STATION STAFF APPOINTMENTS.

G. O. G., No. 763 of 4th November 1879.—The following General Order by the Government of India, dated 17th October 1879, is republished, with reference to G. O. G. No. 20 of 1865:—

No. 1013.—STATION STAFF.—With reference to G. O. G. No. 1076 of 1864, the Right Honorable the Governor-General in Council is pleased to notify that from this date the appointments of 1st and 2nd class station staff officers will be held under the following conditions:—

I.—The tenure of these appointments will be limited to two years, but officers of the British service, and officers of Native regiments, will not be seconded in their corps when holding such appointments.

II.—Regimental officers of the staff corps or local army who may be nominated to such appointments will continue to be borne on the establishment of their corps, and will revert to their regimental appointments on the expiration of their tour of staff service.

III.—In all such cases the temporary vacancy will be filled either regimentally or by an unemployed officer as His Excellency the Commander-in-Chief may direct. In the former case a staff corps probationer will be appointed to the regiment, who will be liable to transfer to another available vacancy should he become supernumerary to the establishment.

IV.—Station staff officers appointed under this order will, as heretofore, receive the staff pay of the appointment in addition to the regimental pay and allowances of their rank.

V.—During the tenure of appointment an officer is eligible for privilege leave, or short leave to sea, without forfeiture of appointment.

VI.—General leave or furlough entails loss of appointment. An officer applying for furlough will obtain it as a regimental officer through the commandant of his regiment. It is not necessary that he should join his regimental appointment for this purpose, but from the date of being relieved as station staff officer and return to the regimental establishment, the officer filling his furlough vacancy in the regiment will receive only the available moiety of the allowances of the appointment, except in the case of a staff corps probationer, who will continue to draw the full staff pay of his appointment under existing rules.

2. These rules have not retrospective effect, but all officers now holding these appointments will be affected by them prospectively, and will vacate after two years' tenure from this date, unless, owing to their obtaining furlough, or for other reasons, any of them may be required to vacate in the interim.

3. This order is applicable to the three Presidencies.

RULES FOR FURLOUGH OR RETIRED PAY IN THE COLONIES.

G. O. G. No. 829 of 25th November 1879.—The following General Order by the Government of India, dated 7th November 1879, is republished:—

PAY AND ALLOWANCES.

No. 1112.—Under the authority of the Right Honorable the Secretary of State for India it is hereby notified that furlough or retired pay will be issued in the colonies in accordance with the rules herein set forth to officers of the Indian Army, who may desire to reside there during furlough or on retirement from the service.

2. An officer proceeding on furlough or on retirement from the service to a colony will be furnished at the port of embarkation with a warrant in one or other of the forms herein prescribed, on which he will obtain his furlough or retired pay from the Colonial Treasurer or other Imperial Agent of the colony to which he proceeds.

* The rates of pay and Indian allowances include horse allowance at Rupees 120 for the Principal and Inspecting Veterinary Surgeons, Rupees 90 for Veterinary Surgeons, 1st Class, and Rupees 60 for Veterinary Surgeons.

† Note.—These rates of English pay are only applicable to Veterinary Surgeons appointed before the issue of the Royal Warrant, dated 22nd April 1878. Those appointed on or after that date receive £250 a year.

Officers of the Indian Veterinary Department who may now be drawing a higher rate of pay than that given in the above table, will continue to draw such rate till, by length of service, they obtain an increase of pay.

The rates of pay sanctioned by this order will have effect from the 1st August 1879.

3. The Warrant marked A will be issued to an officer who on retirement from the service intends to reside in one of the colonies, and will be delivered by him to the disbursing officer to whom it is addressed. The Warrant marked B will be issued to an officer who is proceeding on furlough or leave, and will be retained by him and delivered up on his return to India.

4. In each case the Warrant will be issued in duplicate. The original, which will bear the payee's signature, will be forwarded to the Secretary to the Government of India, Madras, or Bombay (Military Department), for transmission to the Colonial authority concerned, and the duplicate will be made over to the payee; each payment in the case of an officer on leave will be endorsed on the back of both the original and of the duplicate Warrant. When no space for such entries remains, or when a Warrant is lost or destroyed, a fresh Warrant will be issued on application to the Secretary to the Government of India, Madras or Bombay (Military Department), through the Colonial disbursing officer concerned.

