W. T. MOOROGASA MOODELLIAR & CO.,
ARMY SUPPLIERS,

POONAMALLEE ROAD, MADRAS,

NEXT TO MESSRS. RUNGA PILLAY & CO., COACH BUILDERS.

In again returning their best thanks to the Public for the innumerable favors conferred on them during the past year, they respectfully solicit a continuance of the same. **W. T. M. & Co.** flatter themselves that their workmanship in every branch of their department, has won for them the approbation and good-will of all with whom they have been dealing particularly with Governmental Departments. To the Clothing Agency for the manufacture of Helmets ; to the Ordnance Department for the manufacture of Waterproof Equipments, they stand specially indebted. The Government after giving the articles manufactured by **W. T. M. & Co.** a fair and lengthened trial, has been pleased to enter into a contract with them for *three years without the usual deposit of a Money Security*—which contract has satisfactorily terminated, but they are not without hope that larger favors including those of the Government of India, will shortly be extended to them. His Excellency the Commander-in-Chief has made special reference regarding H. M.'s 48th Regiment to the Clothing Agency in connection with the Helmets made by **W. T. M. & Co.** in consequence of the superiority of their finish, so much so that they anticipate orders for a further supply of Helmets recommended to be generally introduced by the Head of the Army.

W. T. M. & Co. have with much expense and trouble, *improved in the process of manufacturing Waterproof Cloth, Linen and Canvas*, and they have attained such experience, as to confidently affirm that the process is superior to any other in the Madras Presidency ; and in addition they beg to announce that a skilled Foreman is shortly expected from England to join their Department who will bring with him the most recent improvements and science in the art of Waterproof manufacture, to accomplish which, **W. T. M. & Co.** spared no expense and enterprise.

The Government having concurred in the favorable mention made by His Excellency the Commander-in-Chief of the Waterproof articles submitted by **W. T. M. & Co.**, after a severe test in the *Grand Arsenal, Fort Saint George*, have been pleased to extend their patronage to their Firm, as per *Proceedings of Government*, dated 10th May 1870, No. 1,325. The *Inspector-General of Ordnance and Magazines*, a gentleman of considerable experience, has also reported to Government in favorable terms of the quality and make of **Colonel Travers' Pattern Kit Bags**, manufactured by **W. T. M. & Co.**, and they now solicit the patronage of all Officers Commanding Corps, both European and Native, and the Public in general.

W. T. M. & Co. have in their former Advertisement referred to **Colonel E. A. B. Travers**, Depy. Adjutant General, **Colonel J. G. Touch**, Examiner, Pay Department; **Major T. Dyer**, Brigade Major, Fort Saint George; and the late **Colonel J. E. Robertson**, Adjutant General, for their good workmanship and punctuality, and they have since obtained the good-will of **Brigadier General W. G. Woods, C. S. I.**, Officer Commanding Ceded Districts, and **Colonel P. B. Roe**, Adjutant General; to the Inspector-General of Ordnance and Magazines and the Commissary of Ordnance in charge of Grand Arsenal, and Superintendent and Agent Army Clothing, who were satisfied with the zealous manner in which the business of their Firm is carried on.

The Waterproof material used by **W. T. M. & Co.**, for the Waterproof Caps and Coats at *Army Clothing Department*, was approved of after six months' trial in preference to English Supply, which latter does not withstand the climate of India, and consequently **W. T. M. & Co.** were favored by the Superintendent and Agent Army Clothing with orders for the manufacture of Waterproof Coats for the use of H. M.'s Corps.

W. T. M. & Co. will only feel too grateful to undertake orders for the execution of the undermentioned articles at the rates set before them, for the use of H. M.'s European and Native Regiments. Half the value of articles ordered usually and obtained, will be thankfully received and acknowledged.

CAUTION!

Messrs. W. T. M. & Co. are aware that articles of similar descriptions are manufactured in another would-be-Establishment at lower rates and with a name almost akin to the above which has led to a confusion and in some respects to the detriment of **W. T. M. & Co.** by having inferior articles palmed off under a good name which **W. T. M. & Co.** have after a long experience and large outlay of funds, endeavoured to earn for themselves.

LIST OF HER MAJESTY'S COVENANTED CIVIL SERVANTS ON THE MADRAS ESTABLISHMENT,

Corrected up to the 31st December 1874.

The Rank of Civil Servants commences from the date of arrival at Madras of the first Civil Servant appointed in Europe, of the same season of which they are Civil Servants ; and, being thus determined, all Civil Servants belong, during the first four years, to Class VI ;—from the fifth to the end of the eighth year, to Class V ;—from the ninth to the end of the twelfth year, to Class IV ;—from the thirteenth to the end of the twentieth year, to Class III ;—from the twenty-first to the end of the twenty-eighth year, to Class II ;—and from and after the twenty-ninth year, to Class I.

*The letters **A, B, C**, prefixed to the names, denote respectively that the parties have not passed either of the two Standards of Qualification ; that the first or lower Standard has been passed ; that the Servant cannot take Special leave.*

M prefixed to a name denotes that the Servant though not having passed by the 2nd Standard, nor holding an appointment superior to that of Assistant is invested permanently with the full powers of a Magistrate.

Column 2, Capitals distinguish high proficiency. Small Roman letters show that the languages were studied in England by Civilians under the new system. Italic Capitals denote that the Civilian has passed the Honors' Test under the Rules of 1868.

Column 7, Italics show " Dies non" G. I. Resolutions, 5th Nov. and 21st Dec. 1868, Nos. 3,477 and 3,727, Financial. Roman Capitals show Special Leave. Antique letters indicate a year of Sick Leave taken under rules in force before 1st July 1868, with reference to Section 6, Rule 2, Civil Leave Code

Column 8, The Active Service is calculated in accordance with Section 4, Civil Leave Code, and is the period of Residence qualifying for Pension under Section 4, Supplement A of the Civil Pension Code.

Para. 3. The officers affected by the order in question, are officers of Her Majesty's British Service, and it is not customary for officers of that class to address memorials affecting their pay and position, to the Secretary of State for India. If dissatisfied with the regulations under which they serve in India, they should address the authorities at the War Office, through the Commander-in-Chief in India.

158. This rule applies equally to British officers holding relative or honorary rank, but is not applicable to married Sub-Lieutenants, except such as have been promoted from the ranks; nor to the wives of officers not serving in the Military Department, free passes being only sanctioned when debitable as a military charge; nor is it applicable to officers' sons above 16 years of age.

"2. In reply I am to refer you to the Letter from this department, No. 142, dated 4th July 1873, and to state that an officer is entitled to reckon the six months from the date of his attaining Colonel's allowance, whether he continues to be employed for a time or not, but that he continues to draw Indian allowances, so long as he continues to be employed by Government after the expiration of the six months. On his then ceasing to be employed, he reverts at once to English pay."

TRANSPORT—RAILWAY—MEDICAL DEPARTMENT.

No. 232.—With the sanction of the Government of India, the following regulations, regarding the provision of medical attendants for parties of troops when travelling, are published for general information and guidance.

2. It is to be understood that parties of British troops under 25 men, moving from one place to another, are not to be accompanied by a medical subordinate, unless under very special circumstances, such as serious illness, or the party being made up of sickly men requiring medical attention during the journey. In every such case, a certificate from the senior medical officer on the spot as to the absolute necessity of a medical subordinate being attached to the individual or party moving, must accompany the recommendation to the military authorities, and the officer in command will satisfy himself at the same time that the movement of the party or individual is essential and will admit of no delay.

When the party numbers above 25 and under 50 men, a medical subordinate may accompany them, unless the officer commanding, in communication with the senior medical officer present, considers it not really necessary.

When the party exceeds 50 in number, a medical officer or experienced subordinate should invariably accompany them, the propriety of nominating a medical officer for the charge being left as above to the local military and medical authorities.

When the party amounts to 100 men or upwards, a medical officer, when available, should in all cases be appointed to proceed with them in medical charge.

3. The above regulations will be entered as paragraph 36A, Transport Regulations, Part II.

TRANSPORT—PASSAGE.

No. 233.—With reference to Government General Order (No. 699 of 1871, the following clause is added to revised paragraph 178, Transport Regulations, Part I:—

VI. Married Sub-Lieutenants, except such as may have been promoted from the ranks, will not be entitled to free conveyance for their wives and families on board troop-ships, nor to any of the other privileges or allowances which are specially accorded to married officers whose commissions are permanent.

LEAVE.

Simla, 5th September 1874, No. 236.—The attention of all officers concerned is directed to the regulations cited in the margin, and to the following Government letter on the subject of furlough.

Copy of Letter from the Government of India, Military Department, to the Adjutant-General, No. 558, dated 12th August 1874—"Furlough and Leave—Officers."

"Sir,—In reply to your Memo., No. 1909, dated 24th ultimo, I am directed to acquaint you, for the information of the Right Honorable the Commander-in-Chief, that, although it appears in this instance, that * * * * did not wilfully disobey orders,—though he did so actually, in embarking for Europe when the G. G. O. granting him furlough had been cancelled by his delay,—the Right Honorable the Governor-General in Council cannot accept his excuse, and observes that he was bound so to arrange his departure from * * * * as to run no risk of exceeding the three months from date of the G. G. O. within which an officer is required to embark.

"2. His furlough therefore must be considered to have commenced on the date on which that period expired, and this has been notified in G. G. O. * * * *

"3. I am further instructed to state that excuses based on the plea of misapprehension of orders, or of his having been unexpectedly delayed, and such like, cannot be entertained in future when the officer is found not to have made sufficient provision to ensure his being in time. The orders are perfectly clear; any explanation that is needed can always be asked for, and the limit as to time are very liberal. If any officer therefore does not on his part keep within those limits,—unless when he can show that he was prevented from doing so by causes wholly beyond his control,—he must take the consequences.

"4. I am to suggest that the attention of all concerned should be called to G. G. O., No. 996* of 1869; and that officers should be forbidden to embark for Europe after the expiry of three months from the date of the G. G. O. granting them furlough, unless with the special sanction of the Government previously obtained."

CLOTHING—BANDS.

No. 237.—With reference to G. O.,† No. 396 of 1873, His Excellency the Commander-in-Chief is pleased to direct that before the 1st October 1875, the Glengary cap shall be adopted for the bandmen of British Infantry regiments serving in India.

DISCIPLINE.

No. 239.—The Commander-in-Chief has recently found it necessary to transfer to the Civil authority for trial, two British soldiers, (in one case a Serjeant,) who had caused the death of punkah coolies by acts of violence.

The native establishments employed with European troops are, as a rule, of weak and inferior physique, and assaults which would perhaps cause no serious injury to stronger men, are frequently attended with fatal results when committed upon them.

To strike and kick these weakly men is a cowardly act, for the British soldier is perfectly aware that they never return a blow.

Such assaults bring disgrace on the good name of the British Army, and reflect seriously upon its high character for discipline.

ARMY REGULATIONS.

G. O. C. C., No. 84 of 23rd September 1874.—The following addition is made to the Army Regulations. Books to be corrected accordingly:—

Pera. 73.—Add the following to the last line after the word "regiment."

The Queen's color will be lowered to the Sovereign, to members of the Royal Family and to the Viceroy only.

NATIVE MILITARY LUNATICS.

G. O. C. C., No. 85 of 1874.—With the sanction of Government, the following order regarding Native Military Lunatics, is published:—

A native soldier, who, at the time of his removal to a Lunatic Asylum, may, by length of service, be entitled to the benefit of the invalid pension establishment, will be transferred to that establishment,

on the pension to which entitled, and so much of the pension as will cover the cost of his maintenance at the Asylum, will be deducted, subject to the condition that, where there is a family dependent on the lunatic pensioned soldier, they shall be allowed, at least, a moiety of his pension. *The pension will be drawn monthly by the Officer in charge of the Asylum from the Paymaster of the Circle in which the Asylum is situated.*

MILITARY INSTRUCTION.

