LIST OF HER MAJESTY'S COVENANTED CIVIL SERVANTS ON THE MADRAS ESTABLISHMENT,

Corrected up to the 31st December 1873.

The Rank of Civil Servants commences from the date of arrival at Madras of the first Civil Servant appointed in Europe, of the same season of which they are Civil Servants ; and, being thus determined, all Civil Servants belong, during the first four years, to Class VI ;—from the fifth to the end of the eighth year, to Class V ;—from the ninth to the end of the twelfth year, to Class IV ;—from the thirteenth to the end of the twentieth year, to Class III ;—from the twenty-first to the end of the twenty-eighth year, to Class II ;—and from and after the twenty-ninth year, to Class I.

The letters A, B, C, prefixed to the names, denote respectively that the parties have not passed either of the two Standards of Qualification ; that the first or lower Standard has been passed ; that the Servant cannot take Special leave.

M prefixed to a name denotes that the Servant though not having passed by the 2nd Standard, nor holding an appointment superior to that of Assistant is invested permanently with the full powers of a Magistrate.

Column 2, Capitals distinguish high proficiency. Small Roman letters show that the languages were studied in England by Civilians under the new system. Italic Capitals denote that the Civilian has passed the Honors Test under the Rules of 1868.

Column 7, Italics show " Dies non" G. I. Resolutions, 5th Nov. and 21st Dec. 1868, Nos. 3,477 and 3,737, Financial. Roman Capitals show Special Leave. Antique letters indicate a year of Sick Leave taken under rules in force before 1st July 1868, with reference to Section 6, b 2, Civil Leave Code.

Column 8, The Active Service is calculated in accordance with Section 4, Civil Leave Code, and is the period of Residence qualifying for Pension under Section 4, Supplement A of the Civil Pension Code.

DISCHARGE DOCUMENTS.

G. O. C. C., No. 78 of 13th October 1873.—The following General Orders by His Excellency the Commander-in-Chief in India are re-published :—

Simla, 23rd September 1873.—I. The following instructions regarding the discharge and the preparation of the discharge documents of soldiers of the British Forces, are published for information and guidance in the approaching discharge season. A copy will be placed before all Discharge Boards.

Commanding Officers should recollect that unless the documents of men for transfer home are sent complete to the Deolallee Depot in every respect—and attention to these instructions will ensure that object—the men cannot be embarked.

2. The embarkation of all soldiers for discharge out of India will be effected between the 15th October current, and the 24th March 1874, and no soldier is to be despatched from his regiment unless he can reach the port of embarkation by the latter date.

3. All men whose destination is the United Kingdom, and who are entitled to a passage at the public expense, will be sent to Allahabad† under Divisional and District arrangements, whence they will be despatched to Deolallee by the General Officer commanding the Allahabad Division after ascertaining from the Transport authorities at Bombay in what particular troop ship they can be accommodated.

* Re-published above.

† Men belonging to the Saugor District will proceed to Jubbulpore.

4. All men entitled to free passage, destined for the Mauritius or Cape of Good Hope, must be despatched to the Deolalee Depot to embark in private vessels from Bombay. Men proceeding to other Colonies will be sent to Calcutta, but in every instance they should not leave their regiments until the Transport authorities at Bombay or Calcutta (as the case may be) have notified that they are prepared to receive them.

The object of the reference is to provide against men whose service must expire before they are embarked, or for whom passages cannot be readily found, being detained at the depôts, for unnecessarily long periods.

Officers commanding regiments should forward, without delay, to the Transport authorities concerned, a return of men for whom passage will be required and the probable date.

Men who pay their own passage to England may be sent either to Calcutta or Deolalee for embarkation, previous notification being made to the General Officer commanding the Presidency District, or the Officer commanding the Deolalee Depot as directed above.

5. Soldiers, not enlisted in India, who have been sentenced to discharge with ignominy, and whose term of imprisonment is expired, will be sent to Deolalee for embarkation in the troop-ships; but (prisoners not enlisted in India) invalided by a Medical Board, must be sent home by the same route, irrespective of the fact of their terms of imprisonment not having been completed.

Rules regarding the kits of such men will be found in G. O., No. 126 of 1871. Madras G. O. C. C., 4th August 1871, page 231.

6. All insanes will be embarked in the troop-ships; but will be despatched under special arrangements made by the Quartermaster-General and not as ordinary invalids. In cases where insanity declares itself so near to the troop-ship season that the retention of insanes, especially if harmless, up-country, may not only be feasible but preferable to a long journey to the Bhowanipore Asylum, it will rest entirely with the local medical authorities, in communication with the Surgeon-General, British Forces, to decide on the advisability of sending them direct to Deolalee, under arrangements made by the Quartermaster-General as directed above. When insanes are thus to be despatched, they must be separately detailed in the returns of embarkation furnished to the Quartermaster-General's Department. The kits of insanes, sent to the Deolalee Depot, are to be forwarded to the Commandant for the use of the men when embarked for England. The kits of insanes sent to Bhowanipore are to be handed over to the escort for delivery to the Brigade-Major, Fort William. The discharge documents of such men should also, in like manner, be forwarded to the Brigade-Major (para. 723, Bengal Army Regulations;) likewise their No. 1 Reports (Bengal Form No. 40 and War Office Form No. 330A.) completed as far as directed in para. 75 of the Instructions attached to this Order, but the balances of pay due to them are to be dealt with as directed in Controller's Circular, No. 138, of 20th May 1860, para. 216, viz., remitted to England by the Paymasters of regiments to whom the Brigade-Major will send any further sum accruing up to date of embarkation.

7. All men for embarkation for England, whose period of service will be completed before the 24th March 1874, may be forwarded to Deolalee, and may be embarked before their term of service has actually expired; but if proceeding to the colonies, they must complete their term in this country, their final discharge being effected at Bombay or Fort William, (see para. 4) before they leave India.

8. In the same manner, men who will become eligible for a free discharge before the 24th March 1874, the requisite authority for discharge having been obtained, may, if necessary, be embarked for England before the time entitling them to a free discharge is actually completed, but as a rule such term should have expired before embarkation, as the loss of a good conduct badge may cause them to forfeit their title at the last moment. These men should not be sent down to the port of embarkation till their time is nearly completed, to obviate their detention at the Deolalee Depot.

In the case of men who will become eligible for a free discharge late in the season, the prospective authority is necessarily conditional on the soldier conducting himself properly, and thus fulfilling the conditions of discharge. Commanding Officers of regiments and depôts are authorized to detain men who, by the loss of a badge, or by not obtaining one, are ineligible for the free discharge which has been sanctioned. In such cases a report will be made to Head Quarters, in order that the authority may be cancelled.

9. Detachments proceeding to ports of embarkation will be officered in the manner laid down in para. 9, 279, Bengal Army Regulations.

10. The officers commanding the various parties will report to the Assistant Adjutant-General of the Division, or Brigade-Major of the District, for record in those offices, their having received over from the several regiments, the whole of the documents, balances due, &c., &c.

11. Officers commanding parties will receive special instructions in writing from the officer commanding the Divisions and Districts from which they start, to furnish—

No. 1. Progress Reports in accordance with the rules contained in paras. 2, 257—9, Bengal Army Regulations.

No. 2. Monthly Muster Rolls to Commanding Officers of regiments and batteries in Bengal Form No. 20.

* Poonamallee.

No. 3. Departure and Progress Reports to the Brigade-Major at Bombay.

No. 4. A classified Nominal Roll, in accordance with para. 4 of G. O., Queen's Troops, Calcutta, 9th September 1862, to the Officer commanding the depot, at Deolalee.

No. 5. A duplicate of the return of weight and measurement of baggage in accordance with G. O., No. 163 of 12th August 1871, (c) to be furnished to the authorities in Bombay.

12. Pay transactions of detachments for Bombay will be conducted in accordance with Adjutant-General's Circular (b), No. 68 of 1870, (copy attached). Separate Nominal Rolls of Invalids and other men will be furnished by Commanding Officers of regiments and batteries to officers commanding detachments, and Commanding Officers will give full information, in writing to those officers to ensure the submission of a proper account of the money made over to them.

All punishments affecting the soldier's pay will be notified in detachment orders, and all losses of good conduct pay will be noted in Bengal Form No. 40.* On arrival at Deolalee, Commanding Officers will render a report to the Depot Paymaster of all casualties which may have occurred since the commencement of the march.

Particular attention is directed to the necessity of sending the proper advances of pay with the men, as complaints have been received from Deolalee on the subject.

13. Resting houses or camps will be established by the 20th of October, at the stations 1 Sohagpore, 2 Jubbulpore, 3 Dinapore, 4 Muddo- 5 Allahabad, 6 Cawnpore, 7 Poondla, 8 Meerut, 9 Umballa, 10 Sutlej River, 11 Meer. noted in the margin.

14. To ensure regularity in the arrival and departure of detachments, and to prevent clashing at the camps, all movements of troops by Railway or Bullock Train, whether of regiments or detachments, are to be carried out in accordance with the instructions issued by the Quartermaster-General, after due communication between officers commanding divisions and districts, and the responsibility of collision at Resting Camps will rest with despatching officers.

15. Timely notice of all movements of troops by Rail or Bullock Train, either up or down the line, giving the date and hour of arrival at each camp, to be given by the Officer commanding the division from which the detachments start, to the division through which passing, and that to which proceeding, in view to the necessary arrangements being made for their reception and onward progress.

16. All subsidiary orders in furtherance of the arrangements, specified in paras. 13 and 14, are to be given by officers commanding divisions and districts, who are desired to communicate freely with each other in regard to details.