5. An officer, who desires to remove from one colony to another, or to proceed to England, will apply to the officer from whom he has been drawing his pay for the transfer of the Warrant he brought with him from India to the disbursing officer of the colony to which he is about to proceed, or to the India Office if he is about to proceed to England. As the form of Warrant herein prescribed serves the purpose of a last-pay certificate, no separate certificate will be required on such occasions.

6. An officer, the payment of whose retired allowance or furlough pay is transferred under the rule in paragraph 5, is required to report the circumstance to the Secretary to the Government of India, Madras, or Bombay, Military Department, and to the Under-Secretary of State for India, London.

7. Payments made in those colonies which exchange Accounts Current with the Government of India, will be adjusted through those Accounts Current. Payments made in other colonies will be adjusted in the accounts of the Home Treasury of the Government of India.

8. The Controller of Military Accounts will forward to the Secretary to the Government of India, Madras, or Bombay (Military Department), for transmission to the India Office, two Statements prepared in the Pay Examiner's Office, for each of the quarters ending on the 31st March, 30th June, 30th September, and 31st December. One on Form C, showing the Warrants for retired pay issued during the quarter, and the other on Form D, showing the Warrants for furlough pay issued during the same period.

9. If in any case furlough or retired pay is chargeable either wholly or in part to other than Indian Revenues, the proportion chargeable to each separate source will be shown in the quarterly Statements.

10. These rules are issued in supersession of Government General Orders, Nos. 889 and 965, dated respectively the 17th September 1868 and the 8th October 1874, which are hereby cancelled.

"Royal Warrant and Regulations—Passages and messing on board ship.

VICTORIA R.

Whereas We deem it expedient to consolidate and in certain respects to amend the regulations relating to the provision of passages at the public expense for the officers, non-commissioned officers, and men of Our Army;

It is our Will and Pleasure that Our Warrants of 2nd January 1865 and 10th August 1870 be cancelled; and that from the 1st of April 1879, the regulations issued with this Our Warrant, to be administered and interpreted by Our Secretary of State, shall be the sole and standing authority on the matters therein treated of:

Provided always that Our Secretary of State shall have power to alter the regulations from time to time as may appear to him to be expedient until Our further Will and Pleasure be made known.

Given at Our Court at Windsor, this 21st day of March 1879, in the 42nd year of Our Reign.
By Her Majesty's Command,
FRED. STANLEY.

Regulations relating to passages and messing on board ship.

I.—OFFICERS.

I.—PASSAGES.

(a) Of Officers.

1. Officers will be entitled to passages at the public expense:—

- if proceeding to serve upon the general or departmental staff at a foreign station, including Her Majesty's East India possessions, or returning therefrom in consequence of reduction or removal; or if proceeding to a foreign station with, or upon the first appointment of, the General Officer to whose personal staff they belong, or returning in consequence of such General Officer ceasing to hold his appointment, provided such appointment be not that of a Civil Colonial Governor;
- if attached to, and ordered to proceed with their regiments, or in charge of detachments of their regiments;
- if proceeding to fill up vacancies occasioned by death, by promotion, by augmentation, by appointment to any of the departments of the Army, or by selection, on public grounds, for Adjutancies of Auxiliary Forces, by resignation, by dismissal, or by the exchange, removal, or retirement of officers who have returned home on account of ill-health, who have been ordered home on duty, or who have served two years at the depôts of their regiments;
- if ordered by competent authority to proceed upon Courts martial or upon any other special public duty, or if returning after the performance of such public duty;
- if returning home in consequence of promotion, of being placed on retired full-pay, or on permanent half pay, for length of service, with the exceptions enumerated in paragraph 6; provided that the passage is taken within six months of the date of being placed on the non-effective list;
- if ordered home for instruction at the Military Educational Establishments, or to join the depôts of their regiments in their regular tour of duty, and actually joining such depôts;
- if returning home on leave on account of ill-health upon the report and recommendation of a medical board, or if returning to their stations after the expiration of such leave;
- if ordered to do duty with detachments on board ship on the expiration of leave of absence on private affairs;
- if doing duty for two years with the regimental depôt after leave of absence on private affairs, and being then ordered to rejoin their regiment.

