medical Officer in civil employ should be debited to the Civil or the Military Department during his absence on leave, or while he is in transit from one civil appointment to another.

* Or on promotion, should these periods of service not be already completed.

RESOLUTION.—The Governor General in Council observes that, under the orders of the 4th and 23rd April 1867 mentioned above, the salaries of Military Medical Officers in medical charge of Civil Stations are consolidated, and is accordingly pleased to rule that, in common with Military and other Medical Officers in civil employ on consolidated salaries, they shall, during periods of transit from one civil appointment to another, which are to be limited by the civil rules for joining time, draw the salary of the lower paid appointments of the two, and that such salary as well as the allowances admissible to these Officers during absence on leave, shall be disbursed in and charged to the Civil Department.

Secretary to Government.

MEDICAL OFFICERS—RATES OF PAY.

FORT WILLIAM, the 26th November 1864, No. 953 of 1864.—There being considerable misunderstanding with respect to the pay and allowances to be drawn by Medical Officers under the instructions contained in the Despatch of the Secretary of State published in Government General Order, No. 507, of the 20th June 1864, the following Rules are laid down for observance in the three Presidencies, with effect from the date laid down in Government General Order, No. 503, of the same day, and pending further reference to the Secretary of State.

I. All Medical Officers, whether of the British or Indian Forces, who were in receipt of consolidated salaries at the date of publication of the General Order, or who may have subsequently succeeded or may hereafter succeed to situations the salaries of which are consolidated, will draw such consolidated salary and no more.

When so situated as to be entitled to draw only half Staff salary, such Officers will draw the pay of their rank according to para. 10 of the Despatch of the Secretary of State, and half the difference between that sum and the amount of the consolidated salary.

In such case the Officer acting will also draw the new rate of pay for his rank and the half difference remaining undrawn by the permanent incumbent.

II. Surgeon Majors serving with British Regiments will draw pay according to length of service as laid down in para. 10, with the addition of the Horse allowance sanctioned in para. 11, if attached to Regiments of Cavalry or to Brigades of Horse Artillery, and of Rupees 20, if attached to Brigades or Field Artillery.

III. Surgeons of British Regiments who were in Medical charge of Regiments of British Cavalry and Infantry on the 20th June 1864, will be allowed to continue to receive the pay and allowances then drawn.

Their claim to the old rate will not be invalidated by their proceeding on leave in India and ceasing for a time to draw Staff salary or Head money. During such period they will draw the new rates of pay of their rank, and on return to their Corps receive their old emoluments.

When promoted to Surgeon-Major, they will draw only the pay of that grade.

IV. Surgeons of British Regiments who were not in charge of Corps on the 20th June 1864, are only entitled to the new rates of pay of their grade whether absent or present, with the prescribed Horse allowance if attached to Cavalry or Horse Artillery, and Rupees 20 Horse allowance if attached to Field Artillery.

V. Assistant Surgeons of the British Service will in all cases receive the pay of their standing as laid down in para. 10, with an addition of Rupees 150 if in Medical charge of a Regiment of Cavalry or Infantry or Brigade of Artillery, or a permanent Depot, besides Rupees 60 per mensem Horse allowance if with Cavalry or Horse Artillery, and Rupees 30 if attached to Field Artillery.

VI. Medical Officers of the Indian Service who do not come under the provisions of Clause 1 of this Order, will draw the same pay and allowances as before the issue of the Order, unless it is below the pay assigned to their rank in para. 10, in which case they will be permitted to draw the higher rate of pay. In the latter case they will draw Horse allowance at the prescribed rates if with Cavalry, Horse Artillery or Field Artillery.

VII. Medical Officers drawing pay under the old Rules will receive any advantages to which they would become entitled by these rules in consequence of promotion or having completed five, six or ten years' service as Assistant Surgeons.

VIII. Medical Officers, whether of the British or Indian Service holding Staff appointments, and in receipt of Staff or half Staff salaries, will, until further orders, draw the present rates of Staff salary in addition to the old scale of pay, receiving any increase in the latter to which they would have become entitled by promotion, unless the aggregate shall be less than the pay of their grade under para. 10 of the Secretary of State's Despatch, in which case they will receive the latter only. When on leave they will draw the new rates of pay without Staff salary, the acting incumbent drawing the Staff salary with the old rate of pay, or the new rates without Staff pay, as may be most advantageous.

IX. Conveyance allowance will not be admissible to Assistant Surgeons on the new rates of pay.

X. The authorized allowance for the Medical charge of the Staff of Divisions or Brigades, will be passed in addition to pay and allowances whether on the old or new scale.

The foregoing is in substitution of any orders or decisions on the subject that may have previously been given.

* Madras G. O. G. 12th July 1864, No. 251.

Fort William, the 23rd December 1861.

No. 1060 of 1864.—The following Military Letter from the Right Hon'ble the Secretary of State for India, No. 310 of the 7th November 1861, is published for general information:—

15. Her Majesty's Government have therefore determined that the duties of the Medical Officers of the British Army serving in India shall, in future, be kept wholly distinct from those of the Medical Officers of the Indian establishment, and that there shall be a separate administrative establishment for each.

16. Under these circumstances, it will be necessary that the administrative establishments in the several Presidencies should be revised, and the duties of the several Medical Officers of the higher grades re-distributed, and I request that you will take the subject into early consideration, with a view of determining the numbers of Inspectors General and Deputy Inspectors General of each service that will be required to conduct the administrative duties of the respective services in each Presidency.

17. In my Despatch No. 152, I authorized your augmenting the number of Officers above the rank of Assistant Surgeon

In Bengal to.....	152
„ Madras to.....	86
„ Bombay to.....	69

leaving the aggregate establishment of Medical Officers in each Presidency the same as before.

18. That establishment is at present as follows:—

Bengal.....	125
Madras.....	213
Bombay.....	123

19. You were informed, in my Despatch No. 291, dated 8th August 1863, that the War Office would take measures for relieving, as soon as possible, the Assistant Surgeons of the Indian Army from the Brigades of Artillery and new Line Regiments, and the same course will hereafter be adopted as a necessary consequence of the transfer of those Regiments to the British Army, in regard to the Surgeons. A reduction in the establishment of Medical Officers required for service in India will necessarily follow, and I request that the subject of the number likely to be required hereforward in the several Presidencies, may receive your early consideration.

20. In making this calculation you will, of course, take into account the several situations which may be properly filled up by uncovenanted members of the Medical profession.

21. It is believed that, in consequence of all appointments to the local service having ceased during the last three years, the aggregate number of Medical Officers at present borne on the strength of the several Presidencies will be, if anything, below the prospective wants of the service; but I shall make arrangements without delay for filling up vacancies as they may occur on your revised establishment.

22. The promotion of Assistant Surgeons who may hereafter enter the Indian Army will be regulated by length of service, and not, as heretofore, by succession to vacancies in a fixed establishment of Officers of the higher grades.

23. Assistant Surgeons of 12 years' service from the date of first Commission (of which two years shall have been passed in charge of a Native Regiment,) who shall have passed the prescribed examination in professional subjects, will be promoted to the rank of Surgeon.

24. The benefit of this rule is to be extended to all Assistant Surgeons now in the Indian Service, but Officers now in the service who may be so promoted will be considered supernumeraries to the establishment of Surgeons as recently laid down, so that no promotion by seniority will take place until such supernumeraries are absorbed.

25. You will make the promotions consequent upon this concession from the date of receipt of this Despatch.

26. In the Despatch above referred to, I informed you that you were authorized to introduce certain changes in the mode of payment of Officers of the Medical Department serving in India, and you were informed that, pending a further communication upon the subject, Officers of the British or Indian Medical Service, holding Staff appointments, the salaries of which are consolidated, will continue to draw their salaries as at present; and all Officers of the Indian Medical Department in the receipt of Staff salaries, including such as are in Medical charge of Native Regiments, will continue to draw the aggregate amount of pay and Staff allowances they now receive, provided it be not less than the rate of pay laid down in the above table for Officers of their rank and standing in the service.

27. I have now to inform you that it has been determined that in future all employment on the part of Medical Officers of the Indian Service involving the receipt of special Staff salary shall be considered as Staff employment, the salaries being in all cases consolidated; and that all appointments, whether Civil or Military, held in future by Officers of the present Indian Medical Service below the rank of Deputy Inspector General, will be alike tenable by Surgeon Majors, Surgeons, and Assistant Surgeons.

28. The salaries of the principal administrative and Military appointments are fixed at the following consolidated sums:—

Inspector General.....	2,500	whether of the British or Indian Medical
Deputy Inspector General.....	1,800	Service.
Surgeon Major in charge of Native Regiments.....	1,000	with Rupees 30 Horse allowance in Cavalry
		Regiments.
Surgeon in charge of ditto.....	800	with Rupees 20 ditto ditto.
Assistant Surgeon above 5 years' full pay service in charge of Native Regiments.....	600	with Rupees 60 ditto ditto.
Assistant Surgeon under 5 years' ditto.....	400	with Rupees 60 ditto ditto.

But Officers now in the Indian service will receive the pay due to their rank as laid down in para. 10 of my Despatch No. 152 of 16th May 1864, when such pay is in excess of the consolidated salaries above-mentioned.

29. Officers who may hereafter be appointed to the Indian Medical Service will receive pay when unemployed in India according to the following scale:—

RANK.	Years' Service.	Unemployed Pay.
		RS. A. P.
Surgeon Major.....	25	888 12 0
Ditto	20	852 3 7
Surgeon.....	15	677 6 11
Ditto	12	610 11 6
Assistant Surgeon.....	10	410 9 5
Ditto	6	392 5 2
Ditto	5	304 14 2
Ditto	under 5	286 10 0

30. The salaries of other Medical appointments in the Civil and Military Departments will be revised with reference to the above, and fixed at a consolidated sum, and I request that a report may be made to me upon the subject with as little delay as possible. In the meantime, the aggregate sums at present received in each case will continue to be drawn.

31. With a view of promoting the efficiency of the service, it has been further determined that the tenure of office by a Deputy Inspector General of the Indian Service shall, as in the case of Inspectors General, be limited to five years; Officers being, however, if not disqualified by age, eligible either for employment for a second tour of duty in the same grade, or for employment in the higher grade of Inspector General by promotion thereto.

32. You will follow, in the cases of Officers now holding the office of Deputy Inspector General, the same course which your Government adopted in 1861, in regard to combatant Officers holding certain Staff appointments, and permit all such to hold their offices for two years longer, irrespective of the periods they may severally have served in them. Should any Officer have served up to the present time less than five years, he will be allowed to complete a full period of seven years.

33. The rank of Inspector General and Deputy Inspector General conferred upon Officers of the Indian Medical Service under the Royal Warrant of the 13th January 1860, is to be considered as substantive rank.

These Officers, on vacating office at the expiration of the five years' tour of duty, will be permitted in future to draw respectively an unemployed salary of Rs. 1,200 per mensem in the former, and Rs. 900 in the latter case, for a period of six months from the date of their vacating office, after which they will be placed, while unemployed, on the rate of pay laid down in my Despatch of the 16th May 1864 for Officers of corresponding rank in Europe. These sums, deducted from the consolidated salary, will regulate the moiety of Staff salary to be drawn by Officers of those grades during absence on sick certificate. The decision reported in the 3rd paragraph of your letter No. 242 of 1864 will cease to operate from the date of publication of the present Despatch.

34. With a view to improving the position and prospects of Officers of the Indian Medical Service, it has been resolved to introduce prospectively the following revised pension rule.

35. Officers of the Indian Medical Service will be allowed to retire on the following scale of pension on completion of the required periods for service:—

After 30 years' service in India ...	£ 550
" 27 " " " " ...	456
" 24 " " " " " ...	365
" 21 " " " " " " ...	292
" 17 " " " " " " " ...	220

36. An Inspector General, after five years' active employment in India in that grade, will be entitled to retire upon a pension of £350 per annum, in addition to that to which he may be entitled under the above scale.

Sindia, the 21st September 1863.

No. 692 of 1863.—The following Military letter from the Right Hon'ble the Secretary of State for India, is published for general information:—

MILITARY.
No. 268.

INDIA OFFICE:
London, 20th August 1863.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—I have considered in Council your letter No. 150 of 20th May last, inquiring how a Deputy Inspector General of Hospitals, who may be compelled by ill health to take leave to England beyond six months during his five years' tenure of office, is to become entitled to the special pension of £250.

2. In reply I have to observe that, although an active service in India of five years, including six months' leave on medical certificate, is required in that rank for the pension in question, and although on the expiration of five years' service on full pay, inclusive of all leave, as an acting or permanent Deputy Inspector General of Hospitals, an Officer vacates the appointment, such Officer is, under the regulations of the service, eligible for re-appointment for a second tour of duty, at the discretion of Government, if not disqualified by age.

3. If disqualified from this or any other cause, and if he has not served the full five years' required for the extra pension, his claim to that pension will be forfeited.

I have, &c.,
(Signed) STAFFORD R. NOETHCOLE.

37. A Deputy Inspector General will, after five years' active employment in India in that grade, be entitled to retire upon a pension of £250 per annum, in addition to the pension to which he may be entitled under the above scale.

38. In each of the above cases, six months' absence on medical certificate will be allowed to count towards actual service in those grades.

39. Officers now in the Indian Medical Service will, on retirement, have the option of pension according to the above rules, or according to those now in force.

40. My attention has been directed on this occasion to the rule regarding the qualification of an Assistant Surgeon for promotion to the rank of Surgeon required under Clause III of the Royal Warrant, dated 13th January 1860. There can be no doubt that this rule, which has been again brought to notice by a recent Despatch from your Government, requiring a service of two years in or with a regiment, bears very hardly on many Officers, the nature of whose employment precludes their showing the required qualification, and who, on entering the service, had no reason to suppose that such a regulation would be adopted.

41. These considerations have induced me to consent to exempt from the operation of the Clause of the Royal Warrant all the Assistant Surgeons who entered the service prior to its date. It is to be understood, however, that the rule is to be strictly enforced in the case of all Medical Officers who entered the service after January 1860.

42. In my Despatch No. 152 of 16th May 1864, para. 7, I informed you that Her Majesty's Government had determined to modify the instructions given in my Despatches of the 31st October 1860 and 30th September 1861, and to permit the period of service qualifying Surgeons for the rank of Surgeon Major, under that Warrant, to be calculated from date of first Commission, including all leave of absence of whatever kind.

43. I have now to inform you that the same principle is to be observed with respect to the grant of honorary rank on retirement, under Clause 14 of the Royal Warrant, and that the 25 years' service qualifying for a step of honorary rank, the requirements of the clause in other respects being fulfilled, shall be inclusive of all leave of absence.

44. I have further to inform you that it has been determined, as in the case of combatant Officers of the Indian Army, to confer upon the Medical Officers of that service Royal Commissions in substitution for those which they now hold conferring rank in Her Majesty's Service in any part of the world. The Medical Officers of Her Majesty's Indian Service will not, however, be required to serve out of India, except with their own consent.

45. I have, lastly, to inform your Excellency that Assistant Surgeons appointed to Her Majesty's Indian Service in future will not be called upon to become subscribers to any Military or Medical Funds, and that Her Majesty's Government have determined to guarantee to present incumbents on and subscribers to the several Medical Funds the annuities and pensions to which they are, or to which they, their widows and children may become entitled from those Funds, according to the regulations now in force, and at the present rates of subscription. But this guarantee must be regarded as conditional on the absolute transfer of the assets of the Fund to the Government, and must not be construed as conveying to any Fund, or to any member of it, benefits which are not actually provided for in the regulations as at present in force.

46. The widows and children of Medical Officers hereafter appointed to Her Majesty's Indian Service will be granted pensions not less than those to which they would be entitled under the provisions of the Royal Warrant of June 15th, 1855.

47. The above measures, which obviously tend greatly to improve the condition and prospects of the Medical Service in India, cannot be carried out, as your Government will at once perceive, without a heavy expense to the State. It is hoped, however, that the result will be at once to diffuse a spirit of satisfaction and contentment among the Officers now in the service, and to secure for the future a certain supply of Medical Officers of good social position, liberal education, and professional ability for Her Majesty's Service in India.—Vide G.O.G., 6th January 1865, No. 9.

No. 11.

INDIA OFFICE,

London, 25th January 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—With your letter dated 5th November last, No. 376, you submit a question which has been raised regarding the rate of pension to which Medical Officers, who may be compelled to retire from sickness or accident after a service of six years, are to be held to be entitled, with reference to the General Order No. 507, of 20th June 1864, which notified that Medical Officers entitled to half-pay pension, under present Regulations, are eligible for the same according to their relative Army rank, as fixed by Royal Warrant.

2. By the Royal Warrant of 13th January 1860, an Assistant Surgeon, after six years' service as such, is to have relative rank as Captain. The same Warrant declares that "such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds."

3. My Despatch dated 16th May last, No. 152, stated that Officers compelled to leave the service on account of ill health, and entitled to half-pay pensions under present Regulations, would, in future, be allowed the half-pay of their relative rank.

4. Under these circumstances, I am of opinion that in respect to retirement on half pay, the Assistant Surgeon, after a service of six years, should be treated as an Officer having the Regimental rank of Captain has hitherto been treated; that is, without being required to show any qualifying period of service, he should be permitted to retire on the half pay of Captain, on showing sufficient proof of disqualification for further service.

5. Medical Officers under six years' service having the rank of Lieutenant, will continue, in respect to retirement on account of ill health, subject to the Regulations applicable to Subaltern Officers.

No. 54.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—With your letter dated 6th January, No. 13, you transmit papers relative to a question raised by Dr. F. Anderson, Deputy Inspector General of Hospitals, as to whether an Officer of the Indian Medical Service can retire on half pay under the same conditions as are necessary in the case of an Officer of the British Medical Department, i.e., without residing in a temperate climate for the usual term of a furlough.

G. O. G.
1st April 1865.
No. 132.

2. My Despatch dated 16th May last, (No. 152, paragraph 15) out of which this question has arisen, referred to Officers compelled to leave the service on account of ill health, and entitled to half pay pension under present Regulations. By those Regulations an Officer is precluded from retiring from the service on half pay pension in India. Under these circumstances, the view taken by your Government is quite correct, viz., that my Despatch referred to merely altered the rate of pension, and did not alter the rule of the service, which requires an Officer, to entitle him to half pay pension, first to try the effects of a temperate climate.

No. 91.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—The Military letter from your Government, dated 21st January, No. 36, submits two questions with regard to the retirement of Medical Officers, arising out of the late alterations with respect to the Medical Service. With regard to the first, it appears to you that all service on the full pay of the appointment in the case of Inspectors and Deputy Inspectors General of Hospitals, should reckon towards the 5 years' service in those grades qualifying for the additional pension; and that the aggregate period of "service in India," noted in para. 35 of my Despatch dated 7th November last, No. 94, is to include the periods of leave hitherto allowed to reckon under the new furlough rules as service for pension.

G. O. G.
19th May 1865.
No. 131.

2. This is quite in accordance with the intentions of Her Majesty's Government.

3. With regard to the second point, you apprehend that the six months' leave on medical certificate, referred to in para. 38 of my Despatch, applies only to the tenure of the appointments of Inspector General and Deputy Inspector General, and not to the time of pension under para. 35.

4. This view is also quite correct; the tenure of appointment referred to being that which is to entitle Officers of these grades to the additional pensions after five years' active employment in India.

