Every effort will be made to sustain the high character of the Press, and provide for the efficient execution of all orders for *Printing, Ruling, Book-binding, Copper-plate and Lithographic Printing.*

All Accounts due by, or to, the Asylum Press, will be paid or collected by the Lawrence Asylum Press.

LIST OF HER MAJESTY'S COVENANTED CIVIL SERVANTS ON THE MADRAS ESTABLISHMENT,

Corrected up to the 31st December 1872.

COVENANTED SERVANTS—1ST CLASS.

The Rank of Civil Servants commences from the date of arrival at Madras of the first Civil Servant appointed in Europe, of the same season of which they are Civil Servants ; and, being thus determined, all Civil Servants belong, during the first four years, to Class VI ;—from the fifth to the end of the eighth year, to Class V ;—from the ninth to the end of the twelfth year, to Class IV ;—from the thirteenth to the end of the twentieth year, to Class III ;—from the twenty-first to the end of the twenty-eighth year, to Class II ;—and from and after the twenty-ninth year, to Class I.

The letters A, B, C, prefixed to the names, denote respectively that the parties have not passed either of the two Standards of Qualification ; that the first or lower Standard has been passed ; that the Servant cannot take Special leave.

M prefixed to a name denotes that the Servant though not having passed by the 2nd Standard, nor holding an appointment superior to that of Assistant is invested permanently with the full powers of a Magistrate.

Column 2, Capitals distinguish high proficiency. Small Roman letters show that the languages were studied in England by Civilians under the new system. Italic Capitals denote that the Civilian has passed the Honors Test under the Rules of 1868.

Column 7, Italics show " Dies non" G. I. Resolutions, 5th Nov. and 21st Dec. 1868, Nos. 3,477 and 3,727, Financial. Roman Capitals show Special Leave. Antique letters indicate a year of Sick Leave taken under rules in force before 1st July 1868—Civil Leave Code.

Column 8, The Actual Service shown is calculated in accordance with Section 4, and is the period of Residence qualifying for Pension under Supplement A of the Civil Pension Code.

FIRST CLASS OF 28 YEARS' STANDING.

WOMEN AND CHILDREN—DISCIPLINE.

No. 201.—The Commander-in-Chief in India being of opinion that the same qualifications, which render soldiers at home and in the colonies

eligible to have their names placed on the married roll, should be required from those serving in India; His Excellency is pleased to direct that, in future, trumpeters, drummers and rank and file shall not be permitted to marry until they have completed seven years' service, and are in possession of at least one good-conduct badge.

No Non-Commissioned Officer or Soldier will be placed on the married roll or to be entitled to any of its advantages, unless he had obtained the consent of the Commanding Officer to his marriage before it took place.

DISCHARGE DOCUMENTS.

G. O. C. C., No. 87 of 18th October 1872.—The following General Order by His Excellency the Commander-in-Chief in India, is re-published :—

Simla, 23rd September 1872.—1. The following instructions regarding the discharge and the preparation of the discharge documents of the soldiers of the British Forces, are published for information and guidance in the approaching discharge season. A copy will be placed before all Discharge Board.

Commanding Officers should recollect that unless the documents of men for transfer home or sent complete to the Deolalee Depot in every respect—and attention to these instructions will ensure that object—the men cannot be embarked.

2. The embarkation of all soldiers for discharge out of India will be effected between the 15th October current and the 29th March 1873, and no soldier is to be despatched from his regiment unless he can reach the port of embarkation by the latter date.

3. All men whose destination is the United Kingdom, and who are entitled to a passage at the public expense, will be sent to the Deolalee Depot for embarkation under instructions from the Quartermaster-General.

4. All men entitled to free passage, destined for the Mauritius or Cape of Good Hope, must be despatched so as to reach the Deolalee Depot in time for the steam troop-ship, leaving Bombay on the 29th March. Men proceeding to other Colonies will be sent to Calcutta,* but will not leave their regiments till the General Officer Commanding the Presidency District has notified that he has prepared to receive them.

The object of the reference is to provide against men whose service must expire before they are embarked, or for whom passages cannot be readily found, being detained at the Depot,* Fort William, for unnecessarily long periods.

Officers commanding regiments should forward without delay to the General Officer commanding the Presidency District, a return of men for whom passage will be required and the probable date.

