AFFECTING

Retiring and Furlough Regulations of 1796.

1. The rules under which the period of service required to entitle Officers to the retiring Regulations is calculated, are as follow:—

2. Officers appointed *direct*, count service from the date of arrival within the limits of the Madras Presidency, unless specially authorized by the Court of Directors to embark in a Ship bound for another Presidency.

3. Officers appointed from Addiscombe subsequently to the 22nd November 1837 to the Cavalry, Artillery, or Infantry, count service as above, with the addition of the period passed at Addiscombe after attaining the age of sixteen.

4. Officers of Engineers count service from the date of arrival of the first Artillery or Infantry Cadet of the same examination, with the addition of the Addiscombe period as above. In the event of there being no such Artillery or Infantry Cadet they count service from the expiration of 4½ months from date of examination.

G. O. G. 11th June 1850,
No. 120.

G. O. G. 10th June 1852,
No. 33.

5. Officers appointed in India, count service from the date on which they take the oath of allegiance.

6. Medical Officers and Veterinary Surgeons count service from the date of arrival within the limits of the Madras Presidency.

7. Absence on sick certificate within the limits of India for periods not exceeding two years, successively, as also leave on private affairs beyond the limits of this Presidency, if for periods not exceeding three successive months, are counted in the time of service requisite to entitle to retiring Pay. Officers however serving in other than their own Presidency, may count as service towards pension leave taken within the limits of the former equally as taken within the latter.—Vide G. O. G., 10th December 1861, No. 437.

8. But all Officers quitting India on leave of absence on account of sickness or of private affairs, who shall proceed to Europe without having returned to India, shall be considered as on furlough to Europe from the dates on which they shall have respectively left India.

This indulgence, however, can be granted only in England.—G. O. G., 19th April 1859, No. 153.

12. Officers who may be compelled to quit India on sick certificate and who may not be entitled to retire on full pay are to try the effects of a temperate climate for the usual term of furlough before they can be allowed to establish their claim to retire from the service upon half pay. 4. Surgeon.

2. A Surgeon shall be promoted to Surgeon-Major on completion of twelve years' service from date of first Commission, subject to his passing such examination as Our Principal Secretary of State for India in Council may require.

With a view to maintain the efficiency of the Service, all Medical Officers of the rank of Surgeon-Major shall be placed on the retired list when they shall have attained the age of 55 years, and all Surgeons-General and Deputy Surgeons-General when they shall have attained the age of 65 years; but as respects Surgeons-Major, who entered the service prior to the 13th January 1860, this rule shall be relaxed, and an officer who has attained the age of 55 years without having obtained the rank of Deputy Surgeon-General shall be permitted to remain in the service for three years more, on his perfect competency and fitness being certified in such manner as Our Secretary of State for India may direct. 7. Such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds [except as regards the presidency of courts martial, where our Will and pleasure is, that the senior combatant officer be always president], and shall regulate the choice of quarters and the rates of prize money.

8. Medical officers shall be entitled to all the allowances granted to our Indian Military Forces on account of wounds and injuries received in action as combatant officers holding the same relative ranks.

MILITARY

No. 305.

INDIA OFFICE;
London, 31st August 1868.
To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—In the Royal Warrant of 1866, regulating the pay and promotion of Officers and Soldiers of Her Majesty's British Service elsewhere than in India, it is ruled, by Clause 287, that "a Surgeon of less than twenty years' full-pay service may be promoted to the rank of Surgeon-Major for distinguished service."

2. Her Majesty's Government have determined that this regulation shall be held applicable to the Indian Medical service. It is to be remembered that this promotion is *not* brevet, but substantive, and that it will carry with it the advantages of increased pay, &c., which appertain to the rank of Surgeon-Major.

3. You will observe that, by the enclosed extract of the Royal Warrant above mentioned, it is necessary that "the recommendation detailing the services for which the Officer is proposed for promotion for distinguished services shall be published in the General Orders of the Army and in the Gazette in which such promotion shall appear."

Clause 287.

for promotion for distinguished services shall be published in the General Orders of the Army and in the Gazette in which such promotion shall appear.

I have, &c.,
(Signed) STAFFORD H. NORTHCOTE.
Extract from the Royal Warrant, 1866, Part 1—Pay.

Clause 287.—A Surgeon after twenty years' service in any rank shall be styled Surgeon-Major, but a Surgeon of less than twenty years' full pay service may be promoted to the rank of Surgeon-Major for distinguished service. The recommendation detailing the services for which the Officer is proposed for promotion for distinguished service shall be published in the General Orders of the Army and in the Gazette in which such promotion shall appear.

mentioned, in such manner as he shall deem fit and expedient.

6. Assistant Surgeons shall, as a general rule, be promoted to the rank of Surgeon in the order of their seniority in the service, unless unfit for the discharge of their duties from physical or professional incompetence or misconduct. In cases of distinguished service, however, an Assistant Surgeon may be promoted by Brevet, without reference to seniority, and in such cases, with a view to insure the responsibility attaching to an appointment made out of the regular course of promotion, the recommendation in which the services of the Officer shall be detailed shall be published in the General Orders of Our Indian Military Forces, and in the *Gazette* in which his promotion appears.

Relative rank shall carry with it all precedence and advantages attaching to the Military rank with which it corresponds, and shall regulate the rates of lodging money, number of servants, rations of fuel and light, or allowances in their stead, except for Officers and others to whom special rates have been assigned, detention and Prize Money, according to the regulations, and upon the conditions, in force, from time to time; but such relative rank shall not entitle the holder to Military command of any kind whatsoever, nor to the President of Courts Martial, Courts of Enquiry, Committees, or Boards of Survey, but when the President of such Courts, Committees, or Boards shall be junior to the Officer of the Civil Department then such Member of the Civil Department shall attend as a witness, and not as a member.

Choice of quarters shall be regulated by relative rank according to date of Commission, except in the case of the Commanding Officers' quarters, and in cases in which special quarters shall be permanently appropriated, with the approval of the Secretary of State for War.

Relative rank shall not entitle the holder to salutes from Ships or Fortresses, nor to the turning out of Guards; but it shall entitle him, if Commissioned, to salutes by sentries, or by individual Soldiers.

Honorary rank of Paymasters shall carry with it all the privileges and advantages attaching to relative rank of corresponding degree.

All Commissioned Officers, serving with the Troops, shall be entitled to Funeral Honours, according to their relative Military rank.

3. The plan which appears to your Excellency best suited to protect the public interests and the claims, at the same time, of Medical Officers is that of relaxing the rule embodied in the 8th Clause of the Warrant, in cases where superior Medical authorities certify the perfect competency and fitness of the Medical Officer, who has completed the age of fifty-five years without having obtained the rank of Deputy Inspector-General.

4. I am willing to assent to the adoption of this plan in regard to the Medical Officers who entered the service prior to the promulgation of the Royal Warrant Medical Officers be, in all cases, certified by a Board consisting of two Medical Officers, one of whom must be an Inspector-General or Deputy Inspector-General, and the Commanding Officer, or Senior Civil Officer, under whom the Medical Officer may have been serving.

5. The certificate of efficiency granted by such a Board may hold good for three years, but in no case will a Medical Officer under the rank of Deputy In-

Inspector-General of Hospitals.

5. A Deputy Inspector-General of Hospitals must have served three years in India before he shall be eligible for promotion to the rank of Inspector-General.

In cases, however, of emergency, or when the good of the service renders such alteration desirable, it shall be competent for the Governor-General in Council to shorten the several periods of service above-

7. All promotion from the rank of Surgeon to that of Deputy Inspector, and from the rank of Deputy Inspector to that of Inspectors, shall be given by selection for ability and merit; and the grounds for such selection shall be stated to us in writing, and recorded in the office of the Secretary of State for India in Council, the selection for the grades of Deputy Inspector being made from the whole rank of Surgeons, whether styled Surgeons or Surgeons-Major.

8. With a view to maintain the efficiency of the service, all Medical Officers of the rank of Surgeon Major, Surgeon, or Assistant Surgeon, shall be placed on the Retired List when they shall have attained the age of fifty-five years, and all Inspectors General and Deputy Inspectors General when they shall have attained the age of sixty-five years.

9. The relative rank of the Medical Officers of our Indian Military Forces shall be as follows:—

Staff or Regimental Assistant Surgeon as a Lieutenant, according to the

spector General be permitted to remain on the effective list after he shall have attained the age of sixty years.

6. A Medical Officer who may be unable to obtain the certificate of competency above referred to will be placed on the Retired List, receiving, as recommended by Government, the rate of pension next above that to which his period of service in India may entitle him, provided that he be not already entitled to retire on the higher rate, viz., £700 a year.

7. A similar course may be pursued with respect to Medical Officers employed on unprofessional duties on their attaining the age of fifty-five years.

The following paragraph of a Military letter from the Right Hon'ble the Secretary of State for India, No. 283, dated 26th August 1868, is published for general information:—

G. O. G.,
17th Nov. 1868,
No. 417.

Para. 4.—Having forwarded for the consideration of the Field Marshal Commanding-in-Chief, the papers relating to the claim of Deputy Inspector General of Hospitals to count towards the relative rank of Colonel the period during which he officiated on the full pay of a Deputy Inspector General, His Royal Highness has informed me that in the British service a Deputy Inspector General of substantive rank alone can claim the relative rank of Colonel, and that only from the actual date of the *Gazette* in which his appointment is notified, and that under no circumstances does a merely officiating appointment so qualify. As recommended by His Royal Highness, the same rule should be observed in the Indian service.

11. Medical Officers shall be entitled to all the allowances granted to Our Indian Military Forces on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

12. Their families shall, in like manner, be entitled to all the allowances granted, under existing regulations, to the families of combatant Officers holding the same relative ranks.

13. Medical Officers shall be held entitled to the same honors as the other Officers of our Army of equal relative ranks.†

14. A Medical Officer, retiring after a service in India of twenty-five years and upwards, may, if recommended for the same by the Head of his Department, receive a step of honorary rank, but without any consequent increase of pay.

15. Six of the most meritorious Medical Officers of the Army shall be named Honorary Physicians, and six My Honorary Surgeons.

6. The establishment of Medical Officers above the rank of Assistant Surgeon in the three Presidencies will, so long as there are Officers enough remaining on the old lists to complete these numbers be fixed:—

In Bengal... 152 | Madras... 86 | Bombay... 69
7. With a view of removing all cause of complaint and misunderstanding, on the part of the Officers of the Indian Medical Service, on the subject of their promotion to the rank of Surgeon Major, under the Royal Warrant of 13th January 1860, Her Majesty's Government have determined to give retrospective effect to that Warrant, and to cause all promotions made under its authority to be dated from the 1st October 1858, being the date of the Royal Warrant for the British Medical Department, and it has been further determined to modify the instructions conveyed to you in my Despatches, No. 397, dated 31st October 1860, and No. 386, dated 30th September 1861, and to permit the period of service, qualifying Surgeons for the rank of Surgeon-Major under that Warrant, to be calculated from date of first commission, including all leave of absence of whatever kind.

8. It has been further resolved, that the following change in the mode of payment of Officers serving in India, whether of the British or Indian Medical Department, shall be introduced from the date of the receipt of this Despatch.

9. From that date, the allowance of head money, as well as that for Medical charge of British Regiments and Brigades, will be discontinued, excepting in the case of Asst. Surgeons, who will receive while in actual charge of British Regiments or Brigades of Artillery, a special allowance of Rupees 150 per mensem in addition to their pay.

10. The following will be the rate of pay for Officers of the several grades in the Medical Department, below that of Inspector and Deputy Inspector-General, who receive special salaries, whether belonging to the British or the local service:—

11. Surgeons of Her Majesty's Service, not being Surgeon Majors, who may be in medical charge of Regiments or Brigades, at the date of publication of the Order, will not be affected by this rule, but will continue to receive their pay and allowances while attached to such Regiments, as heretofore.

14. The rule regarding pension, at present applicable to the Officers of the Indian Medical Service, will remain in force with the following modification :—

15. Officers compelled to leave the service on account of ill health, and entitled to half pay pension under present Regulations, will be allowed the half pay of their relative rank, as laid down in the Royal Warrant, dated the 1st October 1858. This rule will apply to all Officers retiring upon half pay pension from a date subsequent to the receipt of this Despatch.

3. My Despatch dated 16th May last, No. 152, stated that Officers compelled to leave the service on account of ill health, and entitled to half pay pensions under present Regulations, would, in future, be allowed the half pay of their relative rank.

4. Under these circumstances, I am of opinion that in respect to retirement on half pay, the Assistant Surgeon, after a service of six years, should be treated as an Officer having the Regimental rank of Captain has hitherto been treated; that is, without being required to show any qualifying period of service, he should be permitted to retire on the half pay of Captain, on showing sufficient proof of disqualification for further service.

5. Medical Officers under six years' service having the rank of Lieutenant, will continue, in respect to retirement on account of ill health, subject to the Regulations applicable to Subaltern Officers.—Vide G. O. G., 24th March 1865, No. 117.

6. This concession only applies to those Medical Officers of the Indian Service who entered the service before the promulgation (b) of the Royal Warrant of 18th January 1860.

ASSISTANT SURGEONS—IN MEDICAL CHARGES.

No. 288 of 1867.—The following Military Letter from the Right Hon'ble the Secretary of State for India, No. 266, dated 7th December 1866, is published for general information :—

MILITARY. INDIA OFFICE.
No. 266. London, the 7th December 1866.

To His Excellency the Right Hon'ble the Governor General of India in Council.
Sir,—I have considered in Council your Military Letter No. 243, dated 21st September 1866, transmitting correspondence regarding the title of an Assistant Surgeon in medical charge of a British Regiment or Brigade of Artillery during the absence of a Surgeon on "privilege leave" to the special remuneration of Rupees 150 per mensem laid down in paragraph 9* of Sir Charles Wood's Despatch, No. 152, dated 16th May 1864.

G. O. G., No. 136, 29th March 1867.

2. In reply I have to inform you that the special grant of Rupees 150 referred to was sanctioned to Assistant Surgeons of Her Majesty's service in India who might, by the exigency of the service, be placed temporarily in medical charge of a British Regiment.
3. It should be allowed, therefore, in all cases of an Assistant Surgeon acting in the temporary charge on the death, removal, or absence on medical certificate of the Surgeon, but it was not intended that any such extra charge should be incurred as a consequence of the Regimental Surgeon being absent on private leave and for his own convenience.

I have, &c.,
(Signed) CRANBORNE.

INDIAN MEDICAL DEPARTMENT—ADMINISTRATIVE STAFF.

No. 657 of 1867.—With reference to G. O. G., No. 456, dated 5th May 1865, the following letter from the Right Hon'ble the Secretary of State for India, is published for general information :—

MILITARY. INDIA OFFICE;
No. 144. London, the 24th May 1867.

To His Excellency the Right Hon'ble the Governor General of India in Council.
Sir,—Para. 1. In your Military letters, dated 8th and 23rd March last, Nos. 47 and 72, you submit for decision a question which you state has arisen with reference to the order which allows officiating service "on full pay in the rank of Deputy Inspector General of Hospitals," to reckon towards the additional pension granted to an Officer of that rank after five years' service therein, including only six months on medical certificate, whether the period of five years to which the tenure of that appointment, as well as that of Inspector General of Hospitals, is restricted, should be inclusive or exclusive of such officiating service.

G. O. G., 12th July 1867, No. 296.

2. It appears to me that, if officiating service on full salary of appointment is to count towards the additional pension, it must necessarily count likewise as part of the five years' tenure of the appointment both of Inspector and Deputy Inspector General of Hospitals. The term of five years to which the appointment is limited, should I think, be regulated as follows :—

It should include any period during which an Officer may have acted as Inspector or Deputy Inspector on full allowances before his permanent appointment. On his permanent appointment, his tenure would be held to expire at the end of five years, including the period of such officiating service, whether after his permanent appointment he may have taken leave of absence or not.

3. A Deputy Inspector General of Hospitals who may, under these circumstances, fail to complete the required service for the additional pension of £250 a year, may he shall subsequently be appointed Inspector General, and shall not serve long enough in that grade to entitle him to the pension of £350 a year, reckon his service as Inspector General in addition to that as Deputy Inspector General, towards the period required for the additional pension of the latter grade.

I have, &c.

Letter from the Deputy Accountant General, Bengal, No. 753, dated the 27th June 1867, enquiring whether, during the journey of a Medical Officer from one civil appointment to another, his allowances should be treated as a civil charge and be limited to the amount of the unattached pay of his rank, "or be regulated by the salary attached to the station in which he last served."

RESOLUTION.—The Governor General in Council observes that, under the orders of the 4th and 25th April 1867 mentioned above, the salaries of Military Medical Officers in medical charge of Civil Stations are consolidated, and is accordingly pleased to rule that, in common with Military and other Medical Officers in civil employ on consolidated salaries, they shall, during periods of transit from one civil appointment to another, which are to be limited by the civil rules for joining time, draw the salary of the lower paid appointments of the two, and that such salary as well as the allowances admissible to these Officers during absence on leave, shall be disbursed in and charged to the Civil Department.

No. 1060 of 1864.—The following Military Letter from the Right Hon'ble the Secretary of State for India, No. 340 of the 7th November 1864, is published for general information:—

15. Her Majesty's Government have therefore determined that the duties of the Medical Officers of the British Army serving in India shall, in future, be kept wholly distinct from those of the Medical Officers of the Indian establishment, and that there shall be a separate administrative establishment for each.

16. Under these circumstances, it will be necessary that the administrative establishments in the several Presidencies should be revised, and the duties of the several Medical Officers of the higher grades re-distributed, and I request that you will take the subject into early consideration, with a view of determining the numbers of Inspectors General and Deputy Inspectors General of each service that will be required to conduct the administrative duties of the respective services in each Presidency.

17. In my Despatch No. 152, I authorized your augmenting the number of Officers above the rank of Assistant Surgeon

In Bengal to..... 152 | In Madras to..... 86 | In Bombay to..... 69
leaving the aggregate establishment of Medical Officers in each Presidency the same as before.

Bengal..... 425 | Madras..... 243 | Bombay..... 193

19. You were informed, in my Despatch No. 291, dated 8th August 1863, that the War Office would take measures for relieving, as soon as possible, the Assistant Surgeons of the Indian Army from the Brigades of Artillery and new Line Regiments, and the same course will hereafter be adopted as a necessary consequence of the transfer of those Regiments to the British Army, in regard to the Surgeons. A reduction in the establishment of Medical Officers required for service in India will necessarily follow, and I request that the subject of the number likely to be required henceforward in the several Presidencies, may receive your early consideration.

20. In making this calculation you will, of course, take into account the several situations which may be properly filled up by unconnected members of the Medical profession.

21. It is believed that, in consequence of all appointments to the local service having ceased during the last three years, the aggregate number of Medical Officers at present borne on the strength of the several Presidencies will be, if anything, below the prospective wants of the service; but I shall make arrangements without delay for filling up vacancies as they may occur on your revised establishment.

22. The promotion of Assistant Surgeons who may hereafter enter the Indian Army will be regulated by length of service, and not, as heretofore, by succession to vacancies in a fixed establishment of Officers of the higher grades.

23. Assistant Surgeons of 12 years' service from the date of first Commission (of which two years shall have been passed in charge of a Native Regiment,) who shall have passed the prescribed examination in professional subjects, will be promoted to the rank of Surgeon.

24. The benefit of this rule is to be extended to all Assistant Surgeons now in the Indian Service, but Officers now in the service who may be so promoted will be considered supernumeraries to the establishment of Surgeons as recently laid down, so that no promotion by seniority will take place until such supernumeraries are absorbed.

25. You will make the promotions consequent upon this concession from the date of receipt of this Despatch.

26. In the Despatch above referred to, I informed you that you were authorized to introduce certain changes in the mode of payment of Officers of the Medical Department serving in India, and you were informed that, pending a further communication upon the subject, Officers of the British or Indian Medical Service, holding Staff appointments, the salaries of which are consolidated, will continue to draw their salaries as at present; and all Officers of the Indian Medical Department in the receipt of Staff salaries, including such as are in Medical charge of Native Regiments, will continue to draw the aggregate amount of pay and Staff allowances they now receive, provided it be not less than the rate of pay laid down in the above table for Officers of their rank and standing in the service.

27. I have now to inform you that it has been determined that in future all employment on the part of Medical Officers of the Indian Service involving the receipt of special Staff salary shall be considered as Staff employment, the salaries being in all cases consolidated; and that all appointments, whether Civil or Military, held in future by Officers of the present Indian Medical Service below the rank of Deputy Inspector General, will be alike tenable by Surgeon Majors, Surgeons, and Assistant Surgeons.

28. The salaries of the principal administrative and Military appointments are fixed at the following consolidated sums:—

Inspector General.....	2,500	whether of the British or Indian Medical Service.
Deputy Inspector General.....	1,800	
Surgeon Major in charge of Native Regiments.....	1,000	with Rupees 90 Horse allowance in Cavalry Regiments.
Surgeon in charge of ditto.....	800	with Rupees 90 ditto ditto.
Assistant Surgeon above 5 years' full pay service in charge of Native Regiments.....	600	with Rupees 60 ditto ditto.
Assistant Surgeon under 5 years' ditto.....	450	with Rupees 60 ditto ditto.

But Officers now in the Indian service will receive the pay due to their rank as laid down in para. 10 of my Despatch No. 152 of 16th May 1864, when such pay is in excess of the consolidated salaries above-mentioned.

29. Officers who may hereafter be appointed to the Indian Medical Service will receive pay when unemployed in India according to the following scale:—

RANK.	Years' Service.	Unemployed Pay.		
		Rs.	A.	P.
Surgeon Major.....	25	888	12	0
Ditto.....	20	852	3	7
Surgeon.....	15	677	6	11
Ditto.....	12	640	14	6
Assistant Surgeon.....	10	410	9	5
Ditto.....	6	392	5	2
Ditto.....	5	304	14	2
Ditto.....	under 5	286	10	0

30. The salaries of other Medical appointments in the Civil and Military Departments will be revised with reference to the above, and fixed at a consolidated sum, and I request that a report may be made to me upon the subject with as little delay as possible. In the meantime, the aggregate sums at present received in each case will continue to be drawn.

31. With a view of promoting the efficiency of the service, it has been further determined that the tenure of office by a Deputy Inspector General of the Indian Service shall, as in the case of Inspectors General, be limited to five years; Officers being, however, if not disqualified by age, eligible either for employment for a second tour of duty in the same grade, or for employment in the higher grade of Inspector General by promotion thereto.

32. You will follow, in the cases of Officers now holding the office of Deputy Inspector General, the same course which your Government adopted in 1861, in regard to combatant Officers holding certain Staff appointments, and permit all such to hold their offices for two years longer, irrespective of the periods they may severally have served in them. Should any Officer have served up to the present time less than five years, he will be allowed to complete a full period of seven years.

33. The rank of Inspector General and Deputy Inspector General conferred upon Officers of the Indian Medical Service under the Royal Warrant of the 13th January 1860, is to be considered as substantive rank.

These Officers, on vacating office at the expiration of the five years' tour of duty, will be permitted in future to draw respectively an unemployed salary of Rs. 1,200 per mensem in the former, and Rs. 900 in the latter case, for a period of six months from the date of their vacating office, after which they will be placed, while unemployed, on the rate of pay laid down in my Despatch of the 16th May 1864 for Officers of corresponding rank in Europe. These sums, deducted from the consolidated salary, will regulate the moiety of Staff salary to be drawn by Officers of those grades during absence on sick certificate. The decision reported in the 3rd paragraph of your letter No. 242 of 1864 will cease to operate from the date of publication of the present Despatch.

34. With a view to improving the position and prospects of Officers of the Indian Medical Service, it has been resolved to introduce prospectively the following revised pension Rules.

35. Officers of the Indian Medical Service will be allowed to retire on the following scale of pension on completion of the required periods for service:—

After 30 years' service in India	£550
" 27 " " "	456
" 24 " " "	365
" 21 " " "	292
" 17 " " "	220

36. An Inspector General, after five years' active employment in India in that grade, will be entitled to retire upon a pension of £350 per annum, in addition to that to which he may be entitled under the above scale.

Sindia, the 21st September 1868.

No. 902 of 1868.—The following Military letter from the Right Hon'ble the Secretary of State for India, is published for general information:—

MILITARY. INDIA OFFICE;
London, 20th August 1863.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR.—I have considered in Council your letter No. 180 of 20th May last, inquiring how a Deputy Inspector General of Hospitals, who may be compelled by ill health to take leave to England beyond six months during his five years' tenure of office, is to become entitled to the special pension of £250.

2. In reply I have to observe that, although an active service in India of five years, including six months' leave on medical certificate, is required in that rank for the pension in question, and although on the expiration of five years' service on full pay, inclusive of all leave, as an acting or permanent Deputy Inspector General of Hospitals, an Officer vacates the appointment, such Officer is, under the regulations of the service, eligible for re-appointment for a second tour of duty, at the discretion of Government, if not disqualified by age.

3. If disqualified from this or any other cause, and if he has not served the full five years required for the extra pension, his claim to that pension will be forfeited.

I have, &c.,
(Signed) STAFFORD H. NORTHCOTE.

37. A Deputy Inspector General will, after five years' active employment in India in that grade, be entitled to retire upon a pension of £250 per annum, in addition to the pension to which he may be entitled under the above scale.

38. In each of the above cases, six months' absence on medical certificate will be allowed to count towards actual service in those grades.

39. Officers now in the Indian Medical Service will, on retirement, have the option of pension according to the above rules, or according to those now in force.

40. My attention has been directed on this occasion to the rule regarding the qualification of an Assistant Surgeon for promotion to the rank of Surgeon required under Clause III of the Royal Warrant, dated 13th January 1860. There can be no doubt that this rule, which has been again brought to notice by a recent Despatch from your Government, requiring a service of two years in or with a regiment, bears very hardly on many Officers. The nature of whose employment precludes their showing the required qualification, and who, on entering the service, had no reason to suppose that such a regulation would be adopted.

41. These considerations have induced me to consent to exempt from the operation of the Clause of the Royal Warrant all the Assistant Surgeons who entered the service prior to its date. It is to be understood, however, that the rule is to be strictly enforced in the case of all Medical Officers who entered the service after January 1860.

42. In my Despatch No. 152 of 16th May 1864, para. 7, I informed you that Her Majesty's Government had determined to modify the instructions given in my Despatches of the 31st October 1860 and 30th September 1861, and to permit the period of service qualifying Surgeons for the rank of Surgeon or Major, under that Warrant, to be calculated from date of first Commission, including all leave of absence of whatever kind.

43. I have now to inform you that the same principle is to be observed with respect to the grant of honorary rank on retirement, under Clause 14 of the Royal Warrant, and that the 25 years' service shall be inclusive of all leave of absence.

44. I have further to inform you that it has been determined, as in the case of combatant Officers of the Indian Army, to confer upon the Medical Officers of that service Royal Commissions in substitution for those which they now hold conferring rank in Her Majesty's Service in any part of the world. The Medical Officers of Her Majesty's Indian Service will not, however, be required to serve out of India, except with their own consent.

45. I have, lastly, to inform your Excellency that Assistant Surgeons appointed to Her Majesty's Indian Service in future will not be called upon to become subscribers to any Military or Medical Funds, and that Her Majesty's Government have determined to guarantee to present incumbents on and subscribers to the several Medical Funds the annuities and pensions to which they are, or to which they, their widows and children may become entitled from those Funds, according to the regulations now in force, and at the present rates of subscription. But this guarantee must be regarded as conditional on the absolute transfer of the assets of the Fund to the Government, and must not be construed as conveying to any Fund, or to any member of it, benefits which are not actually provided for in the regulations as at present in force.

46. The widows and children of Medical Officers hereafter appointed to Her Majesty's Indian Service will be granted pensions not less than those to which they would be entitled under the provisions of the Royal Warrant of June 15th, 1855.

47. The above measures, which obviously tend greatly to improve the condition and prospects of the Medical Service in India, cannot be carried out, as your Government will at once perceive, without a heavy expense to the State. It is hoped, however, that the result will be at once to diffuse a spirit of satisfaction and contentment among the Officers now in the service, and to secure for the future a certain supply of Medical Officers of good social position, liberal education, and professional ability for Her Majesty's Service in India.—Vide G.O.G., 6th January 1863, No. 9.