Fort William, 3d April 1866.

No. 361 of 1859.—Under instructions from Her Majesty's Secretary of State for India, the portions of Her Majesty's Warrant of the 1st of July 1859, which refer to relative rank and precedence of Veterinary Surgeons of Her Majesty's British Forces, are declared to be applicable to Veterinary Surgeons of Her Majesty's Indian Forces.

It has not been considered expedient at present to alter the existing Regulations affecting the pay and allowances or the condition of invaliding and retirement of this class of Officers.

Extracts from Her Majesty's Warrant of 1st July 1859, which are declared applicable to Veterinary Surgeons of Her Majesty's Indian Forces.

1.—The Grades of Veterinary Surgeons in Our Army shall be three in number, viz.:—

1. Staff Veterinary Surgeon.
2. Veterinary Surgeon of the 1st Class.
3. Veterinary Surgeon.

The following General Orders by His Excellency the Governor General of India in Council are republished:—

GENERAL ORDERS BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Fort William, the 19th August 1861.

No. 722 of 1861.—The following paragraphs of a Military letter from the Right Hon'ble the Secretary of State for India, No. 278 of the 8th July 1861, are published for general information:—

"1. Since the date of my Despatch* No. 233, I have received a communication from the Secretary of State for War, enclosing a letter from the Principal Veterinary Surgeon, Woolwich, who, with reference to the doubt expressed in your Military letter No. 41, dated 2nd April last, as to the practicability of examining Veterinary Surgeons in India, in order to test their fitness for promotion, expresses an opinion that it is very desirable that if the Royal Warrant of 1st July 1859 be adopted, it should be fully carried out, and states that no difficulty was encountered in doing so, in the cases of the 2d and 6th Dragoon Guards, both in India, the examinations being written and carried on confidentially between the Officer in Command of the Regiment and himself.

Fort St. George,
6th Sept. 1861.
No. 361 of 1861.

INDIA OFFICE,

London, 28th February 1865

"2. Lord Herbert concurs in the opinion that no sufficient ground has been shown for a modification of Clause 3 of the Warrant requiring Veterinary Surgeons to be examined as applied to India.

"3. Under the new organization of the Army in India, there will henceforth be no Regimental employment for Veterinary Surgeons of the Local Service, but those now in the service may be promoted under the Royal Warrant of 1st July 1859, their examinations being conducted by means of written questions prepared by the Principal Veterinary Surgeon in this country, in the mode above described.

"4. In carrying out this arrangement, a list of the Veterinary Surgeons, who have served the required periods for promotion, should be sent Home from time to time, in order that the examination questions may be prepared and transmitted to India."

This cancels the decision communicated in letter from the Right Hon'ble the Secretary of State for India, dated 7th June last, published in Government General Order No. 622, of the 16th July 1861.

* Madras G. O. G. 30th July 1861, No. 259.

the good of the service renders such alteration necessary, it shall be competent for Our Secretary for War to shorten the several periods of service abovementioned in such manner as he shall deem fit and expedient.

6. Promotion from one rank to another shall not necessarily be given by seniority, but by selection for professional ability and meritorious conduct.

15. The relative rank of the Veterinary Officers of Our Army shall be as follows:—

Veterinary Surgeon on appointment, as Subaltern.

Veterinary Surgeon of the First Class on promotion, as Captain.

Staff Veterinary Surgeon on promotion, as Major, but junior of that rank.

16. Such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds (except as regards the Presidency of Courts Martial, and of all Military Courts, Committees, and Boards of Inquiry, where Our will and pleasure is that the senior combatant Officer be always President, and except further any Military command whatever), and shall regulate the choice of quarters, rates of lodging money, field allowances, forage, servants, fuel and light, or allowances in their stead, detention, and prize money. But when a Veterinary Officer is serving with a Regiment, Corps, or Detachment, the Officer Commanding, though he be junior in rank to such Veterinary Officer, shall be entitled to a preference in the choice of quarters.

17. Veterinary Officers shall be entitled to all the allowances granted—on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

18. Their families shall, in like manner, be entitled to all the allowances granted—to the families of combatant Officers holding the same relative ranks.

19. Veterinary Officers shall be held entitled to the same honours as other Officers of Our Army of equal relative rank. This does not, however, extend to the compliments to be paid by Garrison or Regimental Guards, as laid down in the Regulations of Our Army.

2. I stated that it appeared to me that such of these Veterinary Surgeons as might volunteer for general service would become an integral part of

Her Majesty's Army, and hold the same position as the Veterinary Surgeons in that Army; that they would be considered to have terminated all connection with their former service; and that they would be allowed to reckon their past service towards pay, promotion, and half-pay on retirement under the provisions of the Royal Warrant of the 1st July 1859.

3. The Secretary of State for War has expressed his concurrence in these views.

4. This decision should now be communicated for the information of the Veterinary Surgeons of the Local Forces at the three Presidencies, and a return of the Veterinary Surgeons desirous, on such conditions, to enter Her Majesty's general service, should be transmitted to me for communication to the Secretary of State for War.

5. The connection with the respective Military Funds of such of the Veterinary Surgeons of the Local Forces as may volunteer for, and be accepted for, Her Majesty's general service, will depend upon the regulations of the Funds of their respective Presidencies.

VICTORIA R.

Whereas it hath been represented to Us that it is expedient to raise the position and rank of the Veterinary Surgeons of Our Army, and to increase the pay and half-pay of the Officers of that service; Our will and pleasure is, that from and after the date of this Our Royal Warrant, the following Rules

shall be established for the admission, promotion, and retirement, and for the pay, half-pay, relative Rank and allowances of the Veterinary Surgeons of Our Army, and that by these Rules Our Commander-in-Chief shall be governed in recommending Officers for admission, promotion, and retirement.

1. The grades of Veterinary Surgeons in Our Army shall be three in number, viz. —

1. Staff Veterinary Surgeon.
2. Veterinary Surgeon of the First Class.
3. Veterinary Surgeon.

2. No candidate shall be admitted into the Veterinary Department of the Army until he shall have satisfactorily passed an examination before a Board of Military Veterinary Surgeons.

3. No Veterinary Surgeon shall be eligible for promotion until he shall have passed such examination as Our Principal Secretary of State for War may require, and shall have served on full pay with the Commission of Veterinary Surgeon for five years.

4. A Veterinary Surgeon of the First Class must have served 15 years in the Army with a Commission on full pay before he will be eligible for promotion to the rank of Staff Veterinary Surgeon.

5. In cases, however, of emergency, or when the good of the Service renders such alteration necessary, it shall be competent for Our Secretary of State for War to shorten the several periods of service abovementioned in such manner as he shall deem fit and expedient.

6. Promotion from one rank to another shall not necessarily be given by seniority, but by selection for professional ability and meritorious conduct; such selection to be made by Our Principal Veterinary Surgeon; and the ground of such selection shall be stated to Us in writing, and recorded in the Office of Our Commander-in-Chief, together with the recommendation of the Principal Veterinary Surgeon.

7. The rates of pay of the Veterinary Officers of Our Army shall be in accordance with the following schedule:—

	SERVICE ON FULL PAY.					
	After 25 years.	After 20 years.	After 15 years.	After 10 years.	After 5 years.	On appointment.

8. It is to be clearly understood that all increase of pay from length of service is to be granted subject to a Veterinary Surgeon having discharged his duties with zeal and ability.

9. After the date of this Our Warrant, every Veterinary Officer placed on half-pay by reduction of establishment, or on the report of a Medical Board, in consequence of being incapacitated by reason of ill-health, caused by wounds or brought on by the discharge of his duties, shall be allowed the half-pay which his period of full-pay service may entitle him to, according to the following schedule:—

	After 25 years.	After 20 years.	After 15 years.	After 10 years.	After 5 years.	After 3 years.	Under 3 years.
Staff Veterinary Surgeon.	15s.	14s.	The half-pay of his former rank

Veterinary Surgeons who entered Our service prior to the date of this Warrant.....	10s.	9s. 6d.	9s. 6d.	8s. 6d.	7s.	4s.	

10. With a view to maintain the efficiency of the Service, all Officers of the rank of Veterinary Surgeons and Veterinary Surgeons of the First Class shall be placed on the Retired List when they shall have attained the age of 55 years; and all Staff Veterinary Surgeons when they shall have attained the age of 65 years.

11. Officers thus superannuated shall be entitled to the rate of half-pay, stated in the preceding schedule.

12. Every Veterinary Officer who shall have served upon full pay for 25 years and upwards shall have the right to retire upon half-pay, at the rate of two-thirds of the daily pay he was in receipt of when thus retiring, provided he shall have served three years in the rank from which he retires, or shall have served in any rank for ten years in the Colonies, or five years with an army in the field. But if he shall not have complied with any one of these conditions, he shall be entitled only to half-pay at the rate of two-thirds of the daily pay he was in receipt of before his last promotion.

13. Every Veterinary Officer thus claiming to retire must give six months' notice to the head of his Department of his intention to claim this right, prior to his being allowed to retire; and no Veterinary Officer shall be entitled to give such notice after he shall be under orders to proceed to any foreign station, until he shall have served at such station for one month.

14. If a Veterinary Officer be placed on half-pay from any other cause than those hereinbefore mentioned, he shall only be allowed a temporary rate of half-pay, not exceeding the rates stated in Clause 9 for such period and at such rate as shall be assigned to him by Our Secretary of State for War, on a consideration of the length and character of the services rendered by such Veterinary Officer.

15. The relative rank of the Veterinary Officers of Our Army shall be as follows:—

Veterinary Surgeon, on appointment, as Subaltern.

Veterinary Surgeon of the First Class, on promotion, as Captain.

Staff Veterinary Surgeon, on promotion, as Major, but junior of that rank.

16. Such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds (except as regards the Presidency of Courts Martial, and of all Military Courts, Committees, and Boards of Inquiry, where Our will and pleasure is, that the senior combatant Officer be always President, and except, further, any military command whatever), and shall regulate the choice of quarters, rates of lodging money, field allowances, forage, servants, fuel, and light, or allowances in their stead, detention and prize money. But when a Veterinary Officer is serving with a regiment, corps, or detachment, the Officer commanding, though he be junior in rank to such Veterinary Officer, shall be entitled to preference in the choice of quarters.

17. Veterinary Officers shall be entitled to all the allowances granted by Our Warrant of 13th July 1857, on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

18. Their families shall, in like manner, be entitled to all the allowances granted by Our Warrant of 15th June 1855, to the families of combatant Officers holding the same relative ranks.

19. Veterinary Officers shall be held entitled to the same honors as other Officers of Our Army, of equal relative rank. This does not, however, extend to the compliments to be paid by garrison or regimental guards, as laid down in the Regulations of our Army.

Given at Our Court of St. James' this first day of July 1859, in the twenty-third Year of Our Reign.

By Her Majesty's Command.

SIDNEY HERBERT.

FORT ST. GEORGE, 13TH JUNE 1865.

No. 224 1865.—The following Extract from General Orders by the Government of India, are re-published:—

Simla, the 22nd May 1865.

VETERINARY SURGEONS.—PAY AND ALLOWANCES.

No. 501 of 1865.—With reference to G. G. O. Nos. 363 and 364,* dated 30th March 1860, the Right Hon'ble the Governor General in Council is pleased to direct the publication of the following paragraphs of a letter from the Right Hon'ble the Secretary of State for India, No. 109, dated 7th April 1865, and to notify that the increased allowances therein authorized are to have effect from the 1st May 1865:—

Para. 1. With my letter dated 24th November 1859, No. 412, I transmitted to you copies of a Royal Warrant, dated 1st July 1859, regulating the rank, pay, promotion, and retirement of Veterinary Surgeons of Her Majesty's British Forces; and I directed that such parts of this Warrant as related to relative rank and precedence should be made applicable to the Veterinary Surgeons of Her Majesty's Indian Forces. At that time, it was not considered expedient to alter the existing regulations affecting the pay and allowances, or the conditions of invaliding and retirement, of this class of Officers.

2. Consequent on the recent extension to Medical Officers of the benefits of the rates of pay and allowances fixed by the Royal Warrant of 1st October 1858, for the Medical Officers of the Army, I have had under my consideration in Council the subject of the allowances drawn in India by Veterinary Surgeons of the British and Indian Forces respectively.

Madras G. O. G., 17th April 1860. No. 168.

6. The rate of pay of Veterinary Surgeons of both services will then be as follows :—

12. Such Veterinary Surgeons of the local forces as have expressed their desire to volunteer for general service, should be allowed to reconsider their decision on your receipt of this Despatch.

LIST OF HER MAJESTY'S COVENANTED CIVIL SERVANTS ON THE MADRAS ESTABLISHMENT,

Corrected up to the 30th September 1872.

COVENANTED SERVANTS—1ST CLASS.

The Rank of Civil Servants commences from the date of arrival at Madras of the first Civil Servant appointed in Europe, of the same season of which they are Civil Servants; and, being thus determined, all Civil Servants belong, during the first four years, to Class VI;—from the fifth to the end of the eighth year, to Class V;—from the ninth to the end of the twelfth year, to Class IV;—from the thirteenth to the end of the twentieth year, to Class III;—from the twenty-first to the end of the twenty-eighth year, to Class II;—and from and after the twenty-ninth year, to Class I.

The letters A, B, C, prefixed to the names, denote respectively that the parties have not passed either of the two Standards of Qualification; that the first or lower Standard has been passed; that the Servant cannot take Special leave.

M prefixed to a name denotes that the Servant though not having passed by the 2nd Standard, nor holding an appointment superior to that of Assistant is invested permanently with the full powers of a Magistrate.

Column 2, Capitals distinguish high proficiency. Small Roman letters show that the languages were studied in England by Civilians under the new system. Italic Capitals denote that the Civilian has passed the Honors Test under the Rules of 1868.

Column 7, Italics show "Dies non" G. I. Resolutions, 5th Nov. and 21st Dec. 1868, Nos. 3,477 and 3,727, Financial. Roman Capitals show Special Leave. Antique letters indicate a year of Sick Leave taken under rules in force before 1st July 1868—Civil Leave Code.

Column 8, The Actual Service shown is calculated in accordance with Section 4, and is the period of Residence qualifying for Pension under Supplement A of the Civil Pension Code.

FIRST CLASS OF 28 YEARS' STANDING.

G. O. G., No. 160 of 22nd June 1872. — The following General Orders by the Government of India are re-published :—

Simla, 10th June 1872, No. 615. — It having been determined by the Right Honorable the Secretary of State for India that the family remittances of the British Army in India shall be paid by the India Office on receipt of a general weekly roll (according to Form A annexed), to be furnished by the Military Account Department of each Presidency, His Excellency the Governor-General in Council is pleased to direct that this arrangement be brought into operation from the 1st October 1872, subject to the following rules :—

I.—The use of the separate remittance voucher (War Office Form, No. 323) will be continued, but somewhat modified, and with extra columns (as per Form B annexed), to show the amount of the remittance in Indian and Sterling money, and the rate of exchange.

II.—These remittance vouchers will, pending further orders, be forwarded by Regimental Pay Masters and Officers Commanding Brigades and Batteries of Royal Artillery, to their regimental agents, for presentation at the India Office for payment. Simultaneously with the transmission of the vouchers, a list (as per Form C annexed) will be forwarded to the Officers in charge of the duties of Military Accountant at Calcutta, Madras and Bombay, for incorporation in the general weekly rolls of the respective Presidencies.

III.—The rolls of family remittances made through Circle Pay Masters (Bengal Form, No. 144) will likewise be forwarded by the latter to the Officers in charge of the duties of Military Accountant at the respective Presidencies for incorporation in the general weekly rolls.

IV.—All remittance vouchers issued by Circle or British Pay Masters, or by Officers Commanding Brigades, or Batteries of Royal Artillery, will have a consecutive serial number, commencing and terminating with each official year.

V.—The remittance vouchers will, on receipt in the Military Account Offices at each Presidency, be daily posted up in the general weekly rolls, which will, two clear days preceding the departure of each out-going mail, be closed and forwarded to the Governments at the respective Presidencies for despatch by that mail to the Right Honorable the Secretary of State for India.

VI.—The above arrangements will involve the cancellation of—

1st.— War Office Form, No. 327.
Bengal Form, No. 48.

2nd.—Bengal Form, No. 49.

3rd.—Bengal Form, No. 143 (Schedule C of Account Current with London), and corresponding Forms issued by the Military Account Department of the Madras and Bombay Presidencies.

2. The practice of making deductions for claims against the War Office from the totals of the Family Remittance Rolls of British Troops will forthwith be discontinued.

(c).—"Salary" is the sum of "pay" and "acting allowance;" it does not include personal allowances, travelling allowances, or the like.

(d).—"Progressive Pay" is pay which rises from a minimum to a maximum.

(e).—"Consolidated pay" includes military pay and allowances or staff corps pay, which cannot be separately drawn.

(f).—"Staff Salary" is an allowance to a military officer in addition to the military pay and allowances or the staff corps pay of his rank.

CHAPTER II.—GENERAL RULES.

Maximum and minimum.

SECTION 3(a).—The maximum salary of an officiating officer shall be the pay of the appointment.

(b).—The minimum salary of an officiating officer shall be half the pay of the appointment.

Seconding.

SECTION 4.—If an absentee draws no part of the pay of his appointment, another officer may be appointed thereto substantively, for a time only, on full pay, without disturbing the lien of the absentee.

1.—An absentee who receives leave allowances draws, within the meaning of this section, "part of the pay of his appointment."

CHAPTER IV.—MILITARY OFFICERS IN CIVIL EMPLOY (NOT BEING IN THE PUBLIC WORKS, THE SURVEY, THE TELEGRAPH, OR THE FOREST DEPARTMENT).

Specification of cases.

SECTION 7.—The cases which may occur are these—

(A). An Officer officiating in an appointment of which the pay is consolidated may be—

CASE 1.—An Officer without a substantive appointment.

CASE 2.—An Officer having a substantive appointment the pay of which is consolidated.

CASE 3.—An Officer having a substantive appointment the pay of which is a staff salary.

(B). An Officer officiating in an appointment of which the pay is a staff salary may be—

CASE 4.—An Officer without a substantive appointment.

CASE 5.—An Officer having a substantive appointment the pay of which is consolidated.

CASE 6.—An Officer having a substantive appointment the pay of which is a staff salary.

1.—An appointment of which the pay is fixed with reference to its being held by a civil officer, covenanted or uncovenanted, is treated, for the purposes of this section, as if the pay of it were "consolidated."

SECTION 8.—In case 1 the officer is entitled to his pay and to such acting allowance as will make the total equal to the sum of the assumed subsistence allowance stated below, plus half the pay of the appointment:

Assumed Subsistence Allowance.			Rs.
For the rank of Captain or Subaltern	...	...	250 a month.
For the rank of Major	...	...	320 "
For higher ranks	...	...	400 "

SECTION 9.—In cases 2 and 3 the acting allowance is regulated by Section 5.

SECTION 10 (a).—In cases 4, 5 and 6 the salaries are calculated by military rules; any excess of the consolidated pay of the substantive appointment in case 5, over the military pay and allowances or the staff corps pay of the officer, being treated as a staff salary.