17. Time-expired men and others (except prisoners) arriving at home for discharge will be disposed of as follows:—

Royal Artillery to be sent to Woolwich.
Royal Engineers " Chatham.
Cavalry and line " Netley.
Invalids will all be sent to Netley hospital.

It is of the utmost importance that men should arrive at home with their documents in such a complete state as to obviate delay in effecting their discharges at these depôts.

18. To prevent confusion the documents of invalids and time-expired men must never, if it can be avoided, be given into the custody of the same officer, but the two classes of documents must be kept distinct.

19. All claims of men for discharge must be investigated, and if possible settled, before the men leave their regiments. If settlement is impracticable, the fullest particulars of the case must be transmitted with them, and reference made to the proper quarter. No claims can be entertained at the embarkation depôts, unless they have been previously preferred at the Head Quarters of regiments, or have arisen after departure from the regiments.

20. The discharge documents, with exception of the Company Defaulter Sheets, Medical History Sheets, Ledger Sheet (W. O. Form No. 338), and No. 1 Report (Bengal Form No. 40*) of men proceeding to the ports of embarkation, will be despatched by post and packed in wax cloth, to the depot direct from the regiment, addressed to the Commandant or Paymaster, as indicated in the schedule. These packets must be despatched in time to ensure their arrival at the Depôts at least a week before the men themselves, so as to admit of examination (and return to corps for correction if requisite), before the men embark. The No. 1 Report, as above, Ledger Sheet, Company Defaulter Sheets and Medical History Sheets will invariably accompany the men and be handed to the officers in military and medical charge respectively, except in the cases of Invalids proceeding to the Cape or Mauritius, whose Medical History Sheets and detailed Medical Histories are to be sent with the proceedings of Boards to the Adjutant-General's Office, Simla.* (Horse Guards' G. O., No. 45 of 1872.)

21. In the case of men at Convalescent Depôts, any documents requiring the soldier's signature will be forwarded by the regiment for the same, and will be returned to the regiment for despatch to the embarkation depot, so soon as a report is received from the Convalescent Depot of the soldier's departure to the port of embarkation.

Commanding Officers of regiments moving in relief must keep Commandants of Convalescent Depôts and the officer commanding the Deolalee Depot, informed of their movements by sending a copy

LEAVE.

Simla, 30th August 1873, No. 270.—With the concurrence of Government,† the Commander-in-

† Letter, No. 1,005, 27th May 1873.

Chief is pleased to direct the publication of the following orders and rulings, regarding the grant of short furloughs of three months to Military Officers in civil employ:—
G. G. O., No. 613, dated 14th July 1871.—In modification of the provisions of G. G. O., No. 630, dated 9th June 1869, the Right Honorable the Governor-General in Council is pleased to empower Local Governments and Departments of the Governments of the three Presidencies, to grant to military officers in civil employ under them leave in India for any period not exceeding three months, as furlough, without reference to the Government or Commander-in-Chief of the Presidency to which the officer belongs; provided that, in each case, the authority granting the leave shall first satisfy itself that furlough to that amount is due to the officer concerned.

2. In the event of there being no furlough due to the officer, the leave may be granted as if it were furlough (in India) under the provisions of Rule XI of the Military Furlough Rules of 1868, provided the urgency of the case, whether on the ground of sickness or from any other cause, is such as, in the opinion of the Local Government, or Department of Government, to justify the exceptional indulgence.

3. It is not considered necessary to prescribe any fixed intervals within which a repetition of the indulgence cannot be permitted; but the Governor-General in Council looks to the Local Governments and Departments of Government, to see that such leave is not granted too frequently, or without sufficient grounds.

4. As all leave so taken in India will reckon as part of the eight years to which an officer's total furlough is restricted by Rule XVI, it will be necessary that a copy of the order granting the leave shall in every case be forwarded to the Military Department of the Government of the Presidency to which the officer belongs.

5. Officers obtaining leave under paragraph 1 of this order, will be entitled during the period of their absence on it, to furlough pay as laid down in Rule V of the Military Furlough Rules of 1868. Those who obtain leave under paragraph 2 of this order will be restricted to the English Furlough pay of their rank.

6. If an officer exceeds the period of leave granted to him under the provisions of this order, he will forfeit his appointment, and can only be re-appointed, as a special case, with the sanction of the Government of the Presidency to which the appointment appertains. Should he desire an extension of it as furlough, he can obtain it in the Military Department of his own Presidency to such extent as he may be entitled under the rules.

7. No leave as furlough out of India, can be granted by any authority excepting the Government (in the Military Department) of the Presidency under which the officer may be serving.

8. This G. O. being a further modification of Rule XXXIII of the Furlough Rules of 1868 is applicable to those officers only who have elected those rules. [This para. added by G. G. O., No. 849 of 1873.]

Letter from the Secretary to the Government of India, Military Department, to the Chief Commissioner, Oudh, No. 1,467, dated the 22nd February 1873.

"In reply to your letter, No. 657, dated 8th February 1873, submitting the question whether, with reference to the G. O., quoted in the margin, a military officer in civil employ may take three months' short furlough in or out of India, without

breaking the period of three years required to qualify for regular furlough." I am directed to state that the 2nd* clause of G. O., No. 630

* Army G. O., No. 188 of 1869.

"With reference to the period of three years mentioned in Rules VIII, XIII, XIV and XXIV of the Military Leave Rules, His Excellency in Council is pleased to resolve that, as a military officer in civil employ is barred from taking general leave under Chapter II of those Rules, the said period shall be calculated from the date of such officer's last return from furlough exceeding three months. Shorter periods of furlough will, however, be excluded from the three years in question, which must be entirely spent either in actual service or on privilege leave."

No. 613 of 1871.

2. A military officer in civil employ, who has taken either leave under the latter G. O., or short furlough out of India, both being for periods not exceeding three months, reckons the three years' interval which must intervene between longer furloughs from the date of return from the last furlough

exceeding three months; but the periods of such short leave or furlough cannot be counted as portions of that period of three years."

Letter from the Secretary to the Government of India, Military Department, to the Adjutant-General, No. 674, dated 10th April 1873.

"In reply to your Letter, No. 1,044A, "Leave," dated 20th March 1873, I am directed to state, for the information of His Excellency the Commander-in-Chief, that the first clause of paragraph 6 of G. G. O., No. 613 of 1871, which rules that a military officer of the Staff Corps, Local Service or

General List, in civil employ will forfeit his

months' furlough in India, may be considered cancelled by paragraph 6 of G. G. O., No. 797

of 1872, which declares that all leave of absence granted by competent authority† (to officers of

the Staff Corps) will henceforward involve retention of appointment.

"2. But, I am to add, in the event of the Government or other authority deciding that an officer, who may have over-stayed his leave, cannot be granted the extension needed to cover the period by which he has over-stayed, paragraph 6 of G. G. O., No. 797 of 1872 does not exempt him from forfeiture of appointment."

warrant officers, whether holding honorary commission or not.

TRANSPORT—BAGGAGE.

No. 290.—The Commander-in-Chief finds it necessary to call the strictest attention of all officers and others provided with passages in Her Majesty's troop ships to the regulations as per margin, limiting the amount of baggage to be embarked in those vessels, and more especially as regards its cubic measurement, cases having occurred in which, though the weight of baggage taken to the troop ship was within the limit allowed, its measurement was so much in excess, that space could not be found in the baggage room for a great portion, which had to be left behind at the last moment, to the very serious loss and inconvenience of regiments and individuals.

Commanding Officers of corps and detachments about to embark will, before the troops leave their original stations, cause the whole of the baggage intended to be embarked to be carefully packed and collected in their barrack square, and actually measured.

Only such baggage, the measure of which comes within the regulated allowance, and which should be entered in a Return as per Form A, annexed, should be sent for embarkation.

Each case for embarkation should be marked in paint T. S. (troop ship) in large letters, and the whole be kept quite distinct from any other baggage, which may be taken with the troops to Bombay for shipment under private arrangement.

As troops embark direct from the Railway terminus in Bombay, the baggage arriving for embarkation cannot be measured there; but as an additional precaution and check against any excess being taken to the troop ship, it will be finally measured at the last military station where the troops take train for Bombay, under the orders of the local Commanding Officer (unless the officer commanding the troops is senior, in which case he himself will see the measurement carried out), and none but the regulated allowance will then be loaded in the vans for embarkation; other baggage for shipment under private arrangement being placed in separate vans, which are to be marked accordingly.

(a) Madras G. O. C. C., 18th August 1872, p. 277.

(b) Madras G. O. G., 13th September 1870.

Return A will be sent through General Officers commanding divisions and districts (who will cause the same to be carefully checked accordingly to the regulations,) to the Brigadier-General Commanding Bombay District, so that it may reach him not less than three days in advance of the troops' arrival at Bombay.

Individual officers embarking will have their baggage measured at Bombay, under the orders of the officer superintending the embarkation.

TRANSPORT—BAGGAGE.

No. 292.—When troops embark in Her Majesty's Indian troop ships, the soldier's baggage will be confined to his knapsack and canvas bag, or valise (to be provided gratuitously by Government,) measuring 2 feet 2 inches x 1 foot 10 inches x 6 inches.

The knapsack is taken by the men to their berths and the bag is stowed in the baggage room.

The cubic measurement of men's bags, when packed, is on no account to exceed the following scale:—

For 50 men.....81 cubic feet.

For numbers more or less in the same proportion. When proceeding by a troop ship simply to garrison a station (such as Aden,) an additional 105 cubic feet per 50 men will be allowed for bedding, which is also stowed in the baggage room.

