LATEST GENERAL ORDERS AND DESPATCHES

AFFECTING

Retiring and Furlough Regulations of 1796.

1. The rules under which the period of service required to entitle Officers to the retiring Regulations is calculated, are as follow:—

2. Officers appointed *direct*, count service from the date of arrival within the limits of the Madras Presidency, unless specially authorized by the Court of Directors to embark in a Ship bound for another Presidency.

3. Officers appointed from Addiscombe subsequently to the 22nd November 1837 to the Cavalry Artillery, or Infantry, count service as above, with the addition of the period passed at Addiscombe after attaining the age of sixteen.

4. Officers of Engineers count service from the date of arrival of the first Artillery or Infantry Cadet of the same examination, with the addition of the Addiscombe period as above. In the event of there being no such Artillery or Infantry Cadet they count service from the expiration of 4½ months from date of examination.

5. Officers appointed in India, count service from the date on which they take the oath of allegiance.

6. Medical Officers and Veterinary Surgeons count service from the date of arrival within the limits of the Madras Presidency.

7. Absence on sick certificate within the limits of India for periods not exceeding two years, successively, or also leave on private affairs beyond the limits of this Presidency, if for periods not exceeding three successive months, are counted in the time of service requisite to entitle to retiring Pay. Officers however serving in other than their own Presidency, may count as service towards pension leave taken within the limits of the former equally as taken within the latter.—Vide G. O., 10th December 1861, No. 437.

8. But all Officers quitting India on leave of absence on account of sickness or of private affairs, who shall proceed to Europe without having returned to India, shall be considered as on furlough to Europe from the dates on which they shall have respectively left India.

9. Every Officer who has completed twenty-two years' service in India is allowed to retire with the pay of the rank to which he has attained, except Lieutenant Colonels of Artillery and Engineers, who being in the receipt of Major's pay are restricted to pension of latter rank.—G. O. G., 11th October 1862, No. 95.

10. All effective Officers, without reference to their actual rank, are allowed to retire.

After twenty years' service in India, on the pay of Captains.

After twenty-four years' service in India, on the pay of Majors.

After twenty-eight years' service in India, on the pay of Lieutenant Colonels.

And after thirty-two years' service in India, on the pay of Colonels.

G. O. G., 12th October 1866, No. 374, para. 61. (After thirty-five years' service £600 per annum. After thirty-eight years' service £750 per annum.)

11. Officers on producing the prescribed Medical Certificates, countersigned by the Commanding Officer, that they are compelled to quit the service by wounds received in action, or by ill-health contracted on active service, or on detachment or out-post, or any Military duty in notoriously unhealthy localities, after three years' service in India, are permitted to retire on the half pay of their rank.

This indulgence, however, can be granted only in England.—G. O. G., 19th April 1859, No. 153.

12. Officers who may be compelled to quit India on sick certificate and who may not be entitled to retire on full pay are to try the effects of a temperate climate for the usual term of furlough before they can be allowed to establish their claim to retire from the service upon half pay. If Officers so circumstanced, proceed to New South Wales, or some other Colony, and apply thence, at a proper time, for permission to retire, satisfactory evidence from the Medical Staff Officer, or other undoubted Medical testimony on the spot, to prove that the applicant is incapable from ill health to the performance of Military duty in India is necessary.

18. Veterinary Surgeons who have actually served seventeen years in India, or twenty years including a furlough of three years, may retire on 7s. per diem, twenty-five years including a furlough of three years on 8s. per diem, thirty years including a furlough of three years on 12s. per diem. If health do not permit them to continue their service in India, they are permitted to retire after ten years in India, or thirteen years including a furlough of three years on 5s. and 6d. per diem or after six years' actual service in India on 4s. and 6d. per diem.

In lieu of the above scale of retiring pensions, the following rates are authorized :—

Veterinary Surgeons in the service will not be deprived of the benefit of the present Regulations.

After 3 years' service if compelled by wounds received in action or by ill-health contracted on duty in India to retire.....	3s. per diem.
After 6 years' service if from ill-health unable to continue to serve in India.....	3 "
After 10 years' service if do. do. do.	4 "
" 17 do.	6-6 "
" 22 do.	10-6 "
" 27 do.	£ 250 per annum.
" 32 do.	£ 300 do

19. Officers who have completed the prescribed period of service, are allowed to retire either in England or in India.

20. Officers retiring in England when on authorised furlough are allowed the benefit of the rank they held at the expiration of two and a half years from their quitting India.—G. O. G., 3rd May 1861, No. 153

21. Officers retiring in England from the service shall be considered to have retired from the date of their application for leave to retire, or from the expiration of two years and a half from the date of the commencement of their furlough, whichever shall first happen, from which dates respectively promotion caused thereby will be made.—G. O. G., 6th July 1859, No. 298.

Promotions in succession to casualties, by death in England, shall have effect from the date following that of decease, or from the expiration of three years' absence from India, whichever shall happen first.—G. O. G., 9th February 1864, No. 53.

It is to be distinctly understood that no additional expense is to be occasioned by this arrangement.

22. Applications from Officers to retire from the service in India, are to be addressed to the Right Honorable the Governor in Council under the signature of the parties, and to specify the date, which must be a prospective one, from which the applicant wishes his retirement to have effect; and from the date so specified they, in the event of the decision of Government on their case not having been previously received, will, pending such decision, be exempted from the performance of all Military duty. Each application to be transmitted through the ordered channel of correspondence accompanied by a certificate of service from the Adjutant General, and certificate of no demands from the Military Accountant.

G. O. C. C., 15th July 1850, No. 42.

23. The pay accounts of Officers serving in the Tenasserim Provinces, Straits Settlements, &c. applying for permission to retire are to be kept separate; and Officers so situated are not to sign the Abstract of their Troop or Company, but will not on that account be deprived of Command allowance.

24. In the cases contemplated in the preceding para., Officers Commanding Stations will send all Abstracts of previous charges to Madras for audit at the same time the individual's application to retire is forwarded.

25. The rates of full pension and half pay allowed to all Officers, whether of Cavalry, Artillery, Engineers, or Infantry, are as under:—

Good Service Pensions.

His Excellency the Governor General in Council has much satisfaction in publishing the following extracts from a Despatch from the Right Hon'ble the Secretary of State for India, No. 388, dated India Office, London, the 9th December 1864, sanctioning the establishment of good-service pensions in the Indian Army, as rewards for distinguished or meritorious services.

G. O. G.
No. 129, 29th
March 1866.

PARA. 1. I have considered in Council your Military Letter, No. 286, dated 13th August 1864, in which you suggest the establishment of a system of good-service pensions for Officers of the Indian Army, based upon that which has been adopted in Her Majesty's British Service.

2. The proposal of your Government is, that fifty such pensions of £100 per annum be given to the Indian Army, under certain conditions.

7. Her Majesty's Government, therefore, sanction the introduction of a system of good-service pensions in the Indian Army, under the following regulations:—

I. Fifty good-service pensions of £100 per annum will be distributed among the Officers of the several Staff Corps and of Her Majesty's Indian Army at the three Presidencies.

II. Officers of all ranks will be considered eligible for the pensions on the recommendation of the Government of the Presidency to which they belong, supported by that of the Government of India; but, except under very special circumstances, the grant will be restricted to Officers above the rank of Lieutenant.

III. The good-service pension will be given up by an Officer on resignation of the service, or on coming into the receipt of the Colonel's allowance; but an Officer placed on half-pay, or retiring upon full or half-pay pension, will retain the good-service pension in addition to such half-pay or pension.

IV. Ordinarily the good-service pension will be conferred upon Officers of the effective list; but Officers who may have been placed on half-pay, or who may have retired from the service on full or half-pay pension, will also be considered eligible for them.

V. On the nomination of any Officer to a good-service pension being sanctioned by the Secretary of State for India in Council, a Notification to that effect will be published in the "Gazette of India," specifying the Military services of the Officer.

Applications for Leave.

It having been brought to the notice of Government, that instances have recently occurred in which Military and Medical Officers in Civil employ have obtained leave to Europe through the Civil Department, the Governor in Council desires to call the attention of all Officers, to para. 10, Section XVIII of the General Regulations, and to G. O. G. dated 18th August 1854, No. 191, requiring all applications for leave to Europe to be submitted through His Excellency the Commander-in-Chief.

G. O. G.
14th Sept. 1860,
No. 404.

The Right Honorable the Governor in Council is pleased, in supercession of existing rules regarding the production of certificates of "No Demand" by Military Officers when about to proceed on leave beyond Sea, to promulgate the following rules for general observance:—

1. Every Military Officer whether Staff, Regimental, or in Civil employ, on applying for leave beyond Sea, whether to Europe or elsewhere, (leave under G. O. C. C. 2d July 1856, No. 34, excepted) will be required to submit with his application for leave, a report from one of the Officers noted in the margin, according to his Department, stating whether, with reference to the information before him, there is reason to require security as a special case on account of any doubtful items outstanding against the applicant, or because of any thing suspicious or extraordinary in the state of the applicant's accounts.

2. The reporting Officer must not delay his report in ordinary cases, by references to local Officers, as with a proper system of despatch and proper vigilance on his part, he ought, in all ordinary cases, to have the means of judging in his own office.

3. All Officers are reminded of the necessity of using every means in their power for the settlement of their accounts, in order to obviate inconvenience to themselves from any delay in the issue of the reports by the several Departments concerned.

Fort William, 17th July 1860.—No. 755 of 1860.—The following rules will have effect in modification of the existing Regulations on the subject:—

Officers proceeding on leave, on medical certificate, shall not be required to furnish 'No Demand Certificates or Security.

When an Officer in charge of cash or stores applies for leave on medical certificate, he shall be required to furnish a certificate from the Officer taking charge of his duties, that as far as can be ascertained, after careful examination, nothing irregular nor any known demands against him remain unadjusted in his office.

Officers applying for leave beyond Sea, on private affairs, shall be required, as at present, to furnish 'No Demand Certificates.

Officers, on leave, on medical certificate, intending to retire from the service, are to give the earliest intimation thereof to the Military Accountant through the Paymaster, so that the requisite 'No Demand Certificate may be prepared, as no retirement is permitted without such certificate is furnished.

No. 193 of
19th June 1856.

"Should an Officer who is on privilege leave not rejoin his Corps, but be absent in continuation, on not more than five months' leave on private affairs, or one year and eleven months' leave on medical certificate, he will retain his full salary or allowances for the thirty days of privilege leave, which will also count as service, but he will, nevertheless, forfeit all Military allowances on completing six months or two years absence, (as the case may be) reckoned from the date that he quitted his Corps and station."

By Officers Commanding Divisions or Forces.

To the aggregate extent of thirty days in six months between the 1st January and 1st July and vice versa (irrespective of Musters) to go wherever the Officer wishes, the Presidency included, and exclusive of leave granted by Officers Commanding Regiments and Stations.

Para. 4. The leaves of absence authorized by the foregoing paras. may one and all be enjoyed by an Officer during the one and same period of six months, above specified, without any loss of allowances; provided that in every case the Officer rejoins at the expiration of the particular leave obtained that is to say that an Officer cannot be absent at one time for more than three days on Regimental, ten days on Station, or thirty days on Division leave. But it is to be clearly understood that no consolidated salary, command, staff or contract allowance, shall in any instance, be drawn for two Officers for the same period, and that the State be not put to any additional expense thereby; and in the case of Staff and Medical Officers and Veterinary Surgeons, that they make approved arrangements for the performance of their duties during their absence.

Para. 5. The fact of an Officer having very recently returned to his post from general leave does not debar him from the privilege of obtaining leave under paras. 3 and 4.

Para. 6. An Officer unavoidably overstaying the leave granted him under paras. 3 and 4 will not be liable to forfeiture of Command or Staff allowances, except for the actual period in excess of the leave granted him by either of the above authorities. But it is always competent for the superior Station or Divisional authority to grant extension of such leave, on sufficient cause being shown to avoid even this forfeiture. For instance an Officer unavoidably overstaying Regimental leave may have it converted into Station or Division leave, and in like manner Station leave can be changed into Division leave provided always the prescribed aggregate extent of leave which the different authorities are respectively permitted to grant is in no case exceeded. When an Officer, under the above circumstances, exceeds the sixty days allowed in each half year it will rest with the Commander-in-Chief to grant him an extension of leave to prevent forfeiture of pay and allowances for the period he may have overstayed his original leave.

Para. 6½. Should an Officer on leave under paras. 3 and 4 be put on duty by the Commander-in-Chief at a station at a distance from his own, on a date which, with reference to such distance, would admit of his rejoining, by any mode of travelling within the period of his leave, he will be entitled to compensation for loss of allowances for the period of his detention beyond the expiration of his leave, but if put on duty at a time and place from which he could not with reference to distance rejoin within the period of his leave by any mode of travelling, he will not be entitled to compensation for any period of absence from his Regiment.

Para. 7. Officers not in Civil employ are allowed, when the demands of the service will permit temporary leave, without pecuniary loss or loss of service for sixty days consecutively in each year or thirty days consecutively in each half year as may be preferred.—G. O. G., No. 101 of 9th April 1857.

Para. 8. The above rules are applicable to Divisions and Forces, both within and beyond the Frontier.

The existing rule, under which an Officer cannot be absent on privilege leave on the 1st January, is abolished, and all that will be required is, that no Officer be allowed privilege leave for more than sixty days at one time or more than sixty days altogether between the 1st January and 31st December of each year.—Vide G. O. G., No. 170, 5th May 1865.

N. B.—In calculating the above leaves of absence the day of departure from Regiment or Appointment is one of leave and day of return thereto one of duty.

G. O. G. G. No. 91 of 26th January 1860.—The following Notifications, from the Foreign Department, are published in General Orders:—

No. 250, Fort William, the 23rd January 1860.—Notification.—The following Resolution passed by the Hon'ble the President in Council, in the Financial Department, under date the 6th instant, is published for general information:—

RESOLUTION.—The Officiating Civil Auditor, Fort William, enquires, with advertisement to the case of Major Bouverie, Political Agent at Bhutpore, whether, in the case of a Military Officer entering upon Civil employ, his score for privilege leave under the Civil rules must commence from the date of joining his Civil appointment, or whether it must be calculated by the usual reckoning of 11, 22, or 33 months of uninterrupted service, irrespective of the Department (Civil or Military) in which such service may have been rendered.

2. Referring to this question, the President in Council observes that, when it was laid down that two or three months' accumulated privilege leave could be granted, under the Civil rules, to Military Officers in Civil employ, it was intended that such leave should be earned by continuous service of the required number of months in the Civil Department alone.

The following Extract of a letter from the Officiating Secretary to the Government of India, Military Department, to the Secretary to Government, Military Department, Fort St. George, dated 3rd April 1860, No. 62, is published:—

"With reference to your letter No. 616, dated the 10th February last, I am directed to state for the information of the Honorable the Governor in Council, that His Excellency the Governor General is of opinion that the Military Secretariat to Government is certainly a Civil Department and that the Military Secretaryship to the Governor or to the Governor General, is as certainly a Military appointment. Accordingly the Civil rules for privilege leave are alone applicable to the former, and the Military rules exclusively to the latter."

The Governor in Council is pleased to authorize the Principal Inspector General Medical Department, to grant privilege leave to Medical Officers in Civil employ at the Presidency, the same being notified in every case in the Official Gazette. Leave to Medical Officers in Military employ will, however, continue to be granted as heretofore.

The Governor in Council directs that the following rule, contained in G. O. by His Excellency the Commander-in-Chief in India, dated Simla, 12th July 1859, be extended to this Presidency. Leave of absence, preparatory to furlough, whether on private affairs or on sick certificate, must always be general, and not privilege leave.

No. 80.

With reference to G. O. G., No. 53, dated 3d February 1860, the Governor in Council directs that, in future, in accordance with the practice in Bengal, leave of absence preparatory to retiring from the service shall always be general, and not privilege leave.

No. 436.

The following Extracts from a Military letter from the Government of India, No. 930, dated 23rd November 1861, are published for general information:—
"Though an Officer taking privilege leave may proceed wherever he may desire, he cannot proceed to such a distance as must preclude the possibility of his rejoining within the period of such leave. Thus as privilege leave, under Military rules, is limited to sixty days, and it is impossible, under existing arrangements for transit, to visit Europe and return thence within that period, an Officer cannot go to England on privilege leave on Military rules."
"Government alone can grant an Officer leave to visit Europe."

By order of His Excellency the Commander-in-Chief.

W. G. WOODS, Lieut. Col., Adjutant General of the Army.

G. O. G.
12th June 1866,
No. 229.

Under instructions from the Government of India, the Right Honorable the Governor in Council directs the discontinuance from this date of the practice in this Presidency of granting privilege and general leave conjointly; and that in assimilation with the practice in the Bengal and Bombay Presidencies, no extension of leave, whether on private affairs or medical certificate, be granted to an Officer already on privilege leave except when unexpected circumstances render such extension either *very desirable* or *necessary*. In such cases the absentee will not forfeit any of the advantages of his privilege leave.

Furlough Regulations of 1854.

1. All Officers, Staff as well as Regimental, also Military Officers in Civil employ, must declare their choice of rules on the first occasion of taking leave, whether the leave be in India or elsewhere, and if the leave applied for be in India under the local rules. Staff Officers may make choice of the old Regulations, still retaining their Staff appointments, but, after having elected the Old Regulations, they vacate their appointments on embarking for Europe or the Cape or elsewhere beyond Sea, except for short periods not exceeding three months under rule 39. Note.—Applications for leave to have a N. B. to the following effect.

N. B.—"This being the first occasion of applying for leave since the publication of G. O. C. C. 9th December 1854, No. 98, Captain A. B. makes choice of the Old Furlough Regulations," or (of the regulations of 1854,) as the case may be.

N. B.—"Captain A. B., has on a prior occasion made election of the Old Furlough Regulations," or the regulations of 1854 as the case may be.

2. An Officer having made election of the Old Furlough Regulations while doing Regimental duty, cannot change to the Regulations of 1854 on subsequently obtaining a Staff appointment, G. O. C. C. 18th November 1856, No. 92.

3. To those Officers who adopt them, the New Regulations will apply retrospectively in respect of furlough and leave of absence beyond Sea, and in computing their time of service for retirement, so that their furloughs or leaves of absence, whether under the old or the new rules, and whether on private affairs or sick certificate within or beyond India, will count for service to the authorized extent only, in computing the time for retirement on full pay.

4. Officers who have availed themselves of the option of the old rules, are allowed to re-consider the question under the modifications now sanctioned.

5. Officers who have not taken leave subsequent to the publication of the new rules on the 1st February 1854, and who consequently may not have been called upon to declare whether they would abide by the old or the new Regulations, will, on retirement from the service, be entitled to take full advantage of the privileges given by the new Regulations.

Furloughs on Private Affairs.

6. Every Officer will be allowed a furlough to Europe, or elsewhere, beyond Sea, for a period of two years, at the expiration of ten years' service, and for a second period of two years after twenty years' service in India. (Period passed at Addiscombe College not to count.) An Officer proceeding on leave to England for six months, retaining his appointment or otherwise, is not to be considered as having taken his authorized furlough after ten or twenty years, as the case may be, but may, with permission of Government, be allowed at any time to take the remainder of the two years authorized furlough on private affairs.—G. O. G. 1st April 1856, No. 102.

7. The second furlough of two years will only be granted after ten years' service in India, from the date of the return to duty after the first furlough of two years. These furloughs are not to be cumulative under any circumstances, but are limited to two years. Officers who have taken leave of absence on sick certificate to Europe or elsewhere beyond Sea, will be ineligible to a furlough on private affairs until they have served six years from their last return to duty. This rule does not apply to short leave to sea. Officer who take their first furlough after twenty years' service in India, may take their second furlough after an additional service of five years from the date of their last return to duty.—G. O. G. 1st July 1856, No. 211.

An Officer of upwards of 20 years' service, but who before completing that period has enjoyed a furlough on private affairs to Europe, for say four years, for three of which he drew pay, has a claim to a second furlough of one year with pay, on the completion of ten years from the date of his return to duty but, if subsequently to his return from furlough, he has taken leave on additional service of five years from the date of their last return to duty.—G. O. G. 1st July 1856, No. 211.

With reference to paras. 6, 7 & 8.
M. C. No. 1,411, 10th May 1855.

of India on S. C. his second furlough on private affairs will not be claimable till the expiration of six years from return to duty from such sick leave as well as ten years from the date of return to duty from furlough on private affairs.

N. B.—This rule is not applicable to an Officer who takes his first furlough out of India after completing twenty years' service.

* Madras G. O. G., 5th May 1865, No. 170.

Officers who have proceeded on sick leave to Europe after a period of twenty years' service, it being the first time of their quitting India, can, as in the case of Officers who take their furlough after the same period, take a furlough on private affairs after five years from the date of their return to duty.—G. O. C. C., 18th November 1866, No. 92.

Fort William, the 29th January 1866.

No. 102 of 1866.—The following Military letter from the Right Hon'ble the Secretary of State for India, No. 362, dated 8th December 1865, is published for general information:—

MILITARY, No. 362.

INDIA OFFICE, London, 8th December 1865,

To His Excellency the Right Hon'ble the Governor General of India in Council.

STR.—In your Military letter dated 20th September last, No. 403, you refer for my decision a question what has arisen whether leave taken on private affairs without pay out of India, counts as part of the 6 years required before an Officer can obtain furlough after return to duty.

2. From the case which gives rise to the enquiry, I presume the question relates only to Clause 7 of the Furlough Rules, published in Orders by your Government on 17th November 1854, part of which is as follows:—

"Officers who have taken leave of absence on sick certificate to Europe or elsewhere beyond sea, will be ineligible to a furlough on private affairs until they shall have served six years from their last return to duty. This rule does not apply to short leaves to sea."

3. Clause 6 of the same rules states that every Officer will be allowed a furlough to Europe or elsewhere beyond sea for a period of two years at the expiration of ten years' service, and a second period of two years after twenty years' service in India.

4. It was decided by the Court of Directors in the year 1856, that an Officer who had proceeded on leave to England for six months was not to be considered as having taken his authorized furlough after ten or twenty years, as the case might be; but that he might, with the permission of Government, take at any time the remainder of the two years' authorized furlough on private affairs.

5. The Court of Directors also ruled that absence for six months under Clause 9 did not preclude an Officer from taking his furlough to Europe after ten years' service.

6. It appears to me that the principle of these decisions may be applied to the present question; and absence to Europe on private affairs for six months, and all extensions of such leave granted in that country under special circumstances and without pay, may be permitted to reckon as part of the six years required to be served after return from leave on medical certificate to entitle an Officer to his furlough on private affairs.

No. 1244 of 1869, Fort William, the 15th December 1869.—In continuation of G. O. O. Regulations of 1854—G. G. O. No. 1150 No. 1131* of the 1st December 1868 and under the authority of the Right Honourable the Secretary of State for India, it is hereby notified that the rules laid down in the furlough regulations specified in the margin, which in the former require a period of ten or six years, and in the latter a period of three years, to be completed after return from last furlough before an Officer can be held eligible to a fresh furlough on private affairs, do not apply to the case of a General Officer of the Staff Corps or of the local service who may be unemployed.—Madras G. O. G. 15th December 1868, No. 450.

8. All grants of furlough on private affairs are subject to the exigencies of the Public Service, and to the Regulations framed for the preservation of the efficiency of each Regiment by limiting the number of absentees.

9. Officers holding Staff or other detached appointments may be allowed furlough for a period of six months without losing their appointments; but during that period, they will not be entitled to any portion of their Staff salary, which will be drawn in full by the Officers officiating for them. Absence for six months under this rule does not preclude an Officer from taking his furlough to Europe after ten years' service.—G. O. G. 1st July 1856, No. 211.

10. Officers who have come to this country on duty with discharged Troops, and have been granted extensions, (not exceeding six months) of their privilege leave on medical certificate, or on private affairs, shall not be considered to have vitiated their claim, to Furlough at the end of ten years' service, though they may not have been six years in India since their return from this country.

Para. 4. I have to inform you that it has been decided that those Officers who have been allowed to count their leave on sick certificate, as service for pension, will be ineligible to a furlough on private affairs, until they have served six years in India from the date of their return to duty. Vide Rule 7.

N. B.—A number of Recruits having been enlisted for the Royal Artillery, for service in India, it has been deemed expedient that a certain proportion of Officers of the Bengal, Madras, and Bombay Artillery should be appointed to do duty with them at the Royal Artillery Depot at Woolwich, until the next season of embarkation, and that some of these Officers should then proceed with the drafts to India.

These Officers will be entitled to count the time passed at Woolwich as service in India, and if they proceed with Recruits, the period occupied by the voyage. The Officers returning with Recruits will be allowed to count the period passed by them on duty at Woolwich, and on the voyage, as part of the qualifying period necessary for them to serve in India before they are again entitled to a furlough to Europe.

No. 565 of 1861.—His Excellency the Governor General in Council is pleased to resolve that absence from India, on authorized leave within the periods allowed by the new furlough Regulations, shall not debar an Officer whose efficiency has been proved and certified to the full satisfaction of the Governor in Council from Departmental promotion, temporary or permanent.

In such cases the absent Officer will not, till he resumes charge of his duties, have any claim to the salary of the higher office, which will be drawn by the acting Officer.

No. 232.

Your Military letter dated 20th February, No. 78, transmits, with your favorable recommendation, correspondence relative to an application from Lieutenant Colonel J. McK. Taylor, Commanding 2nd Regiment, Bombay Light Cavalry, praying, that the furlough Regulations may be so far modified as to allow Officers who have taken only one furlough during twenty-seven years' service to take a second furlough, after the expiration of that time, without being compelled to serve ten years from date of return to duty.

2. Under a decision of the Court of Directors, under date the 25th April 1856, No. 56, Officers who take their first furlough after twenty years' service in India, may take a second furlough after a service of five years, from date of last return to duty, or, on completion of twenty-seven years' service in India.

3. In the present case, it appears that Lieutenant Colonel Taylor took his first furlough after a service of eighteen and a half years. Under present rules he cannot obtain a second furlough until the expiration of ten years, from date of return to duty, by which time he will have completed a service of upwards of thirty years.

4. I have no objection to the modification of the Furlough Regulations suggested by your Government in favor of Lieutenant Colonel Taylor and other Officers similarly circumstanced, on the understanding, however, that this is not to affect the Rule under which an Officer who takes his first furlough after twenty years' service, or upwards, must serve a period of five years, from date of last return to duty, before he is to be held entitled to a second furlough.

2. The privilege of retaining appointments during periods of absence not exceeding twenty months, as announced in my Despatch, dated 18th January last, applies only to Officers returning to this country on medical certificate. It was intended as an extension of the privilege of fifteen months' leave allowed by the new furlough Regulations to Staff Officers quitting India on account of the state of their health. With this exception Officers of the Staff Corps, it was stated, would be under the new furlough Regulations. By these Regulations, furlough on private affairs with retention of Staff appointments is restricted to six months.

3. The furlough on private affairs of the Officers of the Staff Corps, with the right of retaining appointments, is to be limited to the same period.

An Officer must have served ten years in India to entitle him to return to this country on private affairs for six months, retaining his appointment and drawing furlough pay.

An Officer who has taken the furlough to Europe for two years, after ten years' service, must show a service in India from date of return of ten years, to entitle him to return to Europe on private affairs for six months, retaining his appointment and drawing furlough pay.

An Officer having taken shorter leaves of absence as a Staff Officer (six months on private affairs fifteen or twenty months on sick certificate) with retention of appointment may take a second leave of absence, retaining his appointment on sick certificate after he has been three years, or on private affairs, after he has been six years in his discharge of the duties of his appointment, from the date of last return to it.

This decision should not be allowed to interfere with the practice which has been followed under the Regulations of 1854, and those in force previously, for permitting Officers in certain cases of emergency to return to this country on private affairs for short periods without pay, and that a Staff Corps Officer permitted to return to Europe under such circumstances should be allowed to hold his appointment for a period not exceeding six months. In fact, this has already been authorized in Question and Answer No. 121, which states that the Government may grant leave of absence for six months on urgent private affairs without pay and allowance to a Staff Corps Officer, with retention of appointment, on being satisfied of the urgency of the case.

I am of opinion also that Staff Officers not members of the Staff Corps should be allowed a similar indulgence under like circumstances.

Regarding the mode of reckoning the service of an Officer of the Staff Corps formerly under the old furlough Regulations, as regards future furloughs such Officers will be under the operations of Clause 7 of the furlough rules of 1854.

10. All Officers, whether Staff or Regimental, while on furlough on private affairs, will be entitled to "furlough pay" only.

Leave of absence on Sick Certificate.

11. Leave of absence on sick certificate will be granted for a term not exceeding twenty months, whether it be to any place in Europe or elsewhere out of India.

12. Extensions of such leave may be granted, as at present, on production of medical certificates for further periods not exceeding sixteen months in the whole.

With reference to para. 13. No. 1884.—The grant of leave of absence to Staff Officers, on medical certificate, with half Staff allowances, for six months, and with the privilege of returning to their offices, if their absence from India be not prolonged beyond fifteen months, is bestowed by the Honorable Court, in order that they will be thereby qualified to render additional service to the Government. But if leave of absence be taken merely to run out a prescribed period of service, and without any intention of returning to duty, the principle on which the rule is founded is infringed, and the indulgence of the Honorable Court is abused; wherefore the Right Honorable the Governor General in Council hereby notifies for general information, that, if there be an avowed intention on the part of an Officer not to return to duty, or if the Government have valid grounds for concluding that the Officer has no intention to return to duty, the indulgence of leave on sick certificate, retaining office, will not be granted in future.

The foregoing was declared in a Notification, No. 2,129, dated 16th April 1856, republished in G. O. G. 2d May 1856, No. 139, to be applicable to all Military Officers holding Political or Civil appointments, either under the Government of India or under any of the Subordinate Governments.

13. An Officer holding a Staff or other detached appointment will be allowed to be absent on sick certificate in England or elsewhere, beyond Sea for a period of twenty months, without losing his appointment; and, during the first six months only of such absence, he will be entitled to

G. O. C. C.

No. 92.

G. O. G.
16th Sept. 1859,
No. 360.

With reference to paras. 13 and 16, M. C. No. 2,702, 20th October 1856. 6. If an Officer, having proceeded on leave in India on medical certificate and enjoyed the indulgence to the full extent, proceeds on leave on medical certificate out of India without having returned to duty, the existing Regulation which precludes receipt of Indian allowances for a longer period than two years of continuous absence from duty, is a bar to his drawing Indian allowances for the first six months or for any part of his fresh leave.

3. The new furlough Regulations made no alteration in the old rules governing the resumption of Staff allowances on return to duty. Under those rules an Officer who had ceased, prior to his return, to be entitled to Staff allowances, could not draw any portion of them from an earlier date than that of his resumption of his Staff duties. We think it undesirable to make any change in this respect.

14. An Officer's claim to half Staff salary for six months, as sanctioned in the preceding rule, will not be affected by his subsequently retiring from the service in Europe or elsewhere.

15. No portion of Command allowance, Medical Staff salary or other similar allowance, which under the old rules was inadmissible to Officers absent from their Corps or Stations at the Cape or elsewhere, will be allowed to absent Officers under these Regulations.

16. * All Officers, whether Staff or Regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian Pay and Allowances as was allowed under the old Regulations to Officers proceeding to the Cape on medical certificate, and for the remaining period of their leave they will receive furlough pay only.

17. If the leave on sick certificate be extended, furlough pay will be continued, but under no circumstances for a longer period than three years altogether from the commencement of the absence.

Staff Officers.

18. The term Staff Officer applies to all Officers holding Staff or Detached appointments, Military (General or Regimental), Political or Civil, also to General Officers Commanding Divisions, Inspectors or Deputy Inspectors General of Hospitals and others who, under the old rules, were entitled to draw half Staff allowance when absent at the Cape.

19. Staff Officers, absent on leave beyond the periods stated in Rules 9 and 13 respectively, cannot retain their appointments and allowances except on special grounds, to be sanctioned by the Government of the Presidency.

With reference to para. 19. 1. The new furlough Regulations are held, not to affect the rules heretofore in force with respect to leave in India, and consequently a Staff Officer obtaining leave of absence in India on private affairs for six months, or on medical certificate for two years, retains during such absence a moiety of his Staff salary as sanctioned by the Regulations for the grant of leave in India which are still in force.

2. A Staff, as well as a Regimental Officer is required, when first applying for leave, whether in or out of India, to declare by which of the furlough Regulations he wishes to abide. A Staff Officer having made his election can take his leave in India as above stated, and should he afterwards require to proceed to England, the retention or otherwise of his appointment will depend upon which of the rules he first elected, and from which he cannot afterwards change.

3. In the event of a Staff Officer electing the new furlough Regulations and taking leave in India, the whole of the leave he has previously enjoyed from the date of his entering the service, excepting the periods allowed by those rules to reckon as service, must be reckoned against his period of service for retirement.

Having considered in Council your Despatch, No. 25, dated 11th February 1859, soliciting instructions as to what may be admitted as special grounds for permitting a Staff Officer, absent on medical certificate, to retain his appointment for any period beyond twenty (20) months, I have to express the desire of Her Majesty's Government that this indulgence should be very rarely granted, and only in cases where it is important on public grounds to retain an Officer's services in a particular appointment, or where the distinguished services of an Officer may entitle him to special consideration.

The concession of leave to Europe in the case of a General Officer is to be considered the exception and not the rule; and, as ground for obtaining such leave, it must be shown that the Officer has contracted illness from the effects of climate, or of wounds received on service in India, or that the nature of the private affairs taking him from India is of a very urgent nature.

Leave on medical certificate will be restricted to six months, and on private affairs to four months, the penalty of exceeding such period being the vacation of the Command, and in no case will a General Officer be allowed more than one grant of leave out of India during his tour on the Staff.

The position of Brigadiers being considered analogous to that of General Officers on the Staff, the principle upon which the indulgence of leave is to be granted will hereafter be the same in both cases.

No. 1161 of 1868.—His Excellency the Governor General in Council is pleased to direct the publication, for general information and guidance, of the following Military letter from the Right Hon'ble the Secretary of State for India:—

INDIA OFFICE, London, 31st October 1868.

To His Excellency the Right Hon'ble the Governor General of India in Council. Sir,—As it appears from recent circumstances that an impression exists in India that Officers Commanding Divisions and Brigades whose leave of absence on sick certificate with retention of appointment is limited to six months, and who may come to this country for that period, are not required to produce evidence of physical fitness for duty before being allowed to return to India, I request that you will notify to the Army at large that all Officers, however employed, and whatever may be the amount of leave granted them, who leave India on sick certificate, are required to produce a certificate of fitness for duty before they can be allowed to return.

I have, &c., (Signed) STAFFORD H. NORTHCOLE.