4. If the passages to which officers are entitled as set forth in the preceding paragraphs cannot be provided on board a vessel of war, troopship, transport, or other Government vessel, or a freight ship or contract steam vessel, passage money will be issued

Passage money.

according to the actual expense incurred by the officer (less the usual contribution for messing for the average period of such voyage) not exceeding the rates for ordinary first class cabin accommodation, to be shown by a certificate signed by the owners or agents of the vessel in which the passage is taken.

5. When, under special circumstances, an officer is allowed for his own convenience to receive a passage allowance, he will be paid the actual expense he incurs, less messing contribution, for the average duration of the voyage, provided the net amount does not exceed the cost to the public by the route by which he would have proceeded if ordered a passage in the usual course.

Not entitled to passages at the public expense.

6. Officers are not entitled to passages at the public expense—
- (a) on transfer, except in the ordinary course of the service;
 - (b) if exchanging with other officers for their mutual convenience;
 - (c) if coming home on their own private affairs; or if returning to their stations on the expiration of their leave of absence upon private affairs; or on promotion during such leave;
 - (d) if returning home on resignation;
 - (e) if returning home in consequence of removal for misconduct; or of dismissal by the sentence of Court-martial.

7. If, however, in the last-mentioned instance [paragraph 6 (e)], the officer commanding the troops should be satisfied of the inability of an officer removed or dismissed from the service, to provide his own passage, he may use his discretion in ordering a passage for him at the public expense, a report of every such case being made to the Secretary of State.

8. Officers returning home from a foreign station on leave for their private affairs will be required to sign the declaration prescribed by the regulations, Section 13, paragraph 19, Queen's Regulations and Orders for the Army, 1873, as revised by General Order 23 of 1877.

Successors' Passages.

An officer serving with his regiment abroad who voluntarily retires from the Army after less than 25 years' service under Articles 94, 95, 96, 99, 100, 101, 104, 106, 108, 112, 123, 126, 161(a), 161(b), or 161(c), of the Royal Warrant of the 1st May 1878 (Revised Army Regulations, Vol. I), will be liable to defray the cost of his own passage home, and of that of the officer who may be detailed for duty and sent out to the service companies in succession to him.

9. An officer returning from abroad on his private affairs will be liable to pay the expense of the passage of the officer proceeding in his succession to the station from which he has returned, if—

- (a) he retires from the service (except on the completion of 25 years' full-pay service), or exchanges to another regiment, or to half-pay, or is seconded in his regiment except as an Adjutant of the Auxiliary Forces);
- (b) he is transferred to the Militia under Article 95 of the Royal Warrant of the 1st May 1878 (Revised Army Regulations, Vol. I).

10. An officer compulsorily retired on account of age, or an officer compulsorily removed from his regiment to half-pay, under Articles 127 to 129 and 131 of the Royal Warrant of 1st May 1878, or retiring on a pension on the completion of the service necessitating his being so removed, or an officer of more than 25 years' full-pay service, will not be liable to pay the expense of his own passage or that of the officer proceeding in his succession.

11. An officer who has come home from a foreign station on private leave, and has completed two years' service with the depot, will not be liable to defray the cost of the passage of the officer proceeding in his succession.

12. Officers will be liable to defray the cost of the passages of the officers sent out in their succession—

- (a) if retiring from the service and receiving the value of their commissions (unless they have served 25 years on full pay);
- (b) if transferred otherwise than in the ordinary course of the service, at their own request;
- (c) if seconded to take up a civil employment when at a foreign station; and
- (d) if resigning before the expiration of their period of staff service.

(b) Of Officers' Wives and Children.

13. General Officers and Departmental Officers having the relative rank of General Officers, will be allowed free passages for their wives and children; also Brigadier-Generals when proceeding to, or returning from, the command of a brigade. This regulation will not be applicable in the case of an officer quitting a foreign station on promotion to the rank of Major-General.

Officers' Wives and Children.

14. This regulation will not be applicable in the case of an officer quitting a foreign station on promotion to the rank of Major-General.

15. Married officers doing duty with troops on board ship will be entitled to free cabin accommodation for their wives and children, if permitted to accompany the officers. Otherwise, if accommodation not required for the public service can be provided without cost to the public in a vessel belonging to, or wholly freighted or chartered by, the Government, the wives and children of an officer accompanying him when he is not doing duty with troops, will be allowed free cabin accommodation. This indulgence, however, is under no circumstances to be given to the exclusion of those entitled to passages at the public expense.