(b).—The military rules referred to are as follows:—

(1).—For officers who have elected the Rules of 1868—

An officiating officer will draw half the staff salary of the appointment and half the staff salary of his substantive appointment, if he have one: provided the whole staff salary thus drawn be not less than Rupees 100 a month.

(2).—For officers who have elected the Rules of 1854—

An officiating officer will draw half the staff salary of the appointment. After acting for six months, whether continuously or not, in the same post or grade, he is entitled to the full staff salary, as soon as the absentee ceases to draw any part of it.

SECTION 11(a).—A medical appointment, the pay of which was fixed by General Order of the Government of India, Military Department, No. 370, dated the 4th April 1867, is to be treated for the purposes of this chapter as if the pay thereof were a staff salary equal to the excess, if any, of the consolidated pay over the "unemployed pay" of the permanent incumbent:

(b).—Provided that an officer appointed to the Medical Service before 7th November 1864, officiating in one of these appointments, shall receive an aggregate salary not less than his full batta pay.

CHAPTER V.—THE PUBLIC WORKS DEPARTMENT.

[Engineer Establishment and superior Officers of Accounts Branch.]

No officiating in grades.

SECTION 12(a).—An officer of a class divided into grades cannot officiate in that class in a grade higher than that to which he is substantively appointed.

(b).—An officer officiating in a rank which is divided into classes, or in a class divided into grades, will officiate in the lowest class or grade; but this rule does not apply to officers officiating in appointments of which the substantive holders must belong to a particular class.

SECTION 13(a).—An officer with a substantive appointment, officiating in a higher class or in another appointment, is entitled to an acting allowance, in addition to his pay, of one-fifth of the civil pay of the class or appointment in which he officiates.

(b).—A civil officer without a substantive appointment is entitled to an acting allowance of half the civil pay of the class or appointment in which he officiates. A military officer, without an appointment, is entitled to his pay and to such acting allowance as will make the total equal to the sum of the assumed subsistence allowance stated in Section 8, plus half the civil pay of the class or appointment in which he officiates.

Explanation.—The civil pay of a graded class is the average civil pay of the grades (calculated without reference to the number of appointments in each grade); but the officiating officer's salary shall not exceed the pay of the lowest grade.

1. The net military pay of an officer of the Royal Engineers is not taken into account in calculating acting allowances. He is entitled to this pay independently of any other allowance.

SECTION 14.—In the following cases, special allowances are given, on sanction by the Local Government, or, if the appointment be under a Chief Commissioner or an Agent to the Governor-General, or under the Resident of Hyderabad, or the Superintendent of Port Blair by the Government of India:

(a).—A subordinate officiating as an Executive Engineer is allowed Rupees 100 a month in addition to his pay; provided that the aggregate does not exceed the pay of an Executive Engineer of the 4th Grade.

(b).—A subordinate officiating as an Assistant is allowed Rupees 50 a month in addition to his pay. This allowance is not admissible on the mere circumstance of the subordinate holding a charge formerly held by an Assistant, but only when the charge involves duties and responsibilities which, in character or extent, are such as are not usually imposed on subordinate officers.

(c).—An accountant officiating for a Controller or Deputy Controller is entitled to draw an allowance of Rupees 100 a month in addition to his pay, provided that the aggregate does not exceed the pay of a Deputy Controller.

CHAPTER VI.—THE SURVEY DEPARTMENT.

[Officers not below the rank of Assistant Surveyor in the Survey Department under the Surveyor-General of India.]

Survey Department.

SECTION 15.—An officer officiating in the grade immediately superior to his own, is entitled to the same allowances as if he were confirmed in that grade.

SECTION 16.—An officer officiating in a grade higher than that immediately superior to his own, is entitled to an acting allowance, in addition to his pay, of one-fifth of the civil pay of the grade in which he officiates.

1. Rule 1 under Section 5 applies to this section also.

SECTION 17.—An officer without a substantive appointment is entitled to an acting allowance, in addition to his pay (if any), of half the civil pay of the grade in which he officiates.

CHAPTER VII.—OTHER OFFICERS.

SECTION 18.—The following are the rules applicable to officers in civil employ who are—
not members of the Covenanted Civil Service,
nor Commissioned Officers in the Army,
nor in the Public Works and Survey (India) Departments, unless they are officiating in appointments below the rank of Assistant Engineer, or Assistant Controller, or Assistant Surveyor,
nor officers of the superior establishment of the Telegraph and Forest Departments, whose acting allowances are regulated by the special rules contained in the Appendix.

SECTION 19(a).—An officer with a substantive appointment officiating in an appointment which is opened to, and may in practice be held by, a Covenanted Civil Servant or an officer of the Army, is entitled to the acting allowance prescribed in Section 5.

Examples of the appointments referred to.

Postmasters-General, Judges of Small Cause Courts, gazetted Officers of Police.

1. The classified list of the Financial Department is excepted from this clause, and comes under the next clause.

(b).—An officer with a substantive appointment officiating in an appointment to which clause (a) does not apply, and of which the pay is not less than Rupees 100, is entitled to an acting allowance of one-fifth of the pay of the appointment;

No officiating in grades.

Provided that no officer may, under this clause, be appointed to officiate in a higher grade of his own class.

1. In the Public Works Department no increased allowances are admissible to an officer of the Upper Subordinate Establishment, or to a Sub-Overseer, for performing duties previously entrusted to one of a higher grade in either of the Subordinate Establishments.

Munsifs in Madras.

2. In Madras the first, second and third grades of munsifships are treated as distinct classes.

Explanation.—The pay of an appointment which belongs to a graded class and is not such as is described in clause (a) of this section, is the average pay of the grades, calculated without reference to the number of appointments in each grade;

but the officiating officer's salary shall not exceed the pay of the lowest grade, unless he belongs to another Department, and is specially appointed to officiate in a grade other than the lowest.

SECTION 20.—An officer without a substantive appointment, officiating in an appointment the pay of which is not less than Rupees 100, is entitled to an acting allowance of half the pay of the appointment.

Officers without a substantive appointment.

See explanation under the last section.

SECTION 21.—If the pay of the appointment is less than Rupees 200, and the Local Government considers that the acting allowances admissible by rule are insufficient, it may grant to the officiating officer higher allowances, not exceeding the difference between the pay of the appointment and the portion of it drawn by the absentee for whom he officiates.

Appointments of less than Rupees 200.

SECTION 22.—The salary of an officer officiating in an appointment of which the pay is less than Rupees 100 should, as far as practicable, be regulated by Sections 19 (b) and 20; but the officer who appoints the substitute may grant him higher allowances, not exceeding the difference between the pay of appointment and the portion of it drawn by the absentee for whom he officiates.

Appointments of less than Rupees 100.

CHAPTER VIII.—PLURAL APPOINTMENTS.

SECTION 23.—The salary of an officer holding substantively, or officiating in two or more independent appointments at one time, shall be regulated as follows:

Two or more appointments.

(a).—He shall draw the highest salary to which he would be entitled if he held, or officiated in, any one of the appointments alone.

(b).—For the other appointment or appointments, he shall draw such allowances as the Local Government may fix not exceeding, for each appointment, half the salary which he would draw if he held or officiated in it alone.

(c).—Provided that his aggregate salary shall not exceed the pay which he would draw in the most highly paid of the appointments if he held it substantively and alone.

1. This proviso may be dispensed with, if the Local Government declared that, for special reasons (to be communicated to the Supreme Government), it is necessary, on public grounds, to entrust to the one officer the duties of the several offices at once, and that the salary to which he would be limited by the proviso is insufficient.

Illustration.—A Covenanted Civil Servant holding a substantive appointment, A, of which the pay is Rupees 1,000 is appointed, without being relieved of his own duties, to officiate in two appointments, B, of which the pay is Rupees 1,600, and C, of which the pay is Rupees 2,200.

	RS.
If he held A only, he would draw	1,000
If he officiated in B only, he would draw pay Rupees 1,000 and acting allowance Rupees 400	1,400
If he officiated in C only, he would draw pay Rupees 1,000 and acting allowance Rupees 800	1,800
He will, therefore, draw for C (which carries the highest salary)	1,800

And but for proviso (c) he would be entitled for B and A to such allowances as the Local Government may fix, not exceeding Rupees $\frac{1,400}{2} = 700$ for B, and $\frac{1,000}{2} = 500$ for A.

But in consequence of that proviso, his aggregate salary must be limited to Rupees 2,200 (the pay of appointment C,) unless the declaration prescribed in Rule 1 be made.

SECTION 24(a).—Section 23 does not apply to the case of an officer officiating at the same time in two or more appointments which are ordinarily held substantively by one individual. In such case the two appointments shall, for the purpose of calculating acting allowances, be treated as one appointment upon the aggregate pay.

Exceptions.

(b).—Nor to the case of an officer discharging the duties of more than one appointment in the same office, or on the same establishment.

Examples.—One Under-Secretary discharging the duties of a fellow Under-Secretary in the same office or department as well as his own.

A Joint Magistrate appointed, in addition to his own duties to officiate as Magistrate of the District. In this case, he gets allowances only as Officiating Magistrate of the District.

A District Judge deprived of the help of an Additional or Assistant Judge, and therefore doing the Additional or Assistant Judge's work.

A Joint Magistrate doing the work of a second Joint Magistrate in the District as well as his own.

A clerk doing the duties of another clerk in the same office.

(c).—Nor does the section affect "local allowances" given for the performance of separate duties.

1. The allowances for the additional charge of an appointment of the kind specified in Section 11, are regulated by Military Rules and not by this Code.

SECTION 25(a).—An Officer appointed, without being relieved of his own duties, to be in charge of the current duties of an office, is ordinarily not entitled to acting allowance.

Charge of current duties.

(b).—But when an officer is appointed to be in charge of the current duties of a judicial office, or of a gazetted office in the Police Department, and the charge, in the opinion of the Local Government, entails a substantial increase of responsibility, besides some additional work, he is entitled to a charge allowance, to be fixed by the Local Government, not exceeding one-tenth of the pay of the office. If the office is open to, and may in practice be held by, a Covenanted Civil Servant or an officer of the Army, the charge allowance may not be less than Rupees 100 a month.

1. For a subordinate judicial officer in charge of the current duties of a District Judge's Office, the charge allowance is fixed at Rupees 150 a month.

(c).—An officer of the Engineer Establishment of the Public Works Department, appointed, without being relieved of his own duties, to be in charge of the current duties of an office of higher class than his own, is entitled to a charge allowance of one-tenth of the civil pay of the class. But the cases must be reported to the Government of India for confirmation.

CHAPTER IX.—APPOINTMENTS ON PROGRESSIVE PAY.

SECTION 26(a).—When an officer is first appointed (whether the appointment be substantive or officiating) to an office of which the pay is progressive and the minimum pay is not less than Rupees 100, the pay of the appointment shall, for the purpose of calculating his salary, be ascertained by counting towards the increments any excess over one year in the period immediately preceding the date on which the appointment takes effect, during which the officer's pay continuously—

(1) if progressive, has been at its maximum, and

(2) has been not less than the minimum pay of the appointment:

Provided that not more than a year can be counted under this section.

(b). If the minimum pay of the appointment is less than Rupees 100, no time can be counted towards the increments before the date on which the appointment takes effect.

Example.—A had since the 1st July 1870 been drawing the maximum pay (Rupees 600) of his appointment. On the 1st December 1871 he was appointed to officiate in an office the pay of which rises from Rupees 600 to Rupees 800. Under this section he counts five months out of the seventeen intervening between the 1st July 1870 and the 1st December 1871. This section, however, does not fix his salary, but only determines one of the elements necessary for its calculation.

SECTION 27.—After an officer's first appointment, the pay of the appointment shall, for the purpose of calculating his salary, be ascertained by counting towards the increments (in addition to any time admissible under Section 26)—

i. Any time, whether continuous or not, during which he has officiated in the appointment, and during which—

(1) his pay, if progressive, has been at its maximum, and

(2) his salary has been not less than the minimum pay of the appointment;

ii. Any time during which he has substantively held the appointment.

Example.—A (the officer in the example under last section) will, under this section, count the time subsequent to 1st December 1871, during which he is officiating in the appointment. But this section like the last, does not of itself fix his salary.

SECTION 28(a).—If the officer is officiating in the appointment, his acting allowance shall be calculated on the mean pay of the appointment; his maximum salary shall be the pay of the appointment as fixed in accordance with Sections 26 and 27, and his minimum salary shall be half the mean pay of the appointment.

(b.) If the officer holds the appointment substantively, his pay shall be the pay of the appointment as fixed in accordance with Sections 26 and 27.

Example.—The “pay of the appointment,” as fixed for A in the above example, is—

From December 1, 1871	...	...	Rs. 600
From July 1, 1872...	...	...	650
From July 1, 1873...	...	...	700
From July 1, 1874...	...	...	750 and so on.

If he officiates only, he gets Rupees 740 (i. e., Rupees $600 + \frac{700}{5}$), limited at first to Rupees 600, after the 1st July 1872 to Rupees 650, and after the 1st July 1873 to Rupees 700. But after the 1st July 1874 he will draw the full Rupees 740, as the limit is then Rupees 750.

If he at any time obtains the appointment substantively, he gets the full pay above-stated.

I. The following special Rules apply to the Post Office Department :

(a.) Unless otherwise specially ordered by the Director-General, an officer can count time only under Section 27, and can count under part i, of that section, only so much as is continuous.

(b.) An increment of salary accruing in any other month than March must be postponed until the 1st of March next following.

SECTION 29.—An officer may, by excluding a previous appointment, count a subsequent appointment as the “first” appointment under these rules.

Example.—A officiated from the 1st January 1872 till the 31st March 1872, in an appointment the pay of which was progressive, but his own pay not being at the maximum, he was not entitled to count any time under Section 26.

He is again appointed to officiate on the 1st January 1874, but his pay having for some time been at the maximum, and the other conditions being fulfilled, the circumstances are such that, if this were his first appointment, he would be entitled, under Section 26, to count nine months towards the increments.

As this is more advantageous than it would be to count under Section 27 only the three months of his first officiating tenure he would, by this section, exclude the first officiating tenure, and count the second tenure (beginning on the 1st January 1874) as the first.

The three months, of course, cannot be afterwards counted under Section 27.

SECTION 30.—In Departments in which the pay is regulated according to classes, an officer may count, under Section 27, any time during which he has officiated in a higher class, as if he had during that time officiated in any lower class. Time thus counted cannot be afterwards counted towards an increment in the higher class.

SECTION 31.—Time spent on leave with allowances counts towards increments in the same manner as if during it the officer had actually held or officiated in (as the case may be) the appointment on which he has a lien. But an increment accruing while an officer is on leave does not affect his allowances until he returns to duty.

SECTION 32.—Time passed under suspension does not count towards increments, if the suspension is a penalty for misconduct; but an officer, in directing reinstatement of a person who has been suspended, may declare that the time shall count.

Note.—The Rules in Sections 26 and 30 were first promulgated in the Acting Allowance Code, dated the 1st August 1871.

Section 30 may be applied in fixing the salaries of officers in the appointments which they were holding on the 1st August, but no back pay before the 1st August can be drawn in consequence of the permission given by it.

Section 26 can be applied only in fixing the salaries of officers in appointments made on or after the 1st August, but any officer holding an appointment on the 1st August 1871 may count that appointment as if it had been “first” made on that date.

CHAPTER X.—EXCEPTIONAL CASES.

SECTION 33.—The allowances of an officiating Ordinary Member of the Executive Council of the Governor-General, or of the Governor of Madras or Bombay, are regulated by Act of Parliament, Section 27 of 24 & 25 Vic., Chap. 67.

SECTION 27.—If any vacancy shall happen in the office of an Ordinary Member of the Council of the Governor-General, or of the Council of either of the Presidencies, when no person provisionally appointed to succeed thereto shall be then present on the spot, then, and on every such occasion, such vacancy shall be supplied by the appointment of the Governor-General in Council, or the Governor in Council, as the case may be, and until a successor shall arrive, the person so nominated shall execute the office to which he shall have been appointed, and shall have all the powers thereof, and shall have, and be entitled to, the salary and other emoluments and advantages appertaining to the said office during his continuance therein, every such temporary Member of Council foregoing all salaries and allowances by him held and enjoyed at the time of his being appointed to such office; and if any Ordinary Member of the Council of the Governor-General, or of the Council of either of the Presidencies, shall by any infirmity or otherwise be rendered incapable of acting or of attending to act as such, or if any such Member shall be absent on leave, and if any person shall have been provisionally appointed as aforesaid, then the place of such Member absent or unable to attend shall be supplied by such person, and if no person provisionally appointed to succeed to the office shall be then on the spot, the Governor-General in Council, or Governor in Council as the case may be, shall appoint some person to be a temporary Member of Council, and until the return of the Member so absent or unable to attend, the person so provisionally appointed by the Secretary of State in Council, or so appointed by the Governor-General in Council, or Governor in Council, as the case may be, shall execute the office to which he shall have been appointed, and shall have all the powers thereof, and shall receive half the salary of the Member of Council whose place he supplies, and also half the salary of his office under the Government of India, or the Government of either of the Presidencies, as the case may be, if he held any such office, the remaining half of such last-named salary being at the disposal of the Government of India, or other Government as aforesaid: provided always that no person shall be appointed a temporary Member of the said Council, who might not have been appointed as hereinbefore provided to fill the vacancy supplied by such temporary appointment.

High Court Judges.

Section 34.—An Officiating Chief Justice, or Judge of any High Court, or of the Chief Court of the Punjab, is entitled to the full pay of the appointment.

Law Officers.

Section 35.—An Officiating Law Officer draws, as acting allowance, the difference between the allowance attached to the appointment and the portion of it drawn by the absentee for whom he officiates.

1. The Government of Madras may apply this rule to an officer officiating as translator to Government.

APPENDIX REFERRED TO IN SECTION 18.

Extract from the Telegraph Code, Chapter D.

82.—The following Rules relate to the acting allowances of officers of the superior establishment, the expression "consolidated pay" being in all cases understood as the pay fixed for a Civil Officer holding an appointment, even though the officer affected in the calculation of acting allowance be a military officer.

I.—An officer officiating in the Telegraph Department, who does not hold any substantive appointment, shall receive an acting allowance of half the consolidated pay of the appointment in which he may officiate. In giving acting allowance under this rule to a Military Officer not holding any substantive appointment, who may officiate in the Telegraph Department, the allowance granted will be in addition to his military pay and allowances, up to an amount not exceeding what the officer would draw were he to be confirmed in the lowest grade of the class in which he may be appointed to officiate.

II.—An officer officiating as Director-General shall draw a salary not less than Rupees 2,500 a month.

III.—Except as provided in Rules I. and V., an officer officiating in a grade immediately superior to his own, shall draw the minimum consolidated pay of that grade; if he be a Military Officer, and the grade in which he is officiating carry staff allowances, he shall draw the same salary as he would draw were he permanently confirmed in the grade in which he officiates.

IV.—Except as provided in Rules I. and V., an officer officiating in a grade higher than that immediately superior to his own shall draw an acting allowance of one-fifth of the mean consolidated pay of the grade in which he officiates, provided that the whole salary drawn by him shall not exceed the minimum pay of the grade in which he officiates. If, however, he be a Military Officer, officiating in a grade carrying staff allowances, he shall draw, in addition to the staff allowances of his own grade, an acting allowance of one-fifth of the staff allowances of the grade in which he officiates, provided that the whole salary drawn by him shall not exceed the maximum pay fixed for the grade in which he officiates.

