LIST OF HER MAJESTY'S COVENANTED CIVIL SERVANTS ON THE MADRAS ESTABLISHMENT.

Corrected up to the 31st December 1871.

The Rank of Civil Servants commences from the date of arrival at Madras of the first Civil Servant appointed in Europe, of the same season of which they are Civil Servants; and, being thus determined, all Civil Servants belong, during the first four years, to Class VI;—from the fifth to the end of the eighth year, to Class V;—from the ninth to the end of the twelfth year, to Class IV;—from the thirteenth to the end of the twentieth year, to Class III;—from the twenty-first to the end of the twenty-eighth year, to Class II;—and from and after the twenty-eighth year, to Class I.

The letters A, B, C, prefixed to the names denote respectively that the parties have not passed either of the two Standards of Qualification; that the first or lower Standard has been passed; that the Servant cannot take Special leave.

M prefixed to a name denotes that the Servant though not having passed by the 2nd Standard, nor holding an appointment superior to that of Assistant is invested permanently with the full powers of a Magistrate.

UNATTACHED LIST—SOLDIERS' FINES, &c.

G. O. G., No. 263 of 27th October 1871.—The Governor in Council is pleased to lay down the following Rules for dealing with offences by Non-Commissioned Officers and Soldiers on the Unattached List:—

1. Every Departmental Officer, either Civil or Military, shall have the power of suspending from duty any Non-Commissioned Officer or Soldier on the Unattached List, and of inflicting a fine not exceeding five days' Departmental pay and allowances, for unauthorized absence or any other minor offence. The Military pay of the offender must not be included in such fine.

2. The Head of the Department alone shall have the power of recommending the remand of a Non-Commissioned Officer or Soldier on the Unattached List to his Regiment, or of applying for a Court Martial for the trial of an offender.

3. In order that the Departmental Officer upon whom falls the duty of investigating offences may be in a position to know the character and conduct of those under him, a Departmental Defaulters' Book and a Character Book in the annexed forms will be kept. In the former will be recorded all such offences of a character which would tend to the offender being remanded to Regimental duty, such as drunkenness, insubordination, or crimes of a serious character. In the latter or Character Book, minor offences, for which punishment such as reprimand or fines of Departmental pay and allowances, &c., have been inflicted, will be recorded.

4. In all first offences not of an aggravated character, mild reproof and admonition are to be tried; and punishment is not to be resorted to until a repetition of the offence shall have shown that the milder treatment has not been productive of the desired effect.

5. Offences not merely affecting departmental efficiency, but of so grave a nature as to necessitate the remand of the offender to his Corps, should, if possible, be tried by Court Martial before remand.

6. When an offender, from the frequency of his minor offences, is deemed incorrigible, a special report should be made to the Head of the Department, with a view of his being remanded to his Regiment.

7. When a Non-Commissioned Officer is remanded to his Corps under Rule 6, a full report of the case shall be made for the information of the Commander-in-Chief, in order that His Excellency may, if he deem fit, exercise the power invested in him by the 137th Article of War.

8. All offences are to be investigated, and witnesses examined in the presence of the offender by the Senior Officer, Civil or Military, of the Department on the spot.

9. An offender should not be awarded punishment until the day following that on which his offence was committed.

10. Every case should, if practicable, be investigated and disposed of within 48 hours of the offence being committed, unless it be preparatory to a Court Martial, or the case be submitted to superior authority.

11. Care should be taken when an offender has been drunk, that his case be not investigated until he is perfectly sober, or until 24 hours shall have elapsed subsequent to his arrest or confinement for an act of drunkenness.

12. When several of a Department are serving in the same place or Station the chain of responsibility and discipline should be preserved according to Departmental rank, and an offender should always, when practicable, be brought up for the investigation of his case in charge of a Departmental Senior.

13. In addition to any fine or punishment awarded, an offender shall forfeit his Departmental pay and allowances whilst under suspension and absent from his duties.

14. Every Officer with power to award punishment under these rules, shall be in possession of the Defaulters' Sheet of the men under his immediate command: all entries in these sheets are to be in his handwriting, and a copy of these entries are to be forwarded to the Head of the Department for record in the Departmental Defaulters' Book.

15. When a Non-Commissioned Officer or Soldier is transferred from one Station or branch to another, his Defaulters' Sheet shall be forwarded by post to the Officer under whose command he is to serve.

16. No entry in a Departmental Defaulters' Book for a Departmental or Civil offence in any way affects a Soldier's claim to Good Conduct Pay.

17. Every Officer should be in possession of a copy of the Mutiny Act and Articles of War for his guidance in cases of an aggravated character cognizable by Court Martial; and with a view to the Articles noted in the 192nd Article being read once a quarter.

18. Trivial neglects and carelessness should not be made the subject of fines and entered in the Defaulters' Book. They more properly belong to the Character Book.

* Paragraph 2 of G. O. G., No. 899 of 1866.

Those officers who may elect to remain subscribers are hereby distinctly informed, that the existing rules for their respective funds will remain in force, except as altered by the directions contained in this General Order; and that the responsibility of paying their subscriptions will, for the future, rest entirely with themselves, and any neglect on their part to pay their subscriptions at the proper time will entail on them and on their families the forfeiture of all advantages accruing to them as well as all sums paid by them to the funds; those who may elect to leave the funds are informed that they will in no case again be allowed to become subscribers, and that by ceasing to subscribe, they and their families will forfeit all claims whatsoever on the Military or Orphan Funds.

This Order will not invalidate any special privileges subscribers may possess under the rules of their respective funds.

INSTRUCTIONS FOR PAYMASTERS.

No. 942 of 1871.—With the concurrence of the Right Honorable the Secretary of State for India, His Excellency the Governor-General in Council is pleased to promulgate the subjoined instructions for the guidance of British Paymasters, with a view of providing against an improper accumulation of funds in their hands, and to notify that the responsibility imposed on regimental commanding officers, will be duly enforced in the event of any loss of public money being occasioned hereafter by the neglect of those regulations.

2. This Order is applicable to the three Presidencies.

PARAS. 1 to 27 of Circular No. 227, Office of Controller of Military Accounts, dated Calcutta, the 1st June 1870.

I.—Annual Assignments of Cash to Regimental Paymasters.

II.—Advances on Imprest to Officers Commanding Brigades and Batteries of Royal Artillery.

† Madras G. O. G., 13th November 1866, No. 421.

In modification of Articles 20 to 27, 31, 33 and 34 of "Instructions for Paymasters," Circular 138, the subjoined Rules are to be strictly followed in future :—

I.—Annual Assignments of Cash to Regimental Paymasters.

In substitution of Articles 20 to 27.

1. The Military Accountant, in the month of March, will furnish each Regimental Paymaster with a statement showing the annual assignment of cash to the regiment for each month of the official year and the Treasury from which the money is to be issued.

2. The Paymaster is at liberty to draw against this assignment under the regulations hereafter described, provided that the drawings of any month, added to the sum drawn in previous months of the official year, do not exceed the amount for which provision has been made up to that period in the assignment. As, for example, if the total provision of funds from April to September inclusive Rupees 1,80,000 in the aggregate, and the amount drawn up to September be only Rupees 1,40,000, the difference or Rupees 40,000 may be drawn in October.

3. The Regimental Paymaster will draw against his assignment on the 1st and 10th of each month, respectively, one-fourth part of the authorized issue, as shown in the assignment; and on the 20th of the month he will submit to his commanding officer, for his approval, an estimate, in duplicate (Bengal Form 77), showing the balance on his previous month's general state of accounts, the probable receipts and disbursements, the amount of cash received, and the further probable sum required from the Civil Treasury to complete the payments on account of the regiment for the current month.

4. The Paymaster must satisfy his Commanding Officer that the calculations of the several items of the estimate are fairly made, and, if called upon, must furnish him with full details of any of the items.

5. The Commanding Officer is required to satisfy himself, before attaching his signature to the estimate, that the receipts and disbursements are correct, and that the sum to be advanced from the treasury is not in excess of actual requirements.

6. One copy of the estimate is to be retained by the Officer Commanding for record in the Orderly-room, the duplicate copy being returned to the Paymaster for record in his Office.

7. The cheque for the last instalment is to be drawn on the 25th of the month, unless the proximity to the Bank or Civil Treasury drawn on, will admit of the presentation of the cheque for payment on a later date within the month. Should any of the above dates fall on a Sunday or holiday, the issue of the cash from the Treasury will be made on the previous day. Before drawing the cheque for the last instalment, the Paymaster will ascertain from the Savings' Bank and Canteen Fund Committees, the Captains of Troops and Companies, and others, what sums are likely to be paid into their hands on account of the public service within the period of the account; these particulars will enable him to regulate the draft on the Civil Treasury, so as neither to exceed his actual requirements nor to draw an insufficient sum, for the disbursements of the regiment, properly belonging to the month.

8. The Paymaster's cheque for the last instalment need not necessarily be drawn for the exact amount shown in the monthly estimate. The Commanding Officer is responsible that the cheques are only for such sums as are absolutely and immediately necessary for the requirements of the regiment, and he may permit the Paymaster to draw on the Treasury for a larger sum than is shown in his estimate, provided always the amount is available on his assignment, if the exigencies of the service require it.

9. In case the draft on the Treasury is found to have exceeded the regimental demands of the month current, the Paymaster will be careful to regulate his drawings for the first and second instalments of the following month so as to keep his balance within the limits allowed to him (*vide* Article 87 of Instructions for Paymasters).

10. Under no circumstance, however, is the Paymaster to draw from the Treasury less than the amount that will be actually required for the disbursements appertaining to the period of account. A balance in his favour indicates that he has over-credited himself with expenditure, and with due attention to the precautions specified above, this irregularity may be avoided.

11. A Regimental Paymaster requiring a supplementary assignment, will prepare and submit to his Commanding Officer, for his approval, an estimate (Bengal Form 77), in duplicate, in which will be shown, as accurately as possible, the amount that will be actually required for the extra services to be disbursed, and this estimate is to be sent to the Military Accountant for sanction before any sum is drawn on it. When sanctioned, one copy will be returned to the Paymaster and the other to the local Accountant-General for the issue of the necessary assignment.

12. In cases of unforeseen emergency, where delay in applying for a supplementary assignment must obviously be productive of inconvenience to the public service, a Regimental Paymaster may obtain a credit on a Civil Treasury over and above the amount he is entitled to under assignments, on the authority of a station or division order. Such credits must not be applied for except in cases of actual necessity, and the circumstances must be specially reported in each case to the Military Accountant.

13. The supplementary assignment, or the credit granted by the Civil Treasury, will be added to the annual assignment of the Paymaster, and must be drawn against by cheques in the usual manner.

14. The unpaid balance of the annual and supplementary assignment and credit on the last day of the official year will lapse, and the cheques drawn against them, and then remaining unpaid, will be met from the assignment of the following year.

15. The Officer Commanding must countersign each cheque, and must also place his initials to the entries in the margin of the cheque book, which is to be filled in before the cheque is signed and separated from the book.

16. Attention is directed to the rule prohibiting Officers and others attached to British regiments receiving "emergent advances" from Civil Treasuries on account of pay and allowances; this ruling is equally applicable to advances for dak expenses, carriage, &c.; and to obviate the necessity of applications of this nature in future, Paymasters are authorized to furnish Officers and Soldiers, when detached on particular duty, with sufficient money, and to instruct them to discharge all public demands, adjusting the advance with the paymaster. The outstanding advances will be included in the Paymaster's particulars of balance (Bengal Form 167) to accompany his Monthly Pay List.

17. On the last day of the month, the Paymaster is to forward the list (Bengal Form 78) of cheques drawn from the Treasury to that date, to the Civil Officer, who, after certifying to its correctness, will return it at once to the Regimental Paymaster for transmission to the Military Accountant, Calcutta. This list is to correspond with the entries under receipts (Item A) in the General State of Accounts of the Regiment.

In substitution of Article 31.

18. When a regiment is moved from its station during the currency of the annual assignment to another station *within* the limits of the Local Government, the Officer Commanding and Paymaster may draw on any day for the sum required to complete the regimental payments of the month and any necessary payments on the public service *en route*, and the Treasury Officer on receipt of the cheque with the cash applied for, and grant one or more public service transfer receipts in favour of the drawing officers, for such sum as may be required to be issued at any station *en route*, or at the destination of the regiment.

19. When a regiment is likely to continue *en route* on the 1st of any subsequent month, the officer commanding must also apply to the provincial Accountant-General for a credit on the Civil Treasuries nearest to which the regiment is likely to be on the 1st of each month, and this credit will be granted, subject to the provisions of Articles 2 and 3. The cash and service transfer receipts will be issued by the Treasury Officer for the full monthly requirements of the regiments.

20. In case the station to which the regiment is proceeding is *within* the Bengal Presidency, but *beyond* the jurisdiction of the Local Government on which the annual assignment was granted, the Paymaster will apply to the Treasury Officer for a certificate specifying the full amount paid from the Treasury, within the official year, for the service of the regiment. This certificate the Officer Commanding will at once forward to the local Accountant-General, in a letter showing the stations at which the regiment is likely to be, while *en route*, on the 1st of the months following, and the sums required to be issued on those dates for the service of the regiment.

21. The Accountant-General, after adding the balance of the assignment then available for the regiment, will transfer the particulars, in the same form, to the Accountant-General of the Government to which the regiment is proceeding, communicating particulars to the Military Accountant.