16. Free passages will not be granted to General and other Officers' sons who are above 16 years of age, unless they are suffering from any bodily or mental infirmity. All such cases will be submitted to the Secretary of State for special consideration. The unmarried daughters dependent on, and residing with, their fathers will be granted free passage, without regard to age.

17. Officers, who have been promoted from the ranks while serving at a foreign station, will be allowed free passages for their wives and children (limited in regard to age as in paragraph 16) on the first voyage performed on public duty after such promotion.

18. The wives of General Officers and Departmental Officers ranking as such, who may be prevented by illness from accompanying their husbands, will be allowed passages at the public expense at a subsequent date; provided the claim for such passages be preferred within six months of the date of the officer's embarkation.

19. Officers authorized to proceed in private vessels, whether to or from foreign stations or between one foreign station and another, will be required to pay to the owners before embarkation the cost of the passages of their wives and families when the latter are not entitled to conveyance at the public expense.

(c) Of Officers' Servants.

20. A General Officer will be permitted to embark three servants at the public expense. In the case of a General Officer proceeding to India, he will be permitted to embark one male servant only, and, if accompanied by his wife, one female servant in addition, at the public expense.

Officers' servants.

25. Regimental officers having brevet rank will be entitled to passage for their servants according to their substantive rank only.

27. If female instead of male servants are embarked with married officers when accompanied by their wives, the extra expense (if any) will be charged to the officers.

30. The permission to embark servants will in all cases be contingent on the claims of the officers themselves to free passages, and no expense will be allowed for servants unless they are embarked under proper authority, and actually accompany them.

31. Passages to India will not be provided at the public expense for the male servants of officers below the rank of General Officer; but all married officers above the rank of subaltern embarking for India with their wives and children will be allowed passage for one female servant.

(d) For Officers' Horses.

32. Staff and Departmental Officers, and Regimental Officers, entitled by their substantive rank to draw forage or forage allowance will, when proceeding on permanent duty, to or from foreign stations (with the exception of India, China, and the Straits' Settlements, Ceylon, Mauritius, or the Cape of Good Hope) and intercolonially, under circumstances which entitle them to free passages, be allowed conveyance by sea at the public expense for the regulated number of horses actually required for the performance of their duties, both at the station they are leaving and that to which they are proceeding.

(e) General Regulations.

33. Any special case connected with the provision of a passage which is not distinctly provided for in the foregoing regulations, will be immediately reported for the consideration and decision of the Secretary of State.

Special cases.

34. When officers ordered to proceed from one foreign station to another cannot be provided with direct passages, care will be taken not to send them on or allow them to take passages to an intermediate port, until every precaution which circumstances or the nature of the service will admit, shall have been used to guard against their detention being unnecessarily prolonged at such intermediate port or ports.

2.—MESSING ON BOARD SHIP.

(a) Rates of Messing Contributions.

35. When officers are provided with passage, including messing, at the public expense, they will be liable on account thereof to the following deductions from their pay:—

General Officers, Brigadier-Generals, and officers of relative rank		
Army rank	...	...5s. 6d. a-day.
All other officers	...	...2s. a-day.

These rates will not include any payment on account of wine or beer, and officers who elect to consume the mess liquors, should they be placed on the tables of Her Majesty's troop-ships, will be required to pay for them to the Paymaster at the rate of 1s. 6d. per diem. Should mess liquors not be placed on the table, payment is to be made for the actual quantities supplied to each passenger.

36. In no case will wine or beer be included as a part of the messing provided at the public expense for officers on passage, and they will be required to pay on board for what they may consume.

37. Officers whose wives and families are entitled to passage at the public expense will be required to pay for their messing according to the following daily scale:—

	s.	d.
Ladies over 16 years	...	... 5 0
Children, 7 to 16 years	...	... 3 4
Do. 1 to 7 "	...	... 2 6
Do. under 1 year	...	... Free.

38. When an officer who is not entitled to passage at the public expense for his wife and children is permitted to take them with him when ordered to proceed by sea, he must, before disembarkation, defray the whole cost of their messing.

39. An officer, who is not entitled to passage at the public expense, but is allowed spare accommodation in one of Her Majesty's ships, a commissioned troop-ship, or a transport, will be liable to defray the whole cost of his messing before disembarkation.

40. Upon all occasions of an officer who is not entitled to passage at the public expense for his wife and children being permitted to take them with him when ordered to proceed by sea, the officer must himself defray the whole cost of their messing before disembarkation.

