1. The rules under which the period of service required to entitle Officers to the retiring Regulations is calculated, are as follow:—

3. Officers appointed from Addiscombe subsequently to the 22nd November 1837 to the Cavalry, Artillery, or Infantry, count service as above, with the addition of the period passed at Addiscombe after attaining the age of sixteen.
4. Officers of Engineers count service from the date of arrival of the first Artillery or Infantry Cadet of the same examination, with the addition of the Addiscombe period as above. In the event of there being no such Artillery or Infantry Cadet they count service from the expiration of 4½ months from date of examination.
5. Officers appointed in India, count service from the date on which they take the oath of allegiance.
6. Medical Officers and Veterinary Surgeons count service from the date of arrival within the limits of the Madras Presidency.
7. Absence on sick certificate within the limits of India for periods not exceeding two years, successively, as also leave on private affairs beyond the limits of this Presidency, if for periods not exceeding three successive months, are counted in the time of service requisite to entitle to retiring Pay. Officers however serving in other than their own Presidency may count as service towards pension leave taken within the limits of the former equally as taken within the latter.—Vide G. O. G., 10th December 1861, No. 487.
8. But all Officers quitting India on leave of absence on account of sickness or of private affairs, who shall proceed to Europe without having returned to India, shall be considered as on furlough to Europe from the dates on which they shall have respectively left India.
9. Every Officer who has completed twenty-two years' service in India is allowed to retire with the pay of the rank to which he has attained, except Lieutenant Colonels of Artillery and Engineers, who being in the receipt of Major's pay are restricted to pension of latter rank.—G. O. G., 11th October 1852, No. 95.
10. All effective Officers, without reference to their actual rank, are allowed to retire—
 After twenty years' service in India, on the pay of Captains.
 After twenty-four years' service in India, on the pay of Majors.
 After twenty-eight years' service in India, on the pay of Lieutenant Colonels.
 And after thirty-two years' service in India, on the pay of Colonels.
 G. O. G., 12th October 1866, No. 374, para. 61. { After thirty-five years' service £600 per annum.
 { After thirty-eight years' service £750 per annum.
11. Officers on producing the prescribed Medical Certificates, countersigned by the Commanding Officer, that they are compelled to quit the service by wounds received in action, or by ill-health contracted on active service, or on detachment or out-post, or any Military duty in notoriously unhealthy localities, after three years' service in India, are permitted to retire on the half pay of their rank.
 This indulgence, however, can be granted only in England.—G. O. G., 19th April 1859, No. 153.
12. Officers who may be compelled to quit India on sick certificate and who may not be entitled to retire on full pay are to try the effects of a temperate climate for the usual term of furlough before they can be allowed to establish their claim to retire from the service upon half pay. If Officers so circumstanced, proceed to New South Wales, or some other Colony, and apply thence, at a proper time, for permission to retire, satisfactory evidence from the Medical Staff Officer, or other undoubted Medical testimony on the spot, to prove that the applicant is incapable from ill health to the performance of Military duty in India is necessary.
19. Officers who have completed the prescribed period of service, are allowed to retire either in England or in India.
20. Officers retiring in England when on authorised furlough are allowed the benefit of the rank they may hold at the expiration of two and a half years from their quitting India.—G. O. G., 3rd May 1861, No. 158.
21. Officers retiring in England from the service shall be considered to have retired from the date of their application for leave to retire, or from the expiration of two years and a half from the date of the commencement of their furlough, whichever shall first happen, from which dates respectively promotion caused thereby will be made.—G. O. G., 6th July 1859, No. 298.

 It is to be distinctly understood that no additional expense is to be occasioned by this arrangement.
22. Applications from Officers to retire from the service in India, are to be addressed to the Right Honorable the Governor in Council under the signature of the parties, and to specify the date, which must be a prospective one, from which the applicant wishes his retirement to have effect; and from the date so specified they, in the event of the decision of Government on their case not having been previously received, will, pending such decision, be exempted from the performance of all Military duty. No. 941 of 1868.—The following Military letter from the Right Hon'ble the Secretary of State for India is published for general information:—

MILITARY
INDIA OFFICE,
London, 31st August 1868.
To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—In the Royal Warrant of 1866, regulating the pay and promotion of Officers and Soldiers of Her Majesty's British Service elsewhere than in India, it is ruled, by Clause 287, that "a Surgeon of less than twenty years' full-pay service may be promoted to the rank of Surgeon-Major for distinguished service."

2. Her Majesty's Government have determined that this regulation shall be held applicable to the Indian Medical service. It is to be remembered that this promotion is not brevet, but substantive, and that it will carry with it the advantages of increased pay, &c., which appertain to the rank of Surgeon-Major.

3. You will observe that, by the enclosed extract of the Royal Warrant above mentioned, it is necessary that the recommendation detailing the services for which the Officer is proposed for promotion for distinguished services shall be published in the General Orders of the Army and in the Gazette in which such promotion shall appear.

I have, &c.,

mentioned, in such manner as he shall deem fit and expedient.

6. Assistant Surgeons shall, as a general rule, be promoted to the rank of Surgeon in the order of their seniority in the service, unless unfit for the discharge of their duties from physical or professional incompetence or misconduct.

In cases of distinguished service, however, an Assistant Surgeon may be promoted by Brevet, without reference to seniority, and in such cases, with a view to insure the responsibility attaching to an appointment made out of the regular course of promotion, the recommendation in which the services of the Officer shall be detailed shall be published in the General Orders of Our Indian Military Forces, and in the Gazette in which his promotion appears.

7. All promotion from the rank of Surgeon to that of Deputy Inspector, and from the rank of Deputy Inspector to that of Inspectors, shall be given by selection for ability and merit; and the grounds for such selection shall be stated to us in writing, and recorded in the office of the Secretary of State for India in Council, the selection for the grades of Deputy Inspector being made from the whole rank of Surgeons, whether styled Surgeons or Surgeons-Major.

Relative rank shall not entitle the holder to salutes from Ships or Fortresses, nor to the turning out of Guards; but it shall entitle him, if Commissioned, to salutes by sentries, or by individual Soldiers.

Honorary rank of Paymasters shall carry with it all the privileges and advantages attaching to relative rank of corresponding degree.

All Commissioned Officers, serving with the Troops, shall be entitled to Funeral Honours, according to their relative Military rank.

Regiment, or as a Civil

Surgeon, before he will

be eligible for promotion

to the rank of Deputy

Inspector-General of

Hospitals.

5. A Deputy In-

spector-General of Hos-

pitals must have served

three years in India

before he shall be eligible

for promotion to the

rank of Inspector-Ge-

neral.

In cases, however, of emergency, or when the good of the service renders such alteration desirable, it shall be competent for the Governor-General in Council to shorten the several periods of service above-

3. The plan which appears to your Excellency best suited to protect the public interests and the claims, at the same time, of Medical Officers is that of relaxing the rule embodied in the 8th Clause of the Warrant, in cases where superior Medical authorities certify the perfect competency and fitness of the Medical Officer, who has completed the age of fifty-five years without having obtained the rank of Deputy Inspector-General.

4. I am willing to assent to the adoption of this plan in regard to the Medical Officers who entered the service prior to the promulgation of the Royal Warrant provided that the perfect competency and fitness of the Medical Officers be, in all cases, certified by a Board consisting of two Medical Officers, one of whom must be an Inspector-General or Deputy Inspector-General, and the Commanding Officer, or Senior Civil Officer, under whom the Medical Officer may have been serving.

5. The certificate of efficiency granted by such a Board may hold good for three years, but in no case will a Medical Officer under the rank of Deputy Inspector-General be permitted to remain on the effective list after he shall have attained the age of sixty years.

6. A Medical Officer who may be unable to obtain the certificate of competency above referred to will be placed on the Retired List, receiving, as recommended by Government, the rate of pension next above that to which his period of service in India may entitle him, provided that he be not already entitled to retire on the higher rate, viz., £700 a year.

7. A similar course may be pursued with respect to Medical Officers employed on unprofessional duties on their attaining the age of fifty-five years.

The following paragraph of a Military letter from the Right Hon'ble the Secretary of State for India, No. 283, dated 26th August 1868, is published for general information:—

Para. 4.—Having forwarded for the consideration of the Field Marshal Commanding-in-Chief, the papers relating to the claim of Deputy Inspector General of Hospitals * * * to count towards the relative rank of Colonel the period during which he officiated on the full pay of a Deputy Inspector General, His Royal Highness has informed me that in the British service a Deputy Inspector General of substantive rank alone can claim the relative rank of Colonel, and that only from the actual date of the Gazette in which his appointment is notified, and that under no circumstances does a merely officiating appointment so qualify. As recommended by His Royal Highness, the same rule should be observed in the Indian service.

11. Medical Officers shall be entitled to all the allowances granted to Our Indian Military Forces on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

12. Their families shall, in like manner, be entitled to all the allowances granted, under existing regulations, to the families of combatant Officers holding the same relative ranks.

13. Medical Officers shall be held entitled to the same honors as the other Officers of our Army of equal relative ranks.†

14. A Medical Officer, retiring after a service in India of twenty-five years and upwards, may, if recommended for the same by the Head of his Department, receive a step of honorary rank, but without any consequent increase of pay.

15. Six of the most meritorious Medical Officers of the Army shall be named Honorary Physicians, and six My Honorary Surgeons.

6. The establishment of Medical Officers above the rank of Assistant Surgeon in the three Presidencies will, so long as there are Officers enough remaining on the old lists to complete these numbers be fixed:—

In Bengal... 152 Madras... 86 Bombay... 69

7. With a view of removing all cause of complaint and misunderstanding, on the part of the Officers of the Indian Medical Service, on the subject of their promotion to the rank of Surgeon Major, under the Royal Warrant of 13th January 1860, Her Majesty's Government have determined to give retrospective effect to that Warrant, and to cause all promotions made under its authority to be dated from the 1st October 1858, being the date of the Royal Warrant for the British Medical Department, and it has been further determined to modify the instructions conveyed to you in my Despatches, No. 397, dated 31st October 1860, and No. 386, dated 30th September 1861, and to permit the period of service, qualifying Surgeons for the rank of Surgeon-Major under that Warrant, to be calculated from date of first commission, including all leave of absence of whatever kind.

8. It has been further resolved, that the following change in the mode of payment of Officers serving in India, whether of the British or Indian Medical Department, shall be introduced from the date of the receipt of this Despatch.

* And after five years' service in India as Deputy Inspector General, as Colonel, according to the date of the completion of such service.

† This Clause does not extend to the compliments to be paid by Garrison or Regimental Guards as laid down in pages 29 and 30 of the Queen's Regulations for the Army.

28. The pay accounts of Officers serving in the Tenasserim Provinces, Straits Settlements, &c. applying for permission to retire are to be kept separate; and Officers so situated are not to sign the Abstract of their Troop or Company, but will not on that account be deprived of Command allowance.

24. In the cases contemplated in the preceding para., Officers Commanding Stations will send all Abstracts of previous charges to Madras for audit at the same time the individual's application to retire is forwarded.

25. The rates of full pension and half pay allowed to all Officers, whether of Cavalry, Artillery, Engineers, or Infantry, are as under:—

15. Officers compelled to leave the service on account of ill health, and entitled to half pay pension under present Regulations, will be allowed the half pay of their relative rank, as laid down in the Royal Warrant, dated the 1st October 1858. This rule will apply to all Officers retiring upon half pay pension from a date subsequent to the receipt of this Despatch.

3. My Despatch dated 16th May last, No. 152, stated that Officers compelled to leave the service on account of ill health, and entitled to half pay pensions under present Regulations, would, in future, be allowed the half pay of their relative rank.

4. Under these circumstances, I am of opinion that in respect to retirement on half pay, the Assistant Surgeon, after a service of six years, should be treated as an Officer required to show any qualifying period of service; that is, without being the half pay of Captain, on showing sufficient proof of disqualification for further service.

5. Medical Officers under six years' service having the rank of Lieutenant, will continue, in respect to retirement on account of ill health, subject to the Regulations applicable to Subaltern Officers.—Vide G. O. G., 24th March 1865, No. 117.

MEDICAL OFFICERS—RETIRING PENSION.

G. O. G., No. 1018, 4th December 1866.—With reference to Government General Orders Nos. 497* of the 4th June 1861 and 1060† of 1864, the following paragraphs 5 and 6 of a Military letter from the Right Hon'ble the Secretary of State for India, No. 179, dated the 27th September 1866, are published for general information:—

Para. 5.—I have to inform you that I have decided that a Deputy Inspector General of Hospitals of the Indian Medical Service, above the age of 55, who, from ill health, may be unable to complete the five years' service required to entitle him to the annuity (a) in addition to the ordinary retiring pension, shall be entitled (in common with other Medical Officers, who, having attained the age of 55 years, may not be able to obtain the certificate of competency), to retire on the next higher rate of pension to that to which his length of service entitles him, provided that he be not already entitled to retire on the higher rate, viz., £700 a year.

6. This concession only applies to those Medical Officers of the Indian Service who entered the service before the promulgation (b) of the Royal Warrant of 13th January 1860.

ASSISTANT SURGEONS—IN MEDICAL CHARGES.

No. 288 of 1867.—The following Military Letter from the Right Hon'ble the Secretary of State for India, No. 266, dated 7th December 1866, is published for general information:—

MILITARY.
No. 266,
London, the 7th December 1866.

To His Excellency the Right Hon'ble the Governor General of India in Council.
SIR,—I have considered in Council your Military Letter No. 243, dated 21st September 1866, transmitting correspondence regarding the title of an Assistant Surgeon in medical charge of a British Regiment or Brigade of Artillery during the absence of a Surgeon on "privilege leave" to the special remuneration of Rupees 150 per mensem laid down in paragraph 9* of Sir Charles Wood's Despatch, No. 152, dated 16th May 1864.

2. In reply I have to inform you that the special grant of Rupees 150 referred to was sanctioned to Assistant Surgeons of Her Majesty's service in India who might, by the exigency of the service, be placed temporarily in medical charge of a British Regiment.

3. It should be allowed, therefore, in all cases of an Assistant Surgeon succeeding to the temporary charge on the death, removal, or absence on medical certificate of the Surgeon, but it was not intended that any such extra charge should be incurred as a consequence of the Regimental Surgeon being absent on private leave and for his own convenience.

I have, &c.,

INDIAN MEDICAL DEPARTMENT—ADMINISTRATIVE STAFF.

No. 657 of 1867.—With reference to G. O. G., No. 456, dated 5th May 1865, the following letter from the Right Hon'ble the Secretary of State for India, is published for general information:—

MILITARY.
No. 144,
London, the 24th May 1867.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—Para. 1. In your Military letters, dated 8th and 23rd March last, Nos. 47 and 72, you submit for decision a question which you state has arisen with advertence to the order which allows officiating service "on full pay" in the rank of Deputy Inspector General of Hospitals, to reckon towards the additional pension granted to an Officer of that rank after five years' service therein, including only six months on medical certificate, whether the period of five years to which the tenure of that appointment, as well as that of Inspector General of Hospitals, is restricted, should be inclusive or exclusive of such officiating service.

2. It appears to me that, if officiating service on full salary of appointment is to count towards the additional pension, it must necessarily count likewise as part of the five years' tenure of the appointment both of Inspector and Deputy Inspector General of Hospitals. The term of five years to which the appointment is limited, should, I think, be regulated as follows:—

It should include any period during which an Officer may have acted as Inspector or Deputy Inspector on full allowances before his permanent appointment. On his permanent appointment, his tenure would be held to expire at the end of five years, including the period of such officiating service, whether after his permanent appointment he may have taken leave of absence or not.

3. A Deputy Inspector General of Hospitals who may, under these circumstances, fail to complete the required service for the additional pension of £250 a year, may, if he shall subsequently be appointed Inspector General, and shall not serve long enough in that grade to entitle him to the pension of £350 a year, reckon his service as Inspector General in addition to that as Deputy Inspector General, towards the period required for the additional pension of the latter grade.

I have, &c.,
(Signed) STAFFORD H. NORTHCOTE.

The following Resolution of the Government of India, is published for general information:—

GOVERNMENT OF INDIA—FINANCIAL DEPARTMENT, No. 1,909.

LEAVE AND ALLOWANCES.

Simla, the 9th August 1857.

Read the undermentioned papers:—

Notification No. 2,294, issued from this Department on the 25th April 1867, publishing a General Order of the Military Department, No. 370 of the 4th idem, prescribing a scale of consolidated salaries for Medical Officers.

Letter from the Comptroller General of Accounts, No. 243, dated the 6th June 1867, suggesting, with reference to the above, "that the pay of Civil Assistant Surgeons should, during transfer from one appointment to another, be charged to the Civil Department."

Letter from the Deputy Accountant General, Bengal, No. 753, dated the 27th June 1867, enquiring whether, during the journey of a Medical Officer from one civil appointment to another, his allowances should be treated as a civil charge and be limited to the amount of the unattached pay of his rank, "or be regulated by the salary attached to the station in which he last served."

Endorsement from the Military Department, No. 322, dated the 12th ultimo, forwarding a copy of correspondence regarding an enquiry whether the allowances of a Medical Officer in civil employ should be debited to the Civil or the Military Department during his absence on leave, or while he is in transit from one civil appointment to another.

RESOLUTION.—The Governor General in Council observes that, under the orders of the 4th and 25th April 1867 mentioned above, the salaries of Military Medical Officers in medical charge of Civil Stations are consolidated, and is accordingly pleased to rule that, in common with Military and other Medical Officers in civil employ on consolidated salaries, they shall, during periods of transit from one civil appointment to another, which are to be limited by the civil rules for joining time, draw the salary of the lower paid appointments of the two, and that such salary as well as the allowances admissible to these Officers during absence on leave, shall be disbursed in and charged to the Civil Department.

Secretary to Government.

G. O. G., 6th January 1865, No. 9.

No. 1060 of 1864.—The following Military Letter from the Right Hon'ble the Secretary of State for India, No. 340 of the 7th November 1864, is published for general information:—

15. Her Majesty's Government have therefore determined that the duties of the Medical Officers of the British Army serving in India shall, in future, be kept wholly distinct from those of the Medical Officers of the Indian establishment, and that there shall be a separate administrative establishment for each.

16. Under these circumstances, it will be necessary that the administrative establishments in the several Presidencies should be revised, and the duties of the several Medical Officers of the higher grades re-distributed, and I request that you will take the subject into early consideration, with a view of determining the numbers of Inspectors General and Deputy Inspectors General of each service that will be required to conduct the administrative duties of the respective services in each Presidency.

17. In my Despatch No. 152, I authorized your augmenting the number of Officers above the rank of Assistant Surgeon

In Bengal to..... 152 | In Madras to..... 86 | In Bombay to..... 69
leaving the aggregate establishment of Medical Officers in each Presidency the same as before.

18. That establishment is at present as follows:—

Bengal..... 425 | Madras..... 243 | Bombay..... 193

19. You were informed, in my Despatch No. 291, dated 8th August 1863, that the War Office would take measures for relieving, as soon as possible, the Assistant Surgeons of the Indian Army from the Brigades of Artillery and new Line Regiments, and the same course will hereafter be adopted as a necessary consequence of the transfer of those Regiments to the British Army, in regard to the Surgeons. A reduction in the establishment of Medical Officers required for service in India will necessarily follow, and I request that the subject of the number likely to be required henceforward in the several Presidencies, may receive your early consideration.

20. In making this calculation you will, of course, take into account the several situations which may be properly filled up by uncovenanted members of the Medical profession.

21. It is believed that, in consequence of all appointments to the local service having ceased during the last three years, the aggregate number of Medical Officers at present borne on the strength of the several Presidencies will be, if anything, below the prospective wants of the service; but I shall make arrangements without delay for filling up vacancies as they may occur on your revised establishment.

22. The promotion of Assistant Surgeons who may hereafter enter the Indian Army will be regulated by length of service, and not, as heretofore, by succession to vacancies in a fixed establishment of Officers of the higher grades.

23. Assistant Surgeons of 12 years' service from the date of first Commission (of which two years shall have been passed in charge of a Native Regiment,) who shall have passed the prescribed examination in professional subjects, will be promoted to the rank of Surgeon.

24. The benefit of this rule is to be extended to all Assistant Surgeons now in the Indian Service, but Officers now in the service who may be so promoted will be considered supernumeraries to the establishment of Surgeons as recently laid down, so that no promotion by seniority will take place until such supernumeraries are absorbed.

25. You will make the promotions consequent upon this concession from the date of receipt of this Despatch.

26. In the Despatch above referred to, I informed you that you were authorized to introduce certain changes in the mode of payment of Officers of the Medical Department serving in India, and you were informed that, pending a further communication upon the subject, Officers of the British or Indian Medical Service, holding Staff appointments, the salaries of which are consolidated, will continue to draw their salaries as at present; and all Officers of the Indian Medical Department in the receipt of Staff salaries, including such as are in Medical charge of Native Regiments, will continue to draw the aggregate amount of pay and Staff allowances they now receive, provided it be not less than the rate of pay laid down in the above table for Officers of their rank and standing in the service.

27. I have now to inform you that it has been determined that in future all employment on the part of Medical Officers of the Indian Service involving the receipt of special Staff salary shall be considered as Staff employment, the salaries being in all cases consolidated; and that all appointments, whether Civil or Military, held in future by Officers of the present Indian Medical Service below the rank of Deputy Inspector General, will be alike tenable by Surgeon Majors, Surgeons, and Assistant Surgeons.

28. The salaries of the principal administrative and Military appointments are fixed at the following consolidated sums:—

Inspector General.....	2,500	whether of the British or Indian Medical Service.
Deputy Inspector General.....	1,800	
Surgeon Major in charge of Native Regiments.....	1,000	with Rupees 90 Horse allowance in Cavalry Regiments.
Surgeon in charge of ditto.....	800	with Rupees 90 ditto ditto.
Assistant Surgeon above 5 years' full pay service in charge of Native Regiments.....	600	with Rupees 60 ditto ditto.
Assistant Surgeon under 5 years' ditto.....	450	with Rupees 60 ditto ditto.

But Officers now in the Indian service will receive the pay due to their rank as laid down in para. 10 of my Despatch No. 152 of 16th May 1864, when such pay is in excess of the consolidated salaries above-mentioned.

29. Officers who may hereafter be appointed to the Indian Medical Service will receive pay when unemployed in India according to the following scale:—

RANK.	Years' Service.	Unemployed Pay.		
		RS.	A.	P.
Surgeon Major.....	25	888	12	0
Ditto.....	20	852	3	7
Surgeon.....	15	677	6	11
Ditto.....	12	640	14	6
Assistant Surgeon.....	10	410	9	5
Ditto.....	6	392	5	2
Ditto.....	5	304	14	2
Ditto.....	under 5	286	10	0

30. The salaries of other Medical appointments in the Civil and Military Departments will be revised with reference to the above, and fixed at a consolidated sum, and I request that a report may be made to me upon the subject with as little delay as possible. In the meantime, the aggregate sums at present received in each case will continue to be drawn.

31. With a view of promoting the efficiency of the service, it has been further determined that the tenure of office by a Deputy Inspector General of the Indian Service shall, as in the case of Inspectors General, be limited to five years; Officers being, however, if not disqualified by age, eligible either for employment for a second tour of duty in the same grade, or for employment in the higher grade of Inspector General by promotion thereto.

32. You will follow, in the cases of Officers now holding the office of Deputy Inspector General, the same course which your Government adopted in 1861, in regard to combatant Officers holding certain Staff appointments, and permit all such to hold their offices for two years longer, irrespective of the periods they may severally have served in them. Should any Officer have served up to the present time less than five years, he will be allowed to complete a full period of seven years.

33. The rank of Inspector General and Deputy Inspector General conferred upon Officers of the Indian Medical Service under the Royal Warrant of the 13th January 1860, is to be considered as substantive rank.

These Officers, on vacating office at the expiration of the five years' tour of duty, will be permitted in future to draw respectively an unemployed salary of Rs. 1,200 per mensem in the former, and Rs. 900 in the latter case, for a period of six months from the date of their vacating office, after which they will be placed, while unemployed, on the rate of pay laid down in my Despatch of the 16th May 1864 for Officers of corresponding rank in Europe. These sums, deducted from the consolidated salary, will regulate the moiety of Staff salary to be drawn by Officers of those grades during absence on sick certificate. The decision reported in the 3rd paragraph of your letter No. 242 of 1864 will cease to operate from the date of publication of the present Despatch.

34. With a view to improving the position and prospects of Officers of the Indian Medical Service, it has been resolved to introduce prospectively the following revised pension Rules.

35. Officers of the Indian Medical Service will be allowed to retire on the following scale of pension on completion of the required periods for service:—

After 30 years' service in India	£550
" 27 " " "	456
" 24 " " "	365
" 21 " " "	292
" 17 " " "	220

36. An Inspector General, after five years' active employment in India in that grade, will be entitled to retire upon a pension of £350 per annum, in addition to that to which he may be entitled under the above scale.

VICTORIA R.

Whereas it hath been represented to Us that it is expedient to raise the position and rank of the Veterinary Surgeons of Our Army, and to increase the pay and half-pay of the Officers of that service; Our will and pleasure is, that from and after the date of this Our Royal Warrant, the following Rules shall be established for the admission, promotion, and retirement, and for the pay, half-pay, relative Rank and allowances of the Veterinary Surgeons of Our Army, and that by these Rules Our Commander-in-Chief shall be governed in recommending Officers for admission, promotion, and retirement:

1. The grades of Veterinary Surgeons in Our Army shall be three in number, viz:—
 1. Staff Veterinary Surgeon.
 2. Veterinary Surgeon of the First Class.
 3. Veterinary Surgeon.

2. No candidate shall be admitted into the Veterinary Department of the Army until he shall have satisfactorily passed an examination before a Board of Military Veterinary Surgeons.

3. No Veterinary Surgeon shall be eligible for promotion until he shall have passed such examination as Our Principal Secretary of State for War may require, and shall have served on full pay with the Commission of Veterinary Surgeon for five years.

4. A Veterinary Surgeon of the First Class must have served 15 years in the Army with a Commission on full pay before he will be eligible for promotion to the rank of Staff Veterinary Surgeon.

5. In cases, however, of emergency, or when the good of the Service renders such alteration necessary, it shall be competent for Our Secretary of State for War to shorten the several periods of service abovementioned in such manner as he shall deem fit and expedient.