V.—No Assistant Superintendent, when officiating for another Assistant Superintendent of a higher grade, shall draw any acting allowance.

VI.—These rules are to be applied to all officers, Military or Civil, officiating in the superior appointments of the Telegraph Department in all cases, whether in an absolute vacancy or during the absence of the permanent incumbent on general or privilege leave, special duty, or field service.

VII.—The acting allowance to the substitute of an officer on privilege leave will be paid by the State.

VIII.—A Superintendent holding charge of two divisions will receive an allowance of Rupees 100 a month, and any Assistant Superintendent in charge of two sub-divisions Rupees 50 a month. This, however, is only to be allowed under special circumstances, and as a temporary arrangement, and must be reported to the Government of India for confirmation.

96.—No increased allowances are payable to any officer of the upper or lower subordinate establishment, or to any Sub-Inspector, for performing duties previously entrusted to one of a higher grade in either of those subordinate establishments.

Extract from the Rules of the appointments, &c., of Officers of the Forest Department under the control of the Government of India.

XII.—As a rule, all officiating appointments will be made to the lowest grade of Assistant or Deputy Conservator, and to the lowest class of Conservator, and in such cases the salary of the officiating officer will be the pay of the lowest grade or class of the office in which he officiates. There being no fixed number in the different grades of the Assistant Conservator, and Deputy Conservator no officiating appointments in the higher grades within these classes will be permitted.

XIII.—If in any special case an officiating appointment is made otherwise than to the lowest grade or class of Assistant or Deputy Conservator, or Conservator, the salary of the officiating officer will be regulated by the ordinary rules regarding acting allowance, or will be fixed specially by the Government of India.

2. The provisions of the above Notification are applicable to the three Presidencies, as regards the acting allowances of all uncovenanted servants and of military subordinates, including those employed as clerks in public offices under the Military Department.

I.—The words "prior to his proceeding on furlough" in section V, of the military furlough regulations of the 10th November 1868, shall, in the case of an officer who takes subsidiary or preparatory leave before furlough, be understood to mean *prior to his being relieved of his duties*.

II.—Days of embarkation and debarkation are parts of furlough, and furlough allowances only are admissible for such days.

IV.—If an officer remains in India after the end of subsidiary leave prefixed to furlough, his furlough is held to have begun in India, and his absence on furlough is reckoned from the date on which he gave up office.

VII.—Officers going on leave from the Public Works Department are required to produce no-demand certificates from account officers of that Department.

VIII.—The Government to which an officer is subordinate may exempt him from loss of appointment when he overstays privilege leave by more than a week.

IX.—Leave may be retrospectively commuted, by the authority which granted it, to any other kind of leave which the said authority would have been competent to allow when the original leave was sanctioned.

X.—When privilege leave is, on medical certificate, retrospectively commuted to furlough out of India, so much of the leave passed before embarkation may be treated as subsidiary leave, as the officer would have been entitled to count as subsidiary leave if he had originally obtained furlough and not privilege leave.

XI.—An officer on privilege leave cannot draw his allowances in England, but his agent may draw them in India, in the manner prescribed in rule 2 under section 23(a) of the Civil Leave Code.

XII.—If an officer receive an advance of pay in England to enable him to return to duty in India, the advance must be recovered at the rate of exchange fixed for transactions with the Imperial Government at the time it was made.

2. The remaining half staff salary will be available for the acting Aide-de-Camp to the officer in temporary command of the division. NATIVE MEDICAL PUPILS.

G. O. G., No. 199 of 9th August 1872.—The following General Orders by the Government of India, are re-published:—

Simla, 30th July 1872, No. 772.—Frequent complaints having been received of the idleness and inattention of many of the Native medical pupils who, under the provisions of paragraph 41 of G. G. O., No. 550† of 1863, are attached to medical schools and colleges for the prescribed course of study, the Right Honorable the Governor-General in Council is pleased to authorize the Principals of Schools and Colleges to withhold or to withdraw the increase of pay given after the first year's residence from those medical pupils who, from idleness or other misconduct within their own control, have failed to make due progress in their studies.

Each case in which this authority is exercised is to be reported through the Local Government, for confirmation by the Government of India in the Military Department.

BEDDING.

No. 775.—His Excellency the Governor-General in Council is pleased to order the following modifications of G. G. O., No. 1,077,‡ dated the 12th December 1871:

Bedding for the British troops will, with reference to G. G. O., No. 303 of 1872, be issued and stored by the Commissariat Department.

The first part of paragraph 4, as far as the words, "extra issue necessary," is cancelled and the following substituted: *During exceptionally cold weather one or two extra blankets will be issued by the Commissariat Department in winter, not as soldier's bedding but as an extra issue, the property of Government, to be returned into store when no longer required, provided the General Officer Commanding and the Principal Medical Officer at the station concerned consider such extra issue necessary.*

One extra blanket may also be issued to troops for use on the line of march under the same restrictions

In any case of extra issues under the authority of this order, a report, detailing the extent of the issue and the necessity for it, is to be made for the information of the Government of India.

UNEMPLOYED OFFICERS.

G. O. G., 1st August 1872, No. 797.—The Government of India having been in communication with the Right Honorable the Secretary of State in regard to the measures to be adopted towards reducing the number of unemployed officers of the armies of the three Presidencies, the Governor-General in Council is pleased to publish, for general information, the following orders containing the final decision of Her Majesty's Government.

2. Her Majesty's Government have decided not to offer any additional inducements for the retirement of unemployed officers, and that all officers of unimpeachable character and sound health, whose rank renders it difficult and indeed, almost impossible, to find suitable staff employment for them in the present state of the service, shall nevertheless continue in the service, and at the disposal of Government under the existing regulations, so long as they retain their present fitness for active employment, and are prepared to discharge whatever duty the Government may think proper to call upon them to

perform. Such of these officers as have attained, or may attain, the substantive rank of Lieutenant-Colonel, should they still continue unemployed, will have the option, as a temporary arrangement, of residing out of India upon British pay until their services are required, with the understanding that the time passed under these circumstances will count towards retiring pension as well as towards the Colonel's allowance, but they must be prepared to return to India for any active duty to which they may be called.

3. Unemployed officers who are ineligible for public employment, by reason either of clear misconduct or proved physical or mental inefficiency, or who have been removed from their appointment for inefficiency, or who have by distinct or undeniable misconduct rendered themselves ineligible for regimental employment, will be called upon to send in their application to retire upon such pension as they may be entitled to under the regulations, and, if they should fail to do so within three months from the date of their being so called upon, they will be removed to the pension list. Her Majesty's Government do not object to special consideration being shown in the grant of the next higher rate of pension to those officers who have, in the opinion of the Governor-General in Council, deserved well of the State by reason of the length and character of their previous services.

4. The Governor-General in Council is also authorized to grant to such officers as are not yet entitled to full-pay pensions either the half-pay pension of their rank, or such special annuities, short of the pension of a Captain, as may be appropriate in each case.

5. Early communications will be addressed to all unemployed officers with a view to carrying the above orders into effect.

6. Moreover, in order to remove one of the causes through which officers come on the unemployed list, Her Majesty's Government have directed the following change to be made in the present Furlough Regulations as far as they apply to Staff Corps Officers:

"All leave of absence granted by competent authority will henceforward involve retention of appointment. No officer will be allowed, on the plea of private affairs, to extend his leave upon whatever grounds such leave may have been originally granted, beyond two years, except upon satisfactory evidence of very urgent necessity."

* "In the event of an officer not being able to return to his duty after an absence of three years, it will rest with the Right Honorable the Secretary of State for India in Council to order him to appear before a Medical Board with a view to placing him on the retired list if entitled to pension, or on the half-pay list."

"Should the circumstances of the case warrant a further extension of leave, it can only be granted without pay."

"The rule contained in the 2d clause* of paragraph 13 of the Furlough Rules of 1863 will be in all cases strictly observed."

directs that the code be promulgated for general information and guidance in supersession of all previous orders on the same subjects:—

RULES FOR THE VETERINARY DEPARTMENT.

SECTION I.

DUTIES OF VETERINARY SURGEONS.

1. Veterinary Surgeons are to perform their respective professional duties under the instructions of the Principal Veterinary Surgeon of the Army, or Inspecting Veterinary Surgeon of the Circle, but subject to the orders of their Commanding Officers.

2. The first duty of a Veterinary Surgeon, on joining the regiment to which he has been appointed, is to make himself acquainted with every part of its system; the age, soundness, defects and qualities of each horse, by personal examination, and by reference to the records of his predecessor.

3. A most important part of a Veterinary Surgeon's duty is the prevention of disease, he will therefore make himself well-informed as to predisposing causes, and the most effective way of removing or at least modifying them; the recommendation of sanitary measures is peculiarly his province, as a judicious adoption of these will tend much to preserve the health of the horses.

4. Veterinary Surgeons will have free access to all the stables and lines, and Commanding Officers are enjoined to give them every assistance and support, it being necessary that on all occasions ready compliance with their suggestions for the care and treatment of the horses, ventilation of the stables, and matters appertaining thereto, should be adopted and enforced by superior authority. The Veterinary Surgeon is to make a daily report to the Commanding Officer of the sick and lame horses.

5. The Veterinary Surgeon is frequently to inspect the stables of lines and their environs, in order to ascertain whether due attention to cleanliness and ventilation is preserved. Any suggestions that appear to him necessary are to be made to the Commanding Officer; and copies of such suggestions are to be forwarded by the Veterinary Surgeon with his next Return to the Principal or Inspecting Veterinary Surgeons.

6. Whenever he may deem it necessary to recommend any sudden change in the management or feeding of the horses, a copy of the letter to the local military authorities on the subject is to be at the same time forwarded to the Principal or Inspecting Veterinary Surgeon.

7. He must inspect the forage which is to be issued to the troop horses, and at once report any which he may consider not sufficiently good for issue; he will also attend all boards on forage reported unfit for issue, for the purpose of assisting the officers with his opinion.

8. Every troop horse at head-quarters, or within a distance of ten miles, is to be inspected by the Veterinary Surgeon at least once in seven days.

9. When any unusual sickness prevails among the horses, the Veterinary Surgeon is immediately to report the circumstance, with his opinion thereon, to the Principal or Inspecting Veterinary Surgeon, stating whether he considers the complaint contagious, and whether he thinks it originated from severe duty, exposed to cold or fatigue, bad forage, bad weather, foul air in ill-ventilated or crowded stables, or from any other (and what) cause, together with a full detail of the medical treatment and precaution adopted.

10. Horses with infectious diseases must be kept separate from all others; and before the stall or box used by such horses shall be again occupied, it is to be carefully scraped and covered with cowdung and clay, then white-washed. All wood-work should be carefully scoured with soap and warm water.

11. Any particular stall or box may, at the Veterinary Surgeon's recommendation, and with the Commanding Officer's sanction, be white-washed with lime, and its floor dug up and re-laid. The bill for this work, to be supported by an extract from Regimental Orders, in which full explanation is to be furnished of the necessity for the work.

12. All applications for leave on private affairs should state how the Veterinary Surgeon's duties are to be carried on during his absence.

13. When a Veterinary Surgeon proceeds on short leave of absence, the officer performing his duties will receive charge of the property of Government on the responsibility of the Veterinary Surgeon takes leave.

14. Veterinary Surgeons on arrival in or departure from any station, whether on duty or leave, will report to the Principal or Inspecting Veterinary Surgeon of the Circle.

15. When a Veterinary Surgeon is incapable from sickness, or other cause, of performing his duties, a report of the circumstances shall be made to the Principal or Inspecting Veterinary Surgeon; also, when a Veterinary Surgeon obtains leave on medical certificate.

16. On the removal of any Veterinary Surgeon in charge of a regiment or battery to another regiment, battery or station, or on his resignation or retirement from the service, he is to deliver over all veterinary stores, books, records, &c., with correct returns thereof, to the person succeeding to such charge, taking his receipt for the same, which receipt is to be attached to a return of the sick and lame horses, to be transmitted to the Principal or Inspecting Veterinary Surgeon of the Circle by the Veterinary Officer so removed. The receipts of the relieving officer are also required to relieve the office,

making over the Government stores of the debit in the books of the several Examiners of Accounts. Besides a general receipt to show the Principal or Inspecting Veterinary Surgeon that all stores, &c., have been correctly delivered over. A separate receipt in duplicate should be prepared for the stores of each department, one copy of each to be retained by the relieving officer, and the other copy to be sent by post to the proper Examiner, either direct, or through the Principal or Inspecting Veterinary Surgeons.

17. In the event of the death of a Veterinary Surgeon, the stores, books, &c., are to be taken possession of the 2nd Captain of a battery or by the regimental Quartermaster, who is to follow the course prescribed in the last paragraph, and report to the Inspecting Veterinary Surgeon of the Circle his having done so. The correctness of the balance taken over by the relieving officer should be verified by the Commanding Officer or the Committee of Adjustment.

SECTION II.

HOSPITAL DUTIES.

1. Veterinary Surgeons are to visit their hospital morning and evening at the time of the stable hour, and at such other times as circumstances may require.

2. During the morning visit every horse in hospital is to be prescribed for, instructions given as to the management of the horses and their diets fixed; during the evening visit, only fresh and important cases need be particularly examined, but a general look at the hospital is necessary to see that all is in order.

3. The appointments of every horse admitted to the Infirmary stables are, with the exception of the line gear, to remain with the troop or battery to which such horse belongs.

4. The diet of each horse in hospital is to be fixed by the Veterinary Surgeon, who will give his memo. on the subject daily to the Orderly Corporal of the hospital stable for transmission to the Quartermaster, from whom the Veterinary Surgeon will ascertain what articles of diet are obtainable from the Commissariat, and no forage of any description is to be drawn for horses in hospital, save such as may be sanctioned by the Veterinary Surgeon.

5. The ordinary diets are of three classes:—

<i>Low diet.</i> —Bran				...	...	...	4 lbs.
Suttoo				...	...	...	1 "
Hay or fine grass				...	...	...	2 "
<i>Medium diet.</i> —Bran				...	...	...	2 "
Ground gram or barley				...	...	...	2 "
Suttoo				...	...	...	1 "
Hay or fine grass				...	...	...	6 "
<i>Full diet.</i> —Bran				...	...	...	1 "
Ground grain or barley				...	...	...	4 "
Suttoo				...	...	...	1 "
Hay				...	...	...	8 "

Each horse 8 lbs. of straw daily for bedding.

6. The Veterinary Surgeon may, when he thinks necessary, order green forage, carrots, oats in straw, linseed, as procurable, in addition to or in supersession of, any of the above named regular articles of diet, but on no account is the cost for a single horse to be in excess of that of the daily ration of a horse in health.

7. These diets are not intended to be absolutely adhered to in all, but may be modified to suit particular cases. Some horses will require extra suttoo, or extra hay, and will not eat the bran ration; the one can be increased and the other diminished on the judgment of the Veterinary Surgeon.

8. The hospital stables, surgery, forage, and their appendages are under the sole direction of the Veterinary Surgeon, who is responsible that they are kept in proper order, and used solely for the purposes intended by Government.

9. No horse can be admitted to or removed from the hospital without his sanction, and he will be held responsible that no horse which should be admitted into hospital is kept in the Lines, and no horse retained in hospital which should be at work.

10. The cost for lighting horse infirmaries will be borne by Veterinary Surgeons and officers commanding troops or batteries, the latter supplying the lamp from the troop or battery contract allowance, and the Veterinary Surgeon the oil from the allowance for bazaar medicines.

SECTION III.

OFFICERS' CHARGERS.

1. The Veterinary Surgeon is to examine every horse an officer of the regiment desires to submit to his Commanding Officer for approval as a charger; and if he pronounces the horse sound, so as to be serviceable in every respect as a charger, he is to send a certificate to that effect to his commanding officer, who will decide on the admission or rejection of the horse as a charger.

2. The chargers of officers belonging, or attached, to the corps to which a Veterinary Surgeon may be attached, are to be attended when sick by the Veterinary Surgeon, who may order the horses to be sent to the Infirmary for treatment, when there are stalls not occupied by Government horses,

3. These chargers are to receive medicines, &c., of those supplied by Government; all things necessary and not supplied by Government, must be furnished by the officer to whom the charger belongs or arrangements made by him with the Veterinary Surgeon for the supply.

4. No other than registered chargers, the property of officers of the corps to which the Veterinary Surgeon belongs, or is doing duty in, are entitled to attendance by the Veterinary Surgeon, and medicine from the Government store. For horses, not chargers, and for horses belonging to officers not attached to the regiment or battery, the owners must make satisfactory arrangements with the Veterinary Surgeon.

SECTION IV.

REMOUNTS.

1. When a Veterinary Surgeon from a regiment or battery is ordered to attend the passing of Stud Remounts into the service, his duty will be confined to examining the horses for infectious diseases and for such a degree of unsoundness as will prevent the horse being serviceable; a horse is not to be cast merely for being unsound; he must also be unfit for the work intended; thus, a horse with bone spavins may be fit for work, and, therefore, to be admitted; a horse with a large cicatrix on the inside of any of the fetlock joints, may be quite unserviceable and therefore to be rejected.

2. Horses, not already the property of Government, when presented for admission into the service, are to be thoroughly examined by the Veterinary Surgeon, and rejected if not sound, or, if not of the proper age, *i. e.*, between four and seven years old. If a Veterinary Surgeon sign the admission roll of a Remount, his signature will be taken to imply his satisfaction with the soundness and proper age of the animal.

3. Remounts on joining a regiment or battery are to be very carefully examined by the Veterinary Surgeon; any showing indications of contagious disease, being at once separated from the rest, and placed apart for future observation,—other sick or injured Remounts, removed to the hospital stable, and the remainder placed together in a portion of the stable or line set apart for Remounts.

4. From their first arrival the food should be regulated according to the condition of the Remounts, those which require physic should be put upon bran mash and green food, which, continued for a few days, will soften the animal's droppings, and help easy action of the physic, which should be given in as mild a dose as is consistent with the production of the effect intended.

5. When Remounts are poor and low in flesh, the giving of physic should be delayed until they show signs of improvement, as bellies dropping, coats sleeker and disposed to lie, and flesh forming on the ribs, eyes clear and bright, &c.

6. Water Remounts are subject to worms, and their presence in ill-conditioned Remounts should be looked for and means taken to remove the parasites, after which tonics may be given daily. The common chiretta of the country, either in decoction or in powder, will be found very useful.

7. These Remounts which are in good condition and health, may have a daily ration of six pounds of grain well bruised, and two pounds of bran, with grass sufficient to keep the animal from craving.

8. The grass should be given frequently and in small quantities; horses are not fed from racks in India, and to throw a quantity of forage, at one time, before a horse, is to waste three-fourths of it.

9. Green grass; lucerne, oats in straw, green wheat or barley are excellent food for young horses and may be often procurable from the Commissariat in lieu of the grain ration.

10. Young horses should be tempted to lie down in their stalls by an abundance of straw-litter. Nothing sooner reconciles a young animal to a strange stable, or line, than resting comfortably and fearlessly, and the doing so has a beneficial influence on the condition.

11. The clothing must be regulated according to the climate. The skin should be kept warm, sweating avoided, and abundance of fresh air is absolutely necessary to the health of horses.