41. When the rates of passage for male and female servants are the same, 9d. a-day only will be charged for the messing of female servants.

42. When an officer entitled to two servants takes only one female servant and the rate of passage for her exceeds that of a male servant, but is not more than that of two male servants, then messing will be charged at 2s. a-day.

43. When the cost of passage for a female servant exceeds that of a male servant, and the officer is entitled to conveyance for one servant only at the public expense, then the officer will be charged the difference of such cost and 9d. a-day messing contribution.

44. Officers will be charged for the rations of their native servants on board ship half the daily stoppage paid on account of European servants, viz., 1½d. instead of 9d. This rate is applicable only to passages between ports in India, China, and Ceylon.

(b) Mode of recovering Messing Contributions.

45. The settlement for messing stoppages to which officers receiving passages at the public expense may be liable will be exclusively effected at the termination of the voyage, no deduction being made from the pay advanced on embarkation. The settlement for the messing stoppages of their wives and families will be effected on board ship before disembarkation, if proceeding in Her Majesty's ships, troop-ships, or transports; otherwise the amount due will be paid to and credited by the Paymaster or Agent by whom the messing stoppages for the officer are accounted for.

46. At the termination of the voyage home-ward, or coast-wise in the United Kingdom if in Her Majesty's ships, the Paymaster or Agent from whom the officer receives his pay will credit in his public accounts the amount of messing contribution which shall be shown to be due from the officer by the messing certificate to be produced by him.

47. In the case of officers going abroad or proceeding intercolonially, the messing stoppages will be recovered by the Paymaster of their regiment at the station at the termination of the voyage, although the officer may be in the payment of the Agent. If there be no Paymaster of the Corps to which the officer belongs at the station, the messing stoppages will be paid to the District Paymaster.

48. Officers and others about to embark on board-ship are to take care to provide themselves with the prescribed form of messing certificate (W. O. Form 321 or 323), and before they go on shore to complete the form or cause it to be completed in every particular, including the signature of the Paymaster or Master of the vessel, and of the officer commanding the troops, or of the officer himself where there is no commanding officer.

49. In the event of officers omitting to obtain the proper messing certificate, the Paymaster or other Accountant will immediately recover from the officer the regulated stoppage for the full number of days for which advanced pay is allowed for the voyage by Royal Warrant, unless the voyage is known by the Accountant to have exceeded on this occasion such period of advance; in which case the stoppages will be made for the full period actually occupied by the voyage. This settlement will be without appeal.

50. The number of days which are to be calculated for the purpose of payment on account of messing contribution commences with that on which the first dinner meal is provided on board and ends with that on which the last dinner meal is provided on board.

II.—NON-COMMISSIONED OFFICERS.

1.—PASSAGES.

(a) Of Subordinates, Non-Commissioned Officers and Men.

51. The subordinates detailed in Classes I and II of the Royal Warrant of 26th November 1875, Clause 161, Army Circulars, 1875, will, when ordered to proceed by sea, on public duty, with troops, be allowed staff sergeants' accommodation, when available; and, if without troops, intermediate or second-class passage, when available, but under no circumstances will first-class accommodation or compensation be allowed. Those in Classes III and IV will be allotted such accommodation as may be available on board troop-ships and transports, and stowage passage in hired vessels or contract mail packets. Trained Schoolmistresses will be allowed separate suitable berths when proceeding with troops.

52. Money allowances in lieu of passage will in no case be issued.

53. Civilians holding subordinate appointments as assistant clerks, temporary clerks, commissariat storekeepers, master artificers, if originally appointed from the United Kingdom, will, when proceeding on public duty, be allowed intermediate or second-class passage, when available. Artizans and skilled laborers will be allowed stowage or third-class passage.

54. European non-commissioned officers of West India Regiments, and European staff and Garrison clerks after seven years' continuous service at tropical stations, will, on being granted leave of absence, be allowed free passages to this country and back to their regiments.

(b) Of Discharged Soldiers.

55. As a general rule the travelling regulations will also govern the grant of sea passage to discharged soldiers.

(c) Of the Wives and Families of Subordinates, Non-Commissioned Officers and Men.

56. As a general rule the regulations relating to travelling by land will also govern the grant of sea passages to the wives and families of the subordinates, non-commissioned officers, and men referred to in paragraph 51; and they will be allowed similar accommodation (when available) to that prescribed for their husbands. The regulations laid down in the following paragraphs will provide for cases to which the regulations relating to travelling allowances are not applicable.