"An Officer who has returned from Europe or from Sea, but not as a Staff Officer, i. e., who did not proceed to Europe as a Staff Officer with the attendant privileges, and is subsequently nominated to a Staff situation, and in less than three years from the date of his last return to duty, proceeds on such leave to Europe or to Sea, would not be required to vacate his appointment, with advertence to para. 20 of the new furlough Regulations."

20. The privilege of retaining Staff appointments during leave of absence on sick certificate, or on furlough on private affairs, will not be available a second time, if the fresh leave is on sick certificate, until an Officer has been three years, or if on private affairs, until he has been six years in the discharge of the duties of his appointment, from the date of last return to it.

The following Military letter from the Right Hon'ble the Secretary of State for India, is published for general information:—
MILITARY, No. 140.

INDIA OFFICE, London, 30th April 1868.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—It has been brought to my notice that Officers of the Indian Service promoted to the rank of General Officers, and frequently thrown out of active employment for a season by such promotion, are, if residing unemployed in India, entitled to count such residence as service for pension, but if residing out of India, they come under the rules applicable in this respect to Officers on leave.

G. O. G.
19th June 1868,
No. 232.

2. I do not consider, under the altered circumstances of the Indian Service, that this distinction should be maintained, and I have determined therefore, that Officers on attaining to the rank of Major General shall reckon the whole of their service on the effective list, whether employed or unemployed, as service for pension, wherever they may choose to reside.

3. This ruling will take retrospective effect in the case of Officers retiring from the service hereafter.

I have, &c.,
(Signed) STAFFORD H. NORTHGOTE.

21. This rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs in India, or for brief periods not exceeding three months, to Ceylon, the Mauritius, or other places out of India.

22. Officers Commanding Troops of Horse Artillery and Light Field Batteries, and Officers generally in employment, will be allowed leave out of India under the same rules with respect to allowances and tenure of command or office as regulated the grant of leave to the Cape to such Officers under the old Regulations, except as to the duration of those advantages, the time for their continuance being subject to the provisions of the new Regulations.

Date of Furlough and Advances of Pay.

23. The period of furlough on private affairs, or leave of absence on sick certificate, is to be calculated from the date of the departure from India of the ship in which the Officer proceeds.

N. B.—"When an Officer is granted permission to return to his duty by a particular ship, it is equivalent to granting him an extension of leave until the arrival of that ship in India." G. O. G. 15th August 1862.

24. Advances of pay and allowances, Staff and Regimental, to Officers proceeding on leave of absence on sick certificate, who may be entitled to them, will be made if desired in India for three months from date of embarkation. Payments in continuation will be made in England at the rates of exchange fixed annually for re-payment of advances made on account of Her Majesty's Government. Furlough pay will continue to be issued in advance for six months when required by Officers obtaining furlough on private affairs.

1st.—It is the duty of an Officer before leaving India to obtain his last Pay Certificate; he should therefore at the time of applying for leave address the Deputy Paymaster in whose Circle of payment he may be, with a request that his accounts may be adjusted, and at the port of embarkation he should apply at the Pay Office for a last Pay Certificate. In the event of his not being able from any cause to obtain this certificate, he should address the Military Accountant on the subject, and that Officer will investigate the circumstances of the case and submit a report thereon to the Military Finance Department for transmission to Government.

2nd.—In cases in which Officers return Home "for Residue of furlough," the period remaining unexpired should be stated in their papers by the Pay Department.

G. O. G.
6th May 1862.

3rd.—The Right Honorable the Secretary of State for India having observed, in his letter No. 497, dated the 31st December 1861, paragraph 10, that "the final settlement of all pay and allowances issued to an Officer prior to his quitting India, whether in advance or otherwise, is invariably left to the authorities in India, it will not be necessary for the Officers of the Pay Department in future to call upon Officers on furlough in England, who, prior to their leaving this country, to furnish a certificate of pay (for the period issued to them) at the India Office to the effect that no such adjustment has been made by them."

4th.—This order is applicable to the three Presidencies, and will have effect from this date.

No. 750 of 1862.—His Excellency the Governor General in Council is pleased to extend to Officers on leave the rule which permits Officers of one Presidency, when absent on duty, to draw their pay and allowances from the Pay authorities of any other Presidency at which they may be residing, and to lay down the following rules for future guidance:—

Officers of one Presidency may draw advances on account of their pay and allowances which have become due from Paymasters at any other Presidency at which they may be residing, whether on duty or on leave on medical certificate or private affairs.

Officers so situated must furnish, with their Bills, a last Pay Certificate from their own Presidencies, showing specifically the sum to be deducted and the amount to which entitled, and also indicate the General Order or other authority under which they are absent.

These rules are also applicable to cases of Officers embarking for Europe from any other than their own Presidencies, and who may be entitled, under the furlough Regulations, to advances of pay and allowances.

In cases of Staff Officers so situated their last Pay Certificates are to specify clearly the amount of half Staff salary to which they may be entitled during their leave.

In case of emergency, when last Pay Certificates cannot be produced, advances on account of unadjusted arrears of pay may be made on good security for the amount being furnished.

Bills for any admissible passage money are to be supported by a sufficient Guarantee from the Agents of the Ship or other parties, that half the passage money will be refunded in the event of the Officer dying after engagement of his passage, or before the vessel puts to sea.

Paymasters making advances under these rules are invariably to record the same on the back of the last Pay Certificate, and will make the necessary communication to the Paymaster of the other Presidency concerned with the least possible delay, and if Security be taken, it is also to be noted on the Pay Certificate.

If proof be forthcoming that an Officer has already furnished Security at his own Presidency for any demands on the part of Government which may arise, fresh Security is not to be required by Paymasters of any other Presidencies.

All over-drawings or short charges will always be adjusted by the Pay authorities of the Presidency to which the Drawing Officers may belong.

All other orders on this subject at the three Presidencies are hereby superseded.

25. The existing Regulations regarding Passage Money to Officers are not affected by these rules.

G. O. G. No. 1009 of 3rd December 1866.—With the view of encouraging the study of the Native languages, it is hereby notified, for general information, that extended periods of leave to visit the Presidency, without loss of service, will be granted under the following conditions to Officers of the Army who pass successful examinations in the tests prescribed in Government General Order, No. 734 of 1864:—

1st.—Officers who pass an examination according to the second standard will be allowed to reckon as duty the period of their absence to the extent of (6) six months.

2nd.—To Officers who pass a successful examination in the languages defined in Rule VIII of the Government General Order quoted, above, a further period of six months' leave will be granted without loss of service.

3rd.—Candidates who may obtain certificates of High Proficiency, under the operation of Rule XII, will be allowed leave of absence to the extent of 18 months in the aggregate.

4th.—And candidates who obtain Degrees of Honor, under the terms prescribed in Rule XV, shall be permitted to reckon as service the period of their absence to the extent of two years.

2. To insure, however, that the time of the candidates is not misapplied, it must be clearly understood that they shall pass successful examinations according to the different tests within the prescribed periods.

3.—The foregoing rules are to be in supersession of all previous regulations on this subject.

G. O. G. No. 90 of 23rd January 1867.—In modification of Government General Order, No. 941 of 1861, His Excellency the Governor General in Council is pleased to prescribe the following Rules, under which Officers may draw pay and allowances through their Agents in India when on leave beyond the limits of their own Presidencies:—

I. Officers proceeding on leave for any period under the old furlough rules, beyond the limits of their own Presidencies, will be permitted to draw their pay and allowances through their Agents, on the latter furnishing a satisfactory guarantee for the refund of over-payments.

II. The guarantee must be attached to the application of the Officer for permission to draw his pay in India, which must be submitted through the Pay Master, to be forwarded to the Controller of Military Accounts, who will grant the authority to the Agent to draw the pay monthly as it becomes due.

III. The guarantee is to be in the following form, and must bear a stamp according to the scale noted at the foot thereof, in order to cover any possible amount to be retrenched:—

Form of Guarantee to be furnished by Agents of Officers proceeding on leave beyond the limits of their own Presidency, to accompany applications of Officers to draw their pay and allowances in India during absence.

We

Agents of
do hereby engage, in the event of our being permitted to draw the pay and allowances of our constituent during his authorized absence from the Presidency, to repay such part of the amount as he may not be entitled to in case of death, as also such sums, with retrospective effect, as our constituent may become liable for, by his bringing himself upon furlough pay from the date of quitting his own Presidency by any of the following acts:—

1. By overstaying the leave to sea for two years on medical certificate, or for six months on private affairs, which he may have obtained under the old furlough rules.

2. By proceeding to England from the leave aforesaid under the old furlough rules, without having returned to his own Presidency.

26. The certificates issued to Officers who are granted furloughs on private affairs, or leave of absence on sick certificate, are to specify the time each Officer has been absent on leave within Indian limits, as well as the time of his previous absence in Europe; but will not include the periods allowed for proceeding to the Presidency or port of embarkation, and to enable Officers to rejoin their Regiments or stations, after their return to India, nor the leave of one month's absence in six months as authorized by the Regulations. The last Pay Certificate of all Officers proceed-

"Short leaves on private affairs for periods not exceeding thirty days, which have been granted to Officers in General Orders, previously to 6th December 1854, are to be counted as 'privileged,' provided they do not exceed an aggregate of thirty days in each half year."

"Should an Officer who is on privilege leave not rejoin his Corps, but be absent in continuation, on not more than five months' leave on private affairs, or one year and eleven months' leave on medical certificate, he will retain his full salary or allowances for the thirty days of privilege leave, which will also count as service, but he will, nevertheless, forfeit all Military allowances on completing six months or two years' absence, (as the case may be) reckoned from the date that he quitted his Corps and station."

With reference to paras. 26 & 31, M. C. No. 514, 26th Feb. 1856. In calculating the period of an Officer's absence on furlough in India, the day of departure from a Regiment or appointment is to be reckoned as one of leave, and the day of return thereto as one of duty. In like manner as respects furlough beyond India, the date on which the vessel conveying the Officer from India puts out to sea, is to be reckoned as one of furlough and the day on which he returns to his Presidency as one of duty.

With reference to paras. 26 & 31, M. C. No. 901, 18th April 1856. An Officer entering the service and obtaining leave to visit a station not the Head Quarters of his Regiment and to join the Corps to which he is posted, and who actually does join within the period sanctioned by Regulation for the purpose of joining by the direct route, is allowed to reckon such leave as service for pension.

The principle of this rule is applicable to Officers who on return from leave out of India are allowed to visit a station out of the direct route to the station to which they belong.

With reference to paras. 26 & 31, M. C. No. 2702, 20th Oct. 1856. 10. Leave for one month, granted to Officers in Civil employ under Section XI (amended) old Civil Service Absentee Regulations, is not to be deducted from same light as one month in six privilege service, it being considered in the leave granted to Military Officers.

With reference to paras. 26 & 31, M. C. No. 3144, 4th February 1856. 11. The period during which Officers may have been or may hereafter be absent on leave for the purpose of accompanying Insane or Sick Officers is allowed to count as service for pension.

With reference to paras. 26 & 31, M. C. No. 2702, 20th Oct. 1856. 12. If an Officer is placed on duty while on leave of absence whether on medical certificate or private affairs he will be allowed to count as service for pension the whole period he may be so employed, i. e., from the date of the order nominating him to such duty to the date of the order relieving him, both inclusive.

4. In accordance with the principle laid down in the 65th paragraph of the General Order of the 10th April 1861, Officers of the new Brigades of Artillery and new Line Regiments ordered to do duty at the Regimental Depot, or with Drafts on the voyage to India, will reckon such duty as service in India for retiring pension. Those doing duty under any other circumstances in this country, will reckon such service in the proportion of one year for two.

Officers of H. M.'s Services.

27. Officers of Her Majesty's Service in India, whether employed Regimentally or in Staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

28. In the case of Officers of Her Majesty's Service on furlough on sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

With reference to para. 29, M. C. No. 2702, 20th October 1856. 13. An Officer returning from Europe or Sea is allowed to count as service 15 days for preparation at the port of debarkation and marching distance to his Corps or Department in addition.

With reference to para. 29, M. C. No. 2702, 20th October 1856. 14. An Officer going to Europe or Sea is allowed to count as service in addition to marching distance to the Presidency or nearest port of embarkation, the same period for preparation prior to embarkation as allowed to Officers returning from Europe, viz. 15 days.

With reference to para. 29, M. C. No. 901, 18th April 1856. 15. Officers obtaining leave preparatory to final leave out of India, but who after arriving at the Presidency or other port of embarkation abandon their intention of leaving the country, cannot reckon as service the period they may have been absent from duty on such preparatory leave which then assumes the nature of ordinary leave in India.

With reference to para. 29, M. C. No. 2702, 20th October 1856. 16. An Officer who proceeds on furlough to the Presidency or other port, (not preparatory to applying for leave to proceed to Europe or elsewhere) and while there obtains a sick certificate to Europe or other place out of India, is not entitled to count as service the pe-

ing to England on sick certificate is to specify the rate of Regimental pay and allowances and Staff salary to which they would have been entitled under the old Regulations if proceeding to Sea on medical certificate.

This information is necessary in order that no difficulty may arise in the Pay Department of the India House in adjusting the several payments which may be due.

No. 92.

Periods of absence allowed to be counted as Service for Retiring Pensions.

29. In order that all Officers quitting India on furlough, or sick certificate, may be placed on an exact equality as regards loss of time, the period allowed by Regulation for proceeding to the Presidency or to

riod allowed by Regulation for proceeding from the station of his Regiment or appointment to the port of embarkation; but he can reckon as service the period of 15 days allowed at the Presidency or port of embarkation preparatory to embarkation.

With reference to para. 29, M. C. No. 2702, 20th October 1856. 17. If instead of being at the port of embarkation, he is at another port, or at an inland station, when he obtains the sick certificate to quit India, he will be allowed the time authorized for travelling from the station at which he may be when he obtains his sick certificate, to the port of embarkation.

With reference to para. 29, M. C. No. 2702, 20th October 1856. 18. If an Officer while absent on ordinary sick certificate in India, quits India on sick certificate, or, who having proceeded on ordinary leave on private affairs in India obtains a furlough out of India, he is entitled to count as service the period allowed for proceeding from the place at which he may be when he obtains leave to quit India, to the port where he ultimately embarks.

Simla, 22nd September 1864.

No. 774 of 1864.—Having taken into consideration the existing facilities for travelling, which are steadily increasing, His Excellency the Governor General in Council is of opinion, that the rules now in force for regulating the periods allowed to Officers and others proceeding, in ordinary course, from one station to another, are no longer suitable or adapted to meet the interests of the service or the general convenience of Officers.

2. G. G. O. No. 770 of 14th September 1853 is therefore cancelled, and the following rules will be observed from the 1st November next:—

3. Officers returning from furlough to Europe or leave beyond sea, or Officers removed from a regiment, appointment, or station, at their own request, or on regimental or departmental promotion, or to join a new appointment, will be allowed fifteen days for preparation from the date of arrival, or being struck off duty. On special grounds, this period may be extended to thirty days by the Officer Commanding the Division, District, or Garrison.

4. Every Officer, at the expiration of the period allowed for preparation, is required to join his corps, station, or appointment, by the most expeditious available mode of travelling, and without unnecessary delay on the road.

5. Officers who may be unavoidably delayed by sickness or other circumstances must report the cause and period of such delay, furnishing medical or other certificates to the Officer Commanding the Station, at or nearest to which such delay may have occurred.

6. In very special cases, Officers Commanding Divisions may sanction a slower mode of travelling, either for a part or for the whole of the journey; but any such indulgence, and the reasons for granting it, must be reported at once to His Excellency the Commander-in-Chief, or to the Government, according to the nature of the Officer's employment.

7. The ruling is to be made applicable to all three Presidencies.

Leave of absence, preparatory to furlough, whether on private affairs or on sick certificate, must always be *general*, and not *privilege* leave.

With reference to G. O. G. No. 53, dated 3d February 1860, the Governor in Council directs that, in future, in accordance with the practice in Bengal, leave of absence preparatory to retiring from the service shall always be *general*, and not *privilege* leave.

It is hereby notified that, under a recent ruling of the Government of India, Officers, whose leave may expire after the commencement of General Holidays, will, notwithstanding such Holidays, be required to report, as heretofore, their return to duty on the termination of their leave.

It is notified for general information that under a recent decision of the Government of India, an Officer who had elected (or who, not having before elected, might on his entering the Staff Corps desire to elect) the old furlough Regulations, carries with him into the Staff Corps so much of his service (authorized leave included) as had been passed in Indian limits and no more; and that to entitle him to retire on the pension of any particular rank he must serve so many more years as would with that service complete the full period of service prescribed for such pension, with the liberty of availing himself, after his entry into the Staff Corps, of the privileged periods* of absence allowed in paragraph 30 of the new furlough Regulations.

For instance a Captain who, on entering the Staff Corps on the 18th February 1861, had served twenty-four years counting as service for retirement under the old rules, and had been absent six years on leave to Europe, would enter the Staff Corps with a capital of service of twenty-four years only; and, before he could retire on the pension of a Lieut. Colonel he would have to serve four years longer, of which three years might be passed on leave.

2. With reference to the foregoing, Officers who at date of entering the Staff Corps had not made election of furlough Regulations are requested now to report under which furlough Regulations they desire that their service to that date may be calculated.

Furlough Regulations of 1868, Revised.

Fort St. George, 1st December 1868.

No. 434 of 1868.—The following Extract from General Orders by the Government of India, re-published:—

Simla, 10th November 1868.

No. 1064 of 1868. The Right Hon'ble the Secretary of State for India having, with certain modifications, approved generally of the rules relative to the absence on leave of Military Officers, published in Government General Order No. 613, dated 19th June 1868, the following revised rules are published in substitution of those contained in the order above referred to.

No. 996 of 1869, Simla, the 28th September 1869. With a view to regulating the grant of furlough under the regulations of 1868, as published in G. G. O. No. 1064, dated 10th November 1868, the Right Honorable the Governor General in Council is pleased to direct that Officers obtaining furlough on private affairs are to understand that the grant of the furlough only holds good for three months from the date of the General Order notifying it. This period of three months is inclusive of the thirty days' preparatory leave allowed to reach the port of embarkation.

In the case of an Officer not embarking within the prescribed period, the order granting it will cease to have effect.—Madras G. O. G. 1st December 1868, No. 434.

The question of the application of these rules to the Officers generally of Her Majesty's British Forces serving in India is still under the consideration of Her Majesty's Government.

To obviate confusion or misconception as to the rules referred to, those previously in existence in those now sanctioned will be severally designated as the Furlough Rules of 1796 of 1854, or of 1868.

The term "Furlough Pay" having now a changed and two-fold signification, in all future orders and references "Furlough Pay" will be understood as the half Indian salary within the prescribed limits, specified in paragraph 5 of the rules, converted at the exchange of 2 shillings for the rupee, whilst "English Furlough Pay" will represent the rates heretofore allowed to the several grades as English pay under the rules of 1796 and 1854.

No. 614 of 14th June 1870.—The following Military letter from the Right Honorable the Secretary of State for India, is published for general information:—

MILITARY.

No. 103.

To His Excellency the Right Honorable the Governor-General of India in Council.

MY LORD.—Paragraph 5 of your Despatch No. 367, dated 16th November 1868, reports your having decided that Officers of the Royal Engineers on the Imperial Establishment employed in the Public Works Department, will be considered entitled to the benefits of the Indian Furlough Rules, as forming part of the Civil Administration of the country, counting service from date of arrival in India; but that Officers joining the Sappers and Miners from England, who are not inclined to enter the Public Works Department, will enjoy only such leave as is conceded, under Her Majesty's Regulations, to Officers of British Regiments.

2. I presume it to be intended that the Officers with the Sappers and Miners, forming the fixed establishment receiving a staff salary, as referred to in the Despatch No. 47 of 15th February 1867, will be considered as Staff Officers; and that, although Officers merely attached to the Sappers will, while so employed, be considered as performing ordinary regimental duty, they will, should they afterwards accept staff employ, be entitled to count their service for furlough from date of arrival in India.

3. On this understanding I approve your decision.

No. 944 of 1871.—The following Military letter from the Right Honorable the Secretary of State for India is published for general information:—

MILITARY.

No. 207.

To His Excellency the Right Honorable the Governor-General of India in Council.

MY LORD.—In framing the Military Furlough Rules of 1868, it was understood to be the desire and intention of the Government of India that all distinction between furlough on private affairs and that on medical certificate should, as far as possible, cease, and amongst the introductory clauses to those rules is the following:—"1.—The distinction with respect to allowances hitherto drawn between furlough on private affairs and sick leave is abolished, both kinds of leave being included under the general term furlough, provision, however, being made for the obtainment of furlough under medical certificate, without all the restrictions applicable to furlough when taken without medical certificate."

2. It appears to me, therefore, that the only occasions upon which any officer should be granted furlough on medical certificate are—

1st, when (as in the case of Subalterns) an officer entitled to furlough may, if compelled to take leave on account of ill health, be entitled, under the regulations, to certain privileges,—as free passage to England;

2ndly, when an officer is not entitled to furlough, but is obliged to take leave on medical certificate,—a case for which provision is made in the rules;

These rules will be applicable to all Officers who may elect to adopt them belonging to the several Indian Staff Corps or to the Indian Army, and in regard to the period of leave of absence during which appointments may be held, and in regard to the increased allowances they will also be applicable to Officers of the Royal Artillery and Royal Engineers, late of the Indian Army, holding permanent staff appointments not of a regimental nature.

I. The distinction

with respect to allow-

ances hitherto drawn

between Furlough on

Private Affairs and Sick

Leave is abolished, both

kinds of leave being

included under the gene-

ral term Furlough, pro-

vision however, being

made for the obtainment

of Furlough, under Me-

dical Certificate, with-

out all the restrictions

applicable to Furlough,

when taken without

Medical Certificate.

II. Leave taken

under the Rules now

prescribed will not in-

volve forfeiture of ap-

pointment, except in the

cases herein specially

provided for.

III. The Rules now

3rdly, when, in the interests of the service, an officer, although entitled to furlough, would only be granted leave on the production of a medical certificate.

3. Very recently applications for extension of furlough on private affairs on the part of officers who have come home on medical certificate, have been submitted to me and have been granted, the applicants appearing to be entitled to furlough under the regulations; but it is obviously desirable that I should be informed of the actual circumstances under which every officer claiming furlough upon medical certificate has had furlough granted to him, and I consider all officers entitled to furlough, whose services can be spared, should have the leave gazetted as "furlough," whether they produce a medical certificate or not.

4. With respect to the above three classes, it might be well to gazette the first to furlough, with a note to the effect that, being recommended by a Medical Board, they are entitled to a free passage, &c. With regard to the second, it would be sufficient to note the clause under which they take leave, and, with regard to the third, it will be assumed in future, when an officer entitled to furlough is thus granted leave on medical certificate, that his services could not otherwise have been dispensed with, and no extension of his leave will be granted in this country except on medical certificate.

I have, &c., (Signed) ARGYLL.

IV. Leave of Absence will, in future, be of three kinds, viz:—

I.—Furlough in or out of India.

II.—General Leave on Private Affairs or Sick Certificate in India or short leave to sea.

III.—Privilege Leave.

CHAPTER I.—Furlough.

The following Notification by the Government of India in the Financial Department, is republished:—

No. 3292, dated 17th December 1869.—In continuation of the Notification of this Department, No. 2527, dated the 7th August 1869, and in amendment of Rule V of the Military Leave Rules of 1868, the Governor-General in Council is pleased to declare that the furlough allowance of any Military Officer in Civil employ, who may after, this date be granted furlough, shall not exceed Rs. 833-5-4 per mensem, or £1,000 per annum.

salary drawn by him for three years prior to his proceeding on Furlough. No absentee shall in either case draw more than £1,200, or less than £250 per annum. The term salary will signify the total amount drawn by an Officer, whether as consolidated pay or Staff allowances in addition to pay, but will not include any extra or special allowances. It is to be clearly understood that an Officer absent on Furlough, who may be transferred to another Office, during his absence, shall be entitled, for the entire period of his Furlough, to pay at the rate sanctioned to him when leaving India, provided that an Officer whose term of office shall lapse, during his Furlough, shall cease to draw his half Staff salary from the date of such lapse. An Officer will also be entitled to the benefit of his promotion to a higher Staff Corps or Regimental rank whilst on Furlough, subject to the maximum limit.

Officers not in Staff employ will receive half the Indian pay of their rank, provided that in no case will an Officer entitled to Furlough receive less than the above minimum of £250 per annum.

NOTE.—Officers who may be entitled to income allowance from the Military Fund during absence in Europe, will draw their half salary or minimum absentee allowance under the foregoing clause, subject to a deduction equivalent to the amount of such income allowance.

VI. All grants of Furlough on Private Affairs are subject to the exigencies of the Public Service, of which exigency the Government is to be exclusively the judge, and to any regulations that may be found necessary for limiting the number of Absentees.

VII. The maximum amount of Furlough on Private Affairs to be taken at any one time, carrying pay and retention of appointment, will be two years.

No. 1244 of 1869, Fort William, the 15th December 1869. In continuation of G. G. O. No. 1131* of the 1st December 1868,

and under the authority of the Right Honorable the Secretary of State for India, it is hereby notified that the rules laid down in the furlough regulations specified in the margin, which in the former require a period of ten or six years, and in the latter a period of three years, to be completed after return from last furlough before an Officer can be held eligible to a fresh furlough on private affairs, do not apply to the case of a General Officer of the Staff Corps or of the local service who may be unemployed.

GENERAL ORDERS BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA IN COUNCIL.
Fort William, the 12th May 1862.

No. 520 of 1862.—The following rule which has received the sanction of the Right Hon'ble the Secretary of State for India for calculating the service of Officers who, formerly under the old furlough Regulations, have joined the Staff Corps, and whose service from date of joining that Corps is to be reckoned under the new furlough Regulations, is published for general information and guidance:—

1. Officers having elected (or who not having before elected might, on their entering the Staff Corps, desire to elect,) the old furlough Regulations will carry with them into the Staff Corps so much of their service (authorized leave included) as may have been passed within Indian limits and no more. Before they can retire on the pension of any particular rank they will be required to serve for such further period as will, with that service, complete the full period prescribed for the pension of any particular rank, with the liberty of availing themselves, after their entry into the Staff Corps, of the privileged periods* of absence allowed by paragraph 30 of the new furlough Regulations:

* 2 Years' absence in 20 years' service.
3 " 25 "
4 " 30 "

With reference to paras. 30, 33, 34 and 35, M. C. No. 2961, 24 Nov. 1855, and No. 919, 18th April 1856.

on the pension of a Captain or Major; but an Officer who has served beyond those periods is entitled to the benefit of Rule 30 by which extended periods of absence are allowed to reckon, regulated by the length of the Officer's service. For instance, an Officer who has served twenty years, and no more, and had only three years' leave must still perform one year's duty before he can retire as a Captain; whereas an Officer whose aggregate service is thirty years, out of which he has enjoyed leave for fourteen years and no more, can retire as a Captain at once.

No. 337 of 28th March 1872.—The following Military letter from the Right Hon'ble the Secretary of State for India, No. 50, dated 29th February 1872, is published for general information:—

MILITARY, No. 50. INDIA OFFICE, London, 29th Feb. 1872.
To His Excellency the Right Hon'ble the Governor-General of India in Council.

MY LORD.—I, with a view to meeting the cases and facilitating the retirement of the senior officers of the Army subject to the Indian Retiring Regulations, Her Majesty's Government have resolved so to modify the present Regulations, as expressed in Clause 30 of the Furlough Rules of 1854, as to admit of a larger amount of furlough being reckoned as service by claimants to the higher rates of pension granted in 1866.

2. With this view, I request that it may be notified to the service that, from and after the date of this despatch, the following regulation will be substituted for Clause 30 of the rules above referred to, and will govern the rates of pension to be granted to officers retiring under the Indian Regulations:—

"No furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years' aggregate service, three years in twenty-five years' service, four years in thirty years' service, five years in thirty-five years' service, and six years in thirty-eight years' service shall be allowed to count as service for the retiring pension; and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or out of India, or whether the leave be on sick certificate or on private affairs."

I have, &c. (Signed) ARGYLL.

With reference to para. 31. G.O.G. No. 1113 of 1857.—The following Extract, paras 18 and 19, of a Military letter, from the Honorable the Court of Directors to the Government of India, No. 126, dated 22d July 1857, are published for general information:—

18. By the Regulations established for the promotion of Lieutenant Colonels to the rank of Colonel after three years' service, it is provided that no longer period than one month in each year, or a total of three months in three years, or six months in six years shall be allowed to reckon, whether the leave shall have been spent in India or out of the country, except in cases of wounds or illness contracted by service in the Field, duly certified by a Medical Board, when each case will be separately considered with reference to the time to be allowed.

19. In reply to the question now put to us, we have much satisfaction in stating that we are prepared to extend the benefit of the exception above specified to the time required for retirement on full pay. Every claim to the benefit of this exception must be duly certified by a Medical Board, and be forwarded to us for our decision, accompanied by the opinion thereon of the Government and Commander-in-Chief of the Presidency to which the Officer belongs.

No. 32.—With reference to G. O. G. 15th September 1857, No. 290, the Commander-in-Chief desires it to be notified that the privilege of reckoning the time of absence in the period of service required for retirement on full pay is authorized "in cases of wounds or illness contracted by service in the Field, duly certified by a Medical Board, when each case will be separately considered with reference to the time to be allowed."

G. O. C. C.
21st Mar. 1859.

In all such cases a specific description is to be given in a report by a Medical Board of the nature of the illness, and of the grounds upon which it is considered that the illness has been contracted by service in the Field.

All such grants of leave should be made for periods not exceeding eighteen months to be extended if necessary.

No. 10.—Applications for permission to count as service for retiring pension under the provisions of G. O. G. No. 290 of 15th September 1857, the period of absence on leave occasioned by wounds or illness contracted by service in the Field are required to specify the particulars of the Field service on which the Officer was engaged.

No. 95.—With the sanction of the Right Hon'ble the Secretary of State for India, His Excellency the Governor General in Council is pleased to notify that, where an aggravation or reproduction of an illness originally produced by service in the field, to such an extent as to necessitate leave of absence, is clearly attributable to exposure or other causes attendant on subsequent active service in the field, such leave may be held to come within the provisions of Government General Order, No. 1,113,* dated 1st September 1857.

Para 2. It was not the intention of the late Court of Directors to give retrospective effect to the privilege granted in July 1857, to Officers wounded or losing their health on active service, to count as service for retiring pension their leave of absence on medical certificate.

G. O. C. C.
1st October 1862.

35. Officers to be entitled to retire as Colonels, must have served thirty-two years, out of which leaves of absence for four years in the aggregate, and not more, will be allowed to count as service.

No. 70.—The following Extract from a Despatch from the Right Hon'ble the Secretary of State for India is published for general information and guidance, with reference to G.O.G. No. 290, dated 15th September 1857, permitting Officers to count as service for retiring pension periods of leave occasioned by wounds or illness contracted by service in the Field.

"Applications for this boon, should not be submitted in cases where the sickness has not been such as to render the absence of the Officer on sick certificate immediately necessary."

The following Military letter from the Right Hon'ble the Secretary of State for India is published for general information:—

MILITARY, No. 193. INDIA OFFICE, London, 4th June 1868.

To His Excellency the Right Hon'ble the Governor-General of India in Council.

Sir,—In accordance with the recommendation contained in your letter, dated the 6th April 1868, No. 139, I authorize you to announce that, in future, all Officers who may do duty with troops on the voyage to or from India, will be allowed to count the whole of the period during which they may be employed on such duty as service for pension.

I have, &c. (Signed) STAFFORD H. NORTHCOTE.

36. The scale for Medical Officers and Veterinary Surgeons, of privileged furlough, and leave of absence, as counting for the retiring pension, will be as follows:—

Yrs.	Mths.		Yrs.	Mths.	
1	8	in 17 and under 20 years' service.	3	0	in 25 and under 30 years' service.
2	0	in 20 " " 25 " "	4	0	in 30 and upwards.

37. It is to be distinctly understood, that under no circumstances whatever will an Officer be permitted to retire on full pay, until he has completed the full time of service above specified, whether he be in England at the close of his service or elsewhere.

38. The privileged time of absence may, with the permission of the local Government, be taken at any time subject to these Regulations. If therefore, at the end of twenty-years' service, of which eighteen had been passed on actual duty in India, an Officer should be on furlough, or sick certificate in Europe, or elsewhere, he will be entitled to retire on the full pay of a Captain without returning to India, and so in the other terms of service for the higher pensions. In like manner a Medical Officer on furlough, or sick certificate in Europe, or elsewhere, at the end of seventeen years' service, fifteen years and four months of which had been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pension.

G. O. G.
3d Nov. 1863,
No. 387.

Under instructions from the Government of India, the Governor in Council is pleased to declare that the grant of leave to Officers on medical certificate in India, shall, for the future, be limited, under ordinary circumstances, to one year, subject to extension on fresh Medical Report.

private affairs or on sick certificate, except as to the periods of such absence being taken into calculation in the time allowed to count as service for retirement on full pay.

File Margin of Para 9, Old Retiring Regulations.

32. Officers to be entitled to retire on the full pay of their Regimental rank (under the Regulation of 1796,) must have served twenty-two years in India, out of which leaves of absence for two years in the aggregate and not more, will be allowed to count as service for the retiring pension.

33. Officers to be entitled to retire on the full pay of Captains and Majors (under the Regulations of 1835—7,) must have served twenty and twenty-four years respectively, out of which time leaves of absence for two years in the aggregate and not more, will be allowed to count as service.

34. Officers to be entitled to retire as Lieutenant-Colonels must have served twenty-eight years, out of which leaves of absence for three years in the aggregate, and not more, will be allowed to count as service.

Furlough Regulations of 1868, Revised.

Fort St. George, 1st December 1868.

No. 434 of 1868.—The following Extract from General Orders by the Government of India, re-published:—

Simla, 10th November 1868.

No. 1064 of 1868. The Right Hon'ble the Secretary of State for India having, with certain modifications, approved generally of the rules relative to the absence on leave of Military Officers, published in Government General Order No. 613, dated 19th June 1868, the following revised rules are published in substitution of those contained in the order above referred to.

No. 996 of 1869, Simla, the 28th September 1869. With a view to regulating the grant of furlough under the regulations of 1868, as published in G. G. O. No. 1064,* dated 10th November 1868, the Right Honorable the Governor General in Council is pleased to direct that Officers obtaining furlough on private affairs are to understand that the grant of the furlough only holds good for three months from the date of the General Order notifying it. This period of three months is inclusive of the thirty days' preparatory leave allowed to reach the port of embarkation.