Men who pay their passage to England may be sent either to Calcutta or Deolalee for embarkation, previous notification being made to the General Officer commanding the Presidency District or the Officer commanding the Deolalee Depot as directed above.

5. Soldiers, not enlisted in India, who have been sentenced to discharge with ignominy, and whose term of imprisonment is expired, will be sent to Deolalee for embarkation in the troop-ships; but prisoners (not enlisted in India) invalided by a Medical Board, must be sent home by the same route, irrespective of the fact of their terms of imprisonment not having been completed.

Rules regarding the kits of such men will be found in G. O., No. 126 of 1871.(a)

6. All insanes will be embarked in the troop-ships; but they are not to be despatched as ordinary invalids; a special report of each case is to be made to the Quartermaster-General, for instructions. In cases where insanity declares itself so near to the troop-ship season that the retention of

insanes, especially if harmless, up-country, may not only be feasible but preferable to a long journey to the Bhowanipoor Asylum, it will rest entirely with the judgment of local medical authorities to decide on the advisability of sending them direct to Deolalee—previous instructions being obtained from the Quartermaster-General as directed above. When insanes are thus to be despatched, they must be separately detailed in the returns of embarkation furnished to the Quartermaster-General's Department. The kits of insanes, sent to the Deolalee Depôt, are to be forwarded to the Commandant for the use of the men when embarked for England. The kits of insanes, sent to Bhowanipoor are to be handed over to the escort for delivery to the Brigadier Major, Fort William. The discharge documents of such men should also in like manner, be forwarded to the Brigadier Major; (G. O. (a.) No. 244 of 1869,) and the dates of embarkation of these men being uncertain until a day or so before their departure for Bombay, the Paymaster should send the No. 1 Report (Bengal Form, No. 40), and any balance due, on the departure of such men from their corps, to enable the Brigadier Major to adjust their accounts to date of embarkation.

The No. 1 Report (War Office Form 330A) should also be sent completed as far as directed in para. 76 of the "Instructions" attached to this order.

7. All men for embarkation for England, the Cape and Mauritius, whose period of service will be completed before the 29th March 1873, may be forwarded to Deolalee, and may be embarked before their term of service has actually expired; but if proceeding to other colonies, they must complete their term in this country, their final discharge being effected at Fort William* (see para. 4) before they leave Calcutta.

8. In the same manner, men who will become eligible for a free discharge before the 29th March 1873, the requisite authority for discharge having been obtained, may, if necessary, be embarked for England before the time entitling them to a free discharge is actually completed, but as a rule, such term should have expired before embarkation, as the loss of a good conduct badge may cause them to forfeit their title at the last moment. These men should not be sent down to the port of embarkation till their time is nearly completed, to obviate their detention at the Deolalee Depôt.

In the case of men who will become eligible for a free discharge late in the season, the prospective authority is necessarily conditional on the soldier conducting himself properly, and thus fulfilling the conditions of discharge. Commanding Officers of regiments and Depôts are authorized to detain men who, by the loss of a badge, or by not obtaining one, are ineligible for the free discharge which has been sanctioned. In such cases a report will be made to Head Quarters, in order that the authority may be cancelled.

9. Detachments proceeding to ports of embarkation will be officered in the manner laid down in G. O., No. 263 of 1869.(b) Officers of the class specified in Section IV of that order must be made clearly to understand that they will have no claim to embark with the troops, unless there shall be no officers at the ports of embarkation with claims to free passages available to relieve them.

10. The Officers Commanding the various parties will report to the Assistant Adjutant General of the Division, or Brigadier Major of the District, for record in those offices, their having received over from the several regiments, the whole of the documents, balances due, &c., &c.

11. Officers commanding parties will receive special instructions in writing from the officers commanding the Divisions and Districts from which they start, to furnish:—

- No. 1. Progress Report in accordance with the rules contained in G. O., No. 339 of 1871 and G. O., No. 169 of 1872.
- No. 2. Monthly Muster Rolls to Commanding Officers of regiments and Batteries in Bengal Form, No. 20.
- No. 3. Departure and Progress Reports to the Brigadier Major at Bombay.
- No. 4. A classified Nominal Roll, in accordance with para. 4 of G. O., Queen's Troops, Calcutta, 9th September 1862, to the Officer commanding the Depôt, Deolalee.
- No. 5. A duplicate of the Return of weight and measurement of baggage in accordance with G. O., No. 163 of 12th August 1871,(c) to be furnished to the authorities in Bombay.