For women embarking in the troop ships the following baggage is allowed:—

Every woman or widow, one box and one canvas bag, or every woman or widow, the mother of one child under 10 years of age, one box and one canvas bag.

* The detail of baggage of families to be shown on the reverse.

Every woman or widow with one child*over, or two children under, 10 years of age, one box and two canvas bags, and for every other child one canvas bag.

Widowers with children will be allowed a box, in addition to their own canvas bag and knapsack for one child, and for every other child, one canvas bag.

The boxes (2 feet x 1 foot 6 inches x 1 foot 2 inches external dimensions) are taken into the women's quarters, the bags (2 feet 2 inches x 1 foot 10 inches x 6 inches) are stowed in the baggage room. The measurement of the bag when packed is on no account to exceed two cubic feet.

When proceeding with troops to garrison a station (such as Aden), each woman is allowed 2 additional cubic feet, and each child the same for bedding, which is also stowed in the baggage room.

With reference to the foregoing, which will be entered as para. 128A, Transport Regulations, Part I, the following corrections are made in the regulations:—

DISCHARGES.

No. 293:—In continuation of *G. O., No. 257, dated the 17th August 1873, the following Royal Warrant published in Army Circulars, dated War Office, the 1st August 1873, clause 98, is re-published for general information:—

W. O. Circulars, Clause 98, Royal Warrant, Soldiers' Discharges.

VICTORIA R.

WHEREAS it has been represented to Us that the amount to be paid by certain soldiers permitted to purchase their discharge after six years' service, is erroneously set forth in Scale II of Article 29 of Our Warrant of the 9th May 1873;

OUR WILL AND PLEASURE is that the amount to be paid by soldiers with two good conduct badges of the Horse Brigade of Our Royal Artillery (excluding drivers), and by Artificers of Field and Garrison Brigades, and Royal Engineers, permitted to purchase their discharge after 6 years' service under the provisions of Our said Warrant, should be 26l.

Given at Our Court at Osborne, this 26th day of July 1873, in the 37th Year of Our Reign.

TRANSPORT—PASSAGE—WOMEN AND CHILDREN.

Simla, 25th September 1873, No. 298.—The following is added as Clause I to para. 292, Transport Regulations, Part I:—

All soldiers' widows, as also the wives of soldiers who proceed to England without their husbands, and who are provided with passage at the

Horse Guards' Letter, No. 46, General No. 1,901, dated 6th June 1873, to His Excellency the Commander-in-Chief, Bombay.

expense of the State, are invariably to be provided with the proper voucher (W. O. Form No. 62E) to support their travelling expenses to their intended place of residence in England, and embarking officers are to see that all such women are in possession of the document in question.

The same course is to be adopted in the case of profligate women ordered home without their husbands.

MEDICAL DEPARTMENT—RANK.

No. 300.—Officers of the Army Medical Department, desiring the local rank of Surgeon-Major after twelve years' service, under the provisions of Clause 14 of the Royal Warrant of 1st March 1873, should forward their applications to the Military Secretary, for submission to His Excellency the Commander-in-Chief.

The applications in all cases should be forwarded through the Surgeon-General, British Forces, for that officer's countersignature; and should be accompanied by verified statements of services, prepared in War Office Form No. 360.

* Madras G. O. C. C., 27th September 1873.

RECORDS, SOLDIERS.

No. 302.—The following Horse Guards' General Order is re-published for general information. The War Office Forms therein referred to have been introduced in India, and supplies of them can be obtained, as required by regiments, from the Superintendent of Government Printing,* Calcutta.

Horse Guards' G. O., No. 34—Records of Soldiers. (Specially issued on 8th April 1873.)

I. New Forms of attestations (Long Service, W. O. Form No. 39, Short Service, W. O. Form No. 497), have been approved and will be adopted. They are to be called the "Record of Service," and contain the proceedings of the Discharge Board, as well as the proceedings on attestation.

II. The re-engagement schedule (W. O. Form No. 619) will, as heretofore, be a separate document, but on the back of it will be found the medical report to be used in all cases of discharge by invaliding.

III. The introduction of this new form of attestation paper will not render necessary any alteration in the system of recording soldiers' services as laid down in Clause 124, Army Circulars, 1869, except in regard to the following details:—

(a) When a regiment proceeds abroad, the Paymaster, instead of, as at present, merely taking with him a copy of the third page of the attestation, will take with him a certified copy of the whole document.

(b) When a soldier is brought forward for discharge at home, the Board will verify the service and record their proceedings upon the original document, instead of, as now, upon a copy.

(c) When a soldier is brought forward for discharge abroad, the Board will report upon the copy in possession of the Paymaster; and the original, which has remained at the dépôt, will accompany this copy on the final disposal of the man in the same way as the attestation does now.

(d) Should, for any reason, a soldier, who has come home for discharge, not be discharged, the copy of his record of service, which accompanied him from abroad, will be sent to his dépôt, and, after it has been compared with the original, the copy may be destroyed.

(e) In the case of Invalids at home the Board will not assemble to record their services until the men have been finally passed as unfit. The General Officer Commanding will then order the assembly of the Board, and report to the Adjutant-General, on W. O. Form No. 85, as usual. Para. 1419, Queen's Regulations, will be modified to this extent.

(f) In the case of Invalids who have been ordered to be discharged but who are unable to proceed to their homes, General Officers Commanding will, as usual, report to Head Quarters. Instead of the documents being returned, as at present, they will be retained in the custody of the Adjutant-General, until it is announced that the men are able to travel, when the additional service will be inserted. In cases where the parchment certificate has been already received by the regiment, and in order to prevent erasures in that document, a fresh parchment certificate will be sent up for confirmation, and at the same time the original will be returned for destruction. Para. 1435, Queen's Regulations, will be amended accordingly.

IV. The new form of record of service will be kept in the portfolio, W. O. Book No. 234, and in order to prevent that portion on which the Discharge Board will record their proceedings from becoming soiled, the document when transmitted by post, or otherwise, will be so folded as to ensure the fourth page being inside.

V. This form is to be used for all enlistments subsequent to its receipt, and all blank forms of the old attestation papers then remaining on hand are to be at once destroyed.

VI. It will of course be understood that, except in regard to clauses e and f, para. III, these instructions will not be applicable in any way to the cases of men who have been attested on the old form, for whom the "Proceedings of Discharge Board," W. O. Form No. 83, will still be necessary.

BARRACK DEPARTMENT ANNUAL COMMITTEES.

G. O. C. C., No. 81 of 17th October 1873.—With reference to G. O. C. C., No. 53, dated 9th May 1865, the Commander-in-Chief directs in order to give effect to recent orders of Government, that Officers Commanding Divisions, Forces and Districts will cause Committees to assemble annually on the 1st June at every station under their Command to report upon Public Works requirements (Military) and forward the tabulated Lists to the Quartermaster-General's Office, not later than 1st July, to admit of the same being submitted to Government on the 31st August.

brake-vans shall be changed at Raichore, but that the vehicles marginally noted shall run through to that point on either line to which the troops may be proceeding.

Officers applying for "Troop Extra Trains" under such circumstances will be careful to notify to the Railway authorities the number of such vehicles, that will be required, and the name of the Station to which they will have to proceed.

II. This ruling, I am to add, applies also to Garrison Hospital Serjeants."

ARMS.

G. O. C. C., No. 85 of 28th October 1873.—It having been brought to the notice of the Commander-in-Chief that the Rifles of Regiments serving on the Western Coast and in British Burmah corrode rapidly from the effects of climate, His Excellency directs the following mixture to be applied to the barrels of the Rifles as a preventive from rust and corrosion between stock and barrel, viz:—

2 parts bees' wax, 1 part mutton fat,
1 part Rangoon oil,

To be simmered together in an earthenware vessel, and to remain till it gets cool, after which the barrels should all be coated and bedded in the stocks with it.

The Commander-in-Chief directs that early steps be taken to have the mixture applied. The ingredients of which the mixture is composed can be obtained from Arsenals on "emergent" Indents.

REGULATIONS FOR INDIAN TROOP SHIPS.

G. O. C. C., No. 86 of 6th November 1873.—The following Extract from the Regulations of H. M.'s Indian Troop Ships is published for information and guidance:—

Extract from the Regulations for H. M.'s Indian Troop Ships.

Information to be communicated to Troops preparatory to embarking September 1873.

LUCIFER MATCHES AND AMMUNITION.

12. *Lucifer matches and fuses are prohibited.* Any ammunition (public or private) brought on board is to be delivered into the charge of the Naval Officer of the watch on the quarter deck, who is ordered to receive the same for safe custody;—none being allowed in the cabins or amongst the baggage.

BAGGAGE.

Allowance not to be exceeded.

13. No baggage in excess of the regulated allowance, either by cubic measurement or weight, is to be taken with the Troops.

Every chest, trunk, bale or other article of public baggage belonging to the regimental store, orderly room, band, officers' mess, or the hospital

All Baggage to be marked.

is to be distinctly numbered and marked with paint: and all articles of baggage belonging to individuals are to have the names and ranks of the owners and the regiment to which they belong legibly painted on them.

The heavy baggage intended for the baggage room should be labelled, in large letters on a white ground, "Baggage Room." This baggage cannot be got at during the whole of the voyage.

Heavy Baggage.

Baggage intended for present use baggage room should be marked on a green ground "Present use Baggage Room," and can be got at every day between 11 A.M. and noon. This baggage room is intended only for ladies' baggage.

Ladies' present use baggage.