G. O. G.,
19th Oct. 1869,
No. 348.

In the case of an Officer not embarking within the prescribed period, the order granting it will cease to have effect.—* Madras G. O. G. 1st December 1868, No. 434.

The question of the application of these rules to the Officers generally of Her Majesty's British Forces serving in India is still under the consideration of Her Majesty's Government.

To obviate confusion or misconception as to the rules referred to, those previously in existence in those now sanctioned will be severally designated as the Furlough Rules of 1796 of 1854, or of 1868.

The term "Furlough Pay" having now a changed and two-fold signification, in all future orders and references "Furlough Pay" will be understood as the half Indian salary within the prescribed limits, specified in paragraph 5 of the rules, converted at the exchange of 2 shillings for the rupee, whilst "English Furlough Pay" will represent the rates heretofore allowed to the several grades as English pay under the rules of 1796 and 1854.

No. 614 of 14th June 1870.—The following Military letter from the Right Honorable the Secretary of State for India, is published for general information:—

MILITARY. INDIA OFFICE,
No. 105. London, 20th April 1870.
To His Excellency the Right Honorable the Governor-General of India in Council.

My Lord,—Paragraph 5 of your Despatch No. 367, dated 16th November 1869, reports your having decided that Officers of the Royal Engineers on the Imperial Establishment employed in the Public Works Department, will be considered entitled to the benefits of the Indian Furlough Rules, as forming part of the Civil Administration of the country, counting service from date of arrival in India; but that Officers joining the Sappers and Miners from England, who are not inclined to enter the Public Works Department, will enjoy only such leave as is conceded, under Her Majesty's Regulations, to Officers of British Regiments.

2. I presume it to be intended that the Officers with the Sappers and Miners, forming the fixed establishment receiving a staff salary, as referred to in the Despatch No. 47 of 15th February 1867, will be considered as Staff Officers; and that, although Officers merely attached to the Sappers will, while so employed, be considered as performing ordinary regimental duty, they will, should they afterwards accept staff employ, be entitled to count their service for furlough from date of arrival in India.

3. On this understanding I approve your decision.

No. 844 of 1871.—The following Military letter from the Right Honorable the Secretary of State for India is published for general information:—

MILITARY. INDIA OFFICE,
No. 207. London, the 10th August 1871.
To His Excellency the Right Honorable the Governor-General of India in Council.

My Lord,—In framing the Military Furlough Rules of 1868, it was understood to be the desire and intention of the Government of India that all distinction between furlough on private affairs and that on medical certificate should, as far as possible, cease, and amongst the introductory clauses to those rules is the following:—"1.—The distinction with respect to allowances hitherto drawn between furlough on private affairs and sick leave is abolished, both kinds of leave being included under the general term furlough, provision, however, being made for the obtaining of furlough under medical certificate, without all the restrictions applicable to furlough when taken without medical certificate."

2. It appears to me, therefore, that the only occasions upon which any Officer should be granted furlough on medical certificate are—

1st, when (as in the case of Subalterns) an officer entitled to furlough may, if compelled to take leave on account of ill health, be entitled, under the regulations, to certain privileges,—as free passage to England;

2ndly, when an officer is not entitled to furlough, but is obliged to take leave on medical certificate,—a case for which provision is made in the rules.

These rules will be applicable to all Officers who may elect to adopt them belonging to the several Indian Staff Corps or to the Indian Army, and in regard to the period of leave of absence during which appointments may be held, and in regard to the increased allowances they will also be applicable to Officers of the Royal Artillery and Royal Engineers, late of the Indian Army, holding permanent staff appointments not of a regimental nature.

I. The distinction with respect to allowances hitherto drawn

between Furlough on Private Affairs and Sick

Leave is abolished, both kinds of leave being included under the general term Furlough, provision however, being

made for the obtaining of Furlough, under Medical Certificate, without all the restrictions applicable to Furlough,

when taken without Medical Certificate.

II. Leave taken under the Rules now

prescribed will not involve forfeiture of appointment, except in the cases herein specially

provided for.

III. The Rules now

3rdly, when, in the interests of the service, an officer, although entitled to furlough, would only be granted leave on the production of a medical certificate.

3. Very recently applications for extension of furlough on private affairs on the part of officers who have come home on medical certificate, have been submitted to me and have been granted, the applicants appearing to be entitled to furlough under the regulations; but it is obviously desirable that I should be informed of the actual circumstances under which every officer claiming furlough upon medical certificate has had furlough granted to him, and I consider all officers entitled to furlough, whose services can be spared, should have the leave gazetted as "furlough," whether they produce a medical certificate or not.

4. With respect to the above three classes, it might be well to gazette the first to furlough, with a note to the effect that, being recommended by a Medical Board, they are entitled to a free passage, &c. With regard to the second, it would be sufficient to note the clause under which they take leave, and, with regard to the third, it will be assumed in future, when an officer entitled to furlough is thus granted leave on medical certificate, that his services could not otherwise have been dispensed with, and no extension of his leave will be granted in this country except on medical certificate.

I have, &c., (Signed) ARGYLL.

IV. Leave of Absence will, in future, be of three kinds, viz:—

I.—Furlough in or out of India.

II.—General Leave on Private Affairs or Sick Certificate in India or short leave to sea.

III.—Privilege Leave.

CHAPTER I.—Furlough.

The following Notification by the Government of India in the Financial Department, is republished:—

G. O. G.,
8th Mar. 1870,
No. 75.

No. 3292, dated 17th December 1869.—In continuation of the Notification of this Department No. 2527, dated the 7th August 1869, and in amendment of Rule V of the Military Leave Rules of 1868, the Governor-General in Council is pleased to declare that the furlough allowance of any Military Officer in Civil employ, who may after this date be granted furlough, shall not exceed Rs. 833-5-4 per mensem, or £1,000 per annum.

salary drawn by him for three years prior to his proceeding on Furlough. No absentee shall in either case draw more than £1,200, or less than £250 per annum. The term salary will signify the total amount drawn by an Officer, whether as consolidated pay or Staff allowances in addition to pay, but will not include any extra or special allowances. It is to be clearly understood that an Officer absent on Furlough, who may be transferred to another Office, during his absence, shall be entitled, for the entire period of his Furlough, to pay at the rate sanctioned to him when leaving India, provided that an Officer whose term of office shall lapse, during his Furlough, shall cease to draw his half Staff salary from the date of such lapse. An Officer will also be entitled to the benefit of his promotion to a higher Staff Corps or Regimental rank whilst on Furlough, subject to the maximum limit.

Officers not in Staff employ will receive half the Indian pay of their rank, provided that in no case will an Officer entitled to Furlough receive less than the above minimum of £250 per annum.

NOTE.—Officers who may be entitled to income allowance from the Military Fund during absence in Europe, will draw their half salary or minimum absentee allowance under the foregoing clause, subject to a deduction equivalent to the amount of such income allowance.

VI. All grants of Furlough on Private Affairs are subject to the exigencies of the Public Service, of which exigency the Government is to be exclusively the judge, and to any regulations that may be found necessary for limiting the number of Absentees.

VII. The maximum amount of Furlough on Private Affairs to be taken at any one time, carrying pay and retention of appointment, will be two years.

It is hereby notified that the rules laid down in the furlough regulations specified in the margin, which in the former require a period of ten or six years, and in the latter a period of three years, to be completed after return from last furlough before an Officer can be held eligible to a fresh furlough on private affairs, do not apply to the case of a General Officer of the Staff Corps or of the local service who may be unemployed.

prescribed do not affect the provisions of Act XXXIII of George III, Chapter 52, Section 70; but an Absentee cannot retain his appointment, and draw absentee allowances, except under the Rules now prescribed.* Nor do they affect the regulations by which General Officers Commanding Divisions and Brigades can only obtain limited periods of leave without forfeiting their commands.

V. An Officer drawing Staff Pay in addition to pay of rank, proceeding on Furlough, will be allowed pay at the rate of 50 per cent. of the salary of his substantive office. But an Officer on Civil employ and drawing consolidated salary will be allowed 50 per cent. of the average

salary drawn by him for three years prior to his proceeding on Furlough. No absentee shall in either case draw more than £1,200, or less than £250 per annum. The term salary will signify the total amount drawn by an Officer, whether as consolidated pay or Staff allowances in addition to pay, but will not include any extra or special allowances. It is to be clearly understood that an Officer absent on Furlough, who may be transferred to another Office, during his absence, shall be entitled, for the entire period of his Furlough, to pay at the rate sanctioned to him when leaving India, provided that an Officer whose term of office shall lapse, during his Furlough, shall cease to draw his half Staff salary from the date of such lapse. An Officer will also be entitled to the benefit of his promotion to a higher Staff Corps or Regimental rank whilst on Furlough, subject to the maximum limit.

Officers not in Staff employ will receive half the Indian pay of their rank, provided that in no case will an Officer entitled to Furlough receive less than the above minimum of £250 per annum.

VI. All grants of Furlough on Private Affairs are subject to the exigencies of the Public Service, of which exigency the Government is to be exclusively the judge, and to any regulations that may be found necessary for limiting the number of Absentees.

VII. The maximum amount of Furlough on Private Affairs to be taken at any one time, carrying pay and retention of appointment, will be two years.

It is hereby notified that the rules laid down in the furlough regulations specified in the margin, which in the former require a period of ten or six years, and in the latter a period of three years, to be completed after return from last furlough before an Officer can be held eligible to a fresh furlough on private affairs, do not apply to the case of a General Officer of the Staff Corps or of the local service who may be unemployed.

Financial Department, Leave and Allowances, Simla, the 10th May 1870.
No. 323.—The Governor-General in Council is pleased to notify that furlough on urgent private affairs, with pay equivalent to the British Regimental pay of rank under Section 11 of the Rules published in the General Order of the Government of India in the Military Department, No. 1064, dated the 10th November 1868, may be granted as often as it is applied for; provided that the authority granting it is satisfied of the urgency which leads to the application, and that the applicant is not at the time eligible for ordinary furlough. There is no other limit to the granting of this species of leave.

XII. Subject to State considerations, there will be no restriction as to the places to which an Officer may resort during Furlough.

XIII. Absence on Medical Certificate for a longer period than two years at one time, or departure on such Furlough within three years of the date of return from a previous Furlough, except Furlough under Rule XI will involve forfeiture of appointment. Such Furlough may, however, be extended to a third year on English Furlough pay.

No. 797 of 1872.—1st August.

6. Moreover, in order to remove one of the causes through which officers come on the unemployed list, Her Majesty's Government have directed the following change to be made in the present Furlough Regulations as far as they apply to Staff Corps officers:

pletion of eight years actual service in India, for a third year after a further period of six years' actual service and for a fourth and fifth year after similar intervals of six years, and so on up to the maximum hereafter prescribed. The grant

X. An Officer eligible for Furlough need not take the whole amount; to which his service entitles him, but may apply for any portion thereof as an instalment and in that case the balance will remain at his credit in any future computation of the amount of Furlough to which he may be entitled.

"All leave of absence granted by competent authority will henceforward involve retention of appointment. No officer will be allowed, on the plea of private affairs, to extend his leave, upon whatever grounds such leave may have been originally granted, beyond two years, except upon satisfactory evidence of very urgent necessity."

"In the event of an officer not being able to return to his duty after an absence of three years, it will rest with the Right Hon'ble the Secretary of State for India in Council to order him to appear before a Medical Board with a view to placing him on the retired list if entitled to pension, or on the half-pay list."

"Should the circumstances of the case warrant a further extension of leave, it can only be granted without pay."

"The rule contained in the 2nd clause* of paragraph 13 of the Furlough Rules of 1868 will be in all cases strictly observed."

Such furlough may be extended to a third year on English furlough pay.

2. It is further notified, with reference to Rule XIV, that it is intended that an Officer who has not any balance of furlough to his credit, but who has served three years from date of last return to duty, should, on obtaining furlough on medical certificate, receive the prescribed 50 per cent. of his emoluments and retain his appointment.

No. 724 of 1871.—Under instructions from the Right Honorable the Secretary of State for India, the Right Honorable the Governor General in Council is pleased to notify, that an officer entitled to furlough who has taken it on medical certificate may, on being declared fit for duty, take out on private affairs any balance due to him, provided that, on being declared fit for duty, he is not in excess of the established proportion of absentees.

An officer who, on his return to India, reports himself in ordinary course of that port of embarkation as having returned from furlough, will be considered to have returned to duty.

There is no restriction as to the country in which this leave may be taken, but an officer desiring to change from the place to which his leave on Medical certificate was originally granted, must obtain permission to do so from the Government of his Presidency in India, or from the Secretary of State for India in England, as the case may be.

On landing on such leave in England or in India, he must report his arrival accordingly to the India Office, or to the Military Department of his own Presidency, forwarding with his report a copy of the permission granted him to change his destination.

This order is of general application.

to take effect until the Officer shall have exhausted the entire amount of his available Furlough. If the aggregate of two years' leave is exceeded, the Officer will after that date come under the provisions of Rule XIV.

No. 528 of 19th May 1872.—The following paragraph of a Military Letter from the Right Honorable the Secretary of State for India, No. 70, dated 4th April 1872, is published for general information:—

Para. 5. I have therefore to request that you will re-publish Clause XV of the Furlough Rules of 1868, in the following terms:—

"If the aggregate of two years' furlough be exceeded, whether on medical certificate or private affairs, the Officer will vacate his appointment, such extension being, in the case of private affairs, without pay, and in that of medical certificate with English furlough pay, for a third year only."

This is in supersession of the ruling in G. O. G., No. 1* of 2nd January 1872, and Order Books will be corrected accordingly.

* Madras G. O. G., 16th January 1872, No. 18.

Rule XIV.—You will have observed from Orders No. 447, dated 19th January 1869, published at page 114 of the *Gazette of India*, that the Military Department have ruled that Rule II applies to an Officer taking furlough on medical certificate for the first time before the completion of eight years' actual service, both as to retention of his appointment & amount of furlough allowances.

XIV. An Officer not entitled to Furlough, whose health may necessitate his taking it within three years from the date of last return may, under the usual Medical Certificate, obtain such amount as may be duly certified to be necessary for the restoration of his health, but will only receive English Furlough Pay and must vacate any appointment he may be holding.

XV. An Officer entitled to Furlough, whose health may necessitate his absence from India, will be compelled to take leave as Furlough under Rule IX, but without forfeiting any passage money, to which he may be entitled under Military Fund Rules, or if a Subaltern, by Regulation when proceeding on Medical Certificate.

Any extension of this Furlough, beyond the period to which he may be entitled under Rule IX, will be regarded in all respects, as Furlough on Medical Certificate. Such extension will not be allowed under the provisions of Rule XIV.

No. 39 of 1869.—The following Extract from a communication from the Government of India, dated 21st January 1869, No. 1004, is published:—

The following will not form part of the aggregate of eight years of furlough on private affairs and medical certificate with pay and retention of appointment, to which an Officer who may elect the Furlough Rules of 1868, is restricted by Rule XVI:—

- I. All leave taken as local leave (not being furlough) in India.
- II. All leave necessitated by wounds received in action, or by sickness contracted on field service, which may have been, or may be, allowed to reckon as service for pension under the provisions of Government General Order No. 1113 of 1857.
- III. All leave duly granted to England, or extensions of furlough or leave on medical certificate granted in England, if without pay.
- IV. All sick leave to England that may have been taken under the Rules of 1796, on the old rates of furlough pay.
- V. All sick leave granted to the colonies eastward of the Cape of Good Hope under the Rules of 1796.

But the following will form part of the eight years referred to:—

- I. Furlough with pay on private affairs, under whatever rules it may have been taken.

O., No. 22* of the 6th January 1870, and under the authority of the Right Honorable the Secretary of State for India, the Right Honorable the Governor General in Council is pleased to notify, in order to prevent any misapprehension on the subject, that an Officer joining an Indian Staff Corps from the local service, or General List, does not forfeit any claim to furlough under Regulations of 1868 which he may have established by previous service.

XVII. If taken in India, Furlough will be reckoned from the date of the Absentee quitting his station to the date of his return thereto: if taken out of India, from the date of the sailing of the vessel in which he may have embarked on the date of his disembarkation in India.

No. 353, 25th March 1870.—With reference to G. O., No. 103 of the 26th January 1869, it is hereby notified that Officers of the Madras Army serving in Bengal, who have obtained furlough to Europe on private affairs or medical certificate, will, if they desire to proceed via Madras, instead of from Calcutta or Bombay, be allowed to reckon such furlough from date of embarkation at Madras, provided that the preparatory leave of thirty days allowed under existing regulations is not exceeded at the time of embarkation.

XVIII. Preparatory leave to embark for Europe or elsewhere on Furlough, will be granted for any period not ordinarily exceeding 30 days. Leave to the same limit, to enable him to rejoin on his return from Furlough, will be granted from the date of his disembarkation in India.

XIX. Furlough allowances shall be payable monthly if payment is taken in India; and quarterly, if payment is taken in England.

XX. Advances of Furlough Pay will continue to be made in India to those Officers who desire it, for three months from date of embarkation. Payments in continuation will be made in England on the expiration of six months from that date.

XXI. The Last Pay Certificate issued to each Officer who may be granted Furlough, whether on Private Affairs, or on Medical Certificate, will specify the rate of the pay and Staff salary of his last substantive appointment, and the rate to which he will be entitled in Europe in virtue of Rule V.

XXII. An Officer acting in India for an Absentee will be restricted for the entire period of such acting to the half Staff salary of the appointment in which he may be acting, in addition to the full pay of his rank, and the half Staff salary of his own appointment if he possess one. The Staff salary granted to an Acting Officer will, however, in no such case be less than Rs. 100 per mensem.

Rule XXII.—The minimum staff salary of Rupees 100 per mensem granted to an acting officer includes the half staff of his own appointment, if he have one.

XXIII. The privilege heretofore granted to Military Officers of counting the proportion of leave noted in the margin as service for Pension, is retained. The periods of service qualifying for Pension remain unaltered.

XXIV. In computing the Furlough on Private Affairs to which an Officer who has already enjoyed some portion of such Furlough will be entitled under these Rules, it will be necessary to deduct the total amount of the Furlough on Private Affairs of which he may have availed himself during his service, from the total periods to which under Rule IX, he can lay claim. The balance will represent the leave to which he will be entitled on the expiration of not less than three years from his last return to duty.

CHAPTER II.

General Leave on Private Affairs and Sick Certificate in India.

XXV. An Officer will be eligible, as at present, to take leave on Private Affairs or Medical Certificate in India, for any period not exceeding six months, at the discretion of His Excellency the Commander-in-Chief, or of the Government under which he may be serving. During the entire period of his absence on this account, the Officer will be entitled, as at present, to his full pay, and a moiety of his Staff salary. Leave taken under this Rule will form no part of the eight years' aggregate Furlough. If this indulgence should be taken advantage of for a third year consecutively, the Officer will lose his Staff appointment.

XXVI. Leave on Sick Certificate for a period exceeding six months, capable of extension, under renewed Medical Certificate, to a limit of one year, may be granted to any Officer who, in the opinion of a Medical Board, may require it. Leave of this nature, taken after the promulgation of these Rules, will be held to constitute a part of the maximum period of eight years' leave of absence to which an Officer is entitled in his entire period of service, but will not be regarded as Furlough, nor will it effect the intervals entitling to furlough laid down in Rule IX. During this leave the Absentee will draw a moiety of his Staff salary in addition to the pay of his rank.

No. 235, 18th Nov. 1870.—With reference to G. O. * No. 358 of 1868, it is hereby notified for general information, that the Government have ruled that an Officer taking leave (other than privilege leave) on private affairs or sick leave in India, for any period, for three years consecutively, will, under Rule XXV of the Furlough Regulations of 1868, be liable to forfeiture of his appointment.

* Madras G. O. G., 1st Dec, 1868, p. 248.

XXVII. Short leave not exceeding three months on Private Affairs or Sick Certificate, may also be taken to sea, on the above condition, but absence from India for any longer period will be treated as Furlough.

XXVIII. All general leave taken in India counts as part of the leave reckoning against service for Pension.

CHAPTER III.

Privilege Leave.

XXIX. Privilege Leave may be granted, as at present, for sixty days in each year, to all Officers in Military employ, without deduction from the salaries and emoluments drawn by them. General Leave, in extension of Privilege Leave, can only be granted on the ground of sickness, or some other serious emergency which could not have been foreseen when the Officer proceeded on Privilege Leave. Privilege Leave may, however, be converted into General Leave with the sanction of the Commander-in-Chief or the Government.

XXX. In the case of the Stations noted in the margin, Privilege Leave may, as at present, be granted for ninety days to Officers of local Corps, or of Corps which are usually employed in one or other of the Districts named.

The following Extract from a letter from the Secretary to the Government of India, Military Department, to the Adjutant General, Bengal, dated Simla, 27th July 1870, No. 541, is published:—

With reference to your letter No. 1359E of the 18th July 1870, inquiring with reference to the orders marginally cited, whether an Officer of the British or Indian service is at liberty to proceed anywhere beyond Indian limits on privilege leave, provided he can return to duty within the period of such leave, I am directed to ac-

G. O. G.,
18th Aug. 1870,
No. 243.

XXXI. An Officer is at liberty to proceed wherever he may desire on Privilege Leave, pro-

quaint you, for the information of His Excellency the Commander-in-Chief, that, under Clause XXXI of the furlough rules quoted, an Officer is at liberty to proceed wherever he may desire on privilege leave, provided he can ensure his return before the expiration of his leave; but if an Officer proceeds to a place from which he cannot ensure return within the term of his privilege leave, he will be liable to the consequences of over-staying such leave; and authorities should not sanction an Officer's proceeding on privilege leave, if there should be any ground to suppose that he cannot return within the prescribed period.

XXXII. Privilege Leave cannot be taken in continuation of Furlough, nor can Furlough be obtained in continuation of Privilege Leave. If Furlough be obtained by an Officer while absent on Privilege Leave, the Privilege Leave will be converted into General Leave, the Officer for that period sacrificing moiety of his Staff salary.

Military Officers in Civil Employ.

XXXIII. Military Officers in Civil or Political employ taking leave in India come, as respects period of leave obtainable and amount of pay to be granted, under the Civil Leave Rules. When they take leave out of India, they come under the Military Leave Rules.

Subsidiary Rule.

XXXIV. Officers of the Indian Military and Medical Services will be required generally to notify their intention to accept these Rules, or to adhere to those now existing, on the first occasion of their taking Furlough or General Leave after the publication of this Order. Such election must be considered final, and under no plea whatever will an Officer be subsequently relieved from the Choice thus made. Officers who may determine to abide by existing Rules, will be allowed to proceed on Furlough or the conditions laid down in Rules VII, VIII and XIII to the extent to which they may be entitled under the Furlough Regulations of 1854, and on the rates of pay contemplated in those Regulations, but retaining their appointments. The principle laid down in Rule XV must, however, be applied in those cases.

If an Officer under the Furlough Rules of 1796 elects the present Rules, his service for pension will be reckoned under the former Rules, up to 1st July 1868, and thenceforward under the Rules of 1868. The foregoing Rules will take effect from the 1st July 1868, as respects retention of appointments and terms under which leave will be granted, but half Staff allowances will not be available for Officers now on leave in cases where the acting Officer has already come into receipt of the full Staff salary. Nor can Officers who have vacated appointments which have since been permanently filled up, have any claim to be restored to them.

No. 207 of 1869.—The following Military letter from the Right Hon'ble the Secretary of State for India, No. 8, dated 13th January 1869, is published for general information:—

MILITARY. No. 8.

INDIA OFFICE, London, 13th January 1869.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR.—Your despatch, dated 18th August 1868, No. 313, relates to the question whether the furlough regulations of 1868 shall be made applicable to the Warrant Officers, and to certain other questions connected with the pay and allowances of those Officers.

2. Having considered the suggestions made by you, I have decided—

1st.—That the furlough rules of 1868 shall apply to all Warrant Officers holding veteran or honorary commissions, the period of service qualifying for furlough being calculated from the date of the attainment of the commission. These Officers will receive, during furlough, half their total receipts, without any reference to a minimum or maximum rate.

2d.—That Conductors and Sub-Conductors shall only be entitled to a furlough on sick certificate. The furlough will be for two years, and half of aggregate Indian allowances will be drawn during that period. Any leave on sick certificate, not exceeding one year, granted in extension of the two years, or leave taken within less than three years from date of last return to duty, will be on English furlough pay only.

3. I approve of the proposal that Warrant Officers appointed to act for those of a higher grade who may be on furlough, shall receive the half of the aggregate allowances of the absentees, added to half the aggregate of their own allowances.

4. I approve also of permanent Conductors, who have hitherto been in receipt of the old Staff salary of Rs. 75 a month, being still allowed to draw that amount.

5. Your letter has no reference to the Officers of the Subordinate Medical Department, but should your Government propose to include them, it is desirable that they should be expressly mentioned in the General Order which will be issued on the receipt of this despatch.

Under the authority conveyed in paragraph 5 of the foregoing letter, it is hereby notified that the provisions of the rules now notified will be equally applicable to Warrant Officers and those holding the honorary rank of Assistant Surgeons in the Subordinate Medical Department.

No. 888 of 23rd August 1872.—It having been announced in G. G. O. No. 207* of 1869, under the authority of the Right Hon'ble the Secretary of State, that the furlough rules of 1868 shall apply to all warrant officers holding veteran or honorary commissions, that Conductors or Sub-Conductors shall be entitled to furlough on sick certificate, and that corresponding furlough shall be granted to warrant officers in the Subordinate Medical Department, and to those holding the honorary rank of Assistant Surgeon, the Right Honorable the Governor-General in Council is further pleased, under the authority of Her Majesty's Secretary of State for India, to announce that those classes will be allowed to reckon the following periods of leave, whether taken in India or Europe, as service for pension:—

15 months in 12 years' departmental service.
20 " 14 " "
24 " 16 " "

2. Warrant officers holding that rank on this date may, should they elect to do so, continue on the rule hitherto in force, and reckon all leave in India as service and warrant rank after this date. This option will not be given to men attaining

provided he can ensure his return before the expiration of his leave.

8. Applications from warrant officers for leave to Europe must be accompanied by a duly certified statement of the applicant's service, and of the condition in respect to service for pension under which the furlough is taken.

4. The provisions of this Order will have effect from this date.

Unattached and Warrant Officers.

GENERAL ORDERS BY THE HON'BLE THE PRESIDENT OF THE COUNCIL OF INDIA IN COUNCIL.

Fort William, 6th June 1851.

No. 822 of 1851.—The following paragraph of a Military letter No. 37, from the Honorable the Court of Directors to the Governor of the Presidency of Fort William in Bengal, dated 9th April 1851, is published for general information:—

Unattached Officers are entitled to the benefits of the general retiring regulations counting from the dates of their first promotion to Commissions. To provide for the claims of such of these Officers as may, in consequence of the length of their previous service, be compelled to retire at earlier dates than are specified, in those Regulations, we have resolved to adopt the following additional scale, viz:—

Unattached Ensigns and Lieutenants, compelled by ill health to retire from the service.

If under 3 years' service as Commissioned Officers.....2A 6d. per diem.

If above and under 7 years' service in India as Commissioned Officers.....3s. per diem.

If above and under 12 years' service in India, as ditto.....4s. per diem.

If above 7, and under 12 years' service in India, as Commissioned Officers, after 20 years' total service in India.....5s. per diem.

If above 12 years' service in India as Commissioned Officers, after 30 years' total service in India, with an unqualified right to retire.....6s. per diem.

Despatch dated 14th April 1862, No. 36.

6. The cases of Warrant Officers, promoted on the Veteran Establishment, who applied to retire from the service, have, until recently, been specially considered, and in almost, if not in every case, the full pay of the Commissioned rank has been granted on retirement.

7. When considering an application from an Officer on the Veteran Establishment now in this country, I observed that, although there were rules for the retirement of Officers holding unattached Commissions (G. O. G. No. 322 of 6th June 1851) there were no rules for the retirement of Officers on the Veteran Establishment. I accordingly decided that to entitle an Officers on the Veteran Establishment to retire on the full pay of his Commissioned rank, he must have served the time which he would have required under the provisions of the retiring Regulations, had he remained in the Warrant grade, to entitle him to the full pay of his former rank in that grade.

G. O. G. G. No. 885 of 6th March 1856.—The Right Hon'ble the Governor General of India in Council is pleased to direct, that the following paragraphs of a Military letter from the Hon'ble the Court of Directors to the Government of India, No. 2, dated 2d January 1856, be published in General Orders:—

Letter dated 3d September 1855, No. 201.

Letter from Captain Skinner, transferred from the Nizam's Army to an unattached Commission in the Company's Service, requesting information as to the amount of pension he will be entitled to on retirement. The Auditor General's views on the subject recapitulated by Government.

G. O. G. No. 250 of 15th August 1856.

Also No. 206. Enquiry as to how the new furlough rules are to apply to Captain Skinner, and other unattached Officers.

3. All unattached Officers are entitled to the benefit of the new furlough Regulations from the date of their first commissions.

G. O. C. C. 27th April 1857, No. 16.—The Commander-in-Chief directs it to be notified that by a recent decision of the Government of India, unattached Officers of the Veteran Establishment are allowed the benefit of the new furlough Regulations, and these Officers can take leave in India on the same terms as they did prior to the publication of the new furlough rules.

G. O. C. C. 29th August 1857, No. 44.—The Provincial Commander-in-Chief directs the publication of the following decisions by the Government of India.

A Warrant Officer on the Veteran Establishment is entitled, without loss of Warrant, to the same absentee allowance as if on leave in India, for the first six months of sick furlough, but thereafter, as well as when on furlough on private affairs he is restricted to the furlough pay of his Commission or of his Warrant, whichever may be the superior emolument.

A Warrant Officer holding a Commission on the Veteran Establishment has a footing in the Effective Army in virtue of his Warrant rather than of his Commission and his Warrant being analogous to the Regimental Commission rather than to the Staff appointment of an European Officer, is not forfeited by any furlough which may be granted him, even if it exceed six months on private affairs or fifteen months on medical certificate under the new rules.

G. O. G. G. No. 1559 of 1857.—The following Extract para. 11 of a Military letter from the Honorable the Court of Directors to the Government of India, No. 195, of the 14th October 1857, is published for general information:—

11. Warrant Officers are allowed the same privilege of furlough as Unattached Ensigns and Lieutenants and as Officers promoted to Commissions on the Veteran Establishment, viz., Memorial from Mr. Conductor A.B. Fox, after six years' service as Commissioned or War-

No. 132 of 1859.—With reference to G. O. G. No. 810, 10th July 1857, regarding the transfer to the Invalid Establishment of Officers declared "unfit for further service," the Honorable the Governor in Council, with the sanction of the Government of India, and with adherence to para. 15 of the above G. O. G., is pleased to direct that such Subaltern Officers as may have joined their Battalions, shall receive Passage Money on the terms regulating the allowance to Subalterns of effective Corps.

2. Subalterns on the Invalid Pension List shall receive Passage Money only when proceeding to England on retirement from the service, or for the purpose of retiring from the service.

16. Officers on the Invalid Establishment are eligible to hold situations under Government.

17. Officers of the Invalid Battalion may retire on the pension of their rank after the prescribed period of service, or on the pension to which they were entitled on their removal to the Invalid Establishment. Officers on the Invalid Pension List may retire upon the rate of pension to which they were entitled when they joined that Establishment.

The above rules are not to be applied to Officers on the present Invalid Establishment of the three Presidencies.

Promotion of Officers.

G. O. G. G. No. 740 of 20th May 1859.—His Excellency the Governor General in Council is pleased to direct the publication in General Orders of the following Royal Warrant, received with a letter from the Right Honorable the Secretary of State for India, No. 119, of the 7th April 1859, prescribing rules under which Combatant Officers are to be recommended for promotion in Her Majesty's Indian Military Forces:—

G. O. G. No. 222
of 3d June 1859.

Whereas, we have judged it expedient to revise those parts of Our Royal Warrants of the 6th day of October 1854, and 3d day of November 1854, which regulate the promotion and retirement of Combatant Officers in Our Army and Ordnance Corps, Our will and pleasure is, that from the date of this Our Royal Warrant Our Governor General in Council shall govern himself by these Our rules in recommending Combatant Officers for promotion in Our Indian Military Forces.

PROMOTION.

1. That the rank of Field-Marshal be given without reference to seniority.
2. That there shall be a fixed establishment of General Officers, viz. :—
Generals..... 25 Lieutenant-Generals..... 50 Major-Generals..... 145
3. That Colonels may be appointed, without regard to seniority, to command as Major-Generals, with temporary rank; and if they shall have conducted themselves to our satisfaction, such temporary rank, after having been held for five years in peace, or for any shorter period in war, may, upon the recommendation of Our Governor General in Council, be made permanent. That the temporary rank of General and Lieutenant-General may also be given, whenever the convenience of the service requires it, and may be made permanent in a similar manner.

4. That every vacancy on the fixed establishment of General Officers shall be filled by the promotion of the senior Colonel qualified to succeed to the rank of Major-General and to be placed on the fixed establishment, under the regulations now in force; or by a supernumerary Major-General, as provided in Clause 6.

5. That, in addition to the Colonels promoted by seniority to be Major-Generals and those promoted after having held temporary rank under the Regulation in Clause 3, Colonels shall be eligible for promotion to the rank of Major-General, and Major-Generals to the rank of Lieutenant-General, and Lieutenant-Generals to the rank of General, for distinguished services in the Field.

In the case of Officers promoted to the rank of General Officers, as a reward for distinguished service in war, the recommendation, in which the service of the Officers shall be detailed, shall be published in the General Orders of Our Indian Military Forces, and in the London Gazette.

6. That all Colonels promoted to be Major-Generals after five years' employment in responsible commands with the temporary rank of Major-General under the provisions in Clause 3, and all Colonels promoted to be Major-Generals for distinguished service in the Field, shall be placed on a supernumerary list of Major-Generals, and shall not be reckoned as part of the fixed establishment until the time when they would have attained the rank of Major-General by seniority; that is to say, until the Colonel who originally stood next senior on the Colonels' list to the Officer promoted out of his turn has become a Major-General, after which the next vacancy will be filled by the transfer of the supernumerary Major-General to the fixed establishment. The Major-Generals who have already been promoted out of their turn, and would not yet have succeeded to that rank by seniority, shall be considered as coming under this rule.

The supernumerary Major-Generals, when absorbed into the fixed establishment, shall preserve the seniority which they acquired when, after a period of qualifying service with temporary rank they were first confirmed as permanent Major-Generals on the supernumerary list, and shall rise by that seniority to be Lieutenant-Generals in succession. General Officers promoted for distinguished service in the field will take their seniority from the date of their promotion, as stated in the London Gazette.