6. Promotion from one rank to another shall not necessarily be given by seniority, but by selection for professional ability and meritorious conduct; such selection to be made by Our Principal Veterinary Surgeon; and the ground of such selection shall be stated to Us in writing, and recorded in the Office of Our Commander-in-Chief, together with the recommendation of the Principal Veterinary Surgeon.

7. The rates of pay of the Veterinary Officers of Our Army shall be in accordance with the following schedule:—

	SERVICE ON FULL PAY.					On appointment.
	After 25 years.	After 20 years.	After 15 years.	After 10 years.	After 5 years.	
Staff Veterinary Surgeons.....	23s.	22s.	21s.	...	...	...
Veterinary Surgeons, 1st Class.....	20s.	17s.	15s.6d.	14s.6d.	12s.6d.	...
Veterinary Surgeons.....	14s.	14s.	14s.	13s.	11s.6d.	10s.
Veterinary Surgeons who entered Our service prior to the date of this Warrant.....	17s.6d.	15s.	14s.	13s.	11s.6d.	10s.

8. It is to be clearly understood that all increase of pay from length of service is to be granted subject to a Veterinary Surgeon having discharged his duties with zeal and ability.

9. After the date of this Our Warrant, every Veterinary Officer placed on half-pay by reduction of establishment, or on the report of a Medical Board, in consequence of being incapacitated by reason of ill-health, caused by wounds or brought on by the discharge of his duties, shall be allowed the half-pay which his period of full-pay service may entitle him to, according to the following schedule:—

	After 25 years.	After 20 years.	After 15 years.	After 10 years.	After 5 years.	After 3 years.	Under 3 years.
Staff Veterinary Surgeon.....	15s.	14s.	The half-pay of his former rank	9s.6d.	The half-pay of his former rank	7s.	4s.
Veterinary Surgeon, 1st Class.....	13s.6d.	11s.6d.	10s.6d.	9s.6d.	7s.	4s.	Temporary half-pay at 4s. a day, for a period equal to that for which the Officer has served on full pay.
Veterinary Surgeon.....	...	...	9s.6d.	8s.6d.	7s.	4s.	...
Veterinary Surgeons who entered Our service prior to the date of this Warrant....	10s.	9s.6d.	9s.6d.	8s.6d.	7s.	4s.	...

10. With a view to maintain the efficiency of the Service, all Officers of the rank of Veterinary Surgeons and Veterinary Surgeons of the First Class shall be placed on the Retired List when they shall have attained the age of 55 years; and all Staff Veterinary Surgeons when they shall have attained the age of 65 years.

11. Officers thus superannuated shall be entitled to the rate of half-pay, stated in the preceding schedule.

12. Every Veterinary Officer who shall have served upon full pay for 25 years and upwards shall have the right to retire upon half-pay, at the rate of two-thirds of the daily pay he was in receipt of when thus retiring, provided he shall have served three years in the rank from which he retires, or shall have served in any rank for ten years in the Colonies, or five years with an army in the field. But if he shall not have complied with any one of these conditions, he shall be entitled only to half-pay at the rate of two-thirds of the daily pay he was in receipt of before his last promotion.

13. Every Veterinary Officer thus claiming to retire must give six months' notice to the head of his Department of his intention to claim this right prior to his being allowed to retire; and no Veterinary Officer shall be entitled to give such notice after he shall be under orders to proceed to any foreign station, until he shall have served at such station for one month.

14. If a Veterinary Officer be placed on half-pay from any other cause than those hereinbefore mentioned, he shall only be allowed a temporary rate of half-pay, not exceeding the rates stated in Clause 9 for such period and at such rate as shall be assigned to him by Our Secretary of State for War, on a consideration of the length and character of the services rendered by such Veterinary Officer.

15. The relative rank of the Veterinary Officers of Our Army shall be as follows:—

Veterinary Surgeon, on appointment, as Subaltern.
Veterinary Surgeon of the First Class, on promotion, as Captain.
Staff Veterinary Surgeon, on promotion, as Major, but junior of that rank.

16. Such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds (except as regards the Presidency of Courts Martial, and of all Military Courts Committees, and Boards of Inquiry, where Our will and pleasure is, that the senior combatant Officer be always President, and except, further, any military command whatever), and shall regulate the choice of quarters, rates of lodging money, field allowances, forage, servants, fuel, and light, or allowances in their stead, detention and prize money. But when a Veterinary Officer is serving with a regiment, corps, or detachment, the Officer commanding, though he be junior in rank to such Veterinary Officer, shall be entitled to preference in the choice of quarters.

17. Veterinary Officers shall be entitled to all the allowances granted by Our Warrant of 13th July 1857, on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

18. Their families shall, in like manner, be entitled to all the allowances granted by Our Warrant of 15th June 1855, to the families of combatant Officers holding the same relative ranks.

19. Veterinary Officers shall be held entitled to the same honors as other Officers of Our Army, of equal relative rank. This does not, however, extend to the compliments to be paid by garrison or regimental guards, as laid down in the Regulations of Our Army.

Given at Our Court of St. James' this first day of July 1859, in the twenty-third Year of Our Reign.

By Her Majesty's Command,
SIDNEY HERBERT.

No. 224 of 1865.—The following Extract from General Orders by the Government of India, are republished:—

VETERINARY SURGEONS—PAY AND ALLOWANCES.

No. 504 of 1865.—With reference to G. G. O., Nos. 363 and 364,* dated 30th March 1860, the Right Hon'ble the Governor General in Council is pleased to direct the publication of the following paragraphs of a letter from the Right Hon'ble the Secretary of State of India, No. 109, dated 7th April 1865, and to notify that the increased allowances therein authorized are to have effect from the 1st May 1865:—

Para. 1. With my letter dated 24th November 1859, No. 412, I transmitted to you copies of a Royal Warrant, dated 1st July 1859, regulating the rank, pay, promotion, and retirement of Veterinary Surgeons of Her Majesty's British Forces; and I directed that such parts of this Warrant as related to relative rank and precedence should be made applicable to the Veterinary Surgeons of Her Majesty's Indian Forces. At that time, it was not considered expedient to alter the existing regulations affecting the pay and allowances, or the conditions of invaliding and retirement, of this class of Officers.

2. Consequent on the recent extension to Medical Officers of the benefits of the rates of pay and allowances fixed by the Royal Warrant of 1st October 1858, for the Medical Officers of the Army, I have had under my consideration in Council the subject of the allowances drawn in India by Veterinary Surgeons of the British and Indian Forces respectively.

3. Your letter dated 21st December last, No. 470, also draws my attention to the present scale of pay to Veterinary Surgeons in India, which is stated to be relatively much less than that granted in England and the Colonies.

4. It appears to me that the time has now arrived at which other provisions of the Royal Warrant of 1st July 1859, may be introduced into India, in addition to those specified in my letter of the 24th November 1859, above referred to.

5. It has been accordingly resolved that the rate of pay laid down in the Royal Warrant, with the Indian allowances of the relative rank of the Officer, shall, for the future, be adopted as the scale of pay for Veterinary Surgeons of the British and Indian Forces. From the date of commencement of these allowances, all extra allowance of whatever description will cease.

No. 902 of 1868.—The following Military letter from the Right Hon'ble the Secretary of State for India, is published for general information:—

MILITARY.

No. 208.

INDIA OFFICE;

London, 20th August 1868.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—I have considered in Council your letter No. 180 of 20th May last, inquiring how a Deputy Inspector General of Hospitals, who may be compelled by ill health to take leave to England beyond six months during his five years' tenure of office, is to become entitled to the special pension of £250.

2. In reply I have to observe that, although an active service in India of five years, including six months' leave on medical certificate, is required in that rank for the pension in question, and although on the expiration of five years' service on full pay, inclusive of all leave, as an acting or permanent Deputy Inspector General of Hospitals, an Officer vacates the appointment, such Officer is, under the regulations of the service, eligible for re-appointment for a second tour of duty, at the discretion of Government, if not disqualified by age.

3. If disqualified from this or any other cause, and if he has not served the full five years required for the extra pension, his claim to that pension will be forfeited.

I have, &c.,
(Signed) STAFFORD H. NORTHCOTE.

39. Officers now in the Indian Medical Service will, on retirement, have the option of pension according to the above rules, or according to those now in force.

40. My attention has been directed on this occasion to the rule regarding the qualification of an Assistant Surgeon for promotion to the rank of Surgeon required under Clause III of the Royal Warrant, dated 13th January 1860. There can be no doubt that this rule, which has been again brought to notice by a recent Despatch from your Government, requiring a service of two years in or with a regiment, bears very hardly on many Officers, the nature of whose employment precludes their showing the required qualification, and who, on entering the service, had no reason to suppose that such a regulation would be adopted.

41. These considerations have induced me to consent to exempt from the operation of the Clause of the Royal Warrant all the Assistant Surgeons who entered the service prior to its date. It is to be entered the service after January 1860.

42. In my Despatch No. 152 of 16th May 1864, para. 7, I informed you that Her Majesty's Government had determined to modify the instructions given in my Despatches of the 31st October 1860 and 30th September 1861, and to permit the period of service qualifying Surgeons for the rank of Surgeon Major, under that Warrant, to be calculated from date of first Commission, including all leave of absence of whatever kind.

43. I have now to inform you that the same principle is to be observed with respect to the grant of honorary rank on retirement, under Clause 14 of the Royal Warrant, and that the 25 years' service qualifying for a step of honorary rank, the requirements of the clause in other respects being fulfilled, shall be inclusive of all leave of absence.

44. I have further to inform you that it has been determined, as in the case of combatant Officers of the Indian Army, to confer upon the Medical Officers of that service Royal Commissions in substitution for those which they now hold conferring rank in Her Majesty's Service in any part of the world. The Medical Officers of Her Majesty's Indian Service will not, however, be required to serve out of India, except with their own consent.

45. I have, lastly, to inform your Excellency that Assistant Surgeons appointed to Her Majesty's Indian Service in future will not be called upon to become subscribers to any Military or Medical Funds, and that Her Majesty's Government have determined to guarantee to present incumbents on and their widows and children may become entitled from those Funds, according to the regulations now in force, and at the present rates of subscription. But this guarantee must be regarded as conditional on the absolute transfer of the assets of the Fund to the Government, and must not be construed as conveying to any Fund, or to any member of it, benefits which are not actually provided for in the regulations as at present in force.

46. The widows and children of Medical Officers hereafter appointed to Her Majesty's Indian Service will be granted pensions not less than those to which they would be entitled under the provisions of the Royal Warrant of June 15th, 1855.

47. The above measures, which obviously tend greatly to improve the condition and prospects of the Medical Service in India, cannot be carried out, as your Government will at once perceive, without a heavy expense to the State. It is hoped, however, that the result will be at once to diffuse a spirit of satisfaction and contentment among the Officers now in the service, and to secure for the future a certain supply of Medical Officers of good social position, liberal education, and professional ability for Her Majesty's Service in India.—Vide G.O.G., 6th January 1865, No. 9.

INDIA OFFICE,

London, 25th January 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—With your letter dated 5th November last, No. 376, you submit a question which has been raised regarding the rate of pension to which Medical Officers, who may be compelled to retire from sickness or accident after a service of six years, are to be held to be entitled, with reference to the General Order, No. 507, of 20th June 1864, which notified that Medical Officers entitled to half-pay pension, under present Regulations, are eligible for the same according to their relative Army rank, as fixed by Royal Warrant.

37. A Deputy Inspector General will, after five years' active employment in India in that grade, be entitled to retire upon a pension of £250 per annum, in addition to the pension to which he may be entitled under the above scale.

38. In each of the above cases, six months' absence on medical certificate will be allowed to count towards actual service in those grades.

2. By the Royal Warrant of 13th January 1860, an Assistant Surgeon, after six years' service as such, is to have relative rank as Captain. The same Warrant declares that "such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds."

3. My Despatch dated 16th May last, No. 152, stated that Officers compelled to leave the service on account of ill health, and entitled to half-pay pensions under present Regulations, would, in future, be allowed the half-pay of their relative rank.

4. Under these circumstances, I am of opinion that in respect to retirement on half-pay, the Assistant Surgeon, after a service of six years, should be treated as an Officer having the Regimental rank of Captain has hitherto been treated; that is, without being required to show any qualifying period of service, he should be permitted to retire on the half-pay of Captain, on showing sufficient proof of disqualification for further service.

5. Medical Officers under six years' service having the rank of Lieutenant, will continue, in respect to retirement on account of ill health, subject to the Regulations applicable to Subaltern Officers.

INDIA OFFICE,
London, 28th February 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—With your letter dated 6th January, No. 13, you transmit papers relative to a question raised by Dr. F. Anderson, Deputy Inspector General of Hospitals, as to whether an Officer of the Indian Medical Service can retire on half-pay under the same conditions as are necessary in the case of an Officer of the British Medical Department, i. e., without residing in a temperate climate for the usual term of a furlough.

2. My Despatch dated 16th May last, (No. 152, paragraph 15) out of which this question has arisen, referred to Officers compelled to leave the service on account of ill health, and entitled to half-pay pension under present Regulations. By those Regulations an Officer is precluded from retiring from the service on half-pay pension in India. Under these circumstances, the view taken by your Government is quite correct, viz., that my Despatch referred to merely altered the rate of pension, and did not affect the rule of the service, which requires an Officer, to entitle him to half-pay pension, first to try the effects of a temperate climate.

MILITARY.

No. 91.

INDIA OFFICE,
London, the 24th March 1865.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—The Military letter from your Government, dated 21st January, No. 36, submits two questions with regard to the retirement of Medical Officers, arising out of the late alterations with respect to the Medical Service. With regard to the first, it appears to you that all service on the full pay of the appointment in the case of Inspectors & Deputy Inspectors General of Hospitals, should reckon towards the 5 years' service in those grades qualifying for the additional pension; and that the aggregate period of "service in India," noted in para. 35 of my Despatch dated 7th November last, No. 36, is to include the periods of leave hitherto allowed to reckon under the new furlough rules as service for pension.

2. This is quite in accordance with the intentions of Her Majesty's Government.

3. With regard to the second point, you apprehend that the six months' leave on medical certificate, referred to in para. 38 of my Despatch, applies only to the tenure of the appointments of Inspector General and Deputy Inspector General, and not to the time of pension under para. 35.

4. This view is also quite correct; the tenure of appointment referred to being that which is to entitle Officers of these grades to the additional pensions after five years' active employment in India.

SIR,—I have been in communication with the Secretary of State for War on the questions raised in

15th April 1864, No. 167. the letters of the dates noted in the margin, regarding

2. I stated that it appeared to me that such of these Veterinary Surgeons as might volunteer for general service would become an integral part of Her Majesty's

Army, and hold the same position as the Veterinary Surgeons in that Army; that they would be considered to have terminated all connection with their former service, and that they would be allowed to reckon their past service towards pay, promotion, and half-pay on retirement under the provisions of the Royal Warrant of the 1st July 1864.

3. The Secretary of State for War has expressed his concurrence in these views.

4. This decision should now be communicated for the information of the Veterinary Surgeons of the Local Forces at the three Presidencies, and a return of the Veterinary Surgeons desirous, on such conditions, to enter Her Majesty's general service, should be transmitted to me for communication to the Secretary of State for War.

5. The connection with the respective Military Funds of such of the Veterinary Surgeons of the Local Forces as may volunteer for, and be accepted for, Her Majesty's general service, will depend upon the regulations of the Funds of their respective Presidencies.

6. The rate of pay of Veterinary Surgeons of both services will then be as follows:—

7. Veterinary Surgeons of the Indian Service will hereafter receive pay while on furlough according to the following scale:—

Rank.	After 25 Years' Service on Full Pay.	After 20 Years' Service on Full Pay.	After 15 Years' Service on Full Pay.	After 10 Years' Service on Full Pay.	After 5 Years' Service on Full Pay.	On Appointment.

Veterinary Surgeons.....	14 0	14 0	14 0			

8. Veterinary Surgeons compelled to leave the service on account of ill health, and entitled to half-pay Pensions under present regulations, will be allowed the Indian rates of half-pay of their relative rank, as laid down in the Royal Warrant of 1st July 1859.

9. Veterinary Surgeons of the Indian Medical Service will be allowed to retire on the following scale of pension, on completion of the required periods of service, viz:—

After 20 years.....	£ 200 a year.
" 25 "	250 "
" 30 "	300 "

10. The amalgamation of the Veterinary Surgeons of the British and Indian Forces being contemplated, no further alteration in regard to the position on retirement of the Veterinary Surgeons of the latter Forces appears to me to be at present called for.

11. The other advantages held out by the Royal Warrant to Veterinary Surgeons and their families, are to be adopted and declared applicable to India, as far as the differences of the service will admit.

12. Such Veterinary Surgeons of the local forces as have expressed their desire to volunteer for general service, should be allowed to reconsider their decision on your receipt of this Despatch.

The following Extract from General Orders by the Government of India is re-published:—

Fort William, the 10th March 1866, No. 255.

Good Service Pensions.

His Excellency the Governor General in Council has much satisfaction in publishing the following extracts from a Despatch from the Right Hon'ble the Secretary of State for India, No. 388, dated India Office, London, the 9th December 1864, sanctioning the establishment of good-service pensions in the Indian Army, as rewards for distinguished or meritorious services.

PARA. 1. I have considered in Council your Military Letter, No. 286, dated 13th August 1864, in which you suggest the establishment of a system of good-service pensions for Officers of the Indian Army, based upon that which has been adopted in Her Majesty's British Service.

2. The proposal of your Government is, that fifty such pensions of £100 per annum be given to the Indian Army, under certain conditions.

7. Her Majesty's Government, therefore, sanction the introduction of a system of good-service pensions in the Indian Army, under the following regulations:—

I. Fifty good-service pensions of £100 per annum will be distributed among the Officers of the several Staff Corps and of Her Majesty's Indian Army at the three Presidencies.

II. Officers of all ranks will be considered eligible for the pensions on the recommendation of the Government of the Presidency to which they belong, supported by that of the Government of India; but, except under very special circumstances, the grant will be restricted to Officers above the rank of Lieutenant.

G. O. G.
No. 129, 29th
March 1866.

- III. The good-service pension will be given up by an Officer on resignation of the service, or on coming into the receipt of the Colonel's allowance; but an Officer placed on half-pay, or retiring upon full or half-pay pension, will retain the good-service pension in addition to such half-pay or pension.
- IV. Ordinarily the good-service pension will be conferred upon Officers of the effective list; but Officers who may have been placed on half-pay, or who may have retired from the service on full or half-pay pension, will also be considered eligible for them.
- V. On the nomination of any Officer to a good-service pension being sanctioned by the Secretary of State for India in Council, a Notification to that effect will be published in the "Gazette of India," specifying the Military services of the Officer.

Applications for Leave.

It having been brought to the notice of Government, that instances have recently occurred in which Military and Medical Officers in Civil employ have obtained leave to Europe through the Civil Department, the Governor in Council desires to call the attention of all Officers to para. 825, Clause G, Army Regulations, and to G. O. G., dated 18th August 1854, No. 191, requiring all applications for leave to Europe to be submitted through His Excellency the Commander-in-Chief.

The Right Honorable the Governor in Council is pleased, in supersession of existing rules regarding the production of certificates of "No Demand" by Military Officers when about to proceed on leave beyond Sea, to promulgate the following rules for general observance:—

1. Every Military Officer whether Staff, Regimental, or in Civil employ, on applying for leave beyond Sea, whether to Europe or elsewhere (leave under G. O. C. C., 2d July 1856, No. 34, excepted) will be required to submit with his application for leave, a report from one of the Officers noted in the margin, according to his Department, stating whether, with reference to the information before him, there is reason to require security as a special case on account of any doubtful items outstanding against the applicant, or because of any thing suspicious or extraordinary in the state of the applicant's accounts.

2. The reporting Officer must not delay his report in ordinary cases, by references to local Officers, as with a proper system of despatch and proper vigilance on his part, he ought, in all ordinary cases, to have the means of judging in his own office.

3. All Officers are reminded of the necessity of using every means in their power for the settlement of their accounts, in order to obviate inconvenience to themselves from any delay in the issue of the reports by the several Departments concerned.

No. 942 of 1874.—Fort William, the 30th September 1874.—In modification of the existing regulations, His Excellency the Governor-General in Council is pleased to

notify that No-Demand Certificates will not in future be required from officers in Civil or Military employ applying for furlough or leave out of India on private affairs.

2. When an officer in charge of cash or stores applies for furlough on private affairs, he will be required to furnish a certificate from the Examiner of Accounts concerned, that there are no known irregularities in his accounts pending adjustment, or heavy demands for payment remaining unsettled. He will also at the time of relief obtain from his successor, in addition to the usual receipts for cash and stores, a certificate that, as far as can be ascertained after careful examination, nothing irregular, nor any known demands against him, remain unadjusted in his office. This certificate will be sent on date of relief direct to the Controller of Military Accounts.

The provisions of existing orders as regards officers proceeding on leave on medical certificate, or intending to retire from the service, remain in force.

Simla, the 20th October 1871, No. 923 of 1871.—The Right Honorable the Governor-General in Council is pleased to decide that for the future, military officers in civil employ proceeding on leave of any description, will not be required to obtain No Demand Certificates from either the Civil or Military Account Department, but No Demand Certificates will, as heretofore, be required from officers in military employ applying for furlough or leave out of India on private affairs.

In re-publishing the following General Order by the Right Honorable the Commander-in-Chief in India, dated Head Quarters, Simla, 14th June 1859, the Commander-in-Chief calls the attention of Officers thereto.

"Officers of Her Majesty's British Army, who may be serving on the Staff, or in detached employment of any description, under the orders of the Commander-in-Chief, save in the Departments exclusively appertaining to the Royal British Army, will submit applications for leave of absence of every description, through the superior Officers, under whom they are serving, to the Department of the Adjutant General of the Army."

G. O. C. C.,
No. 43,
17th Jan. 1856.

With reference to paras. 26 and 31 of the New Furlough Regulations, the Commander-in-Chief, with the sanction of Government, directs the following rules with respect to the grant by Officers Commanding Regiments, Stations and Divisions or Forces of leave of absence on private affairs to all Officers under His Excellency's orders serving under their respective Commands, to be substituted for paras. 3, 4, 5, 6, 6½ and 7, Section XVIII of the General Regulations, para. 42 of which Section is cancelled. Books to be corrected accordingly.

Periods of leave may be granted as follows; including day of departure and day of return, both which dates are in each case to be noted in muster rolls and abstracts.

By Officers Commanding Regiments subject to the control of Officers Commanding Stations.

For periods not exceeding three days in the calendar month (between Musters) within the Division or District and limited to an aggregate of ten days in six months, between the 1st January and 1st July and vice versa.

By Officers Commanding Stations subject to the control of Officers Commanding Divisions or Forces.

For periods not exceeding ten days in the calendar month (between Musters) within the Division or District and limited to an aggregate of twenty days in six months, between the 1st January and 1st July and vice versa exclusive of leave granted by Officers Commanding Regiments.

N. B.—Leave granted under the foregoing clauses to Officers serving in the Centre Division sanctions for visiting the Presidency.

The Right Honorable the Governor in Council is pleased to direct the publication of the following Bengal rule, and to sanction its extension to the Officers of this Presidency.

By Officers Commanding Divisions or Forces.

G. O. G.,
No. 193 of
13th June 1856.

"Should an Officer who is on privilege leave not rejoin his Corps, but be absent in continuation, on not more than five months' leave on private affairs, or one year and eleven months' leave on medical certificate, he will retain his full salary or allowances for the thirty days of privilege leave, which will also count as service, but he will, nevertheless, forfeit all Military allowances on completing six months or two years' absence, (as the case may be) reckoned from the date that he quitted his Corps and station."

To the aggregate extent of thirty days in six months between the 1st January and 1st July, and vice versa (irrespective of Musters) to go wherever the Officer wishes, the Presidency included, and exclusive of leave granted by Officers Commanding Regiments and Stations.

The leaves of absence authorized by the foregoing paras. may one and all be enjoyed by an Officer during the one and same period of six months above specified, without any loss of allowances; provided that in every case the Officer rejoins at the expiration of the particular leave obtained, that is to say that an Officer cannot be absent at one time for more than three days on Regimental, ten days on Station, or sixty days on Division, leave. But it is to be clearly understood that no consolidated salary, command, or contract allowance, shall in any instance, be drawn for two Officers for the same period, and that the Staff Surgeons, that they make approved arrangements for the performance of their duties during their absence.

The fact of an Officer having very recently returned to his post from general leave does not detract him from the privilege of obtaining leave under these rules.

An Officer unavoidably overstaying the leave granted him under paras. 3 and 4 will not be held to forfeiture of Command or Staff allowances, except for the actual period in excess of the leave granted him by either of the above authorities. But it is always competent for the superior Station or Divisional authority to grant extension of such leave, on sufficient cause being shown to avoid even this forfeiture. In instance an Officer unavoidably overstaying Regimental leave may have it converted into Station or Division leave, and in like manner Station leave can be changed into Division leave provided always the present aggregate extent of leave which the different authorities are respectively permitted to grant is in no way exceeded.

Should an Officer on leave or on privilege leave be put on duty by the Commander-in-Chief at a station at a distance from his own, on a date which, with reference to such distance, would admit of his rejoining, by any mode of travelling within the period of his leave, he will be entitled to compensation for loss of allowances for the period of his detention beyond the expiration of his leave, but if put on duty at a time and place from which he could not with reference to distance rejoin within the period of his leave by any mode of travelling, he will not be entitled to compensation for any period of absence from his Regiment.

Officers not in Civil employ are allowed, when the demands of the service will permit temporary leave, without pecuniary loss or loss of service for sixty days consecutively in each year or thirty days consecutively in each half year as may be preferred.—G. O. G., No. 101 of 9th April 1857.

The above rules are applicable to Divisions and Forces, both within and beyond the Frontier.

The existing rule, under which an Officer cannot be absent on privilege leave on the 1st January is abolished, and all that will be required is, that no Officer be allowed privilege leave for more than sixty days at one time or more than sixty days altogether between the 1st January and 31st December of each year.—Vide G. O. G., No. 170, 5th May 1865.

N. B.—In calculating the above leaves of absence the day of departure from Regiment or Appointment is one of leave and day of return thereto one of duty.