57. Passages for the wives and families of the civilian subordinates detailed in paragraph 53, and for those of the non-commissioned officers of West India Regiments, European staff and Garrison clerks proceeding under the circumstances referred to in paragraph 53, will be governed by the conditions which regulate passage for the husbands.

58. Passages will be provided at the public expense to and from foreign stations for the families of non-commissioned officers and men on the married roll, when moving with the regiment; and to this country when troops are ordered to embark for service without their families. Passage will also be allowed when the families are subsequently permitted to rejoin.

59. The wife of a soldier married in India will not be provided on the death, desertion, imprisonment, or insanity of her husband with a passage for herself or family to that country, without the special sanction of the Secretary of State for India in Council, unless the woman be a native of India.

60. When a soldier is discharged, except when discharged by purchase, passage for his family will be allowed for the distance the discharged man is entitled to be conveyed in proceeding to his future home.

63. Soldiers' wives who, after having once been provided with free passage to India, or any other foreign station, return home as servants to officers' families, or for their own convenience, will not be sent back at the public expense. If they have so returned on account of ill-health, they will not be provided with a passage abroad a second time, unless under special circumstances, to be approved by the Secretary of State for War, or by the Secretary of State for India, as the case may be.

64. Except in cases of great urgency, when a continued residence at the station is attended with danger to life, invalided wives and families will be sent home in troopships and not in mail steamers or other vessels.

65. Should it be considered advisable, owing to exceptional circumstances, to grant passages to them in hired vessels, it must be understood that they cannot be re-conveyed to their former station at the public expense, until passage can be provided for them in a troopship.

66. Upon the discharge or death of a soldier not on the married establishment, or upon his transfer to the Army Reserve, his family will be entitled to passage at the public expense to their home or recognized place of residence, under the conditions which apply to families on the married roll.

2.—STOPPAGES FOR MESSING ON BOARD SHIP.

71. Men of the Army Hospital Corps (except when under punishment) are entitled to a grocery ration free of charge.

72. When on board ship on passage to or from foreign stations, rations in kind will be supplied free of charge to the families of all soldiers on the married roll, including families sent home in consequence of the misconduct of soldiers' wives. MILITARY.

No. 206.

INDIA OFFICE,

London, 31st July 1879.

To His Excellency the Right Hon'ble the Governor-General of India in Council.

MY LORD,

Para. 1. I have received and considered in Council your Military letter No. 150 of the 24th April last, on the question of the grant of passages to officers ordered out for special duty, or

on account of the exigencies of the service, and of the pay to be issued for the period of the voyage to India and the voyage home, in the event of the officers returning to this country to avail themselves of the residue of their furlough.

2. Your Government observe that you would merely allow officers a free passage out, but not a return passage home, furlough pay only being granted during both periods, but with the privilege of counting those periods as service for pension, and as exclusive of the residue of furlough due. You would also impose no limit to the time within which an officer might take the balance of his furlough after the termination of the duty for which he was re-called.

3. I accept the views of your Government as thus expressed.

I have the honor to be,

My Lord,

Your Lordship's most obedient, humble Servant,

(Signed) CRANBROOK.

6th Day. Boil, wipe out, scratch off and oil."

Para. 532 to be reconstructed as follows:—

It will be observed that the time allowed for drying between each process is all night. The barrels will generally be dry during that time. It can easily be ascertained whether the barrels are dry or not, by applying the steel-scratch card, when, if dry, the rust will fly off quickly; but if not dry, the rust will adhere firmly, and the barrel will have a streaky appearance. In applying the mixture and scratching off, the barrels should be held by the plugs' wood, for holding barrels, which should be about twelve inches long, four inches being inserted into the barrel. Wood plugs or corks must not be used for breech or muzzle when the barrel is immersed in boiling water, but the barrel when taken out of the water should be wiped out with a dry oil rag, and care should be taken that the same water is not used in boiling two successive sets of barrels.

- The long springs issued for the repair of the long Martini-Henry triangular bayonet scabbards will, in future, have only four rivet holes instead of five; and will be secured to the leather by means of two rivets and washers instead of by three.
- Before inserting one of these springs in a scabbard (Mark I) which has been prepared for a spring having five rivet holes, the central rivet hole in the leather will be filled up with a split rivet in the manner directed under the head of "replacing split rivets," a brass washer being placed on the rivet before it is driven down on the mandril.
- Scabbards of future manufacture (Mark II) will have only two rivet holes in the leather, between the locket and tip.