G. O. C. C., No. 87 of 25th September 1874.—The following General Order by His Excellency the Commander-in-Chief in India, is re-published:—

Simla, 11th September 1874.—With reference to G. O.* No. 151 of 1874, His Excellency the Commander-in-Chief directs that Officers commanding British regiments in the Bengal Presidency and Burmah will order all Lieutenants, liable to the special examination laid down in Horse Guards' G. O., No. 65 of 1870, who may not have had an opportunity of attending a course of instruction, or who may have failed at a previous examination, to attend the course commencing on the 1st October next.

A communication should be made at once to the Garrison Instructor of the Circle, stating the number of officers to join the course, and these officers will have the preference in forming the classes to all other applicants.

This order is equally applicable to officers serving in the Madras Presidency, the course of Garrison Instruction commencing on the 1st November 1874.

MUSKETRY ARMS.

G. O. C. C., No. 88 of 1st October 1874.—The following General Orders by His Excellency the Commander-in-Chief in India are re-published:—

Simla, 10th September 1874, No. 244.—The Government of India having directed certain regiments of the Native Army to be equipped with Snider rifles, all corps on receiving official intimation, that they are to be so equipped, will immediately send their armorer maistry, at the public expense, to the nearest arsenal, to be thoroughly instructed in the repair, care, mechanism, marking by engraving, and browning these arms.

2. They will also indent at once for a new equipment of Snider rifles, and arrange, under the operation of General Order *a*, No. 62 of 1873, for the return into store of their muzzle-loaders, with the exception of ten interchangeable, which will be retained in each regiment for the use of men competing in rifle matches, on the same terms as other regiments of the Native Army.

3. A detailed list of the percentage of component parts allowed for repair of Snider rifles, will be found in General Order *b*, No. 32 of 1874.

4. The following tools received from arsenal, now in possession according to General Order *c*, No. 150 of 1873, may be returned into store; their full value will be allowed, unless they should have been unfairly damaged:—

The long course will commence in Bengal on the 1st October in each year, and will end on the 31st May. In Madras and Bombay it will commence on the 15th June and end on the 28th February, with a suspension of study from 16th to 31st October. 6. The increased rate of office allowance to Chief Instructors and its discontinuance to Garrison Instructors serving under a Chief Instructor will have effect from 1st October 1874.

7. No fixed contingent allowance is granted to officers in charge of centres of instruction, but they are permitted to procure certain petty stores, and to arrange for the repair of the tools and implements under their charge from local sources, charging the actual cost thereof in contingent bills, countersigned by the Director of Garrison Instruction; provided that the following limits be not exceeded:—

For Chief Instructors	Rs. 300 per annum.
„ Garrison Instructors in charge of centres	100 „

8. Whenever a mess is established at a centre of instruction the Chief Instructor or Garrison Instructor in charge will draw a monthly allowance of Rs. 10 for each member of the mess, for a period not exceeding 2 months in the year.

The monthly mess allowance will be disbursed under the immediate supervision of the Chief Instructor, who will be held responsible that no unnecessary expenditure is incurred in the mess outfit.

9. The Director of Garrison Instruction will be attached to the Head Quarters of the Army, and will visit the centres of instruction annually or whenever it may be judged necessary.

He will superintend the entire system of Garrison Instruction in India, and the arrangements for conducting the examinations of officers for Staff employment and for promotion, will be carried out by him under the orders of the Commander-in-Chief.

He will furnish for the information of the Commander-in-Chief on the 1st January each year, a report upon the qualifications of the Garrison Instructors throughout India, prepared in the form laid down in confidential Circular, No. 4196A, dated 5th December 1872.

10. The Chief Instructors, Garrison Instructors, and Assistant Instructors will belong to the Divisional Staff, and will wear the former, the Staff uniform of Assistant Adjutant-General, and the latter two that of Brigade Major; when not stationed at the head-quarters of a division they will be under the orders of the officer commanding at the station to which they may be posted.

11. In so far as regards the details of instruction, however, they will correspond with and receive their orders from the Director of Garrison Instruction at Army Head Quarters.

12. Appointments to the establishment for Garrison Instruction will be made for five years, subject to re-appointment for an additional term if specially recommended. It is not obligatory upon candidates to have passed in the native languages by either standard.

13. Except in the case of a transfer to another Presidency, all officers belonging to the establishment for Garrison Instruction will be entitled to conveyance for one horse, at the public expense, when transferred from one centre of instruction to another for the public convenience.

14. Officers employed in the Garrison Instruction Staff will be permitted to reside at any station which they may select, during the intervals between the courses of instruction, provided that no expense to the State is incurred. They will be required, however, to return to their stations in ample time to make all the preliminary arrangements for the assembly of their classes on the dates fixed for the commencement of each course (G. O.,* No. 158 of 1872.)

15. Officers of British regiments employed on the permanent Staff of Garrison Instruction, who may cease to belong to the Indian establishment, may, when considered desirable, be detained in India to discharge their duties, until the 15th June in Bengal and Burmah, and until the end of February in Madras and Bombay, following the date of their becoming non-effective (Government Letter, Military Department, No. 278 of 1874).

16. Officers of the Staff Corps or Indian Army employed on the Garrison Instruction Staff, will be required to resign their appointments when proceeding on furlough, except such furlough be taken during the interval between the courses; and all officers, whether of the British or Indian Army, will vacate their appointments on the Staff of Garrison Instruction on leaving India upon medical certificate.

17. Officers vacating their appointments under this rule will be eligible for re-appointment for the unexpired portion of their five years' tenure, upon returning to India.

18. Examiners for each subject of the course will be nominated by the Director of Garrison Instruction under the orders of the Commander-in-Chief, and will be changed from time to time as may be considered advisable.

It is to be clearly understood that the nomination as Examiner is not to be considered as a staff appointment, that no officer so employed retains any lien upon such appointment in case of his becoming incapacitated from any cause from performing the duty, and that no remuneration as Examiner is to be paid except to the officer who has actually performed the duty.

19. An annual allowance at the subjoined rates will be granted to the officer performing the duty of Examiner in each of the following subjects, viz:—

	Rs.
Military Surveying and Reconnaissance	1,200
Field Fortification	1,000
Military Administration	600
Tactics	1,200
Military Law	1,000

20. The following annual allowance for service postage labels is sanctioned for Examiners:—

	Rs.
For the Examiner in Surveying	20
For all other Examiners	10

21. The allowance to Examiners will be paid half-yearly on the 1st January and 1st July, upon the production of a certificate from the Director of Garrison Instruction, that the officer preferring the claim has actually performed the duties during the previous half year.

22. In order to be entitled to the remuneration as Examiner, an officer must have actually performed the whole of the work connected with the four examinations which are held annually throughout India.

In the event of an Examiner finding himself unable to do so, either through sickness or from any other cause, the officer appointed to take over the duty will be entitled to such proportion of the remuneration as may be fixed by the Director of Garrison Instruction, irrespective of the date on which he may have taken up the work.

23. The above scale of remuneration to Examiners in the department of Garrison Instruction, will have effect from the 1st July 1874.

24. Chief Instructors and Garrison Instructors in charge of centres will be held responsible for the maintenance of discipline in their classes, and they will be required to bring at once to the notice of the General Officer commanding the division, the case of any officer whom they may consider unlikely to pass his examination, either through irregularity in attendance, or want of application, in order that he may be forthwith remanded to his regiment.

A similar course will be adopted in the case of any officer who may be prevented by continued illness from punctual attendance with the class.

25. The Chief Instructors at Umballa, Sealkote, Lucknow, Poona and Bangalore, will have the sole control over, and responsibility for the whole of the "materiel" for garrison instruction at those stations, and the Garrison Instructors and Assistant Instructors, posted to the above centres, will be under their orders.

They will also be responsible for the safe custody and preservation of the stock of books and instruments, the property of Government, to be issued on repayment to Sub-Lieutenants, and other officers who may be permitted to purchase them, and will account for the value thereof under the orders and regulations of the Department from which they have been supplied in each presidency.

26. The Chief Instructor, with his two Assistants, will have charge of the class of Sub-Lieutenants, the duty of the former will not be confined to mere supervision, but he will be required personally to take part in the instruction of the class.

27. At stations where there is a Garrison Instructor subordinate to the Chief Instructor, the duty of the former will consist exclusively in the instruction of the officers attending the short course under the general superintendence, and subject to the orders of the Chief Instructor, through whom all correspondence will take place.

28. The Chief Instructor can at his own discretion make use of the services of the Assistant Instructors, with the class attending the short course, if he should consider it necessary, and provided that they can be spared from their own work.

29. Garrison Instructors in charge of Centres will be responsible for the safe custody and fair usage of the whole of the instruments, stores, books and implements, supplied for the use of the classes. A monthly report and diary of work will be furnished as heretofore from every centre of instruction to the Director of Garrison Instruction, Simla.

30. In the event of the Chief Instructor or Garrison Instructor of a circle becoming incapacitated through illness, from carrying on his duties, he will name some other officer whom he may consider qualified to take his place, in order that the officer commanding at the station may take measures to prevent any interruption to the course, pending a reference to Army Head Quarters.

31. The examination of all officers attending the classes of Garrison Instruction throughout India, will be held on the following dates, viz:—

Examinations.

In Bengal and Burmah, 1st February and 1st June.

In Madras and Bombay, 1st March and 16th October; unless any of these dates fall upon Sunday, in which case the examination will commence on the following day.

In the case of Sub-Lieutenants attending the long course, the examinations held on the 1st February and 16th October will be probationary only; the final examination of these officers taking place on the 1st March and 1st June each year.

The procedure to be observed by officers (other than Sub-Lieutenants) who may wish to present themselves for examination, without having gone through the "short course" will be found in para. 72.

All such officers will be required to attend in the Lecture Halls for a week before the examination, for the purpose of executing in the presence of the Garrison Instructor such military drawings and sketches as may be required to accompany their examination papers.

A similar course will be pursued in the case of officers who have failed at a previous examination, but who may be permitted to be re-examined.

Printed instructions will be furnished from time to time for the guidance of boards of examination, and Garrison Instructors will be responsible, under the orders of the President, that the proceedings are carried on with due regularity, and that the papers of the candidates are arranged and forwarded without unnecessary delay.

Garrison Instructors will report to the officer commanding the station the date upon which the examination is concluded, in order that all officers attending it may be directed to rejoin their regiments without delay.

The names of all officers who pass the examination held at the end of each "short course," will be published in General Orders, arranged according to rank and seniority, but any officer who may desire to ascertain the value placed upon his work by the Examiners, can do so upon application to the Garrison Instructor of the circle, who will be furnished with a detailed report upon the work of each officer who went up for examination.

32. The Boards of Examination will consist of a President and two or four members, according to the number of officers to be examined; they will be specially chosen by the General officer commanding the division from those officers in his command, whether quartered at the centre of instruction or not, whom he may consider to possess special qualifications for the duty.

The President should be a Field Officer who has passed the Staff College, an officer of Royal Artillery of the same rank, or any other Field Officer specially qualified, and an officer of the Quarter-master-General's Department, or if no such officer should be available, a Brigade Major who has passed the Staff College, should invariably be one of the members, his duty being arranged so as not to interfere with his employment as a member of the special board.

The other member or members should be selected from those Captains in the division, who have either passed the Staff College or the Garrison Instruction course, or who may possess other qualifications.

No officer of the Garrison Instruction staff will in future be detailed as a member of the Examination Board, but the Chief Instructor or Garrison Instructor in charge of the centre will attend the board, as an adviser to the President, upon the usual course of procedure at examinations, and for the purpose of arranging and despatching the examination papers to Army Head Quarters under the President's orders.