INDIA OFFICE,

London, 25th January 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—With your letter dated 5th November last, No. 376, you submit a question which has been raised regarding the rate of pension to which Medical Officers, who may be compelled to retire from sickness or accident after a service of six years, are to be held to be entitled, with reference to the General Order, No. 507, of 29th June 1861, which notified that Medical Officers entitled to half-pay pension, under present Regulations, are eligible for the same according to their relative Army rank, as fixed by Royal Warrant.

G. O. G.,
21st March 1865,
No. 117.

2. By the Royal Warrant of 13th January 1860, an Assistant Surgeon, after six years' service as such, is to have relative rank as Captain. The same Warrant declares that "such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds."

3. My Despatch dated 16th May last, No. 152, stated that Officers compelled to leave the service on account of ill health, and entitled to half-pay pensions under present Regulations, would, in future, be allowed the half-pay of their relative rank.

4. Under these circumstances, I am of opinion that in respect to retirement on half-pay, the Assistant Surgeon, after a service of six years, should be treated as an Officer having the Regimental rank of Captain has hitherto been treated; that is, without being required to show any qualifying period of service, he should be permitted to retire on the half-pay of Captain, on showing sufficient proof of disqualification for further service.

5. Medical Officers under six years' service having the rank of Lieutenant, will continue, in respect to retirement on account of ill health, subject to the Regulations applicable to Subaltern Officers.

INDIA OFFICE,

London, 28th February 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—With your letter dated 6th January, No. 13, you transmit papers relative to a question raised by Dr. F. Anderson, Deputy Inspector General of Hospitals, as to whether an Officer of the Indian Medical Service can retire on half-pay under the same conditions as are necessary in the case of an Officer of the British Medical Department, i.e., without residing in a temperate climate for the usual term of a furlough.

2. My Despatch dated 16th May last, (No. 152, paragraph 15) out of which this question has arisen, referred to Officers compelled to leave the service on account of ill health, and entitled to half-pay pension under present Regulations. By those Regulations an Officer is precluded from retiring from the service on half-pay pension in India. Under these circumstances, the view taken by your Government is quite correct, viz., that my Despatch referred to merely altered the rate of pension, and did not affect the rule of the service, which requires an Officer, to entitle him to half-pay pension, first to try the effects of a temperate climate.

No. 91.

INDIA OFFICE,

London, the 24th March 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—The Military letter from your Government, dated 21st January, No. 36, submits two questions with regard to the retirement of Medical Officers, arising out of the late alterations with respect to the Medical Service. With regard to the first, it appears to you that all service on the full pay of the appointment in the case of Inspectors and Deputy Inspectors General of Hospitals, should reckon towards the 5 years' service in those grades qualifying for the additional pension; and that the aggregate period of "service in India," noted in para. 35 of my Despatch dated 7th November last, No. 36, is to include the periods of leave hitherto allowed to reckon under the new furlough rules as service for pension.

2. This is quite in accordance with the intentions of Her Majesty's Government.

3. With regard to the second point, you apprehend that the six months' leave on medical certificate, referred to in para. 38 of my Despatch, applies only to the tenure of the appointments of Inspector General and Deputy Inspector General, and not to the time of pension under para. 35.

4. This view is also quite correct; the tenure of appointment referred to being that which is to entitle Officers of these grades to the additional pensions after five years' active employment in India.

SIR,—I have been in communication with the Secretary of State for War on the questions raised in the letters of the dates noted in the margin, regarding the position of the Veterinary Surgeons of the Indian Service who may declare for general service in Her Majesty's Army.

2. I stated that it appeared to me that such of those Veterinary Surgeons as might volunteer for general service would become an integral part of Her Majesty's Army, and hold the same position as the Veterinary Surgeons in that Army; that they would be considered to have terminated all connection with their former service; and that they would be allowed to reckon their past service towards pay, promotion, and half-pay on retirement under the provisions of the Royal Warrant of the 1st July 1859.

G. O. G., No. 124,
31st March 1865.

3. The Secretary of State for War has expressed his concurrence in these views.

4. This decision should now be communicated for the information of the Veterinary Surgeons of the Local Forces at the three Presidencies, and a return of the Veterinary Surgeons desirous, on such conditions, to enter Her Majesty's general service, should be transmitted to me for communication to the Secretary of State for War.

5. The connection with the respective Military Funds of such of the Veterinary Surgeons of the Local Forces as may volunteer for, and be accepted for, Her Majesty's general service, will depend upon the regulations of the Funds of their respective Presidencies.

VICTORIA R.

Whereas it hath been represented to Us that it is expedient to raise the position and rank of the Veterinary Surgeons of Our Army, and to increase the pay and half-pay of the Officers of that service; Our will and pleasure is, that from and after the date of this Our Royal Warrant, the following Rules shall be established for the admission, promotion, and retirement, and for the pay, half-pay, relative Rank and allowances of the Veterinary Surgeons of Our Army, and that by these Rules Our Commander-in-Chief shall be governed in recommending Officers for admission, promotion, and retirement

1. The grades of Veterinary Surgeons in Our Army shall be three in number, viz :—
 1. Staff Veterinary Surgeon.
 2. Veterinary Surgeon of the First Class.
 3. Veterinary Surgeon.
2. No candidate shall be admitted into the Veterinary Department of the Army until he shall have satisfactorily passed an examination before a Board of Military Veterinary Surgeons.
3. No Veterinary Surgeon shall be eligible for promotion until he shall have passed such examination as Our Principal Secretary of State for War may require, and shall have served on full pay with the Commission of Veterinary Surgeon for five years.
4. A Veterinary Surgeon of the First Class must have served 15 years in the Army with a Commission on full pay before he will be eligible for promotion to the rank of Staff Veterinary Surgeon.

6. Promotion from one rank to another shall not necessarily be given by seniority, but by selection for professional ability and meritorious conduct; such selection to be made by Our Principal Veterinary Surgeon; and the ground of such selection shall be stated to Us in writing, and recorded in the Office of Our Commander-in-Chief, together with the recommendation of the Principal Veterinary Surgeon.
7. The rates of pay of the Veterinary Officers of Our Army shall be in accordance with the following schedule :—

	SERVICE ON FULL PAY.

8. It is to be clearly understood that all increase of pay from length of service is to be granted subject to a Veterinary Surgeon having discharged his duties with zeal and ability.

9. After the date of this Our Warrant, every Veterinary Officer placed on half-pay by reduction of establishment, or on the report of a Medical Board, in consequence of being incapacitated by reason of ill-health, caused by wounds or brought on by the discharge of his duties, shall be allowed the half-pay which his period of full-pay service may entitle him to, according to the following schedule :—

10. With a view to maintain the efficiency of the Service, all Officers of the rank of Veterinary Surgeons and Veterinary Surgeons of the First Class shall be placed on the Retired List when they shall have attained the age of 55 years; and all Staff Veterinary Surgeons when they shall have attained the age of 65 years.

11. Officers thus superannuated shall be entitled to the rate of half-pay, stated in the preceding schedule.

12. Every Veterinary Officer who shall have served upon full pay for 25 years and upwards shall have the right to retire upon half-pay, at the rate of two-thirds of the daily pay he was in receipt of when thus retiring, provided he shall have served three years in the rank from which he retires, or shall have served in any rank for ten years in the Colonies, or five years with an army in the field. But if he shall not have complied with any one of these conditions, he shall be entitled only to half-pay at the rate of two-thirds of the daily pay he was in receipt of before his last promotion.

13. Every Veterinary Officer thus claiming to retire must give six months' notice to the head of his Department of his intention to claim this right prior to his being allowed to retire; and no Veterinary Officer shall be entitled to give such notice after he shall be under orders to proceed to any foreign station, until he shall have served at such station for one month.

14. If a Veterinary Officer be placed on half-pay from any other cause than those hereinbefore mentioned, he shall only be allowed a temporary rate of half-pay, not exceeding the rates stated in Clause 9 for such period and at such rate as shall be assigned to him by Our Secretary of State for War, on a consideration of the length and character of the services rendered by such Veterinary Officer.

15. The relative rank of the Veterinary Officers of Our Army shall be as follows :—

Veterinary Surgeon, on appointment, as Subaltern.

Veterinary Surgeon of the First Class, on promotion, as Captain.

Staff Veterinary Surgeon, on promotion, as Major, but junior of that rank.

16. Such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds (except as regards the Presidency of Courts Martial, and of all Military Courts Committees, and Boards of Inquiry, where Our will and pleasure is, that the senior combatant Officer be always President, and except, further, any military command whatever), and shall regulate the choice of quarters, rates of lodging money, field allowances, forage, servants, fuel, and light, or allowances in their stead, detention and prize money. But when a Veterinary Officer is serving with a regiment, corps, or detachment, the Officer commanding, though he be junior in rank to such Veterinary Officer, shall be entitled to preference in the choice of quarters.

17. Veterinary Officers shall be entitled to all the allowances granted by Our Warrant of 13th July 1857, on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

18. Their families shall, in like manner, be entitled to all the allowances granted by Our Warrant of 15th June 1855, to the families of combatant Officers holding the same relative ranks.

19. Veterinary Officers shall be held entitled to the same honors as other Officers of Our Army, of equal relative rank. This does not, however, extend to the compliments to be paid by garrison or regimental guards, as laid down in the Regulations of Our Army.

Given at Our Court of St. James' this first day of July 1859, in the twenty-third Year of Our Reign.

By Her Majesty's Command,

SIDNEY HERBERT.

No. 224 of 1865.—The following Extract from General Orders by the Government of India, are republished :—

VETERINARY SURGEONS—PAY AND ALLOWANCES.

No. 504 of 1865.—With reference to G. G. O., Nos. 363 and 364,* dated 30th March 1860, the Right Hon'ble the Governor General in Council is pleased to direct the publication of the following paragraphs of a letter from the Right Hon'ble the Secretary of State of India, No. 109, dated 7th April 1865, and to notify that the increased allowances therein authorized are to have effect from the 1st May 1865 :—

Para. 1. With my letter dated 24th November 1859, No. 412, I transmitted to you copies of a Royal Warrant, dated 1st July 1859, regulating the rank, pay, promotion, and retirement of Veterinary Surgeons of Her Majesty's British Forces; and I directed that such parts of this Warrant as related to relative rank and precedence should be made applicable to the Veterinary Surgeons of Her Majesty's Indian Forces. At that time, it was not considered expedient to alter the existing regulations affecting the pay and allowances, or the conditions of invaliding and retirement, of this class of Officers.

2. Consequent on the recent extension to Medical Officers of the benefits of the rates of pay and allowances fixed by the Royal Warrant of 1st October 1858, for the Medical Officers of the Army, I have had under my consideration in Council the subject of the allowances drawn in India by Veterinary Surgeons of the British and Indian Forces respectively.

3. Your letter dated 21st December last, No. 470, also draws my attention to the present scale of pay to Veterinary Surgeons in India, which is stated to be relatively much less than that granted in England and the Colonies.

4. It appears to me that the time has now arrived at which other provisions of the Royal Warrant of 1st July 1859, may be introduced into India, in addition to those specified in my letter of the 24th November 1859, above referred to.

5. It has been accordingly resolved that the rate of pay laid down in the Royal Warrant, with the Indian allowances of the relative rank of the Officer, shall, for the future, be adopted as the scale of pay for Veterinary Surgeons of the British and Indian Forces. From the date of commencement of these allowances, all extra allowance of whatever description will cease.

* Madras G. O. G., 17th April 1860, No. 168.

6. The rate of pay of Veterinary Surgeons of both services will then be as follows:—

8. Veterinary Surgeons compelled to leave the service on account of ill health, and entitled to half-pay Pensions under present regulations, will be allowed the Indian rates of half-pay of their relative rank, as laid down in the Royal Warrant of 1st July 1859.

9. Veterinary Surgeons of the Indian Medical Service will be allowed to retire on the following scale of pension, on completion of the required periods of service, viz:—

After 20 years.....	£ 200 a year.
" 25 "	250 "
" 30 "	300 "

10. The amalgamation of the Veterinary Surgeons of the British and Indian Forces being contemplated, no further alteration in regard to the position on retirement of the Veterinary Surgeons of the latter Forces appears to me to be at present called for.

11. The other advantages held out by the Royal Warrant to Veterinary Surgeons and their families, are to be adopted and declared applicable to India, as far as the differences of the service will admit.

12. Such Veterinary Surgeons of the local forces as have expressed their desire to volunteer for general service, should be allowed to reconsider their decision on your receipt of this Despatch.

The following Extract from General Orders by the Government of India is republished:—

Good Service Pensions.

His Excellency the Governor General in Council has much satisfaction in publishing the following extracts from a Despatch from the Right Hon'ble the Secretary of State for India, No. 388, dated India Office, London, the 9th December 1864, sanctioning the establishment of good-service pensions in the Indian Army, as rewards for distinguished or meritorious services.

PARA. 1. I have considered in Council your Military Letter, No. 286, dated 13th August 1864, in which you suggest the establishment of a system of good-service pensions for Officers of the Indian Army, based upon that which has been adopted in Her Majesty's British Service.

2. The proposal of your Government is, that fifty such pensions of £100 per annum be given to the Indian Army, under certain conditions.

7. Her Majesty's Government, therefore, sanction the introduction of a system of good-service pensions in the Indian Army, under the following regulations:—

I. Fifty good-service pensions of £100 per annum will be distributed among the Officers of the several Staff Corps and of Her Majesty's Indian Army at the three Presidencies.

II. Officers of all ranks will be considered eligible for the pensions on the recommendation of the Government of the Presidency to which they belong, supported by that of the Government of India; but, except under very special circumstances, the grant will be restricted to Officers above the rank of Lieutenant.

G. O. G.
No. 129, 29th
March 1866.

III. The good-service pension will be given up by an Officer on resignation of the service, or on coming into the receipt of the Colonel's allowance; but an Officer placed on half-pay, or retiring upon full or half-pay pension, will retain the good-service pension in addition to such half-pay or pension.

IV. Ordinarily the good-service pension will be conferred upon Officers of the effective list; but Officers who may have been placed on half-pay, or who may have retired from the service on full or half-pay pension, will also be considered eligible for them.

V. On the nomination of any Officer to a good-service pension being sanctioned by the Secretary of State for India in Council, a Notification to that effect will be published in the "Gazette of India," specifying the Military services of the Officer.

It having been brought to the notice of Government, that instances have recently occurred in which Military and Medical Officers in Civil employ have obtained leave to Europe through the Civil Department, the Governor in Council desires to call the attention of all Officers to para. 825, Clause G, Army Regulations, and to G. O. G., dated 18th August 1864, No. 191, requiring all applications for leave to Europe to be submitted through His Excellency the Commander-in-Chief.

The Right Honorable the Governor in Council is pleased, in supersession of existing Military Officers in Civil employ, from the Accountants of the Government under which they are employed.

Officers of the Public Works Department, from the Chief Engineer, Department Public Works.

Officers of the Stud and Commissariat Department, from the Auditor of Commissariat Accounts.

Officers of the Ordnance Department, from the Inspector General of Ordnance and Magazines.

Regimental and other Military Officers, from the Divisional Paymasters, countersigned in all practicable cases by the Military Accountant.

C., 2d July 1856, No. 34, excepted) will be required to submit with his application for leave, a report from one of the Officers noted in the margin, according to his Department, stating whether, with reference to the information before him, there is reason to require security as a special case on account of any doubtful items outstanding against the applicant, or because of any thing suspicious or extraordinary in the state of the applicant's accounts.

2. The reporting Officer must not delay his report in ordinary cases, by references to local Officers, as with a proper system of despatch and proper vigilance on his part, he ought, in all ordinary cases, to have the means of judging in his own office.

He will also at the time of relief obtain from his successor, in addition to the usual receipts for cash and stores, a certificate that, as far as can be ascertained after careful examination, nothing irregular, nor any known demands against him, remain unadjusted in his office. This certificate will be sent on date of relief direct to the Controller of Military Accounts.

The provisions of existing orders as regards officers proceeding on leave on medical certificate, or intending to retire from the service, remain in force.

Privilege Leave.

G. O. C. C., No. 42, 17th Jan. 1856. With reference to paras. 26 and 31 of the New Furlough Regulations, the Commander-in-Chief, with the sanction of Government, directs the following rules with respect to the grant of leave on private affairs to all Officers under His Excellency's orders serving under their respective Commands, to be substituted for paras. 3, 4, 5, 6, 6½ and 7, Section XVIII of the General Regulations, para. 42 of which Section is cancelled. Books to be corrected accordingly.

Periods of leave may be granted as follows; including day of departure and day of return, both which dates are in each case to be noted in muster rolls and abstracts.

By Officers Commanding Regiments subject to the control of Officers Commanding Stations.

For periods not exceeding three days in the calendar month (between Musters) within the Division or District and limited to an aggregate of ten days in six months, between the 1st January and 1st July and vice versa.

By Officers Commanding Stations subject to the control of Officers Commanding Divisions or Forces.

For periods not exceeding ten days in the calendar month (between Musters) within the Division or District and limited to an aggregate of twenty days in six months, between the 1st January and 1st July and vice versa exclusive of leave granted by Officers Commanding Regiments.

N. B.—Leave granted under the foregoing clauses to Officers serving in the Centre Division sanctions for visiting the Presidency.

The Right Honorable the Governor in Council is pleased to direct the publication of the following Bengal rule, and to sanction its extension to the Officers of this Presidency.

By Officers Commanding Divisions or Forces.

G. O. G., No. 193 of 13th June 1856. "Should an Officer who is on privilege leave not rejoin his Corps, but be absent in continuation, on not more than five months' leave on private affairs, or one year and eleven months' leave on medical certificate, he will retain his full salary or allowances for the thirty days of privilege leave, which will also count as service, but he will, nevertheless, forfeit all Military allowances on completing six months or two years' absence, (as the case may be) reckoned from the date that he quitted his Corps and station."

To the aggregate extent of thirty days in six months between the 1st January and 1st July and vice versa (irrespective of Musters) to go wherever the Officer wishes, the Presidency included, and exclusive of leave granted by Officers Commanding Regiments and Stations.

The leaves of absence authorized by the foregoing paras. may one and all be enjoyed by an Officer during the one and same period of six months above specified, without any loss of allowances; provided that in every case the Officer rejoins at the expiration of the particular leave obtained, that is to say that an Officer cannot be absent at one time for more than three days on Regimental, ten days on Station, or sixty days on Division, leave. But it is to be clearly understood that no consolidated salary, command, staff or contract allowance, shall in any instance, be drawn for two Officers for the same period, and that the State Surgeons, that they make approved arrangements for the performance of their duties during their absence.

The fact of an Officer having very recently returned to his post from general leave does not debar him from the privilege of obtaining leave under these rules.

An Officer unavoidably overstaying the leave granted him under paras. 3 and 4 will not be liable to forfeiture of Command or Staff allowances, except for the actual period in excess of the leave granted him by either of the above authorities. But it is always competent for the superior Station or Divisional authority to grant extension of such leave, on sufficient cause being shown to avoid even this forfeiture. For instance an Officer unavoidably overstaying Regimental leave may have it converted into Station or Division aggregate extent of leave which the different authorities are respectively permitted to grant is in no case exceeded.

Should an Officer on leave or on privilege leave be put on duty by the Commander-in-Chief at a station at a distance from his own, on a date which, with reference to such distance, would admit of his rejoining, by any mode of travelling within the period of his leave, he will be entitled to compensation for loss of allowances for the period of his detention beyond the expiration of his leave, but if put on duty at a time and place from which he could not with reference to distance rejoin within the period of his leave by any mode of travelling, he will not be entitled to compensation for any period of absence from his Regiment.

Officers not in Civil employ are allowed, when the demands of the service will permit temporary leave, without pecuniary loss or loss of service for sixty days consecutively in each year or thirty days consecutively in each half year as may be preferred.—G. O. G., No. 101 of 9th April 1857.

The above rules are applicable to Divisions and Forces, both within and beyond the Frontier. The existing rule, under which an Officer cannot be absent on privilege leave on the 1st January is abolished, and all that will be required is, that no Officer be allowed privilege leave for more than sixty days at one time or more than sixty days altogether between the 1st January and 31st December of each year.—Vide G. O. G., No. 170, 5th May 1856.

N. B.—In calculating the above leaves of absence the day of departure from Regiment or Appointment is one of leave and day of return thereto one of duty.

G. O. G. G. No. 91 of 26th January 1860.—The following Notifications, from the Foreign Department, are published in General Orders:—

No. 250, Fort William, the 23rd January 1860.—Notification.—The following Resolution passed by the Hon'ble the President in Council, in the Financial Department, under date the 6th instant, is published for general information:—

RESOLUTION.—The Officiating Civil Auditor, Fort William, enquires, with advertence to the case of Major Bouverie, Political Agent at Bhurtpore, whether, in the case of a Military Officer entering upon Civil employ, his score for privilege leave under the Civil rules must commence from the date of joining his Civil appointment, or whether it must be calculated by the usual reckoning of 11, 22, or 33 months of uninterrupted service, irrespective of the Department (Civil or Military) in which such service may have been rendered.

2. Referring to this question, the President in Council observes that, when it was laid down that two or three months' accumulated privilege leave could be granted, under the Civil rules, to Military Officers in Civil employ, it was intended that such leave should be earned by continuous service of the required number of months in the Civil Department alone.

The following Extract of a letter from the Officiating Secretary to the Government of India, Military Department, to the Secretary to Government, Military Department, Fort St. George, dated 3rd April 1860, No. 62, is published:—

"With reference to your letter No. 616, dated the 10th February last, I am directed to state for the information of the Honorable the Governor in Council, that His Excellency the Governor General is of opinion that the Military Secretariat to Government is certainly a Civil Department and that the Military Secretaryship to the Governor or to the Governor General, is as certainly a Military appointment. Accordingly the Civil rules for privilege leave are alone applicable to the former, and the Military rules exclusively to the latter."

The Governor in Council is pleased to authorize the Principal Inspector General Medical Department, to grant privilege leave to Medical Officers in Civil employ at the Presidency, the same being notified in every case in the Official Gazette. Leave to Medical Officers in Military employ will, however, continue to be granted as heretofore.

The Governor in Council directs that the following rule, contained in G. O. by His Excellency the Commander-in-Chief in India, dated Simla, 12th July 1859, be extended to this Presidency.

Leave of absence, preparatory to furlough, whether on private affairs or on sick certificate, must always be general, and not privilege leave.

With reference to G. O. G., No. 53, dated 3d February 1860, the Governor in Council directs that, in future, in accordance with the practice in Bengal, leave of absence preparatory to retiring from the service shall always be general, and not privilege leave.

Furlough Regulations of 1854.

1. All Officers, Staff as well as Regimental, also Military Officers in Civil employ, must declare their choice of rules on the first occasion of taking leave, whether the leave be in India or elsewhere, and if the leave applied for be in India under the local rules, Staff Officers may make choice of the old Regulations, still retaining their Staff appointments, but, after having elected the Old Regulations, they vacate their appointments on embarking for Europe or the Cape or elsewhere beyond Sea, except for short periods not exceeding three months under Rule 39.

3. To those Officers who adopt them, the New Regulations will apply retrospectively in respect of furlough and leave of absence beyond Sea, and in computing their time of service for retirement, so that their furloughs or leaves of absence, whether under the old or the new rules, and whether on private affairs or sick certificate within or beyond India, will count for service to the authorized extent only, in computing the time for retirement on full pay.

4. Officers who have availed themselves of the option of the old rules, are allowed to re-consider the question under the modifications now sanctioned.

5. Officers who have not taken leave subsequent to the publication of the new rules on the 1st February 1854, and who consequently may not have been called upon to declare whether they would abide by the old or the new Regulations, will, on retirement from the service, be entitled to take full advantage of the privileges given by the new Regulations.

Furlough on Private Affairs.

6. Every Officer will be allowed a furlough to Europe, or elsewhere, beyond Sea, for a period of two years, at the expiration of ten years' service, and for a second period of two years after twenty years' service in India. (Period passed at Addiscombe College not to count.) An Officer proceeding on leave to England for six months, retaining his appointment or otherwise, is not to be considered as having taken his authorized furlough after ten or twenty years, as the case may be, but may, with permission of Government be allowed at any time to take the remainder of the two years authorized furlough on private affairs.—G. O. G. 1st April 1856, No. 102.

7. The second furlough of two years will only be granted after ten years' service in India, from the date of the return to duty after the first furlough of two years. These furloughs are not to be cumulative, under any circumstances, but are limited to two years. Officers who have taken leave of absence on sick certificate to Europe or elsewhere beyond Sea, will be ineligible to a furlough on private affairs until they have served six years from their last return to duty. This rule does not apply to short leave to sea. Officers who take their first furlough after twenty years' service in India, may take their second furlough after an additional service of five years from the date of their last return to duty.—G. O. G. 1st July 1856, No. 211.

An Officer of upwards of 20 years' service, but who before completing that period has enjoyed a furlough on private affairs to Europe, for say four years, for three of which he drew pay, has a claim to a second furlough of one year with pay, on the completion of ten years from the date of his return to duty, but, if subsequently to his return from furlough, he has taken leave out of India on S. C. his second furlough on private affairs will not be claimable till the expiration of six years from return to duty from such sick leave as well as ten years from the date of return to duty from furlough on private affairs.

N. B.—This rule is not applicable to an Officer who takes his first furlough out of India after completing twenty years' service.

Officers who have proceeded on sick leave to Europe after a period of twenty years' service, it being the first time of their quitting India, can, as in the case of Officers who take their furlough after the same period, take a furlough on private affairs after five years from the date of their return to duty.—G. O. G. 18th November 1856, No. 92.

Fort William, the 29th January 1866.

No. 102 of 1866.—The following Military letter from the Right Hon'ble the Secretary of State for India, No. 362, dated 8th December 1865, is published for general information:—
MILITARY, No. 362.

INDIA OFFICE, London, 8th December 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—In your Military letter dated 20th September last, No. 403, you refer for my decision a question what has arisen whether leave taken on private affairs without pay out of India, counts as part of the 6 years required before an Officer can obtain furlough after return to duty.

2. From the case which gives rise to the enquiry, I presume the question relates only to Clause 7 of the Furlough Rules, published in Orders by your Government on 17th November 1854, part of which is as follows:—

“Officers who have taken leave of absence on sick certificate to Europe or elsewhere beyond sea, will be ineligible to a furlough on private affairs until they shall have served six years from their last return to duty. This rule does not apply to short leaves to sea.”

3. Clause 6 of the same rules states that every Officer will be allowed a furlough to Europe or elsewhere beyond sea for a period of two years at the expiration of ten years' service, and or a second period of two years after twenty years' service in India.

4. It was decided by the Court of Directors in the year 1856, that an Officer who had proceeded on leave to England for six months was not to be considered as having taken his authorized furlough after ten or twenty years, as the case might be; but that he might, with the permission of Government, take at any time the remainder of the two years' authorized furlough on private affairs.

5. The Court of Directors also ruled that the absence for six months under Clause 9 did not preclude an Officer from taking his furlough to Europe after ten years' service.

6. It appears to me that the principle of these decisions may be applied to the present question; and absence to Europe on private affairs for six months, and all extensions of such leave granted in the country under special circumstances and without pay, may be permitted to reckon as part of the six years required to be served after return from leave on medical certificate to entitle an Officer to his furlough on private affairs.

No. 1244 of 1869, *Fort William, the 15th December 1869*—In continuation of G. O. G. Regulations of 1854—G. O. G. No. 1150 of 1854, paragraph 7. Regulations of 1868—G. O. G. No. 4610 of 1868, Rule VIII.

No. 1131* of the 1st December 1868 and under the authority of the Right Honourable the Secretary of State for India, it is hereby notified that the rules laid down in the furlough regulations specified in the margin, which in the former require a period of ten or six years, and in the latter a period of three years, to be completed after return from last furlough before an Officer can be held eligible to a fresh furlough on private affairs, do not apply to the case of a General Officer of the Staff Corps or of the local service who may be unemployed.—* Madras G. O. G. 15th December 1868, No. 450.

8. All grants of furlough on private affairs are subject to the exigencies of the Public Service, and to the Regulations framed for the preservation of the efficiency of each Regiment by limiting the number of absentees.

