RULES FOR THE REGULATION OF LEAVE OF ABSENCE TO THE JUDGES OF HER MAJESTY'S HIGH COURTS OF JUDICATURE IN INDIA.

DEFINITIONS.

1. In the following Rules, "Actual Service" includes the period during which a Judge is carrying on his duties in a High Court, also periods spent on Privilege and Subsidiary Leave, and periods of vacation during which the Judge is not on furlough, or "Extraordinary Leave". "Extraordinary Leave" means any leave granted otherwise than under these Rules.

CHAPTER I.

FURLOUGH.

2. One year's furlough shall be placed to the credit of each Judge after the completion of every four years of actual service.

together with 75 per cent. of the pay of a substantive appointment in which he shall officiate. Provided that the total salary so drawn by him shall not exceed the pay of the appointment in which he is officiating. This rule shall apply to any officer who may have already returned from furlough.

Rules regarding Acting Allowance.

1. An officer holding a substantive appointment, and officiating in an appointment of a higher grade or class, shall draw acting allowance calculated at 10 per cent. on the first Rs. 2,000, and 25 per cent. on the remainder of the pay of the appointment in which he is officiating.

Provided that, if the acting allowance so calculated do not amount to two-thirds of the difference between the pay of the two appointments, it shall be raised to two-thirds.

Provided further, that in no case shall the whole salary so drawn exceed the pay of the appointment in which the officer is officiating.

2. An officer holding no substantive, but only an officiating appointment, shall, subject to the provisions in Rule 1, draw, in addition to the subsistence allowance of his rank, 50 per cent. of the pay of the appointment in which he is officiating.

3. In the case of an officer officiating in an appointment the pay of which is progressive, his acting allowances shall be calculated on the mean pay of the said appointment, provided that the whole salary so drawn shall not exceed the minimum pay of the said appointment.

3. Except under Rules 6. and 7, no furlough shall be granted until as credit under Rule 2.

Provided that any Judge who may have been already in the service of the Government at the time of taking office in the High Court, and who was at that time entitled, under the Rules applicable to the branch of the service to which he belonged, to furlough without medical certificate, may be granted furlough for a term not exceeding that to which he was so entitled, upon the condition that such furlough shall not be taken until the completion of two years' actual service in the High Court, and shall not exceed one year.

4. Except under Rule 7, furlough shall not be repeated until after the completion

of three years' actual service from the date of the last return from furlough or extraordinary leave.

5. The maximum term of furlough to be taken at any one time shall be fifteen months.

6. Under medical certificate, furlough may be granted before it is at credit, under Rule 2.

7. On urgent private affairs, furlough may be granted before it is at credit, under Rule 2, and although three years of actual service have not been completed since the last return from furlough or extraordinary leave. Provided that furlough under this section shall not exceed six months, and shall be granted only once during the whole period of a Judge's service in the High Court.

8. The aggregate amount of all furlough which can be granted to a Judge during the whole period of his service in the High Court shall not exceed two years and a half.

In the event of the furlough being taken partly in India and partly out of India, the commencement and termination of the furlough shall be respectively determined by the above Rules, according as the furlough begins or ends in or out of India.

10. For the interval elapsing between the date of quitting his office and the commencement of furlough out of India, and between the termination of furlough out of India and resuming his office, a Judge may be allowed subsidiary leave, not ordinarily exceeding thirty days, which in special cases may be extended.

11. A Judge, when on furlough or subsidiary leave, shall receive allowances at the rate of Rs. 553. 4. 4. per mensem, or £1,000 per annum.

12. Except under medical certificate, the number of furloughs to be granted at any one time, and the grant of furloughs to individual Judges, shall be subject to, and limited by, the exigencies of the service, which exigencies shall be determined exclusively by the authority granting the furlough.

13. If, owing to the exigencies of the service, it may be necessary to place an limit on the number of Judges who may be absent on furlough at the same time, applications not supported by a certificate will be granted in the following order—

The Judge to whose credit the amount of furlough remains shall have the preference. If two or more applicants

equality in this respect, the preference shall be given to the applicant whose actual service in a High Court is longest, reckoning in the case of a Judge who has not taken furlough or extraordinary leave from the date of his commencement of service in the High Court, and in the case of a Judge who has taken furlough or extraordinary leave from the date of his last return from such furlough or leave.