22. A similar course will be followed when a regiment is transferred from the Bengal Establishment to another Presidency, or *vice versa*. The accounts of such regiment are to be rendered to the Pay Department of the Presidency to which the regiment is proceeding, from the 1st of the month in which it moves from its station, all payments from Civil Treasuries in that month, and in any subsequent month, while *en route*, being adjusted with the Military Department of the Presidency to which the regiment has proceeded.

23. This rule does not apply to regiments proceeding to another Presidency for the purpose of embarking for England, such regiments being retained on the establishment of the Bengal Presidency until date of embarkation, and the accounts continuing to be rendered to Calcutta.

24. Regiments proceeding to Bombay for embarkation will obtain a special credit from the Accountant-General of the Government on which the annual assignment was given, for such funds as it is likely to require until arrival at the port of embarkation. The credit will specify the Civil Treasuries nearest to which the regiment is likely to be on the 1st of the month, and on presentation thereof, the Treasury Officer will honor the cheque of the Officer Commanding and Paymaster for the sum required to complete the regimental payments of the month, as provided for in Article 18, the amount of the cheque, discharged being inscribed, in each case, on the back of the credit. The cash issued by Bombay Treasuries on account of such regiments will be adjusted with Bengal in the usual manner.

25. Regiments for the Bengal Presidency landing at Bombay will be granted by the Accountant-General, Bombay, on the application of the Controller of Military Accounts, a similar credit as in the case above described. These regiments are brought on the Bengal Establishment from date of disembarkation, and render their accounts to the Pay Department, Calcutta. The special credits will be forwarded in each case to the Pay Examiner, with the regimental accounts first rendered, on arrival of the regiment at its destination.

26. In exhibiting the cheques drawn in the General State, the greatest accuracy is enjoined in inserting the full particulars as to the amount and date of each cheque, and the Treasury from which this money was issued.

27. On the arrival of a regiment in India, or in a new Presidency, the Paymaster must immediately apply to the Controller of Military Accounts for the issue of the necessary orders regarding his assignment of cash on the Civil Treasury.

Para. 87 of Circular, No. 138, Office of Controller of Military Accounts, dated Calcutta, the 20th May 1866,

Establishment.

87. The balance in each General State of Accounts due from a Paymaster is to be the smallest possible amount, and if at any time it exceeds Rupees 500, or Rupees 200 in the case of a battery, the particulars, and an explanation of the cause thereof, is to be transmitted with the pay list on *Bengal Form 167*. The balance may be carried on from one month's account to another; but when a Paymaster ceases to act, he is required to annex to his final account the receipt of his successor for any balance paid over to him.

FURLOUGH RULES, 1868.

No. 944 of 1871.—The following Military Letter from the Right Honorable the Secretary of State for India is published for general information:—

INDIA OFFICE; London, the 10th August 1871; MILITARY—No. 207

To His Excellency the Right Honorable the Governor-General of India in Council.

MY LORD,—In framing the Military Furlough Rules of 1868, it was understood to be the desire and intention of the Government of India that all distinction between furlough on private affairs and that on medical certificate should, as far as possible, cease, and amongst the introductory clauses to those Rules is the following: "1.—The distinction with respect to allowances hitherto drawn between furlough on private affairs and sick leave is abolished, both kinds of leave being included under the general term *furlough*, provision, however, being made for the obtainment of furlough under medical certificate, without all the restrictions applicable to furlough when taken without medical certificate."

2. It appears to me, therefore, that the only occasions upon which any Officer should be granted furlough on medical certificate are—

1st, when (as in the case of Subalterns) an Officer entitled to furlough may, if compelled to take leave on account of ill health, be entitled, under the regulations, to certain privileges,—as free passage to England;

2ndly, when an officer is not entitled to furlough, but is obliged to take leave on medical certificate, a case for which provision is made in the rules;

3rdly, when, in the interests of the service, an Officer, although entitled to furlough, would only be granted leave on the production of a medical certificate.

3. Very recently applications for extension of furlough on private affairs on the part of Officers who have come home on medical certificate, have been submitted to me and have been granted, the applicants appearing to be entitled to furlough under the regulations; but it is obviously desirable that I should be informed of the actual circumstances under which every officer claiming furlough upon medical certificate has had furlough granted to him, and I consider all Officers entitled to furlough, whose services can be spared, should have the leave gazetted as "*furlough*," whether they produce a medical certificate or not.

4. With respect to the above three classes, it might be well to gazette the first to furlough, with a note to the effect that, being recommended by a Medical Board, they are entitled to a free passage, &c. With regard to the second, it would be sufficient to note the clause under which they take leave, and, with regard to the third, it will be assumed in future, when an Officer entitled to furlough is thus granted leave on medical certificate, that his services could not otherwise have been dispensed with, and no extension of his leave will be granted in this country except on medical certificate.

MILITARY FUND.

G. O. G., No. 275 of 21st November 1871.—Misconception of the Rules under which Officers may subscribe to the Military Fund as Colonels, appearing to exist, it is hereby intimated that Brevet rank is not recognized, and that the only rule* under which an Officer of the Staff Corps can subscribe as Colonel (there being no such substantive rank in that Corps) is that which permits Officers of 32 years' service to subscribe in that rank.

2. The additional subscription and donation being payable from date on which the regulated period of service is completed, interest at 8 per cent. is charged, should a Subscriber wish to avail himself of the privilege at a subsequent date.

WARRANT OFFICERS' STAFF PAY.

No. 1,036.—In order to remove a misapprehension that appears to exist in regard to the admission to Warrant Officers of the "Warrant Staff Pay" entered in the Scale of Pay, &c., in paragraph 7 of G. O. G., No. 69,* dated 22nd January 1868, it is notified for general information that no Warrant Officer in receipt of staff or consolidated salary is entitled to any portion of the "Warrant Staff Pay," even though the departmental staff pay which he may be receiving is of less amount, or though his consolidated salary is less in amount than the "total receipts when in effective employ" of his grade as entered in the last column of the Scale, excepting when it is specially sanctioned by Government.

2. The Warrant Staff pay entered in the G. O. in question is intended only for those departmental Warrant Officers who are serving in positions to which no staff allowance has been assigned. Where a staff salary has been laid down, its amount has been fixed with reference to the duty to be performed, and it alone should be received by the holder of the appointment in addition to the "Net or Warrant Pay" and "Indian Warrant Allowances" of his grade.

3. No reductions should, however, be made in salaries that are now passed; but the salaries of all who may be newly appointed, or who may, by promotion or in any other way, become entitled to a salary as large in the aggregate as they now receive, or larger, should be adjusted in accordance with the above explanation.

4. This Order is applicable to the three Presidencies.

LEAVE—BRITISH ADMINISTRATIVE MEDICAL OFFICERS.

No. 1,037.—Under instructions from Her Majesty's Government, it is hereby notified that an officer of the British Medical Service in India, who may be holding an administrative office tenable for five years, if compelled by ill

health to return to England, can only receive, from the Indian Government under which he is serving, permission to return home for the purpose of appearing before a Medical Board in London.

2. The leave which will be there granted to him on the recommendation of such Medical Board will not exceed six months from the date of his departure from India, and if, on arrival in England, the state of his health is such as to render it unlikely that he will be fit to return to his duties within the above-mentioned period, he will be replaced on the Indian Establishment by an efficient officer.

MILITARY RETIRING PENSION—OFFICERS—INDIAN STAFF CORPS.

No. 1,039.—In order to prevent any doubt on the point, it is notified for general information that the provisions of the 3rd Clause of paragraph 61 of the Despatch of the Right Honorable the Secretary of State for India, published in G. O. G., No. 808† of the 26th September 1866, which extended the Military Retiring Regulations by the addition of two rates of pension, viz., £600 after 35 years, and £750 after 38 years' service, are applicable to all officers now in, or who may hereafter enter, the Indian Staff Corps.

REPAIRS—CAVALRY SCABBARDS.

G. O. G., No. 290 of 12th December 1871.—The following General Orders by the Government of India, are re-published:—

Fort William, 28th November 1871, No. 1,040.—It is notified for general information that, when the shoes of Cavalry Scabbards become worn, they are to be repaired in accordance with the practice in England by brazing on steel tips which will be supplied by the Ordnance Department.

(2.)—Mouthpieces with sputcheon attached will also be supplied by the Ordnance Department for renewing that part of the scabbard when it becomes worn.

(3.)—In making requisitions for these articles, it will be necessary to state whether they are required for small or large size scabbards.

STAFF CORPS PROBATIONERS.

G. O. C. C., No. 101 of 20th September 1871.—The following General Orders by His Excellency the Commander-in-Chief in India are re-published :—

Head Quarters, Calcutta, 11th March 1871.—With reference to G. G. O., No. 933,* dated 12th October 1865, published at page 215 of Standing General Orders of 1865, the following letter from the Government of India, in the Military Department, to the Adjutant-General, No. 857, dated 22nd February 1870, is published for information :—

"With reference to your letter No. 180C of the 17th instant, I am desired to acquaint you, for the information of the Commander-in-Chief, that there is no objection to the appointment * * *, who has passed the higher standard examination in the native languages, to a probationary appointment with a Native Regiment, whenever such an appointment may be available.

"2. I am desired to remark that under existing rules, young Officers of British Regiments who have passed the lower standard only, are only considered eligible for appointment as probationers to Native Corps, provided that there are not sufficient Officers available who have passed by the second or higher standard; and to suggest, for the consideration of the Commander-in-Chief, whether under present circumstances it would not be desirable if His Excellency were to issue a General Order calling attention to this, in order to obviate dis-appointment to Officers who may have passed by the lower standard only, and may be seeking admission to the Staff Corps."

3. With regard to the above, and to the fact that there is at present no demand for Probationers for the Staff Corps, the latter body being now sufficient to meet the calls of Government and of the Commander-in-Chief in India, it is hereby notified that, until further orders, only such applicants for the Staff Corps will be recorded as Probationers who have passed the higher standard in Hindoostanee.

GARRISON INSTRUCTION.

Simla, 25th July 1871, No. 152.—The Right Honorable the Governor-General in Council having sanctioned the extension to India of the system of instruction for officers of the Army recently adopted at home, His Excellency the Commander-in-Chief has been pleased to approve of the following arrangements, for carrying out the provisions of Horse Guards' G. O., No. 65 of 1870 :—

Establishment and Staff salaries.

One Superintendent of Garrison Instruction, with a Staff salary of Rupees 500, and Rupees 165 office allowance per mensem.

Eleven Garrison Instructors, with a Staff salary of Rupees 400, and Rupees 45 office allowance per mensem.

2. The Establishment for Garrison Instruction will belong to the Department of the Adjutant-General of the Army; and as it has been decided by Government that the system is to be considered experimental at present, the appointments will, in the first instance, be guaranteed for two years only, subject, however, to extension* to the usual period, and to re-appointment, should the system be finally established.

3. The Superintendent of Garrison Instruction will have the rank of Assistant Adjutant-General, and will be attached to the Head Quarters of the Army in Bengal.

He will report for the Commander-in-Chief in India, to the Director General of Military Education, War Office, and will correspond direct with the Garrison Instructors in the three Presidencies.

He will visit the stations annually, or whenever it may be judged necessary, and while so employed, will receive the travelling allowances sanctioned for the Chief Inspector of Musketry.

6. In the Bombay and Madras Presidencies the following stations have been fixed upon as centres of instruction :—

Madras,	Secunderabad,
Bangalore,	Poona,
Rangoon,	Mhow,

and the stations to be included in each circle will be determined by the Commander-in-Chief of those Presidencies respectively.

7. The Garrison Instructors will belong to the Divisional Staff, but when not stationed at the Head Quarters of the Division they will be under the orders of the Officer Commanding the station to which they may be posted.

8. In so far as regards the details of instruction they will correspond with and receive their orders direct from the Superintendent of Garrison Instruction at Simla.

9. They will wear the undress staff uniform of a Brigade Major, but while the appointments are provisional, they will wear their regimental uniform if required to appear in full dress.

10. A monthly report on War Office Form No.* will be furnished by each Garrison Instructor to the Superintending Officer at Army Head Quarters, and a duplicate copy will be transmitted for the information of the Officer Commanding the Division in which he may be serving.

11. In Madras and Bombay, General Officers Commanding Divisions will transmit the duplicate of the monthly reports to their respective Adjutant-Generals.

12. The whole of the instruments, stores and implements supplied for the use of the classes, will be under the charge of the Garrison Instructor, who will be held responsible for the safe custody and fair usage.

13. He will submit indents upon the Government Departments for the various articles specified in the accompanying lists.

14. There will be two courses of instruction annually, each extending over four months, a period which is considered ample for preparation for the "special examination," as laid down in the Horse Guards' G. O., No. 65 of 1870.

The first course of instruction will commence in the Bengal Presidency, as soon as possible after the 1st October. In Madras and Bombay, the classes will be formed at such date as may be ordered by the Commanders-in-Chief of those Presidencies, with reference to the climate of each station.

15. All minor details as to hours of attendance, &c., will be arranged by the Officer Commanding the station, in communication with the Garrison Instructor.

16. The classes will, as a general rule, be formed as follows :—

1st.—From corps at centre of instruction—

Each British Infantry Regiment will furnish 2 Officers.	
" " Cavalry " " " 1 Officer	
" " Native Infantry " " " 1 "	
" " Cavalry " " " 1 "	

2nd.—From corps at out-stations of circles—

Each British Infantry Regiment ...	... 1 Officer.
" " Cavalry " " " ...	... 1. "

By this arrangement each class would consist of from 9 to 12 Officers ; but it will be discretionary with General Officers Commanding Divisions to modify the above numbers according to the exigencies of the service, provided that the Instructor be permitted to fix a limit to the number attending each class.