9. Officers holding Staff or other detached appointments may be allowed furlough for a period of six months without losing their appointments; but during that period, they will not be entitled to any portion

* Madras G. O. G., 5th May 1865, No. 170.

of their Staff salary, which will be drawn in full by the Officers officiating for them. Absence for six months under this rule does not preclude an Officer from taking his furlough to Europe after ten years' service.—G. O. G. 1st July 1856, No. 211.

G. O. G. 25th May 1860, No. 246. 9. Officers who have come to this country on duty with discharged Troops, and have been granted extensions, (not exceeding six months) of their privilege leave on medical certificate, or on private affairs, shall not be considered to have vitiated their claim to Furlough at the end of ten years' service, though they may not have been six years in India since their return from this country.

G. O. G. 26th June 1860, No. 290. Para. 4. I have to inform you that it has been decided that those Officers who have been allowed to count their leave on sick certificate, as service for pension, will be ineligible to a furlough on private affairs, until they have served six years in India from the date of their return to duty. Vide Rule 7.

G. O. G. 12th July 1861, No. 232. No. 565 of 1861.—His Excellency the Governor General in Council is pleased to resolve that absence from India, on authorized leave within the periods allowed by the new furlough Regulations, shall not debar an Officer whose efficiency has been proved and certified to the full satisfaction of the Governor in Council from Departmental promotion, temporary or permanent.

In such cases the absent Officer will not, till he resumes charge of his duties, have any claim to the salary of the higher office, which will be drawn by the acting Officer.

Your Military letter dated 20th February, No. 73, transmits, with your favorable recommendation, correspondence relative to an application from Lieutenant Colonel J. McK. Taylor, Commanding 2nd Regiment, Bombay Light Cavalry, praying, that the furlough Regulations may be so far modified as to allow Officers who have taken only one furlough during twenty-seven years' service to take a second furlough, after the expiration of that time, without being compelled to serve ten years from date of return to duty.

2. Under a decision of the Court of Directors, under date the 25th April 1856, No. 56, Officers who take their first furlough after twenty years' service in India, may take a second furlough after a service of five years, from date of last return to duty, or, on completion of twenty-seven years' service in India.

3. In the present case, it appears that Lieutenant Colonel Taylor took his first furlough after a service of eighteen and a half years. Under present rules he cannot obtain a second furlough until the expiration of ten years, from date of return to duty, by which time he will have completed a service of upwards of thirty years.

4. I have no objections to the modification of the Furlough Regulations suggested by your Government in favour of Lieutenant Colonel Taylor and other Officers similarly circumstanced, on the understanding, however, that this is not to affect the Rule under which an Officer who takes his first furlough after twenty years' service, or upwards, must serve a period of five years, from date of last return to duty, before he is to be held entitled to a second furlough.

An Officer must have served ten years in India to entitle him to return to this country on private affairs for six months, retaining his appointment and drawing furlough pay.

An Officer who has taken the furlough to Europe for two years, after ten years' service, must show a service in India from date of return of ten years, to entitle him to return to Europe on private affairs for six months, retaining his appointment and drawing furlough pay.

An Officer having taken shorter leaves of absence as a Staff Officer (six months on private affairs fifteen or twenty months on sick certificate) with retention of appointment may take a second leave of absence, retaining his appointment on sick certificate after he has been three years, or on private affairs, after he has been six years in his discharge of the duties of his appointment, from the date of last return to it.

This decision should not be allowed to interfere with the practice which has been followed under the Regulations of 1854, and those in force previously, for permitting Officers in certain cases of emergency to return to this country on private affairs for short periods without pay, and that a Staff Corps Officer permitted to return to Europe under such circumstances should be allowed to hold his appointment for a period not exceeding six months. In fact, this has already been authorized in Question and Answer No. 121, which states that the Government may grant leave of absence for six months on urgent private affairs without pay and allowance to a Staff Corps Officer, with retention of appointment, on being satisfied of the urgency of the case.

I am of opinion also that Staff Officers not members of the Staff Corps should be allowed a similar indulgence under like circumstances.

G. O. G. 26th Aug. 1863, No. 304. Regarding the mode of reckoning the service of an Officer of the Staff Corps formerly under the old furlough Regulations, as regards future furloughs such Officers will be under the operations of Clause 7 of the furlough rules of 1854.

10. All Officers, whether Staff or Regimental, while on furlough on private affairs, will be entitled to “furlough pay” only.

Leave of absence on Sick Certificate.

11. Leave of absence on sick certificate will be granted for a term not exceeding twenty months when it be to any place in Europe or elsewhere out of India.

12. Extensions of such leave may be granted, as at present, on production of medical certificates for further periods not exceeding sixteen months in the whole.

With reference to para. 13. No. 1884.—The grant of leave of absence to Staff Officers, on medical certificate, with half Staff allowances, for six months, and with the privilege of returning to their offices, if their absence from India be not prolonged beyond fifteen months, is bestowed by the Honorable Court, in order to enable such Officers to regain their health, and in the expectation, that they will be thereby qualified to render additional service to the Government. But if leave of absence be taken merely to run out a prescribed

13. An Officer holding a Staff or other detached appointment will be allowed to be absent on sick certificate in England or else-

- period of service, and without any intention of returning to duty, the principle on which the rule is founded is infringed, and the indulgence of the Honorable Court is abused; wherefore the Right Honorable the Governor General in Council hereby notifies for general information, that, if there be an avowed intention on the part of an Officer not to return to duty, or if the Government have valid grounds for concluding that the Officer has no intention to return to duty, the indulgence of leave on sick certificate, retaining office, will not be granted in future.
- The foregoing was declared in a Notification, No. 2,129, dated 16th April 1856, republished in G. O. G. 2d May 1856, No. 139, to be applicable to all Military Officers holding Political or Civil appointments, either under the Government of India or under any of the Subordinate Governments.*
- With reference to paras. 13 and 16, *Al. C. No. 2,702, 20th October 1856.*
6. If an Officer, having proceeded on leave in India on medical certificate and enjoyed the indulgence to the full extent, proceeds on leave on medical certificate out of India without having returned to duty, the existing Regulation which precludes receipt of Indian allowances for a longer period than two years of continuous absence from duty, is a bar to his drawing Indian allowances for the first six months or for any part of his fresh leave.
3. The new furlough Regulations made no alteration in the old rules governing the resumption of Staff allowances on return to duty. Under those rules an Officer who had ceased, prior to his return, to be entitled to Staff allowances, could not draw any portion of them from an earlier date than that of his resumption of his Staff duties. We think it undesirable to make any change in this respect.
14. An Officer's claim to half Staff salary for six months, as sanctioned in the preceding rule, will not be affected by his subsequently retiring from the service in Europe or elsewhere.
15. No portion of Command allowance, Medical Staff salary or other similar allowance, which under the old rules was inadmissible to Officers absent from their Corps or Stations at the Cape or elsewhere, will be allowed to absent Officers under these Regulations.
16. * All Officers, whether Staff or Regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian Pay and Allowances as was allowed under the old Regulations to Officers proceeding to the Cape on medical certificate, and for the remaining period of their leave they will receive furlough pay only.
17. If the leave on sick certificate be extended, furlough pay will be continued, but under no circumstances for a longer period than three years altogether from the commencement of the absence.
- Staff Officers.*
18. The term Staff Officer applies to all Officers holding Staff or Detached appointments, Military, (General or Regimental,) Political or Civil, also to General Officers Commanding Divisions, Inspectors or Deputy Inspectors General of Hospitals and others who, under the old rules, were entitled to draw half Staff allowance when absent at the Cape.
19. Staff Officers, absent on leave beyond the periods stated in Rules 9 and 13 respectively, cannot retain their * allowances except on special grounds, to be sanctioned by the Government of the Presidency.
- Any such special grant of leave is to be reported at once to the Secretary of State for India with the reasons for it, and to be subject to his approbation.
- With reference to para. 19.
1. The new furlough Regulations are held, not to affect the rules heretofore in force with respect to leave in India, and consequently a Staff Officer obtaining leave of absence in India on private affairs for six months, or on medical certificate for two years, retains during such absence a moiety of his Staff salary as sanctioned by the Regulations for the grant of leave in India which are still in force.
2. A Staff, as well as a Regimental Officer is required, when first applying for leave, whether in or out of India, to declare by which of the furlough Regulations he wishes to abide.
3. In the event of a Staff Officer electing the new furlough Regulations and taking leave in India, the whole of the leave he has previously enjoyed from the date of his entering the service, excepting the periods allowed by those rules to reckon as service, must be reckoned against his period of service for retirement.
- The concession of leave to Europe in the case of a General Officer is to be considered the exception and not the rule; and, as ground for obtaining such leave, it must be shown that the Officer has contracted illness from the effects of climate, or of wounds received on urgent nature.
- Leave on medical certificate will be restricted to six months, and on private affairs to four months, the penalty of exceeding such period being the vacation of the Command, and in no case will a General Officer be allowed more than one grant of leave out of India during his tour on the Staff.
- The position of Brigadiers being considered analogous to that of General Officers on the Staff, the principle upon which the indulgence of leave is to be granted will hereafter be the same in both cases.
- No. 1161 of 1868.—His Excellency the Governor General in Council is pleased to direct the publication, for general information and guidance, of the following Military letter from the Right Hon'ble the Secretary of State for India:—
- INDIA OFFICE, London, 31st October 1868.
- SIR,—As it appears from recent circumstances that an impression exists in India that Officers Commanding Divisions and Brigades whose leave of absence on sick certificate with retention of appointment is limited to six months, and who may come to this country for that period, are not required to produce evidence of physical fitness for duty before being allowed to return to India, I request that you will notify to the Army at large that

* Vide margin of Rule 9.

- all Officers, however employed, and whatever may be the amount of leave granted them, who leave India on sick certificate, are required to produce a certificate of fitness for duty before they can be allowed to return.
- No. 170 of 24th February 1874.—The following paragraph of a Military Letter from the Right Honorable the Secretary of State for India, No. 5, dated the 14th of January 1874, is published for general information:—
3. I have resolved to grant Officers, whether of the British or Indian service, in Command of Divisions or Brigades, the English pay of their rank, when on leave on private affairs, under General Order No. 952* of 1861. This decision will apply to all others Officers affected by this General Order.
20. The privilege of retaining Staff appointments during leave of absence on sick certificate, or on furlough on private affairs, will not be available a second time, if the fresh leave is on sick certificate, until an officer has been three years, or if on private affairs, until he has been six years in the discharge of the duties of his appointment, from the date of last return to it."
- "An Officer who has once returned to Europe, retaining his appointment under the new rules, cannot be allowed that privilege a second time, no matter whether it be the same or another appointment, unless he has served the prescribed period since his last return to duty."
- "An Officer who has returned from Europe or from Sea, but not as a Staff Officer, i. e., who did not proceed to Europe as a Staff Officer with the attendant privileges, and is subsequently nominated to a Staff situation, and in less than three years from the date of his last return to duty, proceeds on such leave to Europe or to Sea, would not be required to vacate his appointment, with advenience to para. 20 of the new furlough Regulations."
- The following Military letter from the Right Hon'ble the Secretary of State for India, is published for general information:—
- MILITARY, No. 140. INDIA OFFICE, London, 30th April 1868.
- To His Excellency the Right Hon'ble the Governor General of India in Council.
- SIR,—It has been brought to my notice that Officers of the Indian Service promoted to the rank of General Officers, and frequently thrown out of active employment for a season by such promotion, are, if residing unemployed in India, entitled to count such residence as service for pension, but if residing out of India, they come under the rules applicable in this respect to Officers on leave.
2. I do not consider, under the altered circumstances of the Indian Service, that this distinction should be maintained, and I have determined therefore, that Officers on attaining to the rank of Major General shall reckon the whole of their service on the effective list, whether employed or unemployed, as service for pension, wherever they may choose to reside.
3. This ruling will take retrospective effect in the case of Officers retiring from the service hereafter.
21. This rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs in India, or for brief periods not exceeding three months, to Ceylon, the Mauritius, or other places out of India.
22. Officers Commanding Troops of Horse Artillery and Light Field Batteries, and Officers generally in employment, will be allowed leave out of India under the same rules with respect to allowances and tenure of command or office as regulated the grant of leave to the Cape to such Officers under the old Regulations, except as to the duration of those advantages, the time for their continuance being subject to the provisions of the new Regulations.
- Date of Furlough and Advances of Pay.*
- No. 895, Fort William, the 14th September 1874.—In modification of G. O. G. No. 862, dated 29th September 1871, it is notified for general information that, in future, the day on which an Officer reports himself as having disembarked on return from furlough out of India, will be reckoned as service, as formerly, and will not be included in the period of his furlough.
23. The period of furlough on private affairs, or leave of absence on sick certificate, is to be calculated from the date of the departure from India of the ship in which the Officer proceeds.
- N. B.—"When an Officer is granted permission to return to his duty by a particular ship, it is equivalent to granting him an extension of leave until the arrival of that ship in India."—G. O. G. 15th August 1862.
24. Advances of pay and allowances, Staff and Regimental, to Officers proceeding on leave of absence on sick certificate, who may be entitled to them, will be made if desired in India for three months from date of embarkation. Payments in continuation will be made in England at the rates of exchange fixed annually for re-payment of advances made on account of Her Majesty's Government. Furlough pay will continue to be issued in advance for six months when required by Officers obtaining furlough on private affairs.
- 1st.—It is the duty of an Officer before leaving India to obtain his last Pay Certificate; he should therefore at the time of applying for leave address the Deputy Paymaster in whose Circle of payment he may be, with a request that his accounts may be adjusted, and at the port of embarkation he should apply at the Pay Office for a last Pay Certificate. In the event of his not being able from any cause to obtain this certificate, he should address the Military Accountant on the subject, and that Officer will investigate the circumstances of the case and submit a report thereon to the Military Finance Department for transmission to Government.
- 2nd.—In cases in which Officers return Home "for Residue of furlough," the period remaining unexpired should be stated in their papers by the Pay Department.
- 3rd.—The Right Honorable the Secretary of State for India having observed, in his letter No. 497, dated the 31st December 1861, paragraph 10, that "the final settlement of all pay and allowances issued to an Officer prior to his quitting India, whether in advance or otherwise, is invariably left to the authorities in India, it will not be necessary for the Officers of the Pay Department in future to call upon Officers on furlough in England, who, on promotion, may apply to India for an adjustment of pay (for the period issued to them prior to their leaving this country) to furnish a certificate under the signature of the authorities at the India Office to the effect that no such adjustment has been made by them."
- 4th.—This order is applicable to the three Presidencies, and will have effect from this date.

* Madras G. O. G., 5th November 1861, 391.

† Madras G. O. G., No. 241, dated 6th October 1871.

No. 750 of 1862.—His Excellency the Governor General in Council is pleased to extend to Officers on leave the rule which permits Officers of one Presidency, when absent on duty, to draw their pay and allowances from the Pay authorities of any other Presidency at which they may be residing, and to lay down the following rules for future guidance:—

Officers of one Presidency may draw advances on account of their pay and allowances which have become due from Paymasters at any other Presidency at which they may be residing, whether on duty or on leave on medical certificate or private affairs.

Officers so situated must furnish, with their Bills, a last Pay Certificate from their own Presidencies, showing specifically the sum to be deducted and the amount to which entitled, and also indicate the General Order or other authority under which they are absent.

These rules are also applicable to cases of Officers embarking for Europe from any other than their own Presidencies, and who may be entitled, under the furlough Regulations, to advances of pay and allowances.

In cases of Staff Officers so situated their last Pay Certificates are to specify clearly the amount of half Staff salary to which they may be entitled during their leave.

In case of emergency, when last Pay Certificates cannot be produced, advances on account of unadjusted arrears of pay may be made on good security for the amount being furnished.

Bills for any admissible passage money are to be supported by a sufficient Guarantee from the Agents of the Ship or other parties, that half the passage money will be refunded in the event of the Officer dying after engagement of his passage, or before the vessel puts to sea.

Paymasters making advances under these rules are invariably to record the same on the back of the last Pay Certificate, and will make the necessary communication to the Paymaster of the other Presidency concerned with the least possible delay, and if Security be taken, it is also to be noted on the Pay Certificate.

If proof be forthcoming that an Officer has already furnished Security at his own Presidency for any demands on the part of Government which may arise, fresh Security is not to be required by Paymasters of any other Presidencies.

All over-drawings or short charges will always be adjusted by the Pay authorities of the Presidency to which the Drawing Officers may belong.

All other orders on this subject at the three Presidencies are hereby superseded.

25. The existing Regulations regarding Passage Money to Officers are not affected by these rules.

G. O. G. G., No. 1009 of 3rd December 1866.—With the view of encouraging the study of the Native languages, it is hereby notified, for general information, that extended periods of leave to visit the Presidency, without loss of service, will be granted under the following conditions to Officers of the Army who pass successful examinations in the tests prescribed in Government General Order, No. 734 of 1864:—

1st.—Officers who pass an examination according to the second standard will be allowed to reckon as duty the period of their absence to the extent of (6) six months.

2nd.—To Officers who pass a successful examination in the languages defined in Rule VIII of the Government General Order quoted, above, a further period of six months' leave will be granted without loss of service.

3rd.—Candidates who may obtain certificates of High Proficiency, under the operation of Rule XII, will be allowed leave of absence to the extent of 18 months in the aggregate.

4th.—And candidates who obtain Degrees of Honor, under the terms prescribed in Rule XV, shall be permitted to reckon as service the period of their absence to the extent of two years.

2. To insure, however, that the time of the candidates is not misapplied, it must be clearly understood that they shall pass successful examinations according to the different tests within the prescribed periods.

3.—The foregoing rules are to be in supersession of all previous regulations on this subject.

G. O. G. G., No. 90 of 23rd January 1867.—In modification of Government General Order, No. 941 of 1861, His Excellency the Governor General in Council is pleased to prescribe the following Rules, under which Officers may draw pay and allowances through their Agents in India when on leave beyond the limits of their own Presidencies:—

I. Officers proceeding on leave for any period under the old furlough rules, beyond the limits of their own Presidencies, will be permitted to draw their pay and allowances through their Agents, on the latter furnishing a satisfactory guarantee for the refund of over-payments.

II. The guarantee must be attached to the application of the Officer for permission to draw his pay in India, which must be submitted through the Pay Master, to be forwarded to the Controller of Military Accounts, who will grant the authority to the Agent to draw the pay monthly as it becomes due.

III. The guarantee is to be in the following form, and must bear a stamp according to the scale noted at the foot thereof, in order to cover any possible amount to be retrenched:—

Form of Guarantee to be furnished by Agents of Officers proceeding on leave beyond the limits of their own Presidency, to accompany applications of Officers to draw their pay and allowances in India during absence.

We Agents of

do hereby engage, in the event of our being permitted to draw the pay and allowances of our constituent during his authorized absence from the Presidency, to repay such part of the amount as he may not be entitled to in case of death, as also such sums, with retrospective effect, as our constituent may become liable for, by his bringing himself upon furlough pay from the date of quitting his own Presidency by any of the following acts:—

1. By overstaying the leave to sea for two years on medical certificate, or for six months on private affairs, which he may have obtained under the old furlough rules.

2. By proceeding to England from the leave aforesaid under the old furlough rules, without having returned to his own Presidency.

ing to England on sick certificate is to specify the rate of Regimental pay and allowances and Staff salary to which they would have been entitled under the old Regulations if proceeding to Sea on medical certificate.

With reference to paras. 26 & 31, M. C. No. 901, 18th April 1866. 9. An Officer entering the service and obtaining leave to visit a station not the Head Quarters of his Regiment and to join the Corps to which he is posted, and who actually does join within the period sanctioned by Regulation for the purpose of joining by the direct route, is allowed to reckon such leave as service for pension.

The principle of this rule is applicable to Officers who on return from leave out of India are allowed to visit a station out of the direct route to the station to which they belong.

With reference to paras. 26 & 31, M. C. No. 2702, 20th Oct. 1856. 10. Leave for one month, granted to Officers in Civil employ under Section XI (amended) old Civil Service Absentee Regulations, is not to be deducted from same light as one month in six privilege service, it being considered in the leave granted to Military Officers.

With reference to paras. 26 & 31, M. C. No. 3144, 4th February 1856. 11. The period during which Officers may have been or may hereafter be absent on leave for the purpose of accompanying Insane or Sick Officers is allowed to count as service for pension.

With reference to paras. 26 & 31, M. C. No. 2702, 20th Oct. 1856. 12. If an Officer is placed on duty while on leave of absence whether on medical certificate or private affairs he will be allowed to count as service for pension the whole period he may be so employed, i. e., from the date of the order nominating him to such duty to the date of the order relieving him, both inclusive.

4. In accordance with the principle laid down in the 65th paragraph of the General Order of the 10th April 1861, Officers of the new Brigades of Artillery and new Line Regiments ordered to do duty at the Regimental Depot, or with Drafts on the voyage to India, will reckon such duty as service in India for retiring pension. Those doing duty under any other circumstances in this country, will reckon such service in the proportion of one year for two.

Officers of H. M.'s Services.

27. Officers of Her Majesty's Service in India, whether employed Regimentally or in Staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

28. In the case of Officers of Her Majesty's Service on furlough on sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

With reference to para. 29, M. C. No. 901, 18th April 1856. 15. Officers obtaining leave preparatory to final leave out of India, but who after arriving at the Presidency or other port of embarkation abandon their intention of leaving the country, cannot reckon as service the period they may have been absent from duty on such preparatory leave which then assumes the nature of ordinary leave in India.

With reference to para. 29, M. C. No. 2702, 20th October 1856. 16. An Officer who proceeds on furlough to the Presidency or other port, (not preparatory to applying for leave to proceed to Europe or elsewhere) and while there obtains a sick certificate to Europe or other place out of India, is not entitled to count as service the period allowed by Regulation for proceeding from the station of his Regiment or appointment to the port of embarkation; but he can reckon as service the period of 15 days allowed at the Presidency or port of embarkation preparatory to embarkation.

With reference to para. 29, M. C. No. 2702, 20th October 1856. 17. If instead of being at the port of embarkation, he is at another port, or at an inland station, when he obtains the sick certificate to quit India, he will be allowed the time authorized for travelling from the station at which he may be when he obtains his sick certificate, to the port of embarkation.

With reference to para. 29, M. C. No. 2702, 20th October 1856. 18. If an Officer while absent on ordinary sick certificate in India, quits India on sick certificate, or, who having proceeded on ordinary leave on private affairs in India obtains a furlough out of India, he is entitled to count as service the period allowed for proceeding from the place at which he may be when he obtains leave to quit India, to the port where he ultimately embarks.

This information is necessary in order that no difficulty may arise in the Pay Department of the India House in adjusting the several payments which may be due.

Periods of absence allowed to be counted as Service for Retiring Pensions.

29. In order that all Officers quitting India on furlough, or sick certificate, may be placed on an exact equality as regards loss of time, the period allowed by Regulation for proceeding to the Presidency or to the nearest port of embarkation, as well as the time to enable Officers to rejoin their corps or station after their return to India, will be considered as time counting for service for the retiring pension.

APPENDIX.

Simla, 22nd September 1864.

No. 774 of 1864.—Having taken into consideration the existing facilities for travelling, which are steadily increasing, His Excellency the Governor General in Council is of opinion, that the rules now in force for regulating the periods allowed to Officers and others proceeding, in ordinary course, from one station to another, are no longer suitable or adapted to meet the interests of the service or the General convenience of Officers.

2. G. O. G. No. 770 of 14th September 1853 is therefore cancelled, and the following rules will be observed from the 1st November next:—

3. Officers returning from furlough to Europe or leave beyond the sea, or Officers removed from a regiment, appointment, or station, at their own request, or on regimental or departmental promotion, or to join a new appointment, will be allowed fifteen days for preparation from the date of arrival, or being struck off duty. On special grounds, this period may be extended to thirty days by the Officer Commanding the Division, District, or Garrison.

4. Every Officer, at the expiration of the period allowed for preparation, is required to join his Corps, station, or appointment, by the most expeditious available mode of travelling, and without unnecessary delay on the road.

5. Officers who may be unavoidably delayed by sickness or other circumstances of the Officer Commanding the Station, at or nearest to which such delay may have occurred.

6. In every special case, Officers Commanding Divisions may sanction a slower mode of travelling, either for a part or for the whole of the journey; but any such indulgence, and reasons for granting it, must be reported at once to His Excellency the Commander-in-Chief, or to the Government, according to the nature of the Officer's employment.

7. This ruling is to be made applicable to all three Presidencies.

Leave of absence, preparatory to furlough, whether on private affairs or on sick certificate, must always be general, and not *privilege* leave.

It is hereby notified that, under a recent ruling of the Government of India, Officers, whose leave may expire after the commencement of General Holidays, will notwithstanding the termination of their leave.

It is notified for general information that under a recent decision of the Government of India, an Officer who had elected (or who, not having before elected, might on his entering the Staff Corps desire to elect) the old furlough Regulations, carries with him into the Staff Corps so much of his service (authorized leave included) as had been passed in Indian limits and no more; and that to entitle him to retire on the pension of any particular rank he must serve so many more years as would with that service complete the full period of service prescribed for such pension, with the liberty of availing himself, after his entry into the Staff Corps, of the privileged periods* of absence allowed in paragraph 30 of the new furlough Regulations.

* 2 years' absence in 20 years' service.
3 do. 25 do.
4 do. 30 do.

For instance a Captain who, on entering the Staff Corps on the 18th February 1861, had served twenty-four years counting as service for retirement under the old rules, and had been absent six years on leave to Europe, would enter the Staff Corps with a capital of service of twenty-four years only; and, before he could retire on the pension of a Lieut. Colonel he would have to serve four years longer, of which three years might be passed on leave.

2. With reference to the foregoing, Officers who at date of entering the Staff Corps had not made election of furlough Regulations are requested now to report under which furlough Regulations they desire that their service to that date may be calculated.

For instance a Captain who, on entering the Staff Corps on the 18th February 1861, had served twenty-four years counting as service for retirement under the old rules, and had been absent six years on leave to Europe, would enter the Staff Corps with a capital of service of twenty-four years only; and, before he could retire on the pension of a Lieut. Colonel he would have to serve four years longer, of which three years might be passed on leave.

2. With reference to the foregoing, Officers who at date of entering the Staff Corps had not made election of furlough Regulations are requested now to report under which furlough Regulations they desire that their service to that date may be calculated.

No. 520 of 1862.—The following rule which has received the sanction of the Right Hon'ble the Secretary of State for India for calculating the service of Officers who, formerly under the old furlough Regulations, have joined the Staff Corps, and whose service from date of joining that Corps is to be reckoned under the new furlough Regulations, is published for general information and guidance:—

1. Officers having elected (or who not having before elected might, on their entering the Staff Corps, desire to elect,) the old furlough Regulations will carry with them into the Staff Corps so much of their service (authorized leave included) as may have been passed within Indian limits and no more. Before they can retire on the pension of any particular rank they will be required to serve for such further period as will, with that service, complete the full period prescribed for the pension of any particular rank, with the liberty of availing themselves, after their entry into the Staff Corps, of the privileged periods* of absence allowed by paragraph 30 of the new furlough Regulations.

* 2 Years' absence in 20 years' service.
3 " " 25 "
4 " " 30 "

19. An Officer who has served twenty or twenty-four years and *not more* is only entitled to reckon two years' absence as service. Rule 33 gives the minimum period of service which entitles an Officer so situated to retire those periods is entitled to the benefit of Rule 30 by which extended periods of absence are allowed to reckon, regulated by the length of the Officer's service. For instance, an Officer who has served twenty years, and no more, can retire as a Captain; whereas an Officer whose aggregate service is thirty years, out of which he has enjoyed leave for fourteen years and no more, can retire as a Captain at once.

on the pension of a Captain or Major; but an Officer who has served beyond those periods is entitled to the benefit of Rule 30 by which extended periods of absence are allowed to reckon, regulated by the length of the Officer's service. For instance, an Officer who has served twenty years, and no more, can retire as a Captain; whereas an Officer whose aggregate service is thirty years, out of which he has enjoyed leave for fourteen years and no more, can retire as a Captain at once.

more, can retire as a Captain at once.

more, can retire as a Captain at once.

APPENDIX.

No. 337 of 28th March 1872.—The following Military letter from the Right Hon'ble the Secretary of State for India, No. 50, dated 29th February 1872, is published for general information:—

MILITARY, No. 50. INDIA OFFICE, London, 29th Feb. 1872.
To His Excellency the Right Hon'ble the Governor-General of India in Council.