G. O. G. G. No. 91 of 26th January 1860.—The following Notifications, from the Foreign Department, are published in General Orders:—

No. 250, Fort William, the 23rd January 1860.—Notification.—The following Resolution passed by the Hon'ble the President in Council, in the Financial Department, under date the 6th instant, is published for general information:—

RESOLUTION.—The Officiating Civil Auditor, Fort William, enquires, with advertence to the case of Major Bouverie, Political Agent at Bhurtpore, whether, in the case of a Military Officer entering upon Civil employ, his score for privilege leave under the Civil rules must commence from the date of joining his Civil appointment, or whether it must be calculated by the usual reckoning of 11, 22, or 33 months of uninterrupted service, irrespective of the Department (Civil or Military) in which such service may have been rendered.

2. Referring to this question, the President in Council observes that, when it was laid down that two or three months' accumulated privilege leave could be granted, under the Civil rules, to Military Officers in Civil employ, it was intended that such leave should be earned by continuous service of the required number of months in the Civil Department alone.

The following Extract of a letter from the Officiating Secretary to the Government of India, Military Department, to the Secretary to Government, Military Department, Fort St. George, dated 3rd April 1860, No. 62, is published:—

G. O. G.
10th Feb. 1860,
No. 67.

"With reference to your letter No. 616, dated the 10th February last, I am directed to state for the information of the Honorable the Governor in Council, that His Excellency the Governor General is of opinion that the Military Secretariat to Government is certainly a Civil Department and that the Military Secretaryship to the Governor or to the Governor General, is as certainly a Military appointment. Accordingly the Civil rules for privilege leave are alone applicable to the former, and the Military rules exclusively to the latter."

G. O. G.
27th July 1860,
No. 344.

The Governor in Council is pleased to authorize the Principal Inspector General Medical Department, to grant privilege leave to Medical Officers in Civil employ at the Presidency, the same being notified in every case in the Official Gazette. Leave to Medical Officers in Military employ will, however, continue to be granted as heretofore.

G. O. G.
3d Feb. 1860,
No. 53.

The Governor in Council directs that the following rule, contained in G. O. by His Excellency the Commander-in-Chief in India, dated Simla, 12th July 1859, be extended to this Presidency.

Leave of absence, preparatory to furlough, whether on private affairs or on sick certificate, must always be general, and not privilege leave.

G. O. G.
8th March 1861,
No. 80.

With reference to G. O. G., No. 53, dated 3d February 1860, the Governor in Council directs that, in future, in accordance with the practice in Bengal, leave of absence preparatory to retiring from the service shall always be general, and not privilege leave.

Furlough Regulations of 1854.

1. All Officers, Staff as well as Regimental, also Military Officers in Civil employ, must declare their choice of rules on the first occasion of taking leave, whether the leave be in India or elsewhere, and if the leave applied for be in India under the local rules, Staff Officers may make choice of the old Regulations, still retaining their Staff appointments, but, after having elected the Old Regulations, they vacate their appointments on embarking for Europe or the Cape or elsewhere beyond Sea, except for short periods not exceeding three months under Rule 33.

3. To those Officers who adopt them, the New Regulations will apply retrospectively in respect of furlough and leave of absence beyond Sea, and in computing their time of service for retirement, so that their furloughs or leaves of absence, whether under the old or the new rules, and whether on private affairs or sick certificate within or beyond India, will count for service to the authorized extent only, in computing the time for retirement on full pay.

4. Officers who have availed themselves of the option of the old rules, are allowed to re-consider the question under the modifications now sanctioned.

5. Officers who have not taken leave subsequent to the publication of the new rules on the 1st February 1854, and who consequently may not have been called upon to declare whether they would abide by the old or the new Regulations, will, on retirement from the service, be entitled to take full advantage of the privileges given by the new Regulations.

Furlough on Private Affairs.

6. Every Officer will be allowed a furlough to Europe, or elsewhere, beyond Sea, for a period of two years, at the expiration of ten years' service, and for a second period of two years after twenty years' service in India. (Period passed at Addiscombe College not to count.) An Officer proceeding on leave to England for six months, retaining his appointment or otherwise, is not to be considered as having taken his authorized furlough after ten or twenty years, as the case may be, but may, with permission of Government be allowed at any time to take the remainder of the two years authorized furlough on private affairs.—G. O. G. 1st April 1856, No. 102.

7. The second furlough of two years will only be granted after ten years' service in India, from the date of the return to duty after the first furlough of two years. These furloughs are not to be cumulative, under any circumstances, but are limited to two years. Officers who have taken leave of absence on sick certificate to Europe or elsewhere beyond Sea, will be ineligible to a furlough on private affairs until they have served six years from their last return to duty. This rule does not apply to short leave to sea. Officers who take their first furlough after twenty years' service in India, may take their second furlough after an additional service of five years from the date of their last return to duty.—G. O. G. 1st July 1856, No. 211.

An Officer of upwards of 20 years' service, but who before completing that period has enjoyed a furlough on private affairs to Europe, for say four years, for three of which he drew pay, has a claim to a second furlough of one year with pay, on the completion of ten years from the date of his return to duty, but, if subsequently to his return from furlough, he has taken leave out of India on S. C. his second furlough on private affairs will not be claimable till the expiration of six years from return to duty from such sick leave as well as ten years from the date of return to duty from furlough on private affairs.

N. B.—This rule is not applicable to an Officer who takes his first furlough out of India after completing twenty years' service.

Officers who have proceeded on sick leave to Europe after a period of twenty years' service, it being the first time of their quitting India, can, as in the case of Officers who take their furlough after the same period, take a furlough on private affairs after five years from the date of their return to duty.—G. O. C. C., 18th November 1856, No. 92.

Fort William, the 29th January 1866.

No. 102 of 1856:—The following Military letter from the Right Hon'ble the Secretary of State for India, No. 362, dated 8th December 1855, is published for general information:—
MILITARY, No. 362.

INDIA OFFICE, London, 8th December 1855.

To His Excellency the Right Hon'ble the Governor General of India in Council.

SIR,—In your Military letter dated 20th September last, No. 403, you refer for my decision a question what has arisen whether leave taken on private affairs without pay out of India, counts as part of the 6 years required before an Officer can obtain furlough after return to duty.

2. From the case which gives rise to the enquiry, I presume the question relates only to Clause 7 of the Furlough Rules, published in Orders by your Government on 17th November 1854, part of which is as follows:—

“Officers who have taken leave of absence on sick certificate to Europe or elsewhere beyond sea, will be ineligible to a furlough on private affairs until they shall have served six years from their last return to duty. This rule does not apply to short leaves to sea.”

3. Clause 6 of the same rules states that every Officer will be allowed a furlough to Europe or elsewhere beyond sea for a period of two years at the expiration of ten years' service, and or a second period of two years after twenty years' service in India.

4. It was decided by the Court of Directors in the year 1856, that an Officer who had proceeded on leave to England for six months was not to be considered as having taken his authorized furlough after ten or twenty years, as the case might be; but that he might, with the permission of Government, take at any time the remainder of the two years' authorized furlough on private affairs.

5. The Court of Directors also ruled that the absence for six months under Clause 9 did not preclude an Officer from taking his furlough to Europe after ten years' service.

6. It appears to me that the principle of these decisions may be applied to the tensions of such leave granted in the country under special circumstances and without pay, may be permitted to reckon as part of the six years required to be served after return from leave on medical certificate to entitle an Officer to his furlough on private affairs.

or six years, and in the latter a period of three years, to be completed after return from last furlough before an Officer can be held eligible to a fresh furlough on private affairs, do not apply to the case of a General Officer of the Staff Corps or of the local service who may be unemployed.—* Madras G. O. G. 15th December 1868, No. 450.

8. All grants of furlough on private affairs are subject to the exigencies of the Public Service, and to the Regulations framed for the preservation of the efficiency of each Regiment by limiting the number of absentees.

9. Officers holding Staff or other detached appointments may be allowed furlough for a period of six months without losing their appointments; but during that period, they will not be entitled to any portion

of their Staff salary, which will be drawn in full by the Officers officiating for them. Absence for six months under this rule does not preclude an Officer from taking his furlough to Europe after ten years' service.—G. O. G., 1st July 1856, No. 211.

9. Officers who have come to this country on duty with discharged Troops, and have been granted extensions (not exceeding six months) of their privilege leave on medical certificate, or on private affairs, shall not be considered to have vitiated their claim to Furlough at the end of ten years' service, though they may not have been six years in India since their return from this country.

Para. 4. I have to inform you that it has been decided that those Officers who have been allowed to count their leave on sick certificate, as service for pension, will be ineligible to a furlough on private affairs, until they have served six years in India from the date of their return to duty. Vide Rule 7.

No. 565 of 1861.—His Excellency the Governor General in Council is pleased to resolve that absence from India, on authorized leave within the periods allowed by the new furlough Regulations, shall not debar an Officer whose efficiency has been proved and certified to the full satisfaction of the Governor in Council from Departmental promotion, temporary or permanent.

In such cases the absent Officer will not, till he resumes charge of his duties, have any claim to the salary of the higher office, which will be drawn by the acting Officer.

Your Military letter dated 20th February, No. 73, transmits, with your favorable recommendation, correspondence relative to an application from Lieutenant Colonel J. McK. Taylor, Commanding 2nd Regiment, Bombay Light Cavalry, praying, that the furlough Regulations may be so far modified as to allow Officers who have taken only one furlough during twenty-seven years' service to take a second furlough, after the expiration of that time, without being compelled to serve ten years from date of return to duty.

2. Under a decision of the Court of Directors, under date the 25th April 1856, No. 56, Officers who take their first furlough after twenty years' service in India, may take a second furlough after a service of five years, from date of last return to duty, or, on completion of twenty-seven years' service in India.

3. In the present case, it appears that Lieutenant Colonel Taylor took his first furlough after a service of eighteen and a half years. Under present rules he cannot obtain a second furlough until the expiration of ten years, from date of return to duty, by which time he will have completed a service of upwards of thirty years.

4. I have no objections to the modification of the Furlough Regulations suggested by your Government in favour of Lieutenant Colonel Taylor and other Officers similarly circumstanced, on the understanding, however, that this is not to affect the Rule under which an Officer who takes his first furlough after twenty years' service, or upwards, must serve a period of five years, from date of last return to duty, before he is to be held entitled to a second furlough.

An Officer must have served ten years in India to entitle him to return to this country on private affairs for six months, retaining his appointment and drawing furlough pay.

An Officer who has taken the furlough to Europe for two years, after ten years' service, must show a service in India from date of return of ten years, to entitle him to return to Europe on private affairs for six months, retaining his appointment and drawing furlough pay.

An Officer having taken shorter leaves of absence as a Staff Officer (six months on private affairs, fifteen or twenty months on sick certificate) with retention of appointment may take a second leave of absence, retaining his appointment on sick certificate after he has been three years, or on private affairs, after he has been six years in his discharge of the duties of his appointment, from the date of last return to it.

This decision should not be allowed to interfere with the practice which has been followed under the Regulations of 1854, and those in force previously, for permitting Officers in certain cases of emergency to return to this country on private affairs for short periods without pay, and that a Staff Corps Officer permitted to return to Europe under such circumstances should be allowed to hold his appointment for a period not exceeding six months. In fact, this has already been authorized in Question and Answer No. 121, which states that the Government may grant leave of absence for six months on urgent private affairs without pay and allowance to a Staff Corps Officer, with retention of appointment, on being satisfied of the urgency of the case.

I am of opinion also that Staff Officers not members of the Staff Corps should be allowed a similar indulgence under like circumstances.

Regarding the mode of reckoning the service of an Officer of the Staff Corps formerly under the old furlough Regulations, as regards future furloughs such Officers will be under the operations of Clause 7 of the furlough rules of 1854.

10. All Officers, whether Staff or Regimental, while on furlough on private affairs, will be entitled to “furlough pay” only.

Leave of absence on Sick Certificate.

11. Leave of absence on sick certificate will be granted for a term not exceeding twenty months when it is to be to any place in Europe or elsewhere out of India.

12. Extensions of such leave may be granted, as at present, on production of medical certificates for further periods not exceeding sixteen months in the whole.

13. An Officer holding a Staff or other detached appointment will be allowed to be absent on sick certificate in England or elsewhere, if their absence from India be not prolonged beyond fifteen months, is bestowed by the Honorable Court, in order to enable such Officers to regain their health, and in the expectation that they will be thereby qualified to render additional service to the Government. But if leave of absence be taken merely to run out a prescribed

No. 750 of 1862.—His Excellency the Governor General in Council is pleased to extend to Officers on leave the rule which permits Officers of one Presidency, when absent on duty, to draw their pay and allowances from the Pay authorities of any other Presidency at which they may be residing, and to lay down the following rules for future guidance:—

Officers of one Presidency may draw advances on account of their pay and allowances which have become due from Paymasters at any other Presidency at which they may be residing, whether on duty or on leave on medical certificate or private affairs.

Officers so situated must furnish, with their Bills, a last Pay Certificate from their own Presidencies, showing specifically the sum to be deducted and the amount to which entitled, and also indicate the General Order or other authority under which they are absent.

These rules are also applicable to cases of Officers embarking for Europe from any other than their own Presidencies, and who may be entitled, under the furlough Regulations, to advances of pay and allowances.

In cases of Staff Officers so situated their last Pay Certificates are to specify clearly the amount of half Staff salary to which they may be entitled during their leave.

In case of emergency, when last Pay Certificates cannot be produced, advances on account of unadjusted arrears of pay may be made on good security for the amount being furnished.

Bills for any admissible passage money are to be supported by a sufficient Guarantee from the Agents of the Ship or other parties, that half the passage money will be refunded in the event of the Officer dying after engagement of his passage, or before the vessel puts to sea.

Paymasters making advances under these rules are invariably to record the same on the back of the last Pay Certificate, and will make the necessary communication to the Paymaster of the other Presidency concerned with the least possible delay, and if Security be taken, it is also to be noted on the Pay Certificate.

If proof be forthcoming that an Officer has already furnished Security at his own Presidency for any demands on the part of Government which may arise, fresh Security is not to be required by Paymasters of any other Presidencies.

All over-drawings or short charges will always be adjusted by the Pay authorities of the Presidency to which the Drawing Officers may belong.

All other orders on this subject at the three Presidencies are hereby superseded.

25. The existing Regulations regarding Passage Money to Officers are not affected by these rules.

G. O. G., No. 1009 of 3rd December 1866. With the view of encouraging the study of the Native languages, it is hereby notified, for general information, that extended periods of leave to visit the Presidency, without loss of service, will be granted under the following conditions to Officers of the Army who pass successful examinations in the tests prescribed in Government General Order, No. 741 of 1864:—

1st.—Officers who pass an examination according to the second standard will be allowed to reckon as duty the period of their absence to the extent of (a) six months.

2nd.—To Officers who pass a successful examination in the languages defined in Rule VIII of the Government General Order quoted, above, a further period of six months' leave will be granted without loss of service.

3rd.—Candidates who may obtain certificates of High Proficiency, under the operation of Rule XII, will be allowed leave of absence to the extent of 18 months in the aggregate.

4th.—And candidates who obtain Degrees of Honor, under the terms prescribed in Rule XV, shall be permitted to reckon as service the period of their absence to the extent of two years.

2. To insure, however, that the time of the candidates is not misapplied, it must be clearly understood that they shall pass successful examinations according to the different tests within the prescribed periods.

3.—The foregoing rules are to be in supersession of all previous regulations on this subject.

G. O. G., No. 90 of 23rd January 1867.—In modification of Government General Order, No. 941 of 1861, His Excellency the Governor General in Council is pleased to prescribe the following Rules, under which Officers may draw pay and allowances through their Agents in India when on leave beyond the limits of their own Presidencies:—

I. Officers proceeding on leave for any period under the old furlough rules, beyond the limits of their own Presidencies, will be permitted to draw their pay and allowances through their Agents, on the latter furnishing a satisfactory guarantee for the refund of over-payments.

II. The guarantee must be attached to the application of the Officer for permission to draw his pay in India, which must be submitted through the Pay Master, to be forwarded to the Controller of Military Accounts, who will grant the authority to the Agent to draw the pay monthly as it becomes due.

III. The guarantee is to be in the following form, and must bear a stamp according to the scale noted at the foot thereof, in order to cover any possible amount to be retrenched:—

Form of Guarantee to be furnished by Agents of Officers proceeding on leave beyond the limits of their own Presidency, to accompany applications of Officers to draw their pay and allowances in India during absence.

We

do hereby engage, in the event of our being permitted to draw the pay and allowances of our constituent during his authorized absence from the Presidency, to repay such part of the amount as he may not be entitled to in case of death, as also such sums, with retrospective effect, as our constituent may become liable for, by his bringing himself upon furlough pay from the date of quitting his own Presidency by any of the following acts:—

1. By overstaying the leave to sea for two years on medical certificate, or for six months on private affairs, which he may have obtained under the old furlough rules.

2. By proceeding to England from the leave aforesaid under the old furlough rules, without having returned to his own Presidency.

who actually does join within the period sanctioned by Regulation for the purpose of joining by the direct route, is allowed to reckon such leave as service for pension.

whole period he may be so employed, i. e., from the date of the order nominating him to such duty to the date of the order relieving him, both inclusive.

9. An Officer entering the service and obtaining leave to visit a station not the Head Quarters of his Regiment and to join the Corps to which he is posted, and

10. Leave for one month, granted to Officers in Civil employ under Section XI (amended) old Civil Service Absentee Regulations, is not to be deducted from same light as one month in six privilege

11. The period during which Officers may have been or may hereafter be absent on leave for the purpose of accompanying Insane or Sick Officers is allowed to count as service for pension.

12. If an Officer is placed on duty while on leave of absence whether on medical certificate or private affairs he will be allowed to count as service for pension the

period he may be so employed, i. e., from the date of the order nominating him to such duty to the date of the order relieving him, both inclusive.

4. In accordance with the principle laid down in the 65th paragraph of the General Order of the 10th April 1861, Officers of the new Brigades of Artillery and new Line Regiments ordered to do duty at the Regimental Depot, or with Drafts on the voyage to India, will reckon such duty as service in India for retiring pension. Those doing duty under any other circumstances in this country, will reckon such service in the proportion of one year for two.

27. Officers of Her Majesty's Service in India, whether employed Regimentally or in Staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

28. In the case of Officers of Her Majesty's Service on furlough on sick certificate in England or elsewhere, who may retire or exchange into Regiments not on the Indian establishment, the grant to these Officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

15. Officers obtaining leave preparatory to final leave out of India, but who after arriving at the Presidency or other port of embarkation abandon their intention of leaving the country, cannot reckon as service the period they may have been absent from duty on such preparatory leave which then assumes the nature of ordinary leave in India.

With reference to para. 29,
M. C. No. 2702, 20th October 1856.

16. An Officer who proceeds on furlough to the Presidency or other port, (not preparatory to applying for leave to proceed to Europe or elsewhere) and while there obtains a sick certificate to count as service the period allowed by Regulation for proceeding from the station of his Regiment or appointment to the port of embarkation; but he can reckon as service the period of 15 days allowed at the Presidency or port of embarkation preparatory to embarkation.

With reference to para. 29,
M. C. No. 2702, 20th October 1856.

17. If instead of being at the port of embarkation, he is at another port, or at an inland station, when he obtains the sick certificate to quit India, he will be allowed the time authorized for travelling from the station at which he may be when he obtains his sick certificate, to the port of embarkation.

With reference to para. 29,
M. C. No. 2702, 20th October 1856.

18. If an Officer while absent on ordinary sick certificate in India, quits India on sick certificate, or, who having proceeded on ordinary leave on private affairs in India obtains a furlough out of India, he is entitled to count as service the period allowed for proceeding from the place at which he may be when he obtains leave to quit India, to the port where he ultimately embarks.

This information is necessary in order that no difficulty may arise in the Pay Department of the India House in adjusting the several payments which may be due.

Periods of absence allowed to be counted as Service for Retiring Pensions.

29. In order that all Officers quitting India on furlough, or sick certificate, may be placed on an exact equality as regards loss of time, the period allowed by Regulation for proceeding to the Presidency or to the nearest port of embarkation, as well as the time to enable Officers to rejoin their corps or station after their return to India, will be considered as time counting for service for the retiring pension.

Simla, 22nd September 1864.

No. 774 of 1864.—Having taken into consideration the existing facilities for travelling, which are steadily increasing, His Excellency the Governor General in Council is of opinion, that the rules now in force for regulating the periods allowed to Officers and others proceeding, in ordinary course, from one station to another, are no longer suitable or adapted to meet the interests of the service or the General convenience of Officers.

2. G. O. G. No. 770 of 14th September 1858 is therefore cancelled, and the following rules will be observed from the 1st November next:—

3. Officers returning from furlough to Europe or leave beyond the sea, or (Officers removed from a regiment, appointment, or station, at their own request, or on regimental or departmental promotion, or to join a new appointment, will be allowed fifteen days for preparation from the date of arrival, or being struck off duty. On special grounds, this period may be extended to thirty days by the Officer Commanding the Division, District, or Garrison.

4. Every Officer, at the expiration of the period allowed for preparation, is required to join his Corps, station, or appointment, by the most expeditious available mode of travelling, and without unnecessary delay on the road.

5. Officers who may be unavoidably delayed by sickness or other circumstances must report the cause and period of such delay, furnishing medical or other certificates of the Officer Commanding the Station, at or nearest to which such delay may have occurred.

6. In every special case, Officers Commanding Divisions may sanction a slower mode of travelling, either for a part or for the whole of the journey; but any such indulgence, and reasons for granting it, must be reported at once to His Excellency the Commander-in-Chief, or to the Government, according to the nature of the Officer's employment.

7. This ruling is to be made applicable to all three Presidencies.

Leave of absence, preparatory to furlough, whether on private affairs or on sick certificate, must always be *general*, and not *privilege* leave.

It is hereby notified that, under a recent ruling of the Government of India, Officers, whose leave may expire after the commencement of General Holidays, will notwithstanding such Holidays, be required to report, as heretofore, their return to duty on the termination of their leave.

It is notified for general information that under a recent decision of the Government of India, an Officer who had elected (or who, not having before elected, might on his entering the Staff Corps desire to elect) the old furlough Regulations, carries with him into the Staff Corps so much of his service (authorized leave included) as had been passed in Indian limits and no more; and that to

entitle him to retire on the pension of any particular rank he must serve so many more years as would with that service complete the full period of service prescribed for such pension, with the liberty of availing himself, after his entry into the Staff Corps, of the privileged periods* of absence allowed in paragraph 30 of the new furlough Regulations.

For instance a Captain who, on entering the Staff Corps on the 18th February 1861, had served twenty-four years counting as service for retirement under the old rules, and had been absent six years on leave to Europe, would enter the Staff Corps with a capital of service of twenty-four years only; and, before he could retire on the pension of a Lieut. Colonel he would have to serve four years longer, of which three years might be passed on leave.

2. With reference to the foregoing, Officers who at date of entering the Staff Corps had not made election of furlough Regulations are requested now to report under which furlough Regulations they desire that their service to that date may be calculated.

Fort William, the 12th May 1862.

No. 520 of 1862.—The following rule which has received the sanction of the Right Hon'ble the Secretary of State for India for calculating the service of Officers who, formerly under the old furlough Regulations, have joined the Staff Corps, and whose service from date of joining that Corps is to be reckoned under the new furlough Regulations, is published for general information and guidance:—

1. Officers having elected (or who not having before elected might, on their entering the Staff Corps, desire to elect,) the old furlough Regulations will carry with them into the Staff Corps so much of their service (authorized leave included) as may have been passed within Indian limits and no more. Before they can retire on the pension of any particular rank they will be required to serve for such further period as will, with that service, complete the full period prescribed for the pension of any particular rank, with the liberty of availing themselves, after their entry into the Staff Corps, of the privileged periods* of absence allowed by paragraph 30 of the new furlough Regulations.

2. An Officer who has served twenty or twenty-four years and *not more* is only entitled to reckon two years' absence as service. Rule 33 gives the minimum period of service which entitles an Officer so situated to retire on the pension of a Captain or Major; but an Officer who has served beyond those periods is entitled to the benefit of Rule 30 by which extended periods of absence are allowed to reckon, regulated by the length of the Officer's service. For instance, an Officer who has served twenty years, and no more, can retire as a Captain; whereas an Officer whose aggregate service is thirty years, out of which he has enjoyed leave for fourteen years and no more, can retire as a Captain at once.

3. No Furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years aggregate service, three years in twenty-five years

aggregate service, five years in thirty years service, and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or out of India, or whether the leave be on sick certificate or on private affairs.

31. In the term "Leave of Absence as announced in General Orders" is to be included all leave of absence except the period allowed in Rule 29, and the ordinary indulgence of one month's leave in six months, as authorized by the existing Regulations, and which are in all cases, whether of Regimental or Staff Officers, to be allowed to count as service for the pension. All leave to a greater extent granted by Political and other authorities, which may not hitherto have been published in General Orders must be so announced hereafter.

32. Officers to be entitled to retire on the full pay of their Regimental rank (under the Regulation of 1796,) must have served twenty-two years in India, out of which leaves of absence for two years in the aggregate and not more, will be allowed to count as service for the retiring pension.

33. Officers to be entitled to retire on the full pay of Captains and Majors (under the Regulations of 1835-7,) must have served twenty and twenty-four years respectively, out of which time leaves of absence for two years in the aggregate and not more, will be allowed to count as service.

34. With reference to para. 30, 33, 34 and 35, M. C. No. 2961, 2d Nov. 1855, and No. 919, 18th April 1856.

35. An Officer who has served twenty or twenty-four years and *not more* is only entitled to reckon two years' absence as service. Rule 33 gives the minimum period of service which entitles an Officer so situated to retire on the pension of a Captain or Major; but an Officer who has served beyond those periods is entitled to the benefit of Rule 30 by which extended periods of absence are allowed to reckon, regulated by the length of the Officer's service. For instance, an Officer who has served twenty years, and no more, can retire as a Captain; whereas an Officer whose aggregate service is thirty years, out of which he has enjoyed leave for fourteen years and no more, can retire as a Captain at once.

No. 337 of 28th March 1872.—The following Military letter from the Right Hon'ble the Secretary of State for India, No. 50, dated 29th February 1872, is published for general information:—

INDIA OFFICE, London, 29th Feb. 1872.
MURRAY, No. 50.
To His Excellency the Right Hon'ble the Governor-General of India in Council.