If two or more applicants are equal in both respects, the preference shall be given to the senior in the Court.

CHAPTER II.

PRIVILEGE LEAVE.

14. Subject to the exigencies of the service, a Judge who has completed eleven months' continuous duty, inclusive of vacations, may, if the Government be satisfied that there is an urgent necessity, but not otherwise, be granted privilege leave for one month without deduction from his salary or acting allowances.

15. In the same manner, and under the same conditions, an additional month of privilege leave shall be held to accrue to a Judge after each further period of eleven months' continuous duty.

16. Privilege leave shall not be taken in instalments, but any balance of privilege leave that may not have been taken shall be added to the next privilege leave which may accrue. Provided that the whole privilege leave taken at any one time shall not exceed three months, accumulation of privilege that period shall be forfeit.

service for pension. The period of vice at present qualifying for pension a High Court Judge shall be diminished by six months for full pension, and by three months for half pension.

23. Each Judge at present standing appointed to a High Court shall, on the first occasion of his taking leave, be given the option of accepting these Rules or abiding by those at present in force for Judges of the High Courts of Judicature.

24. If a Judge, who is a Covenanted Civil Servant, shall be permitted to resign his office and remain in the service, all leave which he may have taken as a Judge of the High Court shall be reckoned as if it had been taken under the Rules for the leave of absence of Covenanted Civil Servants.

The above Rules are, with the sanction of His Grace the Secretary of State for India in Council, hereby declared applicable, with the modifications below stated, to the following Officers:—

Barrister Judges of the Chief Court of the Punjab;
Recorders in Burma;
First Judges of Small Cause Courts at the Presidency Towns;
Secretary to the Council of the Governor General for making Laws and Regulations.

Modifications above indicated.

1. To the allowances of these Officers, furlough or subsidiary leave, half their salaries, and as to the rate prescribed

to Rule 22, the pensioners are entitled after nine years' service; and the like manner vice shall be

so published.

1869, and published at page No. 917 of the "Gazette of India" of 1st May, 1869, on the subject of privilege leave, is applicable to Judges of Her Majesty's High Courts of Judicature, the Governor General in Council observes that privilege leave to these and certain other officers, under the Rules recently prescribed, differs from ordinary privilege leave, in that no Judge of a High Court is held entitled to such leave, unless Government be satisfied that there is an urgent necessity for it. Leave under Chapter II. of the Rules in question is therefore rather in the nature of short leave on urgent private affairs, while vacation takes the place of privilege leave.

On these considerations, His Excellency in Council is pleased to declare that the Resolution above quoted shall not be held to apply to Judges of Her Majesty's High Courts of Judicature, or to the other Officers to whom the Rules governing the leave of those Judges have been declared applicable.

NOTIFICATION NO. 2,485.

With reference to the Notification of this Department, No. 3,670, dated the 21st instant, published at page 255 of the "Gazette of India," the Governor General in Council is pleased to explain that the Resolution No. 101, dated 24th April, 1869, shall not be held to apply to any High Court Judges or other Judicial Officers to whom the new Rules governing the leave of High Court Judges have been declared applicable, even though, under Rule 23 of those Rules, he may elect to abide by former Rules. Whatever Rules any of these Officers may elect, privilege leave will not be granted to him except on urgent necessity being shown, since all of them have equally the benefit of vacation.

His Excellency in Council is further pleased to declare that the only exception will be the Secretary to the Council of the Governor General for making Laws and Regulations, since this Officer does not enjoy vacations. He will therefore be exempted from showing urgent necessity for privilege leave, but the Resolution No. 101, dated 24th April, 1869, will be applicable to him.

The term of residence qualifying for pension shall be, in the case of Chaplains appointed before the 11th January, 1854, fifteen years; and in the case of Chaplains appointed on or after that date, seventeen years, but no leave, except privilege leave and subsidiary leave, shall count as residence.

26. The term of service qualifying for pension shall be, in the case of Chaplains appointed before the 11th January, 1854, eighteen years, and in the case of Chaplains appointed on or after that date, twenty years. Leave of absence in India taken prior to the 25th August, 1864 shall count as service for pension, and shall not be reckoned as furlough under these rules.

MILITARY FURLOUGH REGULATIONS.

Officers coming to England on furlough are required immediately to report their arrival by letter, with their address, forwarding at the same time the certificates they received in India.