The services of officers of the Royal Engineers employed in the Public Works Department, will only be called for to sit upon these boards, when in the judgment of the General officer commanding the division, no properly qualified officers of the other branches of the service are available.

His Excellency the Commander-in-Chief has observed, that at some stations considerable laxity has hitherto prevailed in the selection of officers to form the Boards of Examination; and he desires to call the special attention of General officers commanding divisions, to the increased importance under recent Royal Warrants of the military examination of officers of the Army, and the necessity to which exists that the selection and composition of the Boards of Examination should be such as to command the confidence of officers attending the course of study, and at the same time to ensure their qualifications in the "viva voce" and practical part of the examination being properly tested and reported upon.

His Excellency is satisfied that the staff of every division or brigade will always be able to furnish one or more officers thoroughly qualified by their previous training and experience, to sit upon these boards, and he believes that no inconvenience will be found in arranging the staff duties of these officers, so that their services can be made available for this important duty during the few days, twice a year, on which the Boards of Examination sit.

Regulations for Sub-Lieutenants attending the "Long Course." 33. The dates fixed for the commencement of the long course for Sub-Lieutenants will be found in para. 3.

This course will be held at the under-mentioned stations only, viz:—

Sealkote,	Poona,
Umballa,	Bangalore,
Lucknow,	

to each of which a Chief Instructor, with two or more Assistants will be appointed for Sub-Lieutenants exclusively.

Officers commanding British regiments in Bengal will forward to the Adjutant-General, Simla, by the 1st August in each year, the names of those Sub-Lieutenants whom they consider qualified under (para. 28, Section 4, Queen's Regulations) to join the course on the 1st October.

In Madras and Bombay similar lists will be forwarded, not later than the 15th April, to the Adjutant-General of the Presidency.

Commanding officers will not be required to submit any formal report to Army Head Quarters upon the qualifications of Sub-Lieutenants under the above order, as the fact of their having been recommended to join the eight months' course of instruction will be a sufficient guarantee that they have attained the required standard of efficiency in their regimental duties.

Upon receipt of the above lists a General Order will be issued specifying the Centre of Instruction to which each Sub-Lieutenant is to proceed for the long course.

In submitting the names of Sub-Lieutenants for the long course, commanding officers are referred to Adjutant-General's Circular Letter, No. 3887D, of 11th November 1873, re-published here for convenient reference:—

To Officers Commanding Divisions, Districts, British Regiments and Garrison Instructors, No. 3887D, dated Simla, 11th November 1873.

"SIR,—I have the honor, by direction of His Excellency the Commander-in-Chief, to acquaint you in anticipation of the orders of Field Marshal the Duke of Cambridge, that arrangements are being carried out by which in future all Sub-Lieutenants of regiments serving in India, who have not been qualified at Sandhurst, will undergo the course of instruction detailed in paragraph 31, Section II of the Regulations, issued with Horse Guards' G. O., No. 35 of 1873, in this country, instead of at the Royal Military College, Sandhurst.

"2. The course of instruction in India for Sub-Lieutenants will commence in Bengal on the 1st October, and in Madras and Bombay on the 15th June each year, and will extend over a period of eight months. The Synopsis of the Sandhurst Course will be forwarded for your information as soon as it is ready; it will be carried out (with a few unimportant exceptions) in the course of instruction in India.

"3. His Excellency desires me to call your particular attention to the provisions of the "Regulations," affecting Sub-Lieutenants, as laid down in paragraphs 30 to 35A, which he wishes to be explained thoroughly to all Sub-Lieutenants upon their joining the head-quarters of their regiments; and he has given this early intimation of the alteration, affecting these young officers in India, in order that no time may be lost in arranging for their regimental instruction; so that there may be no unnecessary delay in their becoming qualified in the subjects prescribed in paragraph 24, without which they will not be permitted to leave their regiments.

"4. His Excellency, I am desired to add, wishes to leave commanding officers quite unfettered as to the period during which Sub-Lieutenants should be under regimental instruction. It is probable that young officers will join with different degrees of acquirement, and that some will master the details of drill and regimental duties in a few months, while it would take others a year to acquire a fair standard of qualifications.

"Every effort should, however, be made in the interest of the Sub-Lieutenants, as well as of the regiment to which they belong, to prepare as many as possible to enter upon the eight months' course by the dates above-mentioned.

"5. As the climate of India will only permit of one course being held annually, it will be seen that those who have not attained the necessary regimental qualification by the dates fixed, will be obliged to wait for an entire year before another opportunity will occur of joining the course.

"6. Under these circumstances, every advantage should be taken of the drill season to push forward the instruction of young officers in subject 2, paragraph 24; while in the hot weather more Sub-Lieutenants join towards the end of the cold weather, in whose case the greatest difficulty will be found, in Infantry Regiments at least a good deal of practice in drill could be given in-doors or under cover, while as regards instruction in rifle drill and practice, His Excellency is of opinion that there is nothing to prevent the training of a few young officers at a time being carried out at any period of the year, advantage being taken in the hot weather of the very early mornings, while a squad of 5 can always be made up by men firing blank for the platoon and skirmishing practice.

"7. Some doubts having been expressed as to the precise interpretation of paragraph 34 of the "Regulations," I am directed to inform you that the antedate therein specified will date backward from two years subsequent to the date of the original commission as Sub-Lieutenants, and no commission as Lieutenant will be granted until the officer has served two years as Sub-Lieutenant.

"It will be seen, therefore, that the ultimate date of an officer's commission as Lieutenant, is in no way affected by any delay that may unavoidably occur in his joining a course of instruction, although such delay will in some cases necessarily defer his name appearing in the Gazette.

"It is with the view of obviating as far as possible the disadvantage, both to the officers themselves, as well as to the regiment to which they belong, by any unnecessary delay in their qualifying for promotion, that His Excellency has desired me to impress upon you the importance of arranging for the regimental instruction of Sub-Lieutenants, so as to ensure as many as possible being in a position to join the annual courses of instruction on the dates fixed for their opening.

"I have, &c.,

(Signed) "FRED. THESIGER, Major General,

"Adjutant-General."

34. Sub-Lieutenants belonging to regiments in Bengal,* which are in orders to embark for England, on or before 1st January, will not be sent to join the long course commencing on the previous 1st October without special permission.

35. All Sub-Lieutenants, whose regiments may cease to belong to the Indian Establishment, while they are attending a course of instruction, may be detained in India until the close of the final examination, when they will be ordered to proceed at once to Bombay, and report themselves to the Brigade-Major, in order that they may be sent to rejoin their regiments without delay.

Whenever in the opinion of the Chief Instructor any officer so detained is unlikely to pass the final examination, either through want of application or owing to ill health, a special report is to be made to Army Head Quarters in sufficient time for such officer to be ordered home, before the conclusion of the Trooping season.

36. Any Sub-Lieutenant, who may arrive in India within two months after the commencement of the annual long course, provided he is in possession of the necessary certificate from his commanding officer, may be permitted upon his own application to join a class for the unexpired portion of such course, on the distinct understanding that, as regards the classification after the final examination, he will be considered on the same footing in all respects as those officers who have had the opportunity of attending the whole course.

37. The case of any Sub-Lieutenant, who may be transferred to a regiment serving out of India, while attending the course, will be referred to the Adjutant General for disposal under the orders of Government, but no exchange to a regiment out of India will be permitted while a Sub-Lieutenant is attending the course.

* Madras.

38. All Sub-Lieutenants ordered to attend the long course will be entitled to travel at the public expense once, to and from the Centres of Instruction; and those belonging to Cavalry regiments will be allowed conveyance for their chargers, provided the distance they have to travel is upwards of 200 miles. If under that distance they will arrange for their horses to travel by road.

39. Upon arrival at the Centre of Instruction, Sub-Lieutenants order to join the course will at once report themselves to the Chief Instructor, who will arrange, if necessary, for their being attached to regiments.

40. Unfurnished Quarters will be provided as far as practicable by Government, each officer being charged a monthly rent not exceeding Rs. 20, while attending the course; and no officer will be allowed to provide himself with quarters as long as any of those rented by Government remain unoccupied. Preference will always be given, in the occupation of Government quarters, to those officers whose regiments are not quartered at the station.

41. The regulations laid down in Section IV, Chapter XI of the Public Works Department Code, 3rd edition, with regard to the occupation of public quarters, will be binding upon all officers accommodated in houses rented by Government.

42. In order to avoid interruption to the course of study, it is to be distinctly understood that Sub-Lieutenants attending the classes are to be placed at the entire disposal of the Chief Instructor, and they are not to be ordered to attend any parade or duty whatever, except with his consent.

On all occasions of muster parade they will be returned "on duty."

43. All Sub-Lieutenants attending the course are placed under the immediate command of the Chief Instructor, who is responsible not only for their instruction, but also for their conduct and discipline while under his orders.

This responsibility in the case of officers belonging to regiments at the Centre of Instruction, or who may be attached to such regiments for discipline, will only extend over the period they are actually under instruction in the Lecture Halls, the practice ground or the riding school; but it is to be clearly understood that the entire time of the Sub-Lieutenants attending the course is at the disposal of the Chief Instructor; who has full authority to order their attendance at any time he may consider it advisable to do so.

Sub-Lieutenants will be liable to be remanded to their regiments by the General officer commanding the division on report of the Chief Instructor, or of the officer commanding the regiment to which they may be attached, through the Chief Instructor, for moral or physical unfitness, misconduct, continued carelessness and inattention while under instruction, or if they fail to pass a preliminary examination at the end of four months. The case of any officer so remanded to his regiment is to be at once reported to the Adjutant-General, Simla; but in Madras and Bombay the report is to be made through the Commander-in-Chief of the Presidency.

44. A report upon the conduct of each Sub-Lieutenant while attending the course, will be drawn up after the final examination by the Chief Instructor, and also by the commanding officer of the regiment to which any Sub-Lieutenant may have been attached, which reports will be transmitted with the examination papers and will be taken into account in the classification for determining the dates of their commissions as Lieutenant, under para. 31, Sec. 4, "Queen's Regulations," 1873.

In drawing up these reports commanding officers will detail any instance of misconduct or breach of discipline, that they may consider to have called for official notice during the period the officer has been attached to their regiments, but the conduct and application of officers so attached, while actually attending in the Lecture Halls or on the practice ground, will be reported upon by the Chief Instructor. The substance of these reports will be communicated by the Chief Instructor to the commanding officer of the regiment to which each Sub-Lieutenant belongs.

45. All Sub-Lieutenants will be required to attend in the Lecture Halls, on the practice ground, or at the riding school with the same regularity as they would attend their own regimental parades, and no officer will be excused attendance on the ground of illness except regularly placed on the sick list.

Every instance of absence from study will be noted in the monthly report, with a clear explanation of the cause of such absence.

46. Chief Instructors and officers commanding regiments are responsible that the orders of the Army, regarding the regular attendance of officers at Divine Service are observed by all Sub-Lieutenants under their command.

47. Thursday in each week, being the day fixed for the Brigade holiday throughout India, any Sub-Lieutenant who has made sufficient progress in the course may, at the discretion of the Chief Instructor, be excused attendance on that day, but it is expected that officers will arrange their amusements and business, so as to avoid asking for leave on any other day of the week.

In the event of its being at any time considered advisable the weekly holiday can be given on any other day in lieu of Thursday.

48. Chief Instructors have authority to arrange for a suspension of study, for any period not exceeding ten days, for any officer whom they may consider sufficiently advanced in his studies, and at any time during the course that they may consider most convenient; but no other leave involving absence from any part of the course of instruction for more than 3 days will be given except in cases of extreme urgency, and then only on the authority of the General officer commanding the division.

Whenever any such leave shall have been granted, a full statement of the circumstances will be entered in the monthly report.