17. In detailing Officers to go through the course of instruction, Commanding Officers of British Regiments should keep in view the cases of those young officers upon whom the examination is compulsory ; but it is by no means intended to exclude officers of the rank of Captain or Lieutenant, who may desire to receive instruction on the subjects of the course, or who may wish to qualify for "certificates of competency."

Officers attending classes.

18. Officers attending classes will be under the orders of Garrison Instructor, and they will be struck off all duties while so employed.

19. In the event of any Officer being considered unlike to qualify for the certificate of competency, either through unpunctuality in attendance, or want of application, a report will be made to the Adjutant-General of the Presidency through the usual channel, and the Officer will be remanded to his regiment.

It is to be clearly understood, that Officers are required to attend the classes with the same regularity as their regimental parades.

20. Except upon very special grounds, which must be submitted for the decision of the Commander-in-Chief of the Presidency, no Officer failing to pass the examination will be permitted to leave his regiment to join another class.

21. Officers attending classes from the out-stations of the circle will be granted the usual passage at Government expense, but in the event of their failing to pass the examination, no such passage will be granted on the subsequent occasion.

22. The following text books and drawing materials will be provided by Officers at their own expense :—

- 1.—Paper and pens.
- 2.—Sketching case or block.
- 3.—Small case of instruments.
- 4.—Napier's "Outpost Duties."
- 5.—Manual of Field Fortification and Military Sketching, published by authority.
- 6.—Simmons on Courts Martial (latest edition.)

23. The following works, although not official text books, are strongly recommended for the use of students :—

- 1.—Drayson's Military Surveying.
- 2.—Wolseley's Soldiers' Pocket Book for Field Service.

24. The Garrison Instructors will make arrangements for supplies of the above text books and materials being readily available for Officers attending classes.

25. The examination, as laid down in Horse Guards' G. O., No. 65 of 1870, will take place at the conclusion of each course. It will not necessarily embrace every part of the synopsis, but will be based upon para. III of the Horse Guards' General Order above quoted.

A printed copy of the questions set at a recent examination at Home will be circulated to Garrison Instructors, in order that Officers may be enabled to form some idea of the nature and scope of the examination they will be called upon to undergo.

26. Government having decided that the spare barrack accommodation, at present existing at stations, should be made available for lecture halls, Garrison Instructors will place themselves in communication on this subject with Officers Commanding at the centres of instruction.

If possible two large rooms should be demanded, together with accommodation for the native sappers and for the storage of tools and implements.

It would be advisable also, that there should be ground in the immediate vicinity suitable and available for the purpose of practice in the construction of field works, &c.

If, however, this cannot be arranged, application must be made to the Officer commanding the station, for the use of suitable ground for the above purposes, as near as possible to the buildings allotted as lecture halls.

27. A Native Non-Commissioned Officer and two Privates of Sappers will be attached to each centre of instruction, for the purpose of assisting in the construction of gabions, fascines, revetments, knotting, lashing spars, &c.

They will also have charge, upon the responsibility of the Garrison Instructor, of all the tools, ments and stores, issued for the use of the classes.

28. A party from the British Regiment at the centre of instruction will be detailed, when required, for the purpose of assisting in the construction of field works, &c. They will not be considered a working, or fatigue party, but as sent for instruction in this portion of their duty.

29. The following books, instruments, Provision of books, instruments, stores and stores and materials will be supplied at Government expense for the use of Garrison materials. Instructors.

39. As the whole of the models and books specified in para. 36, as well as a portion of the surveying instruments will have to be sent out from England, it is probable that some delay will occur in their issue. Immediate notice of their arrival will however be given to Garrison Instructors, who should meanwhile carry on the elementary part of the course as far as practicable.

40. The articles used for modelling, as specified in para. 38, will only be required when it may be found impossible to give practical instruction in throwing up field works. Patterns will, however, be supplied to Garrison Instructors when they are received, and they can get them made up from local sources, charging the cost in contingent bills.

41. The same course may be pursued in the case of any petty stores, whether specified or not in the accompanying lists, but which may be found necessary for the course of instruction.

42. The drawings and maps included in para. 34, will be supplied at once to Garrison Instructors in the three Presidencies, direct from the Surveyor-General's Office, Calcutta. The indent will be furnished in order to save time by the Superintendent of Garrison Instruction.

43. In the case of stores and implements specified in para. 37, Garrison Instructors will place themselves in communication with Executive Engineers of Cantonments to ascertain what portion they can supply from local sources, but it is probable that at many stations an indent will have to be made upon the nearest Arsenal for the portion of the tools and implements required.

44. With reference to the foregoing, and subject to the conditions and alterations therein specified, Horse Guards' G. O., No. 65 of 1870 (re-printed for ready reference) is made applicable to India:—

G. O., 65.—*Garrison Instructors and Examination of Subaltern Officers.*

VII.—The *special examination* will be conducted partly by sealed printed questions, sent from the Director-General of Military Education, and partly orally and practically upon the ground, by a board of examination. This board will consist of a field officer, the commanding engineer (or an officer deputy by him, and not under the rank of captain) and a *Garrison Instructor*.

The printed questions shall invariably be answered in the presence of a member of the board, and be returned with the answers, and with a written report of the oral and practical examination, to the Director-General of Military Education, with whom shall rest finally the grant of a certificate of competency.

VIII.—The *Garrison Instructors* will also give instruction in military history and military administration to officers who wish to qualify for the staff.

FIRE ENGINES.

G. O. C. C., No. 103 of 21st September 1871.—The following instructions on points connected with the preservation, working, &c., of Fire Engines and their appurtenances as sanctioned by the Government of India, are published for general information and guidance in continuation of G. O. C. C., No. 84, dated Fort Saint George, 17th November 1862.

I.—Rules for the guidance of Officers in charge of Fire Engines :—

1. On receipt of an engine the inside of the pump barrels should be first greased, and the engine worked a few strokes, so as to thoroughly smear the leather sockets of the pistons. It should then be filled with clean water and allowed to stand for one week.

2. Leather hose should be washed and each piece hung up to dry, suspended by one end or by the middle, so that the water may drain off as much as possible. When nearly dry, they should be rubbed thoroughly with a composition of the following ingredients :—

Beef or mutton suet	... lbs.	4
Neat's foot oil	... "	2
Bees' wax	... lb.	1
Add camphor,	... oz.	2

To be mixed over a slow fire,

after which they should be coiled up.

The hose after use should be hung up and treated in the same manner.

Canvas hose needs no preparation for testing, but after use requires to be suspended in the same manner as leather hose, and it must not be taken down till perfectly dry, when it should be coiled up and put by.

3. After the engine has been standing filled with water for one week, it should be worked with two lengths of hose and branch pipe attached, when the water should be thrown to a height of at least 60 feet, or a distance of 80 feet horizontally. If these results are not attained, the cause will be either want of power or the pistons working too freely; the latter may be remedied by the pistons being lubricated with any animal oil or *ghee*, and allowed to stand filled with water for another week; and the former by the application of more power.

The air vessel may leak at its joint, or the clack of the valves may not reach their bearings, the first is known by observing if air bubbles rise in the water round it when the pumps are worked, and the last by the return of the water to the tank at the down stroke of the pistons.

II.—Rules for working Fire-engines:—

1. Place the engine as near the supply of water as possible.
2. If the water is conveniently situated, screw on lengths of suction pipe to reach into the water with the strainer on the end, all joints being tightened with the wrench; these pipes to be used with the greatest care, and not to be bent more than necessary.
Use the crook or bend at such couple as will be most convenient.
3. Screw on lengths of hose to reach the fire with the branch and jet pipe at the end. The joints to be tightened with the wrenches, hold the branch pipe steady, and be careful to remove the hand from the mouth of the nozzle as soon as the hose is filled.
There are two jets supplied with each branch pipe, $\frac{1}{4}$ and $\frac{1}{2}$ inch (diameter) respectively, the small one for altitudes, and the large one for volumes, the greatest the engine can throw. On no pretence should the jet be kept closed or otherwise obstructed; the working pressure is gradually and quickly enough arrived at with the jet open, and there is seldom fracture of hose when it is left so.
4. The pistons should always be covered with grease to keep the leather washers moist, and for lubricating the cylinders; and the bearings should be greased before going to work; all the joints in motion should, if possible, be kept properly lubricated while working.
5. Should any obstruction to the ingress of the water through the suction pipe appear, the engine should be immediately stopped, to allow the rubbish that may have accumulated round the strainer being cleared away; after use it is always advisable to pump clean water through the engine to remove mud, straw, &c., that may have been drawn into the works.
6. Dragging hose along the ground wears and destroys the material; if there be not lifting loop at every six feet, the hose should be raised off the ground by other means.
7. The cock of the suction pipe is a three-way one, and when it is desired to draw water through that pipe, the cock lever is turned straight to the rear, and if the water is to be drawn from the tank (or body) of the engine, it is turned to right angles of the former position; the stops on the spindle would prevent it being turned so as to allow the water to run from the engine through the pipe. As only two 6-foot lengths of suction pipe are supplied, and they incline at an angle of about 45 degrees from the engine, they could not possibly reach water more than 7 or 8 feet below the ground level, immediately the water is noticed running through the suction pipe the engine should be worked, and if the suction pipe is working properly, the water in the engine will continue to be supplied thereby, and blisies and buckets can in such case, be dispensed with.
8. Engines should be always kept full of water and worked once a week.
9. In extinguishing fire, the branch pipe should be brought as near as possible to the premises on fire. The engine should play with full power on the burning materials and cut off the flame at its source. It is the force of the water and not the quantity which has the greatest effect.
The men working should commence pumping slowly, gradually increasing or quickening the movement, throwing all their weight on the down stroke and allowing the handles to rise by the depression of the levers on the other side.
10. Fire-engines are under the immediate charge of the Officer commanding the regiment in whose lines they are located; they should be kept with their appurtenances in sheds near the quarter guards of corps, or near the stables.
11. Officers commanding corps and detachments to which fire engines are attached are directed to train a portion of the men of each company to work them; and General Officers are directed at their half-yearly inspections of British Troops to personally see them at work, reporting any inefficiency in regard to the engines or their appurtenances to the Quartermaster-General, for the orders of His Excellency the Commander-in-Chief.
12. Every engine, with its hose, must be worked weekly to ensure its efficiency, but at the weekly practice only one length of hose is to be used, the whole number of lengths only being necessary on fire occurring, when from the fierceness of the fire, or the position of the building, the nozzle pipe cannot be brought near enough with fewer lengths to discharge the water effectively.
13. Fire-engines should be inspected periodically by the Barrack Department.

III.—Defects in Engine or Hose.

The principal defects in Fire-engines are:—

- I. The washers of pistons wearing by constant use.
- II. The body of the engine leaking from corrosion or severe treatment.
- III. Couplings leaking.
- IV. Hose leaking or bursting.
- V. Hose or branch pipe getting choked with fatty substances used in greasing.

Remedy—No. 1 Defect.

No. 1 defect can be remedied by the application of new leather washers, unless the foregoing rules have not been strictly attended to, in which case, filling the engine with water or applying animal oil or grease to the washers, may correct the derangement caused by the drying of the leather.

No. 2 defect can be repaired temporarily with a little putty and paint, but it will be necessary to send the engine to an Arsenal where there is one, or make it over to the Barrack Department at other Stations, for overhaul and repair; where regimental workshops exist, and workmen are capable of repairing them, they could be repaired under regimental arrangements, as has often been done, (for particulars as to repair of Fire-engines, see Section IV.)

No. 3 defect—is the effect either of the coupling screws not being thoroughly screwed up, or the leather washer having worn thin or dropped out, and is easily remedied by screwing up the couplings if the washer is in good order, or inserting a fresh washer, which is merely a ring of any thick leather, such as buffalo hide; if not available, a couple of rings of bullock or other hide will answer equally well. These rings should be in exterior diameter not less than $2\frac{1}{2}$ inches of more than $2\frac{3}{4}$ inches, and the interior diameter 2 inches. The leather washer should always be made to fit tight into the seat of the fly or revolving part of the coupling, and never shrunk on the male screw or standing part.

No. 4 is a serious defect. For the time the defective length of hose should be disconnected from the rest, and the engine worked with the remainder. If the hose is of leather, and is split or burst near the rivets, the fractured portions should be sewn together with a new piece of leather rivetted over it, the rivets being cut and withdrawn to the extent of the piece, see shaded rivets in sketch: "A" "A'" represents split, and dotted part the fresh piece of leather. Should the hose burst elsewhere, sew the parts together and rivet a fresh piece of leather over the whole circumference of the hose, extracting old rivets to the extent of the new piece, and re-rivetting through the original holes. Should the hose be in other respects bad, it will be well to cut out the defective part and insert a fresh piece, or join the good portions; in the latter case, the hose would become somewhat shorter. Whenever the hose is thus cut it should be done diagonally, similar to the joins as originally manufactured. The rivets should be made of malleable copper and tinned before use in leather work.

Canvas hose can be repaired by putting a canvas band round the broken part, and sticking it on with a cement composed of

Gutta Percha	...	...	oz.	8
India Rubber	...	...	"	4
Pitch	...	...	"	2
Linseed Oil	...	...	"	4
Shellac	...	...	"	2

These ingredients should be boiled together and applied whilst hot.