12. Pay transactions of detachments for Bombay will be conducted in accordance with the Adjutant-General's Circular, No. 68 of 1870.(d) Separate Nominal Rolls of Invalids and other men will be furnished by Commanding Officers of regiments and batteries to Officers commanding detachments, and Commanding Officers will give full information in writing to those officers to ensure the submission of a proper account of the money made over to them.

All punishments affecting the soldier's pay will be notified in detachment orders, and all losses of good conduct pay will be noted in Bengal Form, No. 40.* On arrival at Deolalee, Commanding Officers will render a report to the Depôt Paymaster of all casualties which may have occurred since the commencement of the march.

Particular attention is directed to the necessity of sending the proper advances of pay with the men, as complaints have been received from Deolalee on the subject.

13. The invalids and time-expired men of all Divisions and Districts of the Bengal Presidency for passage to England will be sent to Allahabad, whence, under the orders of the General Officer commanding, they will be despatched by railway to Deolalee, in communication with the military authorities at Bombay.

(†) 1 Sohagpore, 2 Jubbulpore, 3 Dinapore, 4 Muddo- 14. Resting houses or camps will be poor, 5 Allahabad, 6 Cawnpore, 7 Toondla, 8 Meerut, established by the 20th of October, at the 9 Umballa, 10 Sutlej River, 11 Mean Meer. stations noted in the margin.(†)

15. To ensure regularity in the arrival and departure of detachments, and to prevent clashing at the camps, all movements of troops by Railway or Bullock Train, whether of regiments or detachments, are to be carried out in accordance with the instructions issued by the Quartermaster-General, after the due communication between Officers commanding Divisions and Districts, and the responsibility of collision at Resting Camps will rest with despatching Officers.

16. Timely notice of all movements of troops by Rail or Bullock Train, either up or down the line, giving the date and hour of arrival at each camp, to be given by the Officer commanding the Division from which the detachments start, to the Divisions through which passing, and that to which proceeding, in view to the necessary arrangements being made for their reception and onward progress.

17. All subsidiary orders, in furtherance of the arrangements, specified in paragraphs 14 and 15 are to be given by Officers commanding Divisions and Districts, who are desired to communicate freely with each other in regard to details.

18. Time-expired men, and others (except prisoners) arriving at home for discharge will be disposed of as follows:—

Royal Artillery to be sent to Woolwich.
 Royal Engineers " " Chatham.
 Cavalry and Line " " Chichester.
 Invalids will all be sent to Netley hospital.

It is of the utmost importance that men should arrive at home with their documents in such a complete state as to obviate delay in effecting their discharges at these depôts.

19. To prevent confusion the documents of invalids and time-expired men must never, if it can be avoided, be given into the custody of the same Officer, but the two classes of documents must be kept distinct.

20. All claims of men for discharge must be investigated, and if possible settled, before the men leave their regiments. If settlement is impracticable, the fullest particulars of the case must be transmitted with them, and reference made to the proper quarter. No claims can be entertained at the Embarkation Depôts, unless they have been previously preferred at the Head Quarters of regiments or have arisen after departure from the regiments.

Last season very much inconvenience was experienced at Deolalee Depôt, through many Commanding Officers having failed to remit the donations from the Canteen Fund (G. O., No. 220 of 1871,(a) paragraph 21, Clause F) and to adjust the bedding claims of men going home.(b) (See G. O., No. 74 of 1870.) Other claims also were not adjusted until after the men had reached Deolalee. These should be taken in hand in good time and not left until the last moment.

21. The discharge documents, with the exception of the Company Defaulter Sheets, Medical History Sheets, Ledger Sheet (W. O. Form 838), and No. 1 Report (Bengal Form No. 40) of men proceeding to the ports of embarkation, will be despatched, by post and packed in wax cloth, to the depôt direct from the regiment, addressed to the Commandant or Paymaster, as indicated in the schedule. These packets must be despatched in time to ensure their arrival at the Depôts at least a week before the men themselves, so as to admit of examination (and return to corps for correction if requisite) before the men embark. The No. 1 Report, as above, Ledger Sheet, Company Defaulter Sheets, and Medical History Sheets will invariably accompany the men and be handed to the officers in Military and Medical charge respectively, except in cases of Invalids proceeding to the Cape or Mauritius, whose Medical History Sheets and detailed Medical Histories are to be sent with the proceedings of Boards to the Adjutant-General's Office, Simla.* (Horse Guards' G. O., No. 45 of 1872.)