7. That three separate lists of General Officers be inserted in the Army List of Our Indian Military Forces, the first containing the names of those on the fixed establishment; the second, those who, having been promoted out of their regular turn, are supernumerary to the fixed establishment; and the third, those who have retired from the service with the honorary rank of General Officers.

8. That the rank of Colonel be given to Officers, after serving for five years with the rank of Lieutenant Colonel, in the actual command of Regiments, or for the same period as second Lieutenant Colonels of Regiments, or on the Staff, in the following situations:—viz., Adjutant-General, Quarter-Master General, Deputy Adjutant-General, Deputy Quarter-Master General, Secretaries to the Government of India in the Military and Public Works Department, Secretaries in the Military Department to the Governments of Madras and Bombay, to the Chief Commissioner of the Punjab, the Commissioner in Mysore, and the Resident at Hyderabad; Judge Advocate General, Commissary General, Deputy Commissary General, Inspector General of Ordnance, Superintendent of the Ordnance Manufacturing Department, Chief Engineer, Superintending Engineer, Surveyor-General of India, subject always to the approval of the Governor in Council and Commander-in-Chief of the Presidency to which the Officer belongs.

9. That Regimental Majors, who are Brevet Lieutenant-Colonels, falling into the Command of Regiments in the absence of the Lieutenant-Colonel, shall on attaining the rank of Regimental Lieutenant-Colonel, reckon the period commencing from the completion of the first month of such temporary command, of part of the five years required to qualify for the rank of Colonel.

10. That the rank of Colonel be given to Officers who obtain the rank of Brevet Lieutenant-Colonel for services in the Field, after eight years of actual service with that rank.

11. That in cases where a Regiment may be so divided as to constitute two distinct commands, and one portion may be under the command of the Regimental Major, who is also a Brevet Lieutenant-Colonel, and in cases where a Brevet Lieutenant-Colonel may be in command of a mixed force of different Corps, discretionary power shall be vested in our Commander-in-Chief in India, subject to the approval of Our Governor General of India in Council, to allow such service, or portions of such service, to count as part of the qualifying period for promotion to the rank of Colonel.

12. That Lieutenant-Colonels appointed to Civil situations under Government on or after the date of this Our Royal Warrant shall be promoted to the rank of Colonel after eight years' service in the former rank, provided the nature of the Civil appointment be considered by our Governor General of India in Council and Commander-in-Chief in India calculated to give the Officer such practical experience as may afterwards prove advantageous to the Corps or Service to which he belongs.

13. That Field Officers, commissioned as such before the 20th June 1854, be allowed to rise by Brevet as heretofore; but no Officer promoted to the rank of Field Officer on or after that date, is hereafter to rise from the rank of Lieutenant Colonel to that of Colonel, otherwise than by five or eight years' service in the former rank, as provided in Clause 8, or as a reward for distinguished service, or by appointment to be Queen's Aide-de-Camp—except under the special provisions in Clauses 9, 10, 11 and 12.

14. Lieutenant-Colonels, who held that rank prior to the 20th of June 1854, shall be promoted by a special Brevet to the rank of Colonel,—commissions to bear date the 28th November 1854; and such of the said Lieutenant-Colonels as have been passed over by Officers who have attained the rank of Colonel, in conformity with the provisions of Our Royal Warrants of the 6th October and 3d November 1854, shall be restored to the respective places which they would have occupied as Colonels, had they been promoted in ordinary succession under the system of periodical Brevets.

15. That promotions shall be made from Captain to Major, and from Major to Lieutenant-Colonel, in succession, as vacancies occur in the Major-General's fixed establishment.

16. That any Captain, Major, or Lieutenant-Colonel may be rewarded by Brevet promotion for distinguished services in the Field.

17. That the commands of General Officers, and other situations on the Staff both at home and abroad, shall not be held for more than five years, unless by re-appointment under special circumstances. Given at Our Court at Windsor, this thirty-first day of January 1859, in the Twenty-second Year of Our Reign.

By Her Majesty's Command,

STANLEY.

G. O. G. G. No. 1537 of 15th November 1859.—The following paragraphs of a Military letter from the Right Honorable the Secretary of State for India, No. 279 of the 18th August 1859, are published for general information:—

Having submitted to the General Commanding-in-Chief certain questions as raised by your Government in view to ascertain the practice in such cases in Her Majesty's British Army, I have received the following replies:—

Question.

1st. Whether the period occupied by a Lieutenant-Colonel in joining his Regiment or appointment after his return from leave beyond sea should be reckoned in the qualifying period.

"Several similar cases have occurred in Her Majesty's British Army, and it has been ruled that an Officer so circumstanced must serve other two years to complete the period of five years prescribed in the Warrant of October 1858, and no allowance of time is conceded with reference to the near completion of the three years under the Warrant of October 1854, when the new Warrant came into operation."

2. The practice in promoting Officers to the rank of Colonel in Her Majesty's Indian Forces must be regulated accordingly.

No. 314 of 1869.—In continuation of G. O. G. No. 563 of 1868, the following correspondence between the Government of India and the Commander-in-Chief in India is published for general information:—

"Letter from the Secretary to the Government of India, Military Department, No. 1469 of 30th January 1869, to the Adjutant General.

In requesting you to move His Excellency the Commander-in-Chief to cause the decision of His Royal Highness the Field Marshal Commanding-in-Chief, submitted with your No. 73C, dated 4th instant, in regard to the application of the term "temporary leave of absence" (in para. 2 of the Secretary of State's No. 254 dated the 16th July 1868) to be published in His Excellency's General Orders, I am desirous to suggest that, in order to prevent any misapprehension, it should be at the same time pointed out that the furlough to Europe, reckons as service for the rank of Colonel under the five years' rule only when the Major and Brevet Lieutenant-Colonel holds a qualifying Staff appointment, and not when he is in Command of a Regiment.

Letter from the Military Secretary Horse Guards, dated 17th November 1868, to the Commander-in-Chief in India.

Having submitted to the Field Marshal Commanding-in-Chief your letter of the 26th September last, I am directed to intimate to your Excellency that His Royal Highness considers that the term "temporary leave of absence," used in the Secretary of State's Despatch quoted by you should be held to include "Furlough to Europe," in calculating the service for Colonel of a Major and Brevet Lieutenant-Colonel holding a qualifying Staff appointment.

G. O. G. G. No. 225 of 10th March 1864.—With reference to the Government General Orders noted in the margin, the following Military letter from the Right Honorable the Secretary of State for India, is published for general information and guidance:—

From H. M.'s Secretary of State for India, to the Right Hon'ble the Governor General of India in Council, No. 27, dated 30th January 1864.

Sir,—Referring to my Despatch dated 31st December 1863, No. 446, on the subject of promotion to the rank of Colonel under the 8th Clause of the Royal Warrant of the 31st January 1859, I have to inform you, that a communication now received from the Hon'ble the Secretary of State for War has brought to the notice of the Field Marshal Commanding-in-Chief that the qualifying period in the rank of Lieutenant Colonel previously to obtaining the rank of Colonel was extended from three to five years, with the express view that no deductions from that period were to be made on account of leave of absence. His Royal Highness in consequence sees the necessity of rectifying the position of all Colonels promoted since October 1858, who may have had their promotion retarded by the practice of limiting the leave of absence to fifteen months in the five years.

2. A similar course is to be adopted by your Government with respect to all Colonels of Her Majesty's Indian Forces promoted under the Royal Warrant of 31st January 1862, whose promotion may have been retarded, under the restriction with regard to leave of absence published in General Order, dated 18th September 1860, No. 940.

Under instructions from the Right Hon'ble the Secretary of State for India, concurred in by His Royal Highness the Field Marshal Commanding-in-Chief, His Excellency the Governor General in Council is pleased to notify, with reference to Government General Order, No. 740, dated 20th May 1859, that the time passed by a Major and Brevet Lieutenant Colonel in proceeding from the command of one regiment to that of another, the removal having been ordered on public grounds, is to count in full for promotion to the rank of Colonel, under Clause 9, of the Royal Warrant of the 31st January 1859.

MILITARY, No. 254.

INDIA OFFICE, London, 16th July 1868.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—I have submitted, for the opinion of His Royal Highness the Field Marshal Commanding-in-Chief, your letter No. 113 of 23rd March last, and its enclosures, relative to a representation from the Madras Staff Corps, against the post-dating of his Commission as Colonel, and those of Officers similarly situated, with reference to Despatch No. 115 of 31st May 1866, which declared that the period during which an Officer not a substantive Lieutenant-Colonel is absent from his Command on any account whatever, can only be allowed to reckon as qualifying for the rank of Colonel under the eight years' rule.

2. I have been informed by His Royal Highness in reply, with reference to the provision of the Royal Warrant upon that point, that, in the case of a Major and Brevet Lieutenant-Colonel holding a qualifying staff appointment, it has been ruled that temporary leave of absence shall reckon toward his Colonelcy under the five years' rule, but that, in the case of an Officer of the rank of Major and Brevet Lieutenant-Colonel whilst absent from a Regimental Command, such period of absence is not allowed to reckon under the five years' rule.

I have, &c.,
(Signed) STAFFORD H. NORTHCOTE.

"A reference on the subject having been made to the General Commanding-in-Chief, it has been ruled that leave of absence taken by a Brevet Lieutenant Colonel who has obtained that rank for service in the Field, is to reckon as part of the eight years' service required under the Royal Warrant of the 31st January 1859, to qualify for the rank of Colonel."

INDIA OFFICE, LONDON, 25th November 1862.

To His Excellency the Right Hon'ble the Governor General of India in Council.

MY LORD,—The provisions of the Circular Memorandum from the Horse Guards, dated 24th August 1860, No. 61, quoted in the margin, are to be in future adopted by Officers in the Indian Armies. Your Government will accordingly issue a Notification to this effect in General Orders.

Horse Guards, S. W., 24th August 1860.

"It has been directed by the Secretary of State for War, with the concurrence of His Royal Highness the General Commanding-in-Chief, that Captains having Brevet rank as Field Officers, at present holding staff situations as pointed out by the 8th Clause of the Royal Warrant of the 14th October 1868, are permitted to count their services in those situations towards the rank of Colonel, but no Captain holding Brevet rank of Field Officer, who may in future be appointed to such situations, will be allowed to count his services in them towards the rank of Colonel."

APPENDIX.

Fort William, 7th January 1864.

No. 14 of 1864.—The following paragraphs of a Military letter from the Right Honorable the Secretary of State for India, No. 408 of the 30th November 1863, are published for general information:—

I have received and considered in Council the Military letter from the Governor General dated 29th August last, No. 80 A, on the subject of the adoption, as regards Major-Generals of the Staff Corps, of the provisions of the Royal Warrant of 5th November 1860, which modifies, in favor of Officers promoted for service in the field, Clause 27 of the Royal Promotion Warrant of the 14th October 1858.

2. Previously to the receipt of his Lordship's letter, I had determined that the time passed by an Officer on leave of absence, rendered necessary by ill-health contracted on service, or in consequence of a wound received in action, shall be allowed to count towards the six years' service in the substantive rank of Field Officer required by the rule laid down in my Despatch dated 3rd December 1861, No. 467 (19), to entitle an Officer of the rank of Major-General to the unattached pay of that rank. Colonel C. Read, C. B., Aide-de-Camp to the Queen, is to have the benefit of this alteration.

3. I now authorize you to introduce the rule sanctioned in the Royal Warrant of 5th November 1860, and to declare an Officer of the Staff Corps who has been, or shall be hereafter, promoted to the rank of Field Officer by brevet for service in the field, who shall continue to serve uninterruptedly, on full pay, from the date of his promotion by brevet to the date of his obtaining the rank of Major-General, to be entitled to the unattached pay of that rank, notwithstanding he may not have served six years with the regimental rank of Field Officer with a Regiment, or in one of the situations specified in Clause 8 of the Royal Warrant of 31st January 1859.

Fort William, the 10th February 1864.

No. 117 of 1864.—The following Military letter from the Right Honorable the Secretary of State for India is published for general information:—

From Her Majesty's Secretary of State for India, to the Right Hon'ble the Governor General of India in Council, No. 445, dated 31st December 1863.

SIR,—I have received and considered in Council your Excellency's Military letter

No. 56A, dated 29th July 1863, forwarding applications from the Officers * Separate. Commanding the Guide Corps, 1st and 2nd Punjab Cavalry, and 2nd Punjab Infantry, soliciting that the period passed in command of Regiments of the Punjab Irregular Force may be considered as qualifying an Officer for promotion in the rank of Colonel, in like manner as such command counts in Native Regiments of any description under the orders of His Excellency the Commander-in-Chief.

2. My attention has been already drawn to this subject by your proceedings in the Military Department, Nos. 214 and 215 of the 5th March last, wherein it appears that the claim of a Lieutenant Colonel of the Bombay Army to promotion under the Warrant was considered subject to the inquiry as to whether the Regiment he commanded was or was not under the orders of the Commander-in-Chief; and I was, prior to the receipt of the Governor General's letter now under acknowledgment, in communication with His Royal Highness the Commanding-in-Chief on the subject.

3. I observe that the wording of my reply to the inquiry contained in the 7th paragraph of your letter, No. 83 of 17th June 1859, may have led to a misapprehension of the intention of Her Majesty's Government, and of His Royal Highness the Field Marshal Commanding-in-Chief upon this point.

4. In the paragraph referred to, your Government desired "to be informed whether the command of Irregular and Local Regiments is to be still considered as qualifying for promotion to the rank of Colonel;" and a reference having been made to the General Commanding-in-Chief on this subject, it was stated in reply "That His Royal Highness considers that the command of Local or Irregular Regiments, if held by an Officer with the rank of Lieut.-Colonel, may qualify for the rank of Colonel under the provisions of the Warrant."

5. There were, however, two descriptions of Native Forces, with a Regimental organization, viz., the 1st Military, consisting of Regiments employed on duties of a strictly Military character; and 2nd, the Police, consisting of Irregular bodies, which, though having a Military organization, were ordinarily employed upon Civil and Police duties.

6. It was not intended that the command of a Corps of the latter description should qualify for promotion under the 8th Clause of the Royal Warrant, and it was with a view of drawing a distinction between the two descriptions of Force to which I have referred, that the words "under the orders of the Commander-in-Chief," which did not occur either in your letter or in that of the Military Secretary to His Royal Highness, but which were adopted as expressing in a few words the distinction which it was intended to make, were inserted in my reply to your reference.

7. While the object of the distinction was to exclude Officers of Police Battalions from the operation of the 8th Clause of the Warrant, it was not intended to exclude from the privilege conferred by it, Officers Commanding Regiments of a strictly Military character, whether serving directly under the Commander-in-Chief, or placed, for reasons of State policy, under the Civil Government.

8. I request, therefore, that the terms of your Order No. 39 of 1859, which would seem to exclude from the benefit of Clause 8 of the Royal Warrant, Officers Commanding Regiments or Forces of the latter description, may be modified, and that the rule, as now explained, may be applied, with retrospective effect, to such Officers as may be already entitled to promotion to the rank of Colonel under its provisions.

9. Under the operation of this order, the Punjab Force, the Hyderabad Contingent, and all such bodies of Troops will be considered as forming a portion of the Standing Army, and Officers serving with those Forces will be entitled to all the privileges regarding promotion granted to the Officers of the Army at large, by the usage of the service, or under the provision of the Royal Warrant.

APPENDIX.

No. 118 of 1864.—The following Military letter from the Right Honorable the Secretary of State for India is published for general information:—

From Her Majesty's Secretary of State for India, to the Right Hon'ble the Governor General of India in Council, No. 446, dated 31st December 1863.

SIR,—With reference to my Despatch, No. 436 of 25th November 1862, I have to inform you that the rule laid down in a Circular from the Horse Guards, No. 61 of the 24th August 1860, extends to all Officers holding the rank of Captain regimentally with the Brevet rank of Lieutenant Colonel, who may be serving in positions qualifying for promotion to the rank of Colonel, under the 8th Clause of the Royal Warrant of 31st January 1859.

2. It is therefore to be considered as applying to Officers of that rank holding the command of Regiments in the Indian Army.

3. A Captain and Brevet Lieutenant Colonel appointed to the command of a Regiment before the publication in General Order of the Horse Guards' Circular of the 24th August 1860, count his period of command as qualifying service for the rank of Colonel, but a Captain and Brevet Lieutenant Colonel appointed to a similar Command subsequent to the publication, would not so count it.

No. 58 of 1865.—The following Military Letter from the Right Hon'ble the Secretary of State for India, No. 377, dated the 25th November 1864, and the Abstract of Rulings therein referred to, are published for general information:—

The principle of the Rules will apply to Officers of the Indian Army holding qualifying appointments as well as to Officers of the Staff Corps, similarly situated and whose promotion to the rank of Colonel is not provided for under paragraph 2 of the Staff Corps Warrant:—

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—With reference to my Despatch, No. 27, dated 30th January 1864, I have to acquaint you that as it has been determined that no deduction from the period of five years' service qualifying for the rank of Colonel is to be made on account of leave of absence taken by Lieutenant Colonels generally, the same rule is to be made to apply to the promotion of Lieutenant Colonels of the Staff Corps, under the Royal Warrant of 16th January 1861.

No. 494, 2nd May 1862.

From H. M.'s Secretary of State for India, to the Right Honorable the Governor General of India in Council, No. 26, dated 30th January 1864.

SIR,—My letter dated 8th October 1861, No. 389, informed you that it had been determined that Officers holding the rank of Colonel and Lieutenant Colonel regimentally in the Royal Artillery were not, in future, to be seconded when holding Civil situations. My Despatch of the 24th March 1862, No. 124, further informed you that the Supernumerary Lieutenant Colonels of the Royal Artillery were to be absorbed into the Regiment as vacancies occurred, and directed that a similar rule should be established with regard to the Indian Brigades.

2. Circumstances have hitherto prevented the carrying out this intention in the Royal Artillery, and the measure has, in consequence, been suspended, as respects the Indian Artillery also.

3. I am now informed that it is determined that the absorption of the Supernumerary Field Officers of the old Brigades shall commence on the 1st April next, and that with this prospect in view, the Field Marshal Commanding-in-Chief has commenced the discontinuance of the practice of placing Field Officers of Artillery on the Supernumerary list.

4. The absorption of the Field Officers in the new Brigades will not be commenced until the process is completed in the old Brigades, but no Field Officers of either Brigade will be placed on the Supernumerary list after this date.

5. It is understood that the absorption of the Field Officers will be affected in the manner indicated in my letter, dated 24th March 1862, No. 124, by making only one promotion for every three vacancies.

PROMOTION TO COLONEL—QUALIFYING SERVICE.

No. 586 of 1867.—The following Despatch from the Right Hon'ble the Secretary of State for India, is published for general information:—

MILITARY.

No. 119.

INDIA OFFICE;
London, the 25th April 1867.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—Para. 1. With your Military letter No. 39, dated 28th February, paragraph 2, you transmit correspondence relative to qualifying service for promotion of Majors and Brevet Lieutenant-Colonels under the Royal Warrant of 31st January 1859.

2. As the Commander-in-Chief considers the point raised open to question, you state you are desirous of being informed whether the decision contained in your Official Secretary's letter No. 339, dated 11th February, is accurate, viz. that no portion of the time passed on leave by a Major and Brevet Lieutenant-Colonel (for field service) Commanding a Regiment, can count as qualifying service for promotion to Colonel, under the provisions of Clause 10 of the Royal Warrant of 31st January 1859.

3. The clause referred to is as follows:—

"That the rank of Colonel be given to Officers who obtain the rank of Brevet Lieutenant-Colonel for services in the field after eight years of actual service with that rank."

4. When the period qualifying the Lieutenant-Colonel for the rank of Colonel, which had been fixed by the Royal Warrant of 1854 at three and six years respectively, was raised by the Warrant of 1858 to the periods of five and eight years, it was understood that no deductions from the extended periods were to be made on account of leaves of absence. It was subsequently determined (July 1860) that in respect of Lieutenant-Colonels in India, a limit should be placed "on the period of absence to be reckoned as part of the five years qualifying for promotion to Colonel; and that fifteen months, being one-fourth of the whole period of five years, will be the term allowed, exclusive of leave obtained on medical certificate in consequence of wounds received in action."

5. This Regulation was to apply both to Her Majesty's British and Indian Forces serving in India.

6. Very shortly afterwards your Government were informed that, on a reference to the General Commanding-in-Chief, it had been ruled that leave of absence taken by a Brevet Lieutenant-Colonel who had obtained that rank for service in the field, was to reckon as part of the eight years' service required, under the Warrant of 31st January 1859, to qualify for the rank of Colonel. This decision was published in orders by your Government on the 21st September 1860.

7. You were informed recently that the practice under which leave of absence had been deducted from the five years' qualifying period, was to cease; and that the Field Marshal Commanding-in-Chief had seen the necessity of rectifying the position of all Colonels promoted since October 1858, who might have had their promotion retarded by the practice of limiting the leave of absence to fifteen months in the five years.

8. Your Government were directed to adopt a similar course in respect to the Colonels of Her Majesty's Indian Forces.

9. Your Government will thus observe that, although a limit was at one time placed on the leave of absence to be taken by a Lieutenant-Colonel qualifying under the five years rule; it has at no time been intended that any deduction on account of leave of absence should be made from the service of the Brevet Lieutenant-Colonel qualifying under the eight years rule, under Clause 10 of the Royal Warrant. The only qualification required under this Clause is, that an Officer should continue to serve on full pay for the period of eight years from the date on which he obtained the rank of Lieutenant-Colonel for service in the field.

10. The questions put by Sir William Mansfield to your Government, were as follow:—

1st.—Whether the period passed on leave by a Major and Brevet Lieutenant-Colonel Commanding a Native Regiment, is to be reckoned under Clause 10 of the Royal Warrant of 31st January 1859?

2nd.—Whether leave of absence, which has been allowed to count as service for pension, is to be deducted from the qualifying service of Captains and Majors holding command of regiments with the army rank of Lieutenant-Colonel?

11. With regard to these questions I have to remark as follows:—

12. Under the decision communicated to your Government on the dates noted in the margin, the command of Native Regiments held by substantive Majors being Brevet Lieutenant-Colonels, is to qualify for promotion to the rank of Colonel under the

27th October 1859, No. 386.
31st December 1863, No. 445.

five years rule, in accordance with the provisions of Clause 9 of the Royal Warrant. Under the rulings of the Secretary of State for War, published in Orders in India on 13th January 1865, in respect to Clause 9, a regimental Major being a Brevet Lieutenant-Colonel, can only count the period he actually held command of a regiment towards the five years. On ceasing to exercise the command, he would, if a Brevet Lieutenant-Colonel for service in action, be in the same position as the Captain and Brevet Lieutenant-Colonel referred to in Sir Charles Wood's Despatch of 17th November 1864, No. 356, paragraph 5, that is, he would revert to the 10th Clause of the Warrant whilst on leave. The decision of the Field Marshal Commanding-in-Chief to this effect was communicated to you in Lord de Grey's Despatch dated 31st May 1866, No. 115. In this Despatch you were informed that, by the rules which govern the promotion of Officers of the British Service, the period during which an Officer, not a substantive Lieutenant-Colonel, is absent from his command on any account whatever, can only be allowed to reckon as qualifying for the rank of Colonel under the eight years rule,

13. The privilege under which leave of absence is, in certain cases, allowed to count as service for pension, relates to retirement on full pay only, and has no bearing on promotion under the Royal Warrants.

I have, &c.

No. 10.

Under instructions from the Right Honorable the Secretary of State for India, and in accordance with the rule which obtains in the British Army, mixed qualifying periods of service for promotion to the rank of Colonel when there happen to be fractions of days will be computed as follows:—

The five years will be considered as completed if the number of days, together with the fractions of days, amount to more than 1,825½ days, but another day's service will be required if the fraction in the total is only equal to, or less than, half a day.

No. 234 of 6th March 1872.—The following paragraphs of a Military letter from the Right Hon'ble the Secretary of State for India, No. 11 of the 18th January 1872, and the Royal Warrant* therein referred to, are published for general information:—

Para. 1.—In your letter, No. 311, dated 26th September 1871, you express your concurrence in the proposals made in my Despatch of 13th January 1869, for regulating the Army promotion of Officers of the local service from the time that the 10th and two following clauses of the Royal Warrant of 13th June 1864 should come into operation:

2. In order to carry these proposals into effect, a Royal Warrant, dated 21st December 1871, has been issued, 20 copies of which are forwarded herewith, as well as copy of correspondence* with the War Office on the subject. You will observe that opportunity has been taken to consolidate the various Regulations in existence with respect to the promotion of the Officers of Her Majesty's Indian Forces.

3. It will rest with your Government to keep the necessary lists, and to notify the promotions or removals of the names of Officers from rank to rank, as the case may be, in succession to vacancies caused by the deaths of General Officers, up to the rank of Lieutenant-Colonel. The promotions amongst the General Officers, and from the rank of Colonel to that of Major-General, will be made, as heretofore, in this country.

4. On occasions when no actual promotion in or to General rank takes place, but a name in italics is removed from one grade to another, no notification will be made in the *London Gazette*; but I consider it advisable that the fact should be published in your local Orders. For this purpose, you will be kept duly informed of all vacancies, and of the alterations in the list occasioned by them.

5. On the death of Lieutenant-General Sir G. I. Jameson on the 24th October 1871, clauses 10, 11, and 12 of the Warrant of 15th June 1864 came into operation. The Senior Colonel of the British Army became a Major-General, the Staff Corps Officers were transferred to the Imperial List,† and, under the provisions of the Warrant now forwarded, the name of Colonel Salmon, of the Bombay Staff Corps, was placed in italics in the position of Junior Major-General on the India List.

VICTORIA R.

Whereas it has been represented to Us that it is expedient to make further Regulations for governing the Promotion in the Army of the Officers of Our Indian Forces, Our will and pleasure is that the Regulations annexed to this Our Royal Warrant be established and be the sole Regulations under which the Promotion in the Army of such Officers shall be effected.

Given at Our Court at Windsor this 21st day of December 1871, in the Thirty-fifth Year of Our Reign.

By Her Majesty's Command,

ARGYLL.

A Colonel who shall vacate an appointment as temporary Major-General, and whose temporary rank shall not have been made permanent, may, upon the recommendation of Our Governor-General in Council, be made an honorary Major-General, and shall retain that rank until he succeed to the establishment in virtue of his seniority on the list of Colonels.

8. An Officer not below the rank of Colonel, promoted after temporary service in a higher rank, or for distinguished service in the field, shall be borne as supernumerary, and shall not be placed on the establishment in his new rank until the time when he would have attained such rank by seniority, that is to say, when the surviving Officer who stood next senior on the list to the Officer promoted under clause 6 or 7, shall have attained the same rank on the establishment, the next vacancy shall be filled by the transfer of the supernumerary General Officer to the establishment.

A supernumerary Major-General, who has been promoted after temporary service, and absorbed, under clause 8, into the establishment, shall have seniority according to the date of his permanent rank as Major-General, and shall rise to be Lieutenant-General and General, whether before or after his absorption into the establishment, in accordance with that seniority. A supernumerary General Officer who has been promoted for distinguished service in the field, and absorbed under clause 8, shall take his seniority from the date of his promotion as published in the *London Gazette*.

10. 11. On the occurrence of a vacancy in the fixed number of General Officers on the Indian List, specified in clause 3 of this Warrant, whether among those who remain effective on that list, or among those whose names are merely retained in italics, and who shall be considered as forming part of the said fixed establishment, the name of the Senior Officer in each grade on the Indian list below that in which the vacancy

12. The rank of Brigadier-General shall be local or temporary only.

VICTORIA R.

Whereas it is expedient to provide a body of Officers for Our service in India, by whom various offices and appointments hitherto held by Officers borne on the strength of the several Corps or Regiments of Our Forces in India shall in future be held; and whereas Our Secretary of State for India in Council has resolved to charge upon the revenues of India the sum necessary to provide the pay, half-pay, and pensions of such body of Officers on the scale hereinafter contained. Our will and pleasure is that a Corps be formed in each of the Presidencies of Our Indian dominions, to be denominated the Bengal, Madras and Bombay Staff Corps, respectively, to consist of such Officers as may be required for such employment, and are selected for such purpose by Our Governments in India, with the approbation of Our Secretary of State for India in Council.

It is also Our will and pleasure, that all Officers now holding, or who immediately before the commencement of their present unexpired furlough may have held such appointments and in future Officers belonging to any of Our land forces serving in India, under the rank of Regimental Field Officer, who shall have served three years with a Regiment, of which two shall have been in India, shall be eligible to enter such Staff Corps; but such Officer will not be permanently transferred to the Staff Corps, unless fully qualified, and until they shall have passed such periods of probation as may be determined on for the branch of the Indian Service for which they may be selected. Officers will receive commissions in the Staff Corps on their names being submitted to Us by Our Secretary of State for India.

It is Our further will and pleasure that the promotion and pay of the Staff Corps shall be regulated as follows:—

1. Ensigns, when permanently transferred to the Staff Corps, to have the rank of Lieutenant. Other Officers to have the rank which they may hold in their Regiments.

2. Promotion in the Staff Corps to be governed by length of service.

Officers after twelve years' service, of which four must have been in the Staff Corps, to become Captains.

After twenty years' service, of which six must have been in the Staff Corps, to become Majors.

After twenty-six years' service, of which eight must have been in the Staff Corps, to become Lieut. Colonels.

Five years' service in the Staff Corps as Lieutenant Colonel to entitle the Officer so employed to the Brevet rank of Colonel.

3. Officers now in Staff employment in India, joining the Staff Corps on its formation, shall count their previous Staff service towards promotion to the following extent:—

One step of rank will be given to every Officer whose period of service would qualify him for it, according to the above rules. An interval of two years at least must intervene between each succeeding step.

4. Officers in the Staff Corps will be eligible for Brevet rank in common with the rest of the Army.

5. Officers of the Staff Corps holding Military appointments will take Military command according to their Army rank; but Officers whilst holding only Civil appointments will not be entitled to assume such command.

6. Exchanges may be allowed between Officers of the Staff Corps under the substantive rank of Field Officer and Regimental Officers of the same rank on the recommendation of the Indian Governments. Officers of the Staff Corps exchanging into a Regiment will become the juniors of their Regimental rank.

7. The power of removing Officers from the Effective List of the Staff Corps will be exercised by Us through Our Secretary of State for India.

8. Officers of the Staff Corps will receive pay according to the following scale:—

Eventually a certain proportion of the senior Officers of the Staff Corps will receive Colonels' allowance.

Officers of the Staff Corps in England who may not wish to retire, but who are unable to return to India, and Officers removed from the Effective List who may not be entitled to retire on the above scale of Pension, will be placed on a Half-pay List, provided they have served three years in India in the Staff Corps, on the same rate of Half-pay and on the same conditions as Officers of a similar rank in Our Army.

It is also Our will and pleasure that this Warrant shall be administered and interpreted by Our Secretary of State for India in Council, who shall be the sole and standing authority upon the matters therein contained. Given at Our Court at Windsor, this Sixteenth day of January 1861, in the Twenty-fourth year of Our Reign.

By Her Majesty's Command.

Staff Corps.

66. The organization and regulations of the Staff Corps to be formed in the several Presidencies are given in full detail in the Royal Warrant and the Despatch No. 27, now published. The object of forming the Staff Corps is to supply a body of Officers for service in India, by whom various offices and appointments, hitherto held by Officers borne on the strength of the several Corps of Indian Forces, shall in future be held; it having been resolved that the practice of withdrawing Officers for such employment, while remaining on the strength of their Regiments, be discontinued, and that ultimately all Officers selected for such employment be transferred to Staff Corps.

67. These Corps will be denominated the Bengal, Madras and Bombay Staff Corps respectively, and will consist of such Officers as may be required for employment therein, and may be selected by the Governments of the several Presidencies, with the approbation of the Secretary of State for India in Council.

68. Officers of the British and Indian Armies now on Staff employ in India, not having the substantive rank of Colonel, are eligible for admission to the Staff Corps; and Officers of either Service under the rank of Field Officer, not now on the Staff, may, now or hereafter, become candidates.

69. Officers at present holding Civil and Political appointments of every description, and appointments in all Public Offices and Departments; Officers holding Military appointments on the General and Personal Staff, and the appointments of Commandant, second in Command, and Adjutant of Irregular and Local Corps; of Adjutant and Interpreter and Quarter Master of existing Local European and Native Regiments;—will be held to be now on Staff employ, and will be eligible, under the conditions hereafter noted, to have their names placed on the list of the Staff Corps; but Officers doing duty with Irregular and Local Regiments will not be regarded as being now in Staff employ.

70. So soon as the proposed changes in the organization of the Regular Native Regiments shall have come into operation, the whole of the Officers who will be permanently attached to them will be held to be on Staff employ.

71. There will then be, as at present, two great divisions of employment for Officers of the Staff Corps:—

1st. Purely Military, as in Regiments of the Native Army.

2nd. Various Civil appointments, as Political, Public Works, &c.

There will also be practically many sub-divisions of employment, for each of which there will be, as at present, separate Departmental Lists.

72. Officers of the Indian Army now holding Staff appointments of any description, will have the option of joining the Staff Corps if they do not possess the substantive rank of Colonel, or of continuing in Staff employment, whatever their Regimental rank, without joining the Staff Corps; and in the latter case they will not, as heretofore, be required to vacate their appointments on the attainment of a certain Regimental rank. This paragraph does not affect the provisions of paragraph 45.

73. Officers of the Indian Army not now on the Staff, nor having the substantive rank of Colonel, but who within the last three years, or who, at the commencement of their present unexpired furlough, may have served permanently on the Staff, and who may make application within the next six months, will be considered eligible to join the Staff Corps on the same terms as those now on Staff employ; provided always that they have passed the prescribed examination in Hindoostanee, and that they did not lose their appointments through misconduct, and are not otherwise disqualified.

74. Officers of the British Army, now in Staff employment, will have the option of declaring their desire to be transferred to the Staff Corps, with the consent of the Commander-in-Chief in India, within six months from the date of the notification of the Royal Warrant in India; or of retaining their appointments on their present footing, if their services are required by Government, for the unexpired portion of a period of five years from the date of their appointment, unless the Regiments to which they belong shall be previously removed from the Indian Establishment.

75. Those whose tenure of Staff appointments, at the time of transfer to the Staff Corps, shall have exceeded one year, will not be subjected to probation, or to any introductory test other than those already prescribed for any department in which they may be serving; but Officers who may have held their appointments for less than one year will not be transferred permanently to the Staff Corps unless they possess the requisite qualifications, to be hereafter laid down, and shall have completed the period of probation to be prescribed. The option of joining the Staff Corps will be open to those Officers only who may be considered by the Governments under which they are serving to be in all respects fit for the Staff Corps.