The period of furlough is three years, reckoning from its date to the day of the return of the officer to his presidency.

Officers are required to join the establishment to which they belong at the expiration of the three years' furlough, unless they shall have obtained an extension of leave, six months before the expiration of that period. No furlough will be extended, except in cases of sickness, certified in the manner hereafter mentioned; or in cases in which it shall be proved that a further residence in Europe is indispensably necessary.

All officers finding it necessary to solicit a further leave of absence on account of sickness, must, if resident in London or its vicinity, appear before the Medical Board appointed for that purpose, who will report their opinion on the state of such officer's health. And if resident in the country in any part of the United Kingdom, they must transmit with their letter of application for such leave, a certificate according to the following form, signed by at least two gentlemen eminent in the medical profession, viz.:

I hereby certify, that I have carefully examined (state the nature of the case, as well as the name of the patient), and I declare, upon my honour, that, according to the best of my judgment and belief, it is absolutely necessary, for the recovery of his health, that he should remain at least longer in this country.

Also, previously to such extension of furlough being granted, such further proof shall be adduced by personal examination, or by such other evidence as shall be deemed satisfactory.

Officers abroad in any part of Europe, applying to remain a further time from their duty on account of sickness, are to furnish

a certificate of two eminent physicians, in the above form, with the attestation of a magistrate, that the persons who signed the certificate are physicians.

Officers having obtained an extension of furlough to a given period, must at its expiration apply for permission either to return to their duty or to reside a further time in England.

In every case in which an officer has had his furlough extended beyond the prescribed period on the ground of his health not being sufficiently restored, and shall apply for permission to return to his duty, he shall produce a certificate from the examining physician that his health is completely re-established, and that there is every probability of his being able to perform the active duties of his profession in India.

No officer who has failed to obtain an extension of furlough will be considered eligible to return to the service after five years' absence, under the Act of 23 Geo. III. cap. 52, sec. 72.

Every officer upon leaving India will receive a printed copy of the General Order on this subject, published agreeably to the instruction of the Secretary of State for India in Council, and the plea of ignorance of the regulations will not be admitted as any justification of the breach of them; officers, therefore, who shall come home on furlough, and who shall not in due time apply, so as to effect their return to the Presidency to which they belong at the period of three years from the moment of their furlough, will subject themselves to the loss of the service, and shall be permitted to remain in Europe.

No officer on furlough for more than two years the period of his quarters, excepting of general officers; to draw the pay the above per

granted, as at present, on production of medical certificates, for further periods not exceeding eighteen months in the whole.

13. An officer holding a staff or other detached appointment, will be allowed to be absent on sick certificate in England, or elsewhere beyond sea, for a period of twenty months, without loss of his appointment; and, during the first six months only of such absence, he will be entitled to draw half the staff salary of his appointment, the officer officiating for him drawing the remaining half salary during the first six months, and the whole salary during the remainder of the time.

FURLONGHS ON PRIVATE AFFAIRS.

6. Every officer will be allowed a furlough to Europe, or elsewhere beyond sea, for a period of two years at the expiration of ten years' service, and for a second period of two years after twenty years' service in India.

7. The second furlough of two years will only be granted after ten years' service in India, from the date of the return to duty after the first furlough of two years. These furloughs are not to be cumulative, under any circumstances, but are limited to two years. Officers who have taken leave of absence on sick certificate to Europe, or elsewhere beyond sea, will be ineligible to a furlough on private affairs until they have served six years from their last return to duty. This rule does not apply to short leaves to sea.

Officers who take their first furlough after twenty years' service in India, may take their second furlough after an additional service of five years from the date of their first return to duty. (G.O. 16 June, 1856.)

8. All grants of foreign travel, except on private affairs, are subject to the exigencies of the public service, and to the regulations framed for the preservation of the efficiency of each regiment by limiting the number of absences.

9. Officers holding staff or other detached appointments, may be allowed furlough for a period of six months without losing their appointments; but, during that period, they will not be entitled to any portion of their staff salary, which will be drawn in full by the officers officiating for them.

the officers officiating for them.
Absence for six months under this rule
does not preclude an officer from taking his
furlough to Europe after ten years' service.
(G.O. 16 June, 1856.)

10. All officers, whether staff or regimental while on furlough on private affairs will be entitled to "Furlough Pay" only.