Each officer or lady will be allowed two medium-sized portmanteaus as cabin baggage, which should be marked on a yellow ground, "Cabin." Regulation size for trunks, &c., 36 inches long, 15 inches wide, 14 inches deep.

Cabin baggage.

It is recommended to all officers and ladies on the outward voyage to have their light clothing for use in the Red Sea, and on the homeward voyage their thick clothing, packed in separate boxes, labelled with a blue label marked "change of clothing required at Suez Baggage Room." These boxes will be stowed near the door of the baggage room, and will be got up soon after leaving Suez or Port Said.

Change of temperature.

Printed labels can be obtained from the Quartermaster-General's Office at Portsmouth, Queens-town and Bombay; or from the steward on board. They should be attached to the packages before they are sent alongside the ship.

Labels, how obtained.

Each married woman will be allowed to have one box (which must not be higher than 14 inches), in the women's quarters. It should be marked with the husband's name and "Women's Quarters," on a red label, and must be brought on board by the woman, and not sent with the heavy baggage.

Women's boxes.

The bags which contain the men's kits will be stowed overhead going out, and in the baggage room coming home. Those stowed in the baggage room will be got up twice on the voyage, viz., once, to get out warm clothing, and again for the cloths required to land in. They will be re-stowed in the baggage room after each time.

Men's kits.

Soap and tobacco.

Soap and tobacco for the use of the troops should be sent on board with the baggage, but last.

A baggage guard of 1 officer and 12 men, with a fatigue party of at least 1 officer and 80 men should accompany the baggage, and as many officers' servants as can be spared, should form a party of the fatigue party. A clerk and one of the band should also be sent to see that the articles required for the orderly room table, the music, and band instruments, are not sent down into the baggage room.

Orderly room books and band instruments.

There is only a sufficient number of sailors to sling and unslung the boxes: the only thing for which the officers of the ship can be held responsible.

Dogs.

14. One dog is allowed for every 200 men, but the total number is not to exceed 4. They are to be shown on the requisition from the Horse Guards in England, or from the Quartermaster-General's Department at Bombay, on the embarkation roll, with the names of their owners: also in the return furnished by the Military Commanding Officer to the Captain of the troop ship. They are to be strictly confined to the waist, and on no account are they to be taken into the saloons or cabins.

Number not to exceed four.

LABELS ON RIFLES.

15. A label should be pasted on the side of the butt of each rifle, showing the owner's name and number, and another on the heel of the butt, showing the number of his company.

To be pasted on.

Slings to be taken off.

The slings must be taken off the rifles before the troops embark.

It will also be found a good plan to appoint two men from each company to take care of the arms in the racks on the troop decks immediately after the embarkation.

Charges of arms in racks.

PASS TICKETS FOR SOLDIERS' WIVES.

16. Each woman about to be embarked is to be furnished with a pass signed by the Commanding Officer or Adjutant, stating her name, the name and rank of her husband, and the number of children with her, which must be produced before she can be allowed on board,—and given up in exchange for the number of her berth. In case of a woman arriving without a pass, but with proper papers to show that she is to embark, the Military Staff Officer superintending the embarkation may give her one.

Passes to be signed.

LIQUORS NOT TO BE BROUGHT ON BOARD.

17. Wine, spirits, &c., are not to be taken on board by officers, soldiers, or their families, without the written approval of the Captain of the Ship; and officers proceeding in command of troops will, as far as practicable, see that this regulation is enforced. If permission be granted, the liquors are to be stowed in the spirit room until the troops disembark.

Liquors not to be brought on board.

DINNERS PROVIDED.

18. Dinners for the day on which troops embark for foreign service will always be prepared for them on board the troop ship, unless the Officer Commanding the regiment or corps to which they belong shall send timely notice to the Officer Commanding at the port of embarkation that dinners will not be required on board that day, in which case the latter officer will apprise the Naval authorities at the port.

Dinners will be provided unless contrary orders are sent.

REGIMENTAL NECESSARIES.

C. O. C. C., No. 87 of 1st November 1873.—The Government of India having brought to the notice of the Madras Government that Indents on England for Regimental Necessaries are not in many cases submitted till long after due date, His Excellency the Commander-in-Chief desires to impress upon Officers Commanding Regiments and Batteries, the necessity of punctuality in submitting their Annual Indents for Regimental Necessaries.

2. It is further notified, that future Indents for Regimental Necessaries received at the Army Clothing Department after the 15th January of any year, will not be complied with, but will be returned to Commanding Officers, who will thereby incur a serious responsibility.

3. With the sanction of Government, however, the Commander-in-Chief is pleased to notify that the above rule will not be enforced in the case of Regiments or Batteries arriving in India after the 1st December of any year, in respect to which, Indents for Necessaries will be passed, if submitted within one month from the date of arrival of the Corps at final destination.

INVALID ESTABLISHMENT—EUROPEAN VETERANS.

G. O. C. C., No. 88 of 5th November 1873.—Under instruction from Government, it is notified that the Offices of Commandant of European Veterans, of the European Artillery Veteran Company and of Adjutant are amalgamated, the Commandant being required to perform all the duties on a Staff salary of Rupees 200, and an allowance of Rupees 50 per mensem for office rent, stationery and writers.

2. The above to have effect from the date the late Lieutenant-Colonel Dyer vacated the command—from which date also Captain James McKay Macdonald (Unattached) is appointed Commandant.

SCHOOLS.

G. O. C. C., No. 89 of 11th November 1873.—The following General Orders by His Excellency the Commander-in-Chief in India are re-published:—

Simla, 3rd October 1873.—The attention of officers commanding regiments proceeding to England, is directed to Madras G. O. C. C., 27th August 1869, p. 228, and 16th January 1872, p. 18, regarding the disposal of school property on leaving a station.

2. All detached batteries, ordered to move, will leave their school property for the use of the relieving battery. A list of articles thus left, verified by a board of officers, will be furnished to the Barrack Department, and a copy sent to the Superintendent, Army Schools. The relieving battery on arrival will compare the articles received over with the list in possession of the Barrackmaster, and report any deficiencies or differences to the Superintendent, Army Schools. This rule will apply to the half battalions 1-3rd and 109th Regiments at Benares and Delhi, to the detachments 106th Regiment at Nowgong and Fortress Gwalior, and to the relieving half battalions and detachment.

POSTAL RULES.

Simla, 18th October 1873.—The following notification by the Financial Department, under date the 30th September, is re-published, with reference to the Notification in G. O. C. C., dated the 7th April 1873, (Madras G. O. C. C., 26th May 1873, page 193):—

Separate Revenue—Post Office.

No. 3427, dated 30th September 1873.—There is reason to believe that the special privileges in respect to postage of official correspondence are not everywhere understood, and that sufficient attention is not paid to economy in the official use of the post.

The special privileges of official correspondence which affect ordinary transactions are as follows:—

- (1).—An official cover, of which the weight exceeds half a tolah, but does not exceed ten tolahs, may be sent by letter post for one anna only.

NOTE:—First.—For heavier covers, the charge by *packet* post is very much cheaper than by *letter* post.

Secondly.—It costs the Post Office Department less to carry *packets* (which are sent by *banghy* post) than letters.

- (2).—An official *packet* may be sent in a *closed* cover.

The postage on a *packet* is one-half of that on a *parcel*; and the only advantage obtained by sending an official cover by *parcel* post rather than by *packet* post, are (1) that a *parcel* is registered while a *packet* is not registered; and (2) that, as prepayment of the postage on a *packet* is compulsory, a *packet* cannot be sent "Service bearing."

The following rules should be observed:—

A.—Attention should be paid to reducing the weight of official covers sent by post, whenever this can conveniently be done. For instance, a whole bundle of papers should not be sent when a *part* will suffice.

B.—A cover, of which the weight exceeds ten tolahs, should be sent by *packet** post, and not by letter post, unless it is important to save the extra time (never long) that it may, on some lines, and for long distances, take to transmit a *packet* by *banghy* post.

C.—An official cover should never be sent by *parcel** post, unless—

- (1).—The contents are so valuable that, if sent by letter post, it would be registered, or
(2).—The postage is a proper charge upon the individual or public body to whom it is addressed, and not upon the general revenues.

Whenever an official cover is received in any office which is wrongly stamped, or which (its weight being over ten tolahs) appear to have been needlessly sent by letter post instead of by *packet* post, or which (whatever its weight) appears to have been needlessly sent by *parcel* post instead of by *packet* post, the receiving officer should invariably remind the despatching officer of the instructions contained in this notification. This may be done, simply, by the use of skeleton forms; and it is hoped that all public officers will soon be so trained as to need no further reminding.

A copy of this notification should always be posted in each office before the officer whose duty it is to despatch the correspondence of the office, and also before the chief ministerial officer.

The schedule of official postage rates is appended for convenient reference:—

REGIMENTAL BANDS.

Secretary of State's Instructions.

Simla, 20th October 1873. —1. The allowance of £80 for the year 1872-73 may be drawn at once in the case of regiments serving elsewhere than in India, and charged in the current account of the agent, who will credit the same to the Band Fund. In future the charge of £20 a quarter may be made by the agent, vouched by the receipt of the President of the Band Committee.

2. Further instructions will be issued with regard to regiments in India.

2. With reference to G. O. C., 13th October 1873, page 202. Horse Guards' G. O., No. 39 of 1873 is made applicable to India:—

Horse Guards' G. O., No. 39, Regimental Bands.

The following are to be substituted for paras. 374 to 385 inclusive, in "Queen's Regulations and Orders for the Army."