76. Appointments on the General Staff of the Army specified in the margin, can only be held for five years; they may be held by Officers of the Staff Corps, or by other Officers of either Army, but will be subject henceforward to the limitations as to rank, which are laid down in "the Queen's Regulations and Orders for the Army," in Clauses 30 to 33 of the Section entitled "Duties of General and other Officers employed upon the Staff of the Army."

77. Officers now holding such appointments will not be required to vacate them for a period of two years from this date, or a period of seven years from the date of their appointment.

78. Officers not having the substantive rank of Colonel, now holding appointments on the Staff, as defined in paragraph 69, will at once be called upon to declare whether or not they desire to join the Staff Corps, to enable such Officers to avail themselves of the advantages in the way of promotion, notified in paragraphs 84 and 85, they must communicate their decision to the Adjutant General within six months of the date of the publication of the Royal Warrant in India.

79. The selection of Officers hereafter, for the Staff Corps, will rest with the Governments in India, but no Officer serving with any Regiment will be admitted on probation without the consent of the Commander-in-Chief, or without a certificate from the Commanding Officer of his Regiment, that he has efficiently performed his Regimental duty for the period prescribed in paragraph 80.

80. For the future, Officers not on the Staff will not be eligible for the Staff Corps unless they be below the rank of Regimental Field Officer, and have served three years with a Regiment, of which two must have been in India, and have past the prescribed examination in Hindoostanee. They will not be permanently appointed to the Staff Corps, unless, after due probation, they shall pass the prescribed tests for the branch of the Indian Service for which they may be selected. This rule applies equally to Officers of the British and Indian Armies.

81. A subsequent notification will prescribe the period of probation and the tests of qualification in the several Departments.

- Despatch 27, para. 21. 82. The promotion of Officers while on probation will go on in their respective Regiments.
- Despatch 27, para. 21. 83. Officers of the British Army when permanently transferred to the Staff Corps will be removed from the strength of the Regiment to which they belonged.
84. The promotion of Officers of the Staff Corps will be regulated as follows:—
 Royal Warrant, Clause 3, Ensigns, when permanently transferred to the Staff Corps, will have the rank of Lieutenant. Other Officers will have the rank which they may hold in their Regiments.
- Officers of twelve years' service, of which four must have been in the Staff Corps, will become Captains. After twenty years' service, of which six must have been in the Staff Corps, they will become Majors. After twenty-six years' service, of which eight must have been in the Staff Corps, they will become Lieutenant-Colonels. Five years' service in the Staff Corps as Lieutenant-Colonel, will entitle the Officer so employed to the Brevet rank of Colonel.
85. Officers now in Staff employment will be allowed to count, to the extent laid down in the Royal Warrant, as noted in the preceding paragraph, their past service towards promotion, as if it had been performed in the Staff Corps. One step of rank will be given to every Officer whose period of service would qualify him for it according to the above rules, an interval of two years at least must intervene between each succeeding step.
- Despatch 27, para. 26. these privileges will be restricted to those Officers who, whether now in India, or on leave out of India, may declare their desire to be transferred to the Staff Corps within six months of the date of the notification of the Warrant in India.
- Royal Warrant, Clause 2. 86. The Officers referred to in paragraph 73, will also be allowed this privilege, should they be permitted to join the Staff Corps.
- Despatch 27, para. 26. 87. The past service on the Staff, counting for promotion in the Staff Corps, will include any service of a permanent nature which an Officer now on the Staff may, from the date of his first arrival in India, have passed on the Staff.
- Royal Warrant, Clause 3, para. 3. 88. Officers of the Staff Corps under the substantive rank of Field Officer, will be allowed to exchange with Regimental Officers of the Line of the same rank, on the recommendation of the Governments of the several Presidencies, with the concurrence of the Government of India and the Commander-in-Chief in India, and subject to the confirmation of Her Majesty. But it is to be understood that the Regimental Officer entering the Staff Corps by exchange will not necessarily assume the Staff appointment held by the Officer with whom he exchanges. He will merely enter the Staff Corps on being found qualified for the exchanging into a Regiment, will become the Juniors of their Regimental rank.
- Despatch 27, para. 27. 89. An Officer of the Staff Corps whose name is borne on the Cadre of an Indian Regiment, exchanging from the Staff Corps with an Officer of a British Regiment other than the new Line Regiments about to be formed, will give an effective step in the Cadre of his former Regiment.
- Royal Warrant, Clause 3, para. 6. 90. It will be discretionary with the Governments in India, as at present, to employ the Officers of the Staff Corps in such manner as they may think best, in the situations for which their respective qualifications may render them most fitted. The appointments and promotions in the several Departments will rest, as at present, with the Governments in India, and will be made irrespectively of the rank which the Officer may hold in the Staff Corps. Those appointments, promotions, and recommendations now in the gift of the Commander-in-Chief, remain as heretofore.
- Despatch 27, para. 22. 91. Officers of the Staff Corps of one Presidency may, with the sanction of the Government of India, be employed in any other Presidency.
- Despatch 27, para. 28. 92. Unattached Officers of the Indian Service are eligible for the Staff Corps on the same terms as other Indian Officers.
- Royal Warrant, Clause 8. 93. Officers of the Staff Corps while on furlough will draw the pay of their rank, as laid down in the Clause of the Royal Warrant for Officers out of India, and in case of sickness will have the privilege of drawing for six months the allowances of Officers on sick leave in India. They will be allowed to retain their appointments during short periods of leave, not exceeding twenty months, during which time they will only receive the unemployed pay of their rank. With the above exceptions, the Officers of the Staff Corps will be under the New Furlough Regulations of the Indian Army.
- Despatch 27, para. 30. 94. A certain proportion of the Senior Officers of the Staff Corps will receive Colonels' allowance. Eventually the number will be fixed in the proportion of one for every thirty Officers on the Staff Corps, but this number can only be filled up as the establishment of Colonels on the old footing diminishes, so that the aggregate number of Officers receiving colonelcy shall never exceed the regulated number of Colonels' allowance for each Presidency.
- Royal Warrant, Clause 3, para. 9. 95. Officers of Her Majesty's Indian Forces joining the Staff Corps, will be entitled to pensions under the Regulations of the Indian Service. Officers of the British Army, entering the Staff Corps, will be allowed to retire on the following scale of pension, provided that not less than half of the required periods of service shall have been passed in the Staff Corps:—
- | SCALE. | £. | s. | d. |
|-----------------------------------|-----|----|----|
| After 20 years' service in India. | 191 | 12 | 0 |
| " 24 " | 202 | 0 | 0 |
| " 28 " | 365 | 0 | 0 |
| " 32 " | 456 | 5 | 0 |
- per annum.

These periods of service will include the proportions of leave of absence in India or elsewhere laid down in the New Furlough Regulations, viz:—

2 years in 20 years' service
3 " 25 "
4 " 30 "

96. All Officers of the Staff Corps in England who may not wish to retire, but are unable to return to India, and Officers removed from the effective list of the Staff Corps who may not be entitled to retire on the above scale of pension, may, provided they have served three years in India in the Staff Corps, be placed on a half-pay list, on the same rate of half-pay and on the same conditions as Officers of a similar rank in the British Army, Officers belonging to the Indian Forces who may avail themselves of this privilege to effective service, either in the Staff Corps or in Regiments of the Line. In the former case their names will not be restored to their old Cadres.
- Despatch 27, para. 31. 97. No unemployed General Officer of the Staff Corps, who is not required by the Governments in India to remain there, will be allowed to receive pay on the Indian scale for a longer period than three years. At the expiration of that period he will be restricted to the pay fixed for Officers of his rank "out of India." This rule in no way affects the Colonels' allowance.
- Despatch 27, para. 33. 98. Officers of the Staff Corps under the rank of Major-General, whom the Government of India may not see fit to employ in any capacity, will not be allowed to draw pay for more than four years, of which one year may be on the Indian scale, and three years on the scale fixed for Officers "out of India," after which period they will be placed on half-pay, or on pension according to the scale of their rank, if entitled thereto.
- Royal Warrant, Clause 8. 99. The pay of Officers of the Staff Corps whilst unemployed has been fixed at the following rates:—

- Despatch 27, para. 33. 98. Officers of the Staff Corps under the rank of Major-General, whom the Government of India may not see fit to employ in any capacity, will not be allowed to draw pay for more than four years, of which one year may be on the Indian scale, and three years on the scale fixed for Officers "out of India," after which period they will be placed on half-pay, or on pension according to the scale of their rank, if entitled thereto.

- Royal Warrant, Clause 8. 99. The pay of Officers of the Staff Corps whilst unemployed has been fixed at the following rates:—

	Whilst required to remain in India. Per Mensem.	Out of India. Per Diem.
General Officers.....	Rs 1,295 5 0	£1 5 0
Brevet-Colonel and Lieutenant-Colonel.....	827 14 0	1 0 0
Major.....	640 14 0	0 16 0
Captain.....	374 1 6	0 10 6
Lieutenant.....	225 12 0	0 6 6

100. The pay and allowances to be established for the several Staff appointments, in all departments of Staff employ, will be announced in a subsequent notification, and meanwhile the Staff salary and other allowances of all appointments will remain unchanged.

- Despatch 27, para. 23. 101. Officers of the Staff Corps are eligible for Brevet Rank, and will take their places on the General Gradation List in common with the rest of the Army. Those holding Military appointments will take Military Command according to their Army Rank, but Officers whilst holding only Civil appointments will not be entitled to assume such command. Civil appointments are those in any Civil branch of the Army, or under the Civil administration of Government.

- Royal Warrant, Clause 3, para. 4, 5. 102. Officers of the Staff Corps will succeed to Colonels' allowance according to their seniority as Lieutenant-Colonels in the Staff Corps. Lieutenant-Colonels entering the Staff Corps on its first establishment will take rank for Colonels' allowance according to the dates of their Commissions as substantive Lieutenant-Colonels. All Officers entering the Staff Corps will take with them the substantive rank they held at the time of joining it. Should two Officers of the same rank enter the Staff Corps, and be promoted on the same day, they will stand in the Corps according to the dates of their previous substantive Commissions. But Officers of the Staff Corps will take precedence and exercise command among each other according to their Army Rank.

103. All promotions in the Staff Corps, in the case of Officers who may join the Staff Corps within six months of the publication of the Royal Warrant, will take effect from the 18th February 1861, the date of the receipt of the Warrant in India.

- Royal Warrant, Clause 7. 104. The power of removing Officers from the effective list of the Staff Corps will be exercised by Her Majesty through the Secretary of State for India.

105. The provisions of paragraph 90 are also applicable to appointments in the Ordnance, Survey, and Public Works Department.

(Signed) R. J. H. BIRCH, Major General, Secretary to the Govt. of India.

No. 825 of 1861.—The following paragraphs of a Military Letter from the Right Hon'ble the Secretary of State for India, No. 318, dated 10th August, 1861, are published for general information:—

Para. 1.—It appears to me that paragraph 98 of your General Order does not accurately express the intentions of Her Majesty's Government, and is liable to misapprehensions on the part of the Officers of the Army. The words "Officers of the Staff Corps, under the rank of Major-General, whom the Governments of India may not see fit to employ in any capacity," used in the paragraph, would appear to contemplate Officers whom the Indian Governments, in point of fact, considered to be unfit for employment. Such Officers ought to be removed from the Staff Corps under the authority specified in the 7th paragraph of the Staff Warrant, and placed upon half-pay or pension under the provisions of the 10th paragraph of the same Warrant.

2. The directions contained in paragraph 33 of my Despatch No. 27 of January 1861, were intended to apply not to Officers unfit for employment, "whom the Governments of India may not see fit to employ in any capacity," but to Officers who are perfectly fit for employment, but who, from circumstances of one kind or another, may be out of employment, for example, such as those who, in consequence of having overstayed the prescribed limit of absence, with retention of appointment, may find themselves, on their return to India, out of employment.

3. I proceed, therefore, to give you more precise directions on this subject.

4. Such Officers are, on their return to India, to be placed on the rate of pay specified, for their respective ranks, in the Staff Warrant for Officers "while required to remain in India," and they will retain this rate of pay for a year, before the expiration of which I expect that you will have an opportunity of placing them in some suitable situation. This it will be your duty to do at the earliest period, so that the revenues of India may not be charged for more unemployed Officers than is inevitable under the circumstances at the time.

5. If, however, no opportunity should occur within the year of placing such an Officer in a situation that you consider suited to him, you are authorized to continue such allowance until a suitable opening can be found.

6. I desire, however, that every such case shall be forthwith reported to me, and that a quarterly list of all such unemployed Officers in India, at the date of their return to India, may be punctually transmitted to me.

7. You will modify the 98th paragraph of your General Order in accordance herewith.

No. 826 of 1861.—With reference to the foregoing Despatch, paragraph 98 of the General Order, No. 332, dated 10th of April 1861, is cancelled, and the following is substituted for it:—

98. Officers of the Staff Corps under the rank of Major-General, who may be considered unfit for employment, will be removed from the Staff Corps under the authority specified in the 7th paragraph of the Royal Warrant, and placed upon half-pay or pension under the provisions of the 10th paragraph of the same Warrant.

Officers who are perfectly fit for employment, but who, from any circumstances, as, for example from having exceeded the prescribed limit of leave of absence, with retention of appointment, may be out of

employment, will, on their return to India, be placed on the rates of pay specified in the Royal Warrant for Officers respectively "while required to remain in India," and such rates of pay they will retain for one year, within which time it will be the duty of the Government of India to find suitable employment for them if possible, but failing in this, the allowances above noted will be continued until an opening for employing them can be found.

No. 469 of 1866.—The following Extract from General Orders by the Government of India, is re-published:—

Fort William, the 15th December 1866.

No. 1062 of 1866.—Under the authority of the Right Honorable the Secretary of State for India, His Excellency the Governor General in Council is pleased to notify that Officers joining the Staff Corps under Government General Order No. 808* of the 26th September 1866, will not be liable to be placed on half-pay under Government General Order No. 826† of 17th September 1861, upon any grounds, other than such as would have justified their removal from the effective strength of the Army had they not joined the Staff Corps.

Revised Table of Staff Salaries.

Fort Saint George, 6th November 1863.

No. 392 of 1863.—The following Extracts from General Orders by the Government of India, are re-published:—

Simla, the 13th October 1863.

No. 156 A of 1863.—Under the authority and direction of the Right Hon'ble the Secretary of State for India, as conveyed in his Despatch No. 311, dated the 31st August last, a revised Table of Staff salaries for the three Presidencies is published, and the Extracts of Sir Charles Wood's Despatch on the subject, as given below, are promulgated for general information.

2. Officers whose appointments are not specified in the Table of revised salaries will draw pay as at present, and further orders will hereafter be issued with respect to the Office Establishment of those Staff Officers who have hitherto drawn an Office allowance, such as Assistants Adjutant General of Divisions and Majors of Brigade.

3. With reference to paragraph 29 of Sir C. Wood's Despatch, it is announced that the Despatch was received by His Excellency the Governor General on the 30th September. Increased pay, were granted by this order is therefore claimable for the month of September.

Para. 1.—"Your several letters noted in the margin, relating to the salaries to be attached to Offices held by Military Officers in India, have been under my consideration in Council, and I have now to communicate to your Lordship the decision which, after an attentive perusal of the several papers which accompanied your letter, Her Majesty's Government have arrived at upon this subject.

Financial Despatch, No. 23, February 19th, 1863.
Military Despatch, No. 160, May 22nd 1863.

2. The Committee of Secretaries appointed by your Government to consider the subject, have gone very carefully into the whole question, and have submitted a very valuable Report, which has greatly tended to facilitate and simplify the consideration of this important matter.

3. They observe of the Royal Warrant for the formation of the Staff Corps in India that, after fixing the scale of pay to be received by Officers attached to them while in India, and when out of India, it further provides that every Officer when in active employment will also receive, in addition to the above pay, such a sum as will make his total pay and allowances up to the sum assigned by the Government of India, with the approval of the Secretary of State for India in Council, as the consolidated pay of the office which he may hold.

4. Having consulted the several Governments, as well as the Chief Political and Military Officers of the Government, the Committee propose for adoption the following principles:—

1st.—That the salaries of Military Officers holding appointments connected with the Civil administration of the country should be consolidated and fixed without reference to the rank of the incumbent.

2nd.—That in the case of Military Officers in Staff employ, a certain salary should be fixed for every appointment, and that the incumbent should receive such fixed salary in addition to the Staff Corps pay of his rank.

3rd.—That this latter principle should apply to the Department of Public Works.

5. I concur generally in the principles here laid down, with some exceptions to be hereafter pointed out, as regards the Officers in Military Staff employ.

10. I have considered it necessary to deviate in some respects from the rates of salary proposed by the Committee, and I now forward, for the information of your Government, a Table of salaries which Her Majesty's Government have resolved upon, for the several offices enumerated in their report.

11. You will observe from the Table that, while adhering generally to the principle of allotting a Staff salary in addition to Staff Corps pay, it has been determined to fix the salaries of some few of the higher offices at a consolidated sum.

12. In the case of the other appointments it is to be understood that the Staff salary now fixed, plus the Staff Corps pay due to the Officer's rank, will constitute the maximum amount to be drawn by an Officer of that rank holding the office in question, whether such Officer belong to the Staff Corps or not. In the case of appointments held by Officers belonging to Her Majesty's British Forces, such maximum amount will include any pay or half-pay that may be paid to them in England.

13. I approve of the rule proposed by the Committee that in all cases where any allowance for "Office" is made, as in the case of Assistants Adjutant General, Brigade Majors, and others, it should be distinctly meant, and that no further charge can be allowed for providing an office.

* Madras G. O. G. 12th October 1866, No. 374.

† Do. do. 1st do. 1861, No. 334.

14. It is desirable that, whenever possible, the Public Offices should be located in public buildings, and it should be a standing Rule that all bills for Office allowance should be supported by a Certificate from the proper authority, that no public building was available for such Office.

15. I am of opinion, however, that Office Establishment should, as a general rule, be maintained according to a regulated scale, and should be paid on abstracts, supported by the usual monthly Muster Roll.

18. The principle laid down in the 4th Clause of the same paragraph has, you will perceive, been observed in the rate of salary allotted to the heads and Subordinate members of Departments at the several Presidencies; but I have extended to the Deputies of the Army Department at Head Quarters in Bengal the benefit of the Rule which gives to the Chief of those Departments a higher rate of salary than at Madras or Bombay.

19. In the 2nd Clause of the 10th paragraph, the Committee observe "that, referring generally to the expensive rates of living in Presidency Towns, we think that the principle of allowing house rent may be generally adopted at the rates marginally shown, and we would recommend that it should be made applicable to the Presidency Town of Madras, as well as to Calcutta and Bombay."

20. I approve of the proposed scale, which will apply to officers at each Presidency not drawing consolidated salaries.

29. The scale of salaries now sanctioned, will be brought into operation and made to apply in all cases where there is no reduction in the present aggregate salary, on the payment due on the first of the month succeeding the receipt of this order.

30. Reduction of salaries effected by this order are not to be made to effect present permanent incumbents, or those who are officiating for such permanent incumbents, being temporarily absent from their duties.

4. Separate orders will be issued regarding the Staff salaries to be allowed to officers serving with Native Corps.

The Secretary of State's Despatch having been received on the 11th December 1863, increased pay, where granted by this order, is claimable for the month of December.

No. 157 A of 1863.—His Excellency the Governor General is pleased to publish the following extracts of a Despatch from the Right Honble the Secretary of State for India, No. 311, dated 31st August 1863, regarding the absence and acting allowances of Military Officers in Civil employ, the provisions of which are applicable to all the Presidencies.

Para. 31.—With your Despatch, No. 23, in the Financial Department, you forward a further Report from the Committee of Secretaries regarding the absence and acting allowances of Military Officers in Civil employ, with a note thereon by your Financial Secretary.

Para. 32.—You concur generally in the recommendations of the Secretaries, with the amendments noted by the Financial Secretary, and propose the adoption of the following principles:—

1st.—That every Military Officer in Civil employ when on leave should draw pay under the Military Rules; and 2nd.—That every Military Officer when acting in any Civil appointment should draw his Civil pay under the Civil Rules.

Para. 23.—Upon these two principles you propose the following Rules for the Officer on leave:—

A Military Officer in Civil employ on leave, either in India or in England, shall draw precisely the pay which he would be entitled to draw under the Military Leave Rules, except when on privilege leave as hereafter specially provided.

Such pay shall be provided from the Civil Department excepting only in cases where the allowances so drawn would exceed the entire Civil pay of the appointment, when the excess will be paid by the Military Department. The Staff salary of any Officer shall be held to be the difference between the Indian pay and allowances of his rank and the full salary of his permanent appointment.

Para. 34.—For the Acting Officer your Government proposed the following Rules:—

A Military Officer acting for another in Civil employ shall draw deputation allowance under the rule by which he allowance is granted to Government Civil Servants.

If the Officer be in Military Staff employ, such deputation allowance will be given in addition to his Military pay and allowances, plus half the Staff pay of his substantive appointment.

If the Officer hold no substantive Staff appointment, Civil or Military, it will be given in addition to his Military pay and allowances.

A Military Officer in Civil employ performing the duties of his substantive appointment, and at the same time officiating in another, is entitled to his substantive salary, and in addition to a deputation allowance of 20 and 10 per cent. on the Staff salary of the appointment in which he is officiating, provided the pay of the substantive appointment, with the addition of the deputation allowance, does not exceed the pay of the higher appointment.

A subordinate acting for his principal or for any other Officer at the same Station, is not entitled to deputation allowance for the first month while so acting, unless he is required to act on two occasions within a brief period (say twelve months), in which case he draws deputation allowance for the whole period during which he may have held the appointment in excess of one month as if he had acted continuously.

A Military Officer proceeding from one Civil appointment to another, shall be allowed to draw, during the authorized period of transit, out of the salary of the office he is about to join, a sum equal to that of his previous situation. This Rule to be preceded by an Order making the Civil Rules for joining time applicable to Military Officers in Civil employ.

A Military Officer in Civil employ can take three months' cumulative privilege leave (under the Civil Rules only) but he must earn it by thirty-three months' continuous service in the Civil Department alone.

Para. 35.—These several Rules are approved of.

CAMP MEEAN MEER, THE 29TH OCTOBER 1863.

No. 161 A of 1863.—In continuation of General Order No. 156A of the 13th instant, the annexed scale of Staff salaries hereafter to be allowed to Officers serving with Native Regiments under the new organization is published for general information, and with reference to this scale an extract (paragraphs 23, 24, 25, 26, 27, 28, 29, and 30) of Sir Charles Wood's Despatch, No. 311 of the 31st August last, is also published for information and guidance.

2. Detailed instructions will be issued by His Excellency the Commander-in-Chief for the guidance of Officers serving with Native Corps under the new organization, and the present system of payment of Troops and Companies and for repair of Arms, &c., will continue until a further order is issued by Government on the subject, the same Officers as at present drawing any allowances now authorized for the payment of Companies and repair of Arms.

The new system of placing European Officers in charge of Squadrons and Wings will, in all other respects, be brought into operation as soon as His Excellency the Commander-in-Chief can issue the necessary subsidiary order.

3. The Despatch of the Secretary of State having been received by the Right Honble the Governor General on the 30th ultimo, increased pay is claimable from 1st September by Commandants, Adjutants, and Doing Duty Officers, as well as Seconds in Command of Cavalry; but when higher pay may accrue from Seconds in Command or others obtaining new appointments, as Wing or Squadron Officers or Quarter-Masters, such increased pay will only become due from the date of Officers assuming charge of the duties of such new appointments under the orders of the Commander-in-Chief.

4. With reference to paragraph 28 of Sir Charles Wood's Despatch, instructions will hereafter be issued as to the Scale of Office Establishment to be maintained by Adjutants. Meanwhile the allowance of Rupees 50 per mensem will be passed.

5. The pay now authorized is to be drawn in addition to Staff Corps pay only.

6. The rules now laid down are applicable to such Corps under their Excellencies the Commanders-in-Chief of the Bengal and Bombay Armies as now are or may hereafter be placed on the new organization, and to the Punjab Irregular Force.

In other Irregular Corps no alteration is made in the Establishment, position or duties of Officers, but Commandants, Adjutants, Seconds in Command, and Doing Duty Officers are entitled to the increased pay.

7. The Corps of Regular Infantry on the Bengal Establishment will, under the orders of the Commander-in-Chief, be placed on the new organization from the 1st January next.

Future Establishment of Officers for Corps of Native Cavalry and Infantry on the new organization.

Extract, Secretary of State's letter, No. 311, dated 31st August 1863, paragraphs 23 to 30.

Para. 23. I have given much and careful consideration to these proposals.

24. I am of opinion that the salaries attached to these Regimental appointments should be such as to place them at least on a footing of equality with the average of the staff appointments commonly held by Officers of similar rank and standing in the service, and while they should not be so far superior to the latter as to induce those to seek them whose natural tastes and qualifications might not otherwise incline them to this important branch of the service, it is important, on the other hand, that young Officers, who, on first joining the Staff Corps, will frequently be employed with Native Troops, should not, if naturally fitted for Military Service, be tempted to relinquish it by the attraction of superior emoluments of other staff employments.

25. With these principles in view, and making due allowance for the advantages enjoyed by Staff Corps Officers in regard to promotion, and the comparatively early period at which they will attain the pay for the higher ranks, I am willing to sanction the scale of Staff allowance proposed by your Government for the Officers serving in different capacities with Native Regiments, which, though liberal, will probably not be found excessive.

26. In the case of the Regimental Adjutant, however, it appears desirable that an Office Establishment should be prescribed, which should be maintained and paid upon Abstracts supported by the usual Muster Rolls.

27. I learn from your Despatch No. 10, dated 3rd January 1863, that you have completed the Native Regiments in Bengal to six regularly attached and paid European Officers; exclusive of the Medical Officers, as announced in your General Order of the 12th December 1862, it being distinctly understood that the appointments made under that decision are held subject to such modifications as may be found necessary on receipt of my further instructions on the general question, and that you have authorized the Government of Bombay to extend the rule to such Regiments in that Presidency as are formed and officered according to the new organization.

28. I approve of these proceedings and shall await the result of your reference to the Government of Madras upon the introduction of the new system into the Army, of that Presidency.

29. The scale of salaries now sanctioned will be brought into operation and made to apply in all cases where there is no reduction in the present aggregate salary on the payment due on the 1st of the month succeeding the receipt of this order.

30. Reductions of salaries effected by this Order are not to be made to affect present permanent incumbents, or those who are officiating for such permanent incumbents being temporarily absent from their duties.

HOME REMITTANCES.

European Commissioned and Warrant Officers are permitted to make Family Remittances to Europe to the following extent, for the benefit only of their Parents, Wives, Children, Brothers and Sisters, Fathers or Mothers-in-law, Brothers or Sisters-in-law:—

Major General.....	£ 400 per annum.	Lieutenant & Assistant Surgeon	£ 70 per annum.
Brigadier General.....	400	Cornet and Ensign.....	50
Colonel.....	300	Deputy Commissaries.....	50
Lieutenant Colonel.....	200	Asst. & Depy. Assistant ditto..	40
Major and Chaplain.....	150	Conductor and Riding Master...	30
Capt. Surgeon & Asst. Chaplain	100	Sub-Conductor.....	20

The rate of Exchange is fixed annually. Officers on the Pension Establishment are not entitled to the indulgence.

The above remittances are effected quarterly, reckoning the year from 1st April to 31st March, and cannot be remitted in advance; for instance, no party can remit during the 1st quarter, more than one quarter of the amount exhibited above. During the 2nd quarter, more than half the amount, provided he may not have already remitted for the 1st quarter. During the 3rd quarter, more than three-fourths of the amount, provided also that he may have not remitted for the two previous quarters, and during the 4th quarter, more than the established amount under the above proviso, and no arrears of remittances can be allowed beyond the official year.

Officers if they prefer it, can pay the amount into a Public Treasury, instead of having the sum deducted from their pay bills, but the payment into the Treasury must be accompanied by authority from a Paymaster for its reception into such Treasury.

In conformity with a recent ruling of the Government of India, it is hereby notified that the restriction imposed in para. 2 of G. O. G. No. 198, dated 7th May 1867, in regard to the Home Remittances of Officers, is withdrawn, and such Remittances may hereafter be made to the full amount within the annual limit of the Officer's rank, in one sum, or by instalments, at any time within the official year.

Medical Department.

1. The grades of Medical Officers in Our Indian Military Forces shall be four in number. No. 941 of 1868.—The following Military letter from the Right Hon'ble the Secretary of State for India is published for general information:—

MILITARY
No. 305.

INDIA OFFICE;
London, 31st August 1868.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—In the Royal Warrant of 1866, regulating the pay and promotion of Officers and Soldiers of Her Majesty's British Service elsewhere than in India, it is ruled, by Clause 287, that "a Surgeon of less than twenty years' full-pay service may be promoted to the rank of Surgeon-Major for distinguished service."

2. Her Majesty's Government have determined that this regulation shall be held applicable to the Indian Medical service. It is to be remembered that this promotion is not brevet, but substantive, and that it will carry with it the advantages of increased pay, &c., which appertain to the rank of Surgeon-Major.

3. You will observe that, by the enclosed extract of the Royal Warrant above mentioned, it is necessary that "the recommendation detailing the services for which the Officer is proposed for promotion for distinguished services shall be published in the General Orders of the Army and in the Gazette in which such promotion shall appear."

I have, &c.,
(Signed) STAFFORD H. NORTHCOTE.

Extract from the Royal Warrant, 1866, Part 1.—Pay.

Clause 287.—A Surgeon after twenty years' service in any rank shall be styled Surgeon-Major, but a Surgeon of less than twenty years' full-pay service may be promoted to the rank of Surgeon-Major for distinguished service. The recommendation detailing the services for which the Officer is proposed for promotion for distinguished service shall be published in the General Orders of the Army and in the Gazette in which such promotion shall appear.

2. No Candidate shall be admitted to the competitive examination for a Commission in the Medical Department of Our Army who does not possess such a certificate or certificates as would qualify a civilian to practice Medicine and Surgery.

3. No Assistant Surgeon shall be eligible for promotion to the rank of Surgeon until he shall have passed such examination as Our Principal Secretary of State for India in Council may require, and shall have served in India with the Commission of Assistant Surgeon for five years, of which two shall have been passed in or with a Regiment.

4. A Surgeon, whether on the Staff or attached to Regiments, must have served ten years in India, of which two must have been passed, with the rank of Surgeon, in or with a Regiment, or as a Civil Surgeon, before he will be eligible for promotion to the rank of Deputy Inspector-General of Hospitals.

5. A Deputy Inspector-General of Hospitals must have served three years in India before he shall be eligible for promotion to the rank of Inspector-General.

In cases, however, of emergency, or when the good of the service renders such alteration desirable, it shall be competent for the Governor-General in Council to shorten the several periods of service above mentioned, in such manner as he shall deem fit and expedient.

6. Assistant Surgeons shall, as a general rule, be promoted to the rank of Surgeon in the order of their seniority in the service, unless unfit for the discharge of their duties from physical or professional incompetence or misconduct. In cases of distinguished service, however, an Assistant Surgeon may be promoted by Brevet, without reference to seniority, and in such cases, with a view to insure the responsibility attaching to an appointment made out of the regular course of promotion, the recommendation in which the services of the Officer shall be detailed shall be published in the General Orders of Our Indian Military Forces, and in the Gazette in which his promotion appears.

Relative rank shall carry with it all precedence and advantages attaching to the Military rank with which it corresponds, and shall regulate the rates of lodging money, number of servants, rations of fuel and light, or allowances in their stead, except for Officers and others to whom special rates have been assigned, detention and Prize Money, according to the regulations, and upon the conditions, in force, from time to time; but such relative rank shall not entitle the holder to Military command of any kind whatsoever, nor to the Presidency of Courts Martial, Courts of Enquiry, Committees, or Boards of Survey, but when the President of such Courts, Committees, or Boards shall be junior to the Officer of the Civil Department then such Member of the Civil Department shall attend as a witness, and not as a member.

Choice of quarters shall be regulated by relative rank according to date of Commission; except in the case of the Commanding Officers' quarters, and in cases in which special quarters shall be permanently appropriated, with the approval of the Secretary of State for War.

Relative rank shall not entitle the holder to salutes from Ships or Fortresses, nor to the turning out of Guards; but it shall entitle him, if commissioned, to salutes by sentries, or by individual Soldiers.

Honorary rank of Paymasters shall carry with it all the privileges and advantages attaching to relative rank of corresponding degree.

All Commissioned Officers, serving with the Troops, shall be entitled to Funeral Honours, according to their relative Military rank.—Vide G. O. G., 16th March 1864, No. 104.

3. The plan which appears to your Excellency best suited to protect the public interests and the claims, at the same time, of Medical Officers is that of relaxing the rule embodied in the 8th Clause of the Warrant, in cases where superior Medical authorities certify the perfect competency and fitness of the Medical Officer, who has completed the age of fifty-five years without having obtained the rank of Deputy Inspector-General.

4. I am willing to assent to the adoption of this plan in regard to the Medical Officers who entered the service prior to the promulgation of the Royal Warrant, provided that the perfect competency and fitness of the Medical Officers be, in all cases, certified by a Board consisting of two Medical Officers, one of whom must be an Inspector-General or Deputy Inspector-General, and the Commanding Officer, or Senior Civil Officer, under whom the Medical Officer may have been serving.

i. Inspector General.

ii. Deputy Inspector-

General of Hospitals.

iii. Staff or Regimental

Surgeon; who after

twenty years' service in

India in any rank, shall

be styled Surgeon-

Major.

iv. Staff or Regimental

Assistant-Surgeon.

7. All promotion from the rank of Surgeon to that of Deputy Inspector, and from the rank of Deputy Inspector to that of Inspectors, shall be given by selection for ability and merit; and the grounds for such selection shall be stated to us in writing, and recorded in the office of the Secretary of State for India in Council, the selection for the grades of Deputy Inspector being made from the whole rank of Surgeons, whether styled Surgeons or Surgeon-Majors.

8. With a view to maintain the efficiency of the service, all Medical Officers of the rank of Surgeon Major, Surgeon, or Assistant Surgeon, shall be placed on the Retired List when they shall have attained the age of fifty-five years.

5. The certificate of efficiency granted by such a Board may hold good for three years, but in no case will a Medical Officer under the rank of Deputy Inspector General be permitted to remain on the effective list after he shall have attained the age of sixty years.

6. A Medical Officer who may be unable to obtain the certificate of competency above referred to will be placed on the Retired List, receiving, as recommended by Government, the rate of pension next above that to which his period of service in India may entitle him, provided that he be not already entitled to retire on the higher rate, viz., £700 a year.

7. A similar course may be pursued with respect to Medical Officers employed on unprofessional duties on their attaining the age of fifty-five years.