Last season certain batteries of Artillery did not forward their discharge documents to Deolalee in advance of the men, thus preventing their embarkation in the ships for which they had been detailed.

NOMINAL RETURN of Invalids, Time-expired men, &c., of the above corps, with their families, forwarded to the Embarkation Dépôt, showing the documents transmitted from the Regiment for each man.

a Particular attention called to G. O., No. 244 of 1869 (Madras G. O. C. C., 5th October 1869) page 256, as regards the preparation and disposal of the documents of men of this class.

b For Royal Artillery to be in duplicate.

c These documents to be transmitted to Simla* according to instructions received from the Adjutant-General in reply to the application for discharge.

d The documents of this latter class will be referred home for consideration of the Commissioners of Chelsea Hospital, and pending the return of their confirmed Parchment Certificates, the men will be dealt with as Invalids awaiting discharge.

e To be transmitted to the Adjutant-General's Office, Simla* :—

I. When the sentence includes discharge with ignominy ; immediately on publication of sentence

II. When the sentence is one of penal servitude only, on receipt of the Horse Guards' authority for discharge.

f To be transmitted to the Regimental Dépôt on confirmation of discharge.

g In the case of pensioners to be sent to Simla* with Board's Proceedings. In all other cases sent to Dépôt on confirmation of discharge.

h For men by Bombay in W. O. Form 330A and Bengal Form 40, and for others Bengal Form 40 only.

i Canteen donations are only payable to Invalids and their families, and to widows and their families proceeding to England or to the Colonies.

j It is to be remembered that in every case of a sentence of penal servitude being passed on a soldier, a copy of the charge, finding, sentence and confirmation and a Descriptive Roll, W. O. Form 432, are to be at once forwarded to the Adjutant-General's Office at Simla*, independent of the documents here mentioned.

k A copy of charge, finding and sentence required in case of prisoners sentenced to discharge with ignominy, being invalided and sent to England, to be sent to the Adjutant-General's Office at Simla*, G. O., No. 15 of 1871, Madras G. O. C. C., 23rd March 1878, page 68.

l Commanding Officers will be careful to send with women going home without their husbands ; and orphans, authority for their embarkation ; without such authority they cannot be embarked.

NOTE.—The practice of transmitting the Discharge Documents of men from detached batteries through Brigade Head Quarters has been discontinued.

1n all Nominal Rolls, the Regimental numbers must invariably be recorded.

A "party" includes those men who are proceeding to the same destination in England.

A certificate required in case of men enlisted in India and desirous of proceeding to England on discharge, see para. 18 of Instructions.

The documents of convicts committed to civil jails are to be returned to regiments for record.

† Madras Form, No. 40, but W. O. Form 330 to be substituted when men embark direct.

22. In the case of men at convalescent depôts, any documents requiring the soldier's signature will be forwarded by the regiment for the same, and will be returned to the regiment for despatch to the embarkation depôt, so soon as a report is received from convalescent depôt of the soldiers' departure to the port of embarkation.

Commanding officers of regiments moving in relief must keep commandants of convalescent depôts and the officer commanding the Deolalee Depôt informed of their movements by sending a copy of their route. In past seasons for want of this advice, commandants of convalescent depôts were unable to notify to regiments the departure of men to the port of embarkation, and men consequently arrived at Deolalee without their records.

23. Each packet containing documents sent by post is to be registered and a list of enclosures put up in the packet. The list when compared and checked with the documents received will be returned to the corps, duly receipted by the officer commanding the embarkation depôt.

24. The list above referred to is to record the documents in the same order in which they are placed in the schedule attached to the instructions issued with this order, and the documents of *each man* are to be attached together in the upper left-hand corner by a loop of silk or strong thread, and folded lengthwise, the Board's Proceedings being the inner document in the series and not outside the others. Commanding Officers will explain the cause of absence of any documents, and state whether the same will be subsequently forwarded.

The Horse Guards have had reason to comment on the dilapidated state of the Board's Proceedings, which in some instances were quite useless as records. (See G. O. C. C., 11th September 1872, page 425.) Madras G. O. C. C., 15th October 1872.