MY LORD.—1. With a view to meeting the cases and facilitating the retirement of the senior officers of the Army subject to the Indian Retiring Regulations, Her Majesty's Government have resolved so to modify the present Regulations, as expressed in Clause 30 of the Furlough Rules of 1854, as to admit of a larger amount of furlough being reckoned as service by claimants to the higher rates of pension granted in 1866.

2. With this view, I request that it may be notified to the service that, from and after the date of this despatch, the following regulation will be substituted for Clause 30 of the rules above referred to, and will govern the rates of pension to be granted to officers retiring under the Indian Regulations:

"No furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years' aggregate service, three years in twenty-five years' service, four years in thirty years' service, five years in thirty-five years' service, and six years in thirty-eight years' service shall be allowed to count as service for the retiring pension; and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or out of India, or whether the leave be on sick certificate or on private affairs."

With reference to para. G. O. G. No. 1113 of 1857.—31. The following Extract, paras 18 and 19, of a Military letter, from the Honorable the Court of Directors to the Government of India, No. 126, dated 22d July 1857, are published for general information:—

18. By the Regulations established for the promotion of Lieutenant Colonels to the rank of Colonel after three years' service, it is provided that no longer period than one month in each year, or a total of three months in three years, or six months in six years shall be allowed to reckon on, whether the leave shall have been spent in India or out of the country, except in cases of wounds or illness contracted by service in the Field, duly certified by a Medical Board, when each case will be separately considered with reference to the time to be allowed.

19. In reply to the question now put to us, we have much satisfaction in stating that we are prepared to extend the benefits of the exception above specified to the time required for retirement on full pay. Every claim to the benefit of this exception must be duly certified by a Medical Board, and be forwarded to us for our decision, accompanied by the opinion thereon of the Government and Commander-in-Chief of the Presidency to which the Officer belongs.

No. 32.—With reference to G. O. G. 15th September 1857, No. 290, the Commander-in-Chief desires it to be notified that the privilege of reckoning the time of absence in the period of service required for retirement on full pay is authorized "in cases of wounds or illness contracted by service in the Field, duly certified by a Medical Board, when each case will be separately considered with reference to the time to be allowed."

In all such cases a specific description is to be given in a report by a Medical Board of the nature of the illness and of the grounds upon which it is considered that the illness has been contracted by service in the Field.

All such grants of leave should be made for periods not exceeding eighteen months to be extended if necessary.

No. 10.—Applications for permission to count as service for retiring pension under the provisions of G. O. G. No. 290 of 15th September 1857, the period of absence on leave occasioned by wounds or illness contracted by service in the Field are required to specify the particulars of the field service on which the Officer was engaged.

No. 95.—With the sanction of the Right Hon'ble the Secretary of State for India, His Excellency the Governor General in Council is pleased to notify that, where an aggravation or reproduction of an illness originally produced by service in the field, to such an extent as to necessitate leave of absence, is clearly attributed to exposure or other causes attendant on subsequent active service in the field, such leave may be held to come within the provisions of Government General Order, No. 1,113,* dated 1st September 1857.

service, and four years in thirty years' service, shall be allowed to count as service for the retiring pension; and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or out of India, or whether the leave be on sick certificate or on private affairs.

31. In the term "Leave of Absence as announced in General Orders" is to be included all leave of absence except the period allowed in Rule 29, and the ordinary indulgence of one month's leave in six months, as authorized by the existing Regulations, and which are in all cases, whether of Regimental or Staff Officers, to be allowed to count as service for the pension. All leave to a greater extent granted by Political and other authorities, which may not hitherto have been published in General Orders must be so announced hereafter.

32. Officers to be entitled to retire on the full pay of their Regimental rank (under the Regulation of 1796,) must have served twenty-two years in India, out of which leaves of absence for two years in the aggregate and not more, will be allowed to count as service for the retiring pension.

33. Officers to be entitled to retire on the full pay of Captains and Majors (under the Regulations of 1835-7,) must have served twenty and twenty-four years respectively, out of which time leaves of absence for two years in the aggregate and not more, will be allowed to count as service.

- G. O. G., 5th Nov. 1856, No. 428. Para 2. It was not the intention of the late Court of Directors to give retrospective effect to the privilege granted in July 1857, to Officers wounded or losing their health on active service, to count as service for retiring pension their leave of absence on medical certificate.
35. Officers to be entitled to retire as Colonels, must have served thirty-two years, out of which leaves of absence for four years in the aggregate, and not more, will be allowed to count as service.
- G. O. C. C., 1st October 1862. No. 70.—The following Extract from a Despatch from the Right Hon'ble the Secretary of State for India is published for general information and guidance, with reference to G.O.G., No. 290, dated 15th September 1857, permitting Officers to count as service for retiring pension periods of leave occasioned by wounds or illness contracted by service in the Field. "Applications for this boon, should not be submitted in cases where the sickness has not been such as to render the absence of the Officer on sick certificate immediately necessary." The following Military letter from the Right Hon'ble the Secretary of State for India is published for general information:—
- G. O. G., 17th July 1868, No. 275. MILITARY, No. 193. To His Excellency the Right Hon'ble the Governor General of India in Council. Sir,—In accordance with the recommendation contained in your letter, dated the 6th April 1868, No. 139, I authorize you to announce that, in future, all Officers who may do duty with troops on the voyage to or from India, will be allowed to count the whole of the period during which they may be employed on such duty as service for pension.
36. The scale for Medical Officers and Veterinary Surgeons, of privileged furlough, and leave of absence as counting for the retiring pension, will be as follows:—
- | Yrs. | Mths. | Yrs. | Mths. | | |
|------|-------|------------------------------------|-------|---|------------------------------------|
| 1 | 8 | in 17 and under 20 years' service. | 3 | 0 | in 25 and under 30 years' service. |
| 2 | 0 | in 20 " " 25 " " | 4 | 0 | in 30 and upwards. |
37. It is to be distinctly understood, that under no circumstances whatever will an Officer be permitted to retire on full pay, until he has completed the full time of service above specified, whether he be in England at the close of his service or elsewhere.
38. The privileged time of absence may, with the permission of the local Government, be taken at any time subject to these Regulations. If therefore, at the end of twenty-years' service, of which eighteen had been passed on actual duty in India, an Officer should be on furlough, or sick certificate in Europe, or elsewhere, he will be entitled to retire on the full pay of a Captain without returning to India, and so in the other terms of service for the higher pension. In like manner a Medical Officer on furlough, or sick certificate in Europe, or elsewhere, at the end of seventeen years' service, fifteen years and four months of which had been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pension.
- G. O. G., 3d Nov. 1863, No. 387. Under instructions from the Government of India, the Governor in Council is pleased to declare that the grant of leave to Officers on medical certificate in India, shall, for the future, be limited, under ordinary circumstances, to one year, subject to extension on fresh Medical Report.
39. These rules do not in any way affect the existing Regulations regarding the grant of leave in India, or for short periods to Sea, whether on private affairs or on sick certificate, except as to the periods of such absence being taken into calculation in the time allowed to count as service for retirement on full pay.

Furlough Regulations of 1868, Revised.

The following General Order by the Government of India is re-published:—

G. O. G., 10th March 1874, No. 57. Fort William, 25th February 1874, No. 171.—The Furlough Rules of 1868, as revised by various subsequent decisions, are re-published for general information; and in future this General Order shall ordinarily be referred to in any matter depending on those rules. The rules previously in force will be designated, as heretofore, the Furlough Rules of 1796 and 1854.

The following G. O. are cancelled prospectively from the 1st January 1875:—

- G. O. G., No. 630* of 1869 (1st clause.)
- G. O. G., No. 627† of 1870.
- G. O. G., No. 613‡ of 1871.

G. O. C. C., 30th March 1874, No. 16. 8th January 1874, No. 7.—In order to remove misapprehension, it is explained that officers of the Staff Corps, formerly of the British Army, count as qualifying service towards furlough only that period actually passed in India, exclusive of all leave of absence taken out of India when in the British service.

2. These rules are applicable to all officers who, on the 1st July 1868, belonged to the several Indian Staff Corps, or to the Indian Army, and who have elected, or may elect, to adopt them: officers of the British Army who entered the Staff Corps after that date are of course subject to them.

* Madras G. O. G., 29th June 1869, No. 235.
† Do. 28th June 1870, No. 199.
‡ Do. 25th July 1871, No. 186.

In regard to the periods of leave of absence during which appointments may be held, and in regard to the increased allowances, they are also applicable to officers of the Royal Artillery and Royal Engineers, late of the Indian Army, holding permanent staff appointments not of a regimental nature, and to such officers of the Engineers of the Imperial Establishment as may be permanently employed on the staff in India.

But should an officer of the British Service, holding such permanent staff appointment, be allowed to proceed on leave under circumstances which, by these rules, would involve loss of appointment, he cannot take leave under them, but simply as a British Officer holding no appointment.

3. These rules are not applicable to officers on the Invalid or Invalid Pension establishment, even if previous to their transfer they should have elected them, being intended solely for officers on the effective list.

Do not apply to Invalid Officers.

13th May 1874, No. 437.—Doubts having been expressed on the point, the Right Honorable the Governor-General in Council is pleased to notify under instructions from Her Majesty's Government and in continuation of G. O. G. No. 1160,* dated 11th November 1873, that neither the Indian Furlough Rules of 1868 nor those of 1854, are, as respects leave on private affairs, applicable to British Officers serving with their regiments or employed with a five years' tenure in staff situations. Any leave on this account, which may be granted to them by the authority under whom they may be serving, must be taken under the rules of the British Service, and therefore, whilst borne on the Indian Establishment they will receive the British pay of their rank and that only.

G. O. G., 23rd May 1874, No. 127.

2. This ruling does not apply to Officers of Royal Engineers permanently employed in Departmental service, or to other British Officers who may be permanently employed under the Governments of India. These are eligible for all the advantages of the Indian Furlough Rules so long as they retain their appointments.

* Madras G. O. G. No. 293, dated 25th Nov. 1873.

Officers of the British Medical Staff are not entitled to this advantage.

5. They are applicable to Officers of the Royal Engineers on the Imperial Establishment, who are employed in the Public Works Department, or who are receiving a staff salary as on the fixed establishment of the Sappers and Miners; these will count service towards furlough from the date of their arrival in India.

These Officers, therefore, and other Royal Engineer Officers of the Imperial list on permanent staff employ under the Government, will be entitled to a furlough of two years after eight years' service in India, or at the expiration of one year from the date of their return (for a second tour of service in India) on the completion of the prescribed home service after the first period of seven years' service in India.

The English rate of pay of his rank only will be passed to such an officer during this leave; but on his return to India for a second tour of service, the difference between that pay and "Furlough Pay" will be admitted to him; and, if he should not return to India, his passage money to England will be paid to him.

Royal Engineer Officers on the Imperial Establishment, who are merely doing duty with, or attached to, the Sappers and Miners, but not on the fixed establishment and drawing staff salary, will in regard to these rules, be on the footing of Regimental Officers of the British Service—see preceding paragraph. If however, they afterwards accept staff employ, they also will count their service for furlough from the date of arrival in India.

Rules apply to R. E. Officers of the Imperial list on the fixed staff establishments of Sappers and Miners.

6. Officers of British Regiments who may join the Staff Corps, can count as service towards furlough all their military service in India, provided that half of it (in no case less than four years) shall have been passed in the Staff Corps. But any leave to England they may have taken during service so counted will be reckoned as furlough already taken. Officers of the British Service who formerly belonged to the Indian Armies are exempted from the above proviso.

7. These rules apply also to all Warrant Officers holding Veteran or Honorary Commissions, who may elect them; the period of service qualifying for furlough being calculated from the date of the attainment of a Commission. They will receive during furlough half their total receipts, calculated as laid down in Rule V, but without any reference to a minimum or maximum rate. Warrant Officers not holding Commissions can obtain furlough under these rules only on medical certificate.

Warrant Officers without Commissions can take furlough on medical certificate, only under these rules.

Such furlough may be for two years with retention of appointment and half of the aggregate allowances; but any extension of such leave (which will not be granted for more than one year in excess of the two years), or any leave taken within less than three years from the date of last return to duty, will be on "English furlough pay." [See Note to para. 3.]

8. Every Warrant Officer who attained warrant rank before the 19th February 1869, and who has not made his election, will be required, on the first occasion of his applying for leave out of India, to state whether he desires to take the leave under these rules, or under those previously in force applicable to Warrant Officers, viz., G. G. O., Nos. 518* and 531† of 1854, G. G. O., No. 1559‡ of 1857, and subsequent orders. That election will be considered final.

Those who became Warrant Officers after the 19th February 1869 are subject to these rules, and cannot elect any of the previous rules. Leave on Medical Certificate on Indian pay and allowances to places eastward of the Cape, as allowed to Commissioned Officers under the Furlough Rules of 1796, is not in any case admissible to a Warrant Officer.

Rules apply to Medical as to other Warrant Officers. These rules respecting Warrant Officers apply to Honorary Assistant Surgeons and Warrant Officers in the Medical Department.

9. The term 'Furlough Pay' having now a change and two-fold signification, in all future orders and references 'Furlough Pay' will be understood as the half Indian salary within the prescribed limits specified in paragraph V of these Rules, converted at the rate of exchange fixed by the Secretary of State for the official year, whilst 'English Furlough Pay' will represent the rates heretofore allowed to the several grades as English pay under the Rules of 1796 and 1854.

Note.—Where in these Rules English furlough pay is mentioned as that to which an officer is to be restricted, the rates laid down in paragraph 11 of G. G. O., No. 69§ dated 22nd January 1868, and (for Medical Warrant Officers) paragraph 22 of G. G. O., No. 550|| of 1868, are to be understood as intended in the cases of Warrant Officers.

I.—The distinction, with respect to allowances, which has been hitherto drawn between furlough on private affairs and sick leave, is abolished, both kinds of leave being included under the general term *furlough*; provision, however, being made for the obtaining of furlough under medical certificate without all the restrictions applicable to furlough when taken without medical certificate.

II. Leave taken under the rules now prescribed will not involve forfeiture of appointment, except in the case herein specially provided for.

Officers of the Staff Corps and local Indian Service, and Officers on the General List, can retain their appointments during all leave of absence granted by competent authority. But their pay during such absence will be the same as they would obtain under these rules had this exemption from forfeiture of appointment not been granted.

III.—The Rules now prescribed do not affect the provisions of Act XXXIII of George III., Chapter 52, Section 70,** but an absentee cannot retain his appointment and draw absentee allowances, except under the Rules now prescribed. Nor do they affect the regulations by which General Officers Commanding Divisions and Brigades can only obtain limited periods of leave without forfeiting their commands.

IV.—Leave of absence will in future be of three kinds, viz:—
I.—Furlough in or out of India.
II.—General leave on private affairs, or sick certificate in India, or short leave to sea.
III.—Privilege leave.

CHAPTER I.

Furlough.

V. An Officer drawing staff pay, in addition to pay of rank proceeding on furlough, will be allowed pay at the rate of 50 per cent. of the salary of his substantive office.

But an officer in civil employ and drawing consolidated salary, will be allowed 50 per cent. of the average salary drawn by him during the three years prior to his proceeding on furlough, or during his actual service in India should that be less than three years: and the time spent and the allowances drawn during any leave "other than privilege leave," will be omitted in the calculation of average salary. No absentee shall in either case draw more than £1,000, or less than £250 per annum.

§ Madras G. G. O., 4th February 1868, No. 49.
|| Do. 19th June 1868, No. 232.

** The section referred to is quoted below:—
Section 70.—"And be it further enacted that no person who shall have held any civil or military station whatever in India, in the service of the said United Company, being under the rank or degree of a Member of Council or Commander-in-Chief of the Forces, and who, having departed from India by leave of the Governor-General in Council, shall not return to India within the space of five years next after such departure shall be entitled to any rank or restoration of office, or be capable of again serving in India either in the European or Native Corps of Troops or in the civil line of the Company's Service, unless, in the case of any Civil Servant of the Company, it shall be proved to the satisfaction of the Court of Directors that such absence was occasioned by sickness or infirmity, or unless such person be permitted to return with his rank to India by a vote or resolution passed by way of ballot by three parts in four of the proprietors assembled in General Court, specially convened for that purpose, whereof eight days' previous notice of the time and purpose of such meeting shall be given in *The London Gazette*, or unless, in the case of any Military Officer, it shall be proved to the satisfaction of the said Court of Directors and the Board of Commissioners for the affairs of India that such absence was occasioned by sickness or infirmity, or some inevitable accident."

The term salary will signify the total amount drawn by an officer, whether as consolidated pay or staff allowances in addition to pay, but will not include any extra or special allowances. But, in the case of a Military Officer in civil employ, his acting allowances shall be taken into account as a part of his salary in calculating his furlough pay.

Meaning of term "Salary."

§ 2. An officer absent on furlough, who may be transferred to another office during his absence, shall be entitled, for the entire period of his furlough, to furlough pay at the rate sanctioned to him when leaving India, whatever the salary of the office to which he may be transferred may be. This furlough pay will be continued to an officer in military employ after his return to India and until he joins his appointment, provided it is not less than the military pay, or pay and allowances, of his rank.

Pay of Officers transferred to other appointments during furlough.

But an officer whose term of office shall lapse, who shall vacate his appointment, or whose appointment shall be abolished during his furlough, will revert at once to the furlough pay which he would draw in virtue of his rank, as laid down below, in Section 4. Any case of sudden abolition of appointment may, however, be specially considered in the department of the Government under which the officer may have been employed. An officer will also be entitled to the benefit of his promotion to a higher Staff Corps or regimental rank, whilst on furlough, subject to the maximum limit.

Pay of Officers promoted during furlough.

Regimental medical charges retained during furlough.

G. G. O., No. 1060† of 23rd December 1861, paragraph 29.

G. G. O., No. 370‡ of 4th April 1867, paragraph 9.

The Staff Salary how divided.

§ 4. Officers not in staff employ will receive half of the Indian pay of their rank, provided that an officer entitled to furlough shall in no case receive less than the above minimum of £250 per annum.

Minimum furlough pay.

Note.—Officers who may be entitled to income allowance from the Military Fund during absence in Europe, will draw their half salary or minimum absentee allowance under the foregoing clause, subject to a deduction equivalent to the amount of such income allowance.

The Commander-in-Chief directs it to be notified, that it has been decided by the Government of India, that, as a rule, furlough on private affairs shall not be granted to more than two Officers in any one Native regiment at one time; and that, in the event of a third officer having to go home on medical certificate, furlough shall not be granted to another Officer until one of the three officers so absent shall have rejoined, and a second be expected to do so within three months.

G. G. O. C., 16th Oct. 1874, No. 95.

II. It has also been decided by the Government of India, that the above ruling is equally applicable to furlough within Indian limits as to furlough out of India.

With advertence to the above, Commanding Officers of Native regiments will take care that the provisions of the above instructions are complied with before submitting applications for furlough on private affairs either in or out of India on behalf of Officers of the regiment under their command.

VI. All grants of furlough on private affairs are subject to the exigencies of the public service, of which exigency the Government is to be exclusively the judge, and to any regulations that may be found necessary for limiting the number of absentees.

All furlough on private affairs subject to the exigencies of the service.

Note.—It is, therefore, within the competency of Local Governments and of the Commander-in-Chief to decline to forward the application of any officer whose absence would, in their opinion, be detrimental to the interest of the public service, until such time as arrangements can be made for removing the difficulty; and it is the duty of every head of a department to decline to forward any application for furlough, whenever the services of the officer cannot be spared without risking the efficiency of the department, any doubtful case being referred for the orders of Government.

Applications of Officers who cannot be spared need not be forwarded.

VII. The maximum amount of furlough on private affairs to be taken at any one time, carrying pay and retention of appointment, will be two years: any extension of such furlough will be without pay, unless it is on medical certificate, see Rule XIII. (But see Notes (3) and (4) Rule IX.) And no extension on private affairs beyond two years will be granted, though without pay, except upon satisfactory evidence of very urgent necessity.

Extensions of such furlough.

VIII.—A period of at least three years' service after return from last furlough, except furlough for a period not exceeding six months under Rule XI, (and excepting also, in the case of an officer in civil employ, ordinary furlough not exceeding three months) must be completed before furlough can again be taken, unless obtained under medical certificate. (See Rules XIII and XIV, and Note 3 of Rule IX.)

But an officer who may be ordered to return to duty before the completion of his furlough for the purpose of proceeding on Field Service, may be allowed to take the balance of such furlough any time.

Exception in cases of Officers ordered out on field service.

Note.—An Officer in civil employ cannot reckon in this interval of three years any period of absence from actual duty, excepting those spent on privilege leave.

* Madras G. G. O., 6th January 1865, No. 9.
† " " 20th April 1867, No. 171.

No. 555.—The following additions and corrections of G. O. O. No. 171* dated 25th February 1874, are notified for general information. Order books to be corrected accordingly:—

To paragraph 1 add the following note:—

"Note.—The advantages granted by the furlough rules of 1854 to officers who obtain furlough on medical certificate are not applicable to any officers of the British service whose regiments, battalions, brigades or batteries arrived in India after the date of the Passage Warrant of 1865, and neither those rules nor the furlough rules of 1868 are, as respects furlough on private affairs, applicable to British officers serving with their regiments or employed with a five years' tenure in staff situations (see para. 4).

"But officers of the late Indian Army who hold permanent appointments under the Governments of India, and who may have elected to abide by the furlough rules of 1854, in preference to those of 1868, of course retain their election."

2. For the 3rd clause of paragraph 5 substitute the following as clauses 3 and 4:—

§ 3. Such officers will be allowed an advance of passage money, or free passage in a troopship if proceeding in the troping season, the advance to be reckoned on receipt of the balance of furlough pay.

The English rate of pay of their rank only will be passed to them during their leave; but at its conclusion, on their presenting an order for them to return to India, the difference between that rate and furlough pay, less the passage money they have received, will be paid to them in England conditionally on its refund if the order to return to India is not carried out.

§ 4. Those Royal Engineer officers who arrived in India before the 1st July 1872 are, however, not subject to the provisions of the preceding clause as long as they do not exchange Indian for home service, but draw furlough pay during furlough as others.

3. After clause 4 of the same paragraph (para 5) add the following:—

§ 5. An officer of the British service holding a permanent staff employ under the Government who may proceed on furlough under circumstances which involve the forfeiture of his appointment, must obtain the furlough as a British regimental officer, and it will reckon as a portion of the aggregate eight years of furlough on pay to which an officer is restricted during his service by Rule XVI. But, on again becoming permanently employed, he resumes the right of obtaining furlough under these rules.

4. Instead of the concluding sentence of Clause 1 of Rule XXII, following the words "if he possess one," read—

"The aggregate staff salary granted to the acting officer in such cases will not be less than Rs. 100 per mensem unless the full staff salary of the post in which he is officiating is less than that sum."

5. At the end of Rule XXII insert the following note:—

Note.—The indulgence granted by § 1 of this rule is only allowed to one directly officiating in the place of the officer absent on furlough, not to one acting in the room of an officer who is himself acting for an absentee on furlough.

* Madras G. O. G., No. 57, dated 10th March 1874.

been three years in the Staff Corps, or,—in the case of a Royal Engineer Officer holding a permanent staff appointment, or an officer not in the Staff Corps,—has served for three years in India.

Furlough on medical certificate when on English furlough pay.

This rule and the proviso in Note 1, however, are not applicable to officers of the Indian Army who entered the new Line Regiments, or Royal Artillery, and subsequently the Staff Corps.

Note (8).—Unemployed General Officers of the Staff Corps or local service can be granted furlough from certain rules.

General Officers exempted without serving the intervals of three and six years, respectively, prescribed in Rules VIII and IX; and they can remain in Europe after they have exhausted the full period of furlough allowed during an Officer's service by Rule XVI, (eight years on the whole) on the English furlough pay of their rank.

Note.—And a Major-General of the Staff Corps—If he has so much furlough at his credit, and can continue, after the expiration of the two years' furlough, to receive half his Indian pay until he completes the period of three years during which he would be entitled to draw his Staff Corps pay if he were in India.

IX.—An officer will be eligible for two years furlough on the completion of eight years' actual service in India (see paragraph 6 of this order); for a third year after a further period of six years' actual service, and for a fourth and fifth year after similar intervals of six years, and so on up to the maximum prescribed in Rule XVI. The grant of furlough to an officer eligible for it will be subject only to the conditions specified in Rules VI and VII. But see notes to this Rule.

§ 2. No furlough, or extension of furlough, if without pay, will reckon as "furlough already taken" in calculating the balance at an officer's credit, as shown in Rule X. But furlough on private affairs under the Rules of 1796 will of course so reckon.

§ 3. The fact of having taken furlough on medical certificate will not affect the grant of these furloughs within the conditions down in Rules VIII and XVI.

How far previous furlough on medical certificate bars furlough on private affairs.

§ 4. If an officer appointed to any duty in England draws his Indian allowances, with or without any portion of his staff salary, he can count the period of such employment as service towards furlough: but if he is appointed to an office in England to which a fixed consolidated salary is attached, he cannot reckon the time of such employment as service towards furlough.

Note (1).—But an officer of less than eight years' service in India may obtain furlough, not exceeding two years on medical certificate with furlough pay and retention of appointment, provided he has been three years in India.

Furlough on medical certificate when on furlough pay.

Note (2).—If the officer has not been three years in the Staff Corps, or served three years in India, as the case may be, he will receive "English furlough pay" only, and must vacate his appointment unless entitled to it under Rule II.

Note (3).—Unemployed General Officers of the Staff Corps or local service can be granted furlough from certain rules.

General Officers exempted without serving the intervals of three and six years, respectively, prescribed in Rules VIII and IX; and they can remain in Europe after they have exhausted the full period of furlough allowed during an Officer's service by Rule XVI, (eight years on the whole) on the English furlough pay of their rank.

Note.—And a Major-General of the Staff Corps—If he has so much furlough at his credit, and can continue, after the expiration of the two years' furlough, to receive half his Indian pay until he completes the period of three years during which he would be entitled to draw his Staff Corps pay if he were in India.

Note.—The indulgence granted by § 1 of this rule is only allowed to one directly officiating in the place of the officer absent on furlough, not to one acting in the room of an officer who is himself acting for an absentee on furlough.

Note.—The indulgence granted by § 1 of this rule is only allowed to one directly officiating in the place of the officer absent on furlough, not to one acting in the room of an officer who is himself acting for an absentee on furlough.

X.—An Officer eligible for furlough need not take the whole amount to which his service entitles him, but may apply for any portion thereof as an instalment; and in that case the balance will remain at his credit in any future computation of the amount of furlough for which he may be eligible.

Furlough may be taken by instalments.

Total Service in India ... 14 years. Furlough already taken ... 1 year. Furlough due on that service ... 3 " Balance for which he is eligible ... 2 years.

2. And who has served 20 years in India without taking furlough is entitled to four years' furlough. He can only take, however, two years at one time carrying pay, the balance remaining at his credit in any future computation of furlough to which he may be entitled. He can take that balance after completing three years' service from the date of his return from the first instalment.

Note.—An officer is said to have furlough at his credit,—even though he may not be able to obtain it owing to the number of absentees, or other causes,—when the calculation of his service, as in Illustration 1 above, shows a "balance for which he is eligible."

Adjutant General's Office, Simla, 13th August 1874, No. 206.—The following letter from the Secretary to the Government of India, Military Department, to the Government of Bombay, No. 581, dated the 9th July 1874, is published for general information, with reference to Rule XI of the Furlough Regulations of 1868:—

"In reply to your letter, No. 2104, dated 6th June 1874, I am directed to acquaint you that, when an officer having less than six months' furlough at his credit, and able to take it, desires to proceed to England on furlough for six months under Rule XI of the Furlough Regulations of 1868, he must take the period which stands at his credit as ordinary furlough under Rule IX, and if he shows that his reasons for completing six months' absence are urgent enough to warrant it, he may be allowed the residue up to six months in all as furlough under Rule XI.

2. In such case, his return to duty, for the purpose of reckoning the interval of service which must elapse before he can again proceed on furlough on private affairs, or on medical certificate with retention of appointment, will reckon from the termination of the period of furlough which lay at his credit when he left this country.

3. Extensions of this leave can only be granted on medical certificate, and on the same terms as extensions of leave under Rule XI."