Defect No. 5. It sometimes happens in the cold weather that the fatty matter used in anointing hose accumulates inside the hose and chokes the branch pipe, if not removed, it is apt to burst the hose; when any such obstruction is suspected, the branch pipe should be disconnected, and also the hose, one length after another, until the obstruction is discovered, when it can easily be removed by passing the handle of a fire hook from either end until the pipe or hose is cleared.

DISCHARGE DOCUMENTS—SOLDIERS.

G. O. C. C., No. 117 of 11th October 1871.—The following General Order by His Excellency the Commander-in-Chief in India is re-published :—

Simla, 23rd September 1871.—1. The following instructions regarding the discharge and the preparation of the discharge documents of Soldiers of the British Forces, are published for information and guidance in the approaching discharge season. A copy will be placed before the Discharge Boards.

Commanding Officers should recollect that unless the documents of men for transfer home are sent complete to the Deolallee Depot in every respect—and attention to these instructions will ensure that object—the men cannot be embarked.

The embarkation of all soldiers for discharge out of India will be effected between the 15th October current and the 24th April 1872, and no soldier is to be despatched from his regiment unless he can reach the port of embarkation by the latter date.

3. All men whose destination is the United Kingdom, and who are entitled to a passage at the public expense, will be sent to Bombay for embarkation under instructions from the Quartermaster-General.

4. All men entitled to a free passage, destined for the Mauritius or Cape of Good Hope, must be despatched so as to reach Bombay in time for the "Euphrates" troop ship, leaving on the 1st April; men proceeding to other Colonies, or who have to pay their own passages to England, will be sent to Calcutta,* but will not leave their regiments till the General Officer Commanding the Presidency District has notified that he is prepared to receive them.

The object of the reference is to provide against men whose service must expire before they are embarked, or for whom passages cannot be readily found, being detained at the depot,* Fort William, for unnecessarily long periods.

Officers commanding regiments should forward without delay, to the General Officer commanding the Presidency District, a return of men for whom passage will be required and the probable date.

5. Soldiers, not enlisted in India, who have been sentenced to discharge with ignominy, and whose term of imprisonment is expired, will be sent to Bombay for embarkation in the troop ships; but prisoners (not enlisted in India) invalidated by a medical board must be sent home by the same route, irrespective of the fact of their terms of imprisonment not having been completed.

Rules regarding the kits of such men will be found in G. O., No. 126 of 1871.(a).

6. All insanes will be embarked in the troop-ships. In cases where insanity declares itself so near to the troop-ship season that the retention of insanes, especially if harmless, up-country, may not only be feasible but preferable to a long journey to the Bhowanipoor Asylum, it will rest entirely with the judgment of local medical authorities to decide on the advisability of sending them direct to Deolallee. When insanes are thus to be despatched, they must be separately detailed in the returns of embarkation furnished to the Quartermaster-General's Department. The kits of insanes will be sent to the Commandant of the Deolallee Depot. These kits will be available for the use of the men when embarked for England.

7. All men for embarkation for England, the Cape and Mauritius, whose period of service will be completed before the 24th April 1872, may be forwarded to Bombay, and may be embarked before their term of service has actually expired; but if proceeding to other Colonies, they must complete their term in this country, their final discharge being effected at Fort William* (see paragraph 4) before they leave Calcutta.

8. In the same manner, men who will become eligible for a free discharge before the 24th April 1872, the requisite authority for discharge having been obtained, may, if necessary, be embarked for England before the time entitling them to a free discharge is actually completed, but as a rule such term should have expired before embarkation, as the loss of a good conduct badge may cause them to forfeit their title at the last moment. These men should not be sent down to the port of embarkation till their time is nearly completed, to obviate their detention at the Deolallee Depot.

In the case of men who will come eligible for free discharge late in the season, the prospective authority is necessarily conditional on the soldier conducting himself properly, and thus fulfilling the conditions of discharge. Commanding Officers of regiments and depots are authorized to detain men who, by the loss of a badge, or by not obtaining one, are ineligible for the free discharge which has been sanctioned. In such cases a report will be made to Head Quarters in order that the authority may be cancelled.

9. Detachments proceeding to ports of embarkation will be officered in the manner laid down in G. O., (a) No. 263 of 1869. Officers of the class specified in Section IV of that Order must be made clearly to understand that they will have no claim to embark with the troops, unless there shall be no officers at the ports of embarkation with claims to free passages available to relieve them.

10. The Officers commanding the various parties will report to the Assistant Adjutant-General of the Division, or Brigade Major of the District, for record in those offices, their having received over from the several regiments the whole of the invalid documents, balances due, &c., &c.

11. Officers commanding parties will receive special instructions in writing from the Officers commanding the Divisions and Districts from which they start, to furnish :—

- No. 1. Weekly Progress Reports in accordance with the rules contained in G. O. C. C., dated 22nd June 1865 (page 131, Standing Orders).
- No. 2. Monthly Muster Rolls to Commanding Officers of regiments and batteries in Bengal, Form No. 20.
- No. 3. Departure and Progress Reports to the Brigade Major at Bombay.
- No. 4. A classified Nominal Roll, in accordance with para. 4 of G. O., Queen's Troops, Calcutta, 9th September 1862, to the Officer commanding the dépôt at Deolalee.
- No. 5. A duplicate of the return of weight and measurement of baggage in accordance with G. O., (b) No. 163 of 12th August 1871, to be furnished to the authorities in Bombay.

12. Pay transactions of detachments for Bombay will be conducted in accordance with Adjutant General's Circular No. 68(c) of 1870. Separate Nominal Rolls of Invalids and other men will be furnished by Commanding Officers of regiments and batteries to officers commanding detachments, and Commanding Officers will give full information in writing to those officers to insure the submission of a proper account of the money made over to them.

All punishments affecting the soldier's pay will be notified in detachment orders, and all losses of good conduct pay will be noted in Bengal* Form No. 40. On arrival at Deolalee, Commanding Officers will render a report to the Dépôt Paymaster of all casualties which may have occurred since the commencement of the march.

13. The invalids and time-expired men of all Divisions and Districts of the Bengal Presidency for passage to England will be sent to Allahabad, whence, under the orders of the General Officer commanding, they will be despatched by railway to Bombay, in communication with the military authorities at Bombay.

* 1 Sohagpoor, 2 Jubbulpoor, 3 Dinapoor, 4 Muddo- 14. Resting houses or camps will be poor, 5 Allahabad, 6 Cawnpoor, 7 Toondla, 8 Meerut, established by the 20th of October, at the 9 Umballa, 10 Meean Meer. stations noted in the margin.*

15. To ensure regularity in the arrival and departure of detachments, and to prevent clashing at the camps, all movements of troops by Railway or Bullock Train, whether of regiments or detachments, are to be carried out after due communication between Officers commanding Divisions and Districts, and the responsibility of collision at Resting Camps will rest with despatching Officers.

Timely notice of all movements of troops by Rail or Bullock Train, either up or down the line, giving the date and hour of arrival at each camp, to be given by the Officer commanding the Division from which the detachments start, to the Divisions through which passing, and that to which proceeding, in view to the necessary arrangements being made for their reception and onward progress.

At least 48 hours' notice of transport being required is to be given to the Railway authorities at Allahabad and Howrah, and 96 at every other station.

16. The invalids and time-expired men will move under special orders, which will be communicated by the Quartermaster-General to Officers commanding Divisions and Districts.

17. All subsidiary orders, in furtherance of the arrangements, specified in paras. 14 to 17 are to be given by Officers commanding Divisions and Districts, who are desired to communicate freely with each other in regard to details.

18. Time-expired men, and others (except prisoners) arriving at home for discharge will be disposed of as follows :—

Royal Artillery to be sent to Woolwich.
 Royal Engineers „ „ Chatham.
 Cavalry and Line „ „ Chichester.
 Invalids will all be sent to Netley hospital.

It is of the utmost importance that men should arrive at home with their documents in such a complete state as to obviate delay in effecting their discharges at these dépôts.

19. To prevent confusion the documents of invalids and time-expired men must never, if it can be avoided, be given into the custody of the same officer, but the two classes of documents must be kept distinct.

20. All claims of men for discharge must be investigated, and if possible settled, before the men leave their regiments. If settlement is impracticable, the fullest particulars of the case must be transmitted with them, and reference made to the proper quarter. No claims can be entertained at the embarkation dépôts, unless they have been previously preferred at the Head Quarters of regiments, or have arisen after departure from the regiments.

Last season very much inconvenience was experienced at Deolalee Dépôt, through many Commanding Officers having failed to adjust the bedding claims of men going home. (See G. O., No. 74 of 1870.) Madras G. O. C. C., 30th May 1870, p. 162.

21. The discharged documents, with exception of the Company Defaulter Sheets, Medical History Sheets, Ledger Sheet (W. O. Form 338,) and No. 1 Report (Bengal* Form No. 40), of men proceeding to the ports of embarkation, will be despatched, *by post and packed in wax cloth*, to the dépôt direct from the regiment, addressed to the Commandant or Paymaster, as indicated in the schedule. These packets must be despatched in time to ensure their arrival at the Dépôts *at least* a week before the men themselves, so as to admit of examination (and return to corps for correction if requisite,) before the men embark. The No. 1 Report, as above, Ledger Sheet, Company Defaulter Sheets and Medical History Sheets will invariably accompany the men and be handed to the officers in military and medical charge respectively.

22. In the case of men at Convalescent Dépôts, any documents requiring the soldier's signature will be forwarded by the regiment for the same, and will be returned to the regiment for despatch to the embarkation dépôt, so soon as a report is received from the dépôt of the soldier's departure to the port of embarkation.

Commanding Officers of regiments moving in relief must keep Commandants of Convalescent Dépôts informed of their movements by sending a copy of their route. In the past season, for want of this advice, Dépôt Commandants were unable to notify to regiments the departure of men to the port of embarkation, and men consequently arrived at Deolalee without their records.

23. Each packet containing documents sent by post is to be registered and a list of enclosures put up in the packet. The list when compared and checked with the documents received will be returned to the corps, duly receipted by the officer commanding the embarkation dépôt.

24. The list above referred to is to record the documents in the same order in which they are placed in the Schedule attached to the instructions† issued with this order, and the documents of *each man* are to be attached together in the upper left-hand corner by a loop of silk or strong thread, and folded lengthwise, the Board's Proceedings being the inner document in the series and not outside the others. Commanding Officers will explain the cause of absence of any documents, and state whether the same will be subsequently forwarded.

The Horse Guards last season commented on the dilapidated state of the Board's Proceedings, which in some instances were quite useless as records.

25. The Officer commanding the party will be furnished with a list in duplicate of the documents he has in possession (see para. 27). These lists will be receipted by the Officer commanding the dépôt. One copy to be given to the officer who commanded the party, and the other sent to the corps for record.

26. Officers proceeding in charge of parties are to be instructed that the non-effective accounts of men who die *en-route* to the dépôt are to be handed to the Paymaster of the dépôt on arrival, and not forwarded to the Paymaster of the corps.

27. The Commandants of Dépôts, whether at the ports of embarkation, or elsewhere, are empowered to address themselves direct to Commanding Officers, and His Excellency desires that all communications from these officers, concerning the discharge documents, or matters connected with them, may be regarded in the light of instructions transmitted by Staff Officers. The Commander-in-Chief further desires to impress upon Commanding Officers the necessity of paying prompt and strict attention to all such communications, as the embarkation of the men concerned may be delayed by any neglect in this respect.

28. Officers commanding embarkation dépôts will forward without fail on the day after the troopship sails, to Commanding Officers of regiments and brigades, a report of the embarkation, not only of detachments but of individuals (including prisoners, (see Circular 87(a) of 1869,) accompanied by a nominal list, with regimental numbers attached of the men referred to.

29. Commanding Officers will, on receipt of the above reports, correct the rolls of their corps and send the requisite advices home, in continuation of the returns(b) previously transmitted to England. (See G. O., No. 171 of 1870.) Madras G. O. C. C., 24th August 1870, p. 259.

* Madras.

† Printed in Pamphlets.

(a) Madras Circular, 9th November 1869, No. 3924.

(b) These Returns should leave regiments at least a fortnight before the men embark, and should be addressed to Netley, or Chichester, according to the destination of the men.

30. In the case of men of the Royal Artillery, returns of men proceeding to the port of embarkation (Bombay) are to be forwarded, at least a fortnight before the men embark, to the Deputy Adjutant-General of Royal Artillery at the Horse Guards. Officers commanding brigades, as well as Captains of detached batteries, will at the same time transmit to the same office, copies of the men's transfer Savings' bank statements.

31. Women near their confinement are not to be embarked in the Troop transports, and the husbands of such women are to be detained with them. (G. O., No. 18 of 1870.)

These men will remain attached to any other regiment at the station where located, until their wives are fit to travel, when they are to be despatched to Deolalee for embarkation on the first available Troop-ship.

Should however, the prospect of such occurrences be anticipated among the women proceeding by any of the three last vessels, permission should be solicited for their despatch at an earlier date.

INVALIDING BOARDS.

G. O. C. C., No. 117 of 9th November 1871.—The following General Order by His Excellency the Commander-in-Chief in India is re-published :—

Simla, 31st October 1871.—Officers Commanding Divisions and Districts will be pleased to assemble Invaliding Boards, at stations within their respective Commands occupied by European Troops, to examine all men whom it is proposed to invalid. The Deputy Inspector-General of Hospitals, British Forces, or Superintending Staff Surgeon-Major of the Circle, will invariably sit as President.