His Excellency the Commander-in-Chief desires that as a general rule, and subject to the exigencies of the service, commanding officers of British regiments will arrange that upon the recommendation of Chief Instructors, all Sub-Lieutenants who have gone through the course satisfactorily may be granted two months' privilege leave, commencing after the final examination.

49. Whenever in the judgment of the General officer commanding the division, the Sub-Lieutenants under instruction can conveniently attend the messes of British regiments at the station, they shall be attached in fair proportions to such regiments for discipline.

A contribution, at the rate of rupees ten per month for each officer, will be made by Government to the Mess fund of the regiment to which he is attached while attending the course.

50. Since, however, the only houses available for Lecture Halls and residences, at most of the centres are situated at such considerable distances from the messes of British regiments, that it would be inconvenient and in many instances impossible, for Sub-Lieutenants to join these messes, Chief Instructors will arrange in such cases for the establishment of a mess for those officers who do not belong to corps at the station, as well as for others attending the course, who may have permission from their commanding officers or from the Chief Instructor to join it.

In no case, however, shall any Sub-Lieutenant, belonging to a regiment quartered at the station, be required to leave his own in order to join the Garrison Instruction mess, but any such Sub-Lieutenant may join it with the consent of his commanding officer.

Sub-Lieutenants belonging to regiments at the station, for whom no mess subscription is paid by Government, and who may desire to make partial use of the mess, may be considered honorary members and will be liable to a contribution not exceeding 2 Rs. a month, at the discretion of the Chief Instructor, towards the general expense of the mess.

51. For the support of all Garrison Instruction messes so established, a contribution at the rate of Rs. 10 per month will be made by Government for each Sub-Lieutenant or officer of the Garrison Instruction Staff, who may be ordered to join it—vide para. 8.

All Sub-Lieutenants, while members of the Garrison Instruction messes are to continue the payment of the annual subscription to the mess of their regiments as laid down in para. 36, Section 7, Queen's Regulations 1873; but they are not chargeable with any share of the mess entertainments or mess expenses of their regiments while attending the course.

52. His Excellency the Commander-in-Chief desires to impress upon Chief Instructors, that upon the careful and personal supervision of these messes, both by themselves, and by their Assistants, will in a great measure depend the success of the system about to be introduced for the training of young officers in this country. Mess rules will be drawn up as far as possible in conformity with those adopted in British regiments, to be laid before the Director of Garrison Instruction, who will make a special report after the conclusion of his next tour of inspection, upon the mess arrangements and regulations proposed at each centre.

Chief Instructors will be held responsible by His Excellency in the same degree as commanding officers of regiments, that these messes are conducted upon a scale of expenditure, suited to the means of the young officers for whose benefit they are established; and that all extra subscriptions and unnecessary entertainments are systematically discouraged, both by the influence, as well as by the personal example, of themselves and their Assistants.

It will be the special duty of one of the Assistant Instructors to see that the mess accounts are properly kept and checked, and the punctual settlement on a fixed date, of all bills due to the mess must be rigidly enforced.

53. The Chief Instructor will be required to take immediate official notice of, and, if necessary, to bring before the General officer commanding the division, and the officer commanding his regiment, the case of any young officer who may in his judgment be habitually living beyond his means, or who may fail to discharge his mess bills on the date fixed for their settlement.

54. All Sub-Lieutenants, members of Garrison Instruction messes, will be required to attend in their mess uniform, and with the same regularity as they would attend the messes of their own regiments.

The Chief Instructor will be required to dine at mess as often as he may consider it necessary, in order to satisfy himself of the regularity of attendance on the part of the members, as well as of the practical working of the mess rules.

When the Assistant Instructors are unmarried, both will be required to join the mess. In any case one of them must be a dining member.

55. Before commencing the course, Chief Instructors will carefully explain to each Sub-Lieutenant the clauses of the "Regulations" issued with Horse Guards' G. O., No. 35 of 1873, ("Queen's Regulations," Sec. 4, paras. 28, 29, 30, 31 and 32), which relate to the tests of qualification and conditions for promotion to the rank of Lieutenant.

They will at the same time point out to each Sub-Lieutenant the consequences that will follow from any unfavorable report of his conduct while under instruction.

A printed synopsis of the Sub-Lieutenants' course will be furnished for the guidance of Chief Instructors, who will carry out the course of instruction in conformity with its provisions.

Owing to the varying conditions of seasons and climate, prevailing at the different stations throughout India, it is evidently impossible to lay down any precise rules as to the hours of attendance, or the period at which each subject should be taken up.

All such details will be arranged independently by Chief Instructors, subject to any modifications that may be ordered by the Director of Garrison Instruction on his annual tour of inspection. It will only be necessary to keep in view that the entire course, as contained in the synopsis, will have to be completed within the limit of eight months, and that as a general rule the theoretical part should be carried on as far as possible during the warm weather.

In order to avoid as far as possible exposure to the extreme heat, which prevails in the Bengal Presidency during the months of April and May, Chief Instructors should arrange that the course of Surveying and Reconnaissance may be completed by the middle of March. The final examination on these subjects, as regards the actual work done out of doors, and the preparation of the fair copy and report, will take place on 15th March under the direction of the Chief Instructor and his assistants.

56. The course of riding drill and Cavalry sword exercise, laid down in the synopsis, can be carried out efficiently in ordinary cases by means of about forty-five drills of an hour each, and Chief Instructors will arrange with the officer commanding the regiment of British Cavalry at the station, under the orders of the General officer commanding the division, all details connected with the riding drill.

As there is at present no regiment of British Cavalry quartered at Poona, His Excellency the Commander-in-Chief at Bombay will make the necessary arrangement for carrying out the riding drill at that station.

It will be found preferable to have the class of Sub-Lieutenants put through the course in about two or at most three months, rather than have the drills spread over a longer period.

The fee of Rs. 25 for each Sub-Lieutenant who goes through the course, or a proportionate sum, should he be unable to complete it from sickness or from duty, will be paid by Government to the Riding-master on the production of a certificate from the Chief Instructor, showing the Sub-Lieutenants, who have partially or entirely completed the riding drill during the eight months' course.

An allowance of Rs. 5 per month will be drawn by the officer commanding the regiment, for the pay of extra ayces on account of each troop horse ridden by the Sub-Lieutenants while at drill.

57. As the ground in the vicinity of the stations of Sealkote, Umballa and Lucknow is not well suited for the purpose of instruction in surveying, Chief Instructors may at their own discretion take their classes out for practice to the nearest available ground. Application should be made in the first instance to the General officer commanding the division for the use of a portion of the moveable column establishment for this purpose; but in the event of its not being available, Chief Instructors will be permitted to draw a sum not exceeding 10 rupees annually for each Sub-Lieutenant or other officer attending the course, for the purpose of defraying the cost of the transport of their baggage and camp equipage, and of their railway fares if ordered to move by railway.

58. The following text books will be used for the Sub-Lieutenant's course:—

Philip's Course of Artillery and Fortification.
Maisey's Text Book of Military Law (pending further orders.)
Clerly's Text Book of Tactics (when published).
Richard's Military Surveying.

The above books as well as the necessary drawing instruments and materials, together with stationery, will be provided by Sub-Lieutenants at their own expense.

59. Every Sub-Lieutenant will be required to bring with him all the military books which he is required by the regulations of the service to have in his possession.

Arrangements have been made for a stock of text books and drawing instruments being provided by Government, and kept at the office of each Chief Instructor, to be issued at cost price to Sub-Lieutenants on re-payment.

60. Government surveying instruments will be provided for the use of Sub-Lieutenants while under instruction, free of charge, but any damage done to them by carelessness or neglect will be made good at the expense of the officer in whose possession they may have been during the course.

61. The probationary examination of Sub-Lieutenants as specified in para. 31, will be carried out by the Chief Instructor, who will make a special report upon the case of any officer, who shall fail to obtain a reasonable standard of qualification, in order that he may be dealt with, under the provisions of para. 43.

62. The standard of qualification for the classification of officers at the close of the final examination, as ordered by para. 30, Sec. 4, "Queen's Regulations," 1873, will be decided upon from time to time by the Secretary of State for War, and announced to the Sub-Lieutenants at the commencement of their course.

63. Marks will be allotted to the subjects of the course as follows:—

Military Administration	...	...	300 marks.
Military Law	...	...	400 "
Elements of Tactics	...	...	600 "
Fortification	...	...	600 "
Military Topography and Reconnaissance	...	...	600 "
Total			2,500 "

64. The qualifying minimum of marks for the respective classes is at present fixed as follows:—

	Minimum required in each subject. of marks	Minimum required on aggregate. of marks.
1st Class	...	...
2nd "	...	...
3rd "	...	...

65. In Fortification and Military Topography one-fourth of the marks will be reserved for notes and drawings done during the course, which notes and drawings will be distinctly specified in the Synopsis, and the marks for the above part of the work will be allotted by Chief Instructors, subject to revision if necessary by the Examiners, and to the approval of the Director of Garrison Instruction.

For this purpose all such notes and drawings, (the number of marks allotted being distinctly noted on each and signed by the Chief Instructor), will be forwarded with the other examination papers at the end of the final examination.

66. The result of the examination of all Sub-Lieutenants attending the "long course" of Garrison Instruction in India will be determined by His Excellency the Commander-in-Chief, and will be transmitted to the Director-General of Military Education, War Office, for the information of the Secretary of State for War, and His Royal Highness the Field Marshal Commanding-in-Chief.

67. The courses of instruction for officers under heading (b) and (c) in para. 2, and the directions for forming the classes for the "short course," will found fully detailed in G. O.,* Nos. 908 and 909 of 22nd August 1873, (G. O.,* No. 275 of 1873.)

The following extracts are re-printed here for convenient reference:

"About one month before the date fixed for the commencement of each course, General officers commanding divisions and districts will order the commanding officer of each regiment of Native Cavalry or Infantry in their command, to submit the name of one officer to attend the next course of instruction.

"These names are to be sent in without any reference to the number of officers present or available for duty, but commanding officers are at liberty to make any representations they may desire upon this point. Garrison Instructors will at the same time intimate the probable number of officers of the Indian Army they can receive from each division or district comprised in their circle, and it will then rest with the General officers to decide what officers are to be ordered to join the classes, after taking into consideration the number present for duty; and any representations that may be made by commanding officers of regiments.

"The names of officers thus elected to join the classes should be sent direct, and without delay, to the Garrison Instructor of the centre, and they should be ordered to join at the public expense, at least one week before commencement of the course.

"Applications to join a course of instruction from Staff Officers or those doing general duty, should be submitted to the General officers under whom they may be serving, at the same time that names are sent in from regiments.

"His Excellency the Commander-in-Chief directs, that every facility consistent with the maintenance of the efficiency of regiments and departments, may be given to such officers as wish to join the classes; and he looks to General officers commanding divisions and districts to satisfy themselves that due advantage is taken by officers in their command, of the means of instruction now placed at their disposal.

"All officers undergoing instruction will be returned "on duty, and arrangements will be made regimentally for the performance of their duties while absent, as provided for in G. O.,† No. 113 of 1872 (quoted below for easy reference); they will be permitted to travel once to and from the centres of instruction at the public expense, either for the purpose of attending the course or going up for examination, but in the event of an officer failing to pass he will not be allowed to travel at the public expense on a subsequent occasion."

* Madras G. O. G., 29th August 1873, No. 223, pages 175 and 179.

† G. O., No. 113 of 1872.

"The Commander-in-Chief is pleased to notify that the Government have ruled, that when officers holding regimental staff appointments leave their corps to attend a course of instruction in army telegraphy or garrison

instruction, the arrangements for the performance of their regimental duties should be the same as if they were proceeding on privilege leave, when this can be done to the satisfaction of their commanding officers.