* Madras G. O. G. 10th March 1874, page 48.

whole period will be reckoned in the maximum amount of furlough under this rule to any officer who under the provisions of these rules can obtain furlough on medical certificate with out forfeiting his appointment.

XII.—Subject to state considerations, there will be no restriction as to the places to which an officer may resort during furlough. But, if he desires to spend in England the rest of a "furlough in India," or vice versa, he must obtain permission to do so from the Government of his Presidency, or from the Secretary of State for India, as the case may be; and on landing in either country, he must report his arrival of his own Presidency, or to the India Office, forwarding a copy of the permission granted him to change his destination. He must also communicate his address. An officer who, on his return to India, reports his debarkation, without forwarding at once a copy of the permission granted him to change his destination, or submitting an application for such permission, will be considered to have returned to his duty.

Special permission needed for change of residence from England to India and vice versa during furlough.

Reports, &c., required.

In every instance in which Subaltern Officers of the Madras Staff Corps are recommended for leave to Europe, via the P. and O. Steamers, Medical Boards are requested to declare explicitly,—“That an immediate change to England is urgently necessary, and that the case will not admit of delay until a passage in one of the Troop-ships can be provided.

XIII.—Furlough on medical certificate is obtainable as indicated in Notes (1) and (2) of Rule IX and in Rule XIV. Absence on such furlough for a longer period than two years at one time will involve forfeiture of appointment. [But see Exceptions in Rule II.] Furlough may, however, be extended on medical certificate up to a third year on "English furlough pay;" and an officer on furlough on private affairs, who may be obliged to obtain an extension on medical certificate, will be thenceforward entitled to the same advantages, and subjected to the same disadvantages as to retention of appointment, pay, &c., as if he had originally obtained furlough on medical certificate.

In the event of an officer not being able to return to his duty after an absence of three years, it will rest with the Secretary of State for India in Council to order him to appear before a Medical Board, with a view to placing him on the retired list, if entitled to pension, or on the half-pay list.

Extension on medical certificate over three years to be without pay.

Officers on medical certificate must be pronounced fit for duty before returning to India.

XIV.—An officer whose health may necessitate his taking furlough within three years from the date of last return from any furlough except that taken for a period not exceeding six months under Rule XI, (and excepting also in the case of an officer on civil employ, ordinary furlough not exceeding three months), may obtain, under the usual medical certificate such amount as may be duly certified to be necessary for the restoration of his health; but he will receive only "English furlough pay," and must vacate any appointment he may be holding, unless entitled to retain it under Rule II.

§ 2. If however he shall have served three years since the date of his last return to duty, although there may be no balance of furlough at his credit, he will be entitled, on obtaining furlough on medical certificate, to retain his appointment and to receive "furlough pay" as laid down in Rule V for the entire period not exceeding two years. Should the latter period be exceeded, he will come under the provisions of Rule XIII.

XV.—An officer entitled to furlough, or having a balance of furlough at his credit, whose health may necessitate his absence from India, must take the leave as furlough under Rule IX, without forfeiting any passage money to which he may be entitled under Military Fund Rules, or, if a Subaltern, by Regulations, when proceeding on medical certificate.

§ 2. Should the officer be declared fit for duty before the expiration of two years, he may be granted extension on private affairs up to that limit, provided that he has so much at his credit, and that if he remains he will not be in excess of the established proportion of absentees. Any extension on private affairs of such furlough beyond the said period of two years must be without pay.

§ 3. Any extension on medical certificate of furlough under § 1 of this rule beyond two years or any lesser period which may be at his credit under Rules IX and X will be regarded, in all respects, as furlough on medical certificate (Rule XIII); and if the period of two years should not exhaust the balance of furlough at his credit under Rule X, the period or periods of extension shall be deducted from such balance until the latter is exhausted. On the aggregate of two years' leave being exceeded, the officer will come under the provisions of Rule XIII.

XVI.—The aggregate amount of furlough with pay and retention of appointment on private affairs and on medical certificate, that may be granted to an officer during his service, will be limited to eight years.

NOTE.—The following periods of leave, however, will not be reckoned in this period of eight years:—

- § 1.—Leave without pay.
- § 2.—Sick leave to Europe, or to the Colonies eastward of Cape under the Rules of 1796.
- § 3.—Leave taken under Rule XI, of these Rules, provided it be not extended over the six months. If it be so extended the whole period will reckon as part of the eight years.
- § 4.—Leave necessitated by wounds or sickness contracted on active service, and any other leave which may be allowed by proper authority to reckon as service for pension.
- § 5.—In the case of an unemployed officer, periods of residence in England on English pay after promotion to the rank of Major-General, or to the rank of Regimental Colonel in the Royal (late Indian) Artillery and Engineers, or after completion of tour of service as Inspector-General or Deputy Inspector-General of Hospitals, when the officer is no longer required to reside in India.

All other leave to Europe, or out of India for periods exceeding three months (see Rule XXVII), including furlough on medical certificate under the Furlough Rules of 1854, will form part of the period of eight years.

XVII.—If taken in India, furlough will be reckoned from the date of the absentee's quitting his station to the date of his return thereto; if taken out of India, from the date of the sailing of the vessel in which he may have embarked to the date of his *bona fide* disembarkation in India for the purpose of rejoining his appointment or Regiment; the date of embarkation (or of the vessel's leaving the included in the furlough.

NOTE (1).—As an illustration of this rule, it may be observed that a Madras Officer's landing and reporting himself at Madras en route to Calcutta to join his appointment in Bengal or the North-Western Provinces, &c., is not disembarkation in the sense intended by this rule.

NOTE (2).—To enable an officer who overstays his leave to obtain an extension, he should show that he took all needful precautions to ensure his arrival in proper time, and if delayed by the departure of the vessel being deferred, he should obtain the certificate of the owner or agent that she had been *bona fide* advertised to sail from — on the —.

but that her departure had been delayed till the —. See General Order, No. 52, dated 21st Feb. 1875.

XVIII.—Preparatory leave to embark for Europe or elsewhere on furlough will be granted for any period deemed necessary, not ordinarily exceeding 30 days. Leave up to the same limit, to enable him to join on his return from furlough, will be granted from the date succeeding that of his disembarkation to India. This applies equally to furloughs taken under Rule XI. The authority which has power to grant preparatory leave can, on due cause being shown, grant any necessary extension of it; but this can be done only on very sufficient reasons.

Should the circumstance of the case warrant a further extension of furlough, it can only be granted without pay.

NOTE.—All officers, however employed, and whatever the amount of leave granted them may be, who leave India on sick certificate, are required to produce a certificate of fitness for duty before they can be allowed to return.

necessitate his taking furlough within three years from the date of last return from any furlough except that taken for a period not exceeding six months under Rule XI, (and excepting also in the case of an officer on civil employ, ordinary furlough not exceeding three months), may obtain, under the usual medical certificate such amount as may be duly certified to be necessary for the restoration of his health; but he will receive only "English furlough pay," and must vacate any appointment he may be holding, unless entitled to retain it under Rule II.

§ 2. If however he shall have served three years since the date of his last return to duty, although there may be no balance of furlough at his credit, he will be entitled, on obtaining furlough on medical certificate, to retain his appointment and to receive "furlough pay" as laid down in Rule V for the entire period not exceeding two years. Should the latter period be exceeded, he will come under the provisions of Rule XIII.

XV.—An officer entitled to furlough, or having a balance of furlough at his credit, whose health may necessitate his absence from India, must take the leave as furlough under Rule IX, without forfeiting any passage money to which he may be entitled under Military Fund Rules, or, if a Subaltern, by Regulations, when proceeding on medical certificate.

§ 2. Should the officer be declared fit for duty before the expiration of two years, he may be granted extension on private affairs up to that limit, provided that he has so much at his credit, and that if he remains he will not be in excess of the established proportion of absentees. Any extension on private affairs of such furlough beyond the said period of two years must be without pay.

§ 3. Any extension on medical certificate of furlough under § 1 of this rule beyond two years or any lesser period which may be at his credit under Rules IX and X will be regarded, in all respects, as furlough on medical certificate (Rule XIII); and if the period of two years should not exhaust the balance of furlough at his credit under Rule X, the period or periods of extension shall be deducted from such balance until the latter is exhausted. On the aggregate of two years' leave being exceeded, the officer will come under the provisions of Rule XIII.

XVI.—The aggregate amount of furlough with pay and retention of appointment on private affairs and on medical certificate, that may be granted to an officer during his service, will be limited to eight years.

NOTE.—The following periods of leave, however, will not be reckoned in this period of eight years:—

- § 1.—Leave without pay.
- § 2.—Sick leave to Europe, or to the Colonies eastward of Cape under the Rules of 1796.
- § 3.—Leave taken under Rule XI, of these Rules, provided it be not extended over the six months. If it be so extended the whole period will reckon as part of the eight years.
- § 4.—Leave necessitated by wounds or sickness contracted on active service, and any other leave which may be allowed by proper authority to reckon as service for pension.
- § 5.—In the case of an unemployed officer, periods of residence in England on English pay after promotion to the rank of Major-General, or to the rank of Regimental Colonel in the Royal (late Indian) Artillery and Engineers, or after completion of tour of service as Inspector-General or Deputy Inspector-General of Hospitals, when the officer is no longer required to reside in India.

All other leave to Europe, or out of India for periods exceeding three months (see Rule XXVII), including furlough on medical certificate under the Furlough Rules of 1854, will form part of the period of eight years.

XVII.—If taken in India, furlough will be reckoned from the date of the absentee's quitting his station to the date of his return thereto; if taken out of India, from the date of the sailing of the vessel in which he may have embarked to the date of his *bona fide* disembarkation in India for the purpose of rejoining his appointment or Regiment; the date of embarkation (or of the vessel's leaving the included in the furlough.

NOTE (1).—As an illustration of this rule, it may be observed that a Madras Officer's landing and reporting himself at Madras en route to Calcutta to join his appointment in Bengal or the North-Western Provinces, &c., is not disembarkation in the sense intended by this rule.

NOTE (2).—To enable an officer who overstays his leave to obtain an extension, he should show that he took all needful precautions to ensure his arrival in proper time, and if delayed by the departure of the vessel being deferred, he should obtain the certificate of the owner or agent that she had been *bona fide* advertised to sail from — on the —.

but that her departure had been delayed till the —. See General Order, No. 52, dated 21st Feb. 1875.

XVIII.—Preparatory leave to embark for Europe or elsewhere on furlough will be granted for any period deemed necessary, not ordinarily exceeding 30 days. Leave up to the same limit, to enable him to join on his return from furlough, will be granted from the date succeeding that of his disembarkation to India. This applies equally to furloughs taken under Rule XI. The authority which has power to grant preparatory leave can, on due cause being shown, grant any necessary extension of it; but this can be done only on very sufficient reasons.

NOTE (1).—An officer obtaining a furlough or private affairs on medical certificate must embark within three months of the date of the General Order which notifies it, or take up the first portion of his furlough in India until he embarks; if not, the General Order will cease to have effect. The only exception to this rule that can be allowed is when the officer is prevented from embarking within three months owing to his detention in India by proper authority on *bona fide* public grounds.

G. G. O. granting furlough has effect for 3 months only.

If however the officer does not within a reasonable time avail himself of the furlough given him, his subsequently being placed on duty rendering his detention necessary will not exempt him from the rule; and in every case of such detention the officer must at once report it, and he is not to embark after the expiration of three months until he has applied for and obtained from the Government of his Presidency an extension of the period.

NOTE (2).—Officers who may be serving in other Presidencies than their own if they desire to embark *bona fide* for Europe from the latter, may obtain preparatory leave accordingly, and their furlough will reckon from the date of their embarkation at their own Presidencies.

NOTE (3).—For full information as to the submission of application for furlough, see G. G. O., No. 84 of 11th January, 1869; G. G. O., No. 103, dated 26th Jan., 1869; General Order by the Commander-in-Chief, No. 135, dated 11th June, 1870.

NOTE (4).—The allowances of Military Officers in Civil employ during preparatory leave, and after return to India until they rejoin their appointments, will be adjusted according to Civil Rules.

Leave preparatory to retirement.

NOTE (5).—Leave preparatory to retirement does not reckon as service towards pension.

XIX.—Furlough allowances are payable monthly if payment is taken in India, and quarterly if payment is taken in England.

XX.—Advances of furlough pay will continue to be made in India to those officers who desires it, for three months from date of embarkation. Payments in continuation will be made in England on the expiration of six months from that date. No advance is made in England to officers on their returning to duty.

XXI.—The last pay certificate issued to each officer who may be granted furlough, whether on private affairs or on medical certificate, will specify the rate of the pay and staff salary of his last substantive appointment, and the rate to which he will be entitled in Europe in virtue of Rule V.

XXII.—An officer acting in India for an absentee on furlough will be restricted, for the entire period that he may so act, to the half staff salary of the appointment in which he may be acting, in addition to the full pay of his rank and the half staff salary of his own appointment, if he possess one. A Warrant Officer acting for one of a higher grade on furlough receives half of the aggregate allowances of the absentee added to half of the aggregate of his own allowances.

XXIII.—The privilege heretofore granted to Military and Medical officers who had elected the Rules of 1854, of counting the proportion of leave noted in the margin as service for pension, is retained, and is applicable to those who elect these rules, subject (in the case of officers under the Rules of 1796) to the condition laid down in § 4 of Rule XXXIV. The periods of service qualifying for pension remain unaltered.

§ 2. Warrant Officers obtaining that rank after the 24th August, 1872, can only reckon as service towards pension the following periods of leave whether taken in or out of India:—

15 months in 12 years' Departmental Service.

Those who were promoted to warrant rank before that date, are allowed to continue, if they prefer it, on the old rule, and reckon all leave in India as service, all out of India being deducted from their service for pension.

Illustration of the mode of computing service for pension in any case.

XXIV.—In computing the furlough on private affairs to which an officer who has already enjoyed some portion of such furlough will be entitled under these rules, it will be necessary to deduct the total amount of the furlough on private affairs of which he may have availed himself during his service from the total periods to which under Rule IX he can lay claim. The balance (within the limit of 8 years' total furlough on private affairs and medical certificate laid down in Rule XVI) will represent the leave to which he will be entitled on the expiration of not less than three years from his last return to duty

APPENDIX.

Illustration.

(1).—An officer, who had obtained under the existing rules two years' furlough after ten years' service, returns to India on the date on which this order is promulgated. He accepts its conditions, and serves four years longer in India. On the expiration of that term, he can take one year's furlough, thus:—

Total service in India...	14 years.
Leave to which that service entitles him...	3 "
Already enjoyed...	2 "
Balance...	1 year.

(2).—An officer of four years' service has proceeded on sick certificate to England for 20 months, extended afterwards to two years. He returns, serves six years in India, takes two years' furlough and returns to India about the time of the promulgation of these rules, which he accepts. He must serve four years before he can take an additional year's furlough, thus:—

Total service up to return from furlough...	14 years.
Total service in India...	10 "
Furlough enjoyed on that service...	2 "
Further period of service to entitle him to one year's furlough...	4 years.

CHAPTER II.

General leave on private affairs and sick certificate in India.

XXV.—An officer will be eligible, as at present, to take leave on private affairs or sick certificate any-where in India for any period not exceeding six months, at the discretion of His Excellency the Commander-in-Chief, or of the Government under which he may be serving. During the entire period of his absence on this account, the officer will be entitled, as at present, to his full pay and a moiety of his staff salary. Leave taken under this rule will form no part of the eight years' aggregate furlough. If this indulgence should be taken advantage of for a third year consecutively, the officer will lose his staff appointment unless entitled to retain it under Rule II.

Leave on private affairs or medical certificate limited to six months.

If taken for a third period consecutively, staff appointment forfeited.

will lose his staff appointment unless entitled to retain it under Rule II.

XXVI.—Leave on sick certificate for a period exceeding six months, capable of extension, under renewed medical certificate, to a limit of one year, may be granted to any officer who, in the opinion of a Medical Board, may require it. Leave of this nature, taken after the promulgation of these rules, will be held to constitute a part of the maximum period of eight years' leave of absence to which an officer is entitled to his regard as furlough, nor will it affect the intervals entitling to addition to the pay of his rank. But if the 12 months be exceeded, the whole leave must be reckoned as furlough, and allowances be adjusted accordingly.

If extended over 1 year, reckons as furlough.

XXVIII.—All general leave taken in India counts as part of the leave reckoning against service for pension.

CHAPTER III.

Privilege Leave.

XXIX.—Privilege leave may be granted, as at present, for sixty days in each year to all officers in military employ, without deduction from the salaries and emoluments drawn by them. General leave, in extension of privilege leave, can only be granted on the ground of sickness, or some other serious emergency which could not have been foreseen when the officer proceeded on privilege leave. Privilege leave, may, however, be converted into general leave with the sanction of the Commander-in-Chief or the Government.

XXXII.—Privilege leave cannot be taken in continuation of furlough, nor can furlough be obtained in continuation of privilege leave. If furlough be obtained by an officer while absent on privilege leave, the privilege leave will be converted into general leave, the officer for that period sacrificing a moiety of his staff salary.

XXX.—In the case of the stations noted in the margin, privilege leave may, as at present, be granted for ninety days to officers of local Corps, or of Corps which are usually employed in one or other of the districts named.

XXXI.—An officer is at liberty to proceed wherever he may desire on privilege leave, provided he can ensure his return before the expiration of his leave.

XXXII.—Privilege leave cannot be taken in continuation of furlough, nor can furlough be obtained in continuation of privilege leave. If furlough be obtained by an officer while absent on privilege leave, the privilege leave will be converted into general leave, the officer for that period sacrificing a moiety of his staff salary.

APPENDIX.

MILITARY OFFICERS IN CIVIL EMPLOY.

XXXIII.—Those Military Officers (including Warrant Officers who hold Honorary, Veteran, or Unattached Commissions) in Civil or Political employ who may elect these rules when they take leave in India come, as respects periods of leave obtainable and amount of pay to be granted, under the Civil Leave Rules. When they take leave out of India, they come under the Military Leave Rules.

No. 2294.—With reference to Rule XXXIII of the furlough rules published with the General Order of the Government of India in the Military Department, No. 171, dated the 25th February, 1874, the Governor-General in Council is pleased to decide that furlough in India may be allowed under Chapter I of those rules to a military officer in civil employ who is entitled to furlough out of India, under the same chapter, by the Government to which he is subordinate, and that such an officer is further entitled to subsidiary leave and privilege leave under the rules in the Civil Leave Code. If he is a commissioned officer, he is also entitled under the notification of the Government of India in the Financial Department, No. 1709, dated 11th March 1874, to examination leave under the rules in the Civil Leave Code. A military officer is under no circumstances entitled to any leave under the Civil Leave Code, excepting subsidiary leave, privilege leave, and examination leave. When furlough in India is granted to a military officer in civil employ by the Government to which the officer is subordinate, a copy of the order granting the furlough should be sent to the Military Department.

Madras G.O.G. No. 57, dated 10th March, 1874. For preparatory or subsidiary leave, see Note (4) of Rule XVIII.

SUBSIDIARY RULES.

XXXIV.—Officers of the Indian Military and Medical Services will be required generally to notify their intention to accept these rules, or to adhere to those now existing, on the first occasion of their taking furlough or general leave after the publication of this order. Such election must be considered final, and under no plea whatever will an Officer be subsequently relieved from the choice thus made.

§4. If an Officer under the Furlough Rules of 1796 elects the present rules, his service for pension will be reckoned under the former rules up to 1st July, 1868, and thenceforward under the rules of 1868; and the fact of the officer having been on furlough on 1st July, 1868 and not then having elected the rules of 1868, will not affect the case. All periods of leave out of Indian limits taken previous to 1st July, 1868 will be wholly excluded from his service for pension; but he may reckon towards pension periods of leave taken subsequent to that date, according to the length of his service counting for pension, as shown in Rule XXXIII.

Retirement under 1796 Rules not affected.

His election of these Furlough Rules in no way affects his right to retire under the Pension Rules of 1796.

No. 201 of 1873.—The following decision by the Government of India, is published:—The first clause of paragraph 6 of Government General Order No. 613 of 1871, which rules that a Military Officer of the Staff Corps, Local Service or General List, in civil employ will forfeit his appointment on obtaining an extension of three months' furlough in India, may be considered by the order of the Right Honorable the Secretary of State & of Government of the Staff Corps, Local Service and General List. 6. Moreover, in order to remove one of the causes through which officers come on the unemployed list, Her Majesty's Government have directed the following change to be made in the present Furlough Regulations as far as they apply to Staff Corps officers:

"All leave of absence granted by competent authority will henceforward involve retention of appointment. No officer will be allowed, on the plea of private affairs, to extend his leave, upon whatever grounds such leave may have been originally granted, beyond two years, except upon satisfactory evidence of very urgent necessity.

14th October, 1875.

To His Excellency the Right Honorable the Governor-General of India in Council.

My Lord,—Major-General * * of the Royal (Bengal) Engineers, now on furlough for two years, has raised the question whether, in the event of his obtaining an extension of such furlough, he will be entitled to retain his appointment in the Public Works Department, and I have to inform you that, with reference to this application, I have decided that the rule under which Officers of the Staff Corps and Local Service retain their appointments during all authorized leave shall be made applicable to all Military and Medical Officers taking leave under the Rules of 1868.

* "In the event of an officer not being able to return to his duty after an absence of three years, it will rest with the Right Hon'ble the Secretary of State for India in Council to order him to appear before a Medical Board with a view to placing him on the retired list if entitled to pension, or on the half-pay list

"The rule contained in the 2nd clause* of paragraph 13 of the Furlough Rules of 1868 will be in all cases strictly observed."

FURLOUGH AND LEAVE RULES.

No. 1316 of 30th December 1875.—Under instructions from Her Majesty's Government, the Right Honorable the Governor-General in Council is pleased to publish the following revised furlough and leave rules applicable to the Staff Corps and Indian Local and Medical Services:—

1. Officers included in Schedule A may receive, after five years' service in India or under the Government of India, one year's furlough, and an additional year for each subsequent five years' service. Furlough not taken at the time it becomes due is not lost, and can, subject to these rules, be taken later.

2. An Officer may receive at any time any portion of the furlough to which he is entitled. But, except under Rule 8, he may not be absent from duty on any ground for more than three years consecutively; nor, on return from furlough, may he receive, except under Rule 6, any further portion of the furlough to which he is entitled until after the interval of two years.

3. It must be distinctly understood that furlough is subject to the exigencies of the public service. Officers commanding regiments, and Heads of Departments, will forward no application for furlough unless able to satisfy the superior authorities that the Officer's services can be spared without any inconvenience to the public service.

4. Furlough does not involve forfeiture of appointment, may be spent anywhere, and counts as service for pension.

5. An Officer on furlough receives (up to, but not beyond, the sum of 1,000*l.* a year) half the emoluments of his office, computed according to a rate of exchange to be fixed in each year by the Secretary of State: but in any case he does not receive less than 250*l.* a year. The emoluments of his office include all pay, staff corps pay, staff salary, and Indian allowances he would receive in respect to it if he were on duty, and for the purpose of each payment his office is the office he fills on the day when that payment becomes due.

No. 80 14th July 1876—Furlough and Leave.—Subject to the approval of Her Majesty's Government, the following decisions by the Government of India, on questions affecting the Furlough Rules of 1875, are notified:—

3. With respect to Rule 6—An officer failing sick before he has performed two years' duty, will be granted leave to proceed to England on English pay, subject to the decision of the Secretary of State as to his ultimate disposal.

7. An Officer who has exhausted the furlough obtainable under these rules, and who may be certified by a Medical Board to be still unfit for duty, will be placed temporarily or permanently on half-pay, according to the circumstances of the case.

4. With respect to Rule 8—The leave is granted for such period as the Government may be satisfied it is actually necessary.

9. Advances for passage money, on need shown, will be granted to Officers on furlough, to be recovered in manner specified at the time of the grant: in India, at the discretion of the local Government; and in England, at the discretion of the Secretary of State.

10. Leave may be granted for any period not exceeding six months at a time, and may not, except for very urgent reasons, be specially reported to the Government of

6. Upon certificate of a Medical Board, an Officer not entitled to furlough, if he has served not less than two years in India, may receive it for any period not exceeding two years; but such furlough will be deducted from his next accruing furlough until it is paid off. An Officer will not be allowed to anticipate furlough under this rule to an aggregate amount of more than two years.

8. Under very urgent circumstances special furlough may be granted for private affairs, which need not be paid back; but it will be in all cases without any kind of pay, and will not count for pension.

India, be renewed till after six months have elapsed from its expiration. It must be spent at some place east of the 40th degree of east longitude. Subject to these conditions, it may be granted or refused entirely at the discretion of the local authorities, who in granting it shall fix its duration, and may fix the limits within which it shall be spent, and whether during its continuance, half pay and allowances are to be deducted for the payment of a substitute; and they may grant it as preparatory to furlough or for the purpose of a medical examination. Leave counts as service for pension and furlough. The local authorities shall be defined for the purpose of this rule by the Government of India.

11. Leave and furlough are reckoned from and to the close of the days named in the order granting them.

12. The position of Officers not included in Schedule A will be unchanged as respects leave or furlough.

13. Officers now in the service placing themselves, from a given date, under these rules shall count service for pension up to that date under the rules to which they were then subject.

SCHEDULE A.

Officers entering the Staff Corps or Indian Medical Service, and Warrant Officers attaining that rank, after the 31st December, 1875; and

Any other Officers, Commissioned or Warrant, belonging to the Indian Army or Medical Service, or Officers of the Staff Corps, who, after the 31st December, 1875, shall before asking for leave or furlough, apply in writing to their local Governments to be placed definitively upon this Schedule: but their service for furlough under Rule 1 shall commence from the date of such entry or such application respectively.

Any Officers in Civil employment declared by the Government of India to be under Civil Leave Rules shall not be under these Rules.

* * The last pay certificate issued to an Officer to whom furlough or leave has been granted shall state the pay to which, under Rule 5, he is at that date entitled in respect to the office he is holding, noticing the date, if any fixed, at which he will vacate it.

With advertence to the foregoing rules, the Right Honorable the Governor-General in Council is pleased to notify:—

5. With reference to Schedule A, Clause 2—

An Officer coming on this schedule, having, under previous furlough rules, furlough to his credit, forfeits such furlough absolutely. He must serve five years from date of applying to be placed in the schedule before he can take one year's furlough, unless it be sick furlough under rule 6.

6. An Officer similarly circumstanced, but having furlough to his credit, is equally with the above entitled to take one year's furlough five years after joining the new rules. The past furlough will, however, count against his service for pension, the new rules take no account of past service, either for pension or furlough.

I. That no "extra or special allowances" drawn by an Officer, which are now excluded from the account in calculating furlough pay under the Rules of 1868, can be reckoned in calculating furlough pay under these Rules (Rule 5).

II. That the Governments of the three Presidencies, or their Excellencies the Commanders-in-Chief in regard to Officers serving directly under them, shall be held to be the "local authorities" named in Rule 10.

III. That, pending further orders, a Staff Officer granted leave under Rule 10 shall receive, as heretofore, the pay or staff corps pay of his rank and half the staff salary of his appointment during such leave: but full staff salary may be allowed him for the first two months (as now during privilege leave) when he makes approved arrangements for the performance of his duties during that period. In such cases the G. O. granting the leave must state that the first two months are to be on full staff pay.

N.B.—It is distinctly to be understood that the rule regarding the pay drawn on leave under para. 10 is liable to be modified at any time in any way that the Government of India may deem expedient.

IV. Pending further orders, these rules shall not be applicable to any Officer in civil employ.

2. Warrant Officers of the Public Works Department come under the following rules of that Department:—

G. O. G., 3d February, 1857, No. 29, para. 8. "All persons employed in the Public Works Department, may be allowed one month's leave of absence in the calendar year without loss of salary, provided it can be granted without inconvenience to the public service."

I.—Warrant officers invalided in India, after completion of the full or half periods of service laid down in paragraph 15 of G. G. O., No. 69 of 1868, are entitled* while in India to the full invalid pension of their rank. If subsequently desirous of returning to England, those

invalided after completing full periods of service will, from date of embarkation, be allowed the full retiring pension of their rank, whilst those invalided after having served half the periods in question will be restricted from date of embarkation to four-fifths of the retiring pension of their rank, as prescribed in G. G. O., No. 549† of 1868, for warrant officers invalided while on leave in England.