11. Medical Officers shall be entitled to all the allowances granted to Our Indian Military Forces on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

12. Their families shall, in like manner, be entitled to all the allowances granted, under existing regulations, to the families of combatant Officers holding the same relative ranks.

13. Medical Officers shall be held entitled to the same honors as the other Officers of Our Army of equal relative ranks.

14. A Medical Officer, retiring after a service in India of twenty-five years and upwards, may, if recommended for the same by the Head of his Department, receive a step of honorary rank, but without any consequent increase of pay.

15. Six of the most meritorious Medical Officers of the Army shall be named Honorary Physicians, and six My Honorary Surgeons.—Vide G. O. G., No. 208, 18th June 1861.

No. 1009 of 1868.—The following paragraph of a Military letter from the Right Hon'ble the Secretary of State for India, No. 283, dated 26th August 1868, is published for general information:—

Para. 4.—Having forwarded, for the consideration of the Field Marshal Commanding-in-Chief, the papers relating to the claim of Deputy Inspector General of Hospitals * * * to count towards the relative rank of Colonel the period during which he officiated on the full pay of a Deputy Inspector General, His Royal Highness has informed me that in the British service a Deputy Inspector General of substantive rank alone can claim the relative rank of Colonel, and that only from the actual date of the Gazette in which his appointment is notified, and that under no circumstances does a merely officiating appointment so qualify. As recommended by His Royal Highness, the same rule should be observed in the Indian service.

6. The establishment of Medical Officers above the rank of Assistant Surgeon in the three Presidencies will, so long as there are Officers enough remaining on the old lists to complete these numbers be fixed:—

In Bengal... 152

Madras... 86

Bombay... 69

7. With a view of removing all cause of complaint and misunderstanding, on the part of the Officers of the Indian Medical Service, on the subject of their promotion to the rank of Surgeon Major, under the Royal Warrant of 13th January 1860, Her Majesty's Government have determined to give retrospective effect to that Warrant, and to cause all promotions made under its authority to be dated from the 1st October 1858, being the date of the Royal Warrant for the British Medical Department, and it has been further determined to modify the instructions conveyed to you in my Despatches, No. 397, dated 31st October 1860, and No. 386, dated 30th September 1861, and to permit the period of service, qualifying Surgeons for the rank of Surgeon-Major under that Warrant, to be calculated from date of first commission, including all leave of absence of whatever kind.

8. It has been further resolved, that the following change in the mode of payment of Officers serving in India, whether of the British or Indian Medical Department, shall be introduced from the date of the receipt of this Despatch.

9. From that date, the allowance of head money, as well as that for Medical charge of British Regiments and Brigades, will be discontinued, excepting in the case of Assistant Surgeons, who will receive while in actual charge of British Regiments or Brigades of Artillery, a special allowance of Rupees 150 per mensem in addition to their pay.

10. The following will be the rate of pay for Officers of the several grades in the Medical Department, below that of Inspector and Deputy Inspector-General, who receive special salaries, whether belonging to the British or the local service:—

11. Surgeons of Her Majesty's Service, not being Surgeon Majors, who may be in medical charge of Regiments or Brigades, at the date of publication of the Order, will not be affected by this rule, but will continue to receive their pay and allowances while attached to such Regiments, as heretofore.

The Secretary of State's Despatch having been received on the 11th December 1863, increased pay, where granted by this order, is claimable for the month of December.

No. 157 A of 1863.—His Excellency the Governor General is pleased to publish the following extracts of a Despatch from the Right Honble the Secretary of State for India, No. 311, dated 31st August 1863, regarding the absence and acting allowances of Military Officers in Civil employ, the provisions of which are applicable to all the Presidencies.

Para. 31.—With your Despatch, No. 23, in the Financial Department, you forward a further Report from the Committee of Secretaries regarding the absence and acting allowances of Military Officers in Civil employ, with a note thereon by your Financial Secretary.

Para. 32.—You concur generally in the recommendations of the Secretaries, with the amendments noted by the Financial Secretary, and propose the adoption of the following principles:—

1st.—That every Military Officer in Civil employ when on leave should draw pay under the Military Rules; and 2nd.—That every Military Officer when acting in any Civil appointment should draw his Civil pay under the Civil Rules.

Para. 23.—Upon these two principles you propose the following Rules for the Officer on leave:—

A Military Officer in Civil employ on leave, either in India or in England, shall draw precisely the pay which he would be entitled to draw under the Military Leave Rules, except when on privilege leave as hereafter specially provided.

Such pay shall be provided from the Civil Department excepting only in cases where the allowances so drawn would exceed the entire Civil pay of the appointment, when the excess will be paid by the Military Department. The Staff salary of any Officer shall be held to be the difference between the Indian pay and allowances of his rank and the full salary of his permanent appointment.

Para. 34.—For the Acting Officer your Government proposed the following Rules:—

A Military Officer acting for another in Civil employ shall draw deputation allowance under the rule by which he allowance is granted to Government Civil Servants.

If the Officer be in Military Staff employ, such deputation allowance will be given in addition to his Military pay and allowances, plus half the Staff pay of his substantive appointment.

If the Officer hold no substantive Staff appointment, Civil or Military, it will be given in addition to his Military pay and allowances.

A Military Officer in Civil employ performing the duties of his substantive appointment, and at the same time officiating in another, is entitled to his substantive salary, and in addition to a deputation allowance of 20 and 10 per cent. on the Staff salary of the appointment in which he is officiating, provided the pay of the substantive appointment, with the addition of the deputation allowance, does not exceed the pay of the higher appointment.

A subordinate acting for his principal or for any other Officer at the same Station, is not entitled to deputation allowance for the first month while so acting, unless he is required to act on two occasions within a brief period (say twelve months), in which case he draws deputation allowance for the whole period during which he may have held the appointment in excess of one month as if he had acted continuously.

A Military Officer proceeding from one Civil appointment to another, shall be allowed to draw, during the authorized period of transit, out of the salary of the office he is about to join, a sum equal to that of his previous situation. This Rule to be preceded by an Order making the Civil Rules for joining time applicable to Military Officers in Civil employ.

A Military Officer in Civil employ can take three months' cumulative privilege leave (under the Civil Rules only) but he must earn it by thirty-three months' continuous service in the Civil Department alone.

Para. 35.—These several Rules are approved of.

Extract, Secretary of State's letter, No. 311, dated 31st August 1863, paragraphs 23 to 30.

Para. 23. I have given much and careful consideration to these proposals.

24. I am of opinion that the salaries attached to these Regimental appointments should be such as to place them at least on a footing of equality with the average of the staff appointments commonly held by Officers of similar rank and standing in the service, and while they should not be so far superior to the latter as to induce those to seek them whose natural tastes and qualifications might not otherwise incline them to this important branch of the service, it is important, on the other hand, that young Officers, who, on first joining the Staff Corps, will frequently be employed with Native Troops, should not, if naturally fitted for Military Service, be tempted to relinquish it by the attraction of superior emoluments of other staff employments.

25. With these principles in view, and making due allowance for the advantages enjoyed by Staff Corps Officers in regard to promotion, and the comparatively early period at which they will attain the pay for the higher ranks, I am willing to sanction the scale of Staff allowance proposed by your Government for the Officers serving in different capacities with Native Regiments, which, though liberal, will probably not be found excessive.

26. In the case of the Regimental Adjutant, however, it appears desirable that an Office Establishment should be prescribed, which should be maintained and paid upon Abstracts supported by the usual Muster Rolls.

27. I learn from your Despatch No. 10, dated 3rd January 1863, that you have completed the Native Regiments in Bengal to six regularly attached and paid European Officers; exclusive of the Medical Officers, as announced in your General Order of the 12th December 1862, it being distinctly understood that the appointments made under that decision are held subject to such modifications as may be found necessary on receipt of my further instructions on the general question, and that you have authorized the Government of Bombay to extend the rule to such Regiments in that Presidency as are formed and officered according to the new organization.

28. I approve of these proceedings and shall await the result of your reference to the Government of Madras upon the introduction of the new system into the Army, of that Presidency.

29. The scale of salaries now sanctioned will be brought into operation and made to apply in all cases where there is no reduction in the present aggregate salary on the payment due on the 1st of the month succeeding the receipt of this order.

30. Reductions of salaries effected by this Order are not to be made to affect present permanent incumbents, or those who are officiating for such permanent incumbents being temporarily absent from their duties.

HOME REMITTANCES.

European Commissioned and Warrant Officers are permitted to make Family Remittances to Europe to the following extent, for the benefit only of their Parents, Wives, Children, Brothers and Sisters, Fathers or Mothers-in-law, Brothers or Sisters-in-law:—

The above remittances are effected quarterly, reckoning the year from 1st April to 31st March, and cannot be remitted in advance; for instance, no party can remit during the 1st quarter, more than one quarter of the amount exhibited above. During the 2nd quarter, more than half the amount, provided he may not have already remitted for the 1st quarter. During the 3rd quarter, more than three-fourths of the amount, provided also that he may have not remitted for the two previous quarters, and during the 4th quarter, more than the established amount under the above proviso, and no arrears of remittances can be allowed beyond the official year.

Officers if they prefer it, can pay the amount into a Public Treasury, instead of having the sum deducted from their pay bills, but the payment into the Treasury must be accompanied by authority from a Paymaster for its reception into such Treasury.

In conformity with a recent ruling of the Government of India, it is hereby notified that the restriction imposed in para. 2 of G. O. G. No. 198, dated 7th May 1867, in regard to the Home Remittances of Officers, is withdrawn, and such Remittances may hereafter be made to the full amount within the annual limit of the Officer's rank, in one sum, or by instalments, at any time within the official year.

14. The rule regarding pension, at present applicable to the Officers of the Indian Medical Service, will remain in force with the following modification :—

15. Officers compelled to leave the service on account of ill health, and entitled to half pay pension under present Regulations, will be allowed the half pay of their relative rank, as laid down in the Royal Warrant, dated the 1st October 1858. This rule will apply to all Officers retiring upon half pay pension from a date subsequent to the receipt of this Despatch.—Vide G. O. G., 12th July 1864, No. 261.

3. My Despatch dated 16th May last, No. 152, stated that Officers compelled to leave the service on account of ill health, and entitled to half pay pensions under present Regulations, would, in future, be allowed the half pay of their relative rank.

4. Under these circumstances, I am of opinion that in respect to retirement on half pay, the Assistant Surgeon, after a service of six years, should be treated as an Officer having the Regimental rank of Captain has hitherto been treated; that is, without being required to show any qualifying period of service, he should be permitted to retire on the half pay of Captain, on showing sufficient proof of disqualification for further service.

5. Medical Officers under six years' service having the rank of Lieutenant, will continue, in respect to retirement on account of ill health, subject to the Regulations applicable to Subaltern Officers.—Vide G. O. G., 24th March 1865, No. 117.

MEDICAL OFFICERS—RETIRING PENSION.

G. O. G. G., No. 1018, 4th December 1866.—With reference to Government General Orders Nos. 497* of the 4th June 1861 and 1060† of 1864, the following paragraphs 5 and 6 of a Military letter from the Right Hon'ble the Secretary of State for India, No. 179, dated the 27th September 1866, are published for general information :—

Para. 5.—I have to inform you that I have decided that a Deputy Inspector General of Hospitals of the Indian Medical Service, above the age of 55, who, from ill health, may be unable to complete the five years' service required to entitle him to the annuity (a) in addition to the ordinary retiring pension, shall be entitled (in common with other Medical Officers, who, having attained the age of 55 years, may not be able to obtain the certificate of competency), to retire on the next higher rate of pension to that to which his length of service entitles him, provided that he be not already entitled to retire on the higher rate, viz., £700 a year.

6. This concession only applies to those Medical Officers of the Indian Service who entered the service before the promulgation (b) of the Royal Warrant of 13th January 1860.

ASSISTANT SURGEONS—IN MEDICAL CHARGES.

INDIA OFFICE;
London, the 7th December 1866.
To His Excellency the Right Hon'ble the Governor General of India in Council.
Sir,—I have considered in Council your Military Letter No. 243, dated 21st September 1866, transmitting correspondence regarding the title of an Assistant Surgeon

* Madras G. O. G., 18th June 1861, No. 206.

† Madras G. O. G., 6th January 1865, No. 9.

in medical charge of a British Regiment or Brigade of Artillery during the absence of a Surgeon on "privilege leave" to the special remuneration of Rupees 150 per mensem laid down in paragraph 9* of Sir Charles Wood's Despatch, No. 152, dated 16th May 1864.

March 1867.

* Government General Order No. 507 of 1864.

2. In reply I have to inform you that the special grant of Rupees 150 referred to was sanctioned to Assistant Surgeons of Her Majesty's service in India who might, by the exigency of the service, be placed temporarily in medical charge of a British Regiment.

3. It should be allowed, therefore, in all cases of an Assistant Surgeon succeeding to the temporary charge on the death, removal, or absence on medical certificate of the Surgeon, but it was not intended that any such extra charge should be incurred as a consequence of the Regimental Surgeon being absent on private leave and for his own convenience.

I have, &c.,

INDIAN MEDICAL DEPARTMENT—ADMINISTRATIVE STAFF.

No. 657 of 1867.—With reference to G. O. G., No. 456, dated 5th May 1865, the following letter from the Right Hon'ble the Secretary of State for India, is published for general information :—

MILITARY.
No. 144.

INDIA OFFICE;

London, the 24th May 1867.

To His Excellency the Right Hon'ble the Governor General of India in Council.
Sir,—Para. 1. In your Military letters, dated 8th and 23rd March last, Nos. 47 and 72, you submit for decision a question which you state has arisen with advertence to the order which allows officiating service "on full pay" in the rank of Deputy Inspector General of Hospitals, to reckon towards the additional pension granted to an Officer of that rank after five years' service therein, including only six months on medical certificate, whether the period of five years to which the tenure of that appointment, as well as that of Inspector General of Hospitals, is restricted, should be inclusive or exclusive of such officiating service.

G. O. G.
12th July 1867,
No. 296.

2. It appears to me that, if officiating service on full salary of appointment is to count towards the additional pension, it must necessarily count likewise as part of the five years' tenure of the appointment both of Inspector and Deputy Inspector General of Hospitals. The term of five years to which the appointment is limited, should I think, be regulated as follows :—

It should include any period during which an Officer may have acted as Inspector or Deputy Inspector on full allowances before his permanent appointment. On his permanent appointment, his tenure would be held to expire at the end of five years, including the period of such officiating service, whether after his permanent appointment he may have taken leave of absence or not.

3. A Deputy Inspector General of Hospitals who may, under these circumstances, fail to complete the required service for the additional pension of £250 a year, may, if he shall subsequently be appointed Inspector General, and shall not serve long enough in that grade to entitle him to the pension of £350 a year, reckon his service as Inspector General in addition to that as Deputy Inspector General, towards the period required for the additional pension of the latter grade.

I have, &c.,

The following Resolution of the Government of India, is published for general information :—

GOVERNMENT OF INDIA—FINANCIAL DEPARTMENT, No. 1,909.

LEAVE AND ALLOWANCES.

Simla the 9th August 1867.

Read the undermentioned papers :—
Notification No. 2,294, issued from this Department on the 25th April 1867, publishing a General Order of the Military Department, No. 370 of the 4th idem, prescribing a scale of consolidated salaries for Medical Officers.

Letter from the Comptroller General of Accounts, No. 243, dated the 6th June 1867, suggesting, with reference to the above, "that the pay of Civil Assistant Surgeons should, during transfer from one appointment to another, be charged to the Civil Department."

Letter from the Deputy Accountant General, Bengal, No. 753, dated the 27th June 1867, enquiring whether, during the journey of a Medical Officer from one civil appointment to another, his allowances should be treated as a civil charge and be limited to the amount of the unattached pay of his rank, "or be regulated by the salary attached to the station in which he last served."

Endorsement from the Military Department, No. 322, dated the 12th ultimo, forwarding a copy of correspondence regarding an enquiry whether the allowances of a Medical Officer in civil employ should be debited to the Civil or the Military Department during his absence on leave, or while he is in transit from one civil appointment to another.

* Or on promotion, should these periods of service not be already completed.

RESOLUTION.—The Governor General in Council observes that, under the Orders of the 4th and 25th April 1867 mentioned above, the salaries of Military Medical Officers in medical charge of Civil Stations are consolidated, and is accordingly pleased to rule that, in common with Military and other Medical Officers in civil employ on consolidated salaries, they shall, during periods of transit from one civil appointment to another, which are to be limited by the civil rules for joining time, draw the salary of the lower paid appointments of the two, and that such salary as well as the allowance admissible to these Officers during absence on leave, shall be disbursed in and charged to the Civil Department.

(Signed) H. MARSHALL, Major-General,
Secretary to Government.

MEDICAL OFFICERS—RATES OF PAY.

FORT WILLIAM, the 26th November 1864, No. 953 of 1864.—There being considerable misunderstanding with respect to the pay and allowances to be drawn by Medical Officers under the instructions contained in the Despatch of the Secretary of State published in Government General Order, No. 507,* of the 20th June 1864, the following Rules are laid down for observance in the three Presidencies, with effect from the date laid down in Government General Order, No. 508, of the same day, and pending further reference to the Secretary of State.

I. All Medical Officers, whether of the British or Indian Forces, who were in receipt of consolidated salaries at the date of publication of the General Order, or who may have subsequently succeeded or may hereafter succeed to situations the salaries of which are consolidated, will draw such consolidated salary and no more.

When so situated as to be entitled to draw only half Staff salary, such Officers will draw the pay of their rank according to para. 10 of the Despatch of the Secretary of State, and half the difference between that sum and the amount of the consolidated salary.

In such case the Officer acting will also draw the new rate of pay for his rank and the half difference remaining undrawn by the permanent incumbent.

II. Surgeon Majors serving with British Regiments will draw pay according to length of service as laid down in para. 10, with the addition of the Horse allowance sanctioned in para. 11, if attached to Regiments of Cavalry or to Brigades of Horse Artillery, and of Rupees 80, if attached to Brigades or Field Artillery.

III. Surgeons of British Regiments who were in Medical charge of Regiments of British Cavalry and Infantry on the 20th June 1864, will be allowed to continue to receive the pay and allowances then drawn.

Their claim to the old rate will not be invalidated by their proceeding on leave in India and ceasing for a time to draw Staff salary or Head money. During such period they will draw the new rates of pay of their rank, and on return to their Corps receive their old emoluments.

When promoted to Surgeon-Major, they will draw only the pay of that grade.

IV. Surgeons of British Regiments who were not in charge of Corps on the 20th June 1864, are only entitled to the new rates of pay of their grade whether absent or present, with the prescribed Horse allowance if attached to Cavalry or Horse Artillery, and Rupees 80 Horse allowance if attached to Field Artillery.

V. Assistant Surgeons of the British Service will in all cases receive the pay of their standing as laid down in para. 10, with an addition of Rupees 150 if in Medical charge of a Regiment of Cavalry or Infantry or Brigade of Artillery, or a permanent Depot, besides Rupees 60 per mensem Horse allowance if with Cavalry or Horse Artillery, and Rupees 80 if attached to Field Artillery.

VI. Medical Officers of the Indian Service who do not come under the provisions of Clause 1 of this Order, will draw the same pay and allowances as before the issue of the Order, unless it is below the pay assigned to their rank in para. 10, in which case they will be permitted to draw the higher rate of pay. In the latter case they will draw Horse allowance at the prescribed rates if with Cavalry, Horse Artillery or Field Artillery.

VII. Medical Officers drawing pay under the old Rules will receive any advantages to which they would become entitled by these rules in consequence of promotion or having completed five, six or ten years' service as Assistant Surgeons.

VIII. Medical Officers, whether of the British or Indian Service holding Staff appointments, and in receipt of Staff or half Staff salaries, will, until further orders, draw the present rates of Staff salary in addition to the old scale of pay, receiving any increase in the latter to which they would have become entitled by promotion, unless the aggregate shall be less than the pay of their grade under para. 10 of the Secretary of State's Despatch, in which case they will receive the latter only. When on leave they will draw the new rates of pay without Staff salary, the acting incumbent drawing the Staff salary with the old rate of pay, or the new rates without Staff pay, as may be most advantageous.

IX. Conveyance allowance will not be admissible to Assistant Surgeons on the new rates of pay.

X. The authorized allowance for the Medical charge of the Staff of Divisions or Brigades, will be passed in addition to pay and allowances whether on the old or new scale. The foregoing is in substitution of any orders or decisions on the subject that may have previously been given.

* Madras G. O. G. 12th July 1864, No. 261.

Fort William, the 23rd December 1864.

No. 1060 of 1864.—The following Military Letter from the Right Hon'ble the Secretary of State for India, No. 340 of the 7th November 1864, is published for general information:—

15. Her Majesty's Government have therefore determined that the duties of the Medical Officers of the British Army serving in India shall, in future, be kept wholly distinct from those of the Medical Officers of the Indian establishment, and that there shall be a separate administrative establishment for each.

16. Under these circumstances, it will be necessary that the administrative establishments in the several Presidencies should be revised, and the duties of the several Medical Officers of the higher grades re-distributed, and I request that you will take the subject into early consideration, with a view of determining the numbers of Inspectors General and Deputy Inspectors General of each service that will be required to conduct the administrative duties of the respective services in each Presidency.

17. In my Despatch No. 152, I authorized your augmenting the number of Officers above the rank of Assistant Surgeon

In Bengal to.....	152
„ Madras to.....	86
„ Bombay to.....	69

leaving the aggregate establishment of Medical Officers in each Presidency the same as before.

18. That establishment is at present as follows:—

Bengal.....	425
Madras.....	243
Bombay.....	193

19. You were informed, in my Despatch No. 291, dated 8th August 1863, that the War Office would take measures for relieving, as soon as possible, the Assistant Surgeons of the Indian Army from the Brigades of Artillery and new Line Regiments, and the same course will hereafter be adopted as a necessary consequence of the transfer of those Regiments to the British Army, in regard to the Surgeons. A reduction in the establishment of Medical Officers required for service in India will necessarily follow, and I request that the subject of the number likely to be required henceforward in the several Presidencies, may receive your early consideration.

20. In making this calculation you will, of course, take into account the several situations which may be properly filled up by uncovenanted members of the Medical profession.

21. It is believed that, in consequence of all appointments to the local service having ceased during the last three years, the aggregate number of Medical Officers at present borne on the strength of the several Presidencies will be, if anything, below the prospective wants of the service; but I shall make arrangements without delay for filling up vacancies as they may occur on your revised establishment.

22. The promotion of Assistant Surgeons who may hereafter enter the Indian Army will be regulated by length of service, and not, as heretofore, by succession to vacancies in a fixed establishment of Officers of the higher grades.

23. Assistant Surgeons of 12 years' service from the date of first Commission (of which two years shall have been passed in charge of a Native Regiment,) who shall have passed the prescribed examination in professional subjects, will be promoted to the rank of Surgeon.

24. The benefit of this rule is to be extended to all Assistant Surgeons now in the Indian Service, but Officers now in the service who may be so promoted will be considered supernumeraries to the establishment of Surgeons as recently laid down, so that no promotion by seniority will take place until such supernumeraries are absorbed.

25. You will make the promotions consequent upon this concession from the date of receipt of this Despatch.

26. In the Despatch above referred to, I informed you that you were authorized to introduce certain changes in the mode of payment of Officers of the Medical Department serving in India, and you were informed that, pending a further communication upon the subject, Officers of the British or Indian Medical Service, holding Staff appointments, the salaries of which are consolidated, will continue to draw their salaries as at present; and all Officers of the Indian Medical Department in the receipt of Staff salaries, including such as are in Medical charge of Native Regiments, will continue to draw the aggregate amount of pay and Staff allowances they now receive, provided it be not less than the rate of pay laid down in the above table for Officers of their rank and standing in the service.

27. I have now to inform you that it has been determined that, in future, all employment of the part of Medical Officers of the Indian Service involving the receipt of Staff salary shall be considered as Staff employment, the salaries being in all cases consolidated; and that all appointments, whether Military, held in future by Officers of the present Indian Medical Service below the rank of Deputy Surgeon General, will be alike tenable by Surgeon Majors, Surgeons, and Assistant Surgeons.

28. The salaries of the principal administrative and Military appointments are fixed at the following consolidated sums:—

Inspector General.....	2,500	whether of the British or Indian Medical Service.
Deputy Inspector General.....	1,800	
Surgeon Major in charge of Native Regiments...	1,000	with Rupees 90 Horse allowance if attached to Cavalry or Horse Artillery, and Rupees 80 if attached to Field Artillery.
Surgeon in charge of..... ditto	800	with Rupees 90 ditto ditto.
Assistant Surgeon above 5 years' full pay service in charge of Native Regiments.....	600	with Rupees 90 ditto ditto.
Assistant Surgeon under 5 years' ditto.....	450	with Rupees 90 ditto ditto.

But Officers now in the Indian service will receive the pay due to their rank as laid down in para. 10 of my Despatch No. 152 of 16th May 1864, when such pay is in excess of the consolidated salaries above-mentioned.

29. Officers who may hereafter be appointed to the Indian Medical Service will receive pay when unemployed in India according to the following scale:—

RANK.	Years' Service.	Unemployed Pay.		
		RS.	A.	P.
Surgeon Major.....	25	888	12	0
Ditto.....	20	852	3	7
Surgeon.....	15	677	6	11
Ditto.....	12	640	14	6
Assistant Surgeon.....	10	410	9	5
Ditto.....	6	392	5	2
Ditto.....	5	304	14	2
Ditto.....	under 5	286	10	0

30. The salaries of other Medical appointments in the Civil and Military Departments will be revised with reference to the above, and fixed at a consolidated sum, and I request that a report may be made to me upon the subject with as little delay as possible. In the meantime, the aggregate sums at present received in each case will continue to be drawn.

31. With a view of promoting the efficiency of the service, it has been further determined that the tenure of office by a Deputy Inspector General of the Indian Service shall, as in the case of Inspectors General, be limited to five years; Officers being, however, if not disqualified by age, eligible either for employment for a second tour of duty in the same grade, or for employment in the higher grade of Inspector General by promotion thereto.

32. You will follow, in the cases of Officers now holding the office of Deputy Inspector General, the same course which your Government adopted in 1861, in regard to combatant Officers holding certain Staff appointments, and permit all such to hold their offices for two years longer, irrespective of the periods they may severally have served in them. Should any Officer have served up to the present time less than five years, he will be allowed to complete a full period of seven years.

33. The rank of Inspector General and Deputy Inspector General conferred upon Officers of the Indian Medical Service under the Royal Warrant of the 13th January 1860, is to be considered as substantive rank.

These Officers, on vacating office at the expiration of the five years' tour of duty, will be permitted in future to draw respectively an unemployed salary of Rs. 1,200 per mensem in the former, and Rs. 900 in the latter case, for a period of six months from the date of their vacating office, after which they will be placed, while unemployed, on the rate of pay laid down in my Despatch of the 16th May 1864 for Officers of corresponding rank in Europe. These sums, deducted from the consolidated salary, will regulate the moiety of Staff salary to be drawn by Officers of those grades during absence on sick certificate. The decision reported in the 3rd paragraph of your letter No. 242 of 1864 will cease to operate from the date of publication of the present Despatch.

34. With a view to improving the position and prospects of Officers of the Indian Medical Service, it has been resolved to introduce prospectively the following revised pension Rules.

35. Officers of the Indian Medical Service will be allowed to retire on the following scale of pension on completion of the required periods for service:—

After 30 years' service in India	£ 550
" 27 " " "	456
" 24 " " "	365
" 21 " " "	292
" 17 " " "	220

36. An Inspector General, after five years' active employment in India in that grade, will be entitled to retire upon a pension of £350 per annum, in addition to that to which he may be entitled under the above scale.

Simla, the 21st September 1868.

No. 902 of 1868.—The following Military letter from the Right Hon'ble the Secretary of State for India, is published for general information:—

MILITARY. INDIA OFFICE;
No. 208. London, 20th August 1868.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—I have considered in Council your letter No. 180 of 20th May last, inquiring how a Deputy Inspector General of Hospitals, who may be compelled by ill health to take leave to England beyond six months during his five years' tenure of office, is to become entitled to the special pension of £250.

2. In reply I have to observe that, although an active service in India of five years, including six months' leave on medical certificate, is required in that rank for the pension in question, and although on the expiration of five years' service on full pay, inclusive of all leave, as an acting or permanent Deputy Inspector General of Hospitals, an Officer vacates the appointment, such Officer is, under the regulations of the service, eligible for re-appointment for a second tour of duty, at the discretion of Government, if not disqualified by age.

3. If disqualified from this or any other cause, and if he has not served the full five years' required for the extra pension, his claim to that pension will be forfeited.

I have, &c.,
(Signed) STAFFORD H. NORTHCOTE.

37. A Deputy Inspector General will, after five years' active employment in India in that grade, be entitled to retire upon a pension of £250 per annum, in addition to the pension to which he may be entitled under the above scale.

38. In each of the above cases, six months' absence on medical certificate will be allowed to count towards actual service in those grades.

39. Officers now in the Indian Medical Service will, on retirement, have the option of pension according to the above rules, or according to those now in force.

40. My attention has been directed on this occasion to the rule regarding the qualification of an Assistant Surgeon for promotion to the rank of Surgeon required under Clause III of the Royal Warrant, dated 18th January 1860. There can be no doubt that this rule, which has been again brought to notice by a recent Despatch from your Government, requiring a service of two years in or with a regiment, bears very hardly on many Officers, the nature of whose employment precludes their showing the required qualification, and who, on entering the service, had no reason to suppose that such a regulation would be adopted.

41. These considerations have induced me to consent to exempt from the operation of the Clause of the Royal Warrant all the Assistant Surgeons who entered the service prior to its date. It is to be understood, however, that the rule is to be strictly enforced in the case of all Medical Officers who entered the service after January 1860.

42. In my Despatch No. 152 of 16th May 1864, para. 7, I informed you that Her Majesty's Government had determined to modify the instructions given in my Despatches of the 31st October 1860 and 30th September 1861, and to permit the period of service qualifying Surgeons for the rank of Surgeon Major, under that Warrant, to be calculated from date of first Commission, including all leave of absence of whatever kind.

43. I have now to inform you that the same principle is to be observed with respect to the grant of honorary rank on retirement, under Clause 14 of the Royal Warrant, and that the 25 years' service qualifying for a step of honorary rank, the requirements of the clause in other respects being fulfilled, shall be inclusive of all leave of absence.

44. I have further to inform you that it has been determined, as in the case of combatant Officers of the Indian Army, to confer upon the Medical Officers of that service Royal Commissions in substitution for those which they now hold conferring rank in Her Majesty's Service in any part of the world. The Medical Officers of Her Majesty's Indian Service will not, however, be required to serve out of India, except with their own consent.

45. I have, lastly, to inform your Excellency that Assistant Surgeons appointed to Her Majesty's Indian Service in future will not be called upon to become subscribers to any Military or Medical Funds, and that Her Majesty's Government have determined to guarantee to present incumbents on and subscribers to the several Medical Funds the annuities and pensions to which they are, or to which they, their widows and children may become entitled from those Funds, according to the regulations now in force, and at the present rates of subscription. But this guarantee must be regarded as conditional on the absolute transfer of the assets of the Fund to the Government, and must not be construed as conveying to any Fund, or to any member of it, benefits which are not actually provided for in the regulations as at present in force.

46. The widows and children of Medical Officers hereafter appointed to Her Majesty's Indian Service will be granted pensions not less than those to which they would be entitled under the provisions of the Royal Warrant of June 15th, 1855.

47. The above measures, which obviously tend greatly to improve the condition and prospects of the Medical Service in India, cannot be carried out, as your Government will at once perceive, without a heavy expense to the State. It is hoped, however, that the result will be at once to diffuse a spirit of satisfaction and contentment among the Officers now in the service, and to secure for the future a certain supply of Medical Officers of good social position, liberal education, and professional ability for Her Majesty's Service in India.—Vide G.O.G., 6th January 1865, No. 9.

INDIA OFFICE,
London, 25th January 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—With your letter dated 5th November last, No. 376, you submit a question which has been raised regarding the rate of pension to which Medical Officers, who may be compelled to retire from sickness or accident after a service of six years, are to be held to be entitled, with reference to the General Order No. 507, of 20th June 1864, which notified that Medical Officers entitled to half-pay pension, under present Regulations, are eligible for the same according to their relative Army rank, as fixed by Royal Warrant.

2. By the Royal Warrant of 13th January 1860, an Assistant Surgeon, after six years' service as such, is to have relative rank as Captain. The same Warrant declares that "such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds."

3. My Despatch dated 16th May last, No. 152, stated that Officers compelled to leave the service on account of ill health, and entitled to half-pay pensions under present Regulations, would, in future, be allowed the half-pay of their relative rank.

4. Under these circumstances, I am of opinion that in respect to retirement on half pay, the Assistant Surgeon, after a service of six years, should be treated as an Officer having the Regimental rank of Captain has hitherto been treated; that is, without being required to show any qualifying period of service, he should be permitted to retire on the half pay of Captain, on showing sufficient proof of disqualification for further service.

5. Medical Officers under six years' service having the rank of Lieutenant, will continue, in respect to retirement on account of ill health, subject to the Regulations applicable to Subaltern Officers.

INDIA OFFICE,

London, 28th February 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—With your letter dated 6th January, No. 13, you transmit papers relative to a question raised by Dr. F. Anderson, Deputy Inspector General of Hospitals, as to whether an Officer of the Indian Medical Service can retire on half pay under the same conditions as are necessary in the case of an Officer of the British Medical Department, i.e., without residing in a temperate climate for the usual term of a furlough.

2. My Despatch dated 16th May last, (No. 152, paragraph 15) out of which this question has arisen, referred to Officers compelled to leave the service on account of ill health, and entitled to half pay pension under present Regulations. By those Regulations an Officer is precluded from retiring from the service on half pay pension in India. Under these circumstances, the view taken by your Government is quite correct, viz., that my Despatch referred to merely altered the rate of pension, and did not affect the rule of the service, which requires an Officer, to entitle him to half pay pension, first to try the effects of a temperate climate.

INDIA OFFICE,

London, the 24th March 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—The Military letter from your Government, dated 21st January, No. 36, submits two questions with regard to the retirement of Medical Officers, arising out of the late alterations with respect to the Medical Service. With regard to the first, it appears to you that all service on the full pay, of the appointment in the case of Inspectors and Deputy Inspectors General of Hospitals, should reckon towards the 5 years' service in those grades qualifying for the additional pension; and that the aggregate period of "service in India," noted in para. 35 of my Despatch dated 7th November last, No. 36, is to include the periods of leave hitherto allowed to reckon under the new furlough rules as service for pension.