2. Medical Boards, when invaliding men who have been enlisted in India and are not desirous of leaving the country, will refrain from recommending them to be sent to England. (See G. O., No. 183 of 1869).

3. The Boards in the Sirhind, Lahore and Rawalpindie Divisions, and the Peshawur District, will assemble in December 1871, and those in all other Divisions and Districts early in January 1872.

The exact dates to be fixed by Officers Commanding Divisions and Districts, in communication with the Administrative Medical Officer, British Forces, of the Circle, and so as to correspond with the instructions for movement and embarkation received from the Quartermaster-General.

4. The Divisional and District Military and Medical authorities will arrange for the examination of men on detachment, or of corps at out-stations.

5. With the exception of the 2nd Battalion, 19th and 2nd Battalion, 25th Regiments, which will take all invalids capable of travelling with them, Regiments and Batteries marching in relief, before the invaliding boards are assembled, will leave behind them the soldiers whom it is proposed to bring forward for invaliding.

6. Care is to be taken that all documents connected with such men are completed, as far as possible, prior to the march of their Regiment or Battery, and handed over to the Officer Commanding the Regiment or Battery to which they may be temporarily attached. In the event of there being no Regiment or Battery at the same station to which the invalids can be attached, the documents should be made over to the Officer detailed to proceed to the port of embarkation with the men. If none such is available, an experienced subaltern must be left behind to command the party and take charge of their documents; and proper arrangements must be made in communication with the Divisional authorities for the medical charge of the detachment.

7. The General Officers Commanding the several Divisions and Districts of the Army will cause returns of the probable numbers of men, women and children, (showing separately those invalids selected for the voyage round the Cape, and those invalids and men in health for the journey through Egypt via Bombay, who will proceed from their respective commands), to be furnished to the Quartermaster-General, and to the Inspector-General of Hospitals, Her Majesty's British Forces, Simla.

8. The Officers commanding the several Convalescent and other depôts will place themselves in direct communication with the Officers Commanding the Regiments of such men as may be invalided at the depôts, with a view to ensure accuracy in their documents and accounts. This must be done in good time, with a view to all claims and other matters being settled before the men leave these depôts for the port of embarkation. The rule directing the settlement of all claims before the men leave their Regiments applies equally to invalids from depôts.

9. In compliance with Adjutant-General's Circular, No. 14 of 1870, W. O. Form 821, Returns of Invalids will be adopted henceforward in supersession of all other nominal returns heretofore in use for a like purpose.

10. Medical Officers in charge of corps and batteries and of Convalescent depôts will prepare this Return in triplicate, to be signed by the Commanding Officer and Surgeon, and afterwards countersigned by the Officer Commanding the station and the Deputy Inspector-General of Hospitals, or Superintending Surgeon-Major of the Circle.

Two copies of the W. O. Form 821 will be sent to the Inspector-General's Office, Simla.

The third copy will be sent by post as directed in the Discharge Order, or given to the Military Officer proceeding in command of the party to the port of embarkation, who will transfer it to the military authorities there. It will be by them given to the military officer in command of the party embarking for England, for final transmission to the principal medical officer at the port of landing.

11. The detailed Medical Histories of men invalided to England will be made out by regimental medical officers in triplicate for each man, and will be submitted to the Station Invaliding Board, who will ascertain that the information under each heading is complete, and will countersign them.

One copy will be sent direct to the Inspector-General of Hospitals, British Forces.

The second copy, together with the Medical History Sheets, will be handed to the medical officer proceeding to the port of embarkation for transfer to the principal medical officer there. These documents will be afterwards handed over to the medical officer embarking for England, and will finally be handed over to the principal medical officer at the port of landing.

The third copy, when signed by the board, will also be assigned by the Deputy Inspector-General of Hospitals, or Staff Surgeon-Major presiding in his capacity as principal medical officer of the Division or District. This copy will then be transferred through the military authorities to Officers commanding regiments, and will be attached to the "Proceedings of Regimental Boards," (W. O. Form 83)—in accordance with Horse Guards' General Order, dated 12th November 1866, re-published in G. O., No. 40 of 1867.

In the case of invalids who elect to proceed to the Colonies or to remain in India, one copy only of the Detailed Medical History will be required for each man. This copy, signed by the board and by the Deputy Inspector-General or Superintending Surgeon-Major of the circle, will be forwarded, together with the man's Medical History Sheet, to the Office of the Inspector-General of Hospitals, Simla.

12. Each Medical Officer in charge of a party of invalids will be furnished by the President of the Invaliding Board with blank forms in duplicate of a "Return of Invalids," intended to show the disposal of the party. This he will hand over, complete to date, to the principal medical officer at the port of embarkation. The principal medical officer at the port of embarkation, will, at the termination of the invaliding season, transfer one of these sets of returns to the Inspector-General of Hospitals, British Forces.

13. The necessary blank forms of invalid documents will be supplied from the office of the Inspector-General of Hospitals, British Forces, Calcutta, and regimental medical officers will, as soon as possible, acquaint the Deputy Inspector-General of Hospitals, British Forces, there, with the number of men they propose to bring forward to be invalided.

14. Regimental medical officers will also apply to the office of the Inspector-General of Hospitals, British Forces, Calcutta, for blank forms for the men of their corps to be invalided from Hill Convalescent depôts, and after inserting the necessary information, will transmit the documents, together with the men's Medical History Sheets, filled up to date, to the medical officers of those depôts, who in the first instance will communicate to regimental officers the names of men of their corps about to be brought forward.

15. The administrative medical officers presiding over Divisional or District Boards will be furnished with the general and other necessary returns from the same source.

16. Further instructions for the guidance of Divisional Invaliding Boards, will be issued by the Inspector-General of Hospitals, British Forces.

17. The invalids of all Divisions and Districts of the Bengal Presidency, for passage to England by the Red Sea or Cape routes, will be sent to Deolalee, whence, under orders of the General Officer commanding, they will be despatched by railway to Bombay, in communication with the military authorities at Bombay.

18. His Excellency the Commander-in-Chief of the Bombay Presidency is requested to cause any invalids, whose fitness to travel by the Red Sea route may have become doubtful after departure from Allahabad, to appear before a Medical Board at Bombay in view to their being sent by the Cape route.

19. The instructions contained in the Annual Discharge Order, G. O. C. C., 23rd September 1871, are to be followed so far as they apply to invalids; any subsidiary orders necessary in furtherance of the foregoing arrangements being issued by General Officers commanding Divisions and Districts.

G. O. C. C., No. 125 of 22nd November 1871.—With the sanction of Government the following General Order by His Excellency the Commander-in-Chief in India is re-published:—

Simla, 8th September 1871, No. 261.—The following regulations governing the grant of annuities and gratuities to men of the Local Service, or Unattached List, are, with the sanction of Government published for general information and guidance, in continuation of G. G. O., No. 549 of 1871, (G. O., No. 131 of 1871) Madras G. O. G., 4th July 1871, page 115:—

Annuities.

The amount sanctioned by Government as annuities will be distributed amongst Sergeants, either before or after discharge, in sums of £5, 10, 15 or 20, according to the merits of the case, as rewards for distinguished or meritorious service. After discharge they are held in addition to pension.

Madras G. O. C. C., 20th September 1871, page 279.

† Madras.

2. It will rest with the Commander-in-Chief to select the individuals to be recommended to Government for this honorable mark of approbation.

3. A silver medal, having on one side the Royal effigy, and on the other the words "For meritorious service," and the name and regiment (or department) of the Serjeant, with the date of the grant, is issued to every Serjeant annuitant.

4. Upon special recommendation the medal may be inscribed, "For distinguished conduct in the field," instead of "For meritorious service."

5. In the event of an annuitant being promoted to a commission (Unattached, or otherwise than Honorary) the medal may be retained by him, but the annuity must be relinquished, and will become available for disposal, together with a new medal, to some other Serjeant.

6. A Warrant Officer is entitled to wear the medal, and to receive the annuity which may have been granted to him as a Serjeant.

7. On the occurrence of vacancies, Serjeants holding any of the inferior rates of annuity, have no claim to be advanced to a higher rate.

8. Drum Majors, Fife Majors and Bugle Majors, of European parentage, belonging to native corps, are not eligible for the annuity.

Gratuities.

9. Gratuities will be distributed at the discretion of the Commander-in-Chief to the classes eligible to receive them, and to the extent sanctioned by Government.

10. The gratuity to a Serjeant after ten years' service as such is £15.

To a Corporal after seven years' service as such, or to a Serjeant with a total of seven years' service as a Corporal or Bombardier and Serjeant £10.

To a Private £5.

11. No soldier is eligible for one of these gratuities unless he shall have served in the Army for 18 years with an *irreproachable* character, and shall not have been convicted by Court Martial (except as provided in paragraph 12) during that period; or unless, though not otherwise strictly eligible, he shall have brilliantly distinguished himself by gallantry and zeal in the service, which must be fully explained in the application.

No soldier is, except under special circumstances, to be considered to have served with an *irreproachable* character, unless he is in possession of, or entitled to, four good conduct badges.

No soldier, who has been twelve times entered in the regimental defaulter book, is to be considered to have served with an exemplary character.

It must, however, be clearly understood, that the mere fact of a soldier having fulfilled these conditions does not give him a claim to the gratuity, but merely renders him eligible for the reward.

12. A Non-Commissioned Officer convicted by Court Martial and reduced to the ranks, for any other offence than those specified in the Articles of War, shall be relieved of the consequences of such conviction, as affecting his claim to be recommended for the gratuity and medal, after a probation of five years' continuous good conduct from date of reduction. But no Non-Commissioned Officer, who has been convicted of a crime for which he would have been tried had he been a private, is to be recommended.

13. The gratuity awarded to a soldier still serving will, with the sanction of Government, be lodged in the military branch of the Government Savings' Bank.

14. It will there accumulate at interest until the discharge of the soldier entitled thereto, but it will be subject to forfeiture by desertion, or on the sentence of a General, Garrison, or District Court Martial, or by conviction for felony in a Court of Criminal Judicature.

15. The gratuity with all accumulations will be paid to the soldier entitled thereto upon his discharge; or (if he should die prior thereto) to his legal representatives.

16. If the soldier to whom a gratuity is awarded shall not still be serving, it will be issued to him at once.

17. A silver medal, having on one side the words "For long service and good conduct," and on the other the Royal Arms, with the name and rank of the soldier, will be presented in Her Majesty's name by the Commanding Officer on parade to each soldier awarded a gratuity and will be worn by him as an honorable testimonial of his Sovereign's approbation of his conduct.

18. If circumstances should prevent the discharged soldier from receiving the medal from the hands of his Commanding Officer, it will be delivered to him through the Adjutant-General of the Army.

19. The Commander-in-Chief will notify to the Secretary to the Government of India in the Military Department the names of the soldiers to whom these gratuities and medals shall be awarded, in order that sanction to the investment of the amount of the gratuity in the military branch of the Government Savings' Bank may be accorded.

20. A soldier in possession of a medal and gratuity for long service and good conduct, who may receive a commission, (Unattached, or otherwise than Honorary,) or be awarded an annuity, must surrender the medal and gratuity, but he will be entitled to receive the accumulated interest thereof up to the end of the month preceding that in which he received his commission or his annuity.

21. In the case of a gratuity so relinquished, or forfeited under the provisions of paragraph 14, some other deserving soldier or soldiers, whether serving or not, provided they were serving in the year in which the medal and gratuity were originally awarded, will be selected by the Commander-in-Chief to fill the vacancy.

22. A Warrant Officer, whether in a department or public office, retains his medal granted to him before his promotion to the warrant grade, and becomes entitled to the gratuity on final retirement.

23. A Non-Commissioned Officer or soldier, serving in a public office or department, retains his medal previously granted to him;—the gratuity with accumulated interest being transferred to the military branch of the Government Savings' Bank,—and becomes entitled to his gratuity on receiving his final discharge.

24. Service as Band Serjeant in a native regiment is not allowed to count as service in the non-commissioned grades for the gratuity and medal.

25. Recommendations for the annuity and medal may be forwarded at any time to the Adjutant-General of the Army.

26. Recommendations for the gratuity and medal are to be submitted to the Adjutant-General annually, on the 1st April, and all men who are then entitled should be included.

27. Commanding Officers are not to abstain for recommending deserving Serjeants for the medal and gratuity on the ground that they have been, or are about to be recommended for the medal and annuity, as the former may be enjoyed until such time as the latter is awarded.

28. The Form attached is to be used for recommendations for both the annuity and the gratuity, a copy of the applicant's regimental defaulters sheet is to be annexed, and in annuity cases the application must be in duplicate, and copies of any special record of the Serjeant's merit are to be appended.

29. If, with reference to paragraph 11 and paragraph 12, the soldier has ever been tried by Court Martial, a copy of the charge, finding, sentence and confirmation must also be attached to the application.

30. The character given to the applicant must be entered in the hand-writing of his Departmental Commanding Officer.

31. The grant of the annuity or gratuity is to be notified in Garrison or Station Orders where the recipient is serving, and a copy of the order is to be transmitted to his regiment for the necessary entry in the soldier's records of service.

EFFECTS AND CREDITS.