II.—Warrant officers invalided in India before they have served half the periods prescribed will only be allowed the invalid pension of the grades next below their own, and will, if desirous of returning to England, be entitled from date of embarkation to four-fifths of the retiring pensions of those grades.

III.—Warrant officers retiring (not invalided) in England or India with insufficient service to enable them to retire on the pension of their grade will be dealt with under the provisions of G. G. O., No. 406 of 1860, a copy of which is marginally transcribed for facility of reference.

IV.—Warrant officers proceeding to England after being pensioned in India will be provided with the passage money of their rank or free passage under existing rules, but it must be distinctly understood that those who proceed to England after being invalided will have no claim to be re-admitted to the invalid or Indian pension of their rank in the event of their returning to India.

Invalid Establishment.

FORT ST. GEORGE, 10th July, 1857.

No. 819 of 1857.—The Right Hon'ble the Governor General of India in Council is pleased, under instructions from the Hon'ble the Court of Directors, to promulgate the following rules to be observed at the three Presidencies for the transfer to the Invalid Establishment, of Officers who may be declared to be unfit for further service:—

1. The Invalid Establishment will consist of

1st—The Invalid Battalion.

For Officers who, although disqualified for further active service, are still equal to the discharge of garrison duties.

2d—The Invalid Pension List.

For Officers disqualified for both active and garrison duties.

2. Officers who, from age, wounds, or decline of health, become unfit for active service, are eligible for transfer to the Invalid Establishment, provided their conduct and habits are such as not to affect the character of that Institution, which is designed as an honorable retreat to the worn out or disabled, but deserving Officers.

The Commander-in-Chief directs it to be notified, that applications from Officers for transfer at their own request to the Invalid Battalion or to the Invalid Pension List, under the provisions of para. 3 of G. O. G., No. 819 of 1857, (republished in G. O. G., No. 210 of 10th July, 1857,) are required to be addressed under their signature to the Right Honorable the Governor in Council in the manner prescribed in para. 3, Section XXI, General Regulations of the Army.

G. O. C. C.,
1st June, 1868,
No. 59.

3. Officers who may be desirous of being transferred to the Invalid Establishment, will be required to appear before the Standing Medical Committee at the Head Quarters of the Division, presided over by the Superintendent Surgeon, or in his absence by the Senior Surgeon, furnished with a statement of their case prepared by the Medical Officer by whom they may have been attended. The Committee is to enquire rigidly into each case, and should it be satisfied of the unfitness of the Officer, it is, in recording its opinion, to certify either that the applicant is "permanently disqualified for the performance of further active service but is still equal to the discharge of garrison duties," or that he is "permanently disqualified for the performance of both active and garrison duties," as the case may be.

4. The applicant, if reported equal to the discharge of garrison duties, will then be required to proceed to the Presidency to be finally examined by a Medical Officer to be specially appointed for the purpose, or by a special Medical Committee, as may from time to time be ordered.

5. After this final examination, the report on each case, accompanied by the certificates hereafter specified, is to be forwarded in the usual manner to Army Head Quarters, to be submitted to Government with the opinion of the Commander-in-Chief.

6. In the event of the Commander-in-Chief being led to believe that any Officer's health is so thoroughly lost as to preclude all hope of his being able to perform further active service in India, such Officer shall be directed to appear before the Standing Medical Committee at the Head Quarters of the Division. If the Committee is of opinion that the Officer is permanently disqualified for active Military duties in India, and this opinion is confirmed at the final examination at the Presidency, the Government on receiving a report on the case, which is to be prepared and submitted as directed in paras. 3 to 5, will place the Officer on the Invalid Establishment, notwithstanding that he may not himself have applied to be transferred from the Effective List. Such transfer will, however, be subject to the approval of the Honorable the Court of Directors; and until the receipt of such approval, no promotions will be made in succession to the Officer so placed on the Invalid Establishment.

No. 52 of 1859.—The following Extract from a Military Despatch from the Right Honorable the Secretary of State for India, is published in General Orders:—

Despatch dated 22d December, 1858, No. 47.

Para. 1. It being established by the required medical testimony that Lieutenant Dewar is permanently disqualified for the performance of both active and garrison duties, his removal from the effective List from the date of his embarkation for England is hereby authorized.

Lieutenant G. T. Dewar, 50th N. I., is hereby authorized. Lieut. Dewar's time of service, fourteen months and five days, does not entitle him to retiring half pay. On establishing his claim to the benefit of Lord Clive's Fund, he will be admitted to that advantage.

2. You will understand from this decision that no Officer not entitled to a pension under existing Regulations, should be transferred to the Invalid Pension List.

8. In the event of an Officer failing, from any cause, whether it be leave on sick certificate in India or otherwise, to join an Invalid Battalion, or other Military duty on which he may be ordered, within two years of his transfer to the Invalid Establishment, except he be absent on furlough on sick leave to Europe, or be nominated to some other public duty, he will, at the expiration of that time, be required to appear before the Medical Committee at the Head Quarters of the Division in which he may be residing, for the purpose of being examined as to his continued fitness for garrison duty. If found unfit at such examination, or at any subsequent examination, which is to be repeated at the end of every two years, he will be transferred to the Invalid Pension List.

7. All Officers of and below the Regimental rank of Lieutenant-Colonel, whether they may or may not have served the prescribed period for retirement on full pay, may be compulsorily removed to the Invalid Pension List when they may become wholly unfit for any further service, effective and garrison. 13. Officers on the Invalid Establishment will retain the rank they held when on the effective strength of the Army, but their transfer will be made only in the rank they held in their Regiments. O. G., is pleased to direct that such Subaltern Officers as may have joined their Battalions, shall receive Passage Money on the terms regulating the allowance to Subalterns of effective Corps.

G. O. G., No. 740 of 20th May, 1859.—His Excellency the Governor General in Council is pleased to direct the publication in General Orders of the following Royal Warrant, received with a letter from the Right Honorable the Secretary of State for India, No. 119, of the 7th April, 1859, prescribing rules under which Combatant Officers are to be recommended for promotion in Her Majesty's Forces :—

G. O. G., No. 222 of 3rd June, 1859. Whereas, we have judged it expedient to revise those parts of Our Royal Warrants of the 6th day of October, 1854, and 3rd day of November, 1854, which regulate the promotion and retirement of Combatant Officers in Our Army and Ordnance Corps, Our will and pleasure is, that from the date of this Our Royal Warrant Our Governor General in Council shall govern himself by these Our rules in recommending Combatant Officers for promotion in Our Indian Military Forces.

PROMOTION.

1. That the rank of Field-Marshal be given without reference to seniority.
2. That there shall be a fixed establishment of General Officers, viz :—
Generals..... 25 Lieutenant-Generals..... 50 Major-Generals..... 145.
3. That Colonels may be appointed, without regard to seniority, to command as Major-Generals, with temporary rank; and if they shall have conducted themselves to our satisfaction, such temporary rank, after having been held for five years in peace, or for any shorter period in war, may, upon the recommendation of Our Governor General in Council, be made permanent. That the temporary rank of General and Lieutenant-General may also be given, whenever the convenience of the service requires it, and may be made permanent in a similar manner.

4. That every vacancy on the fixed establishment of General Officers shall be filled by the promotion of the senior Colonel qualified to succeed to the rank of Major-General and to be placed on the fixed establishment, under the regulations now in force; or by a supernumerary Major General, as provided in Clause 6.

5. That, in addition to the Colonels promoted by seniority to be Major-Generals and those promoted after having held temporary rank under the Regulation in Clause 3, Colonels shall be eligible for promotion to the rank of Major-General, and Major-Generals to the rank of Lieutenant-General, and Lieutenant-Generals to the rank of General, for distinguished services in the Field.

In the case of Officers promoted to the rank of General Officers, as a reward for distinguished service in war, the recommendation, in which the service of the Officers shall be detailed, shall be published in the General Orders of Our Indian Military Forces, and in the London Gazette.

6. That all Colonels promoted to be Major-Generals after five years' employment in responsible commands with the temporary rank of Major General under the provisions in Clause 3, and all Colonels promoted to be Major-Generals for distinguished service in the Field, shall be placed on a supernumerary list of Major-Generals, and shall not be reckoned as part of the fixed establishment until the time when they would have attained the rank of Major-General by seniority; that is to say, until the Colonel who originally stood next senior on the Colonel's list to the Officer promoted out of his turn has become a Major-General, after which the next vacancy will be filled by the transfer of the supernumerary Major-General, to the fixed establishment. The Major-Generals who have already been promoted out of their turn, and would not yet have succeeded to that rank by seniority, shall be considered as coming under this rule.

The supernumerary Major-Generals, when absorbed into the fixed establishment, shall preserve the seniority which they acquired when, after a period of qualifying service with temporary rank they were first confirmed as permanent Major-Generals on the supernumerary list, and shall rise by that seniority to be Lieutenant-Generals in succession. General Officers promoted for distinguished service in the field will take their seniority from the date of their promotion, as stated in the London Gazette.

7. That three separate lists of General Officers be inserted in the Army List of Our Indian Military Forces, the first containing the names of those on the fixed establishment; the second, those who, having been promoted out of their regular turn, are supernumerary to the fixed establishment; and the third, those who have retired from the service with the honorary rank of General Officers.

10. That the rank of Colonel be given to Officers who obtain the rank of Brevet Lieutenant-Colonel, for services in the Field, after eight years of actual service with that rank.

11. That in cases where a Regiment may be so divided as to constitute two distinct commands, and one portion may be under the command of the Regimental Major, who is also a Brevet Lieutenant-Colonel, and in cases where a Brevet Lieutenant-Colonel may be in command of a mixed force of different Corps, a discretionary power shall be vested in our Commander-in-Chief in India, subject to the approval of Our Governor General of India in Council, to allow such service, or portions of such service, to count as part of the qualifying period for promotion to the rank of Colonel.

12. That Lieutenant-Colonels appointed to Civil situations under Government on or after the date of this Our Royal Warrant shall be promoted to the rank of Colonel after eight years' service in the former rank, provided the nature of the Civil appointment be considered by our Governor General of India in Council and Commander-in-Chief in India calculated to give the Officer such practical experience as may afterwards prove advantageous to the Corps or Service to which he belongs.

13. That Field Officers, commissioned as such before the 20th June, 1854, be allowed to rise by Brevet as heretofore; but no officer promoted to the rank of Field Officer on or after that date, is hereafter to rise

15. That promotions shall be made from Captain to Major, and from Major to Lieutenant-Colonel, in succession, as vacancies occur in the Major-General's fixed establishment.

16. That any Captain, Major, or Lieutenant-Colonel may be rewarded by Brevet promotion for distinguished services in the Field.

17. That the commands of General Officers, and other situations on the Staff both at home and abroad, shall not be held for more than five years, unless by re-appointment under special circumstances.

G. O. G. G., No. 1537 of the 15th November, 1859.—The following paragraphs of a Military letter from the Right Honorable the Secretary of State for India, No. 279 of the 19th August, 1859, are published for general information:—

Having submitted to the General Commanding-in-Chief certain questions as raised by your Government in view to ascertain the practice in such cases in Her Majesty's British Army, I have received the following replies:—

Question.

1st. Whether the period occupied by a Lieutenant-Colonel in joining his Regiment or appointment after his return from leave beyond sea should be reckoned in the qualifying period.

"Several similar cases have occurred in Her Majesty's British Army, and it has been ruled that an Officer so circumstanced must serve other two years to complete the period of five years prescribed in the Warrant of October, 1858, and no allowance of time is conceded with reference to the near coming into operation."

2. The practice in promoting Officers to the rank of Colonel in Her Majesty's Indian Forces must be regulated accordingly.

No. 314 of 1869.—In continuation of G. O. G. G., No. 568 of 1868, the following correspondence between the Government of India and the Commander-in-Chief in India is published for general information:—

"Letter from the Secretary to the Government of India, Military Department, No. 1469 of 30th January, 1869, to the Adjutant General.

In requesting you to move His Excellency the Commander-in-Chief to cause the decision of His Royal Highness the Field Marshal Commanding-in-Chief, submitted with your No. 73C, dated 4th instant, in regard to the application of the term "temporary leave of absence" (in para. 2 of the Secretary of State's No. 254* dated the 16th July, 1868,) to be published in His Excellency's General Orders,

I am desired to suggest that, in order to prevent any misapprehension, it should be at the same time pointed out that the 'furlough to Europe,' reckons as service for the rank of Colonel under the five years' rule only when the Major and Brevet Lieutenant-Colonel holds a qualifying Staff appointment, and not when he is in Command of a Regiment.

Letter from the Military Secretary, Horse Guards, dated 17th November, 1868, to the Commander-in-Chief in India.

Having submitted to the Field Marshal Commanding-in-Chief your letter of the 26th September last, I am directed to intimate to your Excellency that His Royal Highness considers that the term 'temporary leave of absence,' used in the Secretary of State's Despatch quoted by you should be held to include 'Furlough to Europe,' in calculating the service for Colonel of a Major and Brevet Lieutenant-Colonel holding a qualifying Staff appointment.

the appointment of Military Secretary to the Viceroy and Governor General of India, as qualifying for the promotion of Lieutenant Colonels to the rank of Colonel in the Army.

Under the same authority, the operation of the rule requiring the vacation of appointments is altogether suspended until further orders.

G. O. G. G., No. 225 of 10th March, 1864.—With reference to the Government General Orders, noted in the margin, the following Military letter from the Right Honorable the Secretary of State for India, is published for general information and guidance:—

From H. M.'s Secretary of State for India, to the Right Hon'ble the Governor General of India in Council, No. 27, dated 30th January, 1864.

Sir,—Referring to my Despatch dated 31st December, 1863, No. 446 on the subject of promotion to the rank of Colonel under the 8th Clause of the Royal Warrant of the 31st January, 1859, I have to inform you, that a communication now received from the Horse Guards states that the Secretary of State for War has brought to the notice of the Field Marshal Commanding-in-Chief that the qualifying period in the rank of Lieutenant-Colonel previously to obtaining the rank of Colonel was extended from three to five years, with the express view that no deductions from that period were to be made on account of leave of absence. His Royal Highness in consequence sees the necessity of rectifying the position of all Colonels promoted since October, 1858, who may have had their promotion retarded by the practice of limiting the leave of absence to fifteen months in the five years.

2. A similar course is to be adopted by your Government with respect to all Colonels of Her Majesty's Indian Forces promoted under the Royal Warrant of 31st January, 1859, whose promotion may have been retarded, under the restriction with regard to leave of absence published in General Order, dated 18th September, 1860, No. 940.

Under instructions from the Right Hon'ble the Secretary of State for India, concurred in by His Royal Highness the Field Marshal Commanding-in-Chief, His Excellency the Governor General in Council is pleased to notify, with reference to Government General Order, No. 740, dated 20th May, 1859, that the time passed by a Major and Brevet Lieutenant Colonel in proceeding from the command of one regiment to that of another, the removal having been ordered on public grounds, is to count in full for promotion to the rank of Colonel, under Clause 9, of the Royal Warrant of the 31st January, 1859.

period during which an Officer not a substantive Lieutenant-Colonel is absent from his Command on any account whatever, can only be allowed to reckon as qualifying for the rank of Colonel under the eight years' rule.

2. I have been informed by His Royal Highness in reply, with reference to the provision of the Royal Warrant upon that point, that, in the case of a Major and Brevet Lieutenant-Colonel holding a qualifying staff appointment, it has been ruled that temporary leave of absence shall reckon toward his Colonelcy under the five years' rule, but that, in the case of an Officer of the rank of Major and Brevet Lieutenant-Colonel whilst absent from a Regimental Command, such period of absence is not allowed to reckon under the five years' rule.

"A reference on the subject having been made to the General Commanding-in-Chief, it has been ruled that leave of absence taken by a Brevet Lieut. Colonel who has obtained that rank for service in the Field, is to reckon as part of the eight years' service required under the Royal Warrant of the 31st January 1859, to qualify for the rank of Colonel."

TO HIS EXCELLENCY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.
MY LORD,—The provisions of the Circular Memorandum from the Horse Guards, dated 24th August,

Horse Guards, S. W., 24th August, 1860.

"It has been directed by the Secretary of State for War, with the concurrence of His Royal Highness the General Commanding-in-Chief, that Captains having Brevet rank as Field Officers, at present holding staff situations as pointed out by the 8th Clause of the Royal Warrant of the 14th October 1858, are permitted to count their services in those situations towards the rank of Colonel, but no Captain holding Brevet rank of Field Officer, who may in future be appointed to such situations, will be allowed to count his services in them towards the rank of Colonel."

1860, No. 61, quoted in the margin, are to be in future adopted for Officers in the Indian Armies. Your Government will accordingly issue a Notification to this effect in General Orders.

Fort William, 7th January, 1864.

No. 14 of 1864.—The following paragraphs of a Military letter from the Right Honorable the Secretary of State for India, No. 408 of the 30th November 1863, are published for general information:—

I have received and considered in Council the Military letter from the Governor General, dated 29th August last, No. 80A, on the subject of the adoption, as regards Major-Generals of the Staff Corps, of the provisions of the Royal Warrant of 5th November, 1860, which modifies, in favor of Officers promoted for service in the field, Clause 27 of the Royal Promotion Warrant of the 14th October, 1858.

2. Previously to the receipt of his Lordship's letter, I had determined that the time passed by an Officer on leave of absence, rendered necessary by ill-health contracted on service, or in consequence of a wound received in action, shall be allowed to count towards the six years' service in the substantive rank of Field Officer required by the rule laid down in my Despatch dated 3rd December, 1861, No. 467 (19), to entitle an Officer of the rank of Major-General to the unattached pay of that rank. Colonel C. Read, C. B., Aide-de-Camp to the Queen, is to have the benefit of this alteration.

3. I now authorize you to introduce the rule sanctioned in the Royal Warrant of 5th November, 1860, and to declare an Officer of the Staff Corps who has been, or shall be hereafter, promoted to the rank of Field Officer by brevet for service in the field, who shall continue to serve uninterruptedly, on full pay, from the date of his promotion by brevet to the date of his obtaining the rank of Major-General, to be entitled to the unattached pay of that rank, notwithstanding he may not have served six years with the regimental rank of Field Officer with a Regiment, or in one of the situations specified in Clause 8 of the Royal Warrant of 31st January, 1859.

Fort William, the 10th February, 1864.

No. 117 of 1864.—The following Military letter from the Right Honorable the Secretary of State for India is published for general information:—

From Her Majesty's Secretary of State for India, to the Right Hon'ble the Governor General of India in Council, No. 445, dated 31st December, 1863.

SIR,—I have received and considered in Council your Excellency's Military letter* No. 56A, dated 29th July, 1863, forwarding applications from the Officers Commanding the Guide Corps, 1st and 2nd Punjab Cavalry, and 2nd Punjab Infantry, soliciting that the period passed in command of

* Separate.
Regiments of the Punjab Irregular Force may be considered as qualifying an Officer for promotion in the rank of Colonel, in like manner as such command counts in Native Regiments of any description under the orders of His Excellency the Commander-in-Chief.

2. My attention has been already drawn to this subject by your proceedings in the Military Department, Nos. 214 and 215 of the 5th March last, wherein it appears that the

claim of a Lieutenant Colonel of the Bombay Army to promotion under the Warrant was considered subject to the inquiry as to whether the Regiment he commanded was or was not under the orders of the Commander-in-Chief; and I was, prior to the receipt of the Governor General's letter now under acknowledgment, in communication with His Royal Highness the Commanding-in-Chief on the subject.

3. I observe that the wording of my reply to the inquiry contained in the 7th paragraph of your letter, No. 83 of 17th June, 1859, may have led to a misapprehension of the intention of Her Majesty's Government, and of His Royal Highness the Field Marshal Commanding-in-Chief upon this point.

4. In the paragraph referred to, your Government desired "to be informed whether the command of Irregular and Local Regiments is to be still considered as qualifying for promotion to the rank of Colonel;" and a reference having been made to the General Commanding-in-Chief on this subject, it was stated in reply, "That His Royal Highness considers that the command of Local or Irregular Regiments, if held by an Officer with the rank of Lieutenant-Colonel, may qualify for the rank of Colonel under the provisions of the Warrant."

5. There were, however, two descriptions of Native Forces, with a Regimental organization, viz., the 1st Military, consisting of Regiments, employed on duties of a strictly Military character; and 2nd, the Police, consisting of Irregular bodies, which, though having a Military organization, were ordinarily employed upon Civil and Police duties.

6. It was not intended that the command of a Corps of the latter description should qualify for promotion under the 8th Clause of the Royal Warrant, and it was with a view of drawing a distinction between the two descriptions of Force to which I have referred, that the words "under the orders of the Commander-in-Chief," which did not occur either in your letter or in that of the Military Secretary to His Royal Highness, but which were adopted as expressing in a few words the distinction which it was intended to make, were inserted in my reply to your reference.

7. While the object of the distinction was to exclude Officers of Police Battalions from the operation of the 8th Clause of the Warrant, it was not intended to exclude from the privilege conferred by it, Officers Commanding Regiments of a strictly Military character, whether serving directly under the Commander-in-Chief, or placed, for reasons of State policy, under the Civil Government.

8. I request, therefore, that the terms of your Order, No. 39 of 1859, which would seem to exclude from the benefit of Clause 8 of the Royal Warrant, Officers Commanding Regiments or Forces of the latter description, may be modified, and that the rule, as now explained, may be applied, with retrospective effect, to such Officers as may be already entitled to promotion to the rank of Colonel under its provisions.

9. Under the operation of this order, the Punjab Force, the Hyderabad Contingent, and all such bodies of Troops will be considered as forming a portion of the Standing Army, and Officers serving with those Forces will be entitled to all the privileges regarding promotion granted to the Officers of the Army at large, by the usage of the service, or under the provisions of the Royal Warrant.

No. 118 of 1864.—The following Military letter from the Right Honorable the Secretary of State for India, is published for general information:—

From Her Majesty's Secretary of State for India, to the Right Hon'ble the Governor General of India in Council, No. 446, dated 31st December, 1863.

SIR.—With reference to my Despatch, No. 436 of 25th November, 1862, I have to inform you that the rule laid down in a Circular from the Horse Guards, No. 61 of the 24th August 1860, extends to all Officers holding the rank of Captain regimentally with the Brevet rank of Lieutenant Colonel, who may be serving in positions qualifying for promotion to the rank of Colonel, under the 8th Clause of the Royal Warrant of 31st January, 1859.

2. It is therefore to be considered as applying to Officers of that rank holding the command of Regiments in the Indian Army.

3. A Captain and Brevet Lieutenant Colonel appointed to the command of a Regiment before the publication in General Order of the Horse Guards' Circular of the 24th August, 1860, count his period of command as qualifying service for the rank of Colonel, but a Captain and Brevet Lieutenant Colonel appointed to a similar Command subsequent to the publication, would not so count it.

No. 58 of 1865.—The following Military letter from the Right Honorable the Secretary of State for India, No. 377, dated the 25th November, 1864, and the Abstract of Rulings therein referred to, are published for general information:—

The principle of the Rules will apply to Officers of the Indian Army holding qualifying appointments as well as to Officers of the Staff Corps, similarly situated and whose promotion to the rank of Colonel is not provided for under paragraph 2 of the Staff Corps Warrant:—

G. O. G., No. 222 of 15th March, 1864.—With reference to Government General Orders noted in the margin, the following Military letter from the Right Honorable the Secretary of State for India is published for general information:—

From H. M.'s Secretary of State for India, to the Right Honorable the Governor-General of India in Council, No. 26, dated 30th January, 1864.

SIR,—My letter dated 8th October, 1861, No. 389, informed you that it had been determined that Officers holding the rank of Colonel and Lieutenant Colonel regimentally in the Royal Artillery were not, in future, to be seconded when holding Civil situations. My Despatch of the 24th March, 1862, No. 124, further informed you that the Supernumerary Lieutenant Colonels of the Royal Artillery were to be absorbed into the Regiment as vacancies occurred, and directed that a similar rule should be established with regard to the Indian Brigades.

2. Circumstances have hitherto prevented the carrying out this intention in the Royal Artillery, and the measure has, in consequence, been suspended, as respects the Indian Artillery also.

3. I am now informed that it is determined that the absorption of the Supernumerary Field Officers of the old Brigades shall commence on the 1st April, next, and that with this prospect in view, the Field Marshal Commanding-in-Chief has commenced the discontinuance of the practice of placing Field Officers of Artillery on the Supernumerary list.

4. The absorption of the Field Officers in the new Brigades will not be commenced until the process is completed in the old Brigades, but no Field Officers of either Brigade will be placed on the Supernumerary list after this date.

5. It is understood that the absorption of the Field Officers will be affected in the manner indicated in my letter, dated 24th March, 1862, No. 124, by making only one promotion for every three vacancies.

PROMOTION TO COLONEL—QUALIFYING SERVICE.

No. 586 of 1867.—The following Despatch from the Right Hon'ble the Secretary of State for India, is published for general information:—

MILITARY.

INDIA OFFICE;

No. 119.

London, the 25th April, 1867.

To His Excellency the Right Hon'ble the Governor-General of India in Council.

SIR,—Para. 1. With your Military letter, No. 89, dated 28th February, paragraph 2, you transmit correspondence relative to qualifying service for promotion of Majors and Brevet Lieutenant-Colonels under the Royal Warrant of 31st January, 1859.

2. As the Commander-in-Chief considers the point raised open to question, you state you are desirous of being informed whether the decision contained in your Officialing Secretary's letter No. 339, dated 11th February, is accurate, viz., that no portion of the time passed on leave by a Major and Brevet Lieutenant-Colonel (for field service) Commanding a Regiment, can count as qualifying service for promotion to Colonel, under the provisions of Clause 10 of the Royal Warrant of 31st January, 1859.

3. The clause referred to is as follows:—

"That the rank of Colonel be given to Officers who obtain the rank of Brevet Lieutenant-Colonel for services in the field after eight years of actual service with that rank."

4. When the period qualifying the Lieutenant-Colonel for the rank of Colonel, which had been fixed by the Royal Warrant of 1854 at three and six years respectively, was raised by the Warrant of 1858 to the periods of five and eight years it was understood that no deductions from the extended periods were to be made on account of leaves of absence. It was subsequently determined (July 1860) that in respect of Lieutenant-Colonels in India, a limit should be placed "on the period of absence to be reckoned as part of the five years qualifying for promotion to Colonel; and that fifteen months, being one-fourth of the whole period of five years, will be the term allowed, exclusive of leave obtained on medical certificate in consequence of wounds received in action."

G. O. G., 14th June 1867, No. 250.

* Madras G. O. G., 19th March 1872, p. 45.
† 28th September 1872, p. 176.

5. This Regulation was to apply both to Her Majesty's British and Indian Forces serving in India.

6. Very shortly afterwards your Government were informed that, on a reference to the General Commanding-in-Chief, it had been ruled that leave of absence taken by a Brevet Lieutenant-Colonel who had obtained that rank for service in the field, was to reckon as part of the eight years' service required, under the Warrant of 31st January, 1859, to qualify for the rank of Colonel. This decision was published in orders by your Government on the 21st September, 1860.

7. You were informed recently that the practice under which leave of absence had been deducted from the five years' qualifying period, was to cease; and that the Field Marshal Commanding-in-Chief had seen the necessity of rectifying the position of all Colonels promoted since October, 1858, who might have had their promotion retarded by the practice of limiting the leave of absence to fifteen months in the five years.

8. Your Government were directed to adopt a similar course in respect to the Colonels of Her Majesty's Indian Forces.

9. Your Government will thus observe that, although a limit was at one time placed on the leave of absence to be taken by a Lieutenant-Colonel qualifying under the five years rule, it has at no time been intended that any deduction on account of leave of absence should be made from the service of the Brevet Lieutenant-Colonel qualifying under the eight years rule, under Clause 10 of the Royal Warrant. The only qualification required under this Clause is, that an Officer should continue to serve on full pay for the period of eight years from the date on which he obtained the rank of Lieutenant-Colonel for service in the field.

10. The questions put by Sir William Mansfield to your Government, were as follows:—

1st.—Whether the period passed on leave by a Major and Brevet Lieutenant-Colonel Commanding a Native Regiment, is to be reckoned under Clause 10 of the Royal Warrant of 31st January, 1859?