12. Remounts should be frequently watered; if possible a bucket of water being always within their reach. The opportunity of drinking at pleasure prevents horses drinking more than is good for them.

13. The feet should be examined and shod preparatory to work. With firm but gentle handling at this time, the natural reluctance of the colt to have his feet shod may be so overcome, that in future no trouble will be experienced during this operation.

14. The age and condition of the Remount must be noted with reference to the amount of training work each horse is fitted to bear, and the effect of this work should be carefully watched by the Veterinary Surgeon, in order that any excess of work may at once be stopped by authority.

15. The Remounts are not to be sent to troops of Cavalry or divisions of Artillery, till after their dismissal from school.

16. Stallion Remounts are to be castrated, so soon after their joining as their condition and the season of the year will warrant.

SECTION V.

CAST HORSES.

1. When a horse from any cause has become unserviceable, a report of the circumstances should be at once made through the Principal Veterinary Surgeon, to the Adjutant-General of the Army, from whom instructions as to its disposal will be issued, and no horse shall be branded as cast, until instructions to that effect have been received from Army Head Quarters.

2. The following form is to be adhered to in making out returns of horses, which it is deemed desirable to cast. The filling up of the columns of remarks, must be in the hand-writing of the officers, and severally they will be responsible for the correctness of the causes assigned.

3. In all medical cases, full details shall be given by the Veterinary Surgeon from the Register of Sick Horses.

4. Cast horses are to be branded on the near side under the saddle instead of on the buttock.

MARCHING.

1. The Veterinary Surgeon should, when practicable, accompany the last division of a regiment on its march, to ensure attention to their duties on the part of the Farriers, and to make the necessary arrangements for the care of the sick and lame horses which cannot be removed, and must be left behind on the route.

2. When a regiment is ordered to change quarters, the Veterinary Surgeon is to transmit to the Principal, or Inspecting Veterinary Surgeon, a list of the sick and lame horses, showing their state and distribution.

3. On the termination of the march a similar list is to be transmitted to the Principal or Inspecting Veterinary Surgeon, distinguishing those horses, if any, which may have been unavoidably left behind at the late head-quarters, or at places on the route, and specifying the nature of their complaints, how long they have been ill, and where and under whose medical care they are placed.

4. No horse, however, which can be removed without risk should be left behind.

5. Any horse necessarily so left is to be given over with a written statement of the nature and period of illness, or lameness, and previous treatment, to the Veterinary Surgeon of the relieving regiment, or to some other Veterinary Surgeon if practicable; and if any horse shall be left without such statement, the Veterinary Surgeon receiving the charge of the horse, is immediately to report the circumstances to the Principal or Inspecting Veterinary Surgeon.

6. Any horse left under the care of a Veterinary Surgeon of another regiment should, under the sanction of the Commanding Officer, be included for the time being in the returns of the regiment with which the horse may be left.

7. When any horse left behind shall become incurable, or shall die, or shall be sufficiently recovered to march, the Veterinary Surgeon, in whose charge the horse is left, is immediately to report the same to the officer commanding the regiment to which such horse belongs, and to the Inspecting Veterinary Surgeon of the Circle in which the regiment to which the horse belongs, is then located.

8. When the horses have been dressed after a march, the Veterinary Surgeon accompanied by the Saddler Sergeant, should visit each troop line, and enquire on the spot into the cause of any fresh rubs or galls, and he should direct the attention of the Saddler Sergeant to any alteration in the saddles which may be necessary; in this way only can backs, girths, &c., be kept free from serious injuries. No horse should be allowed to be ridden till the injured part be well, and the cause of the injury removed. The Veterinary Surgeon should report in person to the Commanding Officer the result of his inspection.

9. When detachments are sent from a corps, the Veterinary Surgeon is responsible that a supply of simple remedies for ordinary diseases is furnished to the Farrier who accompanies the detachment, who will also be furnished with such written instructions as shall prevent mistakes in the use of the remedies.

10. When a regiment of Cavalry is ordered to march, an indent on the nearest Ordnance Magazine for a Field Forge-cart is to be prepared by the Veterinary Surgeon, and countersigned by the Commanding Officer.

11. This Forge-cart is to remain near the hospital lines, and is to be under the charge of the Veterinary Surgeon.

12. Carriage cattle for the cart will be furnished by the Commissariat on Indent.

13. On the completion of the march the Forge-cart is to be surveyed, a report of its state prepared and sent with the cart to the nearest magazine.

SECTION VII.

FARRIER-MAJOR, FARRIERS AND HOSPITAL ESTABLISHMENT.

1. The Farrier-Major, Farrier-Sergeants, Shoeing Smiths and their assistants, are under the Veterinary Surgeon as regards their professional duties, and he will be most particular in affording instruction to them, with a view to their becoming intelligent practical men, and valuable veterinary assistants.

2. The Farrier-Major must entirely conform to the instructions and directions of the Veterinary Surgeon, and at all times adhere to established practices. He is to report the casualties that may occur to horses from time to time, to the Veterinary Surgeon, and attend him during his visits to the sick and to the troop stables or lines.

3. Under the direction of the Veterinary Surgeon, he will have charge of the veterinary stores and medicines; he will compound all medicines, administer them, attend to their effects, and report all occurrences to the Veterinary Surgeon. This duty of the Farrier-Major will not, however, relieve a Veterinary Surgeon from any of the responsibilities attaching to that officer.

4. The Farrier-Major must carefully superintend the work of the Farriers.

5. The Jemadars and Syces, allowed by Government for the service of the hospital stable, are under the Veterinary Surgeon, whose duty it is to select from the troop syces the men best adapted for the duty, and to have them thoroughly instructed in administering to the wants of the sick horses. These men are solely for attendance upon sick horses, and are to be employed on no other duty. They may be removed by the Veterinary Surgeon for neglect or ill treatment of the horses.

SECTION VIII.

SHOEING.

1. Every horse in the regiment must be shod at least once in the month, and with new shoes, save when the old are perfectly serviceable; the decision as to their fitness rests with the Veterinary Surgeon.

2. The shoe is to conform in style and fashion to the established pattern; it is not to be grooved or fullered, but simply punched and the nails countersunk.

3. Caulking is only to be applied to the hind shoe, and is to be confined to the outside heel, the inside heel is to be thickened in proportion. The weight of the shoe is to be from 9 to 15 ounces, according to the size of the horse.

4. As a general principle, horses are to be shod with not less than five nails in the fore and six in the hind shoe.

5. In preparing the foot for the shoe, the following method is to be observed. The old shoe having been carefully removed, a bed for the new shoe is to be prepared by the rasp, any stump of nail removed and the foot shortened with a rasp to the required length, a place for the clip being made with the point of the knife; should the foot be quite sound no further use of the knife is to be made, but should the foot be cracked or the horn diseased, the knife should be freely used. The shoe having been fitted is then to be nailed on, the points of the nails twisted off and the ends well battened down, after which no further use of knife or rasp should be allowed.

6. Both fore and hind shoes as a rule are to be made with a single clip at the toes, but for wheel horses a clip at each quarter of the hind feet is a great support and will keep the shoe in its place.

7. The Troop Farrier is carefully to examine each foot of every horse at least twice a week, when broken nails are to be replaced, the chenches of the nails fresh turned when necessary, and he will immediately report to the Veterinary Surgeon any appearance of thrush, or other change from the healthy condition of the feet.

8. After a day's march every soldier is to examine his horse's shoes in order to ascertain whether they are firm on the feet, and serviceable in all other respects, as otherwise the whole time of a Farrier might be employed in going round the lines of a troop to examine each horse, and his own work might thus be left undone; but the Farriers must be held responsible, that every deficiency in regard to shoeing reported to them, is promptly attended to.

9. The Veterinary Surgeon is to inspect every fresh shod horse; he will visit the Forge frequently during the hours the men are at work, and at once point out any alteration in the mode of working he may consider advisable. It is to be understood that the Veterinary Surgeon is responsible that the Farriers carry out the instructions they receive from him on this point.

10. The Farrier Sergeant or Shoeing Smith of a troop of Cavalry or Battery of Artillery, Horse or Field, shall receive monthly ten annas for each horse shod with four shoes, and six annas for each horse shod with two shoes. For this allowance, he shall provide iron, coals, and such tools as are not furnished by Government, and may be necessary. Each horse shall be well and efficiently shod at least once in each month. New shoes being put on when pronounced to be necessary by the Veterinary Surgeon.

He shall also keep a spare set of shoes and nails in each shoe case, which are to be used as required and replaced so soon after as they can be.

11. When a Farrier or Shoeing Smith loses the shoeing of a troop, these spare shoes and nails are, with the stock of iron, coals, old shoes (not on the horses' feet), tools, &c., to be valued, and the value paid to the Farrier or Shoeing Smith by his successor.

12. (Will be published hereafter).

13. Veterinary Surgeons, when sending in the Monthly Return of Sick and Lame Horses, will attach thereto a return of the number of men receiving instruction in shoeing, and in the following Form:—

Men receiving instruction in shoeing:	No.	Attendance.	Progress.

SECTION IX.

BOOKS AND FORMS.

1. The following Hospital books and blank returns will be supplied, at the public expense, on requisition on the Superintendent, Government Military Press,* Calcutta, countersigned by the Principal or Inspecting Veterinary Surgeon of the circle.

2. A Register of Sick and Lame Horses and a Record of Treatment, to contain a detailed history of cases of disease, with the treatment in accordance with the following Rules:—

1. Horses newly admitted into the Infirmary are to be entered in the Register, and also in the Record of Treatment.

2. The Register of sick and lame horses is to be kept in the following manner: Cases to be numbered in succession up to one thousand. When a horse in hospital becomes affected with a disease differing from that for which he was entered, the first case is to be closed, and the horse re-entered as a fresh case.

3. In filling up the column "disease," the prescribed nomenclature is to be adhered to as closely as possible.

4. Record of Treatment.—It will not be necessary to repeat in this book any information which may be found in the Register; for trivial diseases, a slight mention of the leading symptoms, and of the treatment, will suffice; but, all important case must be entered in full, causes, symptoms, time of observation, of changes of treatment, &c., &c., when death ensues, a post-mortem examination is to be held and all morbid appearances carefully noted, and described in the Record.

5. When horses die of infectious diseases, or when from long continued disease the tissues of the body are in a highly morbid condition rendering dissection dangerous, these after-death examination may be dispensed with; in death from accident, or when it is necessary, in consequence of such, to destroy the animal, a full examination must be made of its nature, and recorded.

* Superintendent, Lawrence Asylum Press, Madras.

6. When the history of a case extends beyond the page on which it is commenced, it may be carried to another page; and when only part of a page is requisite, a line may be drawn under it; and the remainder of the page filled up with a subsequent case.

7. The book should be filled up without leaving large spaces blank; therefore the progressive numbers of cases need not follow each other in regular succession.

8. When either book is filled up, it is to be forwarded by the least expensive, but safe, mode of conveyance to the Principal, or Inspecting Veterinary Surgeon, through whom requisition must be made in proper time for new books, as they are about to become necessary.

3. A *Guard Book* for keeping together in a regular series duplicate returns, letters, memos. and other documents received.

4. A *Letter Book*, in which copies of all official letters, written by the Veterinary Surgeon, are to be entered.

5. *Blank Returns*.—Forms of Indent for Veterinary medicines and instructions, Half yearly Returns of Veterinary instructions, Monthly reports; Death reports and Daily reports.

6. The Register of Sick horses, and the Record Practice are to be kept with the greatest care, and the matters to be recorded are invariably to be entered therein at the time they occur, or opinions are formed. The various entries are to be in the handwriting of the Veterinary Surgeon, who will also make out his own Monthly and Death reports.

7. All books are to be submitted for inspection at the Veterinary Office, when called for by Commanding or Inspecting Officers.

8. Monthly reports are to be made up and forwarded to the Principal, or Inspecting Veterinary Surgeon on the first day of each month, and will contain a list of every horse remaining on the 1st of, admitted to, and discharged from the hospital during the preceding month, numbering them according to the date of admission from 1, 2, 3, &c. Should one sheet not suffice to contain all, the summary at bottom of one, and the heading of a second sheet, or to be cut off, and the remainder joined. In the column of remarks is to be entered, how the case is going on, as "Improving"—"No change"—"Worse"—"Incurable," &c., and in any case requiring more lengthy observation, it may be entered on the back of the Return.

9. The Death report is to be filled up and sent to the Principal, or Inspecting Veterinary Surgeon immediately the casualty takes place, and in the column of remarks is to be entered the cause of death and any extraordinary circumstances attending the case, with particulars of post-mortem appearances.

10. Half-yearly Returns of Instruments should be sent on the 1st of April and 1st October, to the Examiner of Medical Accounts.

11. In filling in the abstract of "Issues during the half-year," it is intended to include all article which have been returned into store, made over to the Commissariat for sale, or having in any way gone out of the power of the returning officer, and for which he holds receipts, copy of which will be attached to the Return.

12. The Daily Report of Sick and Lame Horses is to be signed by the Veterinary Surgeon and sent to the Regimental Office.

SECTION X.

MEDICINES AND INSTRUMENTS.

1. European Veterinary medicines, instruments, and stores are supplied on indent from the Medical Depôts free of charge to all corps in which the horses, mules, &c., are the property of Government, and to regiments of Native Cavalry, on payment.

2. Articles necessary in the treatment of sick horses, and not supplied from Medical Depôts, such as cloth for bandages, blankets for fomentation, coarse tow, soap, firewood, nitre for lotions, &c., &c. are to be supplied by the Commissariat Department on indent from Veterinary Surgeons or officers in charge, which are to be countersigned by the Principal or Inspecting Veterinary Surgeon.

3. Veterinary Surgeons will send in a quarterly indent for such, and attached to each requisition will be a certificate on honour that every article is absolutely necessary.

4. The following scale of stationery, allowed annually for each Veterinary Office, will be strictly adhered to, and officers, in sending in their indents for the same, will state what quantities may be remaining in Office, and indent only for the difference:—

- Foolscap paper, 5 quires.
- Common do. 3 do.
- Blotting do. 6 sheets.
- Envelopes, foolscap, 150.
- Do. common, 100.
- 1 Quart bottle of ink.
- 12 Steel pens.
- 1 Holder.
- 1 Pencil.

GENERAL ORDERS BY COMMANDER-IN-CHIEF.

And as a permanent supply, renewable only when fairly worn out—

- 1 Inkstand, pewter.
- 1 Ruler.
- 1 Eraser.

Stationery Indents to be sent in with the Annual Medical Indents.

5. When Indents, yearly or emergent, are sent in, stock should be taken and record kept of what remains in store on date of indent; these records should be kept at one end of letter book and in the following form:—

Article.	Remaining on the	Received on the	Remaining on the	Received on the

Under the head of "article" are to be recorded medicines, instruments, and stores. In the first column, the quantity of each in hospital at date of indent, which date is to be recorded at top; when the indent is compiled with, the articles received are to be entered in 2nd column with date of receipt at top. If this simple method be strictly adhered to, no difficulty will ever be found in ascertaining the date of receipt on the quantities supplied at any particular time.

6. Indents are to be made out in duplicate and on the printed forms supplied, and are to include all articles the property of Government in store or required for the Veterinary hospital, the quantities required being entered in the handwriting of the indenting officer.

7. These Indents should be prepared annually from 1st February, and should reach the office of the Principal or Inspecting Veterinary Surgeon before the 15th of January.

8. Indents are to be signed by the Veterinary Surgeon, or, should there be no Veterinary Surgeon, by the officer in charge of the department, and forwarded to the Principal or Inspecting Veterinary Surgeon, for examination, who will send the original (after correction and signature) to the Medical Storekeeper, for compliance.

9. Any medicine, &c., not detailed in the Indent, and with a Veterinary Surgeon may require in his practice, are to be entered in the bottom of the Indent. No alterations, erasures, &c., of the printed portion are permitted.

10. Emergent Indents are only admissible under urgent circumstances; they are to be prepared on the printed forms for regular Indents; are to be in original only, and to have attached to each copy a memo. in the handwriting of the Veterinary Surgeon or indenting officer, detailing the causes which have rendered the emergent Indent necessary.

11. In preparing emergent Indents, the quantities of present requirements previously received and any balance now on hand shall be shown.

12. Veterinary officers upon the arrival of stores may request a committee to inspect them in order to ascertain if they are damaged or deficient. The quantities actually received should be specified by the committee, as well as the state they were found to be in on arrival. Any officer not availing himself of this rule will be considered as having received the quantities supplied by the Medical Storekeeper, and be responsible accordingly. In every case the receiving officer will duly receipt the invoice accompanying the stores, and return it to the Medical Storekeeper without delay.

13. Any veterinary instruments considered by the Veterinary Surgeon repairable should be sent to the depôt.

14. Whenever a Veterinary Surgeon may have instruments he considers unserviceable, he should apply for a committee to survey them; who should state in their report whether the articles condemned as unserviceable are to be returned to the depôt, or made over to the Commissariat for sale. One copy of the report to be sent to the Examiner of Medical Accounts to enable him to make the necessary adjustment. Should the committee consider them unserviceable, the Veterinary Surgeon will send a detailed list of them, with a copy of the committee's report, to the Principal or Inspecting Veterinary Surgeon.

15. Veterinary Surgeons or other officers, on taking over charge of the instruments and stores of a corps, will give receipts in triplicate, for the articles actually received by them, to the relieved officer, who will forward one copy to the Examiner of Medical Accounts, one to the Principal or Inspecting Veterinary Surgeon, and retain one himself. The relieving officer will also give receipts in duplicate for the medicines made over to him, one copy being retained by the officer relieved, and the other sent to the Principal or Inspecting Veterinary Surgeon.

16. In making over any instruments, stores, or medicines, the relieved officer must invariably take receipts, or he will be held responsible for them.

17. Veterinary officers should take care to provide themselves in time with a proper supply of printed Forms of Indents for Medicines, Half-yearly Return of Instruments, Monthly, Daily, and Death Reports. As a general rule all Indents and Returns submitted for sanction or information will be returned, if not made out on the authorized printed Forms.

18. When articles under the charge of the Veterinary Surgeon, being the property of Government, are lost or broken, a full report of the circumstances must be sent to the Principal or Inspecting Veterinary Surgeon for transmission to the Examiner of Medical Accounts.

19. When articles as above are stolen, a Court of Inquiry must be applied for by the Veterinary Surgeon, and a copy of the proceedings forwarded by him to the Principal, or Inspecting Veterinary Surgeon; also another direct to the Examiner of Medical Accounts.

20. All packing cases and materials received from Medical Depôts should be handed over for sale to the Commissariat, whose receipt will be attached to the receipted invoice.

21. When a Veterinary Surgeon is about to leave, a No-demand Certificate is to be obtained from the Examiner of Medical Accounts.

GENERAL ORDERS, &c., REFERRED TO IN THE CODE.

G. O., No. 161, dated 27th July 1866.—The following General Order, by the Government of India in the Military Department, is published for general information:—

No. 634, dated 20th July 1866.—With the sanction of the Right Honorable the Secretary of State for India, the Governor-General in Council is pleased to authorize the appointment of Inspecting Veterinary Surgeons in India in the proportion of two for the Presidency of Bengal, and one for each of the Presidencies of Fort St. George and Bombay.