LEAVE OF ABSENCE ON SICK CERTIFICATE

11. Leave of absence on sick certificate will be granted for a term not exceeding eighteen months, whether it be for service in Europe, or elsewhere out of the United States.

fresh-leave is no sick certificate, when an officer has been three years, or, on private affairs, not less than five years, in the discharge of the duties of his appointment, from the date of last return to it.

21. This rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs, in India, or for brief periods to Europe, the Mauritius, or other places out of India.

22. Officers commanding troops of Horse, Infantry and Light Field Batteries, and others generally in employment, will be allowed leave out of India under the same regulations as to allowances and tenure of office, and the grant of such officers under this rule, except as to the duration of their leave, shall be subject to the provisions of the regulations.

OF FURLOUGH AND ADVANCES OF PAY.

23. The period of furlough on private affairs, or on sick certificate, shall be calculated from the date of the departure of the officer from the ship in which he is employed.

24. Advances of pay and allowances, and leave of absence, to officers proceeding on sick certificate, who are to be made in India, will be made in advance of their departure, and the amount of such advances will be repaid on their return to India, and the rate of such advances will be calculated on the basis of the rates of pay and allowances in force at the time of their departure.

OFFICERS OF H.M.'S SERVICE.

27. Officers of Her Majesty's service in India, whether employed regimentally or in staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

28. In the case of officers of Her Majesty's service on furlough or sick certificate, in England or elsewhere, who may retire or exchange into regiments not on the Indian establishment, the grant to these officers of Indian allowances will cease from the date of their retirement or exchange, if it takes place before the expiration of six months from the date of quitting India.

PERIODS OF ABSENCE ALLOWED TO BE COUNTED AS SERVICE FOR RETIRING PENSIONS.

29. In order that all officers quitting India on furlough or sick certificate may be placed on an exact equality as regards loss of time, the period allowed by regulation for proceeding to the presidency, or to the nearest port of embarkation, as well as the time to enable officers to rejoin their corps or station after their return to India, will be considered as time counting for service for the retiring pension.

30. No furlough or leave of absence, as announced in General Orders, exceeding ten years in twenty years' aggregate service, fifteen years in twenty-five years' service, and twenty years in thirty years' service, shall be allowed to count as service for the retiring pension; and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, or out of India, or whether the leave be on sick certificate or on private affairs.

31. In the term "Leave of Absence as announced in General Orders," is to be included all leave of absence, except the period allowed in Rule 19, and the ordinary indulgence of one month's leave in six months, as authorized by the existing regulations, and which are, in all cases, whether of regimental or staff officers, to be allowed to count as service for the pension. All leave to a greater extent, granted by political and other authorities, which may not hitherto have been published in General Orders, must be so announced hereafter.

32. Officers to be entitled to retire on the full pay of their regimental rank (under regulations of 1796), must have served two years in India, out of which one year must be in the aggregate, and not more, will be allowed to count as service for the retiring pension.

33. Officers to be entitled to retire on the half pay of their regimental rank (under regulations of 1855-57) must have served

twenty and twenty-four years respectively; out of which time leaves of absence for two years in the aggregate, and not more, will be allowed to count as service.

34. Officers to be entitled to retire as Lieutenant-colonels must have served twenty-eight years; out of which leaves of absence for three years in the aggregate, and not more, will be allowed to count as service.

35. Officers to be entitled to retire as colonels must have served thirty-two years; out of which leaves of absence for four years in the aggregate, and not more, will be allowed to count as service.

36. The scale for medical officers and veterinary surgeons of privileged furlough and leave of absence as counting for the retiring pension, will be as follows:—

1	8	in 17 & under 20 yrs. service
2	0	in 20 " 25 "
3	0	in 25 " 30 "
4	0	in 30 and upwards "

37. It is to be distinctly understood, that under no circumstances whatever will an officer be permitted to retire on full pay until he has completed the full time of service above specified, whether he be in England at the close of his service or elsewhere.

38. The privileged time of absence may, with the permission of the local government, be taken at any time, subject to these regulations. If, therefore, at the end of twenty years' service, of which children had been passed on actual duty in India, an officer should be on furlough or sick certificate in Europe or elsewhere, he will be entitled to retire on the full pay of a captain without returning to India, and so in the other terms of service for the higher pensions. In like manner, a medical officer on furlough or sick certificate, in Europe or elsewhere, at the end of seventeen years' service, fifteen years and four months of which have been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pension.