2nd.—Whether leave of absence, which has been allowed to count as service for pension, is to be deducted from the qualifying service of Captains and Majors holding command of regiments with the army rank of Lieutenant Colonel?

11. With regard to these questions I have to remark as follows:—

12. Under the decision communicated to your Government on the dates noted in the margin, the command of Native Regiments held by substantive Majors being Brevet Lieutenant-Colonels, is to qualify for promotion to the rank of Colonel under the five years rule, in accordance with the provisions of Clause 9 of the Royal Warrant. Under the authority of the Secretary of State for War, published in Orders in India on 18th January, 1860, in respect to Clause 9, a regimental Major being a Brevet Lieutenant-Colonel, can only count the period he actually held command of a regiment towards the five years. On ceasing to exercise the command, he would, if a Brevet Lieutenant-Colonel for service in action, be in the same position as the Captain and Brevet Lieutenant-Colonel referred to in Sir Charles Wood's Despatch of the 17th November, 1864, No. 356, paragraph 5, that is, he would revert to the 10th Clause of the Warrant whilst on leave. The decision of the Field Marshal Commanding-in-Chief to this effect was communicated to you in Lord de Grey's Despatch, dated 31st May, 1866, No. 115. In this Despatch you were informed that, by the rules which govern the promotion of Officers of the British Service, the period during which an Officer, not a substantive Lieutenant-Colonel, is absent from his command on any account whatever, can only be allowed to reckon as qualifying for the rank of Colonel under the eight years rule.

13. The privilege under which leave of absence is, in certain cases, allowed to count as service for pension, relates to retirement on full pay only, and has no bearing on promotion under the Royal Warrants.

Whereas it has been represented to Us that it is expedient to make further Regulations for governing the Promotion in the Army of the Officers of Our Indian Forces, Our will and pleasure is that the Regulations annexed to this Our Royal Warrant be established and be the sole Regulations under which the Promotion in the Army of such Officers shall be effected.

Given at Our Court at Windsor this 21st day of December, 1871, in the Thirty-fifth Year of Our Reign.

By Her Majesty's Command,

ARGYLL.

REGULATIONS FOR THE PROMOTION OF INDIAN OFFICERS, SO FAR AS RELATES TO RANK IN THE ARMY.

1. Field Marshals shall be appointed at the will of the Sovereign, and the rank shall be conferred without reference to seniority.

2. The names of General Officers shall be borne upon three separate lists. The first shall contain the names of those on the fixed establishment; the second, those who having been promoted out of their regular turn are supernumerary to the fixed establishment; and the third, those who have retired from the service with the honorary rank of General Officers.

3. The fixed Establishment of General Officers shall be the following:—

Generals ...	...	...	...	33
Lieutenant-Generals ...	...	...	...	53
Major-Generals ...	...	...	...	87

TOTAL... 173

4. Promotion on the establishment from the rank of Lieutenant-General to that of General, and from the rank of Major-General to that of Lieutenant-General, shall be made as vacancies occur, according to seniority, subject, however, to the provision laid down in the last paragraph of clause 11.

5. Every vacancy on the establishment of General Officers shall be filled by the promotion of the Senior Colonel, subject to the provision in the last paragraph of clause 11, or by the transfer of a General Officer from the supernumerary list as provided in clause 8.

6. Temporary rank and command as General, Lieutenant-General, or Major-General, may for the convenience of Our Service, be conferred, without regard to seniority, on Lieutenant-Generals, Major-Generals, or Colonels respectively; and if the Officer during the continuance of such temporary rank and command shall have conducted himself to Our satisfaction, the rank so held may, upon the recommendation of Our Governor-General in Council be converted into permanent rank after having been held for five years in time of peace or for any shorter period in the field during war. A Colonel who shall vacate an appointment as temporary Major-General, and whose temporary rank shall not have been made permanent, may, upon the recommendation of Our Governor-General in Council, be made an honorary Major-General, and shall retain that rank until he succeeds to the establishment in virtue of his seniority on the list of Colonels.

7. Promotion may be conferred upon a Lieutenant-General, Major-General, or Colonel, without regard to seniority, for distinguished service in the field, and in such case the recommendation of Our Governor-General in Council, detailing the services for which the Officer is promoted, shall be published in the General Orders of Our Indian Military Forces, and in the *London Gazette*.

8. An Officer not below the rank of Colonel, promoted after temporary service in a higher rank, or for distinguished service in the field, shall be borne as supernumerary, and shall not be placed on the establishment in his new rank until the time when he would have attained such rank by seniority, that is to say, when the surviving Officer who stood next senior on the list to the Officer promoted under clause 6 or 7, shall have attained the same rank on the establishment, the next vacancy shall be filled by the transfer of the supernumerary General Officer to the establishment.

9. A supernumerary Major-General, who has been promoted after temporary service, and absorbed, under clause 8, into the establishment, shall have seniority according to the date of his permanent rank as Major-General, and shall rise to be Lieutenant-General and General, whether before or after his absorption into the establishment, in accordance with that seniority. A supernumerary General Officer who has been promoted for distinguished service in the field, and absorbed under clause 8, shall take his seniority from the date of his promotion as published in the *London Gazette*.

10. The Officers of the Staff Corps on the Indian list having been transferred to the General list of the British Army, according to the regulations contained in clause 89 of our Royal Warrant of the 27th of December, 1870, their names shall be retained on the Indian list in italics, until their death or retirement, for the purpose of regulating the promotion of the Officers below them on that list.

11. On the occurrence of a vacancy in the fixed number of General Officers on the Indian list, specified in clause 3 of this Warrant, whether among those who remain effective on that list, or among those whose names are merely retained in italics, and who shall be considered as forming part of the said fixed establishment, the name of the Senior Officer in each grade on the Indian list below that in which the vacancy may occur (with the exception of the grade of Lieutenant-Colonel,) shall be moved up to the next higher grade; but in case of the Officers whose names remain in italics, there shall be no actual promotion, the arrangement being limited to the transfer of the names for the purpose of regulating the promotion of those Officers who remain effective on the Indian list; and the promotion of an effective Colonel on the Indian List to the rank of Major-General shall in no case be affected by casualties among the General Officers of the Staff Corps, until the number of General Officers to be added to the British Establishment under clause 24 of our said Royal Warrant of the 27th of December, 1870 shall be complete.

12. The rank of Brigadier-General shall be local or temporary only.

Director of Garrison Instruction qualifies for the rank of Colonel under the 5 years' rule, also for the unattached pay of General Officer.

Under instructions from the Right Honorable the Secretary of State for India, and in accordance with the rule which obtains in the British Army, mixed qualifying periods of service for promotion to the rank of Colonel when there happen to be fractions of days will be computed as follows;—

The five years will be considered as completed if the number of days, together with the fractions of days, amount to more than 1,825½ days, but another day's service will be required if the fraction in the total is only equal to, or less than, half a day.

No. 234 of 6th March, 1872.—The following paragraphs of a Military letter from the Right Hon'ble the Secretary of State for India, No. 11 of the 18th January, 1872, and the Royal Warrant* therein referred to, are published for general information;—

Para. 1.—In your letter, No. 311, dated 26th September, 1871, you express your concurrence in the proposals made in my Despatch of 18th January, 1869, for regulating the Army promotion of Officers of the local service from the time that the 10th and two following clauses of the Royal Warrant of 13th June, 1864 should come into operation.

2. In order to carry these proposals into effect, a Royal Warrant, dated 21st December, 1871, has been issued, 20 copies of which are forwarded herewith, as well as copy of correspondence* with the War Office on the subject. You will observe that opportunity has been taken to consolidate the various Regulations in existence with respect to the promotion of the Officers of Her Majesty's Indian Forces.

3. It will rest with your Government to keep the necessary lists, and to notify the promotions or removals of the names of Officers from rank to rank, as the case may be, in succession to vacancies caused by the deaths of General Officers, up to the rank of Lieutenant-Colonel. The promotions amongst the General Officers, and from the rank of Colonel to that of Major-General, will be made, as heretofore, in this country.

4. On occasions when no actual promotion in or to General rank takes place, but a name in italics is removed from one grade to another, no notification will be made in the *London Gazette*; but I consider it advisable that the fact should be published in your local Orders. For this purpose, you will be kept duly informed of all vacancies, and of the alterations in the list occasioned by them.

5. On the death of Lieutenant-General Sir G. I. Jameson on the 24th October, 1871, clauses 10, 11 and 12 of the Warrant of 15th June, 1864, came into operation. The Senior Colonel of the British Army became a Major-General, the Staff Corps Officers were transferred to the Imperial List,† and, under the provisions of the Warrant now forwarded, the name of Colonel Salmon, of the Bombay Staff Corps, was placed in italics in the position of Junior Major-General on the India List.

Officers will receive commissions in the Staff Corps on their names being submitted to Us by Our Secretary of State for India.

It is Our further will and pleasure that the promotion and pay of the Staff Corps shall be regulated as follows:—

G. O., para. 84. 1. Ensigns, when permanently transferred to the Staff Corps, to have the rank of Lieutenant. Other Officers to have the rank which they may hold in their Regiments.

3. Officers now in Staff employment in India, joining the Staff Corps on its formation, shall count their previous Staff service towards promotion to the following extent:—
G. O., para. 85. One step of rank will be given to every Officer whose period of service would qualify him for it, according to the above rules. An interval of two years at least must intervene between each succeeding step.

G. O., para. 101. 5. Officers of the Staff Corps holding Military appointments will take Military command according to their Army rank, but Officers whilst holding only Civil appointments will not be entitled to assume such command.

Officers of the Staff Corps exchanging into a Regiment will become the juniors of their Regimental rank.

G. O., paras. 93, 99. 8. Officers of the Staff Corps will receive pay according to the following scale:—

Every Officer when in active employment will also receive, in addition to the above pay, such a sum as will make his total pay and allowances up to the sum assigned by the Governments in India, with the approval of the Secretary of State for India in Council, as the consolidated pay of the office which he may hold. Eventually a certain proportion of the senior Officers of the Staff Corps will receive Colonels' allowance.

G. O., para. 95. 9. Officers of the Staff Corps will be allowed to retire on the following scale of Pensions, provided that not less than half of the required periods of service shall have been passed in the Staff Corps:—

10. Officers of the Staff Corps in England who may not wish to retire, but who are unable to return to India, and Officers removed from the Effective List who may not be entitled to retire on the above scale of Pensions, will be placed on Half-pay List, provided they have served three years in India in the Staff Corps, on the same rate of Half-pay and on the same conditions as Officers of a similar rank in Our Army.

It is also Our will and pleasure that this Warrant shall be administered and interpreted by Our Secretary of State for India in Council, who shall be the sole and standing authority upon the matters therein contained.

Staff Corps.

66. The organization and regulations of the Staff Corps to be formed in the several Presidencies are given in full detail in the Royal Warrant and the Despatch No. 27, now published. The object of forming the Staff Corps is to supply a body of Officers for service in India, by whom various offices and appointments, hitherto held by Officers borne on the strength of the several Corps of Indian Forces, shall in future be held; it having been resolved that the practice of withdrawing Officers for such employment, while remaining on the strength of their Regiments, be discontinued, and that ultimately all Officers selected for such employment be transferred to Staff Corps.

67. These Corps will be denominated the Bengal, Madras and Bombay Staff Corps respectively, and will consist of such Officers as may be required for employment therein, and may be selected by the Governments of the several Presidencies, with the approbation of the Secretary of State for India in Council.

68. Officers of the British and Indian Armies now on Staff employ in India, not having the substantive rank of Colonel, are eligible for admission to the Staff Corps; and Officers of either Service under the rank of Field Officer, not now on the Staff, may, now or hereafter, become candidates.

69. Officers at present holding Civil and Political appointments of every description, and appointments in all Public Offices and Departments; Officers holding Military appointments on the General and Personal Staff, and the appointments of Commandant, second in Command, and Adjutant of Irregular and Local Corps; of Adjutant and Interpreter and Quarter Master of existing Local European and Native Regiments;—will be held to be now on Staff employ, and will be eligible, under the conditions hereafter noted, to have their names placed on the list of the Staff Corps; but Officers doing duty with Irregular and Local Regiments will not be regarded as being now in Staff employ.

70. So soon as the proposed changes in the organization of the Regular Native Regiments shall have come into operation, the whole of the Officers who will be permanently attached to them will be held to be on Staff employ.

71. There will then be, as at present, two great divisions of employment for Officers of the Staff Corps:—

1st. Purely Military, as in Regiments of the Native Army.
2nd. Various Civil appointments, as Political, Public Works, &c.
There will also be practically many sub-divisions of employment, for each of which there will be as at present, separate Departmental Lists.

72. Officers of the Indian Army now holding Staff appointments of any description, will have the option of joining the Staff Corps if they do not possess the substantive rank of Colonel, or of continuing in the Staff employment, whatever their Regimental rank, without joining the Staff Corps; and in the latter case they will not, as heretofore, be required to vacate their appointments on the attainment of a certain Regimental rank. This paragraph does not effect the provisions of paragraph 45.

Royal Warrant, Clause 2, Despatch 27, paras. 13, 17.

73. Officers of the Indian Army not now on the Staff, nor having the substantive rank of Colonel, but who within the last three years, or who, at the commencement of their present unexpired furlough, may have served permanently on the Staff, and who may make application within the next six months, will be considered eligible to join the Staff Corps on the same terms as those now on Staff employ; provided always that they have passed the prescribed examination in Hindoostanee, and that they did not lose their appointments through misconduct, and are not otherwise disqualified.

74. Officers of the British Army, now in Staff employment, will have the option of declaring their desire to be transferred to the Staff Corps, with the consent of the Commanders-in-Chief in India, within six months from the date of the notification of the Royal Warrant in India; or of retaining their appointments on their present footing, if their services are required by Government, for the unexpired portion of a period of five years from the date of their appointment, unless the Regiments to which they belong shall be previously removed from the Indian Establishment.

75. Those whose tenure of Staff appointments, at the time of transfer to the Staff Corps, shall have exceeded one year, will not be subjected to probation, or to any introductory test other than those already prescribed for any department in which they may be serving; but Officers who have held their appointment for less than one year will not be transferred permanently to the Staff Corps unless they possess the requisite qualifications, to be hereafter laid down, and shall have completed the period of probation to be prescribed. The option of joining the Staff Corps will be open to those Officers only who may be considered by the Governments under which they are serving to be in all respects fit for the Staff Corps.

of the General and other Officers employed upon the Staff of the Army."

77. Officers now holding such appointments will not be required to vacate them for a period of two years from this date, or a period of seven years from the date of their appointment.

78. Officers not having the substantive rank of Colonel, now holding appointments on the Staff, as defined in paragraph 69, will at once be called upon to declare whether or not they desire to join the Staff Corps, to enable such Officers to avail themselves of the advantages in the way of promotion, notified in paragraphs 84 and 85, they must communicate their decision to the Adjutant General within six months of the date of publication of the Royal Warrant in India.

79. The selection of Officers hereafter, for the Staff Corps, will rest with the Governments in India but no Officer serving with any Regiment, will be admitted on probation without the consent of the Commander-in-Chief, or without a certificate from the Commanding Officer of his Regiment, that he has efficiently performed his Regimental duty for the period prescribed in paragraph 80.

80. For the future, Officers not on the Staff will not be eligible for the Staff Corps unless they be below the rank of Regimental Field Officer, and have served three years with a Regiment, of which two must have been in India, and have passed the prescribed examination in Hindoostanee. They will not be permanently appointed to the Staff Corps, unless, after due probation, they shall pass the prescribed tests for the branch of the Indian Service for which they may be selected. This rule applies equally to Officers of the British and Indian Armies.

81. A subsequent notification will prescribe the period of probation and the test of qualification in the several Departments.

82. The promotion of officers while on probation will go on in their respective Regiments.

83. Officers of the British Army when permanently transferred to the Staff Corps will be removed from the strength of the Regiment to which they belonged.

84. The promotion of Officers to the Staff Corps will be regulated as follows:—
Ensigns, when permanently transferred to the Staff Corps, will have the rank of Lieutenant. Other Officers will have the rank which they may hold in their Regiments.

Officers of twelve years' service, of which four must have been in the Staff Corps, will become Captains. After twenty years' service, of which six must have been in the Staff Corps, they will become Majors. After twenty-six years' service, of which eight must have been in the Staff Corps, they will become Lieutenant-Colonels.

Five years' service in the Staff Corps as Lieutenant-Colonel, will entitle the Officer so employed to the Brevet rank of Colonel.

85. Officers now in Staff employment will be allowed to count, to the extent laid down in the Royal Warrant, as noted in the preceding paragraph, their past service towards promotion, as if it had been performed in the Staff Corps. One step of rank will be given to every Officer whose period of service would qualify him for it according to the above rules, an interval of two years at least must intervene between each succeeding step. But these privileges will be restricted to those Officers who, whether now in India, or on leave out of India, may declare their desire to be transferred to the Staff Corps within six months of the date of the notification of the War-rant in India.

86. The Officers referred to in paragraph 73, will also be allowed this privilege, should they be permitted to join the Staff Corps.

87. The past service on the Staff, counting for promotion in the Staff Corps, will include any service of a permanent nature which an Officer now on the Staff may, from the date of his first arrival in India, have passed on the Staff.

88. Officers of the Staff Corps under the substantive rank of Field Officer, will be allowed to exchange with Regimental Officers of the line of the same rank, on the recommendation of the Governments of the several Presidencies, with the concurrence of the Government of India and the Commander-in-Chief in India, and subject to the confirmation of Her Majesty. But it is to be understood that the Regimental Officer entering the Staff Corps by exchange will not necessarily assume the Staff appointment held by the Officer with whom he exchanges. He will merely enter the Staff Corps on being found qualified for the department of the Staff on which the Government may desire to employ him. Officers of the Staff Corps exchanging into a Regiment, will become the Juniors of their Regimental rank.

89. An Officer of the Staff Corps whose name is borne in the Cadre of an Indian Regiment, exchanging from the Staff Corps with an Officer of a British Regiment other than the new Line Regiments about to be formed, will give an effective step in the Cadre of his former Regiment.

90. It will be discretionary with the Governments in India, as at present to employ the Officers of the Staff Corps, in such manner as they may think best, in the situations for which their respective qualifications may render them most fitted. The appointments and promotions in the several

Despatch 27, para 22.

Departments will rest, as at present, with the Governments in India, and will be made irrespectively of the rank which the Officer may hold in the Staff Corps. Those appointments, promotions, and recommendations now in the gift of the Commander-in-Chief remain as heretofore.

91. Officers of the Staff Corps of one Presidency may, with the sanction of the Government of India, be employed in any other Presidency.

Despatch 27, para. 28.

92. Unattached Officers of the Indian Service are eligible for the Staff Corps on the same terms as other Indian Officers.

93. Officers of the Staff Corps while on furlough will draw the pay of their rank, as laid down in the Clause of the Royal Warrant for Officers out of India, and in case of sickness will have the privilege of drawing for six months the allowances of Officers on sick leave in India. They will be allowed to retain their appointments during short periods of leave, not exceeding twenty months, during which time they will only receive the unemployed pay of their rank. With the above exceptions the Officers of the Staff Corps will be under the New Furlough Regulations of the Indian Army.

94. A certain proportion of the Senior Officers of the Staff Corps will receive Colonel's allowance. Eventually the number will be fixed in the proportion of one for every thirty Officers on the Staff Corps, but this number can only be filled up as the establishment of Colonels on the old footing diminishes, so that the aggregate number of Officers receiving Colonel's allowance for each Presidency never exceed the regulated number of Colonels on the old footing.

95. Officers of Her Majesty's Indian Forces joining the Staff Corps, will be entitled to pensions under the Regulations of the Indian Service. Officers of the British Army, entering the Staff Corps, will be allowed to retire on the following scale of pension, provided that not less than half of the required periods of service shall have been passed in the Staff Corps:

96. All Officers of the Staff Corps in England who may not wish to retire, but are unable to return to India, and Officers removed from the effective list of the Staff Corps who may not be entitled to retire on the above scale of pension, may, provided they have served three years in India in the Staff Corps, be placed on a half-pay list, on the same rate of half-pay and on the same conditions as Officers of a similar rank in the British Army. Officers belonging to the Indian Forces who may avail themselves of this privilege will give an effective step in the Cadre of their Regiments. Officers placed on half-pay will be eligible to return to effective service, either in the Staff Corps or in the Regimental the Line. In the former case their names will not be restored to their old Cadres.

97. No unemployed General Officer of the Staff Corps, who is not required by the Governments in India to remain there, will be allowed to receive pay on the Indian scale for a longer period than three years. At the expiration of that period he will be restricted to the pay fixed for Officers of his rank "out of India." This rule in no way affects the Colonel's allowance.

98. Officers of the Staff Corps under the rank of Major-General, whom the Government of India may not see fit to employ in any capacity, will not be allowed to draw pay for more than four years, of which one year may be on the Indian Scale, and three years on the scale fixed for Officers "out of India" after which period they will be placed on half-pay, or on pension according to the scale of their rank, if entitled thereto.

99. The pay of Officers of the Staff Corps whilst unemployed has been fixed at the following rates.

100. The pay and allowances to be established for the several Staff appointments, in all departments of Staff employ, will be announced in a subsequent notification, and meanwhile the Staff salary and other allowances of all appointments will remain unchanged.

101. Officers of the Staff Corps are eligible for Brevet Rank, and will take their places on the General Gradation List in common with the rest of the Army. Those holding Military appointments will take Military Command according to their Army rank, but Officers whilst holding only

Civil appointments will not be entitled to assume such command. Civil appointments are those in any Civil branch of the Army, or under the Civil administration of Government.

102. Officers of the Staff Corps will succeed to Colonel's allowance according to their seniority as Lieutenant-Colonels in the Staff Corps. Lieutenant-Colonels entering the Staff Corps on its first establishment will take rank for Colonel's allowance according to the dates of their Commissions as substantive Lieutenant-Colonels. All Officers entering the Staff Corps will take with them the substantive rank they held at the same time of joining it. Should two Officers of the same rank enter the Staff Corps, and be promoted on the same day, they will stand in the Corps according to the dates of their previous substantive Commissions. But Officers of the Staff Corps will take precedence and exercise command among each other according to their Army Rank.

103. All promotions in the Staff Corps, in the case of Officers who may join the Staff Corps within six months of the publication of the Royal Warrant, will take effect from the 18th February, 1861, the date of the receipt of the warrant in India.

104. The power of removing Officers from the effective list of the Staff Corps will be exercised by Her Majesty through the Secretary of State for India.

105. The provisions of paragraph 90 are also applicable to appointments in the Ordnance, Survey, and Public Works Department.

(Signed) R. J. H. BIRCH, Major General, Secretary to the Govt. of India.

No. 825 of 1861.—The following paragraphs of a Military Letter from the Right Hon'ble the Secretary of State for India, No. 318, dated 10th August, 1861, are published for general information:—

Para. 1.—It appears to me that paragraph 93 of your General Order does not accurately express the intentions of Her Majesty's Government, and is liable to misapprehensions on the part of the Officers of the Army. The words "Officers of the Staff Corps, under the rank of Major-General, whom the Government of India may not see fit to employ in any capacity," used in the paragraph, would appear to contemplate Officers who ought to be removed from the Staff Corps under the authority specified in the 7th paragraph of the Staff Warrant, and placed upon half-pay or pension under the provisions of the 10th paragraph of the same Warrant.

2. The directions contained in paragraph 33 of my Despatch, No. 27 of January, 1861, were intended to apply not to Officers unfit for employment, "whom the Governments of India may not see fit to employ in any capacity," but to Officers who are perfectly fit for employment, but who, from circumstances of one kind or another, may be out of employment, for example, such as those who, in consequence of having overstayed the prescribed limit of absence, with retention of appointment, may find themselves, on their return to India, out of employment.

3. I proceed, therefore, to give you more precise directions on this subject.

4. Such Officers are, on their return to India, to be placed on the rate of pay specified, for their respective ranks, in the Staff Warrant for Officers "while required to remain in India," and they will retain this rate of pay for a year, before the expiration of which I expect that you will have an opportunity of placing them in some suitable situation. This it will be your duty to do at the earliest period, so that the revenues of India may not be charged for more unemployed Officers than is inevitable under the circumstances at the time.

5. If, however, no opportunity should occur within the year of placing such an Officer in a situation that you consider suited to him, you are authorized to continue such allowance until a suitable opening can be found.

6. I desire, however, that every such case shall be forthwith reported to me, and that a quarterly list of all such unemployed Officers in India, at the date of their return to India, may be punctually transmitted to me.

7. You will modify the 98th paragraph of your General Order in accordance herewith.

No. 826 of 1861.—With reference to the foregoing Despatch, paragraph 98 of the General Order, No. 332, dated 10th of April, 1861, is cancelled, and the following is substituted for it:—

98. Officers of the Staff Corps under the rank of Major-General, who may be considered unfit for employment, will be removed from the Staff Corps under the authority specified in the 7th paragraph of the Royal Warrant, and placed upon half-pay or pension under the provisions of the 10th paragraph of the same Warrant.

Officers who are perfectly fit for employment, but who, from any circumstances, as, for example from having exceeded the prescribed limit of leave of absence, with retention of appointment, may be out of employment, will, on their return to India, be placed on the rates of pay specified in the Royal Warrant for Officers respectively "while required to remain in India," and such rates of pay they will retain for one year, within which time it will be the duty of the Government of India to find suitable employment for them if possible, but failing in this, the allowances above noted will be continued until an opening for employing them can be found.

No. 469 of 1866.—The following Extract from General Orders by the Government of India, is re-published:—

Fort William, the 15th December, 1866.

No. 1962 of 1866.—Under the authority of the Right Honorable the Secretary of State for India, His Excellency the Governor General in Council is pleased to notify that Officers joining the Staff Corps under Government General Order No. 808* of the 26th September, 1866, will not be liable to be placed on half-pay under Government General Order No. 826† of 17th September, 1861, upon any grounds, other than such as would have justified their removal from the effective strength of the Army had they not joined the Staff Corps.

Revised Table of Staff Salaries.

Fort Saint George, 6th November, 1868.

No. 392 of 1863. The following Extracts from General Orders by the Government of India, are re-published:—

Simla, the 13th October, 1863.

No. 156A of 1863.—Under the authority and direction of the Right Hon'ble the Secretary of State for India, as conveyed in his Despatch, No. 811, dated the 31st August last, a revised Table of Staff Salaries for the three Presidencies is published, and the Extracts of Sir Charles Wood's Despatch on the subject, as given below, are promulgated for general information.

2. Officers whose appointments are not specified in the Table of Revised Salaries will draw pay as at present, and further orders will hereafter be issued with respect to the Office Establishment of those Staff Officers who have hitherto drawn an Office allowance, such as Assistants Adjutant General of Divisions and Majors of Brigade.

3. With reference to paragraph 29 of Sir C. Wood's Despatch, it is announced that the Despatch was received by His Excellency the Governor General on the 30th September. Increased pay were granted by this order is therefore claimable for the month of September.

Para. 1.—"Your several letters noted in the margin, relating to the salaries to be attached to Offices held by Military Officers in India, have been under my consideration in Council, and I have now to communicate to your Lordship the decision which, after an attentive perusal of the several papers which accompanied your letter, Her Majesty's Government have arrived at upon this subject.

2. The Committee of Secretaries appointed by your Government to consider the subject, have gone very carefully into the whole question, and have submitted a very valuable Report, which has greatly tended to facilitate and simplify the consideration of this important matter.

3. They observe of the Royal Warrant for the formation of the Staff Corps in India that, after fixing the scale of pay to be received by Officers attached to them while in India, and when out of India, it further provides that every Officer when in active employment will also receive, in addition to the above pay, such a sum as will make his total pay and allowances up to the sum assigned by the Government of India, with the approval of the Secretary of State for India in Council, as the Consolidated pay of the office which he may hold.

4. Having consulted the several Governments, as well as the Chief Political and Military Officers of the Government, the Committee propose for adoption the following principles:—

1st.—That the salaries of Military Officers holding appointments connected with the Civil administration of the country should be consolidated and fixed without reference to the rank of the incumbent.

2nd.—That in the case of Military Officers in staff employ, a certain Salary should be fixed for every appointment, and that the incumbent should receive such fixed salary in addition to the Staff Corps pay of his rank.

3rd.—That this latter principle should apply to the Department of Public Works.