No. 209.—In the case of the estates of Warrant and Non-Commissioned Officers and Soldiers who may die when on detached staff employ at a distance from a Military Cantonment, it is notified, under instructions from the Government of India, that a Committee of two Commissioned Officers should assemble at the station or place in which their services can be made available, and which may be nearest or most conveniently situated with reference to the place of decease, when the written authority of the President of such Committee will be sufficient to empower any person who may be sent by it, or, who may happen to be on the spot, to take charge and dispose of the effects of the deceased, in such way as the Committee may prescribe.

MUSKETRY.

No. 210.—Government has been pleased to sanction the issue by the Ordnance Department of the following scale of Targets and Stadiometers to Native Infantry Regiments armed with Enfield rifles; indents to be at once submitted through the Barrack Department:—

Articles.	Proportion allowed per Regiment	Remarks.
* Targets, iron, 6 feet by 2 feet, complete ...	6	* English-made targets distinguished by having been forged in one complete piece, including flanges, and having no rivets whatever, are invariably to be issued in sets, and kept distinct from those of country make.
Stadiometers, complete, with 40 yards measuring tape or chain, a crop staff and tripod, <i>old pattern</i> ;	1	
or Stadiometers, complete, with one twenty yards length of chain, a crop staff and tripod with stand, for the Stadiometer to rest upon, <i>new pattern</i> .		

2. All other appliances of approved quality, necessary for the execution of the annual course of musketry, are to be found from the contract allowance granted to regiments.

3. Officers Commanding Regiments are held responsible for the due preservation of the Stadiometers, which being delicate instruments, if not properly taken care of, get easily out of order.

DISCHARGES—SERVICE, SOLDIERS.

No. 211.—The following letter from the Horse Guards, dated 8th June 1871, is published for information:—

"By direction of the Field Marshal Commanding-in-Chief, I have the honor to acknowledge the receipt of your Lordship's letter, dated 29th April last, and to intimate to you in reply, that the Secretary of State for War has ruled that actual service is to govern the amount which soldiers shall pay for their discharge under the Royal Warrant of 27th December 1870.

"Forfeited service, or service under former enlistment which has not been re-credited under War Office sanction, is not to be calculated, but merely the actual service which the soldier is allowed to reckon at the time of his discharge."

From the above it will be seen that service for pension alone counts towards discharge by indulgence.

CLAIMS.

No. 212.—The following extract of a letter from the Government of India, disposing of a claim for bounty money, is published for information, and is to be considered as of general application:—

"3. * * * It is to be understood henceforward, as an absolute rule, that no advantage granted by the Government will be retrospective under any circumstances, unless specially made so at the time of the original grant of such advantages, and further that notwithstanding any existing difference between English rules and those actually in force in India, the Indian Regulations must be implicitly followed in admitting or rejecting all claims.

"4. The Government of India, on cause shown, will, from time to time, make such alterations as may be necessary, but such changes will not be held to have any application to cases falling within the date prior to the changes, unless specially authorized at the time."

PASSAGE—INSANES.

No. 214.—With reference to the disposal of insane soldiers, whom if it desired to send to England, the Commander-in-Chief is pleased to notify the decision of Government, that as heretofore, they will continue generally to be forwarded to the Bhowanipore Lunatic Asylum, Calcutta, and there retained until they can be sent to Bombay for embarkation in one of Her Majesty's Troop-ships.

In cases where insanity declares itself so near to the Troop-ship season, that the retention of the sufferers, especially if harmless insanes, up-country, might not only be feasible but preferable to a long land journey to Calcutta, it will rest entirely on the judgment of local medical authorities to decide on the advisability of adopting the former or the latter course.

* Madras G. O. C. C., 5th October 1869, p. 256.

And in all instances, where harmless insanes are thus retained at up-country stations for direct transmission to Bombay, and shipment on any one of the Troop-ships of the season, it will be necessary to include them in the returns of embarkation furnished to the Quartermaster-General's Department, or to cause immediate subsequent report to be made thereof.

HOME ORDERS—SADDLERY AND HARNESS.

No. 216.—With the sanction of Government, the provisions of Article 1,028 in the list of Changes in Artillery Material, published with War Office Circular, No. 4, (new series), dated 11th March 1865, are made applicable to India:—

"*Harness and Horse Appointments.*—1,028. The girths of the universal pattern saddle to be fitted to the saddle with removable straps, passing through a staple fixed on each side of the tree (as in the new pattern harness), instead of with tabs and thongs."

ADVANCE OF PAY—NATIVE REGIMENTS, FOREIGN SERVICE.

G. O. C. C., No. 128 of 27th November 1871.—The Commander-in-Chief directs it to be notified that Government has been pleased to sanction the advance of two months' pay authorized by paragraph 23, page 39 of the Pay Code, for Native Regiments embarking for Foreign Service, being made at the Stations from which the Corps proceeds to the Port from which they are to embark, on the clear understanding that the families of the men receiving such advances proceed direct to the village or station selected for their residence.

2. In the event of a further advance, under special or exceptional circumstances, being considered necessary to cover actual expenditure for such movement to the places chosen for residence, Commanding Officers will submit a full report of such circumstances with an application for a further advance for the consideration of the Commander-in-Chief and Government.

3. Whenever advances are sanctioned under para. 2 of this Order, Commandants will recover the amounts from the pay of men to whom the families belong by monthly instalments.

COURTS-MARTIAL.

G. O. C. C., No. 129 of 29th November 1871.—The following General Order by His Excellency the Field Marshal Commanding-in-Chief, dated 1st October 1871, is re-published:—

No. 74.—The following is to be substituted for para. 1,514 of the Queen's Regulations.—Books to be corrected accordingly:—

I. The Court Martial Book is to contain copies of the charges, findings and sentences of all Courts Martial; such copies to be verified by the signature of the Commanding Officer.

II. The original proceedings of every Regimental and Detachment Court Martial, signed by the President, and countersigned by the Commanding Officer, are to be kept by regiments for one year after the date of the prisoner's release from imprisonment, if such is awarded; or, if not, from the date of trial.

At depôts the signature of the officer commanding the battalion to which the dépôt may be attached is required in addition to that of the officer commanding the dépôt. This book is also to contain certified copies of all convictions by the Civil Power. When the imprisonment awarded on such convictions shall exceed that which a commanding officer is empowered to award summarily (viz., seven days), it is to be produced in evidence as a former conviction in the same manner as that of a Court Martial. When, on the other hand, a less imprisonment than seven days is awarded by the Civil Power, it is to be treated only as an ordinary entry in the regimental defaulter book, with regard to forfeiture of good conduct pay, &c. When soldiers shall be transferred, or become non-effective from any cause the sheets of this book are to be dealt with as directed for the regimental defaulter book (para. 1510.)

EQUIPMENTS—TROOPS ON EMBARKATION.

No. 130.—With reference to para. 1618, page 293 of the Madras Army Regulations, the Commander-in-Chief is pleased to direct that the following course shall be followed regarding the delivery and receipt of personal Equipments for Troops on embarkation.

For Troops quartered at Madras the issue is to be made on the day previous to embarkation.

For Troops either marching to Madras or arriving by Train for direct embarkation, the supply should be sent on board by the Commissariat Department and there delivered over to the Officer Commanding the Troops.

2. Each Brigade will be under the command of the senior officer present with it, for all purposes of discipline and interior economy, during its stay in camp, except when an officer may be specially appointed to it.

CANTEENS.

G. O. C. C., No. 137 of 9th December 1871.—With the sanction of Government the following General Order by His Excellency the Commander-in-Chief in India is re-published :—

Simla, 20th September 1871, No. 220.—The following rules for the management of Regimental Canteens are published for information and guidance, in supersession of all previous orders on the subject :—

1. A Canteen, for the sale of Government malt liquor and rum, also wine, extra spirits and beer, is to be maintained in every European regiment, battery* and depot, and temporarily, when it can be managed, in every European detachment whose strength in rank and file is equal to a company. The maintenance of

a Canteen on the line of march is not an optional measure with Commanding Officers, but a Canteen must be always kept up when possible.

2. Rum will be supplied, free of charge for carriage, to Canteens upon indent* to be preferred on the Commissariat Department, and the profits realized upon the sale, being the difference between the cost price and that at which

it is issued to the soldier, together with all sums realized by sale of surplus liquors, will be foundation of the *Regimental Canteen Fund*.

* See Form No. 1.

3. Rum will be issued to regiments and batteries by the Commissariat at the rate of Rupees 2 per gallon, of 40 drams, 24 degrees under London proof; and each corps will credit to its own Canteen Fund the profits realised by the sale of liquor in the Canteen. It will be retailed at one anna per dram, or at the rate of Rupees 2-8 per gallon.

* See Form No. 1.

4. Malt liquor will be supplied, free of charge for carriage, to Canteens upon indent* to be preferred on the Commissariat Department.

5. The charge for malt liquor will be at one uniform price at all stations, viz., 39 rupees per hogshead, and the liquor will be retailed to soldiers at 3 annas per imperial quart, which is its cost price to Canteens.

6. Malt liquor, issued to Canteens from the Commissariat Stores, is to be reserved exclusively for the use of warrant officers, non-commissioned officers and soldiers on the effective strength of the army. The wives of soldiers, though not entitled to malt liquor from the Commissariat, may receive it from Regimental Canteens. Officers are on no account to be supplied.

7. Warrant Officers, Medical Subordinates included, are permitted to draw malt liquor and rum in weekly supplies from Regimental Canteens, on production of an order from their departmental superior. Rum will be paid for at one anna per dram, but malt liquor at an enhanced rate of five annas per imperial quart.

8. Pensioners and men struck off the rolls of the regiment for duty, awaiting pension, not being effective soldiers, are not allowed malt liquor, but they may draw rum under the rules which apply to men on detached employ, on production of an indent countersigned by the officer who issues their pay.

9. Non-commissioned officers and soldiers in detached employ are permitted to obtain malt liquor and rum, at the established rates per man, from Regimental Canteens. Malt liquor may be drawn in weekly supplies and taken away, but rum is not to be taken from the Canteen on any pretext; nor is more than one dram to be drawn at a time.

The above will be drawn on indent, countersigned by the officer under whom the individuals are serving at the time.

10. Commanding Officers of regiments and batteries will furnish Commissariat Officers of divisions, annually on the 15th of March, with statements of the probable number of hogsheads of ale and porter that will be required for their Canteens during the following year commencing 1st January. These statements are to be prepared with the greatest care, in order that a heavy loss may not be sustained by the State through a large quantity being imported than is actually required by the troops.

11. Commanding Officers will inform Executive Commissariat Officers on the 27th of the month of the number of hogsheads of ale and porter that will be required for the following month's expenditure. The quantity so required is to be examined on the 1st or 2nd of the following month, and the casks are to be filled up in the Commissariat Stores, in the presence of, and after approval by a committee, after which the liquor is to be removed and is to be at the risk of the corps taking it. Where more than one regiment is located the duty of examination will be performed by a station committee, a sub-committee from each regiment being present.

12. At stations where regiments or detachments have not sufficient Canteen accommodation to receive the quantity required for a month's consumption, the issue will be made from time to time as the supply in stock becomes exhausted. But in such cases Commanding Officers will indent on the Commissariat only to the extent of the accommodation available in the respective Canteens, to which the liquor will be at once removed.

13. Whenever malt liquor in Commissariat Stores is rejected by Committees, it is to be retained by the Commissariat Department, instead of being destroyed, but that department has no concern with malt liquor that may go bad in Canteens.

14. The Captain and Subaltern of the Day or Orderly Officer will visit the Canteen within the hours of its being open, and will mention their having done so in their reports.

15. In cases where the maintenance of a Canteen is impracticable, the Commissariat Department will arrange for the issue of malt liquor (malt liquor is not allowed on the march), and rum to the troops, which will be paid for at the time of issue, at the same rates as is paid by the men in the Canteen, and drank on the spot. The quantity of liquor for the day will be retailed by the Commissariat Agent, in presence of some responsible person to be deputed by the Commanding Officer, who will also fix the hours at which it is to be drawn. The Commissariat Department will provide the requisite establishment and accommodation in the immediate vicinity of the men's quarters, so as to admit of the issue being made without risk from exposure.

Commanding Officers are enjoined to exercise every possible care and precaution to prevent surreptitious sales of liquor on these occasions, reporting promptly to the Commissary-General any instances in which the Commissariat Agent accompanying the troops, or his subordinate, may have been detected in selling liquor clandestinely or unauthorizedly, so as to secure early punishment of the offence, and prevent as far as practicable its recurrence. Commanding Officers will sign the daily Register of Retail Issues kept by the Commissariat Agent.

16. In detachments, composed of parties from several corps, where a Canteen has been established, the Canteen Accounts of details of invalids and time-expired men are to be rendered to the Officer Commanding the dépôt at the port of embarkation, those of recruits and volunteers to the Brigade Major or Station Staff Officer of the station where the parties finally break up, and those of convalescents to the Depot Commandant when proceeding to the Hills, or to the Brigade Major of the station where the party finally breaks up, returning from the hills. Those officers are to pass receipts in duplicate for the balances received, one copy to be handed to the Officer Commanding the detachments for his own protection, and the other forwarded to the Division or District Staff Officer, together with the Canteen accounts for the time the parties have been in progress, with a statement showing how the balance has been, or is to be, disposed of. In the disposal of these Canteen balances, when parties are proceeding towards a dépôt, the balance will be made over to the Depot Canteen, and when proceeding to join regiments, the balance will be divided in shares proportionate to the strength of each regimental party, and made over to the respective Canteens.