39. These rules do not in any way affect the existing regulations regarding the grant of leave in India, or for short periods at sea, whether on private affairs or on sick certificate, except as to the period of such absence being taken into calculation in the time allowed to count for service for retirement on full pay.

INDIAN MILITARY FURLOUGH RULES.—JULY 1, 1860.

The Right Honourable the Secretary of State for India having, with certain modifications, approved generally of the Rules relative to the absence on leave of Military Officers, published in Government General Order No 618, dated 19th June, 1860, the following revised rules are published in substitution of those contained in the order above referred to.

These rules will be applicable to all officers who may elect to accept them belonging to the several Indian Staff Corps or to the Indian Army, and in regard to the period of leave of absence during which appointments may be held, and in regard to the increased allowances, they will also be applicable to officers of the Royal Artillery and Royal Engineers, late of the Indian Army, holding permanent staff appointments not of a regimental nature.

To obviate confusion or misconception as to the rules referred to, those previously in existence and those now sanctioned will be severally designated as the "Furlough Rules of 1796 of 1854, or of 1860."

The term "Furlough Pay" having now a changed and twofold significance, in all

future orders and references "Furlough Pay" will be understood as the half Indian salary within the prescribed limits, specified in paragraph 2 of these rules, converted at the exchange of two shillings for the rupee, while "English Furlough Pay" will represent the rate heretofore allowed to the several grades of English pay under the Rules of 1796 and 1854.

1. The distinction with respect to allowances heretofore drawn between furlough on private affairs and sick leave is abolished, both kinds of leave being included under the general term *furlough*, provision, however, being made for the determination of furlough under medical certificate, without all the restrictions applicable to furlough when taken without medical certificate.

2. Leave taken under the rules now prescribed will not involve forfeiture of appointment, except in the cases herein specially provided for.

3. The rules now prescribed do not affect the provisions of Act XXXIII. of George III., Chapter 52, Section 79; but an absentee cannot retain his appointment and draw absentee allowances, except under the

rules now prescribed. Nor do they affect the regulations by which general officers commanding divisions and brigades can only obtain limited periods of leave without forfeiting their commands.

4. Leave of absence will, in future, be of three kinds, viz:—

1. Furlough in or out of India.
2. General leave on private affairs or sick certificate in India or short leave to sea.
3. Privilege leave.

CHAPTER I.

FURLOUGH.

5. An officer drawing staff pay in addition to pay of rank, proceeding on furlough, will be allowed pay at the rate of 50 per cent. of the salary of his substantive office. But an officer on civil employ, and drawing consolidated salary, will be allowed 50 per cent. of the average salary drawn by him for three years prior to his proceeding on furlough. No absentee

in either case, draw more than 1,000l. as than 250l. per annum. The term "salary" will signify the total amount drawn by an officer, whether as consul-

dated pay or staff allowances in addition to pay, but will not include any extra or special allowances. It is to be clearly understood that an officer absent on furlough, who may be transferred to another office during his absence, shall be entitled, for the entire period of his furlough, to pay at the rate sanctioned to him when leaving India, provided that an officer whose term of office shall lapse during his furlough shall cease to draw his half staff salary from the date of such lapse. An officer will also be entitled to the benefit of his promotion to a higher staff corps or regimental rank whilst on furlough, subject to the maximum limit.

Officers not in staff employ will receive half the Indian pay of their rank, provided that in no case will an officer be entitled to furlough receive less than the above minimum of 250l. per annum.

NOTE.—Officers who may be entitled to income allowance from the Military Fund during absence in Europe, will draw their half salary or minimum absentee allowance under the foregoing clause, subject to a deduction equivalent to the amount of such income allowance.

6. All grants of furlough on private affairs are subject to the exigencies of the public service, of which exigency the Government is to be exclusively the judge, and to any regulations that may be found necessary for limiting the number of absentees.

7. The maximum amount of furlough on private affairs to be taken at any one time, carrying pay and retention of appointment, will be two years.

8. A period of at least three years' service after return from last furlough, except furlough under Rule 11, must be completed before furlough can again be taken, unless obtained under medical certificate. (See Rules 12 and 14.)