MY LORD.—1. With a view to meeting the cases and facilitating the retirement of the senior officers of the Army subject to the Indian Retiring Regulations, Her Majesty's Government have resolved so to modify the present Regulations, as expressed in Clause 30 of the Furlough Rules of 1854, as to admit of a larger amount of furlough being reckoned as service by claimants to the higher rates of pension granted in 1866.

2. With this view, I request that it may be notified to the service that, from and after the date of this despatch, the following regulation will be substituted for Clause 30 of the rules above referred to, and will govern the rates of pension to be granted to officers retiring under the Indian Regulations:

"No furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years' aggregate service, three years in twenty-five years' service, four years in thirty years' service, five years in thirty-five years' service, and six years in thirty-eight years' service shall be allowed to count as service for the retiring pension; and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or out of India, or whether the leave be on sick certificate or on private affairs."

With reference to para. 31. The following Extract, paras 18 and 19, of a Military letter from the Honorable the Court of Directors to the Government of India, No. 126, dated 22d July 1857, are published for general information:—

18. By the Regulations established for the promotion of Lieutenant Colonels to the rank of Colonel after three years' service, it is provided that no longer period than one month in each year, or a total of three months in three years, or six months in six years shall be allowed to reckon as service out of the country, except in cases of wounds or illness contracted by service in the Field, duly certified by a Medical Board, when each case will be separately considered with reference to the time to be allowed.

19. In reply to the question now put to us, we have much satisfaction in stating that we are prepared to extend the benefits of the exception above specified to the time required for retirement on full pay. Every claim to the benefit of this exception must be duly certified by a Medical Board, and be forwarded to us for our decision, accompanied by the opinion of the Government and Commander-in-Chief of the Presidency to which the Officer belongs.

No. 32.—With reference to G. O. G. 15th September 1857, No. 290, the Commander-in-Chief desires it to be notified that the privilege of reckoning the time of absence in the period of service required for retirement on full pay is authorized in cases of wounds or illness contracted by service in the Field, duly certified by a Medical Board, when each case will be separately considered with reference to the time to be "allowed."

In all such cases a specific description is to be given in a report by a Medical Board of the nature of the illness and of the grounds upon which it is considered that the illness has been contracted by service in the Field.

All such grants of leave should be made for periods not exceeding eighteen months to be extended if necessary.

No. 10.—Applications for permission to count as service for retiring pension under the provisions of G. O. G. No. 290 of 15th September 1857, the period of absence on leave occasioned by wounds or illness contracted by service in the Field are required to specify the particulars of the Field service on which the Officer was engaged.

No. 95.—With the sanction of the Right Hon'ble the Secretary of State for India, His Excellency the Governor General in Council is pleased to notify that, where an aggravation or reproduction of an illness originally produced by service in the field, to such an extent as to necessitate leave of absence, is clearly attributed to exposure or other causes attendant on subsequent active service in the field, such leave may be held to come within the provisions of Government General Order, No. 1113,* dated 1st September 1857.

Para 2. It was not the intention of the late Court of Directors to give retrospective effect to the privilege granted in July 1857, to Officers wounded or losing their health on active service, to count as service for retiring pension their leave of absence on medical certificate.

84. Officers to be entitled to retire as Lieutenant-Colonels must have served twenty-eight years, out of which leaves of absence for three years in the aggregate, and not more, will be allowed to count as service.

35. Officers to be entitled to retire as Colonels, must have served thirty-two years, out of which leaves of absence for four years in the aggregate, and not more, will be allowed to count as service.

37. It is to be distinctly understood, that under no circumstances whatever will an Officer be permitted to retire on full pay, until he has completed the full time of service above specified, whether he be in England at the close of his service or elsewhere.

38. The privileged time of absence may, with the permission of the local Government, be taken at any time subject to these Regulations. If therefore, at the end of twenty-years' service, of which eighteen had been passed on actual duty in India, an Officer should be on furlough, or sick certificate in Europe, or elsewhere, he will be entitled to retire on the full pay of a Captain without returning to India, and so in the other terms of service for the higher pensions. In like manner a Medical Officer on furlough, or sick certificate in Europe, or elsewhere, at the end of seventeen years' service, fifteen years and four months of which had been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pension.

G. O. G.,
3d Nov. 1863,
No. 387.

Under instructions from the Government of India, the Governor in Council is pleased to declare that the grant of leave to Officers on medical certificate in India, shall, for the future, be limited, under ordinary circumstances, to one year, subject to extension on fresh Medical Report.

private affairs or on sick certificate, except as to the periods of such absence being taken into calculation in the time allowed to count as service for retirement on full pay.

39. These rules do not in any way affect the existing Regulations regarding the grant of leave in India, or for short periods to Sea, whether on such absence being taken into calculation in the time allowed to count as service for retirement on full pay.

Furlough Regulations of 1868, Revised.

The following General Order by the Government of India is re-published:—

G. O. G., 10th March 1874, No. 57. Fort William, 25th February 1874, No. 171.—The Furlough Rules of 1868, as revised by various subsequent decisions, are re-published for general information; and in future this General Order shall ordinarily be referred to in any matter depending on those rules. The rules previously in force will be designated, as heretofore, the Furlough Rules of 1796 and 1854.

The following G. O. are cancelled prospectively from the 1st January 1875:—

G. G. O., No. 630* of 1869 (1st clause.) | G. G. O., No. 627† of 1870, | G. G. O., No. 613‡ of 1871.

G. O. C. C.,

1874, No. 16.

8th January 1874, No. 7.—In order to remove misapprehension, it is explained that officers of the Staff Corps, formerly of the British Army, count as qualifying service towards furlough only that period actually passed in India, exclusive of all leave of absence taken out of India when in the British service.

2. These rules are applicable to all officers who, on the 1st July 1868, belonged to the Staff Corps and Indian Army. Rules apply to Officers of Staff Corps and Indian Army, who have elected to the Indian Army, and who have elected to the British Army who entered the Staff Corps after that date are of course subject to the

In regard to the periods of leave of absence during which appointments may be held, and in regard to the increased allowances, they are also applicable to officers of the Royal Artillery and Royal Engineers, late of the Indian Army, holding permanent staff appointments no of a regimental nature, and to such officers of the Engineer of the Imperial Establishment as may be permanently employed on the staff in India.

or. But should an officer of the British Service, holding such permanent staff appointment, be allowed to proceed on leave under circumstances which, by these rules, would involve loss of appointment, he cannot take leave under them, but simply as a British Officer holding no appointment.

3. These rules are not applicable to officers on the Invalid or Invalid Pension establishment, even if previous to their transfer they should have elected them, being intended solely for officers on the effective list.

Do not apply to Invalid Officers.

13th May 1874, No. 487.—Doubts having been expressed on the point, the Right Honorable the Governor-General in Council is pleased to notify under instructions from Her Majesty's Government and in continuation of G. O. No. 1150, dated 11th November 1873, that neither the Indian Furlough Rules of 1868 nor those of 1854, are, as respects leave on private affairs, applicable to British Officers serving with their regiments or employed with a five years' tenure in staff situations. Any leave on this account, which may be granted to them by the authority under whom they may be serving, must be taken under the rules of the British Service, and therefore, whilst borne on the Indian Establishment they will receive the British pay of their rank and that only.

G. O. G.,
23rd May 1874,
No. 127.

2. This ruling does not apply to Officers of Royal Engineers permanently employed in Departmental service, or to other British Officers who may be permanently employed under the Governments of India. These are eligible for all the advantages of the Indian Furlough Rules so long as they retain their appointments.

* Madras G. O. G. No. 293, dated 25th Nov. 1873.

Officers of the British Medical Staff are not entitled to this advantage.

5. They are applicable to Officers of the Royal Engineers on the Imperial Establishment, who are employed in the Public Works Department, or who are receiving a staff salary as on the fixed establishment of the Sappers and Miners; these will count service towards furlough from the date of their arrival in India.

Apply to R. E. Officers on the Imperial list holding permanent non-regimental staff appointments.

These Officers, therefore, and other Royal Engineer Officers of the Imperial list on permanent staff employ under the Government, will be entitled to a furlough of two years after eight years' service in India, or at the expiration of one year from the date of their return (for a second tour of service in India) or the completion of the prescribed home service after the first period of seven years' service in India. The English rate of pay of his rank only will be passed to such an officer during this leave; but on his return to India for a second tour of service, the difference between that pay and "Furlough Pay" will be admitted to him; his passage money to England will be paid to him.

Pay allowed them during furlough. and, if he should not return to India, his passage money to England will be paid to him. Imperial Engineers on the Imperial Establishment, who are merely doing duty with, or attached to, the Sappers and Miners, but not on the fixed establishment and drawing staff salary, will in regard to these rules, be on the footing of Regimental Officers of the British Service—see preceding paragraph. If however, they afterwards accept staff employ, they also will count their service for furlough from the date of arrival in India.

Rules apply to R. E. Officers of the Imperial list on the fixed staff establishments of Sappers and Miners.

6. Officers of British Regiments who may join the Staff Corps, can count as service towards furlough all their military service in India, provided that half of it (in no case less than four years) shall have been passed in the Staff Corps. But any leave to England they may have taken during service so counted will be reckoned as furlough already taken. Officers of the British Service who formerly belonged to the Indian Armies are exempted from the above proviso.

7. These rules apply also to all Warrant Officers holding Veteran or Honorary Commissions, who may elect them; the period of service qualifying for furlough being calculated from the date of the attainment of a Commission. They will receive during furlough half their total receipts, calculated as laid down in Rule V, but without any reference to a minimum or maximum rate. Warrant Officers not holding Commissions can obtain furlough under these rules only on medical certificate.

Warrant Officers without Commissions can take furlough on medical certificate only under these rules. Such furlough may be for two years with retention of appointment and half of the aggregate allowance; but any extension of such leave (which will not be granted for more than one year in excess of the two years) or any leave taken within less than three years from the date of last return to duty, will be on "English furlough pay." [See Note to para. 9.]

8. Every Warrant Officer who attained warrant rank before the 19th February 1869, and who has not made his election, will be required, on the first occasion of his applying for leave out of India, to state whether he desires to take the leave under these rules, or under those previously in force applicable to Warrant Officers, viz., G. G. O., Nos. 518* and 581† of 1854, G. G. O., No. 1559‡ of 1857, and subsequent orders. That election will be considered final.

NOTE.—An Officer in civil employ cannot reckon in this interval of three years any period of absence from actual duty, excepting those spent on privilege leave.

No. 585.—The following additions and corrections of G. O. G. No. 171* dated 25th February 1874, are notified for general information. Order books to be corrected accordingly:—

To paragraph 1 add the following note:—
“NOTE.—The advantages granted by the furlough rules of 1854 to officers who obtain furlough on medical service whose regiments, battalions, brigades or batteries arrived in India after the date of the Passage War-rules of 1868, and neither those rules nor the furlough applicable to British officers serving with their regiments or employed with a five years' tenure in staff situations (see para. 4).”

“But officers of the late Indian Army who hold permanent appointments under the Governments of India, and who may have elected to abide by the furlough rules of 1854, in preference to those of 1868, of course retain their election.”

2. For the 3rd clause of paragraph 5 substitute the following as clauses 3 and 4:—

3. Such officers will be allowed an advance of passage money, or free passage in a troopship if proceeding in the troping season, the advance to be refunded on receipt of the balance of furlough pay.

The English rate of pay of their rank only will be passed to them during their leave; but at its conclusion, on their presenting an order for them to return to India, the difference between that rate and furlough pay, less the passage money they have received, will be paid to them in England conditionally on its refund if the order to return to India is not carried out.

G. O. G.,
13th June 1874
No. 146.

4. Those Royal Engineer officers who arrived in India before the 1st July 1872 are, however, not subject to the provisions of the preceding clause as long as they do not exchange Indian for home service, but draw furlough pay during furlough as others.

3. After clause 4 of the same paragraph (para 5) add the following:—

5. An officer of the British service holding a permanent staff employ under the Government who may proceed on furlough under circumstances which involve the forfeiture of his appointment, must obtain the furlough as a British regimental officer, and it will reckon as a portion of the aggregate eight years of furlough on pay to which an officer is restricted during his service by Rule XVI. But, on again becoming permanently employed, he resumes the right of obtaining furlough under these rules.

4. Instead of the concluding sentence of Clause 1 of Rule XXII, following the words “if he possess one,” read:—
“The aggregate staff salary granted to the acting officer in such cases will not be less than Rs. 100 per mensem unless the full staff salary of the post in which he is officiating is less than that sum.”

5. At the end of Rule XXII insert the following note:—
NOTE.—The indulgence granted by § 1 of this rule is only allowed to one directly officiating in the place of the officer absent on furlough, not to one acting in the room of an officer who is himself acting for an absentee on furlough.

NOTE.—The indulgence granted by § 1 of this rule is only allowed to one directly officiating in the place of the officer absent on furlough, not to one acting in the room of an officer who is himself acting for an absentee on furlough.

NOTE (2).—If the officer has not been three years in the Staff Corps, or served three years in India, as the case may be, he will receive “English furlough pay” only, and must vacate his appointment unless entitled to it under Rule II.

NOTE (3).—Unemployed General Officers of the Indian Army who without serving the intervals of three and six years, respectively, prescribed in Rules VIII and IX; and they can remain in Europe after prescribed the full period of furlough allowed during an Officer's service by Rule XVI, (eight years on the whole) on the English furlough pay of their rank.

NOTE.—And a Major-General of the Staff Corps—If he has so much furlough at his credit, and proceeds to England within a year of his being promoted to that rank, or of his ceasing to be employed—

But an officer who may be ordered to return to duty before the completion of his furlough for the purpose of proceeding on Field Service, may be allowed to take the balance of such furlough any time.

IX.—An officer will be eligible for two years' furlough on the completion of eight years' actual service in India (see paragraph 6 of this order); for a third year after a further period of six years' actual service, and for a fourth and fifth year after similar intervals of six years, and so on up to the maximum prescribed in Rule XVI. The grant of furlough to an officer eligible for it will be subject only to the conditions specified in Rules VI and VII. But see notes to this Rule.

2. No furlough, or extension of furlough, if without pay, will reckon as “furlough taken,” in calculating the balance at an officer's credit, as shown in Rule X. But furlough on private affairs under the Rules of 1796 will of course so reckon.

3. The fact of having taken furlough on medical certificate will not affect the grant of the furloughs within the conditions down in Rules VIII and XVI.

4. If an officer appointed to any duty in England draws his Indian allowances, with or without any portion of his staff salary, he can count the period of such employment as service towards furlough; but if he is appointed to an office in England to which a fixed consolidated salary is attached, he cannot reckon the time of such employment as service towards furlough.

NOTE (1).—But an officer of less than eight years' service in India may obtain furlough, not exceeding two years on medical certificate with furlough pay and retention of appointment, provided he has been three years in India.

NOTE (2).—If the officer has not been three years in the Staff Corps, or served three years in India, as the case may be, he will receive “English furlough pay” only, and must vacate his appointment unless entitled to it under Rule II.

continue, after the expiration of the two years' furlough, to receive half his Indian pay until he completes the period of three years during which he would be entitled to draw his Staff Corps pay if he were in India.

X.—An Officer eligible for furlough need not take the whole amount to which his service entitles him, but may apply for any portion thereof as an instalment; and in that case the balance will remain at his credit in any future computation of the amount of furlough for which he may be eligible.

Furlough may be taken by instalments.

Total Service in India	14 years.	Furlough already taken	1 year.
Furlough due on that service	3 "	Balance for which he is eligible	2 years.

2. And who has served 20 years in India without taking furlough is entitled to four years' furlough. He can only take, however, two years at one time carrying pay, the balance remaining at his credit in any future computation of furlough to which he may be entitled. He can take that balance after completing three years' service from the date of his return from the first instalment.

The following letter from the Secretary to the Government of India, Military Department, to the Government of Bombay, No. 581, dated the 9th July 1874, is published for general information, with reference to Rule XI of the Furlough Regulations of 1868:—

“In reply to your letter, No. 2104, dated 5th June 1874, I am directed to acquaint you that, when an officer having less than six months' furlough at his credit, and able to take it, desires to proceed to England on furlough for six months under Rule XI of the Furlough Regulations of 1868, he must take the period which stands at his credit as ordinary furlough under Rule IX, and if he shows that his reasons for completing six months' absence are urgent enough to warrant it, he may be allowed the residue up to six months in all as furlough under Rule XI.”

2. In such case, his return to duty, for the purpose of reckoning the interval of service which must elapse before he can again proceed on furlough on private affairs, or on medical certificate with retention of appointment, will reckon from the termination of the period of furlough which lay at his credit when he left this country.

whole period will be reckoned in the maximum amount of furlough (8 years) allowed by Rule XVI, and no portion of it can form any part of the periods referred to in Rules VIII and XI.

NOTE.—Ill health is not considered as warranting furlough under this rule to any officer who under the provisions of these rules can obtain furlough on medical certificate without forfeiting his appointment.

XII.—Subject to state considerations, there will be no restriction as to the places to which an officer may resort during furlough. But, if he desires to spend in England the rest of a “furlough in India,” or vice versa, he must obtain permission to do so from the Government of his Presidency, or from the Secretary of State for India, as the case may be; and on landing in either country, he must report his arrival of the permission granted him to change his destination. He must also communicate his address. An officer who, on his return to India, reports his debarkation, without forwarding at once a copy of the permission granted him to change his destination, or submitting an application for such permission, will be considered to have returned to his duty.

Steamers, Medical Boards are requested to declare explicitly:—“That an immediate change to England is urgently necessary, and that the case will not admit of delay until a passage in one of the Troop-ships can be provided.”

XIII.—Furlough on medical certificate is obtainable as indicated in Notes (1) and (2) of Rule IX and in Rule XIV. Absence on such furlough for a longer period than two years at one time will involve forfeiture of appointment. [But see Exceptions in Rule II.] Furlough may, however, be extended on medical certificate up to a third year on “English furlough pay,” and an officer on furlough on private affairs, who may be obliged to obtain an extension on medical certificate, will be thenceforward entitled to the same advantages, and subjected to the same disadvantages as to retention of appointment, pay, &c., as if he had originally obtained furlough on medical certificate.

fit for duty before the expiration of two years, he may be granted extension on private affairs up to that limit, provided that he has so much at his credit, and that if he remains he will not be in excess of the established proportion of absentees. Any extension on private affairs of such furlough beyond the said period of two years must be without pay.

§ 3. Any extension on medical certificate of furlough under § 1 of this rule beyond two years or any lesser period which may be at his credit under Rules IX and X will be regarded, in all respects, as furlough on medical certificate (Rule XIII); and if the period of two years should not exhaust the balance of furlough at his credit under Rule X, the period or periods of extension shall be deducted from such balance under the provisions of Rule XIII.

XVI.—The aggregate amount of furlough with pay and retention of appointment on private affairs and on medical certificate, that may be granted to an officer during his service, will be limited to eight years.

NOTE.—The following periods of leave, however, will not be reckoned in this period of eight years:—

§ 1.—Leave without pay.

§ 2.—Sick leave to Europe, or to the Colonies eastward of Cape under the Rules of 1796.

§ 3.—Leave taken under Rule XI, of these Rules, provided it be not extended over the six months.

§ 4.—Leave necessitated by wounds or sickness contracted on active service, and any other leave which may be allowed by proper authority to reckon as service for pension.

§ 5.—In the case of an unemployed officer, periods of residence in England on English pay after promotion to the rank of Major-General, or to the rank of Regimental Colonel in the Royal (late Indian) Artillery and Engineers, or after completion of tour of service as Inspector-General or Deputy Inspector-General of Hospitals, when the officer is no longer required to reside in India.

All other leave to Europe, or out of India for periods exceeding three months (see Rule XXVII), including furlough on medical certificate under the Furlough Rules of 1854, will form part of the period of eight years.

XVII.—If taken in India, furlough will be reckoned from the date of the absentee's quitting his station

Invalid Establishment.

FORT ST. GEORGE, 10th July, 1857.

No. 819 of 1857.—The Right Hon'ble the Governor General of India in Council is pleased, under instructions from the Hon'ble the Court of Directors, to promulgate the following rules to be observed at the three Presidencies for the transfer to the Invalid Establishment, of Officers who may be declared to be unfit for further service:—

1. The Invalid Establishment will consist of
1st—The Invalid Battalion.

For Officers who, although disqualified for further active service, are still equal to the discharge of garrison duties.

2d—The Invalid Pension List.

For Officers disqualified for both active and garrison duties.
2. Officers who, from age, wounds, or decline of health, become unfit for active service, are eligible for transfer to the Invalid Establishment, provided their conduct and habits are such as not to affect the character of that Institution, which is designed as an honorable retreat to the worn out or disabled, but deserving Officers.

The Commander-in-Chief directs it to be notified, that applications from Officers for transfer at their own request to the Invalid Battalion or to the Invalid Pension List, under the provisions of para. 3 of G. O. G. G., No. 819 of 1857, (republished in G. O. G. G., No. 210 of 10th July, 1857,) are required to be addressed under their signature to the Right Honorable the Governor in Council in the manner prescribed in para. 3, Section XXI, General Regulations of the Army.

G. O. G. G., 1st June, 1858, No. 59.

active service but is still equal to the discharge of garrison duties," or that he is "permanently disqualified for the performance of both active and garrison duties," as the case may be.

4. The applicant, if reported equal to the discharge of garrison duties, will then be required to proceed to the Presidency to be finally examined by a Medical Officer to be specially appointed for the purpose, or by a special Medical Committee, as may from time to time be ordered.

5. After this final examination, the report on each case, accompanied by the certificates hereafter specified, is to be forwarded in the usual manner to Army Head Quarters, to be submitted to Government with the opinion of the Commander-in-Chief.

6. In the event of the Commander-in-Chief being led to believe that any Officer's health is so thoroughly lost as to preclude all hope of his being able to perform further active service in India, such Officer shall be directed to appear before the Standing Medical Committee at the Head Quarters of the Division. If the Committee is of opinion that the Officer is permanently disqualified for active Military duties in India, and this opinion is confirmed at the final examination at the Presidency, the Government on receiving a report on the case, which is to be prepared and submitted as directed in paras. 3 to 5, will place the Officer on the Invalid Establishment, notwithstanding that he may not himself have applied to be transferred from the Effective List. Such transfer will, however, be subject to the approval of the Honorable the Court of Directors; and until the receipt of such approval, no promotions will be made in succession to the Officer so placed on the Invalid Establishment.

No. 62 of 1859.—The following Extract from a Military Despatch from the Right Honorable the Secretary of State for India, is published in General Orders:—

Despatch dated 22d December, 1858, No. 47.

Para. 1. If being established by the required medical testimony that Lieutenant Dewar is permanently disqualified for the performance of both active and garrison duties, his removal from the effective List from the date of his embarkation for England is hereby authorized.

G. O. G. G., 1st Feb., 1859.

Report on the state of health of Lieutenant G. T. Dewar, 50th N. L., and authority requested to transfer him to the Invalid Pension List, from the date of his embarkation for England on sick certificate. Lieut. Dewar's time of service, fourteen months and five days, does not entitle him to retiring half pay. On establishing his claim to the benefit of Lord Clive's Fund, he will be admitted to that advantage.

2. You will understand from this decision that no Officer not entitled to a pension under existing Regulations, should be transferred to the Invalid Pension List.

G. O. G. G., No. 406 of 1860, a copy of which is marginally transcribed for facility of reference.

IV.—Warrant officers proceeding to England after being pensioned in India will be provided with the passage money of their rank or free passage under existing rules, but it must be distinctly understood that those who proceed to England after being invalided will have no claim to be re-admitted to the invalid or Indian pension of their rank in the event of their returning to India.

7. All Officers of and below the Regimental rank of Lieutenant-Colonel, whether they may or may not have served the prescribed period for retirement on full pay, may be compulsorily removed to the Invalid Pension List when they may become wholly unfit for any further service, effective and garrison. The examination of Officers in such cases will be conducted in the manner laid down in para. 6.

8. In the event of an Officer failing, from any cause, whether it be leave on sick certificate in India or otherwise, to join an Invalid Battalion, or other Military duty on which he may be ordered, within two years of his transfer to the Invalid Establishment, except he be absent on furlough on sick leave to Europe, or be nominated to some other public duty, he will, at the expiration of that time, be required to appear before the Medical Committee at the Head Quarters of the Division in which he may be residing, for the purpose of being examined as to his continued fitness for garrison duty. If found unfit at such examination, or at any subsequent examination, which is to be repeated at the end of every two years, he will be transferred to the Invalid Pension List.

9. The Pay and Allowances of Officers hereafter transferred to the Invalid Battalion will be—

	Pay and Indian Allowances.	House Rent.	Total.
Lieutenant Colonel.....	547 14 0	100	647 14 0
Major.....	410 14 6	80	490 14 6
Captain.....	249 1 0	50	299 1 0
Lieutenant.....	145 12 0	30	175 12 0
Ensign.....	107 1 11	25	132 1 11

Extra batta will in no case be allowed, whether the Officer be employed within or beyond 200 miles of the Presidency.

10. Officers on the Invalid Pension List will draw the following consolidated allowance:—

Lieutenant Colonel.....	Rupees 200	Captain.....	Per mensem. Rupees 180
Major.....	" 170	Lieutenant and Ensign.....	" 100

Or the rate of full pay pension to which they are entitled at the time of their transfer to the Invalid Pension List.

11. The above rates will be issued as long as the Officers are resident in India. If granted furlough or sick leave out of India, their allowances will be regulated by the rules they may have adopted, but their furlough pay will be according to their rank and for the ordinary duration of such furlough as at present authorized.

12. Officers on the Invalid Establishment are allowed the distinction of wearing the Military uniform. 13. Officers on the Invalid Establishment will retain the rank they held when on the effective strength of the Army, but their transfer will be made only in the rank they held in their Regiments. After removal to the Invalid Establishment, they have no further claim to promotion, but on retirement on full pay, those who may be of, and above, the rank of Captain will receive one step of Brevet rank.

14. Officers on the Invalid Pension List are permitted to reside at any place in India they may choose. No. 132 of 1859.—With reference to G. O. G., No. 810, 10th July, 1857, regarding the transfer to the Invalid Establishment of Officers declared "unfit for further service," the Honorable the Governor in Council, with the sanction of the Government of India, and with advertence to para. 15 of the above G. O. G., is pleased to direct that such Subaltern Officers as may have joined their Battalions, shall receive Passage Money on the terms regulating the allowance to Subalterns of effective Corps.