The senior Inspecting Veterinary Surgeon in Bengal, who will be designated Principal Veterinary Surgeon, and the Inspecting Veterinary Surgeons in the Madras and Bombay Presidencies, will receive a Staff salary of Rupees 400; and the second officer in Bengal, a Staff salary of Rupees 300 per mensem, in addition to the pay and allowances of their grade in the Veterinary Department.

The Bengal Presidency will be divided into two Circles for the purposes of inspection. The limits of these Circles will be laid down under the orders of His Excellency the Commander-in-Chief.

The Inspectors, when on tour of inspection, will receive travelling allowance at the usual rates, to be passed on contingent bills.

G. O., No. 185, dated 3rd September 1866.—The following Notification, by the Government of India in the Military Department, is published for general information:—

No. 687, dated 10th August 1866.—With reference to G. G. O., No. 504 of the 22nd May 1865, it is hereby notified that when a Veterinary Surgeon with a regiment of British Cavalry is placed in charge of horses of a battery of Artillery, or of horses of other regiments, he will be allowed the usual head money of two annas per horse; but this allowance will not be made to a Veterinary Surgeon with a wing of a regiment of Cavalry, unless the aggregate number of horses under his charge exceeds 440—the complement of a regiment.

2. Veterinary Surgeons of Royal Artillery will be required to attend all the Artillery horses at the station, irrespective of their brigades or batteries, without any claim to head money for such duty; but if also in charge of Cavalry horses, they will be entitled to head money only for those by which the whole number of horses under their charge may exceed 440.

This cancels G. G. O., No. 135 of the 12th February 1866.

G. O., No. 232, dated 24th October 1866.—All Veterinary Surgeons, on arrival at the Presidency from leave to Europe or elsewhere, are to report themselves to the Inspecting Veterinary Surgeon, Lower Circle, Calcutta, from whom they will receive any needful instructions regarding their movements.

G. O., No. 248, dated 30th October 1866.—The following General Order, by the Government of India in the Military Department, is published:—

No. 849, dated 9th October 1866.—The appointment of Inspecting Veterinary Surgeons having been sanctioned in G. G. O., Nos. 634 and 635 of 20th July 1866, the Governor-General in Council is pleased to notify that the two Inspecting Veterinary Surgeons in the Bengal Presidency are authorized to exercise a general superintendence over the whole department, in accordance with the following Rules:—

2. These officers will be required to make tours of inspection of the horses of every troop and battery of Artillery, and regiment of British Cavalry, at least once a year, within their separate circles of inspection; the limits of which will be indicated by His Excellency the Commander-in-Chief for the purpose of enquiring into the general state of the horses, their dieting, shoeing, and the stable management.

3. It will also be their duty specially to examine and report upon all remounts received during the year, and all horses proposed to be cast in the regular branches.

4. In the course of their tours of inspection, these officers will submit reports to the Adjutant-General, noting any irregularities they may notice, their observations on the state of the Veterinary Establishments, on the general appearance and condition of all the horses in the service, and on the discretion with which the duty of casting is conducted.

5. Under the orders of the Commander-in-Chief, the Inspecting Veterinary Surgeons will inspect the horses of the Bengal Cavalry regiments whenever this can be effected without additional travelling. The Commanding Officers of Bengal Cavalry regiments will afford assistance to the Inspecting Veterinary Surgeons in carrying out this duty, and will further invite their counsel with regard to the breeds of horses, improvement of management, shoeing, &c., &c., in short, in all particulars by which the interests of the Sows may be forwarded for the better preservation of their horses, and therefore the efficiency of the Bengal Cavalry.

6. The officers during their tours will also, when practicable without additional travelling, examine all Government stallions in their circles which may be unconnected with the Stud Department, forwarding to the Local Governments a report of the state and condition of each, specifying any points which, according to their judgment, require notice.

7. Veterinary Surgeons in charge of troops, battaries, and corps, are placed under the direction of the Inspecting Veterinary Surgeons. They are responsible for having all such directions as the Principal Veterinary Surgeon may issue from time to time most strictly carried out, such directions having first received the sanction of the Commander-in-Chief. It will be their particular duty to make such inspections of the horses under their charge, as will enable them to recommend the adoption of measures by which the maintenance of health and condition, and the prevention of disease will be secured.

8. The instructions contained in the Queen's Regulations, pages 294, 387, 395 and 396, regarding Veterinary Surgeons, and the Veterinary Department, are to be most strictly attended to as far as local circumstances will allow, and in accordance with any special directions connected therewith, which may be received from the Inspecting Veterinary Surgeons.

9. All Veterinary Surgeons are to bear in mind that, in connection with the prevention of disease, a careful inspection daily, of the forage, grooming and shoeing of the horses, is essentially necessary.

10. Improper diet, bad grooming, and careless shoeing are the most frequent causes of all diseases to which the horse is liable.

11. Whenever a Veterinary Surgeon deems it necessary to recommend any sudden change in the management or feeding of horses, a copy of his letter to the local military authorities on the subject, is to be at the same time forwarded to the Inspecting Veterinary Surgeon.

12. Veterinary Surgeons will be most particular in affording instruction to all Farriers under their control, with a view to their becoming intelligent and practical men, and valuable veterinary assistants. The instruction to consist of lectures, demonstrations, dissections, &c., regarding which a record containing the heads of the subjects and dates when considered, is to be kept.

13. Veterinary medicines, instruments and surgical means are to be drawn by indents upon the medical stores of the Circle, in accordance with the Bengal Medical Regulations; and the periodical returns of these articles will be furnished by Veterinary Surgeons or military officers in charge of such stores, to the Inspecting Veterinary Surgeons, at the periods and in the forms which will be laid down under the orders of the Commander-in-Chief.

* Madras.

14. The following books are to be kept by Veterinary Surgeons and Government sanction their provision on Indent upon the Superintendent of the Military Orphan Press, to be furnished through the Inspecting Veterinary Surgeons and charged for in a contingent bill:—

Register of sick and lame horses.
Record of treatment.
Guard book.
Letter book.

15. It must be understood that all reports on the Veterinary Department for the information of the Commander-in-Chief, are to be submitted to the Adjutant-General, Head Quarters, through the Principal Veterinary Surgeon.

Extract G. O., No. 250, dated 30th October 1866.—The following General Order, by the Government of India in the Military Department, is published for general information:—

No. 869, dated 16th October 1866.—His Excellency the Governor-General of India in Council is pleased to direct the adoption of the following rules for the supply of remounts to the Army, in partial modification of existing regulations:

1. Standing Special Committees will be formed under the orders of His Excellency the Commander-in-Chief in the divisions of the Army in or near which Stud or Remount Depôts for the supply of horses are located.

2. These Committees will each be composed of three officers—one selected from the Royal Artillery and representing the interests of the Horse and Field Artillery; one from the British Cavalry regiments, who will represent both medium Cavalry and Hussars; and the third from any branch of the service who may be known to be a good judge of horses and to possess local experience. The senior officer to be President.

3. These officers will, as far as practicable, be selected from corps or appointments in the neighbourhood of the Stud or Depôt, and on the removal or departure of a member, a fresh selection will be made in his place.

4. When the Committee is assembled to select remounts, an Inspecting Veterinary Surgeon, when possible, will be in attendance to afford any advice or opinion required. If an Inspecting Veterinary Surgeon is not available, a selected Veterinary Surgeon will be nominated to the duty. The Veterinary Surgeon of the Stud or Depôt may also be present, but only on the part of the Stud or Remount Officer.

5. The Committee after selecting the requisite number of horses classified under existing regulations as suitable for chargers, Horse Artillery, Field Batteries, medium Cavalry and Hussars, will at once allot them to the several corps, according to the statement of requirements furnished to the President.

6. The despatch of horses after allotment will be effected by the agency, and on the responsibility of the Stud or Remount Officer.

7. To aid in these duties, the following establishment is sanctioned to be stationed and employed as the Superintendent of Studs may direct:—

2 Overseers, at Rupees 60 each per mensem.
2 Darogahs " 20 " "
2 Nalbands " 12 " "

8. When the horses have been made over to their respective corps, the gear used during the march will be transferred to the Commissariat Department for disposal by auction, or returned to the Stud for future use as may be found most expedient.

12. When Remounts unconnected with the Stud are purchased into the service, the selection should generally take place on the responsibility of the Commanding Officer and Veterinary Surgeon of the corps connected, as occurs in England. In the case of the Artillery, such purchases should be effected by Artillery Officers and Veterinary Surgeons specially chosen.

13. All existing orders on the subject of Remounts and for the guidance of the Committees for the admission of horses, which are not cancelled or modified by this order, will continue in force.

O., No. 254, dated 3rd November 1866.—With reference to the Orders marginally noted, the Commander-in-Chief is pleased, with the approval of Government, to announce that the following Divisions and Districts are to comprise the Circles of Inspection for the two Inspecting Veterinary Surgeons sanctioned by G. G. O., No. 207, dated 19th July 1869, and No. 342, dated 4th December 1869.—With the view of establishing a uniform system of shoeing, the Commander-in-Chief is pleased to lay down the following general directions on the subject, for guidance, and His Excellency desires that officers commanding regiments of British Cavalry and brigades of Royal Artillery will give their support and assistance to Veterinary Surgeons, who will be held personally responsible that the instructions now promulgated are carried out :—

I. All unnecessary interference with a sound healthy foot is to be avoided. The foot, being quite free from any defects it is only necessary to remove the old shoe, rasp an even bed for the new one, shortening the foot with the rasp to the desired length, and a place for the clip being made with the point of the knife. The shoe fitted nailed on, ends of nails twisted off and the clenches battened down, no further use of the knife or rasp is required. But when the horn is cracked, exfoliating or diseased, a free use of both knife or rasp is to be had recourse to, its absolute avoidance, in these cases being as great an evil, as its free use in cases of perfectly sound feet. By the Queen's Regulations six nails are the minimum, but in India owing to the feet of the horses being generally smaller, and the soil much lighter and drier, five and in some cases four nails have been found an ample number to keep the shoe from shifting. No more nails are therefore to be used than are actually required to ensure the retention of the shoe in its place, and it will rest with Veterinary Surgeons to determine the number required in each case.

II. The shoe being once fitted to the foot and nailed on, no further cutting or rasping of the foot should be allowed, the practice of cutting horn from under, or rasping away clenches, is forbidden.

The score of the rasp should never be visible on the crust.

The weight of the shoe to be regulated by the size of the foot.

III. Spreading flat feet, inclined to convexity, should be protected by broad light shoes, which should be removed only when about to fall off; these feet should never be touched by the knife and only, very sparingly, with the rasp. In cases of actual convexity of the sole, a hot iron, passed freely and frequently over it, will be followed by good results.

When there is a tendency to contraction, the knife should be frequently used, and with liberality, the thick horn about the *heels* should be removed with knife and rasp, till the heels bend under pressure of the hand. When the feet are much contracted, tips only should be worn, and these should be removed and the foot unsparingly thinned, once a fortnight.

Veterinary Surgeons will exercise their own judgment as to the proper mode of shoeing to be used in exceptional cases.

G. G. O., No. 379, dated 1st April 1862, para. 6.—6. On the recommendation of His Excellency the Commander-in-Chief, the following arrangements are also sanctioned for Veterinary Hospitals of European Cavalry regiments :—One Hospital Syce will be allowed to every two troops, two of whom shall be designated "Jemadar Syces," and receive rupees (6) six a month each, and the rest rupees (4-8) four and eight annas a month.

The most active and intelligent troop syces are to be selected for these situations.

G. G. O., No. 504, dated 22nd May 1865.—With reference to G. G. O., Nos. 363 and 364, dated 30th March 1860, the Right Honorable the Governor-General in Council is pleased to direct the publication of the following paragraphs of a letter from the Right Honorable the Secretary of State for India, No. 109, dated 7th April 1865, and to notify that the increased allowances therein authorised are to have effect from the 1st May 1865 :—

Para. 1. With my letter, dated 24th November 1859, No. 412, I transmitted to you copies of a Royal Warrant, dated 1st July 1859, regulating the rank, pay, promotion, and retirement of Veterinary Surgeons of Her Majesty's British Forces; and I directed that such parts of this Warrant as related to relative rank and precedence should be made applicable to the Veterinary Surgeons of Her Majesty's Indian Forces. At that time it was not considered expedient to alter the existing Regulations affecting the pay and allowances, or the conditions of invaliding and retirement, of this class of officers.

2. Consequent on the recent extension of Medical Officers of the benefits of the rates of pay and allowances fixed by the Royal Warrant of 1st October 1858, for the Medical Officers of the Army, I have had under my consideration in Council the subject of the allowances drawn in India by Veterinary Surgeons of the British and Indian Forces respectively.

3. Your letter, dated 21st December last, No. 470, also draws my attention to the present scale of pay to Veterinary Surgeons in India, which is stated to be relatively much less than that granted in England and the colonies.

4. It appears to me that the time has now arrived at which other provisions of the Royal Warrant of 1st July 1859 may be introduced into India, in addition to those specified in my letter of the 24th November 1859, above referred to.

5. It has been accordingly resolved that the rate of pay laid down in the Royal Warrant, with the Indian allowances of the relative rank of the officer, shall, for the future, be adopted as the scale of pay for Veterinary Surgeons of the British and Indian Forces. From the date of the commencement of these allowances, all extra allowances of whatever description will cease.

6. The rate of pay of Veterinary Surgeons of both Services will then be as follows :—

RANK.	Years' Service.	Relative Rank.	Full Batta.
Staff Veterinary Surgeon...	25	Major ...	RS. A. P. 976 9 6
Ditto ...	20	" ...	964 6 8

7. Veterinary Surgeons of the Indian Service will hereafter receive pay while on furlough according to the following scale :

RANK.	After 25 years' service on full pay.	After 20 years' service on full pay.	After 15 years' service on full pay.	After 10 years' service on full pay.	After 5 years' service on full pay.	On appointment.

8. Veterinary Surgeons compelled to leave the service on account of ill health, and entitled to half pay pensions under present regulations, will be allowed the Indian rates of half-pay of their relative rank, as laid down in the Royal Warrant of 1st July 1859.

9. Veterinary Surgeons of the Indian Medical Service will be allowed to retire on the following scale of pension, on completion of the required periods of service, viz. :—

After 20 years' service...	£ 200 a year.
" 25 " " "	250 "
" 30 " " "	300 "

10. The amalgamation of the Veterinary Surgeons of the British and Indian Forces being contemplated no further alteration in regard to the position on retirement of the Veterinary Surgeons of the latter forces appears to me to be at present called for.

11. The other advantages held out by the Royal Warrant to Veterinary Surgeons and their families, are to be adopted and declared applicable to India as far as the differences of the service will admit.

12. Such Veterinary Surgeons of the local forces as have expressed their desire to volunteer for general service should be allowed to re-consider their decision on your receipt of this despatch.

G. O., No. 275, dated 30th September 1870.—The following procedure will be observed in future on occasions when Inspecting Veterinary Surgeons visit regiments of Cavalry, or batteries of Artillery, for the purpose of veterinary inspection :—

G. O., Nos. 248 and 299 of 1866.

2. The Inspecting Veterinary Surgeon on arrival at a station will wait officially on the Brigadier-General or other officer commanding, in order that the day and hour for his inspection may be published in Station Orders.

3. The Veterinary Surgeon in charge of the horses of the corps concerned will accompany the Inspecting Veterinary Surgeon during his inspection. Officers in command of troops and batteries will invariably be present on these occasions, and will afford every facility for a thorough examination of the horses, as regards all subjects connected with their clothing and stable management, in order to enable the Inspecting Veterinary Surgeon to prepare the report required by Government.

4. Before leaving, Inspecting Veterinary Surgeons will forward to the officer commanding the station a memorandum embodying the result of their inspection, together with such professional remarks or suggestions as they may consider it necessary to make for the improvement of the health or condition of the horses.

* 5. The horses will invariably be inspected at their pickets.

NOTE.—G. O., No. 18 of 1870 is cancelled.

Adjutant-General's Circular, No. 21, dated 7th May 1867.—With reference to the Standing General Orders noted in the margin, respecting the postings or transfers of Veterinary Surgeons, the following supplementary instructions are issued for guidance :—

1. In future no posting or transfer will be made without the previous concurrence of the Principal Veterinary Surgeon, who will keep Disposition Rolls of Veterinary Surgeons in his office.

2. The Inspecting Veterinary Surgeon, Lower Circle, will communicate direct with the Principal Veterinary Surgeon, by telegraph if necessary, before adopting or recommending any postings or transfers to Divisional Officers commanding in the Lower Circle.

3. Whenever an extract of division or station orders posting or transferring a Veterinary Surgeon, is forwarded to Army Head Quarters for confirmation, it must be stated by the authority concerned that the arrangement has the concurrence of the Principal Veterinary Surgeon.

4. In all postings and changes affecting Veterinary Surgeons of the Royal Artillery, the Principal Veterinary Surgeon will consult the Deputy Adjutant-General of that branch, is possible, receiving his previous concurrence. But if this is impracticable, the Principal Veterinary Surgeon will, when submitting his recommendation, send a copy to the Deputy Adjutant-General, Royal Artillery, who, if he disapproves of the same, will refer at once to the Adjutant-General.

5. In urgent cases, or when a Veterinary Surgeon is required to move temporarily, the Principal Veterinary Surgeon may in his discretion effect the change, and then report the circumstances. But in all cases of an ordinary nature, no movements of Veterinary Surgeons are to be made without previous authority from Army Head Quarters.

Adjutant-General's Circular, No. 22, dated 9th May 1867.—The attention of officers commanding brigades and batteries of Royal Artillery and Regiments of British Cavalry is directed to para. 11, Section XXXIX, Military Regulations, re-published in G. O., No. 17, dated 29th January 1866.

Beyond being broken in and gently exercised, no Remounts are to be subjected to any work until they are five years old.

Commanding Officers will be held responsible that this order is strictly observed.

Adjutant-General's Circular, No. 34, dated 11th June 1867.—The annexed Forms of reports for use in the Veterinary Department in Cavalry and Artillery are laid down for general adoption. Nos. 2 and 3, Forms for transmission to Principal Veterinary Surgeon's Office. Supplies can be procured from the Military Orphan Press as required, without payment, under the authority of Government.

Adjutant-General's Circular, No. 45, dated 17th July 1869.—It appears to the Commander-in-Chief in India that there is an occasional misapprehension in the minds of Commanding Officers of Corps with reference to the responsibility of Veterinary Surgeons.

2. It is quite proper, of course, that military command should be exercised in the general supervision of duty, but it is right that Commanding Officers should understand that Veterinary Surgeons exercise, with regard to the horses of a corps, a responsibility analogous to that belonging to medical officers on account of the men.

3. This responsibility, therefore, is not limited to the precincts of the hospital for sick horses, but it comprehends advice as to diet, proper shoeing, and generally the conditions under which the efficiency of the horses, the property of the State, may be best maintained.

VOLUNTEERING—D BRIGADE, ROYAL HORSE ARTILLERY.

G. O. C. C., No. 62 of 10th July 1872.—The following General Order by His Excellency the Commander-in-Chief in India is re-published :—

Simla, 26th June 1872.—D Brigade, Royal Horse Artillery having been ordered to proceed to England next cold season, the Non-Commissioned Officers, Artificers and men, desirous of extending their services in this country will be allowed to Volunteer for the Royal Horse Artillery, serving in any of the Presidencies, under the rules laid down in para. 2 of G. O. C. C., No. 695 of 17th November 1863.—Madras G. O. G., 27th November 1863, No. 427.