25. The officer commanding the party will be furnished with a list in duplicate of the documents he has in possession (see paragraph 21.) These lists will be receipted by the officer commanding the depôt. One copy to be given to the officer who commanded the party, and the other sent to the corps for record.

26. Officers proceeding in charge of parties are to be instructed that the non-effective accounts of men who die *en-route* to the depôt are to be handed to the Paymaster of the depôt on arrival, and not forwarded to the Paymaster of the corps.

27. The commandants of depôts, whether at the ports of embarkation, or elsewhere, are empowered to address themselves direct to Commanding Officers; and His Excellency desires that all communications from these officers, concerning the discharge documents, or matters connected with them, may be regarded in the light of instructions transmitted by Staff Officers. The Commander-in-Chief further desires to impress upon Commanding Officers the necessity of paying prompt and strict attention to all such communications, as the embarkation of the men concerned may be delayed by any neglect in this respect.

28. Officers commanding embarkation depôts will forward, without fail immediately after the sailing of each troop-ship, to Commanding Officers of regiments and brigades, a report of the embarkation, not only of detachments but of individuals (including prisoners, see Circular, No. 87 of 1869,) (a) accompanied by a nominal list, with regimental numbers attached of the men referred to.

29. Commanding Officers will, on receipt of the above reports, correct the rolls of their corps and send the requisite advices home, in continuation of the returns (b) previously transmitted to England. (See G. O., No. 171 of 1870.) Madras G. O. C. C., 24th August 1870, page 259.

30. In the case of men of the Royal Artillery, returns of men proceeding to the port of embarkation (Bombay) are to be forwarded, at least a fortnight before the men embark, to the Deputy Adjutant-General of Royal Artillery at the Horse Guards. Officers commanding brigades, as well as Captains of detached batteries, will at the same time transmit to the same office copies of the men's transfer Savings' Bank Statements.

31. Women near their confinement are not to be embarked in the troop transports, and the husbands of such women are to be detained with them. (G. O., No. 8 of 1870.)

These men will remain attached to any other regiment at the station where located, until their wives are fit to travel, when they are to be despatched to Deolalee for embarkation on the first available troop-ship.

Should, however, the prospect of such occurrences be anticipated among the women proceeding by any of the three last vessels, permission should be solicited for their despatch at an earlier date.

32. Care is to be taken that no soldier leaves any member of his family behind in India, unless with a special sanction of Government. (G. O., Nos. 77 and 118 of 1872.) (c)

(a) Madras Circular, 9th November 1869, No. 3,924.

(b) These Returns should leave regiments at least a fortnight before the men embark, and should be addressed to Netley or Chichester, according to the destination of the men.

(c) Madras G. O. C. C., 18th August 1872 and 14th September 1872.

MUSKETRY.

G. O. C. C., No. 88 of 10th October 1872.—G. O. C. C., No. 69, dated 29th July 1872, "Musketry" is to be considered as cancelled and the following substituted:—

The Commander-in-Chief directs it to be notified that Government has sanctioned the sum of Rupees 85 per mensem as the contingent allowance of Wing Officers of Native Regiments armed with Enfield Rifles, to enable them to provide such Rangoon oil as may be required in excess of the Government allowance, and also to provide and maintain the articles enumerated in Appendix B, page 110 of the "Regulations for conducting the Musketry Instruction of Native Troops armed with the Enfield Rifles."

"19. Engineer soldiers will be transferred to the Unattached List from the date they join the Public Works Department, and those under the rank of Serjeant will be eligible for promotion to that grade after approved effective service in the department, with uniform good conduct, for the full period of twelve months, if recommended by their immediate superiors for such promotion; provided their total service as soldiers be not less than three years. Such rank is however conditional on their remaining on the Unattached List, and is forfeited on remand to regimental duty from whatever cause, except for discharge."

SCHOOLS.

Simla, 26th June 1872, No. 155.—The Right Honorable the Commander-in-Chief is pleased to direct the attention of all concerned to the revision of Queen's Regulations and Orders for the Army, paras. 450 to 465, issued with Horse Guards' General Order, dated 1st October 1871, and in particular to paras. 452, 453, 459 and 460.