5. I concur generally in the principles here laid down, with some exceptions to be hereafter pointed out, as regards the Officers in Military Staff employ.

10. I have considered it necessary to deviate in some respects from the rates of salary proposed by the Committee, and I now forward, for the information of your Government, a Table of salaries which Her Majesty's Government have resolved upon, for the several Offices enumerated in their report.

11. You will observe from the Table that, while adhering generally to the principle of allotting a Staff salary in addition to Staff Corps pay, it has been determined to fix the salaries of some few of the higher Offices at a consolidated sum.

12. In the case of the other appointments it is to be understood that the Staff salary now fixed, plus the Staff Corps pay due to the Officer's rank, will constitute the maximum amount to be drawn by an Officer of that rank holding the office in question, whether such Officer belonging to the Staff Corps or not. In the case of appointments held by Officers belonging to Her Majesty's British Forces, such maximum amount will include any pay or half-pay that may be paid to them in England.

13. I approve of the rule proposed by the Committee that in all cases where any allowance for "Office" is made, as in the case of Assistants Adjutant General, Brigade Majors, and others, it should be distinctly understood that the allowance is to be drawn only by Officers actually discharging the duties of the appointment, and that no further charge can be allowed for providing an office.

14. It is desirable that, whenever possible, the Public Offices should be located in public buildings, and it should be a standing rule that all bills for Office allowance should be supported by a Certificate from the proper authority, that no public building was available for such office.

15. I am of opinion, however, that Office Establishment should, as a general rule, be maintained according to a regulated scale, and should be paid on abstracts, supported by the usual Monthly Muster Roll.

18. The principle laid down in the 4th Clause of the same paragraph has, you will perceive, been observed in the rate of salary allotted to the heads and Subordinate Members of Departments at the several Presidencies; but I have extended to the Deputies of the Army Department at Head Quarters in Bengal the benefit of the rule which gives to the Chief of those Departments a higher rate of salary than at Madras or Bombay.

CAMP MEEAN MEER, THE 29TH OCTOBER, 1863.

No. 161A of 1863.—In continuation of General Order, No. 156A of the 15th Instant, the annexed scale of Staff salaries hereafter to be allowed to Officers serving with Native Regiments under the new organization is published for general information, and with reference to this scale an extract (paragraphs 23, 24, 25, 26, 27, 28, 29 and 30) of Sir Charles Wood's Despatch, No. 311 of the 31st August last, is also published for information and guidance.

2. Detailed instructions will be issued by His Excellency the Commander-in-Chief for the guidance of Officers serving with Native Corps under the new organization, and the present system of payment of Troops and Companies and for repair of Arms, &c., will continue until a further order is issued by Government on the subject, the same Officers as at present drawing any allowances now authorized for the payment of Companies and repair of Arms.

The new system of placing European Officers in charge of Squadrons and Wings will, in all other respects, be brought into operation as soon as His Excellency the Commander-in-Chief can issue the necessary subsidiary order.

3. The Despatch of the Secretary of State having been received by the Right Hon'ble the Governor-General on the 30th ultimo, increased pay is claimable from 1st September by Commandants, Adjutants, and Seconds in Command or others obtaining new appointments, as Wing or Squadron Officers or Quarter-masters, such increased pay will only become due from the date of Officers assuming charge of the duties of such new appointments under the orders of the Commander-in-Chief.

4. With reference to paragraph 26 of Sir Charles Wood's Despatch, instructions will hereafter be issued as to the scale of Office Establishment to be maintained by Adjutants. Meanwhile the allowance of Rupees 50 per mensem will be passed.

5. The pay now authorized is to be drawn in addition to Staff Corps pay only.

6. The rules now laid down are applicable to such Corps under their Excellencies the Commanders-in-Chief of the Bengal and Bombay Armies as now are or may hereafter be placed on the new organization, and to the Punjab Irregular Force.

In other Irregular Corps no alteration is made in the Establishment, position or duties of Officers, but Commandants, Adjutants, Seconds in Command, and Doing Duty Officers are entitled to the increased pay.

7. The Corps of Regular Infantry on the Bengal Establishment will, under the orders of the Commander-in-Chief, be placed on the new organization from the 1st January next.

Future Establishment of Officers for Corps of Native Cavalry and Infantry on the new organization.

Extract, Secretary of State's letter, No. 311, dated 31st August, 1863, paragraphs 23 to 30.

Para. 23. I have given much careful consideration to these proposals.

24. I am of opinion that the salaries attached to these Regimental appointments should be such as to place them at least on a footing of equality with the average of the Staff appointments commonly held by Officers of similar rank and standing in the service, and while they should not be so far superior to the latter as to induce those to seek them whose natural tastes and qualifications might not otherwise incline them to this important branch of the Service, it is important, on the other hand, that young Officers, who on first joining the Staff Corps, will frequently be employed with Native Troops, should not, if naturally, fitted for Military Service, be tempted to relinquish it by the attraction of superior emoluments of other staff employments.

25. With these principles in view, and making due allowance for the advantages enjoyed by Staff Corps Officers in regard to promotion, and the comparatively early period at which they will attain the pay for the higher ranks, I am willing to sanction the scale of Staff allowance proposed by your Government for the Officers serving in different capacities with Native Regiments, which, though liberal, will probably not be found excessive.

26. In the case of the Regimental Adjutant, however, it appears desirable that an Office Establishment should be prescribed, which should be maintained and paid upon Abstracts supported by the usual Muster Rolls.

27. I learn from your Despatch, No. 10, dated 3rd January, 1863, that you have completed the Native Regiments in Bengal to six regularly, attached and paid European Officers; exclusive of the Medical Officers, as announced in your General Order of the 12th December 1862, it being distinctly understood that the appointments made under that decision are held subject to such modifications as may be found necessary on receipt of my further instructions on the general question, and that you have authorized the Government of Bombay to extend the rule to such Regiments in that Presidency as are formed and officered according to the new organization.

28. I approve of these proceedings and shall await the result of your reference to the Government of Madras upon the introduction of the New system into the Army, of that Presidency.

29. The scale of salaries now sanctioned will be brought into operation and made to apply in all cases where there is no reduction in the present aggregate salary on the payment due on the 1st of the month succeeding the receipt of this Order.

30. Reductions of salaries effected by this Order are not to be made to affect present permanent incumbents, or those who are officiating for such permanent incumbents being temporarily absent from their duties.

HOME REMITTANCES.

European Commissioned and Warrant Officers are permitted to make Family Remittances to Europe to the following extent, for the benefit only of their Parents, Wives, Children, Brothers and Sisters, Fathers or Mothers-in-law, Brothers or Sisters-in-law:—

Major General.....	£ 400 per annum.	Lieutenant & Assistant Surgeon.....	70 per annum.
Brigadier General.....	400 "	Cornet and Ensign.....	50 "
Colonel.....	300 "	Deputy Commissaries.....	50 "
Lieutenant Colonel.....	200 "	Asst. & Depy. Assistant ditto....	40 "
Major and Chaplain.....	150 "	Conductor and Riding Master....	30 "
Capt. Surgeon & Asst. Chaplain.....	100 "	Sub-Conductor.....	20 "

The rate of Exchange is fixed annually. Officers on the Pension Establishment are not entitled to the indulgence.

The above remittances are effected quarterly, reckoning the year from 1st April to 31st March, and cannot be remitted in advance; for instance, no party can remit during the 1st quarter, more than one quarter of the amount exhibited above. During the 2nd quarter, more than half the amount, provided he may not have already remitted for the 1st quarter. During the 3rd quarter, more than three-fourths of the amount, provided also that he may have not remitted for the two previous quarters, and during the 4th quarter, more than the established amount under the above proviso, and no arrears of remittances can be allowed beyond the official year.

Officers if they prefer it, can pay the amount into a Public Treasury, instead of having the sum deducted from their pay bills, but the payment into the Treasury must be accompanied by authority from a Paymaster for its reception into such Treasury.

In conformity with a recent ruling of the Government of India, it is hereby notified that the restriction imposed in para. 2 of G. O. G., No. 198, dated 7th May, 1867, in regard to the Home Remittances of Officers, is withdrawn, and such Remittances may hereafter be made to the full amount within the annual limit of the Officer's rank, in one sum or by instalments, at any time within the official year.

London, 4th May 1876.

To His Excellency the Right Honorable the Governor-General of India in Council.

Para. 1. Your letter, No. 16, dated 28th January, 1876, inquires how the Indian Furlough Regulations are to be held to apply to British Officers holding Staff appointments in India, seconded in their regiments.

2. I consider that all British Officers holding Staff appointments in India necessitating their being seconded from regiments on the Indian Establishment, and Officers appointed from regiments serving elsewhere than in India (whether seconded or not), should be placed in the same position, and that such Officers should be allowed, during their five years' tenure of office, six months' leave on sick certificate, with absentee allowances regulated under the Furlough Rules of 1868, or leave on private affairs for four months, with British pay from Indian revenues. Any leave obtained in excess of either of these periods will involve loss of appointment, and only one grant of leave out of India will be allowed.

3. This decision should be published in General Order, in substitution of all previous orders on the subject.

I have, &c.,

No. 53.—The following General Orders by His Excellency the Commander-in-Chief in India, are republished:—

Simla, 20th April, 1876, No. 88.—The following General Order by the Government of India in the Military Department, is re-published:—

No. 423, dated 11th April, 1876.—With regard to the existing regulations which prohibit all pecuniary arrangements between officers relating to the resignation of appointments and to remove the possibility of misapprehension as to the scope of those regulations, the Right Honorable the Governor-General in Council is pleased, in furtherance of the desire of Her Majesty's Government, to notify that the former regimental organization of the local army having ceased to exist, the permission given by the Honorable the Court of Directors to junior officers to enter into arrangements for the retirement of their regimental seniors has necessarily become null and void, and the offer and acceptance of any pecuniary consideration for the resignation of an appointment in the army, of whatever nature, is prohibited and illegal.

On any infringement of this order coming to the notice of the Government of India, the officer or officers concerned will be at once suspended from employment, pending the result of a reference to Her Majesty's Government, who have intimated their intention to deal with such infringements of the law and regulations of the service with the utmost severity.

This order is applicable to the officers of all presidencies.

I.—CARBINE PRIZE FOR ROYAL ARTILLERY AND BRITISH CAVALRY.

1. Prize—a sword, regulation pattern. The match to be divided into two stages. Every non-commissioned officer and soldier, with their commanding officer's permission (and commanding officers are requested to place as few restrictions as possible on the number of competitors), will be eligible to enter for the first stage, on payment of one rupee each, and will fire five rounds each, unless they retire before completing that number, standing, at 200 yards.
2. The twenty men of Cavalry regiments and five men in batteries of Artillery who make the highest scores at this distance, in each regiment or battery, will be considered as the champions, and they alone will compete in the second stage of the match, without paying any further entrance, and will fire five rounds each, standing, at 200 yards, and five rounds each, at 300 yards. The individual who makes the highest aggregate score at the two distances of the second stage will be the winner of the sword presented by His Excellency. The regiments and batteries competing will be placed in order of merit, according to the averages made in the second stage by their champions.

3. The whole of the entrances, without any deduction, will be issued in individual prizes to the best shots in order of merit, amongst the competitors in the second stage of the match, in proportion to the percentage of prizes to competitors (see General Rule 3). The number of money prizes, and the amount of each prize, will depend upon the number of entrances for the match, and will be determined by the Chief Inspector of Musketry, in communication with the commanding officers of competing regiments, and batteries, as soon as the total number of entrances shall have been ascertained. The winner of the sword given by His Excellency the Commander-in-Chief will, in addition, receive the first money prize.

4. Garrison batteries of Royal Artillery may compete, either as Cavalry or as Infantry. If any battery competes as Infantry, it will be guided by the rules laid down for the competition of that branch.

II.—CARBINE PRIZE FOR NATIVE CAVALRY, INCLUDING THE MADRAS REGIMENT AT SAUGOR, THE PUNJAB FRONTIER FORCE, AND REGIMENTS UNDER THE GOVERNMENT OF INDIA SERVING WITHIN THE LIMITS OF THE BENGAL PRESIDENCY.

Prize, a sword.

Conditions—same as for British Cavalry.

Arms—breech or muzzle-loading as carried by regiment.

III.—BRITISH INFANTRY.

1. *Aggregate prize, a cup. Individual prize, a watch.* Every non-commissioned officer and soldier, with their commanding officer's permission (and commanding officers are requested to place as few restrictions as possible on the number of competitors), will be eligible to enter for the match to be divided into two stages. The highest aggregate score made by the twenty cup presented by Sir F. P. Haines, which will be regarded as regimental property, to be kept in the first stage, on payment of one rupee each, and will fire five rounds each, unless they retire before completing that number at 500 yards.

2. The twenty men who make the highest scores at this distance, in each regiment, will be considered the champions of their regiment, and they alone will compete in the second stage of the match without paying any further entrance, and will fire five rounds each at 500 yards, and five rounds each at 600 yards. The highest aggregate score made by the twenty cup presented by Sir F. P. Haines, which will be regarded as regimental property, to be kept in the officers' mess.

3. The individual who makes the highest aggregate score in the second stage of the match will win the watch presented by His Excellency.

4. The whole of the entrances, without any deduction, will be issued in individual prizes to the best shots in the second stage of the match, in order of merit, in proportion to the percentage of prizes to competitors (see General Rule 3). The number of money prizes, and the amount of each prize, will depend upon the number of entrances for the match, and will be determined by the Chief Inspector of Musketry, in communication with the commanding officers of regiments competing, as soon as the total number of entrances is known. The first money prize will probably be 200 Rupees.

IV.—NATIVE INFANTRY.

To all regiments of Native Infantry, serving in the Bengal Presidency, including the Madras regiments serving in the Presidency, and Saugor districts, the Punjab Frontier Force, and Regiments under the Government of India serving within the limits of the Bengal Presidency, under the following conditions:—

1. *Prize.*—A gold medal with inscription. This medal will, to commemorate the institution of rifle matches in the Native Army, by the Right Honorable Lord Napier of Magdala, be called "the Magdala Medal."

2. The match to be divided into two stages. Every non-commissioned officer and soldier, with their commanding officer's permission (and commanding officers are requested to place as few restrictions as possible on the number of competitors), will be eligible to enter for the first stage, on payment of four annas each, and will fire five rounds each, unless they retire before completing that number at 500 yards.

3. The twenty men who make the highest scores at this distance, in each regiment, will be considered the champions of their regiment, and they alone will compete in the second stage of the match without paying any further entrance, and will fire five rounds each at 500 yards, and five rounds each at 600 yards. The individual who makes the highest aggregate score at the two distances of the second stage will be the winner of the gold medal presented by His Excellency.

4. The winning team will receive one hundred rupees, from His Excellency, to be divided among the non-commissioned officers and men composing it, proportionate to their several scores, according to a decision regimentally arrived at.

5. The whole of the entrances, without any deduction, will be issued in individual prizes to the best shots in the second stage of the match, in order of merit, in proportion to the percentage of prizes to competitors (see General Rule 3). The number of money prizes, and the amount of each prize, will depend upon the number of entrances for the match, and will be determined by the Chief Inspector of Musketry, in communication with the officers commanding regiments competing, as soon as the total number of entrances is known. The first money prize will probably be 40 rupees.

General Rules applicable both to the Cavalry and Infantry competitions.

1. The intention of His Excellency the Commander-in-Chief is that the whole army may share and be interested in these matches.

2. The entrances should not, therefore, be confined to regimentally selected men.

3. The award of prizes will be calculated thus:—suppose 5471 competed and 182 prizes given, the percentage of prizes to competitors will be 3.32, the number of individual prizes a regiment can gain will then be 3.32 of the number of its entries. This will be given according to scores, but after this proportion has been awarded, the men of such regiments will be passed over, and the money prizes awarded to men of regiments with more entries.

4. Every soldier who wishes to do so, and who, at the time of competition, is not on the defaulters' list, should have permission to enter for the first stage.

5. The first stage (except in the case of corps on the line of march hereafter provided for) must be shot off during the month of December 1876, and the second stage on any day between the 26th December 1876 and the 4th of January 1877, both days inclusive. The practice of the second stage, once commenced, must be terminated on the day on which it was begun.

6. In order to give corps, which will be on the line of march about the dates above specified, an opportunity to compete—and the Commander-in-Chief is anxious every regiment should have an equal chance—commanding officers are requested to address the Chief Inspector of Musketry, Simla, stating their wishes as to the date prior to the 26th December or after the 4th January, on which they wish to compete. The Chief Inspector of Musketry will communicate the Commander-in-Chief's wishes to the corps concerned. But in order to permit of the result of the match being ascertained early, the earliest possible date should be named.

7. When regiments are divided into wings or detachments, the second stage of the competition will take place, under regimental arrangements, at the station of the head quarters' wing only.

8. In these cases, the travelling expenses of such men as may be sent to head quarters to join the selected 20 champions may, in British regiments, be charged to the Canteen Fund. In Native regiments it may be charged to the Lead and Cap Fund, provided the repair of ranges and appliances is duly secured.

9. *Arms.*—British corps will use the Snider rifle or carbine. Native Infantry regiments will in the second stage fire with Government Snider rifles only; regiments armed with the muzzle-loading rifle may use that weapon in the first stage if they so desire.

10. *Ammunition.*—of Government issue only.

11. *Targets.*—as per regulation for the season in question.

12. *Marking and Scoring.*—Regulation.

13. *Position.*—Any.

14. *Dress.*—Any.

15. The Musketry Regulations, in regard to registers and all details not otherwise specified, are to be strictly followed. To give complete confidence to all, that the competition will be conducted with perfect fairness, the Commander-in-Chief wishes that in stations where two regiments are quartered together a committee should be formed for each corps, consisting of one Field Officer (if available, otherwise of the senior Captain present, instead), one Captain per regiment, and the Officer Instructor of Musketry, Wing Officer or Adjutant of the other regiment: for example, at Meerut, the committee of the 15th Hussars would be composed of one Field Officer and one Captain of the 15th Hussars, and the Musketry Instructor of the 2-60th Royal Rifles. The committee of the 2-60th Royal Rifles would be composed of a Field Officer and Captain of that regiment, and of the Musketry Instructor of the Hussars. The committee of the 5th Regiment of Native Infantry would be composed of two officers of the 5th Regiment and the Musketry Instructor of the 2-60th Royal Rifles. The committee of the 23rd Pioneers at Jhelum would be composed of two officers of that regiment, and of a Wing Officer or Adjutant of the 22nd Punjab Native Infantry. In stations, where only one regiment is quartered, the committee would consist of two officers of that corps and of an officer to be detailed by the officer commanding the division, district or station. The committee for a battery of Artillery would be composed of the two senior officers present with the battery, and of one officer of another regiment to be detailed by the officer commanding the division, district or station.

16. The presence of an officer of another regiment, or of the Staff Corps, at all stations, is compulsory, and should be early arranged for.

17. The committee for each regiment or battery should be present during the firing of the second stage only of the competition; they are to sign the practice registers at the conclusion of each distance; and send a certificate, according to the following form, to the Chief Inspector of Musketry, Simla, for the Commander-in-Chief's information.

18. The registers of both stages, and an order on the Simla Treasury for the total entrances, are likewise to be transmitted by each corps to the Chief Inspector of Musketry. The treasury order should follow as soon as possible after the registers, if it cannot be obtained in time to accompany them.

19. Particular attention is requested to the necessity for all remittances being made payable on Simla; as much inconvenience and loss to the fund are caused by Treasury orders, bank cheques and money orders being drawn on other stations.

20. No man is to be permitted to fire in the first stage until he has paid his entrance money.

Certificate.

We certify that we were present during the whole of the practice of the second stage of the competition for His Excellency the Commander-in-Chief's prize, by the — selected men of the — regiment or battery; that we compared the registers with the target at the conclusion of the practice at each distance; that we added to, or deducted from, the total points of each register, any discrepancy that existed between target and register; and that we saw that the practice was conducted in strict accordance with the conditions and rules of the match, and with the Musketry Regulations.

3. With respect to Rule 6—

An officer falling sick before he has performed two years' duty, will be granted leave to proceed to England on English pay, subject to the decision of the Secretary of State as to his ultimate disposal.

The leave is granted for such period as the Government may be satisfied it is actually necessary.

To prevent this in future, His Excellency directs that officers commanding all regiments, brigades, and batteries of the British Force, serving in this command, immediately on its becoming known that any man is so absent, shall instruct some non-commissioned officer of his company or battery at once to secure the whole of his kit and bedding, and lodge it in a safe place until it can be duly inspected and any deficiency ascertained.

No. 83.—It having been reported to the Commander-in-Chief that a great deal of the sickness prevailing amongst the women and children at the Convalescent Depot is due to their being insufficiently provided with warm clothing, His Excellency desires commanding officers of regiments and batteries to pay particular attention to this subject and to see that families proceeding to Wellington have in their possession clothing suitable to the climate of that station.

Simla, 20th April, 1876, No. 2294.—With reference to Rule XXXIII of the Furlough Rules published with the General Order of the Government of India in the Military Department, No. 171,† dated the 25th February, 1874, the Governor-General in Council is pleased to decide that furlough in India may be allowed under Chapter I of those rules to a military officer in civil employ who is entitled to furlough out of India, under the same chapter, by the Government to which he is subordinate, and that such an officer is further entitled to subsidiary leave and privilege leave under the rules in the Civil Leave Code. If he is a commissioned officer, he is also entitled under the notification of the Government of India in the Financial Department, No. 1709, dated 11th March, 1875, to examination leave under the rules in the Civil Leave Code. A military officer is under no circumstances entitled to any leave under the Civil Leave Code, excepting subsidiary leave, privilege leave, and examination leave.

When furlough in India is granted to a military officer in civil employ by the Government to which the officer is subordinate, a copy of the order granting the furlough should be sent to the Military Department.

MILITARY INSTRUCTION.

No. 164.—In consequence of the alteration in para. 37, Section IV, Queen's Regulations, directed to be made by Horse Guards' G. O. 66 of 1st November, 1875, it is notified that the paragraphs of G. O.‡ 265 of 1874 relating to the examination of captains for the rank of major have been modified as follows:—

Para. 71 is cancelled and the following new paragraph substituted:—

71. Whenever captains of British Regiments desire to join the short course for the purpose of preparing themselves for examination in the test of qualification for the rank of major, they may be permitted to do so whenever their services can be spared from regimental or staff duty, or they can (if they consider themselves qualified) apply to be examined without having attended a course of instruction.

The examination of captains of British regiments under para. 37, Section 4, Queen's Regulations, as amended by Horse Guards' G. O. 66 of November 1875, will be carried out by general officers commanding divisions, in conformity with the provisions of paras. 61 and 62, Section 4, Queen's Regulations.

General officers commanding divisions and districts will be supplied with a set of contoured sketches for the purpose of this examination, as soon as they are received from England, meanwhile they should make use of such of the War Game maps as may be available, either at the centres of garrison instruction or elsewhere.

The paper on Tactics will be supplied by the Director of Garrison Instruction, Army Headquarters, Simla, upon application, which should be made one clear month previous to the examination, and the candidate's replies to this paper together with the report of the board will be transmitted through the usual channel to the Adjutant-General, for the consideration of the Commander-in-Chief.

Para. 72, second line, for—"under the headings (b), (c), and (d), para. 2," substitute—"under the headings (b) and (c), para. 2."

G. O. C. C., 25th August, 1876.—The following extracts from General Orders by His Excellency the Commander-in-Chief in India, are republished:—

Simla, 7th August, 1876.—His Excellency the Commander-in-Chief, having taken into consideration the reports of several Chief Civil Master Armourers, submitted by the Inspector-General of Ordnance and Magazines, on the necessity for adopting muzzle preservers for the use of the troops when cleaning rifles, so as to prevent the friction of the rods from injuring the grooving, together with the opinions of the officers commanding regiments thereon, is pleased to approve of a leather cylindrical cup, about 1½ inch long, to fit over the barrel, with a perforation at the base to admit the rod, being adopted regimentally for every soldier, Cavalry and Infantry, to aid in preventing damage to the rifles and carbines in cleaning, for which every regiment is responsible.

Such preservers have, in several corps, been made out of unserviceable leather belts, at a cost of about one or two pice each; when not in use, they can be carried in the pouches of the men.

Preservers which go inside the barrel, and wooden rods which could not be carried on service, are disapproved of.

The above will be entered as para. 360A, Appendix to British, and para. 475a, Native, Musketry Regulations.

War Office Form 190, (Inventory of Soldiers' Effects for the Mounted and Dismounted Services) has been reprinted with alterations and will be supplied gratis by the Superintendent of Government Printing, Calcutta,* on indent.

2. War Office Form 191 is hereby cancelled.

A. H. BAILEY, Esq., of the London Assurance Corporation.

The chief characteristics of this Society are:—

Mutual Assurance.

Policies for terms of years issued at largely reduced rates without participation in Surpluses.

Premiums payable half yearly, on 1st January and 1st July.

Claims paid immediately after satisfactory proof of death. An official Notice of death in any of Her Majesty's Government Gazettes is a sufficient proof.

Claims can be adjusted, and premiums can be paid in London, if desired by the Policy holders.

Surrender Values allowed for Life Policies issued at fixed rates of premium which have paid three years' premiums.

The Society's funds must be invested in Indian Government Securities or in other guaranteed Indian Securities.

Quinquennial valuations, by a London Actuary, of Assets and Liabilities. The reduction of premiums for the Quinquennium 1876-80 is at the rate of 65 per cent. of premiums paid during 1871-75.

Assurances granted on the lives of Europeans, East Indians or Eurasians, and Parsees.

Past experience leads the Directors to anticipate that the retention of the "Mutual" principle and the Quinquennial distributions of Surpluses, will bring down the cost of Assurance by this office, for Life, to the lowest possible point.

Church of England Assurance Institution.

ESTABLISHED 1840.

HEAD OFFICE—KING STREET, CHEAPSIDE, LONDON.

EMPOWERED BY SPECIAL ACT OF PARLIAMENT.

Capital—One Million.

"Short Term" and "Whole Life" Assurances are granted.

In addition to ordinary Assurances this Company issues Policies by which the sums assured are made payable to the Policy-holder himself on his attaining a specified age or to his representatives in the event of his previous death. By this means Officers and others may both provide for their families and secure *Retiring Provision* for themselves.

Also "FREE" Policies are granted which can never altogether lapse in consequence of the non-payment of Premiums.

"Clergy Rates" have been recently prepared to enable Clergymen and Ministers of all denominations to assure their Lives in this Institution upon more favorable terms than in any other Office.

Premiums may be paid annually, half-yearly, quarterly or monthly as desired.

Thirty days' grace are allowed for the payment of annual, half-yearly and quarterly premiums, and fifteen days for monthly premiums. The validity of the Policy will, in every case, be maintained by payment of the Premiums within the stipulated period, notwithstanding the death of the Assured may have occurred before such premiums shall have been received.

No extra rate is charged for sea-passages, and on arrival in Europe a reduction is made in the premium without the assured being required to pass any Medical examination.

Policies effected by parties on their own lives, and assigned as a *bonâ fide* security to others, will not be rendered void in the event of death by suicide, duelling, or the hands of justice. Claims will become payable within three months after satisfactory proof of death.

The Medical Officer, Dr. Harris, sees applicants for Assurance at his residence, Pantheon Road, Egmore, from 11 to 12 A. M., on Wednesdays and Saturdays.

BILLIARD TABLES.

C. LAZARUS & Co., as Manufacturers, would invite particular attention to their large stock of full-sized Billiard Tables. One of the chief desiderata in a Billiard Table is to secure such an arrangement as will admit of a Ball being struck so as to attain the highest speed without its jumping. This, it need scarcely be said, depends entirely upon the arrangement of the cushions. C. L. & Co., in mentioning this fact, would state that the subject has largely occupied their attention, and after repeated experiments and close consideration, they have discovered a principle in the manufacture of cushions which answers admirably the end desired. Since the manufacture of their cushions on this new principle, C. L. & Co., have received testimonials from some of the first Clubs in India speaking to the merits of the same. To secure truth with speed, that is to say, the maximum of speed compatible with preventing the Ball jumping, is the object which C. L. & Co., have had in view, and which at length they have successfully attained. At the same time, the cushions, it should be stated, are quite as durable, or even more durable, under the new principle of making up, than under the old.