G. O. G.,
1st April, 1859.

2. Subalterns on the Invalid Pension List shall receive Passage Money only when proceeding to England on retirement from the service, or for the purpose of retiring from the service.

16. Officers on the Invalid Establishment are eligible to hold situations under Government. 17. Officers of the Invalid Battalion may retire on the pension of their rank after the prescribed period of service, or on the pension to which they were entitled on their removal to the Invalid Establishment. Officers on the Invalid Pension List may retire upon the rate of pension to which they were entitled when they joined that Establishment.

The above rules are not to be applied to Officers on the present Invalid Establishment of the three Presidencies.

Promotion of Officers.

G. O. G. G., No. 710 of 20th May, 1859.—His Excellency the Governor General in Council is pleased to direct the publication in General Orders of the following Royal Warrant, received with a letter from the Right Honorable the Secretary of State for India, No. 119, of the 7th April, 1859, prescribing rules under which Combatant Officers are to be recommended for promotion in Her Majesty's Forces:—
Whereas, we have judged it expedient to revise those parts of Our Royal Warrants of the 6th day of October, 1854, and 3rd day of November, 1854, which regulate the promotion and retirement of Combatant Officers in Our Army and Ordnance Corps, Our will and pleasure is, that from the date of this Our Royal Warrant Our Governor General in Council shall govern himself by these Our rules in recommending Combatant Officers for promotion in Our Indian Military Forces.

G. O. G., No. 222
of 3rd June, 1859.

PROMOTION.

1. That the rank of Field-Marshal be given without reference to seniority.
2. That there shall be a fixed establishment of General Officers, viz:—
Generals..... 25 Lieutenant-Generals..... 50 Major-Generals..... 145.
3. That Colonels may be appointed, without regard to seniority, to command as Major-Generals, with temporary rank; and if they shall have conducted themselves to our satisfaction, such temporary rank, after having been held for five years in peace, or for any shorter period in war, may, upon the recommendation of Our Governor General in Council, be made permanent. That the temporary rank of General and Lieutenant-General may also be given, whenever the convenience of the service requires it, and may be made permanent in a similar manner.
4. That every vacancy on the fixed establishment of General Officers shall be filled by the promotion of the senior Colonel qualified to succeed to the rank of Major-General and to be placed on the fixed establishment, under the regulations now in force; or by a supernumerary Major General, as provided in Clause 6.
5. That, in addition to the Colonels promoted by seniority to be Major-Generals and those promoted after having held temporary rank under the Regulation in Clause 3, Colonels shall be eligible for promotion to the rank of Major-General, and Major-Generals to the rank of Lieutenant-General, and Lieutenant-Generals to the rank of General, for distinguished services in the Field.
6. In the case of Officers promoted to the rank of General Officers, as a reward for distinguished service in war, the recommendation, in which the service of the Officers shall be detailed, shall be published in the General Orders of Our Indian Military Forces, and in the London Gazette.
7. That all Colonels promoted to be Major Generals after five years' employment in responsible commands with the temporary rank of Major General under the provisions in Clause 3, and all Colonels promoted to be Major Generals for distinguished service in the Field, shall be placed on a supernumerary list of Major-Generals, and shall not be reckoned as part of the fixed establishment until the time when they would have attained the rank of Major-General by seniority; that is to say, until the Colonel who originally stood next senior on the Colonel's list to the Officer promoted out of his turn has become a Major-General, after which the next vacancy will be filled by the transfer of the supernumerary Major-General, to the fixed establishment. The Major-Generals who have already been promoted out of their turn, and would not yet have succeeded to that rank by seniority, shall be considered as coming under this rule.
8. The supernumerary Major-Generals, when absorbed into the fixed establishment, shall preserve the seniority which they acquired when, after a period of qualifying service with temporary rank they were first confirmed as permanent Major-Generals on the supernumerary list, and shall rise by that seniority to be Lieutenant-Generals in succession. General Officers promoted for distinguished service in the field will take their seniority from the date of their promotion, as stated in the London Gazette.
9. That three separate lists of General Officers be inserted in the Army List of Our Indian Military Forces, the first containing the names of those on the fixed establishment; the second, those who, having been promoted out of their regular turn, are supernumerary to the fixed establishment; and the third, those who have retired from the service with the honorary rank of General Officers.
10. That the rank of Colonel be given to Officers, after serving for five years with the rank of Lieutenant Colonel, in the actual command of Regiments, or for Adjutant-General, Deputy Quarter-Master General, Secretaries to the Government of India in the Military and Public Works Department, Master General, Secretaries to the Governments of Madras and Bombay, to the Chief Commissioners in the Military Department to the Governments of Mysore and Hyderabad; Judge Advocate General, Commissary General, Deputy Commissary General, Inspector General of Ordnance, Superintendent of the Ordnance Manufacturing Department, Chief Engineer, Superintending Engineer, Surveyor-General of India, subject always to the approval of the Governor in Council and Commander-in-Chief of the Presidency to which the Officer belongs.
11. That Regimental Majors, who are Brevet Lieutenant-Colonels, falling into the Command of Regiments in the absence of the Lieutenant-Colonel, shall on attaining the rank of Regimental Lieutenant-Colonel, reckon the period commencing from the completion of the first month of such temporary command, of part of the five years required to qualify for the rank of Colonel.
12. That the rank of Colonel be given to Officers who obtain the rank of Brevet Lieutenant-Colonel, for services in the Field, after eight years of actual service with that rank.
13. That in cases where a Regiment may be so divided as to constitute two distinct commands, and one portion may be under the command of the Regimental Major, who is also a Brevet Lieutenant-Colonel, and in cases where a Brevet Lieutenant-Colonel may be in command of a mixed force of different Corps, and in cases where a Brevet Lieutenant-Colonel may be in command of a mixed force of different Corps, a discretionary power shall be vested in our Commander-in-Chief in India, subject to the approval of Our Governor General of India in Council, to allow such service, or portions of such service, to count as part of the qualifying period for promotion to the rank of Colonel.

12. That Lieutenant-Colonels appointed to Civil situations under Government on or after the date of this Our Royal Warrant shall be promoted to the rank of Colonel after eight years' service in the former rank, provided the nature of the Civil appointment be considered by our Governor General of India in Council and Commander-in-Chief in India calculated to give the Officer such practical experience as may afterwards prove advantageous to the Corps or Service to which he belongs.

13. That Field Officers, commissioned as such before the 20th June, 1854, be allowed to rise by Brevet as heretofore; but no officer promoted to the rank of Field Officer on or after that date, is hereafter to rise from the rank of Lieutenant Colonel to that of Colonel, otherwise than by five or eight years' service in the former rank, as provided in Clause 8, or as a reward for distinguished service, or by appointment to be Queen's Aide-de-Camp—except under the special provisions in Clauses 9, 10, 11 and 12.

14. Lieutenant-Colonels, who held that rank prior to the 20th of June, 1854, shall be promoted by a special Brevet to the rank of Colonel,—commissions to bear date the 28th November, 1854; and such of the said Lieutenant-Colonels as have been passed over by Officers who have attained the rank of Colonel, in conformity with the provisions of Our Royal Warrants of the 6th October and 3rd November, 1854, shall be restored to the respective places which they would have occupied as Colonels, had they been promoted in ordinary succession under the system of periodical Brevets.

15. That promotions shall be made from Captain to Major, and from Major to Lieutenant-Colonel, in succession, as vacancies occur in the Major-General's fixed establishment.

16. That any Captain, Major, or Lieutenant-Colonel may be rewarded by Brevet promotion for distinguished services in the Field.

17. That the commands of General Officers, and other situations on the Staff both at home and abroad, shall not be held for more than five years, unless by re-appointment under special circumstances. Given at Our Court at Windsor, this thirty-first day of January, 1859, in the Twenty-second Year of Our Reign.

By Her Majesty's Command,
STANLEY,

G. O. G. G., No. 1537 of the 15th November, 1859.—The following paragraphs of a Military letter from the Right Honorable the Secretary of State for India, No. 279 of the 19th August, 1859, are published for general information:—

Having submitted to the General Commanding-in-Chief certain questions as raised by your Government in view to ascertain the practice in such cases in Her Majesty's British Army, I have received the following replies:—

Letter from—dated 3rd May, 1859, No. 61, paragraphs 1 to 10 relative to the promotion of Officers to the rank of Colonel under the operation of the Royal Warrants, dated 7th October, 1854 and 14th October, 1858.

Question.

1st. Whether the period occupied by a Lieutenant-Colonel in joining his Regiment or appointment after his return from leave beyond sea should be reckoned in the qualifying period.

"Several similar cases have occurred in Her Majesty's British Army, and it has been ruled that an Officer so circumstanced must serve other two years to complete the period of five years prescribed in the Warrant of October, 1858, and no allowance of time is conceded with reference to the near completion of the three years under the Warrant of October, 1854, when the new Warrant came into operation."

2. The practice in promoting Officers to the rank of Colonel in Her Majesty's Indian Forces must be regulated accordingly.

"Letter from the Secretary to the Government of India, Military Department, No. 1469 of 30th January, 1869, to the Adjutant General.

In requesting you to move His Excellency the Commander-in-Chief to cause the decision of His Royal Highness the Field Marshal Commanding-in-Chief, submitted with your No. 78C, dated 4th instant, in regard to the application of the term "temporary leave of absence" (in para. 2 of the Secretary of State's No. 254* dated the 16th July, 1868,) to be published in His Excellency's General Orders,

I am desired to suggest that, in order to prevent any misapprehension, it should be at the same time pointed out that the 'furlough to Europe,' reckons as service for the rank of Colonel under the five years' rule only when the Major and Brevet Lieutenant-Colonel holds a qualifying Staff appointment, and not when he is in Command of a Regiment.

Letter from the Military Secretary, Horse Guards, dated 17th November, 1868, to the Commander-in-Chief in India.

Having submitted to the Field Marshal Commanding-in-Chief your letter of the 26th September last, I am directed to intimate to your Excellency that His Royal Highness considers that the term 'temporary leave of absence,' used in the Secretary of State's Despatch quoted by you should be held to include 'Furlough to Europe,' in calculating the service for Colonel of a Major and Brevet Lieutenant-Colonel holding a qualifying Staff appointment.

From H. M.'s Secretary of State for India, to the Right Hon'ble the Governor General of India in Council, No. 27, dated 30th January, 1864.

Sir,—Referring to my Despatch dated 31st December, 1863, No. 446 on the subject of promotion to the rank of Colonel under the 8th Clause of the Royal Warrant of the 31st January, 1859, I have to inform you, that a communication now received from the Horse Guards states that the Secretary of State for War has brought to the notice of the Field Marshal Commanding-in-Chief that the qualifying period in the rank of Lieutenant-Colonel previously to obtaining the rank of Colonel was extended from three to five years, with the express view that no deductions from that period were to be made on account of leave of absence. His Royal Highness in consequence sees the necessity of rectifying the position of all Colonels promoted since October, 1858, who may have had their promotion retarded by the practice of limiting the leave of absence to fifteen months in the five years.

2. A similar course is to be adopted by your Government with respect to all Colonels of Her Majesty's Indian Forces promoted under the Royal Warrant of 31st January, 1859, whose promotion may have been retarded, under the restriction with regard to leave of absence published in General Order, dated 18th September, 1860, No. 940.

Under instructions from the Right Hon'ble the Secretary of State for India, concurred in by His Royal Highness the Field Marshal Commanding-in-Chief, His Excellency the Governor General in Council is pleased to notify, with reference to Government General Order, No. 740, dated 20th May, 1859, that the time passed by a Major and Brevet Lieutenant Colonel in proceeding from the command of one regiment to that of another, the removal having been ordered on public grounds, is to count in full for promotion to the rank of Colonel, under Clause 9, of the Royal Warrant of the 31st January, 1859.

No. 14 of 1864.—The following paragraphs of a Military letter from the Right Honorable the Secretary of State for India, No. 408 of the 30th November 1863, are published for general information:—

I have received and considered in Council the Military letter from the Governor General, dated 29th August last, No. 80A, on the subject of the adoption, as regards Major-Generals of the Staff Corps, of the provisions of the Royal Warrant of 5th November, 1860, which modifies, in favor of Officers promoted for service in the field, Clause 27 of the Royal Promotion Warrant of the 14th October, 1858.

2. Previously to the receipt of his Lordship's letter, I had determined that the time passed by an Officer on leave of absence, rendered necessary by ill-health contracted on service, or in consequence of a wound received in action, shall be allowed to count towards the six years' service in the substantive rank of Field Officer required by the rule laid down in my Despatch dated 3rd December, 1861, No. 467 (19), to entitle an Officer of the rank of Major-General to the unattached pay of that rank. Colonel C. Read, C. B., Aide-de-Camp to the Queen, is to have the benefit of this alteration.

3. I now authorize you to introduce the rule sanctioned in the Royal Warrant of 5th November, 1860, and to declare an Officer of the Staff Corps who has been, or shall be hereafter, promoted to the rank of Field Officer by brevet for service in the field, who shall continue to serve uninterruptedly, on full pay, from the date of his promotion by brevet to the date of his obtaining the rank of Major-General, to be entitled to the unattached pay of that rank, notwithstanding he may not have served six years with the regimental rank of Field Officer with a Regiment, or in one of the situations specified in Clause 8 of the Royal Warrant of 31st January, 1859.

Fort William, the 10th February, 1864.

No. 117 of 1864.—The following Military letter from the Right Honorable the Secretary of State for India is published for general information:—

From Her Majesty's Secretary of State for India, to the Right Hon'ble the Governor General of India in Council, No. 445, dated 31st December, 1863.

SIR,—I have received and considered in Council your Excellency's Military letter* No. 56A, dated 29th July, 1863, forwarding applications from the Officers Commanding the Guide Corps, 1st and 2nd Punjab Cavalry, and

* Separate. 2nd Punjab Infantry, soliciting that the period passed in command of Regiments of the Punjab Irregular Force may be considered as qualifying an Officer for promotion in the rank of Colonel, in like manner as such command counts in Native Regiments of any description under the orders of His Excellency the Commander-in-Chief.

2. My attention has been already drawn to this subject by your proceedings in the Military Department, Nos. 214 and 215 of the 5th March last, wherein it appears that the

claim of a Lieutenant Colonel of the Bombay Army to promotion under the Warrant was considered subject to the inquiry as to whether the Regiment he commanded was or was not under the orders of the Commander-in-Chief; and I was, prior to the receipt of the Governor General's letter now under acknowledgment, in communication with His Royal Highness the Commanding-in-Chief on the subject.

3. I observe that the wording of my reply to the inquiry contained in the 7th paragraph of your letter, No. 83 of 17th June, 1859, may have led to a misapprehension of the intention of Her Majesty's Government, and of His Royal Highness the Field Marshal Commanding-in-Chief upon this point.

4. In the paragraph referred to, your Government desired "to be informed whether the command of Irregular and Local Regiments is to be still considered as qualifying for promotion to the rank of Colonel;" and a reference having been made to the General Commanding-in-Chief on this subject, it was stated in reply, "That His Royal Highness considers that the command of Local or Irregular Regiments, if held by an Officer with the rank of Lieutenant-Colonel, may qualify for the rank of Colonel under the provisions of the Warrant."

5. There were, however, two descriptions of Native Forces, with a Regimental organization, viz., the 1st Military, consisting of Regiments, employed on duties of a strictly Military character; and 2nd, the Police, consisting of Irregular bodies, which, though having a Military organization, were ordinarily employed upon Civil and Police duties.

6. It was not intended that the command of a Corps of the latter description should qualify for promotion under the 8th Clause of the Royal Warrant, and it was with a view of drawing a distinction between the two descriptions of Force to which I have referred, that the words "under the orders of the Commander-in-Chief," which did not occur either in your letter or in that of the Military Secretary to His Royal Highness, but which were adopted as expressing in a few words the distinction which it was intended to make, were inserted in my reply to your reference.

7. While the object of the distinction was to exclude Officers of Police Battalions from the operation of the 8th Clause of the Warrant, it was not intended to exclude from the privilege conferred by it, Officers Commanding Regiments of a strictly Military character, whether serving directly under the Commander-in-Chief, or placed, for reasons of State policy, under the Civil Government.

8. I request, therefore, that the terms of your Order, No. 39 of 1859, which would seem to exclude from the benefit of Clause 8 of the Royal Warrant, Officers Commanding Regiments or Forces of the latter description, may be modified, and that the rule, as now explained, may be applied, with retrospective effect, to such Officers as may be already entitled to promotion to the rank of Colonel under its provisions.

9. Under the operation of this order, the Punjab Force, the Hyderabad Contingent, and all such bodies of Troops will be considered as forming a portion of the Standing Army, and Officers serving with those Forces will be entitled to all the privileges regarding promotion granted to the Officers of the Army at large, by the usage of the service, or under the provisions of the Royal Warrant.

No. 118 of 1864.—The following Military letter from the Right Honorable the Secretary of State for India, is published for general information:—

From Her Majesty's Secretary of State for India, to the Right Hon'ble the Governor General of India in Council, No. 446, dated 31st December, 1863.

SIR.—With reference to my Despatch, No. 436 of 25th November, 1862, I have to inform you that the rule laid down in a Circular from the Horse Guards, No. 61 of the 24th August 1860, extends to all Officers holding the rank of Captain regimentally with the Brevet rank of Lieutenant Colonel, who may be serving in positions qualifying for promotion to the rank of Colonel, under the 8th Clause of the Royal Warrant of 31st January, 1859.

2. It is therefore to be considered as applying to Officers of that rank holding the command of Regiments in the Indian Army.

3. A Captain and Brevet Lieutenant Colonel appointed to the command of a Regiment before the publication in General Order of the Horse Guards' Circular of the 24th August, 1860, count his period of command as qualifying service for the rank of Colonel, but a Captain and Brevet Lieutenant Colonel appointed to a similar Command subsequent to the publication, would not so count it.

No. 58 of 1865.—The following Military letter from the Right Honorable the Secretary of State for India, No. 377, dated the 25th November, 1864, and the Abstract of Rulings therein referred to, are published for general information:—

The principle of the Rules will apply to Officers of the Indian Army holding qualifying appointments as well as to Officers of the Staff Corps, similarly situated and whose promotion to the rank of Colonel is not provided for under paragraph 2 of the Staff Corps Warrant:—

To His Excellency the Right Hon'ble the Governor-General of India in Council.

SIR,—With reference to my Despatch, No. 27, dated 30th January, 1864, I have to acquaint you that as it has been determined that no deduction from the period of five years' service qualifying for the rank of Colonel is to be made on account of leave of absence taken by Lieutenant Colonels generally, the same rule is to be made to apply to the promotion of Lieutenant Colonels of the Staff Corps, under the Royal Warrant of 18th January, 1861.

I have, &c., (Signed) C. WOOD.

No. 689, dated 2d July 1875.—Under the authority of the Right Honorable the Secretary of State for India, it is hereby notified that an unemployed officer of the Indian Army with the substantive rank of Lieutenant-Colonel qualifying for promotion under clause b, paragraph 13, of the Royal Warrant, dated the 21st December 1871, published in G. G.

G. O., 29th July 1875, No. 85.

O. No. 224 of the 6th March 1872, will not, should he obtain employment, and thereby qualify by the five years' rule under clause c of that paragraph, be allowed to count any portion of his unemployed time as service for promotion to the rank of Colonel by brevet under the five years' rule.

G. O. G., No. 222 of 15th March, 1864.—With reference to Government General Orders noted in the margin, the following Military letter from the Right Honorable the Secretary of State for India is published for general information:—

No. 1074, 26th November, 1861.
No. 494, 2nd May, 1862.

From H. M.'s Secretary of State for India, to the Right Honorable the Governor-General of India in Council, No. 26, dated 30th January, 1864.

SIR,—My letter dated 8th October, 1861, No. 389, informed you that it had been determined that Officers holding the rank of Colonel and Lieutenant Colonel regimentally in the Royal Artillery were not, in future, to be seconded when holding Civil situations. My Despatch of the 24th March, 1862, No. 124, further informed you that the Supernumerary Lieutenant Colonels of the Royal Artillery were to be absorbed into the Regiment as vacancies occurred, and directed that a similar rule should be established with regard to the Indian Brigades.

2. Circumstances have hitherto prevented the carrying out this intention in the Royal Artillery, and the measure has, in consequence, been suspended, as respects the Indian Artillery also.

3. I am now informed that it is determined that the absorption of the Supernumerary Field Officers of the old Brigades shall commence on the 1st April, next, and that with this prospect in view, the Field Marshal Commanding-in-Chief has commenced the discontinuance of the practice of placing Field Officers of Artillery on the Supernumerary list.

4. The absorption of the Field Officers in the new Brigades will not be commenced until the process is completed in the old Brigades, but no Field Officers of either Brigade will be placed on the Supernumerary list after this date.

5. It is understood that the absorption of the Field Officers will be affected in the manner indicated in my letter, dated 24th March, 1862, No. 124, by making only one promotion for every three vacancies.

The following extract from G. O. by the Government of India, is re-published:—
Simla, the 8th May, 1867.

No. 494 of 1867.—The following paragraph of a Military letter from the Right Hon'ble the Secretary of State for India, No. 90, dated 30th March, 1867, is published for general information:—

Para.—Referring to the Despatch to your Government, dated 25th November, 1864, No. 377, and to the General Order* issued by you, in consequence, on the 18th January, 1865,†

* No. 58, dated 13th January, 1865.
† Madras G. O. G., 27th January, 1865, No. 44.

I have to inform you that it is stated in a letter now received from the Horse Guards that it has been decided that the command of the mixed force of different corps, referred to in No. 17 of the rulings notified in your General Order, must be held "in the field," to entitle a Brevet Lieutenant-Colonel to reckon such command under the five years' rule.

PROMOTION TO COLONEL—QUALIFYING SERVICE.

No. 586 of 1867.—The following Despatch from the Right Hon'ble the Secretary of State for India, is published for general information:—

MILITARY.
No. 119.
INDIA OFFICE;
London, the 25th April, 1867.

To His Excellency the Right Hon'ble the Governor-General of India in Council.

SIR,—Para. 1. With your Military letter, No. 39, dated 28th February, paragraph 2, you transmit correspondence relative to qualifying service for promotion of Majors and Brevet Lieutenant-Colonels under the Royal Warrant of 31st January, 1859.

2. As the Commander-in-Chief considers the point raised open to question, you state you are desirous of being informed whether the decision contained in your Officializing Secretary's letter No. 339, dated 11th February, is accurate, viz., that no portion of the time passed on leave by a Major and Brevet Lieutenant-Colonel (for field service) Commanding a Regiment, can count as qualifying service for promotion to Colonel, under the provisions of Clause 10 of the Royal Warrant of 31st January, 1859.

3. The clause referred to is as follows:—

"That the rank of Colonel be given to Officers who obtain the rank of Brevet Lieutenant-Colonel for services in the field after eight years of actual service with that rank."

4. When the period qualifying the Lieutenant-Colonel for the rank of Colonel, which had been fixed by the Royal Warrant of 1854 at three and six years respectively, was raised by the Warrant of 1858 to the periods of five and eight years it was understood that no deductions from the extended periods were to be made on account of leaves of absence. It was subsequently determined (July 1860) that in respect of Lieutenant-Colonels in India, a limit should be placed "on the period of absence to be reckoned as part of the five years qualifying for promotion to Colonel; and that fifteen months, being one-fourth of the whole period of five years, will be the term allowed, exclusive of leave obtained on medical certificate in consequence of wounds received in action."

G. O. G., 14th June 1867, No. 250.

* Madras G. O. G., 19th March 1872, p. 45.

† " 28th September 1872, p. 176.

5. This Regulation was to apply both to Her Majesty's British and Indian Forces serving in India.

6. Very shortly afterwards your Government were informed that, on a reference to the General Commanding-in-Chief, it had been ruled that leave of absence taken by a Brevet Lieutenant-Colonel who had obtained that rank for service in the field, was to reckon as part of the eight years' service required, under the Warrant of 31st January, 1859, to qualify for the rank of Colonel. This decision was published in orders by your Government on the 21st September, 1860.

7. You were informed recently that the practice under which leave of absence had been deducted from the five years' qualifying period, was to cease; and that the Field Marshal Commanding-in-Chief had seen the necessity of rectifying the position of all Colonels promoted since October, 1858, who might have had their promotion retarded by the practice of limiting the leave of absence to fifteen months in the five years.

8. Your Government were directed to adopt a similar course in respect to the Colonels of Her Majesty's Indian Forces.

9. Your Government will thus observe that, although a limit was at one time placed on the leave of absence to be taken by a Lieutenant-Colonel qualifying under the five years rule, it has at no time been intended that any deduction on account of leave of absence should be made from the service of the Brevet Lieutenant-Colonel qualifying under the eight years rule, under Clause 10 of the Royal Warrant. The only qualification required under this Clause is, that an Officer should continue to serve on full pay for the period of eight years from the date on which he obtained the rank of Lieutenant-Colonel for service in the field.

10. The questions put by Sir William Mansfield to your Government, were as follows:—

1st.—Whether the period passed on leave by a Major and Brevet Lieutenant-Colonel Commanding a Native Regiment, is to be reckoned under Clause 10 of the Royal Warrant of 31st January, 1859?

2nd.—Whether leave of absence, which has been allowed to count as service for pension, is to be deducted from the qualifying service of Captains and Majors holding command of regiments with the army rank of Lieutenant Colonel?

11. With regard to these questions I have to remark as follows:—

12. Under the decision communicated to your Government on the dates noted in the margin, the command of Native Regiments held by substantive Majors being Brevet Lieutenant-Colonels, is to qualify for promotion to the rank of Colonel under the five years rule, in accordance with the provisions of Clause 9 of the Royal Warrant. Under the rulings of the Secretary of State for War, published in Orders in India on 13th January, 1865, in respect to Clause 9, a regimental Major being a Brevet Lieutenant-Colonel, can only count the period he actually held command of a regiment towards the five years. On ceasing to exercise the command, he would, if a Brevet Lieutenant-Colonel for service in action, be in the same position as the Captain and Brevet Lieutenant-Colonel referred to in Sir Charles Wood's Despatch of the 17th November, 1864, No. 356, paragraph 5, that is, he would revert to the 10th Clause of the Warrant whilst on leave. The decision of the Field Marshal Commanding-in-Chief to this effect was communicated to you in Lord de Grey's Despatch, dated 31st May, 1866, No. 115. In this Despatch you were informed that, by the rules which govern the promotion of Officers of the British Service, the period during which an Officer, not a substantive Lieutenant-Colonel, is absent from his command on any account whatever, can only be allowed to reckon as qualifying for the rank of Colonel under the eight years rule.