374. The establishment of a regiment of cavalry and a battalion of infantry will include for service in the band—one bandmaster, one sergeant, one corporal, twenty privates in the infantry, and fifteen in the cavalry, irrespective of the regulated number of buglers, trumpeters, drummers and fifers. These men are to be effective for service as soldiers, to be perfectly drilled and liable to serve in the ranks on any emergency;—and the numbers stated are not to be exceeded, (para. 479.)

375. The school of music at Kneller Hall is maintained for the purpose of training bandmasters and musicians, and, in future, the former are to be selected exclusively from enlisted soldiers who have received certificates of qualification at this establishment. Existing arrangements with civilian bandmasters are not, however, to be disturbed.

376. Bugles, trumpets, drums and fifes, are supplied from store at the public expense; and Her Majesty's Warrant of 26th March 1873, grants an annual contribution of £80 to the band fund of each regiment and battalion of the line of Colonial Corps. The following contributions and subscriptions to the band fund are to be levied on regimental officers, the exemption being as laid down in mess regulations.

1st.—All combatant officers, on promotion to a rank above that of subaltern, will be liable to pay a contribution at the discretion of the commanding officer, at a rate not exceeding the increase in the daily pay on promotion for the period not exceeding twenty days. The contribution to be made in monthly payments at such rate for two days. All non-combatant officers will similarly be liable on appointment, to pay a contribution of twenty days' pay.

2nd.—All officers, except subalterns, quartermasters and riding-masters, will pay an annual subscription not exceeding twelve days' pay, to be made in quarterly payments in advance. These payments, as well as those upon promotion, &c., are to be regulated upon the same principle as prescribed for those to the regimental mess.

377. The accounts of the regimental band funds and all propositions for exceptional expenditure, are to be laid before the officers at the periodical mess meetings held under para. 299.

378. Bands are to be dressed in clothing of the same colour as that worn by the respective regiments.

379. Lads and boys incapable of bearing arms, enlisted by special authority for training as musicians, but who are not included in the establishment of bandmen, may be clothed like bandmen, provided no additional expense to the public is thereby caused; but this permission is not to be made a pretext for employing soldiers as musicians in excess of the regulated number.

380. When regiments are in garrison, or brigaded, military bandmasters are to take precedence over civilian bandmasters; and when bands are playing together, the military bandmasters are to lead according to seniority of appointment.

381. The following books of instructions, published by authority, are to be strictly adhered to by the corps to which they appertain, without addition or alteration, either as regards the soundings or their application.

In the mounted Services and Garrison Artillery.—The "Trumpet and Bugle Sounds for Mounted Services and Garrison Artillery." (1870.)

In the Infantry.—The "Infantry Bugle Sounds,"—"Instructions for the Fife,"—and "The Art of beating the Drum.

382. It is essential that the band, the bugles and the drums and fifes, when playing or beating for military purposes, particularly in the slow and quick marches, should adhere strictly to the time which will allow, within the minute, the exact number of steps prescribed in the "Field Exercise." For this purpose the music for slow and quick time is to be practised under the direction of the drum or bugle-major, with the plummets, until the prescribed cadence has been acquired. The band and the drums are to be frequently practised together, in order that, when relieving each other in the quick march, the cadence may be uniformly and uninterruptedly preserved.

383. Recommendations of men for instruction at Kneller Hall are to be addressed to the Adjutant-General of the Forces, accompanied by descriptive returns in the usual form, having an additional column for remarks (to be filled up in the handwriting of the commanding officer) showing the musical

qualifications and abilities of the candidates, and the object of sending them to the School of Music whether to train for bandmaster or otherwise; together with a certificate, signed by the medical officer, "that the men named in the foregoing return have been carefully examined, that they are in perfect health, physically fit for employment as bandmen, and do not present any indication of disease likely to be aggravated by playing on a wind instrument."

384. Care is to be taken in selecting men for this duty, that they are of exemplary character, have musical ability, and that they are capable of turning their instruction to good account on rejoining their regiments.

385. In order to ensure uniformity throughout the regimental bands of the service, the instruments are to be of the same pitch as that adopted by the "Ancient Philharmonic Society." Arrangements have been made whereby instruments for regimental bands may be obtained through the commandant of the military school of music, on more advantageous terms than if procured direct from the instrument-makers.

3. The Commander-in-Chief directs that from the date of the grant of the Government allowance a refund be made to officers, who, under the foregoing order, have ceased to be subscribers to the Band Fund.

SCHOOLS.

G. O. C. C., No. 91 of 17th November 1873.—The following General Orders by His Excellency the Commander-in-Chief in India are re-published:—

Simla, 1st August 1873, No. 246.—His Excellency the Commander-in-Chief is pleased to notify that revised School Registers and Forms (as noted in the margin) will shortly be issued from the Office of the Superintendent, Government Printing, and to desire that they may be taken into use as soon as received.

Three Children's Registers will be issued to each school. Commanding officers of regiments, brigades, artillery commands of two or more batteries, and detached batteries of artillery that have children attending school at the station, will be good enough at once to apply through the Superintendent of Army Schools for additional children's registers and index books; to enable the rules laid down regarding such children to be carried out.

* To be supplied when worn out by fair wear and tear.

† (1) The attendance in "Grown Children's School," "Infant School" and "Sewing School" are to be registered in separate volumes.

(2) The attendance of children who do not move with a regiment are not to be entered in the regimental registers, but in other registers kept for the purpose; and these are to be handed over by the outgoing regiment to the regiment which relieves it when a change of quarters takes place.

(3) Separate index volumes, corresponding with the separate registers, are to be kept for grown children, infants and sewing classes, and for regimental and station children; when a regiment leaves a station the index volumes and registers of station children will be left behind in charge of the relieving corps.

The scholars of all the batteries at the station of the head-quarters of a brigade, as well as the brigade staff, will be considered as forming part of the head-quarters' school, though such batteries may belong to other brigades. Consequently when a battery leaves, the school numbers of all the scholars from the battery will disappear from the head-quarters' register, and fresh numbers will be given to the scholars joining from the relieving battery.

When a detached battery having its own school joins a brigade head-quarters station, the scholars will retain their school numbers on the battery register, but no entries of attendance will be made until the battery again becomes detached.

When any one of the batteries now with a brigade head-quarters receives orders to move to a detached battery station, application will be made in the usual way by the officer commanding the battery, for registers; and on the formation of the battery school, independent school numbers will be assigned to the scholars.

The rules contained in the two last paras. apply also to Royal Artillery Commands, in which the scholars of two or more batteries attend the same school.

"II. These boys will be in addition to the establishment of boys allowed to be specially enlisted as Drummers, Trumpeters, Buglers and Musicians under the provisions of Article 505 of the Royal Warrant of 27th December 1870; but both classes are to be accounted for in the returns as part of the effective privates and not as supernumeraries."

2. These boys are therefore to be included in the authorized establishment of regiments in India.

2. The Regimental Quartermaster or Officer performing Quartermaster's duties will carry out the Commanding Officer's orders, and be held by him responsible for the cleanliness and good sanitary condition of the whole of his block.

3. The Quartermaster will have at his disposal, to such extent as the Commanding Officer considers sufficient, fatigue parties of Soldiers provided with a portion of the Regimental entrenching tools (when these are not otherwise required), and the Pioneers to assist, when requisite, the native establishments of the companies, the hospital and the bazaar.

4. As a general rule, Soldiers should be employed on fatigue duty in conservancy and similar works, and toties in actual scavenging,—thus, the Soldiers should dig their own latrine and urinary trenches, the toties attend to them and keep them.

5. The Camp Quartermaster of the day will assist the Assistant Quartermaster-General of the Division, in a manner corresponding to that in which the Adjutant of the day assists the Brigade-Major. He should inspect in detail the whole of the Camp of the Brigade, including such Commissariat or other blocks as are considered to belong to it, calling the attention of the Quartermasters, whose attendance he should have during his inspections, to anything wrong or objectionable, and insisting on its immediate rectification. He will report to the Assistant Quartermaster-General for the General's information, at a fixed hour, but he is required to make an immediate report when such is necessary.

6. Carts similar to the filth carts used in cantonments, in the proportion of—

Two to each British Corps,

One to each battery and Native Corps

7. They should be required to make at least two trips a day, viz., one not later than 6 A.M., and the other not earlier than 6 P.M.

8. The litter from the Officers' horse lines will be removed in those carts, but Officers Commanding in the mounted branches will be required to make provision for the daily removal, for sale, burial or burning, of the horse litter of the lines of their corps.

9. The general positions of the slaughter-houses, latrine and urinary trenches, the pits and the places for burning litter, and refuse, will be determined under the orders of the Officer Commanding the camp, advised by the Sanitary Officer.

10. Urinals surrounded by a matting or hurdle screen, to be procured on indent on Public Works Department by Officers Commanding Divisions, and placed at intervals in the camp, to prevent contamination of the ground, especially at night.

11. No Soldiers, European or Native, Native servants or followers, will be allowed to use any other places than those selected and prepared as latrine and urinary of their corps: this rule will be strictly enforced by the regimental and the camp Police, as well as by any extra means deemed necessary.

12. At least one totie must be continually on duty at each latrine, to carry out the dry earth system.

13. The trenches will be dug under the Quartermaster's directions, they will be two feet deep; when half filled with soil and dry earth they will be closed and fresh ones used. When the camp is moved to fresh ground, all the old trenches and pits must be filled in, and the whole of the camp ground left clean.

The filth carts will remove one-half of the receptacles of each corps at each trip, half should thus be always available for use.

17. Regiments will take with them from stations to camp as many of their Quartermasters' and the Conservancy Establishments as can possibly be spared, leaving only a sufficient amount behind to meet the requirements of the depot of married and sick, &c., left behind.