Pending the completion of arrangements for carrying into effect the system of examination detailed in Part III, Army School Regulations of 1871, the following plan, to facilitate the issue of certificates for the purposes of dismissal from School and of promotion has been approved.

4th class certificates may be issued by Commanding Officers, but holders of such will be required to attend, on the first opportunity, the examination held by the Superintendent of Army Schools, and will be liable to have their certificates withdrawn, if found decidedly below the required standard.

Examinations for 2nd and 3rd class certificates may be held in Regiments, Head Quarters of Brigades of Artillery and Detached Batteries (and examinations for 1st class in reading, dictation and arithmetic only) not oftener than once in a half-year.

The questions will be set by an officer (of not lower rank than Captain, except in Detached Batteries) selected by the Commanding Officer, and will be approved by the Commanding Officer before being given out.

Directions for the examination for each class of certificate, showing the description of questions to be given, will be sent to Commanding Officers with this General Order.

Should there be candidates in Detachments, for examination, copies of the questions given at Head Quarters should be sent to the Officer selected to conduct the examination at the Detachment, in such time as will enable the examination to be held in the Detachment and at the Head Quarters on the same day.

On the examination being completed, the papers will be looked over by the Schoolmaster acting under the examining Officer, the errors in dictation will be underlined in red ink, and the number of errors noted at foot; the sums will also be examined and each marked as correct or wrong; a summary of results being noted at foot of each paper.

The papers of those candidates only who are considered qualified will be selected and transmitted with the paper of questions, to the Superintendent of Army Schools, with the results of the examination on form below given.

Application must be made to the Superintendent of Army Schools for the questions on the extra subject for candidates, for 1st class certificates, the name of the subject on which each candidate desires to be examined being stated.

GENERAL INSTRUCTIONS FOR CONDUCTING SCHOOL EXAMINATIONS,
UNDER G. O., No. 155 OF 1872.

The examination will be conducted by the Officer who sets the questions, and whose duty it will be to superintend the examination, and to be present in the room in which it is held during the entire period of its continuance.

II. The candidates are to be placed and are to remain at least six feet apart from each other, and at a greater distance when circumstances will permit.

III. The candidates are to be supplied with pens, ink and blotting paper, and with foolscap paper in half sheets. No two candidates are to have the use of any of these in common, except ink; and, whenever it is practicable, each candidate is to have the use of a separate ink-well.

IV. Every candidate is to write his proper rank, his name, and the number of other designation of his regiment, at the head of each half sheet of foolscap issued to him. Non-commissioned officers are to be careful to specify whether they have full, or only acting or lance rank.

The Superintending Officer is to satisfy himself that the directions contained in this paragraph have been attended to, before he takes the paper of a candidate into his charge.

VIII. The questions on arithmetic and other subjects are to be written with the proper numbers annexed to them upon the black boards. The boards are to be set up in view of the candidates; and the questions being thus legibly written, and being so placed that all the candidates can read them, no explanation of any kind is to be given about them.

In most cases it will probably be necessary to make several copies of the questions. Care must be taken not to make public a greater number of questions at one time than candidates can reasonably be expected to answer before the arrival of the next meal hour—due regard being had, at the same time, to the whole number of questions which are to be set to the candidates, and to the limit of time within which all have to be answered.

IX. No candidate is to be allowed to leave the examination room without first giving in his paper, marked as directed in paragraph IV; and no candidate who may have occasion to leave the room is to be allowed to return to it until all the questions which were made public before he left it have been withdrawn and replaced by others.

A. H. BAILEY, Esq., of the London Assurance Corporation.

The chief characteristics of this Society are:—

Mutual Assurance.

Policies for terms of years issued at largely reduced rates without participation in Surpluses.

Premiums payable half yearly, on 1st January and 1st July.

Claims paid immediately after satisfactory proof of death. An official Notice of death in any of Her Majesty's Government Gazettes is a sufficient proof.

Claims can be adjusted, and premiums can be paid in London, if desired by the Policy holders.

Surrender Values allowed for Life Policies issued at fixed rates of premium which have paid three years' premiums.

The Society's funds must be invested in Indian Government Securities or in other guaranteed Indian Securities.

Quinquennial valuations, by a London Actuary, of Assets and Liabilities. The reduction of premiums for the Quinquennium 1871—75 is at the rate of 60 per cent. of premiums paid during 1866-70.