2. The following alteration will be made in the abovementioned instructions:—

For the word "chape," wherever it occurs throughout the instructions, substitute the word "tip."

A. H. BAILEY, Esq., of the London Assurance Corporation.

The chief characteristics of this Society are:—

Mutual Assurance.

Policies for terms of years issued at largely reduced rates without participation in Surpluses.

Premiums payable half yearly, on 1st January and 1st July.

Claims paid immediately after satisfactory proof of death. An official Notice of death in any of Her Majesty's Government Gazettes is a sufficient proof.

Claims can be adjusted, and premiums can be paid in London, if desired by the Policy holders.

Surrender Values allowed for Life Policies issued at fixed rates of premium which have paid three years' premiums.

The Society's funds must be invested in Indian Government Securities or in other guaranteed Indian Securities.

Quinquennial valuations, by a London Actuary, of Assets and Liabilities. The reduction of premiums for the Quinquennium 1876-80 is at the rate of 65 per cent. of premiums paid during 1871-75.

Assurances granted on the lives of Europeans, East Indians or Eurasians, and Parsees.

Past experience leads the Directors to anticipate that the retention of the "Mutual" principle and the Quinquennial distributions of Surpluses, will bring down the cost of Assurance by this office, for Life, to the lowest possible point.

The Medical Examiner sees Applicants for Assurance at the Medical College, Madras, on Tuesdays and Fridays between 11 and 12 A. M.

For further particulars, Reports, Prospectuses, Forms of proposal &c., apply to

CHURCH OF ENGLAND ASSURANCE INSTITUTION.

ESTABLISHED 1840.

HEAD OFFICE—KING STREET, CHEAPSIDE, LONDON.

EMPOWERED BY SPECIAL ACT OF PARLIAMENT.

"Short Term" and "Whole Life" Assurances are granted.

In addition to ordinary Assurances this Company issues Policies by which the sums assured are made payable to the Policy-holder himself on his attaining a specified age or to his representatives in the event of his previous death. By this means Officers and others may both provide for their families and secure *Retiring Provision* for themselves.

Also "Furn" Policies are granted which can never altogether lapse in consequence of the non-payment of Premiums.

"Clergy Rates" have been recently prepared to enable Clergymen and Ministers of all denominations to assure their Lives in this Institution upon more favorable terms than in any other Office.

Premiums may be paid annually, half-yearly, quarterly or monthly as desired.

Thirty days' grace are allowed for the payment of annual, half-yearly and quarterly premiums, and fifteen days for monthly premiums. The validity of the Policy will, in every case, be maintained by payment of the Premiums within the stipulated period, notwithstanding the death of the Assured may have occurred before such premiums shall have been received.

No extra rate is charged for sea-passages, and on arrival in Europe a reduction is made in the premium without the assured being required to pass any Medical examination.

Policies effected by parties on their own lives, and assigned as a bona fide security to others, will not be rendered void in the event of death by suicide, duelling, or the hands of justice. Claims will become payable within three months after satisfactory proof of death.

The Medical Officer, Dr. Thomas, sees applicants for Assurance at his residence, Egmores, on any day of the week between 10 A. M. and 5 P. M.

BILLIARD TABLES.

C. LAZARUS & Co., as Manufacturers, would invite particular attention to their large stock of full-sized Billiard Tables. One of the chief desiderata in a Billiard Table is to secure such an arrangement as will admit of a Ball being struck so as to attain the highest speed without its jumping. This, it need scarcely be said, depends entirely upon the arrangement of the cushions. C. L. & Co., in mentioning this fact, would state that the subject has largely occupied their attention, and, after repeated experiments and close consideration, they have discovered a principle in the manufacture of cushions which answers admirably the end desired. Since the manufacture of their cushions on this new principle, C. L. & Co. have received testimonials from some of the first Clubs in India speaking to the merits of the same. To secure *truth with speed*, that is to say, the maximum of speed compatible with preventing the Ball jumping, is the object which C. L. & Co. have had in view, and which at length they have successfully attained. At the same time, the cushions, it should be stated, are quite as durable, or even more durable, under the new principle of making up, than under the old.