18. The general or main drainage of the camps will be made and kept in order by the Sappers and Miners, and working parties, under the direction of the Assistants Quartermaster-General of Divisions; the subsidiary drainage of each block by the corps occupying it, under the direction of the Quartermasters. The usual shallow trench around each tent will be made immediately after the pitching of the camp.

19. The Soldiers and the camp followers should be cautioned against breaking bottles in or near the camp, and a severe punishment attached to neglect of the caution.

20. The efficient protection of the water supplied from waste and pollution will be arranged for by Officers Commanding Brigades, Military Police, or a Non-Commissioned Officer and three men, or when required sentries being employed.

21. Chatty-filters at the rate of one per troop or company, with one for quarter guard, will be indented for by Officers Commanding Divisions on the Commissariat Department.

The duplicate copies should be retained by Corps for record and future reference.

NATIVE MUSKETRY REGULATIONS.

No. 307.—With the sanction of Government, the Right Honorable the Commander-in-Chief is pleased to direct, that the following additions and alterations be made in the Native Musketry Regulations, which are to have effect from the commencement of the Annual Course for 1873-74.

2. These additions and alterations have been framed to lessen the personal detail work required of European and Wing Officers, and thus to admit of a more expansive system and—when there is only one available European Officer—of a fuller supervision and vigilance on his part being exercised over the whole conduct of the several practices.

3. His Excellency desires that these regulations may be most strictly observed both in letter and in spirit; and reminds Commanding Officers, that by permitting any deviations therefrom, they jeopardize the good shooting rewards of their marksmen, which are only earned when a close adherence to the regulations has been given.

4. All copies of the Regulations in possession of regiments and officers are to be corrected accordingly.

Alterations and Additions.

Table of Contents, 8th line, after "shooting" add—"and judging distance."

Page 2, para. 3, after "recruits," add—

He is to be assisted, when considered necessary by the Commanding Officer, as regards supervision of the practices, by the Quartermaster or other European Officer.

„ insert the following paragraphs—

Para. 3A.—The Adjutant is also responsible to the Commanding Officer that the non-commissioned officers and men are correctly and efficiently instructed in the firing exercises, before the Annual Musketry Course is commenced. The shooting will very much depend on this being well done.

Para. 3B.—The native officers are to make themselves fully acquainted with the several drills and practices, and are not to be made competent to effectually carry out, under the Wing Officer's superintendence, the instruction of their companies.

N.B.—This rule will necessarily be gradually brought into force, and not apply to such old Native Officers as the Commanding Officer may think unable to learn this new duty.

„ para. 4, for—"In his absence the next senior havildar," substitute—the best qualified Havildar, who will, if possible, for the days so employed be excused other duties.

* Madras Circular, No. 4,068, dated 19th November 1873.

Page 6, para. 10, add to, as follows—Any number of recruits not exceeding 40 at one time may be put through the entire course; when less than five are being instructed, that number is to be made up at volley and independent practice by other soldiers, who will fire blank.

N.B.—This course may also be pursued with trained soldiers, non-exercised men or casualties during or after the annual course.

Page 7, para. 11, add to 9th line after "completed"—With the approval of the General Officer commanding the Division, obtained through the Deputy Assistant Adjutant-General for Musketry, of the circle, the course of target practice may commence earlier or later than the above date, when later, the application after the General's orders have been passed thereon, is to be sent for record at Army Head Quarters.

„ para. 12, line 5, after "another;" insert—The Native Officers being present and assisting.

Page 8, add the following note in the column of remarks:

2. This drill and practice, may at the discretion of the Commanding Officer, be performed by full sections of four different companies, when complete companies are not available.

Page 9, before para. 15 insert—

Para. 14A.—In order that there may be no delay in carrying on the annual course, and that the drill and practice may be effectually supervised, by the Wing Officers, assisted always when present with the regiment by the Wing Subalterns, one company of one wing is to be at drill, while another company of the other wing is at practice. The Wing Officers are to be struck off all station duty on the days when the annual course is being carried out by any companies of their wings.

Para. 14B.—Wing Subalterns and other attached European Officers are, when not actually performing station duty, to be present with their wings when undergoing instruction or at practice.

Para. 14C.—Whenever the rifle range is situated so distant from the regimental lines, as to necessitate the encampment of the company engaged at target practice, a European Officer is to be sent to reside in camp.

Para. 14D.—After the annual course of all the companies has been completed, a European Officer will be struck off all duty to superintend the drill and practice of the non-exercised men and casualties, as well as the 3rd class shots.

This applies to parties under instruction after as well as before the annual return has been rendered.

Para. 14E.—When the duty is very heavy, only one company of a regiment is, with the sanction of the General Officer Commanding the Division, obtained through the Deputy Assistant Adjutant-General of the Circle, to be struck off duty for Musketry Instruction at a time.

Para. 14F.—With the sanction of the General Officer Commanding the Division or District obtained as above, one company of a wing may be at drill, and another company of the same wing at practice, provided there are two British Officers available to superintend the same. This sanction is only to be accorded when it is obviously necessary to admit of the practice being carried out, or when the shooting is so good as to indicate that the presence, at the drill and practice of each company, of the two British Officers present with the wing, is not necessary to establish its efficiency.

Page 9, para. 17, line 7—Before the word "after," insert—should there be no such officer present and competent to do so.

„ „ line 7, subsequent to the word "after," insert—or before, as most convenient.

Page 10, to the end of para. 21, add—men blind of, or with defective sight in the right eye, whom it is not desirable to discharge being in other respects first class soldiers, are to be trained to shoot from the left shoulder. In the ranks, if not placed on the left flank, such men will however shoot from the right shoulder.

„ para. 24, for 17, read 18.

„ „ 1st line, Delete—"and Drummers." Add—

Para. 24A.—Drummers and Buglers may be trained to shoot to such an extent as the Commanding Officer may deem advisable; but as they are not provided with rifles, they cannot take Government prizes for good shooting, and are not to be included in any Musketry Returns whatever.

„ para. 25, Delete from "and" in the 5th line to the end.

Page 11, para. 27, 8th line, for "Wing Officers," read—an European officer.

„ „ last line, for "platoon," substitute—firing.

„ „ insert at the end—The native officers and non-commissioned officers of each company, should alone be employed under the Wing Officer's supervision in instructing it, and on the nature of their instruction the results will depend. This rule should be gradually

introduced and enforced. As the honorary distinction granted to the Havildars of the best shooting company, by para. 202, can only be fairly won when the company was not assisted by other drills.

The assistance of the Havildar carrying off the 5th prize, to be given to all the companies alike.

Page 14, after para. 31, add—

Para. 31A.—The names of the different parts of the rifle and limbs of the lock are to be taught in English, there being no vernacular names for most of them.

N.B.—Lock instruction is to be taught after the more important drills have been mastered, and in weather when much out-door instruction cannot be given.

" para. 114, line 2, after "European" insert—*or native*.

" after para. 114, add—

114A.—When only one European Officer is available to conduct the target practice, native commissioned officers, if possible from the company at practice, will in the manner prescribed for European Officers, record in the vernacular, or in English, the result of each shot on the register. Corrections of the record are however only to be made by the European Officer who is to initial the same.

114B.—The total points of each distance are to be recorded in English by the European Officer superintending, who will be held strictly responsible for the accuracy of the entire record in every detail. He will read out the total points to the men in the presence of the native officer, and satisfy himself that it is correct.

114C.—No copies of a register can be recognized; when it is considered that a copy is necessary for the purpose of instruction or elucidation, the original as kept when the firing took place is invariably to be attached.

114D.—In the event of there being a great difficulty, in obtaining native commissioned officers, competent to keep target practice registers correctly in the manner above described, or if this duty falling very hard on those able to undertake it, the most intelligent non-commissioned officers of the company may be specially so employed.

114E.—In this case the number of annual course of target practice registers, so kept by non-commissioned officers, as also the number kept by officers, European and Native, is, in forwarding the annual return, to be reported by Commanding Officers.

Page 49, after para. 115, add—

115A.—Non-Commissioned Officers employed in the markers or ricochet butts and in keeping registers at target or judging distance practice are to be previously instructed in these duties, and to be made to understand that any carelessness or wilful falsification of registers, or scores, will subject them to trial under the 70th "Article of War," and in all cases where any alteration of registers, not made by the European Officer superintending, or of discrepancies indicating carelessness in marking are discovered at the comparing of targets with registers, or at any other time, the European Officer will invariably note the particulars, and record on the back of the register, the name or names of the non-commissioned officers in fault, with a view, should the same be ever required, of the register being produced as evidence against them.

Para. 193A. As judging distance drill and practice is for the Native Army separated from the course of target practice, to lessen the strain at one time on the Wing Officers, and to permit of its being conducted at times, such as during a march, or during the hot weather and rains, when no target practice can be executed. This practice is invariably to take place, away from ranges and parade grounds; each day's practice of each separate party or company is to be carried out on fresh ground, and in a different direction from the last; the ground selected should be broken and irregular, so that the men may be trained to judge distances in similar localities.

to that which would shelter an enemy; the color of the object should be varied as much as possible; the men thrown out as points wearing the different clothing available, including khakie and native dresses.

Seventh Prize—The best judge of distance in each company that has been exercised in a complete course of judging distance drill and practice, in accordance with the spirit of these regulations, will receive a prize of Rupees 5 and a badge of cross flags worked in worsted. In the company in which is also the best judge of distance of the regiment, the next best judge in the company will receive this prize.