17. On the line of march Canteens carry two sets of rum measures, viz., old wine measure and 24 per cent. measure. The rum will be issued by the Commissariat at 10 per cent. below proof strength when taken *on the march*, and should be drawn from the cask by the old wine measure and poured into the 24 per cent. measure, which latter will then be filled up with water. A sealed bottle as a muster of the whole of the rum despatched for the use of troops on the march should be handed over to the Officer Commanding, and a receipt taken by the Commissariat Officer issuing the rum.

18. Commanding Officers of regiments and detachments under orders to march are to give previous intimation to the Commissariat Detachment of the quantity of rum that will be required on the road. The cost of carriage on the march will be borne by the Commissariat Department.

19. First issues of measures are made by the Commissariat Department free of cost as follows:—

<i>For Malt Liquor.</i>	<i>For Rum.</i>
(Imperial measure).	(24 per cent.)
1 Gallon. 1 Half Gallon.	1 Gallon. 1 Half gallon.
1 Quart. 1 Pint.	1 Dram. 1 Half dram.
1 Half pint.	(Old Wine measure) 1 Gallon.

Subsequent renewals or repairs must be charged to the Canteen Fund.

20. On the departure of a Regiment or Battery of Royal Artillery from India, the credit balance of the Canteen Fund, to the extent of Rs. 3,000 can be remitted to England in the same manner as the Savings' Bank balance is transferred.

SECTION II.

EMPLOYMENT OF FUNDS.

21. The Canteen Fund is to be employed for the following purposes:—

I. To defray the expense of the Canteen establishment, also the cost of all Canteen furniture, lighting, crockery, glass, books of account, stationery, printed Forms of Canteen Accounts, skittle pins and balls, and hydrometers.

II. Under the orders of the Commanding Officer (but in no case is the expenditure to exceed for this class collectively the sum of Rs. 200 in any one month in a regiment, or Rs. 100 in an Artillery Command not equivalent to the strength of a Cavalry regiment, or Rs. 50 in a single battery) for—

O. No. 308 of 1868).
- G. Donations to families in aid of expenses incurred by removal from station to station.

- I. The cost of all tattees and punkahs in Canteens and establishments for them.
- K. The entertainment of a Chuprassie to take charge of the Canteen buildings of a Battery of Artillery in certain cases. (See Adjutant-General's Circular, No. 17 of 1866).

- L. The cost of the carriage of seeds for Soldiers' gardens, when there is no garden fund.
- M. The cost of the carriage on the march of Regimental School and Library property, whether supplied by the State, or otherwise.

This does not apply to Government Library books which are not carried about by regiments on the march, but are left at stations for relieving corps.

- N. The carriage of Canteen property on the march.

III.—For any of the above purposes in excess of the restricted sum to be expended in one month or for such other purposes being for the benefit of the soldiers and their families, as upon special application, addressed to the General Officer commanding the Division or District, shall be sanctioned by him; the number and date of the authority to be quoted in the accounts in support of such excess, or such special charge.

Canteen funds are not to be allowed to accumulate beyond Rs 3,000. Any surplus should be devoted to purposes tending to increase the happiness and comfort of the men and their families.

SECTION III.

And in proportion for Royal Artillery and detachment Canteens.

If regimental establishments can be utilized in Canteens, these servants need not be specially entertained.

25. The two duties of Superintendent and Writer may be combined if thought advisable by Commanding Officers.

SECTION IV.

COMMITTEE OF MANAGEMENT.

26. In every Regiment, or Royal Artillery Station Command, the Canteen Fund shall be managed by a Committee, composed of Captain and two Subalterns of not less than two years' standing (under the direction and control of the Commanding Officer), one of the Committee being relieved monthly.

27. In single batteries or detachments, not having a sufficient number of Officers to form a Committee, the Commanding Officer is required to perform the duties himself; but in all cases where the requisite number of officers is available, the Committee is to be established.

28. The Committee of Management is to superintend the whole business of the Canteen ; and a steady Serjeant, to be selected by the Commanding Officer, is to be placed under their orders as Canteen Serjeant.

29. A Monthly Return of every Canteen, prepared agreeably to the forms hereinafter prescribed, made up to the last day of the month to which it relates, and signed by all the members of the Committee, is to be forwarded by

Forms Nos. 3 and 4.

the 5th of the following month, to the General Officer commanding the Division or District in which the corps is serving. The Returns having been collected and inspected by General Officers, they will take the necessary action on any points requiring their notice, more particularly unauthorized expenditure of the funds, and will forward the Returns eventually to the Adjutant-General's Office, at Simla.*

30. The President and Members of the Canteen Committee must see that this account is debited with all disbursements and credited with all receipts, and that all *bona fide* transactions are properly accounted for in the month in which they occur. No sums are to be expended without authority from the proper quarter, which must be quoted opposite each item. Particular attention must be paid that the number of men drinking spirits and malt liquor on Form 4, Monthly Return, is faithfully accurate. The stock of rum remaining on hand is to be valued at Rs. 2 per gallon.

31. At the end of each month the Canteen Committee will examine the Superintendent's account of Daily Issues.* The total amount of cash received from the Superintendent, as shown by the Cash Account,† should correspond with the total amount received for sale of liquor, as shown by the Superintendent's Account of

* Form No. 8.

† Form No. 2.

Daily Issues. When the entries in this statement are compared with the corresponding entries in the other accounts, the President of the Canteen Committee and the Members will then sign the statement at foot.

32. Monthly certificates of the quantity of rum supplied are to be furnished by the Commissariat Department to Commanding Officers, and are to be retained in possession of Canteen Committees as vouchers.

33. It is the especial duty of the Committee to check all those evils which have, at different times, been discovered in Canteens, viz :—

The appropriation of dregs of casks, drippings, and surplus liquor ; also the watering of the liquor, to prevent which its strength should be constantly proved by the Committee with the Hydrometer.

They must see that the numbers returned as drinking spirits and malt liquor daily are correct ; which can be ascertained by an examination of the Markers' rolls, at the end of each month. The grand totals divided by the number of days in the month will give the average required.

They must see that all sums are duly credited to the accounts, and all payments regularly made vouched, and entered, also that the Dryage Allowance is deducted from the total cost of malt liquor on the left hand of the monthly account.

The whole success and regularity of Canteens depend on the watchfulness and attention of the Committee, and the Commanding Officer should be careful to have always one Officer on the Committee of known aptitude for this supervision.

Surplus liquor accrues from the impossibility of measuring out in small quantities a large body of liquor, without some surplussage occurring. It is an ascertained fact that the amount gained by this means ranges from 3 to 5 drams per gallon of rum, and from 1 to 1½ gallons per hogshead of malt liquor.

Drippings are the wastage of rum or malt liquor which falls into the vessel placed for the purpose below the cask or barrel when the contents are drawn off for issue.

A Dryage Allowance is granted to Canteens at the rate of seven drams per hogshead of malt liquor per week, which, if proper care is exercised in watering the outside of the casks should also ensure a profit to the Canteen Fund.

34. The Committee of Management will, with the sanction of the Commanding Officer, give orders to tradesmen for such supplies of extra spirits, wine and beer, (in cask or bottle) as may from time to time be judged necessary ; and will, under his direction, fix, in addition to the prime cost, such a rate of profit as will be sufficient to cover the contingent loss and charges, including carriage and insurance. The Committee will give its particular attention to the quality of these supplies. The arrangement for their issue will be fixed by Commanding Officers ; the only restriction being that they are to be consumed in the Canteen.

These issues will not appear in the Monthly Canteen Accounts, further than in the record of men drinking them as shown at foot of Form 4.

35. The forms of Blocks and Accounts, as per Appendix, are established, and must not be deviated from in any particular, by corps or detachments, except by special authority, to be quoted in every account rendered.

* Madras.

36. Canteen Committees will recollect that the duty entrusted to them is not merely a nominal one. To the illicit sale of spirits in Canteen is attributable much of the drunkenness in those corps where it unfortunately prevails, and a lax supervision by the Committee thus becomes the cause of an increase of that crime. It is, therefore, the imperative duty of Commanding Officers to see that Committees perform their duties with attention and exactitude.

37. A day will be appointed in Regimental Orders, monthly, for the examination of the accounts by the Canteen Committee.

38. On these occasions, stock will be taken by the Committee of all supplies in the Canteen, and the Canteen property and cash balance will be counted over. Proceedings of Board to be forwarded to the Commanding Officer and recorded in the Orderly Room.

39. The Special Quarterly Committee assembled to audit the different regimental accounts, such as Mess, Band, &c., will also examine those of the Canteen, and report to the Commanding Officer in the same way as regarding the other accounts.

40. When a regiment is divided into half Battalions, each half Battalion will render its own accounts through the usual channel to the Divisional and District authorities.

SECTION V.

PRESIDENT OF THE CANTEEN COMMITTEE.

41. The President of the Canteen Committee will be careful to ascertain in examining the accounts, that the outstanding loans have been reduced by any sums received by him on that account during the month.

Form No. 2.

42. The Cash Book will be kept in the custody of the President, in which he will enter daily all receipts and disbursements.

43. The Cash Book will be closed to the first day of the following month by an entry showing the amount of cash remaining in the hands of the President, and forwarded to the Canteen Writer, in order that the accounts of the Canteen Fund may be made up and closed.

44. The President, or a Member of the Committee, will daily lodge in the Canteen treasure chest all Canteen monies received for liquor sold in the Canteen. The Canteen treasure chest will be placed in charge of the guard which protects the Paymaster's chest.

45. On the first day of each month the Canteen President will cause an Acquittance Roll of the Canteen establishment to be made out, and after affixing his signature thereto, will obtain the countersignature of the Commanding Officer to it.

46. All payments to the Canteen establishment will be made by the President personally.

47. He will pay over to the Regimental Paymaster the prime cost of all malt liquor and rum supplied by the Commissariat Department. The Canteen Committee should not retain the Canteen funds till the last day of the month. Whenever the receipts for the sale of malt liquor and spirits in the Canteen treasure chest amount to Rupees 500, that sum should be paid at once to the Regimental Paymaster, and on the last day of the month the balance of the month's receipts on that account.

In like manner when the receipts for the scale of malt liquor and spirits in an Artillery Canteen of a station amount to Rupees 200, that sum is to be paid at once to the Officer Commanding the last arrived battery at the station, as prescribed in G. O., No. 137 of 1866, and the balance of the month's receipts on that account on the last day of the month.

48. Presidents of Canteen Committee may be absolved from such regimental duty as Regimental Boards of Survey, Courts of Inquiry, Courts Martial, when the number of Officers present for duty will admit of it.

49. Presidents will be held responsible for all liquor received from the Commissariat Department, and will themselves sign receipts for the same.

SECTION VI.

SUPERINTENDENT OF CANTEEN ISSUES.

50. The Superintendent of Canteen Issues will keep one of the keys of the Canteen liquor store, and will hand over to the Canteen Serjeant the rum and malt liquor required for each issue. After each issue he will lock up in the Store the Cash Box and the unexpended surplus liquor after having measured it in presence of the Canteen Serjeant and Markers. (See para. 73).

The Canteen store will be fastened by two locks with non-interchangeable keys, one of which will be kept by the Superintendent and the other by the Canteen Serjeant.

51. He will receive from the Wing Markers after each issue their respective Rolls* and, having satisfied himself with their correctness, he will place his initials over the totals of each Company's consumption. (See para. 84).

* Form No.

Form No. 6.

52. He will daily count the money in the cash box received the previous day, and see that it corresponds with the Markers' Return. (See para. 74.)

53. He will pay over to the President of the Canteen Committee the above money, handing in also the Forms 6 and 7.

54. He will keep No. 8 Form in his own handwriting, and fill it in from his own observation, and will note in the Canteen Serjeant's Return* the quantities of liquor issued.
- * Form No. 7.
55. Regimental Serjeant Majors will be eligible for this duty.
56. The appointment will be a permanent one. The holder of it being liable to removal for neglect or misconduct only.

SECTION VII.

CANTEEN SERJEANT.

57. The Canteen Serjeant is responsible to the Committee of Management for the correct performance of his duties, and he is placed immediately under their orders.
58. No perquisite of any kind is allowed to the Canteen Serjeant, or to any other person employed in the Canteen; but all the profit that may accrue from surplus liquor, dregs of rum, drippings of rum and malt liquor, &c., &c., will be carried to the credit of the Canteen Fund.
59. The Canteen Serjeant will be chosen from the Platoon Serjeants, and, as a general rule, each (Serjeant unless rejected for some good reason) should be appointed in turn. No Serjeant should be appointed who has forfeited his claim to the indulgence by carelessness in the performance of duty or other misconduct.
60. He will be held responsible that the Canteen is always kept clean and well ventilated, and that it is regularly lighted from dark until closed for the night, after which no person is to be admitted.
61. He will have charge of, and be responsible to the Committee for, all persons employed in, or are about, the Canteen.
62. He will be responsible for the safe custody of all the Canteen property, and he will take steps to recover the amount of any loss or damage done to it; should he fail to do so, he will himself have to make it good.
63. He will invariably be present in the Canteen during the hours of issue.
64. He will issue no liquor from the Canteen except at the appointed hours.
65. He will be held responsible for the cash box and its contents so long as it is in his charge.
66. He will be responsible that all issues from the Canteen are paid for in ready money, excepting malt liquor for Hospital nurses and men in Hospital. The former is recoverable from the State through the Paymaster, and the latter through the Commissariat Department.
67. Before the issue of rum he will, in presence of the Superintendent of Canteen Issues, and with the assistance of the Native establishment, draw off and measure from one of the large casks in the store a supply of rum, computed to meet the requirements of the men drinking spirits, into a small barrel with a tap (to be made specially for the purposes), which he will place on the Canteen counter at the time of issue. One of the Native establishment will issue from it as the men come up for their liquor. The bung of the barrel is to be secured with an iron plate fastened by a good padlock, and the spigot must also be carefully secured against removal. The Superintendent of Canteen Issues will keep the key of this barrel.