"All Infantry officers of the Indian Armies who are subject to examination under the present order, and those who may hereafter enter the Staff Corps under the provisions of paras. 2 and 3, Section I, will be required as a general rule to go through a course of equitation under the riding-master of a regiment of British Cavalry or of a Brigade of Artillery.

"In order, however, to avoid the frequent absence of officers from their regiments, this rule will for the present, only be enforced in the case of officers who are, or may be quartered at stations, where the services of a riding-master are available.

"Officers, who go through the course of equitation, will be furnished with a certificate to that effect from the officer commanding the regiment of Cavalry, under whom they may have been instructed.

"In the case of officers who may not have had an opportunity of attending a riding school up to the period of their going up for Part II of either of the above examinations as set forth in para. 15, a certificate will be furnished to the above effect by the officers commanding their regiments.

"The course of equitation will be carried out in conformity with the provisions of G. O.,(b) No. 135 of 1873.

"All Field Officers at the date of this order, who may be desirous of qualifying for staff employment under para. 8, Section II, will be exempted from going through the course of equitation, but they will be called upon to furnish a certificate from the commanding officer of a regiment of Cavalry or brigade of Artillery, that they are sufficiently good horsemen to perform efficiently the duty of Staff officers in the field.

"The examination in the subjects included in para. 1, Examination B, may be carried out at any convenient time at the head-quarters of divisions or districts by the General officer in command, by a duly qualified officer, not belonging to the candidate's regiment selected by him to hold it, or by a board assembled for the purpose; and the present order will be sufficient authority to officers commanding divisions and districts to carry out such examination and to decide upon the result.

"If the candidate pass satisfactorily, the examining officer will grant him a certificate to that effect.

"The remaining portion of examination of Captains and Lieutenants, and of Field Officers, candidates for the higher staff appointments as specified in Part II of Examination A and B, will be carried out by means of sealed printed questions by the boards assembled twice a year at each of the Centres of Garrison Instruction throughout India.

"After the 1st January 1875 no officer, except by special permission, will be permitted to leave his regiment either to attend a course of garrison instruction, or to present himself for Part II of the above examinations, until he shall have passed that portion held in the field as specified in paras. 13 and 14, Section III."

68. Brigade Majors will be allowed leave for the period required for undergoing the above courses, receiving as usual half staff allowance during such absence, the said period not being reckoned against service for pension or as part of the fixed period of tenure of their appointment, and being granted only once to each officer on these terms (Government Letter, Military Department, No. 59 of 2nd January 1874.) The above ruling will be applicable to all officers holding Military Staff appointments who may be recommended to join a course of instruction.

69. With reference to paras. 5 and 7, G. O.,(c) No. 908 of 1873 (G. O.,(d) No. 275,) by which all Captains who attained that rank before the 22nd August 1873, are exempted from further examination provided they are approved by the Commander-in-Chief, as having shown themselves qualified for higher appointments, it is notified for the information of the officers concerned, that the test of qualification for their advancement to higher appointments, will be a good report from their immediate commanding officer, and favorable mention in the annual inspection report, as to their conduct and ability in the performance of the duties entrusted to them, and as to their fitness in every respect for a higher position. Those officers whose military ability and professional knowledge are unfavorably brought to notice will be required to pass in Part I of Examination B, before they will be permitted to hold any higher appointment, and instructions to that effect will in such cases be communicated to them. (G. O.,(d) No. 321 of 1873.) It will be seen that the foregoing order in no way affects the ruling in G. O.,(c) No. 908 of 1873, by which no Captain in the Staff Corps or Indian Army, who attained that rank on or after the 22nd August 1873, is qualified to hold the command of a regiment or any of the staff appointments specified in para. 8, Section II of that Order, until he shall have passed Examination B.

70. Lieutenants of British regiments, who are liable to the examination specified under heading (c) para. 2, have the option either of attending the short course of instruction, or presenting themselves for examination without having attended a course if they consider themselves qualified to do so. But no such officer will be permitted to leave his regiment either to attend the "short course" or to present himself for examination at a Centre of Instruction until he shall have qualified in subjects (1), (2), and (3). In the subject of Military Law, pending further orders. Colonel Maisey's work will be the text book for all officers of the British service, and the examination papers will be set from it alone.

The examination of all Lieutenants of British regiments in subjects (a), (b), and (c), para. 33, Section 4, Queen's Regulations, 1873, will be carried out by boards of examination assembled at the stations where the candidate's regiment may be quartered, under the orders of the General officer commanding the division.

These boards, whenever practicable, should be composed entirely of officers of the British service, and of the same branch as the candidate, and no officer of the candidate's regiment should be detailed as a member.

The boards will conduct the examinations under instructions from the General officer commanding the division, and in conformity with the latter part of para. 54, Section 4, Queen's regulations.

The report of the board on W. O. Form 263, will be submitted in the first instance to the General officer commanding the division, who after having expressed his concurrence or otherwise with its decision, will forward the proceedings for confirmation and record to Army Head Quarters.

It will be observed that the examination of Lieutenants for the rank of Captain will be carried out in India, in precisely the same manner as laid down in the Queen's Regulations, except that the qualification of candidates to subjects (d), (e), (f), and (g), will be tested by the Boards of Examination, held twice a year at all the Centres of Garrison Instruction throughout India, instead of in the manner laid down in the first part of para. 54, Section 4, Queen's Regulations.

71. Whenever Captains of British regiments desire to join the short course for the purpose of preparing themselves for examination on the tests of qualification for the rank of Major, they may be permitted to do so whenever their services can be spared from regimental duty, or they can (if they consider themselves qualified) apply to be examined without having attended a course of instruction. The examination of Captains of British regiments in the subjects under the heading "In the Field," para. 37, Section 4, Queen's Regulations, will be carried out by General officers commanding divisions in conformity with the provisions of para. 61, Section 4, Queen's Regulations, a copy of the certificate being forwarded for record to Army Head Quarters.

The remaining part of the examination will be carried out by means of sealed printed questions by the Boards of Examination, held twice a year at all the Centres of Garrison Instruction throughout India, instead of in the manner specified in para. 62, Section 4, Queen's Regulations.

But no Captain will be permitted either to attend the short course or to present himself for examination at the Centre of Instruction, until he shall have passed that portion of the test under the heading "In the field."

The following explanatory memorandum has been drawn up for the guidance of officers preparing for the above examination.

The candidate will be furnished with a contoured map or sketch of ground similar to those used for the War Game, upon which he will be required to delineate and explain the disposition of a combined force of the "three arms" under given conditions.—

1st.—As an advance or rear-guard.

2nd.—On outposts.

3rd.—For the attack or defence of a small position.

Questions will also be put upon the principles of combining the movements of the three arms for mutual support.

In order to pass this examination it will be seen that the candidate must have acquired a thorough knowledge of reading a military map or plan, and especially the relative heights of various points as shown by the contour lines, and he must also have studied the whole subject of elementary tactics as specified in the synopsis for the Sub-Lieutenant's course.

The knowledge of the candidate will also be tested in the following subjects connected with the duties of officers in temporary command of a battalion, of a half battalion detached from headquarters or of any other detachment.

I. Regimental orderly-room work and correspondence :—

a.—Disposition of all ordinary cases that come before the commanding officer in the orderly room, including offences, claims, complaints, and applications and references from officers, soldiers, and native followers.

b.—Examination and checking the following daily reports, viz :—

Report of Captain of the day.

Subaltern of the day.

Guard Report.

Sick Report.

Company States.

c.—General knowledge of the mode of compiling and of the information contained in the Weekly Duty State, the Regimental Monthly Return (W. O. Form 712 and Q. R., Section 22, paras. 26 to 31), and the Depot Monthly Return (W. O. Form 729, Q. R., Section 18, para. 15).

d.—General knowledge of the method of keeping, and of the information to be recorded in the Regimental Books specified in Q. R., Section 23, para. 1, heading (a) and paras. 6 to 54.

e.—Enlistment, reception or rejection of recruits at the head-quarters of a regiment (Q. R., Section 19, paras. 7 to 21.) Re-engagement (Q. R., Section 19, Clause II.) Transfers (Q. R., Section 7, Clause X.)

f.—Discharge of soldiers (Instructions for the preparation of discharge documents of British Troops, published annually in G. O. C. C.)

g.—Duties and position with respect to each other of regimental combatant officers, Paymasters, Quartermasters and Medical officers, (Q. R., Section 7, Clause I, paras. 1 to 16, and paras. 24, 25 and 26; Section 14, Clause II, Section 6, Clause II, para. 53).

II. The proper forms for demanding, and sources of supply of ammunition, food, forage, &c., as treated of in the * * * Code of Regulations for the Army of the Bengal* Presidency, viz :—

* * *

Officers are not expected to remember forms or tabular statements connected with the subjects upon which they are examined, but they must be prepared to correct mistakes or to make entries, under given conditions.

72. All officers who wish to be examined in the tests specified under the headings (b), (c), and (d), para. 2, without having previously gone through a course, must make application to that effect at least six weeks previous to the date fixed for the conclusion of each course, to the Chief Instructor or Garrison Instructor in charge of the Circle in which they may be serving, in order that printed examination papers may be provided in time.

73. Every officer attending classes from the out-station of the Circle, for the purpose of going through the short course, or who may be directed to attend any examination without having gone through a course will be entitled to travel at the public expense once to and from the stations where they may be quartered, but in the event of any such officer failing to pass the examination, no such privilege will be granted on a subsequent occasion, either for the purpose of attending another course or for re-examination.

74. Whenever it may be necessary to remand an officer to his regiment under the circumstances detailed in the first clause of para. 24, he will be required to defray the cost of his return passage.

75. Officers commanding regiments will satisfy themselves that officers are entitled to travel at Government expense as above, before applying for their passage warrants.

76. No officer attending the short course will be entitled to conveyance for his horse at the public expense.

77. In future no class for the short course will consist of more than twelve officers without the special sanction of the Director of Garrison Instruction.

78. When a regiment is in orders to move, in the annual relief, the officers selected for instruction will attend whatever course may commence in the Circle in which they are stationed, previous to the date fixed for the march, and they will rejoin their regiments at their new stations at the public expense.

But in the case of a British regiment ordered home, no officer (except as specified in para. 34) will be detailed to undergo a course of instruction, unless its conclusion will take place in time for him to rejoin his regiment before it commences its march to the port of embarkation.

79. All officers attending the short course will be under the orders of the Chief Instructor or Garrison Instructor in charge of the Centre, and they will be required to attend in the Lecture Halls with the same regularity as at their regimental parades.

They will be exempted from all parades and duties, whilst attending the course, and no leave of absence beyond three days will be granted except under the most urgent circumstances, and then only on the authority of the General officer commanding the division.

80. Officers attending the short course at stations, where a mess is established for Sub-Lieutenants, may be permitted to join such mess, with the consent of the Chief Instructor, and for every such officer a contribution at the rate of Rupees 10 per month, will be made by Government towards the support of the mess while he may continue a member.

81. Messes may also be established at any Centre of Instruction, when it may be considered advisable by His Excellency the Commander-in-Chief, and a similar contribution will be made by Government towards their support for each member attending them during the course.

82. Every facility will be given at the Centres of Instruction to any officer who may desire to be instructed in any particular subject without attending the course, or who may wish to prepare themselves for entrance to the Staff College, but it is to be clearly understood that they must devote their spare time to this purpose, and that they will not have any claim to be struck off duty, or to leave their stations except for the purpose of going through the regular short course of four months.

83. Every instance of absence from the Lecture Halls, whether caused by illness or leave, will be carefully noted with full explanation of the cause, in the monthly report transmitted to Army Head Quarters.

84. Officers attending the short course will be furnished by Government with the use of Surveying instruments, but all text books and drawing materials will be provided by officers at their own expense.