Add para. 203A.—No prizes will be given to companies or men who have not been exercised in both target and judging distance practices.

Page 69, para. 206, Dele from "and" in the 5th line, to "practice" in the 6th line.

" " 207, Dele from "and" in the 4th line, to end of para. and substitute—

Though the prizes for target and judging distance practice as a rule will be made independently, they will not be so given, whenever the shooting in the one case, or the judging distance in the other of the best man is shown to be so entirely inferior, as to render the next soldier's practical efficiency in both branches of training to be of very far superior merit. In forwarding annual returns, commanding officers will be good enough to state their wishes on this point for the information of the Chief Inspector of Musketry in recommending these prizes.

" " Add to para. 208, Ties in judging distance practice will be decided—

ARMY SIGNALLING AND TELEGRAPHY.

No. 312.—Horse Guards' General Order, No. 67, dated 1st August 1872, is, with the sanction*

* Military Department Letter, No. 319, dated 22nd August 1873, to the Quartermaster-General.

I. In accordance with the provisions of paras. 5 and 6, Clause 21, Army Circulars, 1869, one officer as Instructor, and two non-commissioned officers as Assistant Instructors in Army Signalling, will be appointed to each brigade of Artillery, regiment of Cavalry and battalion of Infantry.

II. These Instructors and Assistant Instructors must have obtained certificates of qualification from the School of Military Engineering at Chatham. They will be held responsible that the system laid down in the manual of instruction, and taught at the School of Military Engineering, is strictly adhered to: and as the signallers of one regiment may at any time be called upon to communicate with those of another regiment, identity of system is absolutely necessary.

III. A detail of the stores that constitute the instructional equipment, and instructions as to the mode of obtaining the same, are published in Clause 132, Army Circulars, 1872.

IV. The classes that are formed for regimental instruction are to consist of ten officers and men.

V. Army Signalling is a duty, the proper discharge of which depends, in more than an ordinary degree, on the efficiency and conduct of each individual employed. Signallers are often placed in isolated positions, where every man has a responsibility resting on himself. They must therefore be specially selected for steadiness of conduct, and must also be quick and intelligent, able to read and write well, to spell correctly and have good eyesight. Officers commanding corps will see that no man is permitted to join the classes for instruction, who is not possessed of these qualifications; and the greatest care and discrimination on the part of the Instructor must be used, to prevent any man being reported as a qualified signaller unless he be perfectly fit to fulfil all the required duties.

VI. On the completion of a course of instruction, a return of the officers and men composing the class, with a report of their qualifications, will be prepared by the Regimental Instructor on War Office Form 70 (Appendix A) in duplicate. One copy will be kept with the regimental records, and the other forwarded to the General Officer Commanding, for transmission to the Quartermaster-General.

VII. One officer and two non-commissioned officers or privates in each battery, troop or company are to be specially selected as signallers, and at least one supernumerary per battery, troop or company, is to be trained, in order to replace men becoming ineffective.

VIII. The Officer commanding a corps will use his discretion in removing any man on account of misconduct and replacing him by the supernumerary signaller.

IX. The signallers of each regiment or corps will be inspected once in each half year by an officer, specially appointed on the recommendation of the Commanding Royal Engineers, at each station, who will send in a return in duplicate on War Office Form 71 (Appendix A) after each inspection, to the Commanding Royal Engineer, one for transmission to the General Officer Commanding, and one for transmission to the Commandant, School of Military Engineering (through the Deputy Adjutant-General, Royal Engineers.) This officer will also report on such points as may be deserving of notice respecting the proficiency or otherwise of the signalling classes inspected.

With reference to paras. 1 and 2, it is notified that certificates of qualification from Central School of Army Signalling and Telegraphy at Roorkee, will suffice for the appointments of Instructors and Assistant Instructors in India.

As regards para. IX, in the absence of any officer in India corresponding to the Commanding Royal Engineer at home, the officer of the Quartermaster-General's Department in each command will inspect the signallers and send in the return alluded to, to the General Officer Commanding, and the officer commanding Sappers and Miners, reporting at the same time whether the establishment for instruction is efficient and the equipment complete and in good order.

Clause 132 of Army Circulars, 1872, referred to in para. III, is published below:—

W. O. Circulars, Clause 132, Army Signalling Equipment.

1. On the appointment of an Instructor in a regiment or corps, the Commanding Officer will forward to the local Controller a requisition in duplicate, on War Office Form, No. 469, for the stores that constitute that regimental signalling equipment.

2. These supplies will, except as provided in the following paragraph, be confined to regiments of Infantry and Cavalry, to head-quarters of Royal Artillery districts (for garrison artillery) and to head-quarters stations of Commanding Royal Engineers (for companies of Royal Engineers.)

3. The stores will also be supplied to batteries of Royal Horse and Field Artillery, provided that there are certified instructors attached to them, and that the issue is deemed necessary by the General Officer Commanding, under whom the batteries are serving.

Landour, 4th November 1873, No. 331.—His Excellency the Commander-in-Chief directs the publication of the following Dress Regulations :—

I. DRESS OF OFFICERS.

1. Detailed descriptions of the Dress, prescribed for the Officers of the Army, are contained in the "Dress Regulations," copies of which are furnished, for information and guidance, to General Officers commanding and to Commanding Officers of Corps, and Commanding Officers are strictly forbidden to introduce or sanction any unauthorised embroidery, ornament or the addition to or increase in the width of lace, or other deviation from the approved patterns.

2. The rank of Officers in the Army is indicated by the lace and badges on their cuffs, collars, &c.

3. All regimental badges and devices and other peculiar distinctions which may have been granted under special authority to different corps, are to be strictly preserved.

4. On all occasions of State ceremonies Officers are to appear in full Dress uniform with the riband of any order or decoration over the coat. Such riband is not, however, to be worn in undress uniform.

5. Miniature orders and medals, or ribands only, are to be worn by Officers in undress uniform including summer clothing.

6. Officers are to wear their prescribed uniform in camp and quarters while on duty; but it is left to the discretion of General Officers Commanding to permit the use of plain clothes for purposes of recreation.

7. Officers will appear in uniform when attending balls or entertainments given by the General or other Officer Commanding the station, or in the name of a regiment or station within the division or district in which they are quartered.

8. Officers on leave are always to be in possession of their uniform.

9. Officers in uniform, when in mourning or attending funerals, are to wear a band of black crape round the left arm above the elbow, and no other sign of mourning is to be worn at any time by Officers in uniform, unless specially ordered.

10. Brevet Field Officers, doing duty with their regiments as Captains, are to wear uniform according to their rank in the Army; in the Infantry, however, such Officers will not wear spurs on parade, except when performing duty as Field Officers.

11. Medical Officers having the relative rank of Field Officer are to provide themselves with chargers and horse furniture, and to appear mounted when required to attend parades. Other medical Officers of Native Infantry Regiments may, when in possession of suitable chargers, appear mounted on parade and on other duties.

12. The scarlet patrol-jacket is to be worn in review, marching and field day order, on garrison duties and on all brigade parades.

The blue patrol-jacket may be worn on Regimental, stable or orderly duties, and on Regimental parades in drill order, except by Officers of the general staff * * * and Officers of the Royal Artillery, when the men wear serge during the rains. Officers of line Regiments are not obliged to provide themselves with blue patrol-jackets, but may wear the scarlet patrol-jacket on occasions when the blue patrol-jacket is authorized to be worn.

13. Pantaloon and high boots are to be worn on all mounted duties by Cavalry and by mounted Officers, but not in review order by Officers of the Staff, Artillery and Engineers.

f. The sabretache is to be worn on mounted duties only, except by Hussars and Horse Artillery, who wear it on all occasions when the sword is worn. In the field the sabretache may be attached to the saddle.

g. G. O. C. C., No. 106 of 5th December 1873.—In continuation of G. O. C. C., dated 6th October 1873, it is hereby notified that passage to England will be provided as follows for all Invalids and their families, &c., of the Madras Presidency from the Stations, as per margin.

I. For 100 Invalids with families (selected cases) with such Time-expired Men, Ignominies, and Insanes as are remaining to be provided with passage, by the Troop Ship "Serapis" leaving Bombay on the 21st February 1874, they will be sent to Deolale by the 10th February 1874.

II. For about 490 Invalids and families by the Troop Ship "Crocodile" leaving Bombay on the 3rd March 1874. The Invalids of this party from Kamptee, Secunderabad and Bellary, will be sent to Deolalee 10 days prior to embarkation at Bombay. The Invalids for Cannanore will embark at that Station. The Invalids from the other Southern Stations will embark at Beypore.

2. Nominal* Rolls and Numerical Returns of those proceeding by each vessel to be forwarded by Corps to the Divisional Officers of the Quartermaster-General's Department or to the Brigade-Major at the place of embarkation.

Rolls are to be compiled by the above-mentioned Staff Officers in one general Return and Roll under the signature of Divisional Commanding Officers and forwarded to the Quartermaster-General's Office, not later than the 10th January 1874.

3. The attention of Medical and Commanding Officers is particularly directed to the necessity for restricting applications for standing berths and swing cots for Invalids to the smallest possible limits. Every additional standing berth put up, encroaches on the deck space for the men in hammocks and curtails the space for Mess-tables.

4. Liberal allowance for seats for Invalids in Railway Carriages should be provided as the distances to be travelled are great.

Nominal Roll of Invalids (Form No. 710 for 100 Names, or No. 711 for 32 Names.)

5. Blank Forms of Nominal Rolls for Invalids and Time-expired Men can be obtained, if required, from the Lawrence Asylum Press, on payment.