68. The issues of malt liquor should be conducted as far as circumstances will allow on the same principles as the rum.

69. The dregs of rum casks will be drawn off into a vessel, and after having been allowed to settle, the clear liquor will be poured into the next cask broached.

The dregs of malt liquor barrels must on no account be allowed to flow into the issuing tub—the malt should be run off from the barrel through a linen bag or strainer.

70. At the hours of issue the Canteen Serjeant will take the money from the Soldiers who come up to the bar to receive their liquor, and will at once drop it into the proper compartment of the cash box. Right half Battalion moneys in the right, and Left ditto moneys in the left compartment. The Canteen Serjeant is prohibited from giving change to any customer.

71. After each issue the cash box will be locked up in the store by the Superintendent of Issues.

72. The Canteen cash box should be of an oblong form, divided down the centre, and partitioned off into eight compartments, with a slit in the lid over each. One side of the box will represent the 1st, 2nd, 3rd malt and one rum issue.

Each slit should have a sliding bar to close it when the particular issue it represents is not going on.

There will be two locks to the money box with non-interchangeable keys; one key is to be in possession of the Superintendent, the other of the Canteen Serjeant.

73. When the Canteen is closed for the day he will, in presence of the two Canteen Markers and Superintendent of Canteen Issues, see the unexpended malt liquor and rum measured and poured back into the cask of each; he will then see the door of the store securely fastened. (See para. 50.)

74. At such time as may be found advisable by Commanding Officers according to the season of the year, but always before noon of each day, the cash box will be taken out of store and opened in presence of the Superintendent of Issues and the Canteen Serjeant: the money contained in its different compartments will then be counted separately, and compared with the Marker's rolls. (Form 6.) (See para. 62.)

75. Appendix, Form No. 7, showing the total amount of cash received during the day by issues for half Battalions will then be filled in, signed by Canteen Serjeant and Superintendent of Issues, and taken by the latter with the cash to the President or Member of the Canteen Committee.

76. On the day and at the hour appointed in the Station Orders for the assembly of the Committee for the examination of malt liquor, the Canteen Serjeant, accompanied by the Canteen Markers of the day, will attend at the Commissariat Store, to receive the malt liquor for the month's consumption. After it has been surveyed by the Committee, the casks will be placed on carts or other conveyance and taken to the Canteen. The Superintendent of Canteen Issues will open the Canteen and see them placed in the store-room. In the event of the Commissariat not providing carriage for the conveyance of the whole quantity of malt liquor, the barrels remaining behind should be sealed with the Regimental Canteen seal.

77. When rum is required in Canteens, in quarters, the Canteen Serjeant, accompanied by the Markers for the day, will be deputed, and the rum, which should be 10 per cent. under proof, will be tested in their presence, with both the Commissariat and Regimental hydrometers. A sufficient quantity of water will then be added to reduce it to 24 per cent. under London proof.

78. The Canteen Serjeant will be responsible that all empty rum and malt liquor casks, which are the property of Government, are returned to the Commissariat department, and that receipts for the same are handed to the President of the Canteen Committee.

Commissariat officers are required by departmental rule to keep an account of empty casks returned, which is balanced monthly and sent to Canteen Presidents for check as to correctness.

79. The Canteen Serjeant is to be changed on the first of every month.

SECTION VIII.

CANTEEN MARKERS.

80. Two Serjeants, or Corporals, will be present at every issue in the Canteen to assist the Canteen Serjeant, one will mark for the Right, and the other for the Left Half Battalion.

81. During the issue of liquor they will place themselves at the bar of the Canteen and will make an indelible mark in the Roll* against the name of every man who receives his Government allowance.

* Form No. 5.

82. Dinner malt liquor will be drawn in bulk by Orderly Corporals, who will hand in to the Canteen Serjeant a written memo. signed by the senior Serjeant of the Company, stating the number of pints required, and the amount of cash forwarded for the same. The money will be placed by the Canteen Serjeant in the "1st issue" compartment of the cash box. The written memo. will be produced by the Canteen Serjeant when handing over the cash to the Superintendent of Issues.

83. The Markers must take their Rolls daily to the different Companies, in order that the first, or dinner, issue of malt liquor may be duly marked off. At the same time a line will be drawn through the day's issue in the Rolls opposite the names of prisoners, men confined to barracks, men in hospital, convalescents, men absent and boys.

84. After each issue the Rolls as marked off will be totalled and handed over to the Superintendent of Issues for inspection (vide para. 51).

85. After the Canteen is finally closed for the day, Form No. 6 will be filled in from the rolls signed by each marker and handed over to the Superintendent of Issues.

SECTION IX.

CANTEEN WRITER.

86. The Canteen Writer is to keep the Ledger Account of the Canteen Fund.

87. All forms for the use of the Canteen will be kept in charge of the Canteen Writer, who will issue the requisite number of each on the 1st of every month. The Canteen Writer will take care that these Forms are never allowed to run out, and will give timely information to the President of the Committee that a supply is required.

* Form No. 5.

When Rolls for the Canteen* are wanted, he will send the last rolls furnished by each Company to its Color Serjeant for revision previous to giving them to the printer.

88. On the last day of the month the Canteen Writer will prepare, as far as practicable, for the Monthly Committee, "Proceedings of Board," also an inventory of Canteen property which ought to be forthcoming, and an Acquittance Roll of the Canteen establishment.

89. It will be necessary that the Canteen Writer obtain from the President, Canteen Committee, on the 1st of the month the Cash Book kept by him, in order that the entries on account of the past month and other expenditure, as well as receipts on account of the refund of loans, &c., may be taken from it and posted in the Ledger.

90. The Canteen Writer will prepare the Monthly Canteen Account, (according to Forms Nos. 3 and 4) for the preceding month as soon after the 1st instant as possible, together with the proof of correctness of the same; which, after examination and signature by the Committee, must be despatched not later than the 5th to Divisional and District authorities. Copies of these documents will be kept for regimental record.

SECTION X.
CANTEEN RULES.

91. The Canteen will remain open during such hours, between 1 P.M. and First Post, as Commanding Officers of corps may determine; the issues of liquor, however, should be kept distinct; the interval between them being regulated accordingly.

92. The occasions when, and the persons for whom, liquors may under any circumstances be taken from the Canteen are limited to the following:—

- I. For men on guard, malt liquor as provided for in para. 99.
- II. For the Serjeant's Mess, rum and malt liquor as provided for in para. 110.
- III. For the wives of non-commissioned officers and soldiers, malt liquor as provided for in para. 97.
- IV. For the players on the occasion of a cricket match, or any similar amusement, malt liquor only.
- V. For the men's dinners, malt liquor as provided for in paras. 96, 98 and 99.
- VI. For warrant officers, non-commissioned officers and soldiers in detached employ, and pensioners, under paras. 7 and 9.

Cases III and IV are subject to the Rules that the total consumption of the corps shall not exceed one Imperial quart per man per diem. On the occasion of a cricket match, or other similar amusement, one extra pint of malt liquor may be issued to the players, but only under the sanction of the Commanding Officer. Under no other plea can more than one Imperial quart of Government malt liquor per diem be issued to any individual.

93. No man can receive more than one dram of spirits, or one pint of malt liquor, at one issue; $\frac{1}{2}$ pints or $\frac{1}{2}$ drams* may be taken if preferred—care must be taken, however, that the Marker's rolls show distinctly the amount received by each soldier.

94. One Imperial quart of Government malt liquor and one dram of rum is the normal allowance for a soldier per diem.

95. When no malt liquor is procurable, however, the issue is limited to one dram of rum.

96. One pint of malt liquor may be issued to any man drinking it at his dinner hour.

97. Each married soldier will be allowed a pint of malt liquor for his wife, provided the total quantity allowed for the regiment is not thereby succeeded. The soldier desiring to avail himself of this indulgence must give his name to the Orderly Serjeant of the Company to which he belongs before 10 o'clock A. M.

98. No man who is under punishment of "confinement to barracks" will be permitted to enter the Canteen, but a pint of malt liquor may be issued for him should he desire to take it with his dinner. A list of the defaulters furnished by the Serjeant Major will be hung up in the Canteen.

99. Men on guard will not be allowed any spirits, but may be supplied with one pint of malt liquor at their dinner hour, and one pint at the evening issue if they wish it. The non-commissioned officer in command of the guard will be responsible that no man by gift or purchase obtains more than his proper allowance. The malt liquor will be sent to the guard under regimental arrangements.

100. No soldier on guard or picket will be allowed to enter the Canteen except when ordered there on duty.

101. No soldier will be allowed to receive another man's ration, nor are two soldiers to be served at one time by pouring a double ration into any vessel for them.

102. Boys enlisted for the Band may have one pint of malt liquor per diem only, but no rum.

103. Any soldier detected trying to obtain a second ration of liquor at any issue, or giving his own ration to another soldier, should be at once made a prisoner.

104. Each man on going up to the bar of the Canteen must call out; 1st, the letter of his Company; 2nd, his Canteen number; and 3rd, his name—thus, letter G Company—32—John Allen. Care must be taken not to confound the Canteen with the Regimental number.

105. Any soldier who by accident breaks or injures any article of Canteen property will have to pay for the same according to the value at which the damage is estimated by the Canteen Committee. Should the soldier consider the estimate excessive he may appeal to the Commanding Officer.

106. Any soldier who wilfully or designedly destroys or injures any part of the Canteen property will be brought before the Commanding Officer for the same, who in addition to stoppage may award such punishment as the case may demand. In this and the preceding case a soldier has the option of appealing to a Court Martial.

107. Soldiers must not be allowed to enter the Canteen unless properly dressed in accordance with Regimental Standing Orders.

108. Any soldier who is noisy or riotous, or who is annoying those who are taking their liquor in the Canteen, must be turned out by the non-commissioned officers on duty; should he hesitate to go when ordered, he must be at once confined in the Guard Room.

109. Cards and dice are not allowed, and gambling of every description is positively forbidden in the Canteen.

110. Members of the Serjeants' Mess are not to drink in the Canteen. Malt liquor and spirits may be issued in bulk to the Serjeants' Mess, according to the number of its members actually drinking the same. Any balance remaining from one month's supply must be carried forward to the credit of the next month. The liquor will be issued on a requisition signed by the caterer and countersigned by the Adjutant.

* Every facility should be given to men who may wish to restrict themselves to the smaller measure.

111. There is, if possible, to be a separate room in the Canteen for the Corporals, distinct from that occupied by the Privates.

112. All casks in Canteen should be kept regularly watered during the hot weather months, to prevent leakage and evaporation.

113. Canteens are always to be provided with the best filtered water kept in porous jars, as well as with a good supply of soda-water and lemonade, to enable any man to dilute his allowance of rum with either of them. The water vessels will be outside the bar and not within it. One of the waiters should be in attendance to serve out to the men.

114. A list of the prices of all liquors supplied from the Canteen and the Rules contained in this section are to be hung up in a conspicuous part of the Canteen. They should bear the countersignature of the Commanding Officer.

SECTION XI.

CANTEEN PROPERTY.

115. Whenever a European regiment is ordered, in the usual course of relief, to quit a station, the Commanding Officer will apply to the General of Division, or Officer acting in this capacity for a Committee of valuation upon any Canteen property, which must necessarily be disposed of, such as tables, forms, fittings, and lamps, which are not Government property.

116. When practicable, the President should be named by the officer appointing the Committee, and the Members in an equal proportion by the Commanding Officers of the relieved and relieving regiments.

117. The proceedings will be prepared in triplicate, and so forwarded through the Divisional authorities for the confirmation of the Commander-in-Chief to the Quartermaster General. One copy will be retained in the Office of the Quartermaster General, and one returned to each of the Regiments concerned. The relieving regiment will be put in possession of the valued property and will pay from its Canteen Fund the amount awarded by the Committee.

118. On the occasion of any regiment or detachment quitting Cantonments, the Commissariat will on application, transfer to other corps, casks that have not been opened or broached.

This form is prepared as follows:—To the Cash in hand on the 1st of the month, add the original value of the Stock in hand, also all profits on sales and by surplus; and other receipts except for Commissariat liquors. Dryage, allowed by the Commissariat is also to be entered although not a cash transaction.

Deduct all sums paid except for Commissariat liquors.

The Balance remaining agree with the final balance of within accounts, and is the Cash in hand and value of Stock remaining on the last day of the month.

It will be observed that whereas 350 gallons of Rum only was drawn from the Commissariat in January 372 $\frac{1}{5}$ gallons was sold by the monthly account; the difference is the surplus liquor gained to the Fund. In the sale of malt liquor a surplusage has also been gained.

This Return or Account should be kept by the Superintendent of the Canteen and not by the Markers, the Canteen Serjeant or the Writer; if it is entrusted to the daily Markers there will be no means of fixing the responsibility for errors discovered at the end of the month; indeed, the working of the whole Canteen system depends upon the ability and integrity of the Non-Commissioned Officer selected for this duty.

The Superintendent will take Forms No. 6 and 8, with the cash from box every day to the President or Member of Canteen Committee, who will sign to the correctness of the account in the column set apart for that purpose in Form 8.