13. The privilege under which leave of absence is, in certain cases, allowed to count as service for pension, relates to retirement on full pay only, and has no bearing on promotion under the Royal Warrants.

I have, &c.,

(Signed) STAFFORD H. NORTHCOTE.

6. Temporary rank and command as General, Lieutenant-General, or Major-General, may for the convenience of Our Service, be conferred, without regard to seniority, on Lieutenant-Generals, Major-Generals, or Colonels respectively; and if the Officer during the continuance of such temporary rank and command shall have conducted himself to Our satisfaction, the rank so held may, upon the recommendation of Our Governor-General in Council be converted into permanent rank after having been held for five years in time of peace or for any shorter period in the field during war. A Colonel who shall vacate an appointment as temporary Major-General, and whose temporary rank shall not have been made permanent, may, upon the recommendation of Our Governor-General in Council, be made an honorary Major-General, and shall retain that rank until he succeeds to the establishment in virtue of his seniority on the list of Colonels.

8. An Officer not below the rank of Colonel, promoted after temporary service in a higher rank, or for distinguished service in the field, shall be borne as supernumerary, and shall not be placed on the establishment in his new rank until the time when he would have attained such rank by seniority, that is to say, when the surviving Officer who stood next senior on the list to the Officer promoted under clause 6 or 7, shall have attained the same rank on the establishment, the next vacancy shall be filled by the transfer of the supernumerary General Officer to the establishment.

9. A supernumerary Major-General, who has been promoted after temporary service, and absorbed, under clause 8, into the establishment, shall have seniority according to the date of his permanent rank as Major-General, and shall rise to be Lieutenant-General and General, whether before or after his absorption into the establishment, in accordance with that seniority. A supernumerary General Officer who has been promoted for distinguished service in the field, and absorbed under clause 8, shall take his seniority from the date of his promotion as published in the *London Gazette*.

11. On the occurrence of a vacancy in the fixed number of General Officers on the Indian list, specified in clause 3 of this Warrant, whether among those who remain effective on that list, or among those whose names are merely retained in italics, and who shall be considered as forming part of the said fixed establishment, the name of the Senior Officer in each grade on the Indian list below that in which the vacancy may occur (with the exception of the grade of Lieutenant-Colonel,) shall be moved up to the next higher grade; but in case of the Officers whose names remain in italics, there shall be no actual promotion, the arrangement being limited to the transfer of the names for the purpose of regulating the promotion of those Officers who remain effective on the Indian list; and the promotion of an effective Colonel on the Indian List to the rank of Major-General shall in no case be affected by casualties among the General Officers of the Staff Corps, until the number of General Officers to be added to the British Establishment under clause 24 of Our said Royal Warrant of the 27th of December, 1870 shall be complete.

12. The rank of Brigadier-General shall be local or temporary only.

Director of Garrison Instruction qualifies for the rank of Colonel under the 5 years' rule, also for the unattached pay of General Officer.

Under instructions from the Right Honorable the Secretary of State for India, and in accordance with the rule which obtains in the British Army, mixed qualifying periods of service for promotion to the rank of Colonel when there happen to be fractions of days will be computed as follows;—

The five years will be considered as completed if the number of days, together with the fractions of days, amount to more than 1,825½ days, but another day's service will be required if the fraction in the total is only equal to, or less than, half a day.

No. 234 of 6th March, 1872.—The following paragraphs of a Military letter from the Right Hon'ble the Secretary of State for India, No. 11 of the 18th January, 1872, and the Royal Warrant* therein referred to, are published for general information;—

Para. 1.—In your letter, No. 311, dated 26th September, 1871, you express your concurrence in the proposals made in my Despatch of 13th January, 1869, for regulating the Army promotion of Officers of the local service from the time that the 10th and two following clauses of the Royal Warrant of 13th June, 1864 should come into operation.

2. In order to carry these proposals into effect, a Royal Warrant, dated 21st December, 1871, has been issued, 20 copies of which are forwarded herewith, as well as copy of correspondence* with the War Office on the subject. You will observe that opportunity has been taken to consolidate the various Regulations in existence with respect to the promotion of the Officers of Her Majesty's Indian Forces.

3. It will rest with your Government to keep the necessary lists, and to notify the promotions or removals of the names of Officers from rank to rank, as the case may be, in succession to vacancies caused by the deaths of General Officers, up to the rank of Lieutenant-Colonel. The promotions amongst the General Officers, and from the rank of Colonel to that of Major-General, will be made, as heretofore, in this country.

4. On occasions when no actual promotion in or to General rank takes place, but a name in italics is removed from one grade to another, no notification will be made in the *London Gazette*; but I consider it advisable that the fact should be published in your local Orders. For this purpose, you will be kept duly informed of all vacancies, and of the alterations in the list occasioned by them.

5. On the death of Lieutenant-General Sir G. I. Jameson on the 24th October, 1871, clauses 10, 11 and 12 of the Warrant of 15th June, 1864, came into operation. The Senior Colonel of the British Army became a Major-General. The Staff Corps Officers were transferred to the Imperial List,† and, under the provisions of the Warrant now forwarded, the name of Colonel Salmon, of the Bombay Staff Corps, was placed in italics in the position of Junior Major-General on the India List.

67. These Corps will be denominated the Bengal, Madras and Bombay Staff Corps respectively, and will consist of such Officers as may be required for employment therein, and may be selected by the Governments of the several Presidencies, with the approbation of the Secretary of State for India in Council.

Royal Warrant, Clause 2, Despatch 27, para. 6.

69. Officers at present holding Civil and Political appointments of every description, and appointments in all Public Offices and Departments; Officers holding Military appointments on the General and Personal Staff, and the appointments of Commandant, second in Command, and Adjutant of Irregular and Local Corps; of Adjutant and Interpreter and Quarter Master of existing Local European and Native Regiments, will be held to be now on Staff employ, and will be eligible, under the conditions hereafter noted, to have their names placed on the list of the Staff Corps; but Officers doing duty with Irregular and Local Regiments will not be regarded as being now in Staff employ.

70. So soon as the proposed changes in the organization of the Regular Native Regiments shall have come into operation, the whole of the Officers who will be permanently attached to them will be held to be on Staff employ.

Despatch 27, para. 6.

71. There will then be, as at present, two great divisions of employment for Officers of the Staff Corps:—

1st. Purely Military, as in Regiments of the Native Army.

2nd. Various Civil appointments, as Political, Public Works, &c.

There will also be practically many sub-divisions of employment, for each of which there will be as at present, separate Departmental Lists.

72. Officers of the Indian Army now holding Staff appointments of any description, will have the option of joining the Staff Corps if they do not possess the substantive rank of Colonel, or of continuing in the Staff employment, whatever their Regimental rank, without joining the Staff Corps; and in the latter case they will not, as heretofore, be required to vacate their appointments on the attainment of a certain Regimental rank. This paragraph does not affect the provisions of paragraph 45.

Royal Warrant, Clause 2, Despatch 27, paras. 13, 17.

73. Officers of the Indian Army not now on the Staff, nor having the substantive rank of Colonel, but who within the last three years, or who, at the commencement of their present unexpired Furlough, may have served permanently on the Staff, and who may make application within the next six months, will be considered eligible to join the Staff Corps on the same terms as those now on Staff employ; provided always that they have passed the prescribed examination in Hindoostanee, and that they did not lose their appointments through misconduct, and are not otherwise disqualified.

Royal Warrant, Clause 2, Despatch 27, para. 26.

74. Officers of the British Army, now in Staff employment, will have the option of declaring their desire to be transferred to the Staff Corps, with the consent of the Commanders-in-Chief in India, within six months from the date of the notification of the Royal Warrant in India; or of retaining their appointments on their present footing, if their services are required by Government, for the unexpired portion of a period of five years from the date of their appointment, unless the Regiments to which they belong shall be previously removed from the Indian Establishment.

Despatch 27, para. 16.

75. Those whose tenure of Staff appointments, at the time of transfer to the Staff Corps, shall have exceeded one year, will not be subjected to probation, or to any introductory test other than those already prescribed for any department in which they may be serving; but Officers who may have held their appointment for less than one year will not be transferred permanently to the Staff Corps unless they possess the requisite qualifications, to be hereafter laid down, and shall have completed the period of probation to be prescribed. The option of joining the Staff Corps will be open to those Officers only who may be considered by the Governments under which they are serving to be in all respects fit for the Staff Corps.

Royal Warrant, Clause 2, Despatch 27, paras. 18, 19.

of the General and other Officers employed upon the Staff of the Army."

77. Officers now holding such appointments will not be required to vacate them for a period of two years from this date, or a period of seven years from the date of their appointment.

78. Officers not having the substantive rank of Colonel, now holding appointments on the Staff, as defined in paragraph 69, will at once be called upon to declare whether or not they desire to join the Staff Corps, to enable such Officers to avail themselves of the advantages in the way of promotion, notified in paragraphs 84 and 85, they must communicate their decision to the Adjutant General within six months of the date of publication of the Royal Warrant in India.

79. The selection of Officers hereafter, for the Staff Corps, will rest with the Governments in India but no Officer serving with any Regiment, will be admitted on probation without the consent of the Commander-in-Chief, or without a certificate from the Commanding Officer of his Regiment, that he has efficiently performed his Regimental duty for the period prescribed in paragraph 80.

80. For the future, Officers not on the Staff will not be eligible for the Staff Corps unless they be below the rank of Regimental Field Officer, and have served three years with a Regiment, of which two must have been in India, and have passed the prescribed examination in Hindoostanee. They will not be permanently appointed to the Staff Corps, unless, after due probation, they shall pass the prescribed tests for the branch of the Indian Service for which they may be selected. This rule applies equally to Officers of the British and Indian Armies.

81. A subsequent notification will prescribe the period of probation and the test of qualification in the several Departments.

82. The promotion of officers while on probation will go on in their respective Regiments.

83. Officers of the British Army when permanently transferred to the Staff Corps will be removed from the strength of the Regiment to which they belonged.

84. The promotion of Officers to the Staff Corps will be regulated as follows:—

Royal Warrant, Clause 3, paras. 1 and 2. Ensigns, when permanently transferred to the Staff Corps, will have the rank of Lieutenant. Other Officers will have the rank which they may hold in their Regiments.

Officers of twelve years' service, of which four must have been in the Staff Corps, will become Captains. After twenty years' service, of which six must have been in the Staff Corps, they will become Majors. After twenty-six years' service, of which eight must have been in the Staff Corps, they will become Lieutenant-Colonels.

Five years' service in the Staff Corps as Lieutenant-Colonel, will entitle the Officer so employed to the Brevet rank of Colonel.

85. Officers now in Staff employment will be allowed to count, to the extent laid down in the Royal Warrant, as noted in the preceding paragraph, their past service towards promotion, as if it had been performed in the Staff Corps. One step of rank will be given to every Officer whose period of service would qualify him for it according to the above rules, an interval of two years at least must intervene between each succeeding step. But these privileges will be restricted to those Officers who, whether now in India, or on leave out of India, may declare their desire to be transferred to the Staff Corps within six months of the date of the notification of the Warrant in India.

Royal Warrant, Clause 2.

Despatch 27, para. 26. 86. The Officers referred to in paragraph 73, will also be allowed this privilege, should they be permitted to join the Staff Corps.

Royal Warrant, Clause 3, para. 3. 87. The past service on the Staff, counting for promotion in the Staff Corps, will include any service of a permanent nature which an Officer now on the Staff may, from the date of his first arrival in India, have passed on the Staff.

88. Officers of the Staff Corps under the substantive rank of Field Officer, will be allowed to exchange with Regimental Officers of the line of the same rank, on the recommendation of the Governments of the several Presidencies, with the concurrence of the Government of India and the Commander-in-Chief in India, and subject to the confirmation of Her Majesty.

But it is to be understood that the Regimental Officer entering the Staff Corps by exchange will not necessarily assume the Staff appointment held by the Officer with whom he exchanges. He will merely enter the Staff Corps on being found qualified for the department of the Staff on which the Government may desire to employ him. Officers of the Staff Corps exchanging into a Regiment, will become the Juniors of their Regimental rank.

89. An Officer of the Staff Corps whose name is borne in the Cadre of an Indian Regiment, exchanging from the Staff Corps with an Officer of a British Regiment other than the new Line Regiments, about to be formed, will give an effective step in the Cadre of his former Regiment.

90. It will be discretionary with the Governments in India, as at present to employ the Officers of the Staff Corps, in such manner as they may think best, in the situations for which their respective qualifications may render them most fitted. The appointments and promotions in the several

76. Appointments on the General Staff of the Army specified in the margin, can only be held for five years: they may be held by Officers of the Staff Corps, or by other Officers of either Army, but will be subject henceforward to the limitations as to rank, which are laid down in "the Queen's Regulations and Orders for the Army," in Clauses 30 to 33 of the Section entitled "Duties of the Staff of the Army."

Departments will rest, as at present, with the Governments in India, and will be made irrespectively of the rank which the Officer may hold in the Staff Corps. Those appointments, promotions, and recommendations now in the gift of the Commander-in-Chief remain as heretofore.

Despatch 27, para. 28. 91. Officers of the Staff Corps of one Presidency may, with the sanction of the Government of India, be employed in any other Presidency.

92. Unattached Officers of the Indian Service are eligible for the Staff Corps on the same terms as other Indian Officers.

93. Officers of the Staff Corps while on furlough will draw the pay of their rank, as laid down in the Clause of the Royal Warrant for Officers out of India, and in case of sickness will have the privilege of drawing for six months the allowances of Officers on sick leave in India. They will be allowed to retain their appointments during short periods of leave, not exceeding twenty months, during which time they will only receive the unemployed pay of their rank. With the above exceptions the Officers of the Staff Corps will be under the New Furlough Regulations of the Indian Army.

94. A certain proportion of the Senior Officers of the Staff Corps will receive Colonel's allowance. Eventually the number will be fixed in the proportion of one for every thirty Officers on the Staff Corps, but this number can only be filled up as the establishment of Colonels on the old footing diminishes, so that the aggregate number of Officers receiving Colonel's allowance for each Presidency never exceed the regulated number of Colonel's allowance.

95. Officers of Her Majesty's Indian Forces joining the Staff Corps, will be entitled to pensions under the Regulations of the Indian Service. Officers of the British Army, entering the Staff Corps, will be allowed to retire on the following scale of pension, provided that not less than half of the required periods of service shall have been passed in the Staff Corps:

		SCALE.		£. s. d.	
After 20 years' service in India.				per annum.	
" 28 "	" "	191 12 0		"	
" 32 "	" "	365 0 0		"	
" 32 "	" "	456 5 0		"	

These periods of Service will include the proportions of leave of absence in India or elsewhere laid down in the New Furlough Regulations, viz:—

2 years in 20 years' service.	
3 " 25 "	
4 " 30 "	

96. All Officers of the Staff Corps in England who may not wish to retire, but are unable to return to India, and Officers removed from the effective list of the Staff Corps who may not be entitled to retire on the above scale of pension, may, provided they have served three years in India in the Staff Corps, be placed on a half-pay list, on the same rate of half-pay and on the same conditions as Officers of a similar rank in the British Army. Officers belonging to the Indian Forces who may avail themselves of this privilege will give an effective step in the Cadres of their Regiments. Officers placed on half-pay will be eligible to return to effective service, either in the Staff Corps or in the Regimental the Line. In the former case their names will not be restored to their old Cadres.

97. No unemployed General Officer of the Staff Corps, who is not required by the Governments in India to remain there, will be allowed to receive pay on the Indian scale for a longer period than three years. At the expiration of that period he will be restricted to the pay fixed for Officers of his rank "out of India." This rule in no way affects the Colonel's allowance.

Despatch 27, para. 33. 98. Officers of the Staff Corps under the rank of Major-General, whom the Government of India may not see fit to employ in any capacity, will not be allowed to draw pay for more than four years, of which one year may be on the Indian Scale, and three years on the scale fixed for Officers "out of India" after which period they will be placed on half-pay, or on pension according to the scale of their rank, if entitled thereto.

Despatch 27, para. 33. 99. The pay of Officers of the Staff Corps whilst unemployed has been fixed at the following rates:—

	Whilst required to remain in India.		Out of India.	
	Per Mensem.		Per Diem.	
General Officers.....	Rs 1,295	5 0	£1 5 0	
Brevet-Colonel and Lieutenant-Colonel.....	" 827	14 0	1 0 0	
Major.....	" 640	14 0	0 16 0	
Captain.....	" 374	1 6	0 10 6	
Lieutenant.....	" 225	12 0	0 6 6	

100. The pay and allowances to be established for the several Staff appointments, in all departments of Staff employ, will be announced in a subsequent notification, and meanwhile the Staff salary and other allowances of all appointments will remain unchanged.

Despatch 27, para. 23. 101. Officers of the Staff Corps are eligible for Brevet Rank, and will take their places on the General Gradation List in common with the rest of the Army. Those holding Military appointments will take Military Command according to their Army rank, but Officers whilst holding only

Civil appointments will not be entitled to assume such command. Civil appointments are those in any Civil branch of the Army, or under the Civil administration of Government.

102. Officers of the Staff Corps will succeed to Colonel's allowance according to their seniority as Lieutenant-Colonels in the Staff Corps. Lieutenant-Colonels entering the Staff Corps on its first establishment will take rank for Colonel's allowance according to the dates of their Commissions as substantive Lieutenant-Colonels. All Officers entering the Staff Corps will take with them the substantive rank they held at the same time of joining it. Should two Officers of the same rank enter the Staff Corps, and be promoted on the same day, they will stand in the Corps according to the dates of their previous substantive Commissions. But Officers of the Staff Corps will take precedence and exercise command among each other according to their Army Rank.

103. All promotions in the Staff Corps, in the case of Officers who may join the Staff Corps within six months of the publication of the Royal Warrant, will take effect from the 18th February, 1861, the date of the receipt of the warrant in India.

Royal Warrant, Clause 7.

104. The power of removing Officers from the effective list of the Staff Corps will be exercised by Her Majesty through the Secretary of State for India.

105. The provisions of paragraph 90 are also applicable to appointments in the Ordnance, Survey, and Public Works Department.

(Signed) R. J. H. BIRCH, Major General, Secretary to the Govt. of India.

No. 825 of 1861.—The following paragraphs of a Military Letter from the Right Hon'ble the Secretary of State for India, No. 318, dated 10th August, 1861, are published for general information:—

Para. 1.—It appears to me that paragraph 98 of your General Order does not accurately express the intentions of Her Majesty's Government, and is liable to misapprehensions on the part of the Officers of the Army. The words "Officers of the Staff Corps, under the rank of Major-General, whom the Governments of India may not see fit to employ in any capacity," used in the paragraph, would appear to contemplate Officers whom the Indian Governments, in point of fact, considered to be unfit for employment. Such Officers ought to be removed from the Staff Corps under the authority specified in the 7th paragraph of the Staff Warrant and placed upon half-pay or pension under the provisions of the 10th paragraph of the same Warrant.

2. The directions contained in paragraph 33 of my Despatch, No. 27 of January, 1861, were intended to apply not to Officers unfit for employment, "whom the Governments of India may not see fit to employ in any capacity," but to Officers who are perfectly fit for employment, but who, from circumstances of one kind or another, may be out of employment, for example, such as those who, in consequence of having overstayed the prescribed limit of absence, with retention of appointment, may find themselves, on their return to India, out of employment.

3. I proceed, therefore, to give you more precise directions on this subject.

4. Such Officers are, on their return to India, to be placed on the rate of pay specified, for their respective ranks, in the Staff Warrant for Officers "while required to remain in India," and they will retain this rate of pay for a year, before the expiration of which I expect that you will have an opportunity of placing them in some suitable situation. This it will be your duty to do at the earliest period, so that the revenues of India may not be charged for more unemployed Officers than is inevitable under the circumstances at the time.

5. If, however, no opportunity should occur within the year of placing such an Officer in a situation that you consider suited to him, you are authorized to continue such allowance until a suitable opening can be found.

6. I desire, however, that every such case shall be forthwith reported to me, and that a quarterly list of all such unemployed Officers in India, at the date of their return to India, may be punctually transmitted to me.

7. You will modify the 98th paragraph of your General Order in accordance herewith.

No. 826 of 1861.—With reference to the foregoing Despatch, paragraph 98 of the General Order, No. 332, dated 10th of April, 1861, is cancelled, and the following is substituted for it:—

98. Officers of the Staff Corps under the rank of Major-General, who may be considered unfit for employment, will be removed from the Staff Corps under the authority specified in the 7th paragraph of the Royal Warrant, and placed upon half-pay or pension under the provisions of the 10th paragraph of the same Warrant.

Officers who are perfectly fit for employment, but who, from any circumstances, as, for example from having exceeded the prescribed limit of leave of absence, with retention of appointment, may be out of employment, will, on their return to India, be placed on the rates of pay specified in the Royal Warrant for Officers respectively "while required to remain in India," and such rates of pay they will retain for one year, within which time it will be the duty of the Government of India to find suitable employment for them if possible, but failing in this, the allowances above noted will be continued until an opening for employing them can be found.

No. 469 of 1866.—The following Extract from General Orders by the Government of India, is re-published:—

Fort William, the 15th December, 1866.

No. 1062 of 1866.—Under the authority of the Right Honorable the Secretary of State for India, His Excellency the Governor General in Council is pleased to notify that Officers joining the Staff Corps under Government General Order No. 808* of the 26th September, 1866, will not be liable to be placed on half-pay under Government General Order No. 826† of 17th September, 1861, upon any grounds, other than such as would have justified their removal from the effective strength of the Army had they not joined the Staff Corps.

Revised Table of Staff Salaries.

Fort Saint George, 6th November, 1863.

No. 392 of 1863. The following Extracts from General Orders by the Government of India, are re-published:—

Simla, the 13th October, 1863.

No. 156A of 1863.—Under the authority and direction of the Right Hon'ble the Secretary of State for India, as conveyed in his Despatch, No. 311, dated the 31st August last, a revised Table of Staff Salaries for the three Presidencies is published, and the Extracts of Sir Charles Wood's Despatch on the subject, as given below, are promulgated for general information.

2. Officers whose appointments are not specified in the Table of Revised Salaries will draw pay as at present, and further orders will hereafter be issued with respect to the Office Establishment of those Staff Officers who have hitherto drawn an Office allowance, such as Assistants Adjutant General of Divisions and Majors of Brigade.

3. With reference to paragraph 29 of Sir C. Wood's Despatch, it is announced that the Despatch was received by His Excellency the Governor General on the 30th September. Increased pay were granted by this order is therefore claimable for the month of September.

Para. 1.—"Your several letters noted in the margin, relating to the salaries to be attached to Offices held by Military Officers in India, have been under my consideration in Council, and I have now to communicate to your Lordship the decision which, after an attentive perusal of the several papers which accompanied your letter, Her Majesty's Government have arrived at upon this subject.

2. The Committee of Secretaries appointed by your Government to consider the subject, have gone very carefully into the whole question, and have submitted a very valuable Report, which has greatly tended to facilitate and simplify the consideration of this important matter.

3. They observe of the Royal Warrant for the formation of the Staff Corps in India that, after fixing the scale of pay to be received by Officers attached to them while in India, and when out of India, it further provides that every Officer when in active employment will also receive, in addition to the above pay, such a sum as will make his total pay and allowances up to the sum assigned by the Government of India, with the approval of the Secretary of State for India in Council, as the Consolidated pay of the office which he may hold.

4. Having consulted the several Governments, as well as the Chief Political and Military Officers of the Government, the Committee propose for adoption the following principles:—

1st.—That the salaries of Military Officers holding appointments connected with the Civil administration of the country should be consolidated and fixed without reference to the rank of the incumbent.

2nd.—That in the case of Military Officers in staff employ, a certain Salary should be fixed for every appointment, and that the incumbent should receive such fixed salary in addition to the Staff Corps pay of his rank.

3rd.—That this latter principle should apply to the Department of Public Works.

5. I concur generally in the principles here laid down, with some exceptions to be hereafter pointed out, as regards the Officers in Military Staff employ.

10. I have considered it necessary to deviate in some respects from the rates of salary proposed by the Committee, and I now forward, for the information of your Government, a Table of salaries which Her Majesty's Government have resolved upon, for the several Offices enumerated in their report.

11. You will observe from the Table that, while adhering generally to the principle of allotting a Staff salary in addition to Staff Corps pay, it has been determined to fix the salaries of some few of the higher Offices at a consolidated sum.

12. In the case of the other appointments it is to be understood that the Staff salary now fixed, plus the Staff Corps pay due to the Officer's rank, will constitute the maximum amount to be drawn by an Officer of that rank holding the office in question, whether such Officer belonging to the Staff Corps or not. In the case of appointments held by Officers belonging to Her Majesty's British Forces, such maximum amount will include any pay or half-pay that may be paid to them in England.

13. I approve of the rule proposed by the Committee that in all cases where any allowance for "Office" is made, as in the case of Assistants Adjutant General, Brigade Majors, and others, it should be distinctly understood that the allowance is to be drawn only by Officers actually discharging the duties of the appointment, and that no further charge can be allowed for providing an office.

14. It is desirable that, whenever possible, the Public Offices should be located in public buildings and it should be a standing rule that all bills for Office allowance should be supported by a Certificate from the proper authority, that no public building was available for such office.

15. I am of opinion, however, that Office Establishment should, as a general rule, be maintained according to a regulated scale, and should be paid on abstracts, supported by the usual Monthly Muster Roll.

18. The principle laid down in the 4th Clause of the same paragraph has, you will perceive, been observed in the rate of salary allotted to the heads and Subordinate Members of Departments at the several Presidencies; but I have extended to the Deputies of the Army Department at Head Quarters in Bengal the benefit of the rule which gives to the Chief of those Departments a higher rate of salary than at Madras or Bombay.

Colonel.....	Rs. 125	19. In the 2nd Clause of the 10th paragraph, the Committee observe "that, referring generally to the expensive rates of living in Presidency Towns, we think that the principle of allowing house rent may be generally adopted at the rates marginally shown, and we would recommend that it should be made applicable to the Presidency Town of Madras, as well as to Calcutta and Bombay."
Major.....	100	
Captain.....	75	
Lieutenant.....	40	

20. I approve of the proposed scale, which will apply to officers at each Presidency not drawing consolidated salaries.

29. The scale of salaries now sanctioned, will be brought into operation and made to apply in all cases where there is no reduction in the present aggregate salary, on the payment due on the first of the month succeeding the receipt of this order.