I.—For a troop extra train the railway authorities must have, at least, the following notice, namely:—

At Howrah, Allahabad, Madras and Bombay ... 48 hours.
At all other Stations ... 96 "

II.—The following are the maximum and minimum number of vehicles for a troop extra train, travelling at passenger speed, namely:—

In Bengal, 35 vehicles, including 2 brake-vans, the maximum, and 22 vehicles, including 2 brake-vans, the minimum.

In Madras 12 vehicles, " " " 14 " "
In Bombay 12 vehicles, " " " 14 " "

The two brake-vans are allowed for the conveyance of the authorized quantity of free baggage, calculated at the rate of 2 tons, or 56 maunds for 100 adults, exclusive of arms and without reference to rank; children over 12 years being counted as adults, and of those under 12 years, two being counted as one adult.

It has been arranged with the East Indian Railway Company that in lieu of this baggage allowance, a fixed railway allowance be substituted of 20 seers for each man, woman and child; that fractions of 5 seers be charged as 5 seers: that fractions of less than 1½ pie be omitted, and fractions of more than 1½ pie charged as 3 pies, and that any over-payments under the credit note system will be refunded by deductions from the next demand of the Railway Company; and that errors of less than Rupees 20 on the side of either Government or the Railway Company will be overlooked, and not brought forward for adjustment.

As the maund on the Great Indian Peninsula Railway weighs 82 lbs., the allowance of baggage on that line per 100 adults will be 54 maunds.

III.—Despatching officers are held responsible that their requisitions for carriages, wagons, horse-boxes, &c., do not exceed the amount of accommodation sanctioned by Government for the number of troops to be despatched; at the same time they must be careful that the railway authorities provide vehicles equal in capacity to those laid down in the above scale.

IV.—In submitting requisitions on the railway authorities for the conveyance of horses, mules, or other Government cattle, despatching officers are to state the description of train required, i.e., passenger, goods, or extra, otherwise the animals will be despatched by passenger trains, and full fares charged accordingly.

V.—The troop extra train, according to requisition, will be made over by the railway to the military despatching authority, under whose orders the vehicles will be filled. A railway official should always be present, but, provided that no greater number of persons or amount of baggage are placed in carriages or wagons than the same are calculated to hold, the despatching officer should not be interfered with.

VI.—In cases of employment of troop extra trains, on exceptional emergencies, when a sufficiency of 2nd-class carriages are not available, 3rd-class carriages may be supplied for British soldiers, their families, Native troops and others, provided such are equally protected from wind and weather, and are lighted at night in the same manner as 2nd-class carriages. When however British troops are provided with 3rd-class accommodation, each soldier will be allowed double the accommodation authorized for a Civilian passenger.

VII.—Provision is to be made by the despatching officer, in concert with the railway officials, for the transit of all private baggage in excess of the regulations, which is to be made over to the railway authorities to be loaded in a special wagon attached to the extra train for that purpose, such baggage previous to despatch is to be paid for by the commanding officer at Government contract rate, viz., 1 pie per maund per mile.

PASSAGE—CAMP OF EXERCISE.

G. O. C. C., No. 110 of 11th December 1873.—With the sanction of Government the following General Order by His Excellency the Commander-in-Chief in India is re-published:—

Meerut, 13th November 1873.—It is notified for general information, that Government has been pleased to sanction all Officers proceeding on duty to the Camp of Exercise to be assembled in the neighbourhood of Roorkee* during the current cold season, being provided with free passages by rail for themselves and the regulated number of servants * * * according to existing regulations; also for the authorized number of chargers by rail, according to the "ordinary complement," prescribed in G. O., No. 242 of 1868.†

COLORS.

G. O. C. C., No. 111 of 13th December 1873.—Under instructions from Government the Commander-in-Chief directs it to be notified, that as a rule, 20 years are the minimum period of duration for Colors of Native Corps; but should they at any time before the expiration of that period be reported by a Special Committee to have become unserviceable from extraordinary exposure or by fair wear and tear, the special orders of Government should be obtained for their re-placement.

2. Condemned Colors are to be transferred to the Ordnance Department, to be hung up in the Armoury at Amensal whenever their retention is not specially allowed by His Excellency the Commander-in-Chief, to whom previous application should be made for permission to do so.

The chief characteristics of this Society are:—

Mutual Assurance.

Policies for terms of years issued at largely reduced rates without participation in Surpluses.

Premiums payable half yearly, on 1st January and 1st July.

Claims paid immediately after satisfactory proof of death. An official Notice of death in any of Her Majesty's Government Gazettes is a sufficient proof.

Claims can be adjusted, and premiums can be paid in London, if desired by the Policy holders.

Surrender Values allowed for Life Policies issued at fixed rates of premium which have paid three years' premiums.

The Society's funds must be invested in Indian Government Securities or in other guaranteed Indian Securities.

Quinquennial valuations, by a London Actuary, of Assets and Liabilities. The reduction of premiums for the Quinquennium 1871—75 is at the rate of 60 per cent. of premiums paid during 1866-70.

Assurances granted on the lives of Europeans, East Indians or Eurasians, and Parsees.

Past experience leads the Directors to anticipate that the retention of the "Mutual" principle and the Quinquennial distributions of Surpluses, will bring down the cost of Assurance by this office, for Life, to the lowest possible point.

The Medical Examiner sees Applicants for Assurance at the General Hospital, every day of the week, between the hours of 7 and 9 A. M.

C. LAZARUS & CO.,

INCORPORATED WITH

SHEARWOOD & CO.,

CABINET MAKERS, UPHOLSTERERS,

BILLIARD TABLE MANUFACTURERS.

49, 54, 55 & 56, **BENTINCK STREET, CALCUTTA,**

By appointment to His Excellency the Viceroy and Governor General of India,
AND TO

H. R. H. THE DUKE OF EDINBURGH.
BILLIARD TABLES.

C. LAZARUS & CO., as manufacturers, would invite particular attention to their large stock of full-sized Billiard Tables. One of the chief desiderata in a Billiard Table is to secure such an arrangement as will admit of a Ball being struck so as to attain the highest speed without its jumping. This it need scarcely be said, depends entirely upon the arrangement of the cushions. C. L. & Co., in mentioning this fact, would state that the subject has largely occupied their attention, and after repeated experiments and close consideration, they have discovered a principle in the manufacture of cushions which answers admirably the end desired. Since the manufacture of their cushions on this new principle, C. L. & Co. have received testimonials from some of the first Clubs in India speaking to the merits of the same. To secure truth with speed, that is to say, the maximum of speed compatible with preventing the Ball jumping, is the object which C. L. & Co. have had in view, and which at length they have successfully attained. At the same time, the cushions, it should be stated, are quite as durable, or even more durable, under the new principle of making up than under the old. With a view to the maintenance of the high character of their workmanship, C. L. & Co. have secured for this branch of their business especially, the services of a gentleman who for many years was foreman to the eminent makers, Messrs. Burroughes and Watts, whose experience is a guarantee of the highest possible excellence in the manufacture of Billiard Tables, and of everything connected with that department of their business.

THE NEW PATENT ELECTRIC BILLIARD MARKER.

Sole Wholesale and Retail Agents for India and the East.

C. LAZARUS & Co.

C. LAZARUS & CO. beg to draw the attention of Clubs, Messes, and the Public in general to this wonderful and very ingenious adaptation of the great principle of **ELECTRICITY**, as applied to the noble recreation of **BILLIARDS**.

One of the greatest inconveniences attendant on this scientific game, and the one mostly felt by players, is the interruption to play by having continually to run to the wall marking-board to mark the score, and the liability to mistakes in so marking. By this new invention mistakes are impossible, and annoyances and inconveniences are done away with, and the interest in the game is double. Every player can now mark his score without leaving the table, and from the cushions he is standing near.

The apparatus itself is so simple in construction, that an amateur can put it together in half an hour without the assistance of an electrician.

The battery will last for months without being refilled, and when it needs to be renewed, can be done at any time for a few annas. The extreme simplicity of the **ELECTRIC MARKER** and the low charge for the same will, C. L. & Co. are satisfied, make it as popular with the Billiard-playing community of India and the East, as it has already become in England, and on the Continent. C. L. & Co. have at present only a very limited supply of the **ELECTRIC MARKERS**, but are expecting fresh consignments shortly: meanwhile all orders will be registered for execution.

The **MARKERS** can be seen in full work, and all particulars may be ascertained from C. L. & Co., who have been appointed by the Patentees Sole Agents for India and the East. They cannot, therefore be procured elsewhere.

IMPORTANT TO MESSES AND BILLIARD CLUBS,

Throughout India, China, Burmah, Ceylon and the Straits.

Consequent on the numerous applications that C. LAZARUS & Co. have lately had from persons residing at a distance from Calcutta to have their Billiard Tables re-cushioned on C. L. & Co.'s new principle, and as sending the old cushions to Calcutta for that purpose is attended with great delay, occasioning much inconvenience, C. L. & Co. have been induced to keep a stock of cushions of their new principle always on hand, which can be fitted to any Table, the accurate length and width of the Slate Bed only being required.

Up-country Messes and Clubs can, by thus securing a spare set of cushions, ensure the constant use of the Table, a desideratum C. L. & Co. are satisfied they will not be slow to appreciate, as the inconvenience hitherto felt by the Table being unavailable for play during such time as the old cushions are under repair, has been admittedly very great.

New Cushions fitted to old Tables on the new principle.

BILLIARD AND POOL BALLS.

Billiard Cloth, Cues, Billiard and Pool-marking Boards, Tips, Chalks, and every requisite for the Billiard Table.