The Non-Commissioned Officers and Artificers volunteering to remain in India, will take rank in the Brigade to which they may be posted, according to the dates of their promotion.

It is to be understood that men remaining in this country may select their Presidency, but are not allowed to Volunteer for any particular Brigade or Battery.

AMMUNITION.

G. O. C. C., No. 63 of 11th July 1872.—In continuation of G. O. C. C., No. 102, dated 16th September 1870, page 292, the Commander-in-Chief directs the publication of the following Rules for the preservation of Ammunition in Regimental Magazines for general information and guidance :—

Rules for the preservation of Ammunition in Regimental Magazines and in Pouch.

1st.—The ammunition boxes are always to be raised on teapops off the ground. The height of the teapops must never be less than 1 foot 6 inches. The Department Public Works is responsible for teapops being part of the fittings of Magazines. The feet of the teapops are to be cased in copper, as in Arsenals, as a protection against white ants and damp.

2nd.—The boxes are to be ranged with interstices of a few inches between them, and not too near the wall, to admit of free ventilation, and to avoid the damp which might exude from the wall.

3rd.—When the roof of the Magazine is thoroughly waterproof, paulins are not to be thrown over the boxes, as they stop ventilation.

4th.—When there are any symptoms of the floor showing the slightest damp, the paulins should be placed on the floor, to prevent the damp from rising to the boxes.

5th.—When the air is damp, every precaution should be taken to prevent its admission by the flues, doors, or windows ; but when it is dry, these should be opened and the Magazine freely ventilated. It is better not to ventilate at all than with damp air ; but no Ammunition will keep free from deterioration unless ventilated. Ventilation cannot be complete unless there are holes in the roof of the building.

6th.—Ammunition which has been longest in store is to be first expended in Practice, whether it is called "Service" or "Practice" Ammunition—both being alike—the necessary transfer of Service to Practice Ammunition being made in the Quartermaster's books.

7th.—No unserviceable Ammunition or caps are ever to be allowed to remain in store or pouch after the end of the current half-year. Whenever they are found to have become so, the cause thereof is to be immediately investigated by a Committee, and an indent to replace the same submitted half-yearly to the Inspector-General of Ordnance, together with the copy of the proceedings of the Committee, the original proceedings being sent to the Adjutant-General. But should the Regiment be likely to proceed on active service, an emergent indent to replace the unserviceable Ammunition and caps should be at once submitted.

8th.—All Regimental Magazines are to be reported on by the Commandant monthly, and Officers Commanding Divisions and Districts will forward to the Adjutant-General, through the Chief Inspector of Musketry, in one packet monthly, all such reports as concern Rifle Ammunition, or Magazines in which Rifle Ammunition is stored.

9th.—Officers in charge of Regimental Magazines are held responsible that these rules are strictly adhered to, and that copies thereof are hung up in each magazine.

G. O. C. C., No. 64 of 16th July 1872.—The following General Orders by His Excellency the Commander-in-Chief in India is re-published :—

Simla, 9th November 1871, No. 271.—The following regulations regarding the dress of all arms of the service having been approved of by the Commander-in-Chief, His Excellency directs the adoption of the nomenclature herein detailed whenever orders are issued for the dress to be worn on particular occasions, or on the assembly of troops for parade. ARMS.

No. 72.—Adverting to G. O. C. C., No. 45, dated 30th May 1872, page 163, the Commander-in-Chief directs it to be notified that Government has been pleased to sanction the issue of 20 Condemned Rifles in excess of the establishment for the instruction of Recruits instead of 15 as noted in the G. HORSE ALLOWANCE.

G. O. C. C., No. 73 of 8th August 1872.—The Commander-in-Chief directs it to be notified that the Government of India have intimated that the Horse allowance directly or indirectly granted to a mounted Officer is intended to cover the cost both of maintenance and renewal of his Chargers, but the State cannot in any way guarantee him against those risks to which any private individual is liable.

2. If therefore, an Officer desires to treat, in the hope of curing, a horse infected with glanders or farcy, &c., there can be no objection to his doing so, provided he takes the care to avoid injury to others which he would be required to exercise in any ordinary community.

3. Should any Officer show that he imperfectly appreciates his duty in such cases, it would be the duty of the Military Authorities on the spot to point it out to him.

FINANCE—PAY AND ALLOWANCES—STAFF.

G. O. C. C., No. 74 of 18th August 1872.—The following General Orders by His Excellency the Commander-in-Chief in India are republished :—

Simla, 12th April 1872, No. 66.—It has been decided by the Government of India that Indian allowances are in no case to be passed to an officer of a British regiment who may be detained in India to hand over an office with its records, &c., for a longer period than six weeks, unless the Governor-General in Council shall have previously sanctioned an extension of the period, which will, however, not be allowed, unless on the clearly exceptional ground of unavoidable necessity.

BRIDGES, PONTOON—TEMPORARY.

No. 68.—The following revised rules regulating the passage of troops over temporary bridges, received from the War Office, are published in substitution of those issued with the "Field Exercise and Evolutions of Infantry," edition 1870 :—

Rules to be observed by Troops in passing over Pontoon and other temporary Bridges.

"When large bodies of troops have to pass a river, and circumstances permit, three bridges will be made, one for Infantry, one for Cavalry, and a third for Artillery and wagons* which accompany the force. Columns of Infantry, Artillery, wagons, and Cavalry must not be mixed together in passing a bridge.

"In passing over a pontoon, or other temporary bridge, Infantry must break step, and all music cease; and files or sections must not be closed up.

"Cavalry will, as a rule, cross in files, but never faster than a walk.

"Wheel carriages of all kinds, including Field Artillery and Artillery of position, up to the 40-pr. rifled B. L., with trained horses, are to cross fully horsed; with unsteady horses, carriages must be passed over by hand. Taking out the lead horses and crossing with the wheel horses only is strictly forbidden.

"Halting on a bridge is to be avoided. If it be absolutely necessary to halt on a pontoon bridge, gun wheels must rest as nearly as possible midway between two boats. Artillery should cross at increased intervals. If the bridge sways so as to become very unsteady, the Column must be halted, and not allowed to resume its movement till the swaying has ceased.

"If heavy guns or traction engines have to be passed over pontoon bridges, special arrangements will be adopted.

"These rules apply to all suspension, military, spar, and floating bridges.

"Officers will incur grave responsibility if they cross a bridge otherwise than in the way recommended by the Engineer Officer in charge.

"To ensure the safe passage of troops over temporary bridges, General and other Commanding Officers will give directions for the frequent exercising of all horses of Cavalry, Artillery, Engineer, Train, Army Service Corps, and of Officers of the Staff and Infantry, in crossing such bridges as opportunities occur."

* This does not apply to ambulance wagons, &c., accompanying regiments.

COMMISSARIAT—STAFF SOLDIERS.

Simla, 24th April 1872, No. 74.—With reference to the order noted in the margin the Government of India has ruled that whenever the aggregate number of European troops at a station, whether composed of Cavalry, Artillery or Infantry, is equal to the strength of a regiment of British Cavalry, a station butcher may be authorized.

WOMEN AND CHILDREN—EMBARKATIONS.

No. 77.—In continuation of the General Orders cited in the margin, the Government of India desire it to be notified for general information and guidance, that on the departure from India of a married soldier, either as an invalid, for discharge, on transfer to the depôt, or on the relief of his regiment, his wife and children (including step-children) must accompany him unless the special sanction of Government to a contrary course has been obtained through the Commander-in-Chief.

2. Such sanction will only be accorded in cases where it is clearly shown that the individuals left behind will not require future assistance from the State, either in the form of subsistence allowance, or subsequent passage from India, and then only when the application is preferred in sufficient time to admit of a reply being received before the soldier leaves his station for the port of embarkation.

3. The same rules will apply to widowers and their children.

4. Commanding Officers are held responsible that this order is stringently enforced, and General Officers will require from the officer commanding each battery, British Regiment, and Convalescent Depôt in their command, one month prior to the march of the time-expired men, and again when the invaliding boards have concluded their proceedings, a certificate to the effect that the wives of men of these classes are present with, or will accompany their husbands home, and that none of their children will be left in this country, either in the care of private individuals or in the various asylums and schools; the exceptions, if any, being vouched by a copy of the Government sanction.

5. A similar certificate is also to be furnished to General Officers by officers commanding regiments and batteries under orders to leave India, one month before the date appointed for their march.

6. Officers commanding at the ports of embarkation are requested to report by telegraph to the Adjutant-General at Simla, any case in which it may appear that this order has not been fully carried out amongst the troop arriving for embarkation, the men concerned being detained until a reply is received.

STAFF CORPS.

No. 79.—The following form of Declaration (in the hand-writing of and signed by candidates,) must in future accompany applications for admission to the Staff Corps on probation:—

(c) "I hereby declare, upon my honour as an officer and a gentleman, that I have not, nor to the best of my belief has any person on my behalf or in my interest, directly or indirectly, received or agreed to receive any sum of money, valuable security, or other thing, in respect of (my appointment to the Indian Staff Corps), and I promise honorably and unreservedly that I will not receive the same or in any manner recognize or benefit by its receipt hereafter. In this declaration I do not refer to the sum which may be awarded to me by the Army Purchase Commissioners."

WOMEN AND CHILDREN—PAY AND ALLOWANCES.

Simla, 6th May 1872, No. 91.—With the sanction of Government, the following letter from the Secretary to the Government of India in the Military Department, to the Controller of Military Accounts, is published for general information:—

Fort William, the 8th March 1872, No. 387.—“In reply to your letter, No. 1,648H, dated 29th

G. O., No. 292 of 1867 and No. 278 of 1871. ultimo, I am directed to acquaint you that the decisions in the communications from this office, No. 1,113, dated 29th November 1867, and No. 377, dated 8th November last, appear to the Government sufficiently to meet the cases of step-children proceeding home with their step-parents; as they not only allow the children to be dealt with in all respects as if they were the step-parent's own children, but also specially allow the outfit allowance if the mother is dead, only requiring the regimental authorities to see that it is properly expended for the children's benefit; and further, if the children need to be placed under the charge of a female, having neither mother nor step-mother, and the step-father has no wife to take care of them, the remuneration laid down in General Orders for those who take home orphan children is granted to those to whom they may be entrusted.

“2. As there seems to have been some misapprehension hitherto, I am to state that, though these allowances are special, inasmuch as they have not been heretofore accorded by regulations, they are admissible in every case under the above conditions, without reference to the Government.”

ARTILLERY—DRILL AND INSTRUCTION.

N. 93.—With a view to the more practical instruction of the officers and men of garrison batteries of Royal Artillery, stationed in forts, the Right Honorable the Commander-in-Chief in India desires that General and other Officers in command will occasionally have the men exercised on the works.

The battery should be required to man as many guns in a bastion or battery as there are detachments.

Fire should be opened by the several guns manned, with blank cartridge, and shells brought up and example made, as if in action, of cutting and fixing fuzes, and putting the projectile into the gun.

The laying of the guns should be made on actual objects, the distances of which must be known. During the exercise, supposition is to be made of guns or carriages being disabled, and the substitution of others.

His Excellency considers, that such exercises with the armaments under the charge of the Artillery, will tend in a great degree to increase the practical efficiency of officers, non-commissioned officers, and men, and at times, the Infantry, instructed in gunnery may very properly take part.

With reference to the participation of the Infantry in these exercises, General and other officers in command are desired to place the Infantry, who have been instructed in gunnery, at the disposal of the Officer commanding Royal Artillery, whenever it is convenient for them to take part.

The occurrence of these combined exercises is to be reported in the Annual Report of gun drill.

FINES FOR DRUNKENNESS.

No. 101.—The subjoined General Order, by His Royal Highness the Field Marshal Commanding-in-Chief, is published for the information of the Army in this country, and the scale appended thereto will come into operation from the date of its receipt by batteries, regiments or detachments.

2. His Excellency the Commander-in-Chief directs, that this order be read at the head of every regiment, corps, and detachment, belonging to Her Majesty's British Forces, and that it be afterwards explained by battery, troop and company officers, to the men under their respective commands.

3. The attention of Commanding Officers and Courts Martial is drawn to Horse Guards' G. O., No. 60 of 1869 (re-published in G. O. C. C., 28th August 1869*), paragraphs 4 and 5, as modified by provisions of the existing Articles of War, viz., making any Defaulter Book evidence of former entries of drunkenness; and to G. O., No. 181 of 1871†, giving a form and instructions for preparing certificates of acts of drunkenness, which orders are to be acted upon in conjunction with the subjoined order.

4. G. O. C. C., dated 2nd July 1869 is cancelled.—(Madras G. O. C. C., 14th July 1869, p. 180.)

Horse Guards' G. O., No. 28, *Fines for (Drunkenness)*, dated 1st March 1872.

I. The G. O., No. 46 of 1869 is hereby cancelled, and the following rules—to take effect from the date of receipt hereof—are to be observed in dealing with the crime of drunkenness in the Army, under the 77th Article of War, by the infliction of summary fines, in accordance with the scale, Appendix C, which is to be strictly adhered to, but which is not applicable to non-commissioned officers.

II. The fines are progressive in amount on the repetition of acts of drunkenness, but, on the other hand, are subject to reduction in proportion to the length of time elapsing between the offences—thereby holding out strong inducements to the soldier to abstain.

III. The fines are to be enforced by an actual daily or weekly stoppage, according as each soldier is paid, and not by a mere debit in the monthly account. The stoppage to begin from the day (inclusive) upon which the fine was inflicted.

IV. When the fine amounts to ten shillings, or when a second fine has been incurred before a former one is paid, the daily stoppage is to be 4d., but it is never to be less than 3d.

V. The fines for a second offence, while the soldier is already undergoing stoppage for a former act of drunkenness, are to commence when the first has been paid.

VI. The soldier, in every case of fine, has the right of appeal to a court-martial, if he deny the offence; but, if he acknowledge it, he cannot appeal to a court-martial against the amount of fine inflicted according to the scale.

VII. When an act of drunkenness is accompanied by any other offence for which it may be necessary to try a soldier by a regimental court-martial, the man is to be dealt with summarily, in accordance with this order, for the act of drunkenness, previously to his trial for the other offence. If, however, the soldier is to be tried by a district or garrison court-martial, he is not to be so dealt with, but the act of drunkenness is to form one of the charges against him.

VIII.—Fines that cannot be recovered from the individual soldier's pay, are not recoverable from any other source.

IX. In all cases after an act of drunkenness, the soldier is, where practicable, to be kept in barracks or camp for 24 hours (to be reckoned from the hour of his being confined) without punishment drill; but this time is not to be counted as part of any punishment that may be awarded by a commanding officer.

X. All fines awarded are to be entered in the regimental defaulter book, and published in regimental orders.

* Madras G. O. C. C., page 261 of 1869.

† Madras G. O. C. C., 27th October 1871.

XI. An act of absence without leave, although not an offence to be punished by fine, is to be considered as equivalent to an act of drunkenness when there is good ground for believing that it arose from the design of the soldier to remain absent until he could return sober; and as it is essential that soldiers should be prevented from evading fines for drunkenness by absenting themselves in this manner, commanding officers, in dealing with cases of absence, will use a discretionary power in deciding—from their knowledge of the individual soldier's character, and the attendant circumstances of each case—whether the absence is or is not to be considered as equivalent to an act of drunkenness. Their decision in every case is to be recorded at the time, and entered in the soldier's defaulter sheets. Thus, a soldier who has had previous acts of absence recorded against him as equivalent to drunkenness, may be fined for his first act of drunkenness according to the scale.

XII. Convictions by courts-martial for absence without leave or desertion, which carry their own punishments with them, are not to be counted as equivalent to acts of drunkenness.

XIII. Every entry of absence not disposed of by courts-martial, and equivalent to an act of drunkenness under the rules in force up to the date of receipt of this G. O., is to be counted against soldiers in computing the future fines to be imposed for drunkenness.

XIV. Whenever a soldier, previously fined, has been clear of an act of drunkenness, or an equivalent act of absence, for twelve calendar months, his first subsequent act is to be treated as a first act (para. a of scale); but for a second subsequent act he is to be fined in accordance with the scale.

XV. Service forfeited by imprisonment or absence is not to count in any calculation for exemption from fine.

XVI. The following rules are to be observed in imposing the additional 2s. 6d. referred to in the scale (g). When a soldier has committed four acts of drunkenness or of absence equivalent thereto, within twelve calendar months, the sum of 2s. 6d. is to be added to his fine for every subsequent act of drunkenness committed within that period. If the soldier is not liable to fine under the scale, 2s. 6d. is not to be imposed.

XVII. The scale of fines is to be placed in a conspicuous position in every barrack room.

XVIII. Upon the receipt of this order, the company defaulter books are to be at once corrected by numbering consecutively, in red ink, every act of drunkenness committed by a soldier since the date of his enlistment. The numbering of the entries in the regimental defaulter book is to correspond with that in the company defaulter book. Cases of absence, although considered equivalent to drunkenness, are not to be so numbered.

XIX. The amount accruing from the fines forms a general fund, applicable under the direction of the Secretary of State for War, to objects tending to the benefit of the soldiers of the army generally.

XX. The number of men who have been fined for drunkenness during the month—the number of fines—and the total amount of fines, are to be shown at the foot of the monthly return of courts-martial.

XXI. All defaulters are to be permitted to enter the canteen during certain fixed hours in the day, say from 6 to 8 p. m.

APPENDIX C. TO G. O., No. 28.

Scale of Fines for Drunkenness.

(a) The first and second acts during a soldier's service, admonition or confinement to barracks at the discretion of the commanding officer.

For every subsequent act of drunkenness:—

(b) If within 3 months of former act, 7s. 6d.

(c) If over 3 and within 6 months, 5s.

(d) If over 6 and within 9 months, 2s. 6d.

(e) If over 9 and within 12 months, company entry.

(f) If over 12 months, to be treated as the first act.

(g) When the four preceding acts have been committed in the 12 month, 2s. 6d. to be added to the foregoing amounts.

The fines to be levied in Colonial corps will, in each case, be one-half the amounts above specified, and the maximum daily stoppage is to be 2d.

C., No. 78 of 13th September 1872.—Under instructions from Government, the Commander-in-Chief directs the particular attention of Officers Commanding Corps, &c., to the following paragraph of the Pay Code, under which Officers making any payments in direct contravention of the plain letter of the Regulations, are held personally responsible for the sums so paid.

* Issued, filed and finished.

† Issued, milled and drilled.

‡ Madras G. O. C. C., 3rd June 1872, page 169.

§ Lawrence Asylum Press, Madras.

Para. 54, page 32. "When an Officer fails to carry into effect any financial arrangement duly promulgated in General Orders, he shall be held personally responsible for whatever sums may, in direct contravention of the plain letter thereof, be drawn by him after the receipt of the order, either on his own account, or on that of Native Commissioned and European and Native Non-Commissioned and inferior grades; and he shall accordingly be subject to retrenchment from his personal pay and allowances, of all sums so overdrawn, no portion of which shall be recoverable by him from the Native Commissioned or European and Native Non-Commissioned and inferior grades."

LEAVE—SERVICE, OFFICERS—PASSAGE.