2. This is quite in accordance with the intentions of Her Majesty's Government.

3. With regard to the second point, you apprehend that the six months' leave on medical certificate, referred to in para. 38 of my Despatch, applies only to the tenure of the appointments of Inspector General and Deputy Inspector General, and not to the time of pension under para. 35.

4. This view is also quite correct; the tenure of appointment referred to being that which is to entitle Officers of these grades to the additional pensions after five years' active employment in India.

No. 364 of 1860.—Under instructions from Her Majesty's Secretary of State for India, the portions of Her Majesty's Warrant of the 1st of July 1859, which refer to relative rank and precedence of Veterinary Surgeons of Her Majesty's British Forces, are declared to be applicable to Veterinary Surgeons of Her Majesty's Indian Forces.

It has not been considered expedient at present to alter the existing Regulations affecting the pay and allowances or the condition of invaliding and retirement of this class of Officers.

Extracts from Her Majesty's Warrant of 1st July 1859, which are declared applicable to Veterinary Surgeons of Her Majesty's Indian Forces.

1.—The Grades of Veterinary Surgeons in Our Army shall be three in number, viz.:

1. Staff Veterinary Surgeon.
2. Veterinary Surgeon of the 1st Class.
3. Veterinary Surgeon.

The following General Orders by His Excellency the Governor General of India in Council are republished:—

GENERAL ORDERS BY HIS EXCELLENCY THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Fort William, the 19th August 1861.

No. 722 of 1861.—The following paragraphs of a Military letter from the Right Hon'ble the Secretary of State for India, No. 278 of the 8th July 1861, are published for general information:—

"1. Since the date of my Despatch No. 233, I have received a communication from the Secretary of State for War, enclosing a letter from the Principal Veterinary Surgeon, Woolwich, who, with reference to the doubt expressed in your Military letter No. 41, dated 2nd April last, as to the practicability of examining

Veterinary Surgeons in India, in order to test their fitness for promotion, expresses an opinion that it is very desirable that if the Royal Warrant of 1st July 1859 be adopted, it should be fully carried out, and states that no difficulty was encountered in doing so, in the cases of the 2d and 6th Dragoon Guards, both in India, the examinations being written and carried on confidentially between the Officer in Command of the Regiment and himself.

3. No Veterinary Surgeon shall be eligible for promotion until he shall have passed such examination as Our Principal Secretary of State for War may require, and shall have served on full pay, with the Commission of Veterinary Surgeon, for five years.

Fort St. George,
8th Sept. 1861,
No. 301 of 1861.

"2. Lord Herbert concurs in the opinion that no sufficient ground has been shown for a modification of Clause 3 of the Warrant requiring Veterinary Surgeons to be examined as applied to India.

"3. Under the new organization of the Army in India, there will henceforth be no Regimental employment for Veterinary Surgeons of the Local Service, but those now in the service may be promoted under the Royal Warrant of 1st July 1859, their examinations being conducted by means of written questions prepared by the Principal Veterinary Surgeon in this country, in the mode above described.

"4. In carrying out this arrangement, a list of the Veterinary Surgeons, who have served the required periods for promotion, should be sent Home from time to time, in order that the examination questions may be prepared and transmitted to India."

This cancels the decision communicated in letter from the Right Hon'ble the Secretary of State for India, dated 7th June last, published in Government General Order No. 625, of the 16th July 1861.

Madras G. O. G. 30th July 1861, No. 250.

4. A Veterinary Surgeon of the First Class must have served fifteen years in the Army, with the Commission on full pay, before he will be eligible for promotion to the rank of Staff Veterinary Surgeon.

5. In cases however of emergency, or when

the good of the service renders such alteration necessary, it shall be competent for Our Secretary for War to shorten the several periods of service abovementioned in such manner as he shall deem fit and expedient.

6. Promotion from one rank to another shall not necessarily be given by seniority, but by selection for professional ability and meritorious conduct.

15. The relative rank of the Veterinary Officers of Our Army shall be as follows:—

Veterinary Surgeon on appointment, as Subaltern.

Veterinary Surgeon of the First Class on promotion, as Captain.

Staff Veterinary Surgeon on promotion, as Major, but junior of that rank.

16. Such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds (except as regards the Presidency of Courts Martial, and of all Military Courts, Committees, and Boards of Inquiry, where Our will and pleasure is that the senior combatant Officer be always President, and except further any Military command whatever), and shall regulate the choice of quarters, rates of lodging money, field allowances, forage, servants, fuel and light, or allowances in their stead, detention, and prize money. But when a Veterinary Officer is serving with a Regiment, Corps, or Detachment, the Officer Commanding, though he be junior in rank to such Veterinary Officer, shall be entitled to a preference in the choice of quarters.

17. Veterinary Officers shall be entitled to all the allowances granted——on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

18. Their families shall, in like manner, be entitled to all the allowances granted——to the families of combatant Officers holding the same relative ranks.

19. Veterinary Officers shall be held entitled to the same honours as other Officers of Our Army of equal relative rank. This does not, however, extend to the compliments to be paid by Garrison or Regimental Guards, as laid down in the Regulations of Our Army.

SIR,—I have been in communication with the Secretary of State for War on the questions raised

15th April 1864, No. 167.	in the letters of the dates noted in the margin, regarding the position of the Veterinary Surgeons of the Indian Service who may declare for general service in Her Majesty's Army.

G. O. G., No. 124,
31st March 1865.

2. I stated that it appeared to me that such of these Veterinary Surgeons as might volunteer for general service would become an integral part of Her Majesty's Army, and hold the same position as the Veterinary Surgeons in that Army; that they would be considered to have terminated all connection with their former service; and that they would be allowed to reckon their past service towards pay, promotion, and half-pay on retirement under the provisions of the Royal Warrant of the 1st July 1859.

3. The Secretary of State for War has expressed his concurrence in these views.

4. This decision should now be communicated for the information of the Veterinary Surgeons of the Local Forces at the three Presidencies, and a return of the Veterinary Surgeons desirous, on such conditions, to enter Her Majesty's general service, should be transmitted to me for communication to the Secretary of State for War.

5. The connection with the respective Military Funds of such of the Veterinary Surgeons of the Local Forces as may volunteer for, and be accepted for, Her Majesty's general service, will depend upon the regulations of the Funds of their respective Presidencies.

VICTORIA R.

Whereas it hath been represented to Us that it is expedient to raise the position and rank of the Veterinary Surgeons of Our Army, and to increase the pay and half-pay of the Officers of that service; Our will and pleasure is, that from and after the date of this Our Royal Warrant, the following Rules

shall be established for the admission, promotion, and retirement, and for the pay, half-pay, relative Rank and allowances of the Veterinary Surgeons of Our Army, and that by these Rules Our Commander-in-Chief shall be governed in recommending Officers for admission, promotion, and retirement.

1. The grades of Veterinary Surgeons in Our Army shall be three in number, viz :—
 1. Staff Veterinary Surgeon.
 2. Veterinary Surgeon of the First Class.
 3. Veterinary Surgeon.
2. No candidate shall be admitted into the Veterinary Department of the Army until he shall have satisfactorily passed an examination before a Board of Military Veterinary Surgeons.
3. No Veterinary Surgeon shall be eligible for promotion until he shall have passed such examination as Our Principal Secretary of State for War may require, and shall have served on full pay with the Commission of Veterinary Surgeon for five years.
4. A Veterinary Surgeon of the First Class must have served 15 years in the Army with a Commission on full pay before he will be eligible for promotion to the rank of Staff Veterinary Surgeon.
5. In cases, however, of emergency, or when the good of the Service renders such alteration necessary, it shall be competent for Our Secretary of State for War to shorten the several periods of service abovementioned in such manner as he shall deem fit and expedient.
6. Promotion from one rank to another shall not necessarily be given by seniority, but by selection for professional ability and meritorious conduct; such selection to be made by Our Principal Veterinary Surgeon; and the ground of such selection shall be stated to Us in writing, and recorded in the Office of Our Commander-in-Chief, together with the recommendation of the Principal Veterinary Surgeon.
7. The rates of pay of the Veterinary Officers of Our Army shall be in accordance with the following schedule :—

	SERVICE ON FULL PAY.

9. After the date of this Our Warrant, every Veterinary Officer placed on half-pay by reduction of establishment, or on the report of a Medical Board, in consequence of being incapacitated by reason of ill-health, caused by wounds or brought on by the discharge of his duties, shall be allowed the half-pay which his period of full-pay service may entitle him to, according to the following schedule :—

10. With a view to maintain the efficiency of the Service, all Officers of the rank of Veterinary Surgeons and Veterinary Surgeons of the First Class shall be placed on the Retired List when they shall have attained the age of 55 years; and all Staff Veterinary Surgeons when they shall have attained the age of 65 years.

11. Officers thus superannuated shall be entitled to the rate of half-pay, stated in the preceding schedule.

12. Every Veterinary Officer who shall have served upon full pay for 25 years and upwards shall have the right to retire upon half-pay, at the rate of two-thirds of the daily pay he was in receipt of when thus retiring, provided he shall have served three years in the rank from which he retires, or shall have served in any rank for ten years in the Colonies, or five years with an army in the field. But if he shall not have complied with any one of these conditions, he shall be entitled only to half-pay at the rate of two-thirds of the daily pay he was in receipt of before his last promotion.

13. Every Veterinary Officer thus claiming to retire must give six months' notice to the head of his Department of his intention to claim this right, prior to his being allowed to retire; and no Veterinary Officer shall be entitled to give such notice after he shall be under orders to proceed to any foreign station, until he shall have served at such station for one month.

14. If a Veterinary Officer be placed on half-pay from any other cause than those hereinbefore mentioned, he shall only be allowed a temporary rate of half-pay, not exceeding the rates stated in Clause 9 for such period and at such rate as shall be assigned to him by Our Secretary of State for War, on a consideration of the length and character of the services rendered by such Veterinary Officer.

15. The relative rank of the Veterinary Officers of Our Army shall be as follows :—

Veterinary Surgeon, on appointment, as Subaltern.

Veterinary Surgeon of the First Class, on promotion, as Captain.

Staff Veterinary Surgeon, on promotion, as Major, but junior of that rank.

16. Such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds (except as regards the Presidency of Courts Martial, and of all Military Courts, Committees, and Boards of Inquiry, where Our will and pleasure is, that the senior combatant Officer be always President, and except, further, any military command whatever), and shall regulate the choice of quarters, rates of lodging money, field allowances, forage, servants, fuel, and light, or allowances in their stead, detention and prize money. But when a Veterinary Officer is serving with a regiment, corps, or detachment, the Officer commanding, though he be junior in rank to such Veterinary Officer, shall be entitled to preference in the choice of quarters.

17. Veterinary Officers shall be entitled to all the allowances granted by Our Warrant of 13th July 1857, on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

18. Their families shall, in like manner, be entitled to all the allowances granted by Our Warrant of 15th June 1855, to the families of combatant Officers holding the same relative ranks.

19. Veterinary Officers shall be held entitled to the same honors as other Officers of Our Army of equal relative rank. This does not, however, extend to the compliments to be paid by garrison or regimental guards, as laid down in the Regulations of our Army.

Given at Our Court of St. James' this first day of July 1859, in the twenty-third Year of Our Reign.

By Her Majesty's Command.

SIDNEY HERBERT.

PORT ST. GEORGE, 13TH JUNE 1865.

No. 224 1865.—The following Extract from General Orders by the Government of India are re-published :—

Simla, the 22nd May 1865.

VETERINARY SURGEONS.—PAY AND ALLOWANCES.

No. 504 of 1865.—With reference to G. G. O. Nos. 363 and 364,* dated 30th March 1860, the Right Hon'ble the Governor General in Council is pleased to direct the publication of the following paragraphs of a letter from the Right Hon'ble the Secretary of State for India, No. 109, dated 23rd April 1865, and to notify that the increased allowances therein authorized are to have effect from the 1st May 1865 :—

Para. 1. With my letter dated 24th November 1859, No. 412, I transmitted to you copies of a Royal Warrant, dated 1st July 1859, regulating the rank, pay, promotion, and retirement of Veterinary Surgeons of Her Majesty's British Forces; and I directed that such parts of this Warrant as related to relative rank and precedence should be made applicable to the Veterinary Surgeons of Her Majesty's Indian Forces. At that time, it was not considered expedient to alter the existing regulations affecting the pay and allowances, or the conditions of invaliding and retirement, of this class of Officers.

2. Consequent on the recent extension to Medical Officers of the benefits of the rates of pay and allowances fixed by the Royal Warrant of 1st October 1858, for the Medical Officers of the Army I have had under my consideration in Council the subject of the allowances drawn in India by Veterinary Surgeons of the British and Indian Forces respectively.

Madras G. O. G., 17th April 1860, No. 168.

APPENDIX.

3. Your letter dated 21st December last, No. 470, also draws my attention to the present scale of pay to Veterinary Surgeons in India, which is stated to be relatively much less than that granted in England and the Colonies.

4. It appears to me that the time has now arrived at which other provisions of the Royal Warrant of 1st July 1859 may be introduced into India, in addition to those specified in my letter of the 24th November 1859, above referred to.

5. It has been accordingly resolved that the rate of pay laid down in the Royal Warrant, with the Indian allowances of the relative rank of the Officer, shall, for the future, be adopted as the scale of pay for Veterinary Surgeons of the British and Indian Forces. From the date of commencement of these allowances, all extra allowance of whatever description will cease.

6. The rate of pay of Veterinary Surgeons of both services will then be as follows:—

8. Veterinary Surgeons compelled to leave the service on account of ill health, and entitled to half-pay. Pensions under present regulations, will be allowed the Indian rates of half-pay of their relative rank, as laid down in the Royal Warrant of 1st July 1859.

9. Veterinary Surgeons of the Indian Medical Service will be allowed to retire on the following scale of pension, on completion of the required periods of service, viz:—

After 20 years.....	200 a year.

LIST OF HER MAJESTY'S COVENANTED CIVIL SERVANTS ON THE MADRAS ESTABLISHMENT,

Corrected up to the 30th September 1877

The Rank of Civil Servants commences from the date of arrival at Madras of the first Civil Servant appointed in Europe, of the same season of which they are Civil Servants; and, being thus determined, all Civil Servants belong, during the first four years, to Class VI;—from the fifth to the end of the eighth year, to Class V;—from the ninth to the end of the twelfth year, to Class IV;—from the thirteenth to the end of the twentieth year, to Class III;—from the twenty-first to the end of the twenty-eighth year, to Class II;—and from and after the twenty-ninth year, to Class I.

The letters **A, B, C**, prefixed to the names, denote respectively that the parties have not passed either of the two Standards of Qualification; that the first or lower Standard has been passed; that the Servant cannot take Special leave

M prefixed to a name denotes that the Servant though not having passed by the 2nd Standard, nor holding an appointment superior to that of Assistant is invested permanently with the full powers of a Magistrate.

Column 2, Capitals distinguish high proficiency. Small Roman letters show that the languages were studied in England by Civilians under the new system. *Italic Capitals* denote that the Civilian has passed the Honors Test under the Rules of 1868.

Column 7, *Italics* show "Dies non" G. I. Resolutions, 5th Nov. and 21st Dec. 1868, Nos. 3,477 and 3,797, Financial. Roman Capitals show Special Leave. *Antique letters* indicate a year of Sick Leave taken under rules in force before 1st July 1868, with reference to Section 6, b 2, Civil Leave Code.

Column 8, The Active Service is calculated in accordance with Section 4, Civil Leave Code, and is the period of Residence qualifying for Pension under Section 4, Supplement A of the Civil Pension Code.

VICTORIA R.

WHEREAS We have been pleased to approve of the re-organization of Our Indian Medical Service, Our will and pleasure is, that Our Warrant of 13th January 1860 be cancelled, and that from and after the date of this warrant, the following rules shall be established for the future promotion and relative rank and allowances of the Medical Officers of Our Indian Military Forces, and that by these rules Our Viceroy and Governor-General in Council, and the Governors in Council of Madras and Bombay respectively, shall be governed.

1. The grades of Medical Officers in Our Indian Military Forces shall be four in number, viz.:—

1. Surgeon-General.	3. Surgeon-Major.
2. Deputy Surgeon-General.	4. Surgeon.
 2. A Surgeon shall be promoted to Surgeon-Major on completion of twelve years' service from date of first Commission, subject to his passing such examination as Our Principal Secretary of State for India in Council may require.
 3. In cases, however, of emergency, or when the good of the service renders such alteration desirable, it shall be competent for the Secretary of State for India, on the recommendation of Our Viceroy the Governor-General of India in Council, to shorten the period of service abovementioned, in such manner as he shall deem fit and expedient.
 4. All promotion from the rank of Surgeon-Major to that of Deputy Surgeon-General, and from the rank of Deputy Surgeon-General to that of Surgeon-General, shall be given by selection for ability and merit; and the grounds of such selection shall be stated to us in writing, and recorded in the office of the Secretary of State for India in Council.
 5. With a view to maintain the efficiency of the service, all Medical Officers of the rank of Surgeon-Major shall be placed on the retired list when they shall have attained the age of 55 years, and all Surgeons-General and Deputy Surgeons-General when they shall have attained the age of 65 years; but as respects Surgeons-Major, who entered the service prior to the 13th January 1860, this rule shall be relaxed, and an officer who has attained the age of 55 years without having obtained the rank of Deputy Surgeon-General shall be permitted to remain in the service for three years more, on his perfect competency and fitness being certified in such manner as Our Secretary of State for India may direct. In any special case where it would appear to be for the good of Our Service that the Officer should continue in employment, he may be so continued, subject in each case to the sanction of Our Secretary of State for India in Council.
 6. The relative rank of the Medical Officers of Our Indian Military Forces shall be as follows:—

Surgeon as a Lieutenant, according to the date of his commission; and after six years' service as Captain, according to the date of the completion of such service.

Surgeon-Major as Major, according to the date of his commission; and after 20 years' service as Surgeon and Surgeon-Major, as Lieutenant-Colonel, but junior of that rank except for choice of quarters.

Deputy Surgeon-General as Lieutenant-Colonel, according to the date of his commission, and after five years' service as Deputy Surgeon-General, as Colonel, according to the date of the completion of such service.

Surgeon-General as Brigadier-General, according to the date of his commission; if with an army in the field, or after 3 years' service as Surgeon-General, as a Major-General from the date of his joining such army in the field, or according to the date of the completion of such service.
 7. Such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds [except as regards the presidency of courts martial, where Our will and pleasure is, that the senior combatant officer be always president,] and shall regulate the choice of quarters and the rates of prize money.
 8. Medical officers shall be entitled to all the allowances granted to our Indian Military Forces on account of wounds and injuries received in action as combatant officers holding the same relative ranks.
 9. Their families shall in like manner be entitled to all the allowances granted, under existing regulations, to the families of combatant officers holding the same relative ranks.
 10. A medical officer, retiring after a service of 25 years and upwards, may, if recommended for the same by the Government of his Presidency, receive a step of honorary rank, but without any consequent increase of pay.
 11. Six of the most meritorious medical officers of the service shall be named Our Honorary Physicians, and six Our Honorary Surgeons.
- Given at Our Court at Windsor, this 10th day of May 1873, in the Thirty-sixth Year of Our Reign.

By Her Majesty's Command,

ARGYLL.

(FINANCIAL, MILITARY FUND).

No. 223.

INDIA OFFICE,

London, the 15th May 1873.

To His Excellency the Right Honorable the Governor-General of India in Council.

MY LORD,—1. I have considered in Council your Military Letter, No. 41, dated 21st February 1873, referring for my decision, a question whether Officers who have already made provision for their wives, may subscribe to the new Pension Fund for their children only.

2. Major-General Hannyngton states that the contributions to this Fund for children, are independent of those for wives, and that consequently no objection exists to allowing Officers who are placed in such circumstances, to subscribe as unmarried members in the same manner as widowers.

3. The privilege of subscribing to the Indian Service Family Pension Fund for children only, may therefore be granted to all Officers, who have entered the Service since the date of the closing of the Military Funds to new subscribers, and have made other provision for their wives.

4. In such cases, subscribers must pay the unmarried rates of subscription of their class, as laid down in Table VI, as well as the birth-donation, and the ordinary subscription for each child as laid down in Tables V and VII of the Regulations.

25. The above applies to detachad batteries when so quartered that the adults and children cannot attend a school for which a trained schoolmistress is sanctioned.

26. A monitress may be appointed when the number of children attending the infant and industrial school exceeds 20. For more than 40 children a pupil teacher or assistant schoolmistress may be appointed in addition to the monitress, or two additional monitresses, if no pupil teacher or assistant schoolmistress is available, and for every increase of 20, an additional monitress or pupil teacher alternately.

IV.—Leave and Passage of Schoolmistresses.

27. Free passages to Europe are granted to trained army schoolmistresses on duty in India who may be declared by a medical board to be in such a state of ill-health that a return to Europe is absolutely necessary for their recovery; but in all cases when it may be practicable, a change of residence in India should be tried in the first instance. Any army schoolmistress sent on medical certificate to a station in India is allowed her travelling expenses at the authorized rate.

28. Schoolmistresses* absent from their duties on account of certified ill-health will be allowed full pay for a period not exceeding three months, and during that period the salary of an acting schoolmistress will be passed to the person performing the duties of the absent schoolmistress. This rule is applicable to those acting schoolmistresses whom, under the operation of General Order, No. 139 of 1871, it is not intended to relieve.

29. Should a schoolmistress, who may have been granted sick leave for three months, be recommended for an extension, the case will be reported for the orders of the Commander-in-Chief, in each Presidency.

30. During the extended leave, a schoolmistress will receive half her pay.

31. The whole period of absence will not be permitted to exceed six months, after which she will be placed on the unemployed list, from which date her pay will cease.

V.—Payment for Tuition.

32. The following classes are admitted to regimental schools free:—

Non-commissioned officers and men of the British army, children and orphans of the regimental, garrison, or departmental officers, of warrant officers, of non-commissioned officers and soldiers, including staff sergeants and drummers of European parentage attached to native regiments and Government departments, of warders of military prisons, and of pensioners. Children such as above, not belonging to a regiment or artillery brigade quartered in the station where they are residing, will be admitted to any military school on application to the officer commanding.

33. The children of European and Eurasian residents at the station may be admitted to regimental schools at the discretion of the officer commanding, on payment of Rs. 2-8 monthly for each child.

34. Broken periods of a month will be paid for at the rate of two annas for each day's attendance.

VI.—Hospital Stoppages.

35. The hospital stoppages in India will be three annas for a schoolmaster, and two annas for schoolmistress.

VII.—Medical Treatment.

36. In all cases the children of army schoolmistresses are entitled to medical treatment in military hospitals.

VIII.—Bedding and Rations.

37. All schoolmistresses, whether they are the wives of schoolmasters or soldiers serving in India or not, shall be on the same footing as regards bedding and rations for themselves and half rations for their children. Pupil teachers will be allowed half rations.

X.—*Allowances.*

39. Sub-Inspectors will, when travelling on duty, ordinarily be provided with a free passage warrant for themselves, servant and baggage, as granted to officers of relative rank, and will be entitled to a detention allowance of Rupees 5 a day when detained on duty in stations. When not provided with conveyance at the public expense, they will be entitled to draw eight annas a mile when travelling by road, and three annas a mile by rail.

40. Schoolmasters, when travelling on duty without troops, to join their regiments, or to visit detachment schools, will be granted one rupee twelve annas daily in addition to the actual and necessary expenses of travelling by railway or by road, and this amount will be passed for the period during which the Indian staff allowance is not drawn.

41. Schoolmasters and schoolmistresses in India are entitled to the conveyance of the following weights of baggage:—

43. On all practicable occasions it will be the duty of schoolmasters to apply to the station authorities for free passage warrants before incurring expense on account of travelling.

XI.—*Quarters.*

44. Schoolmasters serving in India are entitled to quarters and tents, as allowed to non-commissioned officers of their relative ranks. When not provided with quarters or tents, an allowance of Rupees 15 per mensem will be given in lieu. If provided with quarters of a decidedly inferior description, they will be entitled, as compensation, to the difference between the amount of rent fixed for them and the value of the quarters assigned. The amount of compensation to be decided as in the case of commissioned officers.

A schoolmistress, not being the wife of a trained schoolmaster attached to the same corps, is allowed quarters or compensation on the same footing as a schoolmaster.

XII.—*Regulations for Army Schools.*

5. Recruits may also be enlisted for General Service, and when so enlisted will be sent to such Regiments or Brigades, as may be open for recruits. They will be posted to such Regiments or Brigades until, within 15 months after their enlistment, they are finally attached to a Regiment or Brigade.

STAFF CORPS—QUALIFICATION FOR APPOINTMENTS.

Simla, 22nd August 1873, No. 908.—With the view of extending, as far as practicable, to officers of the Staff Corps and Indian Army, the system of Military instruction which obtains in the British Service, the Governor-General in Council is pleased to notify for general information the following Rules

SECTION III.—*Instruction of Officers.—Mode of conducting Examinations, Text-books, &c.*

1. In order that officers at present in the Staff Corps may be afforded assistance in their studies they will be permitted, under the necessary restrictions, to attend one course of garrison instruction, but any officer may present himself for examination with having gone through the course.

2. Under the orders of His Excellency the Commander-in-Chief, every facility, consistent with the maintenance of the efficiency of regiments, will be given to such officers as wish to join the classes of Garrison Instruction.

3. All officers undergoing instruction will be returned "on duty," and arrangements will be made regimentally for the performance of their duties while absent. Such arrangements, when the officers are holding regimental staff appointments, will be the same as if they were proceeding on privilege leave, and they will be permitted to travel once to and from the centres of instruction at the public expense, either for the purpose of attending the course or going up for examination, but in the event of an officer failing to pass he will not be allowed to travel at the public expense on a subsequent occasion.

4. All Infantry officers of the Indian Armies who are subject to examination under the present order, and those who may hereafter enter the Staff Corps under the provisions of paras. 2 and 3, Section I, will be required as a general rule to go through a course of equitation under the riding-master of a Regiment of British Cavalry or of a brigade of Artillery.

In order, however, to avoid the frequent absence of officers from their regiments, this rule will for the present only be enforced in the case of officers who are, or may be quartered, at stations where the services of a riding-master are available.

5. Officers, who go through the course of equitation, will be furnished with a certificate to that effect from the officer commanding the regiment of Cavalry or brigade of Artillery under whom they may have been instructed.

6. In the case of officers who may not have had an opportunity of attending a riding school up to the period of their going up for Part II of either of the above examinations, as set forth in para. 11, a certificate will be furnished to the above effect by the officer commanding their regiments.

7. The usual fees due to riding-masters for the instruction of officers under this order will be defrayed by Government and will be recovered in contingent bills, countersigned by the officer under whom the riding-master is serving.

8. All field Officers at the date of this order, who may be desirous of qualifying for Staff employment under para. 8, Section II, will be exempted from going through the course of equitation, but they will be called upon to furnish a certificate from the commanding officer of a regiment of Cavalry or brigade of Artillery, that they are sufficiently good horsemen to perform efficiently the duty of Staff Officers in the field.

9. The examination of officers, who become probationers for the Staff Corps after the 1st January 1875, in Part I of Examination A, will be carried out by Boards held at the head-quarters of divisions and districts, which will be presided over by the General Officer or Brigadier-General commanding, with two Commandants of Native regiments or one Commandant and one Second in Command as members. For the examination of officers for the Native Cavalry there must, however, be always two Cavalry officers on the Board, of whom one at least should be the Commandant of a Native Cavalry regiment.

No officer of the candidate's regiment should be detailed to serve upon these Boards when other qualified officers are available.

The examination will be conducted, and the reports drawn up and forwarded in strict conformity with the existing orders for conducting the probationary examination, as laid down in G. G. O., No. 581 of 27th June 1864, merely omitting the subjects not comprised in Part I of Examination A.

10. The examination in the subjects included in Part I, Examination B, may be carried out at any convenient time at the head-quarters of divisions or districts by the General Officer in command, or by a duly qualified officer, not belonging to the candidate's regiment, selected by him to hold it.

If the candidate pass satisfactorily, the examining officer will grant him a certificate to that effect.

11. The remaining portion of the examination of Captains and Lieutenants, and of Field officers, candidates for the higher staff appointments, as specified in Part II of Examinations A and B, will be carried out by means of sealed printed questions by the Boards assembled twice a year, at each of the centres of garrison instruction throughout India.

12. After 1st January 1875 no officer, except by special permission, will be permitted to leave his regiment either to attend a course of garrison instruction or to present himself for Part II of the above examinations until he shall have passed that portion held in the field as specified in paras. 9 and 10, Section III.

13. The following text books are recommended for the use of officers studying for examination under the present order:—

(1.) Manual of Field Fortification, Military Sketching and Reconnaissance, 1871, published by authority.

(2.) Drayson's Military Surveying or Richard's Text Book of Military Surveying.

(3.) Wolseley's Soldiers' Pocket Book for Field Service.

(4.) Maisey's Text Book of Military Law (when approved.)

(5.) Text Book on Tactics (in preparation.)

3. A revised distribution of the centres of garrison instruction in the three Presidencies will be hereafter notified.

4. This order is published in substitution of G. G. O., No. 510,* dated the 9th May 1873, which is hereby cancelled.

* Madras G. G. O., No. 143, dated 23rd May 1873.

ROYAL ENGINEERS—PROMOTION, SOLDIERS.

G. O. C. C., No. 48 of 20th June 1873.—The following General Orders by His Excellency the Commander-in-Chief in India are re-published:—

Calcutta, 10th April 1873, No. 125.—The following extract from a Military Letter from the Right Honorable the Secretary of State for India, received with Military Department, No. 1,229, dated 19th March 1873, (Royal Engineers) is published for information, in continuation of G. O., No. 277 of 1866, (Madras G. O. C. C., 26th January 1867, p. 22.)

Extract of a Military Letter from His Grace the Duke of Argyll, K. T., Her Majesty's Secretary of State for India, No. 12, dated 23rd January 1873.

Para. 7. I forward herewith copy of a letter from the Horse Guards, dated 27th December 1872, stating that His Royal Highness the Field Marshal Commanding-in-Chief sees no objection to the proposition of your Government, that the rank of men promoted in the sappers and miners should be acting rank, but should carry with it the full pay of the respective grades.

Copy of letter from Horse Guards, No. 105E—54, dated War Office, 27th December 1872.

"In reply to your letter of the 23rd instant, No. 719H, and previous correspondence, on the subject of men of the Royal Engineers having acting rank only in the sappers and miners in India, I am desired by His Royal Highness the Field Marshal Commanding-in-Chief to inform you that he sees no objection to the proposition of the Government of India, as all men of that corps sent to that

country hold the rank of non-commissioned officers and receive substantive promotion up to and including that of Serjeant, and on remand to imperial duty would therefore return to the rank they would have been regularly promoted to, unless they have been reduced to the ranks, in which case they would return as sappers.

"I much regret that through an oversight the original papers on the subject have not been answered earlier.

EFFECTS AND CREDITS.

Lawrencepore, 1st February 1873, No. 28.—Under instructions from Government, the Commander-in-Chief is pleased to direct that Committees of Adjustment are to restrict the Advertisement in the public newspapers of the estates of deceased officers and soldiers to three insertions only as a maximum.

OFFICERS TRAVELLING ON DUTY.

G. O. C. C., No. 49 of 23rd June 1873.—With reference to paragraph 1 of G. O. G. G., (a), No. 773, September 22nd, 1864, re-published in Madras Government Orders, dated 11th August 1864, page 613, and paragraph 1538, Madras Army Regulations—subject "*Officers travelling on duty*," the following paras. of a letter from the Government of India are published for information and guidance.

(a) His Excellency the Governor-General in Council is pleased to direct that, in future, Officers proceeding on public duty, under orders from competent authority, shall proceed by the most expeditious available mode of travelling, and, providing the journey is performed without unnecessary delay, at the public expense.

2. "It will rest with the Officer Commanding the Division, Brigade or Station, to consult the interests of the State by ordering the Officer to march at his own expense, whenever this will cause no inconvenience, or when, the case not being emergent, his arrival at the place of his destination will not be materially delayed by that mode of travelling."

3. "His Lordship in Council trusts that the Commander-in-Chief will cause the necessity of their thus using every endeavour to avoid sending Officers to other Stations on duty may be impressed on all Commanding Officers, as the expenditure on Military Transport of all kinds is found to be very and increasingly heavy."

It is, therefore, to be understood that the fact of an Officer, being as heretofore entitled to travel at the public expense under the provisions of G. O. G. G., No. 773 of 1864, and paragraph 1538, Madras Regulations, is no longer authority to a Commanding Officer for publishing any order directing him to travel at the public expense, this can only be done when the case is emergent, or a slower mode of travelling would cause inconvenience to the State, as specified in paragraph 2 of the letter herein quoted.

The particular attention of all Officers is directed to this Order.

RETIREMENTS.

G. O. C. C., 25th June 1873.—The following General Orders by His Excellency the Commander-in-Chief in India are re-published:—

Simla, 19th May 1873.—The Commander-in-Chief is pleased to direct the publication of the following Horse Guards' letter, No. ^{65,309}₁, dated the 5th April 1873, for the information of officers concerned:—

"With reference to your Letter of the 24th October last, *Retirements*, No. 3,710 A, and its enclosures, I am directed by His Royal Highness the Field Marshal Commanding-in-Chief to inform you, that the Army Purchase Commissioners have been authorized to investigate and settle the claims for compensation for loss of bonus on retirement, in the case of officers belonging to the cadres of the Royal (late Indian) Artillery and Engineers, in which payments, in accordance with the bonus system in operation before 1861, had been continued by them up to the 31st October 1871."

COURTS MARTIAL FORMS.

The new War Office Form, No. 641, "Extracts from proceedings of Courts' Martial," introduced by G. O. C. C., 28th March 1873, page 157, is to be used by commanding officers when submitting the documents required under para. 1,453, Queen's Regulations, and G. O., No. 15 of 1871.

The Form is not applicable to the record of charges, finding and sentences referred to in para. 1,514, Queen's Regulations.

* Madras G. O. C. C., 18th April 1873, page 153.

COURTS MARTIAL.

In compliance with instructions received from the Horse Guards, War Office, it is notified for general information and guidance, that on the representation of the Judge Advocate-General, it has been decided that in all future cases of the arraignment of acting non-commissioned officers of Royal Artillery, for trial by court martial, the acting rank of the prisoner be stated in the charge in parenthesis, thus:—

Gunner (Acting Bombardier) A.

Driver (Acting Bombardier) A.

MILITARY BUILDINGS.

With reference to G. O. C. C., 3rd April 1873, No. 31, lines 2 and 3, for "in supersession of paragraphs 18 to 23" read "in supersession of paragraphs 18 to 21."

Estimates for the repair of Military Buildings will be disposed of as directed in paras. 22 and 23 of G. O. C. C., 8th February 1866, No. 13, see also G. O. C. C., 15th March 1871, No. 40.