9. An officer will be eligible for two years' furlough on the completion of eight years' actual service in India, for a third year after a further period of six years' actual service, and for a fourth and fifth year after similar intervals of six years. The grant of furlough to an officer eligible for it will be subject only to the conditions specified in Rules 6 and 7. The fact of having taken furlough on medical certificate will not affect the grant of these furloughs, except as to the conditions laid down in Rules 8, 12, and 16.

10. An officer eligible for furlough need not take the whole amount to which his service entitles him, but may apply for any portion thereof as an instalment; and in that case the balance will remain at his credit in any future computation of the amount of furlough to which he may be entitled.

ILLUSTRATIONS.

(1) An officer who has served nine years in India is entitled to two years' furlough. He takes only one year, and after his return remains in India for five years. He is then eligible for two years' furlough, as follows:—

	Years.
Total service in India	14
Furlough due on that service	3
Furlough already taken	1
Balance for which he is eligible	2

(2) An officer who has served 23 years in India without taking furlough is entitled to four years' furlough. He can only take, however, two years at one time carrying pay, the balance remaining at his credit in any future computation of furlough to which he may be entitled. He can take that balance after completing three years' service from the date of his return from the first instalment.

11. Furlough on urgent private affairs for six months, with pay equivalent to the British regimental pay of his rank, may be granted, when the officer is not eligible for ordinary furlough. The said period may form part of the periods of either eight or six years referred to in Rule 9.

12. Subject to State considerations, there will be no restriction as to the places to which an officer may resort during furlough.

13. Absence on medical certificate for a longer period than two years at one time, or departure on such furlough within three years of the date of return from a previous furlough, except furlough under Rule 11, will involve forfeiture of the appointment. Such furlough may, however, be extended to a third year on English furlough pay.

In the event of an officer not being able to return to his duty after an absence of three years, it will rest with the Right Honourable the Secretary of State for India in Council to order him to appear before a medical board, with a view to placing him on the Retired List, if entitled to pension, or on the Half-pay List.

Should the circumstances of the case warrant a further extension of leave, it can only be granted without pay.

14. An officer not entitled to furlough, whose health may necessitate his taking it within three years from the date of last return may, under the usual medical certificate, obtain such amount as may be duly certified to be necessary for the restoration of his health, but will only receive English furlough pay, and must vacate any appointment he may be holding.

15. An officer entitled to furlough, whose health may necessitate his absence from India, will be compelled to take leave as furlough, under Rule 9, but without forfeiting any passage-money to which he may be entitled under Military Fund Rules, or if a Subaltern, by Regulation when proceeding on medical certificate. Any extension of this furlough beyond the period to which he may be entitled under Rule 9, will be regarded in all respects as furlough on medical certificate. Such extension will not be allowed to take effect until the officer shall have exhausted the entire amount of his available furlough on private affairs. If the aggregate of two years' leave is exceeded, the officer will after that date come under the provisions of Rule 14.

16. The aggregate amount of furlough with pay and retention of appointment, whether on private affairs or on medical certificate, that may be granted to an officer during his service, will be limited to eight years.

17. If taken in India, furlough will be reckoned from the date of his absence, quitting his station to the date of his return; if taken out of India, from the date of the sailing of the vessel in which he may have embarked to the date of his disembarkation in India.

18. Preparatory leave to embark for Europe or elsewhere on furlough will be granted for any period not exceeding thirty days. Leave so granted, to enable him to rejoin on furlough, will be granted from the date of his disembarkation in India.

19. Furlough allowances shall be paid monthly if payment is taken in quarterly instalments. 20. Advances of furlough pay time to be made in India to those who desire to for three months of embarkation. Payments so made will be made in England on the 1st of six months from that date.

21. The last pay certificate issued to an officer who may be granted furlough on private affairs or on medical certificate, will specify the rate of staff salary of his last substantive appointment, and the rate to which he is entitled in Europe in virtue of British rank.

22. An officer acting in India if absent will be restricted for the period of such acting to the half salary of the appointment in which he is acting, in addition to the full pay of rank, and the half staff salary of his appointment, if he possess one. The salary granted to an acting officer will, however, in no case be less than 100 per centum.