85. Whenever practicable, a supply of the undermentioned text books and drawing materials will be provided at the Centre of Instruction to be issued on re-payment for the convenience of officers attending the course:—

Manual of Field Fortification (published by authority.)
Richards' Military Surveying.
Maisey's Text Book of Military Law.
Wolsley's Soldiers' Pocket Book for Field Service.
Clery's Text Book of Tactics (when published.)
Drawing Paper.
Small cases of Instruments.
Marquois Scales.
Protractors.
Sketching case or block.
Small box of colors.
Pens and pencils.

86. For, and after the course commencing on the 1st October next, marks will be allotted to the subjects of the short course as follows:—

Military Law	...	...	400 marks.
Elements of Tactics	...	...	600 "
Fortification	...	...	600 "
Military Topography and Reconnaissance	...	...	600 "
Total	...	2,200	"

And the minimum for qualification is fixed at one-half the above in each subject.

87. In consequence of the alterations rendered necessary by the introduction of the long course for Sub-Lieutenants, the Centres of Instruction at Mount Abo, Peshawar, Agra, and Dum-Dum will be abolished, and the following re-arrangement of Centres will have effect in lieu of that published in G. 89. Surveying instruments are furnished by Government for the use of officers attending the classes, who will be responsible for any damage done to them.

In the event of any surveying instruments becoming unserviceable, either through accident or fair wear and tear, they are to be sent for repair by bhangy dak post paid to the Officer in charge of the Mathematical Instrument Department of the Surveyor-General's Office, Calcutta, accompanied by an official letter from the Garrison Instructor sending them.

All instruments received from the Ordnance Department will be accounted for by Garrison Instructors, according to the regulations of that department.

90. Application should be made to the Adjutant-General at each Presidency, for the annual Mutiny Act, the Queen's Regulations and Field Exercise book, and the Quarterly Army List; the other books specified under the heading III, will be forwarded under the orders of the Director-General of Garrison Instruction.

Books.

91. All the maps and drawings specified under heading IV, can be had on requisition to the Surveyor-General of India direct from centres of instruction throughout India. The examples of Military Drawings can be renewed when required.

92. Under no circumstances will any charge be admitted against the State for extra furniture for Lecture Halls or Messes, not for the provision or working of tatties, thermantidotes, or punkabs during the hot weather.

93. Stationery and drawing materials, as specified under heading VI, can be obtained on annual indent from the Superintendent of Stationery, Calcutta,* by Garrison Instructors throughout India, upon the regular printed form of Indent, which should be previously applied for.

All indents should be posted so as to reach Calcutta* not later than the 1st May in each year, and they will be complied with during that month.

Upon the receipt of this order, Chief Instructors and Garrison Instructors will submit supplementary indents (if necessary) for the proportion of articles required up to the 1st May 1875, on the scale contained under heading VI, and taking into consideration the balance of stores they may have in hand when submitting the supplementary indent.

On and after the 1st May 1875, the regular annual supply will be indented for in advance.

94. The petty stores and repairs to be provided from local sources will be found detailed in para. 7. Chief Instructors will explain personally to the Executive Engineer of Military Works, at the station, or the Executive Officer of the department of supply, the description of spars required for bridging, many of those already provided being totally unsuited for the purpose.

In the event of any spars, tackle, implements or tools being rendered totally unserviceable, either through accident or from fair wear and tear, a survey and report must in all cases be held upon them, with a view to their replacement in conformity with the rules in force in the department from which they were supplied.

The Inspector-General of Ordnance and Magazines has ruled that any rope found unserviceable can be replaced, on the recommendation of a competent board, provided that due supervision has been exercised in its use and care.

The authorized supply of old rope for practice in knotting and splicing, can be taken from the quantity so condemned, the balance (if any) being disposed of according to the regulations of the Ordnance Department. In the Madras and Bombay Presidencies the stores specified under heading VII, will be demanded from the Ordnance Department, if that source of supply should be preferred by the local Government.

Sand bags are only to be used for the purpose of explaining the mode of revetting with them, and they are never to be permanently built into a revetment or exposed to the ravages of white ants.

The gunpowder for mining and demolition will be stored in the magazine of one of the Infantry regiments at the station. In practising with shell fougasses, a blowing charge of 3 oz. only will be used in each shell, which will be sufficient to show the action of the full charge without bursting the shell.

Sappers and Miners.

95. Parties of Sappers of the following strength, will be attached to all Centres of Instruction:—

To centers under Chief Instructor
To all other centres

1 Havildar or Naïque and 5 Privates.
1 Naïque, 2 Privates.

The party of Sappers will be employed in the construction of gabions, fascines, revetments, construction and repairs of field works, obstacles, &c., under the orders of the Chief Instructor or Garrison Instructor in charge of the centre.

They will also take charge, on the responsibility of the officer under whom they are serving, of all the tools, implements, and stores issued for the use of the classes.

The detachment of Sappers will, as a general rule, be relieved annually if considered advisable by the officer commanding Sappers and Miners, but the relieving party must in all cases join the Centre of Instruction before the former party leaves.

Officers in charge of Centers of Instruction will take measures in communication with the officer commanding Sappers and Miners for the settlement of the regimental and working pay due to the men under the regulations of the corps, and on their leaving the station at the conclusion of the course, they will arrange for the party of Sappers being attached for discipline to one of the Native Infantry regiments at the station.

96. A party from the British regiments at the centre will be detailed when required, or whenever it may be considered advisable by the General officer commanding the division or brigade, for the purpose of assisting in the construction of field works.

Soldiers so employed will not be considered as working or fatigue parties, but as sent for instruction and practice in this part of their duty; and Garrison Instructors will in all such cases explain to the non-commissioned officers and men the nature and object of the works, in the construction of which they may be called upon to assist.

97. Small Libraries of reference have been established for the use of the officers attending the classes at each Centre of Garrison Instruction throughout India, and they will be kept supplied from time to time with such standard military works as may be selected by the Director of Military Education, War Office.

The following extracts from War Office Circular of 1st July 1872, Clause 117, modified to suit India, are published for guidance:—

The Chief Instructor, or Garrison Instructor in charge of a centre, will be responsible for the Library, and the pay of a Librarian, if found necessary, will be defrayed from his office allowance.

Chief Instructors and Garrison Instructors will at their discretion allow books to be taken out and kept for a convenient time by officers of the Garrison, who will enter in a book kept for the purpose their own names, the name and number of the work, and the date on which it was taken out.

If any book be lost or damaged, the officer in whose name it was taken out will be called upon by the Garrison Instructor to replace it at once.

Should any difficulty arise in this matter, it will be referred to the General officer commanding the division, and a full report will be made to the Director of Garrison Instruction.

The Chief Instructor or Garrison Instructor in charge can, at any time, call in any book that may be required, either for his own use or for that of any member of his class.

All books will be called in and inspected about the 1st January every year, and a report will be sent not later than 1st February to the Director of Garrison Instruction, that this order has been carried out, with a list of deficiencies if any, and a report upon the condition of the books, together with any suggestions that may seem to be called for.

The Director of Garrison Instruction will inspect the several Libraries, during his tour of inspection, when all books worn out by fair wear, will be brought to his notice.

INVALIDING MEDICAL BOARDS.

G. O. C. C., No. 99 of 23rd October 1874.—Officers commanding divisions and districts will be pleased to assemble Invaliding Boards at stations within their respective commands occupied by European Troops, to examine all men whom it is proposed to invalid. The Deputy Surgeon-General, British Forces, or the Superintending Surgeon-Major of the Circle will invariably sit as President.

2. Medical Boards, when invaliding men who have been enlisted in India and are not desirous of leaving the country, will refrain from recommending them to be sent to England. (See G. O. C. C., 21st December 1869, No. 167.)

3. Invaliding medical boards will assemble at all stations in the command between 10th December 1874 and 10th January 1875. At Wellington depot they will assemble for a second time not later than 15th January 1875.

The exact dates are to be fixed by officers commanding divisions and districts, in communication with the Administrative Medical Officer, British Forces, of the Circle, and should be made to correspond with the instructions for movement and embarkation received from the Quartermaster-General.

4. The divisional and district military and medical authorities will arrange for the examination of men on detachment, or of corps at out-stations.

5. Officers commanding detachments and convalescent and other depôts will place themselves in direct communication with the officers commanding the regiments of such men as may be invalided, with a view to ensure accuracy in their documents and accounts. This must be done in good time, with a view to all claims and other matters being settled before the men leave the depôts, and the places at the which the detachments may be stationed, for the port of embarkation. The rule directing the settlement of all claims before the men leave their regiments applies equally to invalids from depôts and detachments.

6. W. O. Form 821A (for India only), "Return of Invalids," will in future be employed in the preparation of all nominal returns of invalids.

7. Medical officers in charge of corps and batteries, and of convalescent depôts will prepare this Return in duplicate, to be signed by the commanding officer and surgeon, and afterwards countersigned by the officer commanding the station and the Deputy Surgeon-General or Superintending Surgeon-Major of the Circle.

One copy of the Return of Invalids, W. O. Form 821A (for India only) will be handed over to the medical officer proceeding in charge of the invalids to Deolalee. He will be careful to enter in this nominal list any changes that have occurred during the journey. This copy of the Return of Invalids will be delivered to the medical officer of the Deolalee depot and by him retained as a record as long as it may be considered necessary.

The duplicate copy will be transferred by the President of the Invaliding Board through the Military Authorities to the regimental or depot commanding officers for their information, and for

despatch by post to Deolalee, as directed in the Discharge Order. This copy of the Return of Invalids will be retained by the Commandant of the depot until the close of the troopng season, and afterwards transferred to the Surgeon-General, Bombay, for record in his office.

In the case of Invalids from Burmah the duplicate copy of W. O. Form 821A will be sent by post to the Commandant, Poonamallee Depot, with the other discharge documents.

In addition to the above, any Station Return of Invalids will be unnecessary.

*8. The Commandant at Deolalee will cause a continuous Nominal Roll of Invalids, in duplicate, on W. O. Form 821A, (for India only) to be made out for each troop-ship, corrected up to the latest moment. This Roll, in duplicate, will be entrusted to the medical officer proceeding in charge of the troop-ship, for delivery to the principal medical officer at Netley, when the invalids reach that place. This duplicate Roll is the only nominal list of invalids which is required to be sent to England from this country.

9. The Detailed Medical History, W. O. Form 891, of every man invalided to England, will be made out by the regimental medical officer in duplicate and will be submitted to the Station Invaliding Board, who will ascertain that the information under each heading is complete, and will countersign the form.

One copy, together with the Medical History Sheet, will be handed to the medical officer proceeding in charge of the party to Deolalee, for transfer to the medical officer of the depot. These documents will be afterwards entrusted to the medical officer proceeding to England in charge of the troop-ship, and will finally be handed over by him to the principal medical officer at Netley, along with the troop-ship Nominal Rolls alluded to in para. 8.

The duplicate copy, when signed by the board, will also be signed by the Deputy Surgeon-General or Superintending Surgeon-Major, presiding in his capacity as principal medical officer of the division or district. This copy will then be transferred, through the military authorities, to officers commanding corps, and will be attached to the "Proceedings of Regimental Boards," (W. O. Form 83)—in accordance with Queen's Regulations, 1873, Section 20, para. 35.

In the case of invalids who are eligible under the regulations, and who may elect to proceed to the colonies or to remain in India, one copy only of the Detailed Medical History will be required for each man. This copy, signed by the board, and by the Deputy Surgeon-General or Superintending Surgeon-Major of the Circle, will be forwarded, together with the man's Medical History Sheet, through the military authorities to officers commanding regiments, to be transmitted with the proceedings of Regimental Boards, &c., to the Adjutant-General's Office at Fort St. George.