30. Reduction of salaries effected by this order are not to be made to effect present permanent incumbents, or those who are officiating for such permanent incumbents, being temporarily absent from their duties—Native Corps.

4. Separate orders will be issued regarding the Staff salaries to be allowed to officers serving with

The Secretary of State's Despatch having been received on the 14th December, 1863, increased pay where granted by this order, is claimable for the month of December.

No. 157 A of 1863.—His Excellency the Governor General is pleased to publish the following extracts of a Despatch from the Right Hon'ble the Secretary of State for India, No. 311, dated 31st August, 1863, regarding the absentee and acting allowances of Military Officers in Civil employ, the provisions of which are applicable to all the Presidencies.

Para. 31.—With your Despatch, No. 23, in the Financial Department, you forward a further Report from the Committee of Secretaries regarding the absentee and acting allowances of Military Officers in Civil employ, with a note thereon by your Financial Secretary.

Para. 32.—You concur generally in the recommendations of the Secretaries, with the amendments noted by the Financial Secretary, and propose the adoption of the following principles:—

- 1st.—That every Military Officer in Civil employ, when on leave should draw pay under the Military Rules; and
- 2nd.—That every Military Officer when acting in any Civil appointment should draw his Civil pay under the Civil Rules.

Para. 33.—Upon these two principles you propose the following Rules for the Officer on leave:—

A Military Officer in Civil employ on leave, either in India or in England, shall draw precisely the pay which he would be entitled to draw under the Military Leave Rules, except when on privilege leave as hereafter specially provided.

Such pay shall be provided from the Civil Department excepting only in cases where the allowances so drawn would exceed the entire Civil pay of the appointment, when the excess will be paid by the Military Department. The Staff salary of any Officer shall be held to be the difference between the Indian pay and allowances of his rank and the full salary of his permanent appointment.

Para. 34.—For the Acting Officer your Government proposed the following Rules:—

A Military Officer acting for another in Civil employ shall draw deputation allowance under the rule by which the allowance is granted to Covenanted Civil Servants.

If the Officer be in Military Staff employ, such deputation allowance will be given in addition to his Military pay, and allowances, plus half the Staff pay of his substantive appointment.

If the Officer hold no substantive Staff appointment, Civil or Military, it will be given in addition to his Military pay and allowances.

A Military Officer in Civil employ performing the duties of his substantive appointment, and at the same time officiating in another, is entitled to his substantive salary, and in addition to a deputation allowance of 20 and 10 per cent. on the Staff salary of the appointment in which he is officiating, provided the pay of the substantive appointment with the addition of the deputation allowance, does not exceed the pay of the higher appointment.

A Subordinate acting for his principal or for any other Officer at the same Station, is not entitled to deputation allowance for the first month while so acting, unless he is required to act on two occasions within brief period (say twelve months), in which case he draws deputation allowance for the whole period during which he may have held the appointment in excess of one month as if he had acted continuously.

A Military Officer proceeding from one Civil appointment to another, shall be allowed to draw, during the authorized period of transit, out of the salary of the office he is about to join, a sum equal to that of his previous situation. This Rule to be preceded by an Order making the Civil Rules for joining time applicable to Military Officers in Civil employ.

A Military Officer in Civil employ can take three months' cumulative privilege leave (under the Civil Rules only) but he must earn it by thirty-three months' continuous service in the Civil Department alone.

Para. 35.—These several Rules are approved of.

CORRECTED

TO THE

31ST MARCH, 1878.

CAMP MEEAN MEER, THE 29TH OCTOBER, 1863.

No. 161A of 1863.—In continuation of General Order, No. 156A of the 13th Instant, the annexed scale of Staff salaries hereafter to be allowed to Officers serving with Native Regiments under the new organization is published for general information, and with reference to this scale an extract (paragraphs 23, 24, 25, 26, 27, 28, 29 and 30) of Sir Charles Wood's Despatch, No. 311 of the 31st August last, is also published for information and guidance.

2. Detailed instructions will be issued by His Excellency the Commander-in-Chief for the guidance of Officers serving with Native Corps under the new organization, and the present system of payment of Troops and Companies and for repair of Arms, &c., will continue until a further order is issued by Government on the subject, the same Officers as at present drawing any allowances now authorized for the payment of Companies and repair of Arms.

The new system of placing European Officers in charge of Squadrons and Wings will, in all other respects, be brought into operation as soon as His Excellency the Commander-in-Chief can issue the necessary subsidiary order.

3. The Despatch of the Secretary of State having been received by the Right Hon'ble the Governor-General on the 30th ultimo, increased pay is claimable from 1st September by Commandants, Adjutants, and Doing Duty Officers, as well as Seconds in Command of Cavalry; but when higher pay may accrue from Masters, such increased pay will only become due from the date of Officers assuming charge of the duties of such new appointments under the orders of the Commander-in-Chief.

4. With reference to paragraph 26 of Sir Charles Wood's Despatch, instructions will hereafter be issued as to the scale of Office Establishment to be maintained by Adjutants. Meanwhile the allowance of Rupees 50 per mensem will be passed.

5. The pay now authorized is to be drawn in addition to Staff Corps pay only.

6. The rules now laid down are applicable to such Corps under their Excellencies the Commanders-in-Chief of the Bengal and Bombay Armies as now are or may hereafter be placed on the new organization, and to the Punjab Irregular Force.

In other Irregular Corps no alteration is made in the Establishment, position or duties of Officers, but Commandants, Adjutants, Seconds in Command, and Doing Duty Officers are entitled to the increased pay.

7. The Corps of Regular Infantry on the Bengal Establishment will, under the orders of the Commander-in-Chief, be placed on the new organization from the 1st January next.

Future Establishment of Officers for Corps of Native Cavalry and Infantry on the new organization.

Extract, Secretary of State's letter, No. 311, dated 31st August, 1863, paragraphs 23 to 30.

Para. 23. I have given much careful consideration to these proposals.

24. I am of opinion that the salaries attached to these Regimental appointments should be such as to place them at least on a footing of equality with the average of the Staff appointments commonly held by Officers of similar rank and standing in the service, and while they should not be so far superior to the latter as to induce those to seek them whose natural tastes and qualifications might not otherwise incline them to this important branch of the Service, it is important, on the other hand, that young Officers, who, on first joining the Staff Corps, will frequently be employed with Native Troops, should not, if naturally, fitted for Military Service, be tempted to relinquish it by the attraction of superior emoluments of other staff employments.

25. With these principles in view, and making due allowance for the advantages enjoyed by Staff Corps Officers in regard to promotion, and the comparatively early period at which they will attain the pay for the higher ranks, I am willing to sanction the scale of Staff allowance proposed by your Government for the Officers serving in different capacities with Native Regiments, which, though liberal, will probably not be found excessive.

26. In the case of the Regimental Adjutant, however, it appears desirable that an Office Establishment should be prescribed, which should be maintained and paid upon Abstracts supported by the usual Muster Rolls.

27. I learn from your Despatch, No. 10, dated 3rd January, 1863, that you have completed the Native Regiments in Bengal to six regularly, attached and paid European Officers; exclusive of the Medical Officers, as announced in your General Order of the 12th December 1862, it being distinctly understood that the appointments made under that decision are held subject to such modifications as may be found necessary on receipt of my further instructions on the general question, and that you have authorized the Government of Bombay to extend the rule to such Regiments in that Presidency as are formed and officered according to the new organization.

28. I approve of these proceedings and shall await the result of your reference to the Government of Madras upon the introduction of the New system into the Army, of that Presidency.

29. The scale of salaries now sanctioned will be brought into operation and made to apply in all cases where there is no reduction in the present aggregate salary on the payment due on the 1st of the month succeeding the receipt of this Order.

30. Reductions of salaries effected by this Order are not to be made to affect present permanent incumbents, or those who are officiating for such permanent incumbents being temporarily absent from their duties.

HOME REMITTANCES.

European Commissioned and Warrant Officers are permitted to make Family Remittances to Europe to the following extent, for the benefit only of their Parents, Wives, Children, Brothers and Sisters, Fathers or Mothers-in-law, Brothers or Sisters-in-law:—

Major General.....	£ 400 per annum.	Lieutenant & Assistant Surgeon ..	70 per annum.
Brigadier General.....	400 "	Cornet and Ensign.....	50 "
Colonel.....	300 "	Deputy Commissaries.....	50 "
Lieutenant Colonel.....	200 "	Asst. & Depy. Assistant ditto....	40 "
Major and Chaplain.....	150 "	Conductor and Riding Master....	30 "
Capt. Surgeon & Asst. Chaplain ..	100 "	Sub-Conductor.....	20 "

The rate of Exchange is fixed annually. Officers on the Pension Establishment are not entitled to the indulgence.

The above remittances are effected quarterly, reckoning the year from 1st April to 31st March, and cannot be remitted in advance; for instance, no party can remit during the 1st quarter, more than one quarter of the amount exhibited above. During the 2nd quarter, more than half the amount, provided he may not have already remitted for the 1st quarter. During the 3rd quarter, more than three-fourths of the amount, provided also that he may have not remitted for the two previous quarters, and during the 4th quarter, more than the established amount under the above proviso, and no arrears of remittances can be allowed beyond the official year.

Officers if they prefer it, can pay the amount into a Public Treasury, instead of having the sum deducted from their pay bills, but the payment into the Treasury must be accompanied by authority from a Paymaster for its reception into such Treasury.

In conformity with a recent ruling of the Government of India, it is hereby notified that the restriction imposed in para. 2 of G. O. G., No. 198, dated 7th May, 1867, in regard to the Home Remittances of Officers, is withdrawn, and such Remittances may hereafter be made to the full amount within the annual limit of the Officer's rank, in one sum or by instalments, at any time within the official year.

Article 1290. Add—"Passage by private steamer will not be granted during the troopship season to an officer who may be urgently ordered home on duty, unless it be specially stated in the order that he is to proceed at once by private steamer without waiting for the sailing of the next troopship."

Article 1527. In the fourth line, for the word "establishment" substitute the words "actual effective strength," and add the following at the end of the article:—

"The authorized established strength of a corps must not be exceeded by the enlistment of boys: when the effective strength may be in excess of the established strength, no enlistment of boys will be permitted except when the necessity therefor is clearly proved, and then only with the sanction of the Commander-in-Chief of the presidency concerned—each case being reported to the Government of India."

Article 1547 is cancelled, and the following substituted:—

Army Circular of 1877, Clause 58. "1547. A soldier who takes his discharge on the expiration of the first term of his limited engagement, on or after the 1st June, 1877, will not be permitted to re-enter the army."

In the margin of Article 1144 enter, as an additional authority, "G. O., No. 252 of 1877."

Article 343, Clause (d). To the note of this clause add—
"In no case shall the same duffadar or havildar obtain this prize for two years in succession; the holder of the prize may still compete annually, and if found the best instructor, can, after being 12 months without the reward, be again recommended for it."

Article 423-a. Add the following additional clause:—

"Bullock-train passages may, in the absence of railway communication, be provided for Native commissioned officers required to proceed to a distant station, when the urgency of the duty will not admit of their marching fifteen miles a day: in the absence of bullock train, the most inexpensive mode of conveyance will be adopted, horse or dooly dāk being only allowed in very exceptional cases when no other cheaper carriage is procurable."

Article 472. Insert the following at the end of the article:—

"NOTE.—Degradation from a higher to a lower class of an officer's grade on account of stupidity, infirmity or physical inefficiency, does not debar him from attaining the superior pension, nor does such degradation come within the signification of blemished character."

Article 659, page 139. The 1st degree injury pension for men of and above fifteen years' service should be, for tinal Rupees 7-2-0, for tent and store lascars and bheestie Rupees 3-12-0 a month.

G., No. 550 of 1872, which is hereby cancelled, His Excellency the Governor-General in Council is pleased to direct the publication of the following rules for the disposal of arms, ammunition and stores in possession of British troops returning to England, which rules are to be strictly observed in future:—

Royal Artillery.

1. Batteries of Horse and Field Artillery are to take home with them their 24 carbines, 1 set of accoutrements, 1 haversack, and 1 kit bag per man embarked; also 1 sword and scabbard per man, and trumpeter.

6. All regiments and batteries returning to England will take with them the whole of their regimental stores connected with personal equipment and armourer's tools, making their own arrangements for disposing of their workshop tools. They will also take home the appointments appertaining to trumpeters, drummers and pioneers, together with such musical instruments as are the property of Government. 40 rounds of ammunition per small arm will be taken by regiments of Infantry, and 20 rounds by regiments of Cavalry and batteries of Royal Artillery, to the port of embarkation, and will there be returned into store, as ammunition is provided on board Her Majesty's Indian troopships.

9. When a battery or regiment under orders for England is about to leave its station, the officer commanding the station will convene a committee of experienced officers, of which the officer commanding the battery or regiment shall be President or Member, to survey the equipment and stores which are to be returned as above into ordnance store as well as those to be taken to England. The reports of the equipments to be returned into store will be sent to the Ordnance Office, Calcutta, Madras, or Poona, as the case may be. The reports of the equipments to be taken to England will be prepared in triplicate, and of these one copy will remain with the officer commanding, for delivery on arrival, to the authorities at the War Office, or at the Colony, or other British possession to which the troops may be proceeding. REGIMENTAL APPOINTMENTS—OFFICERS.

G. O. G., No. 911 of 1st December, 1877.—With reference to General Order by the Government of India, No. 3 of 1877, His Grace the Governor in Council is pleased to direct that Officers serving in Native Regiments below the rank of squadron and wing commander be graded according to length of regimental service; but this rule is to be subject to modification when Army Rank, and the public interests, call for special consideration.

2. The cases of officers now on staff and detached employ, and who are not borne on the rolls of a regiment, but who must necessarily hereafter be posted to Corps, will be specially dealt with.

3. Officers will hereafter take rank and precedence regimentally according to their regimental position, and temporary appointments in Native Regiments will, in the same manner, be regulated by the regimental position of officers.

4. Officers nominated to Army or Personal Staff appointments tenable for fixed periods will be seconded. An officer thus seconded will continue to hold his position in the regiment, will be eligible for promotion as if present with it, and revert to his regimental appointment on the expiration of his tour of Staff service.

5. The appointments of commandant and squadron and wing commander are only to be held, except in special cases, by officers of or above the rank of Captain. The appointments of adjutant and quartermaster are only to be held permanently by subaltern officers, and are to be vacated on the promotion of the incumbent to the rank of Captain. A subaltern thus promoted may however, under special sanction, if there is no qualified subaltern, wing or squadron officer in the Corps, be allowed to retain his appointment provisionally until a duly qualified subaltern officer is available in the regiment.

6. Wing and squadron officers on promotion to the substantive rank of Major will not, in future, be required to vacate their regimental appointments.

N.B.—Para. 5 does not necessarily affect present incumbents holding the appointment of adjutant and quartermaster, until the Captains vacate on attaining the rank of Major, on promotion in the regiment, or on completion of the five years' tenure of appointment.

9. In measuring for trowsers for mounted corps, the man will be measured from the fork to the sole of the boot, and two inches additional allowed in the length.

2. FITTING OF KNEE-BOOTS.

10. Knee-boots issued to men of the Cavalry, Royal Horse, and Royal Artillery, should be sufficiently large in the heel and instep measurements, to admit of their being easily drawn on or taken off when wet.

11. To ensure this, each man should be measured from heel to instep, and the boots issued to him should be one inch larger in the heel and instep than such measurement; for instance, a boot measuring $14\frac{1}{2}$ inches inside measure round the heel and instep, should be given to a man who measures but $13\frac{1}{2}$ inches.

ARMY REGULATIONS.

G. O. C. C., No. 99 of 26th June, 1877.—The following additions are made to para. 1144, Army Regulations :—

1144-A.—Each Regiment of Native Cavalry is allowed two veterinary pupils, who are to be enlisted by commanding officers subject to the approval of the Commander-in-Chief under the following regulations.

The establishment is open to all European and East Indian lads desirous of entering the service, preference being always given to the orphan sons (or to the sons) of men of good character who have been or now are in the service.

Each candidate to produce a certificate of parentage and age, and to pass an examination before the regimental recruit committee in the following particulars :—

1. Physical fitness for military duty.
2. Reading English, and writing the same legibly.
3. First four rules of arithmetic.
4. Colloquial knowledge of Hindustani.

1144-B.—During the first two years of their service veterinary pupils are to be exclusively attached to the sick lines and kept under the immediate instruction of the veterinary surgeon, under whose orders they are also to attend at the shoeing shed. They are to be examined in presence of the commanding officer half-yearly in January and July, and no veterinary pupil is to be promoted to farrier except on a certificate in the following form to be entered in the monthly return and signed by the veterinary surgeon :—

"Certified that veterinary pupil A. B. has been carefully examined by me, and that I consider him to be perfectly qualified and eligible for promotion to farrier."

1144-C.—Any pupil who at the expiration of two years may not have qualified himself for promotion is to be reported to head-quarters for discharge. Pupils who may at any intermediate period be found incompetent, or ineligible in consequence of intemperate habits are also to be reported to head-quarters for discharge.

1144-D.—Veterinary pupils are to be held responsible for all instruments in their charge and are to be put under stoppages not exceeding half their pay to replace any that may be lost or injured, a report being previously made to the Adjutant-General for submission to the Commander-in-Chief. Farriers who carelessly lose or injure veterinary instruments must be dealt with by court martial or they may be permitted to replace them under the provisions of para. 1251.

1144-E.—Farriers and veterinary pupils are entitled to receive quilts under the provisions of G. O. C. C., 15th November, 1859, page 788, and 11th February 1860, No. 86, as allowed to Europeans.

ORDNANCE ORGANIZATION.

No. 100.—Under instructions from the Government of India, the Commander-in-Chief directs that the following recommendations of the Special Ordnance Commission be published in view to their being carried into effect :—

Indents or Requisitions.

That equipment tables be published, showing the number and periods of service of all stores forming the equipment of the several branches of the army.

That demands for stores be put forward by corps twice a year; in the spring for service ammunition, and in the spring and autumn for stores to complete or repair equipment.

That indents for authorized stores be sent direct by corps to Commissaries of Ordnance for check and issue of stores.

That other than emergent demands for unauthorized stores be submitted to the Inspector-General of Ordnance, and that emergent indents be dealt with as heretofore.

Contracts.

That local purchases of stores be regulated as to quantities, by estimates based on averages of the previous five years' consumption; that contracts be made for definite quantities, provision being made for the supply of any excess quantity required, and be paid for by the Ordnance Department.

Condemnation and disposal of unserviceable Stores.

That the system of regimental condemnation be abolished; that all stores on which report is required be submitted to garrison boards of officers; and that when practicable, the services of an ordnance officer on such boards be obtained.

That the period of service be the minimum time for stores to be kept in use, but that the mere fact of their having served the prescribed time shall not be a reason for condemnation, which can only be justified by unfitness of the stores for further use.

That stores be never rejected on account of obsolete pattern or inferior quality, in the latter case they should be issued on the responsibility of the Commissary of Ordnance, and brought into use for such period as they may continue serviceable, a garrison board recording their condition at the time of issue, for the protection of the corps.

ARMY REGULATIONS.

No. 101.—The following addition is made to para. 2801 :—

C., 6th February, 1873, blank forms of reports on Veterinary Surgeons will be forwarded by the Adjutant-General with the annual supply of confidential and inspection reports, to general officers commanding divisions, or other inspecting officers, by whom they will be retransmitted to the Adjutant-General with these reports.

After reference to the inspecting veterinary surgeon for observations, these reports will be forwarded by the Adjutant-General direct to the veterinary departmental authorities in England.

MUSKETRY—ARMOURERS.

No. 109.—The following General Order, by His Excellency the Commander-in-Chief in India, is republished:—

Simla, 16th May, 1877, No. 98.—The following instructions for Armourers for the care, repair, &c., of the Martini-Henry Rifle (Mark II), as per Army Circulars, dated War Office, 1st January, 1877, and Clause 49, dated 1st April, 1877, are published, and are to be entered as paragraph 442-A of the Indian Appendix to the British Musketry Regulations:—

Three extra copies, pocket edition size, printed on one side only, and arranged to fit into the Appendix to the British Musketry Regulations, will be issued to all British Corps, one to every brigade and battery of Royal Artillery, and one to all Staff Officers and departments in the three Presidencies.

1. Instructions for Armourers for the care, repair, &c., of the Martini-Henry Rifle (Mark II) are issued herewith to all concerned.

2. Clause 116, Army Circulars, 1875, para. 442, Indian Appendix, remain in force for actions marked I.

INSTRUCTIONS FOR ARMOURERS, FOR THE CARE, REPAIR, &c., OF THE MARTINI-HENRY RIFLE* (MARK II) WITH ACTIONS HAVING THE MODIFIED COMPONENT PARTS, 1876.

1. All parts connected with the breech action should be kept perfectly clean, but all cutting substances, such as emery, sandpaper, &c., are to be strictly avoided in cleaning. The buff stick must not be used to any part of the action.

2. Oil only should be used in cleaning the parts.

3. Care must be taken not to injure the face of the block, in cleaning, especially the striker hole.

4. A damp rag, flannel or tow, is all that is usually required to clean the barrel out. If much water is used, it is liable to run into the action. The butt should be raised when washing out. After washing out, an oily rag or flannel should be used. On many occasions the oily material may be found to be efficacious without the previous use of water.

Directions for stripping the Action.

1. Close the action.
2. Knock out the block axis pin by placing adrift on the slit-head of the pin, first removing any dirt there may be in the slit.
3. Depress lever, and hold down front end of block with left thumb, close the lever, and the block will spring out.
4. Take out block, turn the curve in keeper screw fair with the curve in the stop nut, unscrew the stop nut; the striker and main spring will then fall out.
5. Turn the keeper screw head of lever axis fair with axis hole, press out axis pin, and take out the tumbler.

* These instructions relate to actions having the modified components, 1876; for arms of the earlier pattern (Mark I), the instructions dated August, 1875, remain in force.

6. Turn out extractor axis screw, and remove extractor, trigger guard, and lever.
7. Turn out the screw holding the trigger spring, and take out the spring.
8. Turn out axis screw of trigger, take out trigger.

Directions for stripping Furniture, Barrel and Stock.

9. Draw cleaning rod, first turning the rod so that the clam is against the rod-holder. The rod will then draw straight out; and in no case is the rod-head to be pulled with any force away from the barrel.
10. Remove upper band and barrel stud pins.
11. Partly unturn band screws and take off bands. The lower band stop pin should not be removed.
12. Drive fore end of stock off barrel stud at breech end with wood drift.
13. Take off butt plate.
14. Turn out stock bolt, and take off butt of stock.
15. Grip barrel in gun-metal clam, the under clam to receive the barrel stud. Unscrew body with breech wrench (in no case should this be attempted without previously removing the extractor).

Oil should be applied to the following parts of the Martini action occasionally:—

Knuckle and knuckle seat of block.
Axis pin of block.
Lever ends and seat in block.
Lever and tumbler axis.
Trigger axis.
Trigger nose and spring.
Extractor axis.
Main spring, striker.
Stop-nut and tumbler.

Directions for assembling Action, Barrel, Stock and Furniture.

1. Grip-barrel in gun-metal clam, screw on body until the flat on the barrel is at right angles to the sides of the body, for which purpose use the breeching square.
2. Replace butt of stock, observing that the stock bolt washer is in its place in the stock butt, screw up stock bolt.
3. Screw on butt plate.
4. Slide fore end of stock on barrel stud.
5. Replace bands and turn home band screws.
6. Replace upper band pin.
7. Replace barrel stud pin.
8. Replace cleaning rod. When the rod is in its proper position, the clam is away from the rod-holder.
9. Place trigger in guard, and screw up axis screw.
10. Replace trigger spring, taking care that the nose of the trigger spring is under the trigger; screw in the trigger spring screw.
11. Place lever and tumbler in trigger guard, slide guard with lever and tumbler into the body, and replace axis pin with indicator pointing upwards, in the direction of the block axis pin, and screw round keeper screw head to its proper bedding.
12. Replace extractor and turn in axis screw.
13. Place striker in block and drop in main spring, screw home stop nut, and turn keeper screw head into its bedding.
14. Turn striker round until the wider side of slot is downwards.
15. Place the block in body with the front end lowest; hold the lever with right hand, the thumb pressing the indicator forward, the trigger being pressed back by the forefinger; press hard on the knuckle of block with the heel of the left hand to force it into its seat; at the same time depress and work the lever to get the tumbler into the slot in the striker.
16. Compress the sides of the block axis pin, preparatory to placing it in the body. Place it in the body.

Replacing Components.

1st. LOADING POSITION.—If the block be too high, the bearing surface at A of the lever may be depressed by means of a punch to the breadth of the corresponding surface on the tumbler. If an adjustment of more than .01 of an inch is required, a new lever should be fitted.

2nd. Should the block be too low, an amount not to exceed .01" may be added to the bearing surface at A by carefully drawing out the metal at that point; but should more than .01" be required (which will rarely, if ever, be the case), a new lever should be fitted.

3rd. FIRING POSITION.—When the block is in the firing position, should the striker strike the cap too high, an amount not exceeding .01" taken off the bearing surface of the lever horns at B will be sufficient to rectify the error.

4th. Should the striker strike the cap too low, the horns of the lever may be drawn out between the lines indicated at D not to exceed .01", care being taken not to spread the horns or set them out of position at C.

EXTRACTOR.—When the block is at the loading position the point A should be just free from the underside of the block.

When the block is depressed to the lowest position it should bear on point *B*, holding the extractor firm; but should the lever at *E* touch the guard so as to prevent the block doing this, the guard may be filed to allow the lever to be clear.

The point *D* should be on the trigger when the extractor is at its lowest position; if it will not bed down, the fault must be looked for on the head of the trigger spring screw; if this stands too high, it should be filed flat.

TRIGGER.—In replacing a trigger, the nose must not be touched in making the pull-off, but the adjustment made by altering the angle of tumbler bent by scraping the face.

TRIGGER SPRING.—In replacing a trigger spring care must be taken that the head of the screw beds well down on the spring, and that the point does not bear on the guard swivel screw.