23. The privilege heretofore granted

Section 70. "And be it further enacted, that if any person who shall have held any civil or military station whatever in India, in the service of the said United Company, being a member of the rank or degree of a member of Council or Commander-in-Chief of the forces, and who, having departed from India, by leave of the Governor-General in Council, shall not return to India within the space of five years next after such departure, shall be entitled to any rank or restoration of office, or be capable of again serving in India, either in the European or native corps of troops or in the service of the Company's service, unless in the case of any civil servant of the Company it shall be proved to the satisfaction of the Court of Directors that such absence was occasioned by sickness or infirmity, or unless such person be permitted to return without pay to India by a vote or resolution passed by way of ballot, by three parts in four of the proprietors assembled in General Court, specially convened for that purpose, whereof eight days' previous notice of the time and purpose of such meeting shall be given in *The London Gazette*, or unless, in the case of any military officer, it shall be proved to the satisfaction of the said Court of Directors, and the Board of Commissioners for the affairs of India, that such absence was occasioned by sickness or infirmity, or some inevitable accident."

25. An officer will be eligible, as at present, to take leave on private affairs or sick certificate in India, for any period not exceeding six months, at the discretion of His Excellency the Commander-in-Chief, or of the Government under which he may be serving. During the entire period of his absence on this account, the officer will be entitled, as at present, to his full pay, and a moiety of his staff salary. Leave taken under this rule will form no part of the eight years' aggregate furlough. If this indulgence could be taken advantage of for a third year consecutively, the officer will lose his staff appointment.

26. Leave on sick certificate for a period exceeding six months, capable of extension, under renewed medical certificate, to a limit of one year, may be granted to any officer who, in the opinion of a medical board, may require it. Leave of this nature, taken after the promulgation of these rules, will be held to constitute a part of the maximum period of eight years' leave of absence to which an officer is entitled in his entire period of service, but will not be regarded as furlough, nor will it affect the intervals entitling to furlough laid down in Rule 9. During this leave the absentee will draw a moiety of his staff salary in addition to the pay of his rank.

CHAPTER II. GENERAL LEAVE ON PRIVATE AFFAIRS AND SICK CERTIFICATE IN INDIA.

27. Short leave, not exceeding three months, on private affairs or sick certificate, may also be taken to sea, on the above condition, but absence from India for any longer period will be treated as furlough.

28. All general leave taken in India counts as part of the leave reckoning against service for pension.

29. Privilege leave may be granted, as at present, for sixty days in each year, to all officers in military employ, without deduction from the salaries and emoluments drawn by them. General leave, in extension of privilege leave, can only be granted on the ground of sickness, or some other serious emergency which could not have been foreseen when the officer proceeded on privilege leave. Privilege leave may, however, be converted into general leave with the sanction of the Commander-in-Chief or the Government.

30. In the case of the stations noted in the margin, privilege leave may, as at

CHAPTER III. PRIVILEGE LEAVE.

31. An officer is at liberty to proceed wherever he may desire on privilege leave, provided he can ensure his return before the expiration of his leave.

32. Privilege leave cannot be taken in continuation of furlough, nor can furlough be obtained in continuation of privilege leave. If furlough be obtained by an officer while absent on privilege leave, the privilege leave will be converted into general leave, the officer for that period sacrificing a moiety of his staff salary.

33. Military officers in civil or political employ taking leave in India come, as respects periods of leave obtainable and amount of pay to be granted, under the Civil Leave Rules. When they take leave out of India, they come under the Military Leave Rules.

MILITARY OFFICERS IN CIVIL EMPLOY.

34. Officers of the Indian military and medical services will be required generally to notify their intention to accept these rules, or to adhere to those now existing, on the first occasion of their taking furlough or general leave after the publication of this order. Such election must be considered final, and under no plea whatever will an officer be subsequently relieved from the choice thus made. Officers who may determine to abide by existing rules will be allowed to proceed on furlough on the conditions laid down in Rules 7, 8, and 13, to the extent to which they may be entitled under the furlough regulations of 1854, and on the rates of pay contemplated in those regulations, but retaining their appointments. The principle laid down in Rule 15 must, however, be applied in many cases.

If an officer under the Furlough Rules of 1796 elects the present rules, his service for pension will be reckoned under the former rules up to 1st July, 1884, and thenceforward under the rules of 1884.

The foregoing rules will take effect from the 1st July, 1884, as respects retention of appointment, and terms under which leave will be granted, but half staff allowances will not be available for officers now on leave in cases where the acting officer has already come into receipt of the full staff salary. Nor can officers who have vacated appointments which have since been permanently filled up have any claim to be restored to them.