10. The number of invalids, whom it may be proposed to bring before the annual invaliding committee from head-quarters of corps and from detachments, will be intimated to the Surgeon-General, Fort St. George, by the medical officers in charge. The numbers to be invalided from convalescent depôts, shown under each separate corps, will in like manner be communicated by the medical officers in charge of those depôts to the Surgeon-General, in order that the necessary invaliding forms may be sent to them direct.

11. The administrative medical officers presiding over divisional or district boards will be furnished with the general and other necessary returns, on application being made as directed above.

12. Further instructions for the guidance of divisional invaliding boards will be issued by the Surgeon-General, British Medical Service.

13. As soon as invaliding medical boards have completed their sittings, the administrative medical officer of the circle will prepare, in duplicate, a numerical return of the invalids, which he will forward to the general officer commanding the division or district, for early transmission to the Quartermaster General of the Army, Fort St. George. Forms of this return will be supplied from the Surgeon-General's Office, Fort St. George.

14. Invalids who are seriously ill will be detained at Deolalee until the sailing of the last troop-ship, and if the medical authorities then consider it absolutely necessary that they should proceed to England by the Cape route, His Excellency the Commander-in-Chief of the Bombay Presidency will order passages in private vessels to be provided for them.

15. The instructions contained in the Annual Discharge Order are to be followed, so far as they apply to invalids; any subsidiary orders necessary in furtherance of the foregoing arrangements being issued by General Officers commanding divisions and districts.

CLOTHING.

G. O. C. C., No. 101 of 29th October 1874.—The Commander-in-Chief is pleased to notify that the Government of India sanctions the issue of tartan or serge trousers instead of cloth to the schoolmasters of European Infantry regiments in the year in which they receive frocks, together with compensation for the difference in value between cloth and serge.

DISCHARGE DOCUMENTS.

G. O. C. C., No. 105 of 5th November 1874.—The following General Orders by His Excellency the Commander-in-Chief in India, are re-published:—

Simla, 3rd October 1874.

1. The following instructions regarding the discharge of soldiers of the British Forces, and the preparation of their discharge documents, are published for information and guidance in the approaching discharge season. A copy will be placed before all Discharge Boards.

* G. O. C. C. in India, dated Simla, October 3rd, 1874.

Commanding officers should recollect that unless the documents of men for transfer to England are sent to the Deolalee Depot complete in every respect—and attention to these instructions will ensure that object—the men cannot be embarked.

2. The embarkation of all soldiers for discharge out of India will be effected between the 18th November current, and the 28th March 1875, and no soldier is to be despatched from his regiment unless he can reach the port of embarkation by the latter date.

3. All men whose destination is the United Kingdom, and who are entitled to a passage at the public expense, will be sent to (a) * * *

* * *
* * *

4. All men entitled to free passage, destined for the Mauritius or Cape of Good Hope, must be despatched to the Deolalee Depot to embark in private vessels from Bombay. Men proceeding to other Colonies will be sent to Calcutta, (†) but in every instance they should not leave their regiments until the Transport authorities at Bombay or Calcutta (b) (as the case may be) have notified that they are prepared to receive them.

Note—The object of the reference is to provide against men whose service must expire before they are embarked, or for whom passages cannot be readily found, being detained at the depôts for unnecessarily long periods.

Officers commanding regiments should forward without delay to the Transport authorities concerned a return of men for whom passage will be required, naming the probable date.

5. Men proceeding to the Colonies via Calcutta (b) should be informed, before leaving their regiments that they have to defray their own expenses on shore at Galle, where they are sometimes detained ten or twelve days when proceeding by the steamers of the P. and O. Company.

It frequently happens that men arrive at Calcutta, (b) both unacquainted with and unprepared for this charge.

Special applications may, however, be submitted in behalf of soldiers entitled to free passages, who have elected to proceed to the Australian colonies, and who may wish to embark at Bombay instead of at Calcutta, (b) in order to escape the possible detention at Galle incidental to the latter route.

6. The amount allowed by Government for passage to the colonies is Rs. 300 (vide G. O. (c) 339 of 1868), and the following is the scale of charges for passage by the P. and O. Company's Steamers to various ports in the colonies:—

King George's Sound	...	Rs.	250
Melbourne	...	"	300
Sydney	...	"	300
Bluff Harbour, New Zealand	...	"	350
Port Chalmers	...	"	350
Greyouth	...	"	350
Hokitik	...	"	350
Oonama and Humara	...	"	360
Port Little, Wellington or Nelson	...	"	360
Napier or Waunganui	...	"	375
Auckland	...	"	387-8
Taranaki	...	"	390

Except, therefore, in the cases of men proceeding to the three first named places, the excess passage money required should be remitted to the Brigade Major, Fort William. (d)

7. Men who pay their own passage to England may be sent either to Calcutta (b) or Deolalee for embarkation, previous notification being made to the General officer commanding the Presidency District, or the officer commanding the Deolalee Depot as directed above.

8. Soldiers, not enlisted in India, who have been sentenced to discharge with ignominy, and whose term of imprisonment is expired, will be sent to Deolalee for embarkation in the troop-ships; but prisoners (not enlisted in India) invalided by a medical board, must be sent home by the same route, irrespective of the fact of their terms of imprisonment not having been completed.

Rules regarding the kits of such men will be found in paras. 1719 and 1720 of the Bengal Army Regulations. (Madras G. O. C. C., 4th August 1871, page 231).

9. All insanes will be embarked in the troop-ships; but they will be despatched under special arrangements made by the Quartermaster-General, and not as ordinary invalids. In cases in which insanity declares itself so near to the troping season that the retention of insanes, especially if harmless, up-country may not only be feasible, but preferable to a long journey to the (b) * * * Asylum, it will rest entirely with the local medical authorities, in communication with the Surgeon-General, British Forces, to decide on the advisability of sending them direct to Deolalee, (e) under arrangements made by the Quartermaster-General, as directed

- (a) Deolalee, under orders from the Quarter Master General.

above. When insanes are thus to be despatched they must be separately detailed in the returns of embarkation furnished to the Quartermaster-General's Department.

* * * The kits of insanes sent to (e) * * * are to be handed over * * * to the Brigade-Major at Fort William. (g) The discharge documents of such men should also in like manner be forwarded to the Brigade-Major (j) (* * *) likewise their No. 1 Reports (* * *) completed as far as directed in para. 75 of the Instructions attached to this order, but the balances of pay due to them are to be dealt with as directed in the Controller's "Instructions" to Paymasters, para. 354, Section XXI, viz., remitted to England by the Paymasters of regiments, to whom the Brigade-Major (j) will send any further sum that may accrue up to date of embarkation.

10. When an insane soldier is sent to * * * Bombay in view to his removal to Europe, the certificates required by G. O. (h) 357 of 1873 should invariably accompany him, but his discharge documents should be sent direct to the Commandant of the Colaba Depot.
N. B.—Attention is directed to G. O. (i) 355 of 1873.

11. All men for embarkation for England, whose period of service will be completed before the 30th April 1875, may be forwarded to Deolalee, and may be embarked before their term of service has actually expired; but if proceeding to the colonies, they must complete their term in this country, their final discharge being effected at Bombay or (f) * * * (see para. 4) before they leave India.

12. In the same manner, men who will become eligible for a free discharge before 30th April 1875, the requisite authority for discharge having been obtained, may, if necessary, be embarked for England before the time entitling them to a free discharge is actually completed, but as a rule such term should have expired before embarkation, as the loss of a good conduct badge may cause them to forfeit their title at the last moment. These men should not be sent down to the port of embarkation till their time is nearly completed, to obviate their detention at the Deolalee Depot.

In the cases of men who will become eligible for free discharge late in the season, the prospective authority is necessarily conditional on the soldier conducting himself properly, and thus fulfilling the conditions of discharge. Commanding officers of regiments and depôts are authorized to detain men who, by the loss of a badge, or by not obtaining one, are ineligible for the free discharge which has been sanctioned. In such cases a report will be made to Head Quarters, in order that the authority may be cancelled.

13. Detachments proceeding to ports of embarkation will be officered in the manner laid down in para. 2279, Bengal Army Regulations.

14. The officers commanding the various parties will report to the Assistant-Adjutant General of the Division, or Brigade-Major of the District, for record in those offices, their having received over from the several regiments, the whole of the documents, balances due, &c., &c.

15. Officers commanding parties will receive special instructions in writing from the officers commanding the divisions and districts from which they start, to furnish—

* * *
* * *
* * *

No. 4. A classified Nominal Roll, in accordance with para. 4 of G. O., Queen's Troops, Calcutta, 9th September 1862, to the Officer commanding the Deolalee Depot.

16. Pay transactions of detachments for Bombay will be conducted in accordance with the instructions given under the head "General" in the instructions for preparation of Discharge Documents, (see p. 18 of those instructions) and in Section XI of the Controller's "Instructions, for the information and guidance of Paymasters of British troops in India" (copy attached.) Separate Nominal Rolls of Invalids and other men will be furnished by Commanding Officers of regiments and batteries to officers commanding detachments, and commanding officers will give full information in writing to those officers to insure the submission of a proper account of the money made over to them.

All punishments affecting the soldier's pay will be notified in detachment orders, and all losses of good conduct pay will be noted in Bengal (e) Form No. 40. * * *
On arrival at Deolalee, commanding officers will render a report to the Depot Paymaster of all casualties which may have occurred since the commencement of the march.

(j) Commandant, Poonamallee.

Particular attention is directed to the necessity of sending the proper advances of pay with the men, as complaints have been received from Deolalee on the subject.

18. To ensure regularity in the arrival and departure of detachments, and to prevent clashing at camps, all movements of troops by railway or bullock train, whether of regiments or detachments, are to be carried out in accordance with the instructions issued by the Quartermaster-General, after due communication between officers commanding divisions and districts, and the responsibility of collisions at Resting Camps will rest with despatching officers.

19. Timely notice of all movements of troops by rail or bullock train, either up or down the line, giving the date and hour of arrival at each camp, is to be given by the officer commanding the division from which the detachments start, to the divisions through which they will pass, and that to which they are proceeding, in view to the necessary arrangements being made for their reception and onward progress.

20. All subsidiary orders in furtherance of the arrangements specified in paras. 17 and 18 are to be given by officers commanding divisions and districts, who are desired to communicate freely with each other in regard to details.

21. General officers commanding divisions and districts are reminded of the necessity of filling in and returning, three weeks before the departure from Bombay of the troop-ships which will convey troops from their respective commands, the detailed Return on W. O. Form 173, copies of which will be furnished to them by the General officer commanding the

22. Time-expired men and others (except prisoners) arriving at home for discharge will be disposed of as follows:—

Royal Artillery to be sent to Woolwich.
Royal Engineers " " Chatham.
Cavalry and Line " " Netley.
Invalids will all be sent to Netley hospital.

It is of the utmost importance that men should arrive at home with their documents in such a complete state as to obviate delay in effecting their discharges at these depôts.

23. To prevent confusion the documents of invalids and time-expired men must never if it can be avoided, be given into the custody of the same officer; the two classes of documents should be kept distinct.

24. All claims of men for discharge must be investigated and, if possible, settled, before the men leave their regiments. If settlement is impracticable, the fullest particulars of the case must be transmitted with them, and reference made to the proper quarter. No claims can be entertained at the embarkation depôts unless they have been previously preferred at the head-quarters of regiments, or have arisen after departure from the regiments.

N. B.—Complaints have been received that soldiers for discharge have been sent to the port of embarkation without the amount of gratuity due to them from the fines for Drunkenness Fund having been remitted for payment to them. Particular attention should be paid to this matter, as the omission often leads to the detention of men.