CAMPS OF EXERCISE—DRILL AND INSTRUCTION.

G. O. C. C., No. 50 of 4th July 1873.—The following General Order by His Excellency the Commander-in-Chief in India is re-published:—

SPECIAL INSTRUCTIONS FOR THE CONDUCT OF PEACE MANŒUVRES,

And for the guidance of Umpires and Commanders of Independent Bodies.

Simla, 4th June 1873, No. 178.—1. In conducting manœuvres in the field in time of peace, it is of course impossible to introduce the element of superior courage or training on the part of one or other of the opposing forces; and it is most difficult to realize the full effect of infantry and artillery fire.

2. This unavoidable check on the utility of peace manœuvres can, however, be reduced to a minimum, if every commanding officer will try to realize his military situation, and decide whether in a given case he would be able to continue the defence of a position; or whether he could attack; or whether circumstances would compel him to retreat.

3. Cases, however, must happen, in which opinions with respect to the position of affairs will differ; or where, owing to want of correct information on the strength, position, &c., of the enemy, the formation of a correct opinion becomes difficult; or circumstances may arise in which the result would depend upon the bravery of the troops, or their ability to advance under a heavy fire, or upon other considerations, whose true influence cannot be thoroughly appreciated in time of peace.

4. In such cases the assistance of an umpire becomes necessary, who, in fact, takes the place of hot, shell and cold steel, and by calculating their probable effect regulates the advance and retreat of opposing forces, so that their movements may as nearly as possible correspond with what they would be were they made under real fire.

5. Whenever two forces are to be manœuvred one against the other, the general nature of the operations, and the special object which each is to endeavour to attain, must be communicated to the respective commanders.

6. The base and principal line of operations on either side must also be given to them; but all further information, regarding the enemy's position or movements, must be obtained by military means.

General Rules for Commanders of independent bodies of troops.

7. The movements of the attacking force must depend upon the information obtained by reference to the maps of the country and by means of reconnaissances. This information being obtained, the commander of the force should make his subordinate leaders acquainted with it, and should inform them what his intentions are with regard to the attack, and of the part which he wishes each of them to take. They, on their part, should convey to each detached body under their respective commands the general plan of attack; in order that all ranks may fully understand what they have to perform; and that they may have increased interest in carrying it out intelligently.

8. The problem which a commander has to solve is how to attack in the best form and manner, and how to make use of his infantry (the arm upon which he must depend for the assault), so that its success may be facilitated, both by its formation for attack, and by the way in which it is handled in action.

9. It should always be remembered, as a general rule, that the object of an attack is to turn the enemy out of the position which he has taken up, with the least possible loss to your own side, and that, therefore, whenever by successful manœuvring his line of retreat can be threatened, without endangering your own communications, the enemy should be kept in play in front by a false attack, and when the turning movement has produced its effect, then a determined advance on his position will no doubt expedite his retreat and may produce a decisive victory. The same rule holds good from the beginning to the end of an action.—Never fire and never attack when you can gain your object without doing either.

10. Single horsemen, or small groups of cavalry, should always be employed for reconnoitring purposes, in preference to larger bodies, such as troops or squadrons, whenever the nature of the country will admit of such a course.

11. Spies must never be employed in peace manœuvres, and it must be considered a point of honor on both sides not to attempt to obtain any insight into the enemy's plans by means which would not be available in active service.

12. The commander of the defending force should occupy strongly the main line of defence. Advanced posts should only be occupied when they are particularly tenable. Separate strong masses, not a great many little reserves, should be formed in rear. The problem which the commander of a defending force has to solve is "the intended direction of the enemy's attack," so that he may be ready to meet it with the great mass of his troops. This information may often be obtained by means of cavalry patrolling and reconnoitring parties, which should be pushed well out to the front and flanks, and should be constantly furnishing information of the enemy's movements.

13. He must remember that a purely passive defence is always bad, and he should always be on the look-out for the opportunity of making a counter-attack.

14. Officers commanding independent bodies of troops, whether divisions, brigades, regiments, half battalions, or companies, must remember that the real responsibility for the movement of their troops, in the manner which would be forced upon them under actual fire, rests with them and with the officers under them. They must not imagine that when unchecked by the umpire, or when an umpire is not present, that they are at liberty to manœuvre in a manner which would be impossible in real war. This obligation must be duly impressed on the mind of every officer, non-commissioned officer and private, and one and all should be thoroughly instructed in the rules laid down for their individual guidance, and should be carefully taught the part which each is expected to perform.

Rules for guidance of Infantry.

15. Peace manœuvres should instruct the officers how to make the best use of infantry fire, and should teach the men to be sparing in the expenditure of their ammunition.

16. The most violent fire on the part of the enemy may with advantage often merely be answered by the best shots; and due discrimination is required to determine when the fire should increase in intensity, and when it should be gradually slackened.

17. Previous to an attack, the fire of infantry should be concentrated on the most important point.

18. In peace manœuvres, the probable effect of the enemy's fire must be carefully considered by commanders, and troops must not be allowed to remain unnecessarily exposed to it within effective range.

19. At the same time, however, it must be remembered that troops must be frequently brought under a close fire in order that the action may be decided; a timid endeavour to keep troops beyond range of a heavy fire would not correspond to the condition of actual war, in which no result can be obtained without sacrifice.

20. An attack once begun should be carried resolutely through to the end: the heaviest losses invariably occur when the attack is abandoned, and the defenders, retaining their own position, pour a destructive fire upon the retreating force, and so soon as it has got out of easy range send out skirmishers and cavalry in further pursuit.

21. When troops are under heavy fire, ground should be gained by moving the troops forward quickly from one advantageous point to another, and by making them lie down after each step of advance.

22. During this advance the fire of the enemy's line should be kept under by skirmishers, who, under such circumstances, fulfil the same duties as those of a covering party protecting the escalade of a fortified work.

23. Pursuing infantry, in peace manœuvres, must never be allowed to run or even to move in double time; this rule is most essential to prevent confusion and collision: and if acted up to, will fairly represent the check which a pursuing force would necessarily sustain from the fire of the retreating force.

Rules for guidance of Cavalry.

24. The Commandant of Cavalry, after being informed of the intentions of the Commander of the force, and having received his general instructions, should be as far as possible left unfettered in carrying them out. To trammel him with minute details, or to interfere more than is absolutely necessary with his movements, may possibly paralyse the usefulness of the cavalry force at a critical moment, its success depending on instantaneous action immediately the opportunity offers itself. Cavalry officers should learn to seize rapidly the opportunities for action, which are as it were momentary; they should at once decide what they intend to do, and should carry it out with vigour.

25. The peculiar nature of this arm obliges it, during the greater part of an action, to play a more passive part. The rapidity of its movements are a source of anxiety to the enemy; but although thus maintaining a threatening attitude, it is only during a few brief movements that opportunity for action occurs.

26. Reserve cavalry must be kept out of fire until required. Its position should, when possible, be in rear of the exposed wing or wings, so as to be ready to meet any turning movements on the part of the enemy, and reconnoitring parties from it must invariably be sent out to a distance from both flanks, so as to discover these attempts as soon as possible.

27. The attacks to be made by cavalry are few in number; the reserve cavalry may probably be only called upon to attack once; and the cavalry attached to divisions must content itself with remaining near the infantry and artillery, ready to seize the opportunity, should it occur, of affording those arms timely support. It must also be remembered that cavalry which has been in action requires a long time to reorganize, and after even a successful charge may possibly not be in a serviceable condition during the remainder of the day.

28. The grand secret in the employment of cavalry, therefore, is to keep the mass of men and horses fresh until the right moment for their employment arrives.

29. It is of the utmost importance that the right moment for a charge should be chosen, and that the ground on which it is to take place should have been properly reconnoitred beforehand by scouts selected for their good riding and intelligence.

30. An opportunity for entirely independent action on the part of the cavalry rarely occurs during an engagement; and the error which is so frequently made in peace manœuvres of placing the cavalry in the first line at the commencement of an action, and of sending them prematurely to the front, should be avoided.

31. This mistake will be brought out in strong relief if the opposing force refuses to meet such an advance by a forward movement of his own cavalry; for the force will then be compelled either to halt under fire, or to charge unshaken battalions or batteries, or to proceed by circuitous roads to the rear of the enemy's line and attack his cavalry, unsupported and with its front reversed.

32. Should, however, the officer commanding the opposite side consider it necessary to oppose cavalry to cavalry, then in all probability, during the entire course of the manœuvre, the cavalry will become separated from the other arms, and operate in a manner which would be impossible in real war, and is consequently ridiculous in peace manœuvres.

33. Cavalry may often be most usefully employed dismounted in occupying rapidly distant important tactical points until the arrival of infantry. The proportion of men to be dismounted must of course depend upon the extent of position to be occupied: the nature of the ground, &c., &c.

Rules for the guidance of Artillery.

34. The general rule of artillery is:—

- I. To commence the battle.
- II. To carry on delay in action.
- III. To prepare for the attack on a particular point.
- IV. To extricate the other arms from the enemy's fire.
- V. To co-operate in pursuit.
- VI. To protect in retreat.

35. The performance of these duties can only be secured by the maintenance of a close connection between the artillery commander and the General commanding the force.

36. Artillery produces effect by its fire only, and moves only to bring its action to bear on the enemy.

37. Time occupied in the movement of artillery in a battle is so much of lost time, as regards its action. Hence every change of position demands a fresh calculation of the ranges, on the accurate knowledge of which the effect of the fire depends; moreover, on account of their extensive range, it is possible for properly-placed rifle guns to be effective from one and the same position in all the different stages of the battle. It is unnecessary to advance a few hundred yards in order to reach the enemy, the object being obtained by altering the elevation, without essentially diminishing the efficacy of the fire.

38. A change of position should only be made when it is quite certain that one has been found whence a more effective fire can be delivered.

39. Movements should be simple and rapid, the principle being to enter with a broad front into positions, chosen with reference to facility of advance, or retirement, in this formation.

40. *Attack.*—When advancing to attack an enemy in position, infantry should always be aided by artillery and the batteries should be placed at a decisive range on the flanks, with reference to the necessity for concentrating a fire on the point to be assailed, and in order to admit of the fire being kept up as long as possible before being masked by the advancing infantry.

41. *Defence.*—In the defence of a position, artillery should be entrenched, and placed so as to obtain a cross fire on all the approaches, the ranges of which would be ascertained: and fire should be directed to silence the attacking guns as they come into positions, when generally the men and horses afford excellent marks.

42. But it may be laid down, as a general rule, that guns should bear, either in attack or defence, on the arms of the enemy which threaten most, and should only fire at the artillery when there are no other troops presenting a sufficient mark.

43. The work of artillery in the field, in respect of mobility, often requires speed and endurance; its success is consequently dependent on the capacity for work of its horses. These, therefore, must be spared exertion as much as possible, while, in decisive moments they should be put to their full pace. It will be well always to remember that the use of a battery is lost if the teams are prematurely exhausted.

44. In an attack on unshaken infantry, artillery should not approach, if it can be avoided, within 800 yards; but against a shaken enemy, or when on the defensive in combination with other arms, it must not avoid much closer quarters.

Artillery Escorts.

45. It is not always necessary that artillery should have a special escort assigned to it, as it may often be efficiently protected by the general distribution of the force to which it belongs.

46. On exposed flanks, escorts are necessary; and when they are, it is the business of the artillery commander to apply for them.

47. Horse artillery attached to cavalry, however, should never be left without an escort.

48. Escort should be taken from the troops best suited to the country and the occasion, and should be placed in the position from whence they can effectively protect the guns, taking at the same time advantage of any available cover. As a general rule, infantry escorts should be 400 yards to the front, and cavalry escorts 200 yards in rear; in both cases on the exposed flank.

49. It is the duty of the battery commander to point out to the officer commanding the escort what his movements of position are going to be, and it is the duty of the commander of the escort to place his men to the best advantage, according to the nature of the ground.

50. During the movements of artillery the escort is on the exposed flank.

51. In retreat, the escort should remain long enough in the abandoned positions to check the enemy, and withdraw slowly clear of the battery's fire.

GENERAL RULES FOR UMPIRES.

1. The Umpire in Chief will be the Commander-in-Chief or senior officer specially appointed by him for the duty.

2. Umpires will be distinguished by a broad white band on the left arm, and by a small white flag one foot square, fastened to their riding cane or whip. Assistant umpires will wear the white band on the right arm.

3. Spectators in uniform will be distinguished by a broad white scarf worn over the left shoulder.

4. The decision of an umpire must be accepted without demur, and no officer must on any account enter into a discussion with him regarding any decision.

5. On their part they must avoid offering any criticism on the manner in which the troops were handled.

6. During an action umpires must endeavour to give their decision promptly as delay tends to create confusion in the conduct of the manoeuvres. Notes of such decisions must be made for entry in the day's report.

7. When two or more umpires are called upon to give a collective opinion, the senior present will deliver the decision as that of all. No umpire must ever allow it to be known that he differed from the decision given.

8. When two umpires differ in opinion regarding a decision, they must on the spot draw lots as to which is to be acted on. On no account must delay be incurred by a reference to the senior umpire or other higher authority.

9. The umpires generally are umpires for all arms, and the umpire on the spot will decide any question that may arise whether it has reference to infantry, cavalry, or artillery.

10. If possible, however, umpires will be told off to their own particular branch of the Service, in the following proportion:—

A senior umpire on each side with the commander of each force.

One umpire to each battalion of infantry.

One „ to each battery.

One „ to each regiment of cavalry.

11. Any umpires over and above this number will accompany the senior umpire, and be detailed by him to accompany any infantry body that may be detached to a distance for a special purpose.

12. Two assistant umpires will be told off to each senior umpire, and one to each of the others. These officers, although themselves not entitled to give a decision, will assist the umpire by ascertain-

ing for him the strength of an opposing force; the number of guns in position; the object at which guns may be firing; the elevation of the guns; and the correct distance between them and their object, &c., &c.

13. One or two cavalry orderlies should be told off to each battery to carry messages to the force on which the guns are playing, and the same number to each senior umpire.

14. The umpires on each side will be under the immediate orders of the senior umpire, who will make the necessary distribution, and issue all the orders regarding them which may be required.

15. When manoeuvres last more than one day, the senior umpire should make arrangements for all the umpires on his side encamping together.

16. Umpires on taking up their duty must at once ascertain the strength of the force they are told off to (in guns, troops, or companies); and must also make themselves acquainted with the general instructions that have been given to the commander with whom they are associated.

17. They must note down the exact time when each prominent feature in the day's proceeding takes place; and also the bearing and names of the villages in view at the time, in view to making a final report at the end of the day.

18. All reports will be made in person to the senior umpire at the end of the day, from which he will compile a general report of the day's proceedings.

19. An umpire, when the body to which he is attached comes into action, must ascertain as accurately as possible the amount of fire which is being brought to bear upon it. He will communicate this information to the officer commanding that body, who is expected of his own accord to move or manoeuvre in the manner which would be forced upon him were he actually under such fire.

20. Umpires should always, possibly, be present when the commander of the body to which they are attached is giving his preliminary instructions for attack or defence; so that they may be in possession of the views and intentions of the latter, and may be able better to appreciate the movements which result from those instructions. Should this, however, not be possible, they must obtain from the commander the required information, taking care to choose a suitable opportunity for making the request.

21. The umpire must at a suitable time place himself in a convenient position to watch the course of events, taking care that in doing so he does not betray to the enemy the plan of attack or defence, or the movements of the force to which he is attached.

22. Directly the attack is developed, the umpire from the opposite side should advance and join the one attached to the attacking force.

23. Should they consider that the fire brought to bear on either side is too heavy to be faced, they must communicate this decision to the commander, who must then make such alteration in his dispositions as the circumstances may require.

24. In the calculation of relative numerical strength, troops, companies and guns will alone be considered, it is therefore necessary that the minimum strength of the two former bodies should be laid down beforehand.

25. The effective fire of artillery is to be considered as follows:—

Against Columns stationary or moving slowly.

40 Pounds...	...	...	2,800 yards.
9-Pounder M. L. Guns	...	...	2,500 „
12 „ B. L. Guns	...	...	2,500 „
9 „ „	...	...	1,800 „
7 „ M. L. Guns	...	...	1,200 „

Against deployed Infantry stationary or moving slowly.

9-Pounder M. L. Guns	...	...	2,000 yards.
12 „ B. L. Guns	...	...	2,000 „
9 „ „	...	...	1,500 „

26. The following conventional terms will be used by umpires when delivering their decision:—

“Slightly shaken.”	“Defeated.”
“Much shaken.”	“Totally defeated.”
“Checked.”	“Routed and dispersed.”

27. Whether troops are to be considered as “slightly shaken” or “much shaken,” depends on the amount of fire to which they have been exposed; the distance from which they have advanced to the attack; the pace at which they have advanced; the nature of the ground over which they have been brought, &c., &c. But in either case the fact must be considered as lessening their efficiency, and consequently, diminishing their chances of success.

28. Cavalry which has been moved for a considerable distance at a rapid pace is to be considered as “slightly shaken.” Troops which have been victorious in an attack must be considered as “much shaken.”

29. "Checked."—The troops will remain out of action on their own ground five minutes. Successful sides will be considered as "slightly shaken" for the same time.

30. "Defeated."—The troops will be retired straight to the rear, and will remain out of action fifteen minutes. Successful side will be considered as "much shaken" for the same time.

31. "Totally defeated."—The troops will be retired straight to the rear, and will remain out of action thirty minutes; successful side will be considered as "much shaken" for the same time.

32. "Routed and dispersed."—The troops will be ordered out of action for the remainder of the day.

33. Opposing forces must be always dressed differently; unless this rule be attended to confusion must inevitably ensue. Friends will be mistaken for enemies and *vice versa*, and umpires will be unable to perform their duties satisfactorily.

34. Infantry and cavalry skirmishers must never approach nearer than 100 yards of opposing skirmishers; when that limit is attained, if no order be given by the commander on the spot, both sides will halt, dismount or lie down, and await the umpire's decision.

35. Infantry will under no circumstances fix bayonets, nor will cavalry draw swords, or bring their lances down to the engage.

Infantry against Infantry.

36. The umpire will always attach great importance to the steadiness and order of the troops engaged, as well as to the fact of their being kept well under the command of their immediate superior officer.

37. Next in importance to these points, the probable effect of infantry fire must be carefully considered.

38. The fire of infantry to be effective must be delivered without haste, at the right time, in the right direction, and at the right elevation; increasing or decreasing intensity according to the object to be obtained.

39. Each individual soldier should be thoroughly taught to comprehend the superior effects of a cool, deliberate, well directed fire; and all wild firing must be considered by the umpires as to the decided disadvantage of the side guilty of such a proceeding.

40. Umpires, whilst watching carefully the manner in which the fire is delivered, should also ascertain whether the rifles are sighted to the proper distance.

41. Effective fire of infantry against infantry in line or extended order to be considered 400 yards in column, 600 yards.

42. Infantry in line, or in skirmishing order, may be allowed to advance to within 600 yards of hostile infantry, without being debited with any material loss; but from that distance they must commence to take advantage of ground, and use every precaution to diminish the effect of the enemy's fire.

43. If the attacking force arrive at 100 yards from the enemy's position, it must invariably halt, lie down, and cease firing: the decision of the umpire must then be given.

44. If two stationary forces of infantry open fire on each other on open ground, one side or the other must be made to retire after the fire has continued five minutes; this rule is a most important consideration, as tending to prevent the unnatural position of two opposing forces firing at each other for a considerable time without any apparent result.

45. When a body of infantry inferior in numbers to the attacking force has been ordered to hold a certain position to the last extremity, the men must be ordered to pile arms in front of it. It will then be for the umpires to decide how long such a determined defence would be likely to check the attacking party. When that time has elapsed the defending force will be considered as out of action for the remainder of the day.

Infantry against Artillery.

46. Effective fire of infantry against artillery to be considered 600 yards.

47. If an isolated battery of artillery, not covered by any natural or artificial protection, is attacked in front by infantry skirmishers numbering three times as many as the battery exert, should the skirmishers arrive at 400 yards, the guns must be considered as captured.

48. Skirmishers, if their attack fail, are not to be allowed to attack a second time, but they may remain on the ground without retreating.

Infantry against Cavalry.

49. Effective fire of infantry against cavalry to be considered 600 yards.

50. The success of cavalry against infantry depends less upon the relative numerical strength of the two forces, as upon the condition and formation of the infantry at the time the attack takes place. The umpire will therefore have to take into consideration any occurrences immediately preceding the attack, which may have placed a battalion in an unfavourable position either temporarily or permanently.

51. A body of infantry which has been shaken by artillery fire, or which is disordered by having made an unsuccessful attack, and has to retreat for a considerable distance across an open plain naturally offers great chances of successful attack to cavalry.

52. An attack, made by at least one squadron of cavalry against a battalion of infantry, which does not await the attack stationary, is to be considered as successful, and the infantry will be considered as "totally defeated."

53. Skirmishers holding a bridge, or occupying a ditch, in front of which the ground is open for some distance, are considered unattackable by cavalry.

54. Cavalry must not remain stationary opposite to infantry skirmishers at 600 yards' distance.

Cavalry against Cavalry.

55. In peace manoeuvres, when cavalry charge cavalry, the chief points to be considered by the umpire are as follows:—The direction of the attack; whether the line was brought up in good order; whether the charge was supported by the fire of other troops, or whether the cavalry in advancing were exposed to the fire of artillery or infantry; whether supports were at hand, and what part they took or were capable of taking in the engagement; the nature of the ground which each had to pass over. If no distinction on these points can be made on either side, superiority in the number of squadrons in the first line must be considered, and the chances arranged accordingly.

56. Cavalry charges to be considered effective must be delivered with proper energy. The walk must be sounded when the contending forces are at 100 yards, and the halt and dismount when at fifty yards from each other. The umpires will at once give their decision, and order the worsted regiments to remount and retire. When more than one regiment charges in one line the decisions will be given separately, regiment by regiment and not collectively.

57. If a second line be at hand in support, worsted cavalry are never to be considered as more than "defeated."

58. One squadron attacking an unprotected flank is to be considered as producing as much effect as two squadrons attacking in front.

59. If a force of cavalry, in the act of making a flank movement, is attacked by cavalry, it is invariably to be considered as "totally defeated."

Cavalry against Artillery.

60. Guns in action in the open, attacked by cavalry in flank, are always to be considered as captured, if the force approaches within charging distance.

61. Guns in action under any natural or artificial cover are to be considered as captured when attacked by cavalry in flank, and by other troops in front simultaneously.

62. Artillery in motion, when overtaken by cavalry, is always to be considered as captured.

63. Cavalry in column must never be allowed to pass within 600 yards of guns in action. They may, however, be allowed to gallop past the front of guns in action when beyond that distance, or trot past them when beyond 800 yards.

Artillery against Artillery.

64. During peace manoeuvres, the fire of artillery is seen and heard, but, operating at long distances, it is impossible at times to make out the object. Upon the umpires devolves the duty of causing the execution it is able to inflict being properly appreciated, and this they will best be able to perform by sending a messenger with a written note of the object and the amount of artillery fire. As regards the losses which artillery is supposed to suffer at peace manoeuvres, the umpires must decide what guns are disabled, and whether they are to be considered temporarily or permanently *hors de combat*.

65. Umpires should attach great importance to a well-placed battery firing after the range has been determined, coolly and regularly, the guns being accurately laid.

66. The fire of guns against guns should not commence at a longer distance than 2,000 yards, a fight carried on between two artilleries thus placed would necessarily entail loss upon one or both, and if the distance were reduced to 1,000 yards, would probably in a short time end with the annihilation of one or the other.

Umpires, therefore, under such circumstances, must examine both positions, ascertain their relative strength, and then fix the rate of time per gun at which the battery occupying the weaker position will be disabled and the amount of damage sustained by the victorious side. They must bear in mind that a battery coming into action against another already in action, is exposed to greater or less loss according to the manner in which it enters into position, and they may consequently have to debit a battery with loss of guns before it has fired a single round.

Attack and Defence of Villages, Fortified Positions, by Infantry.

67. No troops must be allowed to enter a village. A few skirmishers should be placed in front of it to show that it is occupied, and the main body of the force will be formed up in rear—infantry with piled arms, cavalry dismounted, guns limbered up.

68. The attack must be made as if the defenders were in their proper position. The result must be determined by reference to the relative numbers of the two sides, the strength of the village itself, its position with regard to the general front of defence, and the manner in which the attack is made.

69. When skirmishers advance to the attack of a village, or wood, &c., &c., if the preparatory fire of infantry or artillery has lasted for forty minutes, their chances of success will be considered as at their best, any attack made before that time has elapsed must be considered by the umpire as offering a lessened chance of success.

70. Troops once repulsed in an attack of this nature must not be allowed to attack again until after twenty minutes has elapsed.

71. If the walls of a village have previously undergone any special preparation for defence, it cannot be taken without the aid of artillery. This will be notified by the whole force being placed in front of the village, guns in action, infantry deployed.

72. If there exist any natural line of defence within the village, or if there has been time and the intention to raise an artificial one, the defenders may be considered as having rallied behind it, and the attack must be made afresh, preceded by a preparatory fire of at least ten minutes' duration.

73. In the case of an attack on heights, the slope of the ground must be taken into consideration by the umpires.

Destruction and Repair of Bridges.

74. The supposed destruction of a bridge will be indicated by a flag, and by a soldier placed on the bridge itself within a written notice.

75. The repair of bridges over ditches not more than 12 feet wide, which have been destroyed, may be considered as effected by troops not under fire in about ten minutes.

76. If constructed under fire of artillery, double the time must be allowed.

77. If the fire be very heavy and unanswered, the bridge cannot be repaired.

78. It will be for the umpires to determine the length of time required to destroy bridges of large dimensions, or to render them temporarily impassable, and how long to render them again passable.

MOVEMENTS OF TROOPS BY LAND.

G. O. C. C., No. 52 of 3rd July 1873.—Recent circumstances render it necessary to direct general attention to the following rules on the duties of Officers and Troops, when marching :—
Officers, on a line of march, must be careful in their treatment of Tahsildars and other Native Officials, with whom they may be brought into contact. Both as an example to those under their orders and for the efficient discharge of public duties, it is incumbent on Officers to show courtesy and forbearance to all Natives, and especially to those deputed to assist the Military in obtaining supplies, boats, &c.

Whenever there may be cause of complaint against Native Officials, Commanding Officers are warned not to take the law into their own hands, but to represent the circumstances fully for the information of His Excellency the Commander-in-Chief, and also, if necessary, to the Chief Civil Authority in the District.

Commanding Officers are responsible for the conduct of those under their orders, and must suppress all attempts at violence or excess of any kind.

These rules have general application, but especial attention to them is required when marching through Native territories, such as Hyderabad or Mysore.

No. 184.—The Commander-in-Chief is pleased to notify, that the Government have ruled* that officers holding regimental Staff appointments, when detached with men of their corps for musketry instruction, or similar purposes, are to be considered as on regimental head-quarters, however extended such absence may be, unless it be absolutely necessary.

(See also Clause XI of para. 169, Transport Regulations, Part I.)

CLOTHING AND NECESSARIES.

No. 192.—It having been ascertained that, in a large majority of the regiments serving in the Bengal Presidency, the charge for marking clothing and necessities is the same as laid down in the Royal Clothing Warrant of 1865, His Excellency the Commander-in-Chief directs that the sum of four pias for each article marked shall be the recognized rate in future.

2. Every encouragement will, however, be given to soldiers to mark for themselves, when qualified to do so correctly.

PASSAGES.

No. 193.—Under instructions from Government, it is notified for information and guidance, that (b) G. O., No. 21 of 1872 is cancelled, the Secretary of State for India having subsequently decided “that under no circumstances is an officer entitled to passage for his family, unless he accompanies or is doing duty with troops on the voyage, and accommodation is available for them” on board the ship.

This does not apply to general officers proceeding to or returning from India.

Para. 178, Transport Regulations, Part I, to be modified accordingly.

LEAVE—OFFICERS.

No. 194.—Under instructions from Government,† the Commander-in-Chief is pleased to direct the publication of Military Department

† Mily. Dept. Letter, No. 620, dated 26th May 1873.
‡ Paras. 44 and 63 of G. O., No. 182 of 1870.
Letter, †No. 186, dated 7th January 1867, to the Adjutant-General, for general information and guidance:—

“I am directed to acknowledge your Memo., No. 1,358E, dated 7th December 1866, with annexment, inquiring whether the restriction against visiting places in native States or territories without the sanction of the Government of India, laid down in Military Department Letter, No. 221, dated 19th October 1866, refers merely to such States or territories as Ava, Nepal, or Cashmere, or to all native States, large or small, of every kind and description.

(a) Madras G. O. C. C., 4th September 1872, and G. O. G., 31st December 1872.
(b) Madras G. O. C. C., 6th June 1872.

“2. In reply, I am to acquaint you, for the information of the Commander-in-Chief, that in laying down the rule above adverted to, it was not the intention of the Government of India to narrow or restrict the action of His Excellency or of subordinate Governments or local Commanders-in-Chief, but to extend their powers to British cantonments everywhere, in or out of British territory.

“3. But in the case of leave to cantonments situated in foreign territory, the Governor-General in Council desires it to be understood that such leave is to be taken *bond fide*, to visit the cantonment, and not to wander in the territory in which it may be situated. To obtain leave for this latter purpose, or to reside in any foreign territory, as such, it will be necessary for the officer who finally grants the leave, to obtain through ordinary channels the sanction of the local Government under whose supervision the native State may be, or when such State is not under a local Government, of the Government of India.

“4. Thus, for example, if the Commander-in-Chief in India desired to grant an officer leave to visit Rajkote in Kattywar, it would be in his power to do so without making any kind of reference; but should His Excellency desire the leave to extend to the State of Kattywar, it would be necessary to obtain the sanction of the Government of Bombay through the Government of India. The Commander-in-Chief in Bombay would, however, procure such sanction for an officer under his command from that Government direct.

“5. Permission to pass leave or furlough in any native State (apart from cantonments) directly under the Supreme Government, such as the Nizam's Dominions, Gwalior, Ulwar, &c., &c., or to visit any States on or beyond the frontier, such as Thibet, Nepal, Bhootan, Ava, or those on the Indus Frontier, can only be granted by the Government of India.

“6. Leave to visit Cashmere is, as His Excellency is aware, granted under special rules elsewhere laid down.

CANTONMENTS.

No. 195.—An instance having recently occurred, in which embarrassment has arisen from a young officer in temporary command of a station having granted a site in a cantonment, without proper authority, the Right Honorable the Commander-in-Chief desires, in again inviting attention to G. O., No. 5 of 1868, re-printed below, that it may be impressed on all officers in command of stations, that they are liable to be held responsible for any consequences attendant on the resumption of sites irregularly granted by them for building or other purposes in cantonments; and that the fact of officers being in temporary command of stations will not be accepted as absolving them in any degree from the responsibility attaching to a disregard of the General Order above quoted.

G. O., No. 5, dated 10th January 1868.

His Excellency the Commander-in-Chief, in publishing the following extract of a Despatch, No. 122, dated 4th December 1867, received consequent on numerous instances of the appropriation of land in Military Cantonments in contravention of the regulations of the service, from the Secretary to the Government of India, in the Military Department, desires that officers commanding divisions and districts will enforce the orders of Government, impressing upon all officers concerned, that any deviation from the same renders them personally liable for the consequences:—

“4. As this is not the first occasion in which embarrassment has been caused by the sanction of the Commander-in-Chief being anticipated, I am instructed to request that commanding officers may be strictly prohibited from allowing any one to occupy a site in a Military Cantonment, under any circumstances whatever, until His Excellency's approval shall have been officially received.”

European commissioned officers of the Army, under the rank of Captain, are permitted to study at the Thomason College at Roorkee on the following terms :—

1. The candidate for admission must be well acquainted with his military duties as certified by his commanding officer, and must be of such standing as will, at the close of his college course, render him eligible for employment in the Public Works Department.

2. His application is to be addressed through the Commanding Officer to the Principal of the College, who will arrange for the examination of the candidate, and, in the event of his passing, will forward his application for the approval of His Excellency the Commander-in-Chief.

3. The test of admission to the College will be by an examination in Mathematics to the following extent :—

Mathematics (300).

Arithmetic (60).

The whole Algebra (70).

Including Quadratic Equations, Proportions, Permutations and Progression, the Binomial Theorem.

Geometry (60).

Euclid, Books I, II, III, IV, VI and XI to Proposition 21.

Plane Trigonometry and Logarithms (60).

Mechanics (50).

Officers of the Royal Artillery will not be required to pass this Entrance Examination.

4. The candidate is required, moreover, before entering the College, to pass in Hindustani by the Lower Standard, under Government Order, No. 734, dated 9th September 1864.

5. Officers of the Army Staff and Regimental Staff Officers are not eligible to join the Roorkee College for the purpose of studying there, unless they relinquish their staff appointments.

6. No officer on probation with a native regiment can join the Roorkee College during his period of probation.

7. No officer, after passing through the College, can enter the Public Works Department unless qualified for the Staff Corps, and the time passed at Roorkee is not considered as probationary for the Staff Corps; but passing the College course gives no claim to employment in the Public Works Department.

8. Applications should be forwarded before the 1st September, so as to permit of the candidate's joining the College on 1st November following, after leave formally granted in General Orders.

9. The duration of the first permission to study at the College will be from the 1st November till 1st October of the ensuing year; but if the progress of the student is satisfactory, the Principal will be at liberty to forward a recommendation to head-quarters at the close of the first session, that the student should be allowed to resume his studies during the following session.

10. The Principal of the College may at any time recommend through local Government to His Excellency the Commander-in-Chief that an officer be ordered to rejoin his regiment.

15. Such officers as may qualify themselves in Surveying and Civil Engineering, respectively, shall be distinguished in the Army Official List and Monthly Returns of their corps, by having the letters "Sur." and "C. 16. A Government Prize of Rs. 1,000 is given to every officer who shall obtain not less than 2,000 marks in the tabular result of the session.

17. The course of study is for two sessions, and those officers who may qualify will receive certificates as Assistant Engineers. Appointments in the Public Works Department are not guaranteed; although, as a general rule, they are granted to all who may qualify, but the holders thereof will be required to enter the Staff Corps. Officers usually enter the Public Works Department as Assistant Engineers of the 2nd Grade. It is, however, to be clearly understood that officers availing themselves of the benefits of the Institution must not consider that the completion of the course of study there gives them any claim on the Government for employment in the Public Works Department, or other Civil Departments under the Government of India.

18. The College certificates are recognized by the Surveyor General as qualifying for admission to the Survey Department.

19. The annual examination commences on the 15th August, and the session closes on the 31st of that month.