GUARD.—In replacing guard, it should be placed in the body and the indicator fixed in position—notice that the guard drops freely into the body without side pressure; if the extractor axis hole is not fair in both guard and body, file the nib resting on front of body, if required, run in $\frac{1}{4}$ " tap to regulate the hole, and put in axis screw. See that the indicator is perfectly free to revolve.

TUMBLER.—In replacing a tumbler, it should pass firmly on to, but not to be driven hard upon the squares of the axis pin; it should also work freely between the horns of the lever.

INDICATOR.—Remarks same as upon tumbler.

LEVER.—In replacing a lever the bearings at point *A* should be free when the lever is depressed; otherwise it prevents the block from having its full fall.

The end of the lever must be set to drop freely into the lever catch block: care must also be taken that the lever beds on its seat at the under side of socket end of body.

The levers issued with the spare parts are for short butts—they will require setting for long block; the levers for short butts are issued in preference to levers for long butts, as the adjustment required by the former to fit them to long butts is more simple than to adjust a lever for a long butt to a short butt.

STRIKER.—When replacing, care must be taken that the larger part of the slot is downwards. **EXAMINATION OF STRIKERS.**—For this purpose a service cartridge will be prepared as follows:—

Remove the bullet, wad, &c., from a service cartridge, and shake out the powder. Place the empty case in a rifle and explode the cap. File the empty case through at $1\frac{1}{2}$ inches from the base disc, taking care not to deform the case. Place inside the empty case, so prepared, a small cylinder of wood, in order to prevent it becoming dented, and fasten it in case by punching two or three small holes round the edge. Fill the indentation in the exploded cap with soap, level with the base disc. To test the condition of the point of the striker:—Load the rifle with a dummy cartridge and fire. On withdrawing the cartridge an impression of the point of the striker will be found in the soap.

Should the striker be perfect. Should the striker make no impression in the soap when fired, the point of striker must be broken, and the fact should be at once reported. These instructions should be explained to non-commissioned officers generally.

STOCK.—To replace a stock the butt plate must be removed, the stock bolt unscrewed, and washer removed. Should the new stock not be drawn firmly home when the bolt is screwed up, a second washer must be put on. Should the point of the stock bolt protrude on the inside of the body, it will interfere with the full play of the block when extracting; additional washers may require to be added in a soft gap stock to prevent this.

EASING SPRINGS.—The action being open, place the thumb on the thumb seat, and the forefinger on the trigger, the remaining fingers under the guard, press the trigger firmly without touching the lever, and when the lever is closed* secure it in the catch by clasping the bow of the lever and small of the butt with the right hand.

N.B.—"Springs must never be eased when a cartridge is in the chamber."

Directions for Renewing Lines on Sight Slides and Caps.

Fit the sight-line tool over the slide and leaf, and press it up to the cap, then with a scriber, having a point of the proper width, re-mark the windage and centre lines on the slide and cap, as shown by the dotted lines *a a* in sketch. Reverse the tool and re-mark the opposite windage line, and trace over the centre lines *a a*, to prove that they are in the centre, as there is a slight variation in the width of the leaves.

When a spare part which bears a date of manufacture is placed in a rifle, the date on which this spare part is so used is to be placed by the Armourer near the *S*, which will be found on the spare part.

TO ADJUST "PULL OFF."—Assemble the guard with tumbler, lever, and assembled block in action—regulate the "pull-off" by the bent from 2 to 2½ lbs., without the trigger spring. Insert trigger spring and bring the "pull-off" to the regulation weight (6 to 8 lbs.) by filing the underside of spring if too heavy or putting in a stronger spring if too light, particular care being taken to see that the spring is screwed hard and firmly down by the screw.

(In replacing a trigger spring, the "pull-off" must be adjusted in the manner above described.)

GAUGE ACTION.—The "gauge action" is issued to Armourer Sergeants and others solely for the purpose of testing the component or components of any rifle which may appear to be defective in its action. For this purpose the component parts of the action of the rifle may be assembled in the "gauge action," when the working can be clearly seen and the defective part (if any) noticed.

* If the lever should fail to close on pulling the trigger, this indicates that the action is not in good order, and the lever must be then pressed home by the right hand.

Should there be any doubt as to which component is in fault, it can be set at rest by substituting for the suspected component, the corresponding one from the "gauge action," which being of correct form, should work well if the other components are in good order. Great care should be taken in using the "gauge action" or any of its components not to strain or distort them.

¶ The diagrams referred to in foregoing order will be issued hereafter.

ARMY REGULATIONS.

No. 110.—Under instructions from Government the following corrections are made in the Army Regulations:—

Paras. 1119, 1120, 1121 are reconstructed as follows:—

1119. The daily allowance of gram for horses of mounted corps and batteries is as follows:—

For all Colonial horses	...	...	...	lbs. 10
Arabs, Persians, &c.	...	...	...	„ 8

1120. During the hot months of March, April, and May, 2lbs. of bran is to be substituted for 2lbs. of gram daily.

1121. In special cases where increased feed may be necessary, officers commanding corps and batteries will order the increase on certificates from veterinary surgeons for any period not exceeding one month at a time, forwarding the veterinary surgeon's certificate, which should contain full reasons for the issue, to the inspecting veterinary surgeon through officers commanding divisions, districts and forces, who will, should the inspecting veterinary surgeon approve of the increase, dispose of the same agreeably to para. 3001.

G. O. C. C., 2nd July, 1877.—Circumstances are often coming to the notice of the Commander-in-Chief, which make it clear to him that much misconception at present prevails in the minds of some Native Officers, Non-Commissioned Officers and Sepoys, as to the conditions under which promotion in the Native Army is regulated; and therefore, to remove all possible excuse for future misapprehension on this subject, His Excellency thinks it well to define clearly the exact position in which every one of each grade stands in regard to promotion.

2. No person in the Army is entitled to expect promotion or preferment of any kind as a right. Fitness is the only test; and the power of deciding rests with the Commanding Officer and the Government.

3. Seniority of itself gives no claim whatsoever to advancement. Seniority can only be considered when fitness is equally shared by two or more individuals, and then it will carry with it its due weight.

4. Being passed over for promotion is no cause of grievance; and any one who fails to discharge his duties with zeal and efficiency because of having been superseded, risks his privilege to remain in the Service.

5. Any Native Officer or Non-Commissioned Officer or Soldier who presumes to prefer a claim for promotion on the mere grounds of seniority, or to complain because of having been passed over, is guilty of having made a frivolous complaint, and renders himself liable to be punished.

6. All that can be claimed by any one in the Native Army is the pay of his rank and proper treatment: these conditions are assured to all by the regulations of the Service. Any demand beyond this is a pretension which will not be tolerated.

7. The Commander-in-Chief trusts that what he has now said will be understood by all ranks, and that thus future trouble will be avoided.

8. A translation of this order in the Vernacular is to be issued to every Native Regiment of the Madras Army, and is to be kept for reference in the Office of the Adjutant.

ARMY REGULATIONS.

G. O. C. C., No. 111 of 6th July, 1877.—With the sanction of Government the following corrections are made in the Army Regulations:—

Para. 1087 is reconstructed as follows:—

1087. The term "old and worn out" is not to be used for horses proposed to be cast if under sixteen years of age, such horses must be unfit from some specific veterinary cause.

Horses over sixteen years of age may be cast on that account provided the veterinary report certifies to their being worn out.

DISCHARGES—SHORT SERVICE SOLDIERS.

No. 112.—It is notified for general information and guidance, under a decision of His Royal Highness the Field Marshal Commanding-in-Chief, that soldiers who have enlisted for given periods with the Colors and with the Army reserve, must, unless permitted to extend their services under existing regulations, be required to fulfil the terms of their engagement in all respects, and, until they have done so, cannot become settlers in India or the Colonies.

ARMY REGULATIONS.

No. 113.—The following addition and correction is made in para. 1088, Army Regulations:—

1088. After first word "Horses" add—after a year's trial.

1088. In two last lines erase the words—or by transfer to the Police.

SCHOOLS—RATIONS.

No. 114.—The following General Order, by His Excellency the Commander-in-Chief in India, is republished:—

Simla, 30th August 1867, No. 202.—As the rules regarding the issue of rations or subsistence money to trained schoolmistresses the wives of soldiers are not well understood, some schoolmistresses having drawn both rations in kind from the Commissariat, and subsistence money from the Pay Department, it is now announced, for information and guidance, that the grant of free rations to the schoolmistresses in question, sanctioned by G. O. C. C.,* 26th July, 1864, is in lieu of subsistence allowance.

ARMY REGULATIONS.

No. 115.—The following alteration is made in para. 1093:—

1093. Last two lines erase the words—who will at once hand them over to the Commissariat Department.

The following will be paras. 1093-A and 1093-B:—

1093-A. Horses cast by the Annual Committee will be retained until the remounts to replace them are received.

No distinction to be made between cast and other horses in regard to care and treatment. Any such considered by the committee altogether useless and unserviceable and not worth their keep to be disposed of at once.

1093-B. Officers of the mounted branches are strictly prohibited from purchasing horses cast from their own regiments.

BOY ESTABLISHMENT “QUEEN'S OWN” SAPPERS AND MINERS.

No. 116.—The Government of India has been pleased to sanction the number of Pension Boys with the “Queen's Own” Sappers and Miners being raised, from twenty-four to thirty-two, in assimilation to the allotment authorized for regiments of Native Infantry.

No. 354, dated 20th April, 1877.—In continuation of G. O., No. 374 of 3rd April, 1876, the following Clause 3 of Army Circulars, dated the 1st January, 1877, is declared applicable to India, and published for general information:—

Gratuities to Soldiers on Discharge.

Clause 3.—1. The General Fund, which has been formed from the fines inflicted upon soldiers for the crime of drunkenness, is appropriated to the purpose of granting gratuities to well conducted non-commissioned officers and men on discharge from the Army.

2. The scale of gratuities will be regulated annually according to the state of the General Fund and will be notified to the Army from time to time.

3. From the 1st January, 1877, the issue of the gratuities will be regulated by the following rules, except that, in Colonial corps, the rates of gratuity will be only half those fixed for the Army generally.

4. Every soldier, who shall be discharged otherwise than for misconduct, will be paid, at the time of his discharge, a gratuity calculated at the rate of ten shillings for each Good Conduct Badge then in his possession; provided that the total sum of 1l. 10s. shall not be exceeded, except in the case of a soldier who may not, for the ten years previous to his discharge, have been recorded as guilty of drunkenness. In such case the limit will be extended to 2l. if the soldier shall be in possession of four Good Conduct Badges, and to 2l. 10s. if he shall be in possession of five Good Conduct Badges.

5. In the case of a Serjeant, which term includes Serjeants-Major, and all other grades of Serjeants, the amount issuable will be calculated on the number of badges to which his services and conduct would have entitled him, had he been a private soldier at time of his discharge, subject to the above limits. The charge will be vouched by a certified record of service.

6. Men transferred from the Line to the 1st-Class Army Reserve, to complete their term of service, will receive, at the time of such transfer, such gratuities from the fund as they would have received had they been discharged in lieu of being transferred.

7. Such men, if allowed to rejoin the colors, will not be required to refund any portion of the amount so received. They will be paid on final discharge from the Army a gratuity, at the rates specified above, for any badge or badges they may have become possessed of over and above those they had when transferred to the Army Reserve.

8. Non-commissioned officers detached from regiments or the Line or other corps of the Army, or service with the Auxiliary Forces, will not be entitled to receive these gratuities until they are finally discharged from the Army.

9. The gratuities issued in accordance with these Regulations will be charged in the accounts of the Accountant from whom the soldier may be drawing his pay at the time of discharge. The soldier will sign a receipt for the gratuity; and in each case in which the sum of 2l. or 2l. 10s. is awarded, the charge will be further vouched by a certificate of the Officer commanding that the soldier has not been recorded as guilty of drunkenness during the ten years immediately preceding his discharge. In the case of a non-commissioned officer referred to in paragraph 8, the certificate for the period during which he has been detached to the Auxiliary Forces will be signed by the Adjutant, and countersigned by the Commanding Officer of the regiment or corps with which he has been serving.

10. In the case of a soldier dying in the service, his estate will receive credit for such amount of gratuity as he would have been entitled to had he been discharged from the Army on the day previous to the date of his death. These gratuities will be charged in the Regimental Pay List on the same Form or voucher as those issued to men on discharge, vouched by a reference to the Non-effective Account in which the credit is given.

11. Clause 12, Army Circulars, 1874, Clause 114; Army Circulars, 1874, so far as it relates to the gratuities from the General Fund formed from the fines for drunkenness; Clause 3, Army Circulars, 1857, and Clause 17, Army Circulars, 1876, are hereby cancelled.

II. In paragraph 9 of the abovementioned Circular, the words “Account” and “Accountant” will be understood to be synonymous with “Pay List” and “Paymaster” respectively.

11c. Commencing from the date a rifle is entrusted to the recruit, cleaning of arms should be taught, until every point necessary for its preservation is thoroughly mastered and understood.

Firing Exercises—Aiming and Position Drills.

11d. Aiming and position drills should be blended with the firing exercises; correct aiming, the proper mode of pressing a trigger and obtaining the alignment should be carefully taught, from a tripod, using auxiliary sights, before the recruit is allowed to aim from his shoulder.
11e. There will be no established number of such drills, but they will be carried on with the firing exercise until the recruit's mastery of his rifle, to either singly or in the ranks, is complete.

Judging Distance Drill.

11f. Judging distance drill in the neighbourhood of the lines during the period of the above instruction will be also performed and carried out, either morning or evening, until the rules therefor are thoroughly understood, and experience of judging at both known and unknown distances, has been proved, by answers, to have been sufficiently gained.

Judging Distance Practice.

11g. The recruit will then perform three periods of judging distance practice on as difficult and unknown ground as may be available in the neighbouring country. This instruction is to be blended with instruction in outpost duties, has given at least 24 answers, three periods, at various distances proportionately from 100 to 900 yards.

Blank Firing.

11h. The recruit's eye-sight having been improved and strengthened, and his mastery over the rifle rendered complete, blank firing will immediately precede the course of target practice hereafter laid down.

Theoretical Principles.

11i. Theoretical principles should be communicated from the first; a competent drill instructor should understand the reasons for all the rules given for guidance at drill and practice, and be able to lead the recruit on to understand them, thereby aiding his own instruction, and in raising his intelligence.

11j. In the regimental school room the laws of nature affecting the flight of the bullet should be explained and taught. At all musketry drills and practices the position of the sun and the extent of wind should be dwelt on, and their effect on shooting explained. Occasional explanation from the Adjutant, and a thorough examination by him of the recruit's knowledge of all these subjects, before being dismissed from drill, is to be made.

11k. No recruit is to be passed into the ranks until he has gained at least 90 points in the three periods of individual firing.

2. The rates are as follow :—

	Rs.	A.	P.
For a General Officer	...	...	...
„ Field „	...	...	...
„ other officers	...	...	...

3. The issue of the above rates will be regulated by substantive rank in the case of a combatant officer, and by relative rank in the case of a medical officer or veterinary surgeon.

4. The foregoing rates will be issued for each day that an officer may be necessarily on the journey from his station to the port of embarkation. If necessarily detained at the port of embarkation, or at any intermediate place en route to the port, an officer will receive the full rate, provided the detention at any one place does not exceed seven clear days, exclusive of the days of arrival at and departure from such place.

5. When the necessary detention at any one place exceeds seven days, half rates only will be issued for the remainder of the period of detention.

6. After the receipt of the order recalling an officer from India, consequent on his promotion, transfer, or removal under any circumstances, or on the expiration of his tour of service, he should be required to proceed to England by the first available opportunity, in a troopship or other vessel according to the season of the year; and in the case of a regimental officer, or a medical officer (which will include the British pay of advanced rank, if promoted) he was drawing when the order reached him, until it is necessary for him to proceed to the port of embarkation to ensure his arriving there in time. But the Indian allowances in question cannot be admitted unless the officer proceeds, as above, by the first available opportunity, nor under circumstances which involve a double payment, viz., to the officer proceeding to England, and to his successor who may have already come out to relieve him; in such cases British pay only of rank will be passed.

Should an officer be absent on leave in India when the order necessitating his removal from the Indian establishment is received at his regiment or station, he will cease to draw Indian allowances from the date of the General Order notifying the arrangement, but will be granted the personal allowance until his departure from the country, provided he proceeds to the port of embarkation with the least practicable delay.

The provisions of this paragraph are not applicable to a General Officer, or to a Surgeon-General and Deputy Surgeon-General, whose pay and allowances prior to embarkation, after removal from the Indian establishment, or on the expiration of tour of service, will be regulated by existing rules.

7. The journey should be so timed that no unnecessary detention shall take place at the port of embarkation.

8. As a rule, detention at ports should not exceed three clear days.

9. An officer who fails to embark in the ship appointed for his conveyance, will not be entitled to further detention allowance while awaiting another passage, unless the delay arises from causes beyond his control.

10. An officer is not entitled to any allowance for the day on which he embarks.

11. Personal allowance will not be issued for detention at any one place, for a period exceeding fifteen days, without the special sanction of the Governments of India, Madras, or Bombay, or as the case may be.

12. This Order is not applicable to an officer, who, on being struck off Indian allowances, is not entitled to British pay.

REGIMENTAL APPOINTMENTS.

No. 122.—With a view to obviate unnecessary retrenchment of the Staff salary of officers in consequence of the Regimental Orders notifying their officiating appointments being inaccurate or incomplete, the Commander-in-Chief directs the particular attention of commanding officers to the subject and to the necessity for submitting for His Excellency's confirmation, orders which correctly indicate the conditions of such officiating appointments.

PENSIONS—SOLDIERS.

No. 123.—Much inconvenience having resulted from the instructions laid down in S. G. O., No. 5, dated 26th January, 1876, page 16, Head—“Pension Soldiers,” not having been complied with, it is now notified for general information and future guidance and with a view to compliance with the requirements of the Colonial authorities for descriptive particulars of Soldiers who are allowed to receive furlough pay or pension in the Colonies, that in all such cases W. O. Form No. 484, “Change of Residence Certificate,” is to be used. This document is to be prepared in duplicate by the Officer Commanding the Battery or Corps to which the men belong, it should be filled in as far as practicable and despatched to the Officer at the port of embarkation under whom they will receive their last payment and who is to be requested to transmit one copy of the document to the Adjutant-General, and at the same time to notify the date of the men's embarkation. The other copy to be delivered to the payees.

EQUIPMENT—BRITISH TROOPS.

No. 124.—Standing G. O., No. 63, dated 6th April, 1877, to be amended as follows :—

“In continuation of Standing G. O., No. 135, dated 15th December, 1876, the Commander-in-Chief directs that in the form prescribed in G. O. C. C., No. 125, dated 29th November, 1866, page 268, the first seven columns alone of the Statement are for the future to be filled in by Regiments proceeding to England, leaving the remaining columns headed rate, proportion, and present value, blank. These are not required to be filled up in India.”

NATIVE MUSKETRY REGULATIONS.

G. O. C. C., No. 125 of 29th July, 1877.—The following General Order by His Excellency the Commander-in-Chief in India, is republished :—

Seven extra copies, pocket edition Simla, 30th May, 1877, No. 125.—His Excellency the Commander-in-Chief is pleased to direct that the alterations and modifications, contained in the appendix to this order, shall be made in the Native Musketry Regulations and observed from the commencement of the Annual Course for 1877-78.

2. Attention is specially invited to revised paragraphs 11, 19, 22, 24, 30 and 34, doing with preliminary drills as part of the annual musketry course, and requiring that they are sufficiently taught as part of a regular system of weekly class instruction.

3. The Government of India has sanctioned a new edition of the Native Musketry Regulations being published, and this will be supplied to the troops as soon as possible, and will then be their sole guide.

APPENDIX TO G. O. 125.

Native Musketry Regulations.		
Para.	Line.	
4	...	To be re-constructed, to read as follows :— “The native officers are to make themselves fully acquainted with the rifle exercises and the several drills and practices required to be taught by these regulations : they are to carry out, under the wing or squadron commander's superintendence, the instruction of their troops and companies. Their proficiency in this duty is to be the subject of examination and report by Deputy Assistant-Adjutants-General for Musketry, in reporting to General Officers, and in the inspection reports of General Officers.” “The names of all native officers who are unable to instruct their troops or companies, as herein ordered, will be mentioned by General Officers in their inspection reports.” “If, however, a native officer has once been found proficient in this knowledge and continues to satisfactorily instruct his troop or company, he is not to be subjected to any further examinations in musketry.”
5	...	For the present paragraph substitute— Native Adjutant in Infantry and Woordie Major in Cavalry. “These native officers must have a thorough knowledge of the rifle and carbine exercises, and of all the branches of musketry instruction.” “They will aid the adjutant in instructing the younger native officers, and newly promoted non-commissioned officers in their duties.”

		<i>"Collective Firing for Drilled Soldiers."</i>
		<i>"1 and 2, Volley and Independent Firing."</i>
		<i>Volley Firing, 5 rounds.</i>
214A	...	214A. The company, drawn up in line, will receive the caution from its commander to "Fire a volley by sections from the right;" the section leaders alone to give the executive commands.
		The caution to "Fire a volley by half companies from the left" will then be given by the company commander, and the necessary executive commands by the half company leaders.
		The caution "The company will fire three volleys," followed by the executive commands by the company commander, will end this practice.
		The targets will then be checked by the superintending wing commander or officer.
		<i>Independent firing, 5 rounds.</i>
		214aa. Independent firing, 5 rounds will then be performed on the same principle as laid down for volley firing, so as to accustom section and half company leaders to direct and control the fire of their men at both practices.
		At the conclusion of this practice the targets will again be checked by the superintending wing commander or officer.
		Attention should be given by the superintending wing commander or officer, to the difference in results gained in these practices, under varying conditions of distances, &c.
		214aaa. Regiments will adopt their own way of separating the practices of casuals so as to give each company concerned the average hits obtained by the party with which such men fired.
214B	...	The object to be fired at in these practices will be eight targets, placed lengthways with four feet intervals, with a one foot broad black mark along the centre.
214C	...	The distances at which these practices are to be carried out are discretionary with commandants, (300 yards being the minimum) who should bear in mind the following principles laid down for their guidance:—
		a.—That this fire should be considered as a further proof of the efficacy of the system of instruction pursued in the preliminary training and in the individual firing.
		b.—That until a close, well directed horizontal fire in both practices at a distance of 300 yards, has been obtained, a greater distance should not be attempted.
		c.—That in order the better to fit them for field service the distances may be varied and altered each year as the skill of the men is developed.
		d.—The volleys may be fired at one or at several different distances, and the independent firing at other distances as would be required on field service.
		e.—The volley firing is first to be executed, and after the hits of this practice have been carefully taken off and recorded, the independent firing will take place, and the hits be taken off; this is to be done on all occasions by the responsible officer.
		f.—There should be plenty of time given between the rounds for these practices, though to be carried out as on field service, they must be made instructive also, and faults, &c., pointed out, there should be no undue delay in giving the commands for the performance of each separate round, or in the motions by the men.
		g.—"On hill ranges, where room for an entire company, drawn up in line, is not available, the fire may be delivered by half companies or sections, as commandants may direct."

Actuary.

A. H. BAILEY, Esq., of the London Assurance Corporation.

The chief characteristics of this Society are:—

Mutual Assurance.

Policies for terms of years issued at largely reduced rates without participation in Surpluses. Premiums payable half yearly, on 1st January and 1st July.

Claims paid immediately after satisfactory proof of death. An official Notice of death in any of Her Majesty's Government Gazettes is a sufficient proof.

Claims can be adjusted, and premiums can be paid in London, if desired by the Policy holders.

Surrender Values allowed for Life Policies issued at fixed rates of premium which have paid three years' premiums.

The Society's funds must be invested in Indian Government Securities or in other guaranteed Indian Securities.

Quinquennial valuations, by a London Actuary, of Assets and Liabilities. The reduction of premiums for the Quinquennium 1876-80 is at the rate of 65 per cent. of premiums paid during 1871-75.

Assurances granted on the lives of Europeans, East Indians or Eurasians, and Parsees.

Past experience leads the Directors to anticipate that the retention of the "Mutual" principle and the Quinquennial distributions of Surpluses, will bring down the cost of Assurance by this office, for Life, to the lowest possible point.

The Medical Examiner sees Applicants for Assurance at his residence, Pantheon Road, Egmore, on Wednesdays and Saturdays between 11 and 12 A. M.

CHURCH OF ENGLAND ASSURANCE INSTITUTION,

ESTABLISHED 1840.

HEAD OFFICE—KING STREET, CHEAPSIDE, LONDON.

EMPOWERED BY SPECIAL ACT OF PARLIAMENT.

Capital—One Million.

“Short Term” and “Whole Life” Assurances are granted.

In addition to ordinary Assurances this Company issues Policies by which the sums assured are made payable to the Policy-holder himself on his attaining a specified age or to his representatives in the event of his previous death. By this means Officers and others may both provide for their families and secure *Retiring Provision* for themselves.

Also “FREE” Policies are granted which can never altogether lapse in consequence of the non-payment of Premiums.

“Clergy Rates” have been recently prepared to enable Clergymen and Ministers of all denominations to assure their Lives in this Institution upon more favorable terms than in any other Office.

Premiums may be paid annually, half-yearly, quarterly or monthly as desired.

Thirty days' grace are allowed for the payment of annual, half-yearly and quarterly premiums, and fifteen days for monthly premiums. The validity of the Policy will, in every case, be maintained by payment of the Premiums within the stipulated period, notwithstanding the death of the Assured may have occurred before such premiums shall have been received.

No extra rate is charged for sea-passages, and on arrival in Europe a reduction is made in the premium without the assured being required to pass any Medical examination.

Policies effected by parties on their own lives, and assigned as a *bonâ fide* security to others, will not be rendered void in the event of death by suicide, duelling, or the hands of justice. Claims will become payable within three months after satisfactory proof of death.

The Medical Officer, Dr. Harris, sees applicants for Assurance at his residence, Pantheon Road, Egmore, from 11 to 12 A. M., on Wednesdays and Saturdays.

In charge Head Quarters, 4th Regt. N. I.

A. Moonesawmy Naidoo has supplied the 10th Regiment with Boots for the past year and a half. His Boots are I think a very good average in kind and workmanship, and I have not been able to get any one else to make them as cheap.

Given to him to enable him to compete for the supply of Army Boots if required.