25. The discharge documents, with exception of the Company Defaulter Sheets, Medical History Sheets, Ledger Sheet (W. O. Form 338,) and No. 1 Report (Bengal* Form No. 40) of men proceeding to the ports of embarkation, will be despatched (by post, and packed in wax cloth,) to the depôt direct from the regiment, addressed to the Commandant(a) or Paymaster, as indicated in the schedule. These packets must be despatched in time to ensure their arrival at the Depôts at least a week before the men themselves, so as to admit of examination (and return to corps for correction, if requisite) before the men embark. The No. 1 Report, as above, Ledger Sheet, Company Defaulter Sheets and Medical History Sheets will invariably accompany the men, and be handed to the officers in military and medical charge respectively, except in the cases of Invalids proceeding to the Cape or Mauritius, whose Medical History Sheets and detailed Medical Histories are to be sent with the proceedings of Boards to the Adjutant-General's Office, Simla,† (Horse Guards' G. O., 45 of 1872.)

26. In the cases of men at convalescent depôts, any documents requiring the soldier's signature will be forwarded for that purpose by the regiment, and will be returned to the regiment for despatch to the embarkation depôt, as soon as a report is received from the convalescent depôt of the soldier's departure to the port of embarkation.

Commanding Officers of regiments moving in relief must keep Commandants of convalescent depôts and the officer commanding the Deolalee depôt, informed of their movements by sending a copy of their route. In past seasons, for want of this advice, Commandants of convalescent depôts were unable to notify to regiments the departure of men to the port of embarkation, and men consequently arrived at Deolalee without their records.

* Madras.

(a) Poonamallee, in case of Invalids from Burmah.

† Commandant, Poonamallee.

27. Each packet containing documents sent by post is to be registered, and a list of enclosures (in duplicate) put up in the packet. When compared and checked with the documents received, one copy of the list will be returned to the corps, duly receipted by the officer commanding the embarkation depôt, who will retain the other copy as a record.

28. The list above referred to is to record the documents in the same order in which they are placed in the Schedule attached to the instructions issued with this order, and the documents of each man are to be stitched together in the upper left-hand corner by a loop of silk or strong thread, and folded lengthwise, the Board's Proceedings being the inner document in the series and not outside the others. Commanding officers will explain the cause of absence of any documents, and state whether they will be subsequently forwarded.

The Horse Guards have had reason to comment on the dilapidated state of the Board's Proceedings, which in some instances were quite useless as records. (See G. O. C. C., 11th September 1872, p. 425.) Madras G. O. C. C., 15th Oct. 1872.

29. On the departure of the invalids and time-expired men, officers commanding regiments, batteries, and detachments will send a certificate to the Station Staff Officer, that all the documents concerning the men have been disposed of as laid down in this Order.

30. The officer commanding the party will be furnished with a list, in triplicate, of the documents he has in possession (see para. 25.) These lists will be receipted by the officer commanding the depôt. One copy is to be given to the officer who commanded the party, one sent to the corps for record, and the third retained at the depôt.

31. Officers proceeding in charge of parties are to be instructed that the non-effective accounts of men who die en-route to the depôt are to be handed to the Paymaster of the depôt on arrival, and not forwarded to the Paymaster of the corps.

32. The Commandants of depôts, whether at the ports of embarkation, or elsewhere, are empowered to address themselves direct to commanding officers; and His Excellency desires that all communications from these officers, concerning the discharge documents, or matters connected with them, may be regarded in the light of instructions transmitted by Staff Officers. The Commander-in-Chief further desires to impress upon commanding officers the necessity of paying prompt and strict attention to all such communications, as the embarkation of the men concerned may be delayed by any neglect in this respect.

33. Immediately after the sailing of each troop-ship, officers commanding embarkation depôts will forward, without fail, to commanding officers of regiments and brigades, a report of the embarkation, not only of detachments, but of individuals (including prisoners, see Circular 87 of 1869,) accompanied by a nominal list, with regimental numbers attached, of the men referred to.

34. Commanding Officers will, on receipt of the above reports, correct the rolls of their corps and send the requisite advices home in continuation of the returns(a) previously transmitted to England (see G. O., 171 of 1870). Madras G. O. C. C., 24th August 1870, p. 254.

35. In the case of men of the Royal Artillery, returns of men proceeding to the port of embarkation (Bombay) are to be forwarded, at least a fortnight before the men embark, to the Deputy Adjutant-General of Royal Artillery at the Horse Guards. Officers commanding brigades, as well as Captains of detached batteries, will, at the same time, transmit to the same office copies of the men's transfer Savings' Bank statements.

36. Women near their confinement are not to be embarked in the troop transports, and the husbands of such women are to be detained with them (G. O., 8 of 1870). Madras G. O. C. C., 1st March 1870, p. 55.

These men will remain attached to any regiment at the station where they may be located, until their wives are fit to travel, when they are to be despatched to Deolalee for embarkation on the first available troop-ship.

Should, however, the prospect of such occurrences be anticipated among the women proceeding by any of the three last vessels, permission should be solicited for their despatch at an earlier date.

37. Care is to be taken that no soldier leaves any member of his family behind in India, unless with the special sanction of Government.

38. Whenever the wife of a British soldier is sent to England unaccompanied by her husband, the officer commanding the regiment or battery will, on her departure from the Head Quarters, forward at once to the Regimental Depôt a report showing the authority for her being sent home, and the cause; her destination; her family, if any; and whether she is entitled to any assistance from the State.

A similar report is at the same time to be despatched to the port of embarkation to which the woman is ordered, with a request that it may be handed to the officer commanding on board the ship in which she proceeds (or to the Captain of the vessel, if there are no troops embarking) for delivery to the chief military authority at the port of debarkation (G. O., 15 of 1873). Madras G. O. C. C., 27th March 1873.

39. Invalids, or men proceeding to England for discharge, belonging to the Unattached List should have been struck off that list by an order from the Adjutant-General, before they are sent to the port for embarkation. Should it appear to the authority at the port that this has not been done, an immediate report is to be made by telegraph to the Adjutant-General's Office at Simla.*

(a) These returns should leave regiments at least a fortnight before the men embark, and should be addressed to Netley, or according to the destination of the men.

Thirty days' grace are allowed for the payment of annual, half-yearly and quarterly premiums, and fifteen days for monthly premiums. The validity of the Policy will, in every case, be maintained by payment of the Premiums within the stipulated period, notwithstanding the death of the Assured may have occurred before such premiums shall have been received.

No extra rate is charged for sea-passages, and on arrival in Europe a reduction is made in the premium without the assured being required to pass any Medical examination.

A. H. BAILEY, Esq., of the London Assurance Corporation.

The chief characteristics of this Society are:—

Mutual Assurance.

Policies for terms of years issued at largely reduced rates without participation in Surpluses.

Premiums payable half yearly, on 1st January and 1st July.

Claims paid immediately after satisfactory proof of death. An official Notice of death if any of Her Majesty's Government Gazettes is a sufficient proof.

Claims can be adjusted, and premiums can be paid in London, if desired by the Policy holders.

Surrender Values allowed for Life Policies issued at fixed rates of premium which have paid three years' premiums.

The Society's funds must be invested in Indian Government Securities or in other guaranteed Indian Securities.

Quinquennial valuations, by a London Actuary, of Assets and Liabilities. The reduction of premiums for the Quinquennium 1871—75 is at the rate of 60 per cent. of premiums paid during 1866-70.

Assurances granted on the lives of Europeans, East Indians or Eurasians, and Parsees.

Past experience leads the Directors to anticipate that the retention of the "Mutual" principle and the Quinquennial distributions of Surpluses, will bring down the cost of Assurance by the office, for Life, to the lowest possible point.

The Medical Examiner sees Applicants for Assurance at his residence, Hanson's Garden Nungumbakum, on Wednesdays and Saturdays between 11 and 12 A. M.

INCORPORATED WITH

SHEARWOOD & CO.,

CABINET MAKERS, UPHOLSTERERS,

BILLIARD TABLE MANUFACTURERS,49, 54, 55 and 56, *BENTINCK STREET, CALCUTTA,*

By appointment to His Excellency the Viceroy and Governor General of India,

AND TO

H. R. H. THE DUKE OF EDINBURGH.**BILLIARD TABLES.**

C. LAZARUS & CO., as manufacturers, would invite particular attention to their large stock of full-sized Billiard Tables. One of the chief desiderata in a Billiard Table is to secure such an arrangement as will admit of a Ball being struck so as to attain the highest speed without its jumping. This it need scarcely be said, depends entirely upon the arrangement of the cushions. C. L. & Co., in mentioning this fact, would state that the subject has largely occupied their attention, and after repeated experiments and close consideration, they have discovered a principle in the manufacture of cushions which answers admirably the end desired. Since the manufacture of their cushions on this new principle, C. L. & Co. have received testimonials from some of the first Clubs in India speaking to the merits of the same. To secure *truth with speed*, that is to say, the maximum of speed compatible with preventing the Ball jumping, is the object which C. L. & Co. have had in view, and which at length they have successfully attained. At the same time, the cushions, it should be stated, are quite as durable, or even more durable, under the new principle of making up than under the old. With a view to the maintenance of the high character of their workmanship, C. L. & Co. have secured for this branch of their business especially, the services of a gentleman who for many years was foreman to the eminent makers, Messrs. Burroughes and Watts, whose experience is a guarantee of the highest possible excellence in the manufacture of Billiard Tables, and of everything connected with that department of their business.

THE NEW PATENT ELECTRIC BILLIARD MARKER.

Sole Wholesale and Retail Agents for India and the East.

C. LAZARUS & Co.

C. LAZARUS & CO., beg to draw the attention of Clubs, Messes and the Public in general to this wonderful and very ingenious adaptation of the great principle of **ELECTRICITY**, as applied to the noble recreation of **BILLIARDS**.

One of the greatest inconveniences attendant on this scientific game, and the one mostly felt by players, is the interruption to play by having continually to run to the wall marking-board to mark the score, and the liability to mistakes in so marking. By this new invention mistakes are impossible, and annoyances and inconveniences are done away with, and the interest in the game is double. *Every player can now work his score without leaving the table, and from the cushions he is standing near.*

The apparatus itself is so simple in construction, that an amateur can put it together in half an hour without the assistance of an electrician.

The battery will last for months without being refilled, and when it needs to be renewed, can be done at any time for a few annas. The extreme simplicity of the **ELECTRIC MARKER** and the low charge for the same will, C. L. & Co. are satisfied, make it as popular with the Billiard-playing community of India and the East, as it has already become in England, and on the Continent. C. L. & Co. have at present only a very limited supply of the **ELECTRIC MARKERS**, but are expecting fresh consignments shortly: meanwhile all orders will be registered for execution.

The **MARKERS** can be seen in full work, and all particulars may be ascertained from **C. L. & Co.**, who have been appointed by the Patentees Sole Agents for India and the East. They cannot, therefore be procured elsewhere.

IMPORTANT TO MESSES AND BILLIARD CLUBS,*Throughout India, China, Borneo, Ceylon and the Straits.*

Consequent on the numerous applications that C. LAZARUS & Co. have lately had from parties residing at a distance from Calcutta to have their Billiard Tables re-cushioned on C. L. & Co.'s new principle, and as sending the old cushions to Calcutta for that purpose is attended with great delay, occasioning much inconvenience, C. L. & Co. have been induced to keep a stock of cushions on their new principle always on hand, which can be fitted to any Table, the accurate length and width of the Slate Bed only being required.

Up-country Messes and Clubs can, by thus securing a spare set of cushions, ensure the constant use of the Table, a desideratum C. L. & Co. are satisfied they will not be slow to appreciate, as the inconvenience hitherto felt by the Table being unavailable for play during such time as the old cushions are under repair, has been admittedly very great.

*New Cushions fitted to old Tables on the new principle.***BILLIARD AND POOL BALLS.**