Assurances granted on the lives of Europeans, East Indians or Eurasians, and Parsees.

Past experience leads the Directors to anticipate that the retention of the "Mutual" principle and the Quinquennial distributions of Surpluses, will bring down the cost of Assurance by this office, for Life, to the lowest possible point.

The Medical Examiner sees Applicants for Assurance at the General Hospital, every day of the week, between the hours of 7 and 9 A. M.

C. LAZARUS & CO.,

INCORPORATED WITH

SHEARWOOD & CO.,

CABINET MAKERS, UPHOLSTERERS,

BILLIARD TABLE MANUFACTURERS,

49, 54, 55 & 56, BENTINCK STREET, CALCUTTA,

By appointment to His Excellency the Viceroy and Governor General of India,

AND TO

H. R. H. THE DUKE OF EDINBURGH.

BILLIARD TABLES.

C. LAZARUS & CO., as manufacturers, would invite particular attention to their large stock of full-sized Billiard Tables. One of the chief desiderata in a Billiard Table is to secure such an arrangement as will admit of a Ball being struck so as to attain the highest speed without its jumping. This, it need scarcely be said, depends entirely upon the arrangement of the cushions. C. L. & Co., in mentioning this fact, would state that the subject has largely occupied their attention, and after repeated experiments and close consideration, they have discovered a principle in the manufacture of cushions which answers admirably the end desired. Since the manufacture of their cushions on this new principle, C. L. & Co. have received testimonials from some of the first Clubs in India speaking to the merits of the same. To secure *truth* with *speed*, that is to say, the maximum of speed compatible with preventing the Ball jumping, is the object which C. L. & Co. have had in view, and which at length they have successfully attained. At the same time, the cushions, it should be stated, are quite as durable, or even more durable, under the new principle of making up than under the old. With a view to the maintenance of the high character of their workmanship, C. L. & Co. have secured for this branch of their business especially, the services of a gentleman who for many years was foreman to the eminent makers, Messrs. Burroughes and Watts, whose experience is a guarantee of the highest possible excellence in the manufacture of Billiard Tables, and of everything connected with that department of their business.

THE ALEXANDRA BILLIARD TABLE.

C. LAZARUS & CO. beg to state that, with a view to secure for India one of the latest Home Novelties, they have made up a number of the new "Alexandra" Billiard Tables, so commonly patronised in Fashionable Circles at this time in England.

The "Alexandra" Table, or that which has received the distinguishing epithet of the "Ladies' Table," and most in favor with the fair sex, is, in every respect, adapted to develop the fullest resources of the Game. The size of these Tables is six feet by three. The height is so regulated and the cues and other requisites are specially arranged, as to admit of easy and graceful manipulation by a Lady.

B. B. B.

In accordance with their established practice of introducing Novelties to the Indian Public, C. LAZARUS & Co. have pleasure in announcing that they have made arrangements to supply the latest novelty in social and family amusement by importing the popular B. B. B. Tables. The peculiarity of these is, that on the one table the three favorite Games of BILLIARD, BATTUE and BAGATELLE may be played, thus affording a pleasing variety of amusements, concentrated on a single board, at little more than the cost of one. Anticipating that the demand for these Tables will be large, C. L. & Co. are prepared to supply them on very favorable terms, it being a principle of their business to furnish the best and most approved articles of every kind at the lowest rates, consistent with excellence of quality and a fair trading profit.

IMPORTANT TO MESSES AND BILLIARD CLUBS,

Throughout India, China, Burmah, Ceylon and the Straits.

Consequent on the numerous applications that C. LAZARUS & Co. have lately had from parties residing at a distance from Calcutta to have their Billiard Tables re-cushioned on C. L. & Co.'s new principle, and as sending the old cushions to Calcutta for that purpose is attended with great delay, occasioning much inconvenience, C. L. & Co. have been induced to keep a stock of cushions on their new principle always on hand, which can be fitted to any Table, the accurate length and width of the Slate Bed only being required.

Up-country Messes and Clubs can, by thus securing a spare set of cushions, ensure the constant use of the Table, a desideratum C. L. & Co. are satisfied they will not be slow to appreciate, as the inconvenience hitherto felt by the Table being unavailable for play during such time as the old cushions are under repair, has been admittedly very great.

New Cushions fitted to old Tables on the new principle,

BILLIARD AND POOL BALLS.