New Patent Celluloid Billiard Balls, Billiard and Pool Balls:

Billiard Cloths, Cues, Billiard and Pool Making Beads, Tips, Chalks, and every requisite for the Billiard Table.

Billiard Cushions Renovated.

Billiard Tables repaired and re-cushioned on their new principle, thereby making an old Table as good as new.

TESTIMONIALS.

Pain in the Chest.—It gives me much pleasure to state that since I made use of *Henry's Thilum*, I have been relieved of the pain in my chest from which I had suffered for a period of seven years.

Three applications of this valuable Ointment have been a specific cure in my case and I can strongly recommend its use in such cases, inasmuch as it has proved to be the Sufferer's Friend.

My wife and child have also used the *Thilum* for colds and sore-throat deriving immediate relief.

ROYAPOORAM, Madras, 1st August 1879.

G. W. REGEL.

Chronic Rheumatism.—I have suffered since last February from what my Medical Adviser called *Chronic Rheumatism*, which occasioned me excruciating pains in my knees and hip-joints accompanied by considerable swelling and stiffness, and for 6 months I was confined to my house and for some weeks to my bed.

I used various remedies but derived no benefit from any. Early in this month by the advice of a friend I tried *Henry's Thilum* as directed in the paper that accompanies the pot, and in 4 days was perfectly cured and am now quite well.

You are at liberty to make what use you wish of this letter which I have the greatest pleasure in giving as I am desirous that others who are suffering as I did for so long may know of this invaluable remedy.

MADRAS, 27th August 1879.

J. H. JOBARD.

Pain in the Throat.—I have much pleasure in bearing testimony to the relief afforded by the use of *Henry's Thilum* in the case of a young lady who was suffering from great pain in her throat caused by exposure to damp. The *Thilum* was well rubbed in overnight and in the morning she was free from pain and has continued so without any further application.

26th August 1879.

A. DAWSON.

Chronic Rheumatism.—I am happy to inform you that my relative at Pondicherry has been cured of *Chronic Rheumatism* to which he has been a martyr for upwards of 3 years from the application of the contents of two pots of *Henry's Thilum*. No relief could be obtained from the various medicines prescribed by the most Eminent Physicians (Pondicherry) and I can safely say that were it not for *Henry's Thilum* he would still be a great sufferer.

R. RUGANATHAN.

Mount Road, Madras.

Pain in the Arm.—It gives me much pleasure to state since I have made use of *Henry's Thilum*, I have been relieved of the pain in my arm and I was suffering for the period of 2 years and I have given to one of my friends, he was also suffering for few months and he was also cured.

P. SHAIK MOIDEEN.

Madras, 15th September 1879.

Sprain.—My son accidentally fell and sprained his right arm so that he was unable to use it for some time. According to Medical advice the arm was painted with iodine and put into splints and other remedies were resorted to, but without avail.

Hearing of *Henry's Thilum* I obtained some and applied it as directed with the most marvellous effect. In 3 days a perfect cure was effected. My son is now quite well and I am most grateful for this really wonderful remedy.

A. AUBERT.

Madras, 14th September 1879.

Pain in Ankle Joint.—The *Thilum* I think a very useful medicine. I have tried it once on my ankle joint with great success, removing at once the stiff pain, &c., I experienced after a day's shooting, my ankle being weak, owing to a dislocation of some 7 or 8 years' standing.

Pain in leg.—Some time ago I purchased from you a pot of "*Henry's Thilum*" and at the same time you requested of me to let you know the result. I am glad to say my daughter who suffered for more than 1½ years with pains in her legs is now quite well after the use of 1½ pots of *Henry's Thilum*. I tried all kinds of medicines but all failed except *Henry's Thilum*. I think every house ought to have a couple of pots of this valuable medicine.

You are at liberty to use my name.

JAMES LEVER, Captain.

20th November 1879.

Pain in the Shoulder, Neck and Head.—I write this, to thank you for the *Henry's Thilum* given, which has, I am glad to say, done a great deal of good to my wife who was for many years a great sufferer to pains in the shoulder, neck and head, and no Liniments has done her so much good, and I think its nothing but fair of me writing and informing you of the same and strongly recommend it to be used to all sufferers of pains, &c.

You are at liberty to make use of this for I think the Public should be informed of such a good specific.

With best wishes,

Raichoor, 4th October 1879.