G. O. C. C., No. 79 of 19th September 1872.—The following General Orders by His Excellency the Commander-in-Chief in India, are re-published:—

Simla, 14th June 1872, No. 144.—In continuation of *G. O., No. 57 of 1872, the following letter from the Government of India, Military Department, to the Government of Bombay, No. 59, dated the 27th May 1872, is published for general information:—

"In reply to your letter, No. 2145, dated the 8th May 1872, enquiring how the time passed by an officer detained at the Presidency for passage in a troop-ship, beyond the usual preparatory leave, is to count towards leave and service for pension, I am directed to state, for the information of the Government of Bombay, that the Right Honorable the Governor-General in Council is pleased to rule that in cases where the detention is really unavoidable, the time should not count against an officer, but be considered to come within the preparatory leave."

RE-ENGAGEMENTS.

No. 148.—It having been noticed that cases of premature re-engagement carrying with them irregular payment of bounty, have become of frequent occurrence, the strict attention of Commanding Officers is called to this point, with the intimation that, bounty thus irregularly paid to soldiers will be recovered from the Officer with whom the error originated.

ESTABLISHMENTS—PIONEERS.

No. 150.—Under instructions from His Royal Highness the Field Marshal Commanding-in-Chief, it is hereby notified, that the ten Pioneers of British Infantry regiments are to be included in the strength of the service companies.

FINES FOR DRUNKENNESS—DISCIPLINE—CANTEENS.

No. 151.—With reference to ‡G. O., No. 101 of 1872, it is to be understood that Rule XXI, Horse Guards' G. O., No. 28, is not applicable to India; but the course laid down in ¶G. O., No. 220 of 1871, para. 98, will be followed.

GARRISON INSTRUCTION.

No. 158.—With reference to ¶G. O., No. 152 of 1871, the Government of India has sanctioned Garrison Instructors being permitted to reside at any station they may select, during the intervals between the courses of instruction, provided that no expense to the State is incurred.

Garrison Instructors will forward their addresses, while absent, to the Superintendent of Garrison Instruction, and they will be required to return to their stations in ample time to make all the preliminary arrangements for the assembly of their classes on the dates fixed for the commencement of the course.

COMMISSARIAT.

No. 159.—Under instructions from the Government of India, the Commander-in-Chief directs that whenever rations or supplies, provided by the Commissariat Department for troops in the field, are found to be generally of inferior quality or unfit for issue, a full report by a committee, or by a competent officer if officers to form a committee are not available, together with the opinions of the committee and Commissariat officers in immediate charge as to the causes of deterioration, shall invariably be forwarded to Army Head Quarters, for the information of Government.

WORKSHOPS.

No. 161.—In order to avoid any misunderstanding with regard to the fulfilment of Government

Military Department, No. 550, dated 9th February 1872, to the Quartermaster-General.

contracts entered into by regimental workshops, Government is pleased to rule that a regiment shall never take a contract unless the Commanding Officer is satisfied that the funds are in a position to bear a reasonably estimated loss on it.

2. Under certain circumstances of misapprehension or unforeseen contingencies, Government is always ready to deal liberally in respect to releasing contractors from their obligations, and regimental workshops would of course receive similar consideration; but to adopt the principle that soldiers are not, under any circumstances, to be losers while plying their trades in workshops, would practically prevent any tenders from regiments being accepted.

3. It is obvious that if regimental workshops are to be protected under all circumstances from loss on their Government contracts, departments could never hope to obtain a contract from other parties; as protected from the certainty of loss, a regiment would accept a contract on any terms, knowing that it could not possibly lose and might gain. In this way Government would be a double loser, while the principle on which regimental workshops were established would be to some extent lost sight of.

4. By observing the rule now laid down, while the individual will be saved from actual pecuniary loss, a sufficient incentive will be secured for caution in taking contracts, and economy in working them out.

GARRISON INSTRUCTION—EXAMINATIONS—PROMOTION OF OFFICERS.

No. 163.—With reference to *G. O., No. 152 of 1871, the following Horse Guards' G. O. is re-published for general information and guidance.

His Excellency the Right Hon'ble the Commander-in-Chief in India, in directing the immediate attention of General Officers commanding districts and divisions to the above General Order, has remarked that, in no less than twenty-six regiments serving in the three presidencies, officers have failed to take advantage of the first course of Garrison instruction held in India.

In some few instances it is possible that the requirements of the service may have prevented any officers being spared from their regiments, but His Lordship is of opinion that such cases must be of rare occurrence.

It will be observed that the Horse Guards' G. O. now published renders the "special examination" compulsory upon all subaltern officers for whom there may be accommodation at the classes. In selecting officers to go through the course, however, preference should generally be given to those upon whom the examination was made obligatory by para. I of Horse Guards' G. O., No. 65 of 1870.

His Lordship directs special attention to the concluding para. of the Horse Guards' G. O. now published, as well as to para. XIII† of Horse Guards' G. O., No. 65 of 1870, and in order that he may be in a position to decide upon the cases of all officers who have not passed before the 31st December 1873, General Officers are requested at the half-yearly inspections of British regiments to ascertain and report how far Commanding Officers have availed themselves of the services of the Garrison Instructors for the training of the younger officers of their regiments.

† "XIII. The cases of officers, who may not have had an opportunity of attending a course of instruction in a Garrison, are to be referred for special consideration."

Horse Guards' G. O., No. 35, dated 1st April 1872—Examinations for promotion.

I. With reference to G. O., No. 65 of 1870, all officers who entered the army prior to 1st May 1870, must pass the special examination before the 31st December 1873.

II. Commanding Officers will, upon that date, report to the Adjutant-General the names of all subalterns under their command who have not done so; forwarding at the same time any explanation those officers may have to urge, as a reason for not having complied with this General Order.

BANDS AND MESSES.

Simla, 5th July 1872, No. 161.—Horse Guards' G. O., No. 39, (Officers' Messes,) dated 1st May 1872, is re-published for general information.

2. The spirit of these regulations is to be held to apply to messes of Native regiments.

Horse Guards' G. O., No. 39, (Officers' Messes), dated 1st May 1872.

I. His Royal Highness the Field Marshal Commanding-in-Chief has reason to know that, in many instances, the expenses of regimental messes have increased to such an extent as to press heavily and injuriously upon junior officers, and those whose means are limited.

II. The orders on this subject, as already laid down in paras. 261 and 262, of the "Queen's Regulations and Orders for the Army," and the Confidential Letter and Memoranda of the 15th May and 27th July 1857, are so clear and explicit, that any Commanding Officers who allows the mess of his regiment to become the source of undue and extravagant expense, fails in one of the most important functions of his position. He should not only discourage, but firmly repress, any tendency upon the part of those under his command to indulge in extravagant and unnecessary habits of luxury, inconsistent with the military profession. This he should do by personal example, and by insisting upon the mess being conducted, in every particular, with strict economy and a due regard to the means of the poorest member of it.

‡ Madras G. O. C. C., 20th September 1871.

III. The Field Marshal Commanding-in-Chief is not disposed to dictate to the Officers of the Army with regard to the nature and number of their entertainments; but Commanding Officers will be required to exercise a wise discretion in checking and controlling all unnecessary and extreme expenditure on such occasions.

IV. The Duke of Cambridge will not absolve Commanding Officers from any part of their responsibility, in a matter in which the interests and prospects of the younger officers are so deeply concerned, and His Royal Highness will seriously consider the propriety of continuing an officer in command of a regiment who fails to carry out, in their true spirit and intention, the orders of Her Majesty on this subject.

V. General Officers in command will, at their annual inspections, report fully upon the ordinary, as well as the special, expenses of messes caused by entertainments, and upon the general conduct of regiments in these particulars.

SCHOOLS.

No. 166.—Pending the issue of revised regulations for Army Schools, applicable to India, His Excellency the Commander-in-Chief is pleased to lay down the following rules regarding school examinations:—

Every adult pupil, on first joining a regimental school, will be examined by the Schoolmaster, and the papers then executed by him will be preserved until he obtains a school certificate on the recommendation of the Superintendent of Army Schools.

Every grown child will in like manner be examined on joining a school, and the papers will be preserved until the child is dismissed the schools.

The annual examination by the Schoolmaster, as laid down in *G. O., No. 351 of 1868, will be continued; but such need not be held in cases where a school has already been examined during the current season by the Superintendent of Army Schools, or when a notification of an intended visit by that officer has been received.

The papers done at each annual examination, whether held by the Schoolmaster or by the Superintendent of Army Schools, will be preserved until after the next examination by the latter.

The use of examination books will be discontinued, the work of examination being done on paper; a separate half sheet or sheet being used for each subject.

Examination books are withdrawn from the list of Forms authorized to be issued to schools in †G. O., No. 30 of 1868.

RAILWAYS—PASSAGES.

No. 167.—With reference to ‡G. O., No. 125 of 1872, the following extract from a letter from the Government of India in the Military Department, is published for information and guidance:—

"The notification of the Financial Department, No. 3,507, dated 17th May 1872, prescribing the class of accommodation to be granted to the several grades of Government servants when travelling free on duty by rail, does not apply to officers of the Army, or to establishments subordinate to His Excellency the Commander-in-Chief."

ORDER OF BRITISH INDIA.

No. 168.—Referring to the orders marginally noted, the Commander-in-Chief directs Commandants of native regiments to submit annually, on the 1st May, separate recommendatory rolls of members of the 2nd Class Order of British India considered most deserving of promotion to the 1st class; in the same way as native officers are recommended in the first instance for admission to the 2nd class.

BOARD OF DIRECTORS.

THE HON'BLE A. F. BROWN, CHAIRMAN.

H. G. PRICHARD, Esq. (Govt. Solicitor.) | A. MACKENZIE, Esq. (Arbuthnot & Co.)
R. C. WALKER, Esq. (C. Shand & Co.) | J. G. COLEMAN, Esq. (McDowell & Co.)

Medical Examiner.

J. LISTON PAUL, Esq., M. D.

Actuary.

A. H. BAILEY, Esq., of the London Assurance Corporation.

The chief characteristics of this Society are:—

Mutual Assurance.

Policies for terms of years issued at largely reduced rates without participation in Surpluses.

Premiums payable half yearly, on 1st January and 1st July.

Life Policies having a duration of three years are purchased by the Society.

Claims paid immediately after satisfactory proof of death. An official Notice of death in any of Her Majesty's Government Gazettes is a sufficient proof.

Claims can be adjusted, and premiums can be paid in London, if desired by the Policy holders.

Surrender Values allowed for Life Policies issued at fixed rates of premium which have paid three years' premiums.

The Society's funds must be invested in Indian Government Securities or in other guaranteed Indian Securities.

Quinquennial valuations, by a London Actuary, of Assets and Liabilities. The reduction for the Quinquennium 1871—75 is at the rate of 60 per cent. of premiums paid during 1866-70.

Assurances granted on the lives of Europeans, East Indians or Eurasians, and Parsees.

Past experience leads the Directors to anticipate that the retention of the "Mutual" principle and the Quinquennial distributions of Surpluses, will bring down the cost of Assurance by this office, for Life, to the lowest possible point.

The Medical Examiner sees Applicants for Assurance at the General Hospital, every day of the week, between the hours of 7 and 9 A. M.

ESTABLISHED 1840.

CHURCH OF ENGLAND

Life and Fire Assurance,

TRUST AND ANNUITY INSTITUTION.

HEAD OFFICE—KING STREET, CHEAPSIDE, LONDON.

EMPOWERED BY SPECIAL ACT OF PARLIAMENT.

CAPITAL—ONE MILLION.

The distinguished success which attended the establishment of the Church of England Assurance Company, in England, Scotland and Ireland, induced the Directors, many years ago, to open Branch Offices of the Company at Calcutta, Madras, Colombo and Singapore, with a view of extending the peculiar advantages of this establishment to Europeans residing in those parts.

The Directors have the gratification of being enabled to state that this extension of the business of the Institution has been attended with complete success.

The high credit enjoyed by the Company in Europe, and the connection of many of its Proprietors with men of eminence and influence in India, have enabled the Company to proceed in a continued career of prosperity such as to satisfy the most sanguine expectations of all persons interested in its welfare.

In every Institution of this kind, the three main objects of Policy-holders are Security, Economy and Convenience.

The security of Policy-holders is made complete by the large subscribed Capital of the Company, guaranteed by a numerous and influential body of Proprietors, a list of whom is periodically registered in the Court of Chancery, pursuant to the provisions of the Special Act of Parliament (4 and 5 Viet., cap. xcii), empowering this Institution.

The highest attainable economy has been afforded to Policy-holders by means of an entirely new set of Tables computed for the especial use of the Indian branches of this Institution. No labor or expense has been spared in the construction of these Tables; and the Directors have much gratification in directing attention to them, being confident that they will meet the views and satisfy the expectations of the Assuring classes in India.

The convenience of Policy-holders has been especially provided for, by the variety of Tables which have been computed, and by the adaptation of such Tables to suit the objects and circumstances of different parties.

"Short Term" and "Whole Life" Assurances are granted at rates of premium as shown below in Tables I and II.

In addition to the ordinary Insurances, this Company issues Policies by which the sums assured are made payable to the Policy-holder himself on his attaining a specified age, or to his representatives in the event of his previous death. By this means, Officers and others may both provide for their families and secure "Retiring Provisions" for themselves.

Table III gives the rates payable for this description of Insurance.

"Free Policies" or ten-year premium "Assurances."

These Assurances are for the whole of life although the premiums are payable during ten years only; that is to say, the premiums are all paid up in the course of ten years, and thenceforth the policy is free from any further payment.

Also each premium as it is paid, frees one-tenth of the sum assured, so that the policy to that extent can never lapse from future non-payment of the premium. For example, if a policy has been effected on this system for Rupees 10,000, and when the second year's premium becomes due, the Assurer is unable or unwilling to pay the same, he will not lose the benefit of the first year's premium already paid, as the policy will continue in force for Rupees 1,000 free of all further payment whatever. So if the premiums were discontinued after the second year, the Assurance would remain in force for Rupees 2,000, if after the third year for Rupees 3,000, and so on as many tenths of the sum assured being rendered free as there have been yearly premiums paid.

The system of Assurance has the advantage of converting each premium into an independent investment which is not exposed to any diminution or loss by the failure to keep up future payments.

The Indian rates of premium for this system of Assurances are given in Table IV.

The "Clergy Rates" in Table V, have been recently prepared to enable Clergymen and Ministers of all denominations to assure their Lives in this Institution upon more favorable terms than in any other Office.

The premiums may be paid either annually, half-yearly, or quarterly; and Policies, which have become forfeited by non-payment of the premiums, may be revived within twelve months, upon satisfactory proof being given that the party continues in good health, and of sober and temperate habits.

* * Thirty days' grace are allowed for the payment of the Renewal Premiums. The validity of the Policy will, in every case, be maintained, by payment of the premium within the stipulated period, notwithstanding the death of the Assured may have occurred before such premium shall have been received.

Upon their arrival in Europe, Policy-holders will be entitled to a reduction in their premiums corresponding to the difference between the Indian and European risk,—such reduction to take effect from the next period of renewal, after the receipt by the Office of notice of their arrival.

No addition to the premium will in any case be made for sea risk, in passing from any one part of India (including Ceylon and Singapore) to another; or in passing to or from the Cape of Good Hope, or England, either by the Overland or sea route.

Policies effected by parties on their own lives, and assigned as a *bond fide* security to others, will not be rendered void in the event of death by suicide, duelling, or the hands of justice. Claims will become payable within three months after satisfactory proof of death.

The Advertiser.

The Medical Officer sees applicants for Assurance at his residence, Royapuram, on Wednesdays and Saturdays, between the hours of 9 and 10 A. M.

C. LAZARUS & CO., INCORPORATED WITH

SHEARWOOD & CO.,

CABINET MAKERS, UPHOLSTERERS.

BILLIARD TABLE MANUFACTURERS,

49, 54, 55 & 56, BENTINCK STREET, CALCUTTA,

By appointment to His Excellency the Viceroy and Governor General of India,

AND TO

H. R. H. THE DUKE OF EDINBURGH.
BILLIARD TABLES.

C. LAZARUS & CO., as manufacturers, would invite particular attention to their large stock of full-sized Billiard Tables. One of the chief desiderata in a Billiard Table is to secure such an arrangement as will admit of a Ball being struck so as to attain the highest speed without its jumping. This, it need scarcely be said, depends entirely upon the arrangement of the cushions. C. L. & Co., in mentioning this fact, would state that the subject has largely occupied their attention, and after repeated experiments and close consideration, they have discovered a principle in the manufacture of cushions which answers admirably the end desired. Since the manufacture of their cushions on this new principle, C. L. & Co. have received testimonials from some of the first Clubs in India speaking to the merits of the same. To secure *truth with speed*, that is to say, the maximum of speed compatible with preventing the Ball jumping, is the object which C. L. & Co. have had in view, and which at length they have successfully attained. At the same time, the cushions, it should be stated, are quite as durable, or even more durable, under the new principle of making up than under the old. With a view to the maintenance of the high character of their workmanship, C. L. & Co. have secured for this branch of their business especially, the services of a gentleman who for many years was foreman to the eminent makers, Messrs. Burroughes and Watts, whose experience is a guarantee of the highest possible excellence in the manufacture of Billiard Tables, and of everything connected with that department of their business.

THE ALEXANDRA BILLIARD TABLE.

C. LAZARUS & CO. beg to state that, with a view to secure for India one of the latest Home Novelties, they have made up a number of the new "Alexandra" Billiard Tables, so commonly patronised in Fashionable Circles at this time in England.

The "Alexandra" Table, or that which has received the distinguishing epithet of the "Ladies' Table," and most in favor with the fair sex, is, in every respect, adapted to develop the fullest resources of the Game. The size of these Tables is six feet by three. The height is so regulated and the cues and other requisites are specially arranged, as to admit of easy and graceful manipulation by a Lady.

B. B. B.

In accordance with their established practice of introducing Novelties to the Indian Public, C. LAZARUS & Co. have pleasure in announcing that they have made arrangements to supply the latest novelty in social and family amusement by importing the popular B. B. B. Tables. The peculiarity of these is, that on the one table the three favorite Games of BILLIARD, BATTUE and BAGATTELLE may be played, thus affording a pleasing variety of amusements, concentrated on a single board, at little more than the cost of one. Anticipating that the demand for these Tables will be large, C. L. & Co. are prepared to supply them on very favorable terms, it being a principle of their business to furnish the best and most approved articles of every kind at the lowest rates, consistent with excellence of quality and a fair trading profit.

IMPORTANT TO MESSES AND BILLIARD CLUBS.

Throughout India, China, Burmah, Ceylon and the Straits.

Consequent on the numerous applications that C. LAZARUS & Co. have lately had from parties residing at a distance from Calcutta to have their Billiard Tables re-cushioned on C. L. & Co.'s new principle, and as sending the old cushions to Calcutta for that purpose is attended with great delay, occasioning much inconvenience, C. L. & Co. have been induced to keep a stock of cushions on their new principle always on hand, which can be fitted to any Table, the accurate length and width of the Slate Bed only being required.

Up-country Messes and Clubs can, by thus securing a spare set of cushions, ensure the constant use of the Table. A desideratum C. L. & Co. are satisfied they will not be slow to appreciate, as the inconvenience hitherto felt by the Table being unavailable for play during such time as the old cushions are under repair, has been admittedly very great.

New Cushions fitted to old Tables on the new principle.
